

Manager Sommers Permits Auditors Terminated By Council September 1st To Stay, Legality Of Cost In Doubt

Auditors, at a cost estimated between \$600 and \$1,000 per week, whose employment was terminated by the Town Council as of September 1, have been working on the books and records in Town Hall with the approval of Town Manager William A. Sommers, who apparently is ignoring a resolution passed by the Town Council on August 27, thus openly defying the Town Council.

Last week The Times-News disclosed the fact that Town Manager Sommers attempted to block investigators inquiring into the operation of the Revenue and Finance Department under the Commission form of government by denying them access to the town's books and records. It took an order from Mayor Robert M. Laterza to open up the books and records for inspection by the investigators.

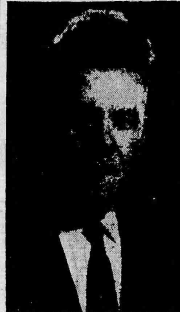

In a public statement admitting his effort to block the probe, Sommers explained he was motivated to stop the probe because of his alleged concern over the probe's cost which, according to published reports, he estimated would be about \$6,000.

Just who will pay the unauthorized auditors to whom Sommers made available the town's books and records is not clear. Best estimates place the estimated cost well over \$6,000—and three auditors are still running up time. Why Sommers permitted unauthorized auditors to check the books and records but denied the same permission to investigators authorized by a resolution of the Town Council is a

Testimonial Dinner Will Honor Mrs. Cora Smith

A Testimonial Dinner will be given on Monday, December 3, at the Branch Brook Manor in honor of Mrs. Cora Elizabeth Smith, a life-long resident of Belleville who has contributed greatly to the well being of many youngsters who were in need of help.

Dist. Governor To Visit Local Rotary Club

R. J. SCHNEIDER

Ralph J. Schneider, of Bloomfield, governor of district 747 of Rotary International world-wide service organization, arrives here Wednesday, November 21, to visit the Belleville Rotary Club, one of the 44 clubs in his district. In addition to addressing Belleville Rotarians at their meeting, he will confer with Harry T. French, president of Rotary Club of Belleville, and other club officers on Rotary administrative matters and service activities.

Mr. Schneider is the owner of Radio & Television Sales Co. Inc. in Bloomfield and is a member and past president of the Rotary Club of Bloomfield. He was elected a district governor for 1962-63 at Rotary's 53rd annual convention in Los Angeles, California, last June. He is one of 271 district governors responsible for supervising the activities of more than 11,200 Rotary clubs with a total membership of 524,000 Rotarians in 128 countries around the globe.

Speaking of the governor's visit, the president of the local club said, "He is coming here as a counselor and adviser. He has broad experience in Rotary and is well qualified to assist club officers in solving whatever problems they may have and in organizing an effective program."

16 Youths Are Queried About Barbiturates

Sixteen Belleville youths between 15 and 21 years of age, including two 16-year-old girls, were interrogated Monday night in a Nutley parking lot when police checked them and three others for barbiturates.

Anthony Sylvestro of 94 Heckel Street, Belleville, was charged with possession of barbiturates and a Newark friend, Paul Levinsky of 619 North 17th Street was charged with being under the influence of a drug.

Both were held in \$2,000 bail for a Municipal Court hearing. The other 15 were released after questioning.

Two Nutley juveniles were released after questioning. Among the Belleville youngsters released were two known heroin users whose arms bore needle marks, the result of hypo.

Citizens Should Read And Understand New Ordinance

This is the third installment in the series in which The Times-News is reprinting, word for word, and in large type, the ordinance passed by the Town Council banning distribution of smut literature and regulating the distribution of handbills in Belleville.

SECTION 3. THROWING HANDBILLS BROADCAST IN PUBLIC PLACES PROHIBITED.

It shall be unlawful for any person to distribute, deposit, place, throw, scatter or cast any commercial or non-commercial handbill in or upon any public place within this town, and it shall be also unlawful for any person to hand out or distribute or sell any commercial handbill in any public place, provided, however, that it shall not be unlawful for any person to hand out or distribute, without charge to the receiver thereof, any non-commercial handbill in any public place to any person willing to accept such non-commercial handbill.

SECTION 4. PLACING IN VEHICLES COMMERCIAL AND NON-COMMERCIAL HANDBILLS.

It shall be unlawful for any person to distribute, deposit, place, throw, scatter or cast any commercial or non-commercial handbill in or upon any automobile or other vehicle. The provisions of this section shall not be deemed to prohibit the handling, transmitting or distributing of any non-commercial handbill to the owner or other occupant of any automobile or other vehicle who is willing to accept the same.

SECTION 5. DISTRIBUTION ON UNINHABITED OR VACANT PRIVATE PREMISES OF COMMERCIAL OR NON-COMMERCIAL HANDBILLS.

It shall be unlawful for any person to distribute, deposit, place, throw, scatter or cast any commercial or non-commercial handbill in or upon any private premises which are temporarily or continuously uninhabited or vacant.

SECTION 6. OBJECTS AND PURPOSE OF REGULATION.

It is the object and purpose of this provision to regulate the publication, sale, display and distribution to minors of comic books devoted to crime, sex, horror, terror, brutality and violence and of "pocket books," photographs, pamphlets, magazines, pornographic films devoted to the presentation and exploitation of illicit sex, lust, passion, depravity, violence, brutality, nudity and immorality, the reading of which has been found to be a basic factor in juvenile crime and a basic factor in impairing the ethical and moral development of our youth, and present a clear and present danger to the people of the community, and therefore the provisions, hereinafter prescribed, are necessary in the public interest and welfare.

SECTION 7. DISTRIBUTION ON PRIVATE PREMISES WITHOUT CONSENT PROHIBITED.

It shall be unlawful for any person to distribute, deposit, place, throw or scatter or cast any commercial or non-commercial handbill upon any private premises without having first obtained the written consent of the owner, or of an adult resident or occupant thereof, except that the same may be personally delivered to anyone present on the premises who is willing to accept the same; provided, however, that if any such handbill is placed or deposited in or upon said premises pursuant to such written consent, it shall only be so placed or deposited as to secure or prevent such handbill from being blown or drifted about such premises or elsewhere.

SECTION 8. MAINTENANCE AND INSPECTION OF RECORDS OF DISTRIBUTOR.

Every handbill distributor shall maintain on file the written consent of each person within the town who has consented to the distribution of handbills in or upon the premises owned by him of which he is a resident or occupant, and shall make such records available for the inspection thereof by the License Inspector or his representative at a convenient place, within the town, at any reasonable hour, upon the request of such License Inspector or his representative.

Rival Gridiron Powerhouses Eager For Saturday Battle

By AL McCLURE

The Bellhops of Belleville High School and the Maroon Marauders of Nutley meet this Saturday afternoon at Belleville Municipal Stadium in a game that pits two rival powerhouses against each other in a do or die fight for gridiron supremacy.

Belleville, which is sporting one of the best teams in its history, will be out to sink Nutley's hopes for a county championship and in so doing take a great stride toward bringing that championship to Belleville.

Nutley, on the other hand, will be fighting to get back on the winning trail after its heartbreaking 7-0 loss to Clifton and a subsequent scoreless tie with Bloomfield.

This life and death struggle would never have come about if it had not been that the weatherman ruled that the game originally scheduled for October 6 could not be played. This postponement until November 17 was the biggest break the Bellhops got all season.

On October 6, no one, except maybe Coach Testa and the members of the Belleville team, would have guessed that this game would go a long way toward deciding the Essex County championship. At that time, Belleville was an unproven team without a well developed offense or a strong defense. Their record was a respectable 1-1, but they had yielded 32 points while scoring only 26.

At the same time, everyone was hailing Nutley as the team to beat in Essex. The Marauders had won their first two games impressively. Everyone expected a Nutley romp on October 6, but today the story is different.

The Bellhops who will take the field this Saturday are not the gridders of October 6. They have won their last six games, five by impressive scores. They have not been scored on in their last four games, while in this same time they have rolled up 90 points. Their defense has been the best in Essex, and their offense, led by Rich Luzzi and Joe Lafore, has been superb.

Despite the improvement of the Testamen, the Maroon Marauders are still one of the finest teams in the county. However, the gridders from Nutley have been having their troubles in recent weeks. They have not scored in two weeks, being shut out by Clifton by the score of 14-0, and playing to a scoreless deadlock with Bloomfield. The inability of Nutley to score against an ineffectual defense, such as Bloomfield's, may prove ominous this Saturday afternoon.

Offensively, Belleville is a powerhouse, being able to score on the ground and in the air. The Bellhops are a fast team and are a constant threat to score from anywhere on the field. It is

(Continued On Page 5)

Early Printing Date Next Week

Because next Thursday, our regular publication day, is Thanksgiving Day this newspaper will be printed on Monday, November 19, at least 48 hours earlier than usual.

This means that advertisers and all others submitting copy to us for publication must also have their material ready at a correspondingly early date.

Sommers Schedules \$6,000 Overtime For Fire Dept.

More than \$6,000 in overtime pay will be paid to firemen over the last three months of this year. The arrangement was

Additional Tax Revenue Is Certified

The Town of Belleville will receive additional tax revenue for 1962 from added assessments certified by the Essex County Board of Taxation.

The additional ratables result from new construction during the year and the sale of tax-exempt property, including town owned lands, to private owners. The board approved \$344,000 of additional ratables for Belleville which will mean \$30,341 in added taxes.

Board To Hear Apartment Variance Pleas

The Belleville Board of Adjustment will meet Monday night, November 19, to continue its hearings on variances affecting applications for two apartment buildings. The Adjustment Board will meet in the Council Chambers at Town Hall at 8 p.m.

A variance first heard on October 16, submitted by McAllister and Kellen Associates of Nutley, involves a proposed 28 family apartment at 184 - 186 Mill Street. The area is already zoned for apartments, a "C" zone, but the variance is based upon a modification of the setback requirements of the code.

A second apartment project is planned at 608 Joralean Street, which is in a "Residential A" zone. The applicant is Daniel J. Del Tufo of Forest Street. Del Tufo wants to construct a 17-family apartment. His variance is a request to waive the "Residential A" requirements of the area. Del Tufo's case was first heard by the Adjustment Board on November 6.

No Winner In Map Page Picture Contest Of Nov. 8

There were no correct Map Page Picture contest entries for the week of November 8. The man circled in the picture apparently stumped all readers of The Times.

The \$5 check for the November 8 contest made to the owner of the cooperating merchant of the week, Mead-Ford of 515 Washington Avenue, will be added to the prize for the November 15 contest. Some lucky entrant will then get a double prize when he or she correctly names the next Map Page picture person and location.

A new contest is now under way. Be sure you follow the rules. Identify the person circled in the picture by giving his or her full name, and also state the place where the picture was

taken.

The answer must be delivered in person to the office of The Times-News, 246 Washington Avenue, or it may be sent through the mail. Telephone entries will not be accepted.

The prize will be awarded to the person who first submits a correct identification of the subject in the picture and the place where the picture was taken.

Only one person in a family may submit an answer. The contest deadline is noon on Friday of the same week that the Map Page appears. If no correct identification is made by that time the prize will be added to the following week's award.

A decision by The Times-News as to the winner is final and may not be disputed.

Plans Are Made For Strumolo Assn. Affair

Plans have been formulated by the Vincent T. Strumolo Association to hold its sixth Annual Christmas Dinner-Dance on Sunday evening, December 9, at the Fountain Restaurant, Belleville. The affair will also honor its standard bearer, Vincent T. Strumolo, on being elected as Councilman in the June 12 election in the town's new form of government.

Chairman Joseph Risoli promises a gala evening for all attending. Besides a superb dinner, there will be a delightful entertainment program, featuring a show led by Mrs. Annette Marchegiano and the singing of popular Italian-American ditties by Mario Felice, Italian-Tribune editor. Anthony "Speed" DeBenedictis will be the master of ceremonies.

Among the guests who have promised to be on hand will be Belleville Mayor Robert M. Laterza and Deputy Mayor George Addonizio, Newark Mayor Hugh J. Addonizio, Congressman Peter W. Rodino, Assemblyman Robert Sarcone, Congressman-elect Joseph G. Minish, Senator Donald C. Fox, Freeholder Anthony Caccie, Orange Judge Ovid Colallo,

(Continued On Page 5)

This is Belleville's newest group—the Jaycee-ettes. Standing, left to right, are Mrs. Robert Licker, Mrs. Anthony Cortese, Mrs. Alan Bernstein, Mrs. Robert Kittie, Mrs. Thomas Gilheany

and Mrs. Patrick Kiernan. Seated, Mrs. Bernard O'Connor, Mrs. John Mattson (Jaycee-ette state president) and Mrs. Fred Devlin.

Jaycee-ette Chapter Is Organized In Belleville

On October 24 the town of Belleville formed its first chapter of Jaycee-ettes. This organization is associated with the Belleville Junior Chamber of Commerce. It is composed of the

women whose husbands are members of the Chamber, better known as the Jaycees, and many times referred to as American Young Men of Action.

The Jaycee-ette is dedicated as

always to her Jaycee husband and his organization, and provides to assist and aid him in any project he undertakes for the promotion of the welfare of the community, state and nation. The Jaycee-ette also promotes civic, educational, and recreational activities for its members. It is a non-partisan, non-political and non-sectarian organization.

Hospital Employees Receive 10-Year Pins

Archie Barbata, President of Bank of Nutley and Vice President of Board of Trustees of Clara Maass Memorial Hospital, Belleville, presents 10-year pin to Director Albin Oberg as Miss Gertrude Herman and Mrs. Margaret Leone wait their turn.

Clara Maass Employees At Annual Awards Dinner

The fourth annual awards dinner for employees of Clara Maass Memorial Hospital with five or more years of service was held with 94 guests attending.

Mr. Oberg, executive director of the hospital, presented awards to the four groups having just completed five, ten, fifteen and twenty years of service. Archie Barbata, vice president of the Board of Trustees, congratulated the employees for their loyal and faithful service. The five-year group, made up of employees who came to the hospital just prior to or after the hospital's move from downtown Newark to its new facility opposite Branch Brook Park in '57, numbered 48.

Miss Claonia Corriden, supervisor of the emergency room, is the

Local Officials At Sessions Of League Of Municipalities

Many local officials attended as Governor Richard J. Hughes spoke Tuesday at the opening session of the 47th annual conference of the New Jersey State League of Municipalities held in the Chalfonte-Haddon Hall Hotel, Atlantic City.

Other talks at the opening session were given by John T. Cunningham, author and lecturer on New Jersey, and Clayton S. Cronkright, area development manager for the Public Service Electric and Gas Company. Cunningham reviewed the historical growth of communities in the Garden State and Cronkright cited the pros and cons of industrial development.

Delegates heard a discussion of new tax exemption regulations on Wednesday. Appearing on the tax program were Alan B. Handier, deputy state attorney general; William Kingsley, acting director of the State Division of Taxation; and John A. Borden, president of the Camden County Board of Taxation. Russel T. Wilson, director of property taxation in East Orange and chairman of the League's tax study committee, presided over the discussion.

The problems peculiar to rural, suburban and large communities were to be aired at meetings during the 4-day convention. Trailer regulations, sidewalk financing, and dog damages were among the topics studied by rural officials. Representatives of suburban governments conferred on controlling high rise apartment developments and performance bonds for subdivision developers. The tax dilemma facing large cities was the subject of a session slated for today, (November 15).

Nearly 250 state, local and professional authorities on government affairs staffed consulting tables at workshops and clinics held during the conclave. Consulting topics included general municipal problems, planning and zoning, assessment administration and duties of the municipal clerk, receiver, tax collector, and treasurer.

A consulting period on related planning matters has been arranged for Thursday afternoon. Assemblyman Harry L. Sears, of Morris County, will moderate panel talks at a final planning session on Friday.

Robert S. Shaw, assistant director of the state Division of Environmental Health, will address delegates at the closing conference meeting on Friday on the public health dangers of septic tanks.

Sixteen functional and professional groups allied with the League will also sponsor meetings in conjunction with the conclave. A total of 50 sessions will be offered to officials during the week, making the conference the largest of its kind in the nation.

Clara Maass Represented At Tri-State Institute Affair

A tri-state Institute for Directors of Volunteer Service in Hospitals, sponsored by three organizations representing more than 200 hospitals was held at the Nassau Inn, Princeton.

Featured speaker was Raymond P. Sloan, associate professor of administrative medicine, Columbia University, New York, who traced the growth and development of the volunteer movement in hospitals and the development of this new career in the hospital field.

Miss Marie D'Alessandro of Clara Maass Memorial Hospital was a member of the Planning Committee for the institute. The institute, attended by more than 100 directors, was concerned with the social, economic

and technological changes that have taken place in the United States and which have contributed to the increased utilization of volunteers together with an analysis of the role of the director in the hospital, both from the standpoint of the director and from the standpoint of the hospital organization.

The meeting was sponsored by three organizations: Association of Directors of Volunteer Services in Hospitals, Metropolitan New York; New Jersey Association of Directors of Volunteer Services in Hospitals; and the Pennsylvania Association of Directors of Hospital Volunteers, Eastern Chapter.

Other speakers on the program included:

Edward Wellin, associate professor, department of Sociology, Rutgers University, New Brunswick.

David A. Brown, principal psychologist and director of the industrial relations and medical research division of the Automotive Corporation, New York, N.Y.

J. Harold Johnson, executive vice president and director of the New Jersey Hospital Association, Trenton.

Charles C. Noble, Dean, Hendricks Memorial Chapel, Syracuse University, Syracuse, N.Y.; Nelson O. Lindley, administrator of the Somerset Hospital, Somerville, N.J., brought greetings to the group from the New

The Day That Official College Football Began

By JOHN T. CUNNINGHAM

Second guessing the signal call, that essential privilege of modern football spectators and sportswriters, came into being shortly before 3 p.m. on November 6, 1889, the day Rutgers and Princeton gathered at the Rutgers "ball ground" in New Brunswick.

Tension developed the field as the captains returned to their teams. The Targum recorded the scene:

"Grim-looking players were silently stripping, each one surrounded by sympathizing friends, while around each of the captains was a little crowd, intent upon giving advice, and saying as much as possible."

Spectators ringed the field, many of them sitting precariously atop a wooden fence. Princeton's

swick to play the first official game of intercollegiate football. William Gummere of Princeton and William Leggett of Rutgers met in mid-field to toss a coin, another tradition that endures. Gummere won the toss, and then to the astonishment of the editor of Rutgers Targum, chose to kick off. That was odd, the student newspaper later noted, "since it had been agreed to start the ball against the wind."

Every second guesser knows that a kick into the wind can mean disaster.

The Targum recorded the scene:

"The teams had no difficulty agreeing on rules after Princeton accepted the formal, framed invitation from Rutgers to play 'a match game of football.'"

The field, they had agreed, would be 360 feet long by 225 feet wide (not much different in size from today's gridiron). Each team would field 25 men and the ball could be advanced only by kicking or striking with the foot. Princeton was a gracious guest, whenever there was a disagreement over rules, Rutgers prevailed.

Surely Princeton had every

followers burst often into rehearsed cheers, delighting every one with a rendition of their "Sis, Boom, Bah" yell. Rutgers responded with its own variety of vocal support, unorganized but loud.

Good feelings had been building since the 10 o'clock train had brought the men of Nassau Hall into New Brunswick. The Rutgers team welcomed their friendly rivals at the station, regaled them at dinner and then entertained them with "a stroll about town, during which stroll billiards received a good deal of attention." If such excitement weakened either team, there is no record.

The teams had no difficulty agreeing on rules after Princeton accepted the formal, framed invitation from Rutgers to play "a match game of football."

Mr. Sommers Doesn't Make Much Sense

Last week we reported that Town Manager William A. Sommers attempted to block the investigation of the Revenue and Finance Department. This he admitted. But how does Sommers explain away his action? He resorts to the time-worn excuse of economy.

Let's examine the context in which Sommers acted: On August 27 the Council voted to investigate the Revenue and Finance Department as operated under the Commission government. It also voted to investigate the office of tax assessor. Sommers came into office September 4.

Shortly after Sommers took office Council appointed investigators requested to sit down with Sommers. They were told by Sommers that he didn't have time to sit with them, having just taken over the job. September 11 the Council by a 3-2 vote, Councilmen James R. Golden and Thomas P. Greco dissenting, voted to engage former crime-buster Michael A. Querques, a prominent attorney with an outstanding record with the U. S. Department of Justice. Querques was hired to aid the Council Investigation Committee headed by Deputy Mayor G. George Addonizio.

On Wednesday, September 26, Deputy Mayor Addonizio convened a meeting of the three-member Investigation Committee. Councilman Thomas P. Greco attended and brought along his attorney. The third member, Councilman Vincent T. Strumolo, was unable to attend because of a prior business commitment. Michael A. Querques, committee counsel, and Vincent Indelicato, committee auditor-investigator, also attended, as well as Town Manager William A. Sommers.

Monday, October 8, Mr. Indelicato reported to Mr. Sommers at town hall prepared to begin the investigation. Sommers refused to permit Indelicato to look at the books and records. The investigator advised Mayor Robert M. Laterza of the impasse, whereupon the Mayor ordered Sommers to respect the authority of the Town Council and permit the investigator to proceed. Reluctantly Sommers reversed his position, contending his original stance was dictated solely because of the cost factor, which Sommers suggests may be \$6,000.

At no time prior to the appearance of the investigator on the morning of October 8 did Mr. Sommers raise the question of cost although he attended a number of meetings with the Town Council. Even at the meeting of the Council Investigation Committee which he attended Sommers made no mention whatever of cost.

While Sommers now proclaims concern over the cost of the investigation, which incidentally does not give him the authority to stop a council authorized probe, what has he been doing in relationship to other matters involving taxpayer money? Let's take a look at the Sommers record.

Sommers has authorized over \$5,000 in overtime for firemen initially asking for authority to hire ten more firemen. Sommers has created a new job at \$15,000 a year, that of principal clerk to the Town Clerk.

Sommers has permitted auditors, two and three a week, to continue working on the books and records of the town despite the fact that they were terminated by a Town Council resolution on August 21. The cost of these unauthorized auditors on the job since Sept. 1, is variously estimated between \$600 to \$1,000 per week, an aggregate cost well over the \$6,000 which Sommers estimated would be the cost of the investigation which he attempted to block.

Sommers' alleged concern over the cost of the investigators has a hollow ring when viewed in the light of the above facts. His alibi for trying to stop the probe doesn't make much sense to us.

Judge Glickenhous Okays Action By Laterza, Addonizio, Strumolo

Essex County Judge Jacob S. Glickenhous Friday ruled against former Tax Assessor Emanuele DeNoia Jr. who contended he had a right to the \$10,000 job until July 1, 1963.

The judge's ruling sustains the action of Mayor Robert M. Laterza, Deputy Mayor G. George Addonizio and Councilman Vincent T. Strumolo. Over the vigorous opposition of Councilmen Thomas P.

Greco and James R. Golden, these Councilmen voted to replace DeNoia with Peter A. Torre.

It is unfortunate that Belleville taxpayers were obliged to defend a suit brought against the town by DeNoia.

We are pleased with the judge's decision. Torre is proving to be a devoted, able assessor. Laterza, Addonizio and Strumolo made an excellent choice in selecting Torre to take over the sensitive job of tax assessor.

DeNoia's intimate identification with the political interests of the discredited Commission government which he supported in opposition to the Council-Manager form compromised his future usefulness under a brand new government operating under a completely new management.

The GOP

The drubbing which the Republican party took in Essex County on November 6 has raised the eyebrows of the party's national leaders—in Washington, D. C. The GOP must carry Essex County in 1964 in order to carry the state for its presidential candidate, hence the interest of national leaders in local affairs.

The question is asked in many quarters—what happened on November 6 in Essex for the GOP to lose its minority representation on the Freeholder board? The answer is not a simple one. The major handicap for the Republican candidates was running in an off year election against a ticket headed by popular Democrat Congressman Peter W. Rodino Jr.

Can the GOP in Essex make a comeback in 1963 and 1964? The party can but we doubt that it will. Personal, conflicting ambitions in recent years have played a major part in the decline and fall of the Essex County Republican "empire." There was a time when Republicans would methodically carry the county by 40,000 and 50,000 majorities. But that was in the good old days.

Personal jealousies and conflicting ambitions are very much in evidence today—and this circumstance will be the handicap which the Republican party in Essex County will not be able to overcome in time to win in 1963, 1964 or 1965.

A strong, two-fisted county chairman who can rise above the masses and command the respect of the financial and municipal GOP leaders is the answer to the Republican dilemma. Until that time arrives petty squabbles will be the order of the day for what once was an unbeatable, respectable party leadership. This is a sad day indeed for Republicans in Essex County. Worse, the party status may contribute to the defeat of its presidential candidate in 1964 and its gubernatorial candidate in 1965.

Rodino For U. S. Senator?

Election Day saw Congressman Peter W. Rodino, Jr. romp home with a precedent shattering majority of 43,000 votes over his GOP opponent, Dr. Charles A. Baretzki.

Rodino increased his majority over the 1960 result by 3,000, quite a formidable task. When the presidential-year 1960 election results were in many politically smart guys credited President Kennedy with responsibility for producing Rodino's 40,000 majority.

Well, a week ago Tuesday Rodino did it all by his lonesome. Quite a tribute to a public servant who is about to begin his 15th year in office. We believe the voters acted wisely in reelecting Rodino.

The lopsided victory won by Peter W. Rodino Jr. against a well-qualified foe, aided by a do-or-die battle by the Republican party to retain minority representation on the Board of Freeholders, has catapulted him into the statewide area. Friends and admirers want Rodino to test his mettle in the next state election. They want Rodino to run for United States Senator in 1964. This request upon Rodino is nothing new. He was asked to become a candidate for the U. S. Senate in 1954 and again in 1958.

An embattled and hardpressed President Kennedy may need a Rodino on the New Jersey ticket with him in 1964 to carry this critical state. We believe Rodino has earned the right to represent us in the United States Senate. We believe 1964 is his year.

HOLBROOK, ARIZ., TRIBUNE - NEWS: "As the days of campaigning come and go, concern of this country editor grows at the apparent indifference of the average citizen towards the qualifications of the several candidates for both houses of the national congress. All other issues dwindle into insignificance compared with those of the national budget and the gallop into socialism."

THANKS WORKERS IN GOP DRIVE

To the Editor: The Times-News

First may I express to all of those who supported and worked for the election of the Republican candidates my sincere thanks. I intend to carefully watch the activities of our opponents in Washington, in Trenton, and in the Hall of Records, and I will criticize publicly those measures which they advocate which in my judgment are not in the best interests of all the people of our County.

We have begun planning for next year, a year in which we will elect state officials as well as our county representatives. I intend to carefully watch the activities of our opponents in Washington, in Trenton, and in the Hall of Records, and I will criticize publicly those measures which they advocate which in my judgment are not in the best interests of all the people of our County.

BECK'S COLUMN

by Max Beck

The Magnavox Company was the sponsor of a program on Sunday afternoon from 4:30 to 5:30 which gave a preview of a large Cultural Center to be built in Washington, D. C. The president of the Magnavox Company, Mr. Frank Freiman, is well known for his keen interest and patronage of the arts. This interest is reflected in every piece of merchandise manufactured by Magnavox, particularly of course in the field of High Fidelity music reproduction. Unfortunately there is not much "art" left in TV, unless one wants to call "soap opera" art.

Matters are different with phonographs. There you can choose your own music and the only criterion is the quality of reproduction. Magnavox has been the undisputed leader for many years in this field. With the departure of Stromberg Carlson and years ago Capehart, there is only Magnavox left to offer merchandise of excellent musical quality at reasonable prices within reach of people with average incomes.

Mr. Freiman has always insisted that Magnavox instruments will be sold only by selected franchised dealers who are in the position to provide good service. The merchandise is sold from the factory directly to the retailers, the middleman and his profit is eliminated. This is the reason why you get better merchandise at lower prices from Magnavox.

We are indeed proud to be associated with a company of such high caliber.

We service what we sell

FRANKIE FRICH HELPED IN RATNER AFFAIR

To the Editor, The Times-News:

Monday evening, November 5, 1962, after a Knights of Columbus meeting, a group of old timers of the Ratner affair, even though it was against doctors orders. It is our opinion that your paper by just mentioning his name in some manner in your next edition would do a lot of good to cheer him up.

It was then we all realized that Frankie Frich, the spark-plug of Silver Lake, was the only old time fighter whose name was not mentioned by The Belleville Times-News attending the "Ratner Affair." Frankie was a well known lightweight fighter, and according to Burke, he had a lot to do with the success of Ratner and Johnnie Nelson.

Frankie Frich, whose right name is Joseph Zicaro, is the owner of a confectionery store at 73 Franklin Street, Belleville. He has been failing in health for over a year and is now a patient in Clara Maass Memorial Hospital, suffering with a heart ailment.

Tuesday evening a few of the members visited Frankie, found him in very good spirits. And well he might be, for his room at the hospital is filled with beautiful flowers and cards from his many friends from the Lake section of Belleville and the Knights of Columbus.

During the conversation with

Frankie, Ratner's affair was mentioned, Frankie said as far as the Belleville Times not mentioning his name, he was satisfied it was an oversight. And he was very happy he had attended the Ratner affair, even though it was against doctors orders.

It is our opinion that your paper by just mentioning his name in some manner in your next edition would do a lot of good to cheer him up.

WILLIAM A. FOX,
Newark, N. J.

RATNER THANKS ALL HIS FRIENDS

To the Editor, The Times-News:

May I use the offices of your truly representative newspaper to thank all my friends who made the "Ernie Ratner Night" possible. I shall live in the warmth of their friendship forever.

BRIDALS AND BETROTHALS HIGHLIGHT FALL SEASON

Mary Ann Terzo Married To Frank J. Fanelli, Jr.

MRS. FRANK J. FANELLI, JR.
Former Mary Ann Terzo

In a late afternoon ceremony on Sunday, October 7, at Holy Family R. C. Church, Nutley, the marriage of Miss Mary Ann Terzo to Frank Joseph Fanelli, Jr. was solemnized. The Rev. Salvatore T. Malanga performed the ceremony, and Mrs. Jean Lessa, organist at Holy Family played and sang. The reception was held at Thomm's Restaurant, Newark.

The bride is the daughter of Mr. and Mrs. Frank C. Terzo, Jr. of 120 Chestnut Street, Belleville. Mr. Fanelli is the son of

wark was matron of honor, and bridesmaids were Miss Rosemary Fanelli, sister of the bridegroom, Miss Bernadette Bourdon of Caldwell, cousin of the bride, and Miss Sheila Conley of Belleville. Another cousin of the bride, Jo Ann Del Corso of Belleville was junior bridesmaid.

The bridal attendants were dressed similarly in floor-length gowns of satin peau de soie, fashioned with sweetheart necklines, three quarter sleeves and bell-shaped skirts. The honor attendant's gown was beige; the bridesmaids wore apricot. All wore cabbage rose headpieces with short veils and carried bouquets of roses.

Joseph Pomaco of Nutley was best man for Mr. Fanelli, and ushers were Frank Terzo, brother of the bride, Michael Benecchi and Joseph Fortino of Nutley, and Philip Descardino of Clifton.

The bride's mother wore a blue silk peau de soie gown with chiffon draping. The bridegroom's mother wore lilac peau de soie with applied beading. Both had accessories to match and a white orchid corsage.

The bride, a graduate of Essex County Vocational and Technical High School, Newark, is employed by the Insurance Company of North America, Newark. Mr. Fanelli, a graduate of Nutley High School, is also a graduate of the Essex County Adult Technical School, Newark. He has served two years in the U.S. Army. He is employed as printer by the Business Offset Service, Inc., Maplewood.

After a wedding trip to Florida and Bermuda, the couple will make their home at 139 Chestnut Street, Belleville.

Woman's Club To Give Ideas For "Holly Days"

The monthly business meeting of the Woman's Club of Belleville will be held Monday, November 26, at one p.m. at the Clubhouse, Mrs. Stanley Gibson, chairman of the American Home department, will present Mrs. Abrahamson of Public Service who will offer sparking ideas for the festive season ahead with her program entitled "Holly Days." Refreshments will be served following the program. Visitors are cordially invited to attend.

"Men's Night," originally scheduled for Monday, November 19, has been postponed until January 8, 1963, at which time a smorgasbord supper and program is planned.

MISS JEANNE MCGRORY

Mr. and Mrs. James H. McGrory of 4 Irving Place, Nutley, announce the engagement of their daughter, Jeanne, to Louis Avila, son of Mrs. Rebecca Daniels of 184 De Witt Avenue, Belleville, and Louis Avila of 460 S. 14th Street, Newark.

The bride-elect, a graduate of Nutley High School, is currently employed with the People's Bank and Trust Company of Belleville. Mr. Avila is affiliated with Rae Lithograph of Cedar Grove.

A January wedding is planned.

Elmira College Club Holding Bridge Benefit

The Essex County Elmira College Club will hold a Bridge Benefit party at the home of Pauline Holbert, 80 Highland Avenue, Glen Ridge, tonight, November 15, at 8 o'clock. The Bridge party is for Essex alumni and their friends.

The proceeds will go to purchase Elmira College Keys to be awarded to outstanding juniors at various Essex County high schools. Key awards are made to individuals in recognition of outstanding academic and extra curricular achievement.

MRS. DAVID A. OLESON
Former Patricia Ann Leonardis

Oleson-Leonardi's Nuptials Held In St. Mary's Church

The marriage of Miss Patricia Ann Leonardis, daughter of Mr. and Mrs. James Leonardis of 412 De Witt Avenue to David A. Oleson, son of Mr. and Mrs. Alex Oleson of 73 Wilber Street was solemnized Saturday, November 3, in St. Mary's R. C. Church, Nutley.

The ceremony was performed by the Rev. James Golding and a reception was held at the Fiesta in Wood Ridge.

Mr. Leonardis gave his daughter in marriage. She wore a full length long-sleeved gown of white peau de soie, enriched with seed pearl motifs on bodice and sleeves. Her shoulder length bouffant veil fell from a seed pearl crown and she carried a cascade of white roses surrounding a central white orchid.

Mrs. Joseph Baranello of Union was matron of honor, and bridesmaids were Miss Geraldine Leonardis, sister of the bride, and Miss Santa Ferrara of Irvington.

The bridal attendants were identically attired in velvet street length dresses of candy pink, fashioned with bell-shaped skirts, three-quarter length sleeves, and scoop necklines. Their hats were petal clusters, with veils. The honor attendant carried a cascade of blush pink roses; the bridesmaids carried pink carnations.

Mr. Oleson's best man was James Morrone of Belleville, and ushers were Steven Bojczak of Belleville and Daniel Oleson, the bridegroom's brother.

The bride's mother wore a peach blue peau de soie sheath with matching accessories and a white orchid corsage. The bridegroom's mother chose a lime green velvet dress fashioned with bell-shaped skirt. She had accessories to match and a white orchid corsage.

Holy Family Church Scene Of Miss Pomarico Bridal

MRS. ROBERT J. GEIGER
Former Margaret R. Pomarico

At a ceremony preceding a Nuptial Mass, the marriage of Miss Margaret Rose Pomarico, daughter of Mrs. Columbia V. Pomarico of 83 Charles Street, Belleville and Thomas Pomarico of Montclair, to Robert Joseph Geiger, son of Alois Geiger of 23 Brainerd Road, Summit, and the late Mrs. Geiger, was solemnized Saturday morning, November 3, at Holy Family R. C. Church, Nutley.

The ceremony was performed by the Rev. Matthew Pesaniello and a reception followed at Lyles in Kearny.

Given in marriage by her brother, Angelo Pomarico of Belleville, the bride wore a white brocade princess-line gown with Sabrina neckline, long sleeves and chapel train. A pearl and sequin-encrusted pillbox held her flowing shoulder-length veil. She carried white orchids and stephanotis on a prayer book.

Mrs. Vincent Simeone of Belleville, sister of the bride, was matron of honor, and bridesmaids were Mrs. Rocco Volpe of Nutley, another sister of the bride, and Mrs. Angelo Pomarico of Belleville, sister-in-law of the bride. Anne Westpy was her aunt's flower girl.

The bridal attendants were identically dressed in plum-colored velvet street-length gowns with Sabrina necklines and long sleeves. Their headresses were matching pillbox hats. They carried cascades of chrysanthemums with pompons.

Best man for Mr. Geiger was Pat Barilla of Newark. Ushers were Richard Geiger of Summit, brother of the bridegroom, Daniel Jensen of Irvington, and Donald Geiger, nephew of the bridegroom who acted as junior usher.

The bride's mother wore a magenta silk brocade sheath with matching coat and hat. She wore a corsage of pink cymbidiums.

The bride, a graduate of Essex County Vocational and Technical High School and of Pratt Institute, Brooklyn, N.Y., is a designer at the Effenbee Doll Corp. of Brooklyn. Mr. Geiger, a graduate of St. Benedict's Preparatory School, Newark, attended Rutgers University and Boston University. He is a sales representative for City Title Insurance Company.

After a two week motor trip through Canada, the couple will reside at 654 Lyons Avenue, Irvington.

Beautiful Bucolic Belleville

1903 Flood Is Bad Memory

For Belleville's Old-Timers

By FREDERICK J. PIXLEE

In this issue, the author will try to give his version of one of Belleville's disasters, namely the great flood of 1903. Since this is the year that the Author was born; he has to rely on sources other than his own memory.

This flood occurred in October 1903, and there are very few contemporary accounts of it in writing. Let us consider the contributory factors involving this flood. There were no large reservoirs in the upper valleys such as there are today, with the exception of a few on the Pequannock River. Therefore there was no semblance of flood control above Passaic Falls.

There had been a steady rain for about a week and then there came a "Northeaster" which nowadays would be termed a hurricane presumably with the derogatory nickname of a girl.

The upper tributaries of the Passaic, namely the Ramapo, Wanaque, Rockaway, Whippany and the Upper Passaic itself, overflowed their banks and inundated places like Singac and the lower sections of Totowa and Little Falls.

LAKE DUNDEE

Peckman's Brook, the outlet of Verona Lake also contributed to the torrent, which finally poured over Passaic Falls at Paterson and into Lake Dundee.

This was an artificial lake with a dam at the Northern end of the City of Passaic. Some of the water was diverted from the stream to the Dundee Canal. This was an artificial waterway used for industrial purposes by the many factories and mills in Passaic. Later on the water was returned to the Passaic River below the Dundee Dam.

When the torrent of water from the upper rivers hit the Dundee Dam it burst and this, combined with the "Northeaster", caused the flood.

Third and Second Rivers which even today are troublesome streams in regard to flooding also caused more grief. Normally peaceful brooks; they became raging torrents after every rainstorm of consequence.

FLOOD STORIES

Like the Great Blizzard of 1888 the Great Flood of 1903 has its stories most of which are greatly exaggerated. Some people say that the flood went as far up as Washington Avenue. Perhaps the thought! There is only one possible place on Washington Avenue where the flood waters could reach and that is at Mill Street. Then it is more the waters of Second River rather than the Passaic itself. Any other inundation of Washington Avenue would have placed the event in the category of a disaster equal to the Johnstown Flood.

Through the courtesy of Mr. Paul Gibney, one of the co-owners of Ziegler's Tavern on Holmes Street the excellent pictures of the Great Flood can be seen.

Most of these pictures show houses and stores on Main St., which as everyone knows, is adjacent to the River. These were presumably taken at the height of the flood and show that the water was almost up to the first story windows. It is true that, the people had to go around in rowboats as the picture taken in front of Ziegler's Tavern clearly depicts.

However, the flood waters hardly went beyond Stephen Street and there is no record of the Erie Railroad being inundated anywhere in Belleville at the time.

DISCOMFORTS

The main reason this flood lingers in the memory of the old timers of Belleville is because of the extreme hardships and discomforts that resulted. One must consider that there were no electric nor gasoline pumps in those days for clearing the water out of cellars and even after the back breaking work of bailing them out with buckets or pumps there was still the mud and other filth to be considered.

There probably never will be another flood as disastrous as the one in 1903 although the tidal waters of the Passaic River did inundate a portion of the Route 21 around Verona Avenue in Newark a few weeks ago.

The Dundee Dam has been replaced with a stout masonry embankment and the Wanaque River has been completely diverted for use as a reservoir for Newark's Water Supply.

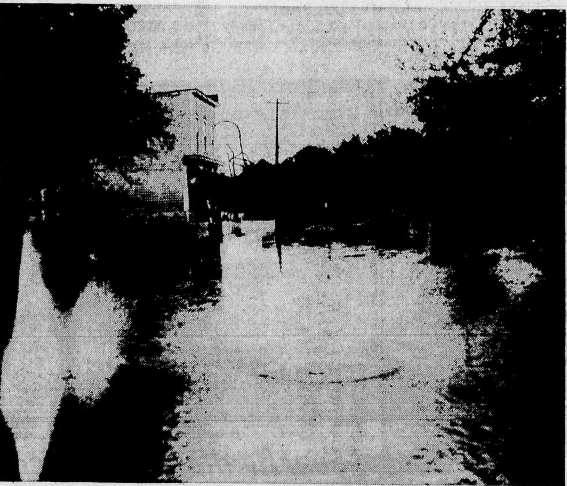

As time goes on and memories grow dim the stories will get bigger and more exaggerated. According to most people the flood of 1903 was the biggest and the worst in Belleville's long history.

Three men in a boat on flooded Main Street, Belleville, during the 1903 flood.

The White Bridge Inn and Sandford's Butcher Shop at Rutgers and Main

Another watery scene on Main Street during the famous 1903 flood. All pictures accompanying this article are

printed through the courtesy of Ziegler's Ye Old Valley Tavern, 36 Holmes Street.

Local Students On Visit

To Newark State College

A total of 44 Belleville High School students visited Newark State College, Union were briefed by faculty and students of the college, went on a guided tour of the campus, and visited classes. Members of the college's guides club were hosts.

The college, one of the oldest teacher education institutions in the nation — it began in 1855 — now is located on one of the newest campuses. Formerly located in one building on one acre in the heart of Newark, the college moved to Union in 1958 and now occupies seven buildings on 120 wooded acres in that community.

Students taking part in the trip were Mary Liloia, 614 Belleville Avenue; Donna Alfieri, 15 Malone Avenue; Margo Marone, 89 Linden Avenue; Joyce Colaninno, 285 Division Avenue; Maria Covino, 1 St. Mary's Place; Jacqueline Foster, 87 Tappan Avenue; Bunny Rubino, 56 High St.; Barbara Russo, 187 Bremond Rd.; Diane DiRuggiero, 52 Van Reyper Place; Lorraine Sawicki, 105 Dow Street; Gail Smith, 45 Essex Street; Laura Baker, 629 Belleville Avenue; Janet Borino, 387 Cortlandt Street; Lois Yom, 94 Forest Street; Phyllis Cupparo, 217 New Street; Joanne Skidmore, 16 Mertz Avenue; Judy Ferrara, 2 Dawson Street; Sherrill Thornton, 155 DeWitt Avenue; Sherry Haines, 36 nNewark Avenue; Caroline Bayard, 212 DeWitt Avenue; Dolores Rodriguez, 566 Union Avenue; Allen La Mira, 19 Lincoln Terrace; Barbara Meola, 84 Washington Avenue.

Also Paulette Meola, 84 Washington Avenue; Linda Frey, 112 Tappan Avenue; Cathie Jensen, 33 New Street; Michele Paterson, 189 Hecker Street; Georgia Mazzeo, 109 Overlook Avenue; Olga Matthews, 442 Union Avenue; Sandra Gaudio, 16 North 9th Street; Pat Bradley, 15 Moore Place; Ellen Peterson, 264 Linden Avenue; Rosemarie Sorrentino, 100 White Oak Terrace; Phyllis Corneo, 96 Emmet Street; Joan DiFazio, 43 Chestnut St.; Carol Brethill, 19 Walnut St.; Claire Tortorello, 18 Mt. Fight Promoter 'Babe' Culnan Is Dead At 65

Thomas J. (Babe) Culnan, one of the oldest boxing and wrestling promoters in the country, died Sunday night at his home, 38 Overlook Avenue, Belleville. Mr. Culnan, 65, had been suffering from a heart ailment for several years.

Mr. Culnan first suffered an attack in 1946, and another in January 1960. The latter came at a dinner while he was being honored by the New Jersey Boxing Writers Association.

The attack came moments before he was to accept a plaque for long and meritorious service to prize fighting. He was hospitalized for two weeks.

Despite his second heart attack Mr. Culnan was still active in promotion with his longtime partner, Willie (The Beard) Gilenberg at Laurel Sports Activities, Inc. Their last promotion was a wrestling show Saturday night at the Jersey City Armory.

He leaves his wife, Mrs. Alice Morley Culnan, a one-time musical comedy star; one brother, James, of Albany, and four sisters, Mrs. Frances Donovan of Belleville and Mrs. Anna O'Brien, Mrs. Marie Carey and Mrs. Loretta Sharer, all of Albany.

A Solemn Requiem Mass will be sung at 10 a.m. Thursday at St. Mary's Church, Nutley. Interment will be in Gate of Heaven Cemetery, Hanover. The funeral will be from the Johnese Nutley Home for Funerals, 536-538 Washington Avenue, Nutley.

Mr. Culnan went back to the days of Tex Rickard as a fight promoter. As a matchmaker and manager, he was associated with many of the leading figures of the ring during boxing's great years. They included Jack Dempsey, Gene Tunney, Benny Leonard, Mickey Walker, Harry Greb, Mike McGeue, Young Stribling, Louie Forno, Charlie Weinst, Tommy Farr and Young Bob Fitzsimmons.

After coming to Newark in 1916 from Albany, he continued to operate in the fight game through boxing's best and worst years. In recent years, he found it less trying to promote wrestling matches in Newark, Jersey City and other New Jersey cities boxing shows.

Mr. Culnan was the last active member of the Newark promoter.

Educator At Conference On Drug Progress

Bernard Knappell, guidance counselor of Belleville High School, recently attended a conference sponsored by the Pharmaceutical Industry of New Jersey.

The program included a tour of the plant of Schering Corporation and a talk on progress in medicine by Dr. Morris Fishbein, well known physician and writer. Dr. Fishbein noted that the great "killers" of a few years ago—tuberculosis, diphtheria, pneumonia, etc.—have practically disappeared as a result of great advances in medicine.

A workshop in "Industry-Government-Relationships" brought up the problems involved in the recently passed federal drug law. The pharmaceutical industry legislative counsel in Washington, John T. Kelly, indicated that drug firms support the law, but that many problems would be involved in its enforcement.

THOMAS 'Babe' CULNAN

motional team known as the "Four Horsemen," which competed successfully with Rickard the nation's leading promoter. His associates were Nick Kline, Harry Blaufuss and Frank Black.

Under the banner of "The Four Horsemen," many of the biggest fights in the country were held in Newark with gates running as high as \$110,000. That was the gate for the Harry Wills - Fred Fulton fight in Sussex Ave. Armory. Other big draws were Leonard and Willie Richie, Stribling and McGeue and Walker's fights with Jack Malone, Sailor Freedman, McTigue and Pete Latzo.

Mr. Culnan was principally involved in promoting Firpo's first fight in this country, which sent Luis on the way to his famous match with Dempsey. Firpo's first fight was in Newark in 1922 when Firpo knocked out Sailor Mated.

The promoter recently recalled some of the "mistakes" he had made. "We had Firpo in his first fight in this country, and I thought I was getting him at a remarkably low price, \$125. I would have paid him \$1,000 because he sold out the arena. Firpo asked if it would be all right if he had a friend take movies of the fight, and I shrugged. It did not mean anything to me. He took the films to South America and made \$90,000 with them."

Mr. Culnan was also a promoter of Firpo's last fight in this country. In that fight in Newark, Firpo was knocked out by Weinst. Later Culnan handled Weinst in his fight with Tunney.

Mr. Culnan was the only American in Tommy Farr's corner when the Welshman fought Joe Louis for 15 rounds. He also conducted Farr's tour of this country and Canada.

Mr. Culnan's last championship fight promotion was in 1941 when Freddy (Red) Cochrane of Elizabeth dethroned Fritz Zivie of Pittsburgh for the world welterweight crown in Newark's Ruppert Stadium (now Memorial Stadium).

Sommers Puts 'No Politics' Rule In Writing

Town Manager William A. Sommers on November 7 issued a written administrative order bolstering the verbal order he gave town employees on his first day in office that no town employees will be permitted to engage in political activities.

The complete administrative order, which Sommers labeled No. 3-62, follows:

"A key factor in the government of cities and particularly in the implementation of Council Manager government is that service to the public be based on non-political operations. To do this employees of the Town must be chosen on a non-political basis and must serve without fear of political reprisal or influence. Thus the State of New Jersey has instituted Civil Service under which employees of the Town of Belleville have been covered since.

"But this is not enough. To improve our service to the people, the employees must refrain from political activity of the kind that makes questionable the non-partisan, non-political character of the public service.

"To this end and for the promotion of improving the level of service as employees of the Town of Belleville, to insure the provision of municipal operations without regard to political and partisan overtones and to enhance the dignity of municipal employment the following administrative rule is established to be a guide for correct conduct.

"While working for the Town of Belleville all employees under the direction of the Town Manager shall refrain from seeking or accepting nomination or election to any public office, and from using their influence publicly in any way for or against any candidate for elective public office.

"Employees shall not work at the polls, circulate petitions or campaign literature for elective public office or be in any way concerned with soliciting or receiving any subscriptions, contributions or financial service from any person for any political purpose pertaining to elections for public office.

"Employees shall not hold office in any club, organization or association which is organized for political activity.

"Nothing in the foregoing, however, shall be construed to prevent employees under the direction of the manager from becoming or continuing to be members of any political organization, from attending political meetings or from voting with complete freedom in any election.

GAS IN WARFARE

The first recorded use of gas in warfare was during the siege of Plataea, Greece, when the Spartans used it against the Athenians. It is thought the gas was produced by burning wood, sulphur and pitch to create choking poisonous fumes.

Martinez, a native of San Francisco, is a graduate of the University of San Francisco. He is a former member of the U. S. Navy, and is married and the father of three children. The Martinez family now makes its home at 74 Liberty Street, Belleville.

Local Family Evacuated From Guantanamo Base

The wife and children of Naval Lieutenant Walter A. Godfrey Jr., believed to be the only native of Belleville who was stationed at Guantanamo with his family, arrived in Belleville a few days ago.

Mrs. Godfrey, her mother, Mrs. Demetris Shiraeva, and the three Godfrey children were evacuated with other families of service personnel from the Guantanamo base when the Cuban situation reached the critical stage.

A career officer, Lt. Godfrey is Administrative Officer of the dental clinic at Guantanamo, serving with the Medical Service Corps. He has been in the Navy for 16 years and has been stationed in Cuba since June, 1961.

A native of Belleville, Lt. Godfrey attended Belleville Schools. His wife, Marie, was born in Shanghai, China, of Russian and Polish parents. The Godfreys met and were married in Japan where the lieutenant was stationed, 12 years ago.

The Godfrey children are Norman, 11, Christina, 10, and Theresa, who was born in Guantanamo on October 16, 1961.

The service and civilian personnel at the base were officially notified of the emergency evacuation, according to Mrs. Godfrey, two and a half hours before the families of the men had to be moved out.

"Large families such as ours were taken by bus to the LST, De Soto County. We were each allowed one suitcase to bring with us on the trip," Mrs. Godfrey stated. "We left Gtmo at 5 p.m. and arrived at Norfolk Thursday at 11 p.m. The children and I stayed with some of my husband's relatives for a few days to get our bearings and arrived here (Belleville) Tuesday, October 30."

Most of the people at Guantanamo had an inkling of that was happening before they were officially told to evacuate. They had had scares before, but, according to Marie Godfrey, they were not taken seriously.

Bellboys Top Kearny 12-0; Luzzi Scores Both TD's

Led by the fine running of Richie Luzzi, the Bellboys posted their sixth win in seven games as they stopped the Kearny Cardinals 12-0, Saturday.

Rec Fencing For Girls Is Ready To Begin

The Recreation Department's very popular fencing program for girls will begin next Monday evening, November 19 at 7 p.m. in the Girls Gym at Belleville High School. Again we are fortunate in having Mr. Walter Hauber as fencing master. Mr. Hauber has held many fencing championships and is coach of the girls fencing team at Fairleigh Dickinson College in Rutherford.

Primarily designed for High School Girls, the group will accept younger girls if they can be serious and are willing to work. The program is primarily instructional but also will include a couple of tournaments, a visit to Fairleigh Dickinson and possibly some open competition for those who are ready.

Under the skilled and patient guidance of Mr. Hauber the girls rapidly progress from elementary fencing moves to quite advanced maneuvers. The Sport of Fencing has long been accepted as a fine developer of grace, poise and ability and is often recommended for students of ballet. As a competitive sport fencing is thrilling and challenging.

If this years group is as large as last years, part of the load of instruction will be picked up by Recreation Superintendent Bob Cook who is a fencer of sorts and will assist Mr. Hauber.

Although it is nice for the girls to have their own equipment, it is not necessary. The Recreation Department will loan the necessary gear until the girls may want to get their own.

Senesky received the first kick-off for Belleville and he ran it up to the Belleville 28.

In 12 mud-bogged plays which covered 72 yards the Blue and Gold stunned the Cardinal defense as Luzzi raced over for a six-yard first period touchdown. In the 12 plays preceding the touchdown, Luzzi carried the pigskin for half of the plays. The highlight of the advance was made on the third down with four yards to go on the 30-yard line at which time Luzzi barreled through the middle and upfield to the Cardinal 45 for the first. This run was followed by Tomaszewski around end, a roll-out pass by Latore, a set of quick dive plays and finally Luzzi's six-yard touchdown end sweep. The placement was declared invalid.

Although the second and third quarters were scoreless they were by no means puncheon. On one occasion late in the second quarter Kearny's left end Herb Finger was hit with a screen pass on the Belleville 9-yard line. But the Bellboys' strong defense managed to keep the aggressive Cardinals from scoring. In the same quarter, Kearny, led by the running of Joe McDonald, staged a 40-yard march to the Belleville 7 only to hand over the ball on downs.

Belleville kicked off the second half and Cardinal Joe McDonald ran 48 yards to the Bellboy's 42. In two plays, Kearny had the ball and gained 5 yards. Belleville soon took over though when Tom Schilling misused the wet ball.

Belleville then took possession but they were continually pushed back by penalties. Finally, John Senesky dropped back and made a beautiful 500-yard punt. The Cardinals now went full steam ahead and moved all the way to the Belleville one yard line only to be stopped by the strong defense led by Lou Pomponio.

With Latore at command, Belleville took the ball on their own 28. From here they made a beautiful 14 play advance. The main play for the fourth week in a row being a 27-yard pass from La-

Four Teams Vie For Major Olympic Lead

The Olympic Twin Major League remained extremely close as four teams, Pocella Jewellers, Kondreck Photographers, Nick's Texaco and Secaucus "5" came as close as four teams could be after the first 30 games.

Pocella's and Kondreck's are tied for the top spot with a 20-10 record. Nick's and Secaucus are breathing down the necks of the leaders with a record of 19-11. Not far behind are Local 430, Binky's Tavern and The Basile "5" with 17 1/2, 17 and 17 wins respectively.

The Photographers tied for first place by shutting out Sunrise Dairies behind the steady bowling of Ken Potis (247-644) Nick's Texaco also took 3 games from Andy's Sport Shop, Craig Mueller (642) and Bill Hollis (624) were top men for Nick's. Another 3 game winner was Parkview House who dropped Rieca "5" into last place. Bob Powell's 640 led the way for both teams.

Masters Fuel rolled a 2816 series and took 2 games from Olympic Bowl. The Fuelmen were led by J. Sheridan (623) and F. Giordano (621). Other 2 game winners were Albutcher over Basile Five; Pocella Jewellers over Secaucus "5"; Local 410 over All Window Products; Cerato Plumbers over Muscara Music; and Kearny over Binky's Tavern. Other 600 series were rolled by J. Gurio, 618; F. Sulling 644; and F. Buschmann, 602.

tore to Luzzi. The score finally came late in the game with an 18-yard power plunge over right tackle by Luzzi. The kick failed. From here the time ran out and on 28. From here they made a beautiful 14 play advance. The main play for the fourth week in a row being a 27-yard pass from La-

Penny Auction Slated By VFW and Auxiliary This Saturday Night

The 4th District of the Veterans of Foreign Wars and its auxiliary will hold a Penny Auction this Saturday night. The event, open to the public and starting at 8, will be held in the post home of the Younginger - Alden V.F.W. Post, 17 Belleville Avenue.

This is the first fund-raising activity of the local district this year. The district is composed of the 43 veterans posts in Greater Essex County.

Fourth District Commander Pat DeAngelis, a local resident, is serving as honorary chairman. Shelly Huber and Millie Villani, both of Newark, are serving as general co-chairmen.

VIEW FROM THE SIDELINES

By RAY FERSKO

Coast Testa's always improving grid squad showed its strength last Saturday when the Bellboys downed Kearny 12-0. The score does not really speak for the outstanding team effort that was shown. Kearny was tough, the players were scrappers, but Belleville was tougher and fought harder. The main reason for the low scoring was the mud and the rain. An outstanding game was played by halfback Richie Luzzi. The defense was superb as it put on an exceptional goal line stance.

This game marked the fourth consecutive week that Belleville has gone unscored on. If the strong defense can continue this aggressiveness and speed in stunting the offensive attack, Belleville is going to be hard to beat the rest of the way.

This Saturday the Bellboys will face their nearly arch rival, Nutley. This long awaited game is definitely one of Belleville's key games of the season and most certainly the one that will draw the greatest attention. Nutley generally works from a T formation but they could pull a surprise switch on the Bellboys. They are mainly a running threat, as they have three backfield men who can really pick up yardage. Their line led

Coming Events Scheduled By Scout Council

Coming events for the Belleville District of Robert Treat Council, Boy Scouts of America have been announced as follows:

Cub Scout Leaders Pow Wow in Irvington Technical School from 1 to 5:30 p.m. on Saturday, November 17.

District Committee Meeting, November 27, at Christian's Restaurant, 8 p.m.

New Unit Organizers meeting cit, will preside.

at Public Service Building, Newark, on November 29 at 8 p.m. Belleville representatives will attend the quarterly meeting of the Council's Exploring Cabinet to be held in Cullimore Hall, Newark College of Engineering, on December 3 at 7:30 p.m.

Cub Scout Den Chief Training Conference, Newark Academy, December 8 from 10 a.m. to 4 p.m. District Scout Commissioner, Harry Winfield will meet with all Belleville, Irvington and Newark District Commissioners in Newark College of Engineering next Monday evening, November 19. Milton J. Gimber, Scout Commissioner for the Council will preside.

by big Don Sellari is very big and very strong and possibly could pave the way for anyone of their strong runners, Lembo, Pietoso or Degwalamo.

It is interesting to note that Belleville has not beaten Nutley since 1952 and has not scored against the Maroon Raiders since 1958. In the past three years Nutley has shut Belleville out by successively gaining scores of 7-0, 21-0 and 32-0.

It is my opinion that this year the tide will change. Although Nutley is fast, aggressive and big up front, I don't think they will be able to stop Belleville's quick offensive attack and their hard hitting defense. With the combined team effort Belleville has shown in the past weeks, I predict that Belleville will win by a 7-0 score.

A Time To Remember Who We Are

Let us be grateful for our heritage. For a little pride is the wellspring of courage. Let us endure unflinchingly whatever sacrifices we are called upon to make to defend our free institutions from the night of communism, which is bent on undermining our faith in ourselves. Let us rely not only on the gold in our vaults, but the iron in our blood. And let us cling like ivy to the faith of our fathers until, in God's good time, all men are free.

Head Majorette Speaks Out

"Due to the many hours of the students who helped to form this club. She is also a member of 'Leaders' Club, and enjoys all sports. She has participated in the Physical Education Show as a member of the Drill Team.

Her other activities include instructing a weekly physical education class at Number Nine School.

Judi also says, "With the co-operation of the entire squad and the new administration, plans are now being made to alleviate this year's greatest difficulties—scheduling practices and rehearsing with the band." Twirling practices are held at 7:30 each morning and the twirlers have only one practice with the band each week. Judi strongly hopes that "next year the twirlers will have first period set aside for them to practice with the band in order to perfect their routine."

"An innovation concerning the twirlers already in effect is the effort to increase school spirit by the 'good will' programs with other schools. Representatives of the squad have already participated in the assemblies at Nutley and Kearny. The continuance of these programs serves to increase good sportsmanship among the rivals," asserts Judi.

Although her position on the squad keeps Judi extremely busy this year, she is determined to let nothing interfere with her school work. In her junior year, Judi was chosen to be a member of the National Honor Society and then she was elected as secretary of the organization. She has worked for three years on the staff of the Spotlight and plans to make this year no exception. Treasurer of the Future Physicians Club, Judi is one

Future Teachers Visit Colleges

By PAULINA RUBINO

The Belleville High School Future Teacher's association was the guest of Montclair and Newark State Teacher's Colleges on November 1.

The girls, about 50 in number, left Belleville High on that morning and went directly to Montclair State, an institution of higher learning for those students wishing to enter teaching at a secondary level. The P.T.A. was met by Mrs. Marian Salnitto, assistant director of admissions. They were shown around the campus by two students. One was a freshman resident student, and other a senior commuting student. These two girls gave the members of the club two different views of Montclair. Following this, questions pertaining to the college were answered.

The girls left Montclair State following lunch in the school's cafeteria, and proceeded to Newark State Teacher's College, a co-ed institution of higher learning, located in Union. This school is especially for those students interested in elementary school teaching. Due to the brevity of the visit, it was not possible for the girls to take a tour of the campus. In its stead, a question and answer period was held and refreshments were served. The question and answer period was led by Mr. Mercer, assistant director of admissions.

Mrs. Rossi, the advisor to the club said, "The purpose of the trip was to better acquaint and prepare the girls for college. This was the first field trip of the year for the P.T.A. Another is scheduled for a later time during the year."

Of the trip she thought, "It was very successful because the girls learned about the requirements of these colleges and because of the two student speakers at Montclair State, they were enabled to learn more about college life."

By ARLENE SCHIAVONE

A delegation of representatives from Kearny High School was welcomed to Belleville High at an assembly on November 5. The program included a routine performed by the Kearny Twirlers, some cheers by the cheerleaders from both schools, a few short speeches, a piano solo by a student from Kearny High, and a brief skit about the Belleville Kearny game featuring the Kearny students.

Speeches were delivered by Mr. Raymond O. Smith, principal of Belleville High; Mr. Yette, principal of Kearny High; Mr. T. Festa, B.H.S. football coach; Mr. Coach, Kearny football coach; Angelo Cuzzo, B. H. S. Student Council president; and the captains of Kearny's football team.

Belleville returned Kearny's visit on Wednesday morning, November 7. The group included Mr. Smith, Mr. McArthur, Mr. Festa, Dr. Peck of the music department, the Student Council officers, senior twirlers and cheerleaders, the Captains of the B.H.S. football team, and the Baker's Dozen.

The purpose of these exchange programs is to promote good sportsmanship and understand between rival schools so that whatever fighting there is at the game will only be on the football field.

By ARLENE SCHIAVONE

The Recreation Department's Grammar School Girls Gym Program will begin on Monday, November 19, at 7 p.m. at the Belleville High School Gym. Under the leadership of Mrs. Rose Schreiber Murphy, the program will offer various gym activities and a basketball clinic. Mrs. Murphy was one of the highest scorers ever to play in the Recreation Basketball League for Girls and is well qualified to instruct in the art of the game.

Mrs. Murphy will be assisted by Barbara and Paulette Meola. The Meola twins have assisted before and, in addition, have been extremely active in the various Recreation activities such as

Gym Program For Girls Is Set To Start

French II, III, and IV classes of B.H.S. attended a French program at Fairleigh Dickinson University in Rutherford, on November 14. Activities included lectures by French-speaking people, conversation in French, and singing of songs in French.

School was closed on November 8 and 9 for Teachers' Conventions and on November 12 for the Veterans' Day Parade on Monday evening, November 12, sponsored by the Belleville Veterans Council. Participating in the parade were the Belleville High School Twirlers, Cheerleaders, and Band, and seven drum and bugle corps from neighboring towns.

basketball and softball. In school they have been members of the drill squad and the tumbling team.

All of this places a lot of knowledge and talent at the disposal of the grammar school girls who take part in the Recreation Gym Program.

Honor Society Stages Assembly

By MARLISE JAMES

The Belleville High Chapter of the National Honor Society led the freshman orientation assembly this year. The freshmen came into the auditorium as the orchestra, led by Dr. Samuel Peck, played selections from West Side story. They were welcomed by president of the Honor Society Alan Berg, who explained that different members would speak to them about the extra-curricular activities available to them at Belleville High.

The first speaker was Jane Wittek, who spoke about student government organizations. Following her were: Susan Hoch,

who spoke on school publications; Paulette Meola, on Leaders' Club; Mary Lilioia, on Twirlers; Cheerleaders, and Boosters' Club; Joyce Fieramosca, on Future Teacher's, Future Physicists, and Future Nurses clubs; Judy Tremel, on the Spanish, Math, Calculus, and Physics clubs; Linda Frey, on boys sports; Marcia Peck, on music; and finally, Catherine Jensen, on National Honor Society.

This assembly was designed to tell the freshmen as much information as possible about the ways in which they can serve the school and widen their own vistas through these extra activities.

It Happens Next Week

By LAURA BAKER

November 17 — The long awaited Nutley football game will take place on Saturday at 2 o'clock. The Belboys will vie the Maroon Raiders at the Belleville Municipal Stadium. The team hopes to see good sportsmanship and a large turnout to encourage their efforts.

November 20 — Belleville High School will hold another Parent-Teacher Conference. The students will be let out of school at 1 o'clock. Parents will be able to discuss any problems with the teachers until 4 o'clock.

November 21 — The annual Thanksgiving Assembly will be put on by the Music Department. The orchestra and Baker's Dozen will perform under the direction of Dr. Peck. Mr. Troutman will lead the Choir and the Glee Club. They will sing Joshua and melody of America the Beautiful. This assembly is sure to set the school in a festive mood.

November 21 — School will close at 1 o'clock to commence the Thanksgiving holiday.

November 22 — The Belboys will travel to Orange to try for another victory. The game will take place on Thursday morning at 11 o'clock. The Senior twirlers and cheerleaders will be recognized for their service on the squad. We hope to see another

Belleville Twirlers Show A New Face

By PAULA ZACCONE

The marchers wearing blue and gold uniforms and twirling batons are known as the Belleville High School Twirlers. This group of girls is led by head majorette, Judi Underwood and co-captains, Marcia Peck, Judith Tremel, and Jane Wittek.

Belboys hats and white tassels worn on the boots are new additions to the twirler's attire. Another innovation is the new captain uniforms.

Every morning at 7:30 the groggy members assemble in the school gym to rehearse for football shows and pep rallies. This year's twirling squad has represented Belleville High in various parades and exchange assemblies. The administration thinks it is evident that these girls should be congratulated for playing important parts in many school functions.

Senior members are: Judi Underwood, majorette, Marcia Peck, Judith Tremel, Jane Wittek, co-captains, Ellen Soriano, Roseanna Posta, Joan Hoffman, Julia Motzer, Joan Mince, Marlene Ruglio, Lenore Carney, Arlene Schiavone, Sharon Moore, Joann Thalheimer, Miriam Post, Junior twirlers include Rosemarie Sorrentino, June Di Rienzo, Sandy Rygiel, Paula Zaccone, Mary Conklin, Ellen Peterson, Joan DiFazio, Bonnie Cook, Mary Lou Davies, Elaine Matthews, Diane Ryan, Linda Vogel, Alice Whitney and Judy DelGuercio. Sophomore, on the squad are: Maryann Meola, Olga Matthews.

Miss Marilyn Chichester is advisor and Ned Troutman is band director.

THE ALMA MATER

Since many Belleville — high students aren't familiar with all of the alma mater, it is printed here in their interest.

1. Nestled in the folds of Jersey In a quiet vale, Stands our noble Alma Mater, Belleville Hi All Hall!

Chorus:

Lift the chorus, sing her praises Over hill and dale; Hail to thee, our Alma Mater, Belleville High All Hall!

None eclipse thee in thy glory; High thy fair name, stands, Honor crowns thy spins and daughters In this free — born land.

So to thee our praise we're raising, Hallowing thy fame, We thy children, love and cherish Thy unspotted name.

LET'S BEAT NUTLEY SATURDAY!!

High School Announces Conferences

Parent-Teacher Conferences will be held in Belleville High School on Thursday, November 15, from 1:30 to 3:30 p.m.; Tuesday, November 20, from 1:30 to 3:30 p.m.; and Monday evening, November 26, from 7 to 9 p.m.

Parents who wish to see a teacher are asked to call the high school guidance office. Fifteen minute conferences will be scheduled.

Parents who wish to meet with the high school counselors may also call for appointments on the above dates.

The purpose of the program is to give parents and teachers the opportunity to discuss the progress or lack of progress of the individual student.

NEW! IMPROVE!

BETTER FLAVOR! BETTER TEXTURE! BETTER WRAPPER!

Chief McGinnis Asks Drivers To Safety-Check Their Cars

Much time and many miles of driving have elapsed since the last vehicle safety-check campaign, and Police Chief Charles H. McGinnis thinks its time for safety-minded citizens to take another close look at the family car.

"We were glad so many drivers cooperated in the previous check-up, and I know they felt good about it too," the chief commented. "Those whose cars checked out all right were gratified, and those who found things wrong were fortunate to have them corrected before they were serious trouble or an accident resulted."

"Now another season is here, and even those cars which passed inspection with flying colors last spring deserve our attention again. There may or may not be an official campaign and check-lane this time, but drivers would take the responsibility up on themselves."

With a view to oncoming winter weather, Chief McGinnis suggested that special attention must be given to car lights and batteries. "We're doing more of our driving after dark now," he pointed out.

Bald tires should be replaced before their owners find themselves skidding into an accident on a slippery street, he warned. Tires with good tread are needed, and many drivers are switching to snow tires, he said. He advised, however, that drivers who plan or need to use their cars regularly during severe conditions . . . not to overlook the added weight of a good set of tire chains, even if they have snow tires.

"At times chains are a necessity, or we have dangerous and costly traffic delays during severe snow or ice conditions," he emphasized. "All drivers who have to go or who elect to go in severe conditions, should carry a pair of reinforced tire chains in the trunk and use them when needed."

According to Chief McGinnis the early winter motor vehicle safety-check should also include an inspection of the car's exhaust system. Windshield wipers need attention, too, he pointed out. Wipers which were adequate in a gentle summer rain may be strong enough to keep heavier snow or sleet from obscuring driver vision. Not only are live blades advisable if yours are a year old, but wiper arms should be tested to assure that

Montgomery Church Has 40th Anniversary, 1922-62

The Fortieth Anniversary of the organization of the Montgomery Presbyterian Church, Mill Street, was commemorated in services of divine worship Sunday, November 4, at 9:30 and 11 a.m.

By this time new Sunday school rooms, a gymnasium and bowling alleys had been added, an organ and new pews had been provided and the sanctuary had been redecorated.

The Rev. Niels Christensen served as pastor until 1940. The Rev. Oliver Chapin was Pastor from 1941 to 1959.

The Sanctuary was completely remodeled in 1945 and a new educational building, now called Phaner Hall, was dedicated in 1955.

The present Sanctuary was dedicated to the glory of God in February of this year.

The Rev. Arthur W. Stevens was installed as Pastor in June, 1961.

The month of November will be observed as "Loyalty Month" and will be marked by several special events, to be announced.

The sermon to be preached by Mr. Stevens this Sunday will be on the theme "The New Attitude."

The petition leading to the organization of the church with 137 charter members.

Mr. Phaner served as Pastor until his death in 1937.

In April, 1922, a Sunday School was opened in an old school house. Later, through the efforts of Ruling Elders of Westminster Church, Bloomfield, the Sunday school grew to such an extent that the need of a chapel was felt. In the summer of 1926, a building was started and the cornerstone laid. The chapel was dedicated on March 15, 1896. The school then grew rapidly, with Westminster Church supplying all but a few of the teachers and contributing generously to the support of the work.

With the new chapel, evening services were begun and were conducted by laymen from the various churches of Bloomfield. Many of the services were conducted by Mr. Phaner, who was later issued a license to preach. Members were added, being examined by the Session of Westminster Church and being placed on the rolls of that church.

Mr. Phaner was subsequently ordained as a minister of the gospel and appeared before Presbytery in the Fall of 1922 with

Burde Gives High Praise To School Personnel And Board

Dr. Palmer D. Burde, a former member of the Belleville Board of Education, this week commended the present school and the administrative and teaching personnel for the orientation program held at the high school on November 5.

"I attended this program with considerable interest," he said, "in view of the high criticism that has been leveled at all parts of the high school program. I was delighted with the informative and enlightening program that was presented."

"The parents of all the high school students were invited to this session, and each parent was asked to assume the role of his son or daughter attending classes in a regular day. The periods were of 10 minutes duration. The entire program being completed in two hours. Each faculty member discussed briefly his particular subject, and as a part of the program, we were able to receive progress reports on our youngsters."

"Special commendation should go to Dr. Frank Durkee, Superintendent of Schools, for his part in encouraging such a program, and only the highest praise can be offered to Raymond Smith, Principal of the high school, and to the faculty members who took part."

"We have, in Belleville, the nucleus of a fine educational program. Under Dr. Durkee's leadership, progress is being made to see that this is expanded. Let us, therefore, give praise to an outstanding effort such as this, and let us all continue to note the good and progressive efforts that are being made, on behalf of our children, by the outstanding team of educators that go to make up the Belleville school system."

Essex County Dental Society To Convene

Dr. Sidney I. Cohn, Professor of Pedodontics at Fairleigh Dickinson University, will address the November meeting of the Essex County Dental Society on the subject of "The Problems of Eruption of Primary and Permanent Teeth in Children".

The meeting will be held at the Hotel Suburban at 7 p.m. on Monday, November 19, according to an announcement made by Program Chairman Dr. Joseph Polack.

Dr. Cohn, one of New Jersey's leading authorities on the subject of children's dentistry, is an Attending Pedodontist at the Jersey City Medical Center, Consultant for Pediatric Dentistry at Hackensack Hospital, a Fellow in the American College of Dentists, Diplomate of American Board of Pedodontics, a member of the American Academy

of Pedodontics, honorary member of New York University Pedodontic Society, past president of the New Jersey Society of Dentists for Children.

The Essex County Dental Society is a component of the New Jersey Dental Society, and the American Dental Association. The object of the Society is to improve the dental health of the public, and to advance the art and science of dentistry. There are more than 900 local dentists in the organization.

Professional Women To Celebrate Their Twenty-Sixth Birthday

The New Jersey Professional Women will celebrate their 26th Birthday with a cocktail luncheon at the Florham Park Country Club, Florham Park, on Saturday, November 17 at noon.

A "hat bar" featuring the latest designs in chapeaux by Sue Wehrle will be an inviting treat to all during the cocktail hour. Special guest speaker will be Mrs. Fedora Bontempi, well known television hostess for "Continental Cookery".

Chairman for the affair is Mrs. Anthony J. Berardo, co-chairman, Mrs. Gerald Merola; tickets, Mrs. Harry Swenson and Mrs. Anthony Dia Costa; reservations, Mrs. Carl Ianaro.

South Seas Adventure To Play At Clairidge Starting November 21

The demand for a return showing of "South Seas Adventure" in Cinemas has been so great that Paul Petersen, managing director of the Clairidge Cinema Theatre, Montclair, has made arrangements for a limited run of this very popular film to commence Wednesday, November 21. He did develop the first screw-type propeller and copying ink, because of incoming Cinema bookings, the run of "South Seas" however.

STEAM ENGINE

James Watt did not invent the steam engine - he perfected it. He did develop the first screw-type propeller and copying ink, because of incoming Cinema bookings, the run of "South Seas" however.
