

## It Was A Busy Year In Town For Everyone

### Politicians, Floods And Just Plain People Made The Big News During 1962

What were the big stories to charge the street department with a "do-nothing" attitude. It 1962? There were many, some funny, some sad, but all were of interest to Belleville Times readers and all were duly reported by this newspaper.

The subjects ranged from the usual absurdities of the politicians, through the humanitarian efforts of Belleville residents who banded together in support of eight indicted school board officials who had been charged with malfeasance in office, to the item reporting the arrest of a poacher for "trespassing" by officer Vincent Cosentino.

#### Politics Make Headlines

Town government predictably made the most news, since it touches the lives of almost every resident in one way or another.

A council was elected and a new form of government inaugurated by the voters. A runoff election was held when none of the candidates for the council could garner enough of the electorate to make the ballots legal.

The Third River went on one of its periodic rampages, flooding homes along Fairview Avenue and causing its residents to

#### And Death Strikes Too

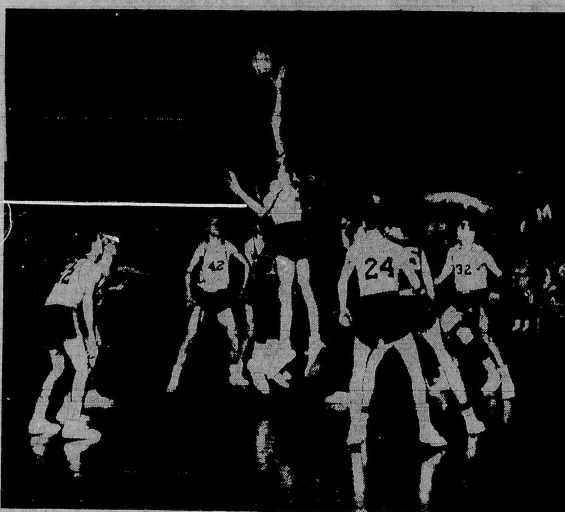

It was a year of loss, too. William A. Orchard, former manager of Wallace and Tiernan died; four persons were killed in a two-car collision on State Highway 21; and Joseph Vivona died in an explosion at his tailor shop on Washington Avenue.

The kids didn't do so bad, either. Donna R. Jones, 10 Lloyd Place won a scholarship; Frank Faggiano, 6, bought his first bike at a police auction; and Belleville High School closed its 1962 basketball season with a 60-51 loss to Seton Hall, but emerged with a three-win season. Frank DeBonis and William Karatz of Boy Scout Troop 350 won their Eagle Badges. The football team racked up one of its finest records to date.

So here's a month-by-month account of how it went.

(Continued On Page 4)

## The Junior Varsity Tip-Off

Montclair beat the Bellboys last week, but not without a fight by the locals. Here Ken Fillmore (No. 3) and the two team captains make the tip-off as the game opened. Also in the

opening play was Ken Fillmore, Cervasio (No. 32), Ray (No. 12), and Tomazewski (No. 24). A complete story is on the sports page. (Photo by David Volk)

## Pet Licenses Due To Be Renewed

Tags Will Cost \$2.25 This Year For A Pet

"Going to the dogs" used to be a derogatory expression; but today it means hard cash.

The Town Council recently increased the cost of 1963 licenses to a flat \$2.25 per animal which will bring in an estimated \$2,000 plus from some 1,438 pet owners by the end of this year.

All licenses expire January 31 and must be renewed. Delinquent pet owners can be fined up to \$25.00 for their procrastination, said Tax Collector William J. Friel Friday.

Friel, who has no dog, explained that up until several weeks ago, a male dog required a \$1.25 tag, while females needed a \$2.25 tag.

Now they both cost the same—\$2.25.

The town collects the round figure, with the 25 cents going to the state where it is applied to control of rabies and allied animal diseases.

A lost license tag, he said, could be replaced for 25 cents, which the town shares with no one.

The distinction of wearing license tag number one goes to "Mackie" a seven year old Toy Fox Terrier whose owner is Betty McLaughlin, 368 Belleville Avenue.

For pet owners who hoped to slide in under the wire and perhaps save a few dollars, said acting town manager Charles B. Tedesco, the 20 days required after publishing the new ordinance have expired, and the new rate will be effective on the 1963 licenses.

## Cops Bag A \$1,100 A Day Bookmaker

Belleville detectives, accompanied by Essex County Sheriff's men, raided a \$1,100 per day bookie joint at 215 North Belmont Avenue Friday afternoon and arrested one man as he hid behind a living room sofa.

William Kant, 33 of Lincoln Street, Bloomfield, was booked at Belleville Police Headquarters charged with possession of lottery slips and maintaining a lottery. He was later released on \$5,000 bail pending arraignment on the charges January 17.

#### Sheriff Leads Way

The raid was led by Sheriff La Roy D'Aloia, who had had the second floor rear apartment under surveillance for several weeks after receiving a tip a bookie was operating at that address. A pool hall is located on the ground floor.

After hanging on the door of the apartment and receiving no reply, the officers, armed with a warrant, ripped open the door and began searching the room. They found Kant crouching behind a sofa, where he sheepishly emerged on order by the officers.

#### Telephones and Money

Police said the single telephone in the apartment was used by some 29 agents to make bets.

## Benucci Sworn In As Acting Postmaster

JOSEPH J. BENUCCI

Joseph J. Benucci, former executive secretary to Representative Peter W. Rodino, Jr., was sworn in as Acting Newark Postmaster by Regional Director J. J. Donnelly of Philadelphia. The new postmaster succeeds Louis A. Reilly who recently reached the mandatory retirement age of 70 and who served as postmaster for 20 years.

The Newark post office also serves Nutley and Belleville. Mr. Benucci, 46 years old, was born, raised, and still lives in Newark. As a paratrooper officer with the OSS during World War II, Mr. Benucci, a captain, was engaged in hazardous duties behind enemy lines. He served as a Newark detective in the years between the war and his appointment to Rodino's staff.

The postmaster's job which carries tenure after confirmation by the Senate has a salary range which starts at \$14,260 and goes to \$17,500 in eight years.

Mr. Benucci will serve as Acting Postmaster until the Senate returns in the latter part of January to act on his confirmation. Mr. Benucci lives at 426 Summit Avenue with his wife Sharon and two children.

## Board Approves A \$2.9 Million School Budget

\$75,336 Increase Over Last Year's Budget Is Comparatively Slight

Belleville School Board adopted a tentative budget of \$2,910,215.40 Monday night during a 45-minute meeting at School 8 by a 5-1 vote.

The 1963-64 budget, which will receive a public hearing January 31, was an 8.6 increase over last year's \$2,834,879.00 budget, and was among the lowest in the county. Final approval of the budget will be made February 13 when the proposal goes before the voters.

Included were current expenses of \$2,731,432.50; capital outlay of \$10,000; and a debt service of \$168,782.90.

#### A Dissenting Voice

Adoption of the budget went along smoothly in one of the shortest Board meetings in several months, with only one objection being cast by Mrs. Thomas F. McCool, who criticized the tentative budget as being too high.

School authorities said it was one of the lowest in the county. She wanted it noted in the minutes that she planned to present a list of fiscal deficiencies during the hearing three weeks away.

Arthur M. Pies, also a board member, wanted the record to show that Mrs. McCool couldn't have a very sound grasp of the financial structure of the proposed budget as she had attended but one budgetary meeting.

Ernest S. Davidson expressed concern over the high school's lack of accreditation, and said he would propose the provision for three additional teachers to bring scholastic standards up to par.

#### Budget Is Itemized

George H. Brown said the Board had studied the budget and found it "fairly sound."

Included in the budget was an average increase in teachers salaries of \$325 while a reduction in the elementary school staff amounted to \$30,305.00.

Among the items bringing about the increase were \$9,935 for guidance services at the high school, plus \$5,000 for science equipment, with 50 per cent reimbursable under the National Defense Education Act, and \$15,800 for additional high school teachers.

A hike in the cost of text books brought an additional increase of \$8,250 with \$5,000 extra for teaching supplies.

A provision for the payment of interest on bonds for the proposed high school building program was also made to the amount of \$96,915.

#### It's Comparatively Small

Payment of principal on these bonds was to begin in the 1964-65 budget.

A mandatory increase of \$10,072 resulted in the Board contribution brought about by the Board of Education Employees Pension Fund of Essex County.

Belleville's budget increase was relatively light in view of neighboring communities who will pay whopping increases over last year's budgets.

Nearby Millburn's tax point increase came to 13 points. Progressively larger amounts came to the following communities.

Irvington 14, Nutley 27, Livingston 44, and Cedar Grove 83.

A public hearing will be held on the tentative budget at 8 p.m. January 31 at School 8 auditorium.

## Legal Secretaries Belleville Branch To Hear Carella

The Belleville Branch of the Legal Secretaries of Essex County Association will hold a meeting at the YM-YWCA, 600 Broad Street, Newark, Thursday evening, tonight, 7:30.

Charles C. Carella, assistant prosecutor of Essex County, will appear as guest speaker, his topic being "Narcotics."

All legal secretaries from this area are invited. Miss Florence C. Kurzman of 83 Beech Street, Belleville, is vice president of the Association.

World Book Encyclopedia, Atlantic City, N.J., is now on sale. \$2.99. Full or part-time. PL 32368 or CE 3-244.

## 40-Hour Week Goes Into Effect On Monday Night

Belleville's 59 Town Hall employees will remain open from 6:30 a.m. to 8:30 p.m. with half week January 14, the first change in five years, with one night a week at their desks.

The Town Council made the decision official Tuesday night during the Council's regular meeting at Town Hall.

Employees will now report for duty at 8:15 a.m. and go home at 4 p.m. Monday evening Town

m. to 4:30 p.m.

## 1963 Winners Of The Home Christmas Program Named

Belleville Recreation Department has announced the four winners of the 1963 Home Christmas Display Contest after the contest committee had examined over 100 Belleville residences from throughout the town.

The most decorative display of Christmas cheer went to the Frank Reihlan home at 282 Division Avenue, the Frances M. Hughes home at 27 Bridge Street, the Vito DeFeo home, 31 Mount Prospect Avenue, and the Edward Kwasnik home at 284 Greylock Parkway.

"In some sections of Belleville, nearly every house for blocks was trimmed in the Christmas spirit," said the committee members after the ride through town.

#### They Also Won

The following families were listed for honorable mention: 287 Ralph Street; Kidde & Roosevelt Avenue; 357 Ralph Street; 15 Little Street; 217 Passaic Avenue; 440 Greylock Parkway; 2 Mrs. Phyllis Sorriella.

The judges, headed by Mrs. Carol Yudin, were Mr. and Mrs. Frank Trainor, Mr. and Mrs. Edward Carney, Mr. and Mrs. Robert Barnes, Mr. Peter Spera, Mr. Vincent Pentimone and Mrs. Phyllis Sorriella.

## An Editorial

### Indictments, Dishonor, Dismissal

(Editor's note: This is the first in a series of articles pertaining to the ramifications of the notorious deals which caused the dismissal of former Town Manager William A. Sommers.

Within indictment-happy Belleville there is no doubt that Mayor Robert M. Laterza, Deputy Mayor G. George Addonizio, and Councilman Vincent T. Strumolo would have left themselves wide open for criminal action if they accepted any one of the deals offered them by ousted Town Manager William A. Sommers.

In their official behavior public officials unwittingly expose themselves to illegal acts falling in the categories of nonfeasance, misfeasance, and malfeasance. Oftentimes the difference between any one of these illegal acts and legal conduct is razor thin. Witness the indictments of eight members of the past and present Boards of Education.

Malfeasance is defined as "doing what a person ought not to do." Misfeasance is defined as a "wrongful exercise of authority."

The record will show that Sommers publicly said that Ralph Risoli, Town Registrar, was incompetent. Sommers also said Risoli's job was unnecessary. Despite these conclusions Sommers publicly testified that he wanted to bestow job security upon Risoli if Laterza, Addonizio and Strumolo agreed to cancel the investigation of the Revenue and Finance Department which was authorized by the trio of public officials on August 28, 1962.

Giving job security to an employee who was "incompetent" and whose job was "unnecessary" would be "doing what a person ought not to do," and would constitute a "wrongful exercise of authority." This is the opinion of a prominent criminal lawyer.

In making the offer of a deal Sommers may have violated state statutes, a question that only the future can answer. For the moment at least it is safe to conclude that had Laterza, Addonizio and Strumolo accepted the deal offered by Sommers they would have been inviting indictments, dishonor and dismissal from office. We wouldn't even wish this upon a well-meaning Sommers.

## They're Good Sports

Three of the five Belleville students who were selected to appear in "Who's Who in American Universities and Colleges" are also pretty bright in other extra-curricular activities. Sports, for instance.

The students, all lettermen, are Fred Petrosino, wrestling; Jim Dattoli, baseball; and Bob Gaccione, golf. They attend Seton Hall University.

## Evening Hours Slated For Town Tax Office

Tax office of the Department of Revenue and Finance will be open Tuesday nights from 6:30 to 8:30 p.m., said Charles B. Tedesco, acting town manager Tuesday night. The evening hours are in line with other town employees who will begin a 40-hour week next Monday.

## Belleville Schools Enter Second Year As Non-Accredited

### Commission Says Facilities Are Inadequate Here

Last week Belleville High School entered its second year without proper accreditation by the Middle States Association's Commission on Secondary Education.

The Commission said the school lacked adequate facilities, had a chronic shortage of teachers, and would not restore accreditation until firm plans for new facilities are progressing and proof of scholastic standards is evident to the Commission.

There are now 40 classrooms

with 69 teachers and 1,600 students at the 56-year-old school building on Washington Avenue, said Dr. Frank M. Durkee, Belleville schools superintendent.

#### Old Buildings Are Blamed

"We really haven't been denied accreditation for the coming year," he explained. "It's more like a continuance of the situation." He expects this problem to be resolved when, and if, the new high school is constructed.

Accreditation was withdrawn last January when a routine inspection by school officials disclosed crowding and the teacher shortage. A similar disclosure in 1954 prompted fast action by the school board when accreditation was temporarily withdrawn for the first time.

(Continued On Page 4)

## Risoli Is Entitled To Position Of Registrar

Ralph M. Risoli's position as Registrar of Vital Statistics was upheld Friday by Town Attorney Thomas C. D'Avella, who had made an exhaustive study of the tangled role Risoli played in town affairs.

D'Avella based his decision on these two facts:

Risoli had been appointed deputy registrar by former commissioner Nuncio R. Pico for a period of three years beginning November 1, 1961.

Position Double Checked

F. Merton Saybolt, State Registrar, approved the appointment two weeks later. Risoli's position did not change with the switch in government because of the approval of the two men, and his protection-by tenure in office.

When a change of government takes place, D'Avella's ruling said, the Registrar shall be continued in office.

Fired and Rehired

Risoli had been fired by former Town Manager William B. Sommers last November. After Sommers' ouster a week later, Risoli was rehired by acting

RALPH M. RISOLI

## ABC Board Announces Two Bar Suspensions, And License Transfer

Two suspensions and one transfer were recently reported by the Belleville Alcoholic Beverage Control Board.

Joseph and Christine Casiere, who operate a bar at 77 William Street, received a 15-day suspension of their license for an off-hour sale. The penalty was ordered to begin Nov. 26.

Joseph Zeigler, whose bar is at 36 Holmes Street, was ordered to close for 10 days beginning January 7 after the board found him guilty of selling beer to a minor.

Sonny's Bar at 140 Washington Avenue, owned by the late Glen Stroud, was sold to Floyd Holsten of Edison, who planned to rename the bar "Floyd's Bar Inc." A proper transfer of license was made to the new owner by the Board.

The three-man board is comprised of Norman D. Lauterette, Frank L. Bruno, and Anthony D. Geronimo.

## She Spots Map Page Personality

When Mrs. Richard Maxwell of 139 Little Street opened her Belleville Times last week and turned to the Map Page, who should she see but her old acquaintance, Mrs. David Robins?

Her sharp eyes won her her \$5.00 prize offered by the Times each Thursday. Mrs. Robins was photographed in the Boston Star at 538 Washington Avenue.

Mrs. Maxwell, who is a homemaker, said she reads the paper "just as a habit" acquired during her lifetime spent in Belleville. She attended School 8, later graduated from Belleville High School in 1923.

A new contest is now under way. Be sure you follow the rules.

Identify the person circled in the picture and name the place where the picture was taken.

There is only one correct answer to the question, and when a winner is announced the source for that answer will be revealed.

Please note that the answers must be delivered in person at Washington Avenue, or by mail. Phone calls will not be accepted.

# District Scout Leaders Slate Roundtable Meeting January 14

Cub and Boy Scout leaders of the Belleville District of Robert Treat Council, will attend a Roundtable meeting Monday, January 14 in School 8 at 8 p.m. Harry Winfield, district commissioner, will preside.

The session will plan February programs for Scout units.

The Cub theme for the month will be "Blue and Gold Story," and for Boy Scout Troops, the theme is "Fire, Food and Clothing."

Winfield said that Explorer advisors from Belleville and other districts of the Council will hold their quarterly Roundtable at the American Insurance Company, Newark, at 8 p.m. February 13.

A winter camp for Explorer units will be at Camp Mohican January 25, 26, 27.

Institutional representatives and other members of the district committee will attend the annual meeting in Mutual Benefit Life Insurance Company, Newark, January 29.

F. J. Carello, the Council's Director of Field Service, who was recently promoted to Scout Executive of the Bayonne Council, will be guest of honor.

## Mansol Appoints T. G. Rabito As Senior Chemist

Mansol Ceramics Company of Belleville announces that T. G. Rabito has been appointed senior chemist, heading up Mansol's newly organized organic department. In this capacity Mr. Rabito will be responsible for

T. G. RABITO

technical service and the expansion of the present organic products line of specialty epoxy films and pellet performs.

Mr. Rabito will also initiate Mansol's entrance into the development of organic polymers for applications in the ceramic, electrical, electronic and allied fields. The structural and specialty field will be investigated also.

Mr. Rabito received his degree from Seton Hall University and his former experience includes positions as chemical consultant for chemical divisions of several major firms in the New York area. Mr. Rabito is a Senior Member of the American Chemical Society.

## Pvt. Thomas Neilan Leaving For Europe

PVT. THOMAS NEILAN

A Belleville soldier, Pvt. Thomas R. Neilan, recently completed his basic training at Fort Dix and was home on furlough before leaving for two years overseas.

Neilan, whose parents are Mr. and Mrs. William J. Neilan, 53 Prospect Place, enlisted in October. He attended Belleville High School.

## Richard Gray Is A Naval Graduate

Richard S. Gray, aviation boatswain's mate airman apprentice USN, son of Mr. and Mrs. Wm. J. Gray of 203 Washington Avenue, Belleville, N.J., was graduated from Aviation Boatswain's Mate School, December 4, at the Naval Air Technical Training Unit, Philadelphia, Pa.

During the eight-week school, students covered fundamentals of naval aviation and basics of the aviation boatswain's mate rating which includes aircraft fire-fighting, pilot rescue and handling and direction of aircraft aboard aircraft carriers.

## Belleville Marine Is Back In US After Tour

Marine Sergeant Anthony Amato Jr., son of Mr. and Mrs. Anthony Amato of 45 Cleveland Street, has returned to Camp Pendleton, Calif., after serving with the Fifth Marine Expeditionary Brigade of the United States quarantine forces in the Caribbean.

The unit arrived in California December 16, two months after embarking in amphibious ships and passing through the Panama Canal.

The force spent 51 days at sea and visited ports in Puerto Rico, Jamaica and Panama.

Wampum, the currency of the American Indian, was manufactured in Bergen County as late as 1870.

## Bank Employees Are Appointed

MRS. CHRISTINE KAISER

MRS. DOROTHY SCHAEFER

The Board of Directors of Peoples National Bank and Trust Company of Belleville have announced the appointment of

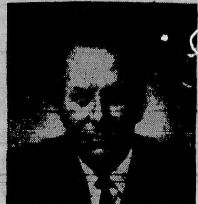

Christine Zetterstrom Kaiser and Dorothy Knobel Schaefer as Assistant Cashiers.

Mrs. Kaiser is a graduate of Belleville High School and a former resident for many years. She has been employed at the bank since 1930 and is presently General Bookkeeper. Mrs. Kaiser is married to Henry Kaiser and they maintain a home in West Orange, N.J.

Mrs. Dorothy Knobel Schaefer is a Belleville girl who also graduated from Belleville High School and has been with the bank for twenty-one years. Her position with the bank is that of Loan Teller. She is married and has a daughter, Virginia, now fourteen years of age. Her husband is Carl Schaefer, formerly of Belleville.

Progress is being made toward the establishment of the new branch office at Jorammon St. and Franklin Avenue. The site is presently being cleared of existing edifices and construction, weather permitting, will be under way shortly thereafter.

The last whipping post in New Jersey disappeared from a vacant lot in Trenton in 1837. It was never replaced.

E. HORNSBY WASSON  
PRESIDENT, NEW JERSEY BELL

## Why New Jersey Bell is spending over \$100 million for construction during 1963

Our state and nation's remarkable growth—and promising future—are creating an unprecedented demand for new telephone services. To help meet this need, New Jersey Bell has new construction projects under way in many parts of the state.

Some of these projects will cost more than a million dollars. Others involve only a few thousand. But every one of them is a part of the never-ending job of bringing more and better telephone service to you and your neighbors.

The total cost will be over \$100 million—a big stimulus to the economy of New Jersey. It means more jobs—and more business—in many areas. In fact, almost every section of the state can be expected to benefit.

For example, in Succasunna a new Electronic Central Office is going up that will make new telephone services available to customers. A new dial office is under construction in Trenton. And a major addition is being made to the Telephone Central Office on William Street in Newark. These are just a few of the many projects on which that \$100 million will be spent.

It takes a lot of money to bring telephone service to people—especially when it's the best phone service in the world. We're building to keep it that way.

# Weddings And Engagements Highlight Belleville Social Season

## Naval Nurse Is Betrothed

Mr. and Mrs. John Caldwell of 152 Mill Street announce the engagement of their daughter, Lt. Jean C. Caldwell, to Harry F. Vaughan, son of Mr. and Mrs. Harry Vaughan Sr. of Newport, Rhode Island.

The bride-elect is a graduate of Belleville High School and of the Mountaineer Hospital School of Nursing. She is assigned to the Naval Hospital at Newport. Her fiancé is an English teacher in the Newport school system.

No date has been set for the wedding.

## District Meeting Of N. C. C. W. Set For Tonight

Mrs. Joseph A. Reilly of Nutley, President of the Essex-Montclair District Council of the New York Archdiocese Council of the N.C.C.W., will preside at the district meeting this evening, January 10, at 8:30 o'clock in Sacred Heart Auditorium, 76 Broad St., Bloomfield.

The group will be addressed by Rev. Joseph A. Beggans, Moderator of the Essex-Montclair District, and Rev. Paul Collins, Assistant Pastor at Sacred Heart Church, Bloomfield, and moderator of the Rosary Society.

Mrs. Elmo Crump, Committee Chairman of International Relations will show a film on Mexico. Mrs. Frank Aites, Committee Chairman of Social Action will have a display of the many charitable works that are accomplished by the parish groups.

The members of the Sacred Heart Rosary Society, with Mrs. S. Berk, the President of the Society in charge, will be hostesses for the evening.

Members of the twenty-eight affiliated organizations are expected to attend.

## Become Engaged

ANNETTE DI SILVESTRO

Mr. and Mrs. Clement J. Di Silvestro of 2 Whitman St., Bloomfield, formerly of Prospect Place, Belleville, announce the engagement of their daughter, Annette, to Roy Thomas Holler, son of Mr. and Mrs. Roy Holler of 51 Newark Place.

The bride-elect is a graduate of Belleville High School and of the American College of Cosmetology. She is now with New Jersey Blue Cross Plan in Newark.

Her fiancé attended Belleville High School and is presently attending Fairleigh Dickinson University. He served three years in the U. S. Marine Corps and is employed at Progress Tool and Die Co., Belleville.

A dinner for the immediate families was held at the future bride's home. A September wedding is planned.

## TASTY HAM STEAK

Brown one side of ham steak in ungreased skillet or electric frying pan. Turn and top with pineapple slices. Keep basting with syrup drained from canned pineapple. As ham cooks, the syrup blends with the meat juices, making a flavorful sauce.

ELEANOR MARDIROSSIAN

Mr. and Mrs. George Mardirossian of 89 Gregory Avenue, Passaic, announce the engagement of their daughter, Eleanor, to Joseph Colombo, son of Mr. and Mrs. Christopher Colombo of 32 Summer Avenue, Newark.

Miss Colombo, a graduate of Belleville High School, is a senior at Newark State College where she is vice-president of Rho Theta Tau. Mr. Colombo, a graduate of Baringer High School and of Newark State College where he was a member of Sigma Theta Chi, is a teacher of Special Education at Clinton School in Maplewood.

Mr. Padner, Jr., son of Mr. and Mrs. W. Padner of 40 Mott Street, Newark.

Miss Lenkaitis is a graduate of Belleville High School. Mr. Padner, a graduate of East Side High School, Newark, is employed by Pfaff and Kendall, Newark.

Capri Sundae Sauce

Lace caramel or butterscotch sauce with rum flavoring or rum for an ice cream topping. Stir in some fresh date slices, spoon over ice cream and sprinkle with coconut for an exotic sundae.

A July wedding is planned.

CAROLYN LENKAITIS

Mr. and Mrs. Joseph C. Lenkaitis of 48 Celia Terrace announce the engagement of their daughter, Carolyn, to William

MARYANN LAVANCO

Mr. and Mrs. Salvatore Lavanco of 23 Jefferson Street announce the engagement of their daughter, Maryann, to Joseph Colombo, son of Mr. and Mrs. Christopher Colombo of 32 Summer Avenue, Newark.

Miss Lavanco, a graduate of Belleville High School, is a senior at Newark State College where she is vice-president of Rho Theta Tau. Mr. Colombo, a graduate of Baringer High School and of Newark State College where he was a member of Sigma Theta Chi, is a teacher of Special Education at Clinton School in Maplewood.

Miss Patricia Burbage

Miss Patricia Burbage was photographed aboard American President Lines SS PRESIDENT CLEVELAND just prior to the ship's recent departure from San Francisco for the Orient.

She is making a six-week cruise on the luxury liner and will visit the ports of Honolulu, Yokohama, Hong Kong, Manila, Hong Kong (second call), Kobe, and Yokohama (second call) before returning to San Francisco via Hawaii.

Mr. and Mrs. James E. Weaver of 165 Union Avenue recently attended a holiday cocktail party at the estate of the Ralph Richards, Red Gables, Madison.

Highlight of the evening was a Basa Nova dance demonstrated by the hosts.

## VIEW FROM THE SIDELINES

By RAY FERSCO

The cagers have shown a great deal of improvement this past week. Against West Orange, the Bellboys did well but they made too many ball control errors while they were in the lead. Two other errors were costly. The board control was bad and the foul line efficiency was weak.

In last Friday's Montclair game the Bellboys showed their greatest improvement and played their season's best game. The bench proved its reliability as Sophomore Joe Cervasio and Freshmen Ken Fullmore and Ron Tomazewsky came in showing a great deal of aggressiveness.

The main problem in the game was the unusual amount of fouls that were called. An unbelievable 56 fouls were committed. The foul situation was the main reason for Belleville's six-point loss. Three of the team's top personnel, Rush, Harmon and Byers were fouled early in the second half. However, Belleville came back strong in the fourth quarter as they gobbled up the boards and used their own desire to win against the Mountie's surpassing height.

An excellent game was played by Bob Byers, Dave Hatch and Mike Liliola. Liliola's fine playmaking paved the way for the outstanding fourth quarter spurt. Steve Fox also did an excellent job under the boards and in the low post spot.

Tomorrow night, (Friday) Belleville will meet neighborhood rivalry Nutley at Nutley. Neither team is a world beater but either could pull off a surprise. Nutley is an in-and-out team very much like Belleville. Both teams are about the same height. Belleville's slow give and go offense should do well against Nutley's zone or man-for-man defense.

Nutley lost by a large score to Weequahic in the Montclair tournament, while Belleville did well against them in scrimmage. There are no comparative scores to base a prediction on, but Belleville should have a big edge after their fine showing against Montclair. However, anything is possible. My prediction is Belleville by five points. Although both teams are even,

# Bellboys Go Down Fighting By 73-66 Score

By RAY FERSCO

After losing a heart breaking 61-59 overtime game to the West Orange Cowboys, the rejuvenated Bellboys went up against one of the state's toughest and biggest clubs, Montclair.

The Bellboys got off to a good start as Byers stole the tap and converted it into two points from the corner. Mike Liliola then went to the line and hit one for two, giving Belleville a three-point lead.

Montie, Ron Simpson hit a deuce. Larry Kelly followed with two points from the line. Larry Tyson kept the Montclair surge up with two more foul shots. John Criss drove up the middle for a bunny and eight Montclair points. Mike Liliola retaliated with a beautiful down court drive. Montclair's Elmy Bruett scored the next point when he took a pass from Criss.

Byers kept Belleville in the game with four points successive-

ly scored from the line. Just when it looked as if Belleville might tie it up, big Simpson drove in for a layup and stopped back for another foul shot. Not giving up, Byers scored another foul shot, but Tyson hit another deuce from the post. With one minute left, fierce fighting. Byers proved his aggressiveness, as he scored four on fouls. Thus, at the end of the first quarter, Belleville was down by a 15-13 score.

The second quarter got off to a quick start as Byers added two more foul shots. Simpson connected with a hard chest pass and drove in for two more points. He then scored on from the line. Following suit, Belleville's Mike Liliola hit from the line. Sharp-shooting Dave Hatch began his first of thirty points with a beautiful jumpshot from the corner. Montclair scored two more deuces. Hatch scored another foul shot and layup, but Montclair proved to be a worthy opponent

when they quickly tallied up five more points. Unboatable, Hatch sent for another six points, but the Mounties kept pouring them in from the post. Belleville's Steve Fox put up three more points. With one minute left, Liliola connected a sharp hook and Hatch a twenty-foot jump shot. At the end of the half the score was 43-33, Montclair.

### SECOND HALF

The third quarter was very even with both teams scoring sixteen points. Montclair's Simpson and Tyson started the scoring. Liliola put the next two in for Belleville but Simpson and Caldwell came back too fast with four points. Dave Hatch went up twice from the side for two deuces while the Mounties' Tyson hit No. 35 from the line. Hatch hit another jumpshot from the corner along with Byers. Big John Criss of Montclair poured a layup and stuffed one

from the key. Byers, who was hit on a charge, scored his 14th foul shot and Liliola followed with a layup and a jumpshot. Fony Bruett finally ended the quarter with a long jump shot from the side.

Belleville was all over the court now, fiercely fighting for ball control. Hatch took an intended Montclair pass and a d jumped from the corner, Liliola hit from the line. Simpson put Montclair up by eleven with a long push shot, but Hatch shot another unbelievable bucket from the side. He followed this with four more incredible swish-

es from the side court. However, With a few seconds left, Fox hit the Mounties pulled away with from the side but by now it a layup and hook by Kelly and was too late and the final buz a final foul shot by Simpson, zer sounded.

## Registration Still Open For Swim Classes

Leonard Bade, chairman of Water Safety for Belleville Chapter, American Red Cross, has announced that registration is still open for the current series of swim classes. The fee is \$6 for a 12-week period.

At the Montclair-Y girls' classes for beginners through swim-

mers started Saturday and will continue each Saturday, 7 to 9 p.m.

Also at the RCA Pool in Harrison classes for boy beginners through life savers, and also for girl life savers, started Tuesday and will continue each Tuesday, 7 to 9 p.m.

Also at the RCA Pool classes for all Scout troops, both boys and girls, with instruction in water safety aids, started last Thursday.

The next night these classes are held will be the final registration date for that particular class.

## Torrid Battles For Positions In Suburban

Action Thursday night in the Suburban League saw Le Montclair's and The Prudential register clean sweeps over Betsy Ross and Kavanaughs, keeping the teams in a torrid battle for each position.

Ann Dalton (536) sparked the league leaders, Tulane Ice Cream, to a two game win over La Monica's.

Belleville does have the fine strategy of Coach LeBalbo to rely on.

Belleville's Girls Precision Marching Group will perform during half time at the Belleville-Nutley game.

Garlock Liquors, Le Fior Beauty, Jean Colliers 537, dropped the odd game to Menck's Market (Elsine Savino - 499).

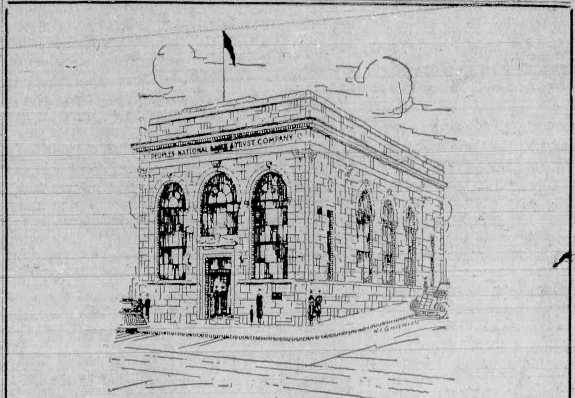

Other two game winners were Brook Gift from Statmores, Allwood Pharmacy over Brookdale Beverage, at the Jetettes (Shirley Schlatte, 438) over Costa's Delicatessen.

	W	L

## 'I Hid \$45,000'

Town Treasurer Francis McCoy, in the secret confines of Councilman Thomas P. Greco's basement recreation room last fall, told our present councilmen, "I hid \$45,000 from the old Commission, and even you, Jim Golden, didn't find it."

Just why McCoy expected Golden to find a hidden \$45,000 in the budget escapes us. Golden, a No. 13 bus driver, understandably admits he knows very little if anything about municipal budgets.

Did McCoy hide this sum from the old Commission or was it really hidden from the taxpayers? This is the question which bothers Deputy Mayor G. George Addonizio, head of the Council's Investigation Committee.

If McCoy's claim is true then what he actually did was compel Belleville taxpayers to raise an extra \$45,000 in taxes last year. And if McCoy was able to hide \$45,000 one year what is to prevent him from hiding Four Hundred and Fifty Thousand next year, and the year after?

McCoy has given several explanations concerning the hidden funds. On one occasion McCoy said he overestimated expenses and under-estimated income, thus producing a \$45,000 cushion. On another occasion McCoy said he overappropriated funds for various funded reserves, thus tucking away in reserve accounts unneeded funds.

Addonizio also reports McCoy as saying that a \$12,000 commission was paid on an office machine the town purchased for an estimated \$35,000. In connection with this purchase two of three officials approached stated the equipment was not required.

Thirty-five per cent is a highly unusual commission to pay on office equipment and particularly for a machine experts said was unnecessary.

Along with other items these are two reasons advanced by Deputy Mayor Addonizio for authorization of the Revenue and Finance Department probe. Addonizio said he discussed these matters with ousted-Town Manager William A. Sommers and despite this knowledge, Sommers wanted the investigation dropped.

It is to the everlasting credit of Lateral, Addonizio, and Strumolo that they displayed the required courage to stand by their convictions and proceed with the Finance probe.

It seems improper for a public official to "hide" funds from elected public officials because he thinks surplus should be replenished.

In another day it would be easy to visualize an indignant critic, James Golden, making his way to the Prosecutor's office demanding an investigation of public officials who "hide" funds from elected officials and the taxpayer public.

But how times have changed. Golden, no longer critic, wears the shield of a public official. In his new role, somewhat foreign and unfamiliar to the former critic, Golden has made every attempt to block the probe, having originally voted against it. Now Golden is engaged in efforts to prevent the appropriation of funds with which to pay the probes. Although McCoy was best man at Golden's wedding we are confident this relationship does not influence Golden's present actions respecting the Finance probe. However, it could be that Golden is carrying on where Sommers left off—trying to block the probe.

The decision to replenish surplus should be one for public officials to make—not a hired hand. Only a thorough probe of the Revenue and Finance Department by an impartial prober can restore public confidence in this vital municipal department. The probe should go on—and the probers should receive compensation—Golden's publicity stunts notwithstanding.

## Did Golden Forfeit His Office?

When Councilman James R. Golden ordered Town Attorney Thomas D'Avella recently to respect his command did the councilman forfeit his office?

Under the Administrative Code which governs our community D'Avella is head

of the Department of Law. In that capacity he is responsible to the Town Manager.

Regarding the councilmen's relationship to department heads, here is section 40:69A-91 of the Faulkner Act:

"It is the intention of this article that the municipal council shall act in all matters as a body, and it is contrary to the spirit of this article for any of its members to seek individually to influence the official acts of the municipal manager, or any other officer or for the council or any of its members to direct or request the appointment of any person to, or his removal, from office; OR TO INTERFERE IN ANY WAY WITH THE PERFORMANCE BY SUCH OFFICERS OF THEIR DUTIES."

"THE COUNCIL AND ITS MEMBERS SHALL DEAL WITH THE ADMINISTRATIVE SERVICE SOLELY THROUGH THE MANAGER AND SHALL NOT GIVE ORDERS TO ANY SUBORDINATES OF THE MANAGER, EITHER PUBLICLY OR PRIVATELY."

"Any councilman violating the provisions of this section shall, upon conviction thereof in a court of competent jurisdiction, be disqualified as councilman."

Perhaps Golden's ignorance of the provisions of the Faulkner Act may have accounted for his behavior. We urge those citizens planning to bring the matter to court to think twice before they burn their bridges behind them. Belleville has seen enough of unnecessary legal proceedings.

## Loss Of Accreditation

Since October 1961 Belleville High School has been blacklisted by the Middlestates Secondary Schools.

The Accreditation Committee of the group removed Belleville High School from its accredited list because the school building is inadequate for the school population.

The voters went to the polls on December 26, 1961 and voted to construct a new high school to replace the Washington Avenue edifice. It may take another two years before a new high school comes into being. Meanwhile the Belleville High School remains on the non-accredited list.

Accreditation of a high school is vital to a marginal high school graduate. It may not play an important role in the life of an honor student.

However, we are concerned with our average graduate who may be adversely affected by the status of our high school. The average high school graduate may not have the connections sometimes required to gain admission in the more desirable colleges. In such a circumstance especially, a graduate is behind the eight ball because his or her school lost its accreditation.

Our public officials have been attempting to correct the problems which led to a loss of accreditation. Despite the fact that much has been done in this respect the sad fact remains that much more needs to be done.

Must we wait for the construction of a new high school to remove this stain from our educational system?

## Taxpayers Pay Again Through The Nose

Recently the Town of Belleville lost a court case which may cost local taxpayers in excess of \$50,000. The issue before the court was the question of who was to pay for the construction of a bridge over the Third River at Carolyn Road.

Former Public Works Director Kenneth Dove Smith was in charge when the developer constructed the streets and homes in the affected area. Smith said it was his understanding that the developer was to pay for the bridge construction. Well, the court held otherwise. The judge studied all documents in the case and concluded that Belleville didn't have a leg to stand on. There was nothing in the record to support Smith's contention.

The best that can be said in this case is that Kenneth Dove Smith could have secured the town's case if he had done what one normally expects be done in matters of this kind—put it in writing. This wasn't done—and for the lack of a little writing, Belleville taxpayers will have to pay for the mistake of former public officials.

## UP SPEAK

To the Editor, The Times-News: If several large industries in Belleville were destroyed by fire, earthquake or flood, or if several blocks of commercial buildings were similarly destroyed, public understanding and reaction to the economic results of such a disaster would be immediate and obvious.

Yet last week's announcement that the loss of accreditation for Belleville's High School would continue has produced no obvious reaction. Several people are going to move out of town. People who can ill afford to lose, and some families will send their children to private schools or pay tuition and send them to High Schools in nearby towns.

But just as surely as physical destruction of commercial or industrial facilities would exact a financial toll on the community and its people, continued delay in getting on with the job of building a new High School may even be more costly.

It will cost two or three million dollars to build a new High School, yet the loss in property values, the loss sustained when people with good purchasing power move out because they will not send their children to a discredited high school may be many times this amount each year.

A FULL WARM-UP BEFORE DRIVING CAN HARM YOUR CAR'S ENGINE! Your car's engine should not be warmed up fully before driving. Unvaporized gas, resulting from the low heat of idling, can dilute the oil that protects your engine. It's best to idle the motor just briefly, then gently drive the car. It also pays to know that you'll get the best buy on your car insurance with State Farm! Call me today!

## BECK'S COLUMN

By MAX BECK

The trade papers are filled with news about the many department stores, chain operations and so-called five and dime stores in the process of "discontinuing" stores. Literally hundreds of them have been planned. One wonders where all the people are going to come from to buy in all these many stores.

Some sections of the country already have too many of such stores and the shrinkage has already begun. Too many customers simply are not satisfied to buy an item of merchandise for a few dollars less and to lose the most important ingredient that should go with any purchase: Service. Too many customers found out how insignificant the few dollars apparent savings become if there is a service problem. And this turns up only too often on today's refrigerators, washing machines, television or Hi Fi sets. Even a little chip in the paint then becomes a major problem, aside from the fact that all this merchandise requires some initial adjustment to insure proper performance. There simply are not enough trained mechanics to do this.

A typical example is color TV. Color has been excellent for a number of years, but how many people have seen color TV as it should be? We hear only too often comments that the colors are not right and there are too many adjustments necessary and similar comments. The fact of the matter is that colors are excellent; there are practically no adjustments necessary and there is extremely little service trouble, if, and this is of utmost importance, if the set is initially set up right. The finest automobile won't run right, if the carburetor or distributor is not adjusted properly, and the exact same thing goes for a color TV set. Unfortunately there are not many qualified technicians to do this right, and many people will be awfully disappointed by the purchase of a color set, unless with it they get competent service.

We service what we sell.

postponed increases the cost. Those who are now doing all they can to block the building of the school are placing a heavy burden on tomorrow's taxpayers as did those who deflected the plan ten years ago, have more than doubled the cost for us today who must foot the bill.

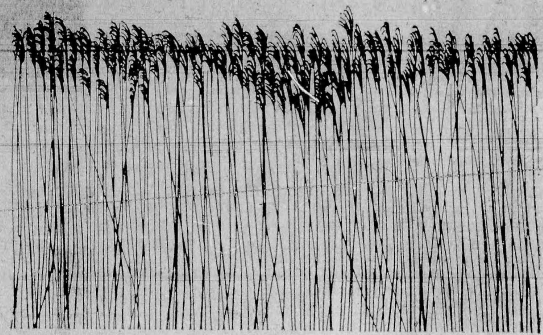

A year has passed since the

people voted to build a new High School, a year out of the lives of our young people who will by the time they enter the labor market face even tougher competition for the jobs requiring more skills and education. A continuance of the delay is intolerable.

Talk about growth potential... you're looking at it!

Weeds... fox tails... there are plenty of them in the "Jersey Meadows"! But they are disappearing... and as they disappear industry is bursting forth here into full bloom. Located right in the middle of the world's richest market, just a bird's eye view from New York City, and adjacent to deep water ports, overland transportation and several major airports, this former wasteland is destined to become one of America's great industrial concentrations. The shaded areas in the photo indicate where industrial parks are completed, or are in the planning stage.

Thus, diversified growth continues in New Jersey. This kind of farsighted, planned growth has become a philosophy in our state. It is also the philosophy of Public Service Electric and Gas Company. It calls for ever increasing expansion of our services—one billion dollars' worth in the last ten years— to stay ahead of the demand.

With the responsibility of serving more than 80% of New Jersey's population, Public Service sees no reason why the state's remarkable growth trend should change in 1963.

# Awards Are Presented

VALLEY PLUMBING & HEATING  
NUTLEY & BELLEVILLE

At a recent contest held by the Eastern Division of the Crane Co. of Johnstown, Pa., awards were presented to the Valley Fuel and the Nutley Oil Burner Supply & Tool Co. Above presenting the checks to the local winners is Roy Bales, district manager of the Eastern Division of the Crane Co. At the left are Joseph and Gus Ritacco of the Valley Fuel Co., Nutley, and at the right is Anthony V. Cangelosi, owner of the Nutley Oil Burner Supply & Tool.

## Banking Circles Ready To Mark A Centennial

New Jersey Governor Richard J. Hughes has signed a proclamation naming the week of February 24-March 2, as "Banking Centennial Week" throughout the State of New Jersey. "Banking Centennial Week" will mark the 100th Anniversary in the nation and in New Jersey, of the dual banking system of nationally-chartered and state-chartered banks. It was on February 21, 1863, that President Abraham Lincoln signed into law the National Currency Act, which gave the United States its first uniform national currency, and chartered banks which took their place beside the already established state-chartered banks.

## CYO Teenagers Will Meet To Make Final Plans For Dance

The Essex County CYO Teenage Council will meet at Our Lady of Lourdes School, West Orange, on January 20 at 7 p.m. Final Snowball Dance arrangements will be made and program plans for the coming year will be discussed.

Dancing and the serving of refreshments will follow the meeting. Adult advisors are also requested to attend the meeting. Anthony Pangaro of Sacred Heart, Bloomfield, is council chairman.

Pam Imperiale of St. Mary's CYO is recording secretary of the council.

New Jersey, and banking stands today as a symbol of our Nation's and our State's present strength and future capabilities."

## Relay Communications Satellite Undergoes New Tests At ITT

Continued testing of the Relay communications satellite indicated at Nutley, using ITT Federal Laboratories' antenna and the NASA transmitter. In addition, NASA scientists reported this week.

Problems with Relay's power system became evident shortly after launch and scientists have little.

been analyzing telemetry data for several weeks to determine the cause and plan corrective action.

Television loop tests were conducted from the NASA test site at Nutley, using ITT Federal Laboratories' antenna and the NASA transmitter. In addition, NASA scientists reported this week.

Problems with Relay's power system became evident shortly after launch and scientists have little.

The first practical submarine communications cable was laid from Fort Lee, New Jersey, to New York City in 1857. The first commercial communications vehicle in outer space, TELSTAR, was developed in the Holmdel, New Jersey Laboratories of Bell Telephone and launched last year.

Barnegat Lighthouse, erected in 1858, was designed by George Meade, Meade was later the Un-

der the first sea-worthy steamship, the "Phoenix" was built by John Stevens of Hoboken, New Jersey. The ship made its maiden voyage from New York to Philadelphia in June, 1809.
