Board of Ed. Makes A Change In Plans

MRS. THOMAS MCCOOL

Board Member Reports Bribe Attempts Here

The Belleville Board of Education had another headache today.

Mrs. Thomas McCool, board member, said an unidentified party had attempted to bribe her. She declined to identify the party or what he had tried to bribe her to do, but said she had taken the information to the County Prosecutor, who was now investigating the alleged bribery attempt.

Construction Costs Are Still Within Budget, Says Board President

In a special meeting, lasting less than 45 minutes April 16, the Belleville Board of Education approved without discussion the alteration of construction plans for the new high school.

Mrs. Thomas F. McCool was absent. Dr. Frank DiRuggiero was 10 minutes late.

Over \$15,920 was added to the over-all cost of the school, but it was all within the budget, explained Board President Nicholas S. Julian.

Most of the work was necessitated by progressive construction and were routine changes to conform with construction specifications.

Board members also approved the purchase of ten racing cars from George Pocock and Sons, Seattle, Wash. for \$325.

Six resignations were also accepted by the board from school teachers, personnel.

Among them were two English teachers, a mathematics, a science teacher, a nurse. They were Mrs. Gilda Molinari, the school nurse, and Albert J. Del Pomo, John Harland, Joseph Beltzman, Harold Carter, and William J. Stanley. The resignations will become effective June 30th.

Five new teachers were to be added to the school roster for the 1963-64 school year. They are:

Miss Marie S. Ascone, kindergarten, \$5,000 per year; Rose Evans, kindergarten \$5,000; Nancy C. Pedersen, elementary school nurse, \$4,400; and Janice Kleiner, primary, \$5,900.

Here She Is, Miss Cherry Blossom of 1963!

New Queen Will Reign Over Cherry Blossom Festival

Andra Gale Demko, a lovely little 19-year-old blonde from Irvington was named Miss Cherry Blossom of 1963 during the annual Cherry Blossom Festival Friday night.

She was crowned by Patricia Robertella, who was the 1962 winner of the Cherry Blossom Festival.

Claire Tortorella, 18, of 18 Mt. Prospect Ave. was selected "Miss Congeniality". Jo Ann Ruggeri, 19, 74 Columbus Avenue was another runner-up in the parade of beauty and talent. Both shared honors with the new Queen of the Festival during the Festival Ball held Saturday night at the Elks Club.

Eight others took part in the pageant Friday night, making the selection of a new Queen difficult. They were:

Janice Barra, 19, 77 Newark Myrtle Avenue, Claire Tortorella, and Judy Zaccari, 18, 659

Scholarships Go To BHS Students

State Board Announces
Names Of 20 Scholars

Twenty Belleville students became the cream of the academic crop last week when the state Scholarship Commission announced the names of students who will receive the New Jersey state scholarships under a program inaugurated in 1959.

A \$400 stipend will go to the kids to help meet college expenses. Over two-thirds of the students will attend state colleges. The grants are based on financial need, results of the examinations, and other factors.

BHS Students Vie For Mathematics Honors

Four of Belleville High School's sharpest mathematics students made a trip to Rutgers University April 6 where they took part in the college's annual mathematics contest.

The four, Toby D'Ambola, Salvatore Exposito, Phillip Rinaldi, and Peter Rossi, competed against 30 of the state's best students. Mr. Carter, high school algebra teacher, took the boys on the trip.

High Wind Flips Ice-Cream Truck Injuring Driver

Freak Accident Blocks
Traffic On Route 21
When Truck Set Aflame

Last Friday high winds rattled windows in Belleville, fanned several brush fires, and wound up by tipping an ice cream truck over on its side as it headed north on Route 21 near the Federal Industries building.

Charles Shainberg, a 17-year-old Newark boy, told police the high wind caught his truck and tossed it over onto its side, throwing him out of the vehicle and setting it on fire. Shainberg, who was on his first job of the season, was taken to Clara Maass Memorial Hospital where he was reported in good condition.

Donald Sees, 39, of Dumont who was driving behind Shainberg, ran to the vehicle and carried young Shainberg to safety when escaping gasoline had threatened to burst into flames.

Three Belleville fire trucks arrived on the scene and extinguished the flames within minutes. The burning truck blocked traffic for 15 minutes.

Newark College Lauds Engineering Students

Academic honors were awarded eleven Belleville students who are day and evening undergraduates at Newark College of Engineering for the term ending in January, announced school officials.

Qualifications called for a B average with no lower grades than C while taking at least 75 per cent of the credit hours in regular course study.

Named on the honor list were:

Robert J. Bittell, 121 Malong Ave.; Richard Burlazzi, 18 Mt. Pleasant Ave.; Nunzio E. Cerno, 96 Emmet St.; William R. Daddis, 41 Forest St.; Harry M. Healey, 11 Bellevue Ct.;

And John L. Pellet, 93 Baldwin St.; Robert J. Gleason, 121 Rutgers St.; John J. Rosinski, 60 Bremond St.; Victor Slavsky, 90 Branch Brook Dr.; John Saffron, 170 Branch Brook Dr.; Gerald D. Utrachi, 260 Greylock pkwy.

Goi Named Director

Fedlie S. Goi, a former Belleville resident, has been appointed director of Industrial Therapy at Philadelphia State Hospital. Goi formerly lived at 80 Little Street with his parents Mr. and Mrs. Joseph P. Goi, and now lives at Bristol, Pa.

New Office Hours

Tax Collectors Office at Town Hall will be open an hour earlier on Monday nights and will continue until future notice, said Acting Town Manager John R. Burnett today. New times are from 6:30 to 9 p.m. every Monday night. Regular daytime office hours will be observed, he said.

O'Connor Asks Mazza Quit Dem Committee Post

Bernard O'Connor, in a public statement, called for the resignation of Mrs. Mae Mead Mazza as Democrat State Committeewoman.

"I would assume in the light of her reputation by the leaders of her own community, Mrs. Mazza will graciously step down from her state committee post to permit a leader in good standing to hold down the important post of State Committeewoman," observed O'Connor.

Merchants Contribute Awards To Winners Of Cherry Blossom Contest

Belleville merchants contributed generously toward the awards for the top winners in the Miss Cherry Blossom contest. Among them were Charles Jewellers, 15K white gold, diamond-studded hair.

Parade Route Extended

The route of the Cherry Blossom Festival Parade has been extended another four blocks south, announced parade directors today. The march, beginning at Greylock Parkway, going south on Washington Avenue, will now end at Mill instead of William Street.

The Belleville Police Department made the added length of the parade possible, said Harry French, executive director of the Chamber of Commerce.

Addonizio Blocks Sullivan Bid For Democratic Lead

Committees In 24-24 Tie

Dennis Carey, Essex County Democrat Chairman will move slowly in selecting the new Democratic leader of Belleville.

The 48 members of the committee met Monday night at the American Legion Hall on Washington Avenue and cast 24 votes for incumbent chairman Harry Sullivan and 24 voted for Addonizio, a tie that can be broken only by the county chairman.

The selection of Addonizio as Town chairman would activate a substantial political organization which has little love for Sullivan, who is on the county payroll at \$11,200 annually.

To protect this job, Sullivan will be obliged to extend himself in behalf of the Democrats party in the fall election. No such obligation binds Addonizio, a successful attorney.

Sullivan was nominated by the selection of Addonizio as Town chairman would activate a substantial political organization which has little love for Sullivan, who is on the county payroll at \$11,200 annually.

Street, 2nd Ward, 1st district, and Joseph Barrett of 165 Tappan Avenue, 2nd Ward, 8th district, seconded the nomination.

Addonizio was nominated by Bernard E. O'Connor of Franklin Avenue, 1st Ward, 8th district.

Senatore Wins Over Mae Mazza In Vote Upset

By a vote of 25 to 13 insurgent Democrat leaders voted Monday night to oust Mae Mead Mazza as vice chairman of the Belleville Democrat Committee and elected Mrs. Mary Senatore of 188 Passaic Avenue.

Mrs. Mazza had held the post for 14 years until dumped Monday night.

It was generally conceded that thirteen of the fourteen years she served through the courtesy of former Town Democrat Chairman Ralph Yara. Mrs. Mazza also has been serving as a member of the State Democrat Committee.

Mrs. Senatore was first elected to the Democrat Committee three years ago. Last year she failed in her bid to unseat Mrs. Mazza, garnering only 13 votes.

Board Invited Mrs. McCool To Resign From Position

By AL MCCLURE

A resolution introduced by Mrs. Thomas F. McCool was the subject of heated controversy at Monday night's Board of Education meeting at School 8.

The resolution, an amendment to the Board's rules and regulations, provided that the public and press shall be invited to all conferences of the board, unless agreed to meet in a closed executive session.

Ernest S. Arvidson, vice-president of the board, seconded the resolution for the purpose of discussion. He then read a pre-

accused Mrs. McCool of "expending her energies almost entirely as an obstructionist."

He added that Mrs. McCool's proposal differed little from that already in effect except for the fact that the amendment called for unanimous consent to hold an executive session. Mrs. McCool's "hope for a veto power" was part of her "insatiable lust for dictatorial power," he said.

She hoped to have the other six members of the board abdicate in her favor, he said.

Mrs. McCool called Arvidson's speech a "piece of garbage" and a "ludicrous statement."

Progress Is Slow But Sure, Say Woman's Club

The Belleville Woman's Club is making progress in its drive for funds to help 20-year-old Gilbert Sherman make his trip to Africa where he plans to help construct a school for the native children.

The ladies were out soliciting last week, and will continue to do so Saturday afternoon, said Mrs. Mary Lapham, who is coordinating the drive. So far \$61.75 has been collected. Sherman needs \$900, but he expects to make his goal.

Scouts See Future Careers While Visiting Businesses

Seven Belleville Boy Scouts took a close look at their future careers last Wednesday when the Robert Treat Boy Scout Council and Newark North Kiwanis club members arranged for them to visit local businesses.

They were part of 26 Eagle and Explorer Scouts who spent the day in on-the-job observation of possible careers that ranged from chemist-engineering to police work to medicine.

After their day's observation, the Scouts will prepare a paper summing up their experiences and reactions.

Cops Get Fingerprints And Bag Four Persons

Slick sleuthing by two teams of Belleville detectives who worked around the clock ended with the arrest early Monday morning of four former students who had vandalized and robbed the James Shawyer School at 30 Margaria Street sometime Saturday night.

Booked at Police Headquarters and charged with breaking and entering were Ernest Bacciocchi, 23, 716 Broadway, Newark; Robert Castiglia, 19, 106 Sadler Road, Bloomfield; and John Meglio, 20, of 25 Pine Lane South, Newark, who was charged with receiving.

A juvenile boy, whom detectives bagged shortly after the investigation began, broke under questioning and implicated his three companions.

Why did they do it? "Just for the heck of it," reported deputy chief Joseph Smith.

Acting on an anonymous tip, detective Sgt. Jack Mariano, and detectives Kenneth Place, John Dean, and James Pendar first picked up the juvenile. The other three arrests quickly followed.

Mr. Joseph Serietelli, a janitor at the school for the past 19 years, discovered the vandalism Sunday morning after a neighbor had telephoned her to report a broken door at the rear of the building.

It was splattered over the walls, windows were broken, records in the nurses room was scattered over the floor, and seven clocks were torn from the wall.

Belleville Board Lawsuit Planned For Late Summer

Cerami Dairy Attempts To Curb Loss Of It's School Milk Contract

Cerami Dairy Inc., 7 Tremont Place, Nutley, won't learn the outcome of its lawsuit against the Belleville Board of Education until late this summer, said Lee A. Holley, attorney for the plaintiff.

Judge Nelson K. Mintz, said in Newark Superior Court Thursday he would deny an application for an injunction to halt contract cancellation by the Belleville Board of Education, who claimed the dairy had supplied School Four with faulty milk last month. The contract was to expire in June.

His Client Ruined

The board had suspended milk deliveries by Cerami to three elementary schools, who claimed his business had been ruined by adverse publicity given the case. Holley had also threatened a libel action against Newark News reporter Kenneth Gross, whom he said, had given "abnormal publicity" to the case.

Part of Holley's defense will be his contention that Frank A. Spotts, superintendent of School Four, called in reporters, exposing his client to unwarranted and unfavorable publicity.

The annual observance of National Library Week today served to focus the spotlight of attention on our own small citadel of knowledge at 221 Washington

Street — The Belleville Public Library.

It was just a shade over 61 years ago that the first librarian, Mrs. Cornelius Conlin of Newark, sat down behind the desk of the small library and began an arduous administration that was to last

Residents Want Island 'As Is'

Residents along Greylock Parkway want to keep that traffic island as is.

A recent postal survey by Town Hall mailed to some 200 residents asking if they wanted to keep the present traffic island or have it reduced from 12 to 4 feet in width drew a response from less than half; but they wanted the island "as is."

Cost of the remodeling was estimated at \$15,000. The former town commissioners had made the suggestion to make the heavily-traveled street less hazardous.

philanthropist Andrew Carnegie made Belleville a financial grant.

Since the auspicious day the neat little library has weathered many a financial storm; witnessed the heavy usage by the army of unemployed during the Depression Days of the 30's; and came to know the lean days caused by the advent of free-entertainment via television.

In marked contrast to the time honored (but erroneous) of a library being a soundless, dusty place of deep meditation, the Belleville library is bright and neat, and buzzes with the hushed whispers of students preparing papers assigned by teachers.

On a Tuesday the sounds of children's laughter can be heard in the adjacent children's room where Ben E. Grimm has inaugurated the "reading hour" for pre-school children. Upstairs the mothers are having a session of their own.

Infinite Variety Offered

What does the Belleville Library have to offer? Just about everything, that's all.

There are some 39,000 volumes on its low shelves covering almost every topic. If you're a prospective Momma there are baby books; future mechanics can find manuals dealing exhaustively with the subject; music-lovers can check out the complete recording of Wagner's Tristan and Isolde; and for the more morbid-minded there are the latest in murder mysteries plus the

YOU AND YOUR INSURANCE

Keep Inventory In Case Of Fire

(a public service column)

What are the advantages of keeping a list of personal property as far as insurance claims are concerned, a reader inquires.

In the event of loss, an inventory of your personal property is quite important and may make a sizeable difference in the amount you could claim from your insurance company.

For example, after a fire it is easy to establish the value of your television set, but it is not as easy to determine the value of the grandfather's clock which has been in the family for generations. If you own valuable antiques, jewelry, or paintings have them appraised and keep a record of their value. Some homeowners photograph each room and keep the pictures in a fire-proof file or a safe-deposit box.

But most important to you is the fact that without an up-to-date inventory you may forget some of your possessions. Test yourself to see if this is not so. Sit down one day and try to record all the furniture and fixtures and personal belongings in another room. You may discover you missed a great many items.

It should be remembered that your fire insurance company will pay the actual cash value of the destroyed property "at the time of loss." In other words, you should not expect to receive the original purchase price for a burned carpet which has been in use for many years.

If you are in doubt about the details of any coverage, get professional advice from your independent insurance agent or broker.

Audio-Language Course

If you are a native-born American and want to learn how to speak a foreign language the library has phonograph records which will teach you. If you're newly-arrived on these shores there are records explaining the intricacies of English "as she is spoke."

To keep the readers up to date the library has 186 magazine subscriptions plus nine newspapers - The Belleville Times among them.

Problems, Problems

But the little library is not without its problems.

Over the years, what with the constant acquisition of new books the space has steadily dwindled until now librarians are hard-pressed for a place to stack books (Some 20 per cent of them are new.)

It's location is not the most ideal, says Director Grimm. And when the high school moves into its new home on the west side of town next year, it will become even less ideal.

Grimm would like to see a branch library open up in the southwestern part of town where it would become more readily available to the Silver Lake district, and, of course, the new high school.

Economy For Knowledge

But Mayor Robert M. Laierza has said the recent proposal to open a branch in the new Peoples National Bank building at Joralemon Street and Franklin Avenue would be too costly.

Unwise economy also reduced the Library's budget \$327 this year which now stands at \$65,700 per annum. But even so, Director Grimm has managed his small staff with a fine regard for the public dollar.

Library usage has steadily increased during the past year with 112,170 books being circulated—a 33 per cent hike over the previous year. Some 1,712 new members have taken out cards, too. There were 10,328 informational requests made last year, double those in 1960.

Costly Vandalism

There is a peculiar form of vandalism at Belleville Public Library which adds to the replacement costs of damaged volumes, repaid Grimm.

Most librarians are familiar with Junior who has just discovered girls and wishes to know more about them and does so by tearing out the nudes in art books. But here is a new twist. When a topic, such as Mother Solomon's recent elevation to sainthood, comes up," said Grimm, "we can almost certainly count on pages being torn out of reference books containing information on her." He shook his head as he pointed through the "S" section of the Catholic Encyclopedia. A page was missing.

Too Many Assignments

There just aren't enough books to go around, Grimm explains, when a student presents a paper for time - r-r-rip - out comes the page.

Even heavier tomes on mathematics take a beating from hard pressed students. When teachers assign 90 students the same subject, there just aren't 90 books available for them to study. Hence: vandalism.

And then there's the case of the missing books. Mostly reference books. And costly ones, too. Grimm says salesmen are probably the guilty parties who lift city directories - some valued at upwards of \$30. Dictionaries of American History are also popular among the larcenous-minded.

Students Help Staff

Censors? The library has been relatively free of blue-noses who want to ban copies of the Bible for its straightforward language on delicate subjects, and the works of latter day realists who specialize in the double entendre.

In addition to its regular staff, Grimm has four students who work part time. The "veteran" of the four is pretty Barbara Gray, a senior at BHS who has been busy at the library for three years. Others are Mary Ellen Conroy, Sharon Pochalski, and Ann Morrison.

The Belleville Public Library has everything - just about. And if it doesn't, it can get it for subscribers. They have a working arrangement with other libraries, says Grimm.

That High School's Going Up Fast

Now you see it, now you don't. And helping you to see it is Charles Cerami, at left, and Paul Eberling, superintendent of the Cerami Construction Co. "It" is the new \$2.7 million dollar high school now under construction at the stadium site. A month ago only a bare field was to be seen where the basement of the auditorium, in foreground, now lies.

If you want to see some rapid progress being made hereabouts, take a quick trip out to the site of the new high school at Greylock Parkway and Passaic Avenue.

What had once been an empty field surrounding a frame house a month ago, is now the scene of feverish activity. As nearly a hundred men of the Cerami Construction Co. busily dig and haul, saw and hammer.

A 1,200 square foot basement is now being erected some 12 feet above the earth which will later be utilized as a fall-out shelter for students in the event of nuclear war.

They're Changing The Scenery. Along the walls of the basement are the outlines of what will be the floor of the auditorium. At the far northern end is the flat level which will be the stage.

Large squares are marked out in white on the earth as earth removing machines prepare them for foundations. To the south are 30-foot high piles of earth, which Paul Eberling, works supervisor, explains will be used to fill in "unsuitable" ground under the parking lots. He hastened to add that the earth under the new school proper is of solid ground.

Some Routine Changes. April 16 the Board of Education authorized some changes in the construction orders amounting to over \$15,000. It was all within the budget, said Board President Nicholas S. Juliano.

Cerami said his men hoped to have the exterior of the high school up before bad weather sets in, thus allowing work to continue inside all winter.

Plans call for the doors of the new school to open in the fall of 1964.

Boy Scouts Will Camp Out For A Day In Branch Brook Park

More than 1,000 Boy Scouts from the Newark and Belleville area will troop to Branch Brook Park May 3 to pitch their tents and test their skills in the outdoors.

The Boy Scouts from Newark, Belleville and Irvington will participate in a three-day camporal conducted by the Robert Treat Council of the Boy Scouts of America.

The camporal is designed to stress the importance of physical fitness, test skills learned in scouting and stimulate competition between patrols in the Council.

The public is invited to watch the scouts in action and observe the proficiency with which these urban youngsters conduct themselves in nature.

Field events will be held to test physical fitness, scouting crafts, nature lore, first aid and compass reading.

In addition to competing in field events, the scouts will set up and maintain their campsites, prepare their own meals and attend religious services.

The public is invited to watch the scouts in action and observe the proficiency with which these urban youngsters conduct themselves in nature.

Field events will be held to test physical fitness, scouting crafts, nature lore, first aid and compass reading.

In addition to competing in field events, the scouts will set up and maintain their campsites, prepare their own meals and attend religious services.

Some Routine Changes. April 16 the Board of Education authorized some changes in the construction orders amounting to over \$15,000. It was all within the budget, said Board President Nicholas S. Juliano.

Cerami said his men hoped to have the exterior of the high school up before bad weather sets in, thus allowing work to continue inside all winter.

Plans call for the doors of the new school to open in the fall of 1964.

They're Top Men. Among the top three Belleville police officers who passed a Civil Service examination for the position of police sergeant were:

John J. Dean, an officer with 17 years on the force; and Patrolmen Carmine J. Zecca and George J. Lister.

atic black leotards. Mary Bechmann, a student Joann Rugeri, played a selection on the piano. nurse at Clara Maass Hospital performed an Irish jig in native costume.

Janice Barra, pantomimed a scene from "Gypsy" and wound up her act by tossing an elbow length glove into the audience where it was caught by Mr. Addonizio, who had a front row seat.

Joy deBlaise, gave a dramatic reading of a scene from "The Heiress" which had her audience holding its breath.

Two bouncy little four-piece bands kept toes tapping during the Pageant. Providing the rhythm was "The Dynamics" whose members were Joe Luzzi, Bob Turken, Tony Lento, and John Veltri.

In the audience were proud parents, boy friends, and a good segment of the Belleville citizenry as well as Mayor Robert M. Laterza, Councilmen and Mrs. Thomas Greco, and Councilmen James R. Golden and G. George Addonizio.

Miss Demko, who wore the only purple dress among the contestants, gave a rip-roaring interpretation of the Charleston during the 20's as her "talent" part of the show.

"She'll win it," observed Councilman Greco, nodding approval. Mrs. Greco agreed. And she won, too.

Claire Tortorello, a student at the Fashion Institute, displayed some of her art work, among them a portrait of Mayor Laterza.

Judy Zarconi, who will graduate from Belleville High School this June, did a slinky modern jazz dance routine clad in dramatic black leotards.

Before the question was called Mrs. McCool in a last desperate stab accused the board of having "communist procedure" and said she was "tired of being behind the iron curtain."

In answer to the accusation, Board member Arthur M. Pico said that "just because someone wants to go to the devil it does not mean six votes have to go with her."

Mrs. McCool's motion was defeated — as usual — by a 6-1 vote.

Several board members in the course of discussion berated Mrs. McCool's voting record.

Phyllis Maddams Marries E.M. Pardun; Couple Will Make Home In Bloomfield

St. Mary's R. C. Church, Nutley, was the scene on Saturday, April 20, of the marriage of Miss Phyllis Arlene Maddams, daughter of Mr. and Mrs. William J. Maddams of 305 Franklin Avenue, Belleville, to Ellison Michael Pardun, son of Mr. and Mrs. M. Ellison Pardun of 539 Union Avenue, Belleville. The ceremony was performed by Rev. John Golding, and a reception followed at The Fountain, Belleville.

Given in marriage by her father, the bride wore a floor-length silk organza gown, designed with scoop neckline. Bodice and sleeves were fashioned of lace, and appliques of lace adorned the skirt. A crown of seed pearls and crystals held her tiered veil, and she carried a bridal bouquet of white roses and baby's breath.

Miss Irene van Gerven of Clifton was maid of honor, and bridesmaids were Mrs. Joseph B. Gillies of Clifton and Miss Marion Pardun of Belleville, sister of the bridegroom.

The honor attendant wore a street-length gown of aqua silk designed with overskirt, scoop neckline, and short sleeves. She wore a matching headpiece and carried a basket of aqua carnations. The bridesmaids wore gowns fashioned the same as the honor attendant's, Miss Pardun's being of yellow. Mrs. Gillies' of pink. Each carried carnations to match her gown.

Daniel LaSore of Belleville was best man, and Joseph B. Gillies of Clifton and Joseph Prieto of Belleville ushered.

The mother of the bride wore a street-length gown of turquoise-colored silk organza with matching hat and home accessories. The bridegroom's mother wore a street-length gown of pink silk with matching accessories. Both wore a white orchid corsage.

The bride is a graduate of Nutley High School. Mr. Pardun is a graduate of Belleville High School and attended Seton Hall University. Both are employed by the Prudential Insurance Company of Newark.

After a honeymoon in Bermuda, the couple will make their home in Bloomfield.

Virginia Reel, Hat Dance, Replace Twist For Time

During the past weeks the physical education periods of St. Anthony's CYO have been devoted to dancing. At least admitting that it is different, the classes have learned the Virginia reel, the Mexican hat dance, and several others.

Many have indicated to the in-

structors, Mr. Malanga and Mrs. Akus, that they hope the classes continue.

This is the first joint effort for the two divisions at St. Anthony's. Many are hoping that it is not the last.

A \$1,000 Government Bond bought in 1940, if cashed now, would buy \$472 worth of merchandise, if evaluated at 1940 prices.

Become Engaged

MISS DIANE MAURIELLO

Mr. and Mrs. Albert Mauriello of Little Street announce the engagement of their daughter, Diane, to Joseph M. Varca, son of Mr. and Mrs. Joseph Vacca of Berkshire Avenue, Paterson. Miss Mauriello is a graduate of Belleville High School and is employed by the Prudential Insurance Company, Newark. Her fiancé, a graduate of Paterson Technical and Vocational High School, is employed at Automatic Data Processing, Inc., East Paterson as an I.B.M. Operator. He is attending evening classes at Rutgers University, Paterson. No date has been set for the wedding.

MISS BETTY JANE CANNOVA

Mrs. Theresa Cannova of 103 Washington Avenue announces the engagement of her daughter, Betty Jane, to Pvt. Stanley Pekatowski, son of Mr. and Mrs. Edward Pekatowski of 813 South 14th Street, Newark. The formal announcement was made at the Belleville Elks Lodge last Saturday. Miss Cannova is also the daughter of the late Salvatore Cannova.

The future bride, a graduate of the Essex County Vocational and Technical High School, is now working as a secretary at General Dynamics Corporation, Liquid Carbonic Division, Belleville. Pvt. Pekatowski is stationed at Fort Dix.

The wedding date has not yet been set.

Many of our private and national problems seem to lie in the basic fact that we can, and very often do, spend our money before we earn it.

Miss Maria Jose Basile Marries In Ceremony At St. Peter's R.C. Church

Miss Maria Jose Basile, daughter of Mr. and Mrs. Domenick Basile of 9 Mt. Prospect Avenue, and Wayne Philip Ariola, son of Mr. and Mrs. Philip Ariola of Syracuse, New York, exchanged vows Saturday, April 20, in a ceremony in St. Peter's R. C. Church.

The Rev. James F. Heavey performed the ceremony. Glenn Sibbett sang, accompanied by Mrs. F. J. Dolosch. A reception was held at the Robin Hood Inn, Clifton.

Mr. Basile gave his daughter in marriage. The bride wore a gown of white cotton ottoman, designed with double-breasted bodice, notched collar and an A-line floor-length skirt. A cathedral train was detachable from the back of the Empire waist. A pill box hat of white cotton ottoman held her three-tiered bouffant veil of silk illusion, and she carried a bouquet of white Fuji mums with ivy.

Mrs. John J. Basile of East Orange, sister-in-law of the bride, was matron of honor. Bridesmaids were Miss Jean Tassielli and Miss Mary Lou Salandra of Belleville, and Miss Gloria Gutch of New York City.

The bridal attendants were dressed identically in gowns of moss green silk and linen, styled like the bride's gown with A-line skirt, double-breasted bodice and notched collar. The long sleeves had cuffs of pale pink. Their hats were wreaths of ivy and they carried bouquets of pink sweetheart roses with trailing ivy.

Edward Terrance Apps of Syracuse was best man for Mr. Ariola, and ushers were Edward J. Vickers of New York City, James R. Crough, Henry Q. Centore,

MRS. WAYNE P. ARIOLA
Former Maria Basile

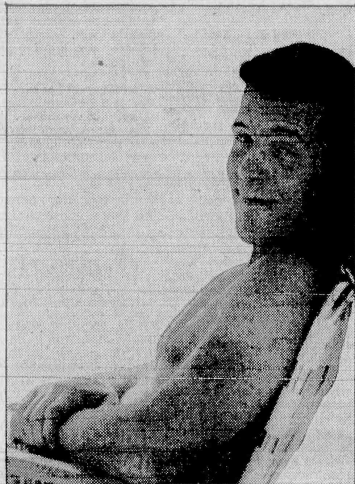

Jr. of Syracuse, and John J. Basile, brother of the bride.

The mother of the bride wore a sheath dress of beige silk organza with matching accessories.

The bride is publicity manager for McGregor Doniger Inc., New York City. Mr. Ariola is national contract manager for Callaway Carpet Co., Inc., New York City.

MRS. THOMAS WILLOUGHBY
Former Carolyn Gaccione

Miss Carolyn Gaccione, daughter of Mr. and Mrs. Samuel Gaccione of 4 Lewis Street, Nutley, was married last Saturday, April 20, to Thomas Willoughby, son of Mr. and Mrs. Haynes Willoughby of Durham, North Carolina. Rev. Francis Blake performed the ceremony at Holy Family R. C. Church, Nutley. The reception was held at Christian's Lounge, Belleville.

The bride was given in marriage by her father. She wore a gown of Chantilly lace, designed with long sleeves and a Sabrina neckline enhanced with seed pearls. A chapel train was formed by tier on tier of lace. A crystal crown held her two-tiered veil, and she carried a cascade of white roses centering about a white orchid.

Miss Patricia Cole of Nutley was maid of honor, and Gale Ann Frye of Nutley was junior bridesmaid. They were identically attired in street length gowns of blue satin peau de soie, fashioned with drape necklines and long sleeves. They wore matching bows of blue in their hair, and carried cascades of Spring flowers.

Robert Nardone of Durham served as best man, and Stephen Willoughby of Newark ushered.

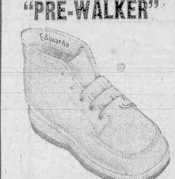

The mother of the bride wore a pink gown of organza and lace, with scoop neckline, three-quarter length sleeves, and a white orchid corsage.

The bride is a graduate of Our Lady Queen of Peace High School, North Arlington, and of St. Vincent's Hospital School of Nursing, Montclair. She is employed as staff nurse at Columbus Hospital, Newark. Mr. Willoughby is a graduate of Hope Valley High School, Durham, and of Dell School of Medical Technology, Asheville. He is employed as medical technologist by Montclair Community Hospital.

After a two-week tour of the Southern States, the couple will make their home in Belleville.

Miss Carol Hoffman Bride
Of William E. Bartell

MRS. WILLIAM E. BARTELL
Former Carol J. Hoffman

Miss Carol J. Hoffman, daughter of Mr. and Mrs. Frank Hoffman of 158 Carpenter Street, was married to William E. Bartell, son of Mrs. Louis Bartell of 97 Liberty Avenue and the late Mr. Bartell, on Saturday, April 6, at the Royal Hawaiian Palms, Lyndhurst. Mayor John C. Garde of Lyndhurst officiated.

Given in marriage by her father, the bride wore a gown of white silk-faced peau de soie, with obi sash and back bow flowing into a draped chapel train. Appliques of Alencon lace, seed pearls and sequins enriched the bodice and skirt.

A crown of crystals and pearls held her elbow-length three-tiered veil of silk illusion, and she carried a cascade of white orchids and stephanotis on a pearl prayerbook.

Mrs. Rocco Agostino of Belleville, sister of the bride, was matron of honor, and bridesmaids were Mrs. Warren Drelick of Bloomfield, and her sister of the bride, Miss Betty Carbone and Miss Carol Toohy of Newark, and Miss Lorraine Barnett of Belleville.

The bride attendants were similarly attired. They wore matching floor-length crepe sheaths over satin, with a floor length drape of crepe in the back, and matching hats of flower-buds and lace. The honor attendant carried a cascade of three white orchids with multi-colored carnations, while the bridesmaids carried a cascade of two white orchids only.

Douglas Bartell served his brother as best man, and ushers were Richard Mahmarian and James Ameo of Belleville, and Louis Borrelli and Frank Antonacci of Newark.

The bride's mother wore a blue sheath over organza, while the bridegroom's mother chose a green sheath with lace bodice and organza skirt. Each wore a white orchid corsage.

BECK'S COLUMN

By MAX BECK
If you see heavy diagonal lines floating across your TV set or the screen appears to be full of "herring bones," chances are that you have ham interference.

The heavy diagonal lines are similar to lines which you see when the horizontal hold control is improperly adjusted.

As a rule, one can eliminate this interference by the use of a so-called "ham trap" to your TV set. It is important to attach such a trap right to the station selector.

The ham operator also has means of eliminating or minimizing this interference at his transmitter. If you know the man, you probably will find him most anxious to cooperate with you to eliminate the annoyance.

A duly licensed ham operator has as much right to transmit as you have a right to receive. You might as well keep this in mind. It is much better for both parties to cooperate to fight each other.

my daddy is smart... he changed to gas heat!
What does a little girl like me know about Gas Heat? Well, let me tell you. First of all, my Daddy always used to complain about the furnace we had. And then Mommy used to tell Daddy he ought to stop complaining about it and do something! So he got the Public Service man to come in to make a free heater survey! It was fun. The man went all over the house. Me too. Anyway, Daddy changed to Gas Heat. I even watched them put it in. Gosh, it was finished so fast that the men were all gone before dinner time. Well, all I know is that last winter Daddy kept saying that Gas Heat is wonderful. And Mommy said she didn't have to do so much housework 'cause Gas Heat kept our curtains and chairs and everything nice and clean. Gally, what a difference. My Daddy must be smart."

VIEW FROM THE SIDELINES

CINDERMEN RIDING HIGH ON CURRENT VICTORIES

The Belleville Track Team is making great strides, being currently 2-1 after defeating the West Side Rough Riders. Belleville tied for sixth place in the Big Ten Relays, but they looked very good for their first time out.

Belleville's greatest effort was shown in the one and seven eighth's mile medley. The boys who ran in it were Robert Zigler, John Sasilish, Art Assantes and Captain Jim Harvey. Harvey did very well, running the mile in 4:40. The time of the medley was 8:17.5. It is interesting to note that this year's Belboys finished in third place and last year in second; however, this year's time breaks last year's record.

In the season's first dual meet against the Passaic Red Skins, the Belboys proved to be weak in the sprints. Nevertheless, the team was very good distance-wise. Jim Orsini was the Belleville standout in this meet, as he ran the 440 in 55 seconds. The weight men did fair but the middle distance, led by Zigler and Harvey took an undisputed first place.

On April 15, the Orange Tornadoes came to Belleville to open their season. Belleville easily defeated them by a large score. Once again it was a team effort and one in which the squad in its entirety proved its strength.

Against West Side many underclassmen broke into the scoring column. Particularly, Soph Peter Eccles held his own with a ten-foot pole vault. High scoring freshman, Walter Phibbs was outstanding as he broke 20-feet in the running broad jump and took first place in the hurdles. Phibbs is really coming along and should be a great help to the team in the future. In the weight events, Harold Avalone and Sebastian Sica showed a great deal of improvement over their previous performances.

Two individuals who have shown a lot of hustle and proved themselves many times over are Chris Lepere and Gus Brown. Gus had done well in varied events and is still improving.

On the whole, the team has a lot of enthusiasm, spirit and most of all skill. In each event, the team has gone from strength to strength. Many younger boys are showing sparks of enthusiasm as they are starting to pull in a few points. The middle distance and distance events are the teams high spot and the hurdles and field events seem to be faring well too. If the sprinters come along, things will be a bright Blue and Gold, but Coach Testa is still looking for that third good sprinter to keep up with Brown and Greco. As usual, Coach Testa would like to have a little more depth and is still jockeying his men around to find their best potential.

There is only one meet between now and May 2 and that is the Big Ten Invitational Track meet on May 1 at Foley Field in Bloomfield. Although I don't predict a hands down first place, I do think Belleville will come out of the meet with one of the higher scores.

CREW IS POTENTIAL WINNER

The overwhelming triumph scored by the crew on Saturday may very well indicate what this year's team is going to do for the rest of the season. The varsity boat was moved around a little this week as strong Jim Bade was moved to the stroke spot. Behind Bade is Ray Morrison (7), Jack Gruber (6), Bob Higgins (5), Ron DelPresto (4), Cliff Brown (3), Ray Chapman (2) and Larry Bernard, bow. This crew has the most power potential and the best blade work to come along in years. The same holds true for the young JV's.

Since Bade has begun stroking the "Queen", the shell has shown more consistent power. Bade is going to have to keep this up for a winning season, which this crew is capable of. The crew seems to have a good start and a fine finish, but still needs work in keeping its body. However, all this is working out and the crew shouldn't come home with anything less than a victory when they go to New Rochelle this week for a race with Blessed Sacrament.

BASEBALL TEAM STILL WAITING FOR A BREAK
Nick Petty and his Belboys nine had a few bad breaks as they went 1-2 for this week's play. The squad pulled a significant win on Tuesday when they edged past Garfield 7-6 for their second victory of the season. Though this was a significant win, Garfield is an out-of-conference team.

On Friday the team lost its fourth game when it met Lodi in another out of conference game. This game should have been Belleville's, but a combination of bad breaks and a one good inning for Lodi cost them the game. Lenny Luongo hit excellently and also caught for Hatch.

Against Montclair, Datrio pitched very well, but as usual, a few routine balls went past Belleville's out-of-position fielders, allowing Montclair to score. Montclair only scored one earned run but had the advantage right from the start with its knowledge of the field. It seems to take four innings each game before Belleville can make any headway in these strange fields.

From "the sidelines" it seems that Belleville's main problem is getting that key hit at the right time. In the Montclair game, Belleville left 14 men on base. If Belleville could get that "clutch hit," the season's record would be 5-2 instead of the disheartening 2-5.

This afternoon at 3:30 the Belboys will play the Columbia Eagles in South Orange. This is the first of a two-game series, the second of which is on Saturday at 2 p.m. The second game will be a conference game. It is interesting to note that Belleville played two games with Montclair and split the series, but the Mounties were the victor of the conference game. The Belboys are definitely going to have their hands full against Columbia. It is going to take some good fielding and hitting to do anything against the Eagles. The same can be said for next Wednesday's 3:30 game at Passaic.

Once again, I can only say that the road ahead isn't an easy one. Coach Petty is going to be relying on such players as the team's standout John Senesky

Carelessness Causes Many Fires In Home

If there are smokers in your house, be sure all cigarettes are extinguished before you go to bed, says the National Board of Fire Underwriters.

Keep plenty of ashtrays in every room. Be sure, too, that electrical appliances, such as irons, are turned off. Nearly one-fourth of all fires are caused by matches and smoking, and another 20.4 per cent are the result of misuse of electrical equipment.

for more wins. It is this writer's opinion that the team will manage to hold up under pressure and there are still some wins for Belleville.

FROSH STILL UNDEFEATED

Congratulations to Pete Spera and his undefeated freshman baseball team. . . In two games the team was not scored upon. They have chalked up 27 runs for the season with this week's 8-2 splash over Orange. The Tornadoes, who were the team's third opponents, were the first to score against the Frosh this year.

Recreation Department Holds Easter Egg Hunt

This year's Recreation Easter Egg Hunt was blessed with perfect weather. A crowd of nearly 400 children and several hundred parents were on hand at the Municipal Stadium last Saturday as the children vied for the beautiful giant Easter Bunnies which were prizes for the event.

The children were divided into two groups, one group of tots to age 5, and the other group was of children 6-9 years of age. Instead of eggs, numbered cards were used. After the run for the cards the children gathered in the stands and a drawing was held for the big prizes. In the younger group the winners were Arthur Paslak of 43 Chestnut Street, Gerald Sorce of 31 Belmoor Street and Ellen Shafar of 12 Belmoor Street. Winners of the 6-9 year old group were Kathy Ostrowski of 540 Union Avenue, David Amosco of 105 Liberty Avenue and Steve Rissimini of 16 Madison Street.

After the big prizes were awarded all of the children lined up with the younger children going first and each was presented an Easter basket.

Robert E. Cook, superintendent of recreation, reports that the children were extremely cooperative throughout the whole event and that they and their parents could be proud of their behavior. Some of the children who were older than the 9 years maximum were good enough to assist Mr. Cook and his staff.

Mr. Cook also expressed his deep thanks to the members of this summer's playground staff who voluntarily assisted in the direction of the program. They were Peter Spera, Richard Koch, Grace Lombardo, Lucille Solde, Diane Beniziano, Nina Pipitone, Charlotte Festa, Annette Greco, Gerry Serio and Gay Andereth. The entire staff agreed with Mr. Cook that the children's fine cooperation made the entire event a pleasure for all.

The 1962-63 B.H.S. Twirling Squad represented Belleville High at the N.J. Baton Twirling competition. Head mistress Judith Underwood and co-captains Marcia Peck, Judy Tremel and Jane Witteck were responsible for the choreography and instruction of the routine they performed.

Miss Marilyn Chichester, advisor to the group, accompanied the girls to Franklin Township where the event was held.

This was the first statewide twirling competition held in New Jersey. It was also the first time that a Belleville high school twirling squad entered any type of competition. Belleville overcame some rough competition to place third. Placing first and second were Edison and Fairfax Schools, respectively.

BHS Track Team Ties For Sixth Place In Big Ten Relay Champs

The Belleville track team opened its 1963 season at the Big Ten Relay Championships at Foley Field, Bloomfield April 10 and tied for sixth place with a third spot finish in its 17-8 mile medley relay team.

Teamates Richie Ziegler, John Saselski, Arthur Assantes, and Jim Harvey ran 8:17.5 eclipsing last year's mark of 8:25.6.

The next day the Bellboys lost to a strong Passaic squad at Municipal Stadium by a score of 56-45. The Indians jumped into the lead with victories in the 100 yard high hurdles and the 100 yard dash with 14.2 and 10.5 for the run.

John Saselski took second place in the hurdles with 14.7 followed by Gus Brown who finished third in 100 with a 1.09 clocking.

Richie Ziegler breezed through a 55.8-mile victory and swept at Paganelli came in third to regain precious points lost in the hurdles and sprint.

Jim Orsini flagged down the Passaic man with 60 yards to go and won in a 55.7. 40 yard. Art Assantes finished third. Jim Harvey and John Dorer finished first and second in the 880 with 2:06.4 and 2:13.0 respectively.

Chris LaPara won the 140 yard low hurdles, after a controversy over the order of finish in 17.0. Passaic again took 1.2 in the course of the next few weeks it should prove its worth in the county.

Jim Harvey won the high jump at 5 feet, 4 inches. Gus Brown finished second in the broad jump with 20 feet, 1 inch. Sili Sica took third in the discus at 115 feet. Hal Avalon and Oleg Moiselenko finished second and third in the shot.

Though the Bellboys lost their initial encounter, the team promises to be the best in years and in the course of the next few weeks it should prove its worth in the county.

The Belleville cindermen evened up their record Monday at 1-1 when they beat Orange by a lopsided score of 69-39.

Belleville jumped to a quick lead when John Saselski and Bob McGee won first and second in the 100 yard high hurdles. Saselski's winning time was 14.2. Bob Armstrong, the state 220 yard champion, led the Formosa back with victories in the century and furlong.

His times were 10.0 and 22.6. Bellboy sprinters Gus Brown and Tom Greco took second and third respectively in the 100 with times of 10.4 and 10.5. Greco took second in the 220 with a 23.4 clocking. John Thomas finished third.

The biggest surprise of the meet was the one mile run when junior Richie Ziegler won in a time of 4:43. However, Belleville didn't stop there as Sophomore Al Paganelli and senior Tom McGee won third in 5:04.5. Jim Orsini took second in the 440 in a good 55.0 as Arthur Assantes finished third.

The Bellboys proceeded to make the meet a rout as Jim Harvey and John Dorer finished 1-2 in the 880 in times of 2:07.3 and 2:12.4.

Chris LaPara won his specialty, the 140 yard low hurdles, in 17.3 as Bob McGee won the 100 yard, and Walter Phipps tied for second. Gus Brown won the high jump at 5 feet, 5 inches and Freshman Walter Phipps won the broad jump at 19 feet, 9 inches. Gus Brown and Art Assantes took

Ladies Auxiliary Installs Officers

Taking over as officers in the Ladies Auxiliary of the Belleville Elks Club recently were, from left, Mrs. Susan Mores, treasurer; Mrs. Alberta Del Grosso, vice president; Mrs. Margaret Hoffman, president, Mrs. Carmen Torsilto, secretary; and Miss Rose Gilmartin, Chaplain. Sullivan Predicts Victory, Insurgents Make Same Claim

A lack-luster inter-party squabble during the April 16 Primary Election ended up with a 48-28 municipal committee seat victory for the regular Democratic Organization with insurgents stoutly predicting the chairmanship would be theirs.

Harry Sullivan, town democratic chairman, claimed 32 votes — 28 of them, he said, were "certain."

Meanwhile Deputy Mayor G. George Addonizio announced plans to seek the town chairmanship, backed by Ralph A. Vara, who was narrowly defeated last year by Sullivan. Vara said he would support Addonizio's bid for office. Mary Senatore said she would be his running mate as vice-chairlady.

Addonizio figured the voting had ended in a 24-24 tie. Addonizio made the usual approach to the candidacy when he began his campaign by telling all and sundry he had no interest in the town chairmanship. Later he said he would run if the people called. Still later he said the Regular Democrats had made him their candidate. He is now campaigning vigorously for the seat.

Second and third in the long jump.

In the weight events, state javelin champion Bill Norman won the shot and discus with carefully controlled heaves of 52 feet and 149.9 inches. Hal Avalon improved to 42 feet, 9 inches for third in the shot, and Sili Sica took second in the discus at 119 feet.

Peter Eeles and Joe Del Guercio won the Pole Vault to complete a very successful afternoon at Municipal Stadium.

FRANK GARRUTO

Home From Antarctica

Navy Lt. Frank M. Garruto, son of the late Mr. and Mrs. Andrew E. Garruto of 627 William Street, returned today from a seven-month cruise to the Antarctic on the icebreaker USS Glacier.

Garruto is the officer-in-charge of a detachment from a helicopter squadron based at the Naval Air Station, Lakehurst, consisting of four pilots, nine aircraft-

men and two cargo type helicopters.

Garruto and his detachment were called upon for a number of missions for Glacier's part in the success of "Operation Deep Freeze."

A veteran traveller to more than 30 countries, he has added

'Auxiliaries On Parade' Set By Clara Maass During May

Hospital Guild and auxiliary members throughout New Jersey are looking forward to the first week in May — one of the most important dates on their social calendar.

Clara Maass Memorial Hospital Guild is sponsoring "Auxiliaries on Parade" May 4 at Meadowbrook Dinner-Theater and will award prizes of \$100 to each of three models displaying fashions by Saks Fifth Avenue.

Winners will be selected by a panel of prominent judges, among them is movie and TV star Dorothy Lamour, and stage actor, Darren McGavin.

McGavin opened as a star of "Oh Captain" at the Meadowbrook on April 18. Miss Lamour follows in "DuBarry Was a Lady" May 9.

Mmes. Charles Ashe, William Baumeister, Nicholas Brescia, A. Fred Brizzolara, Nicholas Carmel, Ralph Gennell, Romeo Mattia, Alphonse Quaresimo and Edward Weiss, all of whom are from Belleville, have devoted a great deal of time and effort to make this affair a success. More than 400 reservations have been received by the Guild.

Clara Maass Guild members not only donate many volunteer hours to the hospital but contribute to the hospital for the purpose of purchasing much-needed

three foreign visits on this cruise. Panama, Bora Bora and New Zealand as well as various points on the islands and coast of Antarctica.

USE OF WATER

How much water does an average family of four use daily? The absolute minimum is 200 gallons a day to meet the demands of modern living. And with the increasing number of water-using appliances in the home, 75 gallons per person daily will soon be the minimum requirement.

Firefighters Began Annual Inspections

Belleville Fire Department personnel began their annual inspection of schools, factories, and other places of business recently, announced Fire Chief Carl Hunderpfund.

In addition to acquainting the public with potential fire hazards the firemen gain a better knowledge of the structure of factories and similar buildings which can be of use during a fire said the chief.

Clifford Krouse Is Back In The States

Clifford E. Krouse, intercommunications technician fireman, USN, son of Mr. and Mrs. Clifford E. Krouse of 154 Smallwood Avenue, returned to the United States recently aboard the fleet oiler USS Waccamaw, after spending seven months in the Mediterranean.

CD Stocks Fall Out Shelters In Clara Maass Gets Food Water

Civil Defense Director Raymond E. Mertz Jr., announced today that another trailer load of food, medical supplies, water containers and radiological instruments were received from the government warehouse at Metuchen. Nearly two-and-one-half tons were distributed to the Federally approved shelter facilities at Clara Maass Hospital and for three facilities including the access tunnel, at the Essex County Socio Hospital.

Men from the Shade Tree Department, under the direction of Ralph Vara, together with volunteers from the Civil Defense Rescue squad unloaded the trailer truck and deposited the supplies in the designated shelter areas.

The process took several hours and was supervised by Mertz.

These supplies, amounting to several thousand dollars, are donated by the Federal government at no cost to the town or to the taxpayers, to shelter sites which meet the standards of protection as prescribed under the Federal Shelter Survey program.

Other fallout shelters in Belleville will be marked and stocked with these supplies and equipment upon receipt of approval by the Federal authorities.

Cooperstein Is Making TV Plans

Belleville's Ed Cooperstein has big ideas for television in this state.

Cooperstein received the first license to operate an ultra high-frequency TV station over grant-

ed in this state from the FCC. Now he has an application for a South Jersey outlet.

Channel 47 WNUJ-TV will be on the air early next year with broadcasts originating from studios in the Mosque Theater in Newark. He asked the FCC to transfer a Philadelphia UHF station to this state so he could link the outlets together via microwave relay.

Together the two TV stations could cover the state with color. He has, he said, plans for around the clock broadcasts designed to please everyone.

Two years ago Cooperstein made the rags-to-riches climb at Channel 13 where he had been producer-director for ten years. With \$100 he began his New Jersey Broadcasting Corp.

Ronald Newton Is Given Scholarship

Ronald C. Newton of Belleville, was one of 13 University of Florida graduate students granted fellowships for Latin American study recently under a provision of the National Defense Education program. Newton, who is majoring in history is the son of Walter C. Newton of 51 Forest Street.

Exercising a little foresight, Cooperstein will be ready for the new TV sets manufactured next year, which will be able to receive UHF stations, increasing the importance of Cooperstein's holdings.

"I'll probably get my money back," said the 37-year-old Cooperstein in a modest understatement.

Rodino Urges Passage Of His Bill For Foreign Service Academy
Congressman Peter W. Rodino, Jr. has urged the Chairman of the House Foreign Affairs Com-mittee to schedule "prompt hear-ings" on his bill to establish a Foreign Service Academy, H.R. 1122.

"With each passing day, the task of administering our foreign relations becomes more complex, more delicate," Rodino stated. "And at the same time, the need for specialized training for our international representatives grows ever more acute."

In his letter to Committee Chairman Morgan, Rodino pointed out that today "not only must we deal with more than twice the number of nations we dealt with a few years ago; but we must have the most expertly trained and conditioned individuals to overcome the worldwide communist offensive."

Citing a recent newspaper editorial, the local Congressman em-phasized that "with so much de-pending on the caliber of our rep-resentatives, their training no longer can be haphazard."

A sponsor of similar legislation in previous Congresses, Rodino said he was "more hopeful than

ever for its passage, now that the President and events themselves have focused the eyes of the na-tion on our diplomats."

Venet Ad Agency Is In New Headquarters
Venet Advertising Agency is now in full operation in its own building at 488 Chestnut Street in Union. Zal Venet, agency pres-ident, announced that the com-pletely remodeled two-level building will contain over 10,000 square feet of floor space.
The larger area was made nec-essary by recent account ex-pansions. Company officials an-nounce that beside supplying the needed room for current oper-ations, Venet Advertising will ex-pand its research, TV and Radio services.

FRIDAY ACCIDENTS MOST NUMEROUS
For a single day, the largest number of accidents on the New Jersey Turnpike occurred on Fri-day in 1962, followed by Sunday and Saturday. These three days accounted for 740 accidents, or 52 per cent of the total on the highway in that year. December had the most accidents last year, followed by November and Au-gust.

State Conclave Of P.E.O. Today And Tomorrow
P.E.O. will hold its 21st annual state convention at Hotel Subur-ban, East Orange, today and to-morrow, April 25 and 26. Mrs. Robert France of Belleville, pres-ident of the Nutley Chapter, and Mrs. Chester Hanson of Nutley will attend as delegates. Others attending from Chapter Nutley will be Mrs. Albert Nyliray, Mrs. Harry Cronley, Mrs. Charles Rohleder and Mrs. Richard Jo-hantgen.

The P.E.O. Sisterhood, a phi-anthropic, educational or gam-anthropic, educational organiza-tion, is interested principally in bringing to women greater op-portunities for higher education. This is accomplished through three educational philanthropies, the Educational loan fund, Cot-ney Junior College for Women, and the P.E.O. International Peace Scholarship program.

The 1901 Packard was the first car to be steered with a wheel, rather than a tiller.

Zeitz, Carolan And Gangerelli Will Attend Training Encampment
Stanley E. Zeitz Jr. and Mich-ael Carolan, both of Nutley, and Richard Gangerelli of Belleville, members of the 490th AFRTOT Cadet Wing, Newark College of Engineering, will attend a four-graduation in June 1964.

This summer training is a part of their four-year Air Force ROTC program which will lead to a Reserve Commission as a Sec-ond Lieutenant in the United States Air Force. They will re-ceive their commissions upon week summer training encamp-ment at Langley Air Force Base, Virginia.
