What would you do if you got lost?

Knock on somebody's house, and ask to borrow the phone.
RICHARD DE ANGELIS,
School Nine
222 Ralph Street.

Walk up to a policeman, tell him my name and address, and he will call my father and mother and then they will come and get me.

BONNIE BERKOWITZ,
School Five
94 Belmore Street.

I would look around and if I saw a policeman I would give him my address, which is 80 Harrison Street, and I would tell him my telephone number. I could also look around for a store and ask if it had a telephone in it and I would call my mother to come and get me.

JACK DUVA,
School Three
80 Harrison Street.

I'd ask someone on the street to bring me to my house. If they didn't know where it was, I would tell them my telephone number and ask for my mother and she would come for me.

DIANE BOYCE,
School One
156 Washington Avenue.

Belleville Volunteers Help In Blood Bank Collections

At the regular monthly meeting of the Board of Directors of the Belleville Chapter, American Red Cross Thursday evening, May 16, it was voted to postpone the annual meeting and election of officers from June 18 until late in September.

Graduations and many other organizational affairs made it almost impossible to select a date suitable to the majority of the board and the Red Cross Volunteers. Miss Constance Connolly was appointed chairman of the dinner committee.

Mrs. Herbert Tucker, chairman of the Office of Volunteers reported that two women from Belleville Chapter were honored recently at the Award ceremony at the East Orange Veterans Hospital. Mrs. Robert Metcalfe received an award for 2,500 hours of service as a Gray Lady. Mrs. Peter Johnson, for 100 hours as a Nurse's Aide.

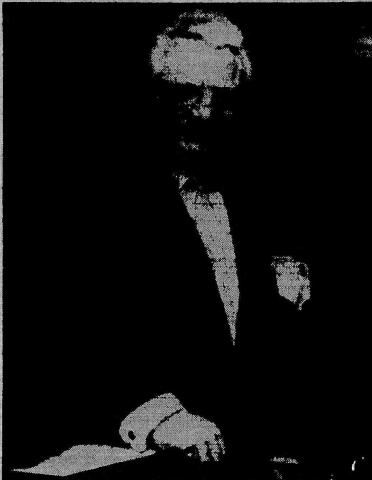

Services spoke to senior nursing students at Clara Maass Hospital. Her topic was "Red Cross Nursing Services" and she showed a film entitled "Beyond the Line of Duty."

Belleville Chapter took over and supplied the volunteers needed to man the Newark Blood Bank held at Kresges Department Store on May 21. The following women served:

Staff Aides—Mrs. Maurice McElroy, Mrs. John Matus, Mrs. Albert Peppel, Mrs. Elinor Stefenson.

Medical Stations—Mrs. Robert Gaschke, Mrs. William Irvine, Mrs. Ludwig Pasa.

Nurses Aides—Mrs. Peter Johnson, Mrs. Alexander Ross, Mrs. Paul Mulder.

Junior Red Cross Council Elects Miss Linda Schiavo

At the annual meeting of the Belleville Town Council held Tuesday afternoon, May 14th, Junior Red Cross elected Miss Linda Schiavo of School Four as President of the Council. Anabel Koshor of School Nine was elected vice president and Jane Haggerty of St. Peter's, secretary.

They also selected the following as delegates to attend the New Jersey Red Cross leadership training center to be held at Peddie School in Hightstown, from August 18-23. Catherine Wenglin from School-one, Jack Petro from School Ten and Patricia Berolotto from Belleville High School. Linda Strack of the high school was chosen as an alternate in the event one of the delegates cannot attend.

The schools reported 10 percent enrollment in Junior Red Cross. They all participated in the Christmas project when gifts were sent to the Essex County Hospital and to the Children's Shelter. Favors were made for every holiday by all the schools.

Veterans Hospital at East Orange, Clara Maass Hospital, Essex County Hospital and the Children's Shelter received these favors.

Gift boxes were filled for children overseas, and hundreds of magazines were collected for the Induction Center in Newark which many other projects were carried out during the past year by this active group of young people.

Pins were awarded to all representatives to the council. Each school selects two representatives each year. The two new sponsors Miss P. Maunione of School Eight and Miss Florence Grunert of School Nine also received their sponsor pins.

The next meeting of the Town Council will be in September.

Annual Sports Dinner Slated By Varsity Club

The tenth annual All Sports dinner, sponsored by the Belleville Varsity Club will be held at Mazziabrock Farm in Parsippany, June 6 at 7-9 p.m.

The All Sports dinner is given to acknowledge all seniors who have received varsity letters in winter and spring sports such as basketball, crew, track, wrestling, baseball, twisters, cheerleaders and band.

In addition the Colony Club Award is given to the outstanding senior athlete of 1962-63. Joseph Valvano, chairman, and his committee predict this year's dinner will outdo all previous dinners. Tickets at \$4.50 each will be purchased from any member of the Varsity Club and by this active group of young people.

Former BHS Student Found Guilty In Sale Of Dope

Gerald Sacchiero Sentenced To A Year In The Jail

Gerald Sacchiero, 18, 32 Union Avenue, was found guilty of the sale and possession of narcotics May 16 by Municipal Court Magistrate Edward J. Abramson after a two-and-a-half hour hearing.

Magistrate Abramson sentenced the youth to one year in Essex County Jail, but later suspended the sentence. However he specified that Sacchiero serve 30 days in jail before being placed on probation.

Four others who had been charged with the use of heroin had their cases deferred until this morning, when they will face Abramson in Municipal Court at 9 a.m.

Also Charged

They are: Anthony Centi, 46 Cedar Hill Avenue; James Oese, 382 Belleville Avenue; Philip Manette, 147 Branch Brook Dr., and Anthony Zappia, 544 North Ninth Street, Newark.

Sacchiero had been accused of giving "good-balls" to a 16-year-old Belleville high school girl in a student hangout less than two blocks from the school on Washington Avenue. The girl who had been under the influence of the habituates, said Sacchiero gave her the "good-balls."

Belleville Veterans Plan Memorial Day Program

At a recent meeting of the Belleville Veterans Council plans were made for the Annual Memorial Day Program both at the Union Avenue monument and at the Passaic River Bridge.

Chairman James LaMotta reported that clerks are being contacted to assist in the program with the main speaker who will be announced in The Belleville Times soon. Chairs will be available to the townspeople at the Union Avenue program.

Est Summus Latine

Eric Hatch, a sophomore at Montclair State College, was honored for outstanding scholarship, leadership, and character during the annual Convocation of the Latin Department at the school, May 19.

D. L. Covey, chairman of the foreign language department, made the award. He is the son of Mr. and Mrs. Joseph Hatch, 200 Smallwood Avenue.

Closely watching progress of the trial of seven local youths who had been faced with narcotics charged in Municipal Court last Thursday were from left, Thomas D'Avella, who prosecuted the case; Councilman Vincent T. Strumulo, and Mayor Robert M. LaTerza. (Photo by Gordon F. Adams)

Crew Racing To Continue?

School Officials, Residents Support Movement

Over 200 people attended a meeting in the Belleville High School cafeteria May 15 to discuss the future of rowing.

The meeting was called by Herman B. Winche, Director of Athletics, to bring parents up to date regarding the efforts being made to continue the sport in Belleville and Nutley.

The alignment of Route 21 along the Passaic River eliminates the possibility of facilities in either of the two towns and presents a problem yet to be solved.

The parents were welcomed by Michael Rosamilia, general supervisor of Belleville schools, in behalf of the superintendent.

Rosamilia, a former crew coach, delved into the history of the sport in Belleville. He described the early organization under William Bennett, 197 Linden Avenue, who devoted many years to the success of crew in both Belleville and Nutley.

Stan Scher, present head coach gave a report on the present season after introducing assistant coach, Michael Lally.

Seeking A Solution Winche detailed efforts of the Board of Education, the super-

intendent, the Athletic Council, and the Varsity Club who are seeking a new facility.

At a time when all avenues had been explored and the situation appeared desperate, the Newark Motor Yacht Club offered their facilities for the duration.

Housing Council Scores The Realtors For 'Segregation'

Some 150 Negro and white re-news. Residents attended a meeting sponsored by the Belleville Fair Housing Council Tuesday night at School Eight and found that housing had been available for the asking.

One of the speakers blamed Newark News Reporter Kenneth Gross for creating a racial problem here that existed in a minute degree. Another reported that large manufacturers had been in the process of easing racial employment practices when they were killed by the Newark Times.

Earlier she had told The Belleville Times it had been denied appearing in The Newark Times.

Why Waste Time . . . ?

Summer Classes For The Kids Will Open June 24

"The novelty will soon wear off, and then they'll begin looking for something to do."

That was Dr. Frank M. Durkee, superintendent of schools, speaking of his students who will be released from classroom chores June 20 for the summer vacations. And he is of the opinion that the "something to do" could well be summer school, which begins June 24.

The Belleville Board of Education has planned their annual summer schools for students who can take a make-up course for a subject weakness, review academic courses in which they may have had some trouble, or to acquire a better understanding of the arts through enrichment courses.

School Well Attended The three phase summer courses — which usually attract around 200 students — will start June 24 and end August 2. Included will be a program at the high school for grades 7 through 12, a reading improvement program, for elementary grades at schools Three, Four, Seven and Eight; and a five-week instrumental music program (June 24-July 26) at School Three.

Classes are smaller. The reading improvement program will be taught by three teachers during a morning session from 9 a.m. to 12 noon. The program will enable children to increase their reading ability. Past programs have shown that students sometimes gain from six months to three years in reading skills during the brief summer course. A less hectic pace and more individual attention to the student is perhaps to be thanked for the improvement.

The sound of music will be heard coming from School Three from June 24 to July 26 for three hours each morning beginning at 9 a.m. Instruction will be given by staff members for beginning wind instruments, in

intermediate and advanced band, and from 10:30 a.m. to 12:30 p.m. That gives students plenty of time to re-charge mental batteries and perhaps get some fishing during the afternoon.

Prospective summer school students should begin enrollment right away at the high school, said Durkee.

There Were Trophies For Everyone

Eight School Seven boys were recently awarded trophies for their part in the past season's intermural football games during a program at the school's auditorium.

Purpose of the awards, said Pat J. Forte, assistant to ball coach, was to acquaint the team with rudiments of good sports-

manship and to lay out the way for future football players on the Bellboy team.

Most of the award winners, he pointed out, were good students who realize it takes brains as well as brawn to make good on the gridiron. Forte himself who teaches social studies, had been a

good student as well as a member of the Honor Society.

The team members got most of their football savvy from Forte during his lunch hour. He is but another of the many unsung teachers who take time to teach their students the rules of sports in their spare time.

Meet THE BOSS of Blue Cross and Blue Shield

"Mr. Average Man" is the one who really runs New Jersey Blue Cross and Blue Shield. Both organizations were founded with only one aim... to provide an economical means for the average citizen to meet the cost of health care. Today, as over the past decades, the requirements of subscribers continue to guide us toward that objective.

Blue Cross and Blue Shield are truly non-profit. They are motivated by just one simple principle: provide members with the ability to obtain the best possible health care services at the lowest possible cost.

As in years past, Blue Cross and Blue Shield will continue to work for their only real boss... "Mr. Average Man." And his family.

A New System...

Cerebral Palsy Expert Will Speak At Treatment Center

Robert J. Doman, M.D., one of the originators of a new system for the treatment of brain-injured children, will be speaker at the annual membership meeting of Cerebral Palsy of Essex County and West Hudson. The meeting will be held Tuesday evening, May 28, at 8 p.m., at the Cerebral Palsy School and Treatment Center, 7 Sanford Avenue.

Dr. Doman is a graduate of Hahnemann Medical College and is the Medical Director of The Rehabilitation Center at Philadelphia.

The new concept for the treatment of brain-injured children, which was originated at The Rehabilitation Center at Philadelphia, is basically a system whereby uninjured parts of the human brain are taught to take over those functions, such as speech and locomotion, which would normally have been controlled by the injured portions of the brain.

The new system of treatment was begun about six years ago but has already received wide publicity in national journals and newspapers, as well as scientific journals. The treatment has been used not only for children born with brain injuries but also for children who suffer brain injuries due to accidents.

Because of the aims of this new system of treatment of brain-injured children, the Philadelphia center at which it began has been recently re-named "The Institutes for the Achievement of Human Potential."

NEW WAY TO BE SUDDENLY SLIM

Are you a woman whose figure is on the good side but might look perfect? You'll be thrilled by the new easy way science has discovered for you to become Suddenly Slim. If you're more than 15 pounds overweight, then this idea is not for you. If your weight problem falls within this range, then you can realize a new, smoother figure today, without diet or exercise.

Suddenly Slim is an all new kind of 4-oz. girdle constructed of science fibers. One startling innovation is the sheer nylon front panel. This is permanently stiffened by a science process and cannot give or sag. It's surrounded by a shimmering action border. A featherstitched panel down each side of this girdle will contour your hips if they are a problem. The girdle itself is of a "wonder" Lycra spandex blend. It's a new power net consisting of nylon, acetate and spandex. It feels like nothing on but has such slimming strength, it gives your figure everything that's possible with a foundation.

"Suddenly Slim" is the peak achievement of the designer-genius, Olga.

Be "Suddenly Slim" today in either girdle or panty version. Featured at LADY FAIR, 510 Franklin Ave., Nutley NO 7-6000

bridge. Preliminary meetings were held with Wische, William Chapman representing the Athletic Council, Rosamilla, Raymond O. Smith, high school principal, and a Nutley representative, business administrator Everett Zabrickie, and with Fred Gillespie, an attorney in Kearny and former president of the board of education there.

These talks led to a joint Belleville-Nutley appearance before

the mayor and council in Kearny to request use of the property. The Kearny officials reacted favorably to the proposition from Belleville, opening a possible solution to the problem.

Committee Formed

The Belleville Board of Education immediately up a committee of three board members: George Brown, chairman, Arthur Pico, and Richard Drake, to meet with representatives of the Nutley Board of Education to work out details. Other board members also attended.

While both groups were receptive to the Kearny offer, they recognized the legal problem prohibiting them from constructing a building on land which didn't belong to them. The only alternative was to organize a corporation with representation from Belleville and Nutley who would be charged with working out a means for financing the building.

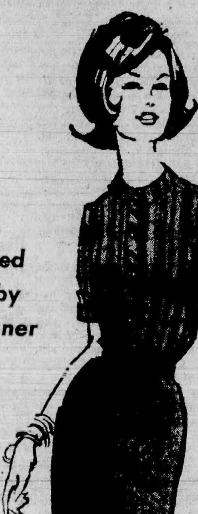

Belleville parents were appreciative of the extensive efforts, and expressed a desire to assist. The group organized a temporary committee headed by Richard Shaffer, 131 Bremond Street, to help the Belleville Varsity Club in money-making projects.

Belleville and Nutley will have to raise approximately \$28,000 to construct the new facility. Almost 50 enthusiastic citizens volunteered to render whatever services are necessary.

Other interested residents who wish to help may do so by contacting William Chapman, principal of School Five, who is also chairman of the Belleville Varsity Club Building Fund.

Dear folks—

Whoever thinks of all the clever appliques on toddler's clothes? I mean — now there's a really soul-satisfying job — to create something that delights a tiny one!

Imagine the pure joy of having a string of tiny ears embroidered on your hem and then a "No Parking" sign unexpectedly popping up! Or a "Berry Picking Time" border, quaintly old-fashioned as a picnic!

I saw them both on those darling "Nanettes" at Lipton's today, as well as one with a pocket right smack in front — full of — guess what? Kittens, of all things!

I'd probably still be in that Crib-to-Toddler department, oh-ing and ah-ing, if my twins hadn't dragged me off to approve their choice of bathing suits (Pools open next week, you know!)

And approve I surely did! Those Stretchini suits are really the answer to a mother's dream! They not only dry in a jiffy, but neither salt water nor chlorine bother them a bit and they come in both tank and two piece styles, as well as one that looks two piece but is attached front and back and open on the sides for that New look!

Sincerely
Letty

P.S. The Welcome Flaps are flying again — this time for the Belleville-Nutley folks. Hi! From Lipton's and from Me, Letty!

MRS. RICHARD A. MEGGISON
Former Marion A. Ross

Marion Ann Ross Marries In Newark Church Ceremony

The wedding of Miss Marion Ann Ross to Richard Albert Meggison took place Sunday afternoon, May 19, at 3 o'clock in the North Reformed Church, Newark. The pastor, the Rev. Dr. Howard G. Hageman, officiated, A. E. Douglas, church organist, played, and Mrs. Hageman sang. The reception followed at The Galaxy, Belleville.

The bride is the daughter of Mr. and Mrs. George A. Ross, Jr. of 71 Jefferson Street; the bridegroom's parents are Mr. and Mrs. Albert Meggison, 315 Glenwood Avenue, East Orange. Mr. Ross gave his daughter in marriage. Her bridal gown of sheer silk organza was fashioned with scoop neckline outlined with Alencon lace applique, long sleeves and bouffant skirt with a train.

A double tier illusion veil was attached to a crown of seed pearls and crystals and she carried a bouquet of white orchids and roses.

Miss Jessie Dinger of Martinsville, a cousin of the bride, was maid of honor, and bridesmaids were Miss Virginia Volk of Belleville and Miss Phyllis Romaine, Nutley. The bride's sister, Joy, acted as junior bridesmaid, and another sister, Grace Anne, was flower girl.

The honor attendant was gownned in a maize over maize silk organza floor length gown with scoop neckline and beaded bodice. She had a matching crown with short veil and carried white carnations tipped with pale lavender.

The bridesmaids' and junior bridesmaid's gowns were similar in style in white over maize, and the flower girl was in maize over maize.

The bridegroom's brother-in-law, Kenneth William Patton of Edison, served as best man. Ushers were James Meggison of East Orange, the bridegroom's brother, Craig Ross, Belleville, brother of the bride, and Edward Jockers of Newark. The bride's younger brother, Roger, acted as ring bearer.

The mother of the bride was attired in a turquoise chiffon street length dress with matching lace jacket, and the bridegroom's mother chose shrimp silk organza in princess style, trimmed with beads and sequins. Both had matching accessories and white orchid corsages.

A graduate of Belleville High School and Barbours School of Modeling, New York, the bride is employed by the Prudential Insurance Co., Newark. Her husband attended Bloomfield Technical High School, served in the U. S. Army and is presently a member of the New Jersey National Guard. He is employed at Bamberger's Dept., Bloomfield.

Mr. and Mrs. Meggison will make their home in Bloomfield when they return from a wedding trip through the South.

The Nutley Art Group is sponsoring a Competitive Art Exhibit on Saturday and Sunday, May 25 and 26, to be held at the Museum Building, 65 Church Street, Nutley. Hours on Saturday are from one to 9 p.m., and on Sunday, from one to 5 p.m. The public is cordially invited to attend this exhibit.

This is the second show of its kind to be sponsored by the Nutley Art Group. They have sponsored many exhibits in the past but have held only one other professionally-judged show.

The Bank of Nutley has donated awards for competition in the amateur category, and interested individuals have donated awards for the professional group. The Art Department of Kresge-Nebraska is donating an oil painting kit, and other patrons are Mutual Sewing Machine and Manufacturers Inc. and Jobs-Bek Schmidt Agency, both of Newark, and Oland's Food Shop and Heberling Drug Store, both of Nutley.

Judges this year are Harry Hubbard, Richard Kapral and Frank Mattman.

Harry Hubbard of Hackensack has been interested in art for many years. He is president of the Hackensack Art Club. Recently he has exhibited in Richfield Park, Rutherford and in the Bergen Mall, where he won honorable mention in June.

his work will be represented in the outdoor show at Anderson Park, Hackensack.

Richard Kapral of Newark received his training at Cooper Union Art School, Manhattan. He has held one-man shows and has exhibited in museums and galleries throughout New York and New Jersey, as well as in St. Paul, Minnesota. His work may be found in the Jersey City Museum, at Overbrook Hospital, and in various private collections, as well as in a long, cross-country exhibit, sponsored by the Knickerbocker Art Society of New York.

Frank Mattman of Rochelle Park is a past president of the Hackensack Art Club. He has studied at Pratt Institute and the Washington School of Art, and under artists Paul Strizak of New York and Michael Lenon and Avery Johnson of the Montclair Museum. Mr. Mattman has a judged many shows throughout Bergen County and holds art classes in his own studio.

Any artist in this area who would like to enter the show is asked to contact Mrs. John Fikus at 3-Carrest Place, Nutley, for information.

A reception will be held on Sunday afternoon at 3 o'clock, at which time the awards will be presented by William Maher on behalf of the Bank of Nutley.

PERSONAL AND SOCIAL HIGHLIGHTS OF THE WEEK

St. Peter's Church Setting For Connolly-Maines Rites

MRS. WILLIAM CONNOLLY, Jr
Former Helen M. Maines

In a late afternoon ceremony in St. Peter's Church, Belleville, the marriage of Miss Helen May Maines, daughter of Mr. and Mrs. Nelson Maines of 55 Nutley Avenue, Nutley, to William Connolly, Jr., son of Mr. and Mrs. William Connolly, 201 Belleville Avenue, Belleville, was solemnized on Saturday, May 18. The ceremony was performed by the Rev. Francis Ignacovich, and the reception followed at Knights of Columbus Hall, Belleville.

The bride who was given in marriage by her father, was groomed in Charly lace, styled with scalloped neckline, long sleeves and tiered skirt ending in a chapel train. A double-tiered crown of lace and sequins held her fingertip veil, and she carried a cross of white roses with lilies of the valley.

Mrs. Wilfred Austin of Jacksonville, N.C., the matron of honor, wore pink chiffon with satin train, and carried a cross of white roses tipped in pink.

The bridesmaids included Mrs. Roger Lentz of East Orange, who wore aqua chiffon; Miss Edith Connolly, sister of the bridegroom, who was in yellow, and Mrs. Kenneth Miner of Syracuse, N.Y., a cousin of the bride, in green. Each carried a cross of white roses tipped in colors to match their gowns.

Best man for his brother was Arthur Connolly, and ushers were another brother, Stephen, of Belleville; Roger Lentz, E. Orange, and Robert Maines, Cliffwood Beach, brother of the bride.

Mrs. Maines was groomed in light blue silk organza over tulle and Mrs. Connolly wore beige pure silk. Both had accessories to match and corsages of cymbidium orchids.

The bride was graduated from Nutley High School and is with Walter Kilde & Co., Belleville. The bridegroom, a Belleville High School graduate, is an automotive mechanic at the Jersey City Post Office.

The couple will reside in Belleville upon their return from a two-week motor trip.

Engagements Are Announced

MISS ARLENE NELSON

The announcement has been made of the engagement of Miss Arlene Nelson, daughter of Arthur E. Nelson, New York Street, Belleville, and the late Mrs. Nelson, to Albert Joseph Regen, Jr., son of Mr. and Mrs. Albert Regen of Highfield Lane, Nutley.

The bride-elect is a graduate of Fort Lee High School and is presently employed as a personal assistant for the law firm, Sullivan & Cronwell, New York, N.Y. Mr. Regen is a graduate of St. Mary's High School, Rutherford, and of St. Peter's College, Jersey City. He is employed as a financial analyst for James Talcott, Inc., New York City.

No date has been set for the wedding.

They Asked For Big Trouble—and Got It!

Last week a remarkably small percentage of Our Town's teenagers got themselves into a mess of trouble. The worse kind of trouble. Dope. Seven of the young hop-heads were scheduled to appear last Thursday morning before Magistrate Edward J. Abramson in Municipal Court on a variety of charges involving dope, its sale, and its use.

Mayor Robert M. Laterzainan effort to expose the sickening effects of narcotics on the human mind and body, had invited parents, educators, and town officials to attend the court session. Many parents did not attend the arraignment, perhaps thinking it could not happen to THEIR children.

Our teenager sat twitching behind the rail awaiting his turn before the magistrate. He scratched, squirmed, nibbled his fingernails, and giggled in derision as a young teenage Belleville High School

girl described the sale of "goofballs" within two blocks of the town's largest school. He will answer a charge of using heroin today. The Monkey is on his back and nothing he can do will ever get it off. Six others will face similar charges this morning. Did THEIR parents know they were hop-heads?

One of the most chilling revelations was that these same kids attend school dances at BHS. Their favorite hang-out is a soda fountain within two blocks of the school. Have they infected other children with this revolting habit? God, forbid! To school children we say: If you know of other students who are playing with this poison, TELL YOUR PARENTS!

They, in turn can notify the proper authorities. There is nothing shameful in pointing the finger at these salesmen of degradation!

Let's Put The Kids To Work This Summer

Within the next 30 days all of Belleville's children will be out of school for the summer, with the exception of those who choose to take the summer school courses being made available by the Board of Education. But, what about the rest of the kids? What will they be doing?

If they have the Nth degree of ambition, they will be busily hunting for summer employment. Last week in an effort to help these kids, The Belleville Times offered its annual "99c ads" for student use. It will be interesting to see how many of the kids take advantage of the offer. Complete details are printed elsewhere in today's paper.

But an advertisement alone will not guarantee a job for the well-meaning student. The National Committee on Employment of Youth released a rather

gloomy picture of the outlook for summer jobs for teenagers. Its reasons were grimly apparent: Automation, an increase in the number of youngsters seeking part-time employment, and the increased demand for skilled labor.

For a teenager this can be tragic. A summer job can get him off the hot streets and into a purposeful life. If every employer in Belleville could give just one job to a teenager it would help materially in making our kids better citizens. It would also provide trained employees for future positions in these organizations.

Church groups could begin now by searching for temporary jobs among the many executives and employers who are members of their church. It is an urgent need and one which should be met now by action.

WE'RE BACK IN HIS GOOD GRACES NOW!

To the Editor, The Times-News:

Three cheers for The Belleville Times for its blast against the Kennedy bureaucracy — and frankly, I can almost forgive you now for the blunders you recently made in the local political scene, after reading your editorial exposing the administration's questionable tactics.

Our President, whose title to office is still debatable, is a classic example of the smiling politician. Working mightily and at great cost, to build his "image," his minions constantly invent popular distractions to snare the unthinking. However, any studied analysis of his executive decisions reveals but an empty barrel of oratory. His foreign detours are alienating our friends and befriending the irresponsible. His domestic economic policies, instead of seeking a new frontier of strength and substance, which he promised, are leading us down the highway to hell.

This smiling shepherd is directing his flock down the same old road toward monetary inflation, moral disintegration, unemployment, and indecision. This has led F.D.R. surveyed and chose 30 years ago. His latest twist, the budget that will unbalance us as never before, and the tax cut that will raise everybody's taxes, is a glaring example of his double talk and financial incompetence.

The time has come to steer the Ship of State away from the shoals of danger, toward a safe harbor. Your editorial is a start. Now we must all pledge allegiance anew to our country, and save it from destruction.

Yours sincerely,
LOUIS SUSSMAN

BECK'S COLUMN

By MAX BECK

During the last few years we mentioned in this column occasionally "solid state devices."

One customer came in last week and asked: What kind of a thing is a solid state device you mentioned the week before. It is about time you tell your readers about it.

So here goes. Just about everybody knows what a tube is, so we don't have to go into that. A solid state device is a much simpler replacement for a tube. As you know, the bulb of a tube is glass. There are a few metal tubes in use, but the number is insignificant, and all we are going to say about tubes applies to metal tubes except the part pertaining to the glass. Glass is apt to break, crack or become porous. Within the glass envelope a tube requires an almost complete vacuum. If this is lost, the tube is useless. It also requires electric current to the filament in a light bulb. Quite a bit of heat is created by this filament, as you may have found out if and when you have tried to take a tube out after the set on for some time. A tube is large compared to the size of a transistor and in time it gets weak and used up.

Now let's look at a "solid state device." This is a fancy name for transistors or diodes. They do not require a vacuum. They are as tiny as a matchhead. Not all of them, though many are as "large" as a pea or a bean and some power transistors are even as big as a quarter in diameter and as high as 3/4". We are speaking now of transistors used in radio and TV work. With the exception of the large power transistors, they do not develop any heat and last, but not least they require very little current. Allegedly they are indestructible. Even if this may not be exactly correct, they sure last a lot longer than tubes. These are just a few characteristics, if you want to know more about them, please come in and talk to the writer or one of our technicians.

We service what we sell.

BHS Track Team Looses A Close One; But They're Tops

VIEW FROM THE SIDELINES

By RAY FERSKO

PETTI'S NINE PUTS BASEBALL BACK IN BELLEVILLE

The Bellboy nine had another highly successful series this week as they knocked mighty St. Benedict's off their pedestal. Ray D'Atorio's superb control held the powerful Bonny Bees to 4 hits and one run, while Belleville went for 6 solid base hits and 4 tallies. Paul Thornton, the St. Benedict's Ace, who had a 8-1 record previous to this contest, was hit hard when the Big Blue and Gold bats came alive. For that matter, the whole squad was dealt a vicious blow as this was only the second start they lost against 16 wins.

Defensively Belleville was very sharp and alert. Mike Lilio, Dave Hatch, and John Syneski made some fine key plays, while D'Atorio, Luongo and Cervasio supplied the hits. This game was a "big win" for Belleville and it is a tribute to the fine coaching young Nick Petti.

The Bellboys snapped their fourth consecutive win last Friday when they ran over the West Orange Cowboys by a 7-4 score. Ray D'Atorio went all the way in chalking up his seventh win in 12 decisions. D'Atorio proved to be effective in the pinch for the stranded 12 Cowboy runners and twice slammed the doors shut with bases loaded. At the plate he also proved his worth with 5 R.B.I.'s. In the field as at the plate, Frank Ray and Mike Lilio were outstanding. This game was also important for the Bellboys as they moved up to sixth place in the Big Ten, with this win under their belt.

It seems my predictions are beginning to take hold. As I said earlier this team is building up momentum. This is definitely a different ball club, and an ever improving one. Although, Belleville just missed out in the Greater Newark Tournament, many pros and cons may be discussed as to the reasons behind the seeding committee selection. The main reasons stem back to that tough Irvington loss of 2 weeks ago, and those 2 squeakers to Columbia that were suffered three weeks previously. Nevertheless, this whole season definitely would have been different if Nick Petti and his boys had a homefield. However, Belleville has won their last 4 games and they have also beaten Montclair; the 2nd seeded team in the tournament, St. Benedict's the 4th seeded team and Garfield (last year's State Champions).

In conclusion, one thing is quite evident and that is that Belleville has a squad that is climbing and going from strength to strength in putting Belleville back in the baseball limelight.

CREW STROKES TO VICTORY

Friday, May 17, Belleville's powerful varsity crew firmly established themselves as the leading high school crew in the East. The Bellboys won the Poughkeepsie Regatta, which is the highlight of high school crew on the Eastern Seaboard. This was the oarsmen's best race of the year as they finished a boat and a half ahead of nine other competitors.

The "Junior Varsity 8" also entered in the Regatta and came in third out of nine teams. This is very good considering the J.V.'s are still young and will be able to compete again next year, while most of the other J.V.'s crews entered were more experienced and older.

At the end of the race Belleville was presented a large trophy for their all-out effort. This race was worthy of the long hard hours that Coaches Scher and Lally have put in.

That 'No Politicking' Rule Still Goes, Says Town Manager Burnett

Town Manager John R. Burnett renewed his promise to uphold the "no political activity" edict for Town Hall employees. "This means either on or off the job," Burnett warned. If he should uncover political activity by employees, which he said is against Civil Service Rules, "I will dismiss him."

Thomas McGill brought up the question after he said The Belleville Times had reported a slackening of the rule laid down by former Town Manager William A. Sommers. Deputy Mayor G. George Addonizio said the council had no authority to restrict such activity by Town Hall employees.

(Editor's note: No such report appears in The Belleville Times, as reported by The Belleville Telegram).

Bloomfield Led Trackmen In A Cinder Battle

Tuesday the Belleville High Track squad just a heart-breaking race at the hands of Bloomfield High School by a close score of 56-52.

An outstanding performance was displayed by speed merchant Tom Greco who tied the school record of 10 seconds in the 100 yard dash.

Other Belleville victors in the meet were Jim Harvey in the 880 at 2:05.8; Richie Ziegler in the mile at 4:48.5; Hal Avalon in the shot at 43'3", and Gus Brown in the broad jump at 20'8".

Belleville upped their record to 5-3 Thursday when they downed East Side 76-32. The highlight of the Belleville track season came Saturday May 18, when four members of the track squad juggled home five medals and a seventh place finish in the second Annual Essex County Track and Field Championships.

Richie Ziegler started things off with a third place finish in the one-mile run. On a muddy track swamped by an overnight downpour, Ziegler ran a beautiful race in clocking 4:47.5, an outstanding time under miserable conditions.

Tom then proceeded to take coming in third as John Tyson of Montclair just nipped him at the finish line. If good conditions had prevailed Tom definitely would have clocked under ten seconds.

Tof then proceeded to take fifth in the 220 dash in 23.2 as he ran in the trials. Greco, who is a junior, could very well be the county's number one dash man, with a year and a half. Jim Harvey finished second in the 880 in 2:05.3 to add four points to the Belleville score and Gus Brown took fifth in broad jump to round out the Belleville scoring at 12.

There were other outstanding non-scoring performances shown by Belleville athletes. Sibi Sica let loose with a very good heave in the discus when he threw the

Spring Clean-Up Good Time To Eliminate Fire Hazards

Spring, traditionally, has been the time of year to rid your home of fire hazards by removing trash, making repairs and continuing regular checkups of electrical equipment and appliances.

It's not difficult — just start in the attic and work your way down to the basement. The National Board of Fire Underwriters suggests: Throw out those stacks of old magazines and newspapers and the broken chairs and other bric-a-brac you've been keeping in attic or basement for years.

In the bedrooms, check the cords of bedside lamps or radios and replace them if they are worn. Be sure they do not run under rugs or over hooks. In the kitchen, be certain you haven't allowed grease to collect in the broiler or oven. Examine the appliances and their cords. If repairs are needed call an expert. Don't put all appliances on one electrical circuit and don't overload a single outlet. Check curtains to make sure they do not blow across the flames on the stove. Be sure the children can't reach the kitchen matches.

In the living room, locate the television set so that it has proper ventilation. The set can generate enough heat to cause a fire. Too many basements are nothing more than hatching for hazards. Every homeowner paints and most of them save the paint they don't use. If you are a paint saver, make sure the cans are tightly covered and stored away from the heating unit. Under no conditions should you save old paint rags. Get rid of them. And don't forget to clean out the garage. It can become a catch-all for old, useless materials.

It's Official, Burnett Is The Town Manager

Acting Town Manager John R. Burnett became — officially — Belleville's new town manager during last week's regular council meeting at Town Hall, but his deputy Charles B. Tedesco, received opposition from Councilman Thomas P.

Greco. Greco said the administrative code Okay'd the appointment of a deputy town manager if the council had first created the job — which he claimed the council had not done.

Thomas D'Avella, Town Attorney, said the resolution making the appointment was perfectly legal. Tedesco, who has filled a variety of positions during his service at Town Hall, received no increase in pay for his new position. Burnett's term in office was to run at the pleasure of the council at an annual salary of \$14,000 per year.

Belleville Boy Scouts Invited To 'Memorial'

All Boy Scout Troops and Explorer units, with color guards and U. S. and unit flags, have been asked to meet at the Monument, on Union Avenue, at 9:30 a.m. to take part in the Memorial Day exercises and parade, May 30.

Belleville Troop leaders, committee members, commissioners, and members of the District Committee will attend the Council's 'Showando' at the Scout Area, Cherry Lane, South Mountain Reservation, next Saturday morning May 25 from 10 a.m. to 8:30 p.m.

The day-long event will include many Scouting activities, instructions, and practice of Scouting skills and techniques. There will be a cookout, and a campfire will close the activity which is a requirement to qual-

ify for a Scout Leader Key or Training Award.

Reservations are to be made at the Robert Treat Council office or by contacting the District Promotion Chairman, James Flaherty, or Walter Chambers, Council Promotion Chairman.

Celebration Chairmen Appointed By Mayor

Mrs. Catherine Valiese, 125 Haxel Street, and John Buss, 83 Rutan Road, have been appointed co-chairmen of the forthcoming Fourth of July celebration at the stadium.

A Less Frequent Change

A longer term in office was guaranteed councilmen with an amendment to an ordinance by changing a single word 'officially', which would authorize council reorganization meetings every two years instead of every six months. The resolution was made during last week's regular council meeting.

Who Was The Mystery Teen? Why, It Was Myra Ceres!

Myra Ceres was last week's mystery teen, and she is the daughter of Mr. and Mrs. Frank Ceres of 15 Bellevue Avenue.

Her many and varied school activities have made her well-known and well-liked. Her daily cartwheel practice and her peppy personality helped get her a position on the cheering squad.

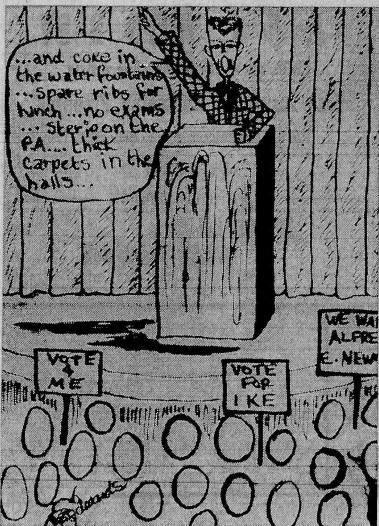

She also participates in girls' intramurals, writes for the "Spotlight," and was vice president of the sophomore class this year.

Myra is the treasurer of the "Phi Gamma," a girls' club she belongs to outside of school. She enjoys fooling around with her fellow club members and dancing is a favorite pastime. She is also a member of St. Anthony C.Y.O.

In the future Myra hopes to attend Fairleigh Dickinson College.

Blue And Gold Parties Offer Candidates For Student Council Office

By TONI PITERA

About this time every year the student body of Belleville High turn out to vote for officers of the Student Council. This year the voting system has been changed.

Under the new system two delegates from homerooms were chosen to represent each party. One was on the "Blue Party," and the other was on the "Gold Party." These two parties met individually and selected candidates for next year's officers of the Student Council, senior, junior, and sophomore classes.

Candidates of the "Gold Party," running for Student Council office are: Louis Di Bella, president; Joe Cervasio, vice president; Cecilia Filadelfia, secretary; and Joan Di Fazio, treasurer.

Those running for senior class offices are: Ray Chapman, Charles Brennan, Mary Ann Nucci, and Joann Di Meo.

For the junior class are Margo Marone, Maryann Meola, Julia Guarino, and Joyce Colaninno.

The sophomore class candidates are Richard Puccarello, Carmela Peragamo, Angela Macaluso, and Susan Borino.

On the Blue Party slate are the following for Student Council: Johnny Visco, president, Frank Pomato, vice president, Angela Macaluso, secretary, and Rae Pittino, treasurer.

For the senior class are: Tom Greco, Joe Del Guercio, Mary Conklin, and Pete Rossi.

Junior class representatives are: Ed Carney, Lenny Luongo, Gail Smith, and Tom Di Biasi.

On the sophomore ticket are: Gail Cronauer, Frank Mico, Dolores Di Masi, and Mary Benvenuti.

McNamara is campaign manager for the "Blue Party," and Ken Foley is the "Gold Party" manager. Together with this year's student council president, Angela Cuozzo, they are working hard to assure a successful election.

On Friday there was an assembly at which the students had an opportunity to hear about each candidate. This gave everyone a chance to become acquainted with those that are running for election.

Everyone will cast their votes on May 21, for their favorite party. A real voting machine will be rented for the day.

Those School Reporters...

Nine Students Wrote BHS's News During The Past Year Here

By MARLISE JAMES

Several Belleville High students have worked as school page reporters for all of this year. Others have written on and off or will be the regular reporters next year. They are spotlighted here.

Paulina Rubino, a 17-year-old junior, is known as "Bunny" to most of her friends. In addition to writing all year for the school page, she is also a reporter for the "Spotlight" and is a member of the "Student Handbook" staff. She is also in the FTA and will be a color guard next year. She has maintained an "A" average for her high school years.

Laura Baker, a 16-year-old junior, has written "Happens Next Week" for the past year. She was recently selected as a twirler for next year. She, too, is on the "Student Handbook" staff. She is also on the junior senate and in the FTA. Even with her after school job and all her activities, she has maintained a "B" average.

She's a Future Teacher.

Jacqueline Foster, a 16-year-old junior, has also been a regular school page contributor. She was just elected vice-president of the Booster Club. She, too, is a "future teacher" and writes for the "Spotlight." With her "B" average she should not have a hard time fulfilling her desire to be a biology teacher.

Christine Edwards, a senior with a flair for art, has been the cartoonist for the school page.

Toni Pitera, a 15-year-old sophomore, has just started writing for the school page but will be one of next year's contributors.

She has written for the "Spotlight" since she was a freshman, and is in the FTA. She has played girls intramurals and is in the Official's Club. She is secretary of the Forensics Club. She has an after school job but manages to maintain a high "B" average.

National Honor Member.

Maria Corino, one of the BHS cheerleaders, is a 15-year-old junior who has written for the school page this year. She is an active member of the Student Council and FTA and was recently elected to the National Honor Society. She, too, has participated in girls intramurals. Official's Club and has written for the "Spotlight." Her average is

a high "B."

Paula Zaccane, who has been on the twirling squad for two years, is an active member of the Newark Youth Council. She has written for the "Spotlight" and the school page. This 16-year-old junior also plays in intramural sports, and is in the Official's Club. The Red Cross and Boosters also consume some of her time. Paula has a high "B" average.

Arlene Schiavone, a senior,

contributed weekly to the school page with her "News Highlights" column until she became ill at the beginning of this school year. She is now back in class and will be writing again. Arlene was also a BHS twirler and had one of the leads in the senior play.

David Wolk, a sophomore, has been a photographer for the school page this year. He is also photo editor of the "Spotlight." A popular Belleville sport, crew, takes up much of his time.

Heading For Hawaii Via The High School Dance

By MARIA CORINO

A trip to Hawaii would be your vacation of a lifetime. What's the matter? Too expensive? Well, boys, for just \$2 you and your favorite girl can spend three fun-filled hours in Hawaiian atmosphere. This can be done by attending The Hawaiian Holiday Dance, May 25, sponsored by the National Honor Society.

The time is 8 p.m. to 11 p.m. The place is Belleville High School Girls Gym. Refreshments will be served. Music will be supplied by the Thunderbolts. So, don't forget, you have a date May 25th for an Hawaiian Holiday.

Brizzolara Is 'Awards' Winner

Donald P. Brizzolara, a chemistry major at Fordham University, was named a winner of one of 12 national Merit Awards of the "Chemical and Engineering News" of the American Chemical Society.

The award, a framed scroll, was presented to Brizzolara during a dinner May 10 sponsored by the New York section of the society.

The merit award selections are based on a planned career in chemistry or chemical engineering, high scholastic attainment and demonstrated accomplishments in collegiate extracurricular activities.

Donald, son of Mr. and Mrs. Alfred A. Brizzolara, 204 Adelaide Street, attended School Five and St. Benedict's Prep School in Newark.

CLOSET STORAGE

A round of closet cleaning may inspire you to do something to improve clothing storage equipment. "Must" for well-stored clothes include: correctly shaped shoe trees; adequate supply of hangers for each type of garment; hat boxes; belt rings or hooks; necktie caddy. Careful storage helps to keep clothing new looking and on the wearing list, day after day.

Student Staff Writer Assigned To Newspaper

Michael J. Scrudato, son of Mr. and Mrs. M. Scrudato, 65 Van Reyper Place, who is attending George Washington University at Washington, D. C. has been named to the staff of the college newspaper "The Hatchet."

He is presently writing a weekly sports column.

June Graduate

THOMAS NAPPA

Thomas A. Nappa, 14 Belmont Avenue, will be graduated from the University of Scranton, with a bachelor of science degree in psychology during commencement exercises Sunday, June 2.

Nappa, son of Mr. and Mrs. Peter Nappa, will attend graduate school for a master of science degree in educational psychology in September.

While studying, Nappa was active with the University Players organization in which he served as vice-president — the Psychology Club and the Resident Students' Club. He is also a member of the Knights of Columbus.

A member of the Advanced ROTC, he will, upon graduation, be commissioned a second lieutenant in the U. S. Army-Reserves.

BHS Has New Guidance Department For Its Kids

Personality rating sheets have been distributed once again and the teachers of sophomore and junior classes are evaluating the personality of each of their students.

This rating sheet was not made known to the students until this year when we were required to give teacher a copy of it. In previous years the guidance department had one copy per student and this sheet was passed to all of the pupils' teachers. With individual copies the slim chance of a teacher's opinion being influenced by another's is eliminated.

A committee of the National Association of Principals designed this rating sheet and 95 percent of its members use it. A copy schedule of each student placed on the top of this sheet, for the convenience of the teacher, was our high school's innovation. When these sheets are returned to the guidance office the counselors make a composite of each sheet.

These composites are often requested by large firms when an applicant for a job. They are also needed in transcripts for colleges, armed forces and in security checks needed when working for the United States Government.

The guidance office has also made some new advances in the storage of records and data. Five microfilm rolls, covering the records for 1928-40, have taken the place of 14 file cabinets. Microfilm of the records from 1940 up to the present date are also in the process of being prepared.

These new films are even more convenient than the first set for a student's whole cumulative record can be taken with one picture. A photostat of this record may be reproduced at the price of only 85¢ cents. In the end some 24 file cabinets and many hours of work will be eliminated. There is also the elimination of the fear of loss of these records for one copy is kept in the school while another is stored in a vault.

Thus many of the inconveniences of record keeping have been eliminated through the efficient work of our school administration.

In Recital

JOHN F. LEE

John F. Lee, trumpeteer, a music major at Montclair State College will present a "graduation recital" on Sunday evening, May 26, at 8 p.m. in the Music Recital Hall on campus. He will be assisted at the piano-harpisichord by John Mayrunkel, a music major of East Paterson.

Lee will play selections by Vivaldi, Haydn, and Vidali.

He is a 1956 graduate of St. Mary's High in Rutherford. At Montclair he has been active in choir, symphonic band and is a member of the Music Educators National Commission.

The concert is open to the public and there is no admission fee. Lee is the son of Mr. and Mrs. Walter J. Lee, 95 Bremond Street, Belleville.

Careers in Hospitals Contributes to Careers

Copies of a new book, "Careers in Hospitals," have been distributed to the Belleville school system by Clara Mass Memorial Hospital.

The book, prepared by the American Hospital Association, was distributed in conjunction with National Hospital Week, May 12-13, which had as its theme "Today's Hospital—A Career Gateway for America's Youth."

Designed for use by school guidance counselors and classroom teachers with guidance responsibilities, the book is part of a nationwide effort by hospitals to call attention to the diversity of hospital career opportunities and the need for qualified personnel in many disciplines.

Widman, Director of Personnel and Public Relations, said:

"More than 200 job opportunities, ranging from accountant to x-ray technician, exist in hospitals," said Widman, "but many jobs go unfilled because of shortages of personnel. This is particularly true in the paramedical, nursing, medical technology, and occupational and physical therapy."

Hospital careers fall into three major categories—administration, professional service, and plant operation, requiring a diversity of skills and interests.

"By alerting more school counselors to the possibilities of hospital careers we hope to encourage more young people to enter these careers," Widman said.

"With nearly 7000 hospitals in the country and more than 10 million patients each year, the hospital field is one of the nation's major employers. It will continue to grow to meet the ever increasing demands for better health care."

A Humanis Effort

"Hospital careers offer a unique opportunity. Because of the wide variety of careers open, a person may follow his own interests, but still gain the satisfaction of contributing to the well-being of the community," Widman said.

The new book outlines for each job its duties, necessary personal characteristics, education, training, and possibilities for advancement. In addition, it lists sources of further information, professional organizations, and the United States and Canada where professional training, for hospital careers may be acquired.

The regular business meeting of American Legion Auxiliary, Belleville Unit 105, will be held at 7:30 p.m. at the Post Home, 621 Washington Avenue, presided by President Irene Hess.

Mrs. Maude Christie, Poppy Chairman, announced that poppies will be distributed to members at this meeting. Auxiliary members will be asked to wear a poppy beginning May 24, the day they will be available to the public.

Remember that the money donated by the public will be used to help disabled veterans and that these poppies are hand made by the veterans themselves.

Auxiliary members will take part in the Memorial Day service at the Union Avenue Park, and also at the bridge.

Refreshments for the evening will be Mrs. Kollinski and Mrs. Rawcliffe.

Police, Firefighters Are Up For Pay Hikes Again, Says Council

Cops and firefighters came a step nearer to pay increases that would come to nearly \$250 a year last week when Town Council included the pay increases in an ordinance introduced by council. A public hearing has been scheduled for May 28.

If approved, the pay hikes would become effective July 1. Chiefs of both departments would be granted a \$1,000 per year increase.

Bitter controversy had marred relations between the two departments, but both got together later and settled their differences—any which were blamed on misunderstanding.

A Vacation For Tired Councilmen Coming Up?

A proposal to limit council meetings to once a month during July and August was made during last week's regular meeting of the council at Town Hall, but two of the councilmen disagreed with the proposal.

They claimed there was enough work to keep them busy throughout the summer.

The resolution will be voted on during the May 28 meeting at Town Hall.

BHS Crew Wins Regatta In Poughkeepsie Competition

By RAY FERSKO

The Belleville High School varsity crew, second shell last Friday and stroked themselves to a one and a half length victory over nine of the East's leading crews.

The crews involved in this famed Eastern Seaboard Championship Race were Liverpool, a Syracuse school that was previously undefeated; Poughkeepsie, Arden, and Roosevelt, Poughkeepsie; Springfield and Springfield Tech from Massachusetts; Classical High from Connecticut; Blessed Sacrament from New Rochelle, and Nutley.

Up Front Fast

This was the race that the Bell boys have been waiting for and they rowed in grand style. . . . Belleville took an early lead as started down the Hudson River with 20 power strokes. At this point, the stroke was brought down to a 32 body, thus under-

stoking all the competition. . . . Finally the Blue and Gold took it away by a length and a half, as the stroke was increased for the duration of the race.

Here's The Crew

This award winning boat which is set to go to the nationals this week, was made up of eight fine oarsmen and a smart experienced coxswain.

In the bow seat was Larry Bernard, a senior who really pulls more than his weight; Ray Chapman, a fine junior oarsman who sat in the number two seat; Frank Brunello rowed three and Ben DelPreto four. Robert Higgins and Jack Grober took middle slots five and six. Coxswain, Ray Morrison rowed in the seven seat and his compatriot, James Bade, did an outstanding job as stroke.

Bob Gilchrist, was the Coxswain, who quarterbacked the crew to their fine win.

Dr. Francis Bottone Will Open New Office In Town

Dr. Francis P. Bottone, formerly of North Arlington, announced the opening of his new office at 400 Washington Avenue.

Dr. Bottone is the nephew of the late Rev. Francis P. Mestice, former pastor of Immaculate Conception Church on Summer Avenue, North Newark.

A graduate of St. Benedict's Preparatory School, Newark and of Seton Hall University, South Orange, Dr. Bottone received his degree as Doctor of Medicine and Surgery at the University of Bologna, Italy. He served his internship at Marlton Medical Center, Newark, and has been in practice for the past four years in North Arlington.

On Schedule At New High School

Every visit to the site of the new high school continues to amaze the sidewalk engineers. At right center stands Dr. Frank M. Durkee, who makes periodic checks on the new structure; clerk of the

works Joseph Lewis; and Dr. Frank DiRuggiero, who goes out to the construction every day for a first hand look at progress. Lewis says the pile-driving is two weeks ahead of schedule. (Photo by Gordon Adams)

Fersko's Forecast

Belleville High School athletes have a long hard week ahead of them, and they will really have to go some to move forward and do better than they did this past winning week.

At a quick glance there is the State Tourney Golf Match on Monday, and an Interscholastic Match with Columbia tomorrow. There is also an away match with Nutley on the 27th. In J.V. baseball there is an away game today with Kearny and another one Saturday with Orange.

Monday the J.V.'s will play the season's second game against Clifford Scott. The varsity baseball team will have only one fight this week and that is an important Big Ten Conference game with the Orange Tornadoes.

The crew fresh from a big victory at Poughkeepsie will have even more to shoot for this week when they travel to Princeton on May 24-25 for the National Schoolboy Rowing Championships.

Last—but not least—comes track and they have an important meet today with the Irvington Campers at Irvington.

As far as Saturday's baseball game is concerned I pick Belleville as a strong favorite. The Tornadoes, although having a fair season, should not be able to withstand the pitching of strong lefty, Ray D'Atorio, and the fine hitting attack of Belleville's strong bull pen battery. If Belleville continues to rolloveropponents with such increasing momentum, they should easily crush Orange's laurels and gain another Big Ten victory.

The Grammar school leagues will also play this Saturday with

School No. One faint No. Nine. Seven vs. No. Three. No. Five vs. No. Four and No. Eight vs. No. Ten. Schools One, Nine, Seven, and Three will play at 9 a.m., while Schools Five, Four, Eight and Ten will play at 10:30 a.m.

The track team will only engage in one meet this week and that is today's joustle with the Irvington Campers at Irvington. The Campers will be tough. They have a good all around team and will be well-seasoned and ready for the meet. In all probability this meet, like Nutley and Bloomfield, will be nip-and-tuck and the winner will only be the team that exerts a maximum effort.

As I said earlier the crew will journey to Princeton this week for the National Rowing Championship. This meet which is on Friday and Saturday is open to all schools in the United States and Canada. Belleville won the National Rowing Championship in 1954 and came in second in 1956.

Last year, the crew came very close to victory but ended up sixth when one of the seats in the boat came off its rollers. This is a big race and Belleville will be one of the nation's big threats along with those familiar powerhouses, Washington and Lee, Washington High School of Seattle, Wash.; and St. Catharine's from Ontario, Can. If the Belboys can get a good start and keep a good body with a quick finish, there may just be another National Trophy in Belleville High School next Monday morning.

Map Page Winner Recognizes Pal

Robert Robbins, 28 Tremont Avenue, became the latest winner of The Times Map Page Contest when he found a picture of his friend, Ira Share, sitting at a table in Ahavath Achim during Seder recently.

He hurried into The Times office bright and early last Thursday morning to become the first to correctly identify the boy. Ira had been getting some religious instruction.
