Going ....

Going ....

Going ....

Photos of the \$300,000 fire which razed the Belleville Roller Rink at 701 Washington Avenue, last Thursday, show the billowing black smoke and flames that skyrocketed up from the building shortly after the fire started. The

crowd attracted by the fire in mid-afternoon is just beginning to gather in the photo at left. In the center photo, firemen attempt to control the raging flames with a single hose which did little, if anything, to dampen the wind-whipped

fire. In the photo at right, the firemen scampers for safety as the tar-covered roof gives up the struggle and starts to drop into the flames below. One of the firemen injured his back, and was treated along with 10 others at Clara Maass Mem-

orial Hospital, in the leap from the roof to the ground seconds before the roof collapsed.

Photos by Kondreck Photographers.

## Voting Record Delayed

Due to the space required to give complete picture coverage to the \$300,000 Belleville Roller Rink fire, the final installment of the Council Voting Record will not be published this week.

The final installment, covering the May and June meetings of 1963 will be printed in the September 26 issue of the Times-News to complete the record of the first year's voting of individual councilmen since the change to the Manager-Council type of government.

The Times-News is printing the complete record as a public service, believing that many of its readers are not completely familiar with the voting records of individual council members.

## O'Connor Urges Approval Of Fire Equipment Plan

Bernard O'Connor, candidate for the At-Large Council vacancy to be voted upon at the November election this week called for approval of the Town Manager's proposal to purchase new fire fighting equipment.

"Events of this past week clearly indicate an emergency need for modern fire fighting equipment to replace the disabled, outmoded, antiquated fire trucks. Our need is desperate," said O'Connor, the first announced candidate for the Council vacancy created by the July 1 resignation of Thomas P. Greco. The unexpired term runs to July 1, 1966.

"The fire which consumed the

Belleville Roller Rink could have had disastrous effects but for the help given our boys by the Newark and Nutley fire departments. It is nice to know that our neighbors to the north and south are willing to come to our assistance in our hour of need but I do not believe we should take this factor into consideration in appraising our own needs.

"While observing the fire in progress at the roller rink Councilman James Golden said, 'We don't have to spend any money for new equipment, we have Nutley and Newark that will come to our rescue.' This attitude on the part of an elected public official is sheer nonsense. If elected I pledged to the people of Belleville that I will work constantly to modernize our fire department. This I plan to do for the safety of our residents, as well as our gallant firemen whose lives are in danger every time they answer an alarm with the 26 year old fire equipment," declared O'Connor.

The ordinance allows police to order cars removed from most of Belleville's main streets when weather conditions, accidents, fires or public celebrations interfere with the free flow of traffic. The law is aimed primarily at snow removal.

Owners of automobiles who fail to comply will have to pay towing and storage charges, the council ruled, and 3-day jail sentences for violators.

The ordinance was recommended by the State Highway Department and was approved by Police Chief Charles H. McGinnis. Golden said the only solution to the snow-removal problem was alternate side of the street parking.

## Gone !!!

Wetting down the charred remains of the Belleville Roller Rink, after it was completely destroyed in a \$300,000 fire last Thursday, are Fire Captain Robert Shaughnessy and call men Bill Gilroy and Jim Lamotta.

## Burnett Asks \$110,000 Bond Issue To Purchase New Fire Equipment

Three days prior to the major blaze that destroyed the Belleville Fire Department, Town Manager John R. Burnett went before the Town Council and asked for a \$110,000 bond issue for the purchase of new fire equipment. The first reading of the proposal is expected Tuesday night.

Burnett proposed that the town purchase a new 85-foot aerial ladder, two 1,000-gallon pumper trucks and a secondary ambulance. Burnett, who originally made recommendations on May 28, urged the councilmen to meet with the fire chief and make a personal inspection of the fire equipment.

Burnett noted that the purchase of the equipment would not increase town taxes. "We are retiring sufficient bonds in 1963 to permit the bonding of the required \$110,000," said Burnett. He noted that the bonds could be paid off in the next 11 years without interfering with other needs of the community. "Even if the Council approved the proposal," said Burnett, "it will be another five or six months before we could get it. We would be lucky to get the new equipment by next May or June. Meanwhile we will have to operate by luck and by God."

Commenting on the \$300,000 blaze that destroyed the roller rink, Burnett lauded the firemen for their efforts. "The men proved they were good," said Burnett. "I was very happy

to see the skill and performance of the individual men. Even with inferior equipment they did a fine job in preventing the fire from spreading."

Burnett estimates the new 85-foot aerial ladder would cost the town about \$40,000 and set the expected price of a secondary ambulance in the neighborhood of \$6,000.

## Aerial Ladder Washed Out

The Belleville Fire Department's aerial ladder truck is completely out of service. Deputy Fire Chief William Fabian said yesterday. "We were coming back from a stove fire on White Oak Terrace when the mast gave out and we had to push it back to the garage," said Fabian. The Deputy Chief said Nutley, Bloomfield and Newark departments have been alerted and the closest department to a fire where an aerial ladder is needed will respond to the call. He noted, however, that when an aerial is needed it is usually in a hurry at the start of a fire and with the need of using other towns equipment the loss of time could be dangerous.

## Roller Rink Razed By \$300,000 Blaze

By RUDY NEUMAN

The charred ruins of the famed skating rink are being sifted for clues to the cause of the estimated \$300,000 fire last Thursday.

The fierce-wind-whipped blaze destroyed the large dome-roofed roller rink on Washington Avenue and caused considerable damage to an adjacent bowling alley. Eleven Belleville firemen and one policeman sustained minor injuries while fighting the fire which consumed the landmark structure.

Belleville firemen along with nearby Nutley poured on tons of water in a futile attempt to save some of the one-story building. Damage was estimated by Belleville Fire Chief Carl Hundertpfund at approximately \$300,000. Other officials believed it would be higher. The rink is insured for \$100,000 by owner William Mishkind of 31 Jacobus Avenue, Wayne.

The roller rink, which had been erected at the turn of the century, had been renovated several times before Mishkind bought it some 35 years ago. The owner just completed redecorating the inside for its re-opening date scheduled for September 24. It had been closed for five months.

The Belleville fire alarm went on at 2:46 P.M. Thursday and firemen quickly responded to the building located on 701 Washington Avenue.

When the blaze started, more than 150 persons were evacuated from the Olympic Bowl, a bowling alley only a stone's throw away from the rink. Firemen quickly ordered out the excited emergency, of which 20 were children.

"There were yellow flashes coming from center of the building with huge puffs of black smoke," Chief Hundertpfund said. Belleville firemen immediately called Nutley to aid when the brisk breeze shifted the blaze in the direction of the bowling alley on the north side of the structure.

Hundertpfund disclosed that there were so "much consternation" that it was impossible to detain the mass flames bursting from the west side of the tar-coated dome roof.

"It would have been impossible for us to keep the blaze under control with our equipment," Hundertpfund stated. "Nutley did a heck-of-a job for us. Their light truck stayed until midnight to watch."

## Notes Equipment Failures

FIRE CHIEF CARL HUNDERTPFUND

control. Homes in the immediate area were evacuated. People in the rear of the building were pouring water from their garden hoses onto homes for protective purposes.

The Westinghouse factory across the street was also in danger for awhile. Personnel from the concern were sprinkling down tanks and building due to the tremendous heat waves.

Three cars in a nearby parking lot were destroyed and another on Main Street, approximately a quarter of a mile away was searched, police disclosed. "Firemen prevented the spreading of the blaze by wetting down the bowling alley. But the heat managed to scorch the south section of the shingled roof and parts of the far side were burned with windows shattered.

At its height, the rink fire generated a smoke cloud that completely obscured the flames and could be seen in East Rutherford six miles away.

Every available fireman and policeman from Belleville was rushed to the scene and neighboring departments (Nutley and Newark) sent in men to back up the limited fire fighters.

The fire was declared under control at 4:45 after Newark Fire Co. No. 2 was summoned for precautionary purposes at 3:12.

## Two Trucks Fail at Fire

Two fire trucks broke down last Thursday while fighting the \$300,000 blaze that razed the Belleville Roller Rink, Fire Chief Carl Hundertpfund said yesterday.

"Our aerial broke down soon after we put it into position. The jacks which stabilize the vehicle when it is in operation and prevent it from tipping over broke from metal fatigue," said the Chief.

"One of our pumbers lasted 24 hours before it also went out of action," Chief Hundertpfund said. "The valves jammed, the fan belt broke and a generator fell off." The men were still trying to use it but I had to order them to stop before it became a total loss."

Chief Hundertpfund extended his thanks to all of the agencies who volunteered their help, especially the Nutley Fire Department.

Cleanup Week Set  
Ralph A. Vara, director of the Department of Public Works, has announced that a Cleanup Week will be held in Belleville beginning September 30.

(Continued On Page 4)

## Map Campaign for Council Seat

Anthony De Feo (left) is the general campaign manager for Bernard E. O'Connor, who will seek the vacant council seat in the November 5 Election. O'Connor announced De Feo's appointment yesterday.

## O'Connor Appoints DeFeo To Aim Council Campaign

Bernard E. O'Connor yesterday announced the selection of Anthony De Feo of New Street as

his General Campaign Manager for the Councilman at Large seat in the November 5th election.

In his statement Mr. O'Connor said: "I requested Tony (De Feo) to join with me in this election campaign because I've known Tony for a number of years and know of his long interest in the affairs of our community."

"De Feo is a life-long resident of Belleville who with his family have lived in town over 40 years. His parents, Mr. and Mr. Vin De Feo and sister, Edith, also are long time Belleville residents. Anthony attended local schools and after graduation from high school was employed by his father owner of the "Star Fire Works." Today, De Feo is a full partner in the business."

During the war De Feo served with the U.S. Signal Corps and was stationed in the Aleutians and Alaska.

De Feo is married to the former Ida E. Cochia and they are the parents of four fine sons, Mich-

ael, John, Alan and Wayne. Anthony attended Rutgers University receiving his degree in Marketing.

De Feo served his community in various charity drives as well as belonging to such well-known clubs as the Knights of Columbus, Belleville 835, the Citizens Committee for Education and is President of the Belleville Political and Social Club.

De Feo served his community in various charity drives as well as belonging to such well-known clubs as the Knights of Columbus, Belleville 835, the Citizens Committee for Education and is President of the Belleville Political and Social Club.

## Paglia Names Campaign Manager

Peter J. Paglia of 70 Malone Avenue, Belleville, a candidate for the open seat on the Town Council has announced that his campaign manager is Mrs. Antoinette "Toni" Marone of 89 Linden Avenue, Belleville.

Mrs. Marone has been active in many community affairs. She is past president of St. Mary's Rosary Society, a past officer of the P.T.A. School 3, Belleville. She is a member of the Catholic Daughters of St. Mary's Church and the National Council of Catholic Women. Mrs. Marone is a Trustee of the North Essex County Child Guidance Clinic, Adjutant for the Women's Auxiliary D.A.V., and a special committee chairman for the Tri-Town Business and Professional Women's Club.

She is married to Angelo N. Marone, and has two daughters attending the Belleville Schools. Mr. Marone is affiliated with Major Excavating Corporation of Belleville and East Rutherford.

Mrs. Marone has stated "We are not affiliated with any group or any movement."

## Vets Committee Sets Dinner September 30

The Essex County Veterans Ticket Committee, announced today, that their endorsement dinner will be held September 30 at 7:30 p.m. at the Biase Restaurant located at 451 Bloomfield Avenue, Newark N. J.

Edward Simandi will preside and more than 350 veteran delegates representing every municipality in Essex County will attend, and select their "veterans choice" ticket for the November 5 election by a secret ballot.

The vets from Belleville will be headed by Chairman Vincent Vecchione who has reserved a table for ten veterans. Simandi said all veterans will have to have an official invitation to be admitted to the hall. When this invitation is presented at the door, the veteran will receive a ballot and a dinner check, also a refreshment check. He will hear speeches from the floor for and against the candidates. He will not cast his ballot until after the speeches and a report from the veterans screening committee.

When the election committee has finished counting the ballots and the tally is announced for a State Senator, nine assembly-

men, three Freeholders and a "veterans choice" slate will be made, said Simandi. The ladies Auxiliary will start at one with their telephone squad calling people to ask for their help and their vote for the "veterans choice" ticket. This, said Simandi, is a very effective project both in obtaining support and also getting the pulse of the people as to how they really feel toward your candidates.

The vets will also discuss the \$750,000 bond issue and also vote by secret ballot as to how they stand on it.

The committee consists of Edward Barry, Irvington; Ralph D'Amboia, Newark; Vincent Vecchione, Belleville; Wilbur King, Bloomfield; Douglas Coffey, West Orange; James Palmieri, Orange; Carl Tompeck, South Orange; Roy Walker, Roseland; Anthony Bisse, Caldwell; William Butler, Montclair; Joseph Aronoff and Cliff Day, Irvington; Thomas Kepp, West Orange; John Brown, Columbus Johnson, Samuel Sachs, Marlboro Goodman, George R. Sommer and Jack Smith, all of Newark, and Anthony E. Grasso, Livingston.

## Mrs. Malley Heads Variety Show Unit

Mrs. Edna Malley of 12 Smallwood Avenue, Belleville, secretary to the Clara Maass Purchasing Agent, has been appointed to the chairmanship of the hospital's costume committee of the Variety Show to be staged Friday and Saturday, October 25th and 26th, at the Nutley High School.

Mrs. Malley, who has been with the hospital since 1938 comes well qualified for this important task. It is she who, with a staff of capable assistants, will assist in costume design and supervise the costume changes that will spell success for the show.

## Court Gratia C.D.A. Planning Bus Ride

Members and friends of Court Gratia 751, Catholic Daughters of America, Nutley have been invited to enjoy a bus ride to Patricia Murphy's Restaurant, on Thursday, September 26. Buses will leave from in front of St. Mary's Church, Nutley at 10 a.m. and return at 3:30 p.m.

Mrs. Roger O'Connor and Mrs. Joseph Gallagher are in charge of reservations.

## Draft Deferment Tests Suspended

The Selective Service College Qualification Test, used since 1951 to help local boards decide student deferment cases has been suspended. No test will be offered for the 1963-64 school year.

The suspension of the test, usually given in April, was announced by Colonel Donald A. MacGrath, State Director of Selective Service for New Jersey. The decision to suspend the test was reached by Director of Selective Service, Lt. General Lewis B. Hershey, because of the small numbers of students who have applied for the test in recent years, the State Director said. The score made on the test was made a part of the student's official Selective Service local board file. The score was weighed by the local board along with other information in deciding whether to defer a student.

## MORTGAGE MONEY WAITING...

## DeWitt Savings

FEATURES LOW-COST HOME LOANS TO MEET EVERY NEED

Whether you're planning to buy or build — or even re-finance your present loan — it will pay you to see De Witt first!

With more than \$20 million in assets, De Witt has ample funds available and at terms that can help ease the job of home ownership. Our service is prompt — with quick appraisals and speedy reports, and you get the commitment in good time to "button up" the transaction.

REMODEL, REPAIR OR IMPROVE YOUR PRESENT HOME with the help of an easy-to-handle Home Improvement Loan from De Witt. You can borrow up to \$3,500, with repayments spread over 60 months if needed.

## Ten Little Book Worms

FINAL REWARD: These youngsters were awarded certificates at the public library for their summer reading. From left to right are: Gary Thaller, Susan Winslip, Marcia Osborne, Linda Osborne, Donna Osborne, Donna Rainone and James Dahlquist. Others winners not pictured are John Ewing, Mark Karrin and Nancy Tripp.

## Deadline on Petition Return Set Saturday at 4:30 P.M.

Nine men interested in filling the vacant seat on the town council have until 4:30 P.M. Saturday afternoon to return their signed petitions to the town clerk in order to be placed on the November 5 ballot.

Town Manager John R. Burnett said yesterday that no one has returned their petitions as yet. He said the town office will remain open until 4:30 p.m. Saturday to receive the petitions.

Frank Scarpelli of 153 Passaic Avenue, became the ninth man interested in filling the seat, vacated by former councilman Thomas P. Greco. Scarpelli took out his petitions Monday.

Two other late entries in the vote derby are Tommy Colatrachia, former campaign manager for

Thomas P. Greco, and Joseph Sooy.

The other six entries are Peter J. Paglia, Patrick Greco, Michael Maglio, Bernard O'Connor, Nicholas Raimo and John Bass.

All except Bass announced their intention of running for the vacancy. Bass said he would make a decision on entering the contest after he sampled public opinion while having his petitions signed.

The Belleville Town Clerk's office will be open nights Monday through Thursday, September 26, from 6:30 p.m. to 9 p.m., to register Belleville citizens.

Registration is also available during regular hours of business in the Town Hall from 8:30 a.m. to 4:30 p.m. Mondays through Fridays.

## 10 Children Receive Gifts From Library

Ten Belleville youngsters were awarded certificates at the public library September 3 upon their successful completion of the library's summer reading program.

Donna Rainone, a third grader, and Gary Thaller, fifth grader, each were awarded a book as a special prize for having done the most summer reading. Both Donna and Gary read and reported on a total of 62 books during the course of the program.

The program itself was built around the theme "Books to the Moon" and required the young readers to read twelve books in order to accomplish a round trip to the moon. Each child's progress was recorded throughout the summer on a large representation of the earth-moon voyage kept on display at the library.

## Two Belleville Men Elected to Hall of Fame

Edward Hollweg, 72, of 228 Branch Brook Drive, and John Cullen, 82, of 22 DeWitt Avenue, both of Belleville were among 17 oldtime athletes elected to the State's Oldtime Athletes Association's Hall of Fame, September 19.

The 17 former athletes were proposed to the membership by Andrew Dempsey, president, after a committee screened 62 candidates for the honor this year.

The new members will be inducted into the Hall of Fame October 24 at the Coronet Restaurant in Irvington, N. J. Judge Herman Hillenback will serve as toastmaster. More than 500 persons are expected to attend.

Hollweg was elected for baseball, basketball, track and football. Cullen was selected for baseball and basketball.

### Begins Training

MILTON, FLA. (EHTNC) — Navy Ensign William G. Kelly, Jr., son of Mr. and Mrs. William G. Kelly of 22 Van Riper Pl., Belleville, N.J., recently reported to the Naval Auxiliary Air Station Whiting Field, Milton, Fla. as a student naval aviator. While at Whiting he will undergo training in the single-engine propeller-driven T-28 "Trojan" trainer aircraft. This plane is comparable in performance to the fighter aircraft used by the

## School Aide Fined \$100

Joseph Barrett of 185 Tappan Avenue, a Belleville Board of Education employee, was fined \$100 in Municipal Court last Thursday night on a charge which stemmed from a dispute with Patrolman James P. Brett at the July 4 fireworks display at Municipal Stadium.

Barrett was charged with assaulting an officer and taken to police headquarters where he filed a counter complaint. Both charges were dismissed by Magistrate Edward J. Abramson. At headquarters police said Barrett punched a hole in a plaster-board wall.

Barrett was fined \$100 on a disorderly persons count and was ordered to repair the hole at his own expense after he was found guilty.

**Faces Bigamy Count**  
Richard Pizzuti, 26, of 39 Llewellyn Avenue, Bloomfield, was ordered held for Grand Jury action and was released on \$1,000 bail by Magistrate Abramson in Municipal Court.

Pizzuti, an auto supply clerk, is charged with illegally marrying Alice Kelleher, 20, of 347 Main Street, Belleville, in February 1962. They have one child. Police said Pizzuti is also married to Winifred Pizzuti of Bloomfield, who he wed on May 28, 1960. They have two children.

**Held on Entry Count**  
Samuel Harvey, 20, of 99 Mary Street, Belleville, is being held in lieu of \$3,500 bail on a break and entry charge in which he reportedly stole a revolver.

Harvey was picked up by Patrolman Robert Russon after a phone call notified police of a suspicious character was prowling around Fairway Avenue last Thursday afternoon.

Under questioning the youth admitted entering the home of Mr. and Mrs. S. J. Mancinelli of 111 Fairway Avenue, and taking a gun.

### Narcotics Count

James McAllister of 67 Devine Street, North Arlington was sentenced to one year in the Essex County Penitentiary on a disorderly person act involving being under the influence of narcotics. Magistrate Edwin J. S. Joerg of Nutley, sitting in for Magistrate Abramson, sentenced McAllister to serve four months in custody and the remainder on probation.

## Councilman Golden Speaks Up

Last week we printed a letter from Councilman James R. Golden in which he makes certain false accusations and fails to answer the questions raised in a previous editorial regarding his free telephone and the question of "rigged specifications."

Golden alleged that his "letters to the editor" find their way into the waste basket. Any reader of The Times-News knows Golden's allegation is a lie. Since the publisher of this newspaper assumed ownership in 1959 there have appeared in this newspaper more statements and letters from Golden than any other single contributor.

Some letters Golden has sent in have been contained material considered to be libelous and therefore unprintable. Except for these occasions Golden's letters have been published.

Golden — and Golden alone made a big issue during the campaign last year that he would put an end to free telephones that were assigned town employees under the old Commission government. Today, Golden has a free telephone paid for by the same Belleville taxpayers. And while on this subject we should like to know if the taxpayers have been picking up Golden's expense for his long distance telephone calls too? Despite the length of his letter Golden failed to explain why he needs a telephone at home paid for by Belleville taxpayers.

Golden also complained because we suggested he was inconsistent respecting town purchasing specifications. When Golden was assuming the self-proclaimed role of town critic prior to his election he attacked the former commission for purchasing vehicles on specifications tailor-made for one vendor. At the time Golden labeled the specifications "rigged specifications."

Town critic Golden last July became Councilman Golden, and boy what a change! As a member of the Town Council this summer Golden heard former Councilman Thomas P. Greco characterize the specifications for eight police cars as "rigged specifications." The conditions were identical to those existing when "town critic" Golden leveled the same charge at the former Town Commission. When Greco complained of the "rigged specifications" Golden came to the defense of the specifications.

With Golden it is apparent that when

he was bucking for a seat on the Council he didn't mind using the term "rigged specifications." As a Councilman the very same set of facts apparently assumed a different coloration. Oh well, that's the way it is with some politicians, promise anything to get elected.

Golden objected to the editorial which recited the above facts and in his letter he wants to know why we didn't go to the Prosecutor's office if we thought there was something wrong with the bidding procedures. In this regard we simply want to remind Golden and our readers that the term "rigged specifications" was originally used by both Greco and Golden, with Golden the local inventor of the term.

Golden also complained that we editorially said that he pushed the \$3,000 raise for Ralph Vara, Director of Public Works and Affairs. Golden says, "the vote for Vara's (\$3,000) raise was 5 for it, none against. In view of this, again I ask, why does the paper's publisher pick upon me?"

Fair question Mr. Golden. Why did we single out Golden with respect to Vara's \$3,000 raise? Simple. It is and has been Mr. Golden alone of all the Councilmen who constantly parades before the people of Belleville a lot of tripe about how he is for economy and holding down expenses at town hall. It is a fact that a majority of Councilmen were inclined to consider a raise much less than \$3,000 for Vara — and it was Golden who travelled the four corners of Belleville telling one and all that he, Golden, would insist upon a \$3,000 raise for Vara. Golden's recollection of the vote for the Vara raise, incidentally is wrong. Councilman Greco voted against the raise. Golden prevailed upon three of his colleagues to vote the higher raise.

Golden's letter to the editor was more than 20" long. Despite its length Golden remained strangely silent regarding his implied promise to work as a Councilman for \$1 per year. Of course, here again it was a Golden campaign promise. But what of his performance? Golden tried with all the means at his command to induce Deputy Mayor G. George Addonizio and Councilman Thomas Greco to vote a \$2,500 salary for Councilmen. He had to settle for \$1,500. Was this in keeping with Golden's campaign oratory?

As a candidate Golden made promises he failed to honor as an elected public official — all of Golden's double talk notwithstanding.

## The Council Vacancy

Former Councilman Thomas P. Greco resigned from his Council seat July 1st and ever since Councilman James R. Golden has been busy playing politics with the vacancy.

Even before the ink was dry on Greco's resignation, Golden had three candidates for the post. Golden's original choices to fill Greco's former seat were: former Commissioners Harry Sullivan, Nunzio Pico, and Kenneth Smith. Golden said these men should be given priority to fill the vacancy since they were the runners-up at the At-Large election last year. For some unknown reason Golden dropped the three hot potatoes and began shopping around for other names despite the fact that the remaining three members of the Town Council made a public statement that they intended to keep the vacancy open for the people to fill at the November election.

Golden has sponsored the name of Patrick Greco. Tom's older brother. Now Golden has brought up the name of Joseph Sooy, his former campaign assistant.

Both Greco and Sooy are life long resi-

dents of Belleville and are worthy individuals. Patrick Greco is eminently successful in the construction field. Most of the large commercial buildings in Belleville were built by Pat Greco. 25 year old Sooy is associated with his father in the electrical auto repair business.

All of the men that Golden has advanced, Sullivan, Smith, Pico, Pat Greco and Sooy are fine Belleville citizens. Four of the five were rejected by the voters of Belleville. Sooy losing out in the preliminary election for the First Ward Council post last year.

Golden says he believes the Council is under obligation by law to fill the vacancy immediately.

Golden could make the same point by staying with the original names of Harry Sullivan, Nunzio Pico, and Kenneth Smith. These men were not rejected by Golden's colleagues. Whether or not such action on Golden's part would serve his personal agendas of course may be another matter.

It may be the multiple nominations is another way for Golden to have "fun" at Council meetings.

McGonigle, Ted DeGrosso, Fred Tripp for puncture wounds; Capt. George Meyer, Tom Murphy and Tom Smith for first and second degree burns; Capt. Nicholas Berrigan and fireman Richard Torrey suffered burned necks. Leroy Delgrano, Tom Caruso and Mike Fortino were treated for physical exhaustion. Frank Arena and Ed Halvick sustained cuts hands while Capt. Joseph Thalheimer received treatment for a punctured foot.

Florida is the largest state, and the 10th state, in the nation to adopt reflective license plates. The plates, to be used in 1964 and hence, will cost the state's motorist.

Others were firemen Edward

## FALCO SHOOTING DEFENDED BY POLICE AIDE

To the Editor, Times-News:

After listening to recent news-casts, perhaps it would please the officials of the American Civil Liberties Union, if the Police Officers that went to the room where Frank Falco was staying, after murdering two Police Officers in cold blood, without reason, without provocation, went there, UNARMED, COMPLETELY OFFGUARD, without any thoughts for self preservation should Frank Falco be ready and waiting for any Police Officer to come knocking on his door, and if these same officials could hear an arrest of this type, be made along these lines, and in this fashion:

Mr. Falco, I'm Police Officer John Doe, badge No. 561, it is my understanding, that through some misunderstanding of the testimony given by eyewitnesses, you are wanted for murder. I want you to know that I don't want that you could deprive children of their father, a wife, her husband, and subject them to a lifetime of mental anguish, and also deprive another man, not yet a Police Officer, of his life, make a mother lose her most treasured possession, her son, and to deprive a sweetheart of her future husband. Being a Police Officer for many, many years, and under the circumstances and evidence produced, I know this could all be a lie, as you can readily see, I stand before you, in fact of all the evidence, and not be fearful that you also blow mine and my colleagues brains out. I am informing you of your rights as an American killer and gangster. Will you please submit quietly to an arrest, so we can all go down to the station house, and clear up this misunderstanding between you, the people, and the Police."

Let me say to anyone who reads this article. I am not speaking to you as a Police Officer, but as a fellow citizen, a fellow American. Let us look at the source where these charges emanate from. When a man such as this is caught, what do we hear, and from who? But when a Police Officer dies in the performance of his duties, what do we hear? Nothing. Do these same organizations cry out in his defense? Leonard F. Kowalewski-President Essex County Lodge No. 12 Fraternal Order of Police c/o 56 Monticello Ave. Newark No. 6, N. J.

## FURTHER INFORMATION NEEDED ON TAXES

To the Editor, The Times-News: Copy of Letter to Mayor Dear Mayor Laterza:

The September 5th, 1963 edition of The Belleville - Times News, under the banner headline, "HOMEOWNERS' TAX INCREASE EXPLAINED," Town Manager Notes Inconsistency," stated, "the seeming inconsistency was explained by Burnett in a letter to Mayor Robert M. Laterza, which letter was made public to the press."

The letter, as it appeared in The Belleville - Times News, was an explanation (to owners of one and two-family buildings) of the "inconsistencies" in their 1963 tax bills, needs further explanation as to the apparent inconsistencies in the publishing of same. Surely, Mr. Burnett, our Town Manager, did not compound his message as it appears in the local press. I refer particularly to part of the paragraph, "where a property owner had received a \$500 assessment reduction, either as a veteran or senior citizen, or a "combination" thereof, an additional increase of \$27.30 would occur, because the \$8.82, the tax payment required exemption allowed a taxpayer \$44.10 while the same amount applied to the \$3.36 rate only allowed \$16.80."

I believe that only the veteran property owner received a \$500 assessment reduction, the senior citizen, i.e., persons over 65, an \$800 assessment reduction. Where Mr. Burnett states in his letter to you, "or a combination thereof" it is not at all clear if the "combination" meant \$1,300 in assessment exemption was mentioned. This, therefore, would require explanation.

A veteran in 1962 received an exemption of \$44.10, (\$8.82 per \$100 on his bill) on his mythical \$500 building. Based on the 1963 tax bill of \$3.36 his "loss" is, as Mr. Burnett states, \$27.30. Where both the husband and wife are veterans \$500 each of \$1000 is the allowable assessment exemption. Their "loss" in exemption dollars in 1963 is \$54.60. Senior citizen's "loss", however, is

## UP SPEAK

greater. Based on the \$800 allowable assessment reduction, in 1962 his tax credit was \$70.56 and in 1963 on the \$200,000 house, \$3.36 tax rate, his tax credit only \$28.88. His "loss" over 1962 is \$41.68.

Inasmuch as you thought it necessary to make public to the press Mr. Burnett's letter to you, might it not have been timely for either yourself or our Town Manager to have reminded the veteran and senior citizen that in November they should not forget to vote on the referendum on fixed dollar amounts to be deducted from their tax bills in place of the \$500 and \$800 respectively granted them now on the "true value" assessment of their property, land or building. The publishing of the letter was made especially for the veteran and senior citizen, without doubt.

Senior citizens are not always familiar with changes in tax laws, nor up-to-date on decisions of the New Jersey Supreme Court, nor the effect these rulings might have on their fulfilled dream, the little one-family family home, the harvest of their days of labor. A clear and positive statement by you or Mr. Burnett, when the letter was given out for publication could have followed the contents of the letter, explaining the decision of the Supreme Court required that exemptions be calculated on full "true value" of their property rather than the assessed value, the true value that this decision had the effect of lowering cash value on the \$500 or \$800 exemption granted them previously on the assessed value. You might have explained to them that all this may be changed by their vote in November, in the oldsters' case, to \$80 cash deduction and to the veterans' \$500 cash credit on the total of their respective tax bills. A combination of both thereof might mean \$120.00 or more on their tax bill.

Now, to the rest of the letter explaining inconsistencies, it does not seem correct that Mr. Burnett make the comparison using the \$8.82 tax rate of 1962 and the \$3.36 rate of 1963. Again, as his letter to you surely was meant for publication for the "little people" in their one-family houses, these little people may be interested in how uniformity is achieved. They question, only, the comparison of their tax bills one year over the last. An \$8.82 tax rate on the house assessed

at \$7,200, which everyone, no doubt, thought meant 40 per cent of the building's true value, and now turns out to be 36 per cent, amounted to \$2,603.04 in 1962. Based on the 100 per cent true value the tax rate appears as \$3.175 for 1962 on the \$20,000, \$635.00 total tax. Also, to further this mumbo jumbo, a tax rate of \$3.36 in 1963 on the \$20,000 house does bring the total tax bill to \$672.00 as stated in Mr. Burnett's letter to you, but a rate of \$9.34 tax rate on the \$7,200 36 per cent assessment amounts to about the same, \$672.48. Thus, in theory, our 1963 tax rate increased about .513 points over 1962, or \$36.94, for the little one family taxpayer. In his letter to you, Mr. Burnett states \$36.96 as the increase over 1962 and the .513 point increase multiplied by the \$7,200.00, is \$36.94. The increase in points based on the 100 per cent assessment, .185, about \$37.00, the difference between \$3.36 for 1963 and \$3.175 for 1962. Again, this is for the little one family tax bill. A .513 increase over 1962, hidden so a Philadelphia lawyer couldn't find it and it actually took the council many months for the figures to be given out for the one-family owners.

In closing, I quote from the Newark Evening News, November 1962, "the increase in tax dollars collected from persons over 65 and veterans may prove to be considerable."

The Essex tax rolls carry exemptions for more than 45,000 veterans and 16,000 oldsters."

East Orange Director of Taxation, Mr. Wilson, estimated that his city alone would pick up an

additional \$40,000 to \$50,000 as a result of the dilution of exemptions. How did Belleville's taxes increase in collections because of

this assessment change in 1962 very truly yours, (Mrs.) Norman S. Hood 66 Fairview Place,

## New Chemical Phenomenon Makes Basements Water-Tight

Newark, N.J. (Special)—About the worst problem there is in connection with houses is water in the basement. There are so many complaints about this condition and it is so well known nationally, that the house with a wet condition beneath is very hard to sell and almost impossible to rent. Wet basements are a menace to health and could well be a breeding ground for dreaded disease germs.

Some years ago there was not much that could be done to correct a wet cellar except dig down around the foundations and waterproof the walls from the footings up. In many cases this did not work, in spite of the heavy expense involved, because it is impossible to get under the cellar floor and waterproof that as well. Things have changed, however, and there is now available in the area an POLYURETHANE formulated coating manufactured by PROTEK-A-COTE, INC. that can be used inside the basement walls as well as outside on stucco, brick and asbestos shingles. The name of this product is PROSE-LON PT-100.

PROSE-LON PT-100 is manufactured by the makers of protective coatings for the Polaris, Taos and Minuteman missiles, as well as the Polaris submarines, highways, bridges, airports, missile bases, General Motors, Ford Motor Co., General Dynamics, Westinghouse, Republic Aviation, Grumman Aviation, Esso Research, ITT Telephone & Telegraph, Lehman Bros. Properties, Proctor & Gamble, Waldorf-Astoria Hotel, etc.

At first, PROSE-LON PT-100 was sold only to industrial and commercial users. This guaranteed product plugs up the pores of masonry and concrete blocks. Once it dries it does not shrink again, with the net result that the surface to which it is applied inside or outside becomes solidified and is almost indestructible. Basements that literally oozed water through every pore have been made as tight as a drum, with PROSE-LON PT-100's exclusive formulation, fortified with TYZOR and ZALBA, wonder chemicals from DuPont, coupled with LYVIOX 43, provides color stability, film toughness, abrasion-resistance and many other characteristics that, as a result of tests in DuPont laboratories, have proven an increase in film life of more than 20 times.

PROSE-LON PT-100 contains no cement, comes ready to use by brush and requires no masonry mixing or wetting of walls. Available in 12 colors plus white, clear, and is guaranteed in writing for 5 years. For a Limited Time Only, you can get \$1.00 off on a pint. Just \$74, instead of the Regular Price \$1.37. Protek-A-Cote makes this Special Offer to enable you to test PROSE-LON PT-100 for 30 days... and judge for yourself its wonderful value and performance. You must be 100% satisfied, or your Dealer will refund your money in full on this offer, cheerfully and immediately.

Note: Limited to ONLY ONE Trial Pint per family, with this ad. Clip this advertisement right NOW... while it's still fresh in your mind.

## BECK'S COLUMN

by MAX BECK

There has been a lot of griping about the quality of the TV programs, and this Column did a goodly share of it.

The writer is going to keep quiet for a while after what we have heard and seen during a sojourn to Europe this summer.

In the first place, one has to pay for the privilege of looking at TV or listening to radio. The charge in the Scandinavian countries is the equivalent of about \$1.50 per month. There is only one station operating in the largest cities. Unless there are special events, there are no programs during the day. Most of them start at 6 p.m. A large part of the programs is news and sports and most of the rest is, by our standards, as we would say "for the birds".

The pictures are good and clear. The prices of the things are considerably higher and we were surprised to find American picture tubes in a great number of sets. In this connection, we were surprised also to find mainly Westinghouse and General Electric washing machines in the Scandinavian countries and also some GE appliances, in addition to local manufacturers, of course.

Next week we are going to write about TV in some other countries in Europe.

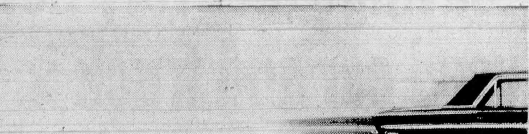

We service what we sell. NO 7-2275

## Rink Razed

(Continued From Page 1)

The blaze, which climbed wildly to the ceiling of tar papered roof, caused walls to cave in as the firefighters retreated from points on the roof.

At one point during the struggle, a sidewalk of the rink tipped, cutting off the water supply to firemen attacking from the parking lot.

Chief Hundertpfund said the fire "it could have been any number of things that touched it off. Possibly a default in the lighting fixtures or in the heating system started the fire."

Old pieces of wood and lumber that were stored in the attic portion of the building gave the fire chief disconcerting firemen kept the rink's roof wet down as long as possible before caving in. Eleven firemen were treated for burns, cuts and smoke inhalation at Clara Maass Hospital with Charles Avenue, the rink's one admittance to be used in 1964 and hence, will cost the state's motorist five cents extra.

## PERSONAL AND SOCIAL HIGHLIGHTS OF THE WEEK

## Wedding Trip to Miami Beach For The Samuel J. Falcones

The marriage of Miss Antoinette Sinopoli, daughter of Mr. and Mrs. Vincent Sinopoli of 90 Magnolia Street, Belleville, to Samuel Joseph Falcone, son of Mr. and Mrs. James Falcone, 60 Florence Avenue, Belleville, was solemnized Saturday afternoon September 14, in St. Anthony's R. C. Church, Belleville, by the Rev. Edward J. Scandone.

The ceremony, and the reception was held at Branch Brook Manor, Belleville.

Mr. Sinopoli gave his daughter in marriage. Her bridal gown of peau de soie was fashioned with imported French lace jacket with a detachable train.

A seed pearl headpiece in the shape of a flower held her bouffant veil, and she carried a bouquet of gardenias.

Matron of honor for her sister was Mrs. Pat Grosso of Belleville, and the bridesmaids included Mrs. Michael Davis of Newark, the bride's cousin; Miss Evelyn Ray of Belleville and Mrs. Philip Rispoli of Bloomfield.

They wore full-length sheath gowns of jade chiffon featuring chignon elbow length jackets with sabrina necklines and V backs flowing into chignon tails. They had matching headpieces with veils and carried light jade pom-poms.

The flower girl, Gina Ann Grosso of Belleville, niece of the bride, was dressed in light jade silk organza with sabrina neckline and full skirt with a bow in the back. She wore a light jade pom-pom crown and carried a basket of Fall flowers.

Ralph Cetrulo of Belleville served as Mr. Falcone's best man, and Robert Alfieri, Rocco Sinopoli, a brother of the bride, and David DeCarlo, the bridegroom's brother-in-law, all of Belleville, ushered. David DeCarlo, Jr., the bridegroom's nephew, was ring bearer.

Mrs. Sinopoli was attired in jade chiffon, and Mrs. Falcone chose light green chiffon. Each had matching accessories and a white orchid corsage.

The bride and bridegroom were graduated from Belleville High School. The new Mrs. Falcone is a secretary with Mutual Benefit Life Insurance Co., Newark. Her husband, a graduate also of Fairleigh Dickinson University, Rutherford, is a staff accountant with Peat, Marwick, & Mitchell, Certified Public Accounting firm.

Mr. and Mrs. Falcone will make their home in Lyndhurst when they return from a wedding trip to Miami Beach, Fla.

### Six From Belleville Enter Seton Hall U.

Six Belleville residents are among the freshmen entering Seton Hall University this fall. This is the 108th year for the Village institution.

The local residents are Richard J. Lorenzo of 101 Malone Avenue; Philip G. Gonella, 888 Union Avenue; John Budenas, 71 Bell Street; Christopher Lapata, 82 Melwex Street; Michael Pispello, 15 Leslie Terrace, and John Daddis of 19 Cottage Street.

## Mr., Mrs. Pat Libertell Will Honeymoon In West

St. Anthony's R. C. Church, Belleville, was the setting for the marriage of Miss Elaine Reboli, daughter of Mr. and Mrs. Dayno Reboli of 182 Montclair Avenue, Newark, to Pat Libertell, son of Mrs. Patsy Libertell of 29 North Belmont Avenue, Belleville, and the late Mr. Libertell.

The ceremony was performed by the Rev. Edward J. Scandone Sunday afternoon, September 15. A reception was held at Friar Tuck Inn, Cedar Grove.

Mrs. Nicholas Colonna of Belleville was her sister's matron of honor. Bridesmaids included Miss Ann Himmelberger of Newark, Miss Patricia Place of Nutley and Miss Phyllis Libertell of Belleville, the bridegroom's sister.

The bride was gown in white-peau de soie with sabrina neckline, elbow length sleeves and bouffant skirt ending in a chapel train. A seed pearl and crystal crown held her elbow length veil and she carried a prayerbook with orchids.

The attendants wore lavender nylon over taffeta with sequined necklines, three-quarter length sleeves and street length skirts with long overskirts. They had seed pearl crowns and carried lavender orchids.

Thomas Caruso of Belleville served as Mr. Libertell's best man. Ushers were Lebro Charles of Bloomfield, Dominick Vazquez and Carmen Viniero of Belleville.

The mother of the bride was gown in pink-peau de soie and the bridegroom's mother was attired in turquoise-peau de soie. They had accessories to match and corsages of white orchids.

The bride was graduated from Barringer High School, Newark, and is a machine clerk with N. J. Bell Telephone Co., Newark. Her husband, a Belleville High School graduate, is a systems technician with Friden, Paramus.

After a month's motor trip to California, the couple will reside in Bloomfield.

### Newark Museum Offers Arts Workshop Series

Registration for the Newark Museum's Arts Workshop Fall Series will take place from Monday, September 23, through Thursday, September 26. Applications for registration should be made prior to September 23 by phone, mail or in person.

Residents of Newark and non-residents are invited to join one or more of the five activities offered, which include painting, weaving, sculpture, experiments in printmaking and ceramics. The Museum is located at 49 Washington Street, Newark.

## Miss Mildred Rossi Marries In Saturday Afternoon Rites

Miss Mildred Barbara Rossi and Victor George Broccoli exchanged vows Saturday afternoon, September 14, in Our Lady of Mt. Carmel R. C. Church, Newark. The ceremony was performed by the Rev. E. A. Reilly and the reception followed at the Hotel Robert Treat, Newark.

The bride is the daughter of Mr. and Mrs. John Rossi of 475 Washington Avenue, Belleville; the bridegroom is the son of Mr. and Mrs. Victor Broccoli, 210 Jefferson Street, Newark.

Escorted by her father, the bride was gown in white-peau de soie with Alencon lace collar, long sleeves and fitted bodice. The full skirt and chapel train were trimmed with brocade.

A fingertip bouffant veil fell from a double pearl crown, and she carried a cascade of white orchids.

Mrs. Frank Rossi of Belleville was maid of honor, and bridesmaids were Mrs. John Rossi and Mrs. Salvatore Broccoli of Belleville and Miss Jean Kovalysek of Passaic.

The bridal attendants were gown in aqua chiffon cocktail length dresses featuring draped necklines, short sleeves and bell-shaped skirts. They had matching crown headpieces and carried aqua carnations with stephanotis.

The flower girl, Suzann Pudelski, wore an aqua organza street-length dress with puffed sleeves and matching crown. She carried Fall flowers in a basket.

Salvatore Broccoli of Belleville served as best man, and ushers were John Rossi, Jr., and John P. Rossi of Belleville and Joseph Broccoli of Newark.

Mrs. Rossi chose a beige chiffon over satin cocktail dress, and Mrs. Broccoli wore deep rose-peau de soie. Each had accessories to match and a white orchid corsage.

Mr. and Mrs. Broccoli are graduates of East Side High School, Newark. The bride is with Lincoln Mutual Insurance Co., Newark; her husband is a longshoreman in Port Newark.

The couple will reside at 7 Tappan Avenue, Belleville, when they return from a honeymoon in the Poconos.

MRS. VICTOR G. BROCCOLI

SOCIAL AND CLUB NEWS OF COMMUNITY INTEREST

Woman's Club Hat Show, Bridge, To Aid Research

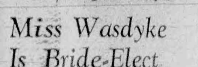

The Evening Department of the Woman's Club of Belleville is completing plans for a card party and hat fashion show to be held at Parillo's Restaurant, Belleville, Wednesday, October 23, at 8 o'clock. Hat fashions will be by Betty Claire, Belleville.

Proceeds of the affair will be the major part of the club's contribution to the Evening Membership Department's State Project, The South Jersey Medical Research Foundation. Every two years, all the Evening Membership Department members of the State Department of the Woman's Club select a project to which all departments will contribute, in addition to their usual community projects.

The South Jersey Medical Research Foundation is the project for the 1963-1964 year. A nonprofit research organization, it conducts research in medical science to provide the basic knowledge for tomorrow's victory over disease. Their present emphasis is on cancer research, especially in the study of viruses.

Plans for the affair are under the direction of Mrs. Frank D. Ambola, ways and means chairman. She will be assisted by Mrs. Walter T. Sincox, Miss Claire Boland, Mrs. Robert L. Osborne, Mrs. Salvatore J. Oliveri, Mrs. Warren Sheppard, Mrs. John W. Noonan, Mrs. Eugene O'Neill, Mrs. Robert Joiner, Miss Viola Weisseloge, Mrs. Paul Zehr, Mrs. Richard Drake, Mrs. Howard Beresford, Mrs. Merrill Hoover, Mrs. William Oertel, Mrs. Peter Primamore, Jr., Mrs. William Lapham, and Mrs. Arthur Bayard.

Engaged

Miss Margaret Wasdyke

Miss Wasdyke Is Bride-Elect

Mr. and Mrs. Ambrose P. Wasdyke, Sr. of 8 Tremont Avenue, Belleville, announce the engagement of their daughter, Miss Margaret Mary Wasdyke, to Dominick A. Vallo, son of Mrs. Joseph Vallo of State Normal Place, Jersey City, and the late Mr. Vallo.

A graduate of Belleville High School, Miss Wasdyke is a supervisory clerk in the Plant Department of N. J. Bell Telephone Co., Clifton. Her fiancé served with the Armed Forces in France and is presently a member of the Jersey City Fire Department. Both are active in the Twin Hickory SSK Club of Nutley.

The wedding date has not yet been set.

Clubwomen Have Pot Luck Supper

A Top Gluckebandini (pot luck supper) preceded a meeting of the Evening Department of the Woman's Club of Belleville last evening, Wednesday, at the clubhouse, 51 Rossmore Place. Following the meeting, a report was given by Jeanne Ferrer, on her attendance at Citizenship Institute at Douglass College in June. The sending of one or more high school students to Citizenship Institute each year is one of the club's projects.

The supper and program were under the direction of Mrs. Merrill Hoover, assisted by Mrs. William Oertel, Mrs. Warren Sheppard, and Mrs. Peter J. Primamore, Jr.

Joan E. Fuchs Has Shower For Cousin

Miss Joan Ellen Fuchs of 57 Prospect Place, Belleville, was hostess Saturday evening at a shower in honor of her cousin, Miss Linda Weller of Union City. Other members of the bridal party, Mrs. Judy Dougherty, sister of the bride-to-be, and Miss Lorraine Protin, were co-hostesses. Miss Weller and Donald Terrence will be married November 2 at Holy Family R. C. Church, Union City.

MRS. ROBERT VEROST  
Former Patricia Verniero

Miss Patricia A. Verniero Bride of West New Yorker

Miss Patricia Ann Verniero, sheath gown of crystal satin with jacket of Venetian lace. She had a matching cabbage rose headpiece with illusion veil and soft petals, and she carried a cascade of mums.

The attendants, Mrs. Bruce McCumber of Nutley, Mrs. Daniel Riordan of Belleville and Miss Andrea Grancagnolo of Belleville, cousin of the bride, were dressed in matching green empire waist sheaths and carried cascades of mums.

Edward Doran of Cliffside Park served as best man and ushers were Frank Verost of Saddle Brook, brother of the bridegroom, Charles Lorenzo of West New York, and Victor Colonesse of Guttenberg.

Mrs. Verniero wore pink-pearl de soie and Mrs. Verost chose tea rose lace with matching accessories. Each had a corsage of orchids.

Mrs. Verost, a graduate of Belleville High School, is employed by Tappin's Inc. Mr. Verost, a graduate of Memorial High School, is employed by Lever Brothers.

The couple will honeymoon in the Pocono Mountains and will return in Nutley upon their return.

Local C.D.A. Plans Bus Ride

The year's first business meeting in Court Santa Maria 61, Catholic Daughters of America, was held Tuesday, September 10, at Knights of Columbus Building, Belleville. Mrs. Stanley Akus, Grand Regent, presided.

A bus ride to Patricia Murphy's was planned as the first event of the season. Members and friends are invited to make reservations for the outing, which will be held Saturday, October 19, with Mrs. Anthony Moro, Mrs. Joseph Jeffers, or Mrs. Alex Nucci.

Albert Record Attends Leadership Conference

Albert Record of 259, Little Street, Belleville, President of the class of '66 at Newark State College, Union, was among the student officers of the college who spent four days, September 6 through 10, at a leadership training course at Sharpe Reservation, the Herold-Tribune Fresh Air Fund camp in Fishkill, N.Y.

The fourth annual leadership conference was attended by 52 students who were guided in the acquisition of the leadership arts by Newark State's Center for Laboratory Training in Human Relations.

**Peachy Chicken**  
Here's a peachy trick for beautifully browned chicken, either barbecued or pan-fried. Drain the chicken from a one lb. 13 oz. can of cling peach halves; add one to two tablespoons of soy sauce to syrup and bake chicken with mixture. Heat peaches in foil on the grill or in the pan during the last few minutes of cooking, brushing with the syrup mixture.

MRS. ANTHONY PRAVATA  
Former Geraldine Sisto

Baptist Church Is Setting For Pravata-Sisto Wedding

The wedding of Miss Geraldine Sisto, daughter of Mr. and Mrs. Rocco Sisto of 30 South Magnolia Lane, Newark, to Anthony Pravata, son of Mr. and Mrs. Joseph Pravata of 292 North Belmont Avenue, Belleville, took place Saturday afternoon, September 14, in Silver Lake Baptist Church, Belleville.

The pastor, the Rev. Benedict Pascala, performed the ceremony, and Albia Brunetto played the organ and sang. The reception was held at Ferrara's Hall, Newark.

Mr. Sisto gave his daughter in marriage. Her bridal gown of white chantilly lace was fashioned with scoop neckline, long sleeves and cathedral train, highlighted with sequins and seed pearls.

A chantilly lace crown trimmed with seed pearls and sequins held her fingertip veil, and she carried a Bible with flowers.

A graduate of Barringer High School, Newark, the bride is with Sobering Corp., Bloomfield. Mr. Pravata attended Belleville High School and is employed by N. and F. Trucking Co.

Mr. and Mrs. Pravata will make their home at 63 Lake Street, Bloomfield, when they return from a wedding trip to the Poconos.

Local Entrant Winner In National Contest

Lois Fawcett of 364 De Witt Avenue, Belleville has been selected as the winner of fifth prize a 10 X 24 Bilnor lawn pool in the Seabrook Farms' recent "Dreamboat" Contest, conducted in supermarkets across the country.

Contestants completed the statement: "I prefer Seabrook Farms frozen vegetables because..." in 25 words or less, in order to vie for the total of 1000 prizes.

JWV Auxiliary Will Open Season Tuesday

The Essex County Ladies Auxiliary, Jewish War Veterans, will meet Tuesday, September 24, at 8 p.m. at The Coronet, Irvington. Mrs. David Stollup of Belleville will preside.

Mrs. Moe Kemper, Past Department President and a member of the Essex County Council of Administration, was recently awarded the "Woman of the Year" trophy by the Department of New Jersey Ladies Auxiliary JWV.

**Kiddies Raise \$11.31 For The Handicapped**  
A group of Delevan Avenue children held a carnival Tuesday, August 27, for the benefit of the Sunny Fox Fund for Muscular Dystrophy. The youngsters who raised \$11.31 for the handicapped were Stephen Kenio, Frank Sebillia, Elaine Sebillia, Barbie Pusey and Kathy Gartin.

Games were played and prizes awarded. Refreshments were enjoyed by the youngsters and the neighbors who attended to help boost the receipts.

Tri-Town B.P.W. Readies Varied Agenda For Season

The officers and chairmen of committees making up the executive board of the Tri-Town Business and Professional Women's Club, Inc. of Belleville, Bloomfield and Nutley met Wednesday night at the home of Alice Fleming, of Pines Lake to discuss the business of the club year. Plans were made for 12 members to attend the State Board meeting Saturday, September 21, at the Ved Elva Restaurant, in Point Pleasant.

Mildred Spatz, president, announced that meetings will be held at the Park Methodist Church, Broad Street, Bloomfield again this year. Mrs. Everett Johnese, will serve as chairman of the card party to be held in April for the Flora Loudon Scholarship Fund and Miss Gwendolyn Strube, civic participation chairman, informed the group that her committee is

Hat Show Will Feature Annual Rosary Social

The annual Fall social of the Rosary Society of St. Mary's Church, Nutley, will be held Monday evening, October 7, at 8:30 o'clock in the school gymnasium. Highlights of the evening's entertainment will be a hat show by Betty Claire of Belleville, and the awarding of a gift certificate to a Newark department store.

Mrs. Wilbur Furlong, president of the Society, will preside at the business meeting, Mrs. Arthur Grutt, corresponding secretary, is chairman of arrangements, assisted by Mrs. Fred Lautenschlager.

The Rt. Rev. Msgr. James J. Owens is spiritual adviser of the Society.

Jane Wittek Enters Beaver Freshman Class

Miss Jane Wittek daughter of Mr. and Mrs. Leslie Wittek, of 83 Belmoor Street, Belleville, was one of 236 new students, representing 18 states, who arrived at Beaver College, Glenside, Pa. on Monday, September 16, for Freshman Week, an orientation period designed to acquaint the incoming students with the college program, traditions and campus.

Miss Wittek is a graduate of Belleville High School.

Add Chives Last

When you are adding chives to cottage cheese, mix them in just before serving for freshest flavor. The same rule applies to chives and cream cheese. Both cottage and cream cheese mixture are pleasant to serve with luncheon vegetable plates.

New Nest for A&F in Short Hills

**HOTEL El Convento**  
Old San Juan, Puerto Rico

Except that it's an experience you'll not find elsewhere, this side of the Atlantic. It's all the romance of the Spanish Caribbean in a sunny, scenic island. It's an atmosphere quiet with efficiency and subtle with excitement. It's a light-hearted blend of string quartet or flamenco guitar, Chateaubriand or cocktails, torch song or madrigal. You'll laze by a swimming pool or relax and count the graceful Old Spanish arches that rise on all sides above you. Plus all the tourist attractions that you already know only Puerto Rico can have. It's the modern hotel way to see the Old World.

# Scrimmages Hone Belleville's Offense

## Still Much To Do, Says Coach Testa

"We still have a lot to do," coach Tom Testa disclosed after his Belleville High griders put on a "trial run" in the second of four pre-season scrimmages Saturday.

Testa, like every other scholastic coach, isn't going out on the limb as far as a prediction is concerned. The outlook is still hazy in the Belleville camp, and if Testa doesn't come up with an adequate quarterback things could get downright unpleasant.

"The offense is... starting to sharpen up somewhat. Timing and other fundamental factors like blocking and savvy of the game is still lacking with the greener boys," Testa commented.

Halfback Joe Cervasio and John Senesky have been looking good along with speedster Tom Greco. The running department maybe sound enough, but who's going to call the shots?

**Pomaco Shines**

Quarterback Frank Pomaco appears to have the inside track to a starting job. He performed with leadership during his performance on the gridiron Saturday. A senior, Pomaco is being pressured by sophomore Ron Tomaszewski.

"I'll take another scrimmage before I can tell who will hold up," Testa said.

Right now, the coaching staff is concentrating on cutting the offensive play patterns down pat. The players were hesitating long enough to cross up certain plays during their scrimmage. A little more time in "chalk talk" sessions may clear this up.

Belleville's defensive unit remains far ahead of the offense. This is undoubtedly the key to the Belboys success this fall.

Co-captain Joe DelGuercio will lead the charging line when Belleville opens September 28. Other returning linemen include Sibi Sica, guard; Co-captain John Visco, guard; Warren Ceres and Len Luongo at the tackle slots.

**Little League Slates Banquet**

The Belleville Little League will conduct a banquet October 5 at 4 p.m. at the Armory Civic Center on 100 Newark Ave., it was announced.

Presentation of trophies to the divisional loop championship teams will highlight the affair. A full course dinner will be served with a guest speaker to follow.

Anyone wishing to attend may obtain a ticket by contacting the LL players or officials.

## It's What's Up Front That Counts

**BIG FIVE:** These are five members of Belleville's front line. Pictured from left to right are: Sibi Sica, Jerro Longo, Warren Ceres, John Visco, captain and Joe Del Guercio. The Belboys seasonal debut is Sept. 28.

## Party Permits Needed for Bonus Deer

**TRENTON.**—New Jersey deer hunters who wish to bag a bonus deer under a party permit should organize parties of four now, according to the Division of Fish and Game in the Department of Conservation and Economic Development.

Applications for party permits

**Freehold Schedules Historical Series**

**FREEHOLD.**—The annual historical series will continue at Freehold Raceway when the Battle of Monmouth headlines Saturday afternoon's (Sept. 21) 10-race card.

This is the third year for the series which is staged in six parts, one race taking place on each Saturday during the months of September and October.

The Old Tannet Pace, the Spirit of '76 and The Molly Pitcher events will be held in the order named on succeeding Saturdays to complete the historic racing set.

The Battle of Monmouth will pay homage to one of the most important campaigns of the Revolutionary War. Biggest fighting in this memorable battle took place only a short distance from the present site of Freehold Raceway, regarded as one of the nation's oldest harness tracks.

will be available shortly from hunting license dealers. Applications postmarked prior to October 1 will not be accepted.

After October 1, applications will be accepted in the order received until quotas are filled. Parties must be composed of four regular firearms licensees.

A party permit entitles the party to shoot one deer of either sex in a specific area of the State during the Firearm Deer Season, December 9-14. Each hunter may still bag one antlered buck anywhere in the State under his regular hunting license during the six-day season.

The party must state the area in which they wish to hunt the bonus deer. Failure to properly designate one area was the commonest cause for rejection of applications last year.

The State is divided into 13 areas, designated by the letters A-N. Three of these areas—"B," "G," and "L" will have hunting for bucks only. Area "C" is a hunter's choice zone in which one deer of either sex may be shot by any licensed hunter.

## CYO Pin League To Meet Sept. 28

Parishes interested in entering teams in the Essex County CYO teenage bowling leagues must attend an organization meeting in the CYO office, 435 Bloomfield Avenue, Montclair, on Sept. 28 at 8 p.m.

Newly appointed bowling director, Mrs. Florence E. Linfante will preside at the meeting. The leagues are limited to teenagers in high school up to 19 years of age. Leagues for boys and girls will open Oct. 6 at the Newark Bowl-O-Mat.

Mrs. Linfante is active with St. Anthony's CYO, which was runner-up last year.

**EVERYBODY TALKS ABOUT POOR HEALTH**

But, unlike the weather, you can do something about it. Even though the human body can take a great amount of abuse, it sometimes calls for help. When it develops minor pain or discomfort that goes away but returns, if you suddenly begins to lose weight or energy; these are danger signals.

Without delay visit a physician for a health check-up. It takes medical knowledge to find out what is wrong and how to properly help your body enjoy better health. Your physician has this ability.

YOUR DOCTOR CAN PHONE US when you need a medicine. Pick up your prescription if shopping nearby, or we will deliver promptly without extra charge. A great many people entrust us with their prescriptions. May we compound yours?

## 725-Room Hotel Opens In New York

An artist's rendering of the new City Squire Motor Inn. The largest of its type in the world, the City Squire occupies the full block bordered by Broadway, Seventh Ave., 51st and 52nd Streets. It is 22 stories high and contains 724 guest rooms as well as garage space for 500 cars.

## Tisches Add 6th Hotel to NYC Skyline

With the September 9 opening of the City Squire Motor Inn at Broadway and 51st Street, the bustling Tisch brothers, under the wings of Loew's Theatres, Inc., gave New York City 4675 new hotel rooms in less than three years. The City Squire, situated on the corner of Broadway and 51st Street, constructed for the Loew's hotel subsidiary, has 724 large guest rooms, a built-in garage for 500 autos, an enclosed, all-weather swimming pool, sauna, health club and other innovations.

Laurence Alan Tisch, 40, is chairman and president of Loew's Theatres, Inc. Preston Robert (Bob) Tisch is 37. He is president of Loew's Hotels, subsidiary firm and an active member of the board of the parent company. Both were born in New York City and attended its public schools. Laurence was graduated B.Sc. from New York University in 1941 and M.A. at the University of Pennsylvania's Wharton School of Finance and Commerce in 1943. In 1946 he took postgraduate work at Harvard University Law School. His brother went to Bucknell University and graduated from the University of Michigan with a degree in economics.

Both the Tisches' education were interrupted by World War II. Laurence Tisch was attached to the U.S.S. cipher section in Washington, D.C. while Bob Tisch saw duty with the Army Ground Forces.

It is not precisely accurate to state that the Tisches phenomenal success in the hotel field came overnight, or without prior experience in the business. Their father, the late Al Tisch, in the early thirties left a manufacturing business to build and operate

several children's summer camps. They next moved into Manhattan and took over the old McAlpin (now the Sheraton-Adlon) and the Belmont Plaza.

Having turned a number of old Leominster into juicy plums, the Tisches decided it was time they switched to new properties. In 1955 they built the luxurious Americana of Bal Harbour in Miami Beach - a 17 million dollar resort that is still one of Florida's most popular hotels without a mortgage. Next, looking around for new fields to conquer, the Tisch interests began buying into the stock of Loew's Theatres, Inc., a venerable corporation rich in valuable real estate across the nation. The gained control of Loew's in 1960, streamlined its operation and created Loew's Hotels as a subsidiary.

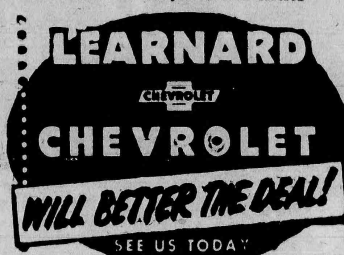

Laurence Tisch was later joined by his brother, in the operation of the resort, and the pair, by hard selling, improvements and some unusual publicity stunts, turned the place into a real money-maker.

In 1938, Tisch Hotels, Inc. was formed and the profits from the Lakewood Hotel were ploughed back into a succession of other ventures: the Grand Hotel in Highmount, N.Y.; the Sand and Surf, Colony and West End Casino - all in Jersey. By the time Laurence was 28 and Bob 25, they had swung a lease for the Traymore Hotel in Atlantic City, turned it into a four million-a-year grosser and purchased it for \$4,350,000. In short order they had added the Ambassador and Brighton Hotels to their Atlantic City operations and picked up a number of lucrative real estate packages, shops and parking gar-

ages. They next moved into Manhattan and took over the old McAlpin (now the Sheraton-Adlon) and the Belmont Plaza.

Having turned a number of old Leominster into juicy plums, the Tisches decided it was time they switched to new properties. In 1955 they built the luxurious Americana of Bal Harbour in Miami Beach - a 17 million dollar resort that is still one of Florida's most popular hotels without a mortgage. Next, looking around for new fields to conquer, the Tisch interests began buying into the stock of Loew's Theatres, Inc., a venerable corporation rich in valuable real estate across the nation. The gained control of Loew's in 1960, streamlined its operation and created Loew's Hotels as a subsidiary.

# Industry, Boys Club Seen Aids To Welfare by Burnett

A study of local industry to see whether employment opportunities can be made available for Town welfare recipients was one of two suggestions made by John R. Burnett, Belleville Town Manager to the Belleville Community Welfare Council at its September 9th meeting. The second recommendation to the Council was that it consider the need for a local boys' club "to help ease juvenile tensions in a world crested by nerve-torn adults, wars and rumors of wars." These recommendations were part of a talk on "Health and Welfare Needs and Services in Belleville."

With respect to the Health Department, he pointed out that, under the general guidance of the medical profession, this activity offered an incredible variety of services such as control of communicable diseases, environmental sanitation, maternal and child health care, public health laboratory service, vital statistics and health education.

In describing the Health Department, Burnett described three other town services; the Welfare and Recreation Department, and the Juvenile Division of the Public Safety Department.

With respect to the function of the Welfare Department, the Manager pointed out that it provides the necessities of life to families in need if they are the proper charge of the Department. Ineligible applicants are referred to the proper agency such as the County Welfare Board or the Rehabilitation Commission.

Regarding the Recreation Department, Burnett noted that this program offered 83 activities around the calendar ranging in age group served from pre-school to senior citizens.

The Manager observed that the Recreation Department suffered from two handicaps; the complexity of operating programs, many of which take place on

# Grand Opening Ceremonies

Officially opening Wolf Rambler at 89 Washington Avenue, Nutley is Nutley Mayor Harry W. Chenoweth. Watching him cut the ribbon Friday evening during the grand opening ceremonies are Mrs. Wolf and Owner Rudy Wolf.

# Clergymen Urge Senators To Support Test Ban Pact

Eight Belleville clergymen this week sent a telegram to Senators Harrison Williams and Clifford Case, asking that they both vote in favor of the nuclear test ban treaty now being debated in the Senate. Ratification of the treaty which bans all atomic weapons tests in the atmosphere and under water is expected to come to a vote some time next week.

Rev. Benedetto Pascare, pastor of the Silver Lake Baptist Church, one of the signers of the telegram, said: "We can not rest until we learn how to walk, and because this treaty represents the first step away from world disaster, it is absolutely essential to the world's survival that it be ratified."

Signers of the telegram to the two Senators were: Robert L. Segel, Bethany Evangelical Lutheran Church; Frederick Long, Christ Episcopal Church; Victor Cohen, Congregation Ahavath Achim; George L. Van Leuven, Fewsmith Memorial Presbyterian Church; Arthur Stevens, Montgomery Presbyterian Church; Henderson Goldstein, Second Baptist Church; Benedetto Pascare, Silver Lake Baptist Church; and Rev. Anthony DiQuattro, Belleville Assembly of God.

# Belleville Youths Complete Training

GREAT LAKES, ILL. (FHTNC) — Gordon F. Kennedy, 18, son of Mrs. and Mrs. Gordon F. Kennedy of 18 Prospect St., and Raymond E. Harmon, Jr., 17, son of Mr. and Mrs. Raymond E. Harmon, Sr. of 66 Hill St., Band performed at the graduation ceremonies.

Both of Belleville, N. J., recently completed recruit training at the Naval Training Center, Great Lakes, Ill., graduating in ceremonies consisting of a full-dress parade involving more than 1,000 men.

In addition, the Recruit Training Command Drum and Bugle Corps Drill Team and Band performed at the graduation ceremonies.

Basic training is designed to introduce the new recruit to Navy life. The program includes instruction in fire fighting, ordnance and gunnery, naval history and organization, customs and courtesies, seamanship and first aid. In addition, military drill and physical fitness are emphasized.

50 Broad Street  
September 19, 1963

Dear folks —

Looking for gifts for a New Baby? You really should have been with me at Lipton's today!

I found so many irresistible things that NOW I'm looking for New Babies!

First of all, — have you seen those New "Infanteats" they call Baby Sitters? They're pediatrically designed to hold Baby in the correct position from birth to one year. They are made of such light weight plastic you can carry it, baby and all in one arm and no fear of the precious, wriggly one getting in an uncomfortable position. Pretty pastel colors, too!

A new bunting called Tidikins is a love — the top and bonnet of cuddly Orlon pile embroidered in pink or blue with button-on mits and the bottom of matching poplin.

When I saw those adorable "Nannekins" by Nanette I lost my heart and head completely! Can you imagine an infant in a Tyrolean outfit? They are made of "hecksuede" in soft green or gold with tiny white blouse effects — boy or girl style, of course.

There's only one thing I like better than babies — that's buying gifts for them and having them beautifully gift-wrapped — at Lipton's to be sure.

Sincerely  
*Letty*

P.S. — Please ask Mr. Arter to have one of the Talking Baby Dolls say something! Most life-like voice I ever did hear!

"Letters from Letty" bring you "news" from Lipton's every week.

# 32 Girls Enter Clara Maass Nursing Home

Last week was an extremely busy one for the School of Nursing students at Clara Maass Memorial Hospital. The activities of the week were climaxed for the seniors by the all-important graduation exercises and for the new students by their indoctrination into a nursing career.

On September 9th, 32 new students and their parents were invited to a reception which was held in the School of Nursing. Members of the faculty and executive staff of the hospital were on hand to assist the new students in their orientation to hospital life.

A.H. Oberg, executive director, in his address at this informal gathering reassured the parents that these new students will receive the best training in the State of New Jersey as the school is not only one of the oldest in New Jersey but also one of the most modern. Clara Louise Maass for whom the hospital is named was a graduate of the original school in 1895.

Among the 32 girls entering the Clara Maass School of Nursing's new class were the three Belleville girls above. They are (left to right) Anne Hanrahan, Jane Fay and Veronica Rempuschski.

55 Banded

September 10 was a festive scene for 55 students advanced to the next level in nursing education. The ceremony, called Banding, is a recognition program at which time the students of each class receive a band for their cap designating their training rank. Student Nurse Nancy Lenke, President of the Junior Class, presented a blue band to the Freshmen officially making them Juniors and Student Nurse Mary-Carole Peterson, president of the graduating class, presented a black band to the Junior Class elevating them to Senior status.

Miss Evelyn Hamilton, Director of the School, presented the outgoing class with their orderly caps which they will wear for the first time at the graduation ceremonies. Mrs. Peter Frungillo, president of the Clara Maass Hospital Guild, presented each member of the graduating class with a set of cuff links to wear with their uniforms upon graduation.

In addition to distributing Bibles to hospital patients, the Gideon Society annually presents New

Testaments bound in white to the students of the incoming class in the School of Nursing. Their Ladies' Auxiliary made this presentation at an inspiring meeting on September 13th followed by afternoon tea in the school lounge.

The public was invited to attend graduation exercises for the 22 young women who are members of the Clara Maass Memorial Hospital School of Nursing Class of '63 which took place Friday evening, September 13th, in the First Lutheran Church of East Orange.

The commencement address was delivered by the Rev. Carl F. Widmann, professor of Concordia College, Bronxville, N.Y. Following this address, Dr. R. E. Remondelli, president of the medical staff, greeted the graduates and executive director Oberg presented the class to Archie C. Barbata, president of the Board of Trustees, who awarded the diplomas. Consecration of the class was then conducted by the Trinity Lutheran Church, East Orange.

Others participating in the service were the Rev. Ronald T. England, pastor of the First Lutheran Church; Miss Evelyn H. Hamilton, director of the School of Nursing; Miss Eleanor Donaldson, President of the Alumni Association; and the Rev. Robert O. Collick, Chaplain Coordinator of the hospital.

Music was provided by the very fine Choral Group of the student body under the direction of Leigh Thaler. Miss Roberta Turner, a member of the graduating class, De Caro, Mary Ann Del Rosso, sang the Lord's Prayer accompanied by the Chorus.

The School of Nursing, one of the oldest in the State, is affiliated with Upsilon College, East Orange.

Under the supervision of Miss Evelyn H. Hamilton, Director of the School of Nursing, almost 100 students are in training each year participating in the three-year course.

The following students comprise the graduating class of 1963: Nancy Almquist, Barbara Arbetter, Alicia Moody Arvidson, Joanne Birster, Barbara Ann Borchers, Laura L. Cooney, Elizabeth M. Duhilhaus, Lena K. De Caro, Mary Ann Del Rosso, Arlene Francis Dugard, Patricia Dabal Geleka, Joy Wright Glass, Ellen Johansen, Diane Passetti Koppenjan, Elissa List, Gerald Janet Cleary Schmidt, Josephine Trimmarco, Nancy Tucker, Ann Roberta Turner and Wilma Van Schoick.

# MOVE UP TO CHRYSLER '64

## Engineered better...backed better than any car in its class

The '64 Chryslers are here: the luxurious New Yorker (above); sports-bred 300; and the surprisingly easy-to-own Newport.

Clean. Crisp. Handsome. Designed in the modern concept. Bold but not brassy. Engineered by men who have accounted for more "firsts" than any automobile maker. So well built the vital moving parts are warranted for 5 years or 50,000 miles. (Details below.)

The '64 Chryslers are full of news: there's an optional steering wheel you can adjust, up or down, to any one of seven different positions. Bucket seats are standard on 300 models (passenger's reclines).

These are the '64 Chryslers. They have no junior editions to compromise your investment. Go see them. Move up to Chrysler '64.

**Solid protection for a solid investment... 5-year-50,000-mile warranty.** Chrysler Corporation warrants, for 5 years or 50,000 miles, whichever comes first, against defects in materials and workmanship and will replace or repair at a Chrysler Motors Corporation Authorized Dealer's place of business, the engine block, head and internal parts, intake manifold, valve train, transmission case and internal parts (excluding manual clutch), torque converter, drive shaft, universal joints, rear axle and differential, and rear wheel bearings of 1964 automobiles, provided the owner has the engine oil changed every 3 months or 4,000 miles, whichever comes first, the oil filter replaced every second oil change and the carburetor air filter cleaned every 6 months and replaced every 2 years, and every 6 months furnishes to such a dealer evidence of performance of the required service, and requests the dealer to certify (1) receipt of such evidence and (2) the car's then current mileage.

Be sure to watch Bob Hope and the Chrysler Theater, NBC-TV, Fridays
