

O'Connor Blames Parents For Use of Dope by Teens

Parents last week were called the cause for the upsurge in the use of narcotics by teenagers in Belleville, by Bernard E. O'Connor, a candidate for the vacant council seat in the November election.

"I know the percentage of parents who do insure correct parental guidance and supervision are going to resent this statement," said O'Connor, "but the state-

ment is directed to the parents who do not insure that their children are not influenced by narcotics and good balls, and by juvenile delinquents and adult parasites who prey on high school children for their illicit occupation.

It is appalling to learn that some parents in this town continue to give the same sickening answer that their boy or girl could not be associated with good balls and narcotics."

Couple Hurt In Headon Auto Crash

Two persons received minor injuries as a result of a headon collision involving two cars on Main Street, Belleville, Saturday. Mr. and Mrs. Ralph Reley of Newark were taken to Clara Maass Memorial Hospital along with a third party in another car. Hospital officials said Monday that the Releys were admitted for lacerations and abrasions.

Frederic Tuerck of 53 King St., Belleville, was admitted for observation and released the following day.

According to police Tuerck was driving north on Main Street when the accident happened. The Reley vehicle skidded some 70 feet from the point of the collision. Tuerck's auto also showed skid marks along the road.

Police said apparently, Tuerck's auto swayed over the dividing line and ramped into the Reley's car.

Mrs. Elley Reley, 65, was treated for concussion and laceration of the head. Reley sustained a slight concussion and abrasions of the face.

Both vehicles were towed away, according to Belleville police. There were no witnesses at the scene.

A. RICHARD WALTER

Hospital Show Unit Headed By Mrs. Candiloro, Walter

Mrs. Frank Candiloro, secretary to the director of personnel and public relations director, has been appointed chairwoman of the Talent Committee for the Talent Show "Cut-Cups of 1963" to be staged at Nutley High School, October 25 and 26.

A. Richard Walter of 420 Mt. Prospect Avenue, Newark, laboratory supervisor at Clara Maass Memorial Hospital, has been appointed vice-chairman of the committee.

Mrs. Candiloro, who has been with the hospital since 1957, was instrumental in gathering a group of impromptu talent for the annual Christmas party.

Walter, a hospital department head since 1958, who has had considerable experience in Little

said O'Connor, "It can only be accomplished by an honest, concerted effort by all parents, police and school guidance counselors."

"It should be remembered that when a town is confronted with a serious problem such as this, quick, efficient methods should be initiated to wipe out the problem before it gets uncontrollable."

O'Connor said his statement was "not designed to save any child from narcotics or good balls, but any child we could save would be one more child who has the chance to become a good citizen of a society which needs solid citizens. Remember, the child you watch and guide and save may be your own."

Six Blazes Extinguished by Firemen

Busy cleaning and repairing equipment damaged while fighting last week's \$300,000 roller rink fire, Belleville's Fire Department were called upon to answer 10 fire calls and 23 ambulance runs.

Actually only six of the alarms involved fires, two were false alarms and the other two were service calls.

The first fire alarm came at 7:40 on September 13 when the department was called to extinguish a blaze started by a car battery flashback in the south-bound lane of Route 21. The car was owned by John Beisler of 346 Feromine Avenue, Rutherford. Damage was slight.

At 1:18 p.m. on September 14 a vehicle stopped at Fire Headquarters on Washington Avenue with a leaking gas tank. Firemen stopped the leak with a boiler plug, and washed the gasoline from the street. The automobile was owned by John Ferrugalli of 139 Overlook Avenue, Belleville.

At 2:01 p.m. on September 14 firemen were called to 279 DeWitt Avenue to the home of George Marelli to extinguish grease burning in a frying pan.

At 5:47 p.m. on September 14 firemen extinguished a fire of un-

determined origin in wooden pallets in the Paper Board Specialty Company's supply area, located at the rear of the plant at 75 William Street.

A false alarm at Liberty and Lightham called out the department at 8:41 p.m. on September 14.

A fire at Federal Industries, 725 Main Street, Belleville, was extinguished by firemen at 1:09 a.m. on September 15. The fire was started by material that was laid on top of a machine. Damage was slight and the firemen were aided by the plant's fire brigade.

At 4:34 p.m. on September 15 the department extinguished a

Youth Draws Six Months

Samuel A. Harvey, 20, of 95 Mary St., Belleville, was sentenced to six months in the Essex County Penitentiary on a disorderly person act involving being under the influence of narcotics.

Acting Magistrate Edwin J.C. Joerg of Nulley also placed the youth under six months of custody and six months probation at Municipal Court last Thursday. Harvey is also involved in a recent break and entry charge at the home of Mr. and Mrs. S.J. Mancinelli of 111 Fairway Ave. The youth admitted breaking into the home and allegedly stole a revolver and a diamond ring. He told police the ring isn't in his possession.

Man Fined \$225

A Newark man was fined \$225 and placed on one year probation for driving under the influence of narcotics. Charles Zarillo of 758 De Graw Ave. also had his license revoked for two years.

Held for Jury

Janet Guisto, 20, of Massachusetts was ordered held for grand jury action for a larceny charge which involves a juvenile. Miss Guisto and her companion were caught stealing a ring worth \$500 from the home of Mr. Wesley Cooper of 141 DeWitt Ave., Belleville.

Both girls were allegedly selling magazines door to door when the attempted robbery occurred. Miss Guisto is being held in lieu of \$2,500 bail on the robbery charge.

Driver Fined \$10

Magistrate Joerg found Jaime Nascimbeno of 232 Union Ave., Belleville, guilty for failing to stop for a red light. The car Nascimbeno was driving proceeded to ram into another causing slight damage. He was fined \$10 and \$5 court costs.

Gunman Held

On \$10,000 Bail

John Joseph Turner, 27, of 3419 Adams Avenue, Toms River, was ordered held in the Newark St. Jail in lieu of \$10,000 bail Saturday on a charge of holding up the General Public Loan Company, Washington Avenue, Belleville, by Essex County Court Judge Condon.

Turner was released on \$5,000 bail by Hamilton Township, Mercer County, September 16, where he also faces a robbery charge.

Belleville Police said Walter J. Jodka of Cassville, N. J., Turner's partner, is still being held in Hamilton Township in lieu of \$5,000 bail.

Great Occasion for Great-Grandfather

NEW CAR WARRANTIES HELP AUTO INSURANCE RATES

(Belleville From Our American Casualty Co.)

The manufacturers' warranty on new cars has been bolstered so drastically that no one would recognize it as a descendant of the "guarantee" of three or four years ago. The old 30-day warranty was something that car dealers preferred to "sweep under the rug" if possible. We can't blame them, because they actually lost money on every job they had to handle. They were reimbursed strictly on a cost basis for parts or labor used to make good the factory's guarantee; thus it is only natural that they should be reluctant to handle such work. Also, with advent of comprehensive auto coverage, it was logical that they would encourage customers to submit such losses to their insurers wherever possible.

Like a night-to-day contrast, the warranty presently granted by most of the automobile industry is on a broad 24-month/24,000-mile base and is administered to give the dealer's service department a justified break on repairs or replacements. It bears other advantages that make auto dealers happy about the arrangement and eager to play their part in it.

Many losses of many kinds are now eligible for repair under the present new-car warranties rather than to be treated as insurance claims. Make no mistake about it; every new-car buyer is paying for this repair and replacement service. We are informed that the manufacturers are earmarking amounts ranging from \$50 to \$200 per car to subsidize their liberalized commitments. Why should any car buyer forego the benefits he has paid for and burden his future auto insurance rates by reporting these losses to their insurance agents?

Here are only a few examples of the losses involved in this situation:

1. Strain cracks in windshield (through misalignment or uneven pressure at channels).
2. Window breaks caused by defective power windows.
3. Fires sparked by faulty ignition.
4. Fires ignited by poorly designed or defective exhaust systems.
5. Wrecks caused by improperly installed or defective brake tubing or wheel cylinders.
6. Wrecks caused by failure of steering apparatus.

Girl, 6, Runs Into Auto, Fractures Leg

Six year old Karin Gagliola of 445 Division Ave., Belleville, received a fractured leg after walking into the path of an auto on Garden Avenue Saturday.

Officers David Martin and John Fitzgerald were detailed to the scene and immediately rushed Karin to Clara Maass Memorial Hospital for X-rays and treatment.

In his attempt to pass the truck, Lovende noticed Karin coming, applied his breaks and stopped. Karin ran into the side of his vehicle.

X-rays showed a fracture leg, hospital officials disclosed.

Dear folks—

All summer long I've been marveling at the Lipton people who have been serenely "caring-on" in the midst of the chaos of re-building, but today I realized that the loyal customers deserve a mighty big hand, too! (All the folks at Lipton's think so, too—they told me so!)

I'm in favor of forming a "Society-of-Appreciation-for-the-Loyal-Friends-of-Lipton's!" Of course, they'll have a real reward when the beautiful new store is finished, but in the meantime—a great big "Thank you, folks!"

When every day is Moving Day, you get used to not finding things where they used to be, but today was the absolute end! Know what I couldn't find? Just the stairway, that's all! Found a temporary one—even THAT'S not where the gorgeous new wrought iron one will be—all open and airy so you'll have a view of the huge downstairs as you descend.)

And huge is the word for it! I got lost and wandered into what will be the receiving room with an automatic conveyor belt that brings that fascinating merchandise right from the trucks at the loading platform on the parking lot. Amazing!

And you should see the immense heating and air-conditioning equipment! No little thing, this complete rebuilding at Lipton's!

Sincerely

'A Vicious Rumor'

For the past two weeks our community has heard a rumor that the foundation for the new high school is sinking. We have checked this out with the school authorities who have assured us that no such thing has taken place.

One source of the rumor is Councilman James R. Golden. Golden is quoted as saying, "I hear the new school sunk about two inches." Mr. Golden holds an official position in our community, hence, what Mr. Golden has to say has greater import than an average citizen. As a public official he boasts about protecting the public interest.

If Mr. Golden had heard the rumor about the new school sinking, as a responsible public official it was his obligation

to contact the proper school authorities to ascertain the truth or falsity of the rumor. We have spoken to the school authorities and we have been told that Mr. Golden did not inquire of them to determine if the sinking rumor was true.

The rumor is vicious and comes at a time when indicted present and former school officials may soon go to trial, involving among other things, the very questions raised by this ugly rumor.

To give circulation to the sinking rumor is an injustice to these people as well as a disservice to our community.

The Clerk of The Works, the board employee supervising construction of the new school, will take anybody on a tour of the new school site. Mr. Golden, are you listening?

"Keep Rowing Going"

With praiseworthy unanimity, Mayors Robert M. Laterza of Belleville and Harry W. Chenoweth of Nutley, this week appealed for widest public support of the fund-raising campaign of the Belleville-Nutley Rowing Association, Inc. The joint appeal of the two municipal chief executives made it perfectly clear that the issue of High School rowing transcends by far the personal enthusiasm of just a small group of citizens for a good, clean sport. With the joint appeal of the two Mayors the whole matter has been raised into a new dimension. It has become the concern of all the citizens of our two communities.

Legal constrictions forbid the Boards of Education of the two towns to make any funds available for the erection of a new boathouse on the site which the Town of Kearny in a laudable display of neighborly helpfulness is willing to assign for building purposes. Thus it has become necessary to raise the building funds by public subscription, — a task to which the newly formed Belleville-Nutley Rowing Association is dedicating itself under the striking slogan of "Keep Rowing Going."

In their joint appeal, the two Mayors stress that in the two decades that crew practice has been an integral part of high school athletics in the two towns, more than 2,000 young men have, through this sport, developed the physical stamina and moral fibre that, aside from academic

subjects, are the best gifts that the American educational system has to bestow on our youth. Many of these 2,000 young men have been able to go on to college and row for their respective Alma Mater.

In a world that is growing daily more complex, a college education provides the inevitable basis for a young man's career. Understandably, parents and educators are worrying about "dropouts" and the high cost of college.

The Belleville-Nutley Rowing Association is already considering to call the attention of major colleges throughout the land to the fact that here, in the only two towns of New Jersey where crew practice is an acknowledged part of High School athletics, a new crop of potential collegiate oarsmen is available, practically for the asking. If the "Keep Rowing Going" campaign is successful, college scholarships will no doubt in time be offered to those members of our crews who by their performance prove themselves worthy of such consideration. Which means no more nor less than that many a youngster who cannot now entertain the hope of going to college will be able to make the grade by adding his strength and determination to his scholastic credits.

Such is a purpose of concern to all civic-minded people. It confers a mark of irrefutable distinction on our two Mayors to have made it clear that the goal is worthy of the support of every citizen. "KEEP ROWING GOING."

Safeguarding Business Independence

In the United States, some 13,000 commercial banks perform a manifold variety of services. Much of this activity is of bread and butter importance to almost everyone. Yet the average person is not aware of it.

A major banking function is to even out the peaks and valleys between production and consumption. A good share of the Main Street business across the land is done on credit. Car dealers buy shipments of automobiles now to sell later. Stores must build up stocks which are sold over a period of months, and sometimes years. Farmers need fertilizer, seed and equipment to produce crops for sale later.

So it goes. There is hardly a transaction of significance, affecting small businesses or large, little towns or great cities, that doesn't involve the use of credit somewhere along the line. That is the function of the great American banking system. Then, to come down to the individual, banks offer other and necessary services. They provide, at reasonable cost, the wherewithal to build a home, to buy a car, and to meet a sizeable list of wants and needs.

The nation now is thinking in international terms. Its commerce is world wide. Here, too, credit must be one of the roots of achievement and growth. This means an enlargement in the role of commercial banking, but no basic change in policy. As Paul B. Trescott writes in his recently published book, "Financing American Enterprise", "... the kind of performance needed to meet the new challenges of the world economy is what has always been required for growth and progress within the domestic economy. As much as ever, we need enterprise and initiative in the business world, combined with financial institutions which will supply capital where it is most needed to give scope and effectiveness to these qualities."

Private commercial banks are a primary protection against greater government domination of the peoples' business affairs. If the financial facilities of competitive banking were not available, individuals and businesses would have to look to government for such services at great cost to the freedom and initiative that built our past and can secure our future.

Jeffers Takes Part in NATO Exercise

U. S. FORCES, Germany—Army PFC Walter Jeffers, son of Mr. and Mrs. Larence Jeffers, who live at 80 Stephens Street, Belleville, and other

Water Pollution Problems Building Up for Years

Germs on the Half-Shell

Deposits of raw sewage into inland waterways have made shell-fish unsafe to eat in many areas. Clams from Jamaica Bay in New York have caused typhoid fever, hepatitis, septic sore throat, gastric disturbances and many forms of skin disease. Throughout the country reports of other polluted areas pour in. Beach closings, boats damaged, paint peeling off homes from the effects of the gases rising from polluted water.

Why this sudden rash of water pollution problems? According to the National Water Institute the problems only appear sudden—they've been building up for years. In many cities sewage treatment plants were never built. In others they were antiquated by the rush of suburban home building. Treatment processes have not been able to keep pace with the rapid introduction of new and exotic chemicals resulting from industrial waste.

Has public apathy been the cause? To some degree this has been a problem. The fact that these polluted waterways are not always in our view leads us to forget them until a health problem arises. The feeling that there isn't a direct effect on us leads us to ignore the pollution "calamity games."

Many cities are now providing the funds to begin a cleanup campaign. New and improved

wastewater treatment plants are replacing the old. But, far too many more cities are being slowed down by political battles and unsuccessful bond issues. Each one of us has to face up to responsibility. We all have to help blot out this menace to our health and well-being. And it has to be done, soon, before the job becomes insurmountable. Support the efforts of your officials to provide the equipment needed to keep our waterways clean and unpolluted.

Funeral services for Mrs. Edna Woodward Idenden, 74, of 37 Van Rensselaer St., Belleville, were

held Wednesday afternoon at the William V. Irvine & Son Memorial Home, 276 Washington Ave., Belleville. Mrs. Idenden, widow of Frederick Idenden, died Sunday, September 8, of a heart attack at her home.

Born in Eustis, Fla., Mrs. Idenden came to Belleville in 1919. A past president and life member of the Belleville Woman's Club, Mrs. Idenden was a member of Christ Episcopal Church and its Altar Guild, and was treasurer of the Belleville Council of Church Women.

She was a member also of the Belleville Women's Republican Club and the Gen. Phil Kearny Circle, Ladies of Grand Army of the Republic.

Surviving are two sons, John E. of Belleville and Frederick W. Idenden of Colts Neck and five grandchildren.

Henry D. Lonie

Henry D. Lonie of Auburn, Mass., formerly of Belleville, died Tuesday, September 10, in Auburn. He was 83. Funeral services were held Wednesday in Auburn.

Mr. Lonie was born in Glasgow, Scotland and came to New Jersey in his youth. A retired gardener, he lived in Belleville many years before moving to Auburn 10 years ago.

He leaves three sons, Raymond of Columbia, Robert of Belleville and Edwin of Elmira, N.Y.; a daughter, Mrs. Grace Duverger, with whom he lived; six grandchildren, and two great-grandchildren.

BECK'S COLUMN

by MAX BECK

Last week we wrote about TV in the Scandinavian countries.

Today we start with Germany. There is a charge for looking at TV and listening to radio here also. It is apparent everywhere that the Germans are technically minded. TV and radio are used far more widely than in Scandinavia. There are very few programs in the morning. Transmission starts around noon and there is usually a pause of several hours in the afternoon. There are many news and sport programs and quite a few plays. It is really surprising how many sports events are transmitted in all of Europe.

The same pattern holds true for Austria and Switzerland.

Nowhere do they have the lavish shows which we take for granted. Nowhere is the election even nearly as great. Usually there is one station in any city, at most there are two.

Maybe we are spoiled with our TV, after all, and we take too much for granted. Of course, there is lots of room for improvement, particularly as far as the "commercials" are concerned. This is one thing they do not have to put up with in most of Europe. Some day we probably will have a number of "pay as you listen" stations without commercials.

We service what we sell.

Third Annual Card Party For Deborah Slated

The third annual card party sponsored by Belleville Chapter of Deborah will be held Tuesday evening, October 1, at 7:30 o'clock in St. Anthony's School cafeteria, 25 North 7th Street, Belleville. Tickets may be obtained from Mrs. John Kelly, chairman, or Mrs. Charles Driza, co-chairman.

The season's first meeting was held Monday, September 23, at the Belleville Recreation House, when members who joined at the meeting signed the Charter. Mrs. Milton Charen, president, presided.

Ground breaking ceremonies for the new 100-bed addition to the Deborah Hospital, Browns Mills, took place September 15. Mr. and Mrs. Charen and Mrs. Louis Ferraro represented the Belleville Chapter.

Deborah Hospital gives free non-scientific care for heart surgery, tuberculosis, operable lung cancer and other diseases of the chest. The addition of 100 beds to the existing 128 bed hospital was badly needed, because of a long waiting list. The hospital operates on monies obtained from its many chapters and from donations.

Anyone wishing to contribute to the hospital is asked to send donation to Mrs. Milton Charen, 9 Ligham Street, Belleville.

MRS. VITO DI RUGGIERO
Former Diane Razzeca

The wedding of Miss Diane Razzeca, daughter of Mrs. Joseph Razzeca of Parkside Drive, Belleville, and the late Mr. Razzeca, to Vito Di Ruggiero, son of Mr. and Mrs. Anthony Di Ruggiero of Prospect Street, Belleville, was solemnized Sunday afternoon, September 22.

The Rev. Edward Scandone performed the ceremony in St. Anthony's R. C. Church, Belleville, and the reception was held at The Galaxy.

Escorted by her brother, Joseph Razzeca, the bride was dressed in silk organza with fitted bodice of lace, scoop neckline, long sleeves and bouffant skirt. A double-tier crown of seed pearls and rhinestones held her veil of illusion, and she carried a cascade of white roses with an orchid.

Miss Concetta Ricotta of Newark, the maid of honor, was dressed in gold satin, with matching headpiece. She carried a bouquet of bronze Fuji mums.

The bridesmaids, Miss Anzela Ricotta of Newark, and Miss Barbara Barbella of Livingston, a cousin of the bride, wore light and dark shades of green satin. The junior bridesmaid, Filomena Porcile of Lyndhurst, a cousin of the bridegroom, was dressed in gold satin.

Pat Sperduta of Newark was his cousin's best man, and Michael Carveta, Arthur Uletello and Anthony Di Ruggiero, Jr., brother of the bridegroom, ushered.

The mother of the bride was attired in a rose peau de soie sheath and the bridegroom's mother chose a Kelly green peau de soie sheath. Each had matching accessories and a corsage of white orchids.

The bride is employed by Westinghouse Electric Corp., Bloomfield. Her husband, a graduate of Belleville High School, is with General Motors, Paris Division, Englewood.

The couple will make their home in Belleville when they return from a wedding trip to Canada.

Janet M. Montesano Is Bride In Saturday Afternoon Rites

Holy Family R.C. Church, Nutley, was the setting for the marriage of Miss Janet M. Montesano, daughter of Mr. and Mrs. Constantino Montesano of 17 Chestnut Street, Belleville, to James J. Fearon, son of Mr. and Mrs. John Fearon of 35 Hillside Avenue, Kearny.

The 4 o'clock ceremony was performed Saturday, September 21, by the Rev. Robert P. Corzini, and the reception followed at the Branch Brook Manor, Belleville.

Escorted by her father, the bride was dressed in white silk organza, fashioned with round neckline and long sleeves, accented with Alencon lace, sequin and seed pearl appliques. The skirt was bell-shaped with a three-tier detachable train.

Her crown of lace, pearls and sequins held her finger-tip veil. She carried a semi-crescent bouquet of phalaenopsis orchids.

Miss Gail Montesano was her sister's maid of honor, and bridesmaids included Miss Virginia Hanson of Bloomfield; Miss Jeanne Fearon, the bridegroom's sister; Mrs. Patricia Fearon, sister-in-law of the bridegroom; and Mrs. Rosann Russomanno, cousin of the bride.

Their gowns were floor-length satin peau with round necklines and bell-shaped skirts. The back of the gown was fashioned with two roses at the waist. They wore matching rose headpieces. The maid of honor was in forest green, and the bridesmaids wore samaron pink. They carried cascades of pink Fuji-mums.

William Ward of North Arlington served as best man, and ushers were John Fearon and William Fearon, brothers of the bridegroom; John Omenetto, and William Montesano, the bride's brother.

Mrs. Montesano was gowned in open blue chiffon and Mrs. Fearon chose aqua chiffon. Both wore matching accessories and white orchids.

The bride is a graduate of Belleville High School and the bridegroom a graduate of Kearny High School. Both are employed by the Fidelity Insurance Company of America, Newark.

After a honeymoon in Bermuda, Mr. and Mrs. Fearon will make their home in Belleville.

NROTC Exam Applications Ready Now

Applications are now available for the Navy's eighteenth annual NROTC qualification test, according to Mr. Samuel Sifkin, guidance director at the Belleville High School. The nationwide examination will be given December 14, 1963, and all eligible male high school seniors and graduates may apply.

On the basis of this test, personal interviews, physical examinations, and other factors, Mr. Sifkin explained, over 2,000 young men will be given college educations as midshipmen in NROTC units in 52 well-known colleges and universities throughout the country.

Registrations for the test will close November 22. Informational bulletins and applications are available from Mr. Sifkin in the high school guidance office or the nearest U. S. Navy Recruiting Station.

A successful applicant receives financial aid for four years of college. This includes tuition, books, uniforms, miscellaneous expenses, and a \$50.00 per month retainer fee. After successfully completing college degree requirements and naval science training, NROTC midshipmen become commissioned officers in the U. S. Navy or Marine Corps.

During their training, Regular NROTC midshipmen enjoy three summer cruises with various naval units, including visits to foreign ports. These cruises help

Two Belleville Patrolmen Capture Thief in Nutley

Two Belleville patrolmen and a Belleville police car parked near the Belleville - Nutley line last Thursday morning proved to be the undoing of a thief, who a few minutes earlier had robbed the apartment of a Nutley woman.

Captured in Nutley after a chase was Harry H. Givens, 26, of 1981 McCarter Highway, Newark. The capture was made by Patrolmen E. Olivieri and Carmen Pelaja. The latter was off duty at the time but was engaged in conversation with Pelaja who was in the patrol car. The capture was made within the municipal boundaries of Nutley, so the man was turned over to Nutley police.

For a time it was thought Givens might be the man being sought for holding up two delicatessen stores in Nutley recently, but both victims of the store robberies said he was not the holdup man.

According to Nutley police, Mrs. Constance Melville of 140 E. Centre Street left her apartment last night and when they learn more about the variety of interesting and challenging opportunities available to them as naval officers.

Male citizens of the United States who will be over 17 but not yet 21 on June 30, 1964, and who are now high school seniors or graduates, are eligible to apply for the December 14, 1963, NROTC qualifying test. Those who attain qualifying scores will be interviewed and given physical examinations next February.

5 Policemen Earn Awards

The annual law enforcement Seminar sponsored by Prosecutor Brendan T. Byrne was held at Goldman's Hotel in West Orange on last Monday and Tuesday, September 16th and 17th.

The two-day informative program covered most of the facets of practical law enforcement on both the municipal and county levels.

Belleville Police Chief Charles McGinnis received the Certificate of Merit award from Prosecutor Byrne. Others from Belleville Police Department who participated and received awards were: Deputy Chief Donald Smith, Capt. Harry Tepe, Sgt. John Dean and Det. Nicholas Mariano.

Mr. Melville chased him down stairs and shouted to Cafone what had happened. He took up the chase and saw a man turn right on Hunt Place. Cafone also saw a Belleville police car at St. Mary's Place and King Street. He signaled the two policemen. Olivieri drove the car and Pelaja chased Givens on foot. The latter caught up with him over the Belleville boundary and made a tackle. Givens pointed a revolver, later found to be loaded, at Pelaja, but he didn't shoot. The two patrolmen turned the thief over to Nutley Police.

Rings, a transistor radio and a wallet taken from Mrs. Melville's apartment were found in the possession of Givens. Questioned by Nutley police, Givens allegedly admitted robberies in Belleville, Jersey City, Elizabeth, Newark and East Orange from March up to last Thursday. He told the police he had not been arrested previously. A search of his apartment revealed burglar tools and a cache of articles presumably stolen.

He was held for arraignment, charged with breaking and entering, carrying a concealed weapon, assault with a deadly weapon and the possession of burglar tools.

Essex Tuberculosis League Picks Hansbarger Director

Norman P. McGroarty, president of the Essex County Tuberculosis League, announced the appointment of John E. Hansbarger as program director of the TB League.

McGroarty who is also executive vice-president of The Howard Savings Institution introduced Hansbarger to the Board of Directors at its monthly meeting in Newark yesterday.

"More than 300 new cases of TB were found in Essex County alone last year," McGroarty advised the Board. He said, "Every new case was infected by someone who has TB, and our job is to find those hidden cases. Hansbarger's work with the League will focus on finding new TB cases and on rehabilitation of TB patients."

"Helping patients who are recovering from TB is equally important to the community," McGroarty added. "We must prevent the work-loss resulting from TB, as well as the heavy medical and welfare expenses."

Hansbarger has served as chief of the legislative unit of the National TB Association and as program consultant for the Virginia TB Association. His work involved mass case-finding programs, legislative appropriations and the Christmas Seal Campaign. He also worked on the staff of the American Bible Society and the American Red Cross.

He was graduated from Hampton-Sydney College and attended the Graduate School at Wayne University in Michigan. A native of Virginia, Hansbarger is an Air Force Veteran having served in World War II and the Korean Conflict.

Matthews Sees \$1,700,000 For Town in Turnpike Plan

Assembly Speaker Elmer M. Matthews, D-Essex said recently that Belleville would receive more than \$1,700,000 in school aid from the State of New Jersey over the next five years upon approval of the New Jersey Turnpike referendum.

Matthews, Democratic candidate for State senator from Essex County said that the Turnpike Bond Plan "would materially help relieve the burden on local taxpayers and at the same time avoid the imposition of a state sales or income tax."

Matthews said that 22 municipalities in Essex County would receive school aid of \$72,000,000 and that Essex County would be the particular beneficiary in an overall program of \$250,000,000 envisioned in the Turnpike Bond program over the next five years.

Matthews said that Belleville presently receives \$282,000 in school aid from the state each year and under the bond program would receive \$341,000 an increase of \$78,000 a year—a 30 per cent increase.

"In addition there will also be over \$60 million for State aid for county and municipal road construction, all of which will again save the local taxpayers a total of \$310 million," Matthews said.

"This direct aid to municipalities will be financed out of the future earnings to the New Jersey Turnpike, half of the receipts comes from out of state motorists. These direct grants will be of great value to the taxpayers and municipal officials in helping to hold the line against the increased costs of services," Matthews said.

"How can the opponents of the bond plan talk on behalf of the taxpayer when they oppose means that the taxpayer will not get a break in his local tax rate as envisioned under the Turnpike Bond Proposal," Matthews said.

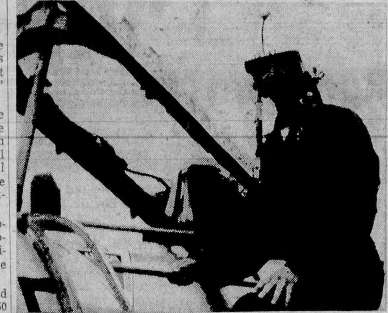

Speaker Matthews said the opposition to the bond proposal was based upon party political jealousies and not on the merits of the proposal itself.

"What the voting public should keep in mind is that the \$750 Million in the Bond Program will be spent for construction of institutions, including those for mentally retarded children, will provide acutely needed facilities for higher education, and will give us the means to construct our necessary roads."

"Through an orderly planned program the State will actually save money far and beyond the interest costs involved because we will construct these facilities when needed and at costs much lower than the costs with which the State would be saddled ten years from now, if built on a piece-meal basis," Matthews said.

Matthews said that he noted that the strong bi-partisan support was being given to the Bond issue in many areas of the State.

Rundown Buildings Arouse Mothers Barnett Elected Head Of Red Cross Chapter

A group of Belleville mothers' Town Hall for more than three back way. We're all afraid of it. "I've shoveled snow in front of the houses many, many times so the kids could get to school without having to walk through the snow," said Mrs. Dey.

Children Injured

Mrs. Dey has had two experiences with the building, which is located on the opposite end of her block. Several years ago her son was burned by some acid that was left outside in a coop at the rear of the building, which are located at 22, 20 and 18 Holmes Street.

Her young daughter fell on the ice last year and injured her arm. Other mothers in the area have a similar list of complaints.

"All I want is the area to be made safe for children, that's all I want," said Mrs. Dey. "I don't care how they do it."

"At night we never go near the place as it's dark and a mattress is near one of the open windows where a anyone can crawl in and go to sleep. Whiskey and beer bottles have been found there on several occasions," said the neighborhood spokesman.

In the years that Mrs. Dey has been asking that something be done about the structures she said only Daniel A. Valse, former building inspector, did anything about it.

"He was very nice and cooperative," said Mrs. Dey. "He came down several times and had the places nailed shut but it was broken open in a short time. He also had the signs put up in the window which mean that the buildings can not be rented," said Mrs. Dey. "However, after that I called and called but got no results."

The Town of Belleville agrees with the aroused mothers that the structures should be boarded up or come down.

Signs Posted

In the windows of the rundown houses are signs posted by Valse, dated March 8, 1963 which say:

"This building is unfit for human habitation, the use or occupation of this building is prohibited and unlawful."

The buildings are owned by Robert C. Wrecker of Newark and negotiations are conducted with Jerome Alper of the Alper and Alper law firm in Newark.

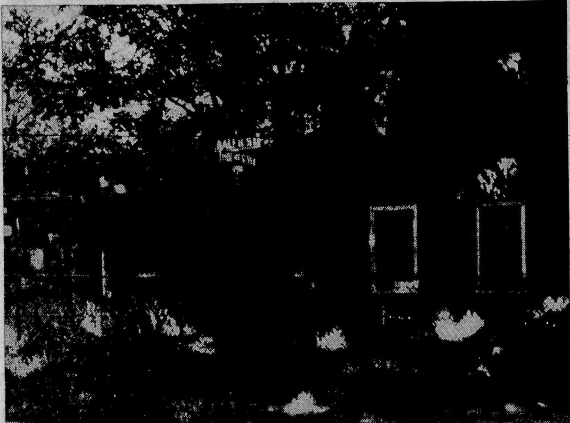

Several letters from Building Inspector Hugh Welch, the latest sent September 16, urge that: "immediate action should be taken to have all windows boarded up until such time as either remodeling or demolishing work is undertaken."

There is a refrigerator and gas appliances in the premises. These articles are a source of play for the young generation.

"I feel the building should be closed tight until such time as work is undertaken. Be glad to meet with your representative to go over this matter."

The town fathers are waiting, but the mothers are getting tired of waiting and want results.

Working as an unofficial committee with Mrs. Dey are Mrs. John Linko, 2 Holmes Street; Mrs. John Werdann, Stevens St.; Mrs. Edward Brown, 61 Ralph St.; Mrs. F. Funkle, 201 Main St.; Mrs. M. Melchior, 20 Ralph St.; Mrs. Robert Haley, 35 Ralph St.; Mrs. Paul Hochstuhel, 273 Main St.; Mrs. John Pipazo, 84 Ralph St.; and Mrs. Miller, 75 Ralph St.

The photos above show the rundown condition of the two homes and surrounding sheds which are located at 18, 20, and 22 Holmes Street, Belleville, which area mothers want boarded up or torn down. The Mothers have been asking Town officials for three years to have something done about the buildings which are being used as a playground by area children and a one-night stopover by transients and drunks. Town officials are writing letters to the owners asking cooperation, but the mothers are now ready to march on Town Hall and demand action if something isn't done soon.

Injured Window Washer Returns Home

A window washer who fell two stories when a scaffold shifted while he was working on the fourth floor of the Wallace & Tiernan building was released Friday from Clara Maass Memorial Hospital and expects to return to work soon.

Marvin Miller, 32, of 622 Mt. Prospect Avenue, Newark, had been a patient at the hospital since August 22, receiving treatment for a dislocated bone in his left arm and head injuries.

"I still don't know how it happened," said Miller yesterday, speaking of the shifting scaffold which caused his tumble. "I'll be going back to work at the same job as soon as the doctor lets me," he said.

"My wife don't think too much of the job, but I've been in it since I was 15 years old," said Miller. "My father was a window cleaner and my brother is in the same business."

Miller is employed by the American Window Cleaning Company of Newark and in his better than 16 years at the job he had only one other mishap. That time he fell one story, landed on his feet and climbed back up and went to work.

"There's no telling when I will return to work," said Miller. "But, I will be back at work soon."

The new officers for the year include: Mrs. Vincent Strumolo, president; Joseph Granesse, first vice-president; Frank Spotts, second vice-president; Mrs. Genevieve Verano, recording secretary; Mrs. Anna Sylvestro, corresponding secretary; Mrs. Marie Lembo, treasurer, and Mrs. Pearl Nelson and Mrs. Marie Olivo, publicity chairman.

Lieutenant Ward Serving in Japan

WAKUKE, JAPAN (UPI)—Marine First Lieutenant Richard T. Ward, son of Mr. and Mrs. Richard F. Ward of 286 Mill St., Belleville, N.J. has reported for duty with the First Marine Air Wing at the Marine Corps Air Station, Iwakuni, Japan.

The wing provides air support for the Third Marine Division on Okinawa, which is the force in readiness in the Far East.

Eugene Barnett was elected chairman of the Belleville Chapter, American Red Cross at the group's annual meeting last Thursday at Parrillo's Restaurant.

Elected to serve with Barnett were: Anthony Bisio, first vice-chairman; Andrew Salkeld, second vice-chairman; Edward K. Albreton, treasurer; Miss Constance Connolly, assistant treasurer; Mrs. Herbert Tucker, secretary, and Mrs. Joseph Pepe, assistant secretary.

Elected to the board of directors for three-year terms were: Edward K. Albreton, Mrs. Ralph Allaire, Mrs. John DeNico, Leslie Finch, Naaman Manning and Mrs. Joseph Pepe. Elected for one-year terms were Andrew Salkeld and Hugh Welsh.

The Belleville Chapter celebrated the 100th anniversary of the International Red Cross with the dinner meeting and heard a talk by Gifford Ross, fund consultant, Region 2.

Ross has served with the Red Cross since 1945 in both the International and National units, serving in Korea, the Congo and Cuba as well as many other areas.

In December 1962 he was sent to Florida to assist in the receipt and delivery of the \$33,000,000 in children's food and medical supplies exchanged for the

release of the 1,113 Cuban "Bay of Pigs" invasion prisoners. Ross arranged for the reception of the first shipment of refugees when the Castro Government permitted relatives of the released POWs to leave Cuba.

Awards for years of service were presented to the following: Five years service — Natalie Paronea, Mrs. Robert Gaschke, William McCoy, Mrs. George Meyer, Mrs. Paul Mulder, Edward Neighbauer, Mrs. Lena Nicastro, Mrs. Hilma Sherman, Miss Linda Tucker, Alfred Welch, Miss Alice Wilson. Ten years service — Mrs. Herbert Conklin. Fifteen years service — Paul Glasel, Mrs. Herbert Tucker, Miss Linnea Andree. Twenty years service — Mrs. Herbert Orth, Mrs. Estelle McEntee.

A highlight of the evening was a special Centenary Certificate designated for persons who have given distinguished service over a long period of years. These certificates were awarded to Albert Luscombe, Mrs. Frank England, Mrs. William Koebler, Mrs. Maurice McEligott, Mrs. Robert Metcalfe, Mrs. Ludwig Pesa, Mrs. Lester Simpson and Mrs. Herbert Tucker.

The invocation was given by the Rev. Robert Siegel, Bethany Lutheran Church. General chairman for the dinner was Miss Constance Connolly.

New Church Will Replace Old But Pastor's Devoted Service to Holy Family Parish Goes On And On

The new Holy Family Roman Catholic Church as it will look when it is completed some time next year.

Prosperous And Enterprising Church Community Grows From Mere Handful Of Early Adherents

The story of Holy Family parish in Nutley reads like a rags-to-riches, Horatio - Alger - type ecclesiastical novel. From an insignificant beginning among poor people of Italian immigrant stock Holy Family has grown to a position of prominence and influence in the Belleville-Nutley area. Its scattered handful of adherents of 1909 have become the active, enterprising church community today of some 2700 families. And the old frame church, that cost \$2,000, and later gave place to the \$150,000 yellow-face brick building accommodating 500, now is to be replaced by a modern edifice to seat 1200 persons, and costing approximately a million dollars.

The parish began in 1909, when the Reverend Father Alfonso De Santola, who had worked in Paterson and Lyndhurst, started

parochial work among the Italian and the eastern section of Belleville. Masses were offered at first in private homes in the area. For several months Father De Santola offered Mass in the home of Michael Stefanelli at Passaic Avenue and Mitchell Street in Belleville, and later in the home of Ciriaco Jannarone at 14 Harrison Street, Nutley.

The first recorded Baptisms were those of Cosimo Basile and Frank Freda on July 22, 1909. Mr. Freda at present resides at 15 Wilson Street in Nutley.

The first permanent church structure, still standing and currently in use as a residence for employees after its being remodeled, was built on a 30 by 100 foot plot at 115 Harrison Street, Nutley. A frame building, it measured 20 by 50 feet and seated perhaps 100 persons. Its cornerstone was laid by Father Jam-

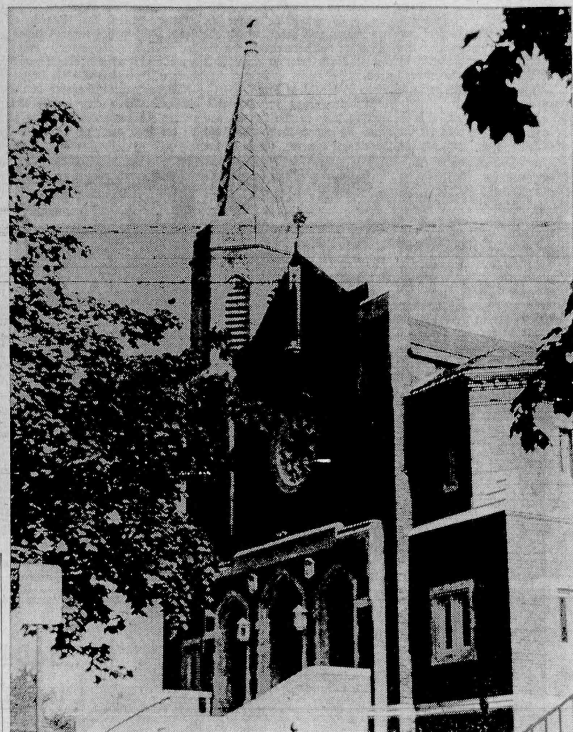

zini. After five years of labor and census - taking in house - to - house canvassing in the parish's Nutley-Belleville area, the then Father DiLuca, who had come from a parish in West New York, sought and received permission from the late Bishop Thomas J. Walsh to build a new church and rectory on nearby Brookline Avenue. The new structure, now in use, was formally dedicated on July 4, 1938 with Bishop Walsh presiding.

Other pastors who led the parish during its early years were Reverend Michael Leggieri, 1916 to 1919, Reverend Joseph Monastaro, 1919 to 1929, Reverend Salvatore Midaglia, 1929 to 1933, and Monsignor Anthony DiLuca, the present pastor, who began his administration in 1933.

Assistant pastors have been the Reverends Joseph T. O'Connor, Francis J. Blake, Raymond A. Murray, Anthony T. Benf, Francis R. Lo Bianco, Matthew M. Pesaniello, Henry M. Naddeo, Salvatore T. Malanga, Michael A. Sallarelli and Robert P. Co-

zini. The school today accommodates close to 1,000 children.

The present Holy Family Church was formally dedicated on July 4, 1938 with the late Archbishop Thomas J. Walsh presiding.

Monsignor DiLuca Has Been The Pastor Of Holy Family Church For The Past 30 Years

"Eighty-two enemies" is what the Right Reverend Monsignor Anthony DiLuca, P.A., LL.D., smilingly calls the 82 years that are his age.

Pastor of the Holy Family Church in Nutley for the past 30 years-he came to Nutley in October of 1933-The Monsignor is the third oldest priest in the entire Archdiocese of Newark. A Catholic priest for 57 years, his full head of white hair is the envy of his assistant priests, far younger than himself. He is still active and vigorous, still offers Mass daily, and preaches at length every Sunday at the 7:15 Mass. He accepts office calls in the rectory and visits the sick in hospitals occasionally.

Ordnained a priest in Italy in 1906, Anthony DiLuca was the youngest and is the last surviving of 16 children born to Vito DiLuca and Margaret Margariello in Stigliano, Matera, on March 12, 1881. He first came to America in 1907, one year after his ordination. He stayed 2 years in Yonkers, N.Y. and then accepted a pastorate in Texas, where he remained 10 years. He recalls that he was his own cook, housekeeper, sexton and sacristan while working among the laboring classes in Texas.

Because of continued ill health, Father DiLuca returned to his native Italy in 1919. At the invitation of the late Monsignor Di Persia of Jersey City, he returned to this country and took up his priestly labors for the Italian people of the then Diocese of Newark. He served as an assistant priest successively and successfully in Mt. Carmel Church, Newark, at St. Francis Xavier parish in Newark, and at Our Lady of Libera Church in West New York.

First Collection \$14

In 1933, at the age of 52, he was appointed pastor of Holy Family in Nutley by the late Bishop Thomas J. Walsh. He found a church badly in need of repair with practically no funds. His first Sunday collection, he now recalls, amounted to all of \$14 to support his church, to provide for himself, and to help the poor, for the entire work.

By traveling from door to door in all kinds of weather-some of his older parishioners still recall his efforts-he took a census of his parish in Newark, and influenced many to better attendance and better support of the church. He conducted bazaars, merchandise sales and card parties to raise funds. He rarely said "no" to a request and won for himself many friends who aided him in the development of his parish.

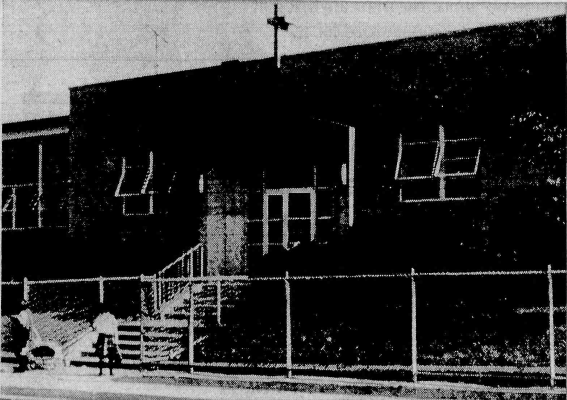

The Monsignor, who speaks excellent English, recalls that his plans to build a new church in the depression-ridden 1930's did not meet with complete acceptance. It was even dourly predicted that the new church would never be paid for. The debt on the parish after the building had been dedicated was well over a hundred thousand dollars, a sum seemingly out of reach in the depression. But in a short ten years or so the debt had been completely liquidated. And this was accomplished despite two costly fires, one in 1944 which did damage estimated at \$10,000, and a second on Christmas Day, 1949, which caused damage of about \$20,000.

In 1949, in recognition of his labors, Pope Pius XII, at the recommendation of the late Archbishop Thomas J. Walsh, raised the energetic pastor to the rank of Domestic Prelate with the title of Right Reverend Monsignor. His document of elevation was signed by the then Monsignor John Baptist Montini, now Pope Paul VI. His honor, as were others to be bestowed upon him, was completely unsought, as his first assistant, Father Francis J. Blake, who has been with him more than 21 years, attests.

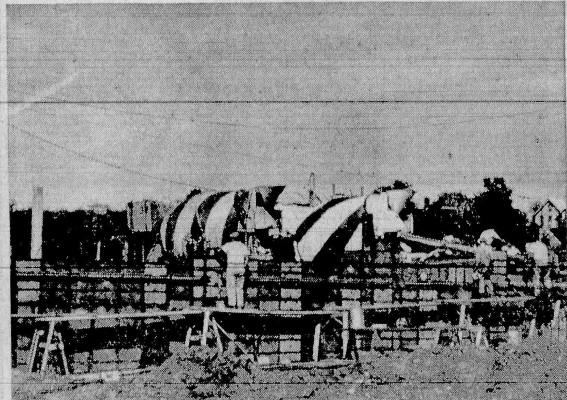

On the occasion of his 80th

anniversary as a priest he was given the honorary degree of Doctor of Laws by Seton Hall University, and his parishioners feted him at a dinner and presented him with a car. His recognition became international when he was made a Canon of his home diocese of Tricarico in Italy. He was made a Protonotary Apostolic, the highest rank of the Monsignorate, at the request of Archbishop Boland by Pope John XXIII of happy memory.

As he has watched carefully every new building he has erected, so Monsignor DiLuca is closely observing the constructing of his greatest effort, day by day. He is a familiar sight on the construction scene. He is Continued On Next To Last Page

Holy Family School was completed in 1950 with 8 large classrooms, kindergarten, auditorium-gymnasium, shower rooms, stage, cafeteria and offices. Eight additional classrooms were added in 1956.

Construction on the new Holy Family Church has just started, as the above picture, taken a few days ago indicates.

Bellboys Face East Orange in Grid Opener Saturday

'We're Ready', Says Coach Testa; Pomaco Will Start at Quarterback

All systems are reported "GO" in the Belleville High football camp. Coach Tom Testa's Bellboys, 1963 version, will lay aside the playbooks and start exercising their muscles for the season's opener against powerful East Orange Saturday.

Testa, who has compiled a distinguishing record in his short term at Belleville, came up with a tentative starting offensive and defensive unit.

"Although we lack the needed depth that all coaches desire, I will alternate both ways," Testa disclosed.

Pomaco Heads Attack

The big question mark is the quarterback. Testa has been experimenting with three boys at the reins, but found senior Frank Pomaco the more consistent.

"Pomaco will be my starting quarterback unless something drastically happens. The other

boys are inexperienced and Frank picked up a lot while sitting on the bench last season," Testa said.

The senior signal caller has good hands and is starting to move the offense. He showed signs of leadership the first time he directed the squad in a scrimmage.

Pomaco's greenness will either peel off in the initial contest or stay. Testa feels Frank will do an adequate job with a little more leadership under fire.

Starters Noted

The remaining starting backfield includes senior halfback Tom Greco and Joe Cervasio while John Senesky will play fullback. Greco has plenty of speed and will be used on sweeps and flare passes. Cervasio is a reliable performer while Senesky is good for a couple of yards up the middle. He's the type of runner you call a "bread and

butter" performer, according to Testa.

The ends include lettermen Rich Benecchi and Frank Raimo. Both boys are big, fast and have good moves. Benecchi is the better of the two in blocking.

Belleville's offensive interior is weak in spots, but they have been coming along in scrimmages. Leonard Luongo and Warren Ceres will be at tackles while Sibi Sica and Jerry Longo will hold down the guard positions. Joe Del Guercio will anchor the wall at center.

Defense Strong

Defensively, the Bellboys are strong. Ceres, Luongo, Benecchi, Senesky and Cervasio will play full-time. The remaining unit will include Pete Strumolo at tackle while Joe Goffa and Tony Giampiro will defend at the guard slots.

Frank Raimo and Charlie Oese will team-up with Cervasio and Senesky in the secondary.

Barring last minute changes, this is the probable two-way platoon. Testa will use in the opener: "We're as ready as we'll ever be," revealed a poised Testa, "I hope we hold our own against East Orange. I understand they have a veteran club."

East Orange will be led by fullback Pete Johnson. He virtually was a one-man wrecking crew against the Bellboys last season.

Kickoff is 2 P.M. at East Orange High football stadium. Good Luck fellows!

Little League Slates Dinner

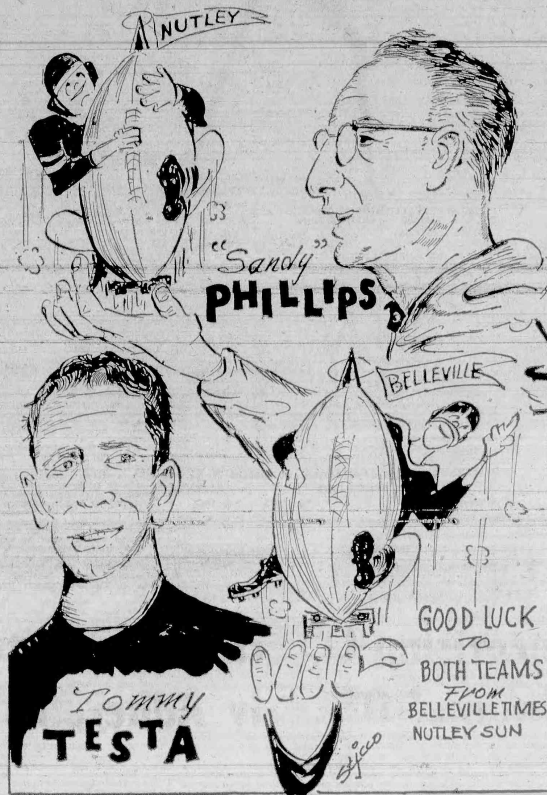

The Belleville Little League will conduct its 10th annual dinner trophy night at 4 p.m. October 6 at the Amvel Post 26.

Trophies will be awarded to winners of the National and American Leagues along with the world series titlists. Both All-Star teams will be presented with awards.

Bob Conway will be master of ceremonies. The following Little League clubs were sponsored by

town organizations: Aces, sponsored by Rotary Club; Bombers (Elks); Clippers (Wallace and Tiernan); White Sox (Vee Bee Esso); Indians (Food Fair); National League representatives are: Cubs (Lions Club); Dodgers (Jolly Cleaners); Cardinals (PBA); Braves (Unico) and Pirates (Federal Industries).

Nick's Texaco Sweeps

The Mayor Laterza Twin Major Bowling got into full swing Monday night at Olympic Bowl with Nick's Texaco sweeping 3 games. Kondreck's Studio, Branch Brook Manor, Parkview House, Olympic Bowl, and Andy's Sport Shop taking the odd game.

The individual scoring featured J. Fusaro—664-233, B. Hollis—633-235, R. Baldan—620-214, J. Dummoore—612-212, F. Stanton—600-239, J. Dolce—600-234. At this time Nick's Texaco leads the league, and J. Fusaro leads the individual averages.

Belleville Marine Wins Interservice Rifle Title

PORT BENNING, Ga. — More than 50 smallbore riflemen, watched a Marine walk off with the three-position aggregate Individual Kneeling Match crown while the Army took the team title September 17 at Fort Benning during the Third Annual Armed Forces Internal Shooting Competition.

Sgt. D. I. Boyd of Belleville, N. J., and the Quantico (Va.) Marine Corps Marksmanship School, worked his way to the co-

veted aggregate crown by firing winning scores in the kneeling and standing 50-meter smallbore rifle shoots to easily walk away with the day's individual laurels: 583; Air Force, 1,332; and Marine Corps, 1,352. Air Force took second in the team with most bull's eyes.

Team Kneeling Match: Air Force, 1,516; Army, 1,514; and Marine Corps, 1,493.

Manor Leads In Wizards League

In the Thurs. Nite Wizards League at Cardinal Lanes, Branchbrook Manor took over the lead by taking two games from W. T. Grant, Kohler Sheet Metal Co. was knocked out of first place by Team 2, which made a clean sweep by winning all three. Centre Discount took two games from Centre Delicatessen and the Lounge lost two games to Pizzan.

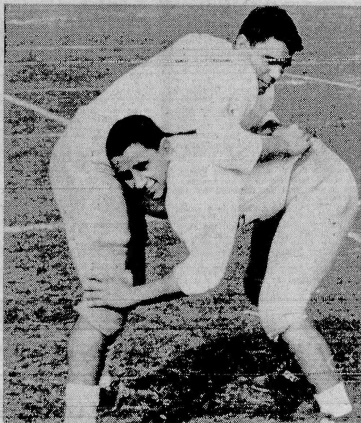

High series was rolled by Empire Newport with games of 172-179 and 182 for a series of 563.

Belleville Company Played Role in Project

The carbon dioxide fire extinguishing equipment for the \$46.7 million Greens Ferry Reservoir project on Little Rock River near Heber Springs, Arkansas, was furnished by Walter Kilde & Company of Belleville, New Jersey. President John E. Kennedy will dedicate the project on October 3. Built under the supervision of the Little Rock District, U.S.

Army Engineers, the project will provide new flood control, hydroelectric and recreational facilities for north-central Arkansas. The dam, an all-concrete structure, is 1,704 feet long, 243 feet high, and will have two 48,000-kilowatt generators. The reservoir will cover 31,500 acres. Over-all construction time on the project was five years.

Foremanship Course Begins Tomorrow

NEW BRUNSWICK, September 25 — "Techniques of Foremanship" is the topic of a six-session course to be conducted for the American Tag Company, Belleville, by the Rutgers Institute of Management and Labor relations beginning tomorrow. Sessions will be held from 6 to 8 p.m. on Thursdays, ending October 31. Samuel G. Cooper, Extension Specialist, Management Program is coordinating the program. Instructor for the course will be Leonard J. Smith, member of the coadjutant staff.

Scouts Slate Gun Exhibit By Sgt. Dean

Belleville Police Sgt. John Dean
will demonstrate pistol shooting
and speak on "Legal and Illegal
Use of Fire Arms" at Bethany
Lutheran Church, New and Jor-
alemon Streets, as part of the
Post 302 Explorer Program Mon-
day night at 8.

Youths between the ages of 14
and 18 are invited to attend and
see for themselves how the "Ex-
plorer branch of Scouting oper-
ates. "Adventure through Scout-
ing" is the official 1963-64 theme
which Post 302 intends to incor-
porate in programs during the
coming season.

At the opening meeting Sep-
tember 16 after a slide lecture,
"Leonardo DaVinci: Painter-In-
ventor" sponsored by I B M
Corp., of New York City, Presi-
dent Jerry Patterson of 12 Bar-
nace Road, announced a recent-
ly made sale had put the treasury
on sound footing. Secretary Jo-
seph Seeley, 61 Fairview Place,
reviewed the Summer activities:
Swimming at McDonald's Lake,
Coe's swimming pool, the annual
bike hike to Morrisstown to visit
Washington's Headquarters, over-
night hike to Mills Reservation,
coed bowling. Seeley also an-
nounced his advancement to Bro-
therhood in Order of the Arrow
at Camp Mohican at the annual
ceremony Labor Day week-end.

Lou Mueller of 47 Maier
Street, institutional representa-
tive for all Scout groups at Beth-
any Lutheran Church, announced
Robert Treat Council has offi-
cially changed some of the adult
leaders. Donald Ruopp, 61 Pledge
Drive, former Scout and member
of Bethany Lutheran, will
replace John B. Seeley as ad-
visor for the Post. Seeley will
continue to assist the post as
committeeman, and will teach at
The University of Scouting at the
Newark Broadway School during
the October-November term on
the subject "The Role of the Ad-
visor."

Midget Auto Races at Pine
Brook formed the core of the su-
per-activity voted by the post
and attended by six members
Friday night with transportation
provided by new advisor Ruopp
and Committeeman Peter Sem-
chuk, 15 Beverly Court, all of
Belleville.

Enterprising Church

(Continued From Page 10)
parish structures, was complet-
ed to accommodate 13 sisters of
the Philippine order. Subsequently
it too was enlarged, as was the
rectory.

Monsignor DiLuca personally
acted as the general contractor
for a two-story building in use
now as a youth center and meet-
ing room, and housing the
school's library.

The parish is blessed with
large parking areas surrounding
its buildings, due to the far-
seeking outlook of its pastor. All
has been paved and marked with
guide lines for parking. The
areas double as playgrounds
when school is in session.

The new structure, which will
be the third church building to
serve the needs of the parish,
will, fittingly, be built on higher
ground than its predecessors and
will tower over all the family of
buildings that go to make up the
physical assets of Holy Family
Church. The spiritual assets of
the parish—people who readily
lead them to complete the work
started by their predecessors of
almost 60 years ago by erecting
the largest church in this area
as their generation's monument
for posterity.

Monsignor DiLuca

(Continued From Page 10)
also active in seeking funds for
the financing of the new church,
and has been visiting some of
his parishioners—he drives his own
car—to request that they sponsor
memorials in the fund campaign
just beginning.

Monsignor Di Luca enjoys the
respect and reverence of his
assistant priests as well as that
of his people. They are hopeful
that the "82 enemies" he calls
his 82 years will become many
more as his leadership continues
unabated in its vigor and will-
ingness to work.
