

COACH SANDY PHILLIPS:

'We Don't Take Field to Lose...'

"Playing Belleville is always a real tough battle. We'll try our best to beat them and the best team will win."

A Heady Experience

Ken Schautz of Bloomfield High School managed to stop a Belleville advance in Saturday's contest with a bulldozing tackle, but all of Bloomfield missed Tom Greco on his 70-yard dash which gave the Bellboys their first win of the season, 7-0. See other photos, Page 9.

Dual Control of Schools Lashed by 1954 Jury

(First of a Series)

Dual control administration was returned to the Belleville School system by the Board of Education at its September 23rd presentation issued by the Grand Jury on April 6, 1954. In a series of articles beginning this week, the presentment will be printed completely so that our readers may refresh their memories on the deficiencies and dangers that lurk in the dual control system of administration that the Board has returned to Belleville by a 4-3 vote.

The names of persons mentioned in the presentment will be deleted to save the rebinding of old embarrassments to families and friends of persons involved.

In the belief that many of its readers have forgotten the conclusions of the Grand Jury, The Times-News, as a service to its readers, will publish the complete presentment issued by the Grand Jury on April 6, 1954. In a series of articles beginning this week, the presentment will be printed completely so that our readers may refresh their memories on the deficiencies and dangers that lurk in the dual control system of administration that the Board has returned to Belleville by a 4-3 vote.

Presentment Against 1954 Board

PRESENTMENT AGAINST THE BOARD OF EDUCATION OF THE TOWN OF BELLEVILLE IN ESSEX COUNTY, NEW JERSEY, BY THE ESSEX COUNTY GRAND JURY-APRIL 6, 1954.

The Essex County Grand Jury after careful examination and consideration of the testimony given in the case of the Belleville Board of Education makes the following findings:

1. While the evidence presented did not justify indictments, it did disclose ample ground for criticism. In most instances the transactions were governed by the two year statute of limitations then in effect, and thus, any action toward the return of indictments were precluded.

2. However, the Grand Jury finds from the evidence submitted sufficient cause to submit to the Court a presentment against the Belleville Board of Education with respect to the following practices:

1. Loose and careless business practices in the general operation of the Maintenance Department of the Board of Education.
2. Loose and careless business practices in the purchase of supplies.
3. Lack of inventory control so that no accurate record of supplies stored at the school plant was regularly available.
4. Loose and careless procedures in the handling of time cards resulting in inaccurate payroll procedure and irregularities in overtime payments.
5. The use of employees of the Board of Education for the personal benefit of Board members and others while working for and being paid by the Board of Education.
6. Lack of supervision of Board Maintenance employees resulting in employees leaving their regular assignments at will.
7. The use of equipment owned by the Board of Education such as truck, station wagon, waxing machine and others for personal use.
8. The passage of resolutions for the purchase of new automobiles without obtaining competitive bids, without separate or independent appraisals of the value of the cars given in trade by the Board of Education, and without inquiry into whether or not a more advantageous purchase could be made elsewhere.
9. The purchase by members of the Board of Education of cars traded in by the Board of Education.
10. Keeping Board automobiles in the garage of the Business Manager.
11. The members of the Board of Education permitted the Business Manager to exercise powers and duties which they should have exercised themselves and they accepted established practices of prior boards without any inquiry into their validity and desirability.
12. After several weeks of testimony, the Essex County Grand Jury finds that in some instances indictments are precluded by the two (2) year statute of limitations then in effect and in others the evidence was not sufficient for indictment. The Grand Jury strongly criticizes the laxity of long standing policies and loose and arbitrary practices indulged in by the business manager and several Board members to the detriment of the Belleville School system, particularly, and citizens of the Township in general.

(Continued next week)

Page Numbers?

Looking for page numbers? No, we didn't leave them out. We just shifted them from the top to the bottom of the page as a matter of course in our constant effort to improve The Times-News and make it more readable.

In the nine years that I have coached Nutley against them we won the first eight times we played. Last year they beat us. We'd like to win this year. After all, we don't go out on the field to lose.

Our Fullback Blasi DiGirolamo was out last week with a bruised shoulder. We hope he'll be ready for this game.

Defensively we're trying to improve. We are satisfied with our ground attack. Last week the boys played good position ball against East Orange. We lost but I was satisfied as our boys only made a few mistakes.

They'll be tough to beat, but if we have our boys playing the game they're capable of, we'll do all right."

COACH TOM TESTA:

'We're Not Going For Bus Ride...'

"We're physically strong and hope to play a steady type of ball game against Nutley this Saturday. It will be

a tough game but I thing steady blocking and tackling will be the key.

Our defense is sound and we hope that our offense doesn't make too many mistakes. At least I hope we make less mistakes than they do.

Nutley is always tough and they will have more beef on the line, but our kids are real fighters and I'm sure they will be up for this game.

The breaks will play a big part in deciding the winner of this game. Our boys looked great last week against Bloomfield and if we can cut down on our offensive mistakes we will do all right. We don't intend to go over to Nutley just for the bus ride."

BELLBOYS AT NUTLEY

NJ Won't Appeal Dismissal

Essex County Prosecutor Brendan T. Byrne announced recently that the state will not challenge the court ruling which dismissed an indictment charging seven members of the 1961 Belleville Board of Education with misconduct and two other officials with abetting misconduct.

The indictment was dismissed by Superior Court Judge Robert A. Matthews two weeks ago on grounds that the alleged suppression of information on soil conditions at the site of the new High School did not constitute a crime.

Byrne said Judge Matthews gave very careful consideration to this matter and that he did not feel justified in imposing upon the county the costs of an appeal, "nor do I feel morally justified in obliging the defendants to continue to live under a cloud of criminal accusations."

Discussing the three companion indictments still outstanding against various members of the board, Byrne said future action is still under consideration.

Indictments still pending involve Mrs. Violet M. Rochau, Felice J. McCormick, Richard H. Drake, Ernest S. Arvidson, Dr. Frank D. Di Ruggiero, Arthur M. Pico, Nicholas S. Juliano, Dominic A. Lally, and Michael V. Albertine.

All parties are expected to move for dismissal of all counts now that the state has decided not to appeal the original dismissal.

Youth Held In Stabbing

Joseph Coppola, 19, of 2 Belleville Avenue, is being held in \$10,000 bail in the Union County Jail on a charge of atrocious assault and battery in connection with the stabbing of a Garwood man at a party Saturday night.

Coppola was charged with stabbing Stephen Benzay, 24, of Garwood. Benzay is reported in good condition in Rahway Hospital, where he is being treated for four stab wounds in the chest.

Detectives arrested Coppola in connection with the stabbing, which took place at the home of Louis Jacques, 14 Thomas Drive, Clark.

Hijacked Van Found in Town

A truck hijacked in Union Saturday with \$15,000 of merchandise was found empty in Belleville Monday.

The truck was taken from the parking lot of Loria Bros. trucking firm, Route 22 and Hall Avenue. It was located at the dead-end of Mill Street by Belleville Police Sgt. Harold Roach.

Tony Loria, president, said it was carrying a shipment of records, plastic goods, lamp shades, material and plumbing supplies all headed for New York.

Mrs. Fred Weber Heads Lions Club Auxiliary

Mrs. Fred Weber, newly elected president of the Women's Auxiliary of the Belleville Lions Club, will preside at the first meeting of the season Tuesday evening, October 15, at 8 o'clock at the home of Mrs. William Abramson, 33 Floyd Street.

Other officers for the 1963-64 season include Mrs. Ed. L. Ziegler, treasurer, and Mrs. Donald Bray, secretary.

1963 Belleville High School Grid Team

BELLEVILLE HIGH SCHOOL'S 1963 football squad includes: Front row: (left to right), Ron Orsini, Joe Cervasio, Charles Oese, Tommy Greco, Frank Pomaco, Joe Del Guercio, John Visco, Richie Benecchi, Frank Raimo, Sibi Sica, Jerry Longo, Joe Goglia, Warren Ceres. Second row: John Senesky, Frank Mineo, Ronnie Tomaszewski, Phil Rinaldi, Mike Nicosia, Jerry Lepre, Nick Grande, Ken Nakashian, Dan

Seek 2nd Win in Row Saturday

By RUDY NEUMAN

Belleville High's football team is hoping history repeats itself Saturday. Nutley has other ideas. This has the picture as both schools prepare to meet in their traditional football game. The Bellboys are confident of stretching their first victory in 10 years over the Maroon Raiders, but coach Sandy Phillips' outfit is determined to turn the tide and get back into the old groove.

Just a year ago, the Maroon Raiders sailed into Belleville Stadium for their arch-rivalry with the Bellboys. But coach Tom Testa, in his first year as head coach, had his boys up and the rest is history. The underdogs ran roughshod over Nutley, 33-12, to end a long drought.

6,000 Expected

A crowd of some 6,000, including the mayors of both towns, is expected for this annual classic at the Nutley Oval.

Neither of the schools has been a ball of fire thus far. Belleville dropped its opener to East Orange, 13-7, but last Saturday rebounded to nip Bloomfield, 7-0. The Bellboys rely mainly on a strong defense that enabled them to turn back Bloomfield. Coach Testa will throw a pro-type of offensive formation, using the Tight T and Split T. The Bellboys of fense is pivoted around a fine running back in Tom Greco. The 130-pound setback is looked upon with the most respect due to his broken field running ability.

Testa will tell you this boy has the most intestinal fortitude for a player his size. Also fullback John Senesky gains respect. A bruiser when it comes to blocking, big John also is good for a couple of yards up the middle.

Line Balanced

Belleville's well-balanced line is something else. Led by such chargers as Leonard Luongo, Pete Strumolo, Joe Goglia and Sebastian Sica, the Bellboys can be labeled the Bellboy bandits.

Testa's outlook could be summed up as 'hopeful.'

"We'll be up for it simply because it's a grudge game," Testa said. "We know Nutley is a well-trained team."

Nutley coach Sandy Phillips, whose teams had the distinction of never losing to a Belleville club from 1955 to '62, will not go out on the limb and predict victory.

"If you recall, 15 of my boys were on the sidelines watching the substitutions get mauled against Belleville last season," Phillips stated.

From the outset of the '62 campaign, Phillips was having his share of headaches as the injury list mounted steadily.

Last week, the senior veteran runner suffered another ulcer when star fullback Blasi DiGirolamo broke his right shoulder. The power-driven senior under-

(Continued On Page 10)

Football Photos To Be Exhibited

The Times-News photographers take more photos at Belleville High School football games than it is possible to publish in the newspaper.

All football photos will be displayed each week on a special bulletin board on exhibit in the window of the Times-News office at 248 Washington Avenue, Belleville.

O'Connor Hits Opponents On Lack of Experience

Bernard O'Connor, candidate for the Belleville Town Council, today charged most of his opponents with wanting to start "at the top of the ladder" in Belleville municipal affairs.

O'Connor, one of eight men running in the November 5 election race, stated that six of those running against him have backgrounds which are totally devoid of participation in any of Belleville's community affairs.

"They want to start out at the top as councilmen," O'Connor said. "This is an insult to the voters of Belleville. We need men who have proven in the past that they are willing to devote themselves to local affairs, who are willing to give personal time to this community."

O'Connor, whose plumbing supply concern serves the Belleville-Nutley area, is a Democratic county committee member, served as Belleville campaign manager for Sen. Harrison Williams, and was a campaign worker for Governors Meyner and Hughes and President Kennedy.

He has also worked in various voter registration drives and in charity drives for the American Cancer Society, mentally retarded children, New Jersey Boys-town. He is a member of the Belleville Elks, a former member of the Veterans of Foreign Wars, and a former vice president of the Belleville Junior Chamber of Commerce.

The election is for the vacancy caused by the resignation in July of Councilman Thomas P. Greco, who charged that a "majority vote" composed of Mayor Robert Laterza and Councilmen George Adamonzo and Vincent Strumolo are dominating Belleville government.

Scout Council Slates Seven Camp Sessions

Robert Treat Scout Council estimates that nearly 1,000 Boy Scouts and their leaders will participate in seven District Camporees on October 18, 19, 20.

The Belleville District of Robert Treat Council, Boy Scouts of America will hold its Camporee at Mayapple Hill, north, South Mountain Reservation. Harry Winfield, district commissioner, will be in charge.

Each Scout Troop will be under the supervision of its Scoutmaster and in some cases, assistants and members of the Troop committee. For many of the Scouts it will be their first night under canvas.

Each Troop will provide its own tentage and other equipment. The Scouts and leaders will develop their own menus, prepare the food, and the cooking will be done by Patrols of approximately eight boys.

Robert Treat Council has arranged for religious services, and the District Commissioners and leaders will conduct ceremonies and other activities.

The Council has provided a special mascot for Troops and leaders and will also provide ribbons or streamers for each Troop according to its scoring under a Camporee-Rating Plan. The rating will be based on packing and use of equipment, commissary, food preparation and cooking, sanitation, and participation in the Camporee activities.

Key to happy home ownership

a LOW-cost MORTGAGE LOAN FROM De WITT

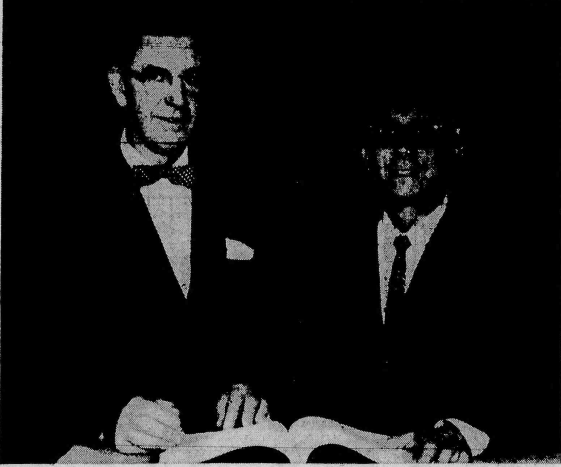

Savings and Loan Associations like De Witt are currently financing 44% of all owner-occupied homes in the U.S.—and with good reason! Service is prompt, with quick appraisals and quick commitments. Repayment terms are adjusted to individual needs and income. Result: a mortgage loan that plays a key role in helping you attain the goal of safe, secure home ownership. So, whether you're planning to buy or build—or re-finance a present mortgage—it will pay you to come in to De Witt for complete information, without obligation.

HOME IMPROVEMENT LOANS, TOO! If repairs, remodeling or redecorating are the order of the day at your house, you'll find that a De Witt Home Improvement Loan can be your handiest helper. Borrow up to \$3,500, take up to 60 months to repay in easy-to-handle installments.

Map Campaign for Council Votes

Thomas R. Colatrella (right) has appointed George K. Mitchell as manager of his campaign for the at-large seat in the November 5 election to fill the vacancy on the Town Council.

Colatrella Names Mitchell To Guide Council Campaign

Thomas R. Colatrella has announced the selection of George K. Mitchell of 149 Academy St., as his general campaign manager for the Council at-Large seat in the November 5th Election in Belleville.

Colatrella said: "I am delighted to have George direct my campaign because I have known George for a long time and know of his deep interest in Belleville affairs."

"Mitchell, a long time resident of Belleville, is a graduate of the public school system in Burlington, Vermont. Prior to World War II, Mitchell was employed by the U.S. Government. During the war, Mitchell served in the 3rd and 85th Infantry Divisions. He saw service in the African campaign and was in the Italian Campaign in the Rome-Arno Theatre of Operations."

Married to the former Adeline Natress, the Mitchells have a daughter, Georgene, a sophomore at Paterson State College, and son, John a sixth grader at school 8.

Mitchell is a past Commander of Belleville Post No. 105, The American Legion. At the present time he serves his post as adjutant. He is a member of the Belleville-Veterans Council and is a member of P.T.A. No. 8 School. Mitchell has served four years as a trustee of the Belleville United Fund and is now the vice-president of the Belleville United Appeals. He is employed by the American Tag Co. of Belleville. The Mitchells attend St. Peters Church.

The occasion is the 18th annual conference of the New Jersey School Superintendents Assn. at Haddon Hall Hotel. Theme of the conference is "The Improvement of Instruction: How to Do It."

Dr. Frederick M. Raubinger, New Jersey's Commissioner of Education, will deliver the keynote address Tuesday, Oct. 22. His subject is "Putting the Pieces Together," according to Ernest Gilliland, Somerset County superintendent of schools, NJSSA president.

Wednesday, the superintendents will study ways to improve education for seriously underprivileged children. The speaker will be Dr. Lloyd McKelvie, New Jersey's Commissioner of Institution and Agencies.

The school superintendents will spend much of the conference in small seminars studying ways to improve teaching and learning in every phase of the curriculum.

Tea Will Welcome Shawger PTA Moms

A welcoming tea for the new classroom mother of the James G. Shawger School will be held Tuesday afternoon, October 15, at the school. Hosts for the affair will be members of the executive board.

Mrs. Vincent Strumolo, PTA president, will welcome the mothers and explain their duties for the coming school year. Mrs. G. A. Corbo and Mrs. S. E. Potenzione are classroom mothers chairman.

Scarpelli Pledges Independent Role

Frank Scarpelli, candidate for Councilman-at-large, today pledged that if elected, he will strive to bring a true people's government, one which will bring public officials closer to the people of Belleville.

Scarpelli is a life-long resident of Belleville. He attended the Belleville school system and graduated from Belleville High School, where he excelled in football. He is employed by the State of New Jersey, Department of Law and Public Safety, and has been a state employee for seven years. Prior to that he was employed by Eastwood-Nutley Co. and during that time served as an organizer for the I. A. M. Local No. 1911.

Scarpelli is a veteran of the U. S. Army and served over seas. He is married to the former JoAnna Santora, who is the late councilman, Raymond V. Santora of Newark. The Scarpellis have two children, Frank, 4 years of age and Maryanne 6 months.

He is a member of the Democratic Club of Belleville, Local Order of Moose, Union Club of Belleville, Raymond V. Santora Association, James P. Lordi Association, and many other Civic and Welfare organizations. He was a strong advocate for the change of government from the commission form to the present council manager plan, and feels this system, if properly implemented will best serve the needs of the citizens of Belleville.

Scarpelli stated that "there are many issues which demand public attention and scrutiny. During the course of my campaign, I shall endeavor to bring these issues to the public so that they may be better able to evaluate and decide what proper representation can mean to the progress of our great town of Belleville." He also stated that "he is an independent candidate and that if elected he would be responsible only to the citizens of Belleville."

Mrs. Brown Heads Visiting Homemakers

TRENTON — Appointment of Mrs. Mae Rosalie Brown as Executive Director of the Visiting Homemaker Association of New Jersey, Inc. is announced by Mrs. John R. MacNellie, Pitts-town, president of the Association.

Mrs. Brown succeeds Mrs. Edith Higgins, resigned.

The new executive director was educated at Wendell Phillips High School in Chicago; the Chicago Normal School, from which she holds a certificate for teaching; the Illinois Institute of Technology, from which she holds a bachelor's degree; and the Social Work Division of New York University.

She worked as a teacher in Chicago and in Bordenstown, N.J.; and worked with the Children's Aid Society, the Edwin Gould Foundation, and the Morningside Community Center, all in New York City. From 1952 until recently, she was a social worker with the Lutheran Welfare Association of New Jersey in its Division of Care of the Aging. From 1950 to the present, she also served as part time executive director of the Visiting Homemaker Service of Hudson County.

The Association is a statewide group to stimulate the formation of visiting homemaker services where they do not exist, to help strengthen the services where they do exist, and to encourage more widespread use by the public of existing services.

Homemakers are women who are employed on an hourly basis, after completion of a standard training course, in homes in which there is illness or other kinds of family disruption. The client makes payment to the visiting homemaker agency and the agency provides "the visiting homemaker. Homemakers do not do bedside nursing. They do light housework and help to assure the smooth operation of the household in what might otherwise be a trying time. Their availability has made it possible to avoid hospitalization of the sick person in many instances.

The Association has its offices with the New Jersey State Department of Health at 211 East State Street, Trenton, New Jersey.

Dr. Roachvarg Attends Seminar

NEWARK — Optometrists from all parts of the state attended a professional seminar here today (Essex House Hotel) devoted to a review of the latest advances in prescribing and fitting contact lenses.

Doctors attending the meeting included Dr. M. Roachvarg of Belleville.

Highlight of the meeting, sponsored by the New Jersey Optometric Association, were papers presented by two prominent optometrists.

Dr. Bernard Donner of London, England, Chairman of the Contact Lens Practitioners Association of London, discussed recent research in contact lens design.

Dr. Maurice G. Foster, chairman of the Committee on Contact Lenses of the American Optometric Association, reviewed special types of contact lenses suited for use by patients having various forms of eye disease or visual defect.

Cottage Clean-Up Tips

When closing up that summer home for the winter be sure to store all bedding, clothing and other fabrics in a dry place. Inspect the fabrics and spray them for insects. Store them where insects cannot get at them. For surer protection against moths and insects, have woollens and pillows laundered before storing them.

Five Alarms Answered by Town Firemen

The second bomb scare in two weeks at Federal Industries was one of five runs made by the Belleville Fire Department last week. Twelve ambulance runs were performed by the department.

Fire in an auto owned by John J. Cullen at 27 Linden Avenue on September 30 was the first call responded to by the firemen. Cullen said he threw a pail of water on the back seat and thought the fire had gone out. However, the blaze reignited and burned out the backseat of his vehicle before firemen doused the blaze.

On the same day, firemen answered a call at the home of Mike Fortino, 84 Belmont Street, when the steam valve blew off the furnace in the basement of the house.

On October 1, firemen responded to the second bomb scare in two weeks at Federal Industries. One truck and a car were dispatched and the plant searched with no bomb being located.

On October 2 at 6:50 a.m. firemen were called to the garden Apartments at 10 Bellevue Court after a delayed ignition in an oil burner.

On October 3 at 9:40 p.m. firemen were called to wash down gasoline on Main Street after a vehicle hit an object in the street which pierced the car's gas tank and spilled gasoline on the street.

Cpl. Dudosh Serves At Cherry Point, N. C.

CHERRY POINT, N.C. — Marine Corporal John Dudosh, son of Mr. and Mrs. Frank De Leonardi of 15 Pleasant Ave., Belleville, N.J., recently reported for duty with Marine Air Base Squadron 27 at the Marine Corps Air Station, Cherry Point, N.C.

His unit is part of the Second Marine Aircraft Wing which provides aviation support for Atlantic Fleet Marine Force operations.

Kiwanians Receive Gasorama Profits

Frank Bruno, left, vice president of the Vee Bee Esso Station, presents a check from the profit of sales during the "Kiwanis Gasorama" to Victor Cali, right, president of the Kiwanis Club of Belleville, while A. Freeland of the Humble Oil and Refining Company smiles his approval. Also in the picture is Tom McLaughlin, vice president, seated. On Saturday, September 14, the Bruno Bros., owners of the Vee Bee Esso, turned over their Service Station to the Kiwanians, whose members manned the pumps. The profits will be used in the Charity Fund Raising of the Kiwanis Club of Belleville, New Jersey.

139 Belleville Children Seen In Substandard School Rooms

New Jersey school districts had 45,665 children in substandard classrooms last year, reports the New Jersey Education Assn. Of these, 2,049 were in Essex County.

In Belleville, 139 children were in substandard classrooms at the start of the 1962-63 school year, according to the latest reports of the N. J. State Department of Education.

A substandard classroom is one which does not meet safety, health or educational standards established by the state. It is usually in an old school, a converted basement area, or outside school

in a fire house or church.

NJEA is urging passage of the \$750 million bond issues Nov. 5 because they will free \$250 million in additional state aid for school operations between now and 1968, provide \$125 million for college buildings and \$10 million for establishing two-year county colleges.

NJEA favors passage of the bond issues as the first step in a complete modernization of New Jersey's programs of state school aid.

The \$250 million in increased state aid would come from the

\$475 million Highways Bond Issue. It would include at least \$5.5 million extra a year for the districts in this county, beginning with the 1964-65 school budget to be adopted in February.

The \$135 million for two and four-year public colleges would come from the \$275 million Public Buildings Bond Issue. This would provide college opportunities for thousands of qualified New Jersey high school graduates who otherwise will be unable to go to college, says NJEA.

The new "sporty" look features vests, long sleeved shirts, skirts and jackets, lots of tweeds and cable-knit stockings which call for low stacked heels.

Belleville ARC Honored by Mrs. Topping

At the annual meeting of the Belleville Chapter, American Red Cross September 19, a special 100th Anniversary Award, was presented to Mrs. Harriette Topping of 280 Washington Avenue.

This award was presented for long and distinguished service. Mrs. Topping has been a member of the local chapter volunteer services since 1942. She has served as a fund worker and whenever we have a drive can be found in one of the banks with a coin container asking for donations and always getting more than any other workers.

It would be impossible to list all the socks and sweaters she has knitted for the Veterans Hospital and also all the other garments she sewed over these 21 years.

Mrs. Topping is a familiar figure at all Belleville Blood Bases. She presides over the juice table and sees to it that every donor drinks his juice before donating.

She has rolled up over 2,500 hours of service.

Through some inexplicable error, Mrs. Topping's name was omitted from the list of persons receiving awards at our annual meeting, published two weeks ago. The Chapter wishes to apologize publicly because Mrs. Topping has made and continues to make a very valuable contribution to the Belleville Red Cross and to the community.

CYO Moderators Will Plan Agenda

A meeting of the 56 local parish CYO moderators has been called by Rev. Vincent F. Affanoso, Essex County CYO director, for October 21. The fourth annual luncheon meeting will be held at the Three Crowns Restaurant, Montclair at 11:30 a.m.

Program plans for the coming year will be outlined and discussed.

MILDEW TREATMENT

Mildew on a painted surface will respond to this treatment. First, wipe surface with mineral spirits to remove any grease. Then wash mildewed area with a solution of water and washing soda or trisodium phos-

phate, according to packing instructions.

If mildew spores have penetrated the old paint film, use an abrasive household cleaner or de-natured alcohol solvent to remove the spores. Rinse, dry thoroughly, and apply paint that

contains a non-toxic mildew inhibitor.

What Price Hypocrisy

During the last couple of weeks we have witnessed a grand stand play by Councilman James R. Golden involving his opposition to an expenditure to provide our Town Hall area with Christmas lighting on Washington Avenue. The cost to decorate Town Hall is \$200.00 and the added contribution which the town makes toward the erection of street lights has been \$500.00.

According to Harry French, Director of the Belleville Chamber of Commerce, Belleville has contributed to Christmas street lighting for the past 16 years. Golden opposes the measure because of cost.

Apparently it is important to James Golden that he make an effort to project the image of a public official who is trying to protect the taxpayer's pocket.

Unfortunately a close examination of the record shows some Golden inconsistencies. For example, when Golden was campaigning for a seat on the Council he led people to believe he would serve as a member of the council at \$1.00 per year. Even before he took his oath of office Golden attempted to influence his colleagues on the council to grant councilmen an annual salary of \$2500.00. A compromise was reached and Golden was able to induce former Councilman Thomas Greco to break his pledge to serve for \$600.00 and they both voted for a \$1500.00 salary. In this they were joined by Deputy Mayor G. George Addonizio who made no salary pledge.

About three months ago it was Golden who led the fight to give Public Works Director Ralph Vara, a \$3,000.00 annual raise. While many people familiar with the work load and responsibilities which Vara has assumed under the new council believed that Vara was entitled to a raise

there were quite a few who thought a \$3,000.00 raise was too much to give to one employee in one year. Golden shrugged off the objections and steam rolled the raise thru the council.

Now it is the same Golden who is trying to persuade taxpayers he has in mind their interest when he opposes a \$500.00 expense to keep Belleville from having a dark Christmas this year. We believe the record holds ample proof that Golden has been acting very hypocritical when it comes to spending taxpayers' money.

It is Golden who has been constantly fighting to separate the Town Clerk's job from that of the Town Manager. At this moment the town is saving about \$4,000.00 a year from the merger but apparently this fact is secondary in the mind of a politically motivated Golden.

It is the same Golden who opposes Town Manager Burnett's decision to combine the jobs of Building Inspector and Plumbing Inspector thus saving taxpayers thousands of dollars.

It is the same Golden who after being elected a Councilman remains strangely silent respecting his campaign promises to throw out of Town Hall all unnecessary employees. As a candidate for office Golden time and again claimed there are too many people on the public payroll.

After 15 months in office Golden has failed to call for the abolishment of a single town position.

In fact the record is clear that Golden has violently opposed these economy measures so when Golden tries to convince Belleville citizens that he is trying to protect their interest by opposing a \$500.00 expenditure to provide our Town with Christmas lighting we turn to the record and we wonder who Golden thinks he's kidding.

Creation of A Monster

SUPPORT OF PICO URGED BY GRECO

To The Editor, Times-News:
Looking over the field of candidates for the seat vacated by Mr. Greco the choice is a difficult one since all candidates are of good material.

I myself would choose Mr. Pico whose qualifications are of the highest standards, he's honest, sincere, trustworthy, well educated, an engineer by profession he understands our problems. As a former commissioner he did not increase the payroll in his department and held the tax line. This man has sided with me, and Jim Golden, the former town critic, on many town issues in favor of the people. He has the experience and courage. Although in the minority as a commissioner, he did do a tremendous job for the town, and the people. He should be reelected. He would be a great asset to the town, since many important decisions must be made in the near future, that concerns all of us.

I hope the people all over town will vote for Mr. Pico as a favor. He and good government is important to a town that is sinking to a new low at the expense of the tax payers.

Sincerely yours,
Albert Guglielmini
75 Lake St., Belle, N. J.

GOLDEN DEFENDS VOTE ON LIGHTS

To The Editor, Times-News:
When Harry T. French, Executive Director, Chamber of Commerce, Belleville, N. J., who is paid to "push" the interests of the local merchants, attempts to

explain the reasons for the prospects of darkness for Belleville's Christmas, it would be much better were he to shed the whole light upon the subject, rather than project his own narrow views with their attendant bias on the subject.

The truth is that the overall cost for the garish street lighting that resembles more a Chinese New Year celebration than the Dignified Nativity of Christ would have been \$1,500 with the town paying half, twice its proportionate share.

Besides the gaudy spectacle designed only to foster business for a select handful of local merchants within one block on either side of the Town Hall, the pri-

mary purpose of Mr. French seems to be to get "special attention" for the members of the organization he is paid to promote, at the expense of the taxpayers.

The Belleville Chamber of Commerce was reactivated a few years ago with offices at the same address as one of the local papers, which seems to have benefited largely from the ads of the members of the Chamber.

I, as an elected official, have no compunction nor qualms over my vote to ban the town's subsidization of a purely private enterprise. (Is Christmas a private enterprise? Or does it truly belong to the town... its taxpayers, merchants, customers, children, out-of-town visitors and people of all races and creeds who choose to participate in extending the light of Christmas spirit, good cheer and peace?)

There is no justification, IN MY OPINION, for any representative of the people to expend their moneys for other than town business or needs.

Should past administrations been guilty of this policy, it would not justify my following the same precedent when I believe it in error. For too long have politicians "given away" the people's money to "pressure" groups in the hopes of garnering favor and votes. It is time for more integrity and sense of fair play for the unorganized "little man", the taxpayer. The amount involved is immaterial, the principle is great. I feel my action in voting to ban the town's subsidization of the garish street lighting effects before them.

Respectfully Yours,
James R. Golden

Town Critic Urges Recall of Golden

To The Editor, Times-News:

By attending each Town Council meeting for numerous months, others and myself have failed to detect any set, stable concepts belonging to Mr. Golden on behalf of the people he serves. We have noticed Mr. Golden acknowledging absolutely no qualms as to the preferred service when a representative surrounding himself, reflecting in a detrimental vote against the people's wishes. He prefers to base his vote upon his own opinion, rather than those he represents. Of course, there are always times when a representative must make a decisive decision within less time available to him but knowing and sharing the beliefs of his constituents (for otherwise he would not have been elected) he will cast his vote accordingly.

Has Mr. Golden cast his vote accordingly? Mr. Golden did seem to understand the people's opinions when he campaigned for election! Has he stood by the convictions he expressed to share and do for you? Or has he forgotten his campaign pledges and placed his own viewpoint over yours?

A demonstrative example: to quote, "I, as an elected official, have no compunction nor qualms over my vote to ban the town's subsidization of a purely private enterprise. (Is Christmas a private enterprise? Or does it truly belong to the town... its taxpayers, merchants, customers, children, out-of-town visitors and people of all races and creeds who choose to participate in extending the light of Christmas spirit, good cheer and peace?)

There is no justification, IN MY OPINION, for any representative of the people to expend their moneys for other than town business or needs."

This was printed in the center of the Editorial Page of the News.

They had been paying for the ostentatious, lambsquered lighting effects before.

Respectfully Yours,
James R. Golden

On October 24, 1963, Section IX, Resolution 8, an appropriation for \$500.00 plus \$200.00 for Christmas lighting in the commercial section of Washington Ave. and the Town Hall, was put forth requiring a vote of four.

Mr. Golden did not question the amount nor its usage but did ask the Town Attorney, specifically if this resolution required a vote of four. No more, no less.

Mr. D'Avella replied in a bewildered manner, "Yes!"

"That means then," retorted (Continued On Page 11)

Democrat Politics Hurts Bond Referendum

From appearances Democrats in various municipalities are unwittingly doing their best to defeat Governor Richard Hughes' 750 million dollar bond package.

Here in Belleville we find a deep split in the party which makes it almost impossible to obtain unity within the ranks.

In Jersey City we are witnessing a liquidation of the leadership in that Democrat fortress. While Belleville and Jersey City may not be similar, the results can very well be the same. Lack of unity in the Democrat Party on November 5th will reduce the number of votes which Hughes should expect in support of his bond referendums.

In Belleville it is vital to the party's success that a way be found to submerge personality conflicts which plague the party leadership locally.

In Jersey City the sooner a successor to former Mayor Thomas Gangemi is selected the faster a united Democrat Party in Jersey City could move ahead to produce the needed plurality for Hughes' bond referendums.

Any delay in resolving the intra-party problems may well prove fatal for the bond issues and the result could very well herald the beginning of the end of Governor Hughes' 1965 re-election bid.

For Hughes the November 5th results hold a life-and-death meaning.

New Jersey Bell to Extend All-Number Calling System

All-Number Calling (ANC) telephone numbers will be extended to all New Jersey Bell Telephone Co. customers included in the Newark Telephone Directory next August, the company announced today.

The conversion, which will coincide with the delivery of the 1964 directory, will provide seven-digit numbers for all of the more than 163,000 customers in the Newark area, which includes Belleville, Kearny, Newark, North Newark, North Arlington, Irvington, Harrison and parts of Hillside. The Newark directory will be printed in 20 per cent larger type for greater readability and will contain all ANC numbers.

There are 27 central offices listed in the directory. Two of them are already completely ANC. They are 997 in Kearny and 621 in Newark. Some customers in the remaining 25 central offices already have ANC numbers. New Jersey numbers to new customers in these areas since September 25, 1961. About 40 per cent of the telephones in New Jersey have ANC numbers.

There is no difference in the actual dialing of ANC numbers because they match the central office name designations now in

use. For example, Market 2 in Newark will become 622. The numerals 622 correspond to the letter-numeral MA 2 on the telephone dial.

To Mail Cards
New Jersey Bell will mail new numbers to customers with name-numeral designations prior to the conversion.

The conversion to ANC is part of a long-range program by the nationwide Bell System to increase the supply of telephone numbers to meet the anticipated future growth of telephones in the United States and Canada. The use of numerals alone ultimately will provide nearly 50 per cent more central office designations than are available under the name-numeral system.

To provide for the immediate needs of New Jersey customers, Jersey Bell inaugurated North-South area code dialing in intrastate calls this past July. The use of area codes has nearly doubled the supply of telephone numbers in the Garden State because each number can now be used twice — once in each area.

Bread is the staff of life — but that is no reason why your life should be one continual loaf!

BECK'S COLUMN

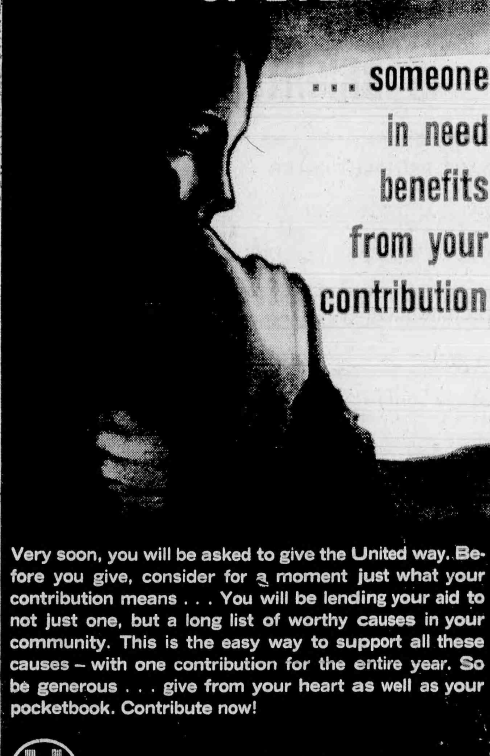

by MAX BECK

Here are a few observations about the just finished baseball World Series, which was transmitted, as the announcer stated "in living color." Living color it was, indeed. We had a color set and a black and white set hooked up next to each other in our store for comparison. The b/w was dead, like an old movie, while the color set really brought all the action to life. One had the feeling of being right there. There is no question about it, one has a far better look at the actions of the players on TV, since the telephone lenses of the extremely sensitive cameras display the pictures far better than even the closest seat, not to speak about the more distant states.

If you have looked at these games in previous years, and compared it with this year's broadcast, you noticed the tremendous improvement. The newly developed cameras have overcome the very difficult contrast of the light, particularly at the infield in the Yankee stadium in New York. You may remember the deep blue shadows when the camera switched from a different picture to the infield. This has been overcome. Of course this difficult condition did not exist in Los Angeles. All in all, the color rendition of the games this year was very good and convinced many previously doubtful viewers that color TV today is excellent, even under difficult light conditions.

Saturday Afternoon Ceremony For The Joseph M. Callahans

MRS. JOSEPH M. CALLAHAN
Former Barbara A. Bucci

The marriage of Miss Barbara Ann Bucci, daughter of Mr. and Mrs. Joseph A. Bucci of 52 King Street, Nutley, to Joseph Matthew Callahan, son of Mr. and Mrs. Matthew J. Callahan of 26 Quinlan Street, Belleville, was solemnized Saturday afternoon, October 5, in St. Mary's R. C. Church, Nutley.

The ceremony was performed by the Rev. John Hennessey, and Mrs. Henry Sadusky, church organist, played. The reception followed at Friar Tuck Inn, Cedar Grove.

Mr. Bucci gave his daughter in marriage. Her bridal gown of silk peau de soie was fashioned with scoop neckline, long sleeves and semi bell-shaped skirt with cathedral train. Her gown was accented with imported Alencon lace applique reembroidered with sequins and seed pearls.

A silk peau de soie cabbage rose trimmed with seed pearls held her four-tiered veil of illusion, and she carried a cascade of white orchids and Stephanotis with ivy.

Miss Catherine Meddis of Nutley was maid of honor, and bridesmaids included Miss Judy Napatano of Nutley and Miss Loretta Bucci of Irvington, a cousin of the bride.

They were gowning in willow green peau de soie street length sheaths with matching floor length overskirts. They had cabbage rose headpieces to match and carried cascades of orange mums.

Henry Hammond of Belleville served as Mr. Callahan's best man, and Fred Hammond of Belleville and Ozzie Piepick of Irvington ushered.

The mother of the bride wore rose blue de soie with jacket, and the bridegroom's mother chose blue peau de soie. Both had matching accessories and white orchid corsages.

A graduate of Nutley High School, the bride was, before her marriage, employed at Liquid Carbonic, Belleville. The bridegroom, a graduate of Belleville High School and in the U. S. National Guard Reserves. He is with IIT Labs, Clifton.

Mr. and Mrs. Callahan will reside at 185 High Street, Nutley, when they return from a wedding trip to Miami Beach, Fla.

MRS. FRANCIS CICCONE, JR.
Former Irma Torrieri

Miss Irma Torrieri Bride Of Francis P. Ciccone, Jr.

The wedding of Miss Irma Torrieri, daughter of Mrs. Samuel Pezza of 53 Overlook Avenue, Belleville, to Francis P. Ciccone, Jr., son of Mr. and Mrs. Francis P. Ciccone of 478 North 9th Street, Newark, took place Saturday morning, September 28, in a ceremony preceding an 11 o'clock Nuptial Mass in Holy Family R. C. Church, Nutley.

The Rev. Robert Cozzini officiated, and the ceremony followed at Thom's Restaurant, Newark.

James Torrieri gave his sister in marriage. She wore a gown of white peau d'ange with sabrina neckline of Alencon lace, long sleeves and a court train which flowed from the shoulders, highlighted with sequins and seed pearls.

A four-tier veil of French illusion was attached to a snow crown of pearls and crystal, and she carried a cascade of cymbidium orchids and Stephanotis.

Mrs. Robert Savare of Belleville was matron of honor, and bridesmaids included Miss Mina Demarest of Newark, and Miss Denise McQueeney, the bride-

groom's cousin, both of Newark. They wore willow green glaze satin dresses with scoop necklines, three quarter length sleeves and bell-shaped cocktail length skirts. They had petal hats to match and carried cascades of yellow and orange carnations.

Nicholas Caporaso of Newark was best man, and Robert Savare of Belleville and Joseph Perrone of Newark, cousin of the bride, ushered. Another cousin, Louis Perrone, acted as ring bearer.

The mother of the bride was attired in a parfait sheath dress of crystal satin and the bridegroom's mother chose gold peau de soie. Each had accessories to match and a corsage of white orchids.

The bride was graduated from Belleville High School and is associated with the law firm of Starr & Weinberg, Newark. Her husband, a graduate of Seton Hall University, West Orange, has been commissioned a Second Lieutenant in the ROTC program there and is presently awaiting his orders.

The couple spent their honeymoon in the Poconos.

St. Peter's Church Is Setting For Carol Ann Cook's Wedding

The marriage of Miss Carol Ann Cook, daughter of Mr. and Mrs. Frank J. Cook of Baldwin Place, Belleville, to Charles A. Pullara, son of Mr. and Mrs. Anthony Pullara of Ma'n Street, Little Falls, was solemnized Saturday afternoon, October 5, in St. Peter's R. C. Church, Belleville.

The ceremony was performed by the Rev. Francis Ignacinos, and the reception was held at Friar Tuck Inn, Cedar Grove.

Escorted by her father, the bride wore a gown of delustrated satin fashioned with scoop neckline and elbow length sleeves. The bodice and bell-shaped skirt with chapel train, were accented with Swiss applique reembroidered with seed pearls.

A crown of rosebuds held her elbow length veil of illusion, and she carried a bouquet of Fuji mums.

The bride's cousin, Miss Clare Austin of Belleville, was maid of honor, and bridesmaids included the Misses Lorraine Lukowiak of Bloomfield; Maureen Staubs of Belleville; and Dolores Kelly, North Plainfield.

They were gowning in royal blue satin featuring three quarter length sleeves, Watteau backs and floor length skirts. They had matching crowns with nose veils and carried cascades of yellow and white mums.

Best man for his brother was Francis Pullara of Little Falls. Anthony and Sam Pullara of Little Falls and Frank J. Cook of Clifton, brother of the bride, ushered.

The mother of the bride was attired in pink brocade with white accessories, and the bridegroom's mother chose blue satin with accessories to match. Each had a corsage of white orchids.

A graduate of Belleville High School, the bride is with the Prudential Insurance Co., Newark. Her husband, a graduate of Passaic Valley Regional High School, is in the U. S. Army Reserve. He is associated with his father in A. Pullara & Sons, Little Falls, and is also employed by the Passaic County Park Commission.

Mr. and Mrs. Pullara will reside in Belleville when they return from a wedding trip to Florida and Nassau.

Local Businesswoman Is Listed in New Who's Who

Three outstanding women from the Belleville-Nutley area have made their first appearance in Who's Who of American Women, the editors of the newly published Third Edition announced this week.

Those listed from the two towns include Mrs. Charles P. (Sylvia A.) Covino, a senior partner in the General Magnaplate Corp., 331 Main Street, Belleville; Mrs. Samuel W. Brown of 287 Centre Street, Nutley, Archdiocesan Cathedral Chairman of the Mt. Carmel Guild's Apostolate for the Mentally Retarded and Mrs. J. H. Johnson of 121 William Street, Nutley, assistant cashier at the Bank of Nutley.

Mrs. Covino, whose husband is president of General Magnaplate Corp., is a senior partner and former vice-president of the firm. A resident of Upper Montclair, Mrs. Covino is an active member of the Cosmopolitan Club there, which promotes international good will in bettering relations between foreign countries.

The Covinos, who have traveled extensively through Japan, China and the European continent, frequently entertain foreign guests and foreign students. A Past Matron of Nutley Chapter 121, Order of the Eastern Star, she is a Past Grand Officer of the Order of the Eastern Star, and a member of the Past Matrons Club of Nutley.

Deborah Board Plans Dinner

The Belleville Chapter of Deborah will hold a board meeting Monday, October 14, at 8 p.m. at the Belleville Recreation House. Final arrangements will be made for donor dinner to be held at Thom's Restaurant, Park Avenue, Newark, on November 5. A cocktail hour at 7:30 p.m. will precede dining and dancing.

On the same program, the Board convention to be held at The Concord, New York, November 24, will be discussed. Mrs. Milton Charen, president, will preside.

Youth Starts Dental Studies

Robert R. Giacobbe of Belleville is among 44 dental freshmen who have begun their professional studies at Seton Hall College of Medicine and Dentistry in Jersey City.

Giacobbe is one of 22 New Jersey residents in the class of '67 at the state's only medical-dental college, announced Dr. Daniel F. Tobin, dean of Seton Hall College of Dentistry.

He is the son of Mr. and Mrs. Anthony Giacobbe of 86 High St. and is married to the former Dorothea DeBiasi of Somerset and the father of two children. A graduate of St. Benedict's Prep in Newark, Giacobbe earned his B.S. degree at Rutgers University, where he was a member of Alpha Zeta honorary fraternity.

Giacobbe served for 19 months in the Army during 1961 and 1962. He is residing at 62 Suburbia Court in Jersey City while he pursues his D.D.S. degree at Seton Hall.

PERSONAL AND SOCIAL HIGHLIGHTS OF THE WEEK

Miss Patricia Gail Van Grosky Is Bride of Charles W. Cerami

MRS. CHARLES W. CERAMI
Former Patricia Van Grosky

Miss Patricia Gail Van Grosky and Charles Walter Cerami exchanged vows Saturday afternoon, October 5, in St. Valentine's R.C. Church, Bloomfield. The Rev. John Ryzner officiated.

The bride is the daughter of Mr. and Mrs. Andrew Van Grosky of 167 Columbia Avenue, Nutley; the bridegroom is the son of Mr. and Mrs. Joseph Cerami of 584 Centre Street, Nutley, formerly of Belleville.

Mr. Van Grosky gave his daughter in marriage. Her gown of candlelight peau de sole was designed in empire style with boat neckline, long sleeves and sweep skirt terminating in a chapel train.

Her princess pout veil fell from a cabbage pose peau de sole headpiece, and she carried a bouquet of orchids with stephanotis.

Miss Katherine Donaghy of Nutley was maid of honor. Bridesmaids were the Misses Judith and Linda Cerami of Nutley, sisters of the bridegroom; Janice Quigley of Kean and Judith Verso of Nutley.

Their gowns featured white crepe bodices with emerald green fallie floor length skirts. They had matching bolero jackets with three quarter length sleeves and green pillbox hats. Their flowers were white Fuji mums.

Best man for his cousin was Howard Beresford of Belleville. Ushers included another cousin, Charles Cerami, and Joseph La Scala of Belleville, Michael Geltrude of Nutley, and Gregory Wint of Bloomfield, cousin of the bride.

Mrs. Van Grosky chose a gown of cranberry velvet with beaded bodice for her daughter's wedding and Mrs. Cerami wore candlelight silk with beaded bodice. Each had matching accessories. Mrs. Van Grosky's ensemble was completed with a white orchid purse corsage; and Mrs. Cerami, a brown orchid purse corsage.

The bride was graduated from Nutley High School and is employed at Aetna Life Insurance Co., Newark. Mr. Cerami, a graduate also of Nutley High School and Newark College of Engineering, is with the Cerami Construction Co., Belleville.

After a wedding reception at the Hotel Suburban, Summit, the couple left for a honeymoon in Puerto Rico and the Virgin Islands. They will make their home in Nutley.

Membership Tea For Hadassah Group

The Belleville-Nutley Chapter of Hadassah will hold a membership tea at the home of Mrs. Seymour Grossman, 15 Tremont Place, Belleville, Tuesday, October 15, at 8:30 p.m.

The guest speaker will be Mrs. Herman Goldberg. Mrs. Ted Hirsh is membership chairman.

Reception Committee

Joint chairmen of the reception committee are Mrs. William S. Smith of Rutherford, chairman of the Historical Committee of the N.J. State Federation, and Mrs. Paul Witting of Lyndhurst, Eighth District publicity chairman; both are former vice-presidents of the Eighth District.

Local club members serving as conference hostesses are Mrs. H. Irving Russell, Mrs. Albert J. Cooper, Mrs. Karl Hiltnerhaus, Mrs. Arthur Mooney, Mrs. Lloyd F. Peterson and Mrs. Charles R. Haught.

Hostesses representing the Evening Membership Department of the Woman's Club are Mrs. Walter T. Sincos, Mrs. John W. Noonan, Mrs. Robert L. Osborne, and Mrs. S. J. Oliveri.

Miss Lisevelotte E. Goettert, a member of the Evening Membership Department, and vice-chairman of the Eighth District Evening Membership, will deliver the annual report for her Department.

The Rev. G. L. VanLeuven, Pastor of Fewsmyth Presbyterian Church, will deliver the invocation.

Main speaker of the conference will be Mrs. S. Herbert Taylor, southern vice-president of the Federation, who will address the women on "Your Sphere of Influence." Miss Reba E. Eaton, of Passaic, Eighth District vice-president, will act as presiding

Fall Engagements Told

MISS CLARE V. AUSTIN

MISS LINDA KRUEGER

Winter Wedding Is Affianced For Miss Austin To Local Man

Mr. and Mrs. Edward J. Austin of Smallwood Avenue, Belleville, announce the engagement of their daughter, Clare Virginia, to Thomas F. Foselli, Jr. son of Mr. and Mrs. Thomas F. Foselli of Walnut Street, Belleville. February 1, 1964, wedding is planned.

The couple are graduates of Belleville High School. Miss Austin is a secretary at the Donald F. Bowden Agency, Belleville. Mr. Foselli, who served for four years in the U.S. Marine Corps, is a printer at Watts Business Press, Clifton.

Early Start on Plans For Christmas Party

Thirty-five families attended the October 3 meeting of the Parents Association for Handicapped Children, Inc., at the Nutley Elks Clubhouse, 242 Chestnut Street. Mrs. Joseph Esposito presided.

Nominations for new officers were made. The election will take place at next month's meeting, on November 7.

Plans were made for the annual Christmas Party for the children to be held sometime in December at the Nutley Elks Clubhouse. The organization is conducting a campaign for new members interested in the education and rehabilitation of handicapped children. Anyone interested is urged to attend next month's meeting or contact Mrs. Esposito, 82 E. Mary's Place, Nutley.

Amvets Auxiliary Parties Retarded

Members of Nutley Post 30 Amvets Auxiliary will give a birthday and Halloween party for retarded children in Cottage Four at the North Jersey Training School, Totowa, Wednesday evening, October 23, at 7 o'clock.

Games will be played, there will be entertainment and presents will be distributed to those children whose birthdays are celebrated this month. Mrs. Alfonso De Fabbio is chairman of arrangements. Mrs. David Fulcoli is Auxiliary president.

Gallombardo Attends Mathematics Classes

The school bell rings every Saturday for 93 high school teachers who come to St. Peter's College for the In-Service Institutes in Chemistry and Mathematics. Sponsored by the National Science Foundation, the institutes are designed to broaden modern concepts in these subjects and to increase the subject matter competence of the teachers.

Attending the mathematics classes is Archibald Gallombardo of the Belleville schools.

Stork Club

Kelly Ann Lee

A second child, a daughter, Kelly Ann, was born to Mr. and Mrs. Thomas W. Lee of 142 Allwood Road, Clifton, August 28, at Clara Maass Memorial Hospital, Belleville. Weighing eight pounds, two ounces at birth, she joins a brother, Thomas V. Lee, 2½. The former Mary Alice Heffernon, Mrs. Lee is the daughter of Mrs. V. A. Heffernon of Lyndhurst and the late Mr. Heffernon. The son of Mr. and Mrs. Walter J. Lee of 35 Broad Street, Belleville, the proud dad is associated with an Esso Service Station in Newark.

Lisa Carmela Pitera

Mr. and Mrs. Theodore Pitera of 71 Florence Avenue, Belleville, are receiving congratulations on the birth of their fourth child, a seven pound, two ounce daughter, Lisa Carmela, September 8 at St. Vincent's Hospital, Montclair. She joins Toni, 16; Teddy, nine, and Jan, seven. Mrs. Pitera was formerly Lucy Cocchiarella, daughter of Mr. and Mrs. P. S. Cocchiarella of 475 Franklin Avenue, Nutley. Mr. Pitera, son of Mrs. J. A. Pitera of Fall River, Mass., is a carpenter with R. L. Eggert Co., East Orange.

Scott Thomas Bini

A fourth child, a son, Scott Thomas, was born to Mr. and Mrs. James Bini of 21 Sycamore Drive, Old Bridge, July 21 at East Orange General Hospital. Scott joins a sister, Lynn, 11, and two brothers, Eugene, nine, and Glenn, four. Mrs. Bini is the former Dorothy Metz, daughter of Mr. and Mrs. Ralph E. Metz, Sr. of Belleville. The proud father is the son of the late Mr. and Mrs. Paul Bini, former Belleville residents.

Steven Calveto

Mr. and Mrs. Michael Calveto, Jr. of 72 Gillespie Road, Bloomfield, announce the arrival of their third child, a son, Steven, August 15 at Columbus Hospital, Newark. Weighing in at six pounds, five ounces, Steven has a sister, Vicki Ann, 2½, and a 15-month-old brother, Michael Anthony. The former Concetta Verico, Mrs. Calveto is the daughter of Mrs. Julia Verico

Miami Beach Holiday

Obviously enjoying their vacation at the Sherry Hotel, Miami Beach, Fla., are Mr. and Mrs. Joseph Juliano of 293 Stephens Street, Belleville. Mr. Juliano is with S. G. Tilden, Inc., Newark. The Julianos have a daughter, Shawn, 20 months.

Villano Attending Florida Southern

LAKELAND, Fla. — Dennis G. Villano of Belleville is among the 600 freshman and transfer students who comprise this year's entering class at Florida Southern College here.

A 1963 graduate of Belleville High School, he is the son of Mr. and Mrs. George Villano, 136 White Oak Terrace.

More than 2,000 students are registered at Florida Southern this fall, including 400 in evening classes.

Florentine Auxiliary Plans Year's Agenda

Plans for the coming season's activities were made at a meeting of the Women's Auxiliary of the Italian Florentine Society held recently with the president, Mrs. Angie Manfria, officiating. On the agenda are a chow mein dinner, the annual card party and a dinner dance.

Entertainment for the evening was furnished by John Narucki, who presented "An Evening With John", a program of story telling and humor. The eight-year-old talented youngster is the son of Mr. and Mrs. John Narucki. He attends School Seven. Mrs. Jennie Corino was in charge of the program.

Belleville Woman's Club Hosts Federation Conclave

Various committees of the Woman's Club of Belleville are completing arrangements this week as the hostess club for the Fall Conference of the Eighth District of the State Federation of Women's Clubs, to be held Wednesday, October 16, at Fewsmyth Presbyterian Church Hall, Union Avenue and Little Street, Belleville.

Mrs. Edward Rochau, president of the local club will welcome over 200 guests and members of the 25 clubs comprising the Eighth District with a total membership of 2,817. The morning session will begin at 9:30, luncheon at 12:30 and the afternoon session will start at 1:30 o'clock.

As conference chairman, Mrs. David Parry, past president of the Woman's Club, is in general charge of arrangements for the all-day conference. The registration committee is headed by Mrs. Floyd M. Haring and Mrs. Arthur G. White.

Mrs. Ernest Arvidson, second vice-president of the local club, is assisted by Mrs. John DeVito, as chairman of the luncheon committee.

Reception Committee Joint chairmen of the reception committee are Mrs. William S. Smith of Rutherford, chairman of the Historical Committee of the N.J. State Federation, and Mrs. Paul Witting of Lyndhurst, Eighth District publicity chairman; both are former vice-presidents of the Eighth District.

Local club members serving as conference hostesses are Mrs. H. Irving Russell, Mrs. Albert J. Cooper, Mrs. Karl Hiltnerhaus, Mrs. Arthur Mooney, Mrs. Lloyd F. Peterson and Mrs. Charles R. Haught.

Hostesses representing the Evening Membership Department of the Woman's Club are Mrs. Walter T. Sincos, Mrs. John W. Noonan, Mrs. Robert L. Osborne, and Mrs. S. J. Oliveri.

Miss Lisevelotte E. Goettert, a member of the Evening Membership Department, and vice-chairman of the Eighth District Evening Membership, will deliver the annual report for her Department.

The Rev. G. L. VanLeuven, Pastor of Fewsmyth Presbyterian Church, will deliver the invocation.

Main speaker of the conference will be Mrs. S. Herbert Taylor, southern vice-president of the Federation, who will address the women on "Your Sphere of Influence." Miss Reba E. Eaton, of Passaic, Eighth District vice-president, will act as presiding

MISS MAUREEN ROBERTS

Announce Troth Of Staff Nurse

Mr. and Mrs. Leo G. Roberts of 44 Hay Avenue, Nutley, have announced the betrothal of their daughter, Miss Maureen-Ellen Roberts, to Arthur P. Connolly, son of Mrs. Esther Connolly of 128 Carpenter Street, Belleville.

Miss Roberts is a graduate of Our Lady of Good Counsel High School, Newark, and Presbyterian Hospital School of Nursing, Newark, where she is presently employed as a staff nurse. A graduate of Belleville High School, Mr. Connolly is a senior at Newark College of Engineering where he is a member of Sigma Pi fraternity.

The wedding date has not yet been set.

Wildlife Film Series Opens In Montclair

The Audubon Wildlife Films, popular series of lectures and magnificent photography of wildlife in America, will open its 1963-64 program at the Hillside School, Orange Road, Montclair, October 16 at 8:15 p.m. The series is sponsored by the Radcliffe Club of New Jersey and the National Audubon Society in the interests of the Scholarship Fund of the Radcliffe Club.

The first lecture will be given by Roy E. Coy, veteran photographer-naturalist from St. Joseph, Mo. titled "Waters and Wildlife."

Tickets singly or for the series may be obtained from Mrs. Bernard Rabinowitz of Nutley and Mrs. Kenneth Miller of Glen Ridge, or at the door on the night of each lecture.

FIRE AUXILIARY MEETS

The Ladies Auxiliary of the Belleville Fire Department will meet tonight, Thursday, at 8 o'clock at the Recreation House, Belleville.

You and Your Insurance

(A public service column about all forms of insurance.)

THE TRAFFIC OFFICER'S JOB: TO KEEP YOU FROM GETTING HURT

Ever get stopped by a traffic officer? Were you annoyed—maybe downright resentful? You hadn't actually done anything wrong, "the way you saw it. Well, think of it this way.

Last year we had 11 million traffic accidents in the United States. As a direct result of these tragedies 40,900 persons were killed and 1.5 million persons injured. The cost—a staggering \$7.3 billion.

And, it has been estimated, in nine out of 10 of them a driver has violated the law.

So, the purpose of law enforcement is to reduce accidents by reducing violations. What many people don't know is that most violations are committed by the otherwise lawabiding citizen.

Usually, he drives lawfully. But, once in a while he'll go too fast, or cheat at a stop sign or sneak an illegal turn. When a traffic officer stops him, he's doing his duty. The Insurance Institute for Highway Safety, which sponsors accident-prevention programs throughout the country, reminds us:

"Everybody's life could be a lot safer if more people only understood that the good traffic officer is not out there just to arrest people, but to keep them from getting hurt."

Nothing "actually wrong" about traffic violations? Maybe your violation was "trivial," but remember: "trivial" violations have sent people to hospitals—and to cemeteries.

This column will be glad to answer questions you may have about property and casualty insurance. Send them to:

Miss Fasciani Is Betrothed

The engagement of Miss Judith Pauline Fasciani to Edward Jay Ike, son of Mrs. Fred Ike of 35 South 24th Street, Kenilworth, and the late Mr. Ike, has been announced by Miss Fasciani's parents, Mr. and Mrs. Vincent Fasciani of 10B Bellevue Court, Belleville.

The engaged couple are graduates of Irvington High School. Miss Fasciani is employed at Hardware Mutuals, Newark. Her fiancé is with Canada Dry, Orange.

Parents Should Face Fact That Teacher Will Take Top Place

Starting school is a milestone for not only children but for parents, too. Up to now, the child thought his parents were perfect. Now his teacher has top place and parents are corrected frequently and told in glowing terms what teacher says and does, according to Phyllis Greer, specialist in human relations at Rutgers, The State University.

Naturally, this sudden reversal is hard for parents to take, and they resent it. They really are glad he likes school, but it wears them down when he is so devoted to teacher that he talks of nothing else.

It is important to come to terms with this feeling of resentment. Just because the child likes and admires his teacher doesn't mean he loves his parents less. His world has been his parents, with friends and relatives seen occasionally. Now, he spends hours each day with another adult who is nice to him and interested in him. It's natural that the child will respond with admiration for the teacher.

If parents don't come to terms with their natural feeling of resentment, they are inclined to belittle the teacher. They try to take away the youngster's admiration for the teacher. If parents talk about how much they hated school or how stupid their teachers were, the child will be influenced.

Welcome News

Tired of polishing brass and copper articles in your home? You won't have to, if you purchase brass lamps and other copper and copper base products now treated with a new coating. They won't tarnish for at least five years. The metal is sprayed with a silicone primer, then coated with acrylic lacquer. The finish is designed for products used indoors and isn't available yet for home-application.

Jack Idenden Named Head Of Music Club

Jack Idenden, son of the John Idendens of 168 Tappan Avenue, Belleville, was elected president of the Staccato Music Club at the first meeting of the season, Sunday afternoon at the studio of Adell Williams, Upper Montclair. Certificates were given from Trinity College of Music, London, for the theory examinations held in June, with Jack receiving honors in Grade Four. Also attending the meeting was Jean Cypolski of Springer Street, Belleville.

The Intermediate section of the Staccato Club met Saturday with Mrs. Williams with theory certificates of honor given to Lynn Bowman and Ann Marie Dwyer, both in grade two and both achieving a mark of 96. Lynn received an honor certificate for her playing examination in Grade three, held in May by the College.

Thousand New Members Goal Of GOP Women

Mrs. Walter T. Margets, Jr., president of the New Jersey Federation of Republican Women, Inc., announced in Trenton today that a membership drive has been started to add 1,000 new members.

For the first time the Federation is encouraging patron membership, which will include the husbands of the members as well as women who would like to participate in the programs of the group, but not as a working member.

The Federation has a membership of 18,000 women with affiliated clubs in each of the 21 counties. Three of the outstanding programs of the year is the annual President's Forum held in February, the Legislative Luncheon in March, and the annual convention held in late April or early May.

Two-Face Fabrics In Fall Forecast

One of the most interesting developments in textiles is the process for creating the effect of a double-woven or reversible fabric by bonding two different fabrics into one that retains the natural drape and permeability of a quality textile.

Mrs. Florence G. Minifie, extension clothing specialist at Rutgers University, refers to these as the "two-face fabrics." Warmth without weight is the advantage of ready-to-wear fashions made of these fabrics. They also lend body and shape to slacks, skirts and suits; and extra lining is unnecessary.

Some two-face fabrics noted on the market today include wool fabrics faced to water-repellent poplin, fashioned into reversible, practical outerwear. For a soft effect against the body, we see men's sport shirts of wool flannel faced to lightweight cotton knit. And a winter material faced to a lush pile cloth makes comfortable but warm sport and casual coats.

Featherweight wools bonded to knitted tricot probably will be the most popular of the two-face fabrics in ready-to-wear and yardage. This type has a soft, luxurious feeling against the body with no properties of static electricity.

The Belleville Times is looking for neighborhood reporters to augment our reporter staff. If you're interested in writing social items about your neighbors, give us a ring at Plymouth 9-3290 and make an appointment for an interview.

We are especially interested in residents of the Valley, Rutan Estates, the Silver Lake district, Soho and Big Tree.

FALL FILING SET
The Suburbanites will have their Fall Filing Sunday, October 13, at 8:30 p.m. at Jewish Center of West Orange, 300 Pleasant Valley Way, West Orange. Joe Menken and his band will provide the music.

What else is there to say about the wonderful new
HOTEL El Convento
Old San Juan, Puerto Rico

Except that it's an experience you'll not find elsewhere, this side of the Atlantic! It's all the romance of the Spanish Caribbean in a sunny, scenic island. It's an atmosphere quiet with efficiency and subtle with excitement. It's a lighthearted blend of string quartet or flamenco guitar, Chateaubriand or cocktails, torch song or madrigal. You'll laze by a swimming pool or relax and count the graceful Old Spanish arches that rise on all sides above you. Plus all the tourist attractions that you already know only Puerto Rico can have. It's the modern hotel way to see the Old World.

Lipton's
Bloomfield, N. J.

50 Broad Street
October 10, 1963

Dear folks—

Don't you love slipping into a cuddly-warm robe these early fall days when there's just a hint of chill in the air? That's what I was looking for at Lipton's today (and, of course, to see how the re-building is progressing!)

Where the robes used to be there is a stairway now, but Miss Kane produced from nowhere just what I wanted — a Loungee, fleecy soft as a kitten's ear! I love the New long ones that can double for an "at home" loungee, but Lipton's have plenty of short ones too — there's a quilted one in an oddly beautiful print that's enchanting!

My husband always says you can't build anything without a good foundation, and what better foundation than one of those Warner lycra girdles, firm but weightless and a bra with stretch shoulder straps that is divinely comfortable? That's my first layer of the "Layered Look" of the Year!

Then a lovely Kayser slip and, of course, a bottle of "Warner Wash" to care for my intimate lovelies!

Know what Miss Kane said (with a twinkle in her eye) when I commented about the difficulty of finding things in all the confusion? "Oh, in this department, we're used to having OUR merchandise out of sight!"

That's what I love about shopping at Lipton's these days — every one has kept a sense of humor and all the comments you hear are "How beautiful the store will be when it's finished!"

Sincerely
Letty

"Letters from Letty" bring you "news" from Lipton's every week.

the show giving the public the opportunity to see and compare all the new features and embellishments of all the new 1964 models under one roof. All of the proceeds from the show will be contributed to help the blind and for sight conservation.

The 5-day show continues from Wednesday through Friday evenings from 6:30 to 10:30, and Saturday from 1:30 to 10:30 P.M.

Janet Adams of Hopatcong, Miss-New Jersey, has been selected as "Queen of the 1964 Auto Show," and she will be attended by a bevy of beauties from the local Caldwell High Schools.

Congressman George W. Wallhauser and Mayor James J. Sheeran of West Orange will participate in the ribbon-cutting ceremonies on Tuesday night.

Arrangements have been made for continuous music, gala entertainment, and over 100 valuable door prizes will be distributed. Participating in the entertainment and music will be the Sweet Adelines, DeMolay Bagpipe & Drum Band, Miss Rheingold 1963, Aktenburg Piano Music and the Academy of Music.

A special telephone equipment exhibit will be on display through the courtesy of New Jersey Bell Telephone Company. Other exhibits associated with the automotive business include newest experimental models and special motor and parts displays.

CUSTOM CARS EXHIBITED
A spectacular, custom built '55 Chevy and an all custom-built replica of the same car, scaled to one-third full size, will be one of the special exhibits at the '64 Auto Show.

The cars are owned by Irving Kirschen of Westwood who appropriately named the pair—the "Pirate" and "Princess." The tot-sized replica was made by Tony Bruskavice of Hawthorne in honor of Kirschen's 4-year old daughter, Terri.

The body of the miniature was formed from chicken wire coated with fiberglass and welding rods to form the frame. Olds F-85 tail-lights were used for the head-lights, while walled Go-Cart tires became wheels and a 3-horse Car engine was converted to a power-plant. The custom designed interior duplicates the interior of the original "Pirate."

Puglia Serves At Fort Dix

ANTHONY PUGLIA

FOT DIX, N. J. — Private Anthony Puglia of Belleville, N.J. has been assigned to F Company of the 4th Training Regiment of the U. S. Army Training Center, Infantry, for eight weeks of basic training. During this program, he will receive instruction in general military subjects to prepare him for more specialized training.

After the initial eight weeks, he will receive two weeks leave, then enter advanced infantry training, be enrolled in one of the specialist schools here, or be sent to another Army post for advanced training.

Clara Maass' Horak Airs Hospital Costs

Emil I. Horak of 569 Olive Terrace, Union, N. J., assistant executive director at Clara Maass Memorial Hospital, was guest speaker at the Newark Kiwanis Meeting held at the Robert Treat Hotel on Thurs. Oct. 3rd.

Horak who earned his Masters Degree at Rutgers University has been associated with the hospital since 1951.

His subject, "Hospital Financing," was interesting and most provocative, as hospital costs are high and are bound to go higher

School Club Plans Survey Of Industries

The Belleville High School Key Club with the approval of the high school administration will mail vocational questionnaires to approximately 400 individual businesses and corporations in the Belleville area.

The purpose of this vocational questionnaire is to ascertain the employment needs of the business enterprises located in and around the town of Belleville. It will also aid in the establishment of a placement file in the Belleville High School Guidance Office that will list job opportunities in our town for full time, part time or summer employment for Belleville High School students and graduates.

Belleville High School will appreciate the cooperation of Personnel Directors and merchants in completing the forms and sending them to Mr. Herman Knuppel, Key Club Sponsor, at Belleville High School, as soon as possible.

The Belleville Chamber of Commerce is giving its cooperation through the efforts of Harry French, director, in the distribution of the questionnaires.

Belleville High School Guidance Department invites former students who are not employed, between 18 and 20 years of age, to fill out an application form in the guidance office for possible job placement. There are some industries in Belleville and surrounding area that contact the school for employees.

due to more expensive drugs and equipment that are being put on the market. Hospitals, he pointed out, are doing every thing possible to stem the rising cost of treatment but in spite of efficiencies there are many areas that cannot be automated and require personalized service. Better than 58.6 per cent of the hospital dollar is labor charges.

Dr. Cushmore Appointed to Hospital Staff

DR. F. CUSHMORE

Dr. F. Cushmore was appointed to the post of Chief Radiologist at Clara Maass Memorial Hospital, Albin H. Oberg, Executive Director, announced today. Dr. Cushmore was the Staff Radiologist at Presbyterian Hospital, Philadelphia, Penna. and Instructor in Radiology at the University of Penna., prior to moving to Jersey. He earned his B.S. Degree at Queens College and attended N.Y. Medical College serving his internship at Upper N.Y. State Glens Falls Hospital. After serving his internship, Dr. Cushmore served as Radiologist with the rank of captain at Fort Dix.

Dr. and Mrs. Cushmore, with their four children, reside at 9 Lincoln Ave., West Orange.

Belleville High School's John Cervasio attempts to shake off Bloomfield's George Vennell during last Saturday's game which saw Belleville trip Bloomfield, 7-0, for its initial

Left tackle Pete Strumolo (52) of Belleville appears to be in a wrestling match with an unidentified Bloomfield High School gridders during last Saturday's contest. Bloomfield's

Jack Harrington (64) seems uncertain as to what he should do about the situation. The Bellboys' defense, spearheaded by Strumolo, blanked Bloomfield, 7-0.

Scanning the SPORTS SCENE

By Frank Walosin

BELLBOYS OVER NUTLEY

Coach Tom Testa's gridders travel to Nutley Saturday seeking their second win in a row and appear to have the combination that will give Belleville its second victory and second straight win over Nutley in the past dozen years.

Belleville has a good defense and defense is more than half the battle when it comes to winning football games. The Bellboys were near perfect while blanking Bloomfield for their initial win of the season. And the explosive running talent of halfback Tom Greco and it may be close, but the Bellboys should come home with another scalp on their belts.

Nutley's big question mark is fullback Blasi DiGirolamo, who was shelved last week against East Orange with a bruised shoulder. If he is ready, the Bellboys' defense will get a workout. But after meeting East Orange's battering ram — Jim Oliver — Belleville should be able to stand the traffic. Without Di Girolamo, Nutley can only hope that Belleville beats its self with too many mistakes.

One note to watch on the sidelines will be the actions of the Bellboys' assistant coach John Jacone and freshman coach Mario Cocchiola. Both are graduates of Nutley High School and learned a lot of their football from Coach Sandy Phillips . . . the same fellow they hope their boys can beat this Saturday.

SAN FILIPPO SHINES FOR INDIANS

While on the subject of Belleville High School football, many area fans are cheering for Montclair State College's undefeated football team to go all the way this season. If it does, one of the big reasons will be a BHS graduate — Ron San Filippo.

San Filippo, who was coached by Testa for four years, beginning with his freshman season at BHS, is one of the reasons Montclair State is still undefeated after three outings this year.

A starting end for the Indians, Ron has snarled five passes for a total of 66 yards this season to trail only Little All America halfback Bob Cannon, who leads the Indians with nine catches for 140 yards and Lynn Francis, who starts on the opposite end of the line, with three catches good for 87 yards and three touchdowns.

"A good boy with great moves and good hands," is how San Filippo is termed by the Indian coaching staff. He is expected to play a still bigger role as Coach Jerry Edwards' eleven heads for an undefeated season. Upsala and Ithaca are about the only roadblocks in the way.

MAKE THAT SPARE — SHE DIDI

Angela Palermo, of 16 Fairview Place, Belleville had the Olympic Bowling Alley buzzing Monday afternoon, when she made the difficult 7-10 split while rolling in the Monday Afternoon Ladies League.

Angela rolls for the Roman Furniture team in the league. Her performance was witnessed by Mary Montone, Hanna Fersko, Ann Malloy, and Marge Amato.

PUNT, PASS, KICK TEST SLATED

Bucky Cairo, competition director, for the Belleville Punt, Pass and Kick competition for grade school boys warns that only a few days remain in which area boys can register for the test of football skills.

Registration closes next Thursday with the competition scheduled for October 19. Headquarters for registration, which is open to all boys, eight through 11 years old, is at Mead-Ford, 515 Washington Avenue, co-sponsor of the test with the Junior Chamber of Commerce.

HOLLWEG, CULLEN TO RECEIVE AWARDS

Two of Belleville's senior citizens, Edward Hollweg, 72, of 228 Branch Brook Drive and John Cullen, 82, of 22 DeWitt Avenue, will be among the 17 former athletic greats to be honored on their election into the New Jersey Old Time Athletics Association's Hall of Fame at a dinner October 24 in Irvington, N.J.

Belleville Gridders Tumble Bloomfield, 7-0

70-Yd. Run By Greco Paces Win

By RAY FERSKO

The Bellboys won their first home game of the season last Saturday when they shut out Bloomfield, 7-0. Both teams now have a 1-1 record.

Belleville won the toss and elected to receive. Ken Schultz kicked off for the Bengals, and Belleville's Tom Greco, ran the ball up to his own 40. However, a clipping penalty penalized the Bellboys and the Blue and Gold were pushed back to their own 10. The first series of downs were unsuccessful and Lou Di Bella dropped back to kick.

The Bengals took the ball up to midfield and immediately began pounding the Belleville ends. These end sweeps were very successful though and Bloomfield managed to gain a first with their first set of downs. Bloomfield was not so lucky with the next four downs and the Bengals were forced to send Lou Della Fera back to punt.

The Bellboys called a fair catch and managed to get the ball on their own 20. The offense, which was slow, couldn't move so Pomaco attempted a screen pass on the third down. The pass, which was intended for Bennechi, was intercepted by the Red Team's Ray Ferrara. Ferrara made it upfield as far as the Belleville 37, where Bloomfield staged four unsuccessful downs.

This was Ferrara's third interception of this young season. Belleville took possession on their own 23. Two plays later the offense fumbled, for a second time, and DiBella moved back to punt. Belleville's Jerry Longo downed the ball for Bloomfield on their own 49. Nevertheless, four downs later Belleville took the ball on the 20. The first play was a half back dive in which Greco went 13 yards off tackle.

On the next play Greco found the right hole one more time and went 70 yards for a touchdown. John Senisky kicked the P.A.T. which split the goal posts evenly. Bloomfield again took the ball on their 40. However, Chuck Oese intercepted a third down pass intended for the Red Team's Don Rusniaczek, and Belleville took the ball. The offense could not penetrate and Bloomfield followed suit and made a third down interception, just 31 yards from pay dirt. Belleville began to pattern to the endzone but the gun fired heralding the end of the half.

In the second half neither team scored, but the spectators were able to enjoy some excellent defense by both squads.

DelGuercio kicked off for Belleville and Bloomfield's Lou Della Fera ran it up to his own 24. The kick was then called back and this time Bloomfield began

Greco Meets Bloomfield

Belleville's Tom Greco is halted by Bloomfield's Lou Della Fera and another teammate as R. Kucher (81) moves up on the play after a short gain. Bloomfield's defense contained Belleville most of the day except for once when Greco broke away for a 70-yard touchdown gallop and a 7-0 victory.

working from their own 25. A ten yard penalty on the first down pushed the Bengals back to the fifteen where they stayed until Belleville took over. The offense sparked by Cervasio began to move, but Belleville was forced to give up the ball. They soon regained possession though and Pomaco kept running the ends and trapping off tackle, with Cervasio, Syneshi, and Oese sharing the spotlight.

On fourth down, Cervasio rolled out and hit Frank Raimo with a touchdown pass. The play was invalid though because the field judge called a 15 yard illegal receiver penalty.

Both teams kept exchanging the ball until the Blue and Gold became offensive on their own 34. With four minutes remaining Ron Tomaszewski took command of the offense, but Pomaco was soon substituted as the signal caller. Both forces continued to gain and lose possession, but neither team could move, as it was nip and tuck to the end.

The Belleville Times

The Belleville Times-News, Thursday, Oct. 10, 1963 — 9

Ziegler Sparks Belleville Over Kearny Harriers, 26-30

Belleville, finally realizing its potential as a cross country power, defeated an over-rated, over-confident, and undefeated Kearny High School, as the B.H.S. Harriers swept the first three places in low scoring the cards, 26-30. Richie Ziegler running his usual front race, clocked 11:47.8, fifteen seconds above the school record he set when he finished in 11:32 last week against Passaic Valley. An exciting race followed as senior Harry Steiker and Al Paganelli belted home just seconds ahead of Dave Warnquist and John Sikora of Kearny in times of 12:21, 12:24, 12:25, and 12:26 respectively. Kearny took the next three places in times of 12:35, 12:45, and 13:01. Toby D'Ambola and John Dover insured the victory with ninth and eleventh places in 13:05 and 13:15.

The victory was especially gratifying as Kearny has always stood out as a cross-country power, and today's victory was an indication of better things to come from the Belleville squad. The team's record now stands at 3-2 and a West Orange victory is anticipated.

It is interesting to note, that the school record for the Belleville course, before the season began, was 12:23. Already Richie Ziegler and Harry Steiker have broken it and Al Paganelli has finished only a second away.

Speaking of records, the course record was set last Monday by Ed Schopperech of Passaic Valley when he ran 11:27 in defeating Richie Ziegler by 30 yards. The old course record was 11:52 by John Williams of Montclair in 1959, and of course Ziegler broke this by 20 seconds in running behind Schopperech.

HONG KONG'S 6,000 POLICE FORCE HAS 300 WOMEN
The British Colony of Hong Kong includes 300 women in its police force of 8,600. The girls are said to be very good at stopping squabbles among the Chinese and in handling children.

The Belleville Times-News regrets a typographical error in a testimonial announcement appearing in last week's issue in which Bernard E. O'Connor paid tribute to the outstanding Belleville football player of the Belleville-East Orange game.

The player honored was Peter Strumolo and through an error the photo of another outstanding player, Tom Greco was used.

So that the reading public may associate the names and faces of both players we print below the two photographs accompanied by the correct identification.

PETER STRUMOLO

TOM GRECO

Season Opens On Woodcock

TRENTON — New Jersey's woodcock hunting season will open at sunrise on Saturday October 12, according to the Division of Fish and Game in the Department of Conservation and Economic Development.

A longer season on "timber doodies" and a larger bag limit will be in order this year. The season will run 50 days, through November 30, with a daily bag limit of 5 birds and a possession limit of 10.

Hunting hours will be sunrise to sunset. Woodcock regulations, like those for other migratory birds, are set within a frame-work established by the U. S. Fish and Wildlife Service.

A special permit costing \$2.00 is required for woodcock hunting through November 7 in addition to a regular Hunting License. The season will be closed for one day on November 8 to facilitate stocking of pheasants and quail for the upland game season that opens November 9. Hunting on November 9 will start at 9 a.m.

Native woodcock populations are reported good in those areas of New Jersey where there is suitable habitat such as swamps and wet woodlands. Most of these birds fly in from the north as soon as frost hits the ground. They usually linger in the Garden State for several weeks.

Sophomore Bellboys Trim Bloomfield; JVs Tie, 6-6

By RAY FERSKO
John Jacone and his fighting sophomores opened their season on Monday as they defeated the Bloomfield Bengals 13-2.

Both teams opened the game with long drives that petered out. However, toward the end of the first quarter, Jim Corino left a 45-yard touchdown pass to Art Sheridan. The play was called back due to an illegal procedure call.

In the second quarter the Blue and Gold reached their exuberance when the squad began an 80 yard march to pay dirt. After a quick series of dive plays, Richard Dell Russo broke loose on a halfback reverse play, which resulted in a 35 yard touchdown. Russel Mattoon then stepped back to kick, but the line didn't hold and the after point was squelched. Dell Russo scored once again near the end of the first half. This time Jim Corino pass patterned the squad inside Bloomfield territory and Dell Russo took the ball from there. Richard Dell Russo swept around right end for the game's second tally. Mattoon's kick was good.

In the third quarter, the Blue and Gold defenses weakened and were continually pushed back. After four plays the Red defense finally around right end and the Blue backfield into the end zone, giving the Bengals a 2 point

safety. Belleville then took the ball out to the 20 here Sheridan punted the ball into Bloomfield territory. From here on in both teams just handed the ball back and forth to each other, neither team posing a serious threat. Offensively, the outstanding players are Jim Corino and Rich Dell Russo. As far as the defense is concerned, Lew Thurbide looked very good in the right end slot.

Next week, Nutley at Park Oval in Nutley at 4 P.M.

J.V.'S FIGHT 6-6 TIE
The J.V.'s traveled to Bloomfield where they encountered a 6-6 tie. Both teams played an outstanding game on defense while neither showed much promise on offense.

In the first quarter neither team scored, as it was give and go all the way. In the second quarter, Bloomfield was able to move through the air as they scored on a 50 yard pass play. However, their ground attack was ill due to the efforts of Ron Orsini and Harold Avalon.

The Bellboys began their drive right from the beginning of the second half. The offense became fired up when Walt Phibbs took a handoff from Carmen Mineo and traveled 65 yards on a reverse, which ended up with a touchdown. Tony Landolfi threw a key block for this play but it was in vain due to a clipping penalty. From here Mineo called

the signals and drove the squad 30 yards to 6 points. On the drive Mineo threw three complete passes. Beyond then went 3 yards on a reverse. Phibbs also picked up yardage with a pitchout and Joe Lafale finally made the tally on a power play off tackle. The conversion failed just as the time ran out.

The Bellboys looked very good on defense as they stayed a predominantly passing squad. The Blue and Gold should have their hands full next week when they play host to Nutley at 4 P.M. Monday.

Bellboys of Nutley

(Continued From Page 1)

ner missed last Saturday's loss to East Orange, 20-0.

Blasi Missed
As Coach Phillips put it, "Blasi was sorely missed, but we have hopes of his returning this week."

Nutley depends mostly on the running game. Their quarterback, Ron Mease, still hasn't reached his potential. But Phillips is a patient man.

The Maroon Raiders possess a heavier line than the Bellboys. This advantage may be a deciding factor, if the heat wave continues this last few days.

Phillips in on the lookout for further injuries in practice sessions. He's been running his boys through hard-nosed football workouts these last few days.

Attitude Noted
If DiGirolamo comes around, the Nutley camp will come to life. Mental attitude will play an important role in deciding which team will outdo the other.

Nutley, which was the scourge of school rivalry for so long, suddenly finds itself in jeopardy of losing two straight.

This is a game which pits two stubborn defenses colliding. Offense will tell the story. Who will add another winning chapter to their school annals? Is it the password? Never happen.

Testa Brings Science To BHS Football Field

BY RUDY NEUMAN

Tom Testa is what you call a "scientific coach." The mild-mannered head football coach at Belleville High is as dedicated to the gridiron as he is in science. After all, they both play an important role in his everyday life.

Few people in the neighboring area know Tom Testa. It can be said he is known only around

brought the 1962 team to a commendable 8-1 mark in his first year as head mentor. Maybe it was the scientific approach, but whatever it was he got the job done.

This year the likeable coach has his work cut out. Heavy losses due to graduation didn't help matters, but the time and effort in skull and muscle sessions will pay off before the season ends.

Testa found science to his liking since his high school days. Born and raised in Montclair, Tom attended Montclair State and received a BS Degree in science. Physical education was out of the question.

In his years at State, Tom played four years of football. Only 150 pounds, Tom was somewhat handicapped but he managed to catch his share of passes and do some quarterbacking in the process.

Tom has had the winning attitude since his college days. "We have some good years while I was there," he said proudly.

He decided to take up coaching as a sideline while tutoring at Newark East Side. Tom learned more about the game during his four year stay as line coach. When offered a better position at Belleville, he grabbed it and became freshman mentor his first year.

Besides giving daily lecturing in science classrooms, Tom was teaching the basic fundamentals of football during his tenure as frosh coach. As the years went by, Tom slowly moved up in the ranking and soon became assistant backfield coach. Finally the day came when Testa was head of the class, being named head coach last season.

Testa, who now makes his home in Nutley, likes his quarterback operating out of the pro-type formations, basically, the T, and Split T. His daily chalk talks

TOM TESTA

the gridiron and in a science classroom. Tom isn't much for talking, but he'll spend an hour with you rationalizing a certain play or formula in the laboratory.

Call it determination or dedication, either one fits his description. Tom has come a long way to become what he is today. It took some 10 years of back seat maneuvering to achieve a goal. Tom Testa's becoming head coach may have come as a surprise to many people in the community, but as far as the school administration was concerned, he was their man to continue Belleville's high rating on the football field.

And that he did. The former Montclair State College end

and precision type playbooks are underway. (don't be surprised if you get a specialty in Testa's planning. Tom Testa is a dedicated coach/mumble back. He's either His boys are book worms two-on and off the field. If you walk thinking "a way to solve a for- months before the season gets up to him one day and say hello, mulla or a certain formation.

DAV Gives Boathouse Fund \$500

Post No. 22, Disabled American Veterans, Belleville, this past week made a \$500 contribution to the Boathouse Building funds of the recently formed Belleville Nutley Rowing Association, Inc. Announcement of the contribution, the second of its size to be received, was made by President William Chapman at the last Trustees' meeting of the Association at Nutley Red Cross headquarters, 383 Franklin Avenue, where the progress of the current house - to - house drive, which both towns was also discussed.

Drive Approved
Permission has been obtained from both municipalities for the house - to - house drive, which is scheduled to last throughout the month of October. Members of the High School rowing teams of both towns, aided by their coaches and other adult volunteer workers, "kicked off" the house-to-house canvas over the weekend of September 29, by blanketing every residence in the two towns with a four - page, tabloid sized leaflet, appealing for the widest possible public support of the Rowing Association's aim to raise the necessary funds for the construction of a new boathouse.

The leaflet, called "Shells & Oars", was prepared by Nick Carracino, of 5 Manhattan Court, Nutley, with much of the cost of printing and production donated by the Mattia Press, Inc., of 91 Terry Street, Belleville. Carracino is one of the co-founders and trustees - of the Rowing Association.

Leaflet Reviews History
Repeating some of the publicity material that has appeared in the Nutley Sun and Belleville Times since the founding of the Rowing Association last June, the "Shells & Oars" leaflet also contains a historical review of High School rowing in the two towns, together with other information of interest to potential contributors to the Boathouse Building Fund. In particular, the leaflet stresses that the Rowing Association has been incorporated as a non - profit organization, and that in consequence all contributions are tax - deductible.

Chapman also announced that he had been informed by Mr. Aaron Jackson of the Belleville-Foundation, that the group will consider the appeal for financial sup-

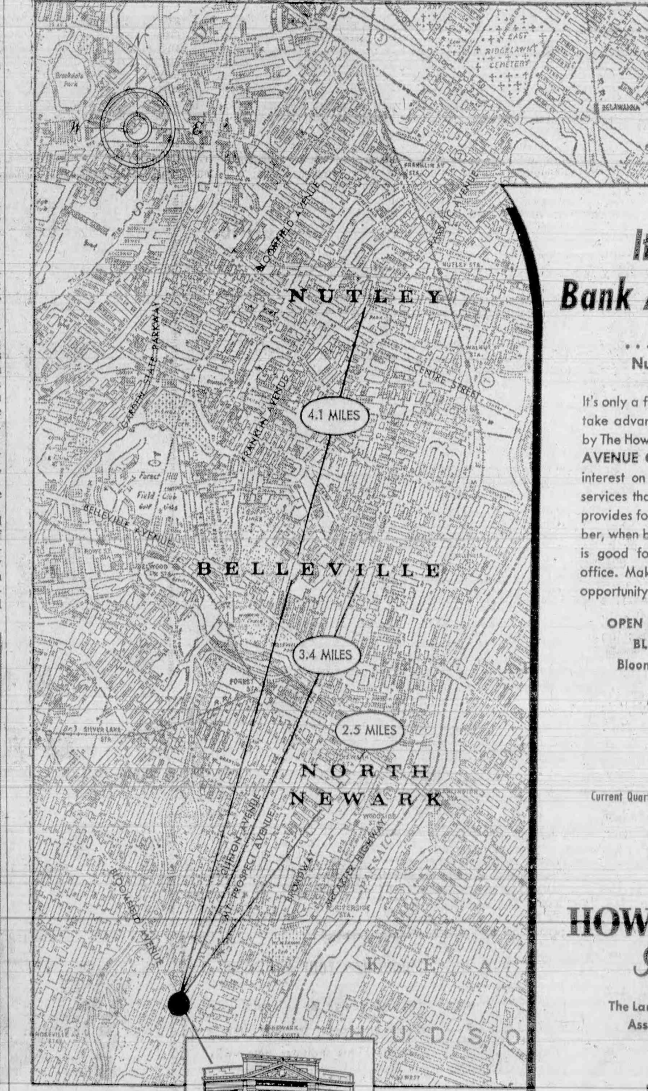

port of the Boathouse Fund drive at its annual meeting in November.

In the name of the High School crews of both towns, the Trustees also tentatively accepted an invitation from James V. LaMota, chairman of the Veterans' Council of Belleville, to enter an appropriate float in the Veterans Day Parade, Sunday, November 10. The Council, composed of the local posts of the American Legion, Armvets, Italian - American War Veterans, and the Veterans of Foreign Wars, pointed out in its letter of invitation that such a float could be of material help in dramatizing the purposes of the "Keep Rowing Going" campaign.

Olson Elected Trustee
At an earlier meeting, the resignation of William J. Maddams, of 136 Chestnut Street, Nutley, from the Board of Trustees of the Rowing Association was accepted. The resulting vacancy was filled with the unanimous election of Carl Olson, of 38 Terrace Avenue, a member of the Nutley Board of Education. Mr. Olson also assumed the local chairmanship of the Association's Small Business Committee.

The "Keep Rowing Going" campaign of the Belleville-Nutley Rowing Association, Inc., this past week came \$500 closer to its goal of \$35,000, when the Belleville Post No. 22, Disabled American Veterans, contributed that amount toward the building cost of a new boathouse for the High School crews of the two towns. Presentation of the \$500 check was made at a recent meeting of Post No. 22, by Louis Marone, of 89 Linden Avenue, Post Commander (right) to Lawrence Bernard (left), trustee of the Rowing Association and Belleville chairman of the professional campaign committee, in the presence of William Chapman (center), principal of School No. 5, Belleville, and president of the Rowing Association.

Gantner's, Costa's Pace Pin League

Position tied brought changes in the standings of the Olympic League on October 3. Costa's Delicatessen and Gantner's Hardware remain tied for first place edging out Home Owners Lumber by one game.

Bowling against Rose Reilly Real Estate was the only three game winner, Carl Orechio Real Estate, with Marge Narucki's highest series of the season 577.

Marge Smith of White Oaks Pharmacy helped her team to stay in fourth place with a 466 series, giving them two wins against A & F Automotive, whose high bowler was Kay Bergamini with 465. Nutley Sun took 2½ games from Mike's City Service.

Soccer Star

Delhi, N.Y. — Coach Gene Whitney has announced that Jack Betchick, has made the Delhi Tech Bronco's Soccer varsity.

Jack is the son of Mr. and Mrs. John Betchick of Belleville, New Jersey.

Druther Serves On Support Carrier

USS HORNET (FHTNC) —

Joseph T. Druther Jr., airman apprentice, USN, son of Mr. and Mrs. Joseph T. Druther, Sr. of 153 Lake St., Belleville N.J., is serving aboard the anti-submarine warfare support aircraft carrier USS Hornet which recently completed training exercises off the Northern coast of California.

Flanders Named President Of Gamon-Calmet Meters

Newark N.J.—Frank J. Nunlist, President of Worthington Corporation, today announced that William C. Flanders, formerly of Belleville has been named President of Worthington Gamon Meter Division located here and the Calmet Meter Division in Egypt, Texas.

Flanders, who resides at 910 Lake Street, Newark, first came to Gamon Meter in 1925 as a sales representative.

In making the announcement, Nunlist said, "As President of the Gamon-Calmet Meter Division Flanders has complete responsibility for research and development, manufacturing and marketing of our entire line of products which are manufactured by the division. Under Worthington's decentralized organization, the Division President has complete authority over all divisions.

Kimmelman Is Candidate For Assembly

Irwine I. Kimmelman, 33, candidate for State Assembly on the Republican ticket, was born in Newark and has been a life-long resident of Essex County. He is a graduate of Rutgers University and has been a member of the Essex County Board of Supervisors since 1958. He is also a member of the Spring Lake Golf and Country Athletic Club.

Mr. Kimmelman attended Newark public schools and was graduated from Essexboro High School in 1948. He attended Rutgers University and was graduated from the Rutgers School of Business Administration where he majored in accounting.

Mr. Kimmelman received his law degree from Harvard Law School and served his legal clerkship as law secretary to New Jersey Superior Court Judge Edward Gaultkin. He was appointed Attorney General Browne as an Assistant United States District Attorney for the District of New Jersey, where he served in both the civil and criminal divisions for two years.

In 1955, he received his law partner in the law firm of Hannon, Weisman, Myers, Stern & Besser. He is a member of the Essex County, New Jersey and American Bar Associations, as well as the Harvard Law School Association of New Jersey.

He has been active as a Young Republican County Committeeman in South Orange. In 1959 he was aide to Alfred C. Clapp in the Senatorial campaign, and in 1961 he served as Treasurer for the "Scotty MacDonald for Sheriff Committee."

Town Critic

(Continued From Page 4)

Mr. Golden, "that my vote is needed to carry this?"

"Yes again," answered Mr. D'Avella.

Leaning back in a comfortable, sure, satisfactory manner, Mr. Golden without hesitation added, "I'll vote no!"

The rest of the councilmen were polled; contributing votes, three against one or rightfully one against three, for that one vote defeated the whole item. Then, did Mr. Golden contribute a hasty excuse, "Christmas is a wonderful thing, but let the merchants pay for the lights themselves, not the taxpayers. Is he, Mr. Golden, in effect saying, "Christmas is a wonderful thing, but the people, the taxpayers, do not approve of it... only the merchants, so let them pay for it!"

If Mr. Golden questioned the amount, or made his statement that the decorations were, quote, "...gaudy spectacle," and worked toward salvaging the resolution; I would then believe he tried on behalf of all concerned. However, he put forth the usual bait ignoring the simplicity of the issue, (people's belief in Christmas time) to encourage a three to one vote, knowing afterwards his fellow colleagues would search for legal means of action to benefit what they knew the residents of Belleville wanted. In this, they have succeeded by following the Council Rules, whereas a vote of three is needed to appropriate the funds. Now, instead of one against three, it will be three against one, as had previously been anticipated by Mr. Golden in a series of such man-

euvers this allowing his volcanic voice to erupt bemoaning his fate of being overcome by a majority bloc... exactly as Mr. Golden has always wanted!

I do not wish to exploit an issue concerning Christmas, but thought to describe it clearly as a guide to unravel prior courses of action which now becomes self-explanatory.

I really believe Mr. Golden has missed and missed many votes against mostly anything that I was; for at first I believed by reading his comments in the newspapers that he was really up against it... fighting to save our money. After attending a few meetings, I learned Mr. Golden would be of benefit to the townspeople. Now an economical person does spend money for what he or she needs. Perhaps Mr. Golden sincerely believes the Town of Belleville and it's people haven't any needs, and truly believing in himself, labels this economy, and therefore continues to vote against the spending of money.

Others and I found ourselves disagreeing with Mr. Golden, not always... but more often than not, and that it added up to too often, we all agreed!

Mr. Golden has been against the creation of a committee on Playgrounds and Parks. He had questioned the authorization of payment to innumerable services, which if deeply felt are needed and it would be a foolish antic, indeed to say, "I believe we need these services," as Mr. Golden manifestly stated and then abstain or vote against the payment for such by offering an excuse of being "too busy" minded. The N.J. Orthopedic Hospital, Columbus Hospital, Clara Maass Hospital, Family Counseling Service and the North Essex Child Guidance Clinic cannot offer aid without money to pay their staff and supplies. A very economical issue also obviously questioned by Mr. Golden was the resolution to set up reserves in the 1962 budget appropriations. For money to be set aside seems doubtful! Doubt and a no, no, no, no attitude constantly plagues Mr. Golden... as at present he is negatively opposing new fire equipment upon the basis of economy and also he lays the blame for his dissent on the heads of the taxpayers for he is acting upon the mandate of the people.

Mr. Golden claims the fire equipment can be repaired and should be repaired. Do you feel that the repair costs applying to

22 and 23 year old equipment would be economically feasible! How long do you feel the repairs would prove efficient? What guarantee do we have that another part won't break down after the original costs have been put into repairs? Isn't it probable that a cycle of breakdowns is certain to occur at their age and considering the additional stress laid upon these trucks due to the nature of their use? After sinking money into many minor repair jobs there will come a day, not too far off, where it just won't be worth it anymore. It's much better to trade in an old car completely devaluated on the open car market, rather than sink a fortune into it which never can be recovered. When considering retaining older equipment we are taking a chance everytime the fire alarm rings, jeopardizing the public's safety. Is this a need... in order to supply safety service to all?

Other persons alongside me, once confused by our Town's beleaguered atmosphere but now understanding the situation and it's cause, agree that Mr. Golden did make a contribution to Belleville by his criticisms on the Commission form of government and he might in the future have something to contribute again, but neither the past nor the future is the present... here...

That he might have an asset in the fire alarm ring, with his present attitude, Mr. Golden offers a three year deficit. How? By unbalancing the scale of just needs and services that can only be secured within the framework of our legally constituted Town Council! Can the residents and taxpayers of Belleville afford this deficit?

Now... since you recognize my proposal to initiate a recall of Mr. James R. Golden, allow me to furnish specific reasons why myself and many others were and are against the recall of Mr. Laterza, Mr. Addonizio, and Mr. Strumulo.

1. Mr. Westly's group has stated they do not wish to hold their recall election on a regular election day and therefore by calling for a special election, the cost to the taxpayer whom they assume to represent will be \$15,000.

2. They have initiated a recall against the three council - men but they still have not designated the persons they intend to support as replacements.

3. They have never, in my estimation and that shared by others, offered just and good cause for the removal of these men.

The recall of Mr. Golden is in-

cluding:

1. That this recall election be held in May, at the regular election time avoiding any additional expense to the taxpayer;
2. A consensus of the people to be taken to determine a candidate of their own choosing.
3. There is right and good cause for the removal of Mr. Golden attested by the specific issues described within this letter, which due to lack of space, cannot cover the others.

Mr. Westly's unsuccessful recall election recall movement has failed to apply these tenets and the lack of response has shown the intelligent observation on the Bellevillites' behalf. The people of Belleville are seeing their attempt to perpetrate a kangaroo court session proven as they became angered when approached with revealing themselves publicly.

We are not slapping back at anyone and rather than darkening the name of Belleville and its inhabitants, we would be lighting the Town by performing this service under the "Initiative" stipulation of the Faulkner Act inserted for the sincere efforts towards the removing recall of an irresponsible elected official.

No one need feel awkward to join those who have for some time seen the reasonable urgency of recalling Mr. Golden. This is not a decision arrived upon

Jaycees, Jaycee-Ettes Seat Slates

Newly installed officers of the jaycees are, left to right, Anthony Cortese, John Iannuzzi, David Haight, Fred Devlin, Robert Kittle, Leonard Krauss and James Skidmore. Missing from the picture was Albert Cairo. The proceedings took place at the Elks Club in Nutley.

Jaycees, Jaycee-Ettes Seat Officers at Joint Program

For the first time since their organizations began, the Jaycees and the Jaycee-Ettes of Belleville held a joint installation dinner dance September 28, at the Nutley Elks Club. The men were installed by their State President, James A. Skidmore Jr. They are as follows: President-David Haight, Vice President - Fred Devlin, 2nd Vice President - John Iannuzzi, Treasurer - Leonard Krauss, Recording Secretary - Anthony Cortese, Corresponding Secretary - Robert Kittle and State Director - Albert Cairo.

The women were installed by their Area Vice-President, Mrs. Audrey Trautwein. They are: President - Mrs. Albert Cairo, Vice-President and State Director - Mrs. Bernard E. O'Connor, Secretary - Mrs. Anthony Cortese, and Treasurer - Mrs. John Iannuzzi.

Skidmore was guest speaker of the affair and spoke on the many activities of the Jaycees including the International Convention in Tele-Viv, Israel, coming up soon.

President David Haight received the past year's activities which included the widely celebrated Cherry Blossom Festival. Robert Kittle was presented the President's Award for Outstanding Jaycee for the first part of the year. Finally a check was presented to Mr. Skidmore for his trip abroad to Tele-Viv.

President, Mrs. Cairo also went through the past successful year and briefly told of future plans to help the men. An American-Hebrew dictionary was presented to Mr. Skidmore for his trip to Israel. Also at this time the men were informed that the women were purchasing a mimeograph for them.

The Jaycees and Jaycee-Ettes of Belleville now again begin another year and ask the citizens of Belleville to support them in their forth-coming projects in order to make their community a better place in which to live.

Throckmorton Named Editor on Yearbook

NEWARK, Oct. 4 — Jack Throckmorton of 46 Division Ave., Belleville has been named sports editor of Encore, student yearbook at Rutgers Colleges in Newark.

Throckmorton, a Belleville High School graduate, is a junior business major at the State University's Newark School of Business.

Peace Corps
Seeks 9,000
Volunteers

WASHINGTON, D.C. — The Peace Corps estimates that it will require at least 9,000 Volunteers to meet the requests of host country governments in 1964.

These needs include: 5,000 teachers, 2,000 community development workers, 700 health workers, 600 agricultural technicians and 700 skilled tradesmen, technicians and professional personnel.

The greatest demand is for teachers — 3,000 for secondary schools, 1,000 for elementary and 500 for colleges and universities. An additional 500 volunteers are needed for the fields of physical, vocational and adult education.

In the field of health, 500 nurses of all kinds are needed. Another 200 persons will fill posts as medical, laboratory and X-ray technicians, doctors, dentists, sanitarians, etc.

While the demand for agricultural skills cover a wide range of subjects, these skills are most frequently requested: agricultural extension, irrigation, farm mechanics, animal husbandry, agricultural engineering, poultry, dairying and soil conservation.

The Peace Corps is interested in volunteers who have recently retired and also those eligible for a leave of absence from their present employment.

Applicants are advised to submit an early application if they want to be considered for either a February or June appointment. An application form may be secured from the Peace Corps, Division of Recruiting, Washington, D.C. 20525. Special literature will be sent to those indicating the particular area of their skill and when they would probably be available.

Students Hear
College Aide

On Thursday, October 3, Mrs. William Stanley of the Public Relations Office of Bloomfield College met with twenty Belleville High School interested juniors and seniors. Mrs. Stanley discussed the admission policies, the costs, and the subject offerings at Bloomfield College.

A question period followed her talk. Mr. Herman Knuppel, Senior Counselor, arranged for the program.

During the month of October, interested juniors and seniors will have the opportunity to meet with representatives from Marietta College, Clark University, Berkeley Secretarial School, and Stevens Institute of Technology. Those interested will also have the opportunity to attend programs given by the East Orange General Hospital School of Nursing, Fitchkin Hospital School of Nursing, Smith College Alumnae, Mt. Holyoke College Alumnae, and Barnard College Alumnae.

GOP Women Plan
Theatre Party

Trenton, N.J. October 10. The New Jersey Federation of Republican Women, Inc. will sponsor a theatre party at the Paper Mill Playhouse, Millburn, New Jersey on Thursday, November 27, 1963 according to an announcement made today by Mrs. Walter T. Margetts, Jr. of New Vernon, president of the group.

The play to be presented on that evening will be "The Unsinkable Molly Brown" which had a long run on Broadway several seasons ago. Miss Pat Carroll of television and Broadway fame will star in the leading role.

Mrs. Margetts has named Mrs. John Mooney of Roseland as general chairman for the affair.

All the members of the Board of Governors of the Federation will participate in ticket distribution and sales.

Many areas are expected to set up dinner parties prior to the show.

Study Complaints on Photo Con Men

Orren Jack Turner (left) president of the Professional Photographers Association of New Jersey; Emmett Dean (center) a manager of the Better Business Bureau; and Seymour Ring, vice-president of the PPAJN examining letters of complaint that come in daily against itinerant photographers.

New Methods, Materials Aid
BHS Science Curriculum

New books, new laboratory methods, and new materials developed at major universities by large groups of scientists and educators over a period of years under grants from the National Science Foundation are being used by one section in biology, physics, and chemistry in Belleville High School this year.

Nova Babo, head of the science department, who studied the new program under a National Science Foundation grant at Rutgers University last summer, teacher of the new biology, is using the Biological Science Curriculum Study (BSCS) publication, Biological Science: An Inquiry into Life, and laboratory manuals. Using the whole organism approach to biology, the new course emphasizes laboratory work. This program will be fully implemented only when the new senior high school is opened in September, 1964.

Ralph Correll is teaching the new Chem Study program for Chemistry which emphasizes the experimental development of chemical concepts. He is using the materials developed by the Chemical Education Study Committee, Chemistry - An Experiment.

Gourmet Club Sets
Talk on Apples

The North Jersey Gourmet Club will hear a talk on the New Jersey apple industry at 8 p.m. Monday, Oct. 14, in the YM-YWCA of Newark and vicinity's Downtown Branch, 600 Broad St., Newark.

Robert Frothing of the Department of Agriculture in Trenton will address the group. He will also touch on some of New Jersey's other fruit industries. A question and answer period is planned. Apple cider will be served.

The club will hold a shish-kebab cookout at Camp Dawson, dairy camp of the "Y" in Towaco, Morris County, at 2:30 p.m. Sunday, Oct. 20. Miss Ann Slovensky of Irvington and Miss Shirley Duval of Newark are chairmen. Mrs. Catharine Snyder of Elizabeth is treasurer and reservations chairman. Miss Phoebe Haviland of Irvington is also serving on the committee. Reservations will close Oct. 15.

Sylvester Connolly of 128 Carpenter St., Belleville, is area membership chairman.

Driver Fined \$20
For Skipping Toll

Hillside, N.J. — Joseph Macaluso age 56, of 7 Hillon St., Belleville, has been fined \$20 and \$5 court costs on a charge of failing to pay the 25 cent toll in an automatic collection lane on the Garden State Parkway.

The motorist paid the fine in local court here on September 24, 1963.

State Police patrolling the Parkway made the arrest on a complaint charging that the violation occurred on September 16, 1963 at the Parkway's Union Toll Area.

The complaint alleged partial payment of the toll.

Toll evaders are subject by law to a maximum penalty of \$200 fine, or 30 days' imprisonment, or both. Additionally, driving privileges may be suspended or revoked.

SET RUMMAGE

The Belleville-Nutley chapter of Hadassah will hold its annual rummage sale October 21st thru October 25th at 133 Washington Avenue, Belleville.

State Photo Assn. to Assist
Victims of Photo Con Men

The Professional Photographers Association of New Jersey, an organization of established studio owners, will come to the aid of consumers who have been victimized by photographic itinerants.

The State group reached this decision at their tenth annual convention this weekend at the Hotel Dennis in Atlantic City.

Orren Jack Turner of Princeton, president, and Seymour Ring of Newark, first vice-president in charge of Ethics, announced the Association's stand following a meeting with Emmett Dean, financial and commercial division manager of the Better Business Bureau of Metropolitan New York.

Dean told the PPA of NJ officers that complaints about fly-by-night operators in the photo field rank fifth on its list of all complaints by the consumer public.

The itinerant photographers who Turner emphasized, operate outside of organized photography and on the very brink of fraud.

No matter what you've been offered

taken at a cut-rate price. Often such certificates are "bait". High pressure may be exerted to sell additional pictures of you may have difficulty in obtaining your picture without ordering more. In addition, the salesman's sample may be superior to what you actually receive."

The PPA spokesmen requested that anyone who has been victimized by the itinerants contact Orren Jack Turner, 112 Nassau Street, Princeton; Seymour Ring, 1112 Broad Street, Newark or their local PPAJN member.

The Association will maintain a file of complaints and would use its legal staff to make sure that the complaints were brought to the attention of the proper authorities.

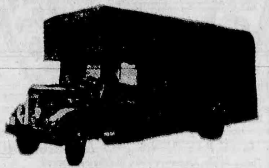

Order of Amaranth
Slates Game Night

Mrs. William Spremborg of 22 Highland Avenue, Nutley, will entertain members of Ideal Court 31, Order of Amaranth and their friends at a game night Tuesday evening, October 15, at 8 o'clock. Mrs. Joseph Ezzo will act as co-hostess.

A business meeting followed by Advanced Officers Night and Associate Matrons and Patrons Night will be observed by the Court Friday evening, October 25, at 7:30 o'clock. Mr. and Mrs. Lester Feldner will serve on the throne, at Belleville Masonic Temple, 126 Joralemon Street.
