

Nutley Sun-Belleville Times Social Editor Rita Dacey posed Monday for this picture to illustrate the change from daylight saving time back to standard time at 2 a.m. Sunday. One of her co-workers suggested she put her finger on 3 on the clock to show readers where the hand should go. Almost immediately someone called attention to the error. "Spring forward and fall back," yelled. But we decided to run the picture anyway — as an example of what NOT to do. To make it completely clear, turn your clocks and watches back one hour when you retire Saturday night.

# System of Dual Control Opposed by Grand Jury

**LAST IN A SERIES**

The final installment of the presentment against the Belleville Board of Education, handed down by the Grand Jury on April 6, 1964, is published below as a public service by The Times-News.

The series of articles were printed so that readers could recall the evils that are a part of the dual-system of control, recently returned to Belleville by a 4-3 vote of the Board of Education.

At the time of the presentment the jury said:

"Another feature detrimental to good and harmonious relations between the Board of Education members and those in charge of the school administration in Belleville is commonly known as 'dual system of control'.

Readers who believe that a single system of control is desirable for the Town school system, should call Board members and express their opinions.

The final section of the 1954 Grand Jury presentment said:

The Grand Jury is not satisfied, however, that these practices have been entirely discontinued, but the evidence of recent widespread use of employees in the manner described was not sufficient to justify indictment. It would appear from testimony given before the Grand Jury that the Belleville Board of Education is a group of individuals, rather than a responsible official body. The various Board members disclaimed knowledge of, and interest in activities of the Board nor under the individual committee authority.

**JURY SUGGESTIONS**

As a result of this attitude by Board members, the community might well consider:

(a) a passage of law permitting the election of its Board of Education rather than to continue to have the members appointed by the mayor; or

(b) the adoption of some system by which the qualifications of nominees to the Board of Education could be more carefully scrutinized and considered.

Another feature detrimental to good and harmonious relations between the Board of Education members and those in charge of the school administration in Belleville is what is commonly known as the "dual system" of control. Under this system the Superintendent and the Business Manager operate independently of each other, with neither responsible directly to the Board, as contrasted with the single system of control where the Superintendent is the chief administrative officer.

**DIVISION NOTED**

Testimony before the Grand Jury indicated that the "dual system" as it operates in Belleville has resulted in the division of the Board of Education into two factions: those who favored the Superintendent's recommendations and those who sided with the Business Manager. This split is reflected by the fact that in the new school project, now under way in Belleville, the business manager has not even been invited to attend discussions at which his presence would normally be considered essential.

For a better understanding of their responsibilities to the public, to the employees of the school

# Belleville Gridders Aim at Third Victory, Host Irvington

By RUDY NEUMAN

Defense. Offense equals Victory. So said Belleville coach Tom Testa after his Bellboys convincingly 21-0 victory over West Side Saturday.

The second-year mentor, wearing his biggest smile of the season, explained the good points, basically, defense. "This has been the difference thus far in our two wins," commented Tom prior to Monday afternoon's film study-class. It was their second shutout in four games.

"The kids on defense did a heckuva job for us, but they can't let up now," Testa said.

Belleville's stingy defense, led by the charging Larry Lounge, gave up 98 rushing yards against the weary West Siders. When you keep the opponent's offense under 100 per game they're doing the job. Especially with this Indian Summer weather.

"Some of the Illmen had a rough time gasping for air at the outset of the game," Testa went on. "The fire department had some oxygen brought down on the playing field."

Whereas, Tom was pleased with the defense he wasn't the happiest about his team's offensive slack when starting fullback John Senesky was unable to play, and right halfback Tom Greco sustained a knee injury in the opening quarter.

Quarterback Frank Pomaco, who is improving with each play, came up with a solid performance.

"I'm pleased with Frank's progress, but he still has the habit of throwing dangerous passes," Testa disclosed.

On several occasions, and the film doesn't lie, the senior signal-caller threw inaccurate passes, but luckily the defenders didn't latch onto the pigskin.

But, Pomaco did manage to throw a 25-yard TD strike in addition to completing three other tosses for 87 yards.

Belleville will clash with Irvington Saturday at home. Last week, Irvington was trounced by high-lyrated East Orange. The Bellboys lost to the Orange club by a touchdown in the opener. And it might be said that Coach Testa's bunch had a tie slip away in the closing minutes because of a bad punt.

"The boys up front (line) will hit dummies until they see double for the remainder of the week. A little more brushing up on the fundamentals of blocking is necessary after viewing the West Side scrap," Testa concluded.

With Greco and Senesky back in the starting backfield, the Bellboys have a chance to go above the .500 mark for the first time this season. Execution and more execution. That's Testa's theory of winning ballgames. He's so right.

# FIRE TRUCK TEST SEEN USELESS

## Seek Boost In Police, Fire Forces

Belleville town officials are weighing the possibility of appointing 11 new members to the police and fire department.

The manpower increase is expected to be contained in the 1964 budget, now being drafted.

The appointments would be made before July, according to Town Manager John R. Burnett. Seven of the new men would be assigned to the fire force, and the remainder to the police department.

Fire Chief Carl Hundertpfund has been asking for a boost in manpower since the department switched from a 56 to a 42-hour workweek last year.

Although the Chief has requested 22 men, Burnett said only seven new appointees are needed to bring the force to full strength.

Burnett said additional policemen were needed because of the increase in population. He said nationally recognized standards provide for two policemen per 1,000 population.

Belleville's population is estimated at approximately 40,000. There are now 66 members on the police force.

The Fire Insurance Rating Organization also has recommended the appointment of more firemen.

The manpower increase will cost the town in the neighborhood of \$60,000 a year in wages. Current starting salary for firemen and policemen is \$5,450.

**SCHOOL COST UP**

The Belleville Board of Education will have to raise an extra \$250,000 to complete construction of the new high school, Mrs. Norma McCool, school board member, charged Tuesday.

The board has exhausted all but \$109,692.91 of the original \$2.73 million appropriated for the construction project, Mrs. McCool said.

## Hall of Famers Receive Keys to Town

Keys to Belleville were presented Monday to Edward Holweg, 72, of 228 Branch Brook Drive, (right photo) and John Cullen, 82, of 22 Dewitt Avenue by Mayor Robert M. Laterza. Both men will be honored tonight by the New Jersey State Old Time Athletes Association on their election to the Old Time Hall of Fame at the Coronet Restaurant in Irvington, N.J.

Jersey State Old Time Athletes Association on their election to the Old Time Hall of Fame at the Coronet Restaurant in Irvington, N.J.

## Duplication Noted by Rating Head

The proposed test of several Belleville Fire Department trucks, tentatively scheduled for early November, seemed all but canceled yesterday.

Town Manager John R. Burnett, said he was awaiting a discussion with Fire Chief Carl Hundertpfund as to the purpose of the tests since they duplicate a test conducted annually by the local department.

"I didn't want a service test," explained Burnett. "I wanted something more. If they will only duplicate the test that our department already gives I can't see any benefit in having the equipment tested."

Burnett's comments came after Luther S. Clark Jr., Superintendent of the Municipal Fire Protection Department of the Fire Insurance Rating Organization of New Jersey, said in a letter that he thought the tests would accomplish very little since the vehicles received the same test from the local department.

Clark said in his letter:

"I see no reason to conduct the requested service test as a test by me would serve only to verify the results of tests conducted by your fire department."

"If sincerely desired we will make arrangements for the test, but we are trying to save time and effort since the test would only duplicate your local service test."

Councilman James R. Golden suggested the tests when he opposed the \$110,000 bond-ordinance to purchase three new pieces of equipment for the local department.

## O'Connor Urges Approval Of Civil Rights Commission

Bernard O'Connor this week urged adoption by the Town Council of a proposed resolution creating a Belleville Civil Rights Commission.

"The proposal to create a local Civil Rights Commission is very appropriate for our community and I urge our Town Council to adopt the resolution," said O'Connor. "The objective of the Civil Rights Commission is to aid in the elimination of all types of discrimination based upon race, creed and color and national origin or ancestry. This objective is completely American and I subscribe fully to the purposes for which the Civil Rights Commission is to be created. Title 18, Chapter 25, the laws of the State of New Jersey provides that communities shall create a Civil Rights Commission and if for any reason our Town Council fails to adopt the pending resolution if elected to the Town Council I shall personally sponsor a similar resolution," concluded O'Connor, a former Belleville Civil Defense Director.

## Page Numbers?

Looking for page numbers? We don't leave them out. We just shifted them from the top to the bottom of the pages as another step in our constant effort to improve The Times-News and make it more readable.

## Football Photos To Be Exhibited

The Times-News photographers take more photos at Belleville High School football games than it is possible to publish in the newspaper.

All football photos will be displayed each week on a special bulletin board on exhibit in the window of the Times-News office at 246 Washington Avenue, Belleville.

## Addonizio Challenges Pico to Air Reasons for Backing Recall Move

Deputy Mayor G. George Addonizio yesterday issued a challenge to former Commissioner Nunzio Pico for public debate.

Addonizio, an attorney said, "I will debate former Commissioner Pico any place and at any time between now and election day regarding the reasons for his desire to oust me from office via the Recall method."

"Pico says he favors the Recall of Addonizio, Laterza, and Strumolo. I should like to debate Pico on the four years of his performance as a commissioner compared to the one and one-half year record of the present council. I will match our record of performance against Pico's record any time, any place. His love affair with a couple of so-called Recall leaders is a brash attempt on Pico's part to gain the favor of a special interest group in order to win some votes for himself at the November 5th election."

Continuing Addonizio said, "I have dispatched a registered letter to Pico in which I demand that he stand up like a man and debate with me before the public whatever criticisms he has of my performance in office."

"Pico should tell our voters how he expects to improve upon my record. Would he vote against aid to emotionally disturbed children? Would Pico vote against Christmas Light decorations of Town Hall and Washington Avenue? Would he vote to build a parking lot on top of Cardiac Hill?"

"Would Pico vote to spend \$750.00 to straighten the Third River?"

"Would Pico vote to purchase the old telephone building for use as a police station?"

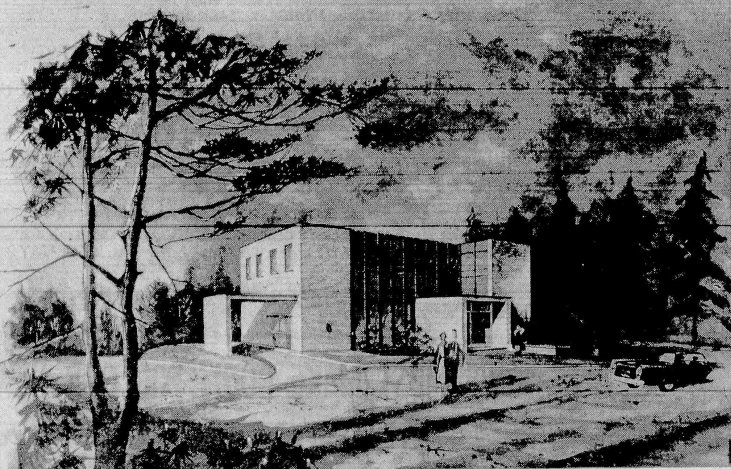

"Would Pico vote to create new or added jobs in Town Hall?"

"The people have a right to know just what Pico stands for today. Is he a changed Pico from the Pico who was ousted from office by the voters a short 16 months ago," concluded Addonizio.

Councilman G. George Addonizio

## Peoples National Bank Opens Branch Office

The Peoples National Bank and Trust Company of Belleville opened its Aitken Office, Joralemon Street at Franklin Avenue this week. The building will be open Saturday from 10 a.m. to 3 p.m. for public inspection. This will be a full service bank, and Belleville's newest banking facility, supplementing the services now rendered at the bank's present office on Washington Avenue.

Pico Details Platform For Progress

Nuncio R. Pico, candidate for councilman-at-large in the November 5 election Monday released his platform, which includes support of the proposed parking authority, creation of an industrial commission and a pledge to hold the town tax rate.

His statement said: "Belleville is growing and much can be done about shaping its future and influencing its character. In order to help bring this into being many projects should be studied and put into operation, among these:

"The creation of a Parking Authority to meet the needs of the entire community; the formation of an Industrial Commission to attract new industry; Foster legislation to seek assistance of the "Green Acres" program for the development of recreational areas; Combine the present facilities for school athletics with townwide recreation. Originate and put into practice a well designed complaint procedure between citizen, manager and council; review and provide Public Health requirements in accordance with minimum standards; gradually replace obsolete fire equipment to furnish maximum protection for lives and property; above all, hold the tax rate commensurate with the urgent needs of the town by furnishing essential services in the most economical manner.

The responsibility for the future direction of our civic offices should be placed in the hands of experienced citizens, who have already shown in many ways a willingness to give their best to retain all the good of our beautiful town.

Murren Takes Part In 'Dull Knife'

HAWAIIAN ISLANDS (PHOTO) — Marine Private First Class Bruce D. Murren, son of Mr. and Mrs. James A. Murren of 142 Linden ave., serving with the Fourth Marine Regiment, First Marine Division, is participating in joint training maneuvers, titled operation "Dull Knife", with Pacific Fleet Amphibious Forces.

The maneuvers are taking place in the Hawaiian Islands and will include amphibious assaults on the island of Moiloa.

JOSEPH G. BIANCARDI

Democrats Name Biancardi To Essex Executive Group

The appointment of Joseph G. Biancardi, president of Local No. 97, Teamsters, as a member of the Executive Committee of the Essex County Democratic Party, was announced yesterday by Democratic County Chairman Dennis P. Carey.

Biancardi, of 16 King Street, Belleville, is a Trustee of the Essex County Children's Emergency Shelter and a labor leader in Newark for the past thirty years. Biancardi headed Labor Groups in Essex County in the successful campaign of President Kennedy, Governor Hughes and Governor Meyner, and is active in the current State Senator campaign of Assembly Speaker Elmer M. Matthews, the Democratic candidate.

Biancardi serves as labor advisor to the Occupational Center of Essex County, an industrial workshop for the severely retarded, and he is also a trustee of Deborah Hospital in Browns Mills.

He is also labor coordinator on behalf of the Cerebral Palsy League and is honorary director of St. Lucy's Drum & Bugle Corps. Biancardi was honored last April by the Urban Better Relations Society of 50 Bradford Place, Newark, as the Essex County resident "who contributed most in the field of better human relations."

Biancardi has been a leading

Fiscal Reform Wins Support Of O'Connor

At a round of house parties this week Bernard O'Connor, candidate for the 3 year unexpired At-Large Council seat vacated by former Councilman Thomas Greca, endorsed the fiscal policy of Town Manager John R. Burnett with special reference to the elimination of year-end transfer of funds.

"I am opposed to the policy of transferring funds from one account to another which has been a carry-over from the old commission days. This bookkeeping trickery permits expenditures of taxpayer money without the taxpayers knowing in advance that funds were to be committed. Town Manager Burnett proposes to eliminate this annual grab bag and I am all for it.

"If a department head wants to spend money he should include his projects in the annual budget so that all taxpayers would have a right to express an opinion at budgeting time.

"The only legitimate reason to utilize unexpended funds of one account for a different type expenditure is on the occasion of an emergency. In such an event I favor emergency appropriations. In this manner the public would have knowledge of the specific purposes for which tax money is to be spent.

"This approach in my judgment is good business sense and will eventually lead to thousands of dollars of savings for taxpayers.

"If elected councilman I pledge to the people of Belleville that I will oppose any motion to transfer funds from one account to another. Year-end unexpended balances should go into surplus which could be used to reduce the next year's taxes."

Firemen to Guard Alarm Boxes

Town and volunteer firemen will be on duty at alarm boxes throughout the town on "Mischief Night," according to Fire Chief Carl Hunderprund.

The boxes will be guarded from 6 p.m. on to curtail false alarms, which seem to be one of the first things thought of by Halloween pranksters.

"We have had as many as 39 false alarms on the one night, prior to the beginning of the guarding of the alarm boxes, which we started two years ago," explained the chief.

"At one time we had all our trucks running from one false alarm to another," the chief said. "During the last two years we have not had a false alarm while the boxes were being guarded."

NROTC Exam Deadline Date Nears

High school seniors and graduates have only until November 22 to apply for the Navy's Reserve Officer Training Corps. Applicants will take the nationwide competitive examination on December 14 as the first step toward an appointment as midshipman.

Designed to supplement the officer output of the Naval Academy, the NROTC program makes it possible for a young man to earn a regular commission while studying at one of the 32 civilian colleges which has an NROTC unit. All tuition, fees and books are furnished by the Navy, and the student receives a retainer of \$50.00 per month for not more than four years. During the summer the student goes on interesting training cruises to many parts of the world. After completing a four year college course, he is commissioned in the Regular Navy or Marine Corps and goes on active duty as a career officer in the Naval Service. He receives the same promotional opportunities, duty assignments and benefits as Naval Academy graduates.

High school seniors and graduates who will be at least 17 but not 21 years of age on 30 June 1964 may apply for the Navy College Aptitude Test. Those who make a qualifying score will be given a thorough physical examination in January and February 1964. From the number of qualified young men remaining in competition, approximately 2,000 will be selected to begin their naval careers in college next September.

Application forms are available at the Belleville High School.

Retired Educators Will Meet Tuesday

The Essex Company Retired Educators Association will hold its Fall Meeting Tuesday at 2 p.m. at the Second Presbyterian Church, James and Washington Avenue Newark.

Following a social hour, William B. Hargrove, Association President, will show slides of "Flowers from Longwood Gardens", Kennett Square, Pa.

## Condemned By Their Own Words

September 23 the Ernest Arvidson bloc of the Board of Education asked the County Superintendent of Schools to permit it to create dual-control administration of Belleville schools. The County Superintendent responded by saying this proposal was "a step backwards" in Belleville and that the unit control system in use in Belleville is "the most efficient."

Now Arvidson proposes to get dual control at the October 28 board meeting by making the assistant superintendent for business responsible only to the board, not the superintendent. This would open the door to making the board president the top administrator instead of the presiding officer at board meetings. It would bring more board interference and politics into the schools. People and PTA's who have in the past demonstrated a sincere interest in our school system should attend this meeting and make known their displeasure with the prospect of dual control.

In this newspaper, February 4, 1960, Candidate Ernest Arvidson said: "I am unalterably opposed to a return to the form of dual control which led to these abuses (1954 presentation), and I would actively work to reverse the recent trend toward dual control. Only by having an able administrator at the head of our school system who is not constantly harassed by interference of individual board members but is solely responsible to the whole Board of Education can we receive full value for the tax money allocated to public education."

Three years later Board member Arvidson is guilty of all that he condemned in this statement. He has kept up an unrelenting attack upon the superintendent, and reportedly has often expressed his hatred in these words, "I am going to get him."

In sponsoring dual control Arvidson exposes himself as a hypocrite and performs a disservice to the school system he purports to serve.

Candidate Nicholas Juliano said in this newspaper, 1960 campaign: "You can and must prevent a return to dual and divided control if we are to protect the integrity of our school system. You must reject at the

polls those who seek to become self-appointed administrators." The people have a right to expect Board member Juliano to keep his commitment to them when the Arvidson proposal of dual-control administration of the schools comes to a vote at the Board meeting, October 28.

For Arvidson, Juliano, Pico, and DiRuggiero to offer as support for the dual-control proposal the fact that repairs and alterations around the schools were not authorized in advance in a Board conference is pure subterfuge. When the Board passed a resolution to pay the bills, they legally ratified the acts of their administrators.

Even the dual control proponents have not denied that all work that was done was requested by principals and was desirable. The fact is that a Board of Education cannot legally authorize or vote upon anything in a meeting from which the public is excluded.

It is time for this Board of Education to carry on all of its business in public and to give all authorizations by formal resolution in public meetings. THIS IT HAS NEVER DONE. It might be a good idea for the Essex County prosecutor to check into the authorizations that have been given in executive sessions of the Board.

More than a year ago Belleville established the town manager system of municipal government, a form of unit control. In 1956, the Board of Education abolished dual control by making the superintendent the executive for the whole school system, unit control. For the Board of Education now to go back to dual-control administration is to ignore the will of the people.

The reform that may be needed is not in the administration of the schools but in the operations of the Board of Education.

With a new high school under construction, with much information regarding this construction being kept under wraps by the Board, with the largest school budget to be placed before the public in February, dual-control administration of the schools is a lunatic proposal. It will complicate problems not solve them.

"Those whom the gods would destroy they first make mad!"

## Pico to Debate Addonizio?

This week Deputy Mayor G. George Addonizio challenged former Commissioner Nuncio Pico to a public debate. Pico is a candidate for the three year unexpired term of former At-Large Councilman Thomas P. Greco.

Pico's opening statement of candidacy demanded the recall from office of Deputy Mayor G. George Addonizio, Mayor Robert M. Lalerza, and Councilman Vincent T. Strumolo. Addonizio wants to debate Pico with special emphasis upon the reasons why Pico-thinks Addonizio should be recalled. Addonizio wants to compare Pico's four year record as a member of the old

commission with his (Addonizio's) record as a member of the present Town Council.

We believe Addonizio's debate challenge makes sense and if Pico is serious about his candidacy Pico should insist that a public debate he held at the earliest opportunity so that voters may determine the correctness of Pico's position and his qualifications to serve our citizens as a member of the Town Council.

In his challenge Addonizio said, "I will debate Pico any time, any place before election day November 5th." The debate challenge is extremely difficult for Pico to avoid especially since Addonizio is willing to debate at Pico's convenience.

## Times-News to Quiz Candidates

The Belleville Times-News as an aid to the public in selecting one of the eight candidates for the vacant seat on the Town Council has prepared a list of 16 questions, which each of the candidates will be asked to complete prior to next week's election.

The answers of all candidates who complete the form will be printed in full in next week's edition to allow voters to decide what man they want to represent them on the Town Council.

Questions asked the candidates include:

1. Do you favor the continuation of John R. Burnett as Town Manager-Town Clerk?
2. As a member of the Town Council what compensation will you vote to establish for Town Manager?
3. As a member of the Town Council during your term of office what compensation do you favor for councilmen?
4. Do you believe Belleville shoppers need off-street parking? If so, what are your plans for providing facilities and what are the areas of town that would receive top priority?
5. Do you favor the creation of

a parking authority?

6. What plans if any do you have to effect economies in the operations of our municipal government?
7. Did you oppose the adoption of the Council Manager form of government?
8. Do you favor expense accounts for Councilmen?
9. Are you in favor of consolidating the positions of Building Inspector and Administrative Clerk of the Department of Public Works as our Town Manager has done?
10. Do you favor the consolidation of the Town Clerk's duties with those of Town Manager as exists today or would you vote to separate the two jobs and employ two different people to perform the separate jobs?
11. Do you favor the construction of the much discussed bridge across the Third River to connect Rutan Estates with Franklin Avenue?
12. As a councilman would you oppose bidding specifications that are written to favor pre-selected vendors?
13. Do you favor Town Manager John R. Burnett's proposal

to hold the line "in next year's budget?"

14. Do you favor the expenditure of taxpayers' funds to send municipal employees and councilmen to annual conventions of the New Jersey League of Municipalities?
15. Do you favor the purchase of additional fire equipment as recommended by Fire Chief Carl Hunsicker?
16. What changes would you recommend in the present administration of our municipal government?

**Richard T. Albaghi**  
**Named To Dean's List**  
Richard T. Albaghi, son of Mr. and Mrs. Victor Albaghi, 21 Lighnam St., Belleville, has been named to the Dean's List for academic achievement at Rensselaer Polytechnic Institute during the last semester according to Ira E. Harrod, dean of students. To be named to the list, a student must have maintained a three point average during the semester. The highest average student at Rensselaer may attain is four.

## Planners Back Farmland Assessment Referendum

TRENTON — John Tomaselli, porting the farmland assessment den County Planning Board, said president-elect of the New Jersey referendum which is on the ballot, the statewide group of county seey County Planners Association, let November 5 as Public Ques-planners recently had given the announced today that the Associ- tion had gone on record sup- Tomaselli, director of the Cam- Tomaselli pointed out that the

association had been aware of the dwindling farmland problem for years and that the outgoing president, Charles Pike, director of the Monmouth County Planning Board, had been especially close to the problem. Pike said that the Monmouth Board had followed the shrinking farmlands picture closely in recent years through its special agricultural advisory committee headed by William Duryee, a former State Secretary of Agriculture.

As to the association's support of the referendum, Tomaselli said:

"This is a step forward in planning to hold open space in our state," said Tomaselli. "We have, at best, limited land resources to meet the growing demands of industry, businesses of all kinds, home builders and highway planners."

"Encouraging the stability of open countryside within the framework of an expanding economy," he said, "is badly needed at a time when we find farms going out at a very fast rate."

"Agencies at all levels of government have expressed concern over the need for open space. Several programs, such as Green Acres at the state level and the Federal open space program, have been initiated," he said, "to conserve open space for future generations."

He said New Jersey's farmers maintain open ground at no direct cost to the taxpayer. "Farms are, in fact, tax-paying green acres and at the same time they make a substantial contribution to the economy."

Tomaselli said farmlands would continue to be given up for other so-called "higher uses," but he said he believed slowing up their loss would tend to maintain an orderly, balanced land use system.

The constitutional amendment would direct assessors to assess farmland on the basis of its "farm-use" value, not on a potential "non-farm" value.

### Jaycees Oppose Bond Proposition

"Obviously," the Jaycee opposition to the proposed \$750 million bond plan is producing results. The bond backers are resorting to personal attacks on me and my administration," James A. Skidmore, Jr., president of the non-partisan N.J. Jaycees, said this week.

Skidmore was referring to bond plan proponents who questioned the motives of the state Jaycee officers recently on TV and at several public gatherings.

The Jaycees — a young men's civic service and leadership training organization — have taken a statewide public stand against the \$750 million referendum.

The Captain is married to the former Mary A. O'Brien, daughter of Mr. and Mrs. Martin O'Brien of 502 Washington Ave., Belleville.

**UP SPEAK**

**BECK'S COLUMN**

By MAX BECK

Within the next 2 months retailers will sell 40% of their annual turnover of phonographs.

With the arrival of stereo several years ago, this seems to be one segment of the consumer electronics field where no radical changes are expected in the foreseeable future. Slowly we will see the shift from tubes to transistors, or as the industry calls it now "solid state" amplifiers. This is just a fancy name for transistors.

The Magnavox Company was the first one to offer such transistor phonographs last year. As has to be expected, there are always some "bugs" to be ironed out with anything of new design. Magnavox has now passed this initial stage and we do not have any reservations to recommend the purchase of Magnavox "solid state" phonographs.

This year you will see some other companies offering this kind of set. Some will have a combination of tubes and transistors, others will have transistors only. They all will go through the initial period of cleaning up the "bugs." We would suggest to stay with the company that has the experience.

You will read and hear fantastic claims of power output like 250 watts, for instance. These claims are vastly exaggerated. In the first place this listing is for "peak" output, meaning that the set is used continuously at the highest volume output. If this is done, it would soon start to rattle and the speakers and the cabinet would soon start to rattle and vibrate. In the average home the set will be used at a level of volume requiring not more than about one to 2 watts, occasionally at very loud passages at bass tones you may go up to 5 watts. To purchase an amplifier with a claimed output of 250 watts is simply ridiculous. It is like the cars with 400 HP engines to be driven most of the time in the city at 25 or 35 miles.

Before you buy a phonograph this year, we suggest to shop and listen very carefully.

We service what we sell.

We service what we sell Beck's Radio & TV, Nutley 697-2275

### Parkway Takes Precautions In Clock Setback

The Garden State Parkway has set an alarm to warn motorists of the switch in time and the safety hazards it presents.

Chairman Katharine E. White of the New Jersey Highway Authority said the Parkway was prepared to shift back to Eastern Standard Time on Sunday with a special program of safety precautions, including "lights on, please" reminders at toll booths.

Clocks are to be turned back one hour as of 2 A.M. on Sunday in the switch from Daylight Saving Time, with the result that dusk will fall for the next weeks during the hour or so of heavy homebound commuter traffic.

Past experience has indicated a sharp rise in accidents during the initial period of early darkness due apparently to the failure of many motorists to turn on their car headlights promptly at dusk.

Signs will be posted at Parkway toll plazas and special flyers will be issued by collectors starting today to remind motorists to turn on headlights at dusk and to watch for sudden stops during the critical period of time changeover.

A similar effort by the Authority last year witnessed a marked decrease in accidents during the critical period along the heavily-traveled sections of the Parkway north of the Raritan River.

**WE CAN FILL ANY PRESCRIPTION**

Every month new drugs are marketed for prescription use. We continuously read the medical and pharmacy journals to keep up to date on their progress. As soon as they are released, the leading pharmaceutical firms have our standing order to send us a supply.

Even if you consult a physician in another city, bring prescriptions back home to us for compounding. We can do it and it will be more convenient for you if a refill is needed.

**YOUR DOCTOR CAN PHONE US** when you need a medicine. Pick up your prescription if shopping nearby, or we will deliver promptly without extra charge. A great many people entrust us with their prescriptions. May we compound yours?

## Wedding Trip to Miami, Fla. For The Leroy E. Tice, Jr.

The wedding of Miss Lena Mary Fiorelino, daughter of Mr. and Mrs. Michael Fiorelino of 55 Carpenter Street, Belleville, to Leroy Edward Tice, Jr., son of Mr. and Mrs. Leroy E. Tice of 30 Tremont Street, Irvington, took place Saturday afternoon, October 5.

The Rev. Thomas McCarthy performed the ceremony in St. Peter's R.C. Church, Belleville. The reception was held at Club Navaho, Irvington.

Given in marriage by her father, the bride was gown in white silk peau de soie fashioned with square neckline, long sleeves and fitted bodice, accented with beaded applique. The bouffant skirt ended in a chapel train. A crystal crown held her elbow length veil of illusion, and she carried white orchids with stephanotis.

Mrs. Donald MacPhee of Newark was her sister's matron of honor, and bridesmaids were Mrs. Frank Gelormini of Nutley and the Misses Carol Segreto and Patricia Khan of Newark. They wore full length gowns of peacock and light blue taffeta featuring square necklines, short sleeves and sheath skirts with short trains. They had matching pillbox hats with veils and carried white spider mums.

Donald MacPhee of Newark served as best man and Louis Fiorelino of Belleville, the bride's brother, and Richard Zimmerman and Sergio De Almeida of Newark ushered.

The mother of the bride wore aqua crepe with beaded bodice and matching accessories. The bridegroom's mother chose gold crepe with chiffon sequined bodice and sequin hat. Each had a corsage of white orchids.

The bride was graduated from Our Lady of Good Counsel High School and the bridegroom from Weequahic High School, both in Newark. They are employed at Mutual of Omaha Insurance Co., Newark.

### Sisterhood Plans Business Luncheon

Mrs. Joseph Berkowicz, president of the Sisterhood of Congregation Ahavath Achim, Belleville, has announced the appointment of Mrs. George Sosin as chairman of the Sisterhood's second annual Business and Professional Luncheon.

The affair will be held at the Temple, 125 Academy Street, Belleville, at 11 a.m. on Wednesday, November 20. The meal, to be cooked on the premises, will be open to the public.

## Tenth Anniversary Dinner For Tri-Town B.P.W. Club

Tonight, Thursday evening, Tri-Town Business and Professional Women's Club, Inc. of Belleville, Bloomfield and Nutley will celebrate its tenth anniversary with a dinner at the Bow and Arrow Manor, West Orange. Mrs. Marion C. Holst, chairman, has arranged for a reception to be followed with the dinner at which Miss Dorothy M. Armbruster, former bank officer, will be guest speaker.

Miss Armbruster was born in Colorado, daughter of a clergyman and a teacher, was graduated from the American Institute of Banking and joined the staff of the Fifth Avenue Bank where she advanced from the Women's Department to assistant cashier and then assistant vice president. In 1952 she became a full vice president of the Bank of New York and held this position until her retirement.

Miss Armbruster is chairman of the board of trustees of Finch College, Governor of the Women's National Republican Club, a director of the Yonkers Tuberculosis Heart and Health Association, Inc., a member of the Women's Planning Board of the Japanese International Christian University, and a member of the library committee and treasurer of the Evening Group of the Women's Society of professional and business women.

Her latest achievement was the publication of "Pennies and Millions" in 1962. She has appeared

on radio and TV programs as a guest, and now devotes much of her time to speaking to women's clubs and banking organizations.

Miss Helen Hunt, program coordinator and first vice president of Tri-Town, arranged a recent bus trip through New Hope and along the Delaware River and barge canal to Peddler's Village at Lahaska, Pa.

Plenty of time was allowed to explore the fine shopping area which is outstanding in beauty and noted for its unusual shops. Most of the buildings originally were chicken coops, now uniquely converted, except for the barn which became the Cook and Bull Restaurant where the group had luncheon.

## Local Democrat Women Take Part In County Affair

Several local women assisted in making arrangements for the fourth annual fashion show and reception of candidates sponsored by the Essex County Democratic Women's League Tuesday, October 22, at The Coronet, Irvington.

The League president, Mrs. Elizabeth C. Butterfield of East Orange was general chairman of the fashion show. Belleville women on the committee included Mrs. Richard Kaufeld, Mrs. Margaret Raimondi, Mrs. Ann Noonan, Mrs. Sue Pipitone, Mrs. Marion L. Malcolm, Mrs. Mae Mead Mazza, Mrs. Elsie Alberici, Mrs. John Connolly, Mrs. Mary Coronata and Mrs. Ruth E. Dillon.

Those from Nutley who served were Mrs. Mary Hagorst, Mrs. Margaret Hayford and Mrs. Mary McCurdy. Gov. Richard J. Hughes was guest of honor and Democratic candidate for State Senator, Elmer M. Matthews, was the principal speaker.

## Hospital Guild Social For New Members Set

A Membership Social is being planned for all new members and prospective members of the Clara Maass Memorial Hospital Guild by the members of the Guild.

The setting will be the auditorium of the School of Nursing on the hospital grounds, Monday, October 28. Membership chairman is Mrs. William Purk of Bloomfield. Mrs. Peter A. Prungillo of Newark is Guild president.

## Catholic Men Will Hold Regional Session

The first quarterly meeting and reception of the Essex-Montclair Region of the Newark Archdiocesan Council of the National Council of Catholic Men will be held Monday evening October 28 at 8:15 p.m. in the auditorium of Our Lady of Lourdes Church West Orange, N.J.

The Rev. John T. Lawlor, pastor of Our Lady of Lourdes parish and legion moderator, will address the group. There are 20 parishes in the Montclair-Essex Region, including Belleville and Nutley. Inter-parish groups include the Serra Clubs of Montclair, Bloomfield and Glen Ridge, the Councils of the Knights of Columbus in Montclair, Verona, Caldwell, Belleville, Bloomfield and Nutley and the Ancient Order of Hibernians groups from the section. Thomas P. Langan of Montclair is president.

## Woman's Role In World Today A Vital One, Clubwomen Told

The role of clubwomen in their respective communities and the growing problem of narcotics addicts among the youth of our country were the themes dwelled upon by the principal speakers at the 8th District Fall Conference of the New Jersey State Federation of Women's Clubs, held October 16 at Fewsmith Memorial

Presbyterian church hall, with the Woman's Club of Belleville acting as the host club.

The Rev. George Van Leuven, rector of Fewsmith Church, pronounced the invocation. Mrs. Edward A. Rochau, president, welcomed the guests. Members of all 25 clubs in the 8th District attended the all-day gathering.

which was presided over by Miss Reba E. Eaton, 8th District vice president.

Speaking on "Our Crusade Against Narcotics Addiction" in the morning session, Mrs. William A. Nicoll, Civics and Legislation chairman of the State Federation, stressed that "drug addicts have to be taken out of the hands of police jurisdiction and turned over to the medical profession." Mrs. Nicoll emphasized that there are present 3,000 registered drug addicts in the state of New Jersey. "Law enforcement agencies simply have not the proper facilities to cope with the growing problem. They can only penalize drug addicts, but cannot cure them."

### Plea for Peace

In her talk on "Your Sphere of Influence" at the afternoon session, Mrs. S. Herbert Taylor, southern vice president of the State Federation, traced women's role from the home to their part in the community and in society as a whole. The paramount task of all clubwomen is "to work for peace," she said. "Let our prayer be 'Let there be peace, and let it begin with me.'"

As illustrations for the kind of programs to which Clubwomen are committed, Mrs. John Stead, 8th District International chairman, appealed for support from individual members and local clubs for UNICEF, CARE, "Meals for Millions" and Radio Free Europe.

Club contributions are also desired for the State Federation's Pan-American Scholarship program, under which two awards of \$1,400 each will be awarded annually—one to a Douglass College for Women graduate for a year's study at any South American college, and the other to a Latin American college graduate for a year's study at Douglass.

### Evening Dept. Reports

In her report for the Evening Membership Department of the Order of Women's Clubs, Mrs. Walter Sincov, chairman, announced that a goal of \$30,000 has been set for the State Federation's project for the benefit of the N.J. Medical Research Foundation.

### Newark Museum Has Family Day

Visitors are invited to try their skill at weaving, clay modeling, and painting at the Newark Museum's Family Day open house on Sunday, October 27. Open workshops for children and adults will be included in the program. A Junior Museum Demonstration Workshop will be staged by members of the Junior Museum Council.

### Rummage Sale

A rummage sale will be held Friday and Saturday, November 1 and 2 at 504 Washington Avenue, Belleville, under the auspices of North Star Chapter 84, Order of the Eastern Star. The sale will be conducted from 8 a.m. until 6 p.m.

## St. Peter's Church Scene Of Miss O'Toole's Wedding

Miss Eileen O'Toole of 120 Rutgers Street, Belleville, daughter of Mrs. John J. O'Toole of County Mayo, Ireland, and the late Mr. O'Toole, was married to Thomas P. Feeney, son of Mrs. Thomas J. Feeney of 21 Cedar Avenue, Newark, and the late Mr. Feeney, in a ceremony presiding a Nuptial Mass Saturday morning, October 19, in St. Peter's R.C. Church, Belleville.

The Rev. Michael Coyne of St. Teresa's Church, Rummenede, N.J., performed the ceremony and celebrated the Mass. The reception was held at Rock Spring Corral, West Orange.

The bride was given in marriage by Martin Brennan of Kearny. Her sister, Mrs. George O'Connor of Orange was matron of honor, and bridesmaids included the Misses Linda Ann Feeney of Newark, sister of the bridegroom, Norreen Jordan of Belleville and Mary Ann Brennan of Kearny.

Best man was John J. Feeney, brother of the bridegroom and William Tansey, his cousin, A. T. Caloia, of Newark, and Edward Baines of Woodbury, his brother-in-law, ushered.

The bride attended schools in Ireland and is employed at Schrafft's Restaurant, Newark. Mr. Feeney attended Rutgers University and is assistant treasurer of the Data Processing Center

of the First State Bank of Union. The couple will reside in Vailsburg.

## Local Democrat Women Take Part In County Affair

Several local women assisted in making arrangements for the fourth annual fashion show and reception of candidates sponsored by the Essex County Democratic Women's League Tuesday, October 22, at The Coronet, Irvington.

The League president, Mrs. Elizabeth C. Butterfield of East Orange was general chairman of the fashion show. Belleville women on the committee included Mrs. Richard Kaufeld, Mrs. Margaret Raimondi, Mrs. Ann Noonan, Mrs. Sue Pipitone, Mrs. Marion L. Malcolm, Mrs. Mae Mead Mazza, Mrs. Elsie Alberici, Mrs. John Connolly, Mrs. Mary Coronata and Mrs. Ruth E. Dillon.

Those from Nutley who served were Mrs. Mary Hagorst, Mrs. Margaret Hayford and Mrs. Mary McCurdy. Gov. Richard J. Hughes was guest of honor and Democratic candidate for State Senator, Elmer M. Matthews, was the principal speaker.

## Hospital Guild Social For New Members Set

A Membership Social is being planned for all new members and prospective members of the Clara Maass Memorial Hospital Guild by the members of the Guild.

The setting will be the auditorium of the School of Nursing on the hospital grounds, Monday, October 28. Membership chairman is Mrs. William Purk of Bloomfield. Mrs. Peter A. Prungillo of Newark is Guild president.

## Catholic Men Will Hold Regional Session

The first quarterly meeting and reception of the Essex-Montclair Region of the Newark Archdiocesan Council of the National Council of Catholic Men will be held Monday evening October 28 at 8:15 p.m. in the auditorium of Our Lady of Lourdes Church West Orange, N.J.

The Rev. John T. Lawlor, pastor of Our Lady of Lourdes parish and legion moderator, will address the group. There are 20 parishes in the Montclair-Essex Region, including Belleville and Nutley. Inter-parish groups include the Serra Clubs of Montclair, Bloomfield and Glen Ridge, the Councils of the Knights of Columbus in Montclair, Verona, Caldwell, Belleville, Bloomfield and Nutley and the Ancient Order of Hibernians groups from the section. Thomas P. Langan of Montclair is president.

MRS. LEROY E. TICE, JR.  
Former Lena Fiorelino

## Club Members Will Model At Card Party-Hat Show

Mrs. Frank D'Ambola, chairman of the ways and means committee of the Evening Department of the Woman's Club of Belleville has announced that plans for the club's annual card party are complete.

The party, to be held at Paril's Restaurant, Belleville, on Tuesday, October 23, will feature a hat show by Betty Claire. Members of the club will act as models, will include Miss Liestorff Gietert, Mrs. Howard Beresford, Mrs. Walter Sincox, Mrs. Paul Zehr, Miss Mildred Weisgel, Miss Doris Zwiebel, and Mrs. Eugene O'Neill. Music will be by Miss Edith Richards.

The affair will also feature refreshments, favors, table prizes, and door prizes. Tickets may be obtained from Mrs. D'Ambola or any club member.

The October 16 meeting of the Department was highlighted by a program called "Styles in Painting" presented by Mrs. Carol Yudin. Mrs. Yudin, a prize-winning

local artist and teacher, gave a demonstration of the glazing of the underpainting of a canvas. She was assisted by her model, Mrs. Marty Harris.

Mrs. Yudin has exhibited paintings in many galleries including the Montclair Art Museum, Clinton Art Center and Westfield Art Center. She has also had two one-man shows, at the Guild of Creative Arts in Shrewsbury, and the Madison Gallery, New York. Three of her paintings were on display at the Woman's Club, one of which recently won a prize at the Rutherford Art Center.

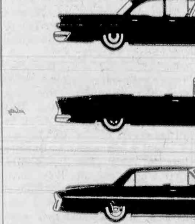

After the program, refreshments were served by the hostesses for the evening, Miss Viola Weisgel, Mrs. Howard Beresford and Miss Doris Zwiebel.

## Rose Society Stages Luncheon for Nov. 2

Of interest to local rose growers is the upcoming annual luncheon of the North-Jersey Rose Society. The affair will be held Saturday afternoon, November 2, at one o'clock at the Suburban Country Club, Union.

The speaker will be Leon P. Montague of Evanston, Ill., whose topic will be "Turned Out to Grass."

## For Cheese Lovers Cheese for breakfast? What could be better? Ferve it hot or cold, according to the clock and the thermometer. Sprinkle grated Cheddar cheese on toast and run under broiler until melted for a breakfast open face sandwich. Bake eggs in a cheese sauce (or condensed cheese soup). Or serve wedges of cheese with fresh fruit and crusty slices of French bread.

# PERSONAL AND SOCIAL HIGHLIGHTS OF THE WEEK

## October Is "Hadassah Month"

Hadassah Month: Mayor Robert Laterza presents proclamation designating the month of October as Hadassah Month, to Mrs. Carl Morgenroth, left, president of the Belleville-Nutley Chapter of Hadassah, as Mrs. Ted Hirsch, vice president and membership chairman, looks on. A special feature of the "month" was the Chapter's membership drive which culminated with the installation of new members Tuesday evening, October 22, at Congregation Ahavath Achim. Mrs. Hirsch was assisted by Mrs. Irwin Kanowsky and Mrs. Seymour Sherman.

## The Stork Club

### Daniel Raymond Reed

Mr. and Mrs. Allan Reed of 25 Brighton Avenue, Belleville, announce the arrival of their second child, a son, Daniel Raymond, September 9 at Mount Sinai Hospital, Montclair. The six pound, seven ounce lad joins a two-year-old sister, Joni Ellen. The former Carol Sue McNutt, Mrs. Reed's daughter of Mr. and Mrs. Robert L. McNutt of Frankfort, Ind. Mr. Reed, son of Mr. and Mrs. Roy Reed, also of Frankfort, is a chemical engineer with Westinghouse Electric Co., Bloomfield.

### Linda Eileen Paton

A second child, a daughter, Linda Eileen, was born to Mr. and Mrs. Kenneth Paton of 434 Passaic Avenue, Nutley, October 2 at Clara Maass Memorial Hospital, Belleville. Weighing in at eight pounds, 13 ounces, she joins a brother, Joseph, two, Mrs. Paton is the former Patricia DeMunter, daughter of Mr. and Mrs. Joseph DeMunter of Nutley. Mr. Paton, son of Mr. and Mrs. Kenneth Paton of 18 Valley Street, Belleville, is with Gallo's Wholesale & Retail Meats, North Arlington.

### Doreen Gail Rock

Receiving congratulations on the birth of their first child are Mr. and Mrs. Clifford Rock of 146 Stephens Street, Belleville. A seven pound, three ounce daughter, Doreen Gail, arrived to them October 7 at Clara Maass Memorial Hospital, Belleville. Mrs. Rock is the former Dorothy Gail Sloan, daughter of Mr. and Mrs. Morris Sloan of 27 High Street. The proud father, son of Mr. and Mrs. James Rock, Sr. of 9 Terrace Place, is a machinist with Manso's, Belleville.

### Donelle Ann Smith

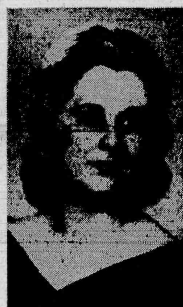

Mr. and Mrs. William Smith of 10 Oak Street, Belleville, are receiving congratulations on the arrival of their first child, a five pound, 12 ounce daughter, Donelle Ann, October 12 at Clara Maass Memorial Hospital, Belleville. The former Gail Richmond, Mrs. Smith is the daughter of Mr. and Mrs. Donald Richmond of Wayne. Mr. Smith, son of Mr. and Mrs. William Smith of 384 Cortlandt Street, Belleville, is a local optician.

### Nancy Ann Butler

A fourth child, a daughter, Nancy Ann, was born to Mr. and Mrs. John Butler of 168 Garden Avenue, Belleville, October 8 at Clara Maass Memorial Hospital, Belleville. Her birth weight was seven pounds, four ounces. Nancy Ann has two brothers, Mark, five, and Patrick, four, and a sister, Mary Lynn, 18 months. Mr. Butler is the former Patricia Byrne, daughter of Mr. and Mrs. Patrick Byrne of 50 Cedar Hill Avenue, Belleville. Don't rush to take just any job. Give us a call first. Choose from three practical courses. Free lifetime placement service. Ask for catalog. KATHARINE GIBBS SECRETARIAL PRICED \$210 31 Plymouth St., MONTCLAIR

## Miss Lois Jean Conklin Weds; Cousin Officiates at Ceremony

The marriage of Miss Lois Jean Conklin to Richard Alan Conklin was solemnized Saturday afternoon, October 19, in St. Peter's R. C. Church, Belleville. The bride's cousin, the Rev. Aloysius J. Welsh, S. T. D., Director of the Pope Plus XII Institute of Social Education for the Archdiocese of Newark, performed the ceremony.

MRS. RICHARD A. CONKLIN Former Lois J. Conklin

The bride is the daughter of Mr. and Mrs. Allan Conklin of 39 DeWitt Avenue, Belleville; her husband is the son of Mr. and Mrs. Earl Conklin of 17 Liberty Street, Bloomfield.

Escorted by her father, the bride wore a gown of satrapeau fashioned with square neckline, long sleeves and Swiss applique trim. The bell shaped skirt featured a detachable train. A rosebud applique pillow held her bouquet, which she carried with a bouquet of phalaenopsis and stephanotis.

The bride's sister, Miss Mary Conklin of Belleville, was maid of honor. Bridesmaids were another sister, Mrs. Paul Hannan, and Miss Patricia Mallack, both of Belleville.

They were gowned in emerald green chiffon floor length gowns with scoop necklines, short sleeves and sheath skirts. They had pillbox hats with veils and carried white Fuji mums.

Best man for his brother was Earl Conklin of Towaco. Paul Hannan of Belleville and Nick Dragotis of Vauxburg ushered.

The mother of the bride was attired in pale aqua crepe with a corsage of white phalaenopsis, and the bridegroom's mother chose toast brocade with a corsage of yellow phalaenopsis. Both had matching accessories.

The bride was graduated from Belleville High School; the bridegroom is a Bloomfield High School graduate. Both are with the Mutual Benefit Life Insurance Co., Newark.

Following a reception at the Hotel Robert Treat, Newark, the couple left on a three-week wedding trip to Miami Beach, Fla. They will reside at 62 Orchard Street, Bloomfield.

## Co-Curricular Supper For Religious School

The religious school of Congregation Ahavath Achim will hold the first co-curricular supper for the season tonight, Thursday, from 5 to 6:30 p.m.

The program will include at Elmer Light film entitled How They Knocked the Devil out of Uncle Ezra, which was shown on TV several years ago. Mrs. Joseph Kirsman is in charge of the supper, and Rabbi Victor Cohen will lead the discussion of the film.

## Hobby Day, Sale At Woman's Club

A hobby day and sale will be held by the Woman's Club of Belleville Monday, October 28, at the clubhouse, 51 Rossmore Place, from 10 a.m. to 9:30 p.m. Many novelties will be on exhibition and for sale, including original paintings, shell-work, ceramics and flower arrangements. Guest will be able to find appropriate gifts for any member of the family or for the "friend who has everything."

The tea room will be open from 11 a.m. to 3:30 p.m. and from 5:30 to 7 p.m. Mrs. Floyd Haring is general chairman.

Federated Art Day was celebrated yesterday with a tea and discussion on various art forms at the Montclair Museum. Members of the Belleville Club who attended were Mrs. Lorena Clark, Mrs. H. Irving Russell, Mrs. Arthur G. White, and Mrs. David Parry.

## Holy Hour For CYO Members at Cathedral

The Archdiocese of Newark will have a Holy Hour for all CYO members at Sacred Heart Cathedral, Newark, Saturday, October 27, at 3 p.m. The Rev. Thomas E. Davis of Immaculate Conception Church, Montclair, will be the speaker. The Holy Hour will begin a Holy Week for all teenagers of the Archdiocese.

A social is planned for all members of Holy Family, Nutley, CYO who attend the Holy Hour. Teenagers who are members of Holy Family Church will also have a Mission conducted especially for them by two Redeemptorist priests every night at 7:30 o'clock from November 3 through November 9.

Fashion's lightest touch in an All-in-one that weighs just ounces. Fashion front zip control for easy donning. Gives curve control too at sides and back. Of new controlling stretch satin and lightest, firm-gauge Lycra® spandex, nylon lace and marquisette. White. B Cup 32 to 40, C Cup 33-42, \$16.95.

# 8-Year-Old Vietnamese Girl Adopted Financially by Belleville Couple

Mr. and Mrs. Fred De Angelis, 11 Washington St., Belleville, have financially "adopted" Tran Thi Quy, an 8-year-old Vietnamese girl, through Foster Parents Plan, Inc., 352 Park Avenue South, New York City.

The foster parent has promised to contribute \$15 a month for the child's support for at least a year. He has already received a picture of the new overseas relative. A complete case history of the child accompanied the photograph.

The first letter has probably arrived by now, both original and translation. In it a foster child may describe how it feels suddenly to have shoes on his feet, a mattress to sleep on instead of the dirt floor, and the comfort of a full stomach. He always reports on his progress at school. Letters from his foster parent, both original and translation, are treasured. Often they tell about life in America. Letters are exchanged monthly.

A foster child starts learning about generosity, American-style,

TRAN THI QUY

as soon as he is selected by a PLAN social worker in his country, and okayed by the local Director. He draws all benefits

while PLAN matches him with a foster parent who wants someone his age and nationality. Eligibility is determined by need and the ability to benefit. This means that every PLAN foster child must go to school. PLAN'S purpose is to guide a foster child toward economic independence, and subsequently to responsibility for his family and service to his country. American-help as a stepping stone to self-help is the PLAN way.

This two-way street paved with love and gratitude remains open long after the foster child achieves financial independence. By caring for a destitute child overseas a foster parent creates an indelible image of the "beautiful" American. One PLAN foster child wrote to his foster parent after he had become independent that "Nobody can tell me or my family that Americans are bad. I know how really good they are."

"Adoption" through PLAN is financial not legal. Of the \$15 intelligence and deserving of respect.

In this way, the taxpayers of Belleville are not put through the expense of a referendum until all other possible means have been exhausted.

(c) Appoint an Industrial Commission.

(d) Any major public building project will be brought to the attention of the people—first, Education.

A greater interest must be taken in the responsibilities to guide and encourage our children to have a full education, as they will be our future representatives. Also, we must get them active in American sports, both girls and boys for a physical fitness movement. Many maladies occurring later in life are due in large part to a lack of consistent physical fitness.

There is a need for the creation and expansion of a well-supervised recreational activity for our children in Belleville. SUMMATION

I have been interested in the future growth of our town and shall serve in public office with a compromising and co-operative form of government for the greater interest of Belleville, our citizens and taxpayers.

I shall do my utmost to give Belleville fine supervision of government with proper leadership. Duke Havin furnished the music for the evening and comedian Sandy Hook did his fine impersonation of a Hawaiian dance.

## Platform Detailed by Maglio In Drive for Council Seat

Michael A. Maglio, candidate for Councilman-at-Large for the Belleville Municipal election November 5 spoke before a large audience composed of all women at the Amvel Hall, Newark Ave., Belleville Oct. 21, 1963.

He introduced his speech with a brief outline of his civic leadership: "I am a life-long resident of Belleville and have been instrumental in civic work for the benefit of our town and very active as an elected County Committee member here in Belleville. This is to explain my organizational values which I have upheld and practiced consistently for many years. I have established a platform entitled 'Business, Economy, Education.'"

(a) All departments should be co-ordinated to work together.

(b) An increase in services to taxpayers from our Department Public Works should be instituted.

(c) Planning—the question of the Planning Department to construct high rising buildings in several areas of Belleville.

"Our characteristic way of living here in Belleville has been of a suburban atmosphere for many years; this is the reason people choose to purchase homes to live here. The Planning Department brought about this type of construction under the Commission form of government, and our new form of government is reviewing it."

"The Planning Board terms it as progress. I will say progress is wonderful, but, as an example, if Belleville's shopping center could show substantial construction of commercial buildings on Washington Avenue, then this would constitute an attraction to the residential areas of Belleville for multiple dwellings. But, Belleville does not have a strong financial business center to warrant this type of construction. Secondly, under the so-called term of Deterioration."

"The Planning Department cannot use deterioration either because I have campaigned through the entire town of Belleville, and many taxpayers have been issued building permits not only to alter their homes for their own comfort but also to keep up the valuation of their homes. Therefore, I say that condemnation procedure cannot be used because there is no evidence of deterioration in any part of Belleville. They have to prove

MICHAEL MAGLIO

this first. I have taken a careful study personally on this measure, and I would gladly lead the Belleville residents of the areas involved to further action, regardless of whether or not I am elected to public office.

(d) Expansion of Belleville's Fire Department — Additional growth of population in Belleville in the past years has made it necessary to construct a new fire house with the executive capacity of our Public Safety official to direct Belleville's Washington Ave. Fire House, the William St. Fire House, and the Silver Lake Fire House (the only three existing fire houses in Belleville) for a balance of Fire protection.

Economy is of the utmost importance to the town as a whole as well as the individual citizens, taxpayers, and employees of Belleville's Municipal government.

(a) To strengthen departmental supervision where it is needed and to utilize to the fullest capacity the potentials of the present employees.

(b) Referendum—A man elected to public office must perform said office responsibly. In this light, a referendum is to be used only as a last alternative for demands on benefits, wage increases, and departmental rights. I, Michael A. Maglio, assuming elected, will sit honorably with the negotiating committee to discuss the benefits of all municipal employees who have passed both a written and physical Civil Service examination and, so, are able bodied men and women with

Dear folks—

While I was admiring the sophisticated mix and match outfits by Majestic at Lipton's today, it occurred to me that there's a very real transition period in the life of Every Girl that's not been as publicized as the pre-teen one!

And I do mean the painful jolt of leaving the teens and graduating into a career girl.

Well, of course, Lipton's should be experts on any transition—(witness what's been going on for months in transforming the entire store!)—as I wasn't surprised to find that those Majestic outfits serve that very purpose—Leave it to Lipton's to think of everything!

Now take that golden chestnut color in a smart diagonal weave, for instance—It's neutral enough for the most conservative, yet the styles are youthful and oh so smart! There's a jumper, skirts of several styles, vests and pull-overs, plain or figured blouses and smart jackets to make them into the trim-est of outfits that ever hoarded a city-bound bus!

Wearing that, who could shed a tear for the dear old days of loafers and sweaters? On with your heels and hat, pick up your smart new bag and gloves—You're on your way to a New and Exciting Life!

And you look it! Thanks to Majestic—and Lipton's!

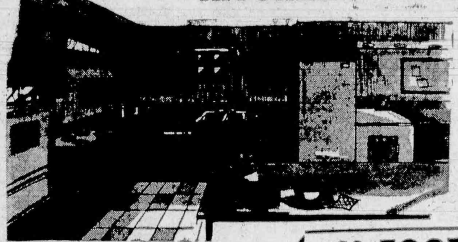

Sincerely

Letty

"Letters from Letty" bring you "news" from Lipton's every week.

## Miss New Jersey in Parade

Miss Janet Adams, Miss New Jersey of 1963 will be a participant in the Belleville Veterans Day Parade to be held November 10th at 3:00 P.M.

George K. Mitchell, handling publicity for the Veterans Council said all arrangements have been completed for the appearance of Miss Adams.

Miss New Jersey, a 5' 5" beauty, lives in Hopatcong, N.J. and is a graduate of Sparta High School. At the present time she is a sophomore at Northwestern University.

Miss New Jersey, a hazel-eyed, Auburn-haired beauty, won the

title of Miss Morris County being sponsored by Pequannock Memorial Post 450, The American Legion. She was a representative of New Jersey at the Miss America Pageant held at Atlantic City last month.

Miss Adams is the only child of Mr. and Mrs. Parker G. Adams of Stone Ave. Hopatcong, N.J. Her hobbies are piano, dancing and singing.

Parade Chairman and Grand Marshall James LaMotta announces that plans are for a fine parade and a full line-up will be in this paper soon.

The project is being completed entirely by club members in their spare time. Materials were obtained free from many local civic-minded citizens.

## Boy Scouts Seek New Units To Take 5,000 More Youths

Wanted... enough new Scout units in Newark, Irvington, and Belleville to accommodate at least 5,000 additional boys who would like to be scouts but for whom there is no room in the present organization.

This appeal was sounded on Monday by William H. Keith, speaking in Newark at a luncheon for leaders of the Robert Treat Council, Keith said that a survey of schools in the three communities has turned up the fact that there are many more potential Boy Scouts than can be accommodated at present.

The current organization could absorb between 1,000 and 1,500 more boys for a total of between 7,500 and 8,000 to be served by the Robert Treat Council, Keith said. The survey showed, however, that the need for additional capacity runs far beyond that, according to the council president, who also is president of National State Bank.

"What we must have, and have quickly, if we are to do a proper job for the youth of the com-

## Red Cross Will Honor Mrs. King

Newark Chapter, American Red Cross will honor 126 volunteers who have contributed a total 1585 years of service at the Chapter's annual "recognition tea" to be held at 3 p.m. October 27 at headquarters, 710 High St.

Heading the honor list is Mrs. Richard A. Shafter of Pompton Plains, which is part of the Chapter's Pequannock Branch, who has served Red Cross for 45 years. She started in the Newark Chapter's Motor Corps in 1918, and has continued her activities from Pompton Plains to the present.

Also ranking high on the honor list is Mrs. Richard King of Belleville, chairman of the Office of Volunteers and vice-chairman of the board of directors, who has served Red Cross for 30 years in various capacities and cities.

Red Mrs. Ingrid New York, Pequannock, who started in the Patterson Chapter, who has served Red Cross for 30 years. A 25-year award will go to Edward W. Schweitzer, of Hanover, Executive Director of the Chapter.

According to Mrs. Guerdon J. Mayfield, Chairman of the Tea, Long-service pins will be awarded to 29 volunteers for 20 years; 24 for 15 years; 22 for 10 years; and 47 for 5 years.

Volunteers who serve the Newark Chapter include persons from the Harrison - East Newark Branch, and Kearny - Arlington Branch.

Principal speaker at the ceremony will be Chester F. Page, Director of Disaster Services for Red Cross in Greater New York, who will talk on "The 100 Years of Red Cross." The national Red Cross is celebrating its centennial this year.

A special award will be presented to Edmund R. Hopper, 865 S. 14th Street, Newark for "outstanding volunteer service in completing a time-consuming inventory of Newark Chapter properties for insurance purposes."

Among the five-year awards are Mr. and Mrs. Abraham Friedman, of Union, a retired couple who have worked together all their lives operating their own store in Newark. They offered their services to Red Cross five years ago because "they desired to serve together in the Gray Man-Gray Lady Service in Occupational Therapy in East Orange Veterans' Hospital."

Several hundred guests are expected to attend the affair. They will include Directors of Volunteers of Hospitals and Day Nurseries where Red Cross volunteers serve.

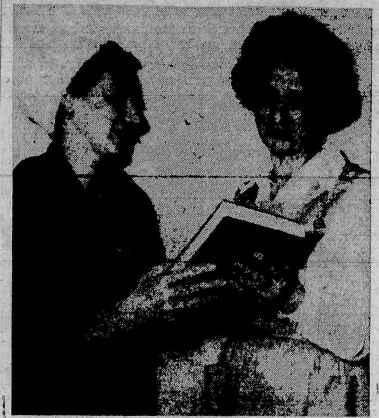

For Gay Kitchens  
Cotton Terry towels are gaining favor for easy-care kitchen curtains and chair covers. Stitched from any of the bright, cheery colors and patterns, Terry towel kitchen accessories wash easily and never need ironing. You might even enjoy using Terry towel place mats of a matching or coordinating color.

## Word of Thanks For Hula Hoops

The cast of the Clara Maass Memorial Hospital variety show "Cut-Outs of 1963" are grateful for the response of all who contributed Hula Hoops for one of the acts.

The show, to be staged at the Nutley High School on Friday and Saturday evenings, October 25th and 26th, promised to be a sell-out thanks to the many Clara Maass Hospital friends.

## Gift For Library Chairman

Mrs. Richard A. Shafter of 131 Bremont Street, Belleville, library chairman at Clara Maass Memorial Hospital, receives a complimentary copy of "Nutley - Today and Yesterday" from Mrs. Massy M. Nakamura of 31 Sylvan Place, Nutley, president of the Nutley Branch of the American Association of University Women.

The Association is organized on a State and National level.

## Elected to Board

At a meeting held at chapter headquarters of the American Cancer Society, Essex County Chapter, Councilman Vincent T. Strumolo was elected to the Board of Managers for one year.

## Risoli Warns Against Water Repellent Use

A product to make masonry such as the interiors of cellars, water-proof has been found to be highly explosive and flammable, Ralph M. Risoli, Director of Health and Welfare, Belleville, warned today. It is called X-33 Water Repellent and is distributed by the Wilmington Chemical Corporation of Chicago.

Persons who have containers of X-33 Water Repellent are urged to return them to the dealer from whom purchased with a request for a refund of the cost. Steps are being taken to remove the product from the market but any buyer of the product can help by returning it promptly to the store from which he purchased it.

The public warning by the State Department of Health resulted from a communication to the Department by George P. Larriek, Commissioner of the Federal Food and Drug Administration.

Larriek said one person has been killed and eight others injured in explosions following the use of X-33 Water Repellent. These were not New Jersey persons.

The communication of the Federal Food and Drug Administration said that until two months ago, X-33 had a flash point (point of ignition) of 40 degrees below zero Fahrenheit. That is, a spark

would be likely to cause the fumes to burst into flame at any temperature above 40 degrees below zero Fahrenheit. Since that time, according to Larriek, the manufacturer improved the product so the flash point became 73 degrees above zero Fahrenheit. However, again according to the Federal Food and Drug Administration, the labels on the cans do not differentiate between the old mixture and the new relatively safer mixture.

The communication from the Federal Food and Drug Administration did not pinpoint the states in which the product was sold but some have been found in Rochester, New York where tragedy resulted from its use.

A West Side back (35) breaks through for a short gain in Saturday's contest at Belleville. An unidentified Bellboy defender moves in to halt the advance. Belleville won, 21-0.

Belleville's Frank Raimo (34) leaps high in the air to deflect a West Side pass from the waiting arms of its intended receiver (81). Joe Cervasio (27) watches the action.

# BELLBOYS ROMP OVER WEST SIDE 21-0

Charles Oese (43) of Belleville enters into a graceful dance of the gridiron with a West Side receiver.

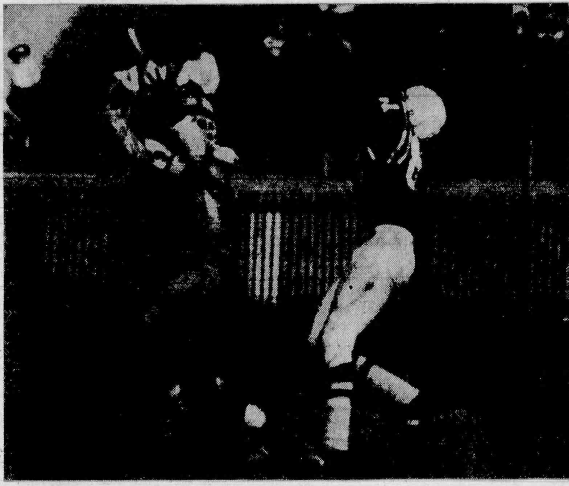

## Pomaco's Passing Paces Bellboys to Second Win

By Ray Fersko P.A.T. by Joe DelGuercio was Belleville High School evened good.

On the next kickoff the Rough Riders took the ball up to their own 30. Although they only made it to the 30, the blocking was very good. The Newarkers offense began to gather some steam as they completed three passes from Allen to Thirt. Yet, an alert Blue and Gold defense led by Chuck Oese pushed West Side deep in to their own territory, causing their punter, Meli. The Rough Riders couldn't chine to drop back and kick on the first set the fourth down. From here it was a pretty even game with neither team showing any unusual offensive talents. As the half began drawing closer, West Side managed to gain possession inside the 40. The Newarkers concentrated on the second set and tinnally picked up yardage as both teams continually gained they kept sending Lane and Narand lost possession. Towards the done up the middle and Hendrik-end of the first quarter, Belle-sen off tackle. On fourth down, ville took control of the ball on West Side chose to keep and the West Side 31. Sparked by the quarter back, Will Allen hurled a running of Richard Del Russo long pass out to the flats. The and Lou DiBella, the Bellboys of-pass was intercepted by Cervasio, who was brought down on On a 31-yard drive in six plays, his own 4-yard line. Three downs the Bellboys scored the first six later Belleville sent Louis Di-pointner of the day. The key plays Bella back to punt. Rich Hay in this drive were two screen ward caught the ball and West passes from Frank Pomaco to Side began patterning on the Bel-Frank Raimo and finally a three-leville 41. The Rough Riders continually yard plunge by Joe Cervasio, which scored the touchdown. The

## The Belleville Times

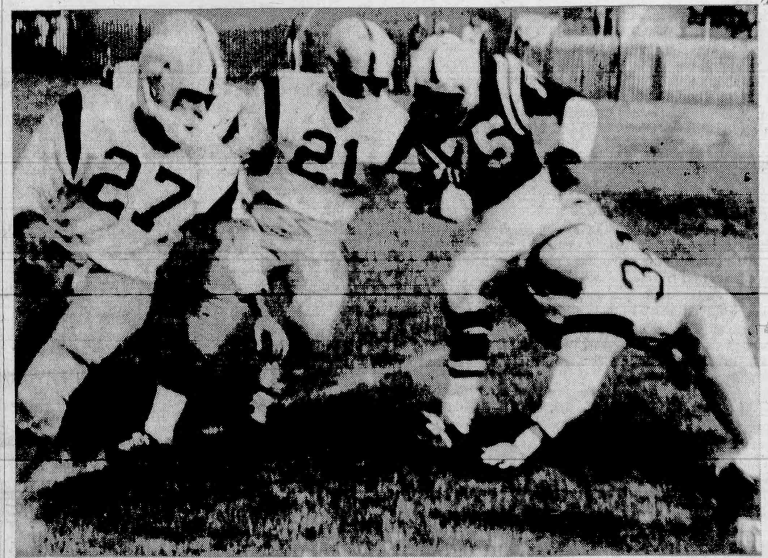

The Belleville Times-News, Thursday, Oct. 24, 1963—9

Joe Cervasio of Belleville (27) snares a pass good for a long gain in Saturday's contest in which West Side took its first defeat, 21-0.

Walter Phipps (28) and Louis Di Bella (37) of Belleville attempt to break through to get at a West Side runner. Belleville won its second game, 21-0.

Running interference for a Belleville ball carrier are Joe Cervasio (27) and John Visco (21) as Frank Raimo (34) attempts to block out a West Side defender.

# Phibbs' 3 TDs Pace JVs by West Side

By Ray Persko

The Junior-Varsity won their second game of the season this week as Walt Phibbs went for three touchdowns and Rus Mattoon kicked two extra points for a 20-6 victory over West Side High. This was the Junior Varsity's second win against one loss and one tie. In the four games played so far the J.V.'s have scored 10 touchdowns, however, Walter Phibbs scored nine of them giving him 54 points for four games.

Belleville's offense began moving almost immediately. With Frank Mineo and Jim Corino alternating the signals, the Blue and Gold continually patterned their down field towards the goal. After 11 plays, which covered 50 yards, Walter Phibbs broke around the end and raced 15 yards for a touchdown.

For the remainder of the first half both teams played excellent defense but neither mounted any offensive powerhouse.

**35-Yard Dash**

West Side opened the second half with a small drive, but Belleville's defense soon held. Three plays after the Bellboys got the ball Walter Phibbs broke loose and went 35 yards off right tackle for the second Belleville tally of the day. The kick by Rus Mattoon was good.

In the fourth quarter, Belleville's second team came in for down field towards the goal. After the kickoff and West Side's John

## Scanning the SPORTS SCENE

By Frank Walosin  
BELLEVILLE'S "MR. ATHLETE"

"For years I've attended the meetings of the Old Timers Athletics Association, in fact I've only missed one meeting this year and now I may miss the most important meeting of all."

Speaking was John J. Cullen of 221 Dewitt Avenue, who at the turn of the century was "Mr. Athlete" in Belleville and one of the men who introduced Belleville to the sport of basketball.

Cullen, along with another oldtime Belleville athletic great, Edward Hollweg 72, of 228 Branch Brook Drive, are scheduled to be honored tonight at the annual reunion and banquet of the State's Old Timers Athletics Association at the Coronet Restaurant in Irvington. Both will receive plaques—symbolic of their election into the Old Timer's Hall of Fame.

"I intended to go to the dinner when I heard I might be elected into the Hall of Fame several months ago," said Cullen. "But I'm 82 years old and for the last couple of months I've been under doctor's care. I'm having trouble with my eye. In fact, things aren't good at all. Both my wife and I are old and we're going down hill all the time."

**ELECTED TO HALL OF FAME**

Cullen and Hollweg were both elected to the Hall of Fame at the October 10 meeting of the association. Cullen was elected for baseball and basketball. Hollweg was named for track.

"If I can make it I will be at the dinner," said Cullen. "I want to go, but if I do, I won't stay long as I don't stay out late any more."

Cullen, who was born in Belleville, began playing sports in Belleville back in 1889. A star in baseball, basketball and football for many years, he has been limited to watching some of the games on television.

"I kind of got away from sports during the last three or four years since my wife got sick," said Cullen. "I did follow some of the games on television, but since I got this sore eye trouble about two months ago I don't even do that."

"The eye trouble? I don't know, it has something to do with a condition in my head. It's probably that old age has something to do with it. After all I worked for the Newark Post Office for many years before I retired and I played a lot of sports in my years..."

**REVIEWS SPORTING ACTIVITIES**

Looking back over his sporting activities that brought him one of the state's highest honors, Cullen recalled that he began playing baseball when "the town was all open lots. I guess I was about 10 years old." I caught for all of the good teams for many years. I played ball for the Woodstocks, one of the more famous teams at that time, just before they went out of business.

"In fact I caught the last game the Woodstocks ever played. I remember that Jim Flynn pitched and I caught. However there was very little money paid in those days. We usually got our expenses and the battery got a few bucks extra. I caught for the Newark Woodside Suburbans for about a year, they were just across the stream (Passaic River) and there was a lot of rivalry between the team and our Belleville team."

Turning to basketball, Cullen recalled:

"I and Pop Westlake organized the first basketball team in Belleville for the Catholic Club in about 1900, it was one of the best teams in the country at the time."

"I played basketball for many years, until they changed the rules. When they changed the game from pass-and-push to the run-and-shoot type of play I quit playing."

**TRAVELED WITH COLONIALS**

Cullen played guard and tackle on area football teams before the forward pass was invented.

"I played with the Belleville Colonials, a semi-professional team that traveled all over the east. We were about the best in the area. We had a headquarters on New Street. I played about 10 or 12 seasons with the Colonials. I remember that for many years we had a clubhouse on Washington Avenue. However, we didn't get paid very much, as like everything else at the time, there just wasn't much money around."

"All my life I've been interested in sports," said Cullen. "I always felt it would be nice to be in the Hall of Fame, but I didn't seek it. I feel that there are maybe 100 other fellows that deserve it as much as myself. Now that I have been elected to the Hall of Fame, I know it wouldn't make much difference to a lot of people at the dinner, but it would give me great pleasure and satisfaction to attend and receive the plaque in person."

Cullen was wrong on the last count. All of the association members and many residents of Belleville are rooting for him to receive tonight in person the award symbolic of efforts on the field of sport, now just faded memories—even to the man who performed them.

## Rotarians Give \$500 to Drive For Boathouse

Belleville Rotary Club has voted five hundred dollars to the fund for the erection of a new boathouse by the Belleville-Nutley Rowing Association, Inc.

Last week representatives of the association explained this campaign for a boathouse to the Rotary meeting. They pointed out how the sport of crew serves seventy-five boys who, for the most part, do not take part in other sports and the fact that survival of the sport of crew depends on getting a new boathouse on land being provided by Kearny.

Asked about this action of Rotary, Dr. Frank M. Durkee, president of the Club and Superintendent of Schools, said "I am proud of the action of my service club and its deep interest in the best welfare of Belleville."

## False Alarms Pace Women's Bowling Loop

The Belleville Fire Belles Bowling League of the Belleville Fire Department Ladies Auxiliary after six weeks of bowling, stands as follows:

**Team Standing**

1 - False Alarms	32 6

## BELLBOYS' HARRIERS CALL TIMEOUT

The Belleville High School cross country team, 1963 version, includes (left to right, bottom). Jerry DeLuca, Rich Zeigler, Toby Damaba, John Doree, Harry Stelker, (Top, left to right). Donald Johnson, Pat Gazzio, Robert Mallano, Chris Schulz, Albert Paganelli, Jeff Carlson, Al Frantum, Dave Grigonis, Bob Moore, Bill McCarthy, Martin Schwandt and coach Mario DiMaggio. The Bellboys have compiled a 6-4 record to date.

## Bellboy Harriers Paced by Ziegler

With the spotlight focused on scholastic football the autumn days, little do fans realize that another less distinguishing sport, cross country, is in existence.

Cross country may be underdog or classified as a "minor fall sport", but to the kids that participate in the event it's the greatest.

It's obvious that the best harrier will gain less recognition than the star football player. But it's gratifying to the individual to gain such status.

Here in Belleville there's a certain harrier performer who's gained the reputation as being one of the better runners in the County.

His name is Richard Ziegler. Ask coach Mario DiMaggio and he'll tell you this boy is the best in area schoolboy circles. Ziegler, a senior, recently shattered the Belleville Park course record which was in existence for some time. Captain of the Bellboys squad, Rich was clocked in a record time of 11:32.

"This was the best I've ever run, but I'll do better before the season ends," said Ziegler with a modest gesture.

Thus far, Rich has finished first in seven of eight meets this season, not including last Thursday's meet with SouthSide. Ziegler is one of six seniors on the Bellboys' harrier team.

After the conclusion of this season, which DiMaggio considers his "best" in four years of coaching, it won't be the same. Other runners on the 1963 edition include Albert Paganelli, John Doree, Toby D'Amola, Harry Stelker and Dave Grigonis. All seniors.

Thus far, Belleville's cross country team has compiled a 5-4 record. Their last verdict was a loss to SouthSide, 20-46.

Ziegler placed ahead of the field, but his teammates didn't come close to the runner's post. Belleville has defeated Barringer, Kearny, West Orange, Montclair and Irvington. With more than half the season over, DiMaggio is casting a smile despite what lies ahead.

"You might as well enjoy it while you can," DiMaggio said prior to a recent meet at Belleville Park.

**Two Games Of Hockey Each Sunday**

For interested hockey fans the Garden State Hockey League conducts two games at the South Mountain Arena every Sunday at 10 a.m. This league is composed of five teams; the South Mountain Rockets who were last years champs; Asbury Park, a newcomer to the league, Boonton, Morristown and Paterson.

Club rosters are made up of U. S. Olympic, College stars and former high school players from the New York, New Jersey area.

Fans are invited to come out and watch the fastest sport in the world. Admission is seventy five cents for adults and fifty cents for students.

Local players from Belleville are John Warchol, member of the 1963 U. S. National hockey team and Jean DeMichael, former University of Rhode Island star.

## Water Skiing Regulations Hearing Set

TRENTON — Proposed water skiing regulations on specified lakes and creeks in New Jersey will be discussed at public hearings this week and next in each of the affected areas.

Robert A. Roe, Commissioner of the New Jersey Department of Conservation and Economic Development said the proposals were prepared by Chairman Jack Sullivan and members of the Boat Regulation Commission.

"Our first consideration is safety for both boat operators and water skiers," Chairman Sullivan said. "The Boat Commission investigates and makes proposals for each body of water where hazardous conditions are reported."

The first hearing, concerned with proposals governing Paulinskill and Grinnell Lakes in Sussex County and Indian Lake in Morris County will be held in the Public Utility Hearing Room 1100 Raymond Boulevard, Newark, at 7:30 p.m. October 24. The second hearing, concerning Deal Lake in Monmouth County and Beaver Dam Creek in Ocean County, will be held in the Point Pleasant Beach Borough Hall, 416 New Jersey Avenue, Point Pleasant Beach, at 7:30 p.m. October 31.

At Grinnell Lake, proposed ski regulations would permit only two power vessels towing one skier each on the lake at one time. At Paulinskill Lake a course is to be established, indicated by white styrofoam markers. Hours for skiers there also are proposed.

At Deal Lake, it is proposed to permit water skiing east of the Main Street Bridge only. At Beaver Dam Creek, the Commission would prohibit skiing in the north and south branches of Beaver Dam Road Bridge.

In all cases, the Commission would continue the requirement of two in the boat towing a skier and would prohibit barefoot skiing, kite flying, para-sail and skydiving all of which require higher boat speeds than can be attained safely in the relatively small bodies of water under consideration.

# Check To Rowing Group Recalls Sport's Old Days

Past and present of oarsmanship on the Passaic River joined hands when James H. Bailey, Nutley architect and vice president of the Belleville-Nutley Rowing Association, Inc., received the letter, reproduced in the adjoining columns, together with the \$500 check it contained. The "Keep Rowing Going" contribution was made by Edwards T. Casebolt, South Orange attorney, and members of his family, in memory of Mr. Casebolt's brother Harry, who was a prominent member of the old Nereid Boat Club in its heyday around the turn of the century.

For some twenty years the Nereid boathouse on Main Street, Belleville, has served as headquarters for the High School crews of the two neighboring towns. Its loss by fire in August, 1962, is now necessitating construction of a new boathouse at the north end of Riverbank Park in Kearny.

Harry Casebolt, in whose memory the family contribution was made, was a scion of a prominent Belleville family. C. Leve- rich ("Lev") Brett, of 119 Heller Parkway, Newark, a spry Ocello- genarian and past president of the Nereid Club, told a trustee of the Rowing Association:

"I remember Harry Casebolt very well, although he was some years older than I. Our families were next-door neighbors on the corner of Main and Academy Streets. All of us youngsters practically grew up on the river and took to water like ducks. You may say, we were tapped practically from birth for membership in the Nereids." The club, Mr. Brett said, had been founded "Way back in the 'Eighties" by his uncle, Joseph Kingsland, a paper mill owner of Franklin Township, as Nutley was then known.

**One-Legged Oarsman**  
Harry Casebolt became an outstanding single-scul oarsman in these parts. His achievements, Mr. Brett said, were the more remarkable "since he lost his left leg when a boy of about fifteen. He jumped off one of the horses that were running along Main Street to North Newark for the fare of a single cent. He fell as he jumped off the moving car and one of the iron wheels went over his leg and cut it clear off."

But that, said Mr. Brett, did not deter Harry Casebolt. "He would hobble down the ramp and ease himself into his seat. And he won most of the intra-club races in his class and many regional events to boot."

Mr. Brett himself raced for the first time as a single-scul man in 1899 when he was 16, against his brother, Roger W. Brett, now 87, of Passaic.

**Taught Bill Bennett**  
Mr. Brett served the Nereid Club for ten years as coxswain and coach for two and four-men sculls. "I taught Bill Bennett how to row," he recalled proudly, referring to William N. Bennett, of 197 Linden Avenue, Belleville.

A "KIND GIFT IN KIND" was received by the Belleville-Nutley Rowing Association, Inc., when the Cerami Construction Company, Inc., of 15 Raymond Street, Belleville, donated 8,000 bricks towards the building of the new boathouse for the High School crews of the two towns. The brothers Dominick, Rocco and Charles Cerami, owners of the firm, are shown making a formal presentation of the bricks to trustees of the Rowing Association (from left to right) Richard A. Shafter, Ralph A. Casale, President William Chapman, Nick Carracino and James H. Bailey, Nutley architect and vice president of the Rowing Association, who is making the plans for the new boathouse to be constructed at the north end of Kearny Riverbank Park.

EDWARDS T. CASEBOLT  
COUNSELLOR AT LAW  
119 HELLER PARKWAY  
NEWARK, N.J. 07102  
NO 2 0388

Oct. 10, 1963

Dear Jim:

I would like you to give the enclosed to the subscription Committee when the time comes for the campaign.

This is in memory of my brother Harry whose happiest years were spent as a member of the Nereid Boat Club, and I, as a younger brother, had a lot of fun there too, boating and camping.

His children join me; Geo. B. Casebolt of Cheshire, Conn.; Mrs. Elinor C. Beach, West Caldwell; Mrs. Renette C. Scott, San Mateo, California and Mrs. Margaret C. Bailey also of South Orange.

Sincerely,

To Mr. James H. Bailey  
411 Prospect St.  
Nutley, N.J.

who himself eventually succeeded to the task by serving as coach of the Belleville and Nutley High School crews from 1941 to 59.

Other rowing old-timers fondly remembered by Mr. Brett include Richard Taggart, Andrew Underwood, the late Homer Zink and his son, Col. Homer Zink, Jr., called "Father of Rowing."

In a stirring appeal to the present-day generation of High School oarsmen, Mr. Brett was

outstanding gentleman, truly representative of the sport, when the Mid-Hudson Schoolboy Rowing Association and the Poughkeepsie, N.Y., Junior Chamber of Commerce joined in awarding him citation for "an outstanding contribution to the sport of rowing."

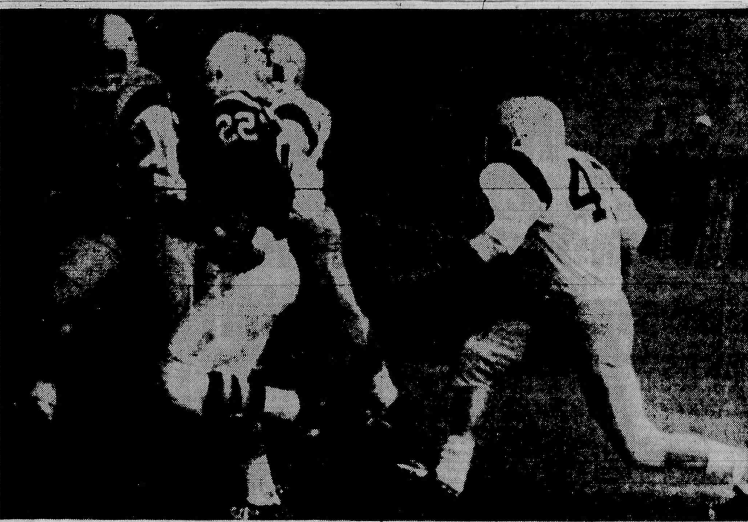

The award cited him for having "worked for rowing during his entire life" and called him "the Father of Rowing" at Rutgers University, where he helped revive the sport after it had been

dominant for more than 30 years, honored in January 1960 as "an

"Lev" Brett is modern rowing's historian, having edited the National Association of Amateur Oarsmen's Year Book and the Rowing News for nearly twenty years."

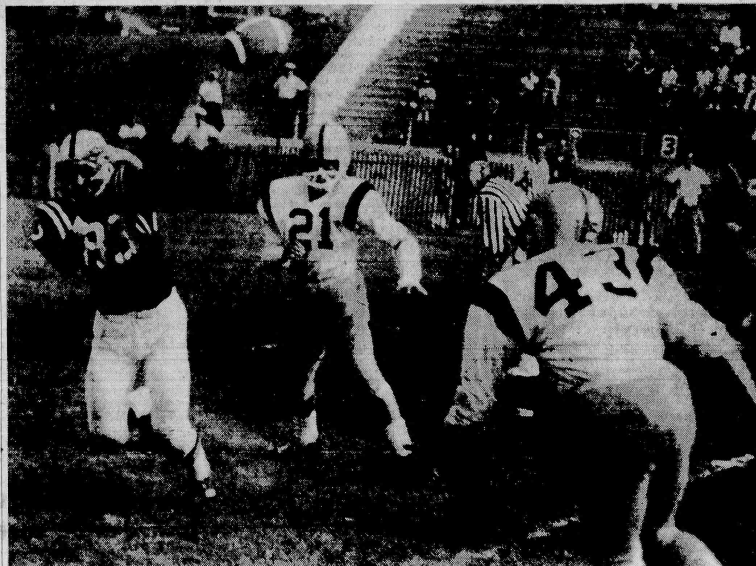

In a scroll simultaneously awarded to him by his own old club, the membership of the Nereids honored Mr. Brett as "the Grand Old Man of the Nereid."

He helped who may now well be called "the Grand Old Man of Rowing."

A West Side back is being penned in by Belleville defenders Joe Cervasio (27) and Charles Oese (43) after a short gain

in Saturday's contest. Belleville won, 21-0.

Belleville defenders move toward a West Side pass which missed its mark. Jonn Visco (21) and Charles Oese (43)

move toward the ball.

## Daddis Re-Elected Center Vice-President

Leonard Howard, president of the Occupational Center of Essex County, has announced that Armand Daddis, 19 Cottage Street, Belleville, has been re-elected as vice-president of the Center.

Also serving is Mrs. Nathan Vernick (Viola), executive director, Cerebral Palsy of Essex County and West Hudson.

The Occupational Center of Essex County at 29 South Sixth Street, Newark, is a sheltered workshop for the handicapped, the workshop is the recipient of a research grant from the Department of Health, Education and Welfare, Vocational Rehabilitation Administration, in cooperation with the Newark Board of Education and the New Jersey Rehabilitation Commission. This grant has enabled a professional team to help search for new ways to help handicapped youngsters to make the step from school to work with greater ease.

## Pomaco's Passing

(Continued From Page 9)

hit the middle while alternating on the ends. Belleville's defense soon stopped the Newarkers from passing after they gained 24 yards through the air. Nevertheless, Belleville didn't stop a Lenny Nadone snap play in which Lenny Nadone snap 20 yards for a first down and goal to go. Nadone's run brought the Rough Riders to the 4. George Lane then dove to the 2 and then to 1 foot from pay dirt, where the amazing Blue and Gold defense held the Newarkers from scoring. As Belleville began to call signals the half ended.

**Benechi Sparks Second Half**  
Joe Cervasio received for Belleville and the ball was downed on the 35. With little Richie DelRusso picking up most of the yardage, Belleville patterned to midfield. On the next two downs, the strong Rough Riders defense penetrated, pushing Belleville back into their own territory. However, on third down, Richie Benechi broke loose and took a pass from Pomaco 63 yards for a touchdown. The conversion by Joe DelGuercio was good.

Larry Thran ran the next kick off to his own 41. Two plays

## Gantners' Home Owner's Set Pace in Olympic Pin League

Gantner's Hardware and Home Owner's Lumber are tied for the lead in the Olympic Bowling-Alley's league with 11.7 records.

A three-way tie for third has Barbone's Chevron, Costa's Deli, and the A&F Automotive all deadlocked with 10-8 records.

later the Newarkers moved to the Belleville 36 on a 15 yard penalty. On third down Joe Cervasio intercepted and Belleville attempted to become offensive. Nevertheless, West Side soon became the aggressor. Once again West Side tried going to the air, but they found Chuck Oese right on target of an intended pass and the Rough Riders once again gave up the ball.

The Belleville offense continually gained yardage with Joe LaFalce doing most of the running. LaFalce looked extremely promising as he averaged 6 yards per carry. On third down, Pomaco dropped back and hit Benechi with a bullet pass. Richard then raced 40 yards up the center of the field for his second touchdown of the afternoon. Once again DelGuercio's kick was good.

From here on it was Belleville's game all the way. On defense the Blue and Gold twice intercepted in the last 2 minutes. (The first by Tony Sorrentino, the second by Charlie Oese.) The offense also continued to pile up yardage with DelRusso running around ends and LaFalce pumping the middle. At the final second ticked away, the Bellos were still dominating, with a 21-0 edge that was not relinquished.

## Custom Wins Odd Game From Zinicola

Custom Mattress Makers won the odd game from Zinicola's Bakery to lead Merchants Bakery by one half game.

The Inlet Tavern won two games from Pete & Nick's Amoco to drop the gas men to second place.

Savino's Sport Shop won two games from Cedar Hill Oil; Nubel Mechanical Cont. won one game from Wato; D'Ambola Electric won two games from Forbes Trucking.

From Michael's Barber Shop and Sasso Landscaping won two games from Sally's Auto Parts.

Three games-winners were Lardier Drugs over Gem Construction and Stanley's Tavern over Forbes Trucking.

Holling 500 series were Sub Federico 639; Frank Gilbert 625; Peter Barletti 611; Chas. Schuck 608; Fred Azack 605; John Merbler 603 and Nick Maurillo 601. Federico's 257 game was high for the night.

## Assemblies, Bonfire Boost Football Spirit

By JACKIE FOSTER

School spirit really ran high in anticipation of the Football game with rival Nutley. Things started rolling on Wednesday, October 9, with an exchange assembly between Belleville and Nutley. The purpose of this assembly, according to Belleville High's Vice-Principal Austin MacArthur was, "To continue our good relations with Nutley and remind all students of their obligations regarding conduct at athletic contests."

Members of Belleville High School's magazine committee with their mascots include (left to right, back row, Geza Pap, Bob DePais, John Visco, Dave Jones (front row), Pat Beretsues, Linga Vogel, Bonnie Cook, Janet Borino, Pete Semchuck and Marty Canteyne.

## Student Council Launches Annual Subscription Drive

Once again Belleville High School's Student Council has started their annual magazine campaign.

This year the theme is a race track with different classes being the horses. Such clever names as "Pettit Pants", (named after teacher Mr. Pettit), "Happy Tooth", ("Pink Fink" (named after '71'), and "Scher Beauty" (named after teacher Mr. Scher) (named after the horses. This year given to the horses. This year given to the horses.

## All Students Face Test in Pilot Project

Starting Friday every student in Belleville High will take a series of tests. This is because Belleville High has been selected as a pilot school for the validation of a new Standard Achievement Test. Fifty high schools in the United States will participate in this special testing.

The students will take five tests in all — each one being an hour in length. Freshmen, sophomores, juniors, and seniors will each be tested on different days. To avoid confusion of schedules and bells, the classes will go to the Elks' Club to take the tests. A milk and doughnut break will be given between tests. Grades will not be affected by these tests, but they will determine where Belleville High stands scholastically with other schools in the nation.

## High School Page Staff Spotlighted

By Paulina Rubina  
and  
Toni Pitera

This year's Belleville High page promises to be bigger and better than ever. Many new members have been added to the staff, and quite a few of the old ones returned. Here is a run down on the people that will be doing their best work to assure the success of the paper. Back for a second year in our news features department are Laura Baker, Jackie Foster, and Paula Zaccane.

Laura, a senior, participates in twirling, F.T.A., and Leader's Club. She enjoys writing for the paper and has maintained a "B" average. She plans to attend a state teacher's college after graduation.

Myra has been added to the news and feature staff. She is a cheerleader and was the vice-president of the Sophomore class. She wrote for the Spotlight last year.

Jackie Foster, also a senior, enjoys being vice-president of Booster Club, F.T.A. meetings, and being a Spotlight reporter.

She maintains a "B" average and hopes to study history in college.

Paula Zaccane, also a senior, brings to the paper 3 years of invaluable experience. She has been a twirler for 3 years and a member of the Spotlight Staff and F.T.A. Her outside activities include delegate to the Newark Youth Council. After high comes college and a career in teaching.

A typing staff for the school page was none existent last year. This year, thanks to four ambitious junior girls who willingly volunteered their services, reporters can count on someone to neatly type their assignments.

They are: Barbara Belverio, Lorraine Norra, Diane Orto, and Frances Rosania. Barbara plans to attend a business college after graduation. Lorraine is also a business major, and hopes to be a secretary. Diane has a business course, and hopes to be a dancer when she grows up. She has studied it for 12 years. Fran has musical ability in addition to her business ability. She is one of the Baker's Dozen and takes piano lessons.

lips, varsity football coach; Ron Mease, team captain; Nick La Russo, Student Council president; Nutley's head majorette, Rosemary Higgins, and cheerleading captain, Paula Scrutato, and the cheering squad lent a sportive and spirited atmosphere to the assembly.

The committee representing Belleville High included Raymond O. Smith, principal, Thomas Testa, varsity football coach; John Visco, Student council president and co-captain of the varsity football team; Joe Del Guercio, co-captain of the varsity team, and Sue Waller, President of the Booster club. Belleville High's head majorette, Mary Conklin and the cheerleaders, Angela Macaluso, Joan Paparazzo, Sharon Puchalk, Captain Donna Belchick, Maria Corino, Jo Ann Waltemer, Irma Goglia, Barbara Russo, Janet Borino, and Phyllis Cernero, helped boost both school's spirits.

The next exciting event started with a blaze of color and fire as the Bellboys light their bonfire Friday, October 11. The bonfire, sponsored by Belleville High's Booster club, Senior Senate, and Student Council was open to any student of B.H.S. and was held to boost spirit for the game with Nutley. The excitement began at 7:30 p.m. at the Municipal Stadium with the lighting of a huge bonfire.

Toni Greco, Senior Senate president, John Visco, Student Council president and football co-captain, Joe Del Guercio, co-captain of the football team, Sue Waller, Booster club president, Mary Conklin, head majorette, and Donna Belchick, cheerleading captain were on hand to help light the fire and burn in effigy some Nutley football personalities. The cheerleaders, twirlers, and band were there to lead cheers and help boost school spirit.

A word of thanks goes to the Belleville Fire Department, Police Department, and Recreation Department for their help and cooperation in the planning and execution of this event.

All in all it was a very exciting and spirited week, and I hope to see all students get right in the spirit and boost their team on at future games.

## Principal Gets Athletic Post

Belleville High's principal, Mr. Smith, has been appointed chairman of the athletic committee of the Secondary Schools Principals' Association of New Jersey. Mr. Charles Dwyer, president of the association appointed Mr. Smith.

As chairman, he will be a member of the executive committee of New Jersey's Intrastate Athletic Association.

The executive committee consists of thirteen members; a representative principal and a superintendent from each county. They are responsible for running all high school athletics in the state.

## Principal Gets Athletic Post

Belleville High's principal, Mr. Smith, has been appointed chairman of the athletic committee of the Secondary Schools Principals' Association of New Jersey. Mr. Charles Dwyer, president of the association appointed Mr. Smith.

As chairman, he will be a member of the executive committee of New Jersey's Intrastate Athletic Association. The executive committee consists of thirteen members; a representative principal and a superintendent from each county. They are responsible for running all high school athletics in the state.

Theresa Ingino, known as "Terry", is another new member of the art staff. A junior, she has studied art for 2 years. She enjoys painting in her spare time and will major in art after graduation. Diane Di Ruggerio, a junior, has been on the art staff since her sophomore year. She enjoys painting and bowling and has maintained a "B" average. She hopes to study art in college.

Photography

Junior Robert Zanfini is in charge of all photographs for the page. His skill with the camera is the product of years of study and practice. He will take candid photos from time to time which will assure plenty of surprises, for all.

Let's Go Bellboys

## Driving Violators Get Stiff Fines

Patrick H. Goldwick Jr. of 22 Madison St., Belleville, pleaded guilty to a charge of driving under the influence of alcohol. Magistrate Edward J. Abramson fined Goldwick \$200 and also suspended his drivers license for two years, at Wednesday night's court.

George H. Frederick of 94 Fairmount Ter., East Orange, was charged with reckless driving and fined \$35 and \$5 court costs by Magistrate Abramson. Also suspended his drivers license for 20 days.

JOSEPH PETRILLO

Joseph Petrillo of 184 Joramoon Street, Belleville, has been accepted for admission to the University of Bridgeport in Connecticut for the 1963-64 academic year. The son of Mr. and Mrs. Alexander Petrillo, he transferred from McCook Jr. College

## Opening Day Schedule Orients New Students

By Myra Ceres

For some students the brightly polished floors, newly painted walls, and familiar faces of Belleville High School were a welcome and promising sight of the new school year. To others, September 5th meant pencils, books, homework, new teachers, and the past summer a fleeting but pleasant memory.

The day began at 8:30 A.M. for Juniors and Seniors and at 1:00 P.M. for Freshmen and Sophomores. There were a few surprises for the early arrivals. New tables in the cafeteria, an addition of pears and peaches in the fruit machine, and maybe even a new face. The students

were then given a brief orientation of the coming school year as new teachers, previously introduced, looked on. The overlapping schedule would still be in effect and there was an addition, much to the delight of the girls, of a new locker room for the girls gym classes.

The students were then called alphabetically to report to base rooms for that morning since the homeroom classes were eliminated. Here, new school clubs were introduced with an opportunity for each student to join as the first step towards building better school interest. Schedules were handed out with each student and teacher receiving a number as part of the new I.B.M. system. The students were also assigned specific seats in the auditorium in which they are to report singly instead of a homeroom class, when an assembly is held.

Finally all were called to the auditorium for a reminder by Mr. Raymond O. Smith, principal, to take care of our school. Also an assurance was given that the present seniors would be granted special privileges and the class of 1965 would be the first graduating class from the new high school. It was a franchise day, especially for the new Freshmen, but only the beginning of an interesting school year.

ward Scharf, J. I. Kislak Mortgage Corporation, Newark; Robert W. Larson, John V. Rawson, Jr., and Frederick C. Stobaus, Larson Mortgage Co., Newark; William J. Stillman, Lawyers - Clinton Title Insurance Co., Newark; Jack G. Ferrara, James F. Gunning, Peter F. Pasbjerg & Co., Inc., Newark; and David S. Cole and Joseph M. Ryan, Joseph M. Ryan Mortgage Co., Orange.

Edward L. Heil, assistant cashier, National State Bank, Newark, is co-chairman of the Conference. George M. Johnson, vice president, Fidelity Union Trust Co., Newark, and president of the Mortgage Bankers Association of New Jersey, will preside over afternoon sessions.

## Jersey Bankers In Conference At Princeton

Over 170 bankers, mortgage bankers, and their guests are attending the Joint Mortgage Lending Conference of the New Jersey Bankers Association and the Mortgage Bankers Association of New Jersey Thursday, October 24, in Princeton.

Registered for the annual meeting from Essex County are: John R. Falkenburg and Philip L. Hynes, Frank H. Taylor and Son, Inc., East Orange; Alfred J. Block, Bank of Commerce, Newark; Herbert E. Pappky, Fidelity Union Trust Co., Newark; William Curran and Arthur G. Puls, Jr., Franklin Capital Corporation, Newark; Herbert M. Cannon, Edward I. Forman, Paul Forman, Richard C. McTigue, Fred Romanchuk, and Walter D. Tombs, Howard Savings Institution, Newark; C. Richard Carlson and Albert F. Morlock, National Newark & Essex Bank; A. E. Ertice, A. Paterson, R. Strong, and J. Throckmorton, National State Bank, Newark; Edward Bergen, Emanuel M. Broiman, Harold M. Buchbinder, Frank L. Holland, Everett Lee, Joseph M. Ryan Mortgage Co., Orange, and Albert F. Morlock, National Newark & Essex Bank; A. E. Ertice, A. Paterson, R. Strong, and J. Throckmorton, National State Bank, Newark; Edward Bergen, Emanuel M. Broiman, Harold M. Buchbinder, Frank L. Holland, Everett Lee, Joseph M. Ryan Mortgage Co., Orange, and Albert F. Morlock, National Newark & Essex Bank; A. E. Ertice, A. Paterson, R. Strong, and J. Throckmorton, National State Bank, Newark; Edward Bergen, Emanuel M. Broiman, Harold M. Buchbinder, Frank L. Holland, Everett Lee, Joseph M. Ryan Mortgage Co., Orange, and Albert F. Morlock, National Newark & Essex Bank; A. E. Ertice, A. Paterson, R. Strong, and J. Throckmorton, National State Bank, Newark; Edward Bergen, Emanuel M. Broiman, Harold M. Buchbinder, Frank L. Holland, Everett Lee, Joseph M. Ryan Mortgage Co., Orange, and Albert F. Morlock, National Newark & Essex Bank; A. E. Ertice, A. Paterson, R. Strong, and J. Throckmorton, National State Bank, Newark; Edward Bergen, Emanuel M. Broiman, Harold M. Buchbinder, Frank L. Holland, Everett Lee, Joseph M. Ryan Mortgage Co., Orange, and Albert F. Morlock, National Newark & Essex Bank; A. E. Ertice, A. Paterson, R. Strong, and J. Throckmorton, National State Bank, Newark; Edward Bergen, Emanuel M. Broiman, Harold M. Buchbinder, Frank L. Holland, Everett Lee, Joseph M. Ryan Mortgage Co., Orange, and Albert F. Morlock, National Newark & Essex Bank; A. E. Ertice, A. Paterson, R. Strong, and J. Throckmorton, National State Bank, Newark; Edward Bergen, Emanuel M. Broiman, Harold M. Buchbinder, Frank L. Holland, Everett Lee, Joseph M. Ryan Mortgage Co., Orange, and Albert F. Morlock, National Newark & Essex Bank; A. E. Ertice, A. Paterson, R. Strong, and J. Throckmorton, National State Bank, Newark; Edward Bergen, Emanuel M. Broiman, Harold M. Buchbinder, Frank L. Holland, Everett Lee, Joseph M. Ryan Mortgage Co., Orange, and Albert F. Morlock, National Newark & Essex Bank; A. E. Ertice, A. Paterson, R. Strong, and J. Throckmorton, National State Bank, Newark; Edward Bergen, Emanuel M. Broiman, Harold M. Buchbinder, Frank L. Holland, Everett Lee, Joseph M. Ryan Mortgage Co., Orange, and Albert F. Morlock, National Newark & Essex Bank; A. E. Ertice, A. Paterson, R. Strong, and J. Throckmorton, National State Bank, Newark; Edward Bergen, Emanuel M. Broiman, Harold M. Buchbinder, Frank L. Holland, Everett Lee, Joseph M. Ryan Mortgage Co., Orange, and Albert F. Morlock, National Newark & Essex Bank; A. E. Ertice, A. Paterson, R. Strong, and J. Throckmorton, National State Bank, Newark; Edward Bergen, Emanuel M. Broiman, Harold M. Buchbinder, Frank L. Holland, Everett Lee, Joseph M. Ryan Mortgage Co., Orange, and Albert F. Morlock, National Newark & Essex Bank; A. E. Ertice, A. Paterson, R. Strong, and J. Throckmorton, National State Bank, Newark; Edward Bergen, Emanuel M. Broiman, Harold M. Buchbinder, Frank L. Holland, Everett Lee, Joseph M. Ryan Mortgage Co., Orange, and Albert F. Morlock, National Newark & Essex Bank; A. E. Ertice, A. Paterson, R. Strong, and J. Throckmorton, National State Bank, Newark; Edward Bergen, Emanuel M. Broiman, Harold M. Buchbinder, Frank L. Holland, Everett Lee, Joseph M. Ryan Mortgage Co., Orange, and Albert F. Morlock, National Newark & Essex Bank; A. E. Ertice, A. Paterson, R. Strong, and J. Throckmorton, National State Bank, Newark; Edward Bergen, Emanuel M. Broiman, Harold M. Buchbinder, Frank L. Holland, Everett Lee, Joseph M. Ryan Mortgage Co., Orange, and Albert F. Morlock, National Newark & Essex Bank; A. E. Ertice, A. Paterson, R. Strong, and J. Throckmorton, National State Bank, Newark; Edward Bergen, Emanuel M. Broiman, Harold M. Buchbinder, Frank L. Holland, Everett Lee, Joseph M. Ryan Mortgage Co., Orange, and Albert F. Morlock, National Newark & Essex Bank; A. E. Ertice, A. Paterson, R. Strong, and J. Throckmorton, National State Bank, Newark; Edward Bergen, Emanuel M. Broiman, Harold M. Buchbinder, Frank L. Holland, Everett Lee, Joseph M. Ryan Mortgage Co., Orange, and Albert F. Morlock, National Newark & Essex Bank; A. E. Ertice, A. Paterson, R. Strong, and J. Throckmorton, National State Bank, Newark; Edward Bergen, Emanuel M. Broiman, Harold M. Buchbinder, Frank L. Holland, Everett Lee, Joseph M. Ryan Mortgage Co., Orange, and Albert F. Morlock, National Newark & Essex Bank; A. E. Ertice, A. Paterson, R. Strong, and J. Throckmorton, National State Bank, Newark; Edward Bergen, Emanuel M. Broiman, Harold M. Buchbinder, Frank L. Holland, Everett Lee, Joseph M. Ryan Mortgage Co., Orange, and Albert F. Morlock, National Newark & Essex Bank; A. E. Ertice, A. Paterson, R. Strong, and J. Throckmorton, National State Bank, Newark; Edward Bergen, Emanuel M. Broiman, Harold M. Buchbinder, Frank L. Holland, Everett Lee, Joseph M. Ryan Mortgage Co., Orange, and Albert F. Morlock, National Newark & Essex Bank; A. E. Ertice, A. Paterson, R. Strong, and J. Throckmorton, National State Bank, Newark; Edward Bergen, Emanuel M. Broiman, Harold M. Buchbinder, Frank L. Holland, Everett Lee, Joseph M. Ryan Mortgage Co., Orange, and Albert F. Morlock, National Newark & Essex Bank; A. E. Ertice, A. Paterson, R. Strong, and J. ### WORLD BOOK. Stimulates your

This year commemorates 100 years of free city delivery of mail in the United States. In recognition of this anniversary and in honor of the Letter Carriers of the Newark Postal District, Newark Mayor Hugh J. Addonizio, issued a proclamation naming the Week of October 20 as Letter Carrier

Week. At the signing are (seated, left to right) Mayor Addonizio, Acting Postmaster Joseph J. Benucci and representatives of Branch 38, National Association of Letter Carriers (left to right) Angelo M. Veniziano, editor, and Dan Iasio, president, both from Belleville.

### Cpl. Pindar Takes Part in Exercise

CPL. JAMES H. PINDAR

CAMP LEJEUNE, N. C. (PHOTO) — Marine Lance Corporal James H. Pindar, son of Mr. and Mrs. James C. Pindar of 215 Franklin ave., Belleville, N. J., participated in landing exercises with the Second Marine Division at Camp Lejeune, N.C. The exercises were observed by the Joint Civilian Orientation Conference, composed of educational, political and industrial leaders of the U.S. Helicopters carrying combat equipped troops made landings on the beaches in a display of military strength for the observers.

### Sees Confusion In Milk Situation

The facts about the New Jersey milk situation fogs another round of confusion and misrepresentation during the next few weeks, Pete Sandfort, president of Garden State Farms, predicted as temporary price controls near the December 5 expiration date.

"Pressure groups are rallying their forces," he warned, "and they're using the same tactics as before: confuse and complicate."

He said in the next few weeks the public can expect to hear that lifting of milk controls will cause price wars, ruin farmers, drive dairymen out of business, cause hardship to milkmen and their families, and bring about an influx of cheap, low-grade milk from out of state.

"These scare statements have been proven false by facts and expert testimony presented to the courts, to the Governor's Milk Price Study Committee, and to the Office of Milk Industry," Sandfort stated.

### Unity Concert Sets Program By Casadesus

Robert Casadesus, master pianist, will make his fourth appearance on the Unity Concert Course when he returns by popular demand on November 1 at 8:30 in the Montclair High School auditorium.

Long a favorite of Montclair audiences, Casadesus evokes a personal response of the highest quality from music lovers, fellow artists and critics on four continents. Not only has his interpretive and technical brilliance at the piano placed his name among the great musicians of all times, but also his creative genius as a composer will find his works among the repertoires of future generations of pianists.

Robert Casadesus' extraordinary talent stems from a rich inheritance from the Casadesus family of France whose generations of musicians have made significant and lasting contributions to French culture. A prize-winning prodigy in his early teens, Casadesus now enjoys the culmination of a long and varied career fifty years later, at the pinnacle of success. His distinguished and youthful appearance belies his years, and his amazing vitality surpasses his fantastic schedule of yearly appearances at music capitals and Festivals of the world.

His program in Montclair will include selections from the works of Haydn, Chopin, Schumann, Debussy, Bartok, and one of his own compositions.

Other events on the Unity Concert series include: Giorgio Tozzi, bass-baritone, Dec. 8; Isaac Stern, violinist, Jan. 10; The Zurich Chamber Orchestra, Feb. 23; Houston Symphony Orchestra, Mar. 6; New York Pro Musica, April 10; and Vronsky and Saben, two-piano team, May 1.

Series tickets for the seven events are \$13.50, \$18.50, \$24 and \$30. Individual tickets are also available. For reservations or information call Miss Barbara Russell, director, Unity Institute, 67 Church St., Montclair, Pilgrim 4-6770, from 9 until 1 p.m.

### Shrine Club Plans Gala Barn Dance

The Essex County Shrine Club, of which Belleville Councilman Vincent T. Strumolo is president, will hold a Gala Barn Dance at the Pavilion, 46 Watessing Ave., Belleville, on the evening of November 4. This is the evening before Election Day.

A great hillbilly band will be there, not to mention an excellent caller, and there will be prizes galore.

This is the Shrine Club's only event in the year to raise money for charity, and so the club is avidly plugging for a large attendance. The committee in charge of the affair includes Jack Martin, Lady Kusy and Ernie Mastin.

Tickets may be obtained from Jim Hanna, club secretary, as well as other Shrine members and they may also be purchased at the door.

### Mail Rulings Listed for Yule Parcels

Newark Acting Postmaster Joseph J. Benucci announced today that the period November 1 to 20 has been designated for the mailing of Christmas parcels by surface transportation to members of our Armed Forces overseas.

For airmail, from December 1 to 10. All mailings should be made within these time periods to assure reasonable delivery prior to Christmas.

The term "Armed Forces overseas" includes personnel of our Armed Forces, members of their families and authorized U. S. citizens employed overseas, who receive mail through APO, Navy Post Office or Fleet Post Office.

The Postmaster recommended all articles should be packed in boxes of wood, metal, solid fiberboard, or strong double corrugated fiberboard. Sufficient cushioning material should be used to prevent any rattling or loosening of articles within the package. They must be securely wrapped and tied with strong cord.

Customs Declaration Forms 2986 or 2976-A must be completed by senders when required on parcels to certain destinations and a slip showing the contents and addressee should be enclosed in the parcel.

In addition to the articles normally prohibited in the mail, matches of all kinds and lighter fluid may not be mailed to overseas military addresses. Cigarettes, other tobacco products, coffee, and various other items are prohibited in parcels addressed to some military post offices.

The domestic rates of postage are applicable, and postage must be fully prepaid. When fourth-class parcel post rates are applicable, the zone rate from the post office where mailed to the post office through which the parcel is addressed will be charged. Airmail articles weighing not in excess of 8 ounces are chargeable at the rate of 8 cents per ounce; those weighing over 8 ounces are chargeable at the rate of 88 cents for the first pound and 80 cents for each additional pound or fraction thereof.

Addresses must be legible and complete, and must be prepared by typewriter or pen and ink. For further information, call or write to Post, Mailing Requirements, Mt. 2-2020, Ext. 303.

### Rate Down For Some Users Of Scallops

Seafood gourmets who claim there is nothing like the do-it-yourself technique got a nod of approbation today from Robert A. Roe, Commissioner of the New Jersey Department of Conservation and Economic Development, when he allowed a special license fee of \$2.50 for those people gathering scallops only for their own use.

This permit limits the holder to two bushels of scallops per day. The commercial fee of \$25 applies to those taking up to 20 bushels per day, per boat.

### Social Security Office Can Help In Many Ways

Planning to retire soon? Edward J. Sinder, Social Security Administration district manager, said this week that one service often overlooked is the help your social security office can give you, even before that last day of work comes. Knowing when and how to file an application for social security benefits and just what proofs will be needed can save unnecessary trips to the social security office and speed the delivery of your first check.

One item that you are sure to need is your social security number. Mr. Sinder advised that you take your social security card with you when you visit the social security office; your number is different from any other, and it identifies the earnings record upon which your benefits will be based. Also, take some proof of your age with you. A birth certificate is preferable, but other evidence can be used too; the social security office will be glad to furnish you with a list of acceptable proofs.

There are other proofs that may be a copy of last year's federal tax return if you are self-employed, proof of your wife's age, your child's birth certificate, or some proof of your marriage. The number and types of proofs required will differ with each case, so it's best to find out ahead of time just what will be needed. To be sure of prompt service, inquire before you retire.

### County GOP Candidates In Statements

Essex County Republican Assembly candidates zeroed in on a number of vital issues this past week and offered several imaginative solutions to some of the problems facing Essex County residents.

The nine candidates continued to press Governor Hughes on his bond proposal, calling for an overhaul of our existing tax structure to eliminate inequities, and a thorough study of the State's needs. They said where needs were determined they would support smaller and specific bond issues for humanitarian and construction needs.

James Wallwork of Montclair, called for utilization of schools after hours to help drop-outs, and urged expansion of incentive scholarship and student loan programs.

His running mate on the Assembly ticket, Robert Scanlon of Cedar Grove, pointed to the possibility of a monorail system coming from West Essex and the Oranges as a possible solution to our transportation problems.

Malcolm McClintock of Maplewood, an Irvington high school teacher, criticized the Governor for delaying action on a teacher minimum salary bill that was passed by both houses of the legislature, and playing politics with what should be a non-partisan issue.

## Director Says Chamber Takes No Position on Bill

Harry T. French, executive director of the Chamber of Commerce declined an invitation to debate Assembly Bill 314 from the Belleville Fair Housing Council in a letter last week that pointed out the local chamber has not taken any position on the bill.

His letter said:

"The Belleville Chamber of Commerce and the New Jersey State Chamber of Commerce are separate autonomous bodies; neither is responsible for the actions of the other."

"The Belleville Chamber of Commerce has not taken any position on Assembly Bill 314."

"The Belleville Town Council is of

about to establish a Civil Rights Commission to handle these problems."

"It is our belief that only confusion can result if a multiplicity of organizations become involved."

"We should have confidence in the Commission and refer housing problems to them, the only group with authority to act in the matter."

The Belleville Chamber was challenged recently to a debate on its opposition to Assembly Bill 314, by the Belleville Fair Housing Council, a citizen's group seeking to end discrimination in housing.

A 314, which the N. J. Chamber of Commerce opposed in a letter

it sent to New Jersey state legislators on January 31, 1963, is a proposed bill which amends the fair housing law to reduce exceptions to rentals of two family houses in which the owner lives. It also requires action on all complaints of discrimination within 45 days, and authorizes court application for temporary injunctions pending decision on a complaint.

In a letter to the local Chamber of Commerce, Jules Lavner, co-chairman of the Council with James Brown, and Ingrid Frank the group's program chairman, stated: "We are appalled at what seems to us the utter callousness

of the Chamber's reasoning, particularly your contention that property rights are somehow more inherent and basic than human rights — and that the right to transfer piles of brick and mortar to whom one pleases is to be retained whatever the cost to human dignity and a better America."

The letter went on to say that the debate should be held in the town of Belleville within a reasonable period of time, and that the Fair Housing Council would be willing to take the responsibility of securing a place agreeable to both parties.

# ANNIVERSARY SALE

4. A Modern Health Code
  - (a) Present code was adopted in 1928
5. Prompt repairs to defective streets

Paid by Anthony De Feo

## O'Connor Gives Burnett Solid Confidence Vote

This week Bernard O'Connor gave a solid vote of confidence to Town Manager John R. Burnett and called upon his opponents for the At-Large council seat to tell the voters where they stand regarding the post of Town Manager. In his statement O'Connor said, "I am 100 per cent behind our present Town Manager John R. Burnett. He is operating a thoroughly efficient office. Burnett's knowledge of town government is so vast that I sincerely believe Belleville is most fortunate to have him."

### Civil War Handbook

The U. S. Civil War Centennial Commission announced today publication of "The Civil War," a handbook designed primarily for elementary and high school students. The 64-page booklet contains a double page map, 78 illustrations, and discussions of such major aspects of the 1861-1865 conflict as causes, military campaigns, navies, diplomacy, armaments, soldier life, and the war's legacy. Suggested reading lists follow each section.
