The annual Veterans Day parade will be held Sunday afternoon at 2 with Grand Marshall James La Motta, a member of American Legion Post 105, leading a big group of bands, floats and marchers.

Face Ouster Movement

VINCENT STRUMOLO

Bitter Fight on Recall Predicted by Mayor

Charging that many of the signatures on the recall petitions calling for this ouster along with Deputy Mayor G. George Addonizio and Councilman Vincent Strumolo were secured under false pretenses, Mayor Robert M. Laterza yesterday predicted a "bitter, cutthroat campaign" by his opponents.

The For Recall Committee, headed by Robert Westpy, filed separate petitions last Friday with Town Manager and Clerk John R. Burnett at his office in Town Hall.

Checking Signatures The petitions including more than 4,000 signatures seeking the ouster of the three Councilmen are presently being checked for validity in the office of Commissioner of Elections in the Hall of Records in Newark.

Mayor Laterza, charging that the recall movement was backed by the same people who opposed the council-manager form of government and lost in 1962, said some of the voters who signed the petitions thought they were asking for tax reductions when they agreed to sign.

He said he would ask the prosecutor's office to investigate the petition drive if any signatures are ruled illegal.

shall Colonel Theodore Volter, Grand Marshall James V. LaMotta, Ass't Grand Marshall James H. Leary, Miss New Jersey James Adams, and Mayor Laterza.

SECOND DIVISION - John Nagy Aide V.F.W. 275; Washington Carver Drum Corps of Newark, 102nd Armored Cavalry, Capt. John Broderick, All Veterans' Units, Essex County Sheriff's Dept., Police & Fire Dept., Marching Units, V.F.W. Post 275 Cadets and Candeliers Drill Team of Newark.

JAMES LAMOTTA

Halloween Contest Competitors

Working on their entry in the Halloween window-painting contest sponsored last week by the Chamber of Commerce and the Town Recreation Department are (left to right) William Cherry, 10; Robert Kingsley, 12; Michael Kelly, 13; James Kelly, 11, and Steven Marshall, 11.

Halloween Window Painting Contest Winners Announced by Chamber

Two cousins, Denise Potenzzone and Mary Jean Potenzzone, captured one of first prizes of \$25 in the Halloween Window-Painting Contest sponsored by the Chamber of Commerce and the Town Recreation Department.

Also receiving a first prize was Karen Nahmy, of 11 Prospect Place, from St. Peter's Parochial School, for her painting at the Jolly Cleaners; and Diane Battaglia of Perry St., also from St. Peter's, for her exhibit at the Mary Dell Dress Shop.

Judges were Mrs. Joan Barnes, Mrs. Nancy Crisp and Mrs. Carol Yudin.

Local merchants, provided the prizes, paints and brushes and made 58 windows available to the youngsters.

Merchants taking part in the project were: The Glass Company, The Boston Store, Al-Dinet, F. W. Woolworth Co., Shop Rite Market, The Littlemer Insurance, Overlook Market, Shop, Mary Dell Shop, Rubin Bros. Drug Store, Belleville Type, Delicatessen, The Capitol writer and Adding Machine Co., Theatrical Muscara Music Store, Corner Pharmacy, R. & S. Auto, Shop, Pantry Pizzeria, Henri's Co.

Football Photos To Be Exhibited

The Times-News photographers take more photos at Belleville High School football games than it is possible to publish in the newspaper.

All football photos will be displayed each week on a special bulletin board on exhibit in the window of the Times-News office at 246 Washington Avenue, Belleville.

Prosecutor Eyes Vote Material

Essex County Prosecutor Brendan T. Byrne said Tuesday that his office is investigating a complaint charging that campaign material dealing with the Belleville elections falsely represented that the town's Board of Education sponsored the literature.

Byrne said the complaint was filed by Nicholas S. Juliano, Board president. The material called for the defeat of one of the candidates in Tuesday's election.

Juliano submitted envelopes which he said improperly carried a Board of Education return address.

Action Expected On Bus Route

Officers of the Belleville Chamber of Commerce were informed that definite action will be taken in a project of changing the routing of the 112 bus line through Belleville.

Public Service Coordinated Transport announced if approved by the Public Utilities Commission the bus route will be changed to a left turn on Union Ave. on Jorkelson St. and then a right turn on Washington Ave. continuing onto Broadway in Newark.

Representatives of the Chamber supported the Public Service Coordinated Transport before the Commission at a meeting held Monday.

Parent-Teacher Parleys Slated

On November 18, Belleville High School will hold parent-teacher conferences. Parents may call the high school guidance office for appointments with teachers. Each appointment will be scheduled for fifteen minutes. The high school guidance counselors will also be available for conferences with parents.

The hours of the parent-teacher conferences will be from 7:00 P.M. to 9:30 P.M. The high school guidance office phone number is PL-9-4338.

The purpose of the conference is to give parents the opportunity to discuss the student's work with the teachers. Four evening conferences are being planned during the school year to enable year to enable parents to meet with the teachers of their children.

In order to give working parents the opportunity to meet with the teachers, the guidance department plans to announce a schedule of evening hours in near future.

Man Receives Suspended Term

A Belleville man was placed on one-year probation and given a one-year suspended sentence on a disorderly persons charge of possessing barbiturates.

Lewis Bivona of 431 Franklin Ave., was carrying "goof balls" (barbiturates) at the time of arrest.

Runnerup O'Connor Topped by 452 Votes, Sooy Places Third

Former Commissioner Nuncio R. Pico was returned to the Town's governing body Tuesday night when he was elected to the vacant at-large Council seat, by a margin of 452 votes over runnerup Bernard E. O'Connor. Pico drew 2,430 votes to 1,978 for O'Connor.

Pico's election was viewed by many observers of the local political scene as a victory for the recall movement as he was the only one of the eight candidates to openly support the movement aimed at ousting Mayor Robert M. Laterza, Deputy Mayor G. George Addonizio and Councilman Vincent Strumolo from office.

Running a surprising third on the ballot was Joseph Sooy, who polled 754 votes. Sooy's entire campaign was directed against the purchase of three new fire engines at a cost of \$110,000.

Voting results were: Nuncio R. Pico 2,430 Bernard E. O'Connor 1,978 Joseph Sooy 754 Thomas R. Colatella 708 Peter J. Paglia 575 Patrick Greco 469 Frank A. Scarpelli Jr. 323 Michael A. Maglio 254

Belleville voters rejected both questions concerning Governor Richard J. Hughes' \$750 Million bond issue. Question One was defeated, 4,504 to 3,951. Question Two was rejected, 4,436 to 3,608.

In the race for the State Senate, Republican candidate Robert Sarcone

TB Association Asks Support As Christmas Seal Sale Kicks Off

The Belleville - Nutley Tuberculosis Association's 27th annual Christmas Seal Sale will have its kickoff this week when the 1963 Christmas Seals are mailed to residents of the two towns. The services provided by the Association, including provision of free tuberculosis testing material for school children and school personnel in both towns, free chest X-rays and maintenance of a free chest clinic, are supported entirely by

funds derived from the sale of the seals.

Extending its testing services this year, the local TB Association inaugurated a program of giving the Tine Test to pupils in the first and fifth grades in the public and parochial schools as well as to high school students of Belleville and Nutley. Tests are also being given to the personnel of the school systems in both towns.

Mrs. Albert L. Gaydos of Nutley, president of the Association, issued an appeal this week for the support of its annual Seal Sale. "A total of 32,226 townspeople have been X-rayed since the beginning of the free community X-rays," she said, "and at our Association Clinic, an annual average of over 600 free X-rays were taken."

"The testing of grades one and

five and nine through 12, together with the personnel of the entire school system in Belleville and Nutley, will add an average of 750 annual X-rays. Despite the new miracle drugs, Tuberculosis continues to be a serious public health problem in our nation, and it still remains to be done to control its spread before it can be eradicated."

"All of the TB Christmas Seal Sale money stays in Belleville and Nutley for the service of local residents. Because of the Tine Testing and X-raying, there are today more known cases of Tuberculosis and fewer deaths."

Richard V. Fellers is Seal Sale chairman for Nutley, and Ralph Risoli is Seal chairman for Belleville.

High School PTA Lists New Officers

Edward Carney, 17 Marion Ct., was recently named president of the executive committee of the Belleville High School PTA. Other members of the slate include:

Mrs. Lloyd Peterson, 264 Linden Ave., vice-president; Raymond O. Smith, honorary vice-president; Mrs. Lawrence Derick, 121 Stephens St., secretary; Mrs. John Owen, 385 DeWitt Ave., corresponding secretary; George Nucera, 425 71st St., treasurer.

Committee chairmen include: Program—Mrs. Dominic Macaluso and Mrs. John Westlake; Ways and Means—Michael Longo, Victor Cali, and Edward Cypolski; Membership—Mrs. John Rempusheki and Mrs. A. Gacione; Publicity—William Dougherty and Michael Lally; Hospitality—Mrs. Joseph Mooney and Mrs. Robert Zeiss; High School Service—Herman Knappell; and International Relations—Nino Gelomino and Miss Marilyn Chichester.

Two Drivers Pay \$25 Fines

Magistrate Edward Abramson fined two drivers \$25 and \$5 costs for leaving the scene of accidents in Municipal Court Thursday morning.

John Kirehner of New Providence, N. J., pleaded not guilty to a charge of leaving the scene of an accident on the corner of Jerusalem Ave., and Washington St. Abramson found him guilty for the violation.

Also, John Hernandez of 6 Shef-

fred Dr. Newark, was picked up hour in a 25 mile zone. He was fined \$25 and \$5 costs for the infraction.

Neither license was revoked.

Joseph Wyman Sr., of 530 Broad St., Newark, pleaded guilty to a charge of failing to give directional signals.

Magistrate Abramson slapped Wyman with a \$25 fine and \$5 costs.

Phillip DeNoya of 224 Hamper Parkway, Bloomfield, was found guilty for speeding 45 miles per

Army Assigns New Recruiter

The Army's new recruiting service in Newark recently announced that a recruiter has been assigned to serve the Belleville and Nutley area on a permanent basis. The assignment was made based on the heavy population of the towns of Belleville and Nutley in order to better serve the young men and women of military age.

Sergeant First Class Vernon W. Coffin, Area Recruiter, is a veteran of over 16 years' service having served in the Pacific during World War II and in Korea during the Korean conflict.

Sgt. Coffin stated that his duty, as an Army Recruiter, is to find qualified young men and women to help meet the ever-growing need for technicians, mechanics, clerks, medical personnel and many other requirements of today's modern Army and that the only way to be guaranteed a choice of assignment is to apply through the recruiting service.

Sgt. Coffin has an office in the Recreation Building, 407 Joralemon Street, Belleville, where he may be reached daily Monday through Friday. Coffin urges all young men of military age to consult a recruiter regarding their military obligation.

Ley to Speak To Engineers

PEARL RIVER, N.Y. — Willy Ley, the renowned writer and lecturer, will discuss "Astronomy and Space Exploration" at the next meeting of the North Jersey Section of the American Institute of Chemical Engineers on November 12 at the Wallace and Tiernan Auditorium, Belleville.

The program was arranged by Dr. Joseph M. Fox of Green Village, and John Anderson of Oakland.

As part of the lecture, Ley will expand on the part chemistry and chemical engineering is playing in the development of chemically-powered rockets.

Willy Ley has captured the imagination of thousands by his best-selling books which explained the complexities of missiles and space travel in popular terms for the layman to enjoy. Ley studied at the Universities of Berlin and Konigsberg concentrating on astronomy, physics, and paleontology. His interest in rockets started in 1925 and in 1927. He became one of the founders and was later vice-president of the German Rocket Society which pioneered in rocket research.

Since 1935 Ley has lived in the United States, a citizen since 1944, and has done free-lance writing and lecturing. He is most widely known as a leading spokesman for the space age. His books include, "The Conquest of Space, The Exploration of Mars (with Werner Von Braun), Rockets, Missiles and Space Travel, Engineers Dreams, Excuse Zoology, and several children's books.

Police Chief Warns Drivers Scouting On Facing Winter Hazards Roundtable Scheduled

Police Chief Charles H. McGinnis, who worries about next month's traffic safety record like the rest of us worry about next month's budget, today explained a unique characteristic of winter driving hazards.

"It's clear to most drivers," Chief McGinnis began, "that winter driving involves many of the same danger factors that are with us the year around — such as, other drivers missing their signals, kids running into the street, jay-walking pedestrians, and the like.

"What we may forget is that winter weather can rob us of our best means of coping with such hazards."

The chief pointed out that a driver defends himself by keeping a sharp lookout and when danger looms, depending upon his brakes for a sure, safe stop.

"Both of these vital defenses against accidents — looking and stopping — can be rendered ineffective by the twin winter hazards of sharply lowered visibility and reduced road traction," he explained.

"Lowered visibility results from darkness, falling snow, frost or snow that has not been carefully cleared from car windows. This makes it entirely possible that we won't see trouble as soon as we should. And then what happens? A fast stop may be out of the question — no matter how good our brakes are — if the roadway is glazed by ice or packed snow."

Even if a driver is moving at a speed below the normal, legal limit — say 20 miles an hour — it will take some 60 feet to bring his car to a stop on loosely packed snow and close to 200 feet on glare ice, the chief warned. "This fact has been clearly demonstrated in scientific tests by the Committee on Winter Driving Hazards of the National Safety Council and it has the endorsement of the International Association of Chiefs of Police," he said.

"These two terrible hazards — poor visibility and poor traction — are going to have a lot to say about our safety record in the months ahead," Chief McGinnis predicted. "Drivers who have accidents may talk about 'bad luck' — but accidents aren't caused by bad luck as often as they are by taking chances. The dangers of winter driving could be pretty well neutralized by guarding our two best defenses: our ability to see and our ability to stop."

The means by which winter safety capability can be maintained are neither new nor difficult, the chief observed. For seeing they include adequate defrosting equipment, a few minutes of scraping windows clear of snow and ice, effective windshield wipers, and properly aimed lights. For reasonably quick stopping they include balanced brakes, good tires, and reinforced tire chains.

"We mention these things because they can contribute so much to a good winter safety record," the chief said, "but I also want to point out that the men of this department have a personal interest in this. When they're out directing traffic on a wintry night, it means a lot to them that drivers can see them in plenty of time to stop safely."

Shawger PTA To Receive Pack Charter

A charter to conduct a Cub Scout Pack will be presented by a representative of Robert Treat Council, Boy Scouts of America to the Parent-Teachers Association at the James E. Shawger School in Belleville on November 22.

The charter application on the behalf of the Parent-Teachers Association was signed by its president, Mrs. Vincent Strumolo. Joseph R. Pepe will represent the Association on the Belleville District Committee and on Robert Treat Council.

The committee members are: Donald Calvey, Charles Gligo, and Joseph Scantillo.

The Cubmaster is Theodore S. Pitera. He will be assisted by Armando Squitieri. The Pack, the newest in Robert Treat Council, has eight charter members and two Den Mothers. Additional members are to be added at the next meeting.

PTA Appoints Delegation

Mrs. A. Mooney, 327 Main St.; Mrs. L. Derrick, 121 Stephen St.; Mrs. J. Owen, 356 Dewitt Ave.; and Mrs. L. Peterson, 264 Linden Ave. all of Belleville, have been delegated to represent the Belleville High School P.T.A. at the dinner meeting of the Belleville Council International Reading Association to be held November 21, 1963, at the For Hills Restaurant, Newark, N. J.

Dr. William D. Sheldon, Director of the Reading Center Syracuse University will speak on "Modern Trends in Reading."

Kappa Fete Headed by Mrs. Ryan

Mrs. Nicholas F. Palladino, president of the New Jersey Chapter of Kappa Gamma Pi, National Scholastic and Activity Honor Society of Catholic Women's Colleges, announced the appointment of Mrs. Donald L. Ryan of 185 Holmes Street, Belleville, as chairman of the 1964 Kappa Birthday Luncheon. This year it will be held in April in conjunction with the National Catholic Education Association's Convention in Atlantic City.

Mrs. Palladino noted that Kappa Gamma Pi was founded in June 1926 as a National Honor Society in order to fill the need for this kind of organization for Catholic Colleges. They wished to stimulate the outstanding student in order that she might equal or excel her counterpart in Phi Beta Kappa. They set as goals for this new organization four things: (1) a high standard of character; (2) scholarship; (3) service; and (4) leadership. For the undergraduate these are the criteria for membership.

Mrs. Ryan is a graduate of Nazareth College, Rochester, New York, and is currently serving as Secretary-Treasurer of the New Jersey Chapter.

The Recall Petitions

The For Recall Committee last week submitted their petitions calling for the ouster of Mayor Robert M. Laterza, Deputy Mayor G. George Addonizio and Councilman Vincent T. Strumolo to the Town Manager for the checking of signatures and — if the required amount of valid signatures have been collected — the setting of a special election, probably in January of 1964.

Robert Westpy, Recall Committee leader, said in a "victory" statement after submitting the petitions that; the recall action is a grass roots movement which grew and developed as a result of citizen dissatisfaction over the behavior of Messrs. Laterza, Addonizio and Strumolo, who, acting as a majority bloc, took many actions which were not in the public interest or welfare.

Again we find the charges vague. Obviously the voters who signed the petitions believe that some wrong-doings have been committed during the three councilmen's terms of office. However, just what acts they are accused of again are not specific.

The all inclusive charge of creating a majority bloc was proven false when The Times-News printed the entire voting record of the first year's proceedings of the Town Council.

We believe that Mayor Laterza, Deputy Mayor Addonizio and Councilman Strumolo

have done an excellent job since they were elected to office. However, we recognize the fact that State Law provides for the recall of any public official at any time a sufficient number of legal signatures are obtained.

Since two of the three councilmen could be voted out of office in the next May election, we question the sincerity and purpose of the Recall Movement leaders when they hold back the petitions — as they boasted last week — to cause a special election with the additional cost to be burdened onto the taxpayers.

Since the Recall Committee apparently had the choice of placing the recall question on Tuesday's ballot or the ballot in May, we feel that their interests in the taxpayers of Belleville is open to question.

However, since the petitions have been presented and if the signatures prove valid, a special election must be held by state law.

Because the taxpayers must pay for this special election, we believe they are entitled to specific charges of wrong-doings on the part of the three councilmen so that at least they can make an intelligent choice when the election is held.

We believe that if the facts are revealed the voters will reaffirm their faith in the three councilmen and retain them in office where they can continue to work for the progress and betterment of the Town.

Combined Efforts Save Futures

The Board of Education and School Superintendent Dr. Frank M. Durkee and members of his staff, when not hampered by petty personal differences, have proven that they can work together for the betterment of the school system and individual students.

The latest project in which the combined efforts of members of the Board and Dr. Durkee and his staff have proven their effectiveness is the campaign to stop school dropouts.

Buried under the news of the bickering over the dual-control system, is the fact that a joint effort, sponsored by the Board and aided by a \$500 federal grant, has returned 23 of a possible 43 dropouts to the classrooms this year.

Headed by Herman Knuppel, senior general counselor at the High School, all 43 youths who were dropping out of school prior to graduation, were contacted and the facts of the effect their action of dropping out of school would have on their futures were presented.

The effectiveness of the campaign was demonstrated by the return of 23 of the 43 students to the classrooms to continue their education. Many of the other 20 students who could not continue their schooling because of jobs or other personal reasons were convinced that they needed a complete high school education to com-

pete in today's World. Many are continuing their education in night classes.

The value of the work of Knuppel and his assistants can be evaluated when it is noted that this month all Newark Area State-employment offices are conducting a special drive to get work for unemployed out-of-school youths.

In a letter to area employers, Ralph T. Geller, Newark District supervisor of the employment service said:

"There are 6,000 of these idle youths, and unless they have useful and gainful work, they can present a social problem of frightening proportions. . . . We are not looking for sympathy, just a chance to place a qualified young person in a job."

Considering the fact that many of the 6,000 unemployed youths are qualified, what opportunities are awaiting unqualified youths who drop out of school to rush into the World of unemployment lines?

Since the opening of school this year, only four students from the 1,600 attending Belleville High School have dropped out. This low percentage speaks for itself on the effectiveness of the anti-dropout campaign being waged by school officials.

The Board of Education, Dr. Durkee, Knuppel and other members of the system are to be congratulated on their efforts, which are in reality an investment in the future of Belleville and the nation.

Bids for Accreditation

Raymond O. Smith, High School principal has made a report to the Middle States Association of Colleges and Secondary Schools which was reviewed by the commission of this accreditation agency Tuesday. No report on their findings has been issued.

Smith's report shows unusual ingenuity in making improvements to meet the conditions on which accreditation was lost, November 15, 1961, "inadequate physical facilities," "serious overcrowding" and "limited program."

The improvements made provide better high school education while awaiting the construction of a new senior high school and will be most helpful in the junior high school in that building in September, 1964.

The report follows: Improvements have been made in all areas of Belleville High School which we feel will enable us to provide better education for the young people of our town. A complete listing follows:

Improvements made in Belleville High School since September, 1962:

1. Chemistry Lab converted to a combination lab and classroom. Result: Former chemistry classroom now available as a

regular classroom. Added 9 now serve as decentralized book-rooms. Books are now handled by department heads.

2. Old vault removed - area remodeled - new vice-principal's office constructed as part of the administrative suite.

3. Former vice-principal's office remodeled and made into a small classroom with a seating capacity of 20. Result: 9 additional teaching spaces made available - presently being used for advanced language and health classes.

4. Part of the balcony of the girls' gym remodeled and made into two storage rooms. One now used as school supplies storage area - the other is being used as an audio-visual storage room.

5. Additional locker room constructed in girls' gym. Result: An additional 176 lockers provided, plus an additional lavatory.

6. Improvements made in all lavatories (3 student - 1 teacher) mirrors, new comodes, new ventilating fans, etc.

7. New furniture purchased for all teacher lockers.

8. Teachers' dining room remodeled - (new ventilating fan, coffee machine, new tables).

9. Reserved for teachers every period of the day and before and after school.

10. Six classrooms remodeled

11. Main office - Principal's office and guidance office air conditioned.

12. Two public telephone booths added. One recessed in main corridor area. (Replaced public wall coin phone.) The other placed in the boys' gym lobby area. (Close to place where dances are held and intercollegiate basketball games are played.)

13. Art room remodeled - island type tables installed.

14. New bulletin boards installed.

STAFF

1. Eight teachers added to staff, counting replacements for those who moved to guidance and two transferred from elementary schools.

2. Equivalent of one and one-half guidance people added to staff.

3. Teacher load reduced (statistical sheet enclosed) - all teachers except those listed below have five classes and one extra assignment (usually study hall).

4. Secretarial Training Office Practice teacher - six classes. Two Secretarial Training - two double period classes, 12 in each class. Two Office Practice classes - 9 in each class.

5. R. Graphic Arts teacher - five regular classes, one small advanced class, no extra assignment.

6. Chemistry teacher - five classes plus labs - no extra assignment.

7. Physics teacher - five classes plus labs - no extra assignment.

8. Physical Education teachers have approximately 5 1/2 classes but no extra assignment. This includes Behind The Wheel Driving classes.

9. All department heads have only four classes.

10. Custodian of school activity funds has four classes.

11. Audio Visual Coordinator has four classes.

12. Extra pay for extra services provided in seven areas.

CURRICULUM

1. Family Living course introduced for senior girls. Full year, 5 times per week carrying one full credit.

2. Enriched courses introduced in Advanced Math, General Science, English 1, 2, 3, 4, and Social Studies.

3. Yellow Version Biology class. PSSC Physics and Chem study classes introduced.

4. Physical Education classes scheduled 100 per cent, grades 9-10 and grades 11-12. No exceptions.

STUDENT ACTIVITIES

1. Student Council Constitution rewritten and adopted. Now all student officers except incoming class elected in May by voting machines (Student Council, Senior Class, Junior Class, and Sophomore Class.)

2. Color Guard introduced.

3. Drill Team introduced. Performs between the halves of football and basketball games.

4. Booster Club (students) of some 400 youngsters formed.

5. New gym uniforms introduced in girls' gym classes. Color coded by grade.

EQUIPMENT

1. New cafeteria tables purchased.

2. Printer-Reader plus necessary cabinets purchased. (Transcript enclosed.)

3. New photocopier, collator, and electric stapler purchased for use in guidance office.

4. Three new desks purchased for secretaries in main office.

5. New counter file cabinet purchased for main office.

6. New guidance furniture purchased.

PROCEDURAL

1. All records microfilm - 24 three drawer file cabinets eliminated.

2. Cumulative records revised - one step photostat now possible (formerly four) - IBM pressure sensitive labels now used - copy enclosed.

3. New more comprehensive health records introduced - copy enclosed.

4. New four year guidance counselor program cards introduced - copies enclosed.

5. Program of studies booklet introduced - copy enclosed.

6. Orientation teams consisting of guidance personnel and student leaders sent to 8th grade classes in spring prior to scheduling.

7. School scheduled by IBM - 1964 and 1965 computers - 4 copies of printed schedules provided - class rosters provided - attendance cards provided.

8. More complete "Personality Rating Sheet" compilation introduced.

9. Dual college, university and educational institutional catalogue file, started - one in library to be charged out by librarian, the other in the guidance office for use there.

10. New modern telephone system installed - traffic to main office minimized.

11. Rank in class procedure simplified.

12. New report cards introduced.

13. New student lock rental program introduced.

14. New seating procedure (assigned, individual, seats) introduced in assemblies.

15. Rooms reassigned to enable departments to be in speci-

GOLDEN RECALL

MOVEMENT DELAYED

To The Editor, Times-News:

In due respect to you, the citizens of Belleville and candidates aspiring for the at-large Council position on Belleville's Town Council we have postponed further action on the recall of Mr. Golden. We feel we would at this time be injecting a conflict of interest into the election scene. We realize the time needed by Belleville voters to appraise and consider the numerous important issues appearing on the November 5 ballot. With this in mind, we are awaiting the elections' conclusion after which the date of our open meeting will be set. We are looking forward to meeting with you.

Sincerely,
Committee For The Recall of Mr. Golden
Mrs. R. Barnes, Chairman
174 Cedar Hill Avenue

URGES RECALL OF SCHOOL BOARD

To The Editor, Times-News:

The situation is tragic for the taxpayers of Belleville, regarding areas of the building - much less movement for traveling teachers now possible.

16. School being operated without homerooms. Procedure has relieved many of the crowded conditions caused by homerooms, (45 seats in a room for homeroom purposes when largest subject class throughout day was 30. Formerly homerooms in library, auditorium, gym bleachers and cafeteria.)

17. Club program and Student Council meetings being held during the school day on a staggered schedule.

Asked about the face-lifting that has been going on in the high school, Dr. Frank M. Durkee, Superintendent of Schools said, "The report shows what an imaginative and hard working principal can do. It has been a pleasure to work with him and to get these improvements for our boys and girls."

BECK'S COLUMN

It has been announced that a Tungsol factory in Washington, N.J., which at one time employed 900 people, is going to be closed. A fortnight ago Philco announced the discontinuance of transistor production.

Why is it that in this age of booming electronics requirements factories cease production? One reason of course is automation. More important though is the Japanese competition, which is particularly strong in electronics. As in the optical field, the Japanese make very good electronic products. By far the majority of these small transistor radios for instance are made in Japan. Most of them stand up very well. The Japanese Government has set up definite quality controls. They are fully aware that they soon would lose their markets if they would produce poor quality merchandise. Our industry simply can not compete with a 25c an hour wage rate. Many U.S. factories have acquired production facilities in Japan. Others have sent technicians over to control quality and production of materials made to our specifications. It appears that we will see more of the same in the future.

Some people take the position that one should not buy anything made in Japan. Unfortunately matters are not that simple. Trade is a 2 way street. Japan still buys far more from the U.S. than we buy from them. If they would stop buying our merchandise there would be a greater loss of jobs here. So what is the answer? The writer, not being an economist, does not know it. Probably nobody else does either. Our industry will be forced to learn to live with this condition and employ our research talent and efforts to develop newer and better products to offset the inroads from abroad.

We service what we sell

Beck's Radio & TV, Nutley

Dear folks—

I'm a thousand miles away today but my thoughts are all with Lipton's after all the compliments I've had on my clothes!

I wore my white knit cocktail dress today—the shift with the variegated pearls sprinkled all over it and the long matching fringed scarf—it created quite a sensation, with that antique gold jewelry heavily set with pearls and rhinestones. Mrs. Caspell had suggested that — she was so right!

Last night my long green crepe formal was a big hit, too. That's the one that dips low in the back with soft folds outlining the décolleté and then becomes deceptively discreet in the front with a high neckline and a long bib effect intricately embroidered and scallop-bordered in tiny gold beads.

My husband says he's mighty glad that Lipton's have that New Formal shop!

Now, when He-Who-Pays-the-Bills makes a remark like that — I know he must be proud of the way I look!

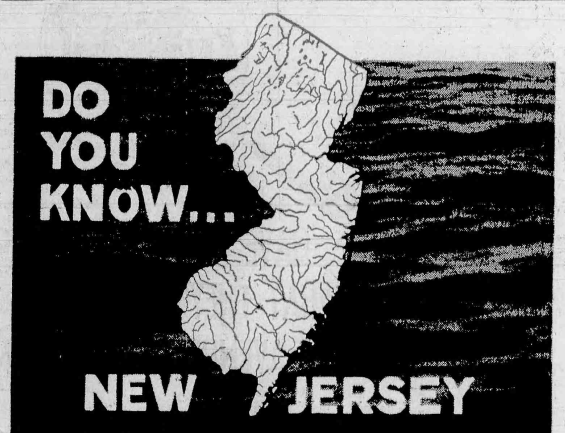

Just wait till he sees the pink and rose-red little number with the full sweeping skirt I've been saving for the Grand Ball — I'll just bet he'll write a letter of "Thanks to Lipton's" himself!

Sincerely

Letty

P.S. I'm mighty anxious to get home—just can't wait to see all the new additions at Lipton's!

"Letters from Letty" bring you "news" from Lipton's every week.

...is bordered on three sides by water!

New Jersey is almost an island. It has water on three sides... the Hudson River and the Atlantic Ocean on the east, Delaware Bay and River on the south and west. In fact, there are 437 miles of sea-coast, inlet or river bank. To New Jersey citizens this means deepwater ports for commerce and industry, sheltered inlets to accommodate private craft, numerous marinas, fishing, swimming and beautiful scenic views. The waterways of New Jersey are an important part of the state's economy and give substance to its claim of being a major "Gateway to the World!"

Miss Clotilda LaMorte Has Nuptials V.F.W. Auxiliary In St. Mary's R.C. Church, Nutley Will Be Hostess To District Head

The wedding of Miss Clotilda LaMorte, daughter of Mrs. Frank LaMorte of 29 Overlook Avenue, Belleville, and the late Mr. LaMorte to Salvatore Malfatto, son of Mr. and Mrs. Andrew Malfatto of 543 Joralemon Street, Belleville, took place Sunday afternoon, November 3, in St. Mary's R.C. Church, Nutley.

The ceremony was performed by the Rev. John M. Goding. Mrs. Henry Sadosky, church organist, played. The reception followed at the Royal Hawaiian Palace, Lyndhurst.

Escorted by her uncle Nicholas LaMorte, the bride wore a gown of delustrated satin fashioned with scoop neckline and long sleeves. The bodice and bouffant skirt with chapel train were accented with applique of Alencon lace embroidered with seed pearls and sequins. A four-tier veil of French illusion was attached to a crystal crown. She carried white orchids and roses.

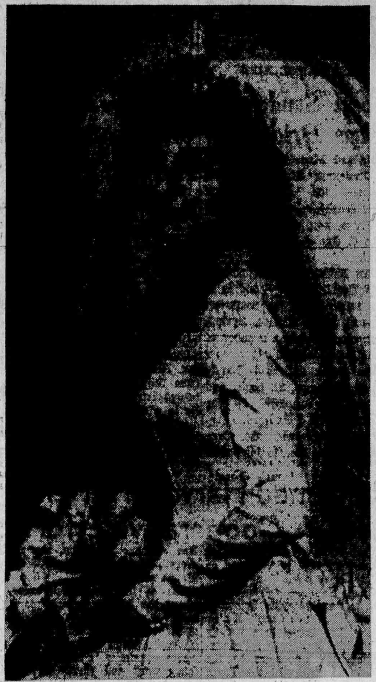

Miss Maria LaMorte, sister of the bride, was maid of honor and the bridesmaids included the Misses Geraldine LaMorte, another sister; Monica Malfatto, of Bloomfield, cousin of the bridegroom; and Patricia De Vingo of Newark.

The maid of honor and bridesmaids were dressed in red velvet dresses and carried white bouquets with red roses attached. Their crowns also were of white fur.

Best man for his brother was Michael Malfatto of Newark. Nicholas Coppola of Belleville, and Henry Sorce of North Arlington, cousins of the bridegroom, and Jerry Gaeta of Belleville served as ushers.

The mother of the bride was attired in blue crepe and the bridegroom's mother chose gold brocade. Each had accessories to match and a corsage of white orchids.

A graduate of Belleville High School, the bride is with the Mutual Benefit Life Insurance Co., Newark. Her husband attended Bloomfield Technical side in Belleville when they returned from a wedding trip to Florida.

MRS. SALVATORE MALFATTO
Former Clotilda LaMorte

Mr. and Mrs. Malfatto will be returning from a wedding trip to Florida.

Mrs. Mildred Daly of Cedar Grove, District Four President, will make her official visit at the next meeting of the Younging's Aiden, Jr. Auxiliary to V.F.W. Post 274 Thursday evening, November 14, at the Post Home, 17 Belleville Avenue Belleville.

Hostesses for the evening will be Mrs. M. A. Kant and Mrs. R. E. Stahler. Mrs. Harry Rose president, will preside.

A card party was given at Lyons Hospital for patients there by members of the Ladies Auxiliary, V.F.W. District Four on Tuesday, November 5. Among the members of Auxiliary 275 participating in the affair were Mrs. Rose, Mrs. John Jaskiewicz, Mrs. Arthur Gaudet, Mrs. Michael Finerman, Mrs. Fred Singer, Mrs. Jean Zienkewicz and Mrs. M. A. Resciniti.

Mrs. Rose, Mrs. Finerman, Mrs. Singer and Miss Irene Wirtz are among the members of the local Auxiliary who will attend the Fourth District meeting to be held November 19 at St. Benedict's Hall, Newark. The Star President, Mrs. James Caffrey of Metuchen, will make her official visit. Plans for the coming season will be discussed, including a project to raise funds for mental health.

Eastern Star Will Hold Rummage Sale

'Belleville' Chapter 262, Order of the Eastern Star, will hold a rummage sale Monday and Tuesday morning, October 19, in St. Peter's R. C. Church, Belleville. The Rev. Francis Ignacius performed the ceremony and celebrated the Mass. The reception was held at Marlboro Inn, Montclair.

Mrs. Margaret Small is general chairman. Mrs. Aileen Bordonaro is worthy Matron of the chapter.

MRS. RONALD F. MAGUIRE
Former Janet M. Owens

Rutgers Graduates Marry: To Make Home In Keyport

In a ceremony preceding a Nuptial Mass, the wedding of Miss Janet Mae Owens to Ronald F. Maguire took place Saturday morning, October 19, in St. Peter's R. C. Church, Belleville. The Rev. Francis Ignacius performed the ceremony and celebrated the Mass. The reception was held at Marlboro Inn, Montclair.

The bride is the daughter of Mr. and Mrs. William Owens of Little Street, Belleville; the bridegroom is the son of Mrs. Frank Campbell of Delray Beach, Florida, and the late John Maguire.

John Maguire of Lincroft served as his brother's best man, and ushers were Richard Bockwick and Keith Stephenson of Bloomfield.

The mother of the bride wore a gold ensemble with brown and gold accessories and the bridegroom's mother was attired in green, gold and white. The bride carried a bouquet of white roses.

The newlyweds are graduates of Rutgers University, Newark. The bride is associated with Bell Labs, Holmdel, and the bridegroom is with Recordart, New York City. The couple will live in Keyport after a honeymoon in Florida.

Analyze Storage Problems? A storage inventory - mental or written - may help you to make better use of your closets, cabinets, shelves and drawers. Study the articles that you use and store in each room; and see if you can find better ways to use present storage space. Analysis of present storage helps, too, when you plan to buy or build new storage units.

WANT TO WRITE? The Belleville Times is looking for neighborhood reporters to augment its reportorial staff. If you're interested in writing social items about your neighbors, give us a ring at Plymouth 9-3290 and make an appointment for an interview.

We are especially interested in residents of the Valley, Rutan Estates, the Silver Lake district, Soho and Big Tree.

Peace And Quiet! Manufacturers will just have to be convinced that noise in their homes can make homemakers sick and tired. Actually, that's just what it sometimes does. Medical tests prove people feel better and less fatigue when their eardrums are not being constantly battered.

Where there's a will, there's a person on a diet.

The wedding date has been set for July 4, 1964.

MRS. RONALD PASSERINIS
Former Patricia Donnelly

The Ronald A. Passerinis Will Reside in Belleville

The marriage of Miss Patricia Elizabeth Donnelly, niece of Mr. and Mrs. Theodore LeVasseur of 240 Lincoln Avenue, Newark, to Ronald A. Passerinis, son of Mr. and Mrs. August Passerinis of 15 Bayard Street, Nutley, was solemnized Sunday afternoon, October 27, in Our Lady of Good Counsel R.C. Church, Newark.

The Rev. John W. Conway performed the ceremony, and the reception was held at Christian's Lounge, Belleville.

Escorted by Mr. LeVasseur, the bride was gown in imported French silk taffeta fashioned with scoop-neckline, long sleeves and Alencon lace applique on the bodice and skirt with chapel train.

A matching Alencon lace pillow held her triple tiered, chapel length veil. She carried a cascade of white roses and lilies of the valley with a white orchid.

Miss Gloria J. Passerinis, the bridegroom's sister, was maid of honor, and bridesmaids were Mrs. Rocco Agostino of Belleville, and Miss Sharon Dolan of Kearny, cousin of the bride.

They wore royal blue peau de seau sheaths featuring sashina necklines and matching over-skirts. They had royal blue peau de seau open pillbox hats and carried cascades of white roses with royal blue camellias.

Cedar Crest Alumnae Plans Dessert Bridge

Plans have been formulated for the Northern New Jersey Cedar Crest College Alumnae Club's dessert bridge to be held Monday, November 18, at 7:30 p.m. in the Ball Room of the Vinesa Building, Union College National Church, Cooper Avenue, Upper Montclair. Several club members are residents of Nutley.

Persons wishing to make reservations for the club's annual fund raising project for the year are asked to contact Mrs. David C. Lyman, chairman, of Upper Montclair. Proceeds will go toward the club's gift to Cedar Crest's scholarship fund.

Milk Is Nutritious

A glass of milk gives staying power to a light breakfast. And it starts the day off with a supply of important nutrients, so for busy mornings or light eating, try serving a milk-plus breakfast.

NUNZIO MUSIC CENTER

Jaycees-Ettes Theatre Party Will Benefit Hospital Ship USS Hope

The Jaycee-Ettes of Belleville will sponsor a benefit theatre party Saturday evening, November 30, at the Paper Mill Playhouse, Millburn, when the Broadway hit, "The Unsinkable Molly Brown," will be shown starting comedienne Pat Carroll of the Danny Thomas TV show. Proceeds will be used to purchase uniforms and hospital clothing for the USS Hope, floating hospital ship.

Mrs. Bernard P. O'Connor has been named chairman of the affair. Tickets, which include bus transportation to and from the theatre, may be obtained from any Jaycee-Ettes member or from Mrs. O'Connor before November 16. Buses will leave the Belleville Recreation House at 4:45 p.m. sharp.

"The USS Hope" has, for the past few years, been one of the best good will ambassadors the United States has ever had," Mrs. O'Connor stated. "The flag sails out of New York Harbor without fanfare, to ports unknown to most Americans. Its purpose is to help our neighbors abroad help themselves.

"Its crew is a dedicated team of doctors and nurses," she went on, "who give of themselves for many long weeks and months to provide care for the sick, rehabilitation of the handicapped, public health information for their medical people and actual training for foreign medical teams. They are in great need of hospital clothing."

Mrs. O'Connor said, "Doctors' uniforms and coats, nurses' uniforms, scrub suits, and hats, surgical masks pleasure in order to raise funds."

Harvest Dinner, Sale At Baptist Church

The annual Harvest Home Dinner and Sale will be held at Grace Baptist Church, corner of Bremond Street and Overlook Avenue, Saturday, November 16. There will be two servings, at 5 and 6:30 p.m.

Tickets may be purchased from Mrs. Roberta Wirtz, 238 Union Avenue, Belleville. On sale will be handmade gifts and baked goods, and there will be a white elephant table and game room for children.

Court Gratia Notes

Mrs. Fred Scott Jr., Grand Regent of Court Gratia, 751, Catholic Daughters of America, Nutley, presided at a business meeting Monday, November 4, at the Knights of Columbus Hall, Nutley.

The 'cancer dressing group, under the direction and chairmanship of Mrs. Albert J. Inde, met yesterday afternoon at the K. of C. Hall.

Miss Angelina D'Amico

James J. Law Engaged to Wed

The engagement of Miss Angelina Nancy D'Amico to Richard P. Law, son of Mr. and Mrs. James J. Law of 117 Beech Street, Belleville, has been announced by Miss D'Amico's parents, Mr. and Mrs. Salvatore D'Amico of 18 Broadway, Jersey City.

The bride-elect was graduated from William L. Dickinson High School, Jersey City. Her fiancé, an alumnus of Our Lady Queen of Peace High School, North Arlington, attends Rutgers University evening classes. Both are employed in the electric distribution department of Public Service Electric & Gas Co., Jersey City.

The wedding date has been set for July 4, 1964.

Young People Invited to Perform At Woman's Club Music Auditions

To call community attention to the musical talents among young people and aid budding artists in their chosen fields, the Woman's Club of Belleville will audition young students of piano and voice from Belleville and neighboring communities on Sunday, November 17, at 1:30 o'clock at the clubhouse, 51 Rossmore Pl.

Musical teachers from Belleville and Nutley, as well as from Bloomfield and Montclair have been invited to enter their most promising pupils. The event is planned by the music department of the Woman's Club under the joint chairmanship of Mrs. George Gabrian and Mrs. Charles R. Haught. Mrs. Haught, fine arts chairman of the club, is a former student of voice and serves as president of School Three PTA. Mrs. Gabrian, a soloist in Grace Baptist Church choir, is one of the most noted students of Miss Josephine Rossi of Belleville, who will be one of the judges in the Young Talent auditions. Miss Rossi after a long career as concert artist, now devotes herself to voice teaching. A graduate of the Juilliard Conservatory of Music, she serves on the faculty of the Caldwell College for Women and is musical director of St. Cecilia Church, Kearny. The other judges will be Mrs. Hazel Ellsworth Hulme, teacher

ceeding a Nuptial Mass in Sacred Heart of Jesus Church, Irvington. The ceremony was performed by the Rev. Raymond Lukenda, and the reception followed at Stash's Restaurant, Orange. The bride, who was given in

marriage by her father, wore a Grecian style gown of pure de- sole with scoop neckline and cum- merbund adorned with re- embroidered Alencon lace appliques, sequins and seed pearls. The bouffant skirt ended in a chapel train.

Three tiers of silk illusion hand- rolled veiling fell from an orange blossom headpiece. She carried a cascade of white roses and stephanotis with an orchid center.

The bride's cousin, Miss Dorothy Piaggi of South Amboy, was maid of honor. Bridesmaids in- cluded Mrs. Angelo Duva of Belleville, the bridegroom's sis- ter; Mrs. Victor Kuduk of Lin- den and Miss Diane Dushula of Newark.

Their gowns were American beauty rose brocade, street- length sheaths, with scoop neck- lines and full length overskirts. They had matching crown head- pieces and carried two-toned pink carnation bouquets.

The bridegroom's brother, Clay- ton Record, Jr. of Belleville, served as best man. Ushering were Angelo Duva, brother-in-law of the bridegroom; Albert Record, his brother, both of Belleville, and Walter Zimny of Newark, the bride's brother.

A sheath of yonder blue beau- de sole with re-embroidered Al- encon lace applique was worn by the mother of the bride, and the bridegroom's mother chose a tur- quoise and gold brocade sheath. Both had accessories to match and corsages of white orchids.

The bride was graduated from Archbishop Walsh High School, Irvington, and Berkeley Secretar- ial School, East Orange. She is employed at Western Electric Co., Newark. The bridegroom, an alumnus of Belleville High School, served for three years in the U. S. Army. He is presently associated with Western Electric Co., Clark.

When they return from a wed- ding trip to Florida, the couple will make their home in Irving- ton.

The fourth judge, Mrs. Eleanor Bacon Peck of Belleville, is a teacher of piano. She is a mem- ber of the State Board of the N. J. Federation of Music Clubs and chairman of music in Schools and Colleges. Winners in the Young Artists Audition will be presented to the general public at a supper con- cert, planned by the Woman's Club for January 19, next, at the clubhouse.

MISS DOLORES RUGLIO

Dolores Ruglio To Wed Teacher

Mr. and Mrs. Martin L. Ruglio of 63 Harrison Street, Bel- ville, announce the engage- ment of their daughter, Miss Dolores Ruglio, to Domenick Klein, son of Mrs. Edward Klein of 18 Webb Drive, Fords, and the late Mr. Klein.

A graduate of Belleville High School, Miss Ruglio is a legal secretary with Lesnik & Amos- cato, Newark law firm. Mr. Klein, a graduate of Belleville High School and Seton Hall Uni- versity, is a teacher at Belleville High School. The wedding will take place in June 1964.

Barn Dance Will Benefit Boy Scouts

An old fashioned Barn Dance will be held at V.P.W. Hall, Belleville Avenue and Stephens Street, Belleville, on Saturday evening, November 16, at 8 p.m. Round and square dancing along with a buffet lunch will be in store for those attending.

The affair will be sponsored by the 351 Men's Club, and proceeds will be donated to Boy Scout Troop 351, Belleville. Tickets are available from R. A. Ruden, 58 Broad Street, H. M. Burbank, 120 Bell Street, or S. J. Zarra, 12 Nollon Street, Belleville.

The fat around chops as well as that around steaks should be slashed at intervals before the meat is broiled to prevent the meat from curling.

Belleville Honor Student Is Named to Who's Who

Virginia Kulivicki, daughter of Mr. and Mrs. Benjamin Kulivicki, 76 Nollon Street, Belleville, has been named to Who's Who in American Colleges and Universities for 1963-64. Virginia is a senior honor student, majoring in English, at John Brown University, Sloom Springs, Ark.

As a recipient of this honor she will receive a gold key and a bound volume in which her name has been listed. Better known to the student body as "Ginger", Miss Kulivicki is president of the Education Club and secretary of the Student Senate, John Brown University's student government organization.

VIRGINIA KULIVICKI

Captain's Bars For Lt. Morgan, Air Force Nurse

Lieut. Nancy Sprague Morgan of San Antonio, Texas, formerly of Belleville, has been promoted to Captain in the U.S. Air Force Nurse Corps. Captain Morgan, daughter of Mr. and Mrs. Ralston G. Sprague of 84 Division Avenue, Belleville, has served over four years at the Lackland Air Force Hospital, San Antonio.

A graduate of Belleville High School and Martland Medical Center School of Nursing, Newark, Captain Morgan is married to Robert Morgan, formerly of the U. S. Air Force at Lackland and presently in business in San Antonio where the couple makes their home.

Rutherford Choral Is Seeking Members

Women from Belleville, Nutley and surrounding communities have been invited to join the Rutherford Choral Society. The group meets every Thursday from one to 3 p.m. at the Sylvan School, corner of Sylvan Street and Highland Cross, Rutherford. No audition is required.

Baby-sitter service is available at the school, and transportation can be arranged. The group is sponsored by the Rutherford Recreation Commission. Women in- terested are asked to contact Mrs. Ellen McCourt, 46 Canter- bury Avenue, North Arlington.

CARD PARTY SET

Over 2,000 are expected to at- tend the fifth annual card party sponsored by the Mothers' Club of Essex Catholic High School, Friday, November 22 at the school, 300 Broadway, New- ark. Many valuable prizes will be awarded. Tickets may be ob- tained from any member of the club.

GRAB IT: Tom Greco (13) of Belleville is about to grab a pass from quarterback Frank Pomaco. The pass-run execu-

tion went for eight yards and a first down. Unidentified players watch play.

GET HIM: Halfback Paul Calendrillo (11) of Garfield scoots around left end for substantial yardage against Belleville Saturday. Harold Avallone (38) and Paul Strumolo

(52) failed to apply the stopper. The Bellboys managed to sneak by 7-6 for their third in a row.

BELLBOYS ROLL, 7-6

The Belleville Times

The Belleville Times-News, Thursday, Nov. 7, 1963—7

DelGuercio Boots PAT For Victory

RAY FERSKO

One year ago last Saturday, an exceptional Belleville team went up against a strong Garfield eleven and knocked Garfield from the ranks of the unbeaten. This year another strong Belleville squad journeyed to Garfield and came home with a 7-6 victory.

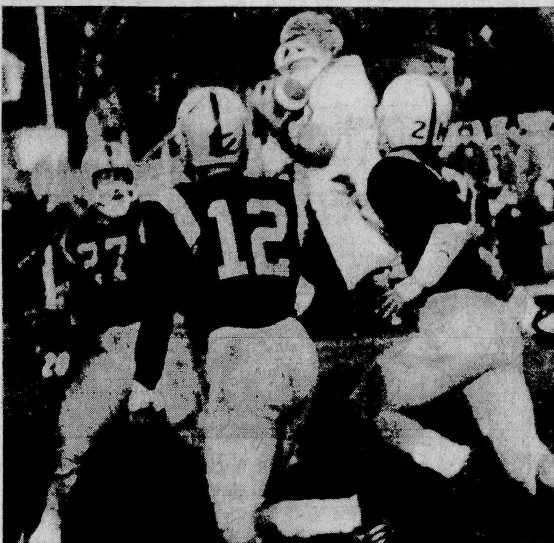

The Bellboys won the toss and chose to receive. Tom Greco ran the kick up to his own 13. On third down Belleville went to the air and Garfield's Roger Koppek made his first interception of the day. The Boilermakers looked impressive in their first series of downs, but their ground attack was soon stalled due to the efforts of hard-hitting Joe Goglia, Pete Strumolo, Lenny Luongo, and Warren Ceres.

From this point on it was nip and tuck with both defenses charging and neither offenses showing any spunk. The first threat of the game came in the beginning of the second quarter, when the Bellboys took possession inside the Garfield 20. With Pomaco calling the signals Belleville continually picked up yardage. However, after seven plays a clipping penalty brought the Bellboys back 15 yards and Garfield soon took possession on their own 30.

TAKE TO AIR

The Boilermakers began passing to midfield where their drive soon became ineffective. Two plays later, Carmen Sodora picked up a Belleville pass and the Boilermakers moved into the Belleville 20. Garfield continually sent Szweczyk up the middle for a first down. On Garfield's fifth play from scrimmage Belleville's Joe Goglia and Pete Strumolo broke through the offense forcing Szweczyk to fumble. Johnny Visco recovered for Belleville as the Blue and Gold became offensive 95 yards from pay dirt. After four downs, DiBella dropped back to kick and Garfield took over as the first half came to an end. During the first half neither team was able to tally but Belleville had racked up more yardage.

The second half got off to a quick start as Garfield began patterning on their 32. Four downs later the defense proved effective and Belleville took over on the 45. Both teams gained and lost possession, as neither could muster an offensive drive. Belleville took the edge, however, when Cervasio intercepted a Garfield pass as Belleville took over on the Garfield 35. The Bellboys kept sending LaFolce and DiBella up the middle while they alternated Cervasio and DelRusso around the ends. Belleville came within 5 yards of a touchdown when the strong Garfield line altered the attack. Two plays later the Belleville defense led by Strumolo, Goglia and Luongo penetrated and forced Garfield to punt. The Bellboys (Continued On Page 11)

HEMMED IN: Unidentified Garfield end grabs a pass for 14 yards Saturday. Three Belleville defenders close-in to make the tackle. They include: Ron Tomaszewski (12), Joe Cervasio (27) and John Visco (21).

GOING PLACES: Belleville's Louis DiBella (37) scampers for eight yards during second quarter action Saturday. Joe Szweczyk (35) is about to apply the stopper for Garfield.

OUCH: Garfield full back Joe Szweczyk (35) is jarred from both sides by two unidentified Belleville defenders. Charlie Oese (43) along with Joe Del Guercio (33) come up too

late for the Bellboys. Garfield didn't gain much else in dropping a 7-6 decision.

Eye Revised Boathouse Plan

Smiling faces indicate the interest taken by Belleville teachers in the "Keep Rowing Going" campaign of the Belleville-Nutley Rowing Association. Mrs. Eleanor Walsh and Larry Fritts, secretary and president, respectively, of the Belleville Education Association, are shown turning a check for \$300 over to Edward Carney (left), Rowing Association secretary, as their organization's contribution towards the construction of a new boathouse for the High School crews of the two neighboring towns.

While the house - to - house campaign to "Keep Rowing Going" is continuing full swing in both towns, trustees of the Belleville - Nutley Rowing Association, Inc. at their last meeting at the Nutley Red Cross office reviewed the revised plans for the new boathouse as developed by James H. Bailey, Nutley architect and vice - president of the association.

Bailey reported on a joint meeting at his office where his plans were thoroughly discussed by the trustees' Review Committee, recently appointed by President William Chapman, with Coach Edward Cummings of Nutley and Stanley Scher and Michael Lally, head and assistant coach, respectively, of the Belleville rowing team. Members of the Review Committee are Ernest Arvidson and Herman Wische, for Belleville, and Everett Zabriske and Carl Ohlson, Nutley.

The boathouse, to be erected on a site adjacent to the Sea Scouts' installation in the Riverbank Park of Kearny, will be of steel-frame construction, measuring 75 by 50 feet. In keeping with the Kearny building code for Riverbank Park structures, the boathouse will have a red brick front.

Construction work can get under way as soon as the Kearny Town Engineering department has made final survey of the site, Bailey reported. Since Kearny is in full control of all riparian rights, no difficulty for the use of the site is foreseen by Bailey, even though as a tidal water the Passaic River in its lower reach-

as is subject to supervision by the U. S. Army Engineers Corps.

The proposed steel-frame construction will permit easy extension of the boathouse in case Kearny should follow the example of Nutley and Belleville and adopt crew practice as a regular part of its High School athletics. Sufficient space is provided for boat storage facilities as well as for an extra coaches' office for Kearny.

In the wake of a recent contribution of 8,000 bricks by the Cerami Construction Company,

President Chapman told the trustees that several similar donations "in kind" have been offered to the Rowing Association. Edward Carney, secretary of the Rowing Association, who is purchasing agent for the Andrew Jergens Company of Belleville, has received an offer of several thousand additional bricks from his company, Chapman announced.

William Dougherty, assistant secretary of the Association, reported that he has been able to arrange for a regular radio "spot" dealing with the Boathouse Fund Campaign on Jack Bibbey's program on FM Station WJBI (106.9) every Saturday night at 11:30.

A & F Takes Small Game Hunt Season Opens Saturday at 9 A.M.

TRENTON — A banner year appears to be in store for New Jersey small game hunters, according to the Division of Fish and Game in the Department of Conservation and Economic Development.

Contingent on the abatement of the fire hazard in the woods and fields, hunting will start at 9 A.M. on Saturday, November 9 for pheasant, rabbit, quail, grouse squirrel and fox. Hunting hours after opening day will be sunrise to 1/2 hour after sunset. Hunting for raccoon, the one species for which nighttime hunting is permitted, opened on September 28.

THE SEASONS ON ALL THESE SPECIES WILL REMAIN OPEN THROUGH DECEMBER 7. ALL BUT PHEASANT WILL RE-OPEN ON DECEMBER 16 FOLLOWING THE FIREARM DEER SEASON FOR VARYING PERIODS. FOX HUNTING MAY CONTINUE DURING DEER SEASON WITHOUT HOUNDS. HUNTERS SHOULD CONSULT THE 1963 COMPENDIUM OF N. J. GAME LAWS, AVAILABLE AT HUNTING LICENSE DEALERS, FOR CLOSING DATES, BAG LIMITS AND OTHER REGULATIONS.

Native pheasants and quail are exceptionally abundant. Pheasants frequent cornfields throughout the State. Quail are found in areas of good habitat from Monmouth County south. The usual

By Frank Walosin
58 ANSWER CAGE CALL

The high school football season still has about one-third of its program to present and already warming up in the wings, ready to take over the spotlight are the winter sports.

The call went out last weekend for wrestlers and basketball players at Belleville High School as both teams began pre-season practice drills.

Basketball Coach Al LoBalbo, who led his team to a 5-10 record last season — his first at the helm of the Bellboys and 16th as a high school coach — is looking for a little better results this season although he is still in the beginning of a building campaign.

"We opened practice last Friday and 58 boys answered the first call," said Coach LoBalbo. "We will have another 20 or 25 boys come out as soon as football season is completed, but that includes Freshmen."

"We have had three practice sessions so far and I have cut a few of the boys, not many, as I want to give everyone a good look. The team is very, very young and at this stage all of them seem of about the same ability. It's hard to cut a kid after one or two practice sessions," said the coach. "I only cut the few who were definitely out of water."

MATERIAL YOUNG — LILOIA BACK

Looking at this year's material LoBalbo said: "We got a lot back from the junior varsity and freshmen teams. However we did lose four of our five starters. We only had one junior on the team last season, he is Mike Liloia, a backcourt man, a guard. Gone from the starters is our top scorer Dave Hatch, Bob Byer, Harmon and Steve Fox. Fox had never played before last season."

"That was our big problem last year, we were green in the backcourt. Every team we played crushed us and wouldn't even let us get the ball in bounds," explained the coach, who admitted that losing was hard on everyone including his wife.

"Again this year we will be young. I will carry only one or two seniors and I don't know if they will be on the first string or not. However, this season all of our strength seems to be in the backcourt. In fact I'm pretty sure that we will not get all tangled up in the backcourt this season."

"However, win or lose, and we hope to win a lot of games, we have one consolation and that is most of the boys playing this year will also be back next season," pointed out the coach.

"This is my second year and it is still a teaching job but, it is a pleasure knowing that the kids will be back. The seniors will have to move to make the team this year."

BOYS PRAISED BY COACH

"I'll tell you another thing," the coach said. "These boys are a hard working, respectable bunch of kids. We just have to do a teaching job. The kids are there and will meet us half way, especially when we get into the new school."

Coach LoBalbo explained his view on the high school now under construction:

"Here we are one of the top schools in the area and when our kids go onto another court they are surprised by it. All of the area schools — even Nutley and Bloomfield — have big, beautiful courts. Here we have a small court. Years ago it was one of the best but now it is far behind others in the area, not including Newark schools. But when the school is completed we will have a beautiful court and the kids will be proud of it. The ones not football minded will swing to basketball."

Looking into the future, LoBalbo said:

"The kids we are working with now will give us an edge in the future. We'll start coming around. I and my staff have staged clinics at the town's grammar schools and we have a pretty good program set up every Saturday morning for grammar school boys in conjunction with the Town recreation department."

"We give the boys a full three-hours of basic fundamentals. We started working on the clinics last year and they drew quite a bit of attention last year. I don't know when they will start this season as we are waiting for the Recreation Department to set the dates, however, we put the kids through all the drills and those three hours really go by."

Coach LoBalbo doesn't like to concede that this is still a building season. "We hope to do a lot of damage in our league this season," he said. "We have a good bunch of kids with desire and the willingness to learn and by golly we'll do the teaching."

Pete & Nick's Captures Lead In Pin League

Pete & Nick's Amoco won three games from Savino's Sport Shop to lead Nutley Merchants League by one half game over Custom Mattress Makers which lost odd game to Stanley Tavern.

Other three game winners are Landscaping and Cedar Hill Oil over D'Ambola Electric. Two game winners were Lardier Druggs over Walco; Michael's Barber Shop over Forbe's Trucking; Gem Construction over Zincola's Bakery and the Nubel Mechanical Const. over Sally's Auto Parts.

Pete Bartlett sporting a 198 average rolled a 629 series, Don Stiles had a 822, Phil Menna 608, Mike DeMarco 605 and Nick San-Giacomo 602. Joe Oese had high game of the night with a 251 game.

TEAMS	W.	L.

Bellboys Roll

(Continued From Page 7)

took over on the 30, but after 4 downs they were forced to kick. DiBella sets up T.D.

Early in the fourth quarter Belleville regained the ball. On second down Cervasio rolled out to pass but misread and hit a Garfield player; nevertheless, Garfield's drive closed on the fourth down, when Andrew Meloy kicked a 23-yard punt which traveled to the Garfield 33. Lou DiBella picked up 29 yards in three downs and Joe LaFalce picked up another eight as he raced across the goal line for a touchdown. Captain, Joe. Del-Guercio then stepped back to boot the all important extra point.

Garfield's touchdown came two plays after the kickoff. Quarterback Paul Calendrillo hit left and Carmine Sodora with a ten yard screen pass, which was followed by a beautiful 66 yard aerial between the same two men. Sodora then raced to the goal line where Garfield drew their first and last blood of the day. Fullback Joe Szewczyk's conversion failed.

With one minute left Garfield once more took possession and seriously threatened the Bellboys as they pass patterned to the Belleville 8 when the game closed.

You and Your Insurance

(A public service column about all forms of insurance.)

ROAD SERVICE POLICY COVERS TOWING COSTS

"Does my automobile insurance policy cover the cost of towing service from the street to the garage?" a reader asks. Not all automobile insurance policies include such coverage. If your policy doesn't, you can select inexpensive optional coverage at a cost of \$2 or \$2.50 in most states. This insurance is called towing and labor costs coverage.

Under this policy your insurance company will pay the bill — up to \$25 for each disablement — for towing costs if your car breaks down. The company also will pay labor costs if your garage man makes repairs on the spot.

If you purchase the economy-type special automobile policy with comprehensive physical damage coverage, towing and labor costs insurance is included in the premium charge. This is available in most states.

Your insurance agent or broker will be happy to explain how this can be important to you if you don't already have it.

Other important insurance protection car owners should consider includes medical payments coverage (this pays hospital and doctor bills for you and your passengers if they are injured in an auto accident — and uninsured motorist coverage — affording insurance protection to you and your passengers caused by an uninsured driver.

This column will be glad to answer questions you may have about property and casualty insurance. Send them to:

Safety Costs Bellboy Juniors, 8-6

By Ray Persko

A strong Garfield Junior Varsity came to Belleville this week and went back home with an 8-6 victory.

In the first quarter of play both teams confined their attacks to the ground. The Bellboys showed a far more aggressive platoon as they alternated LaFalce up the middle and Del Russo and Phibbs around the ends.

Early in the second quarter Garfield began passing. The Bellmaker offense proved effective as they marched 48 yards in eight plays. Finally on third down the Belleville defense led by Avalone and Sampaio penetrated and the Bellmakers were forced to punt.

The Bellboys took the ball deep in their own territory. After two downs the running attack only advanced three yards. Thus, on third down and seven yards to go Tomaszewski bootlegged to the left only to be brought down in

his own end zone. Garfield was then given 2 points and the Bellboys brought it out to the 20.

Early in the third quarter Garfield began patterning from their own 40. The 80 yard touchdown drive was finally closed when quarterback Ron Kisinsky rolled out and hit Bob Johnson with a 22 yard touchdown pass. The conversion, which was a quarterback keep failed.

From here on it was a pretty even game with both teams doing a lot of passing; but, neither posing a serious threat until the final minute. With 60 seconds remaining, Belleville took over in mid-field. The Bellboy offense continually moved downfield as Joe LaFalce kept running off tackle.

The Belleville score finally came in the last six seconds when Ron Tomaszewski hit Rich Del-Russo with a 20-yard pass.
