

# \$200,000 More Needed to Finish High School -- Board

Belleville's new high school will cost at least an additional \$200,000 over the estimated \$230,000, the Board of Education reported last week.

The Board is expected to seek a referendum early next

year authorizing a bond issue of \$100,000 to \$150,000. The remainder of the costs will be financed through annual state capital aid funds, interest earnings and a surplus in the Board's debt service ac-

count.

The need for an additional \$200,000 was reported in a preliminary report of the special school construction committee which began an investigation last September into

the depletion of construction funds for the new high school.

The estimates of unanticipated costs were \$50,000 lower than the \$250,000 estimated in October by Mrs. Norma McCool, a board member.

However, Mrs. McCool said last night that the Board will need more than \$200,000 in additional funds to complete the school. They left out items all down the line.

1. The report lists the following costs facing the Board: Construction of a concrete supporting slab beneath the library and cafeteria, \$69,874.
  2. Pile driving and removal of organic soil, \$44,923.
  3. Site development, \$40,000.
  4. School equipment and furniture, \$109,000.
  5. Outside electrical lighting, \$4,265.
- The figures total \$239,062, the Board has about \$59,000 remaining in the high school

construction account.

Board President Nicholas Juliano last night said the need for additional funds to complete the school was caused by two factors: "We have run into some unanticipated costs, where extra work was required, and because of the system under the Public Education Law, we must attempt to establish costs well in advance of the referendum. The Rutgers report said \$2,700,000 was required to build the school. We had some delay with the referendum and the estimates didn't hold true some four years later. By the very nature of the Public Education Law the original estimates had to be based on preliminary sketches and when you consider that the cost of construction goes up each year we came pretty close."

Mrs. McCool, who has been at odds with most Board members over the new high school construction plans, said the committee underestimated the cost of furnishing the school and failed to include a five per cent architect's fee on all construction in its estimate.

Mrs. McCool was the only

Board member to vote against a change order to permit construction of the concrete slab beneath the cafeteria and library so the high school building can be closed in before cold weather

begins. The order was voted, 5-1.

Mrs. McCool urged the Board to await a final report on the increased school costs due this week before exhausting the last funds.

# SLATE RECALL ARGUMENTS

## Addonizio Files Counts; Hearing Slated Monday

Arguments in the multi-charged recall action will be heard Monday morning at 10:30 by Superior Court Judge Alexander Waugh in the Essex County Courthouse.

A new front opened up last week in the battle when Deputy Mayor George Addonizio filed a civil action against Town Manager John R. Burnett seeking a court order to toss out the recall petitions because.

The petitions failed to show sufficient cause for recall and that two of the affidavits submitted by the For Recall Committee should be thrown out because one woman who said she did not sign the petition on which her name appears and claims she never met the two people who said she signed and witnessed the affidavit.

## PBA Urges Donations to Tippet Fund

Residents were urged yesterday to join with members of the Belleville Patrolmen's Benevolent Association in contributing to a J. D. Tippet Fund by Detective Michael V. Marotti, president of PBA No. 28.

Tippet is the Dallas patrolman who was shot and killed by the suspected slayer of the late President John F. Kennedy, when he attempted to halt the accused slayer as he was leaving the scene of the shooting.

Marotti said residents may send contributions to the fund during the remainder of this month. Contributions will be placed in a Belleville bank and then one check for the total collected will be sent to the widow and children of Officer Tippet.

The fund drive will be carried out state-wide with the State PBA kicking off the drive with a \$100 donation. All units of the fund PBA will contribute to the fund.

Residents should make out their checks and send their contributions to the "J. D. Tippet Fund" in care of Police Headquarters, 132 Washington Ave., Belleville, N. J.

Detective Michael Marotti checks stolen rifles

## Four Youths Face Charges in Entry Of Barbone-Mosco Veterans Home

Four Belleville youths will face juvenile authorities for alleged break and entry along with larceny at two different sites last weekend.

Detective Michael Marotti, head of the town's Juvenile Bureau, apprehended the suspects after receiving a tip November 25, a day after the violations.

Burglaries took place in the Barbone-Mosco Italian-American War Veterans Post No. 7 on 2 Aome St. Belleville last Sunday night. The four boys involved, ranging from the ages of 14 to 16, broke an aluminum screen window on the main floor to gain entrance.

It was reported that 16 bottles of liquor, and several cases of beer along with two firearms and other items were carried off. The stolen property was valued at an estimated \$300.

## Judge Rules Tomorrow on Making Public Presentment of Grand Jury

The last three indictments against individual members of the present and past Boards of Education were dismissed Monday afternoon by Superior Court Judge Alexander P. Waugh in Newark.

Moving for the dismissal was Assistant Prosecutor Joseph Lord, who requested leave to file notice of motion returnable tomorrow at 2 p.m. before the assignment judge to file and make public the presentment returned by the Essex County Grand Jury.

Lord said the presentment was sealed pending disposition of the indictments and the Judge will review them tomorrow and rule if they are releasable in accordance with the law.

In moving for dismissal of the three indictments, Lord referred to the dismissal of a similar indictment against seven members of the Board September 26.

Under indictment were Mrs. Violet Rochau, school board president until February, 1961; current Board members Richard H. Drake, Ernest S. Arvidson, Dr. Frank DiRuggiero and Nicholas S. Juliano, current president, and former members Michael V. Albertine, Dominic A. Lally, and Arthur M. Pico.

The Board members met the news of the dismissal of the indictments with obvious relief and pleasure.

Board President Juliano said: "Thank Heaven. We have been waiting for that a long time. There is a sense of judgment in the news. I never doubted from the inception what the result would be but it was a terrible cloud to live under. I never want to do it again. This is the best Christmas present I could get."

Arvidson said: "I had no doubt at any time that we would be vindicated. This brings me a feeling of deep relief. I would like to express my thanks and gratitude to the people of the community for their understanding and confidence during this difficult period. A great hardship has been removed from the Board of Education and we shall now move forward with renewed determination."

Mrs. Rochau said: "I'm happy the thing is wound up. I wasn't upset as I couldn't convince myself I had done any wrong so I didn't worry too much about it."

Dr. DiRuggiero said: "Wonderful. I'm very elated and happy. This removes all clouds that our accusers placed upon us. I always had retained faith that justice would triumph."

Drake said: "I'm very pleased that this has finally been wound up satisfactorily as expected."

Albertine said: "This is good news to me. I'm glad this thing has come to pass. It's a shame the town likes to smear people. But I'm not a politician and I felt sure we would be vindicated."

ERNEST S. ARVIDSON

## Garden Apartment Plan Submitted to Adjusters

Decision on a proposed million-dollar garden apartment project on an 8-acre tract off Fairway Avenue was expected to be rendered by the Board of Adjustment after a public hearing Tuesday night.

The Board will recommend approval or disapproval to the Town Council on a variance application for the project filed by the Clifton Realty firm of Krugman and De Pietro. The area is zoned for single-family dwellings. The proposal is opposed by the Fairway Civic Association which has promised an all-out fight against the project.

David Krugman, vice-president of the realty firm explained the proposed project. He said: "We are applying for 28 units at an average rental of \$150 per

unit giving a gross receipt in taxes to the community of approximately \$70,000 per year. The services from the community will be substantially less than would be required for the 50 single-family homes which are already approved for the area in accordance with the present zone.

"The type of units being proposed are one and two bedroom units which have a yield of approximately 10 school children for the entire project. The average yield of children from the one family houses in the area is one and one-half children per house so that a yield of 75 school children could be expected if the project were developed for single family units. The tax yield of the single family homes to

## Councilman Golden's Recall Stalled by Vets Committee

Sufficient grounds for the recall of Councilman James R. Golden were reported to the Belleville unit of the Essex County Veterans Ticket Committee by a committee at a recent meeting, but the group voted to take no action until the present recall question is ruled upon by the Essex County court.

Vincent Vecchione, chairman, said the recall of Golden was ruled desirable on two counts. One obstructionist tactics used during his term of office. Two, the use of abusive language becoming to a public official.

A For Recall Committee is currently seeking a court order to force Town Clerk John R. Burnett to set an election date for the recall of Mayor Robert M. Laterza, Deputy Mayor George Addonizio and Council-

## ARC Names Mrs. King to Publicity Post

Mrs. Richard King of Belleville, vice-chairman of the Board of Directors, Newark Chapter, American Red Cross, has been appointed publicity chairman for the 10th annual Red Cross Delaware-New Jersey Regional Conference, to be held Friday & Saturday in Atlantic City.

Also serving on the publicity committee are Miss Karen Kelsch of Maplewood, public relations staff, Newark Chapter; John H. Connolly, New Vernon assistant vice-president of public relations, New Jersey Bell Telephone Co.; and Joseph Mayers, Jr., Wayne, public relations consultant to the Newark Chapter.

Connolly will be moderator and Mayers will be a panel member on the conference workshop on public relations.

William C. Richardson of East Orange, Home Service and Disaster director for the Newark Chapter will be a panel member on the conference workshop on Home Service and Disaster.

## Three Overcome by Fumes From Sulphur Fumigators

Three persons were overcome by fumes from sulphur fumigators Friday night at 7:17 in the nine-story, three-story, brick and frame structure at 79 William St.

Retained at Clara Maass Memorial Hospital for x-rays of the chest was Mrs. Ruth Hooker. Treated and released were Mrs. Sophie Morris and Kathleen Sampino.

Firemen were called from the William Street Station to the combined candy store and apartment house. When they arrived they were forced to don MSA masks to enter the second-floor apartment in front where they found 10 sulphur fumigators burning. Captain Ed Carr had the fumigators placed in water and extinguished and the windows opened and called fire headquarters for smoke ejectors.

Captain Robert Shaughnessy, who responded to the call and took over direction of the evacuation of the tenants, said he found the hallways and apartments filled with acrid fumes, people choking and called for additional manpower to help evacuate the tenants. Some tenants complained of ill effects and the three were taken to the hospital.

Captain Shaughnessy said the building is owned by Mike Malone of 104 Washington Avenue,

who operates the candy store. He said the fumigators were ignited by John Smith, who recently rented the apartment but has not yet moved into it.

Smith said he notified the tenants on the third floor above the apartment that he was fumigating the apartment and did not know that it was against the law to ignite the fumigators with tenants in the building. Cafone said he did not know that the apartment was being fumigated.

Monday Fire Captain Joseph Santiglia and officials of the Town Health Department inspected the building and found a number of fire and health hazards.

Fire Chief Carl Hundertpfund said he advised the owner by letter Monday that he must correct all deficiencies. The Chief listed deficiencies as bad wiring, broken pot stove in the cellar, paint storage, doorways and hallways cluttered, fire doors in cellar broken and inoperative, and rear stairways cluttered.

### FINANCIAL SIGNAL

Financial columnist Sylvia Porter says: "We now have the first solid dollars-and-cents signal that the current 33-month-old business upturn will continue well into 1964. The signal lies in this one fact: American businessmen already plan a 4 per cent hike in

## Masonic Lodge To Seat Slate

Belleville Lodge 108, F & AM will hold its annual election and installation on Wednesday evening, at Belleville Masonic Temple, 126 Joralemon Street.

Following the installation, presentations will be made by R.W. John W. Keller, Sr., P.M.; Edwin R. McKerman, P.M.; and Alvin W. O'Connell, outgoing Worshipful Master.

The meeting will be opened promptly at 7 p.m. All Master Masons are invited to attend.

## Cops Give Blood To Save Woman

Policemen serve in many ways in line with their regular duty and sometimes they go even further.

Monday night was one case. Clara Maass Memorial Hospital called Police Headquarters and reported that a woman in emergency needed O-Negative type blood. The hospital had none available.

Officers Ed Sidley and John Vreeland went to the hospital and immediately donated their blood which was the scarce O-Negative.

Their speeding on new plants and equipment in 1964 to a record dollar amount of \$40.7 billion."

## BEHIND THE SCENES

Mrs. Gertrude Raymond

(The News-Times will publish a series of articles of the men and women who work behind the scenes keeping the wheels of Town Government moving smoothly without fanfare or headlines.)

### Fourth In A Series

Mrs. Gertrude Raymond, an efficient secretary, has taken the work out of her everyday business and left only pleasure.

Mrs. Raymond's position in the Town Hall was secretary to former Mayor Padula in 1959. During the change of government in the municipality in July of '62, Mrs. Raymond was transferred to the office of Francis H. McCoy. She has been his principal stenographer since.

Born in Brooklyn, N. Y., she moved to Belleville in 1941. Mrs. Raymond lives at 135 DeWitt Ave. and is the mother of two children. During her free-time, which is limited, she devotes her time to housework and the family.

Mrs. Raymond has gained much experience during her short four years in the Town Hall.

"I can name many types of work I've done as a secretary under Mayor Isadore Padula and Mr. McCoy, which has helped me along," Mrs. Raymond says.

Other than holding such titles as statistical clerk, form report clerk, death statement

stenographer and other various jobs, she has now been officially given the title of principal clerk stenographer. Her boss, Mr. McCoy, has three titles in the Town Hall, Director of Finance, Municipal Treasurer and Certified Agent among other things.

Her position calls for precision, neatness and speed. Of course, this follows the line of thousands of secretaries, but when a boss commends his employee's performance, then it deserves some sort of recognition.

"Mrs. Raymond is a dedicated worker in the true sense," said Mr. McCoy. "She is a valuable woman in this department, and I am truly grateful to have her with us."

What more can one ask of an individual. Mrs. Raymond likes to mix pleasure with business. It blends in with her characteristics.

## Start Class In Tumbling

The Recreation Department has announced that its Boys Tumbling Program is now underway, meeting each Wednesday evening at No. 3 School from 7:30 p.m. This program is for all boys living in Belleville and is directed by Mr. Samuel Zaccane.

Superintendent of Recreation Bob Cook explains that during the early stages the tumbling will be kept fairly simple, teaching fundamentals only. Then, as the boys acquire skill and experience, they will be offered training in more advanced stunts and will aim toward putting on exhibition around Belleville and the vicinity.

It is pointed out that even

boys who are not especially interested in going all the way in tumbling will benefit greatly from some training. Any football or wrestling coach will welcome the special skills of tumbling in an athlete. Just learning to fall properly may well save a person from serious injury many times throughout one life. In addition, most people find that tumbling, hand balancing and building pyramids are a lot of fun. All Belleville boys are invited to join in this activity.

### SCHOOL DROPOUTS

Of every three of the nation's youths, one drops out of school before graduating from high school. That results in a tragic and significant contribution to the unemployment total — jobs nowadays usually require a high school education at the minimum.

## United Appeals Campaign Funds Reach \$2,556,141

S. Westcott Toole, general chairman of the 1964 United Appeals campaign, announced today that the drive has raised a total of \$2,556,141 or 96 per cent of its \$2,652,233 goal. The campaign for Belleville, Irvington and West Hudson has been extended to December 9.

"In these last few weeks," Toole said, "we must cover all unsolicited prospects, and follow up on returns that have been reported running late. Only under these favorable circumstances can we be certain of reaching our goal." Toole reminded solicitors that "the last prospects are often the most difficult and described the final solicitations as essential to our campaign hopes."

The chairman added that many employee groups continue to make favorable reports. Toole especially cited United Advertising Corporation, whose employees contributed \$1339, and Federal Industries Corporation employees' gift which totaled \$3055. Both figures represent a 100 per cent increase over last year's reports, Toole said.

The divisions reported as follows: Advance Gifts, Milford A. Vester, chairman, \$773,453 or 94 per cent of goal; Finance & Insurance, William H. Keith, chairman, \$770,128 or 97 per cent; and Industry-Labor, Peter S. Barno, chairman, \$420,509 or 90 per cent.

Commercial, William J. McBurney, chairman, \$277,466 or 93 per cent; Business, David Kisiak, chairman, \$50,100 or 89 per cent; Professional, Edwin K. Walker, chairman, \$41,000 or 88 per cent; Schools—Newark, Dr. Edward E. Kennedy, chairman, \$69,734 or 101 per cent; Schools: Belleville, Dr. Frank M. Durkee, chairman, \$2,871 or 80 per cent.

Schools: Irvington, Dr. George R. Gordon, chairman, \$3,387 or 98 per cent; Civic, Mrs. Samuel B. Hingworth, chairman, \$40,900 or 94 per cent; Residential, Miss Grace J. Allenius, chairman, \$22,570 or 84 per cent; City Employees: Newark, Hon. Hugh J. Addonizio, chairman, \$14,484 or 102 per cent; City Employees: Belleville, Francis H. McGow, chairman, \$684 or 81 per cent; City Employees: Irvington, Hon. William E. Lovell, chairman, \$1,235 or 144 per cent; Government Employees, Herbert A. Bergen, chairman, \$2,742 or 101 per cent; and West Hudson, John A. Maggallian, chairman, \$27,810 or 90 per cent.

### LINCOLN'S AMBITION

A quotation from Abraham Lincoln: "Every man is said to have his peculiar ambition. Whether it be true or not, I can say for one, that I have no other so great as that of being truly equal to my fellow men."

## Council Capsule

The Town Council took the following action at its meeting of November 26 at Town Hall:

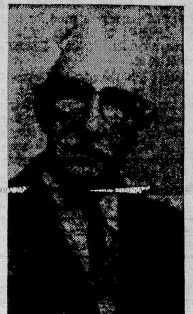

1. Approved, 5-0, an ordinance to authorize the improvement of a portion of Montgomery Place from the existing pavement northwesterly a distance of approximately 175 feet, in the Town of Belleville, Essex County, N. J., to appropriate the sum of \$4,500, to pay the cost thereof, to make a down payment and authorize the issuance of bonds to finance such appropriation and to provide for the issuance of bond anticipation notes in anticipation of the issuance of such bonds.
2. Tabled an ordinance authorizing the leasing of lands owned by the Town of Belleville, commonly known as 51-53 Valley Street, Block 74, Lot 26.
3. Approved, 5-0, a resolution authorizing the payment of listed bills.
4. Approved, 5-0, a resolution approving municipal payrolls for the weeks of November 14 & 21, 1963.
5. Approved, 5-0, a resolution authorizing refund of deposit made for sidewalk opening.
6. Approved, 5-0, a resolution authorizing refunds for overpayments made on 1962 taxes.
7. Approved, 5-0, a resolution authorizing refunds for overpayments made on 1962 taxes.

ments made on 1963 taxes.

8. Approved, 5-0, a resolution authorizing the issuance of certain licenses.
9. Approved, 5-0, a resolution awarding contract for patching concrete surface streets within the Town of Belleville, to J. Turco Paving Contractors, Inc., of No. 529 Belleville Turnpike, Kearny, N. J., in accordance with sealed bid submitted at Council Meeting of November 12, 1963.
10. Approved, 4-1 (Golden No.), a resolution authorizing Town Clerk to advertise for proposals for the purchase of one (1) POWR Stamp Cutter for use by the Department of Public Works and Affairs.
11. Approved, 5-0, a resolution authorizing the Town Clerk to advertise for proposals for the purchase of one (1) Super Roller Sewer Rodding Machine for use by the Department of Public Works and Affairs.
12. Approved, 5-0, a resolution concurring in the recommendation of the Board of Adjustment for a variance re premises, No. 79 Carner Avenue — application for erection of six (6) family apartment and three (3) car garage.
13. Approved, 5-0, a resolution authorizing the tax collector to make agreements for partial payment with delinquent taxpayers.

## Spanish-American War Vet Honored by Cushing Post

The Charles Cushing Post No. 14, Veterans of Foreign Wars of Belleville paid tribute to former Newark Police Lieut., Herman W. Krasowski, at a dinner affair last Sunday.

HERMAN W. KRASOWSKI son-in-law Edna and Adam Malley at 15 Smallwood Ave.

Krasowski, who resides in Belleville, was presented a plaque from Commander Harry Marcus for his outstanding leadership in Veteranism for 60 years.

The retired police lieutenant is a member of the St. Cecile Lodge No. 193 F. & A. M. and the Belleville Senior Citizens Club. He was also an active member of his lodge, retired police and firemen's associations, and veterans association.

On Veterans Day, Mr. Krasowski sat on the reviewing stand at Belleville Town Hall to witness the parade with the only other Spanish American War Veteran, William "Doc" Hood. He lives with his daughter and

### Set Basketball Clinic for Boys

The Recreation Elementary Basketball Clinic for boys is being conducted at the High School each Saturday morning at 9:30 a.m. Open to all Belleville Boys, the clinic gives a thorough basic instruction in this popular sport and also offers some actual play.

For this activity the Recreation has again been fortunate in acquiring the very finest of leadership. The director of the clinic is Al LoBallo, Belleville's Varsity Coach, and one of the most respected men the State.

LoBallo is aided by Herman Wische, former High School Coach and presently director of athletics. Normally leadership of this calibre would not be available for an elementary program but these two men have a personal interest in encouraging the development of basketball skills among our youngsters. Because these leaders apply their personal interest our youngsters have an opportunity that is truly rare.

## Belleville Electronics Technician's Invention Saves Army \$330,000

Catapults, once used by ancient armies to hurl stones against enemy strongholds, are being used by the Army's Picatinny Arsenal but for completely different purposes—to test the quality of certain explosive items.

The catapult launches modern munitions onto various types of terrain to determine whether they would function properly under varying conditions of mud, dirt or snow.

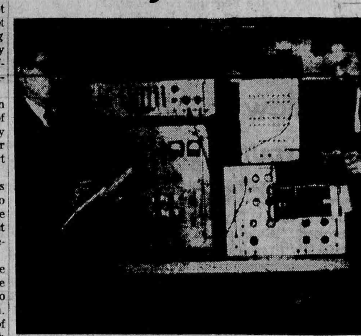

Although production testing, as this is called, is performed to insure that American troops are furnished with the most efficient and reliable weapons, it sometimes becomes expensive.

For instance, the testing of one classified item required the use of a high-speed movie camera to obtain the necessary information. The hundreds of thousands of feet of movie film exposed each year in this manner utilized the skills of a large number of technicians to process the film and interpret the data. Each test averaged \$848 in cost just to develop the film.

The large number of tests often built up a backlog of undeveloped and unanalyzed film which hampers the progress of future testing.

This backlog has caused lengthy delays in the test data to the time when the results were known. The delay affects not only production schedules but may also conceal a possible system failure of error which may not be discovered for a considerable length of time, during which erroneous or unusable data may be taken.

To reduce the cost, two Picatinny Arsenal men devised and instituted a completely electronic method for recording the data instantly. The men are Joseph P. Secko, a mechanical engineering technician, 80 Dogwood Road, Boonton, and Alfred E. Seidel,

Picatinny technician, Joseph P. Secko, left, records data from digital counter-chronograph while Alfred E. Seidel, of 144 Union Ave., Belleville, examines a Polaroid photograph. "How can our Troop help people to vote?" is discussed at a Court of Honor by (l. to r.) assistant leader, Mrs. Frederick Long, 393 Washington Ave., Belleville, and Troop 682 members Laurie Long, 12, Patrice Giamio, 11, and Lynn Gypolski, 11. Each girl is a patrol leader and represents her patrol in the Court of Honor, which corresponds to a House of Representatives in troop government. Scouting teaches good citizenship and puts it into action.

an electronics technician, 144 Union Avenue, Belleville.

The equipment, called a Source Discriminating Photodetector, makes it possible for the men to electronically monitor the tests and register the results.

Data is recorded on a digital counter-chronograph which is accurate to the millionth of a second and is supported by a Polaroid photograph of an oscilloscope trace which is developed ten seconds after exposure.

Thus, through the use of the new procedure, the information is made available almost immediately — and at a saving of more than \$8 per test.

In addition, the system may be operated by only one relatively unskilled technician, releasing skilled personnel for other work.

The electronic data acquisition method has saved the government and the taxpayer more than \$61,000 in the three-month period ending September 30. Savings during the first year of operation are expected to exceed \$344,000.

## Man Admits Theft Count

Albert Converse, 22, of 107 Beech St., Paterson, presently facing a series of burglary charges in Paterson, has admitted the theft of \$448 from an apartment at 164 Academy St., Belleville.

Detective Ken Place said Converse moved into a second-floor apartment at the Academy St. house with his wife and six-week-old baby. The same day he forced the first-floor apartment door and stole the money.

Police said he admitted returning to Paterson and used the money to buy narcotics. He was picked up by Paterson police and admitted seven burglary jobs in Paterson and, when questioned by Belleville police, admitted the Academy St. theft.

## Loss of Kennedy Blow to All Men; Tragedy Felt Around World

John Fitzgerald Kennedy, America's 35th President, at age 46, lies buried today in Arlington Cemetery, dead from an assassin's bullet which struck him down in Dallas, Texas, Friday, November 22, 1963.

At the moment the President was murdered I was at the Montego Airport, Jamaica, West Indies. About 3:00 p.m. Friday a representative of the British Overseas Airways Corporation approached me as I was sitting at a luncheon table with a group of 27 persons. In hushed voice and on bended knee he whispered in my ear "President Kennedy was shot." As he was nearing the end of his report another person ran up to our group and shouted "President Kennedy was shot."

To all of us 27 Americans the news sounded incredible. "Where did you hear this," we anxiously queried. "Somebody downstairs told us he heard it over the radio." Downstairs I went but couldn't find anyone with a radio. Yes, I was told, the story was around that President Kennedy was shot but no one could zero in on the information source.

Out of desperation I picked up the telephone to call the White House, a number I used often during the Eisenhower years. "Sorry," said the Jamaican telephone operator, "all overseas lines are busy." Frustration was making a nervous wreck of me and I was determined to speak with someone in authority who could put the lie to the ugliest of rumors. I decided to phone the American Embassy office in Kingston. It took me fifteen minutes before I was able to get through to Kingston—a 120 miles south—and speak with an Embassy official who was AUTHORIZED to answer my question, "Is it true that President Kennedy is dead?"

The Embassy official affirmed the fact that the President was shot but as to the rumors President Kennedy was DEAD the Embassy office had received no confirmation—and didn't expect to hear for some time.

Meanwhile the rumor that President Kennedy was killed by an assassin spread throughout the island of Jamaica like a prairie fire. But for three solid hours we were unable to obtain confirmation of this fact.

Eventually at about 6:45 p.m., alongside the pool at the Royal Caribbean Hotel and Sea Club, over a two-inch-square radio, a British Broadcasting Company flash out of Canada brought the confirmation we had been dreading for three lonely hours—President Kennedy was murdered by an assassin in Dallas, Texas.

There were twenty-seven in our group—there could have been 2700—it would not have made any difference—we were in a group but still very much alone with our thoughts of President Kennedy. We had one thought in common—despite the BBC announcement we stubbornly refused to believe John F. Kennedy was dead. He was only 46, much too young to die I was telling myself. Selfishly, I was thinking we couldn't afford to let him die—much of his work remained undone—he simply had to keep going.

There was no television in Montego Bay. Worse there were no newspapers we could read which would confirm the awful news which was to bring America to a standstill for 72 hours.

The lonely hours dragged on like days. To top it off we wanted to leave Jamaica with all possible haste only to be told that our departure would be delayed 12 hours for repairs to a hydraulic cylinder which operated the bay doors of our BOAC jet.

The delay and complete blackout of news in Jamaica permitted me to reflect deeply in solitude on the Kennedy years and their impact upon civilization, unimpeded with news accounts in the American press and TV coverage.

My heart ached as I contemplated the possibility that President Kennedy was dead. I couldn't bring myself to believe that there existed a person in America so contemptuous of law and order that he would take matters into his own hands and kill the President of these United States. I simply believed assassinations in America were

things we read about in our history books—it simply couldn't take place in our day on our American soil.

"But suppose it's true!" I soliloquized. "President Kennedy was too fine a person to treat so brutally and cruelly. That filthy ——— who did it demanded get the chair immediately." I demanded of the face in the mirror.

The Sunday American newspapers gave me all the confirmation I needed to grudgingly accept the fact that President Kennedy had arrived at his journey's end.

What did his tragic death mean to me, an American citizen, 12 days younger than President Kennedy?

In the death of President Kennedy I lost a public official who was of this century, of my generation. I felt I lost a friend when President Kennedy died. I somehow believed he had a peculiar understanding of my problems, and the problems of the people of my community and he was doing his best to help us solve them.

I knew Kennedy was a great man, just how great I didn't realize until after he was no more. Much of him I took for granted.

No longer will I see the picture of a young President looking out into the TV cameras imploring us not to ask our country what she can do for us but what can we do for her.

In the framework of the greater America which is the privileged heritage of my generation political philosophies divide the major body of Americans. As a member of the minority party I was eagerly looking forward to a schedule of great presidential debates in 1964 when once again I would see John F. Kennedy, the intellectual, intrigue me with his unparalleled wit and wisdom. A sniper's bullet decreed that we shall be denied this right—the privilege—this joy.

Kennedy dies and a world mourns his passing. And while the world mourns I keep thinking of Jack Kennedy and the wonderful projects he undertook during his three years of the Presidency and how over the ages they will appear as great monuments to memorialize a great American President who dared to challenge the status quo—an American President who was determined to eradicate the second class citizenship status which some of us are still being asked to share.

In common with the citizens of our nation and the world all Belleville mourns the sudden, tragic death of John Fitzgerald Kennedy. With heavy hearts we pause to give homage, each in his own small way, to the memory of a President who though absent from our midst will forever be with us in our depression-scarred, war-torn hearts.

Another mortal has succeeded to the office left vacant by John F. Kennedy.

Lyndon Baines Johnson, a great American, is now the 36th President of these United States. Though the office will be the same the Presidency somehow will be different without Jack Kennedy. When John F. Kennedy was lowered into his hallowed grave in Arlington Cemetery on Monday, November 25th I had the feeling that a little bit of each of us was buried with him.

Ten days after his death I find myself hoping, that this great tragedy which has lowered our flags at half-mast, is only a nightmare. Sometimes I wish that I stayed in Jamaica to escape the realities of the historical events crowding in upon us.

But even in a far-off Jamaica sooner or later the news comes through and still before me would be that difficult, heart-breaking journey home to reality.

And so at the end of Kennedy's life journey, we who knew him to be of our generation and serving the needs of our generation must pick up the torch he held high, and shoulder to shoulder, move forward in the unending, unequal fight to obtain for each of us the equal rights that politicians talked about for a hundred years but it took a Jack Kennedy to supply real meaning to an oppressed people's dream.

F.A.O.

### THANKS COMMUNITY FOR AID IN SEARCH

To the Editor, Times-News:

I would appreciate taking a little of your space to express the thanks and gratitude of the staff at the Garden School to many people in the community who assisted us in searching for a lost child.

This socially handicapped youngster managed to slip away while on a field trip to the Belleville park and was eventually found in Glen Ridge which was on his way home.

We have written to the local police department who responded to our call for help and participated in the search. We are grateful to all concerned for their eagerness to help these children in our community who are less able to take care of themselves.

Perhaps I can add "one word of constructive comment and that is to suggest a more simplified way of calling the police in emergencies. DIAL 999 in some countries allows immediate contact with the nearest police department and this is a uniform method which ensures speed and certainty. Perhaps a similar arrangement could be devised for local use.

Yours truly,  
ROBERT J. F. STEPNEY,  
Clinical Administrator

### READER WITNESSES TOWN POLITICS

To the Editor, Times-News:

The writer would like to express himself regarding incidents in town—

In the first place Mr. Pico, you received no mandate by your election to the Council, you received less votes than when you were defeated for the commission form of Gov. With your eyes you see, with your ears you hear, and your mouth keep shut, to learn something because the people are behind the Town Council.

To Mr. Casale I say this—two other members of the Town Council also have equal educational status with Mr. Pico so he does not outrun anyone on that score. The people of Belleville

### BECK'S COLUMN

by MAX BECK

For the first time there will be a color broadcast on all 3 networks this New Year's day. This is the beginning of an ever expanding color broadcast schedule.

As soon as CBS will get in the swing of things, which can only be a matter of a short time, we will have our choice of color programs. Within the next couple of years it is expected that the major portion of all broadcasts will be in color.

It has been determined already to standardize color TV production. We will eventually have a 19" and a 25" rectangular color tube. During the coming year there won't be any changes, we will have the present color tube only. The picture size of the 25" color tube sometime in the future will not be larger than the present 23" black and white picture tube. The measurement is taken diagonally from the outside of the glass. Since the glass on a color tube is about an inch thicker than on a b-w picture tube, the measurements will be 25", but the picture will be the same size as the presently used 23" black and white tube.

Owners of presently sold color TV sets consequently will hardly miss anything, as far as the size of the picture is concerned.

RCA has stated also that the prices for color sets can not be lowered substantially during the next year. The industry expects to make about 1 1/2 million color sets next year. If, and that is the important thing, if color TV tubes can be produced in this quantity. Many people in the industry doubt this. Let's hope they are wrong.

We service what we sell

have had responsible government since July 1962.

The gentleman from Harvard St. who complains that his guests have difficulty in parking—send them to a motel or let them use their legs—a childish complaint.

To Belleville's new TV Star, Mr. Golden—Jim do the people a favor—join the Boy Scouts, do a good deed—vote for the fire equipment. Let the men whose capers are devoted to this field have the say in choosing the equipment, after all they are the ones who will use it.

Sincerely  
JAMES ZUCCARELLI  
391 Union Ave.  
Belleville.

### DRIVER TRAINING BILL SUPPORTED

To the Editor, Times-News:

On November 25, 1963, there will be a Driver Education Bill introduced to the Legislature in the State of New Jersey which, if adopted, will make driver education in the high school available to all students. The cost of this program will be paid for by the motorists themselves by an increase in the drivers' license fee of \$1.00.

This bill is the result of many years of research and investigation made by educators, safety officials and legislators and is, in my humble opinion, something that is vitally needed if we are to reduce the tragic mishaps on our highways.

There will be some criticism. I'm sure, but I would like you to read the enclosed letter as it reflects my feeling towards driver education and its need today. Its place in the curriculum of our high schools and the results that can be accomplished by such a program.

As new developments and changing times have brought about a gradual evaluation in our school system, driver education has become an ever increasing

problem to categorize. Does it rank in the classification of academic learnings, such as math, science, language? Or is it a special interest subject like wood working or sewing?

It might be desirable at this point to look at the general objectives for all secondary education and see how driver education measures up. In addition to the three R's, there are other objectives of education that can be defined as "Common learning for High School Youth"

1. All youth needs to develop salable skills and those understandings and attitudes that make the worker an intelligent and productive participant in economic life. To meet this end, youth needs supervised work experience as well as education in the skills and knowledge of their occupation.

2. All youth needs to develop and maintain good health and physical fitness.

3. All youth needs to understand their rights and duties of the citizen in a democratic society, and to be diligent and competent in the performance of their obligations as members of the community and citizens of the state.

4. All youth needs to understand the significance of the family for the individual and society and the conditions conducive to successful family life.

5. All youth needs to know how to purchase and use goods and services intelligently, understanding the values received by the consumer and the economic consequence of their act.

6. All youth needs to understand the methods of science, the influence of science on human life and the main scientific facts covering the nature of the world and of men.

7. All youth needs opportunity to appreciate beauty in literature, to develop their capacities in art, music and nature.

8. All youth needs to develop respect for others, to grow in their insight with ethical values and principles and to be able to live and work cooperatively with them.

9. All youth needs to grow in their ability to think rationally, to express their thoughts clearly and to read and listen with understanding.

Yours truly,  
Thomas F. Langan, Jr.  
Past President  
N.J. DRIVER & SAFETY  
EDUCATION ASSOCIATION

### Garden Apartment

(Continued From Page 1)

provide for this expense would not exceed \$25,000.

"The type of construction required in order to justify a \$50 per unit rental is of high quality which will tend to stabilize the neighborhood and increase the value of the total area. One family houses such as would ordinarily be developed in this area would sell for less than \$18,000. Experience has shown that people who can afford to pay a rental of \$50 per month have incomes of \$8,000 to \$10,000.

"The development of the tract in a single ownership will give better control to the community over the drainage facilities especially the Third River which traverses the property so that the responsibility for safety and

maintenance will be single instead of being exposed to more than a dozen owners.

"The overall appearance of the project will be a park-like setting, approximately 80 per cent open space with a large green area and will contain within it full recreational facilities to accommodate all of the tenants."

# WEDDINGS AND ENGAGEMENTS IN SOCIAL SPOTLIGHT

## ENGAGED

Mr. and Mrs. Herbert Klein of Larchmont, New York, have announced the engagement of their daughter, Dr. Gail S. Klein, to Dr. Jacob Israel Haft, son of Mr. and Mrs. Louis Haft of 55 Broadway Street, Belleville.

Dr. Klein received her B. A. degree from Vassar College where she was associate editor of the Vassar Chronicle, and her M.D. degree from the University of Rochester School of Medicine. She is presently interning in pediatrics at the Albert Einstein Bronx Municipal Hospital Center, and will be a resident in pediatrics there next year.

Dr. Haft, an alumnus of Belleville High School where he was editor-in-chief of the Spotlight for two years, was graduated cum laude from Harvard University and received his M.D. degree from the Columbia College of Physicians and Surgeons, where he was elected to Alpha Omega Alpha, honorary medical fraternity. He served his internship at Strong Memorial Hospital, Rochester, and is presently a resident in medicine at Beth Israel Hospital, Boston. Next year he will continue his training as a cardiology fellow at Mountain Sinai Hospital, New York City. A May wedding is planned.

DR. GAIL S. KLEIN

## Stork Club

Kenneth J. Lindner, a first child, a son, Kenneth John, was born to Mr. and Mrs. Stuart T. Lindner of 422 Cortlandt Street, Belleville, at Clara Maass Memorial Hospital, Belleville, November 19. Birth weight: nine pounds, one ounce. Mrs. Lindner is the former Dolores Eileen Garrigan, daughter of Mr. and Mrs. Stephen Garrigan of 422 Cortlandt St., Belleville. Mr. Lindner, son of Mr. Theodore Lindner of Newark, is an assistant manager with Seaboard Finance Company.

MRS. PETER DI NICOLA  
Former Jo Anne Beverly Gol

## Miss JoAnne Gol Weds Peter John Di Nicola

In a late afternoon ceremony in St. Peter's R. C. Church, Belleville, the wedding of Miss Jo Anne Beverly Gol to Peter John Di Nicola took place Saturday, November 30, at four o'clock.

The Rev. James Heavey performed the ceremony, and a reception followed at Stash's Restaurant, Orange.

The bride is the daughter of Mr. and Mrs. Joseph Peter Gol of 80 Little Street, Belleville. The bridegroom is the son of Mrs.

Margaret Di Nicola of 603 Main Street, Belleville, and of the late Anthony Di Nicola.

Mr. Gol gave his daughter in marriage. Her bridal gown was of white satin, highlighted with pearl and crystal applique. It was designed with bell-shaped skirt, sweetheart neckline, and long sleeves tapering to a point, with drop pearls at the point. A beaded headband held her elbow length veil of illusion, and she carried a white orchid bouquet with lilies of the valley.

Mrs. Reginald Henderson of Belleville was matron of honor, and bridesmaids were Miss Elsie Gol, sister of the bride, and Miss Margaret Di Nicola, sister of the bridegroom.

The honor attendant was a pink gown of silk organza and long sleeves. She wore a matching rose headpiece and carried

## BETROTHED

Mr. and Mrs. Howard B. Hogan of Chestnut Street, Belleville, announced the engagement of their daughter, Barbara Jean, to John C. Oldenboom at a dinner given in honor of the prospective bride and bridegroom on Sunday, November 24, at San Carlo's Restaurant, Lyndhurst.

Mr. Oldenboom is the son of Mr. D. J. Oldenboom of Johnson City, New York, and Mrs. Gertrude V. Oldenboom of Elizabeth, N. J. Miss Hogan is a graduate of Kuka College in New York and is presently employed by International Business Machines Corporation in Newark, as an electric typewriter accounting machine customer engineer.

The wedding will take place in May, 1964.

MISS BARBARA JEAN HOGAN

a bouquet of pink mums. The bridesmaids were similarly attired in blue.

Anthony Di Nicola was best man for his brother, and ushers were Reginald Henderson and Nick Bissell, both of Belleville.

Mrs. Gol wore a street length dress of turquoise silk while Mrs. Di Nicola wore a street length dress of blue silk. Both wore matching accessories and a white orchid corsage.

The bride is employed by the Bell Telephone Company of Newark and Mr. Di Nicola is a barber in North Arlington.

After a wedding trip to Florida, the newlyweds will reside in Newark.

Miss Nancy Loesner was her sister's maid of honor, and bridesmaids were Miss Barbara Westphal of Mountside and Miss Marilyn Lange and Miss Dolores Wilson of Belleville.

The bride attendants wore floor length sheaths of red satin designed with removal jackets, and carried bouquets of white pompons interspersed with sprays of wheat.

John Murray of Newark served as his brother's best man. Ushers were Peter Kohl and Harold Nausbaum of Newark, and James Murray, Jr. of Wayne Township, brother of the bridegroom.

The mother of the bride wore a blue silk gown with matching accessories, while the mother of the bridegroom chose beige silk. Both wore white orchid corsages.

A graduate of Belleville High School and of Montclair State College, the bride is an art teacher in the Belleville school system. Mr. Murray was graduated from Our Lady of the Valley High School, Orange, and from Montclair State College. He is employed as director of the South Ward Boy's Club, Newark.

**'Wife' Cards Vs. 'Husband' Cards**

MRS. MICHAEL MURRAY  
Former June Loesner

## Belleville Teacher Weds Director of Newark Club

Miss June M. Loesner, daughter of Mrs. Walter Loesner of 101 Tappan Avenue, Belleville, and of the late Mr. Loesner, and Michael Walter Murray, son of Mr. and Mrs. James Murray of 57 Dover Street, Newark, were united in marriage Saturday, November 30, at St. Peter's R. C. Church, Belleville.

The Rev. Thomas A. McCarthy performed the ceremony, and a reception was held at the Robert Treat Hotel, Newark.

The bride was given in marriage by her uncle, Mr. David Connelly. Her bridal gown was a full length satin sheath with detachable train, trimmed with seed pearls and Chantilly lace.

A white satin pillow headpiece applied with seed pearls held her elbow-length veil, and she carried a bouquet of white orchids and stephanotis.

Miss Nancy Loesner was her sister's maid of honor, and bridesmaids were Miss Barbara Westphal of Mountside and Miss Marilyn Lange and Miss Dolores Wilson of Belleville.

The bride attendants wore floor length sheaths of red satin designed with removal jackets, and carried bouquets of white pompons interspersed with sprays of wheat.

John Murray of Newark served as his brother's best man. Ushers were Peter Kohl and Harold Nausbaum of Newark, and James Murray, Jr. of Wayne Township, brother of the bridegroom.

The mother of the bride wore a blue silk gown with matching accessories, while the mother of the bridegroom chose beige silk. Both wore white orchid corsages.

A graduate of Belleville High School and of Montclair State College, the bride is an art teacher in the Belleville school system. Mr. Murray was graduated from Our Lady of the Valley High School, Orange, and from Montclair State College. He is employed as director of the South Ward Boy's Club, Newark.

## Chapter Of Deborah Will Install New Officer Slate

The Belleville Chapter of Deborah will have an installation of officers and a Christmas, Chanukah party on Monday, December 9, at 8 p.m. in the auditorium of Number Seven School, Passaic Avenue and Joralemon Street, Belleville.

Mrs. Louis Ogust of Newark, Regional Chairman, will install the new officers. The following women will be installed: Mrs. Milton Charen of Belleville, President; Mrs. Stephen Kelemen of Belleville, First Vice-President; Miss Marie Sartella of Belleville, Second Vice-President; Mrs. Joseph Ferraro of Belleville, Treasurer; Mrs. Charles Driva of Belleville, Assistant Treasurer.

Mrs. Albert Johnston of Belleville, Recording Secretary; Mrs. Albert Honig of Newark, Corresponding Secretary; Miss Elsie Traviano of Newark, Financial Secretary; Mrs. Anthony Di Nicola of Belleville, Historian.

Mrs. Stephen O'Connor of Belleville, Mrs. Benjamin Levy of Newark, and Miss Marie Sartella of Belleville are to be installed as Trustees.

Mrs. Joseph Morra and Mrs. Anahony Simone, both of Belleville, are chairmen for the evening. The yearly Christmas and Chanukah party, to be held the same evening, will present Santa Claus in person. Refreshments will be served and guests for the evening will be present by invitation of the members.

Mrs. Salvatore Marino of Nutley, Program Chairman, reports that Miss Annette Inghammaro of Bloomfield from the Miss Rosanne School of Dancing, Bloomfield, will perform two dance numbers: a tap solo to the music of Belleville, and a Hawaiian dance to the music of Christmas Island.

Miss Sally Ann Marino, pianist in Belleville, Mrs. Danielis, vocalist of Livingston, and John Dohlgast, accordionist of Belleville, will also perform.

## Buckleys, Danielis Observe 40th Wedding Anniversaries

The parents of both Mr. and Mrs. William Edson Buckley of 124 Passaic Avenue, Belleville, celebrated their 40th wedding anniversaries on Sunday, November 24.

Mr. and Mrs. Albert E. Buckley, who reside at 63 Newark 124 Passaic Avenue, Belleville, 40 years ago in Elktion, Maryland, Mrs. Buckley is the former Mary Elizabeth Webster of Ambler, Pa. Mr. Buckley is a native of Cadocia, N. Y. He is a salesman with Bloomfield Equipment Company, Paterson.

The Buckleys, who have just recently become residents of Belleville, have seven children and 16 grandchildren.

Mr. and Mrs. John B. Danielis of 134 Passaic Avenue, Belleville, were married 40 years ago in Christ Episcopal Church, Belleville. Mrs. Danielis, the former Anne L. Danielis.

Mr. Danielis retired in June from the Westinghouse Corporation in Belleville. Mrs. Danielis is employed in the subscription office at Clara Maass Memorial Hospital. The couple have three children and six grandchildren. The elder Buckleys have been married one hour longer than the Danielis.

Family and friends celebrated this special occasion at the Annual Ball of the Belleville Firemen's Mutual Benevolent Association held November 23 at the Navaho in Irvington. Mr. William Edson Buckley is a Belleville fireman. His wife is the former Anne L. Danielis.

## Christmas Benefit Show Aids Bethlehem Orphan

Miss Lillian Daniels of 312 Washington Avenue presented her dancing pupils in a Charity show and Christmas party at the Belleville Elks on Wednesday evening at 8 p.m.

This was the tenth year that Lillian Daniels has put on her Charity Show to support Fadia El Yacoub, an orphan child in the Holy Land Christian Approach Mission in the town of Bethlehem.

For the past four years part of the proceeds of the show has been given to the Belleville Elks to help their crippled children fund.

After the show Santa arrived with ice cream and cake for everyone. A large trimmed Christmas tree was the main event of the evening with gifts all around it and plenty more in Santa's bag. The gifts are exchanged by

Local pupils with solo parts were Lillian Harja, Olga Yurech, Denise D'Agostino, Gayle Swartz, Lorraine Ferrara, Patty Salvia, Kathleen Sheridan, Susan Okalski, Bruce Johnson, Marylou Martin, Priscilla Takecky, Anna Krupel, Cathy Carratura, Diane Daniels, Karen La Manna, Robin Whipple, Debra Aulenbach, Shirley Shires, Barbara Ann Hodgdon, Mary Frances Simmons, Debra Wysocki, Valerie Melleski, Anthony Puciarelli, Albert Puciarelli, Susan De Groff. ## Neighborhood News

Mrs. Patricia Murray, Mrs. Chris Roe, The Times Office, PL 1-1069, NO 7-3220, PL 9-3200.

Mrs. Oreste Savare of 9 Baldwin Place and her mother, Mrs. Rose Damiano, just returned to Belleville after spending two weeks visiting her brother and sister-in-law, Mr. and Mrs. William Damiano in Punta Gorda, Florida. While in Florida, they witnessed a tornado, and toured the many places of interest in the area.

Mr. Frank Miele, son of Mr. and Mrs. Joseph Miele of 8 Copper Place, flew home from South Bend, Indiana, to spend the Thanksgiving holidays with his parents. Frank is in his senior year at Notre Dame Law School. Miss Regina Janice, sister of Mrs. Joseph Janice of Janice's Delicatessen, recently returned from a three-week airplane tour of the Orient. In her travels, Miss Janice visited Alaska, the Philippines, Hong Kong, Thailand and Formosa.

Mr. Eugene T. Berry, former Health Officer, retired to Delray Beach, Florida visited his mother here in Belleville on her 80th birthday. The family celebrated the occasion at The Forest Hill Country Club. Among the guests were Dr. Chester Kula and Mrs. Edward Clegg of 20 Grove St., Belleville.

Ronald Savare, son of Mr. and Mrs. Oreste Savare of 9 Baldwin Place, has completed his advanced training at Fort Benning, Georgia. He is now at Fort Belvoir, Alabama for further pilot training in the United States Air Force.

Mr. and Mrs. Roy Brundage proudly announce the birth of their third child, a daughter, Kathi, born November 26th at Mountsinai Hospital. She joins two brothers, Stephen and David one. Mrs. Brundage is the former Justine Hekker. Both are members of the Petrean Club of Belleville.

Sharing the profound shock and grief of millions of Americans, and feeling in their hearts they wanted to pay their last respects to the late President Kennedy in person, Mr. and Mrs. Leonard Miller of 50 Broad Street and their two children, Diana, 15 and David, 12, drove to Washington, D. C. Sunday evening, November 24. Arriving at the Capitol at 3:15 a.m., they joined the thousands of persons waiting in line for a full day to view the casket of our late president in the capitol grounds.

Returning to the scene in time to watch the funeral procession from the sidelines, they mourned and shed tears of sorrow with the rest of the nation, as the caisson proceeded along the way to Arlington Cemetery.

The Millers are now making a scrap book compiling information and pictures of their experiences. A copy of this book, as the funeral pictures on the president's casket will be pressed between the pages, a memory never to be forgotten of this important part of history in the making.

Mrs. Fuchs Ends 34-Year Career

Mrs. Anna G. Fuchs, 57 Prospect Place, Belleville, has retired from New Jersey Bell Telephone Co., it was announced November 27.

She began her telephone career 34 years ago as a student operator in Newark. All of her service has been in the Newark area. At the time of her retirement she was an information operator.

A member of the Newark Downtown Council, H.G. McCully Chapter, Telephone Pioneers of America, Mrs. Fuchs was the guest of honor at an open house held at

281 Washington St., Newark on Oct. 25. She was also honored at a luncheon held in the Newark Broad St. on Nov. 7.

Mrs. Fuchs and her husband Joseph have one son and one daughter.

## Obituaries

**PATRICK J. LYNCH**  
Patrick J. Lynch, 75, of 203 Dayton Ave., Toms River, died last Tuesday in Ralph Kimball Hospital, Lakewood, after a long illness.

Mr. Lynch, a former resident of Belleville, was born in Ireland and moved to this country at the age of 21. He was living in Toms River for four years with his wife, Margaret. He was employed as a construction worker. He leaves his wife, three sisters, and two sons. Mrs. Nellie Degman, who resides in Jersey City, and Mrs. Kate Flynn of Ireland, and Mrs. Beor Moran of Ireland.

Mr. Lynch's sons are, Patrick J. Lynch Jr. of Bloomfield and Thomas C. Lynch.

The funeral was held last Friday at St. Ignace Funeral Home, 661 Franklin Ave., Nutley, with Solemn Requiem Mass in St. Mary's Church, Burial was in Holy Cross Cemetery.

**MICHAEL M. GAYDOS**  
Michael Matthew Gaydos of 48 Kingsland Avenue, Kearny, exalted ruler of Elks Lodge 1123 of Belleville, died October 31 at North Hudson Hospital, Weehawken after a brief illness. He was 39.

A decorated Navy veteran of World War II, Mr. Gaydos received the Bronze Star and was cited by Secretary of Navy James Forrestal for courage aboard the USS Richard P. Leary, a destroyer, in the Southwest Pacific on January 5, 1945. He was wounded while directing his gun crew which destroyed a Japanese plane as it plunged to the deck. A coxswain at the time he received numerous battle stars.

He was born in Newark and lived there until moving to Kearny nine years ago. He was active in the Elks Lodge's crippled children's and youth activities committees.

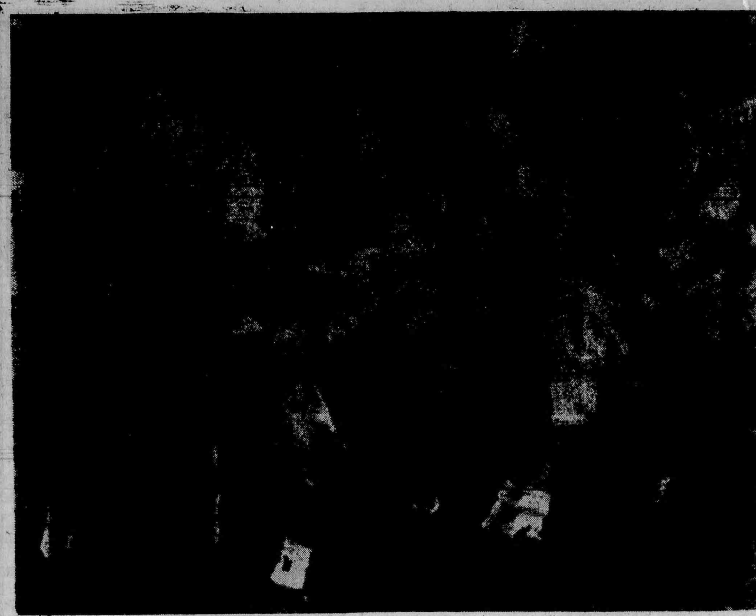

Mr. Gaydos leaves his wife, Mrs. Agnes Outfield Gaydos; his parents, Mr. and Mrs. Michael Gaydos of Kearny; three brothers, Charles of Spotswood, William and Richard of Kearny, and a sister, Mrs. Joseph Depascale of Kearny.

**JOSEPH GROSSO**  
A Solemn High Mass of Requiem for Mr. Joseph Grosso, 42, of Montclair, New York, was offered Nov. 19 in St. Thomas R. C. Church in Jamaica, L. I.

Mr. Grosso died Nov. 14 at a Middletown Hospital after a long illness. Mr. Grosso is the father of Pat Grosso of 64 Franklin St., Belleville. He was a native of Italy and resided in the U.S. for 62 years.

Also surviving are sons John Grosso of Montgomery, N. Y., and William of Massapequa, L. I.; three daughters, Antoinette Trusler, Josephine Biondi and Anna Fontana, one sister, Mary Coletti, 12 grandchildren and five great grandchildren.

**OUCH!** Unidentified Orange player is nailed from behind by unidentified Bellboy defender in third quarter. A flock of Belleville tacklers gather around mistreated Orange player on a pass play. Others include: Lefiny Luongo (45) and Joe Del Guercio (33).

**STRAIGHT ARM:** Belleville Halfback Joe Cervasio (37) tries to straight arm his way past an Orange defender during Thanksgiving Day action. Cervasio scampered for six yards before being brought down by Orange tackler on the right. Bellboys romped.

# BELLBOYS END SEASON, RIP ORANGE, 30-0

## Scanning the SPORTS SCENE

By Frank Walosin  
**DEFENSE PLEASED COACH TESTA**

Now that the final whistle has blown on the 1963 football season, Coach Tom Testa can look back at a 6-2-1 season critically and he is quite pleased with what he sees, as are all but the most rabid fans.

"The season was rather pleasing," said Testa. "Speaking offensively we had our problems. But we were hoping for our defensive unit to give us the edge and it came through many times. Defensively I was very pleased."

Testa has a right to be pleased with his defensive unit. It held its nine opponents to an average of 6.3 points per game to rate one of the best in the state, shutting out four of its foes — Bloomfield, West Side, Kearny and Orange.

"The kids reminded me that this was one of the best seasons they had not counting last year. On the whole we were quite pleased," said Testa. "We did win a lot of tough games like Garfield, 7-6, and losing to East Orange was no disgrace. I guess we can count our blessings."

"We were counting on our defense and it came through. The kids showed lots of courage. Our defense made our season," said the coach whose teams have compiled a 14-3-1 record in the two years he has been head coach. "We gave up only 57 points all season and scored 118 points. Last year we scored 252 points to show you the difference in our offense."

### 17 GRIDDERS TO GRADUATE

"Looking to next year Testa sees big gaps in his defensive unit as 17 of this year's players are seniors. Due to graduate in June are Warren Ceres, Pete Strumolo, Joe Coglia, Anthony Giampietro, Richard Benecchi, John Visco, Jerry LePre, Sibi Sica, Joe DelGuercio, John Senesky, Louis DiBella, Tom Greco, Mike Nicosia, Jerry Longo, Frank Raimo, Eugene Brownbridge and Frank Pomaco.

Coach Testa was pleased with all of his players' but made special mention of DiBella, who averaged about 40 yards in punting; DelGuercio, who booted 13 consecutive extra points, and Benecchi.

"DiBella saved us many times and if it were not for him we would have lost a couple of more games," said Testa. "Benecchi was the most improved player on the team. He came from almost nowhere and worked hard and listened to coaching to do very well on both offense and defense."

"It was a gratifying year. Now we must work with the placement of some of the boys in colleges and help the returnees with their studies to get them to improve marks and keep them eligible," said Testa.

The students and the fans owe Testa and his boys a cheer for a job well done.

### CAGERS INVADE LEXINGTON, MASS.

With football packed away, basketball takes the center of the stage at Belleville High School and Coach Al LoBalbo has his boys prepping for the opener December 13 at Garfield.

Last weekend the coaches and 10 of the players traveled to Lexington, Mass., where a friend of the coach is piloting a team. "We had a real good trip," said LoBalbo. "We went to take advantage of the big court. They have a large field house and we got a chance to get away from our small court."

The boys stayed with opposite members of the Lexington team as house guests during their 3-day visit and scrimmaged with the team on each of the days as well as working in a hot-dog roast Saturday night and some sightseeing.

"The competition up there is not as good as in New Jersey," said LoBalbo. "But we got in lots of shooting practice at glass boards and we pieced together our offense and defense. The boys got a lot of good out of the trip."

## Win Boosts Record to 6-2-1 Mark

By RAY PERSKO

Belleville High's football team closed out the 1963 season on a winning note Thanksgiving Day with a convincing 30-0 victory over Orange. The win boosted them to a 6-2-1 record.

In the first half, Orange and the Bellboys battled to a 0-0 tie. Bud Armstrong took the opening kickoff to the 35 when Lenny Luongo pushed him out of bounds. With fullback Armstrong running and Buster Jones passing, the Tornados piled up two first downs in four plays. Finally after five plays, the defense began charging as Benecchi and Luongo began pushing the offense back. The Tornados, unable to move from a "T Formation" changed to a shot gun only to be hit for a five yard loss. Thus, on fourth and 11, the Tornados punted and Belleville began its offense on its 15.

### Pomaco Glitters

The Belleville offense, spearheaded by Frank Pomaco, began a successful ground attack. Pomaco continually sent LaFalce up the middle for a few yards while he alternated Joe Cervasio and Greco.

Belleville picked up its initial first down on the third play from scrimmage when Cervasio took a Pomaco handoff 11 yards off guard. Greco and LaFalce then took the ball around the ends for two more first downs. Finally, after moving 46 yards in nine downs, the backfield misfired and the Tornados Mike Pizzi picked up the ball and raced 12 yards to the 50.

After six plays, the Tornados were forced to give up the ball. The Bellboys, following suit did the same. It's interesting to note that both of Belleville's starting punters, Lou DiBella and John Seneski, were sidelined with injuries, giving promising junior Bill DiBissa a chance to substitute and show himself capable.

The Tornados took possession for one play, on second down, Cervasio intercepted and Belleville took over on the 43. On first down, Cervasio went 13 yards up the middle, followed by LaFalce for third and Frank Mingo for second. On third down and about four, Greco keeping off right end zigzagged up field for 25 yards for the first down. On the next two plays, Cervasio and LaFalce were unable to penetrate so on third down and 12 yards from the goal, Pomaco uncorked a pass to Benecchi, only to have it intercepted by Orange's Tom Gregory.

Once again, the Tornados began to drive. However, on the first play, Peter Strumulo hurt the Orange cause as he bruisingly downed Bud Armstrong, who sped left end for the first. Seven plays later, the Tornados still playing possession ball put Armstrong back in the fullback slot. This time the Orange defense (tempered for good as Sibi Sica

**CERVASIO BREAKS:** Bellboy Joe Cervasio (37) breaks out into clear after sidestepping unidentified Orange defender in second period action Turkey Day. Joe Del Guercio (33), in back of Cervasio, watches play. Bellboys rolled to 33-7 victory.

beautifully brought Armstrong down with a precision shoe string tackle. The loss of Armstrong in the lineup acted as a demoralizer to the Tornados and their offense didn't function the same for the remainder.

### 23 Point 3rd Quarter

The third quarter broke open fast and furiously as Belleville's offense looked their best of the season. On the first play from scrimmage, Pomaco lateraled to Joe Cervasio, who galloped 67 yards for a touchdown. The key block was thrown by Sica as his trapping paved the way for Cervasio. Joe DelGuercio, then stepped back to boot the P.A.T.

Charlie Gentile ran the kickoff up to his own 32, where Belleville's defense just kept pounding the middle. On second down, the Tornados moved into a spread formation which was unsuccessful. On third down, Peter Strumulo, Len Luongo, Joe Goglia and Joe DelGuercio crashed past the offense and pushed Buster Jones deep into the end zone for a touchback, making the score 9-0.

Orange then kicked off, but penalties called it back. On the re-kick, Jerry LePre fumbled and Orange's Frank Bell recovered. The Orange offense was unable to move through on fourth and 29, they kicked.

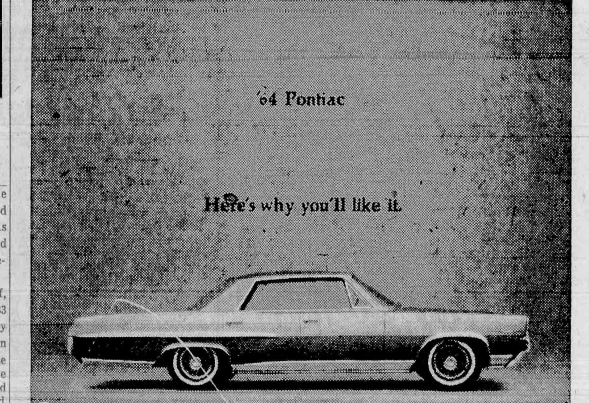

Frank Raimo ran it back but dual penalties called it back again and Belleville gained possession on the 47. On the first play, Greco raced 50 yards down field to the three yard line.

## The Belleville Times

The Belleville Times-News, Thursday, Dec. 5, 1963—7

**OUT-OF MY WAY:** Orange's Bob Armstrong (18) eluded Belleville would-be tackler in second quarter last Thursday. Unidentified Bellboy defender was unable to come up with tackle and Armstrong romped for 14 yards.

**Here's why you'll like it.**

Wide-Track, for instance. Wide-Track is what does away with tilting your way around turns. Pontiac's smoother, quieter ride is another thing you might point out. A big 389-cubic-inch Trophy V-8 is standard in each and every Pontiac. You get to choose from 34 engine/transmission teams to harness all that power. (Happy choosing!)

Now then—on to more of the things that make the '64 Pontiac so thoroughly likeable. Frankly, we couldn't think of anything radical to do with this car. Oh, we made the styling even more stylish, as you can plainly see. We lavished even more care on the interiors. We even improved the light bulbs. But as for more vital things, why change? Improve, refine, sharpen—yes. Change—no. And you can tell that to your friends.

**CYO Basketball Opens With 67 Teams In Action**

Sixty-seven basketball teams playing in nine Essex County CYO leagues moved into action last weekend. The leagues are divided into three age brackets: grammar, junior, and intermediate.

There are three leagues in each division. The division winners will play-off for the right to represent Essex County in the Archdiocesan finals in March. St. Peter's, Holy Family, St. Mary's and St. Anthony's all have teams entered in the various leagues. St. Mary's CYO is hosting the grammar boys A League on Saturdays at noon.

# Sophomore Bellboys Trim Passaic, End Season, 3-3

By STEVE CHAREN

Belleville's Sophomore Griders finished their season last Tuesday by trouncing Passaic 26-6.

**RECOVER FUMBLE**

Belleville won the toss and elected to receive. Ken Nakashian returned the kick to the Belleville 42-yard line. Charlie Reed went 15 yards for a first down before Richie Del Russo fumbled near the 50, with Passaic recovering.

A strong Belleville defense held and Belleville took over on downs on their own 40, quarterback Frank Mineo went around end to the Passaic 45 and a first down. With fourth down and three, Charlie Godeski went up the middle and all the way to paydirt. The kick was good making the score 7-0.

Passaic received on their own 53 as the first-quarter ended. The quarterback rolled out and ran 65 yards to paydirt. A run for the point failed, making the score 7-6.

Belleville received on its own 45. Del Russo went around end to the Passaic 40 for a first down. A penalty called back a 15 yard run by Reed, helping the Passaic defense to hold. Passaic took over on downs on their own 40.

Two plays later, a Passaic fumble rolled down to the Passaic 10 yard line before Passaic recovered. Passaic kicked out to the 30. On the first play, Nakashian went around end for 15 yards, and a personal foul moved the ball up to the ninth. On fourth down, Nakashian went around end four yards for the T.D. The kick missed, Belleville leading 13-6.

**T.D. PASS**

Passaic received with four quarterback Mineo was called back by a 15-yard penalty. After Del Russo went around end for

minutes left in the half, and returned to their own 40. A fumble was recovered by Belleville on the Passaic 30. A 25-yard run by 20 yards, Nakashian went for eight, and a first down on the 18.

Mineo then rolled out and hit end Russ Mattson in the end zone. The kick failed as the half ended. The Bellboys leading 19-6.

Belleville kicked off to start the second half. The kick went through the end zone and was brought out to the 20. A penalty gave Passaic a first down on the 35.

On fourth down, a quarterback rollout-run was good for a first down. The Belleville defense then held, and they took over on downs, near the 50. Nakashian went around end for 15 yards and a first down, as the third quarter ended. Del Russo then went up the middle 35 yards to paydirt. The kick was good, making it 26-6.

Passaic returned the kick to their 40. A quarterback rollout was good for 20 yards. With four minutes left, the quarterback again went around end for a first down on the Belleville 30. The Belleville defense then tightened, and took over on downs. On a third down and one situation, Reed went 10 yards for a first down as the game ended.

The Sophomores finished their season with a 3-3 record, showing much improvement in their last two games. Coach John Jacome cites a 100 per cent improvement since the beginning of practice. The Sophomores won their first game, 13-2, over a strong Bloomfield team.

They dropped two to Nutley 14-7 and 20-7. A game with Kearny was canceled. Columbia defeated them, 24-0. They finished strong, by winning their last two games by 19 and 20 points, respectively. Blanking Irvington 19-0, and trouncing Passaic 26-6.

Coach John Jacome and his sophomore team deserve a lot of credit for making the .500 mark.

## Circle Bar Gains Lead In Pin Loop

Led by Mary Coviello's clean and high game of 185, Joseph's Studios took three games from Nan's Beauty Salon to slip into second place.

Circle Bar took three games from the former league leader Valley Fuel Co. to take first place. Zig Zag took two games from Mademoiselle Hair Fashions while Reinauer Fuel Co. took two games from Getaway Tavern.

# Devons, Varsity Club Cop Respective Grid Titles

In the Recreation Heavyweight Football League the Devons Electric team finished with 5 wins and a loss. Jolly Cleaners, this year's runner-up, bowed only to the Devons in the final game of the season, 13-0. This game was no push over for the Devons. It was a game where every yard was won with a battle. Devons scored first in the early stages of the game on a 40-yard end run. The extra point was missed when a line plunge was stopped cold by Jolly.

Jolly tightened up its defense and held Devons to 6-0 score for the remainder of the first half. Late in the second half, Devons scored its second touchdown on another 35-yard end sweep. It added the pat on a line back to boost the score to 13-0. Jolly missed late in the game but Devons held on to become the 1963 heavyweight champion.

The Varsity Club in the lightweight league closed out its season undefeated with 7-0 win over the Elks. In the final minutes of play, an inspired Elks Club drove to the Varsity five-yard line. But Varsity was not to be denied its undefeated season. It tightened its defense and held the Elks addition some 3,700 students are

## Three Students Attend Bridgeport

BRIDGEPORT, Conn. — Three Belleville students are among the record enrollment of 3,350 full-time students at the University of Bridgeport from 35 states and 27 foreign countries is reported by President Henry W. Littlefield for the 1963-4 academic year. In addition some 3,700 students are

# CITIZEN SIBLEY.

"PSST! TRY THE STATUE OF LIBERTY PLAY."

enrolled on a part-time basis in Evening Division classes. Area students enrolled on a full-time basis include: Michael D. Chieffo, 544 Jorammon street; Mikel Z. Kaplan, 58 Van Ruyper place; and Joseph A. Petrillo, 181 Jorammon street.

# Zinicola's Bakers Retain Lead in Business League

Zinicola Bakers retained their Orechio Agency lead in the Cardinal Businessmen's Bowling League last week by beating Cedar Hill Oil, two games to one.

All action in the loop ended with two to one decisions. Orechio Agency took over second place by winning their match from Rose Hardware. Jerry Nasso had a 595 for Orechio while Tom D'Alessandro had a 609 for Rose Hardware.

Binky's Tavern lost two games to Tony's Pizzeria to fall to third place. Al Anderson had a 599 for the Pizzeria.

In the remaining matches Vester Trophies bested National Appliances and Circle Bar took the measure of Al's Market. Don Riley had a 606 for the Appliance team.

# Fidelity Sets Open House At Renovated Town Office

To celebrate completion of a long renovation of its bank building, the Belleville office of Fidelity Union Trust Company is having open house for customers and residents of the area. Frank J. McFadden, vice president and manager, has invited the public to inspect the modernized banking office from 9 a.m. to 5:30 p.m. today and Friday. The office, at Washington and Belleville Avenues, was built in 1906 and the interior was rede-

signed in 1928. Remodeling of the office's interior replaces the dark, cluttered banking area of 1928 with one that is open, light, airy, and appropriate for the 1960s. A major feature of the newly decorated Fidelity office is a photograph, measuring 5 feet by 8 feet, based on a painting of Belleville in the 1890s. During the open house, the original painting will be displayed through the courtesy of William and Lloyd Goodrich.

# Girl Scouts Aim at Less-Chance Girls

Plans for actively extending Girl Scouting among "less-chance" girls in the economically deprived areas of Newark and Belleville were announced recently by the Girl Scout Council of Greater Essex County. The announcement marked the completion of the hiring and assigning of a team of specialists in the fields of human relations and counseling. The project they will be working on has been named the "Expanding Horizons Project."

Three of the team members have master's degrees; two are Negro, one is Puerto Rican. Their experience includes work in the lower East Side of New York, in Harlem and East Harlem, in public housing projects in the Bronx, whose family has owned it for a number of years. Souvenirs to be distributed during the open house include balloons for the children and memo pads for their parents and other adults.

and with Girl Scouts in Puerto Rico.

The new staff members are Miss Jannie Clanton, Miss Jane Galvin and Miss Janice Goodman. They will be supervised by Miss Hilta Hidalgo, who has been working with Girl Scouts in Newark for four years. Last year Miss Hidalgo conducted the experimental "Newark Project" designed to prove that leadership for Girl Scout troops could be found among adults in deprived areas and troops organized and maintained there. On the basis of the success of last year's work the new staff has been hired to continue and expand the work Miss Hidalgo started.

At present only nine per cent of girls of Scout age (seven through 17 years) in Newark are Girl Scouts, contrasted with more than 50 per cent in many communities throughout Essex County.

More than half of the girls living in Newark who are Scout

Mrs. Leonard J. Cowan (L), 39 Dawson St., Belleville, ten-year veteran in Girl Scouting, checks the location of troops on a map of Belleville with District Adviser, Janice Goodman. Their problem is how to attract older girls—from 12-

17 into Scouting, and how to recruit leadership. Mrs. Cowan is the leader of Brownie Troop #964, the neighborhood chairman, and is acting as troop organizer.

age are Negro; there are also Puerto Ricans, and others newly arrived from Europe.

According to a report of the Council of Social Agencies, almost ten times as much money is spent on programs for boys in Newark as is spent for girls, although there are 413 more girls than boys in the age group, seven to 17, living there.

"There is special need for character building activities for girls in Newark," the report further stated.

The intensified effort to extend the Girl Scout program to more girls will also reach out to Belleville with its growing problems of the urban center. Although its make-up is different than Newark, problems of the large city spill over onto this bordering community and it is now included with Newark in the work of major social agencies.

The kind of intensive professional and volunteer service now being provided in Newark and Belleville to make it possible for troops to be formed and maintained, may eventually be considered for the Oranges and portions of Montclair in order to achieve the goal stated in the Preamble of the Girl Scout Constitution—

"The Girl Scout movement shall ever be open to all girls and adults who accept the Girl Scout Promise and Laws."

The Girl Scout objective, nationally, is "to reach a cross section of girl population . . . spreading into all groups in all parts of the United States . . . growth in spread and depth."

"We cannot expect to serve a cross section of our population if

we wait for girls to seek us out," declared Mrs. Charles U. Culmer, retiring president of Girl Scouts of the U.S.A. at its 39th National Council Meeting, held in Miami Beach last month.

Mrs. Richard Minihan of Cedar Grove, president of the Greater Essex County Council, says that the Council recognizes its responsibility to offer Scouting to all girls within the Council's jurisdiction.

The Girl Scout program explains Mrs. Minihan, represents opportunities for training in citizenship, the development of skills and abilities, the living of an ethical promise and laws; the chance to "belong," to meet Scouts from different communities, to benefit from the outdoor program and camping facilities of the Council.
