

Release Grand Jury Presentment Against School Board

A confidential memorandum, prepared and circulated by Dr. Frank M. Durkee, superintendent of Schools, to members of the Board of Education and use of school facilities in connection with printing circulars for the proposed new high school were slipped in a Grand Jury presentment released Friday.

The presentment, dated October 22, 1962, was made public by Superior Court Judge Alexander P. Waugh, on a motion by Essex County Prosecutor Brendan T. Byrne.

The presentment was impounded pending disposition of indictments against current and past members of the Board of Education. All indictments were dismissed last week in Superior Court.

The presentment follows:

TO THE HONORABLE ALEXANDER P. WAUGH, ASSIGNMENT JUDGE OF THE SUPERIOR COURT OF NEW JERSEY, IN THE COUNTY OF ESSEX:

During its term of service this Grand Jury has had under consideration the actions of the Belleville Board of Education and certain Belleville school officials, especially regarding a proposed new high school building.

Certain indictments have been returned. This presentment deals with other aspects of our investigation. It deals with practices not indictable but which we think should be called to the attention of the public and proper authorities.

1. We have noted with some disquiet certain assumptions of power by the Superintendent of Schools evidenced in this case by:

(a) A confidential memorandum which was prepared and circulated by the Superintendent of Schools to the members of the Board of Education.

(b) Use of school facilities in connection with printing circulars for the proposed new high school. These same facilities were not made available to those citizens who opposed the building of the proposed new high school. Further in connection with the printing of the circulars, the principal of the high school was barred from the print shop in his very own school at the order of the Superintendent of Schools.

2. Minutes of the Board meetings reflect only those resolutions and communications which are deemed important and/or favorable to their program. Additionally, the incompleteness of the minutes prohibits continuity of information. It is apparent that a succeeding member of the Board of Education may be unable to follow what was done in the past, as a result of this method of recording information now in effect in Belleville.

This Grand Jury has not had an opportunity to call educational authorities such as the State Commissioner of Education or County Superintendent of Education but we believe there may be a widespread misunderstanding of some policies. We therefore recommend the following:

(1) That the State Commissioner of Education for the State of New Jersey prepare and issue instructions setting forth the duties and responsibilities of members of the Board of Education and issue some to respective Boards of Education throughout the State and if same has already been done, then we recommend the State Commissioner to reissue said instruction annually.

(2) If it is true as we believe it to be, that policy is fixed by the State Authorities and local Boards of Education, then the instructions to local Boards of Education should make it crystal clear and delineate the respective duties and responsibilities of the Board of Education, and the Superintendent of Schools setting forth therein that the Board of Education is the responsible policy making body and the Superintendent of Schools is an administrator of that policy and inherently an educator.

(3) All Boards of Education be required by legislation to keep and record complete minutes of all public and executive meetings wherein sessions are held, setting forth in detail all communications received by the Board, and of questions raised at public meetings by citizens.

(4) While we recognize under the law the right of a Board of Education to conserve its own vital interests in the matter of a building program, we do not believe school administrators and facilities not available to the opposition should be used.

While the facts adduced by the testimony presented to this Grand Jury in connection with the aforementioned falls short of that required by law to sustain an indictment against individuals in the Town of Belleville school system, the Grand Jury is convinced of the necessity for this presentment and requests copies of this Presentment be sent to:

The Governor of the State of New Jersey, Attorney General of the State of New Jersey, President of the Senate, Speaker of the Assembly, State Commissioner of Education, State Board of Education, State Senator of Essex County, Assembly delegation of Essex County, County Superintendent of Schools, Essex County, State and local Parent-Teachers Association.

Nutley Sun Calendar Will Have Choice Of Covers

The residents of Nutley were quick to respond to the announcement last week that the Nutley Sun will shortly make available a 1964 calendar featuring views of Nutley, our home town. Orders and inquiries started coming in almost as soon as last week's issue was out.

A choice of two covers will be available. One will feature a

brand new aerial view of Nutley, the other will memorialize with a portrait of our late President John F. Kennedy. Limited printings with each type of cover will be made, so it would be wise to make an early reservation. They will undoubtedly become collectors items in the course of time.

Naming Sites for Kennedy Meets Mounting Opposition

Opposition of renaming public landmarks in the Town of Belleville in honor of the late President John F. Kennedy is mounting.

Allan H. Crisp, president of the Belleville Historical Society, objected last week in a letter to town officials to a proposal that

Truck Rams Apartment

A youth's joyride with a stolen truck ended Sunday night when he drove it through the wall of a garden apartment building in Belleville.

The youth, 15, was captured by an unidentified passerby as he attempted to flee from the scene at 33 Brighton Avenue. A companion escaped on foot, but was picked up later by police. Both youths face juvenile charges.

The truck was headed along Brighton Avenue, according to police, when the driver lost control and it mounted a curb and crashed into the first floor apartment of Mr. and Mrs. Nicholas Sens. The couple was not home at the time of the crash.

Police said the truck was stolen from James R. Constantino while parked in front of his home at 41 Watching Avenue. They said the truck was driven from the scene of the crash but damage to the building and apartment was considerable.

The establishment of The Belleville Times-News John F. Kennedy Memorial Scholarship was announced this week by Frank A. Orchio, publisher of The Times-News. The honor award, in the amount of \$100, will be presented annually, with the cooperation of school authorities, to the Belleville High School senior having the highest cumulative grade average in History, English and foreign languages.

The Nutley Sun, The Times-News's sister newspaper, will present a similar award annually to a Nutley High School senior.

"Since the tragic death of President Kennedy on one of the blackest Fridays in the history of the world, November 22, 1963," Mr. Orchio said yesterday in announcing the award, "there has been a spontaneous desire on the part of cities, towns and individuals the country over to pay a lasting tribute to this modern-day martyr."

"Elaborate plans are already underway to erect monuments and statues, re-name towns, streets and bridges to honor the memory of the late President Kennedy."

"We at The Times-News," Mr. Orchio said, "wanted in our own small way, to pay homage to the man in a tangible manner that would have pleased him. And so we chose to pay our tribute to him by perpetuating his memory in the minds and hearts of our youth."

"In establishing The Belleville Times-News John F. Kennedy Memorial Scholarship, we purposely did not choose to honor annually a student who excels in the Sciences, but rather one whose interests center about the 'humanities,' academically speaking — history, English and foreign languages — subjects in which John F. Kennedy had such a keen interest, as reflected in his writings, his speeches that will live through the ages, his love for culture, the arts and political science."

Dr. Frank M. Durkee, Belleville Superintendent of Schools, when advised of the establishment of the honor award, said, "I wish to express my congratulations to The Belleville Times-News for its very appropriate plan for an annual John F. Kennedy Memorial Scholarship award to a Belleville High School senior for the highest average in History, English and foreign languages."

"President Kennedy was a master of language, a student and maker of history and a great believer in youth. This is truly a fitting memorial to our late President."

Joramelon Street be renamed Kennedy Boulevard.

A suggestion to name the new high school, currently under construction, after the late president also ran into opposition from members of the Board of Education.

Board Member Richard Drake has announced plans to name the school after Evan H. Thomas, a school superintendent who died in office in 1961.

Crisp noted that: "Joramelon is a revered name in Belleville. Lt. Capt. James Joramelon, Capt. Henry Joramelon and Helmholtz Joramelon lie buried with other Revolutionary War heroes in our Reformed Church cemetery. Later, when the Passaic River was in its glory, the Joramelons were leading citizens, building many fine boats in their yard near the foot of Joramelon Street — Barracks Lane — as well as canal boats for the Morris Canal in later years."

"John F. Kennedy, among his accomplishments, was a historian of note, and I am sure that he and Mrs. Kennedy would not approve of the destruction of the remaining remembrance of one of our Revolutionary War families in spite of the worthy motive which prompts it."

Town Plans Action Against Developer of Rutan Estates

Legal action against the developer of Rutan Estates is being investigated by Town Attorney Thomas D'Avella, Town Manager John R. Burnett reported Monday night to the Town Council.

Burnett said an agreement had been reached with the developers and their bonding company in September that certain required work would be undertaken by October 1.

"Unfortunately the developing corporation has failed to keep its agreement, and it is therefore necessary for the Town to institute legal action to compel specific performance," said Burnett.

D'Avella said he would approach the bonding company of officials and seek a settlement. If no settlement is reached he would ask for a complete report from the Town Engineers and would start a legal action against the developers and the bonding company.

The Town is still seeking final plot and profile drawings of utilities in the second section of the development and the setting of survey monuments.

Right to Rule on Recall Reason Seen by Judge

Superior Court Judge Alexander Waugh Tuesday morning made it clear that he would rule on whether or not there is sufficient cause or reason for the recall of Mayor Robert M. Laterza and Councilman G. George Addonizio and Vincent T. Strumolo.

Judge Waugh's statement that he would rule on cause and reason was made after several days because of the number of actions being heard and the thin line of fraud which runs throughout several of the charges which must be determined.

No matter what decision Judge Waugh hands down, an appeal to the next higher court is expected as the action is setting legal precedent in the State.

Court was adjourned at 4 p.m. Tuesday until Monday morning at 10 a.m. No decision was handed down on any action.

son was about the only definite ruling made in the complex legal actions revolving around the recall of the three town officials, which was in its second day of hearings Tuesday.

Attorney Emil M. Wuster of Hackensack, representing Robert Westpy and the For Recall Committee in a civil action aimed at forcing Town Clerk John R. Burnett into calling a date for a recall election, challenged Judge Waugh's right to rule on cause and reason for recall. He claimed that it was not up to the judge or court to determine cause or reason.

Judge Waugh said he did not have the right to determine the truth or falsities of the cause or reasons but he did have the right to determine if the petitions were in order and to be in order he must determine whether or not there is a cause or reason.

The Judge is hearing arguments on three separate civil actions. The one filed by the For Recall Committee, another filed by Councilman Addonizio and a third entered jointly by Mayor Laterza and Councilman Strumolo.

Mayor Laterza's attorney moved early Tuesday for the dismissal of the action.

Present plans call for 10 two-story, brick veneer buildings containing a total of 206 apartments. The project would also include off-street parking and a swimming pool.

Land Lease Ordinance Dropped

The Town Council Monday night ordered Town Manager John R. Burnett to prepare a new ordinance for the purchase of three new fire engines and submit it at the next Council meeting for approval.

The Council's action was a victory for Fire Chief Carl Hundertpfund who maintained over the last six months that three new engines were required to provide first — rate fire protection for the Town. Councilmen James R. Golden and Nuncio Pico were not convinced until mechanical experts of their own choosing checked the equipment. Last week the councilmen's experts checked the gear and agreed with Chief Hundertpfund that new engines were required.

In other action the Council allowed to die an ordinance tabled at the last meeting pertaining to the leasing of lands owned by the Town, commonly known as 51-53 Valley Street, after objection to the lease was voiced by Councilman Golden. Golden favors the sale of the property outright.

The land is desired, either by lease or purchase, by the Love Engineering Company of Belleville as a site for a new warehouse — type of building.

The Council also agreed, on motion of Councilman Pico, to meet at some mutually suitable date with the Superintendent of Recreation Robert E. Cook, the Board of Education, the Superintendent of Schools and the Board's business manager for the purpose of resolving the problem of the use of school facilities and the municipal stadium grounds.

The proposed lease of the property on Valley Street drew a lengthy debate among the Council members after Town Manager Burnett submitted a three-page report with the recommendation that the land be leased for 25 years with a 10-year renewal option.

Burnett's recommendations were: "It is my considered opinion that the leasehold arrangement, as proposed, would be greater (Continued On Page 2)

Apartment Plan Stalled

The Board of Adjustment reset a hearing on the Million-dollar garden apartment proposal until January 21 at its meeting December 3.

A variance is being sought by the Clifton Realty firm of Krugman and De Petro for an eight-acre tract located off Fairway Avenue.

The Board agreed to the delay on the request of Bloomfield attorney Carl Sier, counsel to the Rutan Estates Homeowners Association, which is protesting the development. The Fairway Civic Association, composed of homeowners residing in the vicinity of the site, has also protested against the project.

Present plans call for 10 two-story, brick veneer buildings containing a total of 206 apartments. The project would also include off-street parking and a swimming pool.

Jaycee Head Visits Newark With Barrel

David E. Haight, Jr., of 292 Union Avenue, Belleville, President of the Belleville Jaycees, visited the Newark Junior Chamber of Commerce November 26 to "roll over the Belleville Jaycee's barrel" in conjunction with the sixth annual "Roll The Barrel" program sponsored by P. Ballantine & Sons, Newark.

The Newark Jaycees pitched their contributions into the Belleville chamber's barrel as part of a "barrel exchange program" held all over the State. The program is designed to facilitate the exchange of ideas and fellowship among Jaycee chapters around the State.

Points are allocated for various conditions which each chapter must meet in the "Roll The Barrel" exchange.

benefit to the Town of Belleville, both as to the financial return and the certainty that the land could be used only as stipulated in the lease.

"Almost as important is the fact that at the end of the 20 or 30 years period, the land would be returned to Belleville for public use, as required."

"Should there be a need for the Town to acquire the land for some such purpose as a proposed Civic Center, then the condemnation cost of acquiring the leasehold rights of the lessor would certainly be less than the amount demanded for the land and structure owned outright by an individual or corporation."

Despite the manager's recommendation, Councilman Golden voiced long, loud objections to the lease arrangements and fought for the sale of the site to the highest bidder at public auction.

When Mayor Robert M. Laterza asked for the motion to be voted on, a member of the Council offered the motion and the ordinance was passed.

The red-hot, name-calling debate on the fire engines was ignited when Councilman Golden took the floor and admitted that Fire Chief Underhill was correct in his statement that three new engines — two pumpers and an aerial ladder — were needed by the town.

Golden commended the Chief on his stand and on his cooperation with the testing and examining experts brought in to check his statements by doubtful councilmen.

"Now that I am convinced that you were right," said Golden, "I'm for getting the best equipment available."

He suggested the purchase of 1,000-gallon pumpers instead of the 750-gallon pumpers requested by the chief, and a 100-foot aerial ladder instead of the 85-foot aerial asked in the previous ordinance.

After Town Manager Burnett reported that Councilman Plo's committee would work as an advisory committee to the manager on the writing of specifications for the new fire equipment, Golden fired the bomb.

He insisted that all equipment be purchased on open bidding that allowed all fire equipment manufacturers to bid on the new trucks.

When this was agreed to, Golden gave a lengthy talk on the specifications and demanded that the specifications be written in to the ordinance as four votes would then be required to change them. He said unless they were in the ordinance a three - two vote could change the specifications, hinting that this would allow rigged specifications to be substituted after the ordinance had been passed.

Mayor Laterza exploded with a bang of the gavel. He charged that Golden had already delayed the purchase of the needed fire trucks for three months and

charged Golden with having a twisted mind.

Councilman G. George Addonizio entered the battle, also rapping Golden as being twisted mentally. Both said they had enough of the hints of crooked, illegal business always brought up by Golden and challenged Golden to vote down the purchase of equipment when new ordinance was introduced.

The Mayor then ordered Burnett to prepare a new ordinance for the purchase of the equipment without specifications in the ordinance and to submit it to the council at its next meeting.

Four Residents Feted at Dinner

Four Belleville residents, Miss Constance Di Bilio of 136 Delevan Avenue, a 15 - year employee, and Mrs. Christine Campbell of 7 Hoover Avenue, Samuel Graziano of 70 Chestnut Street, and Henry McKnight of 126 Birchwood Drive, 10 - year employees, all employed by the Hospital Service Plan, were among 95 members of the staffs of Hospital Service Plan of New Jersey and Medical - Surgical Plan of New Jersey honored at the Plans' ninth annual Service Recognition dinner on Thursday, December 5 in the Military Park Hotel, Newark.

Service pins and buttons were presented to the employees by Duane E. Minard, Jr., president of Blue Cross and Dr. Nicholas F. Alfano, president of Blue Shield. James C. Collins of East Orange served as master of ceremonies.

Six Alarms Answered By Firemen

Town firemen answered six alarms during the week of November 29 to December 5.

The first call came on November 29 from 19 William St., owned by Michael Cafone and occupied by various tenants. The alarm was caused by fumigation of the premises. Firemen evacuated the tenants and cleared the apartments of fumes.

Artificial leather in the process of manufacturing ignited on November 30 at 5:23 p.m. when an embossing machine became overheated. A roll of leather was burned and a section of the roof of the one-story factory was damaged by the fire. The roof blaze was confined to a small area.

At 6:20 p.m. on December 1 an automobile owned by Ed Skwirul of 207 Forest St., was damaged by a blaze caused by an overheated engine.

The department was called upon to furnish temporary water supply on December 4 at 11:39 a.m. to Walter Kidde Company, 615 Main St., during a break in the regular water main.

At 11:45 a.m. on December 5 a town garbage truck had a fire in the contents of its load of refuse extinguished on Franklin Avenue.

At 4:18 p.m. on the same day the department was called to School 4 on Magnolia Street by an unknown person who reported flame and smoke on the school roof. Firemen found no fire but an excessive amount of smoke and flame coming from the incinerator.

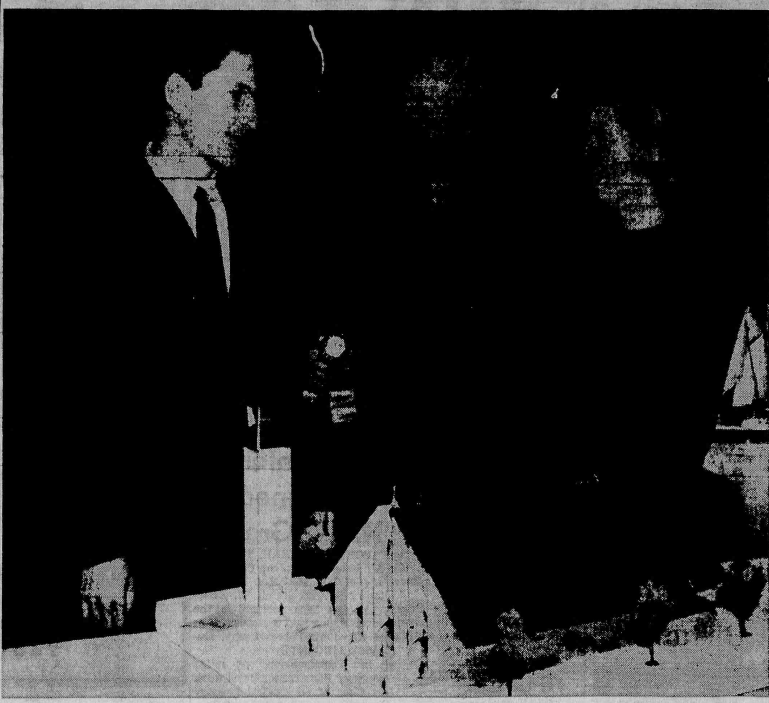

3rd-Graders Stage Play

The third graders of School 7, under the direction of Mrs. Paell and Mrs. Southard, presented a Christmas program for the P.T.A. on December 5.

Mrs. Parr, and the third-grade chorus, opened the program with a selection of Christmas carols.

The children then presented a play entitled "Santa's New Helpers." The play takes place in Mother Goose Land. Impish elves and numerous Mother Goose characters hoped to show two "real" children what Christmas Eve is like in Mother Goose Land.

The following children participated: Gary Plunkett, Eileen Hooker, Kevin Noon, William Alling, Gertrude Hoffman, Debra Tymminelli, Donna Muchler, Wayne Morris, Ello Gabrielle, Steven Mesgher, Elves: Martha Russano, Ray Barna, Siegfried Steins, Cindy Kupp, Delena Jones, Mark Canyon, Steven Bodner, George Barret, Gail Giuliano, David Knowles. Mother Goose characters: Marvin Thomson, Sandra Smith, Patricia Chatham, Marguerite Ziskowski, Janet Reed, Lily Goon, John Nest, Frank Denton, Susan Dey, Lydia Rowand, Regina Neal, Diana Begion, Marie McCrea, Eugene Richard, James Alberts, Raymond Ziskowski, Patricia Lombardo, and Linda Micchelli.

Anthony DeRogatis of 21 Nolton St., Belleville, received "Best of Show" award at annual CYO Hobby Show December 3 for his scale model of the new parish church at Holy Family, Nutley now under construction. Offering congratulations are Msgr. Henry J. Murphy, director of Jersey

City CYO Center where Hobby show was held and Mrs. Nicholas Maurilio of 16 Albany Ave., Nutley, cultural chairman of the Holy Family CYO adult advisory board. DeRogatis is a member of the Holy Family CYO.

Yule Display Contest Set

The Belleville Recreation Department will once again conduct its annual Home Christmas display contest. This event is designed to encourage the decoration of homes by Belleville's residents. Five handsome prizes will be awarded to the residents whose homes are chosen as winners.

Judging of the Contest will be in two parts. A preliminary judging will be conducted in the evening December 23. An attempt will be made by the judges to see every home that is decorated. However, those who wish to register in the Contest may do so by telephoning or writing the Recreation Office. The preliminary judges will select finalists in the various sections of town and then, on December 26 the final judging will be done.

Every year Belleville has been outstanding among the communities of the area in the beauty of its Christmas decorations. It is hoped that this year we will reach a new high in tasteful home decorations.

Belleville Boy's Model Captures Best of Show Award at CYO Fete

Anthony De Rogatis, 16, of 21 Nolton St., Belleville, won the "Best of Show" award at the annual CYO Hobby Show on December 3 at the Jersey City CYO Center, 380 Bergen Ave., Jersey City. Some 150 exhibits prepared by CYO members from throughout Bergen, Essex, Hudson and Union counties were displayed.

The award winning exhibit was a hard-carved model of the parish church at Holy Family, Nutley, now under construction. Young De Rogatis is a member of the CYO at that parish. He was awarded a plaque.

Displayed at the hobby show were collections, paintings, handicrafts, models and other projects.

Awarded blue ribbons for first place in various classifications were the following:

A. Paul Salerno, 193 Peapack Rd., Hillsdale, art; Karen Schirmer, 428 S. Broad St., Elizabeth, photography; Helene Macaulaitis, 23 W. 26th St., Bayonne, photography; Douglas Lundell, 613 Pine Ave., Saddle Brook, collections; Frank Szabo, 438 Chestnut St., Ridgefield, boys' handicrafts; Richard Booth, 246 N. United Appeal Fund Drive Hits 98 Per Cent of Goal

S. Westcott Toole, general chairman of the 1964 United Appeals campaign, announced today that the drive has raised a total of \$2,621,728 or 98 per cent of the goal. The annual campaign raises the funds to support 73 health and welfare services in the Newark, Belleville, Irvington and West Hudson area.

The drive, slated to end today, has been extended to December 18. "Because we are so close to our goal," Toole said, "several division chairmen have asked that the campaign be extended a few days. With this final all-out effort and the continued cooperation of our campaign leaders, workers, and the entire community, I am strongly optimistic that we can reach our quota."

"The citizens in our area deserve a successful campaign," Toole continued. "These many people, as interested as they have been in the United Appeals drive in past campaigns, have not seen us reach our goal in 11 years. We owe it to the thousands who expect help from our agencies," he said, "we cannot let them down."

Toole urged all campaign workers to cover all unsold cards, and to follow up on every incomplete return during the next nine days. "At this point every dollar is critical," Toole said, "each of us must do more than his share in the days ahead."

Vara Warns on Loose Garbage

Merchants and residents were issued a warning yesterday by Ralph A. Vara, superintendent of Public Works, that action would be taken if the piling of loose paper and refuse did not stop.

"We just cleaned Washington Avenue this morning," said Vara. "Look at it now. There is paper and garbage blowing all over the place."

Vara noted that prosecution of offenders would be taken in the future. "If the practice doesn't stop, we will have to enforce the town ordinance," he said.

Vara referred to the ordinance providing for the collection, removal and disposal of ashes and garbage which was adopted December 1, 1961.

In part the ordinance says: "5. All paper and dry combustible materials must be firmly secured in bundles or packages so as to make impossible their being thrown or scattered about."

"8. All persons are forbidden to interfere with, scatter, or disturb, the contents of any receptacles containing ashes, garbage, household waste, or rubbish, or any bundle of papers placed upon any street or sidewalk for collection."

"9. Any person or persons violating any of the provisions of this ordinance, shall be punishable by a fine of five dollars for each offense."

Please God, No Fires Today

For months the "terrible" group of Belleville citizens dubbed the "majority bloc" of the Town Council has been unsuccessfully attempting to provide Belleville taxpayers with basic fire protection needed to protect their homes and loved ones.

The main stumbling block to gallant efforts of dedicated Councilmen like Mayor Robert M. Laterza, Deputy Mayor George Addonizio and Councilman Vincent T. Strumolo has been the inimitable, irrepressible, publicity-seeker, Councilman James R. Golden.

Over the past three months Golden has vigorously opposed the purchase of new fire equipment. Four votes are needed to authorize the purchase of this equipment. Golden fought it all the way. In doing so Golden may have thought he was playing with politics, little realizing that he was — and still is — playing with fire.

New Jersey state experts recently tested our fire fighting equipment and discovered what the much maligned "majority bloc" Councilmen have been saying right along — the equipment is not reliable to fight fires. Golden rejected the findings of the state authorities, and with a suspicious-laden voice had the nerve at a recent public meeting to ask an honorable, able, dedicated public servant like Fire Chief Carl Hundertpfund, "I wonder if it isn't possible that you might have possibly arranged for the fire equipment to fail the tests?" The fire chief permitted the insult to go over his head.

Last week the great defender of the people's rights, the former self-styled town critic, James R. Golden, asked a local mechanic to make a personal examination of the fire trucks to determine

their efficiency. This is how Golden started off his inspection tour. Addressing the mechanic, Rocco DiGregorio, Golden with pad and pencil in hand, said, "Rocci, you call out the recommendations and I'll make notes on this pad. When you are all finished prepare a written report for me and I will use it in my discussions with the Town Council."

About ten minutes later — an ash-faced Golden heard DiGregorio say, "This is junk!" And what do you think the mechanic was talking about? The fire fighting equipment that the good-for-nothing 'Majority Bloc' of Councilmen has been trying to replace for the past four months. Incidentally, DiGregorio's observation left a dazed Golden with an unused pad of paper and pencil — and no written report from DiGregorio.

There is no doubt in my mind that Golden's obstructionist tactics respect the emergency need of new fire equipment to protect the lives of Belleville citizens in the face of test failures represents a dereliction of duty. Golden's opposition has resulted in a four-five month delay in the acquisition of new equipment. We hope God comes to our aid so that we have no tragic fires during the next four months involving loss of life. If fate should decree otherwise the blame may rest squarely upon the complacent frame of Councilman James R. Golden.

Laterza, Strumolo, and Addonizio have once again demonstrated their ability to comprehend the needs of our people and their determination to do something about satisfying those requirements. And once again Golden proves himself to be a roadblock to progress.

For our people's benefit and Golden's salvation — please God, no fires today.

School Bond Issue May Be Wrong One

Well, the Belleville taxpayers are being cultivated again by the school board. Seems as though there was some mis-calculation on the new high school costs.

We are told an additional \$200,000 is required to complete the new school. Frankly we do not believe it. We think the amount of money needed to complete the construction of the new school and equip it as it should be is much greater than the \$200,000 taxpayers are being asked to fork up.

We are being told the additional money is required because of unanticipated expenditures for removal of organic soil and deeper piling. It seems to us \$200,000 should pay for an awful mess of soil removal and pilings. And while we are on the subject of making the foundations firmer, would not now be the time to think about abandoning the proposed conversion of the present high school for junior school purposes and build a high school large enough to accommodate a four year high school?

We believe this possibility should be thoroughly explored before the taxpayers are asked to vote on further appropriations for the new high school.

It is our belief a straight four year high school may be economically beneficial to our taxpayers without detracting from the effectiveness of our school system.

We would prefer the February school ballot contain a referendum asking the voters' opinion on the question of eliminating the proposed junior high school proposal.

In future issues of The Times-News we will develop the reasons why we believe the proposed new Junior High School is an unnecessary expense for Belleville taxpayers. And authorizing the school board to spend an additional \$200,000 to complete the school now under construction will in no wise eliminate the tremendous burden required to maintain an extra school.

The Man In The Middle

Town Manager John R. Burnett, who has leaned over backwards, in an attempt to keep out of the local political circus, finds himself squarely in the middle of the recall question.

Today he is the man who can satisfy no one, and as a result he is facing two civil actions in Essex County Superior Court.

In one case he is charged with failing to schedule a recall election by the For Recall Committee, which believes its petitions were sufficient for the setting of a date for the election.

On the other hand he is facing action by Deputy Mayor G. George Addonizio for even considering the recall petitions. Addonizio claims he should have thrown the petitions out due to lack of sufficient cause.

No matter which way the court rules next week, someone is going to feel that Burnett was wrong. He must walk into court knowing that he can only lose, no matter what the verdict.

Burnett is a professional town man-

ager. His actions are governed by the laws of the state and the ordinances of the town. When he encounters a situation that is not covered in the books he is quick to seek legal counsel from Town Attorney Thomas C. D'Avella.

We can not fault either side in seeking a legal ruling on what they believe are the true facts in the recall matter. However, we do hope that once the courts have issued their final ruling on the matter both sides accept it with no ill feelings toward the Town Manager.

Manager Burnett has proven to be a man of vision and a responsible town official. He has a tough enough job in directing the official government of Belleville through the maze of petty political differences that hamper the Town without any more roadblocks erected in front of him.

We believe Manager Burnett has shown his capabilities and interest in our town. With the help of all parties we believe he can and will lead Belleville forward.

The Coming Of Winter

"Winter, this time of snow and storm, drives all within; So ponder now, before your fire, man's hope and then man's sin."

The words are those of an all but forgotten 18th century Scots poet, Jamie Ful-

erton. They bring a picture of the traditional winter that drives man and beast to shelter. They present, too, a thought and a suggestion that are of timeless value.

URGES NEW SCHOOL KENNEDY MEMORIAL

To the Editor, Times-News: In the aftermath of the terrible tragedy of the assassination of our late and great President, one thing stands out very clearly: this man was a true friend of education and culture. One needs only to re-read some of his speeches, re-examine some of his legislation on behalf of education, to be assured of this.

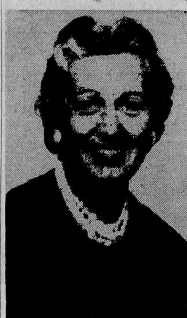

Therefore, I respectfully suggest that the Town of Belleville honor the late President, and in effect honor the town, by naming a new high school, "The John F. Kennedy High School."

Very truly yours,
MR. & MRS. PETER NERI

Obituaries

MRS. ALEXANDER LUGANO

A Solemn High Mass of Requiem was offered for Mrs. Adelina Jannarone Lugano of 291 Holmes Street, Belleville, Monday morning, December 9, in Holy Family R.C. Church, Nutley. Mrs. Lugano, who was 85, died Thursday, December 5, at Cara Mass Memorial Hospital, Belleville, after a short illness.

A lifelong resident of Belleville, she was the wife of Alexander Lugano, a partner in Lugano Bros., contractors, of Belleville. Mrs. Lugano leaves also two sisters, Mrs. Sue Trignano of Belleville and Mrs. Alex (Josephine) Rocco of Bloomfield, and three brothers, Frank and Philip Jannarone of Belleville, and Alfred of Bloomfield.

The Samuel W. Brown & Son Funeral Home, 27 Centre Street, Nutley, was in charge of funeral arrangements.

WILLIAM F. CONNOLLY

William F. Connolly of 78 Carmar Ave., Belleville, a town worker, departed for his eternal rest November 30, died November 25 at his home of a heart attack. He was 74 years old. Mrs. Connolly, a lifelong Belleville resident, was employed as a laborer in the town's Public Works Department for more than 37 years. In 1931 he received a broken pelvis and hip when the side of a ditch in which he was working caved in. He recovered with an impediment in his normal gait.

He leaves two sons, William T. of Newark and Arthur H. of Belleville; four grandchildren and a great-granddaughter. His wife, Mrs. Jeannette Shell Connolly died 10 years ago.

The funeral was held from the Kiernan Funeral Home, 101 Union Avenue, Belleville, with a Mass at St. Peter's Church.

MICHEL ANGELO SALEMI

Michel Angelo Salemi of 75 Baldwin Place, Belleville, died December 4 in St. Michael's Hospital of a brief illness. He was 65.

Mr. Salemi was born in Sicily and came to this country about 50 years ago, settling in Newark. He lived in Belleville for the past two years.

He retired in 1950 after many years as a chemical worker for E.I. duPont de Nemours and Co. He leaves his wife, Mrs. Rose Tricelli Salemi; a son, Rev. Thomas Salemi of St. Joseph's Church, Roselle; two daughters, Mrs. Antoinette Vitale and Mrs. Sylvia Vitale, both of Belleville, and four grandchildren.

The funeral was held Saturday from Megaro Memorial Home, with a Mass in St. Lucy's Church at 10 a.m.

hands of a sniper's bullet. The rifle purchased from a mail orderhouse in Chicago for \$12.78, Garfield, McKinley and Lincoln have suffered the same fate.

This sad tragedy has united the people of both parties to carry out the works of its late leader of hope and peace in the world. His untimely death is a shocking disgrace to the people of all nations.

His assassination has come at a time when progress was being made in the world to ban nuclear war, his greatest achievement was the blockade of ships to Cuba which forced Mr. Khrushchev to back down, and the removal of all missiles from the island.

Because of the stand he has taken on Civil Rights that all men should be created equal, started 100 years ago by Abraham Lincoln, he will go down in history in my opinion as the fourth greatest President of the United States who gave his life to save the world from destruction.

May God protect future Presidents of repetitions of this drastic act, which took the life of a great man.

Sincerely yours,
ALBERT GUGLIACELLI

BECK'S COLUMN

by MAX BECK

There is a joke going around in trade circles: now we have to sell H. FI sets by the yard. This is not too far fetched either, if one looks at the monsters "created" by some manufacturers. Some of these sets are only 18" high. You have to crawl on your belly to adjust them. They perform quite well in length what they are lacking in height.

The shape and form has nothing to do with the performance of a H. FI set, as long as the requirements of sufficient size for the speaker baffles are available.

On the other hand there are the extremely compact units, which could even be hung on a wall. The record players on these sets are hinged and fold into the set when they are not in use. They perform quite well, if the requirements for tone quality are not too high. Such sets can not take the large size 12" and 15" speakers needed for top notch performance. We would not like to live in a house with flimsy walls, if such a unit is attached directly to the wall. The whole house will partake when the set is on, because the wall acts as a sounding board. So before you buy such a set and you want to hang it up, better make sure about the wall construction, if you don't want to disturb your house neighbors.

There are gradually more "solid state" (meaning transistors) sets coming on the market. They can be more compact than tube sets, since they do not develop remotely as much heat than tube units. Some of them sound very good, others don't. You have to listen and choose what sounds good to you. The use of transistors does not mean that these sets sound better, tube sets sound just as good. It depends entirely on the design, the speakers and the quality of the parts used, whether they are transistors does not matter, as far as tone quality is concerned.

THE NEW GUEST

And so in heaven has been received a new guest. As our beloved President has been unbelievably laid to rest. He who was so full of life and vigor only only that morn. For whom the entire Nation is bewitched and forlorn. A nation still waiting to awaken from a seemingly, horrible dream. For all this untrue to us does seem. He who loved us much too much. He who unselfishly gave of himself to the end with a personal touch. He who for us in prayer, his brilliant head did nod. For whose memory, each day "To bless", we ask "Dear God."

Postal Chief Urges Early Yule Mailing

Newark's Acting Postmaster, Joseph J. Benucci, said today, "Early mailing of all Christmas cards and gifts is the biggest single factor in getting all of the mail delivered before Christmas. Post Office facilities have been expanded, ample help will be available, and everything is being geared up to handle a record Christmas mail this year."

The entire Christmas mailing period is a big battle against time. Even though Christmas is a few weeks away by the calendar, it's Christmas every day at the Post Office from now on. The postmaster advises, "Don't take chances on mailing poorly wrapped packages. Use sturdy

corrugated mailing cartons, plenty of heavy wrapping paper and strong cord. Cartons containing several gift packages should be well stuffed with tissue or old newspapers to cushion the contents."

He said further, "If you have articles of unusual size or bulk, better check with the Post Office before attempting to mail them."

WEDDINGS AND ENGAGEMENTS IN SOCIAL SPOTLIGHT

Anthony DeCroce Wedded To Newark Girl In Sunday Afternoon Ceremony

MRS. ANTHONY DECROCE
Former Conchetta Cozzi

Miss Conchetta Angela Cozzi, daughter of Mr. and Mrs. Ernest Cozzi of 670 Highland Avenue, Newark, and Anthony DeCroce, son of Mr. and Mrs. Frank DeCroce of 2 Cedar Hill Avenue, Belleville, were united in marriage Sunday afternoon, December 8, in St. Anthony's R.C. Church, Belleville.

The ceremony was performed by the bride's cousin, the Rev. Anthony J. Monochio of St. Anthony's Church, and her uncle, Enrico Antonelli, sang. The reception followed in the Polynesian Room of Royal Hawaiian Palms, Lyndhurst.

Mr. Cozzi gave his daughter in marriage. Her bridal gown of satin was fashioned with scoop neckline, long sleeves and a lace applique on the bodice and a-shaped skirt. Back fullness swept into a cathedral train.

A crystal crown held her triple-tiered fingertip veil, and she carried a prayer book with orchids, carnations and lilies of the valley.

The bride's sister, Miss Mary Ann Cozzi of Newark, acted as maid of honor. She wore a full length sheath of gold brocade with an overskirt, had a matching headpiece and carried a cascade of pompadour.

Bridesmaids were another sister, Miss Angela Cozzi, Miss Mary Ann Cerreto and Miss Phyllis Frenions of Newark; Mrs. Dennis De Vita of Elizabeth and Mrs. Edward Bogus, Maplewood. They were gown in green and blue brocade.

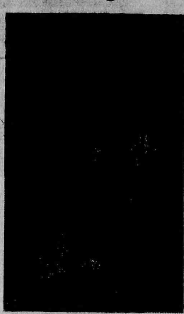

Dennis De Vita of Elizabeth served as Mr. DeCroce's best man, and ushers were Pat Pennacola, Fred Martell and Matti Janiselli of Belleville; John Battone, Newark and Ralph Scola, Camden.

The mother of the bride was gown in a floor length pink chiffon dress with gold bodice, and the bridegroom's mother chose champagne brocade in floor length. Both had accessories to match and orchid corsages.

A graduate of Barringer High School and North Jersey Secretarial School, Newark, the bride is employed at Lehn & Fink Products Corp., Bloomfield. The bridegroom was graduated from Belleville High School and is with Lehigh Warehouse & Transportation Co., Newark.

Mr. and Mrs. DeCroce will spend their honeymoon in Florida and will move to their own home, 40 Broughton Avenue, Bloomfield, before the holidays.

Engaged

MISS ESTHER COPONI

Engagement Ring For Esther Coponi

Mr. and Mrs. James Coponi of 38 Columbus Avenue, Belleville, have announced the engagement of their daughter, Miss Esther Dorothy Coponi, to Walter Krom, son of Mr. and Mrs. Walter Krom of 21 Ryle Avenue, Little Falls. The betrothal was made known Sunday, December 1, at a dinner party for family and friends at Beppy's Restaurant, Newark.

Miss Coponi was graduated from Belleville High School and attended Rutgers University College, Newark. She is a secretary with Bart Manufacturing Corp., Newark.

Her fiancé was graduated from Passaic Valley High School, Little Falls, and Passaic School of Drafting. He served in the U.S. Army, for two years in Alaska, and is presently employed as a technical illustrator with ITC Communications System, Paramus. He is a member of the Eagle Rescue Squad, Little Falls. The wedding date has been set for October 3, 1964.

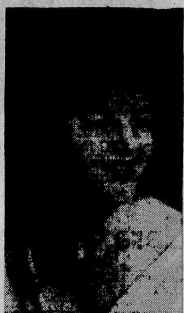

C.D.A. Christmas Party To Feature Festive Program

Entertainment, carol singing, participation games, and the exchanging of gifts will feature the annual Christmas party sponsored by the C.D.A. of St. Mary's Church, Belleville. The annual affair will be held Monday evening, December 16, at 8:30 p.m. in the Knights of Columbus Hall, Nutley.

Mrs. John E. Clayton Jr., chairman and Mrs. Harry Nickels, co-chairman, will be assisted by the following committee members: Mrs. William R. Clay, Mrs. Peter Delahunt, Mrs. Wilbur Furlong, Mrs. E. Donald Harrison, Mrs. David Liddell, Mrs. Thomas Noone, Mrs. Roger O'Connor and Mrs. Stephen Salamon.

Mrs. Fred Scott Jr. is Grand Regent and the Rt. Rev. Msgr. James J. Owens, pastor of St. Mary's Church, Nutley, is Chaplain of the Court.

Betrothed

MISS JO ANN MARS

Former Belleville Girl Is Engaged

The engagement of Miss Jo Ann Mars to Allen M. Napoleoli, son of Mr. and Mrs. Alfonso Napoleoli of 183 Overlook Avenue, Belleville, will be announced Sunday, December 15, at an open house at the home of Miss Mars' mother, Mrs. Rose Mars of 259 Broughton Avenue, Bloomfield, formerly of Belleville. The bride-elect is the daughter also of the late Neil Mars.

A graduate of Belleville High School, Miss Mars is employed by Sclerific Glass Apparatus Co., Bloomfield. Her fiancé, also an alumnus of Belleville High School, is presently studying for a Bachelor of Science degree at Rutgers University, Newark, evening classes. He is with Public Service Electric & Gas Co., Newark.

Ideal Court Plans Annual Yule Party

A Christmas party and business meeting of Ideal Court 31, Order of Amaranth will be held at the Belleville Masonic Temple, 126 Jerusalem Street, Friday evening, December 27, at 7:30 p.m.

A game night will be held at the home of Mrs. Ethel Kenyon, 75 Doherty Drive, Clifton, Tuesday evening, December 17, at 8 p.m. Co-hostesses will include Mrs. Doreen Albinson, Mrs. Ella Guerra and Mrs. Marjorie Morgan.

Suede Shoe Care

"Boot season" can be hard on suede shoes unless you give them extra special care. Specialists advise frequent brushing with a bristle brush, but too-tight bristles may break the nap. Liquid suede dressings help to restore the new look to suede. Apply only a thin, even coat and brush the suede to raise the nap when dry. A sponge rubber brush is best for this.

Ferrara-Gerrety Wedding Precedes Nuptial Mass In Ellenville, N. Y.

The marriage of Miss Patricia Ann Gerrety to Anthony A. Ferrara was solemnized Saturday morning, November 30, in a ceremony preceding an 11 o'clock Nuptial Mass in St. Mary's and St. Andrew's R.C. Church, Ellenville, N. Y. The ceremony was performed by the Rev. Walter Fagin and the church choir sang, with Mrs. Clarence Kuhlman at the organ.

The bride is the daughter of Mrs. George J. Gerrety of Kerkonkson, N. Y., and the late Mr. Gerrety; the bridegroom is the son of Anthony Ferrara of 21 Dow Street, Belleville and of Mrs. Constance Ferrara of Newark.

Given in marriage by her brother, Louis A. Gerrety, the bride was gown in a white velvet sheath with matching applique, and styled with level neckline, long sleeves and belt-shaped skirt with white satin chapel train.

A seed pearl and rhinestone crown held her elbow length veil and she carried white orchids on a prayer book.

Mrs. Arthur Bourdau of Senebecus, N. Y., the bride's sister, was matron of honor. She wore royal blue peau satin fashioned with scoop neckline, long sleeves and fitted bodice with cummerbund. The bell-shaped skirt featured a full length overskirt. She had a matching hat with bouffant veil and carried a cascade of white mums tipped in light blue.

The bridesmaids, Mrs. Edwin Smith of Kerkonkson, another sister of the bride, and Mrs. Harold Haight of Newark, were similarly attired in romance high.

Joseph Ferrara of Belleville served as his brother's best man and ushers were Harold Haight of Kearny and John Hughes of Belleville.

The mother of the bride was attired in a beige and white cascaded sheath with beige accessories and a corsage of white roses.

A graduate of Ellenville Central High School, the bride is employed in the personnel department of Bell-Pioneer Division, Bendix Corp., Teterboro. Mr. Ferrara, a graduate of Bloomfield Vocational and Technical High School, served for two years in the U. S. Army. He is associated with the Essex County Park Commission.

After reception at Weng's Restaurant, Napanoch, N. Y., the newlyweds left on a wedding trip through the Northern states. They will make their home at the Dow Street address.

Rutgers Choir To Give Annual Yule Concert

Christmas music will once again echo through the Newark Museum as the Newark Rutgers Choir of almost 100 voices presents the annual Christmas Concert for Museum members in the Court.

The concert, directed by Mr. Melvin Strauss of the Rutgers University Music Department, will take place on Sunday, December 15, at 8:15 p.m., and will be repeated for the public on December 18 at 12:30 p.m. The program includes Vivaldi's "Glory to God" and Guitier Concerto, Handel's Hark Concerto, and Benjamin Britten's "Ceremony of Carols" along with a selection of carols in foreign languages. The Hallelujah Amen from Handel's "Judas Macabaeus" will provide a spirited finale.

The Newark Museum is located at 49 Washington Street and is open daily from noon to 5:30 p.m., Wednesday and Thursday evenings from 7 to 9:30, and from 2 to 6 p.m. on Sundays and holidays, except December 25 when the Museum will be closed.

Golden Anniversary Party For The Carmine Guarinos

Mr. and Mrs. Carmine Guarino of 19 Carmar Avenue, Belleville, were guests of honor November 16 at a party given by their children and grandchildren at their home in celebration of the 50th anniversary of their wedding.

Mrs. Guarino, a lifelong resident of Belleville, is the former Florence Intindola, daughter of the late Mr. and Mrs. Salvatore Intindola. The couple was married in Holy Family R.C. Church, Nutley. They have lived in Belleville all their married lives.

HANUKAH CARNIVAL

The Belleville Chapter of the United Synagogue Youth will sponsor a Hanukkah Carnival at Congregation Ahavath Achim, 125 Academy Street, Belleville, Sunday, December 22 from one to 5 p.m. There will be games, awards, food and fun.

Over 200 Attend Auxiliary Bridge; Member Is Honored

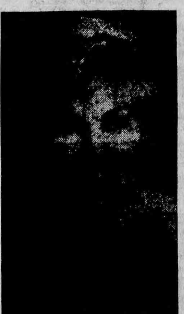

Over 200 guests attended the fifth annual dessert card party held November 14, by the Women's Auxiliary of the Italian Florentine Club at the clubhouse in Belleville. Members of the club served as hostesses, with Mrs. David Fulcoli acting as mistress of ceremonies.

A "This is Your Life" sketch was given for one of its members, Mrs. James Costabile at a recent meeting. Her sister, Mrs. Jay Sanatuoro, was mistress of ceremonies.

Appearing as guests for this special occasion were her husband, James Costabile; her two daughters, Nancy and Judy; her mother, Mrs. Mellillo; her childhood friends, Mrs. Jack Manfredi, president of the club; Mrs. John Nuckli, and Mrs. James Corino, head of the program committee.

The evening's entertainment ended with the presentation of a charm bracelet and scrapbook to the guest of honor by her daughter, Judy. The scrapbook contained many of her activities before and after joining the organization. Mrs. Costabile has been vice president, membership chairman and is presently recording secretary. Background layout was planned and supervised by Mrs. Sanatuoro.

Mrs. D. J. Love Wins Car At Annual Church Bazaar

The annual bazaar at St. golf club, Mr. Spaccavento, King Street, Belleville, Saturday evening, November 30, with the awarding of major prizes. The bazaar, was originally scheduled for Thursday, Friday and Saturday, November 21 through 23. At the death of President Kennedy Friday, November 22, the last two nights of affair were postponed until the 29th and 30th.

Despite the postponement, capacity crowds attended each evening. The top award, a two-door Thunderbird hardtop, went to Mrs. David J. Love of 373 Bloomfield Avenue, Nutley.

Other principal winners were: tape recorder, Marion Mescal, 430 Prospect Street, Nutley; bicycles, Carol Stefanelli, 64 St. Mary's Place, Nutley, and M.A. Cantalupo, 31 Tremont Avenue, Belleville; money doll, Mrs. Anne Farley, 32 Maple Place, Nutley.

Two From Belleville At Mt. St. Mary's

Robert Clark Finnegan of 172 Fairway Avenue, Belleville, has returned to Mt. St. Mary's College, Emmitsburg, Md., for his Sophomore year. Charles J. Connelly of 128 Carpenter Street is a freshman at the liberal arts college for men.

Other special activities of the month included a Co-Curricular Supper Program on December 3 and a pre-school age Holiday Workshop on the 8th.

Family Hanukkah Party At Local Congregation

The religious school of Congregation Ahavath Achim will present a family Hanukkah party on Saturday, December 14. The school children will present skits and musicals appropriate to the holiday. Refreshments will be served.

A play, "The Legend of Sleepy Hollow" was presented recently for the P.T.A. of School Eight by the eighth grade class. Hedwig Atherton played "Katrina" and Jim Bernaducci was "Ichabod Crane." The play was directed by Mrs. Naomi Ganley.

BRIDAL SHOWER

A surprise bridal shower was given for Miss Margaret Conway 279 Branch Brook Drive, on Tuesday December 3, by Mrs. Robert Sheridan, Mrs. John Grouss, and Mrs. Elmer Korn at the home of Mrs. Robert Sheridan of Church Terrace. Among the Belleville guests who attended were Mrs. Howard Malloy, Mrs. E. Ronald Donahue, Mrs. Harry Ziegler, Mrs. Allen Klein and Mrs. George Conway. Miss Conway and Thomas Sheridan will wed in February.

Glad to hear that George Conway of Branch Brook Drive is feeling much better, and home after a stay at St. Michael's Hospital, Newark.

December 21 will be a day of mixed emotions for Mrs. Carol Riordan of 29 Montgomery Place, Belleville. It will be a day of sad farewells for parents, relatives and friends, and yet a day of happy anticipation for Mrs. Riordan as she boards a plane to fly to Baumholder, Germany, to join her husband, Pte. Daniel Riordan who is stationed there with the U.S. Army.

The couple will be in Germany for approximately 15 months.

Interesting in Writing? Times-News Is Seeking Women Correspondents

The Belleville Times-News is looking for local women to augment its Neighborhood News reportorial staff. Previous writing experience is desirable, but not necessary. What is important is an ear for news. The work is pleasant, especially for a housewife who has some time on her hands and enjoys talking with her friends, neighbors and acquaintances on the telephone.

Rita Dacey, The Times-News Social Editor, would be happy to interview prospective correspondents who might be interested. She will give any budding columnists all the instructions they need. Just give her a ring at Plymouth 9-3200 and make an appointment to see her.

We are especially interested in covering social activities of residents of the Valley, Tutan Estates, the Silver Lake district, Solo and Big Tree.

Shirley Sings Tenor Role In "Creation"

Tenor George Shirley will sing the part of the angel Uriel in the Oratorio Society of New Jersey's presentation of Haydn's "The Creation", Saturday evening, December 14, at Glen Ridge High School. Mr. Shirley has appeared with the Teatro Nuovo in Milan, and with the Teatro Alla Pergola in Florence, Italy. In May and June 1964, he will appear with the Teatro Colon in Buenos Aires.

pany, Charles Nutt, vice-president of the DeWitt Savings and Loan Association, and Walter Gilby, president of DeWitt Savings and Loan Association.

Manufacturers' Association Holds 31st Dinner

About 80 persons attended the 31st annual dinner of the Belleville Manufacturers' Association in December 3 at the For-Hills Restaurant.

John Young of Federal Industries, association president, was master of ceremonies. He also presented the annual report in which he emphasized that the association was maintaining a continuing interest in the new highway was arrived at after conferences with the members of the association.

Speakers included Mayor Robert M. Laterza and Town Manager John R. Burnett. Burnett stressed the fact that Belleville's credit was among the best in New Jersey. Referring to the

fiscal integrity of Belleville, Burnett said: "Belleville has one of the soundest fiscal positions in New Jersey."

The Town Manager, former Director of Revenue for the City of Newark, invited businessmen to participate in the daily affairs of the community. He said: "Commercial interests must help themselves. Belleville's crying need is for men that will take charge of change. A community gets lost in little things. If the big men fail to step forward and assume their civic responsibilities, Belleville can go far just so long as people themselves come in and decide their part of the government."

Mr. Van Cleef of the Publications Relations staff of the World's Fair made a slide presentation of the World's Fair grounds and buildings. Van Cleef said the World's Fair will open April 22, 1964. Included in the exhibits will be 50 nations. The fair will operate over a period of two years. It will close October 18, 1964, reopen April 21, 1965 and close 180 days later.

The World's Fair will occupy 648 acres of land. Every exhibit can only utilize 60 per cent of this land for building purposes. The remaining 40 per cent must be landscaped. Van Cleef estimated that there will be 40 million visitors to the fair in 1964 and an additional 30 million in 1965. The fair will include a half billion dollars of building construction. It will take a person 124 hours to walk past the 290 pavilions which will comprise the fair.

Belleville's Town Hall was well represented at the dinner. Mayor Robert M. Laterza and the other four councilmen, G. George Adonizio, Vincent T. Strumolo, Nuncio Pico and James R. Golden, sat at the head table. Other official members of town and school governments attending included: Town Attorney Thomas D'Avella, Assistant School Superintendent Harold Dufford, School Superintendent Dr. Frank M. Durkee, Town

Scouts to Pick Boy for Publicity

Leaders of all Belleville, Newark, and Irvington Scout Troops and Explorer-Posts, Sea Ships, and Air Squadrons, have been invited by Robert Treat Council, Boy Scouts of America to nominate one of their members in a contest to select a young man to be among representatives reporting for the Scout Movement to the government and the people at local, county, state, and national levels.

Each Scout unit has been asked to pick a member between 14 and 18 years of age of high Scout rank for consideration by the Councils Committee. Nomination forms have been submitted to each leader.

From the list of names, the Councils Committee will recommend one to the Regional Office of the Boy Scouts of America.

STRICTER FIREARM REGULATIONS NOT NEEDED

Well here we go again. It seems every year someone else takes up the cry. "Take the guns away from the people." They don't say it in exactly those words. Instead they dress it up with other words like: Make it tougher to get a gun. Increase regulations on the sale of firearms, etc.

Now after the death of the late President Kennedy, caused by a sniper's bullet from what news reporters say as a mail-order rifle, everyone is getting into the act.

New federal and state regulations are on the drawing boards and unless America's sportsmen take up the pen and fight back by writing letters expressing their displeasure to their congressmen we can expect more yards of red tape snarling the purchase of a rifle or a pistol.

IN THIS STATE it is Attorney General Arthur J. Sills, who, by the way, seems quick to jump on anything that will get him newsworthy, is proposing tighter controls and new regulations on the sale, purchase and possession of firearms.

Under Sills' proposals, he would:

1. Require the registration of all firearms with the state police. Today only pistols and revolvers and weapons under 26 inches in length must be registered.

2. Require a state license to sell rifles, shotguns, and other weapons and require a permit for the purchase of firearms. Present law requires a permit for firearms under 26 inches in length. The purchase permits cost \$1 and a permit to carry a concealed weapon costs \$3. Police Chiefs and county judges issue the purchase permits and county judges must approve permits to carry concealed weapons.

3. REQUIRE AN applicant for a permit to carry concealed weapons to submit a physician's report attesting to his mental and physical qualifications. This bill was introduced last March by the Mercer County Assembly delegation and will be reintroduced in January.

4. Tighten regulations governing the carry of concealed weapons by private detectives. This is also a Mercer County bill.

Sills claims the stringent new regulations are necessary to give the state a record of mail order weapons being shipped into the state and to control who buys, sells and carries weapons.

We think Sills, like the few hundred other do-gooders who introduce bills year after year attempting to make it tougher for the average citizen to buy and own a gun, is barking up the wrong tree.

Suppose all of the bills were passed and became State laws. What would the effect be?

1. IT WOULD MAKE law-breakers out of a big number of people who already own rifles and shotguns and would just never get around to registering them.

2. It would make a lot of people who would buy a shotgun or rifle forget it rather than go through the maze of red tape, necessary to get the permits required before they could make the purchase.

The right to own and bear arms has been an American right since the beginning of our nation. It is one of the strongpoints of our country each time it is necessary to take up arms to defend itself in a war of nations.

We believe any law or laws passed to hamper the American citizen from owning a rifle or a shotgun is only an aid to the criminal element.

We urge all sportsmen to grab a pencil or paper and get a letter off to Sills and their representatives immediately urging that the present bills be defeated. An armed America is a strong America and this means each individual home as well as the nation.

BELLBOY CAGERS FACE GARFIELD

Green Five Away In First Test

By Rudy Neuman

A predominantly sophomore basketball team will take the court for Belleville High School tomorrow night, when it opens its 1963 season at Garfield.

Depending on Sophs. Second year coach Al Lo Balbo says his team is young and that he's depending heavily on his underclassmen.

"Basic problems," says the former St. Mary's of Elizabeth mentor, "are to find a playmaker and some shooters."

It may take some doing since the nucleus of the club is 'green' and lacking game experience.

"We are concentrating on defense, which will be our strong point. When we have the ball we can't afford to let it get away without getting that one good shot."

With only one returnee from last season's 5-10 club, Lo Balbo has to look to his younger set to rebuild.

"If we can gain some confidence in the opener against Garfield Friday, then we'll be all right," he went on.

The letterman is 5-9 Mike Liloia, a senior guard.

"We feel Mike has developed into a better playmaker, and will become our floor general — so to speak," Lo Balbo continued.

Garfield Weaknesses
The Bellboys' backcourtmen last year failed to do the job of bringing the ball up. Presses and other defensive maneuvers were used on the inexperienced guards, and it led to near disaster.

"It was a sight to watch. We were absolutely hopeless. It got so bad that the opponent had complete control over our inbound passes."

With Liloia back and a flock of other promising sophomores, the guard positions should be strengthened.

Others battling for starting berths include 5-8 Ron Tomaszewski, Jim Brown, at 5-7 and 5-9 Joe Cervasio. Tomaszewski is a soph., who possesses a good jumper. A member of the football squad, Ron has been slow to coming around, but his reflexes and keen vision are apt to give him a starting role come Friday night.

Brown, a junior, is the quickest backcourtman on the team. Cervasio, a football player, is out late for practice, like the rest, but he is blending in with the procedures. He has a good jumper.

These four guards are small and have to be labeled inexperienced. But coach Lo Balbo feels they have desire to overcome the greenness in due time.

Plenty of Forwards
Up front is usually where it counts. Backward strength and the good inside shooter are us-

Four Belleville youths won All-State honors on the 1963 teams selected by the Newark daily newspapers. However, the one youth selected to the over-all state team did not even rate a mention on the teams selected by the other paper.

Rugged guard Sibi Sica, a 5-10, 185-pound senior was selected to the Star-Ledger's All-State first team and naturally was placed on the Ledger's Group 4 first team. He was the only member of the Belleville team to gain a mention in the Ledger selections.

However, another Belleville boy, Ralph Lillore of St. Benedict's, the son of Police Lieutenant and Mrs. Jerry Lillore of 140 Crest Drive, was selected to the Ledger's third team overall and placed on the first team of the private school eleven. Lillore is a back.

The Newark News' all-state selections skipped Sica entirely but did place tackle Len Luongo on the second team over all. Lillore was also named to the second team.

In the division teams the News' ratings placed Luongo on the Group IV second team and named End Warren Ceres of the Bellboys to the third team of the Group IV selections.

usually found at the forward and center positions. Belleville has plenty of depth at the forwards and will be banking on a 6-5 lanky pivotman named Bill Rush. They are Rich Pucciarelli, a 5-10 sophomore, who gets up on the boards; Ken Fulmore, a 6-3 sophomore with good balance and a jump shot; Nick Pizzuto, a 5-10 soph., perhaps the best shot on the team; Ed Gutknecht, a 6-1 soph., Lenny Luongo, a 6-0 junior and Dave Stronola, a 6-1 junior.

The latter pair were football members and are unfamiliar with the setup.

Rush could make the picture outlook a little brighter for the Bellboys. The junior youngster could be labeled a "Green Giant". He has an accurate jumper and one-hander from the key, but he's still a trifle backward according to Lo Balbo. If the big fellow can learn to get the inside position for the rebound it would help tremendously.

The Bellboys opponent tomorrow, Garfield, is in the same predicament-lack of experience. It's a good break for Belleville, and it might come out of it in good shape-mental as well as physically.

It would be risky to say that coach Lo Balbo's club will be better than it was a year ago. We'll wait and see.

EVERGREENS IMPORTANT
Over the centuries, evergreens have played an important part in the Christmas celebration and the color green is symbolic of them and everlasting life. The early French and English settlers hung pieces of evergreens over their doors, to indicate that Christ was present.

Orechio Ties Zinicola for League Title

Orechio Agency gained a tie for first place in the Cardinal Businessman's Bowling League with Zinicola Bakers by taking two of three games from the Bakers last week as the loop ended its season.

Binky's Tavern moved to within one game of the leaders by downing Rose Hardware two games out of three. In a high rolling contest Binky's ended with a 2,851 to 2,823 for Rose's.

National Appliance scored the only sweep of the night by taking three in a row from Cedarhill Oil.

In other matches Circle Bar and Tony's Pizzeria took the odd game from Al's market and Vester Trophies.

High series were led by Ed Skail, 658; Al Anderson, 648; Tom D'Alessandro, 632; Frank Fleming, 617, and Paul Binky, 601.

SHOCKING?

Although Sir Henry Cole, an Englishman, was hailed for his idea of inventing the Christmas card, his greeting met with severe criticism because it showed children at the same table with wine drinkers.

Fish Regulation Booklets Ready

There are tables of seasons and bag and size limits for all fish species, both for New Jersey waters and for the Delaware River and Greenwood Lake where regulations are adopted in cooperation with neighboring states.

Tidal waters are listed with the locations above which licenses are required. Regulations governing net licenses are of special interest to commercial fishermen.

The addresses and phone numbers in each county round out the booklet. These men are ready to provide further information concerning these fishing and hunting laws which they enforce for the benefit of all New Jersey citizens.

Lifting Contest Set Dec. 26, 27

The Belleville Recreation Department will conduct a weight-lifting contest open to all men and boys of the Town.

The Contest will be held December 26 and 27 with lifting starting at 1:00 p.m. each day. Lifts to be contested will be the Olympic Press, Two-Hand Snatch, Two-Hand Curl, Bench Press and the Full Squat.

The competition will be conducted according to weight class, that is, the body weight of the lifters. Classes will be as follows: 60-67 lbs., 68-75 lbs., 76-84 lbs., 85-105 lbs., 106-115 lbs., 116-126 lbs., 127-132 lbs., 133-148 lbs., 149-165 lbs., 166-181 lbs., 182-198 lbs., and heavyweight.

Each lifter is allowed three attempts at each lift. Any amount of increase will be permitted between attempts. The heaviest success in each lift will be recorded for the lifter. That lifter, in each weight class, who lifts the greatest total weight in the five lifts will be declared the Champion in his class and will receive a trophy.

All those who wish to enter the contest may pick up registration forms at either the stadium or the Recreation House. Registrations must be turned in on or before December 23.

March of Dimes Campaigns Explained by Essex Leader

"Our March of Dimes is doing more than any other private organization has ever done to fight two of our nation's greatest crippling — birth defects and arthritis."

"That's the reason I accept chairmanship of the 1963 March of Dimes campaign in Essex County and that's the reason I believe it deserves the support of all our citizens," said Freeholder Richard F. McMahon today.

"Anyone who doesn't believe these health problems are important should look at the figures," declared McMahon.

More than 250,000 babies are born in the U. S. A. each year with significant birth defects, many causing permanent disability. Some form of arthritis or disabling rheumatic disease affects more than 11 million Americans; many thousands of them children who suffer from particularly severe conditions.

"Until recently," said McMahon, "little was being done to provide uniformly excellent treatment for these victims of crippling diseases."

Now our March of Dimes has established a network of nearly 70 Special Treatment Centers

Alumni Tea Scheduled at High School

Raymond O. Smith, principal of Belleville High School, has placed Herman Knapp, senior counselor, in charge of arrangements for a Christmas alumni tea which will be held in Belleville High School cafeteria on December 20 at 2:45 p.m.

All graduates of Belleville High School, who are still attending college, are cordially invited to attend the affair which will be a homecoming for many of the former students of the high school. Also attending the Tea will be the senior class members of the high school who are expecting to attend college in September, 1964.

The purpose of the get-together is to provide an opportunity for the seniors of Belleville High School and the Alumni to participate in an open forum to discuss various colleges, and the admissions policies of the colleges the graduates attend.

Sue Walters, senior at Belleville High School will act as moderator for the program. Information about the Tea has been sent to the individual members of the Alumni, and a large number of Belleville are expected to attend.

1,800 in Belleville Scouts, Town Welfare Council Told

Nearly 1,800 boys and girls between the ages of 7 and 17 are participating in programs sponsored by the Boy Scouts and the Girl Scouts in Belleville.

Mrs. A. H. Verhagen, district chairman for Belleville of the Girl Scouts of Greater Essex County and William E. Dorival, District Scout Executive, Robert Treat Council, Boy Scouts of America reported on the activities of their organization at the monthly meeting of the Belleville Community Welfare Council, which met at the De Witt Savings & Loan Association on Monday evening, December 2.

With emphasis upon character building, citizenship and physical fitness, scouts are making an invaluable contribution to the youth of our community. Where funds for their activities are largely derived from the United Fund, costs are kept to a minimum by the extensive use of volunteers as Den Mothers, Troop Leaders, advisors and Scout Masters. Many hundreds of adults participate in this program. Troops meet in nearly every school and many of the churches in the community.

Ann Bernstein, chairman of the Community Welfare Council thanked and praised Mrs. Verhagen and Dorival for their reports. They contribute a part of the Council's continuing interest in the welfare and recreational facilities and activities in Belleville.

Bernstein appointed Irwin W. Folk to serve as chairman of a

The Council acknowledged receipt of a letter from City Manager Barnett thanking it for assistance in helping to find employment for welfare recipients.

The Belleville Community Welfare Council is a citizens organization aiming to strengthen and improve social recreational, educational and welfare services in the community. Meetings which are held the first Monday of each month at the De Witt Savings & Loan Association are open to the public.

Broiling Hint

Don't leave the broiler pan in your range when you are heating it in preparation for broiling. Cold (or room temperature) chops or steak or fish should be placed on the cool pan, otherwise they are likely to stick.

Holiday Step-Saver

A tray is a mighty handy utensil in the kitchen, dining room and even the laundry. Make a habit of using a tray to carry several things at a time, instead of only one. You'll welcome this step-saver during the holidays and on into the New Year.

✓ 1963 Box Score:
FORD'S TOTAL PERFORMANCE TOUGHNESS DOMINATES THE COMPETITION WORLD!

Ford has chosen the most rugged testing program cars have ever faced . . . full-scale open competition on the rally and racing circuits of the world. This is the dramatic way to show that Fords have changed . . . and the sure way to be certain they keep on changing. Changed? Just look at the record:

STOCK CAR RACING:	SPORTS CAR ROAD RACING:	RALLY COMPETITION:	INDIANAPOLIS:	PERFORMANCE & ECONOMY:
2-to-1 margin for Ford Ford is king of NASCAR competition and Ford Motor Company has the NASCAR Achievement Award to prove it. In the '63 season, special Ford entries won every single race of 500 miles or longer, scored nearly twice as many points as any other make. 500-mile races are the ultimate test of inherent durability and dependability. In two other major stock car racing associations, IMCA and MASC, Ford drivers have wrapped up the 1963 championships.	Ford V-8 power is the new king Here the Cobras with its special Fairlane engine emerged as the overwhelming leader in one sport year. Cobra won the coveted Manufacturer's Trophy in SCCA Class A Production competition by so wide a margin no other cars—U.S. or foreign—were even in sight. And in the two major tests this fall, the Laguna Seca and Riverside races, the new King Cobras dusted off the top "unlimited" cars from all over the world.	Products of Ford Motor Company and its world-wide affiliates won the 1963 Manufacturer's World Rally Championship. Ford's rally year began when two specially equipped Falcon V-8's startled the automotive world in the brutal 2500-mile Monte Carlo Rally. Other special Falcon V-8's triumphed in Holland's famed Tulip Rally, and ran away with the Manufacturer's Team Prize in the 4000-mile Trans-Canada Rally.	Ford ends an era Advanced Ford engineering smashed precedent in the classic Indianapolis "500." The first time out, a light alloy version of the Fairlane V-8 design in a Lotus chassis finished second. And the next time, in the Milwaukee "200" it ended the reign of the traditional "Indy" racing car by leading every foot of the way from start to finish.	New laurels for Ford The Mobil Economy Run underscored Falcon's years-long reputation for thrift—a Falcon scored first in Class B (medium-engined compacts). And the Pure Oil Performance Trials brought laurels to the big Fords, which walked off with overall wins in Classes J and H for total performance (economy, acceleration and braking).

DON'T BE A DISHWASHER... BUY ONE

Don't ever let a stack of dirty dishes get you down. Stop being a dishwasher and buy one! Saves hours of drudgery!

And don't let lack of space stop you as a portable dishwasher can be used in any kitchen!

✓ 1964 Result:
TOTAL PERFORMANCE INSPIRES THE TOUGHEST, SMARTEST CARS FORD EVER BUILT!

Fords have changed—and that's the real reason behind Ford's racing successes. We're now making the longest lasting, best handling cars in our history—because competition provides a kind and an intensity of testing that no proving ground can ever equal. What we learn from the specially equipped cars we race helps us make your car better.

Racing inspires a level of engineering skill far above ordinary commercial needs. The inherent qualities that make the victorious racing car—road-holding, braking, durability, precision control, resistance to vibration—also make a car safer, stronger and smoother for normal highway use. This isn't theory; all you have to do is take the wheel of any of our new Fords. Five minutes on the road will show you a total performance no one else has been able to achieve.

Before you buy any new car... STOP!

John Fitzgerald Kennedy, 1917-1963

The Nutley Sun

... announces the publication of the first annual all-Nutley Calendar. A limited number of the calendars will be printed as a memorial to the late president John F. Kennedy and his picture will appear on the front cover of the calendar. Because of the limited number of Kennedy Calendars available, they will be offered on first come, first serve basis. The front cover of the regular Nutley Calendar will carry an aerial view of Nutley taken last Saturday.

Two beautiful Bayberry-scented Candles for everyone
who joins the Bank of Nutley 1964 Christmas Club Now!

Yes, we'd like to give you both of these lovely Bayberry-scented Candles just for joining Bank of Nutley's Christmas Club now. Bayberry candles, as you know, are as traditional at Christmas as a tree. They add the crowning touch to many holiday settings.

Here's all you do to get them.

Today, tomorrow, or just as soon as you can, stop in at any

Bank of Nutley office and say, "I'd like to join your Christmas Club now." That's all there is to it. Before you leave the Bank you'll receive your pair of Bayberry-scented Christmas candles, handsomely boxed, as our gift to you for joining.

But don't put it off because our supply of these candles is bound to run out. Come in today if you can, and enjoy this Christmas even more knowing that you've started to save for next year.

CEILING FROM
Armstrong**

These unique, new Armstrong Ceilings feature delicate decorative effects created by dimensional plastic designs. They're something different in modern ceilings. An exclusive new process puts delicate raised white-on-white plastic designs right on the ceiling surface. And these attractive ceilings are unusually washable, too. They don't crack, chip, or peel, either! Something else: it's easy to install an Armstrong Cushiontone® Ceiling yourself.

Available in two genuine acoustical Cushiontone designs, Berkshire and Fairfax. This decorative finish is also available in two nonacoustical Bermuda Temlok® Ceilings accented with subtle color chips and metallic flecks.

**SQUIRE**

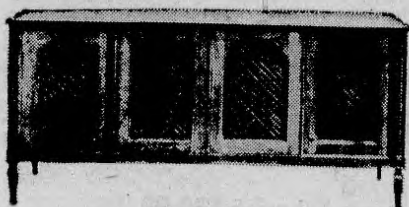

Early American style in traditional maple. Antique Colonial finish — warm light wood with mellow coloring. The pegged joints, together with the shutter styling of the louvers, strengthen the authentic Colonial appearance. Dimensions: 50" x 27" x 18".

The storage compartments in these new Clairtone Stowaway models will swallow either 100 records, a portable T.V. set, a tape recorder, or a generous liquor supply — concealed behind smooth-sliding doors. The bottom of the compartment has a soft durable leather finish. 63" x 29" x 19".

**BARONESS**

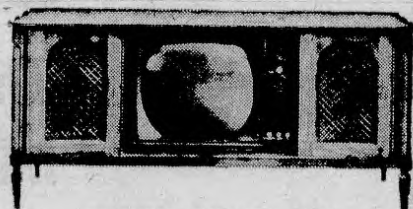

No tubes—five-year guarantee. French Provincial styling in fruitwood. Features of this design are its elegantly-carved legs (expensively hand-worked from a solid block of fruitwood), and the shaped edge on the top of the cabinet. The graceful lattice work panels are woven by hand. Also available in antique ivory, with gold leaf detail. Dimensions: 62" x 30" x 19".

**DUCHESS**

No tubes—five year guarantee.

Italian Provincial styling, in hand-rubbed walnut. The lattice work inside the four arched panels is hand-woven with strips of walnut. Veneers are beautifully matched. The back legs are also hand-carved, in keeping with the authenticity of design.

Dimensions: 62" x 19" x 29".

**DUCHESS THEATER AND DUCHESS COLOR THEATER**

Italian Provincial styling in hand-rubbed walnut. All four legs are hand-carved; hand-woven lattice work in arched panels. Black and white or color television with UHF (ultra high frequency). May be used as three sets in one. You can watch television in one room, while relaying record music to another, and AM or FM radio to another, through extension speakers.
