# Youth Loses Driving Permit For 2 Years

The Division of Motor Vehicles announced the suspension of the New Jersey driving privileges of Kenneth Schiattarella, 18, of 42 Reservoir Place, Belleville, for a period of two years from December 13, 1963, as the result of his having been involved in a motor vehicle accident.

According to the evidence adduced at a Division hearing, the accident occurred on May 13, 1963, on Route 46, approximately one mile from the Notch Road Overpass in the Township of Little Falls, County of Passaic, State of New Jersey. The respondent was operating his vehicle in an easterly direction on Route 46. His vehicle struck a vehicle being operated by Michael Libin, who was also operating his vehicle in an easterly direction.

It was further determined that the respondent had consumed drugs prior to the accident which deleteriously affected his mental faculties and physical co-ordination.

As a result of this evidence, it was found that Kenneth Schiattarella was in violation of R.S. 39:5-30 (unfit person to be entrusted with an automobile after which deleteriously affected his ordination).

ESSEX COUNTY Sheriff Le Roy J. D'Aloia swears into office as a chaplain to his department the Rev. Boyd B. Cantrell, the first Negro clergyman to receive such an appointment in the Essex Sheriff's office and believed to be the first of his race so named in any sheriff's department in the country.

# Bennet New Instructor In Firearms

Howard W. Bennet of 15 Leslie Terr., Belleville, N.J., has been appointed a Home Firearms Safety Instructor. It was announced today by the National Rifle Association, sponsor of a new course designed to help reduce shooting accidents in the home.

The NRA course promotes safety among those who normally do not use firearms for recreation but have them in their home. It emphasizes the recognition of unsafe practices and conditions and points out how to correct them.

Bennet was awarded an NRA instructor's certificate following successful completion of a written examination. He is now qualified to conduct the course locally. It runs about four hours and requires no shooting range since actual firing is not included.

The new course supplements the NRA's 13-year-old Hunter Safety Course, which has been instrumental in helping to reduce accidents in the field. Nearly two-million students have completed this course; in this time, the total number of hunting accidents has declined, while the number

**Ellis Elected To Eta Kappa Nu**

Howard Ellis, who is in his third year as a student of Electrical Engineering at the Massachusetts Institute of Technology, has recently been elected to Eta Kappa Nu, the National Electrical Engineering Honor Society. He is the son of Mr. and Mrs. Joseph D. Ellis of South Wilber Street, Belleville. He attended Belleville High School in Belleville.

Eta Kappa Nu was founded at the University of Illinois in 1904 to "mark in an outstanding manner those who, as students in electrical Engineering, have conferred honor on their alma maters by distinguished scholarship, activities, leadership, and exemplary character."

Ellis, on the Dean's List for each of his past four terms, is news editor of MIT's newspaper, The Tech; Secretary of the Student Committee on Educational

Policy; member of Beaver Key, musical comedy; a junior honorary; and performer. Ellis is also a member of Alpha Epsilon Pi Fraternity.

## BIG CHANGE IN FORD!

When you come to Ford for a '64, that's what you get... no simple "face-lift" like other cars—but a car that's changed...clear through! The Solid, Silent Super Torque Ford is now hundreds of pounds stronger, smoother, steadier than any other car in its class. You'll feel the difference this makes when you test-drive a total performance Ford.

**ENGINES HAVE CHANGED!** Item... the big, tough 427 V-8's that won every 500-mile race on the NASCAR circuit this year. Item... the Fairlane engine that was adapted to power the Cobra, America's sports car champion. Item... Falcon's rugged "260" V-8 that helped Ford Motor Company win the Manufacturer's World Rally championship. Street versions of these special competition engines are available as options in the 1964 Fords. The big change in Ford-built cars was bred in open competition—and their total performance proves it.

**FEATURES HAVE CHANGED!** Ford offers America's first fully synchronized 3-speed manual transmission (it takes the "crunch" out of first gear). Then there's the built-in, road-hugging weight advantage that every Super Torque Ford enjoys over other cars in its class. And, of course, you can add many other luxuries if you choose... Ford's own exclusive Swing-Away steering wheel, new twin-range 3-speed automatic shift, deep-foam bucket seats, to name a few.

**STYLING HAS CHANGED!** Ford leads its class in hardtop styling, offers more variety—even offers a choice of distinctive rooflines in 2-door and 4-door models. And if you want totally new hardtop styling with V-8 vigor in a compact, there's only one place to go—that's Ford's completely restyled Falcon.

**DRIVE THE BIG CHANGE!** No words can tell you as much about the new Fords as you will learn in ten minutes behind the wheel. Try total performance at your Ford Dealer's—where the Year of the Test Drive is now going on!

## Tragedy Lurks at Town Hall Tonight

Tonight, Monday night, December 30, the Town Council holds its adjourned meeting — postponed because of last Monday's inclement weather.

On the agenda — classed as unfinished business — is the question of purchasing new fire equipment to replace fire trucks which have been unable to pass satisfactorily, tests conducted by state testing authorities.

Three Councilmen have gone on record supporting Town Manager John R. Burnett's recommendation to buy new equipment. Our able Fire Chief, Carl Hundertpfund declares the problem is of an emergency nature and no further time should be lost in authorizing the purchase.

The three officials who have voted in favor of buying new fire equipment are Mayor Robert M. Laterza, Deputy Mayor G. George Addonizio, and First Ward Councilman Vincent T. Strumolo.

Voting against the fire equipment purchase were Councilmen James R. Golden and Nuncio Pico.

Since four votes of the Council are required for bond issues the ordinance failed.

Now it is almost two months since that negative vote. Belleville homes and lives are in danger every minute the Council delays replacing our fire equipment which one local mechanic-tester recently said was "junk." Our firemen take their lives into their hands every time they ride to a fire. Uncomfortable is the pillow of the citizen who knows how really bad is our fire equipment.

With a high school — a fire trap in itself — populated with over 1500 students, one wonders if tragedy must strike first before politically — motivated public officials are brought to their senses.

Our factories have a daytime population of over 50,000 people, men, women, young and old. A massive fire would most certainly end in tragedy.

Husbands leave their homes mornings insecure in the knowledge that Belleville's fire-fighting equipment is no good. Firemen take leave of their families with wives wondering if the failure of a broken-down fire truck might claim the life of the husband and father.

Many Belleville families pull their weary bodies into beds night after night never knowing when a fire might strike to drive both young and old, the bedrid-

den and the healthy, out into a bleak, black, cold winter's night.

Tragedy stands at our doorstep but Laterza, Addonizio and Strumolo are powerless to act. They need a fourth vote. Will it be forthcoming?

Every day that passes without Council taking action to replace the unreliable, 22-year-old fire equipment presents an invitation to an Essex County Grand Jury to come into Belleville for another one of those visits which has brought great notoriety to our beloved community. Only this time we believe an indictment may stick.

The Town Council has been put on notice that our fire equipment cannot be relied upon to cope with a fire. Failure to take corrective measures in the face of this knowledge appears to us to expose Council members to a charge of NONFEASANCE — an official failure to act — a criminal offense.

We do not want to wait for a cruel and violent death by fire to obtain the action which any responsible public official must realize will be the inevitable result of their failure to act today — now!

And the shame of it is — in our community there are a few radical leaders of public opinion who have the gall to ask for the ouster from office of three public officials, Laterza, Addonizio, Strumolo, who four months ago sensed the fire department emergency and introduced an ordinance to solve the problem only to be frustrated by the opposition and obstructionist tactics of James R. Golden, the darling of the Recall crowd.

Heavy are the hearts of our townspeople tonight — wondering if they will ever be rescued from the stench of rotten politics — the root of all Belleville's evils, or whether they will be cremated in a senseless fire which our firemen cannot fight with stout hearts and hands alone.

Our firemen, Laterza, Addonizio and Strumolo need your help — you have theirs — give them your tired hands, your weary hearts, your strong voice — rise up with the unleashed fury of the Gods — go to Town Hall and speak up tonight, the life you speak for may be your own.

F.A.O.

## BECK'S COLUMN

by MAX BECK

The rumor mill has been extremely busy lately, as far as color TV developments are concerned. In recent weeks we have heard a great number of times from many customers, that they have heard we will have or there is already a 27" color set on the market. Others came in and asked for a "portable" color set.

None of this is true. There is only one tube in use today and that is the RCA produced 21" color tube. Motorola announced, with great fanfare in the beginning of the year, that they have or will have a 23" rectangular color tube. It has not appeared yet and in the opinion of people in the know, it won't be here for a long time. Such a tube, if it would be available, would show a smaller picture than the present 21" round tube. Picture tubes are measured where they can show the largest size, that would be for a rectangular tube the diagonal measurement. The glass on a color tube is much thicker than on a black and white tube, so the same measurements on a color or tube would give a smaller picture than on a black and white picture tube.

The color tube presently in use weighs close to 50 pounds. Add to this the weight of all the other ingredients to make a TV set and you can imagine how "portable" such a color set would be.

There is no question of doubt that there will be some changes in color tubes in years to come. The next development is expected to be a rectangular 26" color tube, which will show about the same size picture as the present 21" black and white tube. This, of course, is just a "gimmick," to satisfy the public in the never ending quest for something "new."

## Dismissed Indictments and That Grand Jury Presentment

The year 1963 is coming to an end and as the curtain descends to close out the year we can't help but be thankful that an understanding, perceptive Judge dismissed indictments brought against some of our outstanding citizens by an Essex County Grand Jury.

Citizens will recall the indictments involved the alleged suppression by the 1961 Board of Education of an engineer's report which showed that concrete pillars were required to shore up the foundations for the new high school.

Superior Court Judge Robert Matthews ruled that even if the Board of Education deliberately suppressed such information the act was not a crime. Frankly we disagree with his reasoning but we are most happy with his conclusion.

That same Essex County Grand Jury also handed down a Presentment, a legal document limited to criticizing certain aspects of administration. It is unfortunate that another Superior Court Judge, Alexander Waugh, recently decided to make public the Presentment. If the handy work of the same Grand Jury was thrown out of court by Judge Matthews which involved the most serious charges of criminal acts it was our opinion that a simple Presentment, a document from the same authors also should have been discarded. But such are the paths and peculiar operations of justice.

Unfortunately the Presentment erred in several respects. The Jury criticized, by implication, School Superintendent Frank Durkee for circulating a memorandum among the School Board Members wherein Durkee simply listed the chronological events leading up to the referendum which authorized the new high school. We believe the Durkee memorandum went to the root of the problem — serving the ends of justice. He misrepresented nothing in his memo. He stuck to the facts — sans personal emotion.

broiderment. The memo's object was to refresh the recollection of the various members. A bad thing? Instead of chastisement Durkee should have drawn an honorable mention from the Jury. But then — who knows of what stuff somejuries are made.

The Presentment went on to allege that the school principal was barred from the print shop in his own school. Of course this charge is false. The fact is that the principal had a key to EVERY part of the high school — and did in fact enter — at will — any part — any room — in the school. He received no order — oral or written, from School Superintendent Frank Durkee, which limited his presence in any part of the high school. Even the printing teacher bears testimony that the principal was never barred from the print shop.

On the basis of these facts one finds it difficult to understand what motivated the Presentment. A Grand Jury acts in great mystery, behind closed doors, and witnesses appear before it with no opportunity of stating his side of the case. The action brings to mind the observation of a former Assistant Attorney General who told us — "the easiest thing in the world is for me to get an indictment from a Jury." One must wonder how much easier it is to obtain a Presentment.

When the original indictments were made public The Times-News immediately went to the defense of the indicted citizens. We asked the citizens of Belleville not to impute guilt to the accused until justice was served via the courts. A Belleville Times-News Defense Fund was established to raise money to defend the accused.

Thanks be to God — and Judge Robert Matthews — the defendants and their families were spared the ordeal and cost of a long, criminal trial.

## Miss Patricia Ann Schwall Is Bride Of Vincent A. Karch In Church Rites

MRS. VINCENT A. KARCH  
Former Patricia Schwall

Miss Patricia Ann Schwall, daughter of Mr. and Mrs. Edward Schwall of 23 Princeton Terrace, Belleville, and Vincent A. Karch, son of Mrs. John Karch of 302 Boyden Avenue, Maplewood, and the late Mr. Karch, were united in marriage Saturday morning, December 21, at 11 a.m., in St. Peter's R. C. Church, Belleville.

The Rev. Francis Ignacius performed the ceremony, and the reception was held at Robin Hood Inn, Clinton.

Given in marriage by her father, the bride was gowned in Chantilly lace, fashioned with sabrina neckline, long sleeves and full length tiered skirt with chapel train.

Her fingertip veil was attached to a lace and seed pearl headpiece, and she carried a prayer book with an orchid and a cascade of stephanotis.

Miss Kathleen Vetrini of Newark was her cousin's maid of honor. Bridesmaids were Mrs. John Thorn of Newark and Miss Kathleen McCarthy of Franklin. They wore royal blue satin street length dresses with round necklines, three-quarter length sleeves and bell-shaped skirts. They had matching tulle headpieces, and carried bouquets of gold pompons.

John Karch served as his brother's best man, and Bernard Turago of Maplewood and Patrick Coyle of Elizabeth ushered.

The mother of the bride was gowned in rose lace, and the bridegroom's mother chose blue chiffon. Both had matching accessories and corsages of white orchids.

The couple will make their home in Belleville when they return from a honeymoon in the Poconos.

## Sacred Heart Cathedral Is Setting For Maryann R. Lavanco's Wedding

MRS. JOSEPH COLOMBO  
Former Maryann Lavanco

Miss Maryann Rose Lavanco and Joseph Carmen Colombo exchanged vows Sunday afternoon, December 22, in Sacred Heart Cathedral, Newark. The Rev. John Oates performed the double wedding ceremony and the reception was held in the Grand Ballroom of the Robert Treat Hotel, Newark.

The bride is the daughter of Mr. and Mrs. Salvatore Lavanco of 123 Jefferson Street, Belleville; the bridegroom is the son of Mr. and Mrs. Christopher Colombo of 32 Summer Avenue, Newark.

Escorted by her father, the bride wore a satin pea de soie gown featuring a cameo neckline and Victorian bell skirt with a cathedral train re-embroidered in Alencon lace and studded with seed pearls. Her veil of silk illusion fell from a matching headpiece of Alencon lace and pearls.

Miss Carole Lavanco was her sister's maid of honor. She wore a pink satin floor length empire style gown. Her headpiece was a matching pillbox hat with illusion veiling, and she carried a white muff with a cascade of American Beauty red roses in the center.

The attendants were Mrs. John Petrucci, Jr., sister of the bridegroom; Mrs. John Castellano, Miss Marie Polny, all of Newark; Miss Joan Mary McConnell of Irvington; the Misses Lucille Lorenz, cousin of the bride, and Helen Dorer, both of Belleville.

They were dressed in matching cranberry floor length empire style gowns and carried white muffs with pink roses in the center. The flower girl, Joanne Petrucci, niece of the bridegroom, was dressed identical to the maid of honor.

Gregory Buontempo served as best man and ushers were John Castellano, Pete Finelli, Joseph Iannuzzi, Robert Loffredo, Anthony and Vincent Inno, all of Newark; Michael A. Lorenz, of Belleville, cousin of the bride, was junior usher.

The mother of the bride wore a green floor length beaded sheath gown of silk pea de soie with matching accessories and a corsage of white orchids. The bridegroom's mother chose a gold floor length pea de soie sheath with beaded jacket and matching accessories. She had a white orchid corsage.

The bride, a graduate of Newark State College, is a third grade teacher in Yantacaw School, Nutley. Mr. Colombo, also a graduate of Newark State College, and formerly a teacher in the South Orange-Maplewood school system, presently attends Newark State College under a Government Fellowship Grant for his Master's Degree in the area of Mental Retardation.

The couple will reside at 33 Hillton Street, Belleville, after a ten-day wedding trip to Florida.

## Tercentenary Theme For N. J. Symphony

The New Jersey Symphony will present its second suburban series concert during the month of January in Rutherford, Millburn, Livingston, and Montclair. New Jersey Cellist Maurice Eisenberg, one of the world's greats, will play with the orchestra as they celebrate the state's Tercentenary.

Eisenberg will play Elgar's 'Cello Concerto in E Minor' with the orchestra marking the first performance of this piece in New Jersey. The program will also include the 'Euryanthe' Overture by Weber, Schubert's 'Unfinished' Symphony, and La Mer by Debussy.

## Mrs. Patricia Templeman Weds In Belleville Church

Mr. and Mrs. Ralph Emerson Stuart, whose marriage took place Saturday, December 14, in Little Zion U.A.M.E. Church, Belleville, are at home at 27 Cross Street, Englewood, after a trip through New York State.

The bride is the former Mrs. Patricia Farrar Templeman of Montclair, daughter of Sandy Farrar of East Orange and the Rev. Dr. Mary A. Farrar of 33 Monroe Place, Montclair, pastor of Little Zion Church. The bridegroom is the son of Mr. and Mrs. G. Robert Stuart of Hackensack.

Bishop David McClellan Harmon of Camden and Dr. James Vance Melver of Orange officiated at the double ring ceremony which was followed by a reception in the church dining hall.

The bride, who was given in marriage by her father, wore a blue pea de soie gown with a scoop neckline, three-quarter sleeves and an overskirt of ice blue embroidered silk organza. Her headpiece was a crown of seed pearls with ice blue nylon tulle. She carried a white orchid.

Mrs. Lewis Hardy of Newark, who was matron of honor, wore a rhinestone-trimmed yellow lace dress over crepe with matching accessories and a deep lavender orchid corsage.

The bride's mother wore an old rose lace sequin-trimmed dress over taffeta with accessories to match, and the bridegroom's mother wore a beige lace dress with matching accessories. Each had a light lavender orchid corsage.

Leonard Cain of Hackensack, brother-in-law of the bridegroom, served as best man. The ushers

were Norman Stuart of Hackensack, brother of the bridegroom, and William Robinson of Montclair.

The bride, a graduate of Montclair High School, is employed as a receptionist for the Conditioning Co. Inc., Newark. She is the widow of Bushrod Templeman. The bridegroom was graduated from Hackensack High School and served as a Corporal in the U. S. Army for three years during World War II. He is employed as a cormaker at the Laytham Foundry, Pterson.

**Double The Life Of Velvet Garment**

If there's an elegant new velvet garment hanging in your closet, do you know how to give it expert care? To preserve this luxurious fabric, Mrs. Florence G. Gimfie, Rutgers extension clothing specialist, offers some care tips.

Dust and lint should be brushed off gently after use as necessary with a soft-bristled brush (a stiff brush may injure the pile). Water spots on velvet may be rubbed lightly with a small scrap of damp velvet; brush again with a soft brush when dry. For other spots and stains, some cleaning fluids may be effective, but make a test first on an inside seam or hem. Some colors on some fibers may be affected by certain types of solvents, and a test is the best way to determine the reaction.

Protect your velvet garments with dress shields, as you do all fine fashions. Otherwise, a flattening of velvet surface can result from underarm moisture.

Use padded coat hangers for coats and suit jackets. Never fold a velvet garment across a hanger. When possible, turn velvet garments inside out and hang them from waist. Sew loops on each side of inside waistline seam and fasten loops to the hanger. This prevents hanger marks at shoulder, and supports the weight of the dress evenly without dragging at neckline or shoulder seam.

To enlarge pile, steam velvet by hanging the garment securely over a tub filled with hot water. Seal steam in room by closing door and windows, and let garment hang for an hour. Allow velvet to dry thoroughly before wearing.

It depends on which vegetable you choose—whether it costs less in fresh form, frozen or canned. If vegetables are your bet, buy fresh from the farm; Brussels sprouts, broccoli spears, green beans and carrots.

**FAMILY TOGETHERNESS**

"Everybody says that families should do things together," says a distressed mother. "But the only time all of us are at home is when we're getting ready to go somewhere else!"

It's easy to say that others "should" do something. It's not so easy to do and often isn't effective for others.

Perhaps mother plans to picnic because she's told her family "should" do things together. She thinks over packing a lunch, grudgingly determined that everyone will have a good time. Father doesn't like picnics because insects or worms unwarily find their way into his food. The boys would rather be playing ball with the gang. The daughter is downright resentful because she wanted to have a date with her new boyfriend.

In this situation, mother does what she "should" — she brings the family together. However, it's a good time. This kind of family togetherness is always disappointing.

The real reason for family activities is not just to be together, but to achieve a sense of belonging to share pleasant experiences and to build strong, happy relationships. The activities contributing to this goal must be pleasant and not an obligation or a lesson. Family gatherings are difficult for families that have not established the habit of doing things together. This is best done when the children are young and really enjoy being with mother and father. Later, ideas for family gatherings need a more subtle approach.

Enthusiasm and respect for the ideas of others lead to better results than making an issue of family togetherness and proceeding with grim determination.

## Nutley Cub Scouts Spread Christmas Cheer at Party

Cub Pack 150 of Nutley held a Christmas party Friday, December 13, for the children at the Essex County Children's Emergency Shelter, Belleville. Den mothers, Mrs. Louis Franciose, Mrs. William Fusco and Mrs. David served refreshments and distributed gifts to the children. All made possible by donations from the Cubes.

The Pack members held their Christmas party Thursday, December 29, in the Washington School, Nutley, auditorium. William Meola was in charge of arrangements, assisted by Den mothers. The auditorium was illuminated by a tree featuring decorations made by the Cubes.

Optimistic ceremonies were conducted by Cubmaster William Sgarbi. A puppet show was put on by Den Five, directed by Den mother Mrs. Allen Taylor. Mrs. Taylor, Mrs. Thomas Goode, John Mayer, William Reilly, Jeffrey

## Isaac Stern To Play In Montclair Recital

Isaac Stern, violinist, will appear in recital on the Unity Concert in Montclair, January 10, in Montclair High School auditorium. The only one of the few top violinists of the world who was exclusively trained in America, Mr. Stern has long been recognized as an unofficial ambassador of American culture.

Stern was the first American artist to appear in the Soviet Union after World War II, in 1956. He won unprecedented ovations from Russian audiences, and it is estimated that some 20,000 were turned away from his final concert in Moscow.

The Zurich Chamber Orchestra will appear February 23.

## School Seven P.T.A. Budget Session Set

School Seven P.T.A. will hold its annual budget meeting Monday evening, January 6, at 8:00 p.m. at the school. Dr. Frank H. Durkee, Superintendent of Schools, will be the guest speaker.

A recital will be given by the seventh grade club under the direction of Wendell Parr. Refreshments will be served by the fifth grade classroom mothers.

## Breakfast Surprise

On chilly mornings muffins at breakfast-time are a cheerful surprise. For a real treat, spoon muffin batter into pans, filling 13 full.

Then add the "surprise"—a whole maraschino cherry, mandarin orange segment, nut pieces or spoonful of jam or jelly. Cover the surprises with remaining batter and bake as directed.

# BELLBOYS EDGE NUTLEY, 47-46

## Notch Third One-Point Victory; Rush Hits 18

By RAY PERSKO  
An ever improving Belleville five led by Bill Rush and Mike Liloia journeyed to Nutley last Friday and returned home with a 47-46 victory. The Bellboys definitely won the game at the line as they hit 17 out of 24 free throws, for an approximate 75 per cent, while Nutley's foul shot percentage was down around 47 per cent. It was the Bellboys' third win against one loss, all wins came by one point.

The Bellboys led throughout the contest with exception of a one minute even score period late in the third quarter; nevertheless, Belleville's offense combated the defensive forces of Nutley with an underhand layup by Ed Cutknecht. The Blue and Gold with a Nutley offense forcing their shots 33-33 lead.

At the quarter's start both teams moved quickly, with the Nutley offense forcing their shots

## Kohler Holds Loop's Lead

Although losing two games to Pizza Inn last week Kohler Sheet Metal Co. remained in first place in the Wizards League at Cardinal Lanes.

The Lounge took two games from Branch Brook Manor. Also winning two games was Centre Discount who played against W. T. Grant, Davis' Party Shoppe took all three games from Centre Delicatessen.

High series of the night was rolled by Helen Cafone, who bowled 157-201-184 for a series of 542. High games was 213 rolled by Marie Kohler.

## Terry Drug, Little's Tie For Pin Lead

Little Pharmacy's two game win from Int'l Coining & Stamping and Terry Drug's sweep from A. Preston Phoenix Bldrs. placed both teams in a tie for first position. Johnson Realty's three-game loss to Ted Peters Stadium Tavern dropped them into second place just one half game behind the leaders.

Millie Stetzel, captain of Adam Hats, posted a 503 series, won the Christmas Turkey donated by the Broad & Bay Alleys and moved her team from seventh position into a tie with Clifford Tool for third position. Other high games were posted by Helen Fiedler with 179 and 186, Dot Block 157, Helen Martha 164 and Lee Coon 161.

and the Belleville ball handlers playing conservatively, waiting for that one good one. In the middle of the fourth period Belleville suffered an offensive lapse for about a minute allowing Nutley's Joe Records to capitalize. However, Bill Rush kept the Bellboys alive with two buckets from the post and Liloia followed with two from the line.

Just as in the Blue and Gold's other two victories, the squad did not show a four-quarter spurt, and Nutley's Birbiglia stole a Liloia pass converting it into two points. With 17 seconds to play, Belleville was ahead by a 47-46 margin. Liloia held on to the ball and dribbling the clock out.

The Nutley squad, coached by John Weaver, had the height and they controlled the boards (although Belleville's Bill Rush held his own ground.) Belleville's defense was very keen and proved to be one of the deciding factors.

In the first quarter Belleville grabbed a 13-11 lead with Bill Rush putting in 7. Belleville's offense and defense looked good, but didn't show the big court position it acquired as the game progressed. The offense hit less than 25 per cent from the floor in the first quarter while Mike Liloia found a home in the corner with Ron Tomaszewski playing up front.

Belleville only hit three field goals for 33 per cent in the second quarter, but they also went 6 for 6 on the line. Nutley hit 4 for 8 field goals in the second quarter, while their foul shooting was 3 out of 7. In the second quarter the Belleville offense didn't look patient enough, but the defense was superb in spots. Belleville's offense seemed to work in every shot, but Nutley scored 12 points on fast breaks.

In the second half Belleville's 2-3 tight defense worked well while the offense was much more patient and more apt to only shoot when the shot was feasible.

The loss of Nutley's Booth in the third quarter was a demoralizing factor, for the Raider offense didn't really move again until later in the game. One of Nutley's biggest deterrents might be attributed to their loss of the ball on palming, three seconds rulings, and continuous charge calls (all of which hindered the already failing offense.)

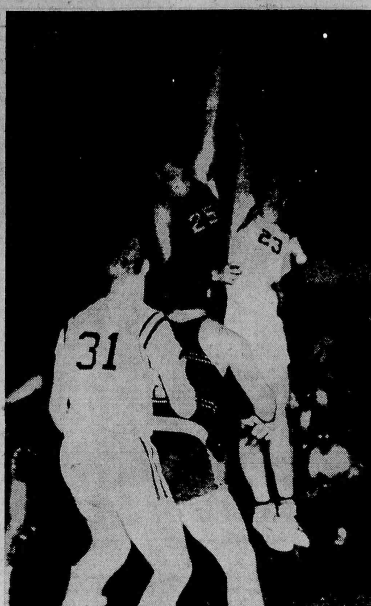

This was Nutley's third loss, while it was Belleville's third win against one loss.

## Choral Group Entertains at Clara Maass

Probably one of the best known vocal groups in the Belleville area is the Baker's Dozen and, as the name implies, their lot is more than 12. Their youthful voices ring with the deep resonance of magnificently trained choral group dedicated to the enjoyment of others.

During the Christmas season, the halls of Clara Maass Memorial rang with the clear voices of these young people who joined the hospital to gladden the hearts of the 300 patients as they visited each floor and wing, pausing long enough to sing traditional Christmas Carols.

Mr. H.C. Widman, director of Personnel & Public Relations, said that during this time of the year when all of us think of joyful family gatherings, there are many who are unable to enjoy this happy season. These young people participate in the true spirit of the season by giving of their time and talents to others less fortunate. He was also high in his praise for the many other organizations who visited the hospital over the past week distributing gifts and cheering the patients.

In addition to the Baker's Dozen, the Belleville Girl Scouts as one of their projects made over 300 tray favors and on Christmas Eve and Christmas Day each patient's food tray was tastefully decorated thanks to these young girls and Mrs. Elmer Matson of the Hospital Auxiliary who makes beautiful favors for the patients at every holiday.

Albin H. Oberg, executive director at Clara Maass Hospital is pictured pouring coffee for Miss Joy Nelson of 189 New Street, Belleville, in the lobby at the hospital on Christmas morning as Mrs. Oberg looks on. During the Christmas season when everyone is at home with their families, hospitals must remain open with a "Business as Usual" atmosphere. At Clara Maass it has been traditional for the Executive Staff and members of the Board of Trustees to express their appreciation to the hospital personnel by serving coffee and buns during the morning in the main lobby to everyone on duty that day.

### Review of Book Slated at YMHA

Dr. Harold A. Lett, consultant on national program development for the National Conference of Christians and Jews, will discuss James Baldwin's book, "The Fire Next Time," on January 8 at the Newark YM-YWHA, 255 Chancellor Avenue. His appearance will be part of the Y's Book Reviews and Discussion series.

Dr. Lett, former assistant director of the New Jersey State

Division on Civil Rights, headed an International Workshop in Human Relations at Douglass College last May. A Negro, he is a former member of the Newark Housing Authority, and served on a three-man team of specialists who aided in the housing integration of Levittown. Dr. Lett is a frequent speaker on civil rights matters, particularly in the field of housing.

His belief in persistent, moderate progress in civil rights is illustrated by his remark, "it is better to light one candle than to sit in darkness." The Newark Y event is free-of-charge to Y members, 50 cents to non-members. Dr. Maurice Teitelbaum is chairman of the event. The next book review will be on February 5—a discussion of the works of I. J. Singer by Sylvan Kohn, director of extension service, Jewish Education Association.

## Unity Concert Program Will Feature Stern

Isaac Stern, great violinist, will appear in recital on the Unity Concert Course Friday evening, January 10, in the Montclair High School auditorium.

The only one of the few top violinists of the world who was exclusively trained in America, Stern has long been recognized as an unofficial ambassador of American culture, and has won standing ovations on his two recent globe-circling tours.

Stern was the first American artist to appear in the Soviet Union after World War II. That was in 1956. He won unprecedented ovations from Russian audiences, and it is estimated that some 20,000 would-be ticket buyers were turned away from his final concert in Moscow.

The violinist directed the drive to save Carnegie Hall when everyone else had given up hope. He is President of the non-profit organization that manages it now. Twice in eighteen months he has made recording-breaking, globe-circling tours performing a back-breaking schedule of concerts in such places as India, Pakistan, Singapore, The Philippines and Hong Kong.

In the days before our government-American artists such as Isaac Stern became aware of the importance of the cultural rivalry the world how much we in the with the Soviet Union, it was U.S. have to be proud of.
