

## 20-WEEK ITT STRIKE SETTLED?

### Golden Renews Request for Rt. 21 Vacating Answers from Palmer

Unhappy with answers on the vacating of a section of old Route 21 by the State Highway Department, Councilman James R. Golden yesterday renewed his demands for answers from Commissioner Dwight R. G. Palmer vacating and asked why an official of the Town was not transfer of a section of the road to Wallace & Tiernan Inc. for use as a factory site.

AWARD WINNER — Frederick W. Holloway, right, presents DeMolay Award to James A. Arvidson.

### Arvidson Receives Award For Services to DeMolay

At the Public Installation of Suburban Chapter, Order of DeMolay on Saturday, January 9, James A. Arvidson was presented with the newly instituted DeMolay Award by Frederick W. Holloway, Worshipful Master of Belleville Lodge No. 108, F. & A. M.

The award is given to the member who, in the eyes of the Advisory Board, has done the most for his chapter during the preceding term, and exemplifies the ideals of the Order of DeMolay.

### Consolidated PTAs Hold Session

The Consolidated PTAs of Belleville met Wednesday evening, January 13, 1965 at School Number Three. Mrs. F. DiRuggiero, President presided. Those present included: Mrs. A. DeLacino, new president of School Number Two, Mrs. F. DiRuggiero, School Number Three, Mrs. Grimes, School Number Four, Mrs. P. Rainone, School Number Five, Mr. L. Back, School Number Seven, Mrs. B. Apper, School Number Eight, Mrs. J. Tague, School Number Ten and Mrs. M. Livingston, Belleville Junior High.

Belleville PTA presidents will meet with the Board of Education on Wednesday evening, January 20, 1965 to discuss the preliminary school budget for the year 1965-66.

before it had been effected. Traffic conditions in the area and said the road site could have been used to rid Belleville of some of the problems in the area.

In answer to Golden's first letter for information to the Commissioner, the Councilman received the following letter from Joseph R. Cunningham, acting state highway engineer:

Reference is made to your letter of December 20, 1964 relative to Route 21 in the Newark-Belleville area.

It was expected in view of your statement that it was not your "intent to further scarcity" this agency, that there would be no conclusions made on your behalf without evidence to substantiate same. We regret this premise did not prevail.

It has always been Departmental policy to contact local officials and discuss proposed alignment plans. While we will admit there have been rare occasions when this procedure may have occurred out of phase with proper planning sequences, this was not the case for Belleville. The facts are as follows:

A public hearing was held on Wednesday, April 8, 1959 at 10:30 a.m. in the Belleville Town Hall. This meeting was attended by the Honorable J. J. Padula, Mayor of Belleville; Mr. G. R. Spatz, Chief of Police and others who were concerned with the location of Route 21 in this area. It is interesting to note that the alignment originally proposed by the Department, consisting of a one-way facility southbound on the existing McCarter Highway and new construction along the Passaic River for northbound traffic, was rejected unanimously by all those present. The Department did, spending three and one-half the cost, accede to the community's wishes and design the entire facility along the River. All were appraised that the Freeway scheme at the waterfront would remove northbound access to the Freeway from McCarter Highway because it could not be achieved within prescribed vertical grade design criteria.

Someone it seems unreasonable to demand something, and once adopted, complain five years later that the plan represents a "nightmare of traffic confusion". Minor adjustment in any alignment should and always will be a responsibility of the Department. The basic issue of access has been known for years. The slight revision at the north end was advanced to prevent traffic at Freeway speed from the local street.

The Department does not take credit for making Belleville "one way two traffic-way". One-way street patterns, which service the Rutgers Street Bridge, have been in effect since at least 1965 when the State's initial Route 21 plans were developed. It was interesting to observe that Belleville demanded the State design for a two-way traffic pattern in the vicinity of the Bridge, which was more costly, although

(Continued On Page 11)

### Russomano Promoted to Police Sergeant

NEW POLICE SERGEANT — Robert A. Russomano (in uniform) who was appointed to the Police Department as a patrolman on September 1, 1948, was promoted to sergeant, effective January 1. At the swearing in ceremonies in the Council chambers at Town Hall the following posed for photographer. From left to right are, Police Chief Charles McGinnis, Angelo Falcone, president of the Independent Tool Plating and Wire Forming Workers Union Inc., who urged Russomano to join

the police force in 1948; Detective Michael Marotti, PBA president; Ernest Kastner, foreman at Eastern Tool Mfg. Co., where Russomano was employed prior to joining the force; Russomano's wife, Rose, and daughter, Shirley; Russomano, Mayor Nuncio R. Pico, and Larry Sullivan, also a foreman at Eastern Tool. Below Town Clerk Eugene Barnett administers the oath to Russomano. The Russomano's live at 29 Laverne St., Belleville.

### School 4 Branch Library Opening Scheduled Feb. 12

Reverend Frederick Long, chairman of the Board of Trustees of the Belleville Board of Education, today announced the impending opening of the town's first branch library, to be located at School 4, Magnolia Street, in the Silver Lake section. The official opening, which will take the form of an "open house" party, is set for February 12 at 8 p.m. Dr. Long has appointed Mrs. Richard A. Shaffer, secretary of the Library Board, as chairman for the arrangements. Mrs. Helen Strumolo, president of the School 4 PTA, informed the Library Board that the mothers of School 4 would act as hostesses for the occasion. The Silver Lake Branch Library, which has long been desired by many residents of the neighborhood, became possible when the two rooms into one library room were completed some time ago. Currently, according to Library Director Ben Grimm, the bookshelves are being erected. The new Branch Library will be stocked with 4,000 volumes, to serve not merely the needs of public and parochial school students of the neighborhood, but the adult reading public of the Silver Lake section as well.

### Child Guidance Clinic Sets Open House Sunday

The North Essex Child Guidance Clinic will hold an Open House Sunday, from 3:00 to 5:00 p.m. as part of the observance of Child Guidance Week, proclaimed by Mayor Nuncio R. Pico for January 24-30. The Clinic, which is located in the former Nurses' Residence of the Essex County Isolation Hospital in Belleville, serves the four towns of Belleville, Bloomfield, Glen Ridge and Nutley as an agency to promote the mental health of children. The Open House will provide a means of introducing residents of the four communities to the members of the Board of Trustees and the professional staff of the clinic. It will give them an opportunity, also, to view the newly furnished quarters which have been renovated to give more adequate areas for both individual and group therapy. A new program in group therapy for patients is already under way. In issuing the proclamation recently for Child Guidance Week, Mayor Pico called attention to the dedication of the clinic toward mental health for children and the need of active support by residents of Belleville of the work of the clinic. Rev. Rollin G. Shaffer, president of the Board of Trustees, said, "We shall be pleased to welcome interested citizens of Belleville to the Open House and to a fuller observance of Child Guidance Week. We are proud of the accomplishments of the clinic and of the efforts it is making to service a larger number of the children of the community." Dr. Karolina Bein, who is associated with the Belleville and Nutley school systems, is the medical director at the clinic. Mrs. Ruth O. Cowell, formerly the chief psychiatric social worker and a staff member for six years, is the new executive director.

### Saletta, DiRuggiero, Broo Backed by ABC Committee

The Alert Belleville Citizens' Committee again urges all citizens to exercise their birthright and make themselves heard through the coming school board election on February 9.

This is your opportunity to show your interest in school problems by studying the proposed budget and the candidates for election, and to register your decisions by the most democratic means available — The ballot. Each year, less than one third of the voters show any interest in these important issues which are so vital to the welfare of our children. The proposed expenditure, exceeding as it does the municipal budget, deserves your consideration and support if our school system is to progress and keep pace with modern educational trends, and it must be administered by board members of ability and intelligence.

WE, OF THE ABC Committee seek no control nor patronage or

rewards beyond the fervent hope that we can unite our efforts toward continuing the work of the board of education in the training and developing into our most cherished possessions — our boys and girls.

The A B C Committee, composed of civic, professional and business leaders, works together each year to enlist support for those candidates who possess the wisdom and talent to exercise sound judgment in matters of school board policy to assure proper operation of the school system. The committee seriously considers candidates for the board and endorses only those who will devote themselves to better public education, and our Democratic form of government, and who will not be bound or dictated to by any group or organization. Such candidate must appreciate this service as an opportunity for the common good of

(Continued On Page 11)

### Governor, Sponsors Agreement

Gloom replaced early optimism Wednesday afternoon of a settlement in the 20-week-old strike of IUE workers at the International Telephone and Telegraph Laboratories in Nutley, Clifton and Belleville.

Last night some 2,800 employees in three striking locals voted on the strike settlement proposal hammered out over the weekend by Company and union representatives at a 2-day session with Governor Richard J. Hughes in Princeton.

Robert Laird, president of Local 440, said last night that his committee would recommend rejection of the agreement to its members.

Laird said: "We just found out this morning that the company was refusing to take back 42 people, including three union officers. We don't feel we have any other choice but to recommend rejection of the proposal. This makes it impossible for us to take any other position." If Local 440 votes to reject the proposal, all three locals are expected to remain on the picket lines.

Jerry Leopoldi, president of Local 440, which includes about 1,400 of the striking workers said Wednesday afternoon: "We're going to recommend acceptance of the agreement. The terms of the agreement as they apply to us is a fair settlement. We have come out with an honorable agreement and we have made many advances in the interest of our membership."

"Our motion to our workers will be to ratify the settlement agreement on a conditional basis. That is that all other locals also ratify the agreement. If two of the locals would approve the agreement and one did not, the one would technically still be on strike and we would respect its picket line. All three locals will remain as they have been, united."

Members of the three striking locals voted on the proposal last night, with results unavailable by press time. Voting sites were: Local 400 at Nutley High School, Local 447 were at Belleville Elks Lodge, and Local 708 at the Nutley Armory meeting hall.

A company spokesman said yesterday, prior to the vote, that the men would be back at their jobs working this morning if they voted approval of the settlement proposal.

Governor Hughes said in a statement Sunday, when he announced that a settlement had been reached: "I join all concerned in expressing the hope that the proposal will win ratification so that the 2,800 employees of this important New Jersey industry soon can return to their jobs, which are vital not only to the workers and their families and the company but also to the national defense and the economic well-being of this state."

## ITT Strike Settlement Proposal Detailed

(Below is the detailed strike settlement proposal of our company, to be paid by the Company.)

1. The achievement of "vesting rights" for everyone who has 20 years of service or those who are 50 years of age and with 15 years of completed service. This gain represents one of the most outstanding achievements of our strike. (See New Pension formula attached.)
2. The achievement of "vesting rights" for everyone who has 20 years of service or those who are 50 years of age and with 15 years of completed service. This gain represents one of the most outstanding achievements of our strike. (See New Pension formula attached.)
3. Group Life Insurance — The Company will pay for \$5,000 worth of insurance. At age 65 the Company will continue to pay for the policy at the rate of 50 percent, maximum \$3,500. Example: If you have now \$5,000 policy (Company) pays \$3,000, you pay \$2,000. Your policy is increased to \$7,000. Company pays \$5,000. A new enrollment period will be opened.
4. Blue Cross and Blue Shield — The premium for the employee's Blue Cross and Blue Shield for the period of the strike will be paid by the Company.
5. Company will continue Blue Cross and Blue Shield for employees and pay for additional increases.
6. A new Major Medical Plan will be instituted fully paid for by the Company.
7. Sickness and accident benefits. Old plan to continue with full pay for first day for accident or hospital illness. For sickness, full pay will commence with the 4th working day. Where illness exceeds 20 consecutive days, first 3 shall also be paid. For first 3 days of illness, full pay will be paid.
8. Four (4) hours off on General Election Day (instead of 2 hours).
9. Employees who are absent are expected to call on the first day of absence. An old 3 day clause still in effect. Explain satisfactory person clause.
10. A Military Service Pay Clause.
11. Vacations — A (4 weeks) vacation for 20 years, beginning the first year of our contract, 4 weeks vacation for 20 years, beginning the third year of our contract. B (3 days) Change 3 days vacation at 6 month's service to 5 days. Change 1 week's vacation at 1 year-service to 2 weeks.
12. Transfer Clause — The Union achieved its demands regarding transfers in the same classification without interview, and a 90 day trial period to consummate a legitimate transfer.
13. Common lay-off pool. Henceforth, before the Company can hire in any of the 3 unions new personnel, they must first present the opportunity to the other unions to post their laid-off members. Grievances under this section are not subject to arbitration. Full credit for company benefits will be given.
14. Grievance Procedure and arbitration — no precedent clause in steps 1 or 2 designed to expedite the settlement of grievances. Sub-Committee meetings to be scheduled to clear up back log.
15. Separate agendas for suspension and discharge cases.
16. New Article 15, Section 2: Employees laid off on a permanent basis receive 1 day's notice on 1 day's pay, in addition to severance pay.
17. Furlough Clause — Not to exceed 12 in any one calendar year as per old contract beginning on the last work day of the work week in which the contract was signed. Under the application of this new clause it is now possible for an employee to collect unemployment compensation.
18. Overtime Notification Clause — Move Thursday to Friday noon. Delete words "it has been agreed" from sub-section 1 and insert "an employee has been notified."
19. The Company agrees to re-examine all sub-assemblies to FMA Third Class with a 19-cent-an-hour increase plus 7 cents general increase. All Grievances will be withdrawn without prejudice.
20. New Provision — Former employees, who are rehired receive full credit for former service when they have completed a period of service equal to their length of separation for 10 years, whichever is less.
21. Fifteen day period for return to work without regard to seniority and classification where necessary. This pertains to strikers recall only.
22. Scrap control rate to be increased 15 cents per hour. Back pay to be discussed in grievance hearings.
23. Testers — All Computer Testers may be absorbed into Electronic Tester Class. Company will maintain open Computer Test Class. Optional.
24. Full service credits for the strike and no disciplinary action by the Company or Union against the striker or employer because (Continued On Page 4)

# Candidate Mrs. McCool Seeks Patronage-Free School System

Mrs. Norma McCool, seeking re-election to the Board of Education, February 8, issued the following statement this week:

"Our responsibility as board members is to strengthen the foundation of our country, education. Only through the adherence to good policy can we meet the challenge facing us today.

"New Jersey law provides for a non-partisan, non-political, independent board of education and for schools free from politics. To have the support of all citizens, schools must keep out of politics and politics must keep out of schools.

"From the highest office in the land right on down to our municipal government, there exists the accepted practice that when a man or party is elected, those transient positions available

MRS. NORMA MCCOOL

are placed in the hands of qualified individuals so selected by current reigning authority. Their term of office — the span of the elected official: This system of patronage cannot achieve for us the best educational advantage.

"To have the best schools, all appointments — teachers, custodians, maintenance personnel,

caterers, workers, supervisors, principals, administrators — must be made on merit alone. As our children, the product of our schools will have to compete with others in this highly competitive world, we must insure their future by having only those qualified to do so, select the applicants having the greatest degree of merit.

"Should a board member seek to build strength through patronage, our system would develop a cancer so deep-rooted due to the 'tenure' protection that decay would be an eventuality.

"If our administrators, teachers or other school personnel, feel they must bow to a board member's authority to feel a hatchet blade cutting into their future, we become proponents of the same evils we accuse our distant enemies of advocating.

"An entrenched politician has no place in our educational society particularly if he or she has developed through a stream of unsavory practices. However, should a politician offer to aid a candidate as an ordinary helpful citizen with no strings attached or promises of future reciprocation, there is no harm done but rather, further evidence of our democratic heritage. In a case such as this, one must be sure to judge the ability of the candidate to remain free from such entanglements.

"It is up to you, the citizens of Belleville, to select those can-

**POSTER GIRL** — Mary Clark, Essex County March of Dimes Poster Girl, presents campaign banner to Belleville Mothers March Chairman, Mrs. Arthur Mooney. Mrs. Mooney will lead several hundred 'marchers' in the traditional Mothers March on January 27th.

10-year-old Mary, who lives at 480 Clifton Ave., Newark, was chosen as poster girl because of her courage and determination. Born with open spine (spina bifida), Mary needed surgery as the first step in overcoming her handicap. She has learned to walk with her braces and crutches and she is able to go to Branch Brook School a few blocks from

her home. She is being cared for at the March of Dimes Birth Defects Special Treatment Center located in Babies Hospital, Newark.

Mary represents several million other youngsters struggling to overcome similar handicaps. Medical authorities estimate there are over 250,000 babies born alive every year with a significant birth defect. Contributions to the campaign which is now in progress will make it possible for the March of Dimes to expand the fight against all birth defects.

Mrs. Mooney lives at 114 Tappan Avenue.

## Scout Council Schedules Annual Meet

The annual business meeting of the Robert Treat Council of the Boy Scouts of America will be held Tuesday evening in the Pelican Room of the Mutual Benefit Life Insurance Company. It was announced by Pearce Shepherd, Program Chairman.

Arthur C. Manbeck, President of the Council, will introduce the program for the year, "Break through for Youth."

The annual meeting will feature colorful ceremonies by scouting units, scouting skills and the election of officers for the coming year. Following the formal business session, individual meetings will be held for commissioners, institutional representatives, merit counselors, sponsors and committeemen. Approximately 125 scouters are expected at this meeting which has been designed to give scout leaders a new look and a new approach to their leadership responsibilities.

Committee members are: Roy Eustace C. Blake, Joseph DeDeo, Murray Forbes, Augustine J. Kelly, Robert A. McKinney, Carl Perrina, L. Lawrence Seggel and William S. Weiler.

## Witnesses To See Film At Parley

The Bible convention of New Jersey Circuit 2 of Jehovah's Witnesses at Snyder High School in Jersey City on January 29, 30 and 31 will include the showing of a 2-hour technical film entitled "Proclaiming Everlasting Good News Around The World," according to P. W. Dacko, presiding minister of the Nutley congregation, one of the 22 groups participating in the meeting.

"This film was produced by the Watchtower Society because false religion has brought our civilization face to face with the gravest tribulation this world has ever seen," P. W. Dacko said.

Most persons are aware of the serious decline in spirituality that has eaten into the very roots of modern society and that accounts for most of the mounting immorality that is causing such concern. The purpose of the film being shown during the convention is not only to give the viewer an insight into some of the deep-rooted causes, but also to show what is being done world wide to counteract the world trend. The film digs deep into the past for influences affecting our modern world and presents them with the frankness necessary to uncover their dangers.

"What the identity of that city is and what its influence has been and will lead to, I'll leave for the film to tell," P. W. Dacko said, "when it is shown Saturday evening, the 30th, at 7 p.m. at Snyder High School."

## Broo Lists Qualifications For Board of Education

Kenneth Broo is a candidate for the Belleville Board of Education. Last week the following statement was issued, announcing his candidacy:

Kenneth Broo, candidate for the Belleville Board of Education is a life long resident of Belleville, resides at 132 Fairway Avenue with his wife, the former Jean Flanagan, and four sons.

"Interested in educational and civic affairs he has been active in scouting, Farm League Baseball, and Parent-Teacher Association work at Belleville School No. Ten, and the new Junior High School. For the past five (5) years he has been a trustee on the Belleville Public Library Board.

"A graduate of Pace College, New York City, Broo is Sales Administrator and Coordinator for the Custom Molding Division of Bontoon Molding Co., Inc. in Bontoon, New Jersey.

According to Broo, the areas in Belleville's school system which require re-evaluation are: high school dropouts, high percentage of yearly turnover in the teach-

KENNETH BROO

ing staff and improvements to elementary school facilities.

**ALL-PURPOSE** — Douglas fir is the all-purpose wood. It's best known as framing lumber, but is equally desirable in paneling and flooring grades.

## Guglicelli Sees Need for Overhaul

Albert Guglicelli, candidate for the Board of Education in the February 9 election, yesterday issued the following statement:

"After much consideration about our school system this is my answer to the people.

"Our school system is in a critical state of affairs, and needs to be overhauled.

"This condition just did not happen by accident, it came about by the acts of some board members who's many mistakes made in the front office cost the taxpayers a small fortune, including an extra \$200,000 to complete the new high school.

"The new school, built in the bog area against the wishes of the people since they rejected that site in a general election, has also produced a drainage problem.

"The record of those board members responsible for this condition during the past three years has been of a questionable nature and speaks for itself.

"It brought shame and disgrace to the Town and the school system.

"As a candidate in this race, I am seeking a seat on the school board to protect the people

against these evils.

"The Town has suffered too much bad publicity. It must not happen again.

"As your candidate I cannot make you any promises. Promises are made by politicians.

"We must now all work together to improve the morale of the community which is at a low ebb. Immediate steps should be taken to reverse this unpleasant situation.

"All policies, rules and regulations should be studied and corrected to bring about improved relations in the school system.

"No one person can be blamed for the problems that exist. Everyone is responsible. No good can come from continuation of criticism of individuals or groups.

"Responsibility with the administration staff should be moved clear and complete. Teachers, principals and other staff members should share in policy making where decisions will affect their work and welfare.

"Develop clean cut provisions for evaluating teachers and sound evaluation policies in order to boost morale, and gain and keep their good will.

"A larger role must be taken in developing quality educational and sports programs, since we now have two high schools to consider.

"A good education is the main line of defense against poverty.

"The sooner we realize politics has no place in the school system, and the gag rule is an evil weapon that destroys a community the better off the Town will be.

"I believe a change on the school board now will be in the best interest of all."

## Plan TODAY for TOMORROW

Retirement income must be planned for... years before you retire. For a retirement plan based on your individual needs...

didates whom you have confidence in. Those who by past practices have shown an active interest in education processes, and those who hold in high esteem rather than trite regard, the three words of honesty, integrity, and sincerity, as our actions speak louder and truer than our words.

"It is a position of trust that we hold and one of unique responsibility. If we take lightly or with easy conscience our duty as board members, we are not fulfilling our pledged dedication to education.

"While we are elected by few, we must represent all!

On election day, cast your vote to those of us whom you honestly feel will help insure the continuance of sound policies and practices along with the possible institution of better methods and means to achieve these goals.

"May I, Norma McCool, humbly request your consideration."

## Soiree Slated For DiRuggiero

Dr. Frank DiRuggiero is being given a Soiree by a group of his friends at the Galaxy, 338 Franklin Avenue, Belleville on Tuesday, January 26 at 8 P.M.

Everyone from the Rutan, Bellwood Park and Silver Lake areas is invited to attend.

This is an opportunity for all to meet with Dr. DiRuggiero personally, to more fully understand why he should be re-elected to our Board of Education.

**KITCHEN SUNSHINE**

Gold-toned woods like western hemlock remain the favorite for kitchen use because they bring light and a sunshine quality into the room. Hemlock woods beautifully with any color scheme, especially pink-copper, blue-green brown.

# Dr. DiRuggiero Airs Junior High Program

This is the second in a series of articles by Dr. Frank DiRuggiero, candidate for re-election to the Belleville Board of Education on the issue of education in Belleville.

Today, Dr. DiRuggiero would like to inform the citizenry of Belleville concerning our enriched educational program under

FRANK N. DIRUGGIERO

the guidance of principal and vice principal at the junior high school.

"Our youngsters have many advantages in our curriculum which were not available prior to our school reorganization. Today, our youngsters in these three grades are receiving typing, formal guidance services, 9th grade foreign languages, exploratory foreign languages for seventh and eighth grades, home economics, development reading and shop.

"Our teachers have the advantage of functioning in their major teaching fields rather than being

given assignments in their minor areas.

"Specialists are now working in art, music and physical education. Students are grouped in order to provide enrichment in the advanced groups and opportunities for more success with slower groups. In this way, we are able to help the potential drop-out remain in school. Further, these would be drop-outs are under the constant guidance of our counselors.

"I attended the Christmas program sponsored by the P.T.A. and I was delighted by the performance of the musical organizations. These youngsters could only do this through our present set-up. A well rounded activities program, which includes every youngster is in operation on a weekly basis.

"We have an adequate library under the guidance of a trained librarian who assists and instructs both teachers and students. An intricate part of the educational program is the use of audio visual aid materials and equipment which are easily accessible in our school.

"I am proud to have been a member of the board during the school reorganization, and I do hope that I will be returned to the Board of Education for the next three years to continue quality education for the youth of Belleville.

"The experience I have gained during the past nine years on the Board is invaluable in making decisions such as those concerning the re-organization of schools, and I hope that this experience plus my dedication to better education will warrant your support on February 9th."

## School Transportation Evaluation Suggested by Candidate Carragher

Frank (Junior) Carragher, candidate for the Belleville Board of Education on Feb. 9, 1965 issued the following statement before an informal gathering of Belleville residents.

The students of Belleville will always be the victims, but who will be their judge and jury deciding their fate on transportation to and from school. With sincere interest and concern I have seen the students of the Belleville Junior and Senior High Schools walking their routes to and from school, during fair and inclement weather. This is reasonable for those within a comparatively short distance. More alarming is the daily string of students of all ages posted on and along the roads toward each loaded down with books and what have you hitchhiking because of the great distance they have to walk. The complexities of dangers confronting them each day on these routes are staggering. In number as we all realize. I am sure that a Safety Program along these lines is a permanent part of our Safety Curriculum, however the problem is still very evident.

In my observation, I have watched with heavy heart the long struggling walk made by the students by our youngsters in the Junior High School, grades Seven and Eight specifically. Yes they attend school each day and rightfully so, a great number of them traveling up and down hills and across many dangerous intersections which we are conscious of striving for the education that is rightfully and proudly theirs in our democratic society.

"Research of this transportation problem with students and parents revealed that many of these reside just outside the area prescribed by law, therefore forfeiting the use of safe and proper bus transportation. I am sure this problem is of great concern to all parents. The irritating problem of bus transportation dealing with students affected by this condition due to a mileage stipulation by order of the New Jersey Law must be reviewed.

A general point of information, all parents should be aware of, is that the New Jersey law supersedes all other law and practices agreed upon by the local Board of Education. Because these school laws must be enforced parents find themselves in this predicament, yet desirous of safe and proper bus transportation especially during inclement weather.

FRANK CARRAGHER

ther. To meet this condition a fair evaluation of all areas affected by the problem, should be made by the Board of Education. The objectives being, what other areas of town warrant bus transportation and the overall cost it may entail. The possibility of establishing private bus lines for students should be recommended and brought into focus for discussion and evaluation. When all pertinent information is obtained and compiled, a study group of laymen should be invited from all areas of town for the final solution.

"It is true now, as in the past and will continue to be true in the future that many people become discouraged quickly when the solution of a problem may take some time to arrive at the ultimate answer. We must try to condition ourselves to be patient even though it may be frustrating and I say to all, "Let us begin because without the beginning there can be no ending."

AWARD WINNER — A/C oRland D. Beverly of Belleville, a dispatcher for Stewart Air Force Base's Petroleum, Oils and Lubricants section (POL) proudly displays the new sign he designed for his duty section. His winning design was selected from among 15 entries. Airman Beverly spent more than 50 hours completing the sign.

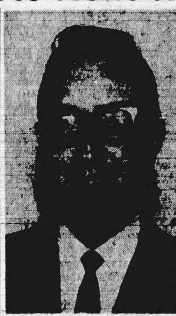

## Saletta Gives Views on Education

Rocco H. Saletta, candidate for the Board of Education, issued the following statement this week:

"You, the 'voter' should appraise the views and attitudes of each candidate if you are to vote wisely on February 9th. It is with this thought in mind that I am presenting to you my views as I see them. In this age of progress, there is always the need to keep up with our ever changing society. A good school board member must be alert to the future needs of our school system so that our youth can meet the challenge of this technological and automated age.

"A good part of our tax dollar is spent on education. However, money spent on education is the best possible investment in the future of America. School finance is big business. Belleville school board members are entrusted with spending approximately three million dollars each year. This money should be spent wisely in order to have the best possible program and full educational value for each dollar spent.

"We need a well balanced program that will adequately serve the needs of all children. Those with high academic ability who will further their education after graduation from high school, as well as those who will finish their

ROCCO H. SALETTA

formal education upon graduation from high school. With our elementary schools, our Jr. High School, and our new Senior High School, the Belleville school system can make additional progress toward serving all pupils with more practical, manual, and industrial educational needs.

"A program should be adopted to aid in the elimination of dropouts. Dropout attitudes are acquired in the primary grades. Therefore, here is where I feel steps must be taken to provide the elementary schools with a curriculum to satisfy the needs of our children. The primary grade student is in his formative years, and this is where a good program can be developed to indoctrinate him with the benefits of formal education.

### Talk Set Tonight On Retarded Youths

Harry Blank, Assistant in Governmental Affairs for the National Association for Retarded Children, will speak on "The Role of the NARC in State and Federal Legislation" at the monthly membership meeting of the Essex Unit, New Jersey Association for Retarded Children to be held tonight at 8:30 p.m., at the Glen Ridge Congregational Church, 185 Ridgewood Avenue, Glen Ridge.

Blank will highlight the benefits afforded retarded children as a result of recently passed legislation. As the former executive director of the Pennsylvania Association for Retarded Children, he will cite his own experiences in working with the Pennsylvania legislature.

### Sgobbo Serves At Cherry Point

CHERRY POINT, N. C. — Marine Private Arthur A. Sgobbo, of Mr. and Mrs. Otto M. Sgobbo of 59 Sanford Ave., Belleville, is serving with Marine Wing Service Group 27, a unit of the Second Marine Aircraft Wing based at the Marine Corps Air Station, Cherry Point, N. C.

His unit has the mission of providing air base facilities and supply support for units attached to the Second Marine Aircraft Wing.

"On Jan. 11th at 'Candidates Night' at School No. 5, I was invited to present to the citizens of Belleville some of these views. I found it encouraging to see the number of interested citizens of Belleville who attended this meeting. These citizens had the opportunity to listen to the candidates express their views as to the reasons they were seeking a seat on the Board of Education.

"In my estimation, this is the most important way a citizen can evaluate all the candidates as individuals, since each candidate must speak on his own and then answer questions presented to him by the citizens. The citizens will again have the opportunity to listen to the candidates speak at 'Candidates Night' on Feb. 4th, at School No. 8, at 8:00 P.M."

### Tableau Slated By Hadassah

The Belleville - Nutley Chapter of Hadassah will present at its regular meeting on Tuesday evening, at the Congregation Achavath Achim, Academy St., Belleville, a tableau entitled, "Behold the Sacred Sand," a dramatization of the Jewish people's determination to turn degradation into dignity and dispersion into nationhood.

The cast includes the following Belleville women: Mrs. Jack Ginger, Ivan Ginger, Robert Linscher, and of Nutley, Mrs. Herbert Gotschall, Gertrude Goldschmidt, Theodore Hirsh.

### Seaman Faronea Aboard Carrier

USS RANDOLPH — Seaman Apprentice Natale J. Faronea, USN, son of Mr. and Mrs. Natalie Faronea of 425 Cortlandt St., Belleville, is serving aboard the anti-submarine warfare aircraft carrier USS Randolph, operating out of Norfolk, Va.

When operating with the fleet the Randolph serves as the hub for the anti-submarine warfare "Hunter-Killer" group composed of surface, sub-surface and air

## A Present for Wuster?

The Town Council voted, 3-2, last week to replace Town Attorney Leslie W. Finch, who has resigned effective February 1, with a team of Acting Town Attorney Charles B. Tedesco of Belleville and Special Counsel Emil B. Wuster of Hackensack.

Tedesco will draw no additional salary. Wuster will receive the nearly \$9,000 salary formerly paid to our town attorney and many residents are asking: Why?

Wuster has made it clear that he will not attend Council meetings and will not handle any of the Municipal Court work. In fact, as one Councilman said prior to the vote, Wuster is being paid the \$8,000-plus salary and may never enter the Town.

Councilman Robert Westpy introduced the resolution appointing the Tedesco-Wuster team and was supported by Mayor Nuncio R. Pico and Councilman Ralph Casale. Councilmen William Cullen and James R. Golden were opposed to the appointments.

One of the facts in the appointment of Wuster that is being questioned in local political circles is why he is being paid the full salary of a town attorney for his services as special counsel when he was willing to take the same job last July for about half the money?

Westpy had urged that the Town Attorneyship be divided between Wuster and Finch last July with the two attorneys to divide the normal salary between them.

It appears to many people as though the 3-man majority voted a special gift of about \$4,000 to Wuster. The question is what will he do now that he would not have done if appointed in July that is worth the additional money?

Wuster is familiar with Belleville politics. He served as the attorney for Westpy

and the For Recall Committee in the legal battles that preceded the recall election. However, since he will not attend to anything but cases outside of Municipal Court this knowledge would seem to be of little value.

Since several local attorneys were willing to accept the post of Town Attorney for the same salary that Wuster has been granted, we believe the Council majority—headed by Westpy—owes the taxpayers a detailed explanation of this apparent waste of taxpayers' money.

When capable attorneys such as Theodore Bellet and John Noonan of Nutley, were willing to perform all of the services of a Town Attorney, which includes attending Council meetings and handling cases in Municipal Court, the taxpayers are owed an explanation as to why these men were passed over to give the same amount of money to at best a part-time attorney.

When capable local attorneys were available for the job, why was an out-of-towner given the post? Could it be a reward for past services rendered? We believe Councilman Westpy is obligated to provide the taxpayers with answers.

Since there is no definite assignment that goes with the title of special counsel, we believe it would only be proper for the Council to require a monthly report from Wuster as to the hours spent on Town affairs, and what services he was returning to the Town for his salary.

Only by a public report on his activities will the voters be able to decide whether or not Wuster is earning a salary or whether he has received an \$8,000-plus gift.

If Wuster has been presented a gift the taxpayers have a right to know, since they are the ones who are actually making the presentation and paying him the money. FCW

## A Mistake in Judgment

Town Manager John R. Burnett is a man who handles more problems and makes more decisions in one day than most of us do in a month. It is only natural that some of his decisions would be mistakes.

We think his action last week in closing all records and information from the tax office to all Councilmen was one of his mistakes.

Most people are aware that under the Manager-form of government only the manager can give an order to a Town employee. Neither the Mayor nor any of the Councilmen have the right to issue an order to any Town worker, except through the Manager.

We believe this is one of the strengths of the Manager-form of government as it keeps most of the political pressures off of Town workers with a definite gain in productivity.

However, we do not believe the Faulkner Act was written to give any Town Manager the right to fence off the activities of the Town government or employees from the elected representatives of the people.

The manager is hired by the Council and only remains the manager of a Town as long as the elected members of the Council are satisfied that he is running the Town government for the benefit of the people and providing efficient government.

We do not believe that any law gives the manager the right to stop the elected

representatives of the people, as a group, who are actually his employer, from finding out what is going on in our government. We don't believe that the only knowledge a councilman may have as to the efficiency of our government is what the manager tells him.

If such was the case, Councilmen would have little value as they could be little more than rubber stamps for a manager who would be able to run our government as a dictator without any check on his power or activities.

Our government, from the smallest hamlet to the office of President of the United States, has been set up to serve the people and it was decided by our forefathers that a system of checks and balances must be provided to make certain that we remain a government for and by the people.

If the manager had the right to stop a councilman from checking into the activities of Town Hall employees, this would eliminate all checks on his performance and give him dictatorial powers.

We are aware that Manager Burnett was under pressure in relation to the tax bills being six weeks past due in mailing. We feel certain that he acted in haste and that the order forbidding all Town employees to answer any question from a Councilman pertaining to their work in relation to the affairs of the Town, will—if it hasn't been already—rescinded in the near future.

## EDITORIAL LICENSE QUESTIONED BY WESTPY

January 14, 1965

To the Editor, Times—News:

Since my first step into the arena of local politics, I have been told many, many times, by so-called experts in this field, that I must never engage in a quarrel with a large newspaper, the editor or the staff. This advice appears logical because, of course, newspapers not only have the last word but the editor can sustain any statement or news story within, of course, the limits of statutory libel. Unfortunately, your use of the news media, published as the "Belleville Times" makes me wonder just how much editorial license you and your staff assume to be reasonable.

You will examine your news stories, particularly your front page material for the past few months, you will find column after column devoted to wild, senseless and unreliable charges made against the officials, the employees and the services of the Town of Belleville by a man who, although an elected official, openly boasts that he will break this form of government just as he broke the last form of government and the elected officials who first started operation of our present form. This man has never lived up to his obligations under the form of government to which he has been elected and he stops at nothing to degrade and belittle our town government, our county government and our state government. Yet, you print everything he says, and everything he writes, without attempting, at any time, to verify the truth of the statements.

You, above all people, know that when a charge is made or printed, no matter how wild it is, certain people will take those statements for truth because they appeared on a printed page. You also know how wild the charges this man is fond of making against you and all things that are not dominated by him. I say you know them, because of the constant and critical abuse directed upon you and your paper for the last two years preceding last July 1st. Now, by permitting this man almost limitless use of your paper without in any way checking the accuracy of his statements, you, obviously, endorse this man as a fine and capable elected official, superior to all others in the Town of Belleville. You thus obviously, consider our government at a very low level indeed.

Else, why do you feature only the detractors of our government and never its advocates? The good things in Belleville far outweigh the bad. You must know that. Our government is functioning better and more economically than any previous government. Belleville has never known. Again, you must know the progress we have made and are making.

When I was informed that your local editor had called my home and asked me to give him a statement at the year's end of 1964, I was not home to receive the call nor did I have time to return it the next day. I did, however, take the time and trouble to write a statement of what I thought of our town government and what I expected, not hoped, expected, to see accomplished in Belleville in 1965—no word of that statement has yet appeared in the Belleville Times. This statement has been in your possession for the past two weeks, yet, I see a story on the front page of today's issue where you say the Manager "Closes his records to Council" because the Councilman, who is apparently your prize and joy, was denied the right to visit the state under which he was elected and disrupt the orderly procedure of our tax office within the last twenty-four hours.

You headlined the Route 21 controversy, created again by your Councilman's pet, but not one word from the Manager's Report proving how reasonable our new License Ordinance is as to fees and the wonderful effect it has had on our delinquent personal tax collections.

Service credits. 9. Blue Shield to be continued fully paid by the company until the passage of a State of Federal Medicare Bill and when the individual is eligible for Medicare coverage. This clause, pertains to pensioners only, by

You condemned the Chief of Police, editorially, for transferring men out of the detective bureau and yet failed to report the details and the importance of the new traffic squad that had been established. Incidentally, you question the integrity of not only the Chief of Police but all of the superior officers and yet I have never read one word nor heard one person speak of Chief McGinnis other than in words of the highest praise for the man—his integrity—and his excellent record.

Frankly, Mr. Orechio, I am puzzled. I am also curious. I do know you personally but I can't conceive of your willfully using your paper as an organ to blacken Belleville by innuendo and suspicion when you yourself state in the masthead of your paper "The only paper in the world interested in Belleville."

Please Mr. Orechio, what gives?

Very truly yours,  
Robert E. Westpy  
Councilman

Ed's Note: We are happy that Councilman Westpy is aware that The Times-News is "The only paper in the world interested in Belleville." We say this on our masthead and believe it sincerely.

However, since we are interested in the future of the Town and the residents in it we believe that our first obligation is to the people of Belleville and not to the furthering of any one individual's political career.

We believe that our obligation is to print the news and not to print a make believe image of our government or the people who are a part of our government.

We refuse to print only the good and turn our back on the bad happenings in Town.

Councilman Westpy certainly should be aware of our fair editorial policy, at least since he skyrocketed to the forefront of local politics as the head of the For Recall Committee. At that time, although we did not believe a recall was in the best interests of the Town, the columns of The Times-News opened to Westpy in order to bring his views and those of his committee to our readers.

It has been and is at this moment a fact that The Times-News will print both sides of any story that involves the welfare of the Town or the actions of any and all persons in it.

Without mentioning names, Councilman Westpy charges that we are printing too much information released by one of his low councilmen. Since he is an elected member of the Council (we believe elected by the highest number of votes of all the men presently on it) we feel we have an obligation to print his charges, without asking permission of the Majority bloc.

By the same token, we will also print, as we have in the past, the replies and counter-charges of any other member of the Council.

Going to another of Westpy's charges, we do not consider our government at a very low level. We do not believe it has been above criticism in the past, nor is it likely to be in the future. The Councilman may be reminded of the attempt to give away the Municipal Stadium in violation of State law, and may move to the present appointment of Emil B. Wuster of Hackensack as a special counsel with a salary equal to that paid a full-time Town Attorney in the past.

Councilman Westpy did submit a statement on his views for 1965. The statement was to be part of a feature entitled "Look for 1965" with the names of Mayor Pico and all councilmen presented in one package in the first edition of the New Year. Councilman Westpy was the only Councilman who failed to get his statement to us by press time.

He never even called to say he was appearing on the feature. A week after the feature was printed, Manager John R. Burnett called us to say that he had a statement from Westpy for us. When we finally received it several days later, we explained to Burnett that it had no value as far as the feature was concerned but that it would be printed as soon as space was available. We did not believe that his statement, already two weeks late, was of more importance to the public than the statements of each and every school board candidate in the coming election. Since Westpy never told

us he was writing the article, we not called to ask us why it had not yet been printed, we assumed that he did call Mr. Burnett and had received the explanation.

It is to be noted that the connection between not rushing Westpy's already late statement into print and the vital story that the manager had closed off all records to all Town Councilmen. Our views on this matter are printed in our editorial column this week.

We agree that the Councilman has no right to "disrupt the orderly procedure of our tax office." However we feel he and all other elected Councilmen have an obligation to all residents to check for themselves as to why the tax office is not performing its duties at the necessary time.

We printed the story on Page 1 because we heard the employee refuse to give an elected representative of the people any information except "see the manager." We do not believe the present manager or any future manager has a right to limit the Councilmen, elected by the people, to information and views that he alone may choose to give out. If this would be the case, Councilmen would have no value to the Town whatever and the manager would be a dictator.

Concerning the Route 21 controversy, State Highway Commissioner Palmer also felt the charges had some importance and ordered an investigation into them. The major questions of whether or not the Town was aware that this piece of highway was to be vacated have still been unanswered. (See Story Page 1.)

As far as the Manager's Report and data contained in it, Councilman Westpy should be aware that for the past many months the Manager's Report is printed in total, without any editing, in the Times-News. We believe that the report is to all residents of Town as well as to all elected representatives.

Concerning our editorial on politics in the police department, we have always had the highest regard for Police Chief Charles McGinnis and have said so publicly and in print many times. We did not question his integrity, but rather his decision in the case. While we have the highest regard for Chief McGinnis we are aware that he also has superiors in the form of Manager Burnett and the Town Council. We would have the lowest regard for any representative of the people who used his position to interject politics into the Police Department. We

asked then and we ask again: and Emanuel; his mother, Mrs. Antoinette Tancredi of Belleville; three brothers, Samuel, Vezona and Charles and Ralph

Councilman Westpy said he was puzzled. We hope we have set the record straight. We are interested in the future of Belleville and would enjoy printing only good reports on our government. However we will not close our eyes to the bad side of things so that we can paint a false picture. Councilman Westpy and other members of our Town Government actually paint the picture of Belleville, we only reflect it in our columns.

Councilman Westpy can help enlighten the picture by explaining why he proposed the appointment of Attorney Wuster to a part-time post at full-time salary, when several local attorneys were willing to work full time for the same money. . . . FCW

Mr. Tancredi, who was 84, died in an automobile accident Thursday, January 15. He was driving south in McCarter Highway, Newark, when a northbound car mounted the center divider near Chester Street and struck his car.

Born in Newark, Mr. Tancredi had lived in Belleville for 20 years before moving to Irvington in 1961. He was a foreman at the Bendix Aviation Corp., Teaneck, where he had been employed 11 years. He was an Army veteran of World War II.

He leaves his wife, Mrs. Constance Tancredi; two sons, Michael and Emanuel; and a daughter, Mrs. Antoinette Tancredi of Belleville.

Funeral services were held Friday, January 15, from the William W. Irvine & Son Memorial Home, 276 Washington Avenue, Belleville, to Wesley Methodist Church, where services were conducted by the pastor, the Rev. William D. Dike. Interment was in East Ridgewood Cemetery, Delaware.

us he was writing the article, we not called to ask us why it had not yet been printed, we assumed that he did call Mr. Burnett and had received the explanation.

It is to be noted that the connection between not rushing Westpy's already late statement into print and the vital story that the manager had closed off all records to all Town Councilmen. Our views on this matter are printed in our editorial column this week.

We agree that the Councilman has no right to "disrupt the orderly procedure of our tax office." However we feel he and all other elected Councilmen have an obligation to all residents to check for themselves as to why the tax office is not performing its duties at the necessary time.

We printed the story on Page 1 because we heard the employee refuse to give an elected representative of the people any information except "see the manager." We do not believe the present manager or any future manager has a right to limit the Councilmen, elected by the people, to information and views that he alone may choose to give out. If this would be the case, Councilmen would have no value to the Town whatever and the manager would be a dictator.

Concerning the Route 21 controversy, State Highway Commissioner Palmer also felt the charges had some importance and ordered an investigation into them. The major questions of whether or not the Town was aware that this piece of highway was to be vacated have still been unanswered. (See Story Page 1.)

As far as the Manager's Report and data contained in it, Councilman Westpy should be aware that for the past many months the Manager's Report is printed in total, without any editing, in the Times-News. We believe that the report is to all residents of Town as well as to all elected representatives.

Concerning our editorial on politics in the police department, we have always had the highest regard for Police Chief Charles McGinnis and have said so publicly and in print many times. We did not question his integrity, but rather his decision in the case. While we have the highest regard for Chief McGinnis we are aware that he also has superiors in the form of Manager Burnett and the Town Council. We would have the lowest regard for any representative of the people who used his position to interject politics into the Police Department. We

asked then and we ask again: and Emanuel; his mother, Mrs. Antoinette Tancredi of Belleville; three brothers, Samuel, Vezona and Charles and Ralph

Councilman Westpy said he was puzzled. We hope we have set the record straight. We are interested in the future of Belleville and would enjoy printing only good reports on our government. However we will not close our eyes to the bad side of things so that we can paint a false picture. Councilman Westpy and other members of our Town Government actually paint the picture of Belleville, we only reflect it in our columns.

Councilman Westpy can help enlighten the picture by explaining why he proposed the appointment of Attorney Wuster to a part-time post at full-time salary, when several local attorneys were willing to work full time for the same money. . . . FCW

Mr. Tancredi, who was 84, died in an automobile accident Thursday, January 15. He was driving south in McCarter Highway, Newark, when a northbound car mounted the center divider near Chester Street and struck his car.

Born in Newark, Mr. Tancredi had lived in Belleville for 20 years before moving to Irvington in 1961. He was a foreman at the Bendix Aviation Corp., Teaneck, where he had been employed 11 years. He was an Army veteran of World War II.

He leaves his wife, Mrs. Constance Tancredi; two sons, Michael and Emanuel; and a daughter, Mrs. Antoinette Tancredi of Belleville.

Funeral services were held Friday, January 15, from the William W. Irvine & Son Memorial Home, 276 Washington Avenue, Belleville, to Wesley Methodist Church, where services were conducted by the pastor, the Rev. William D. Dike. Interment was in East Ridgewood Cemetery, Delaware.

## BECK'S COLUMN

By MAX BECK

The television industry embarked on May 1, 1964 on a program to correct a big mistake. Like all mistakes, this one is very costly to remedy, to the tune of 250 million dollars. As usual, the public will have to spend the money or at least most of it. You may have heard or read that many TV sets manufactured after May 1 of this year and shipped in interstate

# PERSONAL AND SOCIAL HIGHLIGHTS OF THE WEEK

## Neighborhood News

The neighbors of Sycamore Drive are excited to see Betty Barry, 10, Chestnut Street, Betty has spent the past five Christmas Eves directing and driving Santa Claus around to visit the children before midnight. The kids (big and small) loved it!

**Belated Birthday Wishes** to Charles Constantino, proprietor of the Brighton Tavern who celebrated his 77 birthday last week. Happy birthday Charles!!!!

Mr. and Mrs. Eric Hulme of 122 Bell Street, spent the Christmas holidays with their son, Donald, in Boston Mass. They were his guests at the Ritz Lounge there, where Donald was playing. He is a noted accordionist.

It was good to see Joseph Biancardi of King Place, on the Central Palsy Telephone on a recent Sunday receiving phone calls for pledges. —A.S.

**Congratulations to Mrs. Frank LaPlaca** of 157 Beech Street for winning fourth place in the "sagan" contest. Fourth prize consisted of haircut, shampoo and set, and a manicure at Macy's or Bamberger's Department Store.

**OFF FOR BAHAMAS**  
Leaving January 14 for a winter vacation in the Bahamas via a three day stopover in Miami are Mrs. Anthony Amato of 46 Cleveland Street and Mrs. Angela Petronio. They will stay with Mrs. Anthony Roselle, Mrs. Amato's niece. Happy landings.

Despite bad weather with rain and snow the whole trip, Mike DeMoe of 35 Liberty Avenue had a marvelous two-week holiday visit with all of his family in Avellino, Italy, a little town in the mountains near Naples. Christmas day was especially exciting as more than 100 relatives arrived at his sister's home for Christmas dinner.

It was dance time again at the Knights of Columbus Hall on January 2 with music provided by the Merry Men. In between the "monkey" and the "chickenback", the girls chattered and the boys munched on pretzels, potato chips and drank Coca-Cola. Those who chaperoned were John, Alex, Steve Connolly, Bill Cook, Jr., Carl Fusco, Bill Mroczek, Mike Risoli and Danny Serpentelli. The next dance will be held on February 13 with a Valentine theme.

Mr. and Mrs. George Sosin and their daughter, Carol have just arrived home from a two week West Indies cruise. They visited Barbados, Curacao, Martinique, Trinidad, San Juan and St. Thomas. In between sightseeing, they delighted in swimming in the Caribbean.

**WINNERS FETED**  
A "winners" party was held January 7 at the Recreation House for the players of the Little League Varsity football team who took first place in their league for the second year in a row. The party was given by Lou Vitale of 78 Baldwin Place, head coach, and his assistants, Carmen DeBajo, Elmer Haug and Pat LaMorte. Each boy received a trophy from the Recreation Department. Congratulations boys for a job well done!!!

David Schreier of 133 Smallwood Avenue and his sister, Mrs. Samuel Schwartz, of River Edge took a quick four day trip to Santa Monica, Calif. to see their mo-

Her grandparents are Mr. and Mrs. Frank Scarpelli of the same address, and Mrs. Marie Morfe of Levittown. All the family attended.

Mr. and Mrs. Louis Scarpelli of Passaic Avenue, entertained Saturday evening despite the snow storm. Mr. and Mrs. Frank Olivio of Bernice Road, Miss Angie Custode of Clark and Fred D'Amola of Newark were among the guests.

Mr. and Mrs. Nino Buccarelli and Mr. and Mrs. Vincent Mustachio, of Belleville were entertained at the home of Mr. and Mrs. Joseph Guarino of Nutley, this past week. The Guarinos had invited approximately 16 guests.

Donald Hulme is now playing in the Boot Room at the La Strada Terrace in the Pizze Tomasso Restaurant, Montreal, Quebec, for the next three weeks. You certainly get around Donald. Incidentally, Hulme receives the Belleville Times News whenever he is. His dad, Eric Hulme of Bell Street, sends it to him faithfully.

**ACTIVE AT ESSEX**  
Mr. and Mrs. Anthony De Belleville of 242 Washington Avenue, Belleville are very proud of their son, Anthony, 14, a student at Essex Catholic High School. Out of 40 boys who tried out for track, four were picked, and Anthony was one of them.

They competed first at Essex Catholic and Anthony came in first, and received a medal. Then the Essex County Meet was held, a competition of all schools and Anthony came in first again, receiving another medal. No wonder his parents are proud of him; so are we. Keep up the good work Anthony!!!!

Miss Marie A. Serrettella of Magnolia Street was a guest of Mr. and Mrs. Frank P. Zimmer of Spring Lake for the weekend. On Friday, Miss Serrettella attended a surprise birthday luncheon given for Mr. Zimmer at the Homestead, by Mrs. Alisa Dunn. On Saturday, evening, Miss Serrettella and Mr. Zimmer were dinner guests of Mr. and Mrs. Scholas Duma of Spring Lake Heights, formerly of Belleville.

**WEEKEND GUEST**  
Little Deana Messina of Baldwin Place, Bloomfield, spent the weekend with Miss Geraldine Serrettella of Magnolia Street. On Sunday they were dinner guests of Mr. and Mrs. Frank Dittori of Watessing Avenue, Bloomfield.

Get well wishes to Mrs. Fred (Norma) Appenzeller of Belmont Avenue who is a patient at Columbus Hospital, Newark.

Mr. and Mrs. Walter C. Newton, of 305 Philadelphia Avenue, Cape May, formerly of Forest Street, Belleville, would be pleased to have former friends and associates of Belleville drop a line or two or visit with them if they are in their vicinity.

Newton was retired from the Western Electric Company of Belleville and after living here 40 years, moved to Cape May. They receive the Belleville Times News and keep abreast of Belleville news.

Congratulations to Caesar Romano and Joe Nagel, new owners of the Purty Market on Belleville Avenue. Lots of luck boys.

Happy Birthday to Mrs. Salvatore Calabro of Fairway Avenue, Mrs. Calabro celebrated her birthday on Sunday, January 17th, with a dinner for her family and visiting relatives. —A.S.

## Mid-Winter Engagements Told

MISS AILEEN LA MURA

**Aileen La Mura To Wed Teacher**  
Mr. and Mrs. Bruce La Mura of 19 Lincoln Terrace, Belleville, have announced the engagement of their daughter Miss Aileen Louise La Mura, to Signum Obrowski, son of Mrs. Signum Obrowski of Bayonne, and the late Mr. Obrowski. The betrothal was made known on Sunday, January 17, at the Galaxy, Belleville.

A graduate of Belleville High School, Miss La Mura is presently a sophomore at Montclair State College, Panzer Division, where she is a member of Delta Alpha Chi sorority. Her fiancé was graduated from Bayonne High School and Montclair State and is presently a teacher at Belleville Junior High School.

The wedding will take place on August 29th.

MISS BETTY ENG

**Miss Betty Eng Is Future Bride**  
Mr. and Mrs. Tom Eng of 482 Washington Avenue, Belleville, have announced the engagement of their daughter, Miss Betty Eng, to Neil Keen Chen, son of Mr. and Mrs. Henry Chen of New York. The announcements were made December 28 at the Pagoda Restaurant, New York City.

A graduate of Belleville High School and the Berkeley Secretarial School, the bride-elect is a secretary with Waller Kidde & Co., Inc. A graduate of Hughes High School and Manhattan College, Mr. Chen is an engineer at Federal Aviation Agency (FAA), New York.

**Religious School PTA To Hear Book Review**  
The PTA of the Religious School of Congregation Ahavath Achim of Belleville, will meet tonight, Thursday, at 8:30 p.m. at 125 Academy Street, Belleville.

Rabbi Victor Cohen will review the book, "First Papers" by Laura Z. Hobson. All are invited to attend. Mrs. Joseph Kuranman is president and Mrs. Jack Perlow is program vice-president.

**PLEASE NOTE**  
Material submitted for publication in the Social Section of this paper must be in our office on the Thursday preceding date of publication. Material must be typed or written legibly, and the name, address and telephone number of the person submitting the article must be indicated.

Weddings and engagements, together with pictures, should be in our office at the earliest possible time as there is often a backlog of this type of material, and it is customarily published in the order in which it is received.

**Music will be furnished by The Continentals** featuring the Daquiries and Joanne Jo. Dress will be semi-formal.

When you are making a tossed salad, count on a cup of greens for each portion even when there are such extra additions as cucumber.

## Belleville Youth Named To Academy Key Club

In the first assembly program held in Newark Academy's auditorium, Head Master Robert M. Butler announced the charter members of the Key Club.

Selected for membership in the club from the local area are William H. Goeckler, son of Mrs. Lore M. Goeckler of Washington Avenue, James A. Arvidson, son of Mr. and Mrs. Ernest Arvidson, 178 Floyd Street; Van Kostowicz, son of Mr. and Mrs. Steven Kostowicz, 507 Greylock Parkway, and Kenneth Price, son of Arthur Price, 189 Adelaide Street.

The Key Club is an honorary organization made up of no less than 15 members nor more than 20 members, and constitutes approximately five per cent of the total school enrollment. Candidates are selected from the Third, Fourth and Fifth Forms by the faculty and administration on the basis of their scholarship, character, leadership and spirit.

OFF FOR NASSAU: Mrs. Carol Rowitz of 78 Watessing Avenue, and Miss Agnes Mork of 67 Brighton Avenue are shown on the deck of the SS Queen Frederica just before sailing recently from New York Harbor for a winter holiday vacation cruise to Nassau in the Bahamas.

## Local Children To Perform In Citizenship Program

Geraldine Palmisano, daughter of Mr. and Mrs. Michael Palmisano, 60 Perry Street, Belleville, will sing "America The Beautiful" following the Pledge of Allegiance to the flag, at the annual Education for Citizenship program of the Woman's Press Club of New York City on Saturday, January 23.

She will be accompanied by Louis Stefanelli, violinist, son of Mr. and Mrs. Louis Stefanelli of 49 Carner Avenue, Belleville and Lawrence Hoogerhyde, pianist, son of Mr. and Mrs. Marinius Hoogerhyde of Nutley.

The young music students, who will be introduced to a distinguished audience by Roe Dolon, leader and educator, are pupils of the DeLone Studio of Music and Dramatic Art in Nutley.

Vice President of the United States Hubert H. Humphrey, and Ambassador Adlai E. Stevenson, U.S. Representative to the United Nations, have drafted special messages of National importance of our American Heritage and the active part each American citizen must now play in maintaining our American way of life.

Roger L. Stevens, Special Assistant to the President of the United States on the Arts, will be the main speaker followed by Darius Shavaksha Jhabvala, famed United Nations correspondent of the N.Y. Herald Tribune from India, and Dr. R. Norris Wilson, executive vice-president of the U.S. Committee for Refugees.

Distinguished New Jersey guests of honor will be Peter W. Rodina, Jr. Congressman for New Jersey, and Mayor Harry W. Chenoweth of Nutley. Mrs. Lythe Orme DeLone of Nutley is chairman for this memorable event. Admission is by invitation only.

AT THEATRE PARTY  
Mr. and Mrs. Peter Fitzpatrick of 57 Smith Street and Mr. and Mrs. Herman Chel of 101 Continental Avenue, Belleville, recently had dinner at the Delsonma Restaurant Newark, and attended a performance of "Hello Dolly."

They were in a party of members of the Anchor Club of Newark.

## BHS Class of '47 Planning Reunion

Long range plans are under way for a 20th anniversary reunion of the Belleville High School Class of 1947. Members of the committee headed by Mrs. Louise Lucciola Micelli of 101 Forest Street, Belleville, are already at work endeavoring to locate former classmates.

There were approximately 300 in the class, and are still a large number who have not yet been located, according to Mrs. Micelli. Anyone knowing the whereabouts of members of the class is asked to contact the following members of the committee:

Mrs. Alison Pittman Bogert, 65 Bremont Street; Mrs. Ethel Robbins Smith, 63 Bell Street, and Mrs. Jean Constantino Barbone, 18 Tremont Avenue, all Belleville, and Mrs. Elizabeth Harnage Westlake, 320 Park Avenue, Nutley.

## Rosary Society Installs Slate

The Rosary Altar Society of Holy Family R. C. Church, Nutley, will hold its annual investment of new officers Monday evening, January 25, at 8 o'clock in the church.

Mrs. William J. King will be inducted as president. Mrs. Frank Garruto, vice-president; Mrs. Victor Pennetta, recording secretary; Mrs. Philip Possumato, treasurer, and Mrs. Albert Jezek, corresponding secretary.

Mrs. Vincent Lessa, church organist, will play. Following the investiture ceremonies, a meeting will be held in the auditorium with Mrs. King presiding. The Rev. Henry Naddo is moderator.

## School 3PTA Card Party Set

Plans have been completed for the annual card party to be held by School Three P.T.A., Friday, January 29, at 8 o'clock in the All Purpose room.

Mrs. Robert Boxer and Mrs. Charles Neiminger are co-chairmen of this forthcoming event. Dessert will be served and table and door prizes will be awarded. Tickets may be obtained from any School Three student or at the door that evening.

## Hugh H. Welsh Is Engaged To Miss Kathleen Minnich

MISS KATHLEEN MINNICH

Mr. and Mrs. Charles Minnich, Jr., of Philadelphia announce the engagement of their daughter, Miss Kathleen M. Minnich, to Hugh H. Welsh, son of Mr. and Mrs. Hugh W. Welsh of Van Houten Place, Belleville.

Miss Minnich, a graduate of Holy Child Academy, Sharon Hill, Pa., and Notre Dame College of Maryland, is presently working as a research assistant in the Wilmer Eye Institute at Johns Hopkins Hospital, Baltimore.

Mr. Welsh, an alumnus of St. Bede's Preparatory School and St. Peter's College, was graduated from Rutgers University School of Law where he was a member of Phi Alpha Delta legal fraternity. He is presently associated with the law firm of Korman and Finch in Belleville. A spring wedding is planned.

## The Alfonso Di Clementes Mark Golden Wedding Day

Celebrating their 50th wedding anniversary this weekend are Mr. and Mrs. Alfonso Di Clemente of 22 Brook Street, Mr. Di Clemente was born in Leone, Italy. He came to the United States as a young boy and settled in Newark. He was employed by the Wiss Company before his retirement three years ago. His wife—the former Camilla Calabrese, was born in Newark.

The couple was married January 24, 1915 in St. Lucy's R.C. Church, Newark. They have six children, Joseph and Edward of Belleville, Anthony of Iselin, James of Newark, Jean and Mrs. Catherine Catulillo of Belleville. They also have ten grandchildren.

A family reunion will take place at the home of their oldest son, Joseph, of 28 Florence Avenue, on Saturday, January 23rd. Twenty-two club members were present.

### Young GOP Meets

Mr. and Mrs. Richard Kondrecht of Washington Avenue, Belleville, were hosts to members of the Young Republicans Club at their home Sunday evening, January 17.

Guest speakers were Mayor Nuncio R. Pico and Mrs. Agnes J. McCarthy, a candidate for a seat on the Board of Education, on Saturday, January 23rd. Twenty-two club members were present.

# BELBOYS TRAP COLUMBIA

## 22 Points By Rush Pace Win

BY STEVE CHAREN

Nine straight Belleville points, stretched over the first two quarters, followed by an eight point run minutes later, broke open a tight game, and started Belleville's 35-42 romp over Columbia, Friday. The victory broke the Bellboys' two game losing streak and extended Columbia's losing skin to five.

Andy Lesnik scored the first four points to give Columbia an early lead. The Bellboys then scored five straight, with three points by Nick Pizzuto and two by Jimmy Brown, to make it 5-4 by 2:10. Lesnik hit with a jump shot at 1:31 to make the score 4-5. With 45 seconds remaining in the first quarter, Rich Pucciarello made a jump shot to give the Bellboys a lead they never lost. Ken Fulmore's free one made it 8-5 by the end of the quarter.

The Bellboys kept right on rampaging in the second quarter by scoring six points (three by Fulmore) in the first minute and a half to make the score 14-5. Ken Grant scored for the Cougars before Belleville again went on a rampage. This eight point streak was spearheaded by a tap-in and jump shot by Bill Rush; it made the score 22-5 by 2:07. From here on in, it was just a matter of time; the Cougars had been bagged. The margin stayed about the same the rest of the way by staying between 10 and 18 points.

One of the key factors in Belleville's first half break-away was personal fouls; the Cougars committed seven, and the Bellboys, one. The lone Belleville foul occurred with 11 seconds remaining in the half; by then, the game was over. In the second half, the Bellboys fouled eight times, and the sharp Cougars capitalized to finish with 10 of 12 free ones for 83 per cent. But, fouls hurt the Cougars in the second half too for their two big men, Rich West and Roger Granet fouled out in the third quarter with 2:10 and 1:34 remaining, respectively. The Bellboy man-to-man defense deserves plenty of credit for holding this high scoring game to five points.

After a well-bounced first half, Bill Rush scored 17 points in the second half to lead the way with 22. Ken Fulmore and Nick Pizzuto who had tied Rush for the scoring lead in the first half, collected four points apiece in the second half to finish with 11 and 10, respectively. This was the seventh straight time that two or more Bellboys hit double figures. Two lesser lights, Andy Lesnik and Tom Sweeney, led the Cougars with 10 points each.

Both teams were "off" from the floor, but Belleville was a little better, making 39 per cent of its shots to 31 per cent for the Cougars. As it has been in the past, the Bellboys controlled the boards. Rush pulled down 15

## BELLBOY MATMEN PIN NUTLEY

Tony Sorrentino

Belleville wrestlers took a cape was the difference as he won 1-0, and the Bellboys took the meet 21-7. Going into the final two matches, the Bellboys were trailing 17-15. But, first-year man, Tony Sorrentino, decided Nutley's Cliff Mueller, who was a semi-finalist in the Montclair Invitational Tournament, 5-1 to make the score 18-17. Then, it all rested on the hulking shoulders of Hal Avalon, "Ollie's," second-period es-

Dan Bivona

were behind 8-3. Dave Ebert (42) then returned to action by taking a 41 decision on a reversal and take down to make the meet score 8-6. The Bellboys continued to come back when co-captain Dan Bivona edged Nutley's stalwart Gunningham in the 129 pound class. A second period escape was the only point in the crucial match; this put Belleville ahead 9-8. Sophomore Joe Villano then made his debut in the 135 pound class by deciding Carmen Lo Re (Re member him from football season '57). 7-4. Villano went ahead 4-0 on a reversal and predicament before an escape, infraction, and reversal tied the match

## Belleville Tops Bloomfield, 65-55

Bill Rush scored 33 points, just three shy of the school record, to lead Belleville's 65-55 upset of Bloomfield. After the Bengals had cut Belleville's lead from 12 points to one, the Bellboys ran off nine straight points in the final 1:29 to knock Bloomfield (10-2) from first place in the Big Ten. While taming the Bengals, the Bellboys (7-5) trailed only once, at 21-9.

Rush had one of his best, if not the best, games of the season. Bill hit on 10 of 15 field goal attempts for 67 per cent. He got off to a fast start by collecting 10 points in each of the first two quarters. A big factor in his seventh straight over 19 point game was foul shots. Rush made 13 of 16 free ones for a remarkable 81 per cent. He also pulled down nine of the Bellboys' 21 rebounds. (The Bengals had 22 to Belleville's 22).

Speaking of foul shots, Rush also led the way from the floor by connecting on 9 of 14 or 64 per cent. The only thing that prevented this from being a superlative performance for Bill was foul shots. Rush usually makes close to 70 per cent of the free ones; Friday, he only managed 4 of 11. Despite this, the Bellboys made 13 of 52 charity shots for 25 per cent.

Just as it has been in so many games this season, this contest was decided from the foul lines. Although the Bellboys led in percentage from the floor (53 to 35), the Bengals had 48 points on field goals to 38 for Belleville. The Bellboys capitalized on the Bengals' 23 personal fouls by making 27 of 36 charity shots for 75 per cent. Belleville made 7 of 11 from the line for 64 per cent.

Personal fouls probably hurt the Bengals one other way. By 2:21 in the final quarter, the Bengals had cut the margin to one point. Then, one of their big men, Bob Grant, fouled out. Shortly after that, the Bengals ripped the game open. Maybe that didn't make the difference, though. After all, Ken Fulmore's superlative defensive job had held Grant to just four points.

Summary: Pucciarello and Rush made buckets in the first 1:20 to give Belleville a 4-0 lead. The margin fluctuated between two and four points until the Bellboys scored four straight on two free ones by Rush and a steal and layup by Fulmore, to make it 12-5. By the end of the quarter, the Bengals had cut the

margin to one point. To start the second half, a free one by Rush put Belleville ahead by two. Then, Wells hit with a jump shot, and Grant and Jasieniecki made free ones to put Bloomfield ahead 21-19. The Bellboys bounded right back, though, when Ken Fulmore scored five points to lead Belleville on a ten point rampage that made it 29-21. Jasieniecki made a free one at 1:45. Belleville then broke it wide open when Pucciarello made a free one, and Brown five out of six. Puchie made another free one at 1:10 before Rush trapped in the missed 1 on 1 shot for the 65-55 final.

Muse cut the margin to ten points to start the third quarter. After Rush had made a jump shot, the Bengals made three points to make it 38-29. Rush made a free one before Bloomfield scored three more on a free one and a tap-in by Jasieniecki. Each team then scored in turn until 2:47 when the Bengals scored three straight to make it 44-39. The quarter then ended with two Bellboy scores to one for Bloomfield to make it 48-41.

The enraged Bengals made three straight jump shots to start the final quarter to cut Belleville's lead to one point. Pizzuto sank two free throws to make it 50-47. Muse cut the lead to one with a jump shot before Rush made a free one and jumper to

make the score 53-49 at 4:45. Grant tapped one in and Fulmore made a foul shot before Willie hit with a jumper to make it 54-53 at 2:37. Seconds later, at 2:21, Grant committed his fifth personal by shoving Rush. Bill, then, made both of the 1 on 1 shots to make it 56-53. The Bengals gave their final roar when Gene Fornarotto made a lay-up at 1:45. Belleville then broke it wide open when Pucciarello made a free one, and Brown five out of six. Puchie made another free one at 1:10 before Rush trapped in the missed 1 on 1 shot for the 65-55 final.

**You and Your Insurance**  
(A public service column about all THOUGHTLESS MOTORISTS COST LIVES AND MONEY)

"I read the other day where automobile liability insurance rates in many states across the country probably would go up this year. Why do these rates keep climbing?" a driver asks.

There are several reasons why automobile insurance costs are on the rise. They include the general increase in the cost of living, higher hospital and medical expenses, the higher cost of repairing cars and, generally, the higher costs of settling claims.

But, far and away, the leading cause for higher insurance rates is the tremendous increase in the number of insured auto accidents. In almost every state the situation is bad and getting worse. The cost of repairs and the death rate — more than 48,000 were killed on the roads in 1964 — is far outstripping the increase in cars on our highways.

One obvious answer to this dilemma is to drive more safely. Drive defensively, don't count on the courts to protect you from the consequences of your carelessness. If you are a safe driver, chances are your insurance company will recognize this by charging you less for your policy under the safe driver plan.

There is another thing you can do. Use your local, county and state courts to crack down on unsafe drivers. They don't belong on the road. Not only do they reach into your pocketbook through higher insurance rates, they threaten your life and the lives of your loved ones.

This column will be glad to answer questions and may have about property or casualty insurance. Send them to:

Belleville's magnificent man — to — man defense went a long way in this upset victory.

Belleville Bouncers: Bloomfield's Junior Varsity (6-6) built up a 20-15 half-time score and then stood off a third quarter rally to break Belleville's J.V.'s winning streak at three, 54-43. The first half looked like a run away, but in the third quarter the Bellboys pulled to within four points before failing by the way-side. Bloomfield's big men were Rick Cerantini with 19 points and Bob Mc Cormick with 15.

Rush San Filipo led the Bellboys (7-5) with 17 points followed by Jim Catalano with ten. San Filipo finally overtook Pucisano for the team scoring lead. Rich has 134 season points; Joel, 124. It also was the eighth time that San Filipo has hit double figures. — On the Varsity side, Bill Rush flirted with the school record for the second time in six games; he had 34 points against Nutley. If Bill could play another game like Tuesday's, he should break Dom Klein's mark of 36.

After all, Bloomfield is one of the toughest schools in the Big Ten, also one of the tallest. The Bellboys finally won that "close one" that they have deserved for so long. In case you don't remember, Belleville fell to East Orange and Kearny the Big Ten leaders, by three and four points, respectively. The Bellboys also lost a sloppy game to Montclair by two. This means Belleville (7-5) is 12 points away from a 10-2 record. — If the Bellboys don't suffer a let-down now, they should roll through the rest of the schedule. Belleville will be hard to stop now that it has a close one under the belt.

Summary: Pucciarello and Rush made buckets in the first 1:20 to give Belleville a 4-0 lead. The margin fluctuated between two and four points until the Bellboys scored four straight on two free ones by Rush and a steal and layup by Fulmore, to make it 12-5. By the end of the quarter, the Bengals had cut the

margin to one point. To start the second half, a free one by Rush put Belleville ahead by two. **You and Your Insurance**  
(A public service column about all THOUGHTLESS MOTORISTS COST LIVES AND MONEY)

"I read the other day where automobile liability insurance rates in many states across the country probably would go up this year. Why do these rates keep climbing?" a driver asks.

There are several reasons why automobile insurance costs are on the rise. They include the general increase in the cost of living, higher hospital and medical expenses, the higher cost of repairing cars and, generally, the higher costs of settling claims.

But, far and away, the leading cause for higher insurance rates is the tremendous increase in the number of insured auto accidents. In almost every state the situation is bad and getting worse. The cost of repairs and the death rate — more than 48,000 were killed on the roads in 1964 — is far outstripping the increase in cars on our highways.

One obvious answer to this dilemma is to drive more safely. Drive defensively, don't count on the courts to protect you from the consequences of your carelessness. If you are a safe driver, chances are your insurance company will recognize this by charging you less for your policy under the safe driver plan.

There is another thing you can do. Use your local, county and state courts to crack down on unsafe drivers. They don't belong on the road. Not only do they reach into your pocketbook through higher insurance rates, they threaten your life and the lives of your loved ones.

This column will be glad to answer questions and may have about property or casualty insurance. Send them to:

## Intramural Programs Launched

This week, in both the Junior High School and the High School, the intramural sports program got under way. The first part of the program consists of various basketball leagues and teams for girls and boys in the Junior High School and the High School.

In the Junior High School the 28 homerooms are represented in the various teams for boys. There will be 12 teams for girls, consisting of eight girls each. In this program, 288 girls are participating.

In the High School there are 34 basketball teams for boys, with 238 students participating. For girls there are 27 teams, with 270 girls participating.

Under the direction of Herman Wischo, Director of Physical Education and Athletics, these teams are being coached in the Junior High School, by Edward Berlinski and Ronald SanFilippo; boys: Mrs. Hilda Sherman and Miss Elizabeth Borchy, girls: In the High School, Peter Soars and Dominic Klein are coaching the boys, and Miss Ida Thomson, Mrs. Grace Worley, and Mrs. Carol Giuffrida, girls.

## PBA Bowlers In Tournament

The Belleville P.B.A. Local 28 bowling team has accepted an invitation to bowl in the Police Officers International Championship Bowling Tournament which will be held at the Boulevard Bowl, 1315 Erie Blvd., Schenectady, N.Y.

Members of team include: Michael Marotti, Charles Hood, Frank Gigerelli, Harold O'Reilly, and David Martin.

The P.B.A. bowling team now files its International Championship Bowling Tournament which will be held at the Boulevard Bowl, 1315 Erie Blvd., Schenectady, N.Y.

Members of team include: Michael Marotti, Charles Hood, Frank Gigerelli, Harold O'Reilly, and David Martin.

## Weeks Serves In Washington

WASHINGTON — Clifford F. Weeks, seaman apprentice, USN, son of Mrs. Fred A. Jung of 309 Greylock Parkway, Belleville, N. J., has reported aboard the U. S. Naval Station, Washington, D. C., for duty.

While stationed in Washington, he will have opportunity to visit the landmarks and historic shrines that compose the capitol's, the Navy's and the country's heritage.

The Naval Station was first commissioned in 1919. Throughout its earlier history it was most closely associated with naval aviation — from pigeon training school to modern jets — but, with 43 tenant activities, is now primarily used as the central administrative command for Navy personnel in the Washington area and as a major Navy receiving and transfer base.

Weeks attended the Bloomfield Vocational High School before joining the Navy in September, 1964. He completed his recruit training at Great Lakes, Ill.

## Cook of The Week

MRS. ANTHONY CACCIARELLI

## Peach Macaroon Pie Wins \$5 for Mrs. Cacciarelli

Although peaches won't be in season for a few months, Mrs. Anthony Cacciarelli of 41 Berkeley Avenue, Belleville, thought her recipe for Peach Macaroon Pie was delectable enough to win the weekly prize in The Times-News Recipe Contest — and she was right.

Mrs. Cacciarelli, a busy housewife whose hobbies are cooking, putting up preserves, crocheting and raising flowers, will receive the \$5 given weekly to the winner. All recipes entered will be eligible for judging in future contests. The Cacciarellis have made their home in Belleville for the last 24 years. Their family includes a son, Alexander, a medical student at Seton Hall College of Medicine and Dentistry in Jersey City; Elaine, 20, a student

### CONTEST RULES

Favorite recipes should be submitted in contest. They may be for hors d'oeuvres, soups, salads, meat or fish dishes, vegetables, casseroles, desserts, foreign or American delicacies.

Recipes that do not win the week they are submitted will be considered in subsequent weeks' contests.

A contestant may submit more than one entry. If the same recipe is sent by more than one contestant, the one with the earliest postmark will be the winner. In the case of entries submitted in person at The Times-News office the date and hour will be noted on recipe when it is received.

One winner will be chosen each week and will receive check for \$5. The winning recipe will be published each week in The Times-News.

Entries must be typewritten or written legibly and mailed or brought to The Belleville Times-News Recipe Contest Editor, 246 Washington Avenue, Belleville, N. J.

Members of The Times-News staff or members of their immediate families will not be eligible.

## Parley Set February 25 By Bankers

"Profits is a Potpourri," bringing together the problems of sales, marketing, industrial development, foreign trade and public relations, will be the theme of the New Jersey Bankers Association's Business Development and Public Relations Conference, Thursday, February 25, 1965, at the Cherry Hill Inn, Cherry Hill. Conference Chairman George E. Stock, vice president, The First National Bank, Jersey City, N. J., and chairman of NJBA's Public Relations and Education Committee, has announced that the Keynote Speaker will be Eugene B. Magel, vice president, Chase Manhattan Bank, New York City, who will address the Conference on "Marketing Your Bank Services." Mrs. Margie Muller, director of public relations, Tompkins County Trust Company, Ithaca, N. Y., will show how to develop a program of "Selling Savings Services in a Commercial Bank" and Clayton S. Cronkright, general manager, Area Development, Public Service Electric & Gas Company, Newark, N. J., will discuss "Bringing a New Business to Your Area."

After a reception and luncheon, Conference delegates will have a choice of three clinics, each to be conducted twice, so that it will be possible to attend two in their entirety.

**BAKER'S DOZEN** — Many groups visited the Clara Maass Memorial Hospital during the holiday season to entertain the patients or to do something to lighten their stay. The Baker's Dozen, under the direction of Dr. Samuel Peck,

have been regulars over the years; and their voices have gladdened the hearts of the hospital's patients. The choral group is composed of about 30 girls from Belleville High School.

## IN MEMORIAM

IN LOVING MEMORY of my beloved husband who passed away Jan. 20th, 1961.

The blow was sudden, the shock severe.

To part with you whom I loved so dear.

If I were granted just one wish;

I'd ask the Lord to restore your life and give you back to me again.

A million words could never express the heartache, sadness and loneliness.

Always so true, loving and kind.

Few in this world his equal you'll find.

A beautiful life that came to an end.

He died as he lived, everyone's friend.

Sadly missed.

Wife, Anna Rasser

IN LOVING MEMORY of Nicholas A. Canduro, who passed away Dec. 29, 1950. An anniversary Mass will be held at St. Peter's Church in Belleville on January 29 at 7 o'clock.

Lovingly remembered.

The Canduro Family

## The Old Timer

"Prosperity is something you feel, food and mail to Washington."

# Four Areas of Reform Voted by Miss Hannon

In a talk to a group of fifty ladies last week Evelyn Hannon, candidate for the Board of Education, stressed the need to elect people to office in Belleville who will work to see that the governing bodies to which they have been elected function for the good of the township. She then noted four areas where forms were needed in the operation of the Board of Education if that governing body was to achieve the desired ends.

The first, she said, should be to make all meetings of the Board open to the public. "Open meetings are necessary if such a group is to function in a democratic fashion, if all members of that group are to be protected from the pitfalls of political maneuvering, which can achieve political ends only. Where a governing body can retreat to closed, special or 'secret' sessions at its choice, the effect must be an unhealthy one on the membership, and such action must necessarily generate suspicion among the citizenry that that body represents."

"Second, in importance," Miss Hannon said, "is the need in

MISS EVELYN HANNON

Belleville to develop a 'revolving board' system. Up to now the Board of Education has held its meetings in Number Eight School. But the Board should meet only in one school in one section of town. It should meet, instead, at least once a year in every school in town, so that the people in these various areas

of Belleville might become better acquainted with the functioning of the Board and with the manner in which its members deal with certain issues, so that the Board members might be come better acquainted with the special needs, problems, or desires of the people in all of the areas of the town, and so that all Board members might have the opportunity to check first-hand - at least once a year - the condition of all the public schools in Belleville. If change or improvements are needed, the members of the Board would then be aware of those needs.

"Third, I believe the Board should adopt a plan limiting the term of office of its members. A man who serves too long in the same political office, like a man who serves too long in the same job, tends to stagnate, and more often than not, he will find himself emerged day after day year after year in political maneuvering that will not necessarily benefit his constituency, but will merely assure his reelection again and again. Such situations and

attitudes not only discourage the most capable and forthright young people in a town from taking part in their government, but interfere with the responsible operation of a system, particularly a school system.

"By limiting the service of all Board members to two consecutive terms, the people of Belleville can look forward to a more open and progressive spirit among its Board members and a more efficient functioning of its school system.

"Finally," Miss Hannon stated, "she is in favor of 'the formation of a committee made up of three members of the Board of Education and three members of the town council that will meet at least once a month to work together, where it is physically and legally feasible, to provide better programs and better facilities for both the adults and children of Belleville. In areas where the services of the town and the services of the Board of Education overlap, the two should co-operate, if at all possible, to eliminate unnecessary duplication. Any other approach places too great a burden on the taxpayer and leaves him in a situation where he either allows his youngsters to do without certain facilities or he pays twice for the same service."

"I believe that such a joint committee would be capable of making certain that Belleville's citizens need not do without those things they have already paid for."

"I say to all the citizens of Belleville, let us work together to insure the best education for our children, the most efficient and progressive operation of our Board of Education, and the most progressive approach among our educators."

"Let us meet the future head-on - not with confusion - but with direction."

## ABC Committee

(Continued From Page 1)  
Our entire educational system. This year the A B C Committee is proud to endorse and will work for the election of Rosco Saletta, Jr. 1A, Dr. Frank N. DiRuggiero, 3A, and Kenneth Broo, 4A, whom we believe have the ability, courage and wisdom to work together constructively for the best interests of our school system by providing the best possible education for all students who are now or will in the future attend our Belleville Public Schools.

You can help by voting wisely for Saletta, 1A, DiRuggiero, 3A, and Broo, 4A on Tuesday, February 9, from 2:00 To 9:00 P.M.

## Golden

(Continued From Page 1)  
A one-way street pattern existed. The Department did not violate any law or in any way act contrary to the wishes of Belleville. We sincerely hope that your statement to raise HELL at a public hearing was not expressly for that purpose.

We trust this information clears the air on this subject.

Very truly yours,  
Joseph R. Cunningham  
Acting State Highway Engineer

## OBITUARIES

**Mrs. Robert Heggie**  
Mrs. Jeanie Purdie Heggie of 3425 16th Street North, St. Petersburg, Fla., formerly of Belleville, died Wednesday, January 6, in Mount Park Hospital, St. Petersburg, after four weeks illness. She was 77.

Born in Scotland, Mrs. Heggie

## Alien Address Deadline Noted

The Immigration and Naturalization Service urges all aliens who have not yet filed their address reports to do so within the next two days. January 31 is the deadline.

All aliens are required to report their addresses except those in diplomatic status, representatives of certain international organizations, and persons admitted temporarily as agricultural laborers.

Funeral services were held in St. Petersburg, with burial in Memorial Park Cemetery, St. Petersburg.

## Warren Figliuzzi

Warren Figliuzzi of 81 Hudson Street, Newark, died Saturday, January 16, at Clara Maes Memorial Hospital, Belleville. He was 31.

A lifelong resident of Newark, he had been employed as a mechanic by the Belleville Brake and Clutch exchange. He was a member of Silver Lake Baptist Church and a former member of Belleville DeMolay Chapter.

Funeral services were held Tuesday, January 10, from the Hellmuth Funeral Home, Newark, with a service at the Silver Lake Baptist Church.

Surviving are his parents, Mr. and Mrs. Dominick Figliuzzi, three brothers, Ralph, Alexander and Kenneth, and a sister, Ellen; all at home, and his paternal grandparents, Mr. and Mrs. Ralph Figliuzzi, Sr.

To soft boil or hardboiled cracked egg, wrap it in aluminum foil.

## WILLIAM V. IRVINE & SON

ART AWARD — Mrs. Hans Weingaertner of 11 Maple Street, Belleville, is shown above as she accepts a Bamberger Purchase Award for her husband from Arthur L. Manche, Chairman of the Board of Bamberger's New Jersey. Five of the art awards were presented to five New Jersey artists in the store's current "Ninth Annual Exhibition of Contemporary New Jersey Art".

## Mrs. Hildenbrand Heads Girl Scout Cookie Sale

Mrs. David Hildenbrand, has been appointed chairman of the 1965 Girl Scout Cookie Sale in Belleville, according to Mrs. Edward Rochau, District Chairman who called Mrs. Hildenbrand's job one of the most important single jobs in Girl Scouting in our District.

Mrs. Hildenbrand will be assisted by Mrs. M. Hoover Neighborhood 1, Mrs. E. Powers Neighborhood 2 and Mrs. J. Bordano Neighborhood 3.

"This year, the sale is very important," Mrs. Hildenbrand said. "Because the Girl Scout Council of Essex County has more girls than ever before. This means our camping program will need to be the biggest in our history. No longer is camping 'summertime only'. It is an experience to be enjoyed in almost every month of the year and our girls are taking advantage of year-round camping which means that more and more money is needed to support the outdoor program and camp program of the Girl Scouts."

Mrs. Hildenbrand said that as camping is considered a part of every Girl Scout's experience, no girl is denied the right to go to camp because of financial problems. We are hopeful that the citizens of Belleville will support this philosophy by buying cookies.

In addition to supporting camps from each box of cookies sold five cents of profit goes into the troop treasury.

This is the one big Council-wide fund raising drive our girls have—we are hopeful that we will be able to sell the largest number of cookies in our history."

Presentations will be made by Warren M. Johnson, Junior Steward; David T. Allen, Senior Steward; and Anthony H. Verhagen, Marshal. The Charge and Reception will be delivered by William V. Irvine, Senior Master of Ceremonies.

Members of Belleville Lodge observing their Masonic birthdays in January will be honored at this communication.

Lodge will be opened promptly at 7 p.m. All Master Masons are invited to attend.

## Kimball Graduates Combat Course

THOMAS J. KIMBALL

CAMP LEJEUNE, N.C. — Marine Private Thomas J. Kimball, son of Mr. and Mrs. Joseph A. Kimball of 312 Washington Ave., Belleville, completed four weeks of individual combat training Dec. 9 at the First Infantry Training Regiment, Marine Corps Base, Camp Lejeune, N.C.

While with the regiment all new Marines are trained in tactical and combat skills needed for battle. Emphasis was placed on the small unit tactics—the four-man fire team and the 14-man squad.

The U. S. Naval Academy was established in the fall of 1845.

## Smith Named Product Head

Walter Kiddle & Company, Inc. has appointed C. Clinton Smith Jr. as product manager for a new "packaged" automatic fire extinguishing system for kitchen hoods and ducts.

Smith formerly was Pittsburgh district sales supervisor for Kiddle. In his new position, Smith will be in charge of coordinating sales and production schedules for the new product line, and developing new sales distribution through restaurant equipment suppliers and fire and safety equipment distributors. Smith will be based at Kiddle's headquarters facilities in Belleville.

The new packaged system, called the Kitchen Sentinel, is a simplified, inexpensive version of Kiddle's custom-engineered carbon dioxide fire extinguishing system. The Kitchen Sentinel, as a standardized system, is designed to meet both the safety and financial requirements of drive-in, snack bar, luncheonette, diner and institutional kitchens. It is the only packaged carbon dioxide system for kitchen use listed by Underwriters Laboratories.

When fire hits a hood or exhaust duct protected by Kitchen Sentinel, the heat of the fire automatically triggers the system by melting a fusible link (at 300 degrees F.). This opens the cylinder valve, which permits carbon dioxide gas to rush out of its storage cylinder and extinguish the fire. An entirely self-contained unit, the Kitchen Sentinel requires no outside power source.

Gerald Carter

## A Full City Block of Fine Used Car Values

Are you in the market for a fine late model used car? You'll find the right car at the right price in Central Cadillac's complete city block used car center.

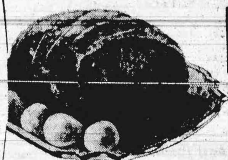

"America's leading Cadillac dealer," we get the best cars in the city and we put them in like-new condition. See Gerald Carter, Central Cadillac sales representative, for a truly remarkable used car value.

JEROME F. SULLIVAN

## Sullivan Finishes Marine Course

CAMP LEJEUNE, N.C. — Marine Private Jerome F. Sullivan, son of Mr. and Mrs. James F. Sullivan of 35 DeWitt Ave., Belleville, completed four weeks of individual combat training Dec. 9 at the First Infantry Training Regiment, Marine Corps Base, Camp Lejeune, N.C.

While with the regiment all new Marines are trained in tactical and combat skills needed for battle. Emphasis was placed on the small unit tactics—the four-man fire team and the 14-man squad.
