The family of Dr. and Mrs. Frank DiRuggiero — (left to right, seated) daughters Judy Di Giorgio and Diane, the latter aged 17. (Standing) Daughter Frances, age 11; son Ralph, age 11. Mrs. Ann Di Ruggiero, wife of the successful candidate; Dr. Di Ruggiero and son-in-law Tony Di Giorgio.

Mr. and Mrs. Rocco Saletta

Miss Hannon Places Fourth, Broo Fifth

Dr. Frank DiRuggiero and Mrs. Norma McCool were elected, and Rocco Saletta was elected to the Board of Education in Tuesday's election.

The \$3,308,188 proposed school budget was defeated, — current expenses, 1,545 No. 1, 408 Yes. Capital Outlay, 1,538 No. 1, 206 Yes.

Dr. DiRuggiero set the pace in the 10 - candidate field, drawing 2,401 votes. Saletta was second high in the vote totals with 2,065 votes. Mrs. McCool drew 1,626 votes to top fourth place Miss Evelyn Hannon by 188 votes.

The defeat of the proposed budget means that the present Board of Education members will meet as soon as possible to go over the items and attempt to make it more suitable for the voters.

Board of Education Secretary Mary Shader said the budget must be resubmitted to the voters for their approval within 15 days. If the budget should be rejected a second time by the voters the budget when will be submitted to the Town Council for its adjustment and approval.

The results of the election were:

- DiRuggiero — 2,401
- Saletta — 2,065
- Mrs. McCool — 1,626
- Miss Evelyn Hannon — 1,438
- Kenneth Broo — 1,430
- Mrs. Nancy McCarthy — 1,302
- Frank Carragher — 793
- Michael De Russo — 747
- John R. Basile — 709
- Albert Guglicelli — 199

Voting was extremely light, with less than 3,000 of the Town's 18,677 registered voters casting ballots.

Dr. DiRuggiero pulled the top margin by topping the voting at five of the 10 polling places. He led the voting at Schools 1, 3, 4, 5, and 10. Saletta was high for man in the voting at Schools 2, 7 and 8. Mrs. McCool failed to place high at any of the polling sites although her total retained her seat on the Board. Miss Hannon led the voting at the Junior High School and Broo set the pace at School 9. Saletta led the absentee voters with nine.

The proposed budget took a beating all over town. Only the voters at Schools 1 and 3 voted approval of both the current expenses and capital outlay.

Voting against both sections of the budget were the voters at:

Golden Notes Position on BFHC Pledge

Councilman James R. Golden explained his reasons for balky at signing a pledge submitted by the Belleville Fair Housing Council in a recent letter to officials of the organization.

Golden reportedly was the only member of the Town Council who refused to sign the pledge.

He would ask people from minority groups into his neighborhood and agree to allow his name to be used as a sponsor of the organization.

In his letter, addressed to James Brown and Jerome Frank, co-chairmen of the Fair Housing Council, Golden said:

"Thank you for your letter of Jan. 30, 1965 and your cogently expressed sentiments regarding Fair Housing. The ideals of your group are commendable and in sympathy with my own views in encouraging a broader under-

Not Candidate For Register — Guglicelli

Albert Guglicelli of 75 Lake Street, Belleville, said yesterday that he is not a candidate for Essex County Register of the Regular Democrats for Economy in Government and that he has no intention of seeking the post.

In a letter to the Editor, Guglicelli said:

"In your paper last week there appeared a release that Guglicelli is backed by the regular Democrats for County register. I have no intentions of seeking the office. I am trying to win a seat on the Board of Education, although I have been approached by the chairman of the New De-

Golden, Cullen Oppose \$3,308,188 Total Budget Introduced, 3-2

A 1965 Municipal Purpose Budget of \$3,308,188.10 was introduced Monday night at a special Town Council meeting in Town Hall by a 3-2 vote.

The budget was opposed by Councilmen James R. Golden and William H. Cullen, on the grounds that anticipated revenues was too high.

The budget lists a total of \$2,163,619 to be raised by taxes, an increase of \$186,040 over 1964.

While the entire Municipal Budget was up, only an increase of \$11,921.56 is charged directly to the Town's operating budget. The major share of the increase—a total of \$1,229,121.10—was in the amount of reserve for uncollectible taxes for the school and county budgets.

Town Treasurer Francis McCoy noted that this year \$468,754.20 must be covered by the Town against a 1964 total of \$345,842.10. McCoy said state law required the Town budget to cover the uncollectible tax share of both the school and county budgets.

McCoy pointed out that an additional \$17,499.28 of the increase was charged to special charges and statutory expenditures. He said this was caused by increases in the cost of hospitalization fees, a special pension to disabled fireman Michael Cafone, and increases in retirement and pension fees mandatory by state law.

The town's operating budget, or housekeeping budget, remained almost unchanged from the \$2,399,150.17 submitted last week by Town Manager John R. Burnett.

Councilman Golden charged that the amount submitted by Burnett, operating the Town under a policy of "Deficit Spending," charging that surplus was being depleted at the rate of about \$50,000 each year. He objected to the amount of anticipated revenue listed in the budget and claimed that the Council had never approved the amount submitted by Burnett.

Councilman Cullen said he also disagreed with the amount of anticipated revenue, claiming it was too high, despite the fact that it is about \$30,000 under that received last year. Cullen claimed 1964 was a "good year" but that 1965 may not be as good.

Cullen also said he objected to the amount in the budget for new office machines. He said as far as he knew no inventory of office machines was on hand.

Mrs. Ingrid Frank again spoke in favor of having the Humane Society be granted the contract instead of a private operator of a pound.

Members of the County, and area humane societies from Montclair, Newark, Nutley and Belleville addressed the Council.

Opposing the Humane Society was Frank Grossman of Lodi who operates a private pound and has the contracts of several area Towns.

Silver Lake Library Branch Officially Opens Tomorrow

The McCool family — Thomas, left, husband of the re-elected incumbent; Debbie, 12, and Mrs. Norma McCool.

The New Silver Lake branch of Belleville Public Library will be opened to the public tomorrow with appropriate ceremonies in the presence of State, Town and School officials at 8 P.M. at School 4, Magnolia Street.

Arrangements for the event were completed this week under the chairmanship of Mrs. Richard Shafter, member of the Board of Trustees of the Belleville Library.

Library Director Ben Grimm will preside and introduce the guests, including Reverend Frederick Long, president of the Library Board of Trustees; Mayor Nuncio R. Pico; Dr. Frank DiRuggiero, superintendent of Schools, and Frank Spotts, principal of School 4. The main address will be given by Kenneth R. McPherson, president of the New Jersey Library Association.

Reverend Benedetto Pascale of the Silver Lake Baptist Church will deliver the invocation, and the benediction will be pronounced by Reverend Titian P. Menegas of St. Anthony's R. C. Church.

The National Anthem, sung by Miss Josephine Rossi, will open the ceremonies. The well-known Belleville voice teacher will be accompanied by Andrew Canforro, music teacher at School 4.

Refreshments will be served by the Hostess Committee of the School 4 P.T.A., comprised of Mrs. Helen Strumolo, chairman; the two former school rooms Mrs. Filomena Pepe, Mrs. Genevieve Varano, Mrs. Theresa Scavone, Mrs. Doris Granes, Mrs. Mildred Muschio, and Mrs. Mildred Potenzano.

Following the official portion of the program, parents and other guests will be invited for a close view at the book stacks in the new library room.

Upon graduation he continued his training with Gorny & Gorny and later joined the staff of Memorial Home. In 1961, when he completed his training, he obtained his certificate as a practitioner of mortuary science and funeral direction in the State.

Hearing Continues Tonight On Garden Apartments Plea

The third round in the application for a variance allowing the construction of a 220 - unit garden apartment project on the Krugman and DePetro plot on Juralman Street is scheduled tonight at 7:30 in the Town Council chambers.

Anical Company of Clifton has requested a variance allowing the construction of the apartments in the A - Residential Zone and the hearing, which began February 2 before the Board of Adjustment will continue into its third night tonight.

The original hearing was continued to February 5 and then to tonight with only the Anical Company's witnesses heard.

(The developers present their opinions as to the benefits of the requested garden apartments and answer some of the questions being asked by residents in an advertisement on Page 8.)

The apartments are being opposed by the Ritan Estates Homeowners Association and the Fairway Avenue Association. The homeowners are seeking to have the permit denied, claiming that one - family houses should be constructed on the site.

Anical Company spokesmen have said that 48 one - family houses will be constructed on the site if the apartment variance request is rejected.

The Anical Company is represented by the law firm of Werks-

man, Saffron and Cohen of Clifton with Attorney Saul Cohen presenting its case to the Board.

Stray Animal Contract Debated by Citizens

The Town Council meeting went to the dogs almost entirely Monday night, with only one ordinance introduced, 5-0, to expand the Town's Commission on Civil Rights from seven to nine members.

A second ordinance introduced by Councilman William H. Cullen called for increases in the maximum salaries of head clerks and principal clerks was defeated when it failed to gain a second.

In a short two-hour session, most of the time was taken up by citizens remarks, mainly concerning the proposed advertising for a service to take into custody all stray or abandoned dogs, cats, and other animals in the

town. Although the resolution was finally approved, 5-0, by the Council, a parade of animal lovers addressed the Council during the hearing of citizens speaking in favor of having the Humane Society be granted the contract instead of a private operator of a pound.

Members of the County, and area humane societies from Montclair, Newark, Nutley and Belleville addressed the Council.

Opposing the Humane Society was Frank Grossman of Lodi who operates a private pound and has the contracts of several area Towns.

Mrs. Ingrid Frank again spoke in favor of having the Humane Society be granted the contract instead of a private operator of a pound.

Adult School to Feature Classes in Creative Arts

An exciting program of courses in the creative arts is being offered by the Belleville Adult School in its spring term. Ceramics, Adventures in Art, Oil Painting, and Sculpture will be offered.

"Ceramics" offers an opportunity to learn an art that can be more than just a hobby. Ceramics creates an outlet for the artistic nature as molds designed and painted by the student become beautiful ashtrays, vases, and figurines. There is no limit to the useful things students can make for office, home, or gifts. Miss Blanche Duffy of Blanche's Ceramic Bowl will be the instructor.

"Adventures in Art" will cover a general development of all phases of drawing, two and three dimensional design, construction, hand painting and sculpture. Course designed for beginners as well as advanced students.

Oil painting will be offered by Mrs. Lorena Clark, a professional art instructor, who taught this course for many years at the adult school. Oil painting has always been a popular course for adults.

Sculpture will be offered for beginners as well as advanced students. It is the aim of this course to stimulate creative work in sculpture and thus deepen the appreciation and understanding of the medium. Mrs. Ingrid Frank will be the instructor.

For further information about these courses and other courses contact the Director of the Belleville Adult School, in care of Belleville High School.

FMBA Sets Record Clear On Pay Hike

The Belleville F.M.B.A. yesterday issued the following statement in an effort to present the local firemen's side of the proposed three-year package salary increase approved by the Town Council:

"Since our bargaining began with the town manager and the town councilmen many statements and a headline have appeared in newspaper which we feel must be clarified. These are the facts:

"In last week's paper, the manager was quoted as saying the raises proposed would put us among the top third salary group of firemen in the county. We would like to make it clear that this is true only using present yearly base pay for other county firemen and our proposed '1968' yearly pay for a fireman after 10 years of service. Even after these three proposed annual \$150.00 raises, if all other firemen in the county remained at their present pay scale, which is highly improbable, our base pay scale would not be in the top third of the county. Our present pay scale, including our proposed raise in July, is the lowest in the county. We fully realize that the councilmen would like to keep taxes down, and that it is only in the municipal area of the budget that this can be done by them. Nevertheless, we feel our salaries should be equitable and we will continue to request that our pay be brought up to scale at yearly budget hearings, our contemplated three annual \$150.00 raises notwithstanding.

"We would like to thank Mayor Pico, Councilman Westpy, and Councilman Casale for their consideration, and also Councilman Cullen for his wage proposal.

"Thank you for reading our side of the picture and for past, present and future considerations.

Drop-Out Problem Aired for Welfare Council

In an address to the Belleville Community Welfare Council on "The Drop - Out, A Community Problem," Michael Rosamilia, Assistant Superintendent of Schools, pointed out two seemingly contradictory facts. These were that, although the drop-out problem has been steadily declining for 30 years, it is currently being considered a very serious matter. His explanation was that, because of the effect of automation in reducing unskilled jobs, it is most difficult for a drop - out to find work. The talk was given on February 11 at the DeWitt Savings and Loan Association.

The Assistant Superintendent stated that the drop - out rate in New Jersey runs about 30 per cent. It has been estimated that 70 per cent of those who leave school have the intellectual capacity to attain their high school diplomas.

Rosamilia then gave background information about the Rosamilia then gave background information about the

is either broken or disorganized in school but exhibiting serious problems. The drop - out is apt to have a hostile attitude toward home, school, and others in authority. He has few life goals and is often in trouble with the law. At some point in his school career, he has had to repeat one or more grades, and he is likely to be two years behind in reading skills.

With respect to dealing constructively with the drop - out problem, Rosamilia divided it into three parts: (1) the student who has already left school; (2) the pupil in the last grades of elementary school or in early high school; and (3) the student ratio of guidance counselors to in the early grades or even in the pre - school period.

Regarding the student who has already dropped out, Rosamilia indicated that this presented a serious problem which required the help of the community. He thought that youth programs such as are planned under the Anti - Poverty program would be helpful to this respect to the student in the adolescent period who is still

door canvassing to determine how many families are in the classification of under \$3,000 per year below which level children would qualify for the program.

With respect to the Belleville Youth Evaluation and Employment Commission, Rosamilia indicated that this body, an official part of the Town government since May of last year, had been concerned with those students who were about to drop out for financial reasons. To date, the Commission has found part-time jobs for eleven students with two more about to be placed.

Jack Grundfest, M.D., Chairman of the Council, presided.

Who Said Our Image Is Bad?

We keep hearing people in Town repeating over and over again: "Belleville has a black image all over the state."

We are a little tired of hearing the remarks of politicians and office-seekers being repeated and spoken as if by our residents. We also disagree that Belleville has a bad image all over the state.

Actually Belleville has many reasons to be proud and many residents who add luster to the name of our Town each and every day. It's true that our political battles are not desirable, but we must disagree that one man or even ten can cast an image that reflects on our nearly 40,000 residents.

In the past two weeks we have had many things that we can mention with pride and that have added to the image of Belleville as a Town in which it is desirable to live and raise children.

For instance a Belleville boy, John Andrea, Tuesday night appeared on a national television program, forecast as the singing idol of the future — the singer who will replace the Bing Crosby, Frank Sinatra and Beatles of today.

Another Belleville boy, Vinny Samperi, recently was signed as the featured vocalist by Sammy Kaye of Swing and Sway fame.

Still another local youth, Vic Lombardo, authorized his first book, entitled:

Teacher, May I Leave The Room. His book was greeted with wide praise from the critics when recently released by its publishing firm.

We could go on and on and list persons who help improve the image of Belleville each passing day. The New York Herald Tribune recently carried a long story on our Town's efforts to meet the challenges of today's national problem of delinquent youths and goof balls. The story paid a tribute to the Town calling it a "typical suburb, with typical working and middle-class people," but noted that it was not typical because it was succeeding in solving its problems. We believe this is publicity that any town would welcome.

So next time you hear a would-be politician say how bad our Town's image is, ask him: Who said so?

We believe we have a town, made up, for the most part, of average persons meeting the challenge of the World in average fashion. It would be a better town if some of our current problems could be solved, but on the other hand we have many persons and things of which we can be proud.

We agree that our Town and its image can be improved, but we don't believe it is as bad as some people claim it is.

Town Manager's Report

As requested during the regular meeting of January 11, I am by January 18 gave individuals submitting the following report: bills for the reasons why the tax associations sufficient time to present the bills for payment; and no interest penalty is added for non-payment until after February 1.

Many circumstances caused this delay. First, our new National Cash Register Computronic machine was not delivered and installed until the first part of October. While our employees were acquiring themselves with the machine it became apparent that we should redesign our tax bills so they could be extended on the Computronic as well as our Burroughs machine.

These tax bills were delivered during the first part of December. Secondly, during 1964 it became necessary to process new ledger sheets.

Third, at the direction of the Essex County Tax Board, we had to make changes on our tax duplicate forms, and we also changed to new pre-carbon tax duplicate sheets. These also were delivered December.

Fourth, we lost approximately two days during our most critical period through machine breakdown, and two more days when our Addressograph Operator took time off for a family funeral.

The Statute directs the Tax Collector to prepare and deliver to the taxpayers bills for the first and second installments of the annual taxes at least two months before the due date, and this according to the Interpretation of Director of Local Government, George C. Skillman, means that the delivery should bear the date in this case of December 31, 1964.

Actually, bills were being run through the addressograph the day and night of the last regular Council meeting, and all tax bills had passed through the addressograph processing by 2:00 A.M. the following morning.

The first batch of the bills from the addressograph were in the hands of the Tax Collector at 6:00 P.M. on January 11, the date of the Council meeting. These bills were then processed through our Computronic and Burroughs machines, and some were in the mail Tuesday afternoon, January 12.

The greater majority were in the mail by Friday, the 15th, and all real estate tax bills had either been mailed or delivered by Monday, January 18. There are all of these bills were in the hands of either the taxpayers or the banks and savings and loan associations who pay property taxes under mortgage agreements, approximately two weeks before the required date of payment, February 1.

While in no way denying that we were two weeks late in sending out the bills, the fact that Essex County Tax Board from

READER URGES CHECK ON DOG POUNDS

To The Editor, Times-News: An Open Letter to Town Officials:

The operation of the orphanage is a civic responsibility. Would you consider turning over the management of such a home for these unfortunate to someone who might run it at a profit? Of course not!

Many homeless dogs and cats roam the streets through no fault of their own. They are unwanted and abandoned by people. Are they not a civic responsibility, also?

The running of a dog pound and the employment of a dog warden are a responsibility of the people. Good animal control is a municipal duty. Since it is DOG OWNERS MONEY ONLY — not money collected from taxes — that pays for animal control, all dog owners are entitled to the best animal control and the chance to claim his dog if it inadvertently strays. The laws should be sure that their citizens are permitted to enter the shelter to look for their dog to reclaim him.

Unfortunately, in New Jersey, the collecting of stray dogs and cats has become a lucrative business.

By State Law, animals picked up by commercial pound operators must be kept for seven days. Have you examined the facilities personally? Do you believe pound operators spend time and effort to find homes for these animals?

Are the surplus animals humanely destroyed, and what facilities are provided for this purpose — have you personally investigated this angle?

New Jersey has many large dog concerns which create a tremendous demand for laboratory animals; some concerns breed their own dogs but others buy them by the truckload. Many of formerly beloved pets, end up in laboratories.

It is left to your imagination as to why commercial pound operators grow and prosper in New Jersey.

Respectfully submitted Mrs. Sara Wilkinson Nutley, N. J.

BECK'S COLUMN

By MAX BECK

Years ago a radio or TV store was just a business. The everybody got into everybody else's business and radios were sold in drug stores, supermarkets and so-called "discount" stores. For years now, everybody has been a discount store. Manufacturer's "list" prices have become just a starting point for bargaining.

National statistics reveal, that now the better grade of radio-phonographs, TV and especially color TV revert back to specialty stores.

If people spend hundreds of dollars, they simply don't want to gamble. They look for stores that specialize in these items, with their own service departments. These sets are complex, sensitive apparatus that have to be adjusted for local conditions. This applies to the better grade high-fidelity-phonographs and most of all, of course, to color TV sets.

It requires extensive knowledge and experience to properly service high-fidelity-phonographs and instruments. The days that a man knows all about repairing a refrigerator, a washing machine, a dish-washer and all these modern appliances plus all the different types of record changers, tape recorders, radios, TV and again color TV sets, are over. A good technician has his hands full to keep up with the rapid changes taking place in electronics we now see more and more transistors used in all kinds of applications. An old timer who is used to tubes, is completely lost when it comes to transistors. It is no wonder that people now look first for stores that have modern, up-to-date service departments and experienced technicians. Service is a bad word at "discount" stores, as many people have found out to their regret.

We service what we sell. Beck's Radio-TV-Hi-Fi, Nutley 667-2275

Love bug got you?

Let Fidelity help you save for wedding bells

Fidelity offers love bugs three convenient ways to save for wedding bells... and bills:

1. Regular savings—interest computed quarterly.
2. "Easy Save"—automatic monthly transfer of money from checking to savings account.
3. "Thrift Club"—like Christmas Club, except you save when you like rather than according to a fixed schedule.

What it boils down to is this: Fidelity can cure you of the love bug—or the travel bug, or the fix-up bug, or whatever bug has bitten you—but we sure know a lot of ways to help you. Come in and talk it over.

SPORTS CARS HAVE SPECIAL ATTRACTION FOR THIEVES
Not all cannibals are of the jungle variety. Many can be found right on the streets of your community—ambushing cars.

Car cannibals are thieves who steal and strip automobiles of performance parts and accessories. They cost the American public millions of dollars every year.

According to the National Automobile Theft Bureau, new cars equipped with high-performance engines, four-speed transmissions or bucket-type seats are prime targets for car cannibals.

These thieves prowling the streets on the lookout for distinctive insignias placed on cars by manufacturers—to identify high-performance components.

But it isn't that easy to identify such equipment after it has been stolen. Although some auto manufacturers are now marking transmissions and other target parts with serial numbers, others still do not. Often it is impossible to trace ownership of stolen parts even if the thief is caught with them in his possession.

Automobile owners—especially those who have high performance or sports cars—can guard against car cannibals by taking common sense precautions. The NATEB recommends: make permanent identification marks on expensive equipment so that it can be traced if stolen, avoid parking in deserted or poorly lighted streets and always remove your keys and lock your car.

Cook of The Week

Mrs. Roe Matturri

Family Recipe Captures \$5 for Mrs. Matturri

A family recipe passed on from mother to daughter for Chow Mein with Chopped Meat won the honors in The Times-News' weekly cooking contest for Mrs. Rae Matturri of 91 Cella Terrace, Belleville.

Mrs. Matturri will receive the \$5 award presented to the winner of each weekly contest. All other recipes submitted will be judged in future contests.

Mrs. Matturri has entered several other cooking contests but this is the first time she has entered the winner's circle. Her husband, Pat, who is employed at General Electric in Bloomfield, has known that she is a champion cook for some time.

The Matturris, who have resided in Belleville for more than six years since they moved here from Bloomfield, are the parents of two children, Tommy, 6, and Donna, 15-months.

Mrs. Matturri is a full-time housewife, who devotes her spare time to her hobbies of cooking, sewing, baking, and dancing.

"I love to dance," said Mrs. Matturri, "I dance at home all the time that I'm doing my housework, who devotes her spare time to her hobbies of cooking, sewing, baking, and dancing."

CONTEST RULES
Favorite recipes should be submitted in contest. They may be for hors d'oeuvres, soups, salads, meat or fish dishes, vegetables, casseroles, desserts, foreign or American delicacies.
Recipes that do not win the week they are submitted will be considered in subsequent weeks' contests.
A contestant may submit more than one entry.
If the same recipe is sent by more than one contestant, the one with the earliest postmark will be the winner. In the case of entries submitted in person at the Times-News office the date and hour will be noted on recipe when it is received.
One winner will be chosen each week and will receive check for \$5. The winning recipe will be published each week in the Times-News.
Entries must be typewritten or written legibly and mailed or brought to The Belleville Times-News-Recipe Contest Editor, 246 Washington Avenue, Belleville, N. J.
Members of The Times-News staff or members of their immediate families will not be eligible.

WEDDINGS AND ENGAGEMENTS IN SOCIAL SPOTLIGHT

Francis Moncine, Netcong Girl, Wed At Holy Family; Honeymoon In Hawaii

MRS. FRANCIS R. MONCINE
Former Barbara Clear

In a late afternoon ceremony in Holy Family R. C. Church, Nutley, the wedding of Miss Barbara Joan Clear, daughter of Mr. and Mrs. Arthur J. Clear of 41 Allen Street, Netcong, to Francis R. Moncine, son of Mrs. Francis R. Moncine of 72 Moore Place, Belleville, took place on Saturday, February 6. The bridegroom is the son also of the late Mr. Moncine.

The ceremony was performed by Rev. Michael Saltarelli. The reception was held at Thom's Restaurant, Newark.

Escorted by her father, the bride wore an empire style gown of white silk-matelassee with fitted jacket trimmed with white mink. A band of mink held her five-tier pouf veil, and she carried a white mink muff with a long stemmed red rose.

The maid of honor, Miss Constance S. Rubino of Montclair, was gowned in deep red velvet, fashioned with empire waist accented with matching satin trim. She wore a red satin bow headpiece and carried a red maribou muff with white ribbons.

The bridesmaids, Miss Judith Moncine of Belleville and Miss Ann Marie Saeger of Bloomfield, were dressed in pink velvet and carried pink maribou muffs with white flowers. Their headpieces were pink satin bows.

Arthur Morano of Belleville served as best man, and ushers were William A. Clear and Richard B. Clear, both of Netcong.

Mrs. Clear was attired in royal blue crepe with beaded bodice, and Mrs. Moncine chose aqua green crepe with beaded bodice and jacket. Both had matching accessories and corsages of white orchids.

The bride is employed by Scientific Glass Apparatus, Bloomfield. Her husband served in the U.S. National Guard and is a self-employed painting and spraying contractor.

After a honeymoon in Hawaii, Mr. and Mrs. Moncine will make their home in Bloomfield.

Belated Anniversary Party For The Gerard Zanfinis

Mr. and Mrs. Gerard Zanfini of 72 Salter Place, Belleville celebrated their 25th wedding anniversary last month by taking a two-week cruise aboard the Santa Rosa to the Caribbean.

The Zanfinis were guests of honor last Sunday at a belated anniversary party given by members of Mrs. Zanfini's club and their husbands at Bow and Arrow Manor, West Orange. In the group were Mr. and Mrs. Michael Piar-

one, Mr. and Mrs. Louis Paulicello, Mr. and Mrs. Michael Soda and Mr. and Mrs. Michael DelGuercio of Belleville.

Also Mr. and Mrs. Stephen Parrillo of Bloomfield, Mr. and Mrs. Charles Botisikaris of Newark, Mrs. Alfred Calvani and Mrs. Caspio Caprio of Clifton.

Mr. and Mrs. Zanfini were married November 18, 1889, in St. Lucy's R. C. Church, Newark. Mrs. Zanfini is the former Mary Marino of Newark. Because of the death of her mother, Mrs. Giovanna Marino of Belleville, on October 21, plans for a silver anniversary celebration were cancelled.

The Zanfinis have two sons, George, a senior at Montclair State College, and Robert, a senior at Belleville High School. Mr. Zanfini has been employed as a postal worker at the Middtown Station in Newark, for more than 30 years. The family has lived in Belleville for the last 12 years, coming here from Newark. Martorana - Cantalupo Rites Performed At Solemn High Mass In St. Mary's

In a double-ring ceremony at a Solemn High Nuptial Mass, Miss Louise Ann Cantalupo, daughter of Mr. and Mrs. Peter A. Cantalupo of 21 Tremont Avenue, Belleville, and Anthony Joseph Martorana of Wyckoff were united in marriage Saturday morning, February 6, in St. Mary's R. C. Church, Nutley. Mr. Martorana is the son of Thomas Martorana of Saratoga Springs, Calif., and the late Mrs. Martorana.

The pastor, the Rt. Rev. Msgr. James J. Owens, P. A., performed the ceremony and was the celebrant of the Mass. St. Mary's adult choir sang, with Mrs. Henry Sadusky, choir director, at the organ. The reception was held at The Chanticleer, Millburn.

Mr. Cantalupo gave his daughter in marriage. Her gown of Italian silk was fashioned with bodice and cathedral length train of reembridged Alencon lace highlighted with French seed pearls. The fitted bodice featured square neckline and long sleeves, and the skirt was bouffant in style.

Her waist length Spanish mantilla of Alencon lace was trimmed with French seed pearls. She carried a fan-shaped bouquet of carnations and lilies of the valley.

The bride's sisters were her honor attendants, Mrs. Robert N. Falla of West Orange as matron of honor, and Miss Mary Rita Cantalupo of Belleville, maid of honor.

The bridesmaids included Miss Maura Cullen of New York, a cousin of the bride; Mrs. Darryl O. Gombert of North Arlington and Mrs. Andrew Denobies of East Orange. The bridegroom's cousin, Florence Leone of Hawthorne, acted as junior bridesmaid.

The attendants wore floor length ruby red velvet gowns featuring square necklines, bell-shaped elbow length sleeves and A-line skirts with flowing back panels. They had blush pink mantillas and carried fan-shaped bouquets of blush pink roses.

Simbado Leone of Glen Rock served as Mr. Martorana's best man. Ushers were Vincent John Cantalupo of Belleville, the bride's brother; Robert N. Falla of West Orange, her brother-in-law; Dr. Armand Leone of Franklin Lakes; the bridegroom's uncle, Allan Elsemann of Brooklyn, N. Y.

The bride was graduated from Marlawn of the Oranges and the Berkeley School, East Orange. She attended St. Joseph's College, Emmitsburg, Md. for three years. She is a member of the Junior A Kemps of New Jersey Newark.

Mr. Martorana was graduated from Admiral Farragut Academy, Toms River, and New York University School of Commerce. He is a 1st Lieutenant in the U.S. Airborne Infantry and is president of Madison Township Lumber, Chesapeake.

The couple will reside in the Country Club Towers, Clifton, when they return from a wedding trip to Acapulco, Mexico.

Mrs. George Sosin, Active Member of Congregation, To Be Honored At Dinner

Congregation Ahawath Achim of Belleville will sponsor a gala dinner-dance Saturday evening March 27, in Sisterhood Hall, in accordance with custom, an outstanding member of the Congregation will be honored.

Mrs. Seymour Fersko, chairman, has announced that for the first time a woman, Mrs. George Sosin, has been chosen to receive the honor.

This annual affair is the highlight of the social season. A champagne cocktail hour will spark festivities. Marty White and his Hotel Astor band will provide dance music, and Broadway entertainers will be featured during the evening.

Mrs. Sosin, who resides at 489 De Witt Avenue, Belleville, has served in many fund raising capacities on both a local and national scale. She is the former president.

Beware of CHOKING ACCIDENTS

Be especially cautious to keep objects small enough to be swallowed away from infants and children. For they do not expectorate, but attempt to swallow and inhaled them into the lungs. Teach them to spit anything out.

Do not stimulate a child to laugh or cry while food is in his mouth. Physicians advise it is not wise to reach into an infant's mouth to remove an impacted foreign object. Place the victim face down across a bed or chair and call a physician. For choking is the leading cause of accidental death in the home to children under five.

VISITING ALASKA
After a helicopter trip from Newark Airport to Kennedy International Airport, Mrs. Michael Lardiere of 2 Center Street, and her sister Mrs. Wilfred Boubeau of Turner Falls, Mass., recently boarded a jet for Anchorage, Alaska. From there, they motor to Fairbanks, Alaska, to visit Robert Boubeau, Mrs. Lardiere's nephew, who is stationed with the Army.

Leaving Belleville with ice and snow on the ground, they filled their suitcases with enough warm winter clothing for a two week visit in 50 degrees below zero weather. Maybe when they arrive home, Belleville will have on her new spring coat to welcome them.

Mrs. Frank Pulidore of 30 Bayard Street is grateful to the Belleville Fire Department for the prompt service rendered her one night recently when her daughter, Bridget, fell down the stairs necessitating a three week stay at Columbus Hospital. When she couldn't reach her doctor, she called the Police Department for help and the Fire Department Ambulance arrived within five minutes and had the situation well in hand.

TAXPAYERS ★ MERCHANTS CIVIC MINDED CITIZENS OF BELLEVILLE

WHAT ARE THE FACTS ABOUT GARDEN APARTMENTS?

WHAT DOES IT MEAN TO THE DEVELOPER?

To the developer it means over 12 years of land taxes with hopes for fair compensation.

Years of engineering and soil tests for over 8 acres of a former dump which we are trying to convert to the highest and best use for the benefit of ourselves and the community.

We can afford to spend hundreds of thousands of dollars to replenish this land for proper drainage, sewerage, brook alignment, expensive piling, another 2 million dollars for building improvements and in return receive a fair return in profits for our endeavor. All these improvements are at our expense, none to the Town of Belleville.

WHAT DOES IT MEAN TO YOU?

\$84,000 added tax revenue for Belleville.

Minimum cost for schools (estimated 28 children of school age at \$537.44 per child or \$14,048.)

Minimum cost for services to Belleville. No city streets to plow, or maintain. No garbage collections by town. Developer will plow his streets leading into the development, plow all walks in the development and on Joralemon Street. Developer will furnish and maintain his own recreational facilities within the property with ample landscaping. He will furnish sufficient off street parking.

WHAT IS THE ALTERNATIVE?

48 One-Family Dwellings of 2, 3 and 4 Bedrooms At a Cost of \$20,000 per Unit. Total Cost \$960,000. Tax Revenue for Belleville Approximately \$31,000. Provision for School Cost (Estimated 40 Children of School Age at \$537.44 per Child or \$21,498.)

Plus-Snow Removal, Street Maintenance, Garbage Collection and other Services Exceeding Total Revenue Received.

W. ORANGE TOPS BELBOYS IN OVERTIME

Rush Hurts Ankle in 51-45 Loss

By Steve Charen

Eight straight West Orange points downed Belleville, 51-45, in an overtime battle, Friday, that proved to be the Bellboys' most costly loss of the year, that of Bill Rush. With one second remaining in the first half, Belleville's 6-5 center came down hard on his ankle, after making an important jump shot. During half-time, Dr. Donald Brown taped Bill's ankle, and he was ready to play in the third quarter. But, after the game Rush's ankle started to swell; by the time the Bellboys reached Belleville, Bill couldn't walk so it was the weekend, a cast, was put on the ankle.

In the battle for fourth place in the Big Ten, the Bellboys came within a fraction of a second of victory. During regulation time, this seesaw battle never had a margin of more than five points. Late in the fourth quarter (with ten seconds left) the Cowboy's Bill Dalton tied the score at 43-43. With four seconds remaining in the quarter, the Bellboys retained possession and called time-out. After that, Jim Brown passed to Rich Pucciarello at mid-court, who fired a pass to Rush, who was under the boards. Billy made the bucket, but it was a fraction of a second after the buzzer. In the overtime period, Dalton led the Cowboys to victory by scoring four points.

The news of Rush's ankle cost-

pled with Belleville's heartbreaking fraction of a second loss dampened the decision of the Essex County Tournament seeding Committee, which was meeting Friday night. Belleville (10-7) was among the 16 team field invited to the tournament. The committee seeded: South Side (10-1), Central (15-2), East Orange (15-2), Bloomfield (14-3), West Essex (11-5), and Essex Catholic (9-5), in that order. The first four positions were chosen unanimously, but there was much dispute over the final four especially, over the final four especially.

team, East Orange, by a scant three points and downed fourth-seeded Bloomfield by ten points, will meet seventh-seeded Weequahic on Wednesday, February 12, in the East Orange High School Court at 7:30. West Orange (11-6) and hard-luck Irvington (7-10), including several one and two point losses are the other Big Ten Conference teams in the ECT. Weequahic's powerful Kardinals had to be bypassed, even though they play Essex opponents, because they are located in Hudson County.

The outcome of Wednesday's ECT game depends on Rush. If Bill recovers in time the Bellboys have a very good chance for an upset; if not, I'm sorry to say, those chances will only be fair. In Weequahic, the Bellboys will face a high-scoring, tall, and well-balanced team. Dennis Layton, Charley Talley, Willie Dargun, and Ira Marcus are all capable of hitting doubles figures, and they often do. Weequahic has compiled an 11-5 record, mostly in the tough City League where they are 8-3.

If the Bellboys can come up with another game like the one against Montclair, nobody will stop them. In that contest, the accurate Bellboys made 61 percent from the foul line, and controlled the boards—two rebounds to one. With another accurate performance like that, Weequahic will fall even without help of would come in mighty handy on the seventeenth.

Meanwhile, the Bellboys have to worry about the last Big Ten games, Friday night for the last time. The Orange Tournament does storm into Belleville. Come out and watch the tournament—

four personal fouls, scored seven points separated the teams, and was called on Lo Balbo for "pushing" points in the fourth quarter and the score was tied six different times. A foul shot by Jim Brown tied the score. Rush put Belleville back in front before Dalton cut the margin to a point before the fourth quarter was closed. Bill Rush made a tap-in at 5:41 but every quarter was tight. During the final period, only two points separated the teams, and was called on Lo Balbo for "pushing" one of the officials. Rush put Belleville back in front before Dalton connected on two jumpers in 25 seconds to put the Cowboys a 34 to 33. At 4:19, a technical foul head, 38-36.

"I'm a bore-r!"

Public Service continually looks for new and better ways to provide electric service. Only in this way can we continue to keep your electric rates down despite the continuing increase in the cost of living.

A good example of specialized equipment that gets things done in a hurry is our earth borer which quickly and efficiently digs holes for setting up utility poles. Working on the same principle as a drill, this huge bore-r digs holes that are precisely the right size for standard poles.

Public Service's investment in millions of dollars worth of such specialized equipment helps keep your electric service economical and dependable.

While the Bellboys continued to win, so did Dan Bivona, who got down from 140 to 128 pounds and kept his dual meet winning streak intact at 17. Last season, Darny went through the ten match season undefeated, and this year he picked up where he left off. Bivona's only dual meet losses were in his sophomore year when he was 2.2.2.

To Bivona's credit is an impressive scrimmage against Pasca's 129 pound state champion, Dave Pruzansky. Although Darny fell 4-3, it was a good sign for Pruzansky had not been scored upon before and almost always pins his opponent. On February 19-20, Bivona should get a rematch with Pruzansky on the championship in the District Championship Tourney.

In the Kearny massacre, (the second straight romp) Nicky-Di Dominico continued to improve as he brought his record to 4-1 on a take-down and reversal. The Kardis tied the meet at 3:3 when Richie Cucco (4-2) dropped his second match.

Tony Festa returned to action to win by forfeit before Mike Luongo lost a close one on an escape for a 8.6 meet score. The Bellboys then started to roll as Dave Ebert won on a decision, Joe Villano pinned Kearny's Tilly at 1:30 of the final period, and Bivona romped 6-1. This made the meet score 19-6.

John Ciarella was pinned before Mike Oliveri returned to action with a 4-0 decision. Jim Luly was also pinned before Tony Sorrentino and Hal Avalone pinned their men to make the score 32-16.

Against Clifton Tony Sorrentino and Hal Avalone had to pull out the victory. Going into the final two matches, Belleville trailed 29-15. Then in Sorrentino's match Clifton's Riccielli suffered a severe injury when he came down hard on his knee. Since Riccielli couldn't continue, Sorrentino brought his record to 4-2 and the meet score to 22 to 16.

Then, it was all up to Avalone as it has been so many times before. Oliveri came through with a 1-0 victory on an escape to give the Bellboys their six straight, 25-22; it was also Avalone's sixth straight win.

Four Bellboys (10-6) hit double figures for the fourth time this season. Bill Rush and Nick Pizzuto led the way with 21 points apiece, followed by Rich Pucciarello with 16 and Jimmy Brown with 10. Pizzuto's return to form and Pucciarello's third straight dual figure job went a long way in this decisive victory.

Remarkable is the only word that can describe the Bellboys final goal shooting. Belleville had its best night to date by connecting on 61 per cent (27 of 44) from the floor. Rush led the way by making 9 of 12 (75 per cent); he was followed by Brown with 67 per cent (2 of 3), Pizzuto with 64 per cent (9 of 14), Pucciarello, with 6 and 1 and injured Ken Fulmore with 1 of 3. The Mounties made 31 per cent (21 of 68) from the floor.

The Bellboys rebounding advantage was also unbelievable, 37 to 18. The rebounding was fairly (2-12) and Mike Oliveri (2-21) both tied to make the meet score 17-14 in favor of Bell.

When Jim Luly (2-4) was pinned at 1:41 of the final period, Clifton went ahead 19-17. Richie Bonkowski (2-3) then fell 6-2 to make the meet score 22-17. Sorrentino's accidental injury a 1-0, Avalone's endurance then pulled out the win, 25-22.

The season's last dual meet is Tuesday in BHS against a strong Columbia team. The Junior Varsity Wrestling Tournament is Saturday at Nutley.

By routing Kearny 22-16 and Clifton 25-22, Belleville grapplers extended their winning streak to six with only two more matches to go before Tournament time. Bloomfield and tough Columbia are the only teams between the Bellboys and an 8.1 season; the lone loss was to powerful Montclair on riding time.

Bellboys Rip Montclair for No. 10

Belleville routed Montclair, 76-50 Tuesday, to average an early season, two point loss. The Bellboys excelled in every department while running - away with their tenth win of the season.

Four Bellboys (10-6) hit double figures for the fourth time this season. Bill Rush and Nick Pizzuto led the way with 21 points apiece, followed by Rich Pucciarello with 16 and Jimmy Brown with 10. Pizzuto's return to form and Pucciarello's third straight dual figure job went a long way in this decisive victory.

Bloomfield and tough Columbia are the only teams between the Bellboys and an 8.1 season; the lone loss was to powerful Montclair on riding time.

The defense's fine performance in holding all the Mounties to under nine points apiece speaks for itself; Belleville's "key-hole-man-to-man" continued his effectiveness. Rush led Larry Simpson to just nine points, while Fulmore continued his high-scoring Carl Williams with five.

The Bellboys fine performance in this game and for the whole season for that matter is a tribute to the coaching ability of Belleville's Al LaBarbo and his right-hand man, Charles Travers. "Belloy Bounces": Belleville's J.V.'s have been seeded in the Junior Varsity Tournament. The Bellboys draw a first round bye and will play the winner of the Valley Montclair Academy game, probably on February 15.

Belleville's Juniors dropped Tuesday's contest to Montclair, 38-50. The margin of victory came from the foul lines where the Mounties (11-4) made 14 of 17 shots to 6 of 13 for Belleville (8-7). Joel Pisano returned to his early season form to lead the Bellboys with a Season's high of 24 points. Rich San Filippo came up with nine points during the last quarter come-back bid to finish with ten; it was the fifth straight game that San Filippo has had double figures. Rich Tansley led the victors with 20 points. Montclair led all the way. Ironically, the varsity has played its best and worst overall games against Montclair this season. Incidentally, Bill Rush now has 333 total points for the season.

Tomorrow holds a big game for the Bellboys. Barring upsets, the winner of the Belleville-West Orange clash will finish fourth in the Big Conference as the teams are presently tied with identical 9-6 conference records. In an early season meeting, Belleville trounced, 56-40, mostly by holding the Cowboys injured big scorer, Bill Dalton, to just eight points and by making 24 of 37 free throws. Bill Rush scored 24 points to lead Belleville as usual.

If the Bellboys can put on another performance like the one from Tuesday, they should triumph easily, or if Dalton can be held in check again, the Cowboys will be ambushed. Belleville should win in a defensive game that will be decided by about ten points.

The margin of victory, all depends on the field goals of Nick Pizzuto and Rich Pucciarello and the Bellboy foul shot average.

Summary: This Game wasn't even close; from 7:23 in the first quarter (when Nick Pizzuto came-up with a three-point play) on, Montclair trailed. Later in the quarter, Pucciarello scored six straight points to lead Belleville on a ten point rampage that made the score 16-4 at 3:37. To close out Belleville's best quarter, Rush scored on a jump shot and a tap-in to lead Belleville's five point run that made it 25-9.

Belleville scored five foul shots in the first quarter, Pucciarello scored five foul shots in the second quarter, and Rush scored five foul shots in the third quarter. Montclair scored five foul shots in the first quarter, Pucciarello scored five foul shots in the second quarter, and Rush scored five foul shots in the third quarter.

Belleville scored five foul shots in the first quarter, Pucciarello scored five foul shots in the second quarter, and Rush scored five foul shots in the third quarter. Montclair scored five foul shots in the first quarter, Pucciarello scored five foul shots in the second quarter, and Rush scored five foul shots in the third quarter.

Belleville picked up where it left off by scoring three points to start the second quarter. Montclair then ran off six straight to cut the margin to 13. The Bellboys scored before Montclair cut the score to 30-19. Each team then scored one time each, in turn, through the rest of the half to make it 38-26.

During the first four minutes of the third quarter, the Bellboys had runs of four and five points to make the score 49-30. The quarter then settled down to a score apiece affair that ended with Belleville on top by 18 at 38-40.

Mid-way through the final quarter, back-to-back four point runs spread the Bellboy margin to 25 points at 72-47. Then it was time for the second team. The Mounties made five foul shots in the final two minutes as Ron Tomaszewski scored Belleville's last two points on a pair of free ones to make the final score 76-50.

ADVERTISMENT

A Friendly NOTE
By ALFRED J. LUBERTO

We wouldn't think of driving down to the corner for a handful of groceries with our eyes shut, but this, quite exaggerated, of course, is what happens.

According to a report in "Missouri Medicine", the average person blinks his eyes about 25 times per minute, which means each blink averages out at about 0.2 seconds. At this rate, during a 10-hour stint behind the wheel at an average speed of 40 miles per hour, the driver travels about 33 miles with his eyes closed.

Closing your eyes to the mechanical needs of your car will not make them less costly when they are done. Check now with ALS RIVERSIDE BODY & FENDER WORKS, 221 VALLEY STREET, BELLEVILLE for repairs of those scratches, dings and bumps. You'll be amazed at the factory finish we give your car.

Hearing Continues

(Continued From Page 1) In the hearing on the proposed ordinance...

Town Attorney Charles B. Tedesco, who is also attorney for the Board of Adjusters, said last night that all company witnesses in favor of the apartments have been heard and the opposition will begin stating its case to night.

Presiding over the hearing is Norman D. Lauterette, Board chairman. This is the second attempt being made to erect apartments on the plot. About one year ago a similar request for a variance was made and then withdrawn in the face of homeowners' opposition.

This is the second attempt being made to erect apartments on the plot. About one year ago a similar request for a variance was made and then withdrawn in the face of homeowners' opposition.

Following applications will be heard: Andrew J. Piniello, 570 1/2 St. Louis, who seeks to have a two-story house converted into a four-story apartment building; and Joseph J. Piniello, 570 1/2 St. Louis, who seeks to have a two-story house converted into a four-story apartment building.

On April 1964, construction started on the new, large and modern Landolfi Home for Funerals, at 503 Union Avenue, Belleville, and one of the most modern funeral homes in the county was opened on December 6, 1964.

Nicholas is the son of Mr. and Mrs. Nicholas Landolfi of 212 Forest St., Belleville, also lifelong residents of Belleville.

Stray Animal

(Continued From Page 1) against the Civil Defense allotment in the proposed Municipal Budget, claiming that despite the slashing of the \$80,000 item to \$5,300 it was still a waste of money.

Councilman Golden pointed out that Mrs. Frank was active in the local SANE unit and also a member of the Belleville Fair Housing Council. He asked why she objected to the CD expenditure when there were so many other more glaring errors in the budget.

She explained that she didn't have time to go over the entire budget. Mrs. Leslie Finch, also spoke against the CD appropriation.

Several other citizens spoke on the proposed police and fire salary increase, parking, and recreation.

Among the resolutions approved by the Council was one of commendation to Attorney Leslie W. Finch.

FINCH COMMENDED

In a special resolution, former Town Attorney Leslie W. Finch was commended for his service to the Town. The resolution stated:

WHEREAS, LESLIE W. FINCH, ESQ., has resigned as Town Counsel of the Town of Belleville, N. J., after many months of faithful and outstanding service to this Municipal Council; and

WHEREAS, this Municipal Council is in unanimous agreement as to the many accomplishments the said Leslie W. Finch, Esq., attained during his holding of the Municipal Council and the citizens of this community, through his untiring efforts in the preparation of the 1964 Revision of the Administrative Code of the Town of Belleville, his successful litigation of matters involving the Town of Belleville in the Courts of the State of New Jersey and his advice to this Municipal Council during its deliberation of Town affairs;

WHEREAS, it is the earnest hope of this Municipal Council that his future years be filled with good health and every possible happiness and success.

Golden Notes

"I am a bit at variance with the thought imparted in the second paragraph of your letter in which you state your group 'banded together about two years ago to help integrate our town without the ups and downs which have occurred in some other unprepared communities.'"

"I like to feel that Belleville has accepted without incident integration for many years. I well remember as a boy in high school playing ball with many prominent athletes whose skin differed from my own... men who have in adult life made a niche for themselves in our communal life."
