Company Asks Lobnitz Tract Subdivision

A request for subdivision of the Lobnitz Tract off Joralemon Street into 43 lots for one-family houses was filed Tuesday in Town Hall by the Martin Davy Company of East Orange.

Re-elected to serve another term were Trustees Walter J. Christensen, John F. Cowell, G. Crosby Hiss, Carl N. Johnson, Karl J. Olson, Herbert V. Peterson, Harry A. Trotter, and Rev. John R. Weber.

Three newly-elected members of the Board introduced at the meeting were Frederick S. Gillespie, the Rev. Edwin H. Knudsen, D.D., LL.D., and Joseph W. Schiftenhaus.

Gwen Gaudio Runnerup in Beauty Test

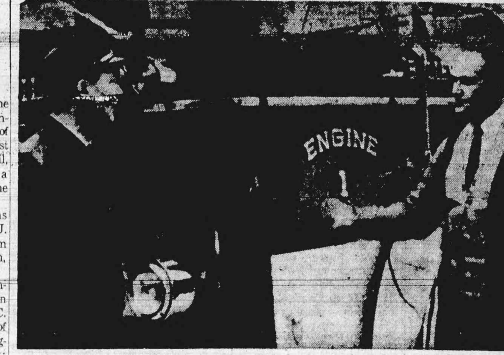

Miss Gwen Gaudio, a Belleville High School senior, was chosen second runner-up in the Miss "New" Newark Beauty Contest which was held at the Essex House Hotel in Newark, March 7.

The seventeen girls who participated in the contest appeared in bathing suits. Five judges chose the girls who they thought showed general beauty. Gwen was sponsored by Stefano's Restaurant.

Claims Council Action Will 'Retard Education'

Ernest S. Arvidson, president of the Board of Education, yesterday lashed the Town Council and Town Manager John Burnett for what he termed the mutilation of the school budget and charged that the slash of \$277,900 from the proposed budget would "retard education" for a long period of time.

In a prepared release, Arvidson said: "On behalf of the Belleville Board of Education, we strongly protest the unprecedented action of the Town Council and its indiscriminate mutilation of the school budget based upon the sole discretion of a town manager obviously unqualified in school matters."

"The unannounced Sunday action of March 7, 1965 will, if confidence in a form of government that denies its citizenry the right to be heard and to be informed of the basis of its actions when it concerns the future welfare of our youth."

"Apparently, none of the members of the Council were prepared to defend an action motivated solely by its manager. Moreover, it raises the serious question of where town authority lies, in the manager, or its elected officials. The town managers' analysis of the school budget" upon which he based his recommendations is a display of incoherency that displays a fundamental lack of understanding of school budget procedures and needs."

"The Board of Education spent three months time and study in an effort to produce a reasonable budget which would provide a thorough and efficient system of schools, for the town of Belleville."

"The town manager in a matter of one week, and without requesting information concerning the schools from any educator, school authority and without any comparison with school systems in neighboring communities, submitted a budget cut of \$277,900."

"From the managers own report it is obvious that his unfamiliarity with the school matters and his recommendation lacked sound reasoning, and judgment. More disturbing was the Council's unqualified acceptance and lack of individual recommendations, which reflects a lack of responsible executive leadership."

"The Town Managers attempt to appear economy minded, is unconvincing, when he slashed the school budget \$277,900 to ex-

Poison Prevention Week Proclaimed

Mayor Nuncio R. Pico last week proclaimed National Poison Prevention Week in Town from March 14 to March 20.

In his proclamation, the Mayor said:

"WHEREAS, the week of March 14-20 is being observed as National Poison Prevention Week under authority of Public Law 87-418, United States Congress; and

"WHEREAS, common household products may produce serious illness if improperly used;

"WHEREAS, 500,000 children throughout the country accidentally swallow these products each year; and

"WHEREAS, accidental ingestion of these products can be prevented if they are stored, handled and disposed of properly;

"NOW, THEREFORE, I, NUNCIO R. PICO, Mayor of the Town of Belleville, New Jersey, do hereby proclaim the week of March 14-20, 1965 as NATIONAL POISON PREVENTION WEEK in our community. I encourage all of our residents, particularly those with responsibility for the care of children to make a concerted effort to aid in material reduction — if not eliminating —

Dr. Durkee Attends State Reading Parley

"School Administrators Focus on Reading Programs" was the topic of the State reading conference at Rutgers University last week. The program was provided by the New Jersey School Development Council and the New Jersey Reading Teachers Association. Superintendents were invited guests, and Dr. Frank M. Durkee, Superintendent of Schools, represented Belleville.

A panel consisting of Dr. Levin B. Hanigan, Superintendent of Mountainside Schools, chairman; Dr. Daniel A. Briggs, Professor of Education, Glassboro State College; Dr. Edward B. Fry, Director of the Reading Clinic, Rutgers University; Mrs. Evelyn Jan-Tausch, Director of Reading, Scotch Plains; and Dr. Mark Kamp, Paterson State College discussed the various programs now available in reading.

The conference indicated that experimental programs such as the Initial Teaching Alphabet (ITA) and the like should not be undertaken by individual schools or districts, but should be sponsored by the State.

Where Are Tomorrow's GOP Leaders?

Last week's Essex County Young Republican Convention — better pegged a fiasco — left us wondering in just what shape the Republican Party will find itself after another decade. Where, we ask, are the Republican leaders of tomorrow?

On paper, we admit the Young GOP Convention looked good. But this means nothing, for all we're actually saying is that the agenda, format and pre-planned political maneuvers were carried out as expected.

Like good actors, the young Republicans read the script well. But when the need arose for some ad-libbing, to handle unexpected developments, confusion resulted.

Confusion came early in the day when several delegates raised parliamentary "points of order" shortly after the convention had been called to order. The delegates, however, were ignored completely by the presiding chairman.

The confusion would have been avoided had the chairman ad-libbed a little from the prepared script to explain that he had decided not to recognize "points of order" until the convention's rules were adopted.

However, the script was not altered and the result had the delegates literally screaming. They stamped their feet, shouted, stood on chairs and went through a series of acrobatics. And all during this time, the chairman of the rules committee calmly continued to read his report from the rostrum, paying no attention at all to the disruption of delegates before him.

Later in the afternoon, a controversial amendment to the Young Republicans' constitution was brought to the floor — as provided for in the script. This was the much publicized amendment banning John Birchers from membership in the County Young GOP organization.

The script called for the amendment's adoption, but at the convention, delegates developed some second thoughts and the new consensus was that the matter should be killed. That wasn't in the already prepared script, however, and confusion again was the order of the day.

Instead of voting on the John Birch amendment, someone unexpectedly moved to table it. Others objected. Then came more yelling. One chapter chairman changed his delegates' votes three times during the mix-up.

Meanwhile, other delegates scattered throughout the large hall suddenly awoke from isolated conversations to discover that a controversial measure was on the

floor. Loud complaints were voiced that the chairman was trying to sneak through the amendment. The chairman suggested delegates pay more attention to what was going on, but many did not and confusion was again the result.

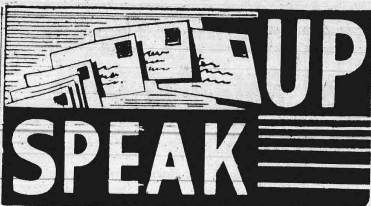

Things went along fine for a while — as long as the script was followed — and then in popped Senator Robert Sarcone to make a brief appearance. But he wasn't in the script, at least not on the page of the moment. However, that didn't make any difference at all. The Young Republicans simply brushed aside all their resolutions and ended their controversial debate so the senator could speak. The delegates' line-of-thought, to be sure, was broken as the senator was introduced. There was confusion again, and we wonder today how many of the delegates can remember what the Essex Senator's brief address was all about. Not many, we assure you.

As a side comment to the Young Republican Convention, we believe the minority delegates' refusal to participate was wrong. The large minority delegation announced at the convention's opening that according to an old and unnamed 1933 document filed in the County Court house, the method which elected this year's delegates was illegal. This fact, the minority held, made the entire conclave illegal and, as a result, delegates from at least a half-dozen chapters decided not to participate.

If this year's convention was illegal, then so was last year's and the one before that. The minority delegates may have had a legitimate question and should have made their point, to be sure. But instead of refusing to participate, they should have remained active delegates of the convention — participating perhaps with an "under protest" reservation. The decision not to take part was a bad one.

The Republican Party today, to be sure, is not at its most glorious moment in history, and the view ahead looks dim. Where are today's Young Republican leaders? All that we saw at the Young GOP's convention was the ability to read a good script and confusion — plenty of it.

One of the dedicated purposes of the Young GOP organization is to develop leaders for the Republican Party of tomorrow. In this respect, Saturday's convention revealed a regrettable failing on the part of the Young Republicans — a failing that needs immediate correction if the Republican organization in Essex County is to have any future at all. — PRW

READER HITS COUNCIL ON SCHOOL BUDGET

To The Editor, Times-News:
Belleville's Town Council displayed a distinctive ingenuity in handling this year's budgets. Our Councilmen knew and still know — the Belleville townspeople did not end and do not do — that a high increase in their tax rate at any one time. The Councilmen also were and are aware — of the peoples opinion on waste. Therefore, our Councilmen were well aware that the citizens of Belleville would not approve a 10% increase in this year's Municipal Budget.

However, the Board of Education Budget fell into the Town Councilmen were well aware the Council was working on their own Municipal Budget.

Then, the Council notified the public that the Board of Education Budget Meeting would meet that Monday... but suddenly before an appreciable amount of time had passed, the Council announced Sunday afternoon meeting without the public present.

Why? From this unusual meeting was a drastic cut in the Board of Education Budget. The Council felt this was a mandate from the people. But the very next day, the Council passed and approved a \$186,040 increase in the Municipal Budget.

Was this \$186,040 increase a mandate from the people also? Can the Council justify their own large increase by cutting an Educational Budget? Because the Councilmen cut one budget, does that make it right... in the name of good budgeting, to increase by \$186,040 their own municipal budget? Is it possible that emergency repairs... such as painting a fire escape on the Town Hall... are more important to the council than education and our children's schools?

This past year, the Council approved paying \$24 a day, for 10 days (\$240), just for a man to give an estimate... for the repair of the Town Hall Roof. And even though there was money from the last year's budget... for the repair of the Town Hall Roof... the Councilmen still voted an additional \$3,900 to fix this roof! This \$3,900

BECK'S COLUMN

By MAX BECK

After years of stalling, color TV now makes the headlines. Every manufacturer makes and pushes color sets as if they invented them, completely forgetting that until about a year ago RCA carried the ball, all by themselves. Those manufacturers that about the loudest now, only a short time ago, showed no interest in it.

The fact of the matter is that color TV has been very good for years. We sold our first color TV set almost 11 years ago, right when RCA came out with it, and we have sold color sets and serviced them ever since.

It has just been made known that Station PIX (Channel 11) has placed an order with RCA for complete equipment to be installed in a new color studio, which is expected to be ready for transmission this fall. CBS is in the midst of building its own color transmitting facilities. It is an open secret in the trade that CBS has quietly bought a quantity of color TV movies. Of course, it was well enough known for quite a while that CBS simply was going to lose their advertisers. So, it is not only the manufacturers of TV sets that go all out for color, the transmitting stations push color also.

If you are confronted with the necessity of buying a new TV set, it would be wise to consider color. It won't be long until most Broadcast will be transmitted in color. Most new sets will come in a new black and white TV set now, probably will be sorry in a short time not having bought a color TV.

We service what we sell.

Scrap Wire, Leather Will Aid Rec. Handicraft Program

The Belleville Recreation Department has plans for a very active Handicraft Program on the playgrounds this summer. Conforming to a policy of minimal commercial handicraft, the emphasis will be on imaginative articles of paper mache, felt, leather, bent wire and other materials that can be offered with out cost. Although some of the commercial items will still be available, the more creative handicraft will be given the major effort.

One of the most interesting forms of handicraft to be offered this summer employs scrap telephone wires. Through the efforts of Robert Horsfield, manager of the Belleville Business Office of the New Jersey Bell Telephone Co., and of Joseph Zipt, the Recreation Department has acquired a quantity of scrap wire from telephone cables. These wires because of the Telephone Company's color code system, are in a beautiful assortment of gay colors. By bending and winding the wire children will be able to make all kinds of colorful and highly imaginative figures.

VOTERS THANKED BY MRS. MCCARTHY

To The Editor, Times-News:
May I take this opportunity to thank you and your newspaper for the fine coverage of views of all Board of Education candidates prior to the recent election? Your cooperation gave each candidate the chance he needed to be heard.

My thanks go also to the thirteen hundred friends who voted for me; I wish I could thank them all personally.

Of immediate concern to all of us now is the Board of Education Budget. It remains to be seen whether our Town Manager and Councilmen are more concerned about lower taxes than providing the best education for all of Belleville's students. In the twelve and a half years I have lived in Belleville my taxes have increased every year — but as long as my children are receiving the best education available I have no objection. Let us hope the children do not suffer due to the action of their elders.

Sincerely,
Agnes J. McCarthy

Town Manager's Report

Supplementing my January 15 statement on the proposed Budget for 1965, I present the following budgetary facts now apparent:

- (a) The Belleville Board of Education budget requirement for 1965 is \$3,151,633.000.
- (b) The probable Essex County tax requirement is \$1,874,801.56.
- (c) The present Town Government needs is \$1,694,864.90.
- (d) The Veterans and Senior Citizens' exemption refunds from assessed value requires \$166,900.00.

The total thus required is \$6,889,199.46.

Using the agreed 93% per cent as the ratio of anticipated collection, our Auditor computed our requirement for Uncollected Taxes to be \$468,754.20.

As the Town must collect all taxes, County, School and Local, the entire sum for Uncollected Taxes is added to the Town cost but actually the sum required is an additional cost upon all three governmental units.

The percentage and cost breakdown, therefore, is:

Agency	(*)	(**)
School	46.9%	\$219,845.72
County	27.8%	130,782.42
Town	25.3%	118,126.06

(*) Percentage of Total Tax
(**) Share of Uncol. Tax Reserve

Schools — 46.94 per cent or .86 per cent less than 1965; County — 27.46 per cent or .44 per cent less than 1965; Town — 25.5 per cent or 1.3 per cent more than 1965.

Further analysis proves that the attributable cost for Town operation in 1965 is \$1,812,990.96 as against \$1,723,385.34 in 1964 or a percent increase of \$89,605.62.

Examination of this amount shows an increase of \$10,287.00 in Emergency Appropriations; \$7,785.00 for Debt Service; \$14,840.00 for Police and Fire Pensions, Group Insurance for all Employees and Social Security Payments; \$25,000.00 for the Capital Improvement Account; \$4,750.00 for Insurance; \$5,273.12 for Sewer Contracts and \$14,972.00 for the Public Library — making a total of items not under control of the Town administration of \$82,907.12.

The difference of \$6,688.30 (\$89,605.62 — \$82,907.12) is the increase in operational cost under Council and Administrative control for the year 1965 over 1964, which, as a sum, was \$1,229.35 less than 1963.

On this agenda I am presenting for Council consideration an amendment to the Ordinance prohibiting the clogging or stoppage of our sewers by commercial waste or similar substance.

The present Ordinance is defective as, to penalty, according to our Law Department, and cannot be enforced.

Recent stoppages and the resultant backed-up sewers in the vicinities affected compel us to seek Ordinance protection for the towns, ticket purchases and as same breakdown in 1964.

good and welfare of the residents of Belleville.

Our Senior Bookkeeping Machine Operator, Mrs. Grace K. Maguire, has applied for and been granted a six months' leave of absence from her position beginning as of March 1, 1965.

I have also been informed by Mrs. Jean Findlay, the Steno-graphic Recorder for our Council meetings, that she will be unable to continue to handle our meetings.

Two Selected For Round Up

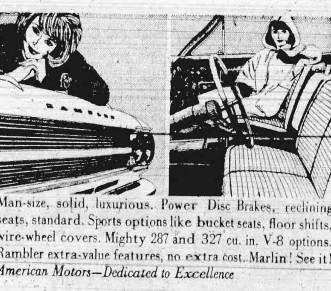

Miss Gail Cronauer and Miss Juanita Garis have been selected to represent Belleville at the Senior Girl Scout Round Up in Idaho in July, 1965. For many weeks these two girls have been in training for the experience of living with girls from all over the world who will be part of this carnival event.

The Senior Girl Scout Troop 961, together with its Mothers Club, sponsored a card party recently at the American Legion Hall to raise funds for these two Seniors. It was a successful affair and all the proceeds will be given to the Seniors to buy equipment for the trip.

Mrs. Andrew Verhagen and Mrs. Daniel McCarthy are co-advisors of the troop and wish to thank all the citizens of Belleville who cooperated through donations, ticket purchases and assistance in preparation.

Clubwomen Will Participate In "Their Day" In Newark

The Afternoon and Evening Membership Departments of the Woman's Club of Belleville are making plans to attend the 31st Annual Club Women's Day at a Newark department store on Thursday, March 25. For almost a third of a century the store has contributed a liberal portion of the income received on this day to the State Federation, earmarked for the support of the Federation's magazine, the New Jersey Club Woman.

Mrs. David Parry, Federation secretary of the Afternoon Department, has been appointed chairman of a special committee, which is being assisted by Mrs. Richard Shaffer, Mrs. William Baker, Mrs. Lorena Clark, Mrs. Dwight Streeter, Mrs. John De Nike, and Mrs. Edward Rochau, president of the local club.

Mrs. Walter Simcox, Federation secretary of the Evening Membership Department, is being assisted in her arrangements by Mrs. Howard Beresford, chairman of the Department.

Registration for club members and their guests from all parts of the state, will be on the third floor of the store, from 9:45 a.m. to 2 p.m. Visitors may attend either of the two identical programs scheduled on the fourth floor at 11 a.m. and 2 p.m.

Local club members, their friends and guests are asked to register in the name of the Woman's Club of Belleville, since the store traditionally presents a number of fine gifts to the clubs, with the highest registration in four size categories. Cash awards will be presented by the federation to individual clubs with the largest attendance.

When Spring Is Here

Something about shadows in early spring -
Before there's a robin to nest or sing,
Before there's a bud in the apple tree,
Or even a tulip or bumblebee,
Or jonquils have opened their sleepy eyes,

You suddenly see with a swift surprise
The shadows grow darker against sunshine,
And though of the spring there's no other sign,
The blue sky has polished its window-panes,
And sunshine streams cellophane-clear after rains;

On shiny new grass, painted shadows are sketched,
And suddenly, sharply in charcoal etched,
Outlining bare trees. But the winter sun
Has made no such contrasts. And now no one
Need wait till the flowers and birds appear;
The shadows will tell you when spring is here.

TEEN OF THE WEEK

Idenden Rates High In Studies, Activities

John Idenden, a BHS senior, is undoubtedly a most outstanding student. Participating in many activities and maintaining an "A" average, he has made his year in high school a success.

Besides being a member of the yearbook staff, Jack is secretary of the Key Club and vice-president of the National Honor Society.

Last year, he was president of the Latin Club. He entered the Annual Latin Contest of the Society For The Promotion Of The Study of Latin and received a Maxima Cum Laude award and a Magna Cum Laude award.

Last June, Jack was chosen as one of Belleville High School's three representatives to the American Legion, New Jersey Boys' State at Rutgers University. This year, he placed first in the local American Legion Oratory Contest and third in his division of the Essex County semi-finals.

Jack's varied interests have helped him develop a pleasant, well-rounded personality. He is looking forward to attending college in September. He plans to study the piano for nine years and study engineering or industrial management. He has already and theory tests for Trinity College, London. Because of his skill,

Miss Cherry Blossom Lists

Pageant Details at BHS

By Carol Spalletta

Miss Judi Underwood, a 1963 BHS graduate and reigning Cherry Blossom Queen, was one of the guests at an assembly, presented to BHS senior girls on Friday, March 12.

Ralph Correll, Director of Student Activities at BHS, opened the program by introducing Harry Breckenridge, Contestant Chairman. Breckenridge explained that the Miss Cherry Blossom Pageant, sponsored by the Belleville Jaycees and the Belleville Chamber of Commerce, is "the highlight of one of Belleville's outstanding attractions — the Cherry Blossom Festival."

Mrs. Vera Kettel, Modeling Director, explained that the contestants will be judged on attractiveness, charm, poise, and personality. Entrance rules are as follows: girls must be Belleville residents, single, high school graduates by September 1965, no older than 21; entry must be in by September 1, 1965; each entry must perform a three minute routine. The entry may be either amateur or professional, and the decision of the judges will be final.

The girls will be judged on their appearance in evening gowns, swimsuits, and ability to perform. First prize will be a \$300 scholarship; second prize, a \$250 scholarship; and third prize, a \$150 scholarship. A Miss Congeniality award and other prizes will also be given.

Miss Judi Underwood and Miss Diane Fyfe, second runner-up, commented on their experiences in the contest and urged on hon-

Baker Gains Solo Finals

Charles Baker, a BHS junior and trombonist, is one of the finalists in a solo competition sponsored by the Wyckoff Male Chorus. Charles passed the semi-finals which were held at the Eastern Christian High School on March 6.

In the semi-finals, he played "Recitative and Prayer" by Hector Berlioz and "Concertina Opus 4" by Ferdinand David. The audition began at 9 a.m. and continued through the day. The soloists who participated were between 16 and 20 years of age.

Miss Grundfest Finalist in Science Test

Miss Sharon Grundfest, daughter of Dr. and Mrs. Jack Grundfest of 19 Van Ryeper Place, has been selected to compete for the Bausch and Lomb Science Scholarship. Chosen from more than 700 applications from Medal winners, this BHS senior is the only finalist from New Jersey.

So that the committee will have the opportunity to consider her candidacy, Sharon has been invited to the University of Rochester, New York, from March 31 to April 2. All the expenses of her trip will be paid by the university and the Bausch and Lomb Company.

Sharon Grundfest

During the summer, Sharon attended the University of Indiana, an institute for Arts and Science. However, her scientific achievements do not consume all her time.

She has a deep interest in music. She has taken piano lessons for eleven years and has been selected by Wallace and Tiernan to accompany their glee club.

She also enjoys working with her "ham" radio. She has a general class license.

Though Sharon has so many interests outside of school, she has been able to maintain an "A" average. She ranks in the upper 10 per cent of her class. At BHS, Sharon is a member of the National Honor Society.

TEACHER-OF-THE-WEEK

Babb Keeps Science Up to Date at BHS

Nova Babb, chairman of the Belleville Senior High School Science Department, has been teaching in Belleville for the last 26 years. Before coming to Belleville, he taught in Missouri for five years.

He received his Bachelor of Science Degree from Southwest Missouri State College and his Master of Arts Degree from Columbia University. He also has attended many science institutes. Babb is currently teaching biology; however, he has not always taught biology. He has taught general science, algebra, and electricity. In Missouri, Babb was a physical education teacher and a football, basketball, and track coach. At BHS, he has sponsored the Chess Club.

Under the supervision of Babb, the Science Department offers many courses to the students of Belleville. It sponsors an annual Science Fair and an assembly at BHS.

He has a married daughter who teaches in St. Louis, Mis-

souri and a son who is in the United States Army.

Babb participates in bowling, golf, and sailing. He also enjoys gardening and likes to play chess.

Parents Briefed On Colleges

A program for the parents of ninth-grade students was held on March 8, in the Senior High School auditorium. Louis McKee, Director of Student Personnel Services, was chairman of a Committee consisting of Senior High guidance counselors, Mrs. Regina Deguin, Herman Kruppel, and Roland Worthington, along with Raymond O. Smith and

There was a question and answer period after the program.

Pupils Take Part in Math Examinations

By Sandy Muscara

Belleville Senior High School participated in the 16th Annual High School Mathematics Examination sponsored jointly by the Mathematical Association of America and the Society of Mathematicians.

Under the direction of Martin Lang, Chairman of the Mathematics Department, and Robert Wis, the examination was given to 31 students at BHS who excelled in mathematics.

Schools throughout the nation participate in the contest, and awards are made to both schools and contestants on the basis of team and individual scores.

The five top scorers in the contest at BHS were William Geley, William McCarthy, Gerard Brunello, Anthony Rudolo, and William Taurinello. William Geley was the high scorer at BHS.

The top three scorers in the Senior class were Gerard Brunello, Joseph Cervasio, and David Mair; the top three juniors were William Geley, William McCarthy, and Anthony Rudolo; and the top three sophomores were Catherine Ziel, Jack Petro, and Janet Robertson.

Others who participated in the contest were Elizabeth Bord-

waro, James Cancelli, Jeff Mulder, Susan Petro, Joel Carson, Gary Creditor, Gail Pisano, Linda Strack, and Mar. Cronauer, Robert DePass, Jorie Stucka, Thomas DiBiasi, John Distasio. Lang sent the Belleville High Leon Ember, Cecilia Fitzpatrick. School scores into competition, Sharon Grundfest, Jack Idenden, and they will be judged along Leonard Izzo, Jeff Lane, Mary with other high school scores May, Elinor Mostello, Karen throughout the United States.

Belboy Cagers End Season with 13-9 Mark

By Steven Charon

Belleville High's cagers have just finished one of their most successful seasons in over a decade by compiling a commendable 13-9 record.

Just as expected, the Belboys started the season slowly and then picked up momentum as they gained experience. It should be noted though, that during the first part of the season while the Blue and Gold were compiling a 5-5 record, they dropped heart breaking two, three, and four point decisions.

After the mediocre start, Belleville ripped off four straight victories and went on to a 12-7 log by tourney time or a 7-2 mark in the latter part of the regular season.

For the first time during "Mr. Lo's" reign and the first time in many years, the Belboys were invited to both the Essex County Tournament and the New Jersey State Interscholastic Athletic Association Tournament. In these post-season games Belleville edged Westfield, was routed by mighty South Side, and was pegged into submission by Morristown.

Bill Rush, who has been selected for the first team of the All-Big Ten Conference squad, was one of the big cogs in the Belboys plans. Rush led in most of the defensive departments and was Belleville's best rebounder on the strength of his 6.5 height. "Big" Bill finished the season with one of the highest point totals ever compiled by a Belleville cager (385 points on 140 field goals and 103 charity shots). Bill is one of the squad's four seniors, to say he will be missed is quite an understatement.

A second-team Big Ten player, Nick Pizzuto was another important cog in the Belboy attack. When Nick was "hot" he was murder from the corner and he was deadly many a time as his 99 field goals indicate. Pizzuto finished up the season with 234 points. Next year should be a big one for Nick.

Ken Fulmore earns the title of the team's "Ironman" for the only Belboy to appear in every quarter, all 40 of them (the number is odd because of overtime). Fulmore, who stands comparison with school systems around 6.3 was an outstanding rebounder and defensive player besides scoring 177 points. More than likely, Ken will be next season's starting center.

"Speed and accuracy" are Rich Pucciarelli's main assets. "Puchi" was the back-court man who was accurate with the outside shot. Rich scored 210 points and was most impressive during the second half of the season's winning streaks. Pucciarelli will also be back next year.

Last, and certainly not least among the starting five, is versatile Jimmy Brown, the man who made the team go. Jim did an outstanding job of directing the attack and exhibited especially skillful dribbling. Brown was one player who was "all team", but although he seldom shot, he still scored 134 points. Jim, led the team from the foul line with 56 of 72 attempts (78 per cent) and also was a terror on defense. Brown is a senior; he will be hard to replace.

Len Luongo and George Sincox are the Belboys other seniors. Len started a year ago, but was hampered by football injuries this year. Luongo did come through in the two games Rush missed by filling in well enough for victory. Sincox also had injury trouble with a broken hand. Ron Tomaszewski led the Belboy reserves and appeared in 33 quarters. Other players who saw action include Art Sheridan, Harry Baker (the team's "Dunker"), Frank Mineo, Don Widekind, Lou Visco, and Jim

Corno who was injured most of the season.)

As for next year, the Belboys should do well if they can fill in the holes left by the graduation of Rush and Brown.

"We are looking forward to next year with a few changes on the single post offense and build

the defense and of course, a new offense," elaborated Coach Lo Balbo. "As far as the defense is concerned, we're going to press more, hoping to utilize as much speed as possible. Offensively, we plan to eliminate the single post offense and build

continuity offense." As for the Junior Varsity, Rich Sanfilippo seems like the best prospect on the basis of this year's performance. Sanfilippo led the team in scoring and rebounding and was also the playmaker. Big 6-6 1/2 Tom Gialanella

should develop into a future Varsity center. Jim Catalano, Steve Cerca, Joel Pisano, Mike Mateyka, Joe Mello, Mike Butkus, Pete Greco, George Cocozza and Bill Baumgartner also have the potential if they work at it.

BHS Grapplers End at 6-3

Under first year Coach Sam Stelatiella, Belleville High's grapplers battled to a 6-3 season record.

After dropping their opener to powerful Montclair, the Belboys won their next six matches in succession to account for their fine record. From the post season tourneys, Belleville emerged with a 141 - pound Varsity champ in Dan Bivona and a 123 pound

Besides having a strong Junior Varsity, the matmen displayed plenty of toughness when it came to the varsity level. Twenty-one different wrestlers appeared in Varsity matches for Belleville, seven were sophomores (proving the future is bright).

As far as Coach Stelatiella was concerned, "The only thing that I am upset about is that we

should have never lost to Bloomfield. Going into that match we had won six in a row including Clifton, which is one of the best around, then we lost to a mediocre Bloomfield team."

Considering everything we had a rather successful season, we very nearly beat undefeated Montclair, Belleville lost by a single match, on riding time). We had quite a few sophomores wrestling and we started with two former - varsity wrestlers going to state jobs and one ineligible. We never had the same line-up twice due to injuries and disciplinary suspensions.

"Next year, I think the team will be better because we're having around nine returning lettermen and some outstanding J.V. wrestlers."

The returners include sophomores: Nicky Di Dominico, who went 3-2 in the 96 pound class; Richie Cucolo, who was 4-4 at 105; Mike Luongo, who wrestled in the 120's; and Joe Villano, who was the only undefeated Varsity wrestler. Joe compiled a 5-0-2 record in the tough 135 - pound class.

Other returners who will figure very prominently next season just as they did this year are: versatile Bill Buist, who went 3-1-2 in assorted weight classes; Mike Oliveri, who was 2-2-2; Rich Bonkowski; Jim Luty; and Frank Morgan. Joe Stelatiella expects back after a year's lay-off.

Missing from next year's ranks will be such prominent seniors as: 114 pound, Tony Festa, who was a plagued by injuries this year; Dave Ebert, who went 5-

1-2 in the 120's; Dan Bivona, who needs no explanation of his deeds; Tony Sarantino, who used brute force to compile a 4-2 record in his first year; as a grappler (177); and Al Havalone, who anchored the team with a 6-3 record in the heavy-weight class.

Junior Varsity grapplers who should figure prominently next year are George Daugherty (undefeated), and Bonkowski (133 - pound champ). Plus several others who made state Varsity appearances this year like: Bob Tolish, "Rusty" Bray, Bob Swinford, Bill McCarthy, John Chiarella, and Joe Petrillo.

Next year should be a very interesting one for the grapplers; this one was.

SKIING VACATION — Jack Van Riper of 11 Stephens Street, Belleville, is shown on the slopes at Aspen, Colorado, where he is taking advantage of the excellent skiing conditions.

Umpires Clinic Begins March 19

With baseball season rapidly approaching the Belleville Recreation Department is planning a new activity, a baseball umpires clinic. All Belleville residents who are interested in umpiring baseball or softball are urged to attend. The Clinic will begin on Friday, March 19, 1965 at 8:00 p.m. with a brief formation meeting. At this meeting the time for future clinics will be selected to the convenience of the participants.

Frank Arneo, who last year directed the Recreation Junior, Intermediate, and Senior Baseball Leagues, will conduct the clinic. Frank's plans include active as well as theoretical training and he feels that the clinic will be most beneficial for the umpires and that it will raise the standard of officiating in all of the Recreation baseball leagues.

CLEAN-UP THIS SPRING FOR FIRE PREVENTION

"What can I as a homeowner do to help prevent fires?" a reader asks.

Since so many tragic fires occur in the home and more than three quarters of these result from carelessness and careless housekeeping, that is the place to start and Spring Clean-Up Week is the time to start.

The American Insurance Association, through its fire prevention department, offers the following recommendations:

1. Put the whole family to work cleaning your home from top to bottom. Throw out old magazines, newspapers, broken furniture, rags and paint brushes that have accumulated in the attic, cellar, hallways and closets.
2. Have your heating plant checked by a qualified serviceman. According to the American Insurance Association, a service organization of the insurance industry, every tenth fire in the United States is caused by a defective heating plant.
3. Burn trash or leaves in a covered container. Keep a garden hose hooked up, ready for use in case the fire spreads.
4. Buy large ashtrays made of metal or other fire safe material. See that there are several ashtrays in every room where smokers go. Empty them frequently, making sure that all ashes are dead before you do so.
5. Every fire kills 12,000 persons and injure many thousands more. Last year property losses totaled more than \$1.4 billion. That is more money than Washington spends to STRIKE and local governments each year for all of our commerce, transportation, health, education, welfare and labor programs put together. It would buy more than three million compact cars. Or it could be used to provide food for fifty years of college tuition for almost one million men and women.

Entering his fourth year in business, George Drewes started by working with boys in his basement for therapy — 9½ yrs. ago, teaching model plane building, flying, having a club and running contests. The Drewes family operate their store at 285 Franklin Ave., Nutley. If you need any help on — how to do or where to get something — they will help you. Drewes has things to do for the family from kindergarten to senior citizens at discount prices which consists of — hobby supplies — balsa wood — parts and accessories chemistry — science — trains — planes — model motoring — school projects — arts — crafts — mosaic stone art — paint by number — sports — fishing — camping — archery — skating — etc. There is competition road racing every Wednesday night for prizes, model car contests quarterly for trophies. The work of each contestant is displayed to the public. There are also monster and weirdo contests with the same advantages. Free instructions are given and merchandise is tested and checked when purchased. The success of their business is based on — personal service — satisfaction, — savings — your recommendations and that — "at home" — atmosphere.

budget for 1965-66 being reduced some \$277,000. As a result, the Belleville school board will have to eliminate at least eleven new teaching positions and one guidance counselor needed for next year's school program. The school board's request was whittled down to an increase of only \$46,500 for 1965-66 over the current year's budget.

NJEA has supported the local teachers' group, headed by George G. Nucera, in its efforts to maintain a quality education program. "Indiscriminate and secret budget-cutting by school politicians unfamiliar with school needs is not meeting the needs of a community's children," Nucera said. "The opportunity should have been provided for the public to have its voice heard."

Re-elect

(Continued From Page 1)

Belleville Foundation. Barbata was elected to the Board of Trustees in 1955. After serving as Vice President and Treasurer for several years, he was elected President in 1963.

Barbata is President of the Bank of Nulley and also President of the Board of Trustees of the Nulley Free Public Library and N.J. Bankers Association Pension and Insurance Funds; and is Treasurer of the Nulley Chapter of the American Red Cross and the Nulley Service Unit of the Salvation Army.

Barbata lauded the Board members for their faithful service to the community and the hospital and their general financial assistance to the present building program. He remarked that the building program is just about on schedule and should be completed by 1969 although funds are still needed in order to finance the new construction. He singled out Dr. R. E. Remondel, II, President of the Medical Staff, for his devotion to elevating the medical standards of the hospital and his personal efforts and the cooperation of the Medical Staff for their support of the expansion program; John F. Kidde, Board Chairman; G. Crosby Hiss, Chairman of the Building & Grounds Committee; Herbert V. Peterson, Treasurer; and Carl

French, and Walter L. Kidde and George Mead, Jr., board members. French lauded the meeting very satisfactory. He said the Council members agreed to a meeting between the Chamber's attorney and the Town Attorney to discuss modifications in the ordinance with particular reference to that portion which requires license fees on the basis of the square footage of the building and applies to general merchandizing.

The Chamber agreed that certain licenses were required, such as taverns, restaurants and other establishments where regulations and frequent inspections are necessary. French said the Chamber lawyers urged that the Council rescind all license fees for business establishments which do not require special control and inspection. He said the merchants were already paying taxes to provide the normal services of police and fire protection provided by the Town.

"The average hose capacity of the other trucks was under 1,500 feet of 2 1/2-inch hose and under 600 feet of 1 1/2-inch hose. We didn't have any high-pressure fog, because of the inability of the pumps to attain the high pressure."

The chief said he and men requested the vehicle Monday and said they were very happy and amazed with the way it performed on the hills.

The arrival of the truck signaled the end of a two-year battle between the fire chief and members of the Council over the need for modern equipment, to provide the Town with better fire protection.

practice of the superintendent of the school system to urge parents to vote for the proposed budget has been going on for years with the approval of the board.

"I believe Durkee is being made a patsy for political reasons," charged Mrs. McCool. Arvidson had no authority to send the letter to the state without showing it to the board and getting its approval.

"The Board is responsible for Durkee's action," she said. "He has sanctioned all the actions of present and past superintendents for years. I have fought it for years. But now they are holding him up to public ridicule and this isn't right."

"I always felt this practice was bad. But I don't believe that passing the buck the way to solve it. If the Board wants to change the rules they should call a meeting and set down a rule. Then if it is violated they can take action. Changing the rules after the game has been played is unfair. If they want to get him (Dr. Durkee) so had they ought to set a rule and if he breaks it in open defiance they have him."

Lombardo Working on New Book

Can it be that an undergraduate can publish a book? Vic Lombardo, a senior at Newark State College, Union, has done just that. The book is entitled "Teacher May I Leave The Room?" and was published by the American Southern Publishing Company last November.

Vic, who majors in education for the mentally retarded, lives at 42 Continental Avenue, Belleville. The book contains 43 pages of cartoons—the ideas for which originated in methods courses at Newark State College.

Vic was drawing cartoons on the blackboard in his freshman year when he was noticed by Dr. Howard Didsbury, associate professor of history and social science, who praised his work. However, the future author was somewhat bashful and so he continued merely to doodle in his notebooks. Finally, Mr. Wesley P. Daniels, registrar at the college, brought the cartoons to the publisher and they were accepted.

Before coming to Newark State, Vic was president of his senior class, student council chairman, and member of the Senate at Belleville High School. He also plays a number of musical instruments including the banjo, guitar, organ, and piano.

"Teacher May I Leave The Room?" is now available in the Newark State College Bookstore among other places. Vic is writing another satire on education tentatively entitled, "Teacher May I Leave The Room Again?" and hopes it, too, will be published.

Scout Council Maps Plans For Spring

Scouts and Scout leaders of the Belleville District of Robert Treat Council, Boy Scouts of America are preparing a busy schedule of spring activities.

All Scout Commissioners of the District will attend statewide Commissioner Conference at New Brunswick on Saturday. The delegation will be headed by James H. Schaeffer, the Belleville Scout Commissioner.

Arthur Jackson will preside at the monthly meeting of the District Committee on March 23 at School 8.

Belleville adult Scouters are participating in Monday evening sessions of Robert Treat Council's University of Scouting. The University courses include training in leadership technique and skills for Cub Scouting, Boy Scouting, Exploring, and Commissioner Service.

The District Explorer Cabinet will meet early in April.

CONTEST RULES

Favorable recipes should be submitted in contest. They may be for hors d'oeuvres, soups, salads, meat or fish dishes, "vegetables," casseroles, desserts, foreign or American delicacies.

Recipes that do not win the week they are submitted will be considered in subsequent weeks' contests.

A contestant may submit more than one entry.

If the same recipe is sent by more than one contestant, the one with the earliest postmark will be the winner. In the case of entries submitted in person at The Times-News Office the date and hour

Cook of The Week

MRS. ARTHUR WHITE

Clam Casserole Captures Contest for Mrs. White

Mrs. Arthur White of 110 Fairway Avenue, Belleville, won The Times-News' weekly recipe contest with her favorite formula for Clam Casserole.

A resident of Belleville for more than three decades, since arriving from Jersey City, Mrs. White will receive the \$5 award given to each weekly winner. All recipes which did not win this week will be considered in future contests.

Mrs. White is a member of the Belleville Woman's Club, Mr. and Mrs. White are the parents of one daughter who is married and resides in New York City.

In addition to cooking, Mrs. White keeps busy with her favorite hobbies, needlework and painting. Her art work is displayed throughout her home.

Her recipe for clam casserole is:

CLAM CASSEROLE (Original)
2 cups elbow macaroni
1 1/2 cups undrained mushroom soup
4 oz. can minced clams
4 oz. can mushrooms

Drain clams and mushrooms, saving the juices. Put boiled macaroni in casserole dish. Add other ingredients, using about half of the two juices to partially fill the space.

It is noted on recipe when it is received.

One winner will be chosen each week and will receive a check for \$5. The winning recipe will be published each week in the Times-News.

Entries must be typewritten or written legibly and mailed or brought to The Belleville Times-News Recipe Contest Editor, 246 Washington Avenue, Belleville, N. J.

Members of The Times-News staff or members of their immediate families are not eligible.
