

# BOARD EXTENDS SCHOOL 1 DAY

## Easter Services Announced

The traditional feast of Easter for Christians, and the Passover for Jews throughout the world, will be commemorated this week. The town's Christian churches will hold special services today, Maundy Thursday, tomorrow, Good Friday, and Holy Saturday when the 40 days of the penitential season of Lent ends, and Easter Sunday will be observed with great festivity, with sunrise services, cantatas, Solemn Masses and special programs of music. The Passover, one of the most inspiring major festivals of the Jewish faith, will open with services at Congregation Ahavath Achim at sunset tomorrow, Friday, and will end on Saturday, April 24.

## Work Begins on Crew Boathouse

**BOATHOUSE GROUND-BREAKING**—Nuttley and Belleville school officials join members of the Rowing Association in ground-breaking ceremonies for the new crew boathouse in Kearny. Seen here are (l-r) Dr. Robert Fleischer, superintendent of Nuttley schools; William Chapman, principal of Belleville School No. 1, and president of the Belleville-Nuttley Rowing Association; John Kaiser, chairman of the fund raising committee for the boathouse in Nuttley; Everett Zabritsky, Nuttley school business administrator; James Bailey of Nuttley, architect and vice president of the Association, and Dr. Frank Durkee, superintendent of Belleville Schools.

## Mrs. Barnes to Keep Role of Town Critic

"The Lord gave me a big mouth and I'm going to use it," Mrs. Joan Barnes, town critic, so advised the Town Council at Town Hall, serving notice that

### Voter Signup Hours Listed

Registrations and transfers of voters for the Primary Election will close on April 22, 1965. Town Clerk Eugene Barnett yesterday reminded residents.

Office hours for registering are 8:30 A.M. to 4:30 p.m., Monday through Friday.

Evening hours will be held from 7 p.m. to 9 p.m. on Monday, April 19; Tuesday, April 20; Wednesday, April 21 and Thursday, April 22.

The last day to file petitions for candidacy for members of the County Committee is noon on Thursday, April 22.

fasting and penance, in recognition of Christ's 40 days of fasting in the desert, and in preparation for His glorious resurrection.

The Anniversary of the Institution of the Holy Eucharist by Christ at the Last Supper will be observed today, Holy Thursday, in Christian churches. It will be celebrated with Holy Communion services throughout the world in remembrance of the day. In Catholic churches the Eucharist is believed to be the actual body and blood of Christ for adoration through the night.

Tomorrow, Good Friday, the churches will be stripped of ornamental decorations and altars will be bare in mourning at the death of the Saviour.

### Festival of Passover

One of the grandest and most inspiring major festivals of the Jewish faith is the holiday of Passover, arriving at the first signs of Spring, and commemorating the anniversary of the Liberation of the Israelites from Egyptian bondage.

Significantly, the physical exodus from Egyptian slavery was not a final act of liberation, until the children of Israel achieved mental, moral and spiritual freedom with their acceptance of the Ten Commandments through Moses at Mount Sinai. The Revelation at Mount Sinai which was the actual goal of the mass exodus from Egypt, freed Israel from all pagan influences and consecrated the people to the service of God.

In its sum total, Passover, the ancient festival of Liberation, brings to the world for the first time in the history of mankind the message of individual independence, dignity and sanctity. In view of the recent events in Selma, Ala., and the general struggle of the negro for equal opportunities before God and man, the message of Passover is very applicable today.

The preparation and use of unleavened bread, known as "matzo" (thin, flat, square-shaped wafers baked from unleavened flour), in honor of that significant event, leavened bread or any food associated with bread is not permitted throughout the festival. Services for Holy Thursday, Good Friday, Holy Saturday, Easter Sunday and the Passover will be held in local churches and synagogues as follows:

**ST. PETER'S R. C. CHURCH** — Masses will be celebrated in St. Peter's Church today, Holy Thursday, at 6:30 a. m. and at 5 p. m. with a Solemn High Mass and Procession of the Blessed Sacrament at 8 p. m. The Blessed Sacrament will remain in the repository throughout the night, with men of the Holy Name Society keeping watch.

On Good Friday there will be stations of the cross at 2 p. m.; liturgical and Holy Communion services at 3 p. m.; and Stations of the Cross at 7:45 p. m. (Continued On Page 15)

### Tickets Ready For Cherry Queen Contest

Ticket sales are in high gear for the Cherry Blossom Beauty Pageant to be held May 1 at the Belleville Senior High School. The 10 finalists will appear in three categories and will be judged on appearances in an evening gown and bathing suit and will perform in a talent category.

The judges will then pick the Grand Jury Presentation during the eleven years to 1954. However, the conditions existing at that time are conveniently omitted. Prior to this Presentation, and to the establishing of an

## Overtime Parking, Other MV Fines Increased by Magistrate

It was no April Fool's joke, motorists ticketed for overtime parking April 1 were fined twice the normal one-dollar fee.

The jump in the cost of overtime parking was only one of many changes in the schedule of fines for motor vehicle violations put into effect April 1, by Magistrate Edward J. Abramson.

A storm of protest was fired in the direction of Town Hall by Councilman James R. Golden, Harry T. French, chamber of Commerce official and many citizens, when the unanimous increase in the amount of fines for certain violations became public.

However, this time the Town Council and Town Manager John R. Burnett could not be blamed for the increase, despite the fact that the Town will receive the money collected by the court.

Court Clerk Mrs. Lee said the increase in fines was the result of conferences held several years ago in which a uniform system of fines was urged by magistrates and judges for the entire County.

The overtime parking ticket doubled in cost, Mrs. Lee said because before April 1 the motorist paid actually no fine, but only a \$1 court cost. Now the violator must pay a \$1 fine plus \$1 court costs.

A check of area communities revealed that Nuttley and Newark had \$2 overtime parking fines. Kearny, North Arlington and Bloomfield still have \$1 overtime parking tickets.

888. Mrs. Lee said while the last year total motor vehicle violations fines collected was \$23,000, this year's total was expected to be \$46,000. (Continued On Page 12)

## Arvidson Lists Board's Reasons For Voting Dual-Control System

Ernest S. Arvidson, president of the Board of Education, yesterday explained the Board's reasons for moving for dual control in a release.

He pointed out that Superintendent of Schools Dr. Frank M. Durkee is inexperienced in business administration and that the primary consideration of the Board must be for the welfare of the school system, not the power of any individual in the school system.

Arvidson's statement said: "Much is being made of a Grand Jury Presentation during the eleven years to 1954. However, the conditions existing at that time are conveniently omitted. Prior to this Presentation, and to the establishing of an

## Teachers To Make Up Lost Day

The Board of Education Monday night extended the school calendar an extra day, making up the day of instruction students lost in the March 19 walkout and giving teachers a chance to avoid penalty for their unexcused absence.

But the handful of teachers who reported for duty on the day of the strike won't have a chance to collect extra pay for the added school day. They'll be asked to stay home.

The action was decided in a 70-minute closed session Monday night with 25 members of the Belleville Education Association's board of governors, over the objections of board member Mrs. Norma McCool, who wanted the problem thrashed out at a public meeting.

The board's official action was sandwiched into two public sessions between three closed conferences, two of which the teachers attended. Before the issue was finally resolved, board members exhibited a kaleidoscope pattern of shifting positions.

At the special session, the board also split on approving a new budget to comply with the school slash approved by the town council.

Mrs. McCool opposed the new allotments, charging that some administrative salaries were being cut to a greater extent than others. Mrs. McCool did not specify which salaries were being inequitably reduced.

Board President Ernest S. Arvidson said the new budget "commits us to no particular salaries."

George Nucera, president of the teachers group, said at a conference meeting with the board which spilled over into the time set for the regular meeting, "I speak for 100 per cent of our membership in saying we were proud to do what we did and we're willing to do it again if conditions should warrant it."

A representative of the school principals, William Chapman, charged the board with "trial by press" in announcing punitive action "in the headlines" rather than through administrative channels. Chapman was critical of the way the local press handled the strike.

Extension of the school calendar was opposed by Mrs. McCool and Richard Drake.

The intricate maneuvering began with a resolution appearing on the printed agenda prepared on April 13 conference meeting, which would simply have docked striking teachers one day's pay.

Drake stated he sympathized with the intent of the resolution, but called it unethical, since when the board closed the schools the night before the walkout, the teachers could not be considered absent.

But when Rosco Salella, Jr. moved to table the resolution, Drake voted no, along with Mrs. McCool and John B. DiRienzo. The tabling move was approved along factional lines, with Arvidson casting the deciding vote.

At this point the board and teachers went into their private huddle.

Drake and DiRienzo voted successfully against excluding the teachers who reported to work on the day of the walkout from an extra day's pay for the extra school day scheduled with Mrs. McCool abstaining. The motion was amended to limit payment to the originally contracted amount.

DiRienzo shifted to the majority in approving the extension of the school calendar, however.

An amendment offered by Dr. Frank DiRienzo to dock the pay of administrators who voted for the walkout on March 17, as well as of those who actually par-

### Three Juveniles Nabbed by Police

Three teenagers were nabbed Friday as they attempted to enter the R. V. Osmon Company at 61-67 Mill Street.

Officers James Mundy and John Marotti answered an alarm alarm in the area and found three youths by an open window. The youths started to run and the officers chased them. Two boys got away but a 15-year-old was caught.

Police said he gave them the names of the other two boys and admitted that the trio had broken into the establishment.

The youth was released to his parents for appearance in Juvenile Court.

The other two boys were scheduled to appear this morning at police headquarters with their parents.

### Citizens Again Dominate Meeting of Town Council

The citizens once again took over most of the meeting of the Town Council Monday night with Mrs. Joan Barnes and former Councilman Thomas Greco leading the verbal assault.

The major amount of the almost 4-hour meeting was taken up with the hearing of citizens, some who spoke three or four times — some on various subjects and others on the same subject.

Following the report of the Town Manager and another attack on the manager by Councilman James Golden, who had some support from Councilman William H. Cullen, the citizens took over the session and gave the Council much advice on recreation and a proposed subdivision on the former Lobitz property for the next 2½ hours.

Mrs. Joan Barnes, town critic who was the subject of much comment last week when it was revealed that she had been quizzed by a high police official on remarks she had made at the

Of this federal aid, New Jersey will receive about \$25.9 million. For expansion of programs for children from families with \$2,000 income or less annually, about 71,000 children, New Jersey will receive \$20.1 million. For school libraries, textbooks, and other instructional materials, New Jersey will get \$3.2 million. For other parts of the law, including aid to education agencies, New Jersey will receive \$3.6 million.

Most recently reported total cost of public schools in New Jersey is \$746,129,998 in local taxes and \$109,989,777 in state and federal aid. The impact of the new federal aid law will be minimal on the cost of general education.

Asked about help from the new law to Belleville, Dr. Frank M. Durkee, Superintendent of Schools, said the State Department of Education has not yet set up a formula to distribute this money to the local school districts, but estimated that Belleville would only receive a small amount.

## Ticket Hike Seen Hurting Businessmen

Harry T. French, executive director of the Chamber of Commerce, sees the increase in the cost of overtime parking tickets hurting to the woes of local merchants.

In a statement, issued yesterday, French said: "Having just heard of the increases in fines for overtime parking, which I understand went into effect on April 1, my first reaction is that it seems that the cards are stacked against the businessman in Belleville."

"For over 20 years I am told there have been talks, meetings, and promises that there would be something done about public parking."

"The local merchant is fighting against almost insurmountable odds. There are the shopping centers on the highways that are drawing business away from many communities including Belleville, there is the fact that right next door in Bloomfield and Nutley there is public parking

Final arrangements for the Testimonial Dinner-Dance in honor of Mrs. Norma McCool, vice-president of the Belleville Board of Education, have been made, Jack Daniels, General chairman announced today.

Along with the appointment of Arthur Rosania as Vice Chairman and Thomas Apicella as Toastmaster for the affair, came the promising news that the Honorable Lefty J. D'Aloia, Sheriff of Essex County, is expected to speak on the educational problem of narcotics in the schools of Essex County.

Sheriff D'Aloia, well versed in his topic, will be able to impart valuable knowledge to those in attendance.

Among the other honored guests will be the Honorable Joseph E. Cohen, Essex County Freeholder, brother of one of our local merchants and Dr. Frank M. Durkee, Superintendent of Schools.

dent straight. She denied that the report was accurate. She said that when she was quoted as being "very sorry" she had actually said she was not "very sorry" that she was not a smooth talker, but would continue to hit the nail-on-the-head.

She said she would continue to speak up as a citizen. She said she did not speak up every time she heard a rumor or report but attempted to check out matters before she spoke to the Council about them.

Town Manager Burnett ran into a stormy protest from Councilman Greco when he attempted to introduce two resolutions that were not on the agenda pertaining to the granting of insurance contracts.

Golden said that clerks had been running the Town far too long. He charged that the Manager was not informing the Council and that as an elected representative of the people he wanted to be informed on all matters.

which pertained to the Town and Council.

"I want to be your boss," Golden told Burnett, "not a Charlie McCarthy rubber stamp."

"You'll never be my boss Mr. Golden, if you live to be 100," replied Burnett.

"If I get three votes I'll be your boss," said Golden, "or I'll fire you."

Burnett objected to withdrawing the two resolutions and said that the meeting might just as well be cancelled as everything on the agenda had been introduced by himself.

"That's what I want to fire you," shouted Golden. "I want a manager not a dictator. You're running this Town and I don't like it."

Councilman Cullen took issue with the manager's proposal to hire legal assistance and a court reporter for the Board of Adjustment. He said the Town Council could represent the Board of Adjustment except in a few special cases where conflict of interest was present.

Mayor Monocio R. Pico, who was almost a complete failure in controlling the meeting, ended the debate by appointing the Council as a committee as a whole to meet with the zoning board to discuss the matter as well as the insurance issue.

The meeting was then opened to the hearing of citizens and a verbal riot fell in. With most of the talk centering around the proposed subdivision of the Lobnitz property all semblance of parliamentary procedure went out the window. At times three persons were standing before the Council presenting their views while one or two councilmen entered the debate freely.

The attorney for the developer of the Lobnitz property asked if the Town had any other demands to make on the builder before accepting the subdivision drawings. He listed several requests that the Town had made and to which the developer had agreed, but noted that he felt they all were actually the responsibility of the Town since no variance was required for the project.

Several citizens opposed the project in full, or various aspects such as the proposed road to connect with Plenge Drive and one suggested that a bridge over the river to Hill Street be constructed so that the traffic from the project would not disturb Plenge Drive residents.

Former Councilman Greco joined the debate and urged that the

Town reject the subdivision and all attempts to limit the time purchase the area for development. A citizen could take to present his views to the Council.

Greco agreed that a court reporter for the town by condemnation if necessary.

Greco lashed Councilman Cullen, who is a member of the Town Planning Board, on the fact that the Planning unit had made no provision at its meetings for the hearing of citizens. He noted that he was opposed to the time limit of 10 minutes placed on the citizens by the Council and said when he was a member that he had fought any

# Fire Chief Draws Blast From Councilman Golden

Fire Chief Carl F. Hundertfund's reply to charges by Councilman Golden several weeks ago that the old fire trucks seemed to operate well, once the new equipment was ordered, drew a sharp reply from Councilman Golden this week.

Golden contends that the Chief should not have entered the controversy.

The Councilman said: "Is Fire Chief Carl F. Hundertfund permitting himself to be utilized as a 'patsy' for the Town Manager or is it pride

in his department which occasions his taking issue over my questions raised about the condition of the fire equipment?"

"In either event it would appear, if any comments were to have been made, that the Manager, who is the department director, not the Chief, should have made them. It is not uncommon for Chief Hundertfund to gratuitously and needlessly get himself involved in issues, since my memory recalls other incidents, which found him right in the middle of heated controversies which should best have been left spaced the embellishment of his officious contributions.

"However, since the Chief did manage to 'stick his nose into' matters which should have been resolved at Town Hall, let's look over some of the contentions he offers. He says its still a struggle to keep his old engines running and then cites, but three incidents where minor breakdowns occurred. The kind that might exist in the new equipment, in fact Chief, isn't one of the new ones giving you an oil pressure problem right now?"

"You are probably right when you say Captain Dunleavy has been doing nothing else over the past six months except repair work. Isn't it a fact Chief, that he has been cutting down the old equipment for adaption for the new engines and that he seldom goes out on a fire, doing almost exclusively repair work? Wasn't he promoted Captain as a fireman, six as a mechanic?"

"There has been no serious, major repairs on the old equipment and now that you talk of all the parts acquired for them, one wonders if you are fixing them up, to be put in the best shape for the Company, to whom they are to be traded, all at taxpayers expense. Has this happened Chief?"

"Isn't it a fact Chief Hundertfund that that part you speak about that took four days to get was a case of the company sending the wrong sized part that had to be hand made?"

"Come now Chief, let's not 'pile it on too thick.' Gee, Chief, suppose that were to happen now that the Seagraves Company has moved away out to Wisconsin. It may take weeks to get the parts, Eh?"

"It sure is too bad those major manufacturers of five equipment couldn't have bid because of the restrictions placed in the specifications, we all would have been so much better off. Even the Seagraves company might have been \$9,500.00 richer because they then might not have had to pay that amount in compensatory damages because they didn't deliver the engines within the guaranteed time specified in the contract.

"By the way Chief, Let's be certain that all the Bill of Sale titles of these pieces of equipment are properly turned over to the Seagraves Co. In this way there is so much less to worry about.

"Now chief, in conclusion, may I respectfully suggest that, rather than getting involved, so needlessly, with governing officials of your town, that you discuss your problems with the Town Manager, as the administrative code and the Faulkner Act provides. I'm certain that should you follow this prescribed pattern you could devote much more time improving the efficiency of the local Fire Department. Incidentally Chief, I must admit you are a very good mechanic."

## Meeting Set By Friends Of Shelter

The monthly meeting of the Friends of the Essex County Children's Emergency Shelter will be held at 8 p.m., April 20, at the Shelter which is located on the grounds of the Essex County Hospital in Belleville.

Following a short business meeting which will include discussions of coming events, Mrs. Ethel Bander, founder of the Gateway School in Montclair will speak on the topic, "The Shelter's Contribution of Young Children."

The monthly meetings of "The Friends" are open to men and women interested in the work of the Shelter which is a County Institution providing temporary care for the abandoned, abused, mistreated and unwanted Children of Essex County.

Arthur M. Wolman of Belleville was elected the first president of "The Friends" in October, 1964. The aim and purpose of this group is to promote the volunteer program of the Shelter and to develop special projects.

### WHAT IS A GENERIC NAME?

A generic name is the basic name for a group of similar drugs. But, it does not mean that all of these products are the same in quality. This fact may not be important for some types of products but it certainly is when it comes to medicines. This is why your physician specifies a brand name which he has faith when he writes you a prescription.

Brand names may sometimes cost a little more but the assurance of quality and effectiveness more than makes up for this. When it comes to health no one wants to rely on off-brands. We prefer only those drugs made by the reputable pharmaceutical firms.

YOUR DOCTOR CAN PHONE US when you need a medicine. Pick up your prescription if shopping nearby, or we will deliver promptly without extra charge. A great many people entrust us with their prescriptions. May we compound yours?

For \$2,500 by Mrs. Kennedy

# JFK Library Workers Thanked

Mrs. Jacqueline Kennedy, widow of our martyred President, this past week acknowledged the receipt of \$2,500 realized from the Belleville card party held last November 10 to solicit funds for the John F. Kennedy Memorial Library.

A letter dated April 5th and addressed to Belleville Councilman Robert E. Westpy stated: "It is with my deep appreciation that I write to thank you for the thoughtful and very generous contribution to the John F. Kennedy Memorial Library which was received on behalf of the Citizens of Belleville."

"The President often expressed his strong hope that a Library might be built — one day — and he planned to spend much of his future time on such a project. Since time denied him this, we must now do it for him — and I can assure you it will be the finest ever built."

"This Library will be a perpetual memorial to President Kennedy, and his family and I shall ALWAYS be grateful to the people of Belleville for choosing to sup-

port the cause which is closest to our hearts." "The attached acknowledgment from the most gracious lady Councilman Westpy forwarded the letter to the committee, headed by Norman D. Laurette and last November to help in the establishment of the John F. Kennedy Memorial Library."

## Hats Off to A Lady

Mrs. Joan Barnes of 174 Cedar Hill Avenue, deserves three cheers from every red-blooded American today.

Mrs. Barnes is the housewife and mother who has been a critic of the Town Council for the past several years, and was questioned by a high police official in her home on March 29 on remarks that she had made at previous council meetings.

We did not attempt to decide whether the motive behind the questioning of Mrs. Barnes was in the interest of good police work or an attempt by the present administration to silence one of its critics.

Monday night Mrs. Barnes served notice on the Town Council that if it was an attempt to silence her it did not work. She was back at the Council meeting, continuing her fight for improved recreation facilities in our town.

Shifting to the incident of the question-

ing by police she told the Mayor and Council:

"The Lord gave me a big mouth, and I intend to use it."

We believe this quote ranks with the other famous quotations of great Americans in our history, such as "Give me Liberty or Give me Death," and "I regret that I have but one life to give for my country" and "Damn the torpedoes, full speed ahead."

When a mother and housewife has the courage and faith in the American form of government which guarantees freedom of speech to stand up at public meeting and speak to the governing body in the fashion of Mrs. Barnes then this country has little to worry about.

It was Pioneer women with the spunk and courage displayed by Mrs. Barnes that helped make our country great. Our Country and Town can use more Americans like Mrs. Barnes.—FCW

## A Vote for Yudin

Robert Yudin of Belleville will stand before Essex County GOP Chairman Andrew C. Axtell and a screening committee seeking the party nod to launch a campaign for an Assembly seat under the GOP banner.

Yudin will be one of several hopefuls, besides the incumbents, who will be seeking the assembly nominations. It is our opinion that the party would take a big step toward success in its efforts to rebuild its somewhat battered machine if the committee granted its support to Yudin.

The 26-year-old local hopeful has been active in Republican Party politics most of his life. Since he became aware of the political structure of our nation in grammar school he has been a solid supporter of the GOP candidates.

Although young in years he has much political savvy, and a lot more to offer in desire and willingness to work. He was active in the Young Republican Club at Rutgers University from 1957 to 1961 where he received a degree in political science.

Since returning from a four-year tour of duty as a Naval flying officer, serving in Iceland, Newfoundland and McGuire Air Force Base in New Jersey, he has been active in the County Young Republican circles.

Following in the footsteps of his grandfather and father he presently is engaged in heading the local United Jewish

Appeal as well as working in Yudin's Paint Stores in Belleville and East Orange.

A graduate of Belleville High School Class of 1957, Yudin has the endorsement of local GOP leaders Jerry Ferrara and Ruth Fredericks, plus a barrel of desire to kick off a campaign that will place him in the Assembly.

For too many years the GOP leaders have looked at this Democratic stronghold and have written it off without a struggle. In fact it has been 15 years since a local man has been on the party ticket. We believe it is this policy of giving up too many areas to the Democrats that has weakened the party and all but eliminated young, aggressive leaders.

If the GOP is to make gains in the state it must challenge the Democrats in their strongest areas. We believe this is a job for young men, men who have too much desire to succeed to stop to count the odds stacked against them.

The Screening Committee, if it has doubts, should look at its rival party and the success it obtained by backing aggressive youths against experienced older opponents. No one can deny that John F. Kennedy, when he sought the nomination for President, and still younger Robert F. Kennedy, in his bid for New York Senator, took on giants and scored massive victories.

We believe the Republican Party can use the same formula for victory. An endorsement for Yudin would certainly be a step in the right direction.... —FCW

## Reapportionment Opportunity

Governor Richard J. Hughes and the New Jersey Legislature finally approved a Senate reapportionment bill that should meet with the New Jersey Supreme Court's edict of one man — one vote.

We look upon a temporary reapportionment plan as an opportunity for Essex County. We are now entitled to four State Senators.

Both major parties will be scouting about the county looking for attractive candidates. In this search for high calibre standard bearers, they must remember that Nutley and Belleville are part of Essex County. Nutley has not had representation in the legislature since the late Ellen Berger, a Republican, represented the county in the New Jersey Assembly in 1955.

Belleville's last representative was Democrat Leonard Ronco who served a two-year term about the same time.

We have not had a Freeholder in almost fifteen years and a person would have to be a 40 year resident of the area to remember the last senator who represented the Nutley-Belleville area. It is our recollection that the Senators from the Nutley-Belleville area were William H. Perry of Nutley and the late Homer Zink of Belleville, who served in 1938.

This newspaper will support qualified citizens nominated by either major party in a contest for a party berth in the primary election.

Our patience has been exhausted simply waiting, waiting, and waiting for either party to recognize that Belleville and Nutley form an important part of Essex County. County government takes millions of dollars out of the Belleville-Nutley taxpayers' pockets and the time has come when we demand taxation with representation. —FAO

## UP SPEAK

DUAL CONTROL SYSTEM PRINCIPLE QUESTIONED

To The Editor, Times-News:

Thank you for the space allocated to my February 19th communication in your April 1, 1965 issue. As a more pertinent communication can you enlighten me as to the reasons why you believe a "dual" system is wrong for our Belleville school administration when the best example of the effectiveness and the efficiency of such a system has been in operation successfully for many years in neighboring Nutley? Is your objection really a matter of principle or a matter of location?

I cannot recall ever reading any of the criticism of the Nutley dual school system in either The Belleville Times or the Nutley Sun.

I am sure you are aware that either system is legally endorsed under Title 18, Education, notwithstanding the superintendent's, the Commissioner's or the State Board's preference! In its wisdom, the State Legislature left this entirely to the discretion and judgment of the local boards of education.

Last, but not the least, your constant and ambiguous reference to a Grand Jury presentment fails to indicate the date and the fact that it concerned an appointed board. If you are not already aware of it, I would be attention to the fact that a Grand Jury presentment of more recent vintage was issued October 22, 1962 during a "unit control" period which is pertinent and relevant to the board of education efforts to institute corrections to ensure a more effective and efficient system of administration.

QUESTIONS REPORTING ON POLICE QUOTE

To The Editor, Times-News:

Dear Sir:

Your employee, in reporting the Belleville Town Hall problem, apparently is making little effort to seek out and report the true facts. One might wonder if your publication for some reason is deliberately and intentionally ignoring the truth.

In the article on the police report (which your editor's note refers to as "official"), your reporter has overlooked a serious error in that the deputy chief's report states the Council meeting date of March 8th instead of what we both know to be February 23rd. I am referring to the Council meeting at which a Belleville mother answered questions of two plainly annoyed councilmen, as to why she did not "go" to Branch Brook Park for the recreation facilities she was seeking locally for her children and at which meeting she expressed her reluctance and fear to permit or take her tots there to jockeys at the risk in that park.

Your reporter, in still another of his articles, one of four appearing in the same April 8th edition, all on the same "juicy" subject, mentions the police questioning at the home of this mother on March 29th, had resulted in part because of a statement made at a February 23rd meeting of the town council, in which she expressed her fears about going to Branch Brook Park with her little ones. I attend council meetings, too. In the editorial section, FCW states, "we were present at both Town Council meetings when" if he will check his four articles he will see he is somewhat confused as to the dates, because here we find March 8th, March 22nd and February 23rd. I state these dates

because your reporter in the editorial states in effect, "we believe the official police report on Page 1 is accurate". How accurate is the meeting date, FCW?

The facts brought out at the February 23rd meeting of the council were no secret, for newspaper reports had shortly before carried a story of an attempted beating and rape in a young mother snuffing herself and child in that area. The method used by a certain councilman, goaded by this little mother into expressing her open opinion and the councilman's questioning as to why she did not "go" to Branch Brook Park, is not to be condoned, for this mother was before the Council on the date of February 23rd simply pleading for a small section of Belleville for a local ice skating area for our town's youngsters. Also, whatever was brought out by this mother at her statements at the February 23rd meeting, and I, as a citizen, creating a questionable Sunday meeting on the school budget, certainly has no bearing on a statement of fear for her children's safety as expressed at a meeting over a month earlier.

I fail to see how your reporter can justify a questioning of this woman at her home as to her statements at the February 23rd meeting. And I, as a citizen, pointing the fact that Mayor Pico can give his orders directly to our Town Manager, and direct that he have this questioning by police followed thru. The Faulkner Act, under which laws our own Administrative Code was conceived, clearly states, under title 40, Chapter 80, article 91: "the intention of this article is that the municipal council SHALL ACT IN ALL MATTERS as a body." It is contrary to the spirit of this article for any of its members to seek individually to influence the official acts of the municipal manager.

"nothing herein contained shall prevent the Municipal Council from appointing committees... to conduct investigations into... any matter relating to the welfare of the municipality... any councilman, violating the provisions of this section shall, upon conviction thereof in a court of competent jurisdiction, be disqualified as councilman".

One must interpret this section of the act to imply the Mayor was not properly carrying out the provisions of the law and our Town Code, in that he instructed the town manager, without consent and advice of the council as a body, to have the police investigate a mother's frank and open reason for not wanting to take her children to a dangerous

area. Where is your sense of fair play?

Respectfully yours,

Sally F. Hood

66 Fairway Place

(Ed's Note — Every newsmen is always a target for readers questioning his ability to seek out the truth and print it. Mrs. Hood certainly isn't serious in her lead paragraph as she was the go-between between Mrs. Barnes and this reporter. Mrs. Barnes has an unlisted phone number and Mrs. Hood was called upon by Mrs. Barnes to contact her friend and ask Mrs. Barnes to call The Times-News, which she did.

As far as overlooking the "obvious error" in regards to the date of a meeting as listed in the official police report of the questioning of Mrs. Barnes, rest assured that we did not miss the error. However, The Times-News stated that the article was the official police report... which it was. We did not have the right to change any word or date in the report.

We don't agree with Mrs. Hood that the questioning of Mrs. Barnes was a "juicy" subject. We believe it was another of the many incidents that blacken the name of Belleville in the state.

We have not commented in favor of the questioning of Mrs. Barnes by the police. We did comment on the fact that Councilman James Golden jumped on the incident and began issuing charges of Gestapo and police state tactics.

Mrs. Barnes has told us that she did not file a complaint about the questioning with any one. Therefore we must stick to the facts, not some wild political charges. A police official, not in uniform, stopped at her house and questioned her on two points that she stressed to the Town Council. As almost any citizen would do Mrs. Barnes answered the police officer's questions. This is hardly police-state tactics... FCW.

URGES FIGHT AGAINST INDECENT LITERATURE

To The Editor, Times-News:

As a teenage member of the Legion of Decency, I would like to ask the help of the people of Belleville in a campaign against indecent and immoral literature.

Several weeks ago my school decided to take a stand against all the smut that is available to everyone in our locality. We began by visiting several of the stores which sell filthy magazines as a matter of policy. Sorry to say, the majority of these storekeepers feel that there is nothing wrong with this literature. Where, may I ask, are their morals? Little do these people realize that many of the murders, rapings, and unwed mothers that we read about in newspapers have as their incentives — sexy magazines that were purchased at neighborhood stores.

As individuals we can all do our part to rid our town of such trash as this. I am not asking anyone to get up on a soap box and preach; that would probably be of little or no value. But I am asking you to stop buying these disgusting magazines and

We service what we sell.

Mrs. Jerome Weiss, president of the Sisterhood of Congregation Ahavath Achim of Belleville, has announced that for the first time the Sisterhood is sponsoring a full scholarship to Camp Ramah, a Hebrew speaking camp located in Wisconsin.

The first recipient of this scholarship is Bruce Weidner, son of Mr. and Mrs. Henry Creditor of Belleville. The scholarship committee gave the award to Bruce as the outstanding student in the Hebrew School in Belleville. Camp Ramah is sponsored by the Jewish Theological Seminary of America.

An all 'round good student, Bruce is in the sixth grade at School 7. He also plays the clarinet in the school orchestra and dance band.

### WELCOME BACK, JOHN

It was a big day on April 8 for John Portella, son of Mr. and Mrs. Joseph J. Portella of 227 New Street. After being absent from school for over five months due to illness, John returned to the first grade in St. Peter's Grammar School. His mother, Ellen Thomas and his classmates were especially glad to welcome him back and sincerely hope he doesn't have to miss any more school.

"She's such a little lady; so bright; you'd never know she's brought; she's a doll." Those were just a few of the glowing terms expressed by proud Grandpa Angie Vuono of 68 Berkeley Avenue about his little granddaughter, Kristine, who has been visiting here with her mother, Mrs. Carl Tamini of Perrin Park, Md.

Mrs. Tamini, the former Carole Vuono, and Kristine have been staying in Belleville while Mr. Tamini was away on a business trip.

### MISS MALLACK FETED

Mrs. Richard Conklin, Mrs. Donald Reeves, Mrs. Donald Robson and Miss Carol Mallack, the bride party of Miss Patty Mallack, gave her a miscellaneous shower on April 4 at the home of Mrs. Paul Hannan of Church Terrace.

Miss Mallack, the daughter of Mr. and Mrs. Joseph Mallack of 12 Cedar Hill Avenue will be married to Jack Caron, son of Mr. and Mrs. P. Caron of 242 Belleville Avenue on May 1. About 30 guests attended the shower.

Steven Lucas, son of Mr. and Mrs. Frank Lucas of 57 Eugene Place was very excited about celebrating his fifth birthday on April 7 with a big party. However, on the morning of his birthday, poor Steven awoke with the chicken pox and the party was postponed. Happy Birthday Steven and we hope you get well soon.

A "Safari of Fashions" and Luncheon was held on April 7 at the North Jersey Country Club in Wayne for the ladies of the club. Among the 400 women enjoying the Fashion show were Mrs. Gerald Bianchi, Mrs. Harold Lister and Mrs. L. Sibarro of Belleville.

Congratulations to Ronald Borgo, Jr., son of Mr. and Mrs. Ronald Borgo Sr. of 52 Belmont Place for winning third place in the 10-year-old age group swimming contest held at the Boy's Club Unit on Broadway in New

ark. He swam the 25 yard free style in 181 seconds and received a bronze ribbon.

Mr. and Mrs. Robert Savare of 41 Naples Avenue not only celebrated their fourth wedding anniversary on April 8 but also their son's birthday. Their son, Ray, is the former Raphael Stagliano, daughter of Mr. and Mrs. V. Stagliano of 18 Brighton Avenue. Robert is the son of Mr. and Mrs. Grete Savare of Baldwin Place.

The young couple celebrated by asking both of their families to dinner. Congratulations.

### LEAVING BELLEVILLE

Paripany will soon be called "Little Belleville" with so many of our residents moving there. Building their own home in Parsippany, Mr. and Mrs. Raymond Felmy of Rosemore Place will be moving there in a short while. Their friends and neighbors will be sorry to see Rose and Ray and their three boys go.

Happy birthday to Jimmy Gavin, son of Mrs. Ed Gavin of Prospect Street. Jimmy, who celebrates his birthday on April 14, is graduating from St. Peter's School in June and plans to attend Essex Catholic High School.

An evening out at the Papermill Playhouse in Millburn was a treat for Mr. and Mrs. G. J. Borgo of 13 Mertiz Avenue. They saw the "Glass Menagerie" starring Piper Laurie and Maureen Stapleton.

The one day in the year that belongs in Gerald Bianchi of 22 Mertiz Avenue is his birthday which is April 7 but this year he was the "forgotten man" as his brand new granddaughter Lori Howes, daughter of Mr. and Mrs. "Buddy" Howes of Bloomfield, came home from the hospital and demanded everyone's attention.

However, the next day April 8 was Lori's mother's birthday, the former Julia Bianchi, so there was a small celebration to take care of both Lori's mother and her grandfather.

### SHOWER GUEST

Twenty-six guests attended a recent miscellaneous bridal shower for Miss Mary Mahler, daughter of Mr. and Mrs. Edward Mahler of 62 High Street given at the home of Mrs. Joseph Tremel of 136 54th Avenue. The hostesses for the shower were Mrs. Raymond Kelly, Mrs. Laurence McGuirk, Mrs. Joseph Tremel, all of Belleville, and Mrs. John Thomas of Jersey City.

Miss Mahler will wed Paul Paripany of Verona June 26 in St. Peter's Church.

Mrs. Robert Postelthwaite of Nulley was hostess for a demonstration party on April 2. Those from Belleville having a nice time were Mrs. Clara Travers, Mrs. A. Tobia, Mrs. Harry Breckenridge and Miss Theresa McGuire.

The friends of Mrs. Richard Lukowiak of 9 Mt. Pleasant Avenue will be glad to know she is home from Clara Maass Hospital and is feeling fine.

On April 7, Mr. and Mrs. Walter Glosinski, Jr. of 24 Bremond Street celebrated their ninth wedding anniversary. Mrs. Glosinski presented the family with a beautiful new daughter, Claire, on April 3 as an anniversary present.

Since mother and new daughter were still in St. Mary's Hospital in Orange on April 7, Mr. Glosinski and their four other children, Walter, III, Gregory, Laura and Linda, kindly kept house.

### LINDA HOSPITALIZED

Friends and classmates are hoping that Linda Glosinski, daughter of Mr. and Mrs. Walter Glosinski of 44 Rutan Road, will hurry home from the hospital soon. Linda, who is in the fifth grade at St. Valentine's School, Bloomfield, is in Mount Sinai Hospital Montclair.

Our Lady-Queen of Peace High School in North Arlington, Class of '55 held its first class reunion on April 3 at the Casino in the Park, Jersey City. Having a marvelous time from Belleville were Mr. and Mrs. Robert Mallack of 37 Fairway Avenue and Mr. and Mrs. Jack Fischer of Belleville Avenue.

All the children of the Hebrew School of Belleville journeyed by bus to the Joan of Arc Playhouse in New York City to see the Golden Pen Playwriting Contest Prize Winning Play "A Well in the Desert". Those enjoying the trip were Gail Tuchman, Celia Bellin, Ellen Panansky, Ilene Berkowitz, Norman and Steven Taffet, Seth Kursman and Martin Fuchs.

Congratulations to Billy Angelo, Thomas Lukowiak, Mario Malifano, Steven Ornlick, Anthony Pignone, Richard Redmond and Michael Zarra for having TOWN ORDINANCE.

A PUBLIC NOTICE is hereby given that the following proposed ordinance was introduced and passed on first reading at a meeting of the Town Council of the Town of Belleville held Monday evening, April 12, 1965 and further notice is hereby given that the second and third readings will be held at a meeting to be held at the Town Hall, Washington Avenue and Belleville Avenue Monday evening, April 19, 1965 at eight o'clock P.M. when all objections to the passing of the same will be heard and considered.

B.G.

Congratulations to Seth Kursman of Branch Brook Drive! On Saturday morning, April 10, Seth and his wife, Linda, were married at the Congregation Ahavath Achim, Belleville. Seth's proud parents are Edith and Joseph Kursman.

A surprise baby shower for Mrs. Albert Johnston, Jr. of Mertiz Avenue, Belleville, was held recently at the home of Carl Schickram of Tappan Avenue. Guests attending the shower were:

Mrs. Robert Brown, Mrs. G. Borgo, Mrs. William Skidmore, Mrs. Albert Schickram, Mrs. Albert Johnston, Sr., Mrs. John Shank, Mrs. Robert McDowall, Mrs. John Kiernan, Mrs. John Karter, Mrs. James Howe, Mrs. Vander Varst, Mrs. M. George, Mrs. Vincent Manion, Mrs. Edward Sopko and Mrs. Robert Schickram. Mrs. Johnston is expecting her baby in June.

Congratulations to Emanuel Tabib of Frederick Street. Last weekend, Tabib, accompanied by Mrs. Tabib and their two sons Joseph and Sal, went fishing at Island Beach Park. Tabib landed a 20 lb. striped bass!

There will be a double celebration this month at the home of Mr. and Mrs. Frank Dalia Riya of DeWitt Avenue. April 24 is their wedding anniversary and on the 25th Dalia Riya will celebrate of Schickram of Tappan Avenue, his birthday. Congratulations and best wishes! — P.M.

## The Louis D. Harolds Will Celebrate Golden Wedding

Mr. and Mrs. Louis D. Harold of 136 Mt. Prospect Avenue, Belleville will celebrate their 50th wedding anniversary on Wednesday, April 28.

Married at the Cathedral of the Assumption in Louisville, Ky., they have a son, Louis D., Jr., and a daughter, Mary. Mrs. Harold is the former Ellen Patterson of County Galway, Ireland. A member of Court Santa Rosa, she has served as Vice-President of the Daughters of America, she has served as Vice-President of the Daughters of Grand Regent.

Mr. Harold was born in the City of Limerick, Ireland and is retired from the restaurant and catering business. They have been residents of Belleville for 26 years.

The wedding anniversary Mass will be celebrated in St. Peter's Cliffside Park.

## First Annual Card Party For Junior High PTA

Mrs. Walter Sincow, chairman, has announced that final plans have been formulated for the first annual card party to be held by the PTA of Belleville Junior High School.

The affair will be held Wednesday, April 28, at 8 p.m. in the gymnasium. Tickets are now available and can be purchased from committee members or by contacting the school. This will be the first fund-raising project of the Junior High PTA.

## DISCOURAGE SLEEPING

It is possible to sleep with contact lenses in place, but optometrists discourage the practice. Specialists feel that the eye can best maintain its normal healthy state if left uncovered for at least part of the day.

## St. Rose of Lima Church Setting For Cozzolino - Manschot Nuptials

Mrs. Joseph Cozzolino, Jr.  
Former Adrienne Manschot

Miss Adrienne Lyn Manschot, daughter of Mrs. Josephine Manschot of Third Street, Newark, was married to Joseph Peter Cozzolino, Jr., son of Mr. and Mrs. Joseph P. Cozzolino of 26 Rutan Road, Belleville, Sunday afternoon, April 11, in St. Rose of Lima Church, Newark. The bride is the daughter also of the late Adrian Manschot.

Emceed by Rev. Francis J. Alex, pastor of the church, the bride wore an ivory silk-faced peau de soie gown with Alencon lace bodice embroidered with seed pearls. The elbow length sleeves were bell shaped and the modified sheath skirt fashioned with chapel train which fell from the waist.

A high pillbox headpiece of matching lace held her triplee elbow length veil, and she carried an arm bouquet of calla lilies.

Mrs. Ernest Fina of Bloomfield was matron of honor. Bridesmaids were Mrs. Thomas Conforti, Miss Lorraine Caputo, the Misses Carol and Dorcen Sitgreaves, cousins of the bride, all of Newark, and Miss Ida De Troia of Centerville, the bridegroom's cousin.

They were dressed in full length lilac chiffon sleeveless gowns with deep cowl necklines forming a hood in the back. They had beaded crystal headpieces and carried dark lilac bouquets of lilies of the valley.

George Cozzolino of Belleville was best man for his brother. Ushers were Thomas Conforti and Roger Curto of Newark and Ernest Fina of Bloomfield.

Mrs. Manschot was attired in a champagne beige imported Belgian lace gown with matching headpiece and a corsage of white orchids. Mrs. Cozzolino chose a white quince silk-faced peau de soie with flowered hat and corsage of white orchids.

Mrs. Cozzolino was graduated from Wood Secretarial School, Newark, and is a private secretary with the Hospital Service Plan of New Jersey in Newark. A graduate of Belleville High School, Mr. Cozzolino is presently a senior at Fairleigh Dickinson University. He is employed as a management trainee for Consolidated International Trading Co., New York.

A cocktail party and reception followed the ceremony at Mayfair Farms, West Orange.

## Deborah Chapter Slates Luncheon

A luncheon will be served under the auspices of Belleville Chapter of Deborah Hospital, April 28 at 12:30 p.m. at Amvets Hall, 100 Newark Avenue, Belleville. A cake sale will also be held. Baby sitter service will be available.

Proceeds from the affair will go to Deborah Hospital, which specializes in operable heart disease, operable lung cancer and tuberculosis, with surgery given on a free non-sectarian basis. Tickets may be had from the chairmen, Mrs. Don Tuckman, and Mrs. Peter Morra. The Chapter will meet Monday evening April 26, at the Belleville Recreation House. Mrs. Stephen Kelemen will preside.

ANN MEEHAN

Ann Santiglia Meehan will sing the leading role of "Marietta" in Victor Herbert's "Naughty Marietta" presented by the Civic Chorus of Bloomfield at Bloomfield High School April 27, at 8:15 P.M.

A concert version, the opera will be given in its entirety with all the dialogue and action by the principals in costume. Donald Gage, chorus conductor, will direct. The opera will be given under the auspices of the Bloomfield Federation of Music.

Ann was raised in Belleville and presently resides with her husband and daughter at 26 Park View Avenue. She attended the Juilliard School of Music for three years, majoring in voice, and has appeared in many concerts throughout New Jersey. At the present time, she is studying voice with Gage.

## Carmen Petrones Wedded 25 Years

Celebrating their 25th wedding anniversary on April 14, Mr. and Mrs. Carmen Petrone of 34 New Street are planning to visit Washington, D. C. the end of April for a second honeymoon. They plan to see how much the nation's capital has changed since their first honeymoon there 25 years ago.

Married in Our Lady of Czestochowa R. C. Church, Harrison, they have two children, Barbara and Donald.

Mrs. Petrone is the former Sophie Sargiewicz of Harrison and is with Fidelity Union Trust Company, Newark. Mr. Petrone is a tool maker with the Phillips Manufacturing Company. They moved from Montclair to Belleville two years ago.

In addition to their children having a surprise dinner for 18 at Parrillo's on April 10, they are having 25 dinner guests on Easter Sunday to celebrate the occasion.

Heat a variety of drained canned fruit with sugar, butter and corn powder to serve with roast pork. Great for company!

## Family Portrait:

## Meet The Maguires, A Talented Group

BY BARBARA GAGNON  
"We are really just an ordinary family," said Mrs. Justin Maguire of her husband, Justin, Sr., and their three sons, Justin, Jr., Tommy and Phillip. But after a brief visit with the Maguires convinces one that the word "ordinary" would be more appropriate.

Justin, Sr. works full time as a title officer for a Montclair insurance company but his spare time is devoted to writing poetry. His Maguire talents vary from making her own clothes to laying the tile floor in the basement of their home... her paintings hang in several Belleville homes... but her real love is interior decorating.

Justin, Jr. attends Pratt Institute of Industrial Design in Brooklyn, said his first painting at the age of 14, is a member of a prize winning semi-professional group of Bavarian folk dancers. Tommy, the musician in the family, is presently on tour in Puerto Rico with Patino Castells and Phillip, the youngest, a pre-med student at St. Peter's College, Jersey City, specializes in "studying."

Justin, Sr., a resident of Belleville since birth, works full time as a title officer for the Garden State Title Insurance Company, Montclair, but writing poetry is his avocation. Anything that strikes his fancy finds its way into writing.

Mrs. Maguire is the former Grace Kaiser of Pittsburgh, Pa. Besides sewing for herself she sews for her sons and formerly made the costumes for the Petrean Club shows at St. Peter's.

A graduate of the Newark School of Fine Arts, she just returned from a study tour in Europe, but, "I'd love to do it professionally," she stated. In describing her living and dining rooms, she said that the boys call it "early depression" but it's really French, in the style of Louis XV and XVI.

Besides working full time, she found time to design their present home at 8 Lloyd Place. She loves to visit country auctions where she picks up bargains and carts them home to refinish and make useable. Two walnut cane bottomed chairs in her father's dining room are a real treasure. 50 cents apiece, are a result of her rummaging, patience and perseverance.

This energy and drive has been inherited by their three sons. All are graduates of St. Peter's School here and St. Benedict's Preparatory School, Newark.

Justin, Jr., a student at Pratt Institute, explained, "Industrial design is the outer design of any product sold, i.e. refrigerators, cars, etc. and also the packaging of the class projects. It is the design of an original place setting for silver which he hand made in stainless steel and named 'Centurion'."

At the age of 14, he sold his first painting and has continued to paint portraits, still life, sea and landscapes, most of which are given away as wedding presents to his friends.

Several years ago, while doing a Petrean Club show he became interested in Bavarian folk dancing and joined a group known as Edelweiss Passaic, Inc. They are a semi-professional group of approximately 45 members who meet every Wednesday night to practice. They usually perform every weekend.

Specializing in the Schupfalter, the traditional Bavarian folk dance, they won first place in the

## A BADLY KEPT SECRET

Although the majority of patients wear contact lenses for cosmetic reasons, nearly 78 per cent of all patients take freely of their contact lenses. Only 17 per cent keep them secret, reports the New Jersey Optometric Association.

THE MAGUIRES: Mr. and Mrs. Justin Maguire, Sr. pose with their three sons, (L-R) Tommy, Phillip and Justin, Jr.

Bavarian Dance Festival held in keeping up with all the latest Buffalo, N.Y. In 1963, very proud crazes.

There is one member of the family without any talent at all but no one cares. A lovable, two year old pedigreed mutt, his name is Siegfried and he wears an iron cross, a gift from a family friend returning from Germany. What he lacks in talent, he makes up in enthusiasm for the whole family.

An ordinary family? I think not and I'm sure all will agree.

## Interesting Menu For CDA Supper

There will be a varied menu at the hot, covered dish supper which will be served Monday, April 19, at 6 o'clock in the gymnasium of St. Mary's School, Nutley. The supper is being prepared and will be served by members of Court Gratia 751 Catholic Daughters of America. Adults and children are invited.

Mrs. Fred A. Scott Jr., Grand Regent of the Court, is honorary chairman and Mrs. John Luchko, co-chairman.

The committee members for the supper are Mrs. Thurman J. Bradley, Mrs. John Budeas, Mrs. Charles Capalbo, Mrs. John E. Clayton, Jr., Mrs. Louis Ferraro, Mrs. Joseph F. Gallagher, Mrs. John Hudzik, Mrs. Albert J. Bide Jr., Mrs. William Lauber, Mrs. Gilbert C. Lichtenburg, Mrs. John F. Little, Mrs. John Mull, Mrs. Harry B. Nickels, Mrs. Stephen J. Salamon and Mrs. Gerald P. Wakeham.

## CARD PARTY SET

A card party will be sponsored by Younginger - Alden, Jr. Post Auxiliary at Post Headquarters, 17 Belleville Avenue, Wednesday evening, April 21. Mrs. Mary E. Jeffers is chairman, assisted by Mrs. Bertha Zienkiewicz, co-chairman.

## St. Mary's Theatre Guild Will Present 'A la Carte'

St. Mary's Theatre Guild will present a musical variety show, "A la Carte," April 28 and 30, May 1 and 2, in the school gymnasium on Lafayette Place, Nutley. There will be a children's performance Sunday afternoon, April 25.

Directed by Joseph P. Hayes of New York, the sixth annual Spring production will feature a cast of 100 adults and teen-agers. Highlighting the performance will be a teen-age chorus of 60 singers and dancers. A group of sixth graders will present a scene from Mary Poppins.

Among those appearing in major roles will be Jerry Wakeham, Ann Faeder, Jack Clayton, Ida Palmasano, Fran Kramer, Rose Quinn, Ron Michaels, Jim Adams and George MacMunn. MacMunn is production manager for the show. William Treves is Guild president, and the Rev. Gerard W. Walsh is spiritual adviser.

The first commissioner of baseball was Kenesaw Mountain Landis who was appointed in 1921 and served until his death in 1944.

## Patricia D. Joyce, Fashion Buyer, Marries; Honeymoons In Puerto Rico

The marriage of Miss Patricia Diane Joyce, daughter of Mrs. Dorothy E. Joyce of 281 Park Avenue, Wiley, to Robert Patrick Ryan, nephew of Mr. and Mrs. Thomas Spillane of 151 Belleville Ave., Belleville, was solemnized Saturday evening, April 10, at Bow and Arrow Manor, West Orange. A reception followed the ceremony.

The bride was given in marriage by Thomas F. Joyce, Jr. of Pompton Plains. She wore a bridal gown of peau de soie trimmed with Belgian lace. The bodice, with empire waist, featured a scoop neckline and bell shaped lace sleeves. The A-line skirt with overskirt of Belgian lace, flowed into a train of tulle and lace.

She had an elbow length mantilla of matching lace and carried a bouquet of phalaenopsis orchids with orange blossoms.

Mrs. Donald Lempere of Totentown, Staten Island, the bridegroom's sister, was matron of honor.

She was dressed in a flowing floor length gown of aqua silk organza with scoop neckline and three quarter length draped sleeves. The empire waistline was accented with dark aqua velvet ribbon. Her headpiece was an aqua velvet bow, and she carried aqua daisies with jivy.

Philip Ganipa of Kearny served as Mr. Ryan's best man.

The mother of the bride wore powder blue worsted silk with a blue floral hat. The bridegroom's mother chose beige silk with beige and brown floral hat. Both had corsages of white Georgian orchids.

A graduate of Nutley High School, the bride is a fashion buyer for Hahn & Co., Newark. The bridegroom was graduated from Belleville High School and served in the Army for three years. He is the owner of Bob's and Patricia's Restaurants, Newark.

Mr. and Mrs. Ryan will reside in Elizabeth when they return from a honeymoon in Puerto Rico.

# Belleville High Students Visit N. Y. Stock Exchange, Bank

Belleville Senior High School students, under the supervision of Mrs. Joan David and George N. Cera, visited the New York Stock Exchange and the Federal Reserve Bank of New York on March 31.

At the National Market Place, they saw the vast trading floor almost as large as a football field - and dramatic displays of America's great industries.

While in the Stock Exchange, the group was taken on a guided tour. They also saw a film, "What Makes Us Rich."

At the Federal Reserve Bank, the students listened to an interesting lecture on the banking system and the many problems that this system must overcome.

Students saw how money was created, stored and how it was vaulted. Many watched how it was separated and how counterfeit money was detected.

The students were fascinated by the \$5,000 and \$10,000 dollar bills they saw.

The group saw one-quarter of all the official monetary gold of the world. This gold is found in the bottom-most vault of the Federal Reserve Bank. It is kept 83 feet below the busy streets of the financial district and 55 feet below sea level.

Strict security keeps the gold safe. Seven foreign countries put trust in our banks and security system.

Security is the keynote of the Bank's elaborate procedures for protecting the gold.

The guide talked about the expert force of the marksmen who maintain surveillance. In case of alarm, they can seal off means of escaping from the Bank with 10 seconds.

Many students had an opportunity to stand in the 90-ton steel vault door and look at the gold. They watched this vault door close and lower into place like a cork into a bottle.

The students learned how important our Federal Reserve System is to our country. They realized that it is one of the institutions necessary to promote stability in a free economy.

During World War II, Soupy served in the United States Navy on the U.S.S. Randall, flagship of the Seventh Fleet. He also took part in the invasion of Okinawa.

"I found a way to beat the Army," stated Soupy. "I joined the Navy."

His career began as a radio script writer in Huntington. Later, he became a disc-jockey in Cleveland, Ohio, and made the shift to television there.

In 1955, he received his first big break when he was chosen to replace "Kukla, Fran, and Ollie" for the summer television season.

Later, Soupy got his own night time series and then starred in "Lunch With Soupy Sales," a Saturday afternoon program. In 1961, he moved to Los Angeles, and his show became a success.

He also recorded an album that sold over 40,000 copies the first month after being released.

Soupy made guest appearances on "Route 66," "Burke's Law," "The Judy Garland Show," "Ernest O'Brien," and other network series and was host of the "Tonight" show for one week. In the summer of 1964, he moved to New York. "The Soupy Sales Show" began on WNEW-TV in September, 1964.

"Soupy enjoys his work because he likes people and wants to entertain them. He feels that 'people want to laugh and relax' and 'enjoy live entertainment.'"

When asked whether his show is rehearsed, Soupy explained, "We talk over the organization of the show and usually know the ending of a skit, but a great deal is ad-libbed." He added that this can be funnier than the comedy show which follows a script word for word.

Some of the characters who appear on his show include Pookie the lion puppet, White Fang and Black Tooth, two giant dogs, and a number of salesmen and odd personalities who come to Soupy's front door with their unusual problems. All these characters are played by actor Frank Nastasi.

Besides entertaining Soupy enjoys painting and writing. He writes for his show as well as for other programs, and he has written various articles and compositions.

Soupy once appeared in a movie, "Two Little Bears," with Brenda Lee and Jane Wyatt and

Leonard Marciano, chairman of the English Department, has been an active member of the faculty at Belleville High School for ten years.

Leonard received his Bachelor of Arts and Master of Arts degrees from the University of Scranton. After attending Wilkes College in Pennsylvania, he received his Doctorate Equivalency from Seton Hall University.

Before coming to BHS, Leonard taught English and was Director of Student Activities at Hammonton High School, Hammonton, New Jersey.

Besides teaching English and Latin at BHS, he enjoyed being coach of the BHS Junior Varsity Baseball Team for seven years.

At present, he finds being Recording Secretary of the International Reading Association an enjoyable and educational experience.

He has taught in the Belleville Adult School program and in Blount High School.

Leonard is also interested in singing and has sung professionally in the nightclub and concert circuits.

# BHS TOP KEARNY, E. ORANGE

## Error in Ninth Assists BHS Post 5-4 Victory over Kards

Doubles by Tony Landolfi and Frank Mineo along with a combined four-hit pitching job were the big factors as the Bellboys came from behind with a run in the eighth inning and another in the ninth to edge past the defeated Kearny, 5-4, Saturday.

Despite several outstanding individual performances and the big win, everything didn't come

**SIDELINED** — Len Luongo who injured his finger in the eighth inning of the Kearny game, sits on the bench and watches the action. Luongo is expected to be sidelined for at least one more week.

## Boat Licenses Available At Hopatcong State Park

Boat owners and operators in northern New Jersey are now provided with licensing services at the Administration Building of Hopatcong State Park.

Robert A. Roe, Commissioner of the New Jersey Department of Conservation and Economic Development, said that the Department's office at Great Cove, 350 Trenton, has been processing boat registrations and operators' licenses had been closed and its functions relocated to the new facility.

Office hours at the Hopatcong office are from 9 a.m. to 5 p.m. Mondays through Fridays and 9 a.m. to 1 p.m. on Saturdays. A parking area is located at the Park's main entrance to accommodate visitors.

New Jersey law requires the registration of all motor-propelled boats which are used on the State's non-tidal waters and of craft powered by motors in excess of 10 horsepower on tidal waters. Operators of power boats on New Jersey's non-tidal waters also must be licensed, regardless of the horsepower of their respective craft.

In addition to the Lake Hopatcong office, licensing facilities are available at the Point Pleasant, Forked River and Atlantic City State Marinas and at the Conservation Department's Motorboat Numbering Office in Trenton.

## Marotti Heads Little League

The Belleville Little League, now getting ready for the 1965 baseball season, has elected their new officers for the year.

Michael V. Marotti, who has been in little league since it's start in Belleville was elected to the office of Little League Baseball Commissioner of Belleville.

Other officers for the National League are as follows: Robert Pugliese, President; Frank Lisk, vice president; for the American League, George Ferro, President; Ray Fratella, vice president; Roy Beers, secretary; George Lister, Treasurer; Ben Puciere, purchasing agent; Harry Weaver, chief player agent; Bernard Molise and William Blumski, player agents; Frank Magnotti in charge of field operation.

The following are the names of the teams and managers for 1965: American League — Vee Bee Esso, Roy Beers; Elks, Paul Bailey; Food Fair, Larry Napoli; Wallace & Tiernan, Robert Mallick; Colony Club, Mario Risimmi; and Rotary Club, Ray Fratella.

National League — Airco, Joe Scaperrotta; P.B.A. 28, George Lister; Local No. 410, John Gosinski; Lions Club, Tony Randazzo; Jolly Glensers, Dan Dunn; Amvets No. 26, Jim Catalano.

The season will start May 1 with three games. This year the Little League has purchased new uniforms for all teams and work will begin soon on the new field house.

Marotti and Frank Liskowicz are co-chairmen for the building. The Town Council has approved the building which will be 32 feet by 60 feet. It will have rest rooms for men and women, shower room, kitchen and a large room for recreation for youngsters who are waiting for their game to get under way. Work on this building will start the first weekend in May. Anyone wishing to help on this project can get in touch with Michael Marotti at Police Headquarters.

inning, Tony Magistro walked as a pinch-hitter. Magistro advanced to second on a passed ball while the next two Bellboys struck out. Then, Tony Landolfi came through with his second hit of the game, a double, to even the count at four runs apiece.

In the last of the ninth, Frank Mineo broke out of his slump and came up with his first safety of the young season, a clutch double to left. When the second batter, Jimmy Bowler, hit down a bunt, the Kard third baseman, Dick De Vito, threw wildly to first and Mineo came around to score the decisive run.

Three Bellboy hurlers combined to hunt the four hitters at the Kard. Rich Pucciarello started and pitched six strong innings. Pucciarello gave up a blop single in the first inning and then held K-card hitters for the next four frames. In the six, "Puchie" tired and gave up two unearned runs on a walk, freak play in muddy outfield, and a sacrifice fly. Rich whiffed four and walked one while firing his two hitter.

In the seventh, Art Sheridan came in to pitch with just three days between his whitewash job against East Orange. Sheridan breezed through the seventh, striking out two Kardinals. But in the eighth, he was reached for a run and scoring single before Luongo's injury.

While Luongo was being attended to George Debrowski warmed up at second base and Sheridan put on the catcher's gear. Debrowski went right to work and struck out four of the six men he faced, including the side in the crucial ninth inning.

This was Debrowski's second shut-out relief job, and it earned him the probable starting role against the Big Ten Conference leader, Bloomfield. Pucciarello, who also had not allowed an earned run, will see plenty of action during the eight games Belleville plays within twelve days. Sal Taibbi will make his first start. And Sheridan will catch until Luongo returns, unless needed in relief, or at third base in the case, Jim Pignone will take over behind the plate.

The Bellboys scored straight win against one loss boosted them into a tie for second place in the Big Ten with Irvington, Kearny and Columbia.

Luongo's injury is a big blow especially as the Bellboys move into the heaviest part of the schedule. Big Ten was leading the team in RBI at the time of his injury and is the team's field general. How fast he returns to the mound will make a big difference in Belleville's pennant aspirations.

In the Junior Varsity game that was being played at the other big diamond at Municipal Stadium, the Junior Bellboys romped to an 8-0 victory against the Kearny J.V.'s. Mike Welsh bled the shut-out to bring his record to 2-0 and the team's to 2-1. Welsh and Sam Calabria provided most of Belleville's batting punch.

Getting back to the Varsity contest, the Bellboys left men stranded in each of the first three innings before exploding for three runs in the fourth with their lefty line-up (the Kard starter was a southpaw).

Mineo started the rally with a walk. When Pucciarello pitched, the Kard pitcher Joe Pekarosky fired to second, but Mineo beat the throw to put Bellboys on first and second. Nick Grande then bunted, for his second hit of the day, to load the bases. Ken Scott replaced Pekarosky on the mound.

All-State shortstop, Lou Concessore, muffed Rich San Filippo's grounder as Mineo scored the games first run and the bases remained loaded. The second run came in when Luongo lofted a sacrifice fly to center.

Debrowski then became the third Bellboy to bunt successfully as Grande scored for a 3-0 lead. When San Filippo was picked off third the rally died.

In the sixth, Kearny pulled within a run of the Bellboys for recreation for youngsters who are waiting for their game to get under way. Work on this building will start the first weekend in May. Anyone wishing to help on this project can get in touch with Michael Marotti at Police Headquarters.

**BIG RUN** — Belleville's Tony Magistro races home with the tying run in the bottom of the eighth inning against Kearny to deadlock the score, 4-4. Belleville won, 5-4.

**FOULED OUT** — Joe Cervasio gets to lay one down in the eighth inning against Kearny with two strikes on him. His bunt went foul to retire the side.

## Bellboys Blank E. Orange, 2-0

Combined runs in the third inning combined with Art Sheridan's shutout pitching were enough for Belleville's initial victory in the home opener with East Orange. The only runs in the seven-inning contest were pushed around in the bottom of the third. Frank Mineo, started the rally with a walk. Nick Grande, who had missed the season opener because of a college entrance opportunity, followed with a single to put runners on first and second.

Sophomore phenom, Rich San Filippo, who was batting a torrid 500 after this game, then lined a single to center to score Mineo with the winning run. The rally didn't end here, though, for Tony Landolfi beat out a bunt to load the bases with no outs.

Len Luongo delivered the second run with a sacrifice fly to deep leftfield. On the same play, San Filippo was nailed tagging up to break the back of the rally.

In the pitching department, Sheridan hurled a masterful game to even his own and the team's record.

## Globetrotters Show Talent Tonight for Local Unico

Among the greatest of Harlem Globetrotters basketball players through the years have been those who have combined clever showmanship with excellent play.

And, usually, they wind up to be the highest paid.

Crowds at Globetrotters games — such as the one coming up tonight to the Newark Armory on Sussex Ave., sponsored by Belleville Unico, look for this during a game. The clowning has come to be the Trotters' trademark and has paid off for them most handsomely at the box office.

The question often has been asked Abe Steinert, the genial Chicagoan whose boyhood dream has blossomed into one of history's greatest sports attractions, time.

He says not. He thinks that native ability is the first and foremost prerequisite for any athlete. Particularly a basketball player, and especially a Harlem Globetrotter.

"We don't look for clowns," Abe has said. "We hunt potent. We want to see players, bring them along slowly, teach some of them to clown, others just to play real ly-fine basketball."

"Most young players think they have to be natural born cut-ups to play with us. We have to discourage that. In fact, you can imagine what would happen if we put five clowns on the court, all competing for laughs instead of each other at the same time."

**IN UNICO BENEFIT** — Diminutive owner of the Harlem Globetrotters, Coach Abe Steinert, finds a way to tower over last star Medowark Lemon, Tex Harrison and Connie Hawkins, left to right, who will perform at the Newark Armory tonight, sponsored by the Belleville Chapter of Unico National.

## Deer Census Under Way

The annual census of deer in southern New Jersey is currently being conducted by the Division of Fish and Game in the Department of Conservation and Economic Development.

The roadside track count method of census is being applied, as it has been for several years. A night correlation has been found between the number of tracks along a designated length of roadside and the number of deer in adjacent habitat.

Roads within the deer range of each county are selected at random. Sampling covers about 20 percent of the county's deer habitat, and counts are made two or three times on each stretch. Statistical treatment of results and comparison with counts made in previous years provide a valuable index of population trends.

Several other states now use modifications of the method, which was devised in 1951 by New Jersey Wildlife Manager Charles A. Wright.

Principal Wildlife Manager Paul D. McLain is supervising this year's census.

## Charter OK'd For Cub Pack

Belleville District has the distinction of having the guest Cub Scout Pack in the Robert Treat Council, Boy Scouts of America. The Council has recommended to the national organization that a Pack charter be issued for Christ Episcopal Church for its Cub Scout Pack to be known as Pack 388.

The charter application was signed by the Church Rector, Rev. Frederick Long.

Robert Long, rector of the church on the Council and the Belleville District Committee. The Pack Committee Chairman is Warren Groome.

Robert L. Miller of 138 Jerusalem Street was selected by the Committee to be Cubmaster.

The Pack will hold its monthly meetings on the fourth Friday of each month.

## Driver Charged After Crash

Belleville drivers soon to have a penchant for colliding with parked cars in Nutley and then leaving the scene of the accident.

Last Thursday the fourth Belleville driver in one week to be charged by Nutley Police with leaving the scene of a minor accident was apprehended.

Samuel A. Trento, 22, of 65 Bernice Road, collided with a car parked outside of the owner's home at 96 Harrison Street. A witness took down the license plate number, leading to Trento's summons. The accident caused only minor damage.

## Anti-Poverty Efforts Told Welfare Council

The trend in the "War on Poverty" is toward developing programs covering a wider territory. This was the statement of Ray L. Guy, Executive Secretary of the Community Services Council of the Oranges and Maplewood.

## Admitting Room Relocated at Maass Memorial

The Admitting Room, along with other facilities at Clara Maass Hospital, were relocated recently in order that construction can begin on their new quarters.

It will now be necessary, Harold C. Widman, Director of Public Relations, reported, for patients being admitted to come through the main lobby rather than the entrance previously used, just off the doctor's parking lot. He commented that it would be advisable for persons driving patients to be admitted to the hospital to deposit these people in the main lobby and then park their car. Widman also pointed out that there are town police restrictions on parking in the immediate area of the main lobby, therefore, it is important that "no parking" sign be observed.

According to Guy, one of the reasons for the movement toward an area-wide approach is that the Economic Opportunity office in Washington has been swamped with too many applications from individual communities. He pointed out, however, that there continued to be a definite need for a local anti-poverty organization such as Belleville's Youth Evaluation and Employment Commission. Such an agency is in a position to study the local community and decide which particular programs are needed.

The two specific programs which Guy emphasized were the Neighborhood Youth Corps and "Project Head Start." Under the Neighborhood Youth Corps, unemployed youths, many of them school drop-outs, will be placed in part-time assignments with public and private, non-profit organizations. The expectation is that these young persons will be trained for some specific job, and that some of them might be motivated to return to school, at least on a part-time basis. Local organizations able to place teenagers under the program were requested to contact either the Youth Economic Rehabilitation Commission or the United Community Fund and Council of Essex and West Hudson. A new organization formed by the merger of the Welfare Federation of Newark and United Community Services of the Oranges and Maplewood.

In "Project Head Start," summer classes for children scheduled to enter kindergarten in the fall from families in poverty will be set up. It was reported that the Youth Evaluation and Employment Commission was developing plans for the local implementation of this program.

During the business meeting, Jack Grundfest, M.D., Chairman, welcomed two new trustees, Ralph A. Casale, Town Councilman, and Eugene Barnett, Chairman of the Belleville Chapter of the American Red Cross. Also it was announced that a number of additional persons had accepted appointment as Trustees.

You just can't beat The Beatles today. The third annual report of the Belleville Public Library made this clear when the most popular book at the library for 1964 was noted to be "In His Own Write" by none other than John Lennon, one of the Beatles.

Other fact of interest was that the collection of books available to the public increased 1,635 during the year to a total of 42,285 volumes available to the public.

As usual fiction was the most popular with nonfiction books trailing by only 6000 or so. Both adults and juniors had fiction on the top of their reading habits.

The membership reached a total of 1,584 with 830 adults and 754 juniors.

## Use of the Library

During 1964 a new tempo and pattern of library use were established as students from Belleville's public and parochial schools used the library for reference purposes in unprecedented numbers. In September, with the opening of the new Junior High School the influx of Seventh, Eighth and Ninth Graders to our Adult Department put added pressure both on the staff and the library collection.

School Library Cooperation. Against this background, the library launched an effort to establish lines of communication with the schools, and the Assistant Director, Wolman, was able to participate in meetings and discussions with librarians and teachers from all the schools in the area. As a result, for the first time, a healthy rapport was established between the library and the upper-grade schools. Direct benefits have been among others: advance notice of class assignments given to the library; the establishment in the library of special reserve shelves for provision of classroom collections to teachers on request; and book talks by the library to students in their classrooms. But it is for the long-range effectiveness of our work with Belleville Students that this beginning in 1964 is especially encouraging.

By the end of the year the library's total book collection numbered 42,285 volumes, a net increase of 1,635 books over 1963. There were 3,524 new books added during the year and 1,889 were withdrawn. Emphasis was placed on adding standard and classic works of lasting value as well as up-to-date nonfiction on the wide variety of topics now so much in demand.

Lighter works and fiction were also purchased of course (the most popular book in the library during 1964 was IN HIS OWN WRITE by John Lennon (The Beatles)).

At the same time, adult and children's books in all categories are being ordered and processed to form an entirely new collection for the forthcoming branch library.

Silver Lake Branch. A major step was taken in 1964 toward the extension of library service to the Belleville Community; this of course was the decision to open a branch in the southwest section of town.

This Silver Lake Branch Library will be housed in what formerly were two rooms in the James G. Shawiger School. By the end of the year these rooms have been remodeled, furniture and equipment had been ordered, and a nucleus book collection processed and stored at the main library.

Staff. Early in the year the library lost the services of John R. Abram, Assistant Library Director, who resigned to become Director of the Pequannock Public Library. Then on the first of July, Miss Ruth Deakin, Junior Librarian, retired after 34 years of loyal service. Both of these fine staff people left with the well-wishes of their fellow workers as well as those of the Library Board.

Arthur M. Wolman, formerly of Bounton Public Library, joined the Belleville staff in August as Assistant Director. His duties have led him particularly into the much needed area of developing cooperative relationships with the local schools.

Programs. During 1964 the library provided a total of 57 individual programs. Of these, 34 were story hours, and 9 were talks on library service. Nine of the 57 programs were provided outside of the library. The total estimated attendance was 1,622.

Our pre-schooler program was the most extensive as well as the most popular activity of the year. 724 children were served each were held; applications continued to come throughout the year at a high rate.

Area Library Service. As a concluding word it should be pointed out that in 1964 the New Jersey Library Association issued a plan for state-wide coordinated library service. The plan identified 3 levels of service: local community libraries, Area Reference Libraries, and major research collections in specialized fields. Before the end of the year, the Bloomfield Public Library was designated the Northwest Essex Area Library and is now committed to providing reference and other services to residents of Belleville, Bloomfield, Caldwell, Boro, Cedar Grove, Essex Falls, Fairfield, (Continued On Page 13)

Nul-Tiel Corp. of Belleville, a real estate syndicate, made public today its plan to develop a 20-acre site located on Route 18, East Brunswick. The announcement was made by V. J. Barbetta, President of Barbetta Agency, a real estate firm in Belleville. Barbetta represents the Nul-Tiel Corp.

The proposed complex includes an office building, a nursing home and senior citizen apartment.

To be called the East Brunswick Professional Center, the office building will provide 67,000 sq. ft. of office space. Situated on 2 1/2 acres, the three-story brick structure will feature central air-conditioning, a three-story lobby with a cathedral ceiling and a two-acre parking lot.

Five acres of the site have been allocated for the 100-bed Molly Pitcher Nursing Home. Designed as a one-story brick building in a park-like setting, the home will provide year-round climate control and private garden walks.

The remaining 12 1/2 acres will contain the senior citizens garden apartments. Named Golden Age Village, it is the first of its type in East Brunswick. It will include 290 units consisting of "efficiency" units, one-bedroom and two-bedroom apartments. A large swimming pool and special recreation areas are also planned for the apartments.

Architects for the complex are Centini, Newark. Project planning was handled by Apartment Planning, Inc. of Bloomfield. Attorneys representing Nul-Tiel Corp. for this project, are Nitto and Nitto Law Offices of Passaic. Construction is scheduled to begin September, 1965.

### Boathouse

(Continued From Page 1)

officers say more funds will be needed to complete the total structure will cost about \$45,000.

Because no land could be found in Belleville or Nutley along the river for the new boathouse to replace the one demolished by Route 213 construction, local officials turned to Kearny, where park land was made available.

State Statutes, however, would not permit the Nutley and Belleville Boards of Education to allocate funds to build a structure on unowned property in another town. Therefore, the Rowing Association was organized to raise the funds, and with the ultimate intention of turning over the building when completed to the two boards of education.

State law does not forbid Nutley and Belleville's sharing the maintenance costs for the structure going up in Kearny.

Among the Nutley and Belleville officials at Thursday's ground breaking were Dr. Robert Fleischner and Dr. Frank Durkin, superintendents of the two boards.

## State Seeks Soldier, Ship Model Builders

Wanted: An expert on warps and woofs; a Revolutionary War soldier and a brace of competent ship and boat model builders.

The man making the Statewide quest for help is Commissioner Robert A. Roe of New Jersey's Department of Conservation and Economic Development. And, as the saying goes, there's a story that goes with it. Actually the requests are not quite as unusual as they sound when you consider that Commissioner Roe's Department will operate the New Jersey Pavilion at the New York World's Fair in 1965, and the people being sought would work at the Fair.

The expert on warps and woofs, of course, is a loom operator. And the person being sought must be able to run a Revolutionary War vintage loom. The Pavilion wants a young lady loom operator who can work from April 21 until the close of the New York World's Fair in mid-October.

The Revolutionary War Soldier should also be considerably younger than the original Jersey Blues of 1776. The soldier and the loom operator will be working at the New Jersey Pavilion at the New York World's Fair in 1965.

William Chapman, president of the Rowing Association, James Bailey of Nutley, architect for the boathouse and vice president of the Rowing Association; Everett Zabriske, Nutley school business administrator and an officer of the Rowing Association; and John Kaiser, Nutley fund raising chairman.

compete in the Miss New Jersey contest at Wildwood, as Belleville's representative in this state.

Phil Brito, television and recording star, will be master of ceremonies for the program.

Tickets are now on sale at the following locations: Flowerman, Jolly Cleaners and Shop - Rite Market. They will also be available at the high school on May 1.

Season Opens

Both Nutley and Belleville High Schools open their crew seasons this weekend but because they lack home facilities, the two schools will do all rowing this season at host school.

A temporary shack was built at the Kearny site last year to house the shells used by the crews for practice sessions on the Passaic River. The Rowing Association is hopeful local crews will again be featured on the Passaic River by next spring.

### Parking

violations, a total of 4,412 tickets were issued for overdue parking.

Other MV violation fines that have increased for first offenses included:

Improper Turn, \$5 and \$5, up to \$2; U Turn, \$5 and \$5, up to \$2; License or registration not in possession, \$5 and \$5, up to \$5; Disregard Stop Sign, \$5 and \$5, up to \$5; Failure to obey officer's signal, \$10 and \$5, up to \$5; Driving on wrong side of street, \$5 and \$5, up to \$5; Disregard Stop Sign, \$5 and \$5, up to \$5; Improper Passing, \$10 and \$5, up to \$5; Failure to display name and place of owner, \$5 and \$5, up to \$5; No increase change from \$7 and \$3 court costs; Driving wrong way on one-way street, \$10 and \$5, up to \$10; Increasing \$5 from \$7 and \$3 to \$10; Failure to stop at red light with conditional license driving without lights, driving with improper lights and obstructing traffic.

The schedule for all parking violations except overtime parking remains unchanged at \$5 and \$2.

their positions, more qualified to handle the business affairs of the district, and in addition, as in the case of certified teachers, it reduces the chances of a political appointment.

Our Superintendent of Schools, who is qualified in education, and in experience, for this State Certification.

The Nutley architect explains the building has been divided into three sections. The first, for which ground was broken Thursday, will house the boathouse, the second or middle section, will house the shower facilities and heating plant. The third section will be the locker room.

The president of the Rowing Association, Chapman, reported the first section of the boathouse would be completed in May. While only about half of the project's total cost has been raised to date, Chapman is hopeful that an upcoming renewed fund drive, plus a raffle now underway, will boost the Association's funds.

"How did the school system fare under this type of 'unit control'?" Very smoothly for a few years. However, shortly after the death of Evan Thomas, and the appointment of a new superintendent, the Board had another Grand Jury investigation. Board members were indicted, and were exonerated only after many months had passed when it was terminated by judicial process that no wrongful acts had been committed by Board members. This Grand Jury however went into considerable detail in a Presentment concerning the unwarranted assumption of power by the Superintendent of Schools. This happened under the so called "unit control". These events were overlooked in the news item and the editorial concerning "dual control". Neither the Superintendent of Schools, mentioned in the recent Presentment, nor those persons mentioned in the 1964 Presentment, were ever allowed an opportunity to establish their guilt or innocence. They were never allowed to cross examine the witnesses who appeared against them, or to present their own case, or to present evidence which might prove that the Grand Jury erred in its findings as it did in the indictment of Board members in 1961. They were forced to bear this burden in silence.

A petition of 106 names representing 65 homes was presented which opposed the construction of a road connecting the Lobsenz property and Plenge Drive.

## Cook of The Week

MRS. EMANUEL RENG

## Orange Juice Sponge Cake Wins for Specialist in Baking

Today's Cook of the Week wasn't satisfied with all the sponge cakes she had tried. Her search for a satisfactory recipe led to an old recipe to which she added her own cream filling.

The recipe Mrs. Emanuel Renga of 35 Mount Prospect Street discovered, unlike most sponge cake recipes which don't call for liquid or shortening, adds orange juice to produce an unusually moist cake.

The winner who likes to collect new recipes and share them with friends, has had many requests for today's recipe over the past ten years.

Mrs. Renga bowls in the Woman's Recreation League at Branch Brook Lakes and is a member of the Belleville Social Club. She also enjoys dancing, often attending dances at which her daughter Mary Ann, 19, plays accordion with a three-piece combo, the Videos.

Mrs. Renga, a native of Newark, has resided in Belleville for 18 years. Other members of her family are son Wayne, 16, her husband, who is a toolmaker at ITT in Nutley, and her 80-year-old father.

The winning recipe follows:  
**ORANGE SPONGE CAKE**  
1 cup sifted cake flour  
1 1/4 cup sugar  
5 eggs - separated  
juice of one orange  
1 teaspoon baking powder  
Beat egg yolks. Add sugar and

beat until smooth, add orange juice. Mix well. Add flour and baking powder (that have been sifted three times). Fold in egg whites.

Fold in two nine-inch layer pans lined with waxed paper.

Bake at 325 degrees for 20 minutes. Put together with cream filling.

**CREAM FILLING**  
3 egg yolks  
3 tablespoons sugar  
Beat well. Add three table-

spoons cornstarch. Beat until light and creamy. Add two cups milk, 6 teaspoons vanilla. Cook on top of stove until thickened. Do not boil.

**CONTEST RULES**  
Favorite recipes should be submitted in time. They may be for hors d'oeuvres, soups, salads, meat or fish dishes, vegetables, casseroles, desserts, foreign or American delicacies.

Recipes that do not win the week they are submitted will be considered in subsequent weeks' contests.

A contestant may submit more than one entry.

If the same recipe is sent by more than one contestant, the one with the earliest postmark will be the winner. In the case of entries submitted in person at the Times-News Office, the date and hour will be noted on recipe when it is received.

One winner will be chosen each week and will receive a check for \$5. The winning recipe will be published each week in the Times-News.

Entries must be typewritten or written legibly and mailed or brought to the Belleville Times-News Recipe Contest Editor, 246 Washington Avenue, Belleville, N. J.

Members of The Times-News staff or members of their immediate families are not eligible.
