

Town Democratic Leader's Auto Burned... Bombed?

Arson experts of the Essex County Prosecutor's Office and the State Fire Underwriters continued to seek clues Tuesday in the destruction of an automobile early Sunday morning owned by Mrs. Mary Senatore, Town Democratic Committee chairman.

Burned Out Senatore Auto

The experts were attempting to determine the cause of the fiery blast which occurred at 3:30 a.m. Sunday, shortly after it was parked on the street next door to her home at 192 Passaic Avenue.

Police said all four windows of the 64 compact were blown out by the blast and the interior of the vehicle was completely gutted by the fire.

Deputy Police Chief Donald Smith, who led the early morning investigation, said "There was no indication a bomb had been planted in the vehicle." He said: "It is possible that intense heat from a fire blew out the windows."

Mrs. Senatore said she had just retired when she heard the blast. She looked out the window and saw her car in flames. Local firemen quickly doused the blaze.

The firemen found a soda pop bottle on the floor of the vehicle behind the front seat. Smith said the firemen found no smell of a fluid which could have been used to start the fire or trigger the explosion.

However, the arson experts were known to be double checking the bottle. The investigation is currently being conducted by the Prosecutor's Office, since

a complaint was filed with the Prosecutor by Mrs. Senatore.

Van Y. Clinton, first assistant county prosecutor, assigned arson investigator Patrick Graham to the case. Deputy Chief Smith called in Ralph Schreiber, a fire underwriters expert often consulted by area police departments.

Mrs. Senatore said Tuesday that the soda pop bottle found in her car did not belong to her. She said: "We live over the store and get our soda from downstairs we do not carry the bottles in the car and do not take empty bottles back for deposit."

Mrs. Senatore is presently engaged in what appears to be a struggle with two other elements of the local Democratic Party for Town Leadership. She is presently facing a contest with County Committee Bernard E. O'Connor for reelection to her post following the June 1 primary, and expects a challenge from the group headed last year by Town Councilman Robert E. Westpy, who last year tied Mrs. Senatore for the vote for leadership only to have Mrs. Senatore be appointed by County Democratic Chairman Dennis Carey.

Yesterday the final summations in a case involving

Mrs. Senatore's mother, Mrs. Jennie Vuono, and brother, Samuel, was heard in County Court by Judge Joseph G. Lyons. The Vuonos are contending that a change in the neighborhood zoning from business to residential was predicated upon a political basis.

TOWN AIDES STOP LIBEL PROBE

Council Withdraws Ordinances Creating Posts, Hiking Salaries

A battery of seven proposed ordinances were withdrawn from consideration by the Town Council at its meeting Monday night in Town Hall under a barrage of charges of patronage aimed at Mayor Nuncio R. Pico and Councilman Robert E. Westpy.

Among the proposed salary increases and new positions proposed by Manager John H. Burnett were the following:

1. Pay increases for the Superintendent of the Division of Signals, to that equivalent to that of a deputy chief of police and fire departments.
2. Pay increase for the Town Engineer to \$10,000.
3. Pay increase to \$7,000 for the Town Magistrate.
4. Creation of supervisory positions in the Department of Public Works of a foreman in the Division of Streets and Sewers; a foreman in the Recreation Maintenance Division; a supervisor in the Division of Water Meter Readers, with all salaries set at \$6,800 annually.
5. Pay increase for the Water Division foreman from \$6,250 to \$6,800.
6. Creation of the title of Assistant Superintendent of the Signal Division with a salary equivalent to that of a captain in the fire and police departments.

Councilman James R. Golden, who had battled with the Manager and Councilman Westpy and William H. Cullen earlier in the meeting led the protest against the ordinances.

Golden charged that the Mayor's brother was to be appointed foreman of the Recreation Maintenance Department, and Westpy's brother assistant superintendent of the signal division. He said the jobs were not needed and said Burnett was not serving the best interests of the Town but voters and the councilmen. He said if the jobs were necessary they should be put up for a Civil Service examination, not filled by appointment of the manager.

Councilman Westpy asked Golden why he was making all the charges when the Council had decided Thursday night to withdraw the ordinances for further study. Golden said he wanted to keep the public informed.

Town Critic Mrs. Joan Barnes said "If we have now reached the point that each board member must go over each book purchased, there's no point in my wasting any time in this," stated Burnett.

At the same meeting the board charged a plumbing contractor for the expense of excavating a facility sewer line at the high school site.

By a 5-1-1 vote, the board turned Durke's request for a \$2,000 contingency item for book purchases from a \$30,000 appropriation for requisitioned replacement books. John B. Di Rienzo, an investigation of such cafeteria losses. "With so much free surplus food available, why has the cafeteria lost \$1,800 this year?" he asked. Board president Ernest Arvidson said he would confer with the cafeteria manager about the red ink in the books.

Board members Nicholas S. Giuliano and Dr. Frank Di Rugiero complained that Durke

Demos in Battle for Designation; 91 on Ballot for June 1 Primary

Town Clerk Eugene "Cappy" Barnett is in the middle of another legal skirmish concerning the regular party designation brought on by the battle for control of the Town Democratic party between incumbent Town Committee Chairman Mrs. Mary V. Senatore and Committee member Bernard E. O'Connor.

By virtue of a decision issued and upheld last year as to first come, first served, Barnett granted the Regular Democratic Organization designation for the state filed by the O'Connor team.

Mrs. Senatore challenged his decision and accompanied by her attorney, Nicholas R. Amato of the Newark law firm of Mead, Gleason, Haisan and Pantano, met with Barnett and Town Attorney Charles B. Tedesco Tuesday night.

Good Schools Stem from Democratic Climate, Says Dr. Durkee

(This week Dr. Frank M. Durkee, Superintendent of Schools, was asked to submit an article evaluating the local school system. The article follows.)

By DR. FRANK M. DURKEE
Belleville schools are moving ahead. They are better today than ever before. This fortunate situation exists because of the development of a democratic climate that fosters progress.

My predecessor brought to the most interested teachers and principals to study in workshops ways of producing better education in Belleville. When I came upon the scene in 1962, I worked with the workshop program and expanded it to include all personnel in its various activities.

Within these various workshops, by research, use of experts from Columbia University, and discussion, teachers developed a strong awareness of what was needed and could be done in Belleville. Their ideas came up as the assistant superintendent and the superintendent and were implemented in improvements in curriculum and teaching. This workshop program continues today and it gives every person in the school system an opportunity to share in and to take responsibility for progress. This effective and intelligent use of the democratic process has had my support and leadership.

Part of the democratic climate of the school system is the Belleville Education Association to which all professional personnel belong, including principals and superintendent. This organization has its own officers and is concerned about all school-system matters. It makes its own decisions. It is independent of both the superintendent and the board of education.

On March 19, the teacher protest day, the Superintendent did not take a protest day. He worked a full day and carried out the duties of his office. He has been loyal to the best interests of all the people of Belleville without being disloyal to the Belleville Education Association.

Use of Democratic Process
How does the teacher make democracy work in the classroom? He recognizes individual differences and tries to meet the needs of each child. He shows respect for the personality of each child and tries to help him achieve his best self-development. He uses the group situation to provide maximum participation for each child, encourages inter-

action, self-evaluation, and the taking of responsibility for the learning, the welfare of the class, the school, and the community. He never forgets that, "Children learn by doing." But, while the children are learning to make democracy work in the classroom, the teacher does not abdicate and let chaos take over. He maintains a firm hand on the reins and relaxes the reins as children show they can act more and more democratically in a responsible manner.

Unico Will Honor Rev. Pascale Saturday as Outstanding Citizen

Belleville Chapter of UNICO National will present the outstanding Citizen of Belleville Award for 1965 to Rev. Benedetto Pascale at their ninth annual scholarship dinner and dance to be held Saturday evening at The Chanticleer, Millburn.

The Reverend Mr. Pascale was born in Italy in 1892. He attended elementary and secondary schools before coming to the United States in 1909. He entered the Theological Seminary of Colgate University and as a student, he did practical missionary work in such places as Pleasant Valley, Mass., Brooklyn, N. Y., and Detroit, Mich.

In 1914 while still in the Seminary, he accepted a call to start a bi-lingual Church amid the Italian settlement in Silver Lake, Belleville, New Jersey. This was at the height of the Italian immigration to this country.

November 22, 1914 the present church was dedicated, with added facilities for languages and Americanization courses, and other social activities. He also opened a public playground for summer recreation.

In 1916 Reverend Pascale graduated from the Theological Seminary of Colgate University, and was ordained to the Baptist Ministry. He continued his studies in Bloomfield College & Seminary as a special student; specializing in church history which he later taught, at the International Baptist Seminary in East Orange, N. J.

Cherry Blossoms Blooming

Essex County's famous cherry blossom display should be out in full bloom this weekend. The displays here date back to 1927 when 180 Japanese Cherry trees were planted in Branch Brook Park near the Heller Parkway. The first trees were part of a gift presented by the Essex County Park Commission by Mrs. Felix Fuld.

From this start has grown the fabulous blossom display which now features over 2,000 trees made up of 20 varieties within the two broad groups of single and double blossom Japanese Cherry Trees.

Over the years, planting of these trees has been extended to Weequahic, Orange, Verona and Ivy Hill Parks, and though none of these compares in size to Branch Brook, their blossoms still are quite exquisite.

Visitors may find pleasure identifying the more outstanding varieties of trees in the display. The species "subhirtella" known as the Higan Cherry, blooms about the same time as Forsythia, and has pale

pink blossoms in great profusion which fade with age to white. The Yoshino Cherry (*Prunus yodensis*) with large white flowers, and the Sargents Cherry with distinctive pink blossoms and purplish colored leaves, follow in quick succession.

Later, the double flowering forms appear, bearing such notable names as the Kwanzan (most popular of the double pink), Shirotae (best of the double white), Fugenzo, Amanogawa and Gyoiki (a slow grower with flowers of a greenish or yellowish hue).

All indications today point to an excellent showing during this coming weekend. However, the greatest traffic congestion occurs on weekends and our suggestion is that visitors be planned on weekdays whenever possible. Night lighting of the main display in Branch Brook Park is provided from dusk to 10:30 p.m.

Whenever you go, the beauty will be there to provide what ought to be a memorable experience — especially if this will be your first visit.

A Guest Editorial: Humane Sunday

The 51st national BE KIND TO ANIMALS WEEK will be observed, starting with Humane Sunday, May 2, 1965.

Mankind, from the beginning of time, has had a deep concern for animals. The Bible refers to the beasts of the field, the fowl of the air and the fish of the sea. The Scriptures remind us that "A righteous man regardeth the life of his beast." Many churches will include special kindness themes in their sermons.

Humane Sunday was initiated in 1915 to stress kindness toward children and ani-

mals — "to remember the helpless with kindness, compassion, and defense."

This is BE KIND TO ANIMALS WEEK... a good time to support the Nutley Animal Welfare League. Our community needs their services... and they need our support.

Our townspeople are invited to call the League and see the many animals available for adoption to good homes.

Mrs. Elizabeth Parsons, President
Nutley Animal Welfare League

official decision until he could check the law further Wednesday morning.

Late Wednesday Barnett said he and Tedesco had checked the law and he was still holding his decision as to whether to resign the Senate ticket or not. He said he would advise Mrs. Senatore as to his decision later in the day.

STUDENTS TO BUILD HOUSES IN HONDURAS

To The Editor, Times-News: Students from Seton Hall University, both the South Orange and Newark campuses, will spend their Summer vacation working in Mexico, Honduras and in Greenwood, Miss.

I am sending you this information in hopes that you will be kind enough to enter it into your newspaper, thereby giving the Summer Work Project some needed publicity. We students are financing all three projects.

I am a resident of Belleville, 15 Liberty Ave., and will be one of four students from the South Orange Campus, who will leave for Honduras on June 7th. We will remain there until August 7th, during which time we will construct ten pre-fabricated homes, for the poor home-less residents, who have been living in lean-tos and the like.

Three priests from the Archdiocese of Newark have set up a parish amongst these people, and it is with the priests and two Peace Corps Volunteers that we will be working. The padres admit that at times it is disheartening to preach the word of God to those whose prime concern, right now, is to live in a house that has a roof and windows.

I sincerely appreciate any help you may be able to afford us.

Cordially yours,
Edwin J. Murphy

FORMER RESIDENTS THANKS ARC FOR BLOOD

To The Editor, Times-News: This letter is from a former resident, now retired and living in Florida and we thought it would be of interest and also help in our blood recruitment.

Miss Marjorie L. Leully, Executive Director, ARC Dear Mr. Leully:

I want to thank you for your kindness in making possible the release of 5 pints of blood from the account of the Craftsman's Club to the Palm Beach County Blood Bank for the account of Howard A. Holmes. This closes my account with the bank and all 26 pints of blood used during his illness have now been replaced. Five pints were received from the blood bank of the firm where he worked so many years in New York and were made available by the New York Chapter of the American Red Cross. Six pints were made available by the Los Angeles Chapter of the American Red Cross — this was blood which his son had donated to the Red Cross in California and for which he had credit.

Your Chapter made available five pints. Our Church here in Lake Worth has a blood bank and released seven pints to us and the other three pints were given by friends and neighbors here locally.

It was a great comfort to me to know that the blood was available when it was needed. It is just too bad that they have not yet found a cure for leukemia. We can only hope and pray that some day such a cure will be discovered. I think this is a wonderful example of how the blood program works throughout the entire nation and it certainly was a wonderful thing for us to know the blood was available when we needed it. I wish you continued success in your work with the blood program.

Once again, thank you so much. Sincerely,
Mrs. Howard A. Holmes

FIREMEN POLICE LAUDED BY READER

To The Editor, Times-News: Since last October I have been meaning to write a letter thanking the Belleville Firemen for the service they gave us. At the time I was so involved in the care of Mother Eleanor that the letter was not written.

Last October the furnace repairman was working on our oil burner. Suddenly he called me and asked that I call the Fire Department. I dialed the fire house and started to call my husband. I hardly finished dialing when I heard the engine coming. What a glorious sound those sirens were! Knowing they were coming to help me, made me feel quite ashamed for my past thinking they merely enjoyed ringing their bells and sirens.

The firemen worked so efficiently and quietly that the very thing was quickly under control.

I now appreciate our firemen more than ever and want to take this means of thanking them publicly. Knowing our firemen are ready to respond in seconds makes me feel a little safer.

I have also had the opportunity as a Red Cross Home Service Volunteer to work with the Belleville police. No matter what time of the day or night they are called upon, I have yet to find anything but courteous and efficient service.

So let's take off our hats to the public employees who serve us so well!

POLICE FIREMEN PAID ON RESPONSE

To The Editor, Times-News: Gentlemen:

Here is an open letter for the Belleville police in which I wish to convey our thanks for their quick action when I called them to give my husband oxygen when he needed it.

I have called the Belleville police several times in the last couple of months and they responded very fast.

Belleville should be proud of its police and fire departments. The Fire Department also responded quickly when I needed them. I didn't get their names, but thanks to all of them.

Yours Sincerely,
Mr. and Mrs. Wm. S. Fisher

JULIANO REPLIES TO CRITICS

To The Editor, Times-News: It would be extremely difficult to follow the incoherent points advanced by the self-styled Chairman of the CCAAC Committee, if one truly exists, and her mentor which appeared in your last issue. The influences, the allegations, the innuendos and the irrelevances confirm the attempt to confuse rather than convince anyone with facts. She is well aware of one specific instance of "loose and careless

practices" under the unchecked concentration of power under a single administrator. I refer to the employment of her husband by the chief administrator without prior Board authorization, or specific budget appropriations for that purpose. When this unilateral act was discovered the Board promptly terminated her husband's employment. Is this the type of administration she is asking unsuspecting citizens to support or return to?

"In the name of fair play," Mr. Crisp failed to mention that no action to curb the unrestricted power abused by the Superintendent was taken until October, 1963, when his constant abuses could no longer be countenanced. Mr. Crisp is well aware of the importance of considering "personality" as an important factor in personnel recruitment. This characteristic contributes greatly to the success or failure of any individual and above all, of leaders. "A vendetta" exists only in the mind of the Superintendent as a poor excuse for his ineptness. Effective corrections cannot be instituted by acknowledging in private the shortcomings of the educational leader while

BECK'S COLUMN

By MAX BECK
Just about every second customer, three days, inquires about color TV, which finally took off like the proverbial rocket. One reason for the widespread interest, of course, are the lower prices. As we stated in this column a couple of years ago, we expected this development. Mass production makes lower prices possible. The sets in plain metal cabinets can be bought for about \$75, which is a far cry from the starting price of \$1100. — for a small screen set 11 years ago. As a rule, there is an additional charge for the set up for local conditions and for a service contract, if such is desired.

Many people are not aware of the need for a good antenna for a color set. In order to get the proper color rendition, a clear, strong signal is required. This is rarely available from so-called rabbit ears unless you live in a high house without obstructions in front and in the rear. In most cases, an outside or attic antenna is required, depending on the location. We use several antennas of different design, most of which we modify for our local conditions. This is generally not done. However, we are "at it" (color TV that is) now for 11 years and our technicians are real experts, who do not settle for anything but the best for our customers. In addition to the modifications on manufacturer's antennas, we also over the years have developed and built our own color set equipment for greater accuracy and efficiency.

No doubt you have seen color TV sets in stores which did not perform properly, because they were not set up right. If you want to see a color set the way it should be, please come in the store and have a look. Make sure to come at a time when there is a color broadcast on. This will allow you to see in any time, because we expect to have a majority of programs from state stations in color all the time.

We service what you sell. Beck's Radio, TV, Hi-Fi, Nudley 667-2275

MRS. ROBERT SHAFER, JR.
Former Jean F. Millman

Jean F. Millman, Nurse, Marries Robert Shafer, Jr.

The marriage of Miss Jean F. Millman, daughter of Mr. and Mrs. Thomas Millman of 488 White Street, Orange, to Robert J. Shafer, Jr., son of Mr. and Mrs. Robert J. Shafer, Sr., of 73 Belmont Street, Belleville, took place Saturday morning, April 24, in St. Rose of Lima R. C. Church, Newark.

The Rev. George Keating performed the ceremony, which was followed by a reception at Rock Spring Corral, West Orange.

Given in marriage by her father, the bride wore a gown of taffeta and Alencon lace fashion, with halter neckline, long sleeves and fitted bodice. The bell-shaped skirt, featuring front panel of lace, swept into a scalloped train.

A headpiece of small taffeta leaves, lace and seed pearls held her auburn length veil, and she carried a cascade of baby roses and stephanotis.

The bride's sister, Mrs. John Dalton of Whittier, Calif., was matron of honor. Bridesmaids included Mrs. Joseph Galabrese of Newark, the Misses Margaret and Sheila Millman of West Orange, cousins of the bride, and the Misses Bernadette and Betty Ann Shafer of Belleville, the bridegroom's sisters.

Their gowns of seersucker green featured lace bodices with cap sleeves, and floor length chiffon sheath skirts topped with a tulle train. The empire waisting. They wore satin pearl headpieces and carried yellow roses.

Serving as best man was Joseph Bradley, Jr., of Belmar. Ushers were Joseph Galabrese of Newark, James Cozzarelli, Jr., of Belleville, John Keenan, Jr., of Nutley and Joseph Millanitis of Kearny.

The mother of the bride wore a cocktail length gown styled with embroidered bodice and crepe sheath skirt. The bridegroom's mother was attired in light blue pearl de sole with Schiffler embroidered jacket. Both wore matching accessories and corsages of talisman roses.

A graduate of St. Mary's Hospital School of Nursing, Orange, and the bride is employed at Clara Maass Memorial Hospital, Belleville. The bridegroom, a graduate of Newark State College, Union

Chapel At MIT Is Setting For Densler-Bond Nuptials

In an afternoon ceremony in Massachusetts Institute of Technology Chapel, Cambridge, Mass., the marriage of Miss Gail Bond to John P. Densler was solemnized on Saturday, April 17.

Dr. Jack Mendelsohn of Arlington Street Church, Boston, performed the ceremony, and Mrs. Richard Bouby of Basking Ridge sang, with Dr. William F. Searles of First Parish Unitarian Church of Cambridge, at the organ. The reception followed at the MIT Faculty Club.

The bride is the daughter of Mr. and Mrs. James Robinson Bond of 711 Dunellen Avenue, Dunellen; the bridegroom is the son of Mr. and Mrs. John Christopher Densler of 214 Overlook Avenue, Belleville.

Mr. Bond gave his daughter in marriage. She wore a full length empire style gown of lace design, in silk tulle over tulle with bodice and Watteau train applied with Chantilly lace.

A French silk illusion veil fell from a tiara of Chantilly lace outlined with seed pearls. She carried white sweetheart roses and stephanotis.

Miss Shirley Peterson of New York City was the bride's only attendant. She was dressed in an empire-style full-length gown of spring green silk and carried a bouquet of yellow sweetheart roses and white miniature carnations.

Robert Densler of Belleville was his brother's best man. Ushers were James A. Bond of Boston, the bride's brother, and Geoffrey Hill of Bedford, Mass.

A yellow silk ensemble was worn by the mother of the bride, with a corsage of yellow and white sweetheart roses. The bridegroom's mother chose a beige lace dress with corsage of pink sweetheart roses.

The bride was graduated from the College of Wooster, Ohio, and received her Master's degree from Harvard University. She is presently an act consultant with the Newton Public School System, Newton, Mass.

Mr. Densler received his Bachelor's and Master's degrees from Worcester Polytechnic Institute, Worcester, Mass. A First Lieutenant in the U. S. Army Reserve, he is a technical engineer with Lincoln Laboratory of Massachusetts Institute of Technology.

Mr. and Mrs. Densler will make their home at 47 Inman Street, Cambridge, Mass., when they return from a wedding trip to Puerto Rico.

Two Grandchildren Arrive Same Day For Hennessys

Mr. and Mrs. Patrick Hennessy of 337 Franklin Avenue, Belleville, became grandparents twice in the same day last week, when their daughters gave birth to a new grandson and a granddaughter at St. Michael's Hospital, Newark.

The Hennessys' daughter, Maureen, Mrs. Frank Gately of 242 Orient Way, Lyndhurst, had her first baby, a daughter, Ellen, Wednesday morning, April 21 at 6:30 a.m. and her sister, Patricia, Mrs. Vincent Fortunato of 45 Kenzel Avenue, Nutley, delivered her sixth child, a son, Frank Andrew, at noon.

Both infants weighed in at eight pounds, two ounces, and both measured 20 inches in length. The same physician

brought both babies into the world.

Both sisters and their husbands are avid bowlers, particularly since Fortunato is part owner of Branch Brook Lanes, Belleville. Gately is a plumber with a Newark firm. Mrs. Gately and Mrs. Fortunato are natives of Belleville, and both were graduated from Our Lady of Good Counsel High School, Newark.

The Fortunato baby joins Vincent, Jr., eight; Karen, six; Do-reen, five; James, three, and John, 21 months.

Miss Yuhas will be married on June 20, at Holy Family R.C. Church, Nutley, to Michael J. Scudato, son of Mr. and Mrs. Michael Scudato, of 65 Van Riper Place, Belleville.

MRS. ARTHUR MORANO
Miss Judith Moncine

Honeymoon In Puerto Rico For The Arthur Moranos

Holy Family R. C. Church, Nutley, was the setting for the wedding of Miss Judith Moncine to Arthur Morano Sunday afternoon, April 25. The Rev. Michael Saltarelli officiated at the ceremony which was followed by a reception at Albert's in Hanover.

The bride is the daughter of Mrs. Francis Moncine of 72 Moore Place, Belleville, and the late Mr. Moncine; the bridegroom is the son of Mr. and Mrs. Dominick Morano of 13B Lovel Court, Nutley.

Given in marriage by her brother, Frank Moncine of Bloomfield, the bride was gown in a white crepe sheath with beaded bodice, scoop neckline and long sleeves. A chapel train fell from the empire waistline.

A hand of beaded crepe held her elbow length three-tier veil, and she carried a prayer book with orchids and roses.

Acting as matron of honor was Mrs. Anthony Celanano of Irvington. Bridesmaids included Mrs. Francis Moncine of Bloomfield, the bride's sister-in-law, and Miss Dolores Wilgan of Belleville. Their gowns of olive green crepe featured empire waists, floor length skirts and beige beaded jackets. The bride's attendant wore a beaded bow headpiece and carried two roses; the bridesmaids wore beaded hand pieces and carried yellow roses.

Best man for his brother was Donald Morano of Nutley. Ushers were James Rizzolo of Belleville and Anthony Celanano of Irvington. The bride's mother wore a pink chiffon sheath and the mother of the bridegroom was attired in a pink crepe sheath. Each had matching accessories and an orchid corsage.

Mrs. Morano attended Belleville High School and was graduated from Park Beauty School, Newark. She is employed by Nutley.

HAS DATE WITH DAD

Vincent Sorrentino of 118 Oak Terrace, Belleville, will attend the annual Date With Dad Day at Douglass College, New Brunswick, on Saturday. He will be the guest of his daughter, Rosemarie, a freshman at Douglass, at the all-day program of events which will end with a grand ball Saturday evening. Rosemarie is a Belleville High School graduate.

Four Sisters Attendants At Wedding Of Miss Alexander To Richard Semos

Miss Helen Ann Alexander, daughter of Mr. and Mrs. Stanley Alexander of 39 Walnut Street, Belleville, and Richard D. Semos, son of Mr. and Mrs. Thomas Semos of 100 Chestnut Street, West Orange, were united in marriage Saturday afternoon, April 24, in St. Peter's R.C. Church, Belleville.

The Rev. John Glechrist of St. Cecilia's R. C. Church, Kearny, a cousin of the bride, performed the ceremony. The reception was held at Branch Brook Manor, Belleville.

Mr. Alexander gave his daughter in marriage. Her white silk organza floor length gown was designed with oval neckline and short sleeves with lace insets. The empire style fitted bodice was accented with lace midriff, and the bell-shaped skirt, banded with lace, featured a court train.

A headpiece of lace petals and crushed roses was attached to her bouffant shoulder length veil, and she carried a bouquet of white orchids.

The bride's four sisters were her attendants. Miss Joyce Alexander as maid of honor, and Donna, Maureen and Rita as bridesmaids. The honor attendant wore a floor length gown of silk shantung in a combination of rose and pink, fashioned with scoop neckline and three quarter length sleeves. She had a hat of pink flowers and carried a bouquet of pink roses.

The bridesmaids were similarly attired in pink and rose, with rose colored flowered hats and bouquets of pink roses.

The bridegroom's brother, Robert Semos, was best man. Ushers were Bruce and William Alexander, the bride's brother, and Thomas Michaels of Livingston. Another brother, John Alexander, was junior usher.

Mr. Alexander was attired in a floor length peacock blue silk crepe gown trimmed with blue sequins and Mrs. Semos chose a floor length gown in tangerine linen trimmed with shaded petals. Both had matching accessories and corsages of white orchids.

The bride is a Belleville High School graduate. The bridegroom, a graduate of New York School of Printing, served in the U.S. Navy for two years on active duty, and was a member of the Navy Reserves for four years. He is associated with Marion Press, Orange.

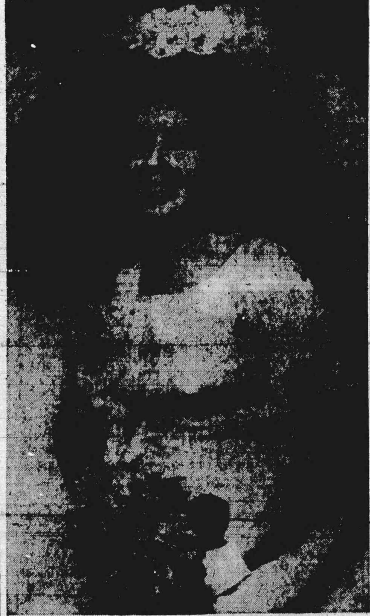

The couple will reside at 98 Sanford Avenue, Belleville, when they return from a wedding trip to Miami, Florida.

SHOW STOPPERS: Teen-age dancers in St. Mary's Theatre, Guild show, "A la Carte" which opens tonight for a four-night run.

It's Opening Night Tonight For St. Mary's Guild Show

"A la Carte", two-act musical variety show, will be presented by St. Mary's Theatre Guild, Nutley, tonight, Thursday, through Sunday evening, May 2, in St. Mary's School auditorium. The sixth annual show is being directed by Joseph P. Hayes of New York, and will feature a cast of more than 100 adults and teen-agers.

Highlighting the show will be a gala circus scene featuring tumbler, clowns, a tightrope walker and the entire cast, with Ed Burke as the clown, and Dave Liddell, ringmaster. Other outstanding numbers will include a scene from the hit motion picture, "Mary Poppins" with the entire sixth grade class at St. Mary's taking part.

Soloists will include Sue Donatello, Jack Clayton, Pat Carbone, Gary Vanderbilt, Alice Burke, Ron Michels, Ed Burke, Gary Vanderbilt, Jr., Ida Palmisano, Jim Adams, Ann Faeder, Marie Moscaro, Eleanor Caprio, Terry Clark, Gene McCormack, Rose Quinn and George and Maria MacMunn.

Several skits will be presented during the show, with the casts

include (l-r) Pat Cafone, Sue Chastain, Wayne Ronkiewicz, Julie Kramer, Jerry Rotunda and Marguerite Ward.

including Gary Vanderbilt, Jerry Wakeham, Maria MacMunn, Ed Burke, Ann Faeder, Tom Vickers, Frances Kramer, George MacMunn and Jack Clayton.

Featured roles will be played by Paul Bowles, Bill Reeves, Julie Kramer, Barbara Geisen, Hal McCallum and Donna Klos.

SPRING DANCE SET

The Single Protestants Club of Essex County will hold its Spring Open - House Dance Friday, April 30, at 9:30 p.m. at the Church of the Advent, 15 Williams Street, Bloomfield. Single adults, ages 22 to 35, may attend. John Hausher of 196 Alexander Avenue, Nutley, may be contacted for information.

Rabbi Cohen Will Address Council

Rabbi Victor Cohen, spiritual leader of Congregation Ahavath Achim, will address the May meeting of the Belleville Community Welfare Council on the topic, "Impressions of Eight Years in Belleville." This session will take place on Monday, May 3rd, at 8:15 p.m. at the DeWitt Savings and Loan Association, 463 Washington Avenue.

Rabbi Cohen, who is leaving Belleville within a few months, came here from Greenfield, Mass. He is affiliated with the United Synagogue of America. His wife is a remedial reading teacher in the Belleville schools. The Cohens have three children.

'OLD SOLDIER'S' PHILOSOPHY:

Moderation, Secret of Longevity

By BARBARA GAGNON

Affectionately called "the old soldier" by William F. "Doc" Hood of Belleville, Herman W. Krasowski of 15 Smallwood Avenue, Belleville, is indeed a soldier, and in more ways than just his service record indicates. He served his country in the Spanish-American War, he overcame prejudice by serving with the Newark Police Department as the first German interpreter and with great courage is still recovering from a stroke suffered in 1962. Throughout all of his experiences, he has been rewarded with many friends.

Born in Danzig, Germany, on March 13, 1878, he came to America with his parents in 1888 and settled in the "Down Neck" section of Newark. Life was fairly uneventful until the age of 21, he enlisted in the Army dur-

ing the Spanish-American War, serving in three outfits: the 28th Infantry, the 4th Regiment and the 1st New Jersey Regiment (which "Doc" Hood served). He was stationed for over a year in the Philippines and returned with humor the time it was so hot he just had to take a swim in the nearby stream. So intent was he in enjoying the water, he failed to notice that the stream was the home of a large family of crocodiles; however, he managed to get out "with the seat of his pants."

Because of his duty overseas, he has been a member of the Veterans of Foreign Wars for 50 years, serving as Post Commander of the Charles Cushing Post 14 in Newark.

After his tour of duty ended, he returned to Newark and on the advice of friends, applied for a position with the Newark Police Department.

He laughingly recalled the time when as a "rookie" he caught a bandit escaping from a holdup. He started to give a warning shot but his gun jammed so he threw the gun, hitting the mug in the back of the head—thus adding a capture to his record.

RETIRES IN 1943: In 1943 at the age of 65, he retired from the third precinct as a Police Lieutenant. Looking back, he remembers a couple of close shaves, but "crime was a lot milder then—nothing horrible like today," he commented.

A prisoner of the Trinity Cathedral in Newark, he became a member of St. Cecile Lodge F. & A. M. 193 in 1916 and served as secretary for 30 years. He is anxiously awaiting his 50-year Masonic button. He is also a member of the Police Officers Club which consists of members of the police force who are members of the Masonic Order.

After the death of his wife Sadie, he came to Belleville to live with his daughter Edna (Mrs. Adam Malley), Assistant Purchasing Agent for Clara Maass Memorial Hospital, Belleville. Shortly after moving here, he joined the Belleville Senior Citizens Club and at the first meeting, asked if anyone had served in the Spanish-American War. "Doc" Hood proudly stood up. When both discovered they had served in the same regiment, they became good friends and spent lots of time discussing "the good old days."

In December 1962, he suffered a stroke which affected his right side and necessitated a five-week stay in Clara Maass Hospital.

Since he is still not able to move about without help, he spends his time watching TV, reading the newspapers and writing to his buddies. He particularly looks forward to the Belleville

HERMAN W. KRASOWSKI

Times - News to see what is going on in town but he won't comment on town politics as he feels he is a newcomer and might "put his foot in it."

Every year, he looks forward to planning his big birthday celebration which is attended by over 200 friends and members of his family (he also has another daughter Edith of Newark and son Warren of Medford Lakes and three grandchildren).

Tall (6'2") with fine white hair and a mustache, at the age of 87 he is still ramrod straight with the old world stately bearing of a soldier. He said that he felt "the secret of good living was anything in moderation." A cigar smoker till he was 70, he thinks a glass of beer refreshes him, a martini improves his appetite and a drink of whiskey makes him sleep.

His fondest dream is to reach the age of 90 and with the will of the Lord and the love and devotion of his family and friends, he is sure he will make it.

COUNCIL PLANS LUNCHEON

The Belleville Council of Church Women will hold their annual May Fellowship Luncheon on Friday, May 7, at Silver Lake Baptist Church, 168 Franklin Street at 12:30 p.m. Home made lasagna will be served. Installation of officers will follow.

LOOKING OVER prize-winning entry in N.J. State Federation of Women's Club's recent pressbook competition, are Mrs. John G. Young, publicity chairman of the Belleville Woman's Club, seated left, and Mrs. Edward A. Rochau, immediate past president of the club.

Standing (l-r) are Mrs. Floyd M. Haring, first prize winner in art competition, and Mrs. Maurice R. Welch, who received honorable mention in oils. Their entries stand on fireplace behind them.

Woman's Club Top Winner In Pressbook Competition

First prize for newspaper competition on the basis of quality of entries during the past year was awarded to the Woman's Club of Belleville, at the Spring Conference of the Eighth District of the State Federation of Women's Clubs, at the Casino on the Park, Lincoln Park, Jersey City, on Wednesday, April 23rd.

The Local club's winning entry, in the weekly newspaper category, was prepared by Mrs. John G. Young, who for the past year has acted as publicity chairman of the Belleville club.

Mrs. Floyd Haring, Northern Vice Chairman of Art, and American Home chairman, of the Local club, was awarded first prize in water colors. Mrs. Maurice Welch, clubhouse trustee, won honorable mention in oils.

Twenty-five clubs from Essex, Hudson, Bergen, and Passaic counties participated in the various contests.

Certificates of merit were given to the Belleville club for its prize entries, which will now be entered, together with other winning entries from other districts in a state-wide contest during the annual State Convention of New Jersey Women's Clubs, May 11 to 14 at Atlantic City.

A three-member panel of judges, including Mrs. Rita Da- ce, social editor of The Belleville Times - News, judged the

entries on the basis of quality of entries during the past year and on the extent to which they served to publicize the activities of local clubs and the State and General Federation of Women's Clubs.

Mrs. Charles R. Haight, eighth District Music Chairman, and Fine Arts Chairman of the local club, opened the afternoon session, with singing the "Collected."

Mrs. Robert W. Matlies, eighth District Vice President presided over the meeting.

Members from the Belleville club attending the conference were Mrs. Edward Rochau, immediate past president of the local club; Mrs. Haring; Mrs. Welch; Mrs. Lorena Clark; Mrs. David Parry; Mrs. Percy Hall; Mrs. Albert Cooper, newly elected president; Mrs. Haight, and Mrs. William Kropp, newly elected first vice president.

IN INADEQUATE CHILD

A visually inadequate child is defined as "any child who cannot handle the visual world in which he finds himself." The New Jersey Optometric Association reminds you that this condition may arise from two causes: (1) A defect in his ocular equipment, or (2) Some lack of learning in his vision education.

FREE RABIES VACCINATION CLINIC

FOR ALL DOGS TO BEGIN

MAY 10th AT

WASHINGTON AVENUE FIREHOUSE

Health Officer Dr. G. Ram announces that the Belleville Health Department will hold its annual free rabies vaccination clinics at the following places and dates:

May 10th—Washington Ave. Firehouse 6-8 P.M.

May 11th—Silver Lake Franklin St. Firehouse 6-8 P.M.

May 12th—Town Hall, rear 6-8 P.M.

According to information received by the local health authorities from the State Department of Health, New Jersey has not had a case of rabies in humans since 1955, and very few cases of verifiable rabies in dogs during this period.

Health Officials and specialists in animal diseases transmissible to a man, say this is the result of widespread immunization of dogs. They also say that uncared for dogs, which are not immunized constitute a potential reservoir of infection.

A case of rabies among dogs would spread quickly, and from them to cared for pets which have not been immunized against the disease.

The Health Department urged that all dog owners, in order to protect residents of the Town, bring their dogs to be vaccinated with anti rabies vaccine at the free clinic, at the time and places above designated.

All dogs must be accompanied by adults.

St. Peter's Rosary Plans Layette Shower For Needy

St. Peter's Rosary Confraternity will hold its post-Easter meeting on Monday, May 3, after Novena devotions, in the school cafeteria.

The theme of the meeting will be a layette shower of new or serviceable of used clothing for the unfortunate children in our own country and those of the rest of the world. The theme has been suggested by the National Council of Catholic Women.

In order to brighten the surroundings, the committee is asking members to wrap their packages, whether it be an under shirt, a half dozen diapers, or a blanket for the president, Mrs. Robert Palumbo, to open the Layette committee is headed by Mrs. Robert Conway, assisted by Mrs. Ralph Cueman, Mrs. Bart Donachie, Mrs. Livio Cocco, Mrs. Martin Hanley and Mrs. Albie Perry.

A trip is being planned for Saturday, May 22, to the Smithville Inn for the Sisters of St. Peter's. In order to cover the expenses, a cake sale is being held on May 2. Reservations will be taken for the trip at the May Rosary meeting.

If by chance you pour too much salt in soup, add a couple pinches of brown sugar; it will overcome the salt without sweetening the soup.

AT JAPANESE NUPTIALS
Guests at a Japanese wedding in New York City, Mr. and Mrs. Vincent Marchese of 33 Wilson Place, report it was both interesting and thoroughly enjoyable. After a Baptism ceremony conducted in Japanese, a reception was held in the Nippon Club where a buffet dinner was served.

Besides plenty of champagne, about 25 different rice dishes and a variety of rice cakes were offered, including rice cakes wrapped in seaweed. While forks could be used, most of the 40 guests, including Marchese, used chopsticks (at which we understand he is quite proficient).

The bridegroom, "Casey" Suzuki of Indonesia, met his bride who is from Kyoto, Japan, at a Japanese Tea Ceremony held in Bamberger's last year. Suzuki is in the import division of Noritaki China, and Marchese is a salesman for Noritaki.

The members of the pre-USY (United Synagogue Youth) from the Belleville and Kearny Temples were kept busy traveling during the vacation holidays. On April 20, they visited New York City, lunching in Central Park, visiting the zoo and seeing "The Sound of Music" at the Rivoli Theatre. On April 22, they journeyed to Philadelphia to visit the Franklin Institute.

Those from Belleville taking in all the activities were Celia Belin, Ellen Panansky, Carol Sosin, Seth Kuzman, Bobby Robbins, Norman Taffet and the Krone Triplets, who were visiting from Livingston.

The children on White Oak Terrace had a special treat on April 19, when Dan DeNino of 132 White Oak Terrace played "Easter bunny" and held his own Easter egg hunt in a vacant lot nearby. Fifteen excited children raced about looking for eggs. DeNino had prizes for all — money, a chocolate bunny and jelly beans. All neighborhoods should have an "Easter bunny" like DeNino.

Mr. and Mrs. Joseph Riley of 41 Lloyd Place attended the Bazo Humble Dealers meeting held April 14 and 15 at the Concord on Lake Kiamasha, Upper State New York.

While the men attended to business, (Riley owns Riley's Exo Service center on Belleville Avenue) the ladies were entertained with a tour of the 22 acres surrounding the Concord, and a cocktail party and dinner dance for 1200 people, with entertainment by the comedy team of Allen and Rossi, climaxed a perfect trip.

Ila Moore Earns Leadership Award

Ila Moore, 88 Rossmore Place, Belleville, will be among 38 Rutgers Newark evening students who will receive awards for leadership in student activities this Saturday at the Eleventh Annual University College Day at New Brunswick.

The 38 are receiving keys and certificates in recognition of accumulating high points while serving as class and club officers and as editors of the student publications, The Evening Collegian, Scarlet Knight, and Untitled.

A total of 113 awards will be presented to evening students from the Camden, Jersey City, New Brunswick, and Paterson centers, as well as from the Newark Division at the ceremonies. The awards are part of an annual program which brings all of the State University's evening students and faculty members to the New Brunswick campus.

Saturday's program begins at 2:00 p.m. with the Honor Society inductions in the New Dining Hall. At 4:00 p.m. a tea dance is scheduled in the Lodge, with the Student Awards Dinner taking place at 6:30 p.m. in the New Dining Hall.

Tree Dedication

Set for Clara Maass

Clara Louise Maass, a native of East Orange, N.J., will be honored during ceremonies at the Clara Maass Memorial Hospital School of Nursing grounds tomorrow.

The City Council of East Orange voted to dedicate a Red Oak Tree to the memory of Clara Maass on Arbor Day tomorrow. The ceremonies are scheduled to start at 2 p.m. and will last about 1 hour.

Belleville's Mayor Pico, Mayor Kelly of East Orange and Pastor Arthur Herbert will be principal speakers during the plaque and tree dedication.

County PTAs Spring Meet Slated May 4

The committee for the Spring County Council meeting of the Essex County Council of PTAs met recently at the home of Mrs. Daniel A. Mc Carthy, chairman.

Attending were Mrs. George Brown, President, ex-officio; Mrs. Fred Traettino of West Orange, Mrs. Richard Kovach, Verona, Mrs. Patrick Clark, Irvington, Mrs. Herbert Tucker, Belleville.

Plans for the annual meeting on Tuesday, May 4 have now been completed. Dr. William S. Twitchell, Essex County Superintendent of Schools, Dr. Frank M. Durkee, Belleville Superintendent of Schools, Raymond Smith, Principal, Belleville Senior High and Mrs. Mc Carthy will welcome the 108 local PTA units to the meeting.

Mrs. G. Brown will preside and conduct the business of the meeting which includes the nomination and election of officers.

The speakers will be Dr. W. Twitchell, who will speak on the Progress of County Colleges, George T. Bavel, Director of Union County Vocational and Technical Schools who will speak on the future needs of technical students.

Dr. Ellis F. White, Professor N.Y.U. and Dr. Michael B. Gilligan, President of Jersey City State Teachers College will discuss the Governor's Report of the Committee for High Education. This latter subject should prove of interest to many Belleville parents as it concerns the future development of college facilities in our state and the suggested methods of controlling same.

Belleville PTA presidents and members will serve as hostesses for the meeting which begins with 9:30 a.m. registration.

DEBORAH CONTRIBUTION — Mayor Nuncio R. Pico is shown as he made the first contribution to the Deborah Hospital tag week drive. Watching are Mrs. A. Casale and Mrs. Eleanor Kelemen, of the Belleville Chapter. Sitting on the Mayor's knee is Mrs. Casale's daughter, Dona (cq) 3 years old.

Tag Week Set May 3-9 by Hospital Unit

Tag Week will be conducted in Belleville and Nutley from May 3 through May 9 by the Belleville Chapter of Deborah to raise funds to support Deborah Hospital in Browns Mills, N.J. Deborah, a non-sectarian hospital, specializes in operable heart disease, operable lung cancer and tuberculosis.

Chapters of volunteer women work indefatigably for the growth and constant improvement of the hospital. It is mainly through the efforts of the women in these groups and thousands of compassionate people that makes Deborah possible and provide new leases on life to increasing number of persons — with service in.

Color Guard, Drill Team Listed

Selections for the 1965-66 Belleville Senior High School Drill Team and Color Guard have been

given on a completely free basis. Chairman of Tag Week is Mrs. Attilio Casale, co-chairman is Miss Sadye Gerson.

The work of Deborah Hospital has a special significance for Mrs. Attilio Casale, as her 3-year-old child, Dona, is due to have open heart surgery soon at Deborah Hospital.

All those active in Deborah are guided by the hospital motto: "He who serves humanity, serves God; he who serves Deborah Hospital serves both." Some day you may be asked to contribute — there is little likelihood you will have Angela Macaluso, Sandra Muscaca, Carol Shelesky, and Linda Strack.

The members of the 1965-66 Drill Team are as follows: Jo Ann Bergimini, Carolyn Biale, Frances Bink, Betty Breckenridge, Mary Lou Buckley, Toni Caporasso, Linda Chamberlain, Jean Cypolski, Lorraine Dal-cero, Janet Ferriol, Bernice Fitzpatrick, Margaret Foster, Marie Hasal, Nancy Hearn, Sharon Kelemen, Stephanie Kelemen, Laura Loverde, Linda Laparella, Janice Malcolm, Kathy Marino, Barbara Masiero, Elissa Mauriello, Maria McCoy, Dianna Miller, Alice Morrison, Rosalyn Mostello, Suzanne Nadeau, Kathy O'Toole, Kathy Partus, Diane Riba, Mary Lou Ungnad, and Linda Vicari.

The members of the 1965-66 Color Guard are as follows: Don Alexander, Anne Celio, Gail Cronauer, Marty Kanterwein, Angela Macaluso, Sandra Muscaca, Carol Shelesky, and Linda Strack.

Local Drivers' Nutley Fines Total \$675

Six Belleville drivers paid a total of \$675 in fines at Nutley Traffic Court last week.

Two local motorists lost their licenses at the same session.

Biggest contributor to the Nutley coffers was James Hughes of 9 Van Rensselaer Street, who was fined a total of \$315. Hughes received a \$225 fine for driving while on the revoked list and had an additional one-year loss of driving privileges tacked onto his current suspension.

The violation occurred on Franklin Avenue at 3 a.m. Hughes was also fined \$30 each for speeding, operating an unregistered vehicle and operating a vehicle with fictitious license plates.

The owner of the car, Kenneth B. Bryan of 110 Roosevelt Avenue, was fined a total of \$115 for allowing a driver on the revoked list to operate his vehicle and for allowing an unregistered vehicle and improper plates to be used.

Michael J. Falot of 261 Little Street was fined \$30 for careless driving and lost his license for three months. He pleaded guilty to driving at excessive speed on a Route 21 exit ramp.

Three local motorists were fined \$35 each for leaving the scene of an accident involving a parked car. Patrick J. Fernicola of 47 Prospect Avenue entered a not guilty plea; while Lucille B. Coon of 208 Forest Street and Gordon Potts of 188 Linden Avenue pleaded guilty.

Annual Deer Census Now Being Conducted

The annual census of deer in southern New Jersey is currently being conducted by the Division of Fish and Game.

The roadside track count method of census is being applied, as it has been for several years.

Parasio Trains At Fort Dix

JOSEPH PARASIO JR.

FORT DIX, N.J. — Private Joseph Parasio Jr. of Belleville, New Jersey, has been assigned to P Company of the 2nd Training Regiment of the US Army Training Center, Infantry, for eight weeks of basic training.

During this program, he will receive instruction in general military subjects to prepare him for more specialized training. After the initial eight weeks, he will receive two weeks leave, then enter advanced infantry training, be enrolled in one of the specialist schools here, or be sent to another Army post for advanced training.

Prior to his arrival at Fort Dix, Parasio, son of Mr. and Mrs. J. Parasio, 325 Cordiant St., Belleville, N.J., attended Belleville High School.

Dr. Michael Roachwarg of Belleville, participated in an all-day educational symposium on recent developments in the design of eyeglass lenses, held by the Optometric Center of New York for more than 400 vision specialists from 30 states.

Check Address If Tax Refund Doesn't Arrive

Taxpayers who have moved since they filed their income tax returns should be sure that the postmaster who served their former residence has their new address. This is especially important for individuals who expect tax refunds.

These taxpayers should also notify the Newark District Office in writing of their new address. The notification should include the name, social security number and address exactly as it was shown on the tax return as well as the new address. It should be mailed to: District Director of Internal Revenue, Newark, N.J. 07102.

People who have recently moved to suburban areas should use only official post office addresses rather than subdivision names. Refund checks and all other correspondence are processed through service centers and mail can be delivered from these centers only to post office addresses.

Most individual taxpayers are concerned with just one Federal tax deadline each year. After April 15th they have no tax returns to file for another year.

However, employers and businessmen are continually aware of the tax calendar because they have to meet at least one tax deadline almost every month. Retailers, manufacturers and others who are required to file Federal excise tax returns must file them for the first quarter of 1965 on or before Friday, April 30.

Employment tax returns for the same period are due on the same day. Full payment of income and social security taxes withheld from the earnings of their employees as well as for their share of social security taxes must accompany the completed returns.

Tax returns and payments required by the Interest Equalization Tax Law are also due on April 30th.

14 Alarms Busy Firemen

Fourteen alarms kept Belleville firemen busy during the past week.

On April 16 the department was called to Edison Tool at 487 Constant Street where drop in pressure had triggered an alarm. There was no fire.

On April 17 the men responded to two alarms caused by brush fires at Mill and Union at Belleville Park.

A false alarm called the men to Benice and Gregory on April 18. At 9:11 P.M. on the same night the men were called to the Edison Storage Battery firm on Belmont Avenue where smoke was reported. Firemen reported that the smoke was actually steam escaping through a severed vent line from a manufacturing process oven.

Four alarms were sounded on April 20. The first two involved brush fires, one at Little Street and the railroad tracks and the other at the Newark Reservoir on Jorammon Street. Both fires were doused with the use of booster lines. The third alarm came from Belleville and Franklin avenues where an automobile owned by Sigmund Jackchick of Clifton was on fire. The blaze in the vehicle's wiring was extinguished with CO₂. Damage was confined to the wiring. The final alarm came from Federal Industries where the sprinkler system was sounded. There was no fire.

A brush fire at 36 Hilton Street was doused on April 21.

Four alarms were answered on April 22. The first was to a brush fire at 317 Washington Avenue. The second was from Mrs. DeBarto at 38 Belmont Avenue where a gas odor was reported. A check showed the odor apparently coming from the sewer. The third alarm came from a structure at Heckel Street and Bloomfield Avenue where a fire was reported. Firemen removed the cover and pad from an ironing board and placed them in the sink. The iron, mat and cover were damaged. The final alarm of the day was another brush fire at Jorammon Street and Reservoir.

Society to Hear Dr. Belfatto

Members in the Eastern Division (Union and Essex Counties) of the New Jersey Chiropractic Society, joining in a nationwide effort to detect unknown cases of diabetes, will be given details at their May meeting next Tuesday evening at the White Laboratories in Gallop Hill Road, Kenilworth.

Dr. Joseph A. Belfatto of Belleville, in charge of the diabetic detection program for the division, will describe a new detection kit and its use and tell the chiropractors how to obtain it.

The chiroprapist frequently sees foot infections, inflammation or ulceration clues in the area of diabetic detection. The kit will enable him to make positive identification.

The purpose of the nation-wide campaign is to uncover an estimated two million unrecognized cases and thus prolong thousands of lives and curtail immeasurable suffering.

The chiroprapists also will discuss preparations for National Foot Health week later in May.

Cook of The Week

MRS. GEORGE FAY

Writer of Light Verse Wins With Cocoa Bar Cake Recipe

This week's 'cooking contest' originally from Flushing, New York.

Today's winner began her hobby of writing light verse to cheer up a friend who had a long hospital stay. Her little hobby has branched out to include humorous poems for family occasions and sometimes entertaining friends at parties by writing verses about the personal characteristics.

For the occasion of the Times Cook - of the - Week award Mrs. Fay composed the following four-line verse:

Did you say you want a treat?
Try this Bar Cake, it can't be beat.
It's so easy to mix and bake.
That you'll end up with a real good cake.

The winning recipe calls for icing the cake immediately after taking it out of the oven. The icing melts into the cake for an unusual taste treat.

The Fays have four children. James, 15; Judy, Ann, 11; Joseph, 7; and Jina Marie, 2. Mrs. Fay calls her husband "an electronics genius." At the end of a working day as a television repairman, Mr. Fay relaxes with his ham radio equipment.

The Fays have lived in Belleville for 10 years. Mrs. Fay is 2

COCOA BAR CAKE

1 1/2 cup Cacao
1 cup sugar
1 tsp. vanilla
2 eggs (add one at a time)

Pinch of salt
or 3 tbs. milk

New Reading Improvement Class Claimed

A summer reading improvement program for approximately 800 other 12 - 14-year-old Girl Scouts on Saturday, May 1, at the May Apple area of South Mountain Reservation in a day of play, songs and discussions centered around the theme "International Friendship Begins at Home."

Sponsored by the Girl Scout Council of Greater Essex County, the activities for the day will emphasize "getting to know" sister Scouts from different areas of the County. The girls will use the patrol system. Four patrols form a troop. These patrols will be reformed into new troops at May Apple so that each troop will be made up of four patrols from different sections of the County. Leaders will turn their troops over to leaders from other sections also.

"This experience," Chairman Mrs. John W. Hammon, 17 Warfield Rd., Upper Montclair said, "will give girls an opportunity to meet and plan with girls they might otherwise never get to know. New friendships and new understanding will broaden the girls. Leaders, too, will have the opportunity to acquaint themselves with a variety of girls."

The following Cadette troops from Belleville and leaders will be at the event: Troop 949, Mrs. A. Verhagen; Troop 950, Mrs. Edward Cypriak; Troop 978, Mrs. Gerald H. Jewell and Troop 1008, Mrs. Anthony Cifone.

Planning the event were Cadette Girl Scouts: Kathleen Broughan, 29 Glenwood Pl., East Orange; Debbie Cusick, 113 Hillside Ave., Glen Ridge; Mary Fischer, 31 Bellaire Dr., Montclair; Sonja Garris, 3 Bellaire Dr., Montclair; Linda Hickson, 46 Hamilton Rd., Glen Ridge; Teresa McGivern, 24 Orchard St., Springfield; Kate Mulhorn, 41 Woodland Ave., Glen Ridge; Virginia Olson, 376 Prospect St., East Orange; Bernice O'Brien, 221 Ridgewood Ave., Glen Ridge; Betty Poster, 3 Parkway East, Bloomfield; and Maureen Stoneham, 291 Midland Ave., East Orange.

Nurses will be: Mrs. E. Babin, 346 Park St., Upper Montclair; and Mrs. Hugh McLane, 463 Summit Ave., Mapewood.

Olympic Park Opens Saturday

The clatter of the roller coaster and squeals of happy children return to New Jersey Saturday—sounds of summer, no matter what the calendar says.

Olympic Park, the oldest and one of the last of the New York metropolitan area's amusement parks, will be open this week-end, starting at 2 p.m. Saturday. It will be the first of three pre-view weekends at the Irvington and Mapewood amusement resort, prior to the season's of mid-kid-off May 22.

Robert Guenther, Olympic president, said his personnel is bracing for one of the biggest opening days in the park's 50-year history. The thousands from New Jersey, he believes, will be supplemented by many more fans from New York, whose Steeplechase Park and Freedom Land have passed from the scene.

The Essex County park's '68 season will have a variety of golden jubilee events. All 50-year-olds will be offered free admission, for example.

It is true, the New Jersey Optometric Association says, that seventy-seven per cent of the partially sighted can be given subnormal vision aids and optometric rehabilitation.

We keep gas on ice ready to serve you

Right smack in the middle of New Jersey's Hackensack Meadows is a huge 165-foot deep hole in the ground. And there's a lid on it. 115 feet in diameter. This mammoth hole in the ground is a unique "freezer" built and operated by the Transcontinental Pipe Line Corporation. Here, natural gas which has been converted into a liquid, is stored at an incredibly low 259 degrees below zero. Because natural gas expands 600 times when it changes from the liquid state to a gas, this remarkable "freezer" holds the equivalent of one billion cubic feet of natural gas. On unusually cold days, when more gas is needed for heating purposes, Public Service can tap this supply.

This liquefied gas storage facility is one more example of how research and modern techniques—and the investment of many millions of dollars—is put to work to assure an uninterrupted supply of gas to you.

PROTECT AGAINST INCOME LOSS WITH RAIN INSURANCE

"We are planning a picnic to raise funds," an officer of a church organization writes. "How can we protect ourselves against loss in case it rains?"

While science and superstition have produced cloud-seeding and assorted rainmakers, no magic formula has been developed yet to guarantee that it won't rain on the date you've chosen. But there are several different forms of rain insurance which can protect the individual or organization staging an event against loss of income or extra expense due to rain. Depending on the season, the same kind of policy also applies in case of hail, snow or sleet.

Generally speaking, there are two types of such insurance. Under one a specific amount of rain must fall while under the other, if any rain falls at all within the time specified, you will be protected under the terms and limits of the policy.

Several different forms of rain insurance exist. Under one, for example, if you have sold admission tickets in advance and rain forces cancellation of the picnic, insurance can protect you for the refunds you'll need make. Under another, if the picnic is an annual affair, and you have the receipts of the previous year to refer to, you can under certain circumstances insure against loss of this year's income.

If you want to make sure that the event you are planning will be a financial success—even in the face of cloudbursts, you may find it worthwhile to check with our agency well in advance of the event to find out just which kind of insurance will be best for your undertaking.

This column will be glad to answer questions you may have about property or casualty insurance. Send them to:

Public Service Stockholders Get Encouraging '64 Report

A good financial report for 1964, a better one for the first quarter of this year and the prospect of exciting years ahead were given stockholders at the annual meeting of Public Service Electric and Gas Company in Newark today.

Donald C. Luce, president of the utility, said the annual rate of revenues climbed beyond the half-billion mark during the first three months of this year. If this rate is sustained through the year it will top last year's record-shattering figure.

Revenues had reached a high of more than \$466,000,000 last year, an increase of 5.2 percent over 1963. Sales in electricity

were up eight percent in 1964. Gas sales were up seven percent. Luce reported that January-March earnings available for common stock were \$1,600,000 more than in the first three months of 1964, amounting to 86 cents per share against 81 cents per share during the same period last year. In the 12-month period ended March 31, 1965 and 1964, earnings were \$2.11 and \$1.96, respectively.

Referring to New Jersey's future, Luce noted the state has "tremendous potential" for industrial growth. "We are backing our faith in it by planning to spend at least \$500,000,000 in plant additions in the next five years," Luce added.

Busses Lose Money
Public Service Coordinated Transport, the utility firm's wholly-owned bus line subsidiary, showed a loss of \$277,000 in the first three months of this year, Luce reported. Increased wage rates that became effective March 1 had a bearing on this, he said.

"However, if 1965 follows the pattern of most years," said Luce, "improvement in the remaining months should overcome the first quarter loss, and Transport should finish the year with a profit."

The entire board of directors was re-elected including George H. Blake, William H. Blake, Theodore Boettger, Robert C. Clothier, Charles W. Engelhard, Francis A. Keane, Donald B. Kipp, Lyle McDonald, Joseph D. Scheerer, Carol M. Shanks, Edwin H. Snyder, W. Paul Stillman, Watson P. Tail, Jr. and Donald C. Luce.

Boyd Promoted To Warrant Officer

QUANTICO, VA. Marine Warrant Officer David I. Boyd II, son of Mr. and Mrs. John D. Boyd of 16 Essex Road, Belleville, was appointed to his present rank April 1 upon graduation from a warrant officer candidate screening course at Marine Corps Schools, Quantico, Va.

During the seven-week course he studied Marine Corps tactics, leadership, drill and physical conditioning.

A former enlisted Marine, he has been assigned to a ten-week course for company grade officers at the Basic School.

THE FOUR OF US — Belleville's newest musical group will appear tomorrow night at the Capitol Theatre in Passaic. They are, left to right, Barry Hirschberg, Tony Montanino, Lou Cerami and Richard Eder.

Local Group Featured In 'Shindig A Go Go'

Excitement is sweeping the younger set with the announcement of New Jersey's first theatrical "SHINDIG A GO GO" scheduled for the stage of the Capitol Theatre, Passaic, tomorrow night.

Knowing that New Jersey is a particularly fertile breeding ground for outstanding young talent, all too frequently unrecognized because of lack of opportunities for exposure, Capitol Theatre Manager Ed Molteni has done extensive research and auditions to corral the area's most exciting instrumental and singing entities for the "In Person" show, Friday night.

The roster of The Shindig's headline stars of tomorrow hail from Passaic, Bergen and Essex Counties. From the Clifton-Passaic area are Teddy and The Tallsmen, consisting of Teddy Zeitner on the rhythm guitar, John Migliaro on drums, with singers Richard Buffa and Joe Liberato. The lead guitar with this group, Bob Hillenbrand, comes from Saddle Brook.

Paterson is represented by Bill Riley and his Swingin' Top Notes. The aggregation includes J'oe Sisko on drums, Roger Brooks on the saxophone and lead guitar and singer, Bill Riley. Also, Pete Razzo on rhythm guitar from Paramus. Featured in this group's repertoire are a number of original compositions.

Belleville's young group, The Four of Us, include Lou Cerami on lead guitar, Barry Hirschberg on rhythm guitar,

Tony Montanino on bass guitar and Richard Eder on drums. All double as singers. The group will feature original musical compositions as well as popular numbers.

The Secret 7, a versatile gifted musical group who have several records ready for release, combine organ, drums, viols and two guitars. The personnel lists Kenny Spatola, from Bloomfield and Gino Spatola from Clifton. And from East Paterson are Ronald Cortese, Richard Turf, Robert Malec, Billy Gorton and John Casale.

Clifton's Michael Wayne, well-known to the record hop and school dance set, will handle the Masters of Ceremonies chore.

Augmenting the "Shindig A Go Go", enthusiastically described by the Capitol management as "a Swingin' Twistin' Blast of entertainment," are two new Metro-Goldwyn-Mayer feature picture attractions. They are "Get Yourself A College Girl," and "The Rounders", both filmed in color.

"Get Yourself A College Girl" features a number of top recording groups, including the Dave Clark Five, The Animals, The Jimmy Smith Trio and The Standells. Also, Stan Getz and Astrud Gilberto, and Freddie Bell. Roberta Linn and the BellBoys. Starring in the musical are Mary Ann Mobley, Joan O'Brien, and Nancy Sinatra. "The Rounders" stars Glenn Ford, Henry Fonda and Chill Wills.

A highlight of the Stage Show portion of the program will be dance exhibitions by personable youngsters of the current popular dance crazes such as The Mouse, The Watani, The Dog, The Monkey and the Frog.

Gilmartin Ends 47 Years at Western Electric

James P. Gilmartin, of 153 Beech Street, Belleville, retired recently (April 1) completing 47 years of service with the Western Electric Company.

Gilmartin was a returned material analyst in the Manual Repair Shops organization. He began his Western Electric career in the Company's installation division in Newark before coming to the Kearny Works in 1929.

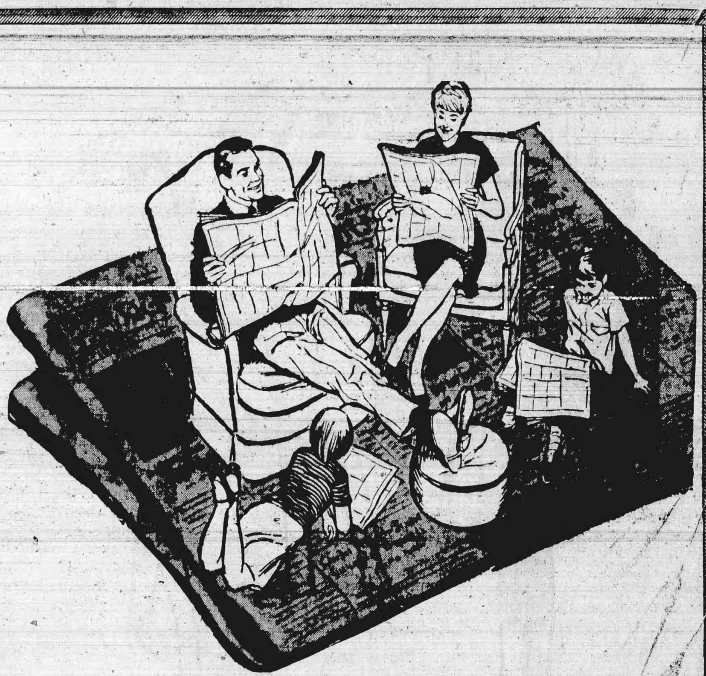

A member of the Knights of Columbus, he has also done extensive work on the Membership Committee and the Life Members Committee of the Stanley S. Holmes Chapter of the Telephone Pioneers of America, an organization of long service employees.

Emery Named To Honor Roll

William Emery, son of Mr. and Mrs. Henry Emery, 53 Campbell Ave., Belleville, has been named to the first semester honor roll at Fort Wayne Bible College, Fort Wayne, Indiana. He had a 3.44 average in a system where an A is four points.

A senior seeking his Bachelor of Arts degree in missions, Emery plans to become a missionary following graduation. He transferred to Fort Wayne in 1960 following his freshman year at Nyack Missionary College. Emery graduated in 1959 from Belleville High School. He attends the Christian and Missionary Alliance Church, 390 Union Ave., Natick, Mass.

Emery is presently in the college's A Cappella Choir and is president of the senior class. Fort Wayne Bible College is a co-educational four-year college preparing young men and women for service in the fields of missions, the pastorate, Christian education, music, and public school teaching.

Why should you buy
U.S. Savings Bonds when there
are so many other good investments?

To help your country is one answer—and a good one.

But Bonds have other advantages that make them worth your consideration.

For instance, they offer you just about the easiest way to save money: either through the Payroll Savings Plan where you work by just asking your employer to put part of your wages aside towards a bond or by buying Savings Bonds at your bank.

Another unique advantage of U.S. Savings Bonds is the way they stick with you. You can get your money any time. But if you're like most people, you'll hang onto your Savings Bonds for the big things you want in your future.

And, of course, Bonds are a safe investment—as long as there's a United States of America.

Which brings us back to your country again. Bonds help defend freedom at a time when the enemies of freedom are stronger than ever.

Buy Savings Bonds. The banks and savings institutions that sell them don't charge you a penny for the service.

Important facts about U.S. Savings Bonds

- You get \$4 for every \$5 at maturity
- Your Bonds are replaced free if stolen, lost or destroyed

Keep freedom in your future with

UP SPEAK

(Continued From Page 4)

campaign twice, vigorously, has decided those against dual control are making "a ludicrous spectacle of themselves." Is it ludicrous to march? — be sure to let those in Alabama know, Mr. J. Are signs the folly? Why, sir, can you as a union manager call your fellow employees when they carry a placard ludicrous "burlesque" adapted to raise laughter, laughable; ridiculous; almost contemptible" — these definitions by Noah Webster, L.L. B., in whom you seem to set such faith.

Speaking of definitions — "responsible" and "ethical" are defined in your April 22 letter and bring about another question. How responsible are board members who seek to castigate citizens and how ethical are they when they blast their employees publicly (that is, in the press) — must be done by the state department of education.

I wonder if it is in your province, Mr. Editor, to question a member who signs himself as part of a group, to question that person if this is the opinion of the entire body of his organization.

Never will there be a good system of education in Belleville until students and parents can respect all teachers; all teachers can respect their principals; principals — the administration. It would seem as though there are these on the Board of Education more concerned with tearing down reputations than building and maintaining good schools. Too bad so many citizens of Belleville don't care.

Mr. Editor, I do not know what author or editor Mr. Julian refers to who motivated the Citizens Against Dual Control — no one did me. I do know that both Mr. Orechio and Mr. Walosin write editorials. I thought Mr. Julian knew this, too. Heaven knows he has cast enough remarks about the Times publicly and privately.

PROGRESSIVE BELLEVILLE

In dear old Belleville
There soon will be
Nothing as lovely
As a tree.
For on every spot
Where oaks once stood
Will towers castles
Of brick and wood
Instead of grass
and flowers sweet
Asphalt Pavement
And hard concrete
But Cheer up friends
We're not yet doomed
There may be greenery
When we reach the moon.

Beauty Pageant Contestants Highlight Cherry Blossom Parade

Miss Cherry Blossom To Be Crowned Saturday

Threatening skies and low temperatures limited the number of spectators at the annual Belleville Cherry Blossom Festival parade to about 4,000 Sunday, but those present made up for the scarcity of numbers by their enthusiasm for the dozens of bands, floats, pageant contestants and other participating units.

The parade began on Greylock Parkway and proceeded to Washington Avenue where it ended at Mill Street.

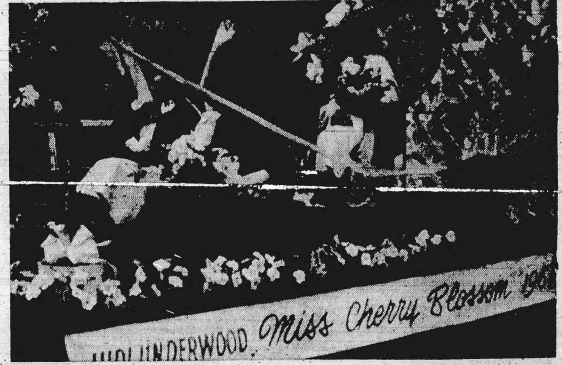

The parade fans, many of whom were shivering in the unseasonably cold wind found many of the units pictured on this page among the event's highlights.

St. Brendan's Drum & Bugle Corps, of Clifton, earned the distinction of being "Best in Parade" as judged by the committee.

The annual beauty pageant to select Miss Cherry Blossom 1965 will be held this Saturday evening at 8:30 p.m. at Belleville High School auditorium.

Master of ceremonies will be this year's ceremonies will be popular singer and television star Phil Brito.

BELLBOYS GAIN FIRST IN BIG 10

Squeeze Orange, 10-2; Columbia Nipped, 4-3

By Steve Charen

Nick Pettit's streaking Bellboys stand all alone on top of the Big Ten Conference, thanks to East Orange's 4-3 victory over Columbia and Belleville's 10-4 rout of Orange.

Last week, there was a three-way tie for the Conference lead, but during the week Montclair edged Bloomfield, 2-1 to leave two leaders. Then came E. O.'s contribution coupled with the Bellboys third straight decisive win (30 runs in the last three games to eight by the opposition) to leave one team in undisputed possession of first place.

After dropping the opener, the Bellboys have beaten six straight Conference opponents to climb from last place to first. In the up coming league games the Bellboys face Montclair, East Orange, Columbia, and Bloomfield. During this rough two week stretch, the Montclair and Bloomfield games will be home.

En route to their fourth straight victory, the Bellboys (7-2) banged out eleven hits and capitalized on eight Tornado errors to score six unearned runs.

The decisive tally came across in the four run third inning. A pair of singles sandwiched around an error loaded the bases to start the rally. After an out, hard-hitting Frank Mineo knocked in two runs with a single. A third run scored on the play via an errant throw. George Dobrowski then came through with his first of two slump-breaking hits—a first to drive in Mineo with a decisive run.

Three Bellboys shared the pitching chore and combined for a six-hitter. Rich Pucciarello started, after a week's rest, and was scheduled to go five innings as a time up for the clash with Montclair. But, "Puch" ran into trouble in the fourth inning when he was reached for his first earned run of the season (25 1-3 F. Benevento, c 4 1 1 0 Retton, 3b 4 1 1 0).

Art Sheridan, who got the win, came on in relief with one run in the bases loaded, and no one out. Sheridan whiffed a man before an error made the score 6-2. A walk sandwiched between two outs made it 6-3.

Sheridan then moved down seven straight Orange batters until Pete Violett lined a homer through the gap in left-center. Sal Taibi finished up and retired the side in order in the eighth and ninth innings.

During the past three games the Belleville batters have come alive to score in double figures three times, blast out 34 hits, and knocked in 34 of the 39 runs scored (five scored on errors).

During this spurt several Bellboys have broken slumps while others continued to hit with the same ferocity.

Magistro has also walked six times while fanning only once and scored nine runs.

Nick Grande, who has hit in six of eight games, is next among the regulars. As the lead-off man, Grande has batted .444 and reached base at least two times per contest. Nick leads the team in hits (11) and is tied for the lead in runs scored at 11.

The Junior Varsity is doing well, too. The Bellboy Juniors have knocked off their last two opponents for a 4-2-1 record. In a game with the Nutley Juniors, Jim Puleo socked a three-run homer, to erase a 4-1 margin in the fifth inning. Then Mike Maleyka singled and came around on a steal and error for a 5-4 win. Against Orange Joe Pisano fired a shut-out for a 3-0 decision.

UNDERWAY—With less than a quarter of the mile distance covered in Saturday's varsity meet, Belleville (dark jerseys) is third, behind Lower Merion (foreground) and Harington (rear), but ahead of Nutley (not in picture). The boats were in the same order at the finish, although the gaps between the crews were lengthened. Site of the race was Fairmount Park along the Schuylkill River in Philadelphia.

Bellboy Trackmen Whip Orange

By AL PAGANELLI

Two more school records fell to Head Coach Ron Koll's amazing BHS Track Team as the Bellboys stopped tough Orange High School, by a score of 61-47.

Harry Baker won the pole vault from his teammate Pete Eagles on few misses at a record height of 10'7" which both boys cleared. Russ Giordano completed the Bellboy sweep as he took third with a vault of 8'6".

The second school record, was set by the mile relay team of Don Saunders (58.0), Don Johnson (57.7), Al Paganelli (57.5), and Charles Reed (55.5). The combined time was 3:48.7.

The Bellboys swept through the mile for the second straight dual meet. Dave Grigis (4:52.8), Bob Boglione (4:57.8), and Bill McCarthy (5:09.0) stunned Orange with their endurance.

Belleville's superiority in the distance events continued in the half mile and quarter mile. Al Paganelli had some trouble with his Orange counterpart but won the half mile in a slow 2:13. Don Saunders took third, with a fine time of 2:13.3.

Charles Reed (55.1) and Don Johnson (56.1) blasted off in the quarter mile as they finished 1:2 to provide the most pleasant surprise.

BHS Crew to Invade Middletown

Belleville High's crew journeyed to meet St. Andrews Prep at Middletown, Delaware tomorrow, still looking for the first win of the season.

The Bellboys placed third, behind Lower Merion (Pa.) and Harington (Pa.) last Saturday at the Fairmount Park course on the Schuylkill River in Philadelphia in a four-boat race.

Belleville's varsity time of 5:34.8 was quite a bit behind the Lower Merion boat's 5:24, but in losing to Arlington turned in

Manager's Report

(Monday, April 12, 1965)
The 1963 tax rates for the Town of Belleville were set this week by the Essex County Board of Taxation at \$3.97 per hundred dollars of valuation for real estate and \$5.11 per hundred dollars of valuation for personal property valuations.

Net County taxes amount to \$1,855,220.47 or 26.23 per cent of our total tax cost. The amount involved is \$175,588.53 more than the 1964 cost.

The School tax, in the amount of \$2,029,838.00, is 30.99 per cent of the total tax cost, and is \$33,912.50 more than last year.

Our Municipal tax, in the amount of \$2,152,015.47, amounts to 30.42 per cent of the total, and is \$185,148.61 higher than last year's cost.

It must be pointed out, however, that \$12,912.10 of this increase is accounted for by the increase in the appropriation of "Reserved for Uncollected Taxes," which is required by law to be included in the Municipal purpose taxes.

The Veteran and Senior Citizens' exemptions, in the amount of \$186,000.00, equal 2.36 per cent of the entire levy, and is \$1,200.00 higher than last year's deduction sum.

Percentage-wise the final figures will, therefore, show the Essex County fees to be 26.23 per cent; Board of Education 40.99 per cent; Town Cost 23.19 per cent. Reserved for Uncollected Taxes 6.63 per cent; Veteran and Senior Citizens' Deduction 2.36 per cent.

Dollarwise, computed on the 1966 rate of \$3.97 for general purposes, Essex County taxes will cost the taxpayer \$1.04; Board of Education 1.85; Municipal Government .96; Reserved for Uncollected Taxes .26; Veteran and Senior Citizens' Deduction .09.

This breakdown as to cost per service will be shown on the new tax bill according to the amount each person or householder is assessed.

The new bills, scheduled for release June 1 and to be paid as of August 1, will be for the third and fourth quarters of 1966. This full year's bill will be for real estate only. Personal property bills, which will vary too much to be forwarded on a yearly basis, will continue to be sent out as before.

The bills for the third and fourth quarters, as adjusted, will be delivered in June, and the first and second quarters of 1966 will be delivered as of December 1, 1965.

Two new employees have been added to our work force in temporary capacities. One, Gino J. Spaduto of 34 Union Avenue, was hired as of April 5 to replace Howard Hendrickson in our Shade Tree Division of the department of Public Works and Affairs. Mrs. Mary Scallili of 145 Academy Street was hired as of March 29 as temporary book-keeping machine operator as a replacement for Mrs. Grace K. Maguire in the Department of

Finance. As frequently discussed at Council conferences, specifications for insurance contracts coming due are forwarded to all listed brokers in the Town of Belleville with requests for quotations. Quotations for two such contracts, the Workmen's Compensation policy and the Automobile Liability policy, were received last Thursday, and my recommendations are contained in resolutions appearing on this present Agenda.

These resolutions are based upon submitted cost of contract according to specifications, and analyzed by the Insurance Committee I have used to advise me in these matters. The members are Mr. Francis H. McCoy and Mr. Isadore G. Padula, Jr., both of whom are licensed insurance brokers of the State of New Jersey. The third member of the committee is Town Clerk Barnett.

The entire system leaves much to be desired, primarily because insurance should be considered for service as well as price. It is my considered opinion that one company, if possible, should be sought to service the Town of Belleville insurancewise, in order to guarantee the best and most modern coverage with maximum economy.

My studies in this respect have resulted in at least two major insurance brokerage companies and two major insurance companies preparing for submitting a full plan of insurance coverage.

Despite the fact that the State law requires the Town Manager to negotiate all contracts, I believe it reasonable and proper for the Council to appoint a committee to sit down with me, my committee and representatives of the insurance industry, and agree upon proper insurance coverage for the Town of Belleville and to make full report and recommendation to the Council as soon as possible.

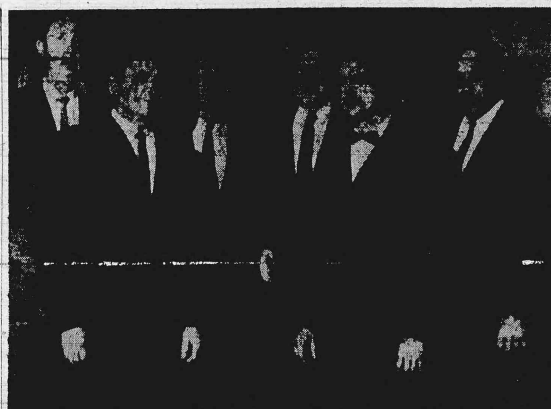

A recent decision of the Ethics Committee, appointed by the New Jersey Supreme Court, held that the Town Counsel cannot represent the Board of Adjustment. A separate report will be given to the Council on this subject by Town Counsel Tedesco but, in discussions with me, the members of the Board and Mr. Tedesco have also requested hearings on requests for variances. I am in full accord with them. Under the circumstances as outlined, the firm of Winard and Winard has been designated for this assignment.

As there will be increased cost involved, I intend to meet with Mr. Tedesco within the next few days to discuss the possibility of increasing the hearing rates charged applicants for variances, as suggested to the Council by Board of Adjustment Chairman Norman D. Lavertette. I hope that our conclusions can be presented to the Council in the form of an ordinance at the meeting of April 28, certainly no later than that of May 10.

An emergency has arisen that is holding up the paving of Austin Street, as authorized by the Town Council. A section of the sanitary sewer running beneath that part to be paved has sunk to an extent that inhibits proper flow.

The work of replacement is being done by our own Public Works Department under the direct supervision of Mr. Mustachio, our Plumbing Inspector and Water Foreman. It will take a few weeks for the ground to settle properly before we can begin the paving required.

The amount of engineering work and field studies required for Jovian St. improvements, the installation of a 12" water main from Garden Avenue west on Belleville, and the realignment of the sanitary sewer in the Bog area off Division Avenue, is

BOY SCOUTS ADDED — During a recent Boy Scout Sustaining Membership meeting, the key figures in the drive took time out to pose for this group picture. From left to right are: William Dorival, Belleville Scout Executive, Louis Bruno, E. W. Bout, Howard McMaster, Vincent Strumolo and Vincent Vety.

too much for our present staff to accomplish.

We cannot hire additional surveyors or engineers as town employees for economic reasons. Therefore, it will be necessary to hire consultants for the necessary purposes. The additional cost can be included in the engineering cost as applied to the various bonding ordinances for individual contracts, but the hiring of consultants is a new departure for Belleville.

The only alternative will be the delaying and rescheduling of some of the projects, which I believe will be inadvisable.

other area school systems.

After two citizens, Mrs. Leonard and Apper of 126 Branch Brook Drive and Mrs. Ernest P. Vantinson of 61 Wallace Street, opposed the mid-year vacation, board members Ernest S. Arvidson, Mrs. Norma McCool, John B. DiRienzo and Richard H. Drake voted to take the four days from the end of the calendar. Dr. Frank Di Ruggiero, Rocco Saletta, Jr. and Nicholas S. Juliano favored the mid-year recess.

The board granted a ten-day leave of absence to Mrs. Estelle Sugeli, a kindergarten teacher at School One, due to her husband's illness, but turned down Durkee's request that she be paid the difference between her salary and that of a substitute for the period.

At the urging of another citizen, Kenneth R. Broon of 132 Fairway Avenue, the board added an additional parent-teacher conference day to the school calendar.

Assembly on Democratic ticket, sent copies of the letter to all councilmen and Town Manager John R. Burnett.

In his letter to the Mayor he said:

"During the tenure of my association with the Belleville Human Rights Commission, both as a member and Chairman, paramount in my mind has always been the goal of function and result.

The product of this concept, to me, has been gratification of mind and soul and the additional reward of proximity with a dedicated group.

You are probably aware of my candidacy for public office as a member of the State Assembly of New Jersey.

This fact has prompted the following for, rather than afford other political factions the opportunity of claiming my exploitation of a sincere, civic panel, it is my regrets, but in good conscience, that I tender my resignation as chairman and member of the Belleville Human Rights Commission, effective this date."

Mrs. McCool voted against

purchases at "a completely non-competitive price." She stated she would prepare a board resolution requesting the state federated boards of education to lobby for less stringent bidding requirements.

Mrs. McCool said the board had done its best to solicit more bidders, but criticized failure to work for legislative relief when she brought up the problem a year ago. School Business Administrator Harold A. Dufford added that he had spent almost \$100 on postage in soliciting more bidders.

The board unanimously deducted \$2,255 from the \$200,000 allowed to the Albert F. Ruel Construction Company, plumbing contractor, for expenses incurred in digging up the faulty sewer lines. The architect for the school project, Alfonso Alvarez, told the board the sewer trouble was due to faulty materials and workmanship.

In other action, the board raised substitute teachers' pay from \$16 to \$17 per day, still the lowest rate in the county, and raised pay for home instruction of students unable to attend school for medical reasons from \$3 to \$3.50 per hour.

A citizen present, Mrs. Natalie

J. Faronea of 425 Cortlandt Street, criticized the board for extending the school year one day to accommodate participants in the one-day teacher walkout. She complained that the extension upset vacation plans for many families, and asked that all the parents meet to decide whether or not the calendar should be extended.

"The board didn't act well in permitting the teachers to go out on their protest," she said.

Board members got some praise for a change when John R. Basile, president of the newly-formed Garden School PTA read a resolution of gratitude for the board's provision of facilities for disturbed children. The resolution stated that since the school has begun to return... rehabilitated children back into the conventional school system... this endeavor will ultimately bring about a reduction in the burden on all taxpayers.

Four costs majoring in education at Newark State College attended the meeting as a class assignment. They were served a hearty draught of school board politicking.

The fellow who sits down and hopes for the best can be counted out as hopeless.

Kidde Reports Big Gain In First Quarter Profits

Operating results of Walter Kidde & Company, Inc. for the first quarter of 1965 were considerably higher than those reported for the comparable period of 1964. Net profits more than tripled and earnings per share more than doubled, on sales 60 per cent higher than a year ago. Net profits for the three-month period ended March 31, 1965 were \$252,000, compared with \$78,000 the previous year. Earnings per share rose from 12 cents

to 26 cents, based on the number of shares of common stock outstanding at the end of the period and adjusted for stock dividends. Profits before taxes were \$485,000 for the 1965 period, compared with \$149,000 for the first quarter of 1964. Sales rose to \$14,250,000 in 1965, from \$8,904,000 for the comparable period of 1964.

These increases reflect internal growth as well as results of previously reported acquisitions.

However, the first quarter results do not include the operations of the Weber Showcase and Fixture Company and the Columbian Bronze Corporation. Plans were announced last month for the acquisition of Weber and Columbian, subject to stockholders' approval.

Kidde is a major producer of safety, security and protection equipment, textile machinery, and space systems and equipment. Space projects for which Kidde supplies flight control systems include Comsat's Early Bird satellite, the Syncom series and NASA's Luna-9 Landing Simulator.

RECEIVES MEDAL—Lieutenant Colonel Samuel W. Cocks, has been decorated with the U.S. Joint Service Commendation Medal at Fuchu Air Station, Japan. Colonel Cocks, an intelligence staff officer received the medal in recognition of his meritorious service while assigned to the Defense Intelligence Agency at the Pentagon. He is presently assigned to Headquarters, Fifth Air Force at Fuchu. Armed Forces personnel are awarded the medal by the Department of Defense in recognition of their accomplishments while serving as a member of a combined service organization or staff. The colonel, who formerly resided at 172 DeWitt Ave., Belleville, N. J., is a graduate of Belleville High School. He attended Worcester (Mass.) Polytechnic Institute and the University of Chicago, and holds a B. S. degree in mechanical engineering and a M. A. degree in business administration. A member of Lambda Chi Alpha, Colonel Cocks was commissioned in 1943 through the aviation cadet program.

Witnesses Convention Set May 28

New Jersey Circuit 1 of Jehovah's Witnesses will assemble for a Bible convention at the Paterson Armory, 475 Market Street, in Paterson, on May 28 - 30, according to Mr. Philip Dacko, presiding minister of the Nutley congregation, one of the 17 groups participating in the meeting.

About 2,000 ministers are associated with the circuit said Mr. Dacko, which includes areas located primarily in Bergen county. However congregations in Essex, Hudson and Passaic counties will also attend, he said.

The convention will be supervised by Joseph D. Wengert, who is a district minister for the Watchtower Society of Brooklyn, N.Y., sponsors of the event. He will be assisted by Dale R. Boeckel, director of ministers for

the circuit. Mr. Boeckel who is was ordained a minister of Jehovah's Witnesses in 1950.

FIRST 50 MILES WORST

Motorists should be especially vigilant for the first 50 miles during holidays. Most holiday accidents, according to the Allstate Motor Club, happen in the first 90 minutes of driving when drivers are preoccupied with trip details, are trying to beat the rush, or are tired on the return trip and press to get home.

mother in the ministry of music since Mrs. Pascale passed away Aug. 28, 1957. Reverend Elmo Pascale was ordained in the same church as his father and has been pastor of several churches. He now teaches at Lincoln College, Lincoln, Ill.
The years of 1928 - 1929 were banner years for the church and pastor. It was in this period that the pastor, who had started the first playground in this area in 1914, realized that the recreation facilities, indoor and outdoor, had become too small and obsolete. He became instrumental in buying adjacent property for the establishment of a larger playground. Next he undertook the building of a community recreation center, The Friendly House. He raised all the funds necessary and inspired the congregation and friends and neighbors to contribute free labor. This building houses a gymnasium, swimming pool, bowling alleys, print shop, work shop and several club and reading rooms. It is open to the community regardless of race, color or creed and many thousands have benefited from its facilities. This later was taken over by the town and carried on by the Belleville Foundation.

It was during this time that the church gained self-supporting status and for his achievement received recognition from the American Baptist Home Mission Society with a Silver Loving Cup.
On April 17, 1941 Reverend Pascale was chosen as the Outstanding Citizen of Belleville, N.J. for service to public education in Essex County in the state of New Jersey. He has been very active in church circles holding offices in various organizations, such as vice-president of the New York Ministers' Association, President of the Italian Ministers' Association, manager and assistant editor of the "Aurora" magazine, moderator of the East Association of Baptist Churches. At present he serves as Chaplain for the Dept. of Police of Belleville and several local hospitals without remuneration and is a member of the Civil Rights and Fair Housing Committees of Belleville. In 1962 he had the honor of serving as chaplain for a day for the House of Representatives, and in 1963 he had the honor of being chaplain for a day for the U. S. Senate. In 1965 he opened the N. J. State Assembly with a prayer.
On Nov. 11, 1964 the 50th anniversary of the pastor was celebrated with a dinner tendered to him by the church and community. Among the many recognitions, the Municipal Council of Belleville, N. J., passed a resolution dated Nov. 26, 1964 recognizing his contributions as a religious and civic leader. Mayor Nuncio Pico also presented to the church a plaque.

Beers Joins Accounting Association

Albert L. Beers, 29 Elena Pl., Belleville, was elected a member of the Newark Chapter of the National Association of Accountants at a recent meeting of the unit's board of directors.

Beers is associated with the Inter-Chemical Corporation, Finishes Division, Clifton, N. J. The National Association of Accountants is the world's largest accounting organization, having over 170 chapters and 52,000 members. Newark is one of the largest chapters with more than 700 members.

Devoted to accounting research, the National Association of Accountants specializes in the discussion and exchange of accounting information, leading to the development of accounting systems and procedures.

JOHN IDEPENDEN

Miss Mostello, Idenden Gain Test Finals

Miss Elinor Mostello and John Idenden, BHIS Senior, are finalists in the National Newark and Essex Bank's 1965 Annual Scholarship Competition. From the 50 finalists, two will be selected for the \$4,000 award.

This award may be used at any college as long as the recipient is a resident of Essex County and graduates from high school in 1965.

The winners of the National Newark and Essex Scholarship are chosen on the basis of scholastic ability and promise, activities in secondary school and in the home community, citizenship, leadership as evidenced in secondary school, and the need for financial aid.

The recipients of the scholarships will be announced in May.

Global Industries Declares Dividend

Directors of publicly-owned Global Industries, Inc. of Belleville declared a regular quarterly cash dividend of five cents per share to holders of the company's Class A stock.

The dividend is payable on May 12, 1965 to stockholders of record on April 29, 1965.

Global Industries, Inc., which operates in the U. S. and overseas, is a prominent manufacturer of metal shoring devices used by the construction industry, aircraft products, taximeters and vending machines.

Mutual Benefit Women Assist Essex Shelter

Children at the Essex County Children's Emergency Shelter in Belleville are watching their favorite movies now thanks to the efforts of more than two hundred women employees of the Mutual Benefit Life Insurance Company.

Members of the Newark company's Women's Club chose last Saturday (April 10) to donate a 16 mm optical sound Bell and Howell movie projector to the home. Making the presentation there was club president Miss Martha Hacken of Springfield, who, to the delight of the 31 youngsters on hand, brought along two new three wheeled bicycles for good measure.

Support of the Belleville shelter is just the latest charitable venture for the club, whose twenty-five year history includes support of many national and local organizations.

Superintendent Mrs. Arlene Kenney accepted the gifts for the shelter, which last year provided emergency care for 446 children ages three to sixteen. The home is run by an eleven-man board of trustees headed by Martin J. Poto.

FDU Scientist

By THERESA PEPE

At a recent BHIS assembly, Dr. Parker, scientist from Fairleigh Dickinson University, discussed "The Importance of Science in Everyday Life."

Dr. Parker stated that all the laws of the universe that are known should be used to our advantage. He stressed three points that he later proved: First, if we know a law of the universe, we should not be foolish enough to go against it. Second, if we do not know of a law we should follow the nearest possibility. Third, even when we know the laws, we go against them.

Dr. Parker's first demonstration showed the disregard of his first statement and the truth of his last. He questioned his audience about the direction a baton suspended on a cord would swing when hit. The majority of students went against Newton's law of inertia (a body set in motion will remain in the direction of the force starting its motion) and followed their "hunches."

Dr. Parker further proved his points with other various demonstrations. Also, toward the end of the assembly, Dr. Parker, with the help of Robert Ferch, a junior, demonstrated the laws of linear and angular motion.

Dr. Parker thanked his audience, and Ralph Correll, Director of Student Activities at BHIS, closed the program.

RUMMAGE SLATED

The UPW of Fewsmith Memorial Presbyterian Church, Union Avenue and Little Street, Belleville, will hold its annual Spring Rummage Sale in the social hall of the church on Monday, May 3rd, from 12:30 p.m. to 8:30 p.m., and on Tuesday, May 4th, 9 a.m. to 12:30 p.m. Anyone desiring articles picked up may phone any morning.

The Motor Club of America estimates that about 900 lives are saved each year and 31,000 injuries prevented because of driver education courses in high school.

Retired Men Mark Anniversary

The Belleville Retired Men's Club celebrated its ninth anniversary April 7 with a dinner at the Fewsmith Presbyterian Church. The dinner was served by the ladies of the church.

About 80 members and friends attended the event, including eight former members who now reside in the shore area and several members of the Senior Citizens Club of North Newark.

An 8-piece orchestra from the Nutley Old Guard played several numbers.

Keep Streams Clean, State Asks Anglers

"New Jersey sportsmen should be alert to prevent the despoiling of Garden State streams and woodlands with litter," Director Lester G. MacNamara of the Division of Fish and Game in the Department of Conservation and Economic Development urged this week.

"Only last week we learned of another stretch of stream that has been closed to fishing. The landowner was disgusted because anglers had dug worms, trampled shrubbery and left papers and beverage containers on his property."

Actually, sportsmen are among the most considerate users of the outdoors," Director MacNamara said. "Nevertheless, such sportsmen should be extra careful of his own actions and those of his companions."

"It is certainly no hardship for anyone to carry away the empty wrappers that he brought out with him. Surely a man who is reluctant to dig worms in his own back yard owes the same courtesy to others."

"A little extra effort in picking up unsightly trash dumped by others can reap dividends in keeping lands open and in preserving the beauty of our natural resources," Director MacNamara added.

Public lands are no exception, he points out. The cost to taxpayers of cleaning up litter on public lands throughout the nation has been estimated at half a billion dollars annually, by Keep America Beautiful, Inc.

In New Jersey, the Bureau of Wildlife Management alone spends in excess of 500 man-days a year picking up trash. Director MacNamara says, "Our wildlife workers would much rather spend this time in additional habitat improvement and other activities of direct benefit to license buyers."

Keep America Beautiful has pointed out, "Only people litter. Only people can prevent it." The Advisory Council Chairman of this national organization, C. R. Gutermuth, calls it "A paradox that people who are attracted to spots of natural beauty should be thoughtless enough to litter those areas with trash and debris."

Director MacNamara agreed with Keep America Beautiful that litter prevention furnishes "an instance where every man, woman and child can contribute directly to the greatness and beauty of our country."

VOTES DIVIDEND

NEWARK—The Board of Directors of Fidelity Union Trust Company today voted the regular quarterly dividend of 50 cents a share, payable on May 1 to stockholders of record as of April 23, 1965.

Master Plan

(Continued From Page 1)

5. To encourage business by improving access to business locations.

6. To devise traffic patterns that will ease the flow into and within the Town.

7. To develop an overall parking program.

8. To provide for convenient public transportation.

9. To set aside adequate park and recreational facilities.

10. To determine and provide for the increasing needs for public health, recreation, and safety.

11. To establish an economical means to bring about the improvements set forth in the Master Plan.

These eleven points amount to a general statement of the proposed Town Plan and will serve as a guide for the orderly and efficient physical development of Belleville.

Debra Binaldi, of 32 Gross Street, was the announcer at the Spring program of School Seven. Her name was omitted from the listing of the cast in last week's edition.

Election

(Continued From Page 1)

in Town Hall. Finch has resigned his post as Town Attorney due to the press of his private practice.

He was replaced by acting Town Attorney Telesco.

Tuesday afternoon Telesco told Town Manager John R. Burnett that he had the letter in his files but had taken no action on it. He said he would check into the matter this week.

Town Manager Burnett said he had no knowledge of the arrival of the letter in Town Hall.

The letter was issued on the eve of the May 12, 1964, election and was entitled "The Terrible Catastrophe." It was unsigned except for a notation that it was paid for by "Friends of Westpy and Casale."

In the election Robert E. Westpy and Ralph Casale succeeded in ousting Mayor Robert M. Larter and former Councilman Vincent Strumolo from the Town Council.

The letter charged that individual liberty was almost curtailed during the "Larterza - Orzechio administration." It said policies of the Times-News later became law and said the alleged coincidence was interpreted as

Publisher Frank A. Orzechio giving orders and Larterza and Strumolo "bowing in allegiance."

The letter also charged that the Larterza administration had given News and claimed legal advertisements were expanded at taxpayer's expense.

Publisher Orzechio branded the charges false and outright lies. He offered a reward of \$1,000 for information, leading to the apprehension and conviction of the individual, individuals or group that was responsible for the libelous letter.

The reward was boosted to \$1,500 by Strumolo who said the letter was "below the belt" political tactics used by his foes and predicted that Justice and truth will triumph.

Many persons offered information as to the writing, printing and distribution of the defamatory throw-away. All information was handed over by the Times-News to the Prosecutor's Office and to the local police, who handled the local end of the investigation for the Prosecutor's Office.

Publisher Orzechio and Strumolo said yesterday that the rewards still stand and would be paid to persons who supplied in-

formation leading to the conviction of the individual or group behind the unsigned letter.

New Rides Set

At Olympic

A variety of new rides will be unveiled May 12 at Olympic Park, which clings nostalgically to the ferris wheels, merry-go-rounds and other attractions popular since 1915.

Robert Guenther, president of the Irvington-Maplewood amusement area, said the '55 season will continue to stress wholesome family fun—a policy established by his father, the late Henry A. Guenther.

"We appreciate the children and teen-agers," he explained, "but we delight in those adults who remind us each summer that our grandparents first brought us to Olympic Park."

May's first three Saturdays and Sundays will be preview weekends for the amusement park. The daily season, still with free concerts and circuses, gets under way May 22.

Parks with too vivid an imagination are more dangerous than those with a little learning.

Thaler Joins Local
Stock Broker's Office
Bache & Co., Incorporated, members of the New York Stock Exchange, announces the appointment of Robert A. Thaler as Associate Manager of its Newark office.
Thaler, a graduate of Rutgers and Wesleyan Universities, is well-known in the Nutley area for his investment and civic abilities. The new associate manager has been a guest editor for one of the area's local newspapers and has been on the staffs of both of East Orange and Belleville High Schools.

Ruglio Serves
In Navy Operation
EXERCISE QUICK KICK VII - Boilerman Third Class Alfred J. Ruglio, USN, son of Mr. and Mrs. Alfred Ruglio of 25 Heckel St., Belleville, is taking part in Exercise Quick Kick VII, aboard the amphibious force flagship USS Taconic, operating out of Norfolk, Va.
Quick Kick VII is a joint-services operation on Vieques Island off the southeastern coast of Puerto Rico, March 22 through April 10.

The exercise is designed to test tactical concepts in joint operations by the Unified Atlantic Command, and is using an actual amphibious landing and airborne assault for the tests. Approximately 5,500 Marines, 3,000 sailors, 2,500 soldiers and 1,000 airmen are participating.
Exercise D-Day is set for April 9, with air strikes by Marine Corps and Air Force aircraft starting at 6 a.m., along with shore bombardment by naval ships to "soften up" enemy positions. Paratroopers will be air-dropped at 7 a.m. by planes from the Tactical Air Command and

Wilson Earns
Driving Award
Humble Oil & Refining Company, from its offices in Pelham, New York, today announced the presentation of a 20-year safe driving award to Simon Wilson, Military Air Transport Service. Wilson, who is stationed at the 43rd Military Air Transport Squadron, has been a safe driver for 20 years. Wilson, who is stationed at the 43rd Military Air Transport Squadron, has been a safe driver for 20 years.

of 136 Carpenter Street, Belleville, Wilson is employed in the company's Linden Plant.
H. C. Haythorn, operations manager of Humble's New York - New Jersey Essex marketing area, pointed out that the awards are made annually to recognize employees contributing to the safe operation of company vehicles.
"Our trucks and automobiles log nearly 16 million miles a year in the two states," Haythorn stated. "Considering the high daily rate of over-the-road exposure to vehicular traffic, the safe driving accomplishments of our people are outstanding."

Mend Fund Drive Now
Entering Final Windup
The Mend Fund Drive for 1965 in Essex County, is entering into its final all-out effort to make this the most successful campaign yet in the fight against crippling nerve and muscle diseases.
The annual educational and fund-raising drive seeks support for programs of research and local patient services of the National Foundation for "Neuro-Muscular" Diseases.

Peaceful World Cornerstone for Generation, Says BHS Senior

(Ed's Note: Below is the third in a series of articles written by members of the Belleville High School Senior English Class in which they survey the world and the prospects it has to offer to their generation.)

(Third in A Series)
By ANN GRAVINE

In the history of the world, there have been many prophets. In the world yet to come, there will be even more of them. It has been their duty, through the ages, to foretell the fate of generations to come. Even today our fates have been determined by the foretellers of past years. Now the fate of a generation to come is also being determined. One thing is sure: it has been the great fortune of our generation to be gifted with an enormous

ANN GRAVINE

amount of opportunity. Although some people are not satisfied with their lives, it must be noted that no one can be satisfied all of the time and at any cost. Our country today resembles the great Roman Empire of centuries past. This great empire has fallen because it was willing to satisfy its own desires at any cost. This fate must not be ours. The virtues of extreme caution and strength of character are given only to a select few. It is up to those select to find the right path upon which to travel.

Before a generation can be assured a good life, the world must be made safe. Only in a safe world can opportunity and happiness grow. When neighbor can trust neighbor and when man can trust man, our future generations will truly flourish. With hate and power being exchanged among monarchs, man can never hope for the best.

Once all men can learn to work side by side in harmony, the prospects for a future generation will be very bright. Even in a world of different spiritual and political beliefs, man can survive. As a Protestant can befriend a Catholic, it is not impossible that a communist can do the same for a freeman. When religious separation first began, people were against one another. Today, though, the pot has been cooking off considerably. People are beginning to accept each other regardless of religious beliefs. Thus, it is with our political beliefs. Even as a communist

hates those of a free nation, this desire of all to succeed, may change in years to come. Armed with these weapons, one cannot overcome the other without the total destruction of the human race. Assuming that no gains can be obtained in such a power struggle, all people will have to live together. Just real- izing that a communist is a communist, and a fascist is a fascist, and a freeman is a freeman will help people to reap the benefits of a new life.

As new minds will develop and grow, the life of the world will also grow. This prosperity and opportunity grows hand in hand with the geniuses of the world. They also grow hand in hand with the strength of men and the

time, keep his identity. Although he must work together with others, he must be different. Men who act alike and think alike are useless in our society. Men must cooperate, but they will have to think differently. The great inventors and masterminds came about only because they deviated from the normal. Man could not fly; man could not prevent polio; man does fly, and man can prevent polio. Why is this? It is because man is not easily satisfied; he must know.

This ability to be different will save people's identity. They will not be one in the same. They will be billions with different faces and ideas. Mysteries will be

TEEN ACCIDENT RATE
Though teenagers represent only 7.1 per cent of the drivers in the U.S., they are involved in 14.7 per cent of all traffic accidents.
