### Board Grants Super Full Pay Pending Outcome of Probe

35th Year No. 21 Belleville, N.J., Thursday, May 27, 1965

# DUAL-CONTROL PLEA SET

## Board Votes Court Test Of Decision

Supported by a new ally, the state school business officials, the Belleville Board of Education authorized its Attorney, Max Schwartz, to appeal County Superintendent of Schools Dr. William Twichell's disapproval of dual control.

Schwartz said he would submit an appeal brief to State Education Commissioner Frederick Raubinger within a week. He said Deputy Commissioner of Education Dr. Joseph Clayton had informed the Board that questions of school law such as this must be submitted to the State Commissioner before they can be brought to a court test.

The procedure is for one of the deputy commissioners to hear the evidence, with the commissioner exercising sole authority in a ruling.

The board resolution authorized legal action in the appellate division of Superior Court should Raubinger rule against the Belleville Board.

The New Jersey Association of School Business Officials offered its support to the Board's appeal.

A May 13th letter to the board from William R. Walsh, Jr., president of the business officials association, said "our officers stand ready to assist in any way we can in an effort to preserve the principle of local autonomy and the right of any board to use whichever pattern of administration it deems best for its particular operation."

In a separate letter to Edward W. Kilpatrick, State assistant commissioner of education, the business officials association president and his group had drafted and lobbied for the school business administrator statute, "to put to rest once and for all the old argument about unit versus dual control."

"Once the law was adopted we assumed that there would be no further questions or arguments except at the local level, and the right of a local board to establish its own administrative pattern would be inviolate."

"As an association we cannot accept (Twichell's) interpretation and we therefore feel constrained to offer our assistance to the Belleville Board of Education in its attempt to have its own judgment."

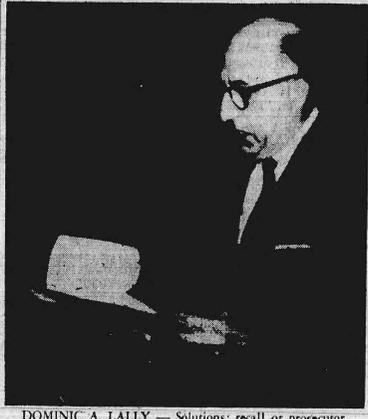

(Continued On Page 15)

## Fair Play Backs Durkee

The Fair Play Committee is being organized by Dominic Lally and Violet Rochau, past presidents of the Board of Education and Allan Crisp, past president of the Citizens School Building Advisory Committee.

Its purpose is to lend every possible support to Superintendent of Schools Frank Durkee. Allan Crisp, who will serve as chairman, said that the good name and reputation of Dr. Durkee, an outstanding educator and administrator, is being unnecessarily dragged through the mud by his enemies and detractors, who are determined to force an expensive and unneeded investigation through the throats of the Belleville taxpayers, who have already twice rejected the Board's budget, and seem needless school services eliminated because of the council's slashing of the school budget.

He said that to date, Dr. Durkee has had to stand up alone under the onslaught of this vicious attack but that the responsible citizenry would stand behind him 100 per cent in this battle.

DOMINIC A. LALLY — Solutions recall of prosecutor

MRS. ANTHONY IZZO — Her petitions started it

## Crowd Gives Support to Dr. Durkee

Aroused Belleville citizens, 100 strong, gave plenty of vocal support both for and against the investigation of Dr. Durkee at Monday's school board meeting.

He referred to the placard carrying petition solicitations of the Citizens Committee Against Dual Control.

Former Board President Dominic A. Lally said the investigation was unnecessary because "no civic group or parents have questioned the efficiency of the school system, and the probe would duplicate the Middle Atlantic States accreditation evaluation scheduled for next year."

Another former board head, Mrs. Edward A. Rochau said she would vote against next year's school budget if school funds were used for the probe. She pointed out, as did others, that school equipment had previously been used for non-school purposes

noted "those people who are complaining about our public image contributed to that bad image by walking up and down the street."

After some citizens had digressed from the investigation discussion to complain about poor facilities at school's number one and two, Kenneth Jones asked, "providing these improvements wasn't a more important use of funds than the investigation."

Mrs. Daniel McCarthy, an unsuccessful candidate for the board, urged that expenditures for the probe be approved by referendum since the money wasn't included in the school budget.

As the hour got later, tempers got hotter. Board member Nicholas S. Juliano's amendment to the investigation resolution to re-appoint the superintendent of schools during the probe was met with a long loud chorus of boos from the audience.

When Lally suggested the majority board members should be asked to resign and that the audience should take their complaints about board actions to the county prosecutor's office, board attorney Max Schwartz asked for the floor.

Saying he spoke as a long-time servant of all the taxpayers as the board's attorney, Schwartz asked, "is going to the prosecutor with indictments the answer, is it worth dragging the name of our schools through the mud?"

The angry audience had a ready answer. Nearly all the citizens still present shouted in chorus, "Yes."

such as the Citizens School Advisory Committee, and the campaign for a new high school. She admitted "Dr. Durkee was very foolish, because he knew the board was out to tan his hide to the wall."

## Council Votes Posts, Raises

Three new supervisory posts were created, salaries of Town Magistrate and Water Foreman and Detectives were increased and the map of the Bridge Brooks Estates - formerly Lobnitz Tract - was accepted at meeting Monday night of the

Town Council which stretched into early Tuesday morning. The first 2 1/2 hours of the meeting was devoted to the hearing of citizens. Then the Council got down to work and approved most of the measures on the agenda

by a 3-2 vote with Councilman James R. Golden and William H. Cullen opposed and Mayor Nicholas R. Pico and Councilman Robert Westby and Ralph Casale favoring the measures.

The development of the Lobnitz tract into a 43 - home, one family

development drew more criticism from residents of Piengie Drive, who had proposed the erection of a bridge that would have connected the development with Chestnut and Hill Street.

Much of the criticism was directed at the Planning Board, which was accused of stating that the proposed rerouting of traffic was useless.

Early Tuesday morning the Council accepted the map of the developer with the road connected to Piengie Drive by a 3-2 vote with Cullen and Golden opposed.

The biggest amount of criticism was directed against the proposed creation of three supervisory posts - Foreman of streets and sewers in the Department of Public Works; Recreation Maintenance Foreman, and assistant superintendent in the Signals Department.

Mrs. Sally Hood challenged the legality of the naming of a Recreation Maintenance Foreman and said she would bring a lawsuit against the department if the Council accepted the Code was withdrawn by Attorney Leslie Finch following the election of the present Council.

Mrs. Joan Barnes, rapport the proposed creation of the posts by Mrs. Hood but said she broke down of divisions in the department was omitted when the Code was withdrawn by Attorney Leslie Finch following the election of the present Council.

## Memorial Services Set Monday At Monument, Town Hall, Bridge

Belleville will honor its War Dead with a Memorial Day program to be held at the Union Ave. Monument Monday at 9:45 A.M.

In recent years the attendance has dwindled at these services and George K. Mitchell of the Veterans Council, is asking the people of Belleville to pause for an hour and attend these services.

He said the services are arranged by the Belleville Veterans Council for the citizens of Belleville and a large crowd should be fitting on this occasion.

The program is as follows: Massing of colors led by Belleville High School Band, Mr. Wing conducting.

Invocation by Rabbi Victor Cohen. Selection by Second Baptist Church Choir.

Placing of Flowers in Memorial Wreath by the following: American Legion, Post No. 105, Jack Throckmorton, Commander; and Harrell Rawcliffe, Auxiliary Pres.

Rev. Sixtus Rothwell will offer the first Mass on Sunday at 10:00 A.M. at Our Lady of Loretto Seminary Chapel, Loretto, Pa.

Father Rothwell recently completed the prescribed course of theology at Our Lady of Loretto Seminary, climaxing nine years of clerical studies prerequisite to ordination.

Rev. Sixtus Rothwell will offer the first Mass on Sunday at 10:00 A.M. at Our Lady of Loretto Seminary Chapel, Loretto, Pa.

BY LAWRENCE E. HAYTER

In a surprise move in the wee hours of Tuesday morning, the Board of Education majority relieved Superintendent of Schools Dr. Frank M. Durkee of his duties with full pay pending the outcome of an investigation into "efficiency and effectiveness" of Dr. Durkee and the entire school system.

The action came at 3:30 a.m. after an overflow audience of 100 citizens, the majority of whom opposed the investigation, had dwindled to 35.

No limit was set on the amount to be spent from school balances on the investigation. The probe will be conducted by a yet unnamed private investigating firm under the supervision of the New Jersey Education Association "for any other such qualified organization."

According to Board President Ernest S. Arvidson, the investigating firm will probe "non-educational actions" such as unauthorized use of school property by Durkee, while the education group will investigate relationships between Durkee and other school personnel.

A lengthy seven-point preamble to the investigation resolution summarizes a series of five secret board meetings following the revelation that Durkee had used 54 cents worth of school supplies to duplicate copies of a petition opposing dual control.

Arvidson stated the investigation was being undertaken not because of the unauthorized use of school equipment but because Durkee had "deliberately" deceived the board in refusing to divulge information about the use of the equipment.

The resolution also mentions unspecified "numerous infractions of professional conduct and insubordinate acts of the Superintendent."

Board Vice President Mrs. Norma McCool, a Durkee supporter, said the "numerous infractions" discussed included an estimate of improvements to the school One principal's office which resulted in Durkee's exceeding the limit on unauthorized expenditures, and a charge of misusing school funds in purchasing plywood for bookshelves.

Majority board member, called Durkee of creating a post staff morale by his authoritative, and of having a philosophy of "undermining" other school personnel to solidify his own power.

Nearly seven hours after the meeting began Durkee got a chance to reply to the charges. He promised, "this psychological attack of rumor and gossip is going to end, and I'm not walking out until I see it end."

The board majority had asked Durkee to resign at a May 12 executive session. Durkee's attorney notified the Board of his refusal to step down.

Durkee said that if the investigation is impartial as the majority promises, "you will find there is no reason for a new superintendent." The superintendent said he had been "devilled" all the way by certain Board members, and said the lack of communication between himself and the board presidents over the past two and a half years was the fault of presidents Juliano and Arvidson, "who had the power to remedy the situation."

"No matter what this board does or doesn't do at this point," said Durkee, "they can never erase the concrete evidence of my efforts in bringing Belleville a new high school."

Minority Board member Richard Durkee charged the Board with violating "the principle that a man is innocent until proven guilty by passing a resolution which seeks to condemn the superintendent while pretending to authorize an investigation to

DR. FRANK M. DURKEE — Answers his antagonist

## Welcomes Fair Probe Of Schools — Durkee

Dr. Frank M. Durkee, who is Superintendent of Schools early Tuesday morning by the Board of Education, said Tuesday afternoon that he would "welcome a fair investigation of the school system and the leadership of the superintendent."

In a prepared release Dr. Durkee said:

"Use of a Xerox machine, no Board of Education property, for which there is a use charge of \$0.45 per copy, to complete a few duplicate copies of a petition to be delivered to the Board of Education has been parlayed into an

investigation of the school system and the Superintendent. That this incident has been made into a

mountain is not surprising to those who have followed the state

maintains and activities of some board members. A fair investigation by an educational group is

divided to cause him to lose the right of the school system and its progress of the school system, and the leadership of the superintendent.

"The people know how well their schools have moved ahead since 1961. They know that the new high school, the junior high school, the better elementary schools, the improved curriculum and the evidence of better quality performance throughout, in-

cluding sports, musical activities, and student activities did not just happen. They know that educational leadership has been the fountainhead of this progress. For the most part dedicated people are working in the schools. Efforts for improvements are always hard for some to accept. The good administrator is paid to do the job, even if it is not always popular.

A level-headed board member which there is a use charge of \$0.45 per copy, to complete a few duplicate copies of a petition to be delivered to the Board of Education has been parlayed into an

investigation of the school system and the Superintendent. That this incident has been made into a

mountain is not surprising to those who have followed the state

maintains and activities of some board members. A fair investigation by an educational group is

divided to cause him to lose the right of the school system and its progress of the school system, and the leadership of the superintendent.

cluding sports, musical activities, and student activities did not just happen. They know that educational leadership has been the fountainhead of this progress. For the most part dedicated people are working in the schools. Efforts for improvements are always hard for some to accept. The good administrator is paid to do the job, even if it is not always popular.

After much deliberation on Dr. Durkee's deceptions, the Board of Education determined that it could no longer tolerate such behavior without risking further injury to our school system.

Some citizens may believe that the Board has been far too tolerant, but the Board felt obligated to give Dr. Durkee every opportunity to make corrections, which he failed to do. In spite of this

(Continued On Page 15)

## Relieving of Dr. Durkee Explained by Arvidson

Ernest S. Arvidson, President of the Board of Education, explained the reason for the relieving of Dr. Frank M. Durkee as superintendent of schools Wednesday morning in a prepared release.

Arvidson said: "On Friday evening, May 7, at the Board of Education Office, Dr. Durkee was shown charged a series of petition signatures which were found in a duplicating machine in the school building. The Board of Education asked the question: 'Does anyone know of the use of this machine in this manner?' No one responded, including Dr. Durkee. It was stated that there were only three keys to the room. It was known which offices had these keys. Again the question was raised that if anyone knew of the use of this machine it would be much better to inform the Board now than to wait until the Board will no longer respond. Next, a direct question was asked the superintendent of each department: 'Do you have any knowledge of who used this machine?' No, said Dr. Durkee. 'Yet when it became apparent that the Board of Education would find the party responsible and Dr. Durkee had been so informed by Mrs. McCool, a member of the Board, he called the Board President and offered to make a statement.' A statement was made Monday morning by Dr. Durkee. Even in this statement, Dr. Durkee tried to minimize his deceit by attempting to implicate others in other events. He tried to indicate that it was a matter of a few cents material used. In this statement, Dr. Durkee admitted that he lied to the

ERNEST S. ARVIDSON

Board of Education. He did this in an effort to cover up his participation in this plan to undermine the Board of Education. Should it be necessary for a per-annuity earning more than \$19,000 per year and the highest school official in the community to degrade himself in this manner? This was an insatiable lust for power?"

After much deliberation on Dr. Durkee's deceptions, the Board of Education determined that it could no longer tolerate such behavior without risking further injury to our school system.

Some citizens may believe that the Board has been far too tolerant, but the Board felt obligated to give Dr. Durkee every opportunity to make corrections, which he failed to do. In spite of this

## Juliano Raps Durkee On Textbook Purchase

Tensions building toward the final item on the school board agenda ousting Superintendent of Schools Dr. Frank M. Durkee pending an investigation of his efficiency and effectiveness burst into highly emotional charges on Monday's meeting.

Board member Nicholas S. Juliano objected to payment of a \$2,100 bill for new elementary textbooks at the end of the school year. Juliano charged Durkee with trying to get around the deletion of a \$2,000 contingency item in his textbook appropriation made by the board last month by spending \$2,100 of this year's budget for next year's books.

Juliano called Durkee's book purchase "an example of the loose practices we're trying to stop." The board agreed to consider at its next meeting cutting next year's book appropriation by the amount of the recent book purchase.

Board member Dr. Frank Di Ruggiero objected to the routine approval of newly-hired teachers when he learned that a new business education teacher was necessary to replace Belleville Education Association president George Nucera, whom Durkee transferred to the guidance department.

Dr. Di Ruggiero said the transfer "smelled to high heaven" at a time when Durkee was attempting to line up the support of the BEA. Di Ruggiero said the transfer meant Nucera "will get more money later on," but Durkee observed that the board has set guidance pay scales at the same level as classroom teachers.

When board vice president Mrs. Norma McCool suggested that Di Ruggiero wanted to hold the guidance position for his son-in-law, a former high school English teacher now doing graduate study, Di Ruggiero replied with a charge that Durkee had offered "to take care of my son-in-law" if Di Ruggiero would take the pressure off Durkee.

Earlier Di Ruggiero was forced to back down on a charge that former board president Dominic A. Lally, acting as an emissary for Durkee, had threatened Di Ruggiero's children's school career would be harmed if the board member voted to investigate Durkee.

When challenged by Lally to repeat his charge, Di Ruggiero amended his original statement to Lally "said that if I didn't vote his way, I wouldn't be a friend of his."

## Service Club To Landscape Senior High

Thomas J. Jameson, Vice-President of the Kiwanis Club of Belleville, made a tour of inspection, Thursday morning, of the Senior High School campus to determine landscaping needs. Accompanying him was Thomas C. Gryczka, principal of School Eight, who will serve as head gardener this summer.

Jameson agreed to underwrite the cost of material, and supply the labor involved in landscaping the east court, which will be patterned after an American Colonial garden, found in restored Williamsburg, Virginia.

The adaptation will be simple in design, well balanced and secluded. The path will be paved with brick (another characteristic of early American gardening). Ilex convexa will replace boxwood, and low flowering shrubs will be used instead of trees. Operations will begin July 1st.

## Town's New 85-Foot Aerial Ladder Arrives

IT'S HERE — The long-awaited 85-foot aerial ladder (above) arrived Monday, exactly two-years to the day since it was requested by the Town Manager. The arrival of the \$44,000 piece of equipment was two months late but Fire Chief Carl F. Hundgründ said it was worth waiting for. "It's really a dream piece of equipment," said the Chief. He said the power-steering operates like a charm. In the left photo the Chief poses at the end of the 85-foot ladder. The first man to test it, Chief Hundgründ said the ladder was glossy as a rock.

## Foundation Plans \$500 Scholarship

A new outright scholarship grant has been authorized by The Belleville Foundation. The announcement of the grant to be made available to eligible students of the Graduating Class of the New Belleville High School was made by Paul de Hagara, chairman of the Scholarship Fund Committee. This scholarship will represent the first of such awards to be made annually thereafter.

The three points to be considered in determining the winner will be scholarship, service and need. The candidates for the scholarship will be considered on the basis of applications submitted to the Guidance Department of the High School. Such students as are considered eligible by Principal Raymond O. Smith and Guidance Director, Herman Knuppel, will be submitted to the Scholarship Fund Committee for the selection of the winner. Applications must be in the hands of the Guidance Office not later than June 1. The Scholarship Fund Committee will interview the eligible candidates and determine the winner, at their meeting on June 7. The presentation of the scholarship grant will be (Continued On Page 15)

# Juliano Takes Issue with McCool

Nicholas S. Juliano, member of the Board of Education, attacked Norma McCool's statement in last week's Times - News as "endless ramblings of an over-active imagination" used to protect Dr. Frank M. Durkee, superintendent of schools who was relieved of duties Tuesday morning.

In a prepared statement Juliano said:

"Citizens might otherwise have been more impressed by the Board vice-president's over-emotional appeal and her intuitive 'maternal instinct to protect' at all costs an incorrigible and wayward offspring." If her "reports" were factual and more coherent rather than endless ramblings of an over-active and inventive imagination. First, (Fabrication No. 1) she invents non-existent rules, policies and questionable ethics to justify her alleged "deviations" by her colleagues. In perusing her "reports" of meetings and conferences, board members must wonder whether she attends the same meetings and conferences or confuses them with the private conferences she has with the superintendent of schools after almost every board session?

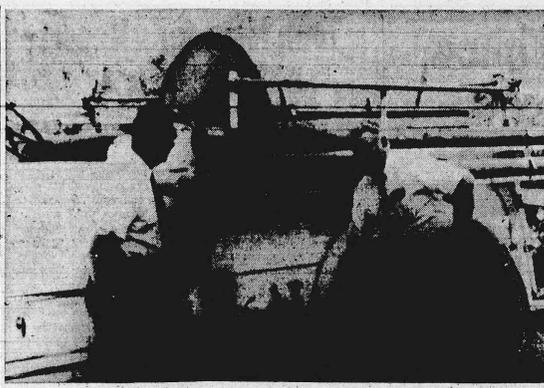

Her pre-occupation and concern over the superintendent's absence at the inception of her May 7th conference, or an inaccurate recollection might be used to explain her deliberate omission of the fact that board member Nicholas Juliano was NOT in attendance at that emergency conference due to a previous commitment? Therefore her allegation that "whereupon the majority bloc decided to hire a private investigator..." is a fabrication No. 2) When she alleges deviation from "ethical policy" (Fabrication No. 3) be-

cause a board member rightfully examines submissions to the board that become public documents, it either displays a naive ignorance of ethics and responsibilities or a reprehensible attempt to suppress the exposure of facts. What brand of ethics, if any, condone a board officer, the vice president, and a board employee, the superintendent, actions in conflict with their respective responsibilities to uphold and implement established board policy through their active association with the CCADC???

What brand of ethics permit them to foment and encourage political opposition to achieve their devious ends?? Under what category of "ethics" does she place and condone the superintendent's violation of his own directive?? Does she imply that he is above his own directives and subsequently those issued by his employer, the board?

The "hate," the "vendetta," and the "bloc" she invents and alleges are glibly used to conceal the truth and to distract citizen attention from the issues. The only "blobs" we need to fear are "mental" because they obstruct and impede progress! Perhaps McCarthyism isn't so dead after all? While noting what it termed the "incompleteness" of public meeting minutes, the 1962 Grand Jury presentation emphasized its concern over the "assumptions" power by the Superintendent of Schools as evidenced in this case by: "...use of school barring of the high school principal from his own school print shop at the order of the superintendent of schools."

"It is one thing to piously deplore the political implications in school board matters, but quite another matter for the vice president and the superintendent to encourage CCADC petition solicitations through political channels and making spurious charges of 'bloc.' Such tactics rarely, if ever, deceive the clear thinking citizen. It would be equally nonsensical and ridiculous to charge a 'McCool - Durkee bloc' because their views are wedded to each others' or because they hold private sessions between them to the exclusion of other board members, or because they happen to retain the same legal counsel. The devious techniques have yet to be invented or imagined

**WATER SAVER** — Fire Chief Carl F. Hundertfund, left, and Town Manager John R. Burnett look over the water truck local firemen designed and built that will be used to transport river water to playgrounds and other Town areas where water is required and to brush and dump fires without cutting into the already low water reserve.

the grass at playgrounds and recreation fields and extinguish brush and dump fires without using the Town's regular water.

"The manager told me we would have to take water out of the rivers to save the grass," said Chief Hundertfund, so we decided to suspend operations on the construction of a rescue truck on old Number 4 pumper which was taken out of service when the new pumpers arrived.

"The men visited oil burner installers and scrounged a 550-gallon tank, made the straps out of discarded straps found at the railroad sidings and made the necessary fittings out of old hose couplings and pieces of pipe we had laying around.

"One of the biggest gains is that this piece of equipment will allow only one man to take the water out of the river."

## Greater Effort Needed In Water Conservation

Town officials are disappointed with the size of the decrease in water consumption during the first week of restrictions on unnecessary water use.

After the first week of the ban, Belleville is drawing less than four and one half percent less water than before the restrictions went into effect.

Newark has expressed dissatisfaction with the results, comments town manager John R. Burnett. Water officials had hoped the restrictions would decrease water use by at least ten percent.

Since the restrictions went into effect May 17, an average savings of 150,000 gallons per day has resulted.

Town officials are doing their part. A water re-circulation unit has been installed at Town Hall to bring the air-conditioning system in compliance with the town's water ordinance. The changeover cost \$750.

The fire department has scrounged spare parts to assemble a tank truck out of an old booster pumper. The improvised water wagon is used to pump water for town maintenance purposes from the Passaic and Third Rivers.

The Hendricks Field and Forest Hill golf courses have also improved means of watering their greens. Forest Hill pumps water from the Third River while the county park commission is transporting water from the Branch Brook Park Lake to water the Hendricks Field course.

The police department reports 10 warnings have been issued to first offenders for violating water restrictions.

## Firemen Build Water Truck From Scrap

Local firemen used their brains and spare parts to come up with a vehicle which is expected to save the Town a lot of water and still keep it green.

Fire Chief Carl Hundertfund said the men designed and built out of spare and donated parts a water truck which will transport 700 gallons of river water to save

## It's Time for A Truce

The Board of Education majority of President Ernest Arvidson, former President Nicholas Juliano, a past president Dr. Frank DiRuggiero and new member Rocco Saletta took a hasty step early Tuesday morning and relieved Dr. Frank M. Durkee of his duties as superintendent of schools.

We were not at the meeting, which began at 8 p.m. Monday night and ended about 4 a.m. Tuesday morning. However our reporter and a host of private citizens who were in attendance have reported that it was a bitter, name-calling, mud-slinging session that would tax the common sense of any man.

The feud between Dr. Durkee and the Board majority has not been a secret to even the casual observer of our school activities. The lengthy battle over dual control of our school system has kept the fires of conflict burning.

The fact that all of the persons serving on the board and Dr. Durkee are dedicated to the improvement of our school system makes it all the more difficult for any of them to see even a little good in the proposals of an opponent. It is difficult, that is, if not impossible for all to believe that any of their personal actions could hurt the school system that they are dedicated to serve.

However Monday's meeting and the relieving of Dr. Durkee was a hasty action by men pressured by conflict into taking a drastic step without consideration of the harm such action could do to the Town, the Board of Education, the school system and the children in the system.

As far as we could learn from talking to the individuals Tuesday a meeting was to be held last night to decide by whom, what, where and when the proposed investigation of the school system and Dr. Durkee will be conducted.

This lack of planning is hardly the work of the men who have guided our school system into one that is equal to almost all other systems in the state and is far better than many of them.

We have school buildings, teachers and students of which the Town can be justly proud. The fact that so many of our students are accepted into top national colleges speaks out clearly that the education being provided our students certainly is not second-class.

The fighting spirit and success of the high school athletic teams in all sports is a record of which we are all proud. However it is this same fighting spirit that seems to have tossed the windmill when it comes to the Board of Education and Dr. Durkee.

## Sandman Supported by Ferrara

Senate President Charles W. Sandman, Jr., today received the endorsement of Gerard J. Ferrara, chairman of the Belleville Republican County Committee. Ferrara said Senator Sandman is his choice to win the Republican nomination for Governor in the June 1 primary election. Ferrara said he and a great

## Mrs. Senatore Urges Demos to Vote June 1

Town Democrats were urged to get out June 1 and vote in the primary election in an open letter issued Tuesday by Mrs. Mary V. Senatore, town Democratic chairman. In her letter, Mrs. Senatore said: "On June 1st you as a voter, shall have once again the privilege of exercising your right to vote and declare your party affiliation. As your District Leaders, we shall endeavor to serve all of the people of the districts to the best of our ability. One can only wonder, if those opposed to us, are self-styled Democrats with ambitions to serve only for selfish interest, and not you the voters of the district. Our ambition is the satisfaction one gets from doing good for our fellow Democrats of our complete areas. If you sincerely want your districts to remain in good hands, and if you truly want an honest say so, in the make up of your Democratic District Leaders, you may be simply voting by the Leaders found on the A-Line."

"With much work and advice of the District Leaders endorsed your Democratic District Leaders, you may be simply voting by the Leaders found on the A-Line."

## Town Manager's Report

May 24, 1965

During the vacation absence of Police Chief Charles H. McGinnis, May 17 to June 17, 1965, Deputy Police Chief Donald Smith has been placed in command of the Department as Acting Police Chief.

Essex County has begun the construction of the Jerusalem Street Bridge over the Third River. The work will be done in sections, with the northernly half of the bridge being constructed first, followed by the southernly half.

During the construction there will, obviously be traffic tieups, but our Police Department will make every effort to expedite all traffic.

A water recirculating unit has been installed in the Town Hall to provide for the recirculation of all water used for the air conditioner in the Treasury Division. This will comply fully with the directive on conservation of water passed by the Town Council at the meeting of May 10.

The unit itself, plus installation, cost \$750. The electrical work will be in addition thereto.

On the date of the publication announcing our water proclamation ordinance, May 13, the consumption in Belleville was 4,348,039 gallons. The following day, consumption was reduced to 3,560,468 gallons, and on Saturday, May 15, reduced still further to 3,477,064 gallons. However, on the 16th, the last day before mandatory restrictions were imposed, the consumption rose to 3,928,443 gallons on Monday, May 17, the consumption rose still more to 4,498,472 gallons, but receded again on Tuesday, the 18th, to 4,279,817 gallons.

It is obvious that the people of Belleville are attempting to cooperate in water conservation, but greater efforts must be made in the face of the increasing of the water reserves.

Apparently, a misunderstanding has arisen as to my request for supervisory positions in the Department of Public Works, both as to when I requested such supervision and amounts of the increases.

Well over a year ago I discussed this with the Town Council, and on May 25, 1964, in my Manager's Report of that date I stated:

"At the present time we have only a foreman in the Water Division and one in the Shade Tree Division. Proper supervision and control requires a foreman for the Division of Streets and Sewers and one for the Division of Recreation Maintenance. Because all of these positions have a functional relationship, I feel that the salary range for the positions should be similar. At present the Shade Tree foreman has a salary range of \$5237. to \$9809. a year. The salary range of our Water Division foreman is \$4500. to \$6250."

As stated above, we have no foreman in our Streets and Sewer Division nor for Recreation Maintenance. It is my intention to draw an ordinance for presentation to the Council at the meeting of June 8 stabilizing all foremen's salaries in the Department of Public Works to a range of \$5237. to \$9809. In the same ordinance, I will also establish the title of foreman for Streets and Sewers and for Recreation Maintenance.

I believe these steps are necessary for proper administration and continuity of work pattern, and recommend that the Council consider this ordinance, which is presented in a favorable light."

At that time, Councilman Cullen stated he wished to have this matter of supervisory personnel "held and made a part of a separate meeting so that the entire matter could be gone over thoroughly."

Councilman Golden, agreed with Councilman Cullen, since raises had been given out to the various directors of the different departments involved, and he felt that they could do some of the supervisory work as well as Mr. Burnett, rather than to add more employees at an additional cost to the taxpayers.

I am still firmly convinced that these foremen are necessary for

between three and five years to spend. The surplus in funds appropriated for educational needs, institutions and highways. Some of the money is currently in the budget and the remainder is in money approved in bond issues.

"It is about time the Republican voters got behind a candidate who can win," Ferrara said. "Senator Sandman, because he offers a choice on the tax issue, is that candidate," Ferrara said. Ferrara said he will work for the election of Senator Sandman and urged all local voters to do the same.

proper operation of the divisions involved, and their appointments will result in additional efficiency and economy. They then add an additional cost to the taxpayers. I have commented on this when discussing this subject, that these promotions, if authorized by the Town Council, will not result in hiring additional personnel to replace the men so promoted. I have also pointed out that promotional examinations would be restricted to the present employees by Civil Service rules and regulations.

The entire problem was brought into sharp focus in the past two months when Superintendent of Public Works Ralph A. Vara underwent major surgery, and it was necessary to assign other employees from their regular duties to provide the necessary supervision.

It is also a fact that Superintendent Vara has consistently asked for these supervisory appointments, as has Superintendent of Recreation Robert E. Cook.

The total sum involved for the two positions, at final maximum, will be \$3218. As required by our salary schedules, this increase means that the present salary of \$2989 should be increased from his present \$2520 to \$9809 per year. All departmental foremen would then receive equal pay. Because of the above mentioned salary ordinances, this increase also would be projected over a six-year period. The actual increase for this year would amount to only \$477. or total cost increase, for all three positions, in 1965 of \$3135.

The increase for the Signal Superintendent to equate his salary with that of the Deputy Chiefs of the Uniformed Divisions, would amount to \$790. at full maximum. Because of our increment system, the increase for 1965 would amount to \$55. The number of men to be supervised, under direction, by the

## Gryczka Named Head Gardener

During a conference of the Board of Education on the evening of May 12th, it was decided that Thomas C. Gryczka, Principal of School Number Eight will serve as "Head Gardener" of the Senior High School campus this summer. He will have a team of six college men on vacation with him.

Gryczka has a background of gardening, dating back many years from his days at School Nine, his own home in Wayne, and School Eight. He is self-taught, but generally seeks advice from the Essex County Agricultural agents on every undertaking.

June 4 he will spend on the Cornell University campus studying materials and design. The N.Y. State College of Agriculture is located on the Cornell campus, Ithaca, New York.

The work on the Senior High will begin July 1. Some preparations have begun.

The Board of Directors of the Belleville Chamber of Commerce at their regular meeting Tuesday authorized the Executive Committee to proceed in the most expeditious manner to take such action as may be necessary should the Belleville Town Council at its first meeting in June fail to take action or act in a manner unsatisfactory to the clearly stated Chamber objectives with reference to license ordinance.

Every case the division head has been consulted, Civil Service rules strictly observed, and every appointment made by me in line with the recommendations of said division heads.

I state as a fact that if the Council grants the supervisory positions I request, Superintendent of Public Works and Affairs

Vara and Recreation Superintendent Cook will be consulted as to their choices, and their recommendations will be paramount in my decisions.

since 1702, which the Chamber had opposed since its adoption last fall.

Discussion at the meeting revealed that the Board members are disturbed that so much time has elapsed since the matter was brought to the attention of the Council last fall, at a special meeting held on March 19 with the Town Council and a discussion between the Town Attorney and Counsel for the Chamber held April 5.

The chamber believes it has waited in good faith for a recommendation for amendments proposed by acting Town Attorney Charles B. Tedesco. Now it wants action if Tedesco fails to act in early June as he has promised.

# PERSONAL AND SOCIAL HIGHLIGHTS OF THE WEEK

## St. Lucy Sodality Elects Mrs. Rocco Paolercio As President

Mrs. Rocco Paolercio was elected president of the St. Lucy Sodality of Holy Family R. C. Church, Nulley, Wednesday, May 19, at a meeting in the CYO building.

Other new officers for the coming year are Mrs. Steven Scala, vice president; Mrs. Charles Serone, recording secretary; Mrs. Ubert Diva, corresponding secretary and Mrs. Cesar Cesarino, treasurer.

New board members include Mrs. Carmen Gullari, Mrs. Frank Lopez, Mrs. Anthony Mauricello, Mrs. Joseph Guarino, Mrs. Benigno Sisto, Mrs. Fredrick Uberti, Mrs. Vincent Capobianca, Mrs. Carmen Silvestri, Mrs. Alvaro Fabio, and Mrs. Alfred Esposito.

Installation of officers and initiation of new members will be held Monday evening, June 14, at the Rev. Michael Sattarelli is moderator.

## Mothers of Twins Will Install New Officers

The Mothers of Twins Club of Essex County will hold their annual Installation Dinner tonight, Thursday, May 27, at The Blue Shutter Inn on Morris Ave., Union.

The women to take office are Mrs. Emil Hensler of West Orange, president; Mrs. Robert Sincorbo of Irvington, first vice-president; Mrs. Frank Niece of Bloomfield, second vice-president; Mrs. Thomas Flynn of Maplewood, secretary; Mrs. John Párrrel of Maplewood, treasurer; and Mrs. Michael Smargasiak of Bloomfield, corresponding secretary.

A planned program will follow the installation.

## Neighborhood News

Mrs. Patricia Murray  
PL 1-1069

Mrs. Barbara Gagon  
PL 9-1420

Mrs. Angio Scatillo  
PL 9-9190

With so many friends participating in the surprise birthday party, a double night open house celebration was held on May 14 and 15 at the Bel-Brook Tavern on Belmont Avenue in honor of Peter Nappa, the owner.

With two enormous cakes on hand, over 150 people (including his seven sisters) showered him with gifts, toasted his health and enjoyed the entertainment of the Shorty Cross Trio.

Nappa, a resident of Belleville, has been the owner of the Bel-Brook Tavern, located in the Silver Lake section, for over 20 years.

Achim had a special assembly on May 23 to hear the Israeli folk-singer Zvi Dagan, which proved a most enjoyable treat.

At the annual State Convention of Jaycees in Asbury Park last weekend, Belleville proudly introduced their 1965 Cherry Blossom Queen, Gwen Gaudio, and the runners-up Barbara Wittman and Joann Skidmore, to the rest of New Jersey. After the parade, the girls and their chaperones, Mr. and Mrs. Robert Kittle, were entertained at a luncheon at the Berkeley Carteret Hotel.

Those from Belleville enjoying their bridge games were Mrs. Joseph Riley, Mrs. L. W. Amy, Miss Dorothy Keown, Mrs. William Finnegan and Mrs. James Mullaghy.

The Tuesday night Ladies Bowling League from the North Arlington Bowl-drome, held their annual bowling banquet at Beppe's. Among the lucky ones who took individual awards were Miss Mary Ward and Mrs. George Lister. Also having a good time were Mrs. George Lynch and Mrs. Frank Haight.

The parents of School Ten got together for a Saturday evening at Beppe's Restaurant on May 22. Mrs. Daniel Miller made all the arrangements, including the music by the Videos, led by Miss Mary Ann Renga of Belleville. We hear it was a swinging success. — B.G.

### ENJOY CONVENTION

Making "whoops" at the annual Knights of Columbus Convention in Atlantic City were Mr. and Mrs. T. William Sloan, Mr. and Mrs. George Mahler, Mr. and Mrs. Michael Dacey, Mr. and Mrs. George Urchel, Mr. and Mrs. Eugene Barnett, Mr. and Mrs. Willis McDonald, Mr. and Mrs. Nick DiGiovanni, Mr. and Mrs. John Ryan, Mr. and Mrs. Russell Thomas, Ray Reilly and William Peck.

All the men are members of Belleville Council 835. They and their wives enjoyed their stay at the Continental Motel, seeing old friends and making new ones from all over New Jersey.

### TOWN HALL CONCERT

Congratulations to Sharon Grundfest, daughter of Dr. and Mrs. Jack Grundfest of 10 Van Rappaport Place for being selected (at the final audition) as one of the 18 winners to perform at a concert at Town Hall in New York City on June 12. Sharon will play Grieg's Sonata in E Minor on the piano.

The Women's Wednesday night Bowling Recreation Club is giving their annual bowling banquet on May 19 at the Galaxy. Mrs. Roland Smith of 276 Hornblower Avenue was elected secretary for the league for the coming year.

Having a "ball" and bemoaning the fact that they were not the top team (they are already planning to do better next year) were Mrs. Robert Malleck, Mrs. Frank Verian and Mrs. Michael Rosamelia.

Next year the league will play at the Broad and Jay Lanes in Bloomfield.

Mr. and Mrs. Richard W. McClintock of Wallace Street, are receiving congratulations on the birth of their first child, a daughter, Donna Joan, May 18 at Clara Mass Memorial Hospital.

Mrs. McClintock is the former Suzanne Merle Quimby, daughter of Mr. and Mrs. Richard J. Quimby of Emily Avenue, Nulley. McClintock, who is associated with Hoffmann - La Roche, Inc., attends Fairleigh Dickinson evening courses. He is the son of Mrs. T. O. McClintock, of Nulley. The maternal great-grandparents are Mr. and Mrs. Herbert B. Reed of Nulley and Mrs. Thomas Bertolo of Oakland.

## Mrs. DiRuggiero Is Installed As PTA President

School No. 3 held its annual installation of officers for the coming year recently in the school's all-purpose room. Mrs. Charles Haight, a past president, conducted the installation ceremony.

Officers installed were president, Mrs. Frank DiRuggiero; first vice-president, Mrs. Raymond Boxer, second vice-president, Mrs. Charles Neiningger; third vice-president, Mrs. Maurice Liscio; corresponding secretary, Mrs. Paul McDonnell; recording secretary, Mrs. Michael Litsner; treasurer, Charles Watson.

A movie on Watersports and Its Safety was presented by Leonard Bade, a life guard instructor for the Red Cross.

The executive board gave its annual dinner for the faculty on Wednesday, May 12. The theme of the evening was Mardi Gras. Mrs. Mary McDonnell was general chairperson, Mrs. Marie Deke was in charge of decorations, and Mrs. Grace... especially received the entertainment.

Those who participated in the program were Mrs. Helen Kerr, Mrs. Mary Neiningger, Miss Beatrice Neff, Mrs. Anita Schultz, Miss Joan Synder, and Mrs. Joanne Yacovella.

### RECEIVES LICENSE

Miss Joan Wolczak of 3 Fulton Street, Nulley, recently received her real estate license from the Vail School of Insurance and Real Estate and is now employed with the Barbetta Agency of 77 Washington Avenue, Belleville.

## Fix-up bug got you?

### Let Fidelity help with a low-cost Fix-it loan

A Fidelity Fix-it loan (borrow up to \$3500) is something like a hammer. It's easy to pick up—there's a friendly office near you in Newark, Belleville, East Orange or Irvington. And, like a hammer, a Fix-it loan is easy to handle—low interest, up to five years to pay. Best of all, when you repair or remodel with Fidelity money, you'll never miss and smash your thumb.

# WEDDINGS AND ENGAGEMENTS IN SOCIAL SPOTLIGHT

## Holy Family Scene Of Nuptials For Miss Virginia Cuzzi, Thomas Worley

MRS. THOMAS WORLEY  
Former Virginia Cuzzi

Miss Virginia Laura Cuzzi, daughter of Mr. and Mrs. Philip Cuzzi of 77 Perry Street, Belleville, was united in marriage to Thomas Allen Worley, son of Mr. and Mrs. Edward Worley of 293 Washington Avenue, Nutley, on Saturday, May 22 at Holy Family R. C. Church, Nutley. The Rev. Michael Sallandrilli performed the late afternoon ceremony, and Mrs. Jean Lessa, the church organist, provided the music. A reception followed at Thomm's Restaurant, Newark.

Given in marriage by her father, the bride wore a gown of ivory silk peau with a scoop neckline, short sleeves and a high rise waistline. A lube skirt was embroidered with crystals, sequins and pearls on the front of the gown and also on the top of the detachable high rise chapel train. Her headpiece was a dome of alencon lace with beaded pearls and held an elbow length bubble shaped veil. She carried a bouquet of white orchids.

Miss Laura Battaglia of Belleville, cousin of the bride, served as maid of honor. The bridesmaids included Mrs. George Sheridan, Miss Barbara Carbone and Miss Diane Battaglia, cousin of the bride, all of Belleville. Another cousin, Miss Susan Haber, of Butler was a junior bridesmaid. They were all attired in floor length easy sheaths of maize chiffon featuring empire waistlines and elbow length veils.

The bodice was trimmed with green and yellow flowered applique and fern green velveteen ribbon accented the raised waist and sleeves. Coty girl picture hats of fern green straw matched the gowns and they carried baskets of assorted spring flowers.

The mother of the bride was costumed in a floor length bell skirted silk organza gown of sea foam with a scoop neckline. Crystal beading was featured on the bodice and her accessories matched her dress. The mother of the bridegroom also chose floor length silk organza in light blue and wore a matching pill box. Both mothers wore white cymbidium orchid corsages.

Wayne Worley was his brother's best man. George Sheridan, Dennis Korman and William Ellis all of Belleville served as ushers and Philip Cuzzi, Jr. the bride's brother, was a junior usher.

The bride is a graduate of Belleville High School and attended Trenton State College. She is employed by IIT Federal Laboratories, Clifton. Mr. Worley spent most of his three years of Army service in Germany. He is with the Ironworkers Local No. 40 in New York City.

The couple plan to reside in Nutley after a wedding trip to Nassau.

**HONEYMOONERS** in the clouds; Mr. and Mrs. Fred Wendling of Belleville were taken on an aerial tour of the Pocono Mountains during their honeymoon at Birchwood in the Poconos by social director Ed Coover, right. Mrs. Wendling is the former Rosanna Tedesco. Wendling is employed by the Beister Weidmann Co.

## Mrs. John E. Clayton-Named Court Gratia CDA Regent

Mrs. John E. Clayton Jr., of 30 Whitford Avenue, Nutley, will be installed as grand regent of Court Gratia, 751, Catholic Daughters of America, Monday evening, June 7 at 8:30 o'clock in the Knights of Columbus Hall, Nutley. She will succeed Mrs. Fred A. Scott Jr.

The installing officer will be Mrs. George Urchol, district deputy. The Rev. Gerard W. Walsh, assistant pastor of St. Mary's Church, Nutley, and chaplain of the Court, will be present at the installation ceremonies.

A native of New Brunswick, N. J., before moving to Nutley 11 years ago. She is a graduate of St. Peter's Hospital School of Nursing, New Brunswick. Mrs. Clayton has been a member of Catholic Daughters for many years, having joined Court Loretto 287, as a junior.

She has served as historian for Court Gratia. Mrs. Clayton is an active member of St. Mary's Rosary Society, Family Life Apostolate, Girl Scouts and St. Mary's Library Guild.

Mr. Clayton is the New York Divisional Sales Manager of the R.T. French Co. The Claytons have seven children; Mrs. Clayton (Eileen) Omen, a registered nurse, now living in Fremont, Calif.; Mary Louise, also a registered nurse, now at Georgetown University Hospital, Washington.

## Rodino Auxiliary Tours Washington

Mrs. Arthur Rosanio of 149 Brighton Avenue, Belleville, was recently elected President of the Peter W. Rodino, Jr. Association Auxiliary for the year 1966. Installation will be held next month.

The auxiliary visited Congressman Rodino in Washington last week's end. Highlights of the trip included a meeting with House Speaker, John McCormack, a visit to the Kennedy gravesite where the women placed a wreath and later had tea with the wife of the Italian ambassador.

Mr. Rosanio operates a fuel oil business in Belleville. Their daughter was a contestant in the recently held Cherry Blossom Queen Contest.

MRS. JOHN CLAYTON

D.C. Janice, a dental assistant in the office of Dr. Anthony La Forgia, of Nutley; Karen, a junior, and John, III, a sophomore at Nutley High. Constance will be graduated in June from St. Mary's School and Christine is in the third grade there.

Other officers to be installed include Mrs. John Drukten, vice grand regent; Mrs. Jerry Czarnecki, prophetess; Mrs. Chester Murphy, financial secretary; Mrs. Albert J. Inde, treasurer; Mrs. E. Malcolm Condon Jr., historian; Mrs. John Budenas, lecturer; Mrs. Wilbur Furlong, monitor; and Mrs. John Clark, sentinel.

The trustees will be Mrs. Scott, Mrs. David Liddell, Mrs. Mortimer Warren, Mrs. James Mull, Mrs. Gerhard J. Kunst and Mrs. Willard Simpson.

## Miss Joyce I. Dring Has Nuptials In St. Peter's; To Live in Nutley

The marriage of Miss Joyce Idella Dring to Louis Patrick De Meo was solemnized Sunday afternoon, May 23, in St. Peter's R. C. Church, Belleville. The ceremony was performed by the Rev. James Heavey, and Miss Angelina Chimento sang. The reception was held at Royal Hawaiian Palms, Lyndhurst.

The bride is the daughter of Mr. and Mrs. Thomas Dring of 69 Bell Street, Belleville; the bridegroom is the son of Mr. and Mrs. Morris De Meo, 221 North Belmont Avenue, Belleville.

Given in marriage by her father, the bride was gowned in white peau de soie fashioned with silk organza bodice trimmed with beading, scoop neckline and short sleeves. The A-line, empire style skirt flowed into a chapel train.

A petal headpiece held her elbow length veil of illusion and she carried a bouquet of carnations and orchids.

The bridegroom's sister, Miss Marianne De Meo of Belleville, was maid of honor. She wore a coral shantung floor length gown with scoop neckline, short sleeves and A-line skirt. A candle colored headpiece completed her ensemble. Her flowers were coral tipped carnations.

Bridesmaids included Mrs. Philip Cerza and Miss Phyllis Libertell of Belleville, a cousin of the bridegroom, Mrs. Joseph Intrabartola of Orange, and Miss Linda Di Pasquale and Miss Elverna Thatchers, both of Newark, cousins of the bride.

Their gowns were coral and candle colored, and their headpieces were in coral.

Angelo Zecca of Bloomfield served as Mr. De Meo's best man. Ushers were Philip Cerza, Alfred Russo, Thomas Dring, brother of the bride, all of Belleville, and John Libertell and Anthony Trappaso of Newark, the bridegroom's cousins.

The mother of the bride was attired in an apple green chiffon and chantilly lace street length sheath with matching accessories and corsage of apple green tipped carnations. The bridegroom's mother chose an orchid chiffon A-line street length dress with accessories to match and a corsage of orchid tipped carnations.

## Nursery Group Picks President

Mrs. Herman J. Harris, Director-Teacher of the Tena Harris Nursery School in Arlington, has been elected president of the Essex-Hudson Chapter of the Association for Nursery Education. Mrs. Harris has served this organization during the past four years as first and second vice president. Her school has served the children of Belleville and Nutley for the past 10 years.

Mrs. Harris is presently the state vice president of the N.J. Congress of Parents and Teachers and in this capacity was a delegate this past week at the National convention of the Congress of Parents and Teachers held in New Mexico.

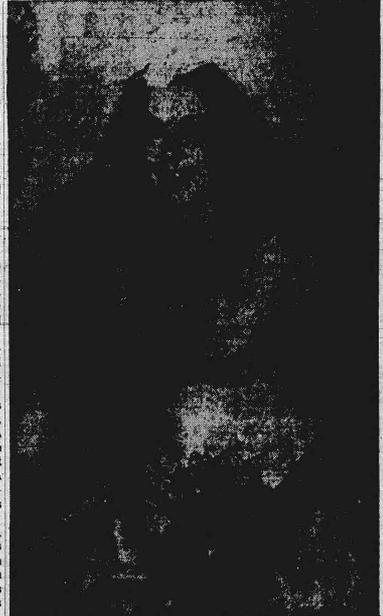

She was cited recently for her contribution to education by the West Hudson Business and Professional Woman's Club. She also serves as eighth District Federation Chairman of the Federation of Women's Clubs.

## Sylvia Francesco Joins Fraternity

Twenty-four Montclair State College students were initiated into Pi Omega Pi, the Business Education Honor Fraternity at the Brownstone House in Paterson during the Spring Semester, 1965.

Miss Sylvia Francesco, daughter of Mr. F. G. Francesco of 117 Rutgers Street, Belleville, was among those initiated.

Speaking to the group was Dr. Stephen Kowalski of the Science Department of Montclair State who spoke on, "Consumers' Protection Laws."

MRS. LOUIS P. DE MEO  
Former Joyce Dring

thony Trappaso of Newark, the bridegroom's cousin.

The mother of the bride was attired in an apple green chiffon and chantilly lace street length sheath with matching accessories and corsage of apple green tipped carnations. The bridegroom's mother chose an orchid chiffon A-line street length dress with accessories to match and a corsage of orchid tipped carnations.

The couple will make their home in Nutley when they return from a wedding trip to the Poconos.

## Pastor Slegel Will Attend Synod Conclave

Delegates from 181 congregations throughout the state will attend the third annual convention of the New Jersey Synod, Lutheran Church in America, in Cherry Hill June 14.

The Rev. Dr. Edwin H. Knudsen of Trenton, president of the 110,000 member Synod, will open the meetings at a Service of Holy Communion at Our Savior Lutheran Church, Haddonfield, on Tuesday, June 1, at 3 p.m.

He will preside at the business sessions which will be held in the Cherry Hill Inn. More than 350 official clergy and lay delegates are expected to attend.

The Rev. Robert L. Slegel, Pastor of the Bethany Evangelical Lutheran Church, Belleville, will be one of the delegates.

The Rev. Henry J. Berkobin of Holy Trinity Lutheran Church, Nutley is chairman of the Committee on Presidents Report. Also planning to attend from Nutley, is Earl Miller of 180 Coeyman Avenue.

Five young men will be ordained into the holy ministry at the convention. The Ordination Services set for Thursday, June 3, at 8 p.m. at Our Savior Lutheran Church, Haddonfield.

The Rev. Dr. Ewald B. Lawson, president of Upsala College, East Orange, will receive an honorary degree of Doctor of Laws from Wagner College, Staten Island, N.Y., at a special ceremony on Thursday, June 3, at 3 p.m.

The New Jersey Synod is one of 31 regional units of the LCA.

Miss Linda Wise, Parsons Student,  
Weds Joseph Nagy; On Bermuda Trip

MRS. JOSEPH T. NAGY  
Former Linda Wise

In a Saturday morning ceremony in St. Peter's R. C. Church, Belleville, the marriage of Miss Linda Wise to Joseph Thaddeus Nagy was solemnized on May 22nd. The Rev. James F. Heavey officiated at the ceremony, which was followed by a reception at Lyle's Restaurant, Kearny.

The bride is the daughter of Mr. and Mrs. Harrison L. Wise of 76 De Witt Avenue, Belleville; the bridegroom is the son of Mr. and Mrs. John Nagy of 356 Stephens Street, Belleville.

Mr. Wise gave his daughter in marriage. Her empire style crepe gown was fashioned with scoop neckline and lace applique on the fitted bodice. The A-line skirt was floor length. She wore a lace mantilla and carried a bouquet of calla lilies.

Mrs. Brant Taylor of Murray, Ky., was maid of honor. Bridesmaids included Mrs. Kenneth Ooms of Belleville, Miss Jennifer Story and Miss Phyllis Walsh of Long Island.

They were dressed in white eyelet floor length sheaths with scoop necklines and pink velvet ribbons accenting the empire-style waistlines. They wore large eyelet bow headpieces and carried bouquets of spring flowers.

Kenneth Borino of Lyndhurst served as best man. Ushers were Dennis Wise, the bride's brother, Patsy Biondi and Thomas Kosinski, all of Belleville.

Mrs. Wise wore a blue silk street-length tunic style dress with accessories to match and a corsage of blue orchids. Mrs. Nagy was attired in a beige ensemble with charrusee orchid corsage.

Mr. and Mrs. Nagy are graduates of Belleville High School. The bride is presently a student at Parsons School of Design in Manhattan. The bridegroom is with Brick Church Buick, Orange. The newlyweds will reside in Nolton Street, Belleville when they return from a wedding trip to Bermuda.

HAS CHRISTENING

Tammie Lynn Willoughby, six week old daughter of Mr. and Mrs. Thomas V. Willoughby of 4 Lewis Street, Nutley, was christened at Holy Family R.C. Church on May 23. The child's godparents are Mr. and Mrs. Lawrence Bolsarno of 13 Hillon Street, Belleville.

A graduate of Verona High School and Berkeley Secretarial School, East Orange, the bride is secretary with Chatham Electronics, Livingston. The bridegroom, a graduate of Seton Hall University, is plant accountant with Chatham Electronics.

When they return from a wedding trip to Bermuda and a short stay in the Poconos, Mr. and Mrs. Dicton will make their home in Parsippany.

Carie A. Woods

A second child, a daughter, Carie Anne was born to Mr. and Mrs. Michael Woods of 92.94 Greylock Avenue, Belleville, May 11 at West Hudson Hospital, Kearny. Birth weight was seven pounds, 14 ounces. She joins a brother, Michael John, one. Mrs. Woods is the former Ruth Ann Meisegeier, daughter of Mr. and Mrs. Ervin Meisegeier of Stillwater. Mr. Woods, son of Mrs. Mary Woods of Phoenix, N.Y., is with Union Construction.

MR. AND MRS. EVERETT DENNING

Mr., Mrs. Everett Denning  
On Wedding Trip to Poconos

The wedding of Miss Linda Louise Trygar, daughter of Mr. and Mrs. Edmund B. Trygar of Summit Avenue, Toms River, to Everett T. Denning, Jr., son of Mr. and Mrs. Everett T. Denning, Sr. of 200 Division Avenue, Belleville, took place Saturday afternoon, May 15, at Cathedral of the Air in Lakehurst.

The ceremony was performed by the Rev. George J. Hafner of St. Joseph's R. C. Church in Toms River, and Mrs. Alma Baecker sang. The reception was held at the Chief Petty Officers Club, Lakehurst Naval Air Station.

Escorted by her father, the bride wore a full length gown of Swiss embroidered silk organza with scoop neckline and long sleeves. The soft sheath skirt featured a Watteau train which fell from the high waist.

Her four-tier veil of English tulle fell from a braided crown of imported crystals and seed pearls. She carried a bouquet of white carnations.

The bridesmaids, Miss Mary Patricia of Toms River and Miss Ellen Denning of Belleville, sister of the bridegroom, and the junior bridesmaids, the Misses Sandra and Patricia Trygar of Toms River, sisters of the bride, were

Mrs. Pinadella,  
Bloomfield Man,  
Exchange Vows

Mrs. Edith Pinadella of 38 Cross Street, Nutley, and Michael Nole of 346 Sylvan Road, Bloomfield, were united in marriage Saturday afternoon, May 22, in Holy Family R. C. Church, Nutley. The ceremony was performed by the Rev. Francis Blake, assistant pastor.

The bride is the daughter of Paul Bucco of Belleville, and the late Mrs. Bucco. She is the widow of Anthony P. Pinadella.

Mrs. Nole was given in marriage by her son, Eugene Pinadella of Livingston. Mrs. Furio Bucco of Livingston was her only attendant. Anthony J. Sorrentino of Bloomfield served as Mr. Nole's best man.

Before her marriage, Mrs. Nole was employed by Tung-Sol Electric Corp., Bloomfield. Her husband was graduated from the University of Pennsylvania and Rutgers Law School. He is an attorney at law with Continental Insurance Co., Newark.

When they return from a wedding trip to the South, the couple will reside in Bloomfield.

Mrs. DeJonge Installed  
As School 7 PTA Head

Mrs. Herman DeJonge of 87 Malvern Street, Belleville, was installed as president of School Seven PTA at the final meeting of the school year, Monday evening, May 10, at the school.

Other officers installed include Mrs. David Hildenbrand, first vice president; Mrs. Harold Spray, second vice president; Mrs. Cornelius Vanderzwan, treasurer; Mrs. M. J. Barbone, recording secretary; and Mrs. William Bennett, corresponding secretary.

Mrs. G. J. Livingston, past president, and Mrs. J. P. Narucki conducted the installation. Entertainment was provided by the school orchestra. Refreshments were served by the first grade mothers.

Mrs. George Sosin To Have  
Active Role In Conference

The annual two day Spring Conference of the Northern New Jersey Branch of National Women's League of the United Synagogue of America will be held Wednesday and Thursday, June 2 and 3 at the Goldman Hotel, West Orange.

Mrs. George Sosin of 489 De Witt Avenue, Belleville, treasurer and reservation chairman of the Branch, will play an active role in the conference. Mrs. Sosin is past president of the Sisterhood of Congregational Ahavath Achim, Belleville, and was recently honored by her congregation as Woman of the Year.

She has served as a member of the Congregation board, and is active in community work in Belleville.

Mrs. Albert Fried of Brooklyn, National Women's League President, will be the consultant and guest speaker at the conference. Mrs. Seymour Fersko of Belleville will conduct a workshop. National Women's League is the parent body of the Sisterhoods affiliated with the Conservative Synagogues in the United States, Canada and Mexico. It consists of over 750 Sisterhoods with a combined membership of about 190,000 women.

Several hundred women from 51 sisterhoods throughout Northern New Jersey will attend the sessions. The theme will be "Heed My Child: The Guidance of Your Father; and Forsake Not the Torah of Your Mother" (Proverb 1:8).

Temple Menorah Men  
Install New Officers

Rabbi Nathan H. Fish, spiritual leader at Temple Menorah, Bloomfield, officiated at the installation of new officers and a Council members of the Menorah of Temple Menorah, during Sabbath services on Friday, May 21.

Officers installed were: Emanuel Rothenberg, Clifton, president; Norman Coile and Harlan Zeve, Bloomfield, vice presidents; Oscar Shapiro, Nutley, recording secretary; and corresponding secretary and Bernard Fritz, Bloomfield, treasurer.

Lions Governor  
Inducts Officers

The Women's Auxiliary of the Belleville Lions Club held their fifth installation of officers on Tuesday, May 18 at Gene Boyle's Restaurant, Clifton. Governor Henry Lewis of District 10E, a past president of the Belleville Lions Club presided over the ceremony. The new officers are: Mrs. Donald Bray, president; Mrs. John Kondreck, vice president; Mrs. Joseph Carum, secretary and Mrs. David Rubin, Treasurer.

Also attending the dinner were Mrs. William Smith, Mrs. Henry Lewis and Mrs. Frederick Weber, all past presidents. Other members present included Mrs. William Abramson, Mrs. Donald Bowden, Mrs. Dood Carr, Mrs. Paul de Hagara, Mrs. Joseph Groch, Mrs. Frederick Handlon, Mrs. Edward Howell, Mrs. William Roemmel, Mrs. Joseph Sol and Mrs. Wilfred Yudin.

This year the Auxiliary has contributed to the Clara Maass Hospital Guild, the North Essex Child Guidance Clinic, Cerebral Palsy, and the Jamesburg Boys' Home.

Governor Lewis presented gifts to all the ladies before the meeting adjourned.

Marjorie R. Rea Marries  
In Verona Church Ceremony

Our Lady of the Lake R.C. Church, Verona, was the setting for the wedding of Miss Marjorie R. Rea, daughter of Mr. and Mrs. William J. Rea of Brookside Terrace, Verona, formerly of Belleville Avenue, Belleville, to Joseph E. Dicton, son of Mr. and Mrs. John J. Dicton of Wakecrest Avenue, Winfield.

The Rev. John F. McDermott performed the ceremony and celebrated the Nuptial Mass on Saturday, May 22. A reception followed at Neskor's in Singac.

Given in marriage by her father, the bride was gowned in silk organza over peau de soie, styled with boat neckline, three quarter length sleeves and fitted bodice. The bodice, A-line skirt and train were trimmed with Alencon lace and seed pearl applique.

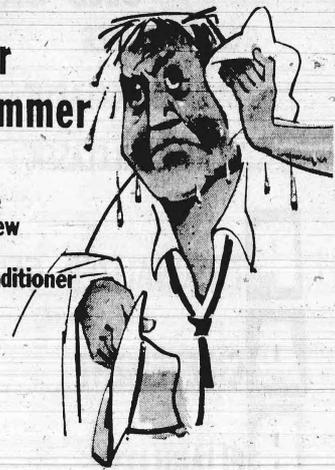

A white satin headpiece embellished with sequins and seed pearls held her shoulder length veil, and she carried a bouquet of white roses and Stephanotis.

Miss Joan E. Bendl of Paramus, the bride's cousin, was maid of honor, and Mrs. Salvatore Fiorentino of Lake Hopatcong, the matron of honor. Bridesmaids were Mrs. John Dicton, Jr. of Metuchen, the bridegroom's sister-in-law, and Miss Nancy Rea of Verona, sister of the bride.

They were gowned in pale blue silk organza over taffeta floor length dresses embroidered with white daisies and fashioned with boat necklines, short sleeves and A-line skirts. They wore match-

Teen-of-The-Week

Marjorie Stucka Rates High In Studies, Extra Activities

Marjorie Stucka, a BHS senior, ranks fourteenth in the Class of 1965; however, maintaining an "A" average has been only part of her busy schedule.

This year, Margie could be seen at the football games, a member of the BHS Color Guard. She has also participated in Girls' Journals, Recreation, Booster Club, and Officials' Club.

Margie has written for the Spotlight, the school newspaper. She has been a member of the Mathematics Club and secretary of the Future Physicians of America.

Margie is a member of the National Honor Society. She is an excellent example of what the organization represents. Her strong character and pleasant and outstanding personality have won her the respect and admiration of fellow students. Margie has served her school, not only by participating in various activities, but also by always supporting school functions.

Margie has been a member of the Red Cross and sophomore and junior senates. She also has

MARJORIE STUCKA

been a neighborhood Heart Fund representative for two years.

In preparing for her career, Margie has belonged to the Future Teachers of America for three years. In September, she will enter Montclair State College as a mathematics major.

McGuire Wins Science Grant

Joseph McGuire was chosen as an alternate to attend Newark College of Engineering or Stevens' Institute of Science and Technology grant.

McGuire is a member of the Key Club, National Honor Society, and the Physics Club. He also participates in such school sports as track, cross-country, and basketball intramurals. Joe spends his spare time writing for the Spotlight and working with the state crew.

The grants for summer institutes are sponsored by the National Science Foundation and are available to students with superior ability.

JOSEPH MC GUIRE

Rufolo Earns Physics Grant

Anthony Rufolo was chosen to attend Newark College of Engineering or Manhattan College on a Physics and Mathematics grant.

Rufolo is a member of the Key Club and president of the Political Science Club. He has been elected president of the National Honor Society for the 1965-66 school year.

The grants for summer institutes are sponsored by the National Science Foundation and are available to students with superior ability.

The work will be the juried selections from a year's work. Media will include watercolor, scratch board, stichery, oil painting, paper sculpture, pen and ink, and lettering.

Prospects for My Generation

By DIANA OSTROWSKI

The future bears the character of a fickle woman. It is a very difficult prospect to see what her course of action will be. The job is even more difficult now because the world is so much more complex. Like a simple puzzle, the past was easier to contemplate because the choices were comparatively few. Now, the puzzle is colossal; the choices are almost infinite.

The key word for the future is "SCIENCE." As man's knowledge of the world around him increases with intensified research, it becomes obvious that progress will be accelerated at an astounding pace.

Our material world is destined to change; this is only natural. In these changes we find a bright and shining hope of a day when man will enjoy his life to the maximum. Education will be designed so that each student will be able to learn to his fullest ability.

Electronic computers will be able to do much of the tedious work now done by teachers, leaving them free to give the students more individual attention. Many experts feel that the human element will eventually be unnecessary.

Somehow, it does not seem likely that any machine will ever be able to cope with all the real and human problems that occur in the classroom. What computer will be able to encourage the shy little boy when he has to speak in front of the class for the very first time? How will a machine be able to settle a dispute between two first-graders who both want to be first in line for recess? What will happen to the old-fashioned discussion and exchange of ideas?

In the future, man will be able to have the ultimate in comfortable housing. Homes will be always at just the right temperature and humidity. Building materials will be light and durable, requiring little or no maintenance. Solar heating systems will solve the problem of our already decreasing fuel supply.

Today, the problem of overcrowded cities is a serious one. However, this problem will be lessened by entire cities built under the sea. Through model nuclear irrigation plans, desert lands once thought uninhabitable will be the location of many

thriving metropolises. The cities will be well planned to offer the citizens convenient access to places of business and entertainment. Every city will have its own power supply contained in a nuclear power plant. There will also be vast connections with other cities in case of emergencies.

Water supplies will be perpetual: huge plants will constantly convert sea water into fresh water suitable for drinking. Air pollution will be non-existent. Electric cars will run without the bother - some carbon monoxide gas.

Factories will run on nuclear power; thus, they will not belch the familiar column of black smoke into the air.

DIANA OSTROWSKI

To feed the growing population, chemistry will devise new food to enable plants and animals to grow in a fraction of the normal time. This will provide more food in a shorter time.

Transportation will be among the most advanced facets of the future. The shrinking world will, by this time, have shrunk to an unbelievable size. Individually, man will travel in his own electronic car, capable of over 200 miles per mile. This car will drive itself once it is set on a pre-planned course. For shorter distances, the car will be controlled manually in all the comforts of home.

The nation will be joined with a network of railways used basically for hauling freight. Powered by nuclear power plants, these trains will travel cross-country in

a few hours. In the air, travel will be fast and convenient. Airports will be able to handle as many as 100 planes at a time. Traveling from New York to San Francisco in 100 minutes non-stop will be as commonplace as the short jaunt many commuters make into New York every day.

Tremendous progress will be made in the field of medicine. Most of the terminal diseases will have been cured and eliminated. Artificial limbs and internal organs will be as widespread as false teeth. If one is afflicted with a bad heart, he will merely have surgery to receive a new one. These prospects may seem exaggerated; however, research on just such projects is going on now.

Man will be in space. If our space program progresses as it is expected to, the moon will probably be well established as an earth base. We shall leave the name of the possessor up to the imagination. Perhaps we may even permit ourselves a little day-dreaming; let us foresee the future as a place where men are no longer competitors with each other.

Admittedly, this is looking into a future which may never come — at least not in our generation. Many will probably have visited at least one of the other planets. What he will have found there, no man can predict.

One may think that these prospects for my generation are mere fantasy. Let us remember that it wasn't too long ago when the horseless carriage or talking movies were mere fantasies. Man has proven that there is almost nothing he cannot do once he sets his mind and heart to it.

It is fairly safe to say that man's material world will change in one way or another. What will happen to the ideals, the goals, the very spirit of man? Our civilization has advanced, but with this progress has come a revolution in the way man thinks. The world which man has succeeded in making has begun to remake the maker.

Is there a limit to how far man can go? Already man's morals have become more and more permissive. This brings forth the problem of how far the permissiveness will go. Will there come a time when our culture will be able to go no further.

Teacher-of-The-Week

Miss Weidman Combines Teaching and Friendship

Belleville Senior High School is proud to recognize Miss Thelma Weidman as "Teacher of the Week." Miss Weidman, a very learned and outstanding English teacher, was born in the small town of Columbia, New Jersey. There she attended grammar school and high school, and read as much a variety of books as was available to her.

Miss Thelma Weidman

Miss Weidman then went on to further her education at Stroudsburg Teachers College, Pennsylvania, where she obtained her Bachelor of Science Degree. She next entered New York University to receive her Master of Arts Degree. However, her satisfaction was not yet fulfilled, and Miss Weidman entered Rutgers University where she obtained a Master of Library Science Degree. These degrees individually took four years to complete, thus adding twelve more years of learning to her twelve years of training. Extra courses to improve herself were taken at Seton Hall University, New School of Social Research, and Montclair State College.

Miss Weidman obtained her first teaching job at Shull Junior High School, Easton, Pennsylvania. She taught there for six years before coming to Belleville. Miss Weidman has taught regular, college, and enriched English courses at BHS for over twenty years. She was also advisor of the Monarch, the BHS yearbook, for years. Miss Weidman enjoys teaching at Belleville, and plans to remain here until retirement.

Although her job is both time-consuming and carries with it much responsibility, Miss Weidman still finds time to enjoy her numerous hobbies of reading, her

fine arts, gardening, cooking, painting, and a few years back, even fishing and hunting. Surprisingly enough, her hobbies do not end there. Miss Weidman has a very costly collection of early milk glass and ruby thumb print and a small assortment of rare books. Her apartment, located at Belleville, is decorated with her collections and paintings which she herself has done. Miss Weidman has also done a great deal of traveling across the United States.

The efforts of Miss Weidman to instruct and to advise her many students, both in personal and scholastic problems, will long be appreciated and remembered. All who know her, agree that she is an extremely learned, zealous, and a very gentle person. To lose Miss Weidman would be a tremendous loss to Belleville High School and its students.

Price, Schuldt On Honor Roll

Two Belleville students have been named to the spring honor roll for superior academic work at Newark Academy in Livingston.

They are Arthur Price of 100 Adelaide Street, and John T. Schuldt of 127 Crest Drive. Announcement of the honor was made by Robert M. Butler, headmaster of the school.

Welfare Council Planning Program for High School

"The Citizen and His Schools" will be discussed by Mrs. Ruth Ford before an open meeting of the Belleville Community Welfare Council at the High School at 8:15 p.m. Monday, June 7.

Mrs. Ford is chairman of the Bergen County Committee for State Education, vice chairman of State Taxes of the League of Women Voters, member of the National Committee for Support of Public Schools and chairman of Bergen County Committee for State Tax Reform.

Mrs. Ford was previously a

member, and for five years president of the Cresskill Board of Education as well as Legislative Chairman of the N.J. State Federation of Boards of Education.

According to Dr. Jack Grundfest, M.D., Chairman of the Council, "Many of us in Belleville are concerned with the financing of our children's education. We ask, is it adequate? How can it be improved?"

For this reason, a large public turnout is urgently requested. Especially invited are members of the Town Council and Board of Education, and members of Parent-Teachers Associations.

Demo Card Party Attended by 300

About 300 persons attended the Fifth annual Card Party and Demo Show staged May 19 at the Fountain by the Belleville Democratic Club.

The complete Democratic ticket attended the affair, which was highlighted by a men and women's fashion show.

Co-chairmen of the successful program were Russel Pagano and Mrs. Mary V. Senatore.

Wins Spelling Test

Mrs. E. Litterio of 46 Continental Ave., Belleville was the lucky first place winner of last week's Spelling contest. She won a dinner for two at the Fountain and two tickets to the Capitol Theater.

The second, third and fourth place winners, all receiving two complimentary tickets to the Capitol Theater are: Samuel W. Peck, 21 Clearman Pl., Belleville; Henry M. Creditor, 25 Wilber St., Belleville; and Diane Noonan, 1138 Mohagan Rd., Mansquan, N.J.

The contest was run for four weeks. It will be resumed at a future date.

On the average, one in every seven persons probably will be come a hospital patient this year.

Harvard Man Wins Oldest Study Award

The nation's oldest, scholastic award, the prized "Detug" of Harvard College, has been awarded to Paul Nicholas Lanken of 74 Mapes Avenue and 97 other top scholars.

The Detug prize — a book award — is provided by the Charity of Edward Hopkins, a fund that has been in existence since 1638. It honors "distinguished application to studies" and its name comes from the Latin "Detur Digniori" meaning "to the more worthy let it be given."

The prize is awarded to students who have made all A's or seven A's and one B in class work, but a student may win it only once.

Edward Hopkins was a London merchant who came to America in 1637, where he served several times as Governor of the Connecticut Colony. Since the award was established, the Detug has been given to such men as Henry David Thoreau, James Russell Lowell, Robert Frost, Walter Lippman, and Justice Oliver Wendell Holmes.

The awards are made during the spring of each year by the Masters of the Harvard House.

## Burnett Explains Stand On New Posts, Pay Hikes

A promise that no new employees will be hired to replace those promoted to fill three new Town supervisory positions established by the Town Council May 11 was made by Town Manager John R. Burnett at last Thursday's council conference session.

Burnett took issue with criticism of the promotions from the two councilmen opposing the raises and Times-News editorials. The manager said the salary boosts would add only \$187 to the town payroll.

The raises will total over \$6,000 in six-year increments for the three new supervisors and for increases to the signal superintendent, water foreman and janitor.

Burnett said the Town Council that the resignation of a permanent employee in the Municipal Court, who won't be replaced, will save nearly as much as the raises will cost.

"Our gain will be fair salaries for all positions concerned plus the increased efficiency and economy certain to result from proper supervision," says Burnett in his current manager's report.

The manager also answered editorial criticism for not including the new positions in his budget requests only a few weeks ago.

"The entire problem was brought into sharp focus in the past few months when Superintendent of Public Works Ralph A. Vara underwent major surgery, and it was necessary to assign other employees from their regular duties to provide the necessary supervision. It was not budgeted because we did not know Vara was going to be ill."

Burnett cited Council minutes to show that he had asked for two of the new posts, the streets and sewers and recreation foreman, nearly a year ago. He also said that Vara and recreation director Robert Cook "have consistently asked for these supervisory appointments."

Councilman James Golden, who opposed the salary raises, had charged that the new jobs were "political patronage" because relatives of two councilmen were in line for the posts.

DONALD HULME — world's accordion champion, adds to his successes an engagement as featured soloist with Paul Lavalle and his famous Cities Service "Band of America," now in its second season at the New York World's Fair.

**AIDS BOATHOUSE** — The Belleville Little League donated \$300 to the Nutley-Belleville boathouse. On opening day of the Little League baseball season Michael Marotti presented William Chapman, chairman of the Nutley-Belleville Fund raising committee for the boat house a check for \$300, this was Belleville's share of the alumni basketball game held last January. Nutley will make their donation to Nutley half of the committee. Above, left to right, are, George Ferro, President of American League, Michael Marotti, Commissioner of Little League, Chapman and Robert Pugliese, president of the National Little League.

**Mrs. James R. Paxton**

A Solemn High Mass of Requiem was offered for Mrs. Catherine V. Higgins Paxton of 39 Washington Street, Belleville, Tuesday morning, May 18, in St. Peter's R. C. Church, Belleville. The interment was in Holy Cross Cemetery, North Arlington.

Mrs. Paxton died Saturday, May 15, after a short illness. She was 67. Born in Newark, she had resided in Belleville for the last 30 years. She was a member of the Rosary Society of St. Peter's Church.

Surviving are her husband, James R. Paxton; a son, William R. Paxton of Colonia; a brother, William J. Higgins of Rutherford; a sister, Mrs. Martin F. (Mary) Mooney of Belleville, and four grandchildren.

Funeral arrangements were made by the Kiernan Funeral Home, 101 Union Avenue, Belleville.

## Obituaries

**Mrs. William L. Sooy**

Mrs. Pearl Prouty Sooy of 70 High Street, Belleville, widow of William L. Sooy, died Tuesday, May 11, in Clara Maass Memorial Hospital, Belleville. She was 74.

Mrs. Sooy was born in Galesville, Pa., and lived in Pleasantville, Absecon and Pleasanton, where her husband was in the auto accessory business for 29 years. She lived also in West Paterson before returning to Belleville two years ago.

Prior to her marriage, Mrs. Sooy was a teacher for eight years. She taught for one year in School Four, Belleville. Mrs. Sooy was a member of Grace Baptist Church and its Ladies Auxiliary.

She leaves a daughter, Mrs. Austin J. Walsh with whom she lived; a stepson, Everett L. Sooy of Belleville; three sisters, Mrs. A. T. Bateman of Zephyrhills, Fla., Mrs. Carrie Green of Galesville, Pa., and Mrs. Lynn E. Crippen of Addison, N. Y., and three grandsons.

Funeral services were held May 13 in Grace Baptist Church, Interment was in First Presbyterian Church Cemetery, Absecon.

**Cyrus Ruggiero**

Cyrus Ruggiero, 52, of 62 Wallace Street, Belleville, died Saturday, May 22, at East Orange Veterans Hospital after a long illness.

Funeral services were held yesterday morning, Wednesday, from the Galante Funeral Home, Newark, to Our Lady of Mt. Carmel Church, Newark, where a Requiem Mass was offered.

Born in Bronx, N. Y., Mr. Ruggiero moved to Newark 19 years ago. He had lived in Belleville for the last 14 years.

Mr. Ruggiero was a naval material inspector, working out of the Navy's Maritime Depot, Edgewater. A graduate of Manhattan College, he served in the Army during World War II. He was a veteran of the New Guinea campaign.

Surviving are his wife, Mrs. Margaret Socca Ruggiero; a son, Robert, at home; three sisters, Mrs. Mary Cuono, Mrs. Vincenza Anzalone and Mrs. Anna Guida, and two brothers, Albert and Anthony, all of New York.

# BELLBOYS BOW, 14-4 LEAD BY 2

## Montclair Hands BHS Third Loss

By STEVE CHAREN  
The Bellboys have taken four one run decisions, and nine wins with a margin of less than three runs this season, but when the Bellboys lose a game they don't kid around. When Belleville is about to drop a ball game, there is little doubt of it.

Nick Petti's wonders had another "one of those days", their third of the season, last Saturday as Belleville (16-4) took a 14-4 sheikacking at the hands of Montclair (17-9) to end their winning streak at eight games.

The loss complicated the Bellboys' Big Ten pennant aspirations by leaving their "magic number" at two with three league games to play. (Which means that a combination of two Belleville wins or Columbia and Montclair losses will clinch the Big Ten title for Belleville.) The Bellboys currently lead both Montclair and Columbia by two full games.

The problems are complicated by the Greater Newark Tournament yesterday which was too late for this issue) and the New Jersey State Interscholastic Athletic Association tournament games. Belleville must play Columbia in the semi-final round of the NJISAA (probably on Friday). The Bellboys must also battle the Colts on Saturday at 2:00 in a "Big Ten" battle at Municipal Stadium that could decide the league champion.

Against Montclair, the Bellboys got one of those games—where nothing seems to go right—out of their system. Belleville's other Big Ten losses have also been on really "bad days" by 10-1 and 8-3 scores.

Belleville's lack of clutch hitting showed its ugly head again as 15 Bellboys were left stranded, two on third and seven on second.

For the first time in seven outings, George DeBrowski didn't "have it." The Mounties took full advantage by jumping on him for two runs in the first and five more in the second before he was mercifully replaced by Sal Taibi.

Belleville temporarily made a game of it by cutting the margin to 1-0. Art Sheridan walked, moved to third in a throwing error, and scored on a single by Jim Connel for the Bellboy tally.

## BHS Golfers Hold 3-2 Mark

1965 BELLBOY GOLFERS — Members of the 1965 Belleville High School 1965 golf team are, Joseph Mossa, James Sherridan, Craig Ross, left to right, Gerald Foley, captain, Richard Rizzolo, Vincent Nardiello, William Hart, and Coach Michael Salvarullo.

FUTURE VARSITY MEMBERS — Coaches Belleville High School. The golf tips are of Al LoBalbo, left, and Nick Petti, demonstrate as a part of the high school's physical education program.

## Track Team Stops Cowboys, Maroon

By AL PAGANELLI  
Belleville High School's rambling Track Team, coached by Ron Kulik and Pat Forte, raced by West Orange (67-41) and Njitaley (64-2-43). Both victories were demonstrations of real team unity as injuries and illnesses have begun to plague the team.

Outstanding second efforts by the undermen and weight men have paid off in victories for the Blue and Gold.

When West Orange came to town on May 17th, the Bellboys were ready and waiting. The weight men, headed by Hal Avalone, Ed Gutierrez, Frank Spralton, and Lou Trowbridge, trounced the Cowboys in the shot put and discus by a combined score of 16-2. Russ Giordano chipped in for a first in the pole vault and "Big Bob" Patterson cleared 6 feet in the high jump for a new BHS record.

Belleville also pounded out convincing victories on the track. The Bellboys swept the mile run for the umpteenth time as Bob Burton, cf, 4:22.2; Dave Boglione, and Bill Kirby, 2b, 4:22.2; and Harry Baker, 2b, 4:22.2. The 440 yard dash, and Harry Baker easily won the low hurdles.

Belleville's ability to come up with the big second and third places has enabled the team to outscore its opponents. Boys to watch in the future meets are Don Saunders, Frank Miliano, Al Frieda, (distance events); Joe Rodriguez, Pete Greco (sprints); Pete Rutledge, Ralph Serrio, (hurdles); Jim Moore, Senior (weights). Bob Moore, Senior, performs well in almost all of the events and is called on to fill in any vacancies where he might be needed.

Injuries to key personnel prevented the Bellboys from really rolling up the score against Nutley High School. Results with winning time, distance, or height:

HIGH HURDLES, 16.8 seconds, Imperiale (N), Baker (B);  
Jezek (N);  
LOW HURDLES, 22.2 seconds, Imperiale (N), Rutledge (B), Baker (B);  
100 YARD DASH, 10.1 seconds, Lamprou (N), Rodriguez (B), Hitch (N);  
220 YARD DASH, 24.7 seconds, Lamprou (N), Rodriguez (B), Hardy (N);  
440 YARD DASH, 53.6 seconds, Hardy (N).

Belleville participated in the Essex County Meet on May 15. Charles Reed broke the BHS record for the 440 yard dash as he covered the distance in 52 seconds flat.

Bob Boglione ran the mile, ran a 4:30.0, and broke the BHS Junior mile record. Al Paganelli ran a 2:03.6 half mile to win his heat as he "slid" across the finish line in first place.

PLAY BALL — Town councilmen took part in the opening of the 1965 Little League season recently. In the left photo Councilman Ralph Casale prepares to toss in a pitch to Councilman James R. Golden, batting right photo. Councilman William Cullen is behind the plate.

The 1965 Belleville High School golf team, headed by Captain Jerry Foley, is off to a fast start with a 3-2 record.

The Bellboys hold victories over Nutley and West Orange, topping the West Orange twice so far this season. Irvington and Bloomfield have posted victories over the local squad, which is coached by Michael Salvarullo.

Members of the varsity team include Foley, Richard Rizzolo, Vincent Nardiello, William Hart, Joseph Mossa, James Sherridan, and Craig Ross.

Foley is the pace setter, shooting into the last inning, but Wally Evankik ruined it all by jolting Art's third pitch of the seventh inning over the short right field barrier, 285 feet from the plate for a home run.

Although Belleville (16-3) has been winning, the run production is interesting.

Other activities include badminton, volleyball, track and field and softball.

## Bocci Season Starting Sunday

The Vincent T. Strumolo Association All-Stars will usher its 1965 bocci season this Sunday at their Villa Strumolo grounds on Cooper and Grant Avenue, Long Branch, when the team opposes the Lou Bruno's Vee-Bee Bombers.

Playing for Strumolo's are Speed DeBenedictis, George J. Haney, Gerald J. Spatola, Frank Giannone, Nick Pecorello, Vincent T. Strumolo and Frank Simini. The Vee-Bee's will line up with Peter Zippo, Pat Caleio, Frank Bruno, Bill LaPorte, Frank Kovats and Lou Bruno.

Matty D'Alesio, vice-chairman of the Newark Central Planning Board, Fred J. Matullo, publisher of the Italian-Tribune weekly and Star-LEDger's columnist Jerry Nusbaum will be in the roll of judges.

Risk of Death  
Motorists are reminded that the risk of death is five times greater if seat belts are not used. Major Club of America "experts" point out that seat belts help reduce fatigue from jolts and bumps while driving.

## The Belleville Times

The Belleville Times-News, Thursday, May 27, 1965—11

## Sheridan One-Hits Kearny, 4-1 As Bellboys Notch 8th in Row

Artie Sheridan juggled his second one-hitter within four days as the Bellboys notched their eighth straight victory by a 4-1 margin last week.

Sheridan had a no-hit, shut-out going into the last inning, but Wally Evankik ruined it all by jolting Art's third pitch of the seventh inning over the short right field barrier, 285 feet from the plate for a home run.

Although Belleville (16-3) has been winning, the run production is interesting.

Gordon, lb	2	0	0	0

Belleville's only regular 400 hitter, Tony Magistro singled with one down in the second. After "Dumper" had stolen his eleventh in fourteen attempts, Nick Grande rocked his second home run of the year over the fence in right-center.

Tom Worin, a Kard rookie, then came on to hurl. Worth hand-cuffed the Bellboys' rest of the way allowing only an infied single by Sheridan and two walks over the last 5 1/3 innings.

Meanwhile Sheridan was breezily along, retiring the side in order four times and not allowing a runner past first until Evankik's shut.

Sheridan (3-1) walked two and whiffed eight in his fourth start and ninth appearance.

## JVs' Streak Ended at 10 By Montclair; Rout Kearny

Last week the Bellboy Juniors made up most of the Varsity (12-3) ripped Kearny 21-0 in an abbreviated five-inning contest and had their winning streak end at ten games via an 11-3 loss to Montclair.

Sam Calabria, one of the J.V.'s being brought up for the select American Legion team, led the 24 hit Bellboy assault against Kearny by going 5 for 5 with 6 RBIs, three runs scored, and two doubles.

Among the other J.V. Legion winners, Steve Cerca, who has been swinging a hot stick lately after a slow start, went 1 for 1, and Charles Cuomo went 3 for 4.

This American Legion team is behind the Bellboys streak.

# Unbeaten Elks (3-0) Lead American; Three Share National Lead

The Elks continued to set the pace in the Little League's American League with a 3.0 record. Food Fair is in a good spot to challenge the Elks, presently holding a 3.1 record.

The National League is conducting a tight race with three clubs tied for the lead with 3.1 records. The three teams are Jolly Cleaners, Airco and Local 410.

The highlight of the week's action came in the Food Fair vs. Rotary game. John Gosinski made it a one-man show as he hurled and batted Food Fair to a 4-0 victory. John tossed a no-hit, no-run game and hit a home run to feature a 3 for 3 day at the plate.

In other contests Local 410 blanked PBA, 2-0. The Lions clubbed Amvets, 9-2. Wallace & Tiernan ripped Colony Club, 6-0. The Elks nipped Vee Bee Esso, 5-3. Airco ripped PBA, 7-2. Local 410 nudged the Amvets, 7-5. Food Fair topped the Colony Club, 6-5, and Local 410 maulated the

**They didn't pass by on the other side.**

Martin Magerowski and Francis Vetrein work as linemen for the phone company in New Brunswick. One day as they were driving along in their truck, they spotted a car stalled in heavy traffic on a bridge. Smoke was billowing from its hood. The driver was outside directing traffic. His wife and two small children had left the car and were standing on the sidewalk. The situation was potentially dangerous. Magerowski and Vetrein pulled up behind and offered help. It was gladly accepted, and the two telephone men towed the disabled car off the bridge and into an area safe from highway traffic. It was a small, helpful act. The kind that makes us proud of telephone people.

**Squier Promoted To International Post with Kidde**

The promotion of Donald R. Squier to assistant manager, international operations, has been announced by Walter Kidde & Company, Inc. Belleville. Squier formerly was marketing manager for aerospace systems.

A Kidde employee since 1945, Squier served in several engineering posts before being named product manager for flight safety equipment in 1958. He became assistant director of sales for aerospace products in 1960, and subsequently rose to marketing manager for aerospace systems.

Squier attended New York University and is a member of the American Ordnance Association, American Institute of Aeronautics and Astronautics, American Astronautical Society and the Industry Advisory Committee of the Flight Safety Foundation.

An Air Force veteran of World War II, the Kidde executive lives with his wife and four children in Pompton Plains, N. J.

Kidde is a major producer of safety, security and protection equipment, textile machinery, consumer products, and a p a c e systems and equipment. S p a c e projects for which Kidde supplies flight control systems include Comsat's Early Bird satellite, the Syncom series and NASA's Lunar Landing Simulator.

Headquartered in Belleville, Kidde has other plant and laboratory facilities in New Jersey and in Massachusetts, New York,

**Local Bankers Don't Want Easing of Merger Statutes**

Commercial banks in this area oppose proposed state legislation which would give banks greater authority to establish branches.

The Bank of Nutley and The Peoples Bank in Belleville recently recommended no change in the state's banking laws on a questionnaire circulated to the 231 national and state banks and 17 mutual savings banks in the New Jersey Bankers' Association.

Peoples Bank president Thomas Aitken claims that liberalization of the branching law is only being pushed by the state's large banks, and that the people who use banks don't want a change. "Depositing like a family bank. They don't want to be just an account number in a great big pond. The larger banks are seeking a monopoly, but the people don't want such a situation."

Archie Barbara, president of the Bank of Nutley, says his opposition to the change stems from inclusion of mutual savings banks along with commercial banks in the proposed change. "The savings banks are unfair competition because they pay only one-tenth the income tax rate commercial banks do. I'm not opposed to more competition, as long as it's fair competition. At one time there were three independent banks in Nutley, but the others gave their services away and had North Carolina, Rhode Island, Canada, England and West Germany."

**State Reports Anglers Are Pleased with Trout**

Anglers are reportedly wellpleased, according to the summary of comments reported by District Conservation Officer John D. O'Dowd about the fish released in northern New Jersey trout waters. He says, "more anglers seem to be catching big fish, and our officers tell me the fishermen are very happy."

The expanded list of waters closed for in-season stocking is the "most satisfactory ever" is the summary of comments reported by District Conservation Officer John D. O'Dowd about the fish released in northern New Jersey trout waters. He says, "more anglers seem to be catching big fish, and our officers tell me the fishermen are very happy."

The United States Association of the United States of America has just announced that David Skinner, a student at Carteret School, West Orange, has won the first prize offered by the Chapter of the Oranges in the annual High School Contest on the United Nations.

He is the son of Mr. and Mrs. Samuel Skinner of Belleville.

Skinner has been a student at Carteret School for the past four years. He has been accepted at Grinnell College and will begin attending in September.

The prize was awarded Monday at 8 p.m. at Kenrok Hall, Upsala College, East Orange.

**David Skinner Wins Honors at Carteret**

county contiguous to that of the bank's principal office. Currently banks cannot establish branches except in their own town and in towns in the same county which have no banks.

In general the change is favored by the big banks and opposed by small and medium-sized banks. New Jersey's largest bank, Fidelity Union of Newark, has a branch in Belleville which was established by merger with an existing bank.

**LAWN MOWING** in Nutley Park vicinity. Have good, heavy duty power mower. Rates reasonable. Work guaranteed. John Jones, 16, NO 0-0000.

**I AM WILLING** to try anything, but prefer to work in retail clothing store. Good at figures, can type. Sue Blank, 18, PI 0-0000.

## TO EMPLOYERS:

When the free student want ads appear in this paper, you'll find a ready reference of young workers, ready and willing to perform many types of jobs this summer. We suggest you tear out these pages, which will appear June 3rd and 10th and keep them handy during the summer. You'll want to refer to them often.

### Travel Movies, Lectures Slated In Newark by 'Y'

Patron tickets for the 1965-66 season of "The World Around Us" series are being offered by the Adult Program Department of the YM-YWCA of Newark and vicinity. Five color film-lecture programs will be presented in the Mutual Benefit Life Insurance Company Pelican Room, 620 Broad St., Newark. Producers of

the film will be present at each program to do them narration. Programs scheduled are "Down Mexico Way," narrated by Edward Brigham on October 27; "Holland Close Up," Dwight Nichols narrating, January 18; "The Holy Lands," Charles Forbes Taylor lecturing, February 15; "Amazing Switzerland," Raphael Green as narrator, March 15; "Trailer Round the World," Fran William Hall, narrating. Those becoming patrons by May 17 will have their names printed on the series brochure.

The Patron Season ticket admits two to each program. Among those regularly attending the series are Belleville residents served by the Y's West Hudson Branch. Sel-Rex Corp. Declares Dividend of 12.5 Cents Sel-Rex Corporation declared a regular quarterly dividend of 12.5 cents per share, it was announced today at a meeting of the company's Board of Directors in Nutley. The dividend will be paid July 15, 1965 to stockholders of record June 17, 1965. Previously, the company announced the highest sales and earnings for a first quarter. On net sales of \$5,374,000, reported for the period ended March 31, 1965, net earnings amounted to \$270,000 or 31 cents per share. Sel-Rex Corporation is listed on the American Stock Exchange, and manufactures precious metal electroplating formulations for the electronics, communications, space and jewelry industries.

**Harvey Kramer INSURANCE**

Harvey Kramer, Insurance of 420 Union Avenue, Belleville has been serving the area since 1951. Harvey has grown to be one of the largest insurance agents exclusively handling general insurance. He welcomes you to stop in and see his modern offices and discuss your insurance

problems with him. As a local independent agent he represents 7 fine, reliable insurance companies whose low rates and coverage are the best to be found in this area. For fine personal service and low rate cost why not call Harvey at PL 1-1266.

**NUTLEY KEY & GLASS**

We suppose all of Nutley is wondering what is going on in that beautiful new orange and white building at 507 Franklin Avenue (opposite Franklin Theatre). The Kurtzman brothers, Marvin and Murray purchased the empty lot so that they could expand their successful business, Nutley Key & Glass. The building was completed last July. Besides housing a large work shop, a very comfortable show room is included in the front of the store.

Marvin & Murray will carry out the same efficient and excellent repairs and service they were doing in their last 2 locations. This will include all phases of locksmithing service and sales, plus all sizes of decorative mirrors, glass table tops, auto glass replacements, combination storm windows and doors, automobile air conditioners, sales and service on lawn mowers and snow throwers.

Large parking facilities are available in the rear of the premises and also a large indoor garage for repair work on automobiles.

## Howard President Sees Continuing Progress Ahead

"Signs of the most significant progress in years" toward the assured industrial growth and prosperity of New Jersey were seen today by John W. Kress, president of the Howard Savings Institution of Newark, in a review of recent proposals to modernize the State's banking laws.

He noted with approval that the subject received headline attention during the New Jersey Bankers Association Annual Convention in Atlantic City. One of the major topics of discussion during the meetings, he noted, was the bill being taken by the association on the legislation pending at Trenton.

"This legislation," he pointed out, "is of vital interest not alone to bankers, but to every depositor, every business man and every worker in the state. Our banking statutes are outmoded. They have not been substantially amended in many years. Present regulations place artificial restrictions on the expansion of our services to the public."

Kress pointed out that Governor Hughes and State Banking Commissioner Howell have both recognized the importance of the legislative issue. He also recalled the intensive study made several years ago by the Howell-appointed Committee to Study the Banking Laws of New Jersey under the chairmanship of Dr. Lester V. Chandler of Princeton University.

## Cook of the Week

ERIC HULME

## First Male Winner Learned By Puttering in Ship's Galley

The first male winner in the history of the Times-News cooking contest, Eric Hulme of 122 Bell Street, started his culinary hobby during a ten-year career at sea where "fooling around in the ship's galley" was one of the few recreational activities available.

The freelance-carpenter's cooking in the Hulme kitchen is usually limited to pies and cakes (Mrs. Hulme says her husband is the only cook in the family who takes the pains to make cakes from scratch). Outdoors, however, Hulme enjoys doing the cooking on frequent family camping trips.

Today's Cook-of-the-Week also enjoys raising African violets and photography. He was a prize-winner in the recent Cherry Blossom Festival photo contest.

Hulme was born in England and grew up in Australia. He has lived in Belleville for 28 years.

Hulme won \$5 for his recipe for lemon chiffon pie which follows:

**LEMON CHIFFON PIE**  
1 cup sugar  
½ cup lemon juice

## Boy Scout Troops Prepare for Camp

John Weidman and James Schleider of Belleville have been selected as leaders of contingents participating in Robert Treat Scout Council's annual two-day work party at Camp Mohican at Blairstown June 12.

Weidman, who resides at 95 Smallwood Avenue, is directing the North End Branch Unit, Schleider, 73 Prospect Place, is leading the Belleville delegation.

The two days will be devoted to participating in scouting activities and making final preparations for the opening of the camp for summer activities on July 4.

Among the Belleville units participating are Wesley Methodist Church Troop 301, Laurence S. Ledmore, scoutmaster; Pew-Smith Memorial Presbyterian Church Troop 350, Lawrence J. Jewell, scoutmaster; Grace Baptist Church Troop 351, Robert Rudden, scoutmaster; St. Peter's Church Troop 375, Robert J. Fersch, scoutmaster, and Christ Episcopal Church Troop 388, Robert May, scoutmaster.

## Cubs Planning Many Activities For Reservation

Belleville and North Newark Cub Scouts who are 10½ years of age have been invited to spend this Saturday at Robert Treat Council's Conklin Scout Reservation (Scout Acres), in Rockaway Valley.

The Cub Scouts and dad, or another adult, and the cubmasters of each pack will participate in a new event called "Webelos Day."

The program will include such Boy Scout activities as nature and conservation, archery, and fitness demonstration. There will be dad and son events, including tag of war, knot tying relay races, and a string burning contest. The

Cub Scouts and dads will also participate in tracking and trailing and a campfire program. They will visit the Council's axe yard and rope yard at the camp.

Cubs and fathers will cook their nighttime meal together.

Edward Bonnet of the Belleville District, Robert Treat Council, Boy Scouts of America is serving on the Council's Webelos Day Committee. Belleville Troop 388, Robert May, Scoutmaster, will have charge of food.

Belleville Scout Troops and Explorer-Posts will participate in the Memorial Day program at the Monument on Union Avenue and Greylock Parkway on Monday, May 31.

A cup of blueberries is about eight to add to a two-cup flour muffin recipe.

## Car Fire Damage Totals \$275 to Two Engines

Two auto engine fires were the most serious calls to the Belleville Fire Department last week. The first occurred May 17 on Route 21. Damage to a car owned by Marie Cuomo of Little Ferry was \$150. The second car blaze occurred last Thursday in front of 17 Federal Street. Damage was \$125 to the vehicle.

## Charles Wohlneck Awarded Degree

Charles T. Wohlneck of Belleville was awarded a bachelor of science degree Sunday at the 56th annual commencement of East Carolina College, Greenville, N.C. Wohlneck resides in Belleville at 446 Cortlandt Street.

Dr. Leo W. Jenkins, college president, conferred the degrees at 5 p.m. ceremony in Ficklen Stadium. The commencement address was by North Carolina Governor Dan K. Moore.

## CONTEST RULES

Favorite recipes should be submitted in contest. They may be for hors d'oeuvres, soups, salads, meat or fish dishes, vegetables, casseroles, desserts, foreign or American delicacies.

Recipes that do not win the week they are submitted will be considered in subsequent weeks' contests.

A contestant may submit more than one entry.

If the same recipe is sent by more than one contestant, the one with the earliest postmark will be the winner. In the case of entries submitted in person at The Times-News Office the date and hour will be noted on recipe when it is received.

One winner will be chosen each week and will receive a check for \$5. The winning recipe will be published each week in the Times-News.

Entries must be typewritten or written legibly and mailed or brought to The Belleville Times-News Recipe Contest Editor, 246 Washington Avenue, Belleville, N. J.

Members of The Times-News staff or members of their immediate families are not eligible.

## Day Camp Now Taking Names For '65 Season

David T. Imhoff, director of Camp Y-Mont, Montclair YMCA day camp for boys, has announced registrations are now being accepted.

Camp Y-Mont will open on July 6 and terminate on August 13. Boys may register for two week periods, camp operates five days a week.

Boys living in Nutley and the Brookdale section of Bloomfield may travel to and from camp on the Nutley Bus. For reservations and further information concerning this transportation service contact Mrs. Charles Coeyman, at North 7-4015.

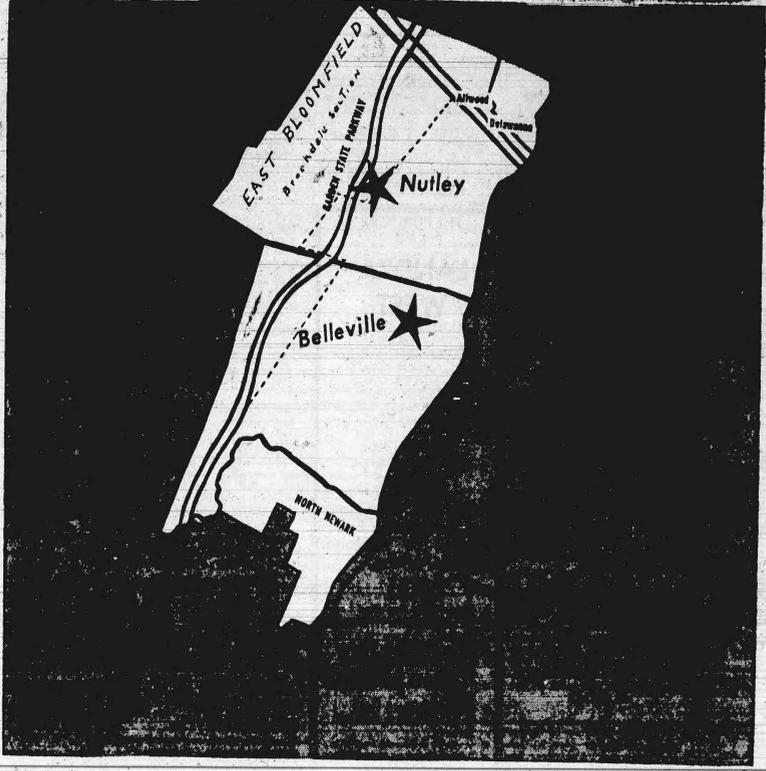

Camp Y-Mont is divided into two units the Indian Unit for boys entering the second and third grades and the Adventurer Unit for boys entering the fourth, fifth, and sixth grades.

Only 5 per cent of patients coming to contact lens specialists are over 40 years of age. Yet the New Jersey Optometric Association reports that the most spectacular use of contact lenses is later maturity has been with patients who have had cataract operations. The contact lens eliminates practically all aberrations found with regular glasses.

SERVING 150,000 RESIDENTS IN NORTH ESSEX COUNTY

This Beautyrest mattress brings me back to life every morning

by don herold

"No longer ½ awake all night and ½ asleep all day"

One of millions of people who are blessed with Beautyrest sleep every night recently wrote us: "I used to toss and squirm and get second-rate sleep on a Second-Rate mattress every night. This left me about half-conscious all day."

"Then I bought a new Beautyrest, and my life is an entirely new experience. I sleep like a baby all night, and live like a man ALL DAY. I start BRAND NEW every morning. (And the Brand is Beautyrest.)"

The secret is Beautyrest's completely INDEPENDENT springs, each in its separate fabric housing, unattached to any others. These springs do not sag in groups, pulled down by each other. Your body gets the kind of support it needs where it needs it, every inch molded to your form and weight.

Try a Beautyrest at our store today.

PRICED AT ONLY \$79.50

## Lt. R. Schrier At Aerospace Medical Meet

First Lieutenant Robert S. Schrier of 502 Jordan Street, Belleville, was among 400 active and non-active duty reserve officers of the Air Force Medical Service attending the recent 36th Annual International Aerospace Medical Association meeting in New York City.

Lieutenant Schrier participated in a series of programs that revealed the latest advancements in medical aspects of aviation and space travel. He also took part in a symposium of key Air Force medical reservists and Administrators. He is an administrative officer in the 33rd Medical Service Squadron, an Air Force Reserve unit at McGuire AFB. Speakers at the event included Major General Albert T. Wilson Jr., vice commander of the Continental Air Command which conducts the Air Force Reserve program.

Lieutenant Schrier is a pharmaceutical chemist with Lederle Laboratories, Pearl River, N.Y. The son of Mr. and Mrs. William J. Schrier of 632 Parker St., Newark, N.J., he received his B.S. degree in pharmacy from the University of Kentucky.

His wife, Miriam, is the daughter of Mr. and Mrs. George Pashkow of 517 Wills Road, Landing.

## Arthur A. Taylor Honored for Work As College Editor

Arthur A. Taylor of Belleville, a Nasson College senior, was honored this week as editor of the student newspaper.

Taylor, who has been editor of the "Nasson Review" two years at Springfield, Maine, received the Journalism Award given annually to graduating members of the editorial board and staff in recognition of outstanding service.

A candidate for the BA degree in history June 6, Taylor, who has worked in the college dining room four years, has been president of his class, the debating club, and his residence hall.

He has been a member of the rifle club, soccer team and intramural baseball, volleyball and basketball teams.

A member of the Glee Club four years, he has also participated annually in the senior variety show. He has been active in the philosophy club and great decisions group.

The son of Mr. and Mrs. Clinton S. Taylor, 14 Passaic Avenue, he is a graduate of Nutley High School.

## Belleville Classes At Film Festival

Classes from Belleville Junior High School are attending a film version of "Little Women" during a two-week Academic Film Festival which concludes tomorrow at the Mosque Theater in Newark.

Parochial and public school classes from six northern New Jersey counties are viewing twice a day screenings of film classics which Symphony II & III Inc. is offering at the Mosque. "Pride and Prejudice," "Tale of Two Cities," a live musical version of "The Three Musketeers" and films of Shakespeare and Moliere dramas are also being shown, as well as a collection of travel films entitled "A European Journey."

## John McWilliams Elected to Society

John McWilliams of 164 Mill Street, Belleville, has been elected to the Tau Beta Pi national honor Society. He is a student at Newark College of Engineering.

McWilliams was welcomed into the society at a dinner sponsored by the school's Honor Societies' Council this month at Thurms' Restaurant, Newark.

Tau Beta Pi is the national scholarship society.

Pork sausage links are tastiest when cooked so they're plump and juicy. That's why you add 2 to 3 tablespoons of cold water to the frying pan with the links, cover tightly and simmer for about 10 minutes. Remove the cover and brown the sausage slowly.
