

# Three Town Ceremonies Mark Memorial Day Observance

MEMORIAL SERVICES — Belleville service groups, police and firemen and officials are pictured above during the three Memorial Day services which honored the dead of America's wars. In the left photo Mayor Nuncio Pico addresses the

audience at ceremonies conducted at the War Memorial monument on Union Avenue, while Councilmen James Golden, William Cullen and Ralph Casale are at attention at left. In center photo, squads of police and firemen, veterans groups, and the high school band salute before the public safety units' memorial monuments at Town Hall. In right photo,

veterans leaders lower the floral piece into the waters of the Passaic River, completing ceremonies honoring the naval victims of the various wars.

# DURKEE APPEALS SUSPENSION

## Town Taps Hughes, Sandman

Although Governor Richard J. Hughes will face Republican challenger Wayne Dumont in the state race for Governor, Town Republicans drew 53 GOP votes. Governor Hughes ran over his challenger, William W. Sandman, as the Democratic challenger. William J. Clark, drawing 2,766 votes to 304 for Clark, the Newark man who made news in 1961 when he sent his daughter to study in Russia. In the local election, which saw

## Mrs. McCool Demands Retraction From Arvidson, Asks Public Debate

Mrs. Norma McCool, member of the Board of Education, demanded a retraction from Board President Ernest S. Arvidson on a statement issued last week in which he charged that she and relieved Schools Superintendent Dr. Frank M. Durkee had special meetings following each meeting of the Board.

Mrs. McCool, who had opposed the majority for the past several years, also charged Arvidson with 18 misstatements of facts and challenged Arvidson and other members of the majority to a public debate on school issues.

In a prepared statement, Mrs. McCool said:

"In my three plus years on the Board I have never before been more shocked or surprised by a statement from a bloc member of our board.

"The fantastic audacity of one of these men to make such a statement so completely unfounded in truth or fact, has not only overwhelmed but has angered me immeasurably.

"While the statement contains not a shred of truth, it contains more than one snide insinuation and no matter which conclusion one arrives at, they would have received a completely defamatory

ERNEST S. ARVIDSON

MRS. NORMA MCCOOL

idea as to my character.

"The statement, surrounded by eighteen other pure lies, appears in last week's issue of The Belleville Times and reads as follows:

"Over the past year invariably after every meeting or Board executive session Mrs. McCool and Dr. Durkee held their own secret conference, many times in the Superintendent's office."

"As Mr. Arvidson's unfamil-

arity with the English language or any accepted dictionary becomes more and more apparent, I wish to point out to him that according to Webster's dictionary the meaning for invariable is unchangeable, constant and uniform but the meaning for seldom is at widely separated intervals or infrequently.

"Now, Mr. Arvidson, I demand to know whether it is moral or ethical turpitude that you are either insinuating or accusing me of. If, of course, you had no such idea in mind, I am here and now demanding a full retraction of that statement as it is untrue, unwarranted and without any basis in fact. Also, I am prepared to legally prove same.

"What goes on after meetings you are fully aware of, so do not attempt to accuse me of something that you, rather than I, do."

"I have had to listen to your false accusations for over three years and I am telling you that I shall tolerate no more.

"Your accusations which have gone as far as stating that I was a communist, teaching communist doctrine and was infiltrating our school system, have never had truth as an important factor in them, but rather they seemed motivated by an irrational hate.

"When your cup runneth over (Continued On Page 15)

## Tax Bills Out On Schedule

The tax bills for the full year were dropped in the mail Tuesday by Town Treasurer Francis McCoy, right on time. The bills are payable August 1 and are required to be mailed out at least 60 days prior to the payable date.

Much concern was expressed by members of the Town Council and residents when the January 1 bills were not submitted to the residents on time.

Town Manager John R. Burnett pointed out that the bills are different in that they include the bills for the third and fourth quarters of 1965 and the first and second quarters of 1966. The bills also include a breakdown of each person's taxes as to the exact amount of the money which will be used for veterans and senior citizens' exemptions, county taxes, school taxes, reserve for uncollectable taxes and municipal taxes.

## Cherry Blossom Queen at Jaycee Fete

ON PARADE — The Belleville Cherry Blossom float, graced by Miss Cherry Blossom Ann Skidmore are shown in the annual State Gwen Gaudio (rear) and her court, left to right, Miss Barbara Wittmann and Miss Joyce Skidmore at Asbury Park last week.

## Miss Fitzpatrick Salutatorian Miss Ceres Valedictorian Of '65 BHS Senior Class

Myra Ceres is valedictorian of the 1965 Belleville High School graduating class, and Cecilia Fitzpatrick has been named salutatorian it was announced Tuesday.

The following seniors were named members of the Honor Group for 1965: Brenda Alfonso, Susan Beneziano, Gerard Brunel, Myra Ceres, Cecilia Fitzpatrick, Thomas Di Biase, Ann Bonis, Sharon Grundfest, William Hart, John Ienden, Barbara Mann, Nicholas Melito, Roberta Moore, Elinor Mostello, Claudette Nadeau, Sharon Paire, Susan Petro, Michele Potenzano.

## Local Jaycees Honored at State Parley

Representing the Belleville Chapter at the annual State Jaycee Convention held last week in Asbury Park were the following members: Bob Kittle, President; Hank Wozniak; Keith Meligot; Emil Brower; Harry Breckenridge; and Dave Haight.

The 3-day meeting was kicked off with a gala 2-hour parade. The Belleville Jaycees entered the Cherry Blossom Float on which Miss Gwen Gaudio (Miss Cherry Blossom 1965) and her court composed of Miss Barbara Wittmann and Miss Jo Ann Skidmore rode.

Mrs. Vera Kittle was the chapter president. Information concerning the Belleville Cherry Blossom Festival was distributed along the parade route.

Plaques were presented to 12 Belleville Jaycees for their contribution of time in raising funds for the 1964 United States Olympic Team. The Belleville Chapter was presented a Blue Chip Award for being one of the outstanding Jaycee Chapters in the state of New Jersey.

Highlights of the Convention included speeches by Governor Hughes and Dr. Jim Turpin, who

## Says 'Bloc' Acted in Bad Faith

Superintendent of Schools Dr. Frank M. Durkee, who was relieved of his duties with full pay by the Board of Education last week, has appealed to State Commissioner of Education Frederick M. Raubinger for reinstatement.

Attorney Joseph E. Cullum of Union City, filed the appeal for Dr. Durkee, charging that the "majority bloc acted in bad faith, without compliance with School Law and for reasons unconnected with proper administration of the school system."

Dr. Durkee said Tuesday that he "hoped for a speedy decision from the Commissioner."

The Board acted to relieve Dr. Durkee of his duties after it passed a resolution last week authorizing an investigation of the entire school system by an outside agency to be recommended by the New Jersey Education Association.

Meanwhile a group of pro-Durkee citizens have organized a Fair Play Committee headed by Alen Crisp. The committee was to meet Wednesday night to discuss the possibility of filing legal action to halt what it considers needless spending of taxpayers' funds on the investigation.

At a special Board Meeting May 26 the Board appointed Assistant Superintendent Michael Rosamilia to assume the duties of the superintendent until a decision is reached.

## Aerial Truck Breaks Down

Fire Chief Carl F. Hundertpund said the new 85-foot aerial ladder broke down on a training run Saturday afternoon.

The Chief said the department drivers were learning how to handle the new equipment.

A factory representative said the clutch had been improperly lined up and the clutch is being returned to the factory for a check and replacement.

Chief Hundertpund said the new ladder will be out of commission for only a day or two. He said it was expected to be back in operation today.

## 3-Day Father's Day Sale Set by Town Merchants

The Retail Division of the Belleville Chamber of Commerce, under the chairmanship of Michael A. Pariso of Parisio Brothers Furniture Co., held a successful dinner meeting May 18 at the Branch Brook Manor.

The principal speaker at the meeting was Paul A. Devine of the Small Business Administration of the United States Government. Devine talked on the "Skills of Management". Following the talk by Devine, open discussion was held with the result that the Chamber of Commerce will sponsor a Father's Day Sale starting June 17 and running through June 19.

This sale will be advertised in The North Essex News which comes out on June 15th. Participating merchants will be listed and their special bargains will be advertised. The merchants cooperating in this sale will bring you better merchandise at lower prices.

Pariso urged local residents to buy in Belleville for safety reasons, more personal service and attention where you know your merchant. He said, "Most times merchandise and prices are as good as you can find after hours of time spent driving and shopping."

# Lally Charge Stands — DiRuggiero

Board of Education member Dr. Frank DiRuggiero said last week he "did not back down on a charge that former Board president Dominick A. Lally, acting as an emissary for Dr. Frank M. Durkee, had threatened DiRuggiero's children's school career would be harmed if he voted to investigate Durkee."

"I did not back down as reported in The Times-News," said DiRuggiero. "He did come to my home and he did threaten my children's school career," said DiRuggiero.

Dr. DiRuggiero also took issue with the report of a clash with Board Member Mrs. Norma McCool and the report of his objection to the appointment of Belleville Education Association president George Nucera to the guidance staff.

"It was Rocco Saletta who took issue with the hiring of a new teacher for the business education of Nucera — was still at Belleville High School

into the conversation when I found that Nucera had been informed by Durkee that he was being transferred to the guidance department when it was not approved by the Board of Education. It smelled to high heaven."

DiRuggiero also pointed out that his son-in-law, Tony DiGiorgio — who Mrs. McCool charged was the reason DiRuggiero was against the guidance appointment of Nucera — was still at Belleville High School

**HONOR WAR DEAD** — Township officials in attendance at the annual Memorial Day ceremonies at the War Memorial monument on Union Avenue are pictured together with Chairman George Mitchell, of the American Legion Post, who served as chairman. Mitchell is before the monument in salute. Left to

right, are: Rabbi Victor Cohen, who prayed that peace would be restored in the world and that it would be everlasting; Mayor Nuncio Pico who cited our debt to the dead war heroes and lamented the lack of attendance on the part of town residents; Councilmen James Golden, William Cullen and Ralph Casale.

## Anti-Dual Control Stand Explained by Mrs. Izzo

The reasons behind the battle to stop dual control in the local school system was explained last week by Mrs. A. C. Izzo, one of the Anti-Dual Control Leaders, in a prepared statement.

Mrs. Izzo stated: "The petition Against Dual Control was signed by one thousand citizens who realized the possibility of the high cost of divided responsibility. All during the campaign the group contended that taxpayers would wind up being the goats and they were right. Two resolutions jammed through at last Monday's meeting bears witness to the accuracy of their fears and their charges."

"Dual Control now in effect is certainly wasting money and it may well run into many thousands of dollars before we are through. Money from the 1964 budget was approved because many improvements were to be made, but once again Belleville taxpayers are being taken for a ride. Instead of improvements to school 2 which parents have been demanding for years and instead of completing the building at School One and which could have been used to provide more parking space at the High School it now appears that four members of this Board of Education will spend it on a project which will benefit a special group of individuals of an out-of-town organization."

"What is so special about this out of town organization which calls itself the New Jersey Association of School Business Officials?"

"1. It is an organization (union) of Business Administration teachers who favor Dual Control because it creates jobs for their members."

"2. It drafted and lobbied for the legislation that was written into the state statute for the express purpose according to the president 'to put to rest once and for all the old argument about unit versus dual control.'"

"3. Coincident or not one member of Belleville's Board of Education is a Union Business Representative and it takes no great stretch of the imagination to decide why and where his sympathy lies. The appeal of Twissell's ruling and the preparation to take legal action was immediately seized upon by the N.J.A.S.B.O. in order to make a test case for themselves at the expense of Belleville taxpayers. This raises the question as to whether or not the supporters of Dual Control were improperly influenced by this outside organization and perhaps the investigation should include if there was any communication between them before the decision to institute Dual Control was taken."

"It also puts the campaign to discredit Dr. Durkee's administration in the category of being a tactical maneuver designed to add credence that a separate administrator for business is more desirable and at the same time get rid of this Superintendent because he disappointed his chief supporters for the post by being a better superintendent than they bargained for."

"Another dimension comes into the picture which may yet prove to be the most important of all to parents with children to educate."

"1. Shall the education of future Americans be supervised and administered by professional educators who dedicate their lives

to the business of education as a whole or shall the specialist take over even at the elementary level. Don't specialists ask higher salaries than general practitioners?"

"2. Taxpayers of a school district that adopts Dual Control would then be saddled with two instead of one top heavy salaries."

"3. Also shall the opinion of a union representative, a small business man, a dentist and an accountant displace the time proven method of having professional educators whose years of experience and training qualifies them

## Dinner to Fete Msgr. Carroll-Abbing

The many friends of the Rt. Rev. Msgr. John Patrick Carroll-Abbing, founder of Boys Town of Italy, will give a testimonial dinner in his honor Friday evening, June 11 at The Fountain, Belleville.

Governor Richard Hughes is honorary chairman, and Joseph G. Biancardi of Belleville, a long time friend of the Monsignor, is general chairman. Very Rev. Msgr. Edward J. Fleming, executive vice-president of Seton Hall University, will give the invocation. Stars of stage, screen, radio and television will attend.

A native of Ireland, Msgr. Carroll-Abbing, presently resides in Rome. He was awarded the Silver Medal for military valor on the field of battle by the Italian Government during World War II for courageous action during the Nazi occupation, when he gave medical assistance to civilians in the battle areas, and set up hospitals and First Aid stations on the Cassino and Anzio fronts.

Msgr. Carroll-Abbing aided more than 100,000 homeless children during the war years and in 1945 founded Boys Town of Italy. He erected many Boys and Girls Towns throughout the country, and has authored numerous books on the problems of juvenile delinquency.

The estimated number of drivers is increasing substantially each year. From 1952 to 1962, according to the Motor Club of America, the increase was 36 per cent.

## Proper Land Development Objective of Plan Board

Land and its proper development is the basic objective of the Planning Board and the entire planning program. The use to which the land is put and the inter-relationship of land uses is extremely important in the determination of the character of

### Capt. Vogel Flies Aid to Dominican

Captain William F. Vogel, son of Mr. and Mrs. Fred J. Vogel, of 1965 New Hyde Park Drive, New Hyde Park, N. Y., is a member of the Military Air Transport Service (MATPS) component assigned to airlift supplies to the Dominican Republic and evacuate American citizens from that troubled country. Captain Vogel is a C-130 Hercules pilot in a MATS unit at Charleston AFB, S. C. MATS flew more than 1,000 missions during the first six days of the effort by the Organization of American States to restore peace. The captain, a graduate of Andrew Jackson High School, St. Albans, N. Y., is married to the former Ruth E. Shannon, daughter of Mr. and Mrs. Richard Shannon of 36 Garden Ave., Belleville, N. J.

MATS provides global airlift of U.S. military forces and equipment.

Belleville and the quality of its

residential areas. A land use plan presents the long range proposals for the use of land in the town. It designates those areas which are best suited and appropriate for residential, commercial and industrial uses.

Residential areas will be designated on the land use plan in three categories: one family, two families and multi-families. The boundaries of these areas will be based on such factors as the built-up character of the town, the limited amount of vacant land available and suitable for residential development, existing pattern of development, and availability of community facilities.

Commercial areas will be designated as central, secondary and local business districts. Adequate land will be set aside in the major areas to provide convenient circulation within the area, physical attractiveness and ample off-street parking. The central business district will include shopping facilities, office buildings, and public facilities.

Industrial areas will be designated where industry is already concentrated, allowing enough land for existing industries to expand and to attract new industries that will be an economical benefit to Belleville. Of course, proper controls must be provided to prevent industries from creating objectionable fumes.

## Report UJA Town Total Sets Record

The highest total in the history of the Belleville community campaign in support of the United Jewish Appeal of Essex County was reached with the completion of this year's drive, Robert B. Yudin, 1965 Belleville chairman, announced this week. No local total is released by the organization.

"We were able, with the cooperation of all our works, to increase our percentage of gifts by 30 per cent," Yudin reported. "This has resulted in increases over last year's campaign and enabled us to reach the highest level in the history of our community UJA campaign."

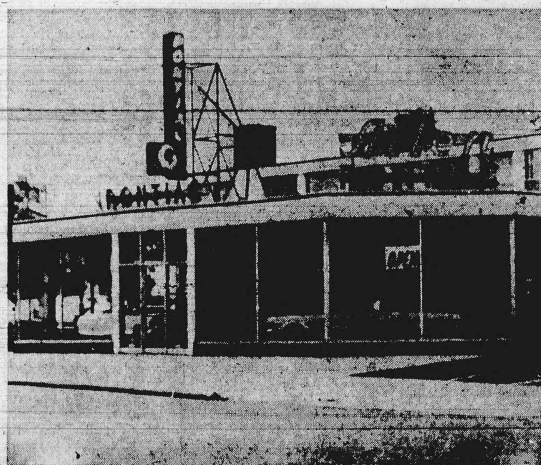

Yudin said that success in the effort was because of intensive coverage of the volunteer workers, who carried the UJA story to the entire community.

Yudin asked that any Jewish resident of Belleville who has not been contacted to date and who wishes to contribute to the 1965 UJA campaign should call him.

## Allen Heads New Pontiac Agency

Pontiac Division of General Motors Corporation has announced the appointment of Allen Pontiac, Inc., 645 Washington Avenue, Belleville, New Jersey, as factory authorized Pontiac - Tempest dealer.

Norman Allen, President of Allen Pontiac, brings many years of automotive experience to the new Pontiac - Tempest dealership. He was formerly Sales Manager of Maple Buick, Inc. of South Orange, where he won various sales achievement awards including a trip to Puerto Rico for placing first in the Newark - zone Buick sales contest. He also attained third highest position on the state in the Salesmasters' Guild.

Allen Pontiac will place special emphasis on complete customer satisfaction. "People are not interested in buying by price alone these days," Allen explained. "They realize that friendly, personalized service is important, too. However, every new '65 Pontiac or Tempest sold at Allen Pontiac will offer substantial savings to the buyer."

As a result of this unique policy, the Service Department is Allen Pontiac's most outstanding feature. The operations include modern service facilities, electronic testing equipment, factory-trained specialists, and a quick service division. Genuine factory accessories and parts are stocked. The dealership sells late model

## Loretta McDevitt Serves On Decade of Health Unit

Special to THE TIMES-NEWS  
WASHINGTON, D.C. — Loretta McDevitt, D.N., 21 Wilson Place, Belleville, has been asked to serve on the Decade of Health Unit. The purpose of the committee will be the development of several projects which this national association and its chapters can promote to help mankind.

In asking this member to serve, Myrtle Powell, D.N., of Norfolk, Va., a member of the Professional Council of AADN, states that in its Decade of Health program, the Association will attempt to remind people about the dangers of smoking, air pollution, drinking, failure to have checkups, ways of recognizing danger signals, and others. The first phase of this program, concerning the plight of the non-smoker, is mentioned in the current READER'S DIGEST.

According to Mrs. Powell, "Next to war and peace, our country's greatest and most important problem is health. This is an area where the Doctor's Nurse, as an employee of a physician, and a dedicated lay person, can help to actually save lives. It is a known fact that literally thousands of lives could be saved by a yearly checkup." Mrs. Powell states: "We will not attempt to take on any of the projects, except to publicize and point out the facilities available through private and public health agencies, such as the Cancer (call number K2DHY), plays piano and organ, and likes water-skiing, snow-skiing, boating, and flying."

Allen resides in Livingston with his wife Diane and five children: Douglas, five months; Donna, five; Debbie, nine; Diane, eleven; and Gary thirteen.

## Taxpayers in the Middle Again

The battlelines are being drawn in the local school fight with Dr. Frank M. Durkee, superintendent of schools who was relieved of his duties two weeks ago, and the Citizens Fair Play Committee on one side and the Board of Education majority, supported by the Belleville Education Association and the Belleville Principals Association, on the other.

The Board majority, headed by President Ernest S. Arvidson and supported by members Nicholas Juliano, Dr. Frank DiRuggiero and Rocco Saletta, appear convinced that they acted properly in relieving Dr. Durkee of his duties and setting into motion the machinery for a complete investigation of the school system.

Dr. Durkee and the Fair Play Committee seem just as positive that the majority acted for personal reasons at the expense of the school system and the taxpayers.

The innocent uncommitted taxpayer finds himself in the rather familiar position of financing the battle, whether he wants to or not. Just how much the battle will cost the taxpayers is anyone's guess at this time. A two-year battle in Chatham Township to oust a superintendent cost the taxpayers \$35,000 and the majority of the school system and the taxpayers.

Just how much it will cost and how long the present school battle will continue is impossible to tell at the moment. However both sides have opened fire and are moving toward a showdown. Dr. Durkee has appealed to the State Commissioner of Education for reinstatement. The Board majority has contacted the NJEA for its aid in conducting the local investigation.

The action of the BEA and BPA in joining the majority in urging the NJEA to conduct the probe seems unwise at the moment. The action places the employees in the position of backing the investigation of their boss. Somehow the question of loyalty seems to be rearing its head. Disloyalty is one of the complaints the majority has made against Dr. Durkee and now we have employees supervised by Dr. Durkee, entering the battle on the opposite side.

While we don't expect an investigation of the school system to white-wash Dr. Durkee — almost any administrator can be found wrong in judgment or practice in any business at least some of the time — we don't believe any investigation will

find charges which will lead to his dismissal.

We urge all members of the school board to read with care the article in the May issue of School Board Notes, published by the New Jersey State Federation of District Board of Education, on "Discharging a Tenure Employee". It has been written by Thomas P. Cook, counsel to the Federation and former Deputy Attorney General of New Jersey.

After reading the article, we urge all members to consider the present case and then reconsider the Board's action before it costs the local taxpayers too much money.

One point we noted is that according to N.J.S.A. 18-3-26, the Board is forbidden from forwarding to the Commissioner any charge of inefficiency unless at least 90 days prior the individual has been given written notice of the alleged insufficiency, specifying the nature thereof with such particulars as to furnish the employee an opportunity to correct the same.

It would seem to us that the Board should immediately file a written charge with the secretary of the Board and have it forwarded to Durkee. We don't believe any such action has been taken as yet.

Even after the charge is filed, the Board must decide if the charge is proven, if it is sufficient to have the employee dismissed.

From our position, it seems the majority has acted in haste and should reconsider its actions. The taxpayers paid about \$10,000 in legal fees for members indicted several years ago. It would be too much to add thousands of dollars more to their tax bills to pay the cost of a witch hunt.

If the majority has sufficient charges, backed up by clear evidence, to lead them to believe that Dr. Durkee can and should be dismissed from his post, they should make the charges public at this time.

If the majority does not have sufficient charges for Dr. Durkee's dismissal then we believe they should drop the matter and reinstate the superintendent immediately. To launch an expensive investigation in the hopes of uncovering some unreported wrongdoing is an injustice to the taxpayers and Dr. Durkee. It's time the taxpayers were considered and given a fair break. . . . FCW

## The Conservation of Water

State and local officials have called on residents to join in the fight to conserve our dwindling water supply. Yet it seems no matter how or who asks the aid of citizens it is looked at as a directive or appeal to our neighbors, but never to us as individuals.

We have had many complaints against the ban on the filling of swimming pools. Owners of taverns and restaurants equipped with air conditioners that do not reuse the water and individual home owners, worried about new laws or shrubs, have added to the complaints. Each seems sure that the ban was issued to hurt them in some way or another.

Yet, we have been assured of the record by officials that the lack of water is much more critical than has been announced. Some are all but positive that water rationing will be put into effect before the end of the summer. Yet many citizens refuse to face facts and believe that the water problem is just another scare designed by politicians to get more tax dollars from the individual in some way or another.

Fortunately a few citizens have taken

the appeal seriously and are attempting to help to conserve our water. One of the best submitted so far, in our judgment, was a plan to place a brick in the water jacket in each bathroom. An average brick displaces just about one quart of water. This means that if each of our 40,000 residents flush their toilets twice each day that a saving of some 80,000 quarts of water daily or 560,000 quarts (140,000 gallons) of water could be saved each week. Our advisor stressed the fact that more water than necessary is used in each flushing operation.

No, don't rush out and get a brick. A check with Town Manager Burnett found that he agreed that the water could be saved, but he noted that it was not necessary to use a brick. A slight bend in the float will accomplish the same thing, by shutting off the water at a lower level.

We urge all citizens to do all they can to conserve water and help avert the discomfort of water rationing in late summer.

If any of our readers have suggestions to help reduce our consumption we will be happy to pass along their suggestions to our readers. . . . FCW

## A Clean Slate

Six local youngsters learned a valuable lesson in citizenship last week, thanks to Detective Michael Marotti, Town youth officer, and his assistant, Detective Harold O'Reilly.

The lesson started several weeks ago when the police received a report that vandals had struck School Four. The detectives visited the school and found that youths had climbed on the roof, broke a light and had defaced the building by writing names and remarks on the walls with either pieces of cement or plaster. The detectives copied down all names scratched on the building and began checking youths with similar names in and around the school. Soon they had the names of the six lads who had done the damage.

Marotti decided that while the boys needed a lesson, since all were first offenders, it was not proper to bring them and their parents before the juvenile committee. He and his partner decided on a

more direct — and we think much more profitable — course of action.

They rounded up the boys and made an appointment for Saturday morning at the school. The first four boys to arrive found the detectives waiting, armed with pails, brushes and soap. The two boys who overslept were called for at their homes and brought to the school building where they joined their four comrades in a work session that lasted most of the morning and left the building sparkling clean.

The boys had been taught a valuable lesson. First that policemen are efficient when seeking offenders and humane in their treatment. Secondly they learned that they had to pay for their acts no matter how small. We believe they will think twice before they stray from the straight and narrow again.

We think the parents certainly, as well as local residents, should commend the detectives for the handling of the boys. . . . FCW

## UP SPEAK

### HOPES BOARD BATTLES WON'T HURT SCHOOLS

To the Editor, Times - News:

Dear Sir:

I view with deepening concern control of our school system and all its ramifications. It is my sincere hope that the diversity of opinions on this issue by our citizens will not be an impediment to the cooperative and harmonious relationship desired to promote the progress of our school system in our community. Certainly there is risk for differences of opinion where reason is left to combat it.

When the President of the Board of Education Mr. Arvidson, was reported to have said that County Superintendent of Schools, Dr. Twichell, may have exceeded his authority in disapproving the creation of the School Business Administrator Post by the Board at the March 22 meeting one is led to ponder certain questions relevant to the issue at hand. If Dr. Twichell has exceeded his authority then what is the extent of authority applicable by the State Dept. of Education, the Commissioner of Education, Dr. Raubinger, and the State Board of Education in this situation?

According to a 1962 state law, necessary for the appointment of a business administrator's post is subject to the approval of the County Superintendent, State Commissioner and State Board of Education. Dr. Twichell has disapproved the creation of a school business administrator, therefore the board must abide by this ruling unless it considers taking legal action on the ruling.

Also, the board is confronted with another situation in that the former assistant superintendent of schools in charge, being such until disapproved by the County Superintendent acting under a 1962 State Law, this school employee is left without a job title.

It is my understanding, although I remain open - minded on this, that it is the obligation of the obligation MIL MEHR MHM of the state legislature, through the State Board of Education and the State Dept. of Education to establish the standards under which local schools shall be operated. Standards which rather than restrain local decision making on the local level and help make local control equal to local responsibility.

Isn't the school board a legal agency of the state and shouldn't we interested citizens of the com-

munity strive toward the principle of partnership of the State (it's sub - divisions) and the community in promoting the welfare and interest of both? I should hope so.

Sincerely yours,  
Carmine G. Pettit  
Belleville, N. J.

### COUNCIL, BOARD RAPPED BY READER

To the Editor, Times-News:  
The writer has lived in Belle-

ville since 1923, and has seen many men in political office come and go, some he liked and others he disliked, but never has any two groups like the Town Council and the Board of Education now have in power who show a total regard and lack of concern for the people of Belleville. On last Monday night the Town Council just sat there with a disregard for the protests of the people. The suspensions of Dr. Durkee who has done a good job over many obstacles is known to all intelligent citizens.

I hope that the people will not stand for this kind of government and that some one will come forward to put our Town back in the realm of Good Government. James Zuccarelli  
Belleville, N. J.

## Introducing The tire for worriers.

This is the tire for worriers who'd like to cut down on the habit. If you worry about the wife getting a flat when she's driving home alone at night, If you've ever felt your car slide out from under you on a slippery curve, and you haven't forgotten that feeling.

If you know what happens to a car when a tire blows out at 70, 80, or 90 miles an hour, And, if you'd like to do something about it, Welcome to worriers anonymous!

**Rub it the wrong way and it'll stop you in your tracks.**

The new U.S. Royal Master® has two traction bars — those strips with the squiggles — and they're mighty handy if you have to stop short or take a curve on a wet, slick surface.

They "furl up." Each squiggle gets its edge up and out, and rubs the road dry under you. Squiggles aren't new. What we did was to figure out a way to put so many close together and design

Do you worry about blowouts?

Do you worry about skids?

them so deep, that the new Royal Master will resist skids longer than any other tire. When it's 3/5 worn, it'll resist straight ahead skids on a wet surface 27 to 41% more than any other premium tire with the same wear. Don't you feel better already?

Our mil-biting inner liner. Our engineers won't let us promise you'll never get

a puncture or a flat. But we can promise you a high degree of protection against sudden flats if you should pick up a nail.

There's a red liner inside that wraps itself around a nail and holds on for dear life. The air will leak out eventually, but by that time you'll have a chance to spot the slow leak and fix it.

This liner's not one of those gummy types. Or one of those tires within-a-tire. Our engineers rejected both because they felt problems are created at high speeds. (The extra weight builds up heat, which can lead to tread disintegration at high speeds.)

The Royal Master's the only ultra-high speed tire that offers you so much protection against flats.

### The rolling fortress

The Royal Master is more than a match for 2-by-4s, rocks, or potholes. Its 4-ply carcass is 60% stronger than the standard tires on cars. And they're strong.

Its tread is so thick that when we tested it in all sorts of city conditions and on country roads it lasted 42,000 miles. (You might do more. Or less. How do you drive?)

The chances of blowing this tire are practically nil.

Just to show you we're not worried

We've written into our guarantee that if your Royal Master fails for any reason (except abuse or repairable puncture) we'll give you a brand-new one, free, up to the point where you're worn away half your tread.

Beyond the halfway mark, you're covered by a pro-rata adjustment, the most liberal of any leading make. It's based on wear and the suggested exchange price whenever you find you have to bring the tire in. This adjustment is so liberal that even when you've worn away 85% of the tread, you'd find yourself paying only 60% towards a new Royal Master.

Now what are you worrying about?

**U.S. Royal Master**

Your present tires? Use them down payment! Prompt credit. Low payments arranged.

**U.S. Royal Safety Air Ride**  
**You can't find a better tire for \$9.95**  
(670 x 15 black, tubed)  
Plus tax and smooth tire off your car.

# PERSONAL AND SOCIAL HIGHLIGHTS OF THE WEEK

## Neighborhood News

Mrs. Patricia Murray PL 1-1069 Mrs. Barbara Gageon PL 9-1422 Mrs. Angela Scalfriti PL 9-9190

Happy birthday to Joseph G. and LaMonica, son of Mr. and Mrs. Joseph LaMonica of 35 Oak Street, who was three on May 25. And...

To Samuel LaMonica, son of Mr. and Mrs. Anthony LaMonica of 140 Bell Street, who was five on May 27. Both Joseph and Samuel (who are first cousins) celebrated with family parties.

On Wednesday, May 26, the seventh graders and their teachers of the Social Studies Department in Belleville Junior High filled three buses for a day trip to Philadelphia to visit Independence Hall and the Betsy Ross House.

Those who enjoyed their day off from school were Ellen Pansky, Mary Heyboer, Nancy Portuese, Irene Berkowitz, Janice Kearney, James Carbone, Michael Nigro and Joe Smith, just to mention a few.

Jon Prescott, son of Mr. and Mrs. John Prescott of 15 Agnes Street, who was three on May 20, had a party which included his sister Debbie, his friends Peter Bauerle, Terry, Ronnie and Larry Yaiser and Pattie and Marcey Fosselli of Jersey City. Happy Birthday, Jon.

### AT THE SHORE

The long Memorial Day week-end found Mr. and Mrs. Pat Orlando of White Oak Terrace, at their summer home on the island of Chadwick Beach enjoying the first holiday of the summer.

The seventh graders of the Science Department in Belleville Junior High took a trip to the World's Fair on June 2. John Biondi, a teacher, made all of the arrangements.

As chaperones, Mrs. Ernest Le Ritz and Mrs. Norman Thompson enjoyed the sights as much as the students, including Claudette Lettice, Polly Vanzo, Carol Stein, Anthony Corino, Steve McKay, Mark Borgo and Valerie Mair.

Tomorrow, Friday, Mr. and Mrs. Theodore Farber of Washington Avenue will drive to Boston for the weekend to see their nephew graduate from Tufts Medical School, an event they've long awaited.

### A COMPANY AFFAIR

Recently, the Central Overall Cleaners Inc., of Ralph Street,

gave a buffet dinner dance at the Elks Club for the employees, Mr. and Mrs. Robert Jacquin, Mr. and Mrs. John Jacquin, Mr. and Mrs. Ronald Yaiser and Mrs. Louise Reinhardt and a group of friends report it was a very enjoyable evening.

Court Santa Maria, Catholic Daughters of America, held a Chinese Auction, their last social affair of the season, at the Knights of Columbus Clubhouse last Tuesday night.

With over 200 gifts to be won, the clubhouse was "crowded to the rafters" with eager women. Among these were Mrs. John Parazzo, Mrs. Edwin Dressler, Mrs. Bernard Molise, Mrs. Albert Schickman, and Mrs. Flo Cheesman.

The Thursday Afternoon Housewives League of The Olympic Bowling Alleys held their end of the season bowling banquet at the San Carlos Restaurant in Lyndhurst on May 27. The husbands of Mrs. John Ryan and Mrs. George Lister were green with envy when their

wives came home with prizes. Loretta won a silver trophy for "high game", 243. Joan was awarded a silver bowl for "high series", 567. Both girls are on the same team, the Three Belles, which placed fifth out of 28 teams in the league.

Mr. and Mrs. Joseph Berkowitz of Belmont Street will have about 35 members of their family circle for an all-day get-together on June 19. Most of their family will arrive from New York City and Long Island. Have fun.

A second child, a daughter, Nancy Jean, was born to Mr. and Mrs. Frank Bauerle of 53 Division Avenue, May 25 at St. Barnabas Hospital, Livingston. Birth weight was seven pounds, 11½ ounces. She joins a brother, Peter, who is two years old.

Mrs. Bauerle is the former Geraldine Vanderhoff, daughter of Mr. and Mrs. Lewis Vanderhoff of 39 Malone Avenue. Mr. Bauerle, son of Mrs. Emily Bauerle of Harrison Street, is in the Personnel Department of The Fidelity Union Trust Company of Newark, B. G.

## STORK CLUB

### Anthony M. Stefanelli

A fourth child, a son, Anthony Michael, was born to Mr. and Mrs. Louis Stefanelli of 49 Carner Avenue, Belleville, May 8 at St. Mary's Hospital, Passaic. Birth weight was six pounds, 13 ounces. He joins Maria, 12½; Louis, 11; and John Joseph, five. Mrs. Stefanelli is the former Gloria M. Perna, daughter of Mr. and Mrs. John Perna of 69 Perry Street, Belleville. Mr. Stefanelli, son of Mr. and Mrs. Joseph Stefanelli of 731 Washington Avenue, Belleville, is a chemical engineer with Severn Plastics Corp.

### Mary and Robert Vocaturo

Twins, Mary Mildred and Robert Rosario were born to Mr. and Mrs. Angelo Vocaturo of 125 Adelaide Street, Belleville, May 13 at Clara Maass Memorial Hospital, Belleville. Each weighed five pounds, two ounces. They join Michael, 13; Cindy, nine, and Patty, six. Mrs. Vocaturo is the former Carole M. Gilbertson, daughter of Mr. James Maguire of Newark. Mr. Vocaturo, 48 Bertoni Place, Nutley, is a self-employed excavating contractor.

### Donna M. Masiero

A fourth child, a daughter, Donna Maria was born to Mr. and

## Cedar Crest Graduates

MISS JOAN BEHAN

MISS NANCY STEFFENSEN

Two Belleville girls were graduated from Cedar Crest College, Allentown, Pa., on Sunday, May 30. They are Miss Joan D. Behan,

Mr. and Mrs. Joseph Masiero of 23 Wilson Place, Belleville, is self-employed with Verona Avenue Hardware, No. Newark.

### Joseph R. Frank

A second child, a son, Joseph Ralph was born to Mr. and Mrs. George Frank of Lyndhurst, May 27 at Clara Maass Memorial Hospital, Belleville. Birth weight was eight pounds, three ounces. He joins a brother, George Joseph, Jr., 13 months. Mrs. Frank is the former Barbara Theim, daughter of Mrs. Marie Theim of North Arlington. Mr. Frank is a cable splitter with N. J. Bell Telephone Co.

daughter of Mr. and Mrs. Frederick E. Behan of 9 Dawson Street, and Miss Nancy Steffensen, daughter of Mr. and Mrs. Einar Steffensen of 64 Preston Street.

Both are graduates of Belleville High School. At Cedar Crest, Miss Behan served as chairman of the tutoring program designed to aid academically poor public school children.

She was recently elected to Tri-Beta Biology Society for excellence in Biology and was a Who's Who in American Colleges winner. Miss Behan will teach in the Millersburg, Pa., public school system.

Miss Steffensen served at Cedar Crest as associate president of Curtis Dormitory and was member of Alpha and Omega, honorary science society.

## Feeding a Crowd Can Be An Enjoyable Task

Has your favorite club appointed you food chairman for its annual "cookout?"

Your job will be easier if you follow a few guides suggested by Audrey C. Burkart, extension specialist in foods and nutrition at the College of Agriculture, Rutgers University.

Before you begin any plans, decide the number you need on your committee and the responsibilities of each member. You, as chairman, should act as leader.

When planning the menu, know what equipment you will have to work with, select foods that require little handling, and choose recipes that give the needed portions.

Adequate refrigeration is important. Quick meats, cold cuts, dishes including mayonnaise, pickles and relishes should all be refrigerated until they are to be used. When serving pickles and relishes, make every effort to keep containers covered.

Paper plates and serving-size cups cut down handling and may make serving easier too.

For convenience, ask your local delicatessen to roast the beef or Virginia ham you plan to use help to guarantee you the need on the cold plate. Delicatessen

THE STANLEY S. KAMINSKYS of 65 Baldwin Place, Belleville, were photographed on board the Grace Line's Santa Paula just before sailing recently from New York on a 13-day cruise. They made stops in Caracas, N.W.I.; Kingston, Jamaica; Port-au-Prince, Haiti, and Port Everglades, Fla.

are equipped to prepare larger pieces of meat, and they can help to guarantee you the need on the cold plate. Delicatessen

One of the most important "ground rules" when serving meals to any number of people is cleanliness.

## Gail Patricia Lotruglio, Secretary, Marries In Sunday Afternoon Rites

The marriage of Miss Gail Patricia Lotruglio, daughter of Mr. and Mrs. Joseph Lotruglio of 227 William Street, Belleville, to William Eugene Nelson, son of Mrs. Alexander Nelson, son of 37 New Street, Belleville, was solemnized Sunday afternoon, May 30, in St. Peter's R. C. Church. Mr. Nelson is the son also of the late Mr. Nelson.

The ceremony was performed by the Rev. Francis Ignacunas. The reception was held at Royal Hawaiian Palms Lyndhurst.

Escorted by her father, the bride wore a gown of cameo peau de soie fashioned with empire style bodice of embroidered alencon lace, and A-line skirt with chapel train. A fingertip veil fell from a pearly seashell, and she carried a bouquet of orchids with ivy.

Mrs. Richard Gough of Belleville, the matron of honor, was gowned in nile green chiffon over taffeta in empire style with white bodice and sleeves trimmed with embroidered yellow flowers. She had a flower headpiece with veil, and carried a bouquet of yellow spider mums.

The bridesmaids, Miss Sandra Lotruglio, the bride's sister; Miss Lynn Sorrentino of Union, her cousin; and Miss Catherine McNally and Miss Marilyn La Mura of Belleville, were similarly attired in nile green chiffon over taffeta.

Arthur Nelson of Belleville served as his brother's best man. Ushers were Frank Lotruglio, brother of the bride, Kenneth Long, Richard Lowack and Ronald Young, all of Belleville.

Mrs. Lotruglio was attired in an aqua lace princess style dress with matching A-line coat. Mrs. Nelson wore pink lace. Both had matching accessories and corsages of white orchids.

A graduate of Belleville High School, the bride is employed at Walter-Kidde & Co., Inc., Belleville. Her husband was graduated from Bloomfield Technical

MRS. WILLIAM NELSON  
Former Gail Lotruglio

High School and served for two years in the Army, for 18 months in the European Command. He is with John G. Young, local plumbing contractor.

Mr. and Mrs. Nelson will reside at 21 Bridge Street, Belleville, when they return from a wedding trip to the south.

The same tender cuts of meat suitable for broiling when cut an inch thick or less may be pan broiled. Use a heavy frying pan or a griddle. You need not pre-heat. Be certain neither to add water nor to cover—it will rip longer be pan broiling. Pour the drippings off as they accumulate. If you permit them to collect, it will be pandrying. Cook, turning occasionally, until meat is done.

## Tri-Towners Receive Two Awards At Annual Conclave

Miss Helen Hunt, of Glen Ridge, president of Tri-Town Business and Professional Women's Club, Inc. of Belleville, Bloomfield and Nutley, and other officers and members, have returned from the 47th Convention of the New Jersey Federation of Business and Professional Women's Clubs, Inc., held at the Seaside Hotel, Atlantic City.

Miss Hunt announced that Tri-Town received awards in two classes. One was for attendance at Federation board meetings. The other was for participation in Youth Projects, including a panel program in October at which Michael Rosamilla, Assistant Superintendent of Belleville High School, Harold Schnitzer, Guidance Director Nutley High School, Miss Grace R. Basse, Guidance Counselor of Essex

County Vocational School and Miss Kathleen Hentz, Guidance Director, Bloomfield High School took part.

Another winning program was a three-week Safety Course for Teenage Baby Sisters in conjunction with the Nutley First Aid Squad, Police and Fire Departments and Public Health Nurse and Officer. This was managed by Mrs. Marion Johnson.

In February the program centered around International Youth. Tri-Town invited as dinner guests exchange students from the various high schools. Also in February, under the chairmanship of the Personal Development Committee, Tri-Town joined with other clubs in the area in a combined dinner meeting at the Downtown Club in Newark, and again invited exchange students as guests.

## Wedding Trip To The Virgin Islands For Mr. and Mrs. Nicholas Onnembo

Miss Carol Ann Falcone, daughter of Mr. and Mrs. Angelo Falcone of 53 Naples Avenue, Belleville, and Nicholas Vincent Onnembo, son of Mr. and Mrs. Emil Onnembo of 330 Grant Avenue, Lyndhurst, were united in marriage Sunday afternoon, May 30, in St. Anthony's R. C. Church, Belleville.

The Rev. Anthony J. Manocchio performed the ceremony, which was followed by a reception at Royal Hawaiian Palms, Lyndhurst.

Mr. Falcone gave his daughter in marriage. Her bridal gown of Summer-satin was styled with scoop neckline, long sleeves and empire waist accented with crystal and seed pearl beading and crystal drops at the waist. The A-line skirt was beaded at the hemline, and the chapel train scalloped at the bottom and appliqued with crystal and seed pearls.

A rose headpiece trimmed with crystal drops and seed pearls held her elbow length veil. She carried a cascade of roses with lilies of valley and an orchid on a prayer book.

The bride's sister, Miss Mary Joyce Falcone of Belleville, was maid of honor. Her candy pink crepe floor length gown featured scoop neckline and sleeveless empire style bodice with crystal drops. Crystal beading accented the sheath skirt and bodice.

She wore a crystal crown with candy pink veil and carried candy pink and hot pink carnations in a cascade arrangement.

Bridesmaids were Miss Marie Ferrentino, Miss Carol Carnevale and Mrs. Samuel Pica of Belleville and Miss Lucille Alice of Lyndhurst, the bridegroom's cousin. They were attired in hot pink crepe.

Best man for his brother was Jerome Onnembo of Lyndhurst. Ushers were Louis Tarolia, Nicholas DiPasquale and Thomas Natale of Lyndhurst, and Richard Giordano of Belleville, the bride's cousin.

The mother of the bride wore a shocking pink chiffon floor length sheath with beaded top and hemline. The bridegroom's moth-

MRS. NICHOLAS ONNEMBO  
Former Carol Falcone

gown. Each had accessories to moon in Puerto Rico and the Virgin Islands, the couple will make their home in Nutley.

Though biscuits are traditionally round, why not cut them into other shapes as well? After rolling out the dough, use a sharp knife to cut it into squares or diamonds. There's no waste when you cut biscuits this way because you use every bit of the dough.

## County Extension Service Combines Picnic, Meeting

The annual picnic and business meeting of the Advisory Council of the Essex County Home Economics Extension Service will be held Tuesday, June 8, at the home of Mrs. L. E. Sharpe, 119 Orton Road, West Cladwell.

The business meeting will begin at 10 a.m. and will include the election of officers for next year. The meeting will be followed by a picnic luncheon at noon. Mrs. Philip Spahr of Nutley and Mrs. Percy Van Pelt of Orange are in charge of the luncheon.

The afternoon session will be devoted to a talk on "Gardening" by William Munk, Agricultural Agent from the Caldwell office of the Extension Service. Besides giving basic information on gardening, Munk will answer questions of the various problems members have with gardens.

The advisory council consists of homemakers from each locality in Essex County. They help plan the programs of the Extension Service that will best meet the needs of the residents of their areas. Mrs. Sharpe is the representative from the West Cladwell area.

## WORLD'S FAIR TRIP SET

The Tri-Town Business and Professional Women's Club, Inc. of Belleville, Bloomfield and Nutley announces its first bus trip to the N.Y. World's Fair, Saturday, June 5.

A chartered bus will leave Bloomfield High School at 9:45 a.m. and from the Federal ITT Visitors Parking Lot, Washington Avenue, Nutley, at 10:00 a.m. The bus will return from the Fair grounds at 10 p.m. the deadline for reservations is May 27. Miss Alice Fleming of Wayne is in charge of arrangements.

No man is free who is not master of himself.

Gerald Carter

Even the mildest of medicines can be harmful if improperly taken. And, some of today's wonderful new drugs, prescribed for a particular condition, can be dangerous if taken by the wrong person.

Each prescription is carefully typed to specify the exact directions. Never take medicine in the dark or before reading the label. Follow directions exactly and as carefully as pharmacists obey a doctor's specifications.

YOUR DOCTOR CAN PHONE US when you need a medicine. Pick up your prescription if shopping nearby, or we will deliver promptly without extra charge. A great many people entrust us with their prescriptions. May we compound yours?

# WEDDINGS AND ENGAGEMENTS IN SOCIAL SPOTLIGHT

## Miss Priscilla Irene Inguaggiato, Brooklyn Man, Marry At St. Peter's

MRS. JOHN MATARAZZO  
Former Miss Inguaggiato

### STORK CLUB

#### John M. Rotondelli

A first child, a son, John Matthew was born to Mr. and Mrs. John Rotondelli of Bloomfield, May 14 at Clara Maass Memorial Hospital, Belleville. Birth weight was seven pounds, ten ounces. Mrs. Rotondelli is the former Judith Liberti, daughter of Mr. and Mrs. Joseph Liberti of 133 Mt. Prospect Avenue, Belleville. Mr. Rotondelli son of Mr. and Mrs. Matthew Rotondelli of Clifton is a pressman with American Tag Company, Belleville.

#### Katrina M. Schillon

A second child, a daughter, Katrina Marie was born to Mr. and Mrs. Albert A. Schillon Jr. of 139 Overlook Avenue, Belleville, May 15 at Clara Maass Memorial Hospital, Belleville. Birth weight was seven pounds, nine ounces. She joins a sister, Lisa Anne, three. Mrs. Schillon is the former Sandra Jean Stork, daughter of Mr. and Mrs. Rudolph J. Stork of 138 Overlook Avenue, Belleville. Mr. Schillon, son of Mr. and Mrs. Albert A. Schillon, Sr. of Kearny is a chemical technician with Nopco Chemical Co., Harrison.

#### Pamela C. Pastore

A second child, a daughter, Pamela Christine, was born to

Dr. and Mrs. Robert Pastore of Washington, D. C., March 16 at Walter Reed Hospital, Washington. Birth weight was seven pounds, six ounces. Pamela joins a brother, Robert Alan, two. Mrs. Pastore is the former Barbara Lemp, daughter of Mr. and Mrs. Charles Lemp of 143 White Oak Terrace, Belleville. Dr. Pastore, son of Mr. and Mrs. Patrick Pastore of North Caldwell, is an intern at Walter Reed Hospital. The christening was held on Mother's Day at Holy Family R. C. Church, Nutley. Godparents were Mrs. Theodore Wall of Elizabeth and Wayne Worley of Belleville.

#### Joanne M. Paterno

A third child, a daughter, Joanne Maria was born to Mr. and Mrs. Frank Paterno of 85 Emmet Street, Belleville, May 16 at Clara Maass Memorial Hospital, Belleville. Birth weight was seven pounds, 13 ounces. She joins Diane, 16, and Louis, eight. Mrs. Paterno is the former Josephine Pecora, daughter of Mr. and Mrs. Sal Pecora of Fort Lauderdale, Fla. Mr. Paterno, son of Mrs. Domenica Paterno of 15 King Street, Belleville, and the late Louis Paterno is in construction with Riefolo Construction Co.

St. Peter's R. C. Church, Belleville, was the setting for the wedding of Miss Priscilla Irene Inguaggiato to John Anthony Matarazzo Saturday afternoon, May 28.

The ceremony was performed by the Rev. James F. Heavey. A reception followed at The Chanticleer, Millburn.

The bride is the daughter of Mr. and Mrs. John Frank Inguaggiato of 28 Pleasant Avenue, Belleville; the bridegroom is the son of Mr. and Mrs. Joseph A. Greco of Eighth Avenue, Brooklyn, N. Y.

A candlelight silk peau de soie gown was worn by the bride. English lace applique of roses and seed pearls enhanced the bodice having scoop neckline and short sleeves. The bell-shaped skirt flowed into a cathedral train on which the applique motif was repeated.

A headpiece of English lace with seed pearls held her six-tier elbow length veil of French illusion. Her flowers were white orchids and roses.

Miss Patricia Castellano was maid of honor, and bridesmaids were Miss Joyce Hunderpfund and Miss Evelyn Laccitello.

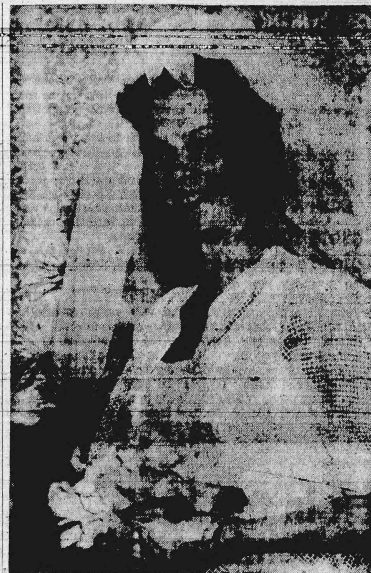

Their gowns of fantasy pink linen were floor length with three-quarter length sleeved jackets. They had matching pink linen and lace headpieces and carried bouquets of pink carnations.

John F. Inguaggiato, Jr., brother of the bride, served as best man. Ushers were Frank Marino and Gerard Massaro of Brooklyn.

The mother of the bride wore a floor length mint green Italian silk sheath trimmed with beading. The bridegroom's mother chose a pink floor length sheath accented with sprays of beading. They had matching accessories and corsages of white orchids.

Mrs. Matarazzo was graduated from Belleville High School, and is employed by Continental Insurance Co. of Newark. A graduate of Fort Hamilton High School, Brooklyn, Mr. Matarazzo is with Bar-Ray Products, Brooklyn.

The couple will reside in Nutley after a Bermuda honeymoon.

MRS. TONY R. PINOLA  
Former Caroline Carr

## Former Nutley Teacher Weds At Ceremony In Belleville

Miss Caroline E. Carr, daughter of Mrs. Mildred Carr of 75 Beech Street, Belleville, was married to Warrant Officer Tony R. Pinola, USMC, son of Mr. and Mrs. Tony Pinola of Sacramento, Calif., Saturday afternoon, May 22, at the home of the bride's mother.

The ceremony was performed by the Rev. Waldron Owen, rector of St. John's Episcopal Church, Dover. A reception followed at the Carr home.

The bride, daughter also of the late Earl Carr, was given in marriage by her brother, Thomas F. Carr of Nutley. She wore a white linen street length dress with full length net coat having elbow length sleeves. A white flower headpiece held her shoulder length veil, and she carried white orchids on a Bible.

Miss Miriam A. Butler of

Bloomfield, the maid of honor, wore pink peau de soie, in street length, fashioned with full length chiffon coat with elbow length sleeves. A pink veil headpiece was trimmed with roses to match her dress. She carried a nosegay of pink roses and carnations.

Serving as best man was the bride's brother, S-Sgt. John M. Carr, USMC, stationed presently in Cherry Point, N.C.

The bride is an alumna of Prospect Hill Country Day School, Newark, Mt. Vernon Junior College, Washington, D.C., and Fairleigh Dickinson University, Rutherford. She taught formerly in the Nutley public school system.

The bridegroom is serving with the U.S. Marine Corps stationed in Quantico, Va. The couple will make their home in El Toro, Calif., where Warrant Officer Pinola will be stationed in the near future.

#### TEMPLE INSTALLATION

Charles Klotz, of Glen Ridge, was installed as president of Temple Menorah, Bloomfield, during Sabbath services held in the Temple sanctuary on Friday, May 28, 1965. Rabbi Nathan H. Fish, spiritual leader at the Temple, officiated at the installation ceremonies. Mrs. Stanley Schneider of Nutley was also installed as corresponding secretary.

Although women are traditionally supposed to be the source of most accidents, findings reveal that they do only about 20 per cent of the driving.

## Convention Resume Sparks Woman's Club Breakfast

The Woman's Club of Belleville held their annual May Breakfast card parties held throughout the year.

"Convention Highlights" was presented by members who had attended the State Federation of Women's Clubs Convention, in Atlantic City. Giving reports were Mrs. Albert Cooper, president's report; Mrs. William Kropp, music; Mrs. David Parry, stamp of Approval; Mrs. Douglas Clark, drama, and Mrs. Floyd Haring, art.

State awards were also presented to the club, one for "going over the top" in the Staro of Approval project; one for "Meals for Millions" project, and the Certificate of Merit award for the State Art Report given by Mrs. Floyd Haring, Northern Vice Chairman of Art.

Mrs. Charles R. Haight, past music chairman, was presented with an orchid corsage and gift by the club, in appreciation of her successful term of office.

The club's final card party of the Spring season will be held Monday, June 7, at one p.m. at the clubhouse, 51 Rossmore Place. It will be a dessert card party, and hostesses will be those members who served as chairmen of the annual May Breakfast card parties held throughout the year.

## Clubwomen Will Go To The Fair

The Woman's Club of Belleville, Evening Membership Department, will have a bus trip to the World's Fair on Wednesday, June 16.

Members and guests will leave from the clubhouse, 51 Rossmore Place, at 9 a.m., and will stay at the Fair until 4 p.m. Anyone interested in joining the membership on the trip may make reservations with Mrs. Warren Sheppard, 84 Malone Avenue, Belleville, chairman, or with any Evening Department member.

Mrs. Salvatore J. Oliveri, chairman; Mrs. Robert Joiner, vice chairman; Mrs. Howard Beresford, Federation secretary; Mrs. William Oertel, American Home Department chairman and Mrs. Merrill Hoover, ways and means chairman, attended "Vineland Day" Wednesday, May 26, at the Training School in Vineland.

This is the day set aside annually for members of the New Jersey State Federation of Women's Clubs to visit the institution. The school does research work in mental retardation. The New Jersey State Federation of Women's Clubs help to support this research program with its contributions and interest.

#### PTA Plans Fun Night

Family Fun Night sponsored by the PTA of Belleville School will be held on the school playground from 6:30 p.m., tonight, Thursday, June 3. Games will be run for everyone and the children can enjoy the kiddie rides. There will be a refreshment stand also.

The feature of the evening will be a free magic show for the pupils in the school auditorium put on by Ed Patterson, a professional magician. After the show a drawing will be held for a 19" portable television set.

The affair is being handled by the co-chairman of the ways and means committee, Mrs. Kenneth Brou and Mrs. Joseph Cronauer.

to James E. Kierman, son of Mr. and Mrs. James Kierman of Clark Terrace, Belleville.

Miss Weston, daughter also of the late George Weston, is a graduate of Mt. St. Dominic Academy, Caldwell, and Rutgers Newark College of Pharmacy where she was president of Lambda Kappa Sigma. She is a registered pharmacist at Gary's Pharmacy, Nutley.

A graduate of Belleville High School and the College of Hampden Roads, Va., Mr. Kierman attends Rutgers Newark University College. He is employed in the computers division of First National City Bank of New York.

The wedding date has not yet been set.

RALPH A. CASALE

### Casale Receives Colgate Degree

Ralph A. Casale, son of Mr. and Mrs. Ralph Casale, Sr., 11 Emmet St., Belleville, was awarded the Bachelor of Arts degree at Colgate University's 144th Commencement on May 30. John Williams Macy, Jr., Chairman of the United States Civil Service Commission, delivered the Commencement Address, Mr.

Macy, George H. Love, Chairman of the Board of the Chrysler Corporation and of the Consolidation Coal Co.; Carl W. Gardlein, associate research professor in Physics at Cornell University; and Bernhard W. Anderson, Henry Anson Buttz Professor of Biblical Theology at Drew University, received honorary degrees from Colgate during the ceremonies.

An English major at Colgate, Casale received his degree from Colgate President Vincent M. Barnett, Jr.

In addition to being a member of Delta Kappa Epsilon, social fraternity, he was a member of the Campus Fund Drive, the JC Austin Classical Society and Vice President during his senior year, and active in Football during his Freshman year.

Casale is a 1961 graduate of Belleville High School.

The very drugs intended to stimulate drivers to greater alertness, can be the cause of accidents as their effects wear off, leaving the same driver in an advanced state of drowsiness, according to the Safety Director of the Motor Club of America.

## OBITUARIES

### Mrs. Harry J. Smith

Mrs. Mae R. Conlin Smith, 73, of 645 South Summer Avenue, Newark, mother of the Rev. Daniel J. Smith, died of cancer at St. Mary's Hospital, Newark, May 27, after a long illness.

Mrs. Smith was born in Belleville and moved to Newark in 1920. The widow of Harry J. Smith, she was a charter member of the Court Santa Maria, Catholic Daughters of America, Belleville, a founder and charter member of the Benedictine Mother's League of St. Mary's Abbey, and a member of the Rosary Society of Our Lady of Good Counsel Church, Newark.

Mrs. Smith was present on May 15 when Father Dunstan celebrated the 25th anniversary of his ordination with a Mass at St. Anthony's Orphanage in Kearny, where he is chaplain.

A Requiem Mass was offered Monday, May 31, in Our Lady of Good Counsel Church, Newark.

### Milford G. Sypher

Milford Guy Sypher, 81, of 170 Linden Avenue, Belleville, died Wednesday, May 26, at Clara Maass Memorial Hospital, Belleville.

A native of Nova Scotia, Mr. Sypher lived in Boston for 30 years prior to coming to Belleville in 1932. He was retired from the Chilton Pen Co., New York.

The wife of Elmer Helmstaedter, Mrs. Elizabeth M. Austin Helmstaedter, of 29 Van Rensselaer Street, a lifelong Belleville resident, died Saturday, May 22, after a year's illness. She was 68.

Funeral services were held from the Kiernan Funeral Home, 101 Union Avenue, Belleville, Tuesday morning, May 25, to St. Peter's R. C. Church where a High Mass of Requiem was offered. Interment was in St. Peter's Cemetery.

The wife of Elmer Helmstaedter, Mrs. Elizabeth M. Austin Helmstaedter, died also by two brothers, John and William.

### Mrs. George Baumeister

A High Requiem Mass was offered in St. Peter's R.C. Church, Belleville, for Mrs. Marguerite E. Spilleg, Baumeister, of 24 Lloyd Street, Newark, May 27.

Burial was in Immaculate Conception Cemetery, Montclair. The funeral was held from the Kiernan Funeral Home, 101 Union Avenue, Belleville.

### Russell P. Learnard

Russell P. Learnard, of Post Road, Bernardsville, owner of Learnard Chevrolet Co., Belleville, died Friday, May 28, in Columbia Presbyterian Hospital, New York. He was 65.

Mr. Learnard was born in Brooklyn. Before opening the Learnard Chevrolet Co. here, he operated Price Motors in Newark. He lived in East Orange before moving to Bernardsville 16 years ago.

He leaves his wife, Mrs. Helen Learnard; two brothers, Edwin G. of Flushing, N. Y., and Hiram of New York City; a sister, Miss Ollie A. Learnard, and three grandchildren.

Funeral services were held Monday afternoon in the First Presbyterian Church, Bernardsville.

### Nicholas Caprio

Nicholas Caprio of 201 Hoffman Boulevard, East Orange, a pharmacist in the Silver Lake section of Belleville for many years, died Tuesday, May 25, in Columbia Hospital, Newark. He was 81.

Mr. Caprio was born in Italy and came to this country and Newark 75 years ago. He owned and operated the former Rex Pharmacy at 102 Franklin Street, Belleville, before retiring and moving to East Orange 15 years ago.

He attended night classes in Central High School and the old Newark College of Pharmacy for his degree. Mr. Caprio was a founder of both American Lodge 256, F.A.M., and Anita Chapter 283, O.E.S.

Surviving are two sons, Tax Collector Ralph C. Caprio of Newark, and Caspio of Clifton; two daughters Mrs. Lucia De Vito of Union and Mrs. Aurora De Maio of East Orange; four brothers, Joseph C., Edward and Emil of Newark and Arthur of Cocoa Beach, Fla.; two sisters, Mrs. Ernestine Del Guercio of Belleville and Mrs. Bertha Caprio of Newark; nine grandchildren and one great-grandchild.

Funeral services were held Friday morning, May 28, in the Silver Lake Baptist Church, Belleville.

# BELLBOYS CLINCH TIE IN BIG 10

## Need 1 Win To Capture First Crown

By STEVE CHAREN

History was made last Tuesday when Belleville High's Varsity team clinched a tie for the Big Ten Conference championship. The Bellboys, who have never before finished above fourth in the Big Ten, must win one of their two remaining league encounters to take the coveted title.

The Big Ten is considered by many to be the roughest league in the state.

Frank Mineo and Art Sheridan led the way as the Blue and Gold squeezed past West Orange and All Staters Tony Auferio by a 3-0 score for the historic victory.

Auferio, who was defeated via his own control problems, allowed just two infield hits for the Bellboys attack. Both of these singles came in the first round when Mineo drove in a run and scored the second. Belleville's clean up batter also drove in the final Belleville run with a sacrifice fly in the fifth inning.

West Orange's All - Stater struck out five Bellboys in six innings, but also walked six and hit one. Meanwhile, the Bellboys hurler, Sheridan, was shutting out the Cowboys on five hits. Art was not as sharp as usual as he took his sixth victory in seven decisions, but he came through with his big curve ball in the clutch to strand nine West Orange runners (five from scoring position).

This was Sheridan's fourth complete game and third shutout in five starts. Ever since being bombed out on opening day, this warm weather hurler has allowed just one run as a starter for an ERA of 1.12 in 12 starts. Art has also picked up a pair of wins with some four inning relief stints for an overall 1.78 ERA (one bad inning).

## BHS, Nutley Crews Vie Saturday

The Belleville High School crew race has been rescheduled for Saturday, at 12:45 p.m. on the Passaic River.

The neighborhood match was scheduled last Saturday but was postponed because of inclement weather. Observers may view the final quarter-mile of the race at Kearny Riverside Park.

The crew races between the two schools will be on three levels, varsity, junior varsity, and freshmen.

The neighborhood match will conclude the 1965 season for both schools.

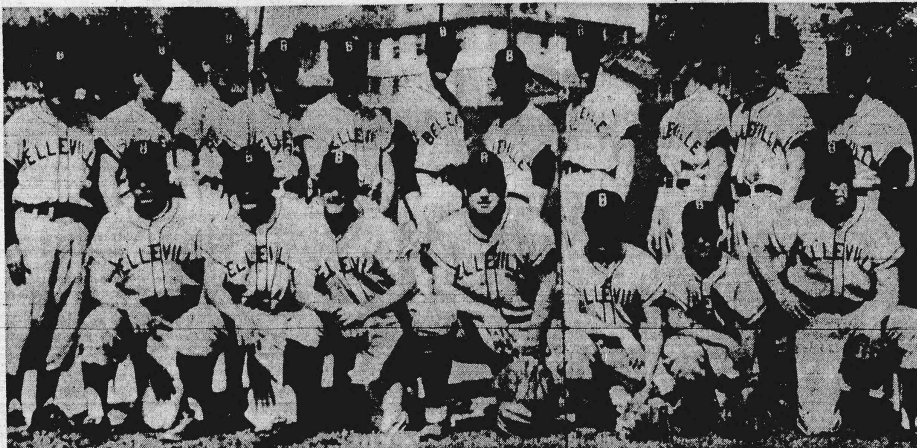

Members of the Belleville varsity include: Coxswain, George

Sorrentino; 4, Robert Milano; 5, John Ciampi; 6, Fred Burbank; 7, Frank DeBonis; stroke, Tom Caruso, and Head Coach M. Lally.

Lupinacci; Bow, Jerry Brunello; 2, Chris Schult; 3, Tony Sorrentino; 4, Robert Milano; 5, John Ciampi; 6, Fred Burbank; 7, Frank DeBonis; stroke, Tom Caruso, and Head Coach M. Lally.

Varsity crew — Members of the 1965 Belleville High School varsity crew include, left to right, Coxswain, George Lupinacci; bow, Jerry Brunello; 2, Chris Schult; 3, Tony

## Assured of Share of Big 10 Baseball Crown

1965 BELLEVILLE HIGH SCHOOL VARSITY — Need One More for Big 10 Crown

## Bellboys Nip Livingston In Greater Newark Play

After trailing 6-0 in the sixth inning, Belleville came up with four runs in the bottom of the sixth; a two-out, three-run rally in the ninth to tie the game; and another tally in the tenth to charge past Livingston, 9-8 into the Greater Newark Tournament semi-final round. On the strength of their great performance on Monday, the second-seeded Bellboys will meet third-ranked Parsippany (probably next Monday) at the site to be named later.

The over 700 Belleville fans, who traveled to Montclair for this scheduled nine inning contest, got their money's worth and then some, although most of them had counted the Bellboys out after five and a half frames.

At this point, Nick Pettit's wonders (19-4) trailed Livingston (15-9) by six runs, mostly on home runs by hustling Ron Greenstein (for three runs) and Hank Small, and were apparently having one of those patented "off" days. The pitching was erratic, three errors had been committed, and the hitters were ineffective (although several long drives had been hit and caught).

Then to the surprise of most of the 1300 spectators, those Belleville line drives started falling in.

## Bellboy Trackmen Upset Garfield

By AL PAGANELLI

Upsets are a part of life. Some say Belleville High School's Track Team could never match Garfield's powerhouse. After all, the Boilemakers were turning the Passaic Valley Conference standing into shambles and had beaten a common opponent, Nutley, by 10 more points than Belleville. They did better: The Bellboys won 62-48.

Belleville was determined to win or lose the meet on the track instead of on paper. Garfield had one strike on the Bellboys since the meet would be held on their home track. The Boilemakers moved to a 14-4 advantage after the first two events, and Garfield was already predicting a wide point spread.

The Blue and Gold remained poised and refused to panic. They began to roll.

With a sweep of the mile and a 0.12 finish in the half mile, the weightmen came through in their usual, amazing fashion and suddenly Garfield had a close meet on its hands instead of a runaway victory.

On the track, Garfield was especially strong. The home team won the 100-yard dash over lame Peter Greco and the 220-yard dash also went to Garfield. Both hurdle events went to Garfield with Belleville's Art Odle being nipped at the tape. He placed second. These events were the last that the Boilemakers were

State Police Test Set for June 8

Colonel D. B. Kelly, superintendent, today announced that the State Police written examination will be held at 7 p.m., Tuesday, June 8, in Clifton at Woodrow Wilson High School.

Those desiring to take the examination should simply report to the nearest examination point at the announced time.

## Bellboys Edge Columbia, Gain N.J. Tourney Finals

Art Sheridan came out on top under a dog to a powerful Montclair squad, and fell 4-0 on a one-hitter. This season, Belleville is favored over Kearny, which upset the Mounties, 3-1, to make the finals.

The Cardinals will undoubtedly throw righty Ken Scott against Belleville in the finals. The Bellboys have faced Scott once in the clubs two encounters and pinned a 5-4 loss on him in relief. The Cardinals have also fallen 4-1 at BHS hands.

Southway Joe Pekenosky, who also bats clean - up, has started both Belleville - Kearny clashes; (Continued On Page 15)

# Colony Upsets Elks; Local 410 Paces National Loop

The Elks Club continued to pace the American League with a 1-0 record, while Local 410, the home team, held its own in front in the National League with a 1-0 record. Jolly Cleaners is tied with 410 in the loss column, holding a 3-1 record. In last week's action, Colony Club won its first game of the year and upset the previously unbeaten Elks, 4-0, with Plunkett hitting a two-hitter and belting a home run.

## Crackpots Win Title Undeclared

The Crackpots have come through the season of Recreation Girls Senior Softball League without defeat. Their last game was a rout over the Elks, 10-1. Runners who scored three runs in the first inning. However the Crackpots cracked down holding their opponents scoreless for the rest of the game while piling up four runs for themselves.

In another of the final games the Double O's Eleven bowed to the Collegiate by 7-8. The score was tied going into the last inning. The Double O's scored three runs in the first half, and then in the last half, behind the heavy hitting of Irma Goglia, and Janice Musiello, the Collegiate's wrapped up the win. Marty Kantwein swung the big bat for the Double O's.

| TEAM              | W | L |
|-------------------|---|---|
| Crackpots         | 5 | 0 |
| Double O's Eleven | 3 | 3 |
| Bellhops          | 2 | 3 |
| Collegiate        | 2 | 3 |
| Ruff-Runners      | 2 | 3 |
| Mistifs           | 1 | 4 |

Each member in good standing as of the closing of the League will receive an official Recreation Girls Softball emblem. The Crackpots will receive similar emblem but with "Champion" inscribed thereon. The wearers of these official emblems may be proud of them because they are given only to those who play out the full season regardless of their team position in the League.

## County Legion Baseball Loop Has Several New '65 Faces

There are some new faces at the top in Essex County scholastic baseball and the high flying coaches all hand the credit to American Legion baseball.

Belleville High is a classic example. The Bellbows, under the tutelage of Nick Petti, are currently riding atop the Big Ten standings, one of the top seeded teams in the greater Newark Tournament and a top favorite to cop all the marbles when tournament play is over. Most of the Belleville players have had two or three years of play for Mert Marx and Johnny Kay who have guided the destinies of the Belleville Post 118 team in the Essex County Legion League for years.

Clary Anderson, Montclair High's fabulous football and baseball mentor lays much of the credit of this team's success year-in-year-out at the doorstep of Alex Tomillo who guides the destinies of the Montclair Post 34 Legionaires. "His assistance has been invaluable" said an appreciative Anderson, as the pleasant, almost shy Tomillo sat quietly in the stands looking over the younger Montclair players who will make up the backbone of his Legion team this summer.

The comments are the same up and down the line: John Edack who has his Livingston High team high in the Jersey Hills conference. "The boys that Jim Jeskey and Lee Hammer play in the Legion team are the nucleus of my team each year."

From Roger Tremblay, Cedar Grove's dynamic young coach who has his Panthers in control

## Summer School Registration Slated; Plan Special Enrichment Courses

Registration for the Belleville and 26 for Belleville Junior High School will be held at School students and nonresident students. Senior High Students a.m. to 1:00 p.m. on June 12, 1965 will register after regular school

### Teen-Of-The-Week

## Hart Stars in Sports, Studies, Social Events

William Hart, a BHS senior, has been active in both sports and clubs.

Bill has played basketball and golf. He played both freshman and junior varsity basketball in his freshman and sophomore years. He has played on the golf team, where he earned a letter.

However, Bill's ability has not been restricted only to sports; he has maintained an "A" average for his four years at BHS, and he is in the top ten percent of the Class of '65.

Bill has given much of his time to serving the school. He has been a very active member of the Key Club, the Kiwanis service organization for high school boys. This past year, he served on the literary staff of "Monad," the school yearbook.

He also participated in the American Legion Oratorical Contest; he placed third, speaking on "The Bill of Rights." Last June, he was one of Belleville's three representatives to American Legion New Jersey Boys' State at Rutgers University, New Brunswick.

Bill's outstanding qualities, listed above, plus his sincere, friendly personality led to his being tapped this year for the National Honor Society.

Bill is always willing to serve his school and has made an admirable record for himself. A person of such high caliber is a graduate BHS can be proud of next year when he goes to the University of Pennsylvania to study engineering.

### Pupils Visit PS Exhibit

More than 250 BHS students who are members of the school print shop and mechanical drawing classes visited an exhibit at the Public Service Building in Newark, on May 26 and 27.

Under the direction of John Hyde, Theodore Gabry, Albert Jones, and Gerald Weiss, industrial arts teachers, they viewed a demonstration which consisted of an explanation of safety equipment, the Tetstar, and the process of recording.

## Prospects for My Generation

When a generation of American youth is asked to expound the prospects for the future, the first reaction is one of honest disbelief. All that the youth can answer is that it does not know.

The atomic bomb, with its further refinements, and the threat of nuclear annihilation loom ominously in the background of today's way of life. They were created by our parents and their parents before them; we inherit a legacy of fear and destruction. We do not, however, have to accept it.

The average youth of today is not just a composite of the Beatles, fan magazines, and Soupy Sales. There are many young people who enjoy giving of themselves. This is evident in the fact that the late President Kennedy's Peace Corps has been such an overwhelming success, due largely to the efforts of the youth of the nation.

This is the side of my generation of which I am most proud.

Parents and friends always ask the same question: "Well, dear, what do you think are the prospects for your generation?" It is often a temptation to shock them and exclaim loudly, "We plan to destroy the world." Would this really shock them? Only to the point where they would be upset because I raised my voice to them.

A shallow set of values has been forced upon many young people today by their parents. The girls

WILLIAM HART

### Five Students At Seton Hall Press Parley

Five BHS journalism students attended the Third Annual New Jersey High School Press Day at Seton Hall University, South Orange, May 22.

Edward J. Traves, Program Chairman, welcomed the group at 10 A.M. at the Student Center. He then introduced Samuel Blackman, general news editor of Associated Press, who delivered a speech about journalism.

Panelists from various local newspapers, were then introduced. These panelists conducted workshops on subjects such as general assignment, rewrite, science, education, court, police, features, politics, photography, and sports.

The student journalists were able to attend all the workshops in the course of the day. At 3:30 P.M., awards were given for the best feature story, news story, sports story, editorial, and general excellence in a paper.

The BHS students who attended were Bonnie Brehm, Mary Delpart, Gail Mallison, Gail Marra, and Peggy Moro.

Deal with the faults of others as gently as with your own.

BETSY DANGLER

date while still in elementary school. They are permitted to wear high heels while still very young.

Many girls appear in public with their hair in curlers and wearing slacks that are too tight and showing faces that look as though they were carved out of a solid block of pancake makeup.

When school authorities ask the girls' mothers in to school to discuss the problem, the mothers often show up with their hair teased eighteen inches from the tops of their heads, faces a mass of mascara and rouge, and powder, and attitudes as belligerent as those of their daughters.

Although it is somewhat comical in the recounting, it is in actuality quite sad.

hours during the last week of school. All student registrations will be completed by Ernest Murnann, Director of the Summer School. No registrations will be accepted after Saturday, June 26.

The summer-school session for Grades 7-12 will be held at the Belleville Senior High School, 100 Passaic Avenue, Belleville, New Jersey. Students from Belleville and other communities will be accepted.

Summer school will begin on Monday, June 28, through Friday, August 6. The school day will be from 8:30 a.m. to 12:30 p.m. Monday through Friday. Students taking one course will attend either Period 1 from 8:30 a.m. to 10:20 a.m., or Period 2 from 10:20 a.m. to 12:30 p.m.

The Belleville Summer School offers its students, and others, an opportunity to achieve academic success in various subject matter areas. Minimum standards must be maintained regarding homework, school regulations, and attendance. The courses offered will meet state requirements of teacher certification, minutes of pupil instruction, assignments, and credits.

The Belleville Board of Education will provide facilities, textbooks, supplies, and instruction in the summer school for resident and non-resident students. Resident students may attend "Without charge" one or two Make-up or Grade Improvement courses. A fee of \$20 for one Enrichment course or \$20 for two Enrichment courses will be required.

Nonresident students will be charged the following fees: \$40 for one Make-up course, and \$55 for two; \$35 for one Grade Improvement or Enrichment course, and \$50 for two.

The Make-up and Grade Improvement courses offered will include major English, mathematics, history, and science courses in grades seven through twelve. The second levels of Spanish, French, Italian, Latin, Typewriting, stenography, and bookkeeping will also be offered.

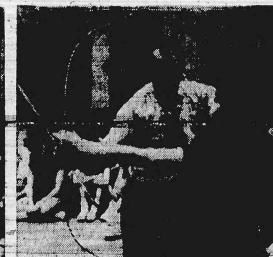

The Enrichment Courses, which do not offer credit toward graduation include Creative Writing, Journalism, Workshop, Brief-hand, and Personal Typewriting. The Summer School reserves the right to cancel any course with insufficient enrollment.

For further details concerning the summer school, call the Belleville Senior High School Guidance Department or Ernest Murnann.

An estimated 700,000 cars will be stolen in 1970. Car thefts represent a major crime threat throughout the United States today.

ARCHERY TIPS — Ian Denholm of Robin Hood Archery, Montclair, visited Belleville High School and instructed a group of junior and senior girls in the sport. In the left photo

he puts Rose Marie Zicaro in the proper position. In the right photo he gives a tip on positioning to Rae Perry.

## Miss Juliano, Sherman Win Wilson Fellowships

Miss Annette L. Juliano and Gilbert Kendall Sherman, 1965 BHS graduates, have won Woodrow Wilson Fellowships in the recent 1965 competition. These newly-elected Fellows were among 1,895 chosen from the 11,344 college seniors who had been nominated by their professors.

The purpose of the award is to attract men and women to the profession of college teaching. Through these funds supported by the Ford Foundation, a Fellow is fully supported for one academic year at a United States or Canadian graduate school. The Foundation is primarily concerned with candidates in the humanities and social sciences.

Regional Committees place particular weight on the quality of a nominee's preparation for graduate work, such as a solid foundation at the undergraduate level for study leading to the Ph.D. degree; competence and facility in foreign languages or other subjects such as mathematics; ability in the writing of essays and of reports on independent work accomplished in undergraduate years. Potential is weighed as much as the quality of preparation for graduate work.

A single Fellow or a married Fellow without children receives a living stipend of \$1800 for one academic year. Married fellows with children receive an additional allowance of \$1,000 for the year.

The pattern for the Award sterling was selected by the Home Economics students as part of a special project in Consumer Education, and the silver has been on display in the Home Economics Department throughout the year. The Award is made available to the Sterling Silvermakers of America in recognition of the fine work being done today in high school Home Economics Education, and to stimulate student interest in the Home Economics Arts.

BARBARA BORGES

Miss Petro Awarded Honors — Miss Susan Mary Petro, a BHS senior, has been awarded Honors Upon Entrance from Newark College of Engineering. Because scholarships at Newark College of Engineering are limited to the few who otherwise would find it impossible to attend, Susan has received this award in recognition of her superior records and exceptional promise.

A \$25 credit certificate toward the purchase of books and supplies accompanies this award. It is hoped that this award will serve as an added stimulus to further academic achievement.

May we help you keep a roof over your family?

1. Low-cost mortgage protection life insurance. As little as \$5 a month can buy an Allstate Life mortgage cancellation policy to help pay off the mortgage if you die.
2. Low-cost mortgage protection if you're disabled. When you're sick or hurt and can't work, a tax-free "Sick Pay" policy from Allstate can help meet your house payments—and the cost is low.
3. Homeowner package protection. For as little as \$10 a year more than ordinary fire insurance from most other companies on home and contents, an Allstate Homeowners Insurance policy can protect you against loss from fire, theft, windstorm and many other hazards—even give you personal liability protection, in case a visitor gets hurt in an accident on your property and sues.

If you want your family to feel as secure as possible in their home, why not give us a call? 194-1/2 Washington Ave., Belleville PL 9-7111

You're in good hands with ALLSTATE INSURANCE

### TEACHER-OF-THE-WEEK

## Chemistry Teacher Correll Shines as Church Organist

W. Ralph Correll, BHS chemistry teacher, was born in Belleville, New Jersey, and received his secondary education at Massanutten Military Academy, Woodstock, Virginia. He received his Bachelor of Science degree from Roanoke College in Salem, Virginia.

Correll has done graduate work at Rutgers University, Seton Hall University, Montclair State College, and the University of Virginia. Recently, he received three Science Foundation Grants which enabled him to attend the University of Virginia for three consecutive summers. While there, he took courses in chemistry, biology, earth science, and nuclear reactions.

Correll has been teaching 28 years, 19 of which have been in Belleville. He has taught chemistry since he came to BHS and has been the advisor to the Student Council for 18 years. This year he has been appointed Director of Student Activities.

Correll is well-known at BHS for his direction of the magazine

W. RALPH CORRELL

drive, which gives the Student Council several thousand dollars annually.

Besides his activities at BHS, Correll is organist choir director of the First Presbyterian Church in Clifton.

## Mrs. McCool

(Continued From Page 1)

with Dr. Durkee you would then direct your ire to me.

"However, Mr. Arvidson, it is well to remember that even in the most recent facts were brought. The other eighteen misstatements of fact you have in your article I hope are only caused by a poor memory and not by a direct desire to misrepresent the truth.

"I am sorry that we do not share the same memory of incidents but I am willing to substantiate my memory with facts and prove my ability to remember correctly.

"I am thereby challenging you, Mr. Arvidson and your group to a public debate at other than an open board meeting where you would be unfairly as a cost to armor, and ask that you give your facts and I will give you substantiating documents, rather than argue at week intervals and use valuable newspaper space to no avail.

"The scope could cover yours and Mr. Juliano's newspaper articles, my own also included, university dual control, the Superintendent of Schools, proper board members conducting including that of the president of the board and discussion of the proper interpretation of Robert's Rules at our meetings.

"Let it be known here and now, I am equally divided with Mr. Juliano's two articles which also stretch the limits of truth all out of proportion.

"Let the public decide our issues after they know the true facts in the matters. Let our educators have a chance to know the true facts on these issues.

"If the dual control group feels the issues have been improperly stated, then here is the opportunity to defend or project their view point.

"Mr. Juliano knows full well that I would not quote policy or statute that was breached if I couldn't quote the passages and given the opportunity I will do just that.

"Even if it takes several debates, one devoted to each issue, we would achieve that point of public welfare wherein our citizenry would know the facts of each side and can weigh them individually.

"Needless funds would have to be expended particularly where there is not an emergency about this which has been substantiated by the fact that our Junior and Senior High representing about half our student population, just were passed by the evaluation teams which inspected them.

"We are able, if we so desire, to review the Chatham incident. Their taxpayers spent approximately \$35,000 for an investigation which brought about twenty some odd charges against their superintendent and none of these stuck but think of what \$35,000 could buy in education improvements.

"If there were any evidence of criminal acts these could be investigated by the county prosecutor. Such investigations are part of his job and county shares the expense.

"Whether or not my proposal is accepted, some of our board members who refuse to bow to any accepted authority but are determined to have their own way, will be shocked to find what they are bringing about.

"For the first time that I can remember I see the people of our town uniting under one banner proving the strength of what we stand and hopefully eliminating one and for all the 'adage' 'divided we fall'.

"People who have not active part in community affairs are coming forward to offer assistance. Groups and individuals who previously had been at odds on issues are joining together.

"Semi-regular things have gone on just one bit too far and the public reaction is finally there. The apathy is being shed like a winter coat with people offering aid, assistance and willingness to truly stand up and be counted.

"The history of our democracy proves that injustices can go on just so long but then no more. Thank God the citizens of our town have finally realized what distance we have traveled and are now prepared to work as a unit to reinstate our community to a level of dignity and civic pride.

"This fact has made the fight worthwhile and the fight to come, bearable, for those of us who are fighting for truth, principles, and the end of persecution, and intrigue are now able to see that it has not all been in vain."

cal needs of the poverty stricken in the Orient.

The Convention concluded with the election of Manny Greber, Camden as President of the New Jersey Teachers for the year 1965-66. Greber in the past three years has been president of the Camden Chapter, State Vice President, and National Director.

## Durkee

(Continued From Page 1)

decision has been reached in the matter.

Ernest S. Arvidson, Board president, said Tuesday afternoon that:

"The New Jersey Education Association was furnished with a copy of the resolution (relating Dr. Durkee and ordering an investigation of the school system) and an inquiry was made whether they would undertake the investigation.

"In a phone conversation today (Tuesday) with the executive secretary of the NJEA, I was informed that communications had been received from both the Belleville Education Association and the Belleville Principals Association, and that both of these organizations welcomed the investigation.

"Arvidson has called a special meeting of the Board of Education for Monday night so that authority can be granted to Board Attorney Max Schwartz to oppose the appeal filed by Dr. Durkee with the Commissioner of Education.

## Miss Ceres

(Continued From Page 1)

Dolores Rodriguez, Maria Rufio, Cathie Senier, Sharon Shrensel, Peter Smith, Diana Ostrowski, Marjorie Stucka and Lois Yocum.

Miss Ceres is treasurer of her Senior class, an active member of the Varsity B Club, the National Honor Society, the Leaders Club, and Cheering Squad. After graduation she will continue her education at Monclair State College where she will major in mathematics.

Miss Fitzpatrick is captain of the Drill Team, assistant editor of the yearbook, a member of the National Honor Society, Leaders Club and Varsity "B" Club. She has been secretary to the Student Council and treasurer of the BHS Red Cross. After graduation she will attend Monclair State College.

## Sandman

(Continued From Page 1)

Oliver, 2351 to 192. Republican Robert Lett tallied 867.

The three successful Democratic candidates for Freeholder on the local scene were Walter Quinn, 2,180; Joseph Cohen, 2,182; and Charles Matthews, 2,207. Herman D. Kline trailed the field with 194 votes. The GOP Freeholders tallied the following: Vito Miele, 906; George Dancy, 876; and Arthur Petruzzelli, 868.

On the local battles for Democratic County Committee and investigated by the county prosecutor. Such investigations are part of his job and county shares the expense.

"Whether or not my proposal is accepted, some of our board members who refuse to bow to any accepted authority but are determined to have their own way, will be shocked to find what they are bringing about.

Brown, 35, Frank Pulidore, 80, Alfreda Cameron, 82.

District 2 — Nunzio Caracciolo, 41, and Rose Zoppa, 44. District 3 — William J. Mroczek and Dorothy Stepien, 38. District 4 — Joseph S. S. Hearn, 38; Antonette Molloy, 44; William M. Salvatore, 134; Alison Bigger, 172; and Vito Miele, 180; Theresa M. Annichiarico, 58.

District 5 — Jacobus Marce, 68; Marie T. Marce, 63; William F. Castelli, 63, and Ruth Cuzzo, 61.

District 6 — George E. Sheridan, 60, and Jane D. Sutton, 64. District 7 — Joseph Napalitano, 102; Mary V. Senatore, 186; Arthur De Furia, 103; Louise Mitchell, 106.

District 8 — Frank De Bonis, 70, and Vito, 70; William J. Salvatore Sr., 20, and Ann M. Mulholland, 20.

District 9 — George Marcelli, 50, Mary I. Gilchrist, 56, and John B. Leighton, 26.

District 10 — Anthony J. Naturo, 82; Betty P. Barr, 74; George W. Wright, 17.

District 11 — William A. DeVito, 104; Mildred Bonagustia, 103; Manuel Gonzales Jr., 86; and Cecilia S. McCabe, 102.

District 12 — Thomas R. Apicella, 103; Rose Mary Cobiachni, 90; Samuel A. Scalerio, 61, and Elsie F. Albertain, 71.

There were no contests for Republican district leaders. With these were no candidates for the First Ward's District 1, 3, and 4. Henry Waters drew 2 votes as a write-in and A. Lukowiak, 1 vote in the Third District, and Robert K. Barnes and Florence Mulder drew two votes in the Fourth District.

In the Second Ward no candidates were entered in Districts 2, 9, 10, and only Stephen F. Martin was entered in the 12th District. William Caracciolo and Agnes McCarthy drew 9 votes each as write-ins in the Second District, and Mary Cuzzo tallied four writes in the 12th District.

## Bellboys Nip

(Continued From Page 3)

the deep playing Livingston fielders. The 300 foot drive made it 6-2 and put a faint hope in Bellboy hearts.

Len Luongo drew a walk and George DeBrowski and Art Sheridan singled to load the bases with one out. Tony Landolfi then delivered one tally. After Jim Pignelli failed for the first time in five attempts to pinch hit, Ricky San Filippo walked to make it 6-4. Dan Newman then replaced Greenstein on the mound for the final out; ten men went to the plate in the home sixth.

Sheridan singled, moved to second on a bunt, and scored on a hit by San Filippo to cut the margin to 6-5 in the eighth.

## Bellboys Edge

(Continued From Page 3)

he was touched for seven runs in 5 2/3 innings and one loss. Kearny features a lefty - loaded line - up that was devised to take advantage of their short home field fence. Some power lurks in their group, but Belleville hurlers have controlled it to date.

The Bellboys managed seven hits in their semi-final round, but six were of the infield variety, while Mino's shot was well tagged. Speed Tony Magistro beat out two of the Belleville safeties to raise his average to .404. This ideal lead-off man has 23 hits, 12 walks, and 13 stolen bases.

Clutch hitting doesn't seem to be part of Belleville's repertoire for ten more Bellboy runners were left stranded; six were left in the first two innings while the Cougars were booting the ball around.

The win was Sheridan's seventh straight since losing the opener and he raises the question, who is the Belleville mound ace? Rich Pucciarelli or Sheridan? Both have pitched tremendously as the Bellboys aim for scholastic Baseball's Triple Crown. George DeBrowski and Sal Tahi have also helped out quite a bit on the hill.

Belleville's amazing mound corps has an earned run average of 1.64 to lead the Bellboys to the 18th record.

## Anti-Dual

(Continued From Page 2)

on evaluation and observation of the educational accomplishments of a school district under one system as opposed to another.

"If the test case to be financed by the Belleville taxpayer is successful and elected boards are ousted with local autonomy, the community will have no recourse to higher authority if they should

suspect that a board is not acting in good faith nor in the best interest of education. The only solution then would be to wait out the year and to battle the politicians and their machines as we have been doing for the past three years.

"Dual Control is expensive and tedious with evil. It should be defeated at all cost."

Mrs. A. C. Izzo  
33 Van Houten Pl.

## Need 1 Win

(Continued From Page 3)

stint against The Cougars' raised the average considerably.

This victory left both Monclair and Columbia two games behind Belleville in the Big Ten. Neither of these teams can win the title now, and only if Belleville drops two can they tie Monclair must face Orange and Irvington in its last two games. While Columbia must struggle with the Belboys and East Orange.

This was one of the infield-infield, defense minded Bellboys pouter games. Three errors were committed, and the weak BHS bats were muffled more times than usual.

After a biop single that Tony Landolfi lost in the sun and an error put Sheridan in first inning Bellboy he faced.

Then Big Tony started his own downfall by hitting flashy fielding shortstop Ricky San Filippo. Auferio helped "Flip" to second with a wild pitch before Mino singled the Soph in for a 1-0 lead.

George DeBrowski walked on four pitches, and Len Luongo did the same with six to load the bases. Then, Landolfi hit a topped roller down the third base line that Rich Schaffer couldn't make a play on; Mino scored on the roller. The erratic West Orange hurler then struck out in his third Bellboy of the inning to leave three on base.

Five stranded Cougars later, Belleville pushed across a run in the fifth inning. Tony Magistro and San Filippo walked, and Nick Grande sacrificed them, leaving then Mino hit his fly to left, which was only the second ball hit out of the infield, to bring home the final tally.

This important contest was essential to the Bellboys Big Ten hopes. A loss would have put their backs to the wall, needing two wins in two tries to clinch. Now the pressure is almost off with a victory over Columbia or Orange needed. In case of a tie for the Big Ten title, there is no play-off; no champs are crowned.

This game was an exaggerated example of how the Bellboys take advantage of their opponents mistakes to push across their runs. Superior hurling and defense usually compensates for Belleville's deficiency at the bat.

The shut-out was Belleville's fifth. It was also the eleventh BHS (17-4) victory decided by three tallies or less.

## Cook of The Week

MRS. JOSEPH BERKOWITZ

## Cinnamon, Chocolate Blend Makes Unusual Coffee Cake

An unusual blend of cinnamon and chocolate flavoring gives this week's winning recipe for coffee cake a distinctive taste.

Mrs. Betty Berkowitz becomes the third two-time winner in the history of The Belleville Times-News cooking contest.

The recipe for the winning breakfast favorite at the Berkowitz home follows:

### CHOCOLATE COFFEE CAKE

1/2 lb. butter  
2 cups sugar  
4 eggs  
1 pint sour cream  
4 cups flour  
2 tps. baking soda  
2 tps. baking powder  
2 tps. vanilla  
1/2 cup chopped nuts.  
1 pkg. chocolate bits  
2 tps. chocolate syrup  
1 1/2 cup cinnamon and sugar mix  
Melt chocolate bits with 1/4 cup water until smooth and cool. Cream butter. Add sugar. Add one egg at a time. Add sour cream alternately with sifted dry ingredients. Add vanilla.

Pour one-third of the batter on bottom of pan. Sprinkle with cinnamon and sugar mixture, and part of melted chocolate. Cover with batter again and repeat. Bake in 350 degree oven for 35 minutes. Recipe makes 20 X 13 pans. Cut recipe in half for one pan.

# Three Town Ceremonies Mark Memorial Day Observance

MEMORIAL SERVICES — Belleville service groups, police and firemen and officials are pictured above during the three Memorial Day services which honored the dead of America's wars. In the left photo Mayor Nuncio Pico addresses the

audience at ceremonies conducted at the War Memorial monument on Union Avenue, while Councilmen James Golden, William Cullen and Ralph Casale are at attention at left, in

center photo, squads of police and firemen, veterans groups and the high school band salute before the public safety units' memorial monuments at Town Hall. In right photo,

veterans leaders lower the floral piece into the waters of the Passaic River, completing ceremonies honoring the naval victims of the various wars.

# DURKEE APPEALS SUSPENSION

## Town Taps Hughes, Sandman

Although Governor Richard J. Hughes will face Republican challenger Wayne Dumont in the state race for Governor, Town Republicans would rather have Governor Hughes run over his Charles W. Sandman as the Democratic challenger. William J. Clark, drawing 2,766 votes to 2,044 for Clark, the Newark man who made news in 1961 when he sent his daughter to study in Russia.

## Mrs. McCool Demands Retraction From Arvidson, Asks Public Debate

Mrs. Norma McCool, member of the Board of Education, demanded a retraction from Board President Ernest S. Arvidson on a statement issued last week in which he charged that she and relieved Schools Superintendent Dr. Frank M. Durkee held special meetings following each meeting of the Board.

Mrs. McCool, who had opposed the majority for the past several years, also charged Arvidson with 18 misstatements of facts and challenged Arvidson and other members of the majority to a public debate on school issues.

In a prepared statement, Mrs. McCool said:

"In my three plus years on the Board I have never before been more shocked or surprised by a statement from a bloc member of our board.

"The fantastic audacity of one of these men to make such a statement so completely unfounded in truth or fact, has not only overwhelmed but has angered me immeasurably.

"While the statement contains not a shred of truth, it contains more than one snide insinuation and no matter which conclusion one arrives at, they would have received a completely defamatory

ERNEST S. ARVIDSON

MRS. NORMA MCCOOL

idea as to my character.

"The statement, surrounded by eighteen other pure lies, appears in last week's issue of The Belleville Times and reads as follows:

"Over the past year invariably after every meeting or Board executive session Mrs. McCool and Dr. Durkee held their own secret conference, many times in the Superintendent's office."

"As Mr. Arvidson's unfami-

liarity with the English language or any accepted dictionary becomes more and more apparent, I wish to point out to him that according to Webster's dictionary the meaning for invariable is unchangeable, constant and uniform, not the meaning for seldom is at widely separated intervals or infrequently.

"Now, Mr. Arvidson, I demand to know whether it is moral or ethical turpitude that you are either insinuating or accusing me of. If, of course, you had no such idea in mind, I am here and now demanding a full retraction of that statement as it is untrue, unwarranted and without any basis in fact. Also, I am prepared to legally prove same.

"What goes on after meetings you are fully aware of, so, do not attempt to accuse me of something that you, rather than I, do. I have had to listen to your false accusations for over three years and I am telling you that I shall tolerate no more.

"Your accusations which have gone as far as stating that I was a communist, teaching communist doctrine and was infiltrating our school system, have never had truth as an important factor in them, but rather they seemed motivated by an irrational hate.

"When your cup runneth over (Continued On Page 15)

There were 10 candidates seeking the nine Democratic spots as Assembly candidates. The winners, locally, were: Paul Politcastro, 2,455; David Mandelbaum, 2,294; Walter Vordin, 2,285; Victor Addonizio, 2,557; John Cryan, 2,298; Armand Lembo, 2,400; Frank Dodd, 2,310; Rioscardi, 2,456; and Ronald Owens, 2,298. Trailing the field in local voting was Esta Nette, who drew only 199 votes.

The unopposed nine Republican Assembly candidates and their vote totals included: William Everett, 931; James Wallwork, Jerome Burke, 921; Mario Genova, 925; Helen Slowinski, 907; Michael Giuliano, 942; Mary Edmond, 885; Robert Yudin, 921; and Gerald DeLane, 891.

In the Democratic race for State Senator the four winners locally were Nicholas Ferriola, 2,542; John Giblin, 2,374; Madlyn Goldman, 2,301; Hutchins Inge, 2,302. Bowling locally were John Smyth, 261, and Harry Schwartz, 267.

The four winning Republican senatorial candidates were C. Robert Sarcone, 955; William Tompkins, 920; Irwin Kimmelman, 921; James Churchman, 897. Defeated was John B. Garcia, 88.

In the Democratic race for County Clerk, Nicholas V. Caputo swamped his challenger Alvin (Continued On Page 15)

**Tax Bills Out On Schedule**

The tax bills for the full year were dropped in the mail Tuesday by Town Treasurer Francis McCoy, right on time. The bills are payable August 1 and are required to be mailed out at least 60 days prior to the payable date.

Much concern was expressed by members of the Town Council and residents when the January 1 bills were not submitted to the residents on time.

Town Manager John R. Burnett pointed out that the bills are different in that they include the bills for the third and fourth quarters of 1965 and the first and second quarters of 1966. The bills also include a breakdown of each person's taxes as to the exact amount of the money which will be used for veterans and senior citizens exemptions, county taxes, school taxes, reserve for collectable taxes and municipal taxes.

## Cherry Blossom Queen at Jaycee Fete

ON PARADE — The Belleville Cherry Blossom float, graced by Miss Cherry Blossom Ann Skidmore are shown in the annual State Jaycee parade at Asbury Park last week.

## Miss Fitzpatrick Salutatorian Miss Ceres Valedictorian Of '65 BHS Senior Class

Myra Ceres is valedictorian of the 1965 Belleville High School graduating class, and Cecilia Fitzpatrick has been named salutatorian it was announced Tuesday.

The following seniors were named members of the Honor Group for 1965: Brenda Alfonso, Susan Beneziano, Gerard Brunel-

MYRA CERES

CECILIA FITZPATRICK

## Local Jaycees Honored at State Parley

Representing the Belleville Chapter at the annual State Jaycee Convention held last week in Asbury Park were the following members: Bob Kittle, President; Hank Wozniak; Keith McEligott; Emil Boswer; Harry Breckenridge; and Dave Haight.

The 3-day meeting was kicked off with a gala 2-hour parade. The Belleville Jaycees entered the Cherry Blossom Float on which Miss Gwen Gaudio (Miss Cherry Blossom 1965) and her court composed of Miss Barbara Wittmann and Miss Jo Ann Skidmore rode.

Miss Yvonne Kittle was the cheerleader. Information concerning the Belleville Cherry Blossom Festival was distributed along the parade route.

Plaques were presented to 12 Belleville Jaycees for their contribution of time in raising funds for the 1964 United States Olympic Team. The Belleville Chapter was presented a Blue Chip Award for being one of the outstanding Jaycee Chapters in the state of New Jersey.

Highlights of the Convention included speeches by Governor Hughes and Dr. Jim Turpin, who (Continued On Page 15)

## Says 'Bloc' Acted in Bad Faith

Superintendent of Schools Dr. Frank M. Durkee, who was relieved of his duties with full pay by the Board of Education last week, has appealed to State Commissioner of Education Frederick M. Raubinger for reinstatement.

Attorney Joseph E. Cullum of Union City, filed the appeal for Dr. Durkee, charging that the "majority bloc acted in bad faith, without compliance with School Law and for reasons unconnected with proper administration of the school system."

Dr. Durkee said Tuesday that he "hoped for a speedy decision from the Commissioner."

The Board acted to relieve Dr. Durkee of his duties after it passed a resolution last week authorizing an investigation of the entire school system by an outside agency to be recommended by the New Jersey Education Association.

Meanwhile a group of pro-Durkee citizens have organized a Fair Play Committee headed by Allen Crisp. The committee was to meet Wednesday night to discuss the possibility of filing legal action to halt what it considers needless spending of taxpayers' funds on the investigation.

At a special Board Meeting May 26 the Board appointed Assistant Superintendent Michael Rosamilia to assume the duties of the superintendent until a decision is reached.

(Continued On Page 15)

## Aerial Truck Breaks Down

Fire Chief Carl F. Hundertpfund said the new 85-foot aerial ladder broke down on a training run Saturday afternoon.

The Chief said the department drivers were learning how to handle the new equipment.

A factory representative said the clutch had been improperly lined up and the clutch is being returned to the factory for a check and replacement.

Chief Hundertpfund said the new ladder will be out of commission for only a day or two. He said it was expected to be back in operation today.

## 3-Day Father's Day Sale Set by Town Merchants

The Retail Division of the Belleville Chamber of Commerce, under the chairmanship of Michael A. Pariso of Pariso Brothers Furniture Co., held a successful dinner meeting May 18 at the Branch Brook Manor.

The principal speaker at the meeting was Paul A. Devine of the Small Business Administration of the United States Government. Devine talked on the "Skills of Management". Following the talk by Devine, open discussion was held with the result that the Chamber of Commerce will sponsor a Father's Day Sale starting June 17 and running through June 19. This sale will be advertised in The North Essex News which comes out on June 15th.

Participating merchants will be listed and their special bargain items will be advertised. The merchants cooperating in this sale will bring you better merchandise at lower prices.

Pariso urged local residents to buy in Belleville for safety reasons, more personal service and attention where you know your merchant. He said, "Most times merchandise and prices are as good as you can find after hours of time spent driving and shopping."

# Lally Charge Stands — DiRuggiero

Board of Education member Dr. Frank DiRuggiero said last week he "did not back down on a charge that former Board president Dominic A. Lally, acting as an emissary for Dr. Frank M. Durkee, had threatened DiRuggiero's children's school career would be harmed if he voted to investigate Durkee."

"I did not back down as reported in The Times-News," said DiRuggiero. "He did come to my home and he did threaten my children's school career," said DiRuggiero.

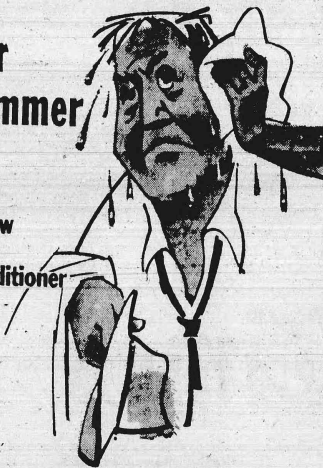

Dr. DiRuggiero also took issue with the report of a clash with Board Member Mrs. Norma McCool over the appointment of Belleville Education Association president George Nucera to the guidance staff.

"It was Rocco Saletta who took issue with the hiring of a new teacher for the business education post," said DiRuggiero. "I jumped into the conversation when I found that Nucera had been informed by Durkee that he was being transferred to the guidance department when it was not approved by the Board of Education. It smelled to high heaven."

DiRuggiero also pointed out that his son-in-law, Tony DiGiorgio — who Mrs. McCool charged was the reason DiRuggiero was against the guidance appointment of Nucera — was still at Belleville High School.

## 6 Reasons why DeWitt's the Place for LOW COST HOME LOANS

Thinking of buying, building or modernizing a home? These 6 reasons tell you why it will really pay to come to DeWitt:

1. Prompt appraisal of property.
2. Loans based on sound appraisal.
3. REALLY LOW interest rates. We are specialists.
4. Just one monthly payment — no extras. Take up to 25 years to repay.
5. Open end mortgages.
6. Approved attorney plan.

Our chief business is mortgage loans.

Remember, our success is based on lending you money and saving you money. Come see us today!

## DeWITT SAVINGS AND LOAN ASSOCIATION

463 Washington Avenue, Belleville, New Jersey

Telephone: 759-5264

Open Daily, 9 A.M. to 4 P.M. Also Monday Even., 6:30 to 8 P.M.

MEMBER: Federal Savings & Loan Insurance Corp. and Federal Home Loan Bank

HONOR WAR DEAD — Township officials in attendance at the annual Memorial Day ceremonies at the War Memorial monument on Union Avenue are pictured together with Chairman George Mitchell, of the American Legion Post, who served as chairman. Mitchell is before the monument in salute. Left to

right, are: Rabbi Victor Cohen, who prayed that peace would be restored in the world and that it would be everlasting; Mayor Nuncio Pico who cited our debt to the dead war heroes and lamented the lack of attendance on the part of town residents; Councilmen James Golden, William Cullen and Ralph Casale.

## Anti-Dual Control Stand Explained by Mrs. Izzo

The reasons behind the battle to stop dual control in the local school system was explained last week by Mrs. A. C. Izzo, one of the Anti-Dual Control Leaders in a prepared statement.

Mrs. Izzo stated: "The petition Against Dual Control was signed by one thousand citizens who realized the possibility of the high cost of divided responsibility. All during the campaign the group contended that taxpayers would wind up being the goals and they were right. Two resolutions jammed through at last Monday's meeting bears witness to the accuracy of their fears and their charges."

"Dual Control now in effect is certainly wasting money and it may well run into many thousands of dollars before we are through. Money from the 1965 budget was approved because many improvements were to be made, but once again Belleville taxpayers are being taken for a ride. Instead of improvements to school 2 which parents have been demanding for years and instead of completing the building at School One which could have been used to provide more parking space at the High School it now appears that four members of this Board of Education will spend it on a project which will benefit a special group of individuals of an out-of-town organization."

"What is so special about this out of town organization which calls itself The New Jersey Association of School Business Officials?"

"1. - It is an organization (union) of Business Administration teachers who favor Dual Control because it creates jobs for their members."

"2. - It drafted and lobbied for the legislation that was written into the state statute for the express purpose according to the president 'to put to rest once and for all the old argument about unit versus dual control."

"3. - Coincident or not one member of Belleville's Board of Education is a Union Business Representative and it takes no great stretch of the imagination to decide why and where his sympathy lies. The appeal of Twicken's ruling and the preparation to take legal action was immediately seized upon by the N.J.A.S.B.O. in order to make a test case for themselves at the expense of Belleville taxpayers. This raises the question as to whether or not the supporters of Dual Control were improperly influenced by this outside organization and perhaps the investigation should include if there was any communication between them before the decision to institute Dual Control was taken."

"It also puts the campaign to discredit Dr. Durkee's administration in the category of being a tactical maneuver designed to add credence that a separate administrator for business is more desirable and at the same time get rid of this Superintendent because he disappointed his chief supporters for the post by being a better superintendent than they bargained for."

"Another dimension comes into the picture which may yet prove to be the most important of all to parents with children to educate."

"1. - Shall the education of future Americans be supervised and administered by professional educators who dedicate their lives

to the business of education as a whole or shall the specialist take over even at the elementary level. Don't specialists ask higher salaries than general practitioners?"

"2. - Taxpayers of a school district that adopts Dual Control would then be saddled with two instead of one top heavy salaries."

"3. - Also shall the opinion of a union representative, a small business man, a dentist and an accountant displace the time proven method of having professional educators whose years of experience and training qualifies them

(Continued On Page 15)

## Dinner to Fete Msgr. Carroll-Abbing

The many friends of the Rt. Rev. Msgr. John Patrick Carroll-Abbing, founder of Boys Town of Italy, will give a testimonial dinner to his honor Friday evening, June 11 at The Fountain, Belleville.

Governor Richard Hughes is honorary chairman, and Joseph G. Biancardi of Belleville, a long-time friend of the Monsignor, is general chairman. Very Rev. Msgr. Edward J. Fleming, executive vice-president of Seton Hall University, will give the invocation. Stars of stage, screen, radio and television will attend.

A native of Ireland, Msgr. Carroll-Abbing, presently resides in Rome. He was awarded the Silver Medal for military valor on the field of battle by the Italian Government during World War II for courageous action during the Nazi occupation, when he gave medical assistance to civilians in the battle areas, and set up hospitals and First Aid stations on the Cassino and Anzio fronts.

Msgr. Carroll-Abbing aided more than 100,000 homeless children during the war years and in 1945 founded Boys Town of Italy. He erected many Boys and Girls Towns throughout the country, and has authored numerous books on the problems of juvenile delinquency.

The estimated number of drivers is increasing substantially each year. From 1952 to 1962, according to the Motor Club of America, the increase was 36 per cent.

## You and Your Insurance

(A public service column about all forms of insurance.)

YOU CAN PROTECT YOURSELF AGAINST HIGHWAY TOWING CHARGES

"How can I protect myself against charges for hauling my car to a garage in case it breaks down on the road?" a salesman wants to know.

If you are on a business trip and your car is disabled through a mechanical failure of some kind, you will be protected against the costs of having it towed to the garage if you have a towing and labor insurance agreement in your automobile insurance policy.

The agreement protects you, not only for business travel, but even if you are on a vacation trip or if you are just taking a relatively short ride to visit relatives or friends. In addition to providing protection when you are driving your own car, the insurance can also apply if you are using a vehicle that you do not own but may have borrowed or rented for a trip.

Protection against towing and labor costs applies whether you are on a highway, a thruway or a back country road and the agreement relates not only to the cost of towing the vehicle but also to those labor charges that are incurred at the place where your car broke down.

The limit of protection for this charge is \$25 in most states. If you do not already have such an agreement included in your automobile insurance but do consider traveling by car in business or are planning a long vacation on the road, you may find it worth your while to give us a call. We can explain the details of the insurance and also inform you of the limits that apply in your area.

This column will be glad to answer questions you may have about property or casualty insurance. Send them to:
