Demos Re-elect Mrs. Senatore to Chair

Prosperi New Vice Chairman

Mrs. Mary V. Senatore was re-elected chairman of the Town Democratic Party Monday night for her third successive term. However the victory was something special as it was Mrs. Senatore's first victory on the ballots of Town District leaders.

In the two earlier terms she ended in 24-24 ties with her opponents and was named Town chairman by Dennis F. Carey, Essex County Democratic chairman.

The meeting at the Italian Florentine Club, lacked the fire of meetings in previous years when no opposition to Mrs. Senatore was brought on the floor by her foes.

Of the 45 District Leaders at the session, 32 cast their votes for Mrs. Senatore when she was nominated. A motion to make her election unanimous was opposed.

Misling from the session was Bernard E. O'Connor, out-going vice chairman, who opposed Mrs. Senatore for the Town Chairman in the primary race campaign.

A move for party unity was made by O'Connor who sent a telegram to Mrs. Senatore which read: "Congratulations on a job well done."

The meeting, which lasted about 30 minutes, opened with a motion to make the Town chairman a member of the County Committee. This was approved unanimously.

The next motion nominated Mrs. Senatore for the Town chairmanship and by actual count she drew 32 of the 45 votes present. No opposition was placed on the floor.

Welfare Unit Hits Spending For Probe

The Belleville Community Welfare Council went on record Monday night as being opposed to any and all expenditures of public funds for any investigation of the local school system.

A resolution approved at the meeting, and presented to the Board of Education Tuesday night said:

"The following resolution was unanimously adopted at a meeting of the Belleville Community Welfare Council, held on Monday evening, June 7:

"WHEREAS, we are concerned about the quality of education the children of Belleville receive; and

"WHEREAS, we are concerned about the way in which our tax dollars are spent for education; and

"WHEREAS, we are concerned about the public image of our community and its reputation and the reputation of its school system;

"BE IT HEREBY RESOLVED, that we, the members of the BELLEVILLE COMMUNITY WELFARE COUNCIL, do on record as being opposed to any and all expenditures of public school tax funds for any investigation of our public school system."

Town Democratic Chairman Mrs. Mary V. Senatore with Supporters

In the vote for vice Chairman they might have.

Clementine D. Prosperi of 294 Fairway Avenue, leader from the Ninth District, First Ward, was also elected without opposition.

Mrs. Senatore thanked the leaders for their support and made a plea for party unity, pledging to treat all equally and pledging to go out of her way to help each and everyone with any problems.

ers with the district leaders allowed to vote only in their ward.

The only split apparent at the session came over the question of ward chairmen. Mrs. Senatore replied to a question from the floor, stating that she had the right to appoint ward chairmen.

However when a leader asked that the Ward leaders be allowed to select their chairmen, Mrs. Senatore gave up her right and allowed an election of ward leaders.

Durkee Given Friday Deadline; McCool Lashes Delay of Probe

Criticism of Dr. Frank M. Durkee came from an unusual quarter Tuesday night when a school board ultimatum ordering the relieved-of-duty superintendent to hand over all school documents in his possession touched off new fireworks.

When Durkee supporters questioned the need for the ultimatum, the anti-Durkee board bloc cited, as an example of the material they sought, a letter from Durkee to the county superintendent which criticized the adequacy of School Business Administrator Harold A. Dufford.

A staunch Durkee supporter, board member John B. DiRienzo, said the letter was a "large mistake in judgment, a letter I had hoped no man would ever write" and knocked Durkee for going over the board's head with personnel matters.

The order to surrender by 11 a.m. tomorrow "all documents, reports, letters, contracts and materials of any kind... pertaining to the school system" was passed in resolution form by a 4-3 blue vote.

Durkee's attorney, Joseph V. Culom, has already informed the board that "all public records are on file in the school office."

The lawyer's letter was in reply to a June 3 letter to Durkee from board president Ernest S. Arvidson requesting the same material in the same language as the resolution.

Pro-Durkee board members questioned the need for the ultimatum, since Durkee has already answered the same request.

Board member Nicholas S. Juliano replied that Durkee may possess confidential documents needed in the investigation of the superintendent authorized two weeks ago.

Richard Drake moved to table the ultimatum so that Board Attorney Max N. Schwartz could draft new wording which would distinguish between what is Durkee's property and what the board's and specify what documents the board is interested in.

The tabling motion lost 4-2, with DiRienzo also favoring new wording.

Arvidson said "we may define our request a little more, but we

haven't had an opportunity yet," to which Mrs. Norma McCool replied "you mean you haven't found anything yet."

Mrs. McCool called the order "just one more needle to jab" she also got Assistant Superintendent Michael Rosamilia, who is handling Durkee's duties, to admit he "never missed anything necessary for the performance of my duties" from Durkee's files.

Board Attorney Schwartz will be busy filing briefs in separate legal actions "in the next few days." At Tuesday's special meeting he was authorized to

DR. FRANK M. DURKEE

"oppose and defend against" Durkee's appeal of his ouster to Commissioner of Education Frederick S. Raubinger. Schwartz will file an answer to Durkee's appeal, and an appeal of County Superintendent William Twichell's unfavorable ruling on dual control.

In his answer to Durkee's appeal, Schwartz said he would reserve the right to introduce further charges against Durkee if and when the board decided to seek his dismissal. This was the first public mention of the possibility of bringing Durkee up on formal charges.

The board came under new fire from Twichell in a Monday letter criticizing the board for failing to formally appoint a substitute for Durkee. Rosamilia was assigned Durkee's duties at an unofficial conference meeting.

Schwartz advised the board against making Rosamilia acting superintendent by formal action, since such designation would be proper only if the superintendent had been suspended, not merely relieved of his duties as Durkee claims is the case now.

Arvidson had little to say about the investigation of Durkee in response to a citizen's query. He said telephone conversations indicate the New Jersey Education Association, of which Durkee is a member, was willing to super-

Drake Backs Durkee, See Public Big Loser

Richard H. Drake, a member of the Board of Education who has remained out of the Dr. Durkee - Board Majority dispute, took a position supporting Dr. Durkee in a statement issued last week.

Drake said: "Until now I have refrained from participating in the exchange of public statements in the local press by members of the Board of Education. The vitriolic nature of these statements has done nothing, I am sure, to enhance confidence in the Board nor to advance the cause of education in the community. In fact, the injudicious statements by the President of the Board have lent an official air to opinions which if not purely personal, were certainly not sanctioned by the Board itself."

"Nevertheless, I have restricted my comments to discussions before the public at open board meetings. In an editorial in last week's Belleville Times, however, the list of forces which have drawn up for battle, while clearly showing the 'Board Majority' on the side opposing the Superintendent, notably omitted the 'Board Minority' among those defending him. Perhaps, then, it is necessary for me, as an individual member of that minority, to speak out more clearly."

"Under the laws of the State of New Jersey, our Superintendent has tenure in his position and cannot be removed at the whim of the Board of Education. Such a law is clearly necessary to insure long-term stability in the educational program and to protect both the individual and the community from the caprice of changing membership on the

Board. On the other hand the law also seeks to protect the Board and the community from inefficiency or misconduct on the part of the Superintendent by providing a specific procedure leading to the removal of an individual guilty of such offenses. And the issue before us now is simply this: those members of the Board who, over the years, have found the presence of the Superintendent objectionable, then, it is necessary for me, as an individual member of that minority, to speak out more clearly."

"Nothing can completely rectify the damage already done by this action to all concerned. Whoever the winner may be, it will certainly not be the people of Belleville."

Welfare Council Opposes Tax Funds Use for Probe

The Belleville Community Welfare Council at its June 7th meeting at the High School indicated concern with the quality of public education received by the children of Belleville, but expressed opposition to the expenditure of tax funds for an investigation of the town's school system. It felt that such an investigation would be damaging to the public image of the community and the reputation of its school system.

This action followed a talk by Mrs. Ruth Ford of Cranford, N.J., "The Citizen and his School."

Mrs. Ford is Chairman of the State Education Committee of the

PROMOTED — Fred Terry has been promoted to the position of Sales and Service manager of the Wallace Tire Company, 709 Washington Avenue, Belleville, according to a recent announcement by Wallace Cobb, owner. Terry has been employed for the past eight years at Wallace Tire, including a tour with the United States Army. Wallace said the promotion of Terry will allow himself to spend more time on outside sales and public relations.

Due to some misunderstanding, misleading statements, and unfounded rumor, and in the best interests of the educational community of Belleville, the Belleville Education Association feels that it is necessary to reprint its telegram to the New Jersey Education in response to its willingness to mediate an educational problem in our community.

Since both Dr. Durkee, Superintendent of School, and the Belleville Board of Education sought the help and advice of the New Jersey Education Association, the Belleville Education Association feels that it is only right and proper to allow our parent organization to help mediate the problem.

Frederick L. Hagar, Executive Secretary—New Jersey Education Association—180 West State St., Trenton, New Jersey

The Belleville Education Association on Friday afternoon, May 28, 1965 passed the following resolution by a unanimous vote of its Board of Governors: "As an organization concerned with the educational community in Belleville, New Jersey and as a neutral party to the present conflict concerning the superintendent of schools and the board of education we would like to extend our full cooperation to our parent organization, the New Jersey Education Association."

Three Local Students Earn Degrees at Upsala

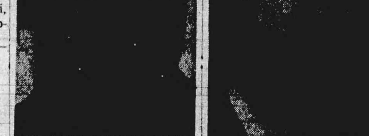

Three residents of Belleville received honorary doctor's degrees from Upsala College at commencement exercises Monday, June 7. They were Raymond D. Costa of Lincoln Terrace, Nicholas Del Guercio of 25 Mary Street, and Donald Hult of 111 Crest Drive.

Costa and Del Guercio were awarded bachelor of science degrees in arts degree.

Dr. Evald B. Lawson, president of Upsala, conferred bachelor's degrees on 239 graduating seniors.

Commencement speaker was Dr. Henry P. Van Dusen, president emeritus of Union Theological Seminary.

Three honorary doctor's degrees were presented at this year's ceremonies. Receiving the degrees were Dr. Edwin H. Knudsen, president of the New Jersey Synod of the Lutheran Church in America, and C. Willard Heckel, current dean of Rutgers University Law School. Also honored was Dr. Alvin R. Calman, former chairman of Upsala's history department, who is retiring this year after more than forty years of service.

DONALD HULT

Mrs. Ford stressed the fact that, from an economic point of view, the value of an education was well recognized and that individuals progress up the occupational ladder was directly related to his education. She also indicated that the quality of a town's school system bore a close relation to the value of its real estate.

Mrs. Ford then listed some of the attributes of a high level comprehensive school system:

- (1) A strong guidance program
- (2) Small size classes
- (3) Adequate remedial reading service
- (4) Good library resources and trained librarians
- (5) up-to-date textbooks and other necessary supplies
- (6) competitive teacher salaries
- (7) Adequate psychiatric and psychological services

A particular problem with New Jersey public education was pointed out by Mrs. Ford to be the low level of state support for local schools. She related this to the urgent need for a broad based tax in the State.

While recognizing the need for more state aid, Mrs. Ford noted that Belleville was not making the local effort toward school support that it could be expected to in comparison both with other municipalities in Essex County and the State as a whole. This observation was based on the fact that, while Belleville's equalized valuation per pupil was considerably above both the county and state averages, its local school tax on an equalized basis was below both the County and State averages.

Jack Grundfest, M.D., Chairman of the Council, presided.

The secret of happiness is to convert yesterday's trial into rays of sunshine today.

Hits 4 Cars, Police Charge Youth Drunk

A young Belleville driver who collided with four cars in front of Holy Family Church on Brookline Avenue has been charged with drunken and careless driving by Nutley Police.

Nineteen-year-old Jeremiah F. Mahoney Jr., of 38 Fairway Avenue was found to be under the influence of alcohol by Nutley Police surgeon Dr. Alfred Gaydos after the accident Friday night.

Mahoney was driving north on Brookline Avenue when he struck a southbound car driven by Robert M. Cherry, Jr., of 27 Hornblower Avenue, Belleville. The Mahoney car then struck two parked cars on the east side of the street, including one driven by 17-year-old Charlotte A. DeFuria of 725 Centre Street, Nutley, who had pulled to the curb to avoid Mahoney's car.

Before coming to a stop, Mahoney's car veered to the other side of the street and hit a third parked car.

Golden Sees Vote Against More Taxes

Councilman James R. Golden said the Primary election showed that voters were tired of increasing taxes and wanted a stop to the ever increasing burden, Golden said.

"The outcome of last Tuesday's Primary Election, as far as the G.O.P. race for Governor was concerned, proved several things that should 'shake' the Party Bosses and the time-honored 'Organization Politicians'."

Senator Charles Sandman from small Cape May County, running on a NO NEW TAX platform, bucking nearly every giant party machine within the G.O.P. State Organization, scared the pants off his rival Sen. Dumont who wants a State Sales Tax to help pay the mounting cost of State government.

"The results tend to display clearly the public's chagrin and resentment over increasing taxation from all levels of our government: Schools, Local, County, State and National."

"Obviously the public is 'fed-up' with soaring taxation and wants something done about stanching the flow that is weakening all of us. How else could this remarkable display of support for Sen. Sandman against his tax seeking rival be explained?"

"Tax conscience citizens should band together in some form of taxpayers' union to vent their wrath upon those political pranksters, so impressed with their own importance that they flout those who must pay for their frolicsome sport of making public office a 'gravy train' for relatives, friends and the organization faithful."

"The Primary results of last Tuesday should encourage more economy-minded candidates to enter the arena of politics."

SOLVING SHORTAGE — Owner Frank Della Volpe hopes to get his Foamy Carwash in Silver Lake back on a full time schedule by next week when equipment necessary to convert to use of well-water is installed. The well struck water at 50 feet, but when the picture was taken, at the 220-foot level, the well still wasn't producing sufficient flow to run the auto laundry equipment.

UP SPEAK

1ST WARD DEMOCRATS THANKED FOR SUPPORT

To The Editor, Times News:
Dear Mr. and Mrs. Democrat
of 1st Ward - 9th District.
You have once again entrusted
the Democrat District Leadership
to us by selecting us to this
office. Your loyalty and faith in us
has been very gratifying. We
promise to do all we can to be
most deserving of your trust.

Our deepest appreciation to all
of you for without your support
we could not have accomplished
as much as we have to date. To
our many friends, neighbors, and
fellow Democrats who have given
of their time to help us in our
fight to retain our position we
are at a loss of words to ex-
press our deepest feelings. You
have all been wonderful.

We will continue to do our ut-
most for the betterment of our
district as well as our town be-
cause we are aware there is still
much to be done. As long as we
have your support we can get to
the forces and fight for what we
believe in.

Your faithful servants,
Edna M. Bucco
Clementine Propper

Leaders Thank

2nd Ward Voters

To The Editor, Times News:
To the Voters of Second Ward,
Seventh District:

Our sincere thanks to the voters
of the Second Ward, Seventh Dis-
trict, for your vote of confidence on
June 1st Primary Day was ex-
tremely appreciated.

We shall endeavor to try and
do our best as your Democratic
leaders of this district.

Feel free to call on us for what-
ever assistance we may be able
to give you.

We pledge our sincerity and
honesty to you the voters who
had character to fulfill their
American privilege by declaring
their party affiliations.

Sincerely,
Mrs. Mary V. Senatore

BECK'S COLUMN

By MAX BECK

You hear a lot about "BTU,"
if you are interested in an air-
conditioner. Most people don't
know what it is.

As we measure distance in
inches, feet, yards, miles, etc.
and time in seconds, minutes, hours,
days and so on, we have an exact
measure in connection with heat
transfer (which includes "cool-
ing" transfer) and this is the
BTU.

What does a BTU mean and
express? One British Thermal
Unit (BTU) is the amount of
heat energy that must be added
to a pound of water to raise its
temperature one degree Fahrenheit
at sea level. If this measure
is applied to air conditioning, it
represents the removal of a sim-
ilar amount of heat from the air-
conditioned space.

Until fairly recently, manu-
facturers used several methods of
rating their products. Some used
"tons," others "horsepower" and
some "amperes". Of all these
procedures, the "ton" came at
least fairly close to a proper ex-
pression of cooling capacity.
Since a "ton" is the equivalent of
12,000 BTU, ratings in "am-
peres" or "horsepower" are com-
pletely useless.

In order to bring some order
into this confusion, the Air-
conditioning and Refrigeration In-
stitute's Unitary Certification Pro-
gram now requires that cooling
capacity be stated in BTU. This
organization buys air condition-
ers on the open market, tests and
rates them and the manufacturer
has to attach a metal plate to
each unit stating the accurate
rated capacity.

It is not easy to determine the
size of an air conditioner for a
given space. The construction of
the house, location of the rooms,
amount of window space and
most important exposure to the
sun, are of utmost significance.
If you intend to purchase an air-
conditioner, you are well advised
to call an experienced man to
evaluate your problem and deter-
mine the proper unit. Self-
diagnosis and manufacturer's
claims just won't do. We offer
this service free of charge or
obligation.

We service what you sell.

URGES WATER BAN ON ALL POOLS

To The Editor, Times News:
What is a wading pool? Are
small children and babies to be
deprived of splashing around in
a few buckets of water because
there is not a recirculation system
while pools that hold 5,000, 6,000
or 8,000 gallons can be filled be-
cause they have this equipment?

Total water consumption be-
tween June 17, 1964 and Septem-
ber 21, 1964 was 3,887 gallons at
this address. This included a wad-
ing pool used on warm days.

I want to do my part by con-
serving water. Why deprive only
those children that are too small
to use these large pools? Why
not be fair and eliminate the
filling of the large pools that in
one filling use more water than
the normal homeowner uses in
three months?

Sincerely,
Mrs. Mary Targanico

HOUSEMOTHER PRAISES EIGHT LOCAL YOUTHS

To The Editor, Times News:
With the advent of the British
singers, a new clothing has as-
sued. This style is characterized
by long hair, tight pants, and
high heel shoes on boys. The St.
Anthony's (C.Y.O.) members have
reacted vigorously and different-
ly to this style.

Hugo Bartell — Just think how
surprised the people will be, when
they discover that the person with
the long hair is a boy.

Eugene Rossi — This style is
different, because it makes the

of days and they asked me to boys look like girls, and the girls wind; and high heel shoes build
give them a curfew (a deadline) for being home at night. I was
amazed. Never in all our his-
trenting to students, have the stu-
dents wanted us to tell them
in any way to do or to be supervised
in any way. I told them I didn't
want to boss them but they in-
sisted I give them a curfew of
12 midnight to be side and they
never broke this deadline delib-
erately. If they were going to be
late they came and told me and
that only happened about three
or four times. We acted as fos-
ter parents to them and we loved
them and they us because they
knew we were interested in them.
They got along together. There
were no fights or squabbles. Each
boy had an appointed task in their
apartment, it was unbelievable.
I was sick and alone here for
five weeks, while my husband
was in California. They took
me to the doctor and waited on
me hand and foot. I was never
afraid, they were like eight sons.
They shovelled snow, shopped for
me, and kept me company. I can
not say enough about these young-
sters. It was a pleasure and a
privilege to have them in our
home.

Would you please put something
in The Belleville Times News
about these boys for us. I want
all their parents to know how we
feel about their boys as well as
the citizens of Belleville.

Sincerely,
Mr. and Mrs. Nick and Minnie

Action Needed on Water Conservation

A Smallwood Avenue mother now rates
as the "most selfish citizen" among her
neighbors and it is quite obvious that she
is one of those persons who believes that
tomorrow never comes.

The lady got her neighbors up in arms
when she insisted that she had a right to
fill her 3,000-gallon swimming pool, which
she was late in erecting, despite the ap-
peal of the local and state officials to con-
serve water.

The pool owner based her claim on the
fact that she had a filter on her pool and
would use the water over and over again.
Her neighbors, who are civic minded and
are busy keeping an eye on their children
so that they don't waste a drop, believed
that 3,000-gallons of water for a swimming
pool was too much to waste at this time.

When the lady insisted the police were
called and telephones began to ring on the
desks and in the homes of elected officials.
Soon everyone from the Mayor and Town
Manager to the Town Attorney and desk
sergeant were embroiled in the question of
the lady's right to fill the swimming pool.
Several calls were received at The Times-
News, charging that the lady was given
permission to fill the pool because she was
a friend of an elected official.

Checking into the facts, we found that
although the Town has an ordinance that
sounds like it bans the use of water for
many items, none of them are criminal
acts that can be prosecuted by the police.
Town Manager John R. Burnett has in-
structed the police to explain the need
for water conservation to the individuals
and to ask for their cooperation. However,
if the citizen thinks only of today and his
personal pleasure and insists on filling a
pool there is nothing that can legally be
done at the moment to stop him.

It seems that the local ordinance and the
request of the Governor for local municipal
governments to actually pass an enforce-
able ordinance with penalties for viola-
tions is still up in the air, waiting action
by the Town Council.

Our local officials are well aware of
the need for extreme water conservation
measures immediately. Odds are that
water rationing will be enforced prior to
the end of what appears to be a long, hot,
dry summer.

Some officials believe that the area and
state officials waited too long to bring the

serious water shortage problem to the pub-
lic. It seems many of the top aides be-
lieved that if they shut their eyes to the
situation it was bound to rain enough to
get them out of the situation. However the
rain has not come and there is a serious
water shortage.

Local Council members are keeping an
eye on their votes and are not moving
too fast to draw up an ordinance that will
restrict the local users of water too much.
They are waiting for Newark to act — as
our water comes from the Newark system
— and the Newark officials are still stall-
ing while scanning the skies for the rain
clouds that they hope will arrive to get
them out of a spot they put themselves in,
by hoping for rain instead of acting.

One good example of the laxity of New-
ark's Mayor Hugh Addonizio is with the
car wash operators. There are 10 com-
mercial operators in the City and when
their operations were closed down it took
only a walk to the Mayor's office to get
the ban lifted for 3 1/2 days of each week.
Even though the operators admitted that
each car washed used from between 30
to 35 gallons of water. Local officials say
the figure is actually 40 gallons per auto.

While it is true that these men make a
living by washing automobiles, we believe
the Newark officials owe their responsi-
bilities to the more than 400,000 residents
and should make the operators dig wells
— as our Silver Lake operator did at great
expense — or take a forced vacation. To
allow the operators to continue to wash
automobiles when the officials know that
the water is already down past the emer-
gency level is shirking their responsibilities.

We can understand our local Council
waiting to see some action from Newark
before passing a tough, enforceable or-
dinance. However we urge that it be done
immediately as we believe the gamble is
much greater that the voters will remem-
ber their waiting around while water is
being wasted by un-civic minded residents
when the time comes this summer that
they turn on their taps and get nothing
out of it.

The time to act is now while we still
have some water remaining. It will be un-
necessary for official action when it is
gone . . . FCW

A Salute to The Champions

The Belleville High School baseball
team, headed by Coach Nick Pettit has
brought glory to our Town in the form of
the Big Ten Conference Baseball cham-
pionship and the Group IV State Sectional
title.

We feel positive that we speak for all
residents when we extend congratulations
to the team and its coaches for a job well
done.

The Belboys, who had never placed
higher than fourth in the Big Ten stand-
ings prior to this season, were not fig-
ured to be too much of a threat for the title when
the season began.

On three or four occasions when things
didn't jell, they took beatings that made
it seem unlikely that they could claim a
share of the crown.

The fact that they did win both the Big
Ten and State Sectional title is personal
victories for each individual coach, and
player as it took personal determination
and confidence to bring home the titles.

All residents and Belleville High stu-
dents have a right to be proud in the ac-
complishments of the Belboys nine this

year as their victories proved that by
pulling together as a team, individual
shortcomings can be overcome.

The members of the team and coaches
will be honored tonight at the Varsity Club
dinner along with other athletic teams
and affiliated units.

However many local supporters want to
do more in the way of honoring the cham-
pionship nine. As a result a special base-
ball tribute dinner is being planned for
June 21 at which time championship jack-
ets will be presented to each player and
coach.

The jackets are being paid for by dona-
tions from local businessmen and citi-
zens. Tickets to the dinner are available
and we urge everyone to attend. Informa-
tion as to time and place and cost of
tickets can be obtained by calling Jackie
Rega, who is carrying the ball for the af-
fair.

We believe the boys deserve the special
tribute and it will give an opportunity to
each and every citizen to say thanks for
a job well done . . . FCW

Demos Move Toward Unity

No one can blame Mrs. Mary V. Senatore
if she is walking around smiling to her-
self today. Mrs. Senatore was re-elected to
her third consecutive term as Democratic
Town chairman. However her election
Monday night was her first real victory.

In the past two elections Mrs. Senatore
ended up deadlocked with her opponent
for the Town leadership. Each time she
was selected as chairman by the County
chairman.

Monday night her victory was complete
as she drew 32 of a possible 45 votes from
district leaders and no opponent was even
nominated.

Although an attempt to have her re-

election made unanimous was blocked by
a small group of foes, only about seven
leaders were missing when the crowd ex-
tended congratulations after the meeting.

Mrs. Senatore's election is viewed by
political leaders as a victory for her poli-
cies and hard work for the party. Some
see it as a victory for the anti-recall group.
All agree it was a step toward party unity,
which has been lacking in town for the
past several years.

We extend our congratulations to a hard-
working lady on her success and hope that
the seed of unity which she has planted
takes root and grows to encompass the
entire Town . . . FCW

Fine Youthful Gas-up Thief

Half of a two-man team of Belleville youths which committed a series of gas station cash-box lootings throughout North Jersey was convicted of petty larceny in Nutley last week.

Twenty-year-old Gerald Sacchiero of 32 Union Avenue got a suspended three-month sentence and was fined \$100 for his part in the theft of \$50 from a Nutley gas station February 5. His partner, 18-year-old Thomas Palumbo, had received the same sentence in a previous trial.

While one of the duo purchased gas, the other would slip inside the station and rifle the cash register. Sacchiero appeared in Nutley criminal court upon his release from Bergen County Jail for a similar theft. He faced similar charges in Bloomfield the same afternoon.

Kidde Acquires Columbian Bronze

The acquisition of Columbian Bronze Corporation by Walter Kidde & Company, Inc. was approved May 28 by Columbian stockholders at a meeting held at Columbian offices in Freeport, Long Island, N. Y. Approval by Kidde stockholders is not required.

Columbian Bronze manufactures Marine propellers and a selective line of marine electronic devices, including gas flame detection systems, radiotelephones, automatic pilots, radio direction finders, depth finders and rudder angle indicators.

Kidde is a major producer of safety, security and protection equipment for industrial and marine use. Among Kidde products for the marine field are automatic smoke and fire detection systems, fire extinguishers, fire extinguishing systems and self-power voice communications and inter-communication systems. The company also produces textile machinery, consumer products, and space systems and equipment.

Columbian Bronze has plant and marine servicing facilities in Hoboken, N. J. and Brooklyn, N. Y., as well as Freeport. Kidde is headquartered in Belleville, N. J., and has other plant and laboratory facilities in New Jersey and in Massachusetts, New York, North Carolina, Rhode Island, Canada, England and West Germany.

Marine Training

Marine Private John C. Kral, son of Mrs. Evelyn L. Kral of 475 Washington Ave., Belleville, graduated May 11 from Marine recruit training at the Marine Corps Recruit Depot, Parris Island, S. C.

Parris Island is the recruit training center for Marines who enlist east of the Mississippi river. During his 11 weeks of recruit training under veteran non-commissioned officer Drill Instructors, he learned small arms marksmanship, bayonet fighting, and methods of self-protection, as well as receiving instruction in military drill, history and traditions of the Marine Corps, and other academic subjects. He is now assigned to Camp Lejeune, N. C., for advance infantry combat training before being assigned to a school on a Marine combat or support unit.

St. Anthony's R. C. Church Setting For Antoinette DeMedici's Wedding

MRS. JAMES MIELE, JR.
Former Miss DeMedici

Miss Antoinette DeMedici, daughter of Dr. and Mrs. Louis DeMedici, Sr. of 13 North Eighth Street, Belleville, and James Miele, Jr., son of Mr. and Mrs. James Miele, Sr. of 113 Park Avenue, Newark, exchanged vows Saturday afternoon, May 29, in St. Anthony's R. C. Church, Belleville.

The Rev. Edward J. Scandone performed the ceremony. The reception was held at Branch Brook Manor, Belleville.

The bride's father gave her in marriage. Her gown of silk organza was fashioned with high scoop neckline, fitted bodice and elbow length sleeves. Applique of beading and sequins embellished the bodice and cathedral train.

A beaded and sequined headpiece held her bouffant veil, and she carried white tea roses and orchids.

Mrs. William Lanno of Belleville was matron of honor. Bridesmaids included Miss Pamela Albanese of Irvington, Mrs. Paul Giordano of Belleville, Mrs. Nicholas Agresta of Bloomfield and Miss Mary Ellen O'Rourke of Kearny.

Their gowns of Nile green crepe featured empire style bodices of white lace over Nile green, and floor length skirts. They had flowered headpieces with four-tier veils and carried bouquets of Spring flowers.

Nicholas Agresta of Bloomfield was best man for Mr. Miele. Michael Miele the bridegroom's brother; Anthony DeMedici, brother of the bride, and Michael Toman of Belleville, and Martin Gaffney of Newark ushers.

A gold crepe street length dress was worn by the mother of the bride. The bridegroom's mother chose a pink pea de sole street length gown. Their accessories matched their dresses, and they had orchid corsages.

A graduate of Belleville High School, the bride is a medical secretary with Schering Corp., Bloomfield. The bridegroom was graduated from Newark Vocational and Technical High School and served for three years in the National Guard. He is a printer with American Tag Corp., Belleville.

The newlyweds will make their home at 96 Emmet Street, Belleville. They are spending their honeymoon in Florida.

Deep green broccoli, cooked only till tender, can be the entire when served on toasted bun and topped with creamed beef. Make your favorite white sauce and add about a fourth cup of shredded dried beef.

MRS. VICTOR P. MICATI
Former Jane Corcoran

Victor Paul Micati Weds In Westwood, Mass. Rites

In a late afternoon ceremony in First Parish of Westwood United Church, Westwood, Mass., the marriage of Miss Jane Corcoran, of Cedar Grove, daughter of Mr. and Mrs. James L. Corcoran, of Salisbury Drive, Westwood, to Victor Paul Micati, son of Mr. and Mrs. Victor Micati of 34 Berkeley Avenue, Belleville, was solemnized on Saturday, May 29.

The Rev. Kenneth Boyle officiated at the ceremony which was followed by a reception at the home of the bride's parents. Given in marriage by her father, the bride was groomed in white silk organza over tulle with Alencon lace bordering the neckline, short sleeves and hemline of the sheath skirt. A Watteau train fell from the empire waist.

Her short veil of tulle was held by an organza crown, and she carried a cascade of stephanotis, phalaenopsis orchids and ivy.

Miss Suzanne Hahn of Cambridge, Mass. was maid of honor, and Mrs. Richard Webb of Parsippany and Mrs. Thomas Broadbent of Miami, Fla. acted as bridesmaids.

WEDDINGS AND ENGAGEMENTS IN SOCIAL SPOTLIGHT

Carole L. Brand, Lt. Robert Purcell Have Nuptials In St. Peter's Church

MRS. ROBERT M. PURCELL
Former Carole Brand

St. Peter's R. C. Church, Belleville, was the setting for the marriage of Miss Carole Louise Brand to 2nd Lt. Robert Martin Purcell, USA, Sunday afternoon, June 6. The Rev. James Heavey performed the ceremony, which was followed by a reception at the Robert Treat Hotel, Newark.

The bride is the daughter of Mr. and Mrs. Harold Francis Brand of 19 Stephens Street, Belleville. The bridegroom's parents are Mr. and Mrs. John P. Purcell of Terhune Avenue, Jersey City.

Escorted by her father, the bride wore an empire style gown of off-white reverses with a French net covered with reembodyered Alencon lace applique. The sleeveless bodice featured a round neckline, and the skirt was A-line.

A pillbox trimmed with white Alencon applique held her five-tier floor length veil, and she carried a bouquet of white, off-white and pink roses.

The bride's cousin, Miss Roberta Shelly of Iselin, was maid of honor. Bridesmaids included the bridegroom's sister, Miss Jane Purcell of Jersey City, Miss Janet Cramer of Newark, Mrs. James A. Mahon, Jr. of New York and Mrs. John Donellan of Clifton.

They wore blue and green silk print floor length sheaths with emerald green leghorn hats. Their flowers were white daisies with stephanotis and pink rose buds.

Serving as best man for his brother was John N. Purcell of Fairview, Mass. Ushers were Joseph Finn of Bayonne, Peter Bernich of North Bergen, Luke Rooney, Jr. of Jersey City and Mr. Mahon of New York City.

The mother of the bride was attired in an ice blue silk street length dress with white lace overblouse. She had matching accessories and a corsage of ice blue roses. The bridegroom's mother chose a beige crepe street length gown with tiered skirt and matching accessories. Her corsage was a beige orchid.

The bride was graduated from Belleville High School and the Berkeley School, East Orange. She attended Rutgers University College, Newark. Lt. Purcell, a graduate of Regis High School, New York, and St. Peter's College, Jersey City, serves presently with U. S. Army Intelligence in Philadelphia.

The couple will make their home in that city when they return from a wedding trip to Bermuda.

Miss Camille Marie Trotta, daughter of Mr. and Mrs. Andrew Trotta of 5 Wilber Street, Belleville, and Frank James Novello, son of Mr. and Mrs. Frank Novello of Hyslop Avenue, Westfield, were united in marriage Sunday afternoon, May 2, in Holy Family R. C. Church, Nutley.

The Rev. Francis Blake officiated at the ceremony. A reception was held at Thom's Restaurant, Newark.

Given in marriage by her father, the bride wore a gown of peau de soie styled with lace and seed pearl applique on the bodice. A line skirt and chapel train. A crown of seed pearls held her three tier elbow length veil, and she carried a bouquet of white roses and stephanotis with orchids.

Miss Joyce Novello of Westfield, the bridegroom's sister, was maid of honor. She was groomed in a mint green silk linen floor length sheath with scoop neckline and short sleeves. Two satin bands encircled the waist and continued down the back to form a train. Her hat was a nylon net rosette, and she carried yellow long-stemmed roses.

Bridesmaids were Miss Judy Ricci of South Plainfield, Miss

Miss Beverly Kinsley, Staff Nurse, Bride Of Henry Howard Walker, III

In an afternoon ceremony in St. Joseph's R. C. Church, East Rutherford, the marriage of Miss Beverly Ann Kinsley to Henry Howard Walker, III, was solemnized on May 29. The Rev. Michael Judge, O.F.M., officiated at the ceremony, which was followed by a reception at The Galaxy in Belleville.

The bride is the daughter of Mr. and Mrs. Albert C. Kinsley of 34 Belleville Avenue, Belleville; the bridegroom is the son of Mr. and Mrs. Henry H. Walker, II, of John Street, East Rutherford.

Mr. Kinsley gave his daughter in marriage. Her bridal gown of silk organza was in princess style with a fan neckline and long sleeves. Alencon lace dotted with sequins and seed pearls embellished the bodice and skirt with chapel train.

A double-tier crown of crystal and seed pearls held her bouffant veil of French illusion. Her flowers were white roses and stephanotis with white orchids.

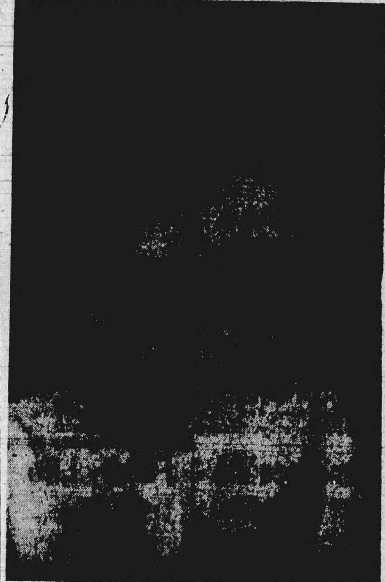

The matron of honor was Mrs. Charles Wilde of East Rutherford, sister of the bride. She wore a mint green crepe gown in empire style, and matching headpiece. She carried a bouquet of pink and green roses.

The bridesmaids, Miss Alice Walker and Mrs. Jack Worth of East Rutherford, the bridegroom's sisters; Mrs. Albert Kinsley of Lyndhurst, sister-in-law of the bride; Miss Donna Cunningham of Nutley and Miss Teresa Janowski of Carlstadt, were dressed in light pink crepe.

The lower girl, Debra Wilde of East Rutherford, the bride's niece, wore a white organza gown with pink trim. Her hat was a white and pink bow, and she carried pink and green roses.

Serving as best man was Frank Lavezi of East Rutherford. Ushers were Albert Kinsley, the bride's brother; Charles Wilde, her brother-in-law; Russell and Edward Binns, her cousins; Michael Izzo, the bridegroom's cousin, and Jack Worth, his brother-in-law.

I'LL DO IT FOR A NICKEL. "Johnny, take the garbage out for Mother!" Johnny replied, "I'll do it for a nickel!"

What has happened here? Does this conversation mean that Johnny is mercenary, that he won't help his mother, or that his time is too valuable to work for nothing?

In some circumstances, it could mean all these things. But the real meaning of such an answer is that there has not been any consistent training in the assumption of home duties.

This training is necessary for character building, for developing independence and cooperation, and for that important feeling of "belonging to the family." Johnny's answer points out the fallacy of paying children for or home chores. Usually, the youngster bargains about the money paid for his work. Sometimes if he doesn't need or want the money then, he refuses to do the chore. There are many things, for youngsters to do that are not artificial "busy work" but truly helpful and meaningful.

Theater Workshop Seeks Members

A new theater group is being formed in Newark and will be known as the "Theater Workshop." There will be a planned program of study for beginners as well as intermediate and advanced actors. Members will have an opportunity to take part in workshop production. All phases of theater will be included in the program. Miss Chris Joy will instruct and direct the productions. Miss Joy is a graduate from U.C.L.A. School of Drama and was affiliated with the Santa Monica Group Theater. Potential members will be interviewed beginning June 15 at 515 Mt. Prospect Avenue Newark, where the studio will be located.

Latest figures show that almost a million and a quarter American adults are affected by rheumatic heart disease, the long-lasting heart disease resulting from earlier attacks of rheumatic fever. According to the Essex County Heart Association, most new attacks of rheumatic fever can now be prevented with adequate medical attention.

HAS BIRTHDAY

Happy Birthday to Miss Susan Ryan, daughter of Mr. and Mrs. John Ryan of 27 Lincoln Terrace, who celebrated her 11th birthday on June 4. This year, Susan is combining a birthday celebration with her confirmation party on June 12.

The Petrean Club of St. Peter's Parish held their re-union at the Robert Troat Hotel on Sunday May 30 with a cocktail hour and dinner dance.

The re-union of over 150 people, celebrating 25 years of fun and hard work, was climaxed with a large birthday cake and 25 candles.

Among the many who attended were Mrs. and Mrs. John Einn, Mr. and Mrs. John Murphy, Mr. and Mrs. Vincent Coffey of Belleville and former Bellevilles Mr. and Mrs. Ray Keown of Little Falls, Mr. and Mrs. Howard Malloy of Nutley, Mr. and Mrs. Chester Davis and Mr. and Mrs. Matthew Gurn of West Orange.

Congratulations to Mr. and Mrs. Anthony Amato and Mr. and Mrs. Raymond Baeck on their wedding anniversaries.

Mr. and Mrs. Amato celebrated their 33rd anniversary on June 5. They are the owners of the One-Hour Martinizing Cleaners on Washington Avenue.

Mr. and Mrs. Baeck celebrated their first anniversary on June 7. Mrs. Baeck is the former Phyllis Amato. The couples celebrated together.

Miss Charlene Gibbs, daughter of Mr. and Mrs. Charles Gibbs of 140 Rutgers Street, and her escort, Roy Van Dyke, son of Mr. and Mrs. R. Van Dyke of 287 Greylock Parkway, attended the Essex Catholic High School Senior Prom which was held in the ballroom at the high school.

The girls floating in long gowns of rainbow colors and the boys in white dinner jackets enjoyed the punch and hors d'oeuvres served at 9 p.m., the prime ribs of beef dinner at 1 a.m. and the dancing all evening which lasted until 3 a.m. As a memento of a wonderful evening, each girl received a miniature silver plaque with the class emblem on a silver chain.

It was "All aboard for Philadelphia" on June 2 for the fifth grade classes of Mrs. A. Chiappetta and Mrs. M. Coryn from number three school. Besides visiting Independence Hall and the Betsy Ross House, they toured the Philadelphia Navy Yard and thoroughly investigated the U.S.S. "Hake", a submarine. It was hard to tell who enjoyed the trip more - the students or the mothers who chaperoned (Mrs. Edward Hamilton, Mrs. Richard Drake, Mrs. Paul McDonnell and Mrs. D. Rocca).

Congratulations to Miss Arlene Reale, daughter of Mr. and Mrs. Frank Reale of 504 Washington Street, who will graduate with full honors from the Lyons Institute School of Medical Dental and X-Ray Technology in Newark this month. After a brief vacation, Arlene will then begin her career as a dental technician.

Mr. and Mrs. Daniel S. Tobia of 310 Division Avenue, have just returned from a 25 day tour of France and Italy. When they arrived in Paris, they were met by their son, Gary, who is a Lieutenant with the Army stationed in Orleans, France. Mrs. Tobia reports she is hoping to go back for a visit very soon.

The Girl Scouts and Brownies of St. Peter's Parish held their annual Mother and Daughter Communion breakfast at St. Peter's School on June 5. Reverend John Waldron gave the table blessing and breakfast was served by the Cadets. The guest speaker, Miss Marie Carr of Park Ridge, spoke on the Church Youth Student Movement.

Among those who attended were Mrs. William Connelly and her daughter Joann, Mrs. Edward Carolan and her daughter Janice and Mrs. Edward O'Connell and her daughter Nancy.

The New Jersey Bell Telephone Garage in Newark, held open house for the schools in Essex County recently. Taking advantage of this offer to learn something about this way of communication were the seventh and eighth grade classes of St. Peter's School. Among those who enjoyed the tour were John Connelly, Ann Marie Dwyer, Margaret Rose Gibbs and Paul Dressler.

Sharon Grundfest, Carlson Receive Commendation for Merit Test Ratings

Miss Sharon Grundfest and Jeffrey Carlson, BHS seniors have been honored for their high performance on the National Merit Scholarship Qualifying Test (NMQST) given last spring. Each student who is endorsed by his school receives a formal letter of Commendation signed by the principal and the president of the National Merit Scholarship Corporation.

TEEN-OF-THE-WEEK

Miss Mann Aims Talents At Career in Mathematics

Barbara Mann, ranking 18 in the Class of 1965, was kept busy this year by her many activities and studies. As editor of the Spotlight, she and her staff worked hard to increase the circulation of a much finer BHS newspaper. Because of her accomplishments and friendly personality, Barbara has been a member of the National Honor Society for two years. She is also a member of the Leaders' Club.

Barbara has served her school government for four years as a member of the Student Council. She also took part in the student tutoring service.

In the summer of 1963, Barbara was chosen to go abroad. The trip was sponsored by the Synagogue Youth Organization. Along with about 110 others, Barbara spent several weeks in Israel and France.

Barbara's participation in the Math Club and Physics Club was partly in preparation for her career.

In September, she will enter New York University, where she will concentrate in the field of mathematics and science.

Prospects for My Generation

My generation has some of the greatest potential ever present in any generation. We have many conveniences at our beck and call that the preceding generation never even dreamed about. Airplanes, computers, limitless power through the atom, and much more gives us a push forward. The verge of discovery is causing inspiration. The universe is waiting for our exploration. We couldn't ask for much more.

Our problem is the ability to fulfill our potential. Today's world is a difficult one. The tensions and problems are entirely different from those of preceding generations. Communism, the "Cold War," intermittent spurts of costly "hot war," and continuing world crises gnaw at our pulse. Domestic problems such as delinquency, difficulty in college entry, unemployment, and controversy concerning our generation keeps us trying to prove ourselves. These conditions are creating an overall mental problem. This is not to say that this means that, mentally, we are becoming unique. The following explains this. The condition of the word is a major problem. This has been so for every generation. In our case, it is the type of problem, tension, that exerts its influence and causes a general attitude of hopeful belligerence. Our greatest problem is, how prepared to face our prospects

Seniors Check Recipe Books

Mom's Favorite Recipes Compiled by BHS Seniors

The seniors of Belleville High School have completed MOM'S FAVORITE RECIPES, after approximately six months of continual work.

The fund-raising project was planned by the senior senate, under the direction of Richard Graves, the class adviser. Each senior was asked to bring a recipe from home, preferably to receive consideration for Merit Scholarships.

To increase their opportunities to obtain financial assistance if they need it, the Merit Corporation sends the names, home addresses, test scores, and proposed college majors of all Commended students to the two colleges they indicated as their first and second choices at the time they took the qualifying test.

The Commended students were among the high school seniors in approximately 17,000 schools who took the NMQST last March. The test is a three-hour examination that covers five separate areas of educational development. It was the first step in the tenth annual Merit Program.

and live up to our potential. The future generation, it can be hoped, will follow our trend to better the world with our existence. As for the older generation, they will always shake their heads and say "When I was a kid..." Oh well. When we feel our duty to the world has been done, we will sit back in our collective rocking chair and say the same thing as we watch another generation struggle upwards.

Two to Attend Red Cross School

Miss Linda Strack and Miss Carol Shiesley, BHS juniors, have been chosen to represent BHS at the High School Red Cross Leadership Training Center, which will be held at the Red Cross School, Heights, New Jersey, by Miss Linnea Andree, Red Cross Advisor. The training period, from August 22 to 27, is to instruct students about leadership and about the Red Cross.

Also helping were Ray Sebastian, Cathie Senior, Margie Stucka, John Velik, Jerry Volpe, Lois Youern, and Robert Zanfani.

Miss Seitz Rates Tops As Home Ec Teacher

One of the most dedicated and congenial teachers at Belleville Senior High School is Miss Emily Seitz. She is well noted for her pleasant personality and willingness to aid those who seek her help.

Miss Seitz received her Bachelor of Arts degree from New York University and later received her Master of Arts degree from Columbia University. She has also taken courses at Rutgers and the University of Pennsylvania.

This is her 19th year teaching at Belleville High School; however, she has previously taught in Paterson, N.J. and in New York City. She has taught home economics in all levels of education, including elementary, secondary, and adult classes. At one time she served as an instructor for the New Jersey School for the Deaf in Trenton.

Miss Seitz's hobbies are just as numerous and varied as her teaching abilities. She enjoys reading, sewing, and knitting. She is also very much interested in gardening, especially house plants.

Miss Seitz is particularly fond of the Western and Northwestern United States and has traveled through these areas during her summer vacations. Her interest in different regions of the country and the world has led to a very interesting collection of postcards.

Miss Seitz's dedication and interest in her profession are clearly shown through her extra-curricular activities. She is the adviser to the Home Economics Club and is at the present time planning a tea for some of her Family Living classes.

She has supervised many other projects in the town of Belleville. These include taking for the Red Cross, the Garden School, and the making of articles for Clara Maass Memorial Hospital.

One can see that through her sincerity, Miss Seitz has won the respect and admiration of all those who know her.

Students Take Driving Tests

The State Driver's Motor Vehicle Examination was given to juniors and seniors Friday, June 4 in the BHS auditorium. The test began at approximately 9:15 a.m. and lasted until 10:00 a.m. The test, sponsored by the State Division of Motor Vehicles of New Jersey, measured the students' understanding of the driving laws of New Jersey.

If the student passes the test, he may obtain his driving permit without taking the regular written test. It also enables him to receive a deduction on his liability insurance.

FBLA Holds Installation Ceremonies

Belleville High School chapter of Future Business Leaders of America held their installation dinner at The Fountain.

Belleville Chapter of FBLA is a newly established organization. Its purpose is to attain the goal of "Service, Education, and Progress." It is the High School Level of the FBLA National Organization. The Belleville Chapter is designed for those students who are looking forward to careers in business.

The officers for 1964-65 were: Elaine Peda, president; Rosamary Hunt, vice president; Ellen Amatielli, secretary; and Anna Di Meo, treasurer. The newly elected officers for 1965-66 are: Paul Petrole, president; Toni Caporaso, vice president; Amelia Del Russo, secretary; and Susan Restaino, treasurer.

Following the dinner, the installation ceremony took place, which involved the use of colored candles, each symbolizing the duties and responsibilities of the four offices.

Since the letters FBLA may be used officially to designate the organization, its units, or members, individual speeches were given by four members. Ellen Amatielli gave a speech on Future; Frances Rosania spoke on Business; Donna Mallinson spoke on Leaders; and Pat Marone ended the series of speeches with a talk on America.

Guest speaker was John Westlake, vice-principal of Belleville Senior High School. Miss Carmelita Todaro, BHS FBLA advisor, addressed and commended the group on the achievements of the club during the past year.

Boys Can Register For YMCA Camp

David T. Imhoff, director of Camp Y-Mont at the Montclair YMCA day camp for boys, announces that registrations are now being accepted.

The day camp is divided into three two week periods, July 6-16, 19-30, and August 2-13. Boys may register for two, four, or six weeks.

A voice for the silent

This artificial electronic larynx, when held against the side of the throat, transmits sound waves. These waves are passed up the throat and formed into words by movements of the lips and tongue, as in normal conversation. For people who cannot talk because something has happened to their vocal cords, it's a godsend.

There's also a telephone for the hard-of-hearing that has a special volume control built into the receiver. Amplifying equipment, special bells, lights and other signaling devices, school-to-home service for bed-ridden students—all these things are available to meet the needs of the handicapped.

And we are now studying other possibilities that could be very meaningful. For example: changes in telephone instruments to enable a deaf person to feel in his fingers letters or words transmitted to him in code, or see them reproduced in front of him.

Designing and producing items like these serve the special needs of our customers. We believe in providing the best possible service to meet these special needs.

HER LITTLE RAMBLER

Dear Mom and Dad,

Just a quick line to let you know that all is well here at school... and to say thanks, again for my little Rambler. What a swell graduation gift! I'm the envy of all the kids here at the campus and they hardly believe it when I tell them how little it costs to operate it. I know that choosing Rambler was our idea of peace-of-mind and it sure is reassuring to me to have parents who care so much. Say hello to everyone for me.

Love to all,

BELBOYS BIG TEN CHAMPIONS

Sheridan Hurls BHS To 1st Title

By STEVE CHAREN

Using an attack paced by five doubles and one hit hurling, the Bellboys downed Orange on June first, 4-1, to clinch their initial Big Ten Conference championship.

In winning the title by two games, Belleville finished fourth in the Conference for the first time. Third year mentor Nick Pettit's boys now have the first leg of the never before achieved schoolboy grand slam which consists of the Conference, NJSSIA, and Greater Newark Tournament crowns.

Art Sheridan and Frank Mino paced the Bellboys twentieth victory in twenty-four starts, but all the players contributed. Sheridan was given the honor of wrapping up the crown and responded with his third no-hit performance of the season. Art would have had his fourth shutout if not for an unearned tally in the sixth. The win was Sheridan's eighth straight, after an opening day loss and puts him within one game of the school victory record.

Belleville's ace also helped himself with the bat going 2 for 3 and lashing a double before scoring the final tally.

Mino had a field day at the plate and in doing so accounted for the first three Bellboy runs. Big Frank walked in the second round and came around on Len Landolf's single and a double by Tony Landolf.

In the next frame, Mino blasted the first of his two doubles. This blow coming after Nick Grande had stroked a two-bagger, Frank came in with the third run on an error.

Mino had no part in the final score although his fifth inning two-bagger had gone to waste. The third inning tally came when Sheridan doubled and Jimmy Connell again came through in the clutch for RBI number 12.

Jimbo was the one who hung in there with the bases loaded; two down in the ninth; and two strikes to deliver a two run single in the GNT game with Livingston. That blow knotted the score at 8-8 and Belleville won it in the tenth when Tony Magistro tagged up and scored as Luongo was rob.

Bellboys Dumped in GNT, 7-1

It's all over. Belleville's miracle team finally came to the end of its rope some two championships and 22 wins after they started. Parsippany brought the Bellboys' greatest season ever to a close with a resounding 7-1 shelling in the Greater Newark Tournament semi-final round, Monday.

Richie Zisk stole the show for Parsippany (22-3) by walloping three homers and raising his batting average to the .470 neighborhood. This highly sought after major league prospect is only a sophomore.

Tony Landolf, who thanks to a late spurt, finished the season batting a hefty .411, was the only Bellboy to solve Harold Burke's humming fast ball. Burke (9-1) only allowed five safeties, three by Landolf, while striking out nine and walking one with his "moving" pitch.

Rich Pucciarello started for the Bellboys and was touched for his first loss in six decisions. Puch allowed a run in the first on a pair of singles, and Zisk's first four-bagger in the second before giving way to Art Sheridan. Art had a hop single and an error later and the Bellboys were down 4-0. Zisk knocked in the next two runs in the third to make it 6-0 before the Bellboys had a man past first.

Belleville picked up its lone run on charity in the fourth, thanks to an error and singles by Frank Mino and Landolf.

Zisk rocked a 500-foot drive off of Sheridan in the sixth that traveled out beyond the cliff in the Verona outfield (there is a sudden drop in left and center). Sal Tadi finished up with two innings of one-hit relief ball. Zisk was retired on a fly to right.

Third-seeded Parsippany will now meet fifth placed Westfield, which upset number one seeded Union, in the GNT finals on Saturday. Belleville was seeded second in the prestige tournament.

The Bellboys can't complain about this season. No one expected them to take the Big Ten Conference and State Sectional crowns. For a team whose main asset was defense, and a lady luck, a 22-3 record is unbelievable. A complete summary of this remarkable squad will appear next week.

If you believe in omens, everything pointed towards this loss.

Bellboys Group IV Champions Trim Kearny, 6-3, for Crown

Two down, one to go. That's the way the championship situation was for the BHS nine after downing Kearny, 6-3, last Friday for their first Group IV, North Jersey, Section 2 Crown.

Earlier in the week, Nick Pettit's surprising Bellboys had taken the Big Ten title in their quest for the never before achieved scholastic Triple Crown. The Greater Newark Tournament now looms as the last leg of the long journey.

George Debrowski, Len Luongo, Tony Landolf and Frank Mino led the way to Belleville's 22nd victory in 26 starts. Each accounted for a pair of runs, and Debrowski picked up the win with five innings of scoreless relief hurling.

Art Sheridan had started the game, but showed he had no shaken the arm trouble that he had developed late last week. After Art walked two men in the first frame, Wally Evans, who ruined Sheridan's no-hit bid with a final inning home-run the last time the teams met, delivered one run with a single to right to put the Bellboys behind 1-0.

Ken Scott donated three walks in the Bellboy half of the first, Belleville 13-5, 722 LOB - Bell - 6, Kea - 6

but got by unscathed upon. Debrowski's relief came on, having recovered from his arm problems, Nutley 10-8, 556 3B - Bell - Landolf

George (5-2) allowed Scott a single in the second before retiring 13 straight Cardinals. The Bellboys relief ace broke the streak with a two man walk streak in the sixth. By then, the Bell-Orange

Two Wins Give BHS Trackmen 8-4 Season

By AL PAGANELLI

The amazing Belleville High School track team, undernurtured by opponents all year, wound up their season by defeating West Side, 5-62, and Kearny, 8-34, in the final two events of the season.

West Side made a last ditch effort to win the meet as they went 12 in the broad jump. "Big 84, the best local track mark in Bob" Patterson of Belleville countered with a win in the high jump.

The Bellboys first played host jump to West Side High School, which had beaten Belleville last year by two points, and proved to be just as rugged this time around. West Side swept both hurdles events to jump into an 18-0 lead.

Joe Rodriguez and Charlie Reed paced a Bellboy comeback by taking first and second in the 100- and 220-yard dashes. Harry Baker won the pole vault with 3:38.5 combined time to break

Pete Eccles, second, Hal Avalone, Frank Sporella and Lou Trowbridge kept the ball rolling for Belleville by stopping the West Siders in the shot put, and discus.

West Side made a last ditch effort to win the meet as they went 12 in the broad jump. "Big 84, the best local track mark in Bob" Patterson of Belleville countered with a win in the high jump.

West Side should have picked up their marbles and gone home prior to the distance events. Don Johnson easily won the 440-yard dash for Belleville and it was all over for the West Siders. Dave Grigoris and Bob Boglione tied for first in the mile. Al Paganelli and Don Saunders romped home to break their old record of 3:40.2.

In the half-mile and their 12th thing except half-milers as Belleville ran all over the Hudson County team. Key men in the victory were Grigoris, Bob (line), Bill McCarthy (mile) Johnson (440) Patterson (high jump), Avallone (shot put), Trowbridge (discus), Baker (pole vault) Rodriguez and Reed (100 and 220).

Belleville finished with an 84 record and will host only six seniors: Rutledge, Odie (hurdles) Moore, Paganelli (half-mile) Eccles (pole vault) and Mino (shot put). Only the hurdlers will be missed as the others have underclassmen waiting in the wings.

Look for big things from the Bellboys next season.

Food Fair Leads American; Jolly Paces in National

Dan Dunn blanked Local 410 on no hits and no runs to give Jolly Cleaners a 3-0 victory that moved them into the lead of the National League last week. Jolly now has a 4-1 record. Local 410 is runnerup with a 5-2 mark.

In the American League, Food Fair moved one-half game out in front by defeating Van Buren, 5-4, and Wallace & Tiernan, 6-3. The double wins boosted Food Fair over the Elks with a 5-1 record. The Elks have a 4-1 mark.

In other games: PBA 28 defeated Airco, 16-6; Amvets won their first game of the season, dropping the Lions, 6-3; and Rotary topped Colony Club, 10-2.

P.B.A. Defeats Airco

Belleville, P.B.A. 28 defeated Airco, 16-6, behind the four-hit pitching of Iorio, Willie and DiGianni led the hitting for the winners with two hits each. Willie also had a homerun. Caprigione had two hits for the loser.

Miss Paganelli Earns Degree

MARILYN PAGANELLI

Miss Marilyn Paganelli, daughter of Mr. and Mrs. Henry Paganelli, 151 Garden Avenue, Belleville, will be graduated from LaSalle Junior College on June 9.

Miss Paganelli will be awarded the Associate in Science degree in the Medical Secretarial curriculum at the 110th commencement program at the Auburn, Maine, State College.

A 1963 graduate of Belleville High School, Miss Paganelli has been a member of the Executive Council of the College Government Association, the Orphean Club, the Blue Key and Crew during her two years at LaSalle.

Keven Duncan Wins Workshop Scholarship

Keven Duncan, 11 year old son of Mr. and Mrs. James Duncan, 1 Cedar Hill Avenue, Belleville, has been awarded the scholarship offered by the Children's Summer Theatre and Art Workshop, Montclair.

The Workshop, which offers a creative program in drama, speech and art, opens its seventh season on June 29 at the Cornwell Club in Montclair.

Boys and girls eight to thirteen are eligible to join.

Howard Savings Joins in Support Of State Council

The Howard Savings Institution has joined with over 150 other organizations and firms throughout New Jersey, as well as leaders in labor and agriculture, in providing financial support to the New Jersey Council on Economic Education.

The purpose of the NJCEE is to stimulate interest and promote education in the field of economics, particularly in the elementary and secondary schools. NJCEE is an affiliate of the National Organization, Joint Council on Economic Education, which has its headquarters in New York City.

A serious gap exists in understanding our economic system throughout the USA. Ninety-five percent of all high school students in the country have not received instruction in economics. The aim of NJCEE is to combat "economic illiteracy" in New Jersey by emphasizing economic education in the state.

The Council is supporting an effort to have the N. J. Department of Education establish a minimum requirement of six hours in economics to qualify for a New Jersey teachers certificate.

According to former Secretary of Commerce, Luther Hodge, "the call to support economic education is a call to support democracy itself. If we want to govern ourselves in a free world we must understand economics, for the big decisions to be made in today's world lie on the economic frontier."

With the financial backing of New Jersey Business and Industry, a center for economic education has been established at Montclair State College. This center, whose Executive Director is Dr. Sidney Kronish, Professor of Economics at Montclair State College, has made real progress toward stamping out economic illiteracy. The center has sponsored numerous clinics and workshops throughout the State for New Jersey teachers and hopes to reach as many as 50,000 teachers in this way. These teachers, in turn, will have the opportunity to give economic instruction to more than a million students in the next few years.

Schools Topic Of Community Welfare Council

Dr. Jack Grundfest, M.D., has announced the topics which will be considered at the Monday meeting of the Belleville Community Welfare Council. The subject of the meeting, "The Citizen and His Schools", will deal with

PS to Fete Carragher on Safety Mark

Public Service Coordinated Transport will honor 13 operators on Thursday, June 10 at the Military Park Hotel in Newark with an appreciation dinner recognizing the men who have driven buses 20 consecutive years without a chargeable accident. (The list of the 13 honored operators with their home addresses and garages-out of which they work is listed below.)

This is the seventh such dinner that has been held annually to honor the operators who have compiled such outstanding records.

In addition to officials of the Company and of the Amalgamated Transit Union, a number of prominent members of government and transportation agencies will pay tribute to the honored guests.

Among those to be honored will be Albert Carragher of 281 William St., Belleville.

Expected to attend are Raymond J. O'Connell, Commissioner of Public Utility Commissioners, Miss June D. Strelchek, Director of Motor Vehicles of the State of New Jersey, Mr. D. Louis Tont, Executive Director, New Jersey Highway Authority and Mr. William Flanagan, Executive Director, New Jersey Turnpike Authority.

Robert E. Harper, president of the Company, will present each man with a gold watch and Russell V. Diebler, Vice-President and Operations Manager, will serve as toastmaster.

Flowering Trees Planned at BHS

At a recent Board of Education conference, Nicholas Juliano made the recommendation that flowering trees, such as Japanese cherry and flowering crabapple, be planted on the great lawn of the Senior High.

It is his desire to have the flowering trees planted in the plantings of Division Avenue, which is nicely landscaped by the individual homeowners. In order to make the trees, the Board of Education will plant trees in Division Avenue and continue into the campus.

The subject of water shortage was discussed later. To solve the problem, a well will be drilled in the search for the life giving commodity. If there is as much water there as the critics of the Senior High building program claimed there is on the campus, then there should be no problem. All the "experts" say that the water table is high.

LaLama to Install Alarm Systems

John LaLama Jr., of 105 Belmore Street, Belleville, has recently received his certificate of membership in the National Alarm Security. Issuance of his certificate is acknowledgment of his authority to install registered N.A.S. alarm systems.

LaLama who now works for the Mosler Safe Company, as a service representative in the New Jersey area installing security alarms, plans to continue in his regular job. However he will be installing alarm systems in his spare time. His new business which he will operate from his home will include not only installations but also the maintenance of these systems on a service basis. LaLama has already installed several alarm systems in the area.

The LaLama family has lived in Belleville for the past three years, they are active in Civic and Church organizations, in the Nutley area. Mrs. LaLama is active in the Womens Auxiliary of the Knights of Columbus St. Marys Council 2346, and the Holy Family Boy Scout Troop 152. LaLama is an active member of the Knights of Columbus and is Southermaster of Troop 152. The LaLamas have three children.

many of the problems which lie ahead for the Belleville educational system. Dr. Grundfest said, "Questions which will be raised at the meeting will consider the relationship of state taxes to the financing of Belleville's schools; the improvement of municipal support of the public school system; the relationship of the quality of the town's schools to property values; and the college out-look of a graduate of the local school system."

Mrs. Ruth Ford of Cresskill, Chairman of the Bergen County Committee for School Support, will address the meeting, scheduled for 8:15 p.m. at the High School. The public is invited.

RECEIVES NATIONAL RETAIL HONOR—Robert Smith (right) vice-president, Central Cadillac, Inc., 360 Central Avenue, Newark, receives Certificate of Distinction in the 17th Annual Brand Name Retailer-of-the-Year

Awards Competition, from John W. Thorne, III, director, advertising and promotion, Brand Names Foundation, Inc., sponsors of the Competition.

Central Cadillac Receives Award

Central Cadillac, 360 Central Avenue, Newark, has been honored again by the Brand Names Foundation and awarded second place in the automotive category of the 17th annual Retailer-of-the-Year awards' nationwide competition.

Robert Smith, vice president of Central Cadillac, accepted the award on behalf of the dealership. Officials, during the ceremony at the Imperial Ballroom of the Americana Hotel, noted that Central Cadillac had garnered the coveted award for four consecutive years and has each year stepped closer to first prize recognition.

Nationally recognized as Amer-

ica's leading Cadillac dealer, Central Cadillac was founded on July 12, 1957 by Charles H. Smith. The agency was originally staffed with 72 employees.

A small amount of cooked left-overs over vegetable often makes a surprisingly delicious combination to be on hand to demonstrate and assist. Instruction for painters will be given in oil - pastel, watercolor and collage.

Drs. Fischer, Roachvarg Attend Parley

More than 70 optometrists from all sections of the state attended the Quarterly Educational Meeting of the New Jersey Optometric Association held this week on the campus of the Trenton State College.

The guest lecturer, Dr. Harold Simmerman, professor of ocular pathology at the Pennsylvania College of Optometry and a resident of Wenonah, discussed optometric care of the aging patient and optometric recognition and management of hypertensive and diabetic patients.

Dr. Simmerman stressed the importance of regular eye examinations to the general health of the patient. Often, the first indications of high blood pressure, arterio-sclerosis or diabetes are detected in the blood vessels and retina of the eye during an optometric examination. These diseases often can be treated most successfully by modern drugs when caught in the early stages. Prompt referral of the patient to his family physician is imperative, he said.

Area doctors attending the meeting included: Dr. Harold Bookstaber, Montclair; Dr. Raymond Constantine, Irvington; Dr. Arthur J. Feiertag, Bloomfield; Dr. Seymour P. Fischer, Belleville; Dr. Ernest E. Linke, Orange; Dr. Michael Roachvarg, Belleville; Dr. Russell Snowday, Newark; and Dr. Harold J. Wolff, Nutley.

Bray Takes Part In Operation Fairgame

Radarman Third Class Roger D. Bray, USN, son of Mr. and Mrs. Donald T. Bray of 48 Division Ave., Belleville, is participating in an international exercise called Operation Fairgame III in the central Mediterranean and on the island of Corsica May 16-25 while serving on the staff of Commander, Cruiser-Destroyer Flotilla 12.

Thirty - four American and 26 French ships are participating in the exercise, along with ground troops from the two countries. United States Marines of the 2nd Battalion, 8th Marine Regiment are taking part, along with the French forces. France is providing troops from the Group Fusiliers Des Marines Commandos, Group Tactical Assault and French Foreign Legion.

Fairgame III is one of a series of combined French and U.S. naval exercises which have been conducted annually to provide mutual tactical training and familiarization in offensive and defensive air, amphibious, submarine and anti-submarine operations for French and U.S. forces.

Steve Chinnoek Sings With Glee Club at Fair

Stephen J. Chinnoek of Belleville was with the Stevens Institute of Technology glee club which presented a concert Friday afternoon at the Tiparillo Pavilion at the New York World's Fair.

He lives here at 31 Crescent Terrace.

The 65 member glee club sang a Cole Porter medley and classical and semi-classical music.

Most cakes freeze well, but few frostings do. It is often advisable therefore, to frost the cake after thawing and just before serving. Frosting containing egg whites or whipped cream should not be frozen, but an uncooked butter cream frosting made with confectioners' sugar can be frozen.

Iron lace and embroidery on the wrong side, and put a thick towel beneath to make embroidery stand out.

Jr. Red Cross Names Messina New Chairman

Charles Messina has been elected president of the Belleville Junior Red Cross Chapter. Others elected at the unit's annual meeting this month were Patricia Foselli, vice president, and Joan Raabe, secretary.

Billy Foselli was chairman of the nominating committee. Annual reports were given by each school. All participated in making holiday favors for the hospitals, in collecting magazines for the Newark Induction Center, in making homemade cookies for Christmas for the hospitals and in filling 156 Friendship Boxes for children overseas or in disaster areas.

The enrollment this year from which the Junior finance their projects was \$800.75, an increase of \$70 over last year.

Miss Leully, executive director, thanked the outgoing officers who are Susan Domanski, president; Madeline Caparozza, vice president; and Charles Messina, secretary. She also thanked the school representatives and sponsors for their cooperation.

Refreshments were served and the outgoing officers acted as hostesses.

Rudolph Will Attend Parley

Michael C. Rudolph of Belleville, will attend the 113th anniversary convention of the four-state B'nai B'rith District at the Concord Hotel, Kiamasha Lake, N.Y. June 13-16th along with some 2,000 other delegates and alternates. It was announced by J. Budd Rockover, of Philadelphia, district president. The District comprises Pennsylvania, New Jersey, Delaware and West Virginia, representing nearly 60,000 members and over 500

B'nai B'rith units.

Michael Brody, of Philadelphia, general chairman of the convention, said the 113th anniversary meetings will be the largest in the four-state area's long history. The opening session of the convention will honor Richard Cardinal Cushing, of Boston, with the President's Interfaith Award. On Monday evening, the governors of Pennsylvania, New Jersey, Delaware and West Virginia will be honored by the District convention. This will follow election of officers.

On Tuesday, awards will be presented to outstanding lodges,

councils and members for achievements during the preceding year. Special action also will be taken on resolutions covering such subjects as civil rights, integration, and-Semitism in Russia and the Israel-Arab problem.

Caputo Earns Medical Degree

Thomas A. Caputo of Belleville is among 66 seniors at New Jersey College of Medicine in Jersey City, N.J., who will receive Doctor of Medicine degrees at commencement exercises Saturday.

A graduate of Delbarton High School and Holy Cross he is the son of Dr. and Mrs. Anthony Caputo, 301 Washington Avenue, Belleville. Following graduation the young physician will continue his professional career with internship at Newark City Hospital. New Jersey College of Medicine was formerly Seton Hall College of Medicine. In the middle of his fourth year in business, George Drewes started by working with boys in his basement for therapy — 10 yrs. ago, teaching model plane building, flying, having a club and running contests. The Drewes family operate their store at 285 Franklin Ave., Nutley. If you need any help on — how to do or where to get something — they will help you.

Drewes has things to do for the family from kindergarten to senior citizens at discount prices which consists of — hobby supplies — balsa wood — parts and accessories chemistry — science — trains — planes — model motoring — school pro-

jects — arts — crafts — mosaic stone art — paint by number — sports — fishing — camping — archery — skating — etc. There is competition road racing every Wednesday night for prizes, model car contests quarterly for trophies. The work of each contestant is displayed to the public. There are also monster and weirdo contests with the same advantages.

Free instructions are given and merchandise is tested and checked when purchased. The success of their business is based on — personal service — satisfaction, — savings — your recommendations and that "at home" — atmosphere.

McGro's Delicatessen and Caterers of 246 Washington Avenue, Nutley is operated by Mr. and Mrs. James McGro. A land mark on Washington Avenue for 17 years McGro's is the catering center of Nutley and vicinity. Among their services is the renting of party equipment such as electric-automatic punch bowls, full line of

china, tables, silverware and glasses. Jim and Audrey prepare all their own home made foods and roast meats and turkeys on premises. They also have complete service for cocktail parties, hors d'oeuvres, ice, cocktail sandwiches, etc. No affair too large or too small. Be sure to call us at NO 7-0166 for your next catering needs.

6 Explorers To Attend Regional Meet

Six Explorers will represent Robert Treat Scout Council at a Regional Explorer Delegate Conference to be held Saturday and Sunday (June 12 and 13) at the United States Military Academy, West Point, New York. This was announced today by Edward O'Connell, the Council's adult cabinet Advisor.

The high school age young men from Newark, Irvington, and Belleville will participate with others from all Councils in Region Two of the Boy Scouts of America covering the states of New York, New Jersey, Puerto Rico and the Virgin Islands.

Each delegate was selected by the Explorers in his District. The two-day program was developed by a committee of young men who have been working in sub-committees for nearly a year.

Although speakers will be at a minimum, top political, science, and national figures will be guests.

Themes of the discussion group will be "Youth Measures Up." The program will also include elective sessions on Cabinet activities and operations, local Explorer unit activities and operation, and national activities and competition.

Jerry R. Patterson of 12 Berne Road, Belleville, and a member of Explorer Post 302, Bethany Evangelical Lutheran Church, Belleville, is Vice President of the Council Cabinet and will lead the Robert Treat delegates.

District representatives are IRVINGTON — Patrick J. Rigney, Post 210; IRONBOUND — Antonio A. Alvarez, Post 144; BELLEVILLE — Thomas B. Halliwell, Post 302; WEEQUAHIC — CLINTON HILL — Edward A. Crawford, Post 95; NORTH END — BRANCH BROOK — Anthony Sopranzi, Post 18.

Ralph L. Sims of the Council's Organization and extension committee, will be the adult advisor to the delegation.

All sessions will be held at the Academy and the Explorers will use the same facilities as the Cadet Corps. They will also have their meals in the Cadets' dining hall.

While at the Conference, they will participate in swimming, tennis, gymnastics, and in hobby and vocational explorations. They will present their own variety show on Saturday evening and on Sunday morning will attend religious services at the Academy Chapel.

Major General James B. Lampert, Superintendent of the Academy, is chairman of the Region Two Exploring Committee. In a letter to the delegates, General Lampert said:

"It is a genuine pleasure for me, as Superintendent of the United States Military Academy to welcome to West Point the Explorers attending this Regional Explorer Delegate Conference. We know that our community, as well as the nation at large, will benefit from the lessons you learn and the experience you gain at this conference. We are happy to have you here, also, because your visit affords us an opportunity to acquaint you with the Military Academy."

"You have our best wishes for a very enjoyable, as well as a very meaningful, conference."

CHARLES W. WATSON
Watson Elected
Rotary Secretary

Charles W. Watson, a resident of Belleville for over 25 years, and Secretary of DeWitt Savings and Loan Association of Belleville, has been elected secretary of the Belleville Rotary Club, of which he has been a long and active member.

Watson is a graduate of Rutgers University. He also attended President's College in England, the Schriener University in England, the United States Naval Academy, and the American Institute of the Naval Travel Agency. Cook of The Week

MISS LYNN HARPER

Youngest Contest Winner's Entry Takes (Orange) Cake

The youngest winner in the history of The Belleville Times-News cooking contest is today's Cook of the Week.

Fifteen-year-old Lynn Harper of 55 Malose Avenue wins \$5 for her recipe for orange cake with orange butter frosting.

The Belleville High sophomore has been cooking for two years. She gets plenty of practical experience in the kitchen by preparing supper every day, since her parents work. Lynn hasn't taken home economics courses in school, but says she's "learned a lot about cooking" from her mother.

The Harpers have lived in Belleville eight years after moving from Nutley.

When she's not experimenting in the kitchen, today's winner enjoys reading, particularly Shakespeare ("he's wild"), and listening to classical and folk music ("Leonard Bernstein and Bob Dylan are my favorite performers").

In school the young cook finds French classes most enjoyable, and likes to sketch in art classes.

Favorite recipes should be submitted in contest. They may be for hors d'oeuvres, soups, salads, meat or fish dishes, vegetables, casseroles, desserts, foreign or American delicacies.

Recipes that do not win the week they are submitted will be considered in subsequent weeks' contests.

A contestant may submit more than one entry. If the same recipe is sent by more than one contestant, the one with the earliest postmark will be the winner. In the case of entries submitted in person at The Times-News office the date and hour will be noted on recipe when it is received.

One winner will be chosen each week and will receive check for \$5. The winning recipe will be published each week in the Times-News.

Entries must be typewritten or written legibly and mailed or brought to The Belleville Times-News Recipe Contest Editor, 246 Washington Avenue, Belleville, N. J.

Members of The Times-News staff or members of their immediate families will not be eligible.

Monday, Tuesday, Thursday, Friday and Sunday.

Twice weekly nonstop jet flights will be offered each week from Miami to the Venezuelan capital, starting June 12. Pan Am also has two jet flights each week from Miami to Caracas, via Puerto Rico.

The jets depart New York at 5:45 p.m., arriving Caracas four and one half hours later. Nonstop jets leave Miami Tuesday and Saturday at 5:30 p.m., arriving Caracas two hours and 30 minutes later.

Schiattarella Joins Advertising Fraternity

Gil J. Schiattarella, 42 Reservoir Place, Belleville, son of Mr. and Mrs. Gilbert Schiattarella, was included in the seventy-one member members who were inducted Saturday evening in the new chapter of Alpha Delta Sigma, national professional advertising fraternity, just formed in the School of Business Administration of Youngstown University.

Heart Fund Hits \$1,458

The 1965 Heart Fund Campaign reached a total of \$1,458 in Belleville. Responsibility for this successful drive rests with the many volunteers who assisted in the house-to-house canvass.

The campaign total this year reached \$120,000 compared to \$117,000 last year. Total Heart Fund Receipts, including bequests and memorials, was \$249,480.

The generous response to the Heart Fund appeal indicates that the members of our Essex County communities recognize the importance of the fight against the disease that causes over 30 percent of all deaths in Essex County and have confidence in the effectiveness of the programs carried out by the Heart Association. \$76,000 has been earmarked for research during the coming fiscal year.

Special thanks is extended to local newspapers for their cooperation and especially to the more than 5,500 volunteers who assisted in the campaign.

Camp Dawson To Open Soon

Camp Dawson, Morris County day camp operated by the YM-YWCA of Newark and vicinity, will open June 28 for the first of four two-week camp periods.

Subsequent camp periods will start on July 12, July 26 and August 9. Located near Pavonia, the camp is operated for boys and girls of seven through thirteen years. Children are transported by special buses from designated pickup spots starting at 8:30 a.m. They return between 4:45 and 5:15 p.m. Camp is in progress Mondays through Fridays.

The Camp Dawson waterfront is operated according to YMCA aquatic standards, with qualified life guards and instructors on duty whenever a camper swims. Other activities include hiking on woodland trails, nature study, archery, camp crafts, games, singing, arts and crafts, folk dancing, athletics, and Indian lore.

Campers bring their own lunches, and milk is provided by the camp. An overnight hike, including a cookout, is held during each camp period.

Debra Jane Golia of 11 Louise Court, Belleville will attend Camp Dawson for the second period this summer.

School No. 3 on Joramelon St. and Union Ave. has been designated for a pickup spot for Belleville.

ROBERT M. WILLIAMS
Williams Elected
Lions' Treasurer

Robert M. Williams of 11 Summit Road, Verona, has been elected Treasurer of the Belleville Lions Club, of which he has been an active member for ten years.

He holds a responsible office as Executive Secretary of the DeWitt Savings and Loan Association, of 463 Washington Avenue, Belleville.

Williams, long a Verona resident and active in local community affairs, is married and has two children, Karen 5 and Gregory 7. He is a member of the Elm Tree Club of Caldwell.

Findings of the Motor Club of America's Safety Division reveal that the older drivers appear to have less serious accidents than younger ones.

DePalma Serves In Dominican Area

USS TURNER — Fireman Apprentice Anthony C. De Palma, USN, son of Mr. and Mrs. Palma, De Palma of 26 Harrison St., Belleville, is currently serving aboard the radar picket destroyer USS Turner, engaged in the joint U.S. operation in the Dominican Republic.

U.S. forces were ordered into the strife-torn island republic after the breakdown of law and order and authorities there could no longer guarantee the safe evacuation of American citizens.

Since U.S. forces have taken part in the operation, Atlantic Fleet ships have evacuated more than 3,000 American citizens and other nationals seeking safety. The evacuees were taken to San Juan, Puerto Rico, where commercial transportation was available.

In cooperation with other U.S. Armed Forces, Navy ships and aircraft have ferried in more than 30 million pounds of food and medical supplies — making the largest humanitarian effort in U.S. Armed Forces since the Berlin Air Lift of 1948.

GETS PEN PAL — Belleville resident Joyce Park, 15, of King Place, sitting, is shown at the Parker Pen Pavilion at the New York World's Fair after being matched with a pen pal from Worcester, England. The Parker Pen Company is conducting the world's most extensive pen friend program and uses a computer stocked with names from all over the world to match pen pals by age group, sex, language and hobby or interest. Explaining details of the program is hostess Carmen Montella of Parker Pen Company, Spain.

Friends of ECC Shelter Slates Reception Monday

A reception is planned by the Friends of the Essex County Children's Emergency Shelter, both of whom are residents of Belleville, for the 100-hour volunteers June 14th 8 p.m. At The Fountain, 46 Westmanning Avenue, Belleville, as circulating hostess.

Among the prominent guests attending will be Albert Saldutti of Irvington director of the Board of Chosen Preschoolers.

The Honorable Herbert J. Kenrick of Irvington, Judge of the Juvenile and Domestic Relations Court of Essex County will be the main speaker. His appointment to this bench has brought him in close contact with the work of this shelter.

Installation of new officers will take place as part of the program. Martin Poto of Belleville, chairman of the Board of Trustees of the Shelter will preside. Mrs. Louise Brown of Belleville will be installed as corresponding secretary.

Awards in the form of pins denoting 100 hours service will be presented to 17 volunteers. Among them will be Miss Sandi Rygiel and Miss Susan Walters, both of Belleville and Mr. and Mrs. Donald Cook of Nutley.
