## Petitions For Government Change Ready For Filing Friday Morning Election Date Can Be Set Dec. 21

### 'We Must Care' Chapter Formed By Aroused Town Parents Here

Belleville parents have formed a local chapter of the "We Must Care" program designed to protect children from the advances of the child molester, and elected five local women to head the unit.

Mrs. Jane Gashlin, 444 Washington Ave., was appointed president Sept. 27 during a meeting in the home of Mr. and Mrs. Alex Caprio, 143 Garden Avenue. Also appointed were Mrs. Gloria Morriello, executive vice president; Mrs. Mary Ann DiPaola, vice president; Mrs. Audrey Caprio, secretary; and Mrs. Beverly Wilkerson, coordinating chairman.

Presiding over the first meeting was Mrs. Lorraine Tindall, Milton Halverson, National President of "We Must Care," and Dominick D'Agostino Jr.

Children have told parents of strangers inviting them into cars, she reported, and the organization's main purpose is to combat the child molester with parental advice on handling such matters, but not at the expense of giving the child mistrust and apprehension.

Such education, she said, would in no way frighten the child nor warp his normal sense of social conduct with people.

The group has purchased pencils imprinted with the slogan "Dial Zero For Help" which may be distributed as part of the forthcoming Trick Or Treat Halloween games. Interested parties may purchase the pencils by calling 759-0088.

A Charter Night has been planned for Nov. 1 at The Fountain. Mrs. Mary Lou Andrews was later elected treasurer after dues had been collected. Regular monthly meetings are planned, said Mrs. Morriello.

### Spokesman Attributes Delay To A Painstaking Signature Check

The Belleville Citizens for Commission Government announced plans for filing some 4,000 petitions with Town Clerk Eugene Barnett tomorrow morning in a move designed to change the form of government from Council-Manager to that of Mayor-Commissioner.

The group, led by Thomas A. Apicelli, campaign chairman, had set a target date of September, but delayed the presentation of the petitions because of the necessity of checking out — or validating — each signature. Of the grand total of some 5,600, over 1,000 were disqualified for one reason or another, a spokesman said.

Barnett can call an election any time between 60 and 120 days after the filing of the petitions, with a minimum not to exceed 120 days. The earliest possible date would then be approximately Wednesday, Dec. 21.

The latest date for scheduling an election would be somewhere around Feb. 18th. A school board election is also scheduled for February where two seats will be up for grabs.

Mayor Nuncio R. Pico said earlier that the change of government movement would not affect him. "If the people want a change

SNAPPY SUBJECTS: Busily making a photographic record of the Bellboys' 40-6 victory over West Side Saturday afternoon were these two loyal fans. Here they perched atop the bleachers for a better viewpoint of the game.

### Hadassah Women To Hear Speaker On October 24th

The Belleville - Nutley Chapter of Hadassah, the Women's Zionist Organization of America, will serve luncheon at its next meeting Monday, Oct. 24 at 12:30 p.m. at Temple Ahavath Achim in Belleville.

Mrs. Irving Blank of Nutley, president of the chapter said baby sitting service will be provided.

The program for the afternoon will feature guest speaker Mrs. Henry Goldman of Jersey City, former National Education Chairman of Hadassah who is now serving as National Tourism Chairman.

Mrs. Herbert Gottschall of Nutley, program vice-president, will be in charge of the afternoon.

### High School Students Busy Rehearsing The Annual Play

William Idenden, a thespian par excellence, and Cynthia DeBonis, who will be making her debut, are scheduled to take the leads in the annual Belleville High School production of "The King and I" at the high school Nov. 17-18-19.

Idenden, who has taken the more comic parts earlier in his career, will now undertake the more serious role of The King. Miss DeBonis will portray Anna, the school teacher who tries to alter the traditional Siamese way of life in to manageable Western form.

Bandmaster Robert Wing, who will direct the musical, selected

### The Big Parade

Some 55 units are set to parade down Washington Avenue during Veterans Day, said Joseph Fornarotto, chairman of the Veteran Council today in announcing plans for the annual observance Nov. 11. Principal speaker will be Major Norman Schwarzkopf in a ceremony dedicated to the fighting men in Viet Nam.

Next week a coupon in which the public may vote for their favorite float will be published in The Times.

Vin Gdleski, Joe Monda, and Dave Hildenbrand as Palace Guards.

Wives of the Siamese King will be Marilyn Torre, Corrie Hasal, Denis Pontenzone, Shirley Smallwood, Linda Rocca, Ellen Sanders, Kathy Bradley, and Margaret Albertine.

### Golden Appeals His Disorderly Conduct Charge

James R. Golden, a 51-year-old bus driver and former town councilman, has filed an appeal against his conviction in Municipal Court Oct. 5 on a disorderly conduct charge.

Golden, who lives at 62 Tappan Ave., created a disturbance during the regular business meeting of the Town Council and was ordered from the room after ignoring numerous pleas for order by Mayor Nuncio R. Pico.

When Golden refused to leave, Pico ordered his arrest and filed the charge personally. A police officer forcibly removed the recalcitrant bus driver from the room and escorted him to police headquarters where he was held for several hours while awaiting counsel.

Golden objected to Pico's statement that there were no operable street sweepers, declaring he had seen one working along Washington Avenue while driving his bus through town. A subsequent check with the Department of Public Works disclosed one sweeper beyond repair and a second which worked irregularly because of its poor mechanical condition. The Town has two on order.

Golden paid a fine — in cash — of \$50 imposed by West Orange magistrate James Degnan, who sat through two days of testimony and found Golden guilty in one minute and ten seconds after listening to attorneys summarize the case.

Mrs. Sally Hood, 66 Fairway Pl., another town critic, announced a drive for public funds to help Golden in his appeal. She had been a witness for Golden, but was forced to admit by Town Counsel she had campaigned for him during the Municipal Election in May.

Golden's conviction was based on a tape recording — admitted over the objections of the defense attorney — in which the public hearing was established as being legally closed by the Town Counsel. Golden's attorney, Marvin Waxman of East Orange, tried to convince the court the hearing was still open when Golden made his outburst, but failed.

Pico has been criticized in the press as being too liberal with disorderly persons — both on the council and in the audience.

### Bridge Named To GOP Post

Peter J. Bridge of 136 Beech St., has been appointed executive director of the Bergen County Republican Organization.

Prior to his resignation, Bridge had been a reporter and Kearny bureau chief for the Newark Evening News for five years. In his new post he will be responsible for coordination of all activities of the organization, according to Nelson G. Gross, county GOP chairman.

Bridge is a native of Nutley, and moved to upstate New York as a child.

He is a graduate of Syracuse University where he received a Bachelor of Science degree in public relations. He subsequently worked as a reporter - photographer for the Endicott, N.Y. Bulletin, the Binghamton, N.Y. Sun-Bulletin and the Oneonta, N.Y. Star before coming to the News in 1961.

He is a veteran of three years in the Army Security Agency, with which he served as a translator of the Korean language while stationed in Korea and Japan.

He also is a graduate of the Army Language School in Monterey, Calif.

## Town Ordered To Make Revaluation Promptly

"We're not going to give up so easily," said Mayor Nuncio R. Pico last week after learning Superior Court Judge Walter H. Conklin had handed down a 10-page decision calling for Belleville to revalue all real property. His decision apparently ended the 21-month fight by the Town to carry on a year-to-year assessment by Tax Assessor Peter Torre Jr.

The Essex County Tax Board had sought since December 1964 to have Belleville assess property values in line with present market values, and to gain a 100 per cent valuation. The county requires revaluation every five years.

"It wouldn't be fair to the people," Pico said Monday morning. It would saddle the town with a needless increase in taxes when the Town has a tax assessor who can do the job. He said the Town would appeal.

More cautious was Town Attorney Jack Soriani, who said he would study the order more closely before making a decision, but he was confident the Town had grounds for an appeal.

Pico is of the opinion the Tax Board hasn't the authority to order any town to make a five-year reassessment and to pay private firms to do the job. It would cost, he speculated, \$40,000 to \$50,000 each time with an increase in taxes here. "That's just not fair," he said.

But Conklin, in his decision, said Belleville, by refusing to revalue its taxable real property, was enjoying the fruits of government while paying a disproportionately small portion of the burden.

The Tax Board said owners of vacant land here were taxed at lower rates than properties owned by commercial interests, which are assessed at between 80 and 100 percent, compared with 20 to 40 per cent for the vacant land.

The Town was expected to make a decision soon, said Pico.

### Durkee Testimonial Tickets Are Scarce

With the testimonial dinner for Dr. Frank M. Durkee less than three weeks away, tickets for the gala event are rapidly disappearing, said Jack Rega, chairman of the group honoring Durkee.

Durkee, who has been with the school system for 16 years, should have some kind remembrance for his years of service, said Rega, who started the plans for the dinner set for Nov. 10th at The Fountain.

Tickets, he said, may be obtained by calling:

### Children's Hour Set By Library

A series of three children's story — hours will be held at the Belleville Public Library, corner of Washington Avenue and Academy Streets, on Saturday mornings at 10:30 a.m. beginning, Oct. 15.

The story — times, open to all Belleville children, will feature stories, activities, an color filmstrips for children ages 5 to 10.

Miss Michele Pontenzone of the library staff will be the story teller; she will present a different, entertaining program on each of the Saturday mornings: Oct. 15, 22, and 29.

THESPIANS: Getting the lowdown on their parts in the forthcoming production of "The King And I" are these Belleville High School students. Clockwise, they are (in white shirt) Gary Taylor, Ed Verhagen, Lillian Paradise, Steve Charen, Cindy DeBonis, John Reilly, and Bill Idenden. Bandmaster Robert Wing, at right, will direct the production, planned for Nov. 17-18-19 at the high school.

# John Fiori's a Korean Veteran Whose Hobby Developed Into a Business

## It's A 'New Venture' Says Busy Owner Of Belleville Camera Shop

John Fiori, 33, was manager of a supermarket with photography as a hobby just a short time ago; but today he's a camera shop owner with photography as a profession. He deals in a super market for cameras at 163 Washington Ave.

Fiori, who lives with his wife and two children at 90 Stager St. in Nutley, is the new owner of The Belleville Camera Shop located just across the street from Town Hall where — if he listens closely — weird sound emanates.

He took over the shop last March 15 from Anthony Spicola, who now operates an ice cream business on nearby Route 46. He has always been interested in photography and for the past 14 years has been an active amateur carrying around a Nikon 1.4. With any luck at all he says, he will start a camera club for Belleville soon.

Fiori graduated from Nutley High School back in 1949; played football; and finally entered the service. He spent three years in the army, emerging as a sergeant first class after time in Korea. Before that, though, he married his sweetheart, Lillian, and now they have two children, John, Jr. and Kathleen.

In addition to cameras, he also carries cards, conversation piece type toys, and, of course, film and the related materials. All his film — color or black-and-white — goes to Kodak or Photochrome for development.

If you need some good advice, The Belleville Camera Shop is the Place to go.

### Garden School Benefit

A Garden School Benefit will be held Friday, Nov. 4 at 8 p.m. at Bloomfield High School. The Four Seasons, a singing group, will perform "In Concert". Funds are being raised for educational facilities at the school. Tickets are \$4 and \$5 each and are available from Lipton's Department Store in Bloomfield, said a spokesman.

### BURNS APPOINTED

James J. Brown, corporate controller of Walter Kidde & Company, Inc., has announced the appointment of Thomas J. Burns as divisional controller for Kidde's main plant operations in Belleville, New Jersey and a group of subsidiaries and plants, including those in Bloomfield, New Jersey and Westerly, Rhode Island.

A native of New York City and graduate of Fordham University, Burns served four years in the United States Air Force. He is a member of the National Association of Accountants.

Married and the father of four children, Burns lives in Fort Lee, New Jersey.

CAMERA EXPERT, that's John Fiori, new owner of the Belleville Camera at 163 Washington Ave.

### EARNINGS ARE UP

A new high in net operating earnings for any first nine-month period in its history was reported today by First National State Bank of New Jersey.

For the nine months ended Sept. 30, the bank's net operating earnings were \$3,637,000 as compared with \$3,275,000 for the same period in 1965 — an increase of 11 per cent.

### Two Train For Nursing Career

Misses Mary Lou and Rosemary Welch, daughters of Mr. and Mrs. Alfred T. Welch of 126 Bremond St., have enrolled as freshman students at United Hospitals, Presbyterian Hospital School of Nursing in Newark.

The Presbyterian Hospital School of Nursing, founded in 1912, has a fully accredited two and a half year course. The students attend Fairleigh Dickinson University in Rutherford for two semesters, ten weeks at Essex County Overbrook Hospital in Cedar Grove studying psychiatry, and three months in the pediatric department at Columbia Presbyterian Hospital in New York.

Mary Lou and Rosemary are two of 21 freshmen. They are recent graduates of Our Lady of Good Council High School where they were members of the Spanish Club, history club and year book staff. The Welches both received the Latzer Foundation Scholarships.

You think people don't read  
The Times?

Last week Vincent Cozzarelli, owner of the Rossmore Pharmacy at 336 Washington Ave., was the subject of our weekly feature on Belleville merchants, and we reported that he had passed his physical and might enter the service. It's true; but his induction is not immediate, and, by normal standards, it may not be for some time — if ever.

So stop telling him "goodbye," OK?

The longest Wagner College winning streak was 13 games, compiled under Coach Mickey Sullivan from 1959-60. The Hawks were 9-0 in 1960, their best ever until a 10-0 mark registered under Coach Bob Hicks in 1964.

EMERGENCY FIRST AID — Accident victim is given emergency first aid yesterday by Patrolmen Robert DeLitta and Grimm DePanics. DeLitta identified victim of 3 a.m. crash as Norman Swinn, 25, of Belleville. DePanics

HIGH SPEED CRASH — Pickup truck finally came to stop 59 feet after initial point it crashed into guard rail early yesterday morn-

## Accident Injures Belleville Man

Norman Swinn, 25, of 66 William St. was in Clara Maass Memorial Hospital today suffering from a broken arm, deep cerebral lacerations, and a possible contusion after an accident Oct. 12 on Route 21.

His condition was listed as "Fair" by hospital attendants.

His Chevrolet pickup truck crashed into a guard rail and

overturned shortly before 3 a.m., said Patrolman Robert DeLitta, investigating officer. Swinn lost his right front wheel shortly before the accident in the northbound lane of the freeway, and swerved into the guard rail.

The truck, out of control, careened another 59 feet before stopping. Swinn was found lying in the highway several feet away from the demolished truck. Traffic was backed up for a short distance by the wreckage, but officers soon had early morning traffic moving again.

he said. "I won't oppose it."

There could be four questions on the ballot with the proposed change of government, and that would be confusing to the voters, said Barnett recently. There are three state-wide questions; one on legislative reapportionment; a bond issue; and the matter of changing the date on local municipal elections; with the question of night horse racing also considered for the ballot.

Apicelli's main selling point is the high cost of town government, he says. He explained the town's fiscal surplus of some \$80,000 as coming from the reduced school budget, but had no solid

figures on which to base his claim.

The campaign has been slowed by a state law that specifies a charter referendum automatically bars another change for five years after a charter has appeared. The last one was in May 1961 and another would not have been possible until last May at the earliest.

Five years ago the Citizens Council turned in their petitions too late, but voters authorized the change with a 5-3 margin anyway. The move was fruitless.

### OBITUARIES

#### Nicholas Mariano

Services were held Monday for Nicholas J. Mariano of 67 Linden Ave., Belleville, who died after a long illness on Oct. 13 at St. Michael's Hospital, Newark. He was 56.

The Rev. Robert L. Siegel, pastor of Bethany Evangelical Lutheran Church, Belleville, conducted the services there and interment followed at Glendale Cemetery, Bloomfield.

Mr. Mariano, a lifelong Belleville resident, was a professional fighter, primarily in the Newark area from 1927 to 1931, using the name of Jack Marion.

In 1936, he became a Belleville patrolman, and was made a detective several years later. He was a member of Belleville Lodge 108, F. & A.M., the Patrolmen's Benevolent Association Local 28, and Bethany Evangelical Lutheran Church.

Husband of Mrs. Elizabeth Achatz Mariano, he also leaves two sons, Joseph and Ronald Mariano at home; his father, Joseph Mariano of Boynton Beach, Fla.; two brothers, Louis of Fort Lauderdale, Fla., Joseph of West Palm Beach, Fla., and a sister, Miss Angela Mariano of Boynton Beach, Fla.

Arrangements were completed by the Johnese Nutley Home for Funerals, 536-538 Washington Avenue, Nutley.

## The Fearful Foursome

The Board of Education, led by those four paragons of virtue Ernest S. Arvidson, Rocco Saletta, Nicholas S. Juliano, and Frank DiRuggiero, are still delaying their case against Durkee, suspended superintendent of schools.

This distinguished foursome is freely spending your hard-earned tax money to prosecute their case against Durkee; while Durkee is freely spending his hard-earned life savings in his defense. It's the old western type fight of starve-'em-out.

Their strategy is simple. Use unlimited public funds to wage a fight against a man's private holdings. To date they have had three attorneys; distributed copies of the Durkee report at public expense; and who knows how many thousands of tax dollars have gone down the drain?

Meanwhile they tearfully tell an increasingly skeptical public that their

children are suffering because of that mean old Town Council and their budget cut. (Only recently the School 8 PTA was forced to buy supplies for their children because the Board said they were financially strapped).

Mayor Nuncio R. Pico may have a bombshell for the beleaguered Board Majority shortly — which we guarantee they will fight to the bitter end because they would surely lose. If Pico decides to take the step he is considering, he will have that rare opportunity of doing a lasting public service few officials have in a lifetime.

The public would be well-served if this noisome foursome faced up to the untenable position in which they have placed both the town and the school system.

Frankly, they should get out of office. Or be thrown out. G.F.A.

## Tut, Tut, Boys

Our Bellboys are moving again after suffering a Great Defeat in the hands of the Nutley squad two weeks ago. Sad, sad. But they snapped back fast against an out-classed West Side team Saturday and mopped The Stadium with the hapless team.

Unfortunately, there was a minor post-game battle, too. Which doesn't make BHS look too well in the eyes of the real sportsmen hereabout. There were several fat lips on the school grounds Monday morn-

ing, and the cops herded at least one student down the street toward home, his ears red with some sound advice from a sturdy policeman.

Those little skirmishes are just part of growing up. Boys, but remember; they make Belleville High School look like hooligans when they tangle with an opponent who won on the football field. (It sorta makes us look as if we couldn't lick 'em on the field, so we stab 'em in the back in an alley). G.F.A.

## Let's Give The Town Something

Out on 407 Joralemon St. is a decrepit old structure known affectionately (and otherwise) as "The Rec House" by generations of good Belleville residents who have taken advantage of its facilities. But it has long since outlived its limited quarters and it is time the Town starts considering a new one.

Right now a swimming pool is being considered and a referendum for November will decide whether or not we need one. There are many things the town needs more than a swimming pool — which would be used less than three months out of the year.

A good new Recreation house is one. Its rooms have been packed for years by ever growing clubs, organizations, and children who have no ready place in which to play. The scabrous walls inside greet the newcomer with an unpleasant welcome. Its outside is scratched and battered.

It is, in fact, one of the major eyesores in Belleville. Here is a fit subject for a referendum, and one Councilman Ralph A. Casale could bend his efforts toward realizing. Perhaps (giggle, giggle) we could name it "Casale's Rec House" — if he could but swing the deal. —G.F.A.

## The Lost Cause

In an adjoining column you will find a letter from one Mrs. Sally Hodp, a kindly little lady who attends Council meetings with religious fervor (and a magnifying glass).

Although she professes great indifference to The Times, she never hesitates to use our columns for free publicity for a variety of things — including charges against the newspaper.

Today, she sides with Mr. G., an ousted councilman, who claims everyone is wrong but their particular group. Which is just fine as long as readers are aware of the

source of these claims.

Her champion, Mr. G., was charged with but one thing: disorderly conduct. His own attorney didn't dispute that point. Therefore he hasn't the slightest grounds for an appeal.

He was found guilty as charged by an impartial magistrate from "outside," as an additional safe guard for his rights. We would advise our readers to save their money — and votes — for a better cause. Most men would mortgage their homes if sincerely convinced of their innocence, instead of begging for public support. G.F.A.

## A Timely Suggestion

Last week some loathsome creep followed two Belleville girls down the street intent on God-knows-what. Both had the presence of mind to telephone police, but not fast enough.

A frightened girl is, naturally, a bit too overwrought to think clearly when faced with such an eerie situation. For them we have a sound suggestion made by none other than J. Edgar Hoover, chief of the FBI.

## Axtell, Yeomans and Carey

Recently the Republican leadership of Essex County went through a traumatic experience. Out of it came the election of Newark's West Ward Chairman William Yeomans as chairman of the Essex County Republican Committee. Bill Yeomans defeated the incumbent Andrew Axtell of Livingston. Yeomans accomplished this feat with almost solid support from the Newark Wards with the only exception being the South Ward. Except for East Orange and Belleville, Yeomans fared very badly in the suburbs.

For the years that Axtell headed the Essex GOP its fortunes took a nose dive. If Axtell had been a smart political leader instead of the compulsive compromiser that he proved to be, political experts believe the Republican party could have elected a governor in 1965. It was Axtell's support that gave Wayne Dumont the GOP nomination. The handicap of Dumont's candidacy was too much for GOP legislative candidates to overcome.

On balance, while Axtell worked daily to do the right thing as the leader of his party, it appears that he did not have the capacity for leadership that the post required.

Bill Yeomans has taken over the reins of leadership a short six weeks before a

critical General Election. He is chairman of a party whose organization is split right down the middle.

Yeomans enjoys the support of less than 50 percent of the municipal GOP leaders. Yeomans must overcome almost insurmountable odds to lead his party to victory this November.

At this writing his task seems impossible of success.

The Democratic Party has no such pessimistic outlook. In its great wisdom the Democratic County Committee members reelected Dennis Carey to his 13th term as Essex County Chairman. Carey has done well by his party, his friends, and the county. Starting in 1954 with nothing but a hope, Carey has been able to win over every legislative seat in sight. All that remains is a couple of Freeholder berths which he expects to take possession of in November.

Once more for the record we wish to make the observation that Essex County's Republican party could do well to follow the leadership of the Democrat Party and elect as its leader a fellow like Dennis Carey. Of course we all know that there is only one Dennis Carey, but even a rookie Carey might prove to be better for the Republican Party than a Republican Old Pro. F.A.O.

### Sentimentalities Shed For Saloons Are Dead

Despite a thorough search of the memory bank, efforts to recall the last time we wrestled with a saddle of veal or roast partridge — a la gourmet style — have gone for naught. However, in the process of looking backward, a few fond memories of a couple of good saloons and free lunch counters offered some compensation for the mental effort.

In the depression era of the '30's, the free lunches could be compared with today's smorgasbords — only today you pay. Jobs and money were both scarce and there were no anti-poverty programs, just poverty.

There were places like Charlie Wille's in Orange; the Kirkleski pub in Nutley and Harvey Ziegler's down in the Valley in Belleville. For a dime, you bought a schooner of suds... or a soft drink... and the spread was available.

One night, a bunch of the boys were whooping it up in front of the Big Dipper, a "way out" ice cream spot next to the old senior high school. It was Saturday, in the late 1930's and with pockets jingling change — there was nary a rustle of green lettuce; that's for sure — about 15 guys piled into two cars and we headed for Charlie Wille's. Over the mountain, out Scotland Road, and under the Lackawanna Railroad rode the hungry and thirsty ones.

The saloon was pretty well crowded — with that food, it had to be — and we belied up to the mahogany and dramatically ordered schooners for the gang. With the brew in one hand, we left the other free and like a bird dog on the scent of a pheasant. Fifteen growing and hungry young men hit the free lunch like a bomb.

In five minutes, it looked like a locust plague had taken over the lunch. On the second or third bite, the bartender belted — "Get that kid out of here!!!"

Turning, we spotted one of group who had climbed into one of the cats unnoticed standing in the middle of the room with a The free lunch, and the saloons, have had it. Saddle of veal, anyone?

### 14,400 Employed By Oil Industry

Local heating oil dealers in New Jersey add up to an industry employing 14,400 people — and spending \$107 million in the State for supplies and services in addition to a \$92.9 million annual payroll: the Oil Heat Council of New Jersey reports.

The Council bases the figures on a comprehensive statewide survey conducted by the Fuel Merchants Association of New Jersey, the first such survey in recent years.

The findings of the survey are being issued in a brochure entitled, "Meet New Jersey's \$107-Million-A-Year Partners," which concludes that the local heating oil dealer has become a big employer, a big taxpayer and a big business.

The survey found that local heating oil dealers in the State spend a total of \$46.8 million annually in their home communities for services and supplies, and an additional \$60.3 million elsewhere in the State.

The local dealers pay local property taxes on a total plant valued at \$115 million; \$3.4 million in payroll taxes, and \$1.4 million in vehicle license fees. The dealers operate 6,000 tank trucks in the State and 3,600 service trucks, the survey disclosed.

New Jersey heating oil dealers deliver more than 3 billion gallons of oil a year, 2.4 billion gallons of which is for residential heating, the report states. The industry has a Statewide storage capacity of 279.8 million gallons, and a total tank truck capacity of 16.5 million gallons.

### Basketball Entries Sought By The CYO

The Essex County CYO will again sponsor boys' basketball leagues in three age divisions. Holy Trinity High School basketball coach James Dougher will serve as CYO basketball director.

The three divisions include: grammar (under 15 years), junior (under 16 years), and senior (under 19 years). Ages will be determined by the beginning of the activities year (Sept. 1).

The deadline for entries is Oct. 24. Entry blanks may be obtained at the CYO Office, 425 Bloomfield Ave., Montclair, and should be mailed to Dougher at 318 South Orange Ave., South Orange.

coke in one hand and a fat liver-wurst and onion sandwich in the other.

Ordinarily, this was not sufficient cause for a bartender to holler, but this kid was wearing knickers. He looked about 15 years old, and he was. We got out of there.

There was another place that jumped on Saturday nights, on South Street, off south Broad Street in Newark. Sixteen ounces for a dime and a free dinner... which might be pepper steak, corned beef and cabbage, ham and beans — you know, real gourmet stuff.

One thing about the old lunch and suds days... you never seemed to worry much about money. You never had any. For a half a buck or a dollar, you could do the town.

Today, it's fashionable to have a "rent party." All the money thrown in the pot goes to pay the rent for someone down on his uppers. A few decades back, the quarters and half dollars bought some liquid refreshment, the gals made the sandwiches, and away we went.

The parties were fun and everyone was home in bed, with the lights out, by 11 p.m. (Would you believe 12 — 1—)

It was fun, but we would have to see it again. For the young people, you adapted... but the breadwinners — most of them — were losers. Mix the pace of today, the tranquilizers, neuroses and the scope of all the problems — and the resulting ingredient is terrible to imagine.

#### BECK'S COLUMN

By MAX BECK

During the months of October, November and December more people will buy phonographs or radio-phonograph combinations than during the rest of the year. This has been the buying pattern for many years.

The change over from tubes to transistors for phonographs is just about complete. You will find very few — if any — record players with tubes on the market. This transition has taken just about 5 years. This is a typical example about the changes which we will go through during the coming years, as far as electronics is concerned. Electronics is not the only field where radical changes will occur. We will see this in many other fields.

The greatest hoax about phonographs is the "watts" which a unit is supposed to have. Some claims are simply ridiculous. The trouble is that it is just about impossible to prove or disprove these claims. Much is left to interpretation. In the first place, one needs a raft of very expensive test equipment to determine the power output (watts) of a unit. This may be listed as "watts of sustained output", "music power" or "peak", which is supposed to be double the sustained output. One company claims to get 4 times as much power output from the same output transistors than another company.

If you are in the market for a phonograph, just go and listen and most important, compare. There is no sense whatsoever to go from one store to the other, you have to listen to different instruments at the same place, under the same circumstances. An instrument may sound poor in an empty and bare room and the same unit sounds entirely different in your home. We have a "studio" where we demonstrate phonographs in surroundings as you will find in homes. You can not judge in a small cubicle with glass walls where you are 3 or 4 feet away from the instrument, or in a store crowded with all kinds of appliances.

We service what we sell. Beck's Radio TV HI FI Nutley 667-2275

## November 8th To Mark A Glorious Day For Voters

By PROF. SAUL ORKIN

New Jersey voters will be asked to render a decision of far-reaching import Nov. 8, Election Day.

Besides selecting a United States Senator, 15 Congressmen, and myriad county and local officials, they must either accept or reject a constitutional proposal dealing with representation in the State Legislature.

Not since 1844 have the people of the state had an opportunity to pass on this central question in democratic government.

### A Law Barrier

The 1947 Constitutional Convention produced a modern constitution to replace the one of 1844, but that convention was barred by law from altering the legislative article. So, until last year, the State Legislature operated under a system of representation that made sense in the early 19th century when the state's population numbered less than a half-million, and the people lived predominantly on the farm and in small towns.

Although the lower house, the General Assembly, was apportioned on the basis of population, the Senate was not. Each of the 21 counties, regardless of population, was represented by one senator. Thus, by 1960, Cape May County, containing 48,555 inhabitants, had a voice in the Senate equal to that of Essex County with its 923,545 residents — a vote in Cape May was about 19 times more powerful in electing a State Senator than a vote in Essex.

Since each man's vote should be worth the same, regardless of place of residence, the system was blatantly inequitable. The legislative majority actually represented a clear minority of the population. This was malapportionment with a vengeance.

### Out Of Balance

But because of the unwillingness of the legislators to revise the system of representation through constitutional amendment, the small, less populous counties continued to be over-represented and the large, urban counties under-represented. Because the people were powerless to effect a change, a malapportioned legislature seemed to be the inevitable and perpetual fate with which the people were doomed.

Inequitable representation was a national problem, not only New Jersey's. Practically every state suffered under archaic constitutions which froze patterns of representation according to standards suited to 19th century America. Relief could be afforded only by the legislatures, and they would not act. Nor would the courts.

Then, in 1962, the United States Supreme Court broke the impasse. For the first time it agreed to pass judgment on a state reapportionment case. Baker v. Carr. The Court held apportionment was a proper matter for judicial scrutiny, thus reversing a long-standing "hands-off" policy that such matters were not "justiciable causes of action."

### Change Under Way

Almost immediately reapportionment litigation erupted throughout the state and lower federal courts of the nation, including New Jersey. In a series of decisions, the Supreme Court spelled out the guidelines for equitable representation culminating in the famous "one man, one vote" dictum. The reapportionment revolution was underway.

In this state, the composition of the legislature was challenged in 1963 in the landmark case of Jackman v. Bodine, and the New Jersey Supreme Court held in 1964 that the legislature as constituted failed to meet the constitutional test of equal representation. The legislature was ordered to reapportion as quickly as possible.

For two years the legislature tried, without success, to meet the court's mandate. Frustrated, the legislature created the machinery for a Constitutional Convention whose purpose it would be to find a solution to the problem, which it had been unable to produce itself.

On March 21, 1966 the Constitutional Convention convened in the Rutgers Gymnasium at New Brunswick to undertake the task of reapportioning the legislature on an equitable and permanent basis.

WITH PETER TORRE on the job our "Senior Citizens" (Oh how they hate that title!) have little to worry about — except getting older.

Last week Peter, who is tax assessor, sent a worried note to The Times warning those over 65 that he had mailed their annual statement of anticipated income for 1967 on Sept. 30th. They'll need it in claiming a tax deduction on their dwelling house.

It's required by law, says Peter, and must be filed with him no later than Nov. 1 — that's 11 days hence, as we poets say. Failure to do so will result in the tax deduction being denied. He asked relatives and friends to help our oldsters if necessary.

ONE OF THE BIG TOPICS along Washington Avenue is the big number of parking meters which aren't working. If you get a ticket after feeding a meter which is inoperable, that's tough, Pal...

The law says that if a meter is found to be defective, you should move on to one that does work. Sounds reasonable. But what if there is no other parking spot and you have business in the vicinity?

As the GI's used to say, that's T.S. — terribly sad. But, according to the latest Civil Service report, we have a parking meter repairman now on the payroll. He has his work cut out for him.

The Bd. of Ed is going nutz trying to figure out which of its friends are forwarding their inner — most secrets to their deadliest enemy — little old us. One of their members, by the way, is thinking of defecting to the enemy, before the roof caves in.

And now that the new salaries have been listed in their annual report, we wonder if Harold Dufford, Business Administrator, ever found out what his salary was? He told assistant state commissioner of education that — after 18 years — he didn't know what his salary was. Or if he had tenure or not.

THE KEVIN ROBERTS FUND, under the guidance of Chamber of Commerce members, has grown steadily with the help of considerable effort by various individuals — many of them children, bless their little hearts.

In the fairy tale Jack and Jill went up the hill to fetch a pail of water. But here in Belleville Jack and Jill Vogel, 65 Hill Street, went up the hill to fetch a nice cold glass of tea to some busy construction workers near their home and collected another \$5.23 for the Fund.

"WE'RE NOT GONNA give up so easily," said Mayor Nuncio R. (As in reluctant) Pico last week after hearing the town had been ordered to reevaluate at considerable cost. "It's unfair to the community," he said, and the final tab would easily come to somewhere near \$10,000 to \$12,000 being added to the municipal budget.

Besides, he added, we already have a tax assessor, and if he just gets busy the town would be spared the expense. But Torre (mentioned above somewhere) says he hasn't the time nor the staff to undertake such an extensive job. By the time he trains employees, pays salaries, and completes the job it could be months late, he said last fall.

He wants to call in an outside crew to do the job. Either way, it's gonna cost us wampum friends.

IF YOU HAVE ANY extra red or white corpuscles about your person, The Essex County Bloodmobile would like to meet you. They'll be in Belleville tomorrow between 1:30 p.m. and 4:30 p.m. at The Wesley Methodist Church.

If you're in good health and are between the ages of 18 and 60 (Golly, that takes in almost everyone!), you can donate a pint of blood and build up credit for yourself and your family. You can never tell when an emergency — Heaven forbid! — will strike your family.

The Red Cross here will make an appointment by calling 759-4610.

To The Editor: I am writing this letter as an individual citizen and taxpayer of Belleville and not in my capacity as secretary of the Rutan Estates Homeowners Association.

Reference is made to the article on page 2 of today's issue of The Times - News entitled B.A.C. Deplores Conduct of 4-Member Majority 'Bloc' under the byline of James Ceres, BAC Chairman. The residents of Rutan Estates are pleased by the fact that the BAC supports their stand on the inequality concerning the bus transportation of school children to the Junior High School.

## 25th Anniversary Party is Surprise

A surprise party for Mr. and Mrs. John Kraly on the 25th wedding anniversary, was held at the VFW Hall in Nutley on September 25. Seventy relatives and friends were gathered to give their best wishes to the couple.

A smorgasbord was served and entertainment was provided by a Belleville dance group, "The Bluesettes." They led the gamut of community singing, dancing, marching, and games.

Mr. and Mrs. Kraly have lived for the last 17 years at 125 Fairway Avenue. Mr. Kraly is employed by the Newark Post Office. The couple has three children. Richard is employed in New York City; Barbara is a mathematics teacher at Livingston High School and Kenneth is a student at Notre Dame University, South Bend, Indiana.

MRS. HERBERT DUFFY  
Former Mary Schmon

The wedding of Miss Mary Ann C. Schmon, daughter of Mr. and Mrs. Robert H. Schmon of 60 Dgw Street, Belleville and Thomas F. Duffy, son of Mr. and Mrs. Herbert J. Duffy of 1317 Gurd Avenue, Hillside, was solemnized September 24.

The Rev. James F. Heavey performed the four o'clock ceremony at St. Peter's R.C. Church. The Club Navaho, Irvington, was the setting for the reception.

The bride, given in marriage by her father, was gowned in silk faced peau de soie with the bodice of Alencon lace featuring Sabrina neckline and long sleeves. The A-line skirt and train were also scattered with appliques of lace. Her shoulder length veil was held by a lace rose and she carried white carnations and roses.

Miss Barbara Duffy of Hillside served as maid of honor. Acting as bridesmaids were Miss Catherine Fama, Miss Joanne Raibeck, both of Newark, Miss Camille DeStefano of Jersey City and Roseanne Posta of Belleville.

Their gowns were similar and featured an empire brocade bodice with yellow chiffon skirt and brocade train. Their bouquets were of Fuji chrysanthemums trimmed with gold.

The bride's mother selected a pink sequined dress and wore a pink and white carnation corsage. The mother of the bridegroom was attired in a turquoise dress with brocade jacket and train. Her corsage of chrysanthemums was tipped to match her gown.

Best man was Raymond Barbier of Hillside. Thomas Mascola of Edison, John Mantz, Lief Eide both of Hillside and Roger Feller of Sayreville ushered for the ceremony.

The bride, a graduate of Belleville High School, is with the Mutual Benefit Life Insurance Co. Mr. Duffy was graduated from Hillside High School, Newark College of Engineering and Newark College of Business Machines. He received an honorable discharge from the U. S. Navy and is now with United Air Lines at Newark Airport.

Among those named commended students are Victor Gialanella, 146 Birchwood Dr.; Edward Kwasni, 284 Greylock Pkwy.; and Robert Joiner, 123 Mt. Prospect Ave.; all Belleville.

They are among 38,000 students in the United States who scored in the upper two percent of those who will graduate from high school in 1967. The Commended students rank just below the 14,000 Semifinalists announced earlier this month by the National Merit Scholarship Corporation (NMSC).

## Holy Family Church, Scene For Vecchio-Lupo Wedding

Miss Frances Angela Lupo and Robert Thomas Vecchio were united in marriage on October 16 at Holy Family R.C. Church. The Rev. Robert P. Cozzini, married the couple and a reception followed at the Friar Tuck Inn, Cedar Grove.

The bride is the daughter of Mrs. L. Spano, of 79 Passaic Avenue, Nutley and the late Mr. Lupo, and step-daughter of Mr. Spano. Mr. Vecchio is the son of Mr. and Mrs. A.C. Vecchio of 459 Bloomfield Avenue, Nutley.

Given in marriage by her stepfather, the bride wore a silk organza A-line gown with a high rise bodice of Alencon lace appliqued with clusters of seed pearls. Her Watteau train was accented with organza streamers also appliqued with lace. A puffed elbow illusion veil was attached to a crown of crystals and rhinestones. She carried a Prayer Book with stephanotis and cymbidium orchids.

Mrs. Angela Rella was matron of honor for her sister. Serving as bridesmaids were Miss Carmella DiVuolo of Nutley and Mrs. Joseph Vecchio of Montvale, sister-in-law of the bridegroom.

They wore identical gowns of shocking pink crepe with empire bodice and scoop neckline covered with a matching sleeveless coat. Rose headpieces matched

the gowns and their cascades were of carnations dyed to match with white rosebuds.

The bride's mother was attired in a gold silk floor length gown with matching pillbox hat and accessories. Mrs. Vecchio selected a champagne colored gown with coat and accessories to match.

Michael Vecchio of Nutley was best man for his brother. His other brothers, Joseph of Montvale and Frank Ritchell of Nutley ushered. The bride's nephew, Stephen Rella was the ring bearer.

The bride was graduated from Belleville High School and is a medical secretary at Hoffmann La Roche, Inc., Nutley. Mr. Vecchio was graduated from Nutley High School and attends Essex County Technical and Vocational High School. He is an apprentice tool and die maker with GB & R Industries, Elizabeth.

The couple will make their new home in Belleville following a 2-week honeymoon to Canada.

### TO RECEIVE DEGREE

Anthony Francis Moro Jr. of 80 Watessing Avenue, Belleville recently completed the requirements for a BS degree in elementary education at Monmouth College, West Long Branch. He will receive his diploma at the June commencement exercises.

## Bride's Uncle is Soloist at Marriage Of Marion J. Freid to Bloomfield Man

Montgomery Presbyterian Church, Belleville was the setting for the marriage of Miss Marion Joan Freid, and Richard Dominick Verrico on October 15. The Rev. Howard B. Day, pastor, officiated and Wilber Garrison, the bride's uncle was soloist. The reception took place at the Branch Brook Manor, Belleville.

The bride is the daughter of Mr. and Mrs. William C. Freid of 14 Elena Place, Belleville; the bridegroom is the son of Mr. and Mrs. Domenic Verrico of 23 Morton Street, Bloomfield.

Mr. Freid gave his daughter in marriage. The bride's gown was of white crepe with scoop neckline, raised waistline and detachable court train accented with appliques of Venetian lace. Her double tiered elbow length veil was held by a double crown of crystals and her cascade was of white roses and stephanotis surrounding a white orchid.

Maid of honor was Miss Lilyann Carlo of Belleville. She wore a maize chiffon empire floor length gown with beaded bodice and sheath skirt. A shoulder length veil was attached to a matching headpiece and she carried a cascade of carnations.

The bride's other attendants were Miss Nancy DeLuca, Miss Elaine La Placa, both of Belleville, Miss Tremley Bruett of Bloomfield and the bride's sister, Carol Freid. They wore identical gowns of aqua with matching bouquets.

The mother of the bride was gowned in a full length aqua crepe sheath with high rise waistline and matching floor length brocade coat. Mrs. Verrico chose a candy pink ottoman cotton gown with short waist-length jacket. Each wore a corsage of white orchids.

Alan Encke of Belleville served as best man for the ceremony. Ushers included Joseph Castellano, the bridegroom's cousin, Paul Barba, Thomas Verrico brother of the bridegroom, all of Bloomfield and Thomas Colligan of Newark.

The bride was graduated from Belleville High School and is now

# PERSONAL AND SOCIAL HIGHLIGHTS OF THE WEEK

## Areme Chapter Busy This Week By Fair, Program

An Autumn Fair—Turkey Dinner and a special program on drugs entitled "The Watchful Eye," are both on the agenda of Areme Chapter 73, Order of Eastern Star this week.

The fair, open to the public, will take place at the Belleville Masonic Temple, 126 Joralemon Street on October 22. Booths will feature homecrafted items and pantry goodies, many of which are suitable for Christmas gifts. The turkey dinner will be served from 5 to 7 p.m. with tickets available at the door.

"The Watchful Eye," a program inaugurated by the Essex County Youth and Economics Rehabilitation Commission, will be presented Monday evening at 8:15, also at the Masonic Temple.

Townpeople are urged to attend the presentation designed to illustrate how it is possible to keep youth from experimenting with drugs, thereby stopping addiction before it starts.

Speakers will include a person actively engaged in this vital work, and also a youth who has benefitted from this program.

## The J. Restainos Mark 25th Year

Mr. and Mrs. Joseph Restaino of Passaic Avenue, Belleville, celebrated their 25th wedding anniversary with a party given by their four children, Phyllis, Joseph, Lois and Alan.

Present at the affair were the couple's parents, Mrs. Michael Restaino, and Mr. and Mrs. Joseph Cerami of 26 Lincoln Terrace, Belleville.

Mr. Restaino is affiliated with the Inlet Co. of Nutley. His wife is the former Mary Cerami of Hill Street, Belleville.

Also present were Mr. and Mrs. Ernest Restaino and children of Newark; Mr. and Mrs. Frank Restaino, Mr. and Mrs. Gerard Restaino, Mr. and Mrs. Alfred Restaino, Mr. and Mrs. Sal Lubertazzi, Mrs. and Mrs. James Riccardi, Mr. and Mrs. Joseph Cerami, all of Nutley; Mr. and Mrs. John Cerami, Mr. and Mrs. Carmine Cerami, Mr. and Mrs. Rudy Bili, Mr. and Mrs. Frank Malizia, and Mrs. and Mrs. Ralph Longo, all of Belleville; Mr. and Mrs. Patrick Restaino of Lyndhurst; Mr. and Mrs. Joseph Voturo of Bloomfield, and Mr. and Mrs. James Andreassi of Long Island.

## St. Peter's Church, Setting For DiModica-Paton Rites

The marriage of Miss Linda Paton, brother of the bride, and Marie Paton and Richard Peter DiModica took place September 17 at a five o'clock ceremony at St. Peter's R.C. Church. The Rev. James Heavey officiated and a reception followed at Beppy's Lounge, Newark.

The bride is the daughter of Mr. and Mrs. Kenneth Paton of 18 Valley Street, Belleville, and her husband is the son of Mr. and Mrs. Joseph DiModica of 79 Rutgers Street, also Belleville.

The bride wore a gown of white satin and lace forming a Sabrina neckline and long sleeves. Ties of lace fell into a chapel train and her fingertip bouffant veil of illusion was enhanced with a crystal and pearl crown. She carried white roses with stephanotis.

The bride's sister-in-law, Mrs. Robert Paton was matron of honor in a blue and white crepe gown with empire waistline and matching headpiece. She carried Fuji chrysanthemums.

Other attendants included another sister-in-law, Mrs. Kenneth Paton, of Nutley, the bride's sister, Mrs. Carol Adams and Miss Phyllis Amos. Their gowns were the same as the matron of honor's.

Thomas DiModica was best man for his brother. Ushering were Kenneth Paton, Robert Paton, and Glenn M. and R. Richard Wilson.

## Belleville Man is Married At Double Ring Ceremony

Miss Ella Jane Wilson, daughter of Mr. and Mrs. Roy C. Wilson of Hampton, Va., and Gary Nelson Colehamer, son of Mr. and Mrs. Burton N. Colehamer of 87 Rossmore Place, Belleville were united in marriage on October 1.

The double ring ceremony was solemnized in Langley Baptist Church, Hampton, by the Rev. Wilbur W. Rickett.

The bride, escorted by her father, wore a gown of peau taffeta and reembodyered Alencon lace. A Watteau train complemented the gown and her seed pearl and crystal crown held a veil of French silk illusion. She carried a white Bible covered with lily-of-the-valley and a white orchid.

The bridegroom's sister, Mrs. William D. Johnson of Belleville served as matron of honor. She wore an empire gown of avocado crepe and bronze peau de soie. She carried a nosegay of bronze chrysanthemums and yellow pom-poms.

Bridesmaids were Miss Marcia Vohringer of Yorktown and Miss Pattie Jennigen of Hampton. They wore empire gowns of avocado crepe and ivory peau de soie. Ann Dickerson was flower girl. She wore ivory peau de soie and carried a basket of pom-poms.

M. Walker Spence of Portsmouth, Va. served as best man. Ushers were the bride's brothers, Glenn M. and R. Richard Wilson.

## Court Sancta Maria, CDA Observes 60th Anniversary

Over 125 guests attended the 60th anniversary dinner of Court Sancta Maria 61, CDA, Belleville, held on Sunday evening, October 16, in the Imperial Room of the Military Park Hotel, Newark.

Presiding as chairman of the celebration was Mrs. Stanley Akus of Rossmore Place. Mrs. James Ryan of Clifton Street was co-chairman and Mrs. Joseph Tremel, grand regent, was honorary chairman.

The guests of Court Sancta Maria 61 celebrated 60 years of outstanding service in community charities, religious and social activities and charitable works overseas. While closely affiliated with St. Peter's R.C. Church over the years, they have more recently enjoyed the privilege of gaining many new members from St. Anthony's R.C. Church, also.

Among the guests of honor was Miss Mary C. Kanane, Surrogate Court judge in Union County. Miss Kanane has long been active in the Catholic Daughters of America. She is a former Grand Regent, State Regent and is now the Second National Vice Regent. Active in many civic, educational

### WHAT IS GLOMERULONEPHRITIS?

This type of kidney disease is usually caused by infectious germs. Often, the patient has had an acute sore throat or an upper respiratory infection. The germs apparently get into the kidneys, by way of the blood stream. The glomeruli, which are the filtering portion of the kidneys, strain out the germs which can multiply quickly.

This formerly hard-to-cure disease can now be successfully treated by the new anti-infective drugs we stock. But, diagnosis and treatment must not be delayed or these germs can cause permanent harm. It is wise to consult a physician at the beginning of any urinary discomfort symptoms.

## LETTERS TO THE EDITOR

(Continued From Page 4)

The Association has never endorsed candidates for office on the Board of Education although many of its officials actively supported candidates such as such fine gentlemen as Paul Francisco and Ted DelGuercio on an individual basis.

On Board of Education issue matters, the Association has never taken a stand for or against any issue although many of its individual members opposed the building of a new high school from a tax burden and lack of complete public access to information basis. At the same time one of the current members of the Board of Directors of the Association was a member of the new high school publicity committee under Dr. McCormick.

Some of the Rutan people who supported the building of a new high school have become disenchanted by this school bus action. The Association's amended constitution and by-laws forbid the Association to take a stand on a public issue which is to be voted on by the citizens of Belleville at the polls.

In short, this Association is not a political organization. It does not support or oppose a change to an appointed Board of Education. This is a matter for individual citizen consideration.

Third, let us get back to the issue at hand. Some members of the Board of Education were rather rude to the citizens of Rutan Estates who complained about the school bus matter. However, the objections to these complaints did not only come from the so-called "majority bloc."

One member of the "minority" indicated that he is definitely in favor of the two mile limit which has been established by the current Board of Education. Another "minority" member has stated at two meetings with the people of the Rutan area that he wants all of the facts concerning who is within the two mile limit in the whole Town of Belleville. In other words, he wants to study the total situation and not only the problem of the students in the Rutan area.

A third "minority" member supported the claims of the Rutan residents at the second meeting with the Board of Education. The members of the "majority" may have at times been rude and discourteous to the complainants, but their request to study the problem was not unreasonable. How they will vote on this issue only time will tell. This matter should not be made into a political football!

The following are facts for consideration:

1. Since 1964, the Board of Education or its employees have reviewed three differing distance readings to the homes in the Rutan area.

2. Bus service has been supplied to the Junior High School to ALL students in the Rutan area for the past two years. Certain Board members want to enforce the law to the letter in this case and claim the actions of the past two years were illegal. Yet the Board as a whole condones lowering the State law limit for supplying buses for High School students from 2½ to 2 miles.

3. The bus currently used to bus students from the Rutan area seats 50 but carries only 28 students. Ten or twelve students are from the area. The Board pays Public Service for the bus on vehicle not student basis.

4. There are students in Belleville who travel on school buses that live under the two mile limit to both the Junior High School and the High School with and without bus passes. This is true even when the Board considers any of its distance figures.

5. There is no question that the claim of inequality is just. The Board must study the facts in this case. It is hoped that this letter has given them, and the people of Belleville, some of the truth.

WILLIAM Y. RIEDEL JR.

58 Plenge Dr.

## Deer Hunters To Receive Special Licenses Shortly

Successful applicants for New Jersey's special deer hunt on Dec. 17 are being notified by mail this week, reported the Division of Fish and Game in the Department of Conservation and Economic Development.

An electronic computer selected 12,750 permit holders from more than 29,000 applicants. The computer was operated by personnel of the State Division of Motor Vehicles which cooperated in making the equipment available.

Only successful applicants are being notified. They must now return their application with a \$2 money order in order to have their permits validated. This fee must be received no later than Oct. 21, after which a further selection will be made by the computer to fill unclaimed permits from among unsuccessful applicants.

Each permit holder will be entitled to bag one deer of either sex on Dec. 17. He may hunt only in the county for which he applied and must immediately tag his deer with the transportation tag supplied with the permit. This tag allows transportation to a State checking station where a possession tag will be affixed.

## That Board Again

To The Editor:

The Belleville Action Committee working hard for an appointed Board of Education deplores the lack of public information released for public evaluation by our present elected Board of Education.

"Penny wise and thousands of dollars foolish" indicates the continued pattern of spending by our elected Board of Education. Hard to believe, but true, the elected Board of Education under the leadership of their president Ernest S. Arvidson are saving mere pennies while spending thousands of questionable dollars.

We refer to a strong case in point from the Belleville Times newspaper Oct. 14, 1966. In Steve Charen's column Sideline - Byline we quote: "In this time when instant re-play cameras may soon be used as game-time coaching aides in the higher ranks and post games films, the most constructive and reflective ways to correct mistakes from one game to the next. The Belleville board of education has granted only enough film to record approximately 42 minutes of each game, leaving about six - vital minutes or the last eight of each game lost to posterity. With nearly 8,000 fans paying their way into Municipal Stadium Saturday, the film allotment must have cried all the way to the bank."

Mr. Arvidson's brotherly love attempt to explain how a school budget is planned, failed to mention how and why it was fully reduced and curtailed because he never mentioned the film curtailment. I wonder why?

He did not inform the parents or the public that this curtailment would seriously handicap the football team in their weekly re-run - study for next week game. I strongly doubt if our so-called president will tell the public how much money the Board of Education has saved by curtailment of this meager yet vital expenditure.

The silence continues because it is not strange that not one member of the Athletic Council registered "ONE COMPLAINT" publicly in this direction. I doubt if they could have done this if they really wanted to.

WHY? Simple. Mr. Arvidson appointed the Athletic Council. Some joke at the expense of the football squad and the public.

He does continually mention, however, that the Town Council reduced the budget. Failing to mention, of course, that it was not the Town Council who granted salary increases to the school administrators sky-rocketing into thousands of dollars without any increase in duties or responsibilities. Single raises of approximately \$2,000 and more - but "no money" set aside for complete football films.

Petty, outrageous conditions like this continue to darken the already blotted image of the elected Board of Education with their "Public be damned attitude" under the leadership of Mr. Arvidson. The BAC strongly urges a re-evaluation and hopes this deplorable curtailment on football films is lifted at once.

Citizens are invited to send all complaints to: BAC P.O. Box 604, Bloomfield, New Jersey. JIM CERES, Chairman 160 Smallwood Ave. Belleville, N.J.

THEY'RE OFFICIALLY OPEN: A packed house greeted the opening of Democratic Headquarters in Belleville recently, reported Mrs. Mary V. Senatore, Town Chairman. Cong. Peter W. Rodino, County Supervisor Weldon Sheets, and Freeholder Albert Saldutti attended the opening, where workers will pre-

pare their campaign for candidates in the forthcoming November Election. The group have also set plans for their Second Annual Campaign Breakfast Sunday Morning, Oct. 30 at The Fountain. Gov. Richard J. Hughes is expected to attend.

## Kessler's Annual Luncheon Oct. 24

The Auxiliary of the Kessler Institute for Rehabilitation in West Orange will hold its annual Bridge - Luncheon at the Chanticleer in Millburn Monday, Oct. 24.

As highlight of this one fund raising event of the year, there will be a raffle of three big prizes - \$500 worth of merchandise from Doops, a precious gold pin and a television set. There will be numerous other prizes donated by board members and merchants.

A sale of articles made by the handicapped will be on sale at the luncheon. These articles are from the Stepping Stone Shop in Montclair which is sponsored by

the Auxiliary. Chairman of the Bridge is Mrs. Leon Kranztor of Orange. Working also are Mrs. Edward Trueger, South Orange, President of the Women's Auxiliary; Mrs. Jerome J. Blumberg, East Orange, chairman of the Ways and Means Committee; Miss Katherine Blondel, Montclair, chairman of the Stepping Stone Shop; Miss Mabel McCollum, Montclair, Raffle Chairman; and Mrs. Robert G. Stanwood, East Orange, in charge of reservations.

## Clinic Ready For Gardeners

Wednesday, Oct. 26, the Essex County Agricultural Extension Service will hold a monthly "Garden Clinic" in their office at 900 Bloomfield Ave., (Essex County Public Works Building), in Verona.

This clinic is open to the public and will start at 8 p.m. County Agricultural Agents, William F. Munk and John J. Kupcho will acquaint those attending with timely garden problems and answer questions and look at any sample of lawns, shrubs, etc. brought to the meeting.

## Harry Winfield In Amphibious Assault Landing

Musician Second Class Harry W. Winfield, USN, son of Mr. and Mrs. Harry W. Winfield of 238 Ralph St., participated in the amphibious assault landing dubbed Operation Deckhouse III, as a staff member of the Commander 7th Fleet aboard the guided missile cruiser Oklahoma City.

The landings took place just two miles south of the Demilitarized Zone.

The battalion-size 7th Fleet Marine Corps Landing Force went ashore in assault craft and helicopters from the Amphibious Ready Group steaming a few thousand yards offshore.

The staff assists the Fleet Commander, Vice Admiral John J. Hyland, in coordinating the movement of the Fleet, which numbers 190 ships.

The Fleet Commander's responsibility stretches from the Arctic to the Antarctic, an area of over 30-million square miles in the Western Pacific.

## Joseph Zipf To Head Kiwanians Here For 1967

The Branch Brook - Belleville Kiwanis Club has elected Joseph E. Zipf as president of the local club for 1967.

Zipf, who lives at 206 Fairway Ave., is employed by the New Jersey Bell Telephone Co., and has been in Kiwanis for the past ten years.

He has held several offices, serving as a director, vice president, chairman of Boys and Girls Work, Inter-club affairs, and Vocational Guidance.

He was the official delegate to the International convention in July held in Portland, Ore. for the New Jersey district and the Belleville club.

Other officers elected at the October meeting for 1967 were:

Salvatore Biscardi, vice president, who lives in Glen Ridge and is employed by General Foods, Inc. as chief pharmacologist; Sigmund Swiderski, treasurer, employed as assistant cashier with the Peoples National Bank and Trust Co. of Belleville, and Russell F. Hopkins, secretary and insurance consultant with offices in Belleville.

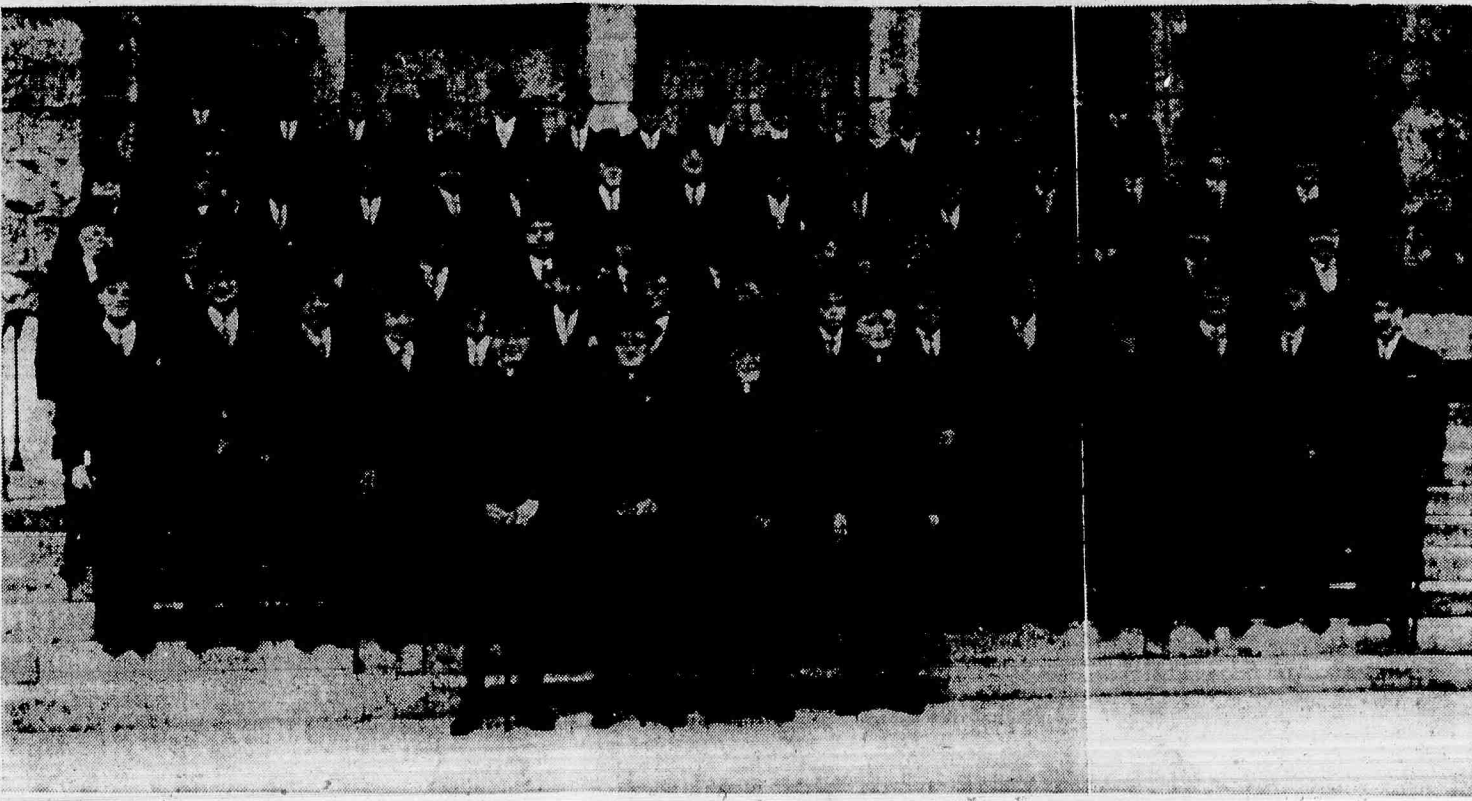

## Rodino Proposes Reduced Service Rates For G.I.'s

Rep. Peter W. Rodino (D-10th Dist.) announced today that he has introduced legislation to authorize airtail at reduced postage rates for packages sent to service personnel overseas or mailed home by them.

The New Jersey Democrat explained that under his bill parcels weighing up to 30 pounds could be mailed at the regular surface rate of postage plus an airtail fee to be determined by the Post Office Department. This fee is not expected to exceed \$1.

Under present laws, Rodino said, "a resident of New Jersey wishing to send a 10 pound package to Vietnam by airmail would have to pay \$8.08. With passage of my bill, the same 10 pound package could be sent for about \$3."

"I believe this measure," Rodino said, "will afford an economical means for the parents and friends of servicemen far from home to send the parcels which mean so much, particularly to the courageous young Americans fighting in Vietnam. I will press for early action on my bill."

# BHS Routes West Side In Lop Sided Game; Ferrughelli, Del Guercio Lead

WELL, ALMOST! Steve Ferrughelli (27) and a West Side man watch as the ball sails hopelessly beyond their reach; but the Bellboys wrecked the Rough Riders anyway with a whopping 40-6 score that left the visitors in bad shape.

## 40-6 Score Was The Highest Since Those Golden Days Of Rich Luzzi

Sparked by the pin-point passing of junior quarterback Rich Del Guercio, and the hard-running of fullback Steve Ferrughelli, the Bellboys routed West Side Saturday 40-6 while compiling the most points over an opponent since the 1962 Glory Days of Belleville's High School All-American Rich Luzzi and that 8-1 team.

The Blue and Gold's staunch defense was also equal to the occasion holding the Rough Riders to 95 yards gained during the day with their only score coming on a 70-yard kick off return.

With a big, six-foot, 190-pound Mike Mateyka, who returned to his tight end post from some emergency duty at tackle, and little five-foot, 140-pound John Idamarco (who was sharing the left halfback spot due to an injury) each hauled in two touchdowns passes to complement another pair of scores by Ferrughelli. The rejuvenated Bellboys evened their record at 2-2 — after having two romps and two heartbreaking last minute losses under their belts. Shell-shocked Newark was dumped to a 1-3 mark.

Passing just enough to keep the defense honest, Del Guercio looked like an experienced field general as he went in the air six

times before being replaced midway through the final quarter. Five of those aeriels found their mark to account for 111 yards and four touchdowns.

Mateyka, a powerful senior with good hands, was at the end of two of these to account for scores of 14 and 40 yards. Ferrughelli snagged another bomb on a screen pass for 37-yards, while Idamarco hauled in a toss of eight yards. The only other completion by Del Guercio went to co-captain Rich San Filippo who was double-covered for most of the day. It went for ten yards and a peg first down.

Belleville had one other aerial score. It came late in the final period when Del Guercio's backup man junior Tony Cervasio went to the air for a 19-yard scoring strike to Idamarco.

On the ground Ferrughelli was the story as he bulldozed his way

for 123 of Belleville's 221 yards. The six-foot, 185-pound senior carried 23 times at a 3.3 yard average, and also dove across from the three for Belleville's first score. His running mate Mario Ponzio went 50-yards in five tries including a 31-yard gallop on one sweep. John Pico alternated at the other halfback spot with Idamarco exhibiting strong and steady blocking that should lead to his seeing more action the rest of the year.

### THAT ONE TD

Only quarterback Paul Brundridge's long kick return prevented Belleville's second short-cut defenses to good advantage the Bellboys kept West Side off guard all the way. Only a last minute drive against what amounted to a JV unit gave the Rough Riders anything resembling respectability. Over-all the defense held Newark to 70-yards on the ground and 25 in the air, 35 of those "rushing yards," and ten of the overland ones came in that final two minutes.

Moving to the defensive cornerback post for the first time Bob Banda proved a big asset while intercepting two passes for a defense that held Brundridge to 4-for-18 in the air. On the same unit, Jim Serritella kept his pileage streak alive adding an

interception to the fumbles he had recovered in each of the first three outings.

Constant pressures from the ends provided by Armando Conte and George D'Amico was one of the main factors in West Side air inadequacy. Outstanding game by tackles Sam Calabria and Mateyka along with guards Dan Vizzone and Joe Della Volpe kept the Rough Riders backs to 35 - yards rushing nearly four quarters. The emergence of 195-pound sophomore Sal Pizzi, as a back up man at tackle behind two way performers like Calabria and Mateyka was another big factor.

### A FAST OPENING

With the bitter taste of a loss to Nutley still in their mouths the Bellboys opened the game viciously by holding West Side to one yard gained before a punt from deep in West Side territory. Taking over the hurried boot in these Rough Riders, 35-yard line, Belleville began its only infantry trek to paydirt.

The march took five plays with the big gainer being a 21 yard sweep by Ferrughelli to the six. The steady fullback went over from the three-yard line two plays later, and Joel Pisano added the point to make it 7-0 with

7:40 remaining in the first quarter.

Colliding while attempting to field the kick, Brundridge and his team mate Greg Stewart, left West Side in a hole on the 11. Three downs and two yards later a punt to the 38 followed. Ferrughelli and Ponzio ripped off 13 and 9-yards in succession to start a seven-play drive that closed with a key fourth-and-six to go. Del Guercio found Idamarco with a flare pass for an eight yard score. A penalty on the conversion gave Pisano a chance to split the uprights from long range, a practice that may result in a score in a close future battle.

### PERFECT PASS

Leading 14-0 the Bellboys had their bubble burst when Brundridge scrambled up the sideline for the score. A pass for the point failed before Belleville took over on its own 36. A 15-yard gallop off right guard by Ferrughelli then set the stage for a 31-yard romp by Ponzio that brought the ball to the 18.

A few plays later Del Guercio found Mateyka all alone in the left corner of the end zone and the score became 21-6. (Just a game ago Mateyka had been playing tackle subbing for Lou

Ship and co-ordination that has been tentatively offered by local sports leaders Mike Marott and the Policeman's Benevolent Association.

Besides this responsible backing, the situation seems ripe for such an endeavor this year as school spirit at BHS soars to new heights.

The numerous banners and posters that appear before each football game along with the recent advance of cards with slogans like "Maroon the Raiders" or "Unsaddle the Rough Riders" are indicative of morale here. While one has only to listen to a popular local radio station to find the Bellboys among the vote leaders in an area-wide contest.

Presuming the Board of Education's gracious if conditional offer of the Junior High School gymnasium use from a year ago can be retained, the assault upon the world record can take place during the upcoming Winter Vacation. The current World mark of 108 hours is held by a DeMolay group in Sioux City Iowa.

### DEADLINE SET

Col. Joseph T. Avella, state director of Selective Service for New Jersey, today reminded students that the deadline for filing their applications to take the Selective Service Qualification Test is midnight, Oct. 21, 1966.

Applications postmarked after that date will not be processed by the testing service. Applications may be obtained at any local board or the college registrar.

### Widows Can Collect Starting at Age 60

A widow of a man who worked under social security and would qualify for monthly widow's benefits at age 62 may now have benefits started as early as age 60. According to William J. Arnold, Newark Social Security district manager, payments of benefits under this provision became effective with September 1965.

If a widow chooses to receive benefits before age 62, the amount of her monthly payment will be reduced by five-ninths of one percent for each month that she is under 62 when she starts receiving benefits. A benefit reduced in this way will continue in the same amount even after age 62.

# Del Guercio, Mateyka, Iadimarco, Ferrughelli Pass To 40-6 Victory

All Photos by Adams

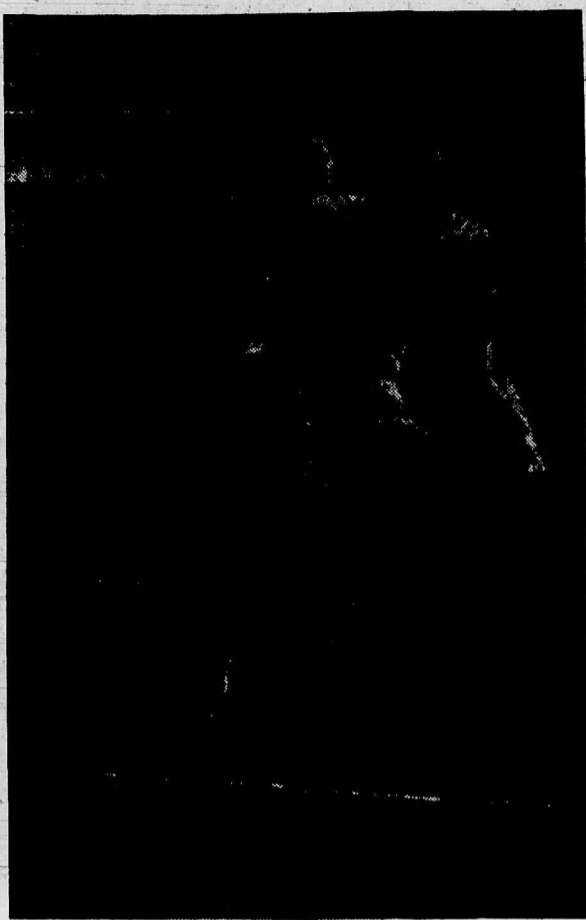

**INCOMPLETE:** One of the 14 passes made during the game flew past Greg Kostowicz (12) and West Side's burley half-back who moved in fast but missed it too. The air was filled with flying footballs Saturday afternoon.

**THE SECOND TD** came after John Iademarco (22) literally flew across the goal line scoring on an 8-yard flare-pass, the first of two he made during the game. In the background is

Steve Ferrughelli (27) who scored the first TD earlier in the game and the fifth later on. Ferrughelli led the BHS running attack with a 5.4 yard average for each carry.

**A NEAR MISS:** With his third year as half-back under his belt Rich San Filippo (37) nearly snagged a pass intended for West Side's McDowell (80) who arrived too late with too little. BHS picked off three interceptions.

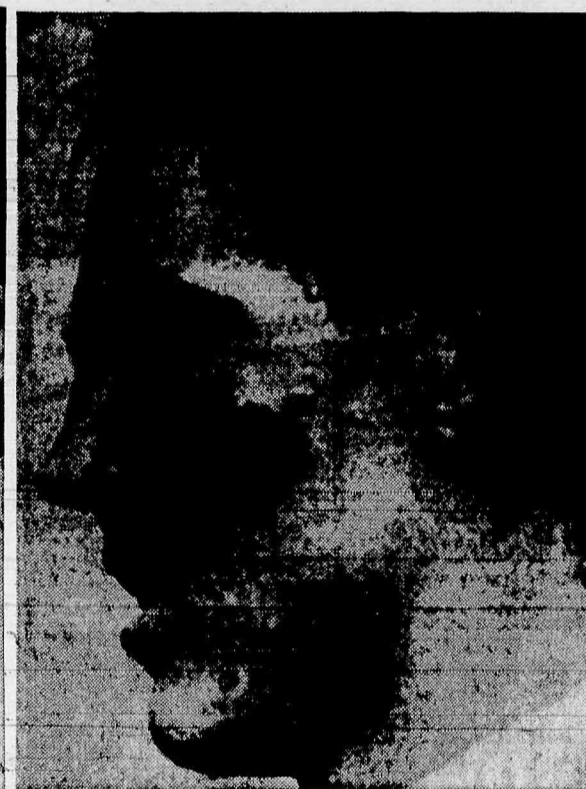

**MARIO PONZIO:** Co-captain wearing number 32 is a veteran middle line-backer who directed the multiple defense against West Side. He held the enemy to less than 40-yards gained on the ground.

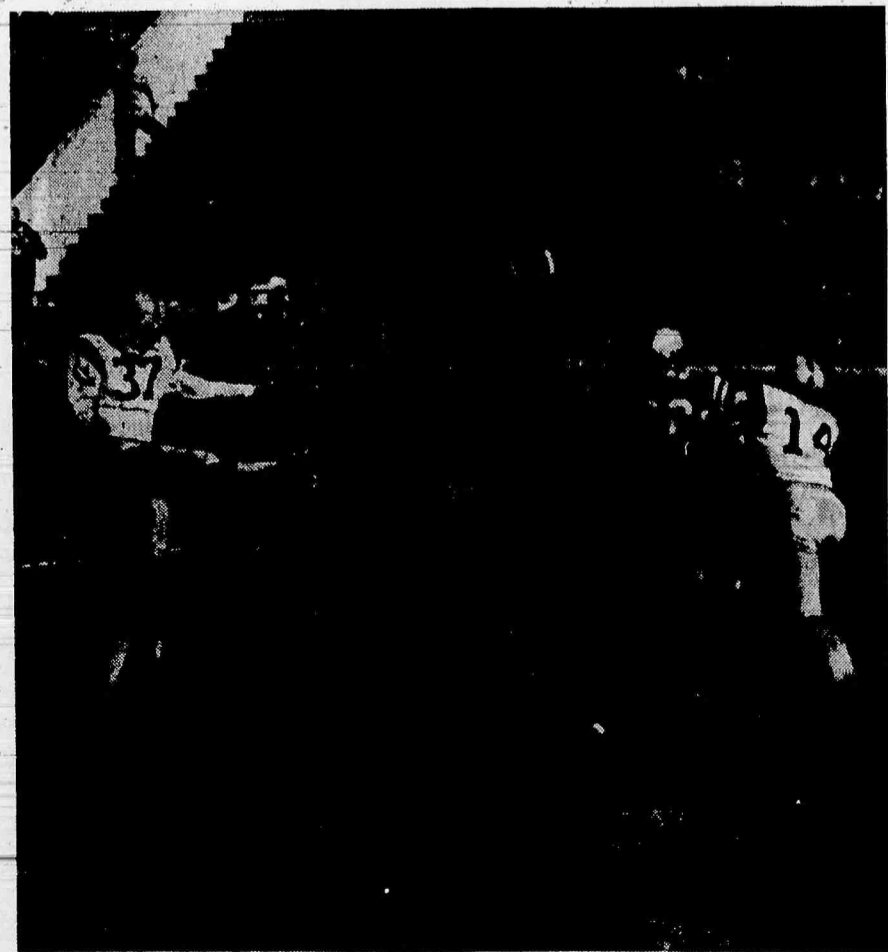

**RICH SAN FILIPPO:** Co-captain and veteran end was used as a "decoy" during the game and was double covered at all times. He's a threat. But even so he snagged one pass for 10-yards, boosting the secondary.

**DON VIZZONE:** He's part of the defensive forward wall at guard, and was a big factor in holding West Side to 35-yards rushing over the first three quarters. He also kept the Rough Riders passing attacks to zero.

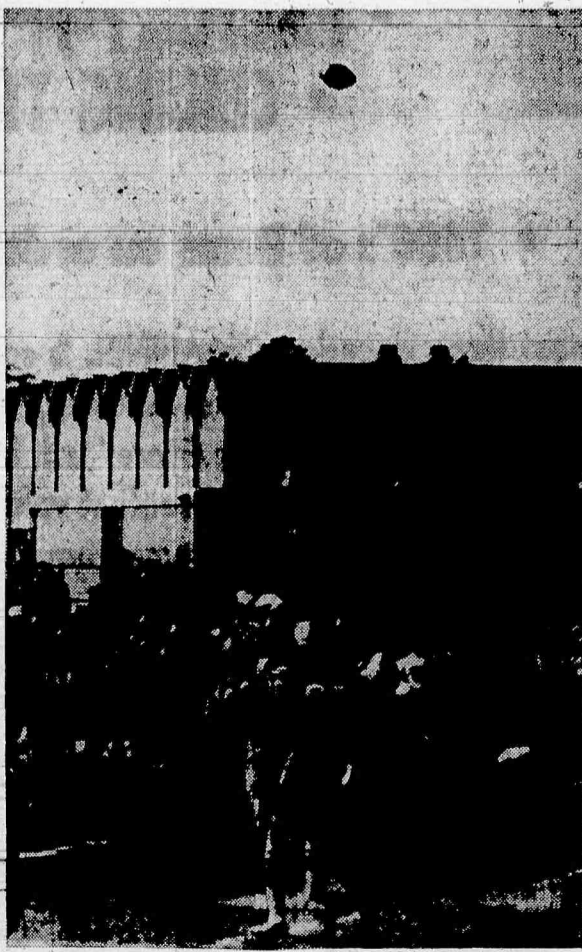

**JOHN IADEMARCO:** He racked up two TD's Saturday on short passes from the left half-back spot where he alternated with John Pico. He's also the punt and kick-off return specialist. Both TD's were for 8 and 19 yards.

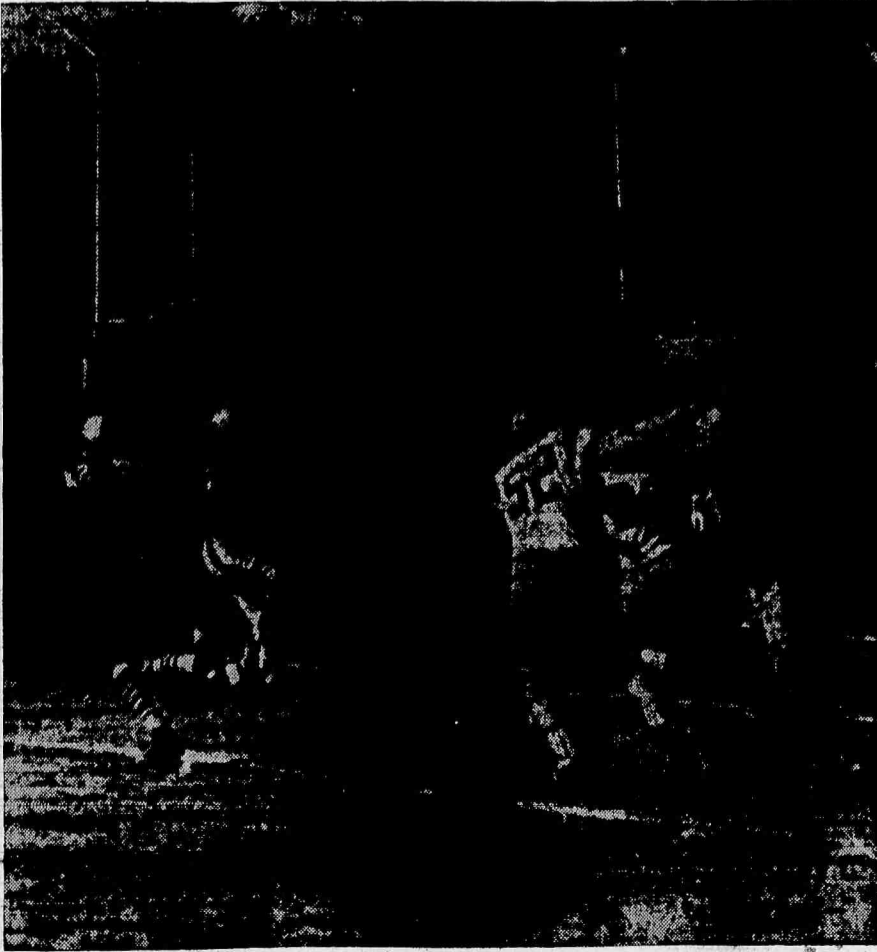

**KICKING THEIR WAY OUT** of a trap (one of three time in the game) was San Filippo (37) who averaged 35-yards per kick. The Bellboys were only stopped three times by the West Side Rough Riders, but there were

in no danger of losing the game, although they received a scare when Paul Bundridge grabbed the ball and ran 90 yards for their only TD. But the quarter ended with Belleville ahead 21-6, later they doubled it.

**SKY-HIGH:** That's where the ball was a lot of the afternoon as West Side tried everything to escape the rough BHS squad. Here three of them watch helplessly as the pigskin zooms overhead and into the end zone.

**SHORT-YARDAGE:** West Side managed 25-yards in four completed passes of 14 attempts. Eleven were incomplete and three were intercepted. Paul Bundridge of the West Side squad did all the passing, but there was no

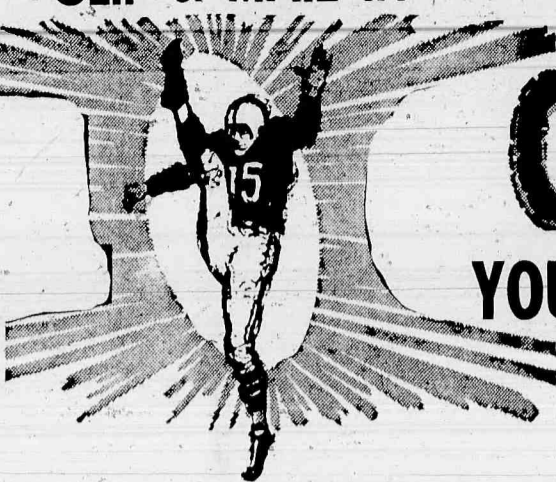

one of do the catching. The Rough Riders were badly out-classed by the Bellboys who are catching fire after their defeat last week by Nutley. It was the highest score rolled by BHS since 1962 with 46 points.

Della Terza, an injured 235-pound junior, but another mammoth, 220-pound Angelo DiModica, who had already lost a starting defensive job developing into an offensive lineman, "Tedes" was freed to return to his assigned post.

The strapping senior still retains his role as Della Terza's tackle replacement on a defensive line he had helped to spark. Meanwhile, on offense, DiModica combined with Dave Jones to form a formidable right side of the line.

**PENALTIES**

As the second quarter opened West Side managed its initial first down as Belleville drew a 15-yard penalty. A 34-yard boot by Brundridge brought the ball to the Bellboy 27-yard line where the Blue and Gold tightened to hold for downs.

The team exchanged some punts before Serritella's interception gave Belleville the ball on the Rough Rider 43. Del Guercio wasted little time before drawing the Newark defense in by send-

ing Ferrughelli into the line before sending Mateyka for what was to be a 40 yard scoring strike. Belleville led at halftime 27-6.

An 18-yard bootleg from punt formation along with a 15 yard penalty got the visitors moving early in the third period only to have Banda intercept at the Belleville 30. A pair of punts later, the Blue and Gold began a fourth quarter drive that went 66 yards in nine plays. Del Guercio found Ferrughelli for a screen pass which resulted in a 37-yard TD, thanks to a strong second effort by the conscientious Bellboy.

**INTERCEPTION**

Another Banda interception got the ball right back as Cervasio took over on the visitors 26. Running into a fourth and two at the 18, Banda sent Ferrughelli cracking up the middle for three yards and a first before the big gainer was relined for the day. With most of the starters out now, Cervasio relied on Pico, Banda, and Idamarco, who responded with three yards each to create a fourth and one problem from the side.

**Varsity Club Leads League In Rec. Dept.**

In Recreation Football the Varsity Club of the Lightweight League and the Aircro Plastics of the Heavyweight League have moved out to the front, each having won their first two games. Neither of the leaders can rest easy, however, because they have tough competitors close behind them.

Heavyweight Jolly Cleaners challenge the Aircro position with a record of one win and one tie. Jolly's tie was with the Devons, a team that dropped a close one to the leading Aircros in their first game.

Although the American Legion has yet to hit the win column they have clearly demonstrated the potential, and may not be taken lightly.

Tied with one win and one loss each in the Lightweights are the Lions and the Elks while the Kiwanis are still seeking their first win.

Recreation Football is played every Sunday at the Municipal Stadium and at Clearman Field. Games start at 1:30 p.m. and two games are played at each loca-

STUDENT NURSE Diane Persson, President of the Clara Maass Student Council, smiles as she sells the first album of Christmas music recorded by the Student Choral Group to Miss Evelyn Hamilton, Director of the School of Nursing. The 33-1/3 record containing traditional Christmas music with several solos by Miss Adelaide (Bunny) King, a student, are on sale at the hospital or several local record shops for \$3. The proceeds will go to the Clara Maass Fund.

**Just For The Record**

Last year the student nurses pressed and then packaged in an of Clara Maass Memorial Hospital made a tape recording of traditional Christmas music for one of the local radio stations which featured a 15-minute program. It received such wide acclaim that their voices were recorded professionally, records attractive Christmas jacket. The auditorium of the School of Nursing resembled a true recording studio during the session with the maze of wires, numerous microphones, electronic equipment and recording booth. After better than 3 hours of re-

cording, auditions, reruns, cutting and splicing, everyone was satisfied that a professional phonograph record of the students' voices would be ready for sale. Such traditional Christmas music as "Silent Night," "Oh, Little Town of Bethlehem," "Let There Be Peace On Earth" and "Brother James' Air" appear on the front side.

On the flip side, you will hear "Carol of the Bells," "Hark the Herald Angels Sing," "Joy to the World," "O Come All Ye Faithful," "The First Noel," and "You'll Never Walk Alone." Student Nurse Adelaide (Bunny) King is the soloist.

Records may be obtained from any of the student nurses, at the hospital Coffee Shop, Public Relations Office or from members of the Guild and Auxiliary. Several of the local record shops will also have the record on sale at \$3. Proceeds will all be applied to the Clara Maass Hospital Fund.

**Pilot Escapes Death In Light Plane Crash**

Edward A. Carr, a 43-year-old Belleville pilot and his passenger narrowly escaped death Saturday night when their light plane crashed into the side of 1,700-foot Hamburg Mountain near Franklin.

Both walked away from the crash unscratched, said State Police who investigated the accident.

Carr, of 111 Tappan Ave., and his passenger, Richard Brown, 24, of Bogart Rd. Pine Brook, had been using the 1,500-foot radio station WLVT transmitting tower as a guide during overcast weather. The plane failed to clear the mountain and then crashed into its side near the 1,600 foot level.

They walked to the nearby station and reported the accident police said.

# Newly Opened Intensive Care Unit at Clara Maass Hospital Features Electronic Monitoring of All Critically-Ill Patients

Clara Maass Memorial Hospital opened another one of its new services last week — the intensive care unit with its special coronary care section.

The new 21-bed department has been designed to provide a central area for critically-ill patients whose prospects for recovery will

be enhanced by intensive care, continuous comprehensive observation, electronic monitoring, and the use of other special equipment and supplies.

Albin H. Oberg, the hospital's executive director, in announcing the opening of this new unit, stated that the department has been

constructed so that each nurse will be responsible for five or six patients whom she will be able to see at all times from a central location.

Electronic patient-monitoring equipment, much of which is similar to that used in the nation's space exploration program, will

permit the nurse greater observation of the patient's immediate condition. Should a patient's condition change, an alarm will summon the nursing specialist to immediate patient care and attention.

"In addition," he remarked, "an additional feature will re-

cord and patient's condition at a central monitoring station so that the doctor in charge can, at a glance, note any changes that have occurred over a designated period and prescribe treatment accordingly just as the central control station for the nation's astronauts can command program-

ming.

"All of this equipment, which is expensive and costly, is the most advanced known to medical science. It is not a gimmick," he cautioned, "but an effort to return the patient to normal health as quickly as possible yet will tend to minimize the need for private duty nurses."

As the health of patients in this new area requires special intensified care, visitors and visiting hours are limited to the immediate family for no more than 5 minutes each hour.

# ITT Labs Get Contract For Portable Microwave

A contract to supply portable line-of-sight microwave terminals for multichannel tactical communications to the U. S. Army Electronics Command, Fort Monmouth, was announced in Nutley today by a division of International Telephone and Telegraph Corporation.

ITT Federal Laboratories said that the terminals involved are its recently announced CXL-5 units. These portable terminals can be carried by one man. They can be operated in line-of-sight communication links, or with fixed or mobile radio stations having compatible electronic characteristics.

## English As She Is Spoke A Far Cry From All The Grammatical Niceties

It's grammar, but is it English? Some English teachers are correcting their students' speech, a dialects, standard informal English. Glassboro State College faculty member states in the just published Bulletin of the Curriculum Development Council for Southern New Jersey.

Albert J. Taylor, assistant professor of education, suggests that drilling on rules, diagramming sentences, and adhering to classical purism should be things of the past.

"The purist grammarian may tell us never to end a sentence with a preposition, but in 300 years of telling, few have bothered to listen," Dr. Taylor observes. "How else are we to say, 'Where are you from?'" he asks.

At times custom prevails over the strict rules of grammar, Taylor states. He cites examples such as, "It's me." Taylor says that even the grammarian who spends fruitless hours trying to cultivate the use of "It is I" usually lapses into the more common, "It's me" after hours.

Taylor implores English teachers to recognize five or six levels of English usage — illiterate, a level between illiterate and standard (usually involving local dialects), standard informal English, standard formal English and literary English. Some linguists add technical usage to the list. "Most English teachers attempt to impose the literary level of usage where they should be content with a standard level," Taylor notes. The Glassboro prof asks that language teaching not be limited to a period a day on drill on rules of grammar but be expanded to constant attempts to improve communication through actual language experiences. Taylor's article is one of 18 articles in the Bulletin, which is edited by George F. Wildman, associate professor of education at Glassboro State College. Dr. Harold R. W. Benjamin, distinguished service professor at Glassboro State College, wrote the foreword. The author of the "Saber Tooth Curriculum" says the booklet "well represents the curriculum trend of the last 20 years."

**PROMOTED:** Stephen N. Vogel Jr., 23 son of Mr. and Mrs. Stephen N. Vogel, 65 Hill St., received an early promotion to Army pay grade private E-2 on completion of basic combat training at Ft. Dix, Sept. 23. He was awarded the promotion two months earlier than is customary because of his score in firing the M-14 rifle, high score on the physical combat proficiency test and his military bearing and leadership abilities. The early promotion program is an Army policy providing incentive for outstanding trainees.

## State Population Expected To Double By Year 2000

New Jersey's population stood at 6,803,910 in 1965 and by the year 2000 is expected to total 12,107,400, according to projections released today by the State Department of Conservation and Economic Development.

Titled "New Jersey Estimated Population Projections," the report prepared by the Department's Research and Statistics Section indicates long term trends for each of New Jersey's 21 counties. Areas of the state where the greatest population increases can be anticipated, as well as the slower and more moderate growth regions, are thus presented.

Conservation Commissioner Robert A. Roe noted that the current projections have risen sharply over those prepared little more than a year ago, reflecting the vigorous growth in many areas of the State.

"The completion of new highway systems, and the rapid expansion of apartment buildings have been two factors accounting for such an upward trend," he added.

Beginning with the 1960 U.S.

Census which listed the state's population as 6,066,782, the estimates indicate that, during the following five year period, Essex County's population soared from 923,545 to 949,650. Hudson is the only county estimated to have had a decrease in population from 1960-65, dropping from 610,734 to 608,970.

Projected population figures for each succeeding five-year period in New Jersey are 7,547,000 in 1970; 8,302,000 in 1975; 9,061,900 in 1980; 9,832,200 in 1985; 10,599,200 in 1990; and 11,357,200 in 1995.

The report estimates that, by the year 2000, the most populated counties in the State will be Bergen, 1,320,500; Middlesex, 1,268,900; Monmouth, 1,077,400; Essex, 1,053,900; Morris, 887,100; Passaic, 719,000; Camden, 692,200 and Hudson 652,200.

Copies of the "Estimated Population Projections" are available without charge from the Research and Statistics Section, New Jersey Department of Conservation and Economic Development, Box 1889, Trenton, N.J. 08625.
