## BURNETT KNEW IT WAS ALL OVER FAST

FOR MRS. BACON-PECK

### Surprise Honor Given A Symphony Sunday

Mrs. Eleanor Bacon-Peck of Belleville, was honored by the Nutley Symphony Society in a surprise ceremony at the orchestra's concert in Nutley High School auditorium Sunday afternoon.

As the intermission lights came on, Robert L. Colin, utility violinist and flutist with the orchestra, left his post in the viola section and addressed the capacity audience in his role as chairman of the society's public relations committee.

Colin said that as the Symphony Society celebrates its 30th anniversary season, it was considered appropriate to show special appreciation to a person who has

been active with the group since its beginnings.

Colin then called on Mrs. Betty Branigan, one of four present players who were with the orchestra when it started, to escort Mrs. Bacon-Peck, who was seated and taken by surprise, in the audience. Mrs. Branigan, viola player, is the wife of Alan Branigan of Nutley, a prominent music critic of New Jersey and also one of the orchestra's four original players.

The audience and orchestra gave a standing ovation for Mrs. Bacon-Peck as she was greeted by John C. Nemesnyik of Nutley, society president. Nemesnyik presented a framed scroll of appreciation prepared for the occasion. The scroll, designed and hand-executed by Lou Panyko of Lodi, formerly chief artist at IIT Federal Laboratories.

Mrs. Audrey Kammerer society secretary presented Mrs. Bacon-Peck with a floral corsage.

Mrs. Bacon-Peck was born in Connecticut and has been a resident of Belleville for over 50 years. She lives and maintains a music studio in a memento-filled home at 87 Preston Street. In addition to a busy life teaching piano, she has been active in other N. J. musical projects and organizations. In 1960, Mrs. Bacon-Peck, together with Mrs. Lillian Rosenthal of Newark, was cited by the Music Educators Association of New Jersey for meritorious service to the organization and to the teaching profession.

### Renew Studies At Nutley High

The Nutley Adult School spring term is offering preparation courses to those who have never attended or did not complete high school. These are training and refresher courses in advance of taking General Educational Development Tests, given periodically throughout the year to earn a New Jersey High School Equivalency Certificate, the legal equivalent of a high school diploma. English, Social Studies, Science and Mathematics are taught by members of qualified high school faculties.

### PTA Program At School Seven

School seven PTA will celebrate founders day anniversary at their monthly PTA meeting being held on Monday, February 6, 1967, at 8:00 P.M.

A film "The Chicago School Fire" will be shown and a member of our local fire department will comment on the film.

Also, for parents who are really interested in their child's education, a member of the Belleville Board of Education will explain the 1967-1968 budget and gladly answer any questions parents may have.

IT'S ALL OVER — Town Manager John Burnett, reads tabulation sheet figures to his administrative clerk, Charles Tedesco. Two-to-one margin vote restored commission form of government to Belleville.

### Installation of Officers Held By Chamber of Commerce

The Belleville Chamber of Commerce held its annual dinner dance and installation of officers at the Fountain Restaurant, Saturday night. About 250 attended.

Installed by re-election were William McDowell, president; Clayton Shepherd, chairman of the board; Charles H. Charrier, Aaron Cohen, George Mead, Jr. and Eldred G. Tarry, vice presidents; Michael A. Pariso, treasurer; Harry T. French, executive director.

Also re-elected were B. Thomas Aitken, John D. Boyd, A. R. Ciccone, Jr., Frank Crouchley, Arthur Jackson, and Walter L. Kidde, as executive directors.

Concluding the list of re-elected executive directors were John Kondreck, Frank J. Mc Fadden, Albin H. Oberg, Frank Orechio, Mrs. Frank M. Pull, James H. Schleifer, Jr., Mrs. Sol Sherman and Robert Williams.

Everett Davey was also elected as an executive director for the coming year.

Edward Bonnet resigned his position as secretary due to relocation of his employment.

The Chamber adopted a resolution thanking Reverend George Van Leuven for his service to the community and wished him success in his new post. He will soon be leaving Belleville to take over his new position.

After a cocktail hour and dinner, the guests were entertained by the music of Tony Peters.

Before the festivities began, Reverend George L. Van Leuven, in a brief invocation, said an invocation and asked for a moments silence in memory of Doug Wadsworth, former vice president of the chamber.

1966 saw the Chamber of Commerce handle over 500 consumer (Continued On Page 3)

### Center Thanks Biancardi Group

The Parent-Teacher-Therapist Association of the Cerebral Palsy Center of Belleville wishes to express their sincere appreciation to Mr. Joseph Biancardi, State Assemblyman, for the wonderful Christmas party and lunch he gave for our Center children. The joy and excitement felt by the children was very much in evidence for all to see as they danced, had lunch, and enjoyed the wonderful entertainment at the Fountain Restaurant.

The association wishes Mr. Biancardi and his Association enjoy a happy new year, one in which their good work is continued. Thank you once again.

### Waterfowl Population Highest Since 1952

New Jersey's wintering waterfowl population is the highest in more than 15 years.

The winter waterfowl inventory, conducted by State Wildlife Managers, found an estimated 491,067 birds on coastal areas.

Although Rosamelia completed a four year course in three and a half years, he still found time to be the president of the International Relations Club and Kappa Delta Pi, the National

### Belleville Dropout Saves Our Dropouts

BY LORETTA NAKISH

Can an assistant superintendent of schools be a high school dropout?

Michael Rosamelia, who is not only the Assistant Superintendent of Belleville's school system but the Acting Superintendent as well, dropped out of school in his sophomore year at Belleville High and entered the business world.

For the next five years, he held various jobs and, when he made the decision to enter the service, was working as a machinist.

After serving four years in the infantry, he at last chose to complete his high school education.

He attended Central Evening High School in Newark, having

MICHAEL ROSAMELIA

his credits transferred from Newark to Belleville, and, within the next two years, summers included, Rosamelia was awarded his diploma in June of 1947.

At the same time, he made application to Rutgers, Georgetown and Montclair State and, was accepted by all three. He chose Montclair for teaching, and set out to make his college record a complete antithesis from his first attempt in High school.

Completed College Although Rosamelia completed a four year course in three and a half years, he still found time to be the president of the International Relations Club and Kappa Delta Pi, the National

Teachers Honor Society. He also was the vice president of the Psychology Club, junior representative of the SGA, and a member of the Dramatics Club and Rohwee.

After receiving a B.A. and an M.A. in Social Studies, he specialized in guidance, administration and supervision on his sixth year level of graduate work.

Rosamelia progressed quickly along the ladder of professional hierarchy. Completing his student teaching at Belleville High in 1950, he was offered an immediate position with the school. His additional courses at the college were waived, and he stepped into a full time position on January 22, 1951. After being there for two years, he was elevated to the position of Part time guidance counselor.

General Supervision Shortly after, he became head of the Social Studies Department and in November of 1961, he became general Supervisor of all schools in Belleville. Two years later, he entered his present capacity of Assistant Superintendent.

Through his experience both in and out of the field of education, Mr. Rosamelia has established a firm philosophy of education which he applies to his operation of the Belleville schools. His basic philosophy of education is that "any individual should have the opportunity to get as much education as he is capable of absorbing."

Rosamelia feels it is "not the task of education to determine the specific field for which the student is suited. Much of what we learn in a life-time we teach ourselves, and this," he feels, "has much implication for teachers."

Mr. Rosamelia firmly believes a teacher must ask "what can I do for these youngsters during the portion of their lives which they spend in formal education?" The answer he feels, must be "to teach the youngster to teach himself, to motivate him to seek information, evaluate it and understand that two individuals can be exposed to the same material, form two different conclusions and respect each others' views."

### He Personally Counted Votes Tuesday Night

When Town Manager John Burnett received the first trickle of election returns at his office Tuesday evening, he sensed immediately that the end was in sight.

First among the district to report totals to Town Hall was District 4 of the first Ward. It was about 8:10 p.m. when Tax Collector James Burns walked into Burnett's office with the report that District 4 had voted for a return to the Commission form by a landslide 211-64 margin.

Burnett took the tabulation sheet, read it and without too much emotion told those in his office that the election was all over.

"That's it," Burnett said to Charles Tedesco, his administrative clerk. For the rest of the evening, Burnett continued to read each district report as Belleville voters made it strong and clear they wanted nothing more to do with the council-manager form of government.

When the votes were all in, the commission form had won by a two-to-one margin. Final town-wide vote was 5054 to 2411.

#### Five-Year Reign

Burnett, who has been town manager here the past five years, told the Belleville Times Tuesday night that he doesn't have "the slightest idea what I'm going to do now. I haven't given the matter any consideration up to now."

As soon as the votes had been tabulated, Town Clerk Eugene G. Barnett handed Town Attorney Jack Soriano a prepared letter requesting specifics concerning legal technicalities which will be involved in switching government forms. One item still not clear is when Belleville will be able to hold the first election for officers under the commission form of government.

Tuesday's election had a similar look to the one in 1961 which voted in Council-Manager Plan D, a total of 8,918 votes were cast in the election which threw out the commission form.

#### One District Was Unique

Of the 24 voting districts, only one showed a preference for the present manager form; that unique district Tuesday was the sixth in ward one.

Burnett's letter to Soriano which outlines the legal questions follows in its entirety.

"Dear Jack, I should very much appreciate your bringing an action for a declaratory judgment to determine when the first officers shall be elected under the commission form of government."

### Legion Holds Monthly Meeting

The regular monthly meeting of American Legion Auxiliary, Unit 105 was held at the Post Home, 621 Washington Avenue, on January 26 at 8:30 P.M. The hostesses for the evening: Mrs. Irene Hess and Mrs. Julia Huemer.

This year's delegates to the American Legion Essex County meetings are: President Mrs. Dolores Lee, 1st Vice President Mrs. Gloria LaMotta, Treasurer Mrs. Irene Hess, Secretary Mrs. Susan Megaro, Chaplain Mrs. Mary Kay and delegate-at-large Mrs. Julie Huemer.

Mrs. Gloria LaMotta and Mrs. Irene Hess have been appointed representatives to the Veterans Council of Belleville, which has charge of Belleville's patriotic affairs, including Memorial Day ceremonies, Fourth of July celebration at Belleville Stadium and Veterans Day parade.

On the first Tuesday of every month, at part of their Rehabilitation Program, Belleville Post gives a party at East range Veterans Hospital.

On these occasions, Bingo is played, prizes given out, and there are refreshments and entertainment for the patients. A different Ward is visited each month. The Auxiliary assist the Post at these affairs, and regular monthly workers include Mrs. D Lee Mrs. G. LaMotta, Mrs. I Johnson and Mrs. S. Shannon.

## Bell Telephone Builds Major Switching Center

New Jersey Bell's record 160 million construction and service improvement program for 1966 included a \$4.5 million addition to a major long distance switching center in William Street, Newark.

In the company's Essex Division, more than 139,000 miles of telephone wire was installed, enough to reach halfway to the moon. This wire links customers to central offices and interconnects switching centers.

J. Kenneth Looloian, vice president and general manager for New Jersey Bell's Metropolitan Area, said the new facilities were needed to keep pace with telephone growth and increases in the number of local and long distance calls.

The Essex Division, which covers most of Essex County, is part of the company's Metropolitan Area. Looloian reported the number of customers in the Essex Division increased by 4,400 during 1966 — from 323,500 to 327,900.

These customers placed 3.4 million calls on the average business day, up 155,000 over 1965. The total number of telephones climbed to a record 588,000, an increase of 17,500 over 1965.

In addition to providing new communications facilities, the company started a new concept in "one-stop" service for business customers when it opened a new business service center in Newark.

The center consolidated into one office about 28,000 business accounts that had been handled by separate offices in Newark, Montclair, East Orange, Irvington, Kearny and Bloomfield.

New Jersey Bell's stepped-up campaign to combat annoyance calls in the Essex Division received excellent cooperation from police and resulted in the conviction of 11 persons during the first 11 months of the year, Looloian said.

The company used line identification techniques to identify the telephone lines of 47 persons suspected of making annoying, obscene or threatening calls.

Touch-Tone telephone service, where ten push-buttons replace the rotary dial, was offered to customers in 1 more exchange last year. The new service is now available in 11 of the 17 exchanges in the Essex Division including Belleville.

HARRY N. WEEKS

## Weeks Voted V. President

Harry N. Weeks, Belleville, Past State Commander of The American Legion, has been elected Vice Chairman of the Middle Atlantic Area Executive Section of the Legion's National Child Welfare Commission.

Elected at the Area's Annual Child Welfare Conference at Norfolk, Virginia, January 5, Weeks, who has served as the State Legion's Chairman and as a member of the National Commission's Executive Section for three years, has an impressive record of service with The American Legion. A Past Commander of East Orange Post No. 73, Past Essex County Commander, and former Essex County Executive Committee member, he has served on many County, State and National levels since joining the Legion in 1945.

George E. MacMunn

## Realtors Elects G. MacMunn

George E. MacMunn of 180 Centre Street has been elected president of the Board of Realtors of Bloomfield, Glen Ridge, Nutley and Belleville. He succeeds Norman H. Thompson of Belleville.

Also elected was Lionel N. Bal of Nutley who is a vice president of the organization. MacMunn entered the Real Estate Business in 1956 and has served two years as vice president of the Board of Realtors.

MacMunn has a BS degree from Seton Hall University and served as a Bombardier with the 8th Air Force during World War II.

Nationwide, according to Weeks the Legion and its Auxiliary have over 50,000 volunteer child welfare workers. In the past 41 years, more than \$21 million dollars have been expended in child welfare and related activities by the Legion and its affiliated organizations, with a record high of \$1,267,757 being spent from June 1, 1965 to May 31, 1966.

Weeks is Business Manager of Belleville, and was the first chairman of the Board of Trustees of the Essex County Children's Emergency Shelter.

## Medicare Will Pay Costs For Skilled Nursing Care

A new part of the medicare law started on January 1, William J. Arnold, Social Security district manager in Newark, said today. This is the part that pays for skilled nursing care provided to elderly people following their discharge from the hospital.

Medicare will pay for up to 100 days of skilled nursing care in an "extended care facility" following a hospital stay of three days or more. An extended care facility can be a skilled nursing home, or it can be a separate but distinct part of an institution, such as a ward or wing of a hospital.

"Extended care," Arnold explained, "is a cross between hospital care and the traditional nursing home care." Care in an extended care facility will combine the quality of medical treatment ordinarily given in a hospital environment with the opportunity for the patient's increased activity and self-reliance during the recuperation period.

In one sense, Arnold continued, the stay in an extended care facility will be a substitute for time that before would have been spent in the hospital. For example, a medicare patient who before might go into a hospital and spend 15 days may now stay in the hospital for only 10 days and then be transferred to a qualified extended care facility for continued treatment.

As an extension of hospital treatment, the skilled nursing home stay will normally be fairly short. Medicare will pay the full

cost of the first 20 days in the extended care facility and all but \$5 a day for an additional 80 days. Arnold emphasized that medicare will not pay for long-term care in a custodial nursing home.

In the future, a patient who no longer needs the intensive treatment provided in the hospital, but does need continued care, can receive this medical attention at less cost in an extended care facility. Furthermore, his moving on will release a hospital bed for someone who may be acutely ill. The increased use of extended care facilities, Arnold said, will mean better utilization of hospital facilities and medical manpower.

## Bank President Named To Head Heart Drive

Robert R. Ferguson Jr., president of the First National State Bank of New Jersey, will serve as campaign chairman of the 1967 Heart Fund in Essex County.

Ferguson, a resident of Verona and active in the Heart Association for many years, was campaign chairman in 1966, the most successful year ever for the Heart Fund.

The Heart Fund will reach its high point during February 10 through February 20, 1967, when thousands of volunteers will canvass their neighbors to collect funds and distribute educational materials.

## Miss Manning To New Position

Maureen A. Manning, daughter of Mr. and Mrs. Naaman B. Manning, 10 Walnut Street, has been promoted to assistant training specialist in the Prudential Insurance Companies field training and manpower development division.

Miss Manning joined Prudential in January 1965 and had been a training reviewer before this promotion. She received her bachelor's degree from Caldwell College in 1963.

Miss Manning is a member of the Programmed Instruction Association of New York City, the National Society for Programmed Toastmistress Club.

## Izzo Emphasizes Independent Mind

By JOSEPHINE IZZO  
I believe now more than ever that my most important qualification for membership on this Board of Education is my ability to be, think and act independently.

My conversations with every sincerely concerned citizen of our Town confirms this. Without exception parents, professionals and senior citizens too feel that their best interests are served when the public official is one who can be trusted to maintain an open mind and that formulation of bloc actions inevitably becomes a deterrent to progress and a detriment to the public welfare.

I reaffirm that I have formed no tickets. I have conducted my campaign designed to gain information which will guide me to make decisions which will be in the best interest of the education of our children, based on a fair and honest appraisal of our citizens ability to pay. My place on the ballot is 3A. I sincerely ask for and will appreciate your support.

## Engineering Tests To Be Applied

The Junior Engineering Technical Society will hold its annual search for pre-college students with engineering aptitude in the New Jersey area beginning mid-February.

The search consists of a series of tests for 9th through 12th grade high school students to help determine aptitudes and qualifications toward college-level engineering studies. They are in supplement to local testing programs.

Test results help predict probable future success in engineering studies; they are not intended to confirm whether a student is likely to become a successful practicing engineer.

Students wishing to investigate their potential capabilities in engineering studies are requested to write to JETS National Engineering Aptitude Search, United Engineering Center, 345 East 47th St., New York, N.Y. 10017. These tests take approximately three hours to complete; a fee of \$2.50 per student is required to help offset expenses.

Deadline for applications received in New York City is January 30th.

All students wishing to take the test must complete an application in advance and have the option of taking the test at the location nearest their home.

Search centers and the testing will be:

Newark College of Engineering, Weston Lecture Hall, 367 High Street, Newark, N.J. — February 18 at 9 a.m.

### Orientation

I his orientation to new teachers, Rosamelia stresses they "not come to class with a preconceived notion as to what they're going to achieve in a certain amount of time."

Rosamelia is very proud of the achievements of the Belleville schools. Just this year, the Middle States Commission evaluated Belleville's system and rated them good to excellent on every item that was judged. Rosamelia was sincerely grateful to the wonderful staffs and committees of the various schools that made such an evaluation possible.

Other than his work in education, Rosamelia also finds time to be a member of the local Kiwanis Club and Director of the Library Board.

He is also the first president of the Belleville Child Guidance Association of Belleville, Nutley, Glen Ridge and Bloomfield, president of Belleville's Education Association, on the Legislative Committee of the NJEA for Essex County, a member of the NEA, BEA and ECEA and was recently selected for the Who's Who in Education in the East.

Among his hobbies, Rosamelia enjoys playing bridge and maintains a stamp collection. He also utilizes his knowledge of the radio, which he gained while in the service, to give demonstrations to the Boy Scouts.

It's difficult to believe that this man of 48 has accomplished so much in the short while since the time he decided to finish High School, to go to college and end his career as a high school dropout. But, to be sure, he has.

## U.S. Leads Rice Export

More than a Third of World Population Dependent on Rice for Survival

While the United States accounts for just a little more than one percent of the world's total rice production, it is the world's second largest rice exporter, trailing only Thailand.

In war-ravaged South Vietnam, the United States is helping make up the deficits in rice production resulting from the war. As of last December, we had supplied that country with 250,000 tons of rice since the start of the marketing year, and along with Burma, have been the principal supplier of rice to famine-plagued India.

More than a third of the world's population is totally dependent on rice for survival, its great popularity stemming from the fact that it is relatively easy to grow, and easy to prepare —

being usually simply boiled and eaten. However, Asia, where much of that population resides, now produces a yearly drop of only two-fifths the size of that of the United States, due chiefly to our improved production methods, and most of Asia's rice goes no farther than the farm where it is grown.

With the population explosion, yield per acre in the Asian countries must be increased to feed her starving cities. So imperative is this need that the Food and Agriculture Organization of the United Nations has declared 1967 as International Rice Year. The message of rice year is that the old ways will no longer do; men must use every device of science to extract the maximum from the rice crop.

## DAR To Hold Dinner Dance

For the fourth consecutive year the New Jersey Societies, Sons of the American Revolution and Daughters of the American Revolution, and related organizations will pay homage to George Washington with a Colonial Ball and dinner, announced today for the American House, Freehold, Feb. 18.

Another purpose is the encouragement of the Children of the American Revolution, a nationwide organization of those eligible for the S.A.R. and the D.A.R. except for attaining the age qualification, 18 years or older.

The fourth participant in this annual George Washington tribute is the Ancient and Honorable Order of Jersey Blues.

The February program will include a social hour at 7:30 p.m. dinner at 8:30 p.m., and the ball — "Black tie, military or colonial costume," a traditional requisite.

The membership of the four organizations is lineal descendants "of a man or woman who with unflinching loyalty served in the cause of American independence as a soldier, sailor, marine or civil officer in the colonies or states, or as a recognized patriot who materially aided the cause of resistance to the authority of Great Britain."

Little Falls, N.J. — February 16 at 1 p.m.

## Pershing Rifles Induct Two Kearny Students

John Shields, son of Mr. and Mrs. John Shields of 90 Midland Avenue, Kearny, and Frank Schachte, son of Mr. and Mrs. Joseph Schachte of 36 Halstead Street, Kearny, have been initiated into the National Society of Pershing Rifles as members of Company K, 8th Regiment.

Both graduates of Kearny High School, they are students at Seton Hall University, South Orange, where Company K is located, and members of the Basic Corps, United States Army Reserve Officers Training Corps, a prerequisite for membership in the Pershing Rifles.

In keeping with the purpose of the Pershing Rifles to further interest in ROTC affairs and to maintain a highly efficient drill team, Company K last season won 24 trophies in seven meets and placed eighth in national competition at the Cherry Blossom Festival Meet in Washington, D. C.

## Let's Do It

The election is over and with it, we hope, has passed the bitterness and division which has permeated almost every aspect of our community.

You, as a voter or interested citizen, may or may not be pleased at the outcome. Whether or not you agree the existing governmental form is best for Belleville, is not of the moment.

What is of the moment is that the will of the majority of has been expressed in the democratic method established with the signing of our national constitution. The decision has been made!

Now it is necessary to lay aside political and personal differences and join

forces to pull together for the rebuilding of our community, its government and its spirit. Without such a determined effort there is no direction Belleville can go but down. It has been doing so for quite a while now, but we can put on the brakes before the point of no return is reached.

We can do it by unemotionally and honestly examining both sides of all existing problems and working out solutions together.

We can do it by uniting the many factions, splinter groups and diverse personalities under a banner raised for a better Belleville.

We can do it by approaching our problems in a spirit of "Give a little and take a little." It is seldom that any person is 100 per cent correct in any argument. Conversely, it is almost always true that "it takes two to start a fight."

We can do it by assisting our elected and appointed public officials through frank discussions of current and future problems. It can not be accomplished by take and then pouncing upon them. No laying in wait for them to make a misman is perfect. All make mistakes. It is the spirit in which they are made and the final batting average that counts.

Most of all, we can do it by thinking of Belleville first and personal disagreements and advantages secondly.

Let's do it!

## The Filibuster Rule

Every two years in recent times a debate has developed in the U.S. Senate (at the beginning of each new Congress) over rule 22 — the so-called filibuster rule. Because the issue is so complicated, few understand all that is involved.

Rule 22 is the cloture rule in the upper legislative body. It outlines the method through which debate can be terminated and a vote forced on an issue under discussion, or on a motion to bring up a bill.

The present rule requires a majority of two-thirds of those voting to end debate. The rule was altered in the late forties from three-fourths of the Senate membership to two-thirds and then, several years later, was modified again to enable two-thirds of those voting as opposed to two-thirds of the Senate membership.

In recent times the Senate has had little difficulty of bringing debate to an end, through use of the present rule, to end debate on civil rights bills — for example.

Most senior members of the Senate would agree the filibuster has in recent years prevented passage of more bad legislation than good. If two-thirds of the membership is not in favor of ending debate, they argue, there is sufficient doubt not to forcibly end it.

The rule is designed to protect minorities. And since Dixie membership constitutes much less than a third of the membership, southerners alone cannot use the present rule to prevent a vote. A sizeable group must join them. In this, most veteran members see a safety valve against steamroller government and that is why the majority regularly votes to keep the two-thirds "filibuster" rule.

## A Poem To My Son

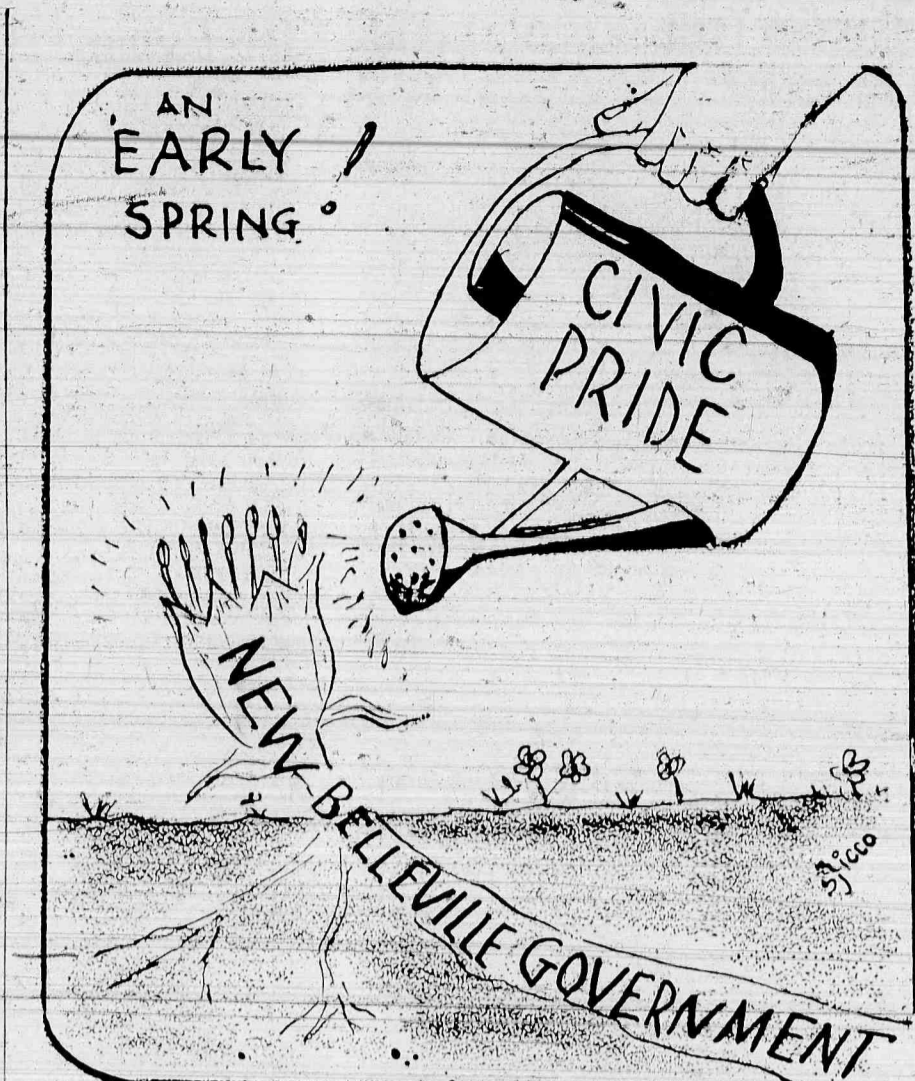

If I were to pick man's quality which I like the best,  
I would choose humor from among all the rest.

And thank the Lord you're blessed with so valued a trait,  
To be able at fourteen, to evaluate  
That fortunes do ebb and rise,  
And to be able to summarize,  
That good humor's the best of the wise.  
So try and keep this asset, with all your might and main.

T'll reach into the doldrums and lift you up again.  
A main — staff through good fortune as well as through strife,  
Good humor will guide you through a splendid rounded life.

Here's something material my good and worthy son,  
Spend it judiciously, go out and have some fun.

## LETTERS TO THE EDITOR

### Transient Irked By Police Attitude

To the Editor:

On Monday, shortly after noon-time, my wife and I were driving through the north section of Branch Brook Park in Newark. Ahead of us was a garbage collection truck obviously overloaded. Just after passing over the bridge crossing Second River (into the Belleville Park section) the truck jolted over a slight bump... and out spilled a piece of furniture and a mirror which shattered all over the roadway. We were able to slow down and ease around the obstruction and broken glass. We followed the truck through the Union Avenue intersection and attempted to attract the driver's attention by blowing our horn. Some forty feet past Union Avenue a rolled-up rug was jolted off the truck onto Mill Street in Belleville. We continued trying to attract the driver's attention unsuccessfully until he stopped for the Washington Avenue traffic light on Mill Street. He acknowledged the information and pulled over to the curb to inspect the truck.

I decided to inform the Police at the Belleville Town Hall so that action might be started to clear up these traffic and safety hazards. The only response was "We can't do anything, it's a county road". My suggestion that perhaps he could pass the information along to the responsible authorities met with a prompt and definite veto.

If a police officer on duty isn't willing to accept any responsibility in such situations, why should a private citizen?

The garbage truck's rear gate was down so the license plate was not visible. However, the big red 35 was noted on its rear and the scavenger license number on the side was Bloomfield 19 15 66.

Date of occurrence: January 16.

Perhaps all the stories about public apathy are a natural result of official apathy?

### Times Will Return Ridiculous Letters To The Editor

The Belleville Times will exercise editorial prerogative in not printing, in its "Letters to the Editor" column, unfounded accusation, innuendo or what in the editors' opinions is unfair malice. Letters containing any of these will be returned to the sender, as will those based on personalities rather than fact, private vendettas, or other sub rosa motivations. Our columns are fully open to writers expressing personal opinion in an unimpassioned, factual and gentlemanly manner. All signatures will be verified.

### Dispute Soriano Ruling

To the Editor:

Mayor Pico's announcement of Town Attorney Soriano's opinion that the voter's approval of the government change vote December 31 would be stymied in that a vote of new town officials would not be possible until May of 1970 is utterly ridiculous.

I must stress that upon voter approval of the change referendum, proper legal steps will be immediately taken by appropriate action and parties concerned to obtain a declaratory judgment of the courts to speedily implement the will of the electorate, as expressed at the polls.

Mayor Pico's action in making the announcement from his seat as Mayor, at a Town Council meeting, was purely political and in poor taste. His move was obviously intended to spread doubt and confusion in the minds of the voters, predicated upon the flimsy untenable capricious, whimsical opinion of an out-of-town Town Attorney, whom he helped appoint, whose rulings are frequently challenged in the courts.

In view of the foregoing strategy on the part of the Mayor and Town Manager Burnett to confuse the real issue in this impending referendum, I strongly urge the masses of Belleville residents dissatisfied with the incompetency and waste at Town Hall under the present inept group running affairs at the seat of our troubled town's government, to get out a strong vote for the change and to discount and ignore the futile roadblocks now being thrown up, in desperation, by the men at the helm of Town Hall.

These men, reading the hand-writing on the wall that spell out the end of their reign, are desperate. We must not fall prey to their fallacious tricks and misrepresentations.

I assure all who support the change movement their assistance will not be misplaced, since the qualified, responsible leaders

of the change movement are well-prepared to cope with any of the political pranks of the worried Town Hall crowd trying desperately to hang on. Respectfully submitted,

### Parents Say They Care

To the Editor:

We are taking "his opportunity" to speak to your readers on our common level as parents.

We are a group of concerned parents who have realized the dangerous threat of child molestation and are attempting to do something to prevent it from happening. The primary purpose of "We Must Care" is to see all parents and children educated and warned about the molester.

Don't sit back and say it can't happen here, because it can and will if we don't guard against it. We too were apathetic about the danger until two of our children were approached on the way to school with an offer of flowers. Our children had been warned about this and knew enough to say no.

We don't have all the answers but until someone can offer a more constructive solution we must use those at our disposal. We have no political or financial motivations and bear grievances against none but the molesters. The humane society have approximately 500,000 members fighting to protect animals, can we do less for our children?

Support your police force by reporting molestations and any incident of child being approached or offered candy by anyone. This could save other children from a similar, frightening experience. Any child correctly preconditioned to the unfortunate circumstances that may occur is best prepared to cope with the situation.

We want to try to make Essex County a safer place for our children to live and grow up in. won't you help. Join us and together we will keep our children safe. Our children expect us to protect them from molesters, and look to us for guidance. Please don't fail them.

Yours because children are our most precious possession. Respectfully,

### Note from Vietnam

To the Editor:

I am one of the several Belleville residents now serving in the Republic of Viet Nam, and I know I can speak for Belleville servicemen everywhere when I say "Thanks" for the support the Times, and the town have given us. We are spread all over the world, and still the folks back home found it possible to help celebrate the holidays and keep us informed on the news of the town. This says quite a lot for the people of Belleville, and I am very proud to boast of my home.

I was very surprised to receive a package from the Ladies Auxiliary of the Belleville Fire Department, and would like to express my thanks to them in particular.

I have a very limited view of the war, but even so, feel able to say in all honesty, that we are winning; and that we will continue to do so. All of you at home have your own interest in the war, and your support is perhaps our most important asset. The uplift given our morale by you folks enables us to do our job in this country that much better. We expect the support of our families and friends, and most certainly get it. The support of the entire town is a wonderful help when the "bad times" come.

I am at a loss for words with which to thank all of you, and I know that to do so personally is next to impossible. So, I hope that the Times will help me by printing this as an open letter to all of Belleville, to the residents, and to the businessmen; to the teachers, and to the clergy; and to our parents, brothers, sisters, relatives, and friends. To all, a heartfelt "Thank You," and a sincere wish to be with you again in the near future.

### Senatore Rebukes

To the Editor:

As Democratic Chairman for the Town of Belleville, I have always discharged my duties efficiently and in the best interests of my fellow Towns' people. I have never swerved in my loyalty to the people. I have always been responsive to their wishes.

The calling of my ouster as Democratic Chairman of the Town of Belleville by Councilman Casale is infantile. The fact remains that Councilman Casale was dissatisfied with the present form of government and was interested and wanted a change.

### Player Has Conclusion

To the Editor:

As a former football player, I was very hurt when the board of education cut the athletic program. Now it appears that there is a \$50,000 budget surplus. The only conclusion I can see is that the board cut the athletic program to "get back" at the parents of Belleville for turning down their budget.

I think if parents have the interests of their children heart, they should elect people to the board of education who would rather see children play than have the board play power politics themselves.

Mike Albertine, judging from his fight for restoring the athletic program, is just such a man. Why not have him on our Belleville Board of Education.  
Very truly yours,

### Voter Lauds Albertine

To the Editor:

In proposing the name of Michael V. Albertine for election to the Belleville Board of Education on Tuesday, February 14th, I am submitting to the people of Belleville a dedicated former board member.

Michael V. Albertine is highly qualified. He is sincerely interested in the welfare of our children. He also has a fine business perspective which can be used to the advantage of the board and taxpayers. Michael V. Albertine is deserving of your support.  
Very truly yours,

The eagerly awaited Factory Authorized MAGNAVOX ANNUAL SALE started on Monday. Many customers look forward to this sale since this is the only time during the year that Magnavox products can be bought at a reduced price.

When you shop for other manufacturer's TV or phonograph sets, chances are that you will be quoted a different price in every store. Not so with Magnavox, wherever you go, the price is the same.

For the first time, the sale includes Color TV. There are some Color TV-Radio - Phonograph combinations on sale at amazing reductions. You can now buy such a set for only \$645.00, which is less than many Color TV sets alone. A few additional color sets are also reduced considerably.

There are some very good values in phonographs. Magnavox has always had a dominant position in sound reproduction. Their prices, for the same quality, always have been lower than others. So sale prices make this merchandise very attractive. You always get more from Magnavox for the same price. We deal directly with the factory. This cuts out the middleman's profit, which amounts from 15 per cent to 25 per cent.

If you are in the market for a Color TV, Black and White TV, Portable TV, or a Phonograph... now is the time for the best buy.

It should be mentioned that some sets are one of a kind. We therefore suggest to come in early for the real bargains.

## D'Aloia Installs Officers At Valentine Dinner Dance

Essex County Sheriff Lenny J. D'Aloia will install the newly elected officers of the Vincent T. Strumolo Association at their 10th Anniversary Valentine-Installation of Officers dinner party to be held Sunday Evening February

12 at Joe Materazzo's Restaurant 332 Blomfield Avenue, Bloomfield, with festivities getting underway at 8 P.M. Italian-Tribune columnist Anthony "Speed" DeBenedictis is dinner chairman. Officers to be installed are: president, Al Del Russo; vice-president, Mickey Pizzuto; secretary, Mrs. Tony Morello; treasurer, Mrs. Rose Senatore; public relations director, "Speed" DeBenedictis; sergeant-at-arms, Phil Ruffolo; legal advisers, David D. Ruddy and Gerardo Del Tufo with Michael Del Russo, Sal Senatore, and Joseph Risoli.

Chairman DeBenedictis announces that besides an Italian Style Family dinner, music by Sandy and his Wanderers, opening of Valentine gifts brought in by all the ladies for their sweethearts, the feature of the evening presenting a trophy to Belleville High School assistant Pat Forte for his devotion in helping many youngsters in school and on the athletic field.

Presentation will be made by organization's standard bearer, Councilman Vincent T. Strumolo.

### WINTER DRIVING

Always expect highway icing in freezing weather, but don't always expect to see it, warns the Institute For Safer Living. Icing develops most quickly on overpasses, bridges and in shaded areas but an iced road does not always change in appearance. If you find yourself in a skid, let up on the gas and steer in the direction that the rear of the vehicle is skidding.

Avoid using your brakes at least until you are out of the skid and then just pump them lightly to slow down. Frequently in a skid a slight, smooth acceleration will help you to gain control.

## Slander Suit Against NEA

Doctor Frank M. Durkee is being represented by the law firm of Milton, Keane and DeBona, with associate counsel Joseph V. Cullum, who filed a slander and libel action against the National Education Association (NEA) in Hudson County Superior Court last week.

The former Belleville superintendent of schools states in his action that the controversial NEA report knowingly and recklessly carried false information in an attempt to smear and defame him personally and professionally.

Dr. Durkee resigned as superintendent as of December 1, 1966, after the board of education officially withdrew all charges before the Commissioner of Education, paid him \$26,600, accepted a permanent restraint on use of dissemination of the NEA report, and stated in its official stipulation of settlement, "No inference or dereliction of duty or improper conduct on the part of the superintendent is to be inferred from the resignation of the superintendent." Acting Commissioner Dr. Joseph Clayton signed a judgment of dismissal of the board action.

"We shall let the courts decide," commented Dr. Durkee, "whether the kind of thing done by the NEA in Belleville can be legally carried out as a threat to individuals and communities. While we shall seek maximum payment for damages, we shall aim to deter this kind of thing in the future."

## Romano Outlines Five Point Plan To Win Open Spot

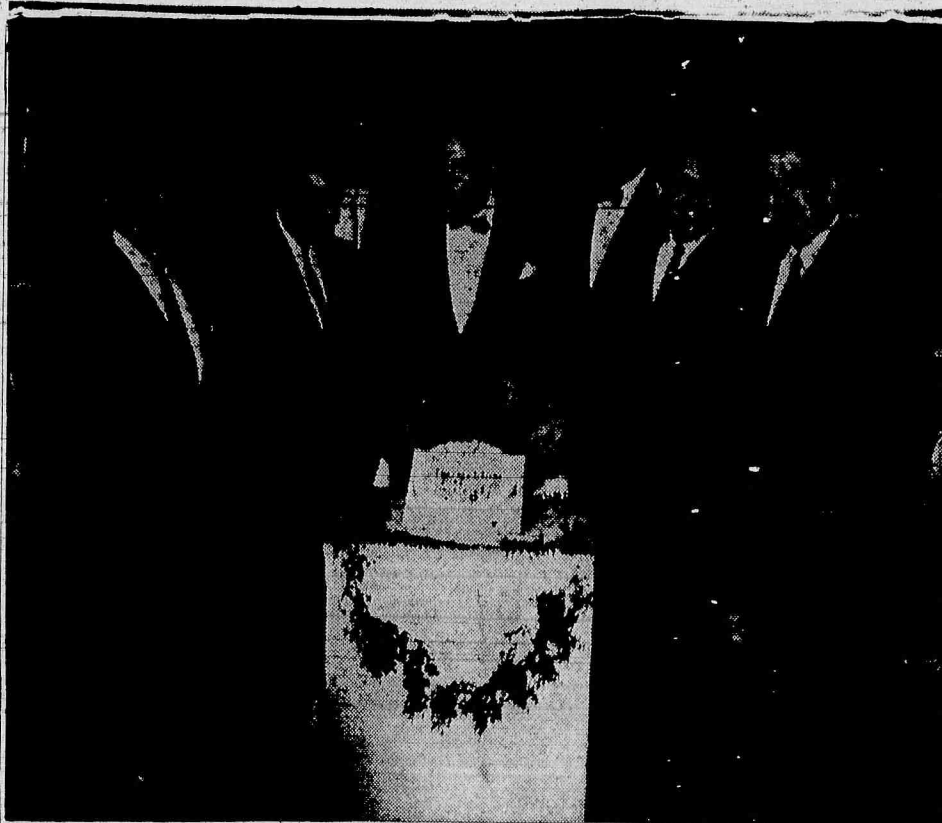

The following article was received from Board of Education candidate Caesar Romano, who will discuss a five point program designed to outline his views on what should and would be accomplished if he were elected to the Board of Education.

On February 14, 1967, the voters of Belleville will be asked to select two candidates to serve on the Board of Education. I sincerely hope that after reviewing my qualifications, which appeared last week, you will give serious consideration to my candidacy.

For you to better evaluate me, I feel it is my responsibility to present to you my basic thoughts on how to improve the quality of our educational system. I have condensed these as follows:

1. Maximum Educational value for the "taxpayer's dollar"
2. Create and project a positive image of our school system.
3. Handling of all personnel problems objectively and without bias.
4. Advance planning for complete educational objectives.
5. Complete independent analysis of all school issues.

I sincerely hope that in the coming weeks of the campaign I

PAST PRESIDENTS NIGHT — The Belleville Kiwanis Club recently held its past presidents night at the Fountain. Past president pin was awarded to William Bing for a job well done. President Bing's last official act was to award a plaque to Albert (Bucky) Cairo, as outstanding Kiwanian of the year. Helping Bill cut the cake are (left to right) John Mc Keon, Frank Bolen, John Zepka, Bing, new president Eugene Reilly, Vic Cali and J. T. Mc Laughlin.

## John B. Di Rienzo States Background for Re-election

The following is a prepared statement sent to the Times by John B. Di Rienzo, who is seeking re-election to the Board of Education.

On February 14, the most important issue before the voters of our community is the selection of dedicated, sincere and qualified candidates to the Board of Education.

For the past 20 years I have been associated with many other civic minded citizens working for the betterment of our community and school system. During the past three years I was privileged to serve as an elected member of the Board of Education. During my tenure of office our education program has moved forward. We have a fine staff fully capable of implementing an enriched program to the benefit of all of our students. Our school system must continue to move forward to keep pace with educational requirements necessary to prepare our children to compete in our complex society. When reelected I intend to continue to work diligently in the best interests of our school system representing all people in our community.

For the past 20 years Mrs. Di Rienzo and I have resided at 161 Birchwood Drive. Two of our children have graduated from the Belleville School system and presently one of our children is attending Belleville High School.

For those people not familiar with my background: I started with Public Service Electric and Gas Co. in 1934. While working for Public Service, I attended Newark College of Engineering and received a Bachelor of Science Degree in Chemical Engineering.

Later I attended Stevens Institute of Technology and received a Masters of Science Degree in Chemical Engineering. In 1962 I was selected to attend the University of Michigan's Executive Training Program and studied management and business administration.

During the past 26 years with Public Service I have held various engineering and management positions, and in September 1966 I was promoted to the position of Production Staff Engineer General Office. I have maintained a continuous and active interest with school

will have an opportunity to discuss with you personally these five-points and all other aspects of our school system.

## Valentine's Day Draws Closer

Postmaster Joseph J. Benucci appealed to the public today to mail Valentine cards and greetings early. "I know how much a Valentine means to that certain person," said the Postmaster. He urged all mailers to participate in his Mail Early Plan in order to assure delivery of gifts, greetings and cards by Saint Valentine's Day, February 14, 1967.

## Downtown Branch Holds Open House

Edwin A. Gasparini of 156 Crest Drive, is a member of the Downtown Branch's Committee of Management, of the YM-YWCA of Newark.

Gasparini's committee held a two day open-house ending yesterday. The residence floors, physical department facilities, activities in progress and displays were highlights of the program.

## Belleville Mothers Tops In Essex County Drive

Is Essex County big? You bet it is, therefore Belleville Mothers who participated in the drive for

the 29th Annual March of Dimes have all the more reason to be proud of themselves as Belleville topped all cities and towns in Essex County for contributions to the March of Dimes campaign.

The Belleville Mothers led by Mrs. Helen Biancardi, Chairman of the women division in Belleville and embers of her committee worked unstintingly of themselves and thereby collected more towards the drive than Newark did.

Belleville collected \$3,600 this year which was an increase of \$995 over last years effort.

It is also worthy of mention that all of the canisters are not yet collected so the final total will be much higher.

Essex County collected a total of \$17,031 from twelve cities and towns.

HEART FUND CHAIRMAN — Robert R. Ferguson, Jr., president, First National State Bank of New Jersey, will serve as Campaign Chairman of the 1967 Heart Fund Campaign in Essex County.

Final reminder to students and parents that the next college board examination will be March 4, 1967 with the penalty date of February 4, 1967. After that date you will have to pay \$2.50 for late registration up to February 18, 1967 which is the last date for guaranteed registration. Juniors can take the college boards on the above mentioned date or May 6, 1967 or July 8, 1967. In all probability the Writing Sample of the college entrance examination board will be eliminated next year.

The next test date for the American College Testing program is February 18, 1967 with the deadline for registration January 28, 1967. Application blanks and booklets are available in the Belleville High School guidance office.

After only 120 hours of machine and live instruction, a language student is able to understand, speak, write and read a basic vocabulary of 800 words. If he has little aptitude for language the student may work longer with the equipment, but he still will master the basic vocabulary in 120 hours. Language aptitude is not crucial, nor even very important, according to psychologists at the Institute for Behavioral Research in Silver Springs, Maryland.

A recent article in the Chicago News has reinforced the idea that every female job applicant would be wise to have a knowledge of shorthand and typing in order to assure her a better job. This is recommended whether a girl

plans to take up secretarial training or a college education. Typing, according to the experts, increases a girl's potential salary by \$15 to \$20 a month; both typing and shorthand mean an increase of \$50 to \$75 a month.

The Department of Physics of Manhattan College will conduct a Physics - Mathematics - Computer Institute this summer for 60 talented secondary students under the sponsorship of the National Science Foundation. The program will extend from July 3 to August 11 and will be restricted to students who will have completed their Junior year by June of 1967; high school graduates will not be considered for admission. The eligibility requirements for this program are that applicants must have three years of mathematics including trigonometry and be able to commute daily to Manhattan College. A secondary school course in physics is not required. A written competitive examination will be held on Saturday, April 1, for all applicants. For more information write to Borthor Austin Bernabei, F.S.C., Program Director, Physics-Mathematics - Computer Summer Institute, Manhattan College, Bronx, New York 10471.

A limited number of full and partial scholarships are available to candidates for admission to the July and September classes at Claremont Secretarial School, Chrysler Building, 405 Lexington Avenue, New York, N. Y. 10017. These scholarships are awarded on the basis of competitive examinations given at the school at 10:00 a.m. on the following Saturdays: February 4, 11, and 18. Application blanks available in the BHS guidance office.

The College of Agriculture and Environmental Science, Rutgers State University is offering a program in Conservation and Wildlife Biology, Aquatic and Marine Biology, and Oceanography. The majority of career opportunities in these fields require study beyond the Bachelor of Science degree which is offered at Rutgers. However, students who satisfactorily complete the Rutgers program are well prepared to pursue this additional study in graduate schools, that grant advanced degrees in these areas. If you are interested in more information write to the Director of Resident Instruction, College of Agriculture and Environmental Science, Rutgers State University, New Brunswick, N.J. 08903.

Student Loan brochures are available that clearly set forth qualifications and instructions on how to apply for a loan. The necessary application forms must be secured from a local lending institution. No deadline has been established for filing applications. There is practically no reason for any student to say he cannot get the money to continue his education. Financial assistance is available and the office of the New Jersey High Education Assistance Authority is ready to assist in any way possible. If you have any question concerning the loan program you can write Mr. William C. Nester, Asst. Director State Scholarship and Loan Program, State Dept. of Education, Trenton, N.J.

A reminder to residents of Belleville that the evening guidance sessions at Belleville High School will continue during the month of February on Wednesday, February 1 and Wednesday, February 15 from 6:30 P.M. to 9:30 P.M.

## Junior High PTA Strives Forward

By LORETTA NAHASH

A year, and a half's existence is the only strike Belleville Junior High School's PTA has against it. But when juxtaposed to the PTA's achievements, that year and a half has reversed its status to that of a compliment.

Originating in September of 1965, the PTA, under the leadership of president Leonard Back, now has sponsored several fund raising affairs to purchase items of a supplementary nature for the school. It has also held many special programs for the enjoyment of the parents.

Amongst the fund raising affairs, the PTA has sponsored a card party and a book fair. With the latter, new books were sold in the school to both students and parents, and it proved to be a very successful fund raising drive.

This February 16, the PTA plans to sponsor a second party in hope of making this an annual affair, but their major efforts will all be geared toward their Spring Carnival in Clearman Field which they will hold for the first time this coming May. As of yet, the carnival is still in the planning stage, but according to Back, "details are progressing both smoothly and quickly."

Profits from these two projects have not yet been allotted to any one specific item, but their general utilization will be towards something which the school would ordinarily be reluctant to purchase itself. Last year's profits were used to purchase material for choir robes. From this point, PTA members set to work and made the robes themselves. Remaining profits were used to purchase band jackets.

In addition to the above, the PTA has established a scholarship fund in which money is given to the Belleville Education Association. In turn, the Association then awards the money to the students.

On the more entertaining level, the PTA has highlighted its meetings with guest speakers, Christmas programs and vocational programs. Among these were a program in which Dr. Prystowsky

an eminent state psychologist, lectured on the psychological problems of the times, and a program on which Wilfred Academy, the noted Beauty Culture College in Newark, sponsored a "Guide to Better Grooming."

Several committees work on an integrated level to keep the PTA progressing as it is. Of these, the most important are the Program Committee, whose Chairwoman, Mrs. Freedman, is responsible for the social aspects of the meetings; The Membership Committee, which is headed by Mr. George Gugliotto; the Budget and Fund Raising Committee, which handles all the projects, is headed by Mrs. Raenone and Mr. Vanderzwan; the Publicity Committee, headed by Mrs. Marie Livingston, and the Hospitality Committee, headed by Mrs. Edith Longo and Mrs. Jane Chamberlain.

### Lois of Waterfowl Have Good Holiday

Nearly half a million waterfowl spent Christmas in New Jersey, according to the State Department of Conservation and Economic Development.

The latest aerial census by State Wildlife Managers found an estimated 494,425 waterfowl in the coastal survey area on December 27. The previous flight, made on December 11 and 12, found over 500,000 birds for the first time in many years. The count on December 19, 1965, was barely over 300,000 birds.

Interest in education," has formerly had six years of experience as both president and treasurer of the PTA of public school 7. He is also a member of the Graphic Arts and Drafting Subcommittee of the Business and Industry Education Advisory Committee of the Board of Education.

On the whole, Mr. Back, his officers and his committees have done a very successful job in building up their PTA. So much so, in fact, their year and a half existence can well be interpreted as a compliment well deserved, and one of which they can be proud.

# WEDDINGS AND ENGAGEMENTS IN SOCIAL SPOTLIGHT

## Belleville Pair on Motor Tour of South Following Wedding Rites at St. Peter's

MRS. MICHAEL MUNDY  
Former Dorothy Aiello

The marriage of Miss Dorothy Aiello, daughter of Mr. and Mrs. Frank Aiello of 10 Copper Place, Belleville, to Michael Mundy, son of Mrs. James Mundy of 92 Terry Street, Belleville and the late Mr. Mundy, took place January 28 at St. Peter's R.C. Church.

The Rev. Francis Ignacinos performed the ceremony. A reception was held at the Amvets Hall, Belleville.

Mr. Aiello gave his daughter in marriage. She wore an empire waisted gown of peau de soie with a chapel train and pearl accents at the scoop neckline and waistline. Her fingerup veil was held with a crown of pearls and she carried white roses with an orchid center.

Miss JoAnn Aiello was matron of honor for her sister. Acting as bridesmaids were the bride's cousin, Miss Diane Paterno of Belleville and Miss Karen Alteri of Bloomfield.

Their gowns were made of red velvet with matching bow-headpieces holding short veiling and they carried white muffs.

The mother of the bride selected a light green cocktail length sheath and wore a white orchid corsage. Mrs. Mundy chose a gold sheath covered with brown lace and also had a white orchid corsage.

Best man was William Aiello, brother of the bride of Belleville. Ushers included another brother of the bride, Frank Aiello and Carl Kirk also of Belleville.

The couple was graduated from Belleville High School. Mrs. Mundy is a billing clerk for Pettit Paint Co., Belleville. Her husband served two years in the U.S. Army and is with Gen-Tape of Bloomfield.

Following a motor trip through the south, the couple will make their home in Belleville.

### Jewish Veterans Honor Founders Of Essex Post

North Essex Post 146 of the Jewish War Veterans honored the founders of the post January 10, at Temple B'nai Zion, 430 Franklin Street, Bloomfield.

The Post was formed in October, 1936 with fourteen members. The Jewish War Veterans is the oldest, active American veterans organization, founded in 1893. The first commander of North Essex Post 146 was Dr. Benjamin Jacobson, a Belleville dentist. Dr. Jacobson is named as one of the heroes of World War I and is prominently mentioned in the historical volume entitled "Jews in American Wars." Dr. Jacobson recently retired after 50 years in Belleville. Other surviving founders of the post are Sam Kogan of Newark, Dr. Harry Chersshore of Nutley and Harry Millstein a long-time Nutley resident.

At the ceremonies, Milton A. Waldor, past national commander of the Jewish War Veterans was principal speaker. Presentations will be made to the founding members of the post.

Post commander is Robert Thaler of Belleville and the master of ceremonies will be Albert L. Cohen, Department Junior Vice Commander.

The Pennsylvania Assembly occupied Independence Hall in Philadelphia in 1776, long before the Declaration of Independence was adopted in the building in 1776.

### Anne Dowe Is Chairman For Annual CYO Dance

St. Mary's CYO will hold its annual St. Valentine's Dance Friday evening, February 10. This year it will have a special significance as the proceeds will go to the March of Dimes.

Anne Dowe of Oakley Terrace is chairman of the event. Miss Dowe has long held an interest in the March of Dimes and has a huge scrap book showing the years of dedication to the fight against polio and the recent March of Dimes program of fighting birth defects. At least

hope that maybe someday the mystery of birth defects will be a problem of the past.

The dance will begin at 8 p.m. and end at 11:30. Admission will be one dollar and will include refreshments and live entertainment. Anne urges all CYO members and their friends to come and spend the evening which she guarantees will be a very worthwhile and enjoyable one.

There are now about 2,000 children in the world with over 100,000 population.

## Tri-Town Units Combine For World Affairs Lecture

Tri-Town Business and Professional Women's Club of Belleville, Bloomfield and Nutley, Inc. will be the host club, joining with 11 other BPW Clubs, Connecticut Farms, Florham Park, Irvington, Livingston, Montclair, Newark, Oranges, Passaic Falls, West Essex and West Hudson, in a combined dinner meeting, Wednesday, February 15, at 6:30 at the Coronet, Irvington. Theme of dinner will be "World Affairs".

Guest speaker will be Miss Lisa Sergio. Her topic will be "New Light Behind the Iron Curtain." Lisa Sergio, Italian born and by choice an American citizen, is recognized here and abroad among the ablest and well-informed analysts of current events, and is widely known as a lecturer, editor, writer and a free-lancer in radio and television.

A unique and varied set of circumstances led her from journalism to archaeology to radio, from working for a dictator to fearless militancy for democracy and freedom; from devising a system for teaching languages by radio, to teaching in a major university; from editing a worldwide newsletter on world affairs to compiling the first known collection of the prayers of women.

As a Danforth Visiting Lecturer she has become well acquainted with the thinking of college students on scores of American campuses and, as an American specialist lecturing abroad under the State Department auspices, she is equally well-acquainted with the meaning and potential force of the American image abroad.

Miss Sergio has recently made an extensive lecture tour of India and Pakistan for the U.S. State Department. Her own travels have included the Soviet Union and other countries under Communist rule, as well as the Middle East, North Africa and all of Europe and Canada.

Other entertainment for the evening will include music supplied by "The Choraliers," a group of 30 women sponsored by the Women's Club of Arlington, and directed by Mrs. Bernard Cranford, of Montclair.

To restore the stiffness of a nylon net petticoat, dip the petticoat into a solution of equal parts sugar and starch and hang it to dry, bottom side up, stretched between two lines. The sugar should be added while the starch is cooking.

**LIONS CLUB HONOR ESSAY WINNER:** Susan Long, center, was honored last Thursday by the Lions Club after winning first place in the club's annual Peace Essay Contest. She received a certificate and a \$25 U.S. Savings Bond. Seated with Susan are left to right, Miss Mary Jamgochian, her English teacher, and Herman Knuppel, a judge and head of the guidance department at BHS. Back Row, Paul DeHagare, judge, Lester Demler, Lions' president and the Rev. William Dike, pastor of Wesley Methodist Church, also a judge.

## St. Mary's Corps Practice for Show

Now that the season for drum and bugle corps contests has passed, Nutley still is active in a similar field of endeavor.

There are 20 teen-age girls who have been practicing every week in St. Mary's gym. The group, called, "St. Mary's Cavaliers Color Guard" has been in existence about three years. They are also members of the Liberty Belle Color Guard Association, a group consisting of 17 such units located in the northern part of New Jersey.

The girls put on a five to six minute drill and are judged in 12 different categories. Their instructor is Al Wright their director is Marie Lopa with assistance by Pat Mosier. Mr. and Mrs. Frank O'Hara act as quartermasters taking care of equipment and other essentials. Publicity is handled by John Lewis.

On February 24, they are conducting their own contest at NHS. This event will be open to the public.

### LIGHTS ON!

Highlight of the evening will be the coronation of the "Snow Ball" Queen, chosen from contestants from the parishes within the county area. The winner will be determined by the parish which sells the greatest number of tickets.

All contestants will be dressed in regal, long white gowns and will be formally presented to an anticipated crowd of 1,200 teenagers. Gifts will be awarded to all the competitors.

Follow the lead of long distance bus drivers and keep your lights on during the daylight. If you have your headlights on and the oncoming driver happens to be blinded by strong sunlight, he has a better chance of seeing

Why are some drugs like "Ecstasy sauce?"

If you read "Li'l Abner" you may recall how the Gourmet's Club plotted to make "Ecstasy Sauce" from the Yokums' pet pig, Salomey. Recipe: Boil down one hammy alabamus (Salomey) until just one single, solitary delicious drop remains—and that is "Ecstasy Sauce." In terms of food, this is humorously ridiculous, but it's actually routine in the making of drugs. Often hundreds of pounds of raw materials must be processed and reprocessed to obtain one tiny pinch of the active medication. Which helps explain why modern drugs are so potent, and why we pharmacists dispense them only when your physician writes a prescription.

## PERSONAL AND SOCIAL HIGHLIGHTS OF THE WEEK

The V. Nicosias  
Mark 25th Year

Mr. and Mrs. Vincent Nicosia of Cedar Hill Avenue, Belleville celebrated their 25th wedding anniversary on January 22 at the Belleville Political and Social Club, Belleville Avenue. Vincent and Angela were married on January 18, 1942 at St. Joseph's R. C. Church, East Orange.

More than 85 friends and relatives helped the couple to celebrate their special day. Mr. and Mrs. Nicosia have two children, Joseph and Maria, both at home.

Mrs. Nicosia is the former Angela Alfieri. Mr. Nicosia is self-employed.

Clubwomen Add  
Books for Hospital

The library facilities at Clara Maass Memorial Hospital were increased by 250 additional books through the efforts of the Literature Department of The Woman's Club of Belleville and their friends who spent this past Monday preparing the volumes for circulation.

All books donated to the library are processed before they can be used and a backlog had developed, said Mrs. Richard A. Shafter, volunteer librarian and first vice president of the Woman's Club of Belleville who was responsible for the services of the clubwomen.

Mrs. John DeNike, chairman of the literature department accompanied by Mrs. Arthur G. White, Mrs. Floyd N. Haring, Miss Winifred W. Southworth, Mrs. George Gebrian, Miss Margaret McMillan, Mrs. Albert Ruff and Mrs. Irving Vajt handled the mass production which would benefit so many of the patients at the hospital in the future.

CYO SNOW QUEEN: Linda Corigliano right, is Holy Family's 1967 CYO Snow Queen crowned at the annual event by last year's queen, Rosemary Senatore of Belleville. She will represent Holy Family CYO at the annual Snowball Dance held at Seton Hall University March 11.

Linda Corigliano Crowned  
Queen of Holy Family CYO

Linda Corigliano, daughter of Mr. and Mrs. J. Corigliano of 20 Hudson Street, Nutley, was crowned 1967 CYO Snow Queen at Holy Family R.C. Church, Nutley.

Linda is 17 years old and attends Nutley High School. Linda expects to attend Nancy Taylor Secretarial School where she has been recently accepted. Crowning the new queen was Rosemary Senatore 1966 Holy Family Snow Queen as well as Archdiocesan Snow Queen. The Rev. Robert Cozzini, CYO moderator presented Linda with her trophy. Her escort was Carl Guglielmo who is a graduate of Nutley High School.

She is now eligible to compete for Archdiocesan Snow Queen at the annual Snowball Dance held March 11 at Seton Hall University.

Other girls competing for the title were Joan Fumari, Dolores Miller and Jean Galante. Each girl was presented with a bouquet of flowers.

TONI MARONE

School Eight PTA will hold its regular meeting on Thursday, February 2, at 8:15 p.m. in the auditorium. The 1967-68 school budget will be presented by a member of the Board of Education. The candidates for the forthcoming Board of Education election will speak followed by a question and answer session.

Mrs. Levon Khachadourian member of the Essex County PTA Executive Board, will act as moderator. Arrangements for the evening were made by Mrs. Robert Lipscher, program chairman. Second grade class mothers will serve refreshments. All members and friends of School Eight are cordially invited. Mrs. D. Nass is president.

Belleville High School Band members under the leadership of Robert Wing, will collect papers to raise funds for the performance of EXPO 67 in Montreal, Canada on Saturday, February 4. Area to be covered between Union Avenue and Franklin Avenue. Collections to begin at 8 a.m. On Saturday, February 11, the area covered will be east of Union Avenue, including the Valley. Many thanks to all the wonderful people of Belleville for helping to make this trip to Canada possible.

On Monday, February 6, the PTA of School Three will present "Facts and Figures." After

a discussion on the budget, the Melodears, a singing group which originated at School Three, will entertain. Refreshments will be served.

This month PTA's all over the country will be celebrating Founders Day. This seems like an opportune time for us to interpret the PTA and its program to the public, to build the warm understanding that is so necessary for carrying on an effective PTA program, and let our citizens know that our ideas are geared to benefit all children in the community.

A job at this time for all members is to, in speaking to our friends and neighbors, or even writing to our editor, give a clear picture of our organization so that we may gain support for our ideas and programs. Everyone is interested in children, his own or his neighbors. If you are not a member of your school PTA join now.

The Greylock School 5 PTA will hold its monthly meeting Monday, February 6 at 8 p.m.

The topics for the meeting will be Founders Day, nominations of officers and a presentation of the School Budget.

All these topics are directly related to one another and the school board will be represented by Ernest Arvidson and John Di Rienzo so that they can answer any reasonable questions about

the new budget to be presented to the people.

Participating in the Founders Day Program will be sixth graders Donna Rainone, Susan Griwert and Debra Tamborino.

Refreshments will be served in the all-purpose room after the meeting.

Do you want to win an electric knife or blanket? Then come to our Junior High School card party. There are many fine raffle prizes and door prizes. A novel attraction will be our Dance Band. They will provide background music.

Theme this year is a Western one.

Don't forget the date, Thursday evening, February 16 at 8 P.M. at the Junior High School. Tickets are \$1.50 and may be purchased through your child at school or at the door.

A wind-up meeting for the card party committees will be held February 9 prior to the regularly scheduled PTA meeting.

Red Cross Receives  
Beds From Lions Club

The Belleville Lion's Club has given five hospital beds to the Belleville district. Four of these beds have sides which can be raised if necessary.

Many calls have been received during the past years requesting this equipment but Red Cross always had to refer clients to the Lion's Club.

At a recent meeting they decided it would be more expedient for Red Cross to handle the beds, and we were only too happy to have this wonderful donation for our loan closet.

Any person in need of a hospital bed can make arrangements to borrow one by calling the Belleville District, 759-4610.

Belleville-Nutley Hadassah  
Party Fetes Jerry Herman

A gala cocktail party sponsored by the Belleville-Nutley Chapter of Hadassah, was held recently at the home of Mr. and Mrs. Aaron Gordon at 494 Prospect Street, Nutley.

Jerry Herman, who was the guest of honor, is one of Broadway's youngest and most successful composer-lyricists. His hit musicals include "Milk and Honey," "Hello, Dolly," and "Mame."

His first Broadway venture, "Milk and Honey," resulted in many honors for him. He was nominated for both the Tony and Grammy awards, and Station WPAT's Gaslight award named "Shalom" as the best song of 1961. That year, the University of Miami Alumni Association presented him with the "Man of the Year" award.

In 1965 he received a Grammy Award for "Hello, Dolly" and was also chosen by the United States Chamber of Commerce as one of the ten outstanding men of 1965.

Louis Armstrong's recording of the title song of the record breaking musical "Hello, Dolly!" is the most popular song ever to come out of a Broadway Show, and the original cast album won a coveted Gold Record for Herman.

He is also an accomplished pianist and has recorded an album entitled "Hello, Jerry," consisting of songs from his and other Broadway musicals.

In 1966 he received Variety's Award for his "Mame" score, which is also heading for a Gold Record Award.

Chairman of the evening was Mrs. Abe Weinstein of Nutley, assisted by Mrs. Jerry Hamburger of Nutley and Mrs. George Kapnick of Belleville.

The proceeds of the party have been contributed to the Hadassah

Medical organization, which supports the Hadassah Medical Center, the standard-bearer of healing, teaching and research in Israel and the Middle East.

Patrons for the evening were Mr. and Mrs. Irving Blank, Mr. and Mrs. Gordon, Mr. and Mrs. Hamburger, Dr. and Mrs. Sidney Rogoff, and Mr. and Mrs. Weinstein of Nutley; Mr. and Mrs. Henry Denner, Mr. and Mrs. Morris Glassman, Dr. and Mrs. Kapnick of Belleville; Mrs. Sylvia Mancini and Mr. and Mrs. Lewis Solomon of Clifton.

Other guests were Mrs. Albert Arrow, Mr. and Mrs. David Broffman, Mrs. Alvin Brahen, Dr. and Mrs. Franklin Dotoli, Dr. and Mrs. Sidney Feldman, Mrs. Milton Friedman, Miss Frieda Goldberg, Mr. and Mrs. George Harris, Mr. and Mrs. Walter Kalakowski, Mrs. Jerry Lutin, Mr. and Mrs. Carl Morgenroth, Dr. and Mrs. Gerald Piserchia, Drs. Rose and Milton Prystowsky, Mr. and Mrs. Nathaniel Rubin, Dr. and Mrs. Saul Rubin, and Mr. and Mrs. David Stein of Nutley.

## 1966 Tax Forms In The Mail

NEWARK, N. J.—Within the next few days your postman will deliver a booklet of instructions for preparing your 1966 Federal income tax return.

"Save it," is the advice of Joseph M. Sholtz, District Director of Internal Revenue for New Jersey. "It contains a blank tax form already identified with your name, address and social security number exactly as it is listed in Internal Revenue's master file."

If you use this form, or the peel-o-way label from it, for your 1966 tax return you will insure prompt processing of your return and speed the delivery of any refund you may be due.

If you have an accountant prepare your return, give him the pre-identified tax form and ask him to use the label from it on the return he fills out for you.

Also enclosed in the booklet is an envelope addressed to the Internal Revenue Service Center at 11001 Roosevelt Boulevard, Philadelphia, Pa. 19155. This should be

## Albertine Criticizes Board For Removal Of Food Head

Michael V. Albertine, candidate for the Board of Education, recently stated that upon examination of the proposed school budget the salary for cafeteria director has been completely eliminated.

This action would mean the end to free food from the government and the low priced subsidized milk. Albertine questions the board's wisdom on this move. To further elaborate on this program, Albertine stated that the Federal Government stated this program to give the children a hot well balanced inexpensive meal. He also questions the point that if the board has not been able to run the cafeteria without a deficit, how can an independent caterer be able to run the cafeteria without raising the prices unless it is that the students will get frankfurts as the order of the day.

Another point Albertine cited was the recently purchased new equipment by the Board of Education, which will be used by the caterers free of charge. Ernest Arvidson, president,

Board of Education for our town was questioned on the points raised by Michael Albertine and he stated that after careful consideration and examination by the Board of Education and himself in such towns as North Arlington and Paramus the recommendation to eliminate the cafeteria director and replace him with an independent caterer was made. This conclusion was drawn when investigation revealed that the companies plan to employ all existing employees now working in our cafeterias and also would, if desired find a place within their organization for the cafeteria director. Certain advantages would be in store for the employees such as their ability to collect unemployment insurance (they would also receive a weeks salary at the end of the year and the beginning of the next year if they return).

The Board of Education would still maintain complete and absolute control just as they are now doing, this would include picking of the menu and the prices with the caterer and return to the government would be lost as to food and the price of milk will rise, but the price of the milk will rise, even if our present system were employed next year because the surplus is gone and the only way to make this up is to increase the price.

The Board of Education may if it so desires, give sixty days notice and cancel the contract with the caterer and return to its present form.

While it's true that the town would lose Federal aid, it's also true that the underwriting the Federal government has given is constantly going down and has reached a point now that the town is not receiving an amount which would warrant maintaining the present system.

## Belleville Mother Seeks Board Seat

MRS. HELEN RUDDEN

I moved to Belleville when I was four years old and attended School 5. I moved from town after completing my freshman year at Belleville High. I am a mother and housewife. My three sons have attended Belleville School 5, and the two youngest were at the Junior High. All three are currently at the Senior High.

My husband is from Belleville, having attended St. Peter's and 8 school. He was in the Seabees during the war. He received his diploma from Clifton Evening High School. He is employed by Walter Kidde & Company. My husband, Bob, was Assistant Cub Master at Pack 350 (Fawcett) and later Scout Leader at Troop 351 (Grace Baptist Church) for five years. The scout swimming class was conducted by him for four years.

I have been an officer in P.T.A. work for 14 years. I have also served on various fund raising committees. I was a den mother for six years, and also helped my husband with his troop. As an official coach for bowling, I teach young boys in the Saturday morning league at Olympic Lanes in Belleville.

One thing I have found from working so closely with schools is that we can and should be proud of the achievements of the Belleville School system. When you consider that 62 per cent of our town's children are accepted by colleges, then we must be doing something right.

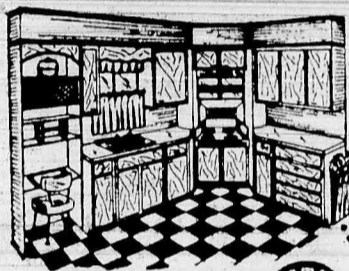

Through my experiences with youth and school activities, I feel I am qualified to contribute to the continuing progress of our schools.

## Belleville's Wrestling Team Ambushes East Side By Fantastic 44-0

### Sideline Byline

Steve Charen

By STEVE CHAREN  
WINTER OF DISCONTENT:

With rebuilding doldrums on the cage front and a slow start on the mats, the current season can best be termed as athletically proud Belleville High's winter of discontent. With only one more outing remaining in a frustrating season, the 5-12 cagers finish at Irvington tomorrow with a team battling for third in the BIG Ten Conference.

After dropping their first three meets, the grapplers showed equal disappointment but two record breaking performances with a 44-0 shut-out of East Side and the first win ever over Columbia on the mats reversed that trend. A disastrous trip to one of the state's premier squads, Montclair, ensued but with five meets remaining the prospects of a winning campaign seem evident.

Only on the bowling front are contented. Trailing first place Bloomfield by just two game prior to the upcoming pivotal clash, Mike Salzarulo's keggers second place in the 13 team Northern New Jersey Interscholastic Bowling League is the brightest spot on the Belleville sports scene. Mike Rowitz a senior leads this squad and the league with a 195 average; two other seniors and three juniors round out the team.

**BIG ONE:** While the Bellboys are closing out the season at Irvington, in an effort to avoid the league cellar, the Big Ten Conference's main interest will be centered on the pivotal clash between co-leaders Bloomfield and Orange. Tied atop the watered-down league for most of the season, these two glants contrast each other completely in characteristics and style of play. Having met once earlier in the year a thinking Bengal squad had prevailed over the run and shoot Tornados. Then as each fell on successive days to surprising West Orange and Bloomfield also fell to Irvington, the deadlock arose.

Bloomfield, a second place squad last year with juniors, was rated as the pre-season favorite by most observers on the strength of a veteran team led by scoring leader, Ted Jasienicki and back-court operative Jim Trisuzzi. The Bengals play a deliberate thinking kind of game and have wide variety from their fast breaks to their slowdown tactics and full press under vet coach George Cella.

Orange on the other hand is the county's surprise team. Generally considered to be a year away, Coach Hody Mahon has come up with a squad boasting six men over the six foot four

mark, with four of them as potential returnees. Bob Butts a 6 foot 4 junior with a 20 point average and amazing jumping ability leads this aggregation with Morris Billingslea, a 6 foot 5 senior, also averaging about 18 for the highest scoring team in the Big Ten. The Tornados style of play can best be described as strictly the run and shoot play-ground variety. Using their height to good advantage off the boards, Orange fast breaks its foes to death. While a full court press can be half-heartedly employed when the going gets tough.

In the title fracas, conveniently scheduled for the season's finale, it stands as a matter of Bengal brain versus Tornado brawn for while the Bloomfield squad is no small group they are no match in size with their foes. If Orange can set up its run and shoot game without noticeably Bengal defensive opposition the game could fast develop into a runaway, but the pick here is for the Bengal to once again prevail in the big one on the strength of experience and determination if nothing sounds like a reasonable margin.

**NOT ALL:** You just can't win them all or so the grapplers Joe Villano found last Saturday after journeying to Montclair. Having compiled a 36-1 dual meet slate through four years of Varistly wrestling with the only loss coming in an asterisk marked torn knee catledge effort, Villano has long stood as the one sure spot on Bellboy mat squads.

Having sept to a Christmas Tournament crown to start the year, Villano had then knocked off five straight dual foes after a bout with a virus while establishing the unbelievable stigma of having been unscored upon.

Then Villano having just recuperated from his virus bout journeyed to Mountie Territory where Cliff Brown, an AAU champ lurked in his class. Taken by surprise the stalwart Bellboy not only was scored upon in a quick take-down but was pinned for the first time in a career that has spanned over 50 dual and tournament matches.

Revenge now has a place for Villano as he seeks to return Brown's favor. They will probably meet again in the Regional finals, one step away from state supremacy at the 129 pound class, it should be an interesting little war.

### Physical Fitness Award To Cook

The Belleville Jaycees in support of the President's Council on Physical Fitness has presented Robert E. Cook, superintendent of recreation with the Leadership Award for 1966.

In presenting the award, Howard Fisher, Jaycee president, recognized Cook's outstanding leadership and dedication to the youth of Belleville through this well-rounded recreation program as a positive action in the prevention of juvenile delinquency here in Belleville.

The award reads, "The United States Jaycees award for Physical Fitness Leadership presented to Robert E. Cook. Whereby, as an architect of a stronger, healthier America, this individual has exemplified leadership through his contribution toward the development and execution of a physical fitness building program."

The Jaycees meet the third Thursday of every month at the For - Hills restaurant at 7 p.m., and they are interested in signing up new members who must be between the ages of 31 and 35 years.

### San Fillipo Tremendous Performer For Belleville

We in Belleville are fortunate in that we have had many sports figures to be proud of. Len Luongo, Football, Baseball and basketball fame is now starring at Virginia Polytechnic Institute, Richard Luzzi, who made the All American High School Football Team is now a standout performer at Clemson University.

Now once again we are fortunate to have an all star performer as a sports all star performer at Belleville High School, in the person of Rick San Fillipo. Rick has been an all star for every team he has been a part of while at Belleville. Now in his Senior year this all around athlete will be sorely missed next year.

It's not only his athletic ability that makes Rick a stand-out but it's his mental attitude and his respect he carries for his coaches. Ranked high in his class academically, he is also the president of the senior class.

Rick's presence on the basketball team is immeasurable, his physical qualities stimulates his teammates to play a great brand of ball. All who have been unlucky enough to be guarded by him from opposing teams wish that Rick would pick on someone else so that they can try to score, because Rick's defense is so tough that his opponents start talking to themselves when they realize they can't take him.

Forget about physical injuries because this writer has seen Rick with an ankle injury that would have sidelined a lot of other players. Rick just kept giving his all for the remainder of the game which was about fifteen minutes of playing time on a badly sprained ankle, and he came right back to play the entire game two days later.

He's a smart, quick thinking, tenacious player who doesn't know the meaning of the word

quit. When Coach LoBalbo is looking for the big play, it's usually Rick who makes it.

Rick will go far in life because of many factors, his personal attributes plus his good rearing by good parents and two very proud brothers (one is now at Montclair State College, and other a star performer at Belleville, is now teaching in Clark Township.)

The college who lands Rick will have gotten a student and an athlete that they will learn to respect as we have, because Richard San Fillipo is a tremendous good will ambassador for the town of Belleville.

### Ice-Fishing Reported OK At Lake Spots

New Jersey "frostbite anglers" are enjoying a variety of fishing opportunities.

Biologists of the State Division of Fish and Game recently surveyed ice fishermen on half a dozen popular northern New Jersey lakes.

Lake Hopatcong, as usual, was the most popular spot. Anglers had moderate success with pick-erel and made scattered catches of yellow perch and other species.

Excellent yellow perch fishing was found at Lake Musconetcong. Pickerel and occasional largemouth bass were also taken. Pickerel were most abundant in Bear Pond and Lake Wawayanda. The fish were on the small side, as has been the case in Bear Pond for several years.

### Didomenico, Cucolo Star, King Calabria Pins Giant

Belleville High School's wrestling team shut out East Side high 44-0. The feat was all the more magnificent when one realizes that it was almost an impossibility.

Belleville won the first match by forfeit when the East Side man was found to be overweight, the victory was awarded to Robert Riboli, a very promising young grappler.

Because of the forfeit an exhibition was agreed upon by both coaches and Ron Neto and tough Doug Mc Elroy commenced. Doug by far the stronger man completely outclassed Neto and pinned him in the first period.

Nick (the quick) Didomenico took on the East Side captain, Ron Cardoso and after a tough match was awarded the victory by a score of 9-2.

The 115 pound class pitted John Perrino and Dennis Gonzales, Perrino then showed what he was made of as he pinned his man in one minute and nine seconds.

The bombing of the opposition continued as Richie Cucolo pinned his opponent with one minute and thirty one seconds left in the match.

In the 130 pound class, rugged Joe Villano, one of the toughest wrestlers Belleville has ever had, took on Tony Rodriguez and promptly whipped him 8-0, despite

the fact that Joe had to lose four pounds that day to make weight.

Mike Luongo, veteran grappler rode his man for an unbelievable span of four minutes and 47 seconds enroute to a shut out victory 6-0.

The assault kept up as Frank Esposito took the measure of Ben Summers in the 141 pound class, by a score 8-0.

Swinging Sam Veltri had an exciting match with Joe D'Oliviera. The Bellboy was persistent and walked off the mat with a 6-4 victory tucked under his belt.

Bob Andrews, Blue and Golds representative in the 157 pound class performed a predicament and a reversal to post a 4-0 win.

Walt Bergesford who was injured returned to action in fine style as he posted a 5-2 victory over muscular Vin Russo.

Sophomore Bob Vbonfante, a promising wrestler took on Lou Fernandez in the 178 pound class and quickly posted a 2-1 win.

In the battle of the giants, Big Sam Calabria, (King Calabs) wrestled mammoth Wayne Carbone, 290 pounds in a tremendously exciting match and King Calabs promptly pinned his man.

despite the fact that he gave almost a 100 pound advantage to his opponent. The pin occurred with three minutes and 41 seconds left in the second period.

## Silvestri's Wrestlers Snare Cougars 27-21

One of the most thrilling matches in the history of Belleville's long and illustrious sports career was held in the high school gym January 21.

Visiting Columbia High School's highly touted wrestling team prepared to make Belleville their next victim but the Blue and Gold had something to say about this as they took the measure of the match by a final score of 27-21.

Before a large crowd in the local gym, highly partisan Belleville began to take matches in a manner which looked like a rout was going to take place.

Doug Mc Elroy pinned his man, Nick Didomenico followed suit by pinning his opponent.

John Peraino ran into rough weather by losing a close decision to Reeves from Columbia.

Rich Cucolo got the Bellboys going again as he powered his way to a 3-1 win.

Joe Villano brings the best out of the opponents he's wrestling and settled for a hard fought 3-0 decision.

Mike Luongo stomped to Ceoli for a 7-4 victory and the Bellboys were flying.

Then the roof began to fall in

### HERE'S HANSON

## 200 Games Rolled By Gaccione, Hollman

By JOHN HANSON

Congratulations from Olympic Bowl to Vivienne Bono for rolling a 212. Vivienne is a graduate of one of our recent learn to bowl classes who joined the Tuesday morning Early Bird League. It is her first season of bowling and she's become a real bowling enthusiast. Vivienne, a concert pianist, as a matter of fact is so enthusiastic that the other day when she hurt her finger she forgot about her profession and exclaimed "Oh! I won't be able to bowl. Keep up the good work Viv!"

Ladies Handicap Marie Gaccione rolled an even 200 and on the Tuesday night ladies League Lil Holman rolled a 203 and Ethel Percy came in for a score of 204. Both of these girls are on the same team and ended up with a beautiful 707 scratch. Their sponsor D'Alconzo Electric should be proud of these girls.

On Friday Night Ladies Mary Campbell replaces Ann Evers as Sergeant-at-Arms. The Belleville Lions League's Don Bowden missed high game in the first game by 5 pins and the second game by 11 pins. However, he came through with a 254 in the third for a 627 series and a good good night.

Belleville High has a league bowling here at Olympic on Wednesday. Johnny Longo felt that if the seniors could do it the Juniors could too. So now we have a John Longo Wednesday afternoon league composed of young bowlers from Belleville Junior High, 9th graders.

Each month Olympic gives patches to all Junior bowlers who bowl 50 pins over average, 75 pins over average, also all Jun-

iors get patches for 150 games and 200 games. The winners for the 200 club are Donald Carisimo, Richard Centanni and Donald Gilchrist. 150 club winners are Robert Chorney, Allen DeMasi, William Verry, Joe Bucci, James De Bold, Michael Wallace, and Mary Ann Tiosi. 75 pins over average are Alie Thomas, Vincent Marchese, Terry Vitriello, Mary Ann Tiose, Donald Carisimo, Marc Borgo and Michael Sbarra.

Just for a point of information for all you bowlers planning to bowl in a league here next season. In keeping with the Brunswick policy of continuous improvements we would like to announce the acquisition of additional land adjacent to our bowling establishment. Our intentions are to make an in and out roadway to provide additional parking for approximately sixty more cars. Here's to better bowling... see you next week.

## Belleville Beaten By Strong Squad of Tall Tornadoes

Defense is the name of the game for Al LoBalbo's Bellboys. For one quarter it effectively bot-

tered up potent Orange last week. A slow paced start saw the Blue and Gold creep ahead 4-2 after the first five minutes of the pe-

riod as the frustrated league leaders were completely stymied. That margin grew to 10-6 as the pace quickened in the next two minutes, but as it developed that faster pace proved Belleville's downfall. Closing out the quarter with a fast break the run and shoot Tornadoes turned the game around in the second run-

ning off 14 straight points to move ahead into a commanding 20-10 lead. Belleville's deliberate style had been broken, long jumpers were converted into Orange rebounds and scores as a 63-39 final evolved.

## Two Teams Tied For First As Standings Take Shape

As the teams of the Recreation Mens Basketball League do battle for the four playoff positions the situation is beginning to take shape.

Tied in first place with 61 records are the Robsons and the B.P.S.C. No. 2 teams. Ironically both of these top teams offered losses at the hands of the Zig Zags, who rate 4.3. At present the Zig Zags and the Gardens are tied for the coveted fourth position and the right to play in the Championship playoffs. Both teams stand at 4.3. In between these two ties is the Stash team with its 5-2 standing.

With half the league yet to be played, anything can happen. The Trojans (3-4) can still move into contention, and the big five will continue to battle mightily for play-off seedings.

In last week's game, the Trojans actually led the B.B.S.C.

No. 2 for three quarters of the game only to lose it in the last period. O'Brien and Dunleavy each scored 15 points for the winners, and Bunion made 15 in the losing cause.

The Gardens enjoyed a 64-12 romp over the B.P.S.C. No. 1 team. Big scorers for the winners were Barrett with 20 points, James with 17, and Buraus with 12. Another run away was the 63-35 win by the Zig Zags over the Evergreens built on 23 point scoring by Suscave, 15 points by Higgins and 12 by Lilioia.

Robsons made more room for themselves at the top by grinding out a solid 45-31 win over the Stash. Scoring was pretty general among both teams. Davit and Henderson each accounted for 13 points while Laird score 11 for the losers.

## Belleville Drops Squeaker In Last Quarter Of Finale

By STEVE CHAREN

Starting like so many other recent outings, Belleville's home finale promised a potential upset as the first period left the Blue and Gold on top 15-7, but the outcome was more of the same heart break as the game turned into an artistic failure and Columbia came from behind with a fourth quarter surge to decide matters at 52-40.

Mike Mateyka had provided the spark needed to ignite that first period effort as two three point plays highlighted a 4 for 4 ten point quarter. After moving ahead 3-1 in a typical Belleville defensive opening four minutes, the Bellboys ran off seven markers within the next minute to jump ahead 10-1.

Columbia's back seemed ready to be broken at this point with the prospect of a solid revenge for 63-31 romp that had ensued on the Cougars home court starting the visitors in the face, but then the Bellboys committed their first error. Pleased with their offensive prowess, Belleville's high spirited forces tried to out-fense their foes while virtually forgetting their defensive efforts.

For two minutes, the Bellboys still managed to hold the potent Cougars stunned as the margin crept ahead to 15-4, but then three points in the final minute cut the lead to a still firm 15-7. Belleville returned to its defensive expressions to begin the second period as Al Lo Balbo's forces ran off the first six markers recorded to move in front 20-7. The last of these deuces came off of a steal and bunny by playmaker Bill Sherman; the speed-up continued after this play though to the Cougars advantage.

The next six points were Columbia's as the County's leading scorer Rob West began to find the range in what was to be a 6 for 12 17 point night. After the

margin had been cut to 20-13, the teams exchange baskets until the half which brought a 24-17 margin.

Belleville scored the first point of the new half, but that was all that was reminiscent of the first. From there Columbia scored six straight in three slow paced minutes as Bellboy accuracy dwindled. That spurt then grew to 10 of 12 points over four minutes and 14 to 18 over the quarter as West teamed with an accurate soph back-court mate Steve Burrel to lead Columbia back into the ball game. Columbia shot 5 for 9 in the period after a 6 for 15 first half as the 2 for 7 third and 10 for 23 first half Bellboys were now the ones reeling.

Columbia's third period spurts saw the margin fall steadily to 25-23, 27-26 and 29-28 before a jumper from the top of the key by Burrel closed out the period with Columbia in possession of the lad for the first time in the contest.

## Bellboy Varsity Nipped In Montclair Game

Three quarters of skirmishing left merely a point to separate gap-closing Belleville and tail Montclair, but then the Mountie depth told as the Bulldogs ran off thirteen straight points en route to a 57-42 final.

It may have been junior Jim Tansey whose ten second quarter points overcame an early Bellboy lead and it may have been Eric Bradley who pumped in eight key markers in the crucial final spurt, but it was the presence of big Bob Marshall that proved the difference last week at Montclair.

At six foot six the husky Mountie was easily the biggest man on the court. With a big height and weight advantage the unstoppable victor hauled in twenty caroms during the contest and accounted for 18 points at a steady foul line pace. LeRoy Polite and Bob Baker who drew the honors of guarding the Montclair behemoth drew nothing more than eight fouls and countless bruises between them.

## Jaycees Football Classic Raises Money For Charity

A record \$170,500 was raised through the 1966 Jaycee Football Classic for New Jersey charities and Jaycee youth, sports and

community service programs Jaycee State President Henry Shyne announced today at the New Jersey Banquet.

In announcing the new record, President Shyne also noted that since its inception five years ago, the classic has raised early \$750,000 for New Jersey charities.

The charity dollars will be distributed this week to 286 charities through 170 local New Jersey Jaycee Chapters. The chapters earned \$94,500 for charity by selling tickets and advertising in the souvenir magazine and by working at the game.

From the proceeds, the Jaycees will also add some \$34,000 to the Jaycee scholarship fund at Rutgers University and make a special grant of \$2,000 to the John V. Mara Memorial Cancer Fund.

All funds will be distributed as the U. S. Jaycees make their 51st year of community service throughout the nation.

In making the announcement, Mr. Shyne praised the New Jersey Sportswriters for their continuing support given to the Jaycees, the Trustees of Princeton University for their generosity in providing the use of Palmer Stadium for the annual classic and the Pepsi Cola Metropolitan Bottlers for their cooperation in presenting the charitable event which has become the largest single, one-day, fund raising event for charity in New Jersey.

## The Key Factor In The '66 Bellboy Squad Was The Tiny Word 'Unity'

(This is the first of a two-part series by sportswriter Steve Charen. — Editor)

One word clearly describes this year's Belleville grid team, that word is "unity." Not the biggest, the most experienced, nor the best team to come out of Belleville in recent years, but the 1966 squad was certainly the closest knit.

Lacking the dissent and cliques that have racked Bellboy squads in recent seasons this year's group was clearly the closest, most determined, conscientious and loyal squad that Tom Testa has coached in his five years tenure. This last squad provided a fitting climax to a 31-12-2 era by banding together at 6-3.

Taking to the field with only two veterans to start the season things looked bleak for a small and inexperienced Bellboy squad. But after drilling through triple sessions practices they were whipped into shape for an effort that was to carry them to third in the area behind the State's number one and two teams Montclair and East Orange while tying for 15th place among the states 340 grid squads.

Starting surprisingly fast, the '66 Bellboys opened the year with a near upset that none of its predecessors could accomplish amid fumbles, forfeits, and frustrations.

It was not to be so, however, when East Orange scored with seven seconds left in the first half before an errant snap on a conversion led to a 7-6 loss.

Bloomfield was next on the agenda for a team that was to score 161 points while allowing

66 points and a decisive 27-0 triumph followed. Then more disappointment was due, this time in the Nutley-Belleville Classic.

Playing their hearts out an undermanned Belleville team clung to a 7-6 margin going into the final minutes, but Doug Arnold made a spectacular diving for the down catch to snatch away a heartbreaking Belleville win, 13-7.

West Side (40-6) and Irvington (20-6) then fell before the Bellboys might, the only real loss of the season. Leading a superior Garfield team 6-0 through two quarters, the Bellboys fell behind 7-6. That is how it should have remained as a true indication of their courageous efforts by a team outweighed 50 pounds per man, but two last minute fumbles made it 20-6.

After the pounding Belleville managed to shut out West Orange 8-0, before closing out Testa's schedule with 33-13 and 14-0 triumph over Kearny and Orange.

Through it all an amazing lack of injury saved a deathless team from certain disaster. With a bench that wouldn't have done justice to past Bellboy powerhouses, the 66'ers snuck by as Lou Della Terza — the biggest Bellboy of them all at six-foot-two, and 230 pounds — was the

only casualty missing three games with a rib fracture. The other losses in an amazing year came in late in the season as Rich San Filippo saw limited action due to a bone bruise in the final two encounters.

Mike Welsh started late and finished early with a bad ankle. Jim Serritella broke a foot, and Mario Ponzio required several stitches to close a cut on his chin.

All in all it was an interesting year for a determined team and equally determined coach. This 1966 went down as the year of unity on the Belleville gridiron. (Continued next week).

### DeWitt Savings To Host Meeting

Dr. Frank P. Merlo, of Montclair State College will address the Belleville Community Welfare Council at 8:15 P.M. on Monday, February 6 on the topic of "The Two Year Community College". This meeting will be held at the DeWitt Savings and Loan Association.

Dr. Merlo, a native of Elizabeth, holds Bachelor's and Master's degrees from Montclair State and an Ed. D. from Rutgers. His dissertation in connection with the latter degree was entitled "Community College Facilities": a popularization of this work has been used throughout the country and in some foreign countries.

He has served as Associate Coordinator for the State College Construction Program for the N. J. State Dept. of education.

The fact that the Freeholders have approved an Essex County Community College makes Dr. Merlo's topic particularly timely.

## Minimal Requirements Say Budget Proponents

Another time of decision is approaching for Belleville citizens. Voters on February 14, will vote their approval or disapproval of the 1967 school budget and also name Board Members for the coming electoral year.

Figures sometimes have a misleading nature and therefore it is most important to hear from leaders in the field of education.

**Time To Redeem Belleville**  
Superintendent of Schools stated that the budget election on February 14 will give Belleville an opportunity to redeem itself after two successive budget defeats have placed our school system in peril.

Rosamilia further stated that it is a simple fact of life that one can not remain static in the face of educational innovations around us, changes which require funds not made available for two years. He continued by saying that we have ample reason for pride in our teaching staff for their efforts to move forward under handicaps imposed by inadequate funds.

Rosamilia emphasized further that the proposed budget reflects aspects of our program, more specifically special education. A

tuition agreement with Bloomfield for senior high educable students has given us a full program for these youngsters. He stated that space allocations do not permit a full appraisal but at least a passing mention should be given to vocational education. Funds for equipment and programs are necessary, he continued if they are to be granted an adequate education.

**Rosamilia Urges People**  
Rosamilia stated that he sincerely urges all responsible citizens to explore our needs and question those you don't understand. He concluded by saying that the citizens of Belleville should become more interested in the schools, not only during budget time, but all year around, because he feels constant citizen concern is imperative to a good educational system.

**Basic Requirements**  
Board member Nicholas Juliano feels that the 1967-68 school budget represents the basic and he stated it is a foundation upon which our students can properly build a successful future. Juliano feels that it deserves the full support of those who would use it as a "political pawn", if they were to sincerely search their conscience.

**Proficient Education**  
Board president Ernest Arvidson believes that the children of Belleville have a right to a proficient and adequate education. He continued by saying that the budget for the school district will provide such education. He asserted that the voters of the school district will have their opportunity to determine whether or not such a proficient and adequate education will be available for the children of the community. Arvidson concluded by saying that when the people cast their ballots let them remember to keep the children in mind.

### Branch Brook Installs Men

Branch Brook-Belleville Kiwanis Club received congratulations at the MID-Winter conference of the New Jersey District held recently in Newark.

The conclave was attended by delegates for the installations of the District officers for 67. The club has been incorporated with the official designation of Branch Brook-Belleville Kiwanis Club, and has formed a "foundation" from which all funds raised to carry on their charitable activities will be paid. The foundation has received donations from the members as well as proceeds from the recent gift auction held in December.

Newly installed officers for 1967 are: Joseph E. Zipt, president; Salvatore Biscardi, v. president; Sugmund Swiderski, treasurer; Russell F. Hopkins, secretary.

## Saletta Lites School Budget Urges Passage By Voters

By ROCCO SALETTA

We all must agree that education today is a very costly item. The parents of children seeking higher education can attest to the fact that all costs have been and will continue to rise.

Your school board has in the past, is presently, and will in the future present a budget to you that we know will first of all give our children the type of education

they deserve and need to make them outstanding citizens in our own society. Secondly, we try to present a budget that we can all The budget, we are proposing to you is a good sound budget into which many hours of study and work by teachers, administrators, and Board Members have been spent.

I feel it is important to have you know that the \$450,000 increase in your budget is broken down into the following percentages: 14 per cent or \$63,000 for eleven new teachers (4 of these are for re-instituting programs that were cut last year such as Art, Music and two physical Education in the elementary school); 34 per cent or \$153,000 is for salary increases for the entire school system (all personnel); and most important of all is 52 per cent or \$234,000 being used for the educational program, upkeep of our schools, library books, etc.

We are very fortunate in our community to have a teaching staff that is of outstanding caliber and one that is very understanding. It is only because of these attributes in them that we have been able to apportion the budget increase the way that we have. Let us show them that we are interested in our children and will vote and work for the passage of your budget the first time.

Many of the costs of your budget can be attributed to policies set by the state department of education and not your local school board. A few examples of what I mean are \$67,722 for transportation; 6,000 for field trips; and most important of all is the \$225,000 for a fire detection system in all our schools.

The question on the first detection system is the third question on the top of your ballot. The state department of education has mandated that all school districts must have fire detection systems installed by September 1968. We have tried to do this in steps by putting money aside each year and do a few schools at a time. However, because of the two unnecessary budget cuts we took this money out. Now, we must do the complete job by September 1968.

This must be passed because if it isn't, then we must put this question on referendum again and again until it is passed. I'd like to say that this will be very expensive in that each election will cost about \$1,500. So please vote yes on this question.

## Belleville District Plans Course

Walter Karatz, First Aid Chairman of Belleville District, American Red Cross announced that a First Aid Course will be conducted at Belleville District Headquarters, 557 Washington Avenue, on Thursday evenings, starting February 23 from 7 to 9 P.M. The course will run for a period of 5 weeks.

There is no charge for these classes. The only requirement is the purchase of a First Aid text book priced at seventy-five cents.

Any person interested should contact the Belleville Red Cross office, telephone number 759-4610.

## Instructions For Income Tax Come In A New Booklet

With the next few days your postman will deliver a booklet of instructions for preparing your 1966 Federal income tax return. "Save it," is the advice of Joseph M. Shotz, District Director of Internal Revenue for New Jersey. "It contains a blank tax form already identified with your name, address and social security number exactly as it is listed in Internal Revenue's master file."

If you use this form, or the peel-o-way label from it, for your 1966 tax return you will insure prompt processing of your return and speed the delivery of any refund you may be due.

If you have an accountant prepare your return, give him the pre-identified tax form and ask him to use the label from it on the return he fills out for you.

Also enclosed in the booklet is an envelope addressed to the Internal Revenue Service Center at 11601 Roosevelt Boulevard, Philadelphia, Pa. 19155. This should be saved and used to mail your tax return if you expect a refund or there is no tax due.

## Cpl. R. Taylor Is Recon Man In Vietnamese War

Marine Cpl. Raymond H. Taylor, son of Mrs. E. W. Davis of 174 Bell St., is serving with the First Reconnaissance Battalion, First Marine Division, at Chu Lai, Republic of South Vietnam.

Marines of the First Reconnaissance Battalion provide observation and patrol teams, which probe deep into hostile territory in search of pertinent enemy intelligence information for use by infantry troops that will follow.

At the same time, through a continuous civic action program, the Marines provide medical aid for the people and teach them to help themselves through better sanitation and health improvement programs, building schools and other activities designed to raise the living standards of the Vietnamese.

Chu Lai is about 50 miles south of Da Nang on the South China Sea.

## Pfc. R. Sarokas, Army Artilleryman

Army Pfc. Richard S. Sarokas, 21, son of Joseph Sarokas Sr., 425 Greylock Pkwy., arrived in Long Binh, Vietnam, Nov. 17 with his unit, the 5th Battalion, 2nd Artillery.

Pvt. Sarokas, who completed 11 weeks of training in air defense and ground support at Ft. Bliss, Tex., before leaving for Vietnam is a gunner in the 2nd Artillery's Battery C.

The battalion contributes fire power from four batteries of M-42 Self-Propelled Automatic Weapons. The M-42, known as the "Duster," is manned by a crew of five and consists of two 40-mm cannons, turret-mounted on a truck vehicle.

Attached to the battalion is a battery of track mounted Quad 50 caliber machine guns.

He entered on active duty in November 1965 and completed basic training at Ft. Dix, and is a 1963 graduate of Barringer High School in Newark, and was employed by Cheston Co., in Newark, before entering the Army.

## Addeo Completes Basic Training

Seaman Recruit Frederick Addeo, son of Mr. and Mrs. Anthony Addeo of 27 Overhill Road has been graduated from nine weeks of Navy basic training at the Naval Training Center here.

In the first weeks of Addeo's naval service he studied military subjects and worked under conditions similar to those he will encounter on his first ship or at his first shore station.

In making the transition from civilian life to Naval service, Addeo received instruction under veteran Navy petty officers. He studied seamanship, as well as survival techniques, military drill and other subjects.

## Local Seaman Reports To Duty

Seaman "Richard" W. White, USN, son of Mr. and Mrs. George White of 51 Hornblower Avenue, has reported for duty on board the Naval Station, Norfolk, Virginia.

White, a graduate of Belleville Senior High School, entered the Navy on January 17, 1966. He has been assigned to duty with the Service Craft Division.

The Norfolk Naval Station is the center of the largest complex of Navy in the world. The majority of the sailors that pass through the Station each year are on their way to man the U.S. Sixth and Second Fleets.

## John M. Sansone Finishes Training

Seaman Recruit John M. Sansone, 18, USN, son of Mr. and Mrs. Frank A. Sansone of 27 De Witt Avenue, Belleville, has been graduated from nine weeks of Navy basic training at the Naval Training Center here.

In Sansone's naval service he studied military subjects and lived and worked under conditions similar to those he will encounter on his first ship or at Seaman Sansone's first shore station.

In making the transition from civilian life to naval service, Seaman Sansone received instruction under veteran Navy petty officers. He studied seamanship, as well as survival techniques, military drill and other subjects.

## Airman Trotto Sent To Texas

JAMES R. TROTTO

Airman James R. Trotto, son of Mr. and Mrs. Andrew J. Trotto of 5 Wilber Street, has been selected for technical training at Amarillo AFB, Tex., as a U.S. Air Force aircraft maintenance specialist.

Airman Trotto recently completed basic training at Lackland AFB, Tex. His new school is part of the Air Training Command which conducts hundreds of specialized courses to provide technically trained personnel for the nation's aerospace force.

Airman Trotto is a 1964 graduate of Belleville High School.

## Radio Operator Lands In Vietnam

VIETNAM BOUND — Joseph Bausch, Jr. of 108 Belmont St., arrived in Vietnam in December and was greeted by General William Westmoreland, Commanding General of Allied Forces, Vietnam.

Specialist fourth class Joseph Bausch, Jr. of 108 Belmont St., arrived in Vietnam in December and was greeted by General William Westmoreland, Commanding General of Allied Forces, Vietnam.

Bausch is a radio operator in Headquarters Company, second battalion of the 60th Infantry.

His father resides at 338 Livingston Avenue, Lyndhurst, and his mother and two younger sisters reside at 1034 Central Avenue, Westfield. Bausch also has another sister and a brother-in-law, and two nieces who live in Belleville.

## Ukson In Vietnam On Service Tour

Army Private John D. Ukson, Jr., 19, son of Mr. and Mrs. John D. Ukson, 62 Fairview Place was assigned to the 36th Evacuation Hospital, in Vung Tau, Vietnam, January 9.

A medical corpsman at the hospital, Pvt. Ukson entered on active duty last June and was last stationed at Ft. Sam Houston, Tex.

Ukson is a 1966 graduate of Belleville High School.

## Pfc. Dunsmoor In Vietnam

Army Private First Class Kenneth R. Dunsmoor, 21, son of Mr. and Mrs. Robert S. Dunsmoor, 214 Stephens Street, arrived at the Pleiku, Vietnam, base camp of the 4th Infantry Division, December 30.

Before being assigned to a specific unit, Dunsmoor received 50 hours of training with the division's 4th Replacement Detachment.

Training included field sanitation, civil affairs, mine and booby trap familiarization, reconnaissance and ambush patrolling.

Dunsmoor, a radio teletype operator, entered the Army in November 1965.

He was graduated from Belleville High School in 1963. His wife, Carol, lives at 23 Ivy Place, Nutley.

## D'Amico Serves Vietnam Front

Marine Lance Corporal Anthony D'Amico, son of Mr. and Mrs. D'Amico of 109 New Street, Belleville, is serving as a member of Headquarters and Maintenance Squadron, Marine Wing Support Group at the Da Nang Air Base in Vietnam.

D'Amico's unit provides administration, logistics and services in support of the 1st Marine Aircraft Wing and the Air-Ground team of the III Marine Amphibious Force serving in Southeast Asia.

## Ferraro Completes Naval Training

Seaman Recruit Louis J. Ferraro, 19, USN, son of Mr. and Mrs. Mario N. Ferraro of 350 Belleville Avenue, Belleville, has been graduated from nine weeks of Navy basic training at the Naval Training Center here.

In the first weeks of Ferraro's naval service, he studied military subjects and lived and worked under conditions similar to those he will encounter on his first ship or at his first shore station.

In making the transition from civilian life to Naval service, the Belleville Seaman received instruction under veteran Navy petty officers. He studied seamanship, as well as survival techniques, military drill and other subjects.

## Crowley Mends Civilians While On Duty In Vietnam

Specialist fourth class Steven Crowley, 337 Stephen's street, is now serving as a medic with the 10th Cavalry, 4th Infantry Division at Tuy Hoa, South Vietnam.

In addition to caring for his fellow servicemen he has been working with the South Vietnamese children.

The following is an excerpt from a letter written to his parents, Mr. and Mrs. John Crowley: "Everyday for the last week, I've been going down to the road and treating the children. They really need help!"

STEPHEN CROWLEY

They have some of the worst sores and infections I've ever seen. None of them have any shoes and half don't have clothes. We give showers and patch up their wounds. They call me 'Doctor No. 1'. Everyday more of them come. It's a lot of work but at least I feel I'm accomplishing something."

Crowley is a native of Belleville and graduated Belleville High School. He entered the Army last November, received his basic training at Fort Lewis, Washington, and his advanced training as a medic at Fort Sam Houston, Texas and at Letterman General Hospital, San Francisco. He received his early promotion to Specialist Fourth Class in September, just prior to leaving for Vietnam.

## Youth Committee Holds Seminar

Miss Sandi Barlett of 76 Newark Place, is a member of the Youth's Planning Committee of the Newark YM-YWCA.

The committee is planning a conference for three hundredteen youngsters from all parts of New Jersey, for the weekend of February 3, 4 and 5 and will be held at the downtown branch, 600 Broad Street, Newark. The Conference theme will be "Youth and His Environment."

OCS CANDIDATE — Gerald S. Greenberg, of 286 Branch Brook Drive, receives his papers notifying him that he has been accepted for the Army's Ordnance Officer Candidate

School, from Army staff sergeant Richard L. Saunders, a recruiter for the Newark area. The 25 year old future Ordnance Officer is currently taking basic training at Fort Dix.

## Local Resident Begins Sessions

Joseph J. McTighe, 39 Washington Street, will begin a special two-week Prudential Insurance Company management course January 29 at the Beacon Manor Hotel, Point Pleasant

Beach, N.J. In all, nearly 200 employees will participate in one of four sessions from Prudential's corporate and regional home offices in the United States and Canada.

McTighe, who is assigned to Prudential's investment services division, will study management theory and practice through the case study method, with special emphasis on the administrative process at Prudential.

# Rodino Will Try Again to Make Columbus Day A National Holiday

Rep. Peter W. Rodino (D-10th District) announced today that he has reintroduced a bill in Congress to make October 12, Columbus Day, a national holiday.

Rodino brushed aside the controversy triggered in 1965 by Yale University historians who claim

to have unearthed a map of Vinland that proves Leif Ericson discovered America.

"I am convinced we have not heard the last word on the subject," Rodino said. "Any day now, I expect that Moscow University will issue a report that

research by Soviet scholars establishes conclusively that neither Columbus nor Ericson discovered America. They'll claim the real discoverer was a Russian,

perhaps Ivan the Red, in the year 12 A.D.—the A.D. standing for After Distortion."

Rodino said that despite the

controversy, "the great achievements of Columbus cannot be dull, dimmed or diminished."

"Establishing Columbus Day as a national holiday," Rodino said, "will recognize the brave admiral from Genoa for his undisputed feats in permanently linking the Old World to the New World, in exploration and in colonization."

"We are, as President Kennedy so accurately called us, 'A Nation of Immigrants,' and Columbus' place in history as the father of immigration is secure and unchallenged."

# Essex Tolls on Parkway Cut Traffic 17 Per Cent

Total traffic volume in the Garden State Parkway's Essex County section decreased nearly 17 per cent and accidents dropped about 28 per cent since local entrance-exit tolls were added there, Highway Authority reported today.

Authority Chairman Sylvester C. Smith, Jr., said the reduced traffic volume during 1966 was a direct result of an almost one-third cut in the number of cars entering the Parkway within the seven-mile Essex section.

Such entry traffic decrease

was precisely what the Authority's engineering consultants estimated in setting up the 10c ramp toll schedule for the heavily-traveled section. The decrease largely represented cars which had used the previously toll-free section for local travel.

The ramp tolls in the Essex section were instituted January 12th of last year following legislative authorization.

Smith noted that the sharp decline in accidents there—from 447 during 1965, to 322 last year—is

attributed to the curtailment of short-haul traffic with the weaving, frictional on-and-off movements which mark it.

The average daily total of vehicles entering the Parkway's Essex section—including Irvington, East Orange and Bloomfield areas—was 47,836 last year as compared to 71,224 in 1965. The overall volume on the Parkway main-line through the section averaged 89,844 cars a day in 1966 against 108,188 the year before.

### New Bird Sanctuary Given Near Princeton

A 99-acre tract of woodland and open fields—located in Lawrence and Hopewell Townships some three miles to the north of the Princeton campus—has been given to Princeton University by the National Audubon Society. It will be preserved as a "permanent sanctuary" and for research in ecology and population biology of fundamental importance to the cause of conservation.

To be known as the Stony Ford Center for Field Studies, the land will permit Princeton biologists to study the complex interrelationships among plants, animals and physical environment as they exist in undisturbed nature. The proximity of the center to the campus will allow the biologists to undertake these studies while continuing their teaching and other scholarly activities at Princeton.
