## Belleville Band Dazzles At Expo 67 Show; Long-Awaited Trip Proclaimed A Success

### Complete Pictorial Coverage In Today's Belleville-Times

It was a little later than 10 p.m. Sunday evening when two busloads of teenagers pulled into the high school parking lot and came to a slow halt.

The buses only a few short hours ago had been cruising through the quiet foothills south of Canada's impressive Montreal and that country's latest addition to the international scene — Expo 67.

Vagabonding now at its end, more than 100 members of the high school band, the twirlers and color guard arrived in Belleville with some coughs and sniffles, a few dollars in Canadian money, a healthy booster in their sun had only been up for an hour.

#### Excitement Galore

Once on the road, the students carried on gaily. The talk was exciting. For most of them it was to be the first time they had been out of the country.

## State Court In License Code Fray

The New Jersey Supreme Court has decided to step into the fray between the Belleville Chamber of Commerce and the Town Council over the setup of the license ordinance.

The trouble over the law began in 1965 when the idea was first proposed to raise the licensing fees from \$1 for each store to a graduated scale of from \$25 to \$500 to be figured on the square footage of the premises. The Chamber of Commerce met with the Council and asked for changes in the law. The Chamber said it felt the fee should not be based on the area of the store and that there should be a standard fee for all stores. It said it costs the Town no more to license a furniture store that needs a lot of space than when it licenses a jewelry store that uses a much smaller space. The fees were later dropped to a \$15 to \$275 range.

Harry T. French of the Chamber said that after the Chamber Council talks, the Council voted to have the two attorneys — the Chamber's and the Council's — get together and suggest changes in the ordinance. Several months later, he said, when the

earned. The band, on the basis of its excellence, had been invited to perform at Expo 67 — one of four bands in the state to be extended that honor.

The trip had not come easy to those who had participated. It followed exhaustive rehearsal schedules to prepare for two performances at Expo's band pavilion, and an endless list of sales, drives and musical productions to pay for the venture.

But it was last Thursday that the moment had finally arrived as children, band instruments, risers, music, suitcases and other odds and ends were packed into cars and buses. The sun had only been up for an hour.

On the trip up the buses stopped twice as the band members munched lunch.

Then back to the road, traversing countryside that displayed little sign of industry or residences. The air was misty.

On the trip up the buses stopped twice as the band members munched lunch.

Then back to the road, traversing countryside that displayed little sign of industry or residences.

At late afternoon the band reached the Canadian border. Customs officials spent a few moments in each bus quizzing students before waving the vehicles on.

Robert Wing, band director, had a bit more difficulty getting into the country. When he was asked to explain his entourage of teenagers and band instruments he said smiling, "Our band is going to play at Expo."

Canadian custom officials at that point in the trip demonstrated a slight incompetency when it came to mastering English — as French is so predominantly spoken in Quebec.

The customs officer did not know what a "band" was. Worse, he was a bit suspicious of Wing's words. "What do you mean by 'play'?" the patrolman asked tartly.

"The band," Wing said, trying to demonstrate with his hands.

ACCEPTS CHECK — Robert A. Wing, (second from right) band director, accepts a \$500 check from Michael Marotti, Belleville, commissioner of the Little League at Expo 67 in Montreal, Canada. The money was raised to

help defray the cost of the band's Expo trip by holding a Nutley-Belleville Alumni Basketball game. From left to right are Mrs. Par Pugliese, Marotti, Wing, Pugliese, Little League president.

## Junior High School Education Fair Attracts Over 1,000 Spectators

A lot of the students at the Belleville Junior High School stayed after classes Monday, but it was anything but a disciplinary measure.

The students stayed to put on the school's third annual education fair. The fair, from 7 to 9:30 p.m., saw every department of the school well represented with a display or activity. Principal Cy Grossman said he was very pleased by the turnout, with more than 1,000 visitors viewing the displays, which were scattered throughout the school.

## Rev. Albert Alsbach to Begin Ministry Here

Albert E. Alsbach of Lindenwold, has accepted the pastorate of Bethany Lutheran Church of Belleville, and will officially begin his ministry there on July 1.

Mr. Alsbach was ordained into the ministry of the Lutheran Church in America yesterday in Ocean City. His first act as a newly ordained pastor will be to conduct the Rite of Confirmation at the Belleville Church on Sunday, May 28, at 11 a.m.

Born in Philadelphia, Pennsylvania, he is a graduate of Rutgers University in New Brunswick and Oxford University in England. He also has a masters degree in musicology from Columbia University.

ALBERT E. ALSBACH

The English department demonstrated its ability by putting on several skits and reading book reports prepared by the students. The social studies department put on a 2-pronged display with students debating and a of projects entered in the recent Jettymen's Historical Society competition. Several of the projects won awards in the contest.

The print and wood shops had displays, as did the business education department which demonstrated typing and other skills. Other departments represented were the sewing classes, cooking classes and the foreign language department.

The gymnasium was filled with young athletes demonstrating their prowess in wrestling, rope climbing, and other events.

"Every student had some part in the fair," said Grossman, "and some students took part

## Police Crack Drug Ring; 3 Arrested

Fast-geared police action cracked into a local drug ring this week as three persons were arrested for illegal possession of narcotics.

Scheduled to appear in Municipal Court June 8 before Magistrate Edward Abramson are Ronald Costa, 29, of 62 Naples Avenue, Belleville; Daniel Cardinale, 24, of 268 Berkely Avenue, Newark, and James Rubino, 25, of 480 North 11 Street, Newark.

Costa is out of \$1,500 bail while Cardinale and Rubino were released after posting \$1,000. Costa's bail was higher on the basis of a previous narcotics conviction. He is charged with the possession of 14 bags of narcotics.

Cardinale was apprehended, according to police, with two bags along with Rubino, who also had two bags of drugs.

The narcotics were alleged to be heroin. Police trapped the accused Sunday shortly after receiving a tip that Costa was planning to transport a shipment of narcotics into the community from New York City.

A stake-out at Route 21 at the Mills Street exit was organized. As soon as the Costa car arrived, police pulled the vehicle off the road and searched the occupants.

There were six persons in the autos: five men and one girl. The three not charged were said not to have possessed narcotics. They were, however, questioned at police headquarters.

## Local Veterans, Churches Plan Morning Observances

An open-air Roman Catholic Mass and traditional veterans' organizational observances will highlight Belleville's Memorial Day ceremonies this Tuesday.

St. Peter's R.C. Church has scheduled to celebrate Mass in its cemetery at 11:30 a.m. The service will be said by the Most Rev. Joseph A. Costello.

Meanwhile, local veterans have sponsored a morning long program of memorial observances. The first begins promptly at 9:30 at the Union Avenue monument.

#### Band Will Participate

The high school band will open the event by playing the National Anthem. The monument will be adorned with flags and the nations colors. Local groups will be on hand with their banners. Andrew Verhagen will sing.

The Rev. B. Pascale of the Silver Lake Baptist Church will offer the invocation. Speakers include Councilman William Cullen, Charles Kinney, former state VFW commander and state assemblyman Joseph Biancardi.

The band will continue with several appropriate musical selections. That will be followed by the placing of flowers on the graves of the honored dead.

#### Gun Salute

Veterans' post 275 will fire an honorary gun salute. That will be followed by the playing of taps. The Rev. Francis Ignacinos, St. Peter's Church will say the Benediction.

The congregation will then move to Town Hall where services will be held for the deceased members of the local police and fire departments.

Mr. and Mrs. George Mitchell representing legion post 105 will place a wreath for the police and Mr. and Mrs. James LaMotta, will lay a flower tribute to the

## Young Boy Almost Blinds Commuter With Rock Toss

A 10-year-old Belleville boy faces Juvenile Court action for the prank that came close to blinding a 39-year-old Glen Ridge commuter.

The boy, who remains unidentified because of his age, is charged by police with throwing a rock through the window of an Erie Lackawanna Railroad train during an early evening recently.

The missile had shattered a window pane of the westbound

train as it was traveling through the Soho area of Belleville. The flying glass sprayed the face of Paul Henzley of 236 Forest Avenue, Glen Ridge. His eyes were seriously cut.

Exhaustive police work by Detectives Michael Morotti and Nicholas Berrigan helped track down the suspected offender. The boy gave no reason for his action, police said, and was simply classified as a prank.

## Muzzle Law Stuns Citizens In Belleville

Residents here remain stunned somewhat and slightly confused regarding interim town manager Charles Tedesco's sweeping dictum to muzzle all municipal agencies.

Tedesco declared that all town employees are forbidden to make statements to newspapers until the statements are censored by the manager's office.

"Effective this date," Tedesco wrote to all division heads, "no releases to the public press will be permitted without the approval of this office. Any violations of this order will result in disciplinary action."

Tedesco's order comes several weeks before the change from the present council-manager form of government to the commission system.

The manager said he did not know what type of disciplinary action he might take against violators of his order.

Tedesco, whose position with the incoming administration is uncertain, denied that his move was made in anticipation of the policy promised by Commissioner-elect Ken Smith and indicated that it was designed to quiet Town Treasurer Francis H. McCoy, who has been feuding publicly with the manager's office in recent months.

Tedesco last week ordered McCoy to stop his work in town hall on his assignment as custodian of school funds, and McCoy, in a public answer, said he is seeking legal backing in order to continue the work. He said he had approached two organizations of public employees.

"We can't have one guy issuing statements all the time on something that might be settled among ourselves," Tedesco said.

# Testimonial for Father Menegus Marks His 28th Year in Town

## 700 Attend Sunday Fete For Priest

Every priest, because he is a priest, has dedicated his life to the work of universal salvation. Rev. Titian P. Menegus, pastor of St. Anthony of Padua R.C. Church has given 35 years to that cause. 28 of those years spent in Belleville.

The local clergyman was honored recently with a testimonial dinner held by his parishioners and attended by more than 700 persons. The event was staged at Newark's Robert Treat Hotel.

The Rev. Mr. Menegus' history has been described as that of a noble and dedicated man.

He was born on May 13, 1904, in Passaic. He came from a family of six children.

**Went to Italy**  
When he was four years old together with his mother, brothers and sisters, they traveled to Italy and resided at San Vito di Cadore, Province of Belluno. They remained there for a period of three years during which time the young boy received his First Holy Communion and received the Sacrament of Confirmation.

The family later returned to America, and at age seven, little Titian entered the public schools at Clifton, where the family was then residing. He graduated from public school 12 in 1919 after which he was employed for one year at the Botany Mills in Passaic.

In 1920 he matriculated his higher education at Seton Hall College, and in September of 1927 he entered the newly opened diocesan Seminary of the Immaculate Conception at Darlington.

On June 13, 1928, the degree of bachelor of arts was conferred upon him, and in 1930 the degree of master of arts, both by Seton Hall.

**Ordained a Priest**  
He was ordained a priest on May 21, 1932, by His Excellency, the Most Rev. Thomas J. Walsh, then Bishop of Newark, at St. Patrick's Cathedral. Father Menegus celebrated his first solemn mass at the Church of the Sacred Heart, in parish church.

His first assignment as an assistant was at Our Lady of Mt. Carmel Parish in Newark. He remained there for five years, during which time, besides performing the regular spiritual duties of a priest, was the spiritual director of the Holy Name Society which society in its extra activities, had a football team comparable to any semi pro team in the city and vicinity of Newark. Besides having charge of the parochial school, he organized a drum and bugle corps which with in three years captured the state, tri-state, eastern, and the national championships.

**Joined Padua Parish**  
On May 30, 1940, Archbishop Walsh appointed Father Menegus as administrator of St. Anthony of Padua Parish, in Belleville, to be the successor of the late Father Cataldo Alessi.

Father Menegus assumed the duties of his new assignment on June 1, 1940 and upon his arrival found the parish had a beautiful new church which was opened not quite a year. Little did he know that it was totally unpaid for.

On May 11, 1944, His Excel-

lency archbishop Walsh appointed him from administrator to Pastor of St. Anthony parish. During the years 1940 to 1952, Father Menegus paid the total debt of \$115,000 of the parish, besides paying for the improvements he made such as the interior decorations of the church, installation of a public address system in church, installation of chimes in the church tower, and electrification of the church bells, erection of new Stations of the Cross, a complete change of church lights and fixtures, and many more constructive changes, too numerous to mention.

With keen foresight, he purchased a three-and-a-half acre tract of land for the parochial school, and purchased six lots for the new parish house.

Up to this time, Father Menegus had made a fine record as a spiritual guide and parish administrator to his ever-growing flock, but his crowning achievement was still to come.

**Ground Breaking**  
After breaking ground on June 13, 1954, for the new parochial school, building progressed rapidly and on September 11, 1955, His Excellency the Most Rev. Thomas A. Boland, Archbishop of Newark, laid the cornerstone and blessed the now completed ranch type school. It consists of 12 large classrooms, a fine cafeteria with the most modern kitchen facilities available, and two playgrounds.

Classes began at the new school on September 12, 1955, and this day will be remembered as one of the happiest in his life. He will always say that the good St. Anthony made it all possible, but we should remember that Father Menegus was the instrument with which St. Anthony operated, and with this good and saintly priest of God, no temporal achievement would have been possible.

Father Menegus is a member of Belleville Council 835, Knights of Columbus, and the Monsignor George H. Doane, general assembly, fourth degree, Knights of Columbus.

## Recreation Department Twirlers Hold Competition At School 7

Girls of the recreation department twirlers, last week, held a formal twirling competition at School 7.

George Reeve donated 16 medals for the event. Miss Elaine Peda, who directs the program, and Miss Cynthia Richter who assisted her had a "tremendous job in dividing the girls into categories for fair competition."

The division was finally accomplished by establishing a group for those who would demonstrate only the regular school routine and a separate group for those who would create their own routines.

Further, the uniformed marching squad competed separately from the others. Because of the

great number of girls involved, the competition was held on two nights with the girls of the uniformed squad and some 50 others competing on Wednesday while the regular Thursday group from School 7 and some members of the Saturday group at 4 School all competed on Thursday.

Winners in the competition on the regular school routine, were Jan Pitera, Julianne Corbally and Jo Ann Greco, all of the uniformed squad. In the non-uniformed group the winners were Debbie Current, Debbie Longo and Patty Willie.

Among those who created their own routines the winners from the marching squad were Donna Tsouhnikas, Lucy Solomone and Joan Brennenman. Non-uniformed winners were Gerylyn Capanear, Carol Neri and Elaine Lipani.

Nancy Skrutskie and Keri O'Toole were the winners in the regular school routine. In the created routine the winners were Diane DeMayo and Laurie Hildenbrand.

Each one of the winners received one of the medals donated by Reeve. The judges were Cynthia Richter, Lucia Malato, Sandy Pasquariello, Ellen Amatelli and Mariann Salvato. Judging was done on a basis of showmanship, smoothness, speed and in the case of the created routines, variety and difficulty.

The Belleville recreation twirl-

ers now number nearly 300 and have a uniformed marching squad of 55. They meet on Wednesdays and Thursdays at School 7 and on Saturdays at School 4.

Their season will come to a close on May 31 when they will present a special demonstration for parents and friends at School 7 Auditorium.

## FOR THE GOP

### The Can't Win Renegades

Political stakes in the upcoming November election are very high. Control of the New Jersey legislature is up for grabs. Here in Essex County it is possible for Republicans to reclaim a Court House it lost ten years ago. Whichever party wins the six Senate and twelve Assembly seats in Essex will probably be the party that determines the political complexion of the next State Legislature.

Power hungry politicians, temporarily in control of the Essex GOP organization, are apparently determined to rule or ruin. Historically selfish, the faceless mystery men running the Essex wing of the party today have shabby political careers which include evil political procedures and practices that will not be able to stand the

light of day.

The GOP in Essex can not win in November with discredited rejected politicians as its spokesmen. This concern is the prime reason for the existence of the reform opposition (Republicans for Party Integrity) to the current party leadership. The present GOP leadership in Essex consists of a can't win crowd.

There is an alternative to certain GOP defeat in November. Victory requires new faces, new voices and a renewal of party integrity. The party can get new faces, new voices, and resuscitate its integrity at a Primary Election — or at the negotiating table. The choice lies with the renegades who today control the party machinery.

## Memorial Day

This year Memorial Day is a sobering and even somber one — for our young men are dying in Vietnam in increasing numbers and no one seems to know when the killing and the war will end, when the escalation will end.

We think back over the years to other wars which have claimed the lives of so many of the nation's finest; and it is usually the nation's bravest and courageous, to a large degree, who give their lives for their country in its wars.

How can we best honor the memory of those who have paid the supreme price for their country, for democracy and freedom? The best way is to do what we can to make this country what it should be,

a democracy in which all have equal opportunity, or something closely approaching it, as close as a human society can devise.

We can do it by seeing to it that those who have been called away from jobs to go Vietnam are offered their old jobs on return, by practicing democracy as well as preaching it and by helping those around us who are in genuine need. We should remain aware of the fact that we are lucky to live in a country that is the leader of the free world, the most powerful and wealthy nation in the free world, at the time it has reached its zenith in world history.

## The Art Of Eating

We Americans are often accused of going too fast to enjoy the art of living. And one of the areas in which we receive criticism is in the realm of dining.

We have available to us more of the best foods than any other people on earth. Thus we ought to have the best food of any people in the world and probably do.

But the business man takes fifteen or twenty minutes for "a bite." The business dinner or luncheon mixes tense business with food. In the home interruptions and haste too often accompany meals.

In Asia and Europe, and even in the Middle East, dining is a slower ritual. American doctors and health experts agree the slower system is the better of the two.

It would be worth the sacrifice if we made the determined and persistent effort to take an hour or two hours off for our main meal during the day.

The experts say we should be completely relaxed when we eat — free of tension, strife or anxiety. This is a big order; we may not always be able to achieve success but an effort will achieve some measure of success.

## Babbson's Point of View

### Our Troops in Germany

The death of Dr. Konrad Adenauer, West Germany's strong man and father of the postwar Federal Republic, and the shocking treatment accorded Vice President Humphrey on his recent visit to Europe provide good reason for us to focus our attention on that sector of the world.

Europe today is a vastly different continent. Both the victorious and the vanquished nations are more powerful and more prosperous than ever before. The scope and the completeness of the resurrection from the ashes of World War II are amazing. West Germany alone in a number of important respects is better off than was the whole of Germany in the years immediately preceding the beginning of the war.

Yet West Germany is fearful of the future. For, although Moscow has loosened its grasp on most of the East European Communist satellite states, she has tightened her grip on East Germany and she still maintains very close ties with Red Poland.

There is no chance that the partition of Germany into two states — one pro-West and fiercely capitalistic and the other militantly anti-West and solidly Communist-oriented — will be healed soon. The two Germanys are in reality divided by quite a good deal more than the barbed wire and the mines strung along their mutual border. This heritage of Nazi excesses and collapse, and of Soviet imperialism, could well last for several more decades.

But even before Stalin's death in 1953, Adenauer had made West Germany strong enough to resist Communism and Communist threats against his government and its territorial integrity. Of course, the presence of our troops helped, too, but there is ample evidence that West German resoluteness and prompt moral support from all the NATO countries were

the big factors governing the Soviet decision not to follow up its threats.

The Soviet Union is not at present rattling sabres in the direction of West Germany. And, undeniably, West Germany is now strong enough and prosperous enough to make greater provisions for her own military defense than was the case in the earlier postwar years. In the light of these facts, would it not be common sense for us to withdraw a substantial portion of our military garrison in West Germany? And might it not be worthwhile to make a reassessment of the situation to determine whether our troops are really needed at all?

Right now we are maintaining upwards of a quarter of a million servicemen in West Germany . . . more than half as many as are concentrated in Vietnam. Sen. Mike Mansfield of Montana, Democratic majority leader, strongly believes that so large a military commitment is not warranted and is pressing for a cutback far beyond the token reduction proposed by the Administration.

It may not be feasible to pull all of our troops out of West Germany in the foreseeable future. But neither is it wise to maintain so large an Army there and to further undermine our shaky balance-of-payments situation by agreeing to additional costly arms purchases from Britain to enable her to support her own sizeable armed forces in West Germany.

In this country — from the grassroots on up — there is urgent need to develop a much more critical approach to federal spending, including military spending. All proposals for new funds for whatever purpose must be scrutinized more closely. And we must strongly and consistently oppose unnecessary or marginal spending. Failure to do this will substantially lower our standard of living and will, in time, reduce our nation to second-class rank.

**ADDITION PLANNED** — A new two-story 80,000 square foot addition to its existing Industrial Pro-

## Wallace & Tiernan Complete Building Plans

Wallace and Tiernan Inc. has completed plans for a new two-story, 80,000 square foot building. This major addition will be erected in front of the company's Industrial Products Division plant facing Route 21 in Belleville.

Most of the firm's equipment is manufactured here. The company employs 1,100 persons. About 23

per cent of these live in Belleville, while 73 per cent more live within Essex County.

The new precast concrete building was designed by Frank Grad & Sons, architects and engineers of Newark.

The general contractor will be Joseph L. Muscarelle, Inc., of Maywood. Two buildings on the

Wallace and Tiernan site will be demolished to make room for the new building. It will provide a new entrance and visitors' lobby at the south end.

Stock storage space will be doubled. Several manufacturing operations, including the plastics division, will be included. The

north end will house receiving and truck docking areas.

The framework of the 100 by 400 foot building will be white concrete facings. The 20 by 20 floor sections formed by the framing will be colored to complement the red brick of the present plant. The long low silhouette of the new structure and the simplicity of its lines give it a "clean contemporary feeling."

**Landscaped Courts**

Two landscaped courts, each 30 feet wide, will separate the old and new structures. They will be connected by three masonry and glass walkways. The building will support a floor loading of 300 pounds per square foot.

Extra large footings make this heavy loading possible and pro-

vide for the addition of the third story. The entire structure has been designed for easy expansion. Sections of the concrete facade can be removed and used to enclose future additions.

Areas around the new building will be "attractively landscaped and lighted."

## State Names Director For Commuter Agency

Thomas J. McLernon, 61, Midland Park, has been named director of operations for the Commuter Operating Agency of the Department of Transportation.

McLernon, who will receive \$18,000 a year, will be primarily responsible for the quality and efficiency of the department's railroad commuter services.

McLernon's appointment was made by the approval of the members of the Commuter Operating Agency. The agency, set up under the legislation which created the Department of Transportation last December, consists of four members.

## BECK'S COLUMN

By MAX BECK

If you have a notion to buy one of those small screen TV sets to take with you on the beach this coming summer to watch a ball game — forget it, it won't work, you will see nothing but snow.

Most people who inquire about these small sets which can be used on electricity or on batteries, are under the impression that they will work anywhere. These small sets are rather weak. If you are any distance away from the transmitters, about upwards of 25 to 30 miles, you won't get any reception, certainly not on the built in rabbit ear antenna. In exceptional locations it is possible that a station may come in, but not as a rule.

If you ever go to the shore, you probably noticed high antenna masts. This is what is needed, and one has to take into consideration that the TV sets used on these high antennas have far more pulling power than the midgets.

Another thing most people are not aware of is the need for a battery pack, which costs about \$35. to \$50. It will last about 4 to 5 hours and then it has to be recharged.

A customer of ours took one of these sets with him into the wilderness of Canada. He wanted to see a certain program in the worst way. He could see only a very faint image at the camp, although he tried to rig up an antenna in the highest tree. Finally he decided to climb a rather high mountain. He and his guide climbed for the better part of the day. When they were finally high enough to get a viewable picture, the Littery gave out.

What? Huh? What did you say? I can hardly hear you!

If you ever have trouble hearing while phoning long distance, please call the Operator.

If you dial long distance and the connection is so bad you can't carry on a conversation, let the Operator know. She'll see that you're not charged for the call, and get you a new connection. Should the trouble recur, telephone repair service will start tracking down the trouble. There may be literally thousands of miles of wire and cable, scores of switches and dozens of relays to check. A big job. Fortunately, these days you don't often have trouble hearing while phoning long distance. A few decades ago it was all too common. Remember the shouting?

Things have become much better—mainly because we are never satisfied. So we continually upgrade all the equipment involved.

We've developed better cables. And new microwave transmission is helping, too. But you are still one of our best sources of information. So please let us know whenever your transmission is not up to snuff—whether you are calling long distance or locally.

## Employment Records Subject Of Census

Questions about overtime work and earnings as well as about under employment will be asked of local households by bureau of the census interviewers the week of May 14, director John C. Culhane of the census regional office in New York has announced.

The information obtained through this supplement will provide data on the underemployed in addition to the usual monthly figures on total employment and underemployment. This information is collected through the bureau's regular monthly current population survey for the U. S. Department of Labor's Bureau of labor statistics.

The identity of the households questioned will be kept completely confidential, and the facts obtained will be used only for statistical purposes. The same questions will be asked of all households in the survey throughout the United States.

# WEDDINGS AND ENGAGEMENTS IN SOCIAL SPOTLIGHT

## Wedding Vows Exchanged Saturday By Lorelei Mastandrea, Michael Kelly

MRS. MICHAEL E. KELLY  
Former Miss Lorelei Mastandrea

Wedding vows were exchanged Saturday by Miss Lorelei Mastandrea, daughter of Mr. and Mrs. Joseph L. Mastandrea of 29 Nolton Street and Michael E. Kelly, son of Mr. and Mrs. Eugene J. Kelly of 16 Springer Street. The Rev. Michael Saltarelli celebrated the Nuptial Mass in Holy Family Church, Nutley. A reception followed at Thomm's, Newark.

The bride, escorted by her father, wore a long sleeved, Empire styled gown of white peau de soie trimmed with Alencon lace and seed pearls on the bodice and on the detachable butterfly train. A three tiered shoulder length veil was attached to a double crown of Alencon lace and seed pearls. She carried a cascade of orchids surrounded by white roses and stephanotis.

Mrs. James Pellechio of Nutley was matron of honor. Bridesmaids were the Misses Lucille Soldo and Bess Greco of Belleville, Mrs. John C. Kelly, sister-in-law of the groom of Bloomfield and Miss Ronnie Sternbal of South Orange. Janet and Donna Gion of Union, nieces of the bride, were flower girls.

All wore Kelly green chiffon cape gowns over floor length sheaths of green and white polished cotton. Matching hats and cascades of white roses completed their outfits.

John C. Kelly, brother of the groom from Bloomfield was best man. Ushering were the bride's brothers, Raymond and Joel Mastandrea of Belleville, and James Pellechio of Nutley.

Mrs. Mastandrea chose a green floor length chiffon gown with silver accessories for her daughter's wedding.

The bridegroom's mother was attired in a floor length gown of melon crepe with matching accessories. Both mothers wore orchid wristlets.

A graduate of Belleville High School and the Newark College of Rutgers University, Mrs. Kelly is a medical technologist at Presbyterian Hospital, Newark.

Mr. Kelly, an alumnus of Belleville High School, is with Borden Food Company, New York.

After a honeymoon in Bermuda, the couple will live in Nutley.

## Mr. And Mrs. M. A. Coppo Will Reside In Belleville

St. Peter's Church was the setting Sunday for the wedding of Miss Marianne Patricia Milano, daughter of Mr. and Mrs. Frank Milano of 165 Garden Avenue to Michael Anthony Coppo, son of Mr. and Mrs. John Coppo of 2 Wallace Street. The Rev. James Heavey performed the afternoon ceremony and a reception followed at The Fountain, Belleville.

Escorted by her father, the bride wore a white peau de soie sheath applied with Alencon lace. The gown featured a scooped neckline, long sleeves and a detachable train. An applied peau de soie pillow held a shoulder-length illusion veil. Her bouquet was of orchids and stephanotis.

Miss Clara Roselli of Belleville was maid of honor. Miss Marilynn Paganelli of Belleville, cousin of the bride, Mrs. John Coppo of Nutley, sister-in-law of the groom, and Miss Barbara Christie of Livingston, another cousin of the bride, were bridesmaids.

The attendants wore aqua silk shantung gowns and flowered headpieces to match. The bridesmaids carried circular bouquets of pom poms. The maid of honor carried the same bouquet with an orchid center.

Niles Monica of Belleville was best man. Ushering were Frank Milano of Belleville, the bride's brother, John Coppo of Nutley, the groom's brother, and Carl Parisio of Belleville.

Mrs. Milano chose a floor length gown of shrimp chiffon

with matching accessories.

The groom's mother wore a floor length gown of lime green chiffon with matching accessories. Both mothers had orchid corsages.

Mrs. Coppo, an alumna of Belleville High School, is with Tri-Chem Incorporated, Belleville.

Mr. Coppo is also a graduate of Belleville High School and attended Fairleigh Dickinson University. He is with Andrew Jergens Company, Belleville, and is a member of the National Guard. Following their honeymoon, the couple will live in Belleville.

## Wesley Methodist Scene For Wedding Of Linda Labadie, Herbert A. Winfield

The marriage of Miss Linda E. Labadie, daughter of Mrs. George R. Labadie of 252 De Witt Avenue and the late Mr. Labadie, to Herbert A. Winfield, son of Mr. and Mrs. Harry Winfield of 238 Ralph Street, was solemnized Saturday in Wesley Methodist Church. The Rev. William L. Dike performed the afternoon ceremony and a reception followed at The Fountain, Belleville. Organist was Mrs. Hazel Hulme of Fewsmith Memorial Presbyterian Church and vocal music was provided by Miss Ruth Lurie.

Given in marriage by her brother, George E. Labadie of Nutley, the bride was gowned in an Empire silk organza sheath with Alencon lace at the neckline and at the bottom of the skirt and the chapel length train. A double tier crown of Alencon lace and imported crystals was attached to a three tier veil of imported silk illusion. She carried white roses and stephanotis.

Mrs. George E. Labadie was matron of honor. Misses Roberta Moore and Gail Smith of Belleville were bridesmaids.

They wore Empire A-line crepe gowns of Samaron rose with short three tiered veils and headpieces of petalled crepe and pearls. Bouquets were of pink roses.

Ronald Sanders of Belleville was best man. Ushers included John Graef of Westwood, cousin of the groom and Raymond Morrison.

Mrs. Labadie was attired in an aqua crepe dress with beaded Alencon lace jacket and matching accessories.

The groom's mother chose a green star chiffon dress with matching coat and accessories. Corsages were white orchids.

The couple are graduates of Belleville High School. Mrs. Winfield is with the Belleville Public Library. Mr. Winfield is presently in the United States Navy stationed in Little Creek, Virginia.

They are spending their honeymoon in Canada.

The man or woman who is really interested in his or her work rarely complains about overwork.

## Belleville Woman's Club Hears Convention Report

Members and friends of the Woman's Club of Belleville gathered at the Fountain Tuesday for the annual May luncheon at which time reports were heard from the annual State convention attended by Mrs. Richard A. Shafter, president, Mrs. William R. Kropp, federation secretary and Mrs. Douglas Clark, fine arts chairman.

Decorations for the luncheon were furnished by the American Home department under the chairmanship of Mrs. Arthur Town with the assistance of Mrs. William R. Kropp, publicity Steven Frank, Mrs. H. Irving

Russell and Mrs. Gerald Patterson.

Honorable mention citation for their pressbook awarded on a statewide basis at the convention was presented to the club by Mrs. chairman and a certificate of merit was given to the Belleville clubwomen for better than 70 per cent participation during the past club year in the program of the New Jersey State Federation of Women's Clubs. The pressbook and scrapbook were on display at the luncheon.

The Barber Shop Singers, a new singing group from the junior high school, under the direction of Wendell Parr entertained.

Ben Grimm, directory of the Belleville Free Public Library accepted three books for circulation in honor of three past presidents of the club, Mrs. David Parry, Mrs. Edward A. Rochau and Mrs. William R. Kropp. The volumes selected were, "The Performing Voice in Literature" by Robert Beloff, "Musical Instruments Through The Ages" edited by Anthony Baines and "Choral Arranging" by Hawley Aides.

To be informed people must first be willing to listen and respect the opinions of others.

## Mrs. John Petro In Show Tonight

Mrs. John Petro, 22 Cottage Street, Belleville, will model at a wig and cosmetic fashion show to be given tonight at the Newark College of Engineering's annual meeting at the college's Alumni Center, on campus.

The fashion show, for the wives of the alumni, will be held concurrently with a program for the male alumni which will consist of reports on the progress of the association.

Some 150 people are expected to attend the fashion show, given by Bambergers Chantrey Salon.

One of the great defects of human life appears to be that as soon as man is old enough to know anything much, his life ends.

# PERSONAL AND SOCIAL HIGHLIGHTS OF THE WEEK

## Officers Installed At Final Meeting Of School 9 PTA

School 9 PTA held its final meeting of the year May 18th. Among the evening's activities was an educational fair from 7 to 8 p.m. Parents were given an opportunity to observe the work accomplished by the children during the year and to see instructional aids used in the classrooms.

Installation of officers was held and the following will serve for next year: Mrs. Gus Servidio, president; Mrs. Philip DeAngelis, 1st vice president; Mrs. Philip Lazaro, 2nd vice president; Archibald Gallombardo, 3rd vice president; Mrs. Edith Knox, treasurer; Mrs. Natale Faronea, recording secretary; Mrs. Donald Boff, corresponding secretary. The officers were installed by Mrs. Daniel McCarthy.

Entertainment for the evening was furnished by the "Baker's Dozen" from the Senior High School under the direction of Dr. Samuel W. Peck. Refreshments were served at the close of the meeting by Mrs. Richard Rovell and her hospitality committee.

## Rutgers Honors Three Leaders For Good Service

Mrs. Peter Porcaro and Mrs. Harold C. Saunders, both of Nutley, and Mrs. F. M. Haring of Belleville are among a group of volunteer leaders who will be honored by the Home Economics Extension Service today at 1 p.m. at the Montclair Social Agency Building, 60 South Fullerton Avenue, Montclair.

The three County Home Economists, Mrs. Marguerite Kerr, Mrs. L. Anderson, and Miss Janet Whaley, will recognize the volunteer leaders for their accomplishments.

Prior to the ceremony Andrew L. Anderson, Extension Specialist in Human Relations, Rutgers University, will speak on "Personal Satisfaction of Serving." Home Economics Extension Service is an off-campus educational program of Rutgers — The State University, supported by the university, the U.S. Department of Agriculture and the Essex County Board of Chosen Freeholders. The people who participate in the program volunteer to teach what they have learned to friends, relatives, neighbors, and members of organizations to which they belong.

## Biancardi Association Swings At Benefit

**MARY PICKS A WINNER** — Mrs. Mary V. Senatore, chairman of the local Democratic organization, picks a prize winner at a recent Joseph Biancardi benefit. The event attracted over 1,000 persons who saw a fashion show.

**ENJOYING BENEFIT** — More than 1,000 area residents attended a recent benefit sponsored by the Joseph Biancardi Association of Belleville. This table of women enthusiastically watch a fashion show. Among them are Mrs. Helen Barra, Mrs. Jeanne Naturale, Mrs. Walter Stager, Mrs. Ruby Berg and Mrs. Anthony Turturiello.

**MODEL** — "Miss Marna," a model for Betty Barnes shop in Nutley exhibits spring and summer wear at a fashion show benefit sponsored by the Joseph Biancardi Association.

**WINNING NUMBER** — Mrs. Mae Mead Mazza announces the winner of one of several prizes presented to persons who attended the Joseph Biancardi Association benefit recently. With her are Mrs. Mary Senatore and Dominic Spina.

**MAKE MINE MINK** — Local woman wins a mink hat and collar at the Joseph Biancardi Association benefit. From left to right are Mrs. Joseph Grande, Mrs. Helen Biabardi and Joseph Biancardi.

**FRENCH TELEPHONE** — Mrs. Lewis De Bella beams as she accepts a French telephone from Dominic Spina, director of Newark Police, who presented the phone to her at the Joseph Biancardi Association benefit.

**GUESTS AT BENEFIT** — Board of Education member Mrs. Norma McCool and her family share a table at the Joseph Biancardi benefit. The event included a complete display of spring fashions by Betty Barnes of Nutley.

**HAPPY ALLEN PONTIAC CUSTOMER** — Mr. Patrick Brazil of Newark (left) happily accepts keys and congratulations from Bill Luciano, Sales Manager, Allen Pontiac, 645 Washington Avenue, Belleville. "This is my first Pontiac, a 1966 LeMans, and I think it's a wonderful car. Actually a friend recommended Allen Pontiac and said I'd get a better deal and I did. The service was great and Mr. Luciano was courteous and he knows his business," Brazil added. "I have recommended the dealership to many of my friends."

**OUR CHILDREN  
DESERVE BETTER CARE**

Let's start giving the children a break. Stop leaving medicines and dangerous household products where they are easily available for our tiny tots to cause themselves possible harm or even death. There are too many serious accidents.

We must never leave any medicine within a child's reach. After giving or taking any medicine, lock it up safely in a special cabinet. If you must keep household bleaches and other harmful household products under the sink, make the doors which enclose them impossible for children to open.

**YOUR DOCTOR CAN PHONE US** when you need a medicine. Pick up your prescription if shopping nearby, or we will deliver promptly without extra charge. A great many people entrust us with their prescriptions. May we compound and dispense yours?

**BAND GIFT** — Rocco Saletta, Board of Education president, accepts a check from Joseph Biancardi, who represented his civic association in presenting a check to the Belleville High School band for its recent trip to Expo 67 in Canada.

**MAKING PLANS** — Frank Orechio, community relations chairman for the 1968 Fund, confers with top United Community Fund officials on the new campaign. From the left are Orechio, Mrs. S. Yorton, 1968 Nutley town chairman;

Edward Kirk, executive director of the United Community Fund of Essex and West Hudson Counties; and Dr. Robert P. Fruchtbau, president of the Nutley Community Service Council, an arm of the United Community Fund.

## 1968 Fund Officials At Informal Parley

Officials of the Nutley United Community Chest 1968 Fund met recently at the home of Frank A. Orechio, publisher of The Times, to informally meet each other and to plan this year drive. Town officials, local business, school, and civic leaders also attended.

Orechio, community relations chairman for the town drive, said he wanted to provide an opportunity for all to meet informally in the interest of making this year's United Fund Drive a continuing success.

Members and advisers of the 1968 Fund committee who attended the affair were Mr. and Mrs. Stanley Yorton, Mr. and Mrs. Alfred Peters, Mr. and Mrs. Parke Richards Jr., Mr. and Mrs. Sherman Gerhard, Mr. and Mrs. S. Rush Mountsier Jr., Ralph Kimball, and Mr. and Mrs. Duncan Chalmers.

The United Fund of Essex and West Hudson Counties — which includes Nutley — was represented by its executive director, Edward Kirk and his wife.

Other guests included Mr. and Mrs. Robert Miller, Dr. and Mrs. Robert Fruchtbau, Edward Lenihan, Dr. and Mrs. Robert Fleischer, Commissioner and Mrs. Roy Gundersdorf, Commissioner and Mrs. Carl Orechio, Mr. and Mrs. W. W. Weller, Mr. and Mrs. Paul Barbarula, Mr. and Mrs. Edwin Artz, Mr. and Mrs. Hal Martyn, Philip White, Carmen Orechio, and Miss Alvina Mihaley.

**AT RECEPTION** — Mrs. Stanley Yorton, 1968 Fund chairman for Nutley Division of the United Community Chest, enjoys a social talk with Edward Kirk, executive director of the United Community Fund and Council of Essex and West Hudson Counties, which includes Nutley. The reception was held recently at the home of Frank A. Orechio, community relations chairman for the 1968 Fund.

**FUND WORKERS** — Officials of the 1968 Fund of the United Community Chest pose for a picture at the reception. Standing from the left, are Frank A. Orechio, chairman of community relations; Mrs. Stanley Yorton, 1968 town chairman; John M. D. Walch, adviser of the fund and 1966 Nutley Fund chairman; Edward Kirk, executive director of the United Community Fund of Essex and West Hudson Coun-

ties; Ralph Kimball, chairman of advanced gifts, 1968 Fund; Duncan Chalmers, chairman for local businesses, 1968 Fund. Seated from the left are Mrs. Parke Richards, junior adviser and 1967 Nutley chairman; Mrs. Alfred Peters, executive director of the Nutley Fund and Council; Mrs. Sherman Gerhard, residential chairman, 1968 Fund; and Mrs. S. Rush Mountsier Jr., publicity chairman for the 1968 Fund.

**NUTLEY DIGNITARIES** — Several of the top officials in Nutley joined in a congenial talk at the United Community Fund reception at the home of Frank Orechio, community relations chairman of the 1968 Fund, Nutley Division. From the left, are Robert Miller, president of the Nutley Chamber

of Commerce; Edward Lenihan, President of the Board of Education; Dr. Robert Fleischer, superintendent of schools; Paul Barbarula, president of the Board of Directors of the Chamber of Commerce; and Walter W. Weller, administrative vice-president of Hoffmann-La Roche.

## Cindermen Lose Match Against East Orange

Putting on a fine performance, the B.H.S. track team lost its fifth meet to East Orange by only 9 points. It was close throughout the entire meet, with the lead shifting back and forth.

100 yard dash: The East Orange sprinters were given the judges nod for a sweep in a blanket finish. This was the first time the Bellboy sprinters failed to place. They are usually on

## Belleville's Steven Virginio Breaks Swimming Record

Fourteen year old Steven Virginio of Belleville broke two previous national swim records in the Boys' Clubs of America Sectional Swimming Championships held at the Boys' Clubs of Newark Broadway Unit.

Virginio was clocked at 58.4 in the 100 yard freestyle breaking the 59.8 time previously held by Charles Baird of the Portland, Oregon Boys' Club.

Virginio also set a record in the 200 yard freestyle by posting a 2:15.8 breaking the previous held record of 2:30.8 set by Dennis Orndal of the Lincoln Square Nebraska Boys' Club last year.

Virginio is a member of the Boys' Clubs of Newark Broadway Unit and hails from Belleville, New Jersey.

## Ralph Risoli, Grand Dad Once Again

Ralph M. Risoli, town registrar of vital statistics, became a grandfather. But in this case it was for the seventh time.

The child was born recently to his daughter Mrs. Rose DeCapua of Bloomfield. Risoli's latest grandson has been named Ralph.

## High School Staff Members Attend College Workshop

Faculty members from Belleville High School were among business educators who had enrolled in the second annual business education workshop sponsored by the Berkeley School of East Orange recently in The Manor, West Orange.

Attending from Belleville High School will be Mrs. Muriel B. Cerami, Danny Grasso, Miss Linnea Andrea, Mrs. Lita Perone, Mrs. Audrey Short, Ernest Musmanno, Mrs. Phyllis Bower, Dr. Alan C. Lloyd, senior editor of the Gregg Division of McGraw-Hill Book Company, conducted the workshop. His topic was "Teaching Typewriting in the Age of Machinery."

Dr. Lloyd is known for development of timesaving devices and typewriting simplifications, many of which are now standard in all publishers' typing books. He has been a guest lecturer in 146 colleges and universities in 49 of the 50 states and in 6 Canadian provinces. He is listed in "Who's Who in the East," "Contemporary Authors" and "Who's Who in American Education."

## Ahavath Achim New Officers Are Now Slated

Installation of officers for the affiliated organizations of Congregation Ahavath Achim of Belleville will be held during the services on May 26th, 1967 at 8:30 p.m.

Judge Edward Abramson will install the officers and trustees of the Congregation, Sisterhood, Men's Club and the P.T.A. Rabbi H. David Werb will conduct the service.

The Congregation officers to be installed are:—Kurt Lemberger, president; David Robbins and Joseph Shlissel, vice presidents; Harold Rockaway, treasurer; Henry Creditor, financial secretary; Morris Klein, recording secretary; and Bernard Raskin, corresponding secretary.

## Mrs. Anthony Carangi Funeral Mass Friday

A Mass will be offered at 10:30 a.m. tomorrow in Holy Family Church, Nutley, for Mrs. Theresa Farina Carangi of 117 Belmont Street who died Sunday in Clara Maass Memorial Hospital.

Mrs. Carangi was born in Italy and came to Belleville from Newark ten months ago.

Widow of Anthony, she is survived by two daughters, Mrs. Clementina Christiano of Belleville and Mrs. Mary Reis of Newark; two sons, Castro and Rocco of Norristown, Pa.; two brothers, Vincent Farina of Newark and Gerard Farina of Belleville and six grandchildren.

Arrangements were completed by the Spatola Funeral Home, 240 Mt. Prospect Avenue, Newark. Interment will be in Holy Sepulchre Cemetery, East Orange.

Most people believe what they want to believe.

880 yard: Len Izzo took second when his final kick couldn't catch the East Orange half mile, who broke the tape in a fast 2:05.6. Izzo's time was 2:09.5.

1 mile: Coach Szem finally found a miler in transformed high jumper Keith Harvey, who took second in 5:13.4, after a slow start, the Bellboy distance squad is beginning to develop.

Two mile: Gerry Figurelli and soph Mike Ventura combined to take second and third behind an East Orange man. Figurelli is closing in on 11:00, while Ventura is developing his stride.

Hurdles: Steve Ferrughelli scored a double win, taking the 120 yard highs in 16.6 and the 140 yard lows in the same time. Ralph Serio picked up third in the highs in 17.5, and Bill Davis tied for second in the low hurdles with a 17.6.

Pole vault: George Riepe and

Rich Pepe again teamed up for a 1-2 scoring, as Charlie Eccles was edged out for third by an East Orange man. Pepe is starting to click again after recovering from a back injury which kept him out of the previous meet.

High jump: Soph Bob Baker followed the trend for underclassmen to crack the scoring column with a second place. Keith Har-

vey, who had previously run the mile, failed to place.

Long jump: Larry Jinks injured his leg while jumping 18' which was only good enough for third.

Shot put: Barry Pierce, the only Belleville scorer in this event

got off a 42' 9" heave for first place.

Discus throw: Pierce again won, completing his second weight double with a 130' 7" throw. Glove Pier threw 125 feet, but got nothing when the platter landed out of the boundaries.

**NOSE DIVE:** For the once high-flying Belleville baseball nine, the end of the rainbow has finally been reached. The path that has led through two consecutive Big Ten Conference pennants, a state championship, and assorted other record performances has not ended with a pot of gold, however, instead despair, injury, and defeat have marked the end of the unprecedented road toward what might have been.

Burdened by schedule pile-ups that saw as many as seven games in eight days, injuries that saw five starters hobbled, and unsuccessful one-run and extra inning decisions, the Bellboys have now dropped seven of their last ten games to fall out of the contest for Big Ten Conference, State Tournament, or Greater Newark Tournament honors.

All that might have been is now past as a season that began with seven straight victories for first-year mentor Charley Travers' forces has reverted to an 11-3 log with three games remaining and a handful of bitter memories.

#### Important

**DOWN SHOW:** Saturday could well have produced the biggest show-down Big Ten baseball has encountered in many a season had the fates been different, but instead the long awaited rematch between Belleville and their Nutley rivals will be just another neighboring game with little tie significance.

Since Belleville wholoped their much heralded foes 5-1 in the first meeting of the big ten co-favorites, bad times have set in with a 3-2 loss to Orange, 5-3 set-back at the hands of Montclair, a 5-1 defeat by East Orange, and successive 1-0 extra inning edgings by Bloomfield and Kearny turning the tide in the favor of the Maroon who dropped only one more outing after having their spirits revived.

Using the formula that the Bellboys had perfected a year earlier the Maroon had managed to lose the important match to their key rival, but make hay against the leagues lesser lights to pull ahead of a field of head-knocking pretenders to the throne.

It is quite probable that Nutley

ace Ken Inglis, whose only loss this season is at the hands of the Bellboys, will not be on the mound Saturday when the two perennial foes meet since a Monday Greater Newark Tournament game will undoubtedly be Nutley's prime concern.

#### Crippled

It is also quite possible that the crippled Blue and Gold will rise up with their dying breath and smite the Raiders for a second time this season. But ironically, it will matter little for lack of that elusive quantity known as consistency.

**WALKING WOUNDED:** Adding greatly to the woes that saw five games in five days last week, seven games in eight days, and nine outings in a dozen days, has been a string of crippling injuries that has complicated a team battling slump and converted it into disaster.

Perhaps the most serious of the medical set-backs is the pair that have befallen last year's second team All-State shortstop Rich San Filippo. It was a week ago Wednesday that the three-year Belleville veteran first was struck down while sliding into home in the initial meeting with Bloomfield. In the process, the rangy Bellboy leader fractured the thumb on his left hand.

#### Problems With Injuries

Such an injury did sideline the gummy Bellboy stalwart however, instead he played three games in the next three days, moving to second base for some relief that would allow his bat to remain in the line-up. Mounds of foam-rubber padding had appeared to conquer the set-back for the three-sport Blue and Gold star as he returned to short in Monday's Greater Newark opening round game with Lyndhurst.

Although having a hard time at the plate, San Filippo seemed to be producing well enough to help the floundering squad. That was until the fourth inning when the hustler that typifies San Filippo's brand of baseball took its toll. Drawing a one out walk, he had proceeded to steal second base before proceeding onward to third.

Finding the base blocked and the ball on its way a hard slide proved to be the only alternative to an inning ending out in what was then a tight 1-1 ball game.

So it was that San Filippo came into third full throttle sending the bags blocker out of his path, the ball into the stands in back of the bag, and the hip that had been previously injured during the grid wars into agony. Literally helped the remaining 90 feet down the line for the score San Filippo remained in the game, now with a battered hip (Continued On Page 12)

**FILMS FOR SPORTS** — Herman Wische, center, director of athletics at Belleville High School smiles as Frank J. McFadden, vice-president of the Fidelity Union Trust Company, hands him a reel of sports training films. Looking on is Raymond Smith, Belleville principal.

### Bellboys Lose To East Orange

Early this season, the Bellboys matched goose-eggs with East Orange's Bill Guido for seven innings as the Panther lefty allowed three hits and his mound foe Joel Pisano allowed four. Belleville won the encounter 2-1. Saturday the same two squared off with a nine inning duel the prospect. Guido continued his mastery in the extended contest hurling another three hitter past the now slumping Bellboy batsmen, but Pisano was not quite up to the feat. The Number One Belleville starter fell victim to the gopher ball before departing after three and a third innings, his second early exit in succession, and as it was to develop Belleville's third Big Ten Conference set-back in succession.

The Bellboys were now just one of the four loss pack. Nutley had regained the upper hand. With this prospect staring them in the face a shake-up appeared evident, but for those details see later story.

Ron Manzella and little Rich Bowen were the culprits in this latest Belleville escapade each putting a ball over the left field fence the Bellboys were vainly aiming for, Bowen with a man on, to provide the decisive margin in the 3-1 encounter and head Pisano his second loss in six decisions.

There were some bright spots in the otherwise dismal day as Rich Del Guercio turned in three and two-thirds six strike-out relief rounds although marred by three Belleville errors and Mike (Continued On Page 12)

### Belleville High Athletes Use New Sports Films

The Belleville High School sports staff has another medium to help teach its athletes more about the sport they have chosen to participate in.

#### Post Office Rate Rise Gets Benucci Approval

Newark Postmaster Joseph J. Benucci, a member of the National Association of Postmasters of the United States has stated he is in complete accord with President Johnson's proposal and the association's stand on a postage rate increase that calls for 325 million dollars.

The postmaster noted that the increase will help offset the skyrocketing costs of extending door to door delivery at the rate of one million homes a year for the next five years for city dwellers entitled to door delivery, but who have been receiving only curbside delivery.

Restoration of the old six-day-a-week service on parcel post routes now functioning on a five day basis would also be affected by the new rates as proposed.

school has acquired three more sports training films, bringing the collection to six films.

Herman Wische, director of athletics at the high school, is pleased with the addition to his supply and is exuberant about the role they are playing for the students. "This is the greatest thing that has ever happened to our sports department," Wische said.

He said the films, produced by Dr. Frank Ryan a research psychologist and a former Yale University coach, are worked out in every detail. "They are a real help in teaching a sport," Wische said.

#### W. Karatz Wins Athletics Award

Awards were made to 129 varsity athletes at the annual All-Sports Dinner at the Bishop Dougherty students center in South Orange last night. The Rev. John J. Horgan, athletic director, and the various coaches made the presentations. William Karatz of Belleville won an award for his basketball accomplishments.

### Belleville Places Sixth At Big Ten Track Meet

Led by the strength of its sprinters and hurdlers, Belleville High School placed sixth in the big ten track meet at Foley Field in Bloomfield. Senior hurdler Steve Ferrughelli scored five of the eight Belleville points with a fourth in the high hurdles and a third in the low hurdles.

Senior sprinters Joe Rodriguez and Pete Greco picked up the remaining three points with fourth and fifth placings in the 100 yard dash.

The events and Belleville entrants were as follows: 100 yard dash: Joe Rodriguez ran 10.4 in his heat for second and then ran third in the first semi-final in 10.3. Pete Greco won his heat in 10.3 and placed third in the second semi-final with a 10.4. The final was a three team race with two men each from Montclair, East Orange, and Belleville. After a good start, Ed Samuels of Montclair, who had run a 9.6 wind-assisted semi, pulled up lame and the rest of the field sped to the tape. In a close finish, Rodriguez and Greco got fourth and fifth. Only three tenths of a second separated the first man from the fifth — 10.0 to 10.3.

220 yard dash: Greco, the only Belleville entry, took second in his heat in 23.2, but ran out of gas in the final, which was his fifth race of the day, and clocked a non-placing 24.0. Third Bellboy sprinter Larry Jinks was side-lined with a pulled muscle. Eugene Harvey took third in his heat in 53.8, but didn't push himself for time. He didn't make the

final when the judges picked the six best times from the heats to run. His time was seventh fastest. George Riepe and Sonny Gior-dano also ran, but didn't score. 880 yard: Len Izzo ran a good 2:10.6, but not good enough to place. Harold Marshall and Bob Thompson, the other Bellboy half milers, went unplaced with slow times.

Mile & Two mile: There were only three Belleville entrants in the distance events, soph Don So-banko in the mile, and junior Gerry Figurelli and soph Mike Ventura in the two mile. None of the Belleville runners placed.

120 yard high hurdles: Both of Belleville's hurdlers made it to the final, but only Ferrughelli placed in the close finish. Steve took a second in his heat with a 16.8, while Ralph Serio won his heat with a 17.6. In the first semi-final, Ferrughelli tied for first with a good 16.5. Serio took third in the second semi-final in 17.5. The finish of the final was close, with Ferrughelli taking fourth in 16.7 and Serio netting sixth in 17.3.

180 yard low hurdles: Ferrughelli was again the Bellboy standout, with Bill Davis just missing out in the semi-finals. Steve took seconds in both his heat and semi with 22.0 and 21.8. Davis took second in his heat in 23.2, but missed second by a foot in the semi-final in 22.9. Ferrughelli went on to third place in the final in 21.7.

## Byline

(Continued From Page 11)  
to add to his problems.

An inning later with a man on second and no-one down, a hard hit ball sent San Filippo into the hole, to make the stop, whirl and fire to third. In the process the hip suffered further damage and San Filippo went to the ground. Wanting to continue, the plunky Bellboy remained in the game until the end of that round before retiring dejectedly for what might well be the end of a three-year Varsity athletics career that has spanned eight letter-winning seasons and assorted All-Star honors.

**Emergency**  
INJURY LIST: Also in the of-

ing is the case of Jim Catalano, the Bellboy second baseman, who got an emergency call to the mound when the game pile-up struck and proceeded to turn in eight and two-thirds scoreless rounds before succumbing 1-0 to an umpire's disputed call. In the course of the first outing since last summer's CYO wars, the senior Bellboy quite understandably strained his throwing arm. But with the San Filippo injury and his transfer to second, Catalano was forced to move over to third base, with Dave Rothwell taking short, the result one aching wing.

Or perhaps take the case of Bellboy centerfielder Tony Cervasio. Going after a ball in Saturday's win over Bloomfield, in the second meeting in four days

of the squads, Cervasio managed to collide with rightfielder Jim Serritella as both went after a dive to right-center and both called for the ball simultaneously. The result was a severe bruise in the upper thigh that has reduced Cervasio's stride to a mere walk and made each step a heroic effort.

**Walking Wounded**  
Monday Sam Calabria was forced into the ranks of the walking wounded when an eighth inning slide resulted in a jammed knee that had swollen a balloon proportions by the time the game had drawn to a close.

Rich Del Guercio was also a Monday victim, when after hurling three one hit, one unearned hander developed a blister on the hand, and was battered for three runs before being forced from the game. And so the medical list continues to grow for what is admittedly a depthless Bellboy squad.

**ELIMINATION:** Having been eliminated from contention on all three fronts, little shouting remains. When a team is going good the breaks fall where they may and close decisions become wins, when hard luck strikes, well.....

**Expo 67**  
**NEXT WEEK:** Details of the fiascos, heartbreak, and defeat, that were the end of a string of glory will be presented in next week's Times since this reporter has just returned from a stay in Montreal, Canada in lending coverage to the journey of the Belleville High band, twirlers, and color guard to Expo 67. Game stories, track, and crew round-ups all will follow next week.

**LEGION PLANS:** Also on the agenda for next week is the frenzied preparations for the June 6 opening of the 1967 American Legion baseball season. Sixteen man rosters must be decided upon by May 31 with another three boys being carried on a form of the taxi-squad idea until June 30. Twenty-five boys have tried but for Legion positions, but that number has been reduced to twenty roster contenders as the final accounting nears.

With as many as six or seven Varsity starters on hand, several Essex Catholic performers, and returning mound work-horse Dan Gabriel, almost a certainty, the Bellboys appear to have the makings for a strong bid for Essex League honors. Complete details and the final roster decisions will follow next week.

## Bellboys

(Continued From Page 11)

Welsh turned in a one-two-three inning also in relief. At the plate Cuomo continued to show signs of life and Rothwell had his second straight perfect day with two sacrifices, a walk and single, the other safety came off the bat of Tony Cervasio, who also turned in two defensive gems in the outfield and could be breaking out of his long term slump if two hits in the past three outings are any indication.

Several long drives to the fleet Panther fly-hawks were the best the rest of the batters could do as the slump continued to plague Belleville.

After both sides had gone down in order in the first, Belleville struck first in the second round when Cuomo walked, stole second proceeded to third as the throw went into center, and was delivered by Rothwell's sacrifice fly. Bob Banda almost duplicated the cycle an out later, but was stranded on third after repeating Cuomo's journey that far.

East Orange retaliated immediately as Manzella sent an 0-1 pitch over the left field wall some 300 feet distant to tie the affair at one run apiece.

Some unorthodox Belleville base-running then kept the score knotted until the bottom of the fourth. It was again Manzella who started the attack, but Bowen was the one to add the crushing blow with a foul line four bagger over the 310 pole to give E. O. a decisive 3-1 lead. After that throwing errors in the fifth and sixth marred Del Guercio's outing and accounted for two tainted tallies, Belleville could do no better than loading the bases with one down on three walks in the seventh. Guido handled the jam adroitly.

## Boy Scouts Show Project On Mountains Of America

At the April meeting of Cub Scout Pack 309, the boys displayed projects related to the theme of the month, "Mountains of America".

Den one under the leadership of Mrs. Robert Reed, made rock gardens and litter bags for cars.

Den two, with den mother Mrs. Richard Maxwell, made litter bags, rock collections and put together a crystal radio set which they have used during den meetings.

Den four with Mrs. Philip De-

Angellis as leader, made crystal gardens and a gold mine which was demonstrated to the group.

Awards were given to scouts who had earned them during the past month, several games were played and refreshments were served.

Earlier in the month, the Pack attended Ringling Brothers, Barnum and Bailey Circus at Madison Square Garden. The scouts, Cubmaster and Mrs. Robert Reed and a group of parents traveled to New York by chartered bus.

## Nutley's Maj. Gen. John G. Cassidy To Command State Reserve Division

New Jersey's only Army Reserve division, the 78th Division (Training) with 3,200 members commanded by Maj. Gen. John G. Cassidy of Nutley, will conduct two weeks of field training at the U. S. Army Armor Center at Fort Knox, Kentucky, for the first time, beginning this Saturday. All elements will travel by plane.

The 78th, known as the "Lightning Division," is marking its Golden Jubilee this year. It is a division that reaped honors for heroism in some of the most grueling battles of the two world wars and, since 1946, when it was reactivated as a Reserve division, has received innumerable awards.

**81 Awards**  
 Last March, the division was presented 81 secretary of the

army superior unit awards for 1966, the most ever given a U. S. Army Reserve Division.

The division, with headquarters here at Camp Kilmer, was activated in the organized reserves on Nov. 1, 1946, at Newark, and was redesignated and reorganized as HHC 78th Div (Tng) on May 1, 1959.

Since the reorganization, the 78th has trained as a division at Fort Dix. For the last two years, however, one armored battalion of the division trained at Fort Knox and was rated equal to active Army units on the post.

**General Mobilization**  
 In the event of a general mobilization of the Army Reserves, the 78th would assume operational duties at a training center similar to Fort Knox.

For the two weeks of field training, the men of the 78th will be attached to the regular army units at Fort Knox. The reservists, working with their regular army counterparts, will instruct in the basic and advanced units and in combat support training areas. At the same time, the citizen-soldiers will be learning the Army's latest training methods.

The 78th is truly a New Jersey division.

At Camp Kilmer with General Cassidy are Brig. Gen. Harry J. Rockefeller of Manasquan and Col. David B. Kelly of South Amboy, assistant division commanders.

**Just Businessmen**  
 In civilian life, men from the division are leaders in business, industry and government.

General Cassidy is supervisor of the Audit Division of the Internal Revenue Service in Newark. General Rockefeller is assistant chief of the Fort Monmouth Procurement Division, P & P Division.

rectorate, Electronics Command. Colonel Kelly is superintendent of the New Jersey State Police.

Regimental commanders for the division's five regiments are: Col. Howard A. Louderback of Trenton, commander of the 309th, Fort Monmouth; Col. Richard J. Kunkel of Woodcliff Lake, commander of the 310th, Lodi; Col. Joseph K. Wright of Upper Montclair, commander of the 311th, Morris Township; Lt. Col. Walter Lakusta of Lebanon, commander of the 312th, Kearny, and Col. James S. Benson of Clifton, commander of the 78th, Nixon.

**Three Regiments**  
 Three of the regiments conduct basic combat training. The other two conduct common specialist training and advanced individual training. Other units of the division are based in Trenton, Northfield, Rummecede, Camden and Caven Point.

While at Fort Knox, the division will hold memorial services for a World War II hero from New Jersey. The tribute will be paid to Staff Sgt. Joseph J. Sadowski of Perth Amboy, a Medal of Honor winner who was killed in Valhalla, France, while serving with the 4th Armored Division. The Sadowski Field House at Fort Knox was named for the sergeant.

The 78th was organized on Aug. 23, 1917, at Camp Dix. Originally, its members were all from New Jersey, and the division — which eventually included soldiers from all parts of the nation — has continued to be identified with the Garden State.

**First To France**  
 The first division to be organized at Camp Dix in World War I, the 78th was also the first to leave the post for France. Arriving in May 1918, the division moved into reserve for the St. Mihiel drive. The 78th entered combat during the Meuse-Argonne offensive in October and served as the "point of the wedge" for the final offensive of World War I.

The division was demobilized on June 9, 1919, and was reconstituted as the 78th Division on June 24, 1921, in the organized reserves.

**50th Anniversary**  
 To mark the 50th anniversary of the proud divisions, the 1,200-member 78th division veterans association will convene for a celebration at Fort Dix from Aug. 25 to 27.

The division recently announced plans to locate a museum near the divisions headquarters and, in the future, the 78th will obtain a permanent building at Fort Dix to house mementos of its long and glorious history.

### Amusement Park Guide Available From State

A comprehensive directory of the various amusement parks throughout the state has been published by the New Jersey Department of Conservation and Economic Development.

Titled Family Fun for Everyone in New Jersey, the booklet includes data on parking accommodations, admission prices, special attractions and travel directions to each of the specific areas.

Free kiddie rides, picnic facilities, an 18-hole miniature golf course and daily European style acrobatic performances are featured at the Hunt Brothers Circus Animal Farm on U.S. Route 130 in Burlington County that will remain open through Labor Day.

If you are in doubt about saying something don't say it.

**BLESSING** — The Rev. James Gronki, right, of St. Peter's R.C. Church blesses the flag donated to the Union Avenue War Memorial by the Woman's Club of Belleville Saturday. At the left holding the flag are Joseph Fornarotto, chairman of the Veteran's Council, and Mrs. Richard Shafter, president of the Woman's Club.

**SPEECH** — Mrs. Richard Shafter, president of the Belleville Woman's Club, speaks to the assembled group after presenting the flag and Commissioner-elect William Cullen. Joseph Fornarotto, chairman of the Veteran's Council of Belleville is in the center.

## Woman's Club Donates Flag To Belleville

The new flag snapping from the Union Avenue War Memorial was donated to the town by the Woman's Club of Belleville at ceremonies Saturday.

The Veteran's Council of Belleville co-operated with the Woman's Club at the dedication.

The flag, which once flew over the Capitol Building in Washington, D.C., was obtained by U.S. Representative Peter Rodino, (D., N.J.). The donation of the flag marks the 50th anniversary of the Woman's Club.

The flag was accepted for the town by Commissioner-elect William Cullen.

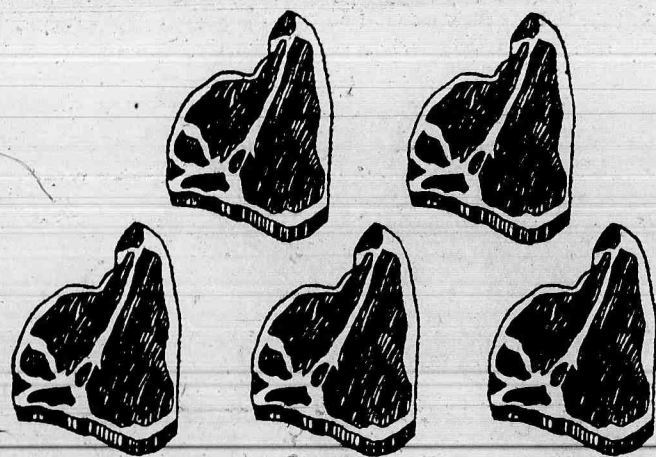

Also at the dedication, a plaque was unveiled marking the ceremony. It reads: "Presented by the Woman's Club of Belleville in commemoration of 50 years of service to the town."

**DEDICATION HELPERS** — Members of the Veteran's Council of Belleville pose after flag dedication ceremonies at the Union Avenue War Memorial Saturday. Standing from the left are Al Vecchione, James LaMotta, Raymond Schultz, George Mitchell, and Joseph Fornarotto, chairman of the council. Seated are Richard Shannon, Mrs. Richard Shannon, Mrs. James LaMotta, and Mrs. Belle Johnson.

# Belleville High School Band Visits Canada's International Wonderland

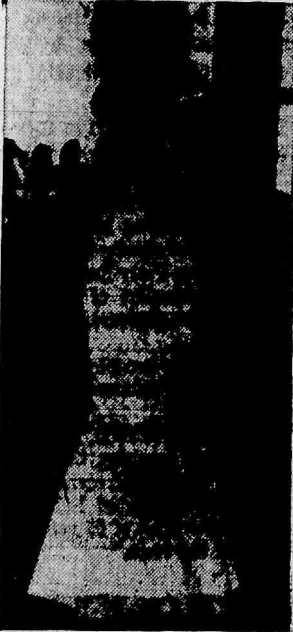

**SINGING OUT** — The high school band joined the twirlers and color guard in a combined chorus of several show tunes to climax their two shows at Canada's Expo 67 last week. More than 2,200 persons saw the performances at Band

Pavillion E. The Franco-American audiences' enthusiasm at times reached peaks of hysteria as they demonstrated with standing ovations. From left to right are David Lukowiak, Jim Soldo, Mike Forte, and Frank Lappostato.

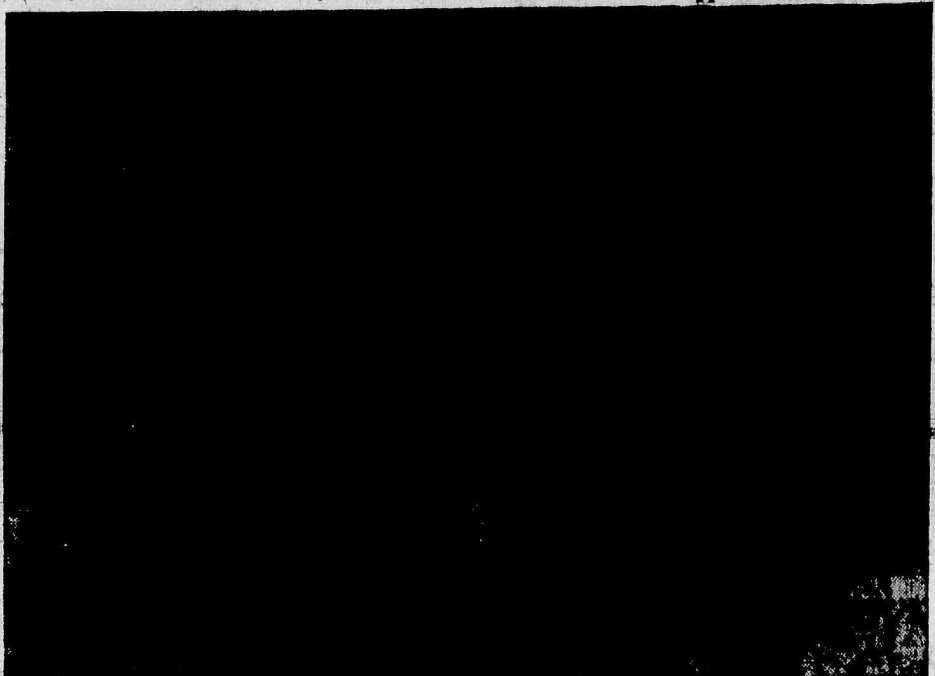

**EXPO SPECTACULAR** — This is one of the first sights the Belleville High School band saw as it entered Expo 67 in Montreal, Canada. The color guard and twirlers presented two

shows at the international fair last weekend. Situated on three islands, the exposition is surrounded by the St. Lawrence River.

**ISSUES COMMAND** — Sandy Muscara, who heads Belleville's color guard, shouts out an order to her legion during their routine at Expo 67 in Montreal, Canada.

**EXPO PERFORMANCE** — Robert Wing, band director, and recent winner of the Better band. Looking on is part of the huge audience Belleville Cup, conducts the high school dance

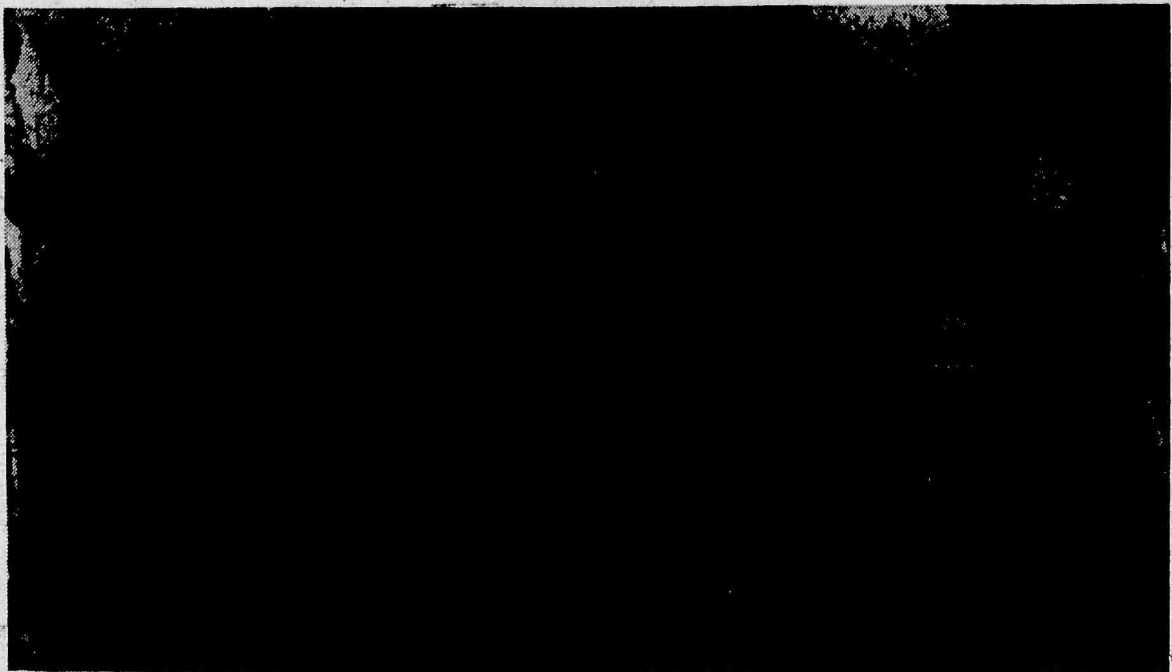

which turned out to see the Belleville students. More than 2,200 jammed Expo 67's band Pavillion E to hear the Belleville musicians.

**WINSOME TWIRLER** — Sus Dougher, a member of Belleville's twirling squad, gazes at the size of the crowd which came to see Belleville High School's band performance at Expo 67. In the background is the Iran Pavillion.

**HIGH C** — Bob Santin opens up all the valves for his trumpet solo at Expo 67. He was a featured soloist on the Belleville High School's dance band's portion of program.

**ARRIVAL AT EXPO** — It was raining shamelessly when Belleville students got through the gates at Expo 67. The band members, dressed warmly in rainwear, hoods and scarfs,

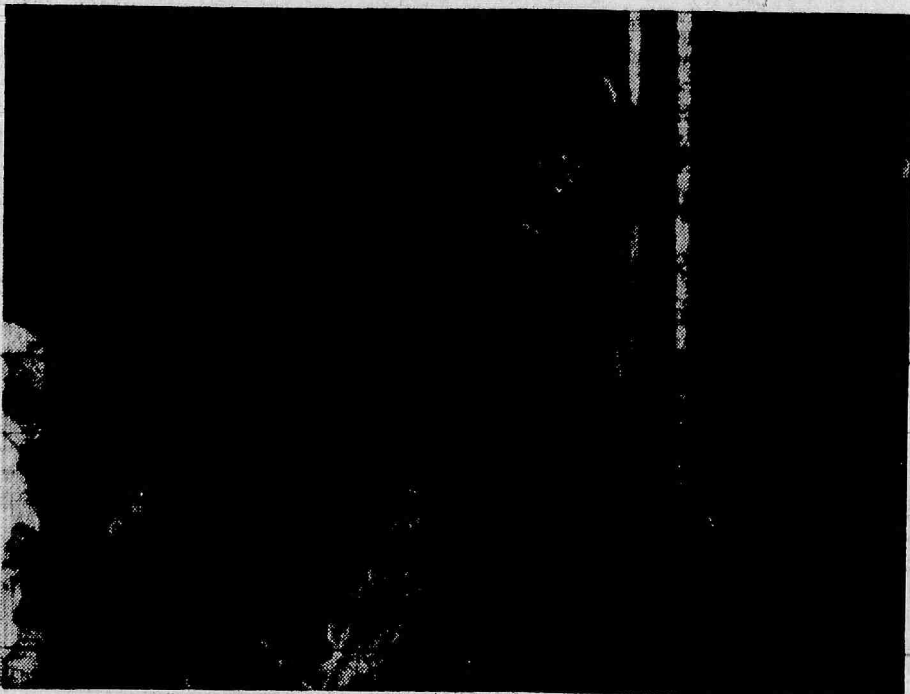

boarded long sleek subway cars which carried them across the St. Lawrence River to the Expo Islands.

**COLOR GUARD** — These Belleville cherubs look far too lovely to be carrying rifles, despite the fact that they are not loaded. The girls are Kathy Partus, left, and Rosalyn Mostello, right. The color guard gave two performances at Expo 67.

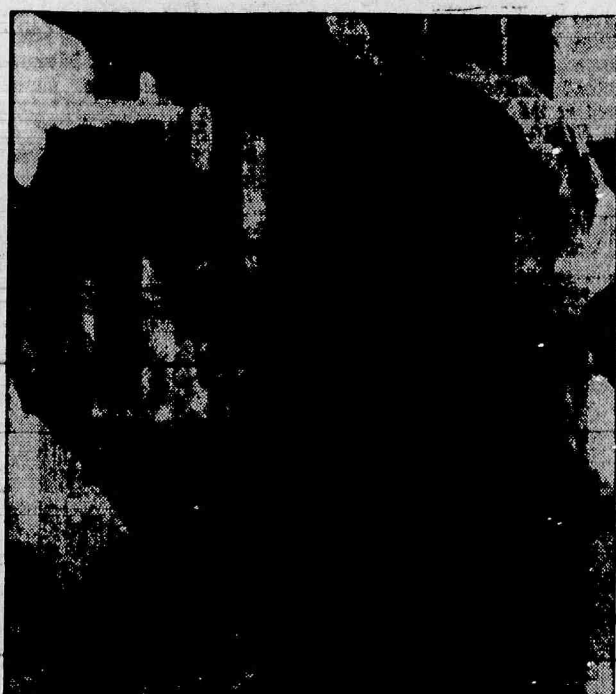

**DRUMMER** — Bill Davis, an important member of Belleville's dance band, sets the pace for the rest of his musical colleagues. The dance band created a remarkable impression on the Canadian audiences.

**TWIRLING FESTIVAL** — Belleville's twirlers scored a hit at both performances at Expo 67. Audiences cheered their routines. In the fore-

ground, Jean Tremel looks out upon an audience of more than 1,000. Connie Cirillo is in the background.

**ENTERING EXPO** — Mrs. Robert Wing, wife of Belleville High School's band director, smiles as she hands a ticket to an attendant as she enters Expo 67. Despite the rain, record crowds turned out to view the international showcase.

**WAITING FOR A CUE** — Maggie Foster, left, and Betty Breckenridge, right, appear apprehensive as they wait to perform at Band

Pavillion E at Expo 67. The band, color guard and twirlers gave two shows last Friday in Canada.

# Expo 67 Crowds Award Music Performances With Standing Ovation

**BELLEVILLE LOVELIES** — The high school twirling squad donned costumes for several dance routines. Along with dancing, the girls also sang show tunes to the delight of enormous crowds at Expo 67 Band Pavillion E. Here the girls are dancing and singing a selection from "Mame." Two performances were given in Canada.

**THE DANCE BAND** — Belleville High School's dance band offers their rendition of "Caravan" to a full house at Band Pavillion E at Expo 67 in Montreal, Canada. The group was first on the 45-minute program which the bands, color guards and twirlers presented to a large Canadian audience. The Belleville group was invited by the Expo 67 to play in Canada. They were also endorsed by our state department.

**WET BUS RIDE** — Boarding a bus at the Saint Laurent College, where the band stayed during their trip to Canada, students happily battle the rain with umbrellas as they prepare to leave for Expo 67.

**THE WINGS** — Mr. and Mrs. Robert A. Wing, winners of the Better Belleville trophy for April, arrive at the College Saint Laurent. They helped chaperone more than 100 students during the Expo 67 trip.

**PAUSE FOR BREAKFAST** — Sue Dougher and Connie Cirillo take time out for breakfast before leaving for their Expo 67 performance. They are both on the Belleville high school twirling squad.

**ENTRANCE TO EXPO** — Fighting off the cold and the rain with coats and scarfs, members of the Belleville High School band line up to enter Expo 67. The band's entire stay in Canada was dampened by foul weather.

**DRYING OUT** — Band members wait in line to enter Canada's Expo 67. Some were able to find shelter from a cold rain which doused the fairgrounds. From left to right are Nick Pallante, Jim Soldi and Laura Fischer.

**SUBWAY RIDE** — A Belleville girl on her way to Expo 67, relaxes as she crosses the St. Lawrence River in a modern subway. The short trip sped the band from the mainland to the Expo Islands.

**SOPRANO-BASS** — Nancy McCarthy clown's a bit prior to a last minute rehearsal held in a hall at the Saint Lawrence College campus where the Belleville bands stayed during their Canada trip.

**BATON TWIRLER** — Georgia Brown, smiles at her audience as she twirls in Belleville's band show at Expo 67. Over 2,000 spectators cheered the performers.

**EVERYTHING'S COMING UP ROSES** — The combined choruses, which include Belleville's bands, color guard, and twirlers, prepare to sing one of their final numbers at the Expo 67 band show in Montreal, Canada. Well over 2,000 persons heard the two performances last weekend.

# Teen Fashion Show Tomorrow Afternoon's Feature at Nutley High

EVENING GOWN is modeled by Rosemary Rice in preparation for tomorrow afternoon's fashion show at Nutley High School. Gown was made by senior Sue Hagert. The auditorium show tomorrow will feature more than 75 costumes made by students in the NHS clothing classes.

ADJUSTING her hat, worn with a black and white spring dress is Debbie Mastro Simone. The dress is her own creation. Meanwhile, Lynn McCarthy (center) listens to a bedtime story read by Judy Gottschell. Both girls are

modeling their own designs. Tomorrow's show will include a variety of teenware for all occasions. The afternoon program is open to parents, friends and faculty in addition to students.

COSTUMES for all four seasons are shown by (l-r) Rosemary Rice, Nancy Seufert, Judy Gottschell and Debby Mastro Simone. The outfits were made by Gloria Campanella, Marie Jacques, Carol Greco and Linda Dixon.

## DeMolay Initiates Fourteen

Fourteen boys took the initiatory degree Thursday when the Nutley Chapter Order of DeMolay met in the Masonic Temple.

The group, the largest initiated in one class in the history of the chapter included Henry Austin Jr., Jack Bal, Evan Blair, Gerald Clark Jr., Thomas Cox, Keith Drake, Richard Drumm, James Haggart, Robert Herz, Percival Hill IV, Robert Hruby, Gary Robins, Robert Schumacher and Donald Walsh.

Kenneth Tucker, master counselor, said, "This is not only the largest group ever initiated at one time in the history of Nutley Chapter, but we are pleased to announce that we have named the group the 'Charles Coeyman Class' in honor of our Chapter 'Dad,' the first to be so honored in our Chapter."

The DeMolay Degree which will make the boys full members of the organization will be conferred on June 1, Master Mason's Night at the Chapter.

The officers participating in giving the degree with Kenneth Tucker were John Pope, Douglas Arnold, George Erdman, II, Ronald Coeyman, John Parmigiano, Joe Kern, Jack Sohl, Raymond Wahl, Gary Clamurro, Randall Simpson, Joseph Fikentscher, Bruce Burgess, Alan Williamson, Barry Ryalls, John Schwarz, David Miller, David Greene, Ronald Haselnus, William Cox, William Reeves III, PMC and Gary Kane.

## National Guard Moves Out to Camp Tomorrow

Some 12,000 members of the 50th Armored Division, New Jersey Army National Guard, will move tomorrow from home armories to Camp Drum, N. Y., for 16 days' annual field training — their twentieth at the upstate New York reservation.

The division, commanded by Maj. Gen. James H. Weyhenmeyer Jr. of Livingston, will go to Camp Drum at its highest personnel strength ever. It is one of the two top priority armored divisions in the Army's reserve force structure.

PANTRY PIZZA, THE ONLY GENUINE PIZZERIA ON WASHINGTON AVE. BELLEVILLE, THAT SELLS FROM A SLICE TO A STACK FOR THE BEST IN CATERED PIZZA PARTIES.

Anthony Lardiere, owner and chef at The Pantry Pizza, 258 Washington Ave., Belleville (opposite the Junior High School) has become quite famous in the area for his catered pizza parties. Organizations in Belleville and its environs top off their evenings of fun with a stack of his exceptionally fine tasting pizzas. Such groups as the Belleville Kiwanis, Boy Scouts, Girl Scouts, Cerebral Palsy Benefit Bingo, Knights of Columbus, Belleville V.F.W. Cadets, The Elks, Upsala College fraternities and dances, of the North Arlington Police and Fire Dep'ts. have all enjoyed refreshments from The Pantry Pizza. Many charitable groups in the area also take advantage of Pantry Pizza's "Special Fund Raising Plan". A call to Mr. Lardiere at 759-4339 will give you all the details of this easy way to raise money.

Pantry Pizza may not be the fanciest establishment on the outside but Anthony Lardiere does wonders on the inside with his pizza. All the dough and sauce are made by him. He supervises the baking and arranges for the piping hot delivery to homes, factories and offices. A call to Tony at 759-4339 will bring his thin crust specialty to you in just a matter of minutes.

## Business Briefs

By Joe Silco and Jack Guerwitz

What's going on around town, and in particular, around the business community. We hope this column will provide an interesting new perspective of business in town. We'll pass on items ranging from a personal nature to those affecting all the smart shoppers in town. Suggestions and contributions for the column, of course, always will be welcomed.

Mr. and Mrs. Richard F. Kastner of Overlook Terrace, Nutley, have returned from The King's Inn at Freeport in The Grand Bahamas. Kastner is the president of Kastner's Furniture, 492 Franklin Avenue, Nutley. While in the Bahamas, he attended a Serta Mattress Company dealer-sales convention.

John W. Kress, president of the Howard Savings Institution, reports the firm has declared its 30th consecutive dividend. The dividend announced today is in excess of eight million dollars, the largest in the bank's history.

Kress says the dividend will be paid to more than 355,000 depositors on June 1 for the second quarterly dividend period of 1967. That eight-million-dollar figure, incidentally, is \$1,200,000 more than paid for during the same period last year. It will bring to \$30,284,000 the total paid for the past four quarterly dividend periods, and boost to over \$304,000,000 the total in dividends paid by The Howard since it was chartered.

### Celebration at Janette Nutley Center

Friday evening at Janet Nutley Center was something like Christmas as gifts were handed out to winners of the fashion store's Mother's Day promotion.

The winner of the grand prize, a mink stole, is Mrs. Edwin T. Biehl of 212 Coeyman Avenue, Nutley.

Other top winners, and prizes won, include Mrs. S. J. Konopka, 16 May Place, Nutley, a \$40 Glenhausen suit; Mrs. R. Berninger, 89 Columbia Avenue, Nutley, a \$25 Lorraine Peignoir set; Mrs. Elizabeth Hart, 89 Howard Place, Nutley, a \$20 Kay Windsor dress.

Also taking home gifts from Janette Nutley Center were Mrs. W. P. Travissano, 10 Emily Avenue, Nutley, a \$20 Barnsville dress; Mrs. Florence K. Murren, 89 Coeyman Avenue, Nutley, a \$8 Wispese girdle; Mrs. Helen O'Conne, 15 Ackerman Street, \$9 Cameo hose, and Mrs. Theresa Cocetto, 93 Passaic Avenue, Belleville, a \$4 piece of Trifari jewelry.

Winners were given their prizes by store manager Nicholas Mazzolla Friday. Pictures of the top winners appear on this page.

**Mystery Underway Today**  
Several hundred dollars in gift certificates will be awarded winners in the Nutley Chamber of Commerce's Mystery Window Co. Contest which kicks off today.

The general idea of the game is fun. Shoppers are invited to study display windows of participating merchants. There will be something out of order in each window — such as a woman's shoe in a display for a men's shop.

Additional details are available at all the Chamber stores in Nutley. The contest continues through June 3.

### Quarter Century Club Has Dance

ITT Federal Laboratories' 516-member quarter Century Club held its annual installation banquet and dance recently at the Westmount Country Club, Rifle Camp Road, West Paterson.

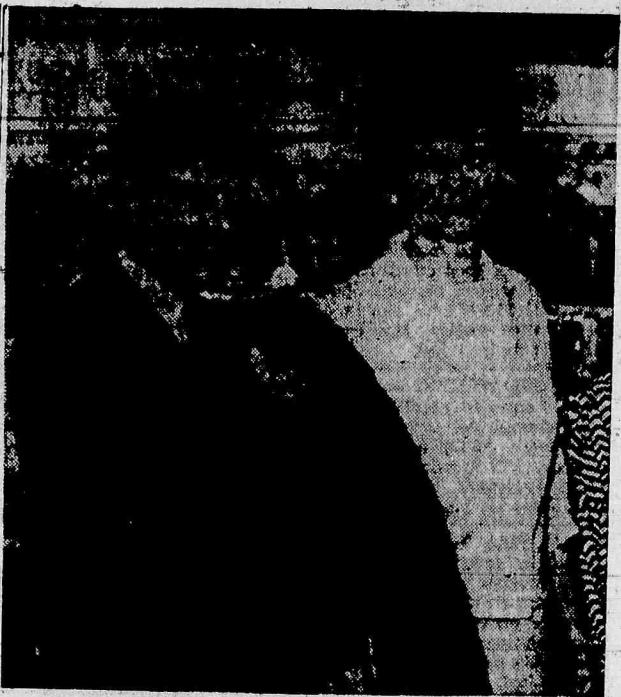

The ITT Federal Laboratories Quarter Century Club is one of the largest in the firms worldwide organization.

Employees with 25 or more years of service with ITT are automatically admitted to Quarter Century Club membership. 210 new members were welcomed into the club.

Master of ceremonies at the banquet and dance was Joseph A. Abbott, director public relations, ITT defense space group.

Club President Joseph J. Lampe was succeeded by Mrs. Harriet S. Roberts, who was installed as the first lady president of any ITT Quarter Century Club. Other officers installed were William Pellegrini, vice president, Sylvester J. Smith, treasurer and Frank DiFusco, secretary.

During the past year Pellegrini served with Lampe as treasurer, and DiFusco as secretary. Donald Bruno was vice president during the past 12 months.

### Camp Pictures

Children in grammar school grades are eligible to participate in the art contest being held in conjunction with The Sub's Camp Fund. Details appear in today's issue.

### Local Podiatrists Attend Conference

## Public Service Plans New Nuclear Generator

Public Service Electric and Gas Co. is planning a second nuclear generating unit in New Jersey. Watson F. Tait, Jr., chairman of the board has revealed.

Public Service has already applied for a license to build one 993,000-Kilowatt nuclear unit on a site that straddles the Burlington Township-Burlington City boundary along the lower Delaware River. It is scheduled for completion late in 1971.

Ownership and electric output of the unit will be shared with three other utilities — Philadelphia Electric Co., Delmarva Power and Light Co., and Atlantic City Electric Co.

The second unit will have the same Kilowatt capacity and is scheduled for completion in 1974.

No decision has been made on its location, other than the fact that it will be in New Jersey.

Construction and operation of the nuclear units are subject to approval by the Atomic Energy Commission. Approval by various local, state and regional agencies is also being sought.

Tait reported an upsurge in the use of gas and electricity for the first quarter of this year. Earnings available for common stock were also up in the quarter, amounting to 92 cents per share, compared with 86 cents in the first quarter of 1966.

"For the 12 months ended March 31 of this year," he said, "earnings per share were \$2.45, an increase of 22 cents per share over the \$2.23 in the prior 12-month period."

Substantial company growth and expenditures in the years to come were predicted by Tait.

The additional electric generating capacity planned or under construction will practically double the company's present capability of 4,610,000 kilowatts, he said.

It was indicated that all future basic generating units planned for the Public Service system will be nuclear, while smaller units for peak demands will be gas turbine units, which burn natural gas, or pumped storage.

#### Parkway Police Issue

#### Keep-Right Tickets

State Police on the Garden State Parkway have issued more than double the previous number of summonses for failure to keep right in the first six months of a special education-enforcement campaign.

The New Jersey Highway Authority today reported that a total of 1,595 summonses for keep-right driving violations have been issued by State Police patrolling the Parkway in the half year from November, 1966 through last month. For the corresponding 1965-66 period, the total was 636.

At the same time, the Authority said that some 150 letters have been mailed home to the registered owners of vehicles spotted failing to keep right by Parkway staff members on the road.

units which are powered by water. This program is the company's long range answer to air pollution control. Reviewing action which the company has taken to bring about quick improvement in the air pollution situation.

Tait said the annual purchase of 14-million barrels of low-sulfur oil will cut sulfur-dioxide emissions by 29 per cent and fly ash by 50 per cent.

Construction expenditures were estimated at \$192 million for 1967 — \$168 million for electric and \$24 million for gas. Nearly \$500 million will be required for the three years through 1969.

## How long will it take?

Don't pack a lunch. Your Volkswagen happens to lead a very simple, uncomplicated life. Even when it breaks down. Because it doesn't change very much year after year, our mechanics don't have to learn about an entirely new car year after year.

On your time. Or at your expense. To them, a '67 adjustment is really not that different from any other VW adjustment that's been made since the year one.

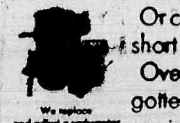

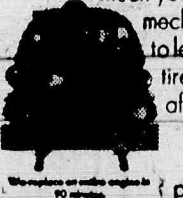

Which is why they're so good at servicing it. So thorough. And so fast.

When improvements are made, many of the new parts are made to fit older models.

Which is why there isn't a VW around today that we don't have a part for.

Or can't get for you in short order.

Over the years, we've gotten pretty good at servicing Volkswagens. We owe it all to the Volkswagen.
