Thursday Set For Calvacade

Mayor Kenneth D. Smith and the Board of Commissioners will appear at the opening of Belleville's Calvacade of Progress which begins at the Elks Club next Thursday at 2:30 p.m.

Mayor Smith will cut a ribbon officially opening the three day Chamber of Commerce sponsored exposition of what Belleville offers in the line of business and industry.

So far booths at the calvacade have been rented to the Belleville Times, Public Service, Sun-Glo Shuffleboard Co., Robert D'Uva Realtor, Clara Maass Hospital, Belleville Travel Service, Wallace & Tiernan Co., Mattia Press, Kendreck Photographers, De Witt Savings & Loan, Belleville Public Library, People's National Bank, Jolly Dry Cleaners, Cerebral Palsy Center, Mayflower Security Co., Walter Kidde & Co., N. J. Bell Telephone, United Community Fund and the Robert Treat Council of the Boy Scouts of America.

There will be a total of 29 booths. Harry French, chamber director said, "The community can be proud of its homes, its schools, its recreational and cultural activities in addition to fine spirit of cooperation between its various religious and ethnic groups."

French said the Calvacade is a booth type exposition wherein Belleville can be displayed for "what we do and what we have the education and enjoyment of the public."

Most of the booths are 8 x 8 feet but there are smaller ones, he said.

Booth backgrounds and arms will consist of draping material supported by aluminum pipes that are joined together with special screw-on aluminum fittings.

Booths will be completely installed and ready for exhibitors to set up their displays on Thursday morning. The show would open that afternoon at 2:30.

The chamber will furnish a standard name sign for each booth. The divider between the booths can be eliminated where an exhibitor desires two or more booths together.

Only chamber members may be exhibitors. Attendance based on the two previous showcases are expected to exceed 15,000 persons.

The calvacade will provide the community with an educational as well as promotional glimpse of what Belleville industries and businesses have to offer will highlight this community's very own exposition, to be sponsored by the Chamber of Commerce this month.

The showcases of the town's installations will be geared to show "what Belleville offers as a place to live and work."

Detailing plans for the proposed event, French said, "Belleville has much to be proud of in addition to its long history."

Our industries play an important role in national defense, space exploration, research and in the building of an ever expanding economy."

Local Team Up Against East Orange

It's football season again. And for about the next two months the character of Saturday afternoons in Belleville will take on new and more broader dimensions.

During the bustling season—just this side of summer and little that side of the snow—fathers alter their week-end schedules to be in the stands cheering their sons, or else glancing in retrospect some 20-odd years—when they were galloping for a touchdown.

There will also be those dads who see fit to offer their own coaching advice during the game. Yes, they will be around this autumn too.

Mothers, at least those with enough courage to view the wildest of all high school spectator sports, will gather on the wood benches with their bright wool quilts, warm jackets and pulled down scarfs to pensively observe the games. And there will undoubtedly be one mother who will quietly sit, biting her lower lip trying to remain calm as the student manager runs out on the field with a water bucket attempting to revive her son who collided head-on with an opposing lineman.

And we shall not forget those delightful student drumbeaters—the cheerleaders, who manufacture excitement and enthusiasm and who help guarantee a healthy morale for Belleville forces. They are the first to forgive a bad play and, indeed, the first to cry with joy over a touchdown.

Whatever rally yells the cheerleaders don't know, the girls in the stands will gladly supply in abundance. Each one there to root for their favorite player or glorified sweetheart.

The band will add its own musical exclamation point to the entire event gridding out every school pep jingle tirelessly over and over again. Bandmembers will take over during half time with a field exhibition as the unit assumes the shapes of diamonds, squares, circles and whatever else director Robert Wing can devise.

The football season will be bittersweet for police and ambulance corps members.

It will be field-day for newspaper photographers who dash along the sidelines getting in the way of everybody's view as photos capture the most exciting plays.

For freshmen it will be a season for dreaming and looking ahead to the days when they too will be the center of attention, groping for touchdowns with all the heroic trappings attached.

Coach John Amabile has the hardest job. The melange of personalities in the football stands know little mercy. They will either embrace or despise Amabile for his efforts. And through it all he will shut his ears to the clatter and simply be the man his players respect.

Yes, it will be an interesting season which begins Saturday in a game away at East Orange.

New Belleville Rabbi In Mid-East Conflict

Rabbi Henry Glazer, the new spiritual leader at the Congregation Ahavath Achim, moved into a quieter life when he accepted appointment to his new Belleville position last week.

A few weeks ago, Rabbi Glazer found himself not far from the war in the middle East when he served as the director of a home for emotionally disturbed children in Haifa, Israel.

Although not involved with actual fighting, Rabbi said the children's home he supervised wasn't far from the battles. While Rabbi Glazer couldn't estimate in miles the distance from the war zone he did say, "In Israel one is never very far from the Arab border."

He led a Civil Defense unit while in Israel.

In Belleville, Rabbi Glazer is replacing the post formerly held by Rabbi David

Werb. As he leads the Ahavath Achim congregation, he will continue his studies for a doctorate in psychology.

Kurt Lemberger, president of the Congregation Ahavath Achim made the announcement of Rabbi Glazer's appointment.

Rabbi Glazer received his BA and BRE degrees at Yeshiva University in New York and his MHL and Rabbinical Degree at the Jewish Theological Seminary in New York.

He also studies at the Hebrew University in Israel and at the New School of Social Research in New York.

The congregation is sponsoring a reception for Rabbi and Mrs. Glazer at the conclusion of services Friday night. All the organizations of the congregation are welcome, Lemberger said.

Legionnaires Urge Flag Display

The American Legion, with the complete endorsement of the Town Commission, has begun urging residents to fly the American Flag daily as a needed form of patriotic expression. Jack Gorman, Post 105 commander, said the "patriotic gesture who provide a more determined effort to arouse the people regarding the present crisis in Vietnam."

Gorman went so far as to appoint a committee of Legionnaires to survey the town. The committee will want to find out exactly those homes which display "Old Glory" and those which do not.

"There are many residents in town who simply have not bothered to fly the flag. In fact, it appears that a good many people in town don't even own a flag."

He said, however the American Legion has taken steps to correct that problem. In efforts along those lines, Post 105 will have a display booth at the Chamber of Commerce's Calvacade of Progress at the Elks Club.

Gorman said the booth will contain a supply of flags which may be purchased there. Or else the Legionnaires attending the booth will be able to provide information pertaining to where flags may be purchased and how they should be flown.

The Belleville-Times will also have flags available at a booth at the calvacade.

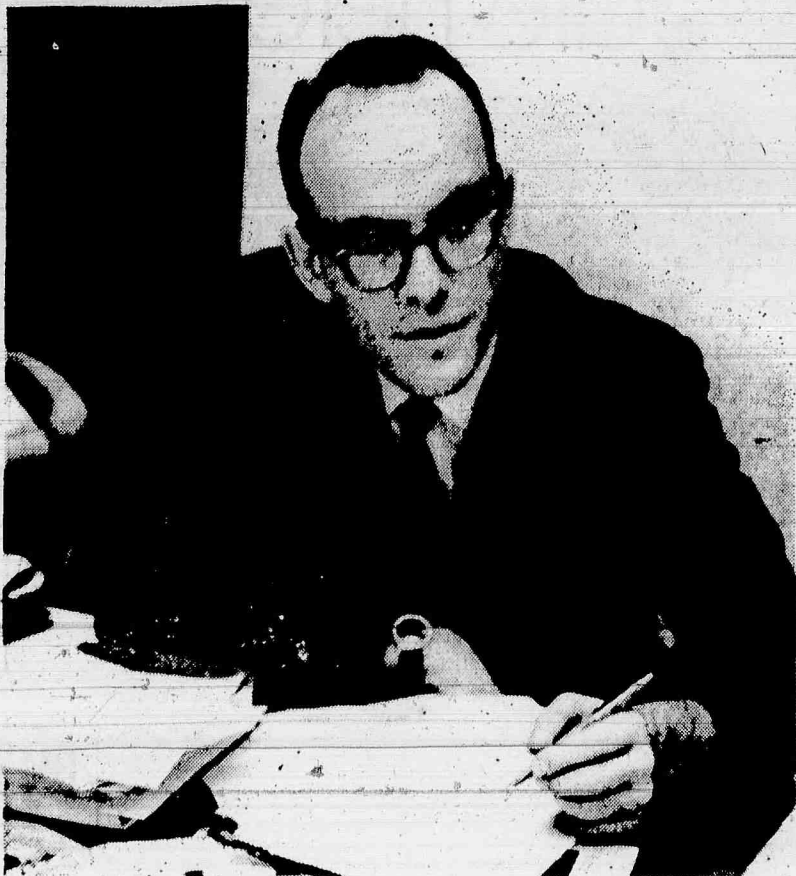

Former Department Commander Al Moeller remarked on the great number

of flags he had seen in his travels around New Jersey. "But some towns were really lacking. Belleville was one of these towns," he said.

Mayor Kenneth Smith and the Board of Commissioners have passed a re-

solution praising the American Legion for their stand. Mayor Smith has urged the citizens in Belleville to back the American Legion and display the flag everyday for the duration of the Vietnam Conflict.

He noted that the youth of the country are presently engaged in the defense of the principles of freedom. He said the crisis presents to the world a supreme test of democracy in action.

Drive to Enroll Migrant Kids Into School

Dr. Carl L. Marburger, state
education commissioner, has an-
nounced a new departmental drive
to enroll migrant school children
in regular school classes
throughout the state.

"Some 1,600 migrant children
were enrolled in our summer
school program, which ended
earlier this month. Some have re-
turned to their home states, but
many of them will be in New Jer-
sey until November, and as long
as they are here we would like
to get them into our regular
schools," Dr. Marburger said.
Education department repre-
sentatives have been implement-
ing the program with superin-
tendents and school administra-
tors in the districts where the
migrant children live. This sum-
mer there were 13 migrant
schools operating in seven coun-
ties.

To date, some 200 migrant
children are already attending
regular school sessions.

The department is assisting
districts in obtaining additional
personnel.

BECK'S COLUMN

By MAX BECK

Did you read or hear yet
of "Public Television"? If
not, you will in the not too
distant future, and probably
it will cost you some
money, one way or another.

What is this public tele-
vision? It is a plan for pro-
gramming with more ap-
peal than today's educa-
tional television, but with-
out the need to reach the
lowest common audience
denominator which has
lowered commercial tele-
vision standards.

One catch is the proposal
of an excise tax to support
it, and that would mean that
you would have to pay for it.
It is the suggestion of the
Carnegie Commission on
Educational Television to
level initially "only" 2%
excise tax on TV sets at
the manufacturers' cost,
which gradually would rise
to 5%. The TV industry
strenuously objects to an
excise tax, having only re-
cently gotten rid of it. And
there the matter of finances
stands at this point. Mem-
bers of the committee in-
vite alternative proposals.

Something will have to be
done about the low level
of TV entertainment. It is
unfortunate that the Gov-
ernment has to step in, but
that seems to be always the
case. If the interested
groups do not come up with
a solution, another Gov-
ernment agency takes over, in-
variably coming up with
rules and regulations and
thus bringing us another
step closer to socialism.

The threat of Gov-
ernment intervention may
wake up the people who for
years work on "pay TV."
There are several sys-
tems available and the dif-
ferent interests fight vi-
ciously for the bonanza.
They better get together
before it is too late.

New Parking Idea for Air Traveling

Air travelers who use Newark
Airport can now avail themselves
of a new valet parking service re-

cently introduced at the Essex
County air terminal.

In using the new system a
patron drives to the valet drop-
off spot just west of the passenger
terminal and turns his car over to
an attendant who parks the auto
in a fenced-off area. Upon the
traveler's return, he calls for his

car inside the terminal at the
baggage claim areas. The car
is then delivered to either the east
or west pick-up spots, depending
on where the patron exits from
the passenger terminal.

The valet rate is a flat \$2.00
for parking and delivery of the
auto, plus charges of \$1.50 for
each 24 hours of parking.

Traffic Safety: A Shared Responsibility

School administrators and police officials in Belleville have done well to adopt the Green Pennant Safety Program as its symbol marking an excellent school safety record.

The student-centered traffic safety project was inaugurated recently in the Belleville school system with the support of Donald Smith, police chief and Anthony Greco, superintendent of schools.

The program, which is under the nation sponsorship of General Motors is geared at making every student conscious of the need for traffic safety in the community.

Large green safety pennants with the image of a safety patrol boy have been donated to the school to signify an accident free period of participation in the program. The school must earn the right to fly the pennant on the school flag staff by completing 30 consecutive days without a student-related traffic accident.

The local police department determines when a school should lower its pennant.

If the flag must be lowered, it is thereupon displayed within the school building

to dramatize the need for safety.

The affected school must then complete another 30 days without an accident before the pennant can be raised again.

The program focuses on safe walking, bicycling and driving habits. If Belleville can complete the entire year without a student related accident it is eligible to receive a perfect safety award certificate from General Motors.

Belleville students do not carry the burden of passing between home and school safely by themselves. All other members of the community share this obligation every time they sit behind the wheel of their car, as soon as a deliveryman starts the motor of his car, or when a bus or cab driver pulls away from the curb.

Students and adults are equally responsible for safety.

Certainly the consequences of carelessness can be far greater than the removal of a pennant from a flagpole. The primary concern, after all, is for the protection and well-being of our children. P. A. D.

Babson's Point Of View

Possible New Consumers' Buying Guide

Babson Park, Mass., September 14. There is still a lot of optimism among marketing men despite the fact that consumers lately have been dragging their heels on the retail front. Are the optimists right in their conviction that we are heading into another buying spree? Or is a substantially more cautious view prompted by the probabilities for coming months?

There are some hopeful signals. Personal income is still heading upward, though not at the intoxicating pace of the past few years. Labor is still on the go-go for big pay increases, and many of the settlements this year have pushed ahead of those for 1966, breaking the guidelines and edging into the 5% - 7% range. Employment continues to smash one record after another, and jobless totals are small enough to prove that our economy is successfully absorbing millions of the steady additions to the labor force.

Even though prices have been pressing upward in many lines, our nearly 200 million consumers have not yet put on any frantic display to buy things before there is "more price inflation." They have, in fact, been socking away more cash in the bank, and reducing the volume of their debts as related to their incomes. These are fundamentally healthy developments; they could lay the groundwork for a later burst of confident buying. But there are other things that must be considered.

The seemingly unwinnable war in Vietnam seems to be having an unfavorable effect on buyer attitudes. There just isn't much desire to splurge when a butter-and-guns economy calls for a big new income tax boost. More and more families are sending their youth to a distant land, paying billions to do it, and seeing no chance of an early end to this bitter situation. Local and state taxes practically everywhere are going in one direction only. And that is UP!

Some lines have had to raise prices because of rising output cost, and this has caused many potential customers to back away. This can also be applied to new homes, with outlays for materials and labor expanding so spectacularly that many young couples would rather just "wait a while" and rent an apartment. All in all, rising prices seem to be holding buyers back from big-tag items. This is the opposite of what happened after World War II, when there was a scarcity of consumer goods instead of today's surpluses.

This doesn't mean that we are heading into a buyers' strike. More likely there will be retail gains over the months ahead. But they will be less sprightly than in recent years because of the continuing nagging doubts about the war and the uptrend in taxes. Some industries are reporting cutbacks in working time, which represent a restraining influence on income advances. And here and there layoffs of workers have been pub-

licized, -- news that must be almost unbelievable to many young people, and at least vaguely disturbing.

Comparisons with a year earlier in various divisions of retail trade are definitely not going to be as rosy as they have been in recent years, at least not for some time. For one thing, there is nothing moving on to the market yet that is as dramatic as, say, color TV. Some possible car buyers may be held back because they expect still further safety features in the next year or two. And the rise in auto prices brought about by soaring costs and added outlays for safety requirements may add to consumer restraint in this field.

Hence, while it is probably accurate to assume that retail buying will continue to edge ahead, there are not enough plus factors to create an early fresh buying surge. For a time, gains will probably just about mirror increases in population and the advances in personal incomes that will be limited by higher taxes and more saving.

The Mutual Funds

In the past year studies have shown that mutual funds--collective sums of money invested by experts for a great number of individual investors--are a growing factor in the U.S. stock market. That growth poses certain questions.

A recent study indicated the funds are becoming a larger and larger share of market sales. The prospect of the future may be one in which several major funds can greatly influence the price of a stock. The growing buying power of these funds certainly steadily increases the effect of fund movements on prices.

Earlier in the year the federal government became concerned with charges to investors by some fund plans, charges which sometimes ran as high as eight or ten per cent. Slight changes resulted from an investigation into this alleged overcharging. Nevertheless, one can see a vast profit potential for fund managers when managing charges of even 1 1/2 per cent, for example, (involving many millions) are made. And history has shown that where vast profits are involved temptations are also involved.

The stock market as we have known it in this century has been largely a market of small investors, banks, institutions, and few funds. If this composite changes, and funds come to make up the most influential market factor, one or more fund managers could conceivably act in concert to exert decisive influence on selected prices. The little investor could be hurt in such manipulations--and this is causing serious thinking.

Speak Up

Soldier in Vietnam

Commends Sp4 Volpe

I am writing in regard to a man from my unit who I think deserves some recognition for the job he did as a soldier in Vietnam. I made a suggestion to our company in regard to sending letters out to the town papers of our troops who were re-assigned here after being wounded.

Because of the limited man power they were unable to except this suggestion. I've decided to take it upon myself to write as many letters as I have time to, I'm hoping my letters will be recognized by all concerned.

The soldier in question is Sp4 Gerard Volpe who lives at 19 Naples Avenue, Belleville. He has won three awards for his service-air medal for numerous combat assaults, Purple Heart, and the Bronze Star for heroism. I was able to gain access to the subjects 201 File and would like to type to you the main body of his order for the Bronze Star.

Volpe, Gerard, US 51603698 PFC E-3 United States Army, Co B, 1st Bn 7th Cav., 1st Air Cav Div, APO 96490. Awarded: Bronze Star Medal with "V" Device.

Date action 4 April '67

Theater: Republic of Vietnam

Reason: For heroism on 4 April '67, as point man in a patrolling element, An Lao Valley, Vietnam.

At or about 2000 hours an estimated three companies of North Vietnamese troops ambushed his patrol, utilizing mortars, rocket launchers, recoilless rifles, automatic weapons and small arms.

Private First Class Volpe was wounded in the initial attack but continued to direct the man in his squad. When the squads machine gunners were wounded Private First Volpe manned the weapon and was able to place devastating fire upon the rapidly advancing enemy.

His calm and courageous actions were instrumental in saving the lives of his fellow soldiers. His actions were in keeping with the highest traditions of the military service and reflect great credit upon himself, his unit and the United States Army.

I thank you for your time and please except my apology if you already have been notified by his old unit, I am hoping you could respect my request that the writer of this letter not be made known to Sp4 Volpe or his family.

ONE YEAR AGO

Overruling the "no" vote of Councilman William Cullen, the Town Council formally created the five man Belleville Parking Authority, the first step in twenty years to alleviate the town's critical parking problem. Named by Mayor Nuncio Pico to one year terms on the Authority were Frank M. Garruto, 267 William Street; Emile Casale, 85 Fairway Avenue; George Kiernan, 101 Union Avenue; John Caruso, 53 Mt. Pleasant Avenue; and G. Fred Burlazzi, 18 Mt. Pleasant Avenue. Councilman Cullen stated that he had voted against the Authority because none of his candidates had been chosen for the group.

Joseph B. Grosch, 5 Nolton Street, was elected to the Board of Trustees of the North Essex Child Guidance Clinic. Grosch is principal of Belleville School One.

Donald Hulme, world champion accordionist, again left his Belleville home for a world tour. Hulme, returned recently from a 100-concert European tour, set out on a swing around the US college circuit.

FIVE YEARS AGO

Michael A. Querques, former assistant US Attorney, was appointed by the Town Council as special counsel to aid the investigating committee of the Town Council with its probes of the Department of Revenue and Finance, the Tax Assessor's office, the Tax Collector's office and the charges against Councilman James R. Golden regarding his alleged use of town-owned facilities for producing campaign literature.

Magistrate Edward Abramson was re-appointed to the Belleville court for another three year term. A Belleville native, Abramson had served as magistrate since 1951.

Tax Assessor Peter Torre submitted his resignation as president of the Belleville Democratic Club and selected a nominating committee to find a successor.

TEN YEARS AGO

Robert F. Layton, 74 Rossmore Place, was presented with a civilian gold medal citation by the New Jersey Police Benevolent Association for aiding in the capture of an armed man who had attempted a robbery at Consumers Finance Co., East Orange, a year before. Layton was manager of the Consumers Finance office. The citation was presented at the police association's convention.

Mrs. Georgie Baxter Clark, 472 DeWitt Avenue, died at age 73 following a heart attack. A former resident of the Philippines, Mrs. Clark had been a Japanese prisoner of war for three years during World War II. She and her late husband, Capt. LaMont Thompson Clark, a civilian engineering consultant, were imprisoned in separate Japanese camps when the island fell to Japan in 1942. Captain Clark died at his camp in 1943; his wife returned to the United States in 1945. It was not until after her return to her homeland that she learned her husband was dead. Mrs. Clark had lived in Belleville since her return to the United States.

TWENTY YEARS AGO

Citing the seriousness of recent juvenile delinquency problems, the Board of Education moved to have attendance officer Wesley Schneegas sign any complaints against children apprehended by police and charged with breaking windows or committing any other damage. The Board heard a report from school building and grounds chairman Charles Gebhardt emphasizing the grave situation. Gebhardt informed the Board that a notable increase in school building vandalism had occurred over the summer.

Support for Mayor James Tully in his drive for the Republican nomination for the 10th Congressional district arose in the form of a "Tully for Congress" campaign among citizens of Bloomfield. It appeared as though Belleville residents, however, were silent on the matter.

The Board of Education raised tuition for out of town residents attending Belleville schools to \$225 in the high school and \$200 in the elementary schools. The students had previously paid \$120 and \$90 respectively.

THIRTY YEARS AGO

Mayor William H. Williams astounded members of the Belleville Council 163 Jr. O U A M at an outing at Buck's Grove, Hanover, by his ability at horseshoe pitching. The mayor, in competition with Ernest Brown, was losing 6 to 2 when he pitched a ringer, to the delight of the large crowd present and the annoyance of Brown, who claimed the mayor could never duplicate the feat. But with considerable nonchalance, Mayor Williams tossed two more ringers in succession and went on to win the game. Belleville's amazing chief executive then went on to play first base on the baseball team and aid his club to a 20-2 victory.

Paul Deckenback, 10, son of Rev. Peter R. Deckenback of Christ Episcopal Church, suffered a collar bone fracture when he was struck by a car backing from the curb of DeWitt Avenue. The driver was a Kearny resident.

The Belleville Theatre Guild selected "Smiling Through," a romance of wartime and Victorian England for its fall production. Mrs. Richard Newman was named to direct.

35 YEARS AGO

Twelve charges against Recorder George A. Fitzsimmons, claiming various irregularities in the conduct of his office and incompetence to hold his job were filed with the Board of Commissioners by Joseph Carragher, son of Commissioner Frank J. Carragher. Among other charges, it was alleged that Fitzsimmons had failed to turn over fines to the town treasury and kept incomplete records of funds collected.

Richard C. Slauer, the town singles champion in 1931, and Sidney Summerfield, the town doubles champion, kept their titles for 1932 by winning the singles and doubles tennis championship tournaments sponsored by the Hillcrest Tennis Club. Runner up for singles champ was Corbin D. Lewis.

Annual Card Party Scheduled To Benefit Mentally Retarded

Rev. Matthew M. Pesaniello, Archdiocesan Director of the Apostolate For The Mentally Retarded, Mt. Carmel Guild, Archdiocese of Newark, has announced that the Fifth Annual Card Party for the benefit of the Apostolate will be held in Holy Family School Auditorium, 24 Brookline Avenue, Nutley, Friday evening, September 29. The card party is conducted under the sponsorship of the Parents' Auxiliary, Holy Family Center For Retarded Children, one of sixteen such parent groups organized at Church Centers in Bergen, Hudson, Essex and Union Counties, devoted to the educational, recreational, and social advancement of retarded children.

The membership of the Parents' Auxiliary is made up of parents, relatives and friends of the retarded in Belleville, Nutley, Bloomfield, Carlstadt, North Arlington, Lodi and Garfield.

Malcolm E. Condon, of 162 New Street, Belleville, is president of the Parents' Auxiliary at Holy Family Center, and will serve as general chairman of the Card Party.

Neighborhood News

Palm Beach Visit

Mr. and Mrs. Joseph Kane and Mr. and Mrs. Richard McClure have returned after a month in Palm Beach where they visited Mrs. Patricia Butler, the McClure's daughter and a former Belleville resident.

While there they witnessed the taping of "Palm Beach Party" at the Royal Poinciana Playhouse which will be shown on NBC in the fall. Stars were Les Elgard, Donna Jean Young and many others.

The McClures and Kanes entertained Mr. Don Webster, m.c. of the show at the Butler residence. Mr. Webster was also the m.c. of "Expo '67" which was shown in three parts on NBC and has his own show, "Up Beat" from Cleveland on National Network.

Mrs. Butler is private secretary to Mr. Chester Pike, president of Scripps Howard WPTV. Mr. Pike entertained the Kanes and McClures at the famous "Taboo" in Palm Beach.

Mr. McClure is with Petit Paint and Mr. Kane is with Mattia Press, Belleville.

Congratulations

Four girls and three boys ranging in age from nine to 13, got together as a team to raise money for the Jerry Lewis Telethon.

They first tried their luck with a soft drink stand but when the money was too slow in coming in, they decided to canvass the neighborhood for contributions. By doing so they managed to raise forty dollars and twenty one cents.

Karen Lewis and her sister, Ellen got the ball rolling and were joined by Jimmy Hill, Tony and John Ruginuola and Lynn and Susan Diana.

Laws are passed to be enforced but some people seem to have forgotten that theory—especially as it applies to them.

State Tuberculosis Foundation Active

The 1966-67 annual report of the New Jersey Tuberculosis and Health Association, will be mailed this week to some 3500 individuals and organizations in New Jersey.

Entitled "The Magnetism of Excellence," the publication is dedicated to the late Dr. John Blair Barnwell of Blairstown, Association board member who had also been a director of the National Tuberculosis Association and president of the American Thoracic Society, its medical branch. During his 14 years with the Veterans Administration, Dr. Barnwell made numerous contributions to medical knowledge about tuberculosis treatment.

Featuring the Christmas Seals which support its work, the State Association's report relates some of the year's activities, including support and management of the New Jersey Research and Teaching Fund, which provided \$22,603 in research grants and fellowships, support of and participation in the Delaware Valley Citizens Council for Clean Air, a tri-state group covering part of South Jersey, and the School Press Project which honored nine school papers in the state.

Various advisory committees made studies and recommendations to help the state tuberculosis and its affiliates maintain good performance standards in their programs for the eventual eradication of tuberculosis and control of other respiratory diseases.

Mr. and Mrs. J.J. Gutknecht Are Honeymooning In Bermuda

Miss Angela Rose Cairoli, daughter of Mr. and Mrs. Fred M. Cairoli of 23 Belmont Street, was married Saturday to Joseph J. Gutknecht, son of Mrs. Joseph J. Gutknecht of 86 Malone Avenue and the late Mr. Gutknecht.

The Rev. Francis Ignacino performed the ceremony in St. Peter's Church. A reception followed at Westmont Country Club, West Paterson.

Escorted by her father, the bride wore a gown of white English net designed with a jewel neckline and appliqued with Alencon lace medallions reem-broidered with pearls and sequins. Her Cathedral train was a wide panel of net over silk organza appliqued with lace.

A full length veil of silk illusion fell from a wide band of lace medallions and she carried a nosegay of roses, lilies of the valley and baby's breath.

Mrs. Robert L. DePiro of Upper Montclair was her sister's matron of honor. Bridesmaids included Mrs. Michael J. Scudato of Bloomfield, Miss Barbara Coppola of Belleville

and the groom's sisters, Miss Margaret Gutknecht and Mrs. James McConville of Belleville. Sally Ann DePiro was flower girl.

The attendants wore aqua chiffon cages over crepe sheaths flowing from beaded jewel yokes. Headpieces were beaded bands and they carried nosegays of roses. The flower girl wore a white organza floor length dress with a tucked waist, full skirt and wide velvet sash. She carried a basket of flower petals. Master Robert DePiro, acting as page, was in a black velvet Eton suit and a white ruffled shirt.

James McConville was best man for his brother-in-law. Ushers were Mr. DePiro, Joseph M. Tartaglia of Newark, cousin of the bride, Mr. Scardate and Raymond Orlando of Woodbridge.

Mrs. Cairoli chose a floor length gown of turquoise and gold metallic French brocade with a band of jewels at the neckline and sleeves. The groom's mother was in a floor length gown of kelly green brocade with a matching hip length jacket. Corsages were cymbidium orchids.

Mrs. Gutknecht, a graduate of Belleville High School and the Fashion Institute of Technology, New York City, is a foundation designer formerly with the Bait Company. She is a member of the Underfashions Club.

Mr. Gutknecht, also an alumnus of Belleville High School, attended the Automation Institute of Newark and is a computer programmer with Bank of Commerce, Newark. He completed two years in the U.S. Army as a military policeman in Vietnam. Following a honeymoon in Bermuda, the couple will live in Clifton.

Mr. And Mrs. Ombalsky Jr. Will Reside In Belleville After Southern Honeymoon

Miss Carole Lee Lavance, daughter of Mr. and Mrs. Salvatore Lavance of 23 Jefferson Street became the bride Sunday of Joseph Ombalsky Jr., son of Mr. and Mrs. Ombalsky of 25 Cedar Hill Avenue.

The Rev. Ignacino performed the afternoon ceremony in St. Peter's Church. A reception followed at Palsfair House, West Orange.

Escorted by her father, the bride was attired in an all beaded sheath of silk peau de sole with the bodice and sleeves of beaded lace appliques. The gown featured a cathedral length train of silk illusion falling from the shoulders.

An all beaded crown and petal headpiece held her elbow length veil and she carried a cascade of baby orchids and stephanotis.

Mrs. Joseph Colombo was her sister's matron of honor. She wore a floor length crepe sheath of avocado green. Bridesmaids were Mrs. Lucille Bovello, Miss Jeanne Mancinelli and Miss

Jeannie Colavita, all cousins. The bride and Miss Marie Sylvestre of Belleville. The bridesmaids were in mint green. Crown and petal headpieces and sprays of Fuji mums completed their outfits.

Nuptial Mass In St. Anthony's For Miss Sadie G. Cetrulo

Miss Sadie Geraldine Cetrulo, daughter of Mr. and Mrs. Ralph J. Cetrulo Sr. of 32 Montgomery Place and Edward Peter Larkin, son of Mr. and Mrs. Edward Larkin of South Orange, were married September 2 at a Nuptial Mass in St. Anthony's Church, Belleville.

The Rev. Rocco Constantino of St. Paul's Church, Jersey City, officiated. A reception followed at the Friar Truck, Cedar Grove.

Escorted by her father, the bride was attired in a white satin gown with pearl beaded work on the sleeves, bodice and hemline. A pearl and satin headpiece held her three tier veil and she carried a bouquet of baby orchids.

Mrs. Vera Cetrulo of Belleville was matron of honor for her sister-in-law. She wore an Empire A line gown of burnt orange linen with a matching bow headpiece and carried a bouquet of yellow and orange spider mums.

Henry Larkin of Newark was best man for his brother. Ushers were the bride's brothers, Ralph J. Jr., and Nicholas Cetrulo.

Mrs. Cetrulo chose a lime green floor length gown with beaded collar and matching accessories.

The groom's mother wore an aqua cocktail dress with a lace top and matching accessories. Corsages were orchids.

Mrs. Larkin, a graduate of Belleville High School, is with Prudential, Newark.

Stevens Institute

High Enrollment

The largest Freshman Class in the 97-year history of Stevens Institute of Technology will enter the college this fall.

William L. Bingham, dean of student affairs, announced the Class of 1971 will number 466. The largest previous class was 401 in 1962. The expected total undergraduate enrollment at the engineering and science college for the new academic year is 1,350.

The freshmen arrive on campus September 17 for a three-day orientation program and the fall term will begin September 21 with Convocation. The graduate program, with 1,370 students, begins classes September 20.

Mr. Larkin, an alumnus of Columbia High School, South Orange, served two years in the Army and is a policeman in South Orange.

After a honeymoon in Miami, Florida, the couple will live in South Orange.

New Jersey Turnpike

Rejects Contracts

The New Jersey Turnpike Authority has announced that within the past month it has rejected contractors' proposals on five widening contracts totalling \$29,360,000 because the prices bid were too high.

Concerned over the prospects of meeting its expansion schedule and the continuing rise in construction prices, the Authority is now exploring the practicability of negotiating with contractors in an effort to secure lower prices.

The Authority has received evidence that the same conditions prevail in New Jersey state highway work and road construction in surrounding states.

Two Banks Will Conduct Merger

Robert G. Cowan, chairman of the board of directors of the National Newark & Essex Bank, and Frank D. Brewer, chairman of the board of directors of the Glen Ridge Trust Company, have announced that the two banks will merge at the close of business on September 29.

The merger has been awaiting the approval of the Comptroller of the Currency, which has been given. Stockholders of both banks approved the merger in August. The single office of the Glen Ridge Trust Company, 222 Ridgewood Avenue, will now become the Glen Ridge office of the National Newark & Essex Bank. Cowan and Brewer emphasized that the present services and facilities of the Glen Ridge Trust Company will be continued and the complete staff will be retained. There will be no inconvenience to the customers of the Glen Ridge Trust Company. They may continue to use present pass-books, checks, and other forms while they last.

Thomas H. B. Boothe, president of the Glen Ridge Trust Company, will be Vice President of National Newark & Essex Bank in charge of the Glen Ridge office.

Wedding Bells Ring In St. Anthony's For Camille Simini, Patrick Dullaghan

Reception Held

At Essex House

Following Mass

Wedding bells rang in St. Anthony's Church Saturday for Miss Camille Simini, daughter of Mr. and Mrs. Frank Simini of 13 Magnolia Street and Patrick Dullaghan, son of Mr. and Mrs. Charles Dullaghan of County Louth, Ireland.

The Nuptial Mass was celebrated by the Rev. Lewis Caputo of the Vocationist Fathers. The Rev. Francis McCarthy of Our Lady of Lourdes Church, Paterson, performed the ceremony. A reception followed at the Essex House, Newark.

Miss Maryann Monterosa, cousin of the bride, was maid of honor. Miss Joanne Gaudio and Miss Susan Snyder were bridesmaids with Miss Diane Ficeto, cousin of the bride, as junior bridesmaid.

C. John Dullaghan was his brother's best man. Ushers were the bride's brother, Frank Simini and William Sheehan with Michael Simini, another brother, as junior ushers.

Mrs. Dullaghan, a graduate of St. Joseph's Hospital School of Nursing, Paterson, is a nurse at Mountainside Hospital, Montclair.

Mr. Dullaghan is a computer operator with the Prudential Insurance Company, Newark.

Pretty girls are not more deserving necessarily; they just seem so on the spur of the moment.

WHEN TO SEE A DOCTOR IF WOUNDED

It is most important to know when to see a physician for first aid.

If there is real spurting bleeding, this is an emergency. If slow bleeding continues beyond four to ten minutes, medical attention is needed. If there is foreign material in the wound which does not clean out easily; if it is a deep puncture wound or is long or wide so that stitches may be required, a physician is needed.

Also, if the wound has been in contact with soil or manure, or if signs of infection such as pain, redness, or swelling develop, don't wait. Expert attention quickly will prevent hours of pain and possible infection.

YOUR DOCTOR CAN PHONE US when you need a medicine. Pick up your prescription if shopping nearby, or we will deliver promptly without extra charge. A great many people entrust us with their prescriptions. May we compound and dispense yours?

300 Belleville Girl Scouts Go Camping In Bloomfield

Dozens of tents were pitched in Brookdale Park as almost 300 Girl Scouts from Belleville and Bloomfield gathered for their annual Camporee this week.

The girls, representing 21 troops from both towns set up their camp at 4:30 p. m. Friday. Mrs. Arthur Verhagen, chairman of the Belleville district of the Girl Scout Council of Greater Essex County, assisted Mrs. Carl Barabato of Bloomfield with the organization of the event.

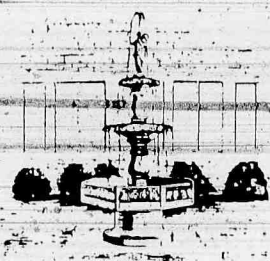

The public was invited to attend the official opening ceremonies at 1:30 p. m. on Saturday, which were followed by demonstrations of various camping skills by the girls until 4:30 p. m.

Also open to the public was the

evening campfire program beginning at 7:00 p. m. Using the theme "American Heritage—Values to Hold," some of the troops presented songs and dances until 9:00 p. m. with all of the Scouts joining in the group singing.

On Sunday the girls attended special services at Brookdale Reformed Church, St. Thomas the Apostle Roman Catholic Church, or Temple Menorah, according to their religious faith. Sunday dinner was a contest with ribbons for the best meals, all of which were prepared over charcoal fires.

Mrs. Landau Recently Learns How To Fit Scientific Supports

Mrs. Florence Landau of Janette Nutley Center has just returned from Buffalo, New York where she attended an intensive 4-day instructional course in the fitting of scientific supports.

The course was given by S. H. Camp and Company, makers of Camp Supports, and was conducted by its educational staff. Instructors gave special attention to basic anatomy to be considered in the practical application of supports.

"An interesting development," declared Mrs. Landau, "is the nation-wide attention given to good posture for better appearance, health and physical efficiency. Correct posture is not only taught in schools and colleges today, but is actively fostered by the medical advisers of leading industrial companies and other large employers."

The camp instructional course for fitters was stimulating and

provided helpful information on many conditions for which doctors prescribe supports as well as instruction in the actual application of supports for these conditions.

Mrs. Landau has been recognized for her achievements in attending this course of instruction.

TIRE TONY -- Leading yard gainer Saturday night was Nutley's Tony Pietoso. Tony carried 12 times for total of even 80 yards and also ran back kicks for another 66. Photo of Pietoso was taken as he walked off field after collapsing from exhaustion with 1:12 left in the game.

OUT OF BOUNDS -- Belleville's Eugene Caruso (22) eventually ran Nutley's power horse, Tony Pietoso, out of bounds, but not until the Maroon's top yard-gainer had picked up nine markers for a first down. Pietoso suffered a knee injury Saturday and had to undergo surgery Monday.

TOUCHDOWN! -- Nutley's Steve Lamprou (with ball) carries from 12 yards out to hit paydirt on the first play opening the final stanza. In pursuit is Belleville's Mike Sabia (60), Perry Meyers (11)

and Bob Druther (69). Lamprou scored earlier for the Maroon Saturday. In 10 tries, the former NHS standout gained 55 yards in rushing.

Nutley Alumni Win; Even Series at 2-2

BY TOM PERROTA

The Nutley alumni football squad, under the guidance of coach Mario Cocchiola, blitzed a veteran Belleville eleven with bursts of speed and a rock-ribbed line Saturday night. With Mike Geltrude piloting the offense and Tom Malloy spearheading the defense, the Nutley squad showed its superiority before a crowd of 6,000 fans at Belleville's Municipal Stadium.

Nutley scored on its first play from scrimmage after Johnny Lucas, who played an aggressive game at his end position, blocked a Belleville punt inside the 10-yard line. The ball rolled into the end zone with no one in pursuit. The lighting was dim in that area and the Nutley players were running in circles trying to locate the pigskin. Finally the kicker, Richie Longo, picked up the ball and ran it out to the nine yard stripe.

Cocchiola's men took over and Steve Lamprou reeled off the nine yards for the touchdown with a flash of speed. Tom Malloy booted the extra point and Nutley led, 7-0.

Belleville capitalized on a freak break later in the first quarter when a Bellboy punt skidded inside the Nutley 10-yard mark. The ball grazed Lamprou's body and was recovered by Belleville on the Nutley 4.

Nutley's line repulsed Roger Caruso and Phil Galioto on short line thrusts that gained only one yard. Del Guercio faded back to pass on the third down but was trapped by the Nutley lineman. He managed to escape miraculously around the 15 and they outsped a host of defenders into the end zone. The kick was good and it was all tied up at 7-7.

Tony Pietoso ran the ensuing kick off to the Nutley 45 as the last man tripped him up to save a Nutley TD. The local squad hammered down to the Belleville 22 where Geltrude calmly ran to his right and looped a soft pass into the arms of Mike Russoniello on the Belleville 10. Mike neatly hot-footed past a couple of Belleville defenders into paydirt. Malloy was wide to the right with his PAT as he injured his leg in the process, leaving the score at 13-7.

Pass interceptions by both teams bolted scoring chances late in the second quarter. Mike Ritacco picked off a Del Guercio aerial on the Nutley 2 as the first half ended with Nutley in front, 13-7.

Second Half

A pass interception by Tom Malloy late in the 3rd quarter set up the third Nutley touchdown. Tom grabbed a Belleville pass on the Belleville 20 with a clear field in front of him but a bad leg forced him to

limp to the 16 where he was stopped. After a five yard penalty, Pietoso reached the 12 and Lamprou promptly sped into the end zone for his second touchdown. Ritacco missed the extra point but Nutley had a 19-7 lead.

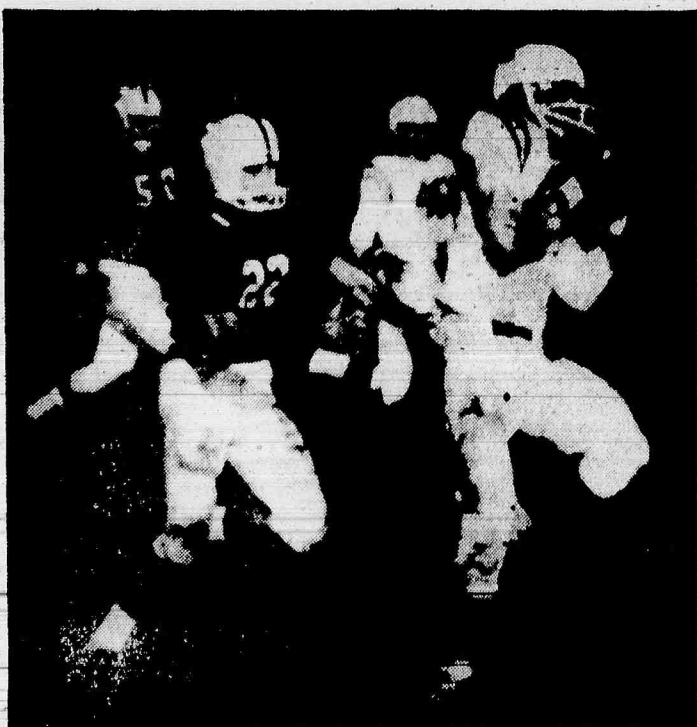

Belleville mounted its first honest threat of the day after Ritacco's kick-off. With Caruso and Galioto carrying Belleville reached the Nutley 6. Then play became a bit sloppy as both teams exchanged penalties with Belleville being aided by two Nutley pass interference plays. Galioto finally crossed the Nutley goal line from the five yard stripe. Rocco Della Luna blocked the extra point try and leaving Nutley in front, 19-13.

That was the final Belleville scoring chance as the Nutley eleven dominated the game with Pietoso, Steve Lamprou and Jim Ippolito churning out the yardage. Geltrude kept the game in hand by keeping the ball on the ground.

Geltrude sealed matters in the final seconds by sneaking over from the 10-yard line from his quarterback spot. The versatile former Maroon Raider star also kicked the extra point with his soccer-style effort. The ball sailed high and clean above the uprights to make the final score, 26-13.

Pietoso was the leading ground gainer with 80 yards in 12 attempts. He also ran back kick-offs for 66 yards. Lamprou scored twice and gained 55 yards in 10 tries. Aiding Malloy on defense were Della Luna, Ralph De Piro, Joe McGuiness, Carl Graziano, Frank Del Guercio and veteran Mark Hallam.

Nutley's victory evened the series at two wins apiece.

PASS COMPLETED -- With Belleville's Eugene Caruso (22) guarding, Steve Lamprou pulls down a toss from quarterback Mike Geltrude in third stanza. Pass covered 21 yards. In background are Belleville's Eugene Montrone (50) and Nutley's Mike Russoniello (46).

HEAD COACH -- Guiding the Bellboy Alumni eleven was Tom Appicelli who animatedly gives out instructions on sideline Saturday night. Assisting Appicelli in coaching the Belleville Alumni were Mike Marotti and Paul Mayers.

GOOD GAIN, SHORT DRIVE -- One of the Bellboys' big yard gainers Saturday was Phil Galioto (20) who picks up eight yards on this play with only 3:54 left in the ball game. Although Phil's drive was a good one, Belleville lost the ball to Nutley on the next play when the Maroon's Mark Hallam intercepted a Bellboy aerial.

Sabre Cadets Entertain Throng Win Gold Ribbon For Participation

The Sabre Cadets, an all girl color guard of Belleville girls, sponsored by American Legion Post 105, marched on Atlantic Avenue, Wildwood, before a huge throng recently. The reviewing stand held state and local officials, including Governor Richard J. Hughes. It was a four hour parade made up of twenty units. This was the first time the

Sabre Cadets marched in the yearly American Legion State Convention parade, and the judges awarded a gold ribbon to the corps for an excellent performance. Twenty-nine girls, dressed in full uniform, led by Shirley Kinsley, captain and Denise Spera, co-captain, took part in the march.

Names of the girls are as follows: Kathy Bradley, Patricia Bradley, Nina Carlo, Janet Dillon, Roseanne Castellano, Carol Fisher, Karen Gonnelli, Lisa Iacobelli, Patty LaMotta, Charlotte Leary, Shelly Lunetta, Susan Lunetta, Joanne Monks, Robin Monks, Arlene Piereth, Debbie Reilly, Janice Raimondi, Laura Jean Schultz, Cheryl Sibolo, Pat Smith, Lisa Tucci, Jean Trimel, Linda Vecchione, Donna Webber, Kathy Webber, Sue Wedekind and Noreen Webber.

Adults who acted as chaperones for the girls were: Mrs. Betty Smith, Mrs. Rae Castellana, Mrs. Lorraine Raimondi, Mrs. Agnes Bradley, Mrs. Carol Leary, Mrs.

Ann Spera and Miss Christine Schultz. The following couples also accompanied the group: Mr. and Mrs. J. Carlo, Mr. and Mrs. F. Piereth, Mr. and Mrs. R. Kinsley, Mr. and Mrs. R. Carnasciole, Mr. and Mrs. R. Schultz, Mr. and Mrs. D. Webber, Mr. and Mrs. C. Lunetta, Mr. and Mrs. J. LaMotta and Mr. and Mrs. V. Hearn.

Miss Susan Craig, who has been associated with color guards and drum and bugle corps for several years, is the instructor for the Sabre Cadets.

M. Mercurio and Mahoney On Warship

Marine Lance Corporal Jeremiah F. Mahoney Jr., son of Mr. and Mrs. Jeremiah F. Mahoney Sr. of 38 Fairway Avenue and Marine Corporal Michael Dante Mercurio, son of Mr. and Mrs. Herbert J. Mercurio of 34 Memphis Ave., both of Belleville saw their ship receive its third award for aviation safety and accident prevention, as crewmen aboard the anti-submarine warfare support aircraft carrier USS Intrepid operating in the Gulf of Tonkin off North Vietnam.

Vice Admiral John J. Hyland, Commander of the U.S. Seventh Fleet, presented the 1967 Admiral James H. Flahley Award to Intrepid's Commanding Officer Captain W. J. McVey, during formal ceremonies on the carrier's flight deck.

Admiral Thomas H. Moorer, Chief of Naval Operations, sent a statement from Washington for the occasion. The Admiral noted that the award is in "recognition of outstanding achievement in accident prevention during attack carrier operations." He further noted that "the accomplishment of this record is a direct reflection on the effort which was required of Intrepid's crew."

The Intrepid has previously won this award in 1961 and again in 1964.

'68 Buick. Now we're talking your language.

We changed the Skylark from front to rear, we gave it a whole new look, simply because we believe you want a car like this. In other words, we're talking your language.

We thought you'd like to have a little easier time parking. So we shortened the wheelbase of the two-door Skylark down to 112 inches.

The new 230-hp., V-8 engine runs on regular gas. It's standard on all Skylark Custom models.

We also refused to limit your choices. Skylark Custom comes in four models, 15 colors and 32 trim combinations. So talk to the man who talks your language, your Buick dealer.

All Buicks have a full line of General Motors safety features as standard equipment. For example, side marker lights and energy-absorbing steering column.

Wouldn't you really rather have a Buick?

The '68 Buicks are at your Buick-Opel dealer's now. He's ready to talk your language.

Census of St. Peter's Parish Being Taken by Holy Name Society Here

President Jack Triquet, of St. Peter's Holy Name Society, Belleville, has announced that the members of the Society will conduct a "blitz" census of St. Peter's Parish on Sunday.

Rev. James F. Heavey, spiritual director of the Society, has set up the procedure to be followed.

Richard Fantin, of 57 Bridge Street, Belleville (759-8436), is general chairman of the census committee, and will be assisted in the direction of the survey by nine zone captains, including Joseph Jarman, 18 Bridge Street; John Triquet, 79 Van Houten Place; John Cahill, 41 Clinton Street; Paul Hannan, 23 Church Terrace; William Mroczek, 44 Essex Street; John Andrews, 41 Clinton Street; Alfred Kovell, 53 Passaic Street; Oreste Savare, 9 Baldwin Place; and James Pontrella, 237 New Street.

Men of the Parish, provided with Identification Cards, will contact every family unit in every block, and leave with each Catholic family attending St. Peter's a simple form to be filled out, placed in a sealed envelope, and returned to Father Heavey directly by the canvasser, who will re-trace his steps and pick up the completed forms. To insure complete coverage

of every family group, particularly in multiple-family units, each canvasser will list every address and every family represented at that address, regardless of religion. Census cards will only be given to persons attending St. Peter's, however. For the most part, the census-taker will be a resident of the block, or the street involved.

Ballet Auditions

Now Underway

The New Jersey Ballet Company, directed by Matt Mattox and Carolyn Clark, is now holding auditions for company dancers and apprentices for its 1967-1968 season.

The auditions will be held at the company's new studios, 174 Main Street, Orange.

The company's '67-'68 season includes performances in the public schools, elementary through high school, throughout the state, at the Paper Mill Playhouse and for several New Jersey organizations.

Influenza Immunization

The influenza immunization vaccine available this month to combat the debilitating disease is the result of a year's intensive observation of local outbreaks by physicians and scientists throughout the world who have tracked down the virus expected to cause pandemics this coming winter and spring.

The virus, reported as an A2 strain by federal health officials generally hits persons over 45, especially the elderly, those with chronic disabilities, cardiac and respiratory diseases, and pregnant women. Immunization is administered in one dose if the persons was inoculated since 1963, or in two doses if the last immunization treatment was before this time.

"Generally," according to Dr. John Winslow, chairman of the Essex County Medical Society's Immunization Committee, "while the disease is bad enough, the aftereffects are even worse."

State Business
Leaders Support UN

New Jersey industries and business firms are being asked to lend their support to the state's 22nd annual observance of United Nations Week to be held October 22-28.

Dr. James B. Fisk, president of Bell Telephone Laboratories and state chairman of the observance, today called upon all

business leaders "to help commemorate this important and historic anniversary."

"The observance of United Nations Week is world wide," Dr. Fisk said. "I earnestly hope that here in New Jersey all of our businesses, whether large or small, will pay special tribute to the U. N."

40 Years Old

History was made at Hadley Field, New Brunswick, New Jersey on September 1st, 1927. On that day, utilizing fragile single engine bi-planes and hand-cranked trucks, Air Express was born.

Then a partnership between R E A Express and four airlines, Air Express provided door-to-door pickup and delivery between many of the nation's large cities. Dare-devil pilots flew their tiny craft at the then amazing speed of 100 mph and it took 32 1/2 hours actual flying time for a coast-to-coast trip.

This was front page news in 1927. The fact that cargo could be regularly transported by air stirred the imagination of the entire country.

Atlantic Flight

It had only been a few months earlier, in May 1927, that Charles A. Lindbergh conquered the Atlantic by air. And when Air Express came into being he noted "I believe that the inauguration of Air Express is another great step forward in aeronautic progress."

During its first year of operation Air Express handled 5,160 shipments for a total revenue of \$38,176.

In 1967 Air Express will set an all-time record by handling almost 10,000,000 individual packages which will generate some \$92,000,000 in revenue.

Today's Air Express, is a partnership between R E A Express, with its 13,500 modern trucks and all 36 scheduled U.S. airlines, providing 24 hour service to almost every point in the U.S., Canada and Puerto Rico.

More Cargo Space

40 years ago the planes could carry just several hundred pounds of cargo — at most. Today each of the 10,000 scheduled daily U.S. passenger flights can accommodate from 6,000 to 19,000 pounds of cargo, and the all-jet freighters are capable of whisking 92,000 pounds of cargo across the country at 600 mph.

Air Express shipments have priority aboard every flight — even ahead of the airline's own freight.

What goes by Air Express? Just about everything: mini-skirts, electric motors, life saving drugs, videotapes, flowers, laboratory animals, 1,200 pounds of sausages, data processing equipment, automobile bumpers, cheese-cake and Beatie records.

J. Buske on Committee

John Buske of 22 Laurel Court, Belleville, served on the student committee which was in charge of Freshman Orientation Week, September 8 to 14, at Montclair State College.

A full program was scheduled for the close to 1,300 incoming students under the supervision of the student personnel department, with two student committee chairmen. Besides the academic lectures the freshmen were welcomed with a social program of dances and receptions.

Thomas P. Melady Heads Asian Studies

The appointment of Dr. Thomas P. Melady, president of the African Service Institute of New York, as a Visiting Professor of Asian Studies has been announced by Dr. Joseph G. Two Local Boys
Enroll in Lafayette

Joel Pisano of 68 Campbell Avenue and Ralph Vreeland of 275 Cortlandt Street, both of Belleville, were among the 477 freshmen who enrolled in Lafayette College, Easton, Pa., this fall. Freshmen were selected from 2,549 applicants, according to the director of admissions and represent, in most cases, the top fifth of their high-school classes.

Welsh Will
Matriculate
At College

Michael Welsh, the son of Mr. and Mrs. Hugh Welsh of 71 Van Houten Place, Belleville, has been accepted for enrollment by the University of Bridgeport for the academic year beginning September.

A graduate of Belleville High School, Michael plans to major in industrial relations in the College of Business Administration at the university.

Michael was on the student council senior senate, and the football and baseball teams at Belleville, besides being a member of the Varsity "B" Club.

People are not equal and anyone who confuses equal opportunities with absolute equality is off the deep end.

Steven Martin Becomes
Fairfield University Grad

Stephen M. Martin, son of Mrs. Stephen F. Martin, 36 Charles Street, will teach special classes in the Bayonne school system while working toward a master's degree in special education at Jersey City State College. Martin received his BA this year from Fairfield University, Fairfield, Conn.

An English major, Martin was active in the college glee club, drama society and German Club. He was chairman of the Mardi Gras Weekend, advertising editor of the student newspaper and a member of the Freshman Orientation and Senior Week committees.

A graduate of St. Benedict's Prep, Newark, Martin is engaged to Miss Kathleen Healy of Cedar Grove.

TOP VOTE GETTER -- Republican senatorial candidate James H. Wallwork pulled in the most votes in surprising upset over Organizational Republican forces.

WINNERS' CONFERENCE -- Walter H. Weller Jr. (left) chairman of the Reform Republicans, is now a possible county chairmanship candidate. Gerald L. DeTulfo won the primary for a state senatorial candidate position.

Reform Republicans Carry Essex County Despite Belleville Opposition At The Polls

Although the Reform Republican candidates were unsuccessful in Belleville they nevertheless struck an unexpected death blow to the Organization Republican ranks in the county. The Reform contenders won 12 of the 22 contests for the nominations for state and county offices.

The unofficial returns compiled at the county clerk's office gave the Reform group five of the six senatorial nominations, four of the twelve Assembly nominations, two of the three freeholder nominations and the nomination for sheriff.

The insurgent force, led by 44-year-old Walter W. Weller, Jr., a businessman and virtually unknown in county politics conducted an extensive campaign that centered its attack on the county Republican Chairman, William F. Yeomans.

During the election, the Regular Republicans, apparently complacent in the belief that it is the organization and would prevail in the primary election, generally ignored the opposition. The attitude of the organization was further built up by the support it thought it had from near-

ly all of the GOP municipal leaders, and by the announced support of the leading Republican votegetter in New Jersey, U.S. Sen. Clifford P. Case.

In their campaign, the insurgents made their major issue, "bossism." Yeomans was projected as a figurehead being manipulated by behind-the-scenes political bosses.

The regulars concentrated their emphasis on the "outstanding quality" of their ticket which was so strong, they contended, that the insurgents could find no criticism in it.

The primary is of special importance this year because, for the first time in more than ten years, the Republicans have a chance to capture control of the county.

The Democrats have a 6-3 edge on the freeholder board but three Democratic freeholders are up for reelection this November.

Nine of the county's Assembly and 4 Senate seats are now held by Democrats. The legislative appointment formula specifies that the voters will elect six state senators and 12 assemblymen from Essex in November.

In Belleville for State Senate the tally was (Reform Republicans) Wallwork, 371; Maturri, 390; Dowd, 338; DeTulfo, 402; Waldor 332 and Remington, 330, Organization Republican candidates; Bate, 529; Kimmelman, 533; Guiliano, 603; Boyle 519; Smith, 511 and Soriano, 566. In the assembly, (Reform Republicans) Davis, 333; Molinaro, 356 (Organization Republicans) Caputo, 578, and Fiore, 566. For Sheriff, Organization Republican candidates Deibel defeated Reform Republican contender D'Amico with a vote of 523 to 399 respectively.

Met Claims Group Set Annual Dinner

The Metropolitan O S & D Association, a group of motor carrier freight claim agents, will hold their sixth annual dinner-dance in the new Gold Room of Schuetzen Park, North Bergen, New Jersey on September 30. A cocktail hour, hosted by Goldmark's Unclaimed Freight, Inc. and a carrier unnamed as yet, will precede the dinner, beginning at 7:30 p. m. The announcement was made by Chairman Walter S. Cain, of Malslin Brothers. Proceeds from the annual event will be used for educational research in the field of freight claim prevention.

The hi-lite of the evening will be a return engagement of the famous Bruce Byrne Singers and their hit show "The Best of Broadway, in Review".

This unique troupe of entertainers have been the exclusive entertainment for the Met O S & D for the past three years and have been headlining church, social and political affairs throughout New Jersey, New York and Connecticut.

New Volkswagen Line Includes All Safety, Anti-Smog Features

Models Now In Showroom At 3-County

The only "things" that appear to have retained their shapes at Three County Auto are the people who work for the authorized Volkswagen sales, service and parts facility at 701 Riverside Avenue, Lyndhurst. Otherwise, a close look at the VW vehicle line for 1968 - now on display there - will reveal all sorts of changes.

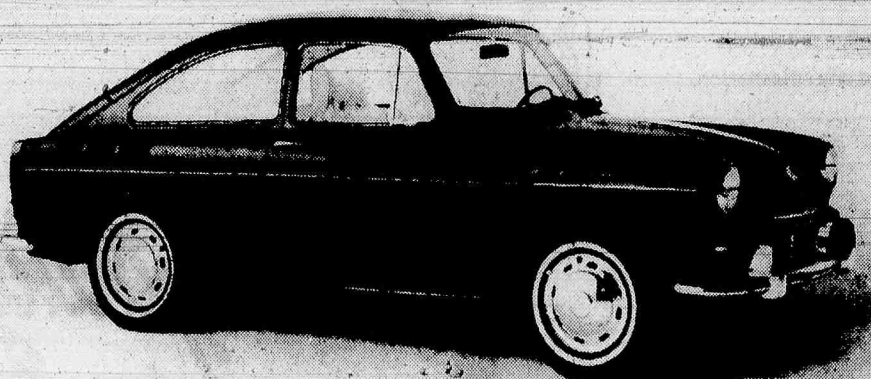

According to Robert A. Senior, vice-president and general manager of the local VW dealership, so many improvements and changes have been made to the luxurious looking 1968 models that one - the company's box-shaped station wagon, most often referred to as a "bus" - is virtually all new inside and out.

Even the familiar VW "beetle" has taken on a slightly different appearance, he added, noting that it, together with the firm's Fastback and Squareback Sedan models and sporty Karmann Ghia, underwent numerous engineering changes and many improvements for 1968.

The "beetle" he said, has higher and stronger front and rear bumpers which, in addition to altering its appearance and affording increased protection, shortens its overall length by an inch and a half - making it easier than ever to park. The "beetle's" bumpers are now at the same height as other automobiles, he added.

"Improvements in our new models - which include all the federally required safety standards - will provide for better performance, more convenience and greater safety and economy than ever before," continued Senior.

Other new safety features built into the VW passenger car line for 1968 include front-seat headrests, designed to protect forward riding occupants against whiplash in the event of sudden stops or rear end collisions; rim wheels which help hold tires on their wheels in the event of blow-outs; collapsible steering columns; padded dashboards; brake system warning lights; wind-

FASTBACK-- This is the 1968 Volkswagen Fastback which includes several engineering changes. Included in the VW's 1968 models are all the federally required safety standards. The models also include new exhaust emission systems in line with national and state anti-smog programs.

shields with double-thick plastic interlayers; and, in line with national and local anti-smog programs, officially approved exhaust emission control systems.

According to Senior, the box-shaped VW station wagons, as well as the company's full line of trucks - have retained their customary rectangular shapes. Their corners have been rounded, a one-piece wrap-around windshield has replaced the original split window type, small side windows have given way to "picture windows," and a 3 1/2-foot wide sliding door has replaced double swinging doors used on previous models.

Five Local Boys Enroll In Newark

Five Nutley residents are among the new freshmen recently enrolled at the Newark College of Engineering. The 750-member freshman class is the largest in NCE's history.

The students from Nutley are Joseph N. Iannicelli of 20 Spear Place, Thomas E. Killilea of 192 Lakeside Drive, Lance E. Margolis of 28 Ackerman Street, Robert G. Reaps of 2 Fulton Street and David E. Smith of 88 San Antonio Avenue.

Your 3yr. old inhales half a pack a day.

In some parts of New Jersey, by simply breathing, you'd inhale the equivalent of 10 cigarettes a day. Air pollutants got wrist-slapping fines. (If anything was done at all) until the Democratic Legislature took action. Today, violators pay fines up to \$2,500 a day. There's a new State Division of Clean Air and Water. A Regional Pollution Control Commission. Uniform anti-pollution standards throughout N.J.. Emergency smog alerts. There were also threats of political punishment to the Democratic Legislature. But action was desperately needed, and you got it.

The Democratic Legislature.
The courage to do what is right.
