Vietnam Parade
Belleville Post #105
March in Newark, Oct. 22.

Commander Jack Gorman of Belleville Post 105, The American Legion announced recently that Post 105 will march in the Support the Troops Parade to be held in Newark on Sunday. All members of the Post who expect to march will assemble at the Post Home, 621 Washington Avenue, Belleville at 11:45 a.m. A bus will transport the members to Newark.

George K. Mitchell
Publicity

At a recent meeting of the Belleville Veterans Council, chairman Joseph Fornarotta announced that plans for the coming Veterans Day parade to be held Sunday November 12 are shaping up to what should be a fine parade for the citizens of Belleville to see. Several well known bugle and drum corps are interested in marching. Miss Essex County will appear along with the Belleville Cherry Blossom Queen.

One of the features this year will be a trophy presented for the best float in the parade line. So any organization wishing to present a float contact the chairman.

A trophy will also be presented for the best playing band. This should cause for very good competition.

The chairman appointed George K. Mitchell as the parade announcer.

Once again Belleville's oldest veteran William "Doc" Hood of Academy St. will ride in the parade. A veteran of the Spanish-American War, Hood will ride with the Honorary Grand Marshal Mayor Kenneth D. Smith.

Labriola Is Chairman
Frederick Labriola of American Legion Post 299, 120 Belmont Avenue, Belleville, was recently elected to the office of Chaplain for Essex County American Legion, Department of New Jersey, for the year 1967-68. Labriola has been a member of Post 299 for six years, and is an American Legion member for 50 years. His first membership was with the Theodore Roosevelt Post 4, Vineland.

Chaplain Labriola is also service officer for Post 299, and has served in this capacity for two years. He is well known throughout the county and department for his rehabilitation work.

He makes frequent appearances at East Orange Veterans Hospital where his warm personality makes him a favorite with the patients.

Labriola resides with his wife, Viola, at 520-3rd Street, Newark, and before his retirement, was employed by Tube Reducing, Wallington.

Lembo Plans Bill to Guard Fire Fighters

Assemblyman Armand E. Lembo, D-Essex, has declared he will seek legislation that would make assaults on firemen while fighting blazes a high misdemeanor punishable up to 7 1/2 to 15 years in jail. He was immediately joined in his proposal by Joseph G. Biancardi, D-Essex, his running mate in the newly designated Assembly District 11-C.

Lembo said the bill he plans to toss into the hopper at the first fall session of the State Legislature after the Nov. 7 election would specify "firemen" in the new section of the law. There are presently state laws that provide punishment for all peace officers.

Lembo stated: "The mood of the general public has turned ugly over the excesses of racial demonstrators. This was pointed up during the riots in Newark the past summer. A fire captain was shot to death in a senseless killing. Numerous other firemen were injured by thrown rocks and shot at. Only through mandatory punishment can those hoodlums be stopped."

Assemblyman Biancardi, in a joint statement, deplored "the wanton treatment of smoke-eaters, in many cases by the very people whose lives and property they were trying to protect."

Lembo and Biancardi said they would soon try to confer with fire officials in Newark, Belleville and Nutley before preparing such a bill for state-wide enactment.

Band Receives Award

BAND AWARD -- The Belleville High School band was awarded a plaque for its excellence in performance at Atlantic City. The band marched in the Miss America Pageant there some weeks ago. Robert Wing, band director displays the trophy.

Gene Barnett Still Is Head Advisor

At the annual meeting held at the Woman's Club, Eugene Barnett was re-elected chairman of the Belleville Advisory Board.

De Witt Prospector Contest Has Four Lucky Winners

John P. Dailey, president of De Witt Savings and Loan Association, Belleville, has announced the names of the four winners of the De Witt Prospector Contest that was held during the Cavalcade of Progress Show at the Elks Club.

The total amount in the jug was \$346.40. The four winners were: Deborah Pilchman, 108 Garden Avenue, Richard Del Guercio, 193 Forest Street; Walter Ziel, 120 Rutgers Street; Linda Mitchell, 94 Washington Avenue.

Bethany Pastor Is Installed Here

The installation service of the new Pastor of Bethany Lutheran Church was held recently.

Rev. Albert E. Aispach began his ministry at the Belleville Church on July 1. He was ordained in May of this year by the Lutheran Church in America. A graduate of the Philadelphia Theological Seminary, he had also attended Oxford, in England and Rutgers Univ.

Belleville To Meet Irvington

Is there another win in store for the Bellboys this Saturday? The upcoming opponent, Irvington, is 1-3 so far this season, having barely lost last week's game against a very strong East Orange team, 13-7. Irvington finished 2-6-1 last year, losing to Belleville 20-7. They defeated only Kearney, 21-19 and West Side, 40-14, tying Orange, 13-13.

Winning their first game against West Orange 7-0, Irvington lost to Montclair 21-0 and beat Orange 14-13.

"We've got a tough defense and a spotty offense," Charles Reitz, Irvington's football coach reported last week. "We depend on a Notre Dame four man line, none of whom weigh less than 205 pounds."

"We're predominantly a running team, depending on the defense to stop the opponent at a good field position so that our offense can take over," Reitz says.

"We don't pass," Reitz said flatly. "Our quarterback can't see over the line."

Mickey Rapasky, who the coach rated as "half our offensive," is out for the season with a dislocated elbow.

"We respect this ballgame, it'll be a tough one," Reitz said, continuing. "We're about even this year."

When questioned about his reaction to Belleville's ability to make use of West Side's errors, Reitz said:

"We can't afford to make mistakes, because of our offense. We'll either win 7-0, or we won't win at all."

The Bellboys took their first from West Side High last Saturday 20-0, by capitalizing on the Roughriders' errors.

"We've got our first win which will give the boys confidence, and we certainly think we'll make a good showing from now on," Herman Wische, Belleville High's Athletic Director said.

West Side's eleven completely dominated the offense rolling up 259 yards and 17 first downs to 25 yards and four interceptions and two fumbles.

Rich DelGuercio threw two passes for 22 and 15 yards respectively followed by a four yard down-the-middle push by Mike Eisenhard for a 41 yard gain and the lead. The extra point was kicked by Bob Ciallela.

Fans in the third quarter saw a Roughrider intercept a Roughrider pass on the latter's 25 yard line and go on to score. Again the extra point came from Ciallela.

Hard luck hit the Roughriders when both of their first half touch downs were nullified from penalties.

A West Side fumble during a punt attempt resulted in Belleville's fourth quarter score with a drive by Belleville from the 26 yard-line to the two, and the rest by DelGuercio, Ciallela's extra point kick failed.

Cherry Blossom Image Is Fostered

Mary Plans To Beautify Belleville

If the Town Commission government officials and the Kiwanis Club of Belleville has their say, Belleville will certainly be known as "The Cherry Blossom Town."

Recently the local service organization donated 21 trees to the officials of the town which were accepted in behalf of the Town by Commissioner Mary V. Senatore, director of the Public Works Department.

Wednesday, members of the public works department removed concrete slabs along Washington Avenue in the vicinity of town hall, and in a joint operation Commissioner Senatore and Eugene Reilly, president of the Kiwanis Club of Belleville took out the first shovel of dirt so that the men of the Shade Tree Division could plant the 20 trees as a start of the beautification program for Belleville under the direction of Commissioner Senatore.

The remaining tree will be planted in front of School 4 in honor of Michael Rosamilia, the assistant superintendent of schools.

The Kiwanis Club of Belleville has been trying over the years to generate an interest by the people to promote Belleville as "The Cherry Blossom Town."

Last year the local service club donated over \$400 in cherry

trees to the Clara Maass Hospital in the park.

The trees now grace the front drive to the Hospital. What the Kiwanis club would like to see is the Residents of our great

able to see our famous cherry blossoms.

Mrs. Senatore was also busy recently opening a new Belleville business: the Mona Lisa Wig Shop located on Washington Avenue.

The new Mona Lisa Wig Shop at 137 Washington Avenue, Belleville had its grand opening recently with Commissioner Mary Senatore officiating at the ceremonies.

Pat Jenkins of Belleville, wig stylist, Joy Grande of Belleville, Commissioner Senatore and Mr. and Mrs. John Grande of 5 Maple Avenue, Belleville, owners of the new shop were at the ceremonies.

Mona Lisa Wigs nationally known and advertised are made of 100 percent genuine imported European human hair, come in 88 different hair shades and range in price from \$17.95 to \$299.

A complete wig service is maintained on the premises for cutting, styling, coloring and cleaning. A "first" in the wig business, Mona Lisa Wig Salon will pick up and deliver wigs for service. Miss Joy Grande, daughter of the owners, is in charge of this division for which there is no charge.

Grande has been active in the business life of Belleville for 33 years.

BIANCARDI -- Assemblyman Joseph Biancardi receives support (left to right) from Congressman Peter Rodino, County clerk Nicholas V. Caputo and Congressman Joseph G. Minish.

Board of Education Buys Equipment, Adds to Staff

By Carl Levine

With school well underway in Belleville the Board of Education approved the appointment of several new substitutes, endorsed purchases of equipment and okayed improvements to the town's schools.

Vincent O'Halloran of 8 Sylvan Place, Nutley, in accordance with the advertisement and specifications prepared by the business administrator, approved his transporting of elementary school children living 1.7 miles or more from home to school, to St. Mary's Catholic School, Nutley, at a rate of 48¢ per day for each student transported.

An extended leave of absence without pay was granted to Mrs. Serafina Melchionne, matron at the James G. Shawyer school.

One bank of portable bleachers for a total amount of \$2,262 was purchased from the Walter A. Braun Company Inc., Paramus.

To be installed this coming week or by the second home game.

An order was placed with the Little Falls Agency for 1,000 feet of green screen fence for use during football games at the municipal stadium, at a total cost of \$250. It was then mentioned President Saletta that three separate exits should be placed about the field, so that the youngsters attending the games, upon leaving the field, do not crush the fence.

\$1,652.51 was awarded to Ditto Inc., for purchase of 1967-68

junior and senior high school duplication supplies.

Boiler Repair
The New Jersey Boiler Repair Company was awarded \$682.00 for boiler tube replacements to Schools #3, 5 and 8.

The board then authorized the secretary to issue ten consecutive monthly payments to R. Wesley Schneegas, attendance officer, for the use of his own automobile for school business.

The board, continuing with the regular meeting, passed the following resolutions:

The acceptance of the post of Miss Cecilia Del Mul, an elementary school teacher.

The resignation of Angelo Avelia, junior high school science teacher, effective as of November 18, or earlier if a replacement is found, for health reasons.

Appointments were given to Mrs. Caryl C. Bateman as a permanent substitute to the Garden School, at the annual salary of \$5,800. Miss Carolyn E. Falvey as a permanent substitute teacher at an annual rate of \$5,800; Miss Margaret Manzie, as an elementary teacher with a salary of \$6,100 and Mrs. Shirley R. Cortelyou, elementary teacher with an annual salary of \$6,400, effective October 8.

Substitute Teacher
The following list of additional substitute teachers were also passed by a majority vote: Miss Judith B. Adamoff, 280 Passaic Avenue, Passaic, permanent certificate; Mrs. Geraldine M. Brennan, 215 Branch Brook Drive, Belleville; Miss Dianne J. Alvino, 46 Hillside Avenue, Glen Ridge; Harold D. Burach, 21 Friedland Road, Nutley, permanent certificate; Edward M. Capozzi, 10 Race Street, Nutley.

Mrs. Nina P. Colaninno, 28 North 8th Street, Belleville; Miss Nancy J. Coyle, 276 North 7th Street, Newark; Richard M. Doherty Jr., 13 Heller Parkway, Newark; Miss Rita C. Irel, 28 Grelawn Drive, Clifton, permanent certificate; Stanley M. Kozakiewicz, 293 Berkley Avenue, Bloomfield; Stephen M. Martin, 36 Charles Street, Belleville; Mrs. Angelina P. Mecolick, 233 Stephens, Belleville; William F. Soriano, 789 Ridge Street, Newark; Michael J. Tufarelli, 572 Mount Pleasant Avenue, West Orange; Miss Paula R. Zaccaro, 140 Franklin Street, Belleville; Philip G. Gannella, 73 Cedar Hill Avenue, Belleville and Mrs. Norma J. Stone, 19 Tiona Avenue, Belleville.

State Police Class Ends Tomorrow

Colonel D. B. Kelly, State Police superintendent, announced today that the third "Operation Combine" class for municipal police officers will graduate at 3 p.m. tomorrow, October 20, at the New Jersey Police Academy in Sea Girt.

The two-week courses, which have been designed to help municipalities cope with problems concerning prevention and control of civil disturbances, stress the importance of community relations. Lectures in this area are given on Community Affairs Programs, Juvenile Relations, Press Relations and related subjects aimed at the prevention of disorders.

The remainder of the curriculum, dealing with the control phase, features lectures, demonstrations and projects on: Law (National, State and Local); Intelligence; Operational and Logistical Planning; Leadership; Supervision and Discipline; Patrols (mobile, foot and fixed); Crowd and Sniper Control; Arrest, Identification and Detention; Reporting Procedures; and the Roles of Assisting Agencies.

The major objective of the initial courses is to establish an effective program for general command officers who will coordinate and direct the activities of the municipal police department's field operation. Subsequent courses are scheduled to instruct field supervisors and operational personnel in disorder and control techniques.

Michael Rosamilia Honored Locally With Testimonial

Michael Rosamilia, assistant superintendent of schools was honored in Belleville last week at a testimonial dinner at the Fountain Restaurant.

Attended by hundreds of friends and well wishes, Rosamilia was lauded for his active interest in the community, particularly in the school system where he recently served as acting superintendent of schools.

Parking Scheme Studied

Mayor Kenneth D. Smith, director of the department of public safety, has announced he will shortly present to the Board of Commissioners an ordinance providing for alternate side parking throughout the town.

Mayor Smith stated, "The removal of fallen leaves, snow and the cleaning of our streets today presents a serious problem with so many families having more automobiles than garage spaces. As a result of the present situation we must find some means of keeping our streets clean at all times."

"The problem of the proper erection of signs as required by state law," the Mayor added, "is being studied and will be readied immediately upon approval being received from the Department of Motor Vehicles with regard to our intended ordinance. We will plan the enforcement of the ordinance on a planned basis by sections of our town. Complete plans will be announced shortly."

"For too many years," Mayor Smith concluded, "the citizens of our town have been receiving unplanned methods of leaf and snow removal whereas they are deserving of the best methods that can be provided for the proper parking of their vehicles regardless of the situation at hand. It is our considered opinion that planned and enforced alternate side of the street parking will greatly increase the efficiency of our work crews in their removal of leaf and cleaning of our streets during all kinds of weather and under all circumstances."

Mayor Kenneth D. Smith has announced the appointment of Palmer D. Burde, D.D.S., as Municipal Chairman for United Nations Week. In making the appointment, Mayor Smith acted in response to an invitation issued by the chairman for the New Jersey Committee for United Nations Week and Day for 1967. The mayors of all cities in the State of New Jersey have been requested to take leadership in organizing U.N. Week observance in 1967 which would strengthen the capacity of the United Nations to serve the purposes of peace and international cooperation.

By serving as Chairman, Dr. Burde continues the Belleville tradition of observing the anniversary of the founding of the United Nations on October 24, 1945.

The mayor calls upon all organizations and educational institutions of the community to cooperate with Dr. Burde in planning an observance which would dramatize the importance of international cooperation through the United Nations to Belleville and to all of its citizens. Organizations and citizens interested in cooperating on this program are invited to contact Dr. Burde.

Essex Film Group Prepares Weekend Showing in Nutley

Two British talking films are scheduled to be shown at the next regular screening of the Essex Film Club at the Club's headquarters, 263 Harrison Street in Nutley on Saturday and Sunday October 14 and 15.

The 1955 filming of the John van Druten play, "I am a Camera", with Julie Harris in the role of Sally Bowles that she made famous in the original play will be shown on these dates. Also in the cast are Laurence Harvey and Shelley Winters.

An original satirical operetta, with music by Oscar Straus is the

other feature to be seen. Its title is "Forbidden Music" and stars the great European tenor, Richard Tauber.

This melodic 1936 film is also graced by the presence of Jimmy Durante, who plays an American newspaper correspondent traveling throughout Europe and visiting a country in which the making of music is forbidden. Tauber sings the beautiful Straus songs without the approval of the authorities who eventually find him out. But as in all operettas there's a happy ending with everyone gleefully singing the finale.

Essex CYO Conducts Search For Talent

The Essex County CYO will again sponsor a talent search contest for all active CYO members in the county. The contest will be held in two age divisions: under 19 and under 16 years.

Awards will be presented in two categories, instrumental and

vocal. The Essex winners in each division will represent the county in the Archdiocesan finals.

The deadline for entries at the CYO Office, 425 Bloomfield Avenue, Montclair, is October 16. Local parish youth advisors are urged to conduct elimination contests on the parish level to insure that the entries are polished.

Li'l Abner Will Play Three Evenings At Belleville High School Auditorium

"Li'l Abner," the Broadway musical comedy hit based on the famous cartoon strip by Al Capp, will be the attraction at the BHS auditorium Theatre for three evenings beginning Thursday, Nov. 16th. With a sprightly book by Norman Panama and Melvin Frank, and a delightfully melodic score by Johnny Mercer and Gene de Paul, the citizens of Dogpatch achieved a run of 693 performances on Broadway during the 1956-58 seasons.

Vince Godleski will be seen as Li'l Abner, and Sue Dougher will play his pert, blonde-headed pursuer, Daisy Mae. Mary Ciali will have the role of the pipe-smoking Mammy Yokum, and Walter Weiss will be her miniature-sized spouse, Pappy Yokum. The voluptuous Appassionata Von Climax and the statuesque Stupefying Jones will be played by Sue Simon and Rosemarie Biondi respectively. Dave Halpern will play the conniving politician, General Bullmoose, Tom Melchione will have the role of the local matchmaker, "Marryin' Sam, and Larry Spinelli will be seen as Available Jones, who is willing to sell anything for a price. Others in the large cast will include Rich Schulz, John Longo, Ed Kennedy, Wanda Springer, Roseann Morano and Margaret Albertine.

The tuneful success tells of the efforts of the simple mountain people of the cartoon strip to save their community from destruction. Washington strategists have selected Dogpatch as the most unnecessary place in the nation, and plan to move the A-bomb tests there from Nevada unless the citizens can prove to the contrary. When Mammy Yokum turns up with Yokumberry Tonic, the elixir which has made Li'l Abner the superman that he is, it would appear

that Dogpatch is saved.

But General Bullmoose has other plans. Taking Li'l Abner off to Washington, supposedly to represent Yokumberry Tonic in a plea to save Dogpatch, he puts the seductive Appassionata Von Climax and Evil Eye Fleagle, the scurrilous gentleman with the power of the Double Whammy, to work on Abner, hoping to get Mammy Yokum's secret formula from Abner, for his own gain. But Mammy learns of his plot, and enlists all the citizens of Dogpatch to rescue her son. Before the Yokums, the Scraggs and the other citizens return to Dogpatch, they turn Washington upside down and inside out.

The Mercer-de Paul tunes range from the frankly sentimental to the satirically-ribald. They include "Namely You," a gentle song crooned by Abner to Daisy Mae, his ever-pursuing girl friend, "If I Had My Druthers," a lazy, dreamy ballad, the hilarious "Jubilant T. Cornpone," describing the exploits of Dogpatch's most famous citizen, who lost the Civil War practically single-handed, "Love in a Home," a sentimental picture of marriage as described by Daisy Mae, "Progress is the Root of All Evil," a personal viewpoint put forth by General Bullmoose, "I'm Past My Prime," in which Daisy Mae laments her spinsterhood at the age of eighteen, "The Country's in the Very Best of Hands," which pokes fun at the political state of the nation, and "Oh, Happy Day," in which some Washington scientists prophesy our conveyor-belt lives of the future.

Giblin Agrees On Columbus' Worth

"I strongly support the efforts of our Congressman Rodino and Minish and their legislation to have Columbus Day declared a National Holiday," said Senator John J. Giblin (D. Essex) to the "Belleville-Nutley Citizens" for Giblin this afternoon.

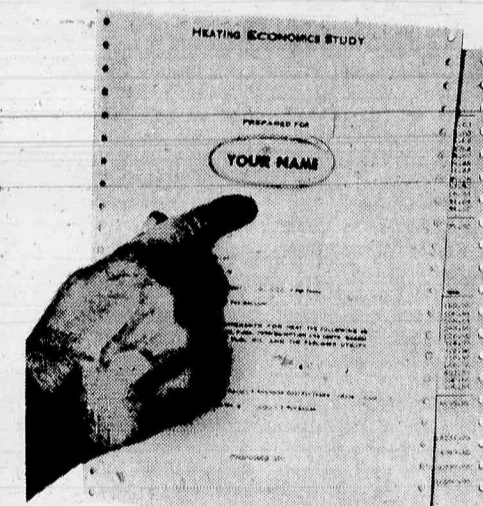

Many big businesses, banks, labor organizations and giants of industry and commerce have seen fit to include this date among their holidays. Schools have long since memorialized the date—it's about time that our Federal Government took cognizance of the wishes of the people and declared Columbus Day a National Holiday.

Red Cross Christmas Gifts Start Trip to Vietnam

Thirty seven cartons containing 1,500 Red Cross ditty bags bound for Vietnam as Christmas gifts for our servicemen, started their long journey from the East Orange headquarters of the Essex Chapter today.

The bags, holding 15,000 individually wrapped presents, were loaded aboard a cross-country van from the North Bergen office of D. C. International, Inc. for the first leg of the trip which will bring them to Los Angeles, Calif. From there, Delta Van Lines will carry them to Red

Cross warehouses in San Francisco where they will be shipped to Red Cross field directors in Vietnam for distribution.

The ditty bags are part of a nationwide program in which Red Cross Chapters and organizations throughout the United States have prepared more than 525,000 gift bags, enough for each serviceman in the combat area to receive one. Of these, 2,000 were specially filled with feminine articles for women serving in the armed forces there.

The gifts include ball-point pens, plastic soap dish and cigarette case, a paperback pocket book, nail clippers, towellettes specially treated with insect re-

pellent, plastic utility bags and comb, and packages of powdered fruit drink mixes. Also included in each bag is a Christmas greeting card from the Red Cross Chapter and the many organizations and companies which have helped provide the items.

According to Mrs. Clement Furey of Fairway Dr., West Orange, chairman of the Production Department of the Oranges and Maplewood District and head of the ditty bag project for the Essex Chapter, at least eight business concerns and dozens of volunteers in the Belleville, Bloomfield, Newark, Oranges and Maplewood, and West Essex Districts have contributed to the

project.

The McCully Chapter of the Pioneer Club, which is composed of employees of the New Jersey Bell Telephone Company, donated gifts to fill 500 bags; the Pilot International Club, a group of business and professional women from the Newark area, provided 25 filled bags; Sidney Goldman, president of Pic Corp. of Orange, gave 7800 Towellettes specially treated with insect repellent; the A & P Company sent 900 packages of Cheer-Aid drink mix; and D.C. International and Delta Van Lines are transporting the gift cartons free of charge.

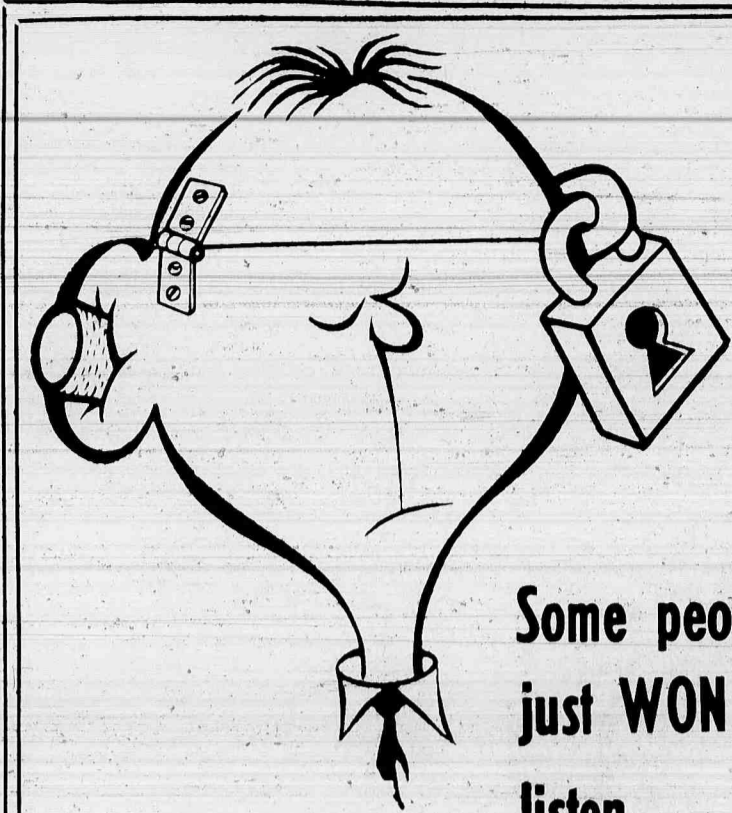

In addition, other companies such as Colgate-Palmolive Co. and Newark Tobacco and Candy Co. made it possible for Red Cross to purchase items at reduced cost.

Help was also provided by Girl Scout troops and several schools such as the Essex County Vocational High School in Newark.

Beginning last summer, volunteer groups of women from local churches and the five Essex Chapter Districts cut and sewed the 1,500 ditty bags, which are made of an olive green broadcloth lined with a red cloth tie. During the past several weeks Production Dept. volunteers wrapped each of the 15,000 gifts in Christmas paper and filled the bags with them.

Last year, the Essex Chapter sent 1,000 similar bags to Viet-

nam. The increase in this year's contribution was made necessary by the increase in the number of troops serving there.

Freedom of the Press Belongs to the People

Who ever told that nosey editor he had a right to pry into what happened at our council meeting? What gave that reporter any idea that he could write about the school directors the way he did?

The answer is that there is no law, rule, regulation or order that specifically requires a newspaper reporter to cover city council, school board or court sessions. The Constitution says "Congress shall make no law ... abridging the freedom of the press." One can search out all of the laws of the Federal Government, right down to the Freedom of Information bill passed by the 89th Congress, and find nothing further about "the press."

The same can be said of state law. Most state constitutions recognize freedom of the press to publish news, but none particularize these rights, or set down any press responsibilities.

The newspaper is not required to report the city council meeting or send someone to the school directors' sessions. The reporter could stay home. Nor do laws specify that "the press" be accorded any special treatment before any public body. "Open meeting laws" never mention newspapers, reporters, or news media. They simply affirm the right of the public at large to attend and observe meetings of governing assemblies.

Mrs. Smith, then, can "cover" the city council -- for her club, her neighborhood, or just for herself. The principle of open government meetings was established for the people -- the resident, the voter, the taxpayer, all the governed -- not solely for the press or its representatives.

Then why is it that "the right to know" and "freedom of information" always seem to be linked with the press?

In the very early days of American settlement all of the

people of a local community would gather in the town meeting and determine the affairs of the community. Almost everybody attended, and those who didn't, soon learned from the informed majority.

But villages soon grew into cities, and the "pure democracy" of the town meeting gave way to representative democracy. Government was growing more remote from the people. It was also growing more complicated. Yet the citizen, as a voter, had the same responsibility to keep himself informed.

It followed naturally that the Nation's fledgling press should fill the role of reporter and commentator on public affairs. No one passed a law requiring it. The Founding Fathers simply had faith that a private press, given the guarantee of freedom to do so, would accept the responsibility. And of course it has. For nearly two centuries newspapers have attended meetings of governing bodies, reporting and interpreting in behalf of the public.

The reporter attends city council meetings as a member of the public. He has a right to be present only if the public retains that right. The editor comments on the council's decisions -- or lack of them -- as an ordinary citizen. While he is aided in his function by the printing press at his disposal, it gives him no special rights. He can comment only so long as the public has a privilege of commenting.

The "right to know" and "freedom of information" are concepts with which the newsman works every day. The same professional tradition which sends him to the city council meeting compels him to resist inroads on these public rights. For he knows, and the public should always realize too, that in all that he does, the newspaperman acts as a citizen, in behalf of his fellow citizens.

Seems Only Yesterday

One Year Ago

Members of the Belleville High School band initiated a paper collection drive to raise funds for their planned trip to Expo 67 in Montreal.

Arthur Wolman, assistant librarian at the Belleville Public Library, left for Middletown, Ohio, where he had been offered a position as local Library Director. Wolman had been instrumental in establishing the town's branch library in the Silver Lake area.

Two other officers, Michael Marotti and Robert Russomanno, achieved fame that week by rescuing two youths who had crawled into a storm sewer, seeking shelter from rain.

John W. Noonan, 31 Overlook Avenue, a deputy state attorney general, was named director of the 1957 Sister Elizabeth Kenny Fund campaign. The Essex County goal was set at \$160,000.

Twenty Years Ago

L. Bamberger & Co. announced the purchase of 12.19 acres in the Silver Lake area for use as a warehouse site. Bamberger's planned to erect a \$2,000,000 warehouse on the land it had purchased from the Thomas A. Edison Co.

Belleville Public Schools were undergoing a comprehensive renovation program, school clerk Ruel Daniels announced. Over 1500 square feet of new sidewalk was laid, new blackboards were installed and plaster was being repaired.

Five Years Ago

Nick Petti, BHS assistant coach was appointed head baseball coach for the Belleville High varsity team. The new mentor had played for a Louisiana class B Boston Red Sox team as well as for Montclair State College. His coaching experience included a stint at East Paterson High School.

Two new fire boxes were installed on town streets, the Department of Public Safety announced. Box 261 at Beech and Floyd Streets and Box No. 641 at 52 Brighton Avenue were the new installations.

Thirty-Five Years Ago

The Town Council rescinded its appointment of Peter A. Torre Jr. to the position of Town Assessor, naming former assessor Emanuele DeNoia to the post. DeNoia had sued to regain the position. The situation had been made even more complicated by disclosure of the fact that no definite records existed of DeNoia's original appointment.

Dr. J. B. Barker, Washington Avenue optometrist, was refused reimbursement by the Town Committee for water damages caused when a water main broke under the sidewalk near his property, flooding his cellar. The Commission protested that repaying Dr. Barker would "set a precedent."

A Belleville food market, advertising in The Times, recommended that readers purchase its steaks at 59¢ per pound, chopped beef at 17¢ per pound, tomato juice at 7¢ and cole slaw and potato salad at 10¢ per pound.

In other matters, the Council adopted by a 3-2 vote a new administrative code which included \$1,500 salary allotment for each councilman. It was noted, however, that council members had pledged to serve without pay during their last campaign.

Ten Years Ago

Belleville policemen Thomas Ricci and Kenneth Place were the pursuers in a mad, two hour chase through Belleville's streets. The patrolmen had spotted a sixteen year old boy driving one of the vehicles on their stolen car list; after eluding them for several hours, the boy fell into their sight again. He then led them on their wild chase.

Belleville lawyer Theodore M. Bellet requested that the town public safety department investigate the issuing of licenses to peddlers. Bellet claimed that licenses were being used by unauthorized persons. A state law requiring veterans to be issued licenses complicated the situation.

To the Editor, The Nutley Sun:

The so-called insurgent group that silently protested by walking out of the Essex GOP "Summit" meeting on Tuesday, September 19, 1967, showed their allegiance to the new victorious Reform Republican Slate that was elected on September 12, 1967, and not to the "Lame Duck" chairman William Yeomans, Acting on their own, and not on Robert Citrino's command as cited previously by the Star-Ledger, the dismayed group was acting on the behalf of the people in their districts who supported the Reform Slate in the crucial Primary. They were carrying out the wishes of the people in their respective districts, as should have the malingering Organization crowd which sat and yielded to Yeoman's Bossism.

As previously mentioned, the people wanted a change, and they proved this in the Primary. The Reform Slate was elected with a surge of power behind it, and it should be led in November by that same individual, Walter Weller, who so successfully formulated a fantastic campaign. "How can a loser (referring to Yeomans' status as a loser) a winner" was exclaimed by one local GOP Reform committee member from Belleville. Yeomans' stubbornness to yield to defeat by the Reform group, portrayed his "Boss Instinct" to the utmost.

The Primary proved to the Republican Party, in general, who the people wanted to represent them against the Democrats in November. It proved this unanimously. The sad fact of the situation was that the boss instinct of the Organization prevailed inside of them, the County Committee, as they supported the chairman who coordinated a losing campaign for the Organization Line F. The "Lame Duck" County Committee tossed away their districts' chances for reform when they backed BILL YEOMANS.

Three district leaders from the town of Nutley, Louise Ann Crocco, John DeLuca and Michael Feraco silently got up and walked out of the meeting. They wanted reform. This is a sad note for the people in Nutley who were not represented by their district leaders at West Orange. They just sat and yielded to Yeomans' bossism.

As they were walking out they were told in a shouting voice by the boss Goldfarb, "As they say in Las Vegas, If you don't play, back away". Mr. Robert Citrino did not nod as was asserted by one city newspaper, The Star-Ledger, Mr. Citrino is one of the leaders, he is by no means a wheeling dealing BOSS.

The lack of interest of the many Organization District leaders, who were supposedly representing the people in their districts, seems to be the reason, that Boss Yeomans was elected.

The poor attitude among the Organization was prevalent as portrayed by their actions Tuesday. One district leader at our local GOP meeting was questioned as to why he wasn't following the wishes of the people who voted Reform in his District. His reply, as overheard by one Organization Committeewoman was, "I could care less about the people in my District". This is one of the reasons why the GOP leadership should be taken up by Walter Weller "and associates". They must take up the reins and lead the winning Reform Slate to victory. It is the only way which the GOP will win in November.

Local Family Wins National Prize

Arthur Jackson of Jolly Cleaners, Washington Avenue, Belleville presented William Buist of 9 Forest Street, Belleville with a certificate for \$100 worth of dry cleaning. The award was the second prize in a nationwide contest sponsored by Sanitone licensed dry cleaners. Sanitone is a dry cleaning process that uses exclusive cleaning agents and procedures and only specially qualified dry cleaners are allowed to use the method.

Buist is Belleville "all the way." He not only lives in Belleville and shops in Belleville but is employed at Walter Kidde in Belleville where he is a test facilities supervisor. He is a father and a grandfather.

First prize in the Sanitone contest was a seven-day cruise for four to the Bahamas on a chartered yacht with its own captain, cook and crew.

Mrs. B. Bourbeau of Hooksett New Hampshire was the lucky winner.

PRIZEWINNER -- William Buist of Belleville received a certificate for \$100 worth of free dry cleaning from Jolly Cleaners. Buist won second in a nation wide contest.

Travel Course

Unity Travel Course proudly opens its forty-fifth season with Mildred Capron's newest colored film, "Ireland...Then and Now."

Miss Capron will narrate her wonderful travelogue tonight at 8:30 p.m. in the Montclair High School. Mildred Capron went to Ireland to look at the old and record the new. She found it a region where tragedy and laughter converge, a wild, lonely land of myths and memories. Ireland has long dwelt on "puddles of the past," dreamy landscapes, Gaelic pride, beef and potatoes, jigs and pipes, Runic place names, sagas, shamrocks, and superstition. But signs of a new Ireland are everywhere: expanded industry, a growing cosmopolitanism, sense of liberality, a more sober younger generation, traffic jams in Dublin, well-dressed people,

supermarkets, yet happily still no parking meters, subways, or superhighways. Sparked by hard working dedicated leaders, there is a sense of push and purpose. Mildred Capron is a capable speaker and an outstanding photographer. She returns from Ireland with a film that adds to the world's knowledge, and gives insight into her subject.

Unity Travel Course will also present the following films: "Provincial France" on November 1, "Incomparable Switzerland" on November 8, "Brazil" on November 20, "Our Great Southwest" on January 18, "Florence and the Heart of Italy" on February 1, "Persian Panorama" on February 22, "I Love Mexico" on April 18, "Polynesian World" on May 2 and "Britain" on May 16.

Mrs. Edward F. Hesse
Former Miss Linda Oliverie

Honeymoon In The Bahamas For Mr. and Mrs. E. F. Hesse

Miss Linda Anne Oliverie, daughter of Mr. and Mrs. Rocco Oliverie, of 30 Sanford Avenue became the bride September 16 of Edward Frank Hesse, son of Mr. and Mrs. Edward Hesse of Fern Avenue, Lyndhurst.

The Rev. Edward Scandone performed the ceremony at St. Anthony's Church. A reception followed at the Royal Hawaiian Palms, Lyndhurst.

Escorted by her father, the bride was attired in white rose-point lace over peau de soie. Her gown featured a redingote front, long pointed sleeves and a cathedral train. Tier on tier illusion veiling was draped from a coronet of pearls and crystals with a front tear drop pearl.

Miss Judith Oliverie of Belleville, sister of the bride, was maid of honor. The Misses Catherine Xavier of Irvington and Joann Zena of Belleville were bridesmaids. Junior bridesmaids were the Misses Grace Ann Iverson of Kearny and Denise Politano of Edison. Darlene Politano was flower girl. All attendants are cousins of the

bride. The attendants wore empire floor length nylon chiffon gowns in avocado green, Nile green and yellow. Headpieces were clusters of small flowers trimmed in pearls.

Ernest Hesse of Lyndhurst was best man for his brother. Ushers were Lewis Bivona of Belleville and Fred Schumann of Millford, Pennsylvania, cousin of the bride.

Mrs. Oliverie was in a melon nylon chiffon gown with lace top and full chiffon coat. The groom's mother wore a peau de soie street length dress of white, gold and silver with gold accessories.

Mrs. Hesse, a graduate of Belleville High School, is a secretary with Fidelity Union Trust Company, Newark.

Mr. Hesse, an alumnus of North Arlington High School, is employed by Gene Fiorenza, Heating and Air Conditioning, Caldwell. The couple have made their home in Nutley following a honeymoon in the Bahamas.

It is easy to go to war, but ending the thing is more complicated.

Reservations Being Accepted For Book-Author Luncheon

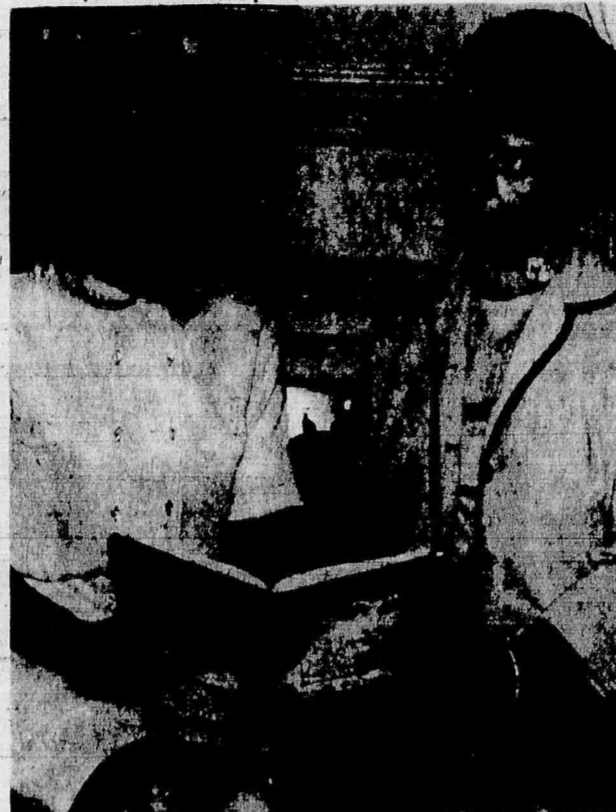

Mrs. Charles Goldberg and Mrs. Henry Harrison are completing reservations for the book and author luncheon to be held November 6 at 12 noon by the Sisterhood of Temple B'nai Israel, Nutley.

Mrs. Harrison, reservations chairman, stated that she was pleased with the response to the invitations that had been sent out and that many reservations had already been received.

"However," she said, "there is still room for those who have not as yet sent in their requests

for tickets. We know there are many people who are anxious to hear Mrs. Bishop and we are very proud that we are able to bring her to the community at large."

Mrs. Goldberg, co-chairman of the luncheon, has been assisting the chairman, Mrs. Sidney P. Cohen, coordinate the various activities connected with the luncheon. She has announced that in addition to tasty food and a stimulating speaker, a surprise gift will be presented to each guest attending.

BOOK REVIEW--Mrs. Sidney Katz (left), invitations chairman and Mrs. Charles Goldberg, luncheon co-chairman, review one of many books for children and young adults written by Clair Huchet Bishop. Mrs. Bishop will be guest speaker at the Book and Author Luncheon to be held November 6 by the Sisterhood of Temple B'nai Israel.

St. Peter's Church Is Setting For Esposito-Mooney Nuptials

Miss Joan Ellen Mooney, daughter of Mr. and Mrs. Arthur J. Mooney of 114 Tappan Avenue and Ralph P. Esposito, Jr., son of Mr. and Mrs. Esposito of 126 Garden Avenue, exchanged wedding vows Sunday in St. Peter's Church.

The Rev. James A. Heavey performed the ceremony. A reception followed at The Fiesta, Wood-Ridge.

Escorted by her father, the bride wore a gown of silk faced peau de soie fashioned with an Empire bodice, A-line skirt and wattle chapel train and trimmed with pearl and crystal beading.

A high pillbox hat held her silk illusion veil and she carried a bouquet of white orchids and roses.

Miss Kathleen Szewcyk of Belleville was maid of honor. Bridesmaids included Miss Mary Ann Kanabrooki, Miss Francis Rosania, Mrs. Elaine Alessio and the groom's sister, Mrs. Ronald Cuomo, all from Belleville.

The maid of honor was attired in a turquoise and gold brocade sheath with matching floor length turquoise satin coat. The bridesmaids were in identical dresses in gold and white brocade with gold coats. All carried chrysanthemums.

Steven Fox of Belleville was best man. Ushering were the bride's brother, Robert A. Mooney of Belleville, Lenny Massa of Hillsdale, Eugene Bellina of Newark and Mr. Cuomo.

Mrs. Mooney chose a shocking pink silk satin floor length sheath while the groom's mother was an emerald green silk sheath. Corsages were orchids.

Mrs. Esposito Jr., a graduate of Belleville High School, is with Kimball Systems, Inc., Belleville. Mr. Esposito Jr., also a Belleville alumnus, is employed by International Terminal Operations, Newark.

The couple will live in Belleville after a honeymoon in Miami, Florida.

National Guard To Hold Dinner

The 108th Tactical Fighter Group, a unit of the New Jersey Air National Guard, will honor their former commander, Colonel Francis R. Gerard, at a huge testimonial dinner in East Brunswick on the evening of October 28.

Chairman of dinner, Lt. Colonel John Barrett, in announcing the details of the affair, stated: "Colonel Gerard's dedicated

leadership, professional acumen and patriotic interest during his 12 year tenure as commander of this organization, has made it one of the top rated fighter units in the country. It is hoped that this testimonial will, in some small way, convey to Colonel Gerard, the appreciation of the members of this Group for his tireless efforts on their behalf."

WHEN TO SEE A DOCTOR IF WOUNDED
It is most important to know when to see a physician for first aid.
If there is real spurting bleeding, this is an emergency. If slow bleeding continues beyond four to ten minutes, medical attention is needed. If there is foreign material in the wound which does not clean out easily; if it is a deep puncture wound or is long or wide so that stitches may be required, a physician is needed.
Also, if the wound has been in contact with soil or manure, or if signs of infection such as pain, redness, or swelling develop, don't wait. Expert attention quickly will prevent hours of pain and possible infection.
YOUR DOCTOR CAN PHONE US when you need a medicine. Pick up your prescription if shopping nearby, or we will deliver promptly without extra charge. A great many people entrust us with their prescriptions. May we compound and dispense yours?

PERSONAL AND SOCIAL HIGHLIGHTS OF THE WEEK

INSTITUTE REPORTS—Mrs. William H. Oertel (left), chairman of the Evening Membership Department and Mrs. Richard A. Shaffer, president of the Woman's Club of Belleville, congratulate Miss Anne Costantino (left) and Miss Wendy Irvine on the reports the girls gave of their experiences at the annual Citizenship Institute sponsored by the New Jersey State Federation of Women's Clubs.

Institute Reports, Buffet Supper Opens Season For Belleville Woman's Club

The Woman's Club of Belleville, Evening Membership Department opened its fall season with a buffet supper September 20th at the club house.

Guest speakers for the evening were two Belleville High School seniors, Miss Wendy Irvine and Miss Anne Costantino who gave reports on their visit, as our representatives, last June to the 21st annual Girls Citizenship Institute.

The purpose of the Citizenship Institute is to provide training in good citizenship, recognition of government in operation and its problems, and to point out the laws, agencies and services provided by good government to solve these problems. The girls attended lecture sessions which were

followed by discussion periods. They also had an opportunity to meet girls from all over the state and plan activities with them.

Mrs. William A. Baker gave a talk on how one can assist a blind person with the blindfolded help of Mrs. William H. Oertel, chairman of the Evening Membership Department and Mrs. William C. Brownlie, Mrs. Baker also told of her work training the blind to help themselves at the Mount Carmel Guild, Center for the Blind.

St. Mary's Caha Group To Discuss Home Sex Education at Conference

St. Mary's Caha Society is presenting a conference on sex education in the home this Sunday, 10:30 a.m. in St. Mary's church.

The speaker for the evening will be Rev. Dominic Marconi, associate director of The Family Life, Apostolate of the Archdiocese of Newark.

Father Marconi's work in family counseling and his experience in conference work with teen-agers, engaged couples and married couples has prepared him to speak on this subject.

The public is invited. There will be no admission fee and coffee will be served.

Rummage Sale Run By Women's Guild

The Women's Guild of Christ Episcopal Church held its semi-annual rummage sale Monday and Tuesday in the Parish Hall.

Offered for sale were clothes, furniture, books and household items. Items not sold were donated to several charities which the Guild assists.

Highest Highest A average

John R. Hodes, 63 Forest Hill Parkway, has received the Anthony Engelbrecht Prize for having the highest average in his first year at the Rutgers University School of Law in Newark. Dean Willard Heckel announced today.

Hodes, now in his second year at the State University's School of Law, graduated Cum Laude from Harvard University in 1966, as a government major.

Hodes' family lives at 865 West End Ave., New York City.

The Anthony Engelbrecht Prize is awarded annually to a student of each of the three School of Law classes having the highest average in his class. First and second year students receive the Prize at the beginning of the fall semester, while third year students receive it at commencement in June.

To be eligible, a student must have a mark approaching 1.0 (an "A" or perfect grade) in his class. Winners of the Prize receive a \$50 cash award.

Group Sponsors Ten and Under Sale Saturday

The date of the ninth annual Ten and Under art sale of the Nutley Art Group has been set for this Saturday. This popular yearly event gives Nutley residents and those of neighboring communities an opportunity to buy original workshop drawings in charcoal, pastel, ink and pencil as well as block prints and paintings at prices from \$1.00 to \$10.00.

The idea, which was conceived by members of the Art Group over nine years ago, is to give the artists a chance to empty their bulging portfolios at the beginning of the new season of Monday evening workshop sessions.

Doors of the Nutley Museum, 65 Church Street open at 10 a.m. and close at 10 p.m., admission is free.

Linda Loehr Begins Studies For Nursing

Miss Linda Loehr, daughter of Mr. and Mrs. John R. Loehr of 58 Montclair Avenue, Nutley, has been accepted as a freshman student at the East Orange General Hospital School of Nursing in East Orange.

Miss Loehr, a graduate of Nutley High School, joined a freshman class of 23 which began studies on September 11, according to Miss Mary A. Kunst, school director.

The school, which requires 33 months of intensive training and practical experience for a graduation certificate, is fully accredited and approved. It has standing affiliations with Upsala College, Babes Hospital at Columbia University in New York and Overbrook Hospital in Cedar Grove.

Adolescent And His Culture Subject Of Professor's Talk

"The Adolescent and His Culture — A Crisis of Identity," will be the subject of a address to be given by Professor Daniel Katz at the open meeting of the Women's Auxiliary of the Nutley Family Service Bureau next Wednesday, October 25th, at one o'clock at the Masonic Temple on Chestnut Street.

Professor Katz is assistant professor and project coordinator at the Rutgers Graduate School of Social Work and is presently engaged in a demonstration teaching project for social work education in the area of mental retardation. He received an A.B. Degree from New York University and an M.S.W. from the School of Social Work at the University of Denver.

During 1955 and 1956 he served at Fort Bliss, Texas, as a first lieutenant in the Army Medical Service Corps as Chief Social Worker Officer with the Psychiatric Service. He has also served as Senior Caseworker with the Jewish Family Service of Camden and the Child Guidance Clinic at Syracuse, New York, and as Chief Social Worker with the Camden Child Guidance Clinic.

Professor Katz is presently serving as president of the New Jersey Section of the American Association on Mental Deficiency and is a member of the National Association of Social Workers, Academy of Certified Social Workers and the Council on Social Work Education. He is married and has children.

Mrs. Maximilian Perlman, president of the auxiliary, invites the public to attend this meeting and a special invitation is extended to all parents of adolescent children and people who are associated with them in educational and recreational work. A discussion period will follow the talk and Professor Katz will be available to answer questions from those attending the meeting.

Barbara Marko, Carol Radcliffe Both Freshmen at Elmira College

Barbara E. Marko, daughter of Mr. and Mrs. Neil Marko, 155 Whitford Avenue, and F. Carol Radcliffe, daughter of Mrs. Florence L. Radcliffe of 57 Kenzel Avenue, both of Nutley, were among 385 members of the Elmira College freshman class who began classes September 15.

Barbara and Carol, both Nutley High School graduates, also took part in the orientation week ceremonies on the campus.

Yoga for Women YMCA Winter Event

Yoga for women will be offered by the Montclair YMCA during the fall and winter season with three series of 12 lessons each, conducted Monday evenings from 8:15 to 9 at 25 Park Street. Taught by assistant physical director Ethel Petisser, the ancient Indian science of Hatha Yoga provides an easy release from everyday tension through stretches, inversions and meditative postures.

The series now underway will continue through December 18.

SEMINFINALIST---Brother William V. Dennehy, principal of Essex Catholic High School, congratulates Bruce Chenoweth of Belleville upon being named semifinalist in the National Merit Scholarship Exam.

B. Chenoweth, Essex Catholic Senior, Named a National Merit Semifinalist

Brother William V. Dennehy, principal of Essex Catholic High School, has announced that Bruce Chenoweth, son of Mr. and Mrs. George H. Chenoweth of 177 Greylock Parkway, Belleville, has been named National Merit Scholarship semifinalist.

Chenoweth, a senior at Essex Catholic, is a member of the National Honor Society, the French National Honor Society, the Chemistry Club, and the Radioactivity Club. Since sophomore year Bruce has been a member of the school's varsity track team running the 440 dash during the indoor and outdoor seasons.

The 14,000 semifinalists appointed throughout the nation have advanced to the second step in the competition for about 2,900 Merit Scholarships, valued at more than \$8 million, to be awarded in 1968.

Semifinalists scored the highest in each state on the National Merit Scholarship Qualifying Test given last February. They constitute less than one percent of the graduating secondary school seniors in the nation.

The semifinalists are young people of high intellectual potential, according to John M. Stalnaker, president of the National Merit Scholarship Corporation. "From this group will come future leaders of business, industry, and the professions," he said.

"These students deserve credit and honor. They have put forth the effort to develop their abilities and to attain academic success. They bring honor to their families, who deserve much credit, as do their teachers and their communities. Their future success, however, will depend increasingly upon their ability to become productive at the high intellectual levels of which they are capable."

Semifinalists must advance to finalist standing to be considered for merit scholarships, since all winners will be selected from the finalist group. Semifinalists become finalists by receiving the endorsement of their schools, taking a second examination, and submitting information about their achievements and interests. Every semifinalist who becomes a finalist will be considered for one of about 2,400 four-year Merit scholarships financed by some 400 corporations, foundations, colleges, unions, trusts, professional associations, other organizations, and individuals, and by NMSC itself. In addition, about 500 one-time National Merit \$1000 Scholarships will be awarded for the first time in 1968.

Winners of four-year merit scholarships may receive up to \$1,500 a year for four college years, depending on their individual need. Winners of the

Auto Show Premieres Tuesday

The largest display of gleaming new 1968 cars in New Jersey automotive history will be shown starting next Tuesday, October 24 at 6:30 p.m. as the ninth annual Auto Show debuts at the West Orange Armory, Pleasant Valley Way, West Orange. The five-day show continues through Friday from 6:30 p.m. to 10:30 p.m., every evening; on Saturday from 1:30 p.m. to 10:30 p.m.

According to Alan B. Rowe, Chairman of the Show, and Al Fassbender, President of the Lions Club, a record attendance is anticipated. Visitors will be able to compare 1968 American and foreign cars side-by-side under one roof. In addition, cutaway and operating exhibits illustrating new engineering developments will also be shown.

"Man's dependence on the wheel, which began in prehistoric days, keeps gaining momentum annually," says Mr. Rowe, "and the process rolls to its peak in New Jersey at the West Orange Armory Auto Show every Fall."

Miss Jeanette H. Phillpuk, Miss New Jersey for 1968, will be the Queen of the Show. There will be over 100 door prizes

and many surprises distributed among the 50,000 visitors expected to attend.

Warren Grove Allen

Norman Allen, president, Allen Pontiac, 645 Washington Avenue, Belleville, has announced the appointment of Warren Grove as Leasing and Fleet Manager. He brings over eight years of experience to the suburban dealership.

"Our leasing and fleet divisions have grown substantially during the past two years," commented Allen, "so we really needed someone who could devote his full time to meet our customers' needs. This is a newly created position and I know Mr. Grove will be a valuable member of the Allen Pontiac team."

Grove attended the Coast Guard Academy, is a former Marine and was graduated from Brooklyn College. He is married, resides in Brooklyn and enjoys tennis and golf in his spare time.

New Vice Presidents

ITT Names Villarosa Rose to New Positions

Election of Emery A. Rose and Nicholas J. Villarosa Jr. as vice presidents of ITT Defense Communications Division was announced recently by Rand V. Araskog, president.

Rose becomes vice president and director-marketing and Villarosa vice president and director-legal and contracts of the division of International Telephone and Telegraph Corporation.

ITT Defense Communications Division, headquartered at 492 River Road, Nutley, is engaged in research, development and manufacturing of satellite communication systems, computer-based message and circuit-switching systems, military antennas and tropospheric-scatter and line-of-sight radio communication systems.

Rose was appointed director-communications marketing, ITT Federal Laboratories, earlier this year. He joined ITT in 1959 and has held several management positions in marketing. In the recent past he was western manager for ITT Kellogg and prior to his immediate assignment with ITT Defense Communications Division was western regional director for the ITT Defense-Space Group. Before joining ITT he was director of engineering for communications and electronic systems as the U.S. Air Force's Ogden Air Material Area, Utah.

Emery A. Rose

Rose studied at Sacramento Junior College and the University of Utah. He is director of the West Coast Armed Forces Communication Electronics Association and holds memberships in the Air Force Association, Navy League, Association of the U.S. Army and the American Ordnance Association.

He and his wife, the former Renee Walker, have a daughter. They live in Ridgewood.

Villarosa was named director-legal and contract management for the Communications Division of ITT Federal Laboratories earlier this year. He joined ITT in 1951 and held a number of

Nicholas J. Villarosa, Jr.

management positions in contract administration and as secretary and counsel for various ITT divisions.

Villarosa was graduated cum laude by the University of Notre Dame in 1943, receiving a BA degree in economics. He was awarded an LL.B. degree cum laude by Notre Dame in 1947. He holds memberships in the Armed Forces Communications and Electronics Association, the Electronic Industries Association and the American Management Association.

"What! More taxes... to pay strikers?"

That's right. There's a new state law raising your unemployment taxes 20 per cent starting January 1. And the law says taxes of all workers (union and non-union) can be used to pay unemployment benefits to strikers. We're not kidding.

Why should you pay more taxes to support somebody else's strike? We don't know. Ask your candidates for the State Senate and Assembly. Every seat in Trenton is up for election this year and repeal of this law (S-400) is the biggest issue.

A recent poll shows a clear majority of people against the law. Tell your candidates how you feel by writing them immediately. Their names and addresses are listed below. Then join our 20,000 members who are fighting to repeal the strikers benefits law.

BECK'S COLUMN

By MAX BECK

This is the 13th year of color TV in the U.S. They are just beginning color broadcasts in Europe now. Germany, France and Russia started within the last couple of months with color TV.

The prices for these European sets are very high, triple or more than we pay here. There are only a few hours of color broadcasts per week. Chances are that Germany will progress faster than the other countries. Russia seems to be pre-occupied with other things. France has two broadcast systems which does not exactly further the spread of color, while conditions in Germany are more favorable. The technical system used in France and Russia is different than that used in Germany or in the U.S. All systems show a good picture. If you happen to have been in Montreal for the Expo, you may have seen in the French Pavilion a closed circuit color TV system in operation.

Considering what they have and what we have, one can rightly say: we never had it so good, as far as TV is concerned. We may gripe about the quality of the programs, but it looks as if there are some very fine performances in store for this fall season. One has to realize that it is extremely difficult to produce top notch programs day after day. There just is not enough talent for that much entertainment. The program material would have to include other facets of life. So far, our broadcast system has been primarily geared to entertainment, shows, so-called soap operas and extensive news coverage. In all probability we are going to see more educational programs in the near future.

So, next time you are about to complain about the programs on T.V., just think about the abundance we have to enjoy in comparison with others.

We service what we sell.

Knights of Columbus Installs Newly Elected Officers

The Knights of Columbus, Belleville Council 835, recently had their elected officers installed in office at the council home, 94 Bridge Street, Belleville.

Installation was conferred upon the electees by John Shannon, District Deputy and P.G.K. of Newark Council 150.

The men installed in office were: John Ryan, Grand Knight; Russell Thomas, Deputy Grand Knight; Carlo Foscatto, Chancellor; T. William Sloan, recorder; John Caron, warden; Kenneth Murray, P.G.K., D.D., financial secretary; John Davis, treasurer; James Leonard, advocate; Thomas Devine, lecturer; Joseph Jarman, Joseph DeFabbio, Edward McCabe, Thomas Nisivocchia, Guards; O.J. Savare, trustee.

Under the new format for installing officers, Council Chaplain, Rev. Francis Ignacinos also participated.

After the installation, Grand Knight Ryan stated that he and the other elected officers, with the help and cooperation of Belleville's membership, would do their utmost to promote and further Columbianism.

In the spirit of Ecumenism, Bill Healy, Worshipful Master and Ed Penkethman, Past Master of the Masonic Order were present and expressed their gratitude for being asked to witness the installation and charge to the newly installed officers.

Among the members, family and friends present were, Mrs. William Gagnon, president of the Catholic Daughters of America; William Peck, president of the Columbian Institute and Past Grand Knights George Mailer, John Burke and Nicholas DiGiovanni.

Father Ignacinos closed the evening ceremony with a prayer and all in attendance were asked to stay and enjoy refreshments.

Restivo Labeled Drive of Month By State Truck Safety Council

For quick thinking that prevented what could have been a serious chain of events, Joseph Restivo, 40, of 287 Fairway Avenue, Belleville, has been cited as driver-of-the-month by the Council of Safety Supervisors of

the New Jersey Motor Truck Association.

He is employed by the L.J. Kennedy Trucking Co., of 342 Schuyler Avenue, Kearny.

Restivo was driving a flat-bed tractor-trailer loaded with ten tons of steel on the Major Deegan Expressway, New York City, on May 22, when his rig was passed by a 1966 Cadillac proceeding at 50 miles an hour. As the car went by, Restivo noted that its driver was slumped to one side with his head back and his mouth open.

The car was zig-zagging from one lane to another amid heavy traffic at the tail end of the morning rush. Fearing the Cadillac would crash into other cars, Restivo pulled his truck behind it and followed for about 2,000 feet. When the car slowed on an upgrade, he pulled around it and nudged it gently to a halt in the center lane.

A passing physician examined the Cadillac's driver, Benjamin Fatowe, 71, of White Plains, N.J.,

and pronounced him dead from a heart attack.

Besides his talent for quick thinking, Restivo has a fine safety record. Over the last 23 years, he has driven a total of nearly 600,000 miles without a chargeable accident.

The Council awarded him a testimonial, gold pin and savings bond.

Planning Talks Are Scheduled

Congressman Peter W. Rodino, Jr. (D-N.J.) today called upon the House Ways and Means Committee to combine any added tax with tax reform.

Rodino, fearful that a so-called temporary ten percent surtax--once written into the tax structure--would become as absolute, certain and eternal as death and taxes themselves, stated that "given the circumstances of our present economic climate, I intend to oppose a surtax that is not combined with a comprehensive tax reform program."

Congressman Rodino, Dean of New Jersey's Congressional Delegation, further stated that "an added tax must be coupled

with reform. Together they make sense; they enhance our responsibility and dedication to what I consider basic and durable principle -- to minister to the needs of the average American citizen, the less affluent, the needy, the elderly, and those millions whose labor has made this nation so successfully productive. Together they will fulfill the promise of our President when he admonishes the Nation that America has the capacity to honor our foreign commitments while meeting our responsibilities at home."

In addition to closing such loopholes as untaxed capital gains, untaxed municipal industrial development bonds, and reduction of oil and mineral depletion allowances, Rodino called for further tightening up of our progressive tax structure by imposing a minimum 10% tax on income over \$10,000; 20% of income in excess of \$100,000; and a surtax exemption for all income under \$5,000.

"Such a policy is fully justified," noted Rodino, "because the over 50 million Americans that earn under \$20,000 per year pay the majority of all taxes collected. Moreover, five of the largest Oil Companies in 1964 paid only from 0.8% to 8.6% in Federal taxes, while in 1964 19 millionaires paid no income tax and the remaining 463 paid less than 30% of their income in taxes."

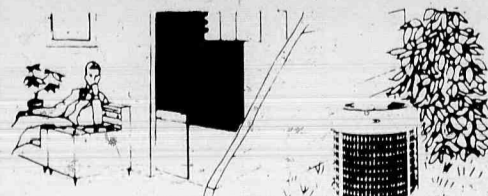

Rodino added that it has been estimated that by closing certain existing tax leaks over \$4 billion in revenue would be added to the treasury, an amount roughly equal to the \$4.3 billion in revenue projected by the implementation of the 10% surtax.

Temple Menorah To Hold Sabbath Service Tomorrow

Rabbi Nathan H. Fish, spiritual leader, will conduct the Sabbath Services at Temple Menorah, Bloomfield, tomorrow, at 8:30 p. m., in celebration of Succoth, the Festival of the Harvest.

"The Festival of Joy" will be the topic of the rabbi's sermon. The Temple Choir, directed by Thomas A. Davis, organist and choir-master, will render the liturgical portion of the service. The Student Council of the Religious School will hold Youth Sabbath Services in the sanctuary on Saturday at 9:45 a. m. One of the officers of the student council will conduct the service, and the sermonette will be given by a member of the confirmation class.

Rabbi Fish, assisted by Cantor Henry Thallshelmer, will officiate at the service. A Kiddush will follow the service. Mrs. Passner will host the Oneg Shabbat, following Sabbath services on Friday evening, in honor Bruce's Bar Mitzvah.

Lithonia Lighting

And Walter Kidde

Plan Consolidation

An understanding for the acquisition of Lithonia Lighting, Inc. by Walter Kidde & Company, Inc. was announced by Fred R. Sullivan, chairman and chief executive of Kidde, and Leonard G. Berger, chairman, and Robert J. Freeman, president, of Lithonia.

Lithonia is a leader in environmental systems which integrate lighting, heating and cooling requirements, as well as in fluorescent lighting equipment, for commercial, industrial and institutional markets. The acquisition of Lithonia would represent Kidde's entry into these fluorescent lighting fields.

The proposed acquisition is subject to approval by the boards of directors of both companies and by Lithonia shareholders. Kidde would issue to Lithonia a combination of Kidde common and preference shares having a value of \$16.00 per share of Lithonia. Kidde securities are traded on the New York Stock Exchange. Lithonia is listed on the American Stock Exchange.

Lithonia employs more than 1,000 people at a 650,000-square-foot plant in Conyers, Georgia, and maintains 20 warehouse distribution centers nationwide. Lithonia's sales for the fiscal quarter ended June 30, 1967 were \$8.4 million, and after tax net income amounted to \$287,000, or 25¢ per share. According to Freeman, as of the end of Lithonia's second fiscal quarter profit margins will be considerably higher than for the comparable period last year, and are anticipated to continue on this improved basis for the remainder of the year.

Kidde produces and supplies safety, security and protection products and services; industrial and technological equipment, and commercial and consumer products. Headquartered in Belleville, New Jersey, the company has approximately 70 plants in 20 states and six foreign countries.

For the six-month period ended June 30, 1967, Kidde reported sales of \$181.5 million and after tax net income of \$5.8 million, or \$1.35 per common share.

**31,000
'bad risks'
owe you
\$27 million.**

Currently 31,000 New Jersey college students are receiving \$27.3 million in low interest loans to continue their education. Almost all would not have met the ordinary "risk" standards set by lending institutions. But they met the more far-sighted standards set by the Democratic Legislature... which was determined that worthy students, regardless of economic conditions, get a good education. The repayment record of these 'bad risks' is excellent. They repay the loan... and the confidence of the Democratic lawmakers.

SPECTACULAR SHOW—The spectacular Autumn chrysanthemum display is now a highlight attraction at Sterling Forest Gardens with thousands of America's favorite Fall flower in bloom, now through mid-October. The blooms, displayed with asters, dahlias, giant marigolds and Autumn crocus, blend with the flaming reds, oranges and yellows of Autumn foliage to create crescendos of color in this rich woodland setting. This panorama of floral beauty is a proper finale for the six-month season of Sterling Forest Gardens. The 125-acre Gardens is located on Route 210 in Tuxedo, New York.

Belleville Firm Has Authoritative Paper About Steel

R. H. Ka'tenhaus, Allegheny Ludlum Steel Corp., Brackenridge, Pa. and A. J. Spitzner, Walter Kidde & Co., Inc., Belleville, N.J., will present a paper, "Stainless Maraging Steel for Welded Pressure Vessels," at the National Fall Meeting of the American Welding Society, in the Shamrock Hilton Hotel, Houston, Texas.

The paper features a study that has developed data which indicates that maraging steels show promise of becoming an important and useful pressure vessel material for numerous present day applications.

Sixteen technical sessions will be held, and 39 AWS-sponsored papers presented. Symposia on the Effect of Minor Alloying Elements on the Weldability of High Nickel Alloys, and Welding of Cross Country Pipeline, will be sponsored, respectively, by the Wrought High-Nickel Alloy Subcommittee of the Welding Research Council High Alloy Committee, and the AWS Committee on Piping and Tubing.

Papers will include the following topics: the welding of aluminum maraging steels, titanium alloys, pipe and tubing, aerospace materials; weld metal studies, high strength steels for structural use, procedures evaluating and training, filler metal development, fatigue and stress investigations, gas shielded-arc welding applications and development, and new process development.

GOP Asks To View Democrat Accounts

Senator Frederick J. Scholz, State Republican campaign chairman called upon Vincent Murphy, State AFL-CIO President, and Robert J. Burkhardt, State Democratic campaign chairman, to make public sources of all funds poured into Democratic coffers used to elect legislators who voted for strike benefit provisions of the unemployment compensation act.

Scholz said, "Millions of dollars are being poured into the Democratic campaign to protect the strike benefit provisions of the unemployment compensation law. These provisions were rammed through the Democrat legislature by New Jersey labor bosses.

He cited the head tax of \$1.20 which AFL-CIO membership of over 750,000 is giving the Democrats who supported strike benefits, a slush fund of almost \$1,000,000. He cited the many \$250-a-plate dinners that had fattened the Democrat war chest. "Added to that," he said, "are the lush contributions of vested interests."

Scholz said, "If the strike benefit provisions are allowed to remain, and they will if the Democrats retain control of the legislature, it will be the unaffiliated New Jersey workers and industry who will foot the bill for the labor bosses. They will pay for the strikes."

Scholz said, "We want a full accounting from labor bosses and the fat cat Democrat leadership

as to who is financing Democrat campaigns."

USO Gets \$3,000 For Viet Children

The voluntary chairman of SAS, Jerry Leopoldi, was announced recent awards by this organization on behalf of our servicemen in Viet Nam and to the thousands of parentless Vietnamese children.

The USO was presented with a check for \$3,000, bringing SAS

total contributions to USO to \$28,200.

One thousand forty dollars (\$1,040.) was awarded to assist the children at the An Lao Orphanage, Saigon via the Tom Dooley Foundation. Total donations to the orphanage now stand at \$1740.

TV System At Rutgers Is Expanded

Rutgers, the State University, has expanded its educational television system to provide three channels which can be used simultaneously.

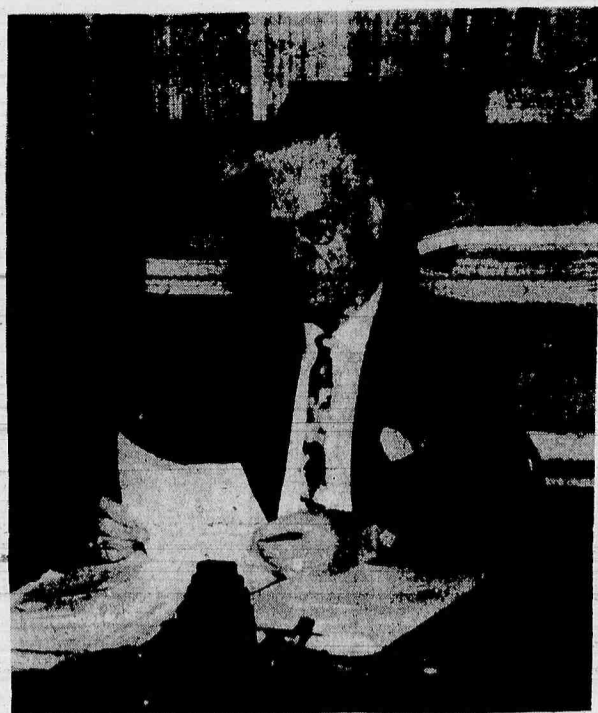

New Jersey Bell Telephone Company placed about 42,000 feet of cable during the summer to connect the studio center at Kilmer area campus with buildings at University Heights in Piscataway, and Queen campus and Douglass campus in New Brunswick.

The telephone company also installed a control center in the educational television studio for distribution and modulation of live or taped signals over the system.

Rutgers has been using educational television since 1965, but the present installation will significantly change the type and flexibility of its system. Previously, it was necessary to tape a program, connect a mobile van to a building, and then feed the tape into the receivers.

With the new equipment, the university is able to show three programs directly from the studio center either by video tape or live. At the present time, the university plans to use programs in black and white but the system can be adapted for color transmission.

The cable which was installed also allows for expansion to 12 channels. Joseph W. Durand, director of instructional television

UN WEEK -- Mayor Kenneth D. Smith plans the community's observance of United Nations Week this year. He appointed Palmer D. Burde as municipal chairman.

at the university, said he may increase the number of channels to six in the next year or two, and possibly to 12 in years to come. He would also like to extend educational television to campuses at Paterson, Newark and Camden.

Last year, freshman biology and basic computer courses were taught via television. Elementary statistics and engineering graphics will be added this year.

*Educational television is used as another resource for the faculty," Durand said. "The idea is to get the best teachers in front of more students. This in no way replaces the instructor; in fact, it gives him more time for personal instruction of students."

Tour Abroad Envisioned By YMCA

The Montclair YMCA will sponsor a 33-day European tour next summer for teenagers.

Arranged through the National YMCA's World Y tours program in conjunction with the Millville YMCA, the trip will begin June 28 and conclude July 31. It will include long stays in Paris, Rome, Geneva, Germany, Holland and London. The group will sail to the continent aboard a student ship and make the return trip by air.

According to Martha Smith, Montclair YMCA girls program director, ten spots on the 30-member entourage are available for Montclair Y students.

Applicants must be high school students and not over 18, be in good health and provide three references. References and qualifications of each aspirant will be checked thoroughly by Miss Smith and Wilfred F. Newell, tour director.

The \$850 cost for the trip includes everything except expense money. A \$100 deposit must accompany each application.

A world travelers club will be organized by Miss Smith to prepare the students for their European jaunt and to assist them in raising a portion of the funds necessary to go. The initial meeting of the club will be Thursday evening, October 26 from 7 p.m. to 8 p.m. at 25 Park Street. The group will convene once monthly thereafter to plan for the summer excursion.

Lutheran Concert Is Next Tuesday

In commemoration of the 450th anniversary of the Reformation, the Upsala Choir of Upsala College in East Orange will present a concert at the First Lutheran Church on Glenwood Avenue in East Orange. Members of the New Jersey Symphony Orchestra will accompany the Upsala Choir. The anniversary concert will be held on Tuesday 8:30 p.m. and is open to the public without charge.

Featured on the evening's program is the world premiere performance by the choir of "The Transfiguration," a new choral work by the distinguished Swedish composer, Sven-Erik Back. Richard Toensing, director of the Upsala Choir, recently said, "We've honored to perform this work of Back's on Reformation Day. The Reformation concert gives us an excellent opportunity to perform a new work by a contemporary Lutheran composer."

Branch Brook Rink Opens

The Essex County Park Commission Announces another new ice skating season at its Branch Brook Skating Rink in Newark which opened for its 10th season yesterday.

The "Brook" will be highlighted by new innovations, the most important of which is a multiple vapor lighting addition covering the giant 200 X 85 ft ice surface and rinkside parking plaza.

The main building will have its familiar snack bar, skate service and accessories shop. Locker and skate rental service will be available for the skating enthusiasts. Taped and recorded music will be played at all sessions.

The Commissions' program of resident student card holders, skating free twice weekly on Monday and Friday afternoons will continue.

These cards are available at a cost of \$1. to residents of Essex County from pre-school age thru college. The cards will also be made available to retired senior citizens of Essex. This service offers the skater a savings of almost one half admission price to public skate sessions.

This seasons' program, tailored to fit the needs of all types of skaters will have Monday evenings for adult "Learn to Skate" instruction series. Group lesson in figure skating for the younger set will be held on Thursday afternoons. The Junior hockey clinic for boys will get underway on Tuesdays - offering basic fundamentals in hockey. A feature this season to the program will be an early November visit by players from the New York Ranger Hockey team, conducting one of the afternoon's practice.
