Local Boy Killed in Vietnam

Funeral For J. Richard Donatiello Today At Saint Anthony's Church

Today at 9:30 a Solemn High Mass will be held at Saint Anthony's Church for Marine Lance Corporal Jerry Richard Donatiello of 14 Frederick Street, Belleville, killed November 20 after sustaining a gunshot wound to the body from hostile rifle fire while on an operation in the vicinity of Quang Nam, Republic of Vietnam.

After the Mass, the twenty-two year old's body will be interred at Holy Cross Ceme-

tary, North Arlington. Corporal Donatiello is survived by his widowed mother, Mrs. Rose Donatiello, and four brothers: Patrick, 38, of Tampa, Florida; Anthony, 37, of Veteran Place, North Arlington; Angelo Jr., 33 of Baldwin Place, Bloomfield; and Robert, 29, of Church Street, Belleville.

Born in Newark June 27, 1945, 'Richie', as he was known at home, attended South 8th Street School, and graduated

from Bloomfield Technical School class of 1963 before moving with his family to Belleville two years ago.

He was attending Dickinson University, Haverford at nights for two years studying Electronics Engineering when he was drafted into the Marine Corps. March 3, 1965 and sent to Vietnam October 5.

While attending college, Richie had been very active with a CYO organization in Clifton,

the town from which his girlfriend for three years, Roberta 'Cookie' DeMolli, comes. At that same time he held two jobs to meet school expenses, a full-time job with Wilson Imperial, Newark and a part-time job in a local Acme Food market.

Funeral services were held at Murray's Funeral Home, Belleville Avenue, Bloomfield.

Word of his death was received by Richie's mother from Marine Captain Dopko

and Father Menegus from Saint Anthony's Church, last Tuesday.

Commissioners Agree Upon Appropriation

The Belleville Commission Monday evening approved both a \$3,000 appropriation bill and an extra \$15,000 in funds to pay for the needed materials to complete the renovation of Town Hall.

The emergency appropriation resolution was passed in order to pay for a reassessment program initiated by the county tax boards and the state courts.

The program which complies with a state requirement calls for the revaluation of town property for the use of the municipal tax assessor.

The Realty Appraisal Company of West New York will do the work.

The extra \$15,000 in funds will pay for the painting of the police department, the town clerk's office and the tax assessor's office.

Also adopted during the course of the evening were two similar ordinances pertaining to the settling of fines.

The first ordinance amends penalty clauses in legislation formerly passed by the mayor-council type of government. A fine of \$200 or 0 days in jail accompanied the various property violations.

Penalty number two is the same in fine but involves violators of the Belleville sanitary code.

Top Place Floats Over To Biancardi

Taking first place in the "Best In Floats" contest of the recent Veterans Day Parade held along Washington Avenue here in Belleville was that of Assemblyman Joseph G. Biancardi.

Nominated to the number

two position was the Kiwanis Club of Belleville. Winning their places as number three and four were the Unico Club and the Barbone Mosco Post 7, both of Belleville.

Gaining top place in the "Best In Drum and Bugle Corps" contest were the Stardusters of Pompton Plains. Runners up were: second place Muchacos of Hawthorne; third Blue Rocks of Wilmington, Delaware and in fourth place were the Woodsiders of Newark.

To Go On Duty Tomorrow —

Two Local Boys Sworn-In As New Police Officers

Belleville has two new police officers effective tomorrow, December 1.

The new men James H. Pindar, 24, of 215 Franklin Avenue, and Fred M. Puleo, 23, of 30 Fairway Avenue will go on duty as patrolmen and attend school in January.

The school the men will attend is run by the Essex County Chiefs of Police Association in cooperation with the Federal Bureau of Investigation and supervised by the New Jersey State Training Commission.

For eleven weeks they will have intensified training in all phases of police work including self defense, weapons care, first-aid, criminal law, etcetera.

Pindar, the son of Belleville Detective James C. Pindar, was born in Montclair, attended School Number 10, Belleville High School, and Bloomfield Technical School before entering the Marine Corps in October 1960. There he was trained in Amphibious Reconnaissance and attended Sea School. He was stationed in Cuba for three months during the crisis there in 1962.

After leaving the service, Pindar worked for Gerber Metal Supply of Newark until the present time.

Fred Puleo was born in Belleville, graduated from

number 10, Belleville High School, worked as a clerk for ITT, Nutley, for five years, and coached the Rotary Club's

Little League Baseball Team.

Puleo joined the National Guard in 1965 as a reserve and has three and one-half

years left before discharge.

Both men are single and presently residing with their families.

NEW POLICE OFFICERS — Mayor Kenneth Smith and Town Clerk Eugene Barnett were proud to swear in two

new police officers last Wednesday morning at a small town hall ceremony. The men, James H. Pindar and Fred

Puleo are life-long Belleville residents. At left is Pindar's father, James C. a Belleville Detective.

MEDITERRANEAN CRUISE
— Richard Donatiello, after being inducted into the Marine Corps, joined the seventh fleet for several months. This photo was taken aboard his ship on April 17, 1967.

'Take Care of Mom and Cookie for Me, I Won't be Writing for 20 Days or More

Richard Donatiello wrote home regularly from where he was stationed. In a letter to his older brother Anthony he talked of how things were going to be in the next several weeks since his company was going into combat. He also speaks of his brother's birth-

day which had just occurred and of his girlfriend "Cookie" with whom he had gone steady for three years. The date on this, his last letter home, was November 13, 1967, seven days before he was killed.

Dear Tony:
I don't know how to put this but you know I said I haven't seen any action, well the time has come. It's really going to be a rough one, there's two battalions of N.V.A. (North Vietnamese Army), hard corps out there. Our company is part of the assault and the V.C. have heavy weapons. The operation's name is Navajo you might read about it in the paper.

The only thing that is bad is that there are only four of us who know what's going on out there, the rest of the guys in my squad are new. One good thing, we're all tight which helps a lot.

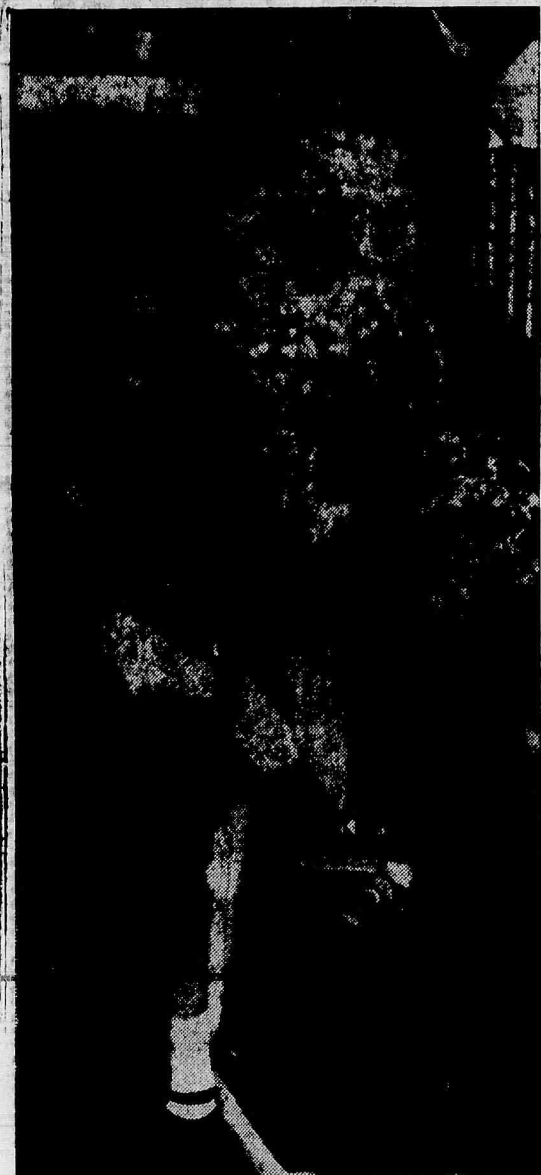

Tony take care of Mom and Cookie for me because I won't be writing for about 20 days or more. If at all possible try to make sure both are alright. They both mean the world to me and that's what keeps me going plus the rest of the family. I ask for all your prayers and pray for my buddies.

Right now we are under strength and it's going to be rough going.

Well I can't think of nothing else to say. I just want to say keep your prayers going for me. Happy birthday and I'll write you as soon as it's over. And again please take care of those women for me.

The letter was signed, "your brother Richie . . . P.S. May God go with you." On the back he had written a short apology. "Excuse my writing as I'm in the bush."

Santa Claus Comes to Town Landing At Clearman Field

SANTA'S ARRIVAL — To the screams of delight from hundreds of excited children, Santa Claus came to Belleville last Friday landing in Clear-

man Field via helicopter. He was met by Little Miss Belleville, Cynthia Corriass and her sister Sandra, 3.

HOLMES STREET PARADE — with Belleville High School Color Guard, Twirlers, and Marching Band leading, Santa

made his way to Town Hall in a green Mustang convertible lent for the occasion by George Mead, Ford Dealer.

THIRD ANNUAL ARRIVAL — for nearly an hour as Santa's Traffic was 'blocked' going cavalcade made their way to south on Washington Avenue

Town Hall and then waited there until Santa gave the signal for the town's Christmas lights to be turned on.

Christmas lights of Belleville to be turned on, but unfortunately nothing happened, not right away anyway. Soon the electrical difficulty was corrected and the lights went on.

HIS SIGNAL DIDN'T WORK — After arriving at Town Hall and greeting Mayor Ken Smith, Commissioners Sena-

tores, and Cullen, and Chamber of Commerce Executive Director, Harry R. French, Santa gave the signal for the

new police officers last Wednesday morning at a small town hall ceremony. The men, James H. Pindar and Fred

Puleo are life-long Belleville residents. At left is Pindar's father, James C. a Belleville Detective.

Radio Broadcast Scheduled For Elks Belleville Benefit

A 90 minute live broadcast, starring radio personality Jack Bilby and a showcase of talent, will be presented at the Elks Home December 10 as part of the club's Christmas party and dance.

The show, sponsored by the Ken Smith Association, will be given for the benefit of Kearny Boytown. It will start at 4:40 p.m. and will be carried over station WFUV-FM (90.7 on the dial) in New York.

Featured in the program will be Joe Villani, recording and television artist; Billy Bell, country and western singer; the Swingin' County Cousins; the Merryman orchestra, and Regina Carroll, singing accordionist. Many other entertainers and surprise guests are slated to appear.

The occasion reunites Jack Bilby with the Mary Star duo who were a part of the weekly live "Talent Showcase" radio programs which originated

from Nutley for three consecutive years.

Tickets to the party, which begins at 2 p.m. and broadcast can still be purchased from any member of the Elks entertainment committee, chaired by John Bass.

Kidde Enlarges Income And Sales

For the nine-month period ended September 30, 1967, Walter Kidde & Company, Inc., reported net income of \$9,472,000, or \$2.14 per common share, on sales of \$271,540,000. This compares with net income of \$4,123,000, or \$1.63 per common share, adjusted for stock dividends, on sales of \$126,051,000 reported for the comparable period a year ago. Earnings before taxes were \$17,895,000 for the 1967 period, compared with \$6,988,000 for the prior year period. It was the 15th consecutive quarter that Kidde's net income and return on sales increased over the prior year's comparable period, Fred R. Sullivan, chairman and chief executive, told the New York Society of Security Analysts October 27. It was also the 15th consecutive quarter that

earnings per common share increased more than 30 percent over the prior year period, he said.

The reported financial figures do not include the operations of companies whose acquisition by Kidde is pending. These include Grove Manufacturing Company, Lithonia Lighting, Inc. and Harrington & Richardson, Inc.

Assuming full conversion of Kidde's preference shares, Sullivan said, Kidde's earnings per common share for the 1967 period would have been \$1.69, approximately 21 percent less than actual.

Kidde Manufacturers security and protection equipment; industrial and technological equipment, and commercial and consumer products. Headquartered in Belleville, New Jersey, the company has more than 70 plants in 20 states in six foreign countries.

Four Minor Fires Cause Little Worry

There were four minor fires in Belleville for the week ending November 23.

Shortly after 11 a.m., November 17, the Fire Department received a phone alert that a garage at 189 William Street was afire. The fire was put out with the pumper truck.

On November 18 at 2:04 p.m., a phone alert was received by the department that there was a fire in a vacant lot at 63 Washington Avenue. Firemen discovered a mattress on fire and extinguished it with the

pumper truck. At 6 that evening a false alarm was sent in at the firebox at Bridge and William Streets. And an hour later, firemen responded to a phone alert and extinguished a smoldering incinerator.

Burning leaves were put out at Holmes and Union Avenue when the department received an alarm from a fire box there at 1:30 last Thursday.

The trouble with many American homes is that they have no "head of the house" and no "wife of the house."

Peoples Bank Taps S. Aitken Director

B. Thomas Aitken, Chairman of the Board of Peoples National Bank and Trust Company of Belleville, announced the appointment of S. Thomas Aitken as Vice President and Director of the bank, last week.

Aitken, previously assistant cashier with the First National City Bank of New York, for five years, was involved in corporate lending and new business development in the New England area.

A graduate of Montclair Academy, Aitken received his AB degree from Hamilton College, Clinton, New York, in

S. THOMAS AITKEN

1960 and a Masters degree from the Amos Tuck School of Business Administration, Dartmouth College, in 1962.

Currently serving in the Army Reserve, Aitken was on active duty from June to December, 1962. He is a member of the Montclair Golf Club and presently makes his residence in South Orange, New Jersey.

New Crisis in Saigon

As some experts feared when General Nguyen Van Thieu assumed the top spot on the military ticket in the recent election campaign, Buddhist resentment is producing another serious Saigon crisis.

The recent rejection of Buddhist demands by Thieu helped fan the flames. Actually, Thieu had valid reasons for turning down the militant demands but the unlucky political fact is that he is of a minority religion (Catholic) in a country predominately and traditionally Buddhist. Thus his action is subject to an emotional reaction which would be avoided if there was a Buddhist head of state.

Communist propagandists make much of the Vietnamese people's resentment against a hundred years of French colonialism, a period in which

the French drained the country economically, imposed the French language and French religion to an extent, on the Vietnamese.

It will be recalled that former dictator Diem, finally assassinated, was also a converted Westerner in the eyes of many Vietnamese. Under his reign Buddhists began to agitate and Communists registered major gains. The same ingredients are now mixing, to an extent, in the Vietnamese dilemma.

Without support from the people, the newly-elected Vietnamese Government has little hope to control the countryside, so necessary to stability in Vietnam. The rising tide of emotional resentment against the head of state constitutes another obstacle in the path of the U.S. cause and that of democracy in Vietnam.

Shop Early for Best Choices

Every year about this time housewives and all those who must do Christmas shopping are faced with the problem of buying innumerable presents for family and friends.

Usually, the greater part of this Christmas shopping is concentrated in the final two weeks before Christmas, at which time there is what might be described as general bedlam in the larger stores in most of the cities.

Even in the smaller communities, the choice of goods is much better

early in December than it is later in the month. Moreover, one gets better service, in addition to his better selection, and can save time and trouble in shopping.

We would then suggest that local housewives do their Christmas shopping this week and next and not wait until the days immediately before Christmas. We also suggest that, where possible, shoppers buy at home — for the dollar you spend at home may come back to you.

December: A Month of Holidays

Hail To December! say they all.
It Gave To Earth Our Christ,
the Lord!

—J. K. Hoyt.

December, the last month of 1967 comes with happy anticipations of Christmas homecomings, holidays, which include New Year's Eve, and the wonders and tangle of winter celebration. The children's wondrous world of Santa Claus, and — more important than anything else — observance of the anniversary of the birth of Jesus arrive in December.

Who can forget his Christmas memories? Who does not feel just a little nostalgia at the end of the year?

Other months are more historic for

the United States than December, even though the Japanese attacked us on December 7th, 1941. And the Boston Tea Party took place on December 16th, 1773 — when sixty men disguised as Indians threw a shipload of tea overboard in protest against taxes on the tea.

On December 17, 1903, the Wright Brothers first flew successfully a heavier than air machine. Woodrow Wilson was born at Staunton, Virginia, on December 28th, 1856. And Martin Van Buren was born at Kinderhook, N.Y., on December 5th, 1782.

George Washington died on December 24th in 1799. His doctors bled him several times, according to the custom of the day, and probably killed him.

The Winter Weather is Previewed

The Farmer's Almanac, which tells us about the weather in advance and which has been in existence since the early days of the country, holds out hope for all those sorry to see the warm weather ending.

Abe Weatherwise, who forecasts the year's weather at one writing in the almanac, says that despite heavy snows in January spring next year will come early and be sunny. Thus both those who want good snow and skiing conditions and those who want an early spring have something to hope for.

How accurate can long-term weather forecasts be? The experts sometimes disagree. Some disparage such predictions. Others, including farmers, depend upon them to an extent.

Who can forget those calendars which had each day marked in color and symbol for the expected weather? What youngster has not longed for snow on the day the calendar forecast it would come? Of course, the predictions are not always right (nor is the Weather Bureau). That isn't the point; they're interesting, because the weather affects all of us.

Licensing Garages

In several sections of the country proposals are being made that states initiate programs to license garages. These proposals have often followed investigations which turned up many cases of incompetence, over-charging and fraud.

Many years ago the magazine **Readers Digest**, if memory serves correctly, created something of a sensation by sending out an expert mechanic, dressed as a tourist, to test the honesty of garages at random. He would deliberately disconnect something in the engine or effect some minor malfunction — simple to be repaired — and proceed to a garage and ask for service.

The dishonesty he encountered was alarming. In many instances mechanics told tales of serious or ex-

pensive engine trouble and he paid the bills rendered.

It is a well known fact that women especially are susceptible to over-charging, since they usually know little about engines. They can easily be "taken to the cleaners" by unscrupulous garages.

Something is obviously needed to protect the consumer from fraud in the automobile repair business; yet action should not be hasty for new-car dealers often report their service departments running in the red. Whether licensing of garages is the answer is debatable.

What is fairly obvious, however, is the need for some form of regular spot-checking by authorized experts — working for the state, the automotive industry, or for the public perhaps — to protect the driver from unfair and fraudulent charges.

Seema Only Yesterday

ONE YEAR AGO

Jeff Carlson, son of Arthur Carlson of Belleville was initiated into the Brotherhood of Kappa Sigma Fraternity.

Eugene Barnett, chairman of the Belleville district of the American Red Cross, announced that four delegates from Belleville would attend the 13th annual Delaware-New Jersey Conference.

The recreation department announced for the second time that it was planning a gym course for all interested men. Only three interested parties responded to the previous announcement.

TEN YEARS AGO

In a brief letter to his choice for the position, Mayor Padula, director of revenue and finance, notified his secretary, Mrs. Mary B. Anderson, that she was to be town clerk.

Miss Arlene Eichorn, daughter of Mr. and Mrs. W. Eichorn of Dewitt Avenue, Belleville, returned from a two-week vacation at Miami Beach, Florida.

Miss May Casler of Belleville, was released from West Orange Hospital following an operation on her foot for a removal of a .22 caliber bullet.

Miss Casler was shot in the foot while walking to her home on Williams Street. Miss Casler was unaware of her injury until it became painful and she contacted her physician the following day. An X-ray revealed the bullet.

20 YEARS AGO

Victory H. Cook, son of Mr. and Mrs. Henry Cook of 145 Main Street, was made personnel sergeant in Heidelberg, Germany. Sgt. Cook attended Belleville High and was employed by the Lloyd Engineering Co., Belleville, prior to his enlistment in the Army.

Four ordinances were up for approval on a second and third reading. One, introduced by Public Safety Director Noll, was aimed at curbing loitering. Two were for public improvements, the other was for water mains in the streets of

the garden apartment project on Belleville Avenue.

Harry F. Ness of 20 Elena Place was appointed Chairman of camping and activities for the Belleville District of the Robert Treat Council. An experienced outdoorsman Ness was well qualified for the post.

25 YEARS AGO

The musical department of the Woman's Club, under the Chairmanship of Mrs. Lloyd C. Nunn was sponsoring a collection of instruments to be made available to the Navy for transport and combat ships.

A surprise 25 minute daylight air raid test failed to catch the town off guard. Defense Coordinator, Harry J. Sullivan, checking the coverage of posts after the test, commented that it was very successful. He was particularly pleased with the reaction of the public in most cases.

Members of the Belleville Rotary Club joined with the Nutley Rotarians in celebrating the Rotary Groups 20th anniversary at a dinner held at the Yountakah Country Club. The local organization sponsored the Nutley club when it was formed.

35 YEARS AGO

The drama department of the Women's Club met at the home of Mrs. H. N. Cummings. Mrs. J. Perry Brown and Mrs. R. M. Beck reviewed plays they had seen during the month.

Belleville couples who were guests at a bridge party given by Mrs. Floyd Slager at her home in Nutley were: Mr. and Mrs. Arthur Ackerman; Mr. and Mrs. Charles Compton; Mr. and Mrs. Malcolm L. Budd; Mr. and Mrs. Jesse Saul and Mr. and Mrs. George Davis.

45 YEARS AGO

The G.G. Whist Club met at the home of Mrs. William Sheehan on John Street. High scores were made by Mrs. N. Shelly, Mrs. J. McCoy, Mrs. Thomas Hood, Mrs. F. Glennon, Mrs. H. Donnelly and Mrs. W. Otter.

Politicians Are To Blame For Rioting in Newark

To The Editor,

The Belleville Times:
It is unbelievable but true that we have witnessed the most violent rioting, looting, corruption, murder and destruction of property this state has ever known.

It all began under a Democratic administration which refused to bend and recognize the will of the People.

The city of Newark with a tremendous political payroll has sunk to the bottom of the list in this state. Their high tax rate is way out of line and with new projects being built by the county and state that produces no revenue and the loss of millions in ratables it will go higher.

All individuals have rights, that is the most important issue.

The boiling point was reached and the crisis broke loose with a bang.

A grant of nearly two million dollars to the city of Newark to improve conditions went unused and was returned to the Federal government.

The attempted political appointment of a white man to a high position in the school system over a highly qualified Negro brought about a storm of protest.

The new medical school which the People do not want in their area should be built in the Newark meadows, since it will presently displace 2,500 families, also came in for its share of criticism.

Many Negroes do not agree with the actions taken by some Black Power groups. They remember they are much better off today than they ever were. Slavery was a large market for over 1,000 years. They came to this part of the world during the sixteenth century on a boat in chains and sold as slaves.

It was a white man, the greatest president of the United States, Abe Lincoln, a Republican, who set them free.

These demonstrations in many parts of the country are not the answer to these problems. The trouble spots such as those in Newark which appear to be of a political nature must be reviewed by both sides in a peaceful atmosphere and corrected. To continue these harmful demonstrations would be tragic, morso to the Negroes, who have come a long way. They have too much to lose. In the end law and order will prevail, not the law of the jungle.

Claims made by some leaders in the Black Power groups who would destroy their own people that they built this nation are not true and should not be stated at a time when we should all be united because of the Vietnam conflict.

Many Negroes worked on the plantations picking cotton in the South until the invention of the cotton mill and had nothing to do with the North. It was the pioneers in the hectic days of the Wild West and our forefathers who fought for a principle at the cost of many lives who made this nation great.

If the mayor of Newark cannot come up with the right solution to these problems his political career will come to an end. Let's hope our representatives both in Washington and in their own cities would represent the People and not just the districts, counties and states. This is no time to play politics, which I believe is responsible for the uprising.

Belleville Board Debates School Trip

During the regular monthly meeting of the Belleville Board of Education Monday evening, contracts were awarded, resignations as well as appointments were accepted and the proper insurance coverage for the town's school children became the main topic of discussion.

Before the meeting got underway two citizens present in the audience expressed their personal concern about mat-

ters not scheduled to be heard. Decries Bus Delays William Frank of 199 Adelaide Street mentioned to the board that the school bus which transports students from School 2 to the Junior High School has been late on numerous occasions and early on others. He said that during the Thanksgiving week the bus was twenty-five minutes late. Frank added that the bus would arrive earlier than ex-

pected on certain days wait a few minutes and immediately drive off, leaving whatever children were then approaching no alternative but to be transported to school by either their parents (causing them to be late to work) or by taxicab. Frank further mentioned to the board that if the situation continues they should get in touch with the bus company and ask for a rebate. The board said they would look into the matter.

Adult Classes
Also present in the audience was Carmen Petti of 30 Lincoln Terrace who questioned the board as to when the Adult Evening School will once again be initiated within the community.

Answering Petti was Board President Rocco Saletta who said that the board is presently considering the possibilities of bringing the program back to the townspeople, but that it is the citizens of Belleville who should inform the school board as to what subjects should be given.

Insurance For Children
Continuing with the regular meeting, a resolution was then passed which approved an overnight camping trip to Stokes State Forest by the children and staff of the Garden School (approximately 25 children, five teachers and five volunteer student aides) on May 27-29, 1968 at a cost of \$420. Added into this same resolution was authorization for the board to forward a \$100 check to Lou Briegel, director of camp services, YM-YWCA of Newark to cover the necessary deposit.

Certification Granted
Also appointed as permanent, certified or county teachers were: Mrs. Darlene J. Canon of 161 Birchwood Drive; Mrs. Anne T. Carney, 411 Elm Street, Kearny; Mrs. Dorothy E. Litwin, 155 Cedar Lane, Maplewood; permanent certificate: Miss Ann J. Morrison, 64 Bremont Street; Walter F. Rhodes, 98 Oakland Street, Maplewood; Robert E. Schanck, 376 Prospect Street, East Orange; Carl A. Tomasello, 375 Lincoln Avenue, Rutherford; Mrs. Andrea C. Wood, 164 North 12th Street, Newark; permanent secondary certificate: Gregory D. Fahey, 368 Mt. Prospect Avenue, Newark; Alan D. Lemberger, 580 Washington Avenue; Robert J. Pugh, 287 Division Avenue; Mrs. Daron H. Zenack, 247 Belleville Avenue, Bloomfield and Miss Lois A. Gruhn, 15 Van Ryeper Place.

Two coaches, Paul Szm and Anthony Simos were appointed. Szm as head basketball coach at a non-contractual salary of \$900 and Simos as assistant coach of wrestling at a non-contractual salary of \$250.

Appointed to become supervisor of the girls' junior high school intramural program for the 1967-68 school year at the non-contractual salary of \$200 was Mrs. Dorothy Traver.

Reimbursement for Convention
The board authorized the business superintendent to reimburse Mrs. Arlen Cusick for attending the New Jersey Education Association Convention in Atlantic City. She attended the convention for the purpose of addressing a panel on health education.

Bond anticipation note number six in the amount of \$39,500.00 with interest from December 1, 1967, for construction on school two will be paid to the Peoples National Bank and Trust Company, six months from the above date.

Upon recommendation and certification of architects Wiedersum Associates, the board

approved payment to the Rieff Construction Company Inc., in the amount of \$24,705.00, for partial payment of the general construction contract for the school two addition.

Fire Alarms Installed
Upon recommendation of the engineers Bickford and Spaeth Associates the board awarded a contract to Fire Signals Inc., of East Orange in accordance with its bid dated October 18 for the installation of Waller Kidde Pneumatic Type Fire Alarm and Fire Detection Systems at Schools one, three, four, five, seven, eight, nine and ten, the junior high school and the senior high school for the total amount of \$97,400.00. The above work is to be performed in accordance with the specifications prepared by Bickford and Spaeth Associates.

WARM CONGRATULATIONS

Just before summer's end, Bob Keifer and his wife Pat and two young ones moved down to Pemberton Township. Now we offer him our warmest congratulations at hearing he has just completed his police academy training at the Ocean County Police Academy and is now a patrolman for Pemberton Township.

Ray Cozzarelli of our town was on hand to see his long-time friend graduate. And well

in the top of his class to boot. Bob was a graduate of Belleville High and worked at Eastwood Nealley before moving. Once again best wishes from us all and don't forget to visit us soon, Bob!

MEDAL WINNER

Jim Graham Jr. is only eight years old and already he has spent two years as a student of Scottish Highland Dancing. The Washington Avenue lad now has three awards for his efforts in this field, including two bronze medals and a ribbon. It was a full year of instruction before young Jimmy entered his first competition on Labor Day 1966. Shortly after, he won his first award competing down in Trenton area in the well-known sword dance.

And just this month, Jim took third place in Canadian competition. This took place in Cornwall, Province of Quebec. In between competitions, Jimmy and his fellow students have danced many a benefit

for such groups as the Senior Citizens, Y.M.C.A. and Kessler Institute. He and his group also took part in the recent Kearny Centennial. Meanwhile back in the wings, young brother, John is already keeping up the family's tradition and learning the intricate steps involved in Highland dancing.

DOUBLE CELEBRATION

Anthony and Peter DeSarno of Meacham Street are a couple of years apart and a couple of days apart birthday wise. So this year as usual the boys celebrated their caketime together. Anthony's great love is football and he is proud to be a member of this year's first football team, which up to date has remained undefeated. Happy Birthday to you both.

CONVENTIONAIRES

The Rainbow Convention met last month down in Asbury Park along with its share of delegates from Belleville. Rosemary and Audrey Sheppard, Norma Hoover and Cheryl Moore were among the young ladies from our town taking part in the proceedings.

BIRTHDAY FAMILY

Keith Sheppard, of 84 Malone Avenue turned eight years old recently and brothers and sisters which include Robyn L.A. Billy, Craig, Rosemary and Audrey, made sure that the traditional birthday songs were sung loudly if not entirely on key. Then just a week later, sister Audrey officially became a teenager and this time it was her turn for the serenading. To boot, Audrey got to take an evening out downtown with her mother.

HOME FOR TURKEY

Patrick J. Gazzio and turkey - time will both happily be celebrating the holiday away from base back here in Belleville. It seems like such a short time ago that his folks, Patrick and Pearl Gazzio were on their way to visit Pat, now stationed in Chumet, Illinois. Actually it was a combined trip to see their son and also visit many assorted relatives in Gary, Indiana. It was the first time that either Patrick or Pearl had taken to the air, but now with this past experience so well remembered and so enjoyable, they are more than anxious to take to the airlines again.

JUNIOR CHEERLEADERS

Believe it or not, a ten year old miss was one of the young ladies responsible this year for the Little League football teams having plenty of feminine squealing at each game. Roseann Napolitano along with Janice Orsini, Donna Rotunda and Melinda Pica thought of and then completely developed the idea of cheer leaders for the games played on Sundays over at Belleville Stadium.

Even the mothers got into the act by helping to do the sewing necessary to make the girls' uniforms. Now the girls, over fifty of them can be found almost any day, Saturday included, practicing with all

MRS. EDWARD M. ENGLISH
Former Miss Rose Genitempo

Rose Genitempo Married To Edward M. English

Miss Rose Genitempo, daughter of Mr. and Mrs. John Genitempo of 98 Oakridge Avenue, Nutley was married November 18 to Edward M. English, son of Mr. and Mrs. James P. English of 12 Meacham Street, Belleville.

The ceremony in Holy Family Church, Nutley, was followed by a reception at Robert Treat Hotel, Newark.

Escorted by her father, the bride wore an Empire candlelight silk peau d'ange gown with attached shoulder train. The neckline was trimmed with Alencon lace and crystal beading. Her headpiece was a three tier crystal crown and she carried a bouquet of white orchids and roses.

Miss Marie Genitempo was her sister's maid of honor. Bridesmaids included Mrs. Richard Genitempo, sister-in-law of the bride, Miss Elaine Scarpelli, the bride's cousin, Mrs. Robert Hirschkind and Miss Mary Ann Iannone. Cass English, niece of the groom was flower girl.

The maid of honor was in an olive green crepe gown and the bridesmaids wore lime crepe. They carried green tinted spider mums with white roses and ivy. The flower girl had a headpiece of ivy and mums and carried a basket of the same flowers.

John English was best man for his brother. Ushering were Richard and John Genitempo, the bride's brothers, Lance A. Shaw and Patrick Bovino. Al-

though their youthful vim and vigor so that their special team on Sunday have even more reason than ever to win. Yes, these youngsters are finding out early in life, that behind each guy is the proverbial gal. We're proud of all our youngsters taking part in this worthwhile program.

Junior Woman's Club Plans 'Santa Snack'

Members of the Nutley Junior Woman's Club are currently completing plans for their upcoming 'Snack With Santa'. The affair will be December 2 at the clubhouse, Chestnut Street.

Each child will visit with Santa, receive a gift of a coloring book and have refreshments of cookies and punch. The children will also have a chance to pose with Santa for a colored polaroid picture.

The project of planning the 'Snack With Santa' has been under the direction of Mrs. Anthony Russomanno and her Co-Chairman, Mrs. William Trichei. Also on the committee are Miss Janet Bove, admissions; Mrs. Thomas Chichester, publicity; and Mrs. Ronald Wohlman, refreshments. Two husbands of club members are assisting with the project. Owen Haveron will play Santa and Thomas Chichester will be the photographer.

A workshop to complete the plans for 'Snack With Santa', and to wrap and decorate the favors, was held November 21, at the home of Mrs. Russomanno.

Maguires Celebrate 40th Anniversary

Mr. and Mrs. Charles J. Maguire of Edgar Place celebrated their 40th wedding anniversary November 17 at a surprise party at the Blue Swan Inn, Rochelle Park, hosted by their eight daughters.

Another surprise was the presentation of a cruise to Nassau aboard the Oceanic Liner.

The couple have been residents of Nutley for 30 years and have 15 grandchildren.

Their daughters and sons in law are Mr. and Mrs. Jack Seufert of Nutley, Mr. and Mrs. Robert Ellis of Springfield, Massachusetts, Mr. and Mrs. William Jones of Hawaii, Mr. and Mrs. Robert Kurlander of Nutley, Mr. and Mrs. Roderick McNamara of Bloomfield, Mr. and Mrs. Eugene Morgan of Fairfield, Mr. and Mrs. Robert Basil of Fairfield, Connecticut and Mr. and Mrs. Stanley Marrero of Towata.

Mr. English, an alumnus of Seton Hall University, is in the corporate trust department of Chase Manhattan Bank, New York.

Reading Conference Planned For Fairleigh on Saturday

The Sixth Annual Reading Conference for elementary and secondary school teachers, also for reading teachers, will be held on the Rutherford campus of Fairleigh Dickinson University this Saturday, beginning with registration at 8:15 a.m. Miss Joanna Sullivan is chairman of the program.

'Perceptual and Psychological Factors Affecting Reading Performance' will be the theme of the conference. Following greetings from Dean Byron Lambert of the Rutherford campus, the first speaker of the day will be Dr. William

Martin Jr. of Holt, Rinehart and Winston. His subject will be 'Language Instruction - A Tool and a Trap.'

Emphysema Kills More Men In U.S. Than Lung Cancer

That 'cigarette cough' may be just an annoyance, but could it be the first step on the way to chronic lung disease? Twenty years ago, few of us had heard of emphysema, but many Americans now gasping and struggling for every breath of air have learned about it the hard way.

Emphysema is catching up to heart disease as the major cause of death and disability in this country and kills more American men than does lung cancer. Respiratory crip-

MRS. CARMEN FARAONE
Former Miss Vincenza Risoli

Vincenza Risoli Is Wed In St. Anthony's Church

Miss Vincenza Risoli, daughter of Mr. and Mrs. Joseph P. Risoli of 42 Gerald Street became the bride Sunday of Carmen Faraone, son of Mrs. A. Faraone of Smith Street, Newark.

The Rev. Edward J. Scandone performed the afternoon ceremony in St. Anthony's Church, Belleville. A reception followed at The Manor, West Orange.

Escorted by her father, the bride wore an ivory peau de soie gown fashioned with a jewel neckline, long sleeves,

fitted bodice and A-line skirt applied with Alencon lace and trimmed with seed pearls and crystal beads. A removable circular train was bordered in lace.

A crown of lace held her bouffant veil and she carried a bouquet of ivory roses.

Mrs. Michael Buro of Newark was matron of honor with Mrs. Charles Muccigrosso of Belleville as bridesmaid. The attendants wore persimmon crepe gowns with jewel necklines, fitted bodices and pillbox hats to match.

John Faraone of Cranford served his brother as best man. Alberto DePeri ushered.

Mrs. Risoli chose a peach crepe gown with gold accessories. The groom's mother wore a blue street length dress. Corsages were white gardenias.

Mrs. Faraone manages the Baricini Candy Shop in Pennsylvania Station, Newark.

Mr. Faraone is a hairdresser in Maplewood.

The couple are honeymooning in Puerto Rico.

1,000 Scouts Meet At Armory For 'Scoutings in Action' Program

About 1,000 youngsters of the Robert Treat Council, Boy Scouts of America, participated in a "Scouting in Action" program Saturday (November 25) at the Sussex Armory.

(See Picture on Page 9)

The boys, representing about 100 Cub Packs, Boy Scout Troops and Explorer Posts from Belleville, Irvington, and Newark, presented a large variety of exhibits and displays. The subjects include Negro history, space suits, first aid, jewelry making, cooking, and Indian lore.

After each entry was judged five separate times, award certificates were presented. "This is the first time we've had an indoor exhibit on this scale," General Chairman Sheldon Denburg said. "In fact, the last exhibit which included all Robert Treat Council units at one time was back in 1956 and was outdoors."

Siepi Will Return Sunday For Unity Concert Program

Cesare Siepi, world famous bass-baritone will be returning to Montclair to the Unity Institute Concert state on December 3, Sunday afternoon at 3:30 in the Montclair High School Auditorium.

The critics and public are always thrilled by his naturally beautiful voice, his great feeling for the dramatic, and his fine musicianship and taste.

Work, it seems, has a way of getting in the way of recreation.

CYSTOCELE CAN CAUSE PYELONEPHRITIS

Cystocele (pronounced SIS-toe-seal) means that the bladder has sagged somewhat and instead of emptying completely while urinating, some of the urine is retained. This provides an environment in which germs can flourish and the infection moves up into the kidneys. Pyelonephritis, the most common of all kidney troubles, can develop.

Sometimes surgical correction, which is not difficult, is necessary to cure a Cystocele. If you have any constantly recurring problem in that area, you should consult a physician. We stock the antibiotics and anti-infectives usually prescribed for treatment.

YOUR DOCTOR CAN PHONE US when you need a medicine. Pick up your prescription if shopping nearby, or we will deliver promptly without extra charge. A great many people entrust us with their prescriptions. May we compound and dispense yours?

The Sylvania
for people who can't stand television.

KARL'S

The Sylvania SC281W stereo entertainment center. It has a 4-speed stereo phonograph, an AM/FM/FM-Stereo radio, plus facilities for an 8-track stereo tape deck.

In fact, it has just about everything for home entertaining except television. But then, what's entertaining about television?

After all, would you rather have Beethoven and Brahms or bullets and blood?

Of course, everything Sylvania's stereo center has has the best.

For instance, the phonograph has a Dual 1015 professional automatic turntable. Plus a counter-balanced low-mass tone arm. A Pickering V15 magnetic cartridge. And a diamond stylus.

The radio and 100-watt (EIA) amplifier use transistors instead of tubes. Not just because you don't have to wait for transistors to warm up. But because transistors don't heat up like tubes. So they last longer.

The speaker system uses sealed air-suspension speakers. Because sealed air is the only way to permit speaker-cone movement on low bass notes without the usual distortion.

But probably the best thing about Sylvania components is that you can enjoy them even when you're not listening to them.

Because Sylvania didn't bring them together. They put them together in a fine piece of Contemporary furniture.

So even if you can't stand watching television, you'll enjoy looking at this Sylvania.

Newark State Receives Gamma Ray Machine

A gamma ray machine that has been designed for use in high school and college laboratories has been given to the Science Department at Newark State College, Union.

The \$5,000 machine, known as the Gammator - 50, was a gift from its manufacturer, Radiation Machinery Corporation of Parsippany. It was presented to Dr. Herman I. Lepp, chairman of the Science Department, by Eugene T. Sullivan, vice-president of Radiation, at an all-day conference of high school science department chairmen, held recently at the Town and Campus Diner adjoining the college. The conference was sponsored by Radiation and the Science Department.

The Gammator, which is 36 inches high and weighs 1,700 pounds, is a unique new device to bring nuclear radiation safely to school laboratories. Its use will allow schools to keep pace with the rapidly developing field of preservation, bacteria control and medical equipment sterilization.

A grateful Electric Glassheat user says:

**"IT'S A COMFORTABLE HEAT
THAT GLASSHEAT GIVES
Just like SUNSHINE in Spring!"**

"...IT'S HEALTHFUL HEAT, TOO;
WE HAD FEWER COLDS LAST

WINTER and everyone felt fine" she continued. No wonder their health was improved. Electric Glassheat heats without flame, so there are no toxic fumes or vapor to pollute the air. The life-giving oxygen is not burned up and the humidity is kept at the most desirable and healthful level.

Money saving thermostats in every room make it easy to maintain exactly the temperature you want throughout the house. No drafty floors or cold corners, ever. And the rays that warm you are exactly like the rays of the sun. Imagine! Summer sunshine in every room all winter long.

No wonder the Electric Glassheat house is a healthful as well as comfortable home.

**"SO CLEAN! NO SOOT, DUST
OR SMOKE,**

so we save on cleaning bills," says another owner. "In all these years with Electric Glassheat we never needed to dry clean our drapes, or furniture. No need to repaint or even wash walls and ceiling. And our Venetian blinds still look fresh and new. Taking these facts into consideration lowers our cost of heating still more."

**"SAVE MONEY ON
ELECTRIC BILLS, ALSO!"** "We expected Glassheat to be inexpensive to operate but it amazed us by costing even less than estimated. And since we can now take advantage of the special low heating rate we save on our regular current, too. And of course there are no main-

tenance or service charges! still another saving." Another Glassheat owner says, "We added two rooms, but still my heating bill is \$175." Again and again people install Electric Glassheat because of its many outstanding advantages, and then are delighted to discover that this remarkable form of heat is an economy as well.

IT'S SAFE AND SILENT! Electric Glassheat is absolutely fire-safe. Even accidental contact can't cause blistering and there are no fumes or vapor to worry about.

Since there are no moving parts there is no sound. Electric Glassheat is as silent as sunshine, and as pleasant. Saves space, too, for the area usually occupied by radiators, boilers and flues is yours to use as extra living space and a better arrangement of furniture.

WHY PAY MORE FOR LESS?

Sound ideal? It is, as many owners will tell you. If you would like to know how little this luxurious—but economical heat will cost you, send the coupon or call in person.

Elks Are Victorious

Another season of recreation football has come to a thunderous close after a war of hard fought battles.

For the first time in the eleven year history of the League, the Elks have won the Lightweight Championship. They have several times been runners-up but never before have they won all the glory.

Coaches Joe Scapperatto and

Joe Grande are justifiably proud of their team.

Last years champions, the Varsity Club, had to settle for second place, although they lost only to the Elks. The Lions were able to find only two wins, both against the hapless Kiwanis.

In the Heavyweight League the Jolly Cleaners went thru the first round of play without suffering a loss and frankly, looked capable of continuing in the same manner. But the Devons, who had lost only to the Jollys in the first round were picking up power and came off the victors in their second meeting with the Jollys to tie the first position up. With each of these titans winning their last games the League ended in a tie.

Jolly Cleaners were coached by Dick Baker and Mike

It doesn't take an expert to spend money faster than it can be made.

It is always easier to make plans than to make them mature.

Swinarski while the co-champ Devons were coached by Robert Valentino. In spite of their third and fourth place finishes the Airco and the American Legion teams were worthy competitors in every contest they entered. Several of the champs' wins over these teams were very close and the quality of play was extremely high.

3 Belleville Physicians Honored By Blue Cross

Three Belleville physicians who have served continuously as participating physicians with Medical - Surgical Plan of New Jersey (Blue Shield) since the Plan's founding in 1942 were honored by Blue Shield, it was announced by Dr. Nicholas F. Alfano, president.

The honored physicians are: Dr. Anthony R. Caputo of 301 Washington Avenue; Dr. Peter Cordasco of 50 Newark Avenue; and Dr. William Taffet of 413 Union Avenue, Belleville.

Each physician will receive a personalized citation plaque bearing the inscription "In recognition of 25 years, 1942-1967, of outstanding community service as a participating physician in the New Jersey Blue Shield Plan."

Costume Contest Brings Out Halloween's Finest Dressers

Belleville's Recreation Department held two Halloween Costume Contests this year, one at the Municipal Stadium and the other at the Friendly House.

Judging in the contests was done by members of the Belleville Womens Club and of the Evening Department of the Belleville Womens Club. All participants received lolly-pops and the winners received gift certificates.

At the Stadium the judges were Mrs. Robert Davis and Mrs. Peter Spera both of the Evening Department of the Womens Club. Out of all of the beautiful and imaginative costumes the judges first selected eight finalists.

These finalists were: Felix Linfante who came as a Hippie and is 8 years old; Donald Tsouhnikas 7 1/2, as a friend of a Hippie; Denise Guerrero, 9 dressed as a Christmas Tree; Don DiLiberto, 17 months, dressed as a member of the Green Berets; Darcy Petruna, 4 years, as a Raggedy Ann; Lois Catala, 5 1/2 years, also a Raggedy Ann; Claudia Maehr, 4, as an Indian Princess; Chicky Liberti, 2 years, costumed as a Rose complete with leaves, and Eric Westpy, 7, who was a king.

Judges Davis & Spera had to deliberate a long time both in picking the finalists and even longer in selecting the winners. However their final selections were: Felix Linfante of 303 Division Ave., Denise Guer-

raro of 353 Main St., Darcy Petruna of 265 Branch Brook Drive, and Claudia Maehr of 215 Forest St. Recreation Superintendent Robert E. Cook, acting on behalf of Commissioner Wm. H. Cullen presented the winners gift certificates.

At the Friendly House the judges were Womens Club President Mrs. Richard Shafter and members, Mrs. Arthur Mooney, and Mrs. Wm. Oertel, Chairman of the Evening Department of the Womens Club. In their first round they selected the following as finalists, Matthew Pitera, Sherry Nuccigrosso, Rene Guardabacio, Anthony Yezzi, JoAnn Lucas, Michele Tango, Anthony Pidia, Nicki Ann Strumolo, Jan Pitera and Sharon Pidia. All of these costumes were superb and the judges were:

hard put to select winners from among all of them.

After great deliberation the winners were selected. They were: 1 year old Sherry Nuccigrosso who was togged out as a clown, albeit a tiny one; 5 year old JoAnn Lucas who was a little Miss America; 5 year old Michele Tango who was a bride and 8 year old Nicki Ann Strumolo who was a small version of the Jolly Green Giant. Harold Brand performed the award duties on behalf of Commissioner Cullen.

At the friendly house the contest was conducted with a beautiful background of Halloween decorations. The decorations donated by the International Flag Decorators or more specifically, Silvio Potenzione, added to the atmosphere and to the success of the event.

Town To Open Young Boys' 'Court' Clinic

Belleville's Recreation Department is rounding out their extensive basketball program this year, with a Recreation Basketball Clinic.

The Clinic will be conducted at the Belleville Senior High School each Saturday morning starting at 9 a.m., December 2, 1967.

Traditionally the Clinic has been conducted by the Belleville Varsity Coach and this year is no exception. Coach Paul Szem will direct the ten week Clinic and he will be assisted by Danny Grasso who is Junior Varsity Coach.

This policy assures all concerned that our boys will learn their basketball in the manner their future coaches will want.

Although the Basketball Clinic is open to all Belleville boys it is primarily aimed at boys in the sixth, seventh and eighth grades. The Recreation Department makes special mention that, like all Recreation activities the Clinic is open to public and parochial school youngsters alike.

Air Pollution Is Topic Of Atlantic City Session

New Jersey today issued a blueprint for stepping up air pollution control by local governments in the state.

William A. Munroe, chief of the Air Pollution Control Program, of the New Jersey State Department of Health, addressing a session of the 52nd Annual League Conference of the New Jersey League of Municipalities held at Haddon Hall hotel in Atlantic City, announced the department's "Guidelines For Approval of Local Government Ordinances and Applications for Federal Grants for Air Pollution Control."

Munroe heads the air pollution unit of the Division of Clean Air and Water established in the department earlier this year by Dr. Roscoe P. Kandle, State Commissioner of Health. Richard J. Sullivan is director of the Division.

Top High School Grid Players To Get Free Army Tickets

Bellboys Top Campers 19-0, As Papsidero's Passing Pays Off

by JOHN MCCARTHY

The combined hustling effort of Tony Desarno and Mark Bradley along with Joe Papsidero's good passing led the freshmen to a 19-0 victory over Irvington at Belleville Stadium.

Irvington held Belleville to only sixteen yards, early in the first quarter, forcing Ron Muscara to punt on a fourth and eleven situation. An evidently over-anxious Irvington lineman was penalized for roughing the kicker. This gave Belleville a first - and - ten on the Irvington forty-one yard line. On second down after a no-gain play, Anthony Spider Desarno ran a right-end play

and went all the way for the first - Belleville - score. Mark Bradley took the pitchout and went in for the P. A. T.

In the second quarter, on Irvington's first pass play after a blocked Muscara punt, Charley Zeigler intercepted and ran for twenty yards. The Bellboys were forced to give up possession of the ball ten plays later; however, Irvington found that they too could not move the ball, and they punted.

Belleville gained momentum on three first downs, before Jerry DePaul took a pass

from Joe Papsidero, for 23 yards and a touchdown.

After a backfield in motion penalty, which set up third and 24 situation, early in the fourth quarter, "Spider" ran 73 yards made the score 19-0. After Irvington got three first downs, Rich Dellaterza intercepted and galloped 97 yards for what would have been the fourth touchdown. But on the play a pushing penalty was called, nullifying the score. After three incomplete passes the freshman trotted off the field with another victory making their record 4-0-1.

Parental Guidance Is Needed By Teens

Many parents of teenagers are frustrated. They read about the escapades of the younger generation and are at a loss many times as to what their role as parents really is.

The mass media record incidents of drug abuse, sex orgies, rebellious tendencies, demonstrations, and mob action.

The records show that young people are involved in these incidents, but it must be pointed out that not all young people are involved.

To say that all teenagers are delinquent is a fallacy. Parents must be careful not to think of their teenagers in such a negative way.

What should a parent do? He should establish limitations for the teenager. This should not be a boundary to inhibit the activity of a young person, but should be the kind of limitation which designates responsibility on the part of both parent and child.

This limitation offers guidance and direction. Young people really expect this of their parents. Teenagers want freedom, but they also want the assurance of parental interest and guidance.

It is as if the young person is travelling down the road of life's experiences wanting to be left alone but at the same time looking back over his shoulder for direction and guidance.

Skidmore Names Hoffman Head of Teenage March

William Hoffman, 22, of Atlantic City, has been appointed TAP (Teenage Program) chairman of The National Foundation - March of Dimes for the State of New Jersey. James A. Skidmore Jr., State March of Dimes Chairman of the voluntary health organization, announced today.

You can't beat this bromide: "An honest man is the noblest work of God."

Historic Tour Brochure Published By Association

A new folder describing six close-to-home historic auto tours of New Jersey has been published jointly by the NEW Jersey Travel and Resort Association and the State Department of Conservation and Economic Development. It was announced today by Conservation Commissioner Robert A. Roe.

"Many of New Jersey's

most colorful and historic areas are covered in the booklet, which was mapped by the American Petroleum Institute. They range in length from 273 to 290 miles, and practically all of the trips can be completed in a single day. Titles suggest the scenic and historic highlights and give a clue to recreation enroute," Commissioner Roe commented.

BURTON AND LIZ — After being chased through her home, court and barn, Elizabeth Taylor, as shrewish Kate, finds Richard Burton as lusty Petruchio still determined to woo and wed her. This is a scene from the Burton-Zeffirelli production of "The Taming of the Shrew," now playing at the Rivoli Theatre, Lyndhurst.

Tour number one covers a total distance of 176 miles on a circle drive from Morristown and involves a short excursion into New York State. The title, "A ghost town, a rustler's lair, tropical gardens and scenic wilds spice this Hudson Highlands drive."

A simplified route map accompanies each of the tour descriptions which include mileage distances between points of interest. On the Hudson Highlands drive, for example, the descriptive material states: "Nowhere else in the world can you find an extensive wilderness so near — Indians, herps and spies, battlefields and ghost towns, mountain passes and tropical gardens are waiting for you here, just the other side of the Hudson River."

A corner of colorful Bucks County, Pennsylvania, is included in the second New Jersey tour, which covers a distance of 78 miles, starting from New York. Highlights include the Washington's Crossing area along the Delaware River; the five-mile Blue Star Drive lined with dogwood on U. S. 22; the Shakespeare Gardens in Cedarbrook Park, Plainfield; the Wallace House at Somerville where Washington stayed in 1778; the glass and pottery plants at Flemington; the artists' colony at New Hope, Pennsylvania; and the old Delaware Canal, where a sightseeing barge is operated Wednesdays, Saturdays, and Sundays; a log cabin at Doylestown; the Hessian headquarters and the Trenton Battle Monument; Morven, home of New Jersey's Governor at Princeton; and the Princeton Battle Monument; and historic Rutgers University at New Brunswick.

Other tours in the new folder include a 290-mile round trip via the Garden State Parkway and New Jersey Turnpike, visiting Sandy Hook State Park and the Jersey Shore; historic Barnegat Light; the restored colonial industrial village of Batsto; Le-

banon State Forest; Lakehurst, home of the dirigibles; and Allaire State Park.

Molly Pitcher's well, Island Beach State Park, the Clara Barton School at Bordentown, and the one-time residence of Prince Murat, nephew of Joseph Bonaparte, are featured in a 173-mile New Jersey tour starting and ending at Trenton.

Detailed itineraries, maps and distances are included in the folder, which is available without charge from the New Jersey Travel and Resort Association, Atlantic City, or the State Promotion Section, Dept. of Conservation and Economic Development, Trenton.

CALVIN MARSH

C. Marsh To Perform Friday Night

Calvin Marsh who sang for thirteen seasons with the Metropolitan Opera Company will return to Belleville for a musicale at the Montgomery Presbyterian Church, 638 Mill Street (one block east of School 2) on Friday at 8:00 p.m.

Mrs. Calvin Marsh, who was music director of the church for many years and brought outstanding choral programs to our community, will sing with her husband in a program of "Our Religious Heritage in Music." They will be accompanied by Stuart Sachs, a concert pianist in his own right, who has played and composed music for nationwide television of the C.B.S. network.

The program is open to the public. An offering will be received to support this new work.

Public Library Featuring Three Children's Movies

The Children's Department of the Belleville Public Library will continue its monthly Children's Movie Hour with a Christmas program on Saturday, December 16 from 10:30 to 11:30 a.m.

Included on the December Program will be a charming fantasy called "Palle Alone in the World" — about a young boy who dreams he is all alone; and two shorter color movies that will delight and amuse children of all ages. One "The Boiled Egg," is a humorous cartoon about the misadventures of a tipsy and over-confident boiled egg.

while the other "Madeline" concerns the lively adventures of twelve little girls who live in an old house in Paris. In keeping with the Christmas spirit, the program will conclude with Carol-singing. So come one and all to the Belleville Public Library Children's Movie Hour, Saturday, Dec. 16 at 10:30 a.m.

PANTRY PIZZA, THE ONLY GENUINE PIZZERIA ON WASHINGTON AVE., BELLEVILLE, THAT SELLS FROM A SLICE TO A STACK FOR THE BEST IN CATERED PIZZA PARTIES

Anthony Lardiere, owner and chef at The Pantry Pizza, 258 Washington Ave., Belleville (opposite the Junior High School) has become quite famous in the area for his catered pizza parties. Organizations in Belleville and its environs top off their evenings of fun with a stack of his exceptionally fine tasting pizzas. Such groups as the Belleville Kiwanis, Boy Scouts, Girl Scouts, Cerebral Palsy Benefit Bingo, Knights of Columbus, Belleville V.F.W. Cadets, The Elks, Upsala College fraternities and dances of the North Arlington Police and Fire Dept's, have all enjoyed refreshments from The Pantry Pizza's. Many charitable groups in the area also take advantage of Pantry Pizza's "Special Fund Raising Plan". A call to Mr. Lardiere at 759-4339 will give you all the details of this easy way to raise money. Pantry Pizza may not be the fanciest establishment on the outside but Anthony Lardiere does wonders on the inside with his pizza. All the dough and sauce are made by him. He supervises the baking and arranges for the piping hot delivery to homes, factories and offices. A call to Tony at 759-4339 will bring his thin crust specialty to you in just a matter of minutes.

Students Share A Holiday

Thanksgiving came early this year to Belleville High School.

A week before this holiday, Anthony Simos' homeroom, 221, decided to donate food to

the needy citizens of Belleville. Realizing that there was a greater need for more help, the students of 221 asked the rest of the school for help.

The response from the school was really great. With the help of the guidance department, the secretaries, the faculty, and the student body

three turkeys, seven cases of canned goods, and several pies, which were made by the students of Miss Emily Seitz's Home Economic Classes, were collected.

After the food was collected, it was packed in Simos' car so that it would be brought over to the Belleville Welfare

Department. Members of Welfare Department then distributed the food to the needy families.

Principal Raymond O. Smith was very pleased with Belleville High and the fine work it did to make Thanksgiving a happy and blessed holiday for all.

BECK'S COLUMN

By MAX BECK

You hear a lot about AFT or AFC in advertisements on TV and in newspapers for color TV. What does it mean?

To begin with, the advertising agencies build up this feature entirely out of proportion. In fact, outright misleading claims are made. The letters AFT mean Automatic Fine Tuning and AFC means Automatic Frequency Control. The function of both is identical. Here is how it works: You tune the fine tuner of the channel which you want to look at as good as you can get it. Most people can not do this accurately. There is a switch which you activate after that and the set will tune it to exactly the right position automatically. For many people this is a great advantage. Of course, if you are good at it, you can tune the fine tuner just as accurately by hand.

There are several indicators to tune color sets by, used by different manufacturers. One uses 2 black bars which you tune until they overlap. Another one uses a meter and a third one a so-called Magic eye switch to activate the automatic function.

The first factory to use this feature three years ago was Magnavox. They still have the easiest and best arrangement. You tune as best as you can and by letting go of the fine tuner, the automatic takes over. Not the least because of this feature, long before others had it, it catapulted Magnavox into third position nationally.

The advertising claims make it appear that the AFT feature does away with the need for color adjustments. This is absolutely wrong. One still has to correct the color intensity if there is a marked difference between stations. However, if a set is properly set up, this adjustment requires only a mere fraction of an inch on the color control. If a set is not adjusted correctly initially, you fiddle and fuss with the controls and may never get it right. This is where the right service and experienced and knowledgeable technicians come in.

We service what we sell.

Every man should help his wife with the dishes...

... by giving her an automatic dishwasher for Christmas. You get the kiss, and the dishwasher does all the work. You can't ask for a better deal than that. Neither can your wife. At the push of a button, she gets sparkling clean dishes washed and sanitized in extra-hot water, rinsed till they're crystal clear, and dried thoroughly in a flow of super-heated air. No spots, no stains, no lint. No other home appliance saves so much of a busy woman's time. So give your wife the gift of time this Christmas. Give her an automatic dishwasher.

TAX SALE

NOTICE OF SALE OF PROPERTY FOR NON-PAYMENT OF TAXES, ASSESSMENTS AND OTHER MUNICIPAL LIENS.

PUBLIC NOTICE IS HEREBY GIVEN that the undersigned, Collector of Taxes of the Town of Belleville, in the County of Essex, will sell at public auction in the County of Essex, in the Town of Belleville, on Monday, December 11, 1967, at 10:00 A. M. the following described lands:

Said lands will be sold to make the amount of municipal liens chargeable against the same on the first day of July 1967, as computed in the following list together with interest on said amount from the first day of July to the date of sale and costs of sale.

Said lands will be sold in fee to such persons as will purchase the same subject to redemption at the lowest rate of interest, but in no case in excess of eight per centum per annum. The payment for the sale shall be made before the conclusion of the sale or the property shall be resold.

Any parcel of real property for which there shall be no other purchaser will be struck off and sold to the Town of Belleville in fee for redemption at eight per centum, and the municipality shall have the same remedies and rights as other purchasers, including the right to bar or foreclose the right to redemption.

The sale is made under the provision of an act of the Legislature entitled, "An Act concerning unpaid taxes, assessments and other municipal charges on real property and providing for the collection thereof by the creation and enforcement of liens thereon." (R.S. 54:5-1 to 54:5-11).

At any time before the sale the undersigned will receive payment of the amount due on any property, with the interest and costs incurred up to the time of payment.

The said lands so subject to sale are described in accordance with the tax duplicate including the name of the owner as shown on the last tax duplicate and the aggregate of taxes and assessments which were a lien thereon on the first day of July 1967, exclusive, however, of the lien for taxes for the year 1967, as is stated below:

Given under my hand this fourteenth day of November 1967.

TOWN ORDINANCE

PUBLIC NOTICE is hereby given that the following Ordinance was passed on the second and final reading at a meeting of the Board of Commissioners of the Town of Belleville, held on Monday evening, November 27, 1967, having been read in its final form at least one week prior thereto and is therefore now a law and hereby published according to law.

STATEMENT

The ordinance published herewith has been finally passed and the twenty day period of limitation within which a suit, action or proceeding questioning the validity of such ordinance can be commenced as provided in the Local Bond Act, has begun to run from the date of the first publication of this statement.

EUGENE G. BARNETT
Town Clerk

AN ORDINANCE TO AUTHORIZE AN ADDITIONAL APPROPRIATION OF \$15,000 FOR THE RECONSTRUCTION OF THE TOWN HALL OF THE TOWN OF BELLEVILLE, IN THE COUNTY OF ESSEX, TO MAKE A DOWN PAYMENT AND TO AUTHORIZE THE ISSUANCE OF BONDS TO FINANCE SUCH ADDITIONAL APPROPRIATION AND TO PROVIDE FOR THE ISSUANCE OF BOND ANTICIPATION NOTES IN ANTICIPATION OF SUCH BONDS.

WHEREAS, the Board of Commissioners of the Town of Belleville, in the County of Essex, by ordinance entitled, "An ordinance to authorize the reconstruction of the Town Hall of the Town of Belleville, in the County of Essex, to appropriate the sum of \$35,000 to the payment of the cost thereof, to make a down payment and to authorize the issuance of bonds to finance such appropriation and to provide for the issuance of bond anticipation notes in anticipation of such bonds," adopted by said Board of Commissioners on August 14, 1967, appropriated \$35,000 in the cost of substantially reconstructing the Town Hall of the Town of Belleville and said Board of Commissioners now determines that an additional \$15,000 is needed to complete said improvement; NOW, THEREFORE:

The Board of Commissioners of the Town of Belleville, in the County of Essex, DO ORDAIN as follows:

Section 1. \$15,000, in addition to the \$35,000 appropriated by said ordinance, is hereby appropriated to the cost of the reconstruction of the Town Hall of the Town of Belleville, in the County of Essex, and within the limitations prescribed by said law. All matters with respect to said bonds shall be determined by regulations to be hereafter adopted. In the event that bonds are issued pursuant to this ordinance, the

cost of said improvement shall be assessed against property especially benefited.

Section 2. It is hereby determined and stated that (1) the making of such improvement, hereinafter referred to as "purpose," is not a current expense of said Town and (2) it is necessary to finance said purpose by the issuance of bonds pursuant to the Local Bond Law of New Jersey, and (3) the estimated cost of said purpose is \$50,000 and (4) \$2,500 of said sum is to be provided by the down payment to finance said purpose, \$750 of which is hereinafter appropriated and \$1,750 of which was appropriated by said ordinance, and (5) the estimated maximum amount of bonds of such purpose to be issued for said purpose is \$47,500 including the \$14,250 of bonds and notes heretofore authorized and the \$33,250 bonds and notes authorized by said ordinance, and (6) the cost of such purpose, as hereinafter stated, includes the aggregate amount of \$4,500 (including the \$3,000 mentioned in said ordinance) which is estimated to be necessary to finance the cost of such purpose, including architect's fees, accounting, engineering and inspection costs, legal expenses and other expenses, including interest on such obligations to the extent permitted by Section 40A:2-20 of the Local Bond Law.

Section 3. It is hereby determined and stated that monies exceeding \$750, appropriated for down payments on capital improvements or for the capital improvement fund in budgets heretofore adopted for said Town are now available to finance said purpose. The sum of \$750 is hereby appropriated from such monies to the payment of the cost of said purpose.

Section 4. To finance said purpose, bonds of said Town of an aggregate principal amount not exceeding \$14,250 are hereby authorized to be issued pursuant to said Local Bond Law. Said bonds shall bear interest at a rate shall not exceed six per centum (6%) per annum. All matters with respect to said bonds shall be determined by regulations to be hereafter adopted.

Section 5. To finance said purpose, bond anticipation notes of said Town of an aggregate principal amount not exceeding \$14,250 are hereby authorized to be issued pursuant to said Local Bond Law in anticipation of the issuance of said bonds. Said notes shall bear interest at a rate shall not exceed six per centum (6%) per annum, and may be renewed from time to time, pursuant to and within the limitations prescribed by said law. All matters with respect to said notes shall be determined by regulations to be hereafter adopted. In the event that bonds are issued pursuant to this ordinance, the

cost of said improvement shall be assessed against property especially benefited.

Section 2. It is hereby determined and stated that (1) the making of such improvement, hereinafter referred to as "purpose," is not a current expense of said Town and (2) it is necessary to finance said purpose by the issuance of bonds pursuant to the Local Bond Law of New Jersey, and (3) the estimated cost of said purpose is \$50,000 and (4) \$2,500 of said sum is to be provided by the down payment to finance said purpose, \$750 of which is hereinafter appropriated and \$1,750 of which was appropriated by said ordinance, and (5) the estimated maximum amount of bonds of such purpose to be issued for said purpose is \$47,500 including the \$14,250 of bonds and notes heretofore authorized and the \$33,250 bonds and notes authorized by said ordinance, and (6) the cost of such purpose, as hereinafter stated, includes the aggregate amount of \$4,500 (including the \$3,000 mentioned in said ordinance) which is estimated to be necessary to finance the cost of such purpose, including architect's fees, accounting, engineering and inspection costs, legal expenses and other expenses, including interest on such obligations to the extent permitted by Section 40A:2-20 of the Local Bond Law.

Section 3. It is hereby determined and stated that monies exceeding \$750, appropriated for down payments on capital improvements or for the capital improvement fund in budgets heretofore adopted for said Town are now available to finance said purpose. The sum of \$750 is hereby appropriated from such monies to the payment of the cost of said purpose.

Section 4. To finance said purpose, bonds of said Town of an aggregate principal amount not exceeding \$14,250 are hereby authorized to be issued pursuant to said Local Bond Law. Said bonds shall bear interest at a rate shall not exceed six per centum (6%) per annum. All matters with respect to said bonds shall be determined by regulations to be hereafter adopted.

Section 5. To finance said purpose, bond anticipation notes of said Town of an aggregate principal amount not exceeding \$14,250 are hereby authorized to be issued pursuant to said Local Bond Law in anticipation of the issuance of said bonds. Said notes shall bear interest at a rate shall not exceed six per centum (6%) per annum, and may be renewed from time to time, pursuant to and within the limitations prescribed by said law. All matters with respect to said notes shall be determined by regulations to be hereafter adopted. In the event that bonds are issued pursuant to this ordinance, the

cost of said improvement shall be assessed against property especially benefited.

Section 2. It is hereby determined and stated that (1) the making of such improvement, hereinafter referred to as "purpose," is not a current expense of said Town and (2) it is necessary to finance said purpose by the issuance of bonds pursuant to the Local Bond Law of New Jersey, and (3) the estimated cost of said purpose is \$50,000 and (4) \$2,500 of said sum is to be provided by the down payment to finance said purpose, \$750 of which is hereinafter appropriated and \$1,750 of which was appropriated by said ordinance, and (5) the estimated maximum amount of bonds of such purpose to be issued for said purpose is \$47,500 including the \$14,250 of bonds and notes heretofore authorized and the \$33,250 bonds and notes authorized by said ordinance, and (6) the cost of such purpose, as hereinafter stated, includes the aggregate amount of \$4,500 (including the \$3,000 mentioned in said ordinance) which is estimated to be necessary to finance the cost of such purpose, including architect's fees, accounting, engineering and inspection costs, legal expenses and other expenses, including interest on such obligations to the extent permitted by Section 40A:2-20 of the Local Bond Law.

Section 3. It is hereby determined and stated that monies exceeding \$750, appropriated for down payments on capital improvements or for the capital improvement fund in budgets heretofore adopted for said Town are now available to finance said purpose. The Clarion Review Course, directed by A. J. Pantazes, a member of the mathematics department at Columbia High School, Maplewood, is accepting registrations from high school juniors who are planning to take the College Board Examinations in March or May.

The purpose of the Clarion Review Course, which holds its classes in Orange, is solely to assist students in achieving their maximum potential score on the College Boards. Some students do not attain their maximum for a variety of reasons: they are not familiar with the type of test given; they become very tense or they are just not adept at taking tests.

Benucci Urges Mailing Care

Postmaster Joseph J. Benucci today urged all mailers in the Newark Postal District to be sure to use the correct addresses on their letters and packages going overseas.

"One of the biggest problems has been the failure of persons to include the very important 5 digit APO or FPO number in the military address."

Mail that does not contain this number is incorrectly addressed and runs the risks of delayed delivery, said Benucci, "every precaution should be taken by friends and relatives of servicemen to address their letters and packages properly to assure delivery to its intended destination."

The Postmaster gave these four tips essential to an overseas military address: Serviceman's name, serial number, and grade-Branch or unit in full, and APO or FPO, a five digit number.

Miss Zak's fourth grade has been very busy learning how to square dance. Miss Zak has become a real handclapper!

E. J. Kane Appointed Personnel Director

The appointment of Edward J. Kane of Nutley to the newly created position of director of personnel and counseling for Indianapolis-based Sams

Technical Institute, Inc., has been announced by William D. Renner, vice-president and director. Kane assumed his duties November 1, 1967. STI is a subsidiary of Howard W. Sams & Co., Inc., Indianapolis.

Kane, previously manager, employee relations, for ITT Federal Laboratories at Paramus, has been with the International Telephone and Telegraph Corporation since 1942.

In his new position, he will be responsible for manpower planning, development, recruiting, and implementation of STI long-range objectives.

Kane recently attended an ITT Personnel Conference at Buck Hill Falls, Pa., with Frank J. Wallace, director of personnel for Howard W. Sams & Co., Inc.

He is married and the father of five children, and presently lives at 24 Orchard Street.

8 Factual Reasons why Magnavox Color TV is your best buy:

1. **Just turn your set on!** Revolutionary **Instant Automatic Color**—perfected and introduced by Magnavox in 1964—fine tunes itself automatically! This most important advance in Color TV gives you a perfectly tuned picture that stays precise—on every channel, every time!
2. **Magnavox Brilliant Color**—brings you brighter, more vivid and far more natural color pictures than most other makes today.
3. **Magnavox Quick-On**—lets pictures flash-on four times faster; eliminates the annoying waiting period during "warm-up" in ordinary makes.
4. **Exclusive Chromatone**—adds richer colors plus thrilling depth and beauty to color; eye-pleasing warmth to black and white pictures.
5. **Automatic Color Purifier**—lets you move your Magnavox, even to other rooms; without the need of calling a serviceman to readjust the picture.
6. **Magnavox High Fidelity Sound**—brings you the added pleasure of much greater program realism. Every model has a Tone Control; most have multiple speaker systems.
7. **Beautiful Magnavox Furniture**—will be a lasting expression of your good taste. Select from over 40 authentic styles—in a wide variety of finishes.
8. **Highest Reliability**—is assured by the exclusive "Bonded Circuitry" chassis. You'll enjoy the lasting satisfaction that comes from knowing you own today's finest, most reliable Color TV!
