Health Officer Sought

Ballot May Be Solution

A committee, demanding that the post of full time health officer be created for Belleville, has been circulating 55 petitions throughout the community this week.

The document will be presented to the Town Commission tonight if 1,500 names can be affixed to it. According to the committee, the Walsh Act provides citizens with the right to ask for a special election if the commission sees fit to ignore, for whatever reasons, the requests in the petition.

Dr. Bevinetto Working

In this case, the petitioners are seeking a full time health officer to handle the health requirements for a community of 40,000 residents. Belleville currently has such a man, Dr. J. Richard Bevinetto, who has been working at that job since early December without pay.

Dr. Bevinetto was hired by Commissioner Vincent T. Strumolo, but after a wave of controversy regarding this appointment, many of his official colleagues refused to amend an ordinance providing for the local health officer on a full time basis. Meanwhile, without the amendment Dr. Bevinetto cannot be paid.

Committee Launches Petition

The committee, which launched the petition includes Karen Patterson, 12 Bernice Road; Barbara Spagnoletti, 76 Magnolia Street; Robert Laterza, 56 Reservoir Place; Mrs. Sally Hood, 56 Fairview Place; and Caesar Romano, Branchbrook Drive.

When the petition is presented to the commissioners tonight, the officials will have no more than 20 days to adopt the suggestion, or else the petitioners will demand Eugene Barnett, town clerk to prepare a special election to decide on the matter.

Sources close to the health office say that Dr. Bevinetto has not even received car allowances.

Also tonight a subdivision ordinance, which in effect will change the Belleville Planning Board from a referral body to a strong board, may be introduced by town commissioners.

Voters Will Cast Ballots on 1968-69 School Budget; Select 3 Candidates to Fill Board of Education Vacancies

The polls for the Board of Education election and decision on the school budget for 1968-69 will be open from 2 to 9 p.m. this Tuesday at all schools throughout the town except the senior high school.

Residents will vote on the total budget of \$4,578,262, an increase of \$424,024 over present costs. The allocation for current expenses is higher.

Capital outlay has been set at \$105,000, an increase of \$47,575. Debt service is \$250,285 down \$3,995.

Town voters will decide only on the provisions for current expense and capital outlay.

Teachers and administrative salaries have been attributed as the main cause for the budget increase. The board members said these salaries

are responsible for 80 per cent of the total budget.

A new transportation law, adopted July 1 requiring the school district to supply bus transportation for children attending private schools between 2½ to 20 miles from the school. Most of the cost is in public carrier fares. But this caused local transportation costs to jump \$22,000.

Textbook purchases caused a \$16,000 account to spiral to \$35,000. The budget also had to provide increases in fixed charges as social security, insurance and retirement benefits. This reflected a \$20,000 increase.

The capital outlay account went up to provide for building equipment which meant a \$48,000 increase.

Meanwhile the seven aspirants to the Board of Education are approaching the end of their campaign trail.

Three full term vacancies are open on the school board. (The Belleville Times reviews the election editorially this week on page 4).

The candidates are Rocco Saletta, board president, and incumbents Mrs. Norma Mc-

Cool and Dr. Frank Diruggiero. Also running are Joseph D'Ambola, Michael Albertine, Joseph Casale, and Carmen Castellano.

Regarding the school budget once again, Saletta, president of the Belleville Board said, "Expanded educational program, art - music and physical educational supervisors in the elementary schools;

intra-mural sports programs; much needed addition at school 2; including an all-purpose room and two classrooms; beautification inside and out at the James G. Shawger School are just a few of the improvements that can be had when the citizens of our community support their school board and work for the passage of a budget as they did last year.

"The budget this year is as sound, complete, creative and is one of the lowest in percentage increase of any budget in Essex County. With this in mind, the board has been able to accomplish the following: raise teacher's salaries so that Belleville is competitive with other communities in Essex County; have teacher aides in the elementary schools to help with lunchroom duty and supervise the playgrounds during the lunch period; \$20,000 will be spent for new textbooks and six additional teachers will be employed to carry out our expanded educational program, along with numerous other items.

"The budget demands many hours of work from the board members, the superintendent of schools and staff. I feel this budget reflects our continuing aim to provide quality education for our children. Realistically, it covers our most pressing needs.

The remainder of the \$170,000 surplus will be used for the 1967 budget, instead of normally letting it lapse and become surplus on December 31, 1967 to replenish the surplus used in the 1967 Budget.

Sale of town-owned property recommended by the manager, in the amount of \$51,480 which was transferred to surplus in 1966, as this is a non-recurring item it accounts for similar loss in the current surplus.

Finance Director McGreevy Explains Budget Manipulations Which Reflect Lower Surplus

As the time approaches for Belleville to introduce its 1968 municipal budget, Joseph McGreevy, director of revenue and finance, explained a series of "budgetary manipulations" which have caused a cut in local surplus funds.

McGreevy said, "As the director of revenue and finance I feel it is my duty to report to Belleville taxpayers the final statistics of the 1967 budget as prepared by this department.

"The effects of the budget-

ary manipulations of the former manager and council has left a deficit in the current surplus of \$170,000 plus a \$5000 loss; in the capital improvement fund; a \$52,000 in water surplus as well as a loss of \$25,000 in the reserve for capital outlay in water utility.

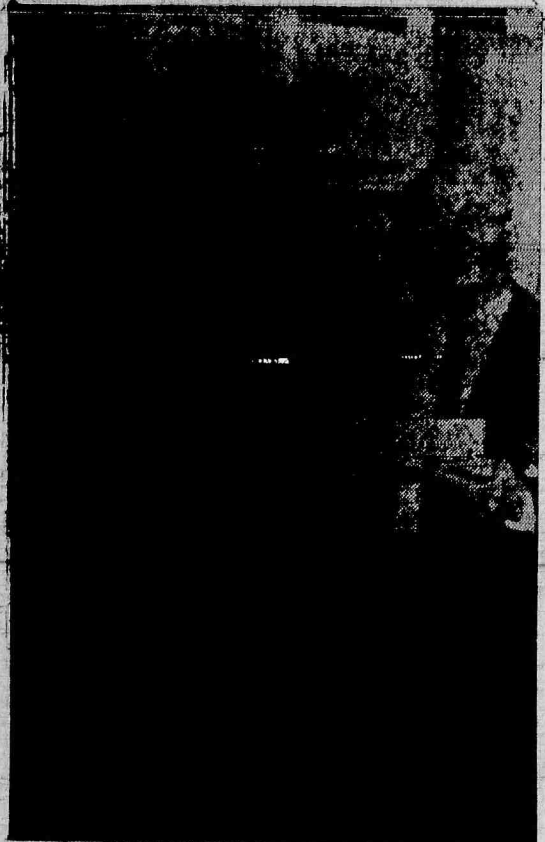

The current surplus loss of \$170,000 was caused by the following reasons:

The unexpected balance of \$70,000 in the 1966 budget was cancelled by resolution in the 1966 and placed in the surplus;

which made it available for the 1967 budget, instead of normally letting it lapse and become surplus on December 31, 1967 to replenish the surplus used in the 1967 Budget.

Another Belleville Winner Gets \$100 in Prize Certificates

COLLECTS \$100 — Mrs. H. C. Ritschel, 78 Perry Street, Belleville, is the second astute housewife to guess the "Big Win" mystery sentence and win \$100 in "spending money" certificates at a downtown Belleville store. Mrs. Ritschel, with six children, say she finds it easy to spend! Presenting her with her prize at The Glass Company store, 585 Washington Avenue, are James and Lester Greengrove. The twenty \$5 certificates can be redeemed for merchandise at any of the stores participating in the "Big Win" contest.

"I picked up the paper and I thought to myself, 'Oh, I'll bet I can do this! But I didn't have time to enter the contest last week.'"

But recently, on her way out to the store, Mrs. H. C. Ritschel picked up her copy of The Belleville Times and quickly got to work figuring out the solution to the Big Win Contest. After a short time she made out the sentence and guessed that the \$100 prize money certificates would be at The Glass Company, 585 Washington Avenue.

She turned out to be right, and went home to her six children richer by \$100, a very useful thing to have when there are so many in the house.

"I can usually buy in a hurry," Mrs. Ritschel told The Times. "And there's never any problem spending it. It's really delightful to be a contest winner."

Her winning sentence was "The treasure was first south. Now it's North Belleville for better buys. Garrulous Gus has the loot. It is hidden in the green grove."

Asked how she plans to spend the money, Mrs. Ritschel said that she plans to wait until she can talk it over with her husband. But, besides a pair of shoes for the baby, she thinks it would be a good idea to re-paper the children's bedrooms.

Her husband is employed by (Continued On Page 13)

Two Sectional Meetings Set To Discuss Land Use Plans

The Town Commission has scheduled two area meetings in the Valley Thursday and Silver Lake Wednesday to discuss the land use portion of the master plan.

These sessions follow two mass hearings held recently at the high school under the sponsorship of the Planning Board and the Commissioners.

At the most recent meeting, Mayor Kenneth D. Smith and his official cohorts reassured a throng of 1,000 residents that townsfolk would be given the responsibility to determine the type of zoning they desire.

The mayor also stressed he was not interested in low cost

federal housing or high-rise apartment units in Belleville. The commission then declared there was no truth to the report that it was considering a subdivision ordinance which would, in effect, transform the Planning Board from a referral agency to an autonomous body.

Commissioner Vincent T. Strumolo said he was happy to hear the other commissioners were eager to retain their powers, rather than create a strong Planning Board.

Meanwhile Mrs. Mary Senatore pledged she would never cast a vote for the demolition of any building in Belleville.

The audience greeted the official comments favorably and with much applause. However, the residents did show signs of upset when they were not given a chance to ask questions or make comments themselves.

But they left the auditorium apparently with the understanding that a hearing of confusing issues would be clarified during the two area meetings this week.

The meeting at Silver Lake has been set for Wednesday at School 9 and the Valley hearing is scheduled for Thursday at School 4. Both meetings will begin at 8 p.m.

Drug User Wins Florida Trip Through the Court

For Gerald Santuoso, 21 years old, there may be a better life. Yet Gerald didn't win a trip to Florida in order to sit on the beaches, or go surfing in the foamy waters, but to prove that he can change his habits, forget his old associates, and live without the puffs of marijuana or shots of heroin that have been causing him trouble with Belleville's Municipal Court.

"Where do you go from here in your life?" Judge Edward

Abromson asked him. "How many times do you think we can play ball with you? I gave you an opportunity earlier, and you only lasted two weeks. But Gerald said, "I can stay off it," and drew a 3-year suspended sentence and referral to his family connections in Coral Gables, Florida.

Of course, he will be on probation there, and will have to report regularly. Every three months a progress report on him will be sent to

Belleville authorities. There are several offenses for which he might lose probation status — for not reporting as requested, for not being at his known address, or failure to comply with requests of the Probation Office.

A job has already been found for him at a shopping center. His extradition rights have been waived in advance, so that if there is trouble again, he can speedily be reported on him will be sent to

PETITION — Belleville's need for a full-time Health Officer is the subject of a petition being circulated by Robert M. Laterza, proprietor of Laterza's Drug Store at 313 Union Avenue, Belleville. Laterza, who is aiming for 2,000 signatures, remarked, "The State says we should have a full-time health officer in a town this size, and I am sure that State aid will pay for most of it. I feel we need such a man."

Carmen Castellano School Board Hopeful

Carmen Castellano of 8 Beverly Court has announced his candidacy for the Belleville Board of Education. This is Castellano's first attempt at public office.

Currently, vice president and loan officer of the Newark Credit Union at Public Service, he has been employed at the Public Service E. and G. Company of 80 Park Place as a Customer Service Representative for the past 17 years.

Married 18 years, he is the father of three children ranging in age from five to fifteen. He is a graduate of Upsala College and also works as a part time salesman with Gencarelli's Furniture Company of 77 Washington Avenue, Belleville.

In a statement announcing his candidacy for the Belleville Board of Education, Castellano points out that he "is not associated with any political party or group, nor do I seek their support for sponsorship." If

Joseph D'Ambola, Board Of Education Candidate

Joseph D'Ambola announced that he is a candidate in the school board election on Tuesday.

A teacher at East Side High School in Newark, he announced he was qualified to serve as a board member because his college training was geared toward solving educational problems.

He was graduated from Montclair State Teachers College.

"The future of our children is like building a house . . . It is only as strong as its foundation," he said the quality of the education children receive determine the strength and

elected Castellano promises to serve "but two masters," my fellow townsmen and my conscience."

Dr. Frank DiRuggiero Is Seeking Fifth Term

"During the past few weeks I have presented, in a series of articles, my views concerning our educational system in Belleville," Dr. Frank D. Ruggiero, school board incumbent said. "In these articles, we saw that all phases of our sound educational system were covered. Programs for our children, parents and senior citizens were clearly defined. What were once dreams are and will be realities. Everyone has a place in education and our concern as members of the Board of Education will be to increase, define and review programs beneficial to everyone."

"During the past 12 years you have given me the privilege of representing you on the Board of Education. This I have done to the best of my ability, always concerned with our children. I am deeply proud of our schools in that we have an effective school program which provides an adequate program for all learners. It provides a favorable environment for teaching and learning and helps de-

Mike Albertine Urges Voters to Cast Ballots

"Our nation today is faced with political, economic, educational and social challenges. The destiny of future generations may well be dependent upon our actions," Michael V. Albertine, school board candidate said.

"Our educational system is our investment in the future and it should interest not only parents, but all the citizens of the town.

"To elect qualified and sincere members to the Board of Education should be of urgent concern to all. If we are to preserve our democratic society, we must realize that citizenship carries responsibility as well as privileges. One of these responsibilities is exercising your right to vote.

"Our politicians, by manipulating mass emotions are successful in bringing out the vote. But the vital issue of the intelligent and meaningful education of our children does not call forth a similar response. This is evidenced by the small number of our citizens voting at school board elections.

As an educator, a parent and citizen, I am deeply committed to see that every child receives an education appropriate to his talents and potential.

"As a businessman, I am also committed to efficient management and administration.

Norma McCool, 6 Year Veteran

Mrs. Norma McCool, candidate for re-election to the Belleville Board of Education, said this week the Belleville schools have done much to promote community coordination.

"School people are realizing that the school cannot do the job alone and that it cannot afford to isolate itself, or evade a share of the responsibility for out-of-school environments or be fatalistic regarding unfavorable home and community conditions," she said.

"The school is the community agency charged with the major responsibility for the education of all the children of all the people. The extension of public education downward to younger children, and upward to college and adult levels, has made the school the educational center, potentially at least, for the entire community. For this reason, the school is in an especially strategic position to promote, and if necessary, initiate, community cooperation for children and youth," she stressed.

"School staffs are able to help the community learn the processes of democratic group action. The skills used in helping children work, play, and feel together can be equally valuable in helping the community together."

"In the process of working with community groups, the

school program becomes more vital and realistic, more firmly based upon the needs of the children and the community. This makes it especially important that administrative arrangements be made so that classroom teachers, as well as the heads of schools, have opportunities to work in community-wide planning groups."

"The goal of the modern school is the welfare of the children and the community. The welfare of one is so tied up in other, that they cannot be realized separately. A school best provides for its children when it makes itself a significantly functioning part of the community."

"I feel proud that our schools have done much in this area and have good sound relationships with the citizens of the community."

"In my capacity as a member of the Board of Education for the past six years, I have tried to cooperate with the citizens in seeing to the needs of our children.

A group of women, under the chairmanship of Mrs. Nancy Mc Carthy, of Ralph Street, Belleville, who are dedicated to better education, are sponsoring a tea in honor of Mrs. Norma McCool, a candidate for the Belleville Board of Education, at the Fountain Restaurant, 46 Watessing Ave., Belleville, on Friday, February 9, 1968, at 8 p.m.

Rocco Saletta Pledges to Think Independently

Every year at this time residents are asked to go to the polls to elect representatives to the school Board of Education, Rocco Saletta, board candidate, said.

"I came to you three years ago and I pledged that I would be an independent thinker with no political ties and I would only act in the best interests of our children. This I have done to the best of my ability. I have tried to give to our children the very best, but always keeping the taxpayers in mind.

"I now come to you again, and ask for your support to return me to the board. I still offer you what I offered last time—an honest desire to make our school system second to none. I am not concerned with being scorned by political leaders, because I came to do a job to the best of my ability and I would let nothing interfere with the welfare of our children. But now I also offer you experience on top of my desire for I have learned many things these past three years.

"It has been very gratifying to me to serve as president of the board this past year and a privilege to work with the many fine educators in Belleville. We have discussed, on many occasions, how we can improve our school system and if elected, I intend to bring these ideas to the fore.

I believe I have given of myself untrillingly to the position which you have entrusted me with and if re-elected will continue to do so. My phone and my home has always been open to anyone who has had a problem and they will continue to remain open — for it is sometimes from you that we on the board learn what problems exist.

"As I look back on my three years of service, my most gratifying moments weren't when I was elected vice president or president of the board but when I was able to help a student or parents concerned over their child. This is my function, citizens of Belleville, to help you and your children and to make our school system the best possible.

"To say our task is done would be a misstatement for there is much left to accomplish. I am not the type to make rash promises which I can never carry them out.

Joseph Casale Wants School Trustee Seat

Joseph Casale, a candidate for the Board of Education, is a life long resident of Belleville. He was graduated from School 5 and then Belleville High School in 1956.

While at Belleville High School he was chosen the outstanding athlete of the year. He was chosen a member of the National Honor Society. In 1960 he was graduated from Muhlenburg College, Allentown, Pa., where he took part in both athletic and social events.

He was a member of the varsity football team and also a member of PKT social fraternity.

Since graduation, Casale has worked as a laboratory technician, and a production planning supervisor. He is presently a professional service representative for the Stuart Co. of California, which is the pharmaceutical division of Atlas Chemical Industries.

During this time, Casale has also served his country. He joined the United States Army Reserve in 1955 and was honorably discharged in 1965 after eight years service with the rank of Specialist 5 Class.

Community service is not new for Casale, he said. He is currently the vice president of the Varsity Club and the present secretary of the Board of Trustees of the Belleville Public Library. He was past president and treasurer of the

But I sincerely believe that our school system is better now than what it was three years ago and I know there is still ways and means to improve the system.

"If you will return me to office on February 13, ballot number 4A, I promise you that I will dedicate myself to this task and with your help we shall not fail," Saletta said.

Landolfi Welfare Association, and is now a member of the Board of Trustees.

Casale resides at 213 Fairway Avenue, with his wife, a former Belleville teacher, and his two children. Cheryl Lynn is a kindergartener at School 10 and Tracey Ann is ten months old. He is the son of Mr. and Mrs. Ralph Casale of 11 Emmet Street.

000 was lost by anticipating revenues in the 1967 budget that were set at upper limits of the cash received in 1966. In fact a deficit occurred in eight items of anticipated revenue.

In 1966 the manager negotiated a contract with the City of Newark for the supply of water at an increase in cost of 37-1/2 percent, the contract became effective January 1, 1967. This new rate caused the town to spend an additional \$73,000, for the purchase of water in 1967, and he made no provisions to cover these extra costs.

The result of which I will be forced to raise the water rate to the local consumer on April 1, 1968 to cover the added costs. The water surplus had a net loss in 1967 of \$52,236.98.

The \$5000 loss in the Capital Improvement Fund was caused by cutting the capital improvement fund appropriation \$5000.

"I am making these facts known to the public so they will know that the 1968 Budget will be made up from a current surplus of \$810,000 and not \$980,000 that was available in 1967 and a water utility surplus of \$88,785.75 and not \$141,024.73 that was available in 1967," McGreevy said.

FOUR CLUES TO DRUG ADDICTION

Many a parent has learned to their dismay that one of their children has become a drug addict. Usually by the time this information becomes known, it is because the child is in serious trouble as both a drug user and a criminal to procure his daily supply.

Look for these symptoms: 1) A good scholar becomes erratic for no apparent reason. 2) A shy child becomes talkative. (3) A truthful child starts telling lies and plays truant. 4) A healthy child loses weight and is unable to sleep. These characteristics indicate a possible, but not positive drug addiction.

Tuesday—Belleville's Day of Destiny

On Tuesday, February 13, in common with many area voters, Belleville citizens are being asked to go to the polls to elect three school board members and vote upon school budget questions.

For many years our school system was beset with many problems which primarily involved personalities. To rehash the past would serve no useful purpose. It is to the future that we must look. During the past year Belleville has witnessed a relative quiet on the school board front.

Order replaced chaos. Goodwill replaced hatred. Understanding replaced jealousy. Hope replaced despair.

Today Belleville citizens have an opportunity to continue the uphill march on the hard road back to a respectable co-existence with the state's best school board system.

Slowly and painfully the school board is regaining citizen esteem which it so vitally needs in order to carry on the difficult work of developing and maintaining a first class school system.

Slowly and painfully by its actions the school board is regaining the confidence of the paying public.

Slowly and painfully the school board is gaining for Belleville the respect of the world that lies beyond our boundaries.

We are happy to see unfolding before our very eyes, in our very presence, the drama of a public body whose members reflect the recognition that civic authority brings with it a heavy responsibility to protect the good name of Belleville.

This is not done with mirrors. It takes human resources. It takes determination. It takes the will to do good. In short, it takes people of goodwill, good faith, and community dedication.

We believe we have these patriotic citizens in the presence of three school board members who are seeking re-election. They are Rocco Saletta, school board president, Mrs. Norma McCool and Dr. Frank DiRuggiero, former president.

During Rocco Saletta's term as president, the school board has functioned with a minimum of discord and with a maximum of efficiency. A strong president no doubt made substantial contributions to this status. Mr. Saletta has earned re-election.

Mrs. Norma McCool historically is known as a loner. An indefatigable worker, Mrs. McCool has been a tower of strength on the school board she has served so well for six years.

Her service on the board has not

been a completely tranquil one. On more than one occasion Mrs. McCool was obliged to place before the public unpleasant facts concerning the affairs of our school system. She did this with unflinching courage, intelligence and determination. Many times as a minority of one, her convictions compelled Mrs. McCool to stand up alone for what she believed to be right.

By her actions — by her dedication — by giving the best in her to the town she has always called home, Mrs. McCool has earned re-election again — again and again.

Dr. Frank DiRuggiero has been a stormy petrel on various occasions. There are times past when we agreed with and supported his actions and positions. There were also times when we were the voice of dissent and opposed Dr. DiRuggiero's proposals.

No doubt in the future there will be times when we will agree with Dr. DiRuggiero and other times when we shall disagree.

Dr. DiRuggiero served on the school board for twelve years. His overall record is a good one. We recommend Dr. DiRuggiero's re-election next Tuesday.

The Current Expense section of the school board budget which tax payers are being asked to vote upon Tuesday, the 13th, reflects an increase of \$330,444. The Capital Improvements section reflects an increase of \$47,575. These increases overnight do not buy for Belleville one of the best school systems in the state. All they do is insure that we will be able to keep our fair share of the better teachers on our school staff and attract competent replacements to fill the vacancies caused by teachers leaving to take on higher paying jobs.

A major contributor to a town's reputation is its school system. If the system is bad, word gets around. Our children know it. Our teachers know it. Our parents know it. Our neighbors know it.

On the other hand if we have a good school system, everybody profits by it, even the frugal taxpayer whose home maintains its value or becomes worth more in a community with an attractive school system.

The immediate inclination of taxpayers and voters is to oppose any increase in expenditures regardless how worthy the cause.

Belleville is on the move again. Our progress is slow but sure. To continue that forward march we believe Belleville's best interests would be served by a "yes" vote on the two budget proposals. F.A.O.

Belleville Opens Its Heart

Belleville, the county and the March of Dimes Fund should be proud to have entrusted their annual drive in the capable hands of Mrs. Helen Biancardi, Mrs. Norma McCool and their committee. This years drive surpassed not only their effort of last year, but escalated to collect more donations than the City of Newark, a territory with 10 times the population of Belleville.

The local force turned in a total tally of \$8,500. The money helped Es-

sex County achieve its goal of \$20,000 to aid in the progressive research to conquer the tragedy of birth defects and continue work to protect our people from polio.

Belleville far outclassed the so-called affluent communities including Roseland and Essex Fells. This goes to prove that Belleville is a town with a generous heart, a town that is interested in its neighbors and the betterment of all. For this admirable trait Belleville should feel very proud. P.A.D.

LBJ and Nelson Rockefeller

The political climate developing continues to favor the fortunes of N.Y. Governor Nelson Rockefeller. The latest boost for the New Yorker's camp (the Governor is officially not a candidate) is the steady comeback being staged by President Lyndon Johnson in public opinion polls.

Because Rockefeller is the Republican rated by almost every test as the most likely to run the President the closest race in November, his chances improve as the President grows stronger and it becomes more and more obvious the party will need its best vote-getter.

Six months ago, when polls indicated a number of Republican candidates would win in a contest with the President, nomination chances of other leading G.O.P. figures were better. This was especially true of those considered more conservative than the New Yorker, for it then appeared a candidate who commanded less popu-

lar support than some of the moderates or progressives could win.

With Mr. Johnson coming on so strongly in the public opinion polls and now favored to win over any Republican candidate (Rockefeller is the nearest to him in popularity samplings) the impending race appears more formidable to Republicans. By the time of the August convention in Miami, further changes in popular sentiment may exert even more of an influence on delegates.

Public opinion polls, though not infallible, exert more of an influence on convention delegates than some like to admit, or realize. The party conventions have not failed to nominate the public choice at political convention in many, many years and one recalls that even the highly-respected late Senator Robert Taft was denied the nomination in 1952 to a large degree because General Dwight D. Eisenhower enjoyed such a decided edge over him in the public polls.

Riedel Discusses Flyer About Proposed Bridge

To the Editor:

A while ago, a flyer entitled "True Facts Concerning Carolyn Road Bridge" signed by Mrs. Mildred Benaquista and William DeVito, Democratic district leaders of the Rutan Estates area, was distributed throughout the Rutan Estates.

The opening statement read as follows: "Recently a flyer carried false statement concerning the bridge on Carolyn Road." First of all, the bridge does not exist. It is only proposed. Second, did the Belleville Times-News edition contain any false statements? Granted there were a few type setting errors such as the omission of part of a sentence, the word "didn't" was omitted for a blank space, and the article did not say continued on page 3.

The flyer's second statement said "First of all, for many years the people of Rutan begged for a bridge." This is true, but during the past five years most of the verbal and written requests have been for a foot bridge and not a vehicle bridge.

The fourth paragraph of this flyer stated, "At Town Hall, Riedel sitting in the audience and concerned about the bridge, heard the resolution passed, questioned it later and was elated! He said, 'Regardless of what kind of a bridge it is, at least it is a bridge.'"

Last Monday night this writer spoke to "Cappy" Barnett, Belleville Town Clerk. The Town resolution authorizing the County to proceed on the bridge project was passed on the night of August 28th. The minutes of the Town meeting of August 28th show that I did not question the resolution that night. In fact, on that evening this writer did not attend the Town meeting! I did attend the meetings of August 14th, September 11th, and October 5th, however. How did I make statements at a meeting when I was not present? Was my elation felt in Town

Hall all the way from my home that night? Is this paragraph then a "true statement?"

The next line of the flyer stated "The bridge is definitely not at any cost to the residents of Rutan." If the bridge is to cost an estimated \$100,000 and 80 per cent of this cost is to be paid by the State of New Jersey and 20 per cent by Essex County won't the residents of Rutan Estates be paying part of the cost? They do pay State and County taxes, don't they?

The next two flyer lines said, "The Bridge traffic shall be controlled by the five Commissioners. No trucks will be allowed. Traffic will be controlled for the safety of all concerned." First the Town's general traffic ordinance has to be modified by the Commissioners to attempt to control traffic on Carolyn Road. Second, if this change is approved by the State, the Belleville police will control traffic on this street. Third, opening Carolyn Road by building a vehicle bridge will increase traffic flow in the area. Fourth, who will guarantee that no trucks will be allowed?

Later in the flyer the following is stated: "Patetta being in opposition to anything that is for progress or good for Rutan."

WEDDINGS AND ENGAGEMENTS IN SOCIAL SPOTLIGHT

Lieut. and Mrs. Walter H. Orth Jr. Honeymooning in the Virgin Islands

MRS. WALTER H. ORTH JR.
Former Miss Roberta Letts

Miss Roberta Ann Letts, daughter of Mr. and Mrs. Ralph S. Letts of Glendora, became the bride Saturday of First Lieutenant Walter H. Orth of 16 Nolton Street.

The Rev. Edward M. Smith, brother-in-law of the groom, performed the ceremony in the Berean Baptist Church, Magnolia. A reception followed at The Carriage House, Kirkwood.

Given in marriage by her father, the bride wore an A-line delustered, satin full length gown with long sleeves, bodice of chantilly lace and cathedral train. Her headpiece was a garland of flowers made of matching lace with a finger tip veil and she carried a cascade of white orchids and stephanotis.

Miss Janice Cornwell of Glendora was maid of honor. Bridesmaids included Miss Bonnie Turnbull of Trumbull, Connecticut, Miss Elizabeth Hanks of Warsaw, Virginia and Miss Virginia Pugh of Downings, Virginia, cousins of the bride and Miss Barbara Helfrich of Clark.

The attendants were attired in midnight blue velvet A-line gowns. They carried white fur muffs and wore white fur headbands.

Joseph McDermott of Belleville served as best man. Ushers were Warren Geltzing of New York, Lt. Chuck Kimball of Fort Knox, Kentucky and John Visco and Lt. Andrew Provence of Belleville.

Mrs. Letts chose a beige crepe dress with beige and gold accessories, while the groom's mother wore a blue brocade dress with matching accessories.

Mrs. Orth Jr., a graduate of Douglass College, New Brunswick, is a registered medical technologist.

Lt. Orth is a graduate of Rutgers University, New Brunswick, is a tactical officer with the United States Army Armored Division stationed at Fort Knox, Kentucky.

Following a honeymoon in the Virgin Islands, the couple will live in Kentucky.

March 30th through April 7th, according to Charles Snitow, show president.

"We have always spotlighted the newest in automobile styling and science and thus we are proud to show America one solution to the dual problem of more pollution and less road space," he added.

MISS NANCY DE LUCA

Nancy DeLuca, Neil A. Ciccone Are Affianced

Announcement is made of the engagement of Miss Nancy Sue DeLuca, daughter of Mrs. Raymond DeLuca of Madison Street and the late Mr. DeLuca to Neil Anthony Ciccone, son of Mr. and Mrs. Pat Ciccone of Summer Avenue, Newark.

Miss DeLuca, a graduate of Belleville High School and East Orange General Hospital School of Nursing, is on the nursing staff of the hospital.

Mr. Ciccone, an alumnus of Barringer High School, is employed by the Essex County Park Commission.

MISS KATHLEEN BAILEY

Troths Told Of Miss Bailey, R. O'Connell Jr.

Mr. and Mrs. Pat Bailey of Union Avenue, Belleville, formerly of Nutley, announce the engagement of their daughter, Kathleen to Richard O'Connell, Jr. son of Mr. and Mrs. O'Connell Sr. of Butler.

Miss Bailey, a graduate of Belleville High School and East Orange General Hospital School of Nursing, is on the nursing staff of the hospital.

Mr. O'Connell, an alumnus of Butler High School, attended Fairleigh Dickinson University, Rutherford. He is now serving with the United States Army.

Esther Cerligione, H. Allen Witzgall Married At Mass In St. Anthony's

St. Anthony's Church was the setting Saturday for the wedding of Miss Esther Cerligione, daughter of Mr. and Mrs. Joseph Cerligione of 40 Naples Avenue and H. Allen Witzgall, son of Mrs. William C. Brandes and stepson of Mr. Brandes of Pequannock.

The Rt. Rev. Monsignor Joseph Manz, pastor of St. Nicholas Church, Jersey City, celebrated the Nuptial Mass. A reception followed at San Carlo Restaurant, Lyndhurst.

Escorted by her father, the bride wore a silk and wool A-line gown with long sleeves, covered with frosted pearls and crystals and topped by a sleeveless coat similarly trimmed. Her bouffant cathedral length veil was held by a headpiece of lace petals and drop crystals. She carried a white orchid with pink-roses running through wedding bells.

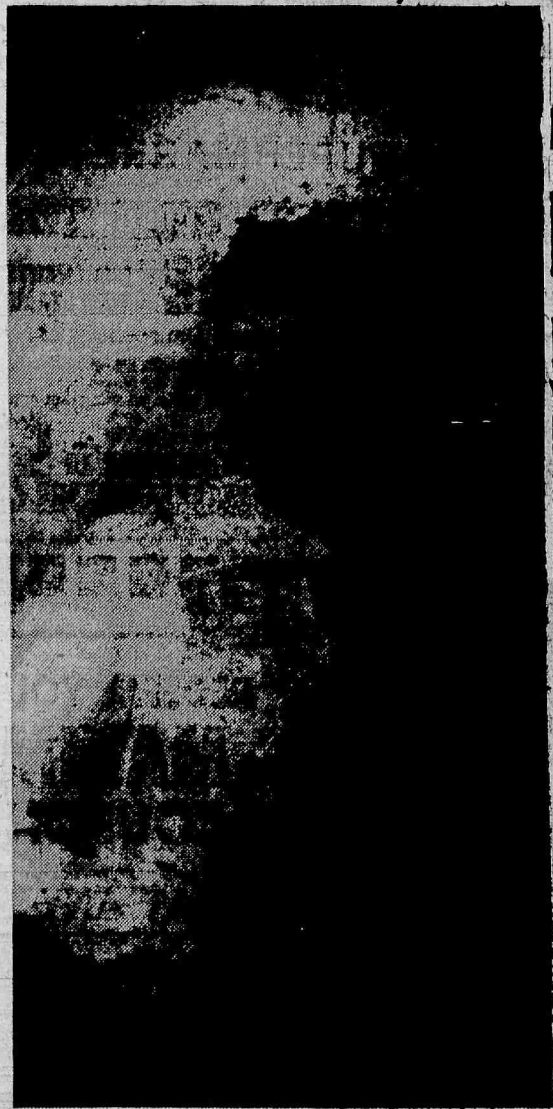

Mrs. Joseph Cameron of Belleville was matron of honor. Bridesmaids were Mrs. Carol Cronk, sister of the groom, Miss Maria Cerligione, sister of the bride, Miss Lynette Petrucci and Miss Mary Lou Guarneri. Miss Irene Caputo and Miss Rosary Ann Mattia, cousins of the bride. Another cousin, Donna Maria Strollo was flower girl.

The attendants wore white crepe gowns trimmed with red under the bodice and covered with red brocade coats. Their headpieces were white fur bands and they carried white muffs adorned with red and white pom-poms and orchids.

Carl Schroeder of Pompton Plains was best man. Ushers included the bride's cousins, John Mele and Joseph Marra, Michael Batty and Kenneth Kennedy. Scott Cronk, nephew of the groom was ring bearer.

Mrs. Cerligione chose a green floor length gown with a three quarter coat while the groom's mother was in a red gown. Corsages were white baby orchids.

Mrs. Witzgall, an alumna of

MISS PATRICE GILROY

Patrice Gilroy Is Bride-Elect Of Mr. Bausch

Mr. and Mrs. William Gilroy of 108 William Street announce the engagement of their daughter, Patrice to Joseph Bausch Jr. of 108 Belmont Street, son of Mr. and Mrs. Mildred Warrington of Westfield and Mr. Bausch Sr. of Lyndhurst.

Miss Gilroy, an alumna of Belleville High School, is a secretary with an accounting firm in Newark.

Mr. Bausch Jr., also an alumnus of Belleville High School, recently completed two years in the army including a year in Vietnam. He is with Monsen Engineering Company, Fairfield.

The wedding is planned for May 25.

Freeze on Federal Highway Funds Will Slow Construction

The Federal Government's freeze on the use of highway funds during 1968 will substantially slow construction of New Jersey's interstate routes, Transportation Commissioner David J. Goldberg has said.

MISS CYNTHIA WEBER

Cynthia Weber, Ronald Fluder Are Betrothed

Mr. and Mrs. Gerard Weber of 40 Liberty Avenue announce the engagement of their daughter, Cynthia M. to Ronald F. Fluder, son of Mr. and Mrs. Frank Fluder of Ridgewood.

Miss Weber, a graduate of Belleville High School, attends Fairleigh Dickinson University, Rutherford.

Mr. Fluder, an alumnus of Ridgewood High School, is a student at Rutgers University, Newark.

After review of a formal directive from the U.S. Bureau of Public Roads in how the freeze is to be applied in each State, Commissioner Goldberg revealed that Federal funds, which his department had planned to obligate to new construction in 1968 have been cut by more than \$90 million.

The Department of Transportation was prepared to obligate approximately \$200 million in Federal funds by January 1, 1969. The limit permitted under the freeze is \$107.6.

Library Director To Address Club

Guest speaker for the meeting of the Woman's Club of Belleville will be Mr. Ben Grimm, director of the Free Public Library of Belleville. Mr. Grimm will address the membership on the topic "The Volunteer and Today's Library."

Members of the Literature Department under the chairmanship of Mrs. Dwight N. Streeter are initiating a volunteer corps to service the library on a regular basis. Mrs. Richard A. Shafter, president of the Woman's Club and also a member of the Board of Trustees of the library announced that this program will be given consideration as a possible entry in the state-wide Community Improvement Program sponsored by Sears Roebuck Foundation and the New Jersey State Federation of Women's Clubs. This is a nationwide contest in which awards are given to clubs who improve their community by beginning a needed service and keeping it going.

In prior years the Evening Membership Department of the Woman's Club won state recognition for the initiation of the volunteer program at the Essex County Children's Emergency Shelter, a program which continues to exist.

Mrs. William Chapman and Mrs. Streeter will be hostesses for the day.

The monthly dessert-bridge held at the clubhouse, February 5 had its chairman Mrs. Ludwig Pesa with Mrs. Charles G. Maise, Mrs. Arthur Touw, Mrs. Edward Dunham, and Mrs. J. L. Sparkman on the committee.

affiliates of the National Association of Credit Management and includes in its membership approximately 400 of the larger wholesalers, manufacturers and banks of New Jersey.

VFW Auxiliary President Will Make Official Visit

Mrs. Ruth K. Bogacz, national president of the Ladies Auxiliary, Veterans of Foreign Wars, will make her official visit to the State of New Jersey February 11.

A reception and New Jersey department meeting will be held at the Robert Treat Hotel, Newark, at 2 p.m. at which time Mrs. Bogacz will address the delegation.

A testimonial dinner in her honor will be held Sunday evening at the Robert Treat. The affair will begin at 7:30 p.m.

Mrs. Bogacz is from Meriden, Connecticut and has served as a past president of LaCroix - Murdoch Auxiliary and the Department of Connecticut. Active in VFW auxiliary affairs since 1946, she is primarily interested in youth activities and community service work and the further promotion of good citizenship.

Married to a security officer for the State of Connecticut, she has two married children and six granddaughters. The couple are interested in sports and Mrs. Bogacz has played on a world championship basketball team and coached several local girls basketball teams.

Life should not be all duty and work; there should be a place for recreation and repose, and wise people understand this.

Modern education has not persuaded the younger generation that "early to bed" is good sense.

Joseph Restivo Gets Community Service Citation

Cited recently for service to a fellow citizen was Joseph Restivo, 287 Fairway Avenue, Belleville. The "community involvement" citation from the Insurance Company of North America, praises Restivo for "alertness and unhesitating action in the interest of the safety and general welfare of the community."

In May 1967, Restivo, an employee of the L. J. Kennedy Trucking Co., Kearny, used his heavy vehicle to edge a runaway car to the curb of New York's Major Deegan Expressway after the car's driver suffered a fatal heart attack.

Restivo also received a \$50 United States Savings Bond from INA. The presentation, was made at the Essex Club, Newark. The award was in

A contingent of vocalists to perform in "Carmen" shall represent Belleville on the stage.

Belleville Instrumentalists Will Appear in 'Carmen'

Belleville will be represented at the Regions I and II annual performance of the well known opera "Carmen" by Georges Bizet.

Clarinetist, Bruce Creditor and violinists Joyce Wanchow and Colleen Livingston will participate in the orchestra accompanying French opera. It

will be performed at Parsippany High School on February 10 at 8 p.m. under the direction of Lew Curtiss of Kearny. From these students will come the familiar strains of such popular numbers as the prelude, Toreador song, and the melody of the cigarette girls. Any selection of the world's

PLAY BIG WIN

Every Week in
The Belleville Times
WATCH FOR IT!
CONTEST STARTS
FRIDAY MORNING

WIN \$1000 'SPENDING MONEY'

READ THESE SIMPLE RULES

Each week, in the Belleville Times, Belleville merchants will run tremendous money-saving Weekly Specials on these pages. These weekly special advertisements, which are designed by Belleville merchants to help fight the constantly rising cost-of-living, will feature one tremendous bargain in each ad. Directly under the price in each advertisement there will appear one word. When the reader assembles all the words in proper order, the completed phrase should be brought to the store on Washington Avenue that has been selected to be "Treasure Chest of the Week." Somewhere in the phrase is a clue to the

identity of this store where \$100 in "spending money" is located. A new phrase and new clue will appear each week. If the "spending money" is not found that week another \$100 "spending money" will be added to it. The same will happen the next week if it's still not found. The \$100 "spending money" will be in the form of 20 certificates of \$5 each and can be spent at any of these participating stores any time — they're just like cash. The Belleville Times will redeem them at face value from the participating merchants. Anyone can play, the whole family—no age limits!

Belleville High School Band Rehearses for Concert

PRACTICE MAKES PERFECT — A row of young musicians enjoy a practice session at Belleville High School before appearing in the school musical scheduled for March 1. Pictured from left to right they are: Polly Vuono, Mike Melchione, Tom Vogt and Roseann Morano.

ERNEST EFFORTS — Concentrating earnestly on the music sheets in front of them and the formation of the appropriate notes, these four trumpet players are part of the Belleville High School band. It is scheduled to perform sometime in March. Pictured from left to right are: Tom Melchione, John Reilly, Mark Degenshein and Rich Motacki.

Business Briefs

The Gross National Product rose \$16.4 billion in the fourth quarter of 1967 to a seasonally adjusted annual rate of \$807.6 billion, the Department of Commerce reports.

The rise in the output of all final goods and services was the greatest since the \$17.5 billion rise in the first quarter of 1966 and far ahead of the \$8.8 billion second quarter rise in 1967. Price inflation accounted for \$8 billion of the fourth quarter gain, while real growth accounted for \$8.4 billion. The fourth quarter increase was strongly influenced by an unusually large rise in inventories. For the entire year GNP grew by \$41.8 billion, to \$785.1 billion, a much smaller advance than the \$59.4 billion rise in 1966. Only \$19.8 billion of the 1967 growth is considered "real." The other \$22.8 billion was due to rising prices.

Consumer expenditures for goods, as measured by retail sales, have shown a distinct tendency to "level off" since last last spring. This trend is

contrary to conventional behavior when disposable incomes are rising at increasing rates. While production of consumer goods has risen sharply in recent months, retail sales have declined. In the fourth quarter of 1967, retail sales absorbed only 56.7 per cent of disposable income, the lowest percentage for any quarter in the entire post-World War II period. Consumer demand for goods was generally expected to be so strong by this time, that a federal surtax would be necessary to prevent a consumer spending spree. Consumers, however, are apparently imposing their own restraints. (Jnl. of Comm., 1-17, p. 1).

Personal Income Rise

Personal income rose \$5.7 billion in December to an annual rate of \$648.1 billion. The rise was surpassed in 1967 only by November's \$6.5 billion increase. Industrial production rose by 1 1/2 per cent to 161.6 per cent of its 1967-59 base of 100, the Federal Reserve Board reported. Housing starts declined slightly more than 20 per cent to a seasonally adjusted annual rate of 1.26 million units, according to the

Department of Commerce. The stock exchanges began to close 90 minutes earlier than the usual 3:30 p.m. close of trading. The new closing time, which is due to the mounting backlog of paperwork in brokerage offices, is expected to continue indefinitely. New orders for durable goods rose \$2.3 billion in December to a record \$26.1 billion. The sizable increase in this indicator is one of the signs indicating that business activity will be brisk.

Jersey Tax Share

New Jersey taxpayers will be required to pay nearly \$8 billion in federal taxes as their share of the cost of the federal spending budget of \$66.1 billion proposed by President Johnson for the federal fiscal year beginning July 1, 1968, according to an estimate by the New Jersey State Chamber of Commerce.

This estimate was based on the state chamber's calculations that New Jersey taxpayers bear 4.29 per cent of all federal taxes. Whether Congress decides to cut the budget or spend more, New Jersey taxpayers will save or pay out proportionally, the chamber

explained.

The President's proposed budget, the chamber said, would cost federal taxpayers in New Jersey \$7,983,690,000 and it noted that this amount is:

—9.7 times the amount of state taxes collected last year to finance the New Jersey state budget.

—5.5 times the \$1.45 billion of property taxes levied in 1967 to support New Jersey's counties, municipalities and school districts.

Bankers React

Banking and business leaders accepted reluctantly President Johnson's State of the Union message.

They recall that in his fiscal 1967-68 budget he mentioned a deficit of \$8.1 billion, asked for a 6 per cent surtax, and expressed a frank determination to bring about lower interest rates.

It is known that the fiscal 1967-68 budget deficit will be around \$20 billion, he is now asking for a 10 per cent surtax, and interest rates climbed to the highest level in 100 years.

Winter Cold Increases Car Poison

Your car heater may be blowing up trouble as it warms your drive through heavy traffic these cold winter days.

It can increase the flow of carbon monoxide-loaded air into a car crawling in bumper-to-bumper traffic, warn Aetna Life & Casualty safety specialists.

The odorless, colorless gas is believed to be a factor in causing many traffic accidents. It can produce drowsiness, disorientation, nausea—and death.

The insurance company notes that the danger of carbon monoxide poisoning increases in winter. And your own car's exhaust system is not the only threat.

The culprit can be the exhaust from the car in front of you. If you're within a car length, that exhaust is drawn into your car through the air intake system. With fan vents open, the heating blower pumps an increased volume of this polluted air into the interior, producing the possibility of a carbon monoxide buildup.

To protect against this potential hazard, Aetna suggests these tips for cold weather driving in dense, stop-and-go traffic:

Keep two opposite windows open half an inch or more. This cross-ventilates your car. Set your heater blower at no higher than low. Better yet, turn the fan off and close the fan vents.

Try to stay a car length or more behind the car you're following, thus keeping out of its exhaust range.

Play it cool when you park with the motor idling, too. The same "ventilate-low heat" principle applies. Here, the carbon monoxide danger comes from your own car's exhaust system. A chunk of ice or a rock can puncture even the soundest equipment.

When you escape to the open road, turn the heater back up, but continue to ventilate by keeping two side windows open slightly.

Incidentally, in station wagons, never open only the tailgate window. Air currents created by the vehicle's motion actually draw exhaust fumes in through a rear opening.

Aetna also points out that you may leave carbon monoxide danger behind you—and with your family—when you leave for work in the morning.

Fumes produced by prolonged idling of the car engine inside the garage can leak into the house—even with the garage door open. If you warm up your car, move it from the garage first.

In urging you to stay alert to carbon monoxide dangers, Aetna reminds you of the three steps for treating a carbon monoxide victim: Get him into fresh air immediately. Apply artificial respiration. Call a physician.

Highway Signs May Undergo New Photographic Process

Commissioner David J. Goldberg has announced that Department of Transportation engineers have under study a photographic process known as "holography" by which highway signs of the future might be projected into space in color and three dimensions. The technique differs from conventional photography in that it produces images without the use of lenses or cameras.

Transportation Department researchers have made some simple tests with holograms and have been encouraged to proceed with an experimental program, according to the Commissioner.

He said that the Department is primarily interested in holography as a means of promoting safety.

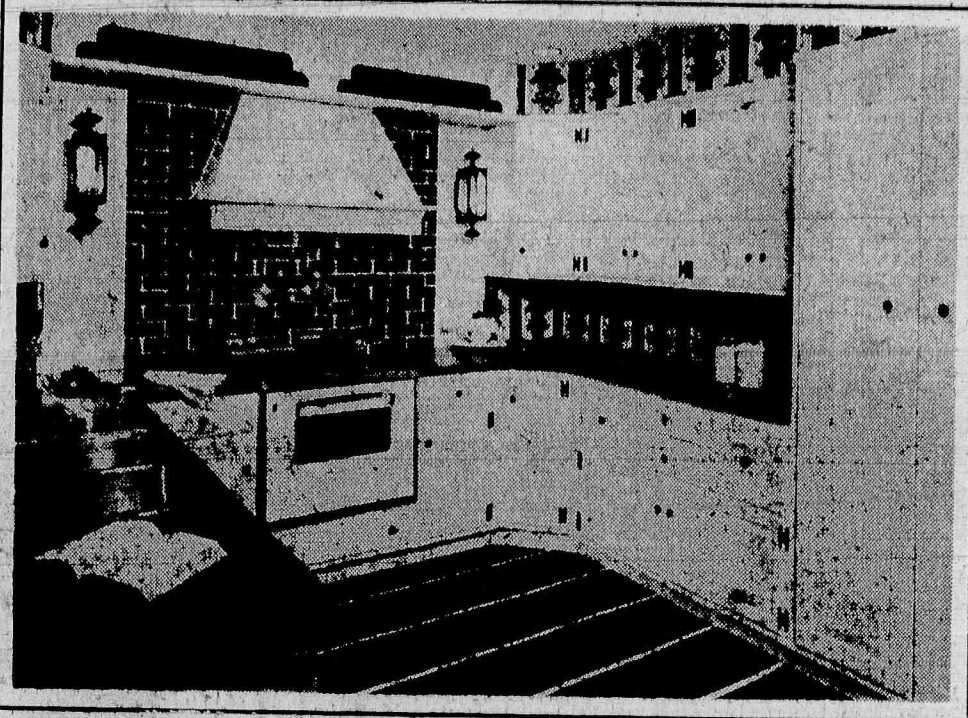

Tchaikovsky's 4th Symphony to Highlight Concert

Tchaikovsky's 4th Symphony will highlight a program by the Cleveland Orchestra under George Szell at Symphony Hall, Newark, on February 11. The concert, a Moe Septet Series presentation, will begin at 8 p.m.

Also featured on the program will be Beethoven's "Egmont" Overture, Debussy's "Prelude to the Afternoon of a Faun," and William Walton's "Partita for Orchestra," composed in 1958.

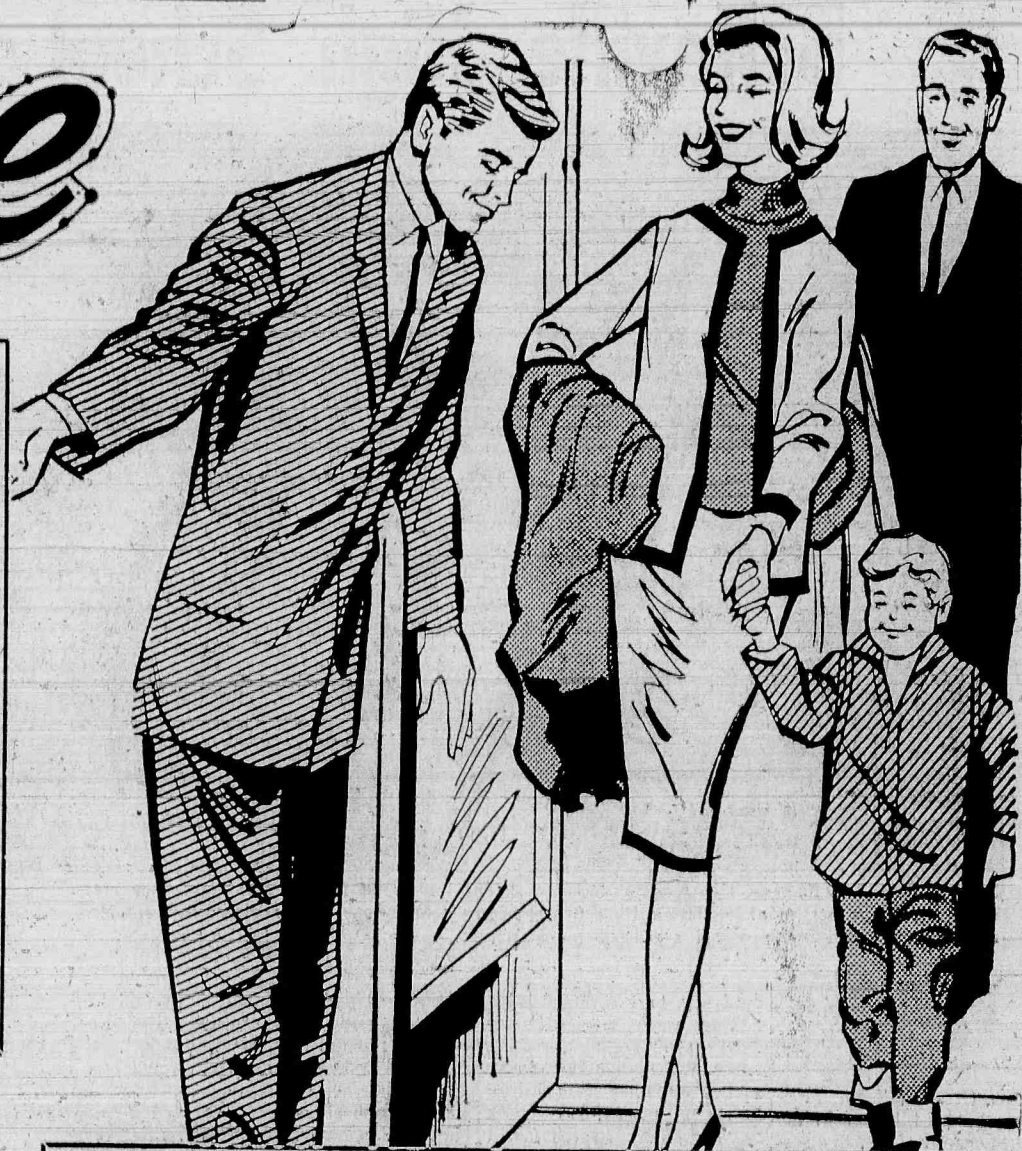

The Cleveland concert will be followed in the Septet Series by soprano Joan Sutherland on Tuesday, Feb. 13.

Lucky readers and shoppers who are good at their guessing will win as much as \$100 playing the skill game.

It is simple to play and the contest is open to any resident of Belleville. It works like this:

Each week Belleville merchants will run an ad featuring tremendous money-saving weekly specials. The ad will appear in a special section of the newspaper.

Directly under the price in each advertisement there appears one word. When the reader assembles them in the proper order, they will provide

a clue to where \$100 in spending money is located in a downtown store. Find it and it's yours.

The entire clue will appear each week. If the spending money is not found that week, another \$100 will be added to the treasure trove — and so on for ten weeks.

The \$100 spending money will be hidden in the form of twenty \$5 certificates good for any purchase in any participating store. It's as good as money and is guaranteed by the Belleville Times.

The Belleville Times will redeem them at face value.

Heating Oil Industry Sees More Growth

"The heating oil industry looks forward to 1968 with a great deal of anticipation to accelerated growth and to the opportunity to be of greater service to the community," says William G. Dixon, President of Oil Heat Council of New Jersey.

"The industry has achieved a major break-through in developing a new blue flame recirculating oil burner after more than 9 years of intensive and imaginative research.

It creates a totally new concept in oil-fired heating equipment, and should soon be ready for field testing. It could become one of oil heat's strongest weapons in battling the utilities for control of the total home comfort market."

The basic factor that makes the "blue flame recirculating oil burner" so promising, is that it can fire at very low rates. In addition, the blue flame burner is engineered in such a way, that it is said to clean itself while in use, its operating sound level is markedly less than that of conventional burners, and it is very compact weighing less than 20 pounds, about half the weight of orthodox high pressure burners.

The blue flame principle is easy to understand. Through recirculation, the end products of combustion are reburned. This produces a blue flame instead of a conventional orange-yellow flame, because most of the carbon has been eliminated during the reburning.

The industry foresees a wide variety of possible uses for the blue flame burner. For ex-

ample, it could be used in a ber of blue flame burners in this way, linked up to remote air and oil sources, could enable oil men to compete on equal footing with the utilities

in several areas besides heat-warm - air home for water heating and drying clothes, as well as for powering the furnace. Using a num-

BECK'S COLUMN

By MAX BECK

It is generally agreed that the shortage of qualified service technicians is the greatest single problem facing the consumer electronic industry. The seriousness of the situation is recognized by some manufacturers who have started training sessions for service personnel.

Like with roads, these are too little and too late. Technicians don't grow on trees. It takes years until a man gathers the experience to repair today's complicated electronics devices.

The industry spends large amounts of money for research to create more and more new products, but so far it did nothing to train the men to service all these new gadgets and machines. At last responsible people woke up to the fact that the public simply won't buy these new products if there are not the facilities to service them.

Every once in a while you read about dishonest TV repair men. The writer recently had a talk with a technician who does general TV repair work. His problem does not apply to us, since we only service our own sales and have a far more friendly relationship with our customers than usually is the case. Our colleague told us, that the papers never write about the dishonest customers and he cited case after case. He can't keep a technician, after a while they are fed up with the abuse heaped upon them. For this reason many good men leave TV service and look for other work. Our friend told us that he works just like an overworked physician, he does not make home calls, any more and repairs only the sets which people bring to the shop. Even with this he claims he can not take care of all the jobs, working all by himself.

We have foreseen this shortage of technicians years ago and we trained promising men in our own organization and continue to do so.

We service what we sell.

gram, it was announced.

The program is based on the current State Appropriation of approximately \$62.1 million and a Federal Apportionment, announced last August, of \$116.6 million. The Federal Apportionment is available for contract obligation, but is not reimbursable in cash to the State until July 1, 1968.

If you are very good, or very smart, somebody will eventually discover it without your bragging about it.

Joe Cervasio Heads Men's Honor Society

Joe Cervasio, a 1965 graduate of Belleville High School, has been elected president of Cornell University's Key Club, a junior men's honorary society.

The club is comprised of 25 outstanding scholar - athletes of Cornell. Tim Battaglia, a Nutley graduate, and Rich Rusk, son of Secretary of State Dean Rusk, are outstanding members of this honor group.

Joe Cervasio, a halfback on Cornell's varsity football team, played a prominent role in

Bell Telephone Rates Undergo Reductions

The State Board of Public Utility Commissioners, as a result of negotiations that it has just concluded with the New Jersey Bell Telephone Co., has announced a reduction in intrastate telephone rates that will save the company's customers \$6.7 million annually.

The reduction is an outgrowth of the current Federal Communications Commission proceeding involving the nationwide Bell System and its rate structure, a proceeding in which the New Jersey Board of Public Utility Commissioners has played an active role since 1965.

The action was made possible by the Federal Communications Commission approval of a shift in revenue requirements from intrastate to interstate telephone service, thereby allowing for a reduction in the cost of telephone service within the State of New Jersey to the company's customers.

This rate adjustment, combined with two previous reductions made in 1967, will save New Jersey Bell customers \$11.7 million a year.

The reduction announced today includes four major rate revisions.

A saving of \$2 million will result from extending the time periods in which lower

currently active volunteers nor have had any previous Red Cross experience.

Mrs. Mary Doviak, Glen Rock, Red Cross Combined Service Territory volunteer training consultant will conduct the training course. She will be assisted by Mrs. Robert Powell, Newark, Essex Chapter training chairman. Lt. Col. Lawrence J. Weck, commanding the Induction Center, will also take part.

"An average of 140 young men a day, from all over New Jersey, arrive at the center early in the morning and are there most of the day being processed. Most of them are young and somewhat confused," says Mrs. Reid. "It is our job to help them in any way we can."

A tie line between the Induction Center Red Cross office and the Essex Chapter Service to Military Families Office will be available so that professional assistance can be obtained from Red Cross case workers, should it be necessary.

A grateful Electric Glassheat user says:

"If you notice the temperature you have the wrong heater"

BETTER SWITCH TO GLASSHEAT

"IT'S A COMFORTABLE HEAT that Glassheat gives—never too hot, never too cold," he continued. "So comfortable in fact you never notice the temperature at all. Regardless of the weather it feels like a sunny day indoors. Imagine—every room sunshine warm all winter long. No drafts, no cold corners, just comfort!"

No wonder Electric Glassheat reminds you of sunshine. It is the only heating system that warms with healthful radiant electric rays exactly like the rays of the sun. And this is true throughout the house for every room has its own money-saving thermostat and heating unit.

You can regulate the temperature of each room exactly as you want it, one quite warm, another cooler. And if a room is unoccupied, turn back the thermostat, close the door and save money!

IT'S HEALTHFUL HEAT TOO!
"We had fewer colds last winter and everyone felt fine," says an owner in Caldwell. This is a common report from owners because Electric Glassheat has no flame to burn up the life giving oxygen or produce toxic fumes. And the sunshine rays of Glassheat not only produce an even temperature but maintain humidity at the level doctors recommend for good health.

SAVE CLEANING TIME AND MONEY "No soot, no smoke, no grime. Glassheat is wonderful," writes another user. "Have never seen any thing so clean. Saves me hours I used to spend cleaning and painting."

Another says "In 16 years the only room we have had to do over is the kitchen. No need to repaint the other rooms or dry clean our drapes. And our venetian blinds still look fresh and new. That's why so many owners say, "Install Electric Glassheat and take it easy."

SAFE! Electric Glassheat is absolutely fire-safe and can't overheat. No fumes to worry about, and even accidental contact can't cause blistering.

Electric Glassheat is as silent as sunshine and as pleasant, for there are no moving parts. Saves space too for the area usually used by radiators, furnaces and flues is yours for extra living space.

SAVE MONEY ON HEAT! People admit that Electric Glassheat is tops for comfortable heating. But some feel that it is so ideal it might be too expensive. This is not true—as you will see from these letters describing Glassheat's economy.

One writes, "We installed Glassheat for its greater comfort with the hope that it would be reasonably economical to operate. So we were not prepared for our very low annual heating bills. And since

we can now take advantage of the special low heating rate, we save money on our regular current too. And there are no maintenance charges. It all adds up to better heat for less money.

"Though we added two extra rooms" says another owner, "my heating bill is only \$175. A pleasant surprise and we have never been so comfortable."

That's the Electric Glassheat story. People install it because of its many advantages—then are delighted to find it is an economy as well.

WHY PAY MORE FOR LESS?
Does Electric Glassheat sound luxurious? It is in every respect but cost. If you would like to know what Electric Glassheat will do for the health, comfort and welfare of your family—and how little it will cost, send the coupon, or phone.

Belleville Adult School Set to Open New Session With Exciting Courses

Opening of the spring semester of the Belleville Adult School was announced this week by its director, Augustus W. McGinnis.

Non-Highway Gas and Oils Tax Deductible, IRS Says
Most taxpayers who use gasoline and lubricating oils for non-highway purposes do not file claims for refund of the Federal excise tax paid on gasoline.

Credit for the tax can be claimed on income tax returns for 1967, the Internal Revenue Service advised taxpayers today. Form 4136, is used to compute this amount of credit, and must be attached to the tax return.

The law generally provides that a credit may be claimed for two cents of the four cents a gallon Federal tax paid on motor vehicle fuels used in other than registered highway vehicles. The credit for gasoline used on a farm for farming purposes is four cents a gallon.

It is anticipated that the spring term will run from March 26, to May 28, on 10 consecutive Tuesday evenings from 7 to 10 p.m. Classes will be conducted at the Belleville High School and over thirty courses will be available from which to choose. All of the buildings' modern and varied facilities will be utilized. Teachers from the regular staff of the Belleville school system and others drawn from business, industry, and the arts will present courses that range from first aid to auto mechanics, and ceramics to ballroom dancing. A brochure describing the complete offerings of the school is in the process of preparation and will be considered if the demand warrants.

The following courses are expected to be part of the school's regular curriculum: English, science, mathematics, and social studies (GEC preparation), high

school algebra and geometry review, modern mathematics for parents, ceramics for beginners, oil painting, basic bookkeeping, basic computer systems, basic machine operation and wiring, shorthand. Beginning, typing I, typing II, first aid course, the "Saturday morning auto mechanic", Americanization and English for new Americans, public speaking, investing and the stock market French-conversational, Spanish-conversational, gymnastics for women, ballroom dancing I, ballroom

dancing II, driver education, golf I, golf II, guitar playing - beginners, interior decorating, sewing - beginning, home hairstyling and painting and refinishing furniture.

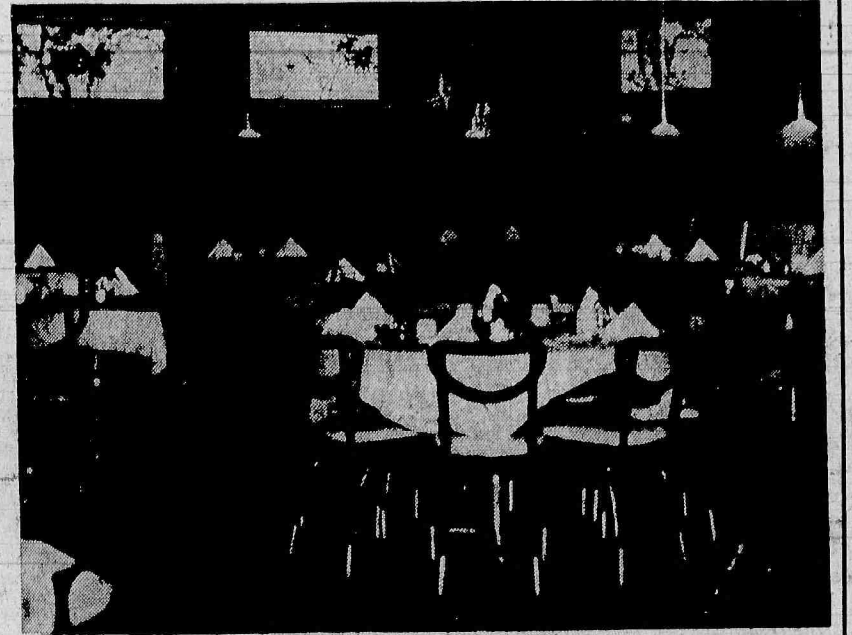

Inquiries may be directed to Mrs. Ruth Sanders, 759-4701, between 9 a.m. and 4 p.m.

The popularity of the cheap-to-run motorcycle has been directly proportional to the alarming rise in fatalities and injuries of the unprotected driver and his passengers. As of November 30 of this year, there are 44,370 motorcycles registered in New Jersey. In 1962, 12,949 motorcycles were registered. Five years later, the figures rose to 40,584 registered cycles.

Of course, you have to pay for electricity to keep your air conditioner humming. And hasn't that cost gone up... like everything else? Definitely not! While the cost of living has risen 120% in the last 25 years, the average unit cost of electricity has gone down 45% thanks to rate reductions and increased usage. Granted, your electric bills are probably higher. But consider the great many new appliances you now use and you'll realize that electricity is still your best bargain.

Eastern Regional Clergymen Meet at Clara Maass Hospital

Twenty-nine members of the clergy attended the Eastern Regional Clergymen's Workshop at the Clara Maass Memorial Hospital, Belleville. Under the sponsorship of the Board of Social Ministry, The Lutheran Church - Missouri Synod two-day workshop highlighted talks from James E. D. Gardam, M.D., on "Stress and Disease"; Kenneth N. Ericson, Director of Research for Unimed, Inc. on "Drug Research"; Joseph C. D'Angelo, M.D., on "Conception, Contraception and Abortion"; Chaplain Richard J. Lehman on "The Chaplain's Pastoral Ministry to Staff"; and Jose Villanova, M.D., on "Religious Counseling of the Emotionally Disturbed." The Rev. Leslie F. Weber,

Board of Social Ministry in St. Louis, discussed the afternoon program with Hospital Chaplain Donald E. Blume and the Rev. William M. Stieve, executive chaplain of the Atlantic District of the Lutheran Church - Missouri Synod. Participants in the workshop came from New England, Long Island, New York, New Jersey, Pennsylvania, Virginia, Maryland, District of Columbia and North Carolina.

INVITING SCENE — Dustin Hoffman, hailed as the brightest new screen personality of the year, is confronted with all types of problems in Mike Nichols' new film "The Graduate," which began an exclusive engagement Wednesday at the New Millburn Cinema in Millburn. Already the recipient of the New York Film Critics Best Director of the Year award, Nichols' "The Graduate" is considered a strong contender for the Academy Awards. The film is a sardonic and ludicrous study of a young who stumbles into life. It features Ann Bancroft.

AUDREY HEPBURN—Audrey Hepburn portrays a recently blinded housewife who becomes involved in a terrorizing search for smuggled narcotics in "Wait Until Dark." The Technicolor suspense thriller is now playing at the Franklin Theatre, Nutley. Efrim Zimbalist Jr., Alan Arkin, Richard Crenna and Jack Weston are featured.

Every wish of the family is respected.

We hold sacred the family's trust in us. We lift the burden of detail, assuring you of solace on this solemn occasion.

Judge Abromson Clears Traffic Violations Docket

It was a crowded docket recently at Belleville Municipal Court. More than thirty traffic violators received fines and costs from presiding Judge Edward J. Abromson.

Twenty-five dollar fines, plus \$5 in costs, was the penalty for two men convicted of careless driving. Vincent J. Pavone and Joseph Wyman, Jr.

For speeding, the commonest charge, 28 drivers were convicted and given fines. Fined \$15, and \$5 costs, were the following:

Willie Reeves, Jr., Alcides T. Pereira, Carmen Maiorana, John Cuti, Philip Nachtigal, Peter J. Cherone, Marie Tutela, Ildiko Nestler, James D. Patton, Kenneth L. Wilson, Anthony D. Iacullo, Irene Chudik, Michael T. Fitzsimmons, William H. Sheppard, John P. Bakay, Jose Vasquez, John Barlow, Dante Pellant, Stanley Skimmer and Joseph Colacovo.

For speeding 75 mph in a 50-mile zone William A. Mulligan was fined \$30 and \$5 costs. Ten-dollar fines, plus costs, were given to Charles Luchosi, Frank Garofalo, Agnes Ciolesse and Constanti Louredis. Robert Creekmore was fined \$25, \$5 costs and given 30 days.

Fines for having no registration card in their possession were given to Edward W. Wrenski (\$3 and \$3), Francis Marano (\$10 and costs). For

permitting his registration to expire, and for delinquent inspection, Harold Dunning was fined a total of \$45.

Barbara J. Bellardino, who was speeding in an emergency, was given a suspended sentence by the judge who said, "I'm certainly not going to fine you for speeding to save somebody's life."

Ignacy Zucek, who dumped stones across his driveway and onto his neighbors property, was ordered to remove the stones. Zucek was brought to court on an open charge.

For banging windows and doors, and making a nuisance of himself, at 234 Steven St., William J. Didam was referred to the Probation Officer after Judge Abromson gave him a suspended sentence on condition that he leave Newark the same day.

Appointment of Robert N. Haidinger as vice-president administration, of the ITT Wire and Cable Division of International Telephone and Telegraph Corporation was announced by Edward C. Utz, division president.

Haidinger has served during the past year as director of administration for ITT Wire and Cable Division, a leading U.S. manufacturer of wire, cable, cord sets, fuses and wiring devices employing approximately 1900 persons.

Clara Maass Hospital Offer Career Advice

Students of the James Caldwell High School spent the day at Clara Maass Memorial Hospital to learn more of careers available in the medical field. The program was designed to acquaint the students with areas of personal interest and to offer guidance in their career planning.

Each student was given the opportunity not only to hear of the various phases of hospital life but was assigned to the department of her special interest.

Mrs. Margaret Snell, Teacher-Nurse at the high school served as liaison officer.

The program was opened at 9:30 a.m. in the Hospital's Founder's Room, featuring an orientation discussion by Harold C. Widman, director of

public relations and personnel.

Following a discussion of careers in nursing by Miss Nancy A. Fiorellino, director of nursing service, others who spoke were Miss Evelyn H. Hamilton, director of the School of Nursing; Miss Margaret Barton, chief medical records librarian; Arno Michlowitz, director of central services and Edward Lettis, chief inhalation therapist who presented a vivid demonstration of inhalation therapy.

Following luncheon, the students spent the balance of the day visiting in departments and areas of the hospital most closely associated with their areas of career interest.

Nearly anybody can tell somebody else how to behave.

Don't Forget to Mention the Business Directory When You Call the Above Listed Firms

Buy Bonds where you work.

They do.

They work for freedom. It isn't a white collar job. Or a safe one. But it is a satisfying one. And the men who work at it think it is so important that more than seven out of ten of them are supporting freedom with their dollars, too—through investment in U.S. Savings Bonds. When *you* buy Bonds, you can save up for a rainy day, a home, a free and comfortable future—and at the same time show these brave men you're on their side.

Join the Payroll Savings Plan where you work or buy Bonds where you bank. You'll walk a bit taller.

New Freedom Shares

Now, when you join the Payroll Savings Plan or the Bond-a-Month Plan, you are eligible to purchase new U.S. Savings Notes, "Freedom Shares," as a bonus opportunity. Freedom Shares pay 4.74% when held to

maturity of just four and a half years (redeemable after one year), and are available on a one-for-one basis with Savings Bonds. Get the facts where you work or bank.

Join up. America needs *your* help.

The U.S. Government does not pay for this advertisement. It is presented as a public service in cooperation with the Treasury Department and The Advertising Council.

OBITUARIES

Mrs. Julia Priante, Belleville Housewife

Mrs. Julia Priante, 65, of Landolfi Home for Funerals, 126 Malone Avenue, Belleville, died January 29 of heart trouble while at Clara Maass Memorial Hospital. She had been a resident of Belleville for 13 years.

Born in Italy, Mrs. Priante lived in Newark for many years. A housewife, she was predeceased by her husband, Movete.

Three daughter survive her: Mrs. Florida Missaggia, 125 Pake Street, Nutley; Mrs. Julia Dellaguzzo, 126 Malone Avenue, Belleville; and Mrs. Gloria O'Rourke, 646 Van Houton Avenue, Clifton. She leaves one son, Enrico, 16 Price Drive, Edison, and seven grandchildren.

Arrangements were made at

503 Union Avenue, Belleville. Services were given at 9 A.M. February 1 at St. Mary's Church, Nutley, and burial was in Holy Cross Cemetery, North Arlington.

Should a driver get into a skid on icy pavement, he should remain calm, the American Automobile Association urges. Don't slam on the brakes. Steer in the direction in which the REAR of the car is moving. Gently decelerate when the automobile is once again going in the proper direction and be careful not to oversteer. If the car is kept in gear, the engine can be an effective brake.

Bertha Leek Was Golden Age Club Member

Mrs. Bertha Williams Leek of 94 Division Avenue, died at Troy Hills House, Parsippany, January 22 after a long illness. A resident of Belleville, since 1919, she was 88.

She was born in Ilion, New York. She was a member of the Wesley Methodist Church, Golden Age Club and Chapter 75, Order of the Eastern Star.

Her husband was the late Benjamin de Forest Leek.

She leaves a daughter, Mrs. Walter S. Murray of Belleville; a granddaughter, Mrs. Peter Luberdazzi Jr. of Belleville; a grandson Kenneth S. Murrany of Belleville and one great-grandchild, Roxanne Luberdazzi.

Services were conducted by the Rev. Warren Sheen of Wesley Methodist Church at the William V. Irvine and Son Memorial Home of 276 Washington Avenue, January 25. Interment was in the family plot, Coram, Long Island.

Alice Morsien Was Good Will Area Volunteer

Mrs. Alice Rossiter Morsien, 90, died January 23 at home. She resided at 96 Prospect Street, Nutley.

Mrs. Morsien moved from Newark to Nutley 28 years ago. Born in Toronto, Canada, she was a member of the Nutley Historical Society and was a volunteer for the Newark chapter of the Good Will Home and Rescue Mission.

She leaves a son, David A. of Nutley; two daughters, Mrs. Harold Crater of Union and Mrs. John P. Novack of Belleville; four grandchildren and five great-grandchildren.

Services were held January 26 at the Johnesee Home for Funerals, 536 Washington Avenue at 2 p.m.

War refugees in South Vietnam and the Middle East, and famine victims in India are among the needy who are fed by contributions to the CARE Food Crusade, New York 10016.

John Carpenter Operated Diner

John E. Carpenter, 71, of 95 Bell Street died suddenly January 20 at home.

He was born in Nyack, New York and has resided in Belleville for the past 43 years.

He was the founder and operator of the "Big Town Diner", Irvington, and the proprietor of the "Canary Sweet Shop", Belleville. He worked as a machinist for Curtiss Wright, Woodbridge from 1961-1962. He was past governor of the Essex Lodge 764 of the Moose. His wife was the late Elizabeth Younge Carpenter.

He is survived by two daughters, Mrs. Harry Hageman of Belleville, Mrs. John White of Edison; a son, John E. Carpenter Jr. of East Orange; a brother, Robert D. Carpenter of Merritt Island, Florida, ten grandchildren and two great-grandchildren.

Services were at the William V. Irvine and Son Memorial Home, 276 Washington Avenue, January 24 with the Rev. John Mair officiating. Interment was at the Restland Memorial Park, Hanover.

Local Freshman Basketball Team Loses Three Games

BY JOHN MCCARTHY
The freshman basketball team's record slipped to 4-9, as they lost three consecutive games this past week. The frosh lost to Nutley, Orange and Montclair.
The Nutley game was the best as the frosh were never behind by more than nine points and ended trailing by only two as the final was 31-29. The Bellboys took advantage of an unfortunate Nutley injury as Art Grutt twisted his ankle which he had sprained earlier in the week.
Even though they tried, the frosh couldn't overcome a 26-

17 lead Nutley had built up while Art was still in the game. Ralph Macri played exceptionally well on his two good foul shots took the Bellboys to two points behind after he and "Roc" Marrotti both sunk important field shots. "Roc" was the Bellboy's high scorer as he netted five field goals for 10 points.
Ron "Moose" Muscara, usually the high scorer was ejected from the game after he questioned Referee Pat Forte on a foul that didn't seem the same to "Moose" as it did to Pat.
The Orange game was a

complete disaster as the frosh lost 71-24. But Moose came back against Montclair as he again was in his familiar spot of high scorer as he totaled 10 points, seven of which came in a beautiful fourth quarter drive, where the team scored 10 points, about 1/2 of their total. The final score was 47-24.
The season will finish with games against East Orange, Essex Catholic and Irvington. These are return games and Belleville has defeated two of these three and hope to do it again.

Belleville Scores Overwhelming Wrestling Victory Against Clifton

The wrestling team of Belleville High School showing true skill and ability scored overwhelming victories against against Clifton 27-15 and West Orange 32-18.
Against Clifton Belleville was unquestionably the more powerful team. Robert Reboli was the spark plug that set Belleville's point making machine in motion with a forfeit good for a five point lead.

John Peraio was barely edged out by Stein in a match that kept everyone on the edge of their seat the entire time. John Zoppi was the winner of a close 6-5 decision on riding time. Jesse Towns shutout Elking 2-0 controlling his opponent throughout the entire match.

In their next three matches Clifton scored nine points to take the lead over Belleville for the first time in the match. Bob Giordano, Mike Ventura and Vincent Godleski were all decided in close matches.

Belleville's next four wrestlers did what they have been doing the entire year bringing Belleville back into the match and this time all the way to the victory.

Allen D'Augustino and Jim Wille both won 7-2 decisions to put Belleville back into the lead 17-15.

Bob Bonfante who had been leading by points throughout

most of the match pinned his opponent in the third period to clinch the match for Belleville 22-15.

Barry Peirce put the icing on the cake with his sixth pin of the season in the second period to cop off a 27-15 win. In a previous match Belleville crushed West Orange 31-17. Belleville dominated almost every weight class never giving up their lead once the entire match.

Robert Reboli got Belleville going with an easy 1-0 decision over Haas. John Peraio was decided by Sniffman in a close match. John Zoppi followed with his fifth pin of the season in the third period bringing about five points for the Bellboys.

Dana Nappi kept Belleville going with a stirring 4-1 decision over Kelly. Jesse Towns and Mike Ventura both scored second period pins for Belleville, however, this was counteracted by pins to Bob Giordano, Vincent Godleski and Allen D'Augustino which kept it a close contest all the way to the final three matches.

Jim Wille gave Belleville a little more breathing room with a 3-0 decision over Naparano. Bob Bonfante clinched Belleville's victory with his second pin in a row. This time Bonfante put Casperino away in the first period to

Girls Basketball League Halfway Through Season

At the half-way point the Aces have taken command of the Recreation Junior Girls Basketball League.

With a 5-0 record and with having faced each team in the League the Aces are the power. In Second place is the Meola Mob with a 4-1 standing.

The Mob's only loss was to the League leaders. Not to be counted out are the Hell's Angels who have split their game to hold a 3-3 record. Both the

Septettes and the Cool Cats have a 1-5 standing.

Competition in the Junior Girls Basketball League goes on at the Junior High School each Monday evening.

Warriors Remain Unscathed In Junior Basketball League

Only the Warriors have remained unscathed in the Recreation junior Basketball League.

They go into their last game of the schedule with an 8 - 0

Gardens Lead Mens Basketball

In the Recreation Department Mens Basketball League the Gardens, with their 6 - 1 record are in the lead.

Interestingly, their only defeat came from the Robsons who are in second place with a 6 - 2 record. Robsons two defeats came from the fourth place Union Cafe and the fifth place Sons. In third place is Stash's standing 5 - 2.

As for the rest of the teams, they now stand: MacDonalds Tavern 2 - 5 in sixth place; White Oaks Liquors 2 - 6 in seventh place; and Belleville

reord. But in this last game they meet the hard fighting Falcons who boast a 7-1 record which ties the Knicks for second place.

It must be conceded that the Warriors have a slight edge in that they beat the Knicks and it was the Knicks who gave the Falcons their one blemish.

Political & Social Club 0 - 8 in eighth place.

Winners in last week's games were: Stashes 41-20 over the White Oaks; Union Cafe 43-33 over MacDonalds; Robsons 62-27 over BPSC and the Gardens 46-35 over the Sons.

There are four positions for the Championship Playoffs and that fourth spot is also subject to change. At this writing it is held by the Vultures 5-3. However, in the final game the Vultures must meet the Saints, 4-4.

The Saints could come marching into the play-offs. The League could end with a three-way tie for first place. In fact several upsets could occur.

This will remain an exciting League right to the wire.

In last weeks battles the Nightmares surprised the Psychos to win by a 21-18 score. The Warriors win over the Trotters was a 20-18 squeaker.

In the Knicks - Falcon melee it was the Knicks by 26-22. The Vultures dealt out a 36-24 drubbing to the Bullets and the Saints tamed the Jaguars, 24-19.

Newark Drafts Boards Move

Newark Local Draft Boards, No. 15, 16, 17 and 18 have moved from their old location of 1060 Broad Street, Room 301, Newark, to the new Federal Building, 970 Broad Street, Seventh Floor, Room 705, Newark.

When you get rid of the idea that your mission is to regulate other people you are in a position to improve yourself.

Pole beans and strawberries require more hand labor than any other Florida crop. Most picking is done by tribes of Seminole Indians.

The Trimline® telephone: ten pushbuttons and one recall button come to you.

Pick up the handset of the compact Trimline phone. Examine the ten lighted Touch-Tone® buttons that let you "dial" twice as fast. Notice the recall button: now you don't hang up to make a second call; you just push the recall button to get a dial tone.

Because you don't need to see the base to call, you can put the Trimline phone almost anywhere. It's a real space-saver, and its cord is a convenient 18 inches longer.

The cost of a Trimline phone? Only pennies a day. And there's no extra charge for color. If you want Touch-Tone service, the additional Touch-Tone charge covers all the phones on your line.

To order Trimline phones in wall or table models, just call your Telephone Business Office. Also available with standard dial in new compact design.
