School Budget

Voter's Reject Financial Plan

A school budget to educate 5,400 pupils in the district for 1968-69 was overwhelmingly defeated by town voters this week.

The financial plan had been defeated earlier this month by a small margin of votes.

The budget had been reduced \$36,800 by the school board and presented once again to the voters. \$3,000 had been eliminated from the capital outlay account and \$33,800 trimmed from current expenses.

Cherry Queen Sought

The search is on for Miss Cherry Blossom of 1968.

Plans for the annual Cherry Blossom Festival sponsored by the Belleville Jaycees have been completed. Harry Breckenridge, festival chairman, announced the annual parade will be held on April 21, with the Beauty Pageant slated for May 14.

The Jaycees are seeking Belleville's prettiest young ladies to compete for the title of "Miss Cherry Blossom 1968." The winner will receive a \$500 scholarship. Second prize is a \$250 scholarship and third place brings a scholarship of \$125.

An added feature of winning the title will be the "Queen's" (Continued On Page 2)

Town Tries To Prevent Muggings

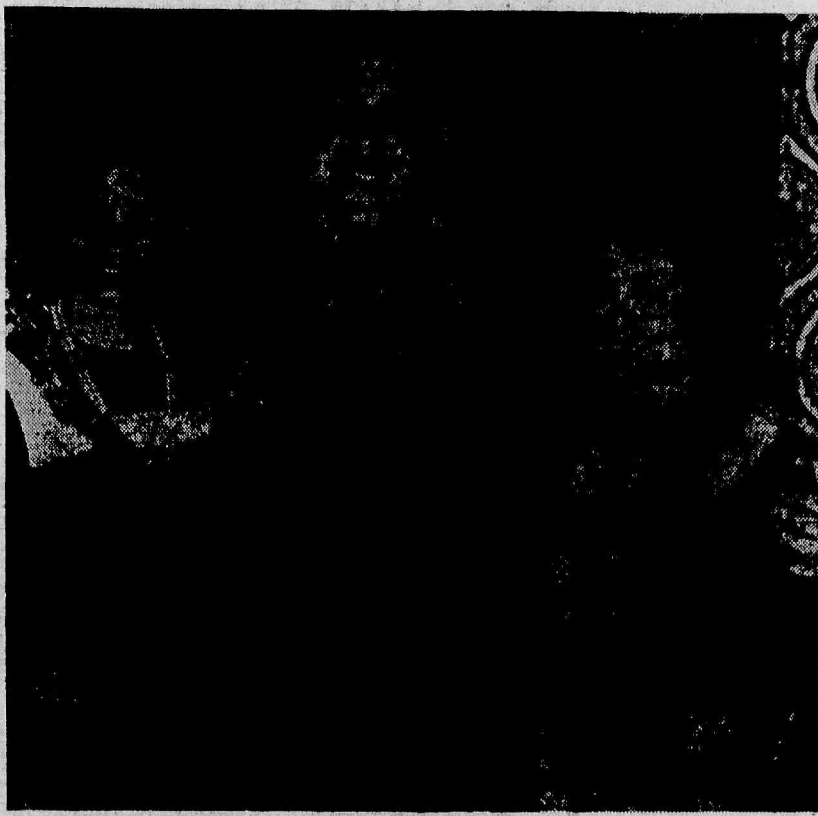

Because of numerous episodes of purse-snatching and mugging, Belleville is engaging in a drive to lighten and brighten the streets.

Work will begin again soon in the Silver Lake section, according to Mayor Kenneth D. Smith. The changes in the section, which mainly involve replacing lights with stronger lights, was partially completed.

Recent work involved about 40 changes in lighting on Franklin Street, Belmont Avenue, and Stephens Street, the Signal Division reports.

Forty-two violators received fines for speeding of fifteen dollars and costs of \$5 in Belleville municipal court recently. The presiding judge was Edward J. Abramson.

The traffic violators are: Thomas Contino, George Sorrentino, Bernard R. Farber, George A. Corbo, Gerald Romanowski, Carol M. Spatuzzi, Mildred L. Judge, Martin W. Moran, Marilyn Scharg, Henry Lewis, Lewis J. Castiglia, Jr., Leonard W. Cole, John P. Fisher, William Illingworth, Morton Liebman, Alvin Walt. (Continued On Page 2)

ANNUAL MARDI GRAS — Emil Casale, president of the Italian American Civic Association in Belleville, presents awards to Miss Myra Ceres and Miss Mary Liloia both past valedictorians at Belleville High School for their scholarship and leadership abilities. The presentation was made at the group's second annual Mardi Gras held Saturday evening. See photo on page 8.

Belleville Italian-American Civic Group Gives Awards at Festival

The Belleville Italian-American Civic Association honored two young residents of Belleville at its second annual Mardi Gras dinner and dance held at the Holiday Inn.

Receiving awards were Miss Mary Liloia and Miss Myra Ceres Valedictorians of the classes 1963 and 1965 of Belleville High School.

They were chosen from among Belleville High School valedictorians within the last five years. Consideration for these awards were based on their scholastic and leadership accomplishments after their high school days.

At the present time Miss Liloia a graduate of Montclair State College is teaching Spanish at Nutley High School. While attending Montclair State College she was on the Dean's List during her freshman, sophomore, junior and senior years, graduating summa cum laude, highest honors in grade point average.

She was also a member of Kappa Delta Pi, a national honor society in education; Sigma Delta Pi, the Spanish honor society; and Delta Alpha Chi, a social sorority of which she was vice president.

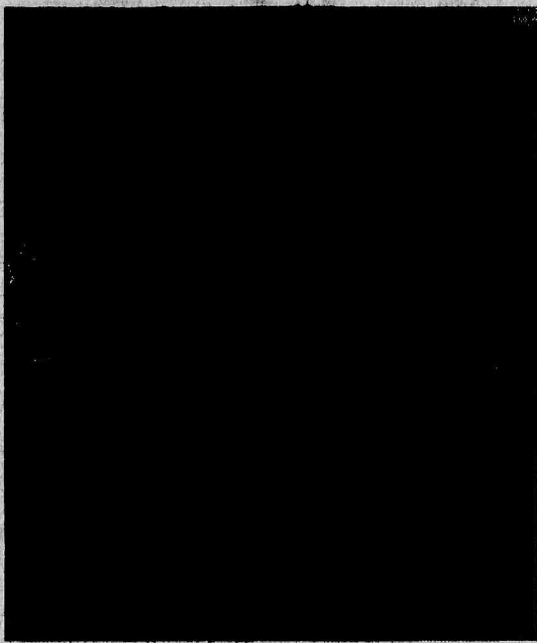

Miss Myra Ceres is now a junior at Montclair State College where she is majoring in mathematics. She attained the grade point average for the dean's list during her freshman, sophomore, and junior year.

Miss Ceres is a member of Kappa Delta Pi, an honor society in education; Kappa Mu Epsilon, the mathematics honor society of which she is secretary; and Delta Alpha Chi, a social sorority of which she is treasurer. After graduation from Montclair State College, Miss Ceres plans to teach mathematics.

The awards were presented by Emil Casale, president of the Belleville Italian-American Civic Association.

Anthony Di Geronimo and (Continued On Page 2)

Darlene Sawicki, 16, First Teenager To Collect \$100 'Big Win' Jackpot

JUNIOR IS BIG WINNER — Darlene Sawicki, 16, is the first teen-age winner of the Big Win Contest, sponsored by Belleville merchants and The Times. After figuring out the correct mystery sentence, Darlene collects \$100 in "spending money" certificates from Arthur Jackson, manager of Jolly Drive-In Cleaners & Launderers, 300 Washington Avenue. Darlene is a junior at Belleville High School.

Belleville Commissioners May Take Leadership Development Program

The Belleville Community Council, a local non-political civic organization, has invited the Board of Commissioners this week to participate in a college program which is geared to "get the people to understand government and the government to understand the people."

Richard Morgen, president of the community council, met with town officials to determine whether they would care to join an entourage of Belleville civic leaders in what essentially boils down to a leadership training program sponsored by Rutgers University.

The project, which has seen successful results among town officials from Teaneck and at White Plains, N. Y., could form a meaningful basis upon which town fathers in Belleville could solve important local problems, the council said.

Apparently, the community council is eager to provide an opportunity for current town leaders and those persons in the community who show leadership potential to expand their abilities and sharpen the finer points of communicating with people.

It would seem that a lack of communications with town residents, factional misunderstanding within the town and an absence of trust fostered by confusion are many causes for Belleville's impulsive public attitudes.

Indeed, it is a lack of communications attached to illusions of rank duplicity on an official level that is causing new headaches in Belleville today, although these problems have not changed over the past 10 years, observers say.

Indeed, it is a lack of communications attached to illusions of rank duplicity on an official level that is causing new headaches in Belleville today, although these problems have not changed over the past 10 years, observers say.

Town Health Officer Will Finally be Paid

Dr. J. Richard Bevinetto, Belleville's full time health officer will finally be paid.

The Board of Commissioners during a peaceful meeting this week, endorsed Commissioner Vincent T. Strumolo's long term request for a full time health officer in Belleville, a community of 40,000 residents.

Commissioner William Cullen swung the meeting into other business when he announced that town recreation facilities would be expanding.

His remarks were sparked by a recent conversation with a Belleville woman who requested that the town take action to construct an indoor skating rink.

Cullen said not only was this suggestion impractical, it was financially out of line. He said such a project would cost more than \$400,000.

Cullen said the town should be proud of its 10 supervised summer playgrounds and the many indoor and outdoor supervised facilities within the community.

He said these facilities are comparable to any in the area. He added that approval of the master plan would establish groundwork for the expansion of the stadium area.

Cullen and his commission colleagues authorized the purchase of sporting supplies and equipment for use in his department.

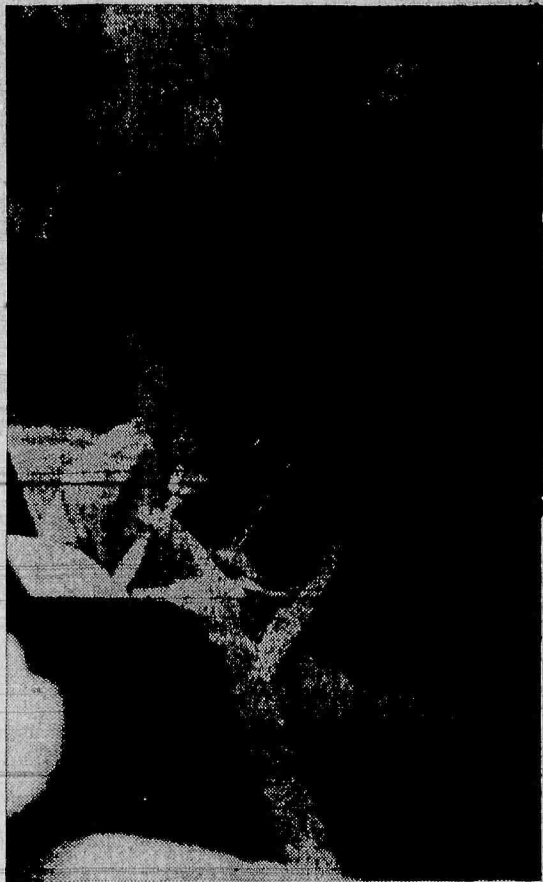

Reverend Frederick Long, of 393 Washington Avenue, Belleville, was appointed by Mayor Kenneth D. Smith as a trustee to serve on the Board of Trustees of the Free Public Library for a term of five years commencing tomorrow and terminating on February 28, 1973.

Belmont Ave. Said Unsafe By Engineer

The Department of Public Works and the municipal engineer have reported that Belmont Avenue from Franklin St. north to Newark Avenue, is presently in an unsafe condition due to the caving in of portions of the pavement causing the road to be dangerous for use by trucks over four tons in gross weight.

The Town of Belleville has initiated proceedings to effectuate the reconstruction of the street.

Mayor Kenneth D. Smith has declared that an emergency exists with respect to the public street and that motor carriers having a weight of four tons or over be prohibited from using the street except for pickup and delivery for a period of 90 days pending the reconstruction of the street.

BAND REHEARSAL — A Belleville High School, band trombone player prepares for Friday's musical revue at the high school auditorium at 8:15 p.m. The money from this revue will be utilized for the annual band trip. This year the music organizations will bus to Virginia to participate in the Azalea Festival Parade.

Botanical Garden Won't Have Man Eating Plants

The New York Botanical Garden wishes to assure visitors to the New York Flower Show March 2-10, at the Coliseum that none of the Nepenthes in its Tropical Garden are man eating.

In fact, while these insectivorous plants, more commonly known as Pitcher Plants, occasionally dine on winged insects they can spend a day with their mouths wide open and have less luck than a weekend gardener who takes a half hour snooze near the compost heap.

Walter Kidde Company To Open Additional Plant

Plans for the opening of an additional plant for the S. W. Farber Division of Walter Kidde & Co., Inc. have been announced by the company. The plant will occupy a 120,000-square-foot building in Yonkers, New York, and will increase Farber's production capacity by 75 per cent. Operations are scheduled to begin in March. S. W. Farber manufactures

"Farberware" electric appliances and aluminum-clad stainless steel cookware. According to Isidor Farber, president of the Kidde division, highly increased demand for both product lines necessitated the additional production facilities.

The division's executive offices, now located at Farber's existing plant in New York City, will be located at the Yonkers plant.

Mundy, Eugene Kaufman, Joseph Segari, Nicholas B. Gentile, Nannie A. Lee, Joseph J. Serio, Horace Solomon, Jr., Alphonse V. Zito, James A. O'Neil, Milton H. Zimmerman, Sol Gaines, and Perseverando Miranda.

For driving while under the influence of alcohol Edward Postol was fined \$250, costs of \$25, and has had his license revoked for two years.

Fifteen speeders lost their licenses for thirty days, in addition to receiving fines: Seymour Kaplan (\$28 and \$5); Thomas Twomey (\$25 and \$5); Roberto Martinez (\$28 and \$5); David Marsh (\$10 and \$5); Cary Kinaluk (\$25 and \$5); Philip Prekel (\$25 and \$5); John Biondi (\$25 and \$5); William Thompson (\$25 and \$5); Robert J. Grasso (\$25 and \$5); Salvatore R. Casemo (\$25 and \$5); James A. Livingston (\$25 and \$5); Flora W. Grosse (\$15 and \$5); Howard S. Maggarr, Jr. (\$20 and \$5); Ralph Marzigliano (\$15 and \$5); and Philip A. Salmeri (\$25 and \$5).

The following received various fines for speeding: Joe Green (\$20 and \$5 and \$25 for contempt of court); Jimmy Taylor (\$20 and \$5); Selwyn H. Cain (\$20 and \$5); Elmer M. Brown (\$20 and \$5); John Hucheson (\$10 and \$5); Rosemary Cass (\$5 and \$5); Thomas Sullivan (\$10 and \$5); Lucille Amato (\$10 and \$5); John

Sokol (\$30 and \$5); Raymond Rave (\$5 and \$5); Peter D. Noto (\$10 and \$5); Charles J. Telm (\$5 and \$5); Sylvester M. Wagenti (\$5 and \$5); Joseph Brummond (\$10 and \$5); Edward Alter (\$25 and \$5); and Loretta Weingardner (\$20 and \$5 and \$15 for contempt).

For driving without a license Gregory P. Mayes was fined \$100 and costs of \$5. A charge of possessing stolen property, brought against Mayes, was referred to the Grand Jury, as were charges against the following: Judith Vespucci and William F. Kirkpatrick, possessing stolen property; and Paul Falk, breaking and entering and larceny.

Leonard I. Epstein was fined \$25 and costs of \$5 for careless driving; William Compo was fined \$5 and \$5. Compo was also fined \$25 and \$5 for driving without a license.

For offenses against the inspection and registration laws the following received fines: Timothy Mulrenan (\$30 and \$5); Isadore Greenberg (\$10 and \$5); Carlos J. Maldonado (\$10 and \$5); William E.

Smith (\$20 and \$5); Anthony Parrillo (\$10 and \$5); Jet Electronics Company (\$15 and \$5); Herz Corp. (\$15 and \$5).

Joseph Marano was fined \$3 and costs of \$2 on an abandoned vehicle charge.

For ignoring traffic signals the following fines were imposed: Orlando Barone, \$25 and \$5; and Ralph Sorroche, \$10 and \$5.

86 Point Rise Belleville Commission Introduces Budget

Belleville's budget (for all purposes) will reflect an 86 point tax hike.

The Belleville Town Commission introduced a budget of \$10,930,544, an increase of \$1,029,044. The total tax levy of \$9,201,513, an increase of \$820,631, increases the tax rate 86 points to \$5.43.

Of the total tax levy, the municipality part is \$2,623,018, an increase of \$246,757; the school amount is \$3,709,032, an increase of \$249,889; the county segment is \$2,682,493, an increase of \$325,155, and the veterans and senior citizen allowance is \$171,970.

The \$10.9 million budget figure includes a general appropriation of \$4,357,049 for municipal purposes, which is reduced by \$1,729,030 in anticipated revenues other than current property taxes.

The budget is \$371,860 less than the tentative budget released two weeks ago by the commissioners, which showed a 107-point increase in the tax rate.

The municipal debt service is \$121,410, an increase of \$22,844.

The largest increases in the municipal budget are for police and fire department wages. The wage figure for the police is \$729,100, an increase of \$129,458, and for firemen, \$658,550, an increase of \$94,289. Mayor Kenneth Smith, direc-

Joseph Cervasio Elected President Of Cornell's Men's Honorary Society

Dean Rusk, are outstanding members of this honor group. Joe Cervasio, a halfback on Cornell's varsity football team, played a prominent role in Cornell's successful football record of 6-2-1.

Cornell head football coach Jack Musick revealed to former coach Tom Testa in a recent conversation that he was very proud of Joe's ac-

complishments and that Belleville should be justly proud also. Joe is also secretary of the Psi Upsilon Fraternity and a member of the Dean's Scholar List.

Joe was president of the 1965 Belleville High School Senior Class and co-captained the 1964 Bellboy Football Team.

Belleville Area Agent Wins Prudential Kudos

Vito Montalto, of 101 Fellswood Drive, Livingston, has been named the Prudential Insurance Co.'s leading Newark North district agent for 1967. Montalto serves The Belleville area.

Montalto's achievement was announced today by Leonard

J. Gigantino, head of the district. He said Montalto's total sales of \$517,735, of all types of Prudential insurance, with annual premiums of \$14,171.22 topped those of all other agents in the Newark North district. Montalto has been a member of Prudential's Newark North staff since 1958.

Belleville Woman's Club Holds Membership Tea

The Evening Membership Department of the Woman's Club of Belleville held its Membership Tea on February

21, 1968. Mrs. William R. Kropp, past vice-chairman of the Eighth District Evening Membership Department, New Jersey State Federation of Women's Clubs and immediate Past President of our Woman's Club of Belleville was the guest speaker.

Sebastian Sica Heads Upsala Senior Gift Fund

Sebastian A. Sica, a senior at Upsala College in East Orange, is a class agent in the 1968 class gift committee and will attend the "Kick-Off Dinner" at the Hotel Suburban in East Orange on February 27.

A graduate of Belleville High School, Sica majored in business administration at Upsala. He is a member of Rho Alpha Phi fraternity, and received varsity letters in both football and track.

Sica is the son of Mr. and Mrs. Anthony Sica of 72 Naples Avenue in Belleville.

The Senior Gift Committee will personally solicit members of the Class of 1968 to contribute to the college as part of the senior gifts fund. The goal this year is \$5,000. Initiated in 1959, the funds of successive classes have contributed over \$31,000 to Upsala.

Mrs. Kropp spoke on "How Do You Get That Way?" She explained that individuals work together in their Club and each Club works with their District, the State with their District, the State Federation and the National Federation of Women's Clubs. Mrs. Kropp spoke of many interesting facts about the accomplishments of the Woman's Club as a state and local organization.

Mrs. Fred Vogel and Mrs. Biasadecki were welcomed as new members to the Evening Membership Dept.

Our next meeting will be March 20, 1968, American Home Night. Mrs. Michael Kiszkiel, chairman.

Hard work makes almost any job easy; backing off and delaying the job makes any undertaking impossible.

The laugh is the most powerful of voice weapons.

Cherry Queen

right to represent Belleville in the Miss New Jersey contest in July, where she may win up to \$1000 and become eligible for the Miss America contest.

To qualify girls must meet the following requirements:

1. She must be a resident of Belleville or attend school here.
2. She must be between the ages of 18 and 25.
3. She must be a High School graduate by September.
4. She must be single and never have been married.

The deadline for entering the contest is April 11. Applications may be secured from the following Belleville merchants: Royal Shop-Rite; Jolly Cleaners, Flowerama, Kondreck Studio and W. T. Grant. Applications may be requested by dropping a note to Belleville Jaycees, Box 231, Belleville.

Civic Group

(Continued From Page 1)

Jerry Carbone served as chairman and co-chairman respectively.

The Italian American Civic Association will honor one of its brother members, Gerald Ferrara at Joe's Restaurant on Friday.

Ferrara was recently appointed by Governor Hughes as Commissioner to the Board of Elections. Serving on the committee for this occasion will be Vincent Vecchione, Al Maccia, Emil Casale, Joseph Lilioia, Phil Maiorca, Aldo Di Chiara and Tony Di Grolamo, limo.

On the reception committee will be Jerry Carbone, Steve Rappa, Pompey Molinaro, Victor Cioni and Frank Ceres.

Greylock School 5 To Hold Card Party

Greylock School 5 will hold a card party on Monday, March 11, 1968, 8 p.m. at the Belleville Senior High School.

A special feature of this year's event will be a display of wigs and wiglets featuring Vincent Polito of Salon De Vince, Caldwell, and Fred Marra of Chancellor Coiffures, Newark.

Many exciting prizes are in store, among these being a G.E. Portable Dishwasher, a G.E. Portable Television and

a fashionable wiglet. Refreshments also await those who plan to attend this delightful affair.

Belleville Adult School to Feature Course about Sexual Development

The Belleville Adult School, with its first classes of the spring semester starting on March 26, is offering several courses not available before in this area. Among these are Sex Education for Parents, General Woodworking - Furniture Repair and Refinishing, and Home Hairstyling.

The course on sex education is being taught by Mrs. Arlene Cusick, a registered nurse and full-time member of the teaching staff of Belleville High School. Mrs. Cusick has gained a state-wide reputation in this area as a result of her many speaking and lecture appearances

on the subject. The course will provide an opportunity for parents to develop a better understanding of the present-day goals of sex education. Mrs. Cusick will offer instruction in the anatomy of the reproduction process; the promotion of understanding concerning the normal aspects of sexual development; information concerning venereal disease; and study of the basic patterns of individual family living that promote mature expressions of sexuality. Extensive use will be made of various audio-visual devices, guest lectures, and discussion-answer periods.

Ted Gabry, member of the

high school's Industrial Arts Dept., will offer a course in furniture repair and refinishing. Here will be found an opportunity to repair and refinish odd pieces of furniture from the home and to make new pieces if so desired. Most homes could make use of a new bookcase, corner cupboard, cocktail or barbecue table. The complete facilities of our new, completely equipped woodworking shop will be at your disposal. Why not "do it yourself?"

A third course that is expected to find wide acceptance in the area is that of Home Hairstyling. The course will provide the student with an understanding and knowledge of today's modern hairstyles. Some of the topics to be taught: good grooming of the hair, individual styling, roller sets, pin curls, combing out of the set, makeup (the proper way to apply, the right tone for your complexion, and caring for your skin). Registration in this course is limited so early response is advised.

Brochures describing these courses and others will be in the mail and available throughout the town by the first week

Gerlad Van Nest Ends Industrial X-Ray Course

Gerald Van Nest of 105 Division Avenue, Belleville, has completed a special training course in industrial radiography given by Picker X-Ray Corporation in Cleveland. Van Nest is associated with Wolf-erz Alloy Corporation, 20 Park Street, Belleville.

The course, "Industrial Inspection with X-rays," tackles such diverse problems as x-raying jet aircraft parts for possible flaws and televising the interior mechanisms of tiny microswitches. Other objects inspected for concealed defects range from heavy welds in boiler plate to hair-thin wires in transistors. Lectures, seminars and workshop sessions are included in the training program

in March. Registration may be accomplished by mail with forms from the brochure or in person at the high school any week day between 9 a.m. and 4 p.m. In addition, registration may be made from 7 to 9 p.m. on the evenings of March 18, 20, 21, or 25 at the high school.

Further information may be had by calling 759-4701 between 9 a.m. and 4 p.m. and asking for Mrs. Sanders.

which is given by industrial x-ray specialists under the supervision of Mark W. Rosumny, industrial radiography consultant for Picker X-Ray. Trainees "practice" on advanced-design industrial x-ray equipment, attend classroom lectures, complete homework assignments and take a final exam.

Object of the course is to acquaint manufacturers and users of consumer, industrial, military and "space age" products with the latest techniques in the science of radiation testing, a method of inspecting materials and components for hidden flaws without first taking them apart. Non-destructive testing procedures of this kind are being used increasingly in a broad cross-section of industry that extends from the construction of supersonic jet planes, manned space vehicles and nuclear-powered submarines to the manufacture of sporting goods and the packaging of food and tobacco products.

The courses are given at the applications laboratory of the Picker Industrial Products Division in Cleveland.

The Picker company, one of the world's leading manufacturers and distributors of radiation and nuclear equipment for medical, industrial and research use, is affiliated with C.I.T. Financial Corporation.

New Boystown Dorm Will Cost \$1 Million

Construction will start this Spring on a \$1,000,000 dormitory at Boystown, Kearny.

A Major Turning Point

Something happened Monday night at Town Hall which may go a long way toward bringing more official peace and cooperation to our community.

The Board of Commissioners unanimously voted to create the full time post of Health Officer, a position Public Affairs Commissioner, Vincent Strumolo, has been requesting for several months. The action took place at the regular semi-monthly meeting of the Commission.

We hope the unanimity of the Commission on this question ushers in a new era of good will among our Commissioners.

While we do not expect Commissioners to supinely surrender their authority and responsibility merely for the sake of harmony, we expect differences of opinion among them to be kept within the bounds of impersonal references.

Belleville is extremely fortunate in having five Commissioners who are honest and whose prime objective is good government. Some of the hardest

working public officials this Town has ever known are members of our present Commission. However, the fact that this is so does not place members of the Commission beyond the scope of public criticism for their official acts. During the course of their term of office there will be times when we will agree with acts of the individual Commissioners and there will also be times when ours will be the voice of dissent.

We are happy the dispute over a full time Health Officer has been resolved with Commissioner Strumolo receiving the go ahead sign to upgrade a vital public service.

When it comes to the health and safety of our citizens Belleville must insist upon the best. The full time Health Officer is a step in the right direction.

We congratulate the Commission for its action — belated as it is — and especially commend Commissioner Strumolo for his diligence in pursuing a cause he believed to be in the best interests of our citizens. F.A.O.

The GOP Laugh

David Goldfarb, the political hack who is the South Orange Republican leader, now appears to be a high class Consultant On Aging. Just how he qualified as an aging expert by getting experience driving a taxi cab is a little difficult for us to comprehend.

Daily press releases attempt to lead us to believe Mr. Goldfarb's appointment to this unnecessary job was made by the Essex County Welfare Board without any political influence.

With more than a million residents in Essex County, among whom are thousands bearing superior qualifications for the Welfare job, it is inconceivable to us that the appointment was made without political consideration.

The appointment was made by a Democrat controlled group. Mr. Gold-

farb is a crony of the present Republican County Chairman, Mr. William F. Yeomans. It might be of interest to refresh the recollection of our readers of the fact that the present Board of Freeholders was organized with the help of a Yeomans-Democrat.

We believe the Goldfarb appointment is just another piece of evidence linking the Yeomans leadership with a certain element of the Democrat party.

Voters who may be induced to participate in the anticipated June primary fight may want to recall the bipartisan deals of the Yeomans leadership. A Republican voter will no doubt find the Yeomans candidates on a ballot line identified as "Organization Republicans" — another way of saying — wheelers and dealers. F.A.O.

Voters Act Wisely

Last Tuesday's Board of Education election results were not all bad. Although the budgets went down to defeat the three incumbent candidates won reelection. A great tribute to the wisdom and selectivity of our voters.

Mrs. Norma McCool, Dr. Frank DiRuggiero, and Board President Rocco Saletta had compiled outstanding records in office which merited the support of our voters.

What price public service, if after giving your all to a job (unsalaried), the voters reward a public official with the back of the hand. The reelection of Mrs. McCool, Dr. DiRuggiero and Rocco Saletta will act as a stimulant for other well qualified citizens to become more civic minded.

The losers need not feel embarrassed because they failed to win. For

Mr. Joseph Casale, age 28, this was his first venture in politics. He has much to offer our community. Mr. Casale bears an illustrious family name. We trust this experience will encourage him to continue his interest in Belleville's civic life.

Mr. Michael Albertine again came close to the winners' circle but didn't quite make it. For him there is always next time.

Messrs Carmen Castellano and Joseph D'Ambola ran pretty much as most informed election experts expected. While for them the campaign may have proven to be an exercise in futility they should take comfort from the fact their very presence in the race aroused greater voter interest and obliged other candidates to conduct more informative campaigns. F. A. O.

Three - Day Holidays

The New York State legislature recently enacted legislation which would create five three-day holidays by making Mondays nearest legal holidays the official days of observance of traditional holidays.

The holidays affected were Washington and Lincoln's birthdays, Memorial Day, Independence Day and Veterans Day. On whatever day of the week these holidays fall they will be observed on the following Monday, so that workers can enjoy the benefits of a three-day weekend.

The action in Albany is in keeping with a developing trend toward three-

day holidays, a trend which seems likely to become widespread.

With three free days families can plan holidays, including trips, that would not be feasible with only one day. The proposed world calendar would provide for similar three-day, Monday holidays in place of traditional fixed-date observances.

But the world calendar seems to be a distant hope, at best. The legislature in New York is acting now; it is logical to expect additional states to act since the three-day weekend has proven highly popular with workers wherever tried.

broker would probably mail him. Operations could thus be carried on more speedily and the cumbersome process of mailing out large certificates would end.

Government bonds have long been distributed in a convenient size and there seems no valid objection to the phasing out of traditional, large and colorful certificates. Of course, for those who paper their walls with certificates of shares in companies which end up on the rocks there might be a disadvantage in the new system.

Seems Only Yesterday

ONE YEAR AGO

The citizens of Belleville faced a personal property tax rise of 71 points if the Town Council adopted its budget for 1967. The total financial plan amounted to \$8,350,560, a rise of \$876,168.

Belleville's shopping district was up in arms when plowed snow banks blocked some merchants and made driving and parking generally difficult for shoppers a full six days after the storm.

FIVE YEARS AGO

The Crippled Children's committee of Belleville BPOE Lodge made a contribution of 100 dollars to the Kessler Institute for Rehabilitation in support of its program for disabled children.

The newly reorganized Board of Education approved a resolution calling for a school district bond sale of \$2,982,000.

TEN YEARS AGO

In a ceremony held at the Robert Treat Council's Fellowship Dinner Henry Mianian, Principal of Schools 2 and 10, was presented with the Silver Beaver Award, second highest award given by the Boy Scouts of America.

American Legion Post No. 105 installed 21 new members into its organization.

Belleville voters defeated the School Budget for the second time by a margin of 1118 to 519.

15 YEARS AGO

An ordinance designed to protect existing florist shops from unfair competition during three periods of the year, Easter, Mothers Day and Christmas was introduced on first reading by the Board of Commissioners at the request of Attorney Robert Gruhin, representing Belleville's four florist concerns.

Four members of the Board of Education were commenting a statement issued by Max N. Schwartz, Board attorney in answer to statements made in a paid advertisement inserted in the Times-News by another member of the Board.

20 YEARS AGO

Despite opposition, Mayor James Tully refused to change the route of the No. 37 Public Service in Silver Lake. Tully said he had made a thorough study of the route with Public Service officials and saw no reason for putting the bus on its former route.

A Belleville man was arrested in Passaic and released on \$250 bail pending his appearance in court on charges of drunken driving.

A petition signed by sixteen women protesting the removal of a School Crossing Guard at the corner of Franklin Avenue and Joralemon St. was heard by the Town Commission.

30 YEARS AGO

Mr. and Mrs. Harry L. Wykoff of Hornblower Avenue, Belleville, spent the weekend with relatives in Cold Springs, N.Y.

A musical review and dance was held in St. Peter's auditorium under the auspices of St. Peter's Choir Club.

Herbert C. Schmutz, president of the Board of Education, named six prominent Belleville citizens to the school athletic council.

40 YEARS AGO

Mrs. John Zipf was hostess to the Belleville Nutley Bridge Club at her home on Walnut Street.

The Silver Crescent Orchestra, a group composed of boys and girls, mostly high school freshmen, began a series of semi-weekly performances in the high school.

Belleville High's annual senior class play was a comedy entitled the "The Three Live Ghosts."

50 YEARS AGO

The Board of Education asked citizens to sanction a \$60,000 bond drive which was to help pay to rebuild School No. 4 which was destroyed by fire earlier in the year.

Mr. and Mrs. Charles R. Carswell returned home after spending the weekend with their son in Washington, D.C.

Speak Up

Chairman Of Decency Committee Objects To Article On Pregnant Girl

To the Editor;

The Times-News:

As chairman of the Public Decency Committee of the Belleville Council 835, Knights of Columbus, I must vehemently object to the article on page 2 of the January 25, 1968 issue of your newspaper. This article is entitled "Pregnant 12-Year Old Girl Swears Sister's Husband Did Her Wrong."

I will readily admit that this story has news value, but did you have to feature it with a four-column head. A man is innocent until proven guilty, but you by your blazen article and the fact that you gave his occupation and his several addresses, have condemned him as charged. Even the judge stated, "I don't say that he is guilty." This is a quote from your article. However, you found him guilty.

One of my committee, in expressing his opinion, said that he had hoped that the Belleville Times was a Family paper but he would not let his children see this particular edition.

Please understand that we are not trying to suppress news but this story could have

been handled in a less obscene manner. It would have been better for your paper to devote the space used for the above mentioned story, to a more pleasant-charitable endeavor by a Belleville citizen or group of citizens.

Very truly yours,
William E. Caffrey, D.D.S.
Chairman of Committee on Public Decency.
94 Bridge Street
Belleville, N. J.

Parents Must Give Support To Teachers

To the Editor,

The Times-News:

Weak, non-school-supporting parents manifest a license for their youngsters to act senselessly and disengagingly in a parent delegated public institutional program designed to help develop student capacities. Though many governmental, state, and local educational programs are attempting to bridge the parent irresponsibility gap, the parent remains the natural force that can totally involve their youngsters in the classroom.

If the prime teachers (parents) would communicate with and motivate their young, by connecting their needs with the school objectives, insist on homework completion and supplement teacher efforts, follow up poor grades and encourage good performance, discipline their children, come to parent-teacher meetings to exchange genuine insights with teachers, and back-up the parent delegated authority of the school, there would be quality schools and teachers in all communities. These prescribed needs for youngsters living in abnormal homes could be satisfied by the many community groups who profess the helping of thy neighbor.

Functioning parents (strong, concerned, supporting, religious) of the past, and present do actualize the school objectives of: self discipline, knowledge of the past, moral values, improving our way of life, faith, and meeting individual needs. These realizations are needed to reverse some disturbing trends in our society, and reinforce a searching for peace of mind, a reason for living, and a personal relationship with God.

A Newark Public School Teacher
Modestino P. Furlano

She joins Vincent 12, Karen 10, Glenn John, 2. Mr. Steele is a bus operator with Public Service Coordinated Transport.

Adolescent & His World Topic of Mr. Duffy's Talk

Eugene C. Duffy, school psychologist, will speak on the topic, "The Adolescent and His World," at the meeting of the Nutley Branch, American Association of University Women, at 8:15 p.m. on Thursday, March 7 in the Historical Society Building at 65 Church St. Mr. Duffy received his training in psychology at Rutgers, the State University, and served an internship in clinical psychology with the Mount Carmel Guild Special Education Department in Elizabeth and Newark. Prior to this he

had earned a Master of Arts degree in personnel and guidance administration from Seton Hall University and a Bachelor of Science degree from East Stroudsburg State College in Pennsylvania. He is presently a candidate for the degree of Philosophy Education at Fordham University.

In addition to his regular school work, Mr. Duffy teaches courses in psychology and vocational aptitude for the Nutley Adult School. He has participated in a Nutley Board of Education program for training mentally retarded children and in the federally-sponsored Saturday Extension program.

The Duffy family lives at 16 Mountview Avenue. Mrs. Frances M. Duffy is Assistant Social Work Supervisor in the Newark office of the New Jersey Bureau of Children's Services. The children, Maureen and Kevin, attend Radcliffe School.

In conjunction with the topic, "The Adolescent and his World," two high school seniors, Katie Crane and Dan Rabowitz, were interviewed by Mrs. Frank J. Frey, AAUW board member, to ascertain the adolescent viewpoint.

Mrs. Alexander Goldberg, AAUW president, noting the interest in the subject, has extended an invitation to the public to attend the meeting.

Hostesses for the evening will be Miss Lillian Verduin, Mrs. Thomas A. Joworek, Mrs. Kenneth Rosa and Mrs. S. R. Mountsier, Jr.

Denture Wearers in Danger Of Choking to Death

Adults who wear dentures and parents of children under five need to be especially alert to the dangers of choking accidents.

Last year at least 1,200 persons died of choking. Howard C. Camp, Jr., area director of Safety Services for the Red Cross Eastern Area, said today, "Seven hundred fifty of them were children under five; another 410 persons, from the age of 45 on—many of them wearers of dentures—also choked to death."

Medical authorities believe that a number of other deaths were the result of choking but went unidentified because autopsies were not performed, he pointed out.

Through its first aid courses, the Red Cross gives special attention to the prevention of choking accidents.

Essex CYO to Sponsor All Star Basketball Game

Essex County CYO will sponsor its annual All-Star Basketball Games at Our Lady of the Valley High School in Orange on Sunday afternoon, March 3 for Grammar Boys and Senior Girls. In conjunction with the ball games this year will be a Grammar Cheerleading Contest, slated to begin at 2 p.m.

Each team in the Grammar Boys and Senior Girls leagues will be permitted to nominate one player to the All Star squad, along with an alternate selection. Players on the first nominated squad will receive individual trophies. All Star ballots have been mailed to all the league coaches.

Never get the idea that your section is the only worthwhile area in the United States.

Theory is all right for the books but it takes practical expression of ideals to make life better.

Spotlight On Winter Engagements

MISS DOLORES MARTIN
Dolores Martin, James Sweeney Are Betrothed

Mr. and Mrs. David B. Martin Jr. of Prospect Street announce the engagement of their daughter, Dolores J. to James P. Sweeney, son of Mr. and Mrs. James T. Sweeney of Joralemon Street.

An August wedding is planned. Miss Martin, an alumna of Belleville High School, is a clerk-typist at Westinghouse Electric Corporation, Bloomfield.

Mr. Sweeney, also a Belleville High School graduate, was recently discharged from the Army after completing a 16 month tour of duty in Korea. He attends Sigma School of Business Machines where he is studying IBM data programming.

MISS LESLIE SHAWGER
Leslie Shawger Plans Wedding To Joseph Dey

Mr. and Mrs. D. M. Shawger of Jackson, formerly of Belleville, have announced the engagement of their daughter, Leslie Dianne to Joseph Edward Dey, son of Mr. and Mrs. Charles Dey of Lakewood.

Miss Shawger is a senior at Jackson Township High School.

Mr. Dey is a union bricklayer apprentice employed by Wall Tight Construction Co., Red Bank.

An August wedding is planned.

MISS SUSAN KOCH
Troth Is Told Of Susan Koch, Gary Trimmer

Mr. and Mrs. Richard G. Koch of 15 Liberty Ave. announce the engagement of their daughter, Susan Ellen to Gary Robert Trimmer, son of Mr. and Mrs. Kenneth Trimmer of Verona.

Miss Koch, an alumna of Our Lady of Good Counsel High School, Newark, is with Hoffmann-La Roche, Nutley.

Mr. Trimmer, a graduate of Verona High School, attended Rutgers University and is a computer programmer with Essi Mathematics and Systems, Florham Park.

The wedding is planned for September 14.

MISS CANDACE KANE
Candace Kane Is Bride-Elect Of R. B. Johnson

Mr. and Mrs. Henry Francis Kane of 112 Tappan Ave., Belleville, announce the engagement of their daughter, Candace Louise to Richard Bush Johnson, of 36 Garden Ave., Belleville, son of Mrs. Carl Richard Johnson of 73 Elm Place, Nutley and the late Mr. Johnson.

Miss Kane, a graduate of Nutley High School, attended Eastern Montana College and is a secretary at Kennedy Sinclair, Montclair.

Mr. Johnson, a Montclair High School alumnus and an air force veteran, attends Fairleigh Dickinson University.

Automobiles are better and highways are safer but there is no defense against an intoxicated driver.

Miss Anderson Will Be Wed To T. K. Nearey

Mr. and Mrs. Uno Anderson of 33 Berkeley Avenue announce the engagement of their daughter, Marilyn Ruth to Thomas Kenneth Nearey, son of Mrs. Kenneth J. Neary of Neptune and the late Mr. Nearey.

Miss Anderson, an alumna of Belleville High School and Glassboro State College, is a teacher in Westfield.

Mr. Nearey attended St. Francis College and Seton Hall University and is a sales representative with American Tobacco Company.

The wedding is planned for June.

Gymnasts from Metropolitan Area Participate in Meet

Gymnasts from all over New Jersey and the Metropolitan area are invited to take part in the Hudson County CYO and Marist High School, Bayonne sponsored High School Novice Gymnastics Meet at the Hudson County CYO Center on Saturday, March 2.

According to Bob Martin, meet director, contestants may compete in events in which they have never won a first, second or third place medal, plaque or trophy in open high school competition. In the all-around the restriction extends to youngsters who have won fourth, fifth and sixth place awards.

Jersey Consumer Protection Service Wants Kosher Labels

The New Jersey Office of Consumer Protection is stepping up its surveillance of sellers of both Kosher and non-kosher foods to insure compliance with the Kosher Foods Act of 1967. Paul J. Krebs, executive director of the protection office, announced

Protect Your Trees From All Wounds

and fertilizer also are needed. If you value your trees protect all wounds with a dressing. Wound dressing materials prevent decay, stimulate callus growth, reduce drying and cracking of wood and improve the general appearance. It will not eliminate bleeding of wounds.

Injuries caused by limb injury to bark, and rodent damage need a wound dressing. Material such as rubber latex, melted beeswax, asphaltum paints, orange shellac and grafting waxes are among the materials suggested.

One should not use creosote or most house paints (lead and zinc injurious) on living tissue at the time of wounds. These materials are toxic and may hinder healing. They may be used on the interior of large wounds.

Some commercial wound dressings contain fungicides and growth hormones to prevent disease and stimulate healing.

Dressings may be applied any time of the year to clean and preferably dry wounds. A light coat is recommended since moisture under the dressing must evaporate to prevent blistering.

Regardless of the wound dressing used, best results are obtained when dressed surfaces are inspected and recoated once or twice a year.

These materials may be purchased as a heavy paste, liquid, or in the more recently developed pressurized cans.

Turnpike Scores High for Safety

The New Jersey Turnpike attained high marks for safety among the 10 toll roads in the nation which had the greatest number of vehicle miles traveled in 1967.

The best speaker is even better when he is brief.

Junior Woman's Club In Annual Tournament

The Nutley Junior Woman's Club has entered the eighth district 38th annual little theatre tournament of the New Jersey State Federation of Women's Clubs. The tournament will be held at 8 p.m. on March 15 at the Jersey City Woman's Club.

The presentation will be an original experimental playlet entitled "Uneasy Lies The Head," compiled by club members, Mrs. Thomas Chichester and Miss Ann McGroarty. The playlet consists of four letters written by queens and concludes with a choral reading from Shakespeare's "Henry IV."

The cast for the 30 minute sketch includes: Mrs. Joseph Dews, Marie Antoinette; Mrs. Ronald Wohlman, Agrippina; Mrs. Chichester, Charlotte Elizabeth; Mrs. Daniel Maltz, Mary Queen of Scots; and Miss McGroarty, narrator.

In addition, many other club members will be assisting behind the scenes handling props, lighting, makeup, sound, etc.

At last year's tournament, the Nutley Juniors won three district awards and placed 4th in the state competition. The awards received were best actress; honorable mention, acting; and 2nd place, best

play after presenting a scene from "The Innocents" by William Archibald, based on the short story, "The Turn of the Screw," by Henry James.

Over half of the Nutley Junior Membership will attend this year's tournament to spur the players on in a competition which is held to find the best play and best actress among the Jersey Juniors. The winning play will be presented in Atlantic City during the Junior State Federation of Women's Clubs Convention to be held in May.

Proceeds from the tournament go toward maintaining a federation drama scholarship at Douglass College.

FDU Will Offer Fine Arts Facilities

Dr. Richard M. Drake, Provost of Fairleigh Dickinson University, announces that beginning in September, 1968, a major in Fine Arts in the Maxwell Becton College of Liberal Arts will be available to the students on the Rutherford and Teaneck campuses

Frost Seeding Patches Lawns

Late February or early March may seem a strange time to seed a lawn, but "frost seeding" really works if you want to fill in thin or bare spots.

John J. Kupcho, County Agricultural Agent of Essex County, calls attention to the advantages of frost seeding. He explains that it eliminates the need to prepare a seed-bed by raking.

Nature does all the work because alternate freezing and thawing of the soil works the seed down into the ground where it lies ready to sprout when warm weather comes.

Getting off to such an early start, the new seedlings will have a better chance of success than they would have later.

Frost seeding however is not intended for use in establishing a new lawn. It's most useful for patching up bald places.

The specialist suggests sowing seed at the rate of two or three pounds to 1,000 square feet. Use a high quality seed mixture recommended for your conditions.

But don't expect to improve a lawn with seed alone. Lime and fertilizer also are needed.

WEDDINGS AND ENGAGEMENTS IN THE SOCIAL SPOTLIGHT

Magdaline Zienkiewicz Wed Sunday In St. Peter's To Lonnie G. Ryland

St. Peter's Church, Belleville, was the setting Sunday for the marriage of Miss Magdaline Mary Zienkiewicz, daughter of Mr. and Mrs. Bronislaus J. Zienkiewicz Sr. of Belleville to Lonnie Gene Ryland, son of Mr. and Mrs. Murie Ryland of Greenleaf, Kansas.

The Rev. Francis A. Ignacinos performed the double ring ceremony. A reception followed at The Polish National Home, Irvington.

Escorted by her father, the bride wore a candlelight silk peau de soie gown fashioned with a sabrina neckline, long lace sleeves and lace bordered A-line skirt and trimmed with peau d'ange lace, seed pearls and crystals. A full chapel train was edged in lace.

A half moon lace pillbox held her cathedral length veil and she carried a cascade of white roses with a white orchid center.

Miss Denise Benson of Jamaica, N. Y., was maid of honor. Bridesmaids included Miss Joan MacDonald and Miss Virginia Ponzio of Belleville, Miss Regina Firuta of Union and the bride's cousin, Miss Joanna Podgorski of Jersey City. Other cousins, Estelle Ann Podgorski of Iselin and Lisa Poquette of Glen Ridge were junior bridesmaid and flower girl respectively.

The attendants were attired in gowns with red velvet bodices and beige crepe skirts and featuring panel backs. Velvet rose headpieces held short veils and they carried cascades of red roses.

Bron Zienkiewicz Jr. was best man. Ushers included the groom's brother, Linus J. Ryland of Cincinnati, Ohio, Lee Geary of Nutley, cousin of the bride and Stephen Gass and Joe Villarreal of Maryland.

Mrs. Zienkiewicz chose a pale green crepe dress with matching accessories. Her corsage was a white orchid.

Mrs. Ryland, a graduate of Belleville High School, was with Mutual Benefit Life Insurance Co., Newark, before her marriage.

Mr. Ryland is presently a C13 in the United States Navy, stationed at Fort Meade, Md., where the couple will make their home.

Tri-Town Group Schedules Party

The card party committee of Tri-Town Business and Professional Women's Club of Belleville, Bloomfield and Nutley met at the home of Miss Ruth Williamson of Belleville, general chairman, on Feb. 9.

The annual event which will benefit the Flora Louden Memorial Scholarship Fund will be held at Bloomfield High School April 27. The theme chosen is "The Circus—A Welcome to Spring."

Chairmen of various committees are Miss Eleanor Storer, Miss Margaret Mostica, Mrs. Lillian Westcott, Miss Mildred Spatz, Miss Frances Williamson, Miss Gwendolyn Struble, Miss Alice Fleming, Miss Marion Johnson, Miss Hazel White, Mrs. Christine Boughton, Mrs. Frances Lawson, Mrs. Jane Spooner, Miss Elsie Ciccone, Miss Helen Rosengrant and Mrs. Antoinette Marone.

There are people who discuss problems maturely and people who converse all day without saying a significant word.

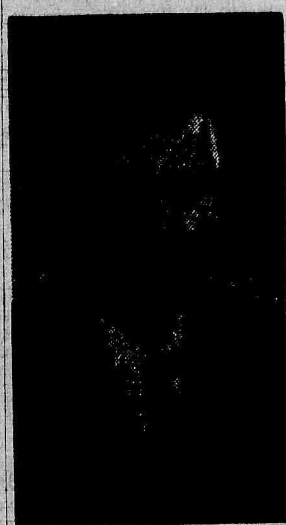

MRS. LONNIE G. RYLAND
Former Miss Magdaline Zienkiewicz

Paul J. Christiansen Heads Cancer Crusade

Paul J. Christiansen, President of the Thomas A. Edison Industries of West Orange, was elected chairman of the 1968 Cancer Crusade in Essex County.

The selection of Christiansen, who has been active in many charitable activities throughout Essex including membership of the Board of the Hospital Center at Orange, was announced by I. Roger Stevens, President of the Essex County Chapter of the American Cancer Society. Christiansen will coordinate both the industrial and residential fund raising activities of the Essex County Chapter with the entire proceeds earmarked for cancer research and clinical services.

In accepting the post of Chairman of the 1968 Crusade,

Paul J. Christiansen

Christiansen said the fund raising activities will be combined with an information drive designed to fully acquaint the citizens of Essex with the dangers signs of incipient cancer. He said:

"It is an established fact that early detection of cancer does lead the way to cancer cure and with the danger signs fully imprinted on everyone's mind, cancer can be overcome."

"The success of the 1968 Crusade in Essex and elsewhere through the nation will also hasten the day when we have a major break through in determining the cause of cancer and thereby save thousands of lives which are lost annually to this scourge."

"Through team work, through knowledge and through giving we are on the march to victory against cancer," Christiansen said.

Christiansen has been President of Thomas A. Edison Industries since 1957 and previously served with the company as its General Counsel. Before entering industry he was engaged in the private practice of law in Newark with the firm of McCarter & English.

Christiansen is former President of the West Orange Board of Education and a member of the Board of Trustees of the New Jersey State Chamber of Commerce; the YMCA of Oranges and Maplewood; the United States Savings Bank. He is a member of the Board of Overseers of the Foundation for the Advancement of the Newark College of Engineering; and is a member of the Board of the Hospital Service Plan of New Jersey and a member of the Advisory Board of the First National State Bank of New Jersey.

It may sound silly but be careful about fires in your home — too many people are being burned to death.

Family Life Today; Story Hour Important

Mother, father, have you read a story to your child recently? If so, how did you read it? What kind of a story was it?

Television has all but eliminated story reading in our homes. However, story telling or reading can be a vital family experience for the child. When a parent takes the time to read a story, he is showing a special interest in his child. He is spending time with him.

This means much more to the child than the hearing of a story. When a parent holds a small child during the story time, he communicates care and love.

How you read a story is important. If there is a bear in the story, growl like a bear. Make it loud enough to sound like one, but don't overdo it so as to frighten the child.

If people are involved use your voice to play the roles of each. Deepen your voice to make it sound like man; soften to sound like a woman. This takes a little practice but you can do it. Your child will be thrilled with your impersonations, and it will be fun for both of you.

Little children like animal stories. They also like to hear about people, especially people their own age.

United Church Women Plan Day Of Prayer

Belleville Council of United Church Women is holding its annual services for World Day of Prayer March 1 at Silver Lake Baptist Church, 166 Franklin Street. The observance will begin at 1 p.m.

All Christians are invited to join the group in this worldwide prayer service.

A discussion and social hour will follow the service.

You will discover the type of stories your child likes best. Concentrate on these; but add others for variety. Through the stories you read, he learns about the world around him. Story books are generally inexpensive. And most libraries have excellent books for children.

Accordion Teachers Will Convene Tonight

The Accordion Teachers' Association of New Jersey Inc. will hold an open meeting and workshop this evening at 8:30 p.m. at the Robert Treat Hotel, 50 Park Place, Newark, in Salon "E."

The A.T.A. is a non-profit organization which has complied with the many requests of its teacher members and non-member enthusiasts to hold this workshop. Discussion will be on the subject that confronts most music teachers: "How do we teach the music that the teenager enjoys in an intelligent and educational method?"

Angelo Di Pippo, jazz accordionist, will discuss and demonstrate the Rock & Roll and modern rhythms for the accordion. He will perform the Test Jazz Solo Compositions, "Bozo" and "Just Right," both of which are written by himself. Both these jazz pieces will be used in the forthcoming A.T.A. of N. J. State Accordion Championship Contest, Festival, and Convention which will also be held at the Robert Treat Hotel.

There will also be some discussion on adjudicating the contestant. Further information about the Accordion Teachers' Association of New Jersey can be had by writing to the Office of the Secretary, Box 313, West Orange.

Winter Sweet Corn—A Prize Crop; Recipes And Suggestions For Use

Test tubes and technology have played the biggest roles in making winter sweet corn one of Florida's prize crops, but just plain trial-and-error comes in handy at times, too.

Like deciding when a field of sweet corn is ready to pick. Say the old hands around the Lake Okechobee or Pahokee fields, "Press a kernel and if the milk squirts in your eye, the corn's not ready yet. But if it doesn't squirt in your eye, picking is overdue." In between those two happenings fresh sweet corn is its delicious best.

At that point a big "mule train" lumbers down the first rows of corn and the harvesters are in action. This "mule-train" is a packing shed on wheels, which is manned by some 75 workers cutting 20 rows of corn at a time, crating it instantly and stacking it in trucks which rush the crisp green ears to a hydrocooler. Here the ears get the chill in an ice-cold bath. This removes field heat in minutes, protecting the sweet tenderness of the corn. A final blizzard of snow ice keeps the corn chilled on its way to market, guarding against loss of sweetness.

According to historians, corn was grown in Florida more than a thousand years ago. It was not until World War I that the Florida sweet corn industry entered the national market. Today some 15,500 acres of Florida black soil are set aside for sweet corn rows. Around a half billion ears of fresh corn are grown in the Sunshine State each fall, winter and spring.

Sweet corn is delicious with steaks, pork chops, fried chicken or broiled seafood. And, of course, there are thousands of corn-eaters who

would like corn-on-the-cob served with more corn on the cob, never mind all those lesser foods.

An excellent convenience spread for hot corn-on-the-cob is a soft-type margarine made with pure liquid safflower oil. When used for seasoned spreads it blends easily, melts readily, even when it has just been removed from the refrigerator.

Sweet corn is surely a convenience food. It needn't be boiled longer than five minutes, just enough to "set" the milk.

HOW TO COOK FRESH CORN-ON-THE-COB

Remove husks from ears of fresh corn and brush off silks. Drop in a kettle of boiling water to cover. Add 1 teaspoon salt and cook, covered, 5 minutes. Remove from water and serve with seasoned spreads. YIELD: Allow 1 or 2 ears per person.

BARBECUE PARMESAN SPREAD

To ½ cup soft-typed margarine containing liquid safflower oil, add 1-3 cup grated Parmesan cheese and 2½ teaspoons barbecue spice. Stir until thoroughly blended.

CHIVE SPREAD

To ½ cup soft-type margarine containing liquid safflower oil, add 2 tablespoons chipped chives, ½ teaspoon lemon juice, ½ teaspoon salt and ¼ teaspoon ground black pepper. Mix well. YIELD: ½ cup.

FRESH CORN CUSTARD

2 cups (about 4 ears) fresh corn, cut-off-the-cob
1 cup chopped celery
1 cup cracker crumbs
½ cup chopped onion
2 tablespoons soft-type margarine containing

Anne D'Emilio, Richard S. Laudadio Married In Holy Family Church

Miss Anne D'Emilio, daughter of Mr. and Mrs. Dominick J. D'Emilio of Jefferson St., Nutley, became the bride February 18 of Richard S. Laudadio, son of Mr. and Mrs. Americo Laudadio of Wayside Lane, Nutley.

The Rev. Robert P. Cozzini performed the afternoon ceremony in Holy Family Church, Nutley. A reception followed at Wayne Manor, Wayne.

Escorted by her father, the bride wore a Victorian gown of pure Italian silk satin with appliques of imported Italian cut lace and seed pearls trimming the neckline, sleeves and train. A Grecian tulle train with silk satin and illusion panels fell from the shoulders.

Her six tier illusion veil was held by a matching lace headpiece and she carried an arrangement of long stem calla lilies.

Miss Carol Bressan of Newark was maid of honor. Bridesmaids included the bride's sister, Miss Frances Laudadio of Nutley and the bride's cousin, Miss Lucille D'Angelo of Newark.

The attendants were in gowns of candlelight satin trimmed at the neckline and sleeves with crewel embroidery and at the hemline with a wide tapestry of matching crewel. Headpieces were tapered bows holding Grecian floor-length veils and they carried long stem American Beauty roses.

Louis Gelormini of Belleville was best man for his cousin. Ushering were Frank Gelormini of Nutley, Frank Laudadio of Belleville and Neil Ciccone of Newark, cousins of the groom and Sando Finocchiaro of Nutley.

Mrs. D'Emilio chose a silk satin coat and dress ensemble of frost pistachio trimmed with French cut stones. Matching accessories and a

MRS. RICHARD S. LAUDADIO
Former Miss Anne D'Emilio

purse, arrangement of green tipped phalaenopsis completed her outfit. The groom's mother was in a gold Italian broccatelle ensemble with gold beading and matching accessories. Her flowers were cymbidium orchids.

Mrs. Laudadio, a graduate of Nutley High School and Newark State College, attend-

ed Newark School of Fine and Industrial Arts. She is an art teacher in the Bloomfield Public Schools.

Mr. Laudadio, also a Nutley High School alumnus, attends Newark School of Fine and Industrial Arts and is with Mattia Press, Inc., Belleville. He is a member of the New Jersey National Guard.

Women Voters Discuss Legislative Procedures

Legislative procedures is the new study item that was discussed recently at joint meetings of the Nutley and Bloomfield Leagues of Women Voters. Members met on February 7, at the home of Mrs. Arthur Sinnenberg of Bloomfield. Mrs. Lloyd Van Buskirk of the Bloomfield League was the discussion leader. The next evening Mrs. John R. Crane served as the discussion leader at the home of Mrs. Herman Hoffman, of 251 Highfield Lane.

Mrs. Walter Lovell, chairman for the Nutley committee, said "Members discussed questions dealing with the legislator and his role in the legislative process. We wanted to know why there seems to be a lack of confidence in legislative processes and whether public expectations of state legislators is too great. Also

under consideration was the extent of influence of the electorate and legislative lobbyists."

Following a background briefing on the Senate and General Assembly, members learned about the role and workload of legislative committees.

Mrs. Ackerman Returns Home

Mrs. Edward Ackerman of 663 Washington Avenue has been released from Beth Israel Hospital, Newark, where she has been recuperating since the birth of twin boys, Michael and David, December 22.

The Ackermans held Open House at their home February 19.

WHY PRESCRIPTION DRUGS CANNOT BE RETURNED

Sometimes a medicine prescribed for you by your physician does not accomplish the desired result, or has a disturbing allergic effect on you which is not beneficial. Your physician will direct you to stop taking that medicine and will usually prescribe another.

Unlike other pharmacy products, which are guaranteed by their maker, prescription drugs cannot be returned for a refund. Pharmacists are responsible for the potency and purity of prescription drugs. Once they have left the pharmacy and are no longer under our supervision, we could not dispense them in a prescription for someone else. You would not want a medicine returned to us by a sick person.

YOUR DOCTOR CAN PHONE US when you need a medicine. Pick up your prescription if shopping nearby, or we will deliver promptly without extra charge. A great many people entrust us with their prescriptions. May we compound and dispense yours?

Belleville Mardi-Gras Draws 350 Merry Italian-Americans

MARDI-GRAS MERRIMENT—Mrs. Josephine Casale dances with her brother-in-law during the Belleville Italian-American organization's Mardi-Gras held at the Holiday Inn Saturday evening.

DISCUSSION—Anthony Di Geronimo, chairman of the Belleville Italian-American Mardi-Gras festivities converses with Emil Casale, president of the organization. The men review plans to establish a scholarship fund next year for a boy and girl in the Belleville High School graduating class.

FATHER AND DAUGHTER—Al Lilloia and his daughter Myra share a dance during the Mardi Gras festival last week. Myra received a plaque for her scholastic and leadership abilities at Belleville High School. The Italian American organization hopes to inaugurate an annual scholarship for a deserving boy and girl at the high school next year.

AWARD WINNERS—Past valedictorians from Belleville High School were honored at the Italian-American organization's Mardi Gras last week. Presenting the plaques is Emil Casale, president of the group. From left to right are Al Lilloia, his wife, his daughter, Marie, recipient of the award; Casale, Myra Ceres, the other recipient; her father Frank Ceres and his wife.

HAPPY COUPLE—Joe Lilloia and his wife clown and cavort at the Belleville Italian-American organization's Mardi Gras at the Holiday Inn. The crowd which appeared at the festivities far exceeded the number expected by the sponsoring group.

COSTUMES GALORE—Over 350 Belleville Italian Americans attended Mardi-Gras festivities at the Holiday Inn last week. Either dressed in formal attire or gaily costumed, the couples danced into the wee hours.

Vincent Strumolo Helps County Cancer Crusade

Commissioner Vincent Strumolo of Belleville will serve as his community special events chairman of the Essex County Chapter of the American Cancer Society according to Paul J. Christiansen, 1968 Essex County Cancer Crusade Chairman.

Christiansen stated, the Special Events Committee will inaugurate the 1968 Cancer Crusade with a formal-cocktail reception and dinner Saturday evening, March 23 at the Symphony Hall, 1020 Broad Street, Newark. The party will pre-

cede a concert by the New Jersey Symphony Orchestra that will also serve as a farewell salute to Kenneth Schermerhorn, its conductor.

The Honorable Robert B. Meyner and Mrs. Meyner, honorary Chairmen and Mr. and Mrs. Kenneth Schermerhorn will be special guests of the evening.

Reservations can be made with the community Special Events Chairman.

All proceeds of the affair will be used for cancer research and clinical services.

Foreign Diplomats Driving Slower on State Parkway

Foreign diplomats are finding it more comfortable driving on the New Jersey Turnpike. They have slowed down.

A program instituted in 1965 by the Turnpike Authority to curb speeding violations by the foreign emissaries has brought encouraging results, announced William J. Flanagan, executive director of the Authority.

The campaign, which resulted in 17 violations recorded during the seven months the program was in effect in 1965, saw the number reduced to 20 in 1966, and down to four in 1967.

"It appears that the enforcement program we instituted in May of 1965 has had its effects," said Flanagan. "If we could only impress the general driving public as much as we have impressed the foreign diplomats, our safety record on the New Jersey Turnpike would be near-perfect."

Of the 27 stopped for speeding in 1965, 12 were escorted off 20 violations and 11 escorted off last year state troopers ordered off the highway two of the four diplomatic vehicles stopped for speeding.

Under the program, diplomats are given a warning on the first violation and are directed off the Turnpike by a trooper on subsequent violations. The policy was adopted by Flanagan because foreign

diplomats, enjoying immunity from arrest, had been ignoring summonses issued them by state police for appearance in local Magistrates courts.

Now they are issued warnings on first violations, and if the same foreign country is again charged with a traffic violation, a trooper escorts the vehicle off the Turnpike and the driver directed to alternate routes to his destination.

Virtually all the violations charged against drivers of DPL vehicles have been for speeding.

Peter Smith On Dean's List

Peter Smith, 3 Cedar Hill Avenue, Belleville, has been named to the Dean's List at the Rutgers College of Pharmacy in Newark, according to Dean Roy A. Bowers.

Smith, a graduate of Belleville High School, is a sophomore at the State University. He is the son of Mr. and Mrs. Eugene Smith.

To be named to the Dean's List, a student must complete the semester with an average of 1.80 or better. A grade of 1.0 is perfect.

Bloomfield Symphony Will Present Piano Soloist

On Sunday, March 3, at 3 P.M., the Bloomfield Symphony Orchestra will present another of its outstanding concerts at Bloomfield High School under the direction of its conductor Edward Napiewocki. Guest artist will be Ernest Goldman, well known pianist of Bloomfield.

Goldman was born and educated in Vienna, starting his study of piano at the age of six. It is to Mark Goldin, his instructor in Vienna that Goldman feels he owes much in the way of music inspiration, technique and the feeling for the piano. His lessons of four and five hour duration included concentrated work on the major piano sonatas and concerto. With Goldin at his side, young Goldman performed publicly in Vienna as soloist and in chamber music groups.

PLAY BIG WIN

CONTEST STARTS FRIDAY MORNING

WIN \$1000 'SPENDING MONEY'

It's FUN -- It's EASY!
Everyone Can Play
 Pick Up Your FREE Newspaper at our Belleville Office

READ THESE SIMPLE RULES

Each week, in the Belleville Times, Belleville merchants will run tremendous money-saving Weekly Specials on these pages. These weekly special advertisements, which are designed by Belleville merchants to help fight the constantly rising cost-of-living, will feature one tremendous bargain in each ad. Directly under the price in each advertisement there will appear one word. When the reader assembles all the words in proper order, the completed phrase should be brought to the store on Washington Avenue that has been selected to be "Treasure Chest of the Week." Somewhere in the phrase is a clue to the

identity of this store where \$100 in "spending money" is located. A new phrase and new clue will appear each week. If the "spending money" is not found that week another \$100 "spending money" will be added to it. The same will happen the next week if it's still not found. The \$100 "spending money" will be in the form of 20 certificates of \$5 each and can be spent at any of these participating stores any time — they're just like cash. The Belleville Times will redeem them at face value from the participating merchants. Anyone can play, the whole family — no age limits!

Pediatrics Benefit 'It's A Small World'

"It's A Small World," an ice skating extravaganza, will be presented by the South Mountain Figure Skating Club for the benefit of the Pediatric Department of Saint Barnabas Medical Center, Old Short Hills Road, Livingston, on Sunday, March 3.

The show, featuring ice skating numbers representing various nations, will be held at 6:30 p.m. in the South Mountain Ice Skating Arena, West Orange.

Stars of the program will be 16-year-old Miss Fitch Grogan of Boston Skating Club who was New England Senior Ladies Champion in 1967 and is 1968 Silver Medalist in Eastern Senior Ladies Competition; and 13-year-old Gordon McKellen of Lake Placid Skating Club and Junior Men's Champion. The spotlight will be on Fitch in numbers representative of England and Japan and Gordon will appear solo in a selection about Spain.

Weequeah High School Reunion Set for May 17

The Weequeah High School class of June, 1938 will hold its 30th Anniversary Reunion at the Cedar Hill Country Club on Friday evening, May 17, 1968.

This is the third in a series of reunions which have received enthusiastic support from class members, faculty and class friends in the past. People interested in attending the reunion should contact: Mrs. Lauretta Olsan,

Coming to Belleville from Newark, his place of birth, he had resided here more than 27 years.

He leaves his wife, Marie Tartaglia Cairolis; two daughters, Mrs. Robert De Piro of Upper Montclair and Mrs. Joseph Gutknecht of Clifton; his mother, Mrs. Louise Cairolis of Belleville; two brothers, Benedict Cairolis of Fairview and Maurice Cairolis of Elizabeth; three sisters, Mrs. Joseph Schlazano of Edison, Mrs. Albert Lokos of Edison, Mrs. Margaret Burch of Belleville and three grandchildren.

The funeral February 21 was from the Kiernan Funeral Home, 101 Union Avenue, followed by a High Mass at St. Peter's Church with the Rev. James F. Heavey officiating.

Interment was at the Immaculate Conception Cemetery, Montclair.

Family Survives McGough, 59

Robert F. McGough, a stationary fireman for the Newark School System, died February 14 at his residence, 330 Franklin Avenue, Belleville. He was 59.

Mr. McGough was born in Newark and was a member of Belleville Lodge 1123 B.P.O.E.

He leaves his wife, Anne Whittaker McGough; his daughter, Mrs. Donald Russoman of Bloomfield; his son, Robert J. McGough of Belleville; his brother, Matthew F. McGough of Belleville, and five grandchildren.

The funeral was from the Kiernan Funeral Home, 101 Union Avenue, February 17, followed by a High Mass at St. Peter's Church with the Rev. James F. Heavey officiating.

Dzwonkowski, Lived 14 Years In Belleville

Mrs. Madeline Dzwonkowski of 131 Washington Avenue died February 10 at Presbyterian Hospital, Newark, after living in Belleville for the past 14 years.

She was a member of Calosasa Post 4895 VFW Ladies Auxiliary.

She leaves her husband, Joseph Dzwonkowski; her daughter, Christine of Belleville; her son, Joseph of Belleville; three sisters, Mrs. Doran Van Holland of North Arlington; Mrs. Olive J. Welch of Belleville; Mrs. Caroline M. Nixon of Belleville; four brothers, Robert F. Hoadley of North Arlington; and one grandchild. Interment was at Immaculate Conception Cemetery, Montclair.

Plaintiff, Harry C. Charles E., and William N. Hoadley, all of Kearny, and one grandchild.

Services were February 13 at Kiernan Funeral Home, 100 Union Avenue, with the Rev. Howard B. Day, pastor of Montgomery Presbyterian Church, officiating.

Interment was at Holy Cross Cemetery, North Arlington.

Belleville Ends Wrestling Season with Fine Record

In the final two matches of the season Belleville closed out their 67 - 68 campaign with a 20 - 20 tie against Bloomfield and a 24 - 19 win over Caldwell the previous week, which brings them to a very fine 5 - 6 - 1 record.

James Silvestri will work with the boys all through winter vacation in preparation for the District Championships that are to be held at Barringer High School February 24.

In their victory against Caldwell John Peraino got Belleville moving with a 4-2 decision over Pastene. John Zoppi followed with a pin and Dana Nappi battled Keenan to a 4-4 tie. Jesse Towns overpowered Del Presto 11-4, as Belleville took an early lead 13-5.

In their next three matches Caldwell picked up 11 to shoot them into the lead 16-13. Bob Giordano and Dick Tressford were decided in close

matches while Mike Ventura fell to a pin.

Belleville, however, was not to be denied their victory. Allen D'Augustino crushed Heanandes 8-1; Jim Wille was decided in a close match 4-2, but Bob Bonfonte quickly followed with a 9-3 decision over Bayer to even up the score. Barry Peirce, the old reliable of Belleville, came through with a clutch pin for the winning five points and a 24-19 Belleville victory.

In the season's finale against Bloomfield, Belleville managed to pull out with a 20-20 tie this match also being decided in the very final match. After Robert Boboli was pinned by Stefanelli, Belleville jumped into the lead as John Peraino whipped his rival 13-2,

and John Zoppi easily won a 6-0 shutout.

In the next three matches, Bloomfield picked up 11 points as they won on decisions over Bob Giordano, Mike Ventura and Danny Stefanelli. Allen D'Augustino brought Belleville a little closer with a 2-0 decision over Summean. Jim Wille's attempt at a comeback behind victory fell short of time as he lost a close 6-5 decision. Bob Bonfonte pulled Belleville within striking distance of Barry Peirce with a 4-0 decision to make the score 20-15.

Barry Peirce closed out his wrestling career at Belleville High School with another clutch pin to save the day for the Bellboys and to bring about a 20 - 20 tie.

Montclair Defeats Belleville Wrestlers

In a wrestling match with Montclair High School Belleville lost to a score of 32-5. John Peraino and Barry Peirce were the only two Belleville grapplers who were able to pick up victories. Peraino took a 9-3 decision easily riding his opponent most of the way. Barry Peirce in the final match of the evening picked up Belleville's other win on a 2-0 decision.

weight division vainly fought Belleville back into the match. Allen D'Augustino had very little trouble in scoring an easy pin for five points. Jim Wille closed in fast to bring about a tie and two more points for Belleville.

Belleville's powerhouse Bob Bonfonte gave his next match a 13-2 lead as he had his opponent in the first period.

In the final match the score tied at 22 apiece Barry Peirce wrestled Olegnyck (district champ and regional runner-up last year). With 40 seconds remaining in the match Peirce was leading 6-3 when Olegnyck reversed Peirce and went on to a near fall, thus winning the match 8-6 and giving Vailsburg the victory 25-22.

In a later match the wrestling team of Belleville High School took another hard fought loss to Vailsburg High School 25-22.

Vailsburg took a 6-0 lead when Robert Reholi and John Peraino were decided in close matches. John Zoppi pulled Belleville right back into the match by scoring five points on a pin with just four seconds to go, drawing Belleville closer to Vailsburg's lead 6-5. This was Zoppi's fourth pin of the season as he and Barry Peirce are tied for the team lead with four apiece.

Vailsburg took up a four point lead over Belleville when Jack Wille was decided in a tight match. Suddenly Belleville jumped into the lead when Jesse Towns pinned a former district champion in the second period.

In their next three matches Vailsburg picked up points on a pin over Bob Giordano, and victories by decision over Mike Ventura and Vincent Godleski.

Belleville's spirit, however, was never broken as the heavy

Union College Receives Federal Reconstruction Grant

The United States Office of Education has approved a grant of \$21,444 for the remodeling and renovation of a Chemistry Laboratory at Union College, Cranford.

The grant will cover one-third of the estimated cost of the project, \$64,333, and will be provided under Title I of the Higher Educational Facilities Act.

Dr. Kenneth C. MacKay, Union College president, said the remodeling and renovation of the Chemistry Laboratory in the Nomahegan Building is scheduled for this summer. The space is now being used as an Engineering Graphics Laboratory.

Robert Reilly Rescues 2 Turkish Fishermen

Captain Robert A. Reilly, son of Mr. and Mrs. John W. Reilly of 44 Berkeley Avenue, Belleville, recently participated in the rescue of two Turkish fishermen who had been stranded for two days on a small rock island off the coast of Turkey.

Captain Reilly was pilot of the rescue helicopter from a U.S. Air Force support unit at Cigli AB, Turkey, which picked up the sailors just 35 minutes after the request for assistance was received.

The captain, who has served in Vietnam, is a graduate of Carteret School, West Orange. He received his B.A. degree in journalism from Rutgers, The State University in 1964 and was commissioned there upon completion of the Air

Force Reserve Officers Training Corps program.

Captain Reilly's wife, Ellen, is the daughter of Joseph C. Rafter of 11 Ethel Place, Metuchen.

John Santiago Fired Expert With a Rifle

Army Specialist Four John V. Santiago, 20, son of Mr. and Mrs. Jose C. Santiago, 16 Crescent Terrace, Belleville, fired expert with the M-14 and M-16 rifle at Ft. Hood, Texas.

3-Way Tie for Belleville Basketball League Crown

After an extremely hard fought season the Recreation Department's Boys Junior Basketball League ended up in a three-way tie for first place among the Warriors, the Falcons and the Knicks.

The fourth place team was the Vultures who also made the play-offs. Tied at fifth place were the Saints and the Trotters.

During the regular season the Warriors went unscathed right up to the last game where the very determined Falcons finally toppled them from the unbeaten list. Meanwhile the Knicks had a fairly easy time with the Bulls. All of this placed the top three teams with identical 8-1 standings.

In order to determine the seedings for the Shaughnessey Play-off the big three drew straws with the short straw going to the Knicks and placing them against the Vultures in the first round of the play-offs.

The Falcons faced the Warriors in the first game of the play-offs and won this game by a very comfortable 34-23 score. High scoring for the Falcons was done by Bob Viscon with 18 points and Mike Calia with 7. Calia also played an outstanding floor game. For the Warriors, Mike Albertine was the big man with 13 points.

In the other game of the semi-finals, the Knicks played a tremendous first half to build a commanding lead. However the Vultures roared back in the third quarter, closing the gap to 33-31. Then in the last quarter the Knicks again turned it on, building their score to the final 45-37 victory. Charlie Carr poured twenty points for the Vultures and Gus LaLuna accounted for twelve.

For the Knicks Ralph Macri set the pace with sixteen points and Mike Dougherty contributed another ten to the winning cause.

Actually the Knicks win was a total team effort.

The Junior High School Gym, The Knicks and the Falcons will meet for the Championship. This will be an extremely tough game.

In their last meeting the Knicks edged the Falcon 26-22 and the Falcons will be out to avenge that defeat.

TUBE TUBE-LESS

Chamber of Commerce Needs More Members

BY HARRY T. FRENCH
Executive Director

Sometimes people say that the Chamber of Commerce is not doing all that it should, and they are right, we do not do all the things that should be done. . . . One reason is that we lack the funds that most Chambers of Commerce have to work with. . . . A recent study shows that most Chambers have an income about equal to one dollar per population. . . . On this basis Belleville should have an income of about \$40,000, while actually in 1967, the Chamber's income was \$750. Income must come from memberships. . . . hence the Belleville Chamber of Commerce needs more members. . . . So, if you know of some firm that should be a member invite them to join. . . . If you receive this letter and are not a member, we would welcome you. . . . Belleville needs a strong active Chamber, perhaps more than many towns.

Watch out Postmaster O'Brien has warned of fraudulent business directory companies that are operating in the United States. These companies sent out millions of solicitations, especially to those listed in the Yellow Pages, often copying the listing as it is in the telephone company directory.

Their fees range from \$35 to \$85 per listing. One company recently convicted in federal court did print a directory but sent out only 3,971 copies over the whole Southeast.

These companies often make it appear that the mailing is from the telephone company. Some businessmen pay the "bill" in the belief that it was for a listing previously ordered in the Yellow Pages or similar legitimate directories.

We thank the merchants and others who contributed toward the Christmas lights, many of whom when advised that the cost had gone up, increased their contribution by 10 to 15 per cent.

Who profits most from profits? Did the Liberals save millions of women from back-breaking work by inventing the vacuum cleaner and washing machine. . . . or was it the businessmen looking for a profit? Did Union Leaders create modern life-giving drugs or was it business in search of profit? Is it government bureaucracy or profit-seeking which generate millions of American jobs, paying the highest wages in the world?

Was it the Welfare State or men who wanted to become millionaires who developed the automobile and the hundreds of thousands of jobs that followed? . . . When those who criticize and attack profit can equal this record for their country it will be time to listen

George Miller To Administrate Kidde Division

The appointment of George Miller as administrative vice president of the LeFebure division of Walter Kidde & Co., Inc. has been announced by LeFebure President Kenneth W. Watts. Miller will have responsibility for directing administrative functions of the division.

LeFebure, located in Cedar Rapids, Iowa, is a manufacturer of bank security systems and records handling equipment for financial institutions.

Miller formerly was assistant to the president for four years. He joined LeFebure in 1960 and held various sales administrative positions. Previously he was treasurer and general manager for Knight Leather Products, Inc.

A native of Czechoslovakia, Miller was graduated from Charles University in Prague. He is a member of the American Management Association and the Administrative Management Society. Miller is married and the father of two children.

Kidde, headquartered in Belleville, New Jersey, manufactures safety, security and protection equipment; industrial and technological equipment, and commercial and consumer products. The company operates more than 70 plants and laboratories in 21 states and six foreign countries.

Tell any person that she, or he, has charm and the chances are better that there will be charm.

to them. . . . But not until.

LITTLE MISS BELLEVILLE

A committee is now working on the plans for the 1968 Little Miss Belleville Contest. This event has not only done so much for the little girls that have been selected, but has helped to build a better image for Belleville, not only in Atlantic City where the Little Miss Garden State Contest is held, but has helped to add charm and stimulate a better atmosphere right here in

Belleville which unfortunately has had its share in days gone by of unfavorable publicity. . . . It is hoped that more firms will participate this year, there was a 30 per cent increase in participation last year.

FAMILY SCENE — Donna Cortiana, left, Aldo J. Cortiana, and Sister Gertrude Francis. Winners were given a certificate and a medal by Mayor Kenneth Smith of Belleville. With Donna are her parents, Mr. and Mrs.

SECOND PLACE—Leonard Romano of 430 Cortland Street, who is in the fifth grade at St. Peter's Grammar School, is congratulated by the Mayor Smith. Leonard received second place honors in the flag coloring contest.

LEGION AUDIENCE — The audience rises for a few moments at the meeting of American Legion Belleville Post 105. It was at the post home, 621 Washington Avenue and awards were given by Mayor Kenneth D. Smith to three pupils of St. Peter's Grammar School. Henry F. Martyn, assistant publisher for the Frank Orechio Enterprises, spoke about the problems of a newspaper man.

Belleville Legion Post Fosters Americanism

A pamphlet explaining the background and meaning of our country's flag as well as a sheet with the Flag printed on it without any coloring was given to the pupils of St. Peter's Grammar School, Belleville.

The pupils were asked to color the Flag during a regular meeting.

The three colored Flags judged best relative to their grade levels were handed in by the following pupils: first, Donna Cortiana, 190 William Street (6A) second, Leonard Romano, 430 Cortland Street, 5B) third, Glenn Smith, 55 Hornblower Avenue (3B).

A certificate and a medal was presented to each at the regular meeting of Post 105, The American Legion, at its home at Washington Avenue, Belleville.

The awards were presented by the Hon. Kenneth D. Smith, Mayor of Belleville, after which he addressed the group speaking of the appreciation of the freedoms we Americans enjoy in the United States of America.

He also spoke of the need for the proper training and education of our youth.

Among those present were: American Legion County Commander Charles Mulvey, Sister Gertrude Francis (6A), Sister Louise de Sales (5B), Miss Eileen Rich (3B), teachers at St. Peter's School, Mr. and Mrs. Cortiana, Mr. and Mrs. Romano and Mr. and Mrs. Smith.

This Special Americanism Program was run under the direction of Chairman William McCoy and he is to be congratulated on his fine efforts in working with the youth of St. Peter's School.

Conducted the meeting and Commander Jack Gorman conducted the meeting and program.

Henry F. Martyn, Frank Orechio's assistant, was the guest speaker to the members of the Belleville Post 105, The American Legion at a recent meeting held at the Post Home, 621 Washington Avenue, Belleville.

Martyn spoke about the details in printing a modern newspaper in today's business world and how news is accumulated and put to good use

SPEAKER—At the head table, Henry F. Martyn, second from left, pauses a moment before being introduced as the American Legion's guest speaker. Martyn is Frank Orechio's assistant publisher and he spoke about the problems of a newspaper man and how they solve their difficulties. Also at the table from left to right are: Charles Mulvey, American Legion county commander; Martyn; George Mitchell, officer; Jack Gorman, American Legion commander; and Kenneth D. Smith, mayor of Belleville.

THIRD PRIZE—Mayor Kenneth Smith of Belleville is pictured awarding the third prize certificate for the flag coloring contest to Glenn Smith of 55 Hornblower Avenue.

so the people of Belleville can enjoy the paper.

2-Day Conference Series To Discuss Bank Operations

A two day series of conferences including sessions on director-management, bank operations, business development, and public relations will be held by the New Jersey Bankers Association at Cherry Hill Inn on April 3 and 4.

More than one thousand New Jersey bankers are expected to attend the meetings.

Historic Group Flourishes Once More in Town

In the year 1842 Harmony Lodge 25 IOOF received its charter.

The meeting place was over the Belleville Post Office in a crude and unfinished room with candle light as oil was not used until a few years later. The minutes were written with quill pens and heat poured from a wood burning stove.

Belleville was mostly farm and woodland with fishing in the river as the main occupations. Much of the early history of Belleville can be taken from the old records of this lodge.

For 121 years this lodge was active in Belleville but due to the high cost of living many of the members had to seek cheaper living places elsewhere.

In the year 1963 the members decided to affiliate with another lodge so they consolidated with Radiant Star Lodge 190 in Newark making the lodge much stronger and paying larger benefits.

Due to the new highway through Newark had to vacate these lodge rooms so it

was noted to move this old Belleville where we meet on the first and third Tuesdays in the Grace Baptist Church Sunday School Building on Bremond Street under the name of Radiant Star 190, larger and stronger than before.

We pay ample sick and funeral benefits and provide homes for the widows, orphans and the aged.

Many old Belleville residents have found peace and comfort in our Home in Trenton in the sunset of their life.

A membership in the IOOF is a safeguard for your future. We are a brotherhood that covers the entire world and no "Odd Fellow" his widow or orphan is or ever will become a public charge.

We invite every qualified

American Airlines Buys 25 DC-10 Trijets

American Airlines has placed a firm order for 25 McDonnell Douglas DC-10 trijet transports at a cost in excess of \$400 million and has purchased options to buy an additional 25 that would bring the total commitment by the airline to more than \$800 million, making it the biggest single order in commercial aviation history.

The record order is the first for the 252-passenger luxury jetliner, according to the announcement by George A. Spater, president of American, and James S. McDonnell, chairman of the aerospace firm.

The order calls for delivery of the first 25 DC-10s beginning in late 1971 and the additional 25 airplanes during 1973.

the state of New Jersey regardless of age.

Both beauty and talent queen will be selected to represent New Jersey in the national finals. Girls may enter either one or both competitions. Prizes include a scholarship to the college or school of the winners choice or a full tuition scholarship to the American College of Cosmetology, one-half tuition scholarships to the American College Of Cosmetology to each of the runnersup, and trophies to the five finalists.

Applications may be obtained by writing to: Miss High School Pageant Of New Jersey c-o Michael Paolino, 161 Ohlson Avenue, Nutley, New Jersey 07110.

The Belleville Times, Belleville, N. J., Thursday, Feb. 29, 1968

Belleville Libraries Will Circulate Films

The Belleville Public Library has announced that it will begin immediately to cir-

culate 8 mm films for use on home movie projectors. The films will be checked out on a regular adult borrower's card, without charge.

The initial collection of some 40 films includes historical and sports documentaries, travel, biography, children's movies, and excerpts from Hollywood classics — everything from "The Great Train Robbery" which is considered to be the first story motion

picture to the recent filming of the Project Gemini walk in space.

A complete listing of the

for a period of one week.

According to Ben Grimm, Library Director, the new service will be provided on an experimental basis at least until November 1.

The films will be checked out on a regular adult borrower's card, without charge.

Mrs. James V. LaMotta, who will celebrate their 24th anniversary on February 20.

A buffet supper, which included roast beef and ham, was furnished and served by the Sabre Cadets Auxiliary.

The Sabre Cadets color guard and drill team have now participated in three competitions. The girls have improved their routines; and have progressed rapidly due to the fine training by their instructor, Mrs. Richard Cron, the former Susan Craig.

picture to the recent filming of the Project Gemini walk in space.

A complete listing of the

available 8 mm films will be provided by the library on request.

Funeral Services For Pauline Grillo

Mrs. Pauline Feraco Grillo of 1 North 11th Street died February 21 at St. Vincent's Hospital, Montclair.

She had been a resident of Belleville for over 27 years coming here from Newark in 1941. Mrs. Grillo was 59.

She is survived by Frank A. Grillo, senior; her two sons, Rosario of Menlo Park, Frank A. Grillo of Belleville; her father, Carmine Feraco of Cedar Grove; her brother William Fairrock of Little Falls; her sister, Mrs. Theodora Altunga of Cedar Grove.

The funeral was February 26 from the Arthur K. Brown Incorporated Home, 56 Park

Street, Montclair. It was followed by a Mass at St. Francis Xavier Roman Catholic Church with the Rev. Marconi Scanlon officiating. Interment was at Holy Sepulchre Cemetery, Totowa.

First CARE operations in Indonesia are under way, with initial emphasis on a pilot feeding program for school children.

John Moyer, 40 Year Resident, Was Construction Crane Operator

John I. H. Moyer, 72, of 29 Mertz Avenue died at Clara Maass Memorial Hospital.

Mr. Moyer was a crane operator for 25 years with the J. Rich Steers Construction Company of New York. He was born in White Haven, Pennsylvania and moved to Belleville 40 years ago.

He was a member of the International Union of Operat-

ing Engineers, Local 14, New York; the Damascus Lodge, F&AM, East Orange, and the Belleville Craftsmen's Club.

He leaves a son, John H. of River Edge; a daughter, Mrs. Everett Laing of Elizabeth; two brothers, Karl of Tunkhannock, Pennsylvania, and Samuel of Stewartville; two sisters, Mrs. Leon Martin

of Westchester, Pennsylvania, and Mrs. Florence Moyer of Pearl River, New York, and one grandchild.

Services were February 24 from the William V. Irvine and Son Memorial Home, 276 Washington Avenue.

Why is it a fat pedestrian is always in the middle of the street when the light changes?

Valerian Podmolik Elected
ITT Worldcom Vice President
Election of Valerian F. Podmolik as a vice president of ITT World Communications Inc. was announced today by James R. McNitt, president of the International Telephone and Telegraph Corporation subsidiary.

Podmolik, who continues as director of Plant Engineering, has occupied key administrative positions with ITT Systems companies since 1960.

REPAIR WORK — Refurbishing Town Hall continues. The current project is redesigning the office of Eugene Barnett, town clerk. While repair crews have been knocking down walls, Barnett has been sharing the office of Commissioner William Cullen.

Kiwanis International Receives Top Award

Kiwanis International has a top award in the annual competition of the Freedoms Foundation at Valley Forge for patriotic community service, according to Samuel Pearl, president of the Kiwanis Club of Belleville. Kiwanis received a "Principal Award in the Americana General Category" for two of its programs — "Operation Law and Order," "You and the Law" — both of which are aimed at uncovering the causes of crime and disorder, and working to alleviate those causes.

The "Principal Award" is one of the highest accolades that Freedoms Foundation confers. This is the eighteenth consecutive year that Kiwanis has been honored by the Freedoms Foundation.

Kiwanis' two youth organizations were also honored, by Freedom Foundation for 1967 efforts. Key Club International, a high school boys' service group numbering 88,000 young men in more than 3,200 clubs, received a "George Washington Honor Medal in the Americana General Category" for Key Club's 1967 theme, "Initiate Personal Responsibility". This is the eleventh Freedoms Foundation award for Key Club.

Circle K International, Kiwanis' college men's service

organization, also won a "George Washington Honor Medal in the Americana General Category." Circle K's medal came from its theme, "Serve with Purpose." This is Circle K's seventh award.

YOU'LL BE GLAD You switched to Electric Glassheat BECAUSE...

(Letters from Glassheat users
TELL YOU WHY!)

"IT'S COMFORTABLE HEAT—

just like sunshine in spring", says one Glassheat owner. "You don't feel hot or cold; you are never aware of the temperature. You are just continuously comfortable, and there are no cold spots."

This is true because Glassheat is the only heating system that warms with Radiant Electric rays exactly like the Sun's own rays. A room heated by Glassheat feels like the sunny side of a barn in the spring sunshine. No wonder people enjoy it, and say so:

"JUST THE TEMPERATURE WE WANT IN EACH ROOM; that's one

thing I like," says another owner. True, because money saving thermostats throughout the house permit you to regulate the temperature in each room; 65° in one, 75° in another and 50° in a room not in use.

The temperature is uniform from floor to ceiling, causing a user to write, "Years of living with your Glassheat makes me a firm believer in this type of heat."

YOU'LL SAVE MONEY ON HEAT. A fact that surprises many Glassheat

owners. One writes "We were expecting that Glassheat would be somewhat more economical to operate but we were not prepared for our low annual heating bills. Of course we are also pleased with the savings on our regular current. We take advantage of the special low heating rate."

Another user says, "Though we added two additional rooms, my heating bill amounts to only \$175—and we have never been so comfortable.

Of course there are no maintenance or service charges. Another saving."

With Radiant Electric Glassheat so inexpensive to install and operate, why pay more for less than the best?

IT IS CLEAN—As one user writes, "Probably the most unique feature of Glassheat is its cleanliness. In 16 years with Glassheat the only room we have had to do over is the kitchen. No need to repaint the other rooms or even wash down the walls."

Says another customer, "No soot, no smoke, no grime. Have never seen anything so clean. And we are saving 30% on the cost of fuel compared to the old system."

IT IS SAFE! No flame, no fumes, no vapor and Glassheat can't overheat. Even accidental contact can't cause blistering. Since there is no flame it is fire-safe. Further it can't burn up the oxygen in the air or reduce the humidity. In fact it maintains a desirable humidity, so there are fewer colds in the Glassheat home and other bothersome ills are aided. No moving parts, so Glassheat is as silent as sunshine. Sound luxurious? It is—in every respect but price and the cost of operation.

How much would this ideal trouble-free heat cost? Send the coupon or call us in person and find out. No obligation.

Belleville Boy Scout Troop 301 Celebrates 50th Anniversary

One of the highlights of the recently completed Boy Scout Week was the celebration of Troop 301's 50th Anniversary Dinner in Belleville High School. Troop 301 was organized as Troop 4 at Wesley Methodist Church in 1917 and was renumbered 301 in 1938 in a general renumbering of Belleville Troops.

The program included an address by Congressman Peter W. Rodino, Jr. who spoke on youth and the importance of Scouting in developing good citizens. George J. Haney, vice president of Robert Treat Council delivered the congratulations of the Council and talked on the role of Boy Scouting in today's world.

Donald J. Parry, Scout Commissioner for Robert Treat Council, presented Eldon Shawger, Wesley Institutional Representative, with the Troop's 51st charter.

The program was concluded with a presentation by the Scouts in the form of a historical review of Troop 301.

Hiking and Camping

Troop 301 (formerly Troop 4) has been sponsored by the Wesley Methodist Church of Belleville since 1917. This represents 50 years of service to the youth in Belleville. Over this span of years approximately 2,000 boys have been members of the troop and there have been 15 Eagle Scouts.

Besides the full scouting program which includes hiking and camping, the boys have participated in many special projects. During World War I,

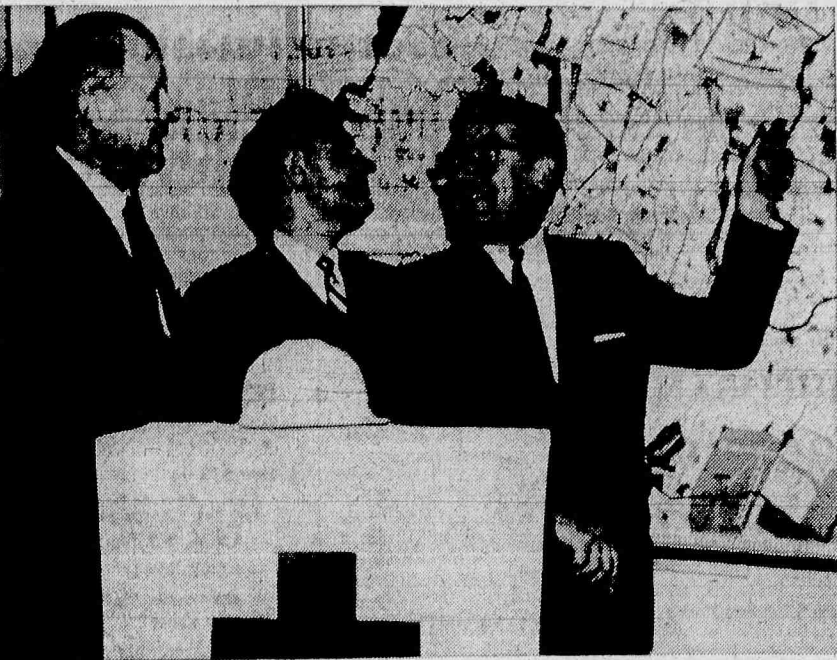

The Belleville Times, Belleville, N. J., Thursday, Feb. 29, 1968

others from the Belleville District. During the summer four Scouts from LaPaz, Bolivia, on their way to the World Jamboree, were hosted by members of the troop. The Minister of Finance of Bolivia stopped in Belleville to thank the leaders for their hospitality to the Bolivian Scouts. This fall the troop completed the Jockey Hollow Historical Hike.

The troop has been under the leadership of Larry Skidmore, Scoutmaster, for the past five years. William McGregor, a ten year veteran Scout, has been his assistant for over a year. In addition Larry has two young men who have come up through the troop as Assistant Scoutmasters. Bruce Gould, who is a senior at Montclair State College, and Scott Munro, who is a salesman in a Newark department store, assist with the troop's program.

New Jersey Motorists Urged To Avoid Deer Collision

New Jersey motorists were urged this week to exercise caution to avoid collisions with deer by Commissioner Robert A. Roe of the State Department of Conservation and Economic Development.

BELLEVILLE ASSISTANCE — Andrew Lukowiak, Red Cross Disaster Relief chairman for the Essex Chapter, (right) and Peter G. Wendel, Belleville district disaster chairman (left) review the January 12 fire and the part taken by Red Cross with William C. Richardson, Essex Chapter Disaster Service director at last week's meeting of disaster

Many Problems Now Facing Our Universities

The problems facing colleges and universities in New Jersey, the need for merchandising banking services effectively, the state's business outlook, and a discussion of world affairs will be among the subjects covered by leaders in the fields of education, finance, business, and television who will address the New Jersey Bankers Association's 65th Annual Convention at Atlantic City, May 22-24, 1968.

Jerry Longo Lauded For Top Sales Ability

Jerry Longo, Belleville, was one of 25 wool products group salesmen who received recognition from Weyerhaeuser Co. for his professional salesmanship at the company's first national sales meeting held recently in St. Louis.

Longo's sales achievement earned him a membership in the exclusive 1968 Weyerhaeuser Professional Roundtable of Sales (Pros). The honor was given based on sales performance, contribution to profit, territory management, handling of special assignments, program support plus personal and professional development.

In recognition for his sales achievement, he received special awards, a personalized wood carving of the PROS Coat of Arms and a special PROS calling card printed in gold.

Once earned, the PROS membership is continuous during his Weyerhaeuser career although there is no limit to the number of times he can re-qualify for membership.

Weyerhaeuser instituted its program of honoring top salesmen three years ago by setting up the PROS program. Nearly 250 wood products salesmen compete each year for membership.

Robert Moore Will Tour Poland and Russia Under International Living Program Plan

Robert Moore of 1 Elena Pl., Belleville, is among six Paterson State College students who will replace history books with actual experience this summer when he becomes a college ambassador abroad via the Experiment in International

Living Program.

During a campus press conference in Wayne Hall, the students were introduced by Miss Ann Yusalits, faculty adviser, who helped in selecting the students from 13 applicants.

Beginning training in June for their two months abroad besides Moore are Susan Crawford, 20 Linden Ave., Lincoln Park, Susan Smith, 7 Dillon Road, West Caldwell; Joan Masterson, 319 South Maple Ave., Ridgewood; Roberta Kattan, 13-11 Fairclough Pl., Fair Lawn; and James Hamlett, 118 Walnut Street, Newark.

The program they will undertake is based on the understanding that the best way to learn about and understand other people and their culture is by living among them as a member of the family. Miss

Yusalits said.

This summer, following training sessions in Putney, Vt., national office for the program, the students will depart for points covering the Eastern hemisphere.

"We aren't going abroad as tourists," James Hamlett said, "and we just won't see the superficial side of a country. We will learn how people feel about us and maybe something we say can encourage friendship."

Hamlett, a social science major, will travel to Tunisia. Paterson State will give each student \$700, from there they will fund the rest of the trip.

They will take slides in their country and upon returning, write a paper on their experiences.

Following three weeks of intensive training in Vermont,

especially in language, and up to about 20 inoculations, each student will live with a family abroad for about a month and then tour the country with a member of the family.

Susan Smith will spend her time in Austria and Czechoslovakia, Susan Crawford in Nigeria, Roberta Kattan in India, Robert Moore in Poland and Russia and Joan Masterson in Czechoslovakia.

Most expressed a desire to know more about communist countries as they don't think they are that much different from ours in view of religious backgrounds and history.

The students' activities in school and community affairs, ability to get along with people, and good academic standing were all considered in selecting them, Miss Yusalits explained. Students from last year's program also interviewed the new college ambassadors, she said.

On their return, the students will speak to PTA groups, students and other organizations about the trips to promote a better understanding of life abroad.

H

BECK'S COLUMN

By MAX BECK

Many customers ask us whether it is better to buy a radio-phonograph and a color TV set separately or to buy a combination. Invariably they tell us they heard that it is a disadvantage to buy a combination. Let's analyze this question. Surely you have one or several radios in the house. How much trouble do they cause. We always ask this question and invariably we get for an answer: not much, in fact very little. The price for these radios was from about \$10. to \$50., rarely more. The radio in a combination is of a far better quality than the small radios. In addition they use exclusively transistors today. If a cheap radio, most of them using tubes which need replacement in time, causes little trouble, one has every reason to expect that a far better built radio as used in a combination, with transistors that don't burn out, gives even less trouble. The fact is that there very rarely is trouble with these excellent transistor radios used in combinations. So as a source of trouble one can rule out the radio portion of a combination. The record changer also rarely causes difficulty, and if it does, it can be taken out without affecting the other functions. One does not even have to mention the speakers, which practically never go out of order. That leaves the TV set. The fact that it is in the same cabinet with the changer and the phonograph certainly does not cause any more trouble as if it would be in a box by itself. There could only be just one drawback. In some combinations, you may not be able to play the radio when the TV set is taken out, in others it still could be used. However, how many times during the life time of the set does the TV have to be taken to the shop? Maybe once or twice in 10 years. It just does not make sense to say that it is not good to buy a combination because within the usual life time of about 10 years one may not be able to use the set. As a rule a shop repair is completed in a few days. So if a combination fills a useful function in your home, by all means buy it. You have much better tone for the TV sound than in a TV only cabinet.

We service what we sell.

LEGAL NOTICE

SHERIFF'S SALE
SUPERIOR COURT OF NEW JERSEY, CHANCERY DIVISION, ESSEX COUNTY, DOCKET NO. F-627-67, PULASKI SAVINGS & LOAN ASSOCIATION, a corporation of the State of New Jersey, Plaintiff, vs. H.L.H. INC., a corporation of New Jersey, et al., Defendants.

EXECUTION
For Sale of Mortgaged Premises.
BY VIRTUE of the above stated writ of Execution, to me directed, I shall expose for sale by Public Vendue, in Newark, on Tuesday, the 19th day of March next, at 1:30 p.m. (prevailing time), ALL that certain tract or parcel of land and premises hereinafter particularly described and situate in the City of Newark in the County of Essex and State of New Jersey:

BEGINNING in the easterly line of Fairmount Avenue at a point 225 feet southerly from 14th Avenue, thence running easterly at right angles to Fairmount Avenue 100 feet; thence southerly parallel with Fairmount Avenue 25 feet; thence westerly 100 feet to Fairmount Avenue; thence northerly along the same 25 feet to the place of BEGINNING. Being Lot 171 on Map of Estate of Moses B. Coe, Being known and designated as 292 Fairmount Avenue, Newark, New Jersey.

The approximate amount of the judgment to be satisfied by said sale is the sum of Seven Thousand and Sixty-Two Dollars and Fifty-Seven Cents (\$7,062.57), together with the costs of this sale. Newark, N.J., February 13, 1968. RALPH D'AMBOLA, Sheriff. Michael J. Kosloski, Attorney. Feb. 22, 29, Mar. 7, 14, 1968. Fee: \$40.00 #B836

LEGAL NOTICE

SHERIFF'S SALE
SUPERIOR COURT OF NEW JERSEY, CHANCERY DIVISION, ESSEX COUNTY, DOCKET NO. F-627-67, ANTHONY RIELA and ANDREA RIELA, Plaintiffs, vs. 256 HELLER PARKWAY CORPORATION, a corporation of New Jersey, and STATE OF NEW JERSEY, Defendants. EXECUTION For Sale of Mortgaged Premises.

By virtue of the above stated writ of Execution, to me directed, I shall expose for sale by Public Vendue, in Room 226, at the COURT HOUSE, in Newark, on Tuesday, the 5th day of March next, at 1:30 P.M. (prevailing time), ALL the following tracts or parcels of land and the premises hereinafter particularly described, situate, lying and being in the City of Newark, County of Essex and State of New Jersey:

FIRST TRACT: BEGINNING at the corner formed by the intersection of the Southerly line of Fredonia Avenue and the Easterly line of North Sixth Street; thence running Easterly along the said Southerly line of Fredonia Avenue 75 feet; thence Southerly at right angles with the said Southerly line of Fredonia Avenue 100 feet; thence Westerly and parallel with the first course 75 feet; thence Northerly along the said Easterly line of North Sixth Street 100 feet to the said Southerly line of Fredonia Avenue and the point and place of Beginning. Being known as Lots Nos. 1, 2 and 3 (one, two and three) on Block L on said Map.

SECOND TRACT: BEGINNING at a point in the Southerly line of Fredonia Avenue distant Easterly 75 feet from the corner formed by the intersection of the said Southerly line of Fredonia Avenue and the Easterly line of North Sixth Street; thence running Easterly along the said Southerly line of Fredonia Avenue 75 feet; thence Southerly at right angles with the said Southerly line of Fredonia Avenue 100 feet; thence Westerly and parallel with the first course 75 feet; thence Northerly and parallel with the second course 100 feet to the said Southerly line of Fredonia Avenue and the point or place of Beginning. Being known as Lots numbers 4, 5 and 6 (four, five and six), on Block L on a map known and designated as a map of Silver Lake Park, the property of Clarence M. Hedden, surveyed by Francisco and Barkhorn, Newark, New Jersey, July, 1922.

Fredonia Avenue is now known as Heller Parkway. Being also known as No. 256 Heller Parkway, Newark, New Jersey. The approximate amount of the judgment to be satisfied by said sale is the sum of One Hundred Eighty-Seven Thousand Three Hundred and Sixty-One Dollars and Sixty Cents (\$187,361.60), together with the costs of this sale. Newark, N.J., January 29, 1968. RALPH D'AMBOLA, Sheriff. STEIN & STEIN, Attorneys. Feb. 8, 15, 22, 29 1968. #B827. Fee: \$64.00

SUPERIOR COURT OF NEW JERSEY, CHANCERY DIVISION, ESSEX COUNTY, DOCKET NO. F-627-67, PULASKI SAVINGS & LOAN ASSOCIATION, a corporation of the State of New Jersey, Plaintiff vs. Sile, Inc., a corporation of New Jersey, et al., Defendants. Execution for sale of mortgaged premises.

By virtue of the above stated writ of Execution, to me directed, I shall expose for sale by Public Vendue, in Room 226, at the Court House, in Newark, on Tuesday, the 19th day of March next, at 1:30 p.m. (prevailing time), all that certain tract or parcel of land and premises hereinafter particularly described and situate in the City of Newark in the County of Essex and State of New Jersey:

BEGINNING in the westerly line of South 19th Street at a point therein distant 150 feet southerly from the corner formed by the intersection of said westerly line of South 19th Street and the southerly line of Twelfth Avenue, thence westerly at right angles to South 19th Street 100 feet; thence southerly parallel with South 19th Street 25 feet; thence easterly and at right angles to South 19th Street 100 feet to the said westerly line of South 19th Street; thence along said line of South 19th Street northerly 25 feet to the point and place of BEGINNING.

BEING known and designated as 301 South 19th Street, Newark, New Jersey. The approximate amount of the judgment to be satisfied by said sale is the sum of Nine Thousand Three Hundred and Sixty-Seven Dollars and Thirty-Four Cents (\$9,367.34), together with the costs of this sale. Newark, N.J., February 13, 1968. RALPH D'AMBOLA, Sheriff. Michael J. Kosloski, Attorney. Feb. 22, 29, Mar. 7, 14, 1968. #B835. Fee: \$38.40

Snow on a shovel is not as light as it may seem by looking at it on the ground your Heart Association says; and middle-aged men who've grown soft can strain their hearts by over exertion in

Montclair Art Museum Offers Unusual Exhibit

An exhibition of unusual interest opens at the Montclair Art Museum on February 25, continuing through March 17.

The exhibition presents a view of one manner of abstract art—the controlled, objective painting of cleanly articulated images. The development of this style in American painting is traced chronologically beginning with the Synchronism painting by Morgan Russell, dated 1915, and with the Precisionists Demuth and Sheeler through such artists as Josef Albers, Ilya Bolotowsky, and Burgoyne Diller who were influenced by Mondrian.

THE NUTLEY SUN BELLEVILLE TIMES THE NEWARK RECORD

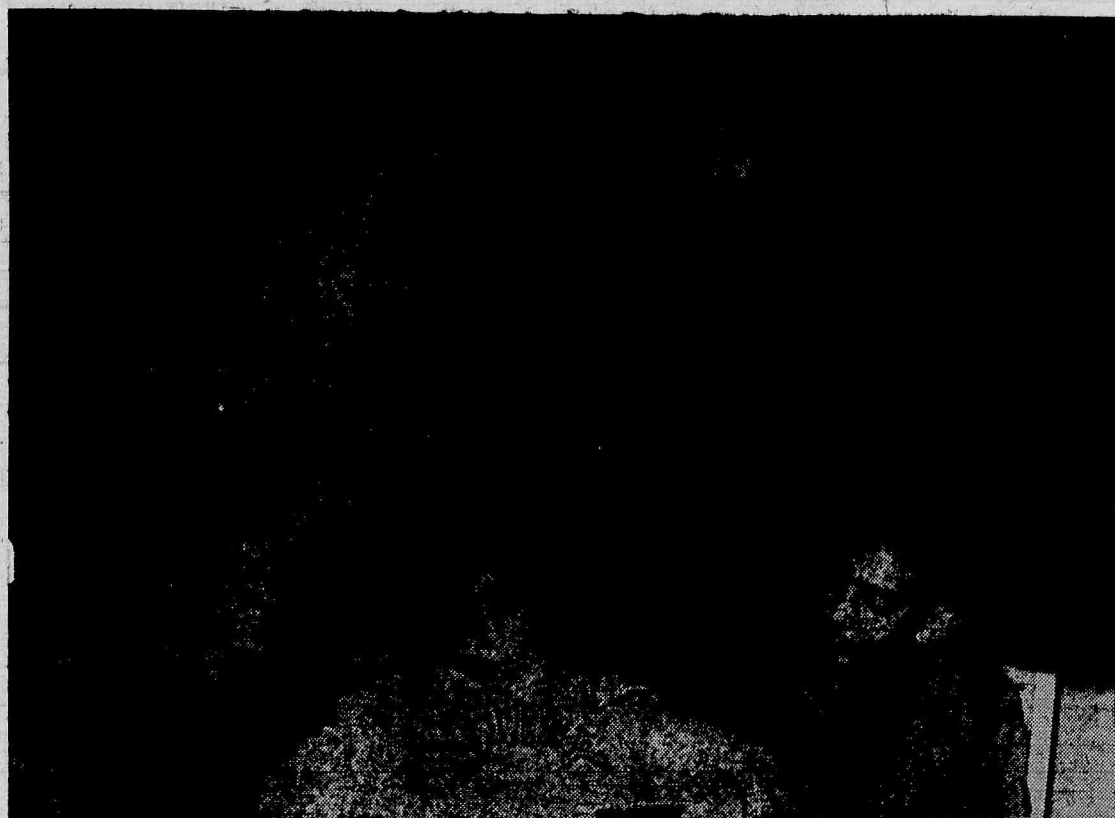

Holy Family School Enrichment Program Provides Hobbies

GUITAR LESSONS — Father Paul Viale instructs students from left Paul Cardone, Mary Ann Brindisi, and Lorraine Mazziotta, in the fundamentals of the guitar at the Holy Family School class.

EMERGENCY PROCEDURES — Nutley First Aider, Elizabeth Bahr, extreme left, demonstrates mouth-to-mouth resuscitation on practice dummy "Resuscitation Annie" in First Aid course at Holy Family School. Students were certified as Junior First Aiders at completion of course. Seen here with Miss Bahr from left to right are: (front row) Lauren Costello and Rose Gabriele. Standing in the back row are: Mary Ellen McLillo, Patricia DeLaurentis, Mary DiGiovanni and Barbara Sicilliano.

NUTRITION STUDY — Mrs. Ozojowski observes student reaction to study of proper nutrition in Teenage Life class. Students checking the nutrition chart include John Plserchia, Albert Marchione and Gary Vitale.

Belleville, Nutley Children Get Diversified Training Which Area Schools Don't Offer

Recent completion of a course entitled "Extracurricular—an Enrichment Program" at Holy Family School provided students with new hobbies and vocations at the Saturday morning classes.

The courses, covering First Aid, Introduction To Guitar,

Personal Grooming, Ceramics and Teen Age Life For Boys And Girls, are sponsored by the Holy Family Lay Board of Education. They are offered freely to seventh and eighth graders attending Holy Family School and provide the students with more diversified

subjects not yet available in their regular school curriculum.

Previous programs proved highly successful and were well received by the students. According to O. Fred Vitale, chairman of the program, classes were expanded this year to permit a wider choice

of subject matter by the students.

Believed to be the first such program of its type in the Newark Archdiocese, the Saturday school program will again be offered to the students in February. A schedule of new courses has not yet been announced.

SOLID ENRICHMENT — Mrs. Joseph Ricciardelli demonstrates decorating techniques on ceramics to Saturday school students Lorraine Porcaro and Karen Hult at Holy Family Enrichment Program

Rodino Would Aid Italian Immigration To America

Rep. Peter W. Rodino (D-10th District) has announced his introduction of special legislation to authorize the immediate entry into the United States of 2000 natives of Italy and their families who have lost their homes and livelihoods as a result of the tragic earthquakes in Sicily some ten days ago.

Rodino, who is ranking member of the House Immigration Subcommittee, said he was taking the route of special legislation because use of existing provisions of law would count the number of earthquake victim immigrants against the ceiling on Italian immigration. Special visas issued to these distressed aliens would be outside any ceiling on immigration, but prospective immigrants to benefit from the bill would still have to fulfill the eligibility qualifications for immigration under present law as to health, good character, etc.

"My bill," Rodino said, "makes available 2000 special immigrant visas only to those earthquake victims uprooted from their homes and in urgent need of assistance to obtain the essentials of life. The wives and children of such

aliens would also be issued special visas. The legislation might therefore benefit some 10,000-20,000 people, on the basis of the best available estimates of the number of people suffering from the earthquake who would want to emigrate from Italy."

"There is clearly established precedent for this type of special legislation," Rodino stated, "for in 1958 a similar bill was enacted to help the Portuguese victims of volcanic eruptions in the Azores. This situation is equally tragic, for the victims of this disaster have lost their homes, their jobs and have no future to look forward to in their impoverished and underdeveloped homeland. It is legislation in the best tradition of America's humanitarian policy of offering a haven to the distressed and suffering, and to victims or refugees from disaster or tyranny."

"Many of the earthquake victims," Rodino noted, "are also close relatives of U.S. citizens who have encountered long delay in obtaining visas to join their families in the United States. I am hopeful that my bill will not only help

Postmaster Wins Fire Commendation

Postmaster Joseph J. Benucci has been notified by the National Fire Prevention Committee that the Newark Post Office will be awarded a plaque for the 11th consecutive year for its fire prevention programs.

Among 603 federal government agencies throughout Canada and the United States participating in fire prevention programs, the Newark office was chosen the second best. It has been in the top three since 1956, Benucci praised Willard Mayer, Post Office Safety Officer, the Belleville Fire Department for their cooperation and all employees responsible for the fine fire prevention activities.

The Postmaster said: "We will continue to stress safety and fire prevention attitudes among all people both at home and at work." The Newark Post Office has achieved the highest winning record of all other federal agencies.

alleviate the distress and suffering of these unfortunate victims of disaster, but will also result in the reunification of families which have been separated for many years,"

Health Program Under Medicare Fully Explained

"Don't wait until you get sick. Take time now to read Your Medicare Handbook."

This is the advice William J. Arnold, manager of the social security office in Newark has for all Medicare beneficiaries. Arnold stated that the Medicare Handbook explains how the two health insurance programs work and tells what services are covered and how payments will be made. It also contains a copy of the simple form to be used in requesting payment of doctor's bills under the medical insurance program.

The Handbook includes a listing of all the insurance organizations that will be handling medical insurance claims, so beneficiaries can quickly see where claims for payment of doctor bills, home health services included in the supplementary plan should be sent.

Your Medicare Handbook is designed as a ready source of information and guidance for each person covered by Medicare. Along with the red, and blue health insurance identification cards, it is the key to Medicare protection.

Arnold stated that anyone having any questions about his rights under Medicare should get in touch with the social security office located at 1016 Broad Street.

GOOD GROOMING — Mrs. John Nosti demonstrates principles of personal grooming on Janet Magnaffa. Looking on are Carol Clarke, and Donna Tomaselli under the hair dryer.

Ahavath Achim Group To Hold Annual Gala

The annual dinner-dance of the congregation of Ahavath Achim of Belleville, to be held on March 30 in sisterhood hall, will honor former president Joseph Shlissel. A presentation will be made by Rabbi Achim of Belleville, to be held the congregation of Ahavath Henry Glazer, spiritual leader of the congregation.

and Seymour Fersko, general chairman, announce the appointment of Mrs. George Sosin as journal editor, assisted by Mrs. Joseph Berkowitz, Mrs. Nathan Degenheim and Mrs. David Schreier.

Reservations are being handled by Mrs. Arthur Kobrin; Mrs. Sydney Lane is responsible for seating arrangements. Mrs. William Taffet is in charge of special features.

IN MEMORIAM

In loving memory of our dear husband and father, Alexander Smith, who passed away March 1, 1958. We have lost our life companion. We must walk the world alone. God only knows how much we miss him.
As we travel on alone. Many a lonely heartache. Often a silent tear. To the beautiful memory Of the husband and father we loved so dear.
Lovingly remembered and sadly missed. Loving wife and children.

DEATH NOTICE

GRILLO, PAULINE, maiden name Feraco of 1 No. 11th St. Belleville, N. J., on Wed. Feb. 21, 1968. Beloved mother of Frank A. Grillo Sr. Deceased mother of Rosario and Frank A. Grillo, Jr. Daughter of the late Carmelo Amarella and Carmine Altunaga and William Fairrock. A High Mass of Requiem was offered at St. Francis Xavier Roman Catholic Church, Newark, N.J. at 9 A.M.

ANNOUNCEMENTS

THE BELLEVILLE TIMES-NUTLEY ATTENTION JOB APPLICANTS
SUN does not knowingly accept Help-Wanted ads from employers covered by the Fair Labor Standards Act if they offer less than the legal minimum wage or fail to pay at least time and one-half for overtime hours. The minimum wage for employment covered by the FLSA prior to the 1966 Amendments is \$1.60 an hour with overtime pay required after 40 hours a week. Jobs covered as a result of the 1966 Amendments require \$1.15 an hour minimum with overtime pay required after 42 hours a week. For specific information, contact the Wage and Hour Office of the U.S. Department of Labor, 970 Broad Street, Newark. Telephone 645-2279.

DEFEATING THE COLD — Commissioner Mary V. Senatore was one of the few who remained at the town hall after the oil burner broke and all town officials were asked to leave the unheated building. A portable heater is placed on the chair and a cup of coffee stands on the desk, easing the chill of the building.

Robert B. Pucciarello Is Now First Lieutenant

First Lieutenant Robert B. Pucciarello, son of Mr. and Mrs. Benjamin Pucciarello of Belleville, was promoted to his present rank in ceremonies held here at Headquarters Seventh Army Support Command (SUPCOM).

Colonel Ross E. Leach, assistant chief of staff, comptroller, extended congratulations and pinned on the new silver bars.

The 23-year-old officer is presently assigned as chief, reports of survey division for officer. Prior to his arrival in Germany, he attended the Fort Benjamin Harrison Finance School, Ft. Benjamin Harrison, Indiana.

Lieutenant Pucciarello is a graduate of Seton Hall University and holds a bachelor

of science degree in business administration.

SUPCOM, one of the largest commands in Europe, has the assignment of providing supply and support to combat ready troops in the central sector of the NATO Shield of Defense. Lieutenant Pucciarello aids in accomplishing the Seventh Army's mission of deterring aggression in Western Europe.

Boeblingen is located in the southwestern part of Germany near Stuttgart, on the edge of the world famous Black Forest. Its history dates back to 2,000 B.C. The charm of the predominantly industrial area is accented by the farmlands and orchards surrounding it.

March Lunch For Deborah

The Belleville Chapter of Deborah is giving a luncheon, 12 p.m., March 4, at the Amvets Hall, 100 Newark Avenue, Belleville.

A hat style show, featuring spring fashions, and a cake sale will also be held at the same time.

Tickets may be obtained from Mrs. John Bass, chairman; Mrs. Anthony DiGirolamo, co-chairman; Mrs. Joseph Cobianni, president.

Canned Food Labels Will Undergo Changes

A smooth transition in making whatever changes are required in canned food labels under the Fair Packaging and Labeling Act regulations is vital to the orderly marketing of the industry's products, Milan D. Smith, Executive Vice President of the National Canners Association, has advised.

Smith commented on the effect of the regulations on the canning industry at a meeting here sponsored by the Food Committee of the Packaging Institute and the Food Science Department of Rutgers University.

Tragically Unhappy Children Helped At Essex Guidance Clinic in Belleville

The psychologists and the social workers at the North Essex Child Guidance Clinic of Belleville are forced to deal with children, who are tragically unhappy, but who manage to remain in class in spite of their deep personal difficulties.

With the consent of their parents these children have been referred to the clinic by the school committees of any of the four municipalities, which support the school.

Since they are mostly "borderline cases", according to Mrs. Ruth Cowell, the executive director of the clinic, the children visit the clinic usually for one hour a week after school.

The largest bulk of the problems are "under achievers," the children who act up in class and cannot do what they are told. Others suffer from school phobias, having a deep-seated fear of going to school.

The clinic works closely with the schools and the parents. Mrs. Cowell said sometimes

the parents do not return after the first visit, when they learn that they also must undergo therapy in relationship to the children.

"The parents themselves can't face the fact that they have some responsibility for the child's problems. It takes a great deal of humility and courage to want to find out, for the sake of the child, just what is troubling him," Mrs. Cowell stated.

Even though the mothers and fathers are placed in separate groups some of them,

Raymond Kinsey Now in Vietnam

Army Specialist Four Raymond J. Kinsey, 20, son of Mr. and Mrs. Raymond J. Kinsey, 135 Cortlandt Street, Belleville, was assigned as a mechanic in the 149th Maintenance Company near Pleiku, Vietnam.

Mrs. Cowell maintains, are so guilty that they will drop out of the therapy and leave the child to work out his difficulties alone.

During the past year the clinic, which is on the second floor of a former nurses' quarters at Soho Hospital, has treated over 105 children and 142 parents. The treatment has always varied with the ages of the children involved. The main thing, however, according to Mrs. Cowell, is "trying to let each child know that we accept him in spite of how badly he thinks of himself."

In the 5-7 age group, the youngsters act out their problems with a doll house, for instance, creating the family environment or with puppets and the psychologists acting out the parent roles.

The 8 to 11 age group, made up mostly of boys, is broken into groups where the timid members are encouraged to stand up to a bully. "The child gradually becomes assured that no one will hurt him,"

Mrs. Cowell noted. The junior high school and high school patients talk out their problems with the clinic workers.

Started in 1958, the clinic is maintained partially by the state and the local tax dollars of Belleville, Nutley and Bloomfield residents with Glen Ridge contributing through its Community Fund Campaign. Parents are also required to pay a minimum amount of one per cent of their income tax bill to aid the clinic.

On March 4, 1968 at 8 P. M. in the all purpose room at School No. 3 the PTA is planning a very informative evening with a child study team, telling of the special services that are available in our school system.

The panel will consist of: Mr. Nardiello, Special Education Supervisor; Mrs. Norman Pomerantz, School Psychologist; and Mrs. Jean Tateo, School Social Worker. It is certain to be a very enlightening evening. The Melodears will entertain that evening and refreshments will be served by hostesses, Mrs. George Herter, Mrs. Vincent Salvato, Mrs. Robert Bittell, Mrs. Joseph Failla, Mrs. Francis Callahan and Mrs. George Coughlin.

Eddy Arnold Will Appear This Sunday

Songstress Janice Harper and the dance team of Bud and CeCe Robinson will join Eddy Arnold in his All Star Show at Newark's Symphony Hall on Sunday, March 3 at 8 p.m.

Arnold, the country balladeer who is one of the 10 biggest selling pop recording artists of all time, comes to Newark after appearances with the Nashville, Tenn., and Hartford, Conn., Symphonies — a relatively new item on this versatile performer's list of achievements.

NOTHING GOES IN EAR

It is now possible for tens of thousands of people to enjoy hearing again, with nothing in either ear—instead of forcing amplified sound through the impaired outer or middle ear, the patented "Tympano Technique" utilizing bone conduction delivers sound directly to the "hearing center", the inner ear! No buttons, no tubes, no wires, no bulky batteries. Wear this aid and not even your best friends will realize it.

The RX48 is the result of 25 years of research by Otation specialists. Made possible by a development to the Bell Telephone Laboratories — the miracle transmitters are similar to those used in the U.S. space satellites. If you'd like to know about this revolutionary hearing aid, please write:

OTATION LUTZ OF NEW JERSEY, 790 Broad St., Newark, N.J. (Room 305) Phone 642-5740.

Please send me the above information. I understand there is no obligation.
