LEADER — The late Robert Kennedy is shown campaigning at Butler University for the Indiana Primary. Standing beside the slain Senator is Kenneth Clamurro of Nutley, who headed Kennedy backers at the university.

Citizens React To Death Of Senator Kennedy

Sadness, depression, shock and anguish were the emotions expressed by citizens of Belleville when questioned concerning the tragic assassination of Robert F. Kennedy. Prominent people evidenced a widespread feeling that this terrible event was devoid of reason but replete with catastrophe. Everyone seemed to say that the hope that pervaded the life of Robert Kennedy had been blunted by a manifestation of the tendency toward violence that festers within the depths of the American society.

Harry French, head of the Chamber of Commerce, expressed a strong degree of shock. He said that the assassination was a national disgrace caused by a climate of permissiveness and disorder. He feels that the nation now demands law enforcement. French contended that a strict enforcement system will not bring about a loss of freedom for the majority.

The deep sorrow of the Negro community was expressed by the Reverend Mary Farrar of the Little Zion Union American Methodist - Episcopal Church. The Reverend Farrar said that she and her Church members mourn both individually and collectively with all those who loved Robert F. Kennedy.

Commissioner Mary Senatore called the assassination an extreme tragedy but she remained confident that others will follow who possess the same zeal and love as did Robert F. Kennedy. In the words of Commissioner Senatore the Kennedy Family is

Committee Chooses Town Party Leaders

Mary V. Senatore was selected as Town Democratic Party Chairman by the County Committee Monday night. Jerry Ferraro defeated Reform Republican Peter Paglia for the GOP chairman's spot.

These actions followed an ambitious political campaign in town which culminated in the Primary Election, a week ago Tuesday.

Reform candidate Robert Citrino, who won handily in Nut-

ley, was heavily outpolled by Peter Rodino in the vote for Congressman. Celestino Clemente, the organization candidate, also drew more support.

In the election for freeholders, Walter A. Quinn collected 1,292 ballots. Joseph Cohen, another Democrat, and Raymond Stabile, Organization Republican were also victorious.

Public Parking Facilities Voted By Commission

Library Addition Possible

The Belleville Town Commission approved, for final passage, Monday, an ordinance appropriating \$100,000 for a down payment on land on Washington Avenue, to be used for public parking facilities.

Passed on first reading was an ordinance authorizing acquisition of land to provide for an addition to the Free Public Library. The appropriation calls for \$45,000 to make a down payment.

A purchase order will be issued to Mickey's Cycle Shop, 88 Washington Avenue, for a Moto Guzzi No. 7 motorcycle for the Department of Public Safety. Cost is to be \$1,668.

Resolutions carried include: An authorization, not to exceed \$5,000, for riot control emergency equipment. Items will not be purchased through public bidding. The Director of Public Safety, at his discretion, will buy equipment in collaboration with Police Chief Donald Smith. 2. A rejection of bids received for the purchase of a two-way radio system for the Department of Public Works. The Town will advertise according to law for the purchase of General Electric Company radio equipment and appurtenances. 3. Awarding of purchase orders for water materials and supplies and a sixteen horse power truck loader sewer bucket machine set for the Department of Public Works. 4. Changing the next regular meeting of the Board of Commissioners from June 24 to June 25. 5. Granting of purchase orders for water materials and supplies and a sixteen horse power truck loader sewer bucket machine set for the Department of Public Works. 4. Changing the next regular meeting of the Board of Commissioners from June 24 to June 25. 5. Granting of purchase orders for water materials and supplies and a sixteen horse power truck loader sewer bucket machine set for the Department of Public Works.

Land Use Map Will Be Topic Of Valley Group

The Belleville Valley Association will hold its monthly meeting at the Belleville Junior High School Wednesday, June 19, at 8 p.m.

Topics for the evening will be the new land use plan map and its effect on the residents of Belleville, zoning facts and the future of Belleville and the type of industry interested in the valley.

The public is invited.

Belleville High Commencement Exercises Will Graduate 300

MERIT RECOGNITION — Rotary Club plaques are presented to Anna Costantino of 150 Heckel Street and Michael Maglio of 87 Frederick Street for outstanding achievement. Both were on the honor roll. Anne plans to go into teaching and Michael will pursue a career that combines both science and engineering.

Approximately 340 students will graduate in the 80th Annual Commencement exercises of Belleville High School, Tuesday at 6:30 p.m. in the stadium.

Valedictorian Judith Berg, 163 Branch Brook Drive; Salutatorian Linda Johnson, 22 Montgomery Place; and Ann Raabe, 50 Rutan Road, third highest scholastic average will speak on the class theme, "These Our Times."

Miss Berg, who will attend Douglass College in the fall, was editor of the school year book; on the school newspaper staff, Spotlight, a member of the senate in her sophomore year; and a member of the National Honor Society.

Miss Johnson, who plans to further her studies at Montclair State Teacher College, was on the staff of the school literary magazine, Enamori; a member of the French Club, Junior Red Cross, Biology Club and National Honor Society.

from Belleville Senior High Class of 1968 recently at The Fountain.

Selected on the basis of outstanding ability and merit, the five seniors received plaques, recognizing their excellence in the academic field and their contributions through extra-curricular activities during their four years at Belleville Senior High School.

Honored by the Rotary were Anna Costantino, Diane Bergamini, Ellen Sanders, Judi Berg and Michael Maglio.

Michael Maglio, son of Mr. and Mrs. Michael A. Maglio of 87 Frederick Street, was admitted as an early decision student to Newark College of Engineering. Maglio, who was captain of the Belleville High crew team, plans to major in

science and engineering and eventually to enter the medical field.

Judi Berg, valedictorian of the 1968 Senior Class and winner of an award from Reader's Digest, has been accepted at Douglass College, New Brunswick. She will major in political science and journalism. On the honor roll for her entire high school career, Miss Berg is the daughter of Mr.

and Mrs. Franklin E. Berg of 163 Branch Brook Drive.

Winner of the John F. Kennedy Award for Citizenship, Miss Costantino plans to attend Newark State College, specializing in grammar school teaching. She is the daughter of Mr. and Mrs. S. F. Constantino of 150 Heckel Street.

Miss Doris Bergamini, daughter of Mr. and Mrs.

Anthony R. Bergamini of 10 Campbell Avenue, received in addition to the Rotary plaque an award from the Parent Teachers Association for outstanding service to Belleville High School. She is currently participating in the work-study program at Mutual Life Insurance Company, and expects to go directly into secretarial work upon graduation.

A nurse's aide at Clara

Maass Memorial Hospital for the past four years, Miss Ellen Sanders has been accepted at Trenton State Teacher's College and intends to join the nursing profession upon completion of her studies.

Dr. Jack Grundfest, was master of ceremonies and Edward Albrechtsen, president of Rotary, addressed the members briefly before introducing Herman Knuppel, guidance di-

rector at Belleville Senior High School.

Knuppel praised the five individuals giving information on the students' varied backgrounds.

The Belleville Rotary Club has also placed a plaque in the Belleville Senior High School dedicated to those students who have distinguished themselves in various fields.

captured 15 of the 24 County Committee contests in the 1st Ward. Biggest winners were Rudolph Zoeller and Lillian Ferrara in District 7. The closest vote count was in the 4th district.

In the Second Ward, they upped their margin to an overwhelming 20 of 24 seats, for an overall tally of: Organization 35, Reform Republicans 13.

Peter Paglia, who lost in his bid for the chairmanship, and his wife Vera, were victorious in District 4.

Top vote getters were the Organization ticket of Thomas Patterson and Elsie Walker in the 8th district.

Many Democratic contests were close. Clementine Prosper defeated Anne Gabriel by one vote in Ward 1, District 9. George Marcelli and Florence Forgiome each polled 46 votes in Ward 2, District 9. Absentee balloting would determine the winner.

Overwhelming winners include: Frank Simini, Anna Pravata, and Alfreda Cameron.

Complete vote tabulations of

the Belleville Primary Election are included in today's issue of The Times, on Pages 12 and 17.

Belleville Reacts To Assassination

(Continued From Page 1)

The Reverend Fred Long of the Christ Episcopal Church expressed his sadness and concern. Reverend Long said that America is becoming apathetic and lethargic. "We are too caught up in a swirl of activity and we take no time to grieve or contemplate." He deplored the business as usual attitude that has become indefatigable in America through a process of inertia.

In general, the expressions of sadness and grief were universal. Words of condolence were uttered by both former adherents and opponents of the late Senator. Residents of Belleville have been deeply touched by the loss of Senator Robert F. Kennedy and his memory will not quickly fade from their minds.

city, and worked on Spotlight and the yearbook.

Miss Raabe, who will also attend Montclair, was a member of the French Club, Junior Red Cross and the National Honor Society. She received a math award from the Mathematics Association of America and will benefit from a state scholarship and the Tri-Town Scholarship Award of \$300.

The Belleville High School band will perform, under the direction of Robert Wing.

The benediction will be given by Reverend Francis A. Ignaciuos, St. Peter's Church. Reverend Frederick Long, Christ Episcopal Church will

give the Benediction. His daughter, Susan, will be among the graduates. She plans to attend Ohio Wesleyan University. Susan won the district Essay Contest in her junior year, worth \$500 in scholarship monies. She also was the winner in the American Legion Oratorical Contest.

Principal Raymond O. Smith will present the class. John Di Rienzo, President of the Board of Education and Rocco Saletta, vice-president, will present the diplomas.

Anne Costantino, President of the Student Council, will announce. Michael Paparatto, President of the Senior Class, will handle the flag salute.

Social Security Law Changes Benefit Widows

William J. Arnold, District Manager of the Newark Social Security office announced that there are a great number of disabled widows in the Newark area who are missing out on social security benefits.

A recent change in the social security law provides for severely disabled widows whose husbands had worked under social security to be eligible for benefits as early as age 50.

"We are asking for assistance from community leaders, service clubs, church groups and anyone that can help us locate eligible persons," Arnold said.

In order to qualify, a widow must be between the ages of 50 - 60 and her husband must have worked a required amount of time. A widow can meet the disability requirement if she has a mental or physical impairment that is severe enough to prevent her from performing any gainful work. Her disability must have started before her husband's death or within 7 years after his death. However, if she formerly received benefits as a widow with children, she could be eligible if she became disabled as late as 7

years after the payments ended.

Some severely disabled widows in the Newark area started to receive their benefits in March of this year, the first month in which a benefit could be paid under the new law. A widow must be disabled at least 6 full months before benefits can begin.

At age 50, a widow will receive 50 percent of her husband's benefit rate and she would receive 60 percent at age 55.

"If you or any of your friends or relatives may be able to qualify, please contact the Newark social security office," Arnold said. "The office is open from 8:30 a.m. to 5:00 p.m., weekdays and until 8:00 p.m. on Wednesdays."

EXCESS SUN CAN AGE YOUR SKIN

The American Medical Association published a report in their journal, which stated that, "There is indisputable evidence that continued exposure to the sun's rays and ages the skin." The connective tissues of the skin undergoes degenerative changes. Some of these changes are pre-malignant, the end results of which can be skin cancer. Complete immunity to the effects of the sun is non-existent.

Gently apply a good suntan preparation, to screen out the dangerous ultra-violet rays. Do not forcibly rub this protection into the skin. After sun exposure, rub into the skin a good nourishing cream to replace some of the natural oil burnt out by the sun. Let us help you select a good product.

The unanimous Declaration of the thirteen united States of America,

When the course of human events has brought forth a new world, it has brought forth a new Declaration of Independence. The Declaration of Independence is a document which has been the source of inspiration and guidance to the people of the United States for over two centuries. It is a document which has been the source of pride and honor to the people of the United States for over two centuries. It is a document which has been the source of inspiration and guidance to the people of the United States for over two centuries.

INDEPENDENCE DAY CONTEST
WIN UP TO \$50.00

IT'S SIMPLE • IT'S EASY • FIND THE 2 ERRORS IN THE DECLARATION OF INDEPENDENCE.

When the final manuscript of the Declaration of Independence was drawn up, two errors were made that still appear on it today. One is an error in spelling and the other is a word omitted. Large copies of the document, suitable for framing, are available at DeWitt's office. They are yours for the asking, together with contest entry forms. All you have to do to join the contest is to locate the two errors and identify them on the entry form and drop your answer in the Independence Box in the DeWitt lobby.

Anyone can enter. You do not have to be a DeWitt depositor. First prize is a \$50. Series E U.S. Savings Bond which will go to the first name to be drawn with both correct answers. The second, third, and fourth place winners, who have both correct answers, will each receive a \$25. Series E U.S. Savings Bond.

Contest will run from June 17 until 3:00 P.M. on June 21. The drawing will be held June 24 and winners announced by mail.

Muhlenberg Graduates Worthington

George P. Worthington, son of Dr. and Mrs. George P. Worthington of 41 Van Reyper Place, Belleville, was graduated with a bachelor's degree from Muhlenberg College, Allentown, Pa., June 3.

An English major at the college, Worthington was also a member of Alpha Tau Omega fraternity and the Young Republican Club, and he played Lacrosse while at Muhlenberg.

Kidde Company To Manufacture New Dispenser

The Whippet IV, a newly designed whipped cream dispenser for restaurant and institutional kitchen use, has been introduced by Walter Kidde & Co., Inc. Belleville.

The pint-size unit has a lightweight aluminum body, making it durable and easy to handle. The standard model has an appliance-white baked enamel finish which resists scratches and chips. However, in a new step in the restaurant products field, the Whippet IV can be ordered by large restaurant chains and franchises with baked enamel finishes in the restaurants' individualized trademark emblems.

According to the manufacturer, the unit's new design has resulted in a reduction in production costs, enabling the Whippet IV to be offered at a savings of up to 25 per cent with other units.

Other Kidde products for commercial and institutional kitchen use include "Tomato King II", a heavy-duty tomato slicing machine; the "Cream-O-Matic" cream dispenser, the "Cold Water Glass-washer", and a complete line of "Kitchen Sentinel" hood and duct fire extinguishing systems.

Tax Office Promulgates Revaluation Assessment

Belleville Tax Assessor Peter A. Torre, Jr. wishes to remind all taxpayers that the Town Board of Commissioners has been directed by the New Jersey Superior Court to revalue all real property in Belleville.

The court decision makes it mandatory that the revaluation work be completed in 1968 and be placed on the 1969 tax rolls for taxing purposes. As a result, a contract was awarded to the Realty Appraisal Co. to conduct the revaluation program. The purpose is to re-appraise and establish current values so that all realty will be assessed equitably.

Field workers from the appraisal firm are presently inspecting properties between Washington Ave. West to Garden Ave. and North from Mill St. to the Nutley line.

In order to properly assess property, a complete inspection of both the interior

and exterior will be necessary. In certain instances where income producing property is involved, a statement showing income and expense, date and cost of acquisition and other pertinent information will be required. All of the foregoing will be undertaken by the Realty Appraisal Co. through its representatives.

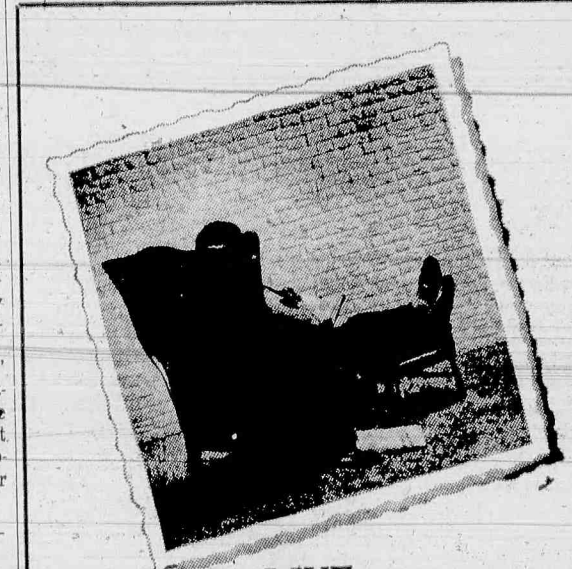

Torre requests cooperation and assistance in permitting authorized representatives of the Realty Appraisal Co. to make the required inspections. Each inspector has been provided with a letter of identification bearing his signature, countersigned by Mayor Kenneth Smith, and attested to by the Town Clerk, Eugene Barnett.

"Please do not hesitate," says Torre, "to ask for the letter of identification, examine it carefully and do not permit anyone who is unable to properly identify himself to enter your premises."

Before the new assessments are finally accepted, an opportunity to review the same will be afforded to all taxpayers.

Independence Contest Sponsored By DeWitt

On July 4, 1776, when the final draft of the Declaration of Independence was presented to Congress and signed, two errors appeared in the document. Both errors were corrected, but are still quite obvious. One is a mistake in spelling and the other is an error of omission. With a little careful reading it is relatively easy to detect both errors.

Finding the two mistakes and identifying them has been made the subject of an Independence Day Contest by DeWitt Savings. One U.S. Savings Bond will be awarded to each of four winners.

DeWitt is providing free parchment copies of the manuscript to anyone who is interested. The copies are also suitable for framing, and measure approximately 14" by 16". Simply ask any DeWitt teller for a copy of the Declaration and a contest entry blank. It is not necessary to be a depositor to obtain a copy or enter the contest.

Fill out the entry blank and drop it in the Independence Box at the DeWitt office. The contest will run from June 17 to June 21 and the drawing and announcement of winners will take place on June 24.

The first individual with both correct answers whose name is drawn from the box will win a \$50.00 Series E Savings Bond.

One \$25.00 Bond each will be awarded to the second, third, and fourth individuals with both correct answers whose names are drawn.

Computer Science Degrees To Be Offered by St. John's

The School of General Studies at St. John's University will offer baccalaureate degree programs in Computer Science and the Communication Arts beginning in September 1968.

Dr. C. Carl Robusto, Dean of the School of General Studies, said the two new programs will be offered at the St. John's Jamaica Campus and will lead to the Bachelor of Science degree.

Carl Thieme

Carl William Thieme, son of Mr. and Mrs. Carl Thieme of 138 Alexander Avenue, Nutley, has made the dean's list at the Graduate School of Business, York.

He is majoring in finance and will receive the degree of Master of Business in June. Upon graduating, Mr. Thieme plans to enter the investment banking field.

His mother was the former Ruth Minker of Belleville.

And Now There Is One

"Some men see things as they are and say why, I dream of things that never were and say why not." These are the immortal words of an American who made the supreme sacrifice while engaged in the all consuming effort to talk sense to the American people.

Robert Francis Kennedy lost his life at the hand of an assassin.

In death he was better understood than in life. In death his presidential campaign talks assumed the importance they were refused when they were delivered.

Through the Depression and as we entered World War II as an active participant there were four Kennedy brothers. One by one tragedy has claimed the lives of Joe, Jack and Bobby.

One is obliged to ask himself what price public service?

I received the news of Bobby Kennedy's assassination in the early morning hours. A half hour after I learned of the tragedy that befell the third member of the Kennedy family I flipped off the switch on my burglar alarm which I instinctively turn on as I retire for the evening.

This time when I turned the off switch I suddenly began to relate the assassination of Bobby Kennedy to my burglar alarm system.

At once it dawned upon me that while we are living in a free world we live in a state of fear. While we are reputed to be the most affluent society on earth we fail to solve the overwhelming problems of crime in the streets. No longer can a person go to sleep without experiencing a haunting feeling of fear.

It is stylish to ask in these troubled times, "what's come over America?" But really this is not the question. More

and more the question is what is happening to us — what is happening to the young citizen of America who contemptuously uses a gun to shoot down the most famous of Americans. I remember when as kids we were afraid of the cop on the beat — not because he represented the devil — but because he represented authority.

Today there seems to be a complete disrespect for authority — complete disrespect for law and order.

The tragedy of Bobby Kennedy's death has been described in news accounts and TV broadcasts in the most eloquent of terms.

We hear much talk about the need for stricter gun control laws.

I believe we should go one step further. At the local level an ordinance should be adopted which could very well be the forerunner of similar ordinances across the country. Ammunition for guns should be sold upon the presentation of an order approved by the municipal police department. There are many drugs that can only be issued upon prescription. We should treat bullets the same way. Such a procedure will automatically give us a gun registration record.

Just like Bobby Kennedy said, "I dream of things that never were and say why not." Change and direction of government must be initiated at the local level in order for us to have any influence upon the change and direction required to bring our country back to its sense. Will Town Hall respond to the challenge?

The 1968 Graduate

Millions of young Americans are emerging from high school and college and setting out on a course of life which they hope will bring happiness and material success. In some ways the 1968 graduate is fortunate; in other respects he is entering the post-school world in a difficult time.

The blessings far outweigh the disadvantages. In America the industrious and dependable young man or woman can always find a job if he looks long and hard enough. Almost invariably he can achieve success, if his health holds up and he applies himself steadily. And there is no limit on new ventures, new ideas, and what he can accomplish.

In 1968, it is true, he enters the business world at a time when students are protesting a war, demanding changes in administration and operation at colleges and universities and when some of the poor, some among

the minorities and some opposite-end extremists are urging violence. He sees chaos and violence in many cities, a poor advertisement of the American system and a disconcerting or perplexing state of affairs with which to be confronted.

Despite these troubles and trials, which will be overcome in time as the country has overcome others over the generations, the young American graduate today enters upon a rich materialistic scene, a scene often limited in cultural attainment or appreciation but with a fast-moving commercial atmosphere.

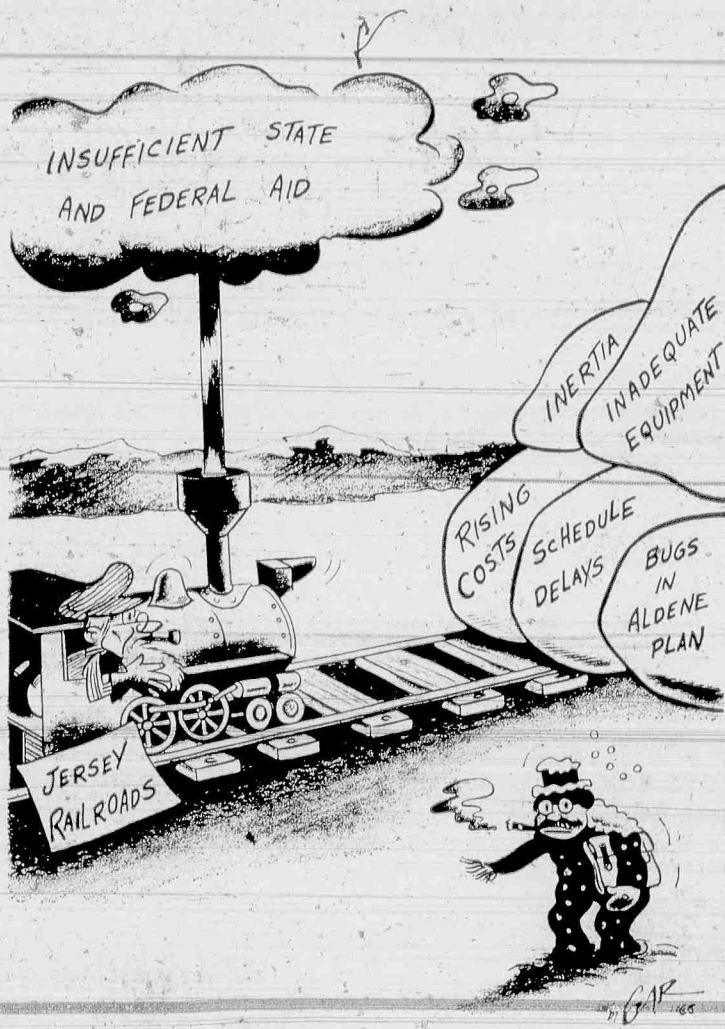

In making his way through this society old truisms and moral virtues will stand him in good stead and bring him success as nothing else will. They are: honesty, truthfulness, industry, dependability, fair play and a generous and friendly approach to fellow human beings.

ducing Germany to impotence. World War II's greatest military spectacle, the invasion of Europe, came on June 6th, 1944. And the tide of the war in the Pacific was turned at the Battle of Midway in June, 1942, when U.S. Navy airmen sunk four Japanese carriers and broke the back of the Japanese carrier arm.

The U.S. Constitution was ratified by the ninth state of the original thirteen, New Hampshire, making it the official, on June 21st, 1788. Before New Hampshire, Delaware, Pennsylvania, New Jersey, Georgia, Connecticut, Massachusetts, Maryland and South Carolina had ratified the instrument in that order.

June 3rd is the birthday anniversary of Jefferson Davis, June 14th is Flag Day and June 16th (the third Sunday) is Father's Day. And in June of 1783 a large number of angry, unpaid Revolutionary soldiers at Lancaster, Pennsylvania, marched on the capital (and Congress) at Philadelphia and demanded satisfaction. An armed group appeared at the State House but the Executive Council, in session, refused to be intimidated.

Rocky Road to Nowhere

Seems Only Yesterday

1 YEAR AGO

An educational, as well as promotional glimpse of what Belleville industries and business would have to offer was to highlight Belleville's own exposition sponsored by the Chamber of Commerce. The "Cavalcade of Progress" would show what different industries in Belleville produced.

The Board of Education appointed Anthony Greco as superintendent of the Belleville School system. Greco was then superintendent of Rockaway Schools. The board granted him a two year contract with a salary rate of \$18,000, for the first year and \$19,000 for the second year.

Arthur H. Odle, son of Mr. and Mrs. Donald E. Odle, 64 Centre Street Belleville, was commissioned a second lieutenant upon graduation from the signal officer candidate school at Fort Gordon, Georgia.

5 YEARS AGO

Town manager John R. Burnett notified acting Building Inspector Daniel Valise that the building inspectors post was to be consolidated with the job of plumbing inspector, a job vacant since the illness of Edward J. O'Conner, the permanent inspector.

10 YEARS AGO

Dr. Frank Durkee was elected Chairman of the Red Cross for the fifth consecutive term. Other officers included Pete Wendall as vice chairman; Mrs. Herbert Tucker, secretary; Albert Luscombe, treasurer; and Frank Bolen assistant treasurer.

The committee for the Economic Development of the Industrial Chamber of Commerce organized a committee of representatives from the various communities to attend the conference in the New Jersey railroad crisis held at the Robert Treat Hotel.

The weekend was forecasted to be a pleasant one in the 80's. The week had been rainy and damp, but sunny skies did prevail over the weekend.

15 YEARS AGO

Tickets were available for the annual picnic of the James J. Tuller Association to be held June 28, at Doers Grove Millburn.

James A. Golden of Tappan Avenue, recommended that the Board of Commissioners rescind their action in transferring the bog property to the Board of Education, and re-pass it with a provision that the Board hold the referendum on the new high school at the general election in November. Acting Mayor Patrick A. Waters doubted whether the Commissioners had the authority to do so even if they wanted to. The acting mayor declared that he favored divorcing school matters from politics.

20 YEARS AGO

Twenty-five music students of piano, violin and voice, from Belleville who were successful in the auditions of the Griffith Music Foundation received achievement awards for excellence in various grades. They were among 1,275 New Jerseyans who received awards from Mrs. Parker O. Griffith, president of the Foundation during a music program at the Mosque Theater, Newark.

The Belleville Varsity Club honored the High School baseball team and coaches at the Nereid Boat Club. Guests of the Club were the high school faculty basketball team, who played an annual game with the varsity. Tentative arrangements were made to have Ownie Carroll, coach of Seton Hall College and ex-big league pitcher as guest speaker.

Speak Up

Minister Against Vigilante Groups

To the Times:

Recently a very unfortunate and most serious meeting took place in the community. Under the theory of law and order a group organized by Anthony Imperiale met at the Riviera Tavern on Washington Street. By one count, there were at least one hundred citizens there. The intent of these meetings is to form some kind of protection for the preservation of one's property. NBC Television has categorized these groups led by Mr. Imperiale as "Vigilante Groups". It has been rumored that one such group in Newark possesses a large variety of weapons.

While the motive to preserve one's property may be justified, the organization of "Vigilante Groups" can never be justified in such a society as ours. All too frequently, as evidenced even in the TV westerns, they become nothing more than bigoted groups of people whose prejudice becomes fortified with guns. All most always these groups carry on racism under the excuse of self defense.

I am certain most citizens

of our community deplore this kind of organization. It is unfortunate that these people have not learned the lesson of the preservation of property by the preservation of human rights. It would have been well of these people to have taken the money and ingenuity at their command and invested it in a more positive action that will prevent what they believe makes their organization all the more necessary.

We cannot in this community condone "Vigilante Groups" for any reason. I would hope these citizens wait law and order to win out against this kind of self imposed order and self imposed justice. Secondly, I would hope the Mayor, Commissioners and the Police Department would enforce our laws in an effort to control this kind of organization and to legislate any new ordinances that are capable of doing what must be done.

Sincerely yours,
The Rev. Reginald V. Lancaster
St. Paul's Congregational Church

Lawlessness Led To Shooting

To the Times:

The death of Senator Kennedy at the hands of an assassin is one more tragic indication of the break-down of law and order in this country. Permissiveness is the underlying cause. We have permitted sit-ins, lie-ins, rioting, looting, kids to occupy, deface and defile college buildings.

We have tied the hands of our police and other law enforcement agencies with decisions that protect the criminal and disregard the rights of the law-abiding citizen. People are afraid to walk the streets. Otherwise calm intelligent people, in ever increasing numbers, are buying guns to protect their families in their homes.

It is time that we demand that law enforcement agencies be given the power and the tools to once more restore law and order; that criminals be punished for their crimes and that all this nonsense about "police brutality" be immediately stopped; that militants without regard to race, color or creed who go about inciting others to violence be silenced.

This is not a denial of freedom of speech, it is protection for law abiding citizens who are the victims of the violence after the inciters have fled to another city.

Horse stealing back in pioneer days was stopped and the instruments used were a rope and a tree. No one can advocate lynching and punishment without due process, but we must insist that the horse thieves of this day and age — the rapists, robbers, muggers, rioters, looters and their like be brought to quick and certain justice.

There is no other way to bring this country back to sanity; there is no other way to once again make this land of the free once more free — free from fear, free from violence.

Kidde Ejection Seat System Helps Save Astronauts Lives

Eight months ago, Astronaut Neil Armstrong was "checked out" on a unique piece of flight equipment which was later installed in NASA's Lunar Landing research vehicle. Recently that equipment saved his life when an emergency occurred during a routine training mission.

The vehicle was approximately 200 feet above the ground when Armstrong was forced to eject and parachute to safety. Until now, such an ejection at low or "zero" altitude and zero airspeed would have been

disastrous. Today, a gun-deployed ejection seat system gives pilots the advantage of rocketing free of a disabled craft with sufficient altitude to land unharmed.

Developed by the Weber Air-

craft division of Walter Kidde & Company, Inc., Belleville the "zero-zero" system was first employed in the Gemini spacecraft — a system which never had to be used either by Armstrong on the Gemini VIII

mission, or by any other astronaut in flight.

The Gemini seat had to be specially contoured for each astronaut. Weber seats now have been developed to a point where individualized design is no longer necessary. "Zero-zero" systems are being installed in U.S. Air Force F-106 and F-105 aircraft, and are being delivered for F-104 aircraft this year.

The Kidde division has produced more than 9,000 aircraft and spacecraft escape systems, which to date have saved the lives of more than 500 pilots.

Kidde is a major manufacturer of safety, security and protection products, with more than 80 plants and laboratories in 22 states and seven foreign countries.

Unfortunately the man with the loudest mouth often gets the most attention.

ASTRONAUT — Neil Armstrong, recently rescued from the Lunar Landing research vehicle during a flight emergency, using gun-deployed seat system built by Walter Kidde & Company, Inc., Belleville.

O'Neill Chosen For St. Peter's Study Program

Dennis G. O'Neill, son of Mr. and Mrs. Frank J. O'Neill of 179 Hornblower Avenue, Belleville, is among the 50 high school students selected for participation in the fifth annual summer-scholar program at St. Peter's College, Jersey City.

O'Neill, a junior at Essex Catholic High School, will receive a full tuition scholarship for summer study at St. Peter's.

Selection of the students was based on academic standing and co-curricular activity.

MRS. EDWARD P. WINKOWSKI, JR.
Former Miss Sandra Jones

Sandra Jones Is Bride Of Edward P. Winkowski

Wedding bells rang in immaculate Conception Church, Newark, Saturday, for Miss Sandra Lee Jones, daughter of Mr. and Mrs. Harlow C. Jones Jr. of 193 Belleville Avenue and Edward Paul Winkowski Jr., son of Mr. and Mrs. Winkowski Sr. of 76 Cleveland St. The ceremony was performed by the Rev. Rocco F. Provinzano. A reception was held at Stash's, Orange.

Escorted by her father, the bride wore a full skirted gown of organza trimmed with petit point lace and fashioned with a fitted lace bodice and sleeves, high scalloped neckline and detachable train of organza and lace falling from the shoulders.

An imported silk illusion veil was held by petals of lace, seed pearls and crystals. She carried a long cascade of white carnations with an orchid center.

Mrs. Anthony Loffredo, of Belleville, sister of the groom, was matron of honor. Bridesmaids were Mrs. Bernard O'Connor of Parsippany,

Miss Gail Gutch of Sea Girt and Miss Susan Glogoza and Miss Elaine Ritacco of Bloomfield. Susan Jones was her sister's flower girl.

Chiffon over satin gowns with flowing chiffon coats in avocado green, maize, apricot, Degas blue and Nile green were worn by the attendants. Cuffs and waists were trimmed with bands of flowers. Double bows held short tiered veils and they carried cascades of carnations tinted to match their gowns.

The flower girl was in a gown of white dotted swiss over pink satin with a pink cummerbund and matching bow headpiece.

Edward M. Rutter Jr. of Belleville served as best man. Ushering were Frank Foglia of Lyndhurst, and David Jones, the bride's brother, Gabriel Micchelli, the groom's cousin and Anthony Loffredo, all of Belleville. Bret Coeyman of Belleville was ring bearer.

Mrs. Jones chose a floor length pink crepe sheath with chiffon sleeves and lace bod-

In addition to foreign and American specialties made by members, the program will feature musical selections and travel slides.

Mrs. Janet Brown of 89 Orange Road, Montclair, and Mrs. Catherine Snyder of 405 Westminster Avenue, Elizabeth, are coordinators of the menu and chairmen of reservations.

Dorothy Allaire of 221 Greylock Parkway, Belleville, is a member of the Club.

Jersey Choral Group To Sing Tomorrow Night

The Heritage Foundation, Inc., of Nutley, has announced that the North Jersey Philharmonic will appear in concert at the International Center in New York, 18 West 48 Street, tomorrow at 8 p.m.

The Glee Club, a 17-member, all male, Afro-American choral group, is under the direction of Mrs. Alma Baeza of Verona. Their accompanist is Miss Elaine Jones. The group's members come primarily from the East Orange-Montclair area.

The Heritage Foundation is a nonprofit organization which seeks to promote awareness and appreciation for the cultural heritages of America's minority groups. Organized in 1966, its offices are located in Nutley.

Tomorrow's concert, jointly sponsored by The Heritage Foundation and the International Center, and free to the public, will be narrated by the Heritage Foundation's Speakers' Bureau, and member of its Board of Directors. Most of the selections performed will be taken from Broadway musicals.

ice. She had a corsage of rosebuds tipped in pink. The groom's mother was in an apple green crepe sleeveless gown with pleated bodice. Her corsage was rosebuds tipped in green.

Mrs. Winkowski, a graduate of Belleville High School, is a clerk-typist at Essex County Hospital, Belleville.

Mr. Winkowski, also a Belleville High School alumnus is with New Jersey Testing Laboratories, Newark. He served in the Army where he attained the rank of Specialist 4.

The couple will live in Belleville following a honeymoon in the Pocono Mountains.

MRS. DAVID L. FISHER Former Rosemary D'Alessio

Rosemary Ann D'Alessio Is Wed At Nuptial Mass

Wedding vows were exchanged Saturday in St. Francis Xavier Church Newark, by Miss Rosemary Ann D'Alessio daughter of Mr. and Mrs. Sam D'Alessio of Bloomfield and David L. Fisher, son of Mrs. Winifred Closson of 67 Bryant Street, Newark.

The nuptial mass was celebrated by the Rev. Pappara. A reception followed at San Carlo Restaurant Lyndhurst.

The bride was escorted by her father. Her gown was of silk organza appliqued with English lace and pearls. A cathedral train was attached at the shoulders.

A pearl and crystal petal headpiece held a bouffant veil and she carried a bouquet of orchids.

Miss Rae Savare of Belleville was her cousin's maid of honor. Bridesmaids included another cousin, Miss Marion Pelala of Bloomfield, Miss Carolyn Joseph of Hillside and Miss Marie Abitante of Roselle. Ramona Pelala of Bloomfield was flower girl.

The attendants were in linen gowns applied on neck sleeves and shoulders with flowers. The maid of honor was in shocking pink, the others in light pink.

Best man was Neil Cantalupo of Orange. Ushering were George Joseph of Hillside, Steven D'Alessio of Bloomfield, brother of the bride and Kenneth Fisher of Newark, brother of the groom.

Mrs. D'Alessio chose an aqua gown with beaded neckline while the groom's mother wore a green crepe gown with jeweled neckline. Corsages were orchids.

Mrs. Fisher, an alumna of Weequahic High School, is a legal secretary with Essex County Grand Jury.

Mr. Fisher, also a Weequahic High alumnus, served two years in the army including a year in Vietnam and is a printer with Marion Press, Orange.

The couple will live in Belleville after a honeymoon in Bermuda.

ARE YOU SLEEPING IN A HAMMOCK?

It's time to follow MODERN BRIDE magazine's advice and SLEEP BIG when you buy bedding for your first home.

Everyone agrees that if you are 5'6" or taller you need supersize bedding. The old fashioned, standard double bed isn't big enough for two people to sleep in comfort.

And king and queen size bedding does not require over-sized rooms.

With the help of MODERN BRIDE floor plans, our trained bedding experts will assist you in designing your bedroom around the supersize of your choice.

Visit us during our MODERN BRIDE SLEEP BIG promotion, and you will never settle for a hammock again.

WEDDINGS AND ENGAGEMENTS IN THE SOCIAL SPOTLIGHT

Honeymoon In Florida and Nassau For Mr. and Mrs. Arthur Carlson

MRS. A. N. CARLSON JR. Former Miss Nancy Regan

Miss Nancy Catherine Regan, daughter of Mr. and Mrs. Dallas J. Ragan of Abingdon, Va., became the bride Saturday of Arthur N. Carlson Jr., son of Mr. and Mrs. Carlson Sr. of 18 Elmwood Avenue.

The ceremony was performed in Midway Baptist Church, Bristol, Va., by the Rev. Maurice Mongle. A reception followed in the church Fellowship Hall.

Given in marriage by her father, the bride wore a gown of imported silk organza fashioned with a cowl neckline and long tapered sleeves. The A-line skirt and high rise bodice were accented with hand-run Alencon lace and sprays of seed pearls. A full chapel train was attached at mid back.

Her three-tiered, full bouffant veil of silk illusion was attached to a crown of seed pearls and crystals and she carried a cascade of white bridal roses and lily of the valley.

Miss Frances Puckett of Bristol was maid of honor and Mrs. Sonja Folkner of Blounts Fork, Tennessee, and Miss Brenda Barker of Bristol were bridesmaids.

The attendants were in A-line voile gowns embroidered with flowerets and underskirted with taffeta. Short three-tiered veils were attached to matching headpieces and they carried nosegays of white roses and pom-pom chrysanthemums. The honor attendant was in pink and the others in blue.

Jeffrey R. Carlson of Belleville was best man. Ushering were Michael Fitzsimmons and Edward Strack of Belleville.

Mrs. Ragan chose a pink semi-fitted princess seamed dress of silk linen trimmed with white seed pearls and white accessories. The groom's mother was in a turquoise A-line dress of imported silk with matching accessories. Corsages were of white roses.

Mrs. Carlson, an alumnus of John S. Battle High School, Bristol, and Virginia and Washington County Technical School, Abingdon, is a secretary with the U. S. Treasury Department, Internal Revenue Service, Bristol.

Mr. Carlson, a graduate of Belleville High School, and Bethany College, Bethany, West Virginia, is a processing chemist with Fisher Scientific Company, Fairlawn.

The couple are honeymooning in Florida and Nassau.

KATHLEEN HINTON

PAT MERCIER

Essex County at the June 1 pageant, held at West Essex High School of North Caldwell.

Kathleen, a Belleville High School senior, is 5'11", with brown eyes and dark brown hair. She is captain of the twirling squad of the Belleville Legion Post, and earned first place in a saber and rifle twirling squad contest at Baltimore. For the talent portion of the competition, Kathleen twirled a sharp saber. Interested in dramatics, she has had many leading roles in school productions and has been a member of the school chorus for two years.

Also participating in the contest finals was Patricia Ann Mercier of Belleville. Patricia, daughter of Mr. and Mrs. Mercier of 430 DeWitt Avenue, sang and accompanied herself on the guitar. A former freshman at Newark State College, she was studying to become a school teacher and enjoys boating, tennis and dancing. Patricia was selected as Miss Belleville 1967-68.

Winner of the Miss Essex County title, was Lorraine Ann Williams of Piscataway. Prizes and scholarships were awarded by the West Essex Lions Club, sponsors of the contest. All proceeds were donated to charity.

Belleville was the only community to be represented by two individuals in this Miss Essex County Scholarship Pageant.

Ruth E. Geppner, William J. Paese Exchange Wedding Vows In Lodi

MRS. WILLIAM JOHN PAESE Former Miss Ruth Geppner

The marriage of Miss Ruth Elizabeth Geppner, daughter of Mr. and Mrs. Frederick W. Geppner of 93 Bridge Street, to William John Paese, son of Mr. and Mrs. William J. Paese of Lodi, took place May 26 in St. Joseph's Church, Lodi.

The ceremony was performed by the Rev. Nicholas Capetola. A reception followed at Friar Tuck, Cedar Grove.

Escorted by her father, the bride wore a gown of silk organza and peau d'ange lace fashioned with an empire waist, A-line skirt, scoop neckline, short sleeves and detachable train which was appliqued with lace and beaded with pearls and crystals.

Petals of organza and lace held a two-tier English illusion veil and she carried white gladiolus in the shape of a cross on antiqued white and gold lemon leaves.

Mrs. William Johnson of Benning, Ga., was matron of honor. Mrs. Richard Ricca of Bloomfield and Miss Barbara Gray and Mrs. Robert Wagner of Belleville were bridesmaids. Miss Mary Jane Paese and Linda Lombardi of Lodi were junior bridesmaid and flower girl.

The attendants were in sleeveless lilac chiffon gowns trimmed with beaded braid. Headpieces were chiffon bows knotted with braid and they carried lilac tinted gladiolus in a vertice crescent.

Joseph Manzella of Lodi was best man. Ushering were William Geppner of Belleville, Robert Meyer of North Bergen and Joseph Azara of Staten Island, New York. Ring bearer was John Saluppo of Hasbrouck Heights.

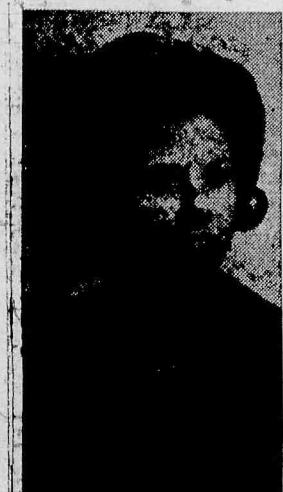

Mrs. Geppner wore a pink crepe shift with a lace coat and the groom's mother was in a silk and worsted aqua dress with jeweled neckline and matching jacket. Corsages were white cymbidium orchids.

Mrs. Paese, a graduate of Belleville High School, is office manager of Central Uniform Service Inc., Belleville.

Mr. Paese, an alumnus of Jefferson High School, Lodi, and Stevens Institute of Technology, Hoboken, is a chemical engineer with Hoffmann-La Roche, Nutley.

The couple have made their home in Nutley following a honeymoon in Bermuda.

Miss Pizzano, V. Maggiulli Plan Wedding

MISS THERESA PIZZANO

Mr. and Mrs. Joseph Pizzano of 487 Center Street announce the engagement of their daughter, Theresa to Vincent Maggiulli, son of Mrs. Michael Maggiulli of 130 Crestwood Avenue.

The wedding is planned for September, 1969.

The couple are alumni of Nutley High School. The bride-elect is a secretary at Beckton and Dickinson, Rutherford.

Mr. Maggiulli attended Fairleigh Dickinson University and is an IBM Senior Systems Operator with First National City Bank, New York City. He is active in the New Jersey National Guard, East Orange.

Cigarette Bootlegging Soon Will Become Problem in N.J.

Because of the new 3 cent cigarette tax increase which went into effect June 4 in New Jersey, cigarette bootlegging will soon become the state's No. 1 law-enforcement problem, according to the Tobacco Tax Council, Inc., an organization sponsored by the tobacco industry.

"Up the Jersey Turnpike from other states the trucks will come bearing illegal cigarettes in increasing numbers," predicted William A.

Miss Nicolette, Seraphim Louis Will Be Wed

MISS MICHELE NICOLETTE

Mr. and Mrs. Michael Nicolette of 42 Mitchell Street announce the engagement of their daughter, Michele to Seraphim C. Louis, son of Mrs. Adele Mazzarini of Mt. Prospect Avenue, Newark.

The bride-elect is a graduate of Belleville High School and Essex College of Business. She is employed by Lieb and Teich Esqs., East Orange. Mr. Louis attended Bloomfield Technical School. An army veteran with a year's service in Vietnam he is with Ray Miller Inc., West Caldwell.

O'Flaherty, the Council's executive director. "And there is no way to prevent this bootleg traffic except to stop and search every vehicle."

According to the Tobacco Tax Council, increases in cigarette bootlegging throughout the United States are directly proportional to increases in cigarette taxes.

"Look what happened in New York State," Mr. O'Flaherty said. "Before 1965, this state had no bootlegging problem. But when New York raised its cigarette taxes in April of that year, the underworld moved in fast and today, just three years later, sells one of every four packs of cigarettes sold in New York City."

State to Receive Bids June 13 for Route 75

The Department of Transportation announced that bids will be received today for construction of a .318-mile section of Interstate Route 280 and portions of the proposed Route 75 Freeway between Sixth Street and the Newark City Railway in Newark, Essex County.

The work to be performed is grading, drainage, paving, viaduct construction and retaining walls. It is scheduled for completion June 12, 1970 and will be financed with 90 per cent Federal and 10 per cent State funds. All bids will be

Belleville Girls Receive Degrees In Engineering

Newark College of Engineering tomorrow will confer engineering degrees on 11 young women, adding significantly to the country's total of engineering resources.

Seven of the young ladies will be earning B.S. degrees and four others will be awarded M.S. degrees among a total of 835 degrees conferred at NCE's 52nd commencement exercises, held on the College campus tomorrow morning.

While 11 degrees may not seem tremendously large at first, statistics have shown that women engineers constitute only 7 per cent of the nation's engineering "manpower" pool. Throughout the country only 150 institutions have women enrolled in engineering programs, with a total of about 1,500 coeds. At NCE about 60 to 70 coeds are enrolled each year in degree and non-degree programs.

Pictured above are four of NCE's degree candidates. Shown are (l. to r.) Miss Margaret Nichols of Belleville, who will earn her B.S. degree; Miss Judith Hein of East Orange, who will earn her B.S. in electrical engineering; Miss Kathryn Confroy of Belleville, earning her B.S. in industrial engineering; and Mrs. Charlotte Engler of Pompton Plains earning her Master of Science.

Not pictured are four B.S. candidates and three M.S. candidates: Misses Joan Geigel of Edison, Rachel Haim of Jersey City, Margaret Moonney of Hillsdale, and Merilee Arnold of Princeton; also Anne M. Troop of Newark, Margaret Shreehan of Chatham, and Doris W. Fatley of North Brunswick.

Eighth District Women's Club To Hold Bridge

The sole fund-raising event of the Past President's club of the Eighth District will be a benefit bridge to be held at the Jersey City Woman's Club in Jersey City in November, exact date to be announced later.

Mrs. George H. Grieb, president of the past president's club, and former Jersey City Woman's Club president, announced that Mrs. James Macpherson of Clifton, second vice president, will be chairman of the bridge. Saint Joseph School for the Blind, of Jersey City, will be one of the beneficiaries of the bridge, together with The Newark Fresh Air Fund, administered by the board of the Newark Day Center for free camper-ships for deserving children.

The club closed its season with a luncheon at the Robert Treat Hotel, Newark, with Mrs. Frederick W. Ziebell, immediate past vice president of the eighth district, and Mrs. Robert De Mott of Rutherford, newly elected eighth district vice president, as special guests.

Mrs. Charles Beck of Boonton, hospitality chairman, arranged the luncheon. Mrs. Ward Riani Sr., of Hoboken, first vice-president and program chairman, introduced Madame Phyllis De Rosa, of Hoboken, dramatic soprano, with Ellie Borelli, also of Hoboken, as accompanist.

Mrs. Grieb and Mrs. Paul Witting of Lyndhurst past 8th district vice president, reported as delegates to the 74th annual convention of the New Jersey State Federation of Women's Clubs.

LADY ENGINEERS — Although women engineers are fairly rare in this country, two of the 11 degrees awarded at NCE this month were earned by Belleville students.

Common, Troublesome Diseases Endanger Home Grown Roses

The number one plant in the popularity contest for use in the home garden is the rose.

And that it's unfortunate, but true the plant with more disease problems than about any other garden plant is the rose, adds John J. Kupcho, County Agricultural Agent of Essex County.

Two common and troublesome diseases are black spot and powdery mildew, he says. Black spot causes, as the name implies, spots on the leaves that eventually result in loss of leaves. By late summer all bottom leaves will be dead and gone. Your rose may look like a little green umbrella.

Powdery mildew doesn't result in much defoliation, but it coats the leaves and flow-

er buds with a powdery fungus growth. Leaves curl, buds fail to open and plants suffer.

Several chemicals prevent one disease or the other. And many garden mixtures have one of each type of chemical in the package. But only one — phaltan — gives good control of both black spot and powdery mildew.

Tickets are available by writing "White Cane Productions, N.J. Foundation for the Blind, Inc., 46 Franklin St., Newark, N. J. Michael Laciopa is president of the association.

Proceeds will be used for Diamond Spring Lodge, Denville, where each year blind people from all over the state are given a two-week free vacation.

During the vacations, guests are instructed how to utilize confined leisure time. They are taught travel training, swimming, handicraft, home economics and personal grooming. They are also provided with medical care.

The lodge was instituted 13 years ago. Recently apartments have been built and designed to accommodate blind married couples. The apartments are equipped with bedroom, living room, bath and kitchenette. It is the first project of its kind in this country. For the first time blind couples will be able to spend their vacations together. Until now this has been an unmet need among blind persons. The high cost of resorts and the lack of accommodations have made it difficult, if not impossible, for couples with limited income to share their vacation together.

Gimson Suggests State Plan In Two-Year Fiscal Blocks

Assemblyman Douglas E. Gimson (R-15th Dist.) has revealed a program to place financial planning for state government on a two-year, rather than single-year basis as at present.

Gimson, co-chairman of the Legislature's Joint Appropriations committee, said that the Republican majority's

Lutheran Pastors Told Of Mistrust of Old, Young

Three new Lutheran pastors were warned at their ordination at St. John's Lutheran Church in Ocean City that they begin their ministry at a time when both young and old mistrust them because of the "generation gap."

The Rev. Dr. Arthur Hergenhan of Glen Rock told the young people consider you with distrust because you are as old as the "enemy," and older people regard you with suspicion because you are too young and inexperienced.

The ordination was part of the seventh annual convention of the New Jersey Synod, Lutheran Church in America. The meetings involved delegates from 186 congregations. "The picture of the 'beloved old pastor' is meaningless to youth today," Dr. Hergenhan explained. "Yet you are called to be a shepherd to both sides of the gap."

"In the moral hiatus of our times, you are not expected to have all the answers to

men's questions. What you are expected to bring to this barren age is your personal strong faith in Jesus Christ, which is ecumenical in breadth to include all people in love, yet narrow enough in focus to enable you to see God clearly."

Those ordained included Philip Charles Cummings of West Keansburg, called as assistant pastor at St. John's Lutheran Church, Passaic; Stanley Edward De Camp of Elizabeth, called as pastor of Zion Lutheran Church, Ridgefield; and Andrew J. F. Robin of Newark, called as pastor of St. Peter and St. Paul Lutheran Church, Blue Island, Ill.

The Rev. Dr. Edwin H. Knudsen of Trenton, President of the New Jersey Synod officiated at the ordination. The Rev. Russell E. Swanson, pastor of Faith Lutheran Church, Murray Hill, was liturgist.

CONGRATULATIONS ON ORDINATION — The Rev. Andrew J. F. Robin, now of Bethany Lutheran Church, Belleville, is congratulated by Einar V. Steffensen of Belleville, lay delegate from the congregation, at annual convention of New Jersey Synod, Lutheran Church in America, in Ocean City. Pastor Robin, who will become pastor of church in Blue Island, Ill., was ordained at the convention May 22.

OBITUARIES

Mrs. John C. Leitz

Funeral services were held Monday for Mrs. Anna Leitz of 264 Branch Brook Drive, Belleville.

Mrs. Leitz, 90, died on Thursday. She was the wife of the late John C. Leitz and the mother of William Leitz.

Mrs. Leitz is also survived by four grandchildren and four great-grandchildren.

recently revealed tax and spending program was predicated upon a two-year financial plan. That plan, he said, will determine policy for (a), the formal spending program (and taxes to finance it) for the fiscal year beginning July 1, 1968 and extending to June 30, 1969; (b), set parameters for spending and tax policy for the subsequent fiscal year. "This is the first time," he said, "that State Government in New Jersey has sought to plan its finances more than one year ahead of time."

Mrs. M. Springsteel, Was Born In Newark

Mrs. May C. Springsteel, sister of Mrs. Katherine Conklin of Belleville died June 3 in Rahway Hospital. She was 79 and lived in Elizabeth.

Born in Newark, she resided in Rahway for over 26 years before moving to Elizabeth.

She also leaves two sons, John M. Jr. of Union and Charles C. of Rahway; two other sisters, Mrs. Winifred Johnson of Towaco and Mrs. Grace Curtin of Alaska; three grandchildren and two great-grandchildren.

Services were held June 5 at the Gray Memorial, 12 Springfield Ave., Cranford.

Rodino Sponsors New Bill

Rep. Peter W. Rodino (D-10th District) announced that he will introduce tomorrow an immigration bill to insure immigration opportunities to Irish immigrants. This bill will amend the Immigration Act of 1965.

"This Act," Rodino, ranking member of the House Immigration Subcommittee, said "was basically just and fair and gave recognition to the dignity of the individual, with preference given to the reuniting of families, to prospective immigrants who will best contribute to our society and to providing asylum to refugees. As originally proposed by President Johnson, the legislation was sound. However, it is now time to further perfect the landmark 1965 act."

TORRID TALES OF THE ELECTRIC HEAT LOVERS

Hot Stories

"Heating bills for our 10-room Montclair home built in 1960 invariably come in under \$300 a winter, and every cent of that is turned into pure heat: there are no cold spots, no drafts, no long waits for the house to warm up . . . FANTASTIC EFFICIENCY!" writes Mrs. Albert Weber, Vice President of the Nutley Lumber Co.

"Radiant electric heat keeps my company's heating cost down to a rock minimum also. Our two office buildings are equipped with Glasheat, one of them since 1948.

"That makes three times I've installed Glasheat in the last twenty years — if that isn't recommendation enough for anyone, I honestly don't know what is!"

Thank you, Mr. Weber, for your three hot stories!

Sick Stories

"Three years ago when we installed radiant electric Glasheat," writes Mr. Bruce Benner of East Rutherford, N.J., "the first thing we noticed was the ideal humidity level; no static shocks; no more stuffy feeling on rising in the morning — just wonderful comfort we had never experienced before. "Room-by-room control with separate thermostats in each room enables us to enjoy the exact temperature each of us wants. With a wife and four children or a total of six in the Benner family, ONLY ONE COLD OCCURED IN THE ENTIRE PERIOD, and it was a mild one at that. We feel this is the most unusual considering our experiences previous to Glasheat."

Thank you, Mr. Benner — many more healthy winters to you!

Cheap Stories

"A good friend of mine decided to install a central heating system in a home just about the same size as mine (3500 sq. ft.) and at the end of the calendar year we compared our operating costs," writes Mr. A.L. Miller of Boonton, N.J.

"Taking his fuel cost and electric cost, he spent \$533. Taking my total electric bill, I spent \$536. I HEAT MY BASEMENT AND GARAGE TOO — MY FRIEND DOES NOT!! We think this is a pretty good situation, don't you?"

We do indeed, Mr. Miller, and please extend our sympathies to your friend.

The first thing everyone seems to think of when you mention electric heat is: HIGH COST OF OPERATION," writes another Mr. Miller, this gentleman from Verona, N.J.

"Well, let's start with my cost of operation now as against my previous fuel heating system. Using ONLY TWO FLOORS with my previous fuel system it cost me an average of \$230 a year for heating. Now with electric Glasheat, using THREE FLOORS INSTEAD OF TWO, my annual operating cost runs between \$230 and \$250.

"Three floors for the price of two — we think that's a pretty nice deal!"

What's Your Story?

If you have a heating problem — a hard-to-heat room, an old house, an additional room, a dirty, drafty system — any problem large or small — we have more stories to tell you.

SOCIAL COMMENTARY — "Planet of the Apes," a 20th Century-Fox film, starring Charlton Heston, is now showing at the Franklin Theatre. The movie is based on a novel by Pierre Boulle, author of "The Bridge over the River Kwai." Screenplay is by Michael Wilson and Rod Serling. "Planet of the Apes" hurtles the viewer into a strange simian civilization where man is regarded as a brute to be controlled and contained, lest he grow in numbers and strength and ultimately destroy ape culture. The film also stars Roddy McDowall, Kim Hunter and Maurice Evans.

Treasury Honor Given To Shawger

The James G. Shawger School in Belleville has received an award from the U.S. Treasury for making the Treas-

ury's School Savings Program available to its students in the 1967-68 school year.

A special Treasury Award was sent to Michael Nardiello, State Savings Bonds Director, who expressed Treasury appreciation for "helping young people develop sound savings habits which they will continue as adults."

Dunn added: "Millions of Americans have found in Savings Bonds a patriotic way to aid their country and at the

same time to provide security for themselves. Such savings have helped individual citizens realize personal goals such as new homes, college education for their children and retirement income."

The School Savings Program for students calls for weekly Stamp Days when pupils can purchase U.S. Savings Stamps in denominations as low as ten cents. Students exchange filled stamp albums for U.S. Savings Bonds.

Nardiello announced that the

School Savings Program will be resumed in the fall for the 1968 - 69 school year.

State Grants \$13,115 To Newark for Swimming

Commissioner Robert A. Roe of the New Jersey Department of Conservation and Economic Development today announced State approval of a Land and Water Conservation Fund application for City of Newark in Essex County for the establishment of three portable pools to be located in highly congested areas.

The Plans envision the purchase and installation of two 38'x75' pools and one 40'x165' pool.

STEAK JOINT

Just as Paris is famed for its epicurean havens, New York is noted for its steereries, which have endowed Gotham with the title "Steak Capital of the World."

Outstanding among these is Dan Stamper's Steak Joint at 58 Greenwich Ave. in the Village. In less than two decades this restaurant, under the direction of Dan Stamper, has evolved from a modest neighborhood dining spot seating but 60, to a two-story dining emporium, seating more than two hundred, with a series of dining rooms and a private elevator, plus a reputation that has spanned Continents.

Stamper's lovely young daughter Suzen, has recently joined him in the operation of this growing enterprise; the fourth generation of the clan to embark upon a restaurant career. Her dazzling and versatile background includes acting, directing, TV producing (MGM tele-studio), Aviatrice, P.R. and the youngest registered nurse in the country.

The place has been completely rebuilt and sumptuously done in the Victorian motif, with plush red carpeting, scarlet banquettes, coach lamps and brocade silk walls. Dining in the Surrey Room, the Hansom Room or the Sleigh Room, is reminiscent of dining at the Turn-of-the-century, with all the charm and flavor of that bygone era.

The Steak Joint specializes in prime beef. Each year, the restaurant buys 8,000 heads of beef. The total weight of this meat-on-the-hoof is 10-1/2 million pounds, when trimmed and boned, this results in approximately 600,000 pounds of steak. Steaks are properly aged, charcoal broiled, and served with an oversized baked potato and a large tossed salad. Other specialties of the a la carte dinner menu include roast prime ribs of beef, Caucasian Shaslik on a flaming sword, broiled Maine lobster, barbecued beef ribs, and many more entrees from \$3.75 to \$6.75 for prime sirloin steak or filet mignon. Special club luncheons are served Monday to Friday from \$2.75 to \$3.00.

The Steak Joint is open daily from noon to 11 p.m., Saturday to 11:30 p.m. Piano music Saturdays from 8 to 11 p.m. Free dinner parking.

PEN AND PENCIL

TO OPERATE ALL SUMMER

Contrary to its practice in previous years of taking a three weeks hiatus at the end of August, the Pen & Pencil Steakhouse, 205 E. 45th St., will operate for the entire Summer. The restaurant, under the personal direction of John Bruno, Jr., is open for luncheon Monday through Friday and for dinner seven nights a week. Three dining rooms function regularly.

SETTING PIGMEAT MARKHAM FOR COLLEGE TOUR

As the result of the outstanding success of his new comedy record "Here Comes the Judge", Pigmeat Markham is being set for a national tour of colleges. The title of the song stems from a phrase popularized by Pigmeat in a courtroom comedy sketch for many years and recently given added popularity by Sammy Davis on television. Markham is recently back from touring abroad.

Belleville American Legion Nine Opens Season With Win Over E. Orange; Loses To Irvington

Hosts Maplewood Squad In Encounter Tonight

This evening Belleville's American Legion baseball team will oppose Maplewood at the Municipal Stadium.

The legion nine, coached by Charles Craig, opened with a 16-8 rout of East Orange Saturday.

Irvington blanked the Bell-boys 8 to 0, behind the two-hit pitching of Phil Allegro, on Monday.

Belleville High School stand-outs Don Boyce, Joe Vitiello and Joe Ritacco are regulars.

The team will play a fifteen game schedule.

Survey Shows Hunters Enjoy Fowl Record

New Jersey pheasant hunters enjoyed record success last fall, and the clapper rail harvest continued to decline. These are the highlights of a recently completed survey of the 1967-68 wildlife harvest, according to Commissioner Robert A. Roe of the State Department of Conservation and Economic Development.

The survey covered eight upland and waterfowl species. A postcard questionnaire was sent by the Division of Fish and Game to over 9,000 firearm hunters, selected at random from the previous year's license stubs. The nimrods sampled, almost six percent of total licenses, were asked about their bag of pheasants, rabbits, quail, squirrels, grouse, brant and clapper rail, as well as whether they hunted deer or trapped furbearers.

Responses were correlated and projected, using modern statistical methods, to obtain an accurate estimate of the total harvest of these species. Figures compiled by State Wildlife Biologist W. Mitchell Smith total over a million for the second straight year.

GLUM LEGIONNAIRES — This picture may appear to have been taken after Belleville's 8-0 loss to Irvington, but American Legion players (left to right), Joe Ritacco, center fielder; Brian Waters, third baseman; and Mark O'Donnell, pitcher, await start of the action. The trio performed for Belleville High.

Crew Landmarks Recalled By Bellboy Varsity Rower

By PETER MUELLER

As Belleville's varsity junior varsity and freshmen oarsmen wiped down their shells for the last time, their thoughts were mixed with pride and nostalgia about the long, hard season they had just concluded.

Their lives centered around crew from March 15. Every day after school, twice on Saturday, and sometimes on Sunday, Belleville shells rowed up and down the Passaic River.

For the varsity, practice sessions often extended into the night. Following Coach Michael Lally's training schedule, the first three weeks of the season were devoted to adding mileage—to gain form and confidence by continuous rowing. Non-stop trips to Newark Bay and Wallington were undertaken, distances of 20 and 18 miles respectively.

Starts, sprints, and power strokes were then practiced, leading to Belleville's first race, April 11.

St. Augustine of Atlantic City succumbed to the Bell-boys by 17 seconds, although Belleville looked far from impressive under adverse conditions.

Traveling to Poughkeepsie, N.Y., two days later, the varsity and JV shells lost to Arlington. The frosh won. The varsity lost by 19 seconds, but looked so good that Coach Lally scheduled a rematch.

One week later, Atlantic City High School visited the banks of the Passaic. What ensued was a thrilling race, Belleville's varsity winning by seven seconds.

Double practice sessions were called, in anticipation of the race with Rutgers second, freshman heavyweight crew, two weeks hence. Rowing probably their best race of the entire season, Belleville lost by five seconds—to a shell which had defeated college crews by twenty seconds or more.

Once again Belleville traveled to Poughkeepsie, to compete in the annual regatta on the Hudson. The junior varsity

finished a respectable fourth of eight shells. The varsity gave away a sure fourth and possible third by crabbing, ending eighth, a head of two other shells.

Undaunted, Belleville's oarsmen went to Philadelphia, where superior Harrington High School handed both the varsity JV defeats. The varsity lost by five seconds.

Bouncing back in perhaps the most important race for Coach Lally, all three crews defeated Arlington and Nutley. In the varsity event, Arlington and Belleville were bow to bow at the mile post. The Bellboys powered the last quarter to win by seven seconds.

On Memorial Day, Belleville and Nutley competed in the Fourth Annual Goodwill Race. It was Belleville's all around, as the varsity JV and frosh returned the three trophies emblematic of victory. A shells recorded 4:47 miles, compared to earlier winning times of 5:27 and 5:35.

The varsity ended with a 4 won, 3 lost mark in dual meets. The junior varsity was 3 and 3.

Rowing for Belleville's varsity were: bow, Angelo Corino; Scott Tabien, Peter Mueller, Dick Beresford, Jim Bernaducci, Stan Keegan, Peter Fakracco, stroke, Ken Murray; and cox Michael Maglio.

Bernie Geoffrion is the new coach of the New York Rangers. He hopes to win both the regular season and playoff championships next year. The Rangers muscle tactics may achieve the former, but skating clubs capture the Stanley Cup.

The Rangers were outskated by the Black Hawks and lost four straight; Montreal, the fastest team around on skates, again won the Cup.

Emile Francis, general manager, has molded a team of ruffians, dealing primarily for size. Acquisitions include Reggie Fleming and Orlando Kurtenbach, the Rangers Golden Gloves duo.

The worst trade though, involved Red Berenson. He was dealt to the expansion Blues for Ron Stewart, a checking defensive forward—and a good one—but a 38-year-old one. Berenson, under 30, scored over 20 goals for the Blues and was named the Western Division's MVP. Francis said, "We knew he'd become a star." So why trade him? Figure that one out.

Dr. W.A. Leff Elected Heart Association Head

Doctor William A. Leff of 19 Briar Court, South Orange, was elected President of the Essex County Heart Association at its 16th annual meeting.

W. Austin Tansey of Short Hills, cited the growing number of dramatic advances being made in the fight against heart disease and called for increasing public support of the Heart Association and its programs of research and education to control and defeat what has become known as the Twentieth Century Epidemic.

Elected to serve with Dr. Leff were President—Elect, Gerald E. Muehsam, M.D., of Millburn; Professional Vice President Sanford M. Frequently customers ask us: "What is a transistor?" There are a number of answers to this question.

One answer would be, it is a substitute or replacement for a tube. The same as a tube, it amplifies or rectifies electric energy. If you are about 40 years or older, you may understand a different explanation. Remember the "catwhiskers" of the very early days of radio? You had to manipulate the tiny metal spring until you found a spot on the Galena crystal for the sound to become audible. That's about what a transistor is. The point of contact is fixed, one does not have to find the right spot anymore. The old device did not amplify the sound, it just "rectified" it, which means it made it audible. By a modification and the application of a small amount of electricity, the transistor can be made not only to rectify, but also to amplify, the same as a tube. Only the tube needs a lot of electricity to be made to work, and the transistor needs very little, as evident in these small portable transistor radios. The batteries in these sets are very small and still provide the radio with enough current to last for about 50 to 100 hours. Aside from needing so much more electricity, a tube may burn out. It also deteriorates in time, while a transistor is far more rugged in construction and is expected to last "forever."

Brooks Robinson was always a better third baseman than Cleve Boyer; he has the Golden Glove awards to prove it.

The National Basketball Association plans to expand to 20 teams. What better way to achieve parity with the ABA? An example of what continuous expansion does to the existing clubs is the Lakers. They have lost via the draft, to name a few, Bob Boozer, Jim King, Walt Hazzard, John Block and Gail Goodrich. As a result, Elgin Baylor, the greatest player who will ever live, and Jerry West are 0 for 6 against the Celtics in the NBA finals.

Woe to NFL cornerbacks: Johnny Unitas, the man with the golden arm, hopes to play five more years.

Kudos to Don Drysdale on setting a new National League consecutive scoreless innings record. He's hurled six straight shutouts, about the only way to insure victory when pitching for the Dodgers. When teammate Sandy Koufax threw his perfect game against the Cubs, Drysdale, informed of the feat, quipped, "Yeh, but did he win?"

As in three of the previous six years, the Thunderbird will be held at the Upper Montclair County Club in Clifton. The dates this year carry the final round into Labor Day, with the first round set for Friday, August 30 and the final round Monday, Sept. 2. The Craig Wood Thunderbird pro-amateur will be held Thursday, August 29, also at Upper Montclair, for an additional purse of \$5,000 for the pros.

As one of golf's greatest players, Wood has long been closely associated with Ford activities. He was one of the originators of the event which was the first to offer a \$100,000 purse to touring pros.

Golf Tourney Renamed For Player Craig Wood

The pro-amateur preliminary to the seventh annual \$150,000 Thunderbird Golf Classic has been renamed the Craig Wood Thunderbird pro-amateur tournament, it was announced by C. Edward Schaefer, general chairman for the Newark District Ford Dealers' Advertising Association.

Ford Dealers have always paid the purse, with all proceeds going to various sponsoring charities: United Cerebral Palsy and its affiliated hospitals received \$153,000 from the 1967 tournament which was won by Arnold Palmer. In six years, the T-Bird raised more than \$900,000 for charity.

As a Golf Hall of Famer, Wood was a former U.S. Open and Masters champion. He won both titles in 1941. His first victory came in the Kentucky Open in 1925. A club pro at the Forest Hill Field Club and the Hollywood Golf Club in New Jersey, Wood played all major events here, capturing the New Jersey PGA title three times, the New Jersey Open and the Metropolitan Open once each.

He transferred to Winged Foot, where he became famous as the developer of other famous professionals, among them Claude Harmon, who succeeded him. In all, Wood was the winner of 24 tournaments and a member of four Ryder Cup teams.

New Jersey trout waters are now open to fishing seven days a week, according to Commissioner Robert A. Roe of the State Department of Conservation and Economic Development.

The in-season stocking program conducted by the Division of Fish and Game involved periodic one-day closings of major trout streams and lakes on the day of stocking. This schedule ended last week.

A special stocking of over 20,000 2-year-old and large yearling trout is being made in 21 major streams this week. Streams include the Big Flatbrook, Walkkill, Pauliskill, Peququet, Wanauque, Pompton, Hackensack, Saddle, Rockaway, Black, Passaic, Pohatcong, Musconetcong, Rahway, North and South Branches of the Raritan, Delaware, Raritan Canal, Stony Brook, Assumpink and Manasquan.

An additional 30,000 to 40,000

New Jersey Trout Make Good Catch

yearlings suitable for medium and small streams remain to be released later this month. No waters south of the Manasquan will be stocked because of warming weather, and no lakes, because of their capacity to hold trout from earlier liberations.

Good numbers of trout remain in most streams. Fishing pressure has been relatively light since the season opened, although most anglers have enjoyed good success and many have expressed satisfaction with the quality of trout stocked.

The low, clear condition of most streams is especially well suited to the art of dry fly casting. Streams are less crowded after stocking ends, and trout that have eluded capture furnish a challenge to skillful anglers.

Trout fishing in major lakes picks up in late May and June.

Rotary, PBA Maintain Leads In American, National Leagues

The P.B.A. continued winning to stay undefeated and remain in first place in Belleville's National Little League. Ken Stein has been the big reason for the P.B.A. record. To date he has pitched 4 ball games and won them all. In second place is the Lions Club with a 5 and 1 record.

In the American League the Rotary behind good pitching and good team hitting lead their league with 6 wins and no defeats. Behind them is Wallace & Tiernan with 5 wins and one defeat.

New excitement at the Belleville Little League tomorrow the Belleville Little League will have its first night game. Lights have been installed. Everyone in Little League was waiting for this night, for it has been a long hard road getting this field with lights. Ceremonies will probably start at 8:15 p.m. and then into the game.

apiece. Mark Restivo pitched a 4 hitter. Sam Venezia homered. George Sheridan had 3 hits for the losers.

Employee Thievery Discussed

"Ten years ago, employers established measures to find out whether their clerks were courteous and efficient; today they want to know who is stealing, and how," according to Nathan T. Glaser, president of Merit Protective Service, a division of Walter Kidde & Company, Inc., Belleville.

Speaking before an audience of industrial and retail executives at the International Security Conference (June 3-5) at the New York Hilton, Glaser described the overall security program available for protection from losses due to employee frauds and thefts.

"Security today is an essential part of business," Glaser said. "Management is finally beginning to recognize that one security man alone cannot handle a job efficiently."

What are the causes of employee theft?

According to Glaser, employees rationalize that "employers are well off, and they (employees) feel they are just taking something that the company will not miss." This concept is also fostered by the fact, he says, that "top level management has been getting farther away from their employees... relying on subordinate levels for reporting."

The values of hiring an outside investigative service, he said, are two-fold: "You get a picture of the morale in your company, as well as an evaluation of your employees."

Outside services not only detect actual losses, but also serve as a preventive measure to help determine for management circumstances which can contribute toward theft.

Describing the activities of an undercover agent working within a company, Glaser mentioned that a survey is first made to determine the most strategic area for placement. "Such as loopholes in an operation in receiving, billing and shipping departments."

Bluegrass Now Invading Lawns of Private Homes

The sudden appearance of many yellowish or almost white grass seed heads in lawns has caused many homeowners to panic. Because of their light color and resistance to mowing, the seedheads have become noticeable.

This grass, known as annual bluegrass, is common in many lawns as well as other turfgrass areas. It germinates in the fall and sets seed at this time of year. Generally, it is not noticed until it begins to put out seedheads.

Annual bluegrass grows vigorously and produces an attractive lawn under cool, very moist conditions. It grows well during the spring and fall but rapidly deteriorates and disappears during the summer.

In late summer or early fall the seed produced this spring may germinate and produce a new crop.

Continuing for eight weeks to more than one year.

Citing a number of examples of employee theft, Glaser described the case of a salesman in a retail store in Los Angeles who was discharged after three weeks of employment. "When he was apprehended he had 15 stolen articles on him, and it was later uncovered that he had a previous record of burglary, arson and murder..." and the F.B.I. had a warrant for his arrest as a parole violator.

The majority of thefts occur among employees with an average age of 25. Among preventive measures which Glaser recommended are pre-employment screening, and thorough background checks.

Merit, headquartered in New York City, has other operations in cities across the continent. The firm offers retail and industrial investigatory services and polygraph and pre-employment testing. Other Kidde security divisions offer uniformed guard services and electronic intrusion detection systems.

Two Belleville Residents Honored by Rutgers

Leon Podurgiel of 261 Forest Street, and Eva Anders of 111 Smallwood Avenue, were among students who received awards in recognition of accumulating high points while serving as class and club officers at Rutgers University.

Podurgiel, who attends the evening session of the university's Jersey City Division, received a certificate for his leadership in Kappa Epsilon fraternity.

Club Advises Drivers
To Inspect Own Autos

Even though your car is inspected periodically by law, it is suggested that you perform a personal safety check at regular intervals. This is especially important during peak driving months, according to Motor Club of America's Safety Department.

MCA points out that the average motorist can visually inspect his auto to determine if it is in safe running condition—a periodic check by a reliable mechanic will prevent unnecessary breakdown and, more important, mechanical failure leading to an accident.

Community Hymn Sing Scheduled For Sunday

An old fashioned Community Hymn Sing will be held at Bethany Lutheran Church at Jorammon and New Streets, Sunday, at 8:00 p.m.

Dr. Samuel Walter, reknown organist and composer will play the recently dedicated three-manual organ. Other special music will include selections by the Gospel Male Chorus under the direction of Harold Salters of Zion Methodist Church.

Punch and cookies will be served by the Lutheran Church Women of Bethany Lutheran Church, in Beiler Hall immediately following the hymn sing.

"It is not often that an opportunity for such singing takes place in Belleville," according to Pastor Alspach "and it is hoped that those people who are not members of a church whose tradition includes such informal singing may join with the others and make the evening an educational one for them as well as one of Christian fellowship."

All of the churches in Belleville have been invited.

Nutley Clergy Unites In One Organization

The clergy of the churches and synagogue of Nutley is pleased to announce to their community that the heretofore separate organizations of The Nutley Protestant Pastors Association and The Nutley Clergy Fellowship (including the Roman Catholic, Protestant, and Jewish incumbents) have now become one group for all purposes, and they are to be known as the Nutley Clergy Fellowship.

Reverend Leonard Jones of the Franklin Reformed Church was president of the Nutley Protestant Pastors Association. The president of the new group is Reverend Henry J. Berkobin of the Holy Trinity Lutheran Church.

Other officers include: Rev. Gerard Walsh of St. Mary's Church, vice-president; Rab-

bi Hyman Danzig of Temple B'nai Israel, secretary and Reverend Dominic Tuminaro of the Nutley Assembly Of God, treasurer.

The intent of this united clergy group is to combine all resources in time and assets to act for, and in behalf of, citizens of our community under the Fatherhood of God and Brotherhood of Man.

Fifteen People Join Church

The Rev. John H. Elliott of St. Paul's Congregational Church announces that the following young people have completed an intensive ten week course leading to Confirmation. By recommendation of the Board of Deacons they became members of the Church Sunday, May 12.

The fifteen young people are: Deborah Brown, Robert Dieterle, Lee Hambright, Michael Hacker, David Infusino, Joan Krauss, Dennis Maguire, Matthew Martin, John Mayrer, Raymond Oram, Kim Scheppele, Susan Spaar, Vincent Van Hasselt, Jeffrey Wright and Suzanne Young.

Dr. Cook To Speak At Church Banquet

Rev. Dominick Tuminaro of the Nutley Assembly of God has announced that Dr. Robert A. Cook, president of The King's College, Briarcliff Manor, N.Y., will speak at the Annual Christian Fellowship Dinner of the Nutley Assembly of God. The banquet will be held on Saturday, June 15, at 6 p.m. in the Fellowship Hall of the church at 65 Bloomfield Avenue, Nutley.

A graduate of Moody Bible Institute, Wheaton (Ill.) College and Eastern Baptist Seminary, Dr. Cook served congregations in Philadelphia, Pa.; LaSalle, Ill. and Chicago, Ill., before becoming director of Chicago and Youth for Christ. He served as president of Youth for Christ International for nine years, and for four years as vice president of Scripture Press.

Cook writes constantly for the religious press, has authored six books and has traveled throughout the world in evangelism crusades and Bible conferences. He is past-president of the National Association of Evangelicals and is a member of the Ministerial Association of the Evangelical Free Church of America.

ca, having served also on the Board of Education of that Fellowship. He is married and the father of three daughters. Dr. Cook will speak on the Christian's philosophy of higher education and the implementation of that view in the program of The King's College. The King's College is a Christian liberal arts college with 640 students, located in Westchester County, N.Y.

Rodino Aids Passage Of New 'Holiday Bill'

Rep. Peter W. Rodino (D-10th District) announced today a signal victory in his long struggle to win authorization of Columbus Day as a national Federal holiday, with House passage yesterday of the "Monday Holiday Bill." Rodino, dean of the New Jersey Congressional delegation, explained that the original bill provided for rescheduling three of our existing Federal holidays: Washington's Birthday, Memorial Day and Veterans Day, to certain designated Mondays. During consideration of the bill by the Judiciary Committee, of which he is a ranking member, he was successful in convincing the Committee to add Columbus Day as a new national holiday, to be celebrated on the second Monday in October.

later voyages of Columbus represented the first real efforts at colonization of the New World. And it should not be forgotten that Columbus, an Italian, made his initial discovery in a Spanish fleet with a largely Portuguese crew.

"Columbus Day, then, should be an occasion for Americans of all origins to reaffirm their faith in the future and declare their willingness to face with confidence and courage the imponderables of unknown to-morrows."

Booklet Relates Social Security Improvements

Copies of a new booklet describing the recent improvements in social security disability insurance protection are now available at the Newark social security office. The booklet, entitled "Recent Improvements in Social Security Disability Insurance Benefits," is available free of charge.

William J. Arnold, social security district manager, said today that over 165,000 persons were made immediately eligible for disability benefits under the amendments signed into law by President Johnson earlier this year. Millions more, he pointed out, have increased disability insurance for themselves and their families.

Younger People

About 100,000 of those newly eligible for disability payments ranging from \$55 to about \$400 a month are younger people, Arnold said—disabled workers and their dependents. Their eligibility results from a change in the law substantially reducing the amount of work required for the payment of benefits to workers who become totally disabled before they reach 31.

Until now, the work requirement for younger disabled workers was the same as for older workers—social security credit for at least 5 out of the 10 years before the worker's disability began.

Under another change, about 65,000 disabled widows, 50 and over, were made eligible for reduced monthly benefits. Before this change in the law, they would not have been eligible for payments until they reached 60 or 62. The amount of the payment to a disabled widow 50 or over is a percentage of the retirement benefit that would have been payable to her husband had he been 65 at the time of his death. It is a smaller percentage than is payable to widows whose payments start at age 62 when the full widow's benefit of 82½ percent is payable.

Disabled Widows

If a disabled widow's benefits start at age 50, for example, her monthly payment will amount to 50 percent of her husband's retirement benefit amount; if she is 55 when her payments start, she would get 60 percent. The payments are permanently reduced; they do not go up when the widow reaches 62.

Widowers age 50 and over and severely disabled may also qualify for these disability benefits, Arnold pointed out, if they were dependent upon their wives for at least one-half their support. In certain cases, divorced wives of workers who have died may also be eligible.

The new booklet, Arnold said, gives more details about new categories of disability benefits and other changes in the disability provisions of the social security law. He urged those in the Newark area who believe they may be eligible for payments under the changed law to get in touch with the social security office as soon as possible.

A social security representative can be sent to someone who is housebound or in the hospital, he said. The address of the Newark social security office is: Room 500—Federal Building 970 Broad Street.

NEW MANAGEMENT TEAM inspects almost completed 32,000 square foot addition to Belleville Eastern Tool & Manufacturing Co. plant. Shown left to right are: Nils V. Montan, secretary; Jon R. Montan, vice president;

Carl E. Peterson, retiring president; G. Frederik Petersen, new president; Henry E. Fontanier, vice president, treasurer and general manager; Edwin B. Anderson, honorary chairman; and Robert N. Cox, vice president.

Eastern Tool Announces New Management Slate

Eastern Tool and Manufacturing Company, Belleville, has announced several new appointments, to yield a virtually new management team.

Acting as company spokesman was Edwin B. Anderson of Middletown. Formerly executive vice president, Anderson retired May 1 after 48

years with the company, and is now serving as honorary chairman of the board of directors. He is a member of the Bloomfield Advisory Board of the National Newark and Essex Bank.

G. Frederik Petersen of Mountain Lakes, N.J., was elected president. A member

Scholarship Awarded To Michael Eisenhard

The 1968 Belleville Foundation Scholarship Award of \$500 was awarded to Michael Eisenhard, son of Mr. and Mrs. Wilmer Eisenhard, of 171 Smallwood Avenue. This outright grant was presented by Paul de Hagara, Chairman of the Scholarship Fund Committee, at the Scholastic Awards Program at Belleville High School. Eisenhard won this award on his outstanding academic achievement and his extracurricular school activities. He is planning to attend

Lehigh University this coming fall to study Chemistry.

1968 marks the 26th Anniversary of the Belleville Foundation and the 21st Anniversary of its Scholarship Fund. Over the years the Scholarship Fund has helped many high school students with their college education by making available to the students loans and scholarships. Over \$50,000 in funds have been made available to Belleville Students by this Fund.

Former Local Boy Wins Script Contest

A former resident of Belleville, John Bolcato, Jr., who presently resides in Portage, Wis., has utilized his army experience in Vietnam to write an award-winning television script.

Bolcato, a Western Michigan University junior, has been named winner of the university's section of the 1968 World Law Fund Television Script-Writing Contest. The ex-serviceman won \$100 and is now eligible to compete with other

G. FREDERIK PETERSEN

ty. Cox resides in Cranbury, where he is presently running for the office of Mayor.

Henry E. Fontanier of Long Valley, has been named vice president, treasurer and general manager. Fontanier joined Eastern Tool in 1967 after being associated with Curtiss Wright Corp. for 25 years, most recently as division general manager. In addition, he has held various executive positions with Atlas Corporation and Aerovox Corporation on the west coast. He holds a BS from Rutgers University and a Masters Degree with further Doctoral study at N.Y.U.

Jon R. Montan of Montclair, has been appointed vice president and assistant secretary. Currently responsible for sales of proprietary products, he has been with the company for 21 years. Montan also serves as a director of Eastern Tool.

Anderson also named Nils V. Montan company secretary. A graduate of Cornell University, he joined the company in 1940, after several years with Collins and Aikman Corp., N.Y.C. He also serves as a director.

Eastern Tool and Manufacturing Company is a major producer of wire forms, metal stampings, deep drawings, and ammunition components and assemblies. The company was founded in 1910.
