

BETTER BELLEVILLE CUP — Mr. and Mrs. Vincent P. Brown, 165 Woodside Avenue, Newark, are presented a posthumous award for their son, Gerald, who died in Vietnam, by Belleville Times Editor

Richard De Sina. The trophy is bestowed monthly by the Times on those who contribute most significantly to the well-being of their fellow citizens and to the cause of building a better town.

State Beauty Pageant

Miss Belleville '68 Is Luncheon Guest

By CAESAR C. ROMANO, JR.
Belleville was well represented in the Miss New Jersey Scholarship Pageant by a

very beautiful and talented Miss Belleville for 1968, Miss Carol Jean Cornish. It takes a very special girl to take the grueling schedule of the four day competition, Carol met that challenge.

"The Belleville Jaycees are very proud of their queen and have received many invitations to have her in attendance at other local pageants throughout the state," Robert Murray, Jaycees president, said, "I am turning all scheduling over to Mrs. Barbara Romano, her chaperone."

May 4 was the beginning of a beautiful experience for a very pretty, poised, and talented Belleville girl. That was the night when Belleville crowned their Cherry Blossom Queen, Miss Carol Jean Cornish. "Miss Belleville 1968". From that moment Carol has carried herself as a most gracious queen and has won the respect of all who have come to know her.

The excitement at the coronation was only the beginning of an enriching experience.

CONGRATS. — Patrolman Anthony Fantacone (right), delegate from Belleville PBA Local No. 28, congratulates Detective Michael V. Marotti on his election as chairman of the Essex County PBA Conference Committee at a July 9 meeting in Bloomfield. Other police of-

ficers elected were: Fred Fredrickson, Caldwell, Vice Chairman; Joseph Denicola, Montclair, Secretary; Edward Haney, West Orange, Treasurer, and Joseph Flemming, Essex County Penitentiary, Sergeant-at-Arms.

Town Education Board Awards New Contracts

Two contracts, one for boiler plant revisions and the other for electrical revamping, were awarded at the July 10 special meeting of the Belleville Board of Education.

The Hubert T. Richard Company Inc. of Clifton was the choice for the boiler plant revision. They submitted a total bid of \$10,580 for gas burning equipment.

The electrical contract went to Daidone All Electric of Newark who submitted a total bid of \$1,800.

Four teachers had recently submitted their resignations and the Board accepted them. The teachers were: Mrs. Angela Hanlon, a High School business education teacher, who has accepted a counseling job at East Rutherford; Miss Monica Lassner, a High School French teacher, who is transferring to Caldwell; and Miss Virginia Vitale, a third grade teacher, who is moving to Chicago.

Three other teachers were accepted for teaching positions within the Belleville school district. They were: Miss Carol A. Filemyr and Mr. Thomas Barone, both high school teachers, and Miss Sandra J. Holland, an elementary school teacher.

Summer school teaching assignments were verified and the Superintendent of Schools was given the authority to tentatively appoint summer teachers after confirmation by the Board President.

Belleville Junior High School's Code of Dress was also approved and highly commended by the board. One of the members remarked that one of the students asked a very legitimate question — "Now that the students have a code of dress, what are we going to do with the lady teachers who are wearing mini-skirts?"

Emmanuel Meyer was approved as the School Cafeteria director for the period of one year at the salary of \$9,000. The appointment is subject to the receipt of references judged to be satisfactory by the Board.

The present contract with Public Service Coordinated Transport was also renewed. It provides for the transportation of junior and senior high school students living 1.7

miles or more from school. At the same time, a contract for a Special Class Student Transportation Bus was also renewed.

Furniture, equipment and service offers were placed with companies who had previously responded to advertising and specifications set down by the board, and who were voted on by the board.

Dinner Will Honor Police Chief Smith

CHIEF — Donald Smith, Belleville Police Department head, is busy at his desk. He won't be working the night of September 27.

Belleville citizenry will salute Police Chief Donald Smith at a testimonial dinner in his honor to be held September 27, at the Fountain Restaurant, 46 Watsessing Ave., Belleville.

Dinner Chairman Michael Pariso said "We are toasting Chief Smith for his long years of dedicated service and the high level of law enforcement he has rendered to the residents and business community of Belleville. He and all his members of the police department stand as a symbol of devotion and integrity to the people of our town."

Chief Smith has been a member of the Belleville police department since 1931

when he first became a chanceman. In 1934 he was appointed a regular patrolman. He became a sergeant in 1948, a lieutenant in 1951, a captain in 1956, a deputy chief in 1962 and chief of the department in 1968.

Assisting Chairman Pariso on various committees to insure the success of dinner are: Belleville Commissioners Mary V. Senatore, Joseph McGreevy, Vincent Strumolo, William Cullen, former Essex County Assemblyman Joseph G. Biancardi, Ken Place, Joseph Donnelly, Marjion Malcolm, Michael Marotti, Nicholas Berrigan, Nicholas Amato, Harold C. Widman, Edward Mead and Joseph Tortorello.

Commencement Issue Hits Stands Sunday

The special college graduation issue is ready for the press and will be published Monday. Advance copies are available at news stands Sunday.

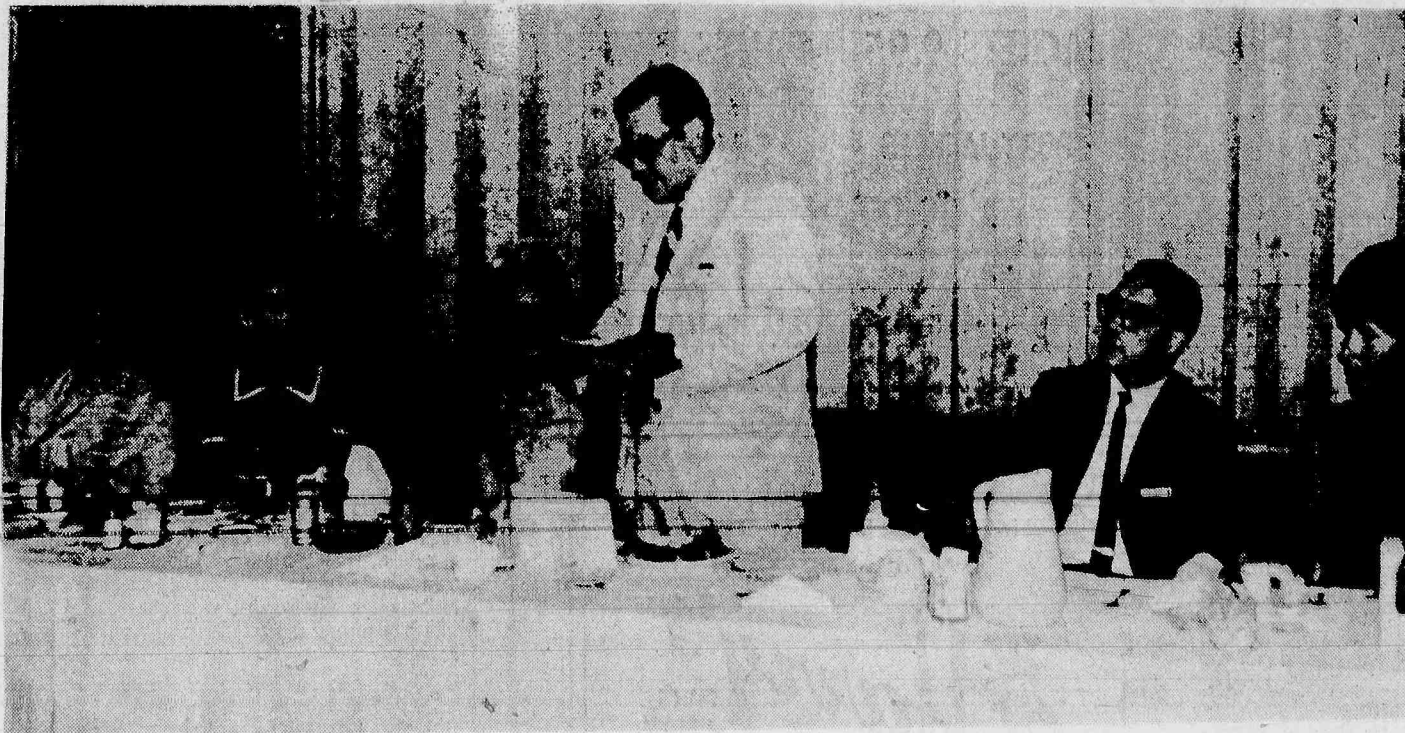

It will include stories and photos of this year's diploma recipients.

The Times is mailing, at no added charge to regular subscribers, this feature issue.

PROUD EMPLOYER — Carol Cornish, Miss Belleville '68, happens to be a summer employee of the organization of which Joseph G. Biancardi is president, Teamsters Industrial & Allied Workers Local No. 97 of Newark. At the lunch-

eon in her honor, he presents her with a matched set of Ventura luggage. The union gave the new queen one-and-a-half times as much work after she won, but doubled her pay.

SEND-OFF PARTY — Carol Jean Cornish, Miss Belleville '68, competed last weekend in the statewide pageant to select Miss New Jersey. Here she is shown before leaving at a luncheon in her honor, sponsored by the Belleville Jaycees, held at the Fountain restaurant. Many congratulatory telegrams giving her best wishes were received; one is

being read to Carol by Caesar C. Romano, Jr., talent director of the Miss Belleville pageant and luncheon chairman. Others, left to right, are: her mother, Mrs. Jean Cornish; Mrs. Romano, Carol's official chaperone, and Mr. and Mrs. Robert Murray. Murray is president of the Jaycees.

**Alignment for Interstate 195
Okayed from Trenton to Shore**
The U. S. Bureau of Public Roads has informed Transportation Commissioner David J. Goldberg that is has approved the alignment of the westerly portion of the Interstate 195, the Trenton to the Shore freeway, thus paving the way for start of construction early this fall.
The Bureau has accepted the path of the Interstate route in a stretch of about 21.5 miles from proposed Interstate 295 in Hamilton Township, Mercer County, to County Route 527 in Ocean County.
Commissioner Goldberg said if construction plans are approved promptly this action will enable the Transportation Department to advertise for bids by the end of next month for the first construction contract for this long-sought limited access artery.

THE MAYOR PRESENTS — Members of the Belleville Town Commission bought a going-away floral crown for Carol Cornish. Mayor Kenneth D. Smith is gift-bearer as Mrs. Robert Murray looks on.

Carol Cornish Feted

(Continued from Page 1) ence, Carol has addressed several civic organizations, explaining the various complexities of the cherry blossom pageant.

Carol was honored at a party before she left for Cherry Hill, where she would be competing for the title of Miss New Jersey. The departure party was held at the Fountain Restaurant with many local dignitaries in attendance. Presentation of a floral crown was made by Mayor Kenneth Smith on behalf of the commission.

Among the guests at the luncheon were Commissioners Mary V. Senatore and Joseph F. McGreevy, Town Attorney Nicholas R. Amato, Town Clerk Eugene Barnett, and Rev. Robert Green of Grace Methodist Church, Kearny, who invoked a blessing on Carol's effort to become state queen.

The representative of the Chamber of Commerce at the event was Arthur Jackson, of Jolly Cleaners. Also present was Dr. Frank De Ruggiero, a member of the school board.

Commissioner Vincent T. Strumolo, who was unable to attend the luncheon, sent a telegram of regrets.

We arrived in Cherry Hill on Wednesday July 10 ready to do battle with the stiffest competition in the state. Under these competitive pressures Carol bore herself with poise and charm with hardly a chance to take a breath. We feel that this girl is destined to become a Miss New Jersey and since it was not this year it will have to be next year or the next."

The mind has a lot to do with the body ailments, which isn't easily explainable.

Speeding Salesman's License Is Suspended

Rushing to a client did not pay in the case of John Sedlak of 208 Hayward Place, Wallington, who was picked up for going 70 in a 50 m.p.h. zone while hurrying to deliver his wares to a customer. In fact, it cost him a 30 day suspension of his operator's license.

Judge Edward J. Abromson handed down the suspension at last Thursday's Municipal Court. He also warned Sedlak that "Rt. 21 (the highway on which he had been speeding) is a very dangerous highway — there have been 15 deaths there."

Auto Fatalities Greater Than Accidental Poisonings

An American has about 15 times as great a chance of being killed in a traffic accident than fatally poisoned!

Attorney General Arthur J. Sills drew attention to this statistic as he urged highway users to join efforts to cut the traffic death toll. At the same time Mr. Sills announced 8 traffic deaths in New Jersey during the week ending Sunday midnight. There were 19

fatalities in the corresponding period of last year. The 1968 total was raised to 659 as against 542 to the same date in 1967.

"The latest available data from the National Safety Council indicates that poisons killed some 3,500 persons annually in the United States. But the traffic death toll reached an all-time high of 53,000 last year and is going higher," Mr. Sills declared. "Antidotes for poison and dan-

Humphrey's Handicap

Unfortunately Vice President Hubert Humphrey apparently has the delegates he needs to be nominated but he is up against a curious problem — he is drawing only small crowds and there is little excitement or all-out enthusiasm among his supporters.

The year 1968 is unique in political history in that the leading challenger of the status quo has been murdered while an eligible President has declined to run. Thus a highly anticipated, dramatic test between Robert Kennedy and Lyndon Johnson has been snatched from the people.

Likewise, on the Republican side,

the fight between Governors Romney, Reagan, Rockefeller and Richard Nixon has just about turned into a Nixon shoo-in, so successful has been the former Vice President's maneuvering and public statements and campaign work. But Nixon draws crowds and stirs G.O.P. enthusiasm.

If Humphrey fails to improve his performance and should Senator Eugene McCarthy lead a protest campaign against him after the Democratic National Convention, he will be in the somewhat remarkable situation of having had more delegates than he needed at the convention while lacking enthusiastic support from the nation's voters, an ominous dilemma.

On Tipping

One of the flies in life's ointment, at times, is the tipping thing. Those offering service can have their feelings bruised when tips aren't commensurate with their efforts. Customers, especially Americans, often get hackles up when an automatic "tip" is added to the bill even though the service was poor.

Some of the confusion stems from different traditions in different parts of the world. In Europe, where service is usually slow but very often more meticulous, the automatic adding of a service charge is accepted. Americans often find this less than desirable, because when a waiter, for example, knows he will get ten or fifteen per cent as a tip the incentive to give hustling service is less.

In the Orient, in countries like Ja-

pan, tipping is thought to be degrading and tips are not always expected, sometimes not accepted. In Russia tips are forbidden.

Now comes the Holland-America Line with a new policy — of automatically adding five or six per cent to the cost of the passenger's ticket for tips. The Line then distributes this to stewards, wine waiters, etc. Europeans seem to accept it; Americans are not keen on the innovation.

All of which is what was to be expected. Americans are accustomed to tipping for service, more for good service and less for poor service. Europeans have had the tip added to their bills, without a choice, for years. On balance, the American system would seem best. If a tip is automatic, what is its purpose, and where is the incentive for good service?

Ban Cigarette Ads?

The Federal Trade Commission has asked Congress to ban all cigarette advertising on radio and television, noting there is no longer any doubt that cigarette smoking causes cancer and heart disease and saying that it has increased in the past year.

The tobacco industry opposes the recommendation. Congress would have to partially rescind one of its own actions to bar such advertising before next summer. But the FTC says such action is necessary in the public interest — primarily in the interest of young people now being tempted into beginning the cigarette habit by attractive and misleading advertising.

Chances are slim that the FTC request will be granted this year, if only

because of the shortness of time before this session adjourns in an election year but long-term prospects for such a ban are excellent.

In England, where the government banned such advertising, cigarette smoking has declined and the reaction among both government officials and private experts has been one of gratification.

It is only a matter of time before the phony lures of cigarette companies (such as this or that brand refreshes the taste, etc.) will be banned and the young people of the country will be shielded from commercial efforts to tempt them into smoking now going into millions and millions of American homes.

The Death Penalty

U.S. Attorney General Ramsey Clark recently appealed to Congress to bar the death penalty as punishment for all federal crimes. There is little chance Congress will soon do this but it is nevertheless accurate to say that the issue is one which is still building up pressure.

Scores of nations have abolished death as a penalty and the debate is current in practically every American state where death is still a legal form of punishment. Several have abolished it and others have severely restricted it but most states still provide for the death penalty in certain crimes.

Yet, interestingly, few executions

are being performed. Only one execution took place in the nation in 1966 and two last year — despite the fact that in most states the death penalty is still in effect.

We are witnessing, then, a period of decision, a period in which few criminals are being executed, loud voices are being raised for abolishment of death-penalty laws and an ever-growing number of serious crimes is being inflicted on society. It is logical to conclude that many are appalled by the growing rate of serious crime, and that this trend, more than anything else, is responsible for the refusal of states to abolish the penalty.

Monty On Vietnam

The biggest name among military leaders to emerge from World War II in Great Britain was that of Field Marshal Viscount Montgomery of Alamein. The Alamein, of course, is taken from the stirring British victory at El Alamein in the African desert, in 1942. Montgomery, then General Bernard, became a Viscount after the war and, in the nice way English governments have of remembering, his title included the name of his greatest battlefield triumph.

Now, 80, Monty still speaks his mind — a trait which has often placed him in hot water. A few days ago he suggested the United States write off the war in Vietnam. "You can't win. What is the point of all these casualties?" he said.

Monty believes in two general rules of war, as he puts it. The first is not to march on Moscow and the second is

not to get into a big land war in Asia. Monty is not overly worried about the prospect that other countries in Asia might become Communist dominated. In fact, he says Chinese domination of the Asian land mass is inevitable.

"Half the people in the world today are Communists. If they want to be Communist and don't push it on us, let them... you aren't the policemen of the world, you Americans, are you? The whole of world opinion on this Vietnam issue is against you. You are becoming a very unpopular nation which I think is a tragedy... your generosity after World War II was unprecedented, and now you are becoming one of the most hated people in the world."

These statements, and Monty's assessment that what happens to most Asian countries is not all-important to U.S. security (he excepts India) will not endear him to many. But they are views worthy of consideration.

On July 19, 1967 at about 6:45 a.m. Seymour Fersko, a trucker, assisted the police in rescuing a man who threatened to jump from the George Washington Bridge. The man stood on the outermost railing on the south side of the bridge and refused police efforts to remove him to safety. Cooperating with the police, Fersko drove his truck toward the man, with the tailgate of his truck lowered to the height of the guard rail, while two officers were concealed in the rear of the vehicle. The officers were thereby able to leap from the tailgate and rescue the attempted suicide. Fersko's skillful operation of his vehicle, his exact timing and judgement and his cooperation with the police was highly commended. Fersko lives at 36 Van Reyper Place, Belleville.

Ground breaking ceremonies for a new building for the Knights of Columbus, Council 825 took place at the site for the proposed building on Bridge St. and Belleville Ave. The Rev. James Heavy blessed the ground as Albert Carragher, Grand Knight of the organization, and Michael Dacey, president of the Columbus Institute turned the first spadeful of dirt for the structure which cost about \$35,000. The new building was one story, 50 by

80 feet on a plot of ground 82 by 124 feet. The building was constructed with a ball room, lounge, kitchen, powder room and service rooms. The council found it necessary to expand in the future if the facilities became overcrowded.

A fire, of at least six hours duration, occurred about the Frederick Scott Ship, Post V.F.W., landing craft berthed at the foot of Terry St., off the Passaic River and Main St. Everything in the bilge has a heavy coating of fuel left over since the days when the bilge was a storage tank for the ship's fuel. The Passaic River rose only a foot or so inside the bilge and didn't contribute too much to the dousing of the fire. Damage was estimated very high.

Complaints from residents in the vicinity of A & P Laundry on Cortlandt St. over the alleged smoke nuisance was discussed at the town commission meeting. The Town Attorney and Public Safety Director were together and endeavored to "put teeth" into the then present smoke abatement law. The Fire Chief told the commission that he received on the average of seven or eight calls a day from persons protesting against the smoke from the laundry. The Director added that under the present ordinance, the town was unable to enforce the action for prevention of air pollution.

Gilchrist suffered slight head injuries while his wife suffered back injuries and a bruised hip. All were discharged from Mountainside Hospital after treatment.

Speak Up

Little League Over Rec Dept.

To The Times:

(This was sent to Commissioner Cullen)

Several weeks ago I attended the opening day ceremonies of the Belleville Little League organization. This has been a practice of mine for quite a few years as I have four boys who have actively participated in both the town baseball recreation program and the Little League program. It has never ceased to amaze me as to the turnout of parents and town dignitaries at Little League programs, particularly the town dignitaries. Pardon me if my memory may be incorrect but I would imagine that you and your staff were in attendance at the Little League opening, standing up and making speeches and taking bows for the wonderful set-up the Little League has and of the value it has been, and will continue to be, for the Town of Belleville in the future.

My memory regarding your attendance may be a little rusty because I don't recall ever seeing you at the opening day ceremonies of the Peanut League, Farm League, Intermediate League or Senior League programs. In fact I don't ever recall their having an opening day ceremony of any kind at all. Could it be that you are all too embarrassed to show your faces at their functions? Or could it be that you don't even know about these town leagues that come under your direction?

I am curious to know why the leaders of the town of Belleville constantly try to put forth the pretense that they are associated with the one fine recreation program this town has, namely the Belleville Little League. It is my understanding that the Little League is a separate organization that in no way is responsible to, or dependent upon, the Town of Belleville other than the fact that the town did donate the land site for Little League use. I doubt this would have been done if anyone had realized the potential this piece of run down, isolated, probably non-tax paying, property had.

Why don't you and the other Commissioners and the Mayor make a showing at one of your programs? Isn't it about time the residents of Belleville had an opportunity to listen to you make speeches and take all the bows for the programs that I heard someone at the Little League opening say, "Would this year accommodate over 1,500 Belleville boys and girls on the baseball and

softball diamonds of Belleville." I would like to see you stand up and make this statement at one of their playing fields, and stand up you would have to, that is if you made the announcement from home plate as most of the home plate areas are about two feet under the rest of the playing field, usually in mud! Maybe it would open your eyes if you trotted (or slid) around the glass infected, pot-holed, mud flats that are referred to as infields on the town diamonds.

It would undoubtedly be taken as a sign of recognition to you to see all the parents standing up as you spoke your piece but in reality it would only be because there is no place to sit down at any of these fields for either the players or the parents.

I trust that you wouldn't be disturbed if the cheers for the players were to wane out as the game progresses (although I doubt if you ever stayed to see on past the first ball thrown out) as this would not be due to a lack of appreciation on the parents part, but would simply be because they are all dying of thirst!

Mr. Commissioner, while I have many things I would like to write about from a negative standpoint, I feel it is only fair to comment on some of the more positive sides of the town program for the children of Belleville. Take the wonderful innovation of the "Tape recorded Message" (my, aren't we getting modern) that is made available to parents and players of the town sponsored leagues to keep them informed as to the field conditions. It must have been a cost factor that pleased town accountants and tax-paying citizens of Belleville to know that you only had to make one recording which says, "Due to weather conditions and wet fields, all games scheduled for today (and sometimes for the entire weekend yet to come) will be cancelled."

One of my sons plays with (or should I say, belongs to) one of the teams in the Intermediate League. He has a schedule that lists his team as playing 15 games this year. I am writing this letter on Sunday afternoon, the temperature is over 90 degrees out, and the sun is shining as it has all day and all day yesterday. His schedule called for a game yesterday and a game today. Both games were rained out according to your "tape recorded message." Unfortunately I didn't have enough foresight to call the magic

number and check this out before departing for the field with my family to watch the game. I guess I should have known better since it was such a beautiful sunny day. I should have realized that the field

was unplayable due to weather conditions, but how could I know this, after all I had been out all morning up at the same field (the unplayable one) watching an American Legion game. Pardon me, that is not entirely true, first I went up to the Little League field at 9 a.m. and watched one of my other sons play a game that morning.

What I am getting at, Mr. Commissioner, is the simple fact that of the 15 games scheduled, my son has had the pleasure of playing exactly three (3) this year and the next game on the schedule is number ELEVEN (11). Isn't it strange that the Little League schedule (which also has 15 games) is also on its eleventh game and they have only missed one game because of weather. Oh, they missed a few on the scheduled date but they also rescheduled and played their games on days when the field was playable. Not so with the town of Belleville leagues. You would think the town fields were sacred grounds or something. Of

course you can always call the Recreation Department to discuss these matters but every time I call I get is a "Tape recorded message" telling me the games are being cancelled.

And don't for a minute try and tell me that these games will be made up at a later date because I have been around too many years to swallow that. None, I repeat none of the games missed so far have been rescheduled and the season is over two-thirds gone.

It might interest you to know that I was not alone when I took my family up to the field yesterday to watch the game. It seems that there were close to sixty young boys up there in their uniforms (Correction: only 45 have uniforms, one team didn't get theirs yet) (but then the season is only 11 games old). Sixty (60) disillusioned, disgusted and fast becoming disinterested young boys who couldn't understand why they were not getting to play.

Granted there aren't too many interested parents around these days, but the few that are, were also a little miffed because some of them see fit to stay home on these beautiful sunny summer weekends so that their boys can play ball. You see some of us have a sense of responsibility about these things. Win or lose, we seem to feel that if our boy joins a team he should see to it that he shows up for the games as a duty to his team. I wonder if you and your staff understand this?

I have lived in this town for almost 40 years. I know a little about the goings-on in relation to the youth of Belleville, both from an observation viewpoint and also from a participating viewpoint (I was a boy once myself). There are two distinct classes of youth in this town as far as I am concerned. Good and Bad! If you are not familiar with the reference I am making, check the court calendar some time and see how many boys in the lineup have backgrounds of Little League and Town Recreation Programs. You have to look pretty far to find one. I happen to be a believer in our youth and feel that is a responsibility of yours and mine to do something about living up to that responsibility.

You tell me why it is that a volunteer program such as the Little League can constantly outshine the paid performances of elected representatives of the people who are responsible for the recreation programs that affect our youth?

If you can't understand what I am getting at, I personally invite you to go out to the town functions and get sick as we parents do. Get your feet wet, if not from the mud on our team fields, then from the lethargic, seemingly disinterested attitude displayed by our recreation department quarterbacks.

If our town can't convince you, take a short spin up to Nutley and take a look at their town fields. They speak for themselves!

Get with it man, be modern, jog a little, its the in thing.

500 Participate In Holiday Field Events At The Stadium

The July 4 Field Day for children began at 10:00 a.m. and was actively participated in by nearly 500 boys and girls. This part of the celebration was conducted by members of the Recreation Department Playground staff. For these events the children were divided into age groups with boys and girls events.

In the 50 yard dash Matthew Hoban won over the 6-8 year old boys and Cynthia Kosalka won over the girls. The 75 yard dash for 9-11 year old girls was won by Karen Arietta and for boys by Peter Kordanish. Andrea Gravante blazed to victory in the 12-14 year old girls 75 yard dash.

In the special Senior Boys 100 yard dash it was Doug Brown. Susan Gasparini, Ann Aulisi, Barbara Siska and Andrea Gravante teamed up to win the Girls Quarter Mile Relay for 12-14 year old girls. Cynthia Kosalka won her second trophy in the 6-8 year olds Potato Race for girls. The Bear Race for 9-11 year old girls was won by Jo Ann Corda and for boys by Vincent DeNotaris.

In the 6-8 year old group Pauline Angelina was the girls winner and Nick Salvato was the boys winner. Carol Gordano scrambled through the obstacles to win the 9-11 year old Obstacle Race, for girls and Keith Waddell won this division of the boys. In the 12-14 year old group Valerie Napolitano won the Girls Obstacle Race and John Salvato won the Boy's.

The Boy's three legged race for 9-11 year olds was won by Ron Borgo and Brian Banda and for 12-14 year olds by Jim Dalquist and Brian King. The girls 9-11 year old three legged race was won by Angella Santanagella and Karen Kosalka while the girls 12-14 year old group was won by Barbara Siska and

Andrea Gravante, giving Barbara her second win and Andrea her third.

In Tug-O-War for boys 9-11 the team of Richard Filippek, Richard Henry, George Gagnon, Neel Franz and Nick Salvato out pulled all competitors. And, finally the 12-14 year old Tug-O-War was won by the team of John Henry Skidmore, Richard Ci-

arella, John Salvato, Joe Bacchetta and John Bacchetta. All of the winners and the best winners all enjoyed slabs of watermelon.

W. Babbitt Promoted In Sales

Walter H. Babbitt, Jr., of 50 Forest Road, New Providence, has been promoted to assistant district sales manager in the New York sales district of Congoleum-Nairn, Inc.

A native of Newark and a graduate of Belleville High School and the University of Alabama, Babbitt joined the New Jersey-based flooring firm in 1951.

William Caine Returns To Post As PR Director

William E. Caine of West Orange, Essex County Democratic public relations director in victorious campaigns of the late 1950s and early 1960s, has returned to that post after seven years, County Chairman Harry Lerner said yesterday.

Caine has taken an indefinite leave of absence from a supervisory post with Church Chronicle Corp., Orange publishers, but will remain a consultant there, Robert P. Van Natten, its president, said. Caine also will retain consultant jobs with Goodway, Inc., of Philadelphia, and M. W. Lads of New York, publishers of the Negro Heritage Library, and Periscope Associates, Newark public relations firm headed by Assemblyman George C. Richardson.

Caine was campaign secretary for the first four winning congressional drives of Mayor Hugh J. Addonizio. He is a former executive secretary of the county committee and served as secretary three times to the Democratic Labor Campaign Committee.

He is a member of the North Jersey Newspaper Guild AFL-CIO, in which he has held many offices, and a number of civic, fraternal, Catholic and athletic groups.

He is coach of the South Orange Colts of the Essex County Baseball League and director of the State Semi-Pro Tournament of Champions. He has served in campaigns of the National Conference of Christians and Jews, Community Chest, American Cancer Society, Society for Crippled Children and Adults and has given talks before many groups on newspaper work, county government and the late President Kennedy, in whose campaigns he was active.

Potito Takes Space Course

Domenico Potito, a student at Belleville High School, has been chosen to participate in summer astronomy and space courses being offered at the Newark Museum. Successful applicants were selected on the basis of high scholastic records.

The courses are designed to acquaint the students with selected areas of the astronomical sciences. Astronomy, a dynamic and ever-expanding challenge to the mind of man, offers the serious student the unique experience of observing the order of the Universe.

The program this year has been expanded to include the areas of galactic structure, mathematical astronomy and satellite technology. Courses will consist of lectures, planetarium demonstrations, laboratory work, discussion periods and a required minimum of outside work by the student.

What's Your Newspaper Doing for You July 22

Monday, July 22nd will mark the Nutley Sun's and Belleville Times' first "Annual College Graduate Souvenir Edition." The special issue, which will not be a part of the regular Thursday newspapers, but a true special edition, will carry complete and detailed background stories and pictures of all (between 400 and 500) Nutley and Belleville 1968 College graduates.

To be printed in color, the special edition will be mailed to every subscriber of the Sun and Times and it is expected to be in the homes Monday morning. There will be no extra charge to subscribers.

Those persons wanting extra copies or who are not subscribers may obtain copies at their nearest newsstand or at the Nutley Sun or Belleville Times offices.

Because of tremendous local reader interest in this special issue, we suggest those persons wishing extra copies reserve them in advance from their news-dealers. Quantity being printed is limited and there will be no reprint.

Sports of The Times

By RICHARD DE-SINA

Boy, what an exciting All-Star game that wasn't. Luckily there was a good program on Channel 9, "Art In Peril," tracing the movement of art treasures during World War II as a result of Hitler's manipulations. The American League has scored one run in the last 31 innings, a homer by Brooks Robinson in last year's loss. Also, it's a good thing they didn't give the most valuable player award to Tommy Helms for those two fine fielding plays and double.

Who scored the most points in a National Football League title game?

Once again the manager gets fired for his team's performance. Hank Bauer was twice voted Manager of the Year. If you've got the man you want for the job, why let him go? The Dodgers seem to like Walter Alston. Gussie Busch changed his impression of Johnny Keane's managerial abilities quickly in 1964 when the Cardinals won the pennant after the Phillies folded, but all his blandishments failed, as Keane went to the Yankees.

No, it wasn't Gary Collins' three touchdowns against the Colts in 1964, but Paul Hornung's 19 points in the Packers 37-0 rout of the Giants in 1961.

Bob Gibson is the best pitcher in baseball. He's won five straight World Series games. His earned run average for the year is 1.08. Against the Giants last Saturday, he struck out the side with the bases loaded. He's allowed one run in his last seven games. He's come back from a broken ankle and leg. He pitches with what Tim McCarver describes as "sheer guts." The great ones are like that. Remember Sandy Koufax beating the Twins in the '65 Series with just a fastball. His curve wasn't working that day and the hitters knew it. Big help. The greats are always handicapped by injuries — Koufax's arthritis, Mickey Mantle's legs, Elgin Baylor's knees, Ted William's shattered elbow, Bob Murphy's shattered voice.

Speaking of Ted Williams, he feels hitting a baseball is the most difficult aspect of sport. Possibly, but nothing takes more coordination than basketball. As for reflexes, it's a tossup between the two.

Looks like there might not be a NFL title game, or any games this year. Just as well, I can't wait to see Wilt Chamberlain, Elgin Baylor and Jerry West annihilate the NBA.

Olympic Bowl Brews Award-Winning Java

An outstanding cup of coffee has earned membership in the restaurant industry's most exclusive club for Brunswick Olympic Bowl, 679 Washington Avenue, Belleville.

The Coffee Brewing Center of the Pan-American Coffee

Bureau announced here today that the local restaurant had qualified for its 1968 "Golden Cup" Award, presented to restaurants serving a quality cup of coffee. Among thousands of public establishments serving coffee in the United States and Canada, Brunswick Olympic Bowl is only the 171st establishment selected for an award this year.

A golden cup, mounted on a wall plaque, will be presented shortly by a field representative of the Coffee Brewing Center.

The Center recommends that only top quality, freshly roasted ground coffee be used, and that the coffee be brewed at the ratio of two to two-and-one-half gallons of water per pound, producing 45 to 50 cups of coffee.

KEN INGLIS
Former NHS standout and All-State pitcher who hurled for Montclair State this spring, Inglis will be on the mound for the Nutley Colonels this Sunday against the South Orange Colts.

PHIL PARISI

A Cedar Grove High All-State selection and now at the University of Akron, Parisi is the third man in the Colonels' rotation schedule. He's the likely nominee to start next Wednesday against West Orange.

OUT AT HOME! — Catcher Larry Berra of the Nutley Colonels puts the tag on Tommy Scull of West Orange during Sunday's Essex County Baseball League game at the Park Oval. The close play at home stopped Scull from scoring in the top of the seventh, but the visitors

emerged with a 5-3 win anyway. Nutley's record of 10 wins in 23 starts is good for fourth position in the semi-pro loop. The Colonels host the South Orange Colts on the Park Oval at 6 p.m. today.

Locals Hope To Climb

Nutley Colonels Will Oppose Tough Colts, Orioles, West Orange Squad

Nutley's struggling Colonels will play two home and two away in the next week.

The South Orange Colts will provide the opposition today at the Oval and Sunday at Cameron Field South Orange. Tuesday, once again at the Oval, the S. O. Orioles will be met. On Wednesday the Nutley team will travel to Colgate Field, West Orange to meet Bill Manning's West Orange A.A.

The Colonels should find out this week if they are a threat to break into the first division for the season or not. The Nutley entry has been mired in the second division for the last few years. Three of the four games are against first division opponents. Beating the top clubs has been a problem

for Jack Speary's team. The Colonels have yet to beat the Colts, while beating the West Orange outfit only once in five outings. These are the clubs the Nutley team must beat to remain in the first division.

Ken Inglis, winner of four of his first five decisions, will oppose the Colts on Sunday in the Cameron Field encounter after Jack Rake, Nutley's top winner, takes on the S. O. Colts Thursday. Rake will come back on Tuesday against the Orioles at the Oval facing Don Anderson, Oriole Ace.

Wednesday, at West Orange, Phil Parisi will probably get the start but Ken Inglis may feel strong enough to come back and meet Tony Candelmo in a battle of the League's premier left-handers. There is

THE BRAINS — Coaches Jack Speary of the Colonels (left) and Bill Manning of West Orange at Sunday's game. Manning is also general manager of the Essex County Semi-Pro Baseball League. Speary, in his first season as coach of the Colonels, is an eight-year coaching veteran at Bogota High School. Bogota has won the Bergen County Scholastic League championship three of the past five years.

Pat Dunleavy Golf Champion

(See Photos, Page 13)

Pat Dunleavy, son of Detective Thomas Dunleavy of the Belleville Police Department, recently won the New Jersey Public Golf Organization Junior Championship at Hendricks Field in Belleville. The young Dunleavy has only been playing golf for the past five years. His detective father, seeing that his son had an interest in the sport, brought him out on the links with him. From there the boy's natural talent was channeled by his father's knowledge.

Maurie O'Connor, the professional golfer at Branch Brook Park, has given young Pat some invaluable advice—and there are few men better qualified to do so. O'Connor was named the New Jersey Professional Golfers Association (P.G.A.) Champion in 1935 after he defeated Byron Nelson at Baltusrol Golf Course. He has also been a winner of every P.G.A. tournament in the State of New Jersey.

Dunleavy, a 16 year old Essex Catholic High School student, was the odds on favorite with the crowd during the recent tournament because he was playing on the course where he was introduced to the game by his father and where he has played continuously ever since.

As a result, Dunleavy was

a bit nervous as the partisan crowds followed him from hole to hole. His opponent, Wayne Montalvo of Galloping Hill, jumped off a three stroke lead with two quick birdies and a par.

The 5'10", 170 pounder didn't fold under the pressure. Rather, he cooled himself down, started concentrating, and found the groove. He played the remaining 11 holes in two under par and went on to win the match and, subsequently the tournament.

He put such pressure on Montalvo that the Galloping Hill youngster just couldn't keep up. In the next 11 holes Dunleavy bagged three birdies and six pars.

Although the end had begun long before for Montalvo, he didn't fall behind until the 14th when he missed a three-foot putt and went behind to stay. At the next hole, Dunleavy laid a 70 foot approach shot within a foot of the pin. Such shooting was the making of the champion.

This tournament is only the beginning for the 16 year-old. He is scheduled to play in three other tournaments this August. The P.G.A. Seniors Tournament will be held at Branch Brook Golf course, the State Juniors Tournament at Battle Ground, and the Pro Junior Tournament, also at Battle Ground.

Wilson Is Given Award For Efforts

The Essex Unit, New Jersey Association for the Retarded Children, recently presented an award to Mr. Gerard Wilson, Vice President of the Schaefer Soccer League of New Jersey, recognizing his service as Chairman of the Annual Indoor Soccer Tournament for the Benefit of Retarded Children, sponsored each year by the Essex Unit. The presentation was made by Mr. James M. Robins, Executive Director of the Essex Unit, at the 1st Annual Awards Banquet of the Schaefer Soccer League, recently held at the Military Park Hotel, Newark.

The Annual Indoor Soccer Tournament is sanctioned by the New Jersey State Football Association and raises over \$5000 each year, directly benefiting some 1200 retarded children and adults in Essex and West Hudson Counties served through the programs and facilities of the Essex Unit. The Tournament is usually held at the National Guard Armory in Elizabeth, N. J.

Participating in the Tournament over the years have been many leading professional soccer teams including: the New York Ukrainians, Greek Americans of New York, Newark Ukrainians, Hungarian American Athletic Club of New Brunswick and Elizabeth Sport Club. The winners of the 1968 tournament were the Swedish Football Club and in 1967 the New York Hungarians took the honors. Each year the majority of teams participating in the Tournament are from the Schaefer Soccer League.

In the past three years Mr. Allan Schuster of West Caldwell, a representative of the F. & M. Schaefer Brewing Co. of New York, has been a sponsoring agent of the Tournament.

Mr. Wilson employed by the Jones and Laughlin Steel Co., Kenilworth, has been active in soccer since coming to the United States from England. Along with his activity on the Executive Board of the Schaefer Soccer League, he is an officer of the New Jersey Football Association and the Elizabeth Irish Sport Club. He has been a leading force in the success of the Indoor Soccer Tournament for the past five years.

American Legion Nine Ends Season In Fifth Place; Drops Final Contests To Caldwell, 4-3; Irvington, 6-1

By MARC FELDMAN
Last Monday and Tuesday, the Belleville American Legion Post 105 baseball team completed its season on a sad note by losing to Caldwell and to Irvington, Eastern Division champion.

The 4-3 loss to Caldwell was a heartbreaker for Belleville's pitcher Rich Schultz. Belleville was winning 3-1 until Caldwell came up with two runs in the sixth when Mark Sincos misjudged a fly ball to left field and let it

drop for a two-run triple. The winning run scored on an error by shortstop Joe Papsidero.

Belleville scored a run in the first inning on a long triple to center field by Don Boyce who then scored on a single by Bill Otskey. Otskey ended his season for the Legion by getting four hits in his last five trips to raise his batting average to a club leading .355. The other two runs were scored in the fourth and sixth. Rich Schultz pitched well

enough to win most games, allowing only four hits.

The fifteenth and final game of the season was played against Irvington at Chancellor Field with Belleville losing 6-1. The game was closer than the score indicates, because the last three runs scored in the final inning.

Irvington scored two unearned runs in the first, driven in by Steve Aroneo's triple; one in the fourth, and three more in the seventh, the big hit again from the bat of Irving-

ton's catcher, a two-run home run. Aroneo had a total of four RBI's for the game. Belleville's run came in the seventh on successive singles by Bill Otskey, Carl Corino, and Joe Papsidero.

Belleville's starting pitcher, Bobby Giordano, pitched six innings in which he fanned seven Irvington batters, three in the second inning.

Belleville finished its season with a record of five wins and ten losses, good for fifth place in the Eastern Division. Division champions Irvington and Livingston are to battle it out this week for the county championship in a two out of three series, with Maplewood and Caldwell, the runners-up vying for third.

Essex Red Cross Lists Blood Banks

On Tuesday, July 30 the Newark District will again sponsor a bank for the employees of the New Jersey Bell Telephone Company at that company's offices, 540 Broad St.

Newark District will hold two banks on successive days, beginning Monday, July 22, when it will sponsor one for the members of the Operating Engineers Local 825 at the Essex County Blood Bank. On Tuesday, the district will serve at a collection for employees of the Prudential Insurance Company at the company's Broad Street offices.

The Essex Chapter, American Red Cross has announced its schedule of six dates in July when staff assistance will be given for blood bank collections by the Essex County Blood Bank.

The first bank was held yesterday for employees of Thomas A. Edison Industries. The Oranges and Maplewood Red Cross District assisted at the bank held at the Essex County Blood Bank.

BECK'S COLUMN

By MAX BECK

Every year during a hot spell we get our share of calls about break downs of air conditioners. These units are amazingly reliable and efficient, given only a little bit of care.

In many cases where the complaint is not enough cooling, we find the filters clogged up with dust. It stands to reason that the air flow is inhibited by a clogged filter. It is so easy to replace or clean it if it is a so called permanent type. The coils in the front and back also have to be free of obstructions. These coils are similar to the radiator of an automobile. You know what would happen if you would stop the free flow of air; it will overheat. We found many an air conditioner filled with leaves and bird's nests.

Occasionally there are other failures, of course. The most frequent is failure of the thermostat. Contacts are always trouble spots. Once in a while a starting capacitor fails and in rare cases there is a loss of refrigerant due to a leak in the coils or copper tubing. Compressor motors are amazingly reliable, but even these will cause trouble occasionally. The manufacturers give a 5 year warranty on the "sealed unit", which consists of

TWO CHAMPIONS — Here Pat Dunleavy, 16-year-old winner of the New Jersey P.G.O. Junior Tournament, stands with Branch Brook Golf Course professional, Maurrie O'Connor. O'Connor was the 1935 P.G.A. State Champion and has won every championship in New Jersey

that a P.G.A. member is eligible to join. One of the fondest memories of his career was his defeat of Byron Nelson for the P.G.A. Championship in 1935. He related that experience and talked over many others with Pat whom he wished a long and victorious career.

WINNERS SEMI-CIRCLE — Here Pat Dunleavy (second from left), a Belleville youth turned Golf Champion, poses after receiving a trophy for winning the 1968 P.G.O. Junior Championship at Hendricks Field. Also pictured are (from left to right) Wayne Montalvo,

runner-up in the tournament; Ralph Quelch, P.G.O. President who handed out the trophies; Jim Ulozas, the 1968 Champion of the boys' division, and Dave DeRosa, the runner-up in the boys' division.

Breaks Auto Registration

Failure to comply with automobile registration laws drew a \$15 fine for Gary Machacek, 18, of 87 Raymond Avenue, Nutley, at the July 11 meeting of Belleville Municipal Court.

Judge Edward J. Abramson imposed the fine and an admonition to Machacek to keep his car in good repair and to comply with the laws of the state concerning Motor Vehicle Registration.

National Little League All-Stars Lose To Harrison on Basepaths

The Harrison All Stars defeated the Belleville National All Stars by the score of 2 to 1 at the Nutley Little League Field on Saturday.

Harrison scored first in the top half of the 3rd inning. After Centanni struck out Sulli-

van, Yanuzzi was hit by a pitched ball. The next batter, Lind, hit a fly ball to center which got away from Duva allowing Yanuzzi to score. Lind stopping at second base. Klimek walked, Correnti struck out. Van Dostendorr walked leading the bases.

Here, Baumgartner catching for Belleville, let a pitch get away from him and Lind scored the second run of the inning. Then Centanni struck out Dobosh.

Belleville came back with one run. Mango led off with a single, Baumgartner walked, Duva then bunted but Mango was thrown out at third base. With men on first and second, Taylor singled and Baumgartner scored.

With Stein up Correnti threw

a wild pitch advancing the men to second and third. Stein then tapped to the pitcher who had Duva in a run down. He got back to third but found Taylor there. Duva was tagged out, then Taylor headed back to second where he was tagged out to retire the side.

In the next inning Centanni led off with a single. DeFranza reached on a fielders' choice. Then Correnti struck out Albanese, and Cosgrove. Mango hit one in the hole and shortstop Dobosh made a backhand stop to throw out Mango by a step.

Centanni allowed 3 hits striking out 10, while Correnti allowed 4 hits while fanning 12.

Disorderly Ride Results In Fine For Newarker

Joy riding turned out to be quite costly for a Newark youth. Angel Perez of 6 Sheffield Drive, in Belleville Municipal Court last Thursday.

Perez, along with Sebastian Montalvo, was charged with a violation of the disorderly persons act. Perez, who spoke no English, relayed his plea of innocent through an interpreter.

Judge Edward J. Abramson, however, found him guilty as charged and issued a six month suspended sentence, a one year probationary period, and a \$100 fine to be paid within six months.

Montalvo didn't show up in court so he forfeited his bail and the Judge issued another warrant for his arrest to answer charges against him.

Library Film Depicts Racial Prejudices

The controversial film, "Time for Burning," will be shown in the meeting room of the Bloomfield Public Library three times on Wednesday, July 17, because of its deeply moving message.

It will be shown at noon, at 1 p.m. and again at 8 p.m. that day. The public is cordially invited to attend. The library is located at 90 Broad St.

The film exposes individual and group feelings when a Lutheran pastor proposes that his all-white congregation hold joint services with a neighboring Negro church. As a result of this controversy, the pastor resigned from his church. Every American who is concerned for the future of his country should see this film.

and "Puss in Boots" — are under the supervision of Paul Hart, a Montclair State graduate who will be a graduate assistant at the University of Maryland in the fall. The first will be directed by Dan Corey, a Montclair State graduate who will be a graduate assistant at the college during the coming year; the second, by Miss Felice Komisar, a Glassboro State graduate who has been a graduate assistant at Montclair State during the past year; and the third, by Miss Mary Jamgochian, a Belleville High School drama teacher and graduate student at Montclair State.

A second program of three other plays for children will be given on July 24 at the same times. These are being selected by workshop participants, and titles will be announced later. The workshop's final production, Dylan Thomas's "Under Milkwood," is scheduled for July 31 and Aug. 1 at 8:30 P. M. in Memorial Auditorium.

Casts for the children's plays also serve as crews. Among those taking part in the July 17 presentation is Marjorie Black of 83 Whitford Ave., Nutley.

Social Security Payments Reach \$11,081 Record

A record \$11,081,652 was paid out in social security cash benefits to 118,429 residents of Essex County for February, according to William J. Arnold, Newark Social Security District Manager.

"February 1968 was the first month in which increased benefit rates provided by the 1967 Amendments to the Social Security Act were payable," Arnold noted.

Nationally, the amount of monthly benefits exceeds \$2 billion, an increase of more than \$360 million above the December 1966 figure. More than 24 million men, women, and children, or nearly one out of every eight Americans, are now receiving some type of monthly benefit.

Half Year Totals Climb At Fidelity

C. Malcolm Davis, President of Fidelity Union Trust Company, Newark, announced that net operating earnings after provision for taxes amounted to \$4,316,000 for the six-month period ended June 30, 1968 — an increase of 10.3% compared to the same period of a year ago. Earnings per share for the 1968 period were \$2.70 after provision for the new Federal Income Tax Surcharge. This compares with \$2.44 for the comparable 1967 period. The 1968 first half year earnings compared with earnings of \$3,911,000 for the first six months of 1967.

Fidelity's Statement of Condition as of June 30, 1968, also made public today, showed total assets of \$685,218,000 and deposits of \$581,160,000. Comparable figures as of June 30, 1967 were \$675,790,000 and \$577,555,000 respectively.

N.Y. Botanical Gardens Report Blossoms at Peak

A new planting of 20,000 summer annuals has just reached peak bloom near the main entrance to The New York Botanical Garden.

Designed by Dennis A. Brown, Assistant Director in charge of Horticulture and Maintenance, the symmetrical bedding scheme is part of a plan to introduce additional color into an area that attracts maximum traffic. The colorful plants are readily visible to motorists on Moshulu Parkway and Southern Blvd. extension.

According to present plans, another concentration of color will be installed next year in the lawn area on the opposite side of the mall leading to the Museum Building.

TORRID TALES OF THE ELECTRIC HEAT LOVERS

Hot Stories

'Heating bills for our 10-room Montclair home built in 1960 invariably come in under \$300, a winter, and every cent of that is turned into pure heat: there are no cold spots, no drafts, no long waits for the house to warm up... FANTASTIC EFFICIENCY!' writes Mrs. Albert Weber, Vice President of the Nutley Lumber Co.

'Radiant electric heat keeps my company's heating cost down to a rock minimum also. Our two office buildings are equipped with Glasheat, one of them since 1948.

'That makes three times I've installed Glasheat in, the last twenty years — if that isn't recommendation enough for anyone, I honestly don't know what is!'

Thank you, Mr. Weber, for your three hot stories!

Cheap Stories

'A good friend of mine decided to install a central heating system in a home just about the same size as mine (3500 sq. ft.) and at the end of the calendar year we compared our operating costs,' writes Mr. A.L. Miller of Boonton, N.J.

'Taking his fuel cost and electric cost, he spent \$533. Taking my total electric bill, I spent \$536. I HEAT MY BASEMENT AND GARAGE TOO — MY FRIEND DOES NOT!! We think this is a pretty good situation, don't you?'

We do indeed, Mr. Miller, and please extend our sympathies to your friend.

The first thing everyone seems to think of when you mention electric heat is: HIGH COST OF OPERATION,' writes another Mr. Miller, this gentleman from Verona, N.J.

Sick Stories

'Three years ago when we installed radiant electric Glasheat,' writes Mr. Bruce Benner of East Rutherford, N.J., 'the first thing we noticed was the ideal humidity level; no static shocks; no more stuffy feeling on rising in the morning — just wonderful comfort we had never experienced before. "Room-by-room control with separate thermostats in each room enables us to enjoy the exact temperature each of us wants. "With a wife and four children or a total of six in the Benner family, ONLY ONE COLD OCCURRED IN THE ENTIRE PERIOD, and it was a mild one at that. We feel this is the most unusual considering our experiences previous to Glasheat.'

Thank you, Mr. Benner — many more healthy winters to you!

'Well, let's start with my cost of operation now as against my previous fuel heating system. Using ONLY TWO FLOORS with my previous fuel system it cost me an average of \$230 a year for heating. Now with electric Glasheat, using THREE FLOORS INSTEAD OF TWO, my annual operating cost runs between \$230 and \$250.

'Three floors for the price of two — we think that's a pretty nice deal!'

What's Your Story?

If you have a heating problem — a hard-to-heat room, an old house, an additional room, a dirty, drafty system — any problem large or small — we have more stories to tell you.

Robert Davis Appointed Federal Field Manager

Manager of Product Development, James F. Zavatore, recently announced that Robert Davis of Nutley has been appointed manager of field service of Federal Paper Board Co., Inc., Bogota.

Davis will be responsible for the maintenance and operation of the Federal packaging systems, in operation in customer plants throughout the country, as part of his responsibilities in the Mechanical Packaging Dept.

Davis joined Federal Paper Board Company in 1966 as a

field service engineer. In 1967, he was appointed assistant manager of field service.

State Will Rehabilitate Used Railroad Coaches

The Department of Transportation has located and authorized the purchase of 17 used railroad coaches to be rehabilitated and leased to the Central Railroad of New Jersey, Commissioner David J. Goldberg said today.

Business Briefs

By Joe Sticco and Jack Gurewitz

John W. Kress, president of The Howard Savings Institution, reported Bank deposits of \$792,137,433. as of June 30th; up \$61,330,412, or 8.4 per cent from the \$730,807,021. reported the year before.

Assets rose to \$863,112,637., which represents an 8.0 per cent increase over the 1799,066,440, reported as of June 30, 1967, Mr. Kress added.

At mid-year, the Bank's mortgage portfolio, which was invested entirely in New Jersey properties, reached 41,146 for \$589,210,471.

The Bank paid out dividends of \$17,822,142.48 for the first two quarters of 1968. It has been estimated that the third quarterly dividend that will be credited to depositors on September 1st will be in excess of \$9,250,000.

In addition to the \$15,000 Federal Deposit Insurance Corporation insurance coverage on depositors' savings, the

Bank maintained a satisfactory Surplus and Reserve position with a \$58,939,674, fund, reported Mr. Kress.

The Howard Savings is the 16th largest mutual savings bank in the nation. There are only two savings banks outside of metropolitan New York that are larger. The Howard maintains public banking facilities in Newark, South Orange, North Caldwell and Irvington.

Changes In Bloomfield

M. Harold Higgins, Chairman of the Board of Managers of the Bloomfield Savings Bank, Bloomfield, today announced the following changes in the bank's management: Mr. Higgins has relinquished the office of President and is now Chairman of the Board. James K. Feely of West Caldwell, Executive Vice President, succeeds Mr. Higgins as President. Clifford A. Reid of Bloomfield, Administrative

Vice President and Treasurer was elected Executive Vice President. He will continue his duties as Treasurer. Mrs. Helen G. Mountjoy, Assistant Secretary and Personnel Officer was appointed corporate Secretary and continues her duties as Personnel Officer.

Higgins, a native of Bloomfield, graduated from Bloomfield High School, received his A.B. degree from Rutgers University and his L.L.B. degree from Columbia University Law School. He practiced law in Newark and Bloomfield until he became Vice President of the bank in 1945. In 1946 he succeeded the late Willard W. Miller as President. When Mr. Higgins became President the bank's total assets were \$27,000,000. They have grown consistently until today they are in excess of \$188,000,000, a gain of \$161,000,000.

Higgins will continue as a member of the Board and in a general advisory capacity in the management of the bank.

Higgins is Chairman of the Bloomfield Financial Advisory Committee. He is former President of the Bloomfield Public Library and former President of the Bloomfield United Fund and has served as a member of several of Bloomfield's civic committees. He received the Bloomfield Outstanding Citizen's Award in 1961.

Feely became associated with the bank as Vice President in 1965. He was elected Executive Vice President of the Bloomfield Savings Bank in 1967. He formerly was Vice President and Loan Officer of the Eastman Savings and Loan Association, Rochester, N. Y. 1953 - 1965; Research Assistant, Public Administration Service, Chicago, 1952-1953; and for 10 months was a management consultant to the Commonwealth of Puerto Rico working in Municipal Judicial Administration.

Feely received his A. B. degree, magna cum laude, from the University of Rochester and his L.L.B. degree from the Yale University Law School. Feely completed graduate work toward his Ph.D. as a graduate Fellow Maxwell Graduate School of Citizenship and Public Affairs, Syracuse University. He is a member of the Bloomfield Rotary Club.

Reid, a native of Bloomfield, started with the bank in 1938. He was promoted to Vice President in 1965 and Treasurer several years earlier. He was made Administrative Vice President and Treasurer in 1967. Reid received his B.S. degree in Business Administration from Rutgers University and is a graduate of the Graduate School of Banking at Rutgers and the Management Development Program at Dartmouth College of the National Association of Mutual Savings Banks.

Reid was a U.S. Navy Lieutenant (jg) in the South Pacific in World War II. He is Chairman of the Local Draft Board No. 12, Trustee of the Bloomfield United Fund, a member of the Operations and Insurance Committees of the National Association of Mutual Savings Banks, Association of New Jersey and of the Insurance Committee of the National Association of Mutual Savings Banks. Mr. Reid is a former President of the New Jersey Conference of Bank Auditors and Comptrollers and a former President of the Bloomfield Post No. 20, American Legion.

Mrs. Mountjoy is a native of Bloomfield. She has long been associated with the bank in several clerical and stenographic capacities. In 1958 she was promoted to Personnel Officer and corporate Assistant Secretary.

DEPOSIT GAIN 6.6 PCT.

The Bloomfield Savings Bank, Bloomfield of which M. Harold Higgins is Chairman of the Board, in its statement of condition on July 1, 1968 reports Assets of \$188,215,708 compared to \$176,533,704, a year ago, a gain of \$11,682,004. Deposits on July 1 were \$173,965,446 compared to \$163,152,419 on July 1, 1967, an increase of \$10,813,027, or over 6.6 per cent.

Higgins also reported that both assets and deposits have nearly doubled in the last ten years. On July 1, 1958, total assets were \$95,401,951, and total deposits were \$88,391,831. gains therefore of \$92,813,757 in assets and \$85,573,615, in deposits, an average increase of nearly ten per cent each year.

Principal items in the statement are: — Cash on hand and in banks \$5,193,368.65; United States Government and Agencies Securities \$28,679,502.13; other Securities \$17,362,662.47; and First Mortgage loans on 12,330 properties \$132,620,076.92 Other Assets amounted to \$4,360,898.53. Surplus and reserves are 11,644,718.20.

Clark Elected IEEE Officer

Harry R. Clark of 97 Chestnut Street, Nutley, has been elected a member-at-large of the Institute of Electrical and Electronic Engineers' North Jersey Section.

Clark is an engineering section head in the switching department of ITT Defense Communications Division. He has been active in IEEE for several years and helped form the North Jersey chapter of the IEEE Computer Group.

A graduate of Newark College of Engineering, Mr. Clark was awarded a bachelor of science degree in electrical engineering in 1951. He joined ITT in 1959.

Interest paid or credited to depositors during the past year amounted to \$7,032,946. The Bloomfield Savings Bank has paid 285 consecutive dividends to depositors since it opened in 1871. The total of such payments is in excess of \$83 Millions. This mutual savings bank is not only the largest suburban savings bank in New Jersey, but is also the largest in that rank in the United States.

Commenting on the bank's consistent solid growth, Mr. Higgins stated: "These advances have been attained without mergers of any kind and indicates the public awareness of the importance of depositing funds in a mutual savings bank for 100 per cent personal and family financial protection and at the same time earning an excellent return in dividends on the money deposited. There are no fluctuations to watch and depositors' funds are always available when needed. Yes, a mutual savings bank savings account is a top investment for everyone."

The Bloomfield Savings Bank has two types of Savings Accounts: — 5 percent per annum One Year Investment Savings Accounts and Regular Savings Accounts.

The bank has three offices: Main Office, 11 Broad Street at Bloomfield Center, Brookdale Branch at 1260 Broad Street and the Ampere Parkway Branch at 100 Bloomfield Ave. There are free parking areas for depositors at all three offices.

The Bloomfield Savings Bank is a member of the Federal Deposit Insurance Corporation. Deposit insurance is now \$15,000 for each depositor.

Metz Is Named Top Salesman By His Company

Gerald Metz, 58 Fischer Avenue, Nutley, was named Salesman of the Month for April 1968 by the A. R. Meeker Co., distributor of A. B. Dick Duplicating and Copying Products and Scriptomatic Addressing Systems.

Metz was honored for exemplifying the highest ideals of professional salesmanship. This monthly award is adjudged on sales performance, service to customers, attitude, inter-department cooperativeness, self-advancement and community activity.

Metz was the first recipient of this newly established award which will lead to the naming of the Salesman of the Year. Each month twenty-three salesmen will compete for the Salesman of the Month title.

Someone has rightly said that a bigamist is one who loves, not wisely, but too well.

Never get the idea that all people have to think alike, act alike and believe alike.
