

## Joseph Smith Receives Bronze Star Medal

### Army Honors 17-year Vet For His Vietnam Heroism

Joseph V. Smith, son of Mrs. Helen Smith, 304 Branch Brook Drive, a nurse at Clara Maass Hospital, has been awarded the Army's Bronze Star Medal (First Oak Leaf Cluster).

Master Sergeant Smith distinguished himself by heroic action February 19, while serving as an advisor at the Tan Hiep Training Center, Ben Tran District, Dinh Tuong Province, Republic of Vietnam.

mediate action, Sergeant Smith exposed himself to the exploding rounds while getting into position in an observation tower in order to effectively adjust friendly artillery fire.

#### WOUNDED

When 27 rounds hit in the immediate area, wounding him and his Vietnamese counterpart, Sergeant Smith remained in position and continued to adjust counter-mortar fire.

Smith graduated from Belleville High School and has been a member of the 101st Airborne Division for the past 17 years. He's been an advisor in Vietnam for three and a half years.

Smith was stationed for almost 10 years at Fort Campbell, Kentucky. He served as a paratrooper in the Korean War and also spent a year and a half in Germany. He received other combat medals in the Korean conflict.

Joe's brother Bill saw action in World War II. He resides at 34 Park View Avenue and owns a service station in North Newark. The sergeant also has a sister, Mrs. Dorothy Reiman, who lives at 31 Park View Avenue.

Mrs. Smith, mother of the decorated hero, has been a practical nurse for 29 years. The Smiths are lifelong Belleville residents.

## County Police Academy

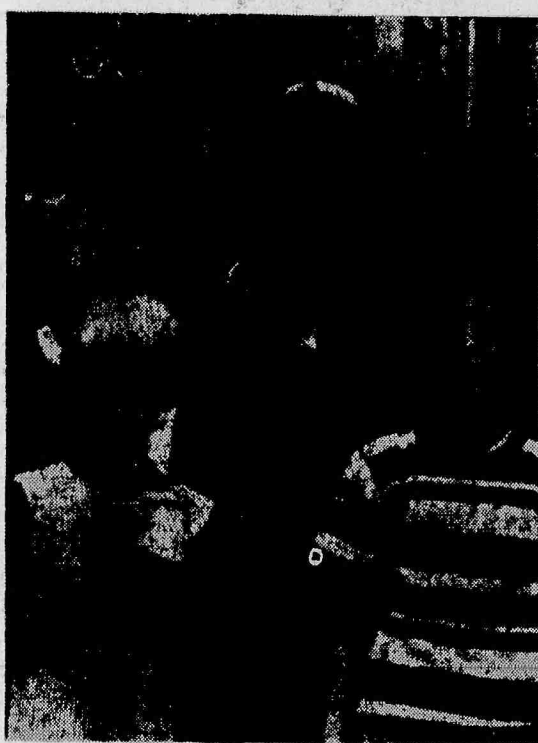

Four men appointed to the Belleville Police Department in April, will attend the Essex County Police Academy beginning September 9.

The 11-week course, held at the West Orange Armory, is mandatory for all patrolmen seeking permanent positions.

"There's a law that these men go to school," notes Belleville Police Chief Donald Smith. "As soon as we put a new patrolman on the department, we have to notify the state division of public safety. They have to pass a civil service examination to become a patrolman and they're not regular patrolman until they finish the academy."

Inaugurated in 1955 at Livingston, the school is now run by Captain Henry T. Lyon (retired from the W. Orange force), Director of Training and Chief William C. Peto (Maplewood Police), Dean of the academy.

The Belleville men, receiving basic training from permanent members of the force (riding on patrol, etc.), who will attend the academy are: Robert H. Estelle, Joseph R. Mulvihill, Leon D. Quinn, Jr., and Robert A. McDonald. (Continued on Page 3)

**TO CURE CANCER** — The four children pictured here are all residents of Smallwood Avenue, Belleville. They read of the Belleville Cancer Fund in the Times and decided to do something to help. They got together and had a neighborhood fair on July 30 where they made \$5.12 to help cure cancer. They are (front row) Nadine Dooley and Charles Margrave; (second row) Linda Peterson and Jerry Dooley.

### Installation Due

## Wynns Winners With Legion Post

PATRICK WYNN

MRS. PATRICK WYNN

On Saturday, August 17 at 8:15 p.m. at the Post Home, 621 Washington Avenue, Patrick J. Wynn will be installed as Commander of Belleville Post No. 105, American Legion for the year 1968-69. Mrs. Wynn will become President of the Auxiliary.

Commander-Elect Wynn has been a hard worker for the American Legion, having served on many committees. This past year he served as Post Membership Chairman,

culminating in Post No. 105 winning the George Sivers Trophy for best in Essex County.

Wynn served in World War II. He was in the 118th Infantry Division at Ft. Jackson, South Carolina. He later served three years with the Inspector General's Dept. at Iceland Air Base. Later in charge of an MP Squadron at Camp Crowder, Missouri. Wynn is employed by the Public Serv-

## Burglary Ring Held Up By Local Authorities

### Court Hearing Scheduled Today; Over \$4,000 In Stolen Goods

BY TOM HOLUB

An intensive investigation into a burglary ring which started on July 21, has ended with the arrest of two men by the Belleville Police Department.

A complaint of breaking and entering was filed by a resident of Rocco Street on that day. Detectives Harold O'Reilly and Kenneth Place were assigned to the case.

The theft was apparently tied up with a number of robberies which had occurred in neighboring towns. The Regency Towne House apartments in Nutley had been hit a number of times, as had a gas station. North Arlington also had a few heists, as did Lyndhurst and East Hanover.

The alleged thieves seemed to be more interested in contraband than in money. In all of the cases, items like clothing, jewelry, appliances, or other goods that are easy to sell, were the primary targets.

The detectives kept tight watch on the case, and caught the men within two weeks. Robert Sacchiero, 20, and James Palmer, 22, both of Belleville, are now in custody in the town jail awaiting a hearing of the charges today in Belleville Court. Another man, Anthony Riccardi, 21, of Newark, was also involved, but he was already in custody in Bergen County jail, when the arrests were made by of-

ficers Ermin Oliveri and Ronald Thompson.

After the arrests, the officers were able to uncover over \$4,000 worth of stolen merchandise. Since that time it has been tentatively identified by people who had been victimized.

North Arlington officials have another man, William Compo, 37, of Nutley, in custody for the part he allegedly played in the group's dealings in that community.

Nutley police have released a 16-year-old boy in the custody of his parents pending a hearing in juvenile court about his part in the River Road thefts.

The arrests were a perfect example of the cooperation

shown between the Belleville police and the police forces in the surrounding communities. Detectives Place and O'Reilly worked closely with the Nutley and North Arlington authorities, giving them vital information, and receiving the same. Without such inter-town coordination, the crimes could never have been solved.

The two accused thieves in custody in Belleville have to face charges of breaking and entering, and larceny. Also, when they were picked up, barbiturates were found in the car, which belonged to Louis Sacchiero, the brother of one of the men. Since that time, Louis has filed a complaint against his brother for stealing his car.

## Board Of Education Approves Kittle Memorial Tribute Plans

The Belleville Board of Education recently approved plans of the Hugh D. Kittle Memorial Committee to establish a living tribute on the grounds of Belleville High School.

The committee, headed by Mario Di Maggio, Vice Prin-

cipal of Belleville Junior High School, deemed it appropriate that the former high school principal be honored in a fashion which will exemplify his constant love — growing flowers.

Kittle served as principal of Belleville High School from

1935 to his retirement in December, 1961.

Any individual who wishes to make a contribution to the fund may do so through members of the committee: Anthony Greco, Superintendent of Schools; Michael Rosamilia, Assistant Superintendent; Seymour Grossman, Principal of the Junior High School; John Iannuzzi, Proprietor of Flowerama; Mrs. Robert Kittle; Rocco Saletta, Vice President Raymond O. Smith, Principal of the Board of Education; and Herman Wische, Director of Physical Education and Health. Emanuele De Nois, Jr., is treasurer.

Checks may be made out to the Hugh D. Kittle Memorial Fund.

## Orientation Program Set For Junior High School

An orientation program for all students entering Belleville Junior High School in September will be held in the auditorium on Wednesday, August 21 and again on August 28 at 10:00 a.m.

Anthony Greco, Superintendent of Schools, will welcome the group. It was held for the first time last year and 280 out of 400 incoming students attended.

Seymour Grossman, Principal, and Mario Di Maggio, Vice Principal, will brief the new students on rules and regulations, dress and conduct codes, busing, bell schedules and will answer any

questions.

Grossman notes that the student handbook will be perused. Library and cafeteria rules will be outlined. He explained that a new, modern code of dress has been set up by a committee of students, parents, teachers and administrators.

Miss Williamson, 9th grade counselor and other guidance personnel will also be on hand to assist the principal and vice principal.

All students will be given a tour of the building and have the opportunity of knowing where all rooms are located, particularly their individual home rooms, which have been already assigned, to eliminate first day confusion.

New students will register September 2 in the Guidance Department. Those unable to do so at that time will have to wait until the first day of classes.

Parents are cordially invited to attend the Junior High School Orientation days by school officials.

### Passing Checks To Grand Jury

Judge Edward Abramson considered the evidence sufficient to refer the case of Robert Read of 181 Pennington St., Newark, to the Grand Jury.

Read is charged with passing stolen checks.

## Robert Skopak Finishes Flyers Technical School

Airman Robert T. Skopak, son of Mr. and Mrs. Theodore Skopak of 81 Charles St., Belleville, has been graduated from a U.S. Air Force technical school at Lowry AFB, Colo.

He was trained as a supply inventory specialist and has been assigned to a unit of the

Military Airlift Command at McGuire AFB, N.J.

The airman is a graduate of Essex Catholic High School, Newark, and received his B.S. degree in accounting in 1967 from Seton Hall University, South Orange. He is a member of Delta Sigma Phi.

**KITTLE COMMITTEE** — Members of the group that plan to honor the former Belleville High School Principal are: Seated (left to right), Nicholas Juliano; John DiRienzo, President, Board of Education; Dr. Frank DiRuggerio; Rocco Saletta, Vice President, Board of Education; Standing (left to right), Mario DiMaggio, Vice Principal,

Belleville Junior High School; Seymour Grossman, Principal, Belleville Junior High School; Anthony J. Greco, Superintendent of Schools; Emanuele DeNoia, Jr., Treasurer, H. D. Kittle Memorial Fund; Michael Rosamilia, Assistant Superintendent and Max Schwartz, Board Counsel.

## Public Library Hosts Programs Providing Cool Summer Fun

The air-conditioned Belleville Public Library is keeping youngsters busy during the long hot summer with a variety of programs.

A library newsletter asks, "Do you like to travel, sing, act, watch movies, read, make puppets? Or would you rather just sit, look and listen to someone tell wonderful stories?" All the aforementioned can be enjoyed by Kindergarten through sixth grade students.

A summer reading program, which began June 17 and runs through August 30, at both the Main Library and Silver Lake branch, is entitled, "Read Your Way Around the World with Snoopy and His Pals." Children must read and re-

port on 15 books during the summer; progress is shown on a large "Peanuts" world map. There are two age groupings: Kindergarten through third grade — they are assigned five categories to read and can select the other 10; grades four through six — 10 assigned categories, plus five of their choice.

There are award presentations for the most avid readers, in the form of a diploma of recognition.

The Story Hour is a popular feature. Library Director Ben E. Grimm reports that 672 children attended the eight given at the main library and the four at Silver Lake last month. The Story Hour schedule is: Tuesday at 10 a.m., ages five through eight; Thursday at 10, ages nine through 12, both at the main library; Wednesdays at 10:30 at Silver Lake, children of all ages are treated by local raconteurs.

Wednesdays at 2:30 is time for play-acting. Tryouts and weekly rehearsals of "The Great Pumpkin Mystery," an intrigue involving Charley Brown, Snoopy and their

friends, are conducted. The first run of the play was last week. It will be given again September 7, along with a preschool party. Attendance at the first curtain raiser of the Snoopy smash was 115.

Fridays at 10 a.m., it's time for puppeteering. Youngsters make their own puppets, under the able supervision of library staffers like Mrs. Librizzi and Sandra De Maio. Then, a puppet show, a la Punch and Judy, is performed. Attendance for July was 115, plus an outsider named Pinocchio.

Friday afternoons at 2:30, there is group singing—sing-along songs, old and new. No protest numbers are sung, as yet. The turnout for the month was 107, plus Sally Fields.

Head Start groups participate in Friday activities.

Movie Hours will be given August 22 at Silver Lake and August 23 at the main library, at 10:30 a.m.

Highlighting both movie hours will be the animated version of the popular story "The Emperor's Oblong Pan-

## Guns Must Be Registered At Police Headquarters

All 18 year-olds or over who plan to go hunting this fall and have never before purchased a rifle, had better go to Belleville Police headquarters to start the registration process now, because it takes approximately a month.

New Jersey law requires anyone buying a gun to be fingerprinted so that a check can be made with State Officials, and the FBI, to see whether the man has a criminal record.

On the application form, there is a space for two personal references who are checked out while the prints are away being cleared. When both of these requirements are taken care of, the person applying for the permit

gets a number from the State and an I.D. card. If he were to buy another rifle a few years later, he would not be required to go through the whole process, but rather just fill out a short form stating that he hadn't been arrested since his first application. A pistol owner is required to re-register with the purchase of each new weapon.

## Neglect To Inspect

Being four months overdue in inspecting his car cost Yis-y Alston of 63 Hunterton St., Newark, \$15, at last Thursday's Belleville Court session. Judge Edward Abramson handed down the decision.

Local Singers Sign Hollywood  
Contracts After Lucky Breaks

The New Tradition, a vocal group from the Nutley-Belleville area, have recently returned from Hollywood, California where they signed recording contracts with Nocturne Records and Moreharte

Productions.

The group consists of John Gualberto, 22, of 487 Chestnut Street, Nutley, Vito Pisciotta, 24, of 11 Fulton Street, Nutley, Vinnie Rossi, 22, of 119 Crestwood Avenue, Nutley, and Raymond Fratella, 21, of 86 Chestnut Street, Belleville.

The group has been together since 1965. Their recent break came when Gualberto wrote a few original tunes and, after the group recorded them in

New York, another member of the group, Pisciotta, traveled to California where he made contacts with different producers. Upon the arrival of the remaining members in Hollywood, the decision was made to sign with Nocturne records and Moreharte Productions.

Their first release, "I Believe" and "Lonely Days" will be available locally in the near future.

Quick, Deep Breathing  
Might Cause Blackouts

Rapid, deep breathing by swimmers before plunging into water to prolong below-surface staying power can lead to blackouts and even drowning instead of increasing endurance.

What happens, according to a medical specialist, is that continuous deep breathing re-

duces carbon dioxide in the blood. As a result, blood pressure falls, and oxygen is cut off from the supply needed by the brain.

According to the head of the Essex County Medical Society's Summer Safety Committee, the blackout usually happens right after the person hits the water.

LARRY DIXON'S  
FLAGSHIP FLAGS INK  
SPOTS

One of the great musical entertainment acts in show business history, The Ink Spots, play a limited two week engagement beginning Wednesday, August 7th, at Larry Dixon's lavish Flagship Dinner - Theater in Union, New Jersey.

Headed by Joe Boatner, one of the leading bass-baritones in the musical field, this fabulous group offers melodic memories of a wonderful phase of show business which has, in every sense of the word, remained as popular as ever. Tremendously versatile, the Ink Spots combine the major facets of show business — dancing, comedy and wizardry on their instruments in a sparkling 90 minute revue. "If I Didn't Care," "Maybe," "We Three," and "Jive Jive" are just a few of their famous hits that will be featured.

Recently returned to the United States from a record-breaking international tour which included the London Palladium, the Maison Blue in Montreal and the Intercontinental Hotel in Puerto Rico, Joe Boatner's Ink Spots are an act that shouldn't be missed.

The Flagship feature Nightly — 8 P.M. and 10 p.m.

HELEN O'CONNELL INTO RAINBOW GRILL AUGUST 8  
Helen O'Connell brings back the Big Band Era (and years of memories) when she moves into the Rainbow Grill August 8.

Her years with the Jimmy Dorsey band were years of "Green Eyes," "Tangerine," "Amapol" and dozens of other classics that still stand up in today's music world.

Miss O'Connell will be on the stand in two shows — 9:30 and 12:30 — nightly, Monday through Saturday.

The Rainbow Grill opens for dinner at 6, and the Phil Wayne combo begins playing for dancing at 7.

DONNA LEE AT  
APARTMENT

Bernie Bronk's intimate, chic Second Avenue supper club, The Apartment, has offered many of the best singers in show business but none prettier than their current attraction, Donna Lee. The gorgeous songstress was a photographer and fashion model before she tried singing. She

sang so darned good cameras were soon forgotten. As adept at piano and typewriter as she is at the mike, Donna is a skilled songwriter. Two of her current selections, "Dopey Little Dreamer" and "A Woman Alone With The Blues," were published by Barbara Streisand's music company. Miss Streisand happens to know her way around a song so this is high praise.

Donna records for Columbia Records and her recent big seller was "Clown Town" written by Gladys Shelley.

The fabulous Ken Asher trio aid and abet Donna and do their own thing to warm nightly receptions. Mark this talented trio down for big sounds, big praise and big things in the future.

Into his sixth month at the club is the every popular singer-composer - pianist Charles DeForest. Charles is legend in the many chic boites on New York's east side. His following is as enormous as his talent. The show adds up to big business and a big evening for all.

Apartment impresario Bernie Bronk has rolled nothing but sevens with this show.

LENNY KENT RETURNS TO THE LIVING ROOM FOR 3 WEEKS MON. AUG. 5th SUS-ANN FARRAR ALSO ON BILL

Comedian Lenny Kent, one of The Living Room's most popular acts, returns to the Manhattan night spot for 3 weeks beginning Monday, August 5th. Mr. Kent has been in show business for 43 years and has played The Living Room more times than any other comedian. Besides appearing in clubs around the country, he makes frequent guest spots on such television shows as the Merv Griffin Show.

Songstress Susann Farrar is also making a return appearance at The Living Room. She made her New York singing debut there last January and was such a success that she was immediately booked for this return engagement.

The Bob Ferro Trio will provide their usual musical interludes.

PLAYBOY CLUBS ADDS GUITARIST TO GOURMET BILL OF FARE

The New York Playboy Club's gourmet dining room, the VIP Room, is now offering

an extra delectation to its Saturday evening epicures.

Franco Paganì, the internationally famous crooner who accompanies himself on the guitar, will be appearing Saturdays in the VIP Room for the duration of the summer. After Labor Day, the RCA Victor recording artist will perform on weekday evenings as well.

Paganì, an Italian Perry Como, is a familiar figure on European TV, nightclubs, and music halls. He has appeared in this country at Carnegie Hall, the Latin Quarter, and the Madison Square Garden Italian Festival.

ALLAN DRAKE, VI VELASCO INTO PLAYBOY CLUB, AUGUST 5

Comedian Allan Drake and vocalist Vi Velasco will open a two-week engagement in the Playroom of the New York Playboy Club on Monday, August 5.

Continuing in the Playboy Club's Penthouse will be "Anatomy of Burlesque," starring Joey Faye.

## The New Queen

At a news conference in New York late in July President C.N. Anderson, of the Cunard Steamship Company in North America, revealed schedules and details about, and prices for, crossing the Atlantic on the Queen Elizabeth 2.

At present the \$72,000,000 ship is being completed in the yard of John Brown in Scotland. She will make her maiden voyage in January of next year.

The interesting, even fascinating, question about her is whether she is to be the last of an era of great passenger ships. For Cunard she is the 116th ship to fly the company flag over a period of more than a hundred years.

The company says the new Queen is built more as a floating resort than

as a means of transportation only and built for cruises (with her four swimming pools, two outdoors) as well as Atlantic crossings. One can find luxury unavailable elsewhere on major ships on the new Queen. The two finest suites on the new ship will bring a \$7,320 a trip! Other accommodations are no more expensive, however, than current rates on the present Queen Elizabeth.

Only time will tell whether another ship so large will ever again be built. If the new Queen can defy the jet age as a combination cruise and Atlantic crossing ship, and proves profitable, it will surprise some air enthusiasts. If not, we will probably have witnessed the last debut of such a passenger liner, and the end of an era.

## The Month Of August

There are a number of interesting dates in the month of August. Perhaps the most nostalgic is August 14th, the day President Truman announced the surrender of Japan, ending World War II, in 1945.

Hitler committed suicide in the face of Germany's defeat and his imminent capture in Berlin by the Russians on the last day of April. Germany surrendered on the 8th of May ending the war in Europe. But the Japanese struggled on, even though President Truman and the retiring Prime Minister of Great Britain Winston Churchill gave Tokyo a virtual ultimatum at Potsdam on July 26th, warning that unless they surrendered the nation faced "prompt and utter destruction."

The massive U.S. fleet steamed into Tokyo Bay and sunk the remainder of the Japanese fleet. Army and Navy bombers struck hard at many targets. The Japanese fought on—until the first atom bomb fell on August 5th, on Hiroshima. In a few days another was used, and further warnings were issued. These new

weapons and the horror of their destructive potential proved decisive. Japan surrendered, almost certainly, thereby avoiding hundreds of thousands of casualties which would have been suffered in an invasion of Japan itself.

On the 14th, in 1935—ten years earlier, social security was established in the United States, and cries from the opposition that it would ruin the nation. Columbus sailed from Palos, Spain on August 3rd, 1492 in his voyage to the New World. And David Crockett was born August 17th, 1786, in Hawkins County, Tennessee.

A political assassination in 1935 took the life of Huey Long of Louisiana, then the virtual dictator of that state, who was born August 30, 1893 in Winfield, Louisiana. And finally, the worst earthquake known east of the Mississippi occurred August 31st, 1886. It was most disastrous at Charleston, South Carolina but was felt from Jacksonville, Florida north to Canada and west to Iowa. (The last quake in the east was in 1811.)

## More Green Stamps?

The Federal Trade Commission recently held that the major trading stamp company in the nation had illegally restrained trade by preventing dealers from issuing more than one kind of stamp and by setting a maximum and minimum number of stamps which dealers could give away with purchases.

The stamp company immediately appealed the finding of the five-member body and no one can say at this stage how the question will be resolved. It is interesting to speculate, however, about what appears likely in the trading stamp field if the FTC ruling stands. (And there was no dissent on the basic finding among the five commissioners.)

Should the ruling stand, dealers would be allowed to offer more or

fewer trading stamps, as they themselves determined, with various purchases. They might also give two kinds of trading stamps, rather than just one.

All of which may mean that the country is headed for a trading stamp and prize contest binge the likes of which have not yet been imagined. It may soon develop that merchants and filing station operators will be giving away two kinds of stamps while also conducting a coupon or picture or number-matching contest for cash prizes.

In that process it may be more complicated to keep up with stamps and games than the amount of the purchase. The purchase may, in fact, soon become secondary to fun and games.

## Successful Fishing

For a great many people fishing isn't the sport and the excellent recreation that it is supposed to be. People who have fast-paced jobs in our complex society need to take it easy. If fishing requires the same mad pace that our daily routine requires it provides little recreational value.

The fisherman who doesn't allow enough time to drive to his favorite fishing area, and as a consequence has to drive his automobile at a high rate of speed, the fisherman who doesn't allow enough time for sleep or for a good breakfast, the fisher-

man who works hard at the lake or stream trying to catch more fish than anyone else, is going to be in worse shape after his day of recreation is over than he was before his day of relaxation began.

The best example of successful fishing that we know of is the small boy or the man who sits happily dangling a hook from a shady bank. They may not have boats and fine tackle, they may not catch any fish, but their relaxed attitude is right, and they're having fun. The secret of successful fishing is not catching fish, but taking it easy.

Seen The Passaic River Lately?

## Seems Only Yesterday

### 1 YEAR AGO

Belleville was severely shaken by a rash of narcotics arrests and the release of shocking statistics placing the town third in the state in per capita drug-related arrests. Belleville trailed only Newark and Elizabeth in this category.

The Times announced its decision to convert to photo-offset in the following issue. Publisher Frank Orechio credited the "brain trust" of Jerry Gay, president of Herald Publications, Henry F. Martyn, assistant publisher, and Philip White, executive editor with laying the plans and groundwork for the move.

### 5 YEARS AGO

The recall movement against Mayor Laterza and two fellow Councilmen appeared to accelerate as the insurgents claimed 3,000 signatures a boast dismissed as ridiculous by the Mayor. Charges of petition fraud and misrepresentation of the Council's voting records circulated in the overheated atmosphere.

### 10 YEARS AGO

The Belleville Orioles caught up with the front-running Nutley Colonels in Essex County League play. The Bell-boys rolled five times in six days to overcome a 4½ game deficit. The key to the squad's success was a decisive double victory over Nutley on Sunday. The neighboring town's representatives were easily outdistancing the other league members as the even race continued.

The records at the Teen Canteen were replaced by a young, live, orchestra; the well-known combo Little Zeke and the Gold Dusters delighted the chaperoned youngsters in a long and lively performance.

### 15 YEARS AGO

Lynn and Stephen Vogel, 65 Hill Street, won prizes on the "little big playoff", the youngsters' part of the "Big Pay-off", television quiz show. The youths won a puppy, two bicycles, and some clothes. They also had their pictures taken with quizmaster Randy Marrian and Bess Myerson.

Doctors informed two more sets of parents that their children had polio. The cases were neither paralytic nor serious. The two youngsters, David Skinner, 5, and Jeffery Lane, 4, were the fourth and fifth local victims of the 1953 season.

### 20 YEARS AGO

Times Editor Ralph Heinzen warned against precipitating war with Russia. "And despite the pressure of those humanitarians who regret our use of the Nagasaki and Hiroshima

bombs, it's 10 to 1 we would use the atom-bomb in any future war until it is banned by strict control. . . War between (the U.S. and Russia) might be worse than either World War I or World War II. . . We could conquer Russia, but you do not defeat ideologies by the sword."

Local residents watched Sabu and a cast of thousands cavort in the "Jungle Book" at the Capitol Theatre.

### 25 YEARS AGO

An advertisement seeking workers at Weston's Electrical Instruments Company of Newark:

"I dreaded parties. It seemed as though everybody was doing something to help win the war — something they could be proud of — all except me. But who would give me a chance to do something big — me, with no skill or training?"

"A friend set me straight. 'Listen', she said, 'I never worked before either, but in a few days time I was turning out work I could be proud of. And you or any other girl can do the same. You try it and see.'

"One week later and the boss told me I was going a swell job. Thrilled? I'll tell the world! I know now what it means to have responsibility and meet it. When I finish a job, I know I've also done something to help finish this war."

"At parties now, I can walk with any of 'em without feeling shy — for I know I'm doing something big, too. For the first time in my life, I feel important! (Of course, that cute hat I bought out of my first Weston check helped a lot, too!)"

### THIRTY-FIVE YEARS AGO

The Belleville Lions Club issued a unanimous declaration of support for President Franklin D. Roosevelt's National Recovery Administration. The club here upon began preparations for its annual golf tournament.

The local tailors were needing the Board of Commissioners to set a maximum working day of 11 hours for all local members of the profession. They were concerned about several tailors who, by working late hours, had siphoned off a substantial portion of their competitors' business. The proposal left the Board in stitches.

The School Board announced plans to utilize the services of unemployed Belleville residents in the renovation of the school plants:

## Sees Tax Relief As A Panacea

To The Times:

We are the greatest country in the world, but the country is only as great as the people we elect to represent us in all branches of government.

Our future is in such a state of chaos that many new programs have been approved by our elected officials in the hope that they would end this crisis.

All these programs costing billions to operate, paid for by the people have failed to do the job.

You cannot create new programs without creating other problems. They are the seeds of destruction if handled improperly.

The sales tax, the income tax, the new toll roads, revaluation programs and many others fall into the category.

No wonder we have strikes, riots, violence, crime, robbery and murder.

This is a national disgrace which I believe has been created by those in power, who are responsible for this mess and for inflation.

History is surely repeating itself, yet the politicians close their eyes to this danger and continue to raise their own salaries, create new jobs,

hand out fat wage increases and tax everything taxable to pay for them.

There are no exceptions to this nightmare in many of our larger cities and states where violence struck without warning. New tax dollars will not solve this problem but will add more fuel on the fire.

The responsibility of the people who have been paying for the luxuries enjoyed by others must come to an end.

We must now take a long, hard look at the government which throws billions across the ocean, the county, the state, the churches, toll highways, spending our money on cultural centers and other institutions which enjoy a tax-exempt status.

Their real estate holdings, including factories owned by some of them in unfair competition with legitimate business, run into the billions.

They do not share in this tax burden. I feel this is the step that must be taken to bring tax relief to the people caught in the squeeze and harmony to the cities to prevent future uprisings. This relief is long overdue.

## Narcotics Problem Grows

To The Times:

Many times the problem of narcotics has come up, but in many ways has misled the people. County Sheriff D'Aloia has said, "my ambition is to rid the narcotics problem from Essex County." He also stated that his was the finest narcotics squad in the country.

But I don't see how, I've lived in Belleville for 20 years. I attended Belleville High School. Look in the town of Newark. Many people know me in the surrounding towns. In all, I must know about 150 addicts, pushers or whatever you would like to call them. I'm not a good child or a fly-by-night one, just an average kid who wants to help Mr. D'Aloia, unless he stops the people of my age group. They're only going to keep pushing the dope down further on the younger kids, because I've seen it done many times before.

Actually they say they've caught 200 addicts. Out of all the addicts I know, the only way they have gotten it is to take an overdose. Please, if it's not too much, answer why

most of these other people haven't been caught. They're not really bad; most of them have home problems or other great problems.

## Rutgers St. Gets Lights

To The Times:

The tenants of the Rutgers Hall apartment, 120 Rutgers Street, Belleville, wish to express their thanks to Mayor Kenneth D. Smith for his efforts on our behalf in having new street lighting installed on Rutgers Street.

Repeated requests over the years to the former administration were of no avail, yet this area from Washington to Hornblower Ave. is used daily by thousands of vehicles coming thru Belleville, rather than turn on the avenue to Belleville Avenue.

Sincerely,  
Rutgers Hall Apts.

## Town Bulletin Board

The Times publishes the Town Bulletin Board as a public service, not only to assist individuals in planning social calendars, but as an effort to eliminate conflicting dates among local organizations. Club secretaries and program chairmen wishing to clear a date for a future activity may call the Sunbank Building at 667-2100.

There is no charge for the Bulletin Board listing, but events should be limited to those of general interest. Be sure to mention date, time and place of each event being listed.

Listing for the Town Bulletin Board must be written and submitted to The Times two weeks in advance of publication.

Completing the hours will be the color film, "Squeak The Squirrel," who adapts to new situations and environments.

Imagine what could be done with added space. What space there is, is now crammed with handicraft exhibits. Belleville children have made at town playgrounds. The display, which began Tuesday, will be on view through August 16.

## Belleville Academy Prospects

They have to graduate the academy, or forget becoming police officers. There's no second chance.

The curriculum teaches the men "everything from soup to nuts," about police work, according to Chief Smith. The course, totaling over 200 hours, includes: 1. Accident Investigation 2. Arrest, Search and Seizure 3. Civil Defense 4. Civil Government 5. Complaints 6. Criminal Law 7. Defense Tactics and Riot Control (including self defense) 8. Emergency treatment of sick and injured 9. Emotionally disturbed people 10. Ethics 11. Evidence 12. Examinations 13. Federal Bureau of Investigation 14. Firearms (taught the use of machine gun, small arms and shotgun) 15. Gambling 16. Headquarters Routine 17. Immigration and Naturalization Service 18. Interrogation procedures 19. Investigation procedures 20. Judicial system 21. Juvenile control 22. Motor Vehicle laws and traffic control 23. Narcotics 24. Patrol practices 25. Police-Community relations 26. Police organization 27. Police officer's duties 28. Report writing 29. Safe driving practices 30. Special problems.

One can see it requires intensive training to become a policeman.

Each town in the county is assessed \$95 a year for the academy, regardless of whether it sends anyone.

Chief Smith returned to his official duties after the interview. Oh yes, he's reading the Kerner Commission's report on civil disorders.

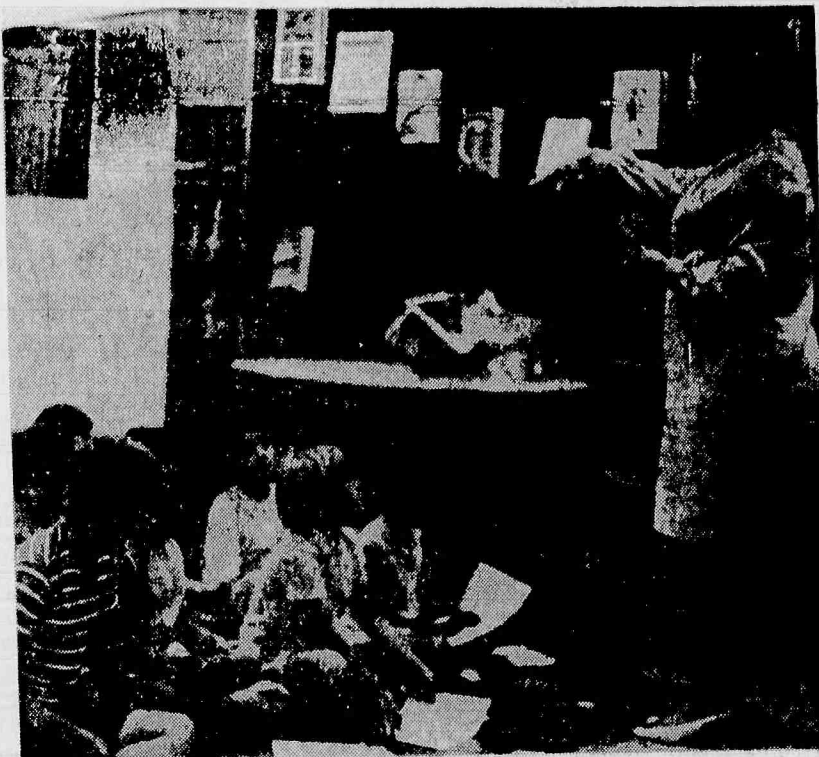

## Kidde Earnings Up 26 Per Cent Over Last Year

Walter Kidde & Company of Belleville reported net income of \$9,370,000 on sales of \$229,588,000 for the six-month period ended June 30, 1968. Last year the company reported net income of \$5,849,000 and sales of \$181,540,000 for the six-month period. Federal and foreign income taxes were \$9,760,000 for the 1968 period, taking into account the new Federal income surtax. For the six-month period last year, taxes amounted to \$5,201,000.

Earnings per common share amounted to \$1.65 for the 1968 period, which was 26 per cent higher than \$1.31 reported the previous year, based on the number of shares outstanding at the end of each period and adjusted for stock dividends. If all Series A preference shares had been converted into common shares prior to the end of the respective periods, earnings per share would have been \$1.36 for the 1968 period, or 33 per cent higher than \$1.02 in 1967.

The six-month results do not include the operations of companies whose acquisition by Kidde was pending at the close of the period.

Kidde manufactures safety, security and protection equipment; industrial and technological equipment, and commercial and consumer products. Headquartered in Belleville, the company operates more than 80 plants and laboratories in 22 states and six foreign countries.

## Humphrey Backers To Eat At Treat

Residents of every municipality in Essex County will be on hand for the Citizens for Humphrey luncheon in Newark on Thursday, August 15. It was announced by the co-chairmen of the event.

Advance ticket sales, the co-chairmen said, "indicate that each of the 21 municipalities of the county will be generously represented."

The luncheon will be held at noon on Thursday, August 15, at the Robert Treat Hotel, Newark, under the sponsorship of the Greater Newark Citizens for Humphrey Committee.

The Vice President will appear and speak at the affair.

Co-chairmen of the luncheon are: John Proto of Bloomfield, secretary treasurer of the New Jersey State Industrial Union Council, AFL-CIO; George J. Haney, vice president - Newark of Auchinloss, Parker & Redpath, New York Stock Exchange members; Bernard Helling of South Orange, a prominent Newark attorney, and Mrs. Connie Woodruff of Newark, director of community relations for the Eastern Region, International Ladies Garment Workers Union.

## Frank Pascale NJ Guard Grad

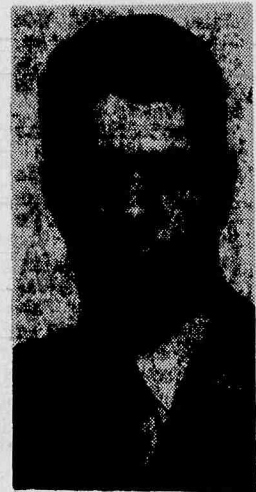

On Saturday July 20 the New Jersey Military Academy graduated its eleventh class. One hundred and fifty-two Jersey Guardsmen received commissions as Second Lieutenants. Among the graduates was Frank Pascale Jr., 33 Hilton Street (armor).

The graduates completed a year long course of training preparing them as Platoon Leaders in the Army National Guard and Army Reserve.

The course of instruction consists of 12 weekend training sessions plus 2 field training periods of 15 days each.

The second field training period provides specialized training for each candidate in one of the three army combat branches: Armor, Infantry, Artillery.

In addition to the one year OCS Program, a new preparatory program has been established and designed for sophomores attending a four year course of study leading to a degree at a college without an ROTC program.

By MAX BECK

For some strange reason the TV repairman seems to be singled out for criticism and complaints about high charges. The following incident shows what other people charge.

We have an office machine, which is quite simple. There are a total of 7 moving parts. It is less than 2 years old and it does not get much use. As is apt to happen, it went out of order. We called the factory repairman and were told he would come the following day. He came after 3 days, telling us he was too busy to come before. We did not receive a notice that he would not come at the appointed time. The charge was \$12.50 for the service call plus \$2.40 for mileage. After a few days when we wanted to use the machine, it did not work. So we called back, asking for immediate attention, since we had to get out a mailing. The usual promise, the man will be there probably the same day, at the latest the next. He came fast this time — after 2 days. Although we did not use the machine at all, he insisted that the trouble was entirely different than before. After allegedly "fixing" it, he presented another bill, this time for \$9.50. We called the factory and they told the man to take the matter up with them. The machine still did not work right. One of our technicians took some time off and we fixed it ourselves.

Now compare this simple machine with a color TV, which is by far the most complicated piece of equipment in customer's hands. It gets used every day for hours. Just look at the maze of wires, connections, parts and tubes. A technician has to know the function of every little thing. Instead of appreciation, he meets with abuse, complaints of his charges and all sorts of criticism. No wonder that so many of them quit.

## Rainstorm Cuts Power In Belleville

A severe thunderstorm Aug. 1 dropped half an inch of rain on the metropolitan area and disrupted electrical service in several areas.

The showers began at 8:52 p.m., according to the U.S. Weather Bureau at Newark Airport, and ended at 12:40 a.m., dropping a total of .58 inches.

Some 5,000 residents of the western portion of Belleville

were without electric power for almost two hours after lightning knocked out a circuit on the Nutley - Belleville border. Service was restored to the area at 12:06 a.m., a spokesman for the Public Service Electric & Gas Co. said.

An additional 250 residents in Upper Montclair were without power from 10:30 p.m. to 1:30 a.m. Cause of that failure was not immediately determined.

In Newark, some 2,000 youths at the Stella Wright Homes on Spruce Street were enjoying a scheduled two hours of "soul entertainment" when it was abruptly cut short by the rain.

A grateful Electric Glassheat user says:

*"If you notice the temperature  
you have the wrong heater"*

**BETTER SWITCH TO GLASSHEAT**

### IT'S A COMFORTABLE HEAT

that Glassheat gives—never too hot, never too cold," he continued. "So comfortable in fact you never notice the temperature at all. Regardless of the weather it feels like a sunny day indoors. Imagine—every room sunshine warm all winter long. No drafts, no cold corners, just comfort!"

No wonder Electric Glassheat reminds you of sunshine. It is the only heating system that warms with healthful radiant electric rays exactly like the rays of the sun. And this is true throughout the house for every room has its own money-saving thermostat and heating unit.

You can regulate the temperature of each room exactly as you want it, one quite warm, another cooler. And if a room is unoccupied, turn back the thermostat, close the door and save money!

### IT'S HEALTHFUL HEAT TOO!

"We had fewer colds last winter and everyone felt fine" says an owner in Caldwell. This is a common report from owners because Electric Glassheat has no flame to burn up the life giving oxygen or produce toxic fumes. And the sunshine rays of Glassheat not only produce an even temperature but maintain humidity at the level doctors recommend for good health.

### SAVE CLEANING TIME AND MONEY

"No soot, no smoke, no grime. Glassheat is wonderful," writes another user. "Have never seen any thing so clean. Saves me hours I used to spend cleaning and painting."

Another says "In 16 years the only room we have had to do over is the kitchen. No need to repaint the other rooms or dry clean our drapes. And our venetian blinds still look fresh and new. That's why so many owners say, "Install Electric Glassheat and take it easy."

**SAFE!** Electric Glassheat is absolutely fire-safe and can't overheat. No fumes to worry about, and even accidental contact can't cause blistering.

Electric Glassheat is as silent as sunshine and as pleasant, for there are no moving parts. Saves space too for the area usually used by radiators, furnaces and flues is yours for extra living space.

### SAVE MONEY ON HEAT!

People admit that Electric Glassheat is tops for comfortable heating. But some feel that it is so ideal it might be too expensive. This is not true—as you will see from these letters describing Glassheat's economy.

One writes, "We installed Glassheat for its greater comfort with the hope that it would be reasonably economical to operate. So we were not prepared for our very low annual heating bills. And since

we can now take advantage of the special low heating rate, we save money on our regular current too. And there are no maintenance charges. It all adds up to better heat for less money.

"Though we added two extra rooms" says another owner, "my heating bill is only \$175. A pleasant surprise and we have never been so comfortable."

That's the Electric Glassheat story. People install it because of its many advantages—then are delighted to find it is an economy as well.

### WHY PAY MORE FOR LESS?

Does Electric Glassheat sound luxurious? It is in every respect but cost. If you would like to know what Electric Glassheat will do for the health, comfort and welfare of your family—and how little it will cost, send the coupon, or phone.

# WEDDINGS AND ENGAGEMENTS IN THE SOCIAL SPOTLIGHT

## Marie DeMeo, Dennis M. Newsome Wed Sunday In St. Peter's Church

MRS. DENNIS NEWSOME  
Former Miss Marie Ann DeMeo

St. Peter's Church, Belleville was the setting Sunday for the wedding of Miss Marie Ann DeMeo, daughter of Mr. and Mrs. Nicholas DeMeo of 39 Parkside Drive to Dennis Michael Newsome, son of Mr. and Mrs. Philip A. Newsome of 18 Ogden Road, Belleville.

The Rev. James F. Haevey performed the late afternoon ceremony which was followed by a reception at the Club Diana, Union.

The bride was escorted by her father and attended by her cousin, Miss Grace Picchirrallo as maid of honor. Bridesmaids included her cousins, the Misses Jean Bauosa and Lorraine Salerno and Mrs. Vincent Palmieri.

Stephen Newsome was his brother's best man. Ushers were another brother, Patrick Newsome, William Schweisguth and Mr. Palmieri.

Mr. and Mrs. Newsome are both graduates of Belleville High School. The bride is a teller in Peoples National Bank and Trust Company, Belleville. The groom is co-owner of the Main Street Atlantic Servicenter, Madison.

The couple will live in Belleville after honeymooning in Bermuda.

Mr. Newsome's father is employed by the Town of Belleville.

### Bloomfield ORT Hosts July Tea

Bloomfield Chapter of Women's American ORT (Organization for Rehabilitation Through Training) held a membership tea, July 17 at the home of Mrs. Sidney Berk, Bloomfield.

Mrs. Edwin Rubenstein, immediate past president of Bloomfield chapter, now serving as maintenance of ORT North Central Jersey Region, explained the ORT program and philosophy as it operates on its national and regional levels.

Mrs. Rubenstein said that in order to achieve its goals, ORT has gone into all parts of the world setting up a network of vocational training schools wherever education can rehabilitate the underprivileged and raise the economic and cultural level of families and communities. ORT's largest non-governmental, non-profit vocational training agency in the world and its activities are dedicated to helping man to help himself in order to eliminate the need for charity.

Mrs. Bernard Zweben, chapter president, outlined the plans and program of the Bloomfield chapter in support of ORT.

Arrangements for this tea were made by Mrs. Sheldon Altwarz, vice president in charge of membership, and Mrs. Barry Sulkes of Nutley. Further membership information may be obtained by writing or calling Mrs. Altwarz.

The Bloomfield chapter serves the Bloomfield, Glen Ridge, Montclair, Belleville and Nutley areas.

Friendships are not the result of a rushing acquaintance.

Miss Judith Mary Oliverie, daughter of Mr. and Mrs. Rocco Oliverie of 30 Sanford Avenue and Lewis John Bivona, son of Mr. and Mrs. Pasquale Bivona of 431 Franklin Avenue were married June 29 in St. Anthony's Church, Belleville.

The Rev. Anthony Manocchio celebrated the Nuptial Mass. A reception was held at Friar Tuck Inn, Cedar Grove.

Escorted by her father, the bride wore a gown of Chantilly lace over peau de soie with pearl and sequin trim and fashioned with bell sleeves, square neck and wateau train.

A matching headpiece held her shoulder length illusion veil and she carried a bouquet of roses and gladiolus.

Mrs. Edward Hesse of Nutley was her sister's matron of honor. Bridesmaids included the groom's cousins, Miss Josephine Bivona of Belleville and Miss Chris D'Urso of West Orange, and Miss Joann Zena, Miss Regina Ferrara and Marilyn Powers of Belleville and Mrs. Mary Ann Paul of Newark. Junior bridesmaid was the bride's cousin, Miss Debbie Iverson of Kearny. Flower girl was another cousin, Audrey McGuire of Lake Hopatcong.

They were in baby blue chiffon gowns trimmed with maribou feathers. Headpieces were maribou pom-poms and they carried blue carnations.

Daniel Bivona of Belleville was his brother's best man. Ushering were Mr. Hesse, David Ebert of Iselin, Jack Crane of West Orange, Pat Powers of Belleville and John Faliyano and Dominick Paul of Newark. The groom's cousin, Joseph D'Urso of West Orange was junior usher. The bride's cousins, Joseph Politano of Edison was ring bearer.

Mrs. Oliverie was attired in a shocking pink sheath trim, med in silver and silver accessories. The groom's mother chose a gold chiffon gown with satin train and matching accessories. Corsages were white orchids.

Mrs. Bivona, a graduate of Belleville High School, is a bookkeeper for Pat Engraving and Engineering Company, Newark.

Mr. Bivona, an alumnus of Belleville High School also, is with Capital Sheet Metal Company, Caldwell.

The couple have made their home in Belleville following a honeymoon in Puerto Rico.

## Jeaninne Roselli, Dennis Albanese Are Married In St. Mary's Church

MRS. DENNIS ALBANESE  
Former Miss Jeaninne Roselli

Wedding vows were exchanged Saturday in St. Mary's Church by Miss Jeaninne Roselli, daughter of Mr. and Mrs. Anthony Roselli Sr. of 97 St. Mary's Place and Dennis Albanese, son of Mr. and Mrs. Attilio Albanese of 688 Bloomfield Avenue.

The Rev. Gerard Walsh performed the afternoon ceremony which was followed by a reception at Wayne Manor, Wayne.

Escorted by her father, the bride was attired in a silk organza gown appliqued with Alencon lace and seed pearls. A detachable train fell from the shoulders. Her headpiece of silk organza, petals and crystals held a three tier shoulder length veil and she carried a single white rose.

Mrs. Barbara Roselli of Nutley was matron of honor for her sister-in-law. Bridesmaids included Mrs. Fran Albanese of Nutley, cousin of the groom, Miss Kathy Fornoratto of Belleville, cousin of the bride, Mrs. Joan Pascale of Clifton and Miss Mary Ann Renga of Belleville.

They wore aqua chiffon A-line gowns with beaded necklines and matching accessories. The matron of honor carried a cascade of yellow roses with a center of aqua carnations and the others had yellow roses and yellow carnations.

## Vows Exchanged In Holy Family By Rae Rosanio, T. A. Spezzaferro

MRS. THOMAS A. SPEZZAFERRO Former Miss Rae Rosanio

The wedding of Miss Rae Marie Rosanio, daughter of Mr. and Mrs. Thomas N. Rosanio of 26 Continental Avenue, Belleville, to Thomas A. Spezzaferro, son of Mr. and Mrs. Thomas C. Spezzaferro of 23 Harvard Place, Belleville, took place Saturday at Holy Family Church, Nutley.

The Rev. Michael A. Saltarelli performed the ceremony. A reception was held at The Camelot, Wayne.

The bride, escorted by her father, wore a silk organza gown applique with lace on the sleeves, bodice and train. A matching headpiece held her full length veil.

Miss Janis L. Rosanio of Belleville was her sister's honor attendant. Bridesmaids included the groom's sister, Miss Sharon Spezzaferro of Belleville, Miss Joyce Datoli and Miss Nancy DeLuca of Belleville and the bride's cousins, Miss Cheryl Ann Sisto and Miss Barbara Johnson of Nutley.

The attendants gowns were of silk organza over crepe in rainbow colors of yellow, pink, blue, green, apricot and orchid. Matching bows trimmed with pearls held long veils and they carried bouquets of carnations.

James Serritella of Belleville served as best man. Ushering were the bride's brother, Thomas V. Rosanio of Belleville, Gary Masciulli of Bloomfield, Steven Cerca of Nutley and Philip Rinaldi and Frank Grigerelli of Belleville.

Mrs. Rosanio chose a Nile green silk gown trimmed with silver and seed pearls while the groom's mother was in a two piece shrimp silk gown. Corsages were white orchids.

Mrs. Spezzaferro, a graduate of Belleville High School and Master's Beauty School, Passaic, is with Mediterranean Coiffures, Bloomfield.

Mr. Spezzaferro, also a Belleville High School graduate, is with Northeast Automotive Company, Belleville.

After a honeymoon in the Poconos, the couple will live in Bloomfield.

## Ceremony In Holy Family Unites Miss Siciliano, Mr. Januszewski

Vows were exchanged June 9 in Holy Family Church by Miss Marlene C. Siciliano, daughter of Mr. and Mrs. A. Siciliano of 138 Margaret Avenue, Nutley and Stephen Januszewski, son of Mr. and Mrs. E. Januszewski of 182 Floyd Street, Belleville.

The ceremony, performed by the Rev. Carroll, was followed by a reception at The North Pole, Lodi.

The bride, escorted by her father, wore a silk organza gown applique with lace, seed pearls and crystals and fashioned with a scoop neckline, bell sleeves and cathedral train attached at the shoulders and bordered with scalloped lace.

A cluster of lace flowers trimmed with seed pearls and crystals held her bouffant veil and she carried a bouquet of eucharist lilies and white orchids.

Honor attendants were the bride's sister, Miss Gale Siciliano and her sister-in-law, Mrs. Patricia Siciliano. Bridesmaids included the groom's sister, Miss Doreen Januszewski of San Francisco, California, Miss Patricia Pancaro of Nutley, Miss Heather Manning of Newark and Miss Carole Deutsch of Clifton.

The attendants were in yellow chiffon gowns with green daisy bodices and bell shaped sleeves. Headpieces were crowns of green daisies edged in seed pearls and attached to shoulder length veils. The honor attendants carried bouquets of green daisies, roses and carnations and the bridesmaids carried the same flowers in yellow.

Richard Buraus of Nutley served as best man. Ushering were the bride's brothers, Gerald Siciliano of Nutley and Michael Siciliano of Belleville, the groom's cousins, Michael Hanley of Newark and Gregory Skinner of Livingston and Thomas Kenny of Bloomfield.

Mrs. Siciliano chose a light pink silk and worsted dress with crystal beading and matching accessories. The groom's mother was in a

READY, WILLING AND ABLE—Nutley Medical Center, Livingston. Rescue Squad arrives at Saint Barnabas

## First Aid Squad Participates In Simulated Rescue Operations

At 9:15 a.m. Saturday, July 13, a simulated explosion took place in the administration building of the Caldwell College for Women on Bloomfield and Ryerson Avenues, in Caldwell, New Jersey.

When local police and fire departments arrived, 30 casualties were found in the building and spread out over the front lawn. The casualties were administered emergency treatment. The police contacted the West Essex Rescue Squad who mobilized the local rescue squads on a disaster call basis. Rescue squads from 10 adjacent communities responded including: Bloomfield, Boonton, Cedar Grove, Chatham, Hanover, Livingston, Montville, Nutley, Rockaway Neck, and Verona.

Emergency First Aid and treatment took place at the scene. One supposed carbon monoxide victim requiring hyperbaric medicine treatment and another serious burn case were transported by State Police ambulance helicopter, donated by Fairchild Hiller, to the heliport at Saint Barnabas Medical Center in Livingston, New Jersey. Prior to the emergency alert of the explosion, the helicopters were cruising Route No. 46 on routine traffic patrol. They were again called to the scene of the explosion for transportation of other patients, and made the round trip in 9 minutes.

### Penn-Central Operations Set for Public Hearing

The state Commuter Operating Agency today launched an in-depth investigation of Penn Central passenger operations in an effort to find ways to improve service for commuters.

The investigation, based on information received by the agency and also in response to complaints from riders about inadequate service, will include two public hearings at times and locations convenient for commuters and an additional hearing for railroad witnesses.

The public hearings were scheduled for August 14, in the New Brunswick area and August 21, in the Red Bank-Eatontown area. The railroad witnesses will be heard beginning at 10 a.m. in Trenton. Specific locations and times for the public hearings will be announced shortly.

A report and recommendations will be made by the COA after the hearings close.

By means of a new two-way communication system, rescue squads, State Police, helicopters and Saint Barnabas were apprised of the disaster. It was determined that Saint Barnabas Medical Center could best handle the entire number of disaster patients because of its proximity to the disaster scene, its heliport, and its hyperbaric medicine facility for treatment of burn and carbon monoxide

### Tied With Orioles

## Colonels Drop Three; Inglis Tops Soverels

The slumping Nutley Colonels, fighting to remain the first division team in the four games played last week. The Nutley club, now tied with the South Orange Orioles for fourth place, in the Essex County League, lost two of the three games via the home run ball. The third loss came in Sunday's doubleheader with league leading East Orange. The Soverels salvaged the second game 2-1 after Kenny Inglis had won the opener with a fine four-hit, no-strikeout performance, 1-0.

In losing to the two South Orange Clubs it was the "Home Run" that spelled defeat for Colonel hurlers Jack Rake, now 5-5, and Al Paterno 1-2. Both games were 4-2 losses for the Nutley combine. Bob Courter's two run blast won Saturday's encounter, while Howie Ruppert's two runner spelled defeat for the Nutley club on Monday night.

The lone victory for the Colonels in their last seven games came on the pitching of Inglis and a "gift" run. With the game scoreless in the sixth, Rick San Filippo, singled to left and Joe Pede singled to right center. Fred Alworth

grounded into what seemed like a sure double play, but the Soverel second baseman threw the ball away, allowing Pede, who had moved up on a force out, to score the lone run of the game.

Inglis has now hurled 26 innings without giving up an

earned run to run his record to 5-2. Ken has nine complete games in his ten starts, and has been averaging 10 strikeouts a game.

The pitching over the weekend was commendable, but you can't win without any runs.

INJURED — Colonel Tim Keeley's bat will be missed by Coach Jack Speary. He was lost to the club over the weekend.

### Braves Champs

The Braves have won the 1968 Recreation Intermediate Baseball League, finishing with a 14-1 final standing.

Close behind the Braves were the Cubs who were in contention for first place right up to the last game of the season. They finished with a 13-2 record and were the only team to defeat the champions. Third place was won by the Giants who stood 10-5.

In the consolation playoff the Cubs went against the fifth place Pirates and the Giants met the fourth place Yankees. Both games were hard fought with close scores and saw the Cubs and Yankees advance to the finals.

On July 27 the finalists met at the Stadium. Both teams were fielding well and the pitching was excellent. However, the Cubs poked in the runs needed while the Yankees just couldn't drive in a run. So the Yankees, after upsetting the Giants in the semi, bowed to the Cubs.

### Tight Races In Recreation Softball Loops

Fahmie Motors defeated Rosellis in the Belleville Recreation Department Monday night Slo-Ball Softball League to retain the League lead with an 11-3 record. Fahmies has one game remaining against the fifth place Hilltoppers. Frenchies Bar & Grill set back Stashes in the Belleville Political and Social Club still tied for 1st place. Both Clubs boast 9-3 season records. Rosellis set back the BPSC, 9 to 3 and Robsons dropped Frenchies, 7 to 4 last Tuesday night. Rosellis and Robsons are 7-5 for the season and have an outside chance of making the Championship Play-offs.

The Tuesday Night League has Frenchies B' team and the Belleville Political and Social Club still tied for 1st place. Both Clubs boast 9-3 season records. Rosellis set back the BPSC, 9 to 3 and Robsons dropped Frenchies, 7 to 4 last Tuesday night. Rosellis and Robsons are 7-5 for the season and have an outside chance of making the Championship Play-offs.

## Sports of The Times

By RICHARD DeSINA

That was a pretty good season Ron Hansen had last week: an unassisted triple play and a grand slam homer. The Pirates also pulled off a triple killing. The amazing thing is how did all those men get on base.

Hansen must be wondering what he did wrong. After his accomplishments, the Senators traded him (via waivers) back to his old team, the White Sox. Not only that, but they got back the man they traded him for, Tim Cullen. Maybe they wanted to deal him while his market value was high.

Gypsy Joe Harris fights Emile Griffith this week. Both are good fighters, but Gypsy's ring antics should make him the cynosure, if his shaved head doesn't. He's a mini Muhammad Ali as a showman.

I wonder how much Tommy Davis will be fined for his comments on American League umpiring.

Question: Who scored the touchdown that beat Oklahoma 7-0, and ended the Sooners 47-game winning streak?

Leave it to Charley Finley. He now has a train bell in center field that rings loudly for A's homers, and not as loud for extra base hits. Bring back the sheep.

Ho-hum, Packers 34, All-Stars 17. Greg Landry looks like a good prospect.

Dick Lynch, ex New York Giant cornerback stopped the Sooners for Notre Dame.

Denny McLain has a real shot at 30 wins. He needs eight and has two months to get them.

Reggie Smith made a great catch last week. He "leaped over the fence at my waist" and, reaching four feet into the Boston bullpen, saved a home run. Most fans rate Willie Mays' grab of Vic Wertz' drive in the 1954 Series as the greatest catch ever. Then there was little Al Gionfriddo robbing Joe DiMaggio of a homer; Al Kaline's game ending twisting catch against the Yankees, that broke his collarbone and ended his best season.

With the year Ken Harrelson's having, if the Red Sox had Tony Conigliaro and Jim Lonborg for the full year, they would be going for their second straight impossible dream; the Cardinals abruptly turned the first one into a nightmare.

Sports Illustrated reports this week on a Harlem summer basketball loop for pros. It's a pretty tough league. A team comprised of Willis Reed, Emmette Bryant, Howard Komives, Nate Bowman, Neil Johnson and Fred Crawford, lost to the Urban League 83-71.

Sherman Plunkett of the Jets is having weight problems. He better not try Metrecal to ease off the pounds. Rosey Grier, who just retired, tried it once. He liked it so much, he drank the stuff about twelve times a day.

Dominick Palamara, Jr., 14, of 34 Ligham Street, Belleville made a hole-in-one at the 14th hole (150 yd.) at Hendricks Field.

The lucky shot was executed while Palamara was playing with a foursome including his father, Dominick Palamara Sr., Paul Sellari, and Steve Chimielewski. All the men are mail carriers for the Nutley Post Office.

AND HERE'S THE PITCH — Al Paterno is about to deliver to the plate as Ray Cozzarelli disdains Ken Inglis' expectation of a pickoff move. Maybe Paterno should have thrown to first, instead of the plate, for Howie Ruppert slammed the pitch for a fourth inning homer that knotted the game at 2-2.

# Colonels Play Last Home Game At Oval Sunday Against Giants

The Nutley entrant in the Essex County League will be on display before the "home folks" this Sunday when they oppose the Livingston Giants on the Oval at 2:00 p.m. This will be the last home game for the Colonels presently fighting for a first division berth. The Nutley team, doormats of the league for the last couple of years, has played some interesting ball. With the football season fast approaching the Oval must be readied and after Sunday the Colonels will have to carry on their fight on the road.

The West Orange A.A. will be met in a road encounter tonight with Nutley ace Ken Inglis on the hill. West Orange will probably counter with Brian Sheekey, strong right-hander from Roselle Catholic. Sheekey, who has been an All-Stater the last two years, will be a real test for the weak hitting Colonels. With Inglis and Sheekey on the mound, runs will be at a premium.

On Sunday, in the Oval, Jack Rake will hurl for Nutley with Bob Dukiet from Boston College the probable starter for the Giants. Bob was an outstanding pitcher in Livingston until he decided to concentrate on basketball, but he has come around real well for the last place Giants in his last two starts. Rake will be looking to get back on the winning track after four losses in a row. Jack has been making that "one bad pitch" recently but is determined to get back on the winning track soon. (Sunday could be the day.)

The Colonel hitters have been having a rough time lately. Fred Alworth and Carmen Lemma both hitting .333 are the only Colonels over .300. The already weak batting order was hurt even more when Tim Keeley was injured over the weekend. Keeley had been hitting well lately although only batting .250 for the season. Nick Bowness, mired in a season long slump has finally started to hit and may supply some spark to the batting attack.

If your son's present school has not enabled him to achieve as you would like, might we suggest your investigation

What's a nice-looking car like you doing in a Volkswagen ad?

Nobody made a mistake. That shapely car is the new Volkswagen Fastback.

It's in this VW ad because it's a VW.

(We haven't made very many yet, so you probably haven't even seen one yet. That's why we're running this ad in the first place.)

The Fastback isn't a VW in name only; it's a Volkswagen through and through.

The engine is air-cooled so it has no use for water or antifreeze. And it's in the back to make the going easy when the weather isn't.

The Fastback is airtight, like all Volkswagens, because it's made in the same plant by the same people.

Naturally, there are differences, too.

The Fastback engine is a little more powerful (the car will cruise at better than 80). It holds 5 nicely. It has disc brakes in front. The upholstery is (for us) kind of jazzy.

If you've steered clear of a Volkswagen because it wasn't big enough or good-looking enough or expensive enough, you may be forced into thinking it all through again.

Sorry.

## Vermey Given Tiger Senior Book Prize

Geerat J. Vermey, 1A Lovell Court, has been chosen by Princeton University to receive the Senior Book Prize in Biology for "overall excellence in departmental work." Vermey, son of Mr. and Mrs. John Vermey, graduated with highest honors in June and was elected to Phi Beta Kappa and Society of Sigma.

Vermey has been totally blind since childhood; he is known in Nutley for the remarkable brilliance and courage which enabled him to become Valedictorian of Nutley High School's Class of 1965. Upon his entrance into Princeton, he was given one year's advanced standing, receiving his degree in three years.

Vermey, who plans to attend Yale Graduate School, is presently in Hawaii on a research and study program consisting of twenty-five biology students and several professors.

Some people gossip several hours a day and others all the time.

## Hoffmann-La Roche Gives Wisconsin Two Grants

Two grants totaling \$9,000 from Hoffmann-La Roche Inc., Nutley, were among the \$4,915,805.82 in gifts and grants accepted by the University of Wisconsin Board of Regents at its Madison, Wis., meeting on June 14.

One of the grants, for \$8,000, is for support of research relating to enzymic oxidations and transformations of organic compounds during a one-year period beginning May 1, 1968.

The second grant, for \$1,000, is for the support of research

## Marietta Dean Lists Dennis M. Weber

Dennis M. Weber, 95 Stanley Avenue, has been named to the Marietta College Dean's List. Weber, a graduate of Nutley High School, is a senior majoring in economics. He is the son of Mr. and Mrs. C. M. Weber.

universities.

He is also a member of the undergraduate student government council, vice president of Alpha Sigma Phi fraternity and voted Outstanding Brother of the Year. He has been named to several local and national honor societies for leadership and scholarship.

He has just completed his junior year at Penn State, is a microbiology major and has presently attained the dean's list for scholarship. Eric plans to enter the field of medicine when he graduates from college.

## Four Seasons to Appear At Asbury Saturday

Four guys from New Jersey who call themselves The Four Seasons will exploit the summer excitement in this resort city by springing into the wintry coolness of Asbury Park's Convention Hall where thousands are expected to fall for their lyricism in two musical shows, 7:30 and 10 p.m. this Saturday.

The four — Bob Gaudio, Frankie Valli of Nutley, Tommy De Vito, and former Thomas Jefferson H.S. glee club singer Joe Long from Elizabeth — will intone their trademarks in the twin bill at the shore showcase, including "Rag Doll," "Sherry," "Ronnie," "Let's Hang On" and amplified instrumentation, have soared high on the nation's music charts. Their claim is 47,000,000 records sold over the last four seasons.

## Local Collegians Urged To Aid Blood Shortage

The Nutley Chapter of the American Red Cross is hoping to interest young college students over 18 in a program to help alleviate the critical blood shortage in Essex County.

A young person between the ages of 18 and 21 must have the written consent of his parents or guardian in order to donate. Minor Release Forms are available at the Red Cross building, 169 Chestnut St. or from the Blood Bank Chairman, Mrs. T. R. Lester, 667-7144. The Chapter

will be happy to mail Minor Release Forms to anyone requesting them.

Reaching out to the young and attempting to interest them in accumulating blood credits is a new endeavor for the chapter. The credits accumulated would be available for use by any member of the family. Special blood bank days have been set aside during the month of August, notably Tuesday, August 13 and Thursday, August 15 from 3:30 to 6:30 p.m. at the Essex County Blood Bank, 45 S. Grove St., East Orange. Simply call

for an appointment, either at the local chapter, 667-3818 or the blood bank, 676-4700.

**Kidde Names V. Castucci, 74; Robert Bogle; New Agent Erie Employee Armour Packer For Japan**

The appointment of Tetsuo Yoshida, president of Fenwal Controls of Japan, Ltd., as corporate representative in Japan for Walter Kidde & Company, Inc. has been announced by Kidde in Belleville.

Based on Tokyo, Fenwal Controls of Japan is an affiliate of Fenwal, Inc. Ashland, Massachusetts, a division of Kidde.

Yoshida formerly was a director of Japan Electric Heater Company, and prior to that an inspector and purchasing engineer for the U. S. Army Corps of Engineers in Japan. He is a 1957 graduate of Northwestern University with a bachelor's degree in business management.

Kidde produces safety, security and protection equipment; industrial and technological equipment, and commercial and consumer products. The company has pending an agreement for the acquisition of United States Lines Company, U. S. Lines will be Kidde's entry into the transportation systems field.

Vicenzo Castucci of 56 Heckel Street, Belleville, died August 1 at Mountinside Hospital. He was 74.

Born in Italy, Castucci came to this country and Montclair in 1921. He lived 45 years in Belleville. Until his retirement in 1963, he worked for the Erie - Lackawanna Railroad in Bloomfield. He was a member of the Aquolonia Club of St. Vito.

He leaves his wife, Mrs. Filomena De Vito Castucci; a son, Thomas of Spotswood; a daughter, Mrs. Rose Carpino of Belleville, and four grandchildren.

A Requiem High Mass was offered on Monday at St. Anthony's Church, Belleville. Interment followed at Holy Cross Cemetery.

Robert E. Bogle of 225 Hancock Avenue, Nutley, died on July 31 in the Newark Eye and Ear Hospital. He was 60.

Born in Newark, Bogle lived there before moving to Nutley several months ago. He was employed for the last 40 years in the packing department of the Armour Company. He was the past president of the Ancient Order of Hibernians, Division 7. He was also a veteran of World War II.

**Glassboro Summit Host Joins Staff at Rider**

Dr. Thomas E. Robinson, who hosted the famous 1967 Glassboro, summit meetings of President Lyndon B. Johnson and Soviet Premier Alexei Kosygin, will join the faculty at Rider College in September.

The appointment of Dr. Robinson as chairman of the Department of Secondary Education in the Rider School of Education was announced by Dr. Franklin F. Moore, Rider president.

The flavor of New York and the conviviality of New Jersey — a super-size stage, the capacity for hundreds, and a tradition of giving the best floor shows on weekends . . . all these are characteristic of **THE GARDEN HOUSE**, one of the county's most prominent clubs, located on River Road and Stuyvesant Avenue, Lyndhurst. Open from Thursday through Sunday, the Garden House features Broadway shows, top local groups, large floor shows, and plenty of go-go. Don't miss it!

## Robert Zanfini Acting In Summer Theatre

Robert Zanfini, son of Mr. Salter Place, Belleville, has been cast in one of the lead

roles in Neil Simon's smash hit, "Barefoot in the Park." Bobby will play Victor Velasco, the rather eccentric upstairs neighbor of the Bratters, a newly-wed couple with a few newly-wed problems. Velasco ends up as the romantic interest for Mrs. Bratter's mother, Ethel, a middle-aged woman with a spirit equal to that of any twenty-year-old. In this production, Bob will be starting with other members of the Coldwater, Michigan, Tibbits Summer

ROBERT ZANFINI

Theatre's resident professional company, Miss Patti Murphy, Mrs. Sally Carrico, and Mr. Jeffery K. Neill.

Bobby adds the role of Velasco to his other credits for the season, which include Fra Alack in Rodgers and Hammerstein's "The King and I," and Bermudas, a sidewalk merchant of society's undercurrent — but nevertheless a hero — in a Tibbits adaptation of the melodrama "Under the Gaslight." He will also be featured in the season's two remaining productions, Gilbert and Sullivan's "H.M.S. Pinafore," and the musical fable of Broadway, "Guys and Dolls."

### Deposits Ahead Of Last Year's At The Howard

John W. Kress, President of The Howard Savings Institution, reported Bank deposits of \$792,137,433, as of June 30th; up \$61,330,412, or 8.4 per cent from the \$730,807,021, reported the year before.

Assets rose to \$863,112,637, which represents a 8.0 per cent increase over the \$799,066,440, reported as of June 30, 1967, Kress added.

At mid-year, the Bank's mortgage portfolio, which was invested entirely in New Jersey properties, reached 41,146 for \$589,210,471.

The Bank paid out dividends of \$17,822,142.48 for the first two quarters of 1968. It has been estimated that the third quarterly dividend that will be credited to depositors on September 1st will be in excess of \$9,250,000.

In addition to the \$15,000 Federal Deposit Insurance Corporation insurance coverage on depositors' savings, the Bank maintained a satisfactory Surplus and Reserve position with a \$58,939,574, fund, reported Kress.

## Sherman Prepares For Eagles

New York Giants coach Alie Sherman is pushing hard on his squad of 74 players at the Fairfield, Connecticut training camp, following settlement of the players' strike.

"We open against Green Bay on August 10th," said Sherman. "This is the latest training camp start in my eight years as coach of the Giants," he continued.

Soon after the Packers' game will follow the seventh annual tilt against the Philadelphia Eagles at Princeton on September 7th, sponsored by the New Jersey Jaycees.

Joe Kuharichis also priming his squad for that event. The series is now tied up at three games apiece, and the Eagles are out to punish the Giants before 44,000 fans at Palmer Stadium.

**WAYNE SAVES AMERICA AGAIN**—John Wayne stars as a Special Forces colonel in "The Green Beret," a Warner Bros. Seven Arts production, now showing at the Franklin Theater. Wayne co-directed the technicolor-Panavision film.

## Playground News

# Picnics, Pizzas, And Softballs Highlight Park Department Week

By ROBERT COOK

Another week of the summer recreation program has gone by. We had a picnic at the Recreation House playground this week; everyone brought their lunch in special decorated boxes. The winner of the contest was Steven and Bernadette Dempsey; they decorated their lunch boxes as shirts. Bernadette's blouse was pale blue with white lace; Steven's shirt was decorated with buttons and a tie. The lunches were just delicious: ham sandwiches, potato chips, cup cakes & soda were the food specialties.

On Wednesday many of us spent the morning at the Friendly House. Next week the House will be open all day with both swimming and picnicking. Thursday we had a ping pong tournament. The players were Richard, Robert and Rocco and Robert just couldn't be defeated. In the handicraft department this week we made beautiful candlestick holders. They were first painted and then decorated with tiles & glitter. Creative Billy Naisen, Bill Gagnon, Vicki Martin certainly excelled: their holders will be on display. The paper flowers were also done this week. Floral prints and wild patterns added to the beauty of the flowers.

### Stuffed Animals

This week at No. 2 Playground the children had an enjoyable time judging their stuffed animal contest. The winners were: for the biggest—Patty Riepe, the smallest—Frank Danielli, the ugliest—Joellen Lukowiak, the cutest—Roseann Fornarotto. We had two nok hockey tournaments this week with the final winner Jimmy Lukowiak. The girls on the playground had fun playing jump rope and a dance show, which caught the curiosity of the boys. August 6 started the handicraft exhibit at Belleville Public Library and the children have been busy creating for the show.

Handicrafts were very popular this week at the Stadium. The wallets that the kids made turned out to look like professional jobs. Very well done—Eileen & Margaret Coughlin, Gail Schreiber & Barbara Aulis. On Tuesday, our boy's softball team got ready to play a game against Fairway Playground. With their crazy hats they went to Fairway. It was a close game between the two playgrounds. A nice way to end the week was with a party. We had S'mores and lemonade. Even though everyone got a little goosy—including Directors Laura & Jane—we all had fun and look forward to another party next week.

The Stadium was a good place to hold a Scavenger hunt. Because of the large area things were hidden all over the place. The winners were Joan Napolitano, Flora Aulis & Lisa Aulis. We ended Friday afternoon by saying good-bye to the Aulis children—six of them. They are going on vacation to the shore for a month. We'll try to get along without them next week!

### Softball Results

Fairway playground enjoyed a variety of activities throughout the week. We played some exciting games of Kickball, Softball and touch Football. Other games included kalah, nok hockey, basketball, storytime, hand tennis & songtime. On Tuesday our Junior softball league beat the Stadium 12-11. This was their first win and we were so happy

and excited that the team was treated to Lemon Ice at Jackie's. Congratulations Boys! We made some very interesting paper bag masks on Wednesday and beautiful flowers on Friday with the help of Joy. On Thursday we had a "Graph Coloring in Squares Contest". The winners were Perry Nolte with "Edna Eagle", Tommy Smith with "Gigantic Flight", Garry Rocco with "Robot Pencil Sharpener," Michele Gierla with "A Square Circle" and Mark Castro with "Mr. Tulip Head." We are saving all the entries for the Library Exhibit," they were all very creative & interesting. The culminating event of the week was our Ice Cream Party. Forty-eight children enjoyed Lollapaloozas and Flying Saucers from Carvel. We have started organizing our Muscular Dystrophy Carnival so please mark August 9 on your calendar as a day at Fairway playground!

### Paper Mache

Another week at No. 1 Playground has come to a happy and exciting close. Both our softball teams posted victories. The Junior team won their game with the Recreation House via forfeit. Too bad we can't win all our games this way! Their record for the season is 2-2. Our Senior team won their first game last Thursday by defeating first place No. 9 by a score of 9-6. Doug Brown, John Goscinski, Ken Carlson & Charles Smith did a fine job.

Last week we started our paper mache project. Even though it seemed that more of the paste was on us instead of our "Creation" we still had lots of fun. Jerome Webster was our chief designer and Wendy Thomas was his assistant. Nok Hockey continues to be everyone's favorite but close seconds are football and stick ball. The younger set particularly enjoy playing Duck Duck Goose—I Spy a Color, Red Light, Simon Says, and Mama Mama. We had a "Funny Hat Contest" last Thursday afternoon; after spending most of the afternoon decorating the hats, we had the judging. There were six winners, although all of the hats were extremely well done. Marie Mallon, Mark and John Faickney, Bradley Williams, Wendy Thomas & Barry Deleny were treated to prizes of popcorn and cheese doodles. For our special event, we had a scavenger hunt Friday afternoon. The children spent about an hour looking for a variety of odds and ends. Including a bug, a feather, and a picture of a baby. Marie Mallon and Chuckey Wells were the only two who found everything on the list. Needless to say everyone had a great time during "the hunt".

### Hockey Champ

Another busy week has come to a close at Msgr. Kelly Playground. Nok Hockey seems to be the most popular game on the playground. Every day we have a new cham-

pion. Some of them are Paul Haverick, John Cavanagh, Jim Briody, Pat Smythe, Ronnie & Dennis Burger and Leo & Mike Alberts. The girl's champion is Debbie Bell with Janice Stewart coming in as a close second. Every afternoon this week you would see a group of us sitting under the old apple tree working on pot holders, bracelets, necklaces & wallets. We are also getting ready for the handicraft exhibit at the library.

On Friday afternoon we had a watermelon party. The watermelon was donated by Leo, Mike & Steven Alberts and Debbie Bell. I am sure that everyone was very grateful. After the party we had a Pit Contest to see who could pick up the most pits. The winners were Carol Ann Mainwood, John Portuese and Richard Wilks. Carol Ann also won our Bubble Gum Blowing Contest when she blew the biggest bubble. Gary Hinto blew the smallest and the messiest bubbles. After our contests the bigger boys played a lively game of soccer.

This week No. 9 Playground was filled with various games such as kalah, nok hockey, kickball, soccer, ping pong and others. We were busy working on the art exhibit; straw sculptures were made by Lisa Hayes and Cheryl Record. Tissue flowers were made by Lisa Record & Mary Ann Jiosi and wire flowers by Lisa Hayes. Al this week we engaged in many sports. Besides baseball we played soccer, kickball, football, basketball and Home Run Derby. Speaking of sports, No. 9 softball team suffered their first defeat against No. 1 on Thursday. The week ended with a Model & Doll Show and a candy party. The winners in our Show were Maria Calla, Darleest Marzano, Mary Ann Jiosi and Mike & Anthony Calla.

### Pizza Party

There was a great turn out for No. 4 Playground's Pizza Party. Everybody enjoyed "Reds" great pizza and drinks. Donna Cagorie and Virginia led the party in songs. The biggest question of the party was, when is the next one? Our next party consists of lemon ice and watermelon, on Aug. 4. Our softball team made a fine showing in a losing cause. It took No. 8 13 innings to defeat our team by the score of 5-4. A few of the players who played well are: Paul Iannia, Ken Stein, Bruce & Jay Poly, Lonzo Harpo, Sam LaConte, Zaccone & Dante. The team held a meeting and elected Ken Stein as their Captain. They felt he has done a fine job in the field and at bat and deserves to be their captain. Danny has come up with a sore arm and will be out of action for at least a week. Cyote is hitless for his last 18 at bats. Ken Cifodelas' pitching has improved 100 percent. Pop Fisher has instructed Phil in the art of hitting.
