

DIG IN—Mayor Kenneth Smith looks on approvingly as Mrs. Viola Vernick, Executive Director breaks ground for \$140,000 addition to the Cerebral Palsy School and Treatment Center in Belleville. Assisting are, left to right: Dr. Charles

I. Nadel, Medical Director, Fred Siman, Building Consultant, Joseph Victorine, Board President and Craig Haaren, Architect.

Cerebral Palsy Center Addition Scheduled To Open In Late Fall

The Sanford Avenue Cerebral Palsy Center, which was established in 1946 by a group of parents seeking assistance for their children, has grown from a one room, three day a week program, to the present twenty room building opened in 1956.

At the present time five Board of Education classes

and five Center Classes provide a daily program for 104 cerebral - palsied children from Essex County and West Hudson. Another 193 attend school in their own community and receive the required services on an out - patient schedule.

A comprehensive health program provides profes-

sional medical, dental and eye care. Dental problems are treated at a twice weekly clinic staffed by three specially trained dentists. An ophthalmologist handles visual defects in a weekly clinic.

Children enrolled in the daily program receive physical, speech and occupational therapy, with a minimum of

time lost from their classes.

Psychological testing, patient and parent counseling are an integral part of the program.

Recreation includes Girl and Boy Scouting, Teen-age and Young Adult Canteen.

The one level eight room addition will be ready for occupancy in the late Fall.

Chief Smith's Dinner Ducats Still Available

Great enthusiasm has been shown by the many friends of Police Chief Donald Smith who will honor him at a Testimonial Dinner which is to be held at the Fountain, 46 Watsessing Avenue, Belleville, on Friday evening, September 27.

Michael Pariso, Chairman of the dinner-dance committee has announced that reservations are coming in fast. Tickets for the dinner-dance are \$12.50 per person. Chairman Pariso has suggested that

anyone who would like to honor Chief Smith can obtain reservations from any of the committeemen who are: Belleville Commissioners Mary V. Senatore, Joseph McGreevy, Vincent Strumolo, William Cullen; former Essex County Assemblyman Joseph Biancardi, Ken Place, Joseph Donnelly, Marion Malcolm, Michael Marotti, Nicholas Berrigan, Nicholas Amato, Harold C. Widman, Edward Mead and Joseph Tortorello.

Causes Explained

Newark Officials Report On Discolored Water

As a result of the many complaints on the discoloration of water in the Town of Belleville, Commissioner Mary V. Senatore, Director of Public Works, sent telegrams to the officials of the Newark Municipal Utilities Authority, requesting an emergency meeting.

A very fruitful meeting was held thereafter at the Belleville Reservoir resulting in a promise of a full report to the public.

The report was completed and forwarded to Commissioner Senatore by Dr. Charles H. Capen of Capen Rigo, consultants to the Newark Municipal Utilities Authority and reads as follows:

Report To Town Of Belleville On Water

INTRODUCTION

When the Belleville Reservoir was constructed in 1871 it followed logically that the Town of Belleville should receive water therefrom as a customer of the City of Newark which made the supply possible. Later (1892) the Pequannock source, and still later (1930) the Wanque source were both made available by Newark. As a result, the upper area of Belleville receives mostly Pequannock water, because of its higher pressure, while the lower area receives mostly Wanque water.

Recent disturbances have unfortunately caused water to be discolored. The matter has been studied and every effort is being made and will continue to be made to improve the quality of the water. The following report states the succession of events leading up to this condition and the steps that have been taken to remedy the situation as well as those being planned to prevent a recurrence.

CONTRIBUTING CAUSES

Although few people recognize the chief cause, the late and never lamented drought of 1961 to 1966 was the culprit. The result was twofold. It struck the Newark's Charlotteburg Reservoir just as it was being completed and the effects of having that storage basin remain less than full for a period of years was, to say the least, a serious set-back bordering on a catastrophe. With vegetation growing in areas that were dry but should have been covered with water, and with accumulations of organic discoloration therefrom, plus high inorganic concentrations of iron and manganese, the effect was a compounding of water difficulties that defied imagination.

During these drought periods there was a strict prohibition on the usual schedule of flushing of water mains. The value of such flushing is ordinarily far more important to a system with relatively old mains, as in the case of Belleville, than would be the case in a new system having pipe lines specifically

formed and treated to prevent accumulations of iron, rust and resultant substances that cause discoloration.

The floods in the end of May 1968 played another im-

portant role, not the least facet of which was to lull citizens into a sense of false security as to the limitless volumes of water that would be available. When a large

number of days of excessive heat followed, many areas threw caution to the winds. One potent factor in some localities was to indulge in wide-

Local Law Student Joins County Staff

Essex County Prosecutor Joseph P. Lordi has appointed Joseph A. Hayden Jr. to his legal staff as a law clerk. Hayden resides with his wife Donna at 581 Belleville Avenue, Belleville.

A member of the class of 1969 at Rutgers University School of Law, Hayden currently ranks second in a class of 140 students, and has served as a research assistant to Dean C. Willard Heckel of the

law school. He is presently the Notes and Comments Editor of the Rutgers Law Review and has been elected class representative to the Student Bar Association.

A brother of the Phi Delta Phi Legal Fraternity, Hayden has served as a member of the Law Day committee, the Law Review Re-Evaluation committee, and a Joint Student-Faculty committee for evaluation of student attendance.

Long Range Capital Budget Established

The Belleville Town Commission last week passed a resolution establishing an estimated six-year capital budget of \$2,427,400 starting in 1969. Of this amount, an estimated \$669,400 would be spent in 1969. The projection is a non-binding estimate only.

Included in next year's plans is \$315,500 for improvement and expansion of existing playground sites and the acquisition and improvement of new playground areas. Of this figure \$225,000 might be used for land acquisition of a playground for the Silver Lake area. Another \$50,000 might be allotted for acquisition of other playground sites.

Also included in the 1969 capital budget are \$170,400 for various street repairs, \$65,500 for water projects, \$65,

YANKEE TREAT—Over 50 boys and girls were treated to a doubleheader at Yankee Stadium August 27, by the Kiwanis Club. The children enjoyed soda during the bus ride; ice cream and peanuts while watching Yanks and Angels split. Kiwanis members in charge were Rocco Saletta, Lawrence Schwartz, and Seymour Grossman. Other adults assisting were Harry Del Plato, Carmine DiMeo and Thomas Reilly.

Clara Maass Has New Hospital Look

The complete roster of Belleville's Commissioners will be present today at the ribbon-cutting ceremony to celebrate Clara Maass Memorial Hospital's new face-lifting. The ribbon-cutting will take place at 11:30, marking the official opening of the completely new lobby, visitor control desk, entrance and elevator at the hospital. The ceremony will be followed by a luncheon.

Many innovations for the comfort and convenience of patients and their visitors have been incorporated into the new arrangements, a hospital spokesman said.

Library Party Due for Readers

Saturday, at 2 p.m. at the Belleville Public Library is set as the time and place of the big Graduation and Awards Party for all children who participated in the library's summer reading program.

There will be free refreshments and entertainment.

Diplomas will be given to those readers who completed their trip "Around the world with Snoopy and his Pals" by reading and reporting on fifteen books or more. Special prizes will be awarded the boy and girl in both the Kindergarten to third grade and fourth to sixth grade group who read and reported on the most books.

In addition, the winner of the library's annual award to the Belleville school whose students accomplished most during the summer long reading program will be announced. A handsome plaque, emblematic of this award, is inscribed each year with the name of the winning school.

Last year's winner, School #3.

Entertainment scheduled for the party will include movies, stories, and special performances of the Peanuts Play by the play-acting group and Singalongs led by the singing group.

Judge Revokes Man's License

George Scott of 5511th Avenue, Newark was fined \$35 and received a 60-day suspension of his driving privilege, from Judge Edward Abromson at the August 29 meeting of the Belleville Municipal Court.

Scott had been clocked going 74 mph in a 50 mph zone on Route 21. Judge Abromson reminded him that going that fast on Route 21 was a good way to get himself killed.

Pays \$50 For 6-Pack

A demand for 12 cans of beer ended up costing Robert Levereth of 40 Howard Street, Bloomfield, \$100.

Levereth had gone into the Zig Zag Tavern in Belleville, where Louis Calvano was working, and asked for the beer. Calvano, seeing that he was under the influence of intoxicating liquor, refused to serve him. Levereth then started using abusive language, and jumped over the bar. He was subdued and issued a summons.

Charges were heard at Thursday's Municipal Court and Judge Edward Abramson handed down the guilty verdict and the fine of \$100.

Car Inspection Proves Costly

Failing to inspect his car cost Julius DeRocco of 222 Garibaldi Avenue, Lodi, a total of \$15 at last Thursday's meeting of the Belleville Municipal Court. Judge Edward Abramson handed down the fine.

Harrison, who has 20 years of postal service, lives with his wife Geneva at 97 Hopper Street, Nutley. They have two children, Janice and Eric.

Vocation School Enrollment Open

The Essex County Vocational and Technical Schools have announced that students planning to enter high school courses should visit the schools on September 4 and 5. Enrollment is still open in many courses at any grade level from the ninth through the twelfth. Admission information may also be obtained prior to the registration dates by calling 642-7800, extension 343.

The Essex County Vocational and Technical High Schools located at University Place and Myrtle Avenue, Irvington, Sussex Avenue and First Street, Newark, and at 209 Franklin Street, Bloomfield, offer a basic ninth year ex-

Bloomfield Adult Class Enrollment

Four new courses have been added to the program of the Bloomfield Adult School for its fall semester: (1) The Library and YOU, which will be conducted in the Bloomfield Public Library; (2) Ice skating, another off-premise class, to be conducted at Essex Park, Montclair; (3) Insurance for the Layman; and (4) Basic Taxation.

The brochures describing the full program of courses were mailed this Tuesday. Anyone who wishes to register by mail may do so by filling out the attached registration form and returning it, along with the remittance for the course fees, as soon as possible. This procedure is recommended particularly for those courses which have limited enrollments. Registration can also be in person on the evenings of Monday, September 9, and Tuesday, September 10, 7:30 - 9:30 p.m., in the Bloomfield Senior High School Cafeteria (rear of building).

Classes will begin on Wednesday, September 18, and Thursday, September 19, and will meet continuously for a ten-week term.

During the past school year, 1967-1968, the Bloomfield Adult School provided courses, instructors and facilities for more than 1,500 people from Bloomfield and surrounding communities.

David Knoepfel, Director of the Bloomfield Adult School, reports: "The 1967-1968 school year enrollment was a 25 per cent increase over the previous years and the largest ever."

"Based on the N.J. State Bureau of Adult Education listings for Essex County (year ending June 1967)," Knoepfel continued, "our enrollment would place us second in the county in this our fourth year of operation."

"Our reputation for limiting class size, our well-qualified and capable instructors, our careful course selections, our improved publicity, our competitive prices...are undoubtedly responsible for the steadily increasing response to our offerings," Knoepfel asserted.

ploratory program and courses in auto mechanics, carpentry, electrical trades, machine shop, manufacturing, and mechanical drafting that begin in tenth year. Additional courses available at the Newark location for those entering at grade ten or above are cabinetmaking, commercial art, photography, food service, masonry, printing, and industrial laboratory techniques.

The Irvington School course offerings include training in auto body repair, automatic heating and air conditioning, heating and refrigeration, electronics, and sheet metal work. Those interested in aviation mechanic training or radio and television service should apply at the Bloomfield School.

The school at 300 North Thirteenth Street, Newark, in addition to the exploratory ninth year program has the following courses: beauty culture, business machines, technical secretary, dressmaking, food service, and commercial art.

The Essex County Vocational Board of Education provides these tuition free public high schools for any resident of the county interested in this type of education. The programs have been designed so that those enrolled learn technical, trade, or office skills while earning a high school diploma. Any student who has completed grade eight is eligible and may apply. Those who have completed grade nine may enter at the tenth year level and many courses have openings. Students may also enter at the eleventh or twelfth year level, but the completion of the shop and laboratory requirements, particularly for those who enter grade twelve, may cause such students to return for a period of time after their group has graduated.

According to the records of the guidance and placement department of the schools, about 90 per cent of the graduates of recent classes who entered employment obtained work in the occupations for which they were trained or in jobs directly related to their training. Those who decide to have skills developed along with earning a high school diploma at one of the Essex County Vocational and Technical High Schools can feel confident that they will be able to use their skills when graduated and enter employment.

While the obtaining of a job at the end of high school is the prime goal of most graduates and the fundamental reason for having organized the vocational and technical high school programs, a growing number of graduates do enter educational institutions above the high school level. This is sometimes the result of a need for further training for job improvement and in other instances brought about by a change of mind concerning attending institutions of higher learning.

Season To Begin For Club

The first meeting for the 1968-1969 season of Sisterhood of Congregation Ahavath Achim, Belleville, will be held Tuesday, September 10 at 8:30 p.m. Officers presiding are Mrs. David Schrier, president; Mrs. David Finkelstein and Mrs. Herman Wische, program and membership vice presidents respectively; Mrs. Seymour Fischer, treasurer; Mrs. Nathan Degensheim, Mrs. Benjamin Bellin, Mrs. Jack Feldman, financial, corresponding and recording secretaries respectively.

An entertaining musical skit entitled "How to Succeed in Sisterhood and Not Find It Trying" will be presented by officers and chaimen. A record turnout is anticipated. Refreshments will be served.

ENEMAS ARE NOT HARMFUL

According to Dr. Walter Alvarez, Emeritus Consultant to the Mayo Clinic, in his half century of a busy practice, he has never seen a person harmed by enemas. When taking an enema, put a tablespoon of salt into the bagful of water. This lessens any irritation.

Daily bowel movements are not essential to better health, except for people with a so-called mucous colitis. Some have a large bowel which is too sensitive for comfort, without a daily evacuation. We have a complete variety of enema bags and cans.

YOU OR YOUR DOCTOR CAN PHONE US when you need a delivery. We will deliver promptly without extra charge. A great many people rely on us for their health needs. We welcome requests for delivery service and charge accounts.

spread use of hydrants to discharge water either directly or through sprinklers. The resulting waste of water could not help inviting difficulties. This is not to say that Belleville contributed to these conditions, but the many areas that draw from the same watersheds as Belleville were unquestionably contributing factors in the final results.

SPECIFIC RESULTS

A few weeks ago one of the automatic valves on the Pequannock system responded to its function to open when pressures were low and caused a usual discoloration that can occur when the di-

rection of flow or change in rate of flow is created in those mains. The effects in several areas, not Belleville alone, were the subject of many difficulties.

Later the North Jersey District Water Supply Commission, which operates the Wanauque system for Newark and others, requested Newark to divert some Pequannock water into the Wanauque System because (A) there were threatened overdrafts on the Wanauque System; (B) the balancing reservoir on the Wanauque system was at times getting dangerously low and; (C) the Wanauque pumps had not yet been started. Most or all these problems would have been solved years ago if the District Commission had listened to advice to install a second balancing reservoir.

In the meantime, the lack of rainfall in June, July and August resulted in a rapid draw-down of Charlotteburg Reservoir with some unprecedented changes in the character of water in that Reservoir. Color, iron and manganese increased to an unusual degree although the bacterial quality was not questionable. A more complete description of these results has been prepared in a separate report.

PRESENT PROCEDURES

Because of increased flows that always accompany hot weather conditions that have been unusually severe this summer, Belleville has wisely discontinued flushing of mains which was overdue. This change has been helpful, but it has not removed the chief sources of difficulty.

Newark has modified the cone valve operation so that source of difficulty has been overcome. More importantly, however, has been the release of large volumes of fresh water from Oak Ridge Reservoir to Charlotteburg Reservoir as a substitute for fresh rainfall and run-off that is normally expected at this time of the year. It should be noted that average rainfall for the months of June, July and August in the Watershed Area totals around fourteen inches while the actual amount received this year has been 10.8 inches.

With the advent of cooler weather that is expected in September, and with the maximum precautions being taken to overcome recurrences of past difficulties, it is expected that water quality will continue to improve at the source. It may take some time, and later considerable flushing of mains, to bring

A WORD ABOUT COLOR TV SERVICE

The best friend a household can have today is a service man to repair all the different machines and gadgets used in a modern home. We are electronic specialists. Our customers know that they don't have to worry about service.

The best **COLOR TV** won't perform right unless it is adjusted correctly for, and at, your location. We take great care to do this. In fact we check a color set several times during the first 90 days the set is in a customer's home. This is the time when changes are most likely to occur. After that the set should be checked periodically.

But this is only part of the story. Before a **COLOR TV** set leaves our store it goes through several hours of tests and checks in order to assure peak performance. That's why a **COLOR TV** set bought at **BECK'S** performs better.

Our service department is staffed with expert technicians who offer same day service on service calls received before 1 P. M.

You only deal with **BECK'S** whether it is for budgeting your purchase, delivery, antenna work, or service for the life of your set.

- And the biggest new ideas for a new kind of banking service.

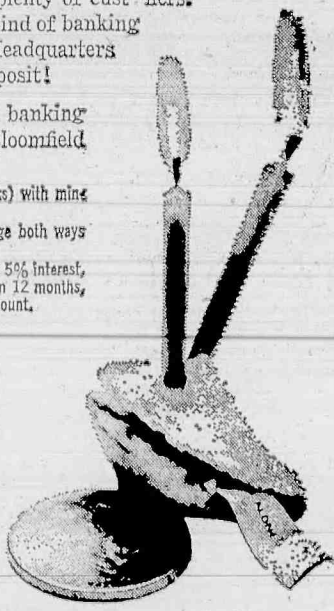

You might think it's a handicap to be the smallest bank in town. We consider it an advantage, and that's just the way it's been working out. Because we're the least in size, you expect the most in service. Our secret weapon: you get it. Big banks have plenty of customers. Not The Bank of Bloomfield. We need you; we show it. And the kind of banking service that results, is what we're banking on to make our new Headquarters Building in Brookdale a success. Sounds good? Ready—aim—deposit!

WHAT'S THE BIG IDEA? Here are just a few of the new ideas in banking that will be introduced at both of our offices when The Bank of Bloomfield opens in Brookdale on September 13.

- **PEOPLE'S HOURS** instead of "Bankers' Hours" 8 a.m. to 6 p.m. Tuesday-Friday—Monday till 8:30 p.m.—Saturday, 9-12.
- **BLOOMFIELD'S LOWEST NEW CAR LOAN RATES.** Only \$4.40 per \$100—lower than any other bank or finance company.
- **LIFETIME FREE CHECKING.** Free of all charges (after a small cost for imprinted checks) with minimum balance of \$250.
- **FREE BANK-BY-MAIL.** We pay postage both ways on your deposits.
- **GOLDEN INTEREST SAVINGS** combine 5% interest, compounded quarterly to yield 5.09% in 12 months, with many advantages of a passbook account.

Birth Days Party September 13-21. Prizes, Gifts. Come Munch a Fortune Cookie.

People celebrate their birthdays with birthday cakes. The Bank of Bloomfield celebrates the Birth Days of its new Brookdale office by inviting you to come in and munch a fortune cookie with us (and maybe win a fortune; anyhow, a silver dollar). Grand opening reception at both locations.

Religious Classes Return At Bloomfield's Menorah

Religious school classes at Temple Menorah, 936 Broad Street, Bloomfield, will be resumed on Saturday and Sunday, September 7 and 8, with mid-week Hebrew classes starting on Wednesday, September 11. New students desiring to attend the Temple Menorah religious school can enroll at the Temple on the dates that school start at 9:00 a.m. each day. Students already attending the religious school are automatically re-enrolled.

The Temple Menorah Religious School is fully accredited by the Jewish Education Association of Essex County. The faculty consists of fifteen professional teachers who are well qualified and efficient, having had considerable religious school teaching experience. The staff is headed by Rabbi Nathan H. Fish, spiritual leader at Temple Menorah, and Philip H. Gold, of Newark, principal and Director. Dr. Stuart Berger, of Clifton, is chairman of the Religious School Board.

The school comprises a kindergarten class and grades 1 through 9 (confirmation class). Grades 6 through 9 have sessions on Saturday mornings, starting at 9 a.m., and grades 1 through 5 have sessions on Sunday mornings starting at 9:30 a.m. All sessions close at noon. Mid-week (Wednesday) Hebrew classes are from 4:15 to 5:30 p.m.

Students are instructed in the fundamentals of the Hebrew religion - history, Holy Days, festival days and sabbath observances, literature and current events, Hebrew culture, etc. The Hebrew program formally starts with children of the fourth grade. Students entering the fourth grade have had an introduction to Hebrew prayers and to Hebrew, but not as formalized study of the language. A period is devoted each Sunday to the students of the fourth and fifth grades to the study of Hebrew.

On Saturday mornings a Youth Sabbath service is conducted by the Student Council of the Religious School with participation entirely by the students. In conjunction with the Youth Sabbath service is the Youth Choir, under the direction of Thomas A. Davis, Temple organist and choir-director, who take part in the service by the rendition of the musical portion. The Youth Sabbath service, held from 9:45 to 10:30 a.m., follows closely the sabbath service in the Union Prayer Book II used by the congregation. Parents, friends and visitors are invited to attend the Youth Sabbath services and join with the students.

Students from the fourth grade through confirmation class are urged to enlarge their study of the Hebrew language by attending the mid-week (Wednesday) Hebrew classes. A minimum of three years of attendance of mid-week Hebrew is a requirement to qualify for Bar Mitzvah and Bas Mitzvah preparation. Many children of the fourth grade and up are taking advantage of this excellent Hebrew program and have enrolled in the classes regardless of Bar or Bas Mitzvah plans. They have found this program most interesting and helpful in bringing to them a better understanding of their heritage and religious background.

Associated with the school is a well stocked library with books covering all segments of Hebrew literature - religion, ethics, history, customs, culture and ceremonies. Adults and children have the privilege to borrow books from the library for home reading and study.

The school wing of the temple is quite new, having been erected about five years ago, and all the classrooms have recently been refurnished with new modern school-room furniture. The Student Council, consisting of members of the Saturday classes, and elected to the Council by their classmates, is most active in the planning of school functions. The Women's Club of Temple Menorah and the Temple Menorah Brotherhood are most interested in the welfare of the religious school and sponsor many of its activities.

In order for new students to register and join the Temple Menorah Religious School it is necessary that the parents be members of the Temple. Families interested in becoming members can ob-

tain full information by contacting the chairmen of the Membership Committee - Philip Cooper, 50 Golf Road, Bloomfield, or phone 338-7274; Jack Gurewitz, 42 Chitenden Road, Clifton, or phone 473-2506, or by phoning the Temple office, 338-6482. Representatives of the Mem-

Dinner to Hear Expert From U.S. Cancer Society

One of the nation's leading cancer specialists will be the guest speaker at the annual dinner of the New Jersey Division of the American Cancer Society.

Dr. Arthur I. Holleb, assistant professor of surgery at the M.D. Anderson Hospital and Tumor Institute in Houston, Texas, will address the volunteer body Thursday evening, September 26, at the Nassau Inn, Princeton.

Dr. Holleb, who is scheduled to take office next month as senior vice president for medical affairs of the American Cancer Society, will outline recent strides in the treatment of cancer patients.

A young narcotics user who had to resort to stealing to pay for his habit was sent to the county penitentiary for nine months to take the narcotics program by Judge Edward Abramson at the August 29 meeting of the Belleville Municipal Court.

Eric Gourley of 124 Rutgers Street, Belleville, received the sentence after his mother testified that he had stolen three blank checks and her wedding ring to pay for the "stuff."

Steals Mother's Wedding Ring to Buy Narcotics

Judge Abramson, when questioning Gourley, found out that he had started on goofballs when he worked in a drug store, and graduated to being a mainliner at the age of 22.

Hospital Hosts Pastors

On May 27, five Chaplain Interns came to Clara Maass Memorial Hospital to participate in a three-month course of Clinical Pastoral Education. Clinical Pastoral Education is supervised experience in pastoral care providing opportunities for intensive

study of pastoral relations, to develop effective methods for ministering to people, to gain understanding of motivation and difficulties in such a vocation, to work co-operatively with other professions, and to encourage research.

The five students enrolled in this summer school for pastoral care spent a minimum of 40 hours each week in the hospital for a period of 12 weeks. The five are David Drain of Princeton; Ernest

de Bordenave of Alexandria, Va.; Robert Hedges of Madison; James Pendorf of Cambridge, Mass.; and William Petz of Princeton.

The program was under the direction of Hospital Chaplain Donald E. Blume, an acting supervisor certified by the Association for Clinical Pastoral Education. Other members of the staff cooperated with this venture and made contributions from their own specialized fields to make this

a worthwhile and dynamic experience.

Certificates of satisfactory completion of the course were presented to each of the five students at a luncheon held on August 16 at Clara Maass Hospital.

A grateful Electric Glassheat user says:

*"If you notice the temperature
you have the wrong heater?"*

BETTER SWITCH TO GLASSHEAT

"IT'S A COMFORTABLE HEAT
that Glassheat gives—never too hot, never too cold," he continued. "So comfortable in fact you never notice the temperature at all. Regardless of the weather it feels like a sunny day indoors. Imagine—every room sunshine warm all winter long. No drafts, no cold corners, just comfort!"

No wonder Electric Glassheat reminds you of sunshine. It is the only heating system that warms with healthful radiant electric rays exactly like the rays of the sun. And this is true throughout the house for every room has its own money-saving thermostat and heating unit.

You can regulate the temperature of each room exactly as you want it, one quite warm, another cooler. And if a room is unoccupied, turn back the thermostat, close the door and save money!

IT'S HEALTHFUL HEAT TOO!
"We had fewer colds last winter and everyone felt fine" says an owner in Caldwell. This is a common report from owners because Electric Glassheat has no flame to burn up the life giving oxygen or produce toxic fumes. And the sunshine rays of Glassheat not only produce an even temperature but maintain humidity at the level doctors recommend for good health.

SAVE CLEANING TIME AND MONEY "No soot, no smoke, no grime. Glassheat is wonderful," writes another user. "Have never seen anything so clean. Saves me hours I used to spend cleaning and painting."

Another says "In 16 years the only room we have had to do over is the kitchen. No need to repaint the other rooms or dry clean our drapes. And our venetian blinds still look fresh and new. That's why so many owners say, "Install Electric Glassheat and take it easy."

SAFE! Electric Glassheat is absolutely fire-safe and can't overheat. No fumes to worry about, and even accidental contact can't cause blistering.

Electric Glassheat is as silent as sunshine and as pleasant, for there are no moving parts. Saves space too for the area usually used by radiators, furnaces and flues is yours for extra living space.

SAVE MONEY ON HEAT! People admit that Electric Glassheat is tops for comfortable heating. But some feel that it is so ideal it might be too expensive. This is not true—as you will see from these letters describing Glassheat's economy.

One writes, "We installed Glassheat for its greater comfort with the hope that it would be reasonably economical to operate. So we were not prepared for our very low annual heating bills. And since

we can now take advantage of the special low heating rate, we save money on our regular current too. And there are no maintenance charges. It all adds up to better heat for less money.

"Though we added two extra rooms" says another owner, "my heating bill is only \$175. A pleasant surprise and we have never been so comfortable."

That's the Electric Glassheat story. People install it because of its many advantages—then are delighted to find it is an economy as well.

WHY PAY MORE FOR LESS?

Does Electric Glassheat sound luxurious? It is in every respect but cost. If you would like to know what Electric Glassheat will do for the health, comfort and welfare of your family—and how little it will cost, send the coupon, or phone.

Sports of The Times

By RICHARD DE SINA

It was Roger Maris' last visit to New York as a ball-player. I was waiting for him to break up Tom Seaver's perfect game Friday night in the 7th inning. You think they booed him before in New York. Orlando Cepeda doubled to lead off the 8th, spoiling the bid; Herman Franks must be happy.

It's a good thing Cy Young Awards are given in both leagues. As well as Denny McLain's pitching, Bob Gibson is having a year that makes Sandy Koufax jealous.

Too bad Plymouth is now official car of the Mets, Rambler was perfect.

Charlie Jones, who handles the Jets' exhibition, sorry--preseason telecasts, seems to be able to make every game appear unimportant, even boring. He could have broadcast "War of the Worlds" instead of Orson Welles, and nothing would have happened.

While we're on announcers, here's an unabashed, subjective and uncalled for guide: Curt Gowdy, is better at basketball; Pee Wee Reese is as smooth with the mike as he was on the pivot; Sandy Koufax is not as overpowering as when he pitched, but definitely enjoyable. Red Barber's a better announcer than writer. I don't care for either Frank Messer or Jerry Coleman, but enjoy Phil Rizzuto. Scooter was even better when Joe Garagiola was around as a catalyst for his funny bone. The Mets have 10th place announcers, but I'm in Kiner's Corner.

Some announcers are remembered for one typical phrase or their handling of one moment in sports. Russ Hodges remained calm in 1951 when Bobby Thomson hit his homer ("The Giants win the pennant! The Giants win the pennant!") Who can ever forget Les Keiter with his "tickled the twine from the line" (translation: made a foul shot), and "43-32 the arithmetic" (score). Anybody remember Jim Woods?

Dick Young handles the color on Jet games. He should stick to his typewriter. He's as observant with a mike, but oh that voice. Monk Williams and Warren McVea of the Bengals--Wow! Paul Brown has a fleet of fleet running backs and is still running his Pony Express messenger guards.

Well it looks like the Cardinals and Tigers in the World Series. The last time they met, 1934, it was a garbage Series. Tiger fans, displaying their antipathy for Ducky Medwick, littered centerfield and caused his removal, for personal safety, by Commissioner Landis' ukase. The Cardinals, however, won in seven games. They've never lost a seven game Series.

BELLEVILLE GRIDDERS

Senior end for Seton Hall's club football squad is Bob Amann, a 215 pounder from Belleville. He's regarded by his coach, Jack Scott as the best defensive end in club football and will probably be drafted at the end of the season by the pros. He played a year at the University of New Mexico and this will be his third season with the Pirates.

Another Belleville senior is John Giordano (5-10, 250), who starred two years ago but missed last season because of an ankle injury received in the 1966 Iona game. Despite his weight, he is quick on defense.

Upsala's grid roster includes local talent: Warren Ceres, tackle; Lew Trowbridge, center and Charlie Godleski, fullback. All are juniors.

Oh, by the way the answer to last week's question was a two inch heave by little Eddie LeBaron to Dick Bielski for Dallas in 1960, (the shortest TD pass). Speaking of the Cowboys, when are they going to give up trying to beat the Packers. They came close again, but without the usual last minute pyrotechnics.

Line of the Week: K.C. Jones scraped his knee in a Celtic practice. Red Auerbach advised him to apply a band-aid. "Hey" protested K.C., "these are supposed to be skin colored."

State Announces New Fishing Rules

Adoption of 1969 New Jersey Fishing Regulations by the State Fish and Game Council was announced today by Commissioner Robert A. Roe of the State Department of Conservation and Economic Development.

The Council's action followed a public hearing on Tues-

day evening, August 13. Few objections were voiced, and no changes were made in the 1969 Proposed Code promulgated last month. Acting Council Chairman George H. McCloskey indicated that all suggestions had received careful consideration.

Establishment of a fly-fishing stretch on the Rahway River, Union County, will be the most significant change from 1968 regulations. Between April 28 and November 30, a half-mile stretch will be reserved for fly fishing only; the stretch runs from Wall St., Cranford, just below a feeder stream, downstream to Coccola Falls, near the Garden State Parkway bridge. This action resulted from a request by Union County sportsman, who have undertaken extensive stream improvement and cleanup efforts on the heavily-fished river.

The popular spring reopening of trout fishing is slated for Saturday April 5 at 8 a.m.

Frenchies Lead Softball Playoff

Frenchies Bar & Grill defeated the Circle Bar Club in the first two games of the best 3 out of 5 Championship series in the Belleville Recreation Department's Slo-Ball Softball match 7-1 and 13-6. The Circle Bar team came back in the third contest to drop Frenchies 4-3.

In the first game, the Circle Club, on hits by Bloom, Kimble and Vetro and a sacrifice by Dunn produced but 1 run because of Dixie Kiernan's great running catch of Citrillo's drive to center.

Frenchies came up with five runs in their turn at bat on hits by Cozzarelli, Higgins, Jack Van Duyn, Sileo, Bob Van Duyn, Marty Mc Nish and Sheridan drew a walk. Frenchies added another run in the third on a tremendous home run by George Sheridan and another in the fifth when Ray Cozzarelli tripled to bring home Dixie Kiernan.

Frenchies batted first in the second game and hit right around the batting order netting 7 runs on 8 hits, one of these hits a home run by Bob Van Duyn. The Circle Bar came up with two runs in their turn at bat on hits by Kimble, Senesky, Citrillo, Davis and Damabra.

Frenchies picked up another run in the 3rd inning when Sheridan tripled Dixie Kiernan home to make it 8-2. Singles by Harry Damabra, Thurman Davis a sacrifice by Ceres, and a homer by Ken Taras brought the count to 8-5. The

Circles picked up another run in the 6th on hits by Davis, Ceres and Taras to make it 8-6.

Two errors by the Circles and hits by J. Van Duyn, Sileo, Joe Bartholomew, Kiernan, Higgins and a home run by Ray Cozzarelli put Frenchies out front 13-6. The Circles went down in order in the bottom of the 7th.

Pat Dunn, Circle Club Manager, changed his line up and batting order for the third game and it paid off with a 4-3 win.

This game proved to be a pitching duel between Frenchies Jake Bartholomew and the Circle's Carl Hundertpfund. The Circle went out in front 1-0 in the second inning on hits by Kimble, Dunn and a sacrifice by Senesky. In the third, Frenchies tied it up 1-1 when Jake Bartholomew doubled home his brother Joe.

Frenchies scored 2 more in the 4th. Higgins homered, Bob Van Duyn tripled and Jack Van Duyn sacrificed him home. The Circle Bar came back in the bottom of the 5th. Kimble walked, Senesky doubled, Dunn sacrificed; Citrillo, Bloom and Taras hit, which put them out front 4-3 and finished all scoring for the night.

Defensive play of Davis, Senesky and Kimble of the Circles and Jack Van Duyn, Marty Higgins and Dixie Kiernan for Frenchies played a big part in keeping the score at 4-3.

Bellboys Fight To Switch Record Under Amabile

School started yesterday and so did football practice at Belleville High.

Head coach John Amabile, beginning his second season, had close to 100 initial prospects to mold a Big Ten con-

tender from. Actually, he first put the team through the paces on Sunday and held double sessions on Monday and Tuesday.

The former Boston College standout quarterback and his

assistant, former Bellboy griddier Jim Orsini, are out to reverse last year's 3-6 mark. "I hope so," said Amabile. "We're better organized than last year. I came in cold, not knowing the

teams or our personnel. This year we have a good nucleus of 15 returning lettermen and some good boys coming up we're expecting a lot from."

Returnees include co-captains Jim Wille, fullback and Carl Corino, tackle. Other linemen will be Bob Ciallella, tackle; Alan DeFeo, and Bob Bonafonti, guards. The center position is "wide open," according to Orsini.

Backfield candidates include: Ricky Caruso and Doug Brown, sophomores; Lonnie Bunch and Steve Banda, juniors and John Mozeika and Vin Capetta. Seniors trying to make the squad are Bob Baumgartner at halfback and Bob Baker, lineman.

This year's season opener is Sept. 27 at the Stadium against East Orange. It will be followed by: Bloomfield, (Away); Nutley, (Home, the Bellboys were walloped by the Maroon 38-7 last year); Passaic, (Away and new to the schedule); Irvington (Home, beaten by Belleville last season); Garfield (Away, mauled the Bellboys 28-0); West Orange (Home, one of Belleville's three victims last year); Kearny (Away, 0-6) and Orange (Away, 16-13).

Coaching the baby Bellboys this year will be John Senesky and George Sanfini.

ning bases, high jump, broad jump, and soft-ball throw for accuracy.

This is the second year this event has been jointly sponsored by the City of Newark Housing Authority and the Robert Treat Council, Boy Scouts of America, Homer L. Meade, boy scout coordinator for the City of Newark Housing Authority and Robert J. Dugan and Charles W. Harlow, field directors for the Robert Treat Council will again give guidance for the affair.

Individual trophies will be awarded the first, second, and third place winners. Unit trophies will be awarded to the Pack, Troop and Post with the highest scores.

Men From Uncle Roll To Rec Bowling Title

The Men from Uncle have squeezed through the last battle and have won the Championship of the Recreation Department Summer Bowling League for boys with a final standing of 24 wins and 6 losses.

This was a slim, one-game margin over their arch rivals, the Three Wise Men. Members of the Championship team are: John Spezzaferra, Bob Cook, and Vic Linfanti. Bowling for the Runner-Up Three Wise Men

were Peter Rainone, Harry Angevine and Bob Corio.

In the Girls Division, it was Team Four, Carol Mast and Anita Masi whose 22-8 standing won them the Championship. Runners-up with 20-10 were Susan Winship and Donna Rainone of Team Three. These two teams were in close competition throughout the entire summer.

Trophies for Champions were provided by the Olympic Bowl and the Runners-Up tro-

phies were by the Recreation Department.

John Spezzaferra swept the boys' individual awards capturing the High Average at 166, the High Series of 588, and the High Game of 212. In addition his team, the Men from Uncle posted the High Team Series of 1457. On the distaff side Susan Winship finished with the High Average of 122 and the High Series of 414. Carol Mast won the High Game award for her 161. Team Three rolled the High Team Series of 825.

The order of finish in the boy's division was the Men from Uncle, the Three Wise Men, the Terrible Trio, the Butcher Boys, the Rec. Boys, and the Nomads. For the girls it was Team Four, Team Three, Team Six, Team Five, Team Two and Team One.

Jaycee Classic Billed 'Million Dollar' Contest

Al Waxman, General Chairman of The Jaycee Football Classic, which will be held at Palmer Stadium, Princeton at 2, has announced that, for the first time in the seven year history of the Classic, all seats in the stadium have been sold prior to the day of the game.

As chairman of the annual clash between the N.Y. Giants & the Philadelphia Eagles, Dr. Waxman expresses his thanks loyal fans, the N.J. Jaycees, the ball clubs and all parties

connected with the Classic, for helping to make this year's benefit such a success. Proceeds will put total contributions for seven years over one million work.

"Special mention must be made," stated Waxman, of Princeton University which donates Palmer Stadium free of charge each year."

"We are hoping that the fans will join us at Princeton prior to the kick-off" added Waxman, "to enjoy the beautiful and historic areas surrounding Palmer Stadium. We also promise everyone an enjoyable pre-game show centered around The Orange Lancers Drum & Bugle Corp. Sunshine and pro-football at its finest are also on the schedule for the afternoon"

Three Belleville Students Attend Leadership Council

Three Belleville students, Renee Bottana, of William Street, Sharon Halbert of Del. Franklin Avenue, and Kathleen Sullivan of Dewitt Avenue, attended the 15th annual Red Cross Leadership Development Center which was held

on the campus of Brandywine Junior College in Wilmington, Delaware and adjacent states, attended the six day session.

One hundred young delegates selected from among the most active and outstanding volunteers by Red Cross chapters in New Jersey, designed to train youth for positions of leadership in high school Red Cross, the course consisted of classroom study, discussion and demonstration as well as practical application of leadership techniques and skills.

The Center's faculty was composed of Red Cross adult volunteers and staff from the states represented and from Red Cross Eastern Area headquarters and two youth members from each state. The junior staff members were selected from the outstanding delegates of previous centers.

Representing the Essex Chapter were Stephanie Glover, Arts High School and Judith Cicora, Archbishop Walsh High School, both Newark residents, on the student staff. Miss Betty R. Tonks, Orange, Youth director for the chapter served on the senior staff.

Each year, the Center is sponsored by a different chapter. The Delaware Chapter sponsored this year's sessions and Dr. Zenas R. Clark, former assistant superintendent of Wilmington Public Schools was the Center's director.

BECK'S COLUMN

By MAX BECK

In December 1947 at the Bell Telephone Laboratories at Murray Hill N.J. scientists of this company invented the "transistor". It is no exaggeration to state that the scope of this invention can not be fully imagined as yet. It started virtually a revolution in the amplification, flow, control and detection of electric currents, and eventually it will replace in most applications the 60 year old vacuum tube. The tube has served us well for these many years, but it had decided disadvantages compared with transistors. Vacuum tubes need power to heat the filaments, which means they create heat, which in itself is destructive to condensers, transistors and transformers. It is bulky, delicate and it wears out. In theory there is no wear on transistors. Whether this theory will hold up in practice, only time will tell. So far it has been proven in the relatively short time of transistor use, that they seem to be more reliable than tubes. The need for electric power has been cut down to a fraction compared with tubes. Several thousand parts and transistors can be placed in the space of a tube by a method of fabrication which results in a device called "integrated circuit." Twenty-five or more condensers, resistors and transistors can be fitted in the space as small as a pinhead. The transistor triggered virtually a new epoch in science and technique, which will result in new products, processes and changes in our mode of living.

Friday Sabbath Services Resume Tomorrow at Temple Menorah

Preparations are being completed at Temple Menorah for the resumption of regular Friday evening Sabbath services tomorrow with Rabbi Nathan H. Fish, spiritual leader, conducting the services.

Having just returned from a stay in Israel, Rabbi Fish will have as his sermon topic, "Reflections on a Visit to Israel". Thomas A. Davis, organist and choir-master will direct the Temple choir in the liturgical portion of the services, which include the traditional hymns and responses.

Mr. and Mrs. Samuel Welt, Upper Montclair, will host the Oreg Shabbat, following services, in honor of the Bar Mitzvah of their son, Howard, on Saturday, September 7, at 11 a.m. at the Temple. Rabbi Fish, assisted by Cantor Henry Thallsheimer, will officiate at the Bar Mitzvah ceremonies.

Families interested in becoming members of the Temple Menorah can obtain full information by contacting the co-chairmen of the Membership committee, Philip Cooper, 50. Golf Road, Bloomfield, 338-7274, or Jack Gurewitz, 42 Chittenden Road, Clifton, 473-2596, or by phoning the Temple office, 338-6482, any day from 9:30 a.m. to 12 o'clock noon.

Temple Menorah is a liberal-reform-progressive congregation serving the communities of Bloomfield, Montclair, Clifton, Nutley and Belleville. It is an affiliate of the Union of American Hebrew Congregations, with headquarters in New York City. The UAHC is the parent organization of over 600 liberal-reform-progressive congregations in the United States, Canada, and Europe with a membership of more than 600,000 families.

Summer Schedule

The Montclair YMCA's summer schedule concluded August 31 with facilities at both buildings, 25 Park Street and 39 Washington Street, closed September 2 through September 8. The fall programming will resume next Monday.

Swimming classes for both men and women will begin the week of September 9, while aquatic instruction for children starts the week of September 16. Women's gym classes are scheduled to begin the week of September 16 with men's gym activities getting underway the week of September 23.

Children's classification of aquatic skills for placement in swimming classes will be held the week of September 9. Boys' classification will take place Monday and Wednesday, September 9 and 11 at 4 pm at 25 Park Street. Girls will be tested Tuesday and Thursday, September 10 and 12 at 4 pm, also at Park Street. Friday, September 13, is scheduled for both boys and girls classification. Beginning Saturday, September 21, ongoing co-ed classification will be held at 1 pm at the Park Street pool.

Membership in the Y is open to all boys and girls entering third grade and includes swimming instruction, gym activities plus clubs. Swimming instruction runs from beginner to advanced. In each skill level rudiments of life saving and water safety are incorporated.

Boys and girls 12 or older are eligible to enroll in the Junior life saving program, while 16 is the required age for senior life saving classes. An instructors course is open to students 17 or older.

The Y-Nymphs, girls synchronized swimming club, is

open to youngsters 11 to 17. Membership on either boys or girls competitive swimteams is open to students 9 and older and is contingent upon speed and skill. Tryout times will be announced.

Gym classes for young people include activities geared to age levels from 3rd grade up to high school and involve games modern dancing for girls, tumbling, gymnastics, basketball, softball and other seasonal sports. Callisthenics are an integral part of all programming.

Competitive gymnastics for girls in 5th grade through high school is conducted twice weekly by Eli Snyder and will begin September 11.

Gra-Y, Hi-Y, Tri-hi-y and Co-ed hi-y plus Leaders clubs and Indian Guides are also part of the youth program.

For adults, instruction in aquatics includes lessons in beginning through advanced swimming and touches upon diving and elements of life saving and water safety. Separate life saving and instructor courses are also scheduled for adults. Scuba courses are conducted for high school students and adults throughout the year.

Plunges and free gym periods are scattered throughout each week for all age levels.

For the youngest children pre-schoolers and first and second graders non membership swimming classes are conducted in the 39 Washington Street shallow water pool.

Designed to condition, build muscle tone and create a general feeling of well being, special physical fitness classes for women and men are scheduled daily.

Playground News

Basket, Foot, Whiffle Ball Abound

This week the children at Fairway Playground enjoyed going to the Friendly House again. They went on Monday morning with Joyce and all day on Wednesday for a pool party with Janice. Raymond Giordano is still the best swimmer from Fairway and can swim the pool lengthwise three times. He can also swim under water for almost the whole length of the pool. Fairway always enjoys the Friendly House. Many games are always played here at Fairway and this week was no exception. Kickball was played at least once every day. That's really the favorite at Fairway. Other games were played such as Football, Chinese tag, TV tag, Kalah, Checkers, Basketball, Storytime, Red Light, Hide & Seek, Jai-alai, Whiffleball, and Cat & Rat. Our game of the week was "Footsie" which was enjoyed by all including Joyce & Joy. We're very proud to announce that our Softball team got its second win of the season this week by forfeit from the Recreation House. On Thursday Fairway had a very exciting Slow Bike Race. The winners were: first place for two wheelers Rich Vincenti, second place for two wheelers Perry Notte, and first place for three wheelers Mark Dobrowski. The week ended with a very cool & refreshing Whamie Stick Party in which 48 participated.

The Recreation House Playground was really busy this week, hot plates & pot holders were made by the dozens. There were ping pong and kalah tournaments. The win-

ners were Gary Soldo at ping pong and Aloysious McNish at kalah. Rocco Saletta and Carmine DeMajo are two other of our outstanding ping pong players. On Wednesday we had races and a basketball shooting contest. The winner of the basketball shoot was Lisa Paparazzo and Pamela Martin's team won the races. This week we had to say good-bye to the Martin Family. Pamela, Vicki, Donna, Jimmy, Billy and Tony left on Friday to return to their home in California. We're sure going to miss them! On Friday we also had a pizza party, was it delicious. We ordered the pizza's at Zincolis and were they good. Records were played and everyone danced. Philip Ross and Ticia Tamaletti really "cut the rug".

This week the older boys of #9 Playground started getting in shape for the football season. Football became our game of the week. Besides the usual favorites such as Nok Hockey and Kalah two new games became very popular - "A-My-Name-Is" and "Girls-Names-Are". Chris Rovell was our champ in "A-My-Name-Is" and Beth Ann Rovell was our champ in "Girls-Names-Are". This week our Nok Hockey champ was Mary Ann Jiosi. Thursday afternoon we were busy making wire objects. Wire flowers were made by Neil and John Marzano, Darleen Marzano, Cheryl Record, Mary Ann Jiosi & Wilma Knolls were busy engraving their names with wire. Other children made wire rings. The #9 Softball team made their comeback with a victory against #1 on Thursday afternoon. The team's outstanding players were Bill Natale, Yosh Moraski, Joe Scala and the Calla brothers. Boys you must be doing something right. On Friday afternoon a vigorous kickball game was played. After the game the Directors Marilyn and Camille surprised the children with a watermelon party.

This week at #4 Playground is our seventh week, and the children are still jumping with enthusiasm. We had a new addition to our collection of games this week. John brought horse shoes and now the game has already become another favorite. We then ended our week with an ice-cream soda party which fifteen hungry

children attended. It's always a good idea to begin and end a week with parties & games. In our Stick ball roundup Ken Stein is back from vacation and will put his 422 batting average on the line; Harpo (Louis Corsi), has finally won his first game and Ken Cifogello had 14 hits in his last 20 at bat.

As the softball season draws to an end the Clearman field boys hold first place in both senior & junior divisions. Last week the boys chalked up another two wins. The Juniors defeated #1, and the Seniors defeated #2. The game of the week was horseshoes and

nearly every day tournaments were held by old and young alike. Pat & Tom remain undefeated with Fitchell running a close second. Friday was closed with an apple dunking party and a water balloon fight. Gabe Cestare, contrary to tradition, went dunking with a pear instead and he won.

This past week was a happy and exciting one at the Stadium. The week started off with a refreshing dip in the Friendly House pool. Phyllis Beisler, Chris Tremel, Laurie & John Codomo are just a few who found it fun being wet. We also had fun slopping with plaster of paris and found

that we were quite creative with our men, animals and fish. On Thursday afternoon we were in the midst of two exciting activities. Our pet show proved to be a lot of fun. Chris Hughes won with Duke, who we felt had the winning combination of beauty, being best trained and the funniest. This was followed by a caramel hunt. It took quite a bit of rugged investigation but our top undercover agent turned out to be Greg Petite with a total of 17 caramels. A pizza party entitled "Return to Rome" was Fridays special event. 38 of us enjoyed pizza and kool aid. It was delicious

and ran smoothly with the help of Debbie Sheridan, Eileen Knable, Jean Cate, Steve Tremel, and Lou Scaltrito. We were also happy to welcome back Mark D'Amico who has just recovered from an appendix operation. With just two weeks left we hope they can be as exciting and happy as the past ones have been.

Msgr. Kelly playground was transformed into a tennis court this week. Harriet brought the tennis rackets and balls and our volleyball net was used for the tennis net. Everyone enjoyed trying to hit the ball back and forth over the net.

Zoo Business

Director Receives Strange Requests

If you wanted to rent a tiger, you would pick up the phone and call -- who?

"Usually me," says Richard Ryan, Director of the Turtle Back Zoo in West Orange. "That's the kind of question that I'm faced with every time the telephone rings."

As a director of the only major publicly owned zoo in New Jersey, Ryan is the object of as many as 100 calls a week from New Jerseyans seeking animal information.

One recent call came from a woman with an old house in the Morristown section. Her stone cellar had become a nursery for baby ring-necked snakes. The adult snakes, a harmless variety, had laid eggs between the cracks of the foundation and the baby snakes had headed into the warmth of the cellar.

"We suggested she plaster up the cellar walls, and that seemed to end the problem," Ryan says.

A less exotic question, but one that disturbs Ryan, is the caller who begins, "We bought this cute little chick (or duck) last Easter and we thought you might like to have it now."

Ryan explains, "The chicks were cute when little, but now they're big and dirty and the parents want out. If the zoo took every rabbit or duck or chick offered it, we'd be over-run."

Many of the telephone calls are from turtle owners whose pets refuse to eat.

According to Ryan, the usual reason is that the turtle is not being kept warm enough. He suggests putting a light bulb above the tank. "If that doesn't work, then it's prob-

ably because the turtle can't see his food, and so I recommend that they feed it tomatoes or melons or other brightly colored soft food.

While Ryan gets the phone calls, most of the letters go to the zoo's educational aide, Mrs. Lillian Dieterle of Bloomfield.

Usually the letters are from appreciative children who are writing in response to a visit to their school by Mrs. Dieterle and several tame animals.

Most children have enjoyed the visit and say so. Others have reservations --- and speak out about them.

"I liked your animals," said one 13-year old from Elizabeth, "But I did not like the ferret. It smelled awful."

Another writer, a fourth-grader from South Orange wrote, "O'Henry is an Irish name for a turtle. I have never met an Irish turtle before."

But Willie the guinea pig puzzled her even more than O'Henry. She wrote, "I could not find Willie's front nor his back."

But usually the letters run more like this one from a youngster at Washington School in East Orange:

"I like your animals, and you are so nice. You are a good lady. I like the opossum. He looks like a snake, but I like all of the animals. Your animals are pets. The animals were good. The owl was good. All of the animals were good. The show was good."

"It's good to hear from your audience," Mrs. Dieterle says.

Bit And Spur, Nutley Travel, Capture Town Softball Titles

In May of this year 18 senior softball squads began play in two divisions of the Department of Parks & Recreation fast and slo-pitch softball leagues. Last week

saw the season come to an end with two of the teams crowned champions in their respective divisions. The Bit & Spur Tavern successfully defended their 1967 title

in the slo-pitch loop while Nutley Travel captured the fast-pitch league title.

Both leagues were extended to the final week of the season before a champion

could be decided. In slo-pitch action the Mountaineers, sponsored by Landolfi Funeral Home of Belleville were atop the league for most of the season with an undefeat-

ed record. Losing their two final games was enough to drop them to second spot behind the surging "Bit".

In fast-pitch the Travelers upset the A & F Auto team in the final "position week" game to sew up the title that appeared to be a two-way race between A & F and White Oak Liquors.

Teams competing in the 1968 season were: Slo-Pitch; Bit & Spur, Mountaineers, Ric-Folo Construction, Reps, M.I.A.L.'s Onyx Room, Allied Chemical Co., Franklin Men's Shop, Searle's Insurance and Knights of Columbus; In Fast-pitch; Nutley Travel, A & F Auto, White Oak Liquors, Avondale, White Oak Cleaners, Marese Electric, E. K. Williams and I.T.T. Bombers.

La Roche Rescue Team Is Third In National First Aid Competition

The Hoffmann LaRoche Rescue Team placed third in the annual International Rescue and First Aid Association competition in Hollywood, Fla. This is the first year that two New Jersey teams placed within the top five in the competition.

The LaRoche team was outscored by only two Canadian municipal emergency squads from Waterloo and Point Clair. The fourth place winner was the team from the Esso

Corporation, Linden.

The competitions were the culmination of a week long seminar held at the Diplomat Hotel which stressed methods and techniques of heavy rescue and emergency first aid.

Competing in the annual event were 13 rescue squads. 60 first aid squads held a separate competition on Saturday morning. The contest was sponsored by the Hollywood and Dania Fire Departments who supplied trophies

to the winners at a poolside luau after the events.

Among the New Jersey residents serving as judges were Lieutenant Jack Kertland and Sergeant Lyndon Simmerman of the New Jersey State Police; George Johnson, Cranberry Lake; Donald Blackman, Little Falls; Everett Hatton, Belleville; and Edward Kostelak, Wayne.

The Roche team first entered the competitions four years ago, finishing in fifth

place. The team had not scored among the top five again until this year.

Team members included Pat Lombardi, chief, Bill Morgan, Doug Wier, Ralph Ferrie, Ed Brzostowski, Jim Stone, Bob Meyer and Dave Louchaire, Ray Watson, an alternate member of the Roche Team was lent to the Waterloo squad when the Canadians needed another man to bring the team up to the required strength for competition. As a member of the top rescue squad in the world, Watson, a resident of Pompton Lakes, was given a plaque.

Midget Football League Begins Another Season

By TOM HOLUB

The Nutley Midget Football League will again swing into action this fall through the joint efforts of the Police and Parks Departments.

The idea for the league came to fruition over ten years ago when someone held the beautifully simple notion that "Sportsmanship builds citizenship."

The police officers today still feel that by working with the juveniles of the community in such a citizenship project, a bond of mutual trust will be formed between the youths and the police. That bond, in theory, won't be broken.

Sal Dimichino is president of the league and deputy chief of the police department. John Pankstatitis, the court clerk, is treasurer of the league. Chief Francis Buel is one of the coaches and vice-president. Officer Harry Austin handles all the publicity.

The tryouts for this year are scheduled for September 5, 6, 7, with the first game of the season coming on Sunday, September 29.

After the tryouts, the youths will be grouped into four teams of 25. There will also be a squad of 60 girl cheerleaders. Each boy will be issued two uniforms—one for practice and one for games. He will be insured completely after being checked by his family doctor. He will also be assured of seeing action during

at least three plays in each game.

This year Tony Grecco will be coaching the Zinicola Bakery team. Joe Gomes will head the Orechio Agency. Robert Hauer will head Lardier's Pharmacy, and Frank DeMarco will call the team for First National State Bank.

The team to beat is Lardier Pharmacy who are the defending champions and have won the title 7 out of the last 8 years. Officer Joe Pepe, last year's Lardier coach, claims that the team will be tougher than ever under the direction of Bob Hauer.

At the end of the official season, all the players are treated to a banquet. Detective Edward Guerino does the cooking, and High School Varsity players who once played in the Midget League, act as waiters for the affair. The members of the winning team receive trophies for their efforts.

There is also a post-season all-star game where the best of Nutley meet the best of Lyndhurst in the final clash of the year. If the Nutley team wins, they are awarded the special Jerseys that they wore

in the game.

The policemen feel that since there are at least 160 kids involved in the program, there should be at least 300 parents at the Sunday afternoon games. Such is not the case, however. It seems that some of the parents use the police as babysitters while they watch the professional games on T.V.

Those involved in the project think that they have developed a wide open league. One is liable to see intricate plays, hard running, and jarring tackles from the 85 to 120 pound youngsters on any Sunday afternoon. The kids play their hearts out, and the policemen and their wives spend a lot of their time working with the boys, and running the refreshment stand and the like.

They all have only one question "Why isn't there more parental participation" in a program which aims at helping the youths in the community, and thus the community itself?"

Are you nostalgic

for the good old days when Saturday night was bath night? And a big deal was to call

Cousin Mabel in Philadelphia?

And the only people who ever really called long distance were the rich people on the hill (California cost \$20.70 then.)

Well—why not make today a good old day and call someone—like Cousin Mabel in Philadelphia?

Long distance rates are lower than ever. Even a 3-minute station-to-station call to California costs only \$1.00 plus tax after 7 P.M. and all day Saturday and Sunday. And from midnight to 7 A.M. every day, the cost is only 75¢ plus tax for calls dialed from business or residence telephones.

HAVE A HOLIDATE

Choosing the lobster you'll enjoy for dinner from a large "lobster tank" is only one of the exciting prospects awaiting you at San Carlo Restaurant, 620 Stuyvesant Avenue, Lyndhurst. Owned and operated by Jane, Ruth & Rudy Malone for 18 years, the San Carlo has a delicious array of Italian-American specialties designed to give you the best of cuisine and a relaxing atmosphere. Their wonderful Veal Scallopini Sizzling Steak and Chicken or Veal Parmigiana are only samples of tempting dishes offered each day of the week with the exception of Monday. Lunch is also served from 11:30 and until 2:00 on Saturdays. Besides the main dining room and cocktail lounge, the San Carlo also has three banquet rooms which can accommodate from 10 to 300 people. For an evening of soft music and good eating drop in on Friday or Saturday to hear Estelle Martinique on the Hammond Organ.

Grand Jury To Handle Rape

The alleged rape case against Sidney Sharp, 59, of 107 Columbia Avenue, Passaic, was sent to the Grand Jury by Judge Edwin J.C. Joerg after a preliminary hearing at the August 28 meeting of Nutley Municipal Court. The state based its evidence on the testimony of Mrs. Marjorie Scott, the woman who allegedly was raped. She said that she met Sharp at Ferrara's Tavern after she had attended a friendship party in the afternoon. Sharp and she had a number of drinks together, according to her testimony, and then went to Joe's Bar. After having a few more drinks, they went back to Ferrara's where they had a few more drinks. After a total of about 20 drinks, Mrs. Scott said that she and Sharp went for a walk to Sharp's brother's house. On arriving at the rear of the house, she alleged that Sharp raped her. Officer Vincent Sisto testified that when he arrived on the scene, Mrs. Scott was in a state of shock. He called the First Aid Squad who took her to Clara Maass where she was treated and released. The officer testified that he later picked up Sharp waiting for a bus in front of Ferrara's, and took him into headquarters where he was held without bail.

PRUDENTIAL

is a household word in many of the families in your town
which have had one or more members enjoy a working
relationship with us. Some families — perhaps right in
your neighborhood — can point to several generations
who have worked with us. This gives us a great deal
of pride. If you are seeking a change in jobs, or perhaps
are just coming out of the summer doldrums following
June graduation and are now intent on getting a full-time
job, why not consider joining us and sharing in our
pride. We have some full-time beginning clerical positions
at present, and we invite you to come in and see us.
You'll find that we offer a good starting salary with
liberal benefits including a tuition refund program.

Apply in person to our Employment Bureau anytime between

GLEN MILLER BAND

One of the most acclaimed musical attractions of all time, the Glenn Miller Orchestra, directed by Buddy De Franco, started a three week engagement at the Riverboat, in the Empire State Building, August 29.

In addition to giving full scope to the Glenn Miller tradition and the authentic Miller arrangements, Buddy De Franco, who fronts the band, is featuring the tip top vocals of Joan Shepherd and Joe Nicolo. All the great Glenn Miller favorites such as "In the Mood", "String of Pearls", "Jersey Bounce", "Elmer's Tune" and, of course, the great theme, "Moonlight Serenade", will be given play each and every evening.

De Franco is a distinguished musician on his own, having won every major poll for top clarinetist in the United States for the past 15 years. The charts, many of them designed in 1968, are geared for listeners as well as dancers.

To keep the policy of continuous music in operation, starting at 6 p.m. each evening, the Riverboat Trio will be on hand and, from 7:30 on, will alternate with the Glenn Miller Orchestra.

LIONEL HAMPTON
On Monday, September 16, Lionel Hampton and his internationally famous band and revue will appear for one night only at Larry Dixon's Flagship Dinner-Theater in Union, New Jersey.

For this engagement only tickets are priced at \$7.50-\$10.00 and \$12.00 depending upon location. Ticket price includes a complete filet mignon dinner. Lionel Hampton

and his orchestra will provide continuous entertainment from 8 p.m. to 1 a.m. Dinner will be served starting at 3 p.m.

Lionel Hampton has consistently won awards since his first in 1936, when he was rated by Down Beat as the most exciting artist of the year. He has won virtually every music poll, been honored with two college doctorates, and been paid every homage that can be thought of. His honors range from being given a statehood award in Israel, made an ambassador of good will by the U.S. State Department, made an honorary member of Hadassah, the only male ever so honored, and being the Grand Band Master of the Elks.

HILTON HOURS
A revolutionary first in hotel history was announced today, as Robert F. Quin, Managing Director of the New York Hilton, New York City's largest, stated that the hotel would put into effect the "New York Hilton Day-Hour Plan." This plan would allow guests to rent a room in the New York Hilton for the hour.

Businessmen who want to hold private meetings with clients, or rest up between appointments, shoppers who wish to freshen up and relax prior to going on to dinner or the theatre, and travellers who want to rest before continuing their journey may check into the hotel for a three hour minimum at \$12. For each additional hour, the room rate will be \$3.

"We are living in a super-sonic age where travellers can fly from one end of the country to the other, and arrive at the same time they departed," said Quin. "By adopting this policy of renting rooms by the hour, we are better able to serve the needs of our guests, and are confident that the 'New York

Hilton Day-Hour Plan" will serve as an example for all major hotels to follow in the near future."

YOUNG VETERAN

Juanita Percelly, one of the youngest and prettiest professional skaters in the world is also one of the most experienced. She is one of the stars of Holiday On Ice of 1969, which will have its World Premiere at the new Madison Square Garden from August 28 thru September 15.

Juanita Percelly was born into one of Europe's traditional families of circus performers some 23 years ago in Frankfurt, Germany. Her professional career began at the age of five in a flurry of juvenile somersaults and circus acrobatics. "The Percelly Family" made the switch from circus to ice in the early 1950's and to young Juanita it meant more of the roar of the greasepaint and the smell of the crowd.

She learned to skate in less than three months and in 1952 she and her family joined one of Holiday's European companies as featured performers.

Tickets for the 19-performance run of Holiday On Ice thru September 15 are available at Madison Square Garden Center or by mail to: Madison Square Garden Center, 4 Pennsylvania Plaza, New York, N.Y. 10001.

Seats are priced at \$7.50, \$6.50, \$5.50, \$4.50 and \$3.50. Children (under 12) are admitted for half-price to matinee performances on Saturdays and Labor Day (Sept. 2).

Performances for evening shows on Wednesday and Thursday are at 7:30 p.m. Friday and Saturday shows begin at 8:30 and matinees on Saturdays, Sundays and Labor Day are scheduled for 2 p.m.

It is easier to sound off in the heat of emotion than to hold your tongue until the proper moment arrives.

The intelligent man learns from experience and is able to gauge the future by what has happened in the past.

NUMBER PLEASE—Mrs. Barbara Iannarone, 22, of Belleville, who works in New Jersey Bell's directory department in Glen Ridge, props up a copy of the company's Newark phone book for 1968-69. The new directory weighs more than three pounds, has 1092 pages, and contains 151,800 alphabetical listings. According to the company, copies of the directory are sent as far away as Hong Kong.

New Telephone Directory Salutes Cultural Center

What's new and blue and read all over?

It's New Jersey Bell's 1968 telephone directory for Newark. The new directory which includes listings for Belleville, Harrison, Irvington, Kearny and North Arlington—will be delivered beginning Tuesday (August 27).

Some 235,500 copies—about 1,400 more than last year—will be distributed to telephone customers in the area. Alphabetical listings in the

more than three-pound, 1,092 page directory are up, too—there are about 500 more than last year.

If requests for the Newark directory from distant parts of the world continue as in previous years, mailmen as far east as Hong Kong and Japan are likely to find their bags a bit heavier on some delivery days.

The new directory cover, predominantly blue, is a salute to New Jersey's Cultural

Center in Trenton, which has been attracting more than half a million visitors each year since its completion in 1965. The full-color reproduction of a painting by Charles McVicker, a New Jersey artist, is an aerial view of the Center's four modern, white concrete structures—the Planetarium, the State Museum, the Museum Auditorium and the State Library.

The directory's back cover contains a brief description

of the Center and its facilities, and a sketch of its varied activities.

Zip code information, together with a postal zip code map for the multi-zoned Newark post office area, has been included again at the end of the Yellow Pages.

Customers who want additional copies of the new directory, or directories covering other New Jersey areas, may obtain them, free of charge, by calling their local New Jersey Bell business office.
