

Clara Maass Hospital Completes New Lobby, Entrance Elevator

Modernization Program's Final Stage

Clara Maass Memorial Hospital marked the fourth and final stage of its modernization and refurbishing program with ceremonies opening a new lobby arrangement Thursday.

Mayor Kenneth Smith of Belleville, assisted by Archie C. Barbata, President of the hospital's Board of Trustees, cut the ribbon marking the official opening of the new facilities which was followed by a tour by the Town Commissioners - Mrs. Mary Senatore, William Cullen, Joseph McGreevy, and Vincent Strumolo - of the new lobby.

During the luncheon which followed, Albin H. Oberg, Executive Director, spoke on the progress of the 420-bed hospital, made since moving to Belleville in 1957 and that this year - the 100th Anniversary year of the hospital - further expansion was started to provide for an additional 150-bed Extended Care Unit soon to be constructed.

Before construction can begin on the Extended Care Unit, the Belleville Commission must vote on vacating a proposed street where the addition is to be built. There is no street at present, so it is referred to as a "paper" street.

The Extended Care facilities will take care of patients who don't require acute care but "additional physical therapy or hospital treatments," according to Director Oberg.

Oberg commented that the new elevator would be a great help to elderly patients.

A new Visitor Control Desk has been provided designed to speed up the flow of visitors to the patient areas. For those who are required to wait for short periods of time, (Continued on Page 3)

Commission Passes \$8000 Appropriation For Welfare

The Belleville Board of Commissioners, in a special meeting September 5, passed Emergency Resolution #1 of 1968. It authorized \$8000 for an additional appropriation in the Welfare Department for public assistance.

The Commissioners authorized the Town Treasurer to issue checks to pay bills charged to the town.

A public hearing on an ordinance to create permanent positions and to adopt reclassification and compensation plans promulgated by the New Jersey State Department of Civil Service for the Town of Belleville was tabled to a later meeting.

Another ordinance providing for the purchase of land at 602 Union Avenue by the Town of Belleville which had been tabled at previous meetings, was continued on the table.

The Town Treasurer was also authorized to pay the payroll for the weeks of August 29 and September 5.

Three special police officers for the Town of Belleville were appointed at the meeting. They were: Sarah Ann Tirone, Philip A. Newcome, and Anthony Caruso. Two reports were also submitted to the Commissioners. One was a report by the Recreation Department on Summer Playground Attendance. The other was a report of Ambulance activities for the month of August submitted by William G. Fabian, Jr., Deputy Chief.

When it came time for the hearing of citizens, one lady timidly stepped forth. She mentioned that she had a sister who recently was killed when she drove off the road at night to avoid hitting a boy on a bicycle.

She also said that on the way to the meeting that night, she nearly hit a youngster who was riding without a light on his bike.

The woman wanted to know if there were any laws in the town which could make bikers use safety devices such as lights and reflectors.

All the commissioners agreed that the problem should be looked into. Town Clerk Eugene Barnett said that there was an ordinance which did restrict the use of bicycles on the town streets.

Mayor Smith told the woman that he would instruct the police to enforce the ordinance.

Commissioner McGreevy moved for adjournment, and the motion carried. The next meeting of the Board of Commissioners will be held on Monday, September 23 at 8 p.m. in the town commission chambers.

Medals Go To Widow

The nation's second highest combat award, the Distinguished Service Cross was presented posthumously recently to Mrs. Gail Crowell of 740 Riverside Avenue, Lyndhurst by Maj. Gen. John G. Cassidy, commanding general of the 78th division (Training) at the division's headquarters here.

SP-4 Crowell had volunteered for a specially selected mission and was driving an armored personnel carrier towards a Viet Cong position when rockets and small arms fire destroyed his vehicle. His heroism under enemy fire earned him the Distinguished Service Cross in this engagement.

A graduate of Belleville High School, SP-4 Crowell was drafted in the army on Sept. 20, 1966 and took basic training at Fort Hood, Texas. He went to Vietnam on Oct. 13, 1967. He would have celebrated his 21st birthday on (Aug. 16). Son of Mr. and Mrs. Melville Crowell of Belleville, SP-4 Crowell was scheduled to return home just after he was killed.

Married to the former Gail Corino of Belleville, he was born in Newark and met his wife at a religion class at Holy Family Church in Nutley in 1957. His wife was the instructor in a confirmation class in which Crowell was a member. They were married Sept. 16, 1966. A brother, Winfield returned from Vietnam army service in March of 1967. A son, Roger, was born to SP-4 Crowell and his wife a year and a half ago.

Widow of SP-4 Roger B. Crowell, who was killed in Vietnam on Jan. 31st of this year also received seven other medals earned by her husband. These included two purple hearts. SP-4 Crowell was with the 3rd Squadron, 4th Cavalry, 25th Infantry Division and was on a mission at Tan Son Nute Air Base when he was killed by enemy fire.

POSTHUMOUS MEDAL—Mrs. Gail Crowell accepts the Distinguished Service Cross honoring her late husband, SP-4 Roger B. Crowell, who died in action in Vietnam on January 31 from Maj. Gen. John G. Cassidy, commanding General of New Jersey's 78th Division, U.S. Army reserve. Ceremonies took place at Camp Kilmer on August 15. Looking on are Mrs. Melville Crowell, the soldier's mother, and his son, Roger, Jr., are 1½. Mrs. Crowell was also presented with two purple hearts, Good Conduct Medal, National Defense Medal, Vietnam Service Medal, Vietnam Campaign ribbon. The Distinguished Service Cross is the Nation's second highest award for combat heroism.

Legion Attending Confab

Commander Patrick J. Wynn will lead a large contingent of Belleville Legionnaires to the 50th Annual Department Convention to be held at Wildwood on September 19, 20, and 21.

Headquarters for the Belleville Post #105 group will be the Bonita Motel where the members and their wives will be housed.

Delegates and alternates to the convention will hear and see quite a large number of dignitaries. Included in this invited group are Governor Richard B. Hughes, Senator Clifford Case and Senator William H. Williams. Also on the program will be both state and national officers who will delve into state and national programs of the Legion.

The convention will be opened by Department Commander West and will culminate in the selection of a new commander to lead New Jersey during 1968-69. The new state commander will be installed on Saturday the 21st.

Delegates and their wives will be treated to some fine music and singing by several Legion bands and choral groups. Also on schedule is a band concert on Friday evening the 20th from the Starlight Ballroom. On Saturday evening the Convention will close with a gala ball from the Starlight Ballroom.

Of interest to the Belleville group will be the fact that Essex County Legionnaires will be lead in the huge parade set for Saturday afternoon by Essex County Commander Patrick J. Lee, former commander of Post #105. Members are all set to back up Commander Lee in the parade.

Of further interest to the Belleville group will be the competition of bugle and drum corps that will take place at the Wildwood Football Field at 10 a.m. on Saturday the 21st. This will determine the State Championship in both Junior and Senior ranks.

Delegates and alternates planning to attend the convention include: Commander and Mrs. Patrick J. Wynn; 1st Vice-Commander and Mrs. Kenneth D. Palon; 2nd V.C. and Mrs. George Simon; 3rd V.C. and Mrs. Anthony Mariani; Chaplain, Frank Kieran; Adjutant and Mrs. George K. Mitchell; Sgt. at Arms and Mrs. Angelo Mione; Service Officer and Mrs. Joseph Farrell; Mr. and Mrs. Peter Johnson; Mr. and Mrs. Meredith Marx; Mr. & Mrs. Jack Throckmorton, Sr.; Past Commander and Mrs. Jack Gordon; Mr. and Mrs. Raymond Carnasciole; Mr. and Mrs. William McCoy; Mr. and Mrs. Fred McGarrill; and Mr. and Mrs. Walter Weiss.

Chamber Grilled At Fountain

The Belleville Chamber of Commerce will participate in a New Jersey Bell Telephone Company quiz program, "Ten Seconds for Safety," which entertains while it helps make audiences more safety conscious.

The safety quiz is played in two ten-minute parts. Teams, selected from the audience, compete for points in answering four different categories of questions on safety. Included in these categories are questions on first aid, and on home, auto, and vacation safety. Speed and accuracy are required in answering.

Team scores will be displayed on electronic tote boards and time will be kept by a clock-buzzer arrangement. During the second half of the quiz, a lecturer-moderator will use a screen and slides to depict safety situations described in the questions to assist the teams in answering.

Votes by three judges, also selected from the audience, will settle borderline answers. All questions have been verified by safety officials and represent current safety practices.

The quiz program will be held at The Fountain, 12:15 p.m. Tuesday, September 17. Participating will be George K. Young of Belleville, George Young joined the New Jersey Bell Telephone Company in 1952. He has held a number of positions in the Plant, Commercial and Marketing Departments before being named Public Relations Supervisor in 1967.

Young attended Rutgers University and the University of California. He served in the United States Army during the Korean conflict. George is active in community affairs.

Pico Is Picked; Hearing Today

Former Mayor Nuncio Pico's home was broken into and robbed last Friday. Two men were arrested later that night in conjunction with that robbery, and two others which occurred on Thursday and Friday.

Arrested were two Bloomfield men, Patrick Mando, 25, of 269 Ampere Parkway, and Frederick Albanese, 28, of 2 Columbus Street. Both men were released Saturday afternoon on \$1000 bail on charges of breaking and entering, and larceny.

According to the police, the two men entered the home of Frank Cioffi at 428 Belleville Avenue on Thursday night by cutting a front window screen. The alleged thieves then took a quantity of jewelry, clothing and a tape recorder.

The next day the former mayor's home at 491 Jorammon Street was the victim of a similar robbery. The thieves again entered through a window screen, and took jewelry and clothing from Pico's apartment and that of Armando Anaco of the same address.

When the pair were picked up 10 hours after the last burglary, police claimed that they had a quantity of the articles taken from the homes in their possession.

Detectives Kenneth Place and Harold O'Reilly were again the officers conducting the investigation. Last month they were the men who broke a burglary ring that was plaguing the citizens of Belleville and surrounding communities.

Mando, who was released on bail Saturday afternoon, was back in jail by Monday afternoon. He was picked up on a narcotics charge for possession of a hypodermic syringe, and is now being held in lieu of \$5000 bail in the town jail awaiting hearing of all the charges against him.

The preliminary hearing for both of the men on the breaking and entering, and larceny charges will be held this morning in Belleville Municipal Court with Judge Edward Abramson presiding.

Measles Vaccine Program

The Belleville Health Department is offering free measles vaccinations to town youngsters next Wednesday at the department office, 64 Belleville Avenue.

The shots are free because Belleville is eligible for state aid funds. To qualify for state supported health programs, a town must have a full-time health officer. Through the efforts of Commissioner Vincent Strumolo, Belleville has the services of Health Officer Dr. J.R. Bevinetto--full time. Dr. Bevinetto is supervising the vaccination program.

"That's why I fought for so long to have a full-time health officer," said Strumolo, "to qualify for state funds, which allows us to take advantage of such programs." The measles program is one of the benefits of qualifying for state funds. "Next year, I'm looking for an increase in aid and programs," said the Health and Welfare Department head.

Children should be vaccinated if he or she has not had the measles; has not already been vaccinated; is between the age of one and six; does not get a reaction from eggs and doesn't have a cold or fever.

September 18 is the date, from 1:30 to 3:30 p.m.

Taxpayers Get Respite

Belleville taxpayers can breathe a little easier because of the honesty of a small boy's parents.

Two weeks ago the Times published a picture of vandalism at School 7, and mentioned that the taxpayers were the people who suffered when such acts of destruction were done to public property.

This time, however, the bill for the damages wasn't footed by the residents of the town, but rather by the father of the boy who did the damage. As soon as the man heard that his son was responsible, he offered to make restitution.

Caught Parking Without Paying

Miss Mary Rose Cuono of 11 Kidge Terrace, West Caldwell was fined \$5 for overtime parking at the September 5 meeting of the Belleville Municipal Court by Judge Edward Abramson.

HONORING CHRIS—Belleville will hold its first Columbus Day Parade in the history of the town on Sunday, October 13. Commissioner Vincent Strumolo (right), has been chosen Grand Marshall for the affair. At left is former Essex County Assemblyman Joseph G. Biancardi, Chairman of the Parade Committee.

Columbus Day Parade Group Meets Tonight

The Action Committee of Belleville's First Columbus Day Parade will hold its most important meeting tonight.

The meeting will be at the Belleville Town Hall at 8 Sharp.

The program and Parade Coordinators will begin finalization of the floats, bands, line of march, reviewing stand etc. Everyone interested is invited.

Failure To Stop Doesn't Stop Fine

Miss Charlene G. Marziale of 17 Madison Avenue, Montclair, was fined \$15 by Judge Edward Abramson for going through a stop sign.

The Judge issued the fine at the September 5 meeting of the Belleville Municipal Court.

OBITUARIES

Samuel Gibbler; Noted Musician

Samuel R. Gibbler of 274 Ralph Street, Belleville, died on September 4 in Clara Mass Hospital. He was 73.

Born in Mattoon, Illinois, he lived in Belleville most of his life. He was a musician until he retired eight years ago. Gibbler played trumpet with the Paul Whitehead band and the Ringling Brothers, Barnum and Bailey Circus band. During World War II, Gibbler played for the Army band.

He leaves his wife, Mrs. Margaret M. Gibbler, four sons, Robert R. of Clifton, Richard H. and Frank C. of Bloomfield, and William G. of Newark; and five grandchildren.

SCHOOL TODAY...

COLLEGE TOMORROW...

with help from Allstate

If your child wants to go to college, wouldn't it be a shame if the lack of money is all that holds him back?

Especially when statistics show that a college education costs a few thousand dollars-- adds an average of \$100,000 to a man's lifetime earning power...

Here is a practical plan that makes sure you'll have money to help, no matter what career your youngster chooses.

Allstate College and Career Plan. It's a unique kind of life insurance policy that can cost you as little as the price you'd pay each week for a carton of two of cigarettes.

You make regular monthly payments. You can comfortably afford them. When your child needs financial help the most, you'll have a substantial sum of money on hand to give him that help.

Let an experienced Allstate Agent show you the 4 ways you can use this new Plan.

For example, by beginning now you can start your child to college for a cost averaging

as little as \$250 a week. If you prefer, you can let Allstate Agent and he'll gladly come to your home.

50-Cent Dividend Set At Newark & Essex Bank

The Board of Directors of National Newark & Essex Bank has declared a quarterly dividend of 50 cents per share on its capital stock for the three months period ending September 30, 1968, it was announced today by Board Chairman Robert G. Cowan.

Burglars Off To Grand Jury

Both John and Robert Thomas of 84 Washington Avenue, Belleville, waived their right to a preliminary hearing, at the August 29 meeting of the Belleville Municipal Court.

The men were charged with breaking and entering and larceny. Judge Edward Abromson referred the case to the Grand Jury.

Didn't Want License

Failure to comply with a New Jersey law, which requires applying for a driver's license after a person has resided in the state for 60 days, cost Teddy Van Denny of 10 Chestnut Street, Nutley, \$25 at the last Thursday's meeting of the Belleville Municipal Court. Judge Edward Abromson issued the fine.

Red Cross, Blood Bank Separate

The Essex Chapter of the American Red Cross is severing its working relationship with the Essex County Blood Bank after 20 years of association.

The decision was made known in a letter to Dr. S. William Kalb, president of the Essex County Blood Bank, from Robert S. Puder, chairman of the Red Cross Chapter.

According to Puder, an orderly withdrawal from the Essex County Blood Bank program will begin immediately and be completed no later than Jan. 1, 1969.

In his letter to Dr. Kalb, Puder stated the decision was based upon the recommendations of the Red Cross representatives of the Blood Study Committee, Puder said.

"As you know, the other members of this committee were from the Essex County Blood Bank and the Essex County Medical Society, with the Hospital and Health Council of Metropolitan New Jersey serving as impartial convenor. After several committee meetings, the Red Cross members were advised that the Blood Bank's Board of Trustees had completely rejected the Red Cross proposals to arrive at a written understanding of the duties and responsibilities and basic

policy of each organization despite the fact that our representative made it repeatedly clear that Red Cross was most willing to negotiate any of the points in the memorandum of understanding."

"In addition," Puder continued, "the Blood Bank had nullified the long-standing arrangement that the Red Cross was responsible for blood donor recruitment by taking full responsibility themselves and by their hiring of a recruiting director."

The Essex Chapter of the Red Cross, Puder said, plans to initiate a "walking donor"

program in cooperation with local hospitals which will increase the total blood supply.

"This program will be undertaken coincident with the chapter's withdrawal from the Essex County Blood Bank and

will supplement and not compete with the Essex County Blood Bank," stated Puder.

The Red Cross Chapter chairman expressed the hope that the joint efforts of the Blood Bank and the Red Cross, although working separately, will provide a more complete blood program in Essex County.

The New Hospital Elevator

Hospital facilities are needed in abundance, even in towns the size of Belleville. Ergo it is hoped that the technicality of vacating a proposed street—on the site of the future 150-bed extended care unit at Clara Maass—will be expedited by the Commission.

The completion, in three months time, of a badly needed elevator to assist older and incapacitated patients entering the hospital, is another example of how the administrators of Clara Maass Memorial Hospital respond to communal obligations and speedily.

Mr. Alvin Oberg, the hospital's executive director, has noted that the costly elevator in-

stallation project began with a letter from an elderly woman on the inconveniences of the entrance stairway. Mr. Oberg commended the Belleville Commissioners and the community for the cooperation extended in assisting the hospital with the planning and speedy completion of the project.

Having had the experience of hobbling and trundling down a flight of stairs to have a cast applied to an injured knee (because the elevator was out of service) we can appreciate the grumblings about such deficiencies. Thus we vote communal thanks to Clara Maass Hospital for responding to a community need.

The Census Probe

Several Congressmen have objected strongly to plans for the 1970 census, plans which include 120 questions probing more deeply into the personal lives and habits of Americans than ever before.

Census takers would ask every American to give the source of all income, the value of his or her property, tell with whom he shares his bathroom, tell his marital, educational, military and employment history, etc.

Ohio Republican Congressman James Betts

has introduced a bill to bar the bureaucrats from obtaining this information under threat of a penalty of 60 days in jail or a \$100 fine or both—the present plan. He is acting in the interests of the average citizen, and almost certainly has the support of a majority.

So long as questions are voluntary, census takers should have wide latitude in formulating them. But we are not willing, as a free people, to give bureaucrats jail powers over those who refuse to answer overly personal questions in censuses.

New Car Time

September is new-car time in the United States, a unique event which occurs only in this country, when manufacturers show new models—and tell the public why the improved, advanced, modernized, models are "musts."

Hundreds of millions are spent by U.S. manufacturers in the annual September competition and much of it goes into advertising, which lists the new features of the various models. John Q. Public is told that this is the best model yet, and flowing descriptions of new features and so-called new features follow.

And, interestingly, many Americans react

to the big push, their appetite for a new car whetted. There is also unquestionably an element of keeping up with the Jones' in lower levels of American society, where the car one drives becomes a status symbol.

The news about 1969 models, now appearing, is that they are bigger and more expensive, on the average, than 1968 models. With inflation already threatening the stability of the economy, and the dollar, this is unfortunate. The increased size of so many U.S. cars will offer an increasing opportunity to foreign models—at least until new U.S. compacts make their appearance in 1969.

Hopped-Up Canaries

Health authorities in New Jersey have been busy recently destroying an estimated 20,000 marijuana plants discovered growing blissfully in Jersey meadows. Helping in the destruction, in the Hackensack River lowlands at least, were flocks of wood pigeons. They were described as getting their flying kicks from the diet—and were used by health inspectors to locate the plant. That is only part of an interesting tale. It can now be revealed that canary bird seed contained—until federal authorities discovered it and eliminated it—marijuana seed. That's what made the canary sing. He was hopped up.

The sweepings from canary cages went

into garbage cans and the contents were dumped in the Hackensack River meadows. The seed germinated and produced a fine crop of marijuana. State Health Inspector Donald Foley estimated the crop at 20,000 plants or more.

And so it is being destroyed and canary food has had the kick removed (bird dealers say canaries no longer sell as well or sing as well). Looking back, one can hardly suppress a smile over the realization that while Aunt Tilly enjoyed her cup of proper tea, or something stronger, her canary was going her one better.

Nixon Beats Humphrey

The latest Gallup Poll, conducted after the Republican convention at Miami but before the Democratic convention at Chicago, is ominous in its impact for supporters of Vice President Hubert Humphrey. It shows G.O.P. nominee Richard Nixon has pulled far ahead of the present Vice President.

Whereas a mid-July poll showed Nixon and Humphrey running close, Nixon with 40 per cent and Humphrey with 38 per cent public support, the August poll reveals Nixon has widened the gap to 45 per cent to 29 per cent. This is a wide lead and represents a loss to Humphrey, in a national election contest, by many millions of votes.

Even considering the fact that Nixon made

his nationwide acceptance speech at the Republican convention in the interval between polls, the extent of the change in one month is significant. And it should be remembered that in the mid-July period Vice President Humphrey was also repeatedly exposed to national television audiences.

One result of the August poll is to focus great attention on the September opinion sampling. This will reflect whatever influence the Democratic convention has had on the electorate. If Humphrey doesn't make up most of the heavy loss he suffered between mid-July and mid-August, his candidacy will obviously be in trouble, for he began as the candidate of the majority party.

Prague and Washington

The months of intimidation of Czechoslovakia in 1968, while Washington remained silent, will long be remembered as one of the shabbiest chapters in American history. The howls after troops had occupied the country helped the Czechs very little.

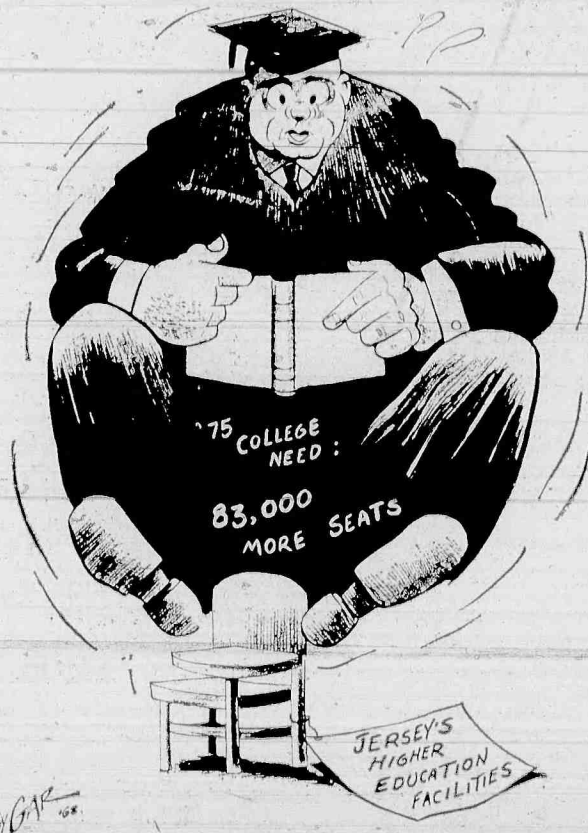

President Johnson is embarked on a costly expansion of a war in Asia, propping up a regime that is undemocratic, and as a result was unable to help a European people who fervently desire democracy and long for freedom—which cannot yet be said for the majority in South Vietnam.

The President and Secretary of State have been outmaneuvered by Moscow. While Mr. Johnson was thinking of visiting Russia, hoping for Russian help in ending the war in Vietnam, and seeking closer U.S.-Russian relations, he has—in effect—given the green

light to the Russians to do what they pleased. Moscow knew well Washington's flinching mood. This, then, is another terrible cost of the U.S. war in Vietnam. Mr. Johnson, so proud of his many domestic programs, is certain to face a cold unflattering light of historical judgment in the field of foreign affairs.

The administration, intrigued by hopes for a detente with Moscow, crippled by the awful cost of a war in Asia, couldn't exert any pressure in the defense of the freedom of a people whose country was, to a large degree, a triumph of Woodrow Wilson in 1919. America's silent, immoral role in the tragic Czech crisis of 1968 (until after the game was lost) will cost the nation dearly throughout the world. And it will be a prime topic in the presidential election.

Tight Squeeze in New Jersey

Seems Only Yesterday

1 YEAR AGO

The Belleville Fire Department Ladies Auxilliary was continuing their interesting service for the local families with boys in Vietnam. The organization was sending packages of food, candy and other items which are difficult to obtain in Southeast Asia, to Belleville servicemen.

The local schools began a traffic safety program aimed at making every student of every school conscious of the need for traffic safety.

5 YEARS AGO

The committee to recall three City Councilmen fell short of the signatures necessary to earn a place on the November 5 general election ballot. The defeat for the insurgents did not deter the group from laying plans for a special election before January.

Ernie Rafter, a partially paralyzed former boxer, was surprised by four neighborhood boys who worked for the money needed for an exercise machine. The most enjoyable gift I ever received, Wonderful, just wonderful...I live for these kids," Ernie said earnestly.

10 YEARS AGO

Evan H. Thomas, Superintendent of Schools, was not particularly turned on by proposals to teach Russian in the public schools. Thomas cited the current poor relations between the Soviet Union and the United States as one reason for being cool to the teaching of the language.

The Adult School announced the invitation of a course in Russian language and culture, conducted by Mrs. Pearl Tucker.

15 YEARS AGO

The New Jersey Historical Society commemorated the 200th anniversary of the arrival of the first steam engine in America. The production secret of the steam engine had been one of the best kept of the English Industrial Revolution. It is now two centuries since Josiah Hornblower snuck it over the ocean. The honored engineer is buried in the cemetery of Belleville Reform Church.

The Clippers rolled to a two-straight victory in the Belleville Little World Series. Again overwhelming the Giants, 13-2, the winners combined powerful pitching and consistent slugging. Ray Mastrandea allowed only one hit and combined with battery mate Marty Carluccio to produce seven hits.

Belleville's Riviera Park announced a large schedule of roller skating.

20 YEARS AGO

The Times revealed that the Belleville Police Department conducted an annual burning of the harvest of marijuana, which grew wild in Belleville. Every year, several hundred pounds of the stuff was destroyed.

The Franklin Theatre announced that on Saturday afternoons fifteen thrilling chapters of the adventures of Superman would be shown to his many fans. Also playing was "Jitterbugs", with Laurel and Hardy.

25 YEARS AGO

Governor Edison of New Jersey proclaimed that the counties of Essex, Hudson, and Union were operating war production plants with severe manpower shortages. Therefore, he called for "womanpower". All able-bodied women were requested to seek employment—preferably in war-related areas.

Congressman Fred Hartley scored the "divided authority" in the federal Office of Price Administration. Hartley was particularly ticked off about gasoline distribution practices. He was incensed at what he considered short-changing of the East.

30 YEARS AGO

The possibility of putting traffic signals on Centre Street at Union and Passaic Avenues was discussed by the town commission. The increased number of auto accidents at these intersections was the reason cited for the lights.

A resident on Centre Street made a complaint to the town commission concerning the speeding done on Centre Street after the races at the Nutley Velodrome. She invited the board member to come and sit on her front porch after the races and see for themselves. The complaint was referred to the police department.

35 YEARS AGO

The town tennis championship was filled with surprises as the veterans fell before the attack of a group of very talented youngsters. Two of the latter group, Ray Smith and Bill Caldwell, reached the final round in difficult semifinal matches. The doubles final pitted Walter Moss and George Anderten against Harry Estelle and MacMillan. The town officials were discussing the possibility of holding a National Recovery Agreement parade. They were also urging employers to hire more workers, give them higher wages, and to shorten the working hours. All citizens were asked to buy in Belleville.

Speak Up

Takes Exception To Plane Crash

To The Times:

Since I am a private pilot and fly my own single engine plane, I take exception to your editorial "Death in a Private Plane".

The "Airlines" have been trying, for a long time, to degrade "General Aviation" which is the largest segment of all flying in this country. In 1966 there were 104,706 registered general aircraft compared to 2,379 registered airline planes. In this same year General Aviation flew a total of 21,023,000 hours compared to Airlines 5,109,992 hours flown. General Aviation also transports more passengers per year than the airlines and the birth rate of General Aviation is greater than the Airlines. These figures are from A. O. P. A. (Aircraft Owners & Pilots Association) which has a membership of 145,000 and if it wasn't for them fighting for our rights in Washing-

ton, General Aviation would be as in Europe, almost nonexistent. The reason is obvious; the public prefers personal, rather than mass transportation. Airlines serve only 521 of this country's 10,015 airports, which they do not own while General Aviation owns 6,296 airports.

In the accident you cited, facts established by an investigation found the Cessna to be flying in good weather and at the proper altitude, legally. The Convair 580 had been warned, by Milwaukee approach control radar, three times, of the Cessna's presence one last time being 48 seconds before the collision.

This is not an isolated case as most times when small planes have been put to blame, the accident reports prove otherwise.

Very truly yours,
Edward J. Littig

Vietnam Soldiers Protest Plight

To The Times:

I am enclosing herewith a "Poem" that I clipped from a small newspaper in Cape May County, New Jersey. Feeling that it had great merit, I was interested in having it reprinted in our local paper, and for that reason it is being submitted to you.

Hope, after reading same, that it will have made a similar impression and be worthy of your consideration.

Very truly yours,

A.M. Weiner
41 Cathedral Avenue

(The following poem was written by three soldiers in Vietnam, one of them Julino A. Savino, A Company, 23rd Div., Supply and Transport. It was submitted to this paper by a friend.)

Take a man then put him alone
Put him 12,000 miles from home
Empty his heart, oh all but the blood,
And make him live in sweat and mud.
This is the life I have to live,
And why my soul to the Devil I give.
You "Peace Boys" rant from your easy chair,

But you don't know what it's like over there.

You have a ball without near trying.

While over here your boys are dying.

You burn your draft cards and march at dawn.

Plant your signs on the house lawn.

You all want to ban the bomb. There's no real war in Vietnam.

Use your drugs and have your fun.

And then refuse to use a gun. There's nothing else for you to do.

And I'm supposed to die for you?

I'll hate you to the day I die, You made me hear my buddy cry.

I saw his arm, bloody shed, I heard them say "this one is dead."

It's a large price he had to pay Not to live another day.

He had the guts to fight and die,

He paid the price, but, what'd he buy?

He bought your life by giving his,

But who gives a damn what a soldier gives?

His wife does, his mother or son,

But they're about the only one.

SOCIAL AND CLUB NEWS OF COMMUNITY INTEREST

Mrs. Philip Rinaldi - nee Susan McGill

Mrs. Daniel Martin - nee Janet Mulligan

Mrs. Gary Weaver - nee Margaret Oschwald

Mrs. Vincent Carsillo - nee Eleanor Martins

Susan Kathleen McGill Wed To Philip L. Rinaldi

The wedding of Miss Susan Kathleen McGill, daughter of Mr. and Mrs. Thomas F. McGill of West Caldwell and Philip L. Rinaldi, son of Mr. and Mrs. Louis Rinaldi of 95 Liberty Avenue took place September 8 at Notre Dame Church, North Caldwell.

The Rev. Vincent J. Bonelli performed the ceremony. A reception was held at Westmount Country Club, West Paterson.

Escorted by her father, the bride was attired in a sleeveless gown of English net with a bib of Venice lace and a lace border around the bottom of the dress. A wattleau train was also of net.

A matching net mantilla applied with lace fell the length of the train and she carried a cascade of stephanotis and phalaenopsis orchids with variegated dracena foliage.

Miss Marilyn Sincov of Union was her cousin's maid of honor. Bridesmaids included the bride's cousin, Mrs. William Sheppard of Belmar, the groom's sister, Miss Marie Rinaldi of Belleville, the groom's cousin, Miss Vivian Leto of Belleville and Miss Jane Hogalin of Wanaamassa.

They were in shocking pink A-line gowns of chiffon over taffeta with satin standup col-

lars and satin trains. Headpieces were veiled Dior bows and they carried cabbage roses with foliage.

Norman Sturn Jr. of Belleville was best man. Ushers included Edward J. Burdzy of Dover, Lloyd Montarosa of Belleville, the bride's cousin, Robert Hagel of Newark and Albert Patterson of Lyndhurst.

Mrs. McGill chose an emerald green gown of silk and worsted with a beaded collar and sleeves. Matching accessories and a purse corsage completed her outfit. The groom's mother wore a pink satin gown with a portrait neckline of pearls and crystals, baby pink accessories and a purse corsage of small pink roses.

Mrs. Rinaldi is an alumna of Newark School of Fine and Industrial Arts where she majored in advertising design.

Mr. Rinaldi, an alumnus of Newark College of Engineering with a degree in chemical engineering, is with Proctor and Gamble, Staten Island, New York.

The couple will live in New Brunswick following a honeymoon in Puerto Rico.

Miss Mulligan Married In St. Peter's Church

Miss Janet Deborah Mulligan, daughter of Mr. and Mrs. Joseph E. Mulligan of 581 Belleville Avenue became the bride September 7 of Daniel Patrick Martin, son of Mr. and Mrs. Edward Bogert of Ortley Beach.

The Rev. James F. Heavey performed the ceremony in St. Peter's Church. A reception followed at Westmount Country Club, West Paterson.

Escorted by her father, the bride wore a candlelight gown of silk organza and rose point chantilly lace with a matching chapel length train.

Her headpiece was a matching veil of lace and silk tulle and she carried a cascade of baby orchids and stephanotis.

Mrs. Robert McMaster of Clark was matron of honor. Bridesmaids were the bride's sisters, Mrs. Jerome Weber of Arizona and Mrs. Patrick O'Connor of Livingston and Miss Carole Jones of Newark. Patricia Ann O'Connor was flower girl.

They wore gowns of anna faille trimmed with white lace.

matching silk tulle hairs and carried cascades of fuchsia mums. John McGlade of Kearny was best man. Ushers were Leo Gardas of Kearny, Mrs. O'Connor and Mr. McMaster.

Mrs. Mulligan chose a pink silk gown with bodice and sleeves of pink lace. She wore a pink orchid. The groom's mother was in a mint green crepe gown and had a green orchid corsage.

A graduate of Immaculate Conception College, Mrs. Martin is a staff nurse at St. Mary's Hospital, Orange.

Mr. Martin, an alumnus of Toms River High School, is an aviation electrician's mate stationed at Lakehurst Naval Air Station.

SCHOOL DAYS WILL SOON BE HERE

Mothers now are busy preparing their children for school. Many will take them to a physician for a physical check-up to make certain they have the physical vigor to fight off an invading germ or virus. Exposure to many other children increases the possibility of catching something.

The older children going on to college need help to make certain they do not suffer nutritional dangers. They are apt to eat hurried meals that do not contain sufficient amounts of the vitamins and minerals their body needs. We can help you select a good product, made by a dependable manufacturer, which will insure minimum requirements.

YOU OR YOUR DOCTOR CAN PHONE US when you need a delivery. We will deliver promptly without extra charge. A great many people rely on us for their health needs. We welcome requests for delivery service and charge accounts.

Coccia Elected Unico Director

Joseph Coccia, Jr., President of the Coccia Real Estate and Insurance Agency of Kearny, was overwhelmingly elected and sworn in as Director of Expansion for Unico National, at its 40th annual convention, held recently at the Pfister Tower Hotel, Milwaukee, Wisconsin, with over 700 persons in attendance representing over 100 chapters throughout the Country.

Coccia, A Charter Member and Past President of the West Hudson Chapter of Unico National, Past District Governor

Joseph Coccia

Highway Users Backing Transportation Bond Issue

The New Jersey Highway Users Conference today announced its endorsement of the state's \$640 million bond program for transportation purposes.

of New Jersey VII, has been a member of Unico National for about 10 years. Besides being elected Expansion Director in Milwaukee, Coccia was presented with a plaque and certificate of accomplishment, as one of the two outstanding governors in Unico National, and was cited by Mario Di Giovanni, outgoing National President, for his dynamic and inspiring leadership in his district and for distinguished qualities of character and leadership so essential in building intelligent and useful citizenship.

Steve Mastropietro, of Englewood Cliffs, New Jersey, was sworn in as Unico National's new President. Coccia's new assignments should take him around the country quite frequently in the coming months.

Unico National is a service organization made up of American Citizens of Italian extraction or American Citizens married to persons of Italian heritage. Its motto is "Service above Self", and all chapters throughout the Country promote good fellowship; award scholarships to needy students; participate in national mental health programs, and conduct programs for charity and take part in civic endeavors. Letters of the word UNICO Stand for-- Unity---Neighborliness---Integrity---Charity---Opportunity.

Coccia is married to the former Elda Soriano, and resides on Belgrove Drive, Kearny, with his wife and four children, Genevieve, Elisa, Marisa and son Joseph III.

Sports of The Times

By RICHARD DE SINA

Bellevillites won't be seeing Phil Grippaldi until after the Mexico Olympics. He competed successfully in the trials and is training in York, Pennsylvania as a member of the team.

Local jetties: Ralph Vreeland, sophomore at Lafayette is expected to be a steady point producer for the Leopard cross country team. He won nine of the 11 dual meets he ran in as a freshman. Bill Karatz, previously a member of the Seton Hall soccer team, can really run and is counted on as a prime pass receiver for the Setonia club football team. Joe Mossa, 28 Smallwood Avenue, a senior at Penn Military, is a candidate for the varsity grid squad. He is at New Hampshire, attending pre-season training camp.

What is the record for the longest return of a missed field goal in the NFL and who is the holder?

Mighty Mouse

While knee operations are not recommended for their therapeutic value, unless you happen to have an injured knee, San Diego's Dick Post appears faster after his, "Mighty Mouse", as his teammates call him, is making Charger fans forget Keith Lincoln and Paul Lowe. With Post, Lance "Bambi" Alworth and Speedy (no misnomer) Duncan, the Chargers perpetuate their speed image and the epithets for ballplayers heritage.

The Buffalo Bills are forced to go with rookie quarterback Dan Darragh, from that well known football factory, William & Mary. For the first quarter against the Patriots, he looked like the man he replaced, Jackie Kemp. One thing, AFL officials are less corpulent this year. The league is really improving.

Observations: Bobby Cox is no Billy Cox at third. Timmy Brown is now a Colt. He's the same runner--minus maybe a step and a 2 on his jersey. How about Mat Alvin Reed of Houston.

Ashe An Amateur

Al Nelson of Eagles returned a Lou Groza missed field goal 100 yards against the Browns on Dec. 11, 1966. Dutchman Tom Okker hits a tennis ball with English. He destroyed Ken Rosewall (his first defeat at the hands of an amateur) in the U.S. Open semis. Arthur Ashe destroyed him in the final, without the incentive of money. Okker got the \$14,000 first prize money. Amateur Ashe received expenses. Ashe, who served 26 untouchables, has now won 26 straight matches. Impassive as well as insuperable, Ashe describes his play as "a man out on a Sunday stroll." His job was tremendous. Bud Collins referred to him as "Sky King."

A magnificent cross-court forehand broke Okker's serve in the second game of the fifth set. Okker didn't win a point in the final game of the match. As long as he doesn't jaywalk, Ashe can continue singing, "Come Let's Stroll."

State Deer Trophy Program Initiated

A New Jersey trophy deer recognition program was announced this week by Commissioner Robert A. Roe of the State Department of Conservation and Economic Development.

The program will start with 1968 New Jersey deer hunting seasons, including bow and arrow, October 5-November 7, firearm, December 9-14, and special permit, December 21. It is co-sponsored by

the Conservation Department's Division of Fish and Game and the New Jersey State Federation of Sportsmen's Clubs. Coordinators are Fish and Game Public Information Assistant Robert L. McDowell and Charles W. Wright, Chairman of the Federation's deer committee.

The competition will be divided into two sections, the

Eagles Rip Giants 21-7 In Jaycee Classic At Princeton; Local Football Fans Attend

Fumbleitis hit the Giants; coupled with the onslaught of three former Notre Dame gridgers and an Irishman, they fell to the Philadelphia Eagles 21-7 last Saturday at Princeton's Palmer Stadium in the 7th Annual Jaycee Classic. Jaycees from Belleville and Nutley attended.

John Huarte, former Heisman Trophy winner, ran for one score; jarring Larry Conjar was the Eagles top rusher and linebacker Arunas Vasys, who was in on at least every tackle, led the assault by the Irish alumnus. They were aided and abetted by two interceptions by Adrian Young (he was only half as effective as last year, when his four interceptions helped down the Irish for Southern Cal), who was born in Dublin. It was the Eagles fourth straight win in the series. The Giants won the first three. Maybe they can go for an Irish fifth next year.

The Eagles were missing ten starters through injuries and Army reserve duty, including Nutley's Ben Hawkins at flanker. Two New Jersey rookies, John Mallory from Summit and Al Lavan from Newark, filled in at safety. Mallory picked up a Ronnie Blye fumble and ran it in for a touchdown. Blye fumbled twice; Randy Minnear once. Despite the fumbling, Blye, who can fly and Tucker Frederickson emerged as the best running backs Allie Sherman has.

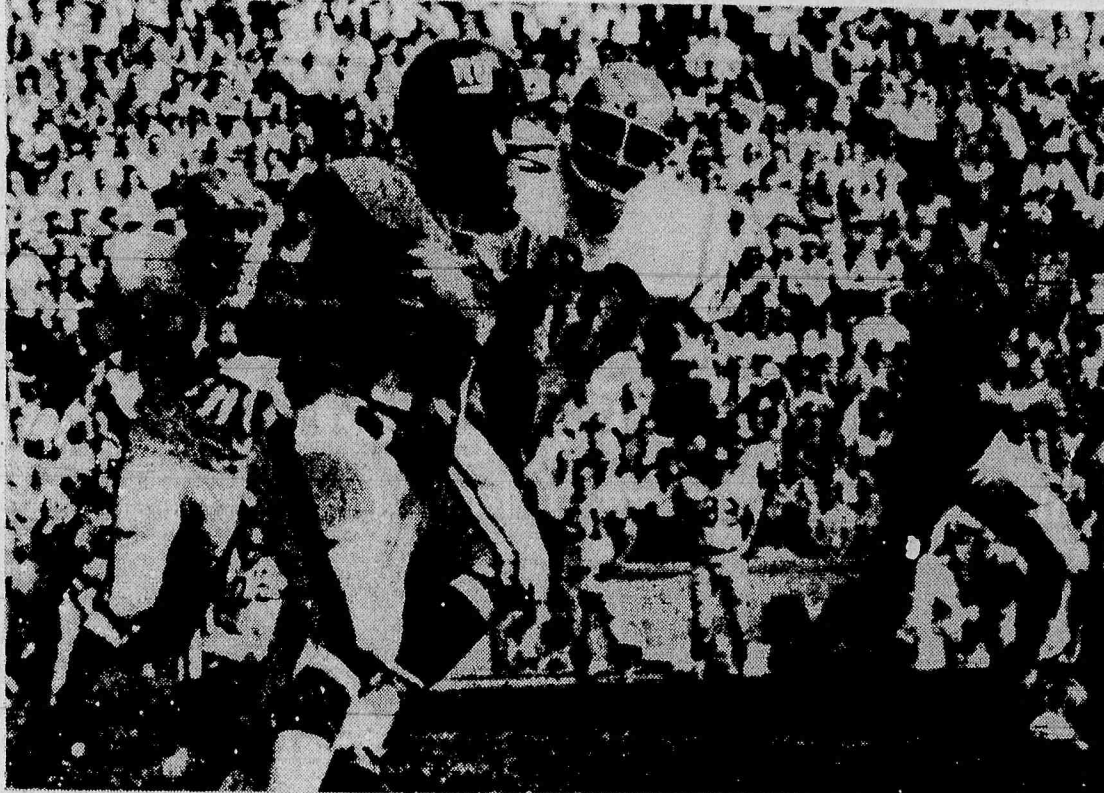

Each team had possession of the ball twice when Young intercepted a tipped Frank Tarkenton aerial with 4:51 to go. Huarte scrambled for yardage, then passed to Dittkas for a first down on the Giant 14. Sam Baker missed

a 22 yard field goal after Huarte missed hitting Gary Ballman on the three on second down.

The Giants then moved 80 yards for the game's first score. Mallory interfered with Frederickson on the

seven yard line. On the next play, Tucker exploded up the middle for the TD. It was still 7-0 at the half.

In the third quarter, the Eagles scored the first time they got the ball. Alvin Raymond, (Continued on Page 13)

Joe Garagiola, Scouts Attend Colorado Goals Conference

Scout Executives from Robert Treat Council, Newark, joined more than 4,000 career Scouters from the 50 states and overseas councils for a week-long training conference at Fort Collins, Colorado, in

preparation for the inauguration of a dynamic new long-range program called "Boypower '76".

"Boypower '76", which will begin January 1, 1969, is an imaginative and far-reaching expansion program aimed at reaching one of every three boys in American by 1976, the 200th anniversary of the United States. The plan contains some departures from tradition which will enable the Scout to greatly increase membership and service to boys of all races, colors, creeds and economic status. The conference was led by the new Chief Scout Executive Allden G. Barber and the new

National President Irving Feist of Newark.

Several nationally prominent speakers addressed the conference throughout the week.

County Golf Play Here

Qualifying rounds for the 11th Annual Essex County Golf Championship will take place at Hendricks Field tomorrow and Saturday between 8 a.m. and 1 p.m. The tournament is being sponsored by the Essex County Park Commission. In addition, the 2nd Annual County Senior Championship will be featured.

The competition is open to any amateur golfer who resides in Essex County. Private club members are eligible. Entry fees is \$4 (no greens fee). Entries should be sent to: Golf Tournament, Essex County Park Commission, Hendricks Field Golf Course, Franklin Avenue, Belleville, N.J. 07109. Qualifying rounds consist of 18 holes stroke play for 32 places.

Match play begins Saturday, September 21 (1-18 hole match) and continues September 22 (2-18 hole matches). The semi-finals will be an 18 hole match on Saturday, September 28. The finals, 36 holes, will take place September 29. Prizes will be given to: the winner of the qualifying round; the championship winner; the runner-up and the two losing semi-finalists.

The Senior Championship

Playground Champions Crowned

On Tuesday morning, August 27, the best from each of Belleville's Nine playgrounds met in tournament competition as the Recreation department held its annual Playground Championships. The struggles that were waged in seven different playground events signaled the closing of another summer season. Although this yearly event is held at Clearman Field, it was especially fitting for the last two years. For the second summer in a row, the boys and girls of Clearman Field dominated the playground softball scene. The Girl's softball team and the Junior Boy's team went through the schedule without a loss, while the Senior Boy's only dropped two games in clinching their title.

In the Kalah competition for girls under eleven, Carolyn Restivo took first place with Valerie Vitello as runner-up. For the boys under eleven, it was Mike Donnelly of Fairway followed by John Caccia. Janice Ameo of Fairway finished in front of Karen Alphonse of Clearman in the girl's 11-14 division while Bob Carlson from #1 finished behind Joe Castaro of Clearman Field.

Diane DeMayo from #4 took first place in the Nok-Hockey competition for girls under eleven with Yvonne Santora as runner-up. While John Caccia took second behind #9's Neil Marzano, Marty Peldunas of Fairway edged Shelly Pagalongealo of Clearman for first place in the girls' 11-14 group. Rocco Cuozzo, representing Fairway, could only finish second behind Peter Tchelen of Clearman Field in the boy's 11-14 grouping.

After the rubber horseshoes were tossed and measured, Kathy Austin was the winner over Liza Vitello in the girls under eleven category while Tom Smith took second place

behind Richard Sylvestro from #4 on the boy's side of the competition. Gail Alphone tossed for 15 points to beat Michele Paglialongo, but Billy Tieling had to toss for 21 before he could defeat Richard Ciallella of Clearman Field.

In one of the more quiet sections of the field, Wendy Thomas from #1 was outwitting Kathy Austin while Dante Pantalone countered the moves of Mike Donnelly to win in the checker competition for children under eleven. Peggy Levy and Laurie Codomo took first and second place respectively, as Jerome

Webster from #1 outsmarted Fairway's own Danny Cassese.

Lynn Danski showed a quicker paddle in her defeat of Darrylyn Sinclair at the ping pong table. For the younger boys it was Paul Denning outlasting Bill Macheska, while Rich Ciallella finished ahead of Jimmy Risoli of the Recreation House. Another Recreation House representative, Janice Sheldon, took first place over Lynn Alphone in the girl's 11-14 matches.

When it came to speed on the basepaths, the stop watch showed Gabe Cestaro of Clearman faster than Billy Keys of #1. From #4, Billy Williams ran the bases in a faster time than Michael Guiliano. July Thomas displayed more speed than Valerie Vitiello to take first place in the girl's under eleven division and Gail Alphone of Clearman Field outraced Marty Pedulunas of Fairway.

The winners of the Softball throw were the ones who came closest to hitting a distant target. For the younger participants it was Michael Dondarski of #4 over Lamar

Lynn from #1. Lisa Vitiello's throw was better than Vienna Cagel's, but very few throws could match Carole Watts as she was right on the target with hers. A good throw by Lynn Alphone was only enough to finish second to Carole's while Robert Carlson, also from #1, came closer to the mark than did Mark Restivo of Fairway.

ITT Names Henry Lion Data Development Head

Appointment of Henry J. Lion as manager, Data Development, was announced today by ITT World Communications Inc., a subsidiary of International Telephone and Telegraph Corporation.

Prior to assuming his new position, Mr. Lion was manager, Data and Data Services. He joined the ITT System as senior installation engineer for International Electric Corporation in 1960 and served in key engineering capacities with ITT Data and Information Systems Division (DISD) in Paramus, until his transfer to ITT Worldcom in 1965.

While at DISD, he was in charge of the field installation of the data transmission sub-system for the Strategic Air Command and Control system (465L). He previously was associated with Teleregister, Stamford, Conn.

Midget Racing Championship Tomorrow

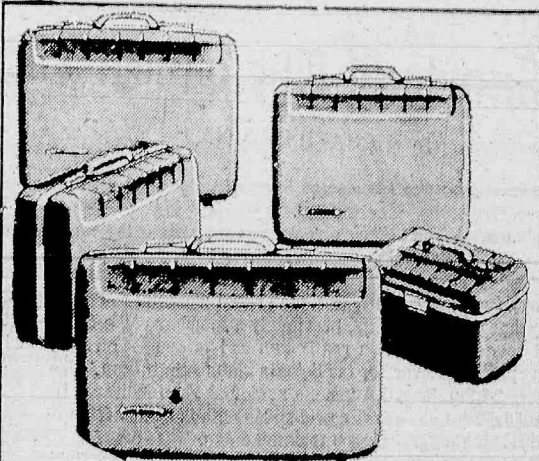

Postponed last week, the 100-lap American Three Quarter Midget Racing Assn. 100-lap championship TQ midget race has been rescheduled for another Friday night start with heat qualifications set for an 8:30 p.m. start at Pine Brook Stadium.

Current point leader, Doug Craig of Levittown, Pa., who has captured four weekly 35-lap feature races this season will lead the big name roster of open cockpit racers, including the six other main event winners this campaign at the Route 46 junction speedway.

Rounding out the winner's list are: Tony Romit of Cliffside Park, Jim Arntz of Piscataway, Bill Ertel of Toms

River, Bob Watkins of Northfield, Joe Kidd of Little Falls and second place point setter, Dick Peterman of Royersford, Pa., who trails Craig by 214 markers and will be afforded to close that gap to a scant fourteen points should he win the 100 classic tomorrow night.

Many fortune cookies will contain real "fortunes"—slips for silver dollars worth up to \$2.50 on today's market, and sure to become more valuable to you as time goes on. Just like our bank. Everyone opening a new account for \$50 or more will receive a free gift.

Refreshments, balloons for the kids. Fun for the whole family.

We'll have stuff to eat and drink. Balloons for the kids. And a warm welcome for everybody. So bring the whole family. Help us celebrate at either of our two offices. After all, how often does a new bank building open?

Our new building where the bank's headquarters will be located—Broad and Watchung.

Enjoy a new kind of banking at the bank with People's Hours*.

If you've ever wished banks could be different—come see how different a bank can be. Learn about The Bank of Bloomfield's "people's policies" that are going to shake up the banking industry around here. Experience the "we work harder for you" attitude that's designed to make us this area's fastest growing bank. Munch a fortune cookie—get acquainted. Most important in the long run, see if The Bank of Bloomfield's policies aren't those you would have if you started a bank and wanted to attract customers.

What's the big idea?

Here are just a few of the new ideas in banking that will be introduced at both of our offices when The Bank of Bloomfield opens in Brookdale on September 13.

- **PEOPLE'S HOURS** instead of "Bankers Hours" provide you with banking service from 8 a.m. to 6 p.m. Tuesday through Friday—Monday evening till 8:30—and Saturday, 9 to 12.
- **GOLDEN INTEREST SAVINGS** that combine 5% interest, compounded quarterly to yield 5.09% in 12 months, with many of the advantages of a regular passbook account.
- **BLOOMFIELD'S LOWEST NEW CAR LOAN RATES.** Only \$4.40 per \$100—lower than any other bank or finance company.
- **FREE BANK-BY-MAIL.** We pay postage both ways on your deposits.
- **LIFETIME FREE CHECKING.** Our checking accounts are free of all charges (after a small cost for imprinted checks) so long as you maintain a minimum balance of \$250.

Philadelphia Eagles Claw Maramen For Charity

(Continued from Page 11)

acquired in the Timmy Brown deal, ran an Ernie Koy punt beautifully for 19 yards to the Philadelphia's 32. Huarde then hit on three straight passes, to Ron Goodwin at midfield; to Ballman at the Giant 42 and a 37-yard completion to rookie running back Cyril Pinder. On second and goal, Huarde rolled out around right end and scored from the fair, with 7:31 left in the period.

The Giant's Jim Holfield ran the ensuing kickoff to the 15. Blye carried and fumbled. Mallory scooped it up on the 21 and trundled

untouched to put the Eagles ahead at 8:12.

The weakened Philadelphia secondary was further reduced when Al Nettles was injured late in the third quarter. They went with four line-backers because they were out of defensive backs. Tarkenton was unable to exploit the situation.

Without Hawkins, second year man Chuck Hughes, who is a bit faster than the governor, who was in attendance, became the Eagles deep threat. He missed catching two bombs. The governor missed getting the Vice Presidential nod.

Early in the fourth quarter, the Giants were moving to the equalizer. Nettles returned to the lineup and Les Murdock missed his second field goal attempt of the day; this one from 45 yards.

The next time the Giants had the ball, Young picked off his second pass. He decided to make this one more exciting and latered to line-backer Harold Wells, who ran it to the Giant 13.

King Hill came in at quarterback. He had been denied his usual interception in the second quarter when Spider Lockhart dropped his attempted toss at Mike Ditka. Un-

accustomed to so much time, Hill hesitated behind his pancholy that included 295 pound Bob Brown, then threw a 10 yard touchdown striketo Ballman. The Eagles led 21-7 with 8:24 left.

Newly acquired Gary Lane replaced Tarkenton at quarterback. He didn't see Homer Jones open on a slant in and threw incomplete to Minnear. Then with 4:04 left, the Giants were penalized for delay of game. Vasys limped off. Minnear ran 16 yards to the Eagle three. The interminably never-say-die Giant fans got psyched, Minnear carried again and fumbled, Alvin Haymond recovered. The Eagles proceeded to literally run out the clock, making two first downs.

The Giants gained more than twice as much yardage as the Eagles, 385 to 169, but it was a disappointing tuneup, even for the Steelers, the Giants first opponent.

Naturally, I got stuck next to a self-proclaimed expert in the press box. He felt it behooved him to give a running commentary—expertise included—on every play, to add, to everyone's enjoyment of the game. Entering and leaving the press area was fun, too, for coronaries. Princeton is quite the nice campus, but the metal fire escape type stairway for newsmen is worse than the old Madison Square Garden

ramps. It would have been quite a climax to a pretty dull game if the expert had

carried out a threat to grab the public address mike and start a "Goodbye Allie" chant.

Surtax Makes Taxpayers Liable For Rate Increase

The Federal tax surcharge will make more taxpayers liable for filing estimated income tax returns and increase amounts due from those who filed these returns earlier this year.

J. Robert Murphy, acting director of the New Jersey IRS District, explained that taxpayers who filed estimates in April will probably have to increase their September and January payments to offset the surtax. Payments are ordinarily due September 15 but because that day falls on Sunday, they are not due until Monday September 16.

A grateful Electric Glassheat user says:

*"If you notice the temperature
you have the wrong heater"*

BETTER SWITCH TO GLASSHEAT

"IT'S A COMFORTABLE HEAT that Glassheat gives—

never too hot, never too cold," he continued. "So comfortable in fact you never notice the temperature at all. Regardless of the weather it feels like a sunny day indoors. Imagine—every room sunshine warm all winter long. No drafts, no cold corners, just comfort!"

No wonder Electric Glassheat reminds you of sunshine. It is the only heating system that warms with healthful radiant electric rays exactly like the rays of the sun. And this is true throughout the house for every room has its own money-saving thermostat and heating unit.

You can regulate the temperature of each room exactly as you want it, one quite warm, another cooler. And if a room is unoccupied, turn back the thermostat, close the door and save money!

IT'S HEALTHFUL HEAT TOO!

"We had fewer colds last winter and everyone felt fine" says an owner in Caldwell. This is a common report from owners because Electric Glassheat has no flame to burn up the life giving oxygen or produce toxic fumes. And the sunshine rays of Glassheat not only produce an even temperature but maintain humidity at the level doctors recommend for good health.

SAVE CLEANING TIME AND MONEY

"No soot, no smoke, no grime. Glassheat is wonderful," writes another user. "Have never seen anything so clean. Saves me hours I used to spend cleaning and painting."

Another says "In 16 years the only room we have had to do over is the kitchen. No need to repaint the other rooms or dry clean our drapes. And our venetian blinds still look fresh and new. That's why so many owners say, 'Install Electric Glassheat and take it easy.'"

SAFE! Electric Glassheat is absolutely fire-safe and can't overheat. No fumes to worry about, and even accidental contact can't cause blistering.

Electric Glassheat is as silent as sunshine and as pleasant, for there are no moving parts. Saves space too for the area usually used by radiators, furnaces and flues is yours for extra living space.

SAVE MONEY ON HEAT! People admit that Electric Glassheat is tops for comfortable heating. But some feel that it is so ideal it might be too expensive. This is not true—as you will see from these letters describing Glassheat's economy.

One writes, "We installed Glassheat for its greater comfort with the hope that it would be reasonably economical to operate. So we were not prepared for our very low annual heating bills. And since

we can now take advantage of the special low heating rate, we save money on our regular current too. And there are no maintenance charges. It all adds up to better heat for less money.

"Though we added two extra rooms" says another owner, "my heating bill is only \$175. A pleasant surprise and we have never been so comfortable."

That's the Electric Glassheat story. People install it because of its many advantages—then are delighted to find it is an economy as well.

WHY PAY MORE FOR LESS?

Does Electric Glassheat sound luxurious? It is in every respect but cost. If you would like to know what Electric Glassheat will do for the health, comfort and welfare of your family—and how little it will cost, send the coupon, or phone.

Laden And Rose's Revue

Opens At The Flagship

Larry Dixon's Flagship Dinner-Theater in Union, New Jersey, is presenting one of the funniest revues ever presented in the Metropolitan area. Laden & Rose's "Hello Burlesque" deals with that era of burlesque when corn was dished almost straight from the cob and pretty girls' legs weren't seen on the street every day in Micro-Mini skirts.

Eddie Rose and Lennie Laden are longtime partners, joining up while they were in service during World War II. Born and raised in New Jersey, they were featured for many years in Sam Snyder's Water Follies. Eddie, considered by many as the world's greatest clown diver, was the highlight of the show with his diving antics and Lennie kept the show moving as master of

ceremonies. Their comedy turn on stage enabled them to be featured on many nationwide TV shows.

As producers and stars of "Hello Burlesque" they have re-created that fabulous era using some of the best loved gags and skits that made burlesque one of the greatest forms of entertainment in the world.

Also featured in "Hello Burlesque" are Jerry Coyle, a guy who can do anything on stage and does and some beautiful gals who are guaranteed to pop the eyes of the males and evoke stares of jealousy from the ladies.

The show has tuneup music, eye catching costumes and is loaded with comedy.

Larry Dixon, who discovered and signed this revue, is also proud of the Flag-

Plan Canoe Trip Next Week Through Oswego River Area

A second canoe trip to nature along the Oswego River in the pine barrens has been planned by State park naturalists of the New Jersey Department of Conservation and Economic Development.

The guided canoe trip will start 9:30 a.m. next Wednesday at Lake Oswego and end at the Harrisville dam in late afternoon, identical with the itinerary of a similar cruise held last July 31.

State Arts Center To Remedy Rain

The new Garden State Arts Center has already weathered some of the worst rainstorms in New Jersey history, but today it announced reinforced plans to overcome further big blasts from the elements.

The open-side amphitheater of the Arts Center has withstood monumental deluges from windswept rain both during construction and its premiere season this Summer. On two occasions it had to curtail performances due to the water overflow, the latest last Thursday night, but none has been cancelled.

Executive Director D. Louis Tonti reported that a program of extra defensive measures was ready to go to work on Monday, September 9 -- immediately after the close of the Arts Center's regular-season finale Jazz Festival during the preceding weekend (Friday & Saturday nights).

Measures to be taken at the Garden State Parkway's roadside showplace in Telegraph Hill Park include construction of a new 36-inch sewer line

behind the huge stagehouse with additional drain inlets and building of a crown in the now inclined service road running around the back of the amphitheater to channel falling rain water outwardly.

In addition, curbing is being designed for the open areas of the amphitheater's perimeter walk nearest the stage to keep lashing rain water from flowing into the sides of the 5,000-seat roofed structure.

Tonti said that the actual work on the improvement program, devised soon after the first torrential storm hit the Center, was held off until the first season's end so as not to be disruptive of the orderly performance schedule.

The planned work entails breaking up of the service road and slopes next to the stagehouse entrance, which would necessarily affect performance preparations and more.

Total cost of the work is estimated at \$75,000.

The Executive Director pointed out, however, that steps were taken earlier to remove one serious cause of rain overflow problems. The steep slopes behind the amphitheater--from which the torrential downpour at the Center's preview opener on June 12 had sent freshly put-down sod and dirt streaming into

drains and clogging them--have been stabilized with gravel, heavy stone and asphalt.

"Such slopes no longer pose a problem, as they are now permanent hard-surface placements," he said.

The outpouring of unestablished sod and dirt from that torrential rainstorm of June 12 had apparently crushed one of the major sewer lines running underneath the backstage area.

Luncheon This Sunday

Temple Menorah Marking 13th Birthday

Temple Menorah, 935 Broad St., Bloomfield, will celebrate its 13th birthday with a Temple Bar Mitzvah service and luncheon this Sunday, in the sanctuary.

Following a series of meetings held at the homes of approximately 15 founding families, Temple Menorah was formally organized at a meeting held in Fellowship Hall, Watchung Presbyterian Church, Bloomfield on July 6, 1955.

The late Morris W. Wien, one of those prominent in the organization of this new Liberal-Reform-Progressive congregation, was chosen as the acting president. Immediately following its organization, the new congregation took possession of the property at 935 Broad St., Bloomfield, and the first Sabbath services in the "Little White House on the Hill" were held on Friday, Sept. 9, 1955, with Rabbi Marshall S. Hurwitz, its first spiritual leader officiating.

The first High Holy Day services were held in Fellowship Hall on Sept. 16 and 17, and Sept. 25 and 26, 1955. Including the founding families, the membership was composed of 54 families, who became the charter members of Temple Menorah.

Rabbi Arthur Gilbert was spiritual leader during 1956-1957 and 1957-1958, and Rabbi Alan M. Sokobin was spiritual leader in 1958-1959 and 1959-1960. Rabbi Nathan H. Fish, the present spiritual leader, became Rabbi of the congregation on July 1, 1960. With the formation of the new congregation in 1955, a religious school was organized with the first sessions held on Sunday, Sept. 11, 1955, with an enrollment of 40 children and a faculty of three teachers.

On March 17, 1959 a kick-off dinner held at the Chalet, Millburn, a building campaign was inaugurated for the construction of a permanent House of Worship to replace the "Little White House on the Hill" which had become too small for the growing congregations and its activities. Corner-stone laying and dedication ceremonies for the new building were held on May 1, 1960. The first Sabbath services in the new building were held on Friday, Sept. 1, 1960 with Rabbi Nathan H. Fish officiating. The congregation at this time had 150 member families. The "Little White House" was continued for religious school and youth activities. In 1963 the religious school wing was added to accommodate the increase in enrollment.

Today Temple Menorah has a membership of more than 200 member families, with more than 225 children enrolled in the religious school, which holds accreditation by the Jewish Education Association of Essex County. The school is administered by an efficient and experienced principal and faculty.

Taking part in the Temple Menorah Bar Mitzvah celebration will be members of the founding families and the past presidents of the congregation, with Rabbi Fish officiating, assisted by Cantor Henry Thallsheimer, who will render the liturgical portion of the service. Following the opening anthem by the Cantor, Rabbi Fish will offer the opening prayer, with Dr. Andrew Karr, and Messrs. Sidney Crastopol, Bernard Spingarn and Harold Zimer as the readers for the opening service. Messrs. Irving Shakin, Jack Goldsmith, Lester Newman and Bernard Fink, all past presidents, will give the Torah blessings at the Torah service. Charles Klotz, a past president, will be Torah holder, and Harold Meyer, a past president, will be Torah dresser.

During the services a new Torah will be presented to the Temple, a gift of the Women's Club of Temple Menorah, with Mrs. Raymond Makowsky, president of the Women's Club making the presentation. Mark Shreiner will hold the new

torah, with Mrs. Morton Polack, past president of the Women's Club and Mrs. Harry Nalebuff as Torah guards. Bernard Fritz, Temple Menorah president, will accept the Torah for the congregation, and Rabbi Fish will offer the Prayer of Dedication. During this portion of the services, Cantor Thallsheimer will render the hymns, "Ho'ree-u Ladancy" and "We Thank Thee Oh God for the Torah." President Fritz will recite the Bar Mitzvah Boy's Prayer, pay tribute to the founders and make a presentation to Mrs. Morris W. Wien. Rabbi Fish will then conduct the address.

Officers of Temple Menorah are - Bernard M. Fritz, president; Dr. Sidney Boyer, 1st Vice president; Morton Gould, 2nd Vice president; Otto August, treasurer; Mrs. Mayer Danzig, recording secretary; Mrs. Samuel Miller, corresponding secretary and Mrs. Herman Brown, financial secretary. Affiliated with the Temple are the Women's Club of Temple Menorah, Mrs. Raymond Makowsky, president; Temple Menorah Brotherhood, Samuel S. Goldstick, president, and the Temple Menorah Youth Group, Miss Jane Barth, president.

The invited guests include Mayor Walter J. Davis, of Bloomfield, Rev. David Newsum, Watchung Presbyterian Church, Bloomfield, Rabbi Richard Sternberger, Director, New Jersey Council, U.A.H.C., and the former spiritual leaders of the Temple, Rabbi Marshall Hurwitz, Rabbi Arthur Gilbert, and Rabbi Alan M. Sokobin.

Following the services there will be a Kiddush and Motze by Meyer and Klotz, after which hor d'oeuvres will be served in the lobby. A catered buffet luncheon will be served in the Melick-Shuster Hall. During the luncheon there will be music and dancing. Irving Shakin will be master of ceremonies, and will introduce the guests and relate an anecdotal history of Temple Menorah.

Mountain Climbing Offered

Adult School Has New Courses

A course in mountaineering, taught by Charles Joyce, a professional climbing instructor, will be featured when the Nutley Adult School begins Monday, September 23. Mountaineering is one of four new courses being offered by the school, which will meet Monday and Thursday nights until December 5. The other new courses are magic for fun, photography for beginners and a creative arts workshop. A mechanical engineer, Joyce has scaled all principle peaks in North America and taught mountain climbing

to many groups in the New York area. Among his pupils are the boy scouts, girl scouts and women's groups. During the winter, he is an ice hockey coach. Classes for the 10-week course will be held at Nutley High School. Registration is at the high school, September 16 and 19, from 7 to 9 p.m. Additional information can be obtained by calling Harry C. Reddington, executive director, at 661-1568, between 5 and 7 p.m. All those attending classes are asked to park in the metered municipal lot one block

south of the school. Please do not park in the area reserved for the library.

Registration Now Open For Institute of Banking

Arthur T. Engel Jr., president of the Essex County Chapter, American Institute of Banking reports registration for the Institute's fall semester of classes has begun. All bank employees of Essex County banks are urged to contact the Chapter Office at 60 Park Place, Newark or local bank consults for immediate enrollment.

Local Jaycees Announce List Of Fall Activities

The Nutley Jaycees today announced their plans to host the Battle of the Bands as part of their fall activities. The participants will be selected from the local high schools and surrounding areas. Auditions will be held on Friday nights at the Nut-

ley Youth Council Dances with the final top ten bands competing late this fall for all the marbles in prize monies and trophies. Michael Paulino, 161 Ohlson Ave., Nutley will be accepting bids from band leaders or managers. President Walter Lovell al-

so revealed plans for a "Buy Local" campaign designed to point out the advantages of patronizing local merchants and businesses. Although the Jaycees have long discarded the name "Junior Chamber of Commerce," Lovell explained the "Buy Local" idea would be a community development project of the Nutley Jaycees that would funnel some of the town wealth into "the corner store."

The townspeople are always going to the businesses in Nutley with request for aid and gifts to support our organizational function and it's time we say "Thank You", said Lovell.

A REMINDER Our meeting with the special program from the New Jersey Bell Telephone Company, "Ten Seconds to Safety," 12:15 p.m., Tuesday, September 17, at the Fountain, 46 Watsessing Avenue, Belleville. Buffet Lunch at \$3.00. The meeting will be over by 1:30 p.m. If you have not sent in your reservation card please call the Chamber at 759-4848 for your reservation. At this time the probable attendance looks good.

IN THE AUGUST 15 issue of the Belleville Times we note that the following advertiser did add the words, "Member, Belleville Chamber of Commerce" to their advertisement...Abbott's Drug Store, 531 Washington Avenue. We hope more will follow this suggestion. Remember, people often ask, "Are they members of the Chamber of Commerce?"

A RECENT CALLER When

Montclair Antiques Fair Due

Most of the antiques being shown in the Montclair Antiques Fair from September 16 through 20 will pre-date the town from which the show takes its name. In other words, most of the furniture, glassware, pewter, pottery, porcelains, paintings, silver and other such treasures on display and for sale at the Woman's Club of Upper Montclair will be more than a hundred years old.

One dealer, for example, will show a Queen Anne tripod base table dating from 1750; an English Hepplewhite side chair, circa 1790; a Clewys plate, circa 1820-36, depicting the landing of Lafayette in America, and over-lay lamps from about 1840.

Another dealer will have a fine mahogany Hepplewhite secretary with hidden compartments that was made between 1780 and 1800, plus 18th century Oriental porcelains and reverse paintings under glass.

While the Fair's main theme is American, there is a rich vein of European and Oriental antiques such as Chinese snuff bottles, Japanese netsuke, English candlesticks, French art glass and paperweights.

Hours of the Montclair Antiques Fair will be 1 to 4:30 p.m. daily through Thursday; 1 to 6 p.m. Friday, September 20. Admission is \$1.50.

I responded to his phone call which had been recorded for me by one of the girls at Jolly Cleaners emphasized how pleasant the girl was in answering his call and how she tried to help him with his problem. Which reminds me to tell all who receive this News Letter that when I am out of the office, and throw the switch; calls go to Jolly Cleaners as arranged by Art Jackson, the owner, without charge or any consideration on the part of the Chamber. Thanks again Art, and to the girls who answer the calls. Incidentally, if you do not get an immediate answer, allow five or six rings, those Jolly Cleaners Gals really are busy!

IF THE RUSSIANS really have a classless society, as they claim, how come they have first-class and tourist sections on their new Moscow-to-New York Soviet Aeroflot flights?

"THE BUDGET" should be

balanced, the Treasury should be refilled, the public debt should be reduced, the arrogance of officialdom should be tempered and controlled, Assistance to Foreign lands should be curtailed lest Rome become bankrupt. The mob should be forced to work and not depend on government for subsistence." -Cicero. I guess no one listened, at least that's the conclusion one can draw from history.

DON'T FORGET After September 1 the Chamber Office will be located at 302 Washington Avenue. The office now occupied by Norman H. Thompson. The phone remains the same - 759-4848.

RECENTLY I wrote to some of our members who had fallen behind in their dues. I asked their help in view of the fact that in the summer Chamber income is at its lowest ebb. I want to thank those who responded so promptly. Most of them did

BROADWAY IS MY BEAT

Charles T. Carey, Managing Director and Vice President of the St. Regis-Sheraton, announced that La Maisonette has re-opened for the 1968-69 season with that inimitable combination of elegant animation and poignancy-Patachou.

The story of the lady who is probably the world's most admired French pastry expert is familiar to her legion of devotees. They know that she changed her name from Henriette Billon-Ragone to Patachou the French word for puff pastry) one evening in

1950, two years after she had opened a pastry shop and cafe in Montmartre. They know that until then business had been slow and sporadic; that on that particular evening she began to sing with a group who had wandered in and asked her to join them; that one man begged her to sing alone.

They remember that "like a woman who sings to herself in the bath," she sang "La Seine" and that, following the advice of the man who had made the request, changed her name and metier and thus began the career which has only gone upward since. They know that, like Maurice Chevalier, she was born in the Paris district of Montmartre and that no matter how far she travels, on Christmas and New Year's Day, she will sing no place but Chez Patachou.

For them the pastry shop in Montmartre which has expanded into a complex including an art gallery, is a required stop whenever they visit Paris.

The intimate Maisonette is the perfect milieu for Patachou. As she sings there in her periwinkle blue chiffon blouse and skirt which match her eyes, La Maisonette seems almost a custom-made complement. Last year her engagement was extended twice.

George Cort, his piano and orchestra will again lend expertise to the proceedings in La Maisonette this season. Quintero and his Latin Band will be the alternating orchestra.

In addition to the regular a la carte menu, there will be a special Maisonette prix-fixe dinner. Mr. Rudy is the maitre d'. La Boite, the bijou restaurant across the corridor from La Maisonette, will also reopen September 3rd for dinner and supper. Its prix-fixe dinner will be entirely different from that of La Maisonette. Violinist Ernest Schoen, accompanied on the piano by Julius Kuti, will again provide a lively background of continental music. Mr. Joseph is in charge here.

QUEEN'S GUARD AT GARDEN

Tickets will go on sale Monday at Madison Square Garden Center for the performances of the Queen's Guards of Great Britain, opening a 16-performance run on Tuesday, October 1 at the new Garden.

Usually only presented at Royal State Occasions for the Queen, the Guard is appearing for the first time in North America with The Mounted

Band, the Drum-Horse and the Black Horses used to escort the Sovereign on ceremonial occasions. The pomp and pageantry of the Changing of the Guards will also be featured.

Tickets for the opening night on Tuesday, October 1, are \$15 for the lodge, \$10 for the first promenade, \$8 for the second promenade (200 series), \$6 for the second promenade (300 series) and \$4 for the mezzanine.

Tickets for the balance of the run through Sunday, October 13 are priced from \$10 to \$4. Evening performances on Tuesday, Wednesday and Thursday are at 8 p.m., Friday and Saturday at 8:30, and Sunday at 7 p.m. Matinees on Saturday are at 2 p.m. and 1:30 p.m. on Sunday.

SOL YAGED'S JAZZ CREW Sol Yaged's Jazz Band began its fourth year at the Gaslight Club, 124 E. 56th St., on September 3. Yaged and his crew originally were booked for a two-week stint beginning Labor Day, 1965.

Teh Yaged Band entertains nightly except Sundays from 9 p.m. to 3 a.m. in the Gaslight's Speakeasy Room, which recreates the Al Capone era during prohibition. Featured are such fads as The Shimmy, Charleston, Varsity Drag, Collegiate, Black Bottom and Get-Out-And-Get-Under.

THE LIVING ROOM Comedian Rodney Dangerfield, currently one of the hottest comics on television, is making his first New York appearance as a headliner at The Living Room, 915 Second Ave. He began a two week engagement Sept. 9. During the last year Dangerfield has made a half dozen appearances on the Ed Sullivan Show and has been a regular visitor to The Tonight Show with Merv Griffin, Dick Cavett and Mike Douglas Shows. He has also appeared in most of the major nightclubs around the country.

Also on the bill will be songstress Jeri Granger, who will be making her first appearance at The Living Room. The Bob-Ferro Trio will provide their usual musical interludes.

SARAH VAUGHAN AT RAINBOW GRILL

Sweet and sassy Sarah Vaughan, who has been depriving New York of her sexy sounds for far too long, open a month's engagement at the Rainbow Grill on September 5.

Whether she sings "Poor Butterfly," "Body and Soul," or any of the numerous tunes she has helped make famous, "The Divine One" promises to keep the Rainbow Grill swinging.

The Grill opens nightly, Monday through Saturday, at 6 p.m. for dinner. The Phil Wayne combo begins playing for dancing at 7 and Sarah takes the stand at 9 and midnight.

Let us remind you again, before you start on that automobile trip, to drive carefully all the time.

New Jersey Deer Hunters Must Apply Now For Permit

New Jersey hunters who

wish to participate in Special Permit deer season, December 21, must apply between September 11 and 20, according to the State Department of Conservation and Economic Development.

A total of 9,792 permits will be issued for the special hunt to be held in nine northern and central New Jersey counties.

Each permit holder will be allowed to bag one deer of either sex that day.

Only holders of valid 1968 firearm hunting licenses may apply; this does not include archery or juvenile licenses. The number of the hunting license and the name of the issuing agent must be shown on the application form.

All applications must be made on the official application form, designed for data processing. Supplies of forms and envelopes have been distributed to hunting license agents throughout the State.

Only one application may be submitted by any individual. Duplicate applications will both be rejected, and any permit obtained by fraud will be invalid.

The applicant must specify one of the nine counties in which he wishes to hunt. These counties, and the permit quota for each, are as follows: Hunterdon, 2,550; Mercer, 540; Middlesex, 306; Monmouth, 413; Morris, 1,147; Passaic, 580; Somerset, 757; Sussex, 1,183; Warren, 2,316. The permit will be valid only in that county.

Applicants must fill in all blanks on both portions of the application, using clear printing or typing. The stub should not be detached, and any applications with erasures or mutilations will be rejected.

Completed applications should be sent to the Division of Fish and Game, Box 1809, Trenton 08625. Applications received before September 11 or after September 20 will be rejected. No money should be sent with the application.

In any county where the number of applications exceeds the permit quota, successful applicants will be selected by computer.

Waterfowl State Hunting Seasons Set

New Jersey waterfowl hunting seasons were set last week by the State Fish and Game Council, according to Commissioner Robert A. Roe of the Department of Conservation and Economic Development.

A split duck season totaling 45 days, a 70-day season on geese and brant, similar to recent years, and a special bonus scamp season are the principal features of the regulations. Duck bag limits will be slightly more restrictive than last year.

The short first portion of the duck season will run from October 19 through October 26; the season will re-open on November 22 and continue through December 28. The season on brant and geese will run from October 19 through December 27, and the 50-day Wilson's snipe season will open the same day and close on December 7.

The bonus scamp season will be held from November 1 through 16, during the break in the regular duck season. It will be restricted to Raritan and Sandy Hook Bays, with a generous bag limit of five scamp daily, 10 in possession. Scamp may be included in the daily bag during the regular season.

BECK'S COLUMN

By MAX BECK

We are living in an electronic environment, imperceptible to our senses, except through some kind of apparatus.

Electromagnetic waves flash through space at the speed of light. They make possible radio, television, telephone even microwave cooking and opening your garage door by pressing a button on a small box in your car. One day in the future they will make possible instantaneous audio-visual communication anywhere in the world, or in space. The public becomes more and more exposed and acclimated to the use of electronics for entertainment, education and communication.

It is a young industry. Oldtimers do not seem to be able to adjust to it. Retirement age is lowered consistently to make room for young blood. Data processing through computers makes it possible to better utilize facilities. Far from replacing people, we don't seem to have enough. There is a desperate need for all kinds of so-called white collar and blue collar workers for jobs created by these new apparatus. Fears by some people that computers and automation will eliminate jobs for many, did not and will not materialize. The need for products, all kinds of products, is insatiable. Some day, when world leaders get together instead of fighting each other, and we will really have one world we cannot begin to fill the wants and dire needs of the vast majority of mankind. Then we will need all the people and the best machines and apparatus human genius can create.

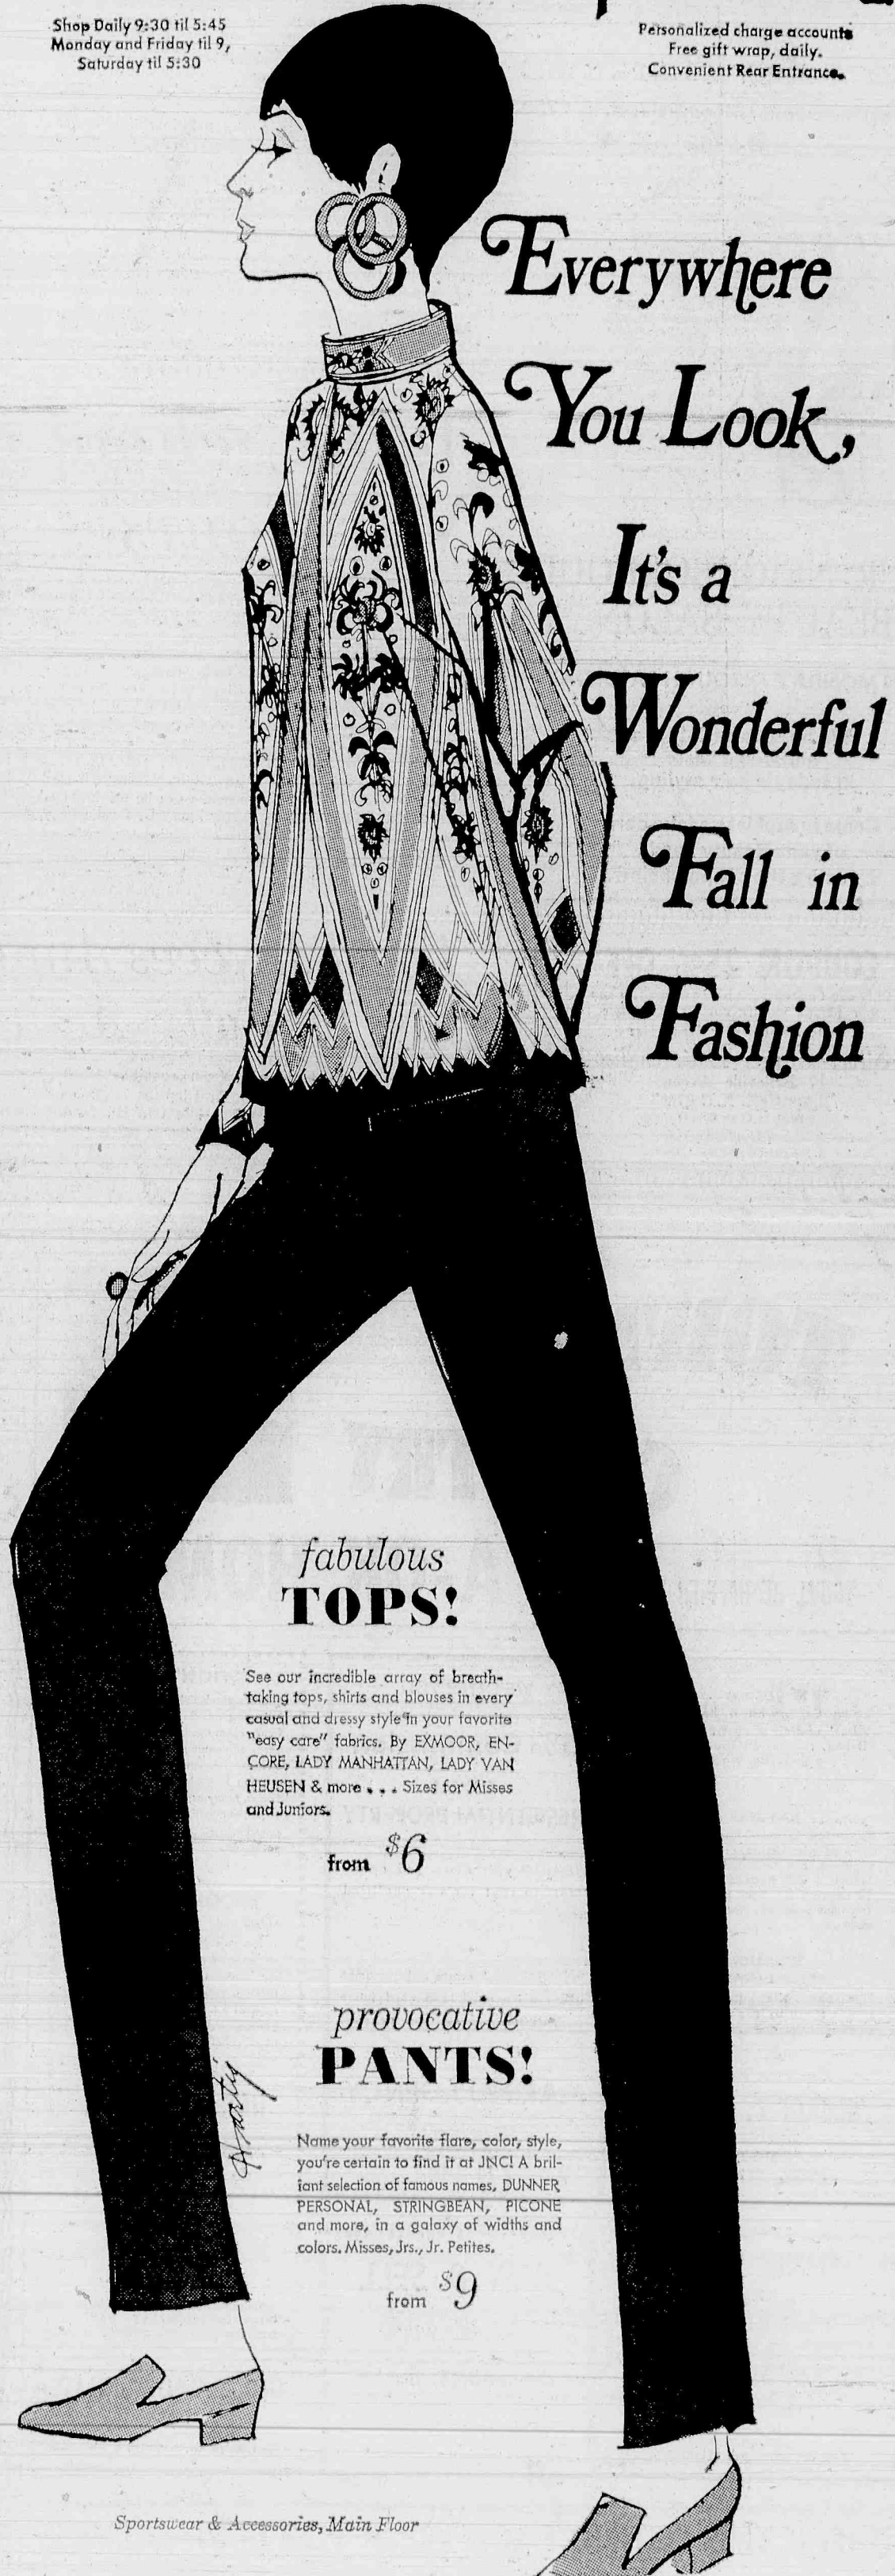

We service what we sell.
