## Court Case Coming On Clerk Ordinance

EDUCATIONAL CUP -- Michael T. Rosamilia, (left) assistant superintendent of curriculum for Belleville's public schools, presents the Better Belleville Cup to Henry Minasian in honor of his 31 years of achievement in the Belleville education system.

### Special Luncheon Minasian Given Times Award

Henry Minasian received the Better Belleville Cup at a surprise luncheon in his honor Friday at School No. 2.

Given by the Home and School Association, the affair was attended by Belleville education dignitaries. In attendance were public school principals Archibald Gallombardo (No. 5), Michael Nardiello (No. 4), Joseph Gnosch (No. 1), Austin McArthur (No. 3), Mrs. Viola Spray (No. 7), Thomas Gryczka (No. 8) and Nicholas Pettit (No. 9), also Ernest Arvidson, Board of Education; Mrs. Schader, school board

secretary, Harold Dufford, business administrator; Dr. Samuel Peck, director of music for all schools; Michael Rosamilia, assistant superintendent of curriculum in Belleville public schools and Wesley Schnigas, attendance officer.

Mrs. Francis Pennabere, president of School 2's Home and School Association presented Mr. and Mrs. Minasian with a bouquet of flowers. Minasian began in the New Jersey school system as a high school teacher in Salem in 1935. He came to Belleville in 1938 and taught at

the high school for three and half years, instructing in business education, shorthand, typing and bookkeeping. He became principal of Schools 2 and 10 in January, 1941.

Minasian resides at 55 Smallwood Avenue with his wife. They have three children: Mary, 29, who taught at Nutley's Washington school and is now Mrs. Buontempo, with two children living in Nutley; Carol, 26, teaching at Washington School; Both girls are graduates of Newark State.

Minasian received his B.A. from Boston University; his master's at Columbia and did graduate and extension work at Harvard, Montclair and NYU.

In addition to the Times award, he has received a 20 Year Plaque from School 10 (1961) and a Silver Beaver Award from the Robert Treat Council of the Boy Scouts of America for outstanding service to youth as a volunteer for 21 years (1960).

Rosamilia, who assisted in making the presentation, said that "when an educator is honored, education is too." Minasian noted that he is "not at a loss for words in the classroom, but here I am." He described himself as "surprised and appreciative," and "humble and proud."

Minasian said that though "pencils have erasers on them because everyone makes mistakes, I wouldn't have done anything differently. I've had many pleasant experiences in Belleville."

### Fire Awards Program

This year, the Belleville Fire Department is expanding its Fire Prevention Program to include a comprehensive fire safety educational program in the schools of Belleville.

The purpose of the program is manifold: to stress everyday fire safety; to open channels of communication between the Fire Department and the teachers, pupils and parents; to explain the services the Fire Department provides to the town; and, through this dialogue, to reduce the high rate of false alarm transmission to the Fire Department during the year by school-aged children.

Material for the Hartford Junior Fire Marshall Program will be delivered to all schools today.

1. Teachers will distribute magazine (grades 3-6) on Friday, October 4. Ask children to conduct a fire inspection of their homes, with their parents, over the weekend, using the home inspection report section of the magazine, and return the form to class on Monday.

2. Teachers will enter students names on honor-rolls and hold inspection forms for the Fire Department.

3. Class projects, posters, essays, finger paintings, and cut-outs, will be displayed in lobby and halls and will also be used for basis for awards.

4. Helmets and badges should be given to the children just before the school's Fire-Safety assembly.

An award flag for the school, and books for the library, will be given to the three schools that show the best student participation and school displays. A three-man Award Committee will tour the schools on Monday, October 14, and awards will be presented on Tuesday, October 15.

Committee members will be: Deputy Chief William Fabian Belleville Fire Department

## Risoli Hires Counsel To File Legal Papers

Commissioner Vincent T. Strumolo is going to court again. Ralph Risoli, Registrar of Vital Statistics in the Public Affairs Department has hired Attorney Lawrence Schwartz, 353 Washington Avenue to file papers this week to proceed under an order to show cause why Belleville and certain officials shouldn't be held in contempt of a 1967 ordinance.

The case stems from the defeat at the September 23 Commission meeting of an ordinance combining the positions

and salary of administrative clerk-registrar in the department, headed by Strumolo.

Strumolo went to court, with Schwartz as counsel, to fire part-time health officer Gerson L. Ram. He won that fight and as a result Belleville has benefited from state aid health programs such as measles and mumps vaccinations (upcoming) a rodent control survey and a future diabetes myelitis program. The town is eligible for state funds because Dr. Bevinetto was

hired as a full time health officer.

Town ordinance #1773, dated April 10, 1967, introduced by Commissioner Strumolo and seconded by Commissioner William Cullen, states that the department of public affairs must have an administrative clerk. It supercedes a 1966 ordinance that provided for administrative clerks in every department but public affairs. The 1967 ordinance was never rescinded. Ergo, Strumolo and Risoli thought the sub-

mitting of the ordinance was only a technicality and that it would be passed.

The defeated ordinance would have established a salary range of \$7,719 to \$9,927 in seven steps for Risoli and would have been retroactive to January 9. Risoli has been registrar since 1958. He took and passed a Civil Service exam for the post of administrative clerk.

The duties of the post, as defined by Civil Service, are: 1. formulation of policies of the department, 2. preparation of administrative correspondence, 3. drafting of proposed ordinances and resolutions, 4. handling all personnel records, 5. preparing payrolls, 6. checking and approving invoices and vouchers, 7. handling all public relations for the director and department, 8. making organization decisions.

"I'm doing the work now," says Risoli. "I'm just interested in getting what I'm entitled to. I passed the Civil Service exam and they okayed me as administrative clerk on the payroll. They don't usually combine the two for fear someone's being cheated out of a job."

Before submitting the ordinance, Commissioner Strumolo asked for a legal opinion from Town Attorney Nicholas Amato, who told the commissioner to submit the ordinance. "Now we're going to court to get that legal opinion on the ordinance," says Strumolo. "I'm not trying to create a job." He then referred to an ordinance creating a sewer foreman in the Department of Public Works, due for public hearing at the October 14 Commission meeting. "That," Strumolo stated, "is spending money recklessly. Combining the two positions would save a salary, according to Strumolo, thus keeping his department's budget down."

Commissioner Mary Senatore (who along with Mayor Smith and Commissioner McGreevy defeated the measure 3-2) said she was against the retroactive clause and felt the timing of the steps was not clearly defined. Risoli has a copy of a letter to Commissioner Senatore stating that he would start with the minimum (\$7,719).

"Commissioner Strumolo could decide tomorrow to put Risoli at the maximum and there would be nothing we could do about it. This would mean nearly a \$4,000 raise for one man and I am against it," said Commissioner Senatore.

Mayor Smith cited the same \$4,000 increase from Risoli's present salary as registrar to the maximum \$9,927 figure as his reason for voting against the ordinance. The mayor was also against the retroactive clause.

"The man's received about \$1600 in increases and lo-

### School Girl Killed By Hit-Run Driver

Funeral services for Tammy Lee Horton, 5, of 127 Heckel Street, Belleville, who was killed on September 21 at Belmont Avenue and Honiss Street, Belleville, by a hit-and-run vehicle, were held on September 25 at the Paul A. McDonough Funeral

Home, 637 Broadway, Newark.

Tammy, a kindergarten pupil in Belleville School, No. 4, was hit by a car and thrown under the wheels of a bus which she and her mother had just gotten off. The accident took place three blocks from their home.

She is survived by her parents, Mr. and Mrs. Robert Horton, and two brothers, Robert and Michael, both at home.

### Testimonial Dinner

## Town Honors Police Chief Smith

After 37 arduous years of duty, Don Smith, who rose through the ranks to become chief of the Belleville Police Department, is retiring in the midst of a wave of popular esteem and affection.

More than 600 persons, including many notables, attended the testimonial dinner-dance given for the chief last Friday at the Fountain restaurant.

The dinner, arranged by some of the chief's closest friends and associates, was a huge success as one testimonial after another was showered on the retiring officer.

Sheriff of Essex County Ralph D'Ambola, one of the guest speakers, said that during his years as a law enforcement officer, Don Smith "has been a guiding light to me."

mer assemblyman, said that Smith is "a policeman's policeman" and that following his example every citizen should dedicate himself to the cause of law and justice.

A spokesman for the Little Zion Church, whose pastor, Mary A. Farrar, was also present, said that Smith's record has never been tainted by racialism or "brutality."

Plaques and gifts, including a check, were presented to the retiring chief from the Little Zion Church, by Commissioner Mary V. Senatore on behalf of the citizens of the town; by the Belleville P.B.A., and by Michael A. Pariso.

To many present it was a dramatic moment as Mayor Kenneth D. Smith rose to say a few words about his brother, retiring this year from active duty. Mayor Smith pointed out that in spite of their selfless service many men who have risen through the ranks of public duty are now

being hurt by ill-informed attacks. In this connection the Mayor indicated Newark Police Director Dominick A. Spina, who was sitting near the dais. Mayor Smith urged all citizens to adhere to the right path informing their opinions and the opinions and actions of their children.

Present at the dinner were, in addition to Commissioner Senatore, Commissioners Joseph F. McGreevy, Vincent T. Strumolo, and William H. Cullen, Essex Freeholder Joseph Cohen, Congressman Peter W. Rodino, Jr., Mrs. Norma MacCool of the Board of Education, and Director of N.J. Motor Vehicle Bureau June Strelecki.

The Chief's son, Don Smith, Jr., and his wife Gladys shared the honors with him on the dais.

FROM LOOMS -- Registrar Ralph Risoli discusses upcoming court case with his lawyer. He is testing legality of town ordinance on the books that calls for an administrative clerk in the department of public affairs.

### McCoy & McGreevy

## Registrar Is Refused Perusal Of Payroll Info

The intrigue mounts in the rejection of the administrative clerk for public affairs ordinance. Commissioner Vincent Strumolo authorized in writing, Ralph Risoli, registrar, permission to view the municipal payroll. The letter was written to Francis McCoy, town treasurer.

Risoli was refused his request. "That's a public record," he claimed. "All my records are open to inspection by the public." Risoli is registrar of vital statistics for the town of Belleville. Risoli says that McCoy told

him Commissioner McGreevy said "no one sees the payroll." McCoy said that Risoli was told "to see Commissioner Strumolo said he was 'highly insulted' by the refusal."

"I'm one of the lowest paid registrars in the state where there's a hospital to compile records for," Risoli cited the original 1967 ordinance (#1773), which called for a salary of \$6700 to \$8624 for administrative clerk, public affairs. "Then, he noted 'the administrative secretary in the department

of public safety was jumped to \$7719 to \$9927 three months ago. This was passed, 5 to 0."

Ordinance 1773 calls for from \$6413 to \$8231 for administrative secretary. "An administrative clerk is higher than an administrative secretary, so I put in for the same amount," notes Risoli.

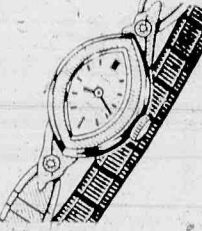

"If Risoli wins (he's going to court), they'll have to pay what I've been fighting to save," said Commissioner Strumolo, "an added salary. They're making it a battle of personalities."

ON THE DAIS -- With forks raised at the head table, his fellow citizens honor Police Chief Donald Smith at testimonial at the Fountain. Seated left to right are: Mayor Kenneth D. Smith, the chief's brother, Master of Ceremonies Dr. Palmer D. Burde, Chief Smith and Mrs. Smith.

# Bookmaking, Lottery Slips County Gambling Raids Nab Two Suspects From Belleville

Seven men and two women were arrested on gambling charges September 27 in eight raids in Newark and Belleville by state and Essex County law enforcement officials.

Asst. Prosecutor Michael F. Riccardelli said the raids were significant in that eight persons at one time were arrested for bookmaking and possession of lottery slips. The ninth was held on lottery charges only.

The raids were conducted by 12 men from the prosecutor's office, eight from the special gambling squad of the Alcoholic Beverage Control, and five state police officers. They took place between noon and 1:30 p.m.

Riccardelli said \$2,231 in cash, \$130 in checks and a "large amount" of betting slips were confiscated.

Lt. Bart Dougherty, head of the prosecutor's gambling squad, said that at 138 Heckel St., Belleville, scene of one raid, officers found a bank of telephones in the cellar which was connected to a similar bank in the adjoining house, at 136 Heckel St.

### No One at Home

No one was at either home, but Dougherty said the system permitted a legitimate telephone connection in one spot while the gambling operations took place nearby. The telephone could be answered from either location.

He said that at 136 Heckel St., a "large amount of betting slips were recovered." During the raid, Dougherty added, officers took some \$100 in bets on the ringing telephones. The owners of the houses were not immediately identified.

Charged with bookmaking and possession of lottery slips were Mrs. Thersa Delzotto,

55, and Anthony P. Sinico, 60, who both gave as their address 896 Clifton Ave., Newark, scene of one raid; John C. Pico, 48, of 420 Greylock Parkway, Belleville, owner of Pico's Tavern, 91 Heckel St., Belleville, scene of another raid; and William Juliano, 37, of 595 N. Sixth St., Newark, owner of the White Star butcher shop at the same address, where another raid took place.

### Others Held

Others held on the same charges were Mrs. Angelina Pizzi, 51, of 10 Elmwood Ave., Bloomfield; Harry Scardilli, 47, of 12 Brighton Ave., Belleville; and John Liccone, 61, of 161 Ellington St., East Orange.

All appeared for a preliminary hearing before County Court Judge Francis W. Hayden, and were released in \$2,500 bond except Mrs. Pizzi who was freed in \$2,000 bond. The arraignment will be Oct. 14.

Other places raided were Max's Tavern, 506 Bloomfield Ave., and Summer's End Tavern, 853 Summer Ave., both in Newark, and Angies Luncheonette, 71 Franklin St., Belleville.

the investigation but declined to elaborate.

The jury, in almost continual session since last spring, is acting on complaint by a previous grand jury that gambling laws were not enforced in the city. The jury last month indicted Newark Police Director Dominick A. Spina for nonfeasance, charging that he failed to enforce the gambling laws in Newark.

### Surveillance Result

Riccardelli said agents from the prosecutor's office and ABC conducted a month-long surveillance of the locations in preparation for the raids.

Riccardelli, who heads a grand jury investigation into the Newark city administration with Asst. Prosecutor Donald W. Merkelbach, said the raids were connected with

### Movie Depicts Y's Progress In Ethiopia

A new YMCA World Service movie depicting the work of Ethiopia's YMCA is scheduled for release this fall. LaForest C. Smith, General Director of the Oranges, Maplewood and West Essex YMCA announced today.

Entitled "Into All The Land," the new film will enable the YMCAs of North America to see the programs that have made Ethiopia's YMCA one of the most dynamic voluntary agencies in Africa, and earned for it the coveted Haile Selassie Award for Humanitarian Activities, Smith said.

Among the film's highlights is the story of the Y's Future Citizens Program. This program provides a basic education to disadvantaged boys and girls throughout the nation who, for lack of space, are excluded from the overcrowded public schools. Also featured is the work of North American YMCA fraternal secretaries Marvin Ludwig and Owen Manchester, and World Service Worker Norris Lineweaver.

## Girl Scouts Attend Camping Weekend

With Mother Nature behind them all the way, Belleville Girl Scouts started their '68-69 year with a camping weekend at South Mountain Reservation, September 20-22.

Toting sleeping bags and knapsacks Junior Scouts from Troops 947, under the leadership of Mrs. R. Jackson; #232, Mrs. B. Gombulinsky; #326, Mrs. R. Osborne; #591, Mrs. L. Reynolds; #954, Mrs. G. Meehan; #978, and Cadette Troop 48, Mrs. J. Phillips, and Jr. #938 and Cadette #948 under the supervision of Miss Barbara Regula quickly stored food, built fires and had the cabins ringing with activity. Jr. Troop 961, Mrs. C. Hill and Cadette Troop 950, Mrs. E. Craypoliskoff were seen pitching tents and kitchen tarps. 168 girls and 30 adults were soon ready for the weekend capers. Miss Dorothy Minker, R.N. manned the first aid station, which fortunately for all concerned, was used only for minor scratches.

An informal campfire was held Friday evening. The girls called for their favorite songs which rang loudly, if not tunelessly, through the trees.

Saturday at 7 a.m. all troops assembled for a flag ceremony, followed by breakfast, and a morning of games, trail laying, and scavenger hunts; the girls searching for sky hooks, receipts for 10 cartwheels and tomahawks.

During the afternoon the troops set out on hikes to the Deer Paddock or Turtle Back Zoo, worked on campcraft skills, or nature studies.

Saturday evening each troop performed at the campfire with songs, dances, or Indian folklore, after which, an impromptu football rally broke loose as the girls cheered, sang, and danced for Belleville's Alumni team. Unfortunately, their support must not have reached the Nutley Stadium, for our Belleville team was beaten 14-0. But, boys, you should have heard the spirit backing you along the way.

Sunday morning began with a formal flag ceremony and religious services. A Mass was celebrated by Father Gronki of St. Peter's Parish, while Mrs. Margaret Goeringer, Belleville District Advisor, performed Protestant services.

By 2:30, anxious parents arrived to aid the exodus of weary, but happy, girls and leaders.

But this is only the beginning; already troops are embarking on their own activities and looking forward to a Brownie Playday, the Veteran's Day Parade and a town-wide Roller Skating Party. There's a busy year ahead for all scouts and you can be sure they're ready to accept the challenge.

geivity pay since he came in," said the mayor, Risoli claims that in the ten years he has worked for the town of Belleville his salary has increased only \$1000.

"I told him I would go for a reasonable increase," stated the mayor. "Since we've come into office, he's received \$1600. We have close to 300 employees. There are

others entitled to an increase." The mayor also stated that Commissioner Strumolo told the people he could do the work in his department him-

self." He agreed with Commissioner Senatore's objections to the steps. "It doesn't mean he (Strumolo) will pay it in steps. Once we vote for it, he could pay him the maximum tomorrow."

Commissioner McGreevy said he had been against the measure since it was first introduced at the July 22 meeting. "We have to deal with other non-uniformed employees also and I am definitely against this salary raise."

Strumolo accused what he terms "the majority bloc" of Senatore, McGreevy and Smith of interfering in his department. (Commissioner Cullen voted yes for the ordinance). Strumolo said, "they are discriminating against a man who has been certified by Civil Service by not allowing him to better his position."

The Public Affairs head felt that he had satisfied everyone's demands on the ordinance by declaring that the steps would be one year apart and that the salary was made retroactive because Risoli was appointed in January.

The ordinance was changed from its original form without steps at the request of Commissioner Senatore. "That was her objection," said Strumolo.

"Not one ordinance has come in with steps," he noted. He cited the superintendent of weights and measures, an ordinance approved at the April 22 Commission meeting. It had no steps and was retroactive.

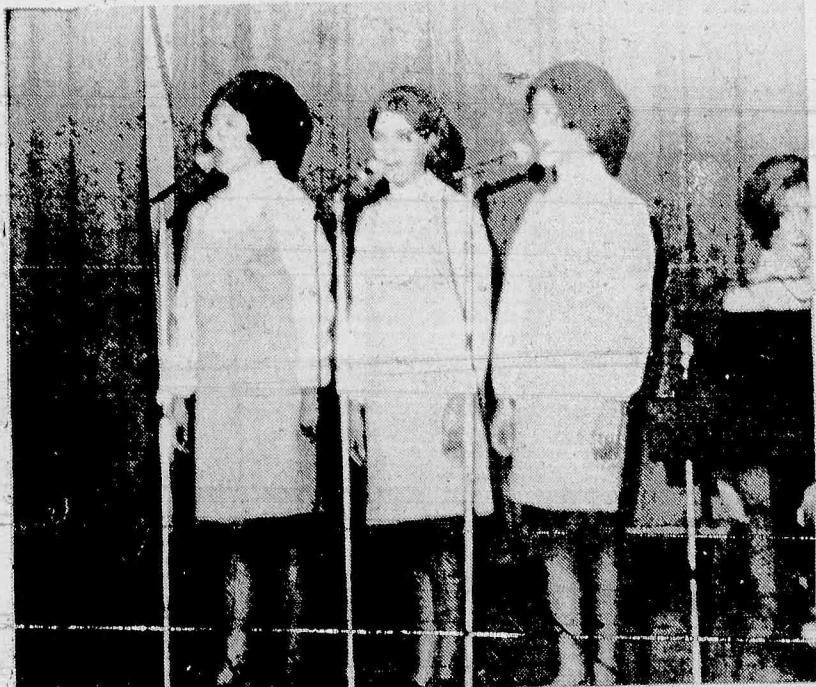

Strumolo further accused the voting bloc of nepotism and

political appointments, "rather than appointing certified people as I am trying to do."

Whether a new ordinance will be presented before the matter goes to court later this month is moot, Commissioner Strumolo has hinted that he might vote for a favorable ordinance submitted by the other commissioners. Meanwhile work goes on in the public affairs department. "We're going to expand the dental clinic," says Risoli "and give free eye exams."

also out to improve bus service in Belleville. Recently he spoke to the Public Service Board of Directors at their last meeting on improving

routes in town, particularly from the western part of Belleville east to Washington Avenue. He reports they will call him on the matter.

GOSPEL CONCERT — Pictured are the Heavenly Echoes Quartet, a local gospel singing group, as they appeared in a concert which they sponsored at Nutley High School last Friday evening. They are (from left to right) Barbara Ruffo, Maryann Ciccarella, Joyce Scafuri, and Joanne Scafuri. Leader and director of the group is Sam Zaccane of 14 Sycamore Drive, Belleville.

## Heavenly Echoes Resound In Nutley

The Heavenly Echoes Quartet, A group led and directed by Sam Zaccane of 14 Sycamore Drive, Belleville, staged a concert at Nutley High School last Friday night.

The feature group of the evening was The Courriers who are billed as the top gospel singing group in the country. The full house audience seemed to agree with their number one status.

Zaccane, who arranged the concert, also was the founder of the Heavenly Echoes Quartet. The group is made up of two Nutley High School girls, Barbara Ruffo, and Maryann Ciccarella; and two Clifton girls, Joyce Scafuri and Joanne Scafuri.

The group began singing two years ago when all the members were attending a church

picnic at the Nutley Assembly of God Church to which they all belong.

The Heavenly Echoes ask no money for their performances, and are willing to sing at any church regardless of denomination.

## Administrative Clerk

Keeping costs down is an admirable undertaking by public officials. In the veto of the resolution to combine the positions of registrar of vital statistics (Ralph Risoli) and administrative clerk in Vincent Strumolo's Department of Public Affairs, Strumolo and Mayor Ken Smith sought that end via different means.

The mayor voted against the bill because he thought the salary was too high (\$7,719 to \$9,927 range). Strumolo felt the move would keep the department budget down and at the same time distribute and lessen individual work loads.

There seem to be flaws in both men's logic. By making two jobs one, wouldn't that lower costs? Yet, how would giving one man two jobs lessen his work load?

Well, Ralph Risoli has been authorized in writing by Civil Service, as of May 27, 1968 to be administrative clerk in the town of Belleville. "I'm doing the work now," says Risoli. "I'm on the payroll as administrative clerk."

Risoli notes that a town or-

dinance, dated April 10, 1967 and never rescinded, states that there shall be an administrative clerk in the department of public works and affairs. Also, by law a town must have a registrar—even before a health officer, according to Risoli.

So, Commissioner Strumolo requested that Risoli take a Civil Service examination to be administrative clerk. He took the exam and his appointment was approved, by Civil Service, for both positions. "It's unusual," says Risoli "where they combine both jobs. They (Civil Service) usually feel someone is being cheated out of a job."

By handling both jobs, Risoli would save Belleville one salary. It was therefore reasoned by Risoli and Strumolo that the introduction of the resolution to combine the posts would be a technicality. Then why did the mayor vote against it? It seems he wanted graded steps in the salary increase, and felt that if passed, there would be no way to stop Risoli from receiving the maximum immediately.

## Death & A Warning

All those who have watched Perry Mason courtroom dramas on television in recent years are familiar with the face and performances of the prosecutor who always lost. He was Hamilton Burger, who just died at the age of 53.

One of the last filmings of Burger (whose real name was William Talman) was a one-minute anti-smoking commercial. In it he introduces his wife and three children and says he really didn't mind losing those battles to Raymond Burr (Perry Mason) but that he is now in a battle he doesn't want to

lose. If he loses it, he continues, it means losing "my wife and those kids you've just met." And he adds: "I've got lung cancer."

Talman lost his battle six weeks after he made that anti-smoking film now being seen on many television screens across the nation. He smoked three packs of cigarettes a day throughout his adult life. It is appropriate to remember his words:

"Take my advice about smoking and losing from someone who's been doing both for years. If you haven't smoked don't start. If you do smoke, quit. Don't be a loser."

## Fire Prevention Week

It is appropriate that the observance of National Fire Prevention Week comes in the first of October, when we are faced with the necessity of heating our homes again after the summer months. During this period many fires occur, due to family heating systems and unsafe furnaces and chimneys.

To call the public's attention to the danger of such tragedies, National Fire Prevention Week is set aside from October 6th through October 12th this year. Observance of this

week is also intended to remind citizens of the many deaths, and huge property losses, which result each year from carelessness in the use of fire.

Carefulness in the woods at this time of year can also save many millions of dollars worth of timber, consumed by forest fires every year. When one realizes that several farms in the United States burn every hour, the seriousness of Fire Prevention Week in the country will be appreciated.

## Engelbert Humperdinck

Now beginning a tour of the United States is one Engelbert Humperdinck—nobody eighteen months ago. At that time Engelbert was Gerry Dorsey, a struggling singer who couldn't seem to make it.

Then he changed his name to that never-to-be-forgotten Engelbert Humperdinck and cut a record called "Release Me." As is the sometimes case in show business and the music world, overnight he became a sensation.

Now Engelbert is earning \$5,000 a week. The interesting part is that success hasn't spoiled him, not yet. He still lives in a Blackpool flat where he lived in the lean days with his wife and three children. And he remembers the thirteen years he struggled and waited for success.

He and his family often had only 75¢ for food, he recalls. His wife stuck by him. His parents never criticized him; when he left them after a visit he invariably found three or four pound notes in a bag of food they forced on him.

Success has not made him forget the hard years or those who stood by him. "My wife kept me going through the hard times," he admits. Remembering how his parents helped he says: "Now I would do anything for them."

It's a nice story, with the elements of perseverance, family loyalty, hard days and happiness and success. And while too wholesome or "corny" to rate Hollywood treatment, a lot of normal people appreciate it and wish Engelbert well.

## Traffic Deaths In 1968

The National Safety Council has reported report shows that the rate of deaths per traffic deaths in the first seven months of the year reached 30,000. For the year the total is thus likely to be more than 60,000 dead, 1967 rate.

When one realizes that our military dead in Vietnam (American soldiers, sailors and airmen killed) totals about 30,000—the same number we killed on our highways in seven months of 1968, the magnitude of the slaughter on our streets and highways is appreciated.

There is one hopeful indication in the latest National Safety Council report, although perhaps temporary and misleading. The Council

In the light of these continuing grim statistics, facts must be faced squarely. Certain reducers of road deaths are better highways and safer cars. It has been shown that our super highways greatly reduce accidents and, obviously, safer automobiles mean fewer mechanical failures and fewer accidents. These must be our primary goals, along with enforcement—sensible enforcement—of traffic laws.

## It's Around Somewhere

## Seems Only Yesterday

### 1 YEAR AGO

Belleville football coach, John Amabile, was quoted as saying of the Belleville-Nutley high school football game, "If we win this game there will be very few teams that will stand in our way." Local observers felt that the Belleville team had the advantage in the upcoming game.

Speaking of President Johnson's 10% surtax on incomes, a concerned citizen wrote: "The only economically sound politically safe and morally right action is to reduce expenditures in Vietnam. If Congress refuses to pass a tax program to finance to scaling war costs, the Administration will have to accept the fact that the war must end soon, before it spirals into World War III. If you don't want the war surtax, let your Congressman know, immediately." The author of the letter was Charlotte Mandel, President of the Essex County Branch Women's International League for Peace and Freedom.

### 5 YEARS AGO

The purchase of fire department equipment was blocked by Councilman James R. Golden, who termed the proposed expenditures "wasteful and unnecessary." Some of the old gear was reported to have been held together with bailing wire.

Columnist Frank Walosin, picked the Yankees to roll over the Dodgers in no more than six games.

The Belleville football squad was edged by powerful East Orange, 13-6 on a blocked punt. The Bellboys had high hopes for their next two confrontations: Bloomfield and Nutley.

### 10 YEARS AGO

Jackie Cullan, All-Essex pitcher for Belleville High School, signed a professional contract with the New York Yankees. Cullan was slated to break in with the St. Petersburg Club of the Florida State League.

The Stanley Theatre in Newark entertained local residents with "The Ten Commandments" starring Charlton Heston as Moses.

Times Editor Ralph Heinzen wrote: "...the only hope we can have of world at peace... is to find something in common with the aspirations of the peoples of Communist lands."

### 15 YEARS AGO

The members of the Radio Amateur Club of Belleville were planning to conduct a Simulated Emergency Test of the Belleville Emergency Communications Plan. Civil Defense was to be the keynote of the test, emphasizing the mobility and versatility of the station units taking part. During the test, a number of mobile short range radio stations were to be set up at strategic points around Belleville in order to provide local communications. A high-powered long range station was to be set up to provide contact with distant points.

It was suspected that Sergeant John J. Monahan of the Belleville Police Department really knew his marbles. The sergeant had guessed that there were 931 marbles in a jar that was displayed by Boss Motors. A prize was offered to the person coming closest to the real total. The actual total was 930, and Sergeant Monahan collected \$25 for his efforts.

### 25 YEARS AGO

Belleville High School scored an opening day victory over Barringer with a score of 7-0. Before 5,000 fans, the Bellboys controlled the ball well, sealing the fate of the Zebras with a third quarter touchdown.

Rosh Hoshanah—the Jewish New Year—was being celebrated in Belleville synagogues and in Jewish houses of worship all over the world. The holiday precedes by ten days the most solemn holy day of all, Yom Kippur (the Day of Atonement).

### 35 YEARS AGO

Belleville residents were advised to come out early and find a place to watch Belleville's NRA parade, which was expected to be the most gigantic spectacle ever to be staged in Belleville. At least 8,000 people were to be in the line of march including 3,500 school children who were to march under the supervision of Wayne R. Farmer, supervising principal. Eleven bands were to participate including the Newark Police Band, the famous Essex Troop band of Newark, and Jr. VFW Drum and Bugle Corps of Belleville.

Town-wide Dollar Days sale were to begin following the NRA parade. The merchants promised real bargains and only quality merchandise to the thrifty shoppers of Belleville. It was mentioned that there was a real purpose of linking the parade with the sale. It was to help make people aware that the NRA was a vital, living thing and an important element in the future well-being of the country.

## Speak Up

## Bereaved Say Thanks

To The Times,

Finding it impossible at the present time to thank each and everyone who has been so kind and thoughtful to our family with the passing of our precious little angel, Tammy Lee, we would like to give our heartfelt thanks to all—The Belleville Police, emergency squad, and the people of Highland Avenue and the Silver Lake District.

A special Thank you to the Rev. LaForte, and a warm

thank you to Mr. and Mrs. McDonough of the McDonough Funeral Home for the wonderful care they gave our little girl.

Also special thanks for all the beautiful flowers from Tammy's friends, playmates and neighbors.

In the very near future we will thank personally each and every blessed person who cared enough to share our expenses and our grief.

## Gals Collect \$65 For Dystrophy

To the Times:

Once again, three girls from Belleville, did a wonderful job, collecting from some of the nice people in our town. They collected a total of \$65 for the Muscular Dystrophy Assn. The girls are Angela Pezzino

age 10 Joyce Pezzino age 12 and Fabiola Piombo age 10. I would like to take this opportunity, to thank the people, who gave to this worthy cause.

## Case Defends Social Security

Dear Editor:

For the past several months handbills and other unsigned flyers discrediting the Social Security program have been widely circulated in New Jersey and adjacent areas in New York and Pennsylvania. More recently some of these handbills have appeared as letters to editors in a number of newspapers.

The circulars and letters charge that a bill pending in the Congress would destroy the Social Security program by channeling Social Security funds into welfare programs and by permitting a single administrator to determine who would receive benefits as well as their amount.

It is most regrettable that this erroneous information has been circulated so widely,

for the charges are completely false and totally without foundation.

Here are the facts. H.R. 5710, the House bill referred to in the circulars, was proposed early in 1967 by the Administration for the primary purpose of increasing Social Security benefits. It was later rejected by the House Ways and Means Committee and, instead, a revised bill, H. R. 12080, with bipartisan sponsorship, was passed by both houses of Congress and signed into law on January 2, 1968. This bill made a number of constructive changes in the Social Security program and increased Social Security benefits by 13%.

# Auto Wrecked Along Washington; Driver Escapes Serious Injury

SETTING AN EXAMPLE -- Demolished auto belonged to Ralph Scorca who was careening down Washington Avenue at an excessive speed. He escaped serious injury.

A total wreck was all that was left of Ralph Scorca's car after he hit a utility pole while traveling at an excessive rate of speed on Washington Avenue on September 27 at 12:50 a.m. Scorca, who lives at 62 Grant Avenue, Nutley, was traveling north on Washington Avenue from Belleville towards Nutley at a speed estimated to be anywhere from 60 to 90 mph. His car struck a telephone pole in front of 38 Washington Avenue. From there it spun down the block and severed a stop sign at ground level before coming to a not so peaceful rest against two trees.

The car burst into flames and Scorca was pulled out by four men who came out of the Riviera Tavern after they heard what they say sounded like an explosion outside the establishment.

Patrolman Frank Rusignuolo of the Nutley Police investigated the accident, and had the Rescue Squad take Scorca to Clara Maass Hospital in Belleville.

Hospital Officials report that Scorca escaped with compound rib fractures.

# Lions District Governor Visits Belleville Today

The Lions Club of Belleville will be host to District Governor Everett J. Jackson today at 12:15 p.m. at the Fountain. The visitation is an annual event for the Lion Governor and this year Jackson will talk primarily on Lions activities on a district level, which include 65 Lions Clubs in Essex, Union, Morris and Warren Counties.

Active in Lionism for many years, Governor Jackson is a member of the Newark Club having served his club in many offices and representations. Dedicated to the purpose and objectives of the organization, his activities have brought him in contact with the program around the state, and in world-wide association. As a delegate to state conventions, as well as International Conventions in New York, Chicago and Dallas, he exemplifies the spirit of Lionism by service to his neighbor, community and country.

As Governor of District 16E, Jackson visits each club at least once during his year. He also directs District Committees and is Council Chairman to the New Jersey State Council of Lions International and its state-wide activities.

Notable among many services which are part of the Lions program, is that of eye health and education. In various forms, Lions activity assists in many ways to provide service and funds for Glaucoma Clinics, camps for the blind and funds for research equipment and program. In addition, considerable funds are made available through all local clubs to charitable organizations to assist with community improvements and projects.

A native of Newark, now residing in Kenilworth, New Jersey, he attended West Side High School, St. Benedict's Preparatory School and the

American Institute of Banking. Jackson served three years in the Field Artillery, European Theatre of Operations, during World War II.

District Governor Jackson shares his dedication to Lionism with his wife Edith, the former Edith Rossi of Newark.

## Chief of Forest Fires Retires After 40 Years

R. Wesley Davis, State Firewarden and Chief of the Forest Fire Section in the New Jersey Department of Conservation and Economic Development, retired this week with nearly forty years of State service.

Commissioner Robert A. Roe announced today. Davis was employed as an assistant civil engineer by the State Highway Department in 1929 after receiving degrees in structural engineering and civil engineering from Drexel Institute.

# Auxiliary Police Hear Recreation Director; Honor Chief

The theme of Recreation Director Bob Cook's talk, before the Auxiliary Police, at a Sept. 30 meeting was "Proper Activity can Prolong Useful Life".

He stated, "The surest way to destroy man is to let him do nothing, nothing mental and nothing physical". Those of us who have had a part of our body in a cast realize how, in only a few short weeks, the usefulness and growth of that member is impaired. Conversely, activity results in growth, strength and a feeling of well being.

Recreation, hyphenated, means re-create and this is exactly what it does. Pointed out was the fact, that recreation or a pursuit of a hobby must differ from one's usual activity. Those in sports should engage in an activity such as sculpture, stamp collecting or any of the arts.

White collar workers should choose active recreational activity. Golf, hiking, slow soft ball and cycling were some of the sports given as an example.

Bob told how the Recreation Department of Belleville is providing such activities for the youth, adult and senior citizens of our town.

## Holy Family Church Setting For Bucco-Mastro Marriage

Mrs. Ronald Bucco — nee Rosanne Mastro

Holy Family Church, Nutley, was the setting September 22 for the marriage of Miss Rosanne Mastro, daughter of Mr. and Mrs. Don Mastro of 97 Passaic Avenue, Nutley, to Ronald A. Bucco, son of Mr. and Mrs. Mario Bucco of 63 Preston Street, Belleville.

The Rev. Robert Cozzini performed the afternoon ceremony which was followed by a reception at Wayne Manor, Wayne.

Escorted by her father, the bride wore a silk peau de soie modified A-line gown appliqued with Alencon lace, pearls and sequins and fashioned with a detachable cathedral train.

A rose headpiece of crystals, pearls and lace held a three tier silk illusion veil and she carried a cascade of Stephanotis, carnations and ivy centered with a white orchid.

Miss Karen Perillo of Newark, cousin of the bride, was maid of honor. Bridesmaids were Miss Sandra Bufano, Mrs. John Keough and Miss Patricia Strafaci, all of Nutley and Miss Marlene LaLuna of Belleville. Lynne Petillo of Rumson, niece of the groom, was flower girl.

The honor attendant wore a lime green A-line worsted gown with a full train and carried a cascade of willow green fuji mums. The bridesmaids wore identical gowns in willow green and carried cascades of lime green fuji mums. The flower girl was in a lime green empire dress with a bow headpiece and carried a basket of mums.

Joel Mastandrea of Belleville was best man. Ushering were Thomas Bartlett and John Cifone of Belleville and the bride's brothers, Don and Thomas Mastro of Nutley.

Mrs. Mastro chose a lime green silk crepe gown trimmed with silver beading and matching accessories. She had a wrist corsage of cymbidium orchids. The groom's mother was in a light blue silk crepe gown with a beaded neckline and silver accessories. She had a white orchid wrist corsage.

Mrs. Bucco, an alumna of Nutley High School, is with Prudential Insurance Company, Belleville.

Mr. Bucco, a Vietnam veteran, is an alumnus of Belleville High School. He is with Scott Typesetting Company, Newark.

The couple will make their home in Belleville following a honeymoon in Puerto Rico.

## Tri-Town Civic, Law Groups Plan for Year

A joint civic participation and legislative committee meeting was held recently by the Tri-Town Business and Professional Women's Club of Belleville, Bloomfield and Nutley at the home of Miss Frances Williamson of Belleville, chairman of the civic participation committee.

Miss Williamson and her committee are arranging for publicity for the National Business and Professional Women's Week October 20-26 with posters to be placed in the three towns in libraries and in other places.

Plans are being formulated for another teen-age babysitting course as was sponsored by Tri-Town and Clara Maass Hospital last year. This will be conducted in April 1969 but requires extensive preparation.

Miss Margaret Mostica, chairman of the legislative committee, read correspondence from the mayors of Belleville, Bloomfield and Nutley regarding local ordinances relative to bicycle riding. This will be continued as Tri-Town is aware of the importance of good rules and knowledge for the general safety of all.

Present at the meeting were Miss Frances Williamson, Miss Ruth Williamson, Mrs. Lillian Wescott, Mrs. Joseph Mulligan, Mrs. Francis LaPlaca, all of Belleville, Miss Margaret Mostica of Nutley and Miss Helen Hunt of Glen Ridge.

Curl control is easy if you have the proper haircut to begin. For the same reason that a house stands straight if the foundation is strong and even, your hairstyle will be distinctive, fashionable and manageable if it's "built-in" with a careful sculpture. Notice how flattering this hairstyle is! Yet it takes, and keeps, the fashionable contour with only a minimum of grooming. Let Jack Di Paolo, a genuine expert in hairstyling, give your hair the winning flair you will love, at Salon de Beaute.

## Woman's Club Given Citation

A citation was received recently by The Woman's Club of Belleville from the General Federation of Women's Clubs and the Sears-Roebuck Foundation for effective community action through the Community Improvement Program 1966-1968.

Mrs. Richard A. Shafter, president of the service organization, submitted a four page report on the Santa Claus Headquarter project and the town-wide judging of Christmas decorations. Because of the cooperation between the various Town of Belleville departments (notably the recreation department) and the complete cooperation of merchants and service people from the town, it was possible to report community-wide action which was necessary in order to participate.

This contest is sponsored on a national level and it is possible for a service organization to win a large cash prize. While no cash prize was awarded to the Woman's Club, the winner in this case was the citizens of the town who had a necessary service provided.

More than fifty members of the club were involved in the Santa's Headquarters as well as the judging of the Christmas decorations project. The Ruth Carroll Gotchell Foundation providing kidney machines benefitted by a cash contribution of \$300, most of which was the direct result of the polaroid pictures taken at Santa's Headquarters.

Members of the Evening Department of the Woman's Club received a citation at the annual State Federation of Women's Clubs convention for this effort.

**GRADUATION TIME** — Marjorie Morrison (left) of Belleville and Anita McCormick of North Arlington get ready for graduation ceremonies at St. Vincent's Hospital School of Practical Nursing with the help of Mrs. Edith Kagan, R.N., instructor. The women were among 20 who completed 50-weeks class, specialty and laboratory studies and actual hospital bedside training as part of paramedical career development. Graduates of the accredited school now qualify for state licensure.

## Tri-Town Women's Club Members Attend Federation Board Meeting

Tri - Town Business and Professional Women's Club of Belleville, Bloomfield and Nutley were represented by 15 members of the first meeting of the executive board of the New Jersey Federation of Business and Professional Women's Clubs, Inc., Saturday, September 21, at the Beacon Manor Hotel, Point Pleasant.

Two Ocean County assemblymen spoke about the state legislature. They are assemblyman John F. Brown of Lakewood, who outlined how

Anthony Grossi Named Columbian Man Of Year

Former State Senator Anthony J. Grossi of Passaic County, a member of the New Jersey Public Utilities Commission, has been named the recipient of the 1968 Annual Achievement Award, presented each year on Columbus Day

a bill becomes a law, and Assemblyman Benjamin H. Mable of Pine Beach, who outlined Assembly Bill 929, creating a Women's Bureau in the Department of Community Affairs.

Assemblyman Brown is vice-president of J.F. Brown & Son, fuel oil and heating distributors, a former mayor of Lakewood and has been a member of the General Assembly since 1956.

Assemblyman Mable is a by The Columbian Foundation. The announcement was made last evening at a gathering of civic and business leaders at the home of Frank A. Langella of South Orange, a trustee of the Foundation.

Commissioner Grossi was a member of the New Jersey State Senate from 1959 to

former mayor of Pine Beach and a freshman assemblyman.

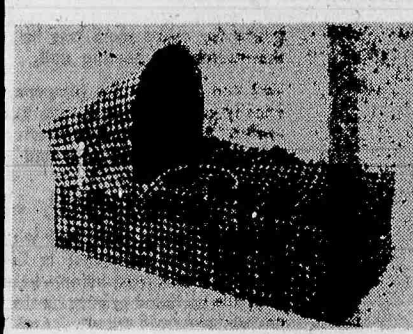

The day-long program also included a mini-workshop in public relations conducted by Miss Jean-Rae Turner, state public relations chairman.

Mrs. Mildred McLean of Summit presided at the general board meeting. Mrs. McLean is president of the New Jersey Federation of Business and Professional Women's Clubs. Plans for the year were outlined.

1965 and served as Minority Leader in 1963. He was Chairman of the Legislature's Welfare Investigating Committee and the Narcotics Study Commission, and in 1963 was named Legislator Of The Year by the State Board of Chosen Freeholders. He is also the Passaic County Democrat Party Chairman.

## Patrick Waters; Commissioner

Patrick A. Waters of 303 Clubhouse Road, Beachwood, died on September 26 at Toms River Country Manor Nursing Home. He was 92.

Waters served continuously as a commissioner and public works director from 1926 to 1954. He first was appointed to the commission on July 1, 1926 to fill a vacancy caused by the resignation of Mayor John De Graw.

Waters' family was one of the oldest and best known political families in Belleville. He and his three brothers were the leading Democratic figures there for a quarter of a century. In 1914 Waters' brother, John was Belleville's first mayor under the commission system.

When John Waters died in 1925, Patrick Waters launched his political career, losing in his first try for a town

commission seat when he finished seventh. He was named to the commission a few months later, however, and ran successfully six times after that.

Though never elected mayor, Waters did serve as acting mayor from May of 1951 to June of 1952 while Mayor James Tully was in the Marine Corps.

A product of Belleville's Valley section where he lived on Bayard Street for many years, Waters was a champion of the causes of the people there.

Waters moved to his summer home in Toms River 12 years ago where he lived until his death Thursday.

Known affectionately as "Pat" to hundreds of his admirers, Waters lent a quiet helping hand to many of his constituents.

As director of public works, he supervised the improvement of most of the streets in the town's residential sections during his years in office, and directed construction of the municipal stadium. Before becoming a commissioner, Waters served on the Board of Education as chairman of the committee on school buildings and grounds.

For more than 65 years he was employed as a wire-

A grateful Electric Glassheat user says:

*"If you notice the temperature you have the wrong heater"*

**BETTER SWITCH TO GLASSHEAT**

**"IT'S A COMFORTABLE HEAT**  
that Glassheat gives—never too hot, never too cold," he continued. "So comfortable in fact you never notice the temperature at all. Regardless of the weather it feels like a sunny day indoors. Imagine—every room sunshine warm all winter long. No drafts, no cold corners, just comfort!"

No wonder Electric Glassheat reminds you of sunshine. It is the only heating system that warms with healthful radiant electric rays exactly like the rays of the sun. And this is true throughout the house for every room has its own money-saving thermostat and heating unit.

You can regulate the temperature of each room exactly as you want it, one quite warm, another cooler. And if a room is unoccupied, turn back the thermostat, close the door and save money!

**IT'S HEALTHFUL HEAT TOO!**  
"We had fewer colds last winter and everyone felt fine" says an owner in Caldwell. This is a common report from owners because Electric Glassheat has no flame to burn up the life giving oxygen or produce toxic fumes. And the sunshine rays of Glassheat not only produce an even temperature but maintain humidity at the level doctors recommend for good health.

**SAVE CLEANING TIME AND MONEY** "No soot, no smoke, no grime. Glassheat is wonderful," writes another user. "Have never seen anything so clean. Saves me hours I used to spend cleaning and painting."

Another says "In 16 years the only room we have had to do over is the kitchen. No need to repaint the other rooms or dry clean our drapes. And our venetian blinds still look fresh and new. That's why so many owners say, "Install Electric Glassheat and take it easy."

**SAFE!** Electric Glassheat is absolutely fire-safe and can't overheat. No fumes to worry about, and even accidental contact can't cause blistering.

Electric Glassheat is as silent as sunshine and as pleasant, for there are no moving parts. Saves space too for the area usually used by radiators, furnaces and flues is yours for extra living space.

**SAVE MONEY ON HEAT!** People admit that Electric Glassheat is tops for comfortable heating. But some feel that it is so ideal it might be too expensive. This is not true—as you will see from these letters describing Glassheat's economy.

One writes, "We installed Glassheat for its greater comfort with the hope that it would be reasonably economical to operate. So we were not prepared for our very low annual heating bills. And since

we can now take advantage of the special low heating rate, we save money on our regular current too. And there are no maintenance charges. It all adds up to better heat for less money.

"Though we added two extra rooms" says another owner, "my heating bill is only \$175. A pleasant surprise and we have never been so comfortable."

That's the Electric Glassheat story. People install it because of its many advantages—then are delighted to find it is an economy as well.

**WHY PAY MORE FOR LESS?**  
Does Electric Glassheat sound luxurious? It is in every respect but cost. If you would like to know what Electric Glassheat will do for the health, comfort and welfare of your family—and how little it will cost, send the coupon, or phone.

# Transportation Projects Abound

Every section of New Jersey will benefit directly from the 16 already-approved major freeway projects that would be completely or substantially constructed under the

proposed \$640 million Transportation Bond Issue.

And every one of the 62,000 daily passengers on New Jersey's four principal suburban railroads will be commuting on a "clean, modern, largely electrified and interconnected commuter system."

These reports on how bond issue funds would be spent were released today (9/27) by the New Jersey Bonds YES Committee based on analyses received from the Department of Transportation. But they are only part of what will be done to improve now "sadly inadequate public transportation" in the Garden State with funds provided by the bond issue, up for voter approval Nov. 5.

Bonds YES Co-Chairmen Mark Anton and John T. Conner issued the reports.

Included among the 16 major freeway projects on which agreements have already been approved are:

Route 440--Route I-95 to Outerbridge Crossing. Design plans for this link are nearing completion and construction contracts are ready.

Route 18--Route 9 to Route 35 Freeway. Design is well advanced on this portion of Route 18 Freeway in Monmouth County.

Route 33--Freehold Bypass. This segment of the Central New Jersey expressway system will link the dualized portions of Route 33 to

the east and west of Freehold, a portion of which is now under construction.

Route 55--Westville-Cape May. Alignment has been established between Franklinville and Port Elizabeth and the portion bypassing Millville is under construction.

## Evaluation Clinic at 'Y'

A personal fitness evaluation clinic will be held by the downtown branch of the YM-YWCA of Newark and vicinity on Wednesday, October 9.

The Newark "Y" serves Belleville residents.

Interviews with trained professionals and the testing itself will be scheduled from 11 a.m. to 7 p.m. at the branch, 600 Broad Street, Newark. Gym attire should be worn.

The testing, which will take about one hour, will include cardio-respiratory condition, fat measurements, strength, flexibility and lung capacity. The "Y" professional staff will interpret results and will recommend a personalized program based on needs and capabilities.

Registrations are being taken at the membership department in the downtown branch.

## Caldwell College Library Expands Audio-Visual Aids

The Caldwell College Library, now containing 55,000 volumes and 450 periodicals, projects an active year, according to Sister Margaret Anne, head librarian.

For the fourth consecutive year, the Federal Government has granted Caldwell College \$7,007 and the Association of College and Research Libraries \$700 to aid the library in expansion, Sister announces.

## Mrs. B. Kvanetz; Born In Hungary

Mrs. Barbara Kvanetz of 51 Adelaide Street, Belleville, died on September 24 in Clara Maass Hospital. She was 83. Born in Hungary, Mrs. Kvanetz came to Belleville from Hillside 15 years ago. She is survived by her daughters, Mrs. Barbara Pleni of

Belleville, Mrs. Rose Dibella of Hillside, and the late Mrs. Elizabeth Toth; and 5 grandchildren and 10 great-grandchildren.

A funeral service was conducted at the Kiernan Funeral Home, at 101 Union Avenue, Belleville by the Rev. Alfred W. Stone of Fewsmith Memorial Church. Interment followed at Fairmount Cemetery, Newark.

## In celebration of National Newark & Essex Bank's 165th Anniversary

### Two \$4,000 Four-Year College Scholarships

Parents and friends: help your favorite boys and girls compete!

New academic horizons are ahead for two bright, industrious Essex County youngsters. They will soon receive National Newark & Essex Anniversary Scholarships. These awards, given annually, total \$4,000 each. So that, upon admission, each youngster receives \$1,000 a year for four years of study at the college of his or her choice.

Up to now, thirty graduates of Essex County high or other secondary schools have attended various colleges with the aid of these scholarships. The awards were initiated in 1954 to mark the 150th Anniversary of National Newark & Essex Bank.

A distinguished, impartial committee of educators

will review all applications and select the winners. They will consider four factors in particular:

- Student's scholastic ability and promise
- Activities at school and in the home community
- Citizenship and leadership as evidenced at school
- The need for financial aid

Help us in our search for this year's winners--and thus help them head for new horizons of achievement. Be sure to tell Essex County secondary school seniors and their parents about the Bank's Scholarship Program. Tell your friends that competition is beginning right now.

# Bloomfield Air Attack Poses Problems

## The Belleville Times

News

### 1:30 Kickoff With Bengals

"Bloomfield is a very, very good football team," That's Coach John Amabile's succinct appraisal of his next opponent.

Frank Tripucka's son, Mark, is the Bloomfield quarterback. Frank called signals for the Eagles, Lions and Chicago Cardinals in the NFL and for the Denver Broncos in snow storms in the AFL. He was around when they wore those great socks.

"I understand Mark can throw the ball a mile," shuddered Amabile, no stranger to quarterbacking. "They're an aggressive ball club." Mark heaved a 37 yard touchdown bomb in Bloomfield's win over Seton Hall last week.

Jay Baumgardner, who scored Bloomfield's other TD in the 13-6 victory, also drew praise from the Bellboy coach. "He's as good a runner as we'll see all season." That's some compliment, considering the job Charlie Hinton did on Belleville.

"The kid did a hell of a job. You can't take anything away from him, but our lanes broke down on punt coverage," (Hinton scampered 68 yards for the score that put Belleville out of the contest, 19-0.)

Bloomfield's backfield also has a topnotch fullback. "Brill," their other running back is a good blocking fullback," notes Amabile "and he runs inside well."

Belleville has no consequential injuries after the East Orange debacle. "We have to get our offense moving. We had good field position, and didn't take advantage of it. There was a breakdown in our pass game, and if we don't overcome it, it'll be a serious problem."

Coach Amabile thought his defense held up well after making adjustments to combat East Orange's end runs. "They had to work for their first two touchdowns. We got lax on the second two after

Hinton's third quarter punt return, the Panthers scored with 1:13 to go on a 44 yard pass play).

"We're gonna have to work," said Amabile. Then he added, "we've got our hands full." Kickoff time is 1:30 at Bloomfield.

### Newark YMCA Thriving

The Newark YM-YWCA, 600 Broad Street, has over 500 women and a few thousand and male members. Physical education and health director Bob Rule tries to make sure enough programs are provided.

"We have men's, women, boys and girls, co-ed and individual and group activities." The Y is open for adults 9 a.m. to 10 p.m. six days a week. Youth come in on specific schedules.

There are fitness classes and facilities for individual exercise (bicycles, punching bags, weights, rolling machines). Hundreds are enrolled in the fitness classes.

A fall fitness evaluation clinic will be held October 9 at the Y to check total fitness (including cardio-respiratory condition, fat measurements, strength, flexibility and lung capacity). A confidential interview with a trained professional is also available. He will interpret test results and develop a personalized program based on individual needs and capabilities. Testing takes about one hour. Gym attire should be worn. It will be conducted from 11 a.m. to 7 p.m. Fee is \$5 for members; \$7 for non-members.

Swimming draws 75 to 200 participants daily, according to Rule. The Olympic size pool is equipped with underwater lights. The temperature is kept at a constant 78-82 F. "We play music too," says Rule, as if the prospect weren't appetizing enough.

Lifesaving, scuba, diving, beginners and intermediate swimming courses are offered. "The whole gamut of aquatics," was how Rule put it.

There are also classes in judo, tennis, fencing and modern dance for women. Recreational activities include

### Cross Country Drops Opener

Belleville High School's Cross Country team lost its season opener to Orange last Wednesday, 33-24, but the addition of new recruits has Coach Ray Haneke hopeful for tomorrow's meet with Montclair at Branch Brook Park.

Bob Forrest finished first in the 2 1/2 mile event, Mike Ventura placed fifth, Don Sobanko sixth, John Deighan tenth, John McCarthy eleventh and Richard Aull was eighteenth.

Coach Haneke was pleased with his squad's showing and feels the lack of depth will now be overcome.

### Gaeta Wins Golf Match

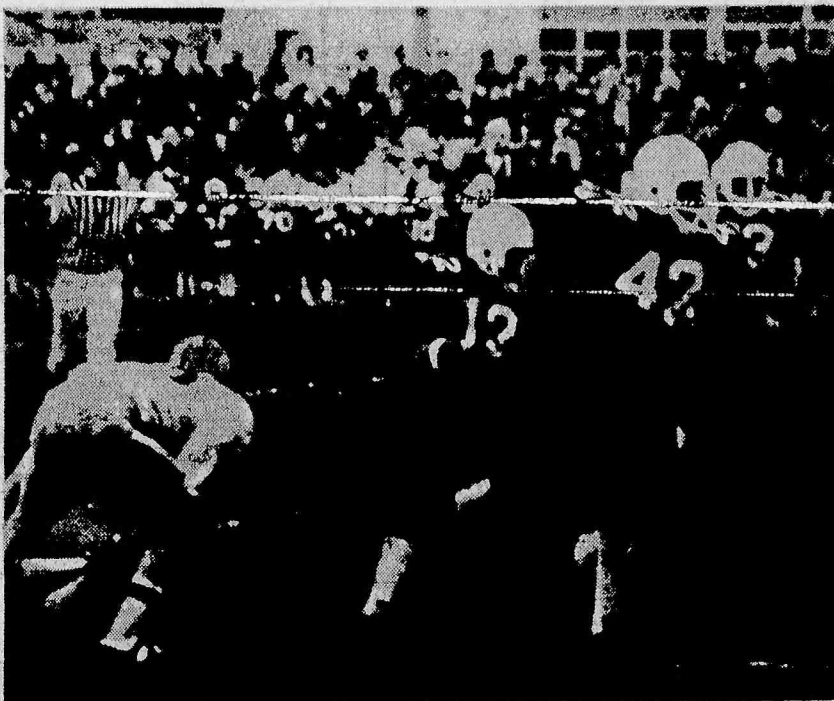

Sam Gaeta of 7 Passaic Avenue, Belleville, recently won a golf tournament at Tomahawk Country Club in Lincroft, N.J. Gaeta is a member of the club.

Gaeta shot a 67 to take the lead after 18 holes. The final round of the tournament for members was played the following week. Gaeta again shot a five under par 67 to win with a 134 total.

Gaeta is the brother of Tony Gaeta, head pro at Tomahawk and Vito "Red" Gaeta pro at Bann Hollow Country Club in Middletown.

A trophy will be presented to Gaeta at a dinner at Tomahawk in November.

### East Orange Routs Bellboys 26-0

DYNAMIC DUO -- Greg White follows his interference, being led by his partner in crime against the Belleville defense, Charlie Hinton (42). The two were instrumental in wrecking the Bellboys season debut.

HERE COMES HINTON -- Charlie Hinton heads upfield and for the sideline on 68 yard punt return for the Panthers third score. Jerry Rowlett (83) and Leonard Gantt (41) prepare to move out Doug Brown. (Rowlett later scored East Orange's fourth touchdown.)

Well, 26-0 is better than 32-0. Coupled with the Alumni loss, teams representing Belleville High School haven't scored since 1967.

East Orange extended its unbeaten streak to 14 behind the running of Greg White and Charlie Hinton. Belleville's offense couldn't get untracked as quarterback Joe Vitiello was repeatedly thrown for losses attempting to pass (6 times for 40 yards). The closest Belleville got to the East Orange goal line was 26 yards away.

The Panthers scored the second time they had the ball, moving the ball downfield on the play Coach Amabile feared most, the end sweep. With 5:11 left in the first quarter, White scored his first touchdown on a 9 yard gallop around right end.

East Orange started another drive on its 32 the next time it had possession. They drove to the Belleville 18 as the quarter ended. A 28 yard pass play from Leon Griffin to Hubert Sills highlighted the march.

On the first play of the second quarter, White, back in at quarterback, skirted left end for an 18 yard touchdown, making it 13-0. Joe Ritacco was inserted on defense and turned in the sweeps effectively the rest of the second quarter. Bob Bonfante also excelled, making six tackles.

Bob Baker intercepted on the last play of the half. Though the defense had tightened up, there was still no offense.

Banda misplayed the second half kickoff and Belleville was in a hole at its own 3. Doug Brown carried to the 4 and a 15 yard face mask infraction got the ball out to the 19. Wille carried for a first down, but the drive was then stopped. Vince Costantino boomed one of his 11 punts and Hinton was gone. He covered 68 yards and the score mounted to 19-0. Bob Baumgartner and J. Cancelosi blocked the extra point attempt. There was 8:29 to go in the third quarter.

Hinton played some tough defense too for the Panthers. Wearing N. 42 he looked for

### Frosh Game Rescheduled

The Belleville - Nutley freshman football game, originally scheduled for Saturday morning has been rescheduled to tomorrow at 3:30 p.m. It will still take place at the Park Oval Nutley.

### Sports of The Times

By RICHARD DE SINA

The year of the you-know-what has ended. All that machine boggles the mind also all that inaction. Consider.

Four pitchers threw at least four straight shutouts (Don Drysdale, Bob Gibson, Luis Tiant and Ray Culp), there were back to back no-hitters (Cavlor Perry and Ray Washburn), there was a 30 game winner for the first time in 34 years (Denny McLain), Bob Gibson set a modern major league and 300 innings plus ERA record with his 1.12, Carl Yastrzemski successfully defended his batting crown, but with an all-time low of .301, only six major leaguers hit .300 (there used to be six in the lineup of any bonafide pennant contender), only three knocked in over 100 runs; Don Drysdale set a scoreless innings mark and the Mets almost had a 20 game winner. The All-Star

game reflected the situation, as the National League limped home a 1-0 winner.

Question: Who stole home in the Reds only victory in the 1961 World Series?

Kyle Role, in announcing the All fight, pronounced Zora Foley, "folly." It may have been. For once the Indians broke an agreement.

Bloomfield is the next foe for John Amabile's Bellboys. The Bengals dumped Seton Hall in their opener, 13-6. Mark Tripucka at quarterback and Jay Baumgardner at halfback are strong offensive threats. Wayne Byard and Tony Scarlatelli will be on the receiving end of Tripucka's tosses. Mark Buttitia is a defensive stand-out. Kickoff time is 1:30 Saturday at Bloomfield.

Elio Chacon, who later foiled for the Mets, stole home in Cincinnati's 6-2 win.

### Kiminski Cops County Golf Title

After a final round which featured a tournament play-off hole, Frank Kiminski was named the champion of Essex County last Sunday at Hendricks Field in Belleville.

Kiminski met Frank Martinelli for the 36 hole final round Sunday morning. On the first 18 Kiminski shot a 73 and Martinelli turned in a 72. In the afternoon, Martinelli was high man with a 73 while Kiminski shot a 72.

tying the match after regulation play.

According to tournament rules, a one hole play-off was necessary. Kiminski shot a four and Martinelli shot a five giving the match and the championship to Kiminski.

To get to the finals, Kiminski had to face Jimmy McElroy, J. W. Woolley, Wiley Williams, and finally James Apple Jr., in the semi-finals.

Martinelli earned his final berth by beating Ray Force, Anthony DeRienzo, Pat Dunleavy, and Leonard Thompson.

People are dying every day on the highways trying to find out how fast they can make a trip.

### Olympics History Revealed

The Olympic Games were so important to the ancient Greeks that they were used to measure time.

In the 300's B.C. it became customary to mark time in "Olympiads," the periods of four years between celebrations of the Olympic Games. All events were dated from 776 B.C., the date of the first recorded Olympic race. The custom died out about A.D. 440 after the 304th Olympiad.

The ancient Olympic festivals were originated by the people of Elis a Greek city-state on the plains of Olympia. Originally they were foot races in honor of Zeus, king of the Greek gods.

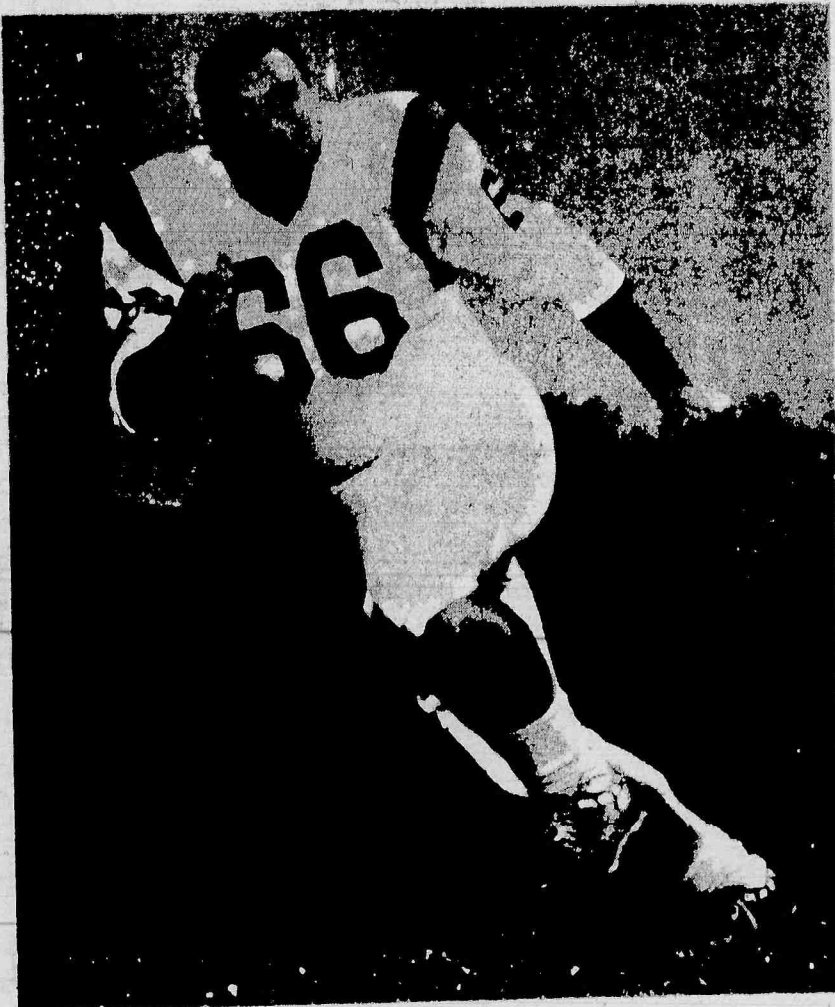

Gradually all the Greek city-states joined in the Olympics. World Book Encyclopedia notes that other contests such as jumping discus-throwing and chariot racing, were added.

As the city-states declined, athletes from other lands began to participate in the games. Gradually the games' true purpose of glorifying the individual became lost. The games became so corrupt that Emperor Theodosius abolished them in A.D. 394.

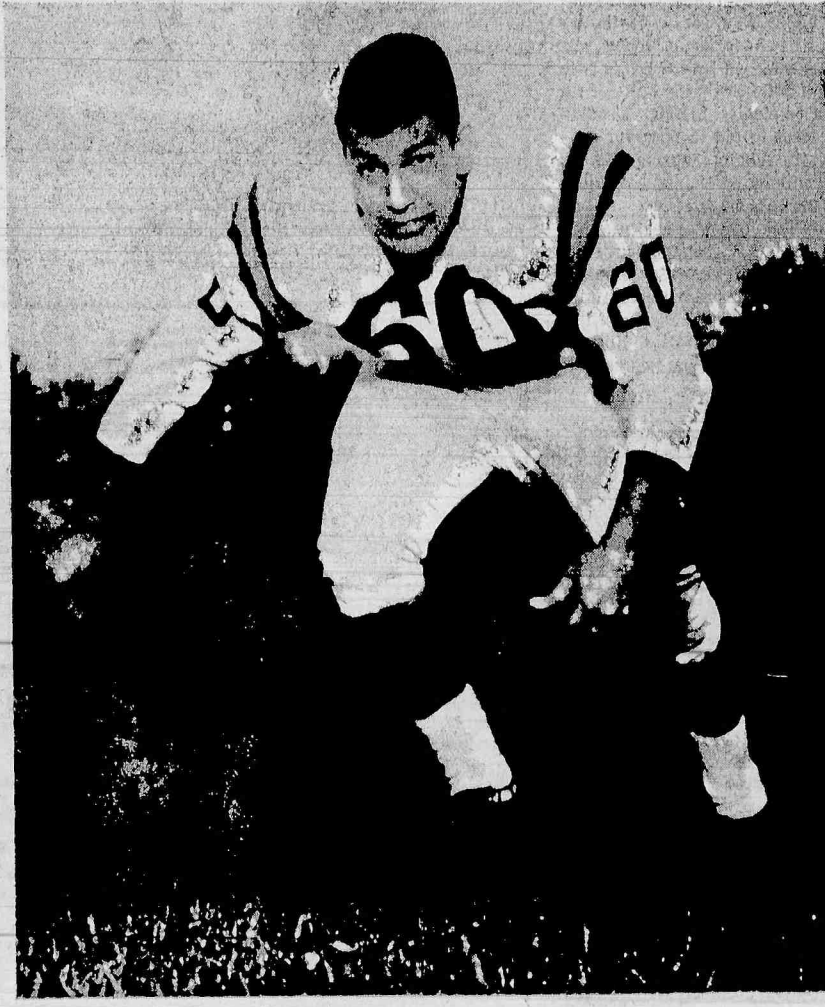

Centuries passed, Earthquakes and floods shattered the temples stadium and hippodrome. Finally Olympia lay beneath 20 feet of gravel and soil.

In 1878 German excavators found the ruins of the ancient stadium. Interest in the Olympic games was revived. Eight nations participated in the first modern Olympic in 1896. The 19th modern Olympiad begins in Mexico City on Oct. 12.

### Tom Testa's Troops Performing On Virginia Tech Gridiron

LEN LUONGO -- Captain and All-State tackle under coach Tom Testa at Belleville High in 1963 the 5'10 1/2" 210 pound senior is majoring in business administration at Virginia Tech. Hampered by injuries in his sophomore year, Len lettered last year. He is now the starting center. Len is the son of Mr. and Mrs. Michael Luongo, 175 Beach Street.

JIM PIGNINELLI -- Most Valuable Player for Tom Testa in 1965 at Belleville High the 5'11" 205 pound sophomore at Virginia Tech performs at defensive guard. He saw action in the season opening 14-7 loss to powerful Alabama and is capable of breaking into the starting lineup. Jim's parents reside at 171 Nelson Street. Jim is majoring in business administration.

# White, Hinton Spark Panthers

(Continued from Page 13) all the world like Charlie Taylor of the Redskins, and ran almost as well. Penalties continually nullified big gains for the Panthers. Hinton scampered for 57 yards, but a clip called it back. The frustration that the Bellboys encountered on offense was evident in a fourth and 50 series in the fourth quarter. Ted Del Guercio came in at quarterback in the fourth quarter and was greeted the same as Vitiello on his first play.

Occasionally customers ask us whatever became of the survey which was made by a company to find out whether it would pay to start a community antenna system. We don't know the results, but to the writer it appears that there is no need in this vicinity, except for relatively small sections.

In most cases one can secure good reception on at least a number of channels. Here and there there will be some ghosts, but as a general rule, by the installation of a modern antenna, reception as close to the transmitters as we are in this vicinity, is good.

The monthly charge to hook into such a system is mostly between \$5.- and \$6.-. To this has to be added a hook up charge which runs anywhere from \$25.- to \$50.-. If you install your own antenna, you only have one expenditure of about \$60.- or a little more in difficult situations and such an installation lasts for a number of years.

Things are different where reception is poor. CATV, as it is called, in many cases is the only way to get reception. We service what we sell. Beck's Radio TV HI FI Nutley 667-2275

## Experience Is Gained In Meets

Nutley's varsity cross country team has lost its first two meets, but the younger runners on the squad are gaining valuable experience.

On October 27 West Orange edged out Nutley's varsity by a mere 7 points. Ted Gaudiosi, who came in third, led the Nutley runners with a time of 13:23 for the 2 1/2 mile course. Close on his heels were Gary Sost, John Schwarz, Jimmy Clark and Jeff Briggs. The J.V. team was defeated 40 to 15 by the West Orange Squad.

On Monday September 30, the cross country team traveled to East Side where the varsity suffered a 15 point loss. This time, however, Nutley placed four men among the top five runners.

Gaudiosi was Nutley's first man again with a 13:40 time. He was followed by Doug Campbell, John Schwarz, and Jimmy Clark. Campbell, who didn't run in the West Orange meet, turned in a time of 13:44 for the East Side course. He was second only to Ted Gaudiosi for Nutley, who is developing into Nutley's number one prospect.

In the West Orange race Nutley placed, third, fourth, fifth, sixth, seventh and ninth. The East Side race saw Nutley still not capturing the number one spot, but taking two through five. The J.V. team turned in the first Nutley cross-country victory of the season by defeating East Side 34 to 21.

**Civil Service Association Granted No-Interest Loan**

Mercer Council No. Four of the New Jersey Civil Service Association today was granted an interest-free loan of \$36,000 by the New Jersey Community Affairs Department to aid in plans for construction of apartments in Trenton for rental to moderate-income families.

The loan was announced by Thomas V. Seessel, director of the New Jersey Housing Finance Agency and administrator of the \$2.25 million Community Affairs Housing Development and Demonstration Grant Fund.

STARRING AT TEMPLE — Joining noted second stringer Bill Cosby in the growing list of dignitaries to perform at Temple is Belleville's Bill Hollar (back row left). Bill attended St. Peter's in Belleville, then was All-State tightback at Immaculate Conception High in Montclair. He scored a touchdown in Temple's opening game rout of Rhode Island, 28-0. Other North Jersey products on the squad are (l. to r.): Front row, Bill Horwitz, Teaneck, middle guard; George Conti, Middletown, defensive back; Second row, Hollar; Doug Padla, Ridgefield, tight end and Chris Fletcher, East Orange, Defensive back.

# Nutley Rolls To 14-6 Win

An alert Nutley Maroon Raider football team intercepted three Garfield passes, two by Henry "Corky" Austin, to stop the Boilermakers, 14-6, in the seasons opener before 5,000 at the Park Oval last Saturday afternoon. Late in the first half Rick Gaccione picked off a Gasenica pass on the Garfield 29 and sped unmolested into the end zone with only 58 seconds left in the half. Earl Malloy calmly kicked the first of his two successful extra point attempts to suddenly vault Nut-

ley into 7-0. Lead.

A long pass from Thomson to Ed Smith put the ball on the Garfield 7 late in the 3rd quarter. La Monica moved to the 1 and Dentato bulld across for the Maroon's second touchdown. Again Malloy converted for a 14-0 lead.

Garfield finally put together a sustained march that resulted in their only touchdown early in the final quarter. Amaruso crossed the goal line with 10 minutes left but the extra point try by Ike Thomas failed to leave the final score, 14-6.

After Garfield received the opening kick-off Gasenica had his first aerial intercepted at the Garfield 30 but a penalty nullified the interception. The teams traded kicks during the first period with no score. Austin, a 6' 2", 175 pound defensive back, made some pretty tackles to halt a couple of Boilermaker advances.

The second quarter was also featured by some pretty fair kicking with Nutley at one time forced back to their 9-yard line on a fine kick

## Public Skating Expanded

More public skating sessions, and additional "Squirt" Hockey School periods (for youngsters 6-9 years of age), have been provided for in the new schedule just released by the Essex County Park Commission for the South Mountain Skating Arena in West Orange, effective September 6 through April 18, 1969.

Harold J. Van Cott, Superintendent of Recreation for the Commission, commented, "In order that we might better accommodate the ever increasing demand on the facility, we have added an extra public skating session on Sundays. We normally get as many as 2000 people on Sundays, and it was felt that this was entirely too many for a single session. Much more time than meets the

eye, was spent by the Commission to find this single extra period.

"We are also hoping to be able to cut down our current waiting list, of over one-hundred children, for the Squirt Hockey School session. By adding another period each week to the ten week series of classes, we will be able to narrow the list considerably; later series should accommodate the balance of children still waiting," he added.

# Bellboys Bow To Panthers As Skein Is Extended

**CARUSO CARRIES** -- Fred Caruso picks up four yards in fourth quarter action. Fighting off Mike Drury's block to make the tackle is East Orange right end Ronald Pankey.

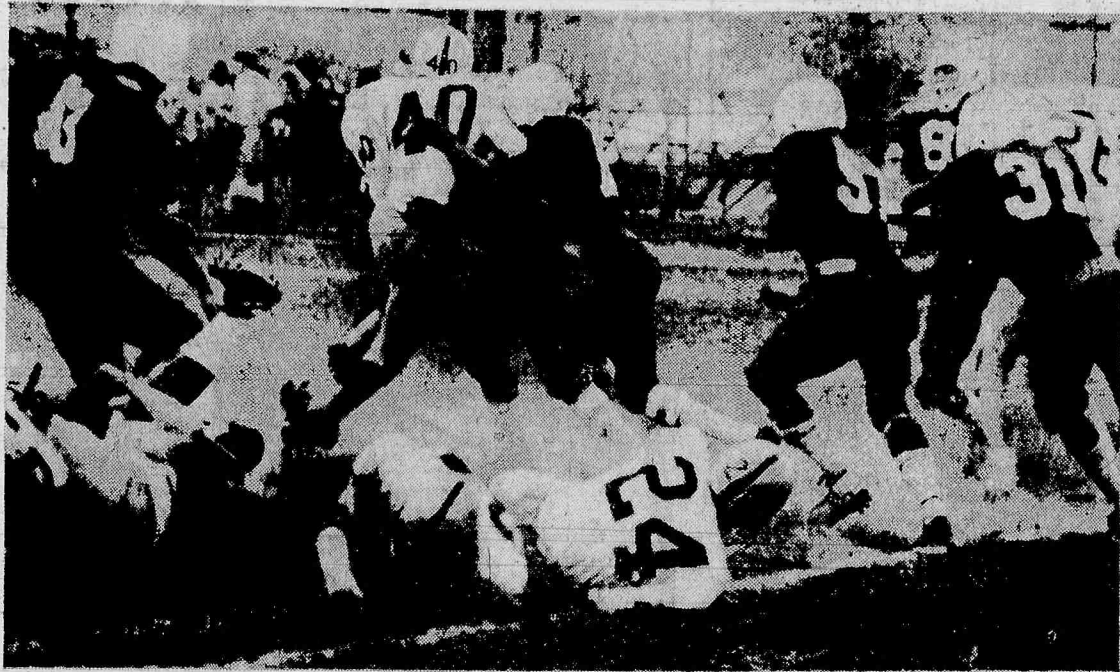

**UP THE MIDDLE** -- John Mozeka finds a little running room on off tackle slant. Closing in is Panther middle linebacker Kevin Fletcher.

**OUT OF REACH** -- Doug Brown defends as Greg White aerial just misses connection. Intended receiver was Reggie Griffith.

**BELLBOY RUSH** -- Bob Baker (32) and Jim Wille pressure East Orange quarterback Leon Griffith into early release. Panthers romped 26-0.

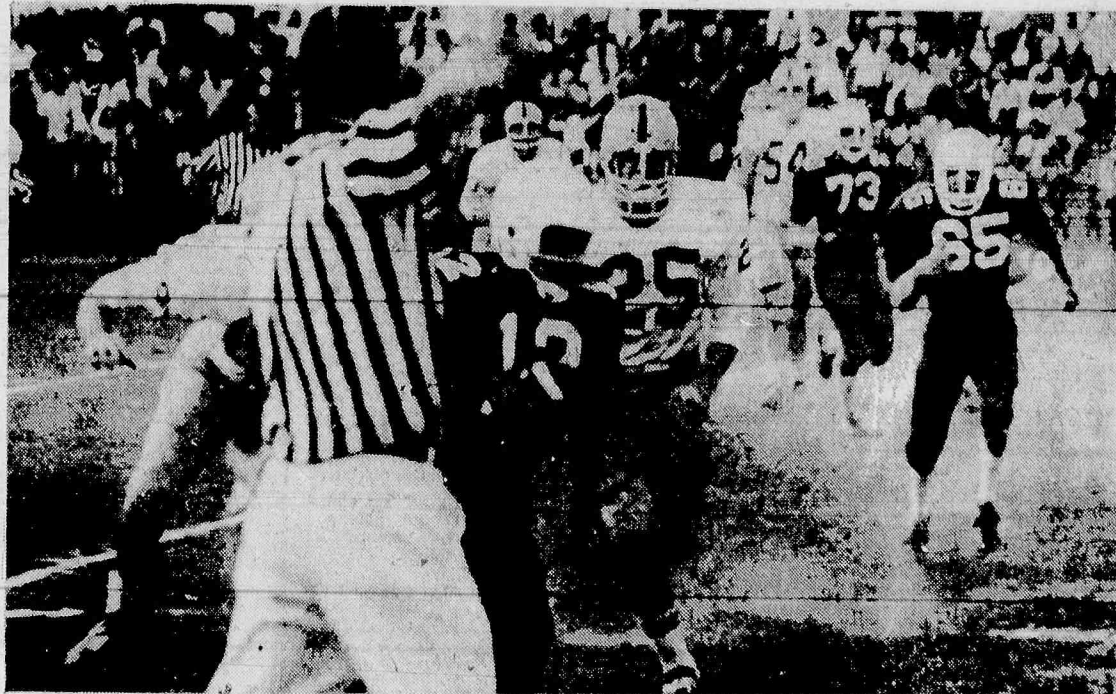

**FOUL PLAY** -- Doug Brown is dropped after yard pickup early in third quarter. Bellboys were in hole on own three-yard line, but East Orange was detected grabbing the face mask.

**EARLY STOPPER** -- Bob Bonfante throws John Battle for big loss on first series of downs for East Orange. It was one of few times Bellboys halted powerful Panther end sweeps.

**FREE FOR THE MOMENT** -- Belleville quarterback Joe Vitiello looks downfield for receiver. He was rushed hard all afternoon. Once the Bellboys were faced with a 4th and 50 situation. Even Frank Torkenton would have trouble with that.

**FIRST SCORE** -- Greg White eludes official and pursuing Bellboys enroute to game's first touchdown, a 9 yard run around right end.

## Piegaro Completes Naval Training

Seaman Apprentice Robert A. Piegaro, USN, 18, son of Mr. and Mrs. Joseph L. Piegaro of 275 Division Ave., Belleville, has been graduated from nine weeks of Navy basic training at the Naval Training Center here.

In the first weeks of his naval service he studied military subjects and lived and worked under conditions sim-

ilar to those he will encounter on his first ship or at his first shore station.

In making the transition from civilian life to Naval service, he received instruction under veteran Navy petty officers. He studied seamanship, as well as survival techniques, military drill and other subjects.

## Private Barletta Returns From Viet

Marine Private First Class Joseph H. Barletta, 21, 361 Greylock Parkway, returned to the United States September 16 with the 27th Marine Regimental Landing Team (RLT-27) after eight months combat duty in South Vietnam.

RLT-27 is the unit rushed to Southeast Asia in February 1968 to help counter the Communist Tet Offensive.

On its return the unit was honored and welcomed by the citizens of the City of San Diego as the Marines marched through the heart of downtown San Diego. A ceremony following the parade included a memorial service for those servicemen who died in Vietnam.

Reviewing officer for the parade was the Honorable Paul R. Ignatius, Secretary of the Navy. Also attending were General Leonard E. Chapman, Jr., Commandant of the Marine Corps; Lieutenant General Henry W. Buse Jr., Com-

manding General, Fleet Marine Force, Pacific; the Honorable Frank E. Curran, Mayor of the City of San Diego, and other city officials, as well as families of many of the returning veterans.

Arriving in San Diego by jet transport, the leather-necks were processed so they could depart immediately for leave enroute to their new duty stations following the parade. Prior to their departure, the men and their families were treated to a steak fry and stage show sponsored by the Marine Corps Recruit Depot, San Diego.

The 27th Marines arrived in Vietnam on February 17, 1968 and immediately began operations in the "rocket belt" area south of Danang. Its numerous patrols and sweeps uncovered large enemy caches of weapons and rockets, and helped ease the threat of South Vietnam's second largest city.

## Sgt. Poirier Gets Second Air Force Commendation

Senior Master Sergeant Joseph R. Poirier, whose wife, Joan is the daughter of Mr. and Mrs. Harry Dixon of 51 Prospect Place, Belleville, has received his second award of the U.S. Air Force Commendation Medal at Kincheloe Air Force Base, Mich.

Sergeant Poirier was decorated for meritorious service while assigned to an Air Force support unit at Samsun, Turkey. He was cited for his outstanding professional skill, knowledge and leadership which added immeasurably in identifying and solving numerous problems encountered in the accomplishment of his duties.

He is now assigned as a communications superintendent at Kincheloe in a unit the Strategic Air Command. The sergeant is a graduate

of Lawrence High School, Falmouth, Mass.

## Cadet Spatola Entering Soph Year At Academy

Cadet Michael A. Spatola, son of Mr. and Mrs. Alfred Spatola of 125 Bell St., Belleville, is one of more than 850 cadets who have entered their sophomore year at the U.S. Air Force Academy.

During the past summer, the cadet and other members of the class of 1971 completed an intensive six-week training

program at the academy and armed forces installations across the country.

The cadets were trained in survival techniques and base defense tactics in the rugged Rampart Range area near the academy. This was followed by a combat course in infantry weapons at nearby Ft. Carson, Colo.

The final three weeks of summer training was conducted at several bases where the cadets got a first hand look at operational Air Force units and aircraft.

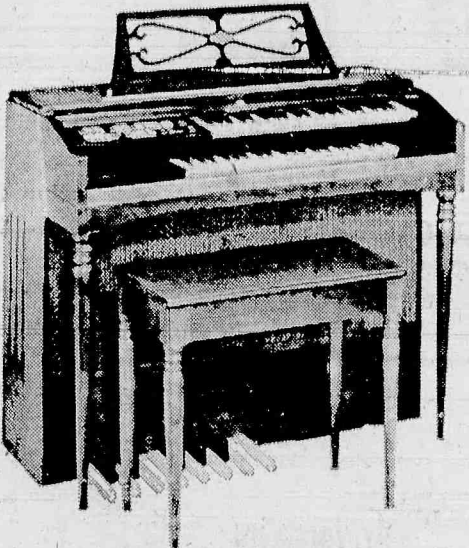

As he began his second year at the academy, Cadet Spatola was named to the Dean's list

for his outstanding academic achievement. He will be granted special privileges and wear a silver star insignia recognizing the honor accorded him by the academy dean.

He will be commissioned a second lieutenant and awarded a B.S. degree upon his graduation from the academy.

Cadet Spatola is a 1967 graduate of Essex Catholic High School in Newark, where he lettered in fencing.

# YMCA Provides Facilities For Keeping Fit

(Continued from Page 13)

MODERN DANCE— is offered to young girls and women at the Y, with classes of instruction.

HITTING THE HOOPS— can be done in the Y's two spacious gyms.

basketball, volleyball, badminton, handball, paddleball and squash.

To eliminate conflicts in the two gyms or when classes are going on, Rule has tried to schedule specific times for each event.

Bob himself stays fit, leading two conditioning classes (one moderate, the other vigorous) and playing hand and volleyball.

Special events and tournaments include:

1. Gymnastics — "we've drawn kids as far as from Montreal for this."

2. Physique contest for men "for square footage, our weight room gets as much use as anything."

3. Handball. Invitational Tourney—"we get players from

Boston, Norfolk."

4. Leaders Club Youth Program—for junior high and up, predominantly high school. "We provide leadership training and experience in leading groups."

Programs in their incipient stages are: Ladies Day (to be held two days a week). "We hope to start by mid-October. There will be three hours of exercise, a recreation gym period and swimming. We'll even provide babysitting."

There is a Puerto Rican on the Y's staff who hopes to conduct Spanish speaking adult fitness classes. Also in the works is a high school basketball loop.

Youth aren't neglected. They're offered swimming gymnastics and modern dance for girls. "We have a pre-school swimming program,

teaching water adjustment and basic skills."

The Y has a competitive handball team that meets five other Y teams from North Jersey. There is also a girls synchronized swim team.

Businessmen have their own club at the Y. It consists of a lounge area and whirlpool, steam room and massage room. They use the Y's two gyms, two handball courts and air-conditioned squash court. The women have a sauna and masseur who visits three days a week.

For health service and recreation, Bob and his full time professional staff of five (3 men, 1 women in physical education and a male youth director) and part time swim instructors and gym leaders are striving to attain the Greek ideal of sound mind and body.

GYMNASTICS— can be practiced and meets are featured at the Broad Street facility.

### RESTAURANT OF THE WEEK

**EL ZORRO**

You may have been out-faded—if you were looking for the lamby that used to be on the corner of First Avenue and 59th Street, for it's now replaced by the chic El Zorro restaurant, 1078 First Avenue, Manhattan. Just opened in January of 1968, it's a place that shouldn't be missed.

El Zorro, the for, has lent his name to the most distinguished Spanish restaurant on Manhattan's East Side—offering the delights of Spanish dining and decor.

The brown wood-paneled walls give a feeling of warmth, solidly enhanced by the Spanish furniture—ample round tables and comfortable dark wood-and-leather high-backed chairs made especially for El Zorro. The brown-paneled walls are interspersed with white stucco and dark red tablecloths and a bullseye-design red wall rug add color to the room. Festooning the right wall of the cafe, which is of white stucco, are bandilleros and an embroidered matador cape from the bull rings of Seville. With a little help from the subdued lighting, it all adds up to the friendly, warm feeling of dining in Seville, Barcelona, Mexico City or Buenos Aires. And everywhere, the Spanish motif is emphasized by the sound of the melodic Spanish guitar.

We met El Zorro's likeable host, owner Mike Hagis—real name: Hadjidakis. Our first question was, "What is a Greek doing running a Spanish restaurant?" Mike readily admitted he's never been to Spain, or Mexico or South America, but he is so taken with the beauty of the Spanish melodies and the culture and foods of Hispanic origin he decided to open El Zorro, for the love of it. There's no doubt this feeling has carried over the make the place a success. Mike Hagis' congeniality has already made El Zorro a dining and meeting mecca for entertainers, advertising men and politicians. (They've non-partisan here.) In addition, El Zorro's is a favorite United Nations retreat, particularly for Spanish, Mexican and South American diplomats who feel at home here. Guests have included Brazilian Police Commissioner Jorge, Senator Bob Garcia, and Sergio, Mendez of Brazil '66.

Among the wide variety of musical entertainment seen at El Zorro have been: the celebrated Los Chevalos D'Español, who recently completed an

engagement here, as well as the Brazilian Bassa Nova king, Carlos Jacobi, and just for a change, the brilliant Yugoslavian guitarist, Mirkos. You'll find these and other performers coming here on their own time to relax and when the spirit moves them, giving an impromptu performance.

Incidentally, El Zorro will be making its own film debut. It seems Jack Lemmon met raven-haired beauty-publicist, Betty George, and decided to go along with her to shoot a scene at El Zorro for his upcoming film, April Fools.

A few nights ago, we dined at El Zorro's on tacos and enchiladas and delicious steak, while Antonio, a Gypsy from Castile, Spain regaled us with his guitar and Spanish and Gypsy songs. Other nights, the Mariachi trio-Los Salazars—who hail from Equador—fill the room with their enchanting melodies of Mexico and South America.

Though the chef is from Barcelona, Spain, the restaurant features Spanish, Mexican and American foods. Some of the specialties of the house are the combination plates. It's a fun way to taste the Mexican dishes.

THE BOARD OF EDUCATION OF THE TOWN OF BELLEVILLE, IN THE COUNTY OF ESSEX, NEW JERSEY

SEALED PROPOSALS will be received by the Board of Education of the Town of Belleville in the County of Essex, New Jersey, at the Board of Education Office, School No. 8, 183 Union Avenue, Belleville, New Jersey, on October 16, 1968, until 2:00 o'clock P.M. at which time they will be publicly opened and announced, for the purchase of the following issue or issues of Bonds of said School District due (without option of prior redemption) on October 1 as follows:

\$500,000 School District Bonds, maturing in the principal amount of \$30,000 in each of the years 1969 to 1978, both inclusive, and \$40,000 in each of the years 1979 to 1983, both inclusive.

Verifiable at the expense of the holder into coupon bonds, and will be payable in lawful money of the United States of America at the office of the Peoples National Bank and Trust Company of Belleville, N.J., in the Town of Belleville, New Jersey.

Each proposal must specify in a multiple of 1/8 of 1% of 1 cent a single rate of interest not exceeding 8 per cent per annum which the Bonds are to bear, and no proposal will be considered which specifies a rate higher than the lowest rate stated in any legally acceptable proposal. Each proposal must state the amount bid for the Bonds, which shall be not less than \$500,000 or more than \$1,000 in excess of said amount.

As between legally acceptable proposals specifying the same rate of interest, the Bonds will be sold to the bidder complying with the terms of sale and offering to accept for the amount bid the least amount of Bonds, the Bonds so accepted to be in any multiple of \$1,000 and to be those first maturing, and if two or more bidders offer to accept the same least amount, then to the bidder offering to pay therefor the highest price, and if two or more such bidders offer to pay the same highest price, then to one of said bidders selected by the undersigned by lot from among all said bidders. The purchaser must also pay an amount equal to the interest on the Bonds accrued to the date of payment of the purchase price.

The right is reserved to reject all bids and any bid not complying with the terms of this notice will be rejected.

Each bidder is required to deposit a certified or cashier's check payable to the order of The Board of Education of the Town of Belleville, in the County of Essex, New Jersey, for \$10,000 drawn upon a bank or trust company, and such check should be enclosed with the proposal. When the successful bidder has been ascertained, all such deposits will be promptly returned to the persons making the same, except the check of the successful bidder which will be applied in part payment for the Bonds or to secure the School District from any loss resulting from the failure of the bidder to comply with the terms of his bid. Award of the Bonds to the successful bidder, or rejection of all bids, is expected to be made within two hours after opening of the bids, but such successful bidder may not withdraw his proposal until 11:30 o'clock P.M. of the day of such opening and then only if such award has not been made prior to the withdrawal. The Bonds will be delivered about 30 days after the date of sale at such place as may be agreed upon with the successful bidder.

Each proposal must be enclosed in a sealed envelope and should be marked on the outside "Proposal for Bonds" and, if mailed, addressed to or in care of the undersigned, at the Board of Education Office, School No. 8, 183 Union Avenue, Belleville, New Jersey.

The successful bidder may at his option refuse to accept the Bonds if prior to their delivery any income tax law of the United States of America shall provide that the interest thereon is taxable, or shall be taxable at a future date, for federal income tax purposes, and in such case the deposit made by him will be returned, and he will be relieved of his contractual obligations arising from the acceptance of his proposal.

The successful bidder will be furnished, without cost, with (a) the approving opinion of the law firm of Hawkins, Delfield, and Wood to the effect that the Bonds are valid and legally binding obligations of said School District, and that all the taxable property therein will be subject to the levy of ad valorem taxes to pay said Bonds and interest thereon without limitation as to rate or amount, and (b) certificates in form satisfactory to said firm evidencing the proper execution and delivery of the Bonds and receipt of payment therefor. The obligations hereunder to deliver or accept the Bonds pursuant hereto shall be conditioned on the availability and delivery at the time of delivery of the Bonds of the said approving opinion and of a certificate, in form and tenor satisfactory to said law firm and dated as of such delivery, to the effect that there is no litigation pending or (to the knowledge of the signer or signers thereof) threatened affecting the validity of the Bonds. A copy of said approving opinion will appear on the Bonds.

### Attention Mothers

## Public Library Features Judo, Cooking and ESP

A series of morning programs designed especially to be of interest to housewives and mothers of young children will be held at the Belleville Public Library on Tuesday and Thursday mornings at 10 a.m. beginning Tuesday, October 8.

Among the scheduled programs are "Attack" - a presentation by the Essex County Sheriff's Office on how women can defend themselves from attack on the streets;

"European Recipes" - favorite recipes discussed and demonstrated by Mrs. Eugene Bak; "The Lively Art of the Picture Book" - a color-filled history of children's books and what makes a book good for young children. Other scheduled topics are: "Pornography"; "The National Elections"; and "E.S.P."

These programs initially scheduled for the benefit of the mothers whose children attend the library's preschool

classes, are open to all Belleville women. There is no charge, and morning coffee is served.

The schedule for October is:

- Oct. 8 and 10 "Lively Art of Picture Books, Part I"
- Oct. 15 and 17 "Lively Art of Picture Books, Part II"
- Oct. 22 and 24 "European Recipes"
- Oct. 29 and 31 "Attack"

## Legion's Welcome To Chief

New Jersey Legionnaires recently announced plans to give their first national commander in history one of the

### Fictitious Plates Draw Big Fine

Nicholas Guardbasco set a new record for time needed to receive heavy fines from Judge Edward Abramson of the Belleville Municipal Court on September 26.

Guardbasco, who lives at 23 Lexington Avenue, Bloomfield, pleaded guilty to charges of driving on the revocation list, driving an unregistered car, and driving with fictitious plates.

Judge Abramson handed down a \$200 fine for the revocation list violation, a \$25 fine for the unregistered car, and a \$25 fine for the fictitious plates.

biggest "homecomings" ever seen in the Garden State.

Newly elected National American Legion Commander William "Bill" Doyle of Vineland, will receive a banner welcome on Saturday, October 12, when thousands of Legionnaires from New Jersey and throughout the nation gather in Trenton, the state's capitol, for a huge parade and homecoming dinner.

Doyle was unanimously elected at New Orleans to serve as head of the 2,600,000-member organization in its all-important 50th Anniversary Year. More than 50,000 Legionnaires and their wives attended the week-long convalesce in the southern city.

The New Jersey Legion delegation began mapping plans for the homecoming celebration immediately after the election by 3,000 official delegates on Thursday. The date of October 12 was established to fit Doyle's immediate commitments for high-level meetings and inspection tours.

The Burlington native left New Orleans at the conclusion of the national convention for meetings and briefings at the Legion's national head-

quarters in Indianapolis. From there he will fly to Washington and meetings with the President and Secretary of State.

Following this Doyle will join Garden State Legionnaires at Wildwood for the annual state convention and will then leave on a 21 day inspection tour of the Vietnam battlefront.

Plans for the October 12 homecoming celebration were announced by Edmund G. Lyons of Clifton, New Jersey's national executive committeeman, who will serve as homecoming chairman. Lyons said the celebration will begin at 9 a.m. on Saturday, October 12.

## Traffic Fines Match Record

It was thought that the gentleman who appeared before Judge Edward Abramson three weeks ago and received a \$30 fine for two parking tickets, had hit the heights for such an offense.

Last week, at the same Belleville court, two other

men accomplished the same feat, Ernest Gencarelli of 20 Kehner Court, Bloomfield, and Richard DiAngelo of 50 King Street, Nutley, both received \$30 fines.

Each man had previously received two parking tickets which he ignored. Judge Abramson fined both men \$3 plus a \$2 court cost on each ticket. He also tacked on a \$10 fine for contempt of court on each violation.

## Weller Named Heart Chairman

Walter W. Weller, Jr., Administrative Vice President of Hoffmann-La Roche, Inc., Nutley, New Jersey, will serve as General Campaign Chairman of the 1969 Heart Fund Campaign in Essex County, it was announced today by Doctor William A. Leff, President of the Essex County Heart Association.

In accepting the appointment Weller emphasized that the Essex County Heart Association will be reaching out, independently of all other campaigns, to seek the increasing support needed to control and ultimately help conquer America's 20th Century epidemic of heart and blood vessel diseases.

The 1969 Heart Fund Chairman noted that in Essex County 55% of all deaths are caused by heart and blood vessel diseases. Nationally this major killer takes more lives than all other causes of death combined and costs the American business economy seven billions of dollars each year due to approximately 72 million man-days of lost production.

Walter Weller

In light of these startling figures, Weller said a major emphasis for the 1969 Essex County Heart Fund Campaign will be at the corporate level of industry.

Weller received an A.B. degree from Muhlenberg College in 1946 and a B.S. from Rutgers University in 1950.

A veteran of World War II, Weller joined Hoffmann-La Roche in April, 1954; he was elected assistant treasurer in 1959, financial vice president, director, and member of the executive committee in June, 1963, and administrative vice president in November, 1964.

### Menorah Schedules Sukkoth Services

At sundown on Sunday, October 6, Jews throughout the world begin the celebration of the ancient festival of Sukkoth, the "Feast of Tabernacles" (of Booths), a holiday of harvest and thanksgiving, and the most joyous of all the Jewish observances. Sukkoth is observed by Reform Jews for eight days and for nine days by Conservative and Orthodox Jews. The holiday was called the Harvest Festival because, according to the Biblical book of Deuteronomy, it was celebrated at the concluding of the autumnal harvest. The book of Exodus also describes it as the "Festival of the Ingathering" of the fruits of the earth.

The prevailing spirit of this holiday is joyousness and rejoicing, in keeping with the Biblical commandment which

enjoins "Thou shalt be altogether joyful," and the description of Sukkoth is, in Jewish tradition, "the season of our rejoicing."

Temple Menorah, Bloomfield will celebrate Sukkoth with family services on Sunday, October 6 at 8 p.m. and Monday, October 7, at 10 a.m. Rabbi Nathan H. Fish will conduct the services. Simhat Torah services, the time of "rejoicing in the Torah" will be observed with services on Sunday, October 13, at 8 p.m. At this service, the very last part of the Torah, the closing chapter of the Book of Deuteronomy is read, and the scripture reading is begun anew with the first chapter of Genesis. This dramatic event is heralded by a procession in which the sacred scrolls are carried around the synagogue, while the children merrily follow with banners and songs. Rabbi Fish will officiate.

## Greenblatt Appointed Head Of Merit Service

The appointment of Gerald A. Greenblatt as general manager of East Coast operations for Merit Protective Service, a division of Walter Kidde & Company, Inc., has been

announced by Merit.

Greenblatt will have responsibility for all Merit eastern operations, including investigative services for the retail, commercial and industrial fields, special shopping services and other security products.

Greenblatt joined Merit in 1965 and has held various sales administrative positions. A graduate of Bucknell University School of Commerce and Finance, he lives in East Meadow, Long Island. Kidde produces safety, security and protection products, industrial and technological equipment, and commercial and consumer products. Headquarters in Belleville, New Jersey, the firm operates more than 80 plants and laboratories in 22 states and six foreign countries.

Gerald A. Greenblatt

### Baker, Pici Enrolled At Dubuque, Iowa

Robert Baker, 699 Belleville Ave. and Glove Pici, 45 Watsessing Avenue, Belleville have enrolled at the University of Dubuque and participated in New Student Days activities, a five day program of introduction and orientation to college life at the University.

Activities included formal and informal meetings, discussion groups, meetings with advisors, mixers, pep rallies, equivalency examinations and placement tests, a pre-season intra-squad football game, preparation for a freshman talent show to be presented before the upperclassmen after the start of classes, sessions on dormitory life, discussions on effective study habits, and all-day retreat at the Dubuque YMCA Camp for new students, faculty, and administrative personnel which included an ecumenical church service, recreational activities, a faculty-served barbeque, and a sing-out.

Testimonial Dinner Honors  
Monsignor Thomas Tuohy

Monsignor Thomas J. Tuohy, former headmaster of Seton Hall Preparatory School, will be tendered a testimonial dinner by the Mothers' and Fathers' Clubs of the school on Sunday evening, October 6 in the Bishop Dougherty Student Center on the campus of Seton Hall University in South Orange.

Archbishop Thomas A. Bolland of Newark will be the principal speaker at the affair which will recognize the 25 years of service to the school by Msgr. Tuohy who was named pastor of Queen of Peace Parish in North Arlington last June.

State Hockey  
Arena Feature  
This Friday

The 12th season of the Garden State Hockey League will open this Friday night (October 4th) on the ice of the South Mountain Arena in West Orange between the Brooklyn Eagles and Paterson Flyers.

The league's defending champions, the South Mountain Rockets, will inaugurate their season in the following evening against last year's runnersup, the West New York Vics.

The Friday night game begins at 11:30 p.m., the Saturday contest starts at 7 p.m.

The Rockets, with such returning stars as high scoring John Warchol, Joe Hannabach, Peter Herms, John Oswald and Dennis Monaghan, again are expected to be the club to beat in the four-team loop.

The other three clubs, however, all promise to place strengthened squads on the ice this season, which continues with games nearly every weekend through the beginning of March, and playoffs through that month.

West New York last year's finalist, against South Mountain in the playoffs will be very strong with the return from military service of Richie Bobby and Robert Francis.

Postmaster Benucci  
As Grand Marshall  
plans Zippy Chris

A Mr. ZIP & Mr. CHRIS float will be among the eye catching displays entered in the Columbus Day Parade in Newark according to Parade Marshall, Postmaster Joseph J. Benucci. In keeping with the theme of the great explorer, Mr. ZIP, a neophyte adventurer himself, will feature the Santa Marie, a bevy of beauties, The Zippettes and the ZIP Code 5, a talented musical combo.

Benucci said his float will be one of the most outstanding and unique ones to be entered in the Columbus Day Parade. As Grand Marshall the postmaster will lead the marchers from Lincoln Park beginning at 11:30 along Broad Street, past the City Hall and on to the end at Washington Park. More than 50,000 spectators are expected.

Upsala College Presenting  
Contemporary Art Exhibit

"The College Collection," a group of contemporary and traditional paintings and prints, will be shown in the faculty lounge of the Upsala College Library from Thursday, October 3, through Sunday, October 13.

The opening date of the exhibit is the 75th Anniversary date of Upsala's founding. The first classes in the "Upsala Institute of Learning" began October 3, 1893, in Brooklyn, N.Y. Upsala moved to New Jersey in 1898.

Roche Purchases  
RCA Electronics

Hoffmann-La Roche Inc. has purchased all the assets of the medical electronics division of the Radio Corporation of America, according to an announcement just issued by V.D. Mattia, M.D., president and chief executive officer of Hoffmann-La Roche.

He stated that the company intends to continue the work of the medical electronics division with the same personnel, working in the same physical facilities at 36 West State Street, Trenton, New Jersey.

This purchase was prompted by the realization that the joint project of Hoffmann-La Roche and the Radio Corporation of America, announced on May 28, 1966, could best be advanced under one roof and one management. This replaces the joint Roche-R.C.A. project which has now been terminated.

Dr. Mattia stated that R.C.A. has generously

cooperated in making the prompt transfer of the operation possible, for it represents the best way to stimulate further research and development activities in the bioelectronics and biophysical field.

By combining the technological and engineering talents of the members of the former R.C.A. medical electronics division in Trenton and the scientific and professional expertise of the bioelectronics department of Hoffmann-La Roche Inc. in Nutley, N.J., the company is confident it will be able to make significant contributions to the development of new, better electronic aids to the physician.

# Moscow Hot Line Marks Its Fifth Anniversary

The "hot line" — a direct Washington-Moscow teleprinter link designed to minimize the danger of accidental war — celebrated its fifth anniversary today.

The U.S. end of the land-line-cable circuit is maintained by ITT World Communications Inc., a subsidiary of International Telephone and Telegraph Corporation, and extends from Washington to the Soviet capital through London, Copenhagen, Stockholm, and Helsinki. It was installed in the Pentagon on August 30, 1963, following agreement by the United States and the Soviet Union to establish a private, two-way emergency communications circuit for the exchange of printed messages in time of international crisis.

During its brief history, the link has been employed to avert a possible military showdown between the two major powers.

On June 8, 1967, President Johnson and Soviet Premier Kosygin exchanged messages on the accidental bombing of an American communications ship off the Sinai Peninsula during the Arab-Israeli conflict. Agreement by the leaders not to intervene avoided what might have been an all-out military confrontation.

The idea for a Pentagon-Soviet hot line was suggested in an open letter to former President Eisenhower and Soviet Premier Nikita S. Khrushchev in 1960 by the editor of a national magazine. However, it was not until the Cuban missile crisis of 1962 had demonstrated the compelling need for immediate personal communication be-

tween the two countries that the link was officially established.

Because of its direct nature, the hot line has been erroneously depicted as a telephone circuit over which U.S. and Soviet leaders can talk to each other simply by picking up a receiver. Actually, it is a telegraph landline and cable circuit over which printed messages can be exchanged on a direct, private, round-the-clock basis. Here, essentially, is how it operates:

When the two nations wish to communicate, a message is sent by the duty operator to his counterpart at the other end, advising him that the circuit will be used for transmission. He also informs him of the required settings on the equipment, so that the message will be properly received in uncoded form.

Label all containers. Be sure all prescriptions are marked with date, dosage and the patient's name.

Do not keep cleaners and other toxic chemicals within the reach of children.

Pour down the drain all old or unlabeled medicines. Never throw them in a wastebasket.

Before giving or taking any drug read the label in good light.

Have the day and night phone numbers of your physician readily available by your phone.

Never tell children that aspirin is "candy". Large dosages of aspirin, taken secretly by children who think it's candy, can be deadly.

**ALL APES AREN'T ADDICTS**—An article in the June issue of the Quarterly Journal of Alcohol Studies, published at Rutgers, indicates that orangutans made monkeys out of chimpanzees while aiding scientists in a study of addiction. The orangutans never showed signs of intoxication, but some of the chimpanzees got drunk repeatedly, according to the article.

## Protect Against Poison

Failure of adults to protect children against the obvious danger of drugs and chemicals is a serious problem, warns Dr. E. Stuart Braden, medical director of the Allstate Life Insurance Company. He adds that some 300 children under the age of 5 die each year from poisoning.

Dr. Braden urges parents to follow these simple rules to help prevent their children from becoming poisoned:

Keep all drugs and medicines far out of the reach of children—preferably under
