

Making Elementary Advances

WALKING BEAM WORKOUT — Miss Barbara Raimo assists Thomas Valiente in developing coordination at School 3's class for neurologically impaired children.

Special Education Class Conducted

Room 207 at Belleville Public School Number 3 is a special room. It is here that Miss Barbara Raimo conducts a class for eight neurologically impaired children. Six of the youngsters come from Belleville; one from West Orange and one from East Orange. Basically the children have problems with co-ordination. "Some of them can't even hold a pencil," says Miss Raimo. "But we work with them and eventually they can accomplish these skills."

Miss Raimo's aim is to gradually work with the students until they are able to re-enter regular classes. She is the deciding authority on

when each individual has attained the necessary experience and confidence to return.

The room contains a walking ladder and walking beam to develop co-ordination. Eye exercises are undertaken to improve reading skills. "They have trouble reading because their co-ordination is poor. They have problems following the left to right procedure employed in reading," explains Miss Raimo.

Special instruction is given in art, music and gym activities. The children attend school from 9 a.m. to 1:45 p.m. Then, some may attend their regular grade classes in the afternoon, to gain experience in academics.

"They meet the challenge and get re-acquainted. Then we put them back in their grades," says School 3 Principal Austin MacArthur. "Miss Raimo has carte blanche about putting them back."

As these children reach a particular grade of achievement, she has the prerogative to re-instate them. The idea is that the child will gradually get used to the regular school pattern.

Most of the children had brain damage through a fall or mishap and underwent surgery, so there is no stigma involved in their condition.

"They take part in every-

thing the rest of the school does," says MacArthur. "They are accepted, enjoyed and recognized as part of our school, partaking in assemblies, and field trips, eventually returning to their regular class and own building."

How does Principal MacArthur feel about the job Miss Raimo is doing? "She's the most patient, compassionate teacher I've ever seen," She has lunch with the children, and goes on walks and picnics with them.

The class receives state financial aid under the special education program. Transportation is provided. Belleville's Special Education is supervised by Michael Nardiello, principal of School 4. Under his jurisdiction and comprising the town special education team are a psychologist, a social worker and a psychiatrist who visits monthly.

Each child's curriculum is individualized, since they are of varying ages and grade levels. For the past two summers they have been entered in a program at Montclair State College conducted by a leading specialist in the area. "We get a written report at the end of the summer with valued

Condition Critical In Crash

A Clifton woman was killed and a 26-year-old Belleville man remains in critical condition today after his car jumped a curb on the Route 23-46 interchange late Tuesday night.

Killed was Marilyn Bergen, 36, of 64 Hadley Avenue, Clifton.

Driver of the car and still in critical condition at St. Joseph's Hospital, Paterson, is Anthony Verdose, 26, of 165 Fairway Avenue, Belleville.

Wayne Township police say the 9:55 p.m. accident happened when Verdose's car flipped while attempting to negotiate a curve on the Route 46 eastbound ramp of the large interchange. The car hit a curb, flew 176 feet, and finally crashed against an Erie Railroad abutment.

The woman was pronounced dead on the scene. Her body was removed to the Acquino Funeral Home, Paterson.

Kittle Fund

Sets Goal

The Hugh D. Kittle Memorial Fund has a goal of \$1000. So far, \$285 in donations has been received.

Donors are: Belleville Association of School Administrators, \$100; Belleville Kiwanis Club, \$100; Belleville Unico, \$50; School 4 PTA, \$25 and School 9 PTA, \$10.

The Belleville Board of Education approved plans of the Kittle Memorial Committee to establish a living tribute on the grounds of Belleville High School.

The committee, headed by Mario Di Maggio, Vice Principal of Belleville Junior High School, deemed it appropriate that the former high school principal be honored in a fashion which will exemplify his constant love-growing flowers.

Kittle served as principal of Belleville High School from 1935 to his retirement in December, 1961.

Any individual who wishes to make a contribution to the fund may do so through members of the committee: Anthony Greco, Superintendent of Schools; Michael Rosamilia, Assistant Superintendent; Seymour Grossman, Principal of the Junior High School; John Iannuzzi, Proprietor of Flowerama; Mrs. Robert Kittle; Rocco Saletta, Vice President Raymond O. Smith, Principal of the Board of Education of Belleville High School; and Herman Wische, Director of Physical Education and Health. Emanuele De Nois, Jr., is treasurer.

Checks may be made out to the Hugh D. Kittle Memorial Fund.

Wallace & Tiernan Avoids Strike Action

A strike was averted at Wallace & Tiernan in Belleville by successful contract bargaining over the weekend.

Members of IUE (International Union of Electrical Workers) Local 370 had planned to take strike action Monday. An agreement was reached by both sides during the late hours of Saturday night or if

you prefer early Sunday morning.

At a membership meeting Sunday, over 400 union members ratified the new two year agreement that increases wages 42¢. The total package calls for a 6% hike the first year and 4% the second year.

Also included is increased

pension benefits (\$1.15 a year times the years of service, raising it to \$4.25 a year from \$3.15) an additional 1969 holiday, the day after Christmas, and insurance improvements (accident and sickness and another \$1000 in life insurance).

Members indicated at the meeting that it was the best

contract they had ever received at Wallace & Tiernan. Local 370 is a newly formed union that was formally independent.

Negotiations were handled by Robert M. White for the IUE and Tom Walker for Wallace & Tiernan.

The present contract expired Saturday at midnight and White hadn't been optimistic about prospects for a settlement. Questioned Friday, he said, "so far the company has offered only 2 1/2¢ worth of improvement and refused to offer more until the union reduces its proposal."

At that time, the union's proposal called for more than \$1 an hour. White had said, "it will be trimmed when the company makes a realistic offer."

The IUE of radio and machine workers won representative rights for the more than 500 production and maintenance workers at Wallace & Tiernan in the National Labor Relations Board election on September 10.

Board Sells Bonds

At its October 16 meeting, the Belleville Board of Education sold \$500,000 worth of bonds to pay for the 1966 addition at School 2 (\$275,000) and \$225,000 of fire alarm system installed in all 11 Belleville public schools.

The work had been financed on bond anticipatory notes. "Now we can pay off our bond indebtedness from the proceeds of the sale," said Mrs. Schader of the board. Delivery of the bonds is expected within a month.

Low bidder was Fidelity Union Trust Company of Belleville. In its resolution, the board had specified percent as the maximum rate of interest of the bonds. Fidelity's rate was 4.3%, making the amount of its bid \$500,403.01. Other bidders were:

Gilbrater Securities Co., Union Trust Company of Belleville. In its resolution, the board had specified six percent as the maximum rate of interest on the bonds. Fidelity's rate was 4.3%, making the amount of its bid \$500,403.01. Other bidders were: Union County Trust Co., Elizabeth, 4.45%, \$500,600.

The bonds will mature in the principal amount of \$30,000 in each of the years from 1969 to 1978 and \$40,000 from 1979 to 1983.

In another resolution, the board, on a recommendation from the business administrator, awarded a contract to Rainbow Roofing, Inc., East Paterson, for roof repairs on School 3. The contract figure is \$14,633.

Security - Columbian Bank-note Company will print the school bonds. They were awarded an order for same at the close of the meeting.

Speaks At BHS

Rodino Advocates Arms Race Halt

Though no one in his audience was of voting age, Congressman Peter W. Rodino, Jr. promulgated his belief that the country's voting age should be lowered to 18.

Speaking at Belleville High School, Rodino admonished America to put an end to the arms race "before it puts an end to the human race." He also called for a cease fire in Vietnam.

The representative, seeking re-election in the 10th Congressional District, field questions from the high school students.

On radical students he expressed a belief that the ultimate decisions were up to the individual college administrators. Rodino said public officials could help by setting guidelines. He then noted: "if the student bodies were all like the one here at Belleville High School, we would have nothing to fear."

Interestingly, a girl in the audience voiced an opinion against granting 18 year olds voting rights. "I'm convinced said Rodino, "they have the maturity. If they can be called upon to serve their country and give their life, they should be able to choose who they want as representatives," he stated, using an oft-repeated

Continued on Page 2

Clemente Is Seeking Draft, Fiscal Revisions

About two hundred students met in the Belleville Senior High School cafeteria October 15 along with a half dozen faculty members to hear Dr. Celestino Clemente of Glen Ridge speak on his candidacy for Congress for the 10th Congressional District.

In his opening remarks he said he was grateful for the heartwarming reception. He said it is unusual but not unknown for physicians to seek public office. Dr. Benjamin Rush, one of the signers of the Declaration of Independence

went on to found a medical school at what is now the University of Pennsylvania where he (Dr. Clemente) studied. There are only three physicians in Congress of the 435 representatives.

1968 is the year to be involved, he went on to say, as the issues are clear-cut. "Republican philosophy tends to be to the right, a little less liberal and a little more conservative than the Democratic party. Democrats usually increase federal spending without looking for a balanced budget. In six out of the 36 years in control Democrats have balanced their budget in comparison to 21 out of 33 years of balance for Republicans."

The issues, as Dr. Clemente sees them, are foreign policy, including our relations with

other countries, conduct of the war and interest in South East Asia, decay of urban centers, the city crisis, crime, and taxation and budget problems.

On the first issue, Dr. Clemente said "The Republican party doesn't blame the war on the Democrats. But in Korea, six months after a change of administration, President Eisenhower was able to bring peace again. The Viet Cong are more likely to negotiate with a new administration."

On point two, the cities, he stated "Many of the poverty programs have become a failure. Money is not being channelled to the poor but to some high salaried workers. We should train people to work and to be inde-

Registrar Files Show Cause Order On Payroll Removal

"No town employee is safe if he disagrees with him," The him referred to in that statement by Ralph Risoli is Town Attorney Nicholas Amato.

For the second straight week, Risoli's name did not appear on the municipal payroll. Civil Service has requested that Risoli's name appear on the payroll, permanently as administrative clerk at a salary of \$6760. Risoli isn't even being paid for his work as registrar.

"I'm not interested in the salary or title. Those are secondary. It's a matter of principle. The town attorney, according to law, cannot take my name off the payroll. He's

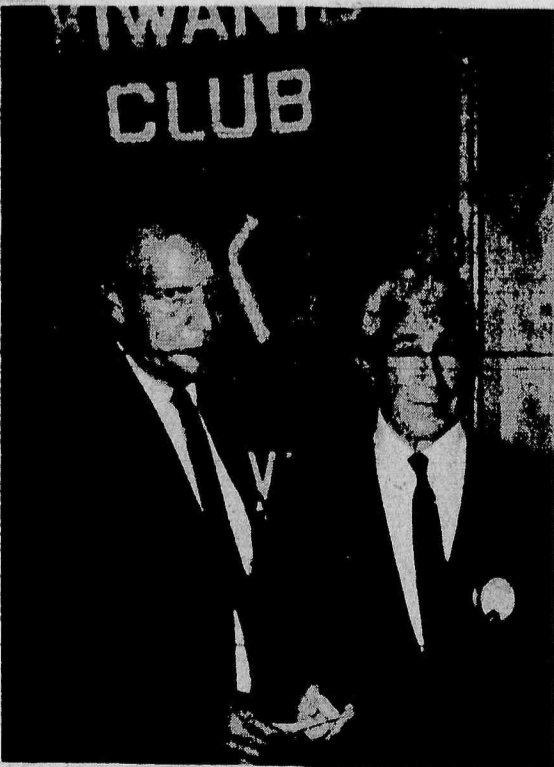

superceded the town commission. Commissioner Strumolo, the appointing authority for my position, must bring charges to take me off the payroll."

Lawrence Schwartz, Risoli's counsel in his upcoming court case on the title of administrative clerk, wrote to Amato, informing him that his opinion on the right to know law is incorrect (when Strumolo sent Risoli to check the municipal payroll, with a written request, he was denied access. Amato contended the records sought must be specified, the inspection date must be fixed by Commissioner McGreevy and a department head or re-

presentative must be present, not to disrupt business).

"There's no question," stated Risoli "it's a political situation. If he can get away with this, no man who doesn't agree politically will be dismissed. If he sets a precedent, what's going to stop any attorney in any municipality from doing the same thing."

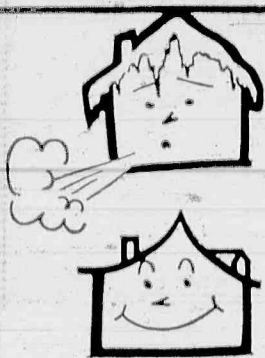

"The town attorney can only render an opinion. He's there to render decisions to the commissioners. They can accept or refuse his opinion. He can't act on his own and demand that his opinion be carried through. I have to go to court and spend money to prove I'm right."

KITTLE KITTY — Sam Pearl (right), President of the Kiwanis Club at Belleville presents check to Michael Rosamilia, a member of the committee raising funds for the Hugh D. Kittle Memorial, honoring the late principal of Belleville High School.

MORE FUNDS — Michael Nardiello (left), principal of School 4 hands over \$100 check from the Belleville Association of School Administrators to Mario DiMaggio, chairman of the Kittle fund.

Candidates Campaign Rodino Clemente

Continued from Page 1

argument. "I'm not for a professional army like Dr. Clemente (his opponent). It can't be maintained. It would be tremendously costly and just couldn't come about. However, the present draft system needs overhauling. It has inequities, though you're never going to write a perfect system.

"I believe Edward Kennedy's proposal of a lottery has the ingredients of fairness and merits serious consideration. We also have to consider that those likely to be called up have skills essential to the country and the economy."

There were questions on the recurrent law and order theme. Rodino was asked to comment on the opinion that recent Supreme Court decisions were causing law enforcement problems. "I haven't agreed with all the decisions. Some passed by only a 5 to 4 vote. The Supreme Court is a separate entity, not under our system of checks and balances in the legislative branch. We may disagree but must respect the law, otherwise we won't have an orderly society with justice."

Rodino felt there should be an in depth study on how Supreme Court decisions affect society as a whole. "This should be undertaken by penologists, educators, psychologists and judges."

A Negro girl asked about his stand on civil rights. "All people should be treated and recognized as human beings. My name appears on all the Civil Rights Bills in the House of Representatives from 1957 through 1964, he declared, blowing his own horn. "Unless we work together, we will have division and dissension."

When asked what action he would take on the Pueblo Incident, the congressman replied: "we should leave it to the state department. Force might endanger the crew's lives."

Returning to law and order Rodino praised the Safe Streets and Crime Control Act, bemoaning the fact that it took three years to pass. "It would make federal and local governments partners in fighting crime. The Federal government would provide as-

pendent." On his third point he said: "An increase in crime must halt or anarchy will result. The Republican party charges that the Democrats have not used the laws on the books to control crime. "For example, the bill on inter-state riot mongering - they have refused to prosecute for fear of losing votes. We need a new approach to the criminal, rehabilitate and refrain him for productivity wherever possible. Control of drug abuse is not being followed up."

Point four, taxation, brought out these remarks: "The national debt must not be increased. The American dollar value is lessening. We are about to face our fourteenth increase in taxes. Now we have 70 billion dollars added to our national debt."

"As an example, in 1960 we had 80,000 employed in the agricultural department. In spite of the fact that we now have less farmers, we have 113,000 people employed in that department. When I am elected I shall carefully want to know why."

At a question and answer period following, Dr. Clemente was asked if Humphrey were elected would there be a new administration to which Viet Cong might appeal. Dr. Clemente said that in his opinion Humphrey would continue to carry out the prior administration's policies. On how he feels about the draft, Dr. Clemente spoke of "A lottery type of draft during the war time which should be replaced by a well-equipped, well-paid Army which would be better

sistance so local governments can conduct research in how to combat crime. What we don't want is a national militia which would evolve into a police state."

Rodino also spoke favorably of the Model Cities program. "Our cities need help. Newark is decadent, deteriorating; there are ghettos. This atmosphere will breed the kind of individual who would become criminals." One thousand cities have applied for the Model Cities program.

Congressman Rodino was received enthusiastically by his audience, but unfortunately none can cast their votes for him---yet.

Cleaner Air Gets Support

Throughout the nation, the week of October 20-26 has been designated as "Cleaner Air Week," so that people may better understand that preventable air pollution in any form is a public hazard which can be corrected through intelligent action involving engineering equipment, research, and education. Mayor Ken Smith has proclaimed Oct. 20-26 as "Cleaner Air Week" in Belleville.

The mayor added: "I strongly urge all citizens and organizations to participate in the celebration of this occasion,

trained than a group held together for two years".

One of the highlights of the period was his response to lowering the voting age. He replied "There is no magic in the age of 21. A man is not different physically on that date. The lowering of the voting age should be studied and lowered gradually, not immediately, to 18. The draft age might very well be made the same as the voting age which would be fairer to all".

A young lady asked about the riots in Newark and was told by the doctor that he was in the Central Ward during the riots taking care of the injured. "Many injured were innocent people and there was over-use of firearms." All of the riot was not, he believes, spontaneous.

"We might very well work to improve sanitary facilities, provide good lighting and even call upon a sort of civilian militia which would patrol the streets unarmed to assist the innocent. We need longrange planning, not just a money-spending program."

On gun legislation, Dr. Clemente said he doubted that 250 million people with arms in the United States could be federally licensed, but each state could do the job. The gun laws should restrict mentally deficient and criminals from having arms, but not those who have the right to them.

Mrs. Caputo, teacher adviser, said she hoped that many more meetings of this type can be held as they stimulate the students to become more interested in their society.

School Three's Special Classes

Continued from Page 1

opinions which help us in developing their curriculum," notes MacArthur.

Miss Raimois well qualified for the task she undertakes. She received her bachelor's degree from Newark State and her master's in special education from Seton Hall.

She began teaching in the Belleville Public School system at School 1. For five years she taught emotionally disturbed children at the Garden School. This is her second year at School 3.

"I entered this field because I felt it would be satisfying to help children with difficulties adjust to regular classroom work. I wanted to see them improving their skills."

"Because of their coordination problems, they can't play with kids their own age. Through work they're able to be accepted by their peers. It gives satisfaction to them and to me."

It's satisfying to see such endeavors as part of the Belleville school system.

On October 16, the United Citizens for Nixon-Agnew held their grand opening at campaign headquarters, 105 Washington Avenue.

Belleville Chairman Carl DeJura acted as host and introduced the county and state officials present.

Also on hand were Freeholder Vincent Corrado and State Senator Alexander Matturi. Senator Matturi spoke of his personal relationship with Richard Nixon when he served President Eisenhower as a foreign diplomat.

Matturi advocated support of the whole GOP state ticket: Dr. Celestino Clemente for Congress, Mike Lepre, Larry Miller and Raymond Stabile for Freeholders.

A group of over 100 attended the opening. Stabile stopped in and Angelo Fortunato, campaign director for Dr. Clemente made an appearance.

Other officials of the citizens group besides DeJura are Jack DeGuerio, co-chairman; Thomas Salzano, publicity; Nancy McCarthy, women's activities and Terri Scotti, secretary.

Halloween

We are approaching the time of the year when goblins and ghosts will be dancing in our neighborhood. It is the time when doorbells ring and the familiar "trick or treat" salutation will unload tons of candy through our country.

The mystic rites and ceremonies with which Halloween was originally observed originated among the Druids, many centuries before the

dawn of the Christian era.

Halloween was once a time when young people got into trouble and created trouble and disorder. That custom prevailed until recent years, when the energy and effort of young people were turned into more constructive and helpful channels.

Today, youngsters go out on Halloween night to collect funds for charities and good causes, and treats for themselves.

Religion & Democracy

To Americans of all faiths it comes as a shadow from the medieval past to read of investigations taking place in Vatican City—investigations of the writings and philosophies of liberal Swiss and Dutch priests and professors. Though obviously courageous enough to risk their careers, and almost certainly sincere and conscientious if they take such a risk, these men are about to be punished for orderly dissent and exercising what Americans call freedom of speech.

One does not have to get into ideology, or cat-fighting over religious dogma, to deplore the smell of heresy trials emanating from Vatican City, though church officials deny the investigations, which include recall of the reformers to Italy for a review of their writings and teachings, are heresy trials.

Priests in America and England (and in all the countries with higher standards of education) are now being fired, purged, punished or threatened by the church hierarchy for exercising freedom of conscience or freedom of thought and speech on the birth control pill issue—which they feel vitally important to human-

ity.

The parallel with Moscow's pressure against free speech and open criticism, and disagreement with the line handed down from the top on Czechoslovakia is inescapable. Totalitarian organizations which attempt to tell people what they can discuss, think or read, whether political or religious, are alien to American democratic traditions and should have no place in western society in 1968.

While it may be painful to face, the blunt truth is that too many intelligent writers, editors and philosophers have remained quiet on this subject of religious thought control in America for too long. American Catholics as well as Protestants are no doubt dedicated to the great principle of freedom of speech and thought control, freedom to read what one wishes to read, individual freedom of conscience and the right to free discussion. Because the subject is so delicate, relating to faith, is an insufficient excuse to remain silent when so many intelligent leaders and thinkers know what really should be said about a disturbing situation.

Why Worry?

A famous physician recently said a third of all ailments which came to his attention originated in the mind—from worry. It's a known fact that most of us worry too much, and many of us worry about things over which we have no control.

In the field of giving advice, perhaps the best advice one can give to those inclined to worry is, "Stop worrying." To emphasize the fruitlessness of worry, one should keep in mind the following.

First, about forty per cent of the things people worry about never happen. Second, another thirty per cent of the things

we worry about have already happened and are beyond our control.

Another twelve per cent of the things we worry about are imaginary, and a further ten per cent of them are concerned with those well able to take care of themselves, who either do not need our worry or do not want it. That leaves only about eight per cent of our worries which have any relation to reality, and while eight per cent of our worrying may be legitimate worrying, about things which will happen, some ninety-two per cent of our worrying is wasted effort.

Kid Gavilan

Those who remember the first days of television in the immediate post-war days will remember Kid Gavilan. He was a whirlwind boxer who never seemed to run out of gas, and all his fights were exciting. The Cuban buzz-saw rose to become welterweight champion of the world and made much money. In recent years, however, nothing has been heard from him and he has been all but forgotten.

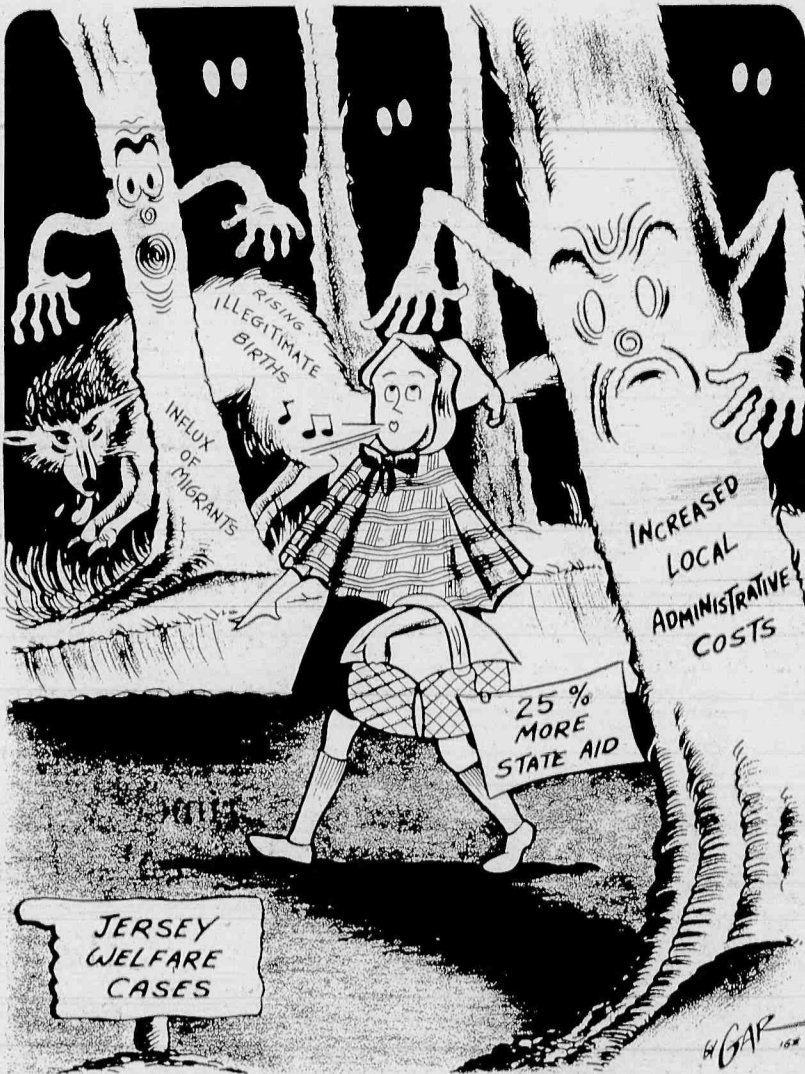

Then, a few days ago, he turned up in New York, a Cuban refugee—penniless. Almost totally blind in one eye (one of the many rewards of boxing)

he came to the United States in search of a home for his family, still in Cuba, and a living.

Gavilan, who lived it up in high style when the money flowed freely, is now preaching for Jehovah's Witnesses. On several occasions he was arrested for his religious activities in Cuba. "I want to learn about God," Gavilan says, "to make up for those bad things I did in the past."

At 42, and starting a new life, one has to admire the Kid's spirit. If as successful as he was as a boxer, he'll make a good preacher.

Whistling In The Dark

Seems Only Yesterday

1 YEAR AGO

The Belleville Commission awarded a \$93,000 contract to the Realty Appraisal Company, West New York, N.J., for a total re-evaluation of the property in town. Of four bids entered only two were considered, the other being \$94,000. Belleville had been ordered by a Superior Court to re-evaluate by October 1, 1968.

The Hon. Kenneth Smith, reporting for Seymour Grossman, chairman of the Belleville Division of the United Community Fund, stated that Belleville was just beginning its solicitation. He stated that for that reason the campaign leadership would prefer to make its first report on the results at their next meeting which was held on November 9.

Richard T. Utter of 532 Mill St., Belleville was promoted to Army private first class in Germany, where he was serving with the 43rd Heavy Equipment Maintenance company.

5 YEARS AGO

The local footballers belted West Side 21-0. The Newark school, previously unbeaten in two outings, fell before the hot Bellboy attack. For the Bellboy 11 it was the second victory out of four.

10 YEARS AGO

The High School Student Council scheduled a W.I.R.P. (the woman is required to pay) week. Girls not only had to pay for dates but were also required to carry books for the boys, to buy food and drink for them, and to ask young men to a dance.

Nutley beat the Bellboys by a decisive 37-13 margin. The Maroon's crushing offense was responsible for the win. Harold P. Smithers, of 23 Mill Street, Belleville, announced a meeting of the United Democratic Fund Raising Campaign on October 28. He said that the purpose of this meeting was to find out how many people could organize and how much money they could expect to receive.

The Belleville Police were receiving mysterious phone calls at all hours of the night from unidentified persons. The Police had regarded them as cranks but intended to use tracking devices if the calls persisted.

15 YEARS AGO

Senator Raymond Baldwin of Connecticut defended the 80th Congress in an address to the Nutley Republican Club. The senator declared, "We cannot expect to raise profits, and raise all the costs of the materials that go into the

making of a product and then expect that product to sell as cheaply as before. For the most part, the American people today have a good living on a cheap dollar. The incomes of most Americans are adequate enough, for example, that they don't buy more meat today than before the war. They are apparently able to, but higher priced homes and higher priced cars." Some members of the club did not understand him.

Abbott and Costello met Frankenstein, at Bloomfield's Center Theatre.

35 YEARS AGO

The Belleville Times carried the following article: Sex differences are easily discernible. The last ray of the dorsal fin of the male is twice as far from the next as are any of the others. The space between any of the fins of the female is identical. These fish are oviparous, the eggs being attached to the leaves and stalked of aquatic plants.

Eleanor Fair of 23 Terrace Place, Belleville, won first place in the Sunshine Girl contest at the Capitol Theatre, Belleville. The winner was selected by popular applause.

Certain Belleville businessmen and merchants have been offering to accept the baby bonds received by teachers and other municipal employees in payment of their past due salaries at a discount. Commissioner William H. Williams announced at Monday Night's meeting of the Board of Commissioners. The finance head declared this practice as unpatriotic and foolhardy. He asked the commissioners to take official cognizance of the situation and discontinue by formal resolution in an effort to deprecate the value of Belleville's bonds.

55 YEARS AGO

Miss Nina Nixon of Bridge Street was hostess at a miscellaneous shower in honor of Miss Lucille Savannah of Newark.

Areme Chapter, Eastern Star held its annual luncheon at Masonic Temple, Mrs. Ellen Davis was Chairman.

Wesley Epworth League held its annual trip up the Hudson with about fifty in the party. Charles Roehm was in charge.

45 YEARS AGO

Olive Depue, daughter of school commissioner and Mrs. John Depue, a student at Cooper Union received a bronze medal as second prize for cast work.

Preparations were being made to begin installation of a sanitary sewage disposal in Belleville.

Speak Up

Hedge Clippings Breed Insects

To the Times:

As a taxpayer of Belleville, I have been watching people throw grass and hedge clippings into the street for many years. On many occasions the Street Cleaning Department picked up scrap in the morning, and in the afternoon those same people decorate the street again. The best day for discarding seems to be Saturday. This makes "pleasant" views for Sunday.

These clippings also wash down the street in rain and make a mess for people who take the time to wrap their clippings in containers to discard them.

Also, this discarded material sits for many days before it is picked up. This breeds flies, mosquitoes, and insects

that are certainly not the best for our health.

I feel that a person who expects a town truck to make a special trip to pick up clippings should also be very happy to accept a bill for this special service. A bill should be issued to the person when he knows that the truck just went through the street, and he still proceeds to litter the street. This system would serve two purposes:

1. We would have a cleaner town.
2. Additional money would be received from the people who must receive this special service.

Sincerely,
Felix Eckstein
121 Fairway Avenue

Clemente Favors Tax Reduction

To the Times:

The 10th Congressional District needs to be represented in Washington by a man who will, compile a record of effective legislation for his entire constituency, rather than for his friends alone.

If you favor reduced Government spending, vote for Dr. Celestino Clemente. If you want a card on your birthday, vote for Peter Rodino. If you favor tax reductions vote for Clemente. If you want a card of congratulations upon graduation, vote for Rodino. If you favor equal justice for all under the law, vote for Clemente. If you want to

frankly privileges abused, vote for Rodino. If you favor making welfare recipients contributing members of society, vote for Clemente. If you want expansion of welfare and beaurocracy vote for Rodino. If you favor responsible fiscal policies, vote for Clemente. If you want (P.R.) public relations, let's say no more.

Dr. Clemente is the man who must represent the 10th Congressional District. stands for New Leaders. Effective Legislation and Justice for all.

Sincerely,
Carl DeVura
121 Fairway Avenue

Town Bulletin Board

The Times publishes the Town Bulletin Board as a public service, not only to assist individuals in planning social calendars, but as an effort to eliminate conflicting dates among local organizations. Club secretaries and program chairmen wishing to clear a date for a future activity may call The Times office at 759-3200.

There is no charge for the Bulletin Board listing, but events should be limited to those of general interest. Be sure to mention date, time and place of each event being listed.

Listing for the Town Bulletin Board must be written and submitted to The Times two weeks in advance of publication.

MORE STUDENTS

Passage on Nov. 5, 1968, of the Public Buildings Bond Issue would enable Rutgers University to erect facilities which will increase its total enrollment by 10,000 students.

Trouble-maker!

He is Johannes Gutenberg, the man who invented movable type.

Gutenberg had a hunch it would make a printer's work easier if type could be used over and over again in various combinations. Before his time, printers carved entire texts on large blocks of wood. Gutenberg, experimenting, sawed up one of these blocks into individual letter - units.

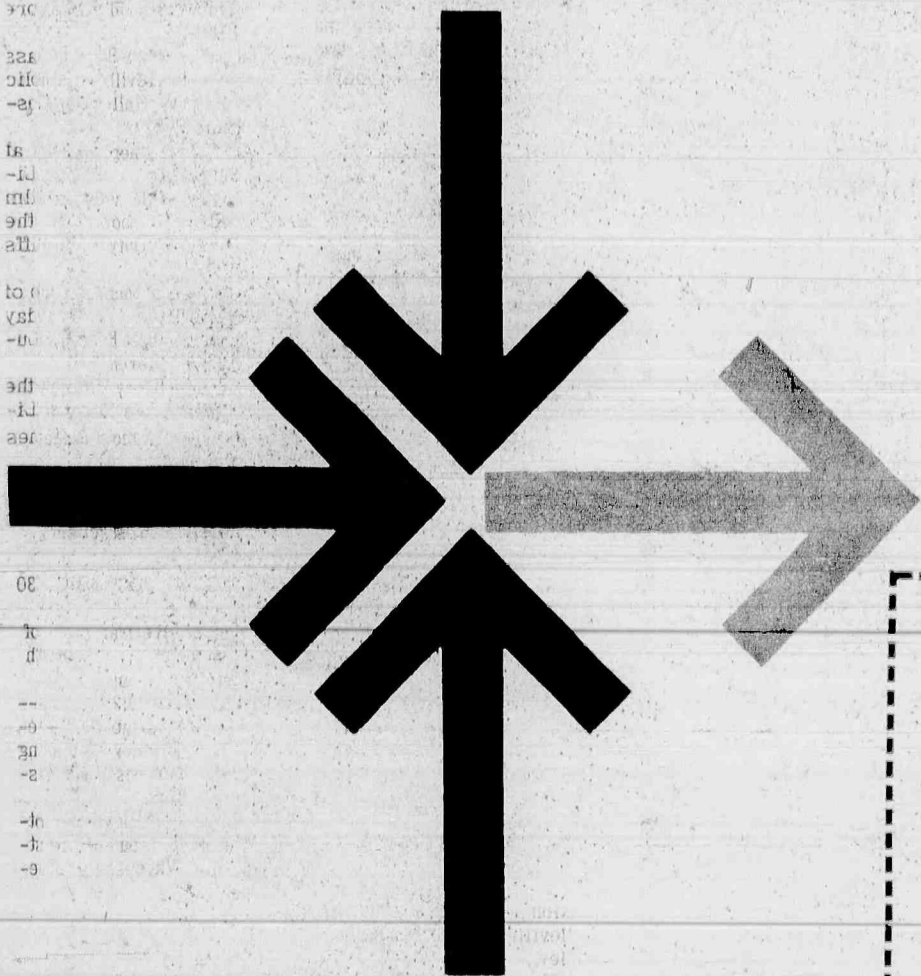

His idea worked. It made printing a great deal easier. But the ruckus it was to cause would have astounded this humble and devout German craftsman. For movable type not only simplified printing, it made possible for the first time the distribution of ideas to large numbers of people.

Under the interchange of ideas, serfs became restless, national states developed, and feudalism crumbled. Revolutionary trouble-makers such as Voltaire, Tom Paine, and a group of uncouth pamphleteers in England took ideas directly to the people. They found print was the ideal way to express complex thoughts. It was true then, and it is true today.

Printing made possible modern newspapers. Good newspapers always make trouble. They're trouble to officials who want to carry on the public's business in secret. They're trouble to anyone with entrenched authority. They're often troublesome to those whose private lives become suddenly caught up in the public business.

But the work that newspapers do has become a basic link in our political process.

That's something for you to think about.

Religious Organizations Unite In Biafra Drive

Men representing the Masonic Order, Jewish Mens Organizations, and the Knights of Columbus of Belleville met last week and unanimously agreed to make a united effort to aid the starving children of Biafra.

Under the title "Operation Concern" they decided to make a house to house canvass on Sunday, October 27 and solicit funds to be used to supply food and medical supplies.

The Protestant, Catholic, and Jewish relief agencies have been telling of the terrible plight of the people of Biafra and the urgent need for substantial help. All of the representatives at the meeting were in accord that "Operation Concern" would be the best way to make a meaningful effort to assist this cause.

Members pointed out that the campaign is not a yearly restricted to certain groups and exten-

bus building on Bridge Street, near Belleville Avenue, at 2 p.m. Sunday afternoon.

Mayor Kenneth Smith, acknowledged the work of the Belleville Committee.

Essex Chapter

Red Cross Arranges Blood Banks, Christmas

There will be a gift from the Red Cross for every member of the armed forces in Vietnam this Christmas.

Essex Chapter's contribution to the nation wide Red Cross "Shop Early" program left yesterday for San Francisco on the first leg of the trip. Eighteen hundred gift bags, each containing nine individually wrapped packages, will be among the more than half a million similar gift bags distributed by Red Cross field directors to servicemen and women on Christmas.

For the third successive year, the chapter has undertaken this program with the support of many local business, civic, fraternal and social groups and dozens of Red Cross volunteers.

According to Mrs. Clement Furey, West Orange, chairman of the holiday project, this year's gift bags contain such items as plastic soap and cigarette containers, combs, ball-point pens, pocket size flashlights, paperback pocket books, plastic utility bags and packages of powdered fruit drink mixes.

Volunteers in the chapter's five districts began sewing the olive green bags and collecting the articles to fill them as early as last January. This week, 49 cartons were packed with the gift bags and prepared for shipment to the West Coast.

Among the organizations donating to the program were the McCully Chapter of the Pioneer Club, New Jersey Bell Telephone Company which provided 600 of the gift bags,

SOCIAL AND CLUB NEWS OF COMMUNITY INTEREST

Mrs. Eugene Stefanelli - nee Eugenie Laterza

Miss Peterson Engaged To Lawrence Kirchner

Mr. and Mrs. Harry C. Peterson of Clifton announce the engagement of their daughter, Eileen Mary to Lawrence Albert Kirchner, son of Mr. and Mrs. Frank Kirchner of Bronx, New York.

The troth was made known October 15 at the Upper Montclair Country Club, Clifton. A graduate of Immaculate College, Immaculate, Pennsylvania, Miss Peterson is assistant systems analyst for Hospital Service Plan of New Jersey.

Mr. Kirchner, an alumnus of Fordham University, is associate consultant for Automation Sciences Inc.

The wedding is planned for April 12, 1969.

Miss Eileen Peterson

Eugenie Laterza Bride Of Eugene M. Stefanelli

Miss Eugenie Cecelia Laterza, daughter of Mr. and Mrs. Robert Michael Laterza Sr. of Belleville became the bride October 12 of Eugene Michael Stefanelli, son of Mr. and Mrs. Michael Francis Stefanelli, son of Mr. and Mrs. Michael Francis Stefanelli of Bloomfield.

The Rev. John F. Golding performed the nuptial ceremony in St. Mary's Church, Nutley. A reception was held at Mayfair Farms, west Orange.

The bride, escorted by her father, wore a gown of Alencon lace over white peau de soie and a lace mantilla, she carried an old fashioned bouquet.

Miss Diane Visconti of Clifton was maid of honor. Other attendants were Mrs. Robert A. Giegerich Jr. of Drexel Hill, Pennsylvania, Mrs. Joseph D. Maccia of Jersey City, Miss Angela Petrillo of the groom, of Parkesburg, Pennsylvania, Mrs. Brian Rafferty of Glen Ridge, Mrs. Leonard D. Sullivan of Freehold and Miss Dale Zamorra of Far Hills.

They wore silver gowns, silver hair bands and carried old fashioned bouquets of mixed flowers.

The best man was Joseph Donald Maccia of Jersey City. Ushering were Robert Michael Laterza Jr., brother of the bride, Gordon Cheer of East Orange, Joseph Anthony Fusco of South Orange, Daniel G. Jarvis and Brian Rafferty of Glen Ridge and Joseph Rotunda.

He is the grandson of Mrs. of Eugene Stefanelli of Bloomfield and the late Dr. Stefanelli. The couple honeymooned in Puerto Rico.

of East Orange.

Mrs. Laterza wore a pink and silver gown and the groom's mother was in silver.

Mrs. Stefanelli, an alumna of Lacordaire Academy, Upper Montclair, received her bachelor's degree in June from Immaculate College, Pennsylvania. She is in the English Department of Bloomfield High School and is a member of the National Education Association, the New Jersey Education Association and the Bloomfield Teachers Association. She does work with exceptional children and children of the foreign born.

Mr. Stefanelli was graduated from Villanova University, Pennsylvania, Class of 1966 and received his master of arts degree from Newark State College, Union. He is with the Mommouth Workshop Medical Center, Red Bank as a psychologist and supervisor.

Mr. Stefanelli is a member of the National Education Association, the National Rehabilitation Association, the National Rehabilitation Association, and the Villanova University Psychological Society. He has done work as an intern for the New Jersey Association for Retarded Children and for Newark State College where he worked in child evaluation and mental testing. He has also been a supervisor for the International Convention, for the Council for Exceptional children.

He is the grandson of Mrs. of Eugene Stefanelli of Bloomfield and the late Dr. Stefanelli.

The couple honeymooned in Puerto Rico.

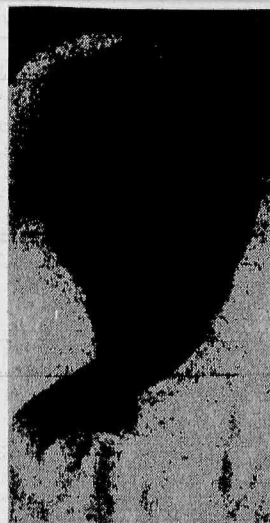

Betty Breckenridge Semi-Finalist In Apple Princess Competition

Miss Betty Breckenridge of Belleville, a sophomore at Jersey City State College, is a semi-finalist in the annual competition to determine the 1969 New Jersey Apple Princess.

The final winner will reign at the Eighth Annual New

Jersey Apple Harvest Festival to be held October 21-25 at Orange Savings Bank, Orange.

Co-sponsors of the statewide salute to the New Jersey apple growers are the bank and the New Jersey Department of Agriculture's Apple Industry Council.

Miss Lucille Melleno

Lucille Melleno, Gerald Cortese Are Affianced

Mr. and Mrs. Amelio Melleno of Columbus Avenue announce the engagement of their daughter, Miss Lucille Melleno of Philadelphia, Pennsylvania to Gerald Cortese, son of Mr. and Mrs. Alighiero Cortese of Cheltenham, Pennsylvania.

Miss Melleno, a graduate of St. Michael Hospital School of Nursing, is in the obstetrical department of the Hospital of the University of Pennsylvania.

Mr. Cortese is attending the University of Pennsylvania. A May wedding is planned.

Secretarial Career For Newark Girl

Miss Mary Ann Lampariello of 543 Summer Avenue, Newark, has begun her secretarial career with Black, Little Advertising Company, Newark, following completion of studies at The Berkeley School, East Orange.

Miss Lampariello is a graduate of St. Vincent Academy Newark.

Nuptial Mass In St. Peter's For Miss Nucci, Mr. Graham

Miss Maryann Nucci, daughter of Mrs. Alexander Nucci of 25 Parkview Avenue became the bride October 12 of John J. Graham, son of Mrs. John Graham of Kearny and the late Mr. Graham.

The Very Rev. Msgr. Thomas Duffy, a close friend of the groom's family celebrated the Nuptial Mass in St. Peter's Church. A reception followed at San Carlo Restaurant, Lyndhurst.

Escorted by her father, the bride wore a peau de soie A-line gown with elbow length sleeves. The gown and train were trimmed with lace appliques and pearl beading.

Miss Maria Corino of Belleville was the maid of honor. Bridesmaids included the groom's sister, Mrs. Edwin Mulligan of Kearny, Mrs. Joseph Nucci of Nutley, sister-in-law of the bride and Mrs. John Lowack of Belleville.

The attendants were in A-line gowns of ottoman green trimmed in bone lace.

Frank Miranda of West Orange served as best man. Ushers were Mr. Mulligan, Joseph Nucci of Nutley and John Wilson of Roselle. Ring-bearer was the groom's nephew, J. Scott Graham of North Arlington.

Mrs. Graham, a graduate of Belleville High School, is a secretary with Bell Telephone Company.

Mr. Graham, a graduate of Essex Catholic High School, is also with Bell Telephone Company as a data processing unit supervisor.

Handicapped Workers Placed By County Center

During the 12-month period ended August 31, 1968, 26 handicapped persons were placed in competitive industry by the Occupational Center of Essex County. The report was issued today by OCEC

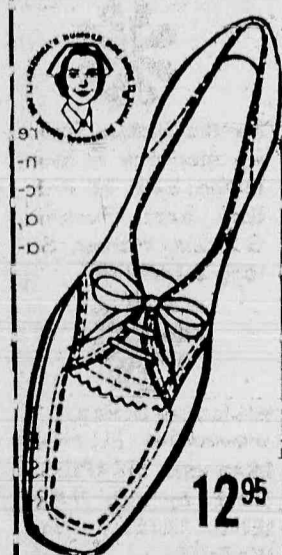

Mrs. John Graham - nee Maryann Nucci

president, Monroe P. Flaster, to mark "National Employ the Handicapped Week." He noted that the 26 are all still employed by the firms with which they were placed.

The Occupational Center of Essex County, Inc., 391 Lakeside Avenue, Orange, is a non-profit, non-sectarian sheltered workshop carrying out a recognized vocational habilitation program in cooperation with the agencies for mentally and physically handicapped individuals 16 to 45 years of age, residing in Essex and West Hudson Counties.

Honeymoon In The Poconos For Mr. and Mrs. Salayko

Mrs. Edward Salayko - nee Lana Vogler

Miss Lana Freya Vogler, daughter of Mr. and Mrs. Eric Vogler of 274 E. Passaic Avenue, Nutley and Edward Michael Salayko, son of Mr. and Mrs. Henry Salayko of 85 Evergreen Avenue, Nutley, were united in marriage October 12.

The Rev. Michael Saltarelli performed the ceremony in Holy Family Church. A reception followed at The Camelot.

The bride, escorted by her father, wore a white dulcet satin empire gown fashioned with an A-line skirt, mandarin collar and bell sleeves. Alecon lace appliques trimmed the bodice, sleeves and skirt and the chapel train had a center panel of matching lace.

Her chapel length mantilla was bordered with lace and a bouquet of orchids, stephanotis and carnations.

Mrs. Felice Ferraro of Nutley was matron of honor and Mrs. Peter DeNicholas of Belleville, Mrs. Joseph Saporito of Lyndhurst and Miss Madeline Young of Lake Hopatcong were bridesmaids.

The attendants were attired in gowns with rust satin bodices and cream crocheted lace skirts with matching rust bows for headpieces. Mrs. Ferraro carried fall mums and yellow roses and the others carried fall mums.

Henry Salayko Jr. of Nutley was best man, Eric Vogler and Robert Franks of Nutley and Mr. Saporito were ushers.

Mrs. Vogler chose an apricot beaded chiffon gown with matching accessories and wore a corsage of yellow cymbidium orchids. The groom's mother was in a moss green bonded crepe gown with gold trim and matching accessories. Her corsage was green cymbidium orchids.

The couple are alumni of Nutley High School.

Mrs. Salayko is with McDonnell and Company, Newark while Mr. Salayko is with Pericles Tire Company, Broomfield. He is a member of the Army Reserve.

The couple have made their home in Belleville following a honeymoon in the Poconos.

Miss Barbara J. DeHaas Wed In St. Mary's Church

St. Mary's Church was the setting October 20 for the marriage of Miss Barbara Joan DeHaas, daughter of Mr. and Mrs. Edmund DeHaas of 222 Prospect Street and Edwin Gruenling Jr., son of Mr. and Mrs. Gruenling Sr. of 37 Kenmore Avenue, Newark.

The Rev. John M. Golding performed the afternoon ceremony. A reception followed at the Friar Tuck, Cedar Grove.

Escorted by her father, the bride was attired in a gown of silk organza with re-embroidered Alencon Lace and pearls. It was fashioned with a horseshoe neckline, long sleeves, fitted bodice with bouffant skirt and a detachable train applied with lace.

A double tier crown of pearls and crystals held her English illusion veil and she carried a cascade of white roses.

Mrs. Edmund DeHaas of Lake Hiawatha was matron of honor. Bridesmaids were Miss Carol Gruenling of Newark, Mrs. Albert Regen of West Caldwell, Lieut. Valerie Kinsky of Nutley and Mrs. Ronald Pierce of Belleville.

The attendants were in peacock blue karate skimmers with matching embroidery adorning the front and accenting the panel train. Headpieces were of peacock blue carnations highlighted with silver sparkles.

The matron of honor carried a circular arrangement of blue and white carnations with white tulle and green ivy leaves and the others carried blue carnations.

Francis Gruenling of Irvington was best man. Ushers were Edmund DeHaas of Lake Hiawatha, Albert Koch Jr. and Peter Krahel of Irvington and Ronald Pierce of Belleville.

Mrs. DeHaas chose a gown of metallic embossed brocade in silver, gold and aqua with matching accessories. Her corsage was of yellow tea roses. The groom's mother was in a dress of pink crepe

Mrs. Edwin Gruenling Jr. - nee Barbara DeHaas

with deeper pink lace overlay and contrasting accessories. Her corsage was a cymbidium orchid.

Mrs. Gruenling Jr. attended Fairleigh Dickinson University and is with Mutual Benefit Life Insurance Company.

Mr. Gruenling Jr., an alumnus of Newark College of Engineering, is with Celanese Coatings Company. He was discharged from the Naval Air Reserve of 1964 and is following a two-year tour of duty in the Vietnam War.

St. Thomas, Virgin Islands, the couple will live in Belleville.

HUP TWO THREE FOUR Rutgers University last summer became the first American university to be presented in the Edinburgh (Scotland) Military Tattoo. The Air Force ROTC Queens Guard represented Rutgers in the international drill competition.

VFW Ladies Auxiliary Gets Merit Citations

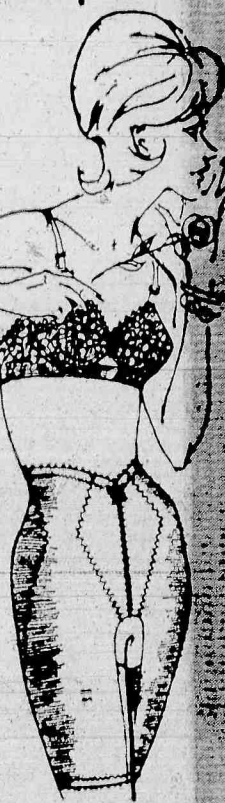

At a recent meeting of Firemen's VFW Ladies Auxiliary No. 1851, Mrs. Frank Kirkbride, past president, presented citations of merit from Mrs. Stanley Nemiec, state past president of Somerville, to the Auxiliary for their participation in buddy poppy display, community service, press book and membership.

A special individual citation of merit was also awarded by Mrs. Nemiec to Mrs. William S. Conlan, publicity chairman for Firemen's for second honorable mention for her press book submitted, together with a Recognition Citation for compilation of all New Jersey's historical reports, for 1967-1968.

Mrs. John Banahan of Newark, Americanism and youth activities chairman, stated the need for a blackboard for Cadet Troop No. 429 of Our Lady of Good Council Scout Room and the auxiliary granted her a check to donate the board as part of their 1968-1969 program, and also will meet their other needs for their "Overnight" at the Girl Scout "Oval" in the Orange mountains next spring. Mrs. Banahan is assisted in Girl Scouting affairs by Mrs. John Holland, also of Newark and of Firemen's Ladies Auxiliary.

WEDDINGS AND ENGAGEMENTS IN SOCIAL SPOTLIGHT

Pierce-Gutknecht Nuptials Are Performed In St. Peter's

Miss Margaret A. Gutknecht, daughter of Mrs. Joseph J. Gutknecht of Malone Avenue became the bride October 12 of Ronald Robert A. Pierce, son of Mr. and Mrs. Richard J. Pierce Sr. of Orange.

The ceremony was performed in St. Peter's Church by the Rev. Francis A. Ignacinos. A reception was held at The Fountain, Belleville.

Escorted by her brother, Edward P. Gutknecht, the bride wore a gown of white organza trimmed with pearls and rhinestones and fashioned with elbow length sleeves, A-line skirt with attached train and high round neck.

A crown of pearls and rhinestones held her elbow length veil and she carried a white orchid with stephanotis and pompoms.

Mrs. James P. McConville of Belleville was honor attendant for her sister. Bridesmaids were Miss Anna Forte of Belleville, Miss Barbara DeHaas of Nutley and Mrs. Nickie Chen of Homdel. Miss Martha Jane Kimble of Manao, Pennsylvania, cousin of the bride, was junior bridesmaid.

Mrs. McConville wore a strawberry gown with matching coat of linen faille with a Chinese lace collar. Her floral and ribbon headpiece held a short veil and she carried pink and white mums. The others were similarly attired and carried bouquets of pink, white and chardreuse mums.

William Tedesco of Roseland was best man. Ushers were Richard Preuss of Bloomfield, Ernest DeFalco and Ronald J. Battista of Orange. Junior usher was Salvatore Melillo of Belleville.

Mrs. Gutknecht chose a dress of pink brocade with matching accessories and a corsage of pink cymbidium orchids. The groom's mother was in a blue chiffon dress with matching accessories and a corsage of blue cymbidium orchids.

Mrs. Pierce, an alumna of Belleville High School, is with Mutual Benefit Life Insurance Company, Newark.

Mr. Pierce, a graduate of Orange High School attended Northrup Institute of Technology and is an industrial service technician with Honeywell Company, Union. He is in the National Guard.

The couple will live in Belleville following a honeymoon in Bermuda.

MOST SOLOISTS FLY
Twenty-two of every 25 hikers in New Jersey are members of organized groups such as athletic organizations and scout troops, according to a Rutgers University study.

'Operation Bridge' Desires Rummage

Clean clothing, small household items, and toys are needed by "Operation Bridge" for a November rummage sale, it was announced at a meeting of the group on Wednesday, October 2 at Caldwell College. Co-ordinated by Miss Mary Ann McNamara, Irvington, the rummage sale will be held for the residents of a disadvantaged section of Elizabethport.

Proceeds from the sale will be applied toward the operating expenses of "Operation Bridge," a group composed of Caldwell area residents, Caldwell College students and the Dominican Sisters of Caldwell. A non-denominational group organized last spring under the auspices of Caldwell College, "Operation Bridge" aspires to gap the bridge between suburbia and the city by fostering better understanding of urban problems, according to Co-ordinator Sister Vivien.

COLONIAL COLLEGE
Rutgers University, founded in 1766, was the eighth college established in the American colonies. It is the only colonial institution which has become a land-grant college and a state university.

Miss Nappi, Mr. Dana Are United In Marriage

Miss Diana Lynne Nappi, daughter of Mr. and Mrs. Americo R. Nappi of 221 Holmes Street, became the bride August 11 of Alan Earle Dana, son of Mrs. Donald Dana of Ridgewood and the late Mr. Dana.

The Rev. Gilbert Hellwig performed the ceremony in Emmanuel Baptist Church, Ridgewood. A reception followed at Wayne Manor.

Given in marriage by her father, the bride wore an organza chiffon gown appliqued with lace and fashioned with a scoop neckline, three quarter length sleeves, A-line skirt and shoulder train.

Her three tiered elbow length veil was held by a matching headpiece and she carried white daisies, carnations and ivy.

Miss Darlene Marie Nappi was her sister's maid of honor. Bridesmaids included the groom's sister, Miss Patricia Dana of Ridgewood and Miss Ruth Arnold of Maine. Miss Laurie Nappi, another sister of the bride, was junior bridesmaid.

The honor attendant wore a deep pink chiffon empire gown accented with rosebuds,

a bow headpiece and carried pink carnations and sweetheart roses.

The others were similarly attired in pastel pink.

Dana Nappi, the bride's brother, was best man. Ushers were Peter Kelley of Hohenokus, James Philbrick of Midland Park and Ronald Riser of North Vale.

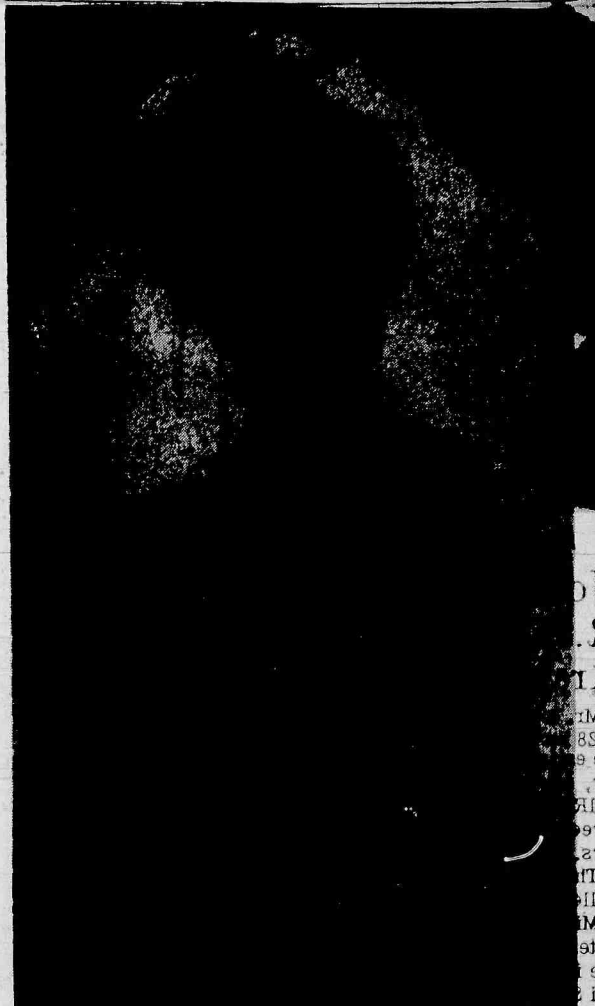

Mrs. Nappi chose an aqua crepe dress with an organza collar and rhinestone buttons. Her corsage was of phalaenopsis orchids. The groom's mother chose a beige ensemble.

Mrs. Dana, a graduate of Belleville High School and Fairleigh Dickinson University plans to be an elementary teacher.

Mr. Dana, a alumnus of Ridgewood High School and Fairleigh Dickinson, University, is with IIT Marlow, Midland Park.

The couple honeymooned in Cape Cod and have made their home in Ramsey.

The business of developing one's personality is more important than that of regulating others.

Mrs. Alan Dana - nee Diana Nappi

A grateful Electric Glassheat user says:

"If you notice the temperature you have the wrong heater"
BETTER SWITCH TO GLASSHEAT

"IT'S A COMFORTABLE HEAT
that Glassheat gives—never too hot, never too cold," he continued. "So comfortable in fact you never notice the temperature at all. Regardless of the weather it feels like a sunny day indoors. Imagine—every room sunshine warm all winter long. No drafts, no cold corners, just comfort!"

No wonder Electric Glassheat reminds you of sunshine. It is the only heating system that warms with healthful radiant electric rays exactly like the rays of the sun. And this is true throughout the house for every room has its own money-saving thermostat and heating unit.

You can regulate the temperature of each room exactly as you want it, one quite warm, another cooler. And if a room is unoccupied, turn back the thermostat, close the door and save money!

IT'S HEALTHFUL HEAT TOO!
"We had fewer colds last winter and everyone felt fine" says an owner in Caldwell. This is a common report from owners because Electric Glassheat has no flame to burn up the life giving oxygen or produce toxic fumes. And the sunshine rays of Glassheat not only produce an even temperature but maintain humidity at the level doctors recommend for good health.

SAVE CLEANING TIME AND MONEY
"No soot, no smoke, no grime. Glassheat is wonderful," writes another user. "Have never seen anything so clean. Saves me hours I used to spend cleaning and painting."

Another says "In 16 years the only room we have had to do over is the kitchen. No need to repaint the other rooms or dry clean our drapes. And our venetian blinds still look fresh and new. That's why so many owners say, "Install Electric Glassheat and take it easy."

SAFE! Electric Glassheat is absolutely fire-safe and can't overheat. No fumes to worry about, and even accidental contact can't cause blistering.

Electric Glassheat is as silent as sunshine and as pleasant, for there are no moving parts. Saves space too for the area usually used by radiators, furnaces and flues is yours for extra living space.

SAVE MONEY ON HEAT! People admit that Electric Glassheat is tops for comfortable heating. But some feel that it is so ideal it might be too expensive. This is not true—as you will see from these letters describing Glassheat's economy.

One writes, "We installed Glassheat for its greater comfort with the hope that it would be reasonably economical to operate. So we were not prepared for our very low annual heating bills. And since

we can now take advantage of the special low heating rate, we save money on our regular electric bill too. And there are no maintenance charges. It all adds up to better heat for less money.

"Though we added two extra rooms" says another owner, "my heating bill is only \$175. A pleasant surprise and we have never been so comfortable."

That's the Electric Glassheat story. People install it because of its many advantages—then are delighted to find it is an economy as well.

WHY PAY MORE FOR LESS?
Does Electric Glassheat sound luxurious? It is in every respect but cost. If you would like to know what Electric Glassheat will do for the health, comfort and welfare of your family—and how little it will cost, send the coupon, or phone.

FOR FACTS ON THIS UNIQUE NEW ELECTRIC HEATING SYSTEM, CALL OR USE THE COUPON

WEDDINGS AND ENGAGEMENTS IN SOCIAL SPOTLIGHT

Miss JoAnn Franzi

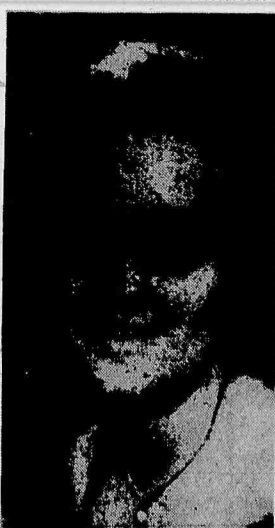

JoAnn Franzi, R.J. DelRusso Are Betrothed

Mr. and Mrs. Peter Franzi of 28 Naples Avenue announce the engagement of their daughter, JoAnn to Richard Joseph DelRusso, of 373 North 10th Street, son of the late Mr. and Mrs. John DelRusso Sr.

The couple are alumni of Belleville High School.

Miss Franzi is a junior at Paterson State College where she is a member of Phi Omega Psi Sorority.

Mr. DelRusso attended Youngstown (Ohio) University and is a student at Bloomfield College where he is a member of Alpha Kappa Psi Fraternity.

Miss Karen Jinks

Karen Jinks, Wm. Bromberg Will Be Wed

Announcement is made of the engagement of Miss Karen Jinks to William Stuart Bromberg, son of Mr. and Mrs. Solomon Bromberg of East Orange, by her parents, Mr. and Mrs. William Jinks of 18 William Street.

The bride-elect, an alumna of Belleville High School, is a junior at Mountainside Hospital School of Nursing.

Mr. Bromberg, a graduate of Belleville High School and Bloomfield College, is a teacher at Essex County Vocational and Technical High School.

Greylock PTA Hears School Art Director

The Greylock School PTA held its first meeting of the year on Monday October 7.

Mrs. Jean Harbone, PTA president, opened the meeting by welcoming the attending parents and introducing her executive committee to them. The meeting was then turned over to Mr. Gallombardo, school principal who discussed the procedures to be used for the current school term. The faculty members were then formally introduced by Mr. Gallombardo.

Guest speaker for the evening was Morton Birkin, Director of art in the Belleville school system. Topic of discussion was "Importance of Ceramics in the Elementary School." Morton feels through art the child makes an individual statement. Ceramics is the most "permanent statement" in the art world. Here is a medium the child can touch and shape. The child molds whatever he or she feels.

Refreshments were served after the meeting by fifth grade mothers.

MISSION ACCOMPLISHED

The five building projects at Rutgers University which received support from the 1964 College Bond Issue are either open or about to open.

Mrs. Joseph Alfano - nee Jean Leo

Mr. and Mrs. Alfano Honeymoon In Florida

Wedding vows were exchanged October 19 in St. Leo's Church, Irvington, by Miss Jean Leo, formerly of Belleville, daughter of Mrs. Mary Leo Dente of Irvington and the late Mr. Theodore Leo and Joseph Alfano, son of Mr. and Mrs. Benjamin Alfano of 154 Park Street, Newark.

The ceremony was performed by the Rev. Nativo of St. Lucy's Church, Newark. A reception followed at Royal Hawaiian Palms, Lyndhurst. Escorted by her uncle, William Galileo, the bride wore a gown of white crystal beads with a scoop neckline and coat train.

Her headpiece was a bow embroidered with crystals and pearls attached to a three tier veil.

Mrs. Theodore Blaser of Belleville was her sister's honor attendant. Bridesmaids included the bride's cousins, the Misses Jean and Joan Galileo of Belleville and Donna Dente of Newark, the groom's sister, Miss Marie Alfano of Newark and Miss Joyce Adronowitz of Irvington.

Donna Lynn and Shirley Lynn Blaser were flower girls.

The honor attendants and flower girls wore powder blue crepe gowns with matching hats. The others were similarly attired in dark blue.

John Rosamilici of Newark was best man. Ushering were the groom's brothers, Michael and Al Alfano of Newark and Gerard Velerios and Carmen DeMaio of Newark. Frank Cordero of Irvington was ringbearer.

Mrs. Dente chose a gown and matching coat of gold with pearl beading trim. The groom's mother was in a green gown with matching hat. Corsages were of white orchids.

Mrs. Alfano, a graduate of Irvington High School, is with Public Service, Maplewood.

Mr. Alfano attended Barringer High School, Newark and is a plumber with Valeo-Rosa Inc., Lyndhurst. He just completed four years in the United States Navy.

After a honeymoon in Florida, the couple will live in Belleville.

Wesley Methodist Has Youth Pastor

The Rev. Felix N. Sugirtharaj has begun his duties at Wesley United Methodist Church in Belleville as Minister to Youth. He is an ordained minister of the Church of South India, working under Bishop Newbigin in the city of Madras, South India. For the last four years he served in an

English-speaking parish having Anglican background. He has served as a member of the industrial and urban mission team in Madras, and has made a special study on the problems of the unemployed youth. Rev. Sugirtharaj is now studying at Union Theological Seminary for a year under the Ecumenical Fellows Program. His wife, Mrs. Vimala Sugirtharaj, has remained in India.

Dr. Miller Visits Here

Dr. Lawrence E. Miller, Republican candidate for Freeholder on Row B, visited the Belleville Headquarters at 122 Washington Avenue this week to meet the county committee members and their guests. Dr. Miller, a resident of Short Hills, was asked why he chose to run. "As a physician, I can be a tremendous asset to the Board of Freeholders. Half of County taxes are medical problems and there's never been a physician on the board before. With this in mind I can help the county with my medical knowledge."

Married, the father of four children, Dr. Miller is Chief of Orthopedic Surgery in Memorial General Hospital, Union and Co-chairman of the National American Osteopathic Association. He is a graduate of the University of Tulsa and of Philadelphia College of Osteopathic Medicine. Active in civic affairs, he is on the executive committee of the March of Dimes, the United Fund for Physicians and the Millburn County Committee.

False Info On License Brings Fine

Misstating facts on his motor vehicle registration cost Ronald Bonat of 59 Bryant Street, Newark, \$205 at the October 17 meeting of the Belleville Municipal Court. Judge Edward Abramson, in handing out the fine, reminded the 21 year old that he was lucky he wasn't sent to jail.

Michael Scahill Appears In Play This Weekend

Michael Scahill of 145 Academy Street, Belleville, is a member of the cast of the Rutgers University department of drama's production of "Sergeant Musgrave's Dance" by John Arden which will be given at Douglass College tonight through Saturday. The drama by the English playwright will be directed by Richard P. Brown, associate professor of speech and dramatic art.

The performances will take place at 8:30 p.m. in the Little Theatre on Nichol Avenue on the Douglass campus. Tickets are \$1 for students and \$2.50 for adults. Subscription booklets for the department's four major productions are available at \$6.00. Tickets can be reserved by calling 247-1766, extension 1758.

Halloween Costume Contest Set

Commissioner William H. Cullen has announced that the Recreation Department will again hold Halloween Costume Contests.

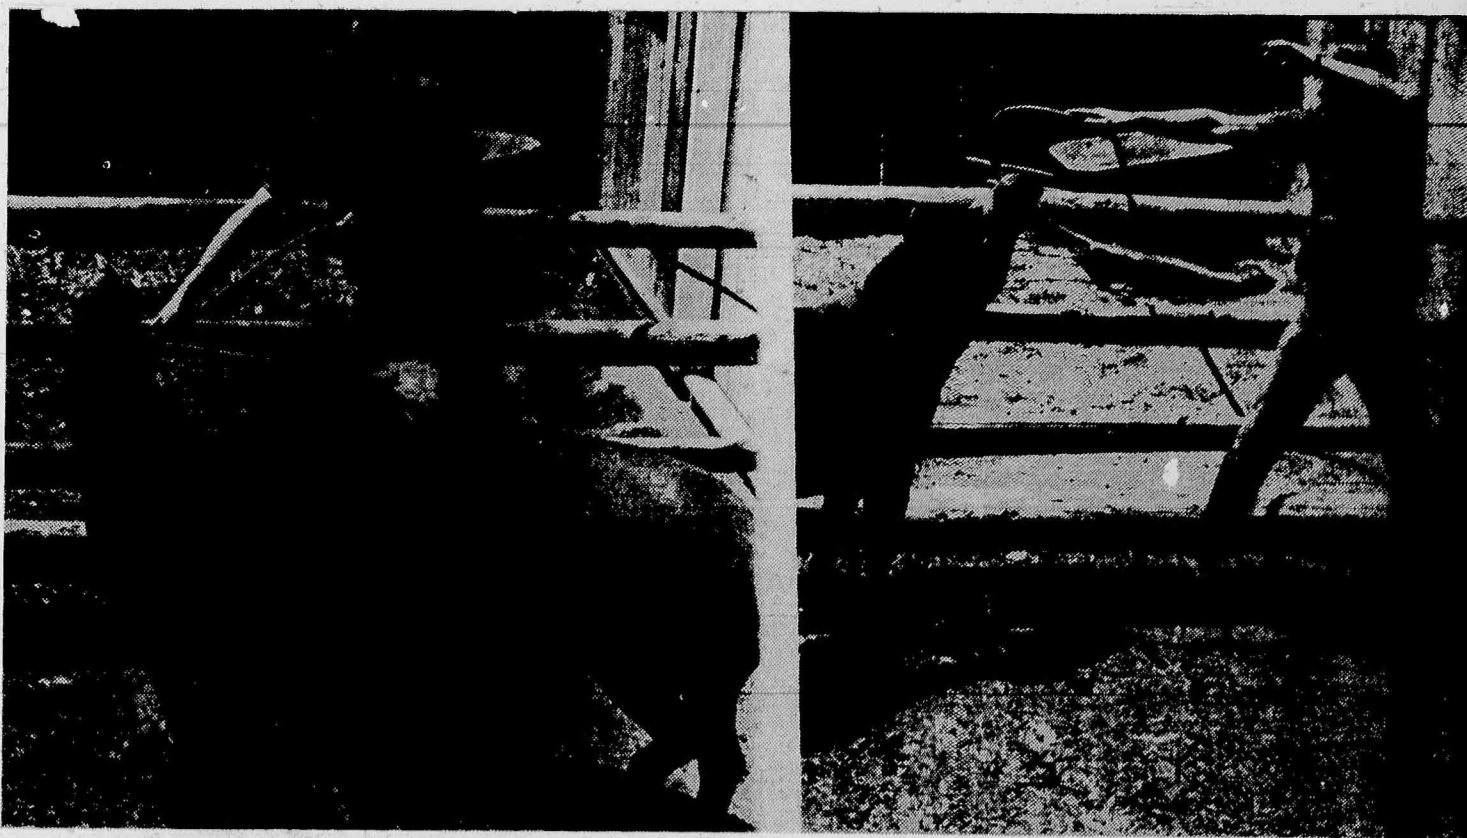

One contest will be held at #4 School and the other at the Municipal Stadium. Both Contests will begin at 4 p.m. sharp on Thursday, October 31.

If the weather is fair both contests will be held outside, if it is inclement the #4 School contest will be held in the all purpose room and the Stadium contest will be held in the large lobby off of Nolton Street.

There will be lollipops for all and prizes for the winners.

REWARDS OF RESEARCH

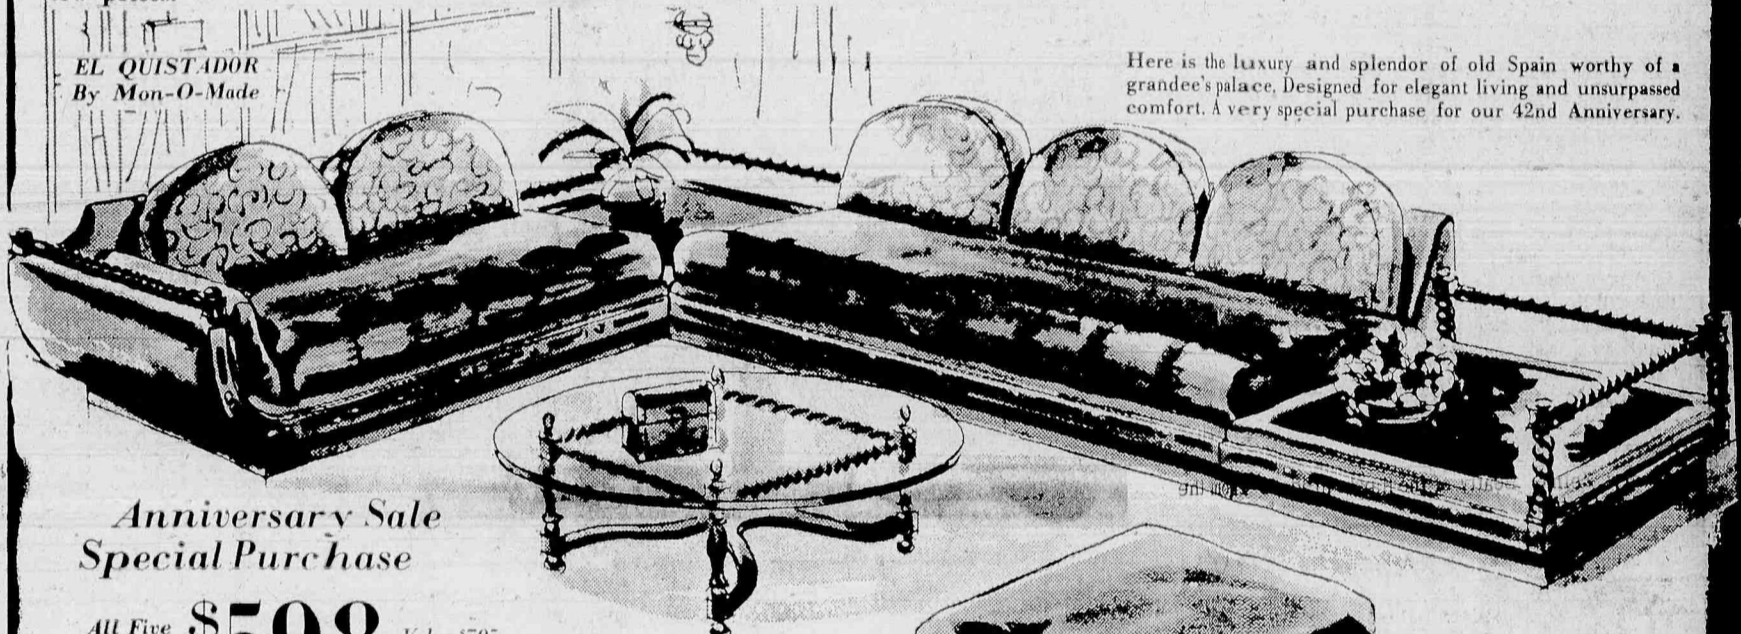

Rutgers University's Institute of Microbiology was built through royalties on Streptomycin, an antibiotic discovered in the Rutgers' laboratories of Dr. Selman A. Waksman.

NOW IT'S OUR TURN - Say the two clever South American tapirs at the Turtle Back Zoo in West Orange. Grabbing the attendant's hose is only one of the tapirs' playful tricks.

Sports of The Times

By RICHARD DE SINA

Tommie Smith didn't boycott the Olympics. Instead he set a world record in the 200 meters, running with a painful groin injury.

"The real thrill with me is the catching up," says Tommie. "I run a lot of the race with my eyes shut." He really opened John Carlos' eyes in the final 50 meters.

Smith is hailed in Europe as the world's best athlete. He is held in somewhat lower esteem by the International Olympic Committee.

For their gesture of protest against black inequality in this country, Smith and Carlos were suspended from the team and kicked out of Olympic Village. True, their action disobeyed the Olympic code and merited slight reprimand. It was the tenor of the reaction that was nauseating.

Unwittingly the octogenarians made martyrs of the two. Their action was analogous to the hypocrisy in white America's attitudes to blacks. The committee had to wield its power, when the United States board had apologized for the incident and felt this was sufficient.

Smith and Carlos wore buttons importuning the attainment of human rights and dignity for the black man. Australia's Peter Norman, who won the Silver Medal in the event, also wore one in the victory ceremony.

An Iowa experiment in discrimination, reported in Playboy, provided results that were "absolutely-frightening" according to a teacher. The subjects, all white school children, were exposed to two days of unequal treatment based on the color of their eyes. Though they knew their status was temporary, the students reacted with anger, frustration and despair. The effect such treatment must have on blacks, when the duration is counted in years, not days, is evidenced.

In their record, "The Ostrich" Steppenwolf warn "don't criticize the fatherland . . . they'll find a way to silence you. We'll stick our heads into the sand and just pretend that all is grand." Tommie Smith and John Carlos didn't feel that all is grand.

On other fronts, the Olympics have been exciting. The 5000 meter race was decided by a silly millimeter. The "Fosbury Flop" enlivened the high jump competition.

Question: Who scored the most free throws in one game in the NBA last year?

Went to the Laker game at the Garden Saturday. Elgin Baylor was unbelievable, even for Elgin Baylor. Jerry West is getting to be a playmaker in his old age. Wilt Chamberlain dominated the boards. Tom Hawkins held Cazzie Russell under double figures. Rookie Bill Hewitt looks like Jerry Chambers, who was dealt to Philadelphia in the Chamberlain trade. Chambers was supposed to replace Baylor. Now Hewitt is being groomed for the task. "No one will ever completely fill Elgin Baylor's shoes," says general manager Fred Schaus, "but we like to think Bill Hewitt will ease the pain of Elgin's retirement in a few years." Newly acquired Keith Erickson displayed the fast hands of Jerry West on defense. The Lakers just may win 80 straight.

The Packers must beat Dallas Monday or their title hopes are in serious jeopardy and a certain sportswriter will have to eat crow.

Answer: Zelmo Beatty of the Hawks made 20 from the line against Seattle.

The Belleville Times

News

Bellboys Will Battle Irvington In Attempt To Reach .500

BELLBOY BACKS -- Doug Brown and Jim Wille will be testing Irvington's line this Saturday in an away game at 2 p.m. The

Campers were also rained out last week against Vailsburg. A win would even Belleville's record.

Campers Can Really Scamper

"I wish we played last week," lamented Coach John Amabile. "The layoff may hurt our timing." In case you haven't heard yet, the Passaic game was rained out, postponed until November 23.

Irvington (1-2) is this week's scheduled opponent. The Campers, under Coach Charlie Reitz, opened with an impressive 19-6 win over West Orange. Their net yard-

age for the game was 280, but 206 yards came on the ground. They completed one pass for four yards. However, Irvington quarterback Mike Basile can throw if he wants or has to. They, like Belleville, prefer to move the ball via rushing.

The Campers have five reliable runners: fullbacks, Vince Giordano and Tim Vornhies and halfbacks John Mahon, Tony Liaci and Neil Hoffman. Top receiver is Tom Lamey, who also handles the punting.

After the West Orange win, Irvington fell to Orange 13-6 and then was walloped by Montclair 47-7. Montclair downed Nutley 25-7. Nutley beat Belleville 14-0. Therefore the old abacus says the Bellboys should be installed as eight point favorites.

Physically, the Bellboys are in good shape, though guard Ralph Salierno is lost for the year. He underwent knee surgery at Newark's Columbus Hospital last week. Salierno and tackle Richard Corbo were injured in the Nutley game. Corbo complained of dizzy spells. He was just exhausted.

Jim Wille is also ready to go. He had blood clots drained from a bump on his right arm received in the Nutley game. "He's done a consistently good job for us," says Amabile, "and we look for him to lead us again."

The Bellboys' coach also had high praise for defensive lineman Bob Bonfante. "He's done a hell of a job. He's one of the best in the county. I hope we win enough games for him to get recognition. He's handled every blocker he's come against."

What about Irvington? "They run from a full T. Sometimes they use a shotgun. On defense they use a 6-2. We just have to get up for the game. I'm looking for us to rebound from the Nutley game. That'll put us at .500 and then maybe we can go from there."

Annual Alum Day Planned

Whether Belleville will be leading a powerful Garfield eleven on November 2 at the half is moot, but one thing is certain; the First Annual Alumni Day ceremonies will take place at halftime.

Under the auspices of the Belleville Board of Education and its athletic council, the program will include presentation of a plaque to a Belleville High graduate who has brought honor to the town through his outstanding leadership and service to the community.

That makes two uncertainties: the outcome of the game and the identity of the recipient.

Rider Alumni Weekend Features Music Show

More than 1,000 Rider College alumni are expected to visit the sprawling Rider campus here this weekend (Oct. 25-26) for the annual Alumni Homecoming.

A musical production, a parade, open house parties, sporting events and a rock music show will lend spice to the calendar of activities for the visitors and 3,500 Rider students.

Capping the weekend will be Saturday night's traditional Alumni Dinner and Ball which will include award presentations to two distinguished alumni.

Undeclared Freshmen

Belleville's Freshmen remained undefeated as they whipped Kearny's frosh, 7-0 last Saturday in the mud.

"The big one's Saturday," said Assistant Coach George Zinfino. The Baby Bellboys meet undefeated Orange, at Orange.

Defense has been the name of the game for the yearlings. In their three victories they've been scored upon only once, by Montclair. Kearny managed only one first down in the rain. "They did a tremendous job," said Zinfino.

Quarterback Joe Lotruglio took the second half kickoff on his own 20 and proved himself a good mudder as he raced 80 yards for the game's only score. Lotruglio passed to Frank Petite for the extra point. The Bellboys made numerous other scoring gestures, but got bogged down inside the 20.

Elks, Lions, Devon, Jolly Winners In Rec Football

With two games played the Recreation football leagues are beginning to take shape.

In the lightweight division last year's champions the Elks have given notice that they mean to be up there again this year. They have defeated the Kiwanis and the Varsity Club leaving them only the Lions to face in the first round.

However the Lions will not be an easy matter because they have defeated the Varsity and the Kiwanis also. These titans meet next Sunday in a game that may very well decide this year's winner.

Out in front of the heavyweights is the Devon Electric Team with two straight wins. In their first game they beat the Biancardi team rather handily and, last week, they beat their arch rivals the Jolly Cleaners. These two teams, Jollys and Devons, finished last year as co-champs and are aiming, this year, at winning it for themselves.

The Devon-Jollys game was thrilling right from the beginning when a long Devon pass put them on the score sheet. It was an explosive game all the way with very hard hitting and hard running. During the entire last quarter the score was 13-13 and the Jollys made several serious threats but that was the way the game ended. Each of these teams holds the other in high respect and another thrilling game is promised when they meet again the second round.

The American Legion, stinging from a 13-0 defeat at the hand of the Jollys knuckled down against the Biancardi eleven to squeeze out a 7-6 win.

Recreation Football is played at the Municipal Stadium and at Clearman Field each Sunday at 1:30.

Ajacks Manufactures Recreation Pin Lead

Ajack's Mfg. remained in first place in the Belleville Rec. League at the Broad & Bay Lanes, last Wednesday night, dropping two games to Johnson's Liquors.

Mary Smith's 410, Cathy Wood's 424 and Sandy Johnson's 468 series led the winners to second place, while Joan Height's 464 series was high for the losers.

Rotsins Contractors moved in to a tie for third place by taking three games from Crescent Press, J. Graziano 454, E. Verrico 417 and H. Lubertazzo 480, supplied the power for the winners, while Betty Mitschke's 444, and Jean Tremel's 442 series were high for the losers placing the team seventh.

Bloomfield Transmission dropped into a tie for third place by losing two games to Vocaturio Excavators, although Louise Tunner, bowled a high series for the season 511. Jo Martino's 418, and Pat Slonta's 400, just weren't enough, placing the winning team in fourth place, Pamela Paxton rolled a 414, Diane Basile a 402, and Dolly

Basile a 403 for the losers. Aamco Transmission, Nutley, moved into fifth place, by taking three games from Garden State Farms. Rita Quinlan rolled a 410 series, putting the team in eighth place, while the Aamco's team cheered on Emily Freda to score a 403 series, Loretta O'Toole a 409 and Mary Trovato a 421, with Liz Lesquereaux bowling a 179 game.

Scala Hairdresser is in sixth place after taking two games from Mitschke's placing the losing team in ninth place, Doris Rossi 427, Carolee De Santis 413, and Terry De Santis 477, really bowled to take these games for the winning team.

North End Bar & Grill, came in tenth place winning two games from Angle's Luncheonette. Angle's team tied for eleventh place, with Florence De Georgio rolling a 411 series.

Broad & Bay Lanes, tied for eleventh place, taking two games from La Ducer Insurance leaving this team in last place, even though Delores Tunner bowled a 403 series.

Newark YMCA Plans Program

The Newark YM-YWCA is sponsoring a new program, beginning November 1 and continuing every Friday thereafter at Grace Baptist Church, corner of Overlook Avenue and Bremond Street, Belleville.

The program is for boys and girls, 6th grade through the 12th grade. It includes basketball at 7 p.m., club meetings at 8 and bowling at 9. The evening will end at 10.

Occasional swimming will also be available Saturday afternoons at the Y pool at 600 Broad Street.

UNFINISHED BUSINESS

The first stage of Livingston College, the new coeducational undergraduate unit of Rutgers University, is scheduled to open in the fall of 1969 on the Kilmer Area campus. The 1968 Public Buildings Bond Issue would provide some \$5 million toward the second half of the college.

APPENDICITIS IS STILL A KILLER

Anyone's appendix can be affected. This disease is common among children and particularly dangerous for the elderly. Their appendix tends to perforate easily, leading to serious infectious complications.

Cramp-like pains, nausea, and a slight fever are warnings of a possible appendix infection. If these symptoms persist, it is wise to consult a physician. Self-medication may delay treatment too long, sometimes actually permitting a dangerous appendix rupture. Often appendicitis is difficult to diagnose, for its symptoms mimic other abdominal diseases.

YOU OR YOUR DOCTOR CAN PHONE US when you need a delivery. We will deliver promptly without extra charge. A great many people rely on us for their health needs. We welcome requests for delivery service and charge accounts.

THE BAND MARCHES ON -- Under the direction of Robert Wing, Belleville's high school band provides an exciting and able performance while the Bellboys review strategy at the half.

Kindergarten Classes Aid Hook & Ladder Operations

October 6-12 was Fire Prevention Week and the kindergarten classes of School Number 1 visited the Washington Avenue firehouse. This year the children were particularly enthusiastic because Fireman Augenbaugh had showed an excellent film on fire prevention. He also explained the uniform as Fireman Lowack put on each piece of wearing apparel.

At the firehouse each child learned how to use the alarm

Apple Art Contest Highlight of Festival

A \$500 two-year art scholarship, \$50 and \$25 United States Savings Bonds, a complete selection of art supplies and other prizes are among the incentives in the annual School-Age Apple Art Contest, one of the highlights of the New Jersey Apple Harvest Festival.

The yearly tribute to the state's apple growers will be held this year from October 21 to 25.

BECK'S COLUMN

By MAX BECK

BECK'S COLUMN

During the many years that this column has been written, the writer repeatedly took issue with the duplications and proliferation of different products. An example is the 33 1/3 and 45 speeds of phonograph records. Right now there are half a dozen different speeds and systems for tape recorders on the market. All of this makes for unnecessary waste.

The worst condition exists with receiving tubes. It is absolutely ridiculous how many tube types are manufactured. If a radio or TV repairman would have to have all the different tube types with him when he goes on his calls, he would need a great big van. So don't blame the poor serviceman if he does not have the tube which burned out in your set. He can not stock them all.

Now the industry starts to make more and more different size color picture tubes. There is a 10, 14, 16, 18, 20, 22 and 23" picture tube on the market. We only hope we won't go through the same thing again as with black and white picture tubes. In its heyday there were 15 different sizes, from 9" to 27" plus a couple of freaks, one as large as 30" and several smaller than 9".

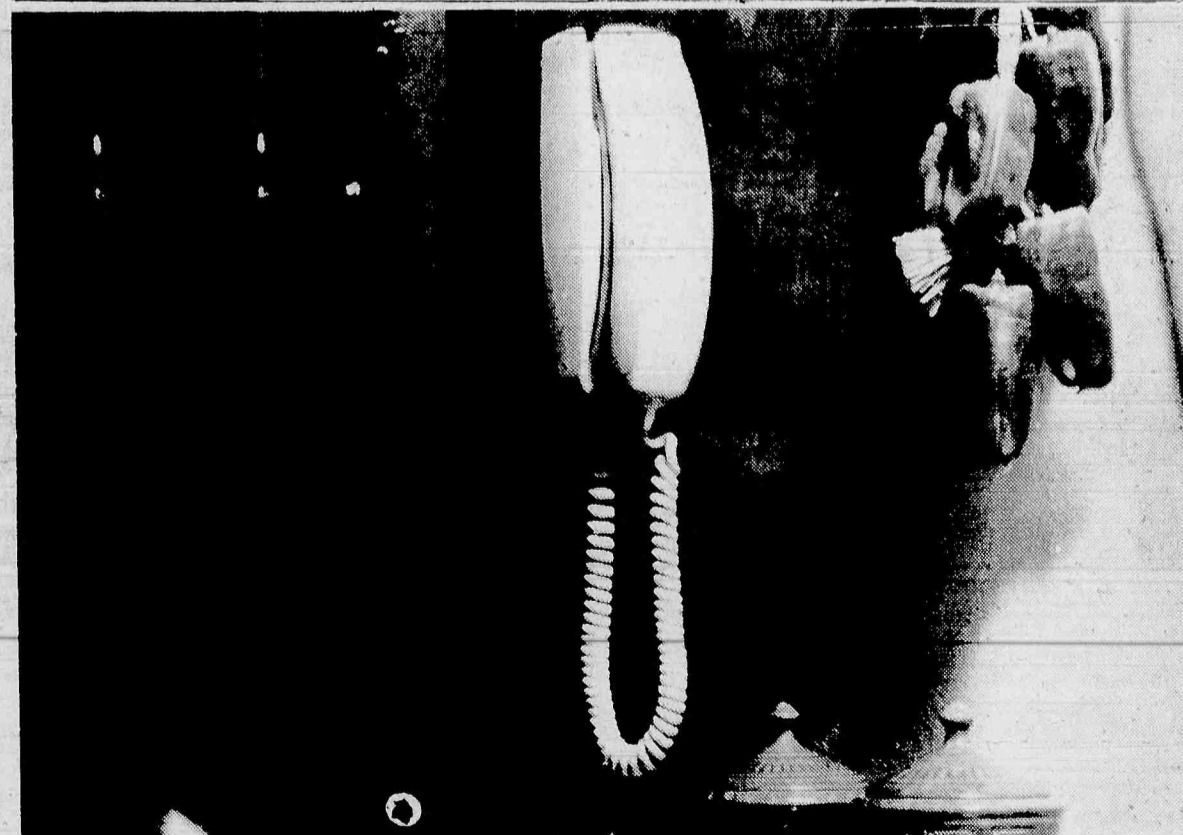

It would be much better if the factories would make just a few sizes. This would go a long way towards lower prices.

We service what we sell.

Beck's Radio TV-Hi Fi 667-2275
Open daily 9-6 Mon. Fri. 9-9.

AT THE FIREHOUSE -- School kindergartners help Fireman LaMotta man fire truck during Fire Prevention Week at the Washington Avenue Firehouse. Bottom row (l to r): Martin Jeffers, Joseph Tanala, David Castillo, Tina Yates, Allison Haley, Judith Maloon, Renee Redner, Miss Mary Lou Mele, teacher, and LaMotta. Top row: Patricia Ucci, Ann Brooks, Michelle Gionotte, Patricia Morin, Freda Anderson, Joseph Downey, Paula Richards, and William Schroeder.

Is this the most beautiful phone in the world?

Only you can answer that question -- for yourself.

The Trimline® telephone is, however, the only phone ever to be selected for the permanent design collection in New York's Museum of Modern Art.

It is compact. You lift the handset, and ten Touch-Tone® pushbuttons, which let you "dial" twice as fast, light up and come to you. It is convenient. If you're making more than one call, don't hang up. Just press the new recall button to get a dial tone.

Since you don't have to see the base to call, you can put the Trimline phone in odd, out-of-the-way places. It's a real space-saver with a cord that's 18 inches longer.

How much does it cost? Only pennies a day. And there's no extra charge for color. If you want Touch-Tone service, the additional Touch-Tone charge covers all the phones on your line.

To order in either wall or table models, just call your Telephone Business Office.

Also available with standard dial in new compact design.

Broadway Is My Beat

By JOEY SASSO

The powerhouse of the percussion, Buddy Rich has just returned from a tour of Scandinavia. The Swedes, the Norse, the Danes stood up, stomped, cheered and packed halls and theatres to greet the artist of the sticks and the skins. What follows? This follows, Buddy Rich and his big swingin' band which has come into the Riverboat in the Empire State Building for an elongated engagement.

The how now pow kind of music, fronted by Buddy's individual paradiddles and bandstand demeanor, stays through November 6, the night after the election. Band buffs who heat up over the cool of musical contents are sure that Humphrey, Nixon, Wallace notwithstanding, Buddy Rich will cover the environs around 34th Street and 5th Avenue with a blast. Buddy's a six beat favorite to cover many states of mind. This is a triumphant return for the fastest hands extant and the most devoted gum chewer this side of Paul Newman. He was last in these parts, on an extended stand basis, in '67. The Riverboat responded to him then and next Thursday's opening should set the fore for a wild month.

Buddy Rich and his boys will be doing 2 concerts nightly. At 9:15, Monday through Thursday the beat begins. Pandemonium repeats thirty

minutes past midnight. Friday and Saturday it's a three time schedule - 9 - 11 and 1. For those who want to move a bit and resort to the social tradition of dancing. The Make Believes, a capable quartet, will be off and playing enticing rhythms starting at 6:30 P.M.

JOAO GILBERTO-JONAH JONES

TEAM AT RAINBOW GRILL

The sky-high Rainbow Grill has become the bossa nova capital of the world where the Brazilian singer-guitarist Joao Gilberto is now playing his three-week stand on a bill with trumpetmaster Jonah Jones.

Joao will be strumming through "Desafinado," "The Girl From Ipanema" and the rest of the bossa nova standards he's popularized, with the Jones Boys spelling him to provide dance music.

The Rainbow Grill opens nightly for dinner, Monday through Saturday, at 6 p.m. Jonah & Co. take the stand at 8, and Joao plays two shows-- 9:30 p.m. and 12:30 a.m.

-OPENS LLOYD PRICE'S TURNTABLE ON CITE OF

OLD BIRDLAND
---Club Will Operate As A Recording Studio During Day-

Lloyd Price's Turntable, a new nightclub at 1674 Broadway (between 52nd and 53rd Streets) has opened on the same site where Birdland thrilled thousands of jazz lovers for so many years.

Over two years in the planning, Lloyd Price's Turntable is "the culmination of a dream," according to singer Lloyd Price who is the builder, owner and operator. "We will attempt to present a new concept in the nighttime entertainment here," explained Mr. Price. "We want to break down the stereotype show formats that New Yorkers are so used to seeing. We will present a revue as a total package. We will take young talent from around the country, the kids who are not getting a chance and showcase them. I knew this had to happen in New York. It had to happen in Broadway."

built the Turntable," he said. The Turntable will operate seven nights a week starting

at 8 p.m. It seats 300 around the dance floor and 30 at a glass enclosed bar. The decor is red, white and black with extensive lighting, part of which will be synchronized to the music. Prices will be \$3 cover and \$5 minimum on the weekdays and a \$4 cover and \$6 minimum on the weekends. There will be two shows nightly during the week at 10:30 p.m. and 1:00 a.m., and three shows on Friday and Saturday, at 9 p.m. and 11:30 p.m. and 1:30 a.m.

Lloyd Price himself will star in the first Turntable show for a six week period with his own revue titled "Stagger Lee". He will be backed by a 27 piece band. Featured will be the singing talents of Helena Hollands, a young female singer Lloyd Price has discovered. The show will be choreographed by Raymond Sawyer and will also star Danny Davis, a young comic.

Opening night at Lloyd Price's Turntable will be recorded for future release.

When a show is in progress, the dance floor will be covered with a stage which slides on from the bandstand. It features multi-colored blinking lights. The revue will take place on the stage. As soon as the show is over the stage rolls back, the dance floor is uncovered and music on tape will provide the dance sounds. An extensive Bell sound system, with fifteen speakers, assures maximum fidelity. Lloyd Price's Turntable. Over 450 watts of compressed sound power and wireless microphones add to the total sound immersion.

Lloyd Price's Turntable will operate as a working sound studio during the day from 8 a.m. to 7 p.m. and is available to the public on an

SHERIFF'S SALE
SUPERIOR COURT OF NEW JERSEY, LAW DIVISION, ESSEX COUNTY, DOCKET NOS. L-666-86 & J-432-47, **REBEZ NIEZ and MICHAEL P. NIEZ, Plaintiffs, vs. PASQUALINO LOMBARDOLZI and BONITA LOMBARDOLZI, Defendants, Executors.**
Pursuant to the above stated writ of Execution, to me directed, I shall expose for sale by Public Vendue, in Room 226, at the COURT HOUSE, in Newark, on Tuesday, the 29th day of October next, at one o'clock P.M. (Prevaling Time) all the right, title and interest of the above named defendants, of in and to, all those certain tracts or parcels of land and premises, herein-after particularly described, situated, lying and being in the Town of Irvington, County of Essex and State of New Jersey:

Cullen Called As President Of Kidde Firm

The advancement of Stanley R. Cullen to president of Sargent & Company, a division of Walter Kidde & Company, Inc., Belleville, has been announced. He succeeds Herman R. Gise, who retired. Clayton A. Kolstad, formerly vice president and treasurer, was named executive vice president and treasurer.

Cullen previously was vice president and general manager, having joined Sargent in 1952. During 27 years with Sargent, he held various manufacturing and administrative positions, and was elected a member of the board of directors in 1962. He was graduated from Yale College in 1933 with a bachelor of arts degree. Cullen is currently vice president and director of the Connecticut State Chamber of Commerce, and chairman of the board of directors of the New Haven Savings & Loan Association.

Kolstad joined Sargent in 1942 in production management, and became treasurer in 1958. A director in 1962, and vice president in 1965, he holds a bachelor of arts degree from Williams College and a master's degree from Harvard Graduate School of Business Administration. Sargent, based in New Haven, Connecticut, with additional manufacturing facilities in Peterborough, Ontario, Canada, produces a line of architectural hardware, including security lock systems and door-closure and exit devices for industrial, commercial and residential use.

Kidde manufactures safety, security and protection equipment, industrial and technological equipment and commercial and consumer products. Based in Belleville, the company operates more than 90 plants and laboratories in 22 states and six foreign countries.

vinston, County of Essex and State of New Jersey:
First Tract-BEGINNING at a point in the northerly line of 17th Avenue distant one hundred twenty-five feet westerly from the westerly line of 21st Street; thence northerly at right angles to 17th Avenue one hundred feet to the northerly line of the same; and thence along the northerly line of 17th Avenue south sixty-three degrees forty-one and one-half minutes east twenty-five feet to the place of BEGINNING.
Being lot No. 6 as shown on Map of property belonging to Joseph Karakas, in Irvington, N.J., made by L.J. Casey, Jr., October, 1914.
Second Tract: BEGINNING at a point in the northerly line of 17th Avenue on hundred fifty feet westerly from the westerly line of 21st Street; thence northerly at right

angles to 17th Avenue one hundred feet; thence westerly parallel with 17th Avenue thence southerly at right angles to 17th Avenue one hundred feet to the northerly line of the same; and thence along the northerly line of 17th Avenue, south sixty-three degrees forty-two and one-half minutes east twenty-five feet to place of BEGINNING.

Being Lot No. 7 on the Morasaid map. The Morasaid premises are commonly known and designated as 333 17th Avenue, Irvington, New Jersey.

Being the same premises conveyed to Pasqualino Lombardolzi and Bonita Lombardolzi by Thomas J. Jazowsky and wife by deed dated June 22, 1967 and recorded in Essex County Register's Office June 25, 1967 in Deed Book 3872 pg. 547 et seq.

Subject to all liens and encumbrances of record, including but not limited to a mortgage in the nominal sum of \$31,000.00 held by M-14

town Savings and Loan Association; a mortgage in nominal sum of \$4,000.00 held by Amelia Farro; covenants, easements, restrictions of record, zoning ordinances of the Town of Irvington, existing leases, tenancies and rights of occupants.
The approximate amount of the Judgment to be satisfied by said sale is the sum of Four Thousand and Forty-Nine Dollars and Ninety Cents (\$4,049.90), together with the costs of this sale.

INSTITUTION, a banking corporation, Plaintiff, vs. JOHN L. MANNING, et ux, et al, Defendants. Alias Execution For Sale of Mortgaged Premises.

By virtue of the above stated writ of Execution, to me directed, I shall expose for sale by Public Vendue, in Room 226, at the COURT HOUSE, in Newark, on Tuesday, the 29th day of October, next, at one o'clock P.M. (Prevaling Time) all the following tract or parcel of land and the premises hereinafter particularly described, situated, lying and being in the City of Newark, in the County of Essex and State of New Jersey:

BEGINNING at the point of intersection formed by the northerly line of Broad Avenue with the easterly line of Aldine Street; thence running along said line of Aldine Street North 63 degrees 55 minutes East 100.13 feet; thence in an easterly direction South 43 degrees 18 minutes East 45.48 feet;

thence southerly and at right angles to Broad Avenue 100 feet; thence running along the said line of Broad Avenue North 43 degrees 18 minutes West 43.82 feet to the point and place of BEGINNING. Known as 17 Braxaw Avenue, Newark, New Jersey.

The above description is in accordance with a survey made by Vincent Richman, Surveyor, dated December 27, 1968.

Subject to, and together with a right of way on and over a strip of land 4 feet wide and 80 feet deep running on the easterly side of a strip of land being the most easterly 4 feet of the above described premises, for a depth of 80 feet, and wale, strip of land comprises a strip of land 4 feet

wide and 80 feet deep to be used as a common driveway for the benefit of the parties hereto their successors, heirs, executors, and their servants, attendants and occupants from time to time of the premises above granted, and the premises joining on the east, and any other person or persons for his and their benefit and advantage for all times, freely to pass and repass on foot or with animals, vehicles, loads, or otherwise to and fro.
The approximate amount of the Judgment to be satisfied by said sale is the sum of Twenty Thousand Five Hundred and Eighteen Dollars and Fifty-Seven Cents (\$20,518.57), together with the costs of this sale.

Museum Show Includes Works of Local Artists

Three Nutley artists are represented in the Newark Museum's exhibition, "New Jersey Artists 1968," which began on October 18 and will continue through December 1. The show is a comprehensive survey of the recent production of professional artist who live or work in New Jersey.

James Carlin of 73 Cathedral Avenue is represented by an oil, "Silent Preparation," Michael Lenson of 16 Enclosure has on exhibition the silverpoint, "Archaic Fragments," Nancy Shaffer of 76 Manhattan Court has an acrylic painting "Veadar" at the exhibit.

Over 125 works have been selected for the show by a museum committee including Director Samuel C. Miller, Associate Director Mildred Baker and Miss Herdis Bull Teilman, Curator of Painting and Sculpture. The committee made its final selections after viewing hundreds of works at the museum and in artists' studios throughout the state. Purchase awards for the museum's collections, in lieu of prizes, will be announced later.

Miller commented, "I am impressed by the high quality and diversity of work being done in New Jersey. This exhibition is by no means 'regional' in the usual sense of that term. New Jersey has attracted many artists of national and international reputation and we are fortunate to be able to bring their work together in one show."

In addition to sculptures Tony Smith and George Segal, Miller pointed out that Ben Shahn, Lee Gatch and Richard Anuszkiewicz are among the New Jersey artists whose reputations are international in character. He added, "Many nationally-known artists teach in New Jersey colleges and art schools. We are only beginning to realize how important their influence is on the work being produced in the state."

All media are represented in the show, including paintings in oil, water colors, and a variety of new plastics; drawings and prints; collage, construction and sculpture in both familiar and unusual styles and materials. Fur, mirrors, rope, metal film and plastics are listed as materials. There are many examples of the growing movement to combine painting and sculpture, including shaped canvases and painted sculptures.

In addition to realistic works, both landscapes, and figurative the show reveals many artists' preoccupation

ZARA NELSOVA - noted cellist, will appear with the New Jersey Symphony Orchestra this Friday and Saturday at Montclair and Millburn High Schools as the symphony opens its 1968-69 season. The concert, to be directed by Henry Lewis, will feature Miss Nelsova playing Bloch's "Schelomo," a rhapsody for cello and orchestra, and Tchaikowsky's Variations on a Rocco Theme for cello.

Artist Michael Lenson Lectures From Pulpit

Michael Lenson, well-known Nutley artist, spoke in the Collegiate Pulpit of the Unitarian Church, Montclair Sunday at 11 a.m. Lenson's subject was "Art As An Extension of the Spirit."

Michael Lenson's career as an artist covers easel and mural painting, teaching and lecturing, writing and administration. As a muralist, he has executed such major mural projects as the New Jersey Pavilion at the World's Fair, the mural at Newark City Hall, and Post Office murals for the U.S. Treasury Department, among many others.

As easel artist, having won the \$10,000 Chaloner Paris Prize in 1928, he studied at the Slade School, University of London. From there, he continued to study and paint in France, Italy, Spain and the Netherlands while exhibiting work at the Goupil Gallery in London, and in the Printemps and Autumn Salons in Paris.

In subsequent years he has shown in such group shows as the Carnegie International, Corcoran Gallery, Museum of Modern Art, Pennsylvania Academy, Albright Gallery, the Butler Institute, Art USA (1958), and the Cleveland, Rochester, Dallas, Newark, Montclair, and Trenton State Museums, to name a few.

As a teacher, he was with the Rutgers University, Newark Extension, for 7 years and is at present on the staff of the Montclair Art Museum.

His career as art critic, in its 12th year with the Newark Sunday News, involves critical reviews of exhibitions, as well as art publications, the latter having also appeared in the Saturday Review.

His lecturing career includes art appreciation courses given at the Maplewood, Montclair and Rumsen Adult Schools, numerous appearances before art and lay organizations in the East, and both radio and national TV appearances.

N.J. Symphony Orchestra Opens Season Tomorrow

The New Jersey Symphony Orchestra this Friday and Saturday evenings will open its 1968-1969 season with concerts at Montclair and Millburn High Schools respectively.

The Friday night concert at Montclair, to start at 8:30 p.m., will mark the beginning of the first full season for Henry Lewis as the Symphony's permanent music director. He assumed the position on June 1.

Zara Nelsova will be featured as soloist at the concert pair and will perform with the orchestra in Bloch's "Schelomo," a rhapsody for cello and orchestra, and Tchaikowsky's Variations on a Rocco Theme, for cello.

Starting time of the Millburn concert on Saturday

evening also will be at 8:30 p.m.

This year's subscription season for the symphony consists of the four suburban concert pairs, or eight concerts

in all, plus two separate dates at Newark's Symphony Hall. In addition, other individual concert dates are planned for the current year at Symphony Hall and at other locations.

'Brigadoon' To Be Given By Montclair Operetta

The Montclair Operetta Club, beginning its forty-fourth season, will present the enchanting Lerner and Loewe musical "Brigadoon" on November 15, 16, 22 and 23 at the Mt. Hebron School, upper Montclair, at 8:30 p.m.

There is a special charm about "Brigadoon" in its music, its story, and its dances that arises in part from its heathery setting, but in even greater part from the masterful blend of those elements.

The Montclair Operetta Club chorus and orchestra will combine talents, along with top professional leads, to create a musical atmosphere which builds steadily from the misty beginning to the triumphant conclusion, embracing along the way some lovely ballads such as "Almost Like Being in Love," and "There But for You Go I," and rousing choruses including "I'll Go Home With Bonnie Jean."

Ambitious staging and lighting effects are evident, especially in the opening scene where the distant chorus, invisible behind an empty, misty glen, soon comes tumbling to life as the glen fades and the spirited chorus of "Down on MacDonagh Square" is heard. And thereafter "Brigadoon" offers one delightful moment after another---the soaring duets for the hero and heroine, the touching wedding ballad, "Come to Me, Bend to Me," and the rowdy songs of the soubrette and the splendid Scottish dances.

"Brigadoon" tells the story of a young American and his companion, who happen on a small village in the highlands of Scotland, a village that is unlisted on any map. They discover that it is an enchanted

town that comes to life for one single day every hundred years, and follow the villagers through a day that includes a wedding and a near-disaster when one of the young Scots tries to leave the town.

"Brigadoon," which combines love story, charm and fantasy, and a memorable score, has taken its place as one of the major classics of the popular musical theatre.

Details regarding public sale tickets will be forthcoming.

Drug Users Sent To Pen

Two men received six month penitentiary sentences from Judge Edwin J. O'Looney for being under the influence of narcotics at the October 2 meeting of the Nutley Municipal Court.

Felix Rodriguez of 62 7th Avenue, Newark, and Roberto Morales of 65 4th Avenue, Newark, both pleaded guilty to the narcotic charges.

Town prosecutor, Robert Citrino moved that a charge of unlawful use of an automobile be dismissed against Rodriguez, and the judge upheld the motion.

BONDS YES TAXES NO

If your car is in bad shape, you can't buy a new one out of household money. You borrow and pay it off, right? That's what the New Jersey Bonds are all about Election Day . . . Borrowing to build roads, colleges, state institutions, vocational schools and to improve commuter railroads.

Remember, the State Treasurer said publicly that paying off the Bonds will **not** require a personal income tax. But if we fail to okay the Bonds he said we'll be left with two choices: Do without badly-needed facilities or pay for them with a new tax, probably an income tax. Get in there and vote Bonds Yes, taxes no.

Here are some examples of bond issue projects in Northern New Jersey,

A new state college located in Bergen County; facilities for 8,500 more students at Jersey City State, Montclair State, Newark State and Paterson State; ten new buildings for Bergen, Essex and Morris County Colleges, three buildings for Rutgers-Newark; space for 1,000 more students at NCE; and completion of the College of Medicine and Dentistry.

A modernized rail transit system is planned for the Erie-Lackawanna, Jersey Central and other lines carrying passengers. Electrification; new cars; improved stations; more parking; better connections and grade crossing eliminations are among the improvements.

Highway travel will be improved with the construction of 140 miles of new freeways in 14 areas throughout North Jersey. Major improvements are slated for the following routes.

10	46	206	7	17	22	31
3	94	4	9W	20	23	

Bonds will also pay the State's share of vocational education facilities including 10 new schools in Bergen, Sussex, Morris, Union, Passaic and Warren Counties, and improve other vocational schools in North Jersey. Also: new community mental health centers in Bergen, Morris, Hudson and Union Counties; an area unit for neglected children; and community retardation centers for each county.

Municipal Officials To Meet In Annual State Conference

Richard J. Hughes and State Senate President Edwin B. Forsythe will head the list of government leaders scheduled to address sessions of the annual conference of the New Jersey State League of Municipalities, to be held November 19-22 in Atlantic City.

More than 7,000 municipal officials and government consultants are expected to participate in the four-day round of meetings which will include panels, consulting periods and workshops. Mayors, councilmen, township committee members and administrators from most communities in the State are expected to attend, according to League President George R. Holland, Hamilton Township Committeeman (Mercer County), who announced conference plans today.

Michael Lenson

(Continued from Page 26)

As administrator, he held the post of Assistant New Jersey Supervisor of the mural and easel division under the Federal Arts Program, and he was director of the Newark School of Fine and Industrial Art from 1946 to 1949.

Prizes in addition to the Chaloner award include: Second (1953) and First (1958) Awards at the Montclair Museum's N.J. State Exhibitions, and Purchase Prizes at the Bamberger Annual Exhibitions in 1957 and 1960.

His work is in the Newark and Montclair Museums.

Museum Show

(Continued from Page 26)

with experiment in style and technique. Primary structures, Pop, Op and Minimal, or "Cool", Art are included. Some of the most interesting works incorporate movement or lights. Sound is integrated into one sculpture by means of radios. Serialism is evident in works with repetitive elements. A few artists are producing "environmental" works with repetitive elements. A few artists are producing "environmental" works that take on some of the characteristics of "happenings."

The Newark Museum, 49 Washington Street, is open weekdays from 12 to 5 p.m.; Sundays and holidays from 2 to 6 p.m. Admission is free.

Mrs. K. Foerster; Born In Germany

Mrs. Elsie Posewitz Foerster, wife of the late Karl Foerster of 87 Hillside Avenue, Nutley, died on October 15 at her home. She was 83.

James Baynard; Maroon Alumnus

James Swinton Baynard, son of Mrs. Mae P. Baynard and the late James Swinton Baynard of Nutley, died on October 15 in Columbia Hospital in Lexington S.C. He was 49.

A graduate of Nutley High School and Rutgers University, Swinton was the great-grand nephew of the late Mr. and Mrs. A.B. Sturgis of Nutley.

He is survived by his three daughters; Mrs. Larry Wingard, Miss Susan Baynard, and Miss Betsy Baynard, all of Lexington, S.C.

The funeral service was held from the Caughman Harman Funeral Home in Lexington, S.C. on October 16 at St. Stephen's Lutheran Church. Interment followed in the church cemetery.

Louis DeMarzio; 16-Year Resident

Louis DeMarzio of Nutley died suddenly at his home on October 16.

Born in Italy, he moved to Nutley 16 years ago from Newark. He was a member of the Holy Name Society of the Mount Carmel Church, Nutley. He was also employed by the General Instrument Company of Newark for 15 years, and was a veteran of World War II.

He is survived by his wife, Mrs. Sally Sisko DeMarzio; a daughter, Miss Dolores DeMarzio of Nutley; his sisters, Mrs. Jean Belle of Syracuse, N. Y., Mrs. Sarah Nevola of Thornwood, N. Y., Mrs. Mildred Denesco of North Miami Beach, Fla., Mrs. Anne Cerreta of New York City, and the late Mrs. Carolin DaDazzio and Mrs. Mary Cestone; and his late brother, Joseph.

A Requiem Mass was offered at Our Lady of Mount Carmel Church on October 21. The funeral was from the Biondi Funeral Home at 540 Franklin Avenue. Interment followed at Immaculate Conception Cemetery, Montclair.

Capriglione Denounces Viewpoint

Anthony Capriglione of Nutley, Amvets National Inspector General and former New Jersey State Commander of Amvets, issued a strong denunciation today of the Conservative Party in Essex County "for its ridiculous insinuation that Rep. Peter W. Rodino (D-10th District) does not maintain a responsible pro-American viewpoint."

"This is one of the most irresponsible charges I have ever read, even in the thick of a political campaign," Capriglione said.

"Congressman Rodino is known and respected from coast to coast for his unquestioned patriotism and his constructive contributions to a stronger America."

"The Amvets' 200,000 members demonstrated their love of country by serving in the armed forces, and they showed their esteem for Congressman Rodino by awarding him the Silver Helmet, our highest national honor. Other winners of the award, Capriglione said, included former President Eisenhower, General Westmoreland, Ralph Bunche and Senator Everett Dirksen."

The award to Congressman Rodino was made "in recognition of his continuing efforts and contributions to the public interest, his leadership in foreign affairs, his strong belief and aid toward the betterment of mankind throughout the world, his many activities in behalf of veterans, our youth and our senior citizens."

"As a resident of the 10th District, I resent the presumptuousness of the Essex Conservative Party in setting itself up as the authority to judge who maintains and who does not maintain a responsible pro-American viewpoint, particularly when the Conservative Party's judgement is so obviously wrong."

Capriglione said the "unwarranted slur on Congressman Rodino was the basis of a news story of the withdrawal of Dr. Edmund Matzal of Montclair, the Conservative Party candidate for Congress in the 10th District, in favor of the Republican nominee."

The story was published in several weekly newspapers Sept. 27th.

"I waited until today to give adequate time for the Republican candidate to disavow the support of the Conservative Party. But for reasons known only to himself, he has chosen not to do so, and so I consider it my duty as a good American to call to the attention of your readers the constructive, pro-American record of Congressman Rodino, and to urge his re-election in the best interests of the 10th District and the nation," Capriglione said.

A nation is as strong as its average citizen and no stronger.

SIXTY FIVE FRIDAYS — Officers of Nutley's Friday Afternoon Club pose at the Upper Montclair Country Club prior to 65th Anniversary Luncheon, held October 11. Left to right are Mrs. S. R. Mountsier, Jr. of the Luncheon Committee; Mrs. Ralph E. Dougherty, Secretary; Mrs. G. P. Kelley, Vice-President and Mrs. Rollin G. Shaffer, President.

Air Force Academy For Binn

Brian A. Binn, son of Mr. and Mrs. Harold Binn of 53 Emily Avenue, Nutley, is one of more than 1,200 freshmen cadets who have entered the U.S. Air Force Academy class of 1972.

He recently completed the academy's stringent basic training program for acceptance into the cadet wing. The two-month program includes field training at a simulated frontline combat base near the academy, strenuous physical conditioning and survival instruction.

The cadet now enters a four-year course of study leading to a bachelor of science degree in one of nearly 30 fields covered by the curriculum and a commission in the Air Force as a second lieutenant.

Cadet Binn is a 1968 graduate of Nutley Senior High School, where he was a member of the National Honor Society. He lettered in tennis and was captain of his bowling team.

Essex County GOP Sees Big Absentee Vote Ballot

The Essex County Republican Party today announced plans for a massive absentee vote drive aimed at Essex servicemen stationed away from home.

Essex County Republican Chairman, William F. Yeomans, and Committee Director, Assemblyman Ralph R. Caputo, cited "a tremendous influx of inquiries regarding absentee ballots by servicemen and their families" as the impetus for the drive.

"Large numbers of voters are unaware of absentee ballot procedures and this campaign will offer information and assistance to all Essex servicemen stationed away from home or overseas," they stated.

Chamber Of Commerce Makes Monthly Report

MEMBER BELLEVILLE CHAMBER OF COMMERCE recently appeared on ads in local papers by: John J. Monaghan, Registered Representative Mayflower Securities with an office at 51 Linden Ave. . Jolly Cleaners, 300 Washington Ave. . The Glass Company, 585 Washington Avenue. . Tannens Shoes, 141 Washington Ave. . May we also suggest that when you subscribe to an ad book by any local organization that you require that the above slogan be added to your advertisement.

DID YOU KNOW? That in 1940 the average Federal Income Tax per citizen was \$40.56 and in 1966 it had climbed to \$658.03, it is more by now. . . That membership in the Belleville Chamber of Commerce shows a gain of 12% over this same time last year. . .

EVEN THE HAVE-NOTS HAVE Everyone sympathizes with the needs of the nations' destitute. . . Certainly we've heard plenty about the plight of the poor from the politicians, Washington says 12% of America's families live in poverty. However, other statistics show that only 10% of American families don't have vacuum cleaners and only 3% don't have television sets. Moreover, a Census Bureau survey of buying by low-income families shows that half the young poor, supposedly trapped in poverty, bought cars in a year. . . It all makes you wonder whether it's a case of figures lying or Hars figuring. (From Nations' Business: September 1968).

WHEN WE SEE The Columbia students rioting, if they are students, showing an utter disregard for the great opportunity that has been provided for them and to which they have contributed nothing, there is brought to mind the picture of Abraham Lincoln on the dirt floor of his cabin studying from a law book by the light of the fire in the fireplace. . . One also recalls the many students known by the writer of this News Letter, who worked their way through College; washing dishes, bell hopping, waiting on tables and other menial tasks, and there rises within a feeling of complete disgust as well as concern for the future of our country. MAJOR CRIME UP 21% That's what the F.B.I. says we scored the first six months of 1968 compared with the same period in 1967. The Northeast, that's us, had the greatest increase. The South - the smallest increase. FEDERAL EMPLOYMENT As part of the 10% Surtax, Congress demanded that Federal Employment be rolled back to the 2,738,047 figure where it was on June 30, 1966, but you guessed it, instead as of June 30, 1968, Federal Employment, exclusive of the armed forces, rose by 30,322 to 3,032,817 and we will be lucky if the proposed 6 billion dollar cut in budget is only half that amount. . . HE WHO WILL NOT ECONOMIZE will have to agonize." - Confucius. SANTA CLAUS IS COMING TO TOWN Yep, believe it or not we are getting around to that again. . . The Belle-

ville Board of Education has granted permission for a helicopter landing at Clearman Field on Friday, November 29. More later, but in the meantime, store keepers and others can tell those with whom they come in contact that youngsters and young oldsters should be at the field to greet Santa on his annual visit.

Broadway Is My Beat

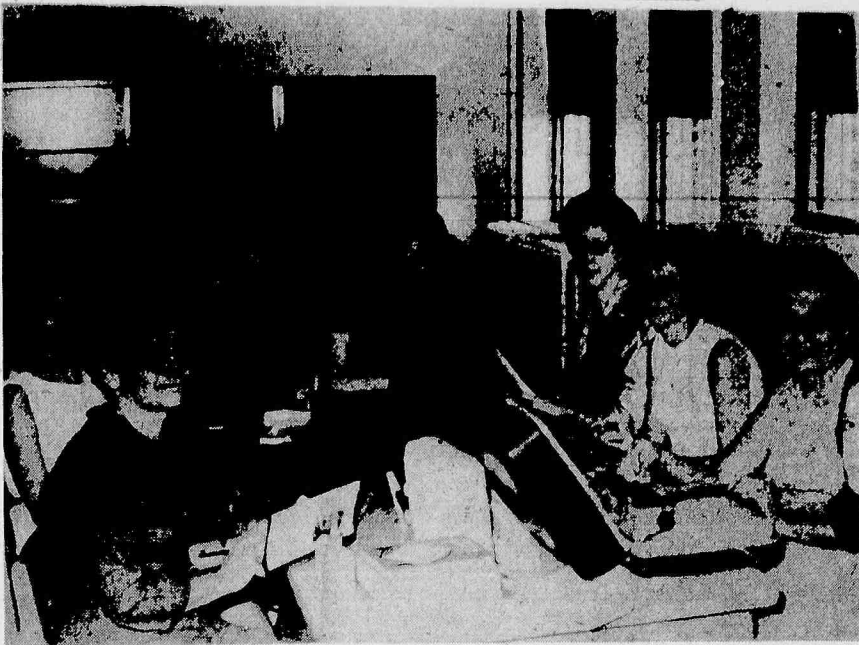

Continued from Page 14

hourly rental basis for recording.

Featured items on the Turntable menu will include Basket Full of Chicken, Turkey Club Sandwich, Steak On Toast, Chicken Sandwich, Corn Beef Sandwich, Hamburgers and French Fries. Specialties at the bar are named after Lloyd Price's hit records, "Stagger Lee" (Zombie), "Lady Luck" (Martini), "Lawdy Miss Clawdy" (French 75) and so forth.

Lloyd Price has been a phenomenally successful recording artist since the fifties. He has sold a total of almost 15 million records. His "Personality" has sold more than 3 million records to date. "Stagger Lee" zoomed past the 2 million mark in record sales. Born in New Orleans to a family and in an area equally steeped in music of tradition feeling, he is the son of a Gospel singer and an accomplished pianist.

Reservations at Lloyd Price's Turntable can be made

LIBRARY OPENS — Members of the library committee of the School Number 2 Home and School Association, have been working since September on readying the school library for its October 21 opening. Pictured working diligently are: Mrs. A. DeMauro, Mrs. C. Newcomer, Mrs. B. Schaeffer, Mrs. A. Paserchia, Mrs. P. Iacullo, Mrs. J. Callahan, Mrs. S. DoPart, and Mrs. F. Nigro.

MAGIC ARRIVES AT LATIN QUARTER

That "Old Black Magic" man, Mr. Talent himself, Billy Daniels joined the "Les Belles De Nuit" revue at the Latin Quarter October 16, for a two week engagement. No stranger to Gotham, Billy has scored in the big town for may productive and fabulous show business years. The Daniels brand of excitement is well known to cafe-goers from New York to New York - by way of round the world. The star spot in Muriel Millard's fabulous spectacular will be more than admirably filled come Wednesday night.

Also featured at the Latin Quarter are the widely acclaimed dance team Szony and Claire - always a show stopper - the highly talented Rosettis, who are making their

American debut and the Peiro Bros. an act known the world over.

Not to be forgotten is "Les Belles De Nuit" one of the most exciting and colorful revues in the Latin Quarter's 26 years history. Loaded with 30 gorgeous semi-nudes and eye-catching "costumes", this show more than matches anything Broadway has to offer.

SLAPPY WHITE OPENS AT THE LIVING ROOM FOR 2 WEEKS SONGSTRESS JUDY BRANCH ALSO ON BILL

Comic Slappy White opened a two week engagement at The Living Room beginning Monday, Oct. 14. Mr. White is currently one of the hottest comedians in the business - appearing with great regularity on all of the major network Tv variety shows. He has also played most of the major nightclubs around the country.

Songstress Judy Branch will also be on the bill. This marks the first time Miss Branch has played The Living Room.

The Bob Ferro Trio will provide their usual musical interludes.

ANNE FRANCINE HAS PERFECT RECORD IN "MAME" HAS PLAYED OPPOSITE 4 LEADING LADIES

Anne Francine has played the part of Vera Charles in "Mame" now over 500 times without ever missing a performance. In that time, she has also been a "bosom buddy" to four different Mames - Angela Lansbury, Shelia Smith, Celeste Holm, and Janis Paige - once again proving that even the closest of friendships are often merely transitory.

Emotions are valuable but civilization teaches self-control.

Kidde Inc. Reports Net Income

Walter Kidde & Company, Inc. reported net income of \$15,497,000 on sales of \$367,325,000 for the nine-month period ended September 30, 1968. Federal and foreign income taxes were \$16,130,000.

Earnings per common share amounted to \$2.60, based on the number of shares outstanding at the end of the period. If all Series A preference shares has been converted into common shares prior to the end of the period, earnings per share would have been \$2.15.

The nine-month results do not include the operations of companies whose acquisition by Kidde was pending at the close of the period, principally United States Lines Company. Shareholders of both Kidde and U. S. Lines will meet November 29 to approve the merger agreement.

Kidde manufactures safety, security and protection equipment; industrial and technological equipment, and commercial and consumer products. Headquartered in Belleville, New Jersey, the company operates more than 90 plants in 22 states and six foreign countries.

Parkway Conducts Annual Lights On Please Program

The Garden State Parkway was set today to shed some light on the darkness that falls earlier along the road with the end of Daylight Saving Time next Sunday, October 27.

Chairman Sylvester C. Smith, Jr., of the New Jersey Highway Authority said the Parkway will conduct its 7th annual "Lights On, Please" program starting tomorrow in the interest of safe driving.

Stephen Poliacik Assumes Vocational Education Post

Stephen Poliacik, director of field services for the State Department of Higher Education, is leaving that department to become director of the professional services branch of the Division of Vocational Education in the State Department of Education.

Poliacik's new assignment, was announced today by State Education Commissioner Carl L. Marburger.

He fills a vacancy created by the recent transfer of Dr. Bernard A. Kaplan from the vocational division to the department's new Division of Research, Planning and Evaluation.

Poliacik, an educator in New Jersey 31 years, has been director of field services six years, serving first in the Education Department's Division of Higher Education and then in the Higher Education Department which was established in 1967.
