

# Board Of Education Moves To Appeal Proposed Reduction Of 1969 Budget

**NO NOTICE** — That is what Frank Simeone of 113 Ralph Street claimed that local residents received in regards to the public hearing on the Central Uniform Company variance request. The hearing was continued until the next town meeting.

**TWO MAYORS** — Mayor Kenneth Smith and all of the commissioners had youthful proteges from the local DeMolay Chapter at last Monday's meeting. The boys were invited to sit at the meeting by the Mayor and Commissioners to celebrate National DeMolay Week. In this picture Tom Imdenden and Mayor Smith both contemplate the night's agenda.

## McCoy Explains State's Options

The fate of the 1969 Belleville Board of Education Budget is now in the hands of the State Commissioner of Education since the board voted to appeal the town commissioners \$205,777 cut of the proposed figure.

In appealing the commission's decision, the board was careful not to make any sweeping claims about their move.

Rather, they issued a simple statement that "the board, after an intensive review and discussion, has come to a conclusion that it cannot run the school system adequately in view of the cut imposed by the town commission. The matter has been placed into the hands of the Board Counsel who will file legal papers with the State Commissioner of Education."

Town Treasurer Francis McCoy, who has been in touch with Trenton reports that the procedure for such an appeal is actually quite complex. The board, he says, must submit a petition to the State Commissioner of Education.

The Commissioner will then notify the town commission who in turn must reply to him within seven days.

If the Commissioner still feels that a conference is necessary, it is set up with both parties participating in the office of the Assistant Commissioner of Business and Finance.

If it is then deemed necessary, a hearing will then be held in the office of the Commissioner of Business and Finance. Whatever the decision is there will then be final and binding on the town fathers.

It is hoped that the whole proceedings will be over within the next month or so because the town tax bills have to be sent out by June 1, and if the State is going to give back some of the money which was cut, it could present financial problems with the town budget.

The commissioners released their cuts of the budget on March 7. They recommended the deletion of the salary ratio formula for administrators along with the \$205,777 cut.

The cut will reduce the amount to be raised by taxation to \$3,841,447 for current expenses and capital outlay and \$178,356 for debt service, which is still \$311,621 more than last year's appropriations.

Belleville voters have a habit of defeating school budgets at the polls. Last year, after being defeated twice, the commissioners made a \$200,000 cut in the

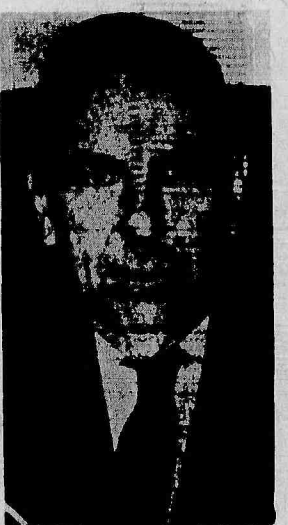

budget, but the Board didn't appeal the figure.

This year, as last year, the commission identified many areas where the budget could be reduced though their recommendations were not binding on the board.

The only power the commission has over the board is to tell them how much has to be cut from the budget. They can't dictate where it should be taken from.

The commissioners stated that "it was time the ratio formula was scrapped because

## Residents Want Representation

# Central Uniform Variance Request Continued Until Next Town Meeting

The application for a variance by the Central Uniform Company came up before the Board of Commissioners again Monday night, and a number of Ralph Street neighbors demanded a continuance so that they could obtain counsel on the matter.

Frank Simeone of 113 Ralph Street claimed that the residents weren't informed of the public hearing on the matter, and that a

continuance should be granted.

Things have been happening rapidly on the variance request. On February 10 the Commissioners sent the new proposal of the uniform company back to the Zoning Board of Adjustment for a hearing.

The Zoning Board had the hearing at its next scheduled meeting which turned out to be last Tuesday night.

The Board ruled that

whereas Central Uniform has been passed by the Zoning Board once and that the recommendation of the Zoning Board was reversed by the Board of Commissioners; and that the Commission's decision was appealed by Central to the Superior Court who in turn remanded it back to the Board of Commissioners who then turned it back to the Zoning Board because of the stipulation that Central

would agree to park only employee automobiles on the premises, the Zoning Board again recommended that the variance be granted.

Vincent Moller of 225 Stephen Street, Belleville, a resident who has opposed the variance since its beginning, claimed that this latest attempt by Central has been "rammed through the Board of Adjustment where the people had no voice and now you (the commissioners) are pushing it through here."

Ralph Salerno, who appeared on behalf of Central Uniform, answered a number of queries from those present, but the residents demand for representation took precedent, and the hearing was postponed.

The history of the variance is a complicated one. On September 19, 1967, Central applied for a variance for use of the premises as a parking lot with space for 10 vehicles. The Town Zoning Board

recommended granting of the variance to the Town Commission.

On October 9, the commissioners heard the arguments of Central and the objectors, and tabled the measure. It was carried to May 16, 1968 when further arguments by both counsels were presented. Later the commissioners denied the application.

Central filed a writ to reverse the decision. In the pretrial hearing, the matter was referred back to the board of commissioners for a full airing at a meeting.

Salerno contended that the Board of Adjustments had recommended that the variance should be granted. He stated that the board felt the property was for commercial and industrial use and not adaptable for residential use. "The parking lot will alleviate traffic by providing off street parking," Salerno quoted from the

board's report. "It would be convenient to workers, visiting businessmen, and residents. It would enhance the appearance of the premises and not be injurious to neighbors. Health and safety hazards would be eliminated."

Salerno noted the conditions the board imposed when recommending approval of the variance by the commissioners. They were: to provide a grade for drainage; material used must be blacktop; the lot must be enclosed by a cyclone fence with a gate; employ angle parking and not more than 10 trucks at any given time should be parked.

Objections to the variance Salerno cited include; noisy trucks would be pulling in during the morning and starting at night and emitting noxious fumes. "The board saw no problem on these

## Going To Court

# Civil Service Commission Denies Appeal By Risoli

Ralph Risoli is going to have to take his Administrative Clerk Registrar case to court because the Civil Service Commission has denied his appeal to them and has upheld Town Attorney Nicholas Amato's removal of Risoli from the town payroll.

In a letter dated March 6, John J. Farrell, the chief examiner for the Civil Service Commission informed Risoli that the Commission had received his letter of appeal which came after the Commission's first ruling on the matter.

The Commission requested that the office of the Attorney General make a further review of the complete file on the matter.

In reply, the Attorney General's office states "that the position created by ordinance adopted April 10, 1967, was Administrative Clerk, Department of Public Works and Affairs. Subsequent to the adoption of this ordinance, the Town of Belleville reorganized from a city-manager form of government to a mayor-council form, and in so doing established two separated departments, Department of Works and Department of Public Affairs."

"The former position of Administrative Clerk, Department of Public Works and Affairs was allocated to the Department of Public Works, and no new position of Administrative Clerk, Department of Public Affairs, was created. The ordinance that you (Risoli) refer to did not create the position that

upholding the town's position, has strengthened the town's stand for any impending court battle.

Risoli contends that Town Ordinance No. 1773 dated April 10, 1967, states that the department of public affairs must have an administrative clerk. He says that it supercedes a 1966 ordinance that provided for administrative clerks in every department but public affairs. The 1967 ordinance, he claims, was never rescinded, so Commissioner Strumolo and Risoli thought that submitting the Risoli appointment to the Board of Commissioners for approval was just a formality, and that it would be passed.

The court case against the town originated after Farrell sent a letter on October 30 to the town saying, "you are hereby directed to place the name of Ralph Risoli on all payrolls submitted to the Newark office as Administrative Clerk."

The town, in the person of Amato, refused to do so since the ordinance was defeated, so Risoli hired Lawrence Schwarz as his lawyer.

Amato contends that the Commission can't force a

Risoli has called the latest letter "asinine" and intends to pursue his suit in court. Amato feels that the Civil Service Commission, in

## What Is Belleville?

# Program Presents Matrix

Belleville is a delivery system for services according to George Taper, a Rutgers professor who headed up the first in a series of six seminars in the community Council's goals and development program last Tuesday evening at the high school.

Taper set up a matrix which he asked the participants in the program to either accept or reject. He claimed that as a delivery system for services, Belleville is also a revenue system to pay for the services.

As a revenue system, all of the towns in New Jersey, and Belleville in particular, have been burdened with real estate taxes.

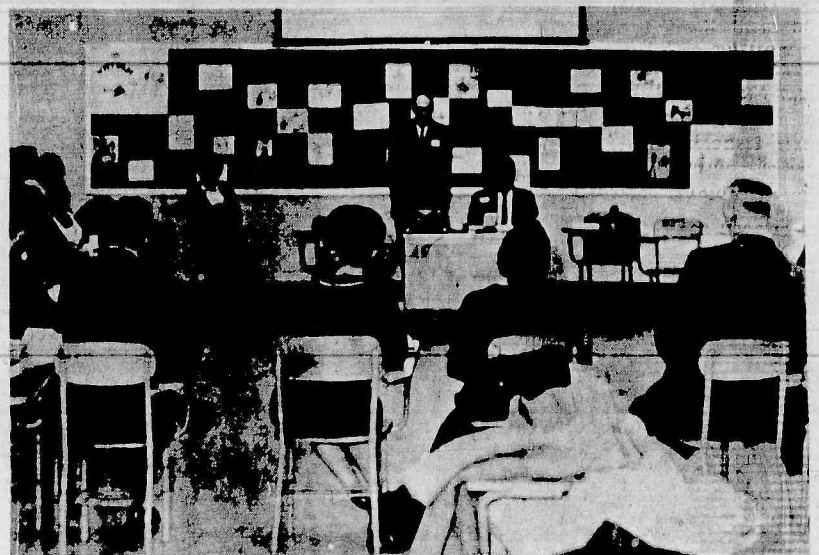

The problem, claimed Taper, with the people in all of the small communities in the state, is that they are only worried about their own

needs. As a result, the educational standards on the elementary and secondary level is nearly the best in the country because it is supported by the revenue system paying for the service, that is, real estate taxes.

But when someone gets to the level of higher education New Jersey is fiftieth among the states because of the narrow view of the people who want to protect their own, but don't want to subsidize anyone else's education.

The same holds true on aid to communities like Newark. The people of Belleville, Taper said, "observe local government because they only consider one system of delivery and one system of revenue."

(Continued on Page 3)

**COMMUNITY GOALS** — Belleville's first Community Goals and Development seminar was held last Tuesday evening in the high school. The entire series of six sessions, which is sponsored by the Belleville Community Council, is intended to examine where Belleville has been, and where it is going.

# Central Uniform Company Variance Application Held Over For Next Meeting Of Commissioners

(Continued from Page 1)

Mr. Welch has represented the property owners of Ralph Street who oppose granting of the variance from the start of proceedings in 1967.

"We're here to determine the reasons for either granting or denying the variance," he said. "I see no reason to change the verdict. It's the same lots, trucks, street and parties."

The previous vote by the commissioners was four to none with one abstention. The Zoning Board passed the recommendation by only 3 to 2.

"Now I understand Central

doesn't want to park trucks and are willing to waive that portion of the variance," Welch claims that Central wanted a place to park their trucks.

"Perhaps there was never any parking problem to begin with."

"There is a heavy flow of traffic on Ralph Street. I wonder how it will be alleviated by the removal of 10 cars from the street. The parking plan submitted may cause an additional problem. The slots for the vehicles are shown as only 18 feet wide. The town calls for an area 9 x

20 feet and just a car and they want to park trucks.

"There is no room to fit a car in slot eight. They can't get cars out if the lot is filled up. They would have to be removed one at a time with cars having to back out to Ralph Street. It's creating additional traffic."

"The trucks leave at 7 a.m. Presumably the cars pull in at 7. At 4:30 the trucks start to return and when the last arrives is anywhere from 7:30 to 8:30 p.m. and some neighbors claim later than that."

"There will be parking 30

increases are getting out of hand. Therefore, \$13,972 was eliminated from the board raise."

In other salary areas the commission deleted four new teaching posts costing \$28,000, a \$6,200 increase for substitute teachers, and \$19,300 for social workers. The commissioners said, "A figure of \$7,000 was allocated this year for elementary teacher aides for cafeteria and playground. As these functions are performed by teachers, it was eliminated."

Under contracted services for maintenance, \$12,500 for painting the exterior of various schools was eliminated because, the commissioners said, "a new position of painter was listed in last year's budget."

Other current expense items eliminated were \$16,000 for textbooks, \$6,000 for emergency repairs and \$10,000 for increased costs of fuel, power and telephone.

The commission also listed a \$40,000 reduction in the capital outlay account, leaving \$14,438.

"The school budget submitted to the voters for the second time showed a reduction of \$100,000 in the capital outlay item. The voters still rejected this item. So \$17,843 for sites and \$23,060 for equipment and furniture were eliminated from capital outlay; keeping in mind the board's filed proposed deletions of \$3,240 for sites and \$23,060 for equipment and furniture," the commission said.

### Search For Body Proves Fruitless

Belleville police have been unable to find the body of a 52 year-old man who allegedly jumped off the Street Bridge into the Passaic River on March 2.

Police identified the man as John R. Collins of 2 Carpenter Terrace, South, Belleville, after they found papers in a coat he had left on the bridge.

Bridge attendants said they saw the man take off his coat and jump into the water. Scuba divers from the Essex County Park Police searched for the body but were unable to find it. Their search did produce the body of an unidentified man, but not Collins.

A Newark fireboat and rescue boats from Kearny, Lyndhurst and Wallington joined the Belleville and Essex County Park Police in the search.

Collins, who is presumed to be dead, leaves a wife,

Mrs. Patricia McDermott of 141 Park Avenue, Passaic, and a daughter.

## Risoli Case Set To Go To Court

(Continued from Page 1)

vernment to create a position they don't want. In a legal opinion, Amato pointed out that there never was a provision for an administrative clerk in the Public Affairs Department.

To abolish all doubts on the matter, the town passed an ordinance on November 12 abolishing all previously existing positions and creating only those on the prescribed list. Administrative clerk was not on the list.

Schwartz claims that "the town contends that the new classifications do away with the old job."

Amato says, "that is part of our contention, but the ordinance doesn't apply to Risoli. It has no applicability to his job today. It was adopted when the administrative code was in effect and Belleville was under the town manager form of government. There is no such animal as the position of administrative clerk in the department of Public Affairs."

Before 1962 Belleville was run under the commission form of government. There was an administrative clerk in every department except recreation and public affairs. It was felt that one was needed.

In 1962 Belleville changed to council manager and adopted the administrative code which was revised in 1964 and repealed in 1967. Under that code there wasn't the five department set up as there was in the commission form.

Amato says that under that form "there was a department of public works and affairs which was 99% public works and 1% recreation. It had nothing to do with public affairs."

"Hugh Welsh was administrative clerk in public works and took the title with him when the department became public works and affairs under the council manager form of government. He retired and then Jim Saldo took the title."

"Then we repealed the administrative code that set up different departments. The job originally was created for and always has been in public works."

In voting for the ordinance abolishing all the old positions, Amato contends, Commissioner Strumolo moved to abolish Risoli's position.

# Belleville's Community Development IS The Topic Of Series Of Seminars

Continued from Page 1

Most citizens, he felt, would say "Why should we spend our money to help out the people in Newark?"

Such a narrow view, he contends, is what cripples the whole state. Taper reminded the people at the seminar that within five years Belleville will be in the position where they may need the aid which they now don't want to give

to Newark.

"Jersey's tendency toward home rule gets in its way when it meets new situations," Taper declared. "Belleville is not an island, and you just can't look at it that way. It has to exist along with the communities surrounding it."

The rate of change in our urban society, Taper warned, moves at a tremendous pace

and the "luxury of slow decision making is no longer with us."

The Community Council has brought the discussion series to Belleville to act as a catalyst for future action. It is meant to be a community self-evaluation self help project which is intended to be an on-going program designed to bring together people from all corners of the

community who can then be exposed, by presentations of discussion leaders and resource experts, to an organized presentation of community problems and the resources to meet them.

Because of the nature of the seminars, the Council felt it important to limit the number of participants in the program. The planners of the series have requested that

those who have registered, do so with the expectation that they will attend all six sessions.

Taper, who is the Director of the Community Services Bureau at Rutgers University, has worked with many urban and suburban communities across the nation, helping to solve their problems in this world of changing times and urban crisis.

The Tuesday evening seminars are meant to provide a spirit of inquiry toward such topics as the forces that will have an impact on Belleville's future economic, transportation and employment changes; government relations at federal, state and county levels with regard to funds and action; industrial expansion.

## Where Is Rodino ?

There are a few important matters to which Congress should be addressing itself of grave importance to the voters of the 10th Congressional District. They are:

1. Eight Anti-Crime Bills reposing in the Congressional Judiciary Committee. The 91st Congress is entering its third month of this session. There has been a lot of talk about crime. Congressman Peter Rodino is a ranking member of the Judiciary Committee to which the Anti-Crime Bills have been referred. No committee action. New Jersey is considered the number one state in the nation as a haven for organized crime. Where is Rodino?

2. College demonstrations have been the vogue for more years than we would like to remember. Within the 10th Congressional District the most serious trouble has arisen with Rutgers University in Newark. While the Senate Internal Security Sub Committee is gathering evidence to determine the motivations behind the college campus demonstrations, we have yet to hear from

Congressman Rodino.

3. Social Security. Much talk is being made about helping our poverty stricken citizens. One of the tragic built-in poverty pockets is represented by that great, grand, group of elderly citizens who are receiving Social Security checks.

In today's world, the nomenclature should be changed to Social Insecurity payments. The average person who is on Social Security lives on a sum of money which the government in Washington has labeled poverty levels. What is Rodino doing about changing the poverty status of our senior citizens living on -- or trying to live on -- a Social Security check?

And what about first class postal status for Nutley and Belleville?

### At Rutgers

## Unfinished Business

President Mason Gross of Rutgers University has been reprimanded by the State Board of Education. The reprimand did not take the customary form.

Instead the State Board of Education spelled out rules and regulations which all State Colleges have been requested to adopt.

We continue to believe that recent policy decisions of Dr. Mason Gross which involved a lowering of education standards represent an indication of his thinking. Such evidence of warped judgment must

result in the termination of Dr. Gross' services -- either by resignation or dismissal.

For as long as Dr. Gross remains in his job the high standards of education which have made Rutgers great will be subject to the corruptive influences of an educator who no longer can serve a useful purpose.

## Congratulations, Legionnaires!

March, 1969

During the month of March, The American Legion here and throughout the Nation and even in many cities beyond our borders will climax its 50th Anniversary observance. It was March 15-17, 1919, that the Legion was founded in Paris, France, during a meeting of representatives of the various outfits which made up the World War I American Expeditionary Force.

A citizen-veteran organization conceived in duty to its fellow man, The American Legion has been a responsible contributor to American thought and deed during the years of our Nation's emergence as a world power. American Legion history of the past 50 years is filled with achievements in behalf of mankind through active, continuous campaigns to preserve the lofty concepts of Justice, Freedom, and Democracy.

However, there's an unusual aspect to the Golden Anniversary celebration of this organization of war veterans. Any 50th anniversary celebration is an appropriate time to reflect on past accomplishments. During its year-long Golden Anniversary observance, though, The American Legion is taking a somewhat "let-the-record-speak-for-itself" attitude. Instead, this gigantic fraternity of service is tuned to its Golden

Year theme of "Forging The Future."

The first 50 years of American Legion existence have been years of ever-increasing waves of change for both the Nation and the world. Change is still the order of the day. Today's greatest challenge is whether man shall manage change or change manage man. It is to this challenge that The American Legion addresses itself during its Golden Year as it charts its course of service to a changing community, state, and Nation.

With a 2.6-million membership drawn from the veteran ranks of four wars--World Wars I and II, Korea, and Vietnam--The American Legion is dedicated to "Forging The Future" of a strong, vigorous, compassionate America of the next half-century.

Through its Golden Anniversary observance, The American Legion is declaring its confidence in the future of America, seeking wider avenues of involvement in meeting the challenge of change.

To The American Legion and the Legionnaires of the local post, we wish to add our congratulations during their 50th Anniversary and best wishes for every success in "Forging The Future."

## Johnson Writes on Youth

One would have to agree with former President Lyndon Johnson that his administration alienated much of the nation's youth. Mr. Johnson, writing in TRUE MAGAZINE, says his government made an effort but failed.

Mr. Johnson implies in TRUE that if a more effective effort had been made this alienation could have been avoided. It is in that concept which we suspect he is in error. The basic reason for the alienation was the Vietnam war.

Not just young people but older citizens as well doubted Mr. Johnson's foreign policy prospective. When he went to Asia in the early sixties and compared then-dictator Nguyen Ky to Churchill, even confirmed Johnson Democrats suffered severe indigestion. This appraisal just wasn't appropriate or realistic, and reflected on Mr. Johnson's part either a lack of knowledge or a credibility gap.

If Mr. Johnson feels he did what he had to do, in greatly increasing the U.S. military effort in Vietnam, then history must eventually render

a final verdict on that. But once he had decided to do that, there was no way he could win the support of much of the country's youth, because so many saw in the war U.S. support of a non-democratic regime, in a country in which U.S. vital interests were not really threatened--and they didn't want to die in such an effort.

History might vindicate Johnson's decision; it may not. But in carrying it out he could never have enjoyed the support of much of the nation's youth. And what both young and old critics saw as a preoccupation with Asia and a lack of appreciation of the key area in considering the world's balance of power, Western Europe, reduced his image as a man of international insight.

Great damage was done to the cause of unity in this country, and to the ideals of respect for government and obedience to duty when one's country calls (which must prevail if the nation is to survive) by Mr. Johnson's failure to convince so many that he was acting wisely, or even in the nation's long-term interest.

## How Does It Feel To Give First Blood?

By Nat Gottlieb and Steve Brothers

QUESTION: How does it feel after giving your first pint of blood?

WHERE ASKED: At the Blood Bank sponsored by the Nutley Red Cross.

Mr. Jacob L. Waters, 295 Orange Street, Newark. He works for ITT of Nutley.

"I feel really fine. Even though it was my first time I was not frightened at all. I had been asked to give

blood for someone at work. Right now I don't feel weak or dizzy or anything of the sort. I am glad that I gave because giving blood is like saving a life. When you give it, it is to fulfill a need. Some people don't give blood I imagine for religious reasons or just very simply out of fear.

Lonnie Applewhite Jr. of 533 Clinton Place, Newark. He also works for ITT of Nutley.

"It feels good to give blood. I think I just did something worthwhile. Any time a person can do something to help others it's really good. I wasn't afraid although I wondered how it would feel. One of the girls in my department said her mother needed blood so I volunteered

As it turns out, she didn't need it but I'm glad I gave anyway. I think more people should give blood. Every person who is able should give because it inevitably goes to save lives."

Otto Clausen of 67 Hauxhurst Avenue, Weehawken, employed at ITT of Nutley.

"I feel good. There was no pain at all. It's going to be used for a good purpose - to help people - so I'm glad I did it. I feel no side effects at all. I feel it's a personal thing whether or not other people give blood. I definitely will give blood if they ask me. I wasn't afraid before I came because I have no fear of needles. If I had any fear I wouldn't have been here in the first place. I had received a donation card at work and I agreed to give blood and that's how I'm here.

Mrs. May Parker, of 3 McKinley Street, Nutley, a housewife.

"I wasn't able to give because I recently had anesthesia. I'm really disappointed. I'm sorry I couldn't give. I think it is wonderful that the Blood Bank protected me by giving me this thorough examination.

Mr. Waters

Mr. Applewhite

Mr. Clausen

## Seems Only Yesterday

### One Year Ago

The Town Commission sliced \$206,000 from the Belleville school prospectus including a \$19,000 cut for books.

Another Belleville son, Pfc. Donald "Saunders," was killed in Vietnam.

State officials announced support of Belleville's attempt to save the subway system which Public Service Coordinated Transport was planning to abolish.

In anticipation of riots during the summer, Belleville police bought tear gas, installed hot lines and took riot training.

### Five Years Ago

Eugene "Cappy" Barnett was named Town Clerk at the meeting of the Town Council with only one councilman opposing the resolution.

Six Belleville firemen were injured as they fought to quell a blaze in a two family on North Belmont Avenue. Firemen said the fire started in the cellar of the frame dwelling and spread quickly to the first and second floors.

A Nutley - Belleville sports event which bids fair to become a regular annual feature netted a total of \$400 for the Boathouse Building Fund when the Nutley Alumni Athletic Association and the Belleville Amvets Post sponsored a basketball gam. Nutley won 72-56.

Mayor Nuncio R. Picap appealed to Governor Richard J. Hughes to take action to stop the crippling bus strike which has affected the Town's business, schools and individuals since the mass transportation walkout began almost a week ago.

### Ten Years Ago

Belleville Post 105, American Legion, announced it would participate in the observance of the 40th anniversary of the founding of the American Legion. The Belleville post dates back to the beginnings of the Legion movement.

Belleville citizens with complaints, suggestions and remarks in general about the 1959 municipal budget were promised an opportunity to be heard. The usual fireworks were expected before the budget was adopted.

The State Board of Public Utility Commissioners authorized the Erie Railroad to cut its present commuter service on the Newark branch through Belleville by three trains daily. Town officials were not happy with the news.

### 15 Years Ago

Mrs. Cornelius Griffin, a housewife, became the first Belleville woman in 20 years to formally enter the race for the

town commission when she filed petitions bearing 300 signatures with Mrs. Florence Morey, town clerk.

James R. Golden, also a commission candidate, proposed that the town's governing body serve for a dollar a year. The mayor presently receives \$2700 and the other commissioners are paid \$2250. Quite a cut.

Congressman Peter W. Rodino Jr. announced his intention to seek a fourth term as representative of the tenth congressional district.

### 25 Years Ago

Black markets (if any) will be flushed out of Belleville in the near future when police will be given authority to act under a local ordinance which will make OPA price violations a municipal offense.

Employees of Walter Kidde Company donated 180 pints of blood to the Red Cross blood bank.

A full page in the Belleville Times listed town owned property available for victory gardens.

The Lloyd Engineering company of Stephens Street was the latest industrial firm to go over the top with 100 percent employee participation in the 1944 Red Cross War Fund campaign. The firm received the Red Cross achievement flag.

The Reilly Red Cross Sewing Group observed its first birthday.

The menu of the week for low point, no point foods included macaroni and fish casserole, vegetable chowder and apple peanut muffins.

### 40 Years Ago

Mt. Prospect Theatre showing Tuesday 100% talking picture "In Old Arizona".

The Belleville Times was available on the newstands for two cents a copy.

First National Bank reopened with an entirely new interior and the statement that burglarizing will be a job for experts and not amateurs. Every precaution has been taken to safeguard valuables entrusted to its care and the architect has left no stones unturned.

The Belleville court squad defeated Morristown in the state title game 21-14.

A full page headlined Motorists' Thoughts Turn Back To Their Cars As Spring Nears dealt with such topics as car washing, emergency car chains made of old garden hose, getting rid of annoying fumes from the crank case, the importance of clean engine oil and emergency repair patrol in Sweden.

Mrs. R. Clifford Whitfield was elected new president of the Woman's Club.

## Speak Up

## Lack Of Concern Hit By Arvidson

To The Editor:

The statement which I made that the town of Belleville has a surplus of more than one million dollars was received with some skepticism by many residents. This million dollar surplus of taxpayers money has now been verified by the town Finance Commissioner. Commissioner McGreevy also acknowledged that a major portion of this tax surplus was left to the commissioner by the previous administration, and that \$264,000.00 in excess of what was needed to operate the town facilities was collected from the Belleville taxpayer during 1968, resulting in a surplus of one million seventy four thousand dollars.

This huge surplus has accumulated because the taxpayers have been assessed more taxes than has been required to meet the town operating costs. A surplus is obtained in no other way, and commissioner McGreevy has acknowledged that \$264,000.00 more taxes was assessed the taxpayers than was needed in 1968.

We are asked to believe that commissioner McGreevy would not (Finagle) (the word is his) the figures to paint a rosy picture in an election year two years hence. We taxpayers will ponder this I am sure.

The unanswered questions are. When commissioner McGreevy was

so concerned about the taxpayer prior to the vote on the school budget why did he project a town budget that was inflated by \$376,415.00 just in order to show a larger tax increase? Why did commissioner McGreevy not mention that a large surplus of taxes was in the town coffers? Since commissioner McGreevy professes his deep concern for education why did he publicly urge the defeat of the school budget?

The \$1351.00 pay increase to police & firemen is long overdue if we expect to attract the best personnel to these professions. We cannot expect that the burden of inflation shall be carried by those people in public service, consequently, the cost of public safety will increase as well as the cost of schools. We cannot advance one at the expense of the other.

We can however expect that the commissioner of Finance will show his concern for the taxpayer by deeds rather than words. He can show that concern by reducing the budget that \$264,000.00 which he collected in surplus taxes in 1968 and by applying enough of the million dollar plus surplus to this budget so no taxpayers cost will be increased.

## Future Dim For Dems?

As chairman of a Young Democratic movement, I am greatly disturbed about the future of Essex County and the Democratic Party. If the two party system is to survive and keep the hope alive in Essex County for a better future, both parties had better look for new faces and stop the bitter bickering.

I, myself, speak as a Democrat who has worked on many campaigns both local and countywide. The voting public is just about tired of the same old faces who have not helped Essex County in the past and who are rumored to be possible choices for the next Democratic ticket. I refer to, of course, the past Senators and Freeholders on the Democratic ticket. These are men who the voting public rejected before and will not accept again.

Harry Lerner, the Democratic County Chairman, has any hopeful ideas of a victory in November he had better come up with new faces or the Democratic Party will be washed down the drain. In addition, he will surely face a reform movement from the Democratic youth of the county who now hold what is left of the Party after the last election.

We have in the Democratic Party a few young men who can guide the Democratic

ticket to a victory. I mean men like Assemblymen Dodd and Paul Polastio and Councilman Tom Cooke and East Orange. These men have shown the public that they deserve to be re-elected, on any Democratic ticket and if they run on the same ticket with any of the past candidates who were rejected by the voting public, they have a good chance of losing their present office at the next election.

I conclude this letter by saying that Mr. Lerner better not have anyone on the next ticket that was on the last because nobody wants a loser. Too many bitter memories remain and I will recall one, and that is the famous farewell party where all the Democratic candidates who lost proved that they are not worthy of a place on the next Democratic ticket.

Perhaps because of the recent crime investigations concerning public officials, the new Democratic as well as the Republican candidates should be screened thoroughly by their parties to make sure that there are no past or present affiliations with underworld figures.

I remain,  
Thomas P. Hunt  
Chairman, Political  
Underwriters  
of Essex County

## Showing Set For Tonight Of Color Film On Egypt

"Egypt-The Golden Land"  
is the subject of the color  
film, narrated by Russ Potter,  
to be shown on the Unity  
Travel Course today, March  
13, at 8:15 P.M. in the  
Montclair High School.

Egypt has always had an  
aura of mystery and  
glamour—this film shows the  
priceless treasures of King  
Tutankhamen's tomb, the  
awesome temples of Thebes,  
the ruins of the Pharos. We  
journey to remote desert  
oases, search out ancient gold  
mines and hidden  
monasteries.

Egypt today is a fascinating  
blend of the old—exotic  
bazaars, medieval Arabic  
mosques and the Christian  
monasteries of the 5th  
century -- the new --  
engineering marvels of the  
Suez Canal, beginnings of the  
Aswan High Dam (it will be  
16 times as great as the  
largest pyramid), and the  
Arab world's most  
cosmopolitan cities.

For sixteen years, Russ  
Potter, the guide, was the  
narrator and script writer at  
the annual Laguna Beach  
Festival of Arts. He delighted  
nearly two million spectators  
with his witty and erudite

commentary. His scripts are  
used as models in technique  
in speech classes at college  
level. The film was produced  
by Clifford Kamen.

Tickets for this film and for  
the following film, "Tales of  
the Blue Danube" which will  
be shown on April 17, may  
be ordered by phoning  
Barbara Russell, director of  
Unity Institute, 67 Church  
Street, Montclair. The  
number is 744-6770. The  
ticket prices are \$1.75 \$2.25  
and \$2.50.

### Car Truck Crash Causes Injuries

An accident involving a car  
and a truck resulted in in-  
juries to the driver of and

## Tri-Chem Promotes Executive

Jack Brewer has been  
appointed vice president-  
operations for Tri-Chem,  
Inc., a new position.

Brewer has been associated  
with the manufacturer and  
marketer of Liquid Embroid-  
ery hobby products and  
stamped linens since 1959.  
In partnership with his wife,  
Doris, Brewer helped or-  
ganize and build Tri-Chem's  
California-based distribu-  
torship, Tri-A-Craft, Inc.

Early in 1968, Brewer  
moved from Tri-A-Craft  
headquarters in Torrance,  
Calif., to the Cleveland, Ohio  
suburb of North Royalton,  
where a new sales and ware-  
house facility, Tri-Chem  
Liquid Embroidery, Inc., was  
formed. The relocation has  
resulted in a major reorgani-  
zation of Tri-Chem sales and  
service activities in the Mid-  
west and South.

## DON'T CONFUSE CANKERS WITH COLD SORES

Cold sores are on the outside of the lips and  
are caused by a virus. Canker sores are on  
the inside of the mouth and not on the gums.

The cause of canker sores is not definitely  
certain. A form of strep germ has been found  
in such ulcers. Some experts blame injury  
to the tissues, caused by a tooth brush or hard  
foods. Others blame them on an allergic re-  
action. If you are often troubled by canker  
sores consult a physician.

YOU OR YOUR DOCTOR CAN PHONE US  
when you need a delivery. We will deliver  
promptly without extra charge. A great many  
people rely on us for their health needs. We

# WEDDINGS AND ENGAGEMENTS IN SOCIAL SPOTLIGHT

## Eileen Johnson, E.M. Kenyon Wed

Holy Family Church, Nutley, was the setting January 11 for the marriage of Miss Eileen Johnson, daughter of Mr. and Mrs. Theodore J. Johnson of 19 Beech Street to Eugene M. Kenyon, son of Mrs. H. A. Kenyon of Kearny.

The Rev. Michael Saltarelli celebrated the nuptial mass. A reception followed the ceremony at Thomm's Restaurant, Newark.

Escorted by her father, the bride was attired in a long ribbed ivory satin gown trimmed with Venice lace at the neck and bodice.

Her headpiece was a matching bow with illusion veiling and she carried a cascade of carnations with an orchid center.

Miss Michele Johnson was her sister's maid of honor and Mrs. James Kish of Nutley and Mrs. George Amesbury of Wilkes-Barre, Pennsylvania, were bridesmaids. They were in forest green velvet gowns with matching head

bows and carried nosegays of yellow carnations.

William Kinlan served as best man and Andres Runne and John Watson ushered.

Mrs. Kenyon is a graduate of Archbishop Walsh High School, Irvington and is with public relations department of New Jersey Bell Telephone Company.

Mr. Kenyon, an alumnus of Queen of Peace High School, North Arlington, attended Seton Hall University. He is with Century Lighting Company, Clifton.

After a honeymoon in Aspen, Colorado, the couple have made their home in Nutley.

Out of town weddings included Miss Mary Johnson of Kingston, Pa., Mr. and Mrs. Thomas Delaney and family, Mr. and Mrs. John O'Hara and George Amesbury of Wilkes-Barre, Pa., Charles Delaney, of Towanda, N.Y., R. Bruce Harvey of Washington, D.C. and Kenneth Dudley of Bel-fountain, Ontario, Canada.

## Valentine Tea For Belleville High Faculty

Belleville High School Key Club initiated a valentine tea for the female members of the faculty on Valentine's Day, February 14. The tea was held in the high school cafeteria from 2:30 to 3:30 p.m.

Each key clubber wrote a personal invitation to one member of the staff and at 2:30 p.m. escorted that teacher to the tea. A large cake decorated with Valentines, coffee and tea had been prepared and each teacher was served individually by her escort.

Music was provided by the "Knights" an instrumental quartet with three Key Club members.

All of the female teachers of the high school and secretaries accepted their invitation to attend. The Key clubbers selected Mrs. Eileen O'Donnell as the valentine queen. She was awarded a large heart-shaped box of chocolates.

It is hoped that the valentine tea will become an annual affair at Belleville High School.

## Library Gives Story Hours On Saturdays

Every Saturday morning at 10:30 is "Story Time" in the Children's Room of the Belleville Public Library.

Classic fairy tales, popular modern stories, folk songs and related activity games are all a part of the regular program which is open to all Belleville children without charge.

Stories are told both live and with color filmstrips and recorded sound. Once each month the storyhour is "Movie Time" and motion pictures are shown; these are usually filmed color versions of famous children's books or entertaining educational features.

The next movie hour will be this Saturday. The featured films are "Whistle for Willie," a popular picture book story of a little boy and Willie the dachshund; "Japanese Boy - Story of Taro," the daily experiences of a young boy at home, in school, and in the city; "Pancho," and exciting tale of boy against bull, set in old Mexico; and "Smallest Elephant in the World," an animated picture book story about the adventures of an undersized elephant.

Bible Institute To Sponsor College For A Day Program

The Northeastern Collegiate Bible Institute announces that it will sponsor a College for a Day program on the Essex Fells, New Jersey, campus on Wednesday, April 9. Beginning at 9 a.m., the program is designed to inform high school students about the scope and programs of a Bible college.

The guests will be able to see a typical day of college activity, including class, chapel, and lunch. They will also enjoy several features planned for them especially: a tour of the campus, a panel discussion with student leaders and faculty members, and a question and answer session. Special entertainment by campus musical groups is also scheduled.

View Of African Art Objects Can Be Seen At Museum

A Black Artist Looks at African Art, a discussion of objects in the Newark Museum's Art of Africa exhibition will be given on Friday, March 14, at 3:30 p.m. Ben Jones, an artist and Professor of Art at Jersey City College, will be the speaker. Admission is free.

It is good, sometimes, to read a newspaper or a magazine that is about ten years old just to see how many things we feared never happened.

Auxiliary Pays Hospital Part Of Its Pledge

Mrs. Elmer Matson, president of the Clara Maass Memorial Hospital Women's Auxiliary, recently presented a \$5,000 check to Mr. William R. Harris, chairman of the Extended Care fund raising committee, and a Hospital Trustee, for the Hospital's new 150 bed Extended Care Facility.

This is the second \$5,000 payment on \$20,000 pledged by the Auxiliary last August. The balance will be developed through various Auxiliary fund raising activities over the next year.

Groundbreaking for the \$4.5 million Extended Care Unit is scheduled for this coming spring. Four stories high, it will parallel the visitor's parking lot and connect by passageways to the main Hospital building in order to fully utilize existing facilities and eliminate duplication of expensive installations.

The Auxiliary which has some 400 members from Belleville and neighboring communities, has raised a total of \$68,000 for various Hospital projects during the last twenty years. In 1968, they volunteered more than 20,000 hours of their time - about 400 hours every week - helping patients and working with the Staff in every department of the Hospital.

Mrs. Matson, who lives at 288 High Street, Nutley, has been an active member of the Clara Maass Women's Auxiliary for fifteen years, accumulating more than 12,000 volunteer hours, working in the Hospital. She states that she finds it a challenging and unusually rewarding avocation.

Breakfast Gala For Rotondo Club Auxiliary

A breakfast meeting was held by the Ladies Auxiliary of The Charles J. Rotondo Association on Sunday, February 16 in Howard Johnson's Lamplighter Room, Central Avenue, East Orange.

New members were welcomed at the affair with a full breakfast, gay valentines and prizes. The auxiliary is dedicated to charitable work and has been in existence since 1934.

Association officers are, Mrs. John Rotondo, president; Mrs. Peter Sheridan, vice president; Mrs. Frank Alvarez, recording secretary; Mrs. Ann Petrillo, treasurer and Mrs. Peter Caputo, corresponding secretary.

Felician College; Teacher To Advise U.S. Students

Included in the group from this area are Donna Caruso, Judy Battaglia, Joan Cordasco, Sally Genovino, Lorraine Messineo, and Linda Pizzi, and Susan Lapes.

The group has selected the Academy's course in Art and will start their 40-day program in Rome after arrival by chartered jet from the United States. They will also visit Florence, Paris, London, and Switzerland.

Electricity Demonstration Set For Newark Museum

An electricity demonstration will be given as the monthly Science program at the Newark Museum, 49 Washington Street, on Sunday, March 16, at 3:30 p.m. Irving Black, Science Department Supervisor, will conduct the demonstration with help from young volunteers in the audience. Admission is free.

Curiosity is the key to all knowledge.

PAYMENT ON PLEDGE — Mrs. Elmer Matson of Nutley, president of the Women's Auxiliary at Clara Maass Memorial Hospital, presents a check for \$5,000 to William R. Harris, chairman of the Extended Care Fund Raising Committee and a Hospital trustee for the Hospital's new 150 bed extended care facility. Looking on are Albin H. Oberg, executive director of the Hospital and Frank C. Pesvey, Hospital trustee and co-chairman of the public relations committee.

Consider Rice, An Adaptable Food For Casseroles, Soups, Desserts

Rice is one of our most adaptable foods. You'll find it in soups, casseroles, flavored with meat stocks or in desserts.

Regular rice or white rice is packaged with the entire coating of bran and germ removed. It sweats to about 3 times its size, so use only one cup uncooked for 3 cups of cooked, white rice.

Precooked rice has been cooked, dehydrated and dried. It requires a minimum of cooking. Really, all you need do is restore the moisture.

Brown rice has only the outer husk removed. It retains its natural vitamins and minerals. Brown rice is excellent as a vegetable or for stuffing.

Flavored rices which are new on the market are something new for the homemaker to try. Frozen flavored rice is also available in some markets.

It is not necessary to wash rice. If you do, you are rinsing away valuable vitamins and minerals. Enriched rice is a good source

of thiamine, riboflavin and niacin.

The following rice recipes are for your home file.

TUNA RICE SALAD

1½ cups cooked rice  
1½ cups flaked tuna  
1 cup cooked peas  
1 cup shredded carrots  
½ cup French dressing  
¼ cup chili sauce  
½ teaspoon salt  
½ teaspoon curry powder  
Combine rice, tuna, peas, and carrots. Add French dressing, chili sauce, salt, and curry powder. Toss lightly with a fork. Chill well. Serve on crisp salad greens. Serves eight. Variations: Chicken or turkey may be substituted for tuna.

CARMEL-APRICOT RICE

2 cups (½ lb.) dried apricots  
¼ cup butter or margarine, Melted  
1 cup light-brown sugar, packed  
3 cups hot fluffy white rice  
4 eggs  
1 cup granulated sugar  
1 teaspoon salt  
2½ teaspoon vanilla extract  
1 quart milk, scalded  
¼ teaspoon nutmeg  
½ teaspoon cinnamon  
1½ cups heavy cream, whipped  
Unsweetened chocolate, shaved  
Slivered almonds  
Cook apricots tender as label directs; drain. Start heating oven to 350 degrees F. Meanwhile, pour melted butter into a 3-quart casserole; sprinkle brown sugar over it. Arrange apricots, rounded side down, in a single layer over brown-sugar and butter mixture. Spoon on rice. Beat eggs until light and foamy stir in granulated sugar, salt, and vanilla. Then slowly stir in scalded milk. Pour milk mixture over rice and apricots; sprinkle with nutmeg and cinnamon. Set casserole in pan of hot water; bake for one hour, or until silver knife, inserted in center, comes out clean. Cool. At serving time place spoonfuls of whipped cream on top of pudding. Sprinkle

Tribute to Parkway By Club Federation

The New Jersey State Federation of Women's Clubs has prepared a special tribute to the state's highway system, with a particular salute to the nation's finest highway - The Garden State Parkway.

Choose Carpets Carefully

Choosing new carpeting? There always seems to be a sale going on somewhere. What can you look for in carpeting these days? You'll find some answers to this question below.

The most popular fibers for carpeting today are wool, acrylic, nylon, polyester and olefin. Each type has one or more characteristics that make it suitable for carpeting. The consumer must choose the right carpet for her individual circumstances.

Wool, if in a good grade, is generally considered to be one of the best carpeting fibers. It is resilient, dyes easily and doesn't usually show dirt quickly. It is also quite resistant to fire. It will char rather than burn the fiber. Wool of high quality will take years of hard wear.

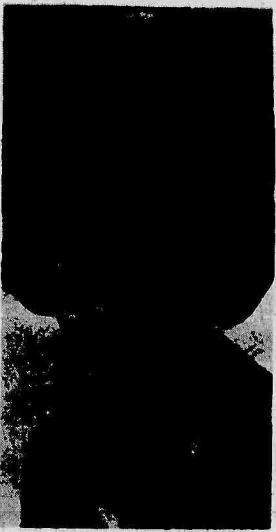

Acrylic fibers dye well and are very resilient. They bounce back when stepped on. Since this fiber resembles wool in appearance, but is less expensive, it is a good choice for those whose life cycle is at the child-rearing stage.

Nylon is the strongest carpet fiber. It wears a long time, Nylon carpets are easy to clean and if well constructed, they are resilient. An inexpensive nylon carpet will not spring back to its original shape.

Polyester comes out as the long fiber carpets known as shag rugs. Since it is not resilient, its use in shags is ideal since these rugs are made of long fibers to create a shaggy look. Polyester rugs are easily dyed, easily cleaned and long wearing.

Olefin fibers, one of the newest, is being used for indoors and outdoors. They are a type of plastic fiber, so they are stain resistant and easily cleaned because they don't absorb water. Since olefin fibers do not bounce back, they may not be suitable for living rooms, but be excellent for a short pile kitchen carpet.

Mrs. Mary H. Stevens

Miss Carol W. Hartley

## Ladies Chosen As Outstanding

Two former Belleville residents have been chosen Outstanding Young Women of America by the Outstanding Americans Foundation. Miss Carol W. Hartley and Mrs. Mary H. Stevens will appear in the annual biographical compilation of the foundation.

Miss Hartley, daughter of Mrs. Winifred Hartley of 51 Mertz Avenue, Belleville, and the late Alonzo A. Hartley, attended Belleville primary schools and graduated from Belleville High School.

In 1958 Miss Hartley received her BA degree in Spanish-German from Hanover College, Hanover, Ind. She received her MA degree from Cornell University in 1960.

From 1960 to 1962 she served as assistant dean of women at St. Lawrence College, Canton, N.Y. Her next position was as dean of women at Carthage College, Kenosha, Wisc. In 1965 she left Carthage to join the faculty of Susquehanna University, Selingsgrove, Pa. where she is presently assistant dean and registrar. She has also served as acting dean at Susquehanna.

Mrs. Stevens, daughter of Mr. and Mrs. Edward Hassan of 232 William Street, Belleville, also attended Belleville grammar school, but graduated from St. Michael's High School, Newark.

Mrs. Stevens graduated as an RN from St. Joseph's School of Nursing, Paterson, in 1960. From 1960 to 1962 she worked in St. Michael's Hospital, Newark, in the intensive care unit.

After her marriage to David M. Stevens of Jersey City in 1962, she became associated with Melrose-Wakefield in Massachusetts. From 1963 to 1968 she was associated with the National Institute of Health, Bethesda, Md.

During her stint with the National Institute, she became program chairman of the Montgomery Company Nursing Association and was on the Board of Directors of Maryland Nurses Association. She was also on the General Duty Nurses State Committee and the Committee on Economic Security and General Welfare Commission of the state nurses association.

Although only 29 and presently at home, Mary was

chosen by the Maryland Nurses Association to be submitted as a candidate for the award because of the work she has done for them.

Both Miss Hartley and Mrs. Stevens will appear in the 1968 edition of "Outstanding Young Women of America." From the edition 50 young women will be selected—one from each state—as the state's "outstanding young woman."

# YOU'LL BE GLAD You switched to Electric Glassheat BECAUSE...

(Letters from Glassheat users  
TELL YOU WHY!)

### "IT'S COMFORTABLE HEAT—

just like sunshine in spring," says one Glassheat owner. "You don't feel hot or cold; you are never aware of the temperature. You are just continuously comfortable, and there are no cold spots."

This is true because Glassheat is the only heating system that warms with Radiant Electric rays exactly like the Sun's own rays. A room heated by Glassheat feels like the sunny side of a barn in the spring sunshine. No wonder people enjoy it, and say so:

IT IS CLEAN—As one user writes, "Probably the most unique feature of Glassheat is its cleanliness. In 16 years with Glassheat the only room we have had to do over is the kitchen. No need to repaint the other rooms or even wash down the walls."

Says another customer, "No soot, no smoke, no grime. Have never seen anything so clean. And we are saving 30% on the cost of fuel compared to the old system."

### YOU'LL SAVE MONEY ON HEAT.

A fact that surprises many Glassheat owners. One writes "We were expecting that Glassheat would be somewhat more economical to operate but we were not prepared for our low annual heating bills. Of course we are also pleased with the savings on our regular current. We take advantage of the special low heating rate."

Another user says, "Though we added two additional rooms, my heating bill amounts to only \$175—and we have never been so comfortable."

Of course there are no maintenance or service charges. Another saving."

With Radiant Electric Glassheat so inexpensive to install and operate, why pay more for less than the best?

### "JUST THE TEMPERATURE WE WANT IN EACH ROOM; that's one thing I like," says another owner.

True, because money saving thermostats throughout the house permit you to regulate the temperature in each room; 65° in one, 75° in another and 50° in a room not in use.

The temperature is uniform from floor to ceiling, causing a user to write, "Years of living with your Glassheat makes me a firm believer in this type of heat."

## Belleville Teams Ready For New Spring Schedule

Belleville High School is preparing to open its spring sports schedule with the main change being a fatter agenda of opponents for the baseball varsity.

Belleville's baseball team, a member of the Big Ten conference, has added Wayne Valley, Passaic, Weequahic, Seton Hall, West Side and Clifford Scott to its schedule, bringing the total to 24 games. The team opens its season on April 1 in a home game against Bloomfield.

Herman Wische, athletic director for the high school, announced that the golf team will again play its matches at

the Forest Hill Golf Club. With the exception of St. Benedict's, all of coach Michael Salzarulo's opponents will be Big Ten squads.

The varsity track team will open its season against Passaic on April 8 at the later's home stadium. Wische reports that Belleville will only send to scheduled invitationals those athletes who can realistically compete in them.

As usual, the crew team under the direction of coach Michael Lally will travel extensively from Atlantic City to Poughkeepsie, New York. The big event for this year's team will be the School

Boy National Championships on May 27.

Wische reports that in order to strengthen the Belleville varsity teams, the town has expanded its junior high school sports program. "During the fall months there was a ninth grade football team. In the winter there was a combined eighth and seventh grade basketball team in addition to the regular freshman team." For the first time there was a freshman wrestling team organized for competition.

As Wische puts it, "We are trying to develop our junior high talent in order to instill

pride in the kids, as well as giving them an outlet for their emotions."

### Schools Giving Applications Out To Ball Leagues

Boys between the ages of 8 and 12 who wish to play Recreation Baseball will receive their applications through their schools next week. These applications must be returned to their school not later than Wednesday, March 19, 1969.

If, for any reason, a boy can not get an application in school he can pick one up at the Recreation House.

Boys who are 8 or 9 years of age will be assigned to the Peanut League, boys who are 10-12 years of age will be assigned to the Recreation Junior League.

## Basketball League Ends Its Season

Another season of the Recreation Junior Boys Basketball League has come to a close. In a spirited game the Magnificent Seven scored a stunning victory over the Fearsome Fivesomes. In the first half the Fivesomes were able to hold their rivals down to a two point lead but in the second half the Magnificents exploded into a scoring spree in which they racked up 30 points. Pat Dunn accounted for 14 and Bob Arata for 10 on behalf of the winners. Final score 38-13.

There was electricity in the air as Knicks and the Panthers took the floor. These two were in a tie for the Leagues lead and, against each other, were 2-1 with the Panthers having the edge. An unusual statistic appears in the record of these two teams, each team they have met there has been a four point difference in their scores so there were two very evenly matched teams squaring off.

It was plain at the outset that both teams had come to play and play they did. The first half belonged to the Knicks as they poured on a 14-9 lead. In the second half the Panthers came on strong holding the Knicks to just 5 points while making 14 points for themselves. Superior shooting and great defensive work by the Panthers in the second half caused six turnovers and gave the Panthers the win 23-19, again by a four point margin!

### BECK'S COLUMN

By MAX BECK

Next week is the last week of the Annual Magnavox Sale. The response by the public has been unprecedented, because people know that this sale presents the only opportunity during the year to buy Magnavox Products at a reduced price. Magnavox prices are fair-traded and strictly enforced during the balance of the year.

Although some models have been sold out, we still have a fair selection. On some sets we revised our prices, because we want to clear them out. This is the real purpose of a genuine sale, to correct one's buying mistakes. It is impossible to buy exactly the correct number of sets and models during the span of a whole year. Everything can be sold if the price is right, which means low enough and we are reducing prices during this sale sufficiently to clear out what has to go and make room.

This once a year Magnavox sale is entirely different than the "sales" that some stores conduct, every week. Magnavox prices are fair-traded during the balance of the year. However, during this once a year sale it is "Open Season". If you are in the market for a TV or Stereo, you might as well take advantage of this opportunity to buy top quality merchandise at a real saving.

This sale ends on March 22nd.

We service what we sell. Beck's Radio TV Hi Fi Nutley 667-2275. Open daily 9-6 Mon-Fri. 9-9.

### Baseball Team Working Hard On New Season

With the opening of the season less than two weeks away, the Upsala College baseball squad is working feverishly to get ready. The Vikings are scheduled to meet the Bates College nine in the campaign lid-lifter on Wednesday, March 26. At this writing, the East Orange collegians have been unable to practice outdoors because of the weather situation.

Indoor workouts don't lend themselves handily to batting drills, but if the Vikings' 1968 performance at the plate is any criterion, Coach Don Walker has nothing to worry about. The team batting average last year was a phenomenal .313.

Twenty-nine candidates are on hand, with most of last year's starters back in the fold. Three notable exceptions are pitcher Frank Sullivan (6-2), first baseman Ben Catanzaro (.376), and centerfielder Mike Cirasella (.260). Catanzaro and Cirasella have graduated and Sullivan dropped out of school.

Sophomore righthander Al Gaul of Kearny is the most experienced moundman available. The slender hurler was impressive last spring chalking up a 7-2 record as an 18-year-old freshman on the varsity.

### Sportsmen's Groups Have Wildlife Week

The forthcoming observance of National Wildlife Week, March 16-22, was announced this week by Commissioner Robert A. Roe of the New Jersey Department of Conservation and Economic Development.

The celebration is conducted by the New Jersey State Federation of Sportsmen's Clubs, State affiliate of the National Wildlife Federation. The national conservation organization has sponsored the event annually since 1938, when it was established by Presidential Proclamation. State Chairman for 1969 is David G. Bean of Colts Neck.

### DeFroschia's Lead League In Baseball

The new Recreation Junior Baseball League which meets at the Junior High School on Saturday mornings has played its third set of games. At this early point in the League the DeFroschia's are leading with no losses after a hard fought victory over the Corinos. It was the first loss for the Corinos who stand at 2-1. All other teams, the Nadzans, the Ortiz, the D'Angelos and the Cervasios are tied at 1-2.

In the Nadzans-Cervasios game last week the Nadzans big 51-15 win was built on the great 32 point scoring of Grobstein and 14 more by Cancellieri. In the Ortiz-D'Angelos 30-12 game it was team Captain Ortiz who made all of the 30 points.

were guests of the Branch Brook-Belleville Kiwanis at their weekly meeting last Tuesday at Parrillos.

This group of men are unique in that they hold the three stages of belts, white, green, and black in Karate and Judo.

An hour long demonstration of the technique of self defense was provided under the direction of Officer Giulio Cavallaro in which the men showed the various blocks and holds required and ended up with several members breaking concrete blocks and 2 X 4 wooden beams with one blow using hands, elbows, and wrists.

The B.B.B. Kiwanis club presented the group with the "Certificates of Appreciation" for the outstanding program as is their custom, and a standing ovation was given by the Kiwanians.

## Veneri Seeking End To Surtax

Maurice M. Veneri of Nutley, President of the New Jersey Industrial Union Council, AFL-CIO, announced today that a state-wide petition was being circulated urging all New Jersey Congressmen to oppose any moves to extend the 10% surtax beyond the June 30, 1969 date on which it is due by law to expire.

Veneri said Congress which has just voted itself a 41% increase and a 100% increase for the President should now "demonstrate its concern for the working men and women who absolutely cannot afford to continue the 10% surtax."

"At this time when millions of taxpayers are computing their 1968 returns, he said, the full impact of the surtax is being felt. This, together with sales taxes, record high municipal taxes and a 5% increase in the cost of living during the past year, has worsened the economic conditions of wage earners and low income groups to a dangerous point.

Veneri said that he was encouraged by the support among many Congressmen for an end to the surtax and for the impressive sponsorship of legislation to close the loopholes in the present tax laws which enable wealthy corporations and individuals

to escape their fair share of the tax burden.

He said that IUC would be keeping a sharp eye on the voting record of Congressmen in relation to the surtax and tax reform.

He said that Congress should act immediately to remove the 27-1/2% oil depletion allowance, take away the tax exempt status of municipal bonds, remove the 7% allowance which businessmen enjoy for investment in plant and equipment and close other tax loopholes.

"By these tax reforms, Uncle Sam could more than match the revenues derived from the 10% surtax," Veneri said.

"It is a simple matter of justice that we revert to the time-honored tax principal of ability to pay. This basic tenet is being violated more and more with each passing year. As a result, the tax load is being shifted from the more affluent to those least able to afford it. This explains why in 1968, profits after taxes were at a record high of over \$51 billion.

"We say that 1969 is the year for Congress to reverse this unconscionable trend and to take care of the pressing tax problem of the people."

## Hearing Waived In Shooting Case

Charles Evans of 418 South Orange Avenue, Newark, waived a preliminary hearing at the February 27 Belleville

Municipal Court on charges of atrocious assault with intent to kill, unlawful possession of a weapon, and carry-

ing a concealed weapon.

Evans is charged with the near fatal shooting of a fellow employee at the Eastwood Neally Company of 28 Joralemon Street.

It is alleged that Evans and the other employee, David Bell of 37 Addison Drive, Fairfield got into an argument at work,

Evans allegedly pulled out a 25 calibre revolver and shot Bell in the back. He fled from the scene but was apprehended by Lt. George Lister on Ralph Street within 15 minutes of the shooting.

## Resident Receives Infantry's Badge

There is one Army badge that proudly - the Combat Infantryman Badge. It was awarded to Private First Class James J. Rowland near Pleiku, Vietnam, Jan. 22.

Pvt. Rowland, 20, son of Mr. and Mrs. Edward J. Rowland, 66 High St., Belleville, N.J., is assigned as a rifleman with Company C, 2nd Battalion of the 4th Infantry Division's 8th Infantry.

The CIB has been awarded since late in World War II for sustained ground contact against an enemy.

In honor of its singular

meaning, the badge is worn above all other awards and decorations, over the left breast. It is a blue rectangle with a silver rifle mounted on it superimposed over a curved wreath. Subsequent awards are represented by stars at the top center of the wreath.

## Man Killed When Hit By Auto

The man who was driving a car which struck and killed Manuel DaSilva of 92 Vincent Street, Newark, on February 25 at 9:12 p.m. has been charged with causing death by an automobile and with driving while impaired.

DaSilva was on his way to work at Tenneco Chemical Plant at 374 Main Street, Belleville, when he was hit at the corner of Jorammon and Main Street by a 1965 Chevrolet, driven by John K. Boukley, 30, of 68 Kingsland Road, Nutley.

Police rushed DaSilva to Clara Maass Hospital, but he was pronounced dead at 9:20 p.m.

Did you know that drugs are being used to help children learn? Some young school-children are being given prescription drugs to help them with their schoolwork. This treatment is for the restless, wiggling child who is hyperactive and often finds it difficult to keep up with his studies. These drugs change the mood of the child. They do not change his intelligence. Various drugs are used, including stimulants and sedatives, depending on the child's characteristics. Some children become less restless when given a stimulant. This drug treatment may prevent emotional problems as well as enabling a child to be more receptive to classroom studies.

For all your prescription needs, come to ROSS-MORE PHARMACY, 338 Washington Ave., Belleville, 759-1956. Medicare and Blue Cross approved sales and service of contact lenses, S&H Green Stamps and Free delivery. Trust us... your doctor does. Daily 9 a.m.-10 p.m., Sun. 9-9.

PRIVATE COLLEGE AID — V.D. Mattia, M.D., Hoffman-LaRoche Inc. president (left), presents \$20,000 check from the Roche Foundation to DeWitt J. Paul, president

of New Jersey College Fund Association. It was the 13th annual contribution to the association by the Nutley company. Carl G. Fjellman, president of Upsala College, looks on.

## LaRoche Presents Gift To State College Fund

V.D. Mattia, M.D., president of Hoffman-LaRoche Inc. of Nutley, presented a gift of \$20,000 to the New Jersey College Fund Association in support of its 12 member independent colleges and universities.

### Local Druggist Attends Seminar on Drug Abuse

Ralph Alfieri of 30 Continental Avenue, Belleville, was among 119 pharmacists who attended the New Jersey Pharmaceutical Association seminar on drug abuse for the northern tier of counties. The seminar was held recently at the Teaneck campus field house of Fairleigh Dickinson University.

The program, known as Project RFD (Respect For Drugs) is sponsored by the Columbia University College of Pharmaceutical Sciences under contract with the U.S. Department of Justice.

Herbert Fechter, associate director of the project, points out the series of seminars scheduled by the association around the state is a community service program designed to encourage pharmacists to use their knowledge and training in

company is a \$2,500 increase over last year's and is the 13th consecutive year that Hoffman-LaRoche has given financial support through the Association.

When the Fund conducted its first annual campaign for financial aid from New Jersey business and industry more than 14 years ago,

alerting the public to the dangers of abusing and misusing modern chemotherapeutic agents.

The North Jersey seminar included as subjects "General Aspects of Pharmacology," "Understanding Addiction," "The Patient Drug Information System" and "Helpful Hints for the Public Speaker."

Hoffmann-LaRoche was one of the first corporations to respond with a contribution. Since that time the company has made a gift each year and increased the amount of its gift eight times.

Dr. Mattia, in presenting the gift, said: "Aware of the vital role which our independent colleges play in improving the standards of higher education in New Jersey, the trustees of the Hoffman-LaRoche Foundation are indeed pleased to continue and increase our support through the New Jersey College Fund Association. We consider our annual contribution to the Association a good business investment."

"Our independent colleges must have the financial resources to continue to provide on their campuses an atmosphere conducive to excellence in higher

education. We feel gifts to our independent colleges pay rich dividends in an annual flow of well-educated citizens, ready and responsible, to undertake key positions in New Jersey business and industry and other vital areas of our society," Dr. Mattia said.

Dr. Mattia, who is a member of the Board of Trustees of the New Jersey College Fund Association, stressed the necessity of more generous and widespread support of our New Jersey independent colleges by an increasing number of corporations doing business in New Jersey.

## Two New Vice-Presidents Announced By Walter Kidde

The appointments of James X. Kilbridge and Dr. Jerome L. Raffaldini as senior vice president's were announced by Walter Kidde & Company, Inc. The two executives also were elected to the company's board

Dr. Jerome L. Raffaldini

of directors.

Kilbridge, 42, had been vice president and general counsel. He joined Kidde in 1966. Previously he was with Litton Industries, Inc. as corporate secretary and assistant general counsel. He joined Litton in 1960 after having served as a legislative

attorney with the U.S. Treasury Department and special assistant to the Attorney General in the Department of Justice. Kilbridge is a graduate of the Loyola (Chicago) Law School, and attended Georgetown University Graduate School of Law. He is a former director of the Tax Executives Institute.

Raffaldini, 45, is president of Walter Kidde Industries, a group of operating units of the parent company. He joined Kidde in 1965 as a corporate vice president and became corporate group vice president in 1968. Before joining Kidde he was vice president of operations of Fairchild-Hiller Corporation. He previously held an executive position with Mack Trucks, Inc. A native of Milan, Italy and an American citizen since 1957, Raffaldini holds a doctor's degree in economics and undergraduate degrees in mechanical and industrial engineering from the University of Milan.

Kidde, headquartered in Belleville, New Jersey, is engaged in manufacturing and services in the fields of safety, security and protection, industrial and technological products, commercial and consumer goods,

and transportation systems. The company operates more than 100 manufacturing plants and other facilities in 24 states and six foreign countries.

James X. Kilbridge lives at 227 Gregory Road, in the Shadow Lakes area of Franklin Lakes, New Jersey. His wife is the former Ethel Bristol, of Steamboat Springs, Colorado. The Kilbridges have four children: Nancy, 13, Sally, 12, James X., Jr., 10, and John, 4.

Dr. Jerome L. Raffaldini lives at 101 Ridgewood Avenue, Glen Ridge, New Jersey. His wife is the former Terry DiRenzo, of Binghamton, New York. The Raffaldinis have three children: Tina, 16, Jay, 8, and Barbara, 7.

## Finnegan In Alaskan Exercise

Army First Lieutenant Robert C. Finnegan, 24, son of Mr. and Mrs. William T. Finnegan, 172 Fairway Avenue Belleville, N. J., is participating in Exercise ACIDTEST 1/PUNCH CARD V, as a company commander with Company B, 5th Battalion of the 172nd Infantry Brigade's 23rd Infantry.

Major units of the U. S. Army, Alaska, and Alaskan Air Command Forces, plus Air National Guard units from several other states, are engaged in the mock battle operation which began January 29 and continue through February 13.

The largest training exercise to be held in Alaska in two years is being conducted in the Army's maneuver area near Fort Wainwright. It is designed to test the effectiveness of combat troops operating in the arctic environment.

Under near-combat conditions, pitting "friendly forces" against "aggressors," the ground soldiers are demonstrating their fighting efficiency in a region where winter temperatures sometimes reach more than 60 degrees below zero.

## Local Resident With Marines In S. Vietnam

Marine Corporal, Peter Eccles, son of Mr. and Mrs. Charles Eccles of 8 Montgomery Place, Belleville, N. J., is serving with Headquarters and Service Company, Second Battalion, Ninth Marines, Third Marine Division in South Vietnam.

As part of the Third Marine Division's new mobile posture, his battalion has been conducting sweep and clear operations throughout the five northernmost provinces of the republic.

## Arthur Johnson Gets Promoted By U.S. Army

Arthur E. Johnson, 22, son of Warren Johnson of 13 Parkside Drive, Belleville, was promoted to Army specialist four December 16 near Pleiku, Vietnam, where he is assigned to the 4th Infantry Division. Spec. Johnson, a mechanic with Battery B, 5th Battalion of the division's 16th Artillery, entered the Army in December 1967 and completed basic training at Ft. Dix, New Jersey. He was stationed at Ft. Sill, Okla., before arriving overseas in May 1968.

The specialist is a 1967 graduate of Bloomfield Vocational and Technical High School and was formerly employed by Pre-Cast Products, Summerville, as a maintenance man.

His mother, Mrs. Ruth Haefner, lives at 630 Ivanhoe, Bricktown.

## Aldo Napoliello On Saratoga

Airman Apprentice Aldo V. Napoliello, USN, son of Mr. and Mrs. L. Napoliello of 180 Franklin St., Belleville, N.J., is serving aboard the attack aircraft carrier USS Saratoga (CVA-60), in the Caribbean Sea.

Saratoga recently completed a 13-month, nearly \$50 million overhaul in the Philadelphia Naval Shipyard. She is presently conducting refresher training exercises in the Caribbean prior to deployment.

## Pair Waive Hearing On Larceny Charges

Mary Pavlosky of 8 Kearny Avenue, Kearny, and Walter Gonsowski of 179 Hamburg Turnpike, Pompton Lakes, waived a preliminary hearing on charges of two counts of larceny and possession of stolen property at the March 6 Belleville Municipal Court. Judge Edward Abramsom assigned \$500 bail to Pavlosky and \$1,500 to Gonsowski. The bail discrepancy resulted because Pavlosky's father assured the judge that his daughter would attend the Essex County Grand Jury trial, while Gonsowski, a circus performer, could present no such assurance.

Between now and April fifteenth the American citizen will discover that it costs more to exert leadership in the world.

# New Members Rejuvenate Police Auxiliary

**ON PATROL** — Richard Iacobelli and Joseph Castellano made sure that School 8 was secure last Friday evening.

An incident last week involving two members of Belleville's Police force and one member of its Auxiliary force, proved the effectiveness of the rejuvenated Auxiliary Police.

The two regular patrolmen were assaulted by a group of men outside a N. 6th Street tavern when off-duty auxiliary patrolman Frank Stanco drove by and stopped to even the score.

It was the latest of many incidents which have shown the importance of the all-volunteer organization.

Each man in the Auxiliary group has attended the Civil Defense Police Academy in Livingston where he learned the basics of police work.

Over the past year the men have patrolled all sports events in the town of Belleville. Their familiar uniforms could be seen at the football stadium, in the gymnasium, or at all town parades and gatherings.

Aside from assisting the police, they maintain a patrol

of all the schools in the town. As a result they have saved the taxpayers quite a bit of money. The Board of Education reports that since they began their patrol, damage due to vandalism at town schools has decreased from a total of \$15,000 a year, to approximately \$2,000.

Not limiting themselves to school duties, the Auxiliary will patrol any place where their assistance is requested. There has been a recent rash of robberies from parked automobiles in the Clara Maass parking lot, so the Auxiliary has taken over the job of watching the lot.

Working with no compensation, members of the Auxiliary, who now total over 60, have purchased their own uniforms and maintain a Civil Defense vehicle which they use on their rounds. Town taxpayers haven't had to pay a cent to subsidize the group.

All Auxiliary policemen have completed the first aid

course at the Livingston Academy and are scheduled to take a firing course at an affiliated school in Chatham soon.

Members of the force all come under the direction of the Police Chief. They feel that "We are dedicated to the police department and hope to continue to assist them in their duties in every way possible."

A ride in the CD truck with the Auxiliary takes at least two hours on any given night. The men meet at the police station and are assigned their patrol duties for the evening.

Then they drive to their posts in their own cars. At the same time, the CD truck leaves the station on its patrol. It goes to each school, to check on the men, and to make sure that there is no trouble.

The men on the beat have walkie-talkies so that if any problems arise, they can call the CD vehicle to get assistance.

**SAFETY FIRST** — That is the motto at the Police Auxiliary's pistol range. Here Salvatore Chiappone and Robert Campione practice what is preached.

**IMMEDIATE SUPERVISOR** — Lt. James Munday of the regular police department, served as the immediate supervisor to the Auxiliary last Friday evening. Here he meets with Sgt. John Dragone and Frank Stanco for a progress report.

**CHECKING UP** — Even while off-duty members of the Auxiliary Police take their duty seriously. Here Lt. Rocco Landolfi (third from left) checks up on Joseph Nicosia, Vincent Ribortella and Sgt. John Dragone at a high school post.

### James Cancelosi Makes Dean's List

James Cancelosi, son of Mr. and Mrs. James Cancelosi, of 10 Celia Terrace, Belleville, a junior at Stevens Institute of Technology, made the dean's list for the past term.

He is vice president of Alpha Sigma Phi fraternity. Cancelosi graduated from Belleville High School in 1966.

No community should permit a handful of hoodlums to destroy the reputation for good conduct.

### Couples Club Elects Officers For Year

The Couples Club of Christ Episcopal Church met recently and elected its officers for the coming year. They are Frank VanDyke, president; John Simon, treasurer; and John Idenden, secretary. They plan to hold a Chow Mein dinner on Friday, February 28th in the Undercroft.

Dinner will be served from 5:00 to 7:30 p.m. and the price of tickets was set at \$1.50 for adults and \$1.00 for children under twelve. The public is invited to attend.

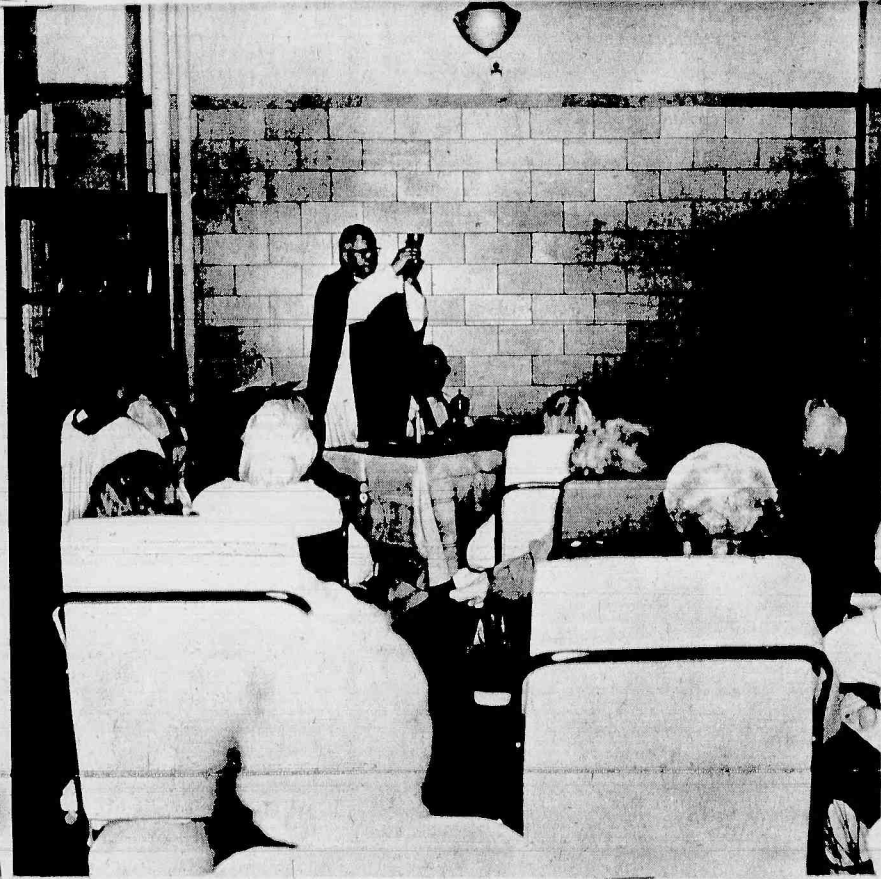

# First Mass Is Offered At Hospital By Priests

The priests from Saint Peter's Parish, Belleville, New Jersey, have administered to the Catholic patients at Essex County Hospital (Soho) for many years, but

Friday, February 28, 1969 is a day which will long live in their memory. On that day the first Mass was offered in the hospital for the Catholic patients. Previously the

priests visited the hospital to bring Holy Communion to administer the Sacraments of Penance and the Anointing of the sick and to comfort and console the patients.

Originally established as an Isolation Hospital, Essex County Hospital in recent years has been largely concerned with the aged. Arrangements for the Mass were made by Rev. Francis Ignaciuinos; Rev. James Heavey and Rev. Richard Groncki, all assistant pastors at Saint Peter's Parish.

FIRST MASS — The Rev. Francis Ignaciuinos celebrated the first mass in Essex County's Soho Hospital on February 28. Previously priests had brought Holy Communion to the patients and had administered the Sacrament of Penance, but February 28 marked the first Mass at the county institution.

### Youth Worker Is Added To Bethany United Staff

Vinnie Pasquale has been appointed Jr. High Youth Worker at Bethany United Presbyterian Church, Bloomfield. He will supervise Sunday evening programs, outings, and a Friday night community center.

Pasquale was born in Newark and became active in youth work through Young Life. He has had twelve years experience on the staff of that organization, working in New York City and in Chicago. He has held staff

positions working with gang leaders and dope addicts as well as conducting recreational and religious programs for teenagers. He and his wife Carol have two children, Connie and Christine.

Additional staff working with the youth are Miss Barbara Wille, Jr. High worker, Ken Blank, Sr High Youth Worker, and Miss Phyllis Caruso, Sr High Youth Worker. A community center for teens of grade 7-9 has been established meeting every Friday night from 7 to 9 P.M. Games and recreational facilities are available to the teens of the community. A snack bar is also set up.

## Prudential Vice President Named Scout Fund Head

Frank J. Hoenemeyer, executive vice president of the Prudential Insurance Co., has been named chairman of the 1969 sustaining membership enrollment and fund drive of the Robert Treat Council of the Boy Scouts of America.

Aim of the campaign, according to council president Walter D. Sheldon, vice president of the Continental Insurance Cos., is to enroll 4,000 new sustaining members and raise \$100,000.

The \$100,000 will be used for scouting programs in Newark, Irvington and Belleville. Hoenemeyer, noting that almost half of the council's operating funds comes from sustaining membership enrollment, stressed the importance of success in achieving this year's goal, so that scouting programs in this area can continue. The balance comes from the United Community Fund of Essex and West Hudson Counties.

Scout registration in the Robert Treat Council has grown 25 per cent the past three years, from 7,000 in 1966 to 9,200 this year. The council's 1969 operating budget of \$290,815 provides for the 16-man professional staff, operation of the Scout Service Center in Newark, and for maintaining facilities at Conklin Scout Reservation in Boonton, and the Mohican Scout Reservation in Blairstown.

Hoenemeyer succeeds Edward R. Eberle, president of the Public Service Electric and Gas Co.

At the Prudential, Hoenemeyer has overall responsibility over the company's multi-billion dollar investment activities. He joined the company's bond department in 1947.

In 1958, at the age of 38, he was elected a vice president. He was named senior vice president in charge of the bond department in 1964. In November 1965 he was elected to his present position.

Hoenemeyer is married to the former Lucille DeJaco of Ft. Thomas, Ky. He has two sons and two daughters and lives at 10 Midwood Terrace, Madison.

# Dantonio Made Realty Secretary

The election of Carl W. Thompson, Scotch Plains, and James Dantonio, Belleville, as assistant secretaries of New Jersey Realty Title Insurance Company has been announced by Walter A. Sprouls, executive vice president.

Thompson, who joined the Title Company in 1961, has served as a sales representative in Middlesex, Somerset and Union Counties and the City of Newark. As assistant secretary, he will continue to be located in the Newark headquarters location.

He is a graduate of Seton Hall Preparatory School and Seton Hall University, South Orange, and was for many years a resident of Essex Fells. He and Mrs. Thompson, the former M. Patricia Ryan of Newark, moved to Scotch Plains in 1966. They have two children, John C., 3, and Grace Marie, 2. The Thompson family resides on Newark Avenue, Scotch Plains.

Dantonio has been associated with the Title Company since 1948. As assistant secretary, he will serve as assistant plant manager of the main title plant in the Newark headquarters. A native of

James Dantonio

Newark, he attended Barringer High School and Newark University, now part of Rutgers-The State University.

He and Mrs. Dantonio, the former Florence Tort, also of Newark, reside on Franklin Avenue, Belleville.

# Manager Appointed To Develop Products At Walter Kidde Co.

Harry C. Lein has been appointed Manager Product Development and Planning for the fire extinguishing and safety equipment products of Walter Kidde & Company, Inc.

With Kidde since 1942, Lein was formerly manager of their systems engineering department, sales manager of the international division handling industrial and marine products and sales engineer of the industrial and marine division handling special products and systems.

A member of the National Trust for Historic Preservation, Lein also belongs to the National Fire Protection Association where he serves on the committee for protection of libraries, museums and historic buildings and on the carbon dioxide committee.

A native of Orange, New Jersey, he attended Newark University. The father of four children, Lein lives in Maplewood, New Jersey.

George J. Romano of 24 Naples Avenue, Belleville, formerly of Newark, died March 4 in Clara Maass Hospital after a brief illness. He was 56.

Born in Tyrone, Pa., Romano had lived in Newark 29 years before moving to Belleville six months ago. Until last April he was a maintenance man for St. Michael's Church, Newark.

He leaves his wife, Mrs. Martha Liken Romano; two sons, George L. of Belleville and Richard A. of Nutley; a daughter, Mrs. Alda Turner of Newark; four brothers, Leonard of Newark and Earl, Peter and Carl, all of Tyrone; a sister, Mrs. Rose Petrelli of East Orange, and two grandchildren.

The funeral was held March 7 in St. Michael's Church, with interment following at the Holy Cross Cemetery in North Arlington. The funeral was from the Spatola Funeral Home, 240 Mt. Prospect Avenue, Newark.

Holy Family CYO To Host Religious Education Lectures

The combined Adult Religious Education Programs of Mount Carmel, St. Mary and Holy Family of Nutley and St. Peter of Belleville are sponsoring a series of three Lenten lectures.

Rev. Michael Hanly of St. Mary, Elizabeth will speak March 17 on "Sacraments and Adults." Rev. Albert Hakim of Seton Hall University will explain "The Church Today" on March 24. Rev. James Maselko will present "An Understanding of Conscience" on March 31.

Each of the lectures will take place in the CYO building at Holy Family Parish 28 Brookline Avenue, Nutley at 8 p.m.

A little politeness goes a long way with most people and is usually repaid two-fold. When athletes become more important than studies, the tail is running away with the dog. People who hurry through this life meet death that much earlier.

## Legion Celebrates 50th Anniversary

Gala birthday festivities marked the 50th anniversary of the American Legion at party to be held on Saturday March 8 at the Post Home, 621 Washington Avenue. The post has invited the Ladies of Unit No. 105 American Legion Auxiliary to share in the event.

The American Legion was founded March 15-17, 1919, at a meeting in Paris, France, attended by representatives of the various outfits of the American Expeditionary Force of World War I.

Commander Patrick Wynn of Post No. 105 announced the celebration will reach its climax when the Legion will present its "Gift to the Nation" permanently installed illumination of the Tomb of the Unknown Soldier at Arlington National Cemetery.

Funds for the "Gift to the Nation" and its perpetual care were raised through contributions from individual Legionaries and members of

the American Legion Auxiliary, and Legion and Auxiliary organization from the community and national echelons.

When contributions are all received the fund should be in excess of \$75,000. National Commander William C. Doyle of New Jersey will formally present the "Gift" on nationwide television on March 15.

One of the highlights of the local Legion party was the awarding of Life Membership to two dedicated and hard working members, James V. LaMotta and Meredith Marx.

Post No. 105 had its beginning when several returned World War I Vets met at the Belleville Town Hall.
