

HERE COMES THE QUEEN— Marilyn Casale, chosen Miss Belleville at the very royal fashion, with a cadet honor guard setting the stage. Miss Casale High School only minutes earlier, enters the Chamber of Commerce dinner in presented her parents to the group and sang a song.

Marilyn Casale Is New Queen

Miss Marilyn Casale, who Saturday captured the Miss Belleville 1969 crown, is now preparing for her trip to the Miss New Jersey Pageant in July at Cherry Hill.

Miss Casale, 18 and a graduate of East Orange Catholic High School, is a Freshman at West Chester State College in Pennsylvania, where he is majoring in music.

The new Queen seemed stunned when she was named the new queen and said afterwards, "I just wouldn't let myself believe I had won."

The dark haired beauty had earlier entertained the judges and audience when she sang "I Could Have Danced All Night" from the Broadway hit "My Fair Lady".

Community Group Backs Tax Reform

In an effort to lower the tax rate on residential homes, the Belleville chapter of Communities For United Action has submitted a proposed property tax legislation to State Senator Gerardo Del Tufo, who has agreed to introduce it in the New Jersey State Senate.

The proposed legislation, prepared by the non-partisan civic organization, would put a ceiling on the maximum that a home owner would be required to pay in real estate taxes, thus providing a basis for his security and retirement.

According to the document, "After an individual has demonstrated that he has been living in a home for which he is subjected to real estate taxes, for a minimum period of five years, his tax shall be computed as follows: The tax for said property shall not exceed six per cent of the

assessed valuation of the property (based on a 100 per cent assessment ratio) or 8 per cent of the income of the family residing therein, whichever is the least, but in no case shall the minimum property tax so levied be less than 2% of the assessed evaluation of the property based on a 100% assessment ratio."

Salvatore R. Calabro of 76 Fairway Avenue, Belleville, who prepared the document, states that one advantage of the legislation would be to "insure efficiency in government at all levels because of the necessity for operating within restricted budgets."

In addition, Calabro says that it will "foster the introduction of the management science into government operations resulting in the development of optimum

The former Miss New Jersey High School Talent Queen for 1968, hopes to attend the Julliard School of Music and eventually teach music. During high school she participated in several musicals.

First runnerup and recipient of a \$250 scholarship from the Belleville Kiwanis is Miss Jo Ann Romao, a senior at Belleville High School. She is a member of the high school twirling squad and plans to attend Paterson State College and major in elementary education.

Second runnerup was Miss Francine Parisi, who is the recipient of a \$125 scholarship from the Colony Club of Belleville. She entertained with a ballet selection from "Swan Lake". She is also a senior at Belleville High School and was a runnerup in the Essex County Junior Miss contest.

Miss Casale, who received a \$500 scholarship from the Peoples National Bank & Trust Co. of Belleville, will also make several appearances during the year in local parades.

The pageant is sponsored annually by the Belleville Jaycees in conjunction with the Cherry Blossom Festival, which also includes a parade sponsored by the Jaycees.

Miss Romao was also selected as Miss Congeniality by the contestants themselves.

Clean-Up Week Starts May 5

Commissioner Vincent T. Strumolo, director of Public Affairs, announced that Spring Clean-Up Week will begin Monday, May 5 and will continue to May 10, with articles being collected on regular garbage collection days only.

"Now is the time for all citizens to clean out their cellars, yards, garages and attics," the commissioner said.

Commissioner Strumolo recommended that garbage be laid out on the curb the night prior to the regular garbage pick up.

In a public notice mailed to all Belleville residents, the commissioner outlined the procedures and regulations

involved in the housecleaning week.

In defining what articles may be deposited for pick up, Commissioner Strumolo emphasized that "If the people would follow the instructions in the brochure, the thing would be done right."

Included in the articles permitted for deposit on the curbs are building materials such as wallpaper and plaster, fixtures, plumbing and refrigerators, lumber that does not exceed four feet in length and is tied in bundles, furniture, waste paper, cans, bottles, crockery, glass, crates, rags, cartons and boxes. The debris must not

Board Favors No Budget Vote For Electorate

Belleville Board of Education — plagued by continuing budget woes — this week endorsed two bills before the N.J. State Legislature which would abolish the requirement that taxpayers give their okay to school appropriations at a town-wide election each year.

The decision to endorse came in the aftermath of a preliminary appeal the Board made Friday to the State Commissioner of Education in Trenton complaining that a proposed \$205,777 budget cut by the Town Commissioners would be to the detriment of better education in Belleville.

The Board voted to favor a bill introduced before the Assembly by Assemblyman John A. Selecky, and one sponsored in the Senate by Senator William T. Hiering. The bills are currently in the Committee of Education of each chamber.

In giving their reasons for endorsing the bills, the Board mentioned the fact that voters do not have to vote on municipal, county, state and federal budgets. Mention was also made that "a dissatisfied electorate has the opportunity to express itself when electing board members."

The original budget was rejected by the voters on February 11 and it was two days later the Board again met and reviewed the entire budget. They deleted \$100,000 from the Capital Outlay account and then unanimously voted to resubmit the reduced budget to the voters on February 25.

For the second time the budget was defeated at the polls. The Board continued to meet with the Commissioners but no agreement suitable to the Board could be worked out.

On April 25, the Board went to Trenton with a 14 point brief prepared by its attorney, Max Schwartz. Town Attorney Nicholas

Amato and Finance Commissioner Joseph McGreevy represented the Town.

No decision was reached in the confrontation that took almost four hours in a closed door conference. Reporters were banned from the hearing by the State Commissioner who stated that since the appeal was at present, only an informal one, it need not be made public. No justification was given why two former Board members were allowed to sit in on the hearing.

After the meeting spokesmen for both parties told the press they could make no statement as to what happened in the closed chambers. Town Attorney

Nicholas Amato said he had no knowledge that a reporter for the Times was barred from the proceedings, adding he would have objected, therefore, to Board Secretary Mary Shader's taking notes during the proceedings, had he known this.

What now remains is for both sides to agree on another meeting date for the hearing.

In other business, the Board voted to grant permission for the High School Band to participate in a trip May 21-25, with stops at Washington, D.C., and Richmond, Virginia, with performances at the Walter Reed Hospital, McGuire

Raise Withheld By Commission

An ordinance which would have raised the minimum and maximum salaries for the registrar of vital statistics was withdrawn at the Town Commission meeting Monday night despite the opposition to its removal by Public Affairs Commissioner Vincent Strumolo.

The ordinance will be held for further study by the Commission. Commissioner Strumolo cited its removal as "a waste of the taxpayers money."

The ordinance, which was before the Commission for a second and final reading, will have to be advertised at the town's expense at a future date.

On first reading, the ordinance was passed by a three to two vote. Monday night, all of the Commissioners plus Mayor Smith voted to withdraw the proposal except Commissioner Strumolo.

Reached at his office for comment, Commissioner Strumolo accused the rest of

the Commission of "playing politics."

"If they want to play politics, it's their business," he said.

"I think the taxpayers are being abused," the Commissioner said, "because they are the ones paying for the advertisement we made for this ordinance."

The ordinance would raise the minimum salary for the position currently held by Ralph Risoli from \$5,400 to \$7,016, and the maximum tax from \$6,828 to \$9,324. Risoli is currently at the maximum, and the proposed raises would put him at step 1, or \$7,334.

Risoli was in the news recently concerning his pending lawsuit against the town, in which he is contending he is entitled to the town position of Administrative Clerk for the Department of Public Affairs, a position which was terminated when the town reorganized from a

Belleville Public Health Nurse Retires After Serving Town For 41 Years

Babe Ruth was well on his way to slugging 60 home runs when Mrs. Ethel Akersten made her first home call as a public health nurse in Belleville. Since then a lot of changes have come about.

"I remember when we had to do a lot more walking than we do today," Mrs. Akersten said. "There were far fewer roads to citizens homes, and traveling was much more difficult."

"In the earlier days we had many more cases of diphtheria and scarlet fever," she reflected. "If a child had diphtheria we had to find out which kids he played with and check all of them. It was quite a job."

On April 22, the Department of Public Affairs honored Mrs. Akersten with a party to mark her retirement from public service.

With some 60 people attending, including friends, fellow employees, and Mayor Kenneth Smith, Commissioner Vincent Strumolo, and Commissioner Mary Senatore, Mrs. Akersten was visibly delighted.

"I thought the party was wonderful," she said. "I was glad so many of my friends came to the affair. It was a real thrill."

As a highlight to the luncheon given in the department building, Mrs. Akersten was presented with a gold pin and a resolution thanking her for her many years of dedicated service to the Town of Belleville.

Mrs. Akersten retired on February 1 of this year. She blamed the strain of climbing stairs and adverse weather

as the only reason for her retirement.

"I hated to give up my work. I always enjoyed it."

It was a lifelong ambition that Mrs. Akersten fulfilled in being a nurse. "I always wanted to be a child nurse and was glad to be able to do so."

Mrs. Akersten is a longtime Belleville resident. She attended School Number 3 and Belleville High School before enrolling in St. Barnabas School of Nursing at its old location in Newark.

After trying a few months of private nursing, Mrs. Akersten felt the need to become

a public health nurse, and did so on September 1, 1927.

Numerous Belleville school graduates will recognize Mrs. Akersten, as she served as school nurse for schools number 2, 4, 7, 8, and 10 for many years. For the last five years, prior to her retirement, she worked as the school nurse for

St. Peter's school.

Currently, Mrs. Akersten is recovering from a mild illness. She spends much of her time doing chores around the house.

This summer she will live in her summer home in Forked River as she has done for the last 32 years.

HONORED NURSE— Mrs. Ethel Akersten, public health nurse for 41 years, recently retired from office and was given a party and this plaque on April 22. Pictured (from left) are

New Jersey Hospital Group Selects Oberg As President

Albin H. Oberg, executive director of Clara Maass Memorial Hospital, is now serving as president of the New Jersey Hospital Association for 1969-1970.

Oberg was installed at the association's annual meeting, succeeding James R. Pepper as president. Oberg has served as executive director of Clara Maass Memorial Hospital since 1952, and as president-elect of the association for 1968-1969.

Oberg has a bachelor's degree from Upsala College (1949) and a master's degree in hospital administration from Northwestern University (1951). He served in Europe during World War II. A resident of West Caldwell, he has a wife and two children.

Also elected at the meeting were John N. Hatfield as president-elect; Joseph M.

Henry as vice president and John R. Heher as treasurer. A full slate of trustees were also selected.

Following the election of officers, the more than 300 hospital and health representatives witnessed the presentation of the Second Annual Hospital Achievement Award to Julius A. Rippel, president of the Fannie E. Rippel Foundation, "for his exceptional contributions to the hospital field."

At the meeting, a special award was presented to Governor Richard J. Hughes "for his interest and efforts on behalf of New Jersey hospitals."

The featured speaker, George W. Graham, M.D., president of the American

Hospital Association, discussed the "National Outlook For Hospitals."

The familiar temperature
of 98.6 degrees is not
always normal. Today,
physicians tend to
consider a range between
97 degrees and 99
degrees, orally a
"normal" zone. One
reason is that body
temperature has its ups
and downs during any
24-hour period. It is
lowest (97 degrees or
less) from 2 to 5 a.m.,
when you're sleeping. It
jumps to perhaps 99.5
degrees by the late
afternoon or early
evening. Also, it is likely
to be a little higher after
meals. Beyond this,
individuals vary in their

Two Men Held After Robbery

Two youthful suspects of a knife-point robbery were apprehended by Belleville Police after an all-points search was conducted on April 24.

The youths, Martin Stephens, 18, of 1993 McCarter Highway, Newark, and Franklin Barryington Rainford, 18, of 765 Broadway, Newark, were arrested on Mill Street near Terrace Place after two other youths came running into the Belleville Police Station

complaining of being robbed on the railroad tracks just north of Cleveland Street.

Radioed the description of the suspects, Lt. Robert Russo and Officer Albert Koelsch arrested the two on charges of assault and battery. They were held in lieu of \$5,000 bail pending a May 8 preliminary hearing in the Belleville Municipal Court.

Accusing the two youths of the robbery, were David Kelley, 23, of 101 Summit

Street, East Orange, and Joseph King, 18, of 718 Clinton Avenue, Newark. They complained that their wallets had been stolen by the suspects while they were walking near the railroad tracks.

city-manager form of government to a mayor-council form. Risoli claims the position was never legally terminated.

The Commission, in other business, endorsed a proposal to give the Passaic Valley Sewerage Commission the right to float its own bonds.

The sewerage authority had asked the local governing body to support Senate bill S-719. The body now gets its cash from member municipalities.

The bill, if passed, would make it possible for the commission to bond projects required to maintain and revise operations and the

treatment of sewerage flow, to meet the standards established by the Hudson River Enforcement Conference and the New Jersey State Department of Health.

A resolution was introduced authorizing the Town Clerk to advertise for proposals for the improvement of Fairway Avenue Playground, Stephen Street Playground, Beech Street "Basketball Area" and Washington Avenue Fire Headquarters.

Included in the advertisement will be a proposed ice-skating rink at Fairway Avenue and Plansoen Playground. The rink was put up for bidding last year but the best bid received was \$1,000 above the price the town was prepared to pay.

Commissioner William Cullen stated that he was starting with the project this early in an effort to give the contractor who gets the job plenty of time to install the facility before winter.

In other business, bids were accepted for the purchase of vehicles for the Department of Public Safety, and for a town-owned lot at 70 Bellavista Avenue.

Three 1969 Plymouths to be used as police vehicles were purchased from the lowest bidder, Bigelow Motors of Belleville for \$10,000. A 1969 Cadillac ambulance was purchased for \$18,300 from Wolfington Body Co. of Philadelphia.

weigh more than 200 pounds.

The brochure further stated that all loose material must be put in boxes or garbage cans.

In addition to the instructions in the brochure, Commissioner Strumulo told the Times that rocks, dirt or stones will not be picked up by the garbage collectors.

The commissioner emphasized that the brochure's instructions must be carried out to the letter because the town has a strict five year contract with the sanitation men that must be followed completely. The pick up men will only cart away those materials listed in their contract.

Commissioner Strumulo said that he hopes "that Belleville residents will make Cleanup Week a family project and take advantage of this opportunity to clean their homes and grounds of unwanted items."

In Essex

GOP Gets Peace

After two years of deep party rivalry, Essex County leaders from the Organization Republicans and the Reform Republicans this week got together, buried their differences, agreed to share party leadership, and produced one Primary Election slate of candidates.

This is quite an accomplishment when one recognizes the fact that there were strong personalities on both sides who were not about to give up their personal prerogatives without a struggle.

In the interest of party harmony, (a prerequisite for Republicans to recapture the Governorship this November,) both sides to the intra-party fight agreed to share the party leadership, authority, and responsibility.

The result is very gratifying to those Republicans who yearn for a return to the good old days when the GOP controlled most of the court houses and the State House.

Peace did not come easy. Both GOP State Chairman Webster Todd and GOP National Committeeman Bernard Shanley employed their powerful influence to aid in bringing about the result which finds the GOP at peace in Essex County today.

Todd's influence was perhaps the most important element in the successful peace negotiations. He has been around the state

for a long time and knows well the importance of electing a Republican governor.

The National Democratic Party will attempt to convert this November's gubernatorial election into a test of the Nixon Administration. Of course, we know a New Jersey gubernatorial election has nothing to do with the manner in which Nixon runs the country, but this will not stop politicians from suggesting the result could be repudiation of Nixon and a repeal of the 1968 national election results.

The Republican candidate for governor will be obliged to convince New Jersey voters that he is best qualified to serve their interests, and what may be equally important, he may be compelled to defend the Nixon Administration.

These were among the compelling factors that motivated Webster Todd to take a direct hand in settling party differences in Essex County.

Democrats now are put on notice that they are going to be in for the battle of their lives here in Essex County.

The College Campuses

And Now-Armed Insurrection

The challenge to constitute authority on the college campuses now has reached a very critical stage.

Last week, militants on the Cornell campus occupied a building and secured the occupation with guns.

The permissiveness and complacency which have characterized past seizures of campus buildings must be re-examined in the light of the Cornell situation.

The time is at hand when university and public officials responsible for keeping the peace no longer can close their eyes to the facts of life on today's college campuses.

Revolution, anarchy, armed insurrection, or known by any other name, the radical militants' action demands a militancy on the part of those people responsible for preserving free institutions.

The question no longer is equal rights - for the rights of law-abiding, respectable students long have been violated by the mini-minorities of militants on the college campuses.

This week New Jersey Young Republicans

addressed themselves to the question of college campus behavior by urging our State Legislature to reject any increase in appropriations to Rutgers University until the University bases its admissions policy completely upon achievement and ability, irrespective of race or national origin.

Recently Rutgers authorities reacted, to the seizure of a campus building by militant Negroes by agreeing to waive admissions requirements for Puerto Rican and Negro applicants.

The Young Republicans action is a move in the right direction. The hope is that our political leaders will demonstrate as much muscle as the New Jersey Young Republicans demonstrated in courage.

Joe Minish Makes Sense

Congressman Joseph G. Minish, from the 11th District, has urged the Nixon Administration to support meaningful tax reform this year.

Minish wants the administration to eliminate "loophole privileges" unavailable to the average citizen.

Minish thinks the oil depletion allowance typifies the injustice in our tax system. In pursuing this argument, Minish states, "The circumstances causing the conferring of special privileges upon the oil industry in 1926 do not now prevail."

Minish also supports legislation to raise the individual income tax exemption per dependent from \$600 to \$1,000 a year. Minish points out that the cost of living in

the United States has more than tripled over the past three decades, and yet during the same period the personal exemption rate has been increased only once, and then by only \$100.

Minish originally and still does oppose the surtax.

Minish's interest in the poor man's problem dates back from the beginning of his service in Congress. We trust his appeal to the Nixon Administration to support meaningful tax reform is heeded.

Another New Train

The Penn Central Railroad has introduced a new train on its Boston-New York run and some officials think this concept in rail transportation has more of a potential than the new Metroliner, recently introduced by the same road on its New York-Washington run.

The Metroliner, an all-electric, newly-engineered train, began service in January and makes the run between the national capital and New York in just under three hours. Since air travel between the cities (including taxi rides to and from airports) usually consumes two or more, the new train is regaining some air traffic.

And in recent weeks the Penn Central has announced a new non-stop Metroliner which reduces travel time between New York and Washington even further to two and a half hours.

The new Boston-New York train is the Turboliner, like the Metroliner sponsored by the U.S. Department of Transportation, which leases the equipment to the railroad. It is different in that it is powered either by

turbine engines or a third rail. Its suspension system enables it to bank toward center and thus it can round curves safely at a much greater speed than other trains. Its modified aircraft engines also gives it great speed potential.

The present schedule for the new train requires 3 hours and 55 minutes for the Boston-New York run but Transportation officials think this can be cut to 3 hours fifteen minutes in the next few months. (Government officials have complained that too many rail officials exhibit limited interest in passenger service, which they are said to view as a necessary interference with more profitable freight. And Penn Central insisted on the new Turboliner's 3-hour 55 minute schedule rather than a faster one.)

National security demands a strong rail system. Passenger congestion on the roads and in the air demands modernized rail service to ease dangerous congestion and keep in operation highly useful transportation facilities. Thus the arrival of the Turboliner, like the Metroliner, is gratifying and significant news.

Citizens Give View Regarding DeGaulle

By Michaelangelo Petruzzelli

QUESTION: How much will General De Gaulle be missed as President of France?

ASKED: In the Belleville and Nutley shopping districts.

Patrick Peduto, 186 Harrison Street, Nutley

Frankly I don't think De Gaulle will be missed that much. Especially in the United States because I don't think he's loved very much here. At one time he was good for his country, as he brought them together at one time. I think France still needs to be pulled together but in my opinion General De Gaulle is turning to communist powers for help instead of the countries who supported him in his need during World War II. He threw out NATO and actually denounced the United States in public. I think it was good for France, his stepping down.

Donna Luongo, 89 Carmen Avenue, Belleville

I don't think that De Gaulle will be missed at all by the Americans because of the situation over the gold standard and the way he has made France deal with our overseas tourists. Maybe now there can be better relations between the United States and France. The way things are today in our hostile world, better relations with any country would help. I hope a weak person doesn't take control of France and let the

political organizations of communism spread into the country.

Victor Fazzari, 57 Overlook Avenue, Belleville

I don't really think Charles De Gaulle will be missed at all. I believe the world will go on no matter who leaves. It just takes a period of time and the people will forget. It's a question of picking a younger man or an older one is important, but instead the important thing is the qualifications of the person they pick. The relations between the United States and France depend mostly on whether the person they pick is a good man.

Paula Brown, 518 Prospect Street, Nutley, Essex County Junior Miss

Personally I won't miss him. But having been an intricate part of the French government for so long, he undoubtedly must have influenced some percentage of the French population. I'm very surprised that his reform bill was over-ruled by the people who kept him in office for so long. I hope the next president will be more liberal than De Gaulle. I think it would do France some good to have a president with more modern policies, particularly in foreign relations. With the current progression of international compatibility, surpassing the traditional peaceful coexistence, France should take a greater part in promoting world peace.

The future of the Essex County Isolation Hospital in Belleville will be given a thorough study by a committee appointed last Thursday by Mrs. Jeanne Moss, director of the Board of Freeholders. Originally an isolation hospital for the treatment of communicable diseases, it no longer functions primarily as such. Instead, it provides care for tubercular children and serves as a general hospital for county welfare patients.

Despite objections from several members of an overflow audience in Town Hall, the Board of Commissioners passed a final reading an ordinance calling for a 59 percent increase in water rates.

An ordinance appropriating \$25,000 to air condition Town Hall was defeated by a tie vote at the Commission meeting.

The automobile is still a menace to the horse. At least it is to one horse which refuses to admit that the days of equine glory are over. Anthony Maglio of Watchung Avenue was driving his horse and wagon east on Franklin Avenue Saturday afternoon near the intersection of Florence Avenue when an automobile went by. The horse became frightened, reared and took off wildly across some vacant lots. Maglio was later treated at Columbus Hospital, Newark, for lacerations to the leg and multiple abrasions of the arm and face.

Speak Up

Policemen Help With Resident's Flat Tire

To The Editor:

On Friday, April 18, I was going to work at Mountainside Hospital on Belleville Avenue, when I got a flat tire.

This was about 5:30 a.m. and I was due at the Hospital at six. I was worried and scared, believe me. This had never happened before and I did not know what to do.

I was delightfully surprised when the Belleville Police patrol car came and these gentlemen saw my predicament. They stopped, right away and asked if they could be of any assistance. Not only did they direct me to a service station where they left my car with instructions as to what had happened, but they brought me to Mountainside Hospital, where I am employed as a cafeteria service worker.

The mere words that I write cannot express my thanks and

gratitude to these fine gentlemen, who have certainly earned the reputation of "Belleville's Finest"

I will never forget the way that these gentlemen put themselves out to do me a favor. There have been other emergencies particularly when my children were ill that they took the time to bring them to Clara Maass Hospital for emergency treatment.

Our hats should go off to all of these fine gentlemen, who are doing their utmost for the people of Belleville and trying to make it a better place to live in.

If all our men were like those in the Belleville police force, I would say that this world would be a better place to live in. Again thanking them publicly, I am,

Airline Worker Says On-Time Record Good

To The Editor:

Your recent editorial in this paper does not quite ring true.

As an employee of one of America's largest airlines, and directly involved in on time departures, I would like to clear up a few points which evidently are not known or realized by the author of the aforementioned editorial.

Before I go any further, I must admit I cannot speak for the railroads or bus lines, but I would believe their operations will compare favorably with the airlines. However I can speak for the other airlines, because I know their operations are the same as ours.

As far as ontime departures go, our airline had for the past year a record of departures, within five minutes of departure time of 80%. Within 15 minutes of departure time this percentage goes up to over 90%.

As far as arrivals go, the airline made 85% of its arrival schedules within 15 minutes.

As far as cancellations go, the airline industry in the past five years have completed approximately 97.7% of the scheduled miles flown.

When you realize the number of trips a day this involves, over 800 a day for my employer, you start to get the picture.

I will admit to this past summer to delays getting into and out of the New York area because of air traffic delays, but did the writer examine the reason?

Now, to get to your statement about employees who "finally relax and stop worrying about getting there on time."

Having worked the "gate" at LaGuardia for quite a few years and responsible for ontime departures, as far as maintenance is concerned, I and my fellow employees are

anything but relaxed. When an airplane like the 727 comes in and must be turned around in about 30 minutes, it is a pretty fast pace to say the least.

I could go on with more facts and examples on this point but this paper is not large enough.

I would like to ask the writer to take me up on an offer. Would he like to observe the gate operation at Newark first hand? I would be happy to show him just what goes on and I'm sure he will be amazed.

A few words in defense. A very large percent of the delays, short ones, are caused by passengers who just make it to the airports for a trip. Many trips are held up for late passengers, usually they get caught in traffic getting to the airport.

Above all else, and this is the biggest reason for delays of a long time, and by far the most important. Safety. There is one thing that the airlines place above on time departures, and that is safety. Many people just do not realize the delay is for their own safety, not the airlines convenience or because people "are relaxing". This point accounts for all those delays last year, that were widely talked about in the New York Area.

In closing, I would like to add, some of my figures or facts came from information given to all Supervisors in our company, and some from a very good, and factual, book just published. "Loud & Clear" is a new book written by Robert Serling who has written about aviation for years and is a noted authority on this subject. Perhaps you would like to read it.

Trackmen Fall Again, For Fifth Straight Loss

The Belleville High School trackmen lost to East Orange on Monday, 85-31, falling to their fifth defeat without a

win. This week the team faces four meets, hoping to break into the win column. Today the team will face

Varsity Crew Wins Tri-Meet

Saturday, the Belleville High School crew raced Nutley and Arlington (of N.J.) high schools on all levels. The warm summerlike weather brought out a large crowd and they were rewarded with several outstanding performances.

The varsity, bouncing back from their first defeat of the young season, soundly defeated a very strong Arlington crew by 11 seconds and Nutley by 29 seconds.

The winning time of this race was 5:54, raced against a strong incoming tide. The victory brings the varsity record to four boats beaten, one lost.

The single loss came at the hands of Atlantic City High School, two weeks ago, when they were defeated by a mere

two seconds. This victory was a most important one, especially in advance of the fast approaching Poughkeepsie Regatta, May 10.

The junior varsity was narrowly defeated for the first time this year. They had previously beaten three boats by considerable margins, however this time around Arlington turned in a 5:52 mile as opposed to Belleville's 5:57 and Nutley's 6:00. It was a most exciting race which was won in the last quarter mile.

The freshman team, after losing its opening race of the season, has come back strongly to the surprise of many. Last Saturday they defeated Arlington and Nutley in a very close contest between the first two crews.

The third boat fared badly, last weekend, losing both to Nutley, who won and to Arlington.

Nutley which has been surprisingly strong this year despite the handicap of not having their own track to practice on. On May 3 there is the Board of Education meet, while on May 5 Bloomfield comes to the stadium. The Big Ten meet takes place on May 7.

Vic Squitieri was the big scorer of the day for Belleville, as he took first place in the low hurdles and a second in the discus.

George Reipe got his sixth first place finish in row in the pole vault.

The meet started off with East Orange winning the high hurdles 8-1 as Davy Brown contributed the only Belleville score.

East Orange then swept the 100 yard dash with times of 10.3, 10.5 and 10.7.

In the mile, Mike Ventura of Belleville was second with a time of 5:44, only 1.1 behind the winner.

East Orange then swept the 440 yard event, as Marc Bradley was fourth, only .5 behind the third place man.

Vic Squitieri picked up his first place in the low hurdles with a time of 17.0. East Orange's Rudy Brown and Seth Jacobs were close behind.

In the two mile event, Bob Forrest was beaten by Syd-

ney Snelling. Eddie Mazza was third.

East Orange then swept the 880 yard dash for its third sweep of the day.

In the 220, Max Bradley picked up third place in a tight race. He was .5 out of second and 1.1 out of first place.

In the field events, George Reipe was first in the pole vault with 10'6", while Charles Eccles was second with 9'6". East Orange's Flemming was third, Reipe's high mark this season has been 11'.

In the high jump, East Orange took first with 5'8", with Davy Brown taking second with 5'6". Lew Burrell was third.

Belleville's Ralph Salerno took a second in the shot put with a heave of 40'11".

East Orange took first and third as Folks and Landry threw the shot 42'11" and 40' respectively.

MIGHTY HEAVE — Sophomore Michael Albertine heaves a mighty toss in a dual meet against East Orange. The sophomore has beaten more experienced members of the discus squad in the past. His main event is the shot put.

Bellboys Fall, 2-0 To Irvington Nine

The Bellboys traveled to Irvington Tuesday and were treated rather rudely as they absorbed their sixth loss of the season, by a score of 2-0. Belleville is now 4-6-1 on the year.

Tomorrow the Belleville nine faces cellar dwelling East Orange in a home game. Tuesday, a tough team from Kearny comes to the Stadium to take on the home squad.

The loss to Irvington was a tough one for Belleville pitcher Bob Giordano as he wasted a neat 3-hitter. In a previous match - up with Irvington, the game ended in a tie with Giordano receiving no decision. The previous tie was also a 3-hit effort by Giordano.

April Child Welfare Month Made By American Legion

Jack W. Kuepfer, of Clifton, State Commander of the New Jersey American Legion announced today that during the month of April the 425 New Jersey Legion Posts will join the 16,000 posts throughout the nation and in several overseas countries and territories to observe Child Welfare Month.

"The Legion's observance of this special month relating to one of its major programs will take on even greater significance during this 50th Anniversary year of the founding of The American Legion," stated Kuepfer.

In 1919 The American Legion dedicated much of its time, resources and endeavors on behalf of children and youth by assisting widows and orphans of deceased veterans and in 1925 began a program of temporary financial assistance to aid dependent children of veterans. Since that time the program has branched out to improve conditions for all children.

Giordano struck out four batters, walking only one. The Irvington pitcher Ed Schreiner also turned in a fine 3-hit performance, striking out 11 while walking two.

In the first inning, Carl Gordon led off for Irvington with a triple to right field, John Mahon singled him home. After Mahon's base knock, Giordano settled down and pitched brilliantly the rest of the way, allowing only one more hit.

Irvington scored again in the fourth without a hit. The home team was aided by two of Belleville's four errors for the day.

Belleville threatened to score in the sixth and the seventh. In the sixth, Joe Vidiello reached first on an error, and stole second, but was tagged out when he accidentally stepped off the bag. An error followed which would have allowed him to score.

In the seventh, Belleville's Ed Pimento doubled deep to left center to lead off, but the next three batters couldn't muster enough power to bring him home. It was Pimento's second hit for the day, and considering he has been to bat only one other time for Belleville, he should be seeing alot of action in the future.

Irvington's record is now 7-3-1.

Town Tourney Set For June

Commissioner Bill Cullen announced this week that the 1969 Belleville Golf Tournament will be held on June 7 with tee-offs starting at 12 p.m. This year the Tournament moves back to Florham Park Country Club, the sight of the original event back in 1967.

The golfers will find many prizes to be won, three will be the sweepstakes and there will be trophies. Awards will be presented for low gross, low net, nearest-the-pin, longest drive and other surprises. After the golfing there will be a full course dinner followed by the awards presentations.

The annual golf tournament has been growing each year and 1969 promises to be the best ever with a new record attendance expected. Applications are available at either the Recreation Department office at 407 Joralemon Street or at the Town Clerks office at Town Hall. For the convenience of those who would have difficulty in picking their applications up, the Recreation Department will accept telephone requests and will mail applications.

Track Varsity Loses Another For Fifth Time

By John McCarthy

East Side High School became the fifth team to beat the winless Belleville Trackmen. The defeat came last Wednesday as the Bellboys lost 82-35. Belleville beat East Side 23-22 in the field events, but lost 60-12 on the cinders.

In the pole vault, George Reipe and Charles Eccles took a first and a third, respectively. George again cleared 11", and Charley was 6" behind East Side's Frank Valez with 9' 0".

Doug Brown took Belleville's only point in the High jump as he made it over 5'4". Ralph Saliero picked up Belleville's sole point in the shot put.

Vic Squitieri, Ralph Saliero, and Mike Albertine swept the Discus for Belleville as Vic's throw was 109'3", Ralph's throw 104'0", and Mike's 98'0".

"Sonny" Giordano took another first in the running broad jump as his 18'10" jump was two feet better than the second place man who was from East Side. Ricky Caruso was third with 16'8".

In the track events, Belleville started out poorly, as East Side swept the high hurdles and the hundred yard dash. In the mile, East Side's Margitta and Hill were first and second with 5:07 and 5:10. Belleville's Mike Ventura was third with five minutes 19.2 seconds.

East Side picked up two more 8-1 wins in the 440 and the Low Hurdles. Billy Robinson (ES) and Bob Simmons (ES) turned in 16.2 and 17.0 in the lows. Belleville's Vic Squitieri also turned in 17.0 but Simmons beat him by only inches.

Mark Bradley got Belleville's point in the 440 as he was beaten by one half of a second.

Bob Forrest took Belleville's last first place as he beat the second and third place East Side runners by 30 seconds and 60 seconds in the two mile. East Side also swept the 1/2 mile, and Mark Bradley and Doug Brown took a second and a third place for Belleville in the 220.

BECK'S COLUMN

By MAX BECK

In line with the much publicized "Consumer Protection" movement, the Federal Government has passed a "Truth in Lending" law. This type of legislation has been hotly debated for years. Some retailers fear that it will have a detrimental effect on their businesses. It is exactly these people who caused such legislation, because there must have been something wrong in the manner how they gave credit or rather how they charged for credit.

Everybody knows that you have to pay interest and sometimes some other charges if you buy on time. A revolving charge account at 1 1/2% amounts to 18% a year. That is a lot of percent. Stores who offer this sort of financing claim that the bookkeeping expenses are very high. Most purchases made on a time payment plan carry a charge of 10%. In the future the rate of interest has to be clearly declared on the time payment contract. For most people this won't make the least bit of difference. The vast majority is interested only in "how much a month", rate of interest does not mean much to them.

Many people never would be able to make a major purchase, if they would have to pay cash. There is nothing wrong with buying an expensive item on time payments and a reasonable amount of interest certainly is justified. For large finance companies the rate of interest of 10% does not appear to be excessive. There is a lot of paperwork involved. Just having money in the bank without the risk which always is connected with a time payment contract, returns close to 6%. An additional 4% for unavoidable losses and paperwork does not appear excessive.

If you had dealings with Beck's, you know of course that we consider it cash, without any carrying charge, if the invoice for a purchase is paid within 90 days. In addition we offer our own budget plan up to 18 months and our charges are the lowest in the state, 7.64%. Our budget plan is for the convenience of our customers, we are not in the financing business.

We service what we sell.

THE
RESIDENCE
PACKAGE.

It's like getting a third phone for a dime

When you order one of our new telephone Residence Packages, you get the best today's telephone service can offer. And you save money, too.

Two slim Trimline® phones with Touch-Tone® calling normally cost \$4.40 a month plus your regular charge for basic service. But, in a Residence Package you can have both of them, plus a third phone in the style you choose, for only \$4.50 plus your basic charge. These new Residence Packages contain any three Touch-Tone® telephones: Trimline® phones, Princess® phones or standard phones. You also get your choice of colors. Your choice of wall models or desk models. Your choice of standard or longer cord lengths. In the Residence Package the choice is yours.

There are larger Residence Packages, too, with four, five, six or more phones. Each phone you add to your basic three costs only \$1.25 a month.

We'll install all your new phones at one time for as little as \$5, but no more than \$7. So, you start saving with your Residence Package even before you tap the number to make your first call.

If you'd like our help in picking out your customized Residence Package, or if you know what you want, just call your Telephone Business Office.

The Belleville baseball team now has a record of 4-5-1, as the season nears its midpoint. Berry Giordano so far has a 2-2 pitching record, and an ERA of 1.02 to go with it. Rich Schulz is now 1-3 with an ERA of 1.40.

Joe Goscinski is 1-0, with his win in the hitting spree over Weequahic. So far Joe has struck out 10 batters in 11 innings and has knocked in 6 RBI's.

Joe Ritacco and Joe Vitiello lead the team in hitting with averages of .312. Ritacco has 6 stolen bases, 3 doubles, and a triple. The 3-bagger was the one that scored the winning and only run against Nutley.

The main problem of the team seems to be in the fielding department as there have been many errors lately. They've also lost 2 second basemen as Rich Hartunian broke his arm and Brian Waters, who isn't definitely out yet also injured his arm.

The Golf team has opened its season with a 3-4 record as it picked up a win over W. Orange Friday afternoon, 12-4-5/2. The team consists of Kevin Stanton, Gary Trainor, Alan Marschuetz, Anthony Nocera, Bob Molinaro, and Brian Hammond. They are coached by Mr. Mike Salzarullo.

Points for the team score are 1 point for the first 9 hole winner, another for the second 9 winner, and a third point for the round winners.

The Varsity Oarsmen made their record 4-1 as they beat Arlington (NY) High and Nutley. Arlington was at least 3 boat lengths ahead of Nutley and the Bellboys beat Arlington by 12 seconds or about 2 boat lengths.

The JV Crew lost their first against 4 wins as they were beaten by 5 seconds by Arlington, but they beat Nutley by another 4 seconds.

Bellboys Fall To Orange In Big Hitting Slugfest

By Marc Feldman

The Orange Tornadoes, powered by a twelve hit attack, edged Belleville, 9-7 last Saturday afternoon, at the winner's home field.

The Orange offense was paced by the third and fourth batters in the lineup, Dwight Mitchell and Frank Riccardelli, who combined for seven hits in eight at bats and split six runs between them.

Belleville wasn't idle at the plate, either pounding out ten hits, including two each by a quartet of Bellboys. The starter and loser, Rich Schulz, was hit hard in the opening inning as he allowed three runs and four hits. He was replaced by Bob Giordano in the second inning.

The Tornadoes pushed two more runs across in the third, and led at that point 5-0.

The Bellboys came back with two runs in the fourth on two singles, a fielder's choice, and an error.

Orange scored another run in the fourth, but Belleville countered with one in the fifth when Ritacco singled, stole second, pilfered third as Goscinski walked and then came home on the same play

when third baseman Jim Swiegart juggled the throw. The score after five innings was 6-3.

Orange struck for three more runs in the sixth after two were out. Harvey Brisbane doubled and Dwight Mitchell singled him home. Then the second half of Orange's 1-2 punch, Frank Riccardelli, delivered a single to advance Mitchell to third.

They both scored when Jack Rush misplayed a grounder that would have ended the inning. Unfortunately, these runs were the eventual deciding ones.

Belleville got back into the game again when Carl Corino singled, Joe Vitiello doubled, and John Goscinski hit a two run single making the score 9-5 Orange after seven innings.

The Bellboys scored two

runs in the eighth inning when Rich Caravetta reached first on a fielder's choice, and was doubled home by Joe Papasidero. He, in turn, scored Belleville's seventh run on Carl Corino's single. Joe Vitiello hit his second double of the game to move Corino to third but the rally ended when Joe Ritacco grounded back to the pitcher.

Belleville got a baserunner in the ninth inning when Frank Fury reached base on an error, but he died there.

The Junior Varsity baseball team won its first game of the season against seven defeats as they walloped Orange, 9-0.

"Chipper" Haines was the winning pitcher for Belleville as he pitched a four-hitter while striking out seven and walking one. Mike Calia was the batting star for Belleville with three hits in four at bats.

Fencing Season Comes To Close

Walter Hauber, Belleville's fencing master, brought the 1968-69 Recreation - Girls Fencing season to a close last week with the presentation of the Championships awards. This season the championships were the result of a continuing tournament that ran from October until last week. There were two divisions, the seniors were those girls who had two years or more experience and the juniors were those with less than two years experience.

Winning third place in the juniors was Cynthia McElroy, Mary Beth Dillon won the runner-up position in the juniors. The 1968-69 junior champion is Mary Jo Reilly.

Robin Knott won the third place trophy in the senior division. Twin sisters had to fence off for the senior championship, they were Joyce and Joan Buckland. After a very hard fought bout Joyce became the runner-up and Joan won the coveted championship.

An extra, sudden death tournament was then run off for two consolation trophies. Theresa Mc Hugh won the junior consolation award and

Susan Marano won the senior.

One of the most important honors to be given was the Annual Sportsmanship Award. What makes this honor so important is that it is the result of a vote of all of the girl fencers, the winner is their choice of their sister athletes who exhibited the highest standard of sportsmanship through the entire year. After lengthy and careful deliberation the girls vote came up with an absolute tie between Holly Hauber and Erin Carr. Recreation Supt. Robert E. Cook decided that, rather than to have another vote, there would be duplicate trophies presented.

Trophies were presented to all of the champions by Cook

on behalf of Commissioner Wm. H. Cullen. Each of the winners was warmly congratulated by Maestro Hauber and Girls Activities Director Marcia Rauchwerk. Following the presentations the girls demonstrated their appreciation for Hauber with a rousing three cheers. Then carried away with their enthusiasm they continued to vibrate the No. 3 School Gym with three cheers for Cook and for Miss Rauchwerk.

Freshman Team Opens With Two Big Victories

By John McCarthy

The Belleville Jr. High Freshman team opened their season last Wednesday with a win over Myrtle Jr. High of Irvington, 7-0.

Gary Faldo was the starting pitcher. He let up only one hit and got one strikeout before he opened a cut on his finger and had to be replaced in the second inning by Frank Petite who went the rest of the game. Frank had nine strikeouts in five innings. He also drove in two RBIs, one with a single, the other with a sacrifice.

Joe Lotriglio went 3-5 for the day. He hit three singles and scored each time, as he also stole four bases. Gerard Mongrella went 2-4, and his single and double each scored a run.

The frosh went against Nutley on Friday, and also won this one on a shutout as the final score was 6-0.

Gerard Mongrella started this game but was lifted in the second inning when he loaded the bases with no outs. Mr. Berlinski made a wise choice when he put Frank Petite in again. Frank struck out the sides, and picked up eight in the 6 innings of this game that he pitched.

The fifth inning was the big scoring inning as the frosh scored 5 runs. After Sal Cicalese struck out, Mike Zarra singled and stole second, third, and home. Rich Ciallela also singled and stole second, but was forced out at home after going to third on a single. Lou Palanti singled and was forced around and scored on a double by Petite. Joe

Commissioner Reports Delaware River Fish

Spring runs of shad and herring have started in the Delaware River, according to Commissioner Robert A. Roe of the State Department of Conservation and Economic Development.

Hook and line catches of shad have been reported from Scudder's Falls all the way up into Sussex County, notably at Walpack Center. One of the hottest spots has been around Carpentersville in

northern Hunterdon County. Commercial netters at Lambertville are starting to make good catches.

Nearly all the fish reported to date have been buck shad, which normally precede the female or roe shad by as much as two weeks. Water conditions in the river are currently favorable to enable the roe shad to get through the pollution block in the Camden area and reach the upstream spawning grounds.

Senior Citizens Week
Scheduled For Belleville

Tomorrow begins "Senior Citizen Week" in Belleville. Mayor Kenneth Smith has proclaimed a time of safety and good will towards our senior citizens.

Mayor Smith said "The passing of the years of life have left many of these people particularly vulnerable to accident, to criminals, to unscrupulous purveyors of inferior goods and services, to sudden illnesses, to malnutrition, and to lack of proper care and attention."

The Mayor then formally declared the week of May 4 as "Senior Citizens Week."

Joseph Benucci Chairs
Savings Bond Campaign

Postmaster Joseph J. Benucci will lead over 400 volunteers in the federal government's 1969 U.S. Savings Bond Campaign which gets under way in May. A meeting with the select 400 was held on April 23 in room 807 of the new Federal Building and Benucci outlined his plan to insure the complete success of the forthcoming drive.

Gideon A. Cox, federal payroll savings executive, representing—the National Director of the Savings Bond Division, was the highlight of the meeting with his plan on payroll savings. In selecting the postmaster as chairman, Jack B. Dunn, state director of the U.S. Savings Bond Division, said, "Postmaster Benucci has the determination, ability and drive needed to accomplish the all important task of selling bonds to government employees and military personnel working in New Jersey."

By his past performance on bond sales, I am more than confident that he will get the job done." As postmaster of the Newark Postal District, Benucci has set an enviable record by having 95 per cent of his 4,000 employees purchase bonds.

He urges all persons to participate in the Savings Bond program. He said, children, housewives, retirees, etc., can start a do-it-yourself savings bond plan by purchasing saving bond stamps from any post office for as little as ten cents per stamp.

Joseph J. Benucci

"Now is the time to secure not only your future", said Benucci, "but that of your country. Take a ride on America's Freedom Train. Buy your ticket with U.S. Savings Bonds."

Belleville Group Criticizes
'Ancient' Taxing Methods

Continued from Page 1

governmental structure, methods and procedures."

In the foreword to the proposed property tax legislation, it states that "Present day taxing policies are based on precepts which were prevalent in colonial times when the landed gentry were con-

sidered to be wealthy and thus capable of supporting their government through taxation for which they, and they alone, received the right to vote."

"But in those days," the forward goes on, "credit policies were not as universal and prevalent as they are today, and therefore, property ownership reflected a relative true indication of an individual's wealth. By contrast, today, an individual may theoretically own a home which has a relatively high assessed evaluation which is heavily mortgaged, and as a consequence, his actual percentage of true ownership is relatively small—as compared to the equity of the mortgage company of the property."

The civic organization submitting the new legislation feels that the present system of taxation must be revamped to reflect more accurately the economic makeup of its citizenry.

In its concluding remarks, the forward states that the assumption that the value of a

mortgaged home represents the taxpayers' ability to guarantee tax payments, is "for the most part, a fallacious assumption when applied to retired people on small fixed incomes, or to the large preponderance of homes which are required with relatively small down payments, or no down payment at all."

The Communities For United Action is a new civic organization which is growing and expects to have chapters in every community in Essex County and throughout the State. It is non partisan and states that it is dedicated to sponsoring and supporting any measure which in its judgement is in the best interests of the people of New Jersey.

Newark Police Director Attends Belleville Dinner

Dick Spina, police director of the City of Newark, was the guest speaker for the evening at a dinner meeting held by the Belleville Italian-American Civic Association at the Forest Restaurant in the Forest Hill section of Newark.

Spina spoke during the evening on the subject of law and order in our society. He addressed himself to safety in the homes and the streets, stressing that citizens should try and cope with various situations that might arise in case they were victims of lawless situations.

The organization endorsed completely Spina's recommendations for a more lawful society.

Chairman for the affair was John Caruso, former zoning commissioner of the Town of Belleville. Aldo Di-Chiara, president of the group, introduced the guest speaker in the successful affair.

Hartford and ITT Agree On Terms For An Affiliation

The boards of directors of International Telephone and Telegraph Corporation and of The Hartford Fire Insurance Company announced today they have agreed in principle on terms for affiliation of the two firms.

Meeting separately at New York and at Hartford Conn., the two boards adopted the recommendations made February 28 of this year by the negotiating committees of the two companies that the terms be approved.

The agreement in principle reached by the two boards in subject to the negotiation and execution of a definitive agreement, the announcement said, and to the approval of stockholders of both companies.

If NATO wasn't here,
maybe we wouldn't
be here either.

20 years ago, after the most terrible war the world has ever known, 12 nations got together and formed the North Atlantic Treaty Organization—NATO—just so it wouldn't happen again.

More than an armed force, NATO represented an idea: by sharing the cost of protection, the inventors of NATO could create the world's first effective peaceforce—an alliance against war itself. And they could do it at a price that would not disastrously drain the economies of the participating nations.

So far, NATO has worked. It has expanded into an alliance of 15 countries. It has helped these countries to live together for 20 years in a prosperity that has never before been approached in any period of history in any part of the world. And it has preserved a climate in which the people of these countries have been free to build the kind of lives they themselves want.

NATO isn't the *only* reason why we dare hope that the next twenty years will be as good as the last. But it's a big reason.

Mother Convicted For Daughter's Truancy

A Belleville mother was convicted in Criminal Court here Thursday for failing to send her daughter to school. Mrs. Paula Tauriello, 151 Holmes Street Belleville, had been warned a month ago by Judge Edward Abramson to insure her daughter's attendance at school.

When Mrs. Tauriello originally appeared before the local court last month, her daughter had attended classes only 58 of a possible 109 school days. Last week, Abramson heard testimony from Truant Officer

R. Wesley Schlegel that the past month Mrs. Tauriello's daughter had missed a week of school and was late on 11 other occasions. Judge Abramson fined Mrs. Tauriello the maximum \$5 penalty. Abramson asked the truant officer to keep the court

informed of further developments involving the young girl's school attendance. A country can raise its intellectual standard no faster than individuals within raise theirs. What are you doing to improve your mind?

Mrs. Paul Meola Jr.-nee Marguerite Agoglia

Mrs. Robert Bottona-nee Patricia Ianneci

Eibelsheuser-Kiernan Nuptials

Miss Madeline Mary Eibelsheuser, daughter of Mr. and Mrs. P. Eibelsheuser of 10 Washington Street, became the bride April 19 of James Thomas Kiernan, son of Mr. and Mrs. George F. Kiernan of 101 Union Avenue.

The ceremony was performed in St. Peter's Church by the Rev. James F. Heavey. A reception followed at San Carlo Restaurant, Lyndhurst.

Escorted by her father, the bride wore a gown of silk organza trimmed with Alencon lace and fashioned with a scooped neck, empire waist, long sleeves and detachable chapel train.

A matching pillbox held her shoulder length veil and she carried a cascade of orchids with stephanotis.

Mrs. Charles Sladek of Waukegan, Illinois, sister of the bride, was matron of honor. Bridesmaids included the groom's sister, Miss Janice Kiernan of Belleville and the bride's cousins, Miss Sandra Candura of Belleville and Miss Vicki Simmons of Roselle.

The honor attendant was attired in a jubilee pink gown with standing collar trimmed in lace, elbow length sleeves and pannelled back. Her headpiece was a matching veiled bow. The others were similarly attired in lighter pink. All carried carnations tinted to match their gowns.

Patrick Kiernan of Belleville served his brother as best man. Ushering were another brother, Richard Kiernan and the bride's cousins, Nick and Lewis Candura, all of Belleville.

Mrs. Eibelsheuser chose a lime green gown and coat with a matching pillbox. The groom's mother was in an orange ice imported silk gown and coat and matching hat. Corsages were white orchids.

The couple are alumni of Belleville High School. Mrs. Kiernan is with Wallace and Tiernan, Belleville.

Mrs. Kiernan, an Army veteran, is with Riverside Trucking, Schiffenhaus Packaging corp.

The couple will live in Belleville following a honeymoon in Puerto Rico.

Annual Benefit Bo Montclair Charity Group

The Orphans of Italy, Inc., Montclair chapter, will hold their annual Della Robbia benefit ball this Saturday, at the Chanticleer in Millburn, according to Chairlady Mrs. Victor B. Giordano.

The orphanage was founded in Italy in 1950 by Reverend William Porter Carloni who over the years established homes in six major cities in Italy and Sicily and extended

the organization to 23 chapters located throughout the United States.

Michael Rainone, Esq., international president of the world-wide organization will be the guest of honor and principal speaker. The proceeds from the ball will aid the 4,000 youngsters and provide food, shelter and care, but more importantly, according to Father Carloni, is the education they receive, which not only prepares them for the outside world, but acts as an agent against communism and instills democratic ideals and principles in the children.

Tickets are at a premium and reservations should be made early through the Chairlady, Mrs. Anthony F. Ditri of Verona.

Mrs. William Watt-nee Bethel Secor

Bethel Secor, Wm. Watt Wed

The Presbyterian Church, Westfield, was the setting April 19 for the wedding of Miss Bethel Virginia Secor, daughter of Mr. and Mrs. Howard W. Secor of Maplewood and William John Watt, son of Mr. and Mrs. John Watt of Belleville.

Following the double ring ceremony, performed by the Rev. Ace L. Tubbs, a reception was held at The Maplewood Club.

Mrs. Louis Glassman of San Mateo, California, served as matron of honor. Mrs. R. Brian Johnson of Wellesley, Mass., the groom's sister and Mrs. John H. Secor of Maplewood, the bride's sister-in-law, served as bridesmaids. Best man was Paul Mc-

Gowan of Belleville. The ushers were John H. Secor, brother of the bride, Mr. Johnson and James Felicito.

Mrs. Watt attended the Academy of Stenographic Arts in San Francisco and is with NBC in New York City.

Mr. Watt, a graduate of Lehigh University, is a systems engineer with IBM.

After a two week cruise to the Caribbean Islands, the couple will make their home in Ramsey.

The man or woman who is too busy to take a vacation is in for a great surprise when he, or she, dies the world will hardly miss them.

COLLEGE ACTOR — Michael Scabill, who plays the taunting, sarcastic private Gareth O'Donnell in Brian Friel's "Philadelphia Here I Come." This play is now being produced by the Rutgers University department of drama at Douglass College.

Local Students Starring In Drama Performance

Two Belleville boys will be starring in a play performed at Rutgers University.

Michael Scabill, of 145 Academy Street and David Bukunus, of 101 Carpenter Street, will play the private and public lives respectively of Gareth O'Donnell in Brian Friel's "Philadelphia Here I Come," Produced by the Rutgers University

department of drama at Douglass College, the play opens today.

The play also runs May 2 and 3, and the following week, May 8, 9, and 10. All performances begin at 8:30 p.m. in the Little Theater on the Douglass College campus.

Philadelphia Here I Come is the story of Gareth O'Donnell's dissatisfaction with the rural Irish life and his yearnings for success in Philadelphia. As the private Gareth, Michael plays the inner personality of Gareth which no one sees. He taunts, advises and comments on the public Gareth as he follows him around.

As the public Gareth, David will play the part of the main character that everyone sees. David has had several roles in University productions and has also been stage manager, producer and director for various plays. He is a junior English dramatic arts major at Rutgers College. He hopes to enter the professional directing field after graduation. He is also a member of the Queen's Theatre Guild of Rutgers.

Michael has appeared in several plays at the University. This year alone he has appeared in Sergeant Musgrave's Dance, The Cock-tail party, and The Roar of the Greasepaint, The Smell of the Crowd. He is a sophomore at Rutgers College, and is an English-dramatic arts major. He plans to act professionally after his graduation.

Tickets for the performance may be ordered or reserved for any day by calling 247-1766 (ext. 189).

Knights Hold Bee

The Knights of Columbus, Belleville Council 835, will hold a spelling bee for eighth grade students from Belleville Jr. High, St. Peter's School and St. Anthony's School this Sunday.

The students to compete will be selected by their teachers. First, second and third place winners will receive plaques and the first prize winner will also receive a \$25 savings bond.

Farleigh Dickinson Sponsors Free Fine Arts Weekend

held on the Rutherford campus of Fairleigh Dickinson University on Friday, Saturday and Sunday, May 2, 3, and 4, will feature community and student participation.

Memorial Concert Given For Matilda Frelinghuysen

A memorial concert in honor of Miss Matilda Frelinghuysen, of Whippany Farms, Morristown, New Jersey, and Sutton Place, New York City, was held April 20 at St. Peter's Church on South Street in Morristown, New Jersey.

Local Guidance People Organize County Group

G. Ronald Everett of the Nutley High School guidance staff, and Heyman Knuppel of the Belleville High School guidance staff are among the members of an organizational

committee which was responsible for preparing and presenting the constitution of the new Essex County affiliate of the New Jersey Personnel and Guidance Association on April 16.

State Highway Map Soon Available for Distribution

Transportation Commissioner David J. Goldberg today released advance copies of the 1969 New Jersey highway map and announced the map will be available for mass and individual distribution.

Commissioner Goldberg said delivery of a full year's supply is expected soon. The commissioner added that the department will seek a wide distribution of the map in the hope of providing residents and visitors up-to-date travel information. In past years, state and national authorities and agencies have obtained large quantities, as well as civic, business and resort organizations.

Commissioner Goldberg explained that the map serves purposes other than tracing the state highway and road system. "It is a single reference source for the status of additions to the highway system completed or under construction, and the location of new highways to be constructed. In addition it shows the location of other important transportation facilities such as the commuter railroad system and commercial and general aviation airports. It also locates state agencies, parks, state police and motor vehicle

inspection stations for the convenience of the motoring public."

Requests for the maps should be addressed to the department's Bureau of Public Information, 1035 Parkway Avenue, Trenton, N.J. 08625.

LEGAL

SUPERIOR COURT OF NEW JERSEY CHANCERY DIVISION, ESSEX COUNTY DOCKET NO. M-4438-68 GRACE DEENY, Plaintiff, vs. DANIEL H. DEENY, Defendant. CIVIL ACTION ORDER FOR PUBLICATION.

The plaintiff, having filed her Complaint in the above cause, and the Court having determined that personal service of process upon the defendant in accordance with Rule 4:96-2 should not be required.

It is on this 17th day of April, nineteen hundred and sixty-nine, on motion of Philip Insabella attorney of the plaintiff, ordered, that the said absent defendant do answer the plaintiff's complaint by serving upon the attorney for the plaintiff an answer to the complaint on or before the 18th day of June, 1969, next; and file his answer and proof of service in duplicate with the Clerk of the Superior Court, State House Annex, Trenton, New Jersey, in accordance with the rules of civil practice and procedure, and in default thereof such judgment be rendered against him as the Court shall think equitable and just.

And it is further ordered, that the notice of this order prescribed by law and the rules of this Court shall within 20 days hereafter, be published in the Belleville Times, a newspaper printed at Belleville, in this State, for 4 weeks successively, at least once in every week; and it is further ordered that service be made upon Mrs. Mary Deeny, 319 South 21st Street, Irvington, New Jersey, mother of the defendant personally, or by certified mail, return receipt requested, and proof of said service of the complaint and of this order or notice of this order as service substituted for personal service of process upon the defendant made within 30 days hereafter upon defendant's mother be made my affidavit.

S. FRANK J. KINGFIELD J.S.C. RESPECTFULLY ADVISED SAUL TISCHLER STANDING MASTER

I hereby certify that the foregoing is a true copy of the original file in my office.

Howell, Jones, Appointed Blue Cross Board Trustees

Former commissioner of Banking & Insurance Charles R. Howell and Harry W. Jones, retired insurance executive and authority on health care economics, were elected April 24, as members of the Board of Trustees of Hospital Service Plan of New Jersey (Blue Cross).

Present plans call for the organization to be named the Essex County Personnel and Guidance Association with membership open to all guidance personnel working in the elementary and secondary schools in Essex County.

The new group has set as its objectives, to aid in the coordination of local, state and national guidance policies; to further cooperation between the guidance department and other departments within the local school system; to further the cooperation with vocational and referral services in the country; to arrange workshops and other growth experiences for the members of the association and to share successful professional experiences.

SOME SUPPORT — Joan Hackett and James Garner star in "Support Your Local Sheriff," now at the Franklin Theater in Nutley.

this summer.

Nutley is proud to have two lovely young hopefuls among ten enthusiastic contestants for this coveted award. They are Janet Marie Haring and D. Susanne Chastain.

Janet Haring is a senior at the Immaculate Conception High School whose talents are not confined to her beautiful voice. She is editor of the school newspaper, ass't editor of the school magazine, Vice-President of the Glee Club, a member of the French Club and sings with the Bloomfield Civic Chorus.

Susanne, who lives at 276 Walnut Street, attends Caldwell College for Women where she is a member of the Tau Omega Kappa Sorority. While her special talent for the Pageant is singing and dancing, and while she has been active in choirs, modern dance groups and amateur theater, her other interests include painting, sewing and of all things, cutting hair.

Cut Off Vehicle Rams Fence

A Belleville driver was cut off by an unidentified vehicle on Union Avenue, Nutley, and skidded 125 feet before coming to a stop against an iron fence at 52 Union Street.

Patrolmen Frank Rusignolo and Joseph Samples answered a call at 1:55 a.m. March 23 and found a car owned by Robert M. Basile of 58 Mt. Pleasant Avenue, Belleville, up against a fence. The officers reported finding a 125 foot skid mark and a "No Parking From Here To Corner" sign lying on the ground. Basile was not injured.

Biology And Literature Added As Summer Session Courses

Courses in botany and american literature have been added to the Union College Summer Session curriculum, it was announced today by Prof. Farris S. Swackhamer, director of the Summer Session.

The four-credit plant kingdom course provides for a systematic study of the plant kingdom from algae to flowering plants.

PICTURE PRESENTATION --- Mrs. Dorothy Voss, author of the Bell Tel-News, Everett Davey, Belleville manager for the Bell Telephone Company, and Frederick G. Meissner, Jr., Commercial Division Manager of Bell, presented the original oil painting used for the cover of the Clara Maass Hospital book to Alvin H. Oberg, executive director of the hospital.

Veneri Backs Gross' Stand

In a joint statement issued on the Newark Rutgers controversy, William Bywater, President of IUE District 3 and Maurice M. Veneri of Nutley, President of the New Jersey Industrial Union Council, AFL-CIO, praised the handling of the incident by Dr. Mason Gross, Rutgers President and Malcolm Talbott, Vice-President.

The two labor leaders pointed out that as a result of the skillful and delicate approach employed by the Rutgers officials, there was no rioting, no violence, no vandalism, no confrontation with police or National Guard.

Bywater and Veneri were critical of those who, for political reasons, have now attacked Gross and Talbott, including certain individuals who aspire to the governorship. They recalled that in the 1965 gubernatorial campaign an attempt was made to defeat Governor Hughes over a controversy surrounding a Rutgers' professor.

National Newark, Essex Announces Promotions

Joseph P. Bittel and Edward J. Bullion, both of Belleville, have been promoted to assistant data processing officers by the National Newark & Essex Bank.

"Assistant data processing officer" is a newly created title equivalent to assistant

cashier. The new functional title is descriptive of their duties in the bank's data processing center in Bloomfield, according to Robert G. Cowan, chairman of the board of directors.

Bittel was a systems analyst and Bullion a systems programmer prior to their promotions.

HEART OF THE MATTER -- This tiny circuit module keeps time for the Bell System PICTUREPHONE set. The integrated circuit controls all timing actions in the set's camera. The Bell Laboratories technician uses the close-up lens and the graphic mode of the PICTUREPHONE set to show the tiny connecting plugs on the screen. The AT&T Co. recently began a trial of PICTUREPHONE service between the New York and Pittsburgh offices of the Westinghouse Electric Corporation.

Two Residents Appointed To Credit Union Board

Two Nutley residents have been elected to the board of directors of the Federal Credit Union of Public Service Electric and Gas Company, Newark.

Clarence W. Atkinson of 126 Mapes Avenue was elected as first vice president

of the credit union. Frank J. Gilberti of 77 Mapes Avenue was elected as secretary-treasurer and manager.

The credit union, which is dedicated to the welfare of the workers of the utility, has 1,100 members and assets of over \$400,000.

Belleville Man Guilty Of Drug Abuse Charge

Joseph F. Guardabascio, 29 Princeton Terrace, Belleville, was charged and convicted with possession and being under the influence of dangerous drugs.

Judge Edward Abramson found young Guardabascio guilty of taking cough syrup with doridan after explaining he was on barbituates for

three years, saying "I take it three times a week."

Judge Abramson showed leniency, noting it was Guardabascio's first offence. Abramson suspended a six-month jail sentence, placed Guardabascio on a one-year probationary period and fined the Belleville youth \$200.

Teen Rally Is Scheduled For Vincent Church Hall

A Teen Challenge Rally sponsored by the Heavenly Echoes Quartet, will take place tomorrow at the Vincent Methodist Church Fellowship Hall at 7:30 p.m.

Sam Zaccone of 14 Sycamore Drive, Belleville, leader of the Heavenly Echoes, a teenage gospel recording group, of which two of its members, Mary Ann Ciccarella and Barbara Ruffo are Nutley High School seniors, has invited the Rev. Donald Wilkerson, director of Teen Challenge, a youth organization working among drug addicts, alcoholics, and other troubled youth in the Metropolitan area, as the guest speaker.

His topic will be in connection with the Brooklyn, N.Y. Teen Challenge center. (There is also a training center in Pennsylvania and Patterson, N.J. where religious and vocational rehabilitation is given to these young men.

Teen Challenge also operates a home-to-aid troubled girls, a home for children, a boy's ranch, and

an institute for training former drug addicts and delinquents for the ministry.

Rev. Wilkerson began his preaching ministry at the age of 16. He is a graduate of Northeast Bible College in Green Lane, Penn. His brother, Rev. David Wilkerson, is Executive Director and founder of Teen Challenge and the author of

three books entitled The Cross and the Switchblade, Twelve Angels From Hell, and The Little People.

Teen Challenge was incorporated in 1959 as a non-profit, church-related program designed to reach and rehabilitate teen gangs, drug addicts and troubled youth. Its name was changed from Teen-Age Evangelism to Teen Challenge, Inc. in 1962.

Under the direction of an administrative board of ministers, a police captain and a lawyer, the program was first launched from a small office suite in Staten Island, New York. Rev. David Wilkerson was appointed as director to enlarge the ministry he had started with teen gangs.

Besides the New York Teen Challenge Center, centers are now located in the major cities of the United States, Canada, and Puerto Rico. These cities are: Boston, Chicago, Dallas, Denver, Detroit, Ft. Worth, Los Angeles, Philadelphia, Patterson, N.J. Phoenix, St. Louis, San Antonio, San Francisco, Seattle, Toronto,

Vancouver and Bayamon, Puerto Rico.

Centers are being set up in many foreign countries where the narcotic problem is becoming more prevalent.

The war against juvenile delinquency is the principle work of Teen Challenge with a special emphasis on narcotic addiction. Its aim is to reach as many troubled people as it can and try to rescue them from the "devil's pit".

The object of the program is to provide an effective permanent rehabilitation of young people to equip them for successful and meaningful living after they are discharged from the program.

Rev. Donald Wilkerson has been engaged in this work for six years. As Director of Teen Challenge, he supervises the rehabilitation of the drug addict, alcoholic, and other delinquent youth who come seeking help.

He is also responsible for sending out Teen Challenge staff teams that go into drug infested areas throughout the area to take the message of salvation to addicts and others.

We're easy to get a loan with.

Some banks believe in the "red tape" treatment for loan customers. We believe in the "red carpet" treatment. You ask for a loan, personal or business, we look for ways to give it to you. We give you a fast answer, not a song-and-dance. We treat you like a neighbor, not a number. Getting a loan here is about the easiest thing in the world.
