No Annual Alumni Tilt

Fear Of Rumbles Puts Nix On Game

The annual Belleville-Nutley alumni football game, originally scheduled for the fall, has been cancelled due to anticipated "crowd control problems."

The game, a very popular event the last four years, was called off by the Belleville Little League, which was to host this year's match between the crosstown rivals.

There is a slim chance that another Belleville organization might pick up the game. The Varsity Club has been contacted but was not sold by the idea.

Michael V. Marotti,

speaking for the Little League, said last year game conditions were determining factor in the decision to drop the contest. At that game which Nutley won 25-12, rumors of a rumble had brought the Essex County sheriff and a large group of Nutley policemen to the game with riot helmets. Only couple of minor skirmishes erupted in the audience of 9,000.

Nevertheless, Marotti thought the potential for crowd problems warranted the cancellation.

"If someone gets hurt,"

Marotti said, "the publicity will be bad for us. Last year there was a rumpus in one section of the stands, and on the way home someone always gets beat up."

The Belleville High School Band was kept away from last year's contest because of the fight rumors.

Marotti, a detective in the Belleville Police Department, cited two other reasons for the cancellation. The Little League, he said, was having difficulties getting enough alumni players for the always rough game. Also, the Little League, a non-profit organization, has all its bills paid up, and the anticipated revenue from the big money game, would not be needed.

In Nutley, Mario Cocchiola, a high school coach and alumni, is trying to arrange a game with neighboring Lyndhurst. The match, however, would not have the drawing power that the natural Belleville-Nutley rivalry has.

New Assistant Set At Library

The Belleville Public Library has announced the appointment of Gerard R. Hickey as assistant library director.

Hickey comes to the Belleville position from the North Arlington Library where he has been director since 1962. Previously, he had been librarian at Kearny High School. He is a member of the New Jersey Library Association, currently serving on the graphics committee of the history and bibliography section, and is past vice president of the Bergen-Passaic County Library Association.

A graduate of Fairleigh Dickinson and St. John's Universities, Hickey holds degrees in both business administration and library science. He is a veteran of World War II, having served in the China-Burma-India area with the Army Airways Communication Squadron.

Hickey is married and has five children. He resides with his wife and family at 501 Centre Street and is a

member of the Holy Name and Nocturnal Adoration Societies of St. Mary's parish.

Dues Up For Local Chamber

In 1968 the Belleville Chamber of Commerce had the largest dues income in its history. Dues income was up 12 per cent over 1964, the first year after membership campaign.

During the first six months of 1969, the Chamber shows an increase of 21 per cent over the first six months of 1968.

Motorcyclist Hit By Auto

A motorcyclist was hit by a car, Friday, on the corner of Union and Overlook Avenue. Edmund Mead Jr., 20, of 21 Mitchell Street, was not seriously injured.

Court Order Frustrates Heckel Street Residents

SPEAKING FOR ORDINANCE — Father Rocco Constantino of 136 Heckel Street, addressed the Commission on behalf of Silver Lake residents who were in favor of a proposed rezoning ordinance which the Commissioners were forbid to vote on by a court order of restraint.

Voting On Bill Stopped

An unusual court order forbidding the Commission to vote on the controversial Silver Lake rezoning ordinance spelled disappointment for some 60 Lake residents who crowded Town Hall Monday night.

The ordinance, which would rezone a section of Silver Lake near Heckel Street from business to residential "C", was before the Commission for a second final reading.

The court order forbids voting on the ordinance until August 15. The next Commission meeting is August 11.

Fred Fierro, owner of a lot at 85 Heckel Street, obtained the restraining from Superior Court Judge Walter Conklin. Fierro claims the rezoning ordinance is discriminatory against him and would do him "unjust harm."

Nicholas R. Amato, town attorney, who called the court order to restrain voting, "unusual", met yesterday with Judge Conklin to show cause why the restraint should be lifted.

Residents of the proposed rezoning area believe Fierro intends on erecting a garbage depot on the vacant lot. If the ordinance is passed, the depot would not be allowed. Amato feels that Fierro should contest the ordinance after it is passed.

A large crowd greeted Mayor Kenneth Smith as he returned to his post Monday night after his six week cross-country vacation.

Father Rocco Constantino of 136 Heckel Street, addressed a plea to the Commission for speedy

Guidance Office Is Available

Any Belleville resident who plans to transfer to Belleville High School grades 10-12 should register in the high school at 100 Passaic Avenue as soon as possible.

Transfer students should bring along birth certificate, school transfer card, latest report card and must be accompanied by a parent.

The guidance office is also open to assist residents of Belleville who would like to enter a college or some other institution of higher learning.

The guidance office also has permanent jobs for students who graduated from high school and are now seeking full time employment.

Stadium Expansion Ordinance Delayed

Commissioner William Cullen's \$100,000 Municipal Stadium expansion ordinance was tabled at Monday night's Commission meeting because Mayor Kenneth Smith, just home from a six week vacation tour, is unfamiliar with the proposal.

This is the second straight time the ordinance was tabled. Voting on the bill is scheduled for August 11.

Commissioner Cullen expects the Commission to back his big Stadium project, which calls for the creation of additional ball fields and courts on a large tract of land adjacent to the Stadium.

Work has already begun on leveling the land. The Commissioner expects to get \$75,000 from the State government.

Meanwhile the Board of Education is undecided whether they will give up a piece of land they own in the expansion area. Board President Frank DiRuggiero has said the school body will not relinquish the land until they are satisfied it will be used for educational purposes.

In other Commission business, a Holmes Street site was okayed as a warehouse

Local Woman Hit By Car In Town

A twenty-year-old woman was hit by a car at 252 Washington Avenue, last Thursday.

Kathy Campbell of 248 Washington Avenue, was taken to Clara Maass Memorial Hospital and treated for injuries.

The car was operated by John Lupkovich of 164 Grant Avenue, East Orange.

Abromson A Busy Man

Times Spotlights Town Judge

Every Thursday morning Edward Abromson arrives in Belleville Town Hall early. Greeting town employees, he proceeds to his office and puts on a black judges robe. At 9 p.m. he enters the courtroom sets himself in the judge chair and says "be seated."

Abromson, a successful lawyer and lifelong Belleville resident, has been performing this ritual for 16 years.

His performance as a judge is often interesting to witness. A fair minded man, he listens carefully to discern mitigating circumstances, trying to make law more responsive to the human personality.

The judge knows his law, however, and can be very strict when he feels it is warranted. Sometimes his sense of humor will invade the normally solemn legal proceedings. His wit has broken up many defendants. With narcotics users, he is very strict, often making them roll up their sleeves to see if they are on drugs.

There is a great deal of natural energy in the way he handles court. Court reporter John Bunevich, who also covers Nutley, says Judge Abromson finishes his cases an hour or two faster than Nutley's Edwin J.C. Joerg.

This energy perhaps accounts for the Judge's extraordinarily busy life. In addition to maintaining two law offices, he is president of the Compensation Association of N.J. and of the Essex County Municipal Judges Association. He belongs to

numerous clubs and associations.

Born and raised in Belleville, he is the product of the local school system. He went to Pennsylvania University, quit and then went to Rutgers Law School where he graduated in 1927.

Admitted to the Bar in 1928, the Judge opened his own law practice in Newark. Up to a few years ago he had a third law office on Washington Avenue, but he found it too much strain so he gave it up.

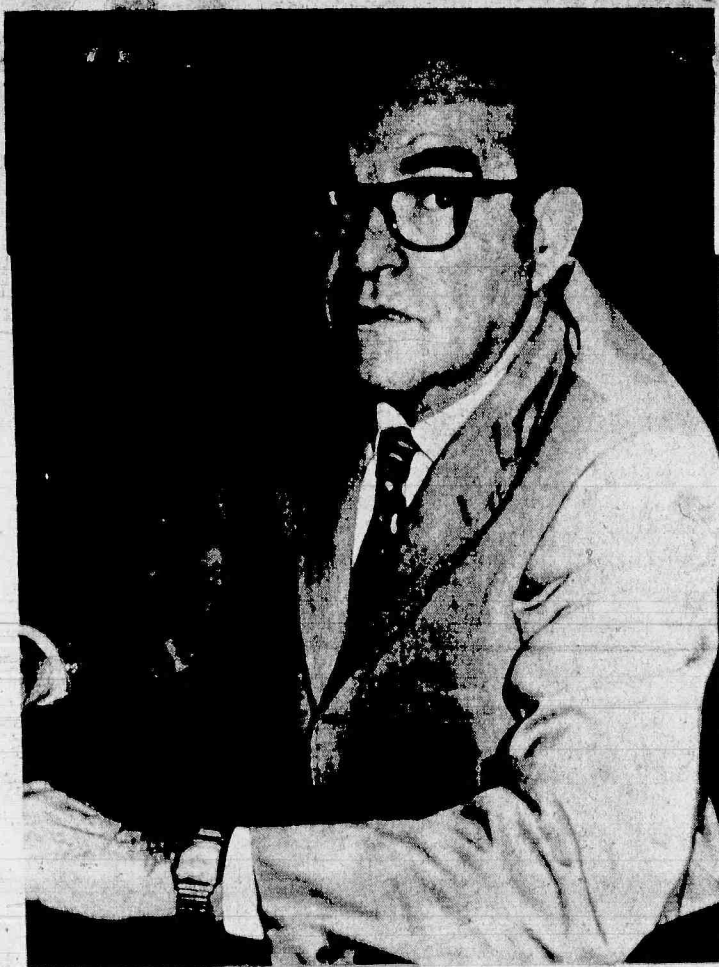

In 1950 he was appointed Belleville Municipal Court Judge.

In that space of time the law has changed considerably, according to the Judge. "The rights of defendants the police department and the State have been altered by Supreme Court decisions. At one time illegally obtained evidence was admissible in court."

There have been many changes in Belleville in the last 18 years, but the criminal problem has remained fairly steady says the Judge. Interestingly enough, "most of the criminals we get in court except narcotics users, are from out of town. Belleville generally is criminally free as far as its inhabitants are concerned."

One of the first problems the Judge had to handle when he came to the judge's stand was tennage reckless driving. "I straightened that out by suspending a few licenses. We cleaned that problem up quickly, much to the satisfaction of parents. I received many phone calls and letters from

HIS HONOR — Judge Edward Abromson, serving Municipal Court for the last 16 years, is one of Belleville's most respected citizens. In addition to his judgeship private law practice, he is active in several town organizations.

Radiological Class Given In Belleville

In conjunction with the Civil Defense and Fire Prevention program at the Newark Post Office, the Department of Civil Defense and Disaster Control, is conducting a 16-hour radiological monitoring course at the Belleville Parcel Post Annex at 525 Main Street.

This training prepares brigade members to perform radiological fallout monitoring duties, working in conjunction with Civil Defense officials and giving radiological assistance and advice to the installation head.

In addition to the 16-hour program the Civil Defense and Disaster Control Unit will also conduct a two-hour refresher program at the Main Office in Newark.

Concurrent with the radiological training, a course in first aid is also being conducted at the Belleville Parcel Post Annex for fire brigade personnel by Robert Klugman, Red Cross instructor, an employee of the Newark Post Office.

"This is part of the overall planning of the Newark Post Office to prepare its personnel to meet the needs of the postal service and the community in all types of emergency situations," says Postmaster Joseph J. Benucci.

Included in the class is Leo Killeen Belleville Fire Captain.

The postmaster expressed his thanks to Superintendent Anthony Verniero of Belleville Parcel Post Annex, for his interest in motivating his employees to participate.

CIVIL DEFENSE CLASS — Instructor Ludwik Boniecki of the Newark Civil Defense Radio Officer Control Center lectures this local class on Civil Defense problems.

Second Theft Attempt Works For Robber

A group of washing machines were looted Sunday, just two hours after police arrested a Newark youth trying to rob them.

At 11:15 p.m., Mrs. Philip Mustacchio of 1 Brighton Avenue called Belleville Police and told them her husband had stopped two youths attempting to rob the machines.

Police took Boydewyn Devre, 19, of 54 Crittenden Street, Newark, to headquarters and booked him on charges of attempted larceny. The other escaped.

Then, at 1:20 p.m., Philip Mustacchio called police to inform them that the machines had been robbed. Mustacchio saw no one near the machines this time.

Ted Kennedy's Tragedy

Last Friday night U. S. Senator Edward (Ted) Kennedy took to the airwaves to give his explanation of the incident in which his car plunged into the murky waters of a 10 foot deep pond in the middle of the night killing a family friend, Mary Jo Kopechne, a former secretary to his late brother Bobby Kennedy.

Ted Kennedy's TV Special left many people bothered with unanswered questions. The crux of the problem requiring an explanation was Kennedy's failure to report the accident immediately. The best guess is that it took Kennedy 8 to 10 hours to visit the police station and give his account of the accident. The question in the minds of most people is why Kennedy delayed such a long time to report the accident and seek help in retrieving the body of his auto companion.

For the most part the people who impute to Kennedy and Mary Jo immoral personal conduct are made up of cynics and anti-Kennedy folk. This is not to say that there does not exist a third group of people who reserve judgment on the relationship existing between these two persons.

On TV Friday night, Ted Kennedy said there was no such relationship between the two of them—and we are prepared to accept Ted Kennedy at his word.

Ted Kennedy also said that he was not under the influence of liquor at the time he was driving the car, and we believe that when he makes such a statement Kennedy is telling the truth.

The only remaining question is the indefensible delay in seeking aid to retrieve Mary Jo's body, and Kennedy's failure to report the accident to the police and enlist their aid.

Well, the fact is that Kennedy did not immediately go to the police. The fact is that Kennedy did return to the scene of the accident with two of his friends and made the attempt to retrieve the body of the dead girl. At great personal risk to his life and the lives of his two friends, the fact is that Kennedy has stated that he made repeated drives into the pond immediately after the accident to retrieve the body, with no success.

The next morning a local Chief of Police dove into the waters in an attempt to locate the body of Mary Jo, and the current was so strong that he gave up and secured the services of a scuba diver who was finally able to locate the body and bring it to the surface.

People will continue to ask, "Why did Kennedy wait so long to report the accident to the police?" Ted Kennedy gave his answer to the people last Friday night, and it is for each of us to decide whether or not he was telling the truth and whether or not his speech concealed more than it disclosed.

Kennedy's personal life experience is unique in the annals of American history. His three brothers died violent deaths, and so did one of his sisters. His father suffered a near fatal stroke. Ted Kennedy himself was involved in an airplane accident which broke his back. It is difficult for those of us who have not gone through these experiences to

make an honest analysis of a person's chemistry which involves this multiple experience with tragedy.

Whether or not the Kennedy family has a continuing rendezvous with tragedy is beside the point: the main question is are we prepared to close the book on this grief-stricken chapter of Ted Kennedy's life, or will we continue in unrelentless questioning of a young man beset with tragedies that are almost beyond mortal man's ability to survive?

No doubt, some people will only be satisfied and happy if Ted Kennedy made a confession that he deliberately took the dirt road to find a hideaway on the beach to pursue an amorous relationship with a good-looking secretary.

There is no doubt that some people will not be happy until Kennedy confessed that his delay in going to the police came about because he was trying to shift the responsibility for the death of Mary Jo Kopechne to a stand-in for himself.

These cruel people, possessed with an obsession of hate, will probably have to wait until Hell freezes over before they hear or read such confessions.

If all these dark and ugly thoughts were true, would anybody in his or her right mind believe that such admissions would be made to the public by Kennedy, or by the reader, or writer of this article?

The only thing that makes sense in the present circumstances is for us, the public, to abandon any bad thought if any we might have about Kennedy and substitute sympathy, kindness, and compassion.

We believe the time has come for all of us to end speculation on Ted Kennedy's tragic experience of July 18. We believe that there may be some aspects of the accident leading to the death of Mary Jo Kopechne that we want to know but will never learn.

We believe most people are losing sight of Mary Jo's tragedy—the young, vibrant, intelligent 28-year old girl who lost her life in a senseless accident. We believe the sympathy of the whole world should go to Mary Jo Kopechne's parents, for she was an only child, a child who was admired and respected by her parents.

We believe that the sympathy of the world should be extended to Ted Kennedy and members of his family, for they have suffered more in one lifetime than people suffer in several generations.

If there is any compassion left in the hearts of us who have lived through the exciting days to see man land on the Moon, and the tragic days in which we witness the death of 36,000 American boys in Vietnam, then we ought to go one step further and extend our compassion to Ted Kennedy, close out the disastrous incident from our minds, and treat him with the respect and admiration we extended to him before the night of July 18.

Organized Crime Loses

Last week Chief Judge William H. Hastie of the Third U.S. Circuit Court of Appeals denied a request by lawyers for organized crime to convene a three-judge court to receive complaints attacking the authority of the New Jersey State Investigation Commission.

Counsel for organized crime allege the State Investigation Commission is unconstitutional. They claim the SIC did not have the constitutional authority to sit as a tribunal "to charge, try, convict, and punish people."

We are happy that the organized crime big-shots have lost every case they have brought against the SIC.

Now the State Investigation Committee can move ahead with the important work of putting behind bars the men in high places who are responsible for corrupting society's norms. The Nixon Administration has appointed fearless men in Washington to direct legal forces determined to put an end to organized crime activities. May their efforts be successful.

New Nuclear Force

The recent announcement that West Germany, Great Britain and Holland have agreed to pool their scientific secrets and join in building a new type separation plant to produce enriched uranium is of major importance.

The most significant aspect of the announcement is that it means a new nuclear force is emerging in the world and one with considerable potential. The potential is great because each of the three countries has developed a new and cheaper process for producing enriched uranium—up to now a U.S. and U.S.S.R. near-monopoly.

Enriched uranium produced by the new centrifugal process, developed along slightly different lines by each of the three countries in recent years, can be used for industrial purposes or in nuclear weapons. It is estimated that the process costs only a tenth what it costs to produce the same uranium by the process being used in the U.S. and U.S.S.R.—gaseous diffusion.

The plant is to be built in West Germany, which is financing the major share of the project, and the fact adds to the historical significance of the announcement, for it means that Germany, so long kept out of the nuclear club, is now on the road to becoming a nuclear power. The announcement means, further, that France's dominant position as a continental power may disappear.

To build the new plant the three nations had to abandon agreements with the United States binding them to secrecy concerning their own nuclear development. In ending this agreement, they charged that the United States had not shared its research findings with them.

Thus, for Russia (with its mortal fear of West Germany), the United States and France the new development is eye-opening. The new three-power nuclear effort is certain to be felt as an economic, military and political factor in the coming years.

The Lunar Landing Stirs Local Emotion

by John Bunevich

Question: What is your reaction to the astronauts landing on the moon, and now, returning safely to earth?
Asked: of Belleville residents.

Mrs. Pauline Cooperberg - 64 Overlook Avenue

I just finished watching the splashdown and I thought it was just wonderful. The only feeling of concern was the astronauts returning safely to earth. I was really worried. I hope the whole Apollo program will lead to bigger and better things. True, they did spend a lot of money on the project, but even if it does just a little good to mankind it will be worth it. My husband and I didn't leave the TV set during the whole of the moon walk. We watched it right into the middle of the night.

Jo Anne Angelides - 276 Division Avenue - Junior in Belleville High

I think it was terrific, with all the trouble in the world now like Vietnam and the domestic problems, I was glad to see everyone get together and be in harmony in one thing. This is a great achievement for America. I was really proud to be an American. I'm glad the Russians didn't beat us to it. Now that we've reached the moon, we should try and land on the other planets.

Charles Goodman - owner of Henri's Dinette, 201 Washington

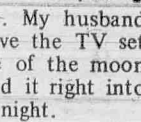

Avenue. I thought it was the most wonderful thing in the world. The moon adventure really brought me back to my youth. I can remember the days of Buck Rodgers and Flash Gordon and I never thought man could really accomplish space travel. I guess I was wrong. I didn't watch the landing but I saw the whole moon walk. My eyes and ears were glued to the TV set. I watched until 1 a.m. in the morning and I have to get up for work at 4:30 a.m.

Nicholas Jacobs - 119 Freemont Street

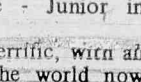

I thought it was a wonderful thing. It was something. We've really landed on the moon for the first time and I lived to see it. I hope they don't stop now. I would like to think they would go on to the planets. Maybe they will find life on Venus or Mars. I think that a form of human life exists there. When I was younger, some 50 years ago, I never thought this would be possible. My brother, who was in the army at the time, told me that he was reading an article where man would be able to fly. At the time, I thought even this was far fetched. We all laughed but it came true. Not only has man learned to fly but he has landed on the moon. The Russians started it but the Americans came along and finished it.

Speak Up

Citizen Protests Big Tax Burden

To The Editor:

Looking over conditions in the state, town and county government that brought out many senior citizens and home owners to a special meeting at the American Legion hall in Belleville in the hope that a solution can be found to their protest to ease their tax burden, their biggest enemy is inflation and the threats of strikes brought about by worthless programs approved by some politicians that failed to do the job for tax relief. When you give a politician too much power, that's bad. He thinks he owns you and starts to rock the boat. He was elected on his platform, true or false, good or bad, because he was a super salesman.

These conditions are with us today in the state, county and our own government since the return to the commission form.

The new revaluation program, an illegal political gimmick demanded by the county tax board, was no help to the taxpayers who must carry the extra tax load and pay for the luxuries enjoyed by others and the fat demands made by power groups. The results could bring a tax strike and more fuel on the fire, create new uprisings and more serious problems.

The illegal action taken by the board of education, which has been increasing school costs every year, defied the mandate by the people who twice defeated the school budget and appealed to the state board of education to restore the cuts made by the commission in good faith and to take away the

rights of the people to vote on school budgets. Those rights to vote give the people a voice in their government. All members on the school board should be removed by the people by referendum and a new board appointed by the commission. This step would save the taxpayers thousands of dollars.

In a similar case in Englewood Cliffs, the school budget twice defeated by the people and reduced by \$160,000, the appeal to the state board of education has been denied. They were told they could hold a special election at any time.

At a special meeting on Friday a good point for tax relief has been brought out by Mr. Calabro. It must have the support of many organizations of this nature all over the county. A senator has promised to push this bill in the legislature if he has public support. Another good point for tax relief is a \$5,000 property tax exemption which is allowed in many states. This plan, approved by the commission in Jersey City, failed in Trenton. It must have the support of the people all over the state before it will be considered by the legislature. Any plan that will bring tax relief to the taxpayers is worth fighting for.

Many families living on welfare with a guaranteed income pay no taxes while a person with a family working in private industry earning less money pays through the nose.

Sincerely,
Albert Gugicelli
75 Lake Street
Belleville, N.J.

Citizen Extends Praise For Prompt Service

To The Editor:

This might seem like an unusual type letter—coming from just an ordinary type Belleville citizen—it's not a gripe or complaint. I would just like to thank Commissioner Mary Senatore.

It certainly takes a woman to do any effective housecleaning. Our town never looked so clean. Thanks to her efforts, the streets are being re-surfaced, the ancient street lights are rapidly being replaced with those bright new fluorescent ones. Even the refuse men seem to be doing a much more efficient job, not just removing it, but tidying up besides.

I have on a couple of occasions

called in desperation for an emergency trash pickup or to ask if some pretty bad holes in our street could be repaired after the winter storms another time, some kids truned a stop sign around so it was facing the wrong direction, and each time I settled back and said to myself, well I tried, it'll probably be months before they get around to care for the problems of just another citizen with another complaint, and before I realized it, the very next day each request was either taken care of or started upon. I was flabbergasted.

LARGE QUANTITY ECONOMY IS SOMETIMES UNWISE

Sometimes what seems like a bargain — such as a 1,000 tablet bottle of a medicine can prove to be more expensive. Many drugs naturally deteriorate in time, even aspirin. Long before they are used up they could lose potency. Certain medicines have special storage requirements to insure potency and stability. We can advise you.

We suggest you buy only what you will need for normal use. However, if you have a chronic illness or other need for continuing use of medicines, your doctor can prescribe larger quantities which could save you money. We can supply them if your doctor approves.

YOU OR YOUR DOCTOR CAN PHONE US when you need a delivery. We will deliver promptly without extra charge. A great many people rely on us for their health needs. We welcome requests for delivery service and charge accounts.

Local Playgrounds Feature Dog And Talent Shows

This Weeks Activities

As the playgrounds finish their third week of the summer program, there are continued reports of enthusiastic participation from all points. The special activities Twirling, Reading, and Swimming are all going strong. Under the capable leadership of Miss Joan Paparazzo the new reading program has met with great acceptance. Miss Paparazzo has included slide-film stories in addition to reading and will soon have her groups putting on puppet shows. Miss Kathleen Fornarotta reports 157 new twirlers in her program. A special beginners twirling group has been organized among the four-to-six year old girls at Clearman Field. At Plansoen Playground Gloria Jean Harper has been chosen as Captain of their squad. Because of the large number of twirlers at the Recreation House the schedule has been expanded to twice a week, Wednesday and Friday mornings. Twirling at 2 School has been rescheduled to Wednesday afternoon. In the new Learn-to-Swim program conducted at the Friendly House under the leadership of Mr. James Soldo another group has completed a week-long course. Those who have passed their tests in floating, swimming underwater and swimming a lap of the pool are Richard Cook, Joseph Corbalis and Michele Gierla. Another group passed all of the swimming tests plus diving, they were Janice Amco, Janice Bergamini, Nicholas Commorato, Paul Denning,

Mike Donnelly, Sharon Freda, Peggy Gleavy, Jacqueling Nicolaro, Donna Polumbo and Lisa Polumbo. Mr. Soldo reminds others who wish to learn to swim that they can sign up at their respective playgrounds. They will be given one hour of instruction each day for five days. This comprehensive method is proving very effective in producing swimmers.

On the playgrounds this week Nok-Hockey was a popular game as the game boards were distributed for the first time this summer. Softball was also the recipient of enthusiastic interest as the various playground teams vied for the 1969 Championship in their respective divisions. In Girls Softball 4 School edged Fairway 7-6 and Clearman enjoyed a big win over Fairway. 4 School Playground got off to a big start in the Boys Junior Softball League with wins over Plansoen and the Stadium. 1 School also opened its season with two wins, one over the Stadium and one over Fairway. Plansoen and Fairway each have one win and one loss while the Stadium and the Recreation House each seek their first win. Clearman Field jumped out in front in the Senior Softball League with wins over Plansoen and 2 School. In their first game, 2 School beat the Rec. House 11-3 on two double plays and the great playing of Allen Frank. Plansoen snapped back for their second game to take No. 2 School 7-6.

LITTLE FRIEND — Joann Cafella and her little dog "Midge" were one of the many entries in the Stadium Playground's dog show.

A BOY AND HIS DOG — Richie Cook and his favorite dog pause to rest in the grass, waiting their turn in the Stadium Playground dog show.

HANDSOME COLLIE — Barbara Aulisi and her dog King are a nervous pair as they await their chance to parade in front of the judges stand at the Stadium Playground.

JUST A PUP — This young girl brought her puppy dog to the show. The little fella was a little bit lazy, though, as all puppies are apt to be.

CINDY'S DAY — "Cindy," owned by Leslie Zarra, seems a little confused by all the attention being paid to her in the Stadium dog show.

TALENT SHOW — Fairway Playground was the scene of this talent show, featuring some of Belleville's bright young amateur performers.

YOUNG SINGER — Steven Gee put on a top hat with a cane to sing "Little Duck" and "God Bless America" to the delight of the Fairway Avenue Playground gathering.

BALLET DANCER — Little Debbie displays a good deal of dancing finesse as she does a ballet number during the talent show.

TWIRLING EXPERTS — Caroline, Donna and Michelle demonstrate the art of baton twirling, a very difficult feat for such young children.

FAVORITE PAIR — Denise Durphy and Stephanie Dadaine do "Banana Split" number, which turned out to be one of the most popular acts of the talent show.

THE OLD HULA HOOP — No young talent show is complete without a someone displaying their talent with the age old favorite, the hula hoop.

Judge Abromson: A Busy Man Interested In Belleville Affairs

(Continued from Page 1) parents congratulating me for making careful drivers out of their kids. "Our problem today with traffic is with young woman drivers. Back in the old days they were very careful, but now we find them being reckless, more so than the male teenagers. I don't know

why this is. They have no conception of decency in driving." The Judge is very high on rehabilitating people who come before the court. "When I first got on the bench I had a special day set aside for family problems. We saved many families by using the Family Service Bureau and different probation

programs." "If it weren't for narcotics users, we might have no crime problem. We've had a few murder cases, but they are few and far between. The police are doing a good job with respect to crime in Belleville. They have an efficient detective and narcotics bureau and juvenile officer."

The judge is often called upon to conduct preliminary hearings. His job during one of these hearings is to "ascertain whether or not there is probable cause that a crime was committed and that the defendant was connected with it. The hearing protects a defendant from having to answer to a crime when the state really has no case against him."

Being a judge in Belleville for 16 years, Abromson has heard many lawyers argue before him. Several of these men have gone on to become judges, such as James Juliano, who was before Abromson prosecuting a youth who

killed another kid by hitting him over the head with a rock. Judges, Jolson, Crane and Yancey have also been in Municipal Court.

Dealing with husband and wife squabbles is a weekly task for the busy judge. He was asked how he generally deals with these matters. "I have a rule in all these husband-wife quarrels. I don't take formal complaints. We bring the husband in on an informal complaint until we are satisfied there is sufficient reason to file one. I usually refer the matter to Family Service Bureau or the Probation Department to see if we can rehabilitate the family. I might say the Probation Department has been most helpful. Richard Taulty, the officer, is doing an excellent job."

Abromson's court philosophy centers around rehabilitation. He says the "whole purpose of sentencing is to rehabilitate the man of act as a deterrent and to make good citizens out of those people who have gone

astray. If they repeat we usually have to do something more drastic."

Several people are repeaters. Of these, Judge Abromson classifies them as "rotten apples." He says that "certain people have criminal tendencies and there is nothing we can do about it. Instead of making an honest living, their distorted minds lead them into crime as a means of earning a livelihood. The irony of it is when they finish paying off bondsmen, legal fees and other expenses, they're behind."

The Judge is a member of many organizations. He is a past president and charter member of the Belleville Kiwanis Club. The Judge has been very active in Congregation Ahavath Achim. He has served as

president and organized the Progress Club of the temple and has served as chairman of the board of trustees for many years. He is also a

charter member and one of the organizers of the Branch Brook-Belleville Kiwanis Club. "I have very little time for

myself. I'm built this way. It is rewarding. Every organization I belong to performs a service which is beneficial."

SOCIAL AND CLUB NEWS OF COMMUNITY INTEREST

Nancy Albretson Wed,
Formerly Of Belleville

Wedding vows were exchanged July 12 in Vincent Methodist Church, Nutley, by Miss Nancy Jane Albretsen, daughter of Mr. and Mrs. Edward K. Albretsen of Nutley, formerly of Belleville, and Richard Arthur Allmang, USAF, son of Mr. and Mrs. William Allmang of Bloomfield.

The Rev. R. Webb Leonard performed the ceremony and Mrs. Mildred David Toone was the organist. The ceremony was followed by a reception at the Glen Ridge Women's Club and opened with prayer by The Rev. Robert Bradbury of Bloomfield.

Escorted by her father, the bride wore a Victorian organza gown, tucked at skirt and sleeve and with a bodice of Alencon lace, and detachable chapel train. Her illusion veil was held by a lace crown and she carried yellow roses and babies breath.

Miss Janet Frances Albretsen of Nutley was her sister's maid of honor. Bridesmaids were Miss Nancy Keigher of Bloomfield, formerly of Nutley, and Miss Joyce Cataudella of Utica, New York.

All of the attendants were gowned in turn-of-the-century yellow organza, cuffed and collared in velvet trimmed Venise lace. The honor attendant carried a cascade of yellow and white majestics and the bridesmaids carried similar cascades of yellow and orange majestics. They all wore yellow headpieces with illusion veils.

Robert Butler of Scranton, Pa. was best man. Ushers were Robert Allmang, brother of the groom, of Nutley and Richard Hester of Bloomfield.

Mrs. Albretsen chose a pink coat and dress ensemble with jeweled neckline and pink bow hat and veil. The groom's mother was in aqua shantung with matching flowered hat and veil. Corsages were of white carnations.

Mrs. Allmang, a graduate of Nutley High School, attended

Springfield College, Mass., and Rutgers, Newark.

Mr. Allmang, an alumnus of Bloomfield High School, was graduated from Bloomfield College and attended Gordon Divinity School in Mass. He is now in the USAF Medical Corps and stationed at Stewart Air Base, New York.

Mrs. Charles Myers nee Barbara Ann Biondi

Barbara Ann Biondi,
Belleville Resident Wed

Wedding vows were exchanged July 26 in St. Mary's Church by Miss Barbara Ann Biondi, daughter of Mr. and Mrs. Mario Biondi of 147 Floyd Street, Belleville, and Charles Dennis Myers, son of Mr. and Mrs. Michael Veneziano of Bloomfield.

The Rev. John Golding of East Orange performed the ceremony which followed by a reception at Branch Brook Manor, Belleville.

Escorted by her father, the bride was attired in a white organza gown with Venise lace and fashioned with Juliet sleeves and a chapel train.

A matching headpiece held her chapel length silk illusion veil and she carried a small bouquet of babies breath and miniature pompoms.

Miss Linda Ann Biondi of Belleville was her sister's maid of honor. Bridesmaids included Miss Joan Paparazzo of Belleville, Miss Barbara Fleminglass of North Arlington and the groom's sister, Mrs. Vito Guarneri of Bloomfield.

They were attired in yellow organza overlayed with yellow ribbed organza and fashioned in a style similar to the bride's floral headpiece and bouquets of small multi-colored pompoms and babies breath completed their outfits.

Mr. Guarneri was best man. Ushering were the bride's brother, Mario Biondi of Belleville and the couple's cousins, James Veneziano and Edward Garofola of Bloomfield.

Mrs. Biondi chose an ice-green splendine gown embellished in pearls while the groom's mother was in a hot pink silk worsted silver beaded gown. Corsages were orchids.

Mrs. Myers, a graduate of Jersey City State College, is a teacher.

Mr. Myers, a graduate of Lincoln Technical Institute, Newark, is with Food Fair Stores, Linden, in the refrigeration and air conditioning section. He is a marine corps veteran.

After a honeymoon in San Francisco, Hawaii and Las Vegas, Nevada, the couple will live in Belleville.

Mrs. Clarke
Of Montclair
Is Awarded

Mrs. Frank C. Clarke of Montclair has been awarded "Woman of the Month" by Awards Committee woman, Mrs. Nina People Florczak, a Newark Attorney of the Veterans of Foreign Wars Ladies Auxiliary No. 1851.

The award was presented in form of a framed citation in recognition of the active involvement of Mrs. Clarke in community services, a National program of the V.F.W. and the Ladies Auxiliary.

Mrs. Clarke, a widow, is presently employed as administrator of the Fresh Air Camp Fund, and also a social worker of the Newark Day Center for the senior citizen's program.

Until one month ago, Mrs. Clarke was a case supervisor of the special workers in charge of the Newark Day Center's day nurseries. Previous to that, Mrs. Clarke worked for more than 20 years with the Montclair Family and Children's Society, and two years for the Newark Board of Education as a social worker for the Head Start Program.

She is a former vice president of the Montclair YWCA and Montclair Red Cross, and of Neighborhood Center and the Board of Human Relations Commission and the Montclair Housing Commission.

Mrs. Clarke is presently serving as a member of the board of the Montclair West Essex Guidance Center, the Mental Health Volunteer Association and the Retarded Children's Association, an active member of the Montclair Business and Professional Women's Inc., Professional Association of North Essex and Treasurer of Montclair Democrats for Good Government, Inc. and of Montclair-Glen Ridge League of Women Voters.

In March of 1970, the Awards Panel of the Firemen's Ladies Auxiliary V.F.W. will make a selection of the "Women of the Month" and announce their choice for the Woman of the Year.

Maria Corino Wed In Nutley

Miss Maria Corino, daughter of Mr. and Mrs. Angelo Corino of One Saint Mary's Place, Belleville and Joseph Rocco Cervasio, son of Mr. and Mrs. Rocco Cervasio of 711 Belleville Ave., Belleville were married July 26 in Holy Family Roman Catholic Church, Nutley.

Rev. Francis J. Blake, pastor, performed the nuptial mass. A cocktail hour and reception followed at the Fiesta in Wood-Ridge.

Escorted by her father, the bride wore a gown of silk organza over silk peau de soie. It was fashioned with a Victorian style collar, long sleeves, empire waist and straight skirt. The entire bodice and collar were of French Alencon lace, hand beaded with seed pearls. The illusion organza sleeves, skirt and train were appliqued with matching Alencon lace and pearls.

A floral headpiece held her three tier bouffant floor length silk-illusion veil. She carried a prayer book with a cascade of white orchids and Stephanotis.

The bride's cousin, Miss Mary Ann Corino of Belleville was maid of honor. Bridesmaids included Miss Judy Lucig of Wildwood, Miss Connie Giardina of Lyndhurst, both cousins of the bride, Miss Donna Cervasio of Belleville, the

groom's sister and Mrs. John Graham, also of Belleville.

They wore sleeveless empire waisted, mint green gowns of silk worsted. The bodice was of white crocheted lace. The high neck rolled collar matched the A-line skirt. Their matching headpieces consisted of floral pedals and were fashioned with two-tier veils. They carried a cascade of melon carnations.

John Senesky of Belleville served as best man. The ushers included Angelo Corino of Belleville, brother of the bride, James Corino of Belleville, the groom's cousin, Anthony Cervasio of Belleville, the groom's cousin and Warren Ceres, also of Belleville.

The bride's mother chose a lemon-yellow chiffon gown. The entire bodice and back were heavily jeweled with crystals, sequins, and beads. Her headpiece consisted of a crystal tiara and she wore a white orchid.

The groom's mother wore a two-tone blue crepe gown. The coat-effect sleeveless straight gown was fashioned with a beaded necklace effect collar. She also wore a white orchid.

Mrs. Cervasio, an alumna of Belleville High School and Newark State College, teaches first grade at Greylock School Number Five in Belleville.

Mr. Cervasio, also an alumna of Belleville High School and Cornell University is presently employed at Bankers Trust in New York City. He will attend New

York University this fall for Post-Graduate Study.

After a honeymoon in Miami and Nassau, the couple will make their home in Belleville.

Nothing is more rewarding than church work and there is plenty of it to be done in every community.

Local Girl Plays In Cello Contest

Marcia Peck, daughter of Dr. and Mrs. Samuel W. Peck of 21 Clearman Place, recently participated in the First International Cello Contest "Gasper Cassado", organized by the Ente Autonomo of the Teatro Comunale, Florence, Italy.

The contest, the first of its kind in Italy, will be repeated every two years. It was initiated in honor of the memory of the distinguished cellist who died in 1966. Entered in the competition were 65 contestants from 24 different countries.

In the first round of the contest, held June 20-22, 44 players were eliminated. In the second round, on June 24-25, eleven more were selected out, leaving only ten finalists for the final round on June 28-29.

Marcia was one of the finalists, and one of the five entrants from the United States. She did not win the first prize which went to Victoria Jangling of Russia, but did gain

a lot of experience from her participation in the contest.

Marcia has now returned to the U.S. and is fulfilling a six weeks engagement with the Jackson Symphony Orchestra in Teton Village, Wyoming. On September 20 she will return to Dusseldorf, Germany, to continue her studies with Antonio Janigro, with whom she has been studying cello this past year.

In February she plans to enroll in the Tchaikovsky Conservatory of Music in Moscow and study with the renowned Russian cellist, Mstislav Rostropovich.

Leaf Scorch Hurts Those Lush Trees

Those leaves that were so lush on your Sycamore and London plane trees two months ago may now be yellow and falling from leaf scorch.

The leaf scorch that is showing up so drastically now is not contagious, reassures John J. Kupcho, Essex County agricultural agent. It is like sunburn, says Kupcho.

The good growing weather early this spring caught several trees by surprise. For the past seven or eight years, the growing weather has not been good; now the trees are suffering from too much too suddenly.

County College President Elected To Corporation

David Crooms, Essex County College student body president, has been elected to the board of directors of the High Park Gardens Urban Renewal and Development Corporation.

The 476 shareholders of the corporation live in and own their apartments in High Park Gardens, a cooperative housing development in Newark's Central Ward.

Mrs. Carmela Ilaria Has Surprise Party

Mrs. Carmela Ilaria of 360 Greylock Parkway will long remember her 80th birthday. A surprise party was given for her by her children at Beppy's Restaurant in Newark.

Mrs. Ilaria, who has 18 grandchildren and 7 great grandchildren, was pleased by the affair.

The party was given by her children, Mrs. Celste Bagnole, Mr. and Mrs. Jerry Ilaria, Mr. and Mrs. John Kieferdorf, all of Belleville, Mr.

and Mrs. Angelo Ilaria of Bloomfield; Mr. and Mrs. Charles Ilaria of Mt. Holly Springs, Pa. and Mr. and Mrs. Joseph Ilaria of Cranford.

Guests at the affair included, Mrs. Michael Capanear, Mrs. M. Kelly, Mr. and Mrs. Harold Zimmerman and daughter Carol, Miss Clare Ehringer, Mr. and Mrs. Luis Sturchion, niece and nephew of Mrs. Ilaria who are visiting here from Montevideo, Uruguay, South America.

MINK WINNER — Mrs. Frank Mastro, 12 Jefferson Street, Nutley, is the grand prize winner of a \$1,000 mink stole presented by Jannette Nutley Center. Mrs. Mastro won the mink in a drawing sponsored by the Nutley fashion department store. Nicholas Mazzolla, store manager, congratulates Mrs. Mastro who is modeling her new mink stole.

Manager For Koppers

Belleville Resident Gets Sales Spot

Ralston F. Joscak of Belleville has been named eastern district sales manager for Koppers line of protective coatings and pavement sealer. His appointment was announced by Richard E. Spatz, vice president and marketing manager of the company's Organic Materials Division.

Koppers is a major supplier of coal tar coatings used to protect industrial structures and underground pipelines. The company also markets a line of chemical-based coatings available in a variety of attractive colors for use on metal, concrete, wood and other surfaces where protection and beauty are required. Koppers pavement sealer is used for sealing asphalt pavements against the deteriorating effects of oil and gasoline spillage and weather.

Mr. Joscak is a native of Lebanon, N.J. He joined Koppers in 1945, following a two-year affiliation with Curtiss-Wright as a systems analyst. His first assignment

with the Organic Materials Division was a clerical post at the Kearny, N.J. plant. After service in The U.S. Army during World War II, he returned to Koppers as a roofing inspector with Organic Materials. In 1948 he became a sales representative for the Division's roofing materials, with headquarters at Koppers New York sales office on Park Avenue. He transferred to coatings sales in 1951.

Active in the civic affairs of Belleville, N.J., Mr. Joscak has served as president of a

parent-teacher association, on the Lay Committee to the Board of Education and on the Better Schools Committee. He also has been active in United Fund work.

Mr. Joscak is a member of the National Association of Corrosion Engineers, the New Jersey Sewage Association, and the Construction Specifications Institute.

Mr. and Mrs. Joscak and their daughter, Eileen, live on Cedar Hill Avenue in Belleville. Another daughter, Mrs. J.A. Nucci, also is a resident of Belleville.

Candidate Iannuzzi Raps Legislature

Joseph L. Iannuzzi, Democratic candidate for the assembly, criticized the Republican controlled legislature for failing to act in their last session on the Governor's recommendations to amend the Urban Aid Bill to include raises for police and firemen.

Iannuzzi said, "A large share of the responsibility for the firemen's strike and any subsequent charges made against them by the city must lie squarely on the shoulders of the GOP caucus in the lower House of the legislature for its callous disregard of the financial plight of cities like Newark."

"Now we are confronted with another special session of the legislature on August 5 at which Assembly Majority Leader William K. Dickey says his GOP colleagues will attempt to bring the amendment to the floor for a vote. This type of helter skelter lawmaking seems to

be typical of this Republican controlled legislature which has chosen to react to crises rather than act in advance to prevent them."

"The Republican majority caucus," Iannuzzi continued, "consisting of 58 members can block action on any measure if 51 per cent of the GOP legislators refuse to consider it; i.e., 30 Republican Assemblymen can prevent the passage of legislation which may be acceptable to the remaining 50. This caucus system of government is not only undemocratic, but it is also the epitome of unrepresentative and irresponsible government."

Iannuzzi concluded, "One can only wonder how much longer this insidious system of backroom politics can be tolerated by the voters. It is obviously a system which negates the very meaning of the one man, one vote ruling."

Police Nab Suspect

A Newark man was apprehended by Belleville Police while he attempted to steal a battery from a car parked at 24 Heckel Street, July 5.

Police identified the man as Riger Vacquez, 24, of 225 Littleton Avenue. He was released on \$100 bail pending a preliminary hearing on charges of tampering with a motor vehicle.

The car was owned by Jack Verano of 23 Heckel Street.

Newark Driver Leaves Accident

A hit and run suspect was apprehended by the Belleville Police after he left an accident at Heckel and Honiss Street, July 5.

Sgt. Thomas Dunleavy, using the suspects license number, spotted him near the area of the accident.

The driver, Jed Feldman of 566 Ridge Street, Newark, was released on \$50 bail pending a preliminary hearing.

Driver Arrested For Hit And Run

Using the help of an eye witness, Belleville Police picked up a suspected hit and run driver, July 5.

Accused of leaving an accident on Passaic Avenue, was Richard Bachmann, 61, of 56 Van Houten Place, Belleville. He was released on \$50 bail pending a court appearance.

Nearly A Thousand Newarkers
Take Part In NCE Programs

Nearly a thousand Newarkers — from tots to senior citizens — are taking advantage of Newark College of Engineering's hospitality through NCE's second season of recreational activities for organized groups.

The six major agencies bringing groups to NCE during July and August include two of Newark's public housing projects, Scudder Homes and Fuld House; the church-based Newark Apostolic Committee, the local Boy Scout group, the Robert Treat Council; a senior citizen's group known as Project Concern; and persons taking part in an industrial rehabilitation training program run by Western Electric.

At High School Stadium

Students Hold Field Day

An idea Belleville High School Principal Raymond Smith picked up in a little village in Japan was put to use as the students turned out en masse for the school's first "Field Day."

Based in Japan during World War II, Smith and members of the army unit he was stationed with were invited to a field day in Fusimi Monmoyama. The day consisted of student races and a picnic, Smith

says the idea has been dormant in his mind since then.

Later the entire student body competed by class in volleyball, softball, pingpong, sack, piggy and three-legged races. The winning class received ice cream.

Each student participating was given a free lunch furnished by the school cafeteria, including hot dogs, hamburgers, French fries, cole slaw and cola.

In the volleyball event, competition spiced by the appearance of faculty and administration teams.

Belleville Youth Vies For Spot
On Jersey Jays Football Team

Two members of last year's Seton Hall university club football team, Dennis Farrell of Irvington and Bill Karatz of Belleville, are among the 70 candidates who will be working out with the Jersey Jays of the Continental League.

Karatz was a regular on the soccer team as a soph and junior but last fall switched to football. He immediately won a spot as an end and took four touchdown passes. He is 6-2 and 180.

To cap the day off, there was a blue berry cream Pie-eating contest, complete with Alka Seltzer.

Boy Scouts
Give Honor
To Eberle

Edward R. Eberle was honored June 2 by the Robert Treat Council, Boy Scouts of America as Scouting's Man of the Year. Over 600 Scouters and friends of Scouting lunched at the Military Park Hotel to witness the ceremony. Former Governor Robert B. Meyner, last year's honoree, made the presentation.

Murray Forbes organized the luncheon and presided. Frank J. Hoenemeyer, the 1969 sustaining membership chairman, recognized many outstanding businessmen for their leadership which has resulted in a total of 96.8% of the \$100,000 goal.

Robert Treat Council serves boys in Newark, Irvington, and Belleville. A highlight of this meeting was a report by Irving Feist, National President of the Boy Scouts of America. Feist outlined the National Program of "BOYPOWER '76" and its goal to serve a representative one out of every three available boys.

Walter D. Sheldon, Council president, gave an illustrated report on the program being made in reaching boys in the inner city. He pointed out that the Council will register 10,000 boys in Scouting in 1969 and for every boy served, two to three other boys are influenced for good.

Orville E. Beal, a long-time friend of boys, was presented the Silver Beaver Award for distinguished service to Scouting.

New YMCA Record Set
For Day Camp Attendance

Never in the long history of Day Camping at the YMCA of the Oranges, Maplewood and West Essex have so many boys and girls attended than this summer. The first two week session just completed had an enrollment of 160 youngsters while the second session, now in progress has reached the all-time high of 180.

Partially responsible for this is the fact that for the first time, this year, girls were invited to participate in Camp Unami programs.

Unity Institute Plans Film
On Philippines in October

A trip to the Philippine Islands is one of the travelogues in the 1969-1970 Unity Institute Travel Course. It will be shown on October 23, and is produced by Clifford J. Kamen and narrated by Russ Potter in the Montclair High School auditorium.

The Philippine Islands possess a richness and diversity of civilizations that are probably unmatched by any other single nation. At Cebu is the cross erected by Magellan on the first voyage around the world. Them comes Manila, which is a modern city and port. In northern Luzon is the spectacular Taal volcano, whose crater is filled with a lake, in which is a second crater, inside of which is a second lake. A stop is made at Zamboanga, the center of Moro culture in the Philippines, and a visit to a

cocoanut plantation and a pearl fishery, with white, black and gold pearls. This is a land of ageless beauty, a blending of 2,000 B.C. and modern times.

"The series of ten travelogues will open October 9, with "Argentina Smiles Again." On November 6, "The Spirit of Thailand" will be shown. The first film in 1970 will be "Japanese Summer" on January 8, followed by "Puerto Rico" January 22, Czechoslovakia and the Ukraine" on February 19 and "Tasmania to the Tropics" on March 19.

"Ireland" will be the only film shown on Wednesday (instead of the usual Thursday evening) on March 25. The series will conclude with "Around the Bay of Naples" on April 16, and "France's Brittany" on May 14.

Essex Bocci League
Defending Champs
In First Place Again

The defending champions in the Essex County Park Commission Senior Citizen's Bocci League from Independence Park are again in first place and are undefeated in nine matches Branch Brook Park Extension team is in hot pursuit with eight wins and one loss.

Other teams in the league include Belleville Park, Vailsburg Park, Branch Brook Park Clifton Avenue, and Branch Brook Park Middle Division. The second division teams are closely bunched together and a tight tournament is predicted. Games are played on a home and home basis.

Newest Member Appointed
To Fish And Game Council

Randle N. Faunce of Delanco was sworn in recently as a member of the New Jersey Fish and Game Council by Commissioner Robert A. Roe of the State Department of Conservation and Economic Development. Councilman Faunce will fill the unexpired term of the late Raymond G. Wilson as a representative of southern New Jersey sportsmen. He was recommended for the post by the State Federation of Sportsmen's Clubs prior to his nomination by Governor Richard J. Hughes and confirmation by the State Senate.

August Parade in Lakewood Will Feature Sabre Cadets

The Sabre Cadets of American Legion Post 105 of Belleville are going to participate in an August Mardi Gras parade in Lakewood and the New Jersey Parade in September in Wildwood.

The Sabre Cadets are a group of children, from the age of ten years and up, who have formed a color guard rifle team and drum and bell

corps. The group spends two hours two nights a week practicing under the guidance of Ray Kinsley and his family of instructors, who are experienced in the drum corps field.

The group has participated

in parades in Belleville, Jersey City, Newark and Ridgefield Park. The corps practices on Monday and Thursday nights at Clearman Field.

Sunshine friends can rarely stand the heat.

National State Cites Increase For Earnings

First National State Bank of New Jersey today reported net operating earnings of \$3,927,454 for the first half of 1969, a 21.38% increase over earnings of \$3,235,609 during the same period in 1968.

Net operating earnings for the six months were \$2.01 per share compared with \$1.65 per share for the same period last year, adjusted for a 10% stock dividend paid in February 1969.

Total resources on June 30, 1969 were \$807,778,566 compared with \$793,659,446 on the same date a year ago. Total deposits as of June 30, 1969 were \$659,590,909, compared with \$670,850,540 on June 30, 1968, reflecting principally a run-off in negotiable certificates of deposit. Loans outstanding on June 30, 1969 totalled \$423,950,496 against \$390,137,808 a year ago.

Youth Reports Theft

Parking in a Belleville driveway proved costly for a Lyndhurst youth. Thomas Goyal, 20, of 365 Page Avenue, Lyndhurst, reported to Police July 15 that his automobile was broken into while parked at D and R Auto Specialist, 364 Cortlandt Street.

A stereo player, 24 stereo tapes, a tape case and a black leather wallet were allegedly stolen.

Never induce a person to make a promise that you know will not be kept.

Passaic Man Gets Charged With Five Vehicle Violations

A Passaic man was arrested in Belleville, Friday, on five motor vehicle violation charges.

Edmund Williams of 162 Grove Street, Passaic, was apprehended by Detective Michael Marotti and booked at the Police station on charges of driving with an expired learner's permit, having no licensed driver in his company, operating a vehicle under the influence of alcohol, operating an unregistered vehicle and driving with fictitious license plates.

Williams was released on \$250 bail pending a Municipal Court hearing.

Few people ever decide voluntarily to give up a job that pays off regularly and generously.

Library Program
Races Moon Trip

There is an air of heightened excitement around the Children's Room of the Belleville Public Library this week. Youngsters enrolled in the library's summer reading program are engaged in a hopeful race with the space crew of Apollo 11. The excitement stems from the theme of the library's reading program: "Blast off to the Moon" and the fact that each child's reading progress is charted by moving his name card (a spaceship) along a path between the earth and the moon on a large 3-dimensional mock-up at the library. Children have all summer long to make the round trip to

the moon by reading and reporting on 18 books. But now, as the U.S. moon landing approaches, many of the young readers are hurrying to report on at least 12 books--enough to get them on the moon--before the astronaut landing. The library has entered the spirit of the moon race by announcing a special prize award for all children who reach the moon no later than Friday July 18th. The full summer program will end on August 29th and all children completing the round trip will be issued certificates of merit at the annual awards party the first Saturday in September.

TV Program Highlights

(The following television highlights were selected by the entertainment editors of Accent. Accent will be included in next week's edition of this paper. All programs are in color unless otherwise noted.)

- July 31 (Thursday) - 8:30 p.m. "Spectrum" deals with the subject of alcoholism. A co-production of NET and KCET Los Angeles, the program examines the medical and social problems of the alcoholic and his family, and available treatments.

Greek Play
Now Featured
In Morristown

The Ars Nova Players will present Euripides' The Trojan Women under the direction of Joseph White at The Masterwork Cultural Center, 300 Mendham Road, Morristown, New Jersey, July 30 through August 3, at 8:30 p.m. The central role of Hecuba will be played by Jessie Natovitz of Morristown, a student at Brandeis University and a veteran of two other Ars Nova productions. Talthybius will be played by James Curran, a graduate of Seton Hall, currently working in the poverty program in Newark. Judith Knuele of Morristown will double as Cassandra and Helen, and Robert Rogers, a student of the University of Denver, will play Menelaus. Carol May of Whippany, a student at Carnegie-Mellon University, will portray Andromache as well as design the masks.

Boy Scout Camp Receives 'A' Rating In Inspection

Camp Mohican again received an "A" rating announced Charles Crane, chairman of the Camp committee. Camp Mohican is located high in the Kittatinny Mountains of northwestern New Jersey and is the Boy Scout long-term camp of the Robert Treat Council. This is the fourth year in succession that the "A" rating has been received by Camp Mohican.

All Boy Scout Camps are inspected each year in standards of program and facilities. The specific areas of inspection are health, safety, sanitation, program leadership, facilities and administration. Camp Mohican is receiving the "A" rating received the highest rating possible.

Morris County Fair Set To Begin On August 17

In spite of the diminishing livestock and agricultural enterprises in Morris County, the horse population and horse activities are steadily increasing. This will be obvious in the number of people who will participate in horse events and competitions at the 1969 Morris County Fair, to be held August 17 through 24 at Horseshoe Lake just off Route #10 in Succasunna.

The first horse event of the Fair will be held on Tuesday evening when a number of fine teams will compete in a horse pulling contest in the main arena. This type of old time Fair competition has been extremely popular to Fair visitors.
