

Bill To Cut Costs For School Board

Proposal To Aid The Handicapped

A bill which might significantly cut down on costs to the Belleville Board

Apology Is Given By Board

A joint session of the Belleville and East Orange boards of education was held Monday night, with the East Orange Board offering its apologies for the stoning of Belleville buses after the Bellboy-Panther game two weeks ago.

Mrs. Mildred Barry, president of the East Orange Board, spoke before the gathering in Belleville, saying her community was "deeply sorry" for the actions committed against Belleville students. She said that police protection was inadequate and offered an explanation at the closed meeting, requesting that the Belleville Board not release the information to the press.

According to Board President Dr. Frank Di Ruggiero, Mrs. Barry said that she hoped the incident would not jell into a hard attitude toward her school.

Despite the apologies and the promise of better police protection, all athletic activities between the two schools remain suspended pending an investigation by the Big Ten Conference and the New Jersey Interscholastic Association.

Mrs. Barry did say that the football players themselves were not responsible, and that outsiders definitely took part in what she called a premeditated situation. She did report that concerned citizens in her community had formed a group of 60 to act as guards at all home games.

Board member Rocco Saletta, present at the game, emphasized that lack of police supervision was directly responsible for the student injuries. Saletta had accompanied injured students to Clara Maass Memorial Hospital after the game.

Twenty Belleville High School students were injured when approximately 250 angry East Orange fans stopped Belleville buses outside the stadium and threw bricks and boulders through windows.

of Education for the education of handicapped youngsters is being introduced in January by State Senator James Wallwork.

The Senator's plans were revealed in a special meeting with the local Board.

The bill calls for the State to assume 75 per cent of the costs of facilities to educate the handicapped children of a community. Presently the State pays 50 per cent of the cost, with the community sharing the other half.

A state law requires a community to assume the educational costs for its handicapped. Under the law, if a community doesn't have proper facilities for a handicapped child, they must pay the tuition for this child at the nearest facility, which can be up to 500 miles away.

Presently, the Belleville Board of Education maintains Garden School for about 32 handicapped youngsters. Other communities send children to this facility and pay the Board tuition. Another facility is located at Clara Maass and deals with Cerebral Palsy victims.

It costs the local Board approximately \$700 to educate a normal child in the schools system. Cost for a handicapped youngster is approximately \$3,200, without transportation.

The main problem with the present system, according to the Senator, is that no one community can provide all the facilities for the different categories of handicapped children. Under his plan, communities would form coalitions of three or four, with each choosing a particular handicapped facility to be erected with state aid in their community. Each community would retain its independent authority. Right now various municipalities such as Belleville and Bloomfield have informal agreements.

Boy Is Struck By Automobile

Mark Röll, 9 of 31 Parkview Avenue, was struck by a car October 4 and treated for injuries in Clara Maass Memorial Hospital. The car was driven by Martin Henry of 300 Branch Brook Drive.

Three More Route 21 Accidents Add Urgency To Mayor's Protest

Mishaps Occur Within 48 Hours

Within 48 hours after Mayor Ken Smith had sent a protest letter to the State Highway Department threatening to close down Route 21 unless safety measures were provided, three accidents occurred on that roadway. Unlike recent mishaps on the state highway, existing safety devices prevented serious injury in all three cases.

As of now, no answer to the Mayor's letter has been received. Letters protesting "poor safety conditions" on the highway were also filed recently by town Judge Edward Abromson and Deputy Police Chief Harry Tepe.

Tepe had asked for reflectors and better lighting for abutments. He has not received an answer from the State, nor has Judge Abromson, who had asked Motor Vehicle Director June Strelecki for patrol of the highway by motor vehicle inspectors.

Within a month now, one woman has nearly lost her life when her car was demolished striking a "poorly lighted" abutment, and another driver escaped injury when his car hurdled a faulty guard rail and plunged into the Passaic River.

Whether or not the Mayor can legally shut down the state highway is another question. Smith has asked the Town Attorney, Nicholas R. Amato for an opinion on the matter.

Last week there was one accident on Thursday and two on Friday, all apparently caused by slippery road conditions. The Friday accidents occurred within seven minutes of each other.

On Thursday, a Rutherford driver's vehicle went out of control and struck the center guard rail on the north bound side. The driver, Victor Markowitz, 30 of 171 Darwin Avenue, said he was driving about 45 miles per hour in the center lane with a light misty rain falling when his car went into a skid. He was taken to Clara Maass Memorial Hospital in a town ambulance and treated for a cut in his left cheek, bruises to his nose and soreness in the hand.

It was raining again on Friday when two more accidents occurred on the by now infamous highway. At 11:43 a.m. Nelson Hendley, 26, of 125 Presidential Boulevard, Paterson, was heading north at 55 miles per

hour just south of the Kearny exit, when his vehicle went into a skid, struck the center divider, spun off to the right across two lanes and smashed into the guard railing at the edge of the Passaic River. The vehicle had traveled 33 feet after it had struck the center divider. There was no serious injury. The vehicle had to be towed, its front end completely demolished.

Just seven minutes later, young Patricia Peake, 20, of 631 Third Street, Lyndhurst, found herself the third accident victim in 48 hours, when her left front tire blew out as she was heading south in the center lane. The car veered toward the center guard rail, and Miss Peake, trying to avoid contact, turned her wheel away from the skid, and swung completely around and into the right guard rail. She was not seriously injured, but her car received damage to the left front fender, the hood, bumper and left rear wheel, which was bent.

Cops Set Escort For Tilt

A police escort will accompany Belleville school buses this Saturday when the Bellboys travel cross town to play rival Nutley High School in an important football game.

The announcement was made by Belleville Police Chief Donald Smith, who said the recent riot in East Orange had prompted his decision. One patrol car will lead the school buses, another will bring up the rear, and at least two patrolmen will travel on the buses.

"It has to be this way," said Chief Smith. "The extra cost of paying policemen overtime is worth it to protect the students and players."

Last Saturday more police were assigned to the home game against Bloomfield than has been the custom in the past. Twenty men instead of the normal 13 were assigned to the game. The additional manpower came from utilizing patrolmen from the 5 to 1 p.m. shift, paying them overtime for their four extra hours. Local police escorted the Bloomfield buses to that town's line.

FAMOUS ART DIRECTOR — Morton Birkin, (center) art director for the Belleville schools system, and winner of a

Art Director Wins Statewide Prize

Martin Birkin, art director for the Belleville schools system, has won first prize in oils in a state wide contest held at the Ringwood State Park. His award winning picture, "Conversation on Mott Street," will be part of a huge exhibition to open this Monday in the Park and run through the third week in October.

Morton Birkin

first prize, Birkin will be one of a three man exhibition to be held in 1970.

Birkin, who is married and lives in Fairlawn with his two children, has been the art director for Belleville the last five years.

His background is extraordinarily diverse, and includes numerous accolades and awards.

Born in Philadelphia in 1919, he attended the Philadelphia Museum College of Art, the Barnes Foundation, the Tyler School of Fine Arts of Temple University, the New York University Advanced Painting Course and the University of New Mexico Art Seminar.

Birkin has won five major art prizes, including the Tyler Alumni Exhibition, first prize in 1952 and honorable mention in 1950; the Cheltenham Art Annual, first prize for best oil painting; the Wurlitzer Grant, and a permanent collection with the Wurlitzer Foundation in Taos, New Mexico.

Recreation Leader Has A Big Dream

Robert Cook admits he is an idealist. He has a dream now which won't go away. His vision involves amateur athletes striving for the Olympics. The town recreation director would like to see community organizations sponsor local athletes so that they could realistically compete with

Robert Cook

nations such as Russia which subsidizes its athletes.

Cook is seeking to involve the Belleville Rotary and Kiwanis Clubs in his idea, a scheme which he hopes will spread across the nation.

Under his plan, a local club would finance a promising athlete in competition on a national level. Once the athlete has reached the Olympic team, his finances would be paid by the AAU. The idea started several years ago, when a local weightlifter, Phil Grippaldi showed great promise in the sport. Grippaldi won several titles, including World Teenage Press Champion, National Junior and Senior Champ, the Tri-State Championship, and eventually went on to the Olympics in 1968.

Grippaldi's rise to the top, however, was not without difficulty. Cook recalls that the athlete wanted to go to the Junior National Championships which were being held in California, a trip which would cost a great deal

Controversial Play Sends Bellboys To First Defeat

CONTROVERSIAL PLAY — The question on everybody's lips at Saturday's Belleville-Bloomfield football game, was did the Bengals winning TD pass hit the ground before Tony Scarlatelli picked it up and raced into the end zone with 37

seconds to play. Thanks to Times photographer Nathan Gottlieb, who captured this controversial play, the reader can decide for himself.

Fans Think Pass Catch Hit The Ground First

by NAT GOTTLIEB

Sometimes it is hard to be a sports reporter. Take last Saturday, for instance.

There were 37 seconds left to play when Bloomfield quarterback Jack Schegle faded back to pass on the Belleville 14 yard line, with the Bellboys leading 7-6. Finding no one open, Schegle scrambled for a few seconds, and then fired a bullet toward halfback Tony Scarlatelli. The pass was low, and Bellboy players and fans thought Scarlatelli had scooped the ball up after it had touched the ground. The refs said it was a reception, and Scarlatelli, who hesitated, perhaps waiting for a whistle, alertly turned and raced into the end zone while Bellboy defenders watched in disbelief.

Looking through a semi-telephoto lens, this reporter saw the ball hit the ground before Scarlatelli took off. But it must have been an illusion, because the refs said it was a completion and a reporter mustn't have any opinions.

So Belleville lost its first game of the season, 12-7 after a thrilling opening day upset of heralded powerhouse East Orange.

Despite the controversial play, the Bellboys did not play the type of game they did the week before. Coach John Amabile summed it up when he said: "We did everything to give the game, and in the end, the officials gave it to them."

Belleville's highly regarded defensive unit, key to the East Orange upset, did not function as a well knit unit. The offensive line, perhaps suffering a mental letdown after being sky high the week before, was not blocking the way it should the coach reported after viewing the game films. On a fourth and one play on the Bloomfield goal line, Amabile said the

(Continued on Page 14)

A FRIENDLY DISCUSSION — Bellboy coach John Amabile is saying to this referee, "But Sir I think you erred in executing your good judgement." Amabile was protesting a last minute controversial Bloomfield touchdown pass that many observers said "Was picked off the ground." The referee, who many said had a serious vision deficiency, seems to be having his hearing problems, too.

Robert Cook Has Hopes For Athletes

(Continued from Page 1)
of money for an amateur athlete. With Cook's help, the Kiwanis sponsored Grippaldi's trip, and the youngster took second place. But the venture was a one shot deal, and Cook is now seeking to set up a permanent system to aid amateur athletes in Belleville.

A committee has been formed in the Rotary Club, chaired by Rev. Donald Blume, to make the sponsoring of a local athlete a club function. Mike Rossamilla of the Kiwanis came up with the idea of making the project a joint Rotary-Kiwanis function.

Under Cook's system, the clubs would select a committee which would ask the group body to suggest local athletes who display a good deal of promise. The committee would select one, and aid him in district and national tournaments, with the objective in mind of securing a berth for the athlete on the Olympic team. Sports such as weightlifting, track, fencing (men's and women's), wrestling, basketball, crew and gymnastics would be involved in the plan.

One major factor that

affects amateur athletes, Cook said, is the athletes job status. Often he will have to miss work, and the amount he does is usually critical. With subsidy, an athlete could take a plane instead of a train, and therefore miss a minimum amount of job time.

Cook figures it would take about \$300 to finance an athlete for one year's competition, using Grippaldi's experience as a guideline.

Currently, the Rotary Club has a membership of 37 and the Kiwanis 50, which would mean roughly six dollars a man to sponsor an athlete.

The recreation director feels that if the plan succeeds, amateur athletes on the rise would gain inspiration knowing that town organizations are taking an active interest in their abilities.

Cook, an athlete in his own right—he lifts weights four days a week—is well aware of the problems amateur athletes face, having competed in numerous weight-lifting tournaments. He also played semi-professional indoor La Cross, a grueling sport, and plays a good game of tennis. At 48 and still active in sports, he is the perfect man to make his dream for young athletes become a reality.

Lincoln Technical Institute Graduates Joseph P. LaFalce

A Belleville resident, Joseph Paul LaFalce of 21 Minker Place, is among the recent graduates of Lincoln Technical Institute, Newark. LaFalce, a graduate of Belleville High School, has received his diploma after successful completion of the course in heating technology, a field that suffers from a drastic shortage of skilled technicians. He is employed by Home Fuel Oil Company, Passaic.

The 23-year-old school, the only one of its kind in New Jersey to be accredited by the National Association of Trade and Technical Schools, also offers comprehensive courses in all phases of air conditioning, refrigeration and automotive technology.

Big Rally Set Columbus Day

Commissioner Vincent T. Strumolo, Belleville campaign manager of Congressman William Cahill, announces that the candidate will attend a Columbus Day Rally, this Sunday at Strumolo's Drive-In, 80 Franklin Street.

The rally, which will begin at 3 p.m. and last until 5 p.m., will feature numerous political figures and candidates seeking public office, plus musical entertainment and refreshments provided by the Commissioner.

All Belleville citizens are invited to meet the candidates at the rally.

Music will be provided by Sandy and the Warders.

Mevner-Cahill TV Debate Set For October 19

A live, television debate between Congressman William T. Cahill and Robert B. Meyner will be aired Sunday, October 19 by WCBSTV.

The channel 2 broadcast is scheduled for 11:30-12 noon and will be moderated by WCBSTV news correspondent Jim Jensen.

A KISS FOR MOM — Democratic candidate for the Assembly, Joseph L. Iannuzzi, plants a kiss on his mother's cheek, Mrs. Angelina Iannuzzi, during a dinner given for the candidate at the Fountain. A crowd of over 400 attended the affair, including Iannuzzi's running mate, Carmen Orechio.

Mayor Smith Warns Of Halloween Mischief

Belleville youths with Halloween mischief on their minds will find the strong arm of the law out to get them this year, as Mayor Ken Smith announced that strict law enforcement will be in

effect during the two weeks preceding the traditional holiday.

"We won't stand for any Halloween mischief," said the Mayor at his Town Hall office.

Kiwanis Cancer Drive Set Throughout Town

The Belleville Kiwanis will conduct their 15th annual Cloth for Cancer Drive, from now until mid-November. Sought by the service club are pillow cases, sheets, towels and anything else that can be used for cancer dressings.

The Kiwanis, in their collection, have saved the American Cancer Society approximately \$70-80,000 in the cost of bandages. Recently the Belleville club received a national award from the American Cancer Society for their efforts in collecting cancer dressings. The award has in the past

been received by such people as Eleanor Roosevelt and Damon Runyon.

Containers for cloth donations have been placed by the 49 member club in all schools, and most churches. Businesses on Washington Avenue have consented to the placement of containers, on their premises.

The Big Insurance Problem

A joint legislative committee recently held hearings on citizen problems with insurance coverage.

The legislative committee hearings were recessed until after the November election. It is a sad state of affairs when a critical subject such as insurance should be subject to the timetable and convenience of politics.

Rates are confiscatory — much like real estate taxes today.

Cancellations and non-renewal notices are being mailed to individuals daily, and it's not in the hundreds, it's in the thousands. Insurance coverage is a hardship which affects practically every family in the State of New Jersey, especially so when there resides in the homestead an individual 25 years of age or under.

A young person could be a perfect driver with no accident to his or her "credit" and still be obliged to pay an extremely high insurance premium because of the deficiencies of other young drivers. This is manifestly unfair and the system should be changed — thrown out — replaced with a system that has common sense at the base.

Maybe the answer to our insurance problems is a state takeover of the insurance business, for everyone should and must have insurance — but insurance at a price that will not bankrupt us.

The average person is caught in a squeeze — high taxes, high insurance premiums, high

cost of living, and with the poor girls — high skirts. One wonders what is next.

We believe the time is long overdue when a movement should be organized to get things lower — taxes, insurance, cost of living, skirts — everything in general, except our sights.

The problems of the times call for vitality and vigor from public officials if we are to survive as a strong, free and stable nation — for in the final analysis, what happens at the grass roots reflects itself across the length and breadth of this great nation.

We have a Democrat Governor and a Republican Legislature — and we have these problems. So, the problems exist because a Democrat Governor and a Republican Legislature have not been able to anticipate them and provide us with the solutions.

To whom can we turn? A Governor of different political faith? Legislature of a different political faith? One wonders — and while we wonder, the tranquilizer industry gets more customers.

Tenants Are In Need of Aid

In recent weeks we have heard lots of talk and sat by while our public officials passed laws to grant rights, more rights and more rights to all kinds and classes of people with several exceptions — one being individuals who are obliged to, or desire to, live in apartments.

Today they represent one of the most neglected groups in America.

Landlords think nothing of upping the rents and decreasing the services. In years past, tenants rented apartments with parking included in the monthly rent. In recent years landlords added extra rent for parking spaces. This is a Jesse James type of thing without a gun.

Ruthless landlords think nothing of

increasing rents from 25%-50%. What they are doing is taking advantage of the economics of the law of supply and demand. As most apartment dwellers know, a good apartment is hard to find — and so comes the exploitation.

We think immediate action is needed to relieve the first of this substantial and neglected group. We support the aims and objectives of the Tenants Association.

Children's Accidents

The National Safety Council estimates accidents claimed the lives of over 15,000 children in 1968. An insurance company has therefore compiled a list of things parents can do to lessen chances of an accident in your family. Some of these are:

In automobiles, keep children seated and don't use shoulder harnesses on those less than four feet seven inches tall. The National Safety Council urges parents to put all children under four in a safety restraining device especially manufactured for them.

Children on bicycles should use car-free roads and trails as much as possible. If bikes are used on normal roads, see that they are well-lighted, have good brakes and that the child on them knows the traffic laws, and obeys them.

In playing, and in game participation, it's

important that children be healthy and well-rested. That means getting enough sleep — ten to twelve hours for children of five years. Guns used by children cause many accidents. Every safety precaution should be used with them.

Falls, which kill more elderly Americans than any other accident, also kill children, often falls from windows or tree houses, etc. Suffocation (abandoned refrigerators), accidents playing at construction sites and drowning are other major categories. Home pool drownings occur when no adult is watching and the pool is accessible. Children's deaths at camps are most often due to drowning — authorities say a camp should have one counselor for each six youngsters under eight, one to eight children above age eight.

Fans Know Outcome Of Saturday's Game

By John Bunevich

Question: Who do you think will win the Nutley-Belleville football game this Saturday?

Asked: of Nutley and Belleville football fans.

Bobbie Shore — 96 Hillside Avenue, Nutley

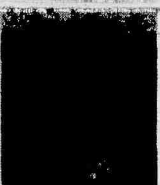

I think Nutley will win the game by a wide margin. There is alot of school spirit this year and we have a better team than last year. I know some of the players on the team and they are all optimistic and confident of a Nutley victory. This game means alot to the fans of Nutley and the players know this. They will play extra hard to gain a victory. We beat Belleville last year and we have a vastly improved team this year. We should come out on top. The Belleville-Nutley game always is a good one.

Bobbie Shore

Lucille Fink — 1 Cedarhill Avenue, Belleville

I think Belleville is going to win the game this Saturday. Our players are always up for this one. It means alot to everyone in Belleville and there is a keen rivalry. I know our team practices hard every day and they are in great shape. I just came to Belleville from Newark last year and this is my first year at Belleville High. All the kids want to win this game real bad. The players know this and they will play extra hard for us. I see the team practice every day on my way home from school and it looks to me that they have a big team.

Lucille Fink

Mike Lovullo — 141 Lakeside Avenue, Belleville

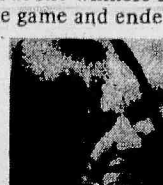

We will win. The reason I say we is because I'm a member of the Nutley team. This year I'm playing right guard on the offensive unit and we have a great line. I think our team is in better shape and have had better conditioning than the Belleville team. This year we have a real good offense and we should outscore them. Federici is a good coach and I think we also have the edge there. Belleville beat East Orange in a close game but East Orange doesn't have such a great team this year either. I've been talking to the players on both the offensive and defensive squads and they are really up for this one. We beat them last year and we shouldn't have any trouble again this year.

Mike Lovullo

Patty Kimball — 60 Beech Street, Belleville

We should win the game this Saturday. We have more spirit than Nutley does and that means alot. We came out the winners at the East Orange game and ended their 22 game winning streak. We should have beat Bloomfield last Saturday but because of a bad call by the officials we lost. A few players from the team are in my class and they all are confident that Belleville will soundly beat Nutley. We lost last year and I don't think anyone will forget the game. Our players are out for revenge.

Speak Up

Iannuzzi Backs Boards' Decision

To The Editor:

The recent clash between partisans of East Orange and Belleville High Schools was a deplorable example of poor sportsmanship. Our national and local traditions of athletic competition run counter to all that occurred on September 27. The poor sportsmanship displayed by some East Orange fans in attacking Belleville spectators must be condemned as unjustifiable. Losing a football game — even when unaccustomed to it — is no excuse for violence and bitterness towards one's opponents.

Just as the losing candidate in an election accepts his own defeat and congratulates his opponent, so should the same rules of conduct hold in athletic rivalry. This tradition of good sportsmanship is a

part of our American way of life.

While neither the East Orange team itself, nor all the East Orange fans can be blamed for what occurred, it is advisable that further games between East Orange and local teams be postponed. I back the stand of the Belleville and Nutley Boards of Education in this respect, and urge the prosecution of all those involved in the incident. More importantly, however, I would encourage the return of courtesy and good sportsmanship in the relationships of competing teams, as well as in the relationships of all the citizens of our community.

Mom Of Student Leader Deplores Football Riot

To the Editor:

The Student Council president of Belleville High School, John Longo, was injured Saturday, September 27, during the demonstrations that followed the Belleville-East Orange game.

John lost consciousness after having been beaten about the head and face by an assailant who struck him from behind with what appeared to be a billy club. When he was taken to Clara Maass Hospital, X-rays were taken but he was released without a doctor's examination, although he complained of dizziness and drowsiness. It was left to me to see that he received an examination from our family doctor.

Many other students were also injured; two girls by glass in the eyes, one boy required stitches in his neck, another suffered a broken

finger, and others were cut and bruised.

My point is this: how long are such incidents to continue? Are unprovoked attacks like these to go unheeded and unpunished? Where were the police and why were no offenders apprehended? It would appear that the demonstrators expected impunity. When I tried to contact Mayor Smith I was informed that he had just left town for several days.

Although deeply disturbed by these activities, as one mother alone I am powerless to act. I can only hope that this incident will be thoroughly investigated and that positive action will be taken for the prevention of future occurrences.

Sincerely yours,
Edith I. Longo (Mrs.)

We feel that sleep is worthy of a few words because of its importance of healthy mind and body. What is sufficient rest? It varies a great deal. Some persons require five hours' sleep a night and others must have eight or nine hours. Sleep's duration is much like a new shoe — if it feels good, it's right. Generally speaking, the very old require the least sleep, the very young the most. Average sleeping time for adults is 7½ hours. Always remember that your health demands a sufficient period of relaxation to rest not so much the body as the brain.

Contest Scheduled At DeWitt Savings

A "Turkey Shoot" contest is being held at DeWitt Savings through November 14 according to John P. Dailey, president of the Association. Prizes include 15 fifteen-pound Swift Butterball frozen turkeys which will be awarded to winners.

"Anyone, of any age, can enter the contest," Dailey said. He emphasized that it is not even necessary to be a customer. "There are no jingles to write, nor any problems to solve," he continued. All a person has to do is to fill out an entry form which is available at DeWitt, and place it in the Turkey Shoot box in DeWitt's lobby. "There is no limit on the number of times one can enter," he said.

Air-Conditioning More in Demand

A sharp increase in sales of residential air conditioning equipment is being recorded this year despite the effect of "tight money" on residential construction and consumer spending, according to John Magullian, president of Magullian Heating & Cooling.

He said Carrier market studies indicate that industry sales of home cooling equipment are expected to rise from about \$1.7 billion last year to more than \$2.1 billion for 1969.

Passaic Valley Association Set To Sponsor A New Program

The Passaic Valley Citizens Planning Association will break new ground by sponsoring a community planning conference for high school and college students. Approximately 60 area schools and colleges have been invited to participate in the conference which will be held Saturday, December 13, 1969, at the Rutherford Campus of Fairleigh Dickinson University.

John I. Merritt, Planning Association president, stated that the Association has long recognized the need to acquaint young people with the basic principles of community planning.

THE PARTY TABLE — Members of the town Democratic party pause for a picture during the festivities at the dinner held at the Fountain Restaurant for Democratic candidate for the Assembly, Joseph L. Iannuzzi.

Joseph Iannuzzi Dinner Attracts Crowd of 450

Over 450 supporters attended an Italian-style dinner given in behalf of Democratic candidate for the Assembly Joseph L. Iannuzzi at the Fountain Restaurant last Friday.

The candidate, who sat next to his mother, Mrs. Angelina Iannuzzi, was joined at the head table by his running mate, Nutley Commissioner Carmen Orechio. Both men made short speeches at the affair, thanking supporters for their help since the campaign began. Orechio was given a breakfast at the Fountain two weeks ago.

Principal speaker for the affair was Nick Julliano, former Democrat.

Democrats Set Rally Tomorrow

Bernard Rabinowitz, former Democrat Freeholder, will head the committee for a third ward rally in support of the Democratic ticket.

The first of three rallies sponsored by the local campaign co-ordinators, the event will be followed by similar affairs in the first and second wards.

The Third Ward party will be held tomorrow at the Veterans of Foreign Wars Hall, Washington Avenue, Nutley.

The ward-by-ward gatherings "will afford the voters in every section of town to meet the candidates and discuss the vital issues of the campaign," Rabinowitz said.

Bernard J. Gallagher, Nutley co-ordinator for the 11-C Legislative District noted "it has been many years since either political party has included in its slate a candidate from our home area and this presents all voters, regardless of political affiliation, opportunity for a direct voice in Trenton proceedings."

Bad Checks To Pathmark Bring Fine And Probation

Issuing ten bad checks to the Pathmark Supermarket in Belleville, cost a Nutley man one year probation and a \$50 fine. Judge Edward Abromson levied the penalty at October 2 Belleville Municipal Court.

George Budd, who listed his address as 41 Ernest Street,

wark, was born and raised in the city. He graduated from Fairleigh Dickinson University and attended New York Law School. He is presently a teacher at Lafayette Street School in Newark.

The candidate is president of the North Ward Young Democrats and vice president of the Essex County Young Democrats. He is a member of Unico National, in addition to being district captain of the Robert Treat Council Boys' Scouts of America. He is also a former field supervisor for the Neighborhood Youth Corps.

ALL SMILES — Democratic candidate for the Assembly, Carmen Orechio (left) was one of over 400 guests who showed up at the Fountain Restaurant Friday to honor Joseph Iannuzzi, also a candidate for the Assembly. Iannuzzi is seated here with his mother, Mrs. Angelina Iannuzzi.

Nutley, pleaded guilty to the charges.

Belleville police have been looking for Budd since April when he passed over \$200 worth of bad checks at Pathmark.

A truck driver in Toms River, Budd turned himself in at Belleville Police

Headquarters only a day before the trial. Budd has a previous narcotic conviction record but said he "had been off the stuff for a long time."

Judge Abromson suspended a 30 day jail term on each of the bad check charges and ordered Budd to make full restitution within six months.

BECK'S COLUMN

By MAX BECK
Beck's Column.

Some time ago we wrote a column about the question a customer asked: "Which is the best color TV?" We stated that there are a number of good TV sets on the market.

Which then is the best way to go about buying a color TV? Find out who services the set. If the service is done by an outsider, and not by the seller, go right on, you are asking for trouble.

In most stores you see a number of models of different brands on display. We have not seen one store which has all models of the different brands they sell, in stock. They only have a few of each brand. If you select one manufacturer's product and if it is not in stock, they only show you a catalog. Who wants to buy an item costing \$600.- or sometimes considerably more, if you can not see it? A customer certainly is entitled to see what he is buying (in the flesh, so to speak) and not be shown a picture.

We feel it is much better for you to go to a dealer who has only one brand, but has every model which this manufacturer makes. That's what we do. This will save a lot of disappointment, which so often is the result of a purchase "from the catalog".

We service what we sell. Beck's Radio TV HI FI Nutley 667-2275.

Sports Corner

By John McCarthy

It was second and seven to go on the Belleville 14, Bloomfield's ball with forty four seconds left in the game. Three pens took the same information, "Blmfd 16 Pass." Bloomfield's Jack Schegel was back to pass, now he was being rushed by lineman John Atherton. Over to the sideline on the run, he's throwing! Right over the line.

The three scorekeepers were ready, the "Inc." for an incomplete was on its way. The ball bounced and the letters were started, but Bloomfield's Anthony Scariatelli picked up the ball, and turned toward the goal line. Belleville's Frank Fury had seen the ball bounce and let him go.

"Where's he (Scariatelli) going?" asked Marty Fuchs, sports editor for the BHS Spotlight.

"What's he doing? He can't do that," was the comment from Marc Feldman, assistant sports editor and team statistician.

From the bench came, "Hey man, what's goin' on, he ain't allowed to do that" "Hey, that ain't legal." "Yea, I just said that."

The three side line statisticians looked at each other. Marty, Marc and I all agreed, Scariatelli picked the ball up off the ground, but the ref's hands were up. The scoreboard clicked up six more points, so that's how the board looked in the end, 12-7 Bloomfield.

But don't let it fool you. Even though Belleville's playing wasn't as sharp as it was against East Orange, in my book they won the game, and I won't change that for anyone, not even a ref that can't see the ground.

Belleville's junior varsity squad did manage to gain some revenge against Bloomfield as they won, 14-0. Jerry DePaul dove for a pass from QB Joe Lotruglio in the end zone for the first touchdown. Charley Ziegler, defensive safety, took a Bloomfield punt on the 45 yard line and ran it back for a touchdown. Lotruglio ran for the conversion, making the score 14-0. Joe saw some varsity action Saturday as he got in for a few plays at halfback, but was used mostly for blocking and wasn't given a chance to run.

On Tuesday Red Forrest took his fifth first place of the cross-country season, but the Bellboys lost, 25-35 to Kearny. The team took first and second places, but the next three places for Belleville were eighth, eleventh, and thirteenth, totaling thirty five, not quite enough to beat Kearny's three, four, five, and seven. Red's time of twelve minutes and thirty six seconds averages out to about a five minute mile for a 2.5 mile course.

WEDDINGS AND ENGAGEMENTS IN SOCIAL SPOTLIGHT

Lynda Lenehan, Theodore Leo Are Wed At Mass In Holy Family

Mrs. Theodore Leo — nee Lynda Lenehan

Wedding vows were exchanged September 12 in Holy Family Church by Miss Lynda Constance Lenehan, daughter of Mr. and Mrs. William F. Lenehan of Meacham Street, Belleville and Theodore John Leo, son of Mr. and Mrs. Frank M. Leo of Chestnut Street, Nutley.

Officiating priest at the nuptial mass was the Rev. Paul Viale assisted by the Rev. Michael Saltarelli of Holy Family, the Rev. Thomas Walsh of St. Mary's and the Rev. John Golding, formerly of St. Mary's and now of East Orange.

The bride, escorted by her father, wore a gown of candelight silk taffeta fashioned with an A-line skirt, long fitted sleeves, high square neckline and panels of imported reemboiled lace down each side of the gown. Neckline sleeves and hemline were bordered with the same lace as was the full train which fell from the shoulders.

Her triple silk illusion veil was held by a cap of lace and seed pearls and she carried a long stemmed white rose.

Mrs. John Ricci of Belleville was matron of honor. Bridesmaids were the groom's sisters, Miss Patricia, Miss Lisa, Miss Marylou and Miss Anne Leo.

They wore old fashioned, high necked, long sleeved gowns of heaven blue moire taffeta trimmed with small

ruffles at the neck and sleeves and carried nosegays of old fashioned mixed flowers.

Frank M. Leo Jr. was his brother's best man. Ushers were David Sardilli, John Jamison, Steven Lenehan, brother of the bride, Bruce Cole and Midshipman Christopher Farley.

Mrs. Lenehan chose a gown of pale pink silk crepe trimmed with a satin band at the empire waistline and with a chiffon panel falling from the shoulders. Her coat was of pink shaded satin brocade. She had a wrist corsage of gardenias.

The groom's mother was in a coat and gown ensemble of gold brocade trimmed at the neckline with beading. Her corsage was a white orchid.

Mrs. Leo, a graduate of Our Lady of Good Counsel High School and Caldwell College for Women was a psychiatric social worker with the Bureau of Institutional Services of the State of New Jersey until her marriage.

Mr. Leo was graduated cum laude from Providence College and has completed his first year at the University of Notre Dame Law School. The couple has left for London where the groom will spend the next year at the University of London School of Law.

Following a honeymoon in Florida, the couple will reside in Bloomfield.

First Meeting Held At Shelter

The first meeting of the Friends of the Essex County Children's Emergency Shelter for the current year was held recently at the Shelter in Belleville.

The speaker for the evening was Mr. Arthur Bray, director of planning for Essex County. Having returned recently from a tour of institutions and Agencies abroad, Bray's topic covered comparisons between management of shelters in America and Europe. One unusual aspect discussed was the use of private homes to house the children rather than large institutions.

The next meeting of the Friends will be on Monday, October 20, at 8 p.m. at the shelter located on the corner of Belleville and Franklin Avenues in Belleville. Programs for the coming year will consider the shelter, the community and the child.

Members are urged to attend and all residents in the operation of the Shelter and its functions are welcome.

R DON'T TAKE YOUR EYES FOR GRANTED

There is much more to good vision than people realize. Better vision can mean greater ability in every aspect of life. Although under normal circumstances your eyes will serve you as long as you live, it is important that you protect them with proper care.

Periodic check-ups are a necessity whether you wear glasses or not. Avoid strain by having the proper glasses (if you need them). Use proper lighting when reading, working or watching TV. Protect your eyes against glare. Rest them when they are tired. Sometimes a soothing eyewash or eye-drops can be helpful. We carry many of them in our pharmacy.

YOU OR YOUR DOCTOR CAN PHONE US when you need a delivery. We will deliver promptly without extra charge. A great many people rely on us for their health needs. We welcome requests for delivery service and charge accounts.

Wise Owl Nursery School Will Open Soon

The Wise Owl Nursery School has come to town. On Nov. 3 at 617 Washington Ave., Belleville the easily accessible, state approved school will begin its semester under the direction of three certified and experienced teachers.

The school hopes to offer both a morning and afternoon session. These sessions will be held in newly renovated facilities. A sunny first floor will accommodate happy children between the ages of 2½ to 5 years.

The well equipped school will sponsor many pre-school learning experiences and also help ready children for formal schooling. The environment here is conducive to creative play, musical activities and arts and crafts as well as healthy outdoor fun in a spacious inclosed play area.

The administrator of Wise Owl Nursery School is Mrs. Carol Casale a resident of Belleville and a teacher in its school system for six years. She was graduated from Newark State with a degree in

elementary education and has gained her experience in the lower grades. Mrs. Casale has also done private tutoring and is experienced in the dance.

Mrs. Constance Rossi, upon graduation from Newark State College gained her professional experience teaching in the primary grades of the Newark School System. Mrs. Rossi is a Nutley resident who enjoys art and is creative in the field of oil painting.

Mrs. Claire Klem is presently teaching in the Clifton School System and hopes to join the Wise Owl faculty in the near future. In the interim she will act as a consultant in the areas of crafts and music. A 1964 graduate of Newark State College, Mrs. Klem resides in Nutley.

Additional information, and appointments for interviews can be arranged by calling 751-0604 or 667-3538. The nursery school will be open to the public Tuesday, Wednesday, and Friday, October 14, 15, and 17 from 1:00 p.m. to 2:30 p.m.

Mothers' Monthly Meeting

The Mothers' Club of Essex Catholic High School, in Newark, will have their monthly meeting on Tuesday, October 14, at 8 p.m., in the school auditorium.

Guest speaker will be Brother Joseph T. Harrington, and his topic will be, "Plans for trips to Europe during the Easter holiday in 1970." He is a member of the Essex Catholic faculty, and he supervised a trip to Europe last school year with a group of Essex students.

The students toured London for approximately two weeks and visited Buckingham Palace, traveled the Thames River to Greenwich, visited the birthplace of Shakespeare, Stratford-on-Avon, Eton Prep, Oxford University, and Windsor Castle, the cities of Bath and Bristol and toured Warwick Castle and other places of historical background.

Brother Harrington will give a brief talk and will show slides of last year's tour. He will also present an itinerary of several places of interest the students will tour next year.

Following the meeting, refreshments will be served. Hostess will be Mrs. J.J. Tague of Belleville.

Junior High Conferences Thursday

Belleville Junior High School will hold its first Parent-Teacher Conference on Thursday October 9, from 1:30 p.m. - 3:30 p.m.

All parents are cordially invited to visit the school to meet and talk to the Administrators and Faculty members. This will be an open conference; no appointments will be necessary.

The problem of any problem is to find the facts.

FINE CATCH — Ed Constantino makes a stellar one-handed grab of Joe Papisidero pass, good for 19 yards and a Bellboy first down on the Bloomfield 30 yard line in the third quarter. Constantino also had five punts for 195 yards.

HIGH AND LOW — Halfback Ricky Caruso gets nailed by two Bloomfield tacklers after a one yard gain on a third and five situation in the first quarter. The Bellboys were forced to kick. Caruso had 15 carries for 45 yards, two punt returns for 21 yards, and one reception for six yards.

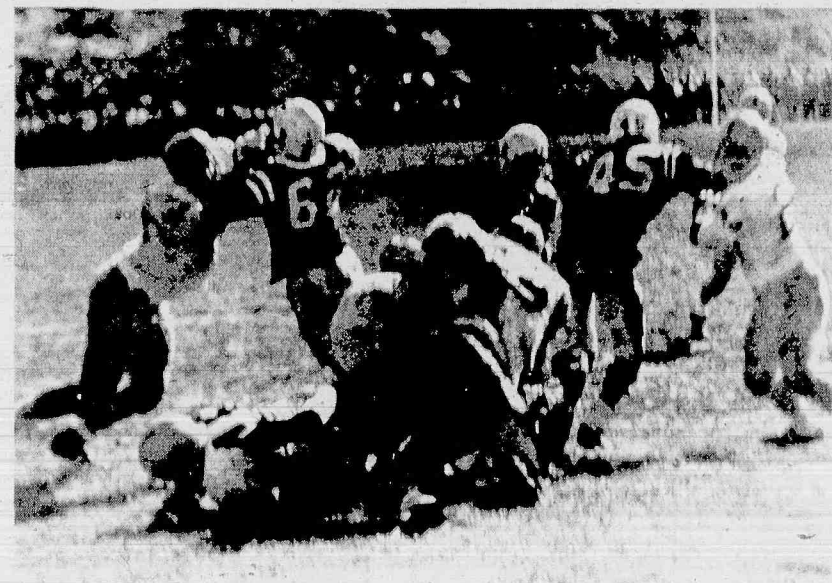

FROM BEHIND — Pat LaMorte of Belleville hauls down Anthony Leopoldi for a gain of four yards on a first and ten play in the first quarter on the Bellboy 34 yard line. During the game, LaMorte made two unassisted tackles and had a hand in three others.

BEAR HUG — Rugged Bellboy linebacker Frank Fury puts the bear hug on Rich Wasowski during a fourth and three play in the fourth quarter. Fury topped in his second straight fine defensive effort, making seven unassisted tackles on Bloomfield runners.

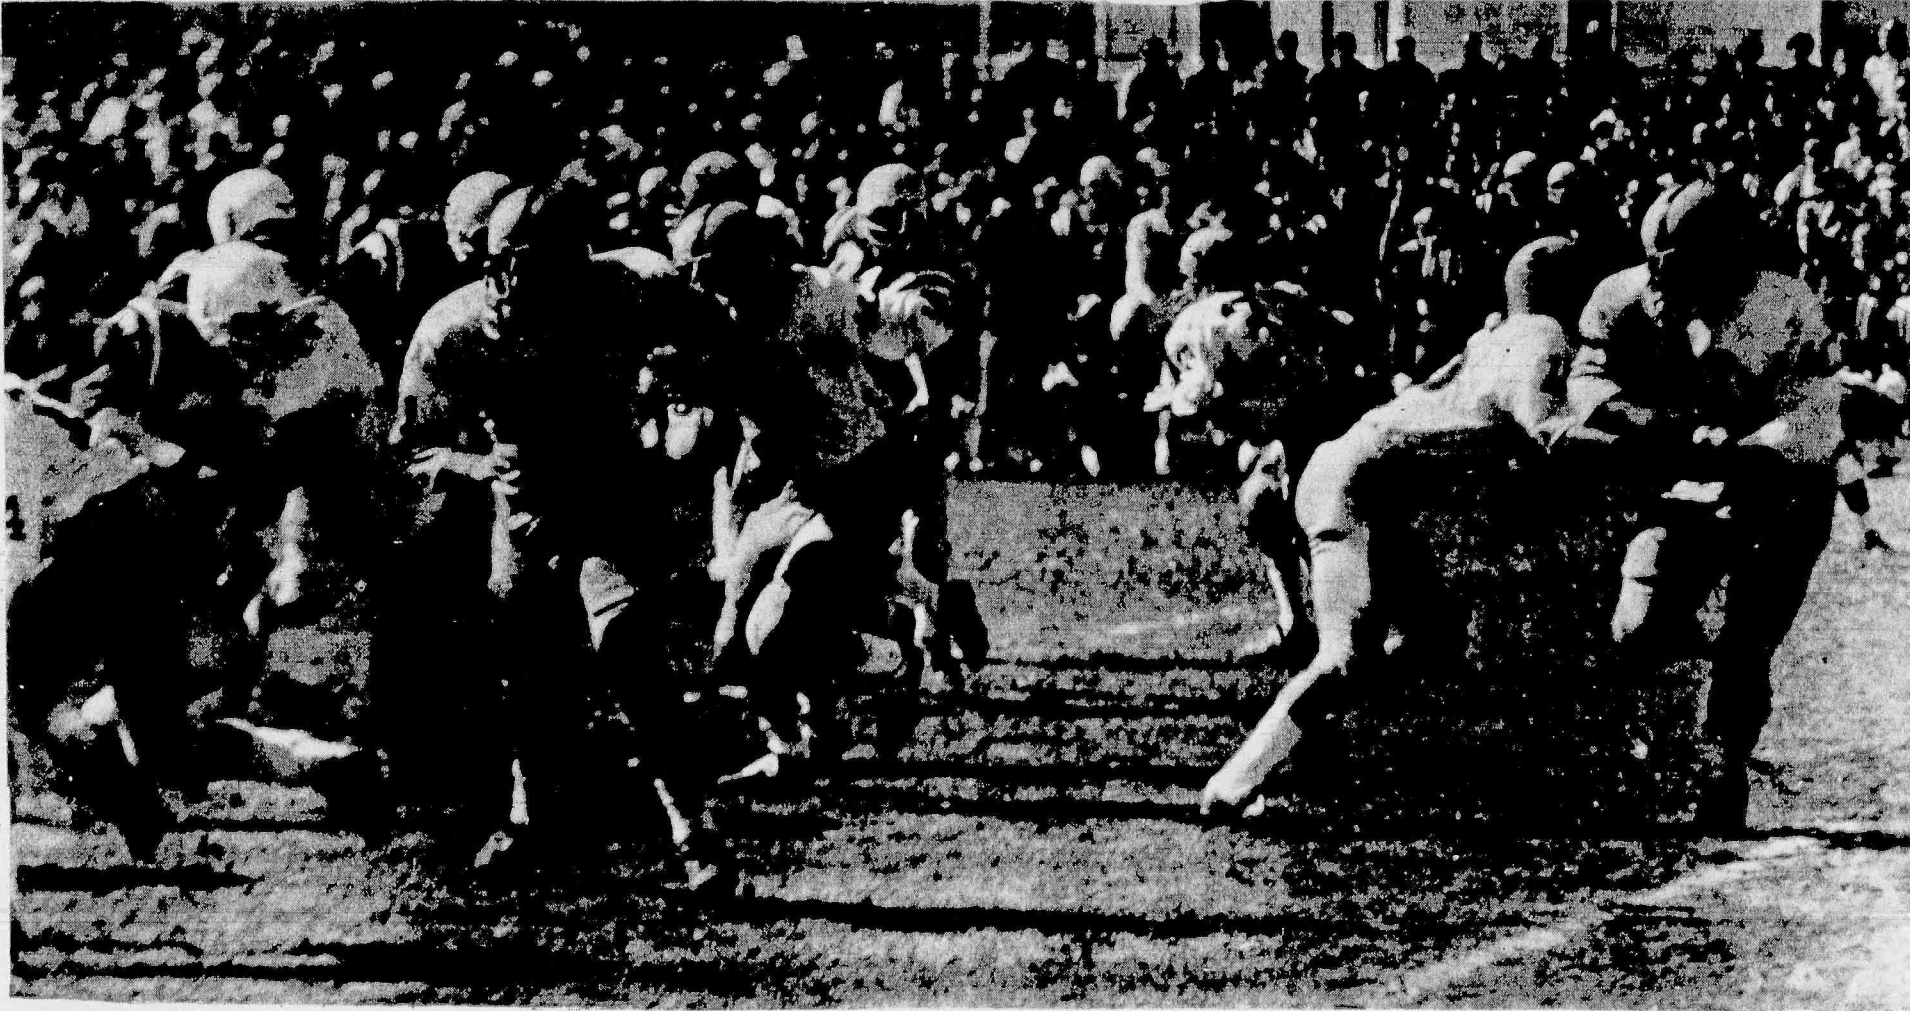

OOPS — Fullback Doug Brown loses the handle on the ball momentarily on a first and ten situation in the third quarter. Doug picked it up but was thrown for a one yard loss. The junior fullback carried 19 times for 52 yards, one TD, and a punt back four yards.

HAULED DOWN — Belleville defensive right guard John Atherton (44) hauls down Bloomfield's Anthony Leopoldi for no gain in the fourth period on a first and ten situation. Atherton made four unassisted tackles and had three assists on the way to receiving special praise from Coach John Amabile.

BAD BREAK — The Bellboys heralded play, the fullback option of Doug Brown, went sour Saturday, when Doug's pass was intercepted in the second quarter by Roland Default. The pass was intended for Mark Bradley on a first and ten situation.

OFF WE GO—On a second and one situation in the third quarter, Bellboy star fullback Doug Brown takes a handoff from Joe Papisidero and picks up a yard for the first down on the Bloomfield 12 yard line. Three plays later Doug scored the only Belleville TD.

A Tough Last Minute Loss Shocks The Bellboys

TOUGH GOING—Mark Bradley takes the opening kickoff of the game and returns the ball 14 yards to the Bellboy 15. Mark had five carries for 20 yards. He also fumbled twice with Bloomfield recovering both times. Mark intercepted one Bloomfield pass.

A BREATHER — Defensive guard Bill Tlumacki pauses for a breather in the third quarter. The big guard recorded three unassisted tackles and took part in three others. The Bellboy defense of which he is a part, was good, but not good enough, as the Bellboys lost 12-7.

Disputed Call Gives Bellboys First Loss; Face Cross-Town Rival Nutley Saturday

Meet The Bellboy

(Continued from page 1)

films show that not one Bellboy blocker had his shoulder on the proper side of his opponent.

But perhaps the major disappointment for Amabile, was Joe Papasidero's play at quarterback. Joe, who a week before completed only one of six passes, was good on only two of eight attempts. From the time training began, Amabile has said that if the Bellboys are to have a winning ball club, they must have a balanced attack. With Doug Brown and Ricky Caruso doing a fine job at the running back positions, the Bellboys need only to improve on their passing to have that balance.

Amabile, who is gunning for his first winning season as Belleville head coach, did not hesitate to criticize his quarterback.

"Our quarterback is not giving us what we need. He isn't getting the ball to our receivers. We are very disappointed in his performance Saturday. We had receivers wide open for touchdowns and he didn't hit them."

For the Nutley game this Saturday, the coach plans on using sophomore quarterback Joe Letruglio for a spell. Amabile rates the young prospect a better passer than Papasidero, but his lack of experience is a big handicap.

The Bellboy's attitude, high all season, was according to the coach, somewhat low for the game. "We were a complacent ball club in the first half. We came alive a little for the second, but it wasn't good enough."

ON HIS LAST LEGS? — Junior quarterback Joe Papasidero, trying hard to make Belleville a winner this year, has had his difficulties in the passing department, and might be replaced Saturday by Joe Lotruglio, who is rated a better passer.

TOP FLIGHT PERFORMER — Nutley quarterback Tom Pandolfi, a good passer, might be the key to a Maroon victory over rival Belleville Saturday. Pandolfi guided Nutley to an opening victory over Garfield.

"Joe Ritacco is the best all-around ball player we have. He's possibly the best defensive end in the state."

These words of praise came from Bellboy coach John Amabile, who, after 10 years of coaching, knows football talent.

Joe ripped apart the East Orange offensive machine, making nine unassisted tackles to help power the rugged Bellboys to a stunning upset of the highly rated Panthers.

Joe, a senior, was not, however surprised by the results of the game.

"I went into the game thinking we would win," he said. "I didn't conceive that we could lose."

Like the rest of this inspired ball club, Joe is thinking about a victorious season for the Bellboys, after two disappointing campaigns.

"They were a good ball club," Joe said, referring to East Orange. "I hope they win all their games. It will make us look good."

Joe, a good looking boy, who is polite and well liked, makes up with aggressiveness on the field what he lacks in size. He is five feet nine inches and tips the scales at a mere 160 pounds, "if that," a light weight by defensive end standards. He also plays offensive end, being relied upon mainly for his blocking abilities, reputed to be one of the best on the team.

A member of the Honor Society and the Key Club, Joe maintains a solid B average, and hopes to attend one of the Jersey State schools.

In the spring, Joe can be seen cavorting in centerfield for the varsity baseball team in centerfield. Last season, Joe was a little disappointed with his .268 batting average, but had a couple of big home runs and key defensive plays to lend a valuable asset to the team.

He spent a good portion of last summer down the shore, when he was not working for his father who owns Valley Fuel Co. He lifted weights all summer, and began long distance running in August in preparation for the season.

Indeed, in the first half it was all Bloomfield. In the first quarter, Bloomfield had a first and ten on the Belleville three yard line after a 41 yard drive. The Bengals fumbled, however, and senior defensive star Joe Ritacco recovered for the Bellboys. The Bellboy offense was stalled on their own 45, and Vinnie Costantino punted 40 yards to the Bengal 18. Ten plays later, the Bloomfield eleven pushed their way into the end zone for the score. A Mark Bradley fumble, his first of two key ones in the game, set up a 13 scoring jaunt for QB Jack Schegel.

The second half was a different story in the beginning. After the Bengals were stopped cold on four plays by a rejuvenated Bellboy defense, the Belleville eleven marched 55 yards in 10 plays for the score and a 7-6 lead, Doug Brown scoring on a two yard plunge. The key play in the series was a 19 yard pass of which end Vinnie Costantino made a spectacular one-handed grab.

Rival Quarterbacks May Decide Test As Belleville-Nutley Do Battle Saturday

The Bellboys kicked off and again Bloomfield was stalled by the tenacious Bellboy defense, showing sparks of its East Orange game form. Looking like it would run the Bengals off the field, the Bellboys took seven plays to bring the ball to the Bloomfield one yard line, with four plays to score, a seemingly easy task.

But it seemed that the Bellboys were determined not to block, and after three tries by Ricky Caruso and one by Doug Brown, the big yard eluded them and left their hopes of an undefeated campaign in the dust of Municipal Stadium.

"There was a complete breakdown in blocking, from end to end," Amabile said, somewhat in disbelief. "They didn't put their heads to the right sides of their opponents. You have to be hungry down on the one. They were hungrier than we were."

Belleville gridders face perhaps the biggest game of the season Saturday, when they travel cross-town to take on highly regarded Nutley in a renewal of one of the state's keenest schoolboy rivalries.

The Bellboys have not beaten the Maroon since 1966, and with Nutley ranked number one in Essex County in a percent Star Ledger poll, many observers feel this test will be as tough as their opener was against powerful East Orange.

Nutley unveiled a new offense under a new coach in its opening victory over Garfield, 13-6. John Federici, taking over the Maroon coaching helm after many successful campaigns at Passaic High School, employs an I-

formation attack. In addition to being recently named best coach in the state, he has earned the distinction of being cited as best schoolboy coach in the nation.

Nutley is similar in style to Belleville, relying on a strong defense to contain their opponents and open up breaks for the offense. The Maroon, however, are bigger in size than their cross-town rivals.

Bellboys React Strongly To Last Minute Score

Despite the failure to score, it still looked as if the Bellboys might hang on to a point late in the fourth quarter. Bloomfield was forced to punt from their own 20. Mark Bradley, raced backwards as the ball sailed over his head, reaching his hand up and touched it, setting up a Bloomfield recovery in Bellboy territory. The Bellboys defense held, but when the Belleville offense failed to move the ball and had to punt, Bloomfield had another shot on the Belleville 45. With a second and seven on the Belleville 14, the controversial play took place which handed the visitors their first victory after an opening loss to Seton Hall.

By John McCarthy

Reaction among the Bellboys to the controversial last minute TD play in Saturday's Belleville-Bloomfield contest was swift and to the point. The referees said Bloomfield's Tony Scariatelli caught a Jack Schegel pass cleanly. Bellboy Coach John Amabile and the players themselves said the refs were mistaken. The way they saw it (and the opinion was widespread among the fans) was that Scariatelli picked the ball up off the ground.

The coach, who after the game muttered, "What can you do, what can you do, there's nothing you can do," withheld his opinion until he saw a Times picture of the play. "See that," he boomed, "that's their TD. That's the game. I want it posted outside in the display case, outside the girls gym and write over it 'Is this really a Bloomfield touchdown?'"

Frank Fury, defensive linebacker, was the closest player to Scariatelli. His comment on the sideline, right after the play was, "The ball hit the ground, I was right there, I saw it." Monday

in school Fury added, "The ball hit the ground, I was shocked when I saw the kid (Scariatelli) start running, but I couldn't have gotten him."

Mike Albertine played the whole game and stressed he didn't miss a single play. "I'd play 'em tomorrow, I'd play 'em in Bloomfield, and I'd even spot them two touchdowns." Mike also added his opinion of the Bloomfield coach. "If that coach was any kind of a guy, he'd forfeit the game. If I had a picture of it, I'd send it to him. I'd show him his win. Let me see if he'd hang that in his clubhouse."

Many of the players blamed the loss on the referees. John Atherton who was in pursuit of the QB, Schegel, felt that the "refs left a lot to be desired. Something should be done. There also was a lot of clipping they missed."

Most of the players agreed and Joe Valvano, the starting center seemed to sum it up. "I saw it hit the ground, the ref was standing right there. The pictures will prove it, it was plain as day. We ought to protest. I don't know why we can't. I'd rather play away, the refs treat us better."

Joe Ritacco

Sophs Lose To Bloomfield

Belleville's sophomore football team, after beating the Junior High's freshman team, lost to Bloomfield's sophs Monday at the Stadium. The team, coached by Nick Grande, looked good against the frosh, but lost a little of their sheen Monday.

Grande declined to give any personal evaluation after the game, but when going down the lineup, he did speak of a few players. Rich Cialella, going both ways for the sophs, scored the only Belleville soph TD vs Bloomfield. Grande, mentioned that Bob Visco, in his first play at fullback, ran 43 yards for a TD against the frosh.

Rutgers Scarlet Knights Take On The Engineers

The Rutgers football team will be at home for the third consecutive game this Saturday as it continues its celebration of the 100th anniversary of college football. This week's opponent is Lehigh and the game is set to begin at 2 p.m.

As part of the overall fanfare, the Rutgers Parents Association will hold its annual fall picnic and the Rutgers and Lehigh bands will be honored at halftime in recognition of the leading roles which bands play in the overall spectacle of college football.

In keeping with the traditional overtones of this historic Centennial Year, Rutgers would also like to maintain its winning record over the Engineers. The Knights have won the last 11 games in a row from Lehigh. Rutgers has not lost to a Lehigh club since 1957 and leads in the series 38-26-1.

The Scarlet Knights, currently bidding for one of their best seasons in the 100 years they've been playing the game, will be up against an experienced Lehigh team. Overall, the Engineers have 31 lettermen returning this year from the 1968 team which narrowly lost to

Rutgers by a 29-26 margin. To counter a Lehigh offense which scored 55 points against Ithaca two games ago, Rutgers will lean heavily on its sturdy defense. Leading the Engineer attack will be Middle Atlantic Conference All Star Jim Petrillo who is working from the fullback slot this year and tailback Jack Paget who scored all four Lehigh touchdowns against Rutgers last year.

Defensively, Lehigh will have to contend with a versatile Rutgers offensive backfield as well as a small but durable forward line.

Rich Policastro, AP "back of the week" selection at quarterback two weeks ago, will spice his attack with passes to receivers Bob Stonebraker, Jim Benedict and Al Fenstermacher.

Policastro will also count on the hard running fullback Steve Ferrughelli. Tailback Bruce Van Ness can run, pass and catch with equal finesse.

The Scarlet knights will play at home for two more weeks, against Navy and Columbia, before going on the road for three consecutive games. The season finale will be at home against Colgate on November 22.

Recreation Football Set For Opening This Week At Clearman Stadium

The Belleville Recreation Football Leagues will begin play this week with games at the Stadium and at Clearman Field. At the Stadium it will be the Varsity Club versus the Belleville Lions in the lightweight game and the Biancardi Association vs. the Devons in the heavyweights. The Clearman Field games feature the Belleville Kiwanis vs. the Elks; and the Jolly Cleaners vs. the American Legion.

Recreation Superintendent Robert E. Cook announced that plans are being made to enlarge the program next year. At present there are four lightweight teams and four heavyweight teams each with 22 boys. During the past 13 years the largest turnout was 212, this year everyone was caught off balance when 330 boys signed up! This, of course, necessitated cutting some boys from the program. Therefore the league will add four more teams for next year. The new teams will form a third league, the intermediates, and in addition to providing for more boys to play, will allow an even closer balancing of teams.

The boys are assigned to teams according to their age and weight. Because both age and weight are considered it is possible for a ninety pound boy to be a heavyweight and a 112 pound boy to be a lightweight. The lightweights average 82 pounds and 11 years of age while the heavyweights average 114 pounds and twelve years of age.

Of course the addition of four teams to the program will necessitate more coaches and sponsors. The Recreation Department has already received a tentative promise from one sponsor so there is still need for three more. Coaches will be sought out during the coming year.

Permits Are Sent

Notices to New Jersey hunters selected for special deer permits for the one-day bonus season, December 20, were mailed last week, according to the State Department of Conservation and Economic Development. Unsuccessful applicants will not be notified.

Recreation Football League Opens Up Its Fall Schedule With Key Contests

Last Sunday the Belleville Recreation football leagues opened its 1969 schedule with games at both the Municipal Stadium and Clearman Field. A good number of spectators was on hand at both sites with girl cheerleaders pacing the spirit and excitement of the events. All of the teams showed a lot of football know-how which has come from many hours of practice and the diligent efforts of volunteer coaches.

In the lightweights the Lions, coached by Joe Restaino, scored a 12-0 victory over the Varsity Club. Coaches James Vastardis, Gary Benecchi, and Bob VanTassell of the Varsity Club have a good looking team and, despite this loss, will be real contenders in every game.

The second game at the Stadium was between Joe Grande's Biancardis and Bob Valentino's Devon Electric. Right from the beginning the Biancardis showed strength in every department and forged themselves a 31-6 win. However the Devons have traditionally been slow starters but have a way of finishing in the running each year. Last year they were the champs and the year before they were co-champs with Jolly Cleaners.

At Clearman Field Bob Haug's Kiwanis Club met and conquered Anthony Ferrentino's Elks 14-0. The Kiwanis were strong on both offense and defense and look to be a real power in the lightweight division. The Elks, last year's Champs, however, will not give up on one loss and will be right back next week with winning ideas. In the heavyweight division at Clearman Vinnie Sorrentino's American Legion team showed that they are a most improved club as they hammered out a 41-0 win over Dick Baker's Jolly Cleaners team.

to the sponsors, the coaches, and the assistant coaches who make these leagues possible.

The coaches spend many hours teaching the boys the fundamentals and the tactics

of this favorite American sport and they do it as volunteers.

Harrier Habit: Lose Two Meets

Belleville's cross-country team lost two more meets, falling to a dismal 0-4 record. Both of the last meets were close, and the Barringer score, 22-33, was the tightest this year. Montclair beat the Bellboys 22-38.

Against Barringer, on Belleville's home course in Branch Brook Park, the harriers captured five positions in the top ten places for the first time this year.

Red Forrest was first at 12:45.5. The only senior Bellboy runner, Red was one minute seven and a half seconds ahead of the second place runner, Keith Coleman, of Barringer, as were the third, fourth, and fifth men.

Belleville's John Deighan was the second Bellboy runner, but came in sixth, with his fastest time this year, 14:13.5. Deighan was followed by Lou Dalcero, whose 14:35 earned him seventh place.

Barringer also took eighth place as Bruce Butts beat Belleville's Ray Horman by only one second. Ray, at 14:37, was ten seconds ahead of Belleville's John McCarthy, who came in tenth. Belleville also took 15th, 16th and 20th. Rich Sulenski was 15th with 15:38, Dave McMullen 16th with 15:51, and Bob Drake was 20th with 17:08.

Last Friday, in a heavy rain, Belleville ran against Montclair at Brookdale Park in Bloomfield. The rain and a soggy grass course helped Montclair to a 22-38 victory.

Despite taking a wrong turn and adding an extra hundred yards to the course, Red Forrest took his fourth first place in four meets. Red's time was 13:39, but without the extra hundred, Montclair's coach Rob Kulick, said that Red could have finished in 13:20 or 13:25.

Montclair took second, third and fourth, with Belleville's John McCarthy fifth. McCarthy completed the course in 14:50 and was followed by another block of three Montclair runners. Lou Dalcero was ninth with 15:14.

Ray Horman and John Deighan completed Belleville's scoring as they took 11th and 12th with 15:48 and 15:59. Dave McMullen (16:07.5) was 14th and Rich Sulenski (17:00) was 16th.

Montclair had the smallest number of runners the Bellboys faced, with 11. Barringer also had a small team, 13, but none have come close to facing Belleville with an equal number of eight runners.

Teen Council Will Hold First Meeting In Belleville

Essex County CYO's Teen Council will hold its first meeting of the 1969-70 school year on Sunday at 7:30 at St. Peter's, Belleville.

Ralph Orlando of Our Lady of Mt. Carmel CYO, Newark, will preside over his first meeting, and his agenda will be a lengthy one. Items which will come up for discussion include the November 2 Archdiocesan Teen Convention and the National CYO Convention which will be held from November 24 thru December 1 at Denver, Colorado. West Orange and Our Lady of Lourdes' Paul Diveny, the county vice president this year, will be a candidate for national treasurer in Denver.

Some pre-planning for the Snowball Dance will also be undertaken at the October 12 confab.

Acting as moderator of the Teen Council again this year will be Rev. Richard Groncki of St. Peter's. The Rev. John

B. Martin, newly-appointed director of the Essex County CYO, has named Rev. Peter Cuttito of Our Lady of Lourdes, West Orange, to act as assistant Teen Council moderator.

One of Father Groncki's first tasks this season is promotion of the annual Teen Encounter Weekend which is scheduled for Friday, October 24 thru Sunday, October 26 at Clifton's Boys Club in Lake Hopatcong. Boys and girls, sophomores and juniors in high school preferably, will be accepted on a first come-first served basis. Reservations for the Encounter will be limited to 50, with an ideal parish CYO delegation consisting of four persons.

Cost for the weekend, including bus transportation and lodging, will be \$25 per person.

Interested persons should register with the Essex County CYO Office, 425 Bloomfield Ave., Montclair before Friday, Oct. 17.

Bowling Director Mrs. Florence Linfante announces that the Essex County CYO is presently forming teams for its four divisions this season. The CYO will sponsor junior boys' and girls' loops, along with senior boys' and girls' divisions.

Games will be rolled at Irvington's Lyon Lanes on Sunday afternoons beginning at 2 p.m.

Entry fee will be \$15 per team, and youngsters will be charged \$1.25 for rolling

three games, plus a weekly assessment of .50 cents for the post-season bowling banquet.

Senior teams may be comprised of parish high school students, confraternity students and non-catholics—as long as they are members of the parish CYO unit and sanctioned by their youth moderator.

Interested parishes should contact the CYO's County Office at 425 Bloomfield Ave., Montclair, as soon as possible. Deadline for registration has been set for Wednesday, October 15.

ON THE MOVE — Rooster Cogburn, Mattie Ross and La Boeuf set out for Arkansas Indian territory in their pursuit of the man who killed Mattie's father. John Wayne, Glen Campbell and Kim Darby star in "True Grit," now playing at the Franklin Theatre.

Robert Henri Exhibition Set To Open In New York

A Robert Henri retrospective exhibition will open October 14 at the New York Cultural Center (formerly Gallery of Modern Art) and continue through December 14.

With more than 115 paintings, drawings, watercolors, and pastels on loan from museums and private collections throughout the country it will be the most significant showing of Henri's work ever held.

State Symphony To Open Series On October 21

The New Jersey Symphony Orchestra, under the direction of Henry Lewis, will open its 1969-70 Suburban Concert Series on Friday October 24 at Montclair High School. The concert will begin at 8:30 p.m.

The new season will offer five concerts; an additional concert has been added to this year's schedule. The Montclair series, all on Friday evenings, will be held on November 14, December 5, February 13 and March 6.

Soloist for the opening concert will be the Japanese violinist, Toshiya Eto, in a performance of Mendelssohn's Violin Concerto in E Minor. Also included on the program is the overture to Le Corsaire by Berlioz, "On Hearing the First Cuckoo in Spring" by Delius, "The Victim of Hiroshima" by Tchaikovsky, and "Francesca da Rimini."

Soloists for the coming suburban season, besides Eto, are Berl Senofsky, Erick Friedman, violinists, and pianists Nerine Barrett and Anthony di Bonaventura.

Tickets are still available for the concerts, either singly or by subscription, according to Joseph Leavitt, manager of the symphony, at 1020 Broad Street, Newark, or by telephoning the symphony office at 624-8203.

Music Affair Set By Nutley Group

Heritage Foundation, Inc., of Nutley will present the William Hardy Singers in a chapel program of Afro-American religious music October 16 at Centenary College for Women.

Director Hardy, four singers and an accompanist Julian McCoy will give a condensed version of their program, "From Slavery to Now."

The ensemble records for Verve records, most recently the background music for "The Heart, the Faith, the Soul of Clara Ward," and has appeared for WBAI-FM in New York and California.

Professor Hardy does most of the arranging of the spiritual and gospel music that form the bulk of their repertoire.

Lots of Laughs At Meadowbrook

If it is fun you are looking for - don't miss the current show, "Las Vegas Laff-In" at the Meadowbrook Theatre Restaurant on Route 23, Cedar Grove.

Your most serious problem will be how to rest your over-exercised facial and rib muscles - for Pinky Lee at his most hilarious, and Denise Darcel sparkling with native Parisian high spirits - are an unbeatable combination for an evening of entertainment unadorned with message or controversy. To be sure, much of the fare is bawdy and slapstick, but the audience loves every minute of it, including those individuals unexpectedly drawn into participation.

Pinky's dance routines are a marvel of nimble legs and nonsense. His ability with the xylophone must be seen to be believed, and his mimicry will keep you in stitches.

Denise Darcel exudes charm in smiling, effortless energy and with a figure that can rival most up-and-coming beauties. Her sultry voice comes across with a warmth that captures audience attention, although she obviously had to contend with an irritated throat on opening night.

The show itself is a series of skits interspersed with the appearances of delightful dancers and show girls. The Tommy Finnan Extravaganza is fast moving and a sight for the eyes of the harried business man. The costumes are colorful and splendid, and display the beautiful forms of the wearers to greatest advantage.

The husband and wife dance team, Pamela Hage and Tony Picciotti are delightful and joyous in their performance. Tommy Finnan gives a smooth account of himself with Vikki Drue, his assistant. Incidentally, Tommy is a cousin of Ed Sullivan and worked for several years as his special assistant.

If this review seems peppered with superlatives, it is because only superlatives can tell the story - Pinky Lee and Denise Darcel are a fantastically funny pair, and the Tommy Finnan dancers are beautiful.

Theatre Guild Meets Tonight At St. Mary's

St. Mary's Theatre Guild will hold open house tonight at 8:30 p.m. in the school gymnasium. An invitation is being extended to all former members and new people who are interested in participating in the group's activities. Anyone 16 years of age or over will be welcome.

Preliminary plans for the guild promise a busy and exciting season. A Christmas show for children will be presented the beginning of December. Rehearsals will start shortly thereafter on the big spring production of "Oklahoma." Following that, work will begin on the guild's three-act play scheduled for presentation the next fall.

stars of radio, the concert stage and the Metropolitan Opera. An official greeting was given by Will H. Hays, the "czar" of the motion picture industry and following all of the preliminaries the feature picture, "Don Juan," with John Barrymore was viewed by an eager and excited audience.

"Don Juan," released in 1926, was directed by Alan Crosland, who later made "The Jazz Singer." John Barrymore's leading lady in the story of the amorous Don is Mary Astor and Myrna Loy. Hedda Hopper and Warner Oland are seen in the supporting cast. One of the highlights of the film is the thrilling dueling scene between the Don and the evil Count Donati.

This special early sound program will be given on this Saturday and Sunday.

Casale Elected As Top Trustee

Joseph Casale was reelected president of the board of trustees of the Belleville Public Library at the board's organizational meeting this month.

Casale, a native of Belleville, has long been active in local civic affairs. He is currently a member of the Varsity Club and the Belleville Board of Education. He was appointed to the Library Board in 1967 and has previously served as its secretary.

A graduate of Muhlenberg College, Casale is now a pharmaceutical representative

for the Stuart Company. He resides at 213 Fairway Avenue with his wife and two young daughters.

Reelected with Casale was John Boyd, treasurer. Boyd, who was appointed to the Board in 1966, is a past vice-president of the Belleville Chamber of Commerce.

Elected as Secretary was Mrs. Richard A. Shafter. Mrs. Shafter, who is a member of the Red Cross Board, is a past president of the Women's Club of Belleville and a volunteer at Clara Maass Hospital where she has been instrumental in the organization of a patient's library.

Other appointed members of the Library Board are Kenneth Broo and Rev. Frederick Long. In addition, Mayor Kenneth Smith and School Superintendent Anthony J. Greco are members ex-officio.

Resident Teaches At Peddie School

William A. Gutsch Jr., of Belleville has joined the faculty at The Peddie School as an instructor in astronomy and physics. Gutsch is a graduate of Essex Catholic High School and received his BS from St. Peter's College in 1967.

His parents are Mr. and Mrs. William A. Gutsch of Columbus Avenue.

The United States is a marvelous country — every state has the best climate.

Clara Maass Given Award For Patient Relation Project

Clara Maass Memorial Hospital, Belleville, has been awarded a 1969 Honorable Mention for its Best Patient Relation Project entry in the national Pulse Awards Program, conducted by PULSE on Patient Relations, a monthly newsletter distributed to more than 6,000 hospitals throughout the United States.

The award winning project was the recently published book, "Clara Maass...A

Nurse...A Hospital...A Spirit", written by the New Jersey historian, John T. Cunningham. The book has also received praise from outstanding educators, politicians, and members of the health field industry.

A personalized certificate and embossed folder was presented to Harold C. Widman, director of public relations, by Thomas G. Serra, eastern area manager of the S.M. Edison Chemical

Company, co-sponsors of the Pulse Awards program. The Clara Maass entry was singled out for special honors from among hundreds submitted by institutions from coast to coast. The panel of judges, made up of leading hospital administrative and nursing executives a record of thirty-four Honorable mentions reflecting the extremely close competition of the 1969 event.

Montclair Art Museum Has Master Painters Exhibition

"Master Painters From Three Centuries," an exhibition of some of the most important works in the collection of the Montclair Art Museum has been installed in the South Gallery and the Central Court of the museum. The exhibition spans the period from Colonial portrait painting to Op art.

The earliest master is John Smibert, whose self-portrait was done about 1728. Continuing in the 18th century are a group of portraits by Copley, Blackburn, Wollaston, Stuart and Charles Willson Peale, and the famed historical painting of "Cromwell Dissolving the Long Parliament" by Benjamin West.
