## State Restores Money To School Board, But Spending It May Prove A Bad Move

**MUDDY VICTORY** — Bellboy linebacker Sal Bivona pats the shoulders of his muddied teammates as the standout defense digs in for a 12-0 victory over West Orange. The victory credit has to go to the stubborn Bellboy defense, which offset numerous mistakes by the offensive squad. Shown here are (from left) Joe Taibi (30) John Atherton (head down), Bivona, Bill Tlumacki (50) and Mark Bradley (33).

### Petition Circulated

## Mass Support Asked By Senatore To Bring An End To Dirty Water

Commissioner Mary Senatore, annoyed at recurring outbreaks of dirty water in town, is circulating a petition to citizens asking they support her demand to the Newark Water Authority for an end to Belleville's problems.

Copies of the petition were

distributed this week to businesses, service clubs and offices in Town Hall, in an attempt to demonstrate what the Commissioner calls the "massive outrage of citizens of Belleville."

The Commissioner's decision to circulate a petition comes after nearly two months of water problems in town. Estimates for the number of complaints received by the Public Works Department comes close to a thousand. One irate citizen, for example, told the Commissioner he had come out of his shower "dirtier than he went in."

"I have just about had it with black water," Commissioner Senatore said for her Town Hall office. "It isn't our fault in Belleville. The problem lies in Newark and it just isn't fair for the price we are paying them, which is over \$200,000."

The Commissioner's decision to circulate a petition comes after nearly two months of water problems in town. Estimates for the number of complaints received by the Public Works Department comes close to a thousand. One irate citizen, for example, told the Commissioner he had come out of his shower "dirtier than he went in."

After making his request, the youth was greeted with silence. He then asked the Mayor if he was going to express an opinion on the matter, to which Smith replied: "I don't have an opinion on that subject."

Commissioner Senatore's theory is that the dirty water is a result of repairs being done to a large main in Newark where construction is underway on Route 280.

The total picture, however, is really somewhat of a puzzle

The petition was worded as follows: "We the resident of the Town of Belleville do hereby petition the Newark Water Authority to take all the necessary steps and measures to correct the unbearable condition of water that you are supplying to the residents of Belleville."

The water division of the Department of Public Works has done everything that can be done to improve the conditions but from past experience we know that the dirty water coming out of our houses is caused by elements before it reaches the boundaries of Belleville. We strongly urge that the Newark Water Authority will take the necessary steps to correct the condition so that the residents will receive clean water to drink and clean water to wash clothing."

### Bateman To Appear At Dinner?

Local football fans who have questions about the grid fortunes of Rutgers University may have them answered in person December 5 if the Belleville Varsity Club has anything to say about it.

The Club hopes to have Scarlet Knight coach Dr. John Bateman as the after dinner speaker for their 25th annual football banquet on Friday evening, December 5, at the Robin Hood Inn in Clifton. Steve Ferughelli, former Bellboy star, will also appear at the affair.

Plans are underway to import Dr. Bateman from the Banks of the Raritan, in keeping with the Club's tradition of fine speakers.

The annual event will honor the coaches and players of the 1969 Belleville High School football team, which is currently enjoying one of its better campaigns under Coach John Amabile. The Bellboys, with a 4-3 (Continued on Page 3)

## Law Suit Looms If Funds Used

By Nat Gottlieb

The Belleville Board of Education may incur a liability suit if it spends any of the \$128,000 restored to its budget last week by the State Department of Education. The Times learned of this possibility from a Belleville lawyer who preferred to remain unidentified.

The Board, meanwhile, has announced its intentions to begin using the money.

What brings about the liability possibility, the lawyer said, is the Town Commission's decision to hire special counsel to appeal the ruling. Should the Commission succeed in obtaining a reversal, the Board would be in the position of having incurred a debt which they may not be able to make good on, hence the lawsuits.

Problems began for the Board back in February, when town voters twice rejected proposed school budgets. The Commission then cut \$205,777 from the budget, prompting the Board in June to appeal to the State Department of Education for restoration of funds. After nearly six months, State Education Commissioner Carl Marburger restored \$128,000 to the Board.

The Board, which has waited nine months for the money, seems bent on spending it, Board President Dr. Frank Di Ruggiero told the Times that the school body had every intention of using the restored funds, saying "the money is ours and rightfully so. We are going to use it."

Max Schwartz, Board attorney, told The Times he

had advised his client to spend the money. Asked what would happen if the Board spent the money and then found that a Commission appeal was successful in reversing the decision, Schwartz replied: "We will abide by the determination of the Commissioner (Marburger), until such time as the decision is set aside. If there is an appeal we will meet on the matter."

The town, meanwhile has 30 days to appeal the decision. Mayor Ken Smith announced that the Commission will hire special counsel to assist Town Attorney Nicholas R. Amato in presenting an appeal. The appeal will first go to the State Commissioner of Education, and then if necessary, to the Appellate Division of the superior Court.

Amato said he hasn't decided what the town's attack will be, but would do so shortly. The young attorney did, however, have an opinion about the Board's decision to spend the money.

"If the Board of Education willingly spends the money, knowing the matter is on appeal, then they are spending at their own risk," Amato said. The attorney added that "if they get in debt, they have a problem."

Amato said he couldn't say for sure whether the Board members could incur personal liability, but wouldn't discount the possibility.

One possible line of attack for the town's appeal was revealed at Monday night's Commission meeting, when Mayor Ken Smith charged that the hearing officer for (Continued on Page 2)

### Mayor. Decision Biased

### Board Leader Satisfied

Mayor Ken Smith strongly hinted Monday night that the State Department of Education's decision to restore \$128,000 to the Belleville Board of Education's budget was rendered under prejudicial conditions. The Commission leader said the town will appeal the ruling to "all available sources."

The Mayor's reaction was in direct contrast to that of the Board of Education President Dr. Frank Di Ruggiero who expressed pleasure at the decision.

The ruling, which took nearly six months, climaxed a bitter struggle between the two town bodies. After voters twice rejected the Board's budget last February, the Commission made a \$205,000 cut prompting the Board to appeal to the state in June for restoration of funds. The state's ruling came early last week.

In announcing the Commission's chance to challenge the decision Mayor Smith repeatedly charged that the state hearing officer for the appeal was a former English teacher in Belleville High School.

Smith's announcement said: "It is the feeling of the Board of Commissioners that the people of Belleville spoke, when they turned the school budget down, and sent it to the Board of Commissioners. We feel that the cut made by us was a fair reduction. We also feel that the people of Belleville have a right to speak their minds on the amount of salaries to be (Continued on Page 2)

Board of Education President Dr. Frank DiRuggiero, delighted with the State Department of Education's decision to return \$128,000 to the Belleville Board budget, asked that the Town Commission "stop trying to unbalance our school system" and work with the Board for "a better Belleville."

"The Board is very happy with the decision of the State Commissioner of Education," the president said. "This will tremendously benefit our school system. We feel the ruling is in the best interest of the community."

Dr. DiRuggiero was not, however, entirely pleased with Mayor Ken Smith's reaction to the decision. Smith publicly hinted that the ruling was prejudice, charging the hearing officer for the appeal, Edward Glashy, was a former English teacher in Belleville High School.

"I am very much appalled and surprised that the governing body, and the Mayor in particular, is still trying to unbalance our school system in all areas of education," said the Board leader.

"The way the Mayor is playing cat and mouse with our children's education is horrible. I think it is ridiculous that supposedly mature men are always bickering."

Dr. DiRuggiero added that he thought "it is high time that the governing bodies of this town unite in common cause for the interests of our community."

## Turkeys Offered In Annual Contest

The annual Turkey Shoot will be held at the Belleville Police Pistol Range on Sunday, November 23 it was announced today by Commissioner William Cullen.

The shooting will start at 1 p.m. and continue until four. The Range is located at Joramaleon Street and Hoover Avenue.

Cullen said that guns and ammunition are furnished at the range. Random targets will be used, which means that the actual score of those hitting the targets will be a matter of chance.

Shooting will be done with five people firing at each set of targets. The high scorer of each group of five will win a turkey.

Targets will cost a dollar, and shooters may have as many as they like. The minimum age is 12 and minors must be accompanied by a parent.

This event has been growing since Commissioner Cullen started it in 1967. In case of bad weather the event will be held indoors at the Municipal Stadium range.

**FOR CHARITY**—Students at Belleville High School collected food for Geriatric patients in the Welfare Department, through the efforts of the school Key Club and the National Honor Society. Mrs. Regina Degnin, sponsor of the honor society, points to the numerous groceries collected by the students, as Josephine Maiorca, president of the honor society, and Robert Molinaro, president of the Key Club, look on.

**GETTING READY**—Members of the Varsity Club's 25th annual banquet committee map out plans for the December 5 affair at the Robin Hood Inn in Clifton. Discussing plans are

# Rutgers Football Coach Is Sought For Annual Varsity Club Dinner

(Continued from Page 1)

record, take on Kearny Saturday.

Judging from last years affair, which featured the New York Giants' Tom Luongo, a crowd of over 500 is expected at five dollars a head.

Lefty Kintzing, chairman of the first Varsity Club banquet in 1945, will be the guest at this silver anniversary banquet.

Bateman's appearance would continue the tradition of top flight sports names at

the Club affair. The list of famous figures includes, Sam Huff, Dick Modjelowski and Ben Agganian of the Giants; Herman Hickman, former Yale Head coach. Frank Gifford was scheduled to appear a few years back, but was knocked out by Frank Bednarik in a game and had to cancel his date with local fans.

Ferughelli, who is Rutgers' fullback, was "enormously pleased" to receive the Club's invitation to speak, and said so in a letter to Joe Grosch of

the dinner committee. Ferughelli received the Bellboy MVP award at the 1966 Club dinner.

At the affair all Bellboy seniors will receive awards. Special trophies will be given to the team's most valuable player, and the individual most improved over one year.

Last year the MVP award went to James "Red" Wille, while Robert Bonofante and Carl Corino shared the most improved player award.

President of the Varsity Club, Vinnie Sorrentino has appointed Joe Grosch, Mike Marotti, Ralph Casale, Jerry Bonivita, Bob Cassin, John Shelesky, Jim Brown, Tony DeFeo and Henry Vitiello to serve on the dinner planning committee. Marotti, who is a detective for the Police

Department, and hasn't missed a varsity game in 25 years, is ticket chairman.

The affair is the second function for the Club, which also sponsors the All-Sports Dinner in the spring for senior athletes.

Talking about the dinner, Grosch, who is a Belleville elementary school principal, recalls an amusing anecdote about a past Club dinner. Sam Huff was scheduled to appear for the banquet on a Saturday night. That afternoon his wife had a baby, and Huff was held up at the hospital. In order to get the Giant linebacker to the affair, Ralph Casale and Carl Hundertpfund, Belleville Fire Chief, "borrowed" the chief's red car and went to New York to get him. The trio got back in record time.

ELECTION RETURNS—Town Hall, normally tension on-packed during the tabulation of election returns, was unusually relaxed as William Cahill's overwhelming landslide victory took all the suspense away. Checking official returns are (from left) Isadore Pedula, assistant treasurer, Commissioner Vincent T. Strumolo; Mrs. Maureen Gilbert, and Town Clerk Eugene Barnett.

EXPLORERS — Members of the Belleville Sea Explorers visit a war submarine on a tour conducted by local Fire Captain Leo Killen.

## War Submarine Visited By Scouts

Last week the Sea Explorers from Ship 333, Belleville, took a guided tour through a World War II Submarine moored in New York. Conducting the tour was Belleville Fire captain, Leo Killen, who is in the Navy Reserve and attached to the submarine.

The Explorers examined the submarine torpedo rooms for and aft and seemed surprised on how small the sleeping quarters were and also at the amount of men that slept there. The boys went through the deck hatch and then up to the bridge

where they were shown how the sub was maneuvered when it was running on the surface.

After leaving the submarine, the explorers went aboard the New York City fire boat, Governor Alfred R. Smith. Firemen attached to the boat demonstrated tools and equipment used in combating fires along the waterfront in New York City.

On the return trip from New York City, the explorers took time out for a lunch of hot dogs and hamburgers.

## Youth Services Group Holds Halloween Dance

On Halloween the Belleville Organization of Youth Services held its second function of the season, a Halloween dance and costume contest at school 3. The event was attended by about 250 young people. Music was recorded, traditional apple cider was the refreshment and the costume contest was the high light of the evening.

Costumes were highly original and many in number. Preliminary judging was done by audience acclaim and the final selections were made by Robert Haug, Richard Haug and Robert E. Cook.

Winner of the trophy for the "cutest" costume was Annette Guardabascio who came as a baby with diapers, booties and bottle. "Most Original" was Nancy Ippolito who came as Super Nut (something between Superman, Batman and a Planter's ad) wearing emblazoned on her shirt the monogram feared by all criminal elements, the Peanut.

For "funniest" the judges gave a combined award to Doris Morano and Debbie Damora who came as Laugh-In's little old lady and the dirty old man. With this last costume there was also an act which had everyone

splitting his sides.

"B.O.Y.S." is a group of high school students who work to plan and promote activities for Belleville's young people. They work with the sanction of the Recreation Department and are advised by the recreation superintendent. Primarily, however they plan their own functions and their hope is to keep on with a series on Friday nite events. In addition to the Recreation Department sanction they have received generous cooperation from the Board of Education and from School 3 principal Austin MacArthur. Future events will include more dances, co-ed sports night, crazy game night and a series of other activities.

## Halloween Costumes Unusual

There were some really outstanding costumes at the Recreation Department Halloween Costume Contest at the Municipal Stadium.

Although the number of participants was low, the quality of the costumes was high. Among the outstanding entries were John Kiernan who came as a devil, Christopher Clemente who was a sheriff, Jeffrey Clemente who was an early Santa Claus and Ricky Nisivoccia as Underdog. Valerie Caruso came as Carmen Miranda, Paula Neri as a majorette, Janice Korman as an angel and Susan Nisivoccia as a bunny.

After difficult consideration the judges selected the four trophy winners. David Alfieri won with his chinaman's costume, Steven Neri was a winner as Santa Claus, Maria DeFillippis was dressed beautifully as the White Owl Lady and Debbie Mess was a winner with her very clever pumpkin costume. The judges who had to make the nearly impossible choices were Mrs. Marilyn Casciano and Mrs. Carolyn Mann from the evening membership department of the Belleville Woman's Club.

NEW CAMPAIGN—Mayor Ken Smith (left), Mrs. Leonard and Frederic Messina, admire poster for current United Community Fund campaign. Mayor Smith heads the campaign in Belleville; Mrs. Bade is district administrator of the Belleville Red Cross, a member agency of the United Fund, and Messina is director of the Fund in Belleville and Nutley.

## Our County Park Commission

### A Giant Step Forward

The Essex County Park Commission this week retained a nationally recognized authority on parks and recreation to conduct a comprehensive study and analysis of the County's Parks System.

In making the announcement, Mr. G. Douglas Hofe, Jr., President of the Park Commission, stated, "We must find better ways to serve our communities, and at the same time pinpoint our needs for the coming years."

The job assigned to Robert W. Crawford, the newly hired consultant, was to develop a program which will provide "broad guidelines for the future development of the system". In accepting the assignment Crawford said, "We want to look for better ways to meet the public's needs. Parks must come to the people - far more than ever before. Parents today do not want their children going great distances for their recreation."

The County Parks System which exists today had its conception decades ago when there were very few cars on the road, hence very little, if any, need for off-street parking.

Today off-street parking facilities are vital. We suggest the Mr. Crawford address himself to this problem at the first opportunity.

We also believe the County Parks System should include public swimming pools.

We compliment the Essex County Park Commission for engaging the services of Mr. Crawford, and we trust through his efforts our County Parks System will be updated in order to provide "better ways to meet the public needs."

*Frank A. Orechio*

## Faster Train Rides Soon

Good news may be coming to those who like to ride passenger trains, but want to ride faster ones - and clean ones.

The British have developed a train which reportedly can travel at speeds in excess of 125 m.p.h. on conventional road beds. In both Japan and the United States, new fast trains require considerable modification on road beds, an expensive undertaking.

An American consortium including the

Budd Company, Bethlehem Steel and Hawker-Siddeley of Canada, recently received North American rights to the British design. Since such a train has already been tested in Britain, chances appear good fast trains can be placed in service on existing road beds - heretofore the major cost problem in the process of modernizing American rail travel.

Now, if only the British could devise a profitable way to bring back steam engines.

## Thoughts On Air Safety

The recent air tragedy near Indianapolis claiming 83 lives has stirred increased speculation on the subject of air safety in the vicinity of airports. The accident occurred near Weir Cook Airport, though air traffic was not particularly heavy at the time.

Ground controllers say radar equipment failed to show a light plane approaching the Allegheny DC-9 but others claim the equipment had shown and was capable of showing even smaller aircraft, whether or not equipped with transponders. Ground controllers also say they warned the Federal Aviation Administration six weeks before the collision that radar coverage in the

Indianapolis area was weak. But they have made such warnings at many airports.

Thus the hassle between controllers and the FAA, which has been heated and in progress for several years, somewhat confuses the picture.

Nevertheless, it can be said that as congestion and controlling problems in and around the nation's airports continue to increase, the danger of aerial collisions will also increase. And the day will come when passenger airliners and private aircraft must use different airports; just as trains and buses have their own terminals, the big airliners of the future should have theirs.

## Town Bulletin Board

The Times-News publishes the Town Bulletin Board as a public service, not only to assist individuals in planning social calendars, but as an effort toward eliminating conflicting dates among local organizations. Club secretaries and program chairmen wishing to clear a date for a future activity may call the Times-News at 759-3200.

There is no charge for the Bulletin Board listing, but events should be limited to those of general interest. Be sure to mention date, time and place for each event being listed.

Listings for the Town Bulletin Board must be submitted to The Times-News two weeks in advance of publication.

### Students Air Views On 18 Vote Defeat

By John J. Bunevich

Question: What did you think of the defeat at the polls of the 18-year-old vote defeat? Asked of Nutley and Belleville High School students.

Ray Giordano - senior, Nutley High School.

I think it was a big defeat for most of the kids at the high school that worked for it. The group that worked on the Voting Age Coalition were really despondent. It wasn't so much that the 18-year-old vote was defeated, but rather that it was turned down by such a large margin. I believe it was almost 2-1. I think the reason most adults voted against it was because of the campus disorders over the last couple of years. Most of the people that voted against it must have been parents, reflecting on their children.

Mark Dillon - junior, Belleville High School.

I was glad that it was defeated. I'll be 18 in January and I don't think I know enough about politics or the workings of our government to exercise my right to vote. I'm becoming so involved in different things at my age. I don't have time to think about choosing a candidate to back and vote for. I know I'm not qualified now and will not be for a number of years. The difference between being 21 and 18 is a number of years and

there could be a lot of changes from now until then. There are plenty of high school students who don't know the first thing about voting.

Jerry Restaino - senior, Nutley High School.

It was a big disappointment to many high school students to see the 18-year-old vote be defeated by such a huge majority. The opinion in the high school was split just about down the middle but the big plus was the students that went out and worked for the passage of the referendum. Some of the students went out and urged the voters to ballot favorably. I've heard some pretty sad stories about the treatment they received by the adults. Many people completely ignored the students or had wise remarks.

Bob Zarra - junior, Belleville High School.

I know a lot of kids that didn't want to see it passed but there were also many that wanted to vote when they were 18. Many students now in high school know much more about today's problems and politics than their parents do. I know that if it did pass, there still would be many younger people who wouldn't go out and exercise their right to vote, just as there are many adults who don't vote, even though they are old enough.

## Seems Only Yesterday

### One Year Ago

Ben E. Grimm, director of Belleville's Public Library was presented the Better Belleville Award by Joseph Casale, president of the library board. Grimm was honored for developing programs for the young and old at the library.

The disputed town non uniform pay raise ordinance was passed on final reading at a Commission meeting.

The Jerry Rosen Associates, a full service advertising and public relations agency opened for business with offices at Main Street, Belleville.

Essex County United Citizens for Nixon-Agnew held a victory party at the Belleville headquarters on Washington Avenue.

### 5 Years Ago

Burt Powers Johnson, acting Principal of Belleville High School was elected to membership on the Board of Educational Directors at Fairleigh Dickinson Junior College.

The North Belleville honor roll, the most pretentious in the town, was unveiled and dedicated with addresses delivered by Mayor Williams and Congressman Hartelley.

### 40 Years Ago

The Belleville branch of the Motor Vehicle opened at the Belleville Buick Company with John J. Daly and Miss Zita Byrnes in general charge.

The fourth annual supper of the Lincoln Battalion of the American Guard, Inc., was held in the chapel of the Belleville Reformed Church.

The Ladies Aid Society of the Reformed Church met at the home of Mrs. William R. Adams.

### 50 Years Ago

The Daughters of Liberty celebrated their first anniversary in Belleville Hall. The committee of arrangements was Mrs. Charles Madison, chairman, assisted by the Misses Hazel Hacker, Grace Lightbody, Viola Hoplar, Winifred Curten, and Edward Pole, August Engle and August McAllister.

# Speak Up

## Thanks Are Extended By Joseph McGreevy

To The Editor,

As campaign coordinator for the Republican ticket in Belleville, I would like to thank publicly the voters that supported all the Republican candidates November 4.

I would like to compliment the Republican town chairman, Gerald Ferrara and his county committee for all their efforts. If any accolades for the great Republican victory in Belleville are given, they definitely belong to Ferrara and his

committee. It was a real pleasure to work with such a great crew, who worked so willingly to achieve this victory.

The newly elected Republican officers will give the people an efficient and economical administration. Governor-elect William Cahill has a great mandate from the people and I am sure he will fulfill all his promises and likewise all the other candidates on the state and county levels will.

Commissioner Joseph McGreevy

## Officials Are Blamed For Belleville Defeat

To the Editor:

Last week we lost the fight and this week the game. Both were at the fault of the officials. Lack of competent police protection at the East Orange game caused a riot. At the Bloomfield game something similar happened. Oh, sure there were enough officials, but how they called the game was quite a different story.

It looked like the refs were going to be on the ball right from the beginning. After the kickoff, a Belleville player was clipped. No penalty was called. All right everyone makes mistakes. But after it happened again by Bloomfield in their first set of downs and no one called a penalty, Belleville fans began to question the refs.

Nothing was said but there was no reason to since Bloomfield failed to score even with the breaks. As the game progressed, things went fairly smooth until the end. With a minute to play in the game, the refs failed to call an incomplete pass on what probably will be the most important play of Belleville's 1969 football season. It probably has caused their ranking in the state go down from fifth to God knows

what. The Bloomfield receiver didn't trap the ball; it was too obvious. The ball just bounced up from the ground and into his hands. The whole stadium saw it. Oh, excuse me, not the whole stadium-four guys failed to see it. It's a shame they were the refs. Unbelievable isn't the word for that call.

Nothing but nothing could describe it. Bloomfield made the touchdown with that call, thus making them win the game thanks to the officials. It wasn't ALL their fault. If coach Amabile went out there and fought that ridiculous call, the refs might have realized their stupidity. He had nothing to lose. But not him. He stayed on the sidelines and brewed until after the game. Then he complained. - But what the good was it then. It means very little to argue after a game is over. Belleville has a strong team; now they need a good coach and the Big Ten needs officials and the city of East Orange needs police protection. Until this is accomplished I doubt very much if it is relevant for Belleville to remain in such a conference. Good players-yes, good officials-NO.

Sincerely yours,  
Rocco Ferraro.

## Annual Affair Scheduled By Local Organization

The Branch Brook-Belleville Kiwanis Club is making extensive plans to welcome the state Kiwanis Governor to their annual dinner-dance set for November 21.

The affair, which will be held at the Friar Tuck Inn, in Cedar Grove, will honor the club's outgoing president, William Hettenbach.

New Jersey District Kiwanis Governor Dr. William Patterson, will make a special appearance at the dinner, which will be held in the Warwick Room of the Inn. The Joseph Rose Orchestra will provide entertainment and music for the occasion. The club will present

Hettenbach a bronze plaque in honor of his successful year of leadership. He will also receive a diamond and gold past president pin and a surprise gift from the membership.

Also on the list of guests are Mr. and Mrs. Alfred Bray, Lt. governor of Division XI, and Mayor Ken Smith, a former past president. Smith will serve as master-of-ceremonies.

The club is currently conducting a membership drive among business and professional men in Belleville. Each new member will be presented with a membership plaque at the dinner.

## Dr. Fost Elected A Fellow In Academy Of Pediatrics

Arthur Franklin Fost, M.D., has been elected a Fellow in the New Jersey Chapter of the American Academy of Pediatrics, it was announced today.

Born in Newark, Dr. Fost is a graduate of Belleville schools, and received his medical degree from Jefferson College in Philadelphia. He was an interne in pediatrics at Children's Hospital, and chief resident in pediatrics, University of Pennsylvania Hospital, both Philadelphia, and an interne in allergy at

St. Vincent's Hospital, New York City.

Dr. Fost is also a member of the N. J. Allergy Society and the American Academy of Allergy, and is the author of several medical studies on childhood disabilities and disease.

Married to the former Ruth Eismann, they have two children, Michelle, seven and David, six.

FBI's Assistant Director To Speak For Jersey Jaycees

Thomas E. Bishop, assistant Director of the FBI, will speak to the New Jersey Jaycees at their November assembly on "Organized Crime and You, the Citizen".

The Assembly, being held at the IvyStone Inn in Pennsauken, this Saturday, will also include forums on drug abuse.

LOCAL ADVOCATES - Several Essex County lawyers were among the 450 attorneys who gathered at a reception recently in Washington, D.C. Among those in attendance

were (from left) Gary N. Skoloff, Saul A. Wolfe, Belleville lawyers Lawrence Schwartz and Harry J. DelPato, Alan Grossman and Robert Abrams.

### LEGAL NOTICE

SHERIFF'S SALE  
CHAN. B-297 SUPERIOR COURT OF NEW JERSEY, CHANCERY DIVISION, ESSEX COUNTY, DOCKET NO. F 3674-68. BERKELEY SAVINGS AND LOAN ASSOCIATION OF NEWARK, NEW JERSEY, a New Jersey Corporation, Plaintiff, vs. CHARLES R. BIERMAN and LEAH KETHEL BIERMAN, his wife, Defendants. Execution For Sale of Mortgaged Premises. By virtue of the above stated writ of Execution, to me directed, I shall expose for sale by Public Vendue, in Room 226, at the COURT HOUSE, in Newark, on Tuesday, the 18th day of November, next, at one-thirty P.M., (Prevaling Time) all those tracts or parcels of land situate, lying and being in the City of Newark, Essex County, New Jersey, and State of New Jersey: By selling so much of the same as may be needed and necessary for the purpose.

FIRST TRACT BEGINNING in the easterly line of Johnson Avenue at a point therein distant 70.50 feet southerly from the southerly line of Runyon Street as the same are laid down on the "Map of Property of W. V. V. Lidgerwood, situate in the City of Newark, N.J., prepared by Harrison VanDyne, surveyor, May 1909 revised as to blocks 2703 and 2718, 1st ed. 1912"; thence running easterly at right angles to Johnson Avenue 132 feet; thence southerly parallel with Johnson Avenue 29.50 feet; thence running westerly parallel with Johnson Avenue 132 feet to the easterly line of Johnson Avenue; and thence running northerly along said easterly line of Johnson Avenue 29.50 feet to the point and place of BEGINNING.

SECOND TRACT BEGINNING at a point in the easterly line of Johnson Avenue therein distant 100 feet southerly from the southerly line of Runyon Street, as the same are laid down on the "Map of Property of W. V. V. Lidgerwood, situate in the City of Newark, N.J., prepared by Harrison VanDyne, surveyor, May 1909 revised as to blocks numbered 2703 and 2718, 1st ed. 1912"; thence running southerly along the said easterly line of Johnson Avenue 25 feet; thence running easterly at right angles to Johnson Avenue 132.04 feet; thence running northerly parallel with Johnson Avenue 25 feet; and thence running westerly at right angles to Johnson Avenue 132.04 feet to the said easterly line of Johnson Avenue and place of BEGINNING. Being lot No. 51 on Block 2728 as laid down on said map.

Being known and designated as 202 Johnson Avenue, Newark, N.J.

The approximate amount of Judgment to be satisfied by said sale is the sum of Eight Thousand Eight Hundred and Thirty-Six Dollars and Seventy-eight Cents (\$8,836.78), together with the cost of this sale.

## Famed Lawyer Plans Unitarian Church Speech

Brendan Byrne, former prosecutor for Essex County and now president of the Commission of Public Utilities of the State of New Jersey, will speak on "Organized Crime in New Jersey" this Sunday, at 11 a.m., at the Unitarian Church, Montclair. Dr. Norman D. Fletcher, minister of the church, will conduct the service and introduce Mr. Byrne.

Byrne is the first speaker in the current Collegiate Pulpit series which will include Peter F. Drucker on December 7, who will speak on "The Age of Discontinuity," and Dr. Mary Calderone, Executive Director of Sex Information and Education Council of the U.S., who will speak on "Sex Education in Our Society: Home, School, and Elsewhere," on January 11.

Byrne lives in West Orange with his wife and six children ranging in age from 2 to 15 years. He is a graduate of Princeton University and Harvard Law School and began his law practice in 1951. At present he is a partner

in the firm of Teltser, Byrne & Greenberg.

From 1956-1959, Byrne served as executive secretary to Governor Meyner and from 1959-1968 as prosecutor for Essex County. He has also served in the following capacities: president of N.J. Prosecutors Association, vice president of the National District Attorneys Association, chairman of the board of directors of Intercontinental Life Insurance Company and has the distinction of having been named New Jersey's "Outstanding Irishman of 1968."

# Reverend Affanoso Gets Hospital Post

Archbishop Thomas Boland of Newark has announced the appointment of the Rev. Joseph L. Affanoso to the position of full-time Catholic chaplain at Clara Maass Memorial Hospital.

Father Affanoso has been

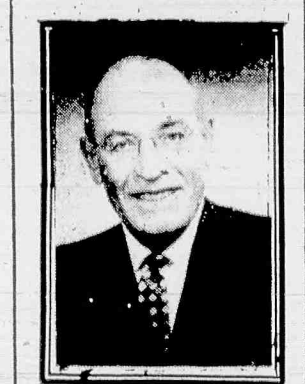

associated with the hospital as member of St. Anthony's Parish, for the past ten years. He is a graduate of Seton Hall University and Immaculate Conception

Public Service Company Announces Sale of Bonds

Public Service Electric and Gas Company has completed negotiations for the sale of \$60 million principal amount of Debenture Bonds, to a group of underwriters headed by Merrill Lynch, Pierce, Fenner & Smith Incorporated at a price of 100.163% of the principal amount, for a 8-3/4% interest rate.

This results in an annual interest cost to the issuer of 8.734%. The new Debentures will mature November 1, 1996 and will not be refundable prior to November 1, 1974 at an interest cost to the company of less than that of the new Debentures.

## BECK'S COLUMN

By MAX BECK

There is a racket going on, but nothing much is known about it because the victims are embarrassed to make it known that they fell for it.

This is how it works. A truck pulls up to a store and the driver asks whether the storekeeper is interested to buy a color TV., cheap. They only go to store keepers, assuming they have ready cash to pay for it. As they will only take cash. The driver intimates that the merchandise is "hot", not actually telling the storekeeper it has been stolen. If the victim shows any interest, they unload a set, unpack it and bring it in the store. It is plugged in and shows some color of sorts. All of this is done very fast. The driver holds his finger on the antenna terminals, stating of course that it will work perfectly with a regular antenna, but it does show color. He shows a picture in a regular factory catalog that looks like the set he's trying to sell. The catalog price is listed at \$589.50 and offers the set for a "quick cash sale" for \$200.00. So it is not surprising that many people can not resist such a "bargain" and they buy it. The driver hurriedly disappears, indicating all along that he is very much in a hurry so the sucker does not have a chance to look the set over more carefully. When he looks at it later, it turns out to be a regular black and white set with a colored plastic filter. Such a set, without the filter of course, is sold regularly in stores for about \$160.00 and a colored filter can be bought for 69 cents.

We service what we sell.

BECK'S RADIO TV HI-FI NUTLEY 667-2275

Seminary, Darlington, and served for three years at Holy Rosary Parish, Jersey City, before his assignment to St. Anthony's.

Donald E. Blume, chaplain at Clara Maass Memorial Hospital, termed Father Affanoso's appointment "a significant step forward in strengthening the hospital's chaplaincy program."

## Easter Seal Head Ihas Urgan Appeal

Romeo Mattia, Belleville's Easter Seal chairman, today made an urgent appeal for the return of all unused, serviceable appliances borrowed from the Easter Seal Society's equipment loan program.

"During 1969, more than 200 calls for appliances were handled through this program," Mattia noted. "Increased needs for wheelchairs, walkers, commodes, hydraulic lifts and other appliances necessary to the well-being of physically handicapped children and adults throughout the state, have made this appeal necessary."

"We are therefore asking everyone to search their attic, garage and their heart, returning or donating all unused equipment to the Easter Seal Society, so it may be passed on and used by some other physically handicapped person."

The chairman said that those wishing to return, donate or contribute to the program may do so by calling the Easter Seal Society Program Office, 300 Main Street, Orange, Phone 768-2900.

## Fireman Receives Scholarship

Belleville Fire Captain Leo Killen has received a scholarship through the International Association of Fire Chiefs. Each year 16 scholarships are awarded through out the United States to any officer of the paid or volunteer fire service. They must submit a 250 word statement telling why they are applying for the scholarships and how professional fire administration training will help to improve their knowledge and skills. The scholarships are awarded only for college courses providing academic credits.

This year's winner, Captain Killen, was announced in Chicago at the 96th annual conference of the International Association of Fire Chiefs.

Captain Killen is the second member of the Belleville Fire Department to win this award. Deputy Chief Joseph Santiglia won it in 1966. Two winners from a small department is unusual.

\*\*\* When the average American shouts for unity, he means that other people should fall in line with his views.

gram, Father Affanoso has been a great assistance to the hospital's patients during the past ten years, and will be of even greater help on a full-time basis."

Father Affanoso will be responsible for visiting and counselling hospital patients. He is the son of the late Mr. and Mrs. Thomas Affanoso of Bayonne.

Leo Killen

## Leaves Don't Have to be Packaged

Director of Public Works, Mary V. Senatore, urgently requests the cooperation of the citizens of Belleville with leaf removal throughout the town.

Due to the rainy season, leaves have fallen sooner than their usual time, thus preventing the Department of Public Works, from picking up in their certain designated areas, as well as cleaning the streets already posted.

The Commissioner said that only through town-wide cooperation of citizens can the leaves be disposed of as quickly as possible from the areas.

In the past, residents have had the practice of cleaning out yards, lawn fronts, and driveways and placing them out in the streets, permitting large piles to be formed and causing many unsightly areas. Large piles of leaves placed at the curbs have been in the

past a dangerous practice. Children have been found playing and hiding under the pile of leaves and in some instances setting them afire, thus becoming hazardous.

Director Senatore, urgently requests that within the next

two weeks, all citizens kindly remove their leaves, from areas surrounding homes, and place as many as possible in plastic bags, baskets or any other containers, so the road department, may return to their usual cleaning points.

The department of Public Works will put into service three leaf blowers, plus all other machinery equipped to remove the leaves from our streets. With seventy miles of streets in our town to be rid of leaves. Commissioner Senatore urges in getting rid of the leaves "as the department has a minimum amount of manpower and equipment needed for faster and more efficient removal of leaves on the streets."

\*\*\*\* The best way to become financially independent is to learn to say "no" to yourself and keep your money for future use.

## Forrest Fifth In County Meet

With team captain Red Forrest finishing fifth the Belleville harriers took a twelfth place in the Essex County Public High Brook Park last Wednesday.

The Bellboys came in ninth in the Big Ten meet with Forrest finishing sixth, Bob's fifth place this year helped bring the team from last year's 19th place to this year's twelfth out of eighteen teams. Four of

### Scotland Voyage May Be Waiting For Local Golfer

Anthony C. Caruso, 168 Fairway Avenue, Belleville, may win \$1,000 and two tickets to Scotland in the Rusty Nail Hole-In-One Sweepstakes as a result of scoring an ace recently at the Hendrick's Field Golf Course. The winner will be announced early next year.

the teams scheduled to run didn't show. The Bellboys beat Glen Ridge, and Barringer (both of whom have beaten the Bellboys in dual competition), Caldwell, East Side, Central, and West Side, Orange, a team that Belleville beat in the Big Ten was one of the four teams that didn't run.

Red Forrest ran the muddy 2.5 mile course in 12:52. Red's fifth place made him one of the recipients of the meet's medals which is one of the biggest awards possible to achieve by a high school harrier.

In second place for Belleville was John McCarthy, with 14:08. John was 56th in the race, and was followed by Lou Dalcero at 14:28 finishing 68th. John Deighan was fourth for Belleville with 15:02 and 96th place. Dave McMullen was 112 with a time of 15:31, and Rich Sulenski was 120 with 15:57.

BREAKING AWAY—Lightweight halfback star, Ricky Caruso manages to break in the clear for a big gain despite the added weight of heavy mud. Caruso, along with end Joe Ritacco, were the only bright spots in a sloppy Bellboy offense that spluttered to a 12-0 victory over hapless West Orange, Saturday.

## Bellboys Muddy Cowboys; Kearny Next

The Kearny Cardinals invade Municipal Stadium Saturday in a contest which will make the difference between a good season and a fair one for the Bellboys.

Coach John Amabile will field basically the same team that has gone all season for him, with one possible exception. There is a possibility that sophomore, Joe Lo Truglio will fill in for junior quarterback Joe Papasidero.

Last Saturday, the two signal callers shared duties for most of the game, with neither man emerging distinctively better than the other.

As of last Tuesday when this paper went to press, Amabile said he was working both quarterbacks, but said chances are good only one will see action Saturday.

Amabile said he couldn't fairly analyze his two quarterbacks' performances Saturday because of the muddy condition of Haydn Evans Stadium.

The coach gave Lo Truglio the chance to play, he said, because "it was a good game

to gain experience". In practice last week we had no problem adjusting to Lo Truglio's cadence, so I let him go."

Papasidero hit 1-2 passes for 14 yards in Saturday's 12-0 triumph over a poor West Orange squad. Lo Truglio connected on 2-3 passes including a fifty three yard jump pass touchdown to end Joe Ritacco.

Of the two, Papasidero has an advantage in game experience, while Lo Truglio seems to throw a better pass. One thing is for certain, however, if one of the signal callers doesn't come through against Kearny, the season may not look so bright.

Last week's tilt with West Orange was a puzzle to Belleville fans who made the journey to West Orange. The Bellboys flip flopped around in the mud, committing numerous mistakes, but emerging victorious because of their tenacious defense.

To many observers, it looked as if the Bellboys wanted to give West Orange the game. In Amabile's words: "We did everything but hand it to them."

Once again the heralded Bellboy defense, a tightly knit unit, was the margin of victory. Amabile said, with the exception of Ricky Caruso and Joe Ritacco, "there wasn't a bright note offensively."

Caruso, cutting and

slashing his way for yardage, despite the mud, rolled up 43 yards on 17 carries including a three yard touchdown. Ritacco, who seems to be blossoming lately as a pass receiver, made three fine catches for 45 yards and a touchdown.

Speaking of Ritacco, Amabile said: "If this kid doesn't make all-county we will be disappointed."

End Vinnie Costantino didn't make a reception a rarity in itself, but then there were very few passes thrown in the game.

Belleville's first score came on a three yard smash by Caruso. The Cowboys held the Bellboys in tow until the final minute of the game when Lo Truglio hit Ritacco for six points.

Doug Brown returned to action, starting on defense and alternating with Mark Bradley at fullback. D. Brown gained 20 yards in 11 carries but committed two fumbles. To his credit, he recovered one fumble and made two unassisted tackles.

Bradley was used sparingly on offense, gaining 21 yards in six carries. Jim Miele at wingback carried just once, good for five yards.

Game statistics reveal how poor both teams were offensively. Rushing: Belleville 93 yards, West Orange 24. Passing: Belleville 45 yards, West Orange 0.

In yards penalized, the

Bellboys had 50 on five penalties.

Amabile cited Sal Bivona, Alan De Feo and big Bill Tlumacki for fine defensive efforts. High man on

### Two Prep Schools To Join On New Livingston Campus

The Boards of Trustees of Newark Academy, Livingston, and the Beard School, Orange, have announced plans for the possible coordination of the educational activities of both institutions on the 68-acre campus of Newark Academy, South Orange Avenue, Livingston.

The proposed relocation of

unassisted tackles was Tom Vitiello with four. Amabile also had praise for Carmen Russamano, whose ferocious tackling on special teams was noteworthy.

Frank Fury, who was

sidelined with a cold, came off the bench in the fourth quarter and excited Bellboy fans with a 25 yard interception which set up the final team score from the three yard line.

The Beard School for girls, which was founded in 1891, is subject to the sale of the present Beard School facility at 560 Berkeley Avenue, Orange and its ability to finance the construction of new buildings on the Livingston property of Newark Academy, a school which has been in existence

since 1774. Under the terms of a memorandum of understanding approved by the Trustees of the two schools, The Beard School would provide initially an educational facility for about 240 girls, which would be for the purpose of developing a program of coordinated education for the two schools.

ATTENTION GETTER—After a sluggish first half of football, fans were treated to a show featuring such pretty twirlers as Jo Ann Lippi. It was a welcome relief from trying to make out the muddy numbers of ballplayers.

## Kiwanis Downs Varsity In Lightweight Football

When the League leading Kiwanis met the Varsity Club in their first round game of the Recreation Lightweight Football League it was their ability to capitalize on fumbles that made the big difference.

It started with a Varsity fumble on the opening kickoff and the alert Kiwanis jumped on it. This was followed by six plays producing thirty-five yards. Billy Denino, on a key block by Johnny Clarizio punched through five yards for the first score. On the next set of downs the Kiwanis' tough defense forced a Varsity fumble on their own 40 yard line and set up the next Kiwanis score. This time it was Johnny Clarizio streaking twenty-five yards off right tackle, getting blocks from Steven Andelora and Tommy Natale.

Late in the third quarter Varsity Club threatened with a good drive. However, on a fourth down with three yards to go they fumbled and, although they recovered their own fumble, the drive came to a halt on the Kiwanis 25.

Kiwanis then roared back with a sustained drive. Finally, from the Varsity two yard line Domenick Cicalese and Robert Ilaria opened the hole for Tommy DeVingo who made the final touchdown. Final score, Kiwanis 19-Varsity 0.

## Sports Corner

By John McCarthy

Take an 0-10 team, put it in the biggest, muddiest, wettest race in the county, and what do you have? A disaster, a romp, a massacre, unless the 0-10 team happens to have Bob "Red" Forrest running for them as Belleville's has.

Bob is now recognized as the number five cross-country runner in Essex County. His time of 12:52 put him five seconds behind Bruce Aue of Bloomfield High. In the Big Ten, Forrest's sixth place pulled the team up to ninth place, and his fifth in the county enabled the Bellboys to finish in twelfth place.

Bob has taken eight first places in dual meets this season. His only two defeats were to West Orange's Tom Hoffman, who finished second in the county, and to Nutley's Ted Guadiosi, who beat Red in the last 200 yards at the county meet. Even with Forrest's firsts, Belleville has never managed to get enough runners in the top ten places of each race to beat their opponents.

For three years, Red has been running for Belleville. In his sophomore year Red wasn't out for cross-country, but lettered on the track team. Forrest's fastest time for the mile was 5:03, and he picked up two second places and eight third places. Red also was out for JV basketball that year, but says that was "a time to forget, its better off left forgotten". Evidently Red wasn't a Wilt Chamberlain, so when it came time last year to decide between basketball and working out over the winter for track, Red chose track.

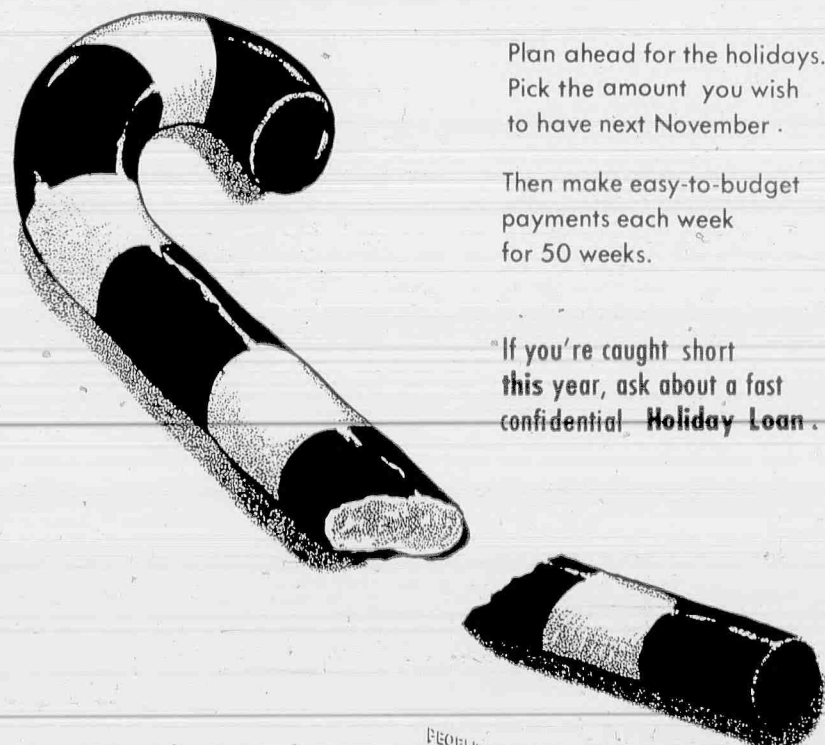

Junior year, Bob was the number two runner on the cross-country team behind senior Mike Ventura. Red took a first place in the first race of that season (against Orange, the team the Bellboys beat in this year's Big Ten Race), and for the rest of the team's 1-10 season he was consistently in the top seven.

Giving up basketball that winter really paid off for Red in the spring. Bob led the track team's distance runners with five first places in the mile and the two mile run. Bob's fastest time for the mile was down to 4:52 and he's proudest of his best time for the 2-mile, 10:23. The 10:23 came in the Montclair Invitational, where Red was first in his heat.

Now Bob is the captain of the cross-country team, and also maintains an A-B average in school. On the Key Club, Red serves as vice-chairman of the fund raising committee, which is in charge of the present Christmas wrap sales campaign. Bob is also a member of the National Honor Society, and is one of the six delegates from Belleville to New Jersey Boys State.

## Recreation Department May Start Ladies Gym

The Belleville Recreation Department would like to hear from women who would like to attend a ladies gym class. If there is sufficient interest a program will be conducted at School 3, on Thursday nights.

There has been several such groups in the past but each time interest has waned. Those who call will be asked to express preference as to activity, choosing from exercise class, volleyball league, basketball or any combination of activities.

There will also be another ladies gym class at School 4 which will start right after the Christmas. This program will run for ten weeks and will be held on Wednesday evenings.

THE CHAMPS — The members of the Belleville Amvets Post 26 honored its Little League baseball team for winning the local championship, by giving them a dinner at the Little League field house. Shown here are (from left, front row) Carl Arlt, Jack Kelly, Mark Lukowiak, John Racioppi, Nicholas Sicello, Anthony Biale; (second row, from left) Jim Zaccane, Dante Pantalone, Don Dellatorre, Joe Campione, Frank Mozeika, Anthony Marino, Victor Pasquariello, Anthony Rommandetto, (third row, from left), coaches Rocco Marotti and Peter Olivio; Michael V. Marotti, state Amvet commander and team manager, and Joseph Di Modica post commander.

## Scout-Air-Rama Is Planned In American-Airlines Hangar

The Boy Scout Troops of Belleville will participate in the Robert Treat Council's Scout-Air-Rama to be held in the American Airlines hangar in Newark Airport. The show will be held this Saturday, November 15, starting at 12 noon with continual exhibits until 6 p.m.

Four Boy Scout troops and three Cub packs from town will give demonstrations of Scout skills they have learned, including archery, firebuilding, signalling, fishing, plaster crafts and wire crafts.

Hal Jackson, radio announcer for WNJR will be broadcasting his regular show live from the scout show. The veteran announcer will interview some of the Scouts and spectators at the Show.

Many of the local troops will be selling tickets door-to-door for one dollar.

**St. Peter's Group Schedules Meeting-Pro Football Film**

President T. William Sloan, of St. Peter's Holy Name Society, advised that the monthly meeting of the Society will be held tonight at the K. of C. Hall on Bridge Street.

Following a short business meeting that will start at 8 p.m., several sports film will be presented and refreshments served. Efforts are being made by the program committee to obtain the sound film of the JETS-COLTS 1968 World Championship Football Game. If it is not available for the November meeting, it will be scheduled for showing at a subsequent meeting early in 1970.

An invitation is extended to all men of the parish to attend the Thursday night meeting, in an evening of good fellowship. The Christmas dance committee will report on its organization and planning for this very popular annual social event, and the committee chairman for the Italian Fiesta, in October will give a final report on that affair, which was attended by 470 members and friends of the Holy Name Society.

## Coaching A Big Factor In Recreation Football

The superb coaching in the Recreation Football Leagues is showing as the leagues move into their second rounds. Despite the scores all of the teams show great improvement ever over the high standard of play exhibit in the first round. It is the total improvement of all of the boys that really counts in this picture because, quite soon, those who oppose each other now may well be wearing the same uniform as they represent Belleville High in scholastic competition.

The front-running American Legion continued to dominate the Heavyweight League as they posted a victory over the Jolly Cleaners. After having a 40 yard touchdown run called back the Jolly's trailed 13-0 at half time. Although they were unable to mount a scoring effort in the last stanza they did substantially contain the Legion powerhouse, in holding them to one touchdown.

Co-Managers Vincent Sorrentino and Ken Taras have put their team on top of the League for the first time in the Legion's history, they and the players have worked hard.

Jolly Cleaners, who have enjoyed several championships in the past started off slowly but this team is responding to the great coaching of Dick and Bill Baker.

In the heavyweight's other game the Biancardi eleven scored a decisive win over the hapless Devons. This team coached by Joe Grande, Elmer Haug and Perry Mayers has developed an explosive running and passing attack which makes them a threat through every minute of every game. Bob Valentino and Frank Lembo who coach the Devons are in a building year and have been hurt by the loss of several key players but, they too are improving every game.

Dominating the Lightweight League is a Kiwanis team coached by Robert Haug and Richard Haug. In their fourth contest of the season they met a greatly revived Elks team and found themselves in a really tough ball game. The difference was the Kiwanis's ability to capitalize on a poor fourth-down center by the Elks. They followed this three plays later with a pass for twenty yards and the only touchdown of the game. It is evident that coaches Tony

Ferrentino and Jim Martin have really worked the Elks in to a vastly more effective team especially in the area of defense.

The second place Lions drubbed the Varsity Club with a display of great defense, two long runs and three pass interceptions. Coaches Joe and Alan Restaino and Charles Cerami have produced a really powerful team in this years Lions. The Varsity Club, guided by Bob VanTassel, James Vastardis and Garry Benecchi are trying hard to overcome a slow start.

Next week's games feature an American Legion-Biancardi heavyweight contest and a Kiwanis-Elks lightweight meeting each of which could produce a tie in its league. After four games the heavies stand American Legion 4-0, Biancardi 3-1, Devons 1-3 and Jollies 0-4. The lightweights stand Kiwanis 3-1-0, Lions 2-1-1, Elks 2-2 and Varsity 0-4.

# Bellboy Offense Bogs Down In Mud...

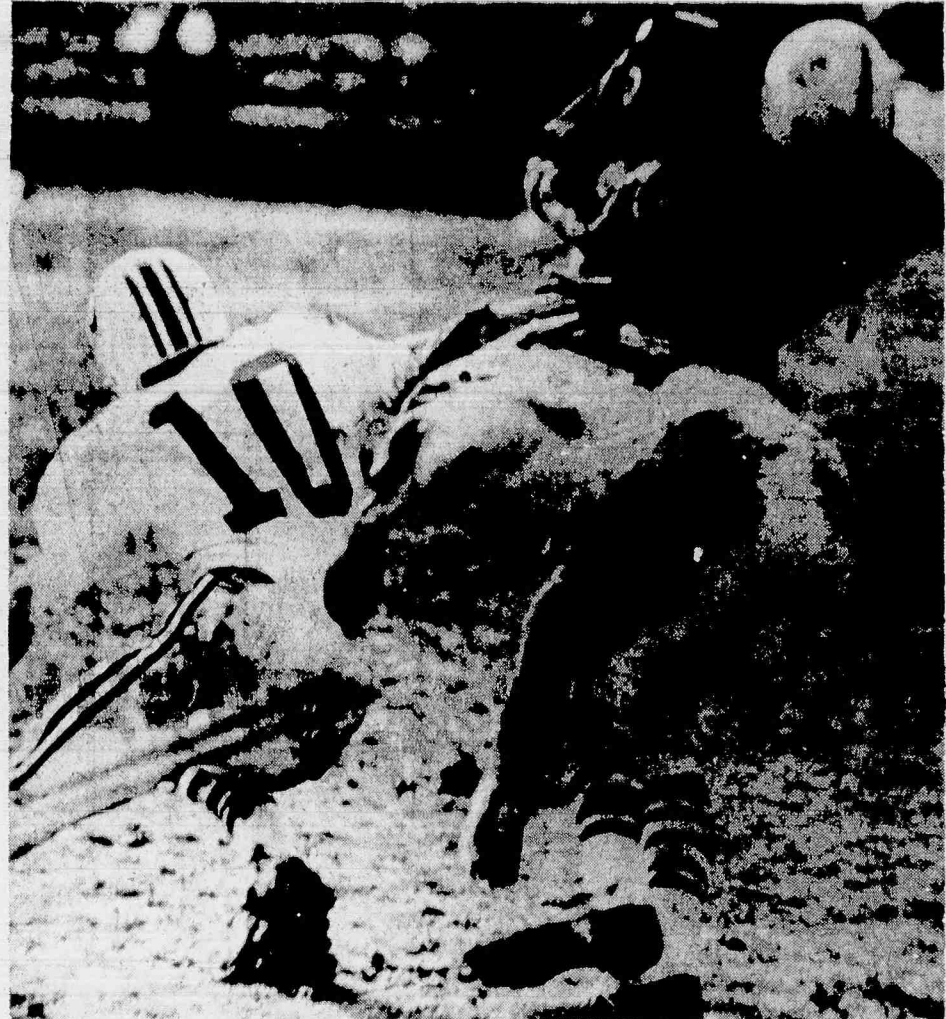

**RIGHT THERE** — Center Joe Valvano points to a painful left shoulder as trainer "Doc" Ellis escorts him off the field. Joe's injury was only slight, and he returned to action shortly afterwards.

**ALTERNATING CURRENT** — And suddenly there were two... Joe Papasidero, (10), Belleville's starting quarterback all season, found himself sharing the duties Saturday with sophomore Joe Lo Truglio (12). Papsidero is said to have more experience, but Lo Truglio is believed to be the better passer. Or is the other way round?

**FIRST DOWN** — Joe Ritacco, with three receptions for 45 yards, Saturday, brings down a Joe Papasidero pass for 14 yards and a first down on a third and eight situation. Joe's play was one of the few highlights of the Bellboy offense.

**GOING UP** — Belleville's top yardage gainer, halfback Ricky Caruso, gets a not so welcome lift from Al Tadedo (17) and Rich Kunze (10) as he breaks into the end zone for the first Bellboy score. Ricky gained 43 yards in the mud on 17 carries.

**BLOCKED** — Sal Bivona gets through the West Orange defense to block this kick in the last quarter. The ball was picked up by Bill Tlumacki on the West Orange 14, but the Bellboys couldn't push over the score.

**ROUGH TACKLE** — Carmen Russamano (41), drew special praise from Coach John Amabile for his coverage of punts. Here, Carmen makes one of his three unassisted tackles. Mark Bradley (33) rushes over to help, but Carmen has the situation well in hand.

**MINE. ALL MINE** — Joe Ritacco hugs his second of three pass receptions, this one coming from sophomore quarterback Joe Lo Truglio, good for 28 yards. The two Joes teamed up once more for a last second touchdown to make the score 12-0.

**LOOSE BALL** — Belleville seemed determined to give West Orange every break possible, committing numerous fumbles and turnovers. Here quarterback Joe Papasidero loses the handle on the ball for a five yard loss.

**LO TRUGLIO IN ACTION** — Promising sophomore quarterback Joe Lo Truglio throws his first and only incomplete pass of the day. Joe, alternating for the first time all season with Joe Papasidero, hit 2-3 passes for 31 yards and one touchdown. Mark Bradley (33) sets up protection for the new quarterback.

# WEDDINGS AND ENGAGEMENTS IN SOCIAL SPOTLIGHT

## Costello-Sorce Nuptials Held

St. Mary's Church, Nutley, was the setting November 1 for the marriage of Miss Jo-Ann Marie Sorce, daughter of Mrs. Eleanor Rasp Sorce of 78 Yantacaw Place, Nutley and James Sorce Jr. of Toms River to Richard Anthony Costello, son of Mrs. Catherine Costello Graziano of 425 DeWitt Avenue, Belleville and the late Mr. Pat Costello.

The Rev. Robert M. Stauffer performed the ceremony and a reception followed at Maschio's Restaurant, Lyndhurst.

Escorted by her father, the bride wore a white satin A-line gown with bell sleeves and a high neckline. It was appliqued with re-embroidered lace, baby pearls and crystals.

Her mantilla was bordered with lace and fell from scattered clusters of baby pearls. She carried a cascade of white roses.

Miss Patricia Costello of Belleville, sister of the groom, was maid of honor. She wore an emerald green velvet gown with a matching velvet

headpiece. Her bouquet was a cascade of yellow carnations with green streamers.

James DelGuercio of Parsippany was best man. Ushers were Donald S. Sorce of Toms River, brother of the bride and Jack Sorce of Nutley, another brother.

Mrs. Sorce chose a powder blue satin brocade coat and dress ensemble trimmed with fur and matching accessories. Her corsage was of blue carnations. The groom's mother was in an egg shell satin dress with silver accessories. Her corsage was white carnations tipped in silver.

Mrs. Costello, a graduate of Nutley High School and New Jersey Beauty Culture Academy, Newark, is with LaPetite Coiffures, Bloomfield.

Mr. Costello, an alumnus of Belleville High School and Electronic Computer Programming Institute, East Orange is with Curtis Wright Corp., Woodridge. He is a Navy veteran.

The couple will live in West Paterson following a Caribbean Cruise.

## Evening Group Grets Four New Members

Four new members were welcomed into the Evening Membership Department of the Woman's Club of Belleville at their October meeting. At the meeting plans were discussed by Mrs. William Pierce for Ranch Hope, the state project of the New Jersey Federation of Women's Clubs. Mrs. Pierce who is the northern assistant to project chairman, outlined her discussion with slides.

Joining the department are Mrs. Leonard Bade of 369 Joralemon Street, Mrs. Anne Mattern of 161 Cedar Hill Avenue, Mrs. Jerome Casciano of 277 New Street and Mrs. B.J. Mann of 141 Holmes Street, all of Belleville.

Members serving on the hospitality committee were Mrs. Arthur Bayard, Mrs. William Morrison, Mrs. Joseph Kearney and Mrs. Phillips Pierce.

## Auxiliary Wishes Addresses of Boys Serving Overseas

The Belleville Fire Department Ladies Auxiliary has been sending monthly packages to all Belleville boys in Vietnam as well as other foreign countries for the past few years.

If there are any Belleville boys not receiving packages from the Belleville Fire Department Ladies Auxiliary we would appreciate hearing from them, their families or friends so that we may place their name on our mailing list.

Miss Catherine Grant

## Betrothal Told Of Miss Grant, Eugene Rossi

Mr. and Mrs. James Grant of Bloomfield announce the engagement of their daughter, Catherine to Airman First Class Eugene B. Rossi, Jr., son of Mr. and Mrs. Rossi Sr. of 29 Franklin Street.

The troth was made known September 27 at the bride-elect's home.

Miss Grant, an alumna of Bloomfield High School, is a clerk typist with National Newark and Essex Bank, Bloomfield.

Airman Rossi, a graduate of Irvington Tech, is a jet engine mechanic stationed at Udorn Royal Thai Air Force Base, Thailand.

Please address all correspondence to: Belleville Fire Department Ladies Auxiliary, c/o Belleville Fire Department Headquarters, Washington Avenue, Belleville, N.J. 07109.

Miss Barbara Faltraco

## Miss Faltraco, Frank Simeone Will Be Wed

Mr. and Mrs. Peter Faltraco of 59 Center Street announce the engagement of their daughter, Barbara Ann to Frank Mario Simeone Jr., son of Mr. and Mrs. Simeone Sr. of 113 Ralph Street.

The troth was made known October 10 at a party at Beppy's, Newark.

Miss Faltraco, a graduate of Belleville High School and Berkeley Secretarial School, East Orange, is a legal secretary with McCarter and English, Newark.

Mr. Simeone Jr., an alumnus of Belleville High School and Trenton Junior College, is an HVAC designer with Superior Air Conditioning Company, West Orange. He is former president of Sigma Phi Tau fraternity.

Miss Joyce Fieramosca

## Fieramosca-Massaro Troth Is Announced

Mr. and Mrs. John Fieramosca of 416 Greylock Parkway announce the engagement of their daughter, Joyce Ann to Paul A. Massaro, son of Mr. and Mrs. Angelo S. Massaro of Kearny.

The troth was made known October 12 at the bride-elect's home.

Miss Fieramosca, a graduate of Belleville High School and Mountinside Hospital School of Nursing, is a rehabilitation nurse at Essex County Hospital, Belleville.

Mr. Massaro, an alumnus of Belleville High School and Fairleigh Dickinson University, is a senior at New York Law School. He is a first lieutenant in the U.S. Marine Corps and will start active duty in November, 1970.

The wedding will be held September 26.

## German Home For the Pekrols

Miss Joyce Carol Park, daughter of Mr. and Mrs. James R. Park of 24 King Place became the bride October 12 of Airman First Class William Pekrol, son of Mr. and Mrs. William Pekrol of 11 King Place.

The Rev. Richard Groncki performed the ceremony in St. Peter's Church. A reception followed at Barbone Mosco Post, Belleville.

Escorted by her father, the bride wore a gown of peau de soie with appliques of Alencon lace embroidered with seed pearls and a cathedral train.

A matching headpiece held her shoulder length veil and she carried a cascade of white mums.

Mrs. Ralph Cattle of Lyndhurst was matron of honor. Bridesmaids were the groom's sisters, Miss Donna and Miss Darlene Pekrol of Belleville.

They wore victorian gowns of karate in rainbow colors of blue, green and pink. The empire bodices were trimmed with velvet ribbon and flowers of matching material. Headpieces were pillboxes and they carried cascades of mums.

Carey Azzara of Belleville was best man. Ushering were the bride's brother, William Park and Kenneth Vogel of Belleville.

Mrs. Park chose a gown of deep aqua silk and wool with silver beading trim and silver accessories. The groom's mother was in a blue green silk and wool gown with matching coat. Corsages were white orchids.

Mrs. Pekrol, an alumna of East Orange Catholic High School, was with Prudential Insurance Company prior to her marriage.

Airman Pekrol, a graduate of Belleville High School, is stationed in Bitburg, Germany, where the couple have made their home after a honeymoon at Niagara Falls.

## Essex County Bankers Set For Meeting In Cherry Hill

Sixteen Essex County bankers have registered to attend the New Jersey Bankers Association's eighth annual Bank Operations and Management Workshop to be held next Wednesday, at the Cherry Hill Inn, Cherry Hill. More than 250 New Jersey bankers are expected to attend the all-day Conference.

## Hey Mom, we're all wet!

## Hey Dad, we need a Dryer... NOW!

A dryer saves work. No denying. It ends that time consuming wash-day hang-up. The inconvenience of rainy, snowy days. The backbreaking strain of lugging baskets of wet laundry. But it's a special convenience besides. Like quick-drying wet mittens and snow suits so the kids can go out again after lunch. Or drying the new permanent press fabrics to perfection so they need no ironing. Stop in and shop in your local appliance store, and make this a dryer year for the whole family.

**Pharmacy Footnotes**

**Vincent Cozzarelli, Reg. Ph.**

The Egyptians believed that man was immortal and life could be prolonged indefinitely. Egyptian physicians resorted to their most powerful medicine, incantation, when healing the sick. Sometimes the patient recovered; more often he did not. The next step was the use of drugs along with incantations. Among the more favored Egyptian remedies were garlic, opium, and castor oil. The physician wrote out long prescriptions containing up to 35 different ingredients; and they were filled by a local pharmacist. In addition to selling ethical drugs, the "drug store" carried such patent products as hair restorers, hair dyes, cosmetics, insect powders and even opiated soothing syrups for colicky children. The pharmacists at ROSSMORE PHARMACY, 338 Washington Ave., 759-1956 have all the drugs necessary to fill your prescriptions. # SOCIAL AND CLUB NEWS OF COMMUNITY INTEREST

PRINCIPAL ACCEPTS — Michael D. Nardiello (right), principal of James G. Shawger School, accepts the summer reading award plaque from Ben E. Grimm (left), library director, as four of the school's top readers look on.

## J.G. Shawger School Wins Reading Award

The Belleville Library's Annual Reading Award was won this year by students of James G. Shawger School.

The award, established in 1966 is given to the school whose students as a group do best in the reading program sponsored by the local library each summer. This year 35 School No. 4 students enrolled in the program and 20 completed it for the winning percentage of 57.1. The average number of books read and reported on for these children was 39.

Honorable mention this year went to St. Peter's School and School No. 5.

A plaque, engraved each

year with the name of the winning school is kept by the school during its year of honor. Presentation of this award was made this month by Ben E. Grimm, library director, to the James G. Shawger School principal, Michael D. Nardiello.

Accompanying Mr. Nardiello at the presentation were four individual prize winners who in large measure contributed to the winning effort. These super-readers were: Cynthia Livingstone, Grade 2, 132 books; James Di Modica, Grade 4, 28 books; Valerie Olivio, Grade 4, 168 books and Alfred Esposito Grade 3, 138 books.

Donald R. Jayces, chairman of the contest, stated that Miss Pagano's essay was inspiring and very logically written. Miss Pagano is a senior at Bayonne High School and is enrolled in the History-English Honors Section.

### N.J. Jayces Announce Winner Of Essay Contest

The New Jersey Jayces announced today that Miss Stella Pagano of Bayonne High School is the winner of their state-wide essay contest. The essay contest was entitled, "Should the Voting

TOP READERS — Inspecting the plaque awarded to their school are (left to right) James Di Modica, Cynthia Livingstone, Valerie Olivio and Alfred Esposito. Their efforts helped garner the plaque for their school in the fourth annual reading program. Presentation was made at the Silver Lake branch of the library.

## James G. Shawger Parents Hear School Superintendent

The James G. Shawger Home and School Association opened its fall and winter program on Tuesday evening, October 21 with the noted optometrist, Doctor Russell Sinoway and Anthony Greco, superintendent of Belleville Public Schools, as guest speakers.

Greco congratulated Michael Nardiello, the school principal, and the Home and School Association for the enthusiasm and interest expressed in the school, the faculty, and their children, which was evident by the

large attendance.

He went on to relate the problems confronting our schools in regard to the ever-growing population, which increases student enrollment causing overcrowding of classrooms due to lack of funds to hire additional teachers. The quickly growing population also limits the purchasing of much-needed updated textbooks which are essential in providing children with the best education possible, Greco also maintained.

In closing, he informed the

### Woman's Club Sends Group To Round Table

Representing the Evening Membership Department of the Woman's Club of Belleville at the Fall Round Table of the New Jersey State Federation of Women's Clubs were Mrs. Robert Davis, chairman, Mrs. Paul Klingler, Federation secretary, Mrs. Peter Spera, vice chairman, Mrs. Michael Kiskiel, ways and means chairman, Mrs. Charles Frank, sunshine chairman and Mrs. William Oertel, publicity chairman.

Held at the Cherry Hill Inn October 18, the Round Table was presided over by Mrs. Russell Teachman, state chairman. State Federation president, Mrs. Thomas H. McGlade's topic "Women, Then and Now" encompassed the years beginning with the founding of the Federation to the present day, uniting women in bonds and sympathy.

A workshop and panel discussion were held following the luncheon. Mrs. Frank, Mrs. Kiskiel and Mrs. Spera attended the membership, program and ways and means panel discussion. Mrs. Klingler, Mrs. Davis and Mrs. Oertel attended the protocol, project and elections workshops. The ladies will

### Children's Movie Hour At Belleville Library

The Children's Department of the Belleville Public Library announces the third in a series of fall movie hours.

The films will be shown at the Main Library, corner of Washington Avenue and Academy Street on Saturday, November 22 at 10:30 a.m.

The first of these color films to be shown will be "Alexander and the Car With The Missing Headlights," with Alexander fixing up an old car from the junk yard and taking off on an unforgettable journey.

Also being shown is "Jenny's Birthday," an engaging fantasy about a cat's birthday, and how her friends help her celebrate.

### Greater Essex Council Set To Launch New Scout Theme

"Awareness-Action," the theme Girl Scouts all over the country will follow for the next three years, will be launched by the Greater Essex Council next Tuesday evening, at its fall delegate assembly meeting.

make their reports on the meeting at the regular November meeting of the Department.

### Spiritual Exercise Held at Holy Family

An Evening of Recollection was held October 23 at Holy Family Church. The St. Lucy Filippini Sodality and The Rosary Altar Sodality together enjoyed the spiritual exercise, which was conducted by the most Rev. Gerald M. Santora, chaplain of St. Andrew's Villa in Paramus.

After the services in church everyone went to the CYO building where Father Santora continued his talks.

The chairmen responsible for the evening were Mrs. Frank Arrigo from the Rosary Altar Society, and Mrs. Samuel Ciccarella from the St. Lucy Filippini Sodality. The Moderator for both Sodalities is Rev. Michael Saltarelli.

Men of wealth seem to just naturally think they are inclined to genius, even if they inherited the cash.

## Beauty Pageant Winner

Miss Mary Werder, an eighteen year old Belleville brunette beauty, 5'2½ with chestnut hair and eyes of brown, was selected recently as "Miss Players" at a beauty pageant sponsored by The Players, a theatrical and social group of the New Jersey Bell Telephone employees, at Vail Hall, 540 Broad Street, Newark.

Miss Werder was chosen from the eight finalists of an Essex Division photographic contest of New Jersey Bell Telephone employees. The judges were Murray Howard of the Augusta Berns Photographic Studio, Wesley McKeown, president of the Society of Illustrators of New York and Harold Fredericks, artist and creator of the Mandrake the Magician cartoon strip.

Miss Player, a member of the Essex Sales division of the New Jersey Bell Telephone Company, makes her home with her parents, Mr. and Mrs. Roy Werder, 17 Ralph Street, Belleville. Mr. Werder is employed by the A&P Food Stores.

Mary enjoys meeting people, swims, dances and rides horseback for exercise and pleasure. Best of all she loves to prepare Italian foods and enjoys eating the results of her efforts.

The Players came into being through the efforts of two men, Robert Madden of Kearny and Patrick Cassidy of Maplewood, spicers in the Plant Department of the Bell Company who were so saddened by the death of two fellow workers by cancer that they resolved to enlist the entire employee group of the New Jersey Bell Telephone Company in the fight to conquer cancer.

The two men after consulting with fellow employees, decided that collections were not the answer but that there was a

Miss Mary Werder

need for a project, interesting to all as well as productive of funds, for cancer research and care. The result is, The Players, an employee group pledged to save lives while providing pleasure and entertainment.

Upon consultation with officials of the New Jersey Bell Telephone Company The Players were given all possible cooperation including the use of company facilities.

The first Cancer Benefit offering of The Players will be a four-act musical entitled "Reflections" dealing with the music of our country from the gay nineties up until today, written and directed by Patrick Cassidy with a cast

made up of telephone employees, to be presented at the Civic Theater of the Belleville High School on November 21 and 22 at 8 o'clock each evening.

Tickets can be obtained from Miss Mary Byrne by calling 649-3122.

### Books To Be Sold At Fair Next Week

The Montgomery School No. 2 will hold a book fair on Monday, Tuesday, and Wednesday, November 17, 18 and 19 between one and 4 p.m. and also Tuesday evening at the Home and School Association meeting.

Chairman for the book fair is Mrs. Ethel Chippinelli.

**DENTAL X-RAYS FIND TROUBLE QUICKLY**

At most every regular dental examination, your dentist may first want to take a series of X-rays. These X-rays can pinpoint trouble spots before they get to the stage where extensive work is needed or where a painful toothache results.

Even when work is required, the new anesthetics and high speed equipment make it fast and with hardly any discomfort. Many dentists will prescribe a tranquilizer for a patient before their appointment and a pain reliever for use when the anesthetic has worn off. We fill many dental prescriptions and keep the medications they need on hand.

**YOU OR YOUR DOCTOR CAN PHONE US** when you need a delivery. We will deliver promptly without extra charge. A great many people rely on us for their health needs. We welcome requests for delivery service and charge accounts.

## Belleville Student Given Bloomfield College BA

Russell Groves of 43 Wallace Street, Belleville, was among 200 graduates of Bloomfield College who received the bachelor of arts degree at the commencement

### Joseph Hayden Honor Grad

Joseph Hayden of Belleville was one of two students to graduate with high honors from Newark Rutgers University, Law School.

Hayden of 581 Belleville Avenue, received his undergraduate degree from Boston University. At the Rutgers commencement, Hayden was presented with the Morris Gann Prize in Evidence for the best grade in evidence and the Alumni Senior Award for the student showing the most achievement and promise. He also shared the Cornelius W. Wickersham, Jr. Award for the highest grade in Constitutional Law.

### Bloomfield College Accepts Fitzpatrick

Laurence Fitzpatrick of 411 Division Avenue, Belleville, has been accepted at Bloomfield College. It was announced by Jerald L. Garland, director of Admissions.

Bloomfield, a four-year, coeducational, liberal arts college is entering the second century of its history. The college was established in 1868.

Scenery may be interesting but it's the people that count.

## Union College For Resident

James P. Wilson of 96 Branch Brook Drive, Belleville, was among 278 New Jersey residents who launched their college careers this semester in the Evening Session of Union College, Cranford, a "two-year community college of the academic disciplines."

Wilson, a graduate of Central Evening High School, Newark, is enrolled at Union College as a non-degree student.

The 278 students reside in 43 communities in eight New Jersey counties. More than 2,000 men and women are enrolled in both Day and Evening Sessions. Union College offers majors in liberal arts, liberal arts-education, option, engineering, physical and life sciences, and business administration for transfer and terminal students in both Day and Evening Sessions.

## Computers Match Kids With Suitable Colleges

Computers now are matching high school students with the colleges that best meet their needs, interests, and abilities. The result saves effort for the high schools, anguish for the student, and money for the applicant's parents.

"Many students don't know where to begin in their search for a suitable college," reports Leo Pessin, president of the CompuGuide Corp. of Princeton, whose GUIDE service helps get students off to a productive start in the search for the "right" college.

"Since a college education often costs from \$10,000 to \$25,000," Pessin says, "a pre-screened list from the computer containing the names of the colleges most suited to the applicant — that probably would accept him — is a valuable asset."

The student communicates with the computer through a questionnaire which requires him to weigh the importance of such college characteristics as location, cost, size, student makeup, academics, and course offerings. The computer prints out the names of the six colleges that most closely match the student's qualifications and interests.

Computerized college selection, says Pessin, has these advantages:

1. The questionnaire forces the student to organize his thinking about going to college, often for the first time.
  2. The computer often provides the names of good colleges that would not otherwise have been considered.
  3. Because colleges require a non-refundable fee of up to \$25 with every application, the service can actually save the student money.
  4. The service gives guidance counselors a more national outlook on college admissions and expands the number of colleges to which the school sends students.
  5. By feeling the counselor to help the student with an in-depth investigation of a few realistically selected colleges, computerized selection allows for a more efficient operation of the high school guidance department.
- "Few high schools keep a full library of catalogues from all of the nation's colleges," Pessin says. "GUIDE gets them all, keeps them current,

### Lunar Material On Display At Pennsylvania College

The lunar material now at Lehigh University which was taken from the surface of the moon by the Apollo 11 astronauts last July will be on public display at the University on Friday and Saturday.

Approximately 10 grams of the material is being scientifically investigated at Lehigh by Dr. Charles B. Sclar, professor of geology.

The display, coinciding with the planned Apollo 12 flight to the moon, will be held in the Mart Science and Engineering Library on the Lehigh campus.

## Newark Academy Will Hold Reunion

The Alumni Association of Newark Academy will hold its first Class Reunions Dinner on Wednesday, November 19, at the Governor Morris Inn, Morristown.

Van S. Kostowicz, class of 1965, of 507 Greylock Parkway, Belleville, is class chairman and may be contacted regarding reunion plans and reservations.

### George Cummings, Belleville Student Is Xavier Graduate

A Belleville student, George W. Cummings, was graduated from Xavier University in Cincinnati, Ohio at the commencement ceremonies on June 4, Cummings, of 45 Frederick Street, Belleville, was conferred with the bachelor of science degree in business administration.

Senator George McGovern, Democratic Senator from South Dakota and candidate last year for the Presidency, delivered the commencement address. McGovern was awarded an honorary doctor of law.

### Two Students Cited By Fairleigh Dean

Paul P. Hartunian of 240 Little Street and Edward J. Bradley of 59 High Street, both of Belleville, have been named to the dean's list at the Evening Division of Fairleigh Dickinson University for the summer session at the university.

Hartunian is in his fourth semester at the university and Bradley is in his sixth semester.

### Belleville Graduate Accepted At College

Anthony Dotesch, 131 Beech Street, Belleville, has been accepted at Bloomfield College. It was announced by Jerald L. Garland, director of admissions. Bloomfield, a four-year, coeducational, liberal arts college is entering the second century of its history. The college was established in 1868.

### County Costs Average Set For Each Jersey Resident

Costs of county government in New Jersey averaged almost \$63 for every man, woman and child in the State last year.

### County Youth Director Lists Main Purposes For Program

Father Joseph Ochs of St. Ann's, assistant county youth director for the CYO and one of the guiding forces behind the seminar, lists three main purposes for the program.

"Number one," says Father Ochs, "the priests are attempting to gain a better awareness of themselves, their attitudes and their relation to the people we serve in Newark."

Secondly, we are bringing together priests — basically from the Central Ward — so that we can get to know each other better and exchange ideas.

### First College Performance Of New Play Scheduled

New York City's "The Theatre Company" will present the first college performance of a new play, "Primitives," at Upsala College's "Workshop 90" theatre this Saturday night at 8:30.

## College Corner

## Football Great Gets BS Degree

Leonard Luongo, 175 Beech Street, Belleville, graduated from Virginia polytechnic Institute.

Leonard Luongo

Blackburg, Va. at the commencement exercises, June 8. Speaking to the some 2100 degree candidates was Dr. Warren W. Brandt, the new president of Virginia Commonwealth University in Richmond.

Leonard was awarded the bachelor of science degree in business administration.

A management major, he played varsity football for three years and served as sergeant of arms for the Monogram Club while at Virginia Tech. A highlight of Luongo's college football career was his participation in the 1966 Liberty Bowl game against Miami University and in the 1968 Liberty Bowl

against Mississippi.

A Belleville High alumnus, there he played varsity football, baseball, and basketball. He made All-State football for two years and also was an All-State Baseball player for two years.

Leonard is the son of Mr. and Mrs. Michael Luongo.

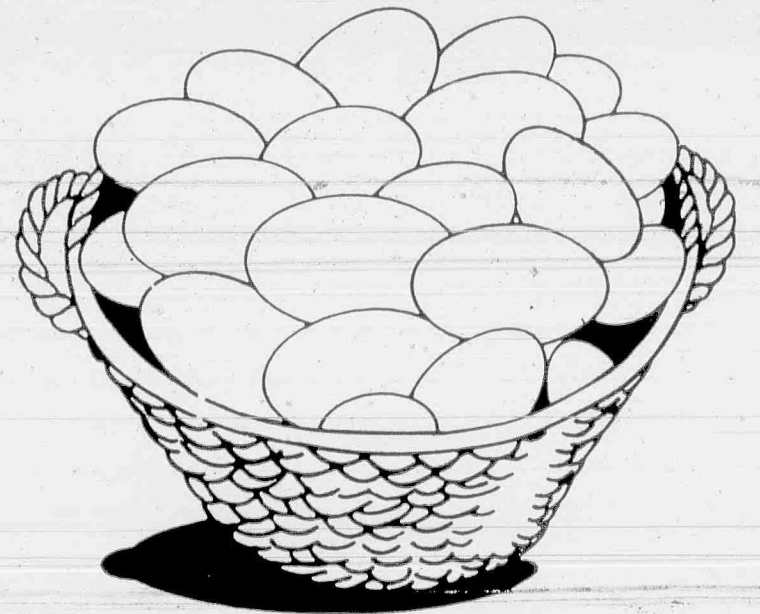

### National Experts To Comment New Films On Proposals

The first comprehensive plan for New York City will be released in conjunction with the 40th Anniversary Conference of Regional Plan Association on November 18.

Participants in the one-day conference on "The Future of New York City in the Metropolitan Region" will include Governors Richard J. Hughes of New Jersey and Nelson A. Rockefeller of New York, Andrew Heiskell, Chairman of Time Inc., co-chairman of the Urban Coalition, and vice-chairman of Urban America, and Donald H. Elliott, chairman of the City Planning Commission.

Put all your eggs in one basket?  
**WHY NOT?**

It really makes sense for several reasons. When you open a savings account at DeWitt your nest eggs earn bigger dividends than you can get anywhere in Belleville for regular savings accounts. And your account is insured up to \$15,000 by a U. S. Government Agency. Plus, regular passbook savings are compounded quarterly. Remember too, funds deposited by the 10th earn dividends from the first of the month. Another thing, should you ever need a home loan, it's quicker and easier to get when you save at DeWitt. Come in and get acquainted... we're friendly and convenient.

PROCLAMATION — Governor Richard J. Hughes (middle) hails the N.J. "52" Association and proclaims November for citizens' patriotic involvement on behalf of America's wounded servicemen. At left is N.J. "52" president Jerry Leopoldi and at right is vice president George Franconiso.

## Governor Proclaims November For Wounded

Governor Richard J. Hughes and Mayors Hugh J. Addonizio, Newark; Joseph J. Vanecek, Clifton; Lawrence F. Kramer, Paterson; Gotthold Rose, Garfield; Walter McKinley, Verona have issued identical proclamations in behalf of the newly formed New Jersey 52 Association located at 358 Bloomfield Avenue, Montclair, New Jersey.

They are welcoming the philanthropic group to the State and proclaiming November, 1969, as "The month for all New Jersey citizens to tangibly demonstrate that they really understand and will meet the enormous needs now being placed on our community by the influx of severely disabled returning from Vietnam, by providing the sorely needed programs to satisfy this need."

In the proclamation, Governor Hughes and the mayors also hailed the formation of the New Jersey Chapter of the 52 Association, Inc. and urged the citizens of the State and the respective communities to actively participate and support, both personally and financially, in this most

vitaly needed effort, and to do so 52 weeks of each year by pledging that "The Wounded Shall Never Be Forgotten", (the original pledge to which the organization dedicated itself at its formation in 1945).

The 52 Association, Inc. is a non-profit, non-sectarian, non-political, philanthropic agency with national headquarters in New York City, and Chapters in various parts of the country.

Formed as a patriotic gesture by restaurateur Arnold Reuben (of Reuben's Restaurant, New York City), just as World War II was drawing to a close, the organization, which now consists of over 1,500 members whose dues are still \$52.00 annually (\$26.00 for ex-servicemen and \$12.00 for honorary members), has maintained a consistent record of loyalty and devotion to our nation's seriously wounded and disabled servicemen from three wars.

Among the many services which have been rendered by "52" members and volunteers throughout the year are: arrangement of special outings at picnics, parties, dinners, shows, ballgames and other sporting events, as well as all-day visits to the organization's magnificent 41-acre estate in Ossining, N.Y.

Other forms of recreational activities, some, quite elaborate in scope, have been painstakingly organized right in the nation's military and veterans hospitals, by volunteers of the various chapters. The "52" has given the men lavish extravaganza parties, with their hospital wards gaily decorated in exquisite "holiday motifs".

In this "52's" 25th year, and coinciding directly with the paramount needs of today's

wounded and disabled servicemen from Vietnam, the philanthropy advanced its sphere of services considerably, by donning still another cap—that of 'educator and job-provider' for these men, in the field of electronic data processing industry which, incidentally, is undergoing serious growing pains due to its rapidly expanding derth of qualified, professionally trained personnel.

In January of 1969, the 52 Association embarked on a most unique 'pilot project' program of training and placing seriously wounded and disabled servicemen as computer programmers (in conjunction with their medical treatment while still hospitalized, and, prior to their discharge from service).

Described as Phase I of a two-phase project (which is now being carried forward at full speed as a result of its highly successful 'take off' and acceptance by the Military, the business community and the men), the first class of 20 men graduated from the course, given at St. Alban's Naval Hospital, Queens, N.Y. in April, 1969. All those already discharged and seeking employment, became readily employed by eager firms such as the Chase Manhattan Bank, 20th Century Fox, and others, though the efforts of the "52".

While glowing progress reports of this first class, and then a second graduating class, are still coming in, a third class is now in progress at St. Alban's—this one, totally sponsored and underwritten by the Chase Manhattan Bank, N.A.

The Bank has, in addition, agreed to hire all the available qualified graduates, as well as continue in its role of sponsor and potential employer, in future training programs which will supply personnel for this "needy" E.D.P. industry. And, in conjunction, courses are now also underway at Philadelphia

**Plans Are Cancelled Now  
For Company Share Issue**

Public Service Electric and Gas Company has announced that it has cancelled plans for an issue of 350,000 shares of Convertible Preferred Stock which had been scheduled for December.

The company is planning instead to sell 1,700,000 shares of Common Stock through a negotiated public offering during the first week in December. The sale of the Common Stock is subject to the approval of the New Jersey Board of Public Utility Commissioners.

Naval Hospital, with other hospitals expected to follow suit shortly, as the Provident National Bank of Philadelphia assumes a similar sponsorship role in that city.

Now, in this month of November, 1969, as proclaimed by Governor Hughes and the above

mentioned mayors, New Jersey citizens and the general business community, are invited to join all the other "philanthropic-minded" members, volunteers and financial supporters of "52", in a common spirit of good will and patriotic involvement with their own State's new

New Jersey Chapter, by coming forward, each in his or her own way, and helping the many seriously wounded and handicapped servicemen to be availed of these fine recreational, rehabilitational and vocational programs which continue to flourish for the nation's returning

wounded from other states. The Chapter's Regional Director, Mr. Jerry Leopoldi, (resident of Verona) would be very pleased to welcome you to the New Jersey 52 Association located at 358 Bloomfield Avenue, Montclair, New Jersey. Telephone (201) 744-1861.

**PUBLIC  
NOTICE**  
To Our Friends and Customers  
Because of the recent ruling on cyclamates and the RUMORS of the possible side effects of MSG (Mono Sodium Glutamate), the China Clipper Restaurant in Bloomfield, in the interest of our customers will effective immediately, cease the using of MSG in the preparation of our food. Of course we have never used any artificial sweeteners.  
We will continue however, to use the old Chinese seasonings we all love, 'a pinch of salt, a dash of wine, a bit of garlic with our home-made chicken broth, and a knowing wok (pot)'. Of course our chefs help too. Come savor the flavor, it's never been better.

With Publicity Releases

Times Editors Tell Why Clubs May Have Problems

News deadlines for organizational and club news must be met to insure publicity is published on dates desired, editors of The Times reminded today.

The reminder came as several town organizations begin a new social season. Editors say several publicity chairmen, apparently serving in such capacities for the first time, are missing deadlines consistently.

A detailed guide to submitting news copy for publication is available free upon request to The Times. The deadline violated most often by clubs is the one pertaining to news appearing on the society pages. This deadline falls at 5 p.m. Monday, a week in advance of the Thursday publication date. Clubs falling into this category include all women's church and school organizations.

Wedding and engagement announcements should be delivered as far in advance as possible. During peak seasons, most wedding announcements are scheduled four to six weeks prior to publication date.

A second reason why club news frequently fails to appear "on time" is because the copy submitted has not been typewritten. The Times insists that news copy prepared by organizations be typewritten using double or triple spacing. Copy should not be typed in all capital letters.

The third most frequent

reason copy is delayed is because the person sending the release forgot to include his or her name, address and telephone number.

Copy submitted by individuals for personalized social items need not be typewritten, but The Times believes that the ability to type should be a qualification that clubs consider when selecting publicity chairmen.

As in past years, The Times does have Kodak Instamatic cameras available to clubs. These cameras, however, must be scheduled in advance and are loaned only for newspaper publicity use.

Several additional topics are covered in detail for club publicity chairmen in the mimeographed list, "Submitting News Copy for Publication" available free for

the asking.

Topics covered include copy preparation, deadlines,

hints on writing articles and policies affecting photographs.

Men In Service

Pvt. Nicholas DiBenedetto Jr.

**Local Soldier Finishes Basic**

Private Nicholas DiBenedetto Jr., whose parents live at 51 Honiss Street, Belleville, finished his basic training at Fort Bragge, N.C. on October 17. He will receive his orders shortly. DiBenedetto entered the Army last August 13.

**Belleville Navy Boy At Training Center**

Airman Apprentice Arthur S. Touw, USN, son of Mr. and Mrs. Arthur W. Touw of 54 Beech St., Belleville, is attending the Aviation Boatswain's Mate School at the Naval Air Technical Training Center, Lakehurst, N.J.

He is studying the operation and maintenance of aircraft launching and recovery systems used aboard aircraft carriers. Also included in the curriculum are studies in Naval customs and fundamentals of Naval aviation.

**Carrier Duty For Local Boy**

Airman Apprentice Michael C. Schevmeister, USN, son of Mrs. Joan Schevmeister of 31 Overlook Avenue, Belleville, is serving aboard the aircraft carrier USS Ranger. The carrier is preparing for its fifth combat deployment to Vietnam.

The carrier returned to the U.S. in May. Prior to that she operated on Yankee Station in the Gulf of Tonkin. She was also part of a task force which steamed into the Sea of Japan after a U.S. Navy plane had been shot down.

Since returning to the U.S. the carrier has been undergoing overhaul at a shipyard in San Francisco. She is currently undergoing carrier qualifications prior to her deployment this fall.
