SOUVENIR — Officer Martin McNish inspects the evidence of a high-speed chase which ended in a way which is evident in this picture. Police chased Thomas Sarno of Newark through the streets of Belleville last Thursday only to

come to a sudden halt at the corner of Franklin and St. Anthony Street in Newark. Sarno's car was towed to Town Hall with fire hydrant stuck in its side.

## Orange Will Try To Avoid Bellboy's Turkey Day Menu

By Nat Gottlieb

The Bellboys put it all on the line tomorrow, when the upset-minded Orange Tornadoes invade Municipal Stadium for the annual Turkey day matchup.

Bellboy coach John Amabile, riding the crest of his finest season at Belleville High, will field the same basic team he has used all season. The only exception will be the placement of sophomore Joë Lotruglio at the starting quarterback position. Junior Joe Papisidero, benched last game because of fumble trouble, is expected, however, to see action.

The team has come along way, relying on a mixture of junior and senior players. With consecutive victories over West Orange and Kearny, the team should have the momentum to roll over hapless Orange.

A large crowd is expected to turnout for the 11 a.m. game. Preceding the action will be a special program marking football's centennial year. Members of Belleville football teams preceding the year 1955 will gather at a buffet in the high school cafeteria, and then march onto the field by class.

The Bellboys have a good, 5-3 record, and except for two last minute losses to Bloomfield and Garfield, might well be 7-1. Amabile, who was said to be under careful scrutiny in the beginning of the season because of his two previous disappointing seasons, appears to have secured himself the job as head coach.

The coach, who was a Boston College standout quarterback, shed 40 pounds and apparently his losing habits before the season began. He emphasized winning ways in early training, and has received praise from many people for his fine season. A fiery competitor on the sidelines, he surprises people off the field with his quiet manner.

Several seniors will be playing out their careers in the Thanksgiving special, including All-State candidate Joe Ritacco.

Ritacco has done everything well all season, starring as an end on offense and defense. In the beginning of the season Amabile rightly predicted that the 5'10" 160 pound end would be "the best all-around player on the squad."

Bellboy fans will miss Ritacco, who has had several contacts with college scouts.

Also closing out his football career will be end Vinnie Costantino, who also stars for the Bellboy basketball team. At 6'2" and 195 pounds, the gluefingered end is a definite college prospect. Amabile reports that a couple of midwestern schools are interested in him.

The Bellboys will have to look hard for two linebackers to replace senior stars Frank Fury and Sal Bivona. The two have paced a rugged defense which has yielded only 90 points all season, a limit of 12 per game.

Lineman Roy Newman, Bill Tlumacki, Joe Taibi, Rich Corbo, John Mango and Alan De Feo will also close out successful careers for the Bellboys. Safety Pat LaMorte, who has

## Thanksgiving Game Tickets

Tickets for tomorrow's Thanksgiving Day football game can be purchased today at the high school athletic director's office between the hours of 11 a.m. and 1 p.m.

Tickets will also be on sale at the gate. Prices of tickets are \$2.50 for reserve seats; \$2 for general admission, and \$1 for students.

A capacity crowd is expected for the game, and fans are advised to avoid using cars where possible.

## Special Church Services Tonight For Thanksgiving Day Observation

The Belleville Community will observe Thanksgiving Day with special services throughout town.

The largest gathering of townspeople will be at the Montgomery Presbyterian Church, 638 Mill Street, where eight churches will hold a combined service.

A joint service will also take place at the Wesley Methodist Church, where the congregation and Congregation Ahavath Achim will hold their 16th

consecutive Thanksgiving observance.

Two churches will hold separate services for their parish. Christ Episcopal Church, 395 Washington Avenue, will meet at 9 a.m. tomorrow morning. St. Anthony's Church will also have a 9 a.m. mass for members of the parish only.

For the third straight year, eight community churches will meet for a Thanksgiving service. This year's observation will be at the

Montgomery Presbyterian Church tonight at 8 p.m. Highlighting the service will be a lecture by J.D. Douglas, pastor of Little Zion UAME Church, and special vocal selections by the combined choirs of the churches.

Rev. Douglas is a former missionary in Ghana, Africa and in Haiti. He will be joined in the service by Rev. Howard B. Day Jr., of Montgomery Presbyterian.

A special feature of the Montgomery service will be a litany of Thanksgiving in which 12 laymen will present objects symbolizing what there is to be thankful for. In addition to the traditional products of the earth, fruits of modern technology, such as television sets, will be presented.

The combination choir, which will total 75 members, will be conducted by Mrs. Hazel Hulme, accompanied by the organ music of Mrs. Ann Lewis.

The choir will perform two special selections; "O Give Thanks To The Lord," by Kent Newberry, and "All Thy Works Praise Thee," arranged by Lockwood.

Following the services, members of the various churches will meet for a coffee hour.

Participating in the combined service will be Montgomery Presbyterian Church, Fewsmith Presbyterian Church, the Reformed Church of Belleville, Grace Baptist Church, Second Baptist Church, Little Zion UAME Church, Bethany Lutheran and the Belleville Assembly of God.

The combined service at Wesley Methodist Church will be conducted by Rev. Robert M. Bedell with Rabbi Nathan Lerer speaking on "An Enriched Beginning Is A Life Of Blessing." The observance will begin at 8 p.m. tonight.

At the Wesley service, Morris Klein, president of Congregation Ahavath Achim, and Paul McDonnell Jr., lay leader of the church, will exchange greetings on behalf of their congregations. Following the service, the two groups will move to the sisterhood hall of the temple for a fellowship hour with refreshments.

A special choral selection will be performed by the Chancel Choir of Wesley Methodist entitled "O Lord How Manifold Are Thy Works." Organ music will be by Gerry Aulenbach, choir director.

## Hydrant Puts End To Chase

A high speed chase by Belleville Police ended last Thursday when a Newark man's car smashed into a fire hydrant. The pursuing police vehicle rammed into the runaway car and resulted in the injury of two policemen.

Thomas Sarno, 28, of 187 North 9th Street, Newark, is scheduled for a preliminary hearing in Municipal Court, December 3, on charges of driving while on the revoked list, reckless driving and eluding a police officer.

A police spokesman said a Belleville patrol car spotted Sarno running a red light at the corner of Franklin Avenue and Mill Street, and signaled the driver to stop. When the vehicle kept going, the policemen, Al Koelsch and Captain David Waddell, chased in pursuit.

The chase ended when Sarno crashed into a fire hydrant at the corner of Franklin Avenue and Anthony Street in Newark. The police vehicle was unable to avoid Sarno's car which had turned over twice after hitting the hydrant.

Sarno sustained injuries and

## Food Stamp Day Successful As 200 Applicants Turnout

October 21, was a day unlike any other day in Belleville. It was "Food Stamp Program Day," set aside to give those in the community with low incomes a special opportunity to apply for the U.S. Department of Agriculture food assistance program.

Judging by the turn-out, there were very few eligibles who didn't apply. In fact, of the 200 people who visited the specially set up registration office in the town's council chambers, 161 were certified to participate in the program. Additional applications are expected to be approved, which will just about double the community's entire Food Stamp Program participation from the previous month.

The success of this special drive was not an accident. It took the combined efforts of the USDA's Food and Nutrition Service Newark field office, the Essex County Welfare Board, Belleville Welfare Director, Mrs. Ceil O'Toole, and the Department of Public Affairs.

A date was set on which a certifying team from the county office in Newark would come to Belleville. Public Affairs Commissioner Vincent T. Strumolo had printed several hundred posters which were placed strategically around town so that a maximum number of people would see them. They gave the time and place people could register.

The Department of Public Affairs also printed about

10,000 flyers announcing the event and spelling out the eligibility requirements. About a third of these were distributed to school children. Most of the others were made available to food stores in the area by the USDA. They were stuffed into grocery bags as shoppers made their purchases.

Four supermarket chains set up in-store displays at which Essex County Welfare Board home economists Mrs. Christine Jackson and Mrs. Elsa Cannella spread the word to passing shoppers. Three of these stores placed large signs in their windows "saluting" the special day.

The town librarian prepared a special display consisting of books on food and nutrition.

## Bateman To Speak At Football Affair

Arrangements for the 1969 Varsity Club dinner have been completed by Mike Marotti and Joe Grosch, co-chairmen for the 25th

football team will receive a trophy, and a football centennial award from the Board of Education.

The American Legion Post 105 will give the Michael V. Albertine Scholarship Award to a senior letterman for academic achievement.

The highlight of every Varsity Club football banquet is the selection of the Nelson Landon Trophy for most improved player and the Tony Pascal Trophy for the most valuable player. Many an award winner such as Steve Ferrughelli, Len Luongo and Richie Luzzi have made their mark on the college football scene.

The committee is anxious to have the members of the 1945 football team, who were honored at the first football banquet, come back this year for their 25th reunion. Lefty Kintzing, chairman of the first football banquet, will be on hand to greet them.

Although Bateman had an undefeated season in 1961, and an 8-1 record in 1960, he says his 8-2 record of 1968 was his most satisfying season as a coach.

Bateman started his football career as an All-State guard at St. Benedict's Prep, and went on to play for Lou Little at Columbia. He graduated in 1938.

The Rutgers coach began his coaching career at Middletown High School, in New York during the 1940-42 seasons. In 1943 he entered the Navy. In 1945 he coached the Pensacola Navy team, and during his career in the service, he was associated

## Santa Claus Scheduled To Give Youngsters Gifts

Santa Claus will greet Belleville youngsters for two hours on Town Hall steps this Friday.

The announcement was made by the Belleville Chamber of Commerce, which has been negotiating with Mr. Claus for several weeks.

Originally the celebrated North Pole figure was scheduled only for a helicopter landing at Clearman Field and a parade to Town Hall.

But after several phone calls to the Pole, the Chamber convinced Mr. Claus to take extra time from his busy schedule to greet town youngsters individually.

Thus, as things stand now, Mr. Claus will arrive at Clearman Field by helicopter this Friday at 1:15 p.m., and will proceed to Town Hall via a parade down Washington

Avenue. Highlighting the march will be the Belleville High School band.

At Town Hall, Mr. Claus will be officially welcomed to town by Mayor Ken Smith. Then in the evening, from 6:30 to 8:30, Mr. Claus will talk with town youngsters up to ten years of age who are accompanied by an adult. Each child will receive a gift from Santa.

Mr. Claus' arrival will coincide with the turning on of Christmas lights on Washington Avenue from Williams Street to Rutgers Street.

## Food Stamp Turnout Is Deemed A Success

(Continued from Page 1)  
Service clubs, PTA's, and various churches publicised the "day" through bulletins.  
"We were frankly quite surprised by the tremendous number of people who applied," commented Jerome Kennedy, the county's Food Stamp Program certification officer. He went on to say: "We thought the five people we assigned to handle applications would be adequate. However, it was necessary to call for additional help and we ended up with 10 people taking applications. We also had to have one return the following day to handle the remaining applicants. Most of those who applied were either senior citizens living on fixed income or families with a wage-earner who had a low income. None of these people are on the public assistance rolls. Those who are, were automatically certified when the program started in the county in July."

Malachy Cox, the officer-in-charge of the USDA's Food and Nutrition Service Newark field office, was also quite impressed by the turn out. He pointed out that "this increased enrollment will not only provide more and better food for these people, but will also add several thousands dollars annually to the Belleville economy. This is the amount in bonus coupons we expect to issue to these new participants monthly."  
As a result of the Belleville experience, USDA and local

officials plan to have similar "days" in other Essex County communities.

The Food Stamp Program, which is operated jointly by the USDA's Food and Nutrition Service and the New Jersey Department of Institutions and Agencies enables participants to

exchange money they would normally spend on food for coupons worth more. These in turn can be spent at authorized stores like cash for food items. In November, New Jersey will become one of a few states to have the program operating in each of its counties.

After Two Trys  
Club Made Good

By Joe Grosch

The Belleville Varsity Club was first formed by an undergraduate group of lettermen in Belleville High School in 1932 under the guidance of their coaches, Carl Ericson, William Chapman and Frank Spotts. Circumstances such as the depression and World War II hampered the activities of this group and most of the men drifted apart.

In 1945 a group of former Belleville High athletes met in the Recreation House and organized the Belleville Varsity Club.

The objects and purposes of the Varsity Club are to bring together socially and fraternally all sports minded citizens, especially men who are interested in Belleville High School sports; to provide an incentive for participation in athletic events; to help worthy students; to pay tribute to the boys and girls of Belleville High School for their endeavor in the field of sports and associated activities; and to foster cooperation among citizens, officials and organizations of the Town of Belleville for these purposes.

The first officers of the Varsity Club were Tony Pascal, president; Hank Watters, vice-president; John Denike, treasurer and Art Bloemeks, secretary. The directors were Harold Bade, Bill Chapman, Hart Campbell, Roy Dickinson, Fred King and Lloyd Kintzing.

Since football was the most prominent sport of the time, the club held their first banquet in the high school cafeteria in honor of the 1945 football team and its coach, Bill Chapman. The members of the first banquet committee were: Lloyd Kintzing, Harold Fobert, Jack Hicks and Bill Bennett.

The banquet grew in popularity and had to be held in such places as the Four Towers, Donohues and the Robin Hood Inn. The banquet became the social event of the year for many townspeople.

At the first banquet there was just one special award. Now at each banquet each senior letterman receives a trophy and two special awards are given for the most valuable player and one for the most improved player. American Legion Post 105 has participated in recent football banquets by making a scholarship award to a senior member of the football team.

The Varsity Club used to hold separate dinners for the

basketball teams and the baseball teams. When new sports such as golf, track, crew, bowling and wrestling were added to the high school program it became necessary to hold an All-Sports Banquet in June to honor all the senior athletes in all sports, except football and senior members of associated activities such as band, cheerleaders, color guards and twirlers. The senior members of each sport or associated activity is awarded a trophy as recognition of achievement. A special award is given to an outstanding senior letterman by the Belleville Colony Club.

The 1969 football banquet to be held at the Robin Hood Inn on December 5, will be the 25th annual banquet. The members of the Varsity Club would like to see a reunion of the 1945 football team at this banquet - our silver anniversary and hope that each succeeding year there will be a 25th reunion of the football team previously honored by the Varsity Club.

William H. Rutter  
Appointed Manager  
Of Belleville Plant

William H. Rutter of Livingston, has been named plant manager of Universal Foods Red Star Yeast operation in Belleville, it has been announced by Carl A. Schaefer, director of production. Rutter succeeds Sebastian Lutz, who retired after 41 years of service.

Rutter, 38, is a native of Baltimore, and received his BA degree from Johns Hopkins University. He joined Universal Foods in 1965 in a production management training program, and in 1966 was named plant manager in Milwaukee, prior to his recent assignment in Belleville.

Community Fund Nears  
Town Campaign Goal

Mayor Kenneth D. Smith, honorary chairman of the Belleville United Community Fund campaign, has announced that Belleville is now reporting \$6,100 for 61% of goal.

Smith stated that returns are coming in rather slowly this year and appealed to all residents to contribute now so that the campaign which supports 113 health, recreation and welfare agencies in the Essex and West Hudson area can make its goal. He pointed out that member agencies have had many increases in the cost of operation and said that the attainment of the goal is necessary in order to avoid a

cutback in services at a time of increasing need for them.

The final report meeting of the campaign will be held on December 4 at the Military Park Hotel.

United Fund  
Getting Near  
Campaign Goal

Mayor Kenneth Smith has announced that the Belleville United Community Fund campaign now stands at \$4,664 68.1% of its goal.

The second report meeting of the drive will be held today at the Robert Treat Hotel in Newark. Guest speaker at the meeting will be Mrs. Patricia Krause of the U.S.O., who will describe her role as director of the U.S.O. Center in Saigon. U.S.O. is a member agency of the United Community Fund.

## Thanksgiving Here Again

### "THANKSGIVING"

Thanksgiving is here again  
Just like in the past  
Our President named the day  
That nobody had to fast  
We should be very  
thankful  
For what we have here  
In this great land of ours  
It should be very clear  
The very humblest eats dinner  
On this momentous day  
And gives thanks to him above  
Well what more can they say

We east and give thanks  
When gathered around the table  
And wish every land was the same  
Instead of only a fable  
Let's all hope we will meet again  
On next Thanksgiving day  
And give our thanks once again  
Why it's only a year away  
I could ramble on and on  
And give some more of this stuff  
But putting all jokes and jests aside  
I'll never be thankful enough

GEORGE R. WALKER  
R1963-1964

## A Time To Give Thanks

Regardless of all the short-comings,  
Over-looking fate's fickle pranks;  
No matter how old friends may argue,  
Old friends for old friends should-  
Give Thanks.  
Ideas and ideals may so differ  
We'll be found in opposing ranks,  
But devotion to cause in a friend is  
Something more for which we should-

Give Thanks.  
Embrace the spirit of thankfulness  
For, we know, as long as we're living,  
True friends remain so regardless,  
Let's remember all this on-

## Are Kids Really To Blame?

We read in the paper, we hear on the air.  
Of killing and stealing and crime  
everywhere;  
We sigh and we say, as we notice the trend,  
This young generation ... where will it  
end?  
But can we be sure it's their fault alone?

Too much money to spend; too much idle  
time;  
Too many movies of passion and crime;  
Too many books not fit to be read;  
Too much evil in what they hear said;  
Too many kids encouraged to roam;  
Too many parents who don't stay at  
home.

Youth doesn't make the movies: they don't  
write the books;  
That paint the gay pictures of gangsters  
and crooks.  
They don't make the liquor, they don't run  
the bars;  
They don't make the laws and they don't  
make the cars.  
They don't make the drugs that idle the  
brain.  
It's all done by older folks, greedy for  
gain.  
And how many cases, we find that it's true  
The label, "Delinquency" ... fits older  
folks, too!

## A Beautiful Thing

Not long ago an American wife wrote one  
of today's advice columnists and the tone of  
her letter was complaining—about how much  
she had to do for her husband, her children,  
to keep up her home, etc.  
Another wife replied. She stressed a point  
some forget in today's hectic race of life.  
The gist of what she said was that love and

marriage are a cycle.  
The more you do for a man, she said, the  
more he loves you. The more he loves you,  
the more he tries to do for you, the more he  
does for you, and the more you love him.  
And so the cycle goes.  
Too many forget the cycle.

## Citizens Put 'Thanks' In Thanksgiving Day

By John Bunevich

Question: Next Thursday is Thanksgiving, and millions of Americans will celebrate the holiday by having the traditional turkey dinner. Other than that, what does Thanksgiving mean to you?

Asked: of Nutley and Belleville citizens.

Mrs. W. E. Perkins, 14 Maple Place, Nutley

Thanksgiving means many things to me. This year I'm going to spend the day with my children. My son lives in Green Pond, New Jersey, and I shall make the trip down there. There are many things to be thankful for in this modern day and age. We are very lucky to live in this free nation with such turmoil in other parts of the world. I'm very happy that there is a Thanksgiving day. People should set aside one day in the year for thinking about all the things they do have.

Mrs. Perkins

spend the weekend with my son. He lives in Charlottesville, Virginia, and it would be nice to see his family. If we go down, I'd want to go by bus, as that is the most scenic route. The country is beautiful down there and that's something to be thankful for.

Mrs. Joanne Trefsgar, 436 Courtland Street, Belleville

I'm thankful that my family and I have our health. Without that, you have nothing. I have two children, a girl and a boy, and I thank God that they are both healthy. We are going to spend the day together and have the traditional turkey dinner. I don't plan to go away for the day, or the weekend. I think the nicest thing to do on Thanksgiving is to stay home and enjoy your family. The most thankful thing for me is being alive.

Mrs. Trefsgar

Mrs. Thomas Gatto, 10 Columbus Avenue, Belleville

Thinking about Thanksgiving, the first thing that comes to my mind is being thankful that I'm alive and in America. I'm going to spend the day with my family. I have two sons. We will go to Mass at St. Peter's Church and thank God and then sit down to a big turkey dinner. We've been thinking about going down to

Mrs. Gatto

Mrs. Albert Weber, 64 Brookfield Avenue, Nutley

The first thing that comes to my mind when I think about Thanksgiving is the story of the Pilgrims and their feast of thanks. For some reason, I still remember this from school. The Pilgrims were thankful for reaching America safely. I have two children, and I'm thankful for them. We will all enjoy our Thanksgiving dinner and hope for peace. Just being alive is worth being thankful for.

## Former Bellboy Athlete Raps At School Board

To The Editor:

Here I am in the United States Air Force away from Belleville for three and one-half years. My family writes and sends me clippings cut out of the Belleville Times. I read one of the clippings, "Belleville Coach Quits, No Substitute in Sight." I actually should ask what coach? Tom Testa? Al Lobalbo? Ron Kulik? Nick Petti? Where are most of these men now? -- All coaching at other schools and producing winning teams.

I played basketball and ran track in high school and I am still playing basketball for the Air Force. In high school I had some great coaches. Al Lobalbo in basketball. Tom Testa, my freshman track coach, until he got sick and tired of Belleville School System's "BOARD OF EDUCATION." Then the board went hunting. Lucky for them that Ron Kulik was just starting to teach History at the high school or someone out of the crowd would have been grabbed.

Ron started coaching and had one of the best two seasons Belleville has ever had. Look at the records that were set in 1965-1966. Then by a "Board Of Education" action he got the shaft put to him. Boy, if Don Saunders were alive today, I could see his face look at me and laugh, "Well, Baker, the 'BOARD' did it again."

I can still remember nights when we would go to No. 8 school where the "Board Of Education" met and ask "Why was Ron Kulik not going to be coach?" What an answer Don and I heard. We looked at each other and laughed. He said "only in Belleville could this happen - lose a fine coach, teacher and person."

This is only a small portion of

the things which have happened in Belleville. To have a strong country we need good schools, fine competition and people behind us making the right decisions. In Belleville the people are really making bad decisions.

What good athletes has Belleville produced in the past five years? Not many, if any. Remember the great athletes Belleville produced in the past. Charlie Travers, Ricky Luz, Len Longo, Byers, Hatch, Puleo's, Harvey's -- should I go on? I could and the "Board Of Education" knows that I can. Where are the endless strings of victory? They are not at the high school anymore -- all I read about is Belleville was defeated again, again, and again.

When I get settled down and start a family, it won't be in Belleville. If I do settle in Belleville, my children will not attend Belleville schools. This is not only my way of thinking but a great number of my friends also think the same.

There is a group of men in Belleville called the Varsity Club. I don't know if I am a member or not, but how can you men go to a sporting event and see Belleville lose and not ask why? I'll tell you why -- under - rated coaches and the "Board Of Education".

I don't know if this letter will ever go to the presses but at least three people will know how I feel - the girl who typed it, the Times Editor who reads it, and myself.

People in Belleville, let's wake up before it is too late.

## Service Spotlight

### Captain Frank La Mura Made Co. Commander

Frank LaMura of Belleville has become a Company Commander in the Marine Corps Reserve. Captain LaMura, a member of the sixth Motor Transport Battalion, assumed his new post at the unit's training center in Middlesex, Saturday. He takes over from Lawrence Carlin of Teaneck who was promoted to the rank of Major during the same ceremonies.

Captain LaMura enlisted in the Marine Corps Reserve in 1960 while attending Seton Hall University. After graduation in 1963, he attended Officer Candidate School, received his commission and served three years of active duty in the Marine Corps. Released from active duty in 1966, he rejoined the Marine Corps Reserve.

In civilian life, Captain LaMura is a Sales Representative for Xerox Corp. He and his wife, Judy, reside at 52 Mary Street.

### Local Seaman Will Become Cook for Navy

Commissionary Seaman Dominic Bacchetta, USN, son of Mr. and Mrs. Dominic Bacchetta of 45 Van Rye Place, Belleville, was graduated from the Commissaryman-Steward School, Naval Schools Command, Newport, R.I.

The 8-week course of instruction provided advanced training in the preparing and serving of food. Students at the school were taught how to plan a menu that provides a well-balanced meal.

They were also introduced to the paper work that is involved in a Navy supply department; how to order provisions and figure costs. Finally, they were taught the safety procedures used in Navy galleys and bake shops.

### Reserve Promotes Andrew Colannino

A Belleville Air Force reservist has been promoted to first lieutenant.

He is Andrew F. Colannino Jr., of 28 N. 8 Street, Belleville, who in civilian life is general manager of Modern Millwork and Supply Co., Inc., 624 Washington Avenue, Belleville.

Lt. Colannino is the personal aide to Brigadier General Campbell Y. Jackson, commander of the 514th Military Airlift Wing of the Air Force Reserve at McGuire Air Force Base.

Colannino, a graduate of Belleville High School and of Bloomfield College, has been a reservist since March 1966. He was commissioned in July, 1966.

He and his wife, the

### Senator Wants Battleship "At Top Of The List"

U.S. Senator Harrison A. Williams, Jr., (D-NJ) today urged Secretary of the Navy John Chafee to "put New Jersey at the top of the list" when a home is sought for the battleship USS New Jersey.

In a message to Secretary Chafee, Senator Williams said that the New Jersey is a remarkable and renowned vessel and that "the state that gave her a proud name wants very much to give her a proper home."

The Navy has announced plans to "mothball the last of the battleships, which would mean that the ship would be kept between retirement and readiness—the Navy calls it "retained for mobilization"—and would not be available for donation as a monument or showpiece.

It is possible, though, that the New Jersey will be made available for donation some time in the future—and on this possibility, Sen. Williams

asked Secretary Chafee to keep the Garden State's interest alive.

Senator Williams had high praise for the efforts of citizens' groups and concerned state officials who have urged that the New Jersey be retired to a New Jersey site.

"Although the time when the New Jersey is made available may be far in the future," he said, "the people of New Jersey want to express their great pride and sense of history—and they offer an eloquent appeal for locating the New Jersey in our state."

### ITT Chief Proposes New Investor Protection Agency

Harold S. Geneen, chairman and president of International Telephone and Telegraph Corporation, today proposed that a new government bureau be established within the Securities and Exchange Commission to protect "30 million American investors" from "strange financial packages."

He made his proposal before the House Antitrust Subcommittee—chaired by Rep. Emanuel Celler (R-NY)—which is conducting hearings on operations of so-called conglomerate companies.

### Army Assigns Ayres to Ohio

Army Specialist 4 Danny M. Ayres, son of Mr. and Mrs. David Ayres of 184 Franklin Street, Belleville has been assigned to headquarters 88th Artillery Group of the Cincinnati-Dayton Army Air Defense Command.

Specialist 4 Ayres entered the Army in 1968. He took basic training in 1968 at Fort Dix. Before being assigned here Specialist 4 Ayres was assigned to Fort Bliss, Tex.

Headquarters 88th Artillery Group is part of the Cincinnati-Dayton Army Air Defense Command which defends the industrial and population centers of southwestern Ohio, southern Indiana and northern Kentucky from aerial attack.

The defense is composed of four Nike Hercules missile firing batteries and a headquarters battery that is responsible for the administrative and logistical support for the entire defense.

WINNING NAME--Robert Williams, (left), executive vice president of DeWitt Savings and Loan, presents the first winning name of the Turkey Shoot Contest to Mayor Ken Smith. In the background, the staff of DeWitt look on.

## Dewitt Turkey Shoot Contest Announces Fifteen Winners

Fifteen lucky people from Belleville and surrounding areas will have a very joyful Thanksgiving this year due to their sharpshooting talents in the First Annual DeWitt Savings Turkey Shoot Contest.

Each of the 15 fortunate individuals has won a fifteen-pound Swift Butterball Frozen Turkey to

grace the family groaning board this forthcoming Thanksgiving Day.

The contest which started October 2 and continued until November 14th, was open to everyone of all ages, according to John P. Dailey, president of the Association.

The 15 lucky winners were selected in a drawing from the Turkey Shoot Box in the

DeWitt lobby by Robert M. Williams, executive vice president of DeWitt, and presented to the Honorable Kenneth D. Smith, Mayor of Belleville, on November 14.

## Two Belleville Men Attend Museum

Larry Fink and Scott Fabian, both of Belleville, recently visited the American Museum of Atomic Energy (Oak Ridge Hall of Science) at Oak Ridge, Tenn.

The Museum, operated for the U.S. Atomic Energy Commission by Oak Ridge Associated Universities, is the first such institution in the nation devoted to nuclear science.

Featuring demonstrations and displays on peaceful uses of the atom, the museum, has specially trained lecture demonstrators that show how the power of the atom is utilized in medicine, industry and agriculture.

## Commissioner Goldberg Says Partial Bus Service Begins

Commissioner David J. Goldberg today announced that state financial assistance will be provided for the Summit-New Providence Bus Line subject to participation by Union County in the subsidy within 30 days.

The bus company, which serves approximately 400 passengers in Summit, New Providence and Berkeley Heights, stated it would terminate operations unless it received financial aid.

## Christmas Seal Chairman Asks Town's Support

Ralph M. Risoli, Belleville town registrar and 1969 Seal Sale Chairman of the Belleville-Nutley Tuberculosis Association, stated recently that Christmas seals have been mailed to residents and industries of the two towns. This is the 33rd annual Christmas seal sale, he said, and 13,000 appeal letters with seals have been sent out.

Risoli stated that the funds raised by the seal sale are the only means of support of the local association and are used to carry on a free program of tuberculosis prevention and control services in the two communities which consist of community X-rays, tuberculin testing of high school students, X-raying of school personnel, chest clinics, etc.

The chairman cautioned against confusing the local association's seals with those distributed in each town by an outside tuberculosis organization, and urged the people of Belleville to generously support the one and only organization that provides these free services for both communities - The Belleville-Nutley Tuberculosis Association.

During the 18th Century many important advances in medicine were made by many different men. Joseph Priestley discovered oxygen and Antoine Lavoisier demonstrated how it played a role in human respiration. Leopold Auenbrugger established the technique of percussion in chest examinations; used to this very day. William Withering, intrigued by the "secret brew" an aged woman drank to keep herself alive, discovered the drug digitalis. And that grand old gent Benjamin Franklin invented bifocal glasses, constructed a flexible catheter, and also made some astute observations on the nature of colds. The results of research and effort have cured a completely eliminated some diseases and greatly reduced the symptoms in others. # Preparing For A Friendly Afternoon Brawl

One hundred years ago a group of daredevil athletes from Princeton and Rutgers Universities decided that a well organized brawl was infinitely more suitable to the tastes of college men than a back alley tumble so they took a funny shaped ball onto a rectangular field and proceeded to go at it in a logical manner so befitting to gentlemen.

In the course of 100 years, the casual pugilistic get together of a few fun seeking college boys, has taken the same path of growth as American society in general. The game has undergone a vast expansion in participation and technique, to the point where today the game has all the sophistication of a war conducted for the profit of the economy.

Lost in the hustle of scouting, recruiting and the molding of crowd pleasing powerhouses, has been the individual who doesn't run the ball like a paranoid fox eluding the hunters, or the brute with a thyroid condition who stands 6' 9" and crushes the scales at 295 pounds.

Apparently safe from big business interests is the high school football player, whose love for the game is genuine, and whose motivations aren't generated by a dollar-driven power engine.

Bill Tlumacki falls into this category. Bill is a kid who likes to test his 6'1" 235 frame against other high school boys in a game played mostly for home town glory and the occasional kiss from an enthusiastic cheerleader.

Each autumn Saturday, Bill marks off about two feet between himself and Bellboy defensive linemen John Atherton and Mike Albertine, and prepares to protect his piece of the gridiron from the charge of opposing linemen and backs. Invariably, the opposition has found that taking the path over Belleville's defensive left guard is a most unpleasant experience.

There is more to a high school football player's Saturday than the 48 minutes he spends prancing about between the sideline markers. To begin with, there is the week of practice in which the hope for home town

glory seems a distant cry from the tedious drilling and perfection of rudimentary skills.

Saturday mornings, Bill gets up early, lumbers over to his bedroom window, and surveys the battle weather. Breakfasts for the Bellboys are spent at the Darwood Restaurant on Washington Avenue. Steaks, oranges, honey and tea mix with the slightly nervous talk that circulates among the sleepy athletes.

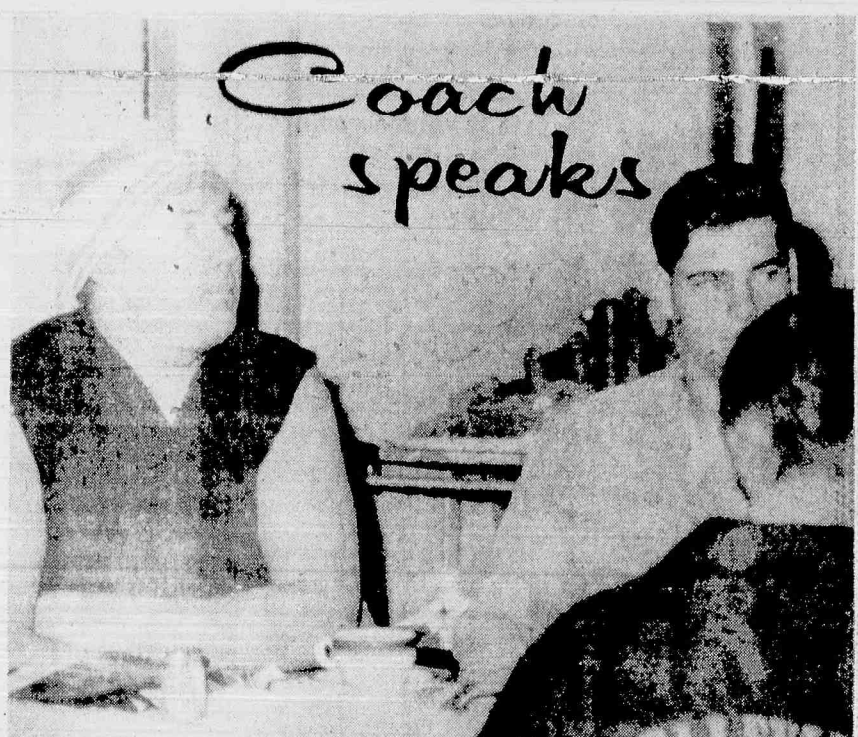

As Bill leaves the Darwood for the Municipal Stadium lockerroom, tension, a familiar Saturday afternoon partner, takes up its position in Bill's stomach. There is the occasional joking while Bill gets his ankles and bruised fingers taped by Bill "Doc" Ellis. But gradually the joking gives way to the frequent serious conferences between the boys who work as partners on the starting units. Coach John Amabile says a few final words before the manager holds open the clubhouse door and the Bellboys take the field, to the hometown roar and the promise of a tough but enjoyable autumn afternoon for Bill Tlumacki, defensive right guard.

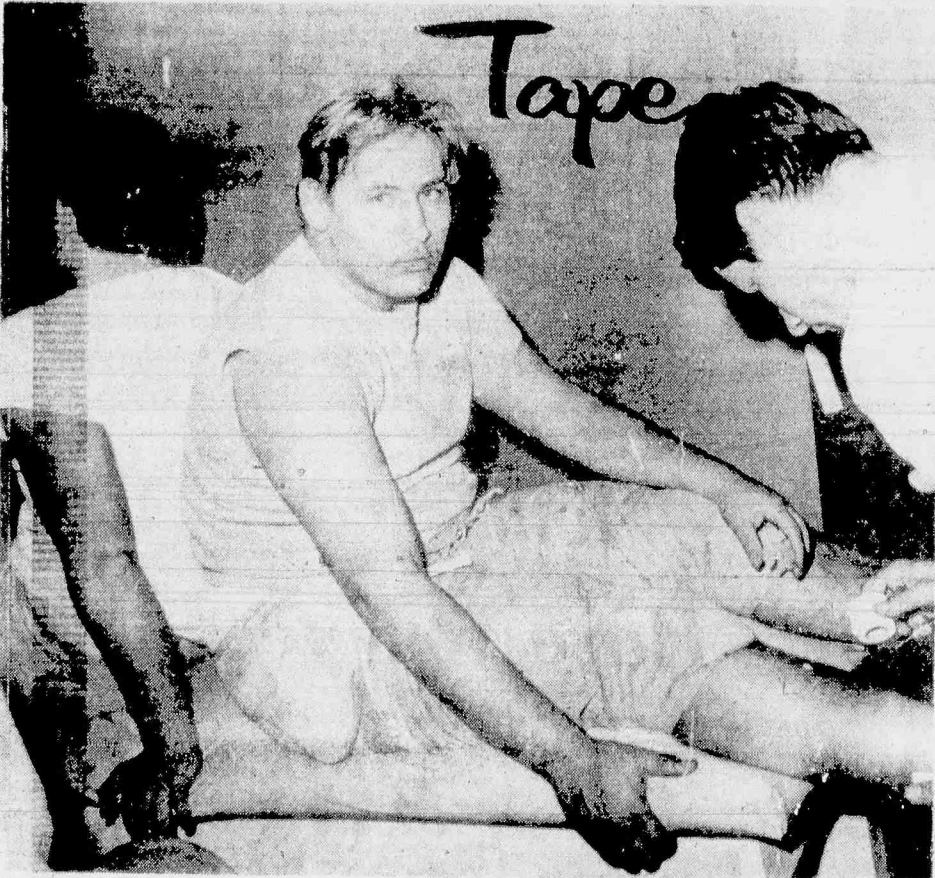

**BREAKFAST**—Saturday preparation for football games begins for Bill Tlumacki with an energy emphasized breakfast at the Darwood Restaurant. Here Bill sips some honey, while in front of him are the remains of a dozen orange slices.

**STRATEGY**—Bill discusses strategy with his defensive partners, senior linebacker Frank Fury (left) and junior standout Mike Albertine.

**COACH SPEAKS**—Bill listens intently to Coach John Amabile, who emphasizes the games importance to the athletes. To Bill's left is defensive right tackle Roy Newman.

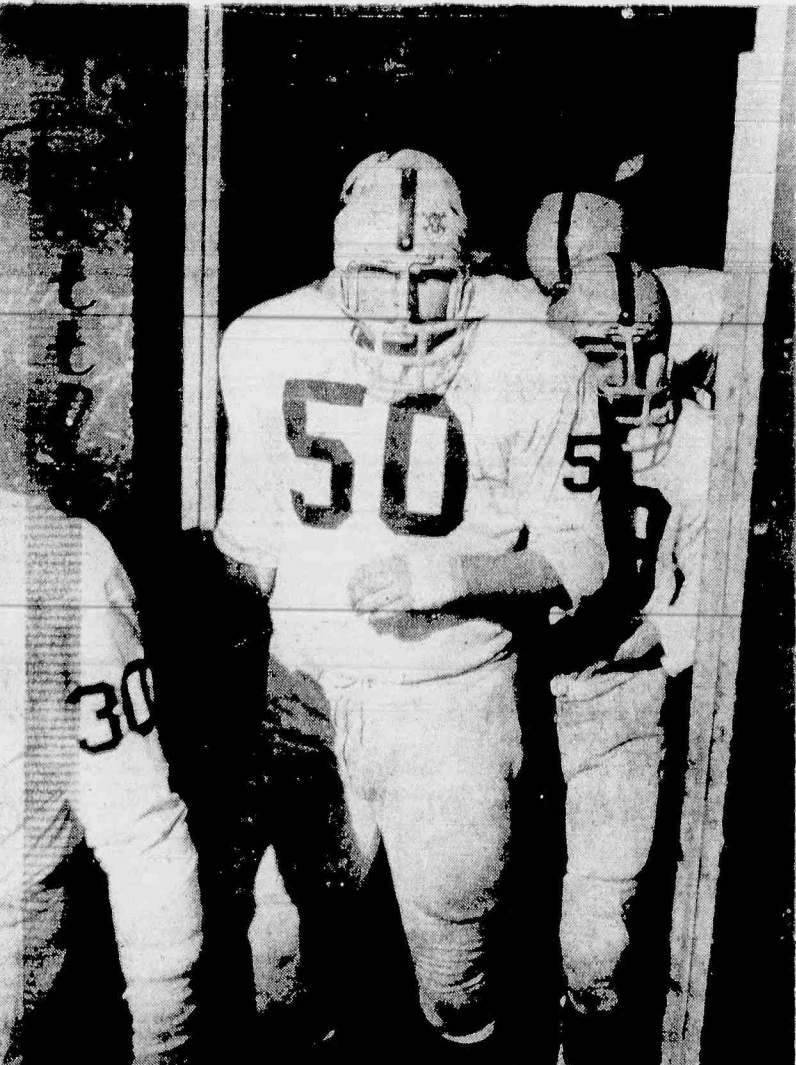

**TAPE**—All starting members of the Bellboy football team get their ankles taped as a precautionary measure. Bill gets his ankles taped for his rugged defensive left guard position.

**A HUSH**—A hush falls upon the lockerroom as Coach John Amabile makes some final comments before the boys go out to face the Kearny Cardinals in what is supposed to be a tough battle. Bill has a reputation for being a slow dresser.

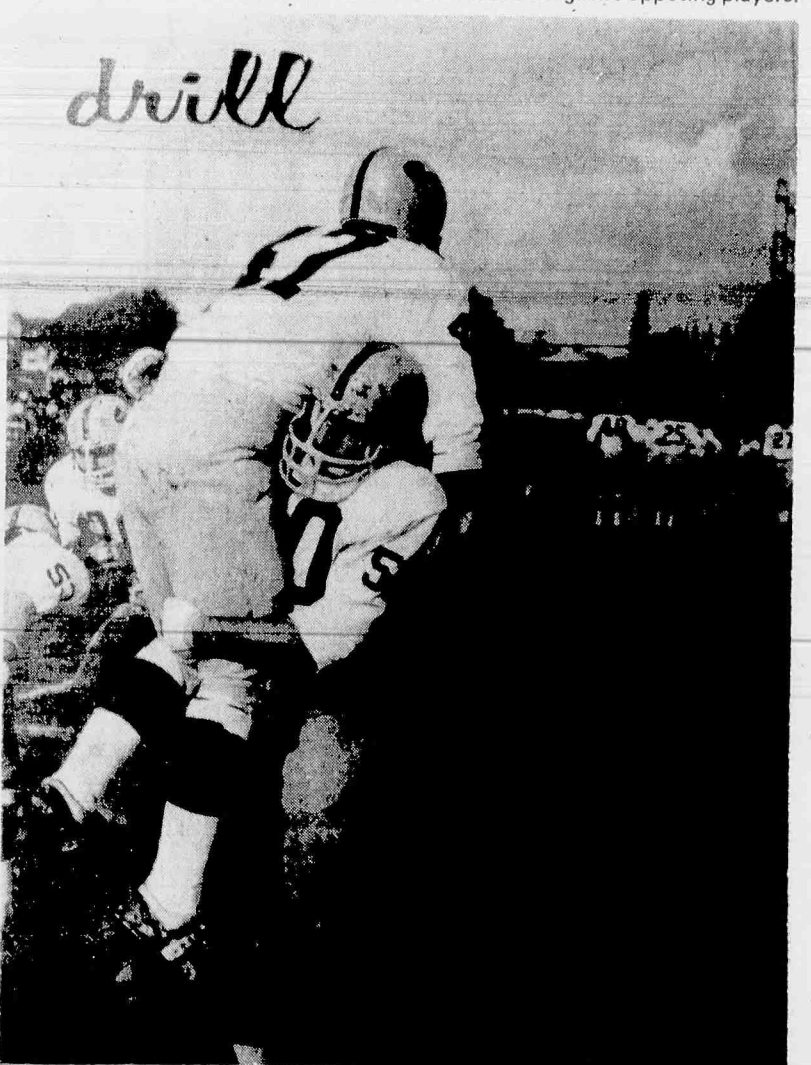

**RIGHT THERE**—Bill tells trainer William "Doc" Ellis where his hand needs taping. On Bill's right arm is the heavy pad he uses to cushion his forearm smashes against opposing players.

**TO BATTLE**—Tension mounts as Bill, wearing jersey number 50 leaves the clubhouse with teammates to enter battle with Kearny.

**WARMUP**—Stretching of the leg muscles is a preparation for the frequent sharp cuts a lineman or a back must make during the course of a game. During the warmup, players get a good opportunity to get a feel for the crowd and the field.

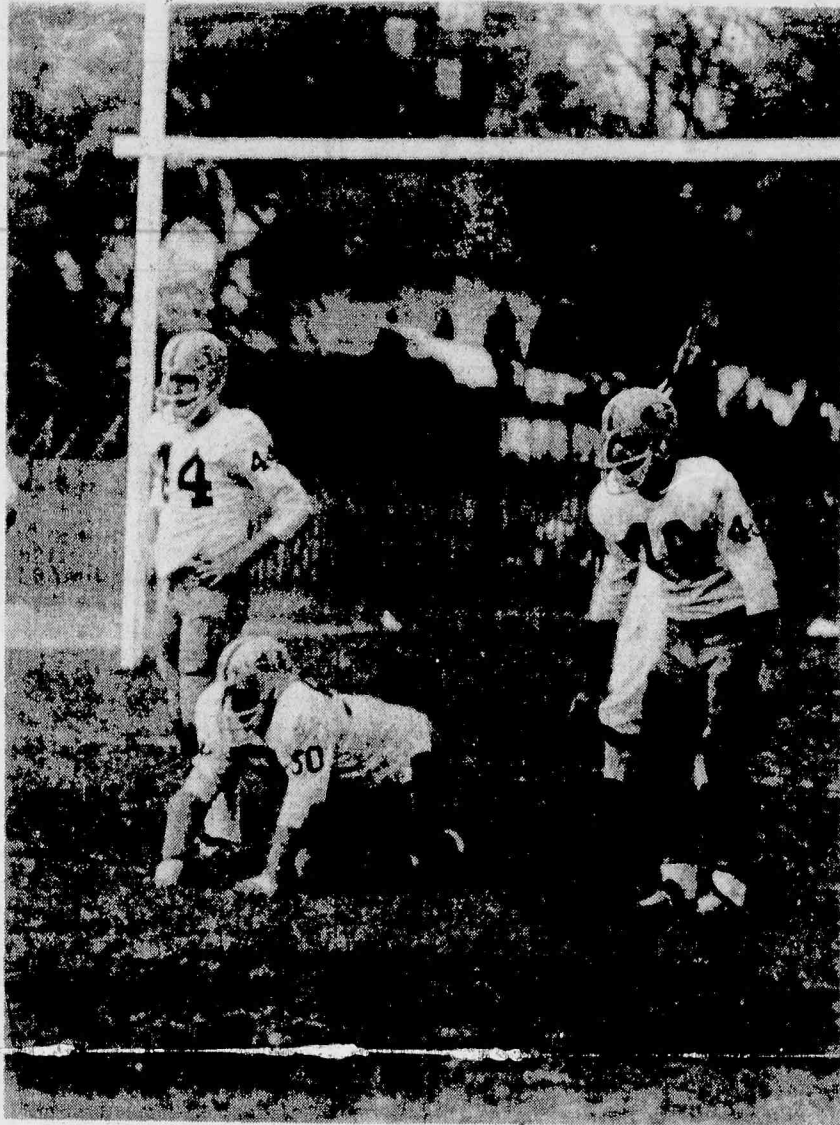

**DRILL**—Bill practices his tackling form on Rich Corbo. While the defense goes through this drill, the offense is busy executing plays under the gaze of coach John Amabile.

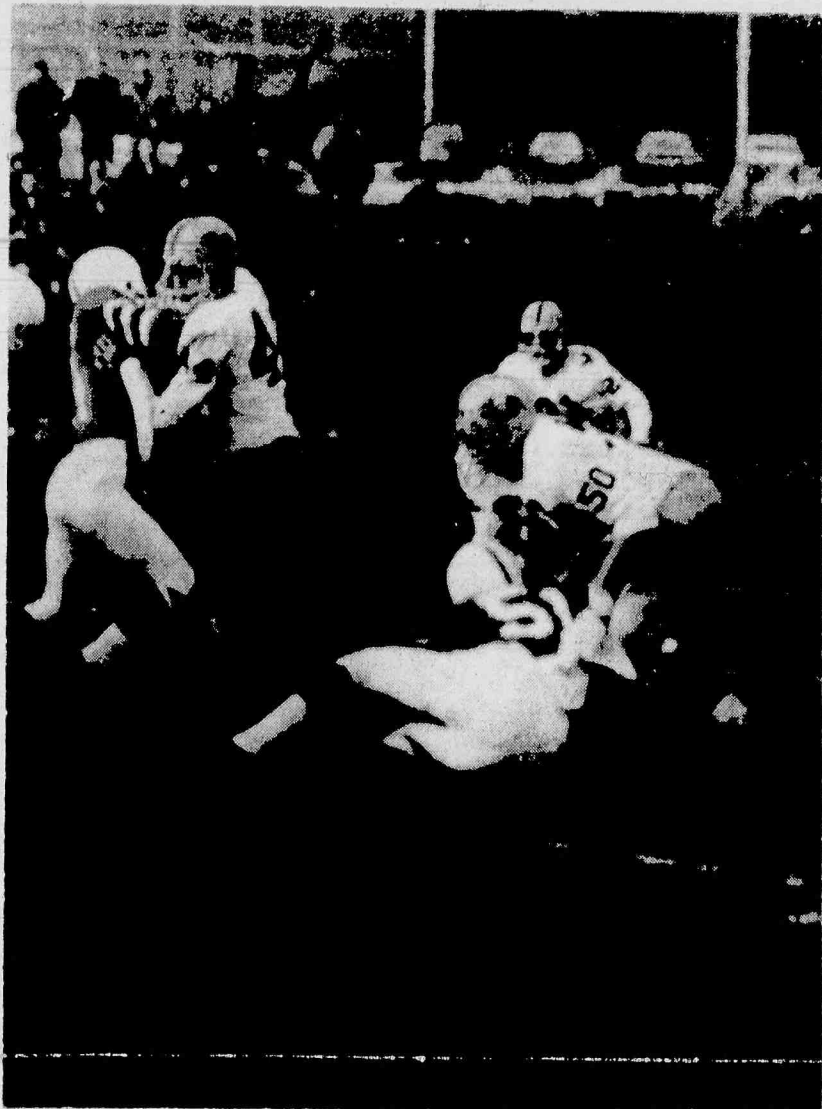

# A War

HUDDLE — Bill (50) joins his teammates as they huddle around the coach for a final prayer. At this point tension reaches its highest point.

HERE THEY COME — Bill gets down on all fours as he waits for the Cardinals to break huddle. Bill is flanked by his defensive partners John Atherton (44) and Mike Albertine (46).

HIT! — Bill sheds off a would-be blocker and prepares to move in on the Kearny ball carrier. Bill moves quickly for a player of his size.

GRAPPLE — Bill grabs a Kearny runner high and grapples him to the ground. Linemen like Bill prefer to hit their men high to stop him from falling forward for yardage with the tackle.

REFLECTING — While the offensive unit takes over, Bill pulls a blanket around himself and rests. On the sideline he has time to think about his mistakes before it is time to battle again.

SQUEEZE — Bill combines with another Bellboy defenseman, to put the squeeze on the Kearny halfback. Teammate amongst defense is emphasized strongly by coach Amabile.

*‘You must hit him  
before he hits you  
That is survival  
for ballplayer’*

OUT OF MY WAY — Bill smashes an opposing lineman who attempts to block him from a running play. Bill knocks the lineman off his feet and makes the stop.

SORE NECK — Bill gets a tough shot in his Adams Apple from a Kearny halfback (27), as Bill tries desperately to stop an up the middle dive.

*‘There is no fear  
after you receive  
that initial smash  
from the linemen*

VICTORY SLAP — Bellboy star Doug Brown (40) puts out his hand for the traditional victory slap from Bill, after the team thoroughly defeated Kearny, 40-6. It was a long hard day for Bill, who welcomed a shower. Thanksgiving will mark his final game as a Bellboy. What a way to spend a Saturday afternoon.

anchored a good secondary will play his final game also. Seniors Vinnie Cappetta, Dennis Gray and Peter Vacarelli will be leaving this season.

Two seniors will watch from the sidelines to close out their careers on a sad note. Seve Banda, slated for an opening day starting role at wingback, has been out all season with a broken collarbone. Lonnie Bunch, his replacement, has also missed the season with serious leg difficulties. Both were expected to make outstanding contributions to the Bellboy backfield. Vinnie Cappetta, who filled in for Bunch, broke his ribs and missed most of the season.

The backfield, however, has been amazingly strong all season. Mark Dracety, who filled in late at the fullback position has been a bright newcomer, remembered

mostly for his day against Irvington in which he racked up 140 yards rushing.

The best performer of all, of course, in the backfield has been 5' 8" junior Ricky Caruso, who with 12 touchdowns to his credit, is currently third in scoring in Essex County. The fleet, shifty runner figures to make some post season all-star team.

Doug Brown, nosed out by Bradley for the fullback job, gives the Bellboys a strong junior nucleus for what must surely rate as one of the best future backfields in Essex County.

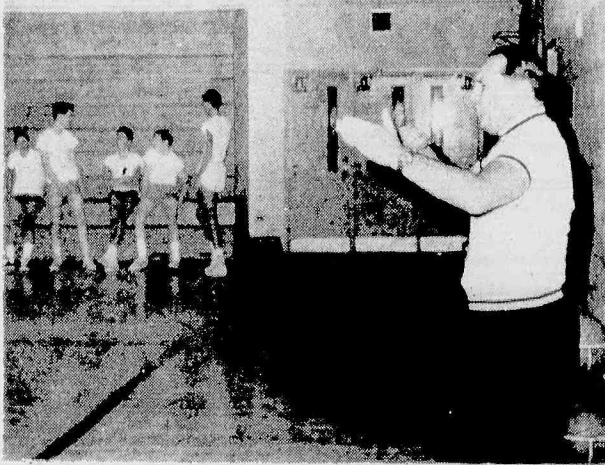

At the quarterback slot, Lotruglio and Papasidero both are returning to give the Bellboys depth at that position. There has been some talk that Papasidero will be switched to a defensive

back next season to utilize his speed and agility.

Perhaps the best lineman returning next year will be

junior tackle Mike Albertine, a standout on defense and offense. Teaming up with Tlumacki and Fury, Albertine has been a headache all season for opposing quarterbacks. An honor student, there is a distinct possibility Albertine might play his collegiate ball two seasons from now at prestigious Yale University.

With the big holiday crowd on hand, it should be an interesting afternoon.

OH NO! -- Coach Herman "Jitty" Wische throws his hands up in disgust as his Bellboy basketball players make a gross mistake in preparation for the season opener. Jitty is returning to a coaching position he held with outstanding success from 1941-1955.

## State's Ski Areas Are Busy Preparing Slopes For Traffic

Skiing is one of the fastest growing sports in New Jersey and the State's major ski areas are being readied for the winter season. According to the Department of Conservation and Economic Development,

Most ski resorts have expanded facilities providing better snow making equipment, improved lifts and began programs that more people will learn to ski and become interested in the sport.

Vernon Valley Ski Area will operate the only cabin chair lift in the State every week-end 'til ski season at no charge (hours noon to 4 p.m.). The new bi-level ski ship is open now and the Hexagon Lounge will be open every day.

On Sunday, December 7 (8 p.m.) the Ford Ski Club meeting features a buffet and movie; Rutgers Alumni "Ski Day" is scheduled for December 20 at Craigmeur Ski Area.

Great Gorge Ski Area has been preparing for an early ski season. All systems have been checked out and it is hoped that the area will be operating for the first week in December weather permitting.

An active fall schedule is well in progress which includes dry land training for junior racers every Sunday at the area, scenic chairlift rides to the summit, as well as special events on weekends.

The first National Standard Race (NASTAR) being run in conjunction with Ski Magazine is scheduled for December 14 at 10 a.m. This race is open to anyone who wished to compare their racing skills against a standard set by a national pace setter. Entry fee is two dollars.

The New Jersey Ski Council's Annual Christmas Camp for junior racers is set for the holiday period - December 29 through January 2. Invitations to the camp have been sent out by Ken McBride, Junior Race Chairman of the Council.

Arrowhead Ski Area has expanded snow making equipment so that all areas can now be covered. Lighting has been improved so that all slopes can now be used at all times.

with Bud Wilkinson, former coach and All-American at Oklahoma. From 1946-56, he was line coach for Little at Columbia.

When Little retired, Bateman moved to Pennsylvania where he served Steve Sebo for three seasons prior to coming to the banks of the Raritan.

Bateman began his head coaching career with a fantastic 17-1 spurt, including an undefeated season in his second year. Among Bateman's top players then were Alex Kroll, All American center in 1961, and Steve Simms, one of the nation's top fullbacks.

In 1961 he was named Coach of the Year by the Washington, D.C. Touchdown Club.

During the five years after his perfect season, the Scarlet just about held their own, at 22-24, before coming through with their outstanding mark in 1968.

"Coming on the heels of a

4-5 record in 1967," Bateman says, "the 1968 achievement was more meaningful to us than those early seasons. When you've been down, it's nice to climb back on top."

Bateman, who is 53, earned his master's degree in political science in 1939, and his doctorate in education in 1951, all at Columbia

University. He is the author of "Teaching and Coaching of American Football," published by McGraw-Hill.

He is married to the former Anita French of Chicago. The couple have three sons, Jack, Scott and Bruce, and two grandchildren. The Batemans live in Piscataway.

## Frosh Fail In Attempt To Upset Soph Eleven

By John McCarthy

Belleville's sophomore football team met the Junior High freshman team, and the sophs came out on top 12-2. Nick Grande's sophs ended their season 4-3, with victories against Orange, Irvington and Essex Catholic. The frosh wound up 2-5-1, with wins over Montclair and Irvington.

The sophomores felt they really should have solidly beaten the frosh, but their blocking was inadequate. Even with poor blocking, and freshmen in the sophomore backfield as much as sophs, QB Frank Petite, backs Rich Ciallella, Bob Visco and Augie LaLuna all totaled over 50 yards each.

The freshmen, under coaches John Seneski and George Zanfini, showed a good passing attack, but lacked a dynamite runner in the backfield like Ciallella, Visco, or LaLuna. Frosh QB Rich Cupparo, who threw for the frosh's only TD against Montclair, proved able at throwing long accurate passes, but his receivers couldn't hang onto more than five of Rich's 13 passes.

In the second quarter, Mike Egidio attempted to field a punt on his own two-yard line. Mike had played a good game until then and was hit by about six freshmen before he got to the three.

From his own end zone, Petite attempted a screen pass to Rich Ciallella. No one was around to block for Ciallella, and he was tackled in the end zone for a two point safety.

In the second half both teams seemed determined to give the other the ball. The Sophs fumbled twice and the frosh out did them by fumbling three times.

After one of the freshmen fumbles, the sophs were set back by a 20-yard loss and a 15-yard penalty. Sophomore Bob Visco was given the ball on the next play and ran 57

yards for the second soph TD.

In the last quarter, Cupparo made a fine attempt at catching the Senior High players. Cupparo threw seven passes in three series of downs. Only one was caught but they all could have been good for about 30 yards each if they hadn't been dropped or a few inches off target. Rich could turn out to be a fine QB for Belleville in a couple of years. Even next year, if he could get a chance to edge in between quarterbacks Joe Lotruglio and Joe Papasidero.

## Sports Corner

By John McCarthy

Belleville's varsity bowlers have run into a problem. They call it "lack of support", both from the school and the students. Right now they're trying to reorganize a team that went 26-12 last year.

Their record was the second best Belleville varsity team, (Mike Lally's crew team went 8-1.) but had almost no fan support the entire season. One varsity bowler lamented, "They (the students) don't even know there's a bowling team." The bowlers have company here, just ask someone about the cross-country team or the golf team.

The bowlers also complain that other teams have bowling shirts to wear at the meets while Belleville hasn't had any for the past few years. The bowlers feel the school should pay for the shirts and said they have asked a few "important" people around the school, but haven't gotten any results.

The school's not paying for the shirts brings another gripe. "The only thing the school gives us is permission to bowl. The only thing they pay for is the coach and the alley on the day of the meet. We even have to pay for the practices out of our own pockets."

Four of the team's five lettermen will be returning, and they hope to do better than last year's record. The bowlers came out fourth in the Big Ten last year. With Mark Borgo, John Spezzafera, John Longo and Pat Smythe returning they could do better this year.

A couple of weeks ago, someone wrote the Times and complained about the riot at East Orange, some clipping penalties that weren't called, and the controversial pass in the Bloomfield that gave Bloomfield a 12-7 victory. The fan's name won't be mentioned here, but the letter appeared on November 13.

Unfortunately there's not really much that can be done about the riot, because it's already happened, except to prevent another. That's why Belleville has dropped EO from next year's schedule. Penalties are often missed with both teams getting away a few times.

The fan suggested that Coach John Amabile should share the blame for losing the Bloomfield game. The writer added, "If Coach Amabile went out there and fought that ridiculous call, the refs might have realized their stupidity." If that's the way a fan feels about the refs after the game, can he imagine how the coach might have felt right after the play? Amabile probably was smarter to stay on the sideline and wait until after the game.

If he "went out there and fought" to show the refs "their stupidity", he might have been angrier than the fan and would have wound up doing more damage than good. Supposing he did go out. He would have been given a penalty for being on the field. This would have irritated him more than the call alone, and possibly cause him to lose his temper. As it was, the coach was right to keep his cool and wait. For once a call is made, it's just as hard to change it on the field as off the field, even if the refs made a mistake.

## Forrest Takes 35th In State

Belleville's Bob Forrest took 35th place in the State Group IV cross-country race held at Garret Mountain in West Paterson on Saturday. Red was the only Bellboy running in the race of 150 and turned in a time of 13:27. The first place runner was Steve Schoennald of Woodrow Wilson High in Camden with 12:25.7.

Forrest, a senior, has completed his last year of Belleville High cross-country with a fine effort and will be seen

again this spring on the BHS track team. He took eight first places and three seconds in dual competition as the teams number one runner. Red also took a 6th in the Big Ten, 5th in the Essex County meet, 6th in the Group IV section 2 and now has proved himself to be in the top 35 runners in the State Group IV.

There's an old saying that money isn't everything, but there are few troubles that a little money can't lighten.

BECK'S COLUMN

By MAX BECK

It appears as if the TV industry is singled out for all kinds of criticism and fault finding. After the vastly exaggerated unfounded radiation scare now somebody seems to have found fault with the TV set as a fire hazard. Anything you plug in an outlet is a fire hazard, if something goes wrong. There is hardly anything made with greater care and under observation of the greatest precaution than a space capsule and even there a tragic accident happened that took 3 lives.

We are surrounded by apparatus which use electricity, oilburners, refrigerators, electric stoves and large numbers of machinery and gadgets. Once in a while there is bound to be a failure, just the same as occasionally with a T.V. set. One has to take these risks or go back to the dark ages. Manufacturers of TV sets are very much conscious to minimize this potential problem. Almost every set today has a small circuit breaker built in which pops as soon as there is an overload. In most cases what appears to be a fire is nothing but a smell from an overloaded resistor or shorted condenser or transformer. There is very rarely a flame. If something happens to your set, pull the plug. Chances are this will be all that is necessary. If there really is a flame, do not use water. Behave the same as you would with any other kind of a fire and of course, call the fire department. Most of all, don't worry, the chance that this may happen to you is minimal.

We service what we sell.

Mrs. Lawrence Cullari-nee Katherine Fusaro

## Cullari-Fusaro Wedding Held

Miss Katherine Fusaro, daughter of Mr. and Mrs. Anthony Fusaro of 79 Wilber Street, Belleville, became the bride September 20 of Lawrence Cullari, son of Mr. and Mrs. Carmen Cullari of 30 Newark Avenue, Nutley.

The Rev. Paul A. Viale performed the ceremony in Holy Family Church and a reception followed at The Fountain.

Escorted by her father, the bride wore an A-line silk organza gown with illusion sleeves and scalloped Alencon lace neckline. Beaded appliques were embroidered on the gown and chapel length train.

Her floor length lace trimmed mantilla was also beaded with appliques and she carried a cascade of stephanotis and baby orchids.

Mrs. Michael Maurer of Belleville was matron of honor. Bridesmaids included the groom's sisters, Miss Mary and Miss Francine Cullari of Nutley, the bride's cousin, Miss Kathy Cavallo of Glen Ridge and Miss Anna D'Elia of Bloomfield.

They were attired in apricot chiffon gowns fashioned with empire waists, illusion sleeves and scooped

necklines and trimmed in green leaves. Headpieces were headbands of green leaves.

The honor attendant carried a cascade of apricot and green spider mums and the others carried apricot mums.

Al Albanese of Belleville was best man. Ushering were the bride's brother, Frank Fusaro, Vito Scarpelli of Nutley, William Long of Belleville and the bride's cousin, Ernest Durino of Harrington Park.

Mrs. Fusaro chose a green chiffon gown with matching accessories. Her corsage was a green orchid wristlet. The groom's mother was in a pink silk peau de soie ensemble with a wristlet of pink orchids.

Mrs. Cullari, an alumna of Girls' Vocational High School, is with Salon De Phillippe, Nutley.

Mr. Cullari attended Seton Hall Preparatory School and Seton Hall University and is with Paul Sayers Company, Hartsdale, New York.

The couple have made their home in Nutley following a honeymoon in Puerto Rico.

## Urso-Banasiak Troth Announced At Party

Mr. and Mrs. Carmine Urso of Ligham Street have announced the engagement of their daughter, Nancy to Kenneth Banasiak, son of Mr. and Mrs. Henry Banasiak of Lyndhurst.

Miss Urso attended Belleville High School and is an executive secretary to the vice president of North Jersey Incineration Company, Newark.

Mr. Banasiak attended Lyndhurst High School and is a self-employed as a landscaper.

A party was held in their honor October 18. The couple will be married next September.

## Barbara Glenck November Bride

Miss Barbara Penelope Glenck, daughter of Mr. and Mrs. William Peter Glenck III of Bremond Street was married November 22 to Joseph Paul LaFalce, son of Mr. and Mrs. Francis LaFalce, also of Belleville.

The ceremony was performed in St. Mary's Church, Nutley, by the Rev. Gerald Walsh and the Rev. John Mair. A reception followed at The Galaxy.

The bride's high waisted gown was fashioned of white satin with lace appliques, leg-o-mutton sleeves and a detachable train. Her short illusion veil was circled by a cup of white lace trimmed with sequins. She carried a bouquet of white orchids and glamelias.

Miss Joann Zigo was maid of honor in a gown of burgundy velvet trimmed with a gold link and pearl belt and wore a Juliet cap of matching velvet. She carried a cascade arrangement of pink and burgundy roses.

Bridesmaids were Miss Suzanne Glenck, sister of the bride and Miss Francine Misuriello who were attired in pink chiffon and burgundy velvet. Their flowers were

also pink and burgundy roses. William Di Biase served as best man. Anthony Landolfi and Richard Buraud ushered.

Mrs. Glenck wore a beige and gold brocade dress with gold accessories and a corsage of brown orchids. The mother of the groom was in a gown of green chiffon trimmed in gold beading with matching coat and accessories. She carried a corsage of green baby orchids.

Mrs. LaFalce is with American Hardware Mutual Insurance.

Mr. LaFalce attended the University of South Carolina and Lincoln Technical School, Newark. He is with Home Fuel Oil Company.

The couple, both graduates of Belleville High School, will make their home in Bloomfield after a honeymoon in the Poconos.

### Single Parents Plan Thanksgiving Dance

Essex-Union Chapter of Parents Without Partners is having their annual Thanksgiving Dance at The Coronet, 925 Springfield Avenue, Irvington, on Friday, November 28th, at 9:00 p.m. Proceeds of the Dance will go for scholarships for children of widowed, divorced or separated parents.

Wedding vows were exchanged November 8 in St. Peter's Church by Miss Kathleen Bailey, daughter of Mr. and Mrs. Paul Eugene Bailey of 312 Union Avenue and Richard Joseph O'Connell Jr., son of Mr. and Mrs. O'Connell Sr. of Butler. The Rev. Francis A. Ignaciuos performed the ceremony which was followed by a reception at Robin Hood Inn.

Escorted by her father, the bride wore a silk faced peau de soie gown with Victorian neckline and bodice, bishop sleeves and train trimmed with Alencon lace.

A chapel length illusion veil fell from a Camelot headpiece of beaded lace and she carried a prayer book covered with orchids.

Miss Sharon O'Connell, sister of the groom, was maid of honor. Bridesmaids included Miss Nancy Vervoort of Metuchen, Mrs. Robert Hartz of Parsippany, Mrs. Martin Orth of Piscataway, Miss Joanne Antonelli of Belleville and Miss Betty Hackett of Butler.

They were attired in moss green velvet gowns with a high necked bib of ivory velvet edged with lace. Headpieces were bows of moss green velvet with pouff veils and they carried cascades of bronze and yellow mums.

Kevin O'Connell was his brother's best man. Ushering were Dennis Searles of West Milford, Charles Gallup of Englewood, Mr. Orth, James Bailey, brother of the bride and Steven D'Achino of Butler.

Mr. O'Connell Jr., a graduate of East Orange General Hospital School of Nursing, is a head nurse at the hospital.

Mr. O'Connell Jr., recently returned from a tour of duty in Vietnam, he is a student at Fairleigh Dickinson University, Wayne.

The couple honeymooned in the Virgin Islands.

### Church Bells Ring To Honor Citizens

Church bells throughout the state will ring on Thanksgiving in honor of the many senior citizens in the state.

The Woman's Club of Belleville has secured the cooperation of Christ Episcopal Church and St. Anthony's Church to have their bells ring at 1:30 p.m. on the 27th.

The state-wide program, a project of the New Jersey State Federation of Women's Clubs was initiated with the idea of giving some recognition to the contribution of our elderly to the state.

Mrs. Gerard Ferrara, president of the local service organization and Mrs. Richard A. Shafter, federation secretary of the club worked out the details of the plan for Belleville.

More Americans will be eating the same thing for dinner on Thanksgiving than on any other day of the year. Cranberry sauce as well as turkey with dressing and gravy are almost certain to appear on the table. Other perennial favorites include pumpkin pie, sweet potatoes, and green beans in a casserole or covered with sliced almonds.

Thanksgiving dinner should be enjoyed by everyone, even the lady of the house, whose job it is to prepare the meal. To make the cook's life as easy as possible, and to prevent an accident from spoiling the holiday, the National Safety Council has some advice for Thanksgiving cooks.

"Fatigue and stress can cause holiday accidents," warns Sharon Bush, home economist in the Council's home department. They also can spoil holiday fun. Miss

## Spice Up Holiday Menu With A New Dessert

Tradition is the key word when planning a Thanksgiving or Christmas meal—nearly everyone looks forward to the turkey and stuffing, the cranberry sauce and the pumpkin pie. It just wouldn't seem like the holidays without these favorite dishes!

But the smart cook will add a few new touches to the traditional meal to surprise and delight her family and guests. For instance, instead of the traditional bread stuffing for turkey, why not substitute a southern favorite, corn bread stuffing? Or rather than plain jellied cranberry sauce, why not serve a molded cranberry, orange, nut salad?

Vegetables, too, can add variety to the holiday meal. Onion cups stuffed with peas or tomatoes will add color and flavor contrast. Large mushrooms inverted and filled with bread stuffing combined with the chopped pieces of stem are also nice for a change of pace.

In the dessert line, you

Bush suggests that pre-party planning can keep this from happening.

Plan to assign each member of the family a task such as making the table centerpiece, setting the table, or collecting chairs for the dining room.

In planning the menu, try including food from packaged mixes or food that can be made ahead of time and frozen.

To minimize confusion, the kitchen should be off-limits for tasters, snoopers, and sniffers during the busiest time of preparation. One or two helpers can be appointed to assist just before serving dinner by carrying in cranberry sauce, salad, or relishes. Avoid having children carry anything hot or heavy such as a casserole dish; if one slipped out of the child's hands and fell it could be disastrous.

might want to offer a choice between the traditional pumpkin or mince pie and a delicious spicy gingerbread. Called Scorpio's Gingerbread, this old world favorite has an added touch—sauerkraut—which keeps it moist and adds a new texture dimension.

**SCORPIO'S GINGERBREAD**  
1/2 cup shortening  
1 cup brown sugar  
2 eggs  
1 tsp. orange rind, grated  
2 cups sifted all-purpose flour  
1 tsp. nutmeg  
1 tsp. soda  
1/2 tsp. salt  
1 1/2 tsp. ginger  
1/2 cup boiling water  
1/2 cup molasses  
1/2 cup Silver Floss sauerkraut, drained, washed and coarsely chopped.  
Mix all ingredients except sauerkraut at medium speed of electric mixer for 7 minutes.  
Blend in sauerkraut. Bake in greased 8" x 11" pan at 350 degrees for 40 minutes. Serve hot with applesauce or whipped cream.

## Family Fetes

On November 8 a surprise birthday party was given to Patsy Cofone (his 70th) of 148 Bremond Street, Belleville, by his children. The party was held at the Darwood Restaurant. Attending the happy occasion was son Michael A. Cofone and wife, Jenny, of Holmdel; daughter Marie Duddy and husband Robert, of Long Valley; daughter Joyce Ritacco, and husband, Frank, of Belleville; son Patrick (a high school senior) and Vita DeMayo.

Nine of the grandchildren were there with Robert (Chuck) Duddy being the only missing one. Robert is attending Albert Lea College, Minn. and could not be there for the occasion.

Also on hand to help celebrate was Father James Cofone of Seton Hall, Cofone's nephew. Others at the celebration were 35 relatives, some coming here from Connecticut and New York State.

## Couple Celebrates 50th Anniversary

Mr. and Mrs. Peter Johnson, celebrated their 50th wedding anniversary, on a trip to Glen Ellyn, Illinois, in August. They, with their family, Robert and Elsie Johnson, and their sons, Jeff and Jay, Donald and Anna Johnson, and their daughter, Stephanie Ann celebrated with an anniversary dinner at the Milk Pail Restaurant in Illinois.

**DENTAL X-RAYS FIND TROUBLE QUICKLY**

At most every regular dental examination, your dentist may first want to take a series of X-rays. These X-rays can pinpoint trouble spots before they get to the stage where extensive work is needed or where a painful toothache results.

Even when work is required, the new anesthetics and high speed equipment make it fast and with hardly any discomfort. Many dentists will prescribe a tranquilizer for a patient before their appointment and a pain reliever for use when the anesthetic has worn off. We fill many dental prescriptions and keep the medications they need on hand.

YOU OR YOUR DOCTOR CAN PHONE US when you need a delivery. We will deliver promptly without extra charge. A great many people rely on us for their health needs. We welcome requests for delivery service and charge accounts.

### Fund Is Near Campaign Goal

George Harris, campaign chairman for the Nutley United Community Fund campaign has announced that Nutley is now reporting \$22,500 for 78% of goal.

Harris said that he and the campaign leaders have every reason to believe that Nutley will make its goal this year. He appealed to all residents to make their contributions now, if they have not already done so, in order that the drive here can be finished by the time of the final report meeting on December 4 at Military Park Hotel.

SPECIAL MONTH — Governor Richard Hughes proclaims November as Community Involvement Month for New Jersey for state Jaycee President Jerry Nowicki (left) and United States Jaycee Director Art Gardner (right).

### Nat's Oyster Bar Sold To Chain Corporation; Owners Off To Florida

Nat's Oyster Bar, 78 Main Avenue, for years one of the area's most popular sea food restaurants, has been bought by Scientific Restaurant Management Corporation, Roseland.

The business was sold by Mr. and Mrs. Nathan Miller who began in a rented store in the Delawanna section 33 years ago. A restaurant at the present location, built in 1940, was ravaged by fire in 1963 and was reconstructed and enlarged.

Scientific Restaurant Management Corporation operates the 12-unit chain of Jolly Troll smorgasbord restaurants throughout the country. The first New Jersey operation at the Echo Lanes, Mountainside is expected to open December 1. Plans are under way for one in Passaic County.

### French Club To Feature Poetry Reader

Jacques Doyen, official lecturer of the Federation of French Alliances in the United States, will present to the Alliance Francaise of Montclair a program of 19th century and modern French poetry, Thursday evening, December 4 at 8 at St. Luke's Parish House, 73 South Fullerton Avenue, Montclair. Hostesses for the meeting will be Miss Maria Arndt of Upper Montclair and Mrs. Sanders Rost of Montclair.

Among the poets represented in Doyen's program are Baudelaire, Verlaine, Rimbaud, Aragon, Saint-Exupery, Henry Miller and Camus. Mr. Doyen arrived in New York last month for a two month tour during which he will give poetry recitals before Alliance Francaise groups throughout the United States. He is considered by the French public and press to be the most accomplished reciter of poems in France.

Doyen began his career at the cabaret, "Le Lapin a Gil." He has acted in numerous plays, movies and has been on television. During the past ten years he has devoted himself exclusively to the recital of poetry on records as well as before audiences. He was awarded in 1958 the Grand Prize of the Academy of French Records and in 1968 the Grand Prize of the Academy of Records Charles Gros.

To Our Friends and Customers

Because of the recent ruling on cyclamates and the RUMORS of the possible side effects of MSG (Mono Sodium Glutamate), the China Clipper Restaurant in Bloomfield, in the interest of our customers will effective immediately, cease the using of MSG in the preparation of our food. Of course we have never used any artificial sweeteners.

We will continue however, to use the old Chinese seasonings we all love, "a pinch of salt, a dash of wine, a bit of garlic with our home-made chicken broth, and a knowing wok (pot)." Of course our chefs help too. Come savor the flavor, it's never been better

# Faust Named As Treasurer Of Million-Dollar Corporation

The Dreyfus Corporation of New York, managers of the multi-billion dollar Dreyfus Mutual Fund, announced last Friday in the Wall Street Journal and the New York Times, that Stanley Faust was elected Corporation treasurer.

He was also recently elected assistant vice-president of the Dreyfus Mutual Fund Incorporated in charge of finances.

Faust started his education at Public School 5 and Belleville High School.

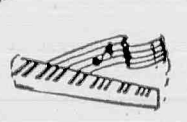

He then studied business administration at New York University, graduating in 1955 as a public accountant.

Though one of the most prominent accounting firms in New York, with which he was associated, promised to triple his salary and take him into partnership, Stanley decided to try the world of finance and investment.

Faust joined the Dreyfus Mutual Fund in 1958 as a C.P.A. accountant and after one year was promoted to the head of the whole accounting office.

The assets of the Dreyfus Corporation were at that time less than 100-million dollars. Today they are over three billion dollars.

Faust wears two more hats in the Dreyfus Organization. He is also treasurer of the recently founded Dreyfus Leverage Fund and Treasurer of the Dreyfus Sales Organization, an International Subsidiary of the Dreyfus Corporation.

## Tax Moneys Paid To Towns By The Howard

Fourth quarter New Jersey real estate taxes exceeding \$9.1 million were paid to 502 municipalities this week by The Howard Savings Institution of Newark. The taxes, paid on some 40,000 properties on which The Howard holds mortgages, brought the total 1969 real estate tax bill to over \$34 million.

The Howard, on behalf of its mortgagors in Essex County pays an annual tax bill of over \$10,500,000.00 covering 8,180 properties in 22 communities. Of this amount, \$2,966,297.04 was paid to Newark.

Funds for such payments are escrowed by The Howard on a monthly basis for all properties on which it holds mortgages.

"Our policy of handling our mortgagors' real estate tax obligations dates back many years," said John W. Kress, bank president, "and is greatly appreciated by municipal tax collectors."

**Belleville Banker Attends Conference**

E. K. Albreten, of Peoples National Bank and Trust Company, Belleville, was among the more than 250 New Jersey bankers who attended the Annual Trust Conference of the Trust Division of the New Jersey Bankers Association November 19 and 20 at the Cherry Hill Inn, Cherry Hill.

Included on the program were discussions of investments, financial planning, probate, legislation and trust department operations.
