

# Mayor Proposes Massive Bond Issue To Modernize All Town-Owned Buildings

TIME FOR A SONG — Board of Education President Dr. Frank Di Ruggiero (right) and Assistant Superintendent of Schools Michael Rossamilla break into a song with a roving accordionist at last week's Belleville Manufacturers Association dinner. Within half an hour, the Board members mood

changed to a more serious tone as Mayor Ken Smith addressed the gathering with a proposal for improving town-owned property, including public schools, with a massive modernization program financed by bond issue.

## Multi-Million \$ Plan Outlined

By Nat Gottlieb

A massive, multi-million dollar program calling for the modernization of all town-owned buildings may be in the making if Mayor Ken Smith has anything to say about it.

Speaking before a gathering of the Belleville Manufacturers' Association last Friday, Smith announced his intentions to rally support for a program to reconstruct town-owned properties, all financed by a bond issue.

On Monday the Mayor told the Times he will meet this month with representatives of the school and library boards to begin an investigation into the town's physical needs.

Thus machinery is already being set in motion to bring about the first massive improvement program in Belleville's history.

In order to make his proposal a reality, Mayor Smith outlined the major steps involved. After a meeting of town leaders, an architectural consultant would be called in to assess the building needs and costs for the town. The leaders would then decide just how much the town could afford, and float bonds for that sum.

Reaction around town to Smith's proposal was overwhelmingly favorable. It will take more than a good reaction, however, to make the plan work.

A favorable commission vote of 4-1 is needed before bonds can be offered. A Times survey of the commissioners reveals that Mary Senatore, Vincent Strumolo and William Cullen are in favor of the proposal. Commissioner McGreevy said he had no comment at the present time, but sources close to Town Hall feel he will oppose the program because it is a bond issue. The sources stated that McGreevy feels the present interest rates for bonds are too high to warrant such a program. Even if McGreevy does vote against the bond issue, the 4-1 vote would still exist.

Smith's speech came as a complete surprise to the manufacturers and town officials gathered for the Association's annual dinner.

Beginning with a statement of the town's debt status which he termed excellent, the Mayor gradually worked his way into a 10 minute

speech pinpointing the physical needs of town-owned buildings.

"The physical condition of our public buildings is dilapidated to say the least," Smith said. "Clerks in Town Hall are almost sitting on one another's laps." When we took over our term in Town Hall, the condition of the building was so filthy it made you sick to walk in."

In a speech heavy with emotion, Smith reported on conditions which he said had gotten out of hand. In the police department, which he pointed out was housed in the cellar of Town Hall, the five cell blocks are constantly coming under the scrutiny of the State Bureau of Investigations, which has threatened to close the facilities down. Without proper facilities women

MAJOR PROPOSAL — Mayor Ken Smith surprised a gathering of businessmen and town officials at last Friday's Belleville Manufacturers' Association dinner by announcing a proposal for a multi-million dollar modernization program for all town-owned property.

## McGreevy Dissents

# \$65,000 Signal System Okayed By Commission

The town's police and fire signal system, bought second hand from Hackensack in 1928, will be replaced soon with a modern \$65,000 system.

Approval for the new system was granted Monday night when the commissioners voted 4-1 in favor of an ordinance calling for its appropriation and that of a \$35,000 fire engine.

Casting the lone nay vote was Commissioner Joseph McGreevy, who told reporters the system was unnecessary and that bond rates were too high.

McGreevy also said the system was outmoded and that bonding at current rates would be no good for taxes. He also complained that he wasn't given a breakdown by Mayor Ken Smith of the system's costs. McGreevy was not against the purchase of a new fire engine.

Smith, who is director of Public Safety, took strong exception to McGreevy's statements.

"How McGreevy can say the system is unnecessary is beyond me. As far as the breakdown on goes, he never asked me for one."

Basically, a signal system involves call boxes at various locations in town, linked with a central receiving unit at

police headquarters. All present signaling between patrol cars, fire headquarters and police headquarters is done by radio, due to the complete breakdown of the signal boxes.

The Mayor said there are several key advantages to having a signal system.

According to him, with the widespread use today of ham radios, police messages are becoming impossible to keep secret. The Mayor said that many robbers today carry short wave radios to pick up police calls during a burglary. Recently, youths causing

disturbances on Belmoir Avenue, were picking up police calls and dispersing before the officers arrived.

With the signal system, police messages placed through call boxes could not be picked up by anyone but the desk man at headquarters.

## Recreation Equipment Far Better During 1928'

"We had better recreation facilities in 1928 than we do today."

With these words, Mayor Ken Smith summed up problems besetting the town's Recreation Department.

Spoken at the Belleville Manufacturers Association meeting, the Mayor called for a massive modernization program for town-owned property.

Smith told the group that Belleville has "a good reputation for its youth, and if we are going to keep it that way, we must expand our recreation program."

The Times asked Robert Cook, recreation director, just what needs existed in his department. Cook's major proposals were for a new recreation house and a major expansion program at Municipal Stadium.

Cook has been working for some time, now, in trying to stir interest in a new recreation center. The director reports that the Rotary Club, of which he is a member, has expressed interest in leading a campaign for such a facility.

The present recreation house, built over 100 years ago, was first used as a poor house. Its largest room is 27 feet by 15, and will accommodate only 35 people.

Cook would like a new center to contain a large gymnasium and stage. He would hope for a teen lounge and facilities for senior citizens. Also housed in the facility would be recreation department offices and provisions for roller skating. The present Jorale-

mon and Garden street site would be suitable for the new center, Cook says, because it is centrally located in town.

Major alterations at the Municipal Stadium were mentioned by Cook as extremely necessary.

A \$100,000 ordinance to ap-

propriate funds for new sports facilities at the Stadium was tabled by the Commission two months ago because of the approach of winter and numerous delays. The bill was bounced around so many times that Parks and Public

SINKING DOWN — Fire Chief Carl Hundertpfund points to the ramp leading to the fire headquarters on Washington Avenue. The chief reports that engines actually sink into the

15 year old driveway. He hopes the Mayor's proposal for a massive modernization of town owned property will remedy the situation.

## Mayor's Plan Will Help Eliminate School Woes

Four of Belleville's elementary schools were built before 1913.

This fact was emphasized in Mayor Ken Smith's speech before the Belleville Manufacturer's Association dinner last Friday, in which he proposed major modernization projects for all town-owned buildings.

High on the Mayor's list for improvement, are school

buildings. Smith said that School 2 was built in 1894, School 3 in 1897, School 4 in 1907 and School 5 in 1913.

The Times, in an effort to discover what physical needs existed for school buildings, contacted Superintendent Anthony Greco, who was pleased with the Mayor's proposals.

Greco's report revealed an urgent need for funds for a

massive improvement. The Superintendent agreed with Smith that a proposal for a bond issue was a sound one.

According to Greco, nine elementary schools and the Junior High School are in need of rewiring and modern fixtures. All schools need lavatory facilities.

A common plea shared by School 10 and the junior and senior highs, is the need for additional classroom space. Recent increases in student enrollment was cited by Greco as the cause for this problem.

The old part of School 3, said Greco, should be torn down and a new edition added on to the more recent part of the building.

The third floor of School 3 is another major physical problem. The entire floor is not used because it is a fire hazard.

Intercoms are desperately needed at the Junior High School and at five of the elementary schools. The Junior High School School also needs a new parking facility.

Ideally, Greco would like to see Belleville build a separate Board of Education building such as exists in Nutley and Bloomfield.

## Lawyers Planning Appeal Strategy

No decision has been reached yet as to what line of attack the Town Commission will take in appealing the state's restoration of \$128,000 to the local board's budget.

Sam Christiano, special counsel for the Commission, told the Times he is busy researching the laws pertaining to budget appeals and the rights of various parties involved.

Christiano, who is attorney for the West Orange Board of Education, will meet soon with Belleville's town attorney Nicholas R. Amato to "map out definite strategy."

The town has until December 29 to file a brief with the

State Department of Education.

Meanwhile, Max Schwartz, Belleville Board attorney, reports he is preparing to "take whatever steps are necessary to defending the position of the Board." In anticipation of Christiano's brief, Schwartz is reviewing laws pertaining to the appeal. He will have 10 days to submit an answering brief.

Christiano was hired to assist Amato because of the West Orange lawyer's familiarity with board of education matters and budget appeals. Christiano is presently appealing a case for the West Orange board,

## Fire Department Urgently Needs Major Repairs

In the wake of Mayor Ken Smith's recent proposal to modernize all town-owned buildings, the Times asked Fire Chief Carl Hundertpfund just what problems were besetting his department.

What the Times received was an amazingly long list of complaints, all of which tended to bear out Smith's statement that the Fire Department was in urgent need of refurbishing. The list was too long to reproduce in print, but the following will touch upon the major problems plaguing the department.

Dates are important for a proper understanding of the Fire Department's woes. The Silver Lake house was built in 1917. The house on Williams Street was erected at approximately the same time. Headquarters was completed in 1923. This past week, a fire engine from 1929 finally

broke down and was forced into retirement.

Chief Hundertpfund says he would like to see a new fire headquarters built, possibly on property near the Jergens plant. With this accomplished, he says, the Silver Lake house could be shut down, while service for that area would be increased.

A house in this area, the Chief says, would be more centrally located than present headquarters, and would provide service to the Soho section, which presently doesn't have a fire house. Two engines and an aerial for the new house would provide better and speedier service for the town, Hundertpfund says.

Hundertpfund submitted a list of 27 problems in construction besetting the headquarters on Washington Avenue. High on the list was the ramp to the garage, which

# Recreation Lags Behind

**NEW PLAYHOUSE** — Workers put the final touch on an all-steel playhouse erected by the Branch-Brook Belleville Kiwanis Club for the children at the Essex County Children's Shelter. The pre-fabricated house is 10 x 12 heavy gage steel and painted a bright green and white. It will have two tone indoor interior and outdoor carpeting to match the exterior. The construction was under the direction of William Pirk, Joseph Gonnello and Robert Ciochi.

(Continued from Page 1)  
Property Commissioner William Cullen reluctantly withdrew his \$100,000 proposal.

The two men would like to see a new baseball diamond erected at the Stadium on land already cleared by the town. Also sought by the men for the site would be a junior baseball diamond, a macadan tennis and basketball area with lights, an iceskating area and a field house which would double as a skate house.

The Proposed Stadium expansion would also contain a football and soccer field in the outfield on the major baseball diamond, a passive game area for senior citizens and a tots playground.

Cook said the athletic facilities should be installed with the advice and consent of the Board of Education's professional staff.

As a general improvement in the recreation program, Cook would like to have lights installed for night basketball at the Recreation House, Fairway Playground, Planseer Playground and Msgr. Kelly Playground. If coordination can be worked out with the school Board, he would hope to see lights at Clearman Field and the playground area of School Two, and four.

Friendly House would be refurbished under the new plan for modernization, to make it more desirable for indoor programs. Playground equipment should also be updated. Cook says, to include modern designs.

An outdoor swimming pool is yet another proposal by the recreation director. Cook cautioned, however, that careful study would first have to be initiated to find where parking would be suitable and where zoning law would be obeyed.

Cook says there is also strong indication that tennis interest is on the increase. Courts would receive good use he feels, and would fit in at the Recreation House, Clearman Field and the Fairway and Plan some playgrounds.

Stevens Dramatic Society To Present Poe's Works

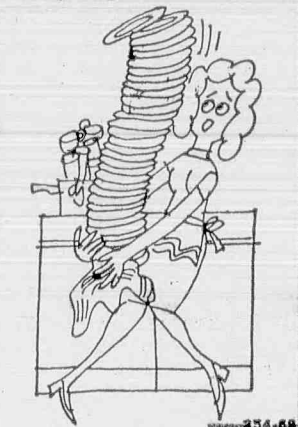

Three works of Edgar Allan Poe, adapted for the stage under the title "The Valley of Unrest," will be presented by the Dramatic Society of the Stevens Institute of Technology December 11, 12 and 13.

(Continued from Page 1)  
is sinking badly in spots. The chief says engines actually sink in the paving, which was done 15 years ago.

Several grievances dealt

By MAX BECK

There are still many more black and white TV sets in use than color TV. Most people hold on to their b/w set until it gives major troubles. Others, of course, simply do not have the money to spend for a color set.

Frequently customers ask us whether they should replace a picture tube in a b/w set that is getting old. As a general rule one can reasonably expect to get 10 years out of a TV set, and this is a conservative figure. Many sets last considerably longer.

A few days ago a customer came to the store and asked whether it would be advisable to put a new picture tube in a b/w set which is 8 years old. There are a number of things to be taken in consideration. The make of the set and the amount of use it gets are very important. The set in question was a Magnavox and it had been used very much. The cost of upkeep was very little, mainly replacement of tubes and an occasional cleaning of the station selector. Economic considerations in many cases supply the answer. Really the customer had not much of a choice, either buy a new b/w set or spend the money for repair. After we examined the set, we advised against buying a new picture tube. The set had been used at least 8 or more hours every day. A dozen tubes needed replacement and the filter capacitors showed signs of wear, which had to be expected. The picture tube is only one of about 600 parts and replacing it does not make the set new. B/w sets are so low in price now that in this instance the customer bought a new b/w set instead of beginning to spend money on a set which up to this point needed very little. This would have changed with increasing age and the customer probably would not have gotten his moneys worth out of a new picture tube. Each case has to be considered individually.

We service what we sell.

Open every night until 9 p.m. until Christmas. Saturdays until 6.

NUTLEY 667-2275

with fire operations which have to be done manually. The Chief would like to install electric power for many of his fire fighting mechanisms, including an electric reel for the hose tower, and electric openers for the overhead doors.

Painting and repairs of leaders, gutters and floors were listed in numerous instances. Roofs leaking, inadequate insulation for heating and worn electric outlets, switches and lights were just a few of the many problems listed for the 47 year old structure.

The list for the Williams Street house was equally large. The problems include the widening of driveways and the resurfacing of the ramp. Correction is needed to stop surface water from flooding the basement. Storm windows and doors need replacing, and leaders and

gutters need to be repaired. Electric features and floor tiling are also on the long list.

Silver Lake completes what seems to be an urgent situation. The house is poorly lit, according to the Chief, who would like to see fluorescent light fixtures installed on both floors. Most of the problems plaguing the other houses are present here.

## Induction Call Announced For New Jersey Eligibles

Colonel Joseph T. Avella, New Jersey State Director of Selective Service, announced today that the state's induction call for December is for 226 men, 29 less than the November call.

The national call is for 9,000 men, 7,500 to be inducted into the Army and 1,500 into the Marine Corps.

Also during December, 2,946 men will be forwarded to the Armed Forces Examining and Entrance Station in Newark for pre-induction physical examination.

## An Idea Worth Pursuing

After dinner speeches are notorious for their light character. Addressed to full stomachs, they are geared for easy digestion. Rarely are they meant to leave any lingering aftertaste.

Last week, however, Mayor Ken Smith startled a gathering of town and school officials at the Belleville Manufacturer's Association dinner by proposing a massive capital improvement program for the replenishing of the town's physical facilities.

Scoffing at what he termed piecemeal improvement programs, the Mayor called for a single bond issue to launch a frontal attack on the town's major physical needs, especially in the areas of school and public buildings.

The Mayor has made available proposal rendered with insight into the needs of Belleville. He has chosen a good time to begin what should amount to a reconstruction of

several outdated town facilities. With construction costs rising from 8-9 percent each year, the postponement of the inevitable improvement of town facilities can only hurt the taxpayer in the end.

The idea of a bond issue is the financial program most sensitive to the tax problems of the people of Belleville. Town treasurer Francis McCoy is a highly competent financial expert, and if past performance is any indication, his abilities should help make the program's tax burdens as light as possible.

Also to be applauded is the fact that in announcing the program, a channel is opened for the Board of Education and the Town Commission to work together again after far too many months of feuding.

Bearing all these factors in mind, we call upon the Mayor to make good on his proposals. We would like to see the rapid gathering of town leaders to set this program into motion in a way which will benefit the people of Belleville without any undue financial stress. We hope the Mayor's words were not meant to be taken in the normal vein of after dinner speeches.

-N.T.G.

## The Game of Happiness

Why is it that some people are usually happy and others usually depressed? Why are certain individuals though relatively lacking in material wealth, perhaps also in nature's endowments nevertheless cheerful and able to enjoy every day, or most of it.

The experts tell us the happy individual is one who developed a sound philosophy of life. That means, as we see it, a philosophy which takes into consideration what we have to be thankful for.

All of us have our troubles. Many worry

and fret not being able to make as much money as we would like to, or because we don't get ahead in the world as fast as we'd like to. And there are many things which come along to irritate us. Trivia—if not kept in perspective—can dominate one's thoughts and crowd out of one's personality the thankfulness and humble appreciation for the blessings we enjoy.

The key to contentment and happiness, then, is found in the state of mind—not the state of the bank account.

## Price by Pound

In New York City supermarkets and other food retailers are now required, (as of November 1st,) to label a variety of products with the price per pound or quart—not just the total price.

The city's Department of Consumer Affairs seeks to enable the average housewife to quickly compare prices of similar items, even though the size of packages vary. This simplification of pricing is the first such regulation in behalf of the shopper in a major U.S. city.

Critics of today's pricing system have long

complained that the average housewife cannot quickly determine the price per pound, or per quart, of goods in various sized packages—some tending to confuse or fool the buyer and, critics say, intentionally so.

If the New York pilot project is well received, the same requirement might eventually be applied to packaged foodstuff in all parts of the country. Already the system applies to loose vegetables and fruits, there's no reason why similar pricing should not be printed on labels of packaged foods.

## Cigs Out!

At the University of Pennsylvania hospital authorities ordered all cigarette vending machines out of the hospital. Ralph Perkins, executive director, said the machines were removed on orders from the hospital's manager and medical board because they could not, in good conscience, allow health

hazards in a hospital. "Since our hospital is involved in the saving of lives we can no longer, in good conscience, continue to supply our patients, employees and visitors with a known killer like cigarettes," he said. Puffers, are you listening?

## A Boy's Development Affected by Football?

By Nathan Gottlieb

Question—What effect do you think the game of football has on the development of a young man?

Where asked—Belleville Varsity Club dinner held at the Robin Hood Inn to honor this years football team.

Joseph Lotruglio, 227 William Street, Belleville; father of Joe Lotruglio, Bellboy quarterback

I think football is terrific. Nothing can be better for the development of a boy. For my son, it has made him healthy and has given him confidence in himself. My son has definitely gotten more mature since he has been playing the game. It makes him feel more grownup and lets him feel he can do things alone without depending upon his father. I think the competitiveness of the sport will help him in his later life, in anything he ends up doing, whether it is in business or a trade.

Gus Ritacco, 56 Mitchell Street, Belleville; father of Joe Ritacco, Bellboy end the team's most valuable player. My son has matured a lot quicker because of football. He has learned the value of teamwork, which is invaluable in later life. It has taught him that he will get knocked down but that he must get back up. He has learned that if you put forth effort, the rewards will come in

the end. I think it has been wonderful for his growth. Patrick LaMorte, 425 Greylock Parkway, Belleville; father of Bellboy defensive halfback Pat LaMorte, winner of this year's most improved player award.

I go for football very much. It keeps kids out of trouble. I have been bringing Pat up through sports for a long time. I also coach in the Recreation Department leagues for 14 years. It has been a lot of help for my son. He understands the sportsmanship part of the game very much, and has matured an awful lot. The game has made a man out of him. My own experiences in sports has proven to me that they are invaluable for a youngster. They keep his mind and body occupied and take all that extra energy out of him.

Jerry Corbo, 142 Franklin Street, Belleville; father of Rich Corbo, Bellboy defensive guard.

For Richie, it has been the

best thing for him. He was 280 pounds when he started playing, and now he is down to 220. Football made a man out of him, both mentally and physically. He is going to college and football has helped him learn discipline for this endeavor. I would say he enjoys football and he expects to carry it on in college. I am very pleased with what football has done for my son.

Mr. Lotruglio

Mr. Ritacco

Mr. LaMorte

Mr. Corbo

## Seema Only Yesterday

### One Year Ago

Ice-skating rinks, at Plauson and Fairway playgrounds were definitely considered an impossibility for the year. Bids received at the town meeting were rejected for being excessive. Though a resolution was passed by Clerk Eugene Barnett to readvertise for proposals, it was too close to winter to start construction.

Belleville exalted ruler William Radziewicz of Elks Lodge No. 1123 reported that contributions were coming in from all over the state for the annual Crippled Children's rehabilitation work. A goal of \$200,000 was set for the year's drive.

### 5 Years Ago

Belleville merchants decided to attend a meeting of the town Council en masse to protest against the new licensing ordinance approved by the Council, which increased fees by hundreds of per cents. The businessman planned to ask the council to delay the ordinance for a period of three months.

John R. Basile of 84 Charles St. became the fourth candidate for one of the three seats on the Board of Education. Also seeking election were James H. Leary of 46 Overhill Road, Miss Evelyn C. Hannan of 26 Perry St., and Rocco H. Saletta of 115 Garden Avenue.

While compiling a 5-3-1 record on the field, Belleville High School's gridgers defeated four Big Ten conference opponents, lost to two, and tied one to place second in the conference ratings.

### 10 Years Ago

Three ordinances passed first reading before town officials. One was for an \$11,000 truck for the Public Affairs Department for spraying; another \$8,300 for a new accounting machine and a third to change the bookkeeping system to allow for a 53-pay period schedule.

Leo Finkelstein, branch manager of Food Fair Inc., announced the opening of a new ultra-modern Food Fair supermarket at 554 Washington Avenue. The new store was constructed on the same site as that of the former Food Fair which was destroyed by a fire in 1958.

The Times learned that a school evaluation survey made in 1950 by Columbia University erred in its projections by more than 800 students. Columbia predicted an enrollment of

9,180 students by 1959. According to figures compiled by superintendent of schools Fran Thomas, present enrollment was 5,322.

Final plans were completed for the Sixth Annual Christmas Party of the Kenneth D. Smith Association. Father Egan and boys from Boystown of New Jersey were slated as guests of standard bearer Smith and members of the association.

### 15 Years Ago

Kenneth Murray, Past Grand Knight of Belleville Council 835, was appointed District Deputy. Alfred Bonaiuto of Brighton Avenue was found to have been paying taxes for thirty years on 18 feet of Belleville frontage which did not exist. Officials could not explain how the mishap started or was perpetrated. Miss Patricia A. Maucione, daughter of Mr. & Mrs. Charles Maucione of 81 Continental Ave., was awarded a \$200 scholarship.

### 25 Years Ago

George Rearick, the man who guided the education and training of a generation of Belleville school children and who made them step fast while doing it, died at the age of 80.

Police Lieutenant Kenneth Smith, head of the traffic bureau, submitted to Chief Spatz a strongly worded report on two instances of release of traffic violators under insufficient bail. Lieutenant Smith stated that bail for all traffic violators should be fixed.

When Mr. & Mrs. David Sundheimer moved into their home at 243 Ralph Street 22 years ago there was a bulb in the light on their front porch. After 22 years of service, it finally quit. The Sundheimers believed that the 22 year record set up by the Mazda would be hard to beat.

### 50 Years Ago

Mayor Walters' informal report to the commission declared that two fire trucks were in bad condition and a number of alarm boxes were inadequate. The Mayor recommended the purchase of a new truck and rejected the idea of using horses.

On the grounds that fire protection facilities in Belleville were inadequate, The Essex County Schedule Rating Bureau raised fire insurance five cents per hundred dollars.

# Speak Up

## Youth Questions Silent Majority

To the Editor:

On November 4 the people of the State of New Jersey voted against the referendum to give 18-year-olds the vote. I asked some adults how they voted and why. Most of the people who voted yes said that they believed that the young should have some sort of say in their government. The people who voted "no" said that this was a great opportunity to strike back at the students who were violent and destroyed colleges and started riots. They said that they were part of the strong and silent majority.

It is my belief that the silent majority is strong and intelligent, but I also believe that it is weak, very weak in many ways. Most of the "no" people voted no because they wanted revenge. Is this a way to judge an election which will involve all 18-year-olds? I don't think this is right. Look at yourselves, the silent majority. You indirectly put us into a war because you failed to move at the right time, but I, a teenage student don't condemn all of you.

I also believe that riots and destruction are stupid and no way to get what you want.

In our so-called "great society" all we see on newscasts is student riots, student revolts, but never student becomes lawyer or doctor or anything good.

The students also have a silent majority, made up of future lawyers, doctors, teachers, congressmen and many more. yet we are judged only on the students who revolt with violence. I cannot see my whole generation being put down or degraded one step and not even given the right to determine their own future because of the

very few radicals.

Just remember you the silent majority were so silent in the 1960's we ended in a war of hell. If you refuse to let us speak why don't you get up and speak. You have the right, we don't.

Steve Rogers  
Belleville High School.

## Don't Cheat The Children

To The Editor,

In my opinion the views of Mayor Ken Smith and his supporters, who would try to deprive the children of Belleville of a good education, are wrong.

These are the same people who turn down the budget every year. These same people were the first to shout when the high school lost its accreditation, and were also the first to back money for a new high school.

Now that the high school has regained its accreditation they think everything is fine. They are wrong. A good education costs money.

The ability of the students in Belleville to compete with others for a place in our colleges and universities depends on the quality of Belleville's educational system.

Is it worth the extra money to give your children the chance for better education and a chance to get into college? The choice is yours; more money for better schools or cut the budget and cheat your children.

Sincerely yours,  
CT3 R.H. Abele  
Naval Security Group  
Scotland

# Mayor Calls For Massive Modernization

(Continued from Page 1)

prisoners are sent to Nutley for housing.

"We have three fire departments in town in such dilapidated condition it is a shame to ask firemen to stay in them. One fire engine we bought in 1929 is gone, and yet we are asking men to fight fires and save lives."

Among the conditions the Mayor cited as deplorable were: better recreation facilities existing in 1928 than there are today; a library built in 1908 for a town of 4,000 people; and water lines in the Valley completed in 1869 to service a town of 1,870 people.

One of the most significant aspects of the Mayor's speech was his proposal to rejuvenate the Belleville School system. Since February, the Commissioners and the Board

of Education members have been at each others throats over the school budget, which was rejected twice by voters and then cut substantially by the town governing body. The Board appealed to the State Department of Education and was restored \$128,000. Last week the Commission announced its decision to appeal the restoration.

The Mayor's program would open up a channel for cooperative action between the two bodies, something Board President Dr. Frank DiRuggiero has been hoping for. The doctor told the Times that he was quite pleased with the Mayor's proposal.

Thus in one fell swoop, the Mayor squelched recent criticism that he was against better education in Belleville. In explaining his moves, the Mayor said, "I am aware that people will say, now Smith you're talking through your hat. Well I don't believe in repairing by pieces. The Board of Education has \$5

million borrowing power and should use it to fix up the schools. The only thing that can stop us now is our citizens clamming up, thinking it will kill them tax wise."

Winding up his momentous speech, the Mayor said that "Belleville is at the crossroads. We can only go down, unless we do something about it. If our Commission and the Boards of Education and the library put our heads together, and get bonds issued under a capital improvement program, we can do it. Until then, we will be going the way Newark is today."

In an interview with the

Times, the Mayor emphasized what has to be the key issue of the whole program, the bonds. It is his hope that through the issuing of bonds, major improvements can be realized at a minimum cost to taxpayers.

One objection sure to be raised against the bonds is the current high rate of interest being charged on the market. Town treasurer Francis McCoy, a strong advocate of the Mayor's plan, saw three factors that would tend to offset the high rates. First of all, McCoy points to a statement made at the Manufacturers dinner by a representative of a large Wall Street Brokerage firm, in

which he said he could foresee no appreciable drop in bond interest rates for quite some time.

Would waiting be feasible? Not so, according to McCoy, who says that with construction rates rising eight to nine per cent each year, the town would lose more in the long run by waiting for a drop in interest charges. Behind all this reasoning, the town must first decide whether the urgency really exists for a massive modernization. (reports on town owned property are featured in today's Times.)

A third factor which McCoy stresses is Belleville's debt status. According to the

treasurer, the town has the lowest in-debt service in the state. McCoy's figures reveal that Belleville's debt as of December 2, 1969, was \$739,018.74. The total debt is only little more than one third of one per cent of the value of real property in Belleville. McCoy also says that by 1973, all bond debts for the town will be paid off. An additional factor is the \$100,000 earned this year by the town in short term investments engineered by McCoy.

Tax rates, according to McCoy, wouldn't have to fluctuate despite the massive bond issue. McCoy reports that Belleville is one of the

few towns with the power to regulate its own bond payments. With careful arranging of these payments, McCoy says, he can keep Belleville's tax rate steady.

**Resolution Honoring GI's Gets Rodino's Endorsement**

Rep. Peter W. Rodino said today he was very gratified with the House Armed Service Committee's action in approving a resolution he co-sponsored to pay tribute to American servicemen and veterans of Vietnam.

The New Jersey legislator stressed that "regardless of differing positions on the war and ways to bring it to an end, I believe all Americans recognize the sacrifices and dedication of our servicemen who have participated with courage, initiative and devotion to duty in what is probably the most difficult war in our history."

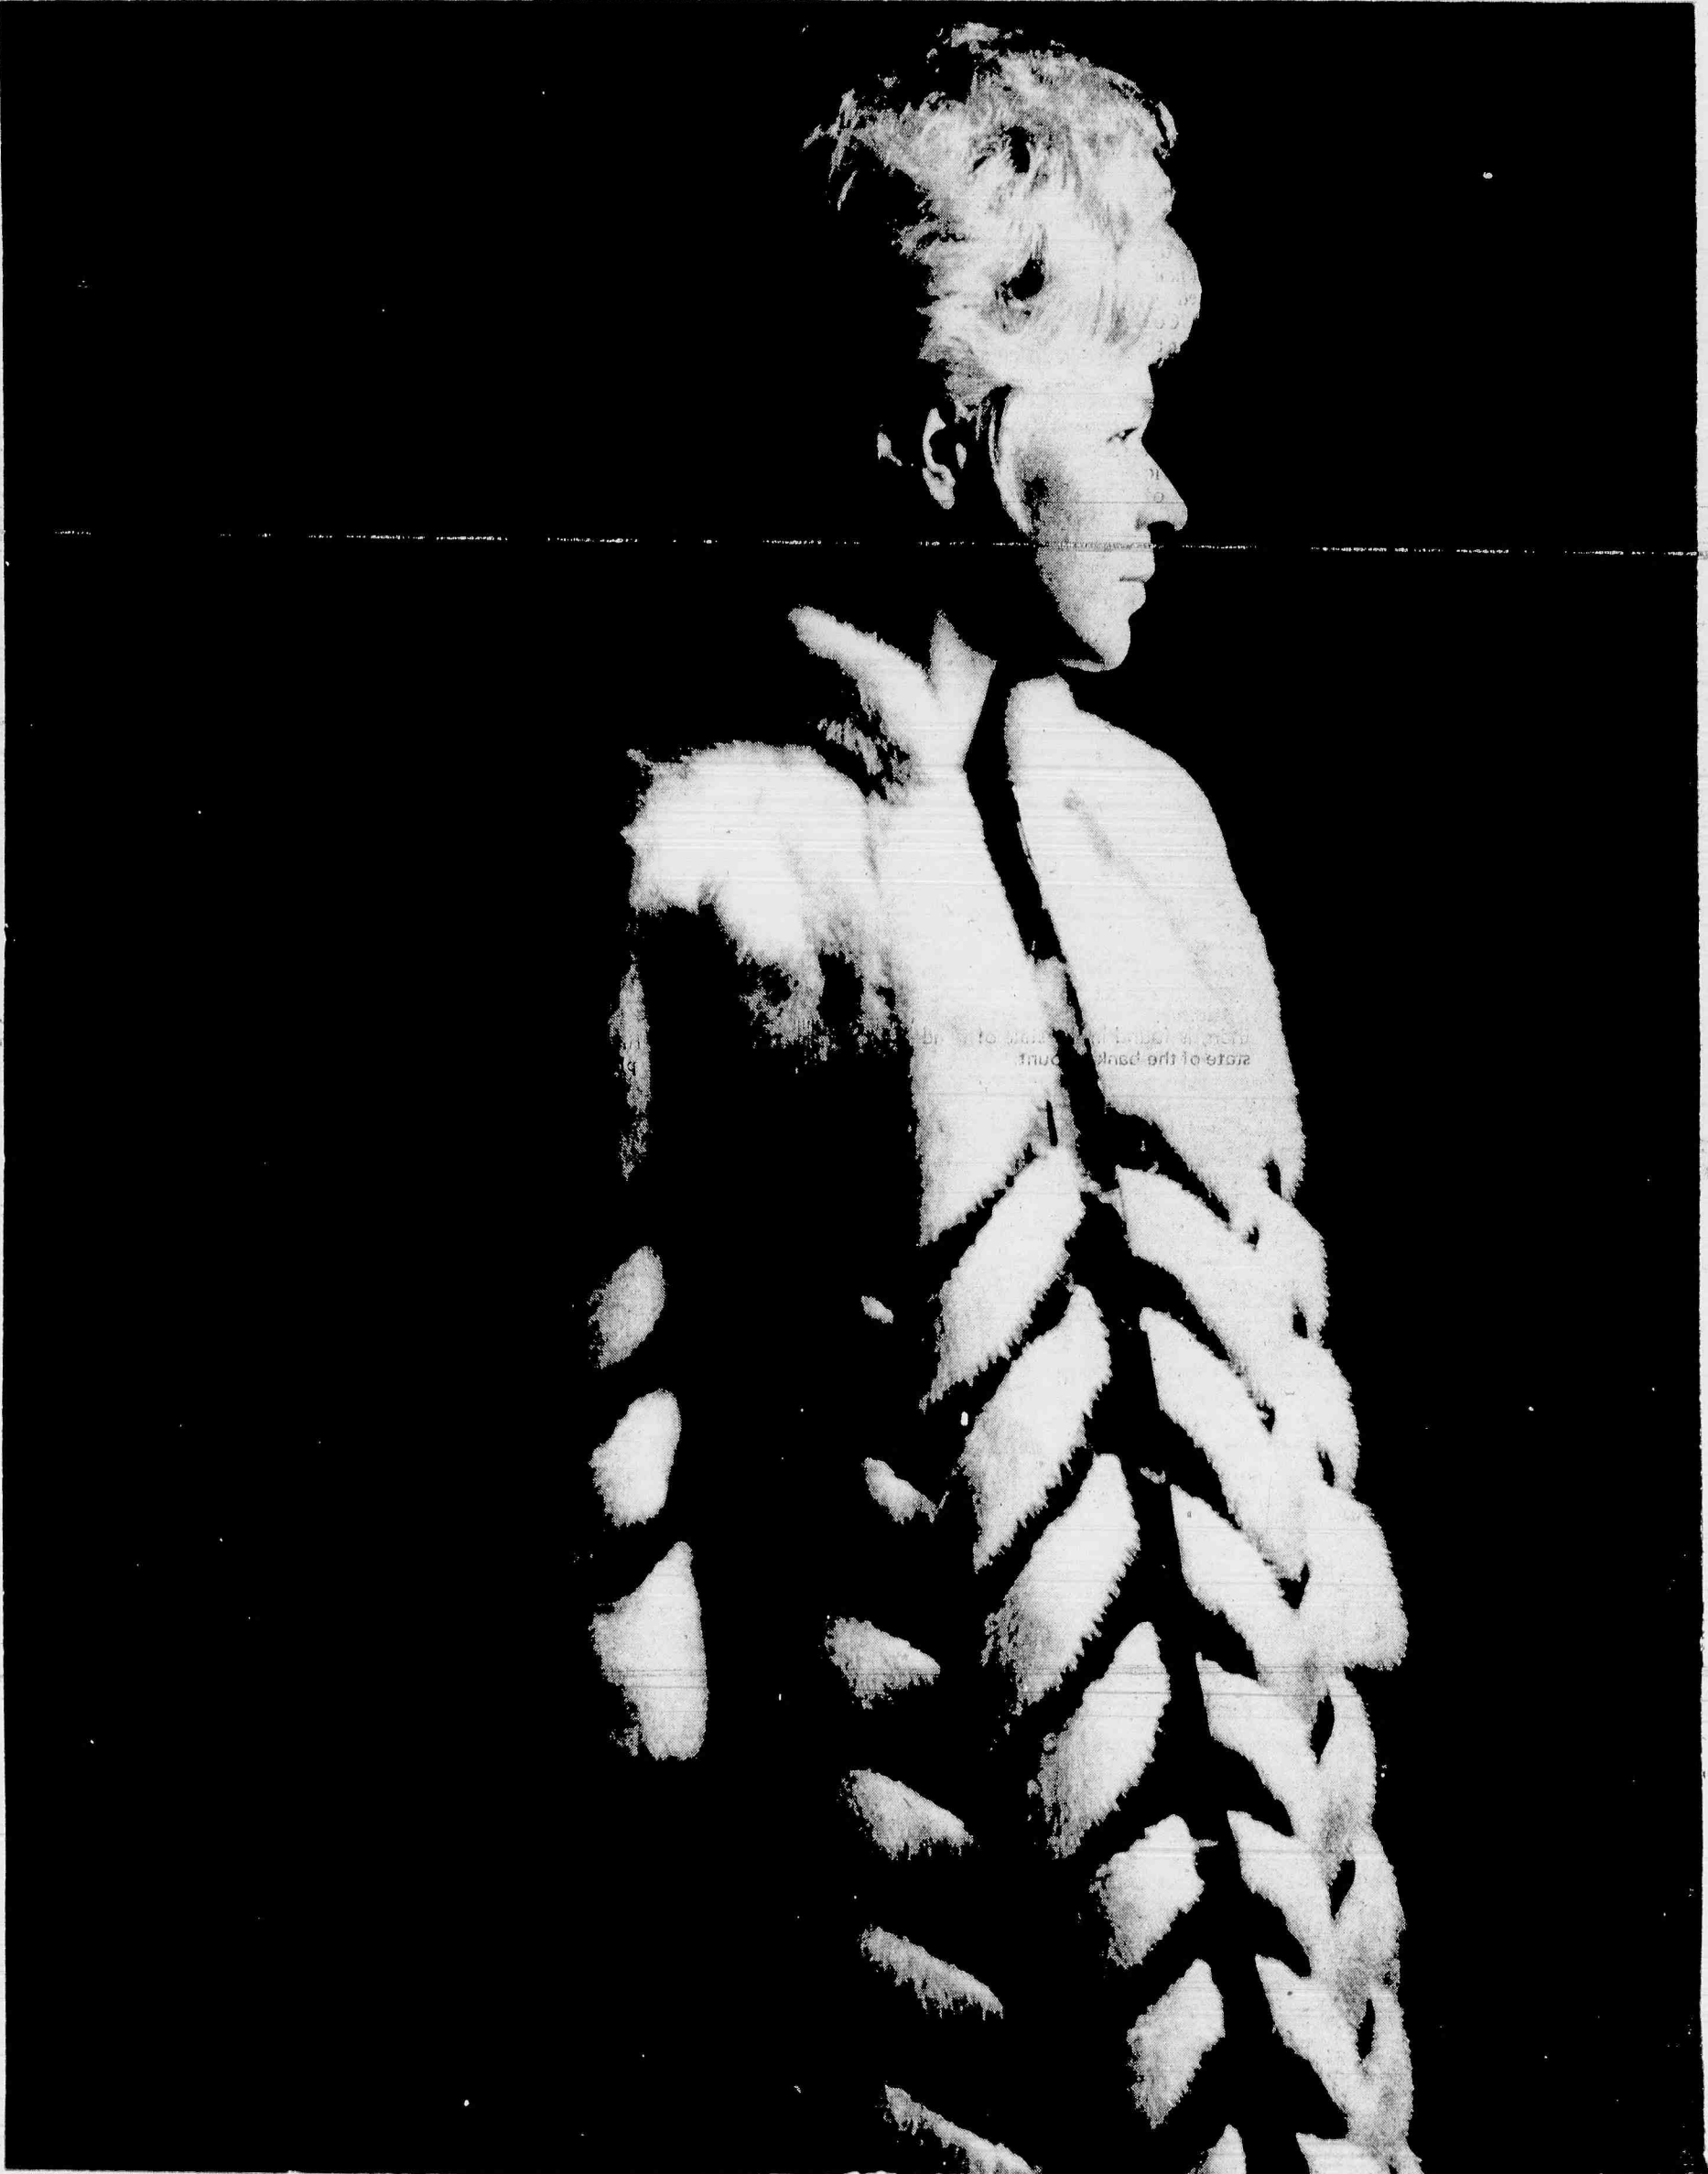

The resolution, Rodino explained, expresses the tribute of the House to the servicemen who have given their lives and suffered wounds in Vietnam and commends each veteran of the conflict for his dedication and bravery.

**PLAQUE PRESENTED** — Theron L. Marsh, left, president of United Community Fund, presents plaque for distinguished service to Peter Cartmell, general chairman of fund drive, at campaign luncheon on December 4.

## Community Fund Tallies Collections

Calvin S. Koch Sr., reporting for Mayor Kenneth Smith, Belleville chairman of the current United Community Fund campaign, announced that Belleville still stands at \$6,084 for 60 per cent of goal at the Fund report meeting held December 4 at the Military Park Hotel.

Koch stated that all returns are not yet complete and that the report should change substantially in the next week.

Peter Cartmell, general chairman of the over-all drive which includes West Hudson, Newark, Nutley, Belleville, Irvington, the Oranges and Maplewood, announced that

### Gas Industry Economists Name Woman As Chairman

Mrs. Charlotte J. Mitchell, home economics supervisor of Elizabethtown Gas Company Elizabeth, has been named chairman of the Home Service Committee of the American Gas Association.

During her two-year tenure, Mrs. Mitchell will head a national committee of gas utility home economists who prepare consumer information materials sponsored by the natural gas industry.

\$3,523,278 for 88 percent of the \$4,000,000 goal has been received to date, but that with about six more weeks of active campaigning it is expected that the Fund will raise approximately \$3,925,000 for 98 percent.

He pointed out that none of the divisions has completed its work to date and that the volunteers will continue until it is completed.

The report meeting was attended by 500 volunteer leaders and Theron L. Marsh, president of the Fund presented Cartmell with a plaque for distinguished service as general chairman.

### Public Service Gas Company Has Completed Negotiations

Public Service Electric and Gas Company has completed negotiations for the sale of 1,700,000 shares of Common Stock to a group of underwriters headed by Merrill Lynch, Pierce, Fenner & Smith Incorporated at a price of \$24.20 per share.

The underwriters began offering the shares to the public today, at a price of \$25.00 per share.

## Italian-Americans Honor A. Di Chiara At Recent Dinner

The Belleville - Italian American Civic Association honored its President Aldo Di Chiara, at a dinner held at Beppes Restaurant.

Di Chiara was elected senior national vice commander of the Catholic War Veterans of America. Making the introduction and accomplishment speech on the activities and career of Di Chiara was Frank Ceres who during World War II was chief clerk in the intelligence section of the Strategic Air Force in Europe under the Command of General Carl Spaatz.

Presenting the gift, which was a traveling bag, was Pompey Molinaro who held the Rank of Captain in the United States Army during World War II.

Serving on the committee were Joseph Sciacca, chairman, Phil Mairoca, co-chairman; Pompey Molinaro, Awards chairman; Frank Ceres, arrangements; and Al Vecchione, reception.

## Realtors Urge Tax Bill Defeat To Stop House Building Decline

A sharp decline in the construction of apartment buildings for families of all income levels if the so-called tax reform bill now before the Senate is passed was predicted today by William Johnson, president of the Board of Realtors of Bloomfield, Glen Ridge, and Belleville.

"Such a cut in an already sagging housing market would only accentuate the already existing shortage of dwellings and would point up the paradox of the federal government professing to want to stimulate construction on the one hand while actually taking steps to discourage it," he added.

This contradictory situation results from the Senate Finance Committee's refusal to heed the warning of realtors, home builders, and developers and investors for commercial and residential structures that the house-approved provisions of the tax reform bill needed drastic overhauling, Johnson

explained.

He cited Senate Committee approval of the House version limiting depreciation to the straight line method for all existing buildings as the most serious because it would sharply restrict the resale market for buildings, thereby deterring investors and developers from new

construction.

# Why Blue Cross is in the Red

AVERAGE DAILY HOSPITAL COSTS

BLUE CROSS MONTHLY RATES

These charts sum up the problem in black and white, and red. Blue Cross has been attempting to meet ever-growing hospital costs, with a fixed income. You know from your own business or household budget that cash does not stretch. So, Blue Cross has just been going deeper and deeper into the hole to meet day-to-day hospital bills. Even the recent temporary rate increase does little to help.

Obviously this situation can't continue. The drastic imbalance of income and outgo must be corrected. The question is "How?"

### LIMIT BLUE CROSS COVERAGE?

The uniqueness of Blue Cross is that it meets substantially all of a member's hospital bills. If Blue Cross provided only a fixed sum to be applied toward your hospital bills, the Blue Cross premium you pay would be sufficient to cover all claims. Of course, this solution means that members themselves would be forced to absorb the additional hospital costs at a time when they are least able to.

### EFFORTS TO KEEP THE LID ON HOSPITAL EXPENSES

Hospital costs have risen almost twice as fast in the last four years as they did in the previous five. Or, to look at it another way: Daily payments to New Jersey general hos-

pitals increased by more than 60% during the period 1965 through 1969. If those costs could be cut back, the situation would right itself. Since it is impossible to eliminate legitimate expenses, every effort must be made to control them by avoiding unnecessary hospital expansion and use.

The Health Facilities Planning Council has been established to review all plans for expansion and construction to keep new hospital expenditures within bounds. This is a step in the right direction. But, many leaders have recommended that the legislature go even further in the protection of the health care dollar, and empower a state authority to oversee hospital expenses and expansions.

Blue Cross has instituted Approval by Individual Diagnosis (AID) which has contributed substantially to reducing the length of hospital stay for members. In fact, Blue Cross' AID plan has helped to reduce average hospital stay from 8.52 days in 1964 to 7.67 days in 1968.

### BASIC ECONOMICS

Even with all of this, the Blue Cross picture remains gloomy. The average monthly income for New Jersey Blue Cross so far in 1969 was \$15 million. The average monthly outgo has been \$17.5 million. The resulting monthly drain has left Blue Cross \$18 million in the red. The recent temporary increase of 28.5% was supposed to

arrest this continuing drain. But it doesn't help reduce the monstrous debt we have already incurred.

Private business when faced with a situation of this kind winds up in bankruptcy. And, unless our books can be brought back into balance, so will Blue Cross. Leaving you, and three and one half million other New Jerseyans, without the hospital protection you have come to depend on over the past thirty-seven years.

This is why it has been necessary for Blue Cross to request an additional increase—to bring us back to a sound operating base and erase the deficit.

### THE ONLY ANSWER

Blue Cross is a non-profit service corporation whose only source of funds is the rates paid by you, the members. Our only purpose is to use these funds for your benefit in the most effective and economical manner.

Our only recourse, then, is to come to you as we have, put the facts before you, and depend on you to close the gap.

For our part, we at Blue Cross pledge to persist in our efforts to avoid unnecessary hospital costs, to continue to carefully control our own operating expenses (which are 5¢ of your subscription dollar—substantially lower than those of commercial insurers) and to keep providing the kind of coverage that takes the financial fear out of being sick for our members.

## Hardman Names Sales Head

Robert P. Armswood of Cedar Grove, has been promoted to sales manager of the Triplomatic Division of Hardman Incorporated, compounders of resins and elastomers and manufacturer of special machinery.

The promotion was announced by Alan Hallworth, manager of the Triplomatic Division, which produces mixing, metering and dispensing equipment for multi-component resin systems.

Armswood was graduated from Upsala College in East Orange. Prior to joining Hardman in 1967, he was associated with Vitro Laboratories in West Orange and Schering Corporation in Bloomfield. Armswood has had a diverse background in organic, inorganic and

electrochemistry, in addition to broad technical sales experience.

He is married and has three children.

Robert Armswood

Local Car Dealer  
To Attend National  
Meeting In Arizona

Joseph Pfeffer

Joseph Pfeffer of Bigelow Motors, Incorporated, Belleville, will attend the semi annual meeting of the National Chrysler-Plymouth Dealer Council in Phoenix, Ariz., December 3-5.

He represents Chrysler-Plymouth automobile dealers in the New York sales region, which consists of New York City, Long Island, Westchester, Rockland, Putnam, Dutchess, Sullivan, Orange, and Ulster counties in New York State, part of Connecticut and the northern half of New Jersey.

## Management Course Ends For Resident

Joseph P. Schork Jr. of 31 Brighton Avenue, Belleville, has completed a three-week course in service station management at American Oil Company's Dealer Development Center in Elmsford, N.Y. He operates the branded service station at Bayway Avenue, Elizabeth.

The center, one of 12 conveniently located throughout the nation, is devoted exclusively to teaching independent businessmen the variety of special skills necessary for the successful operation of a modern service station.

Through his successful completion of the training course, Schork has earned the title of certified American Oil dealer. Among subjects covered were electronic motor analysis, manufacturer-recommended servicing requirements, and the company's own customer-oriented sales philosophy. Dealer Schork was also trained to provide American Oil Motor Club services to customers belonging to the nationwide plan.

All new dealers becoming affiliated with the nationwide oil company are expected to participate in the development program, which includes both classroom and on-the-job training. The centers are staffed by full-time professional instructors and equipped with numerous modern teaching aids.

Dealer Schork and his wife, Diane, have one child, Debbie, 4.

## Local Insurance Agent Gets Underwriter Award

Ralph J. Gennell, of Belleville, district manager of Rutherford Agency of Metropolitan Life Insurance Company was awarded the coveted Chartered Life Underwriter designation at National Conferment Exercises of the American College of Life Underwriters in Washington, D.C. on September 26.

The American College of Life Underwriters grants the C.L.U. designation to persons engaged in activities relating to the insuring of human life values and who pass a series of professional examinations and meet the stringent experience and ethical requirements of the College. This year 2,000 men and women will be awarded the designation, bringing to 21,454 the number of people who have received it since the College was founded in 1927.

Gennell began his career as a field life underwriter with Metropolitan in 1947 and was promoted into the management ranks in the Atlantic City and Irvington districts.

In 1951 he was assigned to the home office training division and was later put in

charge of the company's training operations in New Jersey, Delaware and Maryland.

A graduate of the University of North Carolina, Gennell is a member of the Nutley Elks, Eta Phi Alpha Fraternity, the National Life Underwriters Association, the General Agents and Managers Association, and the Newark Chapter of the American College of Life Underwriters.

Gennell lives with his wife and children at 116 Fairway Avenue in Belleville where they have resided for the past 25 years.

The C.L.U. program was established to meet the professional education needs of the men and women who provide life and health insurance service for the public. The courses cover such areas as: fundamentals of life and health insurance; group insurance; health insurance and pensions; law, trusts and taxation; economics and finance; and business insurance and estate planning.

The typical candidate for the C.L.U. designation enrolls in a special study class at a college or university and

Ralph Gennell

spends four to five years in the program. Locally, classes are taught at Seton Hall and Fairleigh Dickinson Universities. Persons who attain the Chartered Life Underwriter designation are privileged to use the term or its abbreviation (C.L.U.) after their names and to wear the C.L.U. key. They are also eligible to become members of the American Society of Chartered Life Underwriters, a professional body whose principal objective is to maintain high standards of insurance service to the public.

## Can Jitty Revive The Bellboys

**By Nat Gottlieb**  
The Bellboy basketball team travels to Garfield tomorrow to open up what promises to be a most unusual season.

For one thing the Bellboys have a new coach. Well, almost a new coach. Herman "Jitty" Wische, Belleville High School athletic director returns to the coaching ranks after a long absence. Jitty brings with him a reputation as one of the best coaches in Essex County history. The "new" coach came out of retirement when

last year's mentor, Paul Szm made a rather hasty exit from the job, leaving the team without a qualified replacement.

What Jitty has inherited is a squad which has finished two straight seasons with identical 3-16 marks. In fact, in the last seven years, the Bellboys have won a mere 50 contests.

What will make this season so unusual, is that Jitty has ten starters. The way the former professional football player explains it is "right now I'm trying to find out who's who on the team." Without the customary familiarity with his players that a returning coach usually enjoys, Jitty has had to face two difficult tasks. The coach has had only two weeks to analyze his personnel and to teach them his famous "zone defense with a man-to-man principal."

Right now he says only game conditions will reveal who his best ball players are. Jitty listed last year's star scorer senior Vinnie Costantino as his only sure starter, but hinted that even his job is not secure.

"We're not going to build our entire offense around just one man as some of our opponents might think. It is going to be a total team effort. We've got some pretty good shooters and I'm going to use them all."

As it shapes up for tomorrow's game, ten men will see action. At center, William Haynes and John Paucello will battle it out for the job. Costantino and Rocco Marotti will vie for the left forward spot, with Joe D'Alconzo and Richard Motaeki fighting it out for

the other forward slot. Left guard possibilities are Ronald Schulz and Richard Caravetta. Michael Petronaci and Al Casoletto will compete for the right guard spot. Two other players, Sam Rossamilia and Steve Tremel will be used on the all-court press.

Jitty says he will decide today which of these men will take the court first.

Missing from the lineup will be Anthony Nucera, who was counted upon to produce points at the center position. Nucera came up with a bad knee and will miss the first half of the season.

Height will be the Bellboys main problem when they take on Garfield tomorrow. The tallest two men are Haynes and Costantino at 6'2". The biggest guard is amere 5'9" (Caselletta). Emphasis then, will be on strong defense, which has been a trademark of Jitty Wische teams.

"We're going to try and confuse the offense, steal balls and create turnovers. We will also emphasize good ball control, with as few turnovers on our side as possible. We want to make sure opponents earn their points."

Thus far the team has made quite a few mistakes in trying to learn Jitty's defensive system. They have lost two scrimmages, one to Essex Catholic and one to Irvington Vocational.

There is no cause for alarm, however. Jitty says even when he had his best teams, he rarely won scrimmages.

"I use the scrimmages to test the potential of my men. I don't go out and try to win them. That's not what they

FINAL WARMUP — Bellboy basketball coach Herman "Jitty" Wische gives some key instructions to (l-r) John Pucello, Ron Schulz, Rich Motaeki, Rich Caravetta and Vinnie Costantino in preparation for the season opener tomorrow at Garfield.

### Bow-Arrow Hunters Have Good Season

New Jersey bow and arrow hunters enjoyed another successful season as shown by the tentative harvest figures released by the Division of Fish and Game of the State Department of Conservation and Economic Development. The deer report cards received by the Bureau of Wildlife Management through November 14 totaled 1,347 as compared to 1,227 received by the same date last year. Last year's final tabulation showed 1,501 deer harvested setting our present record. Based on past experience, additional cards are expected, the result of various factors.

All cards will be reviewed before the final deer harvest report and present county totals may change slightly. The complete figure will be announced before the firearm deer season December 8-13. Hunterdon County, as in the past, again had the highest harvest, 303, followed by Warren, Morris, Atlantic and Burlington.

### Sports Corner

By John McCarthy

Belleville's wrestlers are looking forward to their first winning season in eight years. The wrestlers are confident in each other and a team spirit is definitely visible as they talk of team strength and not necessarily individuals.

Captain Jessie Towns is probably the most talked about wrestler in the school. Last year, Jessie was the District Champ and he's ready to do it again. Coach Jim Silvestri uses his favorite expressions when talking of Jessie, "He's tough" and "He's going to go all the way."

One thing about the wrestling team, its hard to say who's going to be the best at each weight class. Sometimes a wrestler can improve after a few JV meets and sometimes the boy who thinks he has it all wrapped up finds out something quite different. Anyhow, here's some ideas of who will be going in the first varsity meet.

At the 98 pound class, sophomore Gary Ginta is the best bet. He's inexperienced but could learn. The 106 class will probably be filled by Angelo Zoppi, a tough little junior who wrestled in a few varsity meets last year.

Louie D'Uva and John Mustacio will be having quite a fight for the 115 group. The first senior will be Bob Arlt at 123, but junior Bob Zarr could come up with a few Surprises.

Another tight decision will be between junior Vito Marcollese and a sophomore Steve Risimini at 130 lbs. The next is the easiest to pick, at 136 varsity Jessie Towns will be the top wrestler.

The 141 and 148 classes will depend upon who makes the weight. They'll be between football star Ricky Caruso and a good wrestler, John Salvato, who just missed his letter last year. Frank Savastano is in line to have the 157 group all to himself.

The heavier weights, 167, 178 and unlimited will have three experienced wrestlers. Carmen Russamano will take the 167, Sal "Sally Beans" Bivona will take 178, and whether Joe Valvano or John Atherton will be at the unlimited weight is not really important, they've both had JV experience.

While the boys are all ready to go, the coach shows a little more tension. He points out that only three boys earned letters last year, and one, Charley Gingerelli, is out for the year. The second, Jessie Towns, will be good, but while the third, Sal Bivona, was said to be a good wrestler, the coach reminded that he had shared the varsity spot with Jim Wille. It all adds up to the coach's final statement, "It's a green year, but I hope we can salvage it."

\*\*\*

At a basketball scrimmage the other day, Belleville was beaten by Essex Catholic 98-55. Essex seemed to dominate the court no matter what string coach Joe Garvey put in. Garvey's team had a 3-14 season last year, and he attributes the change to "more size". Essex also has only three members of last year's varsity squad back, John Gooseman, Dick Hughes and Paul Francello.

The Bellboys, in their second outing under coach "Jitty" Wische seemed either not confident enough in each other or just plain sloppy. Of all the players, none offered to voice the main problem of the team. Different players hinted different things; some offensive problems, some defensive problems. Either way the Bellboys need a little improvement. Let's hope they get it.

### Rec Basketball Season Opens

The Belleville Recreation Department opened its 1969-70 Basketball season on Wednesday, December 3 at the Junior High School with six lively games in the Recreation Senior League. There are twelve enthusiastic teams in this seasons competition.

Trophies will go to the members of the team which wins the scheduled League play. In addition there will be trophies awarded to the winner of the Playoffs. This season the playoffs will be among the second, third, fourth and fifth placed teams.

The Knicks really had to go all out to squeeze by the Imperials 46-38. Pete Depass poured in fifteen points for the Knicks and Spencer Haywood got ten. Rich DellaTerza was high man for the Imperials with fourteen. Getting behind Charles Carr's

twenty-seven points and Ken Robbins nineteen the Trotters piled up a 71-37 win over the Lakers. Al Truesdale was big man for the Lakers with seventeen.

All of the Falcons got into the act as they thumped the Royals 73-28.

# 'My Wife Can Tell When Football Is Approaching'

By John Amabile

The Times asked Bellboy football coach John Amabile, after his most successful season at Belleville High School, to wrap-up the year in his own words. What we got was a rare insight into the emotions of being a coach. Talking with complete honesty, Amabile relives the season in a way no reporter could capture.

I hope what I write will give to you, the Belleville fan, some insight into what I, as a coach, feel about a football season just completed. You will find this article written in an anecdotal fashion. These words reflect the thoughts that ran through my mind all season. Well, here goes. . . .

August. My wife can tell football is fast approaching. My mind is no longer on the beach, the kids, the lawn. What's on my mind? East Orange.

How do we correct our mistakes from a year ago. How hard, how fast should we bring the kids along? Can we find those two defensive tackles? Will Caruso, Brown, and Bradley come along fast enough. Can we throw the ball well enough this year?

No question about it, we are going to be tough on defense, what with Fury, Bivona, Ritacco, Brown, Tlumacki, Newman, and Albertine back. Fellows like Cappetta, Bunch, Banda, Corbo and Atherton coming up.

How do we develop the ability to produce points without Wille carrying the ball. No problem with speed. Gosh. Have we depth in that offensive backfield. Worried can we throw the ball to Costantino. He can catch with anybody, but can we get

the ball to him?

Punting game looks sound what with Costantino and Valvano back. Punt coverage will shape up. When do we find a replacement for Ciallella in extra points? Big question still is can we score points.

## Scrimmages

Enthusiastic. Excited. Did well in the scrimmages. Defense damn tough. Still having trouble throwing the ball. Banda and Bunch gone for the season. That doesn't help. Found a real find in Bradley at safety. Brown good at defensive halfback spot. Caruso still not hitting the hole. We are ready for East Orange.

Team sky high. Better lighten up on Wednesday. They are ready. We're going to knock them off. I can feel it.

Game time. East Orange's Martens Stadium. These kids are confident. Ritacco, Newman, Fury, Brown really outstanding on defense. We are controlling the ball. Nothing but credit to the team. A tremendous team effort. Boy: That defense really stuck it to them. Felt real bad about Capetta, but that Taibi filled in great for him. We win.

Hope we don't lose momentum. Have an empty feeling in the pit of my stomach. Can we get them up for Bloomfield. They're just waiting to knock us off. Offense has got to be able to explode. Those times we had receivers open against East Orange we couldn't get the ball to them. Hope there's no let down. Bloomfield's strength comes off the power to the slot side. Must stop it. How to keep the QB inside on rollout plays.

Game time. Bloomfield vs.

## Ritacco, Caruso Are All-Stars

The Newark News and Star Ledger all-star teams came out this week, and two Bellboys as expected made the squads. A lot of people, however, including coach John Amabile weren't satisfied at the results.

Senior end Joe Ritacco made the third team All-State, Group IV in the News. In addition he was placed on the second team All - Essex County in both papers.

Star junior halfback Ricky Caruso also made second team All-County in the News, and third team in the Ledger.

Amabile, however, voiced what seems to be the sentiment around town, that the boys deserved to finish higher.

"I think that these people who select the teams are only concerned about selling newspapers," Amabile told the Times.

What the coach was referring to was the opinion, thrown around annually at this time, that the selections are made on a geographical basis to appeal to a wide range of readers.

"Ritacco was really great," Amabile said. "He played every minute of the season, was devastating in blocking, led the team in pass receptions, was second in tackles and nailed the quarterback about 17 times. In addition, he opened up holes for Caruso that were fantastic. I can't see how they slighted him."

"As far as Caruso is concerned," the coach went on, "where do you find a more exciting runner than him. If Caruso had a hot day against Orange and wound up first in scoring in the County, what

Belleville at Municipal Stadium. What a crowd. Turnovers. I hope I never hear that word again. Two fumbled punts, four downs to score on the one. Couldn't get it in. Oh, What a Horrible Call. Gutless officials. Right on the play. Everybody in the stadium saw it bounce. Our offense is killing us. Sounds familiar. Heard that someplace before.

Pick up the pieces. Biggest game of the season. Nutley, away. Boy are they big up front. What a quarterback. Gaccione real tough runner.

Game time, Nutley's Park Oval. What a way to open a year. Bang. T.D. What a throw. Nutley tough defense. We are flat. No blocking. Nobody coming off the ball. Oh God. We are flat. Defense saving time and again. Papisidero hit with the bomb. Can't establish the running game. Newman. Oh Roy. You should have scored. Big play. Interception of that pass and we could have blown it wide open. TURNOVERS. TURNOVERS. Blocked kick. Fumble on the first play. Boy. Kids are folding. Would you believe it. We are losing by two, by two. Can't generate an offense. We lose.

## Identical Mark

I don't believe it. Right now we have an identical record to last year at this time. One and two on the season. Going back to fundamentals. Bull in the ring, one on one drills. If anything else, we're going to block, block. Passaic. Got to bounce back. Refuse to accept anything else.

Passaic. Irvington. How we come alive. Getting off the ball. Caruso just great. Blocking by Mango, De Feo, Valvano, Black, Albertine and Ritacco open up huge holes.

How about that Bradley. Great effort by the offense. Really starting to click. Defense. Just brilliant. Nice to have guys like Atherton, Tlumacki, Albertine, Corbo, Ritacco, Bivona, Taibi, Bradley, LaMorte, Brown Ziegler on a ball club.

Hey. We are three and two. Garfield. Big one. This can make us go. Kids sky high. They're ready.

Game time again. Garfield stadium. Turnovers. Garfield—30 yards rushing. I don't believe what I'm seeing. Six TURNOVERS. Four pass interceptions, two fumbled punts. What a game these kids played. Awfully proud of them. What a drive. All for nothing? No time outs left. We are moving the ball. Call a 38 power. Can't understand why we didn't score.

Saw the films. Can't believe what I saw on the 38 power. One of our offensive lineman scrambled to his knees, let the defenseman penetrate. Caruso had the end zone if there wasn't any penetration. What about a couple of plays before? Throw a 10 throwback pass. Fell off Costantino's hands by inches. Twenty-eight seconds on the clock. No time outs. Call a bootleg pass. Run or throw. If incomplete go for the field goal. Clock will be stopped. Good fake by Papisidero. Costantino has his man by

five yards. Oh NO. Pass to low. Should have arched ball. No complaints. Kids tried. What a game they gave us. We're going to be tough in the last three.

## Kids Hungry

West Orange, Kearny and Orange. Our kids are hungry. They want to win. No let down after Garfield. They're going to be alright.

I would like to summarize the last three games together. Offense really came into its own. Defense has been great all along. Last three games just brilliant. One touchdown scored by all three. We scored more points in our last three games than we did all last season. Caruso ran wild. Really hungry for that end zone.

Kearny. Caruso had 198 yards rushing. Brown came back against Orange in great style. The play of Newman in the Orange game was very satisfying. This defensive team has to rank in the top of my book. Held their opponents to 600 yard rushing all season. Less than 500 passing. Gave up no more than 10 points per game. What a group. Twenty coming back. What a nucleus to work with.

## Next Season

Question. How do we replace Bivona, Fury, Ritacco and Taibi. This is key to next

year. We are going to score points. Must develop replacements at linebacker. and end. Right now its got to be from Russomano, Jones, Della Terza at linebacker, and DePaul and Moscara at end. Good sophomores coming up at these positions. Ciallella, Vialo at linebacker. Robinson at end. Nothing like experience, though. I feel good. Feel like I really accomplished something this season.

Itching to get started next

season. Got to place these seniors in college. That's really the purpose for all of them. To go on, get degrees, make something of themselves. Great bunch of kids coming back; Albertine, Valvano, Atherton, Della Terza, Black, Vitello, Russomano, Miele, Ziegler, Lotruglio, Brown, Papisidero, Bradley and that's right, CARUSO. Look for Muscara, DePaul, Marshall, Mangoliene. Sophomores that bear watching: Petite, Zarra,

Pignelli, Pici, Zoppa, Robinson, Egidio, Ciallella, Falkman, Renimini, Lduna, Visco, Cicalese, Calabrese, Covey, Sienchio. ALL THE WAY In '70. Objective: Numero UNO.

Tel. 481-2100 • Easy Credit Terms

ATTENTION GETTER — Twirling co-captain Toni Spooner shows her style to the huge Belleville Thanksgiving Day crowd.

HIGH STEPPING — Drum Majorette Debbie Cerrachio does some highstepping during half time exercises.

TWIRLING — Twirler Lorraine Nessine stands at attention before executing a fancy twirl.

SALUTE TO BELLBOYS — Pam Pomerico (foreground) raises her baton high to salute the Bellboys.

FIRE — One of the highlights of halftime is the fire twirling, done by (1-r) Judy Hollowege, Janice Rosania, co-captain Toni Spooner, co-captain Linda Rudy, Carol Ferriol, and Jayme Freedman.

MOVED — Moved to tears accepting their flowers are senior twirlers, Kathy Roselle and co captains Pam Brown and Toni Spooner.

THE LEADER — Twirling Captain Lyn Cyxpolski leads the entire twirling squad in a busy halftime show during Thanksgiving.

TEARS — During halftime, twirlers, cheerleaders, color guard members and band seniors all received flowers. With their flowers are (1-r) color guard captain Sandy Cheatham, Chris Farrell, co-captain Janet Chamberlain, JoAnn DeVona, co-captain Wanda Springer.

ONE, TWO. . .Doing a fancy step is Dolores Sarreche while her twirling compatriot Lorraine Nessine looks on.

MARCHING FORWARD — Marching for the colorguard are (1-r) Joanne Bedford, Margaret Marino and Joan Haege.

FLOWER POWER — Colorguard advisor Miss Fuccello hands flowers to (1-r) Jan Chamberlain and Wanda Springer.

TWISTING — Twirlers Aliva Shannon and Sue Swerling (1-r) do some twisting to please the crowd.

HOORAY — Cheerleader Carol DiBiase is ecstatic when halfback Ricky Caruso plunges his way for a first down.

ON TO VICTORY — The whole squad leaps high in the air when the Bellboys score early in the fourth quarter.

# Cheering The Bellboys To Victory

MARCH ON — JoAnn DeVona and captain Sharon Halbert lead the cheerleaders onto the field for ceremonies.

*What's A Ballgame  
If You Don't Have  
The Cheerleaders!*

FLOWERS TOO — The cheerleaders weren't the only people to receive flowers during halftime. Here Band Director Robert Wing holds the flowers given to him. His wife is in the background.

TENSE — Cheerleader JoAnn DeVona looks tense as action on the field becomes critical in the early moments of the game.

WAITING — While the Bellboys change units, Marybeth Salamone (left) and Joni Fornarotto wait for action to resume.

MEASURING — Carol Di Biase and Marybeth Salamone anxiously stare at the field while the referees measure to see if the Bellboys have a first down.

VICTORY DANCE — The whole squad clasps arms to dance for victory. Celebrating are (1-r) Peggy Buckland, Lynn Halbert, Maria Zarra, Joni Fornarotto, Chris Farrell, Mary Beth Salamone, Carol Di Biase, Donna Cervasio and Nancy Baumgartner.

ADVISORS — Faculty advisors for this years halftime entertainers are (1-r) Miss Fuccello, colorguard; Miss Pirone, cheering, and Mrs. Pugliese, twirling.

HALF TIME — The cheerleading squad's senior members are presented with flowers during the half time ceremonies at the Thanksgiving Day game.

SALUTE — The squad gives the customary salute as the Belleville High School alma mater is played before the game.

## Essex Catholic Parents' Club To Sponsor Christmas Party

The Essex Catholic High School Mothers' Club and Fathers' Club will sponsor its annual Christmas party on Friday, December 12.

Prior to the party, which will take place in the school cafeteria, the Essex Catholic Boys' Glee Club will present a concert in the auditorium at 8 p.m.

Chairmen of the festive event are Mrs. Richard Lukowiak of Belleville and Fred Vitale of Nutley. Special guest will be accordionist Al Lange who will entertain throughout the evening. Sing-along Christmas carols will add to the theme of the holiday season.

## Carmine Cerami Feted At Party Mrs. Gill Selected Woman of the Month

Carmine P. Cerami of 26 Lincoln Terrace celebrated his 50th birthday November 29 at a family party given by his wife Anna at their home.

In attendance were his children, Teresa, Mildred, Carmine Jr. and his daughter and son-in-law Marie and Jim Santuosso and grand-daughter Renee.

Other guests included his parents, Mr. and Mrs. Joseph Cerami Sr., his mother-in-law, Mrs. Mildred Sarrechia and numerous relatives and friends.

## School 8 PTA Holds Annual Luncheon

The PTA at School No. 8 welcomed over 100 mothers and guests to their annual holiday luncheon on November 13.

The affair, which was a great success and was enjoyed by all, was chaired by Mrs. Charles Miele.

Special thanks go to the mothers of the school who prepared and served the food.

## "Who's Who" Lists Resident

Patricia Carbone of 107 Division Avenue, Belleville, has been selected for inclusion in the 1969-1970 edition of "Who Who Among Students in American Universities and College."

Miss Carbone attends Fairleigh Dickinson University in Rutherford.

## Correction

School #5 Christmas program will be held December 22 instead of December 15 as reported in the Times.

## Founder's Day Noted By Cadette Girl Scouts

Cadette Girl Scout Troop 950 recently held a program in honor of Founder's Day, opening with a flag ceremony led by commander, Nancy Tripp and the color guard, Diane Frazier, Roberta Harlow, Elaine Drake and Daphne Mair. Piano accompanist was Susan Gasparini.

Carolyn Paterno welcomed all the guests, followed by a candle lighting ceremony announced by Lois Smith. An explanation of the three parts of the Girl Scout Promise was delivered by Diane Frazier, Carolyn Paterno and Margaret Ann Tufts. Ann Maloney, Anita Coriveau, Lauren Vitiello, Susan Gasparini, Lois Smith and Debbie Trignano spoke on the Cadette Challenges and how they are used in the everyday life of a Girl Scout. Singing of the songs "My Chalet" and "Rise and Shine" concluded the ceremony.

Badges were presented to Jeanne Kaeli, Donna Rainone, Kathy Janiec, Carolyn Paterno, Nancy Tripp, Elaine Drake and Lois Smith. The assistant patrol leaders, Jeanne Kaeli, Susan Gasparini and Diane Frazier introduced their newly elected patrol leaders, Donna

Rainone, Lois Smith and Carolyn Paterno, respectively, and presented them with their leaders cords.

Troop Crests were then presented by the patrol leaders to all new members of their patrols, Theresa Cardinale, Anita Coriveau, Roberta Harlow, Carol Jackson, Daphne Mair, Francine Marotto, Janice Oakley, Janet Smith, Margaret Ann Tufts, Lauren Vitiello and Colleen Waters. Nancy Tripp was elected troop scribe, Kim Scamorza, treasurer and Janet Smith and Janice Oakley, publicity. Roberta Harlow, Daphne Mair and Margaret Ann Tufts are representing Greater Essex County Council as members to the Editorial Advisory Board of the American Girl Magazine which meets monthly in New York at National Headquarters.

Mrs. C. Hill, Scout leader of Junior Troop 961, presented Piper Pins to her former members Daphne Mair, Therese Cardinale, Roberta Harlow, Colleen Waters, Lauren Vitiello and Francine Marotti.

Refreshments were served, and films were shown of past troop trips and activities, which were greatly enjoyed by the parents and friends attending the program.

Troop 950 is under the leadership of Mrs. Edward Cypolski and Miss D. Minkler and meets weekly at Christ Church, Belleville.

## Clarion Review Course Set At Columbia High

The Clarion Review Course, directed by A. J. Pantazes of the mathematics department at Columbia High School, is accepting registrations from high school students who are planning to take the scholastic aptitude tests administered by the college entrance Examination Board, March 7.

Purpose of the Clarion Review Course is, to assure high school students achieving maximum potential scores on the test.

## Installation Dinner Held By Realtors

The 15th Annual Installation Dinner of the Preferred Realty Board of Bloomfield, Glen Ridge, Nutley and Belleville was held at the Fountain in Belleville. Samuel LaMonica officiated at the swearing-in ceremonies.

Edward Wainen, president, Charles Monteleone, vice president, Peter Spera, secretary and Leonard Tursi, treasurer, will preside for the coming year.

The most active broker awards went to the Wainen Agency, the Montell Agency and the Lauron Agency. Guest speaker for the evening was William Litvany of the Bloomfield Independent Press.

The fellow who is always working to make a smart impression is not as smart as he gets credit for being.

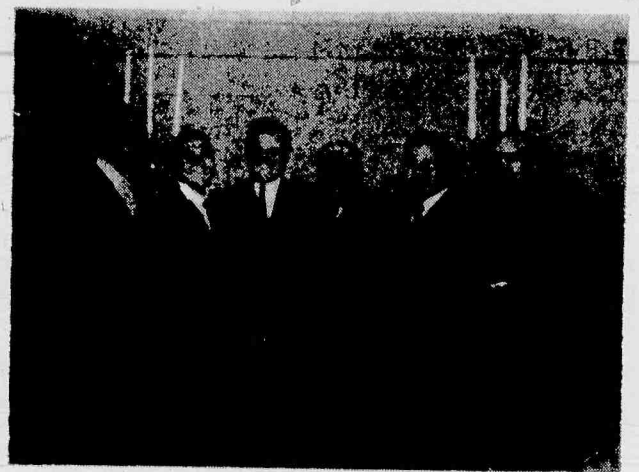

## Association Honors President

The Belleville Italian - American Civic Association honored their president, Aldo Di Chiara with a dinner held at Beppes Restaurant.

Di Chiara was elected to the position of national senior commander of the Catholic War Veterans of America.

Making the presentation speech at the dinner was Frank Ceres, who was chief clerk in the intelligence section of the Strategic Air Force during World War II. Di Chiara was given a traveling bag by Pompey Molinaro who was a captain in the U.S. Army.

Serving on the committee was Joseph Sciacca, chairman; Phil Mairoca, co-chairman; Pompey Molinaro, awards chairman; Frank Ceres, arrangement chairman and Al Vecchione, reception chairman.

GATHERING — Committee members of the Belleville Italian-American Civic Association pose with the group's president, Aldo Di Chiara at the recent dinner given in his honor at Beppes Restaurant. From left are Joseph Sciacca, Pompey Molinaro, Mr. Di Chiara, Phil Mairoca, Frank Ceres and Al Vecchione.

## 'A Christmas Carol' Set For Newark Museum Play

A dramatic performance of Charles Dickens' beloved story, "A Christmas Carol," will be given as a free children's program at the Newark Museum, 49

Washington Street, this Saturday, at 1 p.m. The play will be performed by members of The Players' Theatre of New Hampshire. The Players' group presents "A Christmas Carol" in the form of a medieval morality play.

## Local School's Holiday Show, Sale Monday

School No. One will hold its December meeting on Monday, December 15, at 8 p.m. In celebration of Christmas, the two second grades "coached" by their teachers Miss Esposito and Miss Ferrara will present a play entitled, "Santa's New Helpers." The Fifth and Sixth Grade Glee Club will be there caroling with their director, Miss Williamson. Santa may even make an early visit to warn the children to be good so he can visit them on Christmas Eve. A Christmas bazaar will also be held before and after the meeting. Mrs. Joseph Mooney, bazaar chairman and her committee of "elves" have created some beautiful handmade items which may be purchased as Christmas presents.

There will also be a children's bazaar which will enable the children to purchase presents for their parents. The PTA hopes everyone will come out for this meeting to help celebrate Christmas in the "PTA Way!"

## Local Scouts Attend School For Cooking

Girl Scout Junior Troop No. 321 of No. 10 School and Cadette Troop No. 688 of Montgomery Presbyterian Church under the direction of their leaders Mrs. George Truscher and Mrs. John Cavanna attended the Public Service Cooking School in Newark.

The classes were held for three Mondays and the Juniors were working for their Cook Badge while the Cadettes worked on their Chef and Hostess Badges.

A wonderful time was had by all the scouts and they are busy using all the skills they were taught.

The following Scouts attended from Junior Troop No. 321, Linda Angelo, Maryanne Cardinale, Jennifer Cisero, Theresa Cocco, Theresa Cocco, Patricia Connelly, Marianne Dalvia, Deborah DeNoia, Maureen Dulski, Linda Eisenhard, Patricia Farinella, Patrice Fazzini, Janice Ferro, Diane Giordano, Mary Renee Greco and Marybeth Holten.

Also from Troop No. 321 were Kim Lanno, Colette LaPlaca, Michele Lipoma, Nancy Long, Susan Lopusnak, Kim Malfitano, Patricia Meyer, Barbara Miller, Valerie Raio, Karen Rodano, Roseanne Santangelo, Marianne Scheuplein, Karen Sciacca, Cathy Taylor, Arlene Viviani, Anne Westpy, Gina Westpy, Marie Zarra and Donna Zoppi.

Cadette Troop No. 688 members who attended were Catherine Cavanna, Joanne Connelly, Cindy Cronauer, Sandy Cronauer, Janet Lilore, Debra Long, Barbara Lopusnak, Victoria Stanecki, Cathi Ellen Truscher, Phyllis Willett and Sharon Zannelli.

## Prized Museum Pieces Set For Public Display Monthly

A treasure from the New Jersey State Museum's permanent collection will be on display each month in the north corner of the Main Galleries, according to an announcement by Museum Director, Dr. Kenneth W. Prescott.

TRIBUTE TO DIRECTOR — Judson College beauties paid tribute recently to director Dorothy Urchol (center) at the conclusion of the annual beauty pageant at the Marion, Alabama school. The Belleville High School graduate has directed several productions this fall at the woman's college. The drama major and apprentice editor of the college annual is the daughter of Mr. and Mrs. George J. Urchol of 81 Hornblower Avenue. Others in the photo are Katie Cox, Montgomery, Alabama, Deborah Law, Piedmont, Alabama and Jackie Biendorf, Vero Beach, Florida.

## Library Announces Schedule

The Belleville Public Library will be closed Wednesday, December 24th and Christmas Day, December 25th. The closing will effect both the Main Library, Washington Avenue at Academy Street, and the Silver Lake Branch Library at 30 Magnolia Street.

The Main Library will be open from 9:00 a.m. to 1:00 p.m. on New Year's Eve, December 31st and closed New Year's Day. The Branch Library will close on both December 31st and January 1st.

## Felician College Invites Public To Attend Abortion Lecture

Felician College invites the public to attend a lecture on abortion today at 2 p.m. and 8:30 p.m. in the college Lecture Hall.

## Regular Meeting Of School PTA

The November meeting of School One PTA was held on Monday, November 17. Classroom visitation was held to enable the parents to visit with the teachers and to see their children's work.

The main speaker of the evening was Mr. Wendel who is a member of the Board of Trustees of the Red Cross. He discussed the most important phases of first aid especially concerning accidents around the home. The effects of shock, excessive bleeding and artificial respiration were discussed in detail.

Mr. Wendel also informed the group about the Poison Control Center located at Clara Maass Hospital. Many of those present did not know about the center. A question and answer period followed.

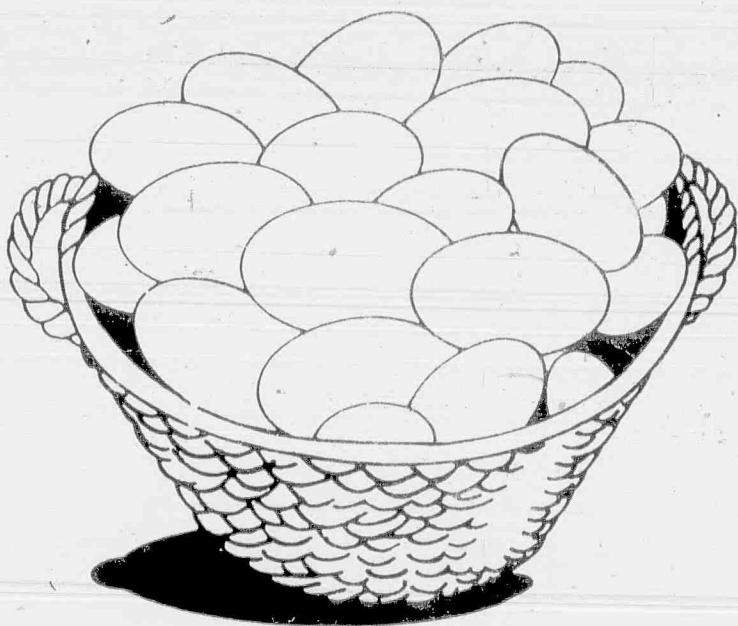

Also speaking was Mr. Romano, a Belleville Boy Scout leader. He came to recruit den mothers and fathers for the fast growing family of Boy Scouts in Belleville. He explained what is involved in working with the boys and the gratification in helping to shape a boy's life. Mr. Skidmore, another leader, was also present. Refreshments were served following the program.

## Put all your eggs in one basket? WHY NOT?

It really makes sense for several reasons. When you open a savings account at DeWitt your nest eggs earn bigger dividends than you can get anywhere in Belleville for regular savings accounts. And your account is insured up to \$15,000 by a U. S. Government Agency. Plus, regular passbook savings are compounded quarterly. Remember too, funds deposited by the 10th earn dividends from the first of the month. Another thing, should you ever need a home loan, it's quicker and easier to get when you save at DeWitt. Come in and get acquainted... we're friendly and convenient.

MEMBER: Federal Savings and Loan Insurance Corporation and Federal Home Loan Bank.

**R**

**DENTAL X-RAYS FIND TROUBLE QUICKLY**

At most every regular dental examination, your dentist may first want to take a series of X-rays. These X-rays can pinpoint trouble spots before they get to the stage where extensive work is needed or where a painful toothache results.

Even when work is required, the new anesthetics and high speed equipment make it fast and with hardly any discomfort. Many dentists will prescribe a tranquilizer for a patient before their appointment and a pain reliever for use when the anesthetic has worn off. We fill many dental prescriptions and keep the medications they need on hand.

**YOU OR YOUR DOCTOR CAN PHONE US** when you need a delivery. We will deliver promptly without extra charge. A great many people rely on us for their health needs. We welcome requests for delivery service and charge accounts.

# WEDDINGS AND ENGAGEMENTS IN SOCIAL SPOTLIGHT

## Povolo-Gabriele Wedding Held In St. Peter's Church

Mrs. Roger Povolo-nee Michelina Gabriele

Miss Michelina Gabriele and Roger Povolo were joined in holy matrimony November 9 at St. Peter's Church, Belleville.

The Rev. James Heavey performed the ceremony which was followed by a reception at Wayne Manor. The couple are living in Morris Plains following a honeymoon in Bermuda.

## Freeman-Cohen Nuptials

Miss Marlene Cohen, daughter of Mr. and Mrs. Abraham D. Cohen of Elizabeth and Robert S. Freeman, son of Mr. and Mrs. Arthur Freeman of Cedar Grove, were married November 23 at Congregation Beth Shalom, Union. The ceremony was performed by Rabbi Elvin I. Kose.

Mrs. Alvin Feinstein of Elizabeth was matron of honor and Joseph Thor was best man. Mrs. Freeman, a graduate of the American University, Washington, received her master's degree from Seton Hall University, South Orange. She is an elementary guidance counselor in Edison.

Mr. Freeman was graduated from Bloomfield College, Bloomfield and is completing his master's degree at Fairleigh Dickinson University, Madison. He is associated with Northeast Automotive, Belleville.

## Mr. and Mrs. Richard Hult Honeymooned In Poconos

Miss Mary Elizabeth Hodge, daughter of Mr. and Mrs. Howard Hodge of 121 Walnut Street, Nutley and Richard Allan Hult, son of Mr. and Mrs. Harry T. Hult of 111 Crest Drive, Belleville, exchanged wedding vows November 23 in Bethany Evangelical Lutheran Church. The Rev. Albert E. Alspach performed the ceremony and a reception followed at The Fountain.

Given in marriage by her father, the bride wore a gown featuring Venise lace and pearl trimming and fashioned with a Cathedral train. A matching beaded headpiece held her elbow length illusion veil and she carried roses, mums and orchids.

Miss Patricia Hodge of Nutley was maid of honor and bridesmaids included another sister, Miss Rita Hodge and Cathy Jelly.

The honor attendant wore a royal and light blue velvet gown with a royal illusion headpiece. She carried a basket of assorted yellow chrysanthemums.

The others were attired in royal blue, lace trimmed velvet gowns with the same headpieces and flowers.

Kenneth T. Hult of Durham, New Hampshire, was his brother's best man. Ushering were another brother, Donald H. Hult of Columbia, South Carolina and Grover Lewis of Belleville.

Mrs. Hodge chose a pink gown with beaded trim and pink accessories while the groom's mother chose a blue gown with silver accessories. Corsages were white orchids.

Mrs. Hult, a graduate of Nutley High School, is with Automatic Data Processing, Clifton.

Mr. Hult, an alumnus of Belleville High School and Lincoln Technical Institute, Newark, is with Hoffman Chevrolet, Bloomfield. He is a member of the Naval Reserve.

The couple have made their home in Belleville following a honeymoon in the Poconos.

Mrs. Richard Hult-nee Mary Hodge

## Miss Carolann Coyman Will Marry Mr. Ricca

Mr. and Mrs. Henry F. Coyman of Union announced the engagement of their daughter, Carolann (Bunny) to Robert Ricca, son of Mr. and Mrs. John Ricca of 179 Bremond Street at a reception held in their honor at Mulligan's Pub, Irvington.

Miss Coyman received her degree in elementary and hard of hearing at Newark State College and is now teaching at Connecticut Farms School, Union.

Mr. Ricca received his degree in elementary at Newark State College also where he was president of Sigma Theta Chi fraternity. He is with the Newark school system.

An August 9 wedding is planned.

## Show for Holiday At Belleville School

On December 16 the students and teachers of No. 9 School will present their

Miss Carolann Coyman

annual Christmas Grades one thru six will present a program of songs and plays. There will be regular PTA meeting month so that the Christmas show may be seen.

### Pharmacy Footnotes

Vincent Cozzarelli, Reg. Ph.

The problem of rehabilitation represents one of the most perplexing in medicine today. According to the U.S. National Health Survey, some 13,500,000 individuals of all ages have one or more chronic illnesses or impairments that limit their activity or mobility to some degree. The greatest number of disabilities today are caused by chronic or acute diseases such as mental illness, arthritis, polio, rheumatic fever and epilepsy. Heart attacks and strokes, too, are major contributors. Anytime, they strike, however, they cause a widespread circle of financial, physical and emotional hardships. Fortunately, many of these afflictions are now being controlled, cured or prevented by new drugs and vaccines. When your doctor writes a prescription for a new drug you can be sure of getting it at ROSSMORE PHARMACY, 338 Washington Ave., 759-1956. "Your Doctor Knows Us-Your Doctor Trusts Us". For all your Christmas Gifts we have a fine selection of Cosmetics, Toiletries, Tobacco, Cameras, Timex Watches, Transistor Radios. Hours: 9 AM-10 PM Daily, 9 AM-9 PM Sundays. **HELPFUL HINT:** After washing a window, dry it on the inside with a sideways motion and on the outside with an up-and-down motion. If any streaks remain, you'll know exactly where, by the way the streaks run.

## Judy F. Galop Will Be Wed In February

Mr. and Mrs. John F. Galop of Newark announced the engagement of their daughter, Judy Frances to Joseph Julian Giarraputo, son of Dr. and Mrs. Julian Giarraputo of Port Washington, Long Island, at a party in the couple's honor.

Miss Galop attended Upsala College, East Orange and is employed in the WOR Radio News Room.

Mr. Giarraputo, an alumnus of Kenyon College, Gambier, Ohio is production manager of WOR Radio.

A February wedding is planned.

Miss Judy Galop

## Fourth Grade Presents Gay Holiday Show

On Wednesday, November 26, the fourth grade students presented their Thanksgiving Day program in the all-purpose room at the James G. Shawger school. Special thanks to Mrs. Myrtle Jones and Mrs. Richard Lang for their time and effort in making this program a success.

A drawing was held for a Thanksgiving basket consisting of a turkey and all the trimmings, which was won by a third grade student, Deborah Lo CoCo, who also won two pumpkin pies which were offered as consolation prizes. Pumpkin pies were also won by Kathy Constantion, second grade; Michele Cancellieri,

## Anniversary Of VFW Post

The Youngster Alden Jr. VFW Post 275 and its ladies auxiliary celebrated the 50th anniversary of the post's formation December 5 with a dinner and reception at Branch Brook Manor, 13 Washington Avenue, Belleville.

Shortly after World War I a group of veterans from this community obtained a charter from National Headquarters of the VFW on December 5, 1919.

The post was known as the George A. Youngster Post until World War II at which time it was renamed Youngster Alden Jr. in memory of Ernest Alden Jr., who gave his life for his country in that war.

Past Commander Anthony Monte and Mrs. Fred Singer, past president of the Ladies' Auxiliary are co-chairmen of the affair.

first grade; Ann Brucato, fourth grade; Lisa Di Vincenzo, sixth grade and Joyceann Gonsalves, fifth grade.

Michael Nardiello, school principal, personally thanked the teachers and their students for a very enjoyable program and wished everyone a happy holiday.

## Holiday Program At Belleville School

On December 17, School No. 5 will present its annual Christmas program. The evening's activity will start promptly at 7 p.m.

Taking part will be the third grade classes giving their rendition of "The Santa Claus Parade" under the direction of Miss Kleiner, Miss Ventola and Miss Dean.

Also in keeping with the holiday spirit will be the traditional songs sung by the School chorus and the 4th grades. Parents and friends are cordially invited to attend.

Businesses succeed when someone attends to the small details that the boss is "too busy" to fool with.

Miss Patricia Biagini

## Patricia Biagini Will Be Wed In September

Mr. and Mrs. Gene Biagini of Villa Place, Nutley, announce the engagement of their daughter Patricia to Matthew Lopreato of Summer Avenue, son of Mr. and Mrs. Joseph Lopreato of Newark.

A graduate of Barringer High School, Miss Biagini is employed by the New Jersey Bell Telephone Company as a service representative.

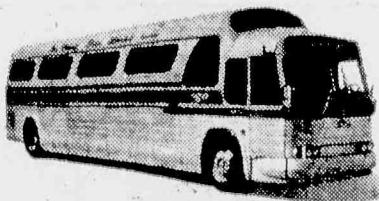

Mr. Lopreato is an alumnus of Essex County Vocational Technical High School and is with Litton Automated Business Systems.

A September wedding is planned.

# Lester And Lor Can't Be Beaten

By Lauren Brahn

For an evening of fun, "The Jerry Lester Show" at the Meadowbrook in Cedar Grove can't be beat.

After five years of "retirement," Jerry Lester has "returned", and with Denise Lor as his "straightman" and the talented Tommy Finnan dancers adding their brilliance and beauty, nothing can surpass this show for carefree

entertainment.

The show, which opened last Wednesday, approximates the oldtime Vaudeville acts and leaves no doubt in your mind as to Jerry Lester's mastery of wit and ad lib. His bag of tricks and sparkling wit are guaranteed to keep your laughing muscles working overtime.

Denise Lor, who is best known to the American public through her TV performances on The Garry Moore, Johnny Carson, Jack Paar, and Perry Como Shows and who appeared in "Gentlemen Prefer Blonds", "Annie Get Your Gun", and "Gypsy", ably complements Jerry in his capers. Her choice of songs is diversified and her singing of "People" and "America, I Love You" are highlights of the

evening.

As to costumes - Tommy Finnan has outdone himself in color and design to enhance the already gorgeous dancers and show girls.

The Jerry Lester Show will run through December 21. For gala entertainment, amidst a Christmas-y setting, and to tickle your funny bone, don't miss this fun-filled holiday fare.

Dr. Raymond C. Kenney, director of executive programs at the graduate business school, said the series is aimed to updating the working executive's knowledge of current trends, changes and new techniques in business practices. Each seminar, he said, will present the leading experts in the graduate business school's faculty addressing themselves to the relevant issues of the day.

## NYU Graduate School Sets Six Seminars On Business

A series of six one-day seminars for the professional business community will be presented by New York University's Graduate School of Business Administration, Dr. Joseph H. Taggart, executive dean of the schools of business at NYU, has announced.

# 1921 Film Set For Essex Club This Weekend

One of the finest pieces of "Americana" on the screen will be seen at the Essex Film Club on Saturday and Sunday December 13 and 14, when the 1921 film, "TOL'ABLE DAVID", will be shown.

"TOL'ABLE DAVID" was directed by Henry King and seems to be one of those timeless pictures not dimmed by the passing of the years.

The simple tale of mountain folk was written by Joseph Hergesheimer. Its star, Richard Barthelmess was ideal for the title role of the younger son, who takes every opportunity to prove his worth to the family and to be as valuable to it as his older, adored brother. The villain, a neighbor who escaped from jail is excellently played by Ernest Torrence. The entire story is movingly played and photographed on location in

Virginia. The beautiful countryside becomes an important part of the film.

There's also a story of a family feud between Kinemons, of which Barthelmess plays the younger member of the Hatburns, of which Torrence plays the vicious brute. The story had originally been owned by director, D.W. Griffith, but he sold it to Barthelmess, who formed his own company to make it and it was one of his most successful pictures.

On the same program are two short subjects, "Just Neighbors" with Harold Lloyd and "Fashions in Love", a one reel item with excerpts from many of the great Paramount films of the past. The Saturday screening begins at 8:30; Sunday film performance at 7:30.

PUBLIC NOTICE

To Our Friends and Customers

Because of the recent ruling on cyclamates and the RUMORS of the possible side effects of MSG (Mono Sodium Glutamate), the China Clipper Restaurant in Bloomfield, in the interest of our customers will effective immediately, cease the using of MSG in the preparation of our food. Of course we have never used any artificial sweeteners.

We will continue however, to use the old Chinese seasonings we all love, "a pinch of salt, a dash of wine, a bit of garlic with our home-made chicken broth, and a knowing wok (pot)." Of course our chefs help too. Come savor the flavor, it's never been better.

## GIVING THE BOOT TO WINTER

NEW YORK (ED) — Are boots on your fashion shopping list? The knee-high boot is the most practical length because it will go with every coat—from mini to maxi. The Joyce Wonder Boot combines function with fashion. This sleekly styled knee-high is the first waterproof fashion boot made of real leather. The leather is treated with Syl-mer silicone, which forms an invisible barrier against moisture. Feet stay dry and cozy on the soggiest winter days.

Whether you choose to go mini, maxi, or in between during the months ahead, there's a footwear look for you. It will help to point up your proportions and your individuality. Isn't it great to know the look will be all yours?

# This Season's Loveliest Looks...

It's the partying season and we don't know where to stop when it comes to outfitting you in the widest pants and tops on the scene.

Come see our Holiday selections of pant suits, bells, tops, sashed dresses, suits, coats, and fashion accessories.

## Give your family a cold wet nose for Christmas

At Puppy Palace, a small deposit  
will hold your puppy until Christmas.  
And you can take  
up to two years to pay.

This Christmas, let a puppy snuggle its way into your family's hearts. Puppy Palace will help you choose just the right Christmas puppy from 43 different breeds.

"We'll sell you the right puppy  
—or no puppy at all"

But we won't let you walk out of Puppy Palace with just any old breed. Because it doesn't make sense to match a big, active dog to a small apartment. Or a tiny, delicate puppy to a family with lots of young, hard-playing children. Or a puppy who sheds easily to a family with lots of dark, nubby upholstery.

So we'll ask some important questions. Questions about your home. And about your furniture. And about the ages of your children. Then we'll help you pick out the perfect Christmas puppy for you.

7-day trial and 2 years to pay

Just to make sure you'll love him just as much next Christmas we'll let you take him home for seven days. If it's not a perfect love match, simply bring him back and we'll exchange him for another puppy of equal value. And to take the sting of Christmas shopping out of your pocketbook, we'll let you take up to two years to pay with approved credit cards.

He'll live 10 years or  
we'll help pay

Every Puppy Palace puppy is a purebred. Every puppy has undergone an extensive health program. Every one has all his puppy shots. We're so confident of our puppies that we make this promise:

*Your puppy will live at least 10 years—or we'll contribute to the price of a new one from Puppy Palace. (Naturally, we expect you to take reasonable care of your puppy. And you should check him with a veterinarian soon after purchase.)*

Come in now

Come into Puppy Palace today. (The Christmas rush is on!) Didn't you always hope for a puppy under your Christmas tree?

"We'll sell you the right puppy  
—or no puppy at all"

## Think soft, think Dearfoams.

So Comfortable, so care-free in washable Orlon.\*

**\$3.00**

Caress. A soft, fluffy scuff with the luxury of satin trim. Avocado, Cerise, Antique Gold, Pink, Red, Turquoise, White.

**\$3.50**

Cloud. Fluffy ballerina slipper with delicate lines and an elasticized vamp. Black, Cerise Gold, Melon, Pink, Turquoise, White.

**\$4.50**

Hi-Stepper. The coziest way to walk—a little boot of fluff with button trim. Avocado, Cerise, Antique Gold, Pink, Red, Turquoise, White.

Dearfoams

Now you can have your comfort and easy care, too. Dearfoams have a springy foam padding that cushions your feet and keeps them surrounded in softness. And Dearfoams are made of 100% Orlon\* acrylic, so they come out of the washer soft, fluffy and nice as new. Sizes S, M, L, XL.

MERRY CHRISTMAS TO ALL... For the littlest angel right on up to Mom and Dad, totes provide the perfect stocking stuffer for the entire family. While winter does its worst, totes keep the family's feet snug and dry — all with the greatest of ease. They're ideal for the traveling man of the house; portable, packable, lightweight totes can be close at hand at home, office or en route in between. Pick a pair... whether a rubber style, ankle-protecting

## Ventura Packs Season's Greetings All Year Long

Nothing spreads as much joy as travel. And with Ventura under the tree, you're giving the greatest travel gift. Ventura in his 'n her cases. Absolute luxury in sleek, contoured cases banded in aluminum. With deep, deep colors permanently protected by diamond-like vinyl. For packing, the soft sides and fully packable interiors cradle clothing and keep wrinkles to a minimum. And to top it off, the convenience of keyless combination locks and soft, cushiony handles. The Ventura collections from \$22.50.
