On Modernization

Smith Will Confer With Town V.I.P.'s

Mayor Ken Smith, who has said Belleville is at a crucial "crossroads," will attempt to guide the town safely into the future when he presides over a meeting of town leaders next week called to discuss his recent proposal to modernize all town-owned buildings.

The meeting is tentatively scheduled January 14 in council chambers at Town Hall.

The gathering will be highly significant, because in addition to the massive scope of Mayor Smith's proposal, it

will represent the first complete gathering of major town leaders in recent years.

On Mayor Smith's invitation list, which reads like a Who's Who in Belleville, will be all four town commissioners, the entire Board of Education, plus the Library and Planning Board members. In all, the list might number more than 30 people who govern community life in Belleville.

Scheduled for discussion is the Mayor's proposal to float a multi-million dollar bond issue to make a major thrust

toward modernizing conditions in town buildings which Smith calls "disgraceful."

With so many influential leaders gathered in one place, however, topics of discussion might range to many other problems facing the community.

It will be up to Smith to control the power of the meeting. Preliminary surveys by The Times reveal that most town leaders are in favor of the proposal, notably Board of Education members who have quarreled with the Mayor all year over the current school budget.

Smith told the Times he will guide the group toward answering three important questions: 1) Can the different groups bond together; 2) which area in town should get top priority; and 3) what architectural consultant should be called in to survey the town to assess modernization needs and costs.

Preliminary discussions between the Mayor and Board of Education President Dr. Frank Di Ruggiero indicate that top priority will go toward the schools system, which has two schools built in the 1800's and two dating before the first World War.

The only question surrounding the bond issue is whether the leaders want to use their enormous financial power. The Board of Education and the Commission have a combined bonding power, alone, of over \$11 million.

Smith has also indicated he will nominate a Belleville architect to analyze the town because, he prefers someone with roots in Belleville.

With a library built in 1908 for 4,000 people, outdated recreation facilities, numerous problems with equipment and building size facing the Fire, Police, Public Affairs and Public Works Department, the Mayor doesn't expect many to disagree with the need for modernization.

The major obstacle will center around money and taxpayer opinion. If the leaders agree on the proposal, they will have to convince an electorate which has a history of rejecting School Board budgets, that the project can be done without substantially raising taxes.

The voters will not be called on to ratify or reject the idea, however, because all that is needed is a 4-1 favorable Commission vote.

Pressure from public opinion (Continued on Page 2)

Di Rienzo Out Of Race; 3 Vie For Board Seats

ON DISPLAY — The Mustica brothers of Belleville display animals they caught with bows and arrows in Pennsylvania. John, (left) shows his 108 pound ram, while Orlando displays a 73 pound wild boar. It took three arrows to bring down the boar, and seven for the ram.

'Frugality' Is Key Word With A Restored Budget

The \$128,000 returned recently to the Belleville Board of Education's budget by the State Commissioner of Education will be spent "very frugally" pending an appeal hearing called by the town commission.

The Times learned this early in the week from Board Attorney Max Schwartz and special town counsel Sam Christiano.

The two lawyers appeared before the State Board of Education Tuesday on a request by Christiano that the Belleville Board be enjoined from spending the restored funds until the final hearing.

Christiano's request was met with a counter-motion by Schwartz that the State Board authorize spending of the money.

State Board members dismissed Christiano's request, prompting Schwartz to withdraw his motion.

When he withdrew his request, Schwartz promised the State Board he would recommend to his client that money be spent "very frugally," until the hearing is over.

The State Board said it

would hear the case as soon as possible based on Schwartz representation that the Belleville Board would spend the restored money frugally.

The decision marks another chapter in this year's budget controversy. Christiano, hired because of his familiarity with the State Board, is

preparing a brief for an appeal sometime next month in which the town will contest State Commissioner of Education Carl Marburgers decision to restore the funds to a school budget cut \$205,777 by town fathers. The original budget was rejected twice by voters.

Canadians Will Witness Local Music-Art Festival

Belleville residents won't be the only ones to enjoy the massive Music-Arts Festival scheduled January 19 at the senior high school.

Slides and tapes of the festival will be viewed by Canadians as part of an exchange program with Belleville, Ontario.

The idea was thought of by Michael Rossamilla, assistant superintendent of schools, who hopes to receive similar presentations from the Canadian city.

Rossamilla also hopes to expand the exchanges to involve Bellevilles from throughout the United States.

The festival, which is the largest combined school project in this town's history, is designed to display the music and art talents of students from throughout the schools system.

Voice tapes, coordinated with slides will attempt to capture the huge festival for a Kiwanis group in Canadian Belleville. A script has been written by Rossamilla, who will make the taped presentation.

Included in the slides will be shots of buildings throughout the town and views of the festival.

The exchange will be the second time in recent months that the two Bellevilles have communicated. In September, Mayor Ken Smith was invited by the Canadian city's Mayor to attend its own festival, a week of self-promotion emphasizing the city's industrial growth.

The Music-Arts Festival, a two part affair, was the idea of high school principal Ray Smith, who observed a similar project in the Bridgewater-Raritan schools system.

A committee was formed under the direction of three men, who have worked for months on preparing what they feel is the most important school project in Belleville's history.

Spearheading the festival has been, Rossamilla, Art Director Morton Birkin, and Music Coordinator Frank Scelba.

The first half of the festival will present to parents finished art products and some still in the making. Booths will be set up featuring art work of students from elementary school up to the senior high grades. Portraits will be sketched and art work will be worked on for viewing parents. In the auditorium, slides will be shown.

This first half is scheduled from 6:30 to 8 p.m. At that time a musical concert will be

Romano, Risoli Mahmarian In

By Nat Gottlieb

John Di Rienzo is out and three candidates have stepped onto the campaign stage to bid for two vacant Board of Education seats.

That's the way it stands now, with the election date set at February 10.

Caesar Romano, Richard Mahmarian, James Risoli. These three names will be popping up in papers and dinner conversations for the next five weeks, as the 1970 Board of Education campaign begins.

The shape of this year's race was slow in revealing itself. Waiting seemed to be the name of the game.

Board member Mrs. Helen Rudden, waited until two weeks before filing deadline to step out of the race for re-election. The one-term member complained of lack of time to devote to Board matters.

Di Rienzo, who also would be up for re-election, waited even longer. Two weeks ago he said he wouldn't run if qualified men stepped into the arena.

No one appeared. Six hours before deadline Di Rienzo reluctantly took a petition from Board Secretary Mary Shader and went to work. By the end of the day, however, three candidates appeared.

"I have stretched myself too thin," Di Rienzo told the Times as he announced his withdrawal from the race.

"It's time for new people to take over," said the six year Board member who has been active in school affairs since 1947.

Like Mrs. Rudden, Di Rienzo, a former Board president, complained of lack of time to devote to the Board. With emotion Di Rienzo said "It has just been too much of a drain on me personally."

Di Rienzo said there had been many disappointments for him in office, but declined to list them. He did say at no time, however, was he discouraged.

The biggest problem facing the Belleville schools system, Di Rienzo felt, was not buildings or equipment, but people and their attitudes. He said if he could have one wish he would like to see more community involvement in education.

Would the outgoing Board member campaign for anyone?

"If I had the time to campaign I'd run myself," he said. He did not say, however, that he wouldn't endorse a candidate, and seemed to indicate that the next few weeks, he might make a choice.

The election then becomes highly unusual in that there are no incumbents seeking re-election. This means that there will be no experience returning to the Board in the election.

The Times asked Board President Dr. Frank Di Ruggiero whether this would have any effect on the Board. "I don't anticipate any problems," the president said. "We still have five experienced Board members which shouldn't present any problems. The experience of current Board members should overlap with the new members."

Dr. Di Ruggiero said he couldn't remember the last time when no incumbents were up for re-election.

"I will say that the Board is losing two very valuable members with the retirement of Mrs. Rudden and Mr. Di Rienzo. They both have served well. Mr. Di Rienzo is an outstanding individual with many years of service to the schools, and his presence will be missed."

In the next three weeks, then, attention will be turned on the three candidates. Of the three, only Romano is

(Continued on Page 2)

Board To Stump For New Budget

The Belleville Board of Education is working on a new plan for presenting its annual school budget to voters. The Board hopes a new approach will reverse trends of the last two years in which budgets were soundly rejected at the polls.

Just what form the new presentation will take, however, is not clear at this time. The budget, which is expected to be complete this week, will be put to the test on February 10.

Dr. Frank Di Ruggiero, Board president, did say that part of the plan would involve campaigning for the budget by all Board members. In the past, presenting the budget to voters was left on the shoulders of the superintendent of schools.

As for the rest of the plan, the Board president said meetings scheduled in the next two weeks would reveal a more detailed plan.

Dr. Di Ruggiero said he expects Board members to visit teas and meetings scheduled with voters.

Board members have often said that voters tend to reject school budgets because they don't know enough about the costs of school government. What can be expected, then, is an approach which emphasizes education of the public.

Fines Will Be Given

Mary Senatore, Commissioner of Public Works, has issued a warning to car owners that failure to remove vehicles from prohibited parking areas during snow storms will result in fines.

The Commissioner's statement comes as a result of numerous difficulties experienced by snow removal crews in the wake of the holiday snow storm.

"I'm disappointed with the residents of town for not removing their cars during and

(Continued on Page 2)

Air Of Mystery With Suspension

Has Belleville's Health Officer Dr. J.R. Beneveto been suspended five days for insubordination?

An air of mystery surrounds the Department of Public Affairs, and it all has to do with the doctor.

The Times received a phone call last Monday from a reliable source at Town Hall saying that Dr. Beneveto had been handed a letter of suspension that day.

Commissioner Vincent T. Strumolo, who heads that department was out of the country on vacation and was unavailable for comment. Registrar of Statistics Ralph Risoli, who occasionally speaks for the commissioner in his absence, was home in bed with what his assistants said was pneumonia.

The Times called the department and asked for Dr. Beneveto and was told by a secretary that he had just left for his home in South Orange. The secretary refused to say whether the doctor had been suspended, but did say a sealed letter had been delivered to him prior to his departure from the Public Affairs building.

Reached at home and asked point blank was he suspended, the health officer said "I don't know. Rumors

(Continued on Page 2)

Court To Tape Cases

Beginning today, Belleville Municipal Court will tape record all cases.

A recent New Jersey Supreme Court ruling has made it mandatory for all state municipalities to purchase recording machines to record all criminal and juvenile cases.

Belleville court clerk, Mrs. Ruth Spangler, says she expects no major problems from the new recording machine, purchased from the Metrotech Co. for approximately \$3,000.

The Metrotech machine was the most expensive of all models Mrs. Spangler said, but she feels it was well worth the price.

"The recorder we purchased was the only one which

(Continued on Page 3)

RECORDER FOR COURT — Belleville Court Clerk (at left) Mrs. Ruth Spangler views \$3,000 Metrotech recorder recently purchased to record all Belleville Criminal Court

proceedings. Thomas J. McLaughlin, Belleville purchasing agent, inspects machine.

Athletic Subsidies Planned By Clubs

Recreation Director Bob Cook's idea to subsidize local athletes in national competition has taken one major step forward.

The Belleville Kiwanis and Rotary Clubs have promised to establish a fund for Cook's proposal, which is geared toward helping local athletes attain Olympic status.

A joint committee has been formed by the two clubs to set up the mechanics for selecting deserving athletes. Serving on the committee will be Michael Rossamilla, Don Tucci and Johnny Iannuzzi the Kiwanis, and George Symonds, Bill Bennett and Cook from the Rotary. Cook will serve as chairman and Rossamilla as secretary-treasurer.

The fund has been named KRAAF (Kiwanis - Rotary Athletes Aid Fund). Its purpose is two-fold; to subsidize two Belleville athletes each year in competition, and to spread the subsidy concept among Kiwanis and Rotary Clubs across the nation.

If the idea is successful nationally, Cook feels it will

go a long way toward putting American athletes on "a more even financial footing with the highly subsidized athletes of other countries, particularly those in the Iron Curtain."

New Jobs Open Up

About 75 new jobs will be available in Belleville next month when a New York State industry moves into town.

The Zamax Manufacturing Corporation of Haverstraw, N.Y., in an expansion move, will re-locate into the Belleville Industrial Center, 681 Main Street. The move comes under a lease of 29,000 square foot plant, negotiated by The Kisiak Organization, Realtors.

Zamax, a contract sheet metal fabricator, headed by Paul Zakin of South Orange, was founded in 1907. It produces a large variety of stampings for private industry and for the armed forces.

Meeting Of Town V.I.P.'s Called By Mayor Smith About Belleville's Future

(Continued from Page 1)

will be felt, nonetheless, by members of the Commission and School Board, all elected officials.

Smith is convinced that the idea is financially feasible for the town. His confidence has led to do with the findings of one man; Francis McCoy, town treasurer for 29 years.

One objection sure to be raised against the bond issue is the current high rate of interest being charged on the market. McCoy says that three factors would tend to offset the significance of the

high rates.

The treasurer says that most reports by financial experts on Wall Street seem to indicate that interest rates will remain up for quite some time.

Would waiting be financially feasible? Not so, according to McCoy, who says that with construction rates rising eight to nine per cent each year, the town would lose more in the long run by waiting for a decrease.

A third factor which McCoy stresses is Belleville's debt status. According to the

treasurer, the town has the lowest in-debt-service in the state, which makes Belleville's bargaining power quite good. His figure's reveal that the town's debt as of December 2, 1969, was \$739,018.74. The total debt is one third of one per cent of the value of real property in Belleville. McCoy also states that by 1973, all bond debts for the town will be paid off.

William Bixby

Bixby Appointed To Dimes Post

"None of us can do too much to help the March of Dimes in its fight to prevent birth defects", pledged William C. Bixby as he accepted appointment as treasurer of the annual January campaign in Belleville.

Bixby, who is second vice president of Fidelity Union Trust Company, said: "Money is needed in endless supply to furnish medical care for

thousands of children impaired by birth defects. It is equally vital to continue ground-breaking research into the causes, cures and prevention of these diseases.

"I hope every family and businessman in Belleville will write a generous check payable to March of Dimes and send it to me c/o Fidelity Union Trust Company, Belleville Office, 144 Washington Avenue.

At thirty-six, Bixby is one of the younger generation of bankers, but he has nevertheless achieved a record of more than a dozen years experience in his chosen field. A graduate of Wesleyan University in Middletown, Conn., he came to Fidelity Union Trust Company in 1956 as a participant in the bank's management training program. His banking career was interrupted by a tour of duty with the U.S. Army in Korea, and was resumed in August, 1958. His well-rounded experience with Fidelity includes three years in the credit department,

Celebration Ready For Lodge 100th

Belleville Lodge #108, F&AM, will celebrate its 100th anniversary in January with a church service and a reception.

The church service will be held at Christ Episcopal Church, Washington Avenue and Essex Street, starting at 7:30 p.m. this Sunday. Reverend and Right Worshipful Frederick L. Long, past grand chaplain, will officiate.

On Wednesday evening, January 14, Belleville Lodge will hold its 100th anniversary reception at Belleville Masonic Temple, 126 Jerusalem Street. Most Worshipful Charles A. Eisenfelder of Nutley, grand master of masons for New Jersey, and the grand staff, will be honored guests. The history of Belleville Lodge will be presented by A. W. Outcalt, grand historian and historian of Belle-

ville Lodge.

Warren M. Johnson, worshipful master of Belleville Lodge, invites all Master Masons to attend the church service and the 100th anniversary reception.

Senatore Declares Fines Coming For Snow Abuse

(Continued from Page 1)

after the snow fall," Commissioner Senatore said. "The only way we are going to have efficient snow removal is for residents to cooperate and put their cars in the garage."

Residents have left their cars in prohibited parking zones, according to the commissioner, and have in many instances crippled snow removal. This week emergency "no parking" signs were put

up on several streets. Cars, nevertheless, were left in the restricted areas, in some instances only a few feet from the no parking sign.

Commissioner Senatore says she will introduce an ordinance at next Monday night Commission meeting which would prohibit all over-night street parking during snow storms, similar to a Nutley statute.

A snowstorm is predicted for this weekend.

Suspension Of Health Officer Clouded By Air Of Mystery

(Continued from Page 1)

are very funny. Why don't you ask the Commissioner."

Dr. Beneveto said he had no knowledge of any letter and summed up his feeling with "I know from nothing about any suspension."

When it was mentioned that he had been suspended last May for three days on charges of insubordination, the doctor said "We're school children. That suspension was treating me just like I was a schoolboy."

Beneveto had alleged in May that he had been interfered with in the operation of his duties for two years by Strumolo and Risoli. The health officer

ended the conversation saying he was home from work because he did not feel well.

Upon further investigation more evidence pointing to a suspension was turned up.

Mayor Ken Smith said he had returned to his office Monday and found a note from Dr. Beneveto which said, according to the Mayor, "I would like to talk with you. I have been suspended."

One very mysterious unanswered factor is how the suspension could have been ordered if the Commissioner left the country last Saturday and Risoli had been confined to bed.

If Dr. Beneveto has indeed been suspended for five days, and not three, he will be

entitled to a hearing according to Civil Service law.

The doctor became health officer two years ago after the previous officer, Dr. Gerard Ram was fired in a controversial move by Strumolo.

Social Security Beneficiaries Needn't Apply For Increase

Social Security beneficiaries need not apply for the 15 percent increase just signed into law by President Nixon. "Every one of the 25 million men, women and children now on the benefit rolls will receive the increase automatically," Robert M. Ball, Commissioner of Social Security, said today.

Why settle for becoming "just" a secretary?

Gibbs can groom you for so much more

You're thinking of becoming a secretary? Wonderful! But why stop there?

Instead of aiming to become "just" a secretary, wouldn't you rather be one of those "terrific girls" whom bosses fight to hire and brag about having? Then you can just about take your pick of fascinating jobs assisting important men in such glamorous fields as the fashion industry, magazine and book publishing, advertising, government, finance, the most sought-after girls in the secretarial field have been those trained by Katharine Gibbs School. Last year our Gibbs Placement Service received nearly 12,000 requests from employers begging for "a Gibbs girl, please!" We couldn't begin to meet the demand.

Why is a Gibbs girl considered so special? Because we groom her not just for a job, but for outstanding secretarial achievement. In addition to mastering typing, shorthand, and other office skills, Gibbs girls develop poise, quiet self-confidence, taste and correctness in office dress and grooming; ability to "cope" with typical office problems. Because they have an opportunity to learn so much as confidential secretaries to management, many Gibbs girls eventually become managers themselves.

OUR ONE-YEAR SECRETARIAL COURSE is ideal for girls with a high school diploma and perhaps a year or so of college who are eager to obtain a well-paid secretarial job.

OUR TWO-YEAR LIBERAL ARTS-SECRETARIAL COURSE combines professional career training with college-level liberal arts courses.

OUR SPECIAL COURSE FOR COLLEGE WOMEN is an 8 1/2-month course for girls with at least two years of college who now want to prepare to earn a good living as an executive secretary.

Convenient Montclair campus with parking facilities; optional bus transportation. (Also located in Manhattan, Boston, and Providence, R.I.) Scholarships, student loans. Free lifetime placement service. Day and residence students. Classes begin Sept. 22.

Board Race Down To 3 As Di Rienzo Steps Aside

(Continued from Page 1)

known to voters, having run for the Board twice.

Mahmorian told the Times he had entered the race because of his recent involvements with the schools system. He has served the past three years on the Labor and Industry Advisory Council to the Board of Education, acting as its president this year.

"Having spent the last three years on the advisory council, my interest in education has grown. I feel that there is a lot of work to be done in our schools system. I am not saying the system is bad, but like any system, there is room for improvement."

Mahmorian is a lifelong resident of Belleville, and lives at 121 Tappan Avenue. He holds a bachelors degree in business administration from Upsala College and a masters degree from Seton Hall. He is currently employed as an accountant manager for a national cash register firm.

This will be Mahmorian's first venture for an elected public office. He is active in church activities and is familiar with school boards because he often deals with them in his line of work.

Risoli, who lives at 7 Dawson Street, also is making his first run for public office.

His decision to run was based, he said on his disturbance with the conditions of the past decade, noting its vast social unrest. "I feel that we must improve communications between people if we are to solve our problems today. We must create a better understanding among people

and this must start at the ground level, that is, from the first grade right on up. I am running for the Board because I want to make a contribution toward bringing this understanding about."

Risoli is a lifelong resident of town, and has attended St. Peters College. He has been employed for 24 years as a technician with Public Service.

Although this is the first time he has run for the Board, Risoli says he has been an active campaigner for other Board members since 1954.

The candidate is active in St. Anthony's Church, where he is an usher and a member of the Belleville Guard of Honor.

Romano, known as an aggressive campaigner, told the

Times that he had entered the race "out of a deep interest for the Belleville schools system."

The outspoken candidate last year submitted an eight point platform in a campaign race in which issues seemed to be generally absent. Indications are that Romano again will seek an issue-oriented campaign, which in his words, "will accentuate positive thinking."

"I have launched a vigorous campaign," Romano told the Times, "and my platform will be geared to coincide with the wants and needs of our children."

"Our schools need new thinking to educate our children in the space age. The problems of today call for a new kind of education if we are going to help our young

people prepare for the future.

Romano was born in Madison and attended the Madison schools system. He also attended Tusculum College in Greenville, Tenn., Upsala College in East Orange and Newark College of Engineering. He is a sales representative for an internationally known container corporation.

Among his activities in town, Romano has served on the Citizens Conference Committee on Narcotics in Belleville; was vice chairman of the Boys Scouts of America; Webelos leader for cub scout pack 301 and committeeman for the Boy Scouts of America 301; chairman of the 1969 Cherry Blossom Pageant and has participated in numerous charitable drives.

STAMP OUT IDLE CASH

EARN INTEREST ON YOUR EXTRA CASH

OPEN A SAVINGS ACCOUNT TODAY

MONEY MAKES IT HAPPEN

DEVELOP A PLEASANT HABIT

KEEP YOUR MONEY WORKING EVERY DAY

Deposit Some Money Every Pay Day

Are you in the habit of keeping idle cash around the house? Or leaving it some place where it is not earning interest every single day?

You worked hard to earn that money. Doesn't it make sense to have the money working for you? If you open a savings account at The Bank of Bloomfield, your money will earn interest every single day.

The whole secret of saving is habit. You can open an account by depositing any amount you wish. But the answer to successful saving is to make sure to put away some money from every pay check. Once you've established the habit, you'll find it's not only painless but very profitable.

If you make small but regular deposits, your money grows faster than if you deposit the same amount in larger sums at less frequent intervals. Money grows by collecting interest and the sooner it's in the bank the sooner it starts to earn interest. So start today to earn interest on your extra cash. Open a savings account with your idle cash and develop the pleasant habit of making deposits every pay day. A good cash position is just a matter of habit.

Historical Day For Church As New Alter Is Dedicated

A historical day for Little Zion U. A. M. E. Church of Belleville began at 3:30 p.m., Sunday, December 28. A new high altar was dedicated for the church.

The Rt. Rev. David McClellan Harmon, presiding prelate of the second Episcopal District of the Union American Methodist Episcopal Church officiated in the dedication of the high altar, erected in the memory of the late Theodore McKinley Wells.

Mr. Wells, a lifelong member of Zion, rose to the rank of custodian to the president of the trustee board and served Belleville in many capacities, his last being chairman of the Belleville Com-

mission on Civil Rights.

The second Sunday in November, hereafter, shall be known as Ted Wells' Day at Zion.

Also included in the dedication was Mrs. Audrey Holmes, who presented the set in memory of her late grandfather, the Rev. Joseph E. Wells, pastor of Little Zion Church for 17 years.

Following the dedication services, the Rev. J. D. Douglas, now pastor of Little Zion, presented the confirmation class of 1969 to the Bishop for Confirmation.

Rev. John Jordan, pastor of Grace U. A. M. E. Church of Montclair, assisted at the high altar. Harold Salters, along

with Miss Brantley and the Junior Choir of Grace Church, rendered the music.

Rev. Douglas received his theological training at Shaw University, Ambassador College and did post graduate at New Era Theological Institute, an extension of Northern University.

He holds a bachelor degree of divinity, sacred theology bachelor and is a candidate for his masters.

Member of the executive board of the International Foreign Field Commission, he has served in the mission field of West Africa, Jamaica, Haiti and the Island of the Seas. He speaks seven languages.

He served pastorates in North Carolina and New Jersey. A widower, he is the father of five children and resides in Montclair.

The main decision in many business offices is what to throw away now.

OVEN FRESH — Belleville Art Director Morton Birking watches as School Five youngsters Patrick Barbone and Ellen Vecchione take out some fresh pottery from the schools Kiln, the first of its kind in Belleville elementary schools. The children are preparing art for the massive Music-Arts Festival scheduled for the high school on January 19.

MAKE-SHIFT DRUMS — School Five drummers use chairs and blocks of wood to prepare themselves for the January 19 Music-Arts Festival at Belleville High School. Shown are (front to back) Michael Cancelliere, Jim Del Grosso and Kevin Woodward.

Do you try to get all the facts before criticizing someone or something?

Court Will Record Cases In Belleville

(Continued from Page 1)

offered a four track tape system," she said.

"When transcribing cases to paper" explained Mrs. Spangler, "the operator can cut out all other recorded voices and tune in on only the voice wanted for transcription."

Miss Cheryl Chiappenelli will operate the tape recorder during court and she also doesn't expect trouble. Mrs. Spangler, along with members of her staff, went through a three hour briefing period recently to familiarize themselves with the machine's operation.

The town absorbed 100 per cent of the cost for the machine and Mrs. Spangler reports that the Commission gave her a free hand in deciding what model to choose.

At Belleville court proceedings there will be four microphones; separate ones to tape the voices of testifying witnesses, the prosecuting attorney, the defense council and Judge Edward Abramson.

The Metrotech recorder is housed in a console cabinet with a large space at the bottom for storing tapes. It uses three hour tapes that have to be kept for a period of one year before being destroyed.

If a local case is appealed and the defense attorney wants a transcription of proceedings, the court clerk or one of her staff must do the transcribing.

"Most likely, I will do the transcribing of appealed cases," said Mrs. Spangler. "Council for the defense must pay for the cost."

The new taping system will benefit both the state and the defense because appealed cases can be reviewed easier and there can't be any contradiction of testimony.

The Supreme Court ruling came in April and stated that all towns or cities with a population of over 20,000 must purchase equipment and tape record court proceedings beginning January 1, 1970. Belleville population is 39,500.

Mrs. Spangler reports that the Metrotech recorder is simple to operate and should pose no trouble in the court room.

Although the new ruling will give Mrs. Spangler more work to perform, she says that the legislation was needed.

"I'm sure the Supreme Court had good reasons for their ruling," she said. "Now there will be more records available for higher courts to review and it will cut down on the 'overload' in the county court of appeal."

Court Clerk Mrs. Spangler explained that once the new recording system instituted on

the local level the county courts will no longer have to deal separate hearings on appealed cases. Transcripts of the appealed case can be ready for review.

Cases recorded in Belleville will be bulk erased after a period of one year. Included in the contract with Metrotech is a year's supply of three hour tapes, a one year service guarantee and one free bulk erasing of used tapes.

Now that the bowl games are off the boards we can take a look at what Congress is about to undertake.

The New Year Begins

The year 1970 begins for many who are happy to see the sixties pass into history on a note of hope. Both in the domestic and international fields, the sixties were a turbulent, controversial era for the United States.

History will probably record that the Vietnam war was the most divisive in the nation's history. The demands of the war, its priorities in money and other fields, helped create a domestic crisis which spawned more violence, crime and general disorder than the country has witnessed since tragic scenes in the South during Reconstruction days.

At last a U.S. President is deescalating the war. But whether he can continue to do so is an open question. And domestic problems, poverty, education and integration, are being attacked, and progress made. Militants preaching violence and the overthrow of the government demand more, however, and

demand it now, but represent only a fraction of one per cent of the people.

This year, the early seventies, are to be a test for the leadership of the nation, for Congress. All citizens must learn or be taught to respect the laws of our society, the goal of which is justice for all and to recognize and appreciate the many blessings all Americans enjoy, to a greater degree than any other people.

The seventies can thus be either a decade when the nation rights itself and corrects its ominous drift toward ever-increasing violence and anarchy or a continuation of the dissention and division which has so weakened the nation in recent years. Every citizen, of whatever creed, color or race must do his part if the American dream is to succeed, if our government and society are to function effectively.

Historic January Moments

"There is snow on the windowpane
Framing my room
And the trees are heavy
With frosty bloom."
—Anne Lawler

January, one of the two months added to the calendar (then ten months) long before the birth of Christ, is the first month of the year of the Gregorian Calendar (dating from Pope Gregory XIII in 1582). Caesar had set the length of the year at 365 days centuries earlier; German Protestant states made the change in 1700 and England and the American Colonies in 1752 by act of Parliament.

The month is one of great historical significance for Americans. The Battle of Princeton occurred on the 3rd in 1777. Washington had won a victory in December at Trenton but Cornwallis arrived near the city with a larger British force and Washington, not wishing to wait and be attacked by combined British forces, moved against British units holding Princeton and New Brunswick.

He left camp fires burning on the night of the 2nd and on the 3rd engaged the Princeton force at Stony Brook Bridge, routing them after an initial setback, and occupying Princeton. Cornwallis advanced and Washington retreated, taking up a strong position at Morristown. Cornwallis' return to

The Universal Language

Music is the universal language
Regardless of creed or race
You don't have to be a genius
You can play or sing anyplace

Oh if the young folks
Would learn to play an instrument
There would be no delinquency
Because they would be content

Be thankful for the great artists
Who left their masterpieces
For all the world to enjoy
Our wonderment never ceases

They left a great legacy
For everyone to see
Their melodies will never die
On that we all agree

Even the flowing waters
Give music pleasant to the air
Just listen to the rhythm
As they tumble far and near

Music soothes the savage beast
With a dulcet tone
It can also soothe humans
With a charm that's all its own

Again I say to the young folks
Learn to play, even a whistle
I dedicate these few lines to them
In this short epistle.

George R. Walker

Sun Survey

Town Citizens Pick Top Stories Of '69

By John Bunevich

Question: Now that we are in the new year, what do you think was the top news story of 1969 in town and why?

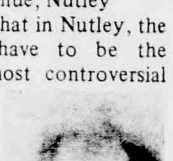

Asked: of Nutley and Belleville residents.

Mrs. Betty Snyder, 140 Academy Street, Belleville
What ever happens in Belleville? I've been here for about three years and you can't really compare what happened in Newark this year to what made news in Belleville. I came to Belleville from Newark and the indictment of Mayor Addonizio sticks out in my mind. In Belleville, I guess the top story was the riot after the Belleville football game with East Orange. I think it was a disgrace. Belleville has always had poor relations with that town and I'm glad that we have suspended all sports with them.

Mrs. Nicholas Burde, 32 Brookfield Avenue, Nutley
I would say that in Nutley, the pool would have to be the biggest and most controversial story of the year. The Nutley Sun gave it much publicity and that story was on the front page for many weeks. Also, it was interesting to see the many suspensions in the police department. I've been in Nutley over 15 years and the pool question has lingered on for

Mrs. Snyder

Mrs. Burde

a long time here. I was glad to finally see it on the ballot and then get defeated. I was against the pool.

Daniel Carnevale, 30 Cedar Hill Avenue, Belleville

I've been a resident of Belleville for over 50 years and have seen many big local events in my time. The riot after the Belleville-East Orange game was a big story and it shows how different the younger generation of today is. I own a home and am retired and the taxes, both locally and federally, have gone sky high. This is a story in itself. It's hard for a retired person like me to live when the food prices and taxes are going up.

Mr. Carnevale

Mrs. P. Trotta, 33 Raymond Avenue, Nutley

I think the biggest story of the year in Nutley was the question of the pool being put on the ballot and the election and then its defeat. I was for the building of a pool in Nutley and supported the referendum. The town needs more activities for its younger people to keep them near home. Being in Nutley for 10 years and having my own home, I know that the town could have used the pool and the citizens of Nutley would have made good use of it.

Mrs. Trotta

Seems Only Yesterday

One Year Ago

Five candidates filed for two vacant positions on the Belleville Board of Education for the February 11 election. Running for the positions on the board were Michael V. Albertine, Leonard A. Back, Joseph Casale, Carmine G. Petti and Caesar Romano.

Dr. Richard Bevinetto, Belleville Health officer, reported that a Hong Kong Flu vaccine was available in town. Dr. Bevinetto stressed that the vaccine would be of access only to senior citizens, 65 or over, or chronically ill citizens, due to either heart or lung ailments.

Bob Baker (Sid) and Sue Kellenbence (Babe) were the stars of the musical comedy "Pajama Game" presented at Belleville High School.

5 Years Ago

The Town Council approved by a 5-0 vote an ordinance to prevent loitering on the streets, in the parks, or in public places, and passed a companion resolution instructing the police force to enforce the law with vigilance.

According to the latest report issued by the Police Department, juvenile delinquency had decreased more than 17 per cent in the town during the year 1964. Police chief Charles McGuinness and Town Manager John R. Burnett credited the decrease in juvenile crimes to the establishment of a separate juvenile division under the direction of officer Michael Marotti.

The long awaited amendment to the town's Sanitary Code controlling the type and quality of ground meat sold in local stores was officially adopted by a 5-0 vote by the Town Council.

10 Years Ago

Members of the Belleville Lions Club were scheduled to hear a representative of the New Jersey Patent Law Association as guest speaker for their January meeting. Lee A. Strimbeck was to address the organization at a session to be held at Christians Restaurant in Belleville.

Pretty Miss Patricia Marinaro of 21 Pleasant Avenue, Belleville, took third place honors in the annual Snow Ball Queen Contest at Seton Hall University. The event was sponsored by the Essex County CYO.

Harry J. Sullivan, local drive chairman of the New March of Dimes Campaign, announced that Mrs. Frank Di Ruggiero of 52 Van Ryeper Place would again head the New Mother's March against crippling birth defects, arthritis, and polio.

15 Years Ago

Announcement was made that work on the new 324-bed Clara Maass Hospital would begin in the spring of 1955. The institution would be designed not only to serve Belleville, but Newark and Nutley as well.

A loaded and unmanned garbage truck rolled out of a parking spot and crashed into the new home of Mrs. Ruth Price of 178 Bell Street. No one was injured.

Nicholas Burde Sr. of 570 Union Avenue died. Mr. Burde served Belleville as a shade tree commissioner in the 1930's.

The 1955-56 school budget totalled more than two million dollars; the exact figures of the new budget was \$2,053,260.

25 Years Ago

A hundred per cent allocation of funds to the Belleville agencies of the War Chest seemed assured. The drive figure was announced as \$50,044, with \$167,000 as the goal.

Further consideration of John Miele's application to rebuild the fire-gutted Quality Products building was postponed for thirty days as a result of a resolution passed at a special meeting of the Commission.

Belleville Boy Scout troops showed a net gain of 83 Boy Scouts and Cubs during 1944, thus increasing their membership 26 per cent to 406. Objectives for 1945 called for the organization of four more troops and three more Cub packs.

40 Years Ago

A large still in a one-story building in Silver Lake exploded, throwing a 500-pound cast iron boiler 75 feet. The building was left a mass of splinters inside and the roof moved four feet. Firemen were called out to handle the blaze.

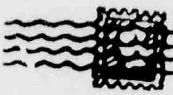

Over 125 adults and children attended the party held by the local V.F.W. post at its headquarters. Each child was presented with a toy and a box of candy.

The Belleville Woman's Club planned the first card party of 1930 at the Club House with 25 tables in action.

50 Years Ago

The Columbus Club took two games from the Elks by the scores of 721 to 790 in the local bowling league.

The Belleville Post Office almost doubled any other year in all branches of work over the holidays. A total of 3,326 packages were delivered by automobile and wagon from December 21 to December 25.

Speak Up

Resident Complains About Good Doers

To the Editor:

Now is the time of the year when all the good doers come out of the woodwork. They are going to give a toy to the orphans or the sick children, with lots of publicity attached.

All the rest of the year they don't know they are alive. Having been in an orphanage, I should know.

Do they ever check up during the year and see that these places are run by dedicated people?

Do they see that these institutions get enough money to be operated the best way possible?

Do they see that the bread winners of large families are making enough money to properly feed, clothe and house their children?

Do they see that the drunken bums that are parents take care of their children properly?

Do they see that the divorced parents show them some loving?

Do they make a sincere effort to have the best medical aid possible for the sick children?

Do they see that the children are adopted by people who yearn for them and not just being paid to take care of them?

Do they try to find out why some children get into trouble and others do not?

Do they try to correct what is troubling these children instead of punishing them?

Charles P. Strenck
235 William Street, Belleville

Sen. Williams Responds To Editorial on Aging

To the Editor:

I read with great interest your editorial concerning the economic problems of the elderly.

As you know, I long have been interested in helping to solve those problems which I regard as among the most serious in our nation. The most recent information furnished our committee shows clearly that

retired persons in this country are becoming relatively poorer each year in comparison with persons still working. That information also reveals that without dramatic change, the situation is going to get worse.

I have enclosed some material which will bring you up to date on our latest efforts to stem that tide.

In addition, I think you might be interested to learn that we conducted two days of hearings on the plight of retired persons who try to maintain their homes in the face of the tremendous real property tax burden. A wide variety of ideas to help solve this dilemma were brought to our attention including a possible system of direct Federal assistance to states which grant property tax relief to senior citizens. Our Committee currently is evaluating the suggestions which we received.

Our task ~~can~~ can be made easier through ~~stating~~ public support. Editorials such as yours which point out the seriousness of the problem help generate that support.

In bringing such material to the attention of your readers, you are rendering a great public service which through the years has been typical of your efforts.

With warm personal regards,
Sincerely,
Senator Harrison A. Williams, Jr.
Washington, D.C.

OBITUARIES

Philip Hargrave; Member Of Elks

Philip J. Hargrave of 120 Rutgers Street, Belleville, died December 28 at Clara Maass Memorial Hospital, Belleville. He was 86.

Born in New York City, Mr. Hargrave came to Belleville from there 65 years ago. A member of Belleville Lodge 1123 PBOE, he was employed there as a bartender.

Survived by his wife, Mrs. Ellen Manning Hargrave, he

also leaves a daughter, Mrs. J. Warren Russell of Verona; a son, Philip J. Hargrave Jr. of Bayville, and four grandchildren.

Services were December 31, from the Kiernan Funeral Home, Belleville, followed by a High Mass of Requiem at St. Peter's Church, Belleville, with the Rev. James F. Heavey officiating. Interment was at St. Peter's Cemetery.

Mrs. Lori Peraino; Leaves Six Daughters

Mrs. Catherine Peraino of 1 Lake Street, Belleville, wife of the late Lori Peraino, died Sunday, January 4.

Also surviving are six daughters, Mrs. Santa Christiano, Mrs. Jennie Sauchelli, Mrs. Rose Oliva, Mrs. Mary Della Volpe, Mrs. Anna Pluma and Mrs. Angelina Ricci; one son, John Peraino; 24 grandchildren and 6 great grandchildren.

Services were January 7 from the Zarro Funeral Home,

Bloomfield, followed by a High Mass of Requiem at St. Anthony's Church, Belleville. Interment was at Holy Cross Cemetery, North Arlington.

J. Savage Succumbs

John Savage of 30 Rutan Road, Belleville, died December 31.

He is survived by his wife, Mrs. Pauline Fiegel Savage and also leaves two daughters, Mrs. Marion Bogart and Miss Joyce Savage; six sisters, Mrs. Katherine McCarthy, Mrs. Helen Velkovich, Mrs. Olga Calliguri, Mrs. Rose Stanchak, Mrs. Mary Peacock and Mrs. Pauline Timko, and two brothers, Michael and Daniel Savage.

Services were January 3 from the Levandoski Funeral Home, Bloomfield, followed by a High Mass of Requiem at Holy Family Church, Nutley. Interment was at Immaculate Conception Cemetery, Montclair.

The careful person is one who knows what to expect.

Angelo Nappi; Was Retired Labor Foreman

Angelo Nappi of 16 Brown Street, Nutley, died after a short illness, December 26 at Clara Maass Memorial Hospital, Belleville. He was 80.

Born in Italy, Mr. Nappi came to Nutley from Newark 17 years ago. A retired labor foreman with Frank Riski and Co., Newark, he also was a member of the Eagles in Newark.

Survived by his wife, Mrs. Marie Granada Nappi, he also leaves six daughters, Mrs. Mary (Nappi) Grasso and Mrs. Dolores Alfano, both of Newark, Mrs. Helen Vito and Mrs. Mildred Dabee, both of Fla., Mrs. Rose Netchel of Belleville and Mrs. Elvira Moore of Va.; six sons, Adolph (Rudy) and Americo of Nutley, Victor of Cal., Angelo Jr. of Newark, and Nicholas of Belleville; 44 grandchildren and 22 great grandchildren.

Services were December 30 from the DeCapua Funeral Home, Newark, followed by a High Mass of Requiem at St. Francis Church, Newark. Interment was at Holy Sepulchre Cemetery, East Orange.

Anthony Bravo Dies; Sister In Belleville

Anthony Bravo, 50, of 29 Northfield Avenue, East Brunswick, and brother of Mrs. Florence DeCruce of Belleville, died December 30 at Middlesex Hospital, New Brunswick.

Also surviving Mr. Bravo is his wife, Mrs. Geraldine Galdo Bravo of East Brunswick; son James and two daughters, Theresa Ann and Antoinette at home; four brothers and four sisters.

The funeral was Friday, January 2, from the Rezem Home, East Brunswick, followed by a Mass in St. Bartholomew's Church.

New Transportation Course Offered At Polytech Institute
A new course, "Case Studies in Transportation," is offered this winter at the downtown Brooklyn campus of Polytechnic Institute of Brooklyn.

The course is part of a graduate program. Given by PIB's Division of Transportation Planning, it is designed to analyze "specific types of problems peculiar to the urban transportation complex." It will deal with dilemmas unique to transportation and the operation of transportation companies --- relating academic principles to real-life situations.

Roushinko Succumbs

Charles Roushinko of 18 Wayside Lane, Nutley, died after a short illness, December 10, at Clara Maass Memorial Hospital. He was 56.

Born in Pennsylvania, Mr. Roushinko came to Nutley over 16 years ago. Retired from the La Monte Division of Georgia Pacific, he was a member of Our Lady of Mt. Carmel Church.

Survived by his wife, Mrs. Anna Miller Roushinko, he also leaves a daughter, Mrs. John (Charlotte) Rumph of Bloomfield; a son Charles Jr. of Belleville; a brother, Michael of Pa.; three sisters, Mrs. Rose Werrell of Nutley, Mrs. Anna Walchanski of Pa., and Mrs. Helen Raczynski of Mass., and five grandchildren.

The funeral was December 13, from the S.W. Brown and Son Home, Nutley, followed by a Mass at St. Mary's of Assumption Greek Catholic Church, Centralia, Pa. Interment was at St. Mary's Ukrainian Greek Catholic Cemetery.

A business without someone to push it follows the law of gravity downhill.

Ernest Freeman; Former Resident, Dies In Honolulu

Ernest W. Freeman of Honolulu, Hawaii, formerly of Belleville, died December 26, in Honolulu. He was 83.

Born in Skaneateles, N.Y., Mr. Freeman resided in Belleville from 1920 until moving to Hawaii in 1953.

Formerly manager of Continental Can Co., Passaic, he was a member of the Masonic Blue Lodge of Pittsfield, Mass.

Survived by two sons, J. Willard Freeman of Wake Island and Dr. Gilbert C. Freeman of Honolulu, he also leaves two sisters, Mrs. Beatrice Greenleaf of Long Beach, Cal., and Mrs. Sarah Drohinske of River Edge; five grandchildren and two great grandchildren.

Services were at the Hawaiian Memorial Park at Kaneohe, Oahu, Hawaii on December 30.

Mrs. Anthony DeJessa Dies In St. Barnabas; 45

Mrs. Carmela Tirone DeJessa of 349 Ralph Street, Belleville, died in St. Barnabas Medical Center, Livingston, December 30. She was 45.

A lifelong resident of Belleville, Mrs. DeJessa was a member of the St. Lucy Philopony Order of Holy Family Church, Nutley.

She is survived by her husband, Anthony DeJessa; a

son, Anthony Jr. of Belleville; a daughter, Mrs. Sara Ann McInnis, also of Belleville; three brothers, Alexander Tirone of Nutley, Carmine Tirone of Newark and Edward Tirone of Belleville; two sisters, Mrs. Madeline Rosa and Mrs. Mary DeJessa, both of Belleville, and one grandchild.

Services were January 3 from the Falcoi Funeral

Home, Nutley, followed by a Mass of High Requiem at Holy Family Church. Interment was at the family plot.

Speedy West Orange Challenges Bellboys as Season Hits Midway

With the first half of the cage season drawing to a close, the Bellboys will be out to fatten themselves up tomorrow night, when the speedy West Orange Cowboys come riding into town.

Tuesday the Bellboys dropped another tough tilt to Montclair, 52-44 at the Mounties court. Their season record stands at a less than bright 1-7.

Team morale, however, seems to be good. The players say they will be a second half

of the season team, and are working hard to prove it. About the only one unhappy is "first year" coach Herman "Jitty" Wische.

Half-jokingly the heralded coach says, "The only one who is suffering is the coach. I haven't yet learned to accept defeat, and my ulcers are killing me."

Baring a great second half surge, Jitty will be inflicted with his first losing season in a long history of championship coaching.

Few will fault the coach, however, for he took the job under several handicaps. For one thing, he didn't know individual abilities when he felt compelled to take the reins upon the sudden resignation of last year's coach Paul Szem.

For another, he has been trying to instill a new system

for the Bellboys, his famous "zone defense with a man-to-man principal."

The coach dropped his noted style of defense against Nutley in an apparently wise move that produced victory. The way Jitty explains it, Nutley was good on outside shooting, which negates the zone, and not any faster than the Bellboys, which make a man to man game preferable.

The Cowboys, however, are quick, and Jitty's Bellboys will return to the zone defense. Jitty says they are a smart team that knows how to capitalize on mistakes.

Thus far, the Cowboys (as of Monday night) are 5-2, with close losses to top ranked East Orange and Bloomfield.

What is bothering the Bellboys at this point in the season is turnovers and

mistakes in execution, something which has plagued them all along. Jitty says these things are working themselves out, and no one

can deny that the team is playing better ball lately.

In the 52-44 loss to Montclair, the Bellboys played a good game, playing without two starters. Al Purcillo was sidelined with a cold, but will suit up Friday. Al Casaletta has a badly chipped tooth and might not play against the Cowboys.

Poor defense in the second quarter probably cost the team a victory, with the Mounties outscoring them in the quarter, 22-9. Montclair's pressing defense stole the ball 14 times, converting seven for easy layups.

Rocco Marotti continued to play increasingly fine ball, getting 10 points and 11 rebounds. Sharpshooting Vinnie Costantino hit high score of the game with 21 points, his second highest output of the season.

Towns, Russomano Are Runners-Up In Tourney

By John McCarthy

Wrestling captain Jessie Towns and Carmen Russomano, a junior both took second place honors at the Holiday Wrestling Tournament held in Bloomfield December 27.

Senior Bob Arlt received Belleville's only other tourney trophy. Arlt finished third in the 123 pound weight class.

Jessie, last year's 130 lb. District Champ, wrestled at 136 and won his first two matches of the day, 13-0 and 7-0. When Jessie went into the final bout, he seemed to tire and lost 3-0 to a Seton Hall grappler, Ed Mahon.

Carmen, a star on the gridiron this fall, also won his first two matches in the 168 lb. class. In the final match Russomano faced Jerry Almeida, also from the Hall Prep, and was beaten 3-2.

Arlt won his first match. Bob went into the consolation match and won 8-6 against Ietto of Mountain HS to earn third place.

Senior Kevin Sutton was

the only other Bellboy to get past the first match. Sutton, won his first match 5-4, was beaten 10-1 in the second round, and lost the consolation match to Fiorentino of Irvington to take fourth place in the 98 lb. class.

Angelo Zoppi at 106 for Belleville lost 5-0. John Mustacchio represented Belleville in the 115 lb. class and was beaten 4-0. Vito Marcolighese, completing Belleville's lightweights, lost the 130 lb. class match 6-1.

Wrestling at 141 pounds, Felice Fabiano was beaten 5-4. At 148 Salvabo was pinned by Bob Caprio of Seton Hall. Caprio went on to take first place in his group.

Draft Induction Figures For January Rve By 53

Colonel Joseph T. Avella, New Jersey State Director of Selective Service, announced today that the state's induction call for January 1970 is for 279 men, 53 more than the December 1969 call.

The national call is for 12,500 men, 10,000 to be inducted into the Army.

At 157, Frank Savastano lost 9-0.

After upsetting football player Sal Bivona to get into the tourney, another BIS griddier Tom Jones was beaten 2-1. Belleville's heavyweight, and another griddier, John Atherton went against Bob Carroll of West Essex. Carroll beat Atherton 6-0 and became the heavyweight champ winning his next two in a row.

Hunters Bag 8,400 Deer During 1969

Deer hunters during the 1969 season bagged over 8,400 animals according to reports of the Division of Fish and Game's Bureau of Wildlife Management.

The preliminary figures for the firearm season, December 8-13, show, as of Monday, December 29, 1969, that 4,874 deer were taken. Due to the holiday mail, report cards are still being received in the Trenton office, so these figures may increase. This figure is 191 less than 1968's final total of 5,065.

If the final total is less than 5,000, it will be the first season in the past 15 years that the harvest has not exceeded that figure. Conservation Officers reported the smallest turnout of hunters in years and with the first day very unfavorable, weatherwise, these could be contributing factors to a lower take.

During the special one day permit season on December 20, 1969, 2,249 deer were checked compared to 2,116 in 1968. These figures are complete since all successful hunters were required to take their deer to a state checking station.

Hunterdon, Sussex, and Warren counties showed substantial increases in permit animals taken while Mercer and Somerset were down considerably.

Final figures for both firearm seasons will be released later after biologists have examined all cards and compiled the data as to county taken, including a breakdown by sex.

Archers, as reported earlier, had the third highest total on record with 1,356 animals taken during the season of October 4 - November 6.

The Bureau of Wildlife Management of the Conservation Department's Division of Fish and Game is highly satisfied with the harvest of 8,479 deer and considers it exceptional for a state as small and as heavily populated as New Jersey. It also indicates the continuing success of the Bureau's management efforts in maintaining this valuable wildlife resource to provide many hours of recreational enjoyment.

Tempers Flare As Kearny Tops Belleville Cagers On "Tough" Court

By Marc Feldman

The Kearny Cardinals, using their great height and small home court to fullest advantage, defeated Belleville, 61-41, last Friday evening.

The game was marred by a fight that broke out with about two minutes left in the third quarter.

Hostilities began when Belleville's Rich Motacki and Dennis Keil of Kearny started a shoving match in a far corner.

Bellboy Vin Costantino came over to aid his team mate and hit Keil. Both benches emptied and about 50 Kearny fans poured out onto the court. Kearny police restored order within 30 seconds.

The referees decided to eject Costantino from the game and charged him with two technical fouls. Jim Gaffney sank both penalty shots, and the game continued with tempers flaring on both sides.

To add insult to injury, when the Belleville cheerleaders took the court during a fourth quarter time out, they were booed by the

Kearny spectators and silently returned to seats on the sidelines.

Belleville's resentment had been building up throughout the game at the obstacles imposed by the Kearny gymnasium and the officials' rulings. The Cardinals, who play their home games in Washington elementary school are accustomed to their court which is 10 feet shorter and 10 feet narrower than Belleville's home court.

The Bellboys had trouble adjusting to the court, especially in the first half. They were called five times for backcourt violations and an equal number of turnovers on stepping out of bounds. Also, the referees seemed to be concentrating on traveling

and out of bounds violations, rather than fouls. In fact, in the second quarter, Belleville did not shoot a free throw and Kearny attempted only two fouls.

The game got off to a very slow start and after Rich Motacki gave Belleville a 2-1 lead, Kearny ran off 11 straight points. Belleville was able to close the gap to 7 points several times but Kearny led 25-12 at halftime.

Kearny extended their lead in the third quarter, led by Ralph Landi who broke the game wide open. In the first three minutes, Kearny outscored the Bellboys 12-3 giving them an insurmountable 37-15 lead. Kearny led 45-21 at the end of the third quarter.

Vin Costantino, although he played less than three quarters, finished with 10 points. Junior Rocco Marotti was Belleville's high scorer with 12 points. It marked the first time that Costantino did not lead the Bellboys in scoring since December, 1968.

The Bellboys scored 20 points in the final quarter to cut their final deficit to 20. Belleville was able to cut the lead to 18 in the final period, but never seriously threatened.

Kearny's season record moved up to 5-3, including a 3-3 mark in conference play. Landi was the game's high scorer with 18 points.

Sports Corner

By John McCarthy

Belleville's freshmen wrestling squad is preparing for its first home meet against the Bloomfield sophomore team next Monday afternoon.

Dennis Villano will be starting his second year as frosh coach. Last year he had only two meets and compiled a 1-1 record. His win was against the Bloomfield sophomore squad and his loss to the Nutley frosh.

Villano felt that he could have been 2-0 if his wrestlers had more experience. In order to give the boys as much experience as possible, Villano calls in experienced wrestlers to assist in demonstrating moves by actually wrestling with the frosh.

One of Dennis' assistants was his brother Joe. Joe Villano now 21, was the 130 lb. District Champ for Belleville High. Another District Champ, Bery Giordano, whose brother Rich is going for the frosh 123 spot, has also come done to help. A third helper was varsity heavyweight John Atherton, who spent a few of his vacation mornings with the frosh heavyweights.

The team starts their workouts with heavy calisthenics, then practices moves and techniques, and finishes with twenty minutes running in the gym.

Coach Villano said "one of the best things about freshman wrestling is you get to wrestle about eight times a day because we have a small squad." But Villano also said his only problem is the mats his boys have to wrestle on. They've been using tumbling mats which Villano feels aren't enough protection against the floor, and Villano wishes he could have a regular mat like the varsity.

Another freshman team is into its season. The Frosh Basketball team won their second game Friday over Kearny 61-55. The frosh record is now 2-3, and today they'll go against the frosh of St. Benedicts.

As usual, Cary Grobstein lead the frosh in scoring. Cary sunk 13 field goals and went 3-10 from the foul line for a total of 29 points. Don Dolph was the number two scorer for the Bellboys as he scored one field goal and went 9-13 from the free throw line for 11 points.

Kearny had taken a lead at halftime, 29-22 after being down 15-9 in the first quarter, but Belleville moved up again in the third period. The Bellboys out scored Kearny 16-13 to pull with in four points of the Cardinals.

Don Dolph's foul shots in the fourth quarter and Cary Grobstein's field goals helped the frosh beat Kearny 23-13 in the last quarter to win 61-55.

Also scoring for the frosh were Al DeMasi and Dave D'Angelo with six points each, Mark Corino with 5 and Ken Stien with four.

Belleville Wrestlers Challenge Mounties After Splitting First Two Season Matches

Mounties Are Next For Mat Hopefuls

Coach Jim Silvestri takes his varsity wrestlers to Montclair tomorrow afternoon at 3:45, and if last year's match is any indication, it should be a tough meet.

Last year a strong Mounty squad shackled the Bellboy grapplers 42-3, the sole Belleville victory scored by District Champ and team captain Jessie Towns.

Montclair, which won its first match this year, 25-18 against Kearny, appears just as tough as it was last year. Big threat for the Mounties is Jim Swan at 115 pounds.

Meanwhile, Silvestri's Bellboys, whom he termed "green" in the beginning of the season, have been developing as a unit, and appear ready for a good season.

"The kids are really psyched up for this one," the six year coach reports. "I think we can beat Montclair." The Bellboys opened their

season with a tough 28-21 loss to Bloomfield. Silvestri says he was impressed with the play of his squad. The coach, faced with mostly juniors and sophomores says he has more potential than ever before.

The major problem facing the squad is "making weight," which in wrestling terminology means being below the weight limit of a particular class at match time.

Victim of the weight problem in the Bloomfield loss was star senior Towns, who was two ounces above the 136 pound limit. Walter Bennett, wrestling in Towns' place, however, looked impressive to his coach in losing a squeaker, 5-4. Bennett is a sophomore with potential, and it is unfortunate, Silvestri says, that he wrestles behind Towns.

Also experiencing weight problems were starters Bobbie Arlt at 123 pounds, and Gary Guinta at 98.

Defeat Number 1 By Bengal Squad In Season Opener

By John Mc Carthy

Belleville Varsity Grapplers opened their season with a tough 28-21 loss to Bloomfield last Friday afternoon at Bloomfield.

Bellboy Coach Jim Silvestri, said the team was plagued by weight problems, with three of the slated starters not making weight. Gary Guinta, Bob Arlt, and Jessie Towns.

Before the weigh-in Coach Silvestri had figured on having to forfeit both the 98 and 106 matches and told the other ten wrestlers: "I'm giving out ten points out there, I want them back."

Silvestri had figured on having Angelo Zoppi overweight, but Zoppi made it by almost a pound. Zoppi was the first Bellboy to wrestle, and pinned Robert Lipinski in the first 50 seconds of the third period in the 106 bout. Zoppi's pin gave Belleville five points and after forfeiting the 98 lb. class, the score stood 5-5.

John Mustacchio's pin over last year's 98 lb. District Champ Frank Murano of Bloomfield in the 115 match put Belleville ahead 10-5. Things looked bright, until John Egidio, wrestling at 123 for Arlt, was pinned by Bloomfield's Mark Richardson.

Vito Marcogliese, Belleville's 130 pounder, put his squad ahead for the second time as he shut-out John Esposito, 7-0. Walter Bennet, in for Towns at 136, was beaten 6-4 and for the third time the score was tied, 13-13.

John Salvato went against Rich Cole of Bloomfield at 141. Cole was the 141 lb. Champ at the Holiday Wrestling Tournament, and would have won 8-6, but Salvato's 4 minutes riding time gave him 2 points for an

8-8 tie. The tie gave two meet points to each team and score was still tied 15-15.

Bloomfield moved ahead with two pins in the 148 and 157 pound classes. Bellboy Carmen Russomano, who took second in the Christmas tournament, beat Bloomfield's Dale Gordon in the 168 class 6-2. Sal Bivona beat Gary Caridad 1-0 in the 178 match, making the score 25-21, but Bloomfield won the heavyweight match to win 28-21.

First Match Box Score

Summaries for the season's first wrestling match follow: 98 pounds Holveck (Blm) win by forfeit, 5-0; 106 pounds, Zoppi (Bell) pinned Lipinski (Blm); 115 pounds Mustacchio (Bell) pinned Murano (Blm); 125 Richardson (Blm) pinned Egidio (Bell); 131 Marcogliese (Bell) decisioned Espositon 7-0 (Blm); 136 pounds Fritts (Blm) decisioned Bennet (Bell); 6-4; 141 pounds Salvato (Bell) tied Cole (Blm) 8-8; 148 pounds, Napolitano (Blm) pinned Waddell (Bell); 157 pounds Stiens (Blm) pinned Savastano (Bell); 168 Russomano (Bell) decisioned Gordon 6-2; 176 pound Bivona (Bell) decisioned Caridad 1-0 (Blm); Unlimited Kent (Blm) decisioned Atherton (Bell) 14-4.

Coastal Waterfowl Remain At High Population Rate

New Jersey's coastal waterfowl population remains at a high level, according to the Division of Fish and Game's Bureau of Wildlife Management. The latest aerial survey conducted by State Wildlife Biologists on December 15 found an estimated 369,932

Victory Number 1 Over Barringer

The Bellboy grapplers captured their first victory of the young season with a commanding 34-18 victory over Barringer. The squads record now stands at 1-1.

Stunning Barringer by capturing the first six matches, the Bellboys recorded eight victories, including four pins.

Pins were earned by Angelo Zoppi at 106 pounds and John Mustacchio at 115. For both these lightweights, it

Geneen Expects Sales Rise For The Year Of 1970

Harold S. Geneen, chairman and president of International Telephone and Telegraph Corporation said today that ITT expects "astron increase in sales in 1970" as a result of its broadened base both in the United States and abroad.

Geneen said that reported consolidated sales and revenues for 1969 will amount to approximately \$5 billion, compared with \$4.1 billion as reported last year when the company ranked as the 11th largest U. S. industrial corporation. In 1970, he added, sales should reach approximately \$6 billion.

waterfowl in the 3 flight areas surveyed.

This was about 10,000 more than the previous flights conducted on November 19, and 51,000 more than the estimated of December 8, 1968.

Cagers Record First Win

By Marc Feldman

The Belleville High varsity basketball team won its first game of the season, after five defeats, 65-52, over arch-rival, Nutley, at home

last Tuesday afternoon. The game was Belleville's last chance to get into the victor column in 1969, and they made the most of it.

Co-captain Vin Costantino and Rich Motacki provided the bulk of the Bellboy attack, with 17 and 16 points, respectively.

The deciding factor in the game was Belleville's foul shooting, especially in the first half. In the first two quarters, they converted 14 of 16 free throws, including their final 11 attempts of the half. In contrast, Nutley was cold from the line, hitting a poor 3 of 12.

Both teams were over anxious at the outset of the game, with three personal fouls committed in the first minute. The players' nerves settled down, as Corky Austin gave Nutley a 5-2 lead with 6:20 left in the quarter. Here the momentum of the game turned in favor of Belleville.

The Bellboys completely dominated the next three minutes, with a streak of 10 consecutive points, to take a 12-5 lead. Ralph Vicidomini broke the run with two baskets in the next minute, which enabled the Raiders to close within three, at 12-9.

Then Ron Schulz hit a long jumper for Belleville and Al Casaletto drove in for a layup with seven seconds remaining to give the Bellboys a 16-9 lead at the end of the first quarter. This period marked the first time this season that a rival team had been held under 10 in a quarter.

In the second quarter, Belleville's foul shooting began to play a dominant role. The Bellboys were 10 for 10 in this quarter, and despite hitting only three field goals, outscored the Raiders, 16-10 in the period. Belleville scored the first six points of the quarter, on Ron Schulz's 15 footer. Motacki

and Costantino each sunk two foul shots for a 22-9 advantage. Ralph Vicidomini tried to lead Nutley back, but the Bellboy free throw barrage was too much for the Maroon to handle.

End Of Year Employment Up For Labor And Industry

Estimates prepared by the New Jersey Department of Labor and Industry showed non-agricultural payroll employment (excluding farm, domestic, self-employed, and unpaid family workers) at 2,575,800 in November a gain of 1,600 over the October level.

This rise was due largely to increases in the numbers of workers in the trade, government, and food industries. Job-holdings were up 49,900 or 1.9 per cent from November 1968 level.

Nutley was also handicapped by the loss of leading scorer, Les Hirsch, who sustained a broken ankle in a practice session. The Bellboys' biggest lead of the half was 15 points, and at intermission, Nutley was down by 13, 32-19.

The Bellboys were able to extend their lead to as much as 16 points in the opening minutes of the second half. Nutley attempted to fight back and twice cut the deficit to 10-8, before the Bellboys regained the spark. Nutley trailed 43-35 with two minutes left in the third quarter, but field goals by Costantino and Schulz, and two free throws by Rich Caravetta, put the Bellboys back on top by 14, 49-35, with three quarters gone.

Bill Haines gave the Bellboys a 16 point lead with a jumper at the foul line, but Nutley was still unwilling to give up.

Led by Corky Austin and Dan Bouton, Nutley sliced the Belleville lead to 59-48 with three minutes left. After regaining possession on a Maroon turnover, Belleville resorted to a stall offense to keep the ball away from Nutley, and waste out the clock. Nutley was forced to foul, and when time ran out, the Bellboys had their first victory under Jitty Wische since his return to coaching after 15 years.

The win also marked Belleville's first over Nutley, this scholastic year, having lost to the Raiders in both football and cross country.

The Belleville sophomore basketball team also triumphed over Nutley, 50-48, last Tuesday. The margin of victory was provided by Augie La Luna's basket with four seconds left. La Luna led the Belleville team with 24 points and Wayne Martin contributed 18.

By MAX BECK

Many people, traditionally, buy phonographs for Christmas. For these customers and others, just as a reminder, we would like to give a few pointers on the use and care of records.

The worst enemy of a record is dust. The dry friction of a stylus on the rather soft record material is bad enough. If you add dust to it, you are sure to harm them.

First of all, after you are finished with a record, put it back in the jacket, right away. Don't leave it on the record changer. The best way to store records is in a standing position. A number of record players have a small brush on the tone arm which rides on the record. It is most important to clean this brush often. If you don't you may spread dust on a clean record instead of keeping the dust away. This brush is not sufficient. More dust accumulates on the stylus (needle). After a few playings there is a good sized ball of dust and lint on the stylus, which causes popping and scratchy noises. We supply our customers, at the time of the sale with a small camel's hair brush to use on the stylus. This has to be done very gently so the stylus will not be bent or damaged.

Do not use an "anti-static" solution, ever. If records are soiled, the best way to clean them is with a moist lint-free cloth.

Many changers will not work right if records are warped. If this is the case, they can be straightened by placing them on a level surface and putting a pile of books or some other weighty object on them. As with everything else, prevention is better than the cure. We service what we sell.

WEDDINGS AND ENGAGEMENTS IN SOCIAL SPOTLIGHT

Mr. and Mrs. J.P. Freund Will Reside In Puerto Rico

Mrs. Jerome Freund-nee Rose Ann Cerami

Miss Rose Ann Cerami, daughter of Mr. and Mrs. John Cerami of 57 Passaic Avenue, Belleville, was married December 14 to Jerome P. Freund, son of Mr. and Mrs. Henry Freund of 213 Park Avenue, Nutley.

The ceremony in Holy Family Church was performed by Msgr. Roger A. Reynolds of St. John the Baptist Church, Fairfield. A reception followed at San Carlo Restaurant, Lyndhurst.

Escorted by her father, the bride wore a delustered satin gown appliqued with lace and fashioned with an empire waist, long sleeves and full length train.

Her shoulder length veil was held by a headpiece trimmed in beaded tear drops and pearls. She carried gardenias and stephanotis.

Miss Marie Cerami was maid of honor for her sister. Bridesmaids included Miss Lois Restaino, cousin of the bride, Miss Carolyn Catalano and Miss Joyce Milazzo, all of Belleville. Their gowns were fashioned with pink crepe skirts and red velvet empire bodices. Headpieces were red velvet bows and they carried white muffs trimmed with red roses and pink carnations.

Michael Freund of Dunmore, Pennsylvania, was best man for his brother. Ushering were the bride's brother, Joseph Cerami, Anthony Festa Jr. and Nicholas Trasente Jr., all of Belleville.

Mrs. Cerami chose an apricot gown with beaded top and wore an apricot orchid corsage. The groom's mother was in a pink gown with matching coat trimmed with a silver collar. Her corsage was a pink orchid.

Mrs. Freund, a graduate of Belleville High School, is with New Jersey Bell Telephone, Glen Ridge.

Mr. Freund, an alumnus of Essex Catholic High School, attended Montclair State College and is on active duty with the USNR stationed in Puerto Rico.

The couple have made their home in San Juan, Puerto Rico.

Mrs. Ralph Lilore-nee Louise Pietoso

Louise Pietoso, Ralph Lilore Wed

At an afternoon ceremony Saturday in Sacred Heart R.C. Church, Lyndhurst, marriage vows were exchanged by Miss Louise Pietoso of Lyndhurst and Ralph Lilore of Belleville.

The bride, daughter of Mr. and Mrs. Frank Pietoso, 243 New St., teaches first grade at Roosevelt School, Lyndhurst. She is a graduate of Mt. St. Dominic Academy, Caldwell, and Anna Maria College, Paxton, Mass.

The groom, son of Mrs. Gerald Lilore, 140 Crest Drive, and the late Mr. Lilore, teaches sixth grade at Franklin School, Metuchen, and is assistant coach of the Metuchen High School football team and head coach of baseball. Mr. Lilore is an alumnus of St. Benedict's Preparatory, Newark, and Holy Cross College, Worcester, Mass.

The bride wore an off-white satin gown adorned with beaded Alencon lace appliques and styled with a detachable train. Her veil fell from a camelot headdress and she carried eucharis lilies.

Miss Linda Pietoso was

maid of honor for her sister in a peacock blue satin gown trimmed with off-white lace and matching bow headdress. She carried white poinsettias and holly.

Similarly attired in moss green satin were bridesmaids, Misses Maryann Lilore, sister of the groom, Nancy Boggian and Elizabeth Cosgrove.

Gerald Lilore was best man for his brother. The bride's cousin, Carmen LoRe, ushered with the groom's cousin, Richard Sabella, and John Nivak.

After a reception at the Westmount Country Club, West Paterson, the couple left for a honeymoon in Nassau.

Linda D. Tourian Is Bride Of Timothy S. Lastfogel

Wedding vows were exchanged November 22 by Miss Linda D. Tourian, daughter of Mr. and Mrs. Sarkis K. Tourian of 521 Union Avenue, Belleville and Timothy S. Lastfogel, son of Mr. and Mrs. John Lastfogel of 25 Carteret Place, Nutley.

The Rev. Mampre Kouzoulian performed the ceremony in St. Mary's Armenian Apostolic Church, Irvington. A reception followed at Pironti's House for Brides, Newark.

Escorted by her father, the bride wore a white velvet gown appliqued with flowers and fashioned with a cathedral train. A three tier velvet bow held her bubble veil and she carried white and blue miniature carnations.

Miss Lorraine Tourian of Belleville was maid of honor and Miss Carol-Louise Pulis of Ridgewood and Miss Susan Lastfogel of Nutley were bridesmaids. Kathi Jones of Woodbridge was flower girl.

They wore Caribbean blue velvet gowns trimmed with cornflowers. Headpieces were velvet bows.

Michael Lastfogel of Nutley was best man. Ushering were George Tourian of Belleville and Mark Lastfogel of Nutley. Joel Jones of Woodbridge was ringbearer.

Mrs. Tourian chose a beaded gold peaudesoie dress with gold accessories. The groom's mother was in an aqua chiffon dress with silver accessories. Corsages were sonata roses.

Mrs. Lastfogel, a graduate of Belleville High School, is with New Jersey Blue Shield, Newark.

Mr. Lastfogel, an alumnus of Nutley High School, is stationed at Fort Hancock, Sandy Hook.

The couple have made their home in Belleville.

It's almost time to start talking about baseball training and exhibition games.

Mrs. Timothy Lastfogel-nee Linda Tourian

Pharmacy Footnotes

Vincent Cozzarelli
Reg. Ph.

If we can transplant kidneys and other organs, why not teeth? The idea of transplanting teeth is not exactly new. There is evidence that it was tried as long as six centuries ago-- without success. In recent years, several researchers in the United States have revived person-to-person tooth transplants, with the same lack of progress. But when they've turned their attention to transplants with the patient's own teeth -- substituting a wisdom tooth for a diseased molar, for example -- things have been different. Next stop: drugs and techniques which will permit the same thing on a person-to-person basis.

OFFICE HELP

If your fingers can type at least 35 wpm, we have varied and interesting openings in our bustling Medicaid office for--

Clerk-typists - In addition to typing, you'll enjoy filing assignments and a variety of general office tasks.

Regular Typists - If you enjoy typing full-time, we'd like you to do just that.

We offer a good salary and excellent benefits including Blue Cross, Blue Shield, and major medical coverage, life insurance, paid holidays, and a 35-hour work week.

See our representative at our new office at 60 West Street, just a few minutes walk from Bloomfield center, weekdays between 9 a.m. and 4 p.m. No appointment is necessary. (Take Bloomfield Avenue to Newark Avenue. West Street is the 2nd Block on the left.)

New Pamphlet Explains Services Of Medicaid

What is Medicaid? What is
meant by Title 19? Who is
eligible and for what? How
can I find out?

These and a variety of other
frequently asked questions
are answered in a new
publication "Facts About the
New Jersey Health Service
Program" now available for
public distribution. The
publication, written in easily
understood terms in common
usage, gives a step-by-step
procedure to assist persons in
determining if they are
eligible for the program as
well as listing the services
covered.

Edwin F. Hann, Jr.,
director of the new Division
of Medical Assistance and
Health Services, State
Department of Institutions
and Agencies, states that the
pamphlet is an answer to
questions from throughout
the State, from public and
private agencies as well as
individuals and is available
without charge from all New
Jersey county welfare offices.

The New Jersey Health
Services Program, sometimes
called Medicaid, or Title 19
or Medical Assistance,
became effective in this state
on January 1. Not to be
confused with Medicare,
which is a Federal health
insurance program for which
the insured persons pay a
premium, the Health Services
programs provides health care
benefits for families and
individuals who qualify
because of limited income.

All persons receiving aid
under one of the categorical
public assistance programs in
the State are automatically
eligible and will be so notified
by their county welfare
board. These programs
consist of Old Age Assistance,
Assistance for Dependent
Children, Assistance for the
Blind, and Assistance for the
Permanently and Totally
Disabled. Any person who
would be eligible for one of
the four mentioned programs
if he applied for it would also
be eligible for the new Health
Services program. Children
who are in foster care with
the State Bureau of
Children's Services are also
eligible.

It is important to note that
a person may apply just for
the Health Service Program
and not for monthly public
assistance payments. However,
to be eligible for one of the
categorical public assistance
programs mentioned earlier,
A person receiving General
Assistance or municipal relief,
who is not eligible for one of
the categorical programs, is
not eligible for the Health
Services program.

Health Services include care
in a hospital; care in a skilled
nursing home; clinic,
laboratory and x-ray services;
services from a doctor

Federal Work-Study Grant
Given In 1970 To College

A federal work-study grant
of \$1,944 for the first six
months of 1970 has been
awarded to Union College, it
was announced today by Dr.
Kenneth W. Iversen, acting
president.

The funds will be used to
provide on-campus
employment for about 20
students in the spring and fall
semesters of 1970, Dr.
Iversen said.

New Jersey Symphony Plans Newark Concert

Concerts will be presented this month in Newark and New York by the New Jersey Symphony Orchestra.

The orchestra will play this Saturday at Symphony Hall, Newark, and the following Wednesday, January 14, at Carnegie Hall, marking its debut in New York.

Both performances are scheduled to begin at 8:30 p.m.

The concerts will be conducted by Henry Lewis, the Symphony's music director, and will feature his wife, the mezzo-soprano Marilyn Horne as guest soloist. Also appearing on the program is soprano Joanne Bruno and the Camerata Singers.

Miss Horne, one of the world's most celebrated vocalists, has performed in leading opera houses and concert halls here and in Europe.

Joanne Bruno, a talented young singer from West Orange, New Jersey, will sing the role opposite Miss Horne in an excerpt from Gluck's "Orfeo".

The Camerata Singers, directed by Abraham Kaplan, has appeared with the New York Philharmonic and other orchestras across the nation, and has made numerous recordings since it was formed in 1960.

The program, which will be the same for both concerts, opens with the complete second act from the Gluck opera. The moving operatic tale follows the traditional Greek legend with one major alteration: a happy ending has been interpolated. Miss Horne will sing the title role of Orfeo, a male character written by the composer for a voice of feminine range and quality. Miss Bruno will sing the part of Euridice, and the

Camerata Singers will provide the chorale background.

The concert also will offer the East Coast premiere of an abstract study for orchestra entitled "The Seventh Trumpet" composed by Donald Erb. This contemporary work was first performed by the Dallas Symphony Orchestra earlier this year.

The finale of the program will be a 21-minute scene from the third act of the "Seige of Corinth" by Rossini which will be sung by Miss Horne. Miss Horne's performance of the work at La Scala last season won the acclaim of audience and

critics as one of the most impressive performances of the year.

The orchestra's management said that because of unusual interests in the concerts, arrangements have been made for the purchase of reserved seat tickets through a service of Ticket Reservation Systems, Inc. In New Jersey, outlets are located at B. Altman & Co. and Moffat Companies in Short Hills, and all Sears Department stores.

Tickets for both concerts are available at the Symphony offices, 1020 Broad Street, Newark, and the Carnegie Hall box office.

SPANISH DANCER — Spanish dancer Nana Lorca will join Jose Greco and his dancers in the first field trip program of the new year at Symphony Hall, Newark, on January 14.

Jose Greco Group In Concert Series

Both senior citizen and school groups will attend the opening program of 1970 in the School Field Trip Series at Symphony Hall, Newark.

The mixed audience of young and old will view Jose Greco and his Dancers on Wednesday, January 14. The Greco troupe, specialists in classic Spanish dances, will be joined by Nana Lorca's Flamenco Dance Theater in two performances, at 10 a.m. and 1 p.m.

The field trip series comprises 12 programs this spring, four of which will be available for the first time to senior citizen groups. Following the Greco show, presentations by the New York City Opera Company, the New York City Ballet

Company and the New Jersey Symphony Orchestra will be offered to the seniors.

Jose Greco, who was born of Spanish-Italian parentage in a small mountain town of Italy, organized his own company in 1948 after co-starring with the famed Argentinita and later, her sister Pilar Lopez.

The company's first successes came in Madrid, followed by engagements in Europe and Great Britain.

Greco brought the troupe to this country in 1951 and has appeared on stages throughout the U.S. as well as on television and in films. His film credits include performances in "Around the World in 80 Days" and "Ship of Fools".

Miss Lorca was formerly the soloist of the Pilar Lopez Spanish Ballet Company and danced as Greco's prima ballerina before forming her own company. She is equally accomplished in the Spanish classic, Flamenco and folkloric dances.

Groups interested in obtaining tickets may phone or visit the Symphony Hall box office, 1020 Broad Street, Newark.

Afro-American History Set As Course At Union College

A course in Afro-American history will be added to the offerings of Union College's evening session for the coming spring semester, it was announced today by Donald Schmeltkeopf, director of the Evening Session.

Afro-American history was added to Union College's curriculum in the Day Session in September.

FRIENDLY FRIEND — Academy award winner Patty Duke finds a magical communication with upstairs neighbor James Farentino in "Me Natalie," now playing at the Franklin Theatre in Nutley.

N.J. Orchestra Set To Present Symphony Concert

The New Jersey Symphony Orchestra will present a gala concert at Symphony Hall, Newark this Saturday at 8:30 p.m.

The concert, which will be conducted by Henry Lewis, the Symphony's Music Director, will feature his wife, internationally acclaimed soprano, Marilyn Horne, as guest soloist.

The program will present Miss Horne singing excerpts from the opera "Orfeo" by Gluck. She will sing the title role of Orfeo, actually a male character but written for a voice of feminine range and quality.

The role of Euridice, the wife of Orfeo, will be sung by the talented young Joanne Bruno. Miss Bruno, a native of West Orange, New Jersey came to the attention of Henry Lewis last year when he was conducting a talent search for a soprano to sing with the New Jersey Symphony Orchestra. A graduate of the Juilliard School of Music, she has sung at the Aspen Music Festival, the Festival, the of Two Worlds in Spoleto, Italy, and with the Boston Symphony Orchestra.

The Camerata Singers, a chorale group directed by

Abraham Kaplan, will also be featured in the presentation of "Orfeo." Notices of their first nationwide tour last year hailed their performances in 36 cities across the United States. They have also appeared in New York's Philharmonic Hall and recorded with Leonard Bernstein.

Another highlight of the program will be the East Coast premiere of an abstract study for orchestra entitled "The Seventh Trumpet", and written by Donald Erb. This contemporary work was first performed by the Dallas Symphony Orchestra earlier this year.

The finale of the program will be the overture of the "Seige of Corinth" by Rossini.

At Walter Kidde Two Members Appointed To Board Of Directors

Two new members were appointed recently to the board of directors of Walter Kidde and Co., Belleville.

The addition of Theron L. Marsh and James J. Brown to the board of directors was announced by Walter Kidde & Company, Inc.

Marsh is executive vice president and president-elect of the National Newark & Essex Bank (Newark, N. J.). Brown is a senior vice president and chief financial officer of Kidde.

The retirement of Karl Weber from the Kidde board also was announced.

Marsh, 58, joined National Newark & Essex Bank in 1934 in the auditing department. He became an assistant cashier in 1940, assistant vice president in 1948, vice president in 1949 and executive vice president in 1961.

He was named to the bank's board of directors in 1966. Marsh is a director of the

James J. Brown

Greater Newark Chamber of Commerce, a trustee of the Medical Surgical Plan of New Jersey, past president of the Essex County Bankers Association and a member of

Theron L. Marsh

the board of regents of the Essex County Chapter, American Institute of Banking. He is a graduate of Princeton University.

Brown, 41, joined Kidde in 1965 as director of planning. He became controller later that year, vice president in 1968 and senior vice president in 1969.

He previously was manager of the Eastern regional audit staff of Litton Industries and before that served nine years with Price Waterhouse & Co., including more than three years in Caracas, Venezuela.

Brown is a graduate of Fordham University School of Business and a New York certified public accountant. He is a member of the American Institute of CPAs and the New York State Society of CPAs.

Kidde is a diversified company with principal operations in safety, security and protection products and services, transportation, lighting fixtures and materials handling equipment. Headquartered in Belleville, the company operates more than 130 manufacturing plants worldwide.

Marsh and his wife, the former Virginia Drewry of South Orange, live at 86 Whittredge Road, Summit. They have three children: Mrs. Sigmund Wutkiewicz of Jacksonville, North Carolina, and Cynthia and Rockwell, at home.

Marsh is president of the United Community Fund of Essex-West Hudson. He is a member of the Zoning Board of Adjustment in Summit and serves on the executive committee of the Essex Club, Newark.

Brown lives at 441 Weymouth Drive, Wyckoff, with his wife, the former Mary Ellyn McKeon of New York City, and their three children, Patricia, James Jr. and Carolyn.

Two Others Also Step Up

William Clarke Promoted To Bank Executive Post

Samuel Riskin, president of the Bank of Passaic and Clifton, has announced the promotion of William Clarke of Nutley, and two other men to executive positions.

Riskin named Clarke as senior vice president. Also promoted were Peter Southway to executive vice president, and Edwin Jennings Jr. to senior vice president.

Southway joined the bank in 1951 and is a graduate of the American Institute of Banking, New Jersey Public Relations School and Dale Carnegie Institute. He is past president of the Passaic Lions Club; a member of the board of directors of the YMCA and a member of the Pennington Club. He lives at 49 Bender

Drive, Clifton, with his wife Lena and children, Arlene and Peter.

Jennings, in charge of the bank's business development program, is a graduate of Pace College, National Association of Bank Auditors and Comptrollers and American Institute of Banking. He is assistant chief counsel for the American Institute of Banking president of the Passaic County Chapter of the American Cancer Society, treasurer of the Passaic Valley Citizens Planning Association; a director of the Passaic Boys' Club; a member of Rotary and a member of the board of directors of the Passaic Area Chamber of Commerce. Jennings resides at 778 Black Oak Ridge Road, Wayne,

with his wife, Dora.

Clarke in charge of the Customer Relations Department, is a graduate of N.Y. University School of Business and has been with the bank since 1950. Active in civic affairs, Clarke is currently serving on the Board of the Boys Club of Clifton and the Clifton Chamber of Commerce. A member of the Clifton Rotary Club and the Upper Montclair Country Club; he resides in Nutley with his wife, Janet. He has two sons; Clifford, a student at Bucknell University and Captain Jeffrey J. Clarke, who is currently serving in Viet Nam with the First Infantry Division.

Congressional Dinner Scheduled February 5 To Honor Delegates

Once again leaders of business, industry, agriculture

Belleville Bank Gets Savings Insurance Rise

The DeWitt Savings and Loan Association, a member of the Federal Savings and Loan Insurance Corporation will share the benefits of President Nixon's recent approval of an increase to \$20,000 in government insurance on individual savings accounts.

The previous figure was \$15,000. The coverage is automatic with all present or future savings accounts with DeWitt.

and government in New Jersey will, on the first Thursday in February, converge upon the nation's capital to honor the state's delegates to the Congress of the United States.

Following a pattern established in 1937, the New Jersey State Chamber of Commerce will conduct its annual Congressional dinner in Washington on February 5 and the majority of those attending will travel there aboard a Chamber-chartered train. In recent years, well over one thousand New Jerseyans have attended the dinner.

Governor-elect William T. Cahill (who by then will be in office), members of his cabinet, officers and members of the State Legislature and other State officials, news media executives, reporters and other guests of the Chamber will join with its members in honoring New Jersey's two U.S. Senators and fourteen members of the House of Representatives (New Jersey's 15th seat in the House will then have been vacated by Cahill).

The reception and dinner will be held in the Hotel Statler Hilton.

Prominent New Jerseyans serving in various branches of the Federal government will also be attending. State Chamber President Thomas C. Butler, who is chairman of the board of The Grand Union Company, East Paterson, will preside.

Senators Clifford P. Case and Harrison A. Williams, Jr., will each present remarks, Congressman Peter W. Rodino, Jr., dean of the delegation, will introduce the other New Jersey members of the House of Representatives.

Traditionally, the Chamber also accords the state's chief executive the opportunity of addressing its dinner audience. Thus Cahill, who has for the past decade been one of the honored guests as the Representative of New Jersey's 6th Congressional District, will be in the unusual position of addressing remarks to all of his former colleagues in the New Jersey Congressional delegation.

The Chamber's special train will originate in Pennsylvania Station, New York City and will receive members and guests also at Newark, New Brunswick, Trenton, 30th Street Philadelphia and Wilmington, Delaware.

Hardman Employee Speaks At Meeting

At the annual meeting of the National Association of Pattern Makers in Dearborn recently, Michael Scales of Hardman Incorporated, Belleville, spoke on the advantages of using depolymerized rubber as a flexible pattern material.

He was one of a series of speakers at a morning session devoted to flexible rubbers for patterns. The various types in use and the reasons for choosing each were described, as were their limitations.

Johnson Installed Master Of Lodge

Warren M. Johnson of 13 Parkside Drive, Belleville, was elected and installed Worshipful Master of Belleville Lodge No. 108, F&AM, at annual ceremonies on December 10 at Belleville Masonic Temple.

Allen I. Miller was installed as Senior Warden and William V. Irvine, Jr., P.M., was installed as Junior Warden. William C. Smith, P.M., was installed as treasurer and John W. Keller, Sr., P.M., was installed as secretary.

Also installed were: Callaghan M. Hollowell, P.M., Chaplain; Frank G. Peters,

Dr. Weissbach Named Chemistry Award Winner

Dr. Herbert Weissbach, associate director of the Roche Institute of Molecular Biology, has been named as the 1970 recipient of the American Chemical Society Award in Enzyme Chemistry. The award, sponsored by Chas. Pfizer & Co., Inc., is intended to stimulate fundamental research in enzyme chemistry. Dr. Weissbach has been selected for the award in recognition of his contributions to current knowledge concerning the biosynthesis of vitamin B12 coenzymes and their role in one-carbon metabolism.

The award will be presented at the awards dinner during the ACS spring meeting in Houston, Texas on February 23, 1970. As is the custom, Dr. Weissbach will present a research paper at the

Dr. Herbert Weissbach

symposium to be held in Chicago during September

Hardman Names Manager For Marketing Division

Michael Scales has been named marketing manager for Hardman Incorporated, compounders of resins and elastomers and manufacturer of mixing, metering and dispensing equipment for multi-component resin systems. The appointment was announced today by James V. Hardman, company president.

Born and educated in England, Scales served in World War II after graduating from the Royal Air Force Officers Engineering College.

In 1946 he joined CIBA (A.R.) Ltd. (England) to organize and develop their technical sales department. He worked in several countries before joining CIBA Products U.S.A., where he was manager of applications development before leaving to join Hardman in June, 1969.

Scales has an international reputation for his technical

Michael Scales

application, lecture and textbook work on synthetic resins in the construction industry.

He and his wife and one child live in Manahawkin.

Frank St. John Named Bank Branch Manager

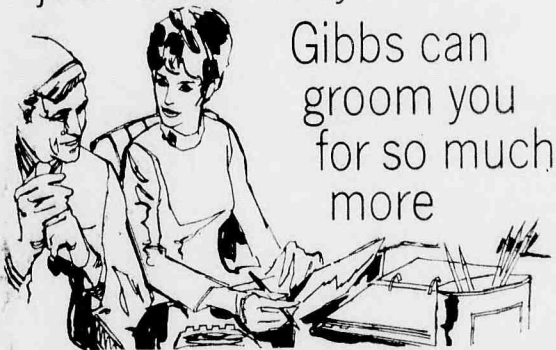

Frank St. John of 101 New Street, Belleville, was recently appointed manager of the Weequahic Branch of The Howard Savings Institution.

St. John is presently working for his graduate certificate at the American Institute Chapter; and has completed

both the Data Processing and Public Relation Schools of the New Jersey Bankers Association at Princeton. His employment with The Howard dates back to 1959.

If you can have but one possession, character is still your best bet.

Why settle for becoming "just" a secretary?
Gibbs can groom you for so much more

You're thinking of becoming a secretary? Wonderful! But why stop there? Instead of aiming to become "just" a secretary, wouldn't you rather be one of those "terrific girls" whom bosses fight to hire and brag about having? Then you can just about take your pick of fascinating jobs assisting important men in such glamorous fields as the fashion industry, magazine and book publishing, advertising, government, finance.

For over 50 years, the most sought-after girls in the secretarial field have been those trained by Katharine Gibbs School. Last year our Gibbs Placement Service received nearly 12,000 requests from employers begging for "a Gibbs girl, please!" We couldn't begin to meet the demand.

Why is a Gibbs girl considered so special? Because we groom her not just for a job, but for outstanding secretarial achievement.

In addition to mastering typing, shorthand, and other office skills, Gibbs girls develop poise, quiet self-confidence, taste and correctness in office dress and grooming, ability to "cope" with typical

office problems. Because they have an opportunity to learn so much as confidential secretaries to management, many Gibbs girls eventually become managers themselves.

OUR ONE-YEAR SECRETARIAL COURSE is ideal for girls with a high school diploma and perhaps a year or so of college who are eager to obtain a well-paid secretarial job.

OUR TWO-YEAR LIBERAL ARTS-SECRETARIAL COURSE combines professional career training with college-level liberal arts courses. OUR SPECIAL COURSE FOR COLLEGE WOMEN is an 8½-month course for girls with at least two years of college who now want to prepare to earn a good living as an executive secretary.

Convenient Montclair campus with parking facilities; optional bus transportation. (Also located in Manhattan, Boston, and Providence, R.I.) Scholarships, student loans. Free lifetime placement service. Day and residence students. Classes begin Sept. 22.

JONATHAN HOLMES, Ph.D.

Right now it seems far away.

After all, Jonathan's only in kindergarten.

He still has 8 years of grammar school, 4 years of high school, 4 years of college, and more years before his Ph.D.

He has many books to read. Many papers to write.

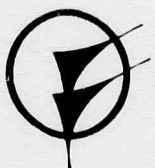

Many worlds to explore. To Mr. and Mrs.

Holmes, it seems only yesterday that Jonathan was their 6 pound, 2 ounce baby. Yet all too soon he'll be

their 6'2" Doctor.

So they've opened a Fidelity Savings Account today. To prepare Jonathan financially for tomorrow.

Life happens fast. That's why it's so important to save for whatever happens, at Fidelity.
