Entire School System Set For Big Cultural Festival

Mayor Ken Smith has added to the significance of Monday's Music-Arts Festival by proclaiming a week in its honor.

In an official proclamation, Mayor Smith recommended that the week beginning January 19—the date of the festival—be celebrated as Music-Art Festival Week.

The Mayor's decree adds to the already feverish level of excitement in Belleville as the local schools system prepared for the largest combined student effort in the town's history.

The event, for which preparation begun months ago, will take place this Monday at Belleville High School, with a capacity crowd of 2,000 expected in attendance.

Little else has been talked about in the schools the last few weeks, as preparation has neared final stages. Students from artists to shop workers have become involved in the project which will seek to display the talents of pupils from kindergarten to twelfth grade.

The festival is a two faceted event, combining music and art into one great cultural experience.

From 6:30 to 8 p.m. exhibitions will be on display for parents in the high school halls, with slides in the auditorium. At 8 p.m. a series of musical concerts will be presented by student bands, orchestras and vocal groups.

Benefit of the 50 cent admission fee will be the scholarship fund of the

Belleville Education Association.

The Festival will represent the efforts of many people, but in particular those of Morton Birkin, Belleville Art Director; Frank Scelba, junior high school music coordinator, and Michael

Rossamilia, assistant superintendent of schools.

The three men have done little else in the last few months, working to coordinate the talents of countless numbers of students.

Residents of Belleville, Ontario will also "see" the

festival. Rossamilia will send tapes and slides from the big event to a Kiwanis group in the Canadian city as part of an exchange program.

Door prizes consisting of student art work will be presented after the two and half hour festival.

FESTIVAL PORTRAITS — Portraits by Belleville High School artists will be among the many works displayed at the January 19 Music-Art Festival at the high school. Dale Rudy (left) has done a portrait of Board of Education member Joseph Casale, while Teresa Cerami has captured Mayor Kenneth Smith.

Salary Stalemate Forces Temporary Ratification

The Belleville Board of Education has ratified a tentative 1970-71 school budget which will be presented January 29 at a public hearing. The budget was passed at a special meeting Tuesday night, after The Times went to press, so a figure was not available for publication.

The new budget is tentative because of a stalemate involving salary negotiations. Representative of the School Board and the Belleville Education Association have been meeting regularly in an effort to reach a "satisfactory" settlement.

Both negotiating parties preferred to reserve comment on salary demands until after talks are completed.

After ratification Tuesday night, Board Secretary Mary Shader rushed the budget to County Superintendent of Schools Simeon Moss for his signature in accordance

with law. The new budget must be advertised a full week before the scheduled hearing on January 29. Final adoption will come after the hearing.

Should salaries scheduled in the new budget prove unsatisfactory to school

personnel, and a new agreement is forced, the Board will have two choices. They must either readvertise or announce the changes at the public hearing. The first alternative is probably ruled out because newspaper deadlines for the January 22 issue are set for tomorrow.

Board Candidates Begin Rigorous Campaign Route

The three candidates for the Belleville Board of Education have started down the campaign trail, scheduling teas and working on election platforms.

The trio has been sending out feelers to different town leaders in an effort to find out just where their support lies.

Caesar Romano received some youthful support this week from an 18-year-old Belleville High School senior who promised to organize high school students interested in aiding the candidates campaign.

The senior, Steve Rodgers of 31 Brighton Avenue, has been active in the Belleville Civil Air Patrol and was a member of the drill team for last year's Miss America Pageant.

Romano's campaign manager, stock broker Michael Chieffo of 250 New Street, has been busy soliciting support for his candidate, and invited any one interested in the campaign to contact him.

James Risoli was also active last week, scheduling a major tea on February 1 at 4

p.m. in the Little League clubhouse. The candidate, who resides at 7 Dawson Street in Silver Lake, said several town leaders have contacted him about support, but he declined to mention names. Risoli also withheld his campaign managers name, but promised to announce it soon.

Superfast Meeting Ushe's In '70's

The Belleville Commission ushered in the new decade with one of the fastest Monday night meetings on record. It took the Commissioners a mere 12 minutes to dispose of matters listed on the first agenda of the new year.

Ziping through the agenda with a harmonious "yes" rhythm unheard of in the old council-manager days, the Commissioners approved seven department reports, four communications, 12 resolutions and three previous meeting minutes.

Said Mayor Ken Smith: "It's just a quiet town." The year 1970, then, has officially begun.

Health Officer Suspended Second Time In 8 Months By Public Affairs Director

By Nat Gottlieb

It's official. Belleville's Health Officer, Dr. J.R. Beneveto has incurred his second suspension since taking office two years ago.

The announcement came Monday morning from Registrar of Statistics Ralph Risoli, thus ending a week marked by rumors, counterrumors, and a closed mouth attitude by employees of the Public Affairs Department.

In a terse announcement, Risoli said the doctor had been suspended five days for "insubordination." The registrar declined to elaborate except to say that Commissioner Vincent Strumolo had suspended Doctor Beneveto for "failure to comply with a request made by the Public Affairs Director." Risoli said the incident occurred in December, but suspension was withheld until after the holidays.

The Commissioner, meanwhile was out of the country at press time and unavailable for comment. He returned yesterday.

Few suspensions at Town Hall have been clothed with so much secrecy. The Times first inkling of the suspension came via the rumor trail last week. With Strumolo out of town and Risoli bed-ridden with pneumonia, efforts to separate fact from rumor turned out to be a most difficult task.

Public Affairs employees hinted at the suspension, but refused to become involved. Dr. Beneveto, who knew of the suspension, chose, for reasons known only to him, to feign ignorance of it. "I

don't know anything," he told The Times in a phone interview to his home in South Orange.

Another phone call last week presented a different story, however. Mayor Ken Smith said he had received a written message from the doctor revealing his suspension and asking for a conference with the Mayor.

This week Dr. Beneveto took a different position. "I have no comment to make," he said over the phone. Asked about the possibility of a hearing, the doctor replied "I intend to ask for a hearing." Dr. Beneveto finally said that the suspension was "without a doubt, unjust."

Actually, according to civil service law, the health officer is not entitled to a hearing. Civil service provides for a hearing only when a suspension of more than five days is imposed or when three or more suspensions during one calendar year add up to fifteen days or more.

Thus far Dr. Beneveto has incurred only one other

suspension, a three day directive for Strumolo last May for what was termed "insubordination."

Dr. Beneveto was due back for work Monday.

Although neither part will elaborate on the two suspensions, personality conflicts seem to be at the basis for the moves. Dr. Beneveto has repeatedly claimed interference in his

duties by both Strumolo and Risoli. The two men have said that suspensions have come about because "the town's needs are not being fulfilled."

The previous health officer, Dr. Gerson Ram was suspended three times by Strumolo and ultimately fired. After Ram appealed the case to Civil Service, Strumolo's action was upheld.

At Town Hall

Officials Discuss Town's Future

Major town officials converged on Town Hall yesterday morning for a meeting which could shape the future of this town.

Leaders from the Town Commission, the Board of Education, and the Library and Planning Boards met at 10 a.m. in Council Chambers to discuss Mayor Ken Smith's proposal to modernize all town-owned property.

The Times went to press prior to the meeting but next week's edition will contain a complete report on the proceedings.

The gathering was called by Mayor Smith to discuss the feasibility of floating a massive bond issue to modernize conditions in town which he has termed "deplorable."

Italian-American Group Sets Annual Mardi Gras Dinner

The Belleville Italian-American Civic Association will be holding their fourth annual Mardi Gras Dinner and Dance on February 7, at the Military Park Hotel.

The Mardi Gras is celebrated as the Halloween of Italy, otherwise known as "Carnevale". Lavish and comical costumes will be worn by the guests. Balloons, confetti and noisemakers will prevail during the celebration.

Awards will be presented to: Sandra LaSala, valedictorian of the 1969 graduating class of Belleville High School, and John Cancellasi, outstanding male student of the same class for scholastic and leadership achievements.

Special awards will go to: Marilyn Casale, "Miss Cherry Blossom" of Belleville 1969 and Richard Luzzi, former All-State fullback from Belleville High School.

All-Southern Conference back at Clemson University where he established a record for running a kickoff 106 yards. He is presently star half-back on the Newark Jays football team.

Music and entertainment for this affair will be furnished by Bob Davis and his 15-piece orchestra.

Chairman of the affair is Nicholas D'Orsi of Belleville. (Pictures are shown on page six).

Girl Scouts Start Sale

Doorbells in Belleville will begin ringing January 10 as nearly local girls kick off the annual Girl Scout cookie sale for Greater Essex County.

Five types of the famous pastries, now a household commodity, will be sold now through January 24 with an early February delivery date. Reorders are scheduled for February 16 through March 13.

According to Belleville's Cookie Chairman, Mary Gomalsinski, profits from the sale are used to maintain and operate the council's three resident and one troop camps. Research has revealed that thirty-four thousand boxes of cookies sold will

Ralph Ciccone Set To Head Chamber

Ralph Ciccone, vice president of Mattia Press, has taken over the Belleville Chamber of Commerce presidency with a promise to maintain the organization's involvement in community business affairs.

Ciccone, who was elected to replace two-year president George Meade Jr., will be officially installed along with five other officers and 18 board members at the Chamber's annual dinner on April 23.

The new president and his co-officials have already assumed their duties.

Elected to Chamber vice presidencies were John Boyd of Sonneborn Building Products, Inc.; Charles Charrier of Crescent Press; Aaron Cohen of Charles Jewelers, and William Gausmann of Andrew Jergens Company. Michael Pariso of Pariso Bros. Furniture was chosen treasurer, and Harry T. French returns as executive director of the board.

Judith Del Guercio

Belleville Nurse Chosen For Clara Maass Post

Mrs. Nancy Masiello, director of Nursing Service at Clara Maass Memorial Hospital has announced the appointment of Judith Ann Del Guercio of Belleville to the position of in-service coordinator. In this capacity she will be responsible for training new nurses in hospital procedure and will keep current employees informed about new techniques or medical equipment brought into the Hospital.

Miss Del Guercio who lives at 217 Forest Street, is a graduate of the Belleville school system and received her A. A. degree in nursing from Fairleigh Dickinson University. She is a B.S. degree candidate at Fairleigh Dickinson, and will receive her degree, cum laude, next month.

Miss Del Guercio joined Clara Maass Memorial Hospital as a staff nurse in 1967 and became head nurse in March of 1969.

First Baby Greets Decade

The first Belleville baby born in the new year is at home with her parents and progressing nicely.

The newest Belleville resident is Tricia Renee Serio, daughter of Mr. and Mrs. Alphonse Serio of 31 Hickory Court.

Mrs. Serio gave birth to Tricia at 12:33 a.m. on January 1 at Clara Maass Memorial Hospital. It was the first baby of the new year at Clara Maass.

Tricia's arrival was marked by the Belleville Chamber of Commerce, which presented gifts to her parents from local businesses. Contributing to the Chamber's presentation was Walter Kidde & Company; The Belleville Rosary; Terry Shop; Paul's Shoe Shop; The Glass Company; Jolly Cleaners; Flowerama; Hardman, Inc.; Allen Pontiac; Andrew Jergens; W.T. Grant Company; The La Bate-Unit Division; Wallace and Tiernan, and Sherman's Children's Wear.

WELCOME TO TOWN — The first Belleville baby of the new year gets a big hug from her mother Mrs. Alphonse Serio, and a gift check from Mrs. Sol Sherman representing the local Chamber of Commerce. The six pound five ounce Tricia Renee will reside at 31 Hickory Court.

Belleville Ministerium Churches Plan National Prayer Week Observance

Churches of the Belleville Ministerium will observe National Week of Prayer for Christian Unity by opening January 18 to January 24. In the past, this national week had been celebrated in

town by conducting a "service of unity" to which Christians from all persuasions gathered together in worship. The first "service of unity" attracted more than 800 people to St. Peter's Auditorium.

This year, it was decided to emphasize another aspect of Christian unity by inviting

CYO Committee To Review Rules Selects Joe Ward

Joseph Ward has been named archdiocesan chairman of a special Newark CYO committee which will review rules and regulations covering athletics in the entire CYO Program.

The committee has the power to review the whole program in their area of competence and to make any suggestions it wishes. The final report will be made by the director and his staff in June. Committee meetings are expected to take place monthly.

Ward announced that the athletics committee will consist of a chairman, secretary and two adults and one teenager from every county. All staff members and program directors from the four counties are invited to attend all meetings.

people to pray for peace. Although the churches will be open for prayer and meditation each evening, there will be no formal services planned. Mass will be conducted at St. Peter's Roman Catholic Church, however, each evening at 7 p.m. Participants will be free to come and go as they please, remaining for as little or as long as they may desire.

The Belleville Ministerium has suggested that this week of prayer be used especially for the purpose of praying for peace throughout the world. Pastor Albert E. Alspach, chairman of the Ministerium urged that "Belleville be united in prayers for peace in this new year and the beginning of a new decade."

He added, "It is our hope

that all Christian people in our community may fill the churches. Let's bombard heaven with our petitions and make use of the power made available to us through prayer. It works, you know!"

Culminating the week will be an ecumenical social called "Pot-Pourri" to be held Saturday evening at 8 p.m., January 24 at the Knights of Columbus Hall, 94 Bridge Street, Belleville.

For reservations, contact any of the clergymen in the Ministerium. It is hoped that from this week of prayer may come also a desire on the part of all Christians to come together informally for dialogue with one another.

Richer Than You Think? Average Local Family Is Worth \$29,600

Are Belleville residents richer than they think?

What is the net worth of the average local family, taking into account its cash savings, the equity in its home, its car, investments, insurance, pension reserves, clothing and the like?

A family balance sheet, in which the assets are listed in one column and the liabilities in another, may prove to be an eye-opener, as most people have never figured out how much they have accumulated over the years.

They know, in a general way, that they are better off than they once were, in most cases, but they have never worked it out in dollars and cents.

Some help in this direction is now available through national studies made by the Federal Reserve Board, the Institute of Life Insurance and others.

They find that the earnings capacity of a family and its net worth are directly related. Those in the higher brackets have assets equal to several times their annual incomes while those with modest incomes have accumulated proportionately less.

Related to Belleville and to the current earning levels in the area, the national figures indicate an average net worth of \$29,600 per

family locally.

By way of comparison, in the United States generally, the net worth is \$24,000 per family and, in the Middle Atlantic States, \$28,200.

The amount applies to the so-called "average" family. It lumps together all age groups—the older ones, who have been adding to their assets over the years, as well as the younger ones, who are on the way up.

For typical families in some specific brackets, the estimates are as follows: those with after-tax incomes of \$5,000 to \$7,000, a net worth ranging from \$10,500 to \$15,500, those with \$7,000 to \$9,000, net worth of \$15,500 to \$21,000, and those in the \$12,000 to \$15,000 bracket, assets of \$38,500 to \$63,000.

For the population of Belleville as a whole, the total net worth comes to an estimated \$346,000,000.

Included is the value of all housing, automobiles, house-hold equipment, life insurance, wearing apparel, bank accounts, business interests and stock holdings.

On the other side of the ledger are instalment debt, mortgages, medical bills, payment due on the car and all other obligations.

Figures Just Released

Government Here Costs Each Taxpayer \$92.80

Operating costs, generally regarded as a yardstick of municipal and school district spending, are shown for Belleville in the 1969 edition of "Financial Statistics of New Jersey Local Government."

According to the 24th annual edition of the reference booklet, Belleville's total municipal operating costs for 1968 were \$3,584,010, individually, that cost each Belleville re-

sident \$92.80.

School district general operating costs for the 1967-68 school year were \$3,789,504 which amounted to spending \$692.49 per pupil.

Belleville's residents paid \$9.72 more than the state-wide average for municipal cost and the school district spent \$44.58 more per pupil than the average municipality.

Statewide, operating cost

of the 567 municipalities averaged \$89.29 per New Jersey resident last year. General operating cost of the 580 school districts averaged \$647.91 per pupil throughout the state.

In presenting the data, the New Jersey Taxpayers Association (sponsor and publisher of the annual reference booklet) pointed out that operating costs represent the day to day run-

ning expenses of government and do not include debt service, nor expenditures for capital improvements which may fluctuate widely from year to year.

The booklet cautioned that comparisons of per capita cost between municipalities should take into consideration varying local conditions, including functions performed and adequacy of service.

LBJ And The Kennedys

One of the most revealing things in the recent television reminiscences of former President Lyndon Johnson is his story about a call from the late Joseph Kennedy in 1955. As the former president recalls it, the elder Kennedy called and said that, upon the advice of his son John (to become President himself in 1961) he wanted to support Johnson as a candidate in 1956 — the next year.

This obviously was one of the causes of disenchantment between the Stevenson and Kennedy forces in later years. Adlai Stevenson got the nomination in 1956, again, and lost again. And he — it is said — was influential in swinging the support of the Illinois delegation behind the late Estes Kefauver in the close and exciting balloting for second spot on the Democratic ticket that year. Kefauver nosed out Jack Kennedy.

The conclusion to be drawn is that Joe

Kennedy, and Jack, were ready to see LBJ head of the ticket, with then Senator John Kennedy in second place in 1956. Four years later they were unwilling to back Johnson, John Kennedy himself having become the odds-on favorite. But Johnson was asked to accept second place after Kennedy was nominated, and accepted. His acceptance probably elected Kennedy — for LBJ carried the South for the Democratic ticket.

Jack Kennedy, while campaigning in 1960 for the Democratic nomination, told reporters he considered Lyndon Johnson the most qualified among those opposing him to be President. Thus Jack Kennedy, and his father, apparently held LBJ in esteem, an interesting glimpse of past history in view of the very different relationship between LBJ and the late Robert Kennedy and Senator Edward Kennedy.

Jersey Begins Medicaid

Medicaid, the federal-state program of medical assistance for those with low incomes went into effect in New Jersey on January 1. One of the last states to offer a Medicaid program, New Jersey elected to put the plan in operation by January 1, and, thereby avoid loss of federal funds.

Essentially, the program is limited to those receiving public assistance through county welfare boards, to persons eligible to receive this assistance if they applied for it, and to children in foster care homes. At this time, not all persons who could be considered needy are covered by Medicaid. Persons receiving financial assistance from municipal departments of welfare, for example, are not covered, nor are families with handicapped children whose incomes exceed public assistance standards, but who have major medical expenditures.

The items and services provided to those eligible will not be arbitrarily limited to duration or amount. Limitations imposed will be those consistent with the medical necessity of the patient's condition as determined by the attending physician or other practitioner in accordance with standards generally recognized by health professionals and the New Jersey Division of Medical Assistance and Health Services.

The following items and services will be initially provided through New Jersey's Medicaid Program:

- * Inpatient hospital services. (Services in an institution for tuberculosis or mental illness are limited to those 65 years of age and older.)
- * Outpatient hospital services.
- * Clinic Services. (Medical care services provided by an outpatient facility not administered or operated by a hospital.)
- * Laboratory and x-ray services.
- * Skilled nursing home services.
- * Physicians services. (Regardless of where furnished.)
- * Other practitioners' services. (Limited by New Jersey law to podiatrists and optometrists.)
- * Home health care services.
- * Dental services. (Including dentures).
- * Pharmaceutical services. (Prescribed drugs).
- * Prosthetic devices and appliances.
- * Medical supplies and equipment.
- * Eyeglasses and hearing aids.
- * Whole blood when not available from other sources.
- * Preventive and rehabilitative services.
- * Transportation. (Ambulance service, for example, to and from a medical facility when the patient's condition precludes the use of other means of transportation).

A Generation Gap Exists In Town?

By John Bunevich

Question: Do you think there is a generation gap between adults and younger people in town? Asked: of Nutley and Belleville residents.

Miss Cheryl Bayarsky, 137 Union Avenue, Nutley.

To me a generation gap means the lack of communication between teens and adults. I think a generation gap definitely exists and will always exist. Every generation is different. They change like style of clothes. Unfortunately the older generation can only remember the way things were when they were young and try to make us live in their past. Teenagers, on the other hand, don't give adults credit for being able to understand so they don't even bother trying to discuss their feelings or ideas.

Miss Renee Bottona, 193 William Street, Belleville.

I don't really think there is a big generation gap in Belleville. The teens seem to be able to communicate fairly well with the adults. We've asked for the freedom to wear pants in school and the adults agreed. I don't think the generation gap is as big as people believe it to be. Maybe if all teens were able to sit down and talk with the adults there wouldn't be a generation gap at all.

Miss Joan E. Gulick, 137 Union Avenue, Nutley.

Yes, there is very definitely a generation gap. A very large one and probably always will be. I work with high school seniors every day and I see this problem all the time. Young people tell me that they just wish they could talk to adults, particularly their parents. Many young people feel frustrated and misunderstood by adults because they can't sit down to talk with them and they are unable to get the answers they are looking for. They are unable to express their own views. They want help, understanding and direction from adults but they all are unable to discuss their problems and ideas.

Miss Donna Iadimarco, 207 Belleville Avenue, Belleville.

The main problem of the generation gap in Belleville today is communication. If the parents and teenagers of Belleville could sit down and talk things over, maybe we might settle some of our problems. We're not really saying our parents are wrong, except that today in this modern world we would like to take part and voice our opinions knowing someday we will take their place.

Seems Only Yesterday

One Year Ago

At least one person from Belleville planned to attend Richard Nixon's inauguration. Paul Hartunian, of 240 Little Street, who was chairman of the Nixon-Agnew Club's campaign committee in town, received a formal invitation from the inaugural committee.

An ordinance to acquire land for a playground on Elm Street was passed on first reading at the Belleville Town Commission meeting.

Chaplain (Colonel) Harold B. Lawson, of 13 Tiona Avenue, assumed duties of the chief of the Fifth U.S. Army chaplain at Headquarters of the Fifth U.S. Army, Fort Sheridan, Illinois.

5 Years Ago

Mrs. Walter P. Brown of 103 Ralph Street was appointed to the Belleville Commission on Civil Rights as designated by Mayor Nuncio R. Pico. The Reverend Benedetto Pascale of Silver Lake Baptist Church was reappointed to the Commission.

Long-time town official Charles B. Tedesco was named acting Town Attorney and Emil B. Wulster of Hackensack was named special counsel by a 3-2 vote of the Town Council. The team of Tedesco and Wulster filled the post left vacant by the resignation of Town Attorney Walter Finch.

Two out of three incumbents were among a field of ten candidates seeking seats in the Board of Education election. Incumbents Mrs. Norma McCool and Dr. Frank Di Ruggiero were bidding for another term on the school board. George H. Brown had previously announced that he would not seek re-election.

10 Years Ago

Purchase of an \$8,000 accounting machine, introduction of the Belleville temporary budget and criticism of New Year's Eve parties for town employees highlighted a meeting of the Belleville Board of Commissioners.

New officers were elected at the annual meeting of the Board of Trustees of the Belleville United Fund. The officers were John W. Noonan, president; Harry T. French, vice-president; T. Russell Sargeant, treasurer; Nuncio Pico, Dominick Lally, Carl F. Hundertpfund and Edgar Mock Jr., trustees.

Matthew F. Kashuba, "traveling science teacher" from Oak Ridge, Tenn., was scheduled to visit Belleville High School to present a series of special lecture-demonstrations on a variety of scientific topics.

15 Years Ago

Francis J. Ryan, popular Belleville mail man, retired after serving local residents for 32 years in the Valley section of town.

Edward Burns, 60, of 31 Hill Street, Belleville, who once chased Poncho Villa as a private in the Mexican Campaign, retired as a Colonel in the United States Army.

A charge that garbage men were collecting refuse from both sides of the street at once, with the truck moving down the center of the street, was made by James R. Golden, Commission critic. Golden made his charge in conjunction with a proposal that Public Affairs Commissioner Joseph King contact other towns to set up a garbage disposal plan on the county level.

25 Years Ago

The Belleville Times announced in a front page article that free distribution of the newspaper would be discontinued after March 1. The publication asked in a full page advertisement for subscriptions.

"North Jersey Attacks," a stage show presented jointly by the war department, the Second Service Command and the Community Manpower Mobilization Committee was scheduled to be shown at Belleville High School. G.I. stars of stage, screen and radio were slated to act in a dramatic portrayal of the urgent need for manpower in war plants.

40 Years Ago

William W. Stewart, leader of the fight to keep George R. Gerard as supervisor of schools, was appointed by Mayor Kentworthy to succeed Paul J. Hollweg on the Board of Education.

Mrs. Samuel H. Bootes became the town's first woman postmaster. She succeeded William J. Hirdes.

50 Years Ago

The Grasshopper Social Club gave an entertainment and dance at the club rooms on William and Smith streets.

The girls of the Silver Lake Welfare Association held a banquet at the community house. The entire meal was planned, prepared and cooked by the girls.

A meeting was held in the high school in the interests of the Better Schools Movement which was being carried out throughout the state.

Montgomery Chapel opened its new bowling alleys, with a ten man team comprised of the men of the Chapel and of Westminster Church,

Speak Up

Youth Urges A Joint Effort For Recreation

To the Editor,

Among the many problems of Belleville it is my belief that recreation in Belleville is not at its finest.

Adults in Belleville complain that teenagers are always "hanging" and causing trouble. Adults also complain that there is no spirit in town.

Do We Have Free Press?

To the Editor:

Do we really have a free press?

I do not believe we have a free press. The press is censored by either the publishers or the editors. They decide what goes into the paper, who writes the articles and where it is placed in the paper.

There are many controversial events taking place and I am sure people have strong feelings regarding them.

The newspapers of the country must be getting hundreds and hundreds of letters from their readers. Some newspapers do print a few if they are very short and do not take up too much space.

Others print a select few if they agree with the contents; others totally ignore them.

If the press were as free as it is supposed to be these hundreds of letters would be printed, even if they took up a major part of the paper.

The press is the one medium where people could really speak out and express their views. Instead we are talked to and are not able to either agree or disagree our diverse opinions in print.

Many reasons are given why the free press doesn't print the public opinion, but the real reason is that public opinion is censored. I would not consider it free even if this letter were printed because I know that at the same time many more have been ignored.

Charles Strenck
235 William Street
Belleville, N.J.

(The Belleville Times has never failed to publish a letter because we disagreed or were embarrassed by the writers' views. - Editor.)

Teenagers in Belleville complain that adults don't care; that wherever they go the police are on their backs and that there is no place to go or nothing to do.

Here we have two groups of people fighting and complaining with each other, but when you come down to it, they both want the same things: a spirited Belleville, and things to do.

The year 1970 will mark a new decade. I think we should stop complaining and start producing. Let us not look back at the past but let us view the future.

The following is an idea I will present to Commissioner of Parks and Public Property William Cullen, entitled "The New Belleville Adult and Youth Organization."

A) This organization shall be made up of two bodies; the adult body and the youth body.

B) The adult body will be made up of a chairman and 12 adults representing all parts of town; two from Silver Lake, Soho, the Valley, the Grant Area, the Park area and the central area of Belleville. The purpose of this body is to develop recreational programs for the adults and senior citizens of Belleville.

C) The youth body will consist of a chairman and 12 young people representing all parts of town; two from the same areas as the adult body. The purpose of this body is to develop recreational programs for the teenagers of Belleville.

D) Both bodies will meet separately at convenient times so long as their purpose is fulfilled.

E) Both bodies will also meet as a whole after a certain period of time.

F) Both bodies will send a progress report to our Recreation commissioner and to the editor of this newspaper so that the people will know the progress of the organization.

My idea is the idea of only one individual, I believe it will work if we have cooperation. If the commissioner approves of this, we will have a start. So let's build upon this start in 1970.

Parks Anniversary Names Ed Hume

Mayor Edmund T. Hume, of Maplewood, has accepted the Chairmanship of a special Mayors sub-committee to coordinate municipality participation in the 75th anniversary celebration activities of the Essex County Park System next year.

According to William R. Harris, chairman of the 75th Anniversary Committee, the Mayors sub-committee was formed to assure that all 21 Essex County Municipalities will be represented in the functions and affairs of the anniversary throughout the coming year. "We are sure all communities in the county are proud of our Park System."

It's the oldest such system in the United States and one of the very best," Harris said. "Hopefully, community-wide support and participation, during the celebration year, will be stimulated by Mayor Hume's committee."

Hume, who is executive assistant to the vice president for Public Affairs at New Jersey Bell, has been Mayor of Maplewood since 1960. A

Belleville Students Can Register Now For Scholarships

National Achievement Scholarship Program for outstanding Negro students and Special Scholarship programs administered by NMSC for business and industrial firms.

Belleville High School students who expect to complete their secondary school requirements and to enter college in 1971 can register now to participate in the 1970-71 National Merit Scholarship Program, principal Raymond O. Smith announced today.

The first step for all students who wish to enter the nationwide Merit Scholarship competition is to take the National Merit Scholarship Qualifying Test (NMQST). The test will be given in the high school cafeteria, at 8 a.m., on Saturday, February 14. The fee for this examination is \$2.50.

Taking the NMQST is also the first step for junior students who wish to participate in other scholarship programs administered by the National Merit Scholarship Corporation (NMSC). These programs include the

When the NMQST scores are reported, each participating student will receive a handbook to help him understand his scores and compare his test performances with that of other high school students across the country. The handbook, which contains information about making college choices and financing a college education, is furnished as a part of reporting the student's test results.

Other interpretive materials are sent to the school. The highest scoring students in each state will be named Merit Program Semifinalists and will be eligible for Merit Scholarship consideration.

controller and vice president. Ciccone has also served the Chamber as a vice president for the last three years. He told the Times that he was happy to have been elected: "I think it is a wonderful opportunity and I am going to try to keep the Chamber going along as it has for years, helping retailers, merchants and industrialists in Belleville to keep this a good town to shop in."

The Chamber leader resides at 108 East Passaic Avenue in Nutley with his wife Virginia. Working with French on the board will be Thomas Aiken, Nicholas Amato, William Bixby, Everett Davey, Robert Emmott, Arthur Gaffney, John Gallagher, James Hardman and Arthur Jackson.

Also on the board is John Kondreck, Al Marositz, William McDowell, Albin Oberg, Frank Orechio, Mrs. Frank Pull, Mrs. Sol Sherman, Stanley Slavin and Robert Williams.

Verona Curate New Director Of Essex CYO

The Rev. John B. Martin, a curate at Our Lady of the Lake Church in Verona, has been appointed director of the Essex County CYO by the Most Rev. Thomas A. Boland, archbishop of Newark. Father Martin succeeds the Rev. Vincent F. Affanoso, pastor of St. Rocco's Church in Newark.

In conjunction with the appointment, Rev. Joseph E. Ochs of St. Ann's Newark, was named to revitalize CYO activities in Newark's Central Ward. The CYO last year initiated a program, geared to increase participation in Newark's inner-city.

In formulating goals for the county CYO, Father Martin said "I plan to continue the traditional CYO programs in Essex County and hope to actively pursue the new directions initiated by Father Affanoso and the Archdiocesan office." He would also like to see the buildup of a "small-group development program," styled after the Canadian Youth Corps. "We would like to do more than merely entertain our youth," Father Martin concluded, "hoping to make them more aware of community issues, possibilities for serving their community and basically producing more responsible young adults."

Music, Talks At Junior High

Belleville Junior High School held an open conference night on Tuesday, December 9 at 7 p.m. for parents to speak with their children's instructors.

Following the conference, the PTA presented a program in the auditorium entitled "Wonderland of Music," under the direction of Frank Scelba, Oliver James, Wendell Paar and Thomas Finetti. Students in the band, orchestra and chorus participated.

Spelling Bee By Local Club

The Knights of Columbus, Belleville Council 835, will hold its annual spelling bee at the Council Hall, 94 Bridge Street, at 2 p.m. on Sunday, January 25.

The contest is open to eighth grade students at all Belleville schools. Candidates will be selected by their teachers.

The first, second and third place winners will be awarded plaques and the first place winner will go on to the county spelling bee and then, hopefully, on to the state contest.

Local College Appoints Diglio

Dr. Thomas H. Richardson, president of Montclair State College, has announced the appointment of John F. Diglio of 55 Prospect Place, Belleville, assistant coordinator of the Audio-Visual Center.

A graduate of Jersey City State College, Diglio holds a master's from Montclair State. For the past five years he taught physics and served as audio-visual coordinator at Hackensack High School.

Rec Twirlers Are Featured At Annual Fete

The Belleville Recreation Department held its fourth annual Christmas show on December 18. Many parents and friends were on hand to enjoy the program.

Individual routines were performed by Keri O'Toole, Diane DeMayo, Vicki Stanecki, Kathy Kohanik, Gloria Jean Harper, and Gale Anderson. Included in a group twirl were Donna Zoppi, Kathy Stone, Cynthia Corris, Lorraine Dan-chak, Susan Sorrentino, Annette Denino, Christine Hughes and Joy Wenzel.

Also included were Lisa Tursi, Maria Bonavita, Susan Massa, Susan Lopusnak, Pam Bloom, Darlene Campana, Debby Limongelli, Karen Sciacca, Brenda Albanese, Pat Cerrachio, Nora Sweeny, Judy Sweeny, and Brenda Stallone. Diane DeMayo, Debbie Morra, Yvonne Santora, and Toni Nardone displayed their twirling ability by exhibiting an original routine.

Also twirling were Sharon and Leslie Norton, Barbara Aulisi and Diane Soprano, and Navette and Aida Steffanelli. The program was coordinated by Miss Elaine Peda and Miss Kathleen Fornarotto.

John Dailey

Robert Williams

Bank Executives Attend Meeting

John P. Dailey, president of DeWitt Savings and Loan Association and Robert M. Williams, executive vice president of DeWitt, have returned from Chicago where they were delegates to the 77th Annual Convention of the U.S. Savings and Loan League.

The Convention was in session from November 17 through November 21 at the Palmer House. Dailey stated that the attendance broke all previous records with over 5500 delegates from all fifty states present.

The principal speaker at the Convention was Tom B. Scott, Jr. outgoing president of the League. In his remarks, Scott stated that present government financial restrictions are placing the industry at a disadvantage and recommended changes that would bring more money and greater liquidity into the home lending market. He recommended an increase in insurance on savings to \$25,000.

Two leading economists also addressed the delegates. Dr. Irving Friend, Professor of Finance at Wharton School of Finance, discussed the recent special study made by him for the Federal Home Loan Bank Board. Elliot Janeway concluded in his remarks that there was no longer any way out of the current financial crisis other than credit controls.

Preston Morton, chairman of the Federal Home Loan Bank Board, stated that he had reduced liquidity regulations from 6% to 5 1/2%. This new ruling, he stated, will pump 650-million dollars in frozen assets into the hard-pressed mortgage market.

Another speaker was Robert Mayo, director of the Bureau of the Budget, Washington, D.C. Mayo stated that the Nixon administration has no intention of restoring direct wage and credit controls in its fight against inflation.

Other speakers included Chet Huntley who spoke optimistically of the trends of the future generation, and Carl O. Kemp, Jr. who discussed the change of business climate and its effects on the Savings and Loan Industry.

Dailey and Williams, along with other New Jersey delegates, took a bus tour to inspect housing conditions in Chicago. They viewed urban renewal projects in the inner city as well as middle and upper class housing throughout the area.

Furthermore, there is no danger of cross threading the valve when replacing it after servicing.

2. It is ultraviolet resistant.

3. It is one-tenth the weight of a brass valve.

4. It resists corrosion by the chemicals of the loaded stream solution, which contains tap water and a potassium carbonate base.

When the fire extinguisher is pressurized, it will hold a charge pressure of 115 psig. If pressure during the charging exceeds 135 psig, air pressure is directed against the top, and larger, of two piston areas. This forces the piston up, breaks the O-Ring seal, and releases the excess pressure. Once the excess pressure is reduced to 135 psig, the valve will stop venting.

When pressure builds up due to heat, pressure is applied to the lower and small of the two piston areas. This forces the piston up and breaks the seal, permitting the expanded air vent through the charging port.

The valve was molded by Graber-Rogg Inc., Cranford. Celcon acetate copolymer is a product of Celanese Plastics Company, Newark.

The Kidde extinguisher is designed to fight fires involving wood, paper, rubbish, and textiles. It is recommended for use in offices, schools, apartments, theaters, department stores, motels, loading docks, fire trucks and storerooms. The portable, lightweight extinguisher, which is easy to handle, shoots a stream of fire-fighting water solution 30 to 40 feet.

According to Walter Kidde, the new plastic valve is the "heart" of its pressurized water and loaded stream extinguishers. Celcon was used for the following reasons:

1. The valve has no threads at assembly points. A retaining clip holds the valve in place. This means the valve can be assembled, inserted, and removed from the extinguisher rapidly.

Savings Bank Declares Largest Dividend Ever

A December First dividend of \$9,680,000 will be shared by the more than 366,000 depositors at The Howard Savings Institution, John W. Kress, bank president, reported recently. This dividend exceeds the one paid for the same period last year by some \$400,000, and will bring total dividends for the last four quarters to more than \$38,287,000.

John Densler Has Retired At Prudential

John C. Densler Jr., 214 Overlook Avenue, Belleville, retired January 8 after 45 years of service from the Prudential Insurance Company's Eastern home office at Newark.

Densler spent his career in the auditing and comptroller's areas. He is a supervising auditing examiner.

A veteran of the Essex Troop he was for many years active with the Boy Scouts as a scout master and explorer adviser.

Densler is married to the former Isabel Post of Nutley. The couple have three sons, John of Auburndale, Mass., Robert, and Donald, and a granddaughter.

Board of Directors For Newark Bank Declares Dividends

The board of directors of National Newark & Essex Bank has declared a quarterly dividend of 50 cents per share on its capital stock for the three month period ending December 31, 1969, it was announced today by Board Chairman Robert G. Cowan.

Payment will be made on January 10, 1970.

X-Ray Technicians Have to Be Schooled Before Practice

From now on, persons who seek certification as x-ray technicians to perform x-ray services on human beings must have completed a course of study approved by the X-ray Technician Board of Examiners of the State Department of Health.

When the legislation became effective December 6, 1968, it provided a one year period for certification of technicians who were then in this type of work. That grace period has ended.

Sullivan Gets Bank Position

Fred R. Sullivan was elected to the board of managers of The Howard Savings Institution today, it was announced by John W. Kress, president, following the Board's monthly meeting. He is replacing Lloyd M. Felmly, who retired last January 20 as an active manager after 12 years of distinctive service, and who is continuing to serve the Bank as an honorary manager.

Sullivan is president and chairman of the board of directors of Walter Kidde & Company, Inc., located at 675 Main Street, Belleville. He was graduated from Rutgers University in 1938 with a bachelor of science degree; in 1942 he was awarded a master of business administration degree from New York University.

He holds directorships in the Dictaphone Corporation; Hayden Publishing Company, Inc.; Sun Chemical Corporation; Supermarkets General Corporation and the National Newark and Essex Bank. He is currently a Trustee of the Newark Museum.

A veteran of World War II, he served from 1944 to 1946 as a lieutenant, j.g. in the United States Navy.

ITT Names Keller Head Of Marketing Division

Appointment of J. H. Keller as director - marketing of International Telephone and Telegraph Corporation was announced today.

Keller is responsible for worldwide marketing operations of the Corporation and reports to the Office of the President-Operations.

A native of Stroudsburg, Pa., Keller joined the ITT System in July 1965 as manager, industrial product planning and market research, and from 1966-68 was associate director, sales and distribution.

Husar Promoted To Bank Position

John Husar

Resident Ends Firm's Course

Patrick J. McDonald of 215 Hornblower Avenue in Belleville, a professional representative specialist for Merck Sharp & Dohme, has recently completed a course of advanced education and orientation at the firm's home offices at West Point, Pa. The meetings were conducted October 27 to 30 1969.

McDonald, who has represented the pharmaceutical firm for the past three years, was part of a group of 23 representatives from around the country selected to attend the special program.

In addition to participating in product and marketing seminars, the group learned about the latest therapeutic developments in the fields of mental health, cardiovascular disease and arthritic disorders.

Santa Claus, we hasten to report, survived the Christmas rush and is now recuperating slowly.

John Husar of Belleville has been named an assistant vice president of National Newark & Essex Bank, it was announced by Gustave E. Wiedenmayer, president.

Husar is assigned to the bank's Roseville Office as assistant branch manager. He attended Seton Hall University and the American Institute of Banking, Essex County Chapter.

He is secretary of the Roseville Business Association and secretary of the Newark Soap Box Derby.

Husar and his wife, the former Alice P. Digori, live at 432 Belleville Avenue. They have two children; John R., and Karen.

Bellboys Seek Victory Number Three Against Powerful Orange Tomorrow

Squad Avenges Earlier Loss By Topping Columbia 56-49

By Nat Gottlieb

The Bellboys travel to Orange tomorrow night seeking victory number three as the second half of the season gets underway.

Tuesday afternoon the blue and gold cagers avenged an earlier loss to Columbia by registering a convincing 56-49 victory at Belleville High School.

Coach Herman "Jitty" Wische's Bellboys thus continue to show improvement, after experiencing difficulties executing fundamentals earlier in the season.

In the last few games, the team has played good ball for a quarter, sometimes even a half. But this time the squad showed what Jitty has been hoping for all season, consistency and basketball savvy.

As the second half of the season begins, the Bellboys, with a 2-8 record will be out

to better the 3-16 marks registered the previous two seasons. The Big Ten is tougher than ever this year, and if the blue and gold expect victories, they must play consistent ball against tough ball clubs like Orange.

Vinnie Costantino had his best game this year hitting 22 points and pulling down 16 rebounds in a game which saw the Bellboys outscored (38-29) an opponent for the first time this season.

The Bellboys outscored Columbia 10-3 in the first

quarter, and went into the locker with a 22-17 margin. Columbia outscored the home team 15-12 in the third period, but a 22-17 margin by Belleville in the last period rapped it up. Rich Caravetta (eight points) sparked on defense, holding Columbia's top threat to two points, while Joe Del Conzo turned in a strong effort.

Top scoring threats for Orange will be Steve Holmes, averaging 16 points a game; Jim Caraway averaging 20 a game and Eric Gray at 15.

Second-Half Surge Trips Up Bellboys

By Marc Feldman

The West Orange Cowboys, paced by Bob Nack's 29 points, crushed Belleville 78-51, last Friday evening before a near capacity crowd at the Bellboys' gym. West Orange led by only one at halftime, 24-23, but settled the game in the third quarter, scoring 33 points to Belleville's 12.

Vin Costantino led the Bellboys in scoring despite a bad cold, with 16 points. The senior forward scored 12 of his 16 points in the first half, but his lack of scoring power in the second half hurt the Bellboys. Rocco Marotti scored in double figures for the third game in succession, tallying a season high of 14 points.

The first half featured a personal duel between Costantino and Nack for scoring honors. Nack, who scored his team's first seven points, finished with 16 in the half as Costantino hit 12 points and pulled down nine rebounds.

In the opening quarter, both teams played free lance ball, and neither could build up a substantial lead. The Cowboys looked as if they were going to break the game wide open, but Costantino kept the Bellboys within six.

The game the unusual second quarter. After Marc Zablow gave WO an eight point lead, the Bellboys exploded. Within one minute, Belleville knotted the score at 23, as Costantino hit a field goal and four free throws, and Rocco Marotti, scored a goal from his favorite spot, the corner.

DENTAL X-RAYS FIND TROUBLE QUICKLY

At most every regular dental examination, your dentist may first want to take a series of X-rays. These X-rays can pinpoint trouble spots before they get to the stage where extensive work is needed or where a painful toothache results.

Even when work is required, the new anesthetics and high speed equipment make it fast and with hardly any discomfort. Many dentists will prescribe a tranquilizer for a patient before their appointment and a pain reliever for use when the anesthetic has worn off. We fill many dental prescriptions and keep the medications they need on hand.

YOU OR YOUR DOCTOR CAN PHONE US when you need a delivery. We will deliver promptly without extra charge. A great many people rely on us for their health needs. We welcome requests for delivery service and charge accounts.

Recreation Department Has Several Ice-Skating Sites

The Recreation Department is planning ice skating at three different sites this winter, the Recreation House, Plansoen Playground and Fairway Playground.

Many of Belleville's residents are not aware of what is required for ice, thinking that as soon as the temperature drops to 32 degrees or 30 degrees there should immediately be skating. It would be nice if this were true with many problems being eliminated but the facts are that it takes three to four days of temperatures below 25 degrees to get ice.

Even at zero it takes two days to get a sufficient freeze

for skating. After the first ice has been obtained it does not require such cold to be maintained.

One of the biggest problems with first ice is that young children throw things into the thin ice or walk on it while it is still forming. The pieces of broken ice then float, freeze in a jagged condition and require that the whole surface be re-skimmed with water. This type of vandalism costs the town several days of skating every year.

Getting ice in Belleville is difficult at best. A typical winter day is one that goes to about 26 degrees at night and then rises to 33-36 degrees during the day. This pattern

will not destroy the ice but it does not permit re-surfacing. The maintenance men try to re-skim the ice whenever the night temperature is scheduled to go down to 22 degrees or lower; at any higher temperature the new water will not freeze in time for the next day's skating.

In order to help the residents know whether or not there is skating, the Recreation Department displays the traditional "Red Ball" signs at each of the rinks when there is skating. In addition there is an automatic answering telephone (759-3121) which gives current information during the skating season.

Sports Corner

Do you remember way back to October 4 of the '69 football season? Belleville was up against Bloomfield after upsetting East Orange in the season opener. Bloomfield was being beaten 7-6 with seconds to go in the final quarter when their quarterback Jack Schegel faded back to pass on the Bellboy 14.

The Bellboy players felt that Bloomfield QB Schegel's pass hit the ground and should have been ruled incomplete, but the refs saw it differently and the receiver crossed the goal line with the winning TD. Coach John Amabile's comment was dejectedly, "What can you do, what can you do, there's nothing you can do."

Belleville's second dispute with Bloomfield came last week at a wrestling meet. The "weigh-in" of the Bloomfield team wasn't witnessed by any of the members of the Belleville squad. To answer the question "what can you do?" in this case, BHS Athletic Director Herman "Jitty" Wische said flatly, "There'll be no protest."

When the wrestlers left for Bloomfield on January 2 they were a half an hour late. They should have left before 1 p.m., but had to wait for some of the wrestlers. The bus finally left at 1:30 and got to Bloomfield at 1:40 for the 2 p.m. match.

Before each wrestling match both team's coaches are supposed to witness the "weigh-in" of the varsity and JV wrestlers. Many times if a boy is overweight the day before, he doesn't eat until the weigh-in and does his best to sweat off pounds. If he makes weight, he is allowed to eat any food he has brought so if he were weighed in a second time he wouldn't be at the same weight.

Wrestling coach Jim Silvestri's squad missed the planned 1:30 weigh-in, but the Bloomfield coach weighed in his boys without Silvestri.

Silvestri had been especially displeased by the unwitnessed weigh-in since three of his slated varsity wrestlers were found to be overweight. Belleville had to forfeit one of the three matches and send in two JV replacements for the other varsity grapplers. Both were beaten, one on a pin, the other on a decision.

But now both the game and the meet are in the books as Belleville losses and neither will be questioned. Football Coach John Amabile was right, "There's nothing you can do."

Several Surprises Mark Recreation Basketball

There were several surprises when the Recreation Senior Basketball teams went back into action after the holiday vacation. A very strong Eagles team hacked out a hard-won victory over a stubborn Trotters five. In another upset the Pros scored their first win of the season toppling the Bullets. Although not exactly a surprise, the Knicks defeated the very tough Rec. Boys.

In other games the Falcons remained undefeated beating the Lakers. The Imperials, with fast breaks and good work under the boards beat the Panthers, while the Saints defeated the Royals.

Only the Falcons and the Knicks remain undefeated in the League now. Standing at three wins and one loss are the Eagles, the Imperials and the Trotters. The Rec. Boys and the Saints are each two and two. At one and three are the Pros, the Panthers and the Bullets while the Lakers and the Royals still seek their first wins.

In the individual performance department, there were some fine totals rung up. Bill Ross poured in 25 for the Pros to spearhead their first win. Next high for the evening was the Saint's Jerusik with 24. Bill Campbell for the Imperials and Pete DePass for the Knicks each accounted for 22

points. Charles Carr hit for 18 in a losing cause for the Trotters.

Basketball Schedule Changes On Fridays

The Belleville High School Junior Varsity cagers play their Tuesday games after the varsity matchup. But on Friday the JV's precede the varsity, starting at 7:15.

Legislation Raises Prices For Getting Barber License

Legislation enacted late in 1969 has increased several categories of barber license fees, it has been announced by Frank Marchese, secretary of the State Board of Barber Examiners, an agency of the State Department of Health. The legislation is Chapter 245, P.L. 1969 which became effective December 24, 1969.

The new fees are as follows: annual renewals for a barber shop license, \$10; annual renewals for a barber license, \$8; a new barber shop license, \$50; and barber shop removals (moving from one location to another), \$25. The new fee for restoration of an expired barber license is \$15; for restoration of an expired barber shop license, \$15.

The fee for issuance of a barber license following an examination is now \$8.

As our customers know, we are a so called "brown goods" specialty store. Brown goods means TV, radios and phonographs. A "white goods" store sells refrigerators, washers, stoves and related items, usually in addition to "brown goods".

There are very few brown goods stores that supply their own service, and there is hardly any store that sells both brown and white goods which has service facilities, because it is extremely difficult to find mechanics. This is a bad situation. Stores sell merchandise which they have no intention to service. Just imagine to buy an automobile from a dealer who does not have a shop. If the car needs guarantee service, such a dealer would tell you to go to some garage with whom he made "arrangements". Nobody in his right mind would buy a car under this condition. But when it comes to a color TV set, which is a far more complicated piece of equipment, most people are satisfied that the so necessary service will be done by somebody completely unrelated to the seller of the merchandise.

As you know, we do not believe that the customer is served well under such an arrangement. If you buy a piece of merchandise from us, the service is done by our own technicians. There is no buck-passing, no excuses if you call "factory authorized service", you sit in all day and nobody shows up. If you call us for service by 1 p.m., our man will be at your home before 6, and you can depend on that. And he will be a "brown goods" specialist, because all he is doing is to service this type of merchandise.

Wrestlers Seek .500 Against Cowboys

Coach Silvestri Hoping His Squad Can "Get Up" After Montclair Defeat

Mounties Take Charge Of Bellboys With Power And Some Psyching Out

The West Orange Cowboys will stay out of the saddle long enough tomorrow to take the mat against the Bellboy varsity wrestlers in a 4 p.m. match in Belleville's gymnasium.

With a 1-2 record to date, the Bellboys will be seeking the five hundred level against a team they beat last year by in a final match showdown.

Bellboy coach Jim Silvestri well remember heavyweight Bob Bonfante's spectacular last match pin which gave his squad a hard-earned victory over West Orange.

"I don't know how to explain it, but West Orange always seems to be up for us. My problem now is trying to get the team back mentally after our loss to Montclair."

Silvestri, who is somewhat of a psychologist as most wrestling coaches are, blamed the team's mental attitude for last week's 35-13 loss to the Mounties.

"I still maintain we could beat them. We were psyched out by Montclair's reputation and prestige. After the match one of my boys told me he was scared before the match. And he was one of the three kids I had who won his

Ladies Gym Program Set At School 4

The Belleville Recreation Department will begin its ladies gym program at School No. 4 on Wednesday, January 21 at 7.

A ten week program is planned but this may be extended if sufficient interest is shown.

All women who live in Belleville are invited. Carol Cornish, who will direct the program, is planning a combination of exercises and games so that the program will be both fun and productive.

The ladies gym classes previously conducted were well received and a good turnout is again expected. Those who want to take off a few inches will be able to do so in plenty of time for summer activities at the beach or on the tennis court. Those who don't worry about the inches will have a lot of fun anyway because this is reported to be a lively, good natured crowd.

bout."

Not all the team's problems are being solved on the wrestling couch. Silvestri is working on the fundamentals of "escaping," a practice wherein the wrestler on the bottom attempts to attain a neutral position.

With the season still young and fresh, Silvestri says he is pleased particularly with the play of three men: John Mustacchio, Jessie Towns and Carmen Russomano.

Mustacchio, a sophomore, absorbed a 6-4 defeat at Montclair after scoring pins in his opening two matches. The 115 pounder appears well on his way to a good wrestling career, Silvestri says, gaining

Ice Fishing Season Open Till February

Ice fishing, one of New Jersey's most colorful and socialable forms of winter recreation, opened on New Year's Day.

The basic season will run through Sunday, February 15. After that date, there will be no more fishing with tip-ups, but a single line may be used if ice is present thereafter. Longer tip-up seasons prevail on Greenwood Lake and the Delaware River; anglers should consult the 1970 Compendium of New Jersey Fish Laws for special regulations on these interstate waters.

Ice fishermen may use up to five tip-ups or lines. Each may be rigged with 3 single hooks measuring 1/2 inch from point to shaft or with a 3-hook jig measuring no more than 1/2 inch from point to point. All tip-ups must be marked with the name and address of the user.

Anglers should be sure there is adequate ice before they go out or make holes.

experience and confidence with each match. The coach thinks that Mustacchio's straight "A" average might have something to do with the speed in which the grappler learns the sport.

Towns, team captain and last year's district champ, has come on strong since missing the season opener when he failed to make weight. The 136 pounder has registered two pins, and according to his coach is stronger and faster than he was last year.

A pleasant surprise for Silvestri has been the play of JV graduate Russomano at 168 pounds. The junior has looked impressive while tacking up a 2-1 season record.

Thus far the team has escaped injuries. Senior Kevin Sutton, who missed the last two matches with a virus, will probably not wrestle tomorrow, however, because he is still recovering. Gary Gunita will take his place in the 98 pound spot. Gunita has won two straight matches by forfeit and is anxious to tangle with a real live opponent.

Getting Too Old

Assistant wrestling coach Jeff Hull gets his exercise grappling with the varsity and junior varsity members of the squad. Sometimes the boys give him a rough match or two.

Varsity coach Jim Silvestri gave up wrestling with his kids because "I'm getting too old."

Kiss your wife with a smile, not a zap

Many men can't really kiss their wives properly because the house and everyone in it crackles with static electricity all winter. It's a problem.

A YALE Power Humidifier, added to the warm-air heating system, is the solution. It will provide moisture that just isn't available from winter air.

Dry air also makes doors, walls, and flooring warp, creak, and separate. And that's fully as serious as zapping your wife instead of kissing her. You can solve all these problems with a YALE Power Humidifier.

Only three Bellboy wrestlers managed victories over Montclair opponents as the varsity dropped a 35-13 decision to a powerful Mountie squad last Friday. Belleville is now 1-2 on the season.

This year's loss actually marks an improvement over last year's confrontation between the two teams when the Bellboys were walloped 44-6. In that meet only captains Bob Bonfante and Dana Nappi scored victories.

This year's captain Jessie Towns registered Belleville's only pin of the meet. Jessie went against Carleton Harris and pinned him after 43 seconds of the second period. Last year Jessie was one of three varsity grapplers who didn't wrestle because he failed to make weight.

Carmen Russomano also picked up a victory. Carmen shut out Ken Ford for his second win in three matches after placing second in the Holiday tourney at Bloomfield.

Gary Guinta was Belleville's other winner, bringing his season record to 2-0. He has yet to wrestle in a regular varsity match, however, both of his wins have been on forfeits. This one came about when wrestling Coach Jim Silvestri protested the eligibility of Montclair's Erwin Swan. Swan had wrestled at 115lbs. against Kearny and according to a State Law couldn't wrestle below that weight. Swan is Montclair's top wrestler.

At 106, Angelo Zoppi was beaten 7-1 by Randy Scott of Montclair. Zoppi's loss set his record back to 2-1, after winning his first two matches on pins. Last year Scott was the Mountie 98 and pinned Charles Gingerelli to start the 44-6 rout.

Sophomore John

Mustacchio also lost his first match after winning two on pins. Mustacchio was beaten 8-4 by Cleo Childress of Montclair.

The Mounties got their first pin when Rich Coelh went against Belleville's Bob Arlt. Arlt, 123, was pinned in 13 seconds of the last period by Coelh who also pinned his Belleville opponent last year.

Vito Marcogliese, 130, was the third Belleville wrestler who spoiled a 2-0 record. Vito a junior was beaten 5-4 by Ray Bailey. Bailey, a Montclair senior was beaten 2-0 by Dana Nappi last year.

At 141, John Salvato was pinned by Dave Pinderhoges with only a minute left in the match. At 148 Ricky Caruso was shut out 9-0 by James Bright. Montclair's Bruce Young registered the third pin beating Belleville's Frank Savastano.

Bellboy Tom Jones was beaten 5-2 in the 178 lb. bout. Jones had taken his opponent Keith Barber down, but couldn't keep him there as Barber scored a point for a reversal, two for a predicament when he almost had Jones pinned and two for a reversal when Jones started the third period on top.

After the '69 season was over and Bob Bonfante was going into the Districts, he told the Times that his toughest opponent of the regular season had been Bob Pearman of Montclair. Bonfante had beaten Pearman 3-2 but needed riding time point to do it.

Heavyweight John Atherton faced the same Mountie. Atherton wasn't as fortunate though, as Pearman picked up Atherton in the second period and brought him down to the mat for a pin.

The Belleville junior varsity team also lost to Montclair, 30-18. Wins were posted by Rich Sulenski, 7-6 at 115;

Bob Zarra by pin at 131; Ed Dunkley 11-6 at 141; Brian Waddell, 4-2 at 148. Ties were scored by Tom Vigilante, 0-0 at 136 and Joe Valvano, 2-2, in the heavyweights.

Summaries of the varsity meet are as follows:

Gunita (Bell) 98 pound over Swan (M) by default; 106 pound Scott (M) decisioned Zoppi (B) 7-1; 115 pound Childress (M) decisioned Mustacchio (B) 8-4; 123 pound Coelh (M) pinned Arlt (B) at 4:13; 130 Bailey (M) decisioned Marcogliese (B) 5-4; 136 pound Towns (B) pinned Harris (M) 2:43; 141 Pinderhoges (M) pinned Salvato (B) 4:58; 148 pound Bright (M) decisioned Caruso (B) 9-0; 157 Young (M) pinned Savastano (B) 2:49; 168 pound Russomano (B) decisioned Ford (M) 7-0; 178 pound Barber (M) decisioned Jones (B) 5-2; Unlimited Pearman (M) pinned Atherton (B) 2:23.

St. Mary's Church is Setting For Landolfi-Hunt Wedding

Mrs. Anthony Landolfi — nee Rosemary Hunt

Teresa Thoma Is Bride-Elect Of Mr. Bonfante

Mr. and Mrs. William G. Thoma Sr. of Belleville announce the engagement of their daughter, Teresa Ann to Robert Bonfante, son of Mr. and Mrs. Nicholas Bonfante Sr. of Belleville.

The couple are alumni of Belleville High School. Miss Thoma attends Essex County Girls Vocational and Technical Adult School, Newark and Mr. Bonfante is a student at Essex County College, Newark.

Miss Theresa Thoma

Miss Rosemary Hunt, daughter of Mr. and Mrs. Thomas Hunt of 543 Union Avenue and Anthony Landolfi, son of Mr. and Mrs. Nicholas Landolfi of 212 Forest Street, exchanged wedding vows January 10 in St. Mary's Church, Nutley.

The Rev. Michael Saltarelli performed the ceremony which was followed by a reception at Friar Tuck Inn, Cedar Grove.

Escorted by her father, the bride wore a candlelight peau de soie gown fashioned with a wedding band collar, long tapered sleeves and wattle train and trimmed with Alencon lace appliques and iridescent crystals.

A crescent headpiece held her bouffant veil and she carried a cascade of white roses.

Miss Marie Greco of Arlington, Virginia, was maid of honor. Bridesmaids included Mrs. Patricia Ugato of Belleville, Mrs. Joyce Terranova of Newton, Miss Holly Genton of Ridgewood and the bride's cousin, Miss Marlene Ciccone of Newark.

They wore gowns of royal blue velvet with empire waists encircled with gold cord and matching camelot headpieces. Bouquets were of blue tipped carnations.

Robert Landolfi of Belleville was his brother's best man. Ushering were other brothers of the couple, Nicholas and Joseph Landolfi of Belleville and James Hunt of Hackensack and Joseph LaFalce of Bloomfield.

Mrs. Hunt chose a pink dress with beading while the groom's mother was in a mint green dress with beaded trim. Corsages were white orchids.

Mrs. Landolfi is with Hoffmann-LaRoche, Nutley while Mr. Landolfi is a senior at Monmouth College, Long Branch.

The couple will make their home in Belleville following a honeymoon in Puerto Rico.

Wise men believe nothing that contradicts their intelligence.

Woman's Club Holds Party

The annual Christmas party for all members and their guests was held at the club house on December 8. The program commenced with a reading by Mrs. Rene Dufour, in keeping with the season. This was followed by the choral group's rendition of White Christmas, Silver Bells. Next came the trimming of the tree, with individual members contributing and placing her own ornament on it. This was followed by a Candlelighting ceremony in which all present took part, and everyone joined in Christmas carol group singing.

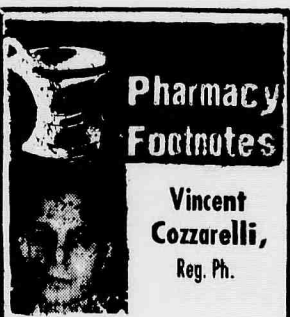

Miss Alice Stager is chairman of the music department, and accompanist of the Choral group, made up of the following members: Mrs. Carl Del Grosso, Mrs. Edward Grady, Mrs. Harold Hermanns, Mrs. Raymond Palmer, Mrs. Angelo Strollo and Mrs. Charles Waltz.

Tea followed. Mrs. Frank Aires Poured.

Hostesses for the occasion were Miss Alice Stager, Mrs. Paul Barbarula, Mrs. Harold Hermanns and Mrs. Charles Waltz.

Amateur Photography Will Start Today At YWCA

Photography for amateurs will be offered at the Montclair-North Essex YWCA beginning today. The class will meet from 7 under the instruction of Anthony Ross, who will develop a program in both still and motion photography. Saturday field trips will also be part of the class.

Pharmacy Footnotes

Vincent Cozzarelli, Reg. Ph.

Cholesterol has been implicated in heart disease. Up to now, though, there have been several schools of thought on the matter. Some researchers take a conservative "let's wait and see" approach. While cholesterol along won't necessarily cause coronary attack, in combination with other factors it appears to be the "crowning blow". Thus - until some drug is found that will bolster this mysterious hormone in its job of clearing fats from the blood - most physicians are now advising their "coronary-prone" patients to keep away from eggs, butter, milk, and similar animal fats. Need your prescription filled in a hurry - no waiting when you bring it to the pharmacists at **ROSSMORE PHARMACY**, 338 Washington Ave., 759-1956. Sale and Rental of Convalescent Aids including Wheel Chairs, Walkers, Crutches and Canes. Cosmetics. Toiletries. Open: 9 AM-10 PM Daily, 9 AM-9 PM Sundays.

HELPFUL HINT: When adhesive on envelope flap doesn't stick, try quick application of nail polish.

Mr. and Mrs. Sypher Jr. Honeymooned In Jamaica

Mrs. William Sypher Jr. — nee Linda Chamberlain

Mrs. Charles Sheldon of 433 Joralemon Street announces the engagement of her daughter, Judith Ann to Robert Frederick Milano, son of Mr. and Mrs. Rocco Milano of 181 DeWitt Avenue.

Miss Sheldon, daughter of the late Capt. Charles Sheldon of the Belleville Fire Department, is a graduate of Belleville High School and is attending Drake's College of Business.

Mr. Milano, also a Belleville High School alumnus, attends Newark College of Engineering and Jersey City College. He is a member of Electrician's Local 52, IBEW.

Linda Torlucci, Mr. Bertuglia Are Affianced

Mr. and Mrs. Robert Craig of 174 Heckel Street announce the engagement of their daughter, Miss Linda Torlucci to Joseph Bertuglia, son of Mr. and Mrs. Joseph Bertuglia of Irvington.

Miss Torlucci, a graduate of Essex County Vocational and Technical High School, is a teletype operator with Two Guys, Union.

Mr. Bertuglia, an alumnus of Irvington High School, is with The Ceco Company, Hillside.

Miss Linda Torlucci

St. Peter's Church was the setting January 3 for the marriage of Miss Linda Ann Chamberlain, daughter of Mr. and Mrs. Eugene Chamberlain of New Street to William K. Sypher Jr., son of Mrs. Sypher Sr. of Joralemon Street.

The Rev. Francis Ignacinos performed the ceremony. A reception was held at Robin Hood Inn, Clifton.

Escorted by her father, the bride wore a peau de soie gown with lace mandarin neckline, long sleeves and shoulder train. A cluster of pearls and crystals held her fingertip veil and she carried miniature white poinsettias and variegated ivy.

Miss Elaine Insinnia of Nutley was maid of honor. Bridesmaids included Miss Barbara Cheney of Belleville and Miss Drucilla Sypher of St. Louis, Missouri.

The attendants were in emerald green velvet gowns with matching hats and carried miniature red poinsettias and holly.

James Cozzarelli of Belleville was best man and ushers were the bride's brothers, Richard and Orland Chamberlain of Belleville.

Mrs. Chamberlain chose a turquoise worsted silk dress and matching coat trimmed with jewels while the groom's mother was in a silk brocade dress trimmed in gold. Corsages were orchids.

Mrs. Sypher Jr. attended Belleville High School and Paterson State College. She is with First National State Bank of New Jersey, Nutley.

Mr. Sypher Jr. attended Oratory Preparatory School and Fairleigh Dickinson University. He is assistant manager of Gino's.

The couple are living in Belleville following a honeymoon in Jamaica.

Never postpone until tomorrow that you can postpone until the day after tomorrow.

Kleinbauer-Kosinski Troth Is Announced

Mr. and Mrs. John C. Kleinbauer of North Arlington announce the engagement of their daughter, Norma Jean to Thomas George Kosinski, son of Mr. and Mrs. Edward L. Kosinski of Davidson Street.

Miss Kleinbauer, a graduate of Montclair State College, is a business education teacher at Emerson High School.

Mr. Kosinski is with Tri County Truck Sales Inc., East Rutherford.

Hadassah To Give Card Party Sunday

The Belleville-Nutley Chapter of Hadassah will hold a card party on Sunday at 8 p.m. at Temple B'Nai Israel, Nutley. Gifts will be available in the form of door prizes and raffles. Refreshments will be served.

Proceeds will go to benefit Hadassah's work in Israel. Tickets may be purchased at the door or from any group member. Mrs. D. E. Rein is chairman of this event.

SOCIAL AND CLUB NEWS OF COMMUNITY INTEREST

FIRST ARRIVAL — Mrs. Sol Sherman, chairman of the special projects committee of the Belleville Chamber of Commerce, congratulates Mrs. Alphonse Serio of 31 Hickory Court on the birth of her daughter, Tricia Renee. Tricia was the first baby born in the new year at Clara Maass Memorial Hospital arriving at 12:33 a.m. On behalf of the Chamber, Mrs. Sherman presented gifts to the new baby from Walter Kidde & Company, Belleville Rosery, Terry Shop, Paul's Shoe Shop, The Glass Company, Jolly Dry Cleaners, Flowerama, Hardman Inc., Allen Pontiac, Andrew Jergens, W.T. Grant Company, The LaBate-Unit Division, Wallace & Tiernan and Sherman's Children's Wear.

CLOSED CIRCUIT — Closed Circuit television officially made its debut at Clara Maass Memorial Hospital when it was used to televise Christmas Eve and Christmas Day services from the chapel. Patients too ill to attend the program in the chapel could see the services on Channel 6 of their room television sets. For the added convenience of the patients, a telephone and second closed circuit television camera have been installed in the hospital's main lobby permitting patients to see and speak with children too young to visit the floors. It is a one way system where the patient sees the visitor. Taking advantage of the new closed circuit television are Laurie and Renee Jeanclaude of Succasunna, visiting their grandmother, Mrs. Dorothy Waldron of Union, formerly of Bloomfield.

Set Up A Cleaning Schedule Now To Be Organized For New Year

The beginning of a new year is a good time to set up a schedule for yourself. If you feel that all you ever do around your house is clean, clean, clean; think again. You can set a flexible plan for yourself to keep your house clean and yet have time to do some of the things you would rather do.

You might list all your cleaning tasks according to how often each job must be done. Some will have to be done daily, some weekly or monthly and others seasonally.

Allow yourself time to do the most important jobs first. You might want to allot time in your schedule for rewards for yourself. Remember, if you worked in an office, you would get a ten minute break in the morning and another in the afternoon. Allow yourself the same privilege working at home.

Some preventive measures you might try to keep dirt out of your house don't take much of your time, but may save you time when cleaning. Urge your family to use hard surface walks around your house rather than walking over mud and then into the house.

Place welcome mats at all doors leading into the house. These will help catch snow, mud, cinders and salt. These in addition to creating more soil in the house have a very bad effect on your rugs and carpeting.

Be sure and provide a leakproof tray near entrances for boots, umbrellas and other wet articles. It may not look as nicely as you'd like, but it will save you and your rug.

Make your new resolution to clean less and enjoy your home more. You can do it with a schedule of jobs that is workable and flexible.

For information on Home Economics Extension Service activities for Essex County residents please write Mrs. Janet Spong, County Home Economist, Essex County Extension Service, 25 Thirteenth Avenue, Newark 07103 or call 642-7800, Extension 421.

Miss Collins, a junior history major is the daughter of Mr. and Mrs. John B. Collins of 28 Bridge Street.

New Jersey Ed Association Urges Support For Principals

The New Jersey Education Association is urging stronger rights for the public-school principal so that he can operate effectively while "facing new challenges in a time of deep and rapid change."

A principal cannot be effective if he is expected just to be a business manager or recreation director, warns a new NJEA report. He must have security, authority, and full command of basic minimum rights.

The principal must have "immediate authority" over all school facilities, programs, personnel, visitors, and students, the NJEA report insists.

The trouble with human beings is not the lack of horse sense but the lack of human intelligence.

School One Celebrates Christmas Holiday

Christmas was celebrated at School One December 15. A play entitled, "Santa's New Helpers" was presented by the two second grades under the direction of their teachers, Miss Esposito and Miss Ferraro. The plot concerned two "real" children who visited Mother Goose. Land on Christmas Eve and helped Santa's elves straighten out all the presents that they mixed-up.

The flag salute was led by Robert Cravin and Robert Drumm. The announcer was Robert Cravin, the two "real" children were played by Ronald Carlson and Shawn Anne Juliano; the elves were Stephen and Rosemarie Alberts, James Bambrick, Monica Edwards, Joanna Goscinski, Elizabeth Lowenstein, Michael Mallon, David Marett and Scott and Stephen Whitman. The Mother Goose children were Michael Isler, Frank Krause, Harry Long, Susan Nugent, Kathleen O'Neill, Michael Rock, Lu Ann Ressler, Allen Talmadge and Jeffrey Werder.

The sandman was played by Philip Masi and Santa by Mark Fucci.

Following the play, the School Glee Club accompanied by Mrs. Magioncalda on piano presented a medley of Christmas songs. Their leader is Miss Williamson. Santa Claus paid a visit and passed out candy canes.

Due to a last minute mix-up Santa was portrayed by Walter Cole, a Belleville fireman. Thanks to our Fire Department for allowing him time off to accommodate the P.T.A.

Jersey Oratorio Society Set For Montclair High Concert

Art Of Letter-Design New Adult School Class

The Art of Lettering and Design will be the title of one of the new courses to be offered by the Nutley Adult School in their spring term. This ten-week course will commence on Monday, February 2, with classes held from 8:35 until 10:05 every Monday thereafter, until April 6.

The instructor will be Louis M. Panigini, who has taught pencil sketching and water color painting at the school for several seasons. This is the first time the art of lettering has been offered, and according to Panigini, very few similar courses are very offered anywhere.

Speaking of his new course, Panigini said, "In response to the questionnaire soliciting recommendations for additional course offerings, I proposed a subject never before offered here and not available anywhere in our area. This course will provide the community with instruction unfortunately overlooked in most schools, although I believe the need and the interest are there."

Panigini told us some of his ideas about lettering. He made it sound quite easy when he said, "Lettering is simply the arrangement of twenty six little squiggles in such a way that they form a character." Putting the characters into groups and the groups into words and lines and masses is an absorbing and rewarding experience, according to the instructor.

Registration for this or for any of the nearly fifty courses that will be offered by the school will commence on January 26.
