

School Candidates Tread Lightly Toward Election

Promise Platforms In Future

The three candidates for the two open Board of Education seats continued to ease themselves carefully into the campaign ring this week, confining themselves to scheduling teas and issuing mild statements.

As the February 10 election date nears, the candidates, Richard Mahmarian, Caesar Romano and James Risoli, appear content to wage a low key public campaign, saving their more lively ammunition for teas and public meetings in the near future. Behind the scenes, however, reliable sources report that all three candidates have actively been seeking the support of influential town leaders.

Of the three, only Romano issued a public statement which made specific proposals. Risoli's statement to the press reiterated in general terms what seems to be emerging as his primary campaign issue, the need for increased communications between school representatives and parents. Mahmarian has scheduled several teas and promised to produce his campaign platform at these gatherings. He also announced that Joseph Prieto Jr., of

(Continued on page 2)

Smith Assigns Cop To Clara Maass

A Belleville patrolman has been assigned a new beat which may stir some controversy in the near future.

Mayor Ken Smith who is Public Safety director, earlier this week placed Patrolman Harry Lanno on duty at Clara Maass Memorial Hospital to facilitate police dealings with the hospital. The patrolman has been assigned on a 8-5 p.m. basis.

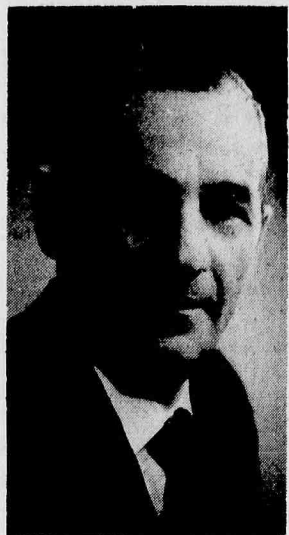

The Mayor says he expects opposition in some quarters of town to his move because Clara Maass is technically a private institution. Smith would not say whom he felt is threatening to stir up the opposition, but another reliable town hall source said that former Mayor Robert Laterza would lead the objectors.

Laterza denied that he was planning any such attack on the Mayor's position.

Police are not normally assigned to private institutions. Smith, however, feels that Clara Maass, which services a large segment of the Belleville community, is really an institution performing a public service.

In a prepared statement, Smith listed several reasons for assigning the patrolman to the hospital.

The Mayor said that "by

James Risoli

Richard Mahmarian

Voters Only Get Single Shot At School Budget

Belleville residents this year won't have two chances to vote on the Board of Education's budget as they have in the past.

A new state law has limited voters to one crack at the budget. Under the new statute, if voters reject the School body's offering (as they have done the last two years) it will go immediately to the town commissioners for slicing up as they see fit.

A second feature of the new law is that the town fathers will have 30 days,

instead of 10, to reassess a rejected budget. Both Mayor Ken Smith and Board President Dr. Frank Di Ruggiero applauded the bill, mainly because of the 20 day extension which they said would allow both bodies to deliberate carefully over necessary cuts.

On a statewide basis, political observers have seen the new statute as an attempt to undermine the power of State Commissioner of Education Carl Marburger.

Under present law, the Commissioner has the sole power to judge whether a town commission's cuts in a school budget are reasonable. Marburger recently returned \$128,000 out of \$205,777 to the Belleville Board after town commissioners had cut up the twice rejected school proposal.

Observers feel that one of the factors Marburger has based his restoration decisions on was the short (10 day) period in which town fathers have had to assess rejected school budgets.

It is felt that with the 20 day extension, this contention would be less effective.

Thousands Jam BHS For Music-Art Festival

Belleville students are still cleaning the high school corridors and gymnasium this week which still buzz with echoes of the overflow crowd which jammed the school Monday night to witness the town's first Music-Art Festival.

Residents walked the high school corridors for an hour and a half, fascinated by student artwork on display before filing into the gymnasium at 8 p.m. for a music concert presented by bands and choruses from throughout the school system.

The festival was the largest combined school effort in

Belleville's history, and was designed to give parents a visual report on student activity in the arts.

Few spectators were prepared for the sight which greeted them in the gymnasium. Two separate bandstands were set up at opposite ends of the gym, while countless pictures were set on the walls for the crowd of over 2,000 which jammed the athletic hall.

Many of those gathered for the "happening" sung praise for the three men who engineered the massive festival: Michael Rossamilia, assistant superintendent of

(Continued on page 3)

Teacher Salary Rise And JHS \$250,000 Rewiring Plan Cause School Budget's \$855,000 Hike

A tentative increase in teacher salary schedules, coupled with a \$250,000 rewiring project at the Junior High School are the chief reasons for an \$855,184.48 proposed hike in next year's school budget. The budget total is \$5,757,648, compared to this year's \$4,902,463.52.

The tentative budget increase could actually be higher than the current figure, because salary negotiations with all school

personnel were still deadlocked at press time.

Dr. Frank Di Ruggiero, president of the Belleville Board of Education has set Thursday, January 29 for the budget's public hearing. That meeting will begin at 8 p.m. in the School 8 auditorium.

Teacher salaries, rising steadily in suburban Essex County, placed \$3,668,056 in the budget, a hike of \$368,461 over this year.

The current teacher figure represents a minimum starting salary of \$7,700 for a bachelors degree, with maximum hitting \$12,705. Schedule for master's degree holders is \$8,300-\$14,100. Those with a masters plus 32 graduate credits range from \$8,900 to \$15,575.

Also responsible for the salary rise is the proposed hiring of nine new teachers, three in the high and six in the elementary grades.

Superintendent of School Anthony Greco and Business Administrator Harold Dufford said the salary hikes had four primary causes:

1) The impact of state legislation, notably Chapter 303, a new law which gives public employees the right to negotiate salaries and working conditions. Greco reports that in past years the Board has independently set teacher salary schedules.

2) Inflation was also cited as a cause for the increase.

3) The need to compete with other local suburban schools. Most of the area suburban schools are raising teacher salaries. (current minimum in Nutley is \$7,700.)

4) Increased student enrollment. According to Greco, student enrollment rose by 172 pupils this year.

The problem of an influx of new students is one seldom understood by taxpayers and budget critics, according to Greco and Dufford.

Total student enrollment for a school year is expressed in two ways: average daily enrollment and total enrollment. What causes the categorizing is the large number of pupils who move in and out of the system during the school year. Average daily enrollment does not express the total number of students who make an appearance during the year (for which Greco reports it costs the town approximately \$712 per pupil). As of November 5786 students were enrolled in Belleville schools.

Greco cited tuition hikes in private and parochial schools as the cause of increased enrollment.

The total budget picture represents a steady increase in current expenses and capital outlay.

Chiefly responsible for \$295,850 in capital outlay as compared to this year's \$27,042.17, is the proposed rewiring project in the Junior High School.

Dr. Di Ruggiero cited the project as "an emergency measure." He said it was the opinion of an architectural consultant hired by the board that the wiring in the school should be replaced "as soon as possible before a catastrophe occurs."

The Board president was asked if Mayor Smith's recent proposal that the schools issue bonds to cover building improvement costs had any effect on Board discussion of the project. The doctor said that the board felt the proposal might take too long to get off the ground and that

the situation warranted "immediate action."

Mayor Smith has repeatedly criticized the Board in the past for repairing schools "piecemeal" instead of "attacking with one fell swoop through a bond issue." It is Smith's

contention that a bond issue would cost taxpayers less.

The present overall hike will cost taxpayers 37 1/2 points.

In general most areas of the budget showed routine improvements. Salaries for (Continued on page 2)

McFadden Dies; Bank Executive

Frank J. McFadden, vice president of Fidelity Union Trust Company and for forty years a well-known figure in Essex County banking, died on January 14 at approximately 8:45 p.m. Mr. McFadden and his wife had just left the Nutley home of their daughter,

Mrs. Robert Wing, where they had celebrated his 65th birthday, and were en route to their home.

Mr. McFadden had only recently retired from his position as manager of the Belleville office of Fidelity Union. His career in banking began as a messenger boy for the American National Bank in Newark. He advanced to become a teller for American, and later held that post for the Washington Trust Company. In 1929, he joined the First National Bank in Belleville, serving for 22 years during which he rose to the rank of executive vice president.

When First National was acquired by Fidelity in 1951, McFadden became a Fidelity second vice president, advancing to vice president in 1955. As manager of the Belleville office of Fidelity, he made many warm friends in the community and was active in civic and service organizations and in professional banking organizations.

Among offices he held during his long career of service to the community are: president of the Belleville Rotary Club; vice president and director of the Belleville Chamber of Commerce; trustee of the Belleville Foundation and member of the Foundation's Scholarship Committee. He chaired the Belleville Heart Fund Industrial Committee, was treasurer and a director of Ro-Li Camps, Inc., and served repeatedly on fund raising committees for United Appeals of Belleville and the

PTA's Set Major Teas

Belleville PTA's will not hold separate teas this year for reviewing Board of Education candidates and the school budget. Instead one major meeting has been scheduled this Tuesday night at 8 p.m. in the Junior High School auditorium.

The Consolidated PTA's and Home and School Association gave two reasons

(Continued on page 2)

Residents Rally To Craig Fabian Fund

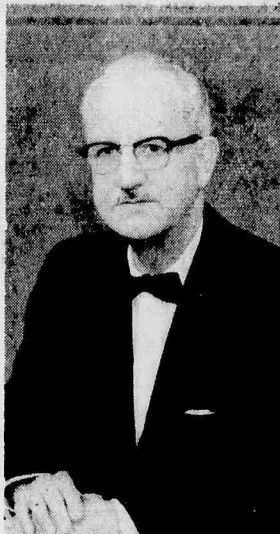

Several Belleville residents, including town officials and religious leaders have joined hands to organize support for the Craig Fabian Fund. Craig Fabian, the 15-year old son of Deputy Fire Chief William Fabian, is paralyzed from the chest down as a result of a serious accident last summer.

The Rev. Alfred W. Stone Jr. and Horace Goodenough were chosen fund chairmen at a meeting last week in Fewsmith Memorial Presbyterian Church in which several residents pledged support for the fund.

The chairmen said the group's purpose is to reach organizations and individuals in Belleville to stimulate town-wide concern to help raise money for the expenses which will be involved in Craig's rehabilitation and adjustment to life under a handicap.

Currently, Craig is undergoing treatment at the Kessler Institute for Rehabilitation in West Orange. Upon completion of treatment at Kessler, Craig will return to his home, where the Fabian family will face a great many major expenses not covered by insurance or county and state funds.

Reverend Stone, pastor at

Horace Goodenough

Fewsmith, and Goodenough, treasurer of a business machine company, have scheduled the next meeting February 18 at the church at 8 p.m.

Named to the board of trustees for the fund were Michael Rossamilia, Mary Senatore, Ernest Arvidson, Edward Reynolds, Edward Albrechtsen, William Smith, James Desmond, William Irvine, William Bixby, Harry T. French, Robert Williams, and Mrs. Gerard Ferrara.

Also present at the January 14 meeting were Rabbi Nathan A. Lerer, Gladys Craven, Dorothy Dunn, the Rev. Robert Bedell, Jeanne Milano, Edith Lemp, William Dorival, Ruth Hackling, Lorry Richelderfer, Bishop Joseph A. Costello, Florence Fitton, Gertrude LaPlaca, Ethel Moore, Daniel Spillane and Doris Irvine.

Donations for the fund should be sent to: The Craig Fabian Fund, 444 Union Avenue, Belleville, N.J. 07109. To date over \$2,000 has been raised.

Budget Hearing

The Belleville Board of Education will present its proposed 1970-71 school budget at a public hearing January 29 in the School 8 auditorium.

This year's budget total is \$5,757,648, representing an \$8,555,184.48 increase over last year. The Board will answer questions from residents at this time.

Town Officials Promise Examination Of Belleville At Tense 2 Hour Meeting

By Nat Gottlieb

Mayor Ken Smith's proposal to modernize all town-owned buildings through a massive bond issue took one shaky step forward last week when major Belleville officials gathered in Town Hall for an early morning discussion of Belleville's future.

After a two hour meeting marked by obvious tension between commissioners and school officials, the town leaders agreed on two future steps:

Representatives of the Commission, School Board, Recreation Department and Library Board promised to submit an analysis of modernization needs within their departments at the next meeting of the town officials.

They also agreed that after reports are submitted, an architectural consultant familiar with Belleville would be hired to estimate modernization costs.

What also emerged from the meeting was the realization by all present, including reporters, that it will be difficult for the Commissioners and school officials to work hand and hand on this project.

Although the Mayor preferred to set aside recent differences between the

Town Commission and the Board of Education, school officials seemed reluctant to join hands with Smith. Both Board President Dr. Frank Di

Ruggiero and Assistant Schools Superintendent Michael Rossamilia seemed to feel that Mayor Smith was

LOCAL FESTIVAL — Belleville's first Music-Art Festival was a smashing success. Over 2,000 people turned out to view student art work and music. Here Frank Scelba, Junior High

Music coordinator and festival co-chairman leads his students during concert in the gymnasium. In the background is artwork of students.

AT A CROSS ROADS — Mayor Ken Smith presided last week over a gathering of all major officials in Town Hall called to discuss his proposal for modernizing Belleville. The Mayor said he was pleased with the meeting's results in which all town board's and departments promised to analyze their improvement needs and submit them to an architectural consultant to estimate costs for the undertakings.

Salary Hikes And JHS Rewiring In New Budget

Continued from page 1) Custodian salaries tentatively show a \$41,142 hike. The salaries will cost \$329,630 as compared to the current \$288,488 figure.

One Big Meeting Is Set By PTA's

(Continued from page 1) for the change. A spokesman said that attendance for the meeting is expected to be higher than the separate teas, which attract only small numbers. It is also felt that candidates will be saved the difficult task of shuttling from school to school to present their platforms.

Invited to the tea are all three candidates, James Risoli, Richard Mahmarian and Caesar Romano. Also scheduled are members of the Board of Education who will present this year's budget.

All town residents, irregardless of PTA membership, are invited to the meeting.

Candidates Wage Quiet Campaign

(Continued from Page 1) 392 Greylock Parkway, a life-long friend, will serve as his chief campaign coordinator.

Romano turned his attention on the school budget, confining his remarks to the way the Board of Education has presented it to the public.

Romano, who is a sales representative for an international container company, cited the manner in which budgets were presented as the cause for the numerous rejections by voters.

A two part proposal was offered by Romano for making the parent more aware of what the school budget represents.

The candidate proposed changing the sites chosen for presentation of the budget. Past practice has dictated that the budget is presented at PTA meetings and teas.

Romano suggests that the budget be presented at school conferences, when parents turn out en mass to discuss with teachers their children's progress. The candidate said that an hour during these conferences could be set aside for presentation of the budget.

He criticized the other sites because "not a great enough number of parents are reached at these affairs."

The second thrust of his proposal centers around presenting the budget in what he said were "laymen's terms."

ON THE MOVE — Board Candidate Caesar Romano (right) goes over campaign strategy with his election manager Michael Chieffo. The Board hopeful proposed this week a new method of presenting school budgets to voters.

expect people to relate effectively to them. People should be shown how each issue of the budget will effect their child's education and growth. When this is done we will start making real progress in Belleville toward the great school system we are capable of producing."

Romano also stressed that there should be a "total involvement of Belleville parents, teachers and administrators in the educational process in town."

Risoli, who is a Public Service Technician, said in his statement that effective communications in town will demand "a re-evaluation of the roles and responsibilities of town government, school officials, school staff, parents and students and business and religious leaders."

"The candidate also said that "the first recognition and appreciation of respect for individual rights property and authority begins in the home." Risoli has expressed distaste about what he termed the turmoil of the 60's.

He ended his statement with a final plea for increased communication.

"The future won't wait," he said, "A breakdown in the essential communications between all segments of our community can seriously impede progress and improvements and most disastrously the education of our children."

McFadden Succumbs

(Continued from page 1) Boy Scouts.

McFadden was widely known to bankers of the county and state through his activities with professional banking groups. He was a past president of the Essex County Chapter of the American Institute of Banking and of the Essex County Bankers Association.

The funeral was, January 17, at 9 a.m., at the Paul A. McDonough Funeral Home, 637 Broadway, Newark. A requiem mass was held at St. Peter's Church in Belleville at 10 a.m. the same morning.

Smith's Proposal Draws Leaders

(Continued from page 1) attempting to treat the school body as a "sixth Commission department." The educators did not, however, disagree with what the Mayor said was the urgent need for improvements in the schools.

The guarded attitude by the Board members toward the Mayor's proposal was expected because of this past year's battle over the current school budget waged between the two governing bodies, a fight which is not yet over. The Town Commission is currently appealing a state Department of Education decision to restore \$128,000 to the Belleville Board budget which was cut by the commissioners after voters twice rejected the budget.

Despite the tension which occasionally caused tempers to flare, leaders afterwards told reporters that they were satisfied with the meeting and hoped that cooperation would be possible between officials.

The Mayor verbalized this sentiment when he labeled the modernization scheme a "town project." Indeed it seemed to be Mayor Smith's major point that the image of town-wide cooperation must accompany the project.

Doctor Di Ruggiero, watching out for what he said was the Board's autonomous position, repeatedly questioned this proposed image of togetherness. He said his Board could not join a cooperative effort until he knew "our legal position in regards to this matter."

What the doctor was referring to was the law which requires the Board of Education to issue bonds independently from other town bodies. The Library, Recreation and individual commission departments can bond together.

What the Mayor was proposing however, was not a joint bond issue. Smith said he hoped to see both Boards merely issue bonds on the same day, thereby attracting more buyers and better interest rates. He also felt that by giving the project a town-wide image, voters would be reluctant to reject the School Board's offering as they have done in the past.

Robert Cook, recreation director, and John Hudson, Planning Board member also agreed that a joint image was the best possible way of presenting the bonds to the town. Cook said that Belleville has always been peculiar in that it has tended to choose between two projects rather than accept both. By moving together he said this possibility would be avoided.

Hudson, who was quiet throughout most of the meeting, added what proved to be a summation of the meeting's sentiments.

"I think we must avoid here what this town has always done, that is bicker amongst themselves. Let's give each department 30-60 days to get a professional estimate and then let the people know. They don't let their own houses fall down; I don't think they'll let the town go down either."

Mayor Smith announced his modernization proposal last month at the annual Belleville Manufacturer's Association dinner. Since then he has repeatedly promoted the project, painting a grim picture of Belleville as a town teetering at a dangerous "crossroads." Smith feels a bond issue will be the best means of modernizing town because it will least effect the tax rate.

Festival

The Population Jump

In 1960 the world population was three billions. Today it is three and a half billion. The gain of a billion in one decade is a record and experts say we will gain another half billion in the next five years — by 1975.

Even more disturbing, the experts say, world population will grow by a full billion between 1975 and 1980. Obviously, the time has come when serious thinkers and leaders must consider limiting the earth's family to a size comparable with the earth's resources, which are limited.

Realizing the urgency of the problem, President Richard Nixon last year called for broad government action to meet the

challenge. The United Nations is also on record in favor of action and policies which would prevent the earth's family from fouling its nest, so to speak, by excessive multiplication. Already in many countries excessive births prevent a rise in the standard of living and invite Communism and other isms.

Pollution of the air and water, the decline of the cities and the failure in many countries to raise the standard of living already stem from uncontrolled population growth. The issue must be faced by progressive thinkers, government leaders and social and population experts and planners or the world might be a much less attractive place by 1980, 1990 or 2000.

Apollo Thoughts

Apparently seeking to dispell doubts and buck up morale among employees in the nation's vast space program National Aeronautics and Space Administrator Thomas Paine was recently quoted as saying: "I think there is no question that the President is determined to have a good, solid space program."

The question which follows this statement is: "What constitutes a good, solid space program?" Already Apollo 20 has been cancelled quietly and blast-off dates for Apollo 13 and 14 are being delayed. One reason is that new orientation is needed for the space program and another is that economies are appropriate.

Very little has been accomplished aside from public relations, the building of

successful space vehicles and a study of moon rocks in the Apollo flights to the moon. This in itself is significant but there is growing doubt whether these successes warrant moon trips, at enormous costs, every few months.

It must be kept in mind that a new and large bureaucracy grew up with the glamorous and lavishly-financed space program. Many jobs are at stake. And it has been very apparent that NASA and space employees have recently put public pressure on the President to reconfirm the original moon-shot schedule and program. It seems likely, however, that some of these shots can be beneficially postponed and some cancelled, until there is more to be gained, with certainty, in flights to the moon.

Saving The Submarines

It's no secret in the Navy's submarine service that anyone aboard an underwater boat which goes down has little chance of survival. The reason is that the Navy has no rescue vessels which can operate below a few hundred feet.

The loss of Thresher in 1963 and Scorpion in 1968, plus interest in the ocean depths, resulted in a Navy project to build a rescue vessel which could descend to 5,000 feet to effect submarine rescues. Of course, submarines would presumably break up before reaching such a depth.

Late this month Lockheed is expected to

launch the first of six such rescue vessels, the cost of which has risen from an estimated 36.5 million dollars, for twelve, to 463 millions for six. The rescue craft will not be able to descend to 5,000 feet but only to 3,500 feet and will weigh 6,000 pounds more than they were supposed to, complicating Navy plans to airlift them to emergency sites.

Since submarines have become the most important of the Navy's ships rescue vessels are urgently needed; one thus welcomes the launching, even though two years late.

The Sun's Journey

"THE SUN"

It is my privilege to see
The sun come up so red
In all it's morning glory
It's beneficence to spread.

It makes me think of a higher hand
When I see that ball of fire
As it rises o'er the housetops
And gets higher and higher.

Without the sun we could not live
In this dark vale of tears
Just mediate a little while
That will drive away your fears.

Oh yes the sky is sometimes gray
After the sun goes down

But soon the stars will dot the sky
As quiet comes o'er the town.

Even in the winter
The sun will melt the snow
Be thankful that we have the sun
Because it makes things grow.

And when the sun is sinking
I see a glorious sight
As I look out my window
I know twill soon be night.

The sun always rises in the east
And sure sinks in the west
Gradually it goes lying down
Like you and I to rest.

Local Citizens React To Newark Probe

Question: What is your opinion of the recent federal indictments of city officials in Newark?
Asked: of Nutley and Belleville residents.

Edward Albrechtsen, 86 Mapes Avenue, Nutley

I think it's a wonderful thing that they are bringing this out in the open and the people that are doing this have alot of courage. I'm not passing a judgement on the people that were brought before the grand jury but I'm sure that they were there for a reason. In my opinion, I think the mayor of Newark should resign after all this. He is responsible for what goes on in the city government. I don't think that a thing of this magnitude could happen in a town like Nutley.

Mr. Albrechtsen

Mrs. Jane Maus of Belleville
I don't think what some city officials in Newark have done is right and I'm glad to see it come out in the open. The only thing that concerns me is the way the federal investigators got their information. I'm not sure, but I think it may be illegal. Still, it's a good thing when crime in government is brought to the public attention. I don't know if this is going on in Belleville but I think it can happen anywhere.

Mrs. Maus

Mrs. R.H. Drake, 21 Reservoir Place, Belleville

I think it's right what the federal investigators are doing. They should find out about all the corruption in city and town government and expose it to the public. I think a thing like this isn't only confined to Newark but can happen anywhere. I can't really say that the mayor should resign because he hasn't been proven guilty yet. He will have his day in court. The press has to keep the people informed so I don't think that it has been played up too much. There is so much corruption in every phase of government. I think it's a good thing to have it brought out in the light.

Mrs. Drake

C.J. Rossner, 58 Mapes Avenue, Nutley

In my opinion it's a very good thing to see the corruption in city government being stopped. I won't pass a judgement on the mayor of Newark and I think he shouldn't be pressured to resign. It should be entirely left up to him and he has the decision as to what to do. A thing like this could happen anywhere but it is highly unlikely to come to Nutley. You are supposed to be innocent until proven guilty so it should be left at that.

Mr. Rossner

Seema Only Yesterday

One Year Ago

Bob Murray, Belleville Jaycees president, and Lou Portland, Jaycees chairman, presented a plaque to Mr. & Mrs. Frank Sodano of 18 Melwex Street for having the best decorated home in town during the Christmas season.

Specialist Four Richard M. Carragher, son of Mr. & Mrs. Albert Carragher, 281 William Street, was home on leave after completing a tour of duty in Vietnam. Carragher, who received the Purple Heart and the Army Commendation Medal for being wounded in combat, stated that most of the men in Vietnam "feel it's their duty to be there."

The Belleville Italian-American Civic Association announced that they would honor two graduate students from the 1968 graduating class of Belleville High. The students would be chosen for their Scholastic and Leadership achievements in the field of education. The presentation of the plaques would take place at the Mardi Gras Dinner Dance in February.

Five Years Ago

Reverend Frederick Long, chairman of the Board of Trustees of the Belleville Public Library, announced the impending opening of the town's first branch library, to be located at School Number 4 on Magnolia Street in the Silver Lake section.

Robert A. Russomono, a Belleville patrolman for 17 years, was sworn in as police sergeant at the Town Hall by Clerk Eugene Barnett.

James A. Arvidson was presented with the newly instituted DeMolay Award by Frederick W. Hallows, Worshipful Master of Belleville Lodge No. 108, Free and Accepted Masons. The award was presented to Mr. Arvidson for his service and exemplification of the ideals of the order of DeMolay.

Ten Years Ago

Vincent R. Del Guercio, president of the Belleville Zoning Board, died suddenly during a recess he called while conducting a heavily attended meeting in the Town Hall. His death came en route to Columbus Hospital, where he was pronounced dead upon arrival of a heart attack. He was 67.

John P. Bethchick Jr. of Belleville was named master councilor of the Suburban

Chapter Order of DeMolay. The installation ceremonies at the Masonic Temple were open to the public.

C. Malcolm Davis, former senior vice-president of the Fidelity Union Trust Company at 144 Washington Avenue was elected president to succeed Roy F. Duke, who was named chairman of the Board of Directors.

Fifteen Years Ago

Six candidates were running for the Board of Education to fill a single vacancy. Candidates were Gary Vanderbilt, Robert Laterza, William Boyd, Michael Albertine, James Salmon and Ralph Risali.

The Belleville Board of Commissioners turned down an application to install bowling alley machines in taverns. Mayor Isadore Padula strongly opposed the idea.

25 Years Ago

Thirteen Belleville heroes were killed during the week of January 20. The large number of casualties, the worst week for Belleville during World War II, brought the number of deaths in the war to 200 residents of town.

Four new directors were elected to the Belleville Red Cross Chapter. They were Homer C. Zink, W. Douglas Clark, Dr. George Kaden and Paul P. Baxter.

Frank Tripuka, who played a major role in the defeat which Bloomfield handed Belleville on the football field in the fall of 1944, repeated the performance on the basketball court in Bloomfield when the Belboys lost 47-33.

40 Years Ago

Edward W. Maurer was killed and Paul Bohrer was wounded by a bandit whom they were chasing as he fled after robbing the A & P grocery store at Holmes and Courtland Streets.

Nine local improvement associations were represented on committee appointment by Mayor Kentworthy. The committee studied possible changes in Belleville's obsolescent zoning laws.

50 Years Ago

Dr. George C. Yarrow, president of the Belleville Republican League, received unanimous endorsement of the league for his re-election to Congress.

C. Walter Joralemon, a member of one of Belleville's first families, passed away at the age of forty.

Speak Up

Joralemon Street Is A Death-Trap

To the Editor:

Joralemon Street in Belleville has become a death-trap roadway! On Friday December 12, within a period of a couple of hours two automobile accidents occurred in front of two houses next to each other near the intersection of Joralemon Street and Plenge Drive. On Tuesday, December 16 a woman was tragically killed on Joralemon Street near Wilber Street by an automobile. This intersection is only a few short blocks east of the Rutan Estates area.

The Rutan Estates Homeowners Association has reported the hazardous condition of traffic on Joralemon Street on numerous occasions during the past ten years. Reference is made to this writer's letter of November 8, 1969 and your reply of November 18, 1969 about this matter. It is fully understood that the state will not approve an additional traffic light on Joralemon Street near the Rutan Estates area, and it is known that installation of a traffic light had been approved for the intersection of Hoover Avenue-Bloomfield Avenue-Joralemon Street, but the current situation is still a dangerous

one.

The two homes referred to above have also been burglarized on several occasions during the past ten years. It would appear that additional police patrol of this section of Joralemon Street is an essential need. It is fully realized that the Belleville police have many duties to perform throughout Belleville, but this recent history on Joralemon Street seems to demand some special action. A sincere investigation of this situation would be deeply appreciated.

It must be pointed out that Dorothea Terrace with an additional 43 homes and the garden apartment of 250 families next to the Glendale Cemetery have made the traffic situation in the area unbearable. The only active exit from the garden apartment is onto Joralemon Street. Why can't the apartment exits onto Fairway Avenue and Overhill Road be continually open for the flow of traffic?

Thank you for your time and efforts concerning this matter.

William Y. Riedel Jr.

REHOA Secretary

58 Plenge Drive

Belleville, N.J.

Flag Vandalism Poses Conspiracy Question

To the Editor:

A few weeks ago the flag pole at the Junior High School was bent over ten to 15 degrees. How in the world this was done I cannot imagine, but why was it done is what bothers me.

Was it just a teenage prank? I don't know. The other day I learned that the American Flag displayed by the Belleville Diner opposite the Library had been stolen. The owner "Tony" (I don't know his last name) was outraged, not because of the cost of buying a new flag but because as a man born in this country of Greek parentage but taken to Greece by his parents

where he grew up and where in World War Two he fought on the allied side in North Africa, he is devoted to the country in which he was born and unlike most of us who have spent our whole lives here he knows how much this country has to offer in comparison with any other one in the world.

Why was the flag stolen? Was it because someone wanted a flag or like the flag pole at the Junior High if there is a connection do we have in our midst some who do not want to see the flag displayed? I don't know, do you?

Harry T. French

Bellboys Set To Take On State's Best

By Nat Gottlieb

Tomorrow the Panthers. That unhappy assignment awaits the Bellboy cagers tomorrow night in Belleville's gymnasium when the top ranked team in the State, powerful East Orange rides into town in a Big Ten matchup. (or mismatch?)

Tuesday afternoon the Bellboys dropped their tenth game of their season 74-61 to Irvington (6-6) at the Campers' court. Belleville's only victories are over Nutley and Columbia.

Today Belleville Coach Herman "Jitty" Wische has the unenviable task of preparing his squad for a team which has been running opponents off the court this season in insulting style.

The Bellboys first encounter with the Panthers was not a pleasant experience. They were clawed by a margin of over 50 points, and were only to happy to return home.

Jitty, however is optimistic (what else is there to do?) and is emphasizing fundamentals to combat the Panther strong points of agility, quickness and rebounding. The coach says he hopes to slow down the ball game and try to avoid mistakes.

Mistakes have indeed been the downfall thus far for the Bellboys. Playing well for a quarter, sometimes a half, the squad has a tendency to lapse into sloppy ball. Jitty hopes his boys can put four good quarters together to stay up with the state leaders. A great amount of confidence would be achieved with a good showing or a victory.

"We might win," Jitty says. "Who knows. On a cold night for them and a hot one for us, who knows. Right now they are at a peak and it seems unlikely they can maintain it."

The coach predicts that after senior Vinnie Costantino's dazzling 51 point performance against Orange last week, the star will probably be double-teamed. Jitty hopes Costantino can use himself as a decoy and find open men for a quick score.

Chief among the team's problems, Jitty says, are too much dribbling, which leads to stolen balls and layups; not moving the ball fast enough and not anticipating moves by opposing players, and positioning themselves accordingly.

Jitty speaks of pride and self-discipline for his squad. He also mentions a "losing complex."

These are new problems for a coach who came out of retirement with one of the most cherished reputations in state cage history.

Except for an occasional bit of anger, Jitty has taken the numerous defeats in stride, and keeps pushing his squad to be a winner. His primary aim is to instill basketball savvy in the team to prepare them for next year's coach. Above, he enjoys contact with the sport's excitement.

There were plenty of disappointments for the coach in Tuesdays defeat. The Bellboys never strayed far from the Campers, but couldn't seem to penetrate the Irvington defense. Consequently they took most of their shots from the outside, missing a good percentage.

Vinnie Costantino, with the Bellboy high of 16 points, symbolized the team's problem. The sharpshooter took many outside shots but hit only 25 per cent of them.

One plus for the Bellboys was that for the first time four starters hit in double figures. Joining Costantino was Joe Del Conzo with 11, Rich Motacki with 13 and Rocco Marotti with 10.

In addition to Belleville's 16 turnovers, Irvington's top threat Barry Pascal hit for 31 points, six over his 25 point average.

Wrestlers Crush Cowboys 35-11

By John McCarthy

After losing three of the first four individual matches against West Orange, Belleville's varsity wrestlers stormed back to crush the Cowboys, 35-11.

Vito Marcogliese (130 lbs.) started a 32 point rally by winning 8-0.

The hometown crowd came to its feet in almost every match starting with the 130 pound bout. In the last eight matches, West Orange scored only six points as the Bellboys scored four pins and four decisions, two of which were shutouts.

Kevin Sutton (98 lbs.) started the meet losing 5-1 to Mitch Rosenweig (WO). Sutton, in for the injured Gary Guinta (See Sports Corner), was taken down in the first period and was on top only for a short while in the second period before Rosenweig escaped and took Sutton down again. Sutton's point came after Rosenweig was given two warnings for stalling.

Angelo Zoppi came right back with a 9-1 decision over senior Bob Guerin of West Orange. Zoppi, a junior, scored seven points in the third period starting on bottom. After reversing Guerin, Zoppi moved Guerin into a predicament and towards the end of the period

had Guerin almost pinned and was awarded three points for a near fall.

John Mustacchio lost his second match in a row at 115 after winning in his first two meets. Mustacchio led 2-0 in the first period after getting the takedown, but Tom Filan (WO) chose to take bottom position when the second period started. Filan reversed Mustacchio, and scored five moved points in the period to Mustacchio's two.

In the 123 bout, Bob Arlt was pinned by Ken Rotman in the first period. Rotman took Arlt down and pinned him with only seven seconds left.

Vito Marcogliese completely outclassed Mark Minkoff in the 130 pound match. Vito scored two points for a takedown, two more for a reversal and four points on Minkoff's stalling penalties. Vito accumulated five minutes riding time in the six minute bout.

District Champ Jessie Towns picked up his third pin in a row. Jessie wrestled West Orange's Amos Hutchins, and took Amos down in twenty seconds. Amos was pinned less than a minute later.

Junior John Salvato picked up his first win against senior Tim Fegen of West Orange. Salvato won 4-1 scoring on a takedown and a reversal

(Continued on page 7)

Grapplers Hope To Take Down Perennial Powerhouse Columbia In the South Orange Gymnasium

Belleville wrestlers will be out to shake off one of their oldest jinxes tomorrow night when they take the mats with perennial powerhouse Columbia at the Cougars gymnasium in South Orange. Meet time is 7 p.m.

Only once in Belleville High School history has a Bellboy wrestling squad hung up a victory over the Cougars, that coming just recently in 1967.

Yesterday afternoon the Bellboys challenged Vailsburg in Newark. The Times went to press before these results were available. Bellboys had a 2-2 record.

The Vailsburg match creates a special problem for the Bellboys. The squad will have to face Columbia with only one days rest. Usually they have at least two days between meets.

Coach Jim Silvestri seems quite optimistic about his young team's potential, and expects to put up a good show against the Cougars.

The only injury the Bellboys have suffered turned out to be a serious one, with the sidelining of 98 pounder Gary Guinta with a broken ankle. Senior Kevin Sutton, however, seems capable at the position.

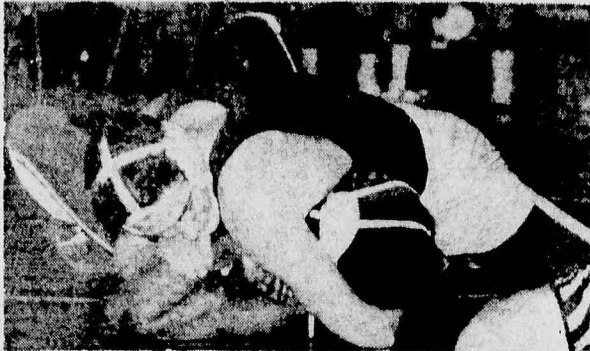

Silvestri's other problem centers around weight. Bob Arlt at the 123 pound class is having difficulties maintaining flat poundage. Silvestri says Arlt might try to move up to the 130 pound class, but would have to grapple John Marcogliese and a couple other contenders for the job. Mike Egidio will take Arlt's place.

The only Bellboy still undefeated at this point in the season is last year's district champ, captain Jessie Towns at 136 pounds. The champ is 3-0 and appears stronger and quicker than last year.

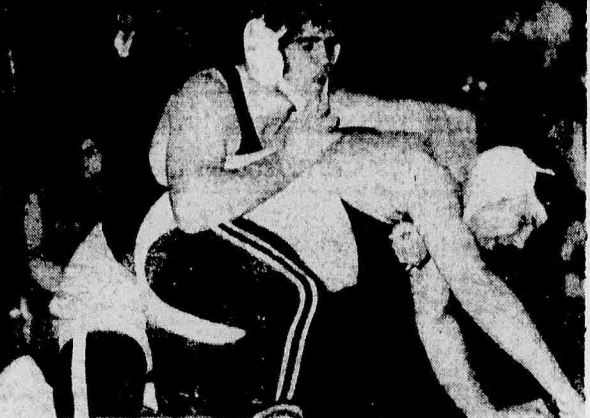

Also coming along strong is sophomore John Mustacchio who has impressed his coach with fine performances. Sal Bivona, and Carmen Rus-somano also drew praise for their efforts.

The team is composed of mostly sophomores and juniors, so Coach Silvestri feels next year's team might be the best he's ever had in his six-year's at the Bellboy helm.

When partners have to watch each other the partnership, regardless of legal forms, is over.

PINNED IN — Sal Bivona, Belleville's tough 178 pounder pins West Oranges Gilbert Hills in the second

NO HASSLE — Heavyweight John Atherton of Belleville adjusts his head gear with one hand and has no trouble handling West Orange's John Viscontin with the other. Atherton won 5-1.

Knicks-Falcons On Collision Course In Rec Basketball

Out in front in the Recreation Senior Basketball League are the Falcons and the Knicks each sporting five straight victories. Pressing hard on the leaders are the Eagles and the Imperials each of whom have suffered only one loss. The Trotters with two losses remain a threat.

In the Eagles-Saints game the Eagles displayed a fast breaking offense and a tight defense. The deft passing of Rich Hartunian repeatedly found Frank Russomano underneath for a total of 19 points. Tight defense of the Eagles forced the Saints into a number of turnovers, Eagles 50-Saints 26.

The Panthers beat the Royals 43-29 in a game that centered on foul line shooting. Thumack led the Panthers with 11 points while Walker led the Royals with ten. Aneasy game fell to the Bullets via forfeit of their opponents.

Extending their win streak to four games the Imperials hammered the Rec. Boys 70-18. Campbell again set the pace for the winners with 23 points but every man hit for some score. It was a scoring spree as the Falcons piled up a 99-43 win over the Pros. Di Modica got 23, Moraski got 20 and Visco was in for 19. Gary Sorrentino led the Pros with 16.

In a 113-50 runaway the Knicks took the Lakers. For the Knicks it was Paul Dyker-holfe with an amazing 32 points, Joe Lotruglio with 24, Dave Browne and Pete DePass with 18 each and Mike Louis with 15.

Sports Corner

By John McCarthy

Gary Guinta started the 1970 wrestling season ready to take on senior Kevin Sutton for the varsity 98 pound spot. The tough little BHS sophomore managed to gain the spot after the Holiday Tournament, but now will only be able to watch from the sidelines.

Guinta broke his ankle last Thursday during a wrestling workout with Belleville's varsity 106 pounder Angelo Zoppi. Gary caught his foot behind him as he turned, and according to coach Jim Silvestri, who was standing right next to the boys as they practiced, it first had looked as if the ankle had been just sprained or twisted.

It turned out to be worse than Silvestri had feared. Thursday night Guinta was admitted to the hospital and Friday had a cast put on the ankle, which is broken in two places. The cast will have to remain on for at least the next six weeks, so it looks like Kevin Sutton will be the team's only 98 pounder for the rest of the season.

Five years ago, Ron Kulik could be seen casually walking BHS halls. He was a Belleville High School history teacher and served as Bellboy track and cross-country coach during the school's prime running years. His student runners include Bob Bogleione, now running for Mesa County College in Arizona, holder of most of the present BHS distance running records, and Jerry Figurelli, a cross-country runner often seen scoring for Seton Hall University.

Now in order to see Ron walking you have to go to a place like the 168th Street Armory in New York City, where the Metropolitan AAU Senior Championships are held. Ron, now a physical education teacher in Montclair, finished the mile walk in first place with a time of six minutes and 35.1 seconds.

The time was Kulik's second fastest for the mile walk, and helped his team, the New York Athletic Club, beat St. John's Athletic Association, 38-24. This win also was Ron's first title in four years of Metropolitan walking after capturing almost all of the New Jersey indoor and outdoor championships.

Last year's heavyweight District Champ Bob Bonfante is performing for Essex County College, and holds the number one spot as heavyweight among the State's junior colleges.

The '69 BHS grad is undefeated after beating opponents from Middlesex County College and Camden County College. Bob beat Tom DeRosa of Middlesex 5-1 and won the Camden match 5-0, in his usual way. Bob scored one point for an escape, two for a takedown and two more for the two minutes riding time he accumulated.

Bob's class schedule makes it hard for him to practice with the Essex team, but whenever he can, he goes down to the High School's Auxiliary Gym and works with the Belleville Varsity squad.

BHS football coach Jim Amabile may have put himself out on a limb with the Belleville students with his prediction for next year.

Speaking to an audience comprised mainly of BHS juniors and seniors, Amabile said that next year's team can have the best record of any Belleville grid team yet.

At the fall sports awards assembly, Amabile presented 37 varsity letters and seven JV certificates to his squad which was almost equally made up of seniors and juniors. After the presentation, the coach said he knew the best record was 8-1. Well, coach, good luck in getting there, hope you can make it.

Cross-Country coach Ray Haneke also presented his team. Haneke gave out three varsity letters and five certificates to his team which had an 0-11 season. Haneke spotted out his only senior, Red Forrest for his contributions to the team. Red took eight first place finishes in eleven dual meets, placed sixth in the Big Ten, fifth in the county, sixth in the State Sectionals and 35th in the State finals.

Grapplers Vanquish Cowboys

(Continued from page 6) putting Belleville ahead for the first time 14-11.

Football star Ricky Caruso scored his first pin of the season. Ricky was leading 4-2 in the third period when he pinned with 1:01 remaining. Ricky is now 2-3 for the season.

Belleville's third pin came when Frank Savastano wrestled Ken Fallon. Savastano and Fallon exchanged control twice before Savastano caught Fallon on his back. Savastano scored the takedown, was reversed by Fallon and gained control again before the pin with twelve seconds left.

Second place tournament champ Carmen Russomano shutout Rich Coven in the 168 lb. class. Carmen scored two points in the first period three more in the second and rode Coven out during the third period, collecting a total of five minutes and 27 seconds riding time.

Sal "Sally Beans" Bivona scored seven points before pinning West Orange's Gilbert Hills. Sally Beans pinned Hills in the second period after starting on bottom and reversing Hills with 55 seconds left to go.

Heavyweight John Atherton closed the meet with his second win. Atherton, who like Caruso and Bivona had started on the varsity football team, scored the takedown and tallied three more points in the third period after riding WO's John Visconti for the entire second period.

Chinese-Japanese Courses To Be Offered At Fairleigh

The Southeast-East Asian Summer Study Institute of the Florham-Madison Campus of Fairleigh Dickinson University is offering a Chinese studies program in Taiwan and a Japanese studies program in Japan during the summer of 1970.

Costantino's 51 Shatters Belleville Scoring Mark But Team Falls 116-89

by Marc Feldman

Vinnie Costantino poured in a record 51 points for the Bellboys last Friday night on 18 field goals and 15 foul shots to shatter Bill Sherman's single game scoring mark of 37, set in February, 1968, and Belleville scored a season high of 89 points. Unfortunately Orange piled up 116, to win by a 27 point margin, 116-89, in a wild game, played at Orange.

Costantino compiled a fantastic 18 of 25 from the field and 15 of 17 from the charity stripe. He tied the record with 3:40 left in the game on a tap in, and broke it, with his 38th and 39th points on a basket, 20 seconds later. Costantino scored 11 in the opening period, seven in the second, 15 in the third, and 18 in the final quarter. He also had a season high of 22 rebounds.

Costantino, a Bellboy starter for three years, has compiled nearly 800 points in his career, and has an outside shot at the magical 1000 point mark, with eight games remaining. Costantino averaged 12 per game his sophomore year, 19 as a junior, and currently has a 20 per game norm, as well as pulling down 12 rebounds a game.

Outside of the opening quarter, Belleville was never in contention, as the Tornadoes piled up a 65-31 lead by intermission.

Orange was led by their powerful threesome of Eric Gray, Jimmy Caraway, and Steve Holmes, who average close to 55 points a game, among them. Gray has a 17 point average and is an excellent rebounder. Caraway is a good outside shooter with a 20 point average, and Holmes, who also stars in football and track, is good for 16 a game.

Orange had a substantial height advantage over Belleville, and used it well. Each time down the court, the Tornadoes attempted two or three shots, and were able to score many baskets on lay ups and tap ins. Their

strategy was for Holmes or Caraway to shoot from the outside and if they missed, for 6'3" Eric Gray to get the rebound and score. The strategy worked well for Orange and enabled them to pile up the high score and coast to their seventh victory in ten games.

Belleville played well in the first quarter and held the lead, or were within a few points of the lead until late in the period. Orange took a 7-2 lead in the early going on four points by Jim Caraway and three by Holmes. The Bellboys proceeded to score the next six points as Costantino hit three, Marotti, two, and Motacki, one.

Belleville led at this point, 8-7, and after subsequent ties at eight, 10, and 12, Belleville took a 16-13 lead on Costantino's layup. Here the games' final complexion took hold as the Tornadoes outscored the Bellboys 16-2 in the last three minutes of the quarter for a 29-18 lead. Jim Caraway scored 6 of his 25 points in the run and Commodore Springs hit for four of his 14.

Things went from bad to worse in the second quarter as Orange was able to score at will. Al Casaletto was able to keep Belleville within striking distance in the opening minute with 4 points, but with the score at 33-22, disaster struck. In the next four minutes, Orange scored 22 points to Belleville's 1, for a 55-23 lead. Caraway scored 9 in the run for the Tornadoes. From there on, the game was a complete rout as Orange led 65-31 at the half, 90-60 after three quarters, and 116-89 at the final buzzer.

Belleville was hampered by Rich Caravetta's loss for the game. A starting guard for the last two years, Caravetta was instrumental in the Bellboys' 56-49 win over Columbia, January 13. The junior guard's illness left Belleville very weak in the backcourt, especially when Al Casaletto picked up his fourth foul in the second quarter. The only other Bellboy to score in double figures besides Costantino was Joe D'Alconzo, who scored 13 points.

OBITUARIES

Services Today For M. Caruso

Services for Michael Caruso, 570 Union Avenue, Belleville, will be held this morning at 8 o'clock from the Megaro Memorial Home, 341 Roseville Avenue, Newark.

A Requiem Mass will be said at 9:30 a.m. from St. Mary's Church.

Mr. Caruso died of a short illness Sunday in St. Michael's Medical Center, Newark. He was 76.

He had been a stonemason with a half-century's service with Robert Young & Sons, Inc., Grafton Avenue,

Leo Keller; Suddenly At Home

Leo Keller of 65 Bromley Place, Nutley, died suddenly January 13 at home. He was 61.

Born in Newark, Mr. Keller lived in Belleville before moving to Nutley 25 years ago. Employed as an assistant manager for the A.S. Beck Shoe Store in Paramus, he worked there over 25 years.

Survived by his wife, Mrs. Marjorie Schinski Keller, he also leaves a son, Roger Roby of Towaco; a daughter, Mrs. Marjorie Sasso of Nutley; two sisters, Mrs. Ann Ulanet of Maplewood and Mrs. Lenore Greene of Springfield, and four grandchildren.

Services were January 15 from the Goldsticker Funeral Home in Newark.

Mrs. William Little; Brother In Nutley

Mrs. Frances A. Thoma Little of Bayville, N.J., sister of Philip Thoma of Nutley and Mrs. Helen Hickman of Belleville, died January 3.

She is also survived by her husband, William J. Little; two sons, Joseph W. of Westwood and Robert F. of Forked River; two daughters, Mrs. John (Marie) Ledwedge of Orange and Mrs. Jerry (Carol) Kokes of Lakewood; and 11 grandchildren and one great-grandchild.

Services were January 7 from the Kiernan Funeral Home, Belleville, followed by a High Mass of Requiem at St. Peter's Church. Interment was at the family plot.

Pharmacy Footnotes

Vincent Cozzarelli
Reg. Ph.

A large number of hospitals in the United States today are "sick". This sickness isn't the kind caused by bacteria or viruses. The infectious agent in this case happens to be the black plague of rising cost. Since World War II, the basic overhead expenses of most hospitals has risen at the rate of almost 7 percent a year. Although the cost of a hospital stay has also gone up, it hasn't nearly matched the rises in other areas. One reason for rising costs is the trend toward expensive electronic equipment. As a result, many institutions today are bordering on bankruptcy and are kept alive only by government subsidy or charitable handouts.

One of the reasons more and more people are coming to KOSSMORE PHARMACY, 338 Washington Ave., 759-1956 is our fast, efficient prescription service. Free Delivery. Baby Needs. Medicare and Blue Cross Approved. S & H Green Stamps. Timex Watches. Transistor Radios. Hours: 9 AM-10 PM, Sundays 9 AM-9 PM. HELPFUL HINT: Soften up hardened glue by placing a few drops of vinegar in the container.

Nicholas Soriano; Son In Belleville, Sister In Nutley

Nicholas Soriano, 71, of 687 Parker Street, Newark, brother of Mrs. Mary Mortarelli of Nutley and father of Joseph Soriano of Belleville, died January 14 at Clara Maass Memorial Hospital, Belleville.

Also surviving is his wife, Mrs. Antoinette Turi Soriano; another son, Peter of Newark; a brother, Pat of Iselin, and two more sisters, Mrs. Katie Bilancetti of Hollywood, Fla., and Mrs. Julia Nuzzi of Newark.

The funeral was January 17 from The Megaro Memorial Home, Newark, followed by a High Mass of Requiem at St. Lucy's Church.

of Belleville and Mrs. Elsie Green of Rock Tavern, N.Y., and nine grandchildren.

Ice Boat Sailing And Racing Guide Will Be Published

A general guide for ice boat sailing and racing titled Ice Boating in New Jersey has been published by the State Department of Conservation and Economic Development.

The booklet is designed to stimulate interest in this particular recreation activity which parallels skiing as an increasingly popular winter sport.

Included in the pamphlet are an historical record of ice boating; types of craft that are used; instructions for sailing and racing the ice boat; fundamental regulations that should be followed; and the racing rules of the National Iceboat Authority which are used by most ice boat yachting clubs in the United States.

Retired Educator Ready To Teach Bridge At YWCA

Howard Waxwood of Princeton, will teach a class in bridge beginning Tuesday, February 2 at the Montclair-North Essex YWCA.

Mrs. T. Rice Dies In Newark She Was 58

Mrs. Mary Boyle Rice, wife of the late Thomas Rice of 6 Memphis Avenue, Belleville, died suddenly January 6 at St. Michael's Medical Center, Newark. She was 58.

Born in Scotland, Mrs. Rice came to Belleville from Newark six years ago. She was employed at St. Michael's Medical Center as a switch board operator.

Surviving is a son, Joseph Rice of Belleville; three brothers, Bernard Boyle of Somerset, Andrew Boyle of Newark and Thomas Boyle of Paramus, and a sister, Mrs. Catherine Revie of Belleville.

Services were January 10 from the S. W. Brown and Son Funeral Home, Nutley, followed by a High Mass of Requiem at Holy Family Church of Nutley. Interment was at Gate of Heaven Cemetery, Hanover.

George Cocozza Dies At Home; Print Shop Owner

George L. Cocozza Sr. of 110 Sanford Avenue, Belleville, died January 13 at home. He was 57.

Mr. Cocozza was born in Newark and lived in Belleville 10 years. He was the owner of the Tower Print Shop in Belleville.

A member of the Knights of Columbus, Belleville Chapter, he also belonged to the Gerald J. Spatola Civic Association of Newark.

Survived by his wife, Mrs. Teresa Soda Cocozza, he also leaves a daughter, Mrs. Mary Jo Catania and a son, George L. Jr., both of Belleville; four brothers, Joseph of Miramar, Fla., Matthew of Long Branch and Arthur and Daniel of Newark, and two grandchildren.

Services were from the Spatola Funeral Home, Newark, followed by a High Mass of Requiem at St. Francis Xavier's Church, Newark.

Cultural Arts Series Set For Union College Alumni

A Cultural Arts series for Union College Alumni was announced today by Dr. Kenneth W. Iversen, acting president, and Richard P. Muscatello, president of the Alumni Association.

Temple Brotherhood Hears National Director

The Temple Menorah Brotherhood conducted its monthly breakfast meeting Sunday in the Malick-Shuster Hall.

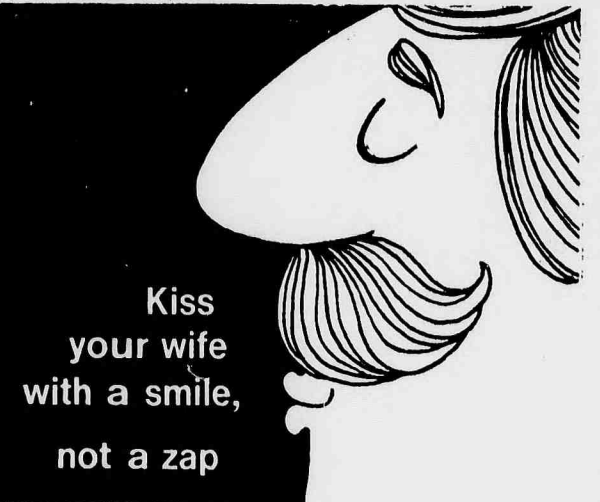

Marvin L. J. Schrank, assistant executive director of the National Federation of Temple Brotherhoods was the guest speaker.

Schrank is past president of the Emanu-El League, the young adult group of Congregation Emanu-El, New York City, and was formerly active at Sinai Temple, Mt. Vernon, N.Y. He is a member of the Men's Club of Temple Emanu-El, and serves on the executive board of the New York Chapter, The American Jewish Committee. A

graduate of Michigan State University, he did graduate work in history at the University of Virginia.

The National Federation of Temple Brotherhoods comprises 500 Reform temple brotherhoods with over 70,000 members in the United States, Canada and

abroad. It is affiliated with the Union of American Hebrew Congregations, and the Federation sponsors the Jewish Chautauqua Society, the brotherhoods' major educational project for interfaith understanding. The Temple Menorah Brotherhood is an affiliate of the N.F.T.B.

Kiss your wife with a smile, not a zap

Many men can't really kiss their wives properly because the house and everyone in it crackles with static electricity all winter. It's a problem. A YALE Power Humidifier, added to the heating system, is the solution. It will provide moisture that just isn't available from winter air. Dry air also makes doors, walls, and flooring warp, creak, and separate. And that's fully as serious as zapping your wife instead of kissing her. You can solve all these problems with a YALE Power Humidifier. CONTROLLED ENVIRONMENT P.O. Box 164 Nutley, N.J. 07110 Call us Today.

Achim Sisterhood Synagogue Talk

The Sisterhood of Congregation Ahavath Achim met Tuesday, 8:45 p.m., at the synagogue, 125 Academy Street, Belleville.

Mrs. Louis Sussman, a frequent visitor to Israel conducted the group on "A Visit To The Exotic Synagogues of Jerusalem." She described several of the unusual and out-of-the-way places of worship which abound in the Holy City.

Service is a fast-disappearing phenomenon on the American scene.

Theology Professor To Address Guild

The Rev. Frank J. McNulty, STD., professor of Moral theology and pastoral theology at Darlington Seminary, will address a general meeting of the St. Thomas Parish Guild tonight.

The meeting, according to Joseph L. Vanacore Jr., guild president, will be held in St. Thomas the Apostle School Hall, Bloomfield.

Open to the public, the meeting will begin at 8:30 p.m.

The man who is superstitious is not interested in the truth.

STAMP OUT IDLE CASH

EARN INTEREST ON YOUR EXTRA CASH

MONEY MAKES IT HAPPEN

DEVELOP A PLEASANT HABIT

KEEP YOUR MONEY WORKING EVERY DAY

Deposit Some Money Every Pay Day

Are you in the habit of keeping idle cash around the house? Or leaving it some place where it is not earning interest every single day?

You worked hard to earn that money. Doesn't it make sense to have the money working for you? If you open a savings account at The Bank of Bloomfield, your money will earn interest every single day.

The whole secret of saving is habit. You can open an account by depositing any amount you wish. But the answer to successful saving is to make sure to put away some money from every pay check. Once you've established the habit, you'll find it's not only painless but very profitable.

If you make small but regular deposits, your money grows faster than if you deposit the same amount in larger sums at less frequent intervals. Money grows by collecting interest and the sooner it's in the bank the sooner it starts to earn interest. So start today to earn interest on your extra cash. Open a savings account with your idle cash and develop the pleasant habit of making deposits every pay day. A good cash position is just a matter of habit.

John P. Dailey New Chairman At Local Bank

John P. Dailey has been elected chairman of the DeWitt Savings' board of directors. This is a new post at DeWitt and reflects the recent rapid growth of the bank. For the past six years Dailey has been president of the Savings and Loan. Prior to that he was secretary. He was also secretary of the North Belleville Savings and Loan Association from 1930 until 1956, when it merged with DeWitt Savings and Loan Association. He is past president of the Essex County Savings and Loan League.

Dailey, in addition to his association with DeWitt and the North Belleville Savings and Loan Association, has spent 24 years in banking. He is also a past member of the board of governors of the New Jersey Savings and Loan League. He is a former president of the Belleville Board of Education. A long-time resident of Belleville, he lives at 60 Reservoir Place.

The DeWitt Board also announced that Robert M. Williams of 11 Summit Road, Verona, was elected president of the 36-million-dollar Belleville Association. Williams had previously served as executive vice-president, a position he had held for five years.

Williams is also immediate

past president of the Garden State Chapter No. 67 of the American Savings and Loan Association where he conducted classes for over 500 students in New Jersey. He is a graduate of the Institute and has served for three years as director and as vice president for one year until his election to president in 1968.

He attended Bloomfield schools and is a member of the Belleville Lions Club, Belleville Lodge No. 108 F&AM, and a director of the Belleville Chamber of Commerce. He is a member of the Verona Presbyterian Church and is assistant captain of the Verona Ambulance Unit.

Williams is married to the former Wilma Cantwell and has two children, Gregory and Karen, who attend Verona schools.

The DeWitt Board also announced the following changes: Bruce Miller of Holmdel has been elected to the position of vice president and treasurer. Miller had previously served as treasurer and controller.

The Board also announced that Charles M. Nutt of Belleville and August Plenge, Jr. of Montclair have been reelected vice president; and William Abramson of Belleville has been reelected assistant treasurer.

Testimonial Dinner Set At Legion

Patrick Lee will be honored by the Belleville American Legion Post 105 with a testimonial dinner this Saturday evening at the Nutley American Legion post home on Franklin Avenue.

Lee, who lives at 38 Tappan Avenue, will be honored for service to the local Legion. Belleville post commander in 1966-67, he has also been Essex County commander in 1967-68 and is currently State vice commander.

Many of the Korean War veteran's friends will be on hand at the dinner, including Past National Commander

Patrick Lee
William Doyle and Past National Chaplain Rev. Anthony O'Driscoll.

Masons To Confer Degrees

Belleville Lodge 108, F&AM, will confer the entered apprentice degree upon candidates in waiting on Wednesday, January 28, at the Masonic Temple, 126 Jorammon Street. The meeting will start at 7 p.m.

The degree will be conferred by Warren M. Johnson, worshipful master, with all officers occupying their regular stations.

Members of Belleville Lodge celebrating their 100th Masonic birthday in January will be honored at this meeting. All Master masons are invited to attend.

Prosecutor Addresses Kiwanis

Essex County Prosecutor Joseph Lordi was the guest speaker at a recent meeting of the Belleville Kiwanis Club called to discuss narcotics.

Lordi was invited to speak in connection with the club's "Operation Drug Alert." The prosecutors remarks centered around narcotics, about which he said the problem cannot be under estimated and that it is one of the causes of the spiraling rise in crime rates.

The speaker was introduced by Lawrence Schwartz, an assistant prosecutor in Lordi's office and a Belleville private attorney.

LEGAL MINDS—Essex County Prosecutor (center) Joseph Lordi was the guest speaker at the recent meeting of the Kiwanis Club. Shown with Lordi are club president Nicholas Juliano (left) and assistant prosecutor Lawrence Schwartz of Belleville.

"Is there a place for a woman like me in today's business world?"

Katharine Gibbs says yes!

Even if you have no previous business training or experience, you already have something valuable to offer employers struggling with a severe shortage of good office personnel.

From years of managing your household and dealing with repairmen and tradespeople, you have probably developed—more than you realize—valuable personal qualities of tact, efficiency, decisiveness. If you now add basic office skills to your qualifications, hard-pressed bosses will greet you with open arms.

Now Katharine Gibbs School, the leader in secretarial training since 1911, has developed a special Adult Career Training program just for women like you. In just a few months of part-time classroom attendance, plus a moderate amount of study and practice at home, you'll learn typing, simplified shorthand, filing, accounting, office techniques and attitudes. Classes will be held from 9:15 to noon daily in our conveniently located Montclair classrooms. (Program also available in Manhattan.) When you have completed the training, our free Placement Service will refer you to some of the many attractive jobs where Gibbs-trained personnel have been requested. For more details, without obligation,

100th Anniversary Is Observed By Belleville Jaycee Organization

The Belleville Jaycees are celebrating the 50th anniversary of the national Jaycee organization. The week of January 18-24 has been set aside for commemorating the anniversary.

The Jaycees is an organization comprised of young men between the ages of 21 and 35. It offers youth activities, public service programs, service to the underprivileged, and community development. To its members it offers leadership training, civic responsibility, fellowship, and personal development.

The local Jaycees conduct numerous projects throughout the year. The biggest is the Cherry Blossom Pageant and Parade, which

utilizes the services of all the members and consumes approximately four months of the chapter's time. Other projects include curb

painting, the Jaycee Classic football game between the Giants and Eagles, Cerebral Palsy circus, junior bowling, and Speak-up Jaycee.

The 70's a whole new ballgame for New Jersey.

Sure the Sixties were tremendous. In '69 alone there were more new jobs and more new business for New Jersey than in any other year... ever.

But the Seventies are a whole new ballgame for New Jersey.

In the Sixties we at Public Service invested about \$1.5 billion, expanding our electric and gas energy system. But now, in just the first three years of the Seventies, we plan to invest over \$1 billion more!

It's going to be a whole new ballgame in a lot of other ways, too... even in the way we produce and deliver the energy New Jersey needs. A good part of that \$1 billion will go toward completing two of the largest nuclear generating stations in the world. All of our \$1 billion will go toward continually bettering the service we provide to nearly 80% of New

Jersey's people in 295 municipalities, including our six major cities.

New Jersey's cities... that's where we think the real action of the Seventies will focus. The reason? Our cities offer business many advantages, including good people who are good workers, excellent transportation, and significantly lower rents than the other metropolitan centers of this rich marketing region. And these are the facts that more and more companies are discovering for themselves.

Discover New Jersey's many opportunities for business, investment, and growth for yourself. Send for our free 48-page booklet, "New Jersey, Land of Amazing Advantages." Please write Public Service Electric and Gas Company, Dept. 8311, 80 Park Place, Newark, New Jersey 07101.

 **Public Service Electric and Gas Company**

WEDDINGS AND ENGAGEMENTS IN SOCIAL SPOTLIGHT

New Engagement Rings

Miss Beverly Golden

Miss Patti Bush

Miss Francine Clemente

Beverly Golden, James L. Witt Will Be Wed

Mr. and Mrs. Arthur Allgier of 334 Stephens Street announce the engagement of their daughter, Miss Beverly Golden to James L. Witt, son of Mrs. Agnes Witt of West Orange.

Miss Golden, a graduate of Belleville High School, is with Abaco Fabrics, Bloomfield.

Mr. Witt, an alumnus of Immaculate Conception High School, is with Georgia-Pacific, Clifton.

The wedding is planned for April 25.

Most executives earn their pay.

Miss Valente To Wed Theodore C. Mantegna

Miss Judy Valente

Miss Kobylarz, Mr. Rusignuolo Will Be Wed

Mr. and Mrs. Martin Kobylarz of Nutley announce the engagement of their daughter, Mary Ann to Frank Richard Rusignuolo, son of Mrs. Janette Rusignuolo of Belleville.

The troth was made known at a family Christmas dinner.

Miss Kobylarz, a graduate of Glassboro State College, is a teacher in the Jefferson Township schools.

Mr. Rusignuolo is a salesman for Supermarket Services.

A July 12 wedding is planned.

Patti Lynn Bush Is Bride-Elect Of Wm. Friel

Mr. and Mrs. Gordon T. Scovil of Bloomfield announce the engagement of their niece, Miss Patti Lynn Bush to William Joseph Friel Jr., son of Mr. and Mrs. Friel Sr. of 208 Stephens Street.

Miss Bush, a graduate of Bloomfield High School and Newark State College, Union, is employed by the Caldwell School system.

Mr. Friel Jr., an alumnus of Belleville High School, received his degree from Fort Lauderdale (Florida) University.

A November wedding is planned.

Miss Clemente, Mr. Amadeo Plan Nuptials

Mr. and Mrs. Anthony Clemente of Iselin announce the engagement of their daughter, Francine to Ronald Amadeo, son of Mr. and Mrs. Daniel Amadeo of 17 Harvard Place, Belleville.

Miss Clemente, a graduate of Woodbridge High School and Berkeley Secretarial School, is a secretary in the Chemical engineering department of Merck and Company, Rahway.

Mr. Amadeo, an alumnus of Nutley High School, attended Fairleigh Dickinson University and is an accounting clerk with Austin Company, Roselle. He served in the Army and was stationed in Vietnam.

A fall wedding is planned.

Bazaar Chairman Thanks Workers

Mrs. Joseph Mooney, Christmas bazaar chairman of School 1 PTA announces that the bazaar held at the meeting and the children's bazaar held, December 19 were a great success.

She would like to thank all who helped to make it so: Mrs. Joseph Brooks, Mrs. Bosco, Mrs. Robert Drumm, Mrs. Frank Gattuso, Mrs. Gilroy, Mrs. John Grant, Mrs. Harry Long, Mrs. Joseph Juliano, Mrs. Vito Mastrolia, Mrs. Alfred Ogilvie, Mrs. William Sobanko and Mrs. Arthur Whitman and everyone else who donated or brought the items that were on sale.

The smarter man in every community is the one who knows how to relax.

Evangelista-Magliacane Troth Is Told

Mr. and Mrs. Joseph Evangelista of Carnegie, Pennsylvania, announce the engagement of their daughter, Norma to William V. Magliacane, son of Mr. and Mrs. A. Magliacane of Belleville.

Miss Evangelista teaches in the Pittsburgh school system.

Mr. Magliacane, presently serving in the Army, was a teacher in the Irvington school system.

Statisticians are not the only men interested in figures.

Tri-Town Will Hear Psychologist On Drugs

Tri-Town Business and Professional Women's Club of Belleville, Bloomfield and Nutley will hold their monthly dinner meeting on Thursday, January 22, at 6:45 p.m., at Park Methodist Church, Broad and Park Streets, Bloomfield.

The program will follow at 8 p.m. The speaker, Roger Colonna, is a psychologist with the Essex County Narcotics Association. He is a graduate student at St. John's University, and is member of the personnel and Guidance Association, while working for his doctorate. He is also a student at the Alfred Adler Institute for Psychotherapy where he is co-president of the Student Union.

Mr. Colonna will speak on "Drug Abuse Prevention. Is there anything anyone can do about it?"

about it?"

At the business meeting following the program, the membership/committee plans to present to Tri-Town members several applications to be voted upon. While the dinner is by reservation only, the program immediately following is open to all employed women interested in the objectives of the club.

On Tuesday, January 27 at 8 p.m., there will be a meeting of the Civic Participation Committee at the home of chairman Eleanor Storer, 247 Whitford Ave., Nutley. Plans will be completed for the party to be given on February 16 for the children of the Children's Emergency Shelter of Essex County in Belleville. A musical program, followed by refreshments has been arranged.

Annual Alumni Tea Held At High School

The Eighth Annual Christmas Alumni Tea was held in the Belleville High School cafeteria, December 23. At this annual affair, members of last year's graduating class are invited to discuss with the seniors their academic and social experiences of their first months in college or on the job. About two hundred and fifty graduates and seniors attended the tea.

The program opened with a musical presentation by the music department under the direction of Dr. Samuel Peck.

Refreshments were served in the cafeteria by the students of the vocational home economics class with Miss Carol Filemyr, home economics teacher, and Mr. Emil Meyer, cafeteria director and members of his staff in charge.

Herman Knuppel, Director of Student Personnel Services was in charge of the program. Alivia Shannon and Janet Chamberlain were the student moderators and with the use of the traveling microphone had the graduates answer the questions of seniors.

The graduates who traveled the greatest distance were Marilyn Padilla from the University of Puerto Rico and John Restaino from Mauna Olu College, Hawaii. They received gifts from the Class of 1970 and Barbara Yarosz from Paterson State College received a surprise gift.

The questions covered many areas pertinent for students entering college, employment or the armed services and the seniors found the realistic answers most helpful.

Money multiplies the power of man either for better or worse.

Princeton Chamber Orchestra To Highlight Rider Program

Four concerts by the Princeton Chamber Orchestra, an appearance by the St. Louis Symphony Orchestra, opera and a pair of theatre productions are highlights of Rider College's Fine Arts calendar for the spring.

Bausch & Lomb Science Award Given to Senior

The annual Bausch & Lomb Honorary Science Award will be presented to Robert Forrest by Nova Babb, chairman of the science department of Belleville High School.

In announcing the winner, principal Raymond O. Smith said, "The B & L Science Award is especially significant. It makes possible recognition of the outstanding senior student having the highest scholastic standing in science subjects."

As a winner of the Honorary Science Award, Robert is eligible to compete for a B & L Science Scholarship at the University of Rochester. Awards are based on merit, but stipends are based on need, and range up to full tuition.

Pantry Pest Control: Scrub, Spray, Line

Several kinds of insects can infest most of the dry food products you keep in your pantry or kitchen cupboards. Some people refer to these as "weevils." Actually, most of them are beetles or moth larvae. They all may be called "pantry pests."

You can reduce the chance of a pantry pest infestation by keeping shelves clean and free of food particles that may spill or sift out of packages, says John J. Kupcho, County Agricultural Agent of Essex County. Insects can live on food particles that remain on shelves or lodge in cracks and crevices.

If you are presently troubled with pantry pests, remove and inspect all food packages from the cupboard. Destroy all infested material. Wash the cupboard. Then lightly spray the shelves and cracks and crevices with a household spray containing 5 percent DDT or 2 percent chlordane or 2 percent malathion. When the spray dries, line the shelves with clean paper or foil before replacing the food packages.

Money multiplies the power of man either for better or worse.

Rawcliffes Feted On Anniversary

Mr. and Mrs. George O. Rawcliffe of 360 Wabington Avenue, Belleville recently celebrated their golden wedding anniversary. Mr. Rawcliffe's brother and sister-in-law Mr. and Mrs. J. Henry Rawcliffe Verona, entertained friends and relatives in honor of the occasion.

Guests were from East Brunswick, Pompton Lakes, Wayne, Nutley, Bloomfield and Belleville, and from Drexel

Hill, Penna. Mrs. Rawcliffe is the former Harriett Johnson of Jersey Shore, Penna. Mr. Rawcliffe is of an old Belleville family, the son of the late Charles and Belle Rawcliffe.

They are parents of two daughters, Mrs. Merrill Johnson of Salt Lake City, Utah and Mrs. A. Biecheilli of East Brunswick. They also have five grandchildren and one great grandchild.

Trouble With Your Geraniums? Here's Advice From An Expert

Many home gardeners brought geranium plants in last fall just before the first frost. For the next few weeks the plants stood still or perhaps even went backward as a result of the transplanting shock.

But by now, the healthy ones are full of new leaves and flowers. If yours do not look too good, perhaps they have a disease.

If a plant is not growing, see if the stem near the soil line is dark brown or black. If so, your plant has a disease called "black leg."

The fungi or molds that cause black leg probably entered the plant when you injured the stem while transplanting it, explains John J. Kupcho, county agricultural agent of Essex County. It took a while for the disease to really get going but by now the stem may be completely girdled. Discard any plant with black leg, Mr. Kupcho advises. There is no cure for this disease and the plant will die.

One of several viruses may also be in your plant. Yellow spots or rings in the leaves indicate the "ring spot" virus disease. This will not kill the plant or prevent its blooming. But once the virus is in the sap stream it will always stay there. Another virus produces curling or crinkling of the leaves. The "crinkle-curl" virus, like the ring spot virus will always remain in the

plant. Cutting or shoots taken from plants with either virus disease will carry the virus and will soon show up in the newly rooted plant.

One disease called "leaf spot" is an odd type. It appears only when a plant is in flower. It is caused by old pollen sacks dropping from dying flowers to the leaves below.

When water splashes on the leaves, a gray mold fungus starts to grow in the old pollen sack. From there it grows into the leaves. And that is the beginning of the leaf spot disease. These spots can be prevented by simply picking the old flowers before they start to collapse. And if leaf spot does appear, just pinch off the diseased leaf. The leaf spot fungus does not enter the sap stream as a virus can.

Rose Society Plans Meeting Saturday

The Rose Society of North Jersey will hold a meeting on Saturday, January 24 at 2:00 p.m. at the First Methodist Church, 24 No. Fullerton Ave. Montclair. The speaker will be Mrs. Herbert J. Valentine of Clifton.

Mrs. Valentine is a consulting rosarian and an accredited judge.

A balanced life includes work, recreation, meditation and study.

R

DENTAL X-RAYS FIND TROUBLE QUICKLY

At most every regular dental examination, your dentist may first want to take a series of X-rays. These X-rays can pinpoint trouble spots before they get to the stage where extensive work is needed or where a painful tooth-ache results.

Even when work is required, the new anesthetics and high speed equipment make it fast and with hardly any discomfort. Many dentists will prescribe a tranquilizer for a patient before their appointment and a pain reliever for use when the anesthetic has worn off. We fill many dental prescriptions and keep the medications they need on hand.

YOU OR YOUR DOCTOR CAN PHONE US when you need a delivery. We will deliver promptly without extra charge. A great many people rely on us for their health needs. We welcome requests for delivery service and charge accounts.

Winter Tree Pruning Can Save Money

If you are considering tree pruning during the coming summer you should give it serious consideration right now. You may save money in the long run, says John J. Kupcho, county agricultural agent of Essex County.

During late spring or early summer treemen are so busy spraying and caring for trees that they are too busy to do routine pruning. Now during the winter most of the companies are eager to keep their men busy. The difference in price for the two seasons will be noticeable.

Secondly, it is easier for a treeman to spot the cankered, galled, or insect-ridden branches when there are no leaves on the tree. This means his job will be more thorough and you will have better results.

Third, but still important is the fact that branches cut out of the tree will not injure the frozen ground at this time of year. Larger branches dropping from a tree after the spring thaw may result in large holes in your ground or ruined pieces of sod in your lawn.

Last but perhaps most important of all, make sure your tree expert or arborist is completely covered by insurance. Non-insured treemen may drop branches on cars, bicycles, fences, etc., and then having nothing more than an apology with which to pay the bill.

Travel Film On Puerto Rico Scheduled At High School

"Wings to Puerto Rico" will be shown on Unity Institute's Travel Course, today at 8:15 p.m. in the Montclair High School auditorium.

Here indeed is a different travel-adventure motion picture! The wings? They are the private Cessna aircraft by means of which the audience is flown far down into the sparkling Caribbean, to the bustling, beautiful island that is Puerto Rico. James Metclaf, the pilot-narrator, has been in the photographic profession for almost twenty years, a background unique in the travel film field.

Now That Christmas Is Over, How Is Your Poinsettia Doing?

Now that Christmas is over, how is your poinsettia holding up? If you have a healthy plant and treat it well, you should have it in flower for a month or more. But if your plant is like a lot of others, it may be looking rather sick already. The thing to do now is to try to determine what is wrong. And then correct it if you can.

If the lower leaves are turning yellow and limp, or perhaps have dropped off, there may be some trouble with the roots or perhaps the leaves are too dry, says Mr. William F. Munk, Senior County Agent of Essex County. Press one hand gently on the soil and carefully turn the pot upside down, he suggests. Tap the edge of the pot lightly on a bench, so that the soil-ball comes out on your hand. Now you are ready to become the plant doctor! Pockets or areas where the roots are coal-black, or even dark brown, indicate a root rot disease.

The commercial florist would add chemicals if he had many plants with root rot. For the homeowner with just one or two plants the chemical treatments are not recommended. Just keep picking off dead leaves as they appear. If you are fortunate you will find no black or brown roots. All will be white or light tan. This indicates that yellow and limp

leaves are not the result of root rot but only that the plant is too hot and dry.

Keeping the plant in a cool room or an enclosed porch during the night may do wonders for your poinsettia. You will find that night temperatures of 60, or even a few degrees lower, will help to extend the flowering period of your plant many days.

Philip Lazaro Is Feted At Dinner

Philip Lazaro celebrated his birthday Christmas day at a dinner attended by his family and friends.

In addition to his wife, Marlene and children, Philip Jackie, Eddie and Cathy, guests included his father, Edward Lazaro, his aunt and uncle, Mr. and Mrs. Peter Genevive, Mr. and Mrs. Philip DeCroce, Anthony DeCroce and family, the Dellapis, his grandmother, Mrs. Mary Rotonda and his uncle Vito.

Mr. Lazaro is scoutmaster and his wife den mother for Troop 388.

Growing Interest Revealed For United States Compacts

The growing consumer interest in smaller, less expensive cars has pushed the compact Plymouth Valiant and Duster to a 79 per cent sales increase over last year in the first three months of the 1970 model year, according to Glenn E. White, Chrysler-Plymouth general manager.

"It is quite clear that the new Duster, which was introduced last fall, appeals to the increasing number of economy car buyers," White said.

In addition to gains posted by the Valiant and Duster, White also noted that all new Plymouth Barracuda has enjoyed a 65 per cent sales increase during the 1970 model year in the compact sports speciality segment.

So far as statistical records reveal, no worker has ever failed to respond to the dinner bell.

Reading Clinic Begins Soon; Testing Now

Miss Joanna Sullivan, director of the Reading Clinic at Fairleigh Dickinson University, announces the appointments may now be made for testing of applicants for the next session of the Reading Clinic which begins Saturday, February 14. Although all of the testing is done by appointment in Rutherford, classes will be held at both Teaneck and Rutherford campuses.

The diagnostic tests, given individually, determine the cause of the difficulty for the student, and indicate what work should be given him. These tests include an intelligence test, silent and oral reading tests, spelling test and a screening test for vision. A full written report is given to the parents, and if desired, to the school.

Since reading is basic to all other subjects, an increasing group who do not need

any "remedial" work come to the Clinic for improvement and for acceleration of comprehension, vocabulary and speed, Miss Sullivan states.

Reading classes at high school level are of a college preparatory nature.

Further information may be secured, and appointments made, by calling the Reading Clinic at 933-8000, Extension #281 or #282.

Hospital Museum Dedicated

John F. Kidde, chairman of the Board of Trustees of Clara Maass Museum at the Board's annual meeting held recently.

Located on the second floor, the Clara Maass Museum depicts the 100 year history of the hospital, beginning with the yellow fever experiments in Cuba and concluding with the new 150-bed Extended Care Unit now under construction.

Mr. Kidde stated, "It is particularly appropriate to be dedicating the room during the Christmas season, when giving to others means so much. Nurse Clara Maass, an early graduate of the Hospital's original school of nursing, died aiding others to find the cause of yellow fever. Following the yellow fever experiments, Dr. William G. Gorgas and Dr. Carlos Finley were able to conquer the dreaded yellow fever."

The hospital museum will be open to the public for organized hospital sponsored public meetings.

Grade School Students Give Holiday Show

On December 16 School Number Nine presented its annual Christmas show.

Mrs. Myers first grade presented a play entitled "The Christmas Butterfly." The second grade performed songs and a rhythm band under the direction of Miss Pitrelli.

Mr. Palasciano's third grade presented "A Christmas Surprise," a group of six songs. The fourth grade performed "The Best Gift of All," an original play written by Mrs. Peck and directed by Mrs. Peck and Miss Caputo.

The fifth and sixth grade Glee Club under the direction of Mrs. Maglioncaldo, Miss Orsulak and Mr. Corbo sang a group of songs.

Nicolas Petti, principal, closed the show by joining the Glee Club and leading the audience singing "Silent Night."

If song writers knew how some people would sing their songs they would probably quit working.

Montclair YWCA Starting New Term For All Ages

The Montclair-North Essex Y.W.C.A. is beginning a new term of classes for all age groups.

There is still an opportunity to register for some of the adult classes, such as Italian cooking, sewing, interior decorating and photography for amateurs.

Mrs. Fenwick Named Chairman of Ball

Mrs. Millicent H. Fenwick of Bernardsville, a State Assemblywoman, has been named state chairman of the New Jersey Symphony Ball, to be held Saturday, April 18 at the Robert Treat Hotel in Newark.

The ball, which this year is to be entitled "The Gemini Ball", is an important annual event for the Symphony, and helps to underwrite concert and educational activities.

The Women's Committee of the New Jersey Symphony Orchestra, whose membership totals more than 800 members and represents seven chapters, around the state, plus an active Junior Committee composed of younger adult supporters of the orchestra, will handle the arrangements for the ball. A committee of members representing all chapters and the Junior Committee, will direct the activities in preparation for the ball.

Mrs. Fenwick has a long and varied record of accomplishments. She has displayed a keen interest in the arts and higher education. Her many civic activities include executive positions on the New Jersey Advisory Committee to the U.S., the Morrow Association on Correction, the New Jersey Historical Society and the Somerset County Legal Aid Society. Mrs. Fenwick was also associate editor of the Conde-Nast Publications from 1938 to 1952.

Politically active in New Jersey, she has served as state committeewoman for the Republican party, co-chairman of the Republican Conference in 1956, and is newly-elected to the State Assembly from Somerset County.

The eighth annual fund raising gala receives support from patrons throughout the state. Because of the wide spread interest in Henry Lewis, the Symphony's music director, as well as the orchestra's currently expanded program, the orchestra has found itself in the bright spotlight of public attention and critics acclaim. The expanding services of the orchestra include youth concerts, tiny tot concerts, and the operation of four youth organizations which

Mrs. Millicent Fenwick reach over 100,000 New Jersey school children, and a broadly expanded schedule of adult concerts.

A life-long resident of Bernardsville, Mrs. Fenwick has two children and eight grandchildren.

Christmas Party For Scout Leaders

The Belleville Girl Scout District Adult Christmas party was held January 7 with 60 women attending.

There was an added attraction to the party, when Mrs. Santa Claus, played by Mrs. E. Verhagen appeared bearing gifts.

Refreshments were served and some note-reading finished up the most pleasant evening.

Presently, there are 34 Girl Scout Troops registered in Belleville, consisting of 732 girls and 126 women in all, and this is steadily nearing their goal of 1,000 Girl Scouts.

Television Program Centers On Retirement Preparation

The American Association of Retired Persons and the National Retired Teachers Association, in conjunction with WPIX, Channel 11, is presenting an half-hour color television program series, "The Golden Years," expressly for older Americans. The talk-panel discussion program produced by the community affairs department at WPIX is shown at 10:30 a.m. Tuesdays.

DEADLINE TUESDAY 12 NOON**

IN MEMORIAM

VAN HOUTEN — In loving memory of our dear nephew and cousin, Thomas, who passed away January 23, 1967.

Again the month of January is here.
To us the saddest of the year
While you rest in peaceful sleep
Your memory we shall always keep.

Sadly missed by
Aunt Hazel, Uncle Del,
Cousins: Becky and Gayle

VAN HOUTEN — In loving memory of our dear nephew and son and brother Thomas, who passed away 3 years ago today, Jan. 23.

We do not need a special day to bring you to our minds.
The days we do not think of you are very hard to find.
God gave us strength to fight, and courage to face the blow.
But what it meant to lose you, no one will ever know.

We tend your grave with loving care, because part of our hearts are buried there.

Bereaved Mom & Dad and brothers.

CARD OF THANKS

NATALE—We wish to thank the Belleville Emergency Squad and Police for their courteous and efficient service.

Mrs. T. Natale

1/22

Clerks - Some previous business experience is required for these clerical openings which involve sorting, batching, filing and accuracy with numbers. These jobs offer you an opportunity to be a part of our new Medicaid Division and to learn procedures involved with this new program.

Typists - We are scheduled to start a new class for our training program in which you'll be taught how to prepare claims for payment. Earn while you learn a new keyboard setup to add to your typing skills. To qualify for this class, you must be able to type accurately at 35 wpm.

We offer a good salary and excellent benefits including Blue Cross, Blue Shield and major medical coverage, life insurance, paid holidays and a 35 hour work week.

Why not come in and discuss your background and interests with us at our new office at 60 West Street, just a few minutes walk from Bloomfield center. No appointment is necessary. (Take Bloomfield Avenue to Newark Avenue. West Street is the second block on the left.)

**Young Pianist
To Perform
In Montclair**

Andre Watts, the pianist
who made his front-paged
debut seven years ago with
the New York Philharmonic,
at the age of 16, will be heard
in concert tomorrow at 8:30
p.m. in the Montclair High
School auditorium, under the
auspices of the Unity
Institute's Concert Course.

Watts made his
long-awaited New York
recital in the 1966-67 series
of "Great Performers at
Philharmonic Hall" to a
sold-out house and critics said
he elegantly met the
expectation which the rare
quality of his previous
performances had generated.
In 1967, Watts came
excitingly of age, celebrating
his 21st birthday with the
Berlin Philharmonic, and
since has played as soloist
with the great orchestras of
the world.

The pianist was born in
Nuremberg, Germany in
1946, the son of an American
career soldier and his
Hungarian wife. He lived in
Europe, mostly around Army
posts, until he was 8. His first
musical instrument wasn't the
piano, but a miniature violin.
By the time he was seven
however, he made clear his
preference for the piano, and
his mother, a good pianist
herself, gave him his first
lessons.

Area Drycleaner Takes Course in New Fabrics From National Institute

"We went back to school, because we never stop learning at Jolly," said Art Jackson, head of Jolly Cleaners, 300 Washington Avenue, Belleville. Jackson and his son, Bruce, have recently returned from a week of study at the National Institute of Drycleaning in Silver Spring Md.

"At the institute we took an advanced course in the very latest drycleaning and spot removal techniques as related to the newest fabrics and fashions," Jackson explained. "For us it was a truly exciting, educational and rewarding experience. For our many customers it will mean even higher standards of quality and performance than those which have made them loyal patrons of Jolly Cleaners. We are constantly seeking new and better methods of improving our service so that every Jolly customer will be an even happier customer."

Although we must keep abreast of the most modern techniques for cleaning the newest synthetic fabrics and different combinations styled into one garment, the only true miracle fibers are the wool of the sheep, the cotton that grows in the soil and the silk of the silkworm," Jackson said.

Art Jackson, one of the first individuals ever to use the phrase "personalized service", began his career in the drycleaning industry as a drycleaning technician nearly 40 years ago, and in 1938 opened his own drycleaning plant in Westchester County, N.Y.

This September, we will be celebrating the fifteenth year of Jolly in Belleville," Jackson noted, "and because of the confidence and loyal patronage of our many customers and friends over the years, I can sincerely say that coming to this area has

DeWitt Sets Record High '69 Figures

DeWitt Savings and Loan Association of Belleville reported all-time-high figures for assets, members, savings, dividend payments and mortgage loans for 1969.

Total year-end assets were \$36,662,232, an increase of \$3,149,999 over the total for the close of the previous year. This represents an increase of almost 9 per cent.

The year's results announced by John P. Dailey, president of DeWitt, also showed a \$2,791,526 increase in members' savings, to a total of \$33,736,599.

Total dividend payments for the year were \$1,516,845.00, up by \$144,130.00. The dividends were paid to more than 12,500 depositors in Belleville, Nutley, and other surrounding areas.

At year's end DeWitt's total First Mortgage Loans were \$32,494,716, up from \$29,209,649.

LEGAL NOTICE

SUPERIOR COURT OF NEW JERSEY
CHANCERY DIVISION
ESSEX COUNTY
DOCKET NO. M-10,
026-658

MARIE RIKER, Plaintiff vs. THOMAS RIKER, Defendant
CIVIL ACTION

NOTICE OF ORDER FOR PUBLICATION
STATE OF NEW JERSEY

TO THOMAS RIKER, (DEFENDANT)

By virtue of an Order of the Superior Court of New Jersey, Chancery Division, made on the 29th day of December, Nineteen hundred and sixty-nine, in a civil action where Marie Riker is the plaintiff and you are the defendant, you are hereby required to answer the complaint of the plaintiff, on or before the 2nd day of March, 1970, by serving an answer, appearance or acknowledgment of service of process, on Robert L. Doris, Jr., Essex County Legal Services Corporation, plaintiff's attorney whose address is 11 So. Fullerton Avenue, Montclair, New Jersey, 07042 and in default thereof such judgment shall be rendered against you as the Court shall think equitable and just. You shall file your answer or appearance and proof of service in duplicate with the Clerk of the Superior Court, State House Annex, Trenton, New Jersey, 08625, in accordance with the rules of civil practice and procedure.

The object of said action is to obtain a judgment of divorce between the said plaintiff and you.

Essex Assemblymen Given Assignments

The eight-man Essex Republican assembly delegation has announced the appointment of five of its members to specific assignments for the 1970 legislative year.

Assemblyman Ralph Caputo of Newark will be responsible for urban affairs, while C. Richard Fiore, his running mate from Newark, will specialize in fiscal affairs.

Liaison with the Senate will be handled by Assemblyman John Dennis, of Verona. Assemblyman-elect David Goldfarb of South Orange has been assigned as liaison with the freeholders.

The delegation's representative to the Essex County Mayors Conference will be Herbert M. Rinaldi of

Lambert's Group Picked Outstanding

Airman First Class John C. Lambert, son of Mrs. Anna G. Lambert of 43 Liberty Avenue, Belleville, is a member of a unit that has earned the U.S. Air Force Outstanding Unit Award.

Airman Lambert, a communications equipment repairman in the 640th Aircraft Control and Warning Squadron at Stephenville Air Station, Newfoundland, will wear a distinctive service ribbon to mark his affiliation with the unit.

The unit was cited for exceptionally meritorious service and proficiency in accomplishing its assigned mission in an outstanding manner.

Airman Lambert graduated in 1965 from Essex County Vocational Technical High School in Bloomfield.

Mattia Is Chosen Easter Seals Head In Belleville Area

Romeo Mattia, owner of Mattia Printing Company, Newark, will again serve as chairman of the Belleville Easter Seal Appeal. The announcement was made today by Jeffrey Ruddy, County chairman of the Easter Seal Committee for Crippled Children and Adults.

Mattia, a long-time resident of Belleville, is past president of the Boy's Clubs of Newark, a member of the North Newark Lion's Club, the Megara-Cundari Welfare Association and the Essex County Civic Association.

The Easter Seal Society offers a comprehensive program of services for handicapped people, including the operation of Camp Merry Heart, a special residential summer camp for physically handicapped children, set in Hacktystown. Last year, more than 300 severely handicapped children benefitted from a three-week outdoor vacation at the camp.

The Essex County Committee is a unit of the Easter Seal Society of New Jersey, which in turn is an affiliate of the National Society.

The 1970 Easter Seal Appeal starts of February 23 and continues through April 10. During that period thousands of residents and businesses will receive letters of appeal,

President's Veto Opposed By Rodino

Rep. Peter W. Rodino, Jr. said today he found "incredible" the White House announcement that the President plans to veto the education and health appropriations bill passed by the House and now awaiting final Senate action.

"Congress," he said, "worked long and hard to produce a bill that reaffirms our nation's commitment to quality education and to meeting the pressing health needs of the nation."

"And yet," the New Jersey legislator said, "the President proposes to veto this life and death measure."

ing that period thousands of residents and businesses will receive letters of appeal,

Registration Starts For Adult School's Spring Semester

The Belleville Adult School is offering many new courses for the upcoming spring semester.

Brochures, announcing these courses and others, went out in the mail last week together with information needed for registration.

Augustus W. Mc Ginnis, director of the School, advises that students register by mail whenever possible as this insures against being left out of a class in the event it is filled up by registration week.

Mail blanks are found in the brochure and in the advertisement carried in this week's newspaper. Those who prefer to register in person may do so at Belleville High School from 7 to 9 p.m. on January 26, 27, 29, and 30. Additional information may be obtained by calling the high school during the day at 759-4701.

One of the new courses being offered is that of blueprint reading and related mechanical drawing. This course is under the direction of Ted Gabry, who heads up the daily mechanical drawing classes at Belleville High School days. The course is designed to be of value to those in industry, who want to prepare for a better job, and for the "do-it-yourselfer" who wants to know something about reading the plans and diagrams that he comes across. The course will be meeting Tuesday evenings in Room 203.

Another of the new courses being offered is ice skating. If you are able to skate forward unaided and want to improve your ice skating ability, this course was designed for you. It is under the direction of Hans Gerschweiler, 1947 World Figure Skating Champion, and is being given at the Branch Brook Ice Center, Branch Brook Park, Newark. The ice center is brand new and members of the Thursday night classes will be the only ones on the ice. After, lessons there will be free skating until 11 p.m.

The adult school is running an advanced course in ballroom dancing for those who took the course in Latin dancing in the fall semester. Students will be able to continue where they left off in the fall. The course is under the direction of Miss Gray.

In addition to the course in home hairstyling, a class in wigs, wiglets, and falls will supplement the instruction given by Michael Yarussi Jr., of Nutley Junior High School. The course explains the proper way of setting and combing out the hairpiece, placement of wiglets in hair, how to wear it correctly, and how to select the right style.

In the field of art and crafts, offerings are oil painting (beginners and advanced), ceramics, portrait painting, woodworking and auto mechanics.

In homemaking, interior decorating, knitting, beginners and intermediate sewing are being offered.

Among the business courses offered by the adult school are bookkeeping I and II, typing I and II; shorthand I and II; basic business machines; basic computer machines and systems; typing for students; speed reading for high school students, and rapid reading for adults.

In the area of entertainment are guitar I and II, tennis I and II, photography, boating, and activity night for women.

Additional courses offered are English for new Americans; law for laymen, securities and investing; driver education, first aid - advanced, and substitute teaching.

A complete set of four courses is offered at a reduced rate for those desiring to take the High School Equivalency Examination (GED). The

courses will cover English, Social Studies, Science, and Mathematics. Guidance personnel will be available on registration nights to advise those desiring to take the GED courses and examination.

As usual, all of the facilities of a modern, well-lit and fully-equipped building will be at the disposal of the adult school. Parking provisions are ample. The school is open two nights a week, in order that more students might be accommodated.

Transportation Department Receives Apparent Low Bid

The Department of Transportation today received an apparent low bid of \$62,015.30 from Lightning Electric Co., Millburn, on the installation of the first stage of an emergency call system on an 8.2 mile stretch of Interstate Route 287 in Middlesex County.
