LISTENING — Commissioner Senatore listens to a resident at Monday nights town meeting. Last Saturday the Belleville official was cited in the field of government by the AMITA organization.

dispelled after residents visited the Englewood operation. She also warned residents that "if the town doesn't purchase this land, an industrial firm will probably do so." She indicated that the area in question is zoned for industrial construction. Erie Lackawanna meanwhile is reportedly not eager to sell the land to the town, and is discussing selling it to an industrial firm, according to town attorney Nicholas R. Amato. Amato said a railroad spokesman declined to name the industry. The proposed purchase originally appeared a month ago, when a \$50,000 emergency resolution was passed to buy the property. The town also stated its intentions at the time to condemn the lot. The purchase is now listed as a bond proposal, a switch which apparently was due to objections by Commissioner Joseph McGreevy, who voted against the emergency resolution because it would have be raised in next year's budget regardless of what eventually was decided. A bond proposal can be dropped and payments spread out if necessary, McGreevy

pointed out. The emergency proposal is sufficient enough to "show good faith" toward purchase of the land, according to Amato, who says the resolution prevents Erie Lackawanna from selling the land to another party without entering into a legal battle with the town. In tabling the vote, Commissioners indicated it would be back on the agenda the first meeting in July. Commissioner Senatore says costs for carting the leaves and debris is about \$19,000 each year. She said the machine will save the town trips to Kearny in about an 8-1 ratio. The Public Works director also indicated that savings would occur for storage of trucks, which in some cases are housed in a rented garage and in other instances are left out all winter and suffer weather damage. Basically, the hopper feeds leaves and debris to the machine which crushes the material into a compact unit, thus cutting down on the number of trips that trucks have to make to the dump areas.

for Italian-American youth. "It was like a fairy dream," the commissioner remarked. "I don't think I'll ever receive an award like this again." The energetic commissioner was accompanied to the affair by 20 friends and relatives. The TV and newspaper media covered the affair. In choosing the commissioner, AMITA applauded her for being the first woman to be elected Commissioner in the Town of Belleville and the first woman to be a director of public works in the State of New Jersey. She is also the first woman in this town to hold the Democratic Party chairmanship. (A complete biography of the commissioner is on page five of today's Times.) Beginning her political career as a county committeewoman 12 years ago, Mary Senatore is regarded by most people as one of the most influential politicians in Belleville. Her reputation in the Democratic party is also generally acknowledged county-wide, and many instances, she is on a first-name basis with many top level state officials such as former Governor Robert Meyner and Garden State Parkway Director Louis Tonti. In Belleville, Commissioner Senatore has built up a loyal following of friends and political leaders, a following which many observers feel might enable her to establish still yet another first - to become the first woman Mayor of Belleville.

Suspect Foul Play

(Continued from Page 1) Hundertpfund. The Belleville Fire Prevention Bureau is conducting its investigation under the direction of Captain Edward Dunleavy, while Deputy Chief Haight has assigned detectives Nick Berrigan and Marty Natale to the detail. In the Fiorente Society fire, Chief Hundertpfund reports that a gallon jug was found inside of the back door which was open at the time of the fire. The jug was later checked and found to have had "100 per cent explosion potential," probably from containing gasoline, Hundertpfund said. Hundertpfund also reported that club officials indicated a color television valued at about \$600 was stolen. The club spokesman also indicated that the back door of the club was always closed.

The fire chief said that he had "no doubt that gasoline was dumped on the upholstery in the club." He said club officials could list no motive for the incident. The blaze, which occurred at 1 a.m. Wednesday morning, heavily charred the floor beams in the basement and destroyed all the furniture on that level. Very heavy smoke damaged was listed for the first floor of the Italian-American club. Firemen Fred Trip and Tom Murphy sustained minor injuries in fighting the blaze. Deputy Chief Robert Shaughnessey directed fire-fighting operations in the Fiorente fire and in the Foam Fabricator blaze. In the Foam Fabricator fire, Hundertpfund said prior to the blaze, office desks had been opened and searched and that 16 bank checks had been taken and runoff on a check machine. The chief also said an unsuccessful attempt had been made to open a safe. Two separate fires were started at the foam rubber company, Hundertpfund says. One is believed to have started on a rear loading platform, and the other, 75 feet away at the center of the building. The chief says a "big wall" was in between the areas where the blazes began.

Three Health Officers

(Continued from Page 1) possibility of a personal lawsuit against Strumolo. Ram, meanwhile, refused to comment on the matter from his home in Cedar Grove, and referred The Times to the Newark Hall of Records. Strumolo also declined to comment, saying it was a Civil Service matter and that he had been directed not to speak on the situation by Civil Service. Ram was fired by Strumolo in October of 1967 on three charges: a) failure to notify the director of impending absences on two occasions; b) inefficiency in performance of duty in accordance to law, and c) violation of regulations, and insubordination. The Appellate Court heard the case on March 9 of this year, and handed down a decision May 15. In that decision, the first two charges were dismissed as unfounded,

while the third was upheld. The second health officer, Dr. Bevinetto, was suspended by Strumolo in January of this year, and never returned for duty. The doctor claims he is on sick leave, while Strumolo maintains the leave was never granted. Civil

Service provides, Strumolo says, that any employee absent more than five days without the consent of his director is considered resigned. *** Only fools listen repeatedly to fools.

A Smashing Victory - But . . .

In last week's GOP election approximately 30,000 Republican voters bothered themselves to visit their polling places to express an opinion concerning the type of leadership they desire for their party in Essex County.

Except for the results in the City of Orange every community in Essex County, including Newark, turned in large majorities in favor of the anti-Intile candidates.

Nutley Republican voters topped the list of communities that supported the Line F candidate-the Republicans supported by Governor William Cahill. There are too many Republicans who are quick to presume the overwhelming defeat suffered by the candidates supported by Joseph Intile means the demise of Intile and his colleagues.

Joseph Intile controls County Supervisor Walter Blasi. The two Republican Freeholders who have sold out their party to make deals with Democrats continue to hold office-and continue to pledge their allegiance to Joseph Intile. This unholy partnership may continue in business, not only for the remainder of this year but conceivably throughout 1971.

If the Democratic candidates for Freeholder win in November the complexion of the Freeholder Board will change from 6-3 Republican to 6 Democrats and 3 Republicans.

In such an event the Democrats will not need Intile to reorganize and control county government.

On the other hand if the Republican candidates for freeholder win, the opportunity will continue for Joseph Intile to continue his business partnership with the Democrats. So-Intile is far from dead politically. For as long as elected and appointed GOP officials continue to pledge their allegiance to Intile he remains a threat to party harmony.

It is known that responsible Republicans are researching the laws concerning the recall of County Freeholders. It may be possible that laws exist for Republicans to throw out of office elected Republican officials who prove unfaithful to their party.

Last Tuesday's landslide victory for the regular Republican organization candidates augurs well for them in November.

Wall Street

Recently The Wall Street Journal published a lead story which was partially captioned "The Street of Despair." The reference was to the attitudes and feelings of people who earn their living in Wall Street.

One Wall Street expert was asked whether or not the economic condition facing the country today was "1929 all over again". The investment broker responded "in my judgment it is 1928-7/8".

There is no doubt that the last six months have seen a drop in the economic level of our business activity. There is increased unemployment. The cost of money has been going higher-higher and higher. This is the first time in the history of this country that we are witnessing the phenomenon of simultaneous inflation and recession. Things are so bad in this country that American banks are required to seek loans from European banks at exorbitant rates of interest which are passed on to prime borrowers and all the way down the line, ultimately reaching the consumer.

We believe the prime rate to borrow money established by the Federal Reserve Bank is too high a price to pay for the use of money. A year ago we wrote in favor of wage controls.

We do not know whether or not this is 1929 all over again but of one thing we are certain-the people of this country are confronted with serious financial trouble. And though we receive sugar-coated assurances from Washington we need meaningful action because the time for speeches has long since passed.

Major industries like Hoffman-LaRoche Inc., the tiffany of New Jersey industry, have curtailed expansion plans. Large chain stores which budgeted millions of dollars for capital expenditures have suspended their programs. The cost to borrow money is too high a price to pay for progress.

The war in Vietnam has been blamed as the root cause for our financial troubles. Whatever the cause, we are feeling the effects.

The stock market is down and even though there were signs last week that some stocks experienced an upturn in prices it is the judgment of many professionals that the stock market isn't going anywhere for a long, long time.

We talked with a member of Congress last week who said most of his mail until recently, was about Vietnam. Today there are more letter writers complaining to Congressmen about financial hardships than there are people who are writing about the Vietnam war.

If you are feeling the tight money pinch and have not expressed an opinion to your Congressman about your problems we suggest you do so at your earliest opportunity. And while you are at it, a letter to President Nixon won't do any harm either.

Film Review

Allen Funt's 'Naked Lady' Admired for Its Honesty

By Leonard Bierstein

("What Do You Say To A Naked Lady," an x-rated film that has prompted some discussion in Nutley - see story on page 6 - was featured this past week at the Franklin Theater.)

Mr. Allen Funt, creator of the Candid Camera television program, has successfully applied his techniques in a full length motion picture. The film, "What Do You Say To A Naked Lady?" takes an aggressive look at the much hidden subject of physical love.

Funt set about to record the reactions of everyday people to stark nudity. Although the reactions varied, the musical background of the film served as an instrument to declare the director's objectivity - objectivity that seemed a bit strained as later sequences of the film had a lightly clad young girl approach men in the street and ask them for a kiss.

The film was divided into three major categories: candid camera stunts directly involving nudity and people's reaction to it, a

studio audience reacting to the film sequences, and Mr. Funt's explanation of how the scenes were arranged and filmed.

"What Do You Say To A Naked Lady?" has received an "X" rating, which denotes that no one under the age of eighteen will be admitted. This rating seems questionable because of the fact that many of the members of the impromptu cast were themselves under eighteen. One segment of the movie involves Mr. Funt in a conversation about intercourse with a seventeen year old girl. This raises a very important question: who is to decide what is to be considered "dirty" or "immoral." The film gives the candid reaction of different people from the ages of seven to seventy. The conclusion is left up to the viewer.

What would you say to a naked lady? This question is dealt with in a refreshing and sometimes very funny manner. Some will find the film unnecessary; others will find it offensive. I enjoyed it for its honesty and clarity.

Student Says School Strikes Aid Changes

To The Editor:

Because of the crisis that is occurring on American campuses throughout the nation and because of the ignorance of the vast majority of the population as to exactly what is happening, I feel that there is a need for explanation. It is obvious that I am unable to speak for all universities; but I am qualified to explain the nature of the events taking place on my own campus, the University of New Hampshire.

The University of New Hampshire is on "strike." But it is necessary to clearly define what it means to strike. Each student is given the option as to whether or not he wants to continue his regular academic activities or to participate in strike activities.

The basic goal of all of the strike activities is to educate both the university community and the community of New Hampshire so that constructive social change will occur. Workshops are being held by qualified historians and sociologists so that interested students and citizens can receive the facts, not the misinformation that is being fed to the American public every day through government controlled newspapers and magazines. In a workshop on the historical development of Viet Nam these facts were stated:

1. In the middle 1950's, when Diem was in control in South Viet Nam, 50,000 troops were trained at Michigan State University under a federal grant to be used by Diem as secret police.
2. As a result of these troops being sent to South Viet Nam, all those who refused to accept Diem were pressured into consenting. This was the same time that many Buddhist monks were burning themselves to death. Diem was a Catholic remember!!!

These facts simply cannot be ignored. The American public can no longer afford to accept the policy of its President when that policy is one of mass slaughter and useless massacre. Does it logically follow that by expanding the war, it will end sooner? Does any one really believe that? Is anyone willing to accept the responsibility of mass genocide because that is what you are doing when you say that you back the President because he is the President. I cannot stand behind the President. I refuse.

The President has said that he will allow students to protest as long as it is peaceful. Should we bow down and say thank you for a right that we have, supposedly, been guaranteed in the almost forgotten "Declaration of Independence"?

Something is seriously wrong when the president's own advisers are resigning, when college Presidents warn the President about the crisis and frustration of the American students, when anti-war legislators are under so much pressure that a self-inflicted bullet in the head is the only answer. But the President smiles, walks back into his isolated white tower, and continues to play war.

I urge everyone to support and sign petitions to give Congress the power to cut off war funds. Nixon and his boys must be stopped from playing war, or else some day soon the nation is going to wake up to a white house that has been appropriately painted black.

Supporters Thanked For Primary Vote

To The Editor:

We would like to express our gratitude to all the Republican and independent voters of Ward Two, District Two, for their support on June 2. We will do our best to represent you.

Now, more than ever, every American should take advantage of the voting privilege. We owe it to our country, our state and ourselves. It is our expression of approval or disapproval of our form of government.

Fireworks Banned at Town Celebrations

By Elaine Auerbach

One Year Ago

Approximately 330 seniors were to graduate from Belleville High School at the 81st annual commencement exercises at the Municipal Stadium. In addition to the processional and selections by the high school band, speeches were to be given by Valedictorian Sandra La Sala, Salutatorian Cathy Berezansky and Sharon D. Quattro, third in the class.

The town Democratic and Republican parties met and re-elected the same chairmen. Meeting at the Council Chamber in Town Hall, the Democrats unanimously voted Commissioner Mary Senatore into her sixth term of office. The Republicans gathered at the recreation house and gave Gerald J. Ferrara another term.

The Town Commission passed two recommendations by the Zoning Board of Adjustment for approval of construction of a garden apartment complex and an auto body repair shop. The variance for the five-family garden apartments to be built at 42-44 Corner Avenue was granted to Paul Martino of 134 Myrtle Avenue, Nutley. The auto body shop, to be located at 2-6 Honiss Street, was applied for by Joseph Viceli.

Five Years Ago

The Belleville High School baseball team and its coaches were to be honored at a special dinner at the Fountain. Jackie Rega, chairman of the dinner committee, said the team would be presented with championship jackets at the affair. The Bellboys surprised area sport fans when they captured the Big Ten Conference Title by two games and sent in to win the Sectional Group IV

Championship.

Mrs. Mary V. Senatore was re-elected chairman of the Town Democratic party for her third successive term. However, the victory was something special as it was Mrs. Senatore's first victory on the ballots of Town District leader. In the two earlier times, she ended in 24-24 ties with her opponents and was made Town Chairman by Dennis F. Carey, Essex County Democratic chairman.

President and Mrs. Dwight D. Eisenhower mailed personal congratulations to Mr. and Mrs. Frank Parsells of Belleville who celebrated their golden wedding anniversary on May 29. The Belleville couple had been long-time friends of the Eisenhowers. The Parsells were residing at 37 Washington Avenue.

Mosquito extermination work was set to begin on June 15, announced Daniel Ilaria, chairman of the Shade Tree Commission. The work was to be done in all parts of town. Mr. Ilaria asked Belleville residents to be mindful of the ten commandments of mosquito control, which included such precepts as covering rain barrels with mosquito proof screens and changing water troughs, fountains and bird baths twice weekly.

Attorney Nicholas Brescia presented a charter to the Rutan Estates Home Owners' Association at the organization's spring dance to John Bass, president of the group. Mrs. H.L. Evans, president of the association's auxiliary, was at hand for the presentation.

Fifteen Years Ago

A full scale development of the Municipal Stadium area including the bog site, for recreation purposes, was presented at a special Commission meeting by Commissioner Elmer S. Hyde, recreation director, and Superintendent Robert E. Cook. The Drawings included a proposed swimming pool (with a play area for children), an acre of ground for a parking lot for the entire stadium, a bicycle track and a Little League field in the bog center.

Ground breaking for the new \$35,000 Bethany Lutheran Parish House was performed by Reverend T. Painter Hansen. The parish house would provide space for the Sunday school classes and other activities.

The Board of Education reappointed Evan H. Thomas Superintendent of Schools for the 1955-56 school year, granting him a \$500 boost which brought his salary to \$12,000 annually.

Twenty-Five Years Ago

Two cases of rabies, the first in Belleville since the spring of 1942, were reported by Eugene T. Berry, municipal health officer. Ten persons had already taken the Pasteur treatment for rabies as a result of contact with the dogs. Berry issued a warning to all dog owners to keep their dogs fully muzzled or on a leash at all times.

Valentine J. Hill, vice-president in charge of manufacturing at the Walter Kidde Company, consented to serve as chairman of the industrial division of the Belleville Community Chest and War Fund in the fall. Belleville muddled through one of the

lightest primary election votes in its history when only 646 of a total registered 12,620 voters turned up at the polls. Absence of any contest in either of the parties was the attributed cause of the light vote.

An amendment to the traffic and parking ordinance was introduced by Public Safety Director King and passed on first reading by the Board of Commissioners. The Public Safety Director introduced the measure to provide free access for fire apparatus, snow plows and street sweepers in the town's narrow streets.

Forty Years Ago

Fireworks were declared taboo in town by Inspector of Combustibles Frank Fuselli, who, in a written opinion quoting the law to the Mayor and the Board of Commissioners, said that the law prohibited the shooting of dangerous fireworks and explained that "Dangerous" applied to all pyrotechnics used in Independence Day celebrations. Fuselli was citing the law to illustrate that two Silver Lake Societies about to celebrate the birthday of their respective saints, would have to do it without fireworks.

Fifty Years Ago

The Men's Club of Christ Episcopal Church elected officers: president, Frederick Mort; vice-president, Charles L. Denison; secretary, Sylvester Denison; treasurer, Joseph Moore; chairman of membership, Charles Campbell and chairman good and welfare committee, Frank James.

The Belleville Improvement Association held a card party at the home of Mrs. K.A. William, 223 De Witt Avenue. Mrs. Lewis Rose was in charge of the tables.

Local Firemen Are 'Gentlemen' Says Resident

To The Editor:

This letter is long past due. But is is sometimes very difficult to put into words the gratitude one feels for a fine group of "gentlemen" such as we the people of Belleville are fortunate to have in our Fire Department.

The Chimento family has had to utilize your ambulance service on innumerable occasions for our mother, Mary, who is now a double amputee and with just a limited amount of vision remaining in both eyes.

Her happiest days were the ones she spent going to therapy to learn "how to walk" again. She looked forward to her "boys," as she referred to them, coming by to transport her to classes. From what she has told me and what I myself observed the days I was present when we had to use the service for doctors' visits and hospital emergencies, it is heartwarming to know how compassionate and gentle these men are. I am sure that you have received numerous expressions of appreciation from various residents of the town and I feel the people of Belleville should be proud of their men. I know I am.

Undoubtedly, we will be continuing to call on you since Mom has to continue her doctor visits and for any other emergencies that might occur. She claims that as soon as she is "up to it" she will walk again. We hope so.

If there is ever any way the Chimentos can be of service to the Fire Department do let us know. Please say "Hello" to the men for Mom and also tell them her home is open to them at any time.

Sincerely yours,
Angelina M. Chimento

'Naked Lady' Flick Reaction From Residents

There has been growing controversy in town over the showing of the film "What Do You Say To A Naked Lady" at the Franklin Theater in Nutley. Do you think films on this order should be banned from being shown in the local area?

George Downs, 181 River Road, Nutley. I think the film should be shown anywhere there is a movie house. It's a free country and

persons who don't want to see the film can just avoid going to that particular movie. I haven't gone to see the movie yet, but I intend to go. I go to the movies quite often and I think it's good that pictures are becoming open. As for the people who object, the film industry has set up a rating system. . . . "X" rated pictures should not be seen by these persons. I've seen previews of the movie and it seems that the picture should be very funny.

Mrs. Angelo Irizarry, 89 Dow Street, Belleville: I've heard about the movie and I suppose that people who think that it shouldn't be shown in this area may be right. Movies like this belong in New York City and not in the suburbs. When a movie on that order is shown here more kids are prone to want to go see it. But the movie is fine for adults. I haven't seen the film but I do intend to go and see it. I guess it's mostly out of curiosity. A lot of people are probably just like me and will go to see the film just because they are inquisitive about it.

Mrs. Garry Sprong, 15 Edgar Place, Nutley: I wouldn't go see the film, but also I wouldn't stop anyone from viewing it. It's a tricky subject as to whether the movie should be allowed to be shown in this area. I've heard that there are a lot of candid shots in the movie but I guess people know what they're in for when they go to see the film. After thinking about it, I would have to say that they should allow the film to be shown here. After all, anyone who doesn't want to see it doesn't have to. Lately it has been a fad for movies to show more sex and nudity scenes. I'm not against that, but the show should also have some other value.

Mrs. Mildred Cecere, 72 Floyd Street, Belleville: Yes, I've heard about the film and it's supposed to be a big hit. I don't see why grownups should be stopped from seeing the film. The movie should be shown in this area, I don't see why not. I know children shouldn't go to see the film but I'm sure the picture could be very moving for grownups. I haven't seen the movie and have no desire to go and see it but I can see why some persons would show an interest in the film. Years ago the movie industry was different, but now times have changed. I guess it's okay, as long as you have the right attitude while viewing the film.

if you are planning a trip to the Newark Airport on a late Friday afternoon my suggestion is that you think twice about using the New Jersey Turnpike. I usually prefer driving through Newark to reach the airport but last Friday time was running out for me and I thought the Turnpike would be the quickest route. Not to my surprise south-bound traffic at exit 16 was tied up for 15 minutes because of an accident. As a result I just about arrived in time for the scheduled 6:00 departure of EAL's Flight 3. Then the unexpected happened. The 727 stretch taxied out to the runway where we remained for an hour and ten minutes because of unexpected traffic delays. Sitting in the plane just waiting - waiting - waiting could be a very exasperating experience. To make the delay a pleasant one, stewardesses Bonnie Simpkins and Carmen Reyes pulled out all the stops to please the unhappy passengers - and the girls did a good job.

Sitting on my left in seat 1A was one of the nicest guys I have met, Frank Ferrara the entertainment and casino consultant at the 169 Room, St. Maarten Isle Hotel. Frank is a long time friend of John Scarne, the fellow who knows all the tricks of the card and dice trade. The St. Maarten Isle Hotel is the only modern hotel in St. Maarten. It is one of the newest and most elaborate of all the Caribbean hotels. Special very low rates prevail during the off-season. Ferrara has a schedule of charter flights to St. Maarten which cost next to nothing. Anyone interested in a vacation on a beautiful island should make inquiries to Frank Ferrara at the St. Maarten Isle Hotel, Philipsburg, St. Maarten, N.A. or through our favorite travel agency, the Nutley Travel Service. AFTER A PLEASANT two hour and twenty minute ride with Frank Ferrara keeping me entertained with tales about Las Vegas, Puerto Rico and St. Maarten, the big 727 hit

the runway in Miami one hour and a half behind schedule. Meanwhile up on Biscayne Boulevard near 88th Street my friend Phil Cuoco, the scenery director for Jackie Gleason, was bending his elbow at Vincent Capra's, one of the finest Italian restaurants on the East Coast.

On the trip south the pilot was obliged to make an unusual flight-plan-departure, going 80 miles off of our route in order to avoid an area of turbulence. This is most unusual for airline traveling in the East Coast corridor.

Flight 896 returning to Newark proved to be a very smooth, comfortable ride. Cindy Eckels and Mary Tanner were the stewardesses who were in constant attendance of passenger needs. Cindy and Mary are looking forward to August weddings. In the meantime the gals are having a tough time trying to find Miami-area apartments at prices within their range.

Airline travelers using the Newark Airport on landing and takeoff feast their eyes on a series of new buildings under construction. Most of the airlines using the Newark Airport are building new terminal buildings for their individual use. When they are completed (several months hence) the Newark Airport should provide easier access to the individual airlines. The new buildings will be appreciated by passengers and employees.

July 1 Eastern Airlines is upgrading its Newark facility to a full-fledged operation base. Over 200 airline stewardesses will have an opportunity to work out of the Newark Airport and live in this area instead of New York City, Miami or Atlanta.

Lythe DeJon, attractive wife of the society orchestra leader, Roe DeJon, was all excited as she related a story of Dr. Grazia Sessa's participation in the production of the first

man-made part of a human cell, the lysosome. Dr. Sessa lives down the street from us at 129 Alexander Avenue, Nutley. Working with Dr. Sessa at the New York University School of Medicine was Dr. Gerald Weissmann. It took five years of work by Dr. Weissmann and Dr. Sessa to reproduce the membrane layers and enzymes in such a way that the artificial lysosome behaves in a test-tube environment exactly as its natural counterpart does in the human body. Reporting on the event, The New York Times commented, "the development was said to open the way to a more detailed study of the body's natural response to disease and, particularly to the inflammatory processes that lead to such painful and crippling diseases as arthritis and rheumatism".

LYSOSOMES ARE present in most living cells. They contain powerful enzymes that usually protect the cell against bacteria or viruses but that can become dangerously destructive. Continuing, The Times article reports "like the exploration of space in the 1960's, the exploration of the human cell in this decade one of the biggest challenges to scientists". It is nice to know that right within the shadow of your own very home lives Greatness itself. Salutations and congratulations To Dr. Sessa. The Times says one outgrowth of Dr. Sessa's research could be the formation of artificial red blood cells. What a thrilling event to anticipate.

The new Les Champs, the 40th Street restaurant patronized by Broadway and TV celebrities would not be the success that it is without the personal touch of its handsome Maitre D', the gracious Jerry Zell. It is unusual for a good restaurant to provide good food and excellent entertainment. Such is the case with Les Champs. Everett Morrison of Jersey City enthalls the diners with his fine singing. When you visit Les Champs ask Everett to sing for you "Sunrise,

Sunset". Whenever Jackie Mason comes within the shadow of New York City, Les Champs is always his beat.

Diminutive Bernie Gallagher, work horse for the Democratic Party, pulled an upset Monday night, beating incumbent George McDonough for Chairmanship of the Nutley Democratic Party. George was a good reliable leader. The biggest argument against George's re-election are the five vacancies existing in the Democratic county committee.

John Rolland, the efficient Manager of Fort Lauderdale's Le Club International tells the one about Heywood Broun, who in his book, "The Boy Grew Older", has a hero Peter Neale take home a chorus girl who lives on 168th Street. At her door she says to him "You're entitled to a kiss. Anyone that takes me all the way to 168th Street is entitled to at least a kiss from me. Next month I'm going to move to 242nd Street."

Turnpike Commissioner Bob Citrino overheard a sailer ask a young lady "Going my way babe?" The attractive stewardess replied "My dear sir I'll have you know that a public street corner is no place to speak to a strange girl who lives at 215 Central Park, telephone 234-0019".

Bill Callanan, Nutley's able Superintendent of Weights and Measures tells the one he heard on a San Francisco cable car. The conductor, addressing the chap sitting next to Bill, said "No smoking here". The conductor continued on his rounds through the cars. When he returned to the spot where Bill was sitting the fellow next to Bill was still puffing away at his cigarette with a nonchalance of a White Owl ad. "Don't you see" exclaimed the conductor towering over him, "that sign which says: 'No smoking here'?" The smoker replied quietly "well there is another sign right next to it which says: 'Drink Coca Cola'. Do you give me Coca Cola to drink?"

Mary Senatore: A Precedent Setter

Setting precedents is becoming a habit for Commissioner Mary Senatore.

After starting out in local politics 12 years ago as a County Committeewoman, she easily outdistanced her male opponents for the post of town democratic chairman in 1962, becoming the first woman to capture the party chair in Belleville's history.

In 1967, the energetic politician entered the 1967 race for commissioner, a campaign dominated by men, many of whom had long political histories in Belleville.

Mrs. Senatore placed third on the ballot, behind Mayor Ken Smith and Commissioner Joseph McGreevy, and became the first member of the distaff side to hold such a high post in Belleville.

Last week the energetic Commissioner set yet another precedent by being named Outstanding Italian-American Woman in the field of government by a New York based cultural group which makes selection from the tri-state area.

The Commissioner outpolled over 150 nominees, and was presented an award last Saturday night by the AMITA Foundation, at the plush New York Biltmore Hotel.

The AMITA group honored 12 women from all fields of activity at the affair, and placed

Commissioner Senatore in company with many distinguished women, including an author, a lawyer and an actress.

The lifelong Belleville resident attended School Seven and Belleville High School before entering Panzer College. The future commissioner spent two years at Panzer and then transferred to Drakes Business College in Newark, where she graduated after two years of study.

The commissioner's family roots are strong in Belleville. Her mother has lived here for 65 years and presently resides with the commissioner at 192 Passaic Avenue. She also has four brothers and a sister. Three of the brothers are in business in Belleville.

In 1948, she married Emil Senatore, who passed away two years ago. Her daughter Rosemary plans to be married this Sunday night.

Before becoming commissioner, Mrs. Senatore was the administrative aide to four State Senators in Trenton, and also acted as general chairlady for many events honoring the Governor and other top officials. She recently was named by the Essex County Democratic Chairman Harry Lerner to serve as a commissioner on the Thompson Commission Report.

Helen's Thing ...

Missing Items Always Appear, Or Do They?

By Helen Maguire

I wish the Congregationalists had a patron saint to aid in locating lost items because I certainly could use him.

Last week, Dennis, hooking up the vacuum cleaner, discovered that rod which attaches the brush to the body of the machine was missing. I manufactured a substitute out of a piece of metal and three days later, Rod found the original item under the picnic table in the backyard.

Thursday was the last night for the free rabies shots and after much persuasion, I convinced Rod that he should escort Belle to the firehouse and have the deed done gratis. But who could find the leash? "If you think for one moment", stormed the head of the house, "that I'm going to take that dog over to Chestnut Street on a piece of rope, you've got another think coming. Do you want the whole town to think we're paupers?"

No, I certainly didn't and a wild search ensued ending successfully on the floor of the closet. The highlight of Monday was when Gavin yelled triumphantly from the depths of the toy chest, "Hey mom, I found Ryan's other shoe!"

But nothing tops the tale of the drunken bird. One spring, Jack discovered a bird in the gutter, stunned rather than badly hurt and carted it home to be resurrected.

I had heard from an uncle of mine that the best way to bring a bird around was to mix a drop of whiskey in a very small quantity of water and administer it with an eyedropper. Well, we finally got a couple of drops into the creature and put it in a box to recover its wits.

When Rod came home, he went to inspect our houseguest and found it among the missing. We turned the house upside down looking for it and went so far as to pick up the furniture and shake it, no mean feat let me tell you. Finally, at ten o'clock, Rod announced that he was through, do you hear me, through looking for the ingrate and was going to bed.

The first one downstairs in the morning found the bird flying in drunken circles around the summer porch. I don't know to this day how he got out there but he must have laid low in a window box of plants while we tore the house apart the night before.

"If he can fly that well drunk, he'll be fine when he sobers up!" pronounced by husband. "Open the door and let him go!"

Farewell, feathered loopy one and good riddance.

Should A Town Have The Power To Censor Films Being Shown At Local Theaters?

By Phil White

X-RATED FILMS -what about them? Should there be some type of control exercised within a community about the type of film being shown at a local theater?

At the moment, there are a couple of active controversies in New Jersey between movie houses and town governments-North Bergen to name one. And here in Nutley, the possibility of an overt official act is looming close to the foreground. The Franklin Theater's showing of "What Do You Say To A Naked Lady" has a lot of people upset-so much so that the Police Department has already been asked to see what can be done to stop such X-rated films from being shown here.

We have not seen the Allen Funt "Naked Lady" film but from what we gather, the X-rating comes from the excessive nudity in the movie-both male and female-and the frank discussions about sex.

The question that has been raised is just how much control, if any, should a local municipality have in approving or censoring films scheduled for showings at the community theater. One of the larger theater-exhibitors in New Jersey is about to make a test case out of one town's putting its foot down. Elsewhere, community censorship, so has been limited to demonstrations by PTA's and similar groups. A Nutley teacher was one of the leaders in the Wayne demonstration that eventually persuaded Passaic County exhibitors to cancel showings of "I Am

Curious (Yellow)." However, none of those demonstrations involved any official governmental agency.

Our opinion has always been to uphold the right of the theater owner to show whatever he (or in Nutley's case, she) pleased. The censorship would then come from the patrons. If you don't want to see an X-rated film, don't go to the theater.

Over the weekend, however, a different dimension to the problem posed by community theaters was introduced as a dinner table topic by a colleague who edits one of the nearby Catholic Diocesan newspapers. He believes an individual community should be given the right to determine what is acceptable as a community-moral standard. Although it is difficult to dictate an acceptable standard for say an entire state or the nation, defining what is acceptable to the Nutley climate, for example, is more realistic.

The dinner conversation on X-Rated film censorship never defined just how such a standard could be established or enforced. But it's an interesting question that might come into play here as the debate over X-rated films at the Franklin Theater comes out into the open. Some people in Nutley have already objected to the Little Theater's recent production which was adult in theme (There's a letter in defense of the Little Theater play in today's Speak-Up column.)

We'd be interested in hearing additional opinions from readers on the merits of local

film censorship. Should it be attempted, should we simply follow the movie-industries' guide, and when an "X" pops up on the marquee, let people as individuals decide whether or not they want to see the film?

A FEW WEEKS back we said we thought Mayor Harry Chenoweth had pretty much decided at this point to seek another term in '72. With that thought in mind, we smiled upon spotting the new color portrait of the Mayor over the radio desk in Police Headquarters. . . .

Something else is new inside the Police Station. Upstairs outside of Chief Francis T. Buel's office sits his first secretary: Mrs. Margaret Levendusky. That position, you may recall, was the one which Commissioner Carmen Orechio strongly opposed as being unnecessary and excessive. At any rate, Chief Buel is one of the happiest people around. He says his paper work has been reduced and he has more time to do more important work, which we're glad to hear. "She's a big help, let me tell you," the Chief says. We welcome Mrs. Levendusky to Nutley's official family. . . .

Nutley Commissioners sure do a lot of traveling. The past couple of meetings have been somewhat on an odd schedule in order to guarantee a quorum at Town Hall. The Board for example met this past Tuesday night and will meet again next week. After

that, there won't be a Town Hall session until July 7.

Where do these Commissioners go? Well Bill Jernick just returned from Florida where he was engaged in work with the Elks. Hank Ludwig has spent time the past two weeks in Dallas and Chicago with his employer, Hoffmann-LaRoche. But probably the luckiest guy around when it comes to travel is Carmen Orechio who's in the Travel Agency business when not inspecting health affairs at Town Hall. Carmen just came back from Barbados. . . .

MEMBERS of the American Association of University Women (AAUW) were the most recent guests for one of those lawn party-picnics at the Robert Citrino home on North Road. Mrs. (Jean) Citrino is president of the AAUW and hosted a picnic for the Association last evening.

A couple of weeks ago, Mr. and Mrs. Citrino greeted several hundred persons at a "Lollypop Party" for the Family Service Bureau. An evening at the Citrino's is an evening to look forward to - Bob and Jean are among Nutley's most gracious hosts. . . .

Sign on Nutley Police Department Bulletin Board following recent Peace March: "...No matter what side you are on, law and order are needed in these days of frustration to build for the future. - Chief Buel."

Does your house look like one of these?

LOOK HOW LITTLE IT COSTS TO KEEP THEM TOASTY WARM WITH

RADIANT ELECTRIC HEAT

All of these houses use Radiant Electric GLASSHEAT panels for heat. They are in good company. Over one half million homes, hospitals and business establishments are now equipped with this super-comfortable, healthful, economical kind of house heating.

Here's why the owners of these houses are so enthusiastic about heating with Radiant Electric Glassheat panels:

- Their houses have never been so comfortable.**
No more chilly floors and warm ceilings . . . each room individually controlled with its own thermostat. Flip heat on and off as easily as light switches. Radiant heat floods the room and eliminates "hot spots" and "cold spots". Corners are as warm as the center of the room.
- Their houses have never been more healthful.**
Radiant heat doesn't dry out the air you breathe . . . reduces dried out nasal passages and sinuses which cause congestion and difficult breathing. And radiant electric heat is the same heat given off by the sun, its purifying rays reduce germs and viruses in your home.
- Their houses are heated economically.**
Check the houses pictured above and see how closely your heating bill comes to the house that resembles yours. With our Electric Radiant panels there's no wastage of heat up the chimney or in rooms you're not using, or in rooms you wish to keep cooler than others. You get the exact heat you want — when you want it — through individual thermostats that control the heat in each room. Then let us show you how much you can save with Electric Radiant Glassheat panels.
- Their houses have all the advantages of modern heating.**
All flames, burners, smoke and ash are completely eliminated. So are the heating equipment headaches for there is no noise; no fuel worries; no tank; pump or boiler repairs; no valves to leak or fans to burn out; no chimneys or air filters to clean; no damage from leaking pipes; no sludge; carbonizing, clogging jets, oil lines, or burner nozzles, no maintenance, repair or replacement ever!

Let us demonstrate how good Radiant Electric heat feels in a few minutes in your home. Then we will show you, without obligation of any kind, how much Glassheat panels can increase the comfort of your home and decrease the cost of heat compared with your present heating system. NOW 27 PANTRY PRIDE SUPERMARKETS IN THE METROPOLITAN AREA

On May 9, 1963, the first Metropolitan Area PANTRY PRIDE DISCOUNT SUPERMARKET opened in Hazlet, New Jersey with tremendous success. On that date, shoppers were introduced to "BUY POWER PRICING". Additional PANTRY PRIDE DISCOUNT SUPERMARKETS have opened in Parsippany, Newark, Bloomfield, Middletown, Wayne, Packanack Lake, Pequannock, New Brunswick and Ladewood, New Jersey.

In addition to these New Jersey stores PANTRY PRIDE DISCOUNT SUPERMARKETS are also located in Brooklyn (3), Staten Island (3), Fresh Meadows and Rockaway, New York and in Bridgeport (3), Fairfield (2), Stratford, Trumbull and Danbury, Connecticut.

Everyday of the week, thousands of shoppers in these PANTRY PRIDE DISCOUNT SUPERMARKETS are increasing the buying power of their food dollar . . . taking the guesswork out of food shopping and saving more at PANTRY PRIDE every day . . . any day.

Now, residents of Lyndhurst and surrounding communities can get more "BUY POWER" for their food budgets by shopping PANTRY PRIDE, the home of "BUY POWER PRICING."

Speaks At Meeting

Smith Says Commission Has Blocked Progress

(Continued from Page 1)

Commissioner Joseph McGreevy, who has been against the Library expansion for some time, indicated he felt there were "higher priorities" for expenditures in town.

Commissioner Mary Senatore said she had taken "an extensive survey" of residents and found them "overwhelming against" the expansion.

Commissioner Strumolo prefaced his NO vote by saying he had received many phone calls urging him to vote against the land acquisition. He also indicated he wanted the Library to work on a master plan for expansion first.

The only other YES vote

was registered by William Cullen, who did not comment on his ballot.

Commissioner Strumolo said after the meeting that he did not agree with the Mayor's statement that the present administration had done nothing since being in office.

Strumolo listed his accomplishments to include a new state aid program and a full-time health officer; free eye examinations; sugar diabetes check-ups and an increased rabies vaccination program. The commissioner also pointed out that he aided Belleville to be the first town in Essex County to complete that new Rubella vaccination

program. He also listed his successful rerouting of the number 37 bus from its path through the park to the more heavily used Belleville Avenue route.

Commissioner Senatore also denied the Mayor's charges, claiming "we've rebuilt the image of this town since we've been in office."

"If we've done nothing it's because we haven't presented to the people in town our proposals in a proper manner," Commissioner Senatore added.

She also said that if the "people wanted our proposals badly enough, they should have come to the meetings and voiced their approval."

Students Receive Academic Honors

Two Belleville students have received academic honors for the first semester at Boston College, Chestnut Hill, Mass.

Named from Belleville were Stephen G. Ferro of 26 Elena

Place and Richard A. Larios of 134 Rutgers Street. Both boys are members of the Class of 1972 at Boston. Ferro attends the College of Arts and Sciences and Larios attends the College of Business Administration.

(Continued from Page 1)

was vice president of the band.

Like Miss Maiorca, Martin was a member of the National Honor Society and a student council representative. He was also active in the Audio-Visual Aid Club, the Political Club and the Key Club. He was associate sports editor for the Spotlight.

Martin also attended numerous conventions for youth while at the high school, his most recent being the American Legion Boys State Convention. He also attended a National Science Foundation Mathematics training program at Rutgers University last summer. In addition, he was an Explorer Scout with the Clara Maass Memorial Hospital Post.

Edward Messner also led an active life at the high school. He was secretary of the Key Club and a representative to the Junior Senate. His activities included the Political Club and the Audio-Visual Aid Club.

Edward was also a student tutorer, and was IBM coordinator for the school. Headed for Stevens Institute of Technology, the

senior attended a computer programming course at that institution last summer.

The graduation program will begin with musical selections by the high school band under the direction of Robert Wing. The processional will ensue to the traditional tune of "Pomp and Chivalry."

Invocation will be offered by Rev. Frederick Long, followed by the saluting of the flag, which Steve Banda, senior class president, will lead.

After the honor students address the audience, Raymond Smith, principal of the high school, will present the Class of 1970 to Anthony Greco, Superintendent of schools.

The president of the Board of Education, Rocco Saletta, will then present diplomas to seniors with the aid of Board vice president Joseph Casale.

The school Alma mater will follow the presentations, with the senior members of the Baker's Dozen leading the singing.

Final Benediction will be offered by the Rev. John Mair.

Serving as announcer for

the ceremonies will be John Longo, president of the Student Government Association.

Class officers for this year's graduating seniors in addition to Steve Banda are Joseph Ritacco, vice president; Janet Chamberlain, secretary, and Alivia Shannon, treasurer.

Honor students for this year's class are, in alphabetical order: Michelle Anconon, William Ardill, Teresa Cerami, Joseph Civinski, June Couglin, Lyn Cyxopoliski, Geneva DeNoia, Linda Forgiore, Robert Forrest, Patricia Foselli, Martin Fuchs, Patrice Giamo, Sharon Halbert, Josephine Maioria and Debra McCool.

Students Earn Prizes

The Annual North Jersey Student Craftsman's Fair recently held at the Garden State Plaza in Paramus had six Belleville High School industrial arts students as winners.

Robert Scarola became the first B.H.S. student to win a "gold cup" for his outstanding walnut and maple cookie jar. His project gained him a first place and outstanding award in the wood turning division.

Ken Carlson also won a first place award for his excellent checkerboard cabinet entered in the general woodworking division.

John Resciniti was the third first place award winner. John entered an ink drawing of a pipe wrench in the vocational drafting division.

Two students in graphic arts, Dave Hackling and Vito DeFranza won honorable mention awards for their fine two-color silk-screen posters. Ed Duncley also won an honorable mention award for his scale model home in the architectural division.

The instructors for these students of industrial arts are: Jerome Weiss, woodworking; Ted S. Gabry, architectural drawing; Nicholas P. Grande and John J. Hyde, graphic arts.

Also on the list are Edward Messner, Edward Mocarski, Robert Molinaro, Mary Moore, Anthony Nocera, Damon Rovell, Dale Rudy, Linda Rudy, Alane Schreir, Ronald Schulz, Susan Simon, Wanda Springer, Steven Taffet, Gary Trainor, Paul Vaccari, Robin Zeiss and Barbara Zeller.

Class advisers are Herman Knuppel, Mrs. Joseph Cerami, Ralph Correll, Richard Graves, Miss Mary Herelick, Miss Mary Jamgochian, Miss Ann Schneider, Miss Ida Thomson and John Westlake.

Merchants Will Give Flags To Customers

Merchants will begin drawing tomorrow of winners in the Chamber of Commerce sponsored American Flag give-away.

The Chamber reports that 26 local businesses will take part in the free program, which will award 100 flag kits to customers who have filled out coupons in the stores.

The flag kits consist of a three by five foot flag, an aluminum pole, a brass eagle and a halyard and holder for

attachment to houses.

Stores which have promised to award two flags are Serafino Printing Company; The Glass Company, Abbotts Drug Store, Pauls Shoes, Sherman's Childrens Wear, Andrew Thomas Mens Store, Mary Dell Fashions, Edmars, Mae Moon, Belleville Rosary, Louaires Mens Shop, Tannens Shoes, Frans Martinizing, Pariso Bros Furniture Store, Milts Photos, Kondreck Photographers, Mead Ford Agency, Newark Light Company, Pathmark Market, Charles Jewelers.

Karls Sales and Service has promised to give away four flags and Terry Shops five.

Jolly Cleaners will award 20 kits.

Police Numbers Listed

Residents with information concerning illegal gambling or narcotics abuse in Belleville are asked to call two private phone numbers at the Belleville Police station.

Acting Deputy Police Chief Frank Haight, who is in charge of the detective bureau, requests residents to call either 759-3720 or 759-4604.

Haight said all conversations will be confidential.

Students Attack Pollution Woes

by Joseph Lipani
seventh grade

On Saturday May 2, a group of students from Mr. Dobrow's 7F Science class went to an empty lot on Belhmer Street and cleaned it. There was a lot of debris in the lot. Some of the debris was tin cans, wood, paper, metal, glass etc. It took about two hours to clean it.

There were some other groups from Mr. Debrow's class that cleaned up the Third River.

The class did some other things for the prevention of pollution like a poster contest, tests on water from different rivers, etc. We also put a Gold Fish and a plant in a fishbowl with water from the Hackensack River. The fish stayed alive but the plant started to die.

The students that participated in cleaning up the lot were Aida Stefanelli, Gwen Nicolle, Carol Fitzsimmons, Roberta Harlow, Nevette Stefanelli, Paul Maddalina, Greg Olson, Joseph Lipani and Alex Irudi.

Replacing Doors Will Cost \$560

Doors Incorporated, a Hillside firm, was awarded a \$560 order from the Belleville School board last week for replacing and installing four overhead garage doors in the Plant Building.

One way to make the draft popular would be to give everyone a general's pay.

At Rider College

Students To Represent Legion At Boys State

by John McCarthy

Three Belleville High School boys have been selected by American Legion Post 105 to represent Belleville at the 25th annual Boys State to be held at Rider College June 21-27. The three, Tom Jones, Charles Ziegler, and John McCarthy attended an orientation meeting this past Friday night in Irvington.

At the meeting Dr. Howard Shapiro, Essex County Commander informed the delegates that Boys State is a part of the "Americanization Program" of the Legion. This program also includes the oratorical contest; a safety contest; various Boy Scout Troops, and the junior baseball league.

In Dr. Shapiro's words, Boys State is "an attempt to give each (of the boys) a greater insight into the workings of government." To point out the patriotism instilled into Boys State delegates, Shapiro mentioned that 25-30% of the service academy entrants are past Boys State delegates.

Past County Commander

John Garrity of Post 395 Vailsburg was the next speaker. Garrity said that the "purpose is to indoctrinate you into being better citizens," and pointed out that Boys State is a voluntary effort on the part of the boys and therefore all the more effective.

Before introducing the next speaker, Shapiro told the boys present that the boys will be matched with New Jersey boys that they have never met, and will be members of the opposite

party (either Nationalist or Federalist) in an attempt to get the boys to learn how to influence one another.

The final speaker, Robin Winter of Livingston, was this past year's Boys State governor, and gave the boys a detailed insight into the actual procedures for the week.

Winter's descriptions ranged from the time to check-in at the Rider Gym to the final commencement exercises, and included the method of election used at the model state.

Water Cooler Gets Okay From Board

A \$349 water cooler was ordered last week by the Belleville Board of Education for use in administrative offices.

The local board awarded the purchase on low quotation to Keer Electrical Supply company.

Paint Contract Set By School Board

Yudin's of Belleville has received a \$1,971 contract from the local school board for paint for the maintenance department during the 1970-71 school year.

Successful Year For Service Club

The Belleville High School Key Club can look back upon 1969-1970 as a successful club year. Through the efforts of Robert Molinaro, club president; Joe Ritacco, vice president; Ed Messner, secretary and treasurer Steven Taffet the Key Club has been moving steadily forward. To express the vigor of this year's club, club director, Herman Knuppel stated last September that this year's club had the best start of any Key Club at Belleville High School.

In March the Key Club sponsored its first school dance ever. The purpose of the dance was to raise money to purchase basketball courts which will soon be erected on the high school parking lot. Members of the club were responsible for maintenance of the bus shelters on Franklin Avenue near School Ten and Clara Maass Hospital. Each key clubber participated on a regular weekly scheduled

basis, by cleaning and maintaining his assigned shelter.

During March the Key Club held an Easter party for the children at the Country Children's Shelter, in Belleville.

At TB chest X-ray centers key clubbers served as receptionists. During Thanksgiving time the Key Club with the National Honor Society sponsored a food drive to collect food for needy families. At Christmas time the club had a fund-raising drive.

Within the school the club performed various functions. Some members tutored other students, giving up their study periods on a voluntary basis. At conferences and winter sports events key clubbers ushered, either helping parents, or being of aid in any way needed.

This year the Belleville club was rated number one in their division, with the pleasure of beating out rival Nutley. The club also ranked in the state standings.

Next year's club president, Frank Marano, hopes to carry the club's tradition of service, leadership, citizenship, and scholarship through the year.

Goscinski Sparks Win

Power-Packed Legion Nine Meets Montclair Tomorrow

by John McCarthy

Belleville's highly potent Legionnaires travel to Montclair tomorrow for a 6 p.m. match-up.

John Goscinski, an All-Stater for the high school last year, doubled in the bottom of the fifth Monday

to put the Belleville American Legion Post 105 squad ahead 4-3 and sparked the team to an opening game victory against East Orange, 10-4. Danny Dunn picked up the win, pitching 4 2/3 innings of relief ball.

The Legion nine has a powerful lineup, headed by

Goscinski, who was ineligible for the high school squad this year. The third basemen forced sophomore sensation Frank Petite from his usual post at the hot corner, to left field. Petite had an amazing first season with the Belleville varsity, hitting .449. He is hoping for a spot on a post

season all-star team.

Also packing power into the lineup is junior Joe Papasidero, who batted .386 this season for the high school varsity and is also waiting for selection of the daily papers all-star teams.

Powerful slugging is also expected from catcher and

team captain Joe Vitiello, and from Joe Ritacco.

Goscinski's double came when the ballgame was all tied up, 3-3, with pitcher Dunn on and sophomore Frank Petite on first. Dunn scored on the double to left field, and Petite moved to third where he scored on a balk by EO's Craig Webber. East Orange got off to a quick lead in the top of the first inning. With a single, an error, a fielder's choice, and a walk by Belleville starter Bill Haines, E-O scored their first run.

Belleville tied it in the bottom of the first. Pete Remondella walked, but was thrown out when Joe Ritacco hit into a fielder's choice. On a booted attempt for a double play, Joe went to second on an error by the EO first baseman. Soph star Frank Petite then singled into left field, and Joe went to third, and later scored as the EO leftfielder raced past the ball with out picking it up, and Petite ended up on third.

EO went ahead again 2-1 in the second inning on a walk by Chipper Haines, and a misjudged ball to right field that ended up as a triple.

In the third, Belleville took the lead, 3-2. Haines opened the inning with a single, and went to second on a walk to Remondella. Haines was caught at third as Ritacco hit into another fielder's choice.

Remondella scored on a fielder's choice by Petite, and Ritacco was safe at second on an error by the secondbaseman. Goscinski hit into the third fielder's choice in a row, this one unassisted by the secondbaseman, and Ritacco scored on the play.

East Orange came up with another run in the sixth, but Belleville scored five insurance runs in the bottom of the inning. The final tallies came on a triple by Soupy Campbell, a single by Joe Papasidero, walks to Dunn and Charles Ziegler, a double by Ritacco and a single by Goscinski.

LEGION LINES -- Joe Papasidero didn't start against EO due to a sprained thumb from playing basketball... He was replaced by freshman Alan Frank, a .350 hitter... John Goscinski will probably be watched this season by scouts from Baltimore. One Oriole scout approached Charlie Travers (BHS baseball coach) at the Belleville-Bloomfield game and asked about Johnny. John only played one year of varsity baseball, as a junior, and made all-county, and all-state Group IV.... Ray "Soupy" Campbell wasn't around for the '70 BHS baseball season,—he transfered to The Carteret School in West Orange—where he played basketball and baseball.

Cowgirls Defeat Bellgirls

After beating Irvington in the opening game of the season, Belleville's girls softball team dropped its next two games. The first against Highland Park was a tight one 18-17, and the second a runaway, 16-7, against West Orange.

Martha "Marty" Peldunas lead the Bellgirls overall attack against West Orange she went 2-4 with two singles, a pop out, and reached first once on an error.

Marty's single in the bottom of the first inning drove Denise Espiritu across the player for the first Bellgirl run. Marty's next time reaching first, on the error, started the third inning off to three runs, which proved to be the highest scoring

SLUGGERS — Belleville baseball fans are debating just who is the better third basemen, John Goscinski (left) or Frank Petite, right. Goscinski, an All-Stater last year for the high school was ineligible this year, and his third base spot went to sophomore Petite, who hit .449. Goscinski is currently on third for the Legion, while Petite is stationed in left.

Sports Corner

By John McCarthy

Ken Broo - Editor And Lettermen At Essex

Ken Broo, the sports editor of the Essex Catholic "Eagle", graduates this Sunday from Essex Catholic High School in Newark, where he not only has served as a writer on the "Eagle" for three years, but has lettered twice in hockey. Ken is a resident of Belleville who plans to attend Ohio University this fall to study broadcasting.

Last year Broo played on Essex's hockey team which in its first year of existence had a fantastic 13-3-1 record.

Broo shared the goalie's duties with Mike Gallegher also of Belleville. The team's average goals scored per game for the year was 5.4 as compared to half that number (2.7) for the opposition.

Broo attributes the team's success to the fact that they had Danny Cassidy on the team. Danny was the best amateur player in the state, but didn't go out for Essex's team this year since he signed with the Essex Comets, a semi-pro team in the Metropolitan Junior Hockey League.

This year's hockey team didn't fare as well as it put together a 6-12 season. Broo shared the goalie's duty this time with another Bellevilleite, Nick Grosch. Broo's best game of the season came against Morristown Prep, when the Eagles won 11-1.

The sports editor insists that credit for winning the game should go to the other members of the team for their fine skating and shooting rather than his defending. The team had just come off its first victory over Montclair Academy after losing eight straight, and scored in the first minute of play.

Credit Must Also Go To The Goalie

While all this is so, some credit must go to the goalie. Broo blocked 13 of the Morristown shots, and the only one to get in came when Morristown had a two on one situation, took two shots and caught Broo out of position on the third.

Hockey may be the senior's major sport, but its not his only one. Broo also served as a back up goalie for the lacross squad. Broo sees an important difference between the two positions saying that in hockey you can catch the puck and control it, whereas in lacross, the goalie has only about four seconds to get rid of the ball.

Ohio University Is The Next Stop

Broo is sure that he is going to Ohio University in Athens, Ohio, and plans to study broadcasting either to be a newscaster or a sportscaster. In high school Ken got some experience, as the PA announcer for EC's football games at School's Stadium in Newark, and at few of the varsity basketball games.

In college, Ken looks forward to broadcasting on one of the school's two radio stations. If he doesn't get to play on the Ohio U. hockey team, he figures on covering it for one of the stations, and maybe even having a chance to do his own show. Ohio University's freshman hockey team has been undefeated for three years, and the varsity this year became Mid- Western Conference Champions.

As a writer, the sports editor has stuck mostly to sports, and has his own column in the "Eagle" titled "Sportlights". He's also done a few feature articles, such as the one in the May '70 "Eagle" on Gene Sheppard of WOR radio. Ken learned the ropes of writing in what is probably the best possible way.

As a soph, the newspaper's advisor John M. King gave him a few basic instructions on how to organize the "lead", and then follow it from there, but since then he's been writing on his own, and adopting his own style. Besides going out for hockey, and trying for an announcing job, Ken will sign up for the University's paper, because he believes, "Just seeing what you've written in print is tremendous."

COMING IN — Belleville's Danny Dunn comes flying in to third base as East Orange Panther catches ball. Dunn was safe, and later went on to score two runs and pick up the victory on the pitcher's mound.

John Goscinski Returns

IN VAIN — John Goscinski, who was an All-State third basemen for the Belleville High School varsity last year, makes a valiant stab at ground ball. Goscinski is counted on this year to spark the American Legion Post 105.

LEAPING HIGH — Goscinski leaps high as East Orange runner scrambles back to third base. The All-Stater sparked the Legion 105 Post with his hitting and slick fielding as he returned to the Belleville baseball diamond.

Greg Petite's No-Hitter Highlights Little League

A no-hitter by Greg Petite of the Lions Club was the highlight of the Belleville Little League week.

Petite shut out the FMBA, 7-0 with a total of 15 strikeouts to his credit.

Also highlighting the week was two home runs by

Wallace and Tiernan slugger, Vince DeNotaris.

Tight races characterize both divisions of the Belleville Little League.

Last year's champion Amvets with a 5-1 record are holding a slim first place lead in the National League, with

the Lions Club and the PBA breathing hard down their backs with 4-2 records.

The Lions have been surging lately under coach John Marzella and manager Anthony Randazzo. Strong pitching by Greg Petite and Bobby Giordano have placed

the Lions in contention for the first half lead.

PBA manager George Lister has also been getting some fine pitching, this time from John Guarino and Mike Cancellier.

In the American League, an undefeated Wallace and Tiernan club (5-0) can't rest easy because the red-hot Colony Club (5-1) is only a half game behind.

Giordano Tops Frosh

Season statistics were released recently for the 1970 freshman team by George Zanfini, team coach. These figures show how the frosh achieved a 13-1 season.

Rich Giordano led the frosh in batting as he went 18-39 for a .462 average. Giordano scored 14 times, got five doubles and two triples. He

also walked eight times and stole seven bases.

Alan Frank proved to be the best Frost baserunner, as he heisted 12 bases. Frank also had a 3-1 pitching record and a .350 average.

Rich Contenni led the pitching staff with a 0.27 ERA in 26 innings while compiling a 5-0 record. Tom Cosgrove also had a 5-0

season with a 1.58 ERA in 31 innings. Cosgrove also led the team in number of strikeout victims with 43 of the teams 125.

Frank Papasidero led the team in home runs with two. Both of the homers by "Little Paps" came in the last game against Irvington in a 22-0 shutout. One of Paps' homers was a grand slam.

The unbeaten squad is sparked by the hitting of Hugh Mallack, George Gorbenko, Vincent DeNotaris and Ronald Spagnulo. Tiernan Coach Nyles Monaco and manager Frank Verian have received top flight pitching from Mallack and John McEvoy. Colony's only

WEDDINGS AND ENGAGEMENTS IN SOCIAL SPOTLIGHT

Mr. and Mrs. Everett Tarn Honeymoon In Miami Beach

Mrs. Everett Tarn - nee Linda Fasso

St. Cecilia's Church, Iselin, was the setting May 16 for the marriage of Miss Linda Ann Fasso, daughter of Mr. and Mrs. Vincent J. Fasso of 753 Mill Street, Belleville to Everett Philip Tarn, son of Mr. and Mrs. Everett Tarn of Metuchen.

The Rev. J. Gerrity performed the ceremony. A reception was held at The Post Inn, Iselin.

Escorted by her father, the bride wore a silk organza and Chantilly lace gown with bell sleeves. A matching headpiece held her elbow length veil and she carried a heart shaped bouquet of cymbidiums and pom poms.

Mrs. Nancy Hobbs of Clark, sister of the groom, was matron of honor. Bridesmaids were Miss Renee Sawicki of Nutley and the couple's sisters, Mrs. Shirley Sedlak of Avenel and Mrs. Francis Lynn of Woodbridge. Junior bridesmaids were Joanne and Kathleen Fasso of Belleville and Miss Kathleen Tarn of Metuchen. Nancy Fasso of Belleville was flower girl.

They wore georgette gowns in rainbow colors and carried umbrellas trimmed in pompoms, carnations, mums and daisies.

European Tour With Orchestra For Local Girl

Elissa Mauriello, daughter of Mr. and Mrs. A.J. Mauriello of 68 Newark Place, Belleville, will leave for Europe with the Susquehanna University's Symphonic Band and Concert choir June 22.

Miss Mauriello will play the piano for the band and sing soprano for the choir on the group's 30-day tour through parts of England, France, Italy, Switzerland and Germany. She is a junior at Susquehanna.

Mrs. Frank Pomaco - nee Olga Matthews

Pomaco-Matthews Wedding Is Held

Miss Olga Matthews, daughter of Mr. and Mrs. John Matthews of 442 Union Avenue was married May 30 to Frank Pomaco, son of Mr. and Mrs. Vito Pomaco of 47 Emmet Street.

The ceremony was performed by The Rev. James A. Aloupis in St. Nicholas Greek Orthodox Church. A reception followed at Wayne Manor, Wayne.

Given in marriage by her father, the bride wore a silk organza gown fashioned with short puffy sleeves and appliqued with lace down the front and around the collar and sleeves. A train was attached at the waist.

A Camelot headpiece held her elbow length veil and she carried a basket of white roses.

Miss Barbara Matthews of Belleville was her sister's maid of honor. Bridesmaids included another sister, Mrs. Elaine Turken of Belleville, the groom's sister, Miss Kathy Pomaco of Belleville, Miss Elaine Vlastaras of Edison and Miss Mary Ann Valvano, Miss Marie Sprella, Miss Linda Silvestri and Miss Gail Lockhart of Belleville.

They wore lavender gowns with Tom Jones sleeves and empire waists. Headpieces were matching bonnets and they carried parasols.

Gerald Longo of Belleville was best man. Ushers were James Matthews, brother of the bride, Frank Zinna, Louis Raniero, Joseph DelGuercio, Robert Turken, Richard Benecchi and Robert DeFranza, all of Belleville.

Mrs. Matthews chose a green chiffon gown with gold beading around the neck and sleeves. The groom's mother wore a yellow gown and both had corsages of white orchids.

Junior High Class Groups Visit Capitol

The civics and world geography classes of Belleville Junior High School went on a trip to Washington D.C. on May 21.

In the trip to the Capitol building they met Congressman Peter Rodino and were given an opportunity to sit in on the Senate and House of Representatives while they were in session.

The classes also went to Arlington Cemetery where they watched the changing of the guard at the Tomb of the Unknown Soldier and visited the Kennedy gravesite.

At night they saw the two Jima monument and then proceeded to leave the city. They arrived back at the school at 11:45 p.m.

Teachers Mr. and Mrs. Pat Forte and Mr. and Mrs. Michael Early were responsible for taking the classes on such an educational trip.

Most people get a terrific shock when they see what the camera does to their "beauty."

TAKE CHILDREN TO THE DENTIST EARLY

It is a natural reaction of young and old alike to be afraid of the unknown. Once exposed to a situation this fear will most often diminish or disappear altogether.

At about three years of age, it is a good idea to take your child on a "visit" with you to the dentist. Try to make it when you are just scheduled for a checkup or cleaning rather than some work. Your dentist will let the child sit in the chair for a few moments. Then, when you take the child for his first examination he will have much less fear. Discuss this with your dentist beforehand.

FOOD FOR THOUGHT

By Howie Halpern

No more teachers, no more books... and when the kids get together to celebrate, provide grated cheddar to toss with the piping hot French fries.

Add chopped fresh or dried fennel to white sauce and serve over boiled or baked fish.

Menu note: Nioaise dishes, or those originating in Nice, almost always feature tomatoes and a flavoring of garlic.

A wise man once wrote of coffee: "Voluptuous berry! Where may mortals find nectars divine that can with thee compare, when having dined, we sip thy essence rare and feel towards wit and repartee inclined?"

Sharon Elizabeth O'Connor Married To Frank Mineo

Mrs. Frank Mineo - nee Sharon O'Connor

Miss Sharon Elizabeth O'Connor, daughter of Mrs. Gertrude O'Connor of Montclair and the late Mr. O'Connor became the bride June 6 of Frank D. Mineo, son of Mr. and Mrs. Sal Mineo of 73 Nolton Street.

The nuptial mass was celebrated in Immaculate Conception Church, Montclair, by the Rev. Cooper. A reception was held at The Manor, West Orange.

Escorted by her uncle, Harold Smith, the bride wore a gown of silk organza over taffeta with a bodice of Alencon lace. A chapel length train was also trimmed in lace.

A lace mantilla complemented the gown and she carried an old fashioned bouquet of white and blue tea roses, stephanotis and babies breath.

Miss Frances Bardi of Montclair was maid of honor. Bridesmaids were Miss Linda Coppola of Union and the bride's cousin, Mrs. Douglas Stephanie of Nutley. Junior bridesmaids were the bride's niece, Colleen Brady of Wayne and her cousin, Cathey O'Connell of Livingston.

They were attired in turquoise chiffon gowns trimmed with white lace. Turquoise ribbons were worn in their hair and they carried white floppy hats formed into baskets and filled with white miniature carnations and yellow snapdragons.

Carmen Mineo of Belleville served his brother as best man. Ushers were another brother, Sal Mineo and John Ukson of Belleville. Junior usher was the bride's nephew, Kevin Brady of Wayne.

Mrs. O'Connor chose a pale blue street length dress of silk worsted appliqued with French lace and topped with a matching lace coat. She wore a white gardenia wrist corsage. The groom's mother was in a pink brocade dress with pearl trimming. She wore a wrist corsage of white orchids.

Mrs. Mineo is a graduate of Montclair High School and Barbizon School of Modeling, New York.

Mr. Mineo, an alumnus of Belleville High School and Rider College, is a sales representative with National Cash Register.

The couple will make their home in Montclair following a honeymoon in Bermuda and the Bahamas.

Lehigh University Says It Will Go Coed In '71

Beginning in September, 1971, Lehigh University will become coeducational at the undergraduate level by admitting women for the first time since 1865.

Approval of the action announced here by M.J. Rathbone, president of the Lehigh trustees. Mr. Rathbone, a Lehigh alumnus, is retired chairman of the board of Standard Oil (NJ).

Enrollment in Lehigh's undergraduate colleges of Engineering, Arts and Science, and Business and Economics has remained all male for the past 105 years. Women, however, have been admitted to Lehigh's Graduate School, School of Education, and Summer Sessions, beginning in 1918.

SOCIAL AND CLUB NEWS OF COMMUNITY INTEREST

BELLEVILLE TRUSTEES — Dr. Gallo, newly appointed medical director of the North Essex Child Guidance Clinic, meets with the Belleville members of the Board of Trustees. Shown from left are Dr. Gallo, Mrs. William Taffet, Mrs. Anne Robinson, Mrs. Marie Milano and standing, Mr. Ralph Casale and Mrs. Joseph Grosch. Mrs. Charles Bukunus was absent when the picture was taken.

Medical Director Appointed For Child Guidance Clinic

The Board of Trustees of the North Essex Child Guidance Clinic is pleased to announce the appointment of Delia Montes-Gallo, M.D. as the new Medical Director of the Clinic which serves Bloomfield, Belleville, Nutley and Glen Ridge.

Dr. Gallo, a native of Argentina, was a pediatrician for seven years with a special interest in pediatric research before becoming a psychiatrist. She was graduated from the University of Buenos Aires Medical School, and had a series of research and teaching fellowships in pediatrics in Germany, Finland and Sweden before coming to the United States in 1963. Here, she had a pediatric internship in the Magee Hospital of the University of Pittsburgh Medical School before deciding to turn to psychiatry.

Her psychiatric training in general psychiatry was at Western Reserve University, Cleveland, Ohio and in child psychiatry at Judge Baker Guidance Center, Boston, Massachusetts. Before coming to the clinic, Dr. Gallo was an instructor in psychiatry at the University of Texas South Western Medical School at Dallas.

While she was in Boston, Dr. Gallo took elective work in community psychiatry and is an exponent of the value of getting to the child early, with a program of prevention. "The drug problem which is surfacing now in suburbia," says Dr. Gallo, "is complex. However, we have every reason to believe that this symptom, like others brought to the clinic by its young patients, would have been less wide spread if a preventive program of good mental health had reached these youngsters in early childhood.

"Schools, churches, family agencies, Public Health nurses, recreation programs, for example, all have valuable contributions to make to the improved mental health of the children they serve. In a cooperative relationship with the psychiatrically-trained professionals at the clinic these community 'gatekeepers', could expand the healthful influence of the clinic immeasurably.

"The pressure of numbers of patients, as well as the severity of their problems, overtax the existing clinic facilities and re-emphasize the necessity for prevention for the many, as well as treatment for the few."

Mrs. Ann Robinson Elected to Clinic Board

Peter Manetto, president of the Board of Trustees of the North Essex Child Guidance Clinic announces the election of Mrs. Ann Robinson, of Belleville as a Board member.

Mrs. Robinson of 123 Stephen Street, a native of Brooklyn, New York, has been a resident of Belleville since 1961. Her interest in children goes back to her college days when she prepared herself to be a teacher at Hunter and Brooklyn Colleges. She earned her Bachelor of Arts degree from Brooklyn and has taken graduate courses at Bank Street College and Newark State.

In addition to the practical experience which comes from being the mother of three children, Mrs. Robinson has taught in nursery school in New York City and is presently employed with the Newark Pre-School Council as an area supervisor. This organization sponsors a full year head-start program. The value of reaching out into the community to start a relationship with young children and their families is well-known to Mrs. Robinson.

In relating her work to her new interest at the clinic, Mrs. Robinson said, "Any effective program, in mental health as well as in education, to be meaningful, must include involvement of the total community". Mrs. Ruth Cowell, executive director of the clinic, added, "It is this community involvement which gives the broad base to a clinic program of prevention which is so essential today."

Mrs. Robinson's experience will be invaluable as the Board of Trustees deliberates on the policy questions of prevention and treatment as twin goals of a community clinic. The problems in Belleville, as well as in Nutley, Bloomfield and Glen Ridge, the other three towns served by the clinic, point up the necessity for reaching children early. Through consultation, the clinic can help teachers, guidance counselors, nurses and ministers reach the children before their problems become so deep that they need the intensive professional help of the psychiatrists, psychologists, psychiatric social workers and clinical specialists in psychiatric nursing who comprise the clinic staff.

Girl Scout Camp Declares
Opening of Fourth Period
Camp Eagle Island, a
resident camp of the Girl
Scout Council of Greater
Essex County in Saranac
Lake, New York, has opened
its fourth period, August
6-19, to junior high school
girls.
Originally scheduled
exclusively for high school
coed camping, the final
session has been expanded to
include girls (scouts and non
scouts) in 7th through 12th
grades. According to
Catharine Davis, program
services director, the coed
project will continue as
planned as a separate
operation. The coed project
remains open to high school
boys and girls and includes
sailing swimming.

Olga KNOWS

Your Weekly HOROSCOPE
June 11 thru June 17, 1970

ARIES (March 21-April 19): You would be wise in
week ahead, Ari, to have, as the British say, a contin-
gency reserve. For life is full of contingencies. Do not
rely on chance to get you thru. You know the old gag
about the best laid schemes of mice and men aft gangling
a-gley.
TAURUS (April 20-May 20): Week coming up a
goodie, Taurus my sweet. Full of surprises, fun and laugh-
ter. You should experience unusual joie de vivre. You
may seem to have a setback on the third day, but it
will only be temporary, so press on. Trust Olga.
GEMINI (May 21-June 20): Good week financially,
Gem. Make the most of any situation which should arise.
Do not act in haste, but do not shilly-shally either. You
should hear from one far away before week is over. On
last day of week love and duty may vie for your atten-
tion. With your split personality you'll be able to handle
both. And with flair.
CANCER (June 21-July 22): Don't allow the vicis-
situdes of life to throw you for a loop, Moonchild. Tem-
ptation will be great to brood. If you do, you brood alone,
for nothing is more depressing than to be around a Moon-
baby when things are out of joint. Laugh it up if it kills
you. Which of course it won't.
LEO (July 23-August 22): After past week anything
that happens just has to be an improvement. If you minded
old Olga last week and kept the situation from going
completely to pot, then by second day of coming week
you will experience new vitality and events should take
an upward swing. Careerwise as well as personal affairs.
VIRGO (August 23-September 22): Want to do
something naughty Virg? Like go fishing when you should
mow the lawn? Or go galavanting when you really
should iron? Week to break old patterns. You've been
so beastly good lately that you owe yourself a change
of pace. If mate or partner should object, just tell them
old Olga gave you written permission.
LIBRA (September 23-October 22): Daily associates
may drive you mad by tiresome circumlocutions. Best way
to deal is simply to tune them out. They won't even be
aware that you're not listening, so why suffer? Last three
days of week are days for pleasure. Name it. It's yours.
SCORPIO (October 23-November 21): Favor will
be asked of you in week ahead, Scorp. It will be difficult
for you, but Olga suggests you refuse. But please make
an effort to do so with grace. On last day of week ponder
your motives concerning plans which call for dramatic
change. Hold Scorp at arm's length and look Scorp
straight in the old bloodshot eye-----EEEEK!
SAGITTARIUS (November 22-December 21): Good
week coming up Sag. Good for advancing your career and
for rolling over in the clover. But for Pete's sake stay out
of the briar patch.
CAPRICORN (December 22-January 19): Cap is
going to have to do some soul-searching in week ahead.
Concerning the "grand design," and all that. Why not
share your concern with one whom you trust? A late
Taurus would be a likely listener. Maybe more than likely.
Maybe lovely. You'll never know if you don't make
contact.
AQUARIUS (January 20-February 18): Good grief,
Aquarius, at last you are about to have a decent week.
And it's about time. First two weeks are for swinging.
Two and fro. Rest of week for resting. Recuperating.
Planning. Scheming. Plotting.
PISCES (February 19-March 20): Unseen forces at
work on your behalf, Pisces baby. You should reap the
reward before week is over. Money will probably be in-
volved. But don't spend it all on foolishness. Rathole a
mite. On last day of week try to contact old pal.

Refresher Course
For Car Drivers
Set Up by State

The New Jersey Division of
Motor Vehicles is accelerating
its efforts to promote
modernization of driving
techniques for drivers who
have failed to keep pace with
today's high speed and
expressway driving.
The Bureau of Safety
Education is offering an
"Adult Driver Refresher
Course" to any group -
independent or organized -
in the state. They are
interested in presenting the
program to retirees,
executives, businessmen,
industrial workers, as well as
social and civic and fraternal
organizations.
The course is especially
targeted for the drivers whose
reflexes have slowed, and
vision has dimmed, and
whose grasp of the law needs
refreshing.
A group of highly qualified
highway safety repre-
sentatives conduct the
program, which is composed
of four sessions. The program
consists of a lecture, the
showing of a safety film, plus
a question and answer period.
It embraces topics on driving
and motor vehicle laws,
physical laws of motion and
the automobile, expressway
driving, and the pedestrian
and the driver.
Upon completing the
course, the participants
receive a certificate from the
State of New Jersey signed by
the director of the Division of
Motor Vehicles. They are also
given traffic safety kits
containing a driver manual,
safety charts and traffic

For This Weekend

Essex Film Club Sets Final Shows

For its final show of this season the Essex Film Club will screen two of the better known programs on Saturday and Sunday that were the "bread-and-butter" fare of movie-goers in the days of the silents.

The first film is the earliest available King Vidor film, which showed all of the promise that was to come later in the big masterpieces. "THE JACK KNIFE MAN" was taken from the story of a loveable old man by Ellis Parker Butler and was produced and directed by Vidor in 1920.

The director's wife, Florence Vidor, is also in the cast headed by Fred Turner as Peter Lane, "the jack knife man", who turns out

beautifully carved toys for his young friends and who adopts a young boy, left by his ailing mother on the old gentleman's house boat. Butler's story is a kind of amalgamation of Mark Twain and D. W. Griffith.

The other silent film to be shown on the same bill is "The Girl in the Pullman", a comedy produced by DeMille Pictures in 1927. It stars Harrison Ford and Marie Prevost and winds up with a runaway train that is nearly wrecked. Stuart Oderman will play his piano score to accompany both of these silent films.

A short comedy of the early days of sound rounds out the program. It's called "Hail, Brother" and features

Billy Gilbert; it was made in 1935.

This last show of this season will be given on Saturday and Sunday June 13 and 14. At the Essex Film Club, 263 Harrison Street in Nutley. The Saturday screening begins at 8:30; Sunday film performance at 7:30. The shows resume in the fall on September 12.

Advertising Club Elects New Jersey President

Richard A. Cross of Montclair, has been elected president of the Advertising Club of New Jersey.

Cross is director of advertising for Public Service Electric and Gas Company.

Pantry Pride In Lyndhurst Opens Soon

Discount prices on thousands of quality food products and oven-fresh goods will be accentuated with next Tuesday's opening of the ultra modern Pantry Pride supermarket at Riverside and Kingsland Avenues, Lyndhurst.

Store manager is Philip Picillo, a 21-year veteran employee of Food Fair Stores, Inc., operators of the Pantry Pride supermarkets. He formerly managed a Pantry Pride supermarket at Prospect Avenue and Tiphany Boulevard in Newark.

In addition to discount merchandising and in-store baked goods, the new Pantry Pride market will feature a spacious sales and display area of 22,000 square feet, including an "old fashioned service" delicatessen, an extensive patent drug and cosmetics department, a large housewares department, and a full-service seafood department.

Fifteen checkout counters will provide speedy service, and a parcel pick-up service will also be an added customer convenience. There will be parking for 280 automobiles.

Pantry Pride stores will now be serving more than 20 metropolitan New York, New Jersey and Connecticut communities.

Bobby Sherman's Curtain Call Set Half-Hour Earlier

Curtain time for the Bobby Sherman show at the Garden State Arts Center tomorrow will be at 8 p.m. The program, which features the Nitty Gritty Dirt Band, will commence a half hour earlier than other Friday evening performances at the Arts Center on the Garden State Parkway because many of Sherman's fans are pre-teens who cannot stay out very late.

Ordinarily the curtain at the Arts Center rises at 8:30 p.m. Monday through Thursday and 9 p.m. Friday and Saturday.

Over 500 Delegates Set For Bankers Convention

More than 500 delegates, speakers and guests plan to attend the 62nd Annual Conference of the Savings Banks' Association of New Jersey, June 26 - 27. The two-day meeting of the \$3 billion savings banking industry is being held in Spring Lake.

CONFERENCE — David Holzhauer, soloist, confers with Frederick Trunk, who will accompany him on the organ at an evening of gospel music at the Belleville Reformed Church Saturday, June 20. The concert is being presented by the Metropolitan Organ Club. Trunk is club president and Holzhauer is organist and choir director of the church.

Organ Club To Present Gospel Music Concert

The Metropolitan Organ Club will present an evening of gospel music at the Belleville Reformed Church, corner of Main and Rutgers Streets, Belleville, on Saturday June 20, at 7:30 p.m.

The soloist will be David Holzhauer, organist and choir

director of the church, who is an outstanding gospel singer. Frederick Trunk, club president, will accompany Holzhauer on the organ. Trunk is organist at Bethel Assembly of God, Newark.

Rita Smith of Nutley, Luella Hill of Cedar Grove, Jemima

Small of Upper Montclair and Ada Wittik of Kearny will act as hostesses for the club.

The public is cordially invited to attend this meeting. Light refreshments will be served immediately following the program.

Versatile Singer In "Apple Tree"

Dorothy Collins, the pert and pretty vocalist of TV's Your Hit Parade Fame, is starring in "The Apple Tree" at the Meadowbrook Theater Restaurant in Cedar Grove, through June 28.

A native of Windsor, Ont., Miss Collins has probably been seen and heard by more Americans than any other TV star in the business. As a featured star of Your Hit Parade, she was a welcome visitor each week in millions of American homes on both radio and TV.

More recently TV viewers have seen her performances on Candid Camera. She has acted the role of everything from a department store dummy to a bewildered bride on her honeymoon, to the driver of an automobile without an engine, which proved to be one of the all-time comic highlights of

this program. Many fans are seeing Dorothy in a new light — a gracious hostess, a fine actress, a talented comedienne, as well as an outstanding vocalist.

Some of the top network TV programs on which she has appeared with regularity as a guest artist are, The Hollywood Palace, Danny Kaye Show, Perry Como Show, Bell Telephone Hour, Gary Moore Show, Password, Mike Douglas and Merv Griffin Show.

The versatile Miss Collins has become much in demand as a musical comedy star and night club entertainer, as well as being sought after for TV appearances. Setting records throughout the nation, she has portrayed the lead roles in "Carousel," "South Pacific," "Brigadoon," "Unsinkable Molly Brown," "My Fair Lady," "Sound of

Music," "Annie Get Your Gun" and "Do I Hear a Waltz," among others.

In addition, her night club engagements read like a Who's Who of the top nighties, including Thunderbird, Las Vegas; Moulin Rouge, Hollywood; Harrah's Club, Lake Tahoe; Coconut Grove, Los Angeles and Copacabana in New York.

She has also recorded a formidable list of best selling recordings.

She is married to singer-actor Ron Holgate.

John R. Cancelosi Gets NCE Honors

John P. Cancelosi, son of Mr. and Mrs. James Cancelosi of 10 Celia Terrace, Belleville, has been placed on the Dean's List at Newark College of Engineering. A freshman, he graduated from Belleville High School in 1969.

A few honors can sometimes start a big expansion of the cranium.
