## Marotti To Make Run For The Commission: Confirms Candidacy

Michael Marotti, longtime Belleville juvenile detective, announced last night his candidacy for the commission election in May. Marotti made public his decision to a large group of supporters assembled in the Amvet Hall on Newark Avenue.

The Belleville detective was reportedly drafted into running for a commission spot after he received petitions totaling over 4,000 signatures calling for him to enter public life.

"My background in working with the youngsters of the community coupled with the current opening in the Recreation Department played a large part in my running for the commission," remarked Marotti. "Hopefully, if I am elected, I can head the Parks and Public Property Department."

A special committee was formed recently to draft Marotti into running for the commission. Committee members active in the drafting campaign included Anthony Caruso, Robert Russo, John Marotti, Charles Rossi, Anthony Fantacone, Mario Malcolm and Patricia Verian.

A member of the Belleville Police Department since January of 1953, Marotti was appointed juvenile detective in May of 1957.

Born in Passaic, he came to Belleville from Newark at a very young age. He attended the local school system and was graduated from Belleville High School in June of 1940. While in school, he was a three letterman, participating in baseball, basketball and football. Marotti has been a Belleville resident over 43 years.

A veteran of World War II, Marotti served as a sergeant in the Air Force from 1942-46 as an instrument instructor to pilot trainees. After the service he was employed with the Ronson Co. in Newark for seven years.

Marotti was one of the originators of the Belleville Little League 18 years ago and had Michael V. Marotti field built eight years ago on Montgomery Street named in honor of him. Currently he is the commissioner of the local little league, serving in that position eight years.

A past commander of Amvets Post 26, he was state

commander in 1969-70 and was named outstanding Amvet in 1950. He has been president of the local Patrolman's Benevolent Association for 12 years and still serves in that capacity.

He also belongs to the Varsity Club, local Elks Lodge 1123, the Westend Civic Club, the Italian American Civic Association and Legion Post 299.

He was married to the former Esther Longo of Belleville in July of 1945. The couple has three daughters and one son. Cecelia is 24, Rosemarie, 20, Michele, 10, and Rocco is 17 years old.

### Bid For Reelection

## Vince Strumolo Set To Declare

Vincent T. Strumolo, Commissioner of Public Affairs, confirmed this week that he will announce his candidacy for reelection Saturday night when the civic association bearing his name holds its 13th annual dance and buffet at the Barbone-Mosco Post on 2 Acme Street.

"I'll be kicking off my campaign Saturday night," commented Strumolo.

The longtime officeholder is expected to announce his candidacy during a short speech addressing the association. Although he has yet to name a campaign manager or formulate reelection plans, Strumolo reported that the gist of his

Vincent T. Strumolo  
To Declare

Michael V. Marotti  
Declares

Saturday speech will be "just to get the word out that I'm running."

A lifetime resident of Belleville, Strumolo first entered public life when he was elected First Ward councilman here in 1962. In 1966 he was elected councilman-at-large and became Commissioner of Public Affairs for Belleville in 1967.

Strumolo, the only Commissioner today to remain in office after the changeover to the commission form of government, ran unsuccessfully for County Clerk last November on the Republican ticket. He was defeated by Democratic incumbent Nicholas Caputo.

John Morello, chairman of the affair, expects a sellout. The 13th annual dance is the yearly get-together for the Vincent T. Strumolo Association and the Women's Auxiliary.

### Joe Rice In Hamlet

Shakespeare's "Hamlet" will be the next Workshop Theater production opening February 18 at Seton Hall University in South Orange. The production features Joseph Rice of 6 Memphis Avenue, Belleville as the English Ambassador.

## Three Candidates Are Elected Voters Nix School Budget; Board To Reorganize Tuesday

Belleville voters Tuesday night chose from ten candidates to elect three members to the Board of Education and rejected the proposed 1971-72 school budget, a \$4,863,441 tax package.

Mathew Pica, a first-time candidate for the board, topped all candidates with 1,648 votes while incumbents Lawrence S. Schwartz and Mrs. Norma McCool finished second and third respectively. Schwartz totaled 1,563 votes with Mrs. McCool being reelected by only 107 votes more than the fourth best vote-getter, G. Fred Burlazzi.

The Belleville board will meet Tuesday night, 8 p.m., to welcome newly elected members and reorganize for the coming school year. Among the most important tasks facing the new board will be the expected election of new officers, including a president to replace outgoing board head, Rocco Saletta, and to discuss what to do about the defeated budget.

Voters mixed the school budget 1,421 to 1,295, with only four polling areas passing the tax package. It was the fourth straight year that a Belleville school budget went down to defeat. Although school officials and board members were on the whole disappointed in the outcome of the voting, they took heart that this year's margin of defeat on the tax package was smaller than in the past.

Under state law, the budget is sent to the town commissioners who have 30 days to determine what amount of money is necessary to run the schools.

Pica was very much pleased with his election to the board but remarked that "there will be a lot to get done as soon as the congratulations are over." Pica praised the members of the board and indicated that he will find it easy to work in cooperation with them.

Schwartz, a local attorney named last June to fill the unexpired term of the late Dr. Frank DiRuggiero, was "grateful" for his first political victory, adding that now the past seven months of work is worthwhile. Schwartz was very much disappointed

(Continued on Page 3)

WINNER'S SMILES — The two top vote getters in Tuesday's Board of Education election was Matthew Pica (right) with 1,648 tallies and Lawrence S. Schwartz (left) with 1,563 votes. Mrs. Norma McCool board incumbent, placed third in

balloting. She was not present when final results were announced. Rocco Saletta (center), president of board, congratulates two members.

### New Town Budget Introduced

## 78-Point Tax Increase Seen For Private Property Owners

Belleville Commissioners estimated Monday night that local taxpayers would be faced with a 78-point tax increase this year. For all purposes, including local, county and school, Belleville property owners will be asked to pay \$12,509,485 in taxes during 1971, an increase of 1.9 million.

The new municipal budget introduced by the commission Monday is responsible for 21 points of the tax rate hike. The total budget for municipal purposes, including all other sources of revenue, comes to \$5,385,541.

Theoretically, under the new tax schedule, a Belleville home assessed at \$20,000 would be responsible for \$156 more in taxes. The 21-point hike on the municipal budget

level would be adding \$42 in new taxes on that \$20,000 home.

Finance Director Joseph McGreevy blamed much of the new tax rate increase on the proposed \$112 million county budget. McGreevy reported that the county budget would add 40 points to the local rate, or \$80 to a home assessed at \$20,000.

The rest of the rate increase, according to McGreevy, would include four points in the reserve for uncollected taxes and 14 points from the proposed \$4,863,441 school budget.

"For the first time the county will take a larger percentage of the local taxes than the town," McGreevy commented. "They will take 30 percent compared to our 28

per cent."

All totaled, a home assessed at \$20,000 will be paying \$1,078 in taxes. A public hearing on the budget is scheduled for March 8 at the high school.

"The county handed us an increase of \$954,335," added McGreevy.

The total bill from the proposed municipal budget for

local taxpayers will be \$3,575,009, included in this amount is the reserve for uncollected taxes. Last year's budget called for \$2,965,421. The increase for 1971 is \$609,588. A new garbage contract accounts for \$89,000 of the increase.

A breakdown of the

### At Testimonial

## Ex-Bellboy Coach To Be Honored

Plans have been formalized to honor Edward T. Berlinski, former head grid and baseball coach in Belleville High School, at a testimonial dinner March 19 to be held in The Fountain Restaurant, Belleville.

The former All-American griddier and professional football player was head coach of the Bellboys from 1946 through '62.

Ticket information for the affair is available by calling 751-0645 or 751-2310 or by contacting committeemen Joseph Grande, Joseph Cancelliere, Louis Vitelli, Joseph Long, Paul Simpson, James Luzzi, Anthony Bruno, Thomas Corino or Dr. Michael Del Tufo.

Berlinski first began his coaching career in 1939 when he was an assistant grid coach to the legendary Bill Foley at

Bloomfield High School.

A four-year stay in the Army during World War II interrupted his coaching career until 1946 when he returned to the Bloomfield Bengals as an assistant. In 1947 he accepted an appointment as head coach at Belleville High School where he served both the football and baseball teams until 1962.

Berlinski's football fame started in 1930 at Bloomfield High School. There he was a three-sport athlete. Highlighting his high school years was his all-state status at halfback both in 1932 and '33.

After graduation from Bloomfield, he went on to North Carolina State University where he again excelled in three sports. He was an outstanding guard on the basketball team, a centerfielder during baseball season and a halfback for the

## \$90,000 Settlement Accepted

John Scott, a local attorney has accepted a \$90,000 settlement for a Florida client injured in an accident in Belleville.

Mrs. Tara Hoffman of Tampa, Fla., accepted the settlement of her suit in the Union County Superior Court arising from an accident which occurred here in December of 1968.

Mrs. Hoffman was a passenger in a car involved in a collision with another vehicle on Washington Avenue. She sustained severe head and neurological injuries.

Edward T. Berlinski  
Former Coach

## High School Filled To Capacity But Principal Sees No Changes

By John McCarthy

Belleville Senior High School Principal Raymond O. Smith appears confident that continuing curriculum innovations for the student body will be enough to accommodate the increase in the enrollment, without demanding any physical change for "the next couple of years."

While this program of innovative curricula is accepted by the school administration and most of the teachers, it seems that an undertone of grievances does exist. Grips expressed by teachers deal mostly with an increased work load, extra pressure resulting from the physical change of classes, or the elimination of some of the extra educational benefits that have been cut to increase over-all efficiency, rather than cater to specific interests.

The school was originally planned for approximately ten to eleven hundred students when it was opened in 1964. As of February 1, the official enrollment for the school was 1205 students.

This total enrollment figure is definitely going to rise next September, and approximately 500 students are expected to move into the senior high from the ninth grade.

There is a possibility that even more than just the JHS students will enroll as each year approximately 30-40 students transfer in from the local parochial schools, Essex Catholic, St.

Benedict's, East Orange Catholic and Queen of Peace. This added source of students could make the rise as much as 180 students, as there are 363 seniors expected to graduate in June.

The past increase has been dealt with in many various ways, many of which are designed to give the student a better chance to succeed, whether he decides to go out into the business world or continue his education.

Principal Smith observed that since the new school has been used, the percentage of students who continue their education has also increased.

The rise from 32 per cent in the last year at the old school to 62 per cent expected this year could be due in part to the new programs which have been developed to save space as well as better the education of the students.

These changes and innovations center around the holding of classes in rooms that weren't originally planned for classroom space, the addition and creation of new classes to combine the tastes of the student body with the facilities available, and the changing of the length of a gym cycle to accommodate more health and driver education classes.

One of the first programs adopted to create more classroom space, or teaching stations as available classes are called by the administration, was the elimination of the room originally designed to be used as a student store.

This room, 108, has never been used for its intended purpose, since the idea

of a student store never went over very well with the student body.

Therefore, the room was used to hold the smaller classes of the social studies department, chiefly enriched or advanced classes.

This summer another change was made. The storage space that took up the corner nearest the entrance to the room was removed by knocking out two of the walls, thus adding the storage space to the room area. Principal Smith noted that "This change makes 108 almost equal to a full size room."

Another change that occurred early in the new school's history was the conversion of the library's annex rooms into class space, also for small classes. One of the two rooms across from 108 had originally been designed as a professional library for the teachers and the other as a conference room, but both saw limited use and were drafted into action for the language department.

Because of the relatively small number of students who study a language for all four or even three of their four years in high school, the third and fourth year of a language often consist of not more than ten students. At one time there were only five students registered for the fourth year of a language, so the relatively small size of these two rooms has not been too much of a detriment.

This year the professional library is

(Continued on Page 3)

BELLEVILLE HIGH School at one of its quieter moments. The school is filled to capacity but no physical changes are envisioned in near future.

Reports Businessman

# Air Conditioning Repair In Belleville A Boom

"In three years every car will come off the line with air-conditioning and there won't be enough trained people around to service them."

This look into the future is from Daniel Maino, a Lincoln Tech graduate who has had his own auto and home air-conditioning business in Belleville for two years.

Along with pointing out the shortage of qualified help that exists even now, Danny is quick to predict a great future in this area of the automotive field.

To back up what he says, he points proudly to his own success for an example.

"When I finished at Lincoln in '68 I had \$300 to invest in my own business. Now I have \$20,000 invested!"

Part of that investment is for the fulltime employment of two men to keep up with the demand for his services. In the summer, when the number of air-conditioning systems worked on reaches 800 (about 25 a day), he adds three more mechanics full time and another part time.

Another part of his investment is in the ads for DM Auto & Home Air Conditioning frequently heard on local radio stations and seen in newspapers. The ads are proof of the large volume of business the company does.

His start toward this never-dreamt-of career happened when the air-conditioning in his own car failed. Bad service and unfair prices for repairs started him looking for help amongst friends and family.

At the time he was settled into truck driving as a career and was off for the summer. It was his uncle who suggested he learn to fix the system himself during his off-work time.

"That was it," recalls Danny with a broad grin. "I called Lincoln that afternoon,

enrolled the next day and I was on my way! I liked learning at Lincoln a lot. More than I thought I would. So I continued. My professor, Lenny, was great and we still keep in touch about the business."

He concentrated his studies on air-cooled engines and air-conditioning. Using this knowledge as a foundation, Danny has built the largest auto and home air-conditioning service company in this area - in two years!

But Danny sees it as only the beginning. Plans in the near future call for expansion both in plant and services. He has already extended sales and repair services to snowblowers and lawnmowers and returned to school for tool sharpening. Eventually, he wants to offer the homeowner complete services for auto, house and garden.

There is great enthusiasm and confidence in Danny's talk about his business. He enjoys everything about the work. "It's interesting," he says, "and everybody tells me I'm the best around. I like that; I have to do lots of different jobs instead of one all the time and I can work outside in the summer which is very nice."

What does he like best about his new-found career? With his broadest grin, he answered, "How else could a guy like me earn money like this?" And, we might add, at only age 27!

Spanish-Speaking Counselor Now Set At Union College

The appointment of Prof. George Willard of Roselle Park as bi-lingual counselor to Spanish-speaking students at Union College was announced today by Prof. Elmer Wolf, dean of the College.

Prof. Willard, who is a member of the Humanities Department at Union College, will work primarily with students enrolled at the Elizabeth and Plainfield Campuses of Union College.

The bi-lingual counseling program is supported by a federal grant under the Special Services for Disadvantaged Students in Institutions of Higher Education as provided in Title IV-A of the Higher Education Act.

We know people who seek the empty honors of life in the fond hope that other people will not know how empty they are.

HANDYMAN Daniel Maino, a Lincoln Tech graduate who started his air conditioning business in Belleville two years ago, reports that the field is "wide open now."

A racket is any form of making money without giving worthwhile service in return.

## Industrial Business

### Shell Dealer Ends Course

Ricky Riccardi, who operates a Shell station at Belleville and Hornblower Avenues, has been graduated from Shell Oil Company's dealer management training center at Wayne.

Riccardi completed an accelerated five-week course covering all phases of modern business management and the latest advances in automotive servicing techniques, including various pollution control procedures. To encourage dealers to improve themselves, the company pays them while attending school.

Riccardi lives in Jersey City.

**Parkway's Toll Receipts Increase Seven Per Cent**

The New Jersey Highway Authority in its statutory

Ricky Riccardi

annual report to the Governor and Legislature said toll receipts on the Garden State Parkway during 1970 increased some seven per cent to a record high of \$45,429,638.

## Resident Named To New Position

Joseph A. Masino of 23 Crestwood Avenue, Belleville, has been named assistant to the manager of methods in the gas department of Public Service Electric and Gas Company.

Masino, a graduate of Newark College of Engineering, where he earned a BS degree in civil engineering, joined Public Service in 1954 at the Trenton Gas Plant. In 1955 he was named an engineering assistant in Essex division and transferred to the general office in 1960. He subsequently held the posts of staff assistant, associate engineer and most recently, engineer.

Masino, a member of the New Jersey Gas Association and the American Gas Association, is currently a member of the Belleville Adult School Advisory Council. He is a former member of the Belleville Planning Board. He also is treasurer of Cub Scout Pack 152, Holy Family Church, Nutley.

Masino and his wife, the former Ann M. Michelli, have four children, Diane, Lisa, Michael and Christopher.

Before joining Public Service, Masino was with the Radio Corporation of America for two years.

# No Physical Changes Are Seen Town Attorney By The High School Principal Named Trustee

(Continued from Page 1)

used for one language class, and a few remedial reading classes. The other library room is used for the language classes. These rooms have also served as the classroom for Latin classes, but due to a lack of students enrolling for Latin this year, the subject has been temporarily dropped from the program.

One of the more innovative programs is the Vocational Home Economics program. This is a program which enables the school not only to save space by having students leave the building but also do a service to School Seven as the students get practical learning.

Presently a total of 81 students a day, in four classes, go over to School Seven and use a room to prepare meals for the school's students and teachers. This program started five years ago with seven students and has since caught on with students wishing to go into a culinary field. Although not originated as a space-saver, it has added that to its benefits. The actual moving of the Vocational class to number Seven also saves the course.

"If we hadn't moved it, we would have had to drop it," commented Smith. "The vocational class is a double period and would have hindered the school if it hadn't moved."

Some other improvisations made on vocational classes have not been as entirely successful as they have confronted moderate problems. For example, in the Auto Shop vocational program, the course is more readily scheduled for a student who is likely to go to work as a mechanic than it is for an engineering major. This means that not all students will get all the subjects they request, but according to Smith it is more important to prepare the students for their own field, when a conflict arises.

In the field of science, changes in the curricula have been made to accommodate both the number of students registering and the increased importance of the class to students who may major in a related field. But while they work well on paper, the actual holding of classes presents a problem of available and equipped space.

Taking the subjects of chemistry as an example, principal Smith explained that there are four levels of chemistry now offered. A basic knowledge can be gained by interested students by taking physical sciences, which also deals with some of the basics for physics and biology, replacing the "applied" course in each branch.

A second level exists for students who will need a knowledge of chemistry for their profession. This course is basic chemistry, which is of importance to nursing or physical education majors.

A third level of science is called college prep chemistry, and the highest enriched chemistry. These two consist of prospective chemistry majors, whose difference is in ability.

The enriched student is supposed to be the more advanced, and thus has more periods of chem a day. Presently one and a half periods a day are spent by enriched students (as also true in physics) while the college prep classes have only one day a week.

The extra periods are used for laboratory experiments, which up until this year were also scheduled for all college

prep students. The same situation, eliminating the lab periods for the accommodation of more chem students also held true for biology up to this year. While physics is not affected yet, the lab courses would be in danger there if more students in the present junior class sign up for physics than can be held in the three present courses.

In the science department, the teachers wish that labs did not have to be cut out. The possible conversion of all-purpose science rooms into chemistry or physics lab rooms similar to is one solution seen, but the expense and complications would make this remedy not too eagerly acceptable elsewhere.

Some of these teachers agree that the actual experimentation is very important to the course, and conversion is not an answer, expansion would be.

Another change that has been instituted this year is the conducting of drama classes on the stage in the auditorium. This program has added six teaching stations (the stage is used for six periods out of the seven and a half a day), but is not regarded as an adequate place to conduct classes.

The lighting on the stage is designed to provide the necessary illumination for a show, or assembly, not the reading of classwork or the writing of assignments.

Besides improper lighting, the heating on the stage was not designed for a class, but rather for performances with spotlights. A remedy for the problem would be to install more heating facilities and proper lighting, but according to Miss Mary Jamgochian, the only real solution would be to move back to room 121.

Principal Smith contends that the reason that the class was moved out of 121 and up to the stage was to provide more room in the area of the gym for drivers education and health classes. It seems therefore that the view was to give up some of the benefits of a separate drama room for the alleviation of some of the crowding in the gym.

With two health classes

## Town Budget Is Up

(Continued from Page 1)

municipal budget shows \$2,548,097 allotted to the Public Safety Department, an increase of \$240,404. Revenue and Finance is down slightly, from \$351,577 allotment. Commissioner McGreevy said a safety program in the department resulted in a savings in workmen's compensation.

Public Works accounts for \$570,814 compared to \$524,608 last year. The Public Affairs Department took the biggest jump in the 1971 budget with \$659,549 opposed to \$481,375 in 1970 but a new garbage collection contract totaling \$189,000 reflects the big jump. The garbage collection contract is up 73 per cent over last year. Without that large increase, the Public Affairs budget would be down \$10,800, according to officials.

The Parks and Public Property Department budget is set at \$287,872 compared to \$278,310 last year.

being taught, five cycles a year instead of four, and separation of sophomores from juniors and seniors in gym classes, the only real problem that exists in the gym relating to overcrowding is in the locker rooms.

Miss Ida Thompson, head girls gym instructor, said that this is only a "little bit of a problem", but could be solved by the installation of more lockers, which is becoming a necessity. Even with an added influx of students for next year, Miss Thompson feels that the girls will still function normally.

Miss Thompson commented, "I like the students having five days a week for gym, even though the requirement for the state is less, but the problems will work themselves out. Actually, I'd like a gym all to myself, so the boys could use the full present gym, but that's like utopia."

## Reorganization Tuesday

# School Budget Nixed; Commission Next Step

(Continued from Page 1)

with the budget defeat, saying that it was a thought-out package, valuable to education.

"It will hurt the children of the community the most," he said.

Both Schwartz and board president Saletta scored the Board of Commissioners for introducing their 78-point tax increase budget as "a most inopportune time." Daily newspapers in the area, headlining the increase, hit the stands the same day as the board election and Saletta indicated that this had much to do with the school budget's defeat.

"The citizens didn't realize when they cast their NO ballot that of the 78-point tax increase, only 14 per cent had to do with the school budget," Saletta remarked. School Superintendent Anthony Greco said the budget defeat was "a terrific disappointment." Both Saletta and Greco agreed that the current school budget was the most thorough and carefully planned package in years.

A total of 3,902 ballots were cast in the board election. Totals for individual candidates, in the order they appeared on the ballot, are as follows:

Ruth E. Hess - 382; William E. Bartell - 841; Peter Paglia - 606; Carl M. DeJura - 705; John J. Monaghan - 542; Norma McCool - 1,161; G. Fred Burlazzi - 1,054; Lawrence E. Schwartz - 1,563; Matthew Pica - 1,648 and James V. Risoli - 1,049.

Voter turnout was improved over last year, when 2,527 went to the polls. Both Schwartz and Pica were in the board office Tuesday night when returns were tallied. Mrs. McCool was not present. The majority of the ten candidates up for election were not present when final

Law Enforcement Program Course Set At Union College

The Law Enforcement Program at Union College will be offered in the Day Session for the first time beginning in September, 1971, it was announced today by Prof. Elmer Wolf, dean of the college.

Nicholas Amato, Belleville Town Attorney, was named last week to the Board of Trustees of the Columbus-Redwood Nursing Home in West Orange.

The 20-member board meets

Nicholas Amato

monthly to direct all actions of the nursing home, one of the largest in the North Jersey area.

Sponsored by board president, Charles A. Stanziale, Amato was elected unanimously at the last regular meeting.

"I was very much pleased to learn of the appointment," remarked Amato. "It's a great honor to be named to any board of trustees and the Columbus-Redwood appointment makes the pleasure even greater."

Amato, who is also a member of the Belleville Chamber of Commerce board of directors, also runs a private practice in Town.

The 142-bed nursing home was purchased from private ownership in 1966 by Columbus Hospital and the Redwood Association. The fully accredited home, according to its business administrator, is one of the largest in the state.

results were announced.

Schools to pass the budget include School Three, School Five, School Nine and School Ten. Civilian absentee ballots

also passed the budget by a 14-11 score. The proposed budget showed an increase of \$256,076 over what residents paid last year.

grid team. Berlinski gained all Southern Conference honors for football in 1936 and was an All-American player in 1937. Upon college graduation he became a professional football player for the Brooklyn Dodgers of the National Football League. He also starred for the Newark Bears pro gridgers from 1939-41.

In 1941 he entered the service as a second lieutenant and was discharged in 1945 as a major. During his four years in service he spent 27 months in a German prison camp.

## The Impossible Allan Crisp

Allan Crisp, President of the Belleville Historical Society and Town Historian, is probably Belleville's most dedicated citizen.

Unselfish, never willing to take no for an answer, Allan Crisp has served faithfully the Town of Belleville through many civic organizations.

Allan Crisp is a proud man — — who is proud of the community which has been his lifetime home. With a singleness of purpose a few years ago he undertook to organize the Belleville Historical Society. Allan Crisp believes Belleville has a rich history and one of which we can all be proud. The Belleville Historical Society was launched with great expectation but sufficient interest of the citizens at large has been lacking and the Belleville Historical Society remains pretty much an organization consisting of Allan Crisp.

The founder of the organization has called a meeting for Thursday, February 18, in the Belleville Library. It is Allan Crisp's hope that this meeting will be well attended. An open invitation has been issued to the general public to

participate in the activities of the Belleville Historical Society.

We believe it is a worthwhile cause. Belleville has a distinguished history, playing a very important role in the Revolutionary War. During the Industrial Revolution, Belleville was right up front as one of the great leaders of that era. The first steam engine was built in America in the Belleville Engine Works in 1797. The banks of the Passaic River was the scene of many skirmishes during the eight years that the British occupied New York.

The richness of Belleville's history entitles it to a permanent historical society. Over the years we have worked with many Belleville citizens whose loyalty and dedication to Belleville was a pleasure to behold. However, there is no citizen more dedicated and more loyal to the welfare of the Town of Belleville than Allan Crisp — — and we believe Allan Crisp is entitled to your support in this last effort to save a worthwhile civic endeavor.

FRANK A. ORECHIO

## Bad News Travels Fast

We are constantly hearing what is wrong with America, often from students and teachers who have not really lived and worked off the campus in free enterprise America, but who dwell primarily in a world of theory, where everything which exists can be criticized and made better—from the theoretical or idealistic standpoint.

Thus it was good to read a page advertisement in a recent news magazine which pointed out that most of the news that's fit to print is never printed. That's the good news. There is so much of it that it often really isn't news. The news hawks these days are after the sensational, violence, agitation and protest, and there's plenty of it.

But there is far more good news—the 250,000 college students who run over a thousand programs (without pay) for

mentally retarded children, those who give their time to tutor ghetto children, the more than 200 corporations which donate tools and money to schools to train students, the many acts of civic clubs and groups in behalf of the less fortunate, and many other good things going on all around us, all the time.

These things are seldom reported in the press or on television; they are not sensational, just part of the free and wonderful country we live in. Sometimes it's difficult to keep this part of the picture in mind as the critics let go with both barrels, telling us how awful our country is. The truth is that all Americans, including minorities, have a greater opportunity in America today than in any other country in the world, for which we should all be thankful.

### Seems Only Yesterday

## 1931 Town Budget Calls For \$844,044 Tax Pact

By Elaine Auerbach

### One Year Ago

The teacher walkout in Belleville uncovered some underlying tensions in the Belleville school system which were viewed as having serious repercussions for school superintendent Anthony Greco. Greco was caught in the middle of criticism leveled by teacher officials and Board President Dr. Frank Di Ruggiero. Both parties accused him of contributing toward communication problems in the school system and of a lack of cooperation during the teacher crisis. Greco denied both charges.

Belleville was to introduce data processing computers into its tax department in the near future, a move which would enable tax assessment in about two days instead of eight weeks. A resolution authorizing the town to enter into a contract with a data processing center had been unanimously approved at a Commission meeting.

Frank Orechio, publisher of The Belleville Times, was elected chairman of the North District Water Supply Commission, a state agency that governed the Wanauke Reservoir and Round-Valley systems. Orechio succeeded Joseph Brumale of Paterson, who had served as chairman for several years.

The New Jersey Amateur Athletic Union gave verbal endorsement to Bob Cook's proposal to have towns subsidize local athletes in national competition. Cook, who had been Belleville's recreation director for 17 years, met with AAU officials, who liked his plan and stated that they might promote the idea among service groups throughout the state. Under Cook's plan, a promising local athlete would get expense money to compete in national contests, with the overall hope of producing an Olympic competitor.

### Five Years Ago

Some 4,562 voters turned out under clear skies and defeated the proposed \$3,995,705 annual school budget and a \$275,000 School No. 2 referendum. The voters returned Ernest Arvidson, board president, to office by a slim margin of eight votes. In a surprising show of strength, board member Nicholas Juliano captured some 2,361 votes, which returned him to office for a third term. Arvidson had undoubtedly been hurt by the bitter dispute with school superintendent Dr. Frank M. Durkee.

The Belleville Town Council introduced its \$3,316,985 budget for 1966-67, some \$130,000 under the budget recommended by Town Manager John Burnett, and presented the town with a tax increase of some 3-points. Burnett said that the town was ahead with the highest surplus on record. The proposed budget was approved 4-3.

Mike Parks banked in a soft one-hander from ten feet out with three seconds remaining to provide Kearny with the margin of victory in a wild 48-46 upset over Belleville. It had been a battle all the way with the lead changing hands ten times before the decisive score. In dropping their second game in three outings, the Bellboys cagers fell to 10-7 while the Cardinals rose to 5-11.

### Ten Years Ago

Congregation Ahavath Achim of Belleville, composed of 170 families, started a three-week drive to increase its membership to 200 families. The campaign began with a breakfast at the synagogue at 125 Academy

Street. Rabbi Victor Cohen and Samuel Panansky, chairman of the membership committee, said that a speaker from the United Synagogue of America was to aid the congregation by describing the dynamic community role a synagogue plays.

Belleville polls were to open on February 14 for voters to name two of four candidates to the Board of Education and decide the fate of a \$2,738,615 school budget. The candidates, Mrs. Violet Rochau, Richard Drake, Lee Garson and Arthur Pico, put the finishing touches on their campaigns at the annual "candidates night" program sponsored by the consolidated PTA's of Belleville. Mr. Garson's final word included his pledge to fight and "do away with all the secrecy that had been the policy of the Board." Mr. Drake, an incumbent seeking a new term, criticized the importance given to the pros and cons of a new high school. He stated that voters ought to concern themselves with the election of good candidates at the polls.

### Twenty-Five Years Ago

Injection of two new conditions in what promised to be a spirited session resulted in Town Commissioners rejecting all bids on the town-owned land on Celia Terrace and put the property up for auction again. The new bidding opened with the Home Improvement Company in town offering \$12,700, the highest among all the bidders.

A feature of the Negro history program in the Elks Club was to be an exhibit and address by Mrs. Lydia Broner of Newark, a lecturer affiliated with the International Council on African Affairs. The Welfare Council of Belleville, sponsors of the program for the public, was also to present soprano and tenor soloists: Miss Eleanor Lawrence of Newark and George Rainey of Wilberforce University in Ohio.

A decision made by New Jersey's highest court, the Court of Errors and Appeals, Belleville. Railroad tax interest, collected by the State in 1944, was distributed to certain municipalities and Belleville received \$2,319. According to State Comptroller and Commissioner of Taxation, Belleville's share in the distribution would have been \$94,454 or more than 25 points in the tax rate if the court had not reversed a New Jersey Supreme Court decision.

### Forty Years Ago

The town budget for 1931 passed a first reading before a large crowd of citizens at the high school auditorium. The total budget amounted to \$844,044, an increase in the tax rate from \$4.06 to \$4.38.

James L. De Rosset was elected president of the Board of Education, succeeding John P. Maher. Mrs. Porter Sheldon was named vice-president and Walter Gilby was named to succeed Watson Current.

COMING EVENTS

Feb. 22 (Mon.) - 8 p.m. — Open House sponsored by new Knights of Columbus Mt. Carmel Council - Mt. Carmel Church, Harrison Street.

### Helen's Thing

## All Things Get A Nickname In This House

I got to thinking the other day about nicknames and how they can stick to a person long after he has passed the nickname stage.

For some reason known only to him and I don't think he really knows why either, my husband has always called me Sam. This started long before we were married and continues to this day. It was rather confusing for a while when our next door neighbor was legally named Sam, especially during the summer when Rod would yell to me from the backyard and the other Sam would think he meant him.

Rod is a great one for giving nicknames to anything or anybody. The kids have always had them and one of the teenagers was called Peanut for the longest time because he was so small as a baby. To look at him now, you wouldn't believe that anything so big could once have been so little. I refuse to put myself in jeopardy by telling which son it was because my life wouldn't be worth living if he got razed about it by his friends.

Gavin was gifted with the name Punkin and Ryan is Snapper. He was originally tagged Rabbit until father, walking down the aisles of a supermarket one day espied some frozen rabbit meat and dropped the nickname on the spot. Ryan is so taken with his pseudonym that he refuses to be called anything else. He announces to all and sundry that he is Snapper II. The only thing driving us buggy is trying to figure out who the devil Snapper I is.

The twins are Pussy Cat and Kitty Cat although I refer to them privately as Madame Queen and Sapphire after two of the characters on my old favorite, Amos and Andy. One of my aunts speaks of them as It and A Bit and a friend asks how The Sisterhood is doing.

Even the pets have picked up nicknames around here. Tish is called The Lady because that is exactly what she is from the big owl eyes to the tip of her tortoise shell tail. Cassie is known as the Pest and Lum is always Lum Cat. Belle has a selection of nicknames. Jack refers to her as Bell Bottom and if Rod is feeling especially friendly, he calls her that four legged flea hound.

My maiden name was Flagg and although I escaped any labeling, my father was known as Old Glory or the Baron.

By Frank A. Orechio

SHE WAS SEATED IN I-C, a window seat, her gaze fixed on the gathering clouds outside, nothing particularly engaging her attention. Seat belts were fastened preparatory to take off and soon we came thundering down the runway and became airborne into a soupy sky. Turning to address me she said in a shaky, halting voice, "It's kind of thick soup out there, eh?" I replied, "Yes, it is rather unusual for Flight 897 to experience a blind take off but in a couple of minutes we will be above the clouds into the sunshine and there will be no problem." She appeared to be a kind lady off on an adventurous visit to Hollywood, Florida. A few minutes airborne and I learned that her husband died very suddenly a few months ago of a heart attack. She is the proud mother of three sons, all in their own way very successful. This was her first trip alone, arriving at her destination with no one to meet her. I got the feeling that this circumstance made her feel a little lonely. And so—for two hours and a half Mrs. Elsie Dolgins and I carried on a very animated dialogue, at times joined by two super stewardesses, Senior Brenda Haskett and a blonde bomber, Tari Shinn whom I met for the second time around. We were flying an unusual piece of equipment for Flight 897, a twin-engine DC 9 jet with only one service galley. The plane was at capacity with 18 first-class and 76 coach passengers. The galley is located up front directly behind the captain's flight deck, so the poor girls, Tari and Brenda, in order to serve the passenger in the last seat were obliged to walk 220 feet round trip just to respond to a passenger's desire for a glass of water. The girls extended themselves beyond the call of duty and managed to keep everybody happy but it was obvious to even the casual observer

have three flight attendants to properly attend to the needs of passengers. Mrs. Dolgins and I were both of the opinion that the speaker was most inaudible and if it was resorted to by the captain for an emergency announcement it would have been impossible to decipher his message. Mrs. Dolgins turned out to be a cute mother and grandmother. Speaking of pilots she observed, "Every pilot is a hero to me," and referring to Tari Shinn she said, "There is something nice about her, I like her." Well, she was expressing my sentiments also. Mrs. Dolgins' son Dan is Vice President of Cunningham & Walsh, a top New York Advertising agency. To keep herself busy Mrs. Dolgins is carrying on a family ladies wear business started at the beginning of the century in Jersey City.

Tari Shinn

## Sometimes Thick Soup Is Recipe For Nicest Menus With Fine People

THE NUTLEY TOWN COMMISSION did a good job with a tough problem - putting together its 1971 budget. I got the distinct impression that the document was put together by a group of penny pinchers - and in these times of economic stress and strain, penny pinching public officials should be more appreciated than they are.

The invitation to the dinner reception for the Connie Francis wedding was the unique creation of Lou Sukoff who hosted the affair. The invitation came in a silver paper mache photograph frame with a wing-back stand attached. It contained an inscribed invitation with a mirror - reflective border and two colorful cherubs holding a bouquet of roses in one hand and two wedding rings in the other.

IT IS ALWAYS A pleasure to visit New York's Gaslight Club, walk up to the second floor, and listen to the piano of Pir Marini, the handsome, talented cousin of Nutley's 8 Ciccolini Bros.

A RECENT ISSUE OF U.S. NEWS and World-Report updated the latest findings on marijuana. Basically the question of the degree of harm stemming from marijuana smoking is still an open one. We continue to believe marijuana should be legalized.

GENIAL GEORGE HARRIS, one of Nutley's indefatigable civic workers has a favorite prose reflecting a philosophy which if adopted as our very own would make the world in which we live a wonderful place to be—if only for TODAY.

### JUST FOR TODAY

Just for today I will try to live through this day only, and not tackle my whole life

problem at once. I can do something for twelve hours that would appall me if I felt that I had to keep it up for a lifetime.

Just for today I will be happy. This assumes to be true what Abraham Lincoln said, that, "Most folks are as happy as they make up their minds to be."

Just for today I will adjust myself to what is, and not try to adjust everything to my own desires. I will take my "luck" as it comes, and fit myself to it.

Just for today I will try to strengthen my mind. I will study. I will learn something useful. I will not be a mental loafer. I will read something that requires effort, thought and concentration.

Just for today I will exercise my soul in three ways: I will do somebody a good turn, and not get found out; if anybody knows of it, it will not count, I will do at least two things I don't want to do - just for exercise. I will not show anyone that my feelings are hurt; they may be hurt, but today I will not show it.

Just for today I will be agreeable. I will look as well as I can, dress becomingly, act courteously, criticize not one bit, not find fault with anything, and not try to improve or regulate anybody except myself.

Just for today I will have a program. I may not follow it exactly, but I will have it. I will save myself from two pests: hurry and indecision.

Just for today I will have a quiet half hour all by myself and relax. During this half hour, sometime, I will try to get a better perspective of my life.

Just for today I will be unafraid. Especially I will not be afraid to enjoy what is beautiful, and to believe that as I give to the world, so the world will give to me.

Succeeds Keegan

Young Demo Presidency Post To J. Iannuzzi

By Marylou Martin

Joseph L. Iannuzzi has succeeded Philip M. Keegan as president of the Essex County Young Democrats. Keegan, a newly-elected Essex Freeholder, announced his resignation from the post in order to devote full time to his new duties as a County

Joseph Iannuzzi

official. In a statement to a gathering of County Young Democrats, Iannuzzi listed the goals which the Organization should seek to achieve. Among those he stressed were:

1. The registration of newly enfranchised 18, 19 and 20 year olds, and an increased participation of young people in political activities.
2. An intensified effort to establish Young Dem Clubs in every municipality of Essex County and each ward of

Newark. (There are presently 12 Young Dem Clubs in the County.)

3. Greater responsibility for Young Democrats in the formulation of party policy and the choice of candidates.

Iannuzzi emphasized that in seeking to achieve these goals, the Essex County Young Democrats expect to cooperate with existing youth organizations and the regular Democratic Party leadership in the County.

Belleville Masons Set To Hear Famed Speaker

Eugene Kelchner, Past Grand Historian of the Grand Lodge of New Jersey and one of the most popular speakers on Masonic subjects in the East, will address Belleville Lodge 108, F&AM, on Wednesday evening.

The subject of Kelchner's talk will be, "Our Amazing Brother-Benjamin Franklin," and it will be illustrated by a remarkable collection of slides. The meeting will start at 7:30 p.m. at Belleville Masonic Temple, 126 Joralemon Street.

Allen I. Miller, Worshipful Master of Belleville Lodge, invites all Master Masons to attend. Refreshments will be served following the meeting.

BEN GRIMM, executive director of Clara Maass Memorial Hospital, (left) and Ben Grimm, director of the Belleville Public Library, discuss hospital display case which this month features the library and its services.

Joseph Vecchione Gets Presidency

Vecchione Named President Of Broadway Boys Club

Joseph A. Vecchione, 181 Overlook Avenue, has been elected president of the Broadway Unit of the Boys' Clubs of Newark.

He succeeds former Freeholder Vincent Corrado in that post.

Vecchione will be installed at the Broadway Unit's annual President's Night Sunday, at Thomm's Restaurant, Newark. Former Newark Councilman Joseph V. Melillo will be the installing officer.

Other officers to be installed are Louis Caputo, Joseph

Bianco and Anthony Pizutelli, vice presidents; Freeholder Raymond Stabile, treasurer; Jeffrey P. Ruddy, parliamentarian and legal adviser; and Romeo G. Mattia and Frank J. Rosania, trustee representatives.

Vecchione is public relations manager for the Prudential Insurance Co. He has previously served the Broadway unit as a vice president and treasurer.

He is a past president of the New Jersey Association of Communicators, was charter

president of the North Newark Jaycees, and was elected to the Jaycees International Senate in 1968.

He is married to the former Eleanor Eccles of Newark. They have three daughters: Denise, Rita and Ellen, and a son, Joseph Jr.

Anthony Pizutelli is chairman of the President's Night committee.

\*\*\*

At the end of this happy life, the man with the most money will find it means very little.

Million Dollar Mark For Kievit

Joseph J. Kievit, agent with Prudential Insurance Company's Belleville district, sold over a million dollars of insurance during 1970. He joined the company in 1955 and has

Joseph J. Kievit

served in Passaic and Bloomfield as well as Belleville.

Kievit served in the Army during the Korean conflict.

He is a member of the Holy Name Society of St. Thomas the Apostle Church and serves as an usher there.

Kievit is married to the former Veronica McBrearty of Londonderry, North Ireland.

Tells Of Services

Belleville Library Is Featured In Clara Maass Showcase Spot

The Belleville Public Library is the center of attention for this month's display case at Clara Maass Memorial Hospital.

Each month the hospital makes the display case available to civic groups through the Clara Maass Public Relations Department.

This month's display

concerns the numerous services of the Belleville Library, and was coordinated by library director Ben Grimm and Albin Oberg, executive director of the hospital.

Grimm stated that many people are not aware the Library offers a free film service of 8 mm and 16 mm

films with sound tracks, ranging from childrens films and cartoons to technical adult films.

Framed art reproductions may also be borrowed from 60 to 90 days as well as the standard books, periodicals and records. The Library also has a "Shut-in Service" of "pick-up and delivery.. of

books to the homes of people not able to get to the Library due to illness.

The Library sponsors weekly adult programs, a 12 week pre-school program and the very popular Saturday morning childrens program.

# WEDDINGS AND ENGAGEMENTS IN SOCIAL SPOTLIGHT

## Cadette Scouts Tour Hospital

Cadette Girl Scout Troop 950 of Christ Episcopal Church toured Soho Hospital December 19 carolling for the shut-ins. The older folks seemed to enjoy the singing as well as the girls as they shared these few moments of joy at the holiday season.

After singing and talking with the patients on the six floors of the hospital, the girls returned to the Church Parish Hall for their annual Christmas party, including music, games and refreshments served by candlelight. A visit from Mrs. Santa Claus bearing gifts for both leaders and girls climaxed the evening.

Those members caroling included Kathleen Bell, Peggy Chatham, Anita Corriveau, Debbie Current, Diane Frazier, Rosemarie Gomulinski, Marianne Gomulinski, Jan Haas, Eileen Hagin, Nancy Idenden, Carol Jackson, Laura Kettle, Lettie Leone, Ann Maloney, Claire Marano, Betsy Meehan, Angela Rolph, Beth Ann Rovell, Barbara Fratella, Debbie Trignano and Lauren Vitello.

Five other members of the troop were singing with the Belleville Junior High Belleville's Chorus at the Port Authority, New York and at Newark Airport. They were Elaine Drake, Francine Marotto, Janice Oakley, Geri Palmisano and Jean Stefanelli. They returned in time, however, to join the party and welcome Mrs. Santa.

The party was planned and hosted by troop committee members, Mrs. R. Corriveau, Mrs. L. Leone, Mrs. E. Gasparini, Mrs. F. Stefanelli, Mrs. R. Rovell, and their chairman, Mrs. R. Jackson.

Troop 950 is under the leadership of Mrs. E. Cypolinski and Miss D. Minker, and assistant leader, Mrs. E. Gasparini.

## Ecology Index of Books Compiled By Essex College

Essex County College's Library Readers' Services Department has compiled a bibliography of books and government documents on the subject of ecology.

## R CIVILIZATION'S DISEASE DENTAL CARIES (Cavities)

Fermentable carbohydrate foods with a high sugar content are believed to be the chief cause of producing dental caries. Cutting down on sweets and other sucrose-containing snacks is one of the first rules of dental health education. Strengthening the hard glossy outside enamel of the tooth is also important, and this is helped by the fluoridation of drinking water.

The next preventive measure is in reducing, by vigorous brushing, the amount of dental plaque that accumulates at the base of teeth and gum junctions. Dental Caries start underneath this plaque. The brushing also helps to eliminate inflammation of the gums and reduce calculus which could lead to disease of the gums. We carry a complete stock of dental aids.

YOU OR YOUR DOCTOR CAN PHONE US when you need a delivery. We will deliver promptly without extra charge. A great many people rely on us for their health needs. We welcome requests for delivery service and charge accounts.

# Recent Engagements In The News

Miss Mary Ann Olivieri

## Miss Olivieri, Robert Forczek Are Engaged

Mr. and Mrs. Vincent Olivieri of 216 William Street, Belleville, announce the engagement of their daughter, Mary Ann to Robert Forczek, son of Stanley Forczek of 189 Holmes Street, Belleville and the late Mrs. Forczek.

The troth was made known Christmas Eve at the bride-elect's home and a party was given February 6.

Miss Olivieri, a graduate of Nutley High School, is a medical secretary with Hoffmann-LaRoche, Nutley. Mr. Forczek, an alumnus of Essex Catholic High School, is a senior at Seton Hall University where he is majoring in marketing. He is with First National Stores Inc., South Kearny.

The wedding will be held September 18.

## Miss Morrison, Joseph Murphy Are Betrothed

Mr. and Mrs. Herbert L. Morrison of Smallwood Avenue announce the engagement of their daughter, Marjorie Lynn to Joseph Murphy, son of Mrs. Joseph T. Murphy of Newark and the late Mr. Murphy.

Miss Morrison, a graduate of St. Vincent's School of Practical Nursing, is on the staff of Montclair Community Hospital.

Mr. Murphy is with Magnotti & Griffin Inc., East Orange.

The couple plan a September wedding.

## Dean's List Honor For Belleville Girl

Miss Mary Rita Cantalupo, daughter of Mr. and Mrs. Peter A. Cantalupo of 31 Tremont Avenue, Belleville, has attained the dean's list at St. Joseph College, Emmitsburg, Md.

Miss Cantalupo is a junior at the college and is majoring in elementary education.

## Educators Are Scheduled To Speak At Montclair St.

The Montclair State College Chapter of Epsilon Pi Tau, professional industrial arts fraternity, is sponsoring a series of lectures by distinguished educators during the spring semester.

Miss Jeanette Russo

## Jeanette Russo, Mr. Pronnicki Are Affianced

Mr. and Mrs. Salvatore DeFilippis of 131 Brighton Avenue announce the engagement of their daughter, Miss Jeanette Russo, to David Pronnicki, son of Mr. and Mrs. Frank Pronnicki of Bayonne.

Miss Russo, daughter also of the late Mr. Bruno Russo, is a graduate of Clifford J. Scott High School, East Orange. She is a secretary with Kimball Systems, Clifton.

Mr. Pronnicki, a graduate of Bayonne High School and RCA Institute, New York, is with Bell Labs, Whippany. He served two years in the Army and was stationed in Germany.

## Bloomfield Group Sets Game Night

Bloomfield Chapter of Women's American ORT (Organization for Rehabilitation through Training) is planning a game night at its meeting tonight at 8:30 at the Bloomfield Civic Center.

Among the topics scheduled for discussion at the business meeting which will precede the games are the flea market and the smorgasbord card party.

Mrs. David Levin is program chairman and Mrs. Gerald Tuck is president of the chapter.

Miss Susan Corrado

## Susan Corrado, Frank Guarino Are Betrothed

Mr. and Mrs. Vincent Corrado of Newark announce the engagement of their daughter, Susan Denise to Frank Vincent Guarino, son of Mr. and Mrs. Guarino Jr. of Newark.

The bride-elect, a graduate of Essex County College, is with Anti-Hydro Waterproofing Company.

Mr. Guarino, an alumnus of William Penn College, is a teacher in the Newark school system.

The couple plan an October wedding.

## Miss Morrison, Chuch Onjian Will Be Wed

Mr. and Mrs. Herbert L. Morrison of Smallwood Avenue announce the engagement of their daughter, Donna Kay of Los Angeles, California to Chuch Onjian of North Hollywood, California, son of Mr. and Mrs. Hagop Onjian of Beirut, Lebanon.

Miss Morrison, a graduate of East Orange General Hospital School of Nursing, is a staff nurse at Cedars of Lebanon Hospital, Los Angeles.

Mr. Onjian is foreman of Steg Manufacturing Company, North Hollywood. The couple plan an April wedding.

Miss Norma Neglia

## Neglia-Moate Troth Is Told; July Nuptials

Mr. and Mrs. Joseph Neglia of Overlook Avenue announce the engagement of their daughter, Norma to Lloyd Moate, son of Mr. and Mrs. Roy Moate of Macon, Georgia.

Miss Neglia is a senior at Montclair State College majoring in Mathematics.

Mr. Moate, a graduate of Middle Georgia Junior College, served four years with the U.S. Navy and is presently the wholesale buyer for the Moate Produce Company in Macon.

A July 24 wedding is planned after which the couple will live in Macon.

## Lawyer To Speak To Women's Club

The Public Defender will be the topic of a talk to be given tonight before a meeting of the Essex County Legal Secretaries Association by Leonard D. Ronco, Esq., deputy public defender, Essex County.

Ronco will speak at 7:30 p.m. at the Social Service Agency Building, 60 South Fullerton Avenue, Montclair. The public is invited to hear

Miss Maryann McLellan

## Miss McLellan, P.J. Newsome Plan Wedding

Mr. and Mrs. Hugh F. McLellan of 14 Hornblower Avenue, Belleville, announce the engagement of their daughter, Maryann B. to Patrick J. Newsome, son of Mr. and Mrs. Philip A. Newsome of 18 Ogden Road, Belleville.

Miss McLellan, an alumna of Good Counsel High School, Newark is a teller with Nutley Savings and Loan.

Mr. Newsome, a graduate of Belleville High School and Taylor Business Institute, is a supervisor with Hospital Service Plan of New Jersey. A June wedding is planned.

Miss Kathleen Carlo

## Kathleen Carlo, Michael Sirchio Will Marry

Mr. and Mrs. John Carlo Jr. of 80 Tappan Avenue announce the engagement of their daughter, Kathleen to Michael Dennis Sirchio, son of Mr. and Mrs. Edward C. Sirchio of Newark.

Miss Carlo, a graduate of Barringer High School, is with Ernst & Ernst, Newark.

Mr. Sirchio, also an alumnus of Barringer High School, attends Jersey City State College.

An April 1972 wedding is planned.

## Montclair State College Sets Talk On Detergents

Detergents, which are supposed to be clean but have become a dirty word in some quarters today, will be scrutinized at a meeting of the Passaic Valley Sub-Section of the American Chemical Society in Mallory Hall, Montclair State College, next Thursday, at 8 p.m.

Dr. J. David Justice, assistant director of research at Lever Brothers Company in Edgewater, will speak on "What's New in Detergents?" with special emphasis on ecological aspects and safety in use. He will discuss the

## Women Take Trip into Past

A journey into the past was the delightful trip taken by the Evening Membership Department of the Woman's Club of Belleville, at their Wednesday night, January 20 meeting.

Alan Crisp, town historian, vividly brought back the Belleville of yesteryear to an enthralled audience with his recounting of Belleville's early beginnings complete with photographs.

Plans for their annual card party to be held February 26, were formulated by Mrs. Anne Mattern, ways and means chairman. This means of fund raising is used to support the club's various charitable donations.

The evening came to a pleasant conclusion with members and guests enjoying refreshments served by hostesses Mrs. Howard Beresford and Mrs. Joseph Kearney.

## Legion Ladies Help Veterans In Hospitals

On February 15 American Legion Auxiliary, Unit 105 will give a ward party at the East Orange Veterans' Hospital.

Mrs. Robert Laib, rehabilitation chairman will arrange the entertainment for the men, which will consist of bingo games with redeemable canteen books as prizes. Music and refreshment will be furnished by the committee, Mrs. Patrick Lee, Mrs. Walter Weiss, Mrs. Eugene Hess and Mrs. Peter Johnson.

For Valentine's Day, Mrs. Donald Johnson has made 50 tray favors for the veterans' dinner tables.

Mrs. Walter Weiss, unity activity chairman wishes to thank all Belleville women who cooperated in the Dawn of Day Products sale which ran for six weeks.

scientific and technical background necessary for a proper understanding of the factors that have been in the news lately and will pay particular attention to the merits and demerits of phosphates.

## Wrestling Dynasty Is Frosh Goal

"We're starting a wrestling dynasty down here with this program," announces freshman wrestling coach Dennis Villano when asked about the extending of the wrestling program to include seventh and eighth graders.

Villano is now in the middle of his third season as freshman wrestling coach, and being one who did a lot to encourage the program, he is proud of the progress that it has made.

The program has one heritage that is hard to equal. While this is the first winning season or the varsity grapplers in six years, the freshman wrestlers have never had a losing season. In its first year, the frosh were 1-1, and last year added more matches and two more wins, finishing with a 3-2-1 slate. Both of those teams were made up of only ninth graders, and the team this year which includes eighth graders as well is 2-2 so far, with a match coming up on Monday at Bloomfield.

Next year Villano hopes to include the seventh graders. This would mean that by the time a wrestler is eligible for varsity, his sophomore year, he would have three years of learning and experience under his belt. The main thing that would be necessary for his to learn would be how to compete with experienced varsity wrestlers.

## Mustachio Is Frosh Product

Villano notes that one of his former frosh wrestlers has really made headway, and is known for his intelligence in choosing moves and counters as well as his strength. John Mustachio was 2-0-1 on the frosh team when Villano started the first season, and Boff picked up his basic knowledge there. Boff is now 7-1 on the varsity level as a junior, and was 11-2 for the season in his sophomore year.

Two other products from last year's frosh team, are Fred Arena and Brian Banda, who are the varsity 98 and 115 respectively. Arena has a 5-4 record in his first varsity season, and Banda is 3-5. Banda was one of the two undefeated frosh last year, going 6-0. The other undefeated frosh was John Smith as heavyweight, Smith went 3-0 as a frosh, and this year is jayvee heavy, owning a 3-1 record.

## Top Performer Ferris In Eighth Grade

The number one wrestler for this year is Kenny Ferris, who will definitely have a bright future ahead at the varsity level. Ferris is 3-0 this season with three straight pins at 148, and the team's co-captain is only in the eighth grade.

Ferris finished second in the freshman tournament held at Essex Catholic. This tourney includes teams from some schools where wrestling has already been made into a full program like Parsippany Hills (which has wrestling as early as elementary school competition), Passaic Valley, Montclair, Seton Hall, Nutley, West Essex, and Essex Catholic which also has a major intramural wrestling program.

The present line-up for the frosh team is Chuch Riley at 98, Mike Resciniti at 106, Don Liloia 115, Ron Jung 123, Bob Cote 130, Dan Dominguez 136, Joe LaVelle 141, Ferris at 148, Craig Davis 157, Mike Servidio 168, and Dan Catalano at heavyweight. Dominguez and Davis both finished third in the Frosh tourney, while Riley was the only other Bellboy to place, taking fourth place.

Most of the team's practice time seems to be spent on correcting mistakes noticed in the recent matches. Coach Villano often takes to the mats with the boys and shows them how their opponents can spot flaws in their moves and find weaknesses in their defense.

## Bellboys Almost Get The Shaft

Belleville's wrestling team was given the shaft in their two away matches last week, but it proved to be only an impetus for the team as they went out and won both.

One of the standard procedures in the Passaic Valley Conference is to hold a certifie weigh-in the morning of a match. In Belleville and most of the Essex schools, the weigh-in is held right before the match.

Being a member of this conference, Clifton held their weigh-in before school in the presence of a ref, but failed to call Belleville to remind the Bellboys of the differing procedure.

As a result of this, Belleville was weighed upon their arrival at Clifton High. This means that The Bellboys had maintained a strict diet all day long in effort to stay at weight or get down to it while Clifton wrestlers were able to cut their diet during the day since they had made weight.

At the weigh-in, Passaic said that they were going to forfeit the 106 pound class, but Belleville's 106 Angelo Zoppi was in for a slight surprise.

After the 98 pound class, Brian Banda walked out to face Clifton's 115 pounder, but saw a different wrestler on the mat. Banda was ready to start wrestling, but the ref called for Zoppi to come out.

Belleville's senior then came on, Banda walked off and Zoppi made quick work of his opponent, originally slated as the 98 pound jayvee, by pinning him in 34 seconds.

Against Kearny, crowded facilities and some pretty poor refereeing led to hot tempers by both players and fans.

Kearny holds its wrestling matches in an elementary school gymnasium while waiting for their new high school gym to be built in two years. At this school the seating capacity is about 100-150, but Belleville wrestling has a following of that many for all away matches. With the hometown Kearny fans and Belleville's troupe, many fans had to find seats on the floor and closer to the mats.

As for the refereeing, the problem isn't just one of the Monday morning quarterback stories or an alibi about it being the ref's fault. In all respect for the complications involved to ref wrestling, one still must agree that the calls were poor. It seemed that many times takedowns on reversals were called for both Belleville and Kearny when the opponent still had partial control.

The takedown and reversal rule is quite simple. If a man gains complete control of his opponent is awarded the points. is awarded the points. One hand of the bottom man still holding the other man's knee or arm firmly means no control. The same holds true for reversals, if a wrestler starts in control, but not the control if the original top man has not let go of his opponent.

The ref last Friday seemed to be anticipating these calls and calling them a few seconds before the bottom man let go, giving away complete control, but it only resulted in Belleville's wrestlers going out to beat 13 men. Kearny's 12 wrestlers and the referee.

## The Party That Wasn't

Varsity wrestling coach Jim Silvestri gets quite emotional about facing his hometown's school, and evidently the school is definitely increasing its rivalry with Belleville.

Monday morning Silvestri reported that he heard that Kearny's wrestlers were all ready to have a victory celebration right after the match "They had a cake, and cups for refreshments, but I wonder if they ate it?" asked the Bellboy mentor.

## Warriors Are Scalped In Rec Junior Play

The Knicks scalped the Warriors in the Belleville Recreation Junior League 43 to 20. Neal Scheffar took the scoring honors for the Knicks and also the game with 14 points.

Robert Giordano was the second leading scorer for the Knicks, he scored seven. Chris Tremel was the lone bright spot for the Warriors. Chris finished the game with 13 points; he scored 12 of them in the second half.

The Supersonics defeated the Bucks 39 to 36. John Shields stole the ball, from Jim Jones, to preserve a Supersonics victory over the Bucks in overtime. The winning points scored in the overtime period were a field goal by Allen Amiano and a free throw by Anthony Blafore. Abdel Anderson shared game scoring honors with Jim Jones with 22 points each.

## Varsity In A 'Grudge Match'

## A Victory Over Maroon Tomorrow Would Make Wrestlers Successful

THREE UNDEFEATED grapplers above will give Belleville its strength tomorrow in match with Nutley. Shown are (l-r) Frank Savastano (157) at 8-0-1; Frank Marano (178) at 7-0, and Carmine Rosomano (168) at 9-0. Rosomano also captains the varsity team.

## Versus Nutley Tomorrow

## Bellboys Seeking Victory In Cage Season Finale

Belleville's varsity cagers will eagerly be awaiting the arrival of Nutley's basketball team tomorrow afternoon in the season's finale for both teams.

After losing to West Orange Tuesday afternoon, Belleville will still be looking for their second win of the season, and they hope to deny Nutley their fifth win. Belleville's record now stands at 1-17, while the Maroon are 4-14 against similar opponents.

Nutley's loss may be Belleville's gain as their star forward Ed Auricchio may miss the game. The high scoring senior sprained his ankle last Friday night in Nutley's 39-23 loss to East Orange, which saw the Maroon use slow down tactics against the top ranked Panthers.

Belleville's high scorer Rocco Marotti was held to only 10 points in Belleville's loss to the Cowboys. Rocco had scored 25 points in Belleville's previous contest with the Cowboys, which saw Belleville gain an upset victory 58-53.

## In Season Play

## Soph Cagers Get First Two Wins

Last quarter surges by the Belleville sophomore basketball team lead them to two victories in a week, their first and second wins of the season. The sophs will face Nutley tomorrow after beating Kearny 57-52, and Bloomfield 61-56.

Belleville had a 33-29 lead at halftime, but some sloppy playing helped Kearny eat away at the lead until they were up by one point at the end of three quarters, 44-43. Belleville 14-8 third quarter surge was attributed to a pep talk between the quarters by soph coach J. Allen Gavitt.

Against Bloomfield, Belleville was down at the half 30-29, but good defense in the third quarter helped the Bellboys sophs move up by seven points. Bloomfield caught on in the fourth quarter and cut the Belleville lead to two points, but steals by Phil Cuzzi, Greg Tortorello, and Ed

The senior's ten points have him almost 300 points on the season, and the last game of his high school career tomorrow afternoon will give him a chance to break this plateau.

Poor foul shooting in the first half was a key in Belleville's loss to West Orange. In the last two minutes of the second quarter, Belleville missed six foul shots which enabled West Orange to take a 32-23 lead at the half.

In the fourth quarter when the score was 55-37, Belleville hinted a comeback. The Bellboys scored 10 straight points, six by Marotti, and two each by Rich Caravetta and Ralph Macri, but an 11-2 burst by West Orange put the game out of reach.

West Orange was lead in scoring by Clay Holland and Gary Massa. Holland scored 22 points on seven field goals and eight free throws, and Massa scored 17 on six from the floor and five from the line.

## Motor Vehicle's Director To Shorten Inspection Time

Director Ronald M. Heymann today said the Division of Motor Vehicles last month succeeded in slashing average inspection station waiting times across the state to five minutes - a sharp contrast to the 26-minute average that existed a year ago.

Compared to historic delays of 60-90 minutes, and frequently two hours or more, no station in the month of January had a waiting time over 18 minutes. Five stations reported no waiting lines at all. Six stations reported a one-minute wait. And, only 13 stations exceeded the 5-minute average.

## In Season Play

## Soph Cagers Get First Two Wins

Colon helped Belleville move away.

Ed Colon lead the soph squad in scoring against Kearny with 18 points. Colon sank eight shots from the floor and added two points from the foul line. He also scored 10 against Bloomfield.

Donald Dolph took over as top scorer at Bloomfield with 17 points after scoring 10 against Kearny. In both games, Dolph's foul shots in the last quarter help Belleville moved past their opponents.

Third in scoring for both games was Phil Cuzzi with 23 points. Cuzzi scored 16 against Bloomfield and seven against Kearny.

The last two scorers on the soph team were Greg Tortorello and Al DeMasi. Greg scored 14 and seven against Kearny and Bloomfield, while Al had eight and nine, also in that order.

line.

Also scoring in double figures for Belleville was junior Mike Petronaci, who

like Marotti had five two-pointers and no free throws.

Seniors Macri and Caravetta had nine points each.

## In Past Week's Action

## Bellboy Wrestling Coach Assured Of Good Year

By John McCarthy

The first winning season for his career was assured to wrestling coach Jim Silvestri with two victories this past week, but they proved costly as the number of undefeated wrestlers was cut from five to three.

Victories over Clifton 30-16 and Kearny 25-19 left the only unbeaten wrestlers being Carmen Russomano at 168, 9-0, Frank Savastano at 157, 8-0-1, and Frank Marano at 178, 7-0.

Losing their unbeaten status were Vito Marcogliese and John Mustachio. Vito was beaten 6-2 by Clifton's 130 pounder, and Boff was pinned for the first time in his career when he faced Kearny's 123.

Both matches started off in nip and tuck fashion, but were taken with important back to back victories from 141 pounds to 165.

At Clifton the score was tied 13-13 after a loss at 136, but then five straight victories before a loss made it 30-16.

In Kearny Belleville was down 14-3 after the 130 pound bout, but wins from there until the 168 class made the difference and the two schools split the 178 and heavyweight classes.

Russomano continued to run up the score when he faced his opponents this past week, beating Clifton 16-2 and shutting out Kearny 10-0.

At Clifton, Carmen scored two near pins in the first period. Clifton's Rich Hammel picked up his only score on a reversal in the third period, but Carmen was back on top 30 seconds later.

Kearny's Charles Baumgartner was taken down in eleven seconds and ridden for the rest of the first period. In the second period, Carmen held Baumgartner in a pinning position for 32 seconds scoring a near fall, and in the third period, Carmen escaped and scored a takedown. Two points for riding time tallied the final score.

Frank Savastano continued to compensate for his settling for a tie against Barringer as he ran up two more decisive wins this week, an 8-1 decision over Clifton and a first period pin at Kearny.

Frank became 8-0-1 with a win over Kearny's Ron Witherspoon that was quite

different than the match they had in the preliminary round of the Bloomfield Holiday Tournament.

At the tourney, the two had a 7-7 tie after three periods and Savastano won 9-7 with a reversal in the second overtime period. In Friday's dual match, Savastano scored the takedown and had the pin all in one minute and nine seconds. Frank has the team's fastest pin of the season, 27 seconds against West Orange, and this was his fourth pin of the year.

Frank Marano made his record 7-0 with a 4-0 shutout over Clifton's Glenn Hertzberg, but missed the Kearny match due to slight temperature.

Marano and Hertzberg were tied 0-0 at the start of the third period with Hertzberg starting on top, and as usual, Marano used his outside switch reverse to gain control, in only one try which took five seconds.

By riding his opponent out for the rest of the period,

Marano gained 3:50 riding time advantage for two more points.

In Kearny Marano was replaced by Tom Jones. Jones put up a fairly good fight to 9-0 Bill Harrison, but Jones lacked the endurance necessary to equal Harrison for three full periods. Jones missed practice for a week prior to the match because of a bronchial condition. Belleville's senior was pinned at 5:38 after several fall attempts were thwarted.

At 106 pounds, Angelo Zoppi stretched his win streak to six and made his record 8-1 with a pin and a decision.

Zoppi's pin in Clifton was the third straight time that he wrestled less than a full period and the fall over Mike DeSanko came at 0:34.

Kearny's Allen Hill was shut out 5-0 by the Belleville senior. Zoppi scored important points on the first period takedown, and a third period escape. Two more points were awarded for

(Continued on Page 12)

Caldwell, but the Bellboys have won seven in a row, while Nutley's performance has been "erratic" according to the Nutley coaches staff as reported in the Nutley Sun.

Nutley will be coming off a pretty tough match with Essex Catholic, which they lost 30-14. But that match was more than a week ago, February 3, and the Maroon will have nine days to prepare for Belleville as there were no matches between the third and tomorrow.

Already head coach Barrie Beaver has labeled the current season "somewhat of a disappointment." According to the coach the two remaining matches can save Nutley's varsity from mediocrity.

"Right now I'm pointing to both the Belleville and North Bergen matches," commented Beaver. "These two meetings can salvage the season somewhat."

Nutley will post George Davenport 10-0 against Belleville's Frank Savastano 8-0-1 at 157 pounds in what may be the best bout of the day.

The 106 bout will be another tough one as Joel Feitler 5-3 will be put up to Angelo Zoppi 8-1 at 106.

Belleville's hopes for the match could be in experience this season, Nutley has very few wrestlers who are consistent winners, and only Davenport has gone in all 10 of Nutley's matches.

Belleville on the other hand has eleven wrestlers with winning records, and all of them have been in at least six of the team's nine matches. Seven of the wrestlers have been in all nine matches.

Belleville also posts three unbeaten wrestlers Carmen Russomano, Frank Marano, and Savastano, and four wrestlers who have lost only one match.

## Jayvee Grapplers In Victory

By Alison Torres

Jayvee Bellboys tamed the Clifton Mustang JV team handing them a brilliant 34-13 defeat. Clifton "threw" the match to the 7-1 JV team by forfeiting four and being decided on four of the 12 matches.

Wrestling didn't start until the 123 pound class because Belleville received forfeits at 98 and 115. Both teams forfeited at 106. Bob Willette raised his seasonal mark to 3-2 by gaining a 4-1 decision over Clifton's Montague at the 123 pound match.

Bill Trignano had a tough time deciding Tom Gafico in a close 5-4 bout. Trignano is now 3-3-1 since coming down to the 141 pound class from the 148 pound weight group.

The only Bellboy pin came at 2:38 of the 157 bout as Bill Natale flattened Bernie Vroom. Note is still undefeated with a pin and a tie. Jerry Franz backed up the pin with the largest margin of the day, a 6-1 decision over Bruce DeVito.

Two of the four forfeits were gained by JV Bellboys, Ramon Lipjat 98 pounds and George Villano at 106, boosting both their records to 4-0. Other forfeits went to Mike Greenfeder at 178 pounds whose record now stands at 1-1, his loss coming on a pin in the 1948 class, and Charles Bogart at 130 pounds. Bogart is 1-2.

In the 106 pound class both grappling teams registered forfeits and later in the 148 category the Bellboys gave up another forfeit.

The two Bellboys failing to register wins were previously undefeated at lower weight classes. Rich Sulenski (usually at 130 pounds) is now 3-1 on a 2-0 decision by Mustang Steve Pinchak in the 136 class. Joe DeBacco is also 3-1 moving up to the heavyweight position. Joe was pinned by Clifton's Steve Elfenbeim.

## Teams Share Top Spot With Three Weeks Left In Senior Rec League

With only three weeks of play still remaining, the Falcons, Celtics and C.C. and Co. still share first place honors with five and one records. The Falcons slipped by a tough Buck team by a narrow 32 to 29 score.

As the score indicates, it was a brilliant defensive battle while each team matched each other point for point. The turning point came in the fourth quarter when Mike Calia converted two steals into four quick points. Yash Moraski and Richie DellaTerza both very high scorers, held each other to seven and 11 points respectively.

Mike Calia was the Falcons high scorer this week with 11 followed by Kent Robinson with 6 and Dennis Capriglione with four. Gary Falkman, Doug Brown and Gerry DePaul each added five points to the Bucks total.

The Celtics once again put together an awesome

offensive attack with all five players in double figures. They conquered Grants by the score 92-31. Frank Russomano was the highest scoring Celtic with 28 points followed by Augie LaLuna with 21 points. Wayne Martin had 17, Ronald Muscara 14, and Bob Silvers added 12. Phil Bruno was the high scorer for Grants with 12 points.

The Rec. Boys dim the Suns 43 to 35. The Rec. Boys held only a two point lead at half time. Carmen DiMeo found the range in the second half, while scoring 18 of his game high 26 points. The combined scores of Ralph LaCovic, Vin Tortorelli, Mike Oliveri, Joe Covey, and Pat Antonelli totaled the Rec. Boys additional 17 points. Tony Portuese and Robert Willet shared scoring honors for the Suns with 11 points each.

C.C. and Co. prevailed over Period No. 2, 54 to 43, David

C.C. and Co's offensive attack, in registering his season high point production of 22 points. He achieved this with 8 field goals and 6 free throws.

Mike Dougherty was the only other player on C.C. & Co. who scored in double figures, he finished with 11 points. Charles O'Neil and John Atherton combined to score 25 of Per. No. 2's 43 points.

The Nets won their first game of the year in the Recreation Senior League by defeating the winless Wild Cats 30 to 17. Pat Dunn took scoring honors for the Nets with 11 points. Other players on the Nets who scored were, Paul Bonanti with 6 points, Sal Baglione, Dave Camerotta, Bob Johnson and Bob Arata scored five, four, two and two points respectively. Vin Abbott tallied 10 points for the Wild Cats.

riding time.

Also, owning an 8-1 record is Brian Waddell at 148.

Brian's pin at Kearny tied the score 14-14 and proved the psyche that was started by the two wins immediately before his.

In both matches Brian

pinned in the third period, at 5:32 over Clifton's Paul Kirk, and at 4:31 over Kearny's Kevin Degnan, who had been

## BECK'S COLUMN

It is well enough known that it costs considerably more money to maintain a color TV set than a black and white. At the time of sale we point this out to our customers.

As we have written in this column many times before, a color TV set is the most "sophisticated" piece of equipment in the hands of the "public". There are over one thousand parts in a color set, in some as many as 1200, and it takes only one of these parts to go bad and the set will not function.

We have heard many times from customers that over a period of years they have paid for maintenance as much as they paid for the set. This is often quite correct. It certainly will be the case if the picture tube goes bad and has to be replaced. This is the most expensive item.

As our customers know, we offer service contracts. In the final analysis, as our records show, it does not make much difference whether you pay as you go or whether you take a service contract, you will have to spend about the same amount either way. However, we find that sets under contract are in much better condition than those that are not. If you have a prepaid contract, you are going to call the repairman as soon as anything goes wrong. If you pay as you go it is only natural that one waits, hoping that the trouble will go away. Perhaps the vertical hold is critical and you have to readjust it several times in the course of an evening. So you tolerate it for a while. The next thing is the tuner does not stay put, the contracts are tarnished. So you wiggle it a few times before you get the station and every once in a while you have to wiggle it again. You have 2 troubles that should have been taken care of, but one waits, perhaps it will go away. Then the horizontal hold goes out and you can't bring the picture back any more, and the serviceman has to be called and he finds 3 troubles. The tuner has been ruined in the meantime. Instead of repairing it for a few dollars, it has to be replaced, which costs 4 times as much. The result is a large bill. If a set is under contract, the expense is spread over the years and the set is always kept in ship shape.

Beck's  
We Service What We Sell  
Radio, TV, Hi Fi.  
Nutley 667-4225

8-1 before the match.

Boff Mustacchio was handed his first loss after 16 straight dual match wins. Boff was pinned as he tried to escape from Kearny's Jack Harberthur in the third period. Boff attempted to throw himself over the 9-0 Kearny wrestler, but in using one shoulder as a leverage point, Boff touched his other shoulder to the mat, completing the pin.

Mustacchio is now 7-1 as he shut out Clifton's Jerry Greco 13-0. Boff accumulated 4:30 riding time out of a total six minutes in the match.

Vito Marcogliese spoiled a perfect record with a 6-2 loss to Clifton's Bob Hutchison, and didn't wrestle in Kearny. Vito was taken down in the first period, and the victim of a three point escape-take-down in the second before scoring a reversal in the final period.

Ed Dunckley started the rally in Clifton with tight 9-8 decision at 141 with 1:05 riding time in Clifton and a 4-0 shutout in Kearny to make his record 6-3.

Dunckley and Clifton's Joe Reich exchanged control seven times before the final buzzer sounded to end the match.

Kearny's Don Murray was the victim of a second period reverse and 3:35 riding time.

Walter Bennett made his record 4-2 as he split his two 136 pound matches this week. Bennett was pinned by Clifton's captain Bruce Martin at 1:25, and came back to shut out Kearny's Steve Bender 6-0, starting the rally while Belleville was down 14-3.

The Bellboy wrestlers at the two opposite ends of the scale both have 5-4 records.

Fred Areha at the lightweight spot is 5-4 after losing to Kearny's Joe Reynolds 3-0, and being pinned by Clifton's Lou Stein in 5:41.

By 40-Point Margin

# Bengal Cagers Coast To Win Over Bellboys

By Marc Feldman

The Bloomfield Bengals, behind the scoring of Pat Sibilia and Skip Salimbene and playmaking of Paul Lape, coasted to an 82-42 win over Belleville last Friday night at the losers' gym.

Sibilia and Salimbene combined for 44 points and Lape handed out eight assists in leading the Bengals to their fifteenth success in eighteen games. Bloomfield is currently tied with Orange for second place in the Big Ten.

Bloomfield got off to a quick 7-0 lead on two baskets by Bob Hackel, one by

Sibilia, and a free throw by Todd Tripucka. Belleville overcame an early cold spell to outscore the Bengals 9-7 for the remainder of the quarter and creep within 14-9 at the period's end.

The Bengals took command with a 13-2 streak at the outset of the second quarter to take a 16 point advantage. Belleville did manage to close the gap to 32-19 late in the quarter on a string of six points, but never got any closer.

Another junior, Pat Sibilia controls the boards on both ends and triggers the Bengal fast break. With these two stalwarts and most of the remainder of the team returning next year, Bloomfield should have another successful season.

Belleville was led by the fine play of junior Charlie Carr. Carr poured in 15 points and had 12 rebounds.

## State Legislators Are Set For Sunday Morning TV

"Issues Before the New Jersey Legislature" will be discussed by two leading members of that state's Assembly on Public Hearing this Sunday at 11:30 a.m. in color on WCBN-TV.

Appearing on the broadcast will be Assembly Speaker Barry T. Parker (Rep., Mt. Holly) and Minority Leader David J. Friedland (Dem., Jersey City). Jerome Wilson, WCBN-TV News Political Editor, will be the moderator.

Character is what makes individuals do more than the law required.

to pace the Bellboys in both departments.

In the junior varsity game, Belleville came out on the short end in a tight one, 55-53. Trailing by five with a minute left, two fouls by Kenny Brown and one by Vin Tortorello cut the Bengal lead to two.

Phil Cuzzi stole the ball with less than 10 seconds left, but his twelve foot jumper rolled in and out. In the opener of the "tripleheader", the Belleville sophomores won their second straight as they defeated Bloomfield 61-56. Don Dolph scored 18 points to pace Belleville in the win.

BRUCE CREDITOR has been selected first chair clarinet for the All-State Band. The talented performer is a BHS senior, and is accomplished on the piano. (Photo by Nick D'Allesandro)

## For March Student Day Is Planned

By Annette Guardasbasco.  
Student Day will be held at BHS at the end of March and will be sponsored by the Future Business Leaders Club. "The idea and purpose of Student Day," said Mrs. Audrey Jones, faculty advisor to the club, "is to show the administration and staff that Belleville has students with leadership ability."

The material he will cover and the proper preparation for the new lesson. On the designated Student Day, the teacher will be present in the room, and the "student teacher" will be required to be dressed properly.

The only problems that the

Future Business Leader's Club is confronted with is the fact that although there were two or three applications for one teaching position, some others were not covered. Also some teachers "will not participate."

Says Mrs. Jones, "I hope it

will be successful, that's why we are working on the applications so early, so that it all can be well planned." An Evaluating Committee will sit in on the classes to check to see if it is successful, and maybe see if it can be made annual.

## Twirling Traditions

By Marylou Martin

On the football field and on stage, the Belleville High Twirlers perform with ease, but no one knows what they go through before they can perform.

It all starts with try-outs. The purpose of the try-out is to select 29 girls from the many who want to be on the squad. Semi-finals consist of a routine already created by the captain. Those girls who are lucky enough to make finals are judged by people from out of town, thus

making try-outs difficult and fair.

The twirlers who are selected are then introduced to the demerit system. The captain and advisor enforce this to keep an organized squad.

During the summer, the girls must then attend practices twice a week. They all meet in the school's parking lot. They practice every afternoon upon the opening of school until the end of the football season. To guarantee their

neatness, inspections are held before all activities, such as games, shows, and trips.

To get messages to the whole squad, a phone chain was set up. This system is similar to that of a chain letter.

After all of this work, the first and second year twirlers receive certificates and seniors receive pins.

\*\*\*

Price fixing is wonderful when it doesn't affect what you have to sell.

## As Solo Clarinet

# Bruce Creditor Named All-State Band Member

Senior Bruce Creditor has been selected to play first chair solo clarinet in the New Jersey All-State High School Band. Auditions, held January 23 at Hightstown High School were open only to members of the state's regional bands. For three successive years, Bruce has made it into both the All-North Jersey and All-State Bands.

The N.J. All-State Band numbers 90, selected from the approximately 400 musicians who auditioned. Bruce was required to play scales, perform a prepared solo (he chose "Sonatina" by Szalowski, and sight-read. Bruce says he was confident during the audition. "Since I've been through it all before, I wasn't too nervous - I was apprehensive."

The Band, conducted by Mr. Stanley Austin of Trenton State College, is rehearsing Gershwin's "Rhapsody In Blue," "1812 Overture" by Tchaikovsky, and Sousa's "Stars and Stripes Forever." They will perform at Woodbridge High School on Sunday, February 21.

Bruce will attend the Music Educators National Conference Eastern Division Convention to be held in Atlantic City, February 21 to March 4. There he will

perform with the All-State Orchestra, the N.J. Symphony Preparatory Orchestra, and the All-State Eastern Band.

Bruce, who plays first chair clarinet in both the Belleville High School Concert and Marching Bands, plays lead alto saxophone in the Stage Band and accompanies the school's choir on piano. Bruce has had extensive performance experience. Since 1966 he has been with the N.J. Preparatory

Orchestra, first chair; other credits include three years in the Northern N.J. Operatic Festival Orchestra and the All-North Jersey High School Band. Bruce made the N.J. All-State High School Orchestra, first chair, in 1969; for the past two years he has been with the Youth Symphony Orchestra of New York. This year, Bruce will also play with the Bloomfield Symphony Orchestra and the New Jersey Symphony Junior Orchestra. Last summer he

attended the Boston University Tanglewood Institute Young Artist Program at the Berkshire Music Center.

Bruce has been accepted by the University of Miami, and has applied to Juilliard, the Manhattan School of Music, Curtis Institute of Music, Temple University, and the New England Conservatory. The last is Bruce's first choice, and he will be auditioning in the coming months.

## History Teacher Travels In Europe, America

By Carmelinda Del Corso

Miss Schneider is a member of the Belleville Senior High School history department. She was educated at Cornell University, and majored in government with which she received her Bachelor's Degree. Later Miss Schneider attended the State University of New York where she received her Master's Degree.

Before Miss Schneider became a teacher at Belleville High School, she taught in Delaware. She never desired to become a teacher at all, but while attending Cornell University she practiced teaching, as did most of the students. This is when she realized that she wanted to teach.

During the summer months of 1970, Miss Schneider took a trip to England and stayed for one month, then she drove up to Scotland. Next she spent two weeks in Russia, guided by Intourist, the Russian travel agency.

In 1969, she traveled to Athens and the Greek Isles, Rome, Berlin, Copenhagen, Amsterdam, and Madrid. Miss Schneider also traveled as far

as Montana within the U.S. She can never stress more, the importance of visiting our National Parks. They are

extremely beautiful, and it's a great opportunity for everyone to see America's great west.

MISS SCHNEIDER, a BHS history teacher with a flair for travel, discusses schoolwork with student Gerry DePaul.

## Ours is a nice kind of "profit"

In all our years of handling people's health care problems, we've never made one cent.

Which is not to say we don't profit from our work. We do. We profit in pride and satisfaction from events like below. A father being welcomed home after a long hospital stay. Happy because he's with his loved ones. Happy that he's recovered because of the care he received from his doctor and hospital. Relieved, because he knows weeks in the hospital didn't put him in hock for years to come. Because the specialists at the New Jersey Blues took care of almost all his hospital and doctor bills.

Statewide, we have 3.5 million members who pay to maintain an emergency fund for hospital and

doctor expenses. Expenses no one can anticipate. Or often afford.

When serious health emergencies arise, we help take care of the payments. Direct to participating doctors and hospitals. With a minimum of red-tape. In many cases, "paid in full".

Administering a fund to protect half the state's population is a big job. In doing it, we at the New Jersey Blues keep a close eye on overhead. As a result, our combined operating costs take only about 6 cents of each dollar. Versus several times that for other health insurers.

Sure we profit. Not in money. But by knowing we give you a bigger return for your health-care dollar.

### Grandma Does It SHE SLEEPS LIKE A BABY

"Folks say a baby gets the most restful sleep in the world. Maybe so, but for a grandmother, I don't do too badly myself. Anytime I can't get to sleep nights—if I'm tossing and turning—I take me a Dormin Capsule and this grandmother really sleeps like a baby!"

Dormin is the hospital-tested aid to sleep that's 100% non-narcotic. Proved effective in 9 out of 10 clinical cases—professionally supervised and observed in leading government hospital. Get Dormin today at all drug counters.

## Pinewood Derby Sponsored By Cub Scout Pack 304

Cub Scout Pack 304 of James G. Shawyer School held a Pinewood Derby on Tuesday, January 26, under the leadership of Cubmaster Jerry Reddington. The derby is an annual project in which a racing car is carved from a block of pine by a Cub and his dad.

Michael Nardiello, principal, and Mr. and Mrs. Joseph Marino acted as official inspection committee and judges. Cars were checked and inspected for proper equipment, racing specifications and weight. The appearance of each car was also judged.

First prize for best appearance went to Anthony Bocchino; second prize, Steven Lucas and third prize, Mark Gibson.

Den competition was held

first for the fastest cars in each den. Winners in Den One were Michael DelVirginia, first place; Anthony Capaldo, second place and John Porter, third place. In Den Two, James DiGabriele, first place; Anthony Bocchino, second place; and Joseph Conte, third place. In Den Three, John Morello, first place; Joseph Silva, second place; and Dominick Vazzano, third place. In the Webelos Den, first place went to Steven Lucas; second place, Steve Sylvestro; and third place, Alfred Esposito.

At the completion of den heats, all winners from each den competed for grand speed champion. The final winners were Anthony Bocchino, first place; James DiGabriele, second place; and Steven Lucas, third place. All races

were started by Patsy Fata, neighborhood Scout commissioner.

Plaques and trophies for all winners will be presented at the annual Blue and Gold dinner, to be held February 18 at Andy's in Irvington.

Refreshments for scouts, parents, and guests were served by Anita Campione and Jacqueline Pravata.

### Rosamila Set As Co-Chairman

Michael Rosamila, assistant superintendent of Schools in Belleville is the co-chairman in charge of invitations for the annual Essex County Education Association Legislative Dinner.

The dinner which will be held April 6 at the Patrician in Livingston will honor New Jersey legislators.

### Scouts Contest Saturday

The Belleville district of Robert Treat Council will hold a competitive Klondike Derby this Saturday at May Apple Hill in South Mountain Reservation.

The Klondike Gold Rush will consist of seven tests of scouting skills to be conducted by the adult leaders of the troops. These leaders will be positioned at individual stations to which each patrol will travel on a specially constructed sled packed with essential equipment.

At each of these stations,

### Local Minister Has A Heart On The Radio

Dr. Sanford M. Lewis, of West Orange, president of the Essex County Heart Association, will have "A Heart To Heart Talk" with the Rev. Fred Long of Belleville on his radio broadcast this Sunday, at 5:30 p.m. on WVNJ.

"In The Public Interest", Rev. Long's weekly program, which presents speakers and panel discussions on every facet of community life, will focus on the developments in heart research that have been of benefit to the general public, the heart patient, and the physician.

Dr. Lewis, director of the Psychosomatic Clinic, United Hospitals, Newark and clinical assistant professor of medicine at the New Jersey College of Medicine and Dentistry, is attending physician in medicine at St. Barnabas Medical Center, Livingston, and consultant in medicine at Kessler Institute for Rehabilitation, West Orange, as well as other local hospitals.

Dr. Lewis has written several professional articles on cardiology and psychosomatic medicine and lectured on both subjects.

## OBITUARIES

### Mrs. C. Lamauro; Native Of Newark

Mrs. Lena Del Bagno Lamauro of 34 Greylock Place, Belleville, died after a short illness, January 30, in Columbus Hospital, Newark. She was 66.

Born in Newark, Mrs. Lamauro was a Belleville resident over 30 years.

She leaves her husband, Charles Lamauro; two daughters, Mrs. Antoinette DiNicola of Dover and Mrs. Marie Vocaturo of Belleville; two brothers, Ralph DelBagno of Newton and Frank Del Bagno of Newark;

three sisters, Mrs. Antoinette Mulligan of Lakewood, Mrs. Amelia Banks of Lincoln Park and Mrs. Minnie Wiese of Clifton, and six grandchildren.

Services were February 2 from the Biondi Funeral Home, Belleville, followed by a Mass in Holy Family Church in Nutley. Interment was in St. Nicholas Cemetery, Lodi.

The Girl Scout Council of Greater Essex, County will hold its annual camp reunion, Saturday, February 27, from 2 to 4 p.m., at St. Teresa's Memorial Hall in Summit.

Nature is a great teacher, if you care to take lessons.

Awards for the patrols scoring the most points will be blue, red and yellow ribbons for first, second and third places, respectively. These small banners will be displayed on the patrol's flag.

The troops of the winning patrols will get a larger ribbon of the same color for display on their troop flag.

The actual skills to be tested are fire starting by Troop 301, first aid by 375, compass usage by 387, signaling by 388, knot tying by 302, lashings by 307 and height judging by 351.

**Travel Along with MAX GREENWALD**

Do you like to ski? Do you like to travel? Then Switzerland is the place for you! Many skiers try adventuring at the many glorious Swiss resort villages. The most outstanding resort is Zermatt, at the foot of the Matterhorn. Safe, modern, enclosed cable cars commute to restaurants with sun decks on nearby glaciers. One cable car goes to a glacier at the Italian border, where you can ride a snowmobile along an icy trail that international smugglers used to follow. Whether you actually ski or not, it's a delightful experience you'll never forget.

Let GREENWALD TRAVEL SERVICE plan your trip to the Bahamas! At GREENWALD we offer complete travel services with never a service charge. Prompt, efficient service. Group tours, hotel and motel reservations. Open daily 9 'til 5:30 - Fri 'til 9 - Sat 'til 4. 24 hour phone service.

HELPFUL HINT: A rented bicycle or scooter is an excellent way to tour cities if you don't mind the traffic. Cheaper, too.

### Montclair State College Sets Talk On Detergents

Detergents, which are supposed to be clean but have become a dirty word in some quarters today, will be scrutinized at a meeting of the Passaic Valley Sub-Section of the American Chemical Society in Mallory Hall, Montclair State College, next Thursday, at 8 p.m.

Dr. J. David Justice, assistant director of research at Lever Brothers Company in Edgewater, will speak on "What's New in Detergents?"

with special emphasis on ecological aspects and safety in use. He will discuss the

## Parents In Belleville

# Captain Anderson Part Of Outstanding Unit

Captain Ronald E. Anderson, son of Mr. and Mrs. V. Anderson of 33 Berkeley Avenue, is a member of the Aerospace Defense Command (ADC) organization in Iceland that has earned the U.S. Air Force Outstanding Unit Award for proficiency in patrolling the North Atlantic.

Captain Anderson, assigned at Rockville Air Force Station, is a weapons controller with Air Forces Iceland, headquartered at Keflavik. The organization is responsible for tracking, intercepting and identifying Soviet and other aircraft operating in the area. The ADC component of NATO's Iceland Defense Force provides around-the-clock radar surveillance and operates F-102 Delta Daggers in some of the most adverse flying weather in the world to maintain air surveillance for the defense of the island republic near the Arctic Circle.

His unit was cited for year-long meritorious performance, particularly in the

areas of resources management and accuracy of reporting air activity in the vicinity. He will wear a distinctive service ribbon to mark his affiliation with the organization.

Captain Anderson, a 1962 graduate of Belleville High School, received his B.S.

degree in 1966 from Jacksonville (Fla.) University. He was commissioned upon completion of Officer Training School at Lackland AFB, Tex.

His wife, Mary, is the daughter of Mr. and Mrs. Harold Miller of 3320 Rowena Street, Sarasota, Fla.

## Local Serviceman Called Outstanding

U.S. Air Force Sergeant James Caracciola, son of Mr. and Mrs. James Caracciola of 159 DeWitt Avenue, Belleville, has been named outstanding maintenance man in his unit at Mather AFB, Cal.

Sergeant Caracciola, an aircraft mechanic, was selected for his leadership, exemplary conduct and duty performance. He is assigned

to a unit of the Air Training Command.

The sergeant has completed a tour of duty in Vietnam. He is a 1961 graduate of Belleville High School.

His wife is the former Patricia G. Falletta.

## Kidde Gets New Director

Norman E. Alexander, president of Sun Chemical Corporation, has been elected to the board of directors of Walter Kidde & Company, Inc. Alexander has been president of Sun Chemical Corporation since 1957. He is a graduate of Columbia College and of Columbia Law School, and is a resident of Scarsdale, New York.

Norman Alexander

He also is a director of Sun Chemical and of Standard Kollsman Industries, Inc. He is a trustee of Bronx Lebanon Hospital in New York and a member of the Chief Executives Forum.

Kidde is a diversified company with principal operations in safety, security and protection products and services. Headquartered in Clifton, New Jersey, Kidde operates more than 130 manufacturing plants and other facilities worldwide.

## Belleville Soldier Gets Commendation Medal

Specialist Five John A. De Feo, 21, son of Mr. and Mrs. Anthony De Feo of 66 New Street, Belleville, recently received the Army Commendation Medal while serving with the 55th Aviation Battalion at Fort Hood, Tex.

Spec. De Feo earned the award for meritorious service

during his last assignment with the 192nd aviation company in Vietnam.

The specialist, a messenger for the 55th Battalion, entered the Army in April 1968 and completed basic training at Fort Dix. He also holds the Air Medal.

He is a 1966 graduate of Belleville High School.

## Graduation for Airman As Equipment Specialist

Airman First Class Michael E. Bajek, son of Mr. and Mrs. Michael F. Bajek of 29 Hastings Avenue, Nutley, has graduated at Keesler Air Force Base, Miss., from the U.S. Air Force airborne equipment specialist course. The airman, who was

trained to operate and repair special airborne electronic equipment, is being assigned to Torrejon Air Base, Spain, for duty with a unit of the Tactical Air Command.

Airman Bajek is a 1968 graduate of Essex Catholic High School, Newark.

# BHS Band Traditions Include A Drive To Mario's Pizzeria

By Marylou Martin

Every great organization has traditions, and the Belleville High School Band, Twirlers, and Color Guard are no exception.

A popular one is the drive to Mario's Pizzeria in Clifton after musical shows. After

games and rehearsals its down to MacDonald's.

Monday night rehearsals are a tradition that precede the traditional Band show. (This year's to be the greatest ever presented by the Belleville High School Musical Organization, according to

Nick D'Alessandro, band president.)

And no one can forget the decal sales, which they have to pay for the Band Trip at the end of the year.

The Band Picnic is held several times during the year at Brookdale Park.

The Band Awards given out before the Thanksgiving game are of an amusing nature, and were created to expound on certain idiosyncracies of band members.

\*\*\*  
No man is free unless he knows the truth.

**New Program**  
**Will Control**  
**Obscene Mail**

Aimed at controlling the  
flow of sexually oriented  
materials through the mails,  
the U.S. Postal Service has set  
in operation a new program  
allowing any person to have  
his name (or child's name)  
removed from the dealer's  
mailing list or make sure it  
doesn't get on in the first  
place, announced Newark  
Postmaster, Joseph J.  
Benucci.

"To get blanket protection,  
even if they have never  
received such material,  
participating citizens need  
only submit their names and  
addresses on a specially  
prepared Departmental form  
made available by the Newark  
Post Office as of February 1,  
1971," said Benucci.

Once a name appears on the  
Postal Service list, the mailer  
has 30 days to remove it. If sex  
ads continue to be sent the  
mailer is subject to civil ac-  
tion or criminal prosecution.

The postmaster said the new  
provision will complement the  
1968 Pandering Ad-  
vertisement Law which allows  
persons to shut off mailings  
from a particular smut  
peddler. Introduced by  
Senator Barry Goldwater, the  
new provision requires that  
the mailer's envelope alert  
addressees that it contains  
sexually oriented ads.

*Sociological Study*  
*For College Girl*

Charlie Goodrich, a fresh-  
man at The Defiance College,  
Defiance, Ohio, and a  
daughter of Mr. and Mrs.  
Elmer Goodrich of 193 Beech  
Street, Nutley, is participating  
in a college winter term study  
of the legal, moral, social and  
ethical aspects of abortion  
and mercy killing. The in-  
structor is William O. Chaney  
of the English department.

During winter term, which  
includes the entire month of  
January, students can pursue  
a subject of special interest on  
or off campus. As in previous  
years, students are taking  
extended field trips and  
traveling, doing indepth  
research projects, partici-  
pating in apprenticeship  
programs, or studying at  
other colleges. Others are on  
campus in group studies,  
some of these student-  
designed.

Defiance is a coeducational  
liberal arts college of ap-  
proximately 1,000 students,  
established in 1850 and related  
to the United Church of Christ.

*Loyola University*  
*Cites Nutley Girl*

Anne Loretta Leo has been  
named to the dean's list of  
Loyola University's college of  
business administration for  
the fall semester.

To be eligible for the dean's  
list a student must achieve at  
least a 3.5 grade average out  
of a possible 4.0.

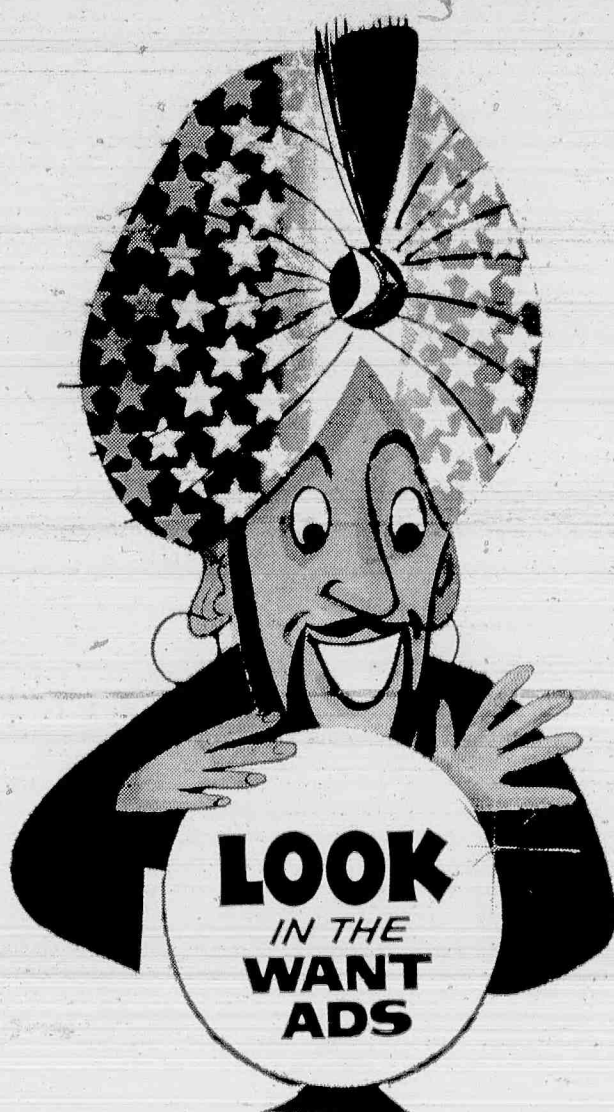

Miss Leo is the daughter of  
Mr. and Mrs. F.M. Leo of 314  
Chestnut Street, Nutley.

*Record Theft*  
*At JV Diner*

J.V.'s Diner, 267 Franklin  
Avenue was broken into  
sometime the night of  
January 14-15 and \$80 in  
record albums taken,  
reported Nutley police.

Joseph Vicaro, manager of  
the diner, reported the theft  
after arriving Friday morning.  
Entry was gained through a  
rear window.

**READYING CONCERT** — Carl R. Anthony (at piano) is a Nutley student majoring in music at Bucknell University, Lewisburg, Pa. He's seen here with Miss Kathleen D. Sheetz of Southampton in rehearsal for a February 20 recital which will be given in the Vaughan Literature Building Auditorium on campus. The program will include Sonata No. 6 for

Violin and Piano by Mozart; Sonata No. 3 for Violin and Piano by Brahms; Introduction and Rondo Capriccioso by Saint-Saens, and the piano solo, The Joyous Isle, by Debussy, to be played by the Nutley student who is the son of Mr. and Mrs. Charles Anthony, 19 Park Drive. Anthony is a dean's list student at Bucknell.

### Local Appearance At Nutley Church For Gospel Group

The Heavenly Echoes, gospel singing group from the Belleville-Nutley area will present a sing-along, tomorrow at 7:30 p.m., at the Nutley Assembly of God, 65 Bloomfield Avenue, Nutley.

Sam Zaccane, leader of The Heavenly Echoes says the sing-along will be a time for all to learn and sing new gospel choruses. There will also be new talent presented.

Extra special guest for the evening will be Don Landis, accordionist, who has traveled the United States playing for crusades and concerts. He is the former soloist for The United States Marine Band.

### Joe Rice In Hamlet

Shakespeare's "Hamlet" will be the next Workshop Theater production opening February 18 at Seton Hall University in South Orange. The production features Joseph Rice of Memphis Avenue, Belleville as the English Ambassador.

Performances are scheduled at the Theatre-in-the-Round in the Student Center at 8 p.m. on Feb. 18, 19, 20, 25, 26 and 27. Matinee performances are set for 2 p.m. Feb. 19 and 25.

Democracy, like religion, suffers most from its careless advocates, not from its enemies.

### Your Weekly Horoscope

February 11 through February 17, 1971.

**ARIES** (March 21-April 19): You can afford to be optimistic, Ari, for the plans you make now show promise of expansion and growth. But do try to be practical. Don't rely too much on hunches. On fifth day avoid indolence and excess of any type. On last day of week you can flutter your wings a bit, but don't fly too high.

**TAURUS** (April 20-May 20): If you have been playing the role of the pious benefactor, Taurus, stop it right now. It is unworthy of you, and you know it. A battery of Victorian vices may plague you in week ahead. Marshal your defenses. Prepare to hang up some of your hangups.

**GEMINI** (May 21-June 20): One of charm and wit may try to contact you before week its out, Gem, so hang loose. Make no plans that cannot be altered at a moment's notice. Backstage forces are at work on your behalf. Trust is key word for week ahead.

**CANCER** (June 21-July 22): Romance and high-jinks are in the stars for you Moonbaby. Time is excellent for you to whirl a bit, just be careful not to get dizzy that you lose your sense of equilibrium completely. Before week is over double-check money for a minor error.

**LEO** (July 23-August 22): Week ahead is one for chasing dreams, Leo. With your luck, you're sure to catch one by the tail. Maybe even in your own backyard. Your mind is a rag-bag of good ideas, and before week ends there is one who will attempt to pick your brain.

**VIRGO** (August 23-September 22): Stop trying to be so darn slick, Virg. You are a person not a computer. Again Olga urges you to listen with your heart. Relationship with one born under the sign of Pisces could grow into true devotion.

**LIBRA** (September 23-October 22): Stop nursing your wounds, Libra. Your future isn't as dreary as it may appear to be at this time. Periods of melancholy are the common lot of the majority, and they just have to be tolerated from time to time. Mercifully the mind obliterates the remembrance of most pain.

**SCORPIO** (October 23-November 21): No bumbling about in week ahead, Scorp. No matter how temptation beckons. You can take three giant steps as far as your career is concerned. Simon said so.

**SAGITTARIUS** (November 22-December 21): You may meet someone in week ahead who is older than you are, Sag, but this person will have great charm and style. You may feel free to establish a relationship with this person, so long as it does not go beyond that of friendship. You will set the pace.

**CAPRICORN** (December 22-January 19): The week ahead may be a rocky one, Cap. You may find yourself pressed to advocate drastic measures concerning your career. It may be the old story of one generation in conflict with the next. Stick to your more conservative ideas. However, it might be beneficial for you to sacrifice a few of your idols, Cap. They have feet of clay.

**AQUARIUS** (January 20-February 18): Intellectual activity surrounds you Aquarius. You may have known the debilitating crush of failure earlier in life, but you have striven to put all this behind you. And you no doubt have succeeded. Week ahead will test your strength and wits. Use that mind of yours which is an instrument of exceptional firmness and clarity. On last day of week relax and be with person you enjoy.

**PISCES** (February 19-March 20): You are a dreamer, Pisces, but you are seldom the fool. Week ahead will be one filled with foolish dreams. However, Pisces will follow hunches which will be exceedingly strong. Just don't let one who is aggressive and pushy influence you. Listen to your own drummer.

### Unity Will Visit Spain With Film

"Spain" is the subject of the next travelogue in Unity's Travel Course. The film produced and photographed by Eric Pavel, will be presented a week from tonight at 8:15 in the Montclair High School auditorium.

The film begins in Segovia, where the Moorish domination is represented by superb works of architecture. The walled city of Avila is considered the finest medieval structure in Spain. Salamanca is a university town, with youth dominating the ancient plazas. Madrid is the heart and capital, with the Royal Palace, the flea market, and at night, the sound of flamenco heels and guitars and castanets.

The Alhambra of Granada is shown against the majestic, snow-covered Sierra Nevada. Valencia, Santillana Del Mar, each stop shows a different facet of the country. Malaga, on the Mediterranean basks in eternal sunshine; San Sebastian and Santander, cool northern harbors, make Sevilla in its torrid summer seem like another land.

### O'Neill's Moon Still At Cafe

Eugene O'Neill's "Moon for the Misbegotten" is continuing at the Actors Cafe Theatre, 263 Central Avenue, East Orange. The production continues through Saturday, Feb. 20.

Curtains on Thursdays are at 7:30 p.m. and on Fridays and Saturdays at 8:30.

Cast members include Barbara Kennedy, George Deckenbach, David G. Kennedy, Raymond Kifo and Joe Wechter.

"Threepenny Opera," opens February 25.

### Parkway's Toll Receipts Increase Seven Per Cent

The New Jersey Highway Authority in its statutory annual report to the Governor and Legislature said toll receipts on the Garden State Parkway during 1970 increased some seven per cent to a record high of \$45,429,638.

Authority Chairman John P. Gallagher in the letter of transmittal said the 1970 toll revenue represented an increase of \$3,031,344 over 1969, and further reported that:

"Also on a record high plane, an estimated 158,702,000 vehicles used the Parkway in 1970.

# SOCIAL AND CLUB NEWS OF COMMUNITY INTEREST

**SENIOR CHORUS** - The James G. Shawger School presented a gala Christmas musicale December 15. Among the 150 students participating was the Senior Chorus pictured here with director, Joseph Hastick of the faculty. The group entertained with Christmas Polka, Silver Bells and Silent Night.

**BALLERINAS** - Nicki Ann Strumulo, Bernadette Porter and Sandra Heinze performed a graceful ballet number. The girls are all sixth graders and the class presented the popular Christmas story, "Amahl and the Night Visitors" as their part of the entertainment.

**Jersey Highway Authority**  
Discusses Rates With Income  
The New Jersey Highway Authority is further lowering its sights on income from restaurants on its Garden State Parkway so as to provide greater all-around service and assure five years of food price-and-portion stability to the motoring public.  
Its latest move in this direction is the renegotiation of an agreement with Howard Johnson's, which operates three Parkway restaurants, Authority Chairman John P. Gallagher reported.

**SANTA AND FRIENDS** - Antonio DeRiggi as Santa Claus and Elio Gonzalez as Rudolph the Red Nosed Reindeer are joined by more of the second graders in the chipmunk and reindeer frolic. The Christmas program also included selections by the Junior Chorus, the Boys Chorus and the special classes at the school.

**CHIPMUNK TRIO** - Dean DiLauri, Gary Camplitano and Kenneth Constantino are three of the second grade chipmunks who participated in a chipmunk and reindeer frolic. The group played to a packed house and the program concluded with a community sing a long of Christmas carols.

## Christine Ward Receives Degree

Christine J. Ward, daughter of Dr. and Mrs. C. Prentiss Ward of 16 Dorothea Terrace, Belleville, received her master's degree in music history from Case Western Reserve University, Cleveland, Ohio, last September.  
Currently employed as a clarinetist with the St. Louis Symphony Orchestra for the 1970-1971 season, Miss Ward was also a member of the Youngstown Symphony while in college.  
Miss Ward also was the 1969-1970 recipient of the Kate Neal Kinley Memorial Fellowship administered by the University of Illinois, recipient of scholarships from the Three Arts Fund in Cincinnati, Ohio and the Ranney Scholarship Fund.  
She was a graduate assistant at Case Western Reserve University in 1968-1969 and 1969 winner of the Ohio Federation of Music Clubs orchestral wind division of annual student auditions. She also was 1969 winner of the concerto competition of the University Circle Orchestra in Cleveland.  
A graduate of Columbia High School, Maplewood, Miss Ward received her bachelor's degree from Oberlin College Conservatory in 1968.

### Heart Attack Symptoms Can Save Someone's Life

"Save a Minute - Save a Life". Thousands of Americans die of heart attack each year because they don't know the symptoms and wait too long to get medical care. Minutes can count when heart attack strikes. The vital need for immediate action is one of the major facets of the Essex County Heart Association's public education program for the coming year.  
Symptoms vary, but these are the usual warnings of heart attack: prolonged oppressive pain or unusual discomfort in the center of chest, behind the breastbone. Pain may radiate to the shoulder, arm, neck or jaw.

## Women Sponsor Essay Contest

The literature department of the Women's Club of Belleville is sponsoring an essay contest for Belleville junior high school students, with the theme "The Value of the Free Public Library," to be written up in not more than 500 words.

The contest is intended to make pupils aware of the services available through patronage of this town-wide facility.

Mrs. Richard A. Shafter, literature department chairman of the local service organization has organized a paperback book sale for the week of March 22 to call attention to the contest and to gain profits to provide the cash prizes, four in number, for the contest.

Deadline for submission of entries is March 19 and judging will be completed by March 29. Prizes will be awarded at a literary tea to be held at the clubhouse on that date.

Compositions will be judged on the basis of content and thought, sentence structure and punctuation. The judges are Mrs. Naomi Ganley, English department chairman, Robert Leffellbine, eighth grade English teacher, B. Grimm, director of the Belleville Free Public Library, Mrs. Dwight Streeter, fine arts chairman and Mrs. Richard A. Shafter of the Woman's Club of Belleville.

## State Inspection Stations Are Closed For Two Holidays

## PRESIDENTIAL SALE

Dear Customer:

This year the country is celebrating the birthdays of Presidents Lincoln and Washington on the same weekend. President Lincoln on Friday, February 12th and President Washington on Monday, February 15th. In the festive Nutley tradition we are holding our annual sale on the same weekend. So double your week-end pleasure and come on down. We urge you not to miss this sale!

If you intend to buy a new famous brand washer, dryer, dishwasher, range, air conditioner, refrigerator, stereo, black and white or color t.v. you owe it to yourself to make this sale. Are you thinking of a Kitchen Aid dishwasher? Our prices will astound you.

We are featuring Sylvania's factory authorized sale with every style and screen size available for immediate delivery. This is America's finest and now at their lowest prices in years.

From our furniture department every bedroom, every dining room, every sofa, sectional and chair will be reduced. Some down to our actual wholesale cost and some below. The same applies to every accessory in the store including lamps, tables and chain lights.

We're going to be literally jammed with values. You may have to do some gymnastics to check some of the bargains, but it will be worth your while.

As usual we will be serving coffee and cherry pie. So remember, the sale starts Friday, February 12th and will last for one week. DO NOT MISS THIS SALE!

Very truly yours,

ROCCO, JOE, BOB AND OF COURSE PAPA CICCOLINI

P.S. We will open 10:00 sharp Friday morning. We will be closed all day Thursday the 11th to prepare for this sale.

## PRESIDENTIAL SALE

A word about the nature of our sale. As you probably know by now, the home furnishings we sell are of the highest quality available. For that reason our sales are more unique than most.

Sometimes it is difficult to understand that a decorator sofa tagged at \$595.00 is sale priced. But if you know the manufacturer to be a custom maker and the original price to be \$895.00-----well the going gets easier. For your information, our sofa sale prices start at \$289.00, the manufacturer AMERICAN OF MARTINSVILLE, and we will take unlimited orders on a preferred service delivery basis.

Bedrooms? They'll start at \$459.00 for a complete suite. No extra charge for night stands and the selection will run from Mediterranean to Modern. All of United's great collection of bedroom and dining rooms will be sale priced, including Dominion, Conquero, Consort and Spanish Treasure.

Our appliances are from America's greatest manufacturers. Names like GE, Hardwick, Maytag, Hamilton, Kitchen Aid, Gibson and Toshiba, all sale priced. We will save you money for each scratch or dent. A note, for this sale we have purchased the entire stock of Hardwick ranges from their previous distributor. Eye-levels and self-cleaning models will be priced at their original wholesale cost.

We firmly believe that this sale will be the greatest we've ever held. You owe it to yourself to take a look. There is no sale, anywhere, like a Ciccolini sale.

Very truly yours,

ROCCO, JOE, BOB AND OF COURSE PAPA CICCOLINI

# Belleville's Connie Francis-Izzy Marion Wed; Reception Follows In Manhattan Friar's Club

**BRIDE, GROOM AND CHILDREN** — Mr. and Mrs. Izzy Marion (Connie Francis) are shown with Izzy Marion's two children: daughter Regina and son Dino. Wedding was held in St. Aloysius Church, Caldwell.

**PHOTOGRAPHER** for the church wedding and reception was Bill Frank of Belleville, whose photos you are now viewing. Frank has a son on the Bellboy football squad.

**MEETING WITH** the bride and groom following their recent wedding in Caldwell is Lou Sukoff (left) and Mrs. Charlotte Sukoff. Couple honeymooned in Miami Beach after festive reception that saw hundreds of celebrities.

**BROTHER OF THE BRIDE**, George Franconero Jr. (left) was a member of the wedding party. The newlyweds are also seen with Mrs. George Franconero Jr.

**PUBLISHER OF "The Belleville Times-News" and "The Nutley Sun,"** Frank A. Orechio, congratulates the groom during reception. Izzy Marion is owner of beauty salons at Lake Tahoe and Las Vegas.

**PARENTS OF THE BRIDE**, Mr. and Mrs. George Franconero Sr., are shown with the newlyweds. Father escorted Connie Francis to the altar. Connie's father is dubbed "the man with the golden ear" because he selected all of Connie's hit records.

**RECEPTION GATHERING** — Hundreds of persons gathered at Friar's Club in Manhattan for wedding reception on January 16, including many celebrities. Shown above, (seated) are Mr. and Mrs. Vincent Salerno; Dr. and Mrs. Edward Albano and

George Franconero Sr., Connie's father. In group are Mr. and Mrs. Charles Fusari, Mr. and Mrs. Ed Sullivan, Earl Wilson the columnist and Jerry Vale, the singer.

**HAPPY COUPLE** — Singer Connie Francis, formerly of Belleville, and hair stylist Isadore J. Marion share smile after huge reception. Connie lived in Belleville many years and is a

graduate of Belleville High School. She sang many times in town.
