

Hearing Conflict Looms

Residents may have to choose between two important public hearings on April 22 unless town officials make some kind of adjustment between now and then.

Scheduled for Thursday, April 22, is both the final public hearing on the No. 37 bus and the appearance of Dr. Donald Wallings, who will discuss a comprehensive study of this town's school system conducted by a Rutgers research team last year.

The date for Dr. Wallings' appearance at the Senior High School (8 p.m.) was scheduled back in March, and was publicly announced in the Times-News issue of April 1.

The scheduling for the bus hearing for Town Hall Chambers at the same hour was made April 2. The bus hearing will allow residents to address the Public Utilities Commission (PUC) on a proposal for discontinuing that line by Public Service Coordinated Transport.

Board of Education Attorney Max Schwartz shouldered much of the blame for the conflict in dates. The attorney, who knew about the Wallings date, was present at an April 2 hearing on the bus at PUC headquarters in Newark when the April 22 date was agreed upon.

Schwartz, who has been vigorously opposing Public Service's proposal for the school Board, apparently forgot the Dr. Wallings' date in the excitement of the PUC meeting.

"It just slipped my mind," Schwartz told the Times-News Monday. "If I had remembered I most definitely would have objected to the April 22 date for the final bus hearing."

Town Attorney Nicholas R. Amato and Public Affairs Commissioner Vincent T. Strumolo were also present at the PUC hearing when the final date was agreed upon. Neither, however, said he knew of the conflict in dates.

"The Board of Com-

Parade Ready For Sunday Cherry Blossom Pageant Includes Ten Divisions

Washington Avenue will literally jump with excitement Sunday when Belleville's annual Cherry Blossom Parade marches down the roadway. The pageant is scheduled for 2:30 p.m., with May 2 as the rain date.

In addition to the elaborate floats and classy marching bands, on hand will be local officials and special guests, including Honorary Grand Marshall Congressman Peter Rodino and Mayors Harry Chenoweth of Nutley and Walter J. Davis of Bloomfield.

This year's Grand Marshall is Jack Costenbader, chairman of the affair and a member of the local Jaycees who are sponsoring the event.

Joining Costenbader as adjutants are fellow committeemen Bill Abplanalp and Pat DeAngelis. The committee also includes Mrs. Cecelia Sweeney, Mrs. Irene Decker, Tom Salzano, Pat Barbone, Harry T. French, Anthony Mattia, James LaMotta, Lt. John Dean, Sy Grossman and Lawrence Gonnello.

The parade will feature ten colorful divisions, with special trophies scheduled for the best float and marchers.

Division One will be led by the Fire Chief's car, and will include the Fire Department, a Civil Defense truck, an Auxiliary Fire Department truck, the Belleville High School Color Guard and

Twirlers and the BHS band.

Also in Division One will be Congressman Rodino, a Jaycee representative, visiting mayors, and members of the local Board of Commissioners and the Board of Education.

Rounding out the First Division will be a Chamber of Commerce float, featuring Cherry Blossom Queen Donna Cervasio with her court of Brenda Cameron, Annette Guardabascio, Jayme Freedman and Sue Kellenbence, all BHS senior leaders.

The Second Division will include the Pirates Drum and Bugle Corps from Seton Hall Prep, the Belleville Saber Cadets, a Griffin antique car from Nutley and the Soul Stompers from Montclair.

Division Three will be led by the Continental Drum and Bugle Corps of Ocean Grove, followed by the Belleville Scarlet Cadets, a locomotive, the Veterans Council of Belleville, and a Griffin antique car.

The Boystown Drum and Bugle Corps of Kearny will lead Division Four, followed by a Nutley antique fire engine, the Hanover Twirlers, a Griffin antique car and the Jaycee float.

Included in Division Five will be the St. Columille United Gaelic Band of

(Continued on Page 5)

RELAXING under the Cherry Blossom trees in Branch Brook Park are Pat Garthwaite (top) of 260 Hornblower Avenue and Susan Mowen of 259 Hornblower Avenue. The girls are certain to attend this Sunday's Cherry Blossom Parade down Washington Avenue.

Schools Guilty Of Polluting Air But Now What?

By Nat Gottlieb

The Belleville School System apparently is guilty of polluting the town's air, but just what will be done about it is anybody's guess at this point.

A preliminary report issued this week to the School Board from the Suburban Air Pollution Commission found "it is doubtful" local school incinerators "can meet the performance standards of the Belleville Pollution Code unless extensive upgrading is accomplished."

The report did not say, however, how long the schools had before corrective measures must be taken. There were strong indications that lack of action on the pollution problem may be allowed for a year or more.

Apparently the key factor in the situation is that the Belleville School System has just passed its budget and would have to wait at least until next year to provide cash to remedy the problem.

Board President Leonard Back says the Suburban Commission is aware of Belleville's situation, and has given some indication it will allow the Board sufficient time to make corrections.

Sufficient time, however, might turn into a long wait because of the prohibitive cost of upgraded incinerators (Back says one estimate he heard was \$100,000). It is no secret that with nine of its last ten budgets having been rejected, the School Board is not in a position to foot any large, sudden expenditures.

The Suburban Commission contacted the Suburban Air Pollution Commission (of which Belleville is a member) two weeks ago for clarification on the matter, but was told to wait until a report was issued to the Board.

That report has been issued, but the Suburban Commission has not clarified the matter any better. A call was placed to John Farley, the man on the Commission

who issued the report, but the Times was told "he was out but would return your call." At press time no return call arrived.

Local Health Officer Edward Hillery says he is as much up in the air as anyone else on the matter. "The thing is still hanging," Hillery told the Times Monday. "I don't know if the Commission's report is an

(Continued on Page 5)

Payroll Crisis Averted

Commissioner Joseph McGreevy reluctantly agreed Monday to stop signing town payroll and voucher checks, but said his action in no way implied he hadn't the right to do so.

McGreevy, who is director of Revenue and Finance, turned over check signing duties to Mayor Ken Smith to avert the possibility that town employees would not be paid today.

The crisis came after Town Treasurer Francis McCoy sent letters Friday to all Commissioners saying he would no longer countersign checks with McGreevy's signature.

McCoy, whose signature is necessary on all town checks, said his decision was based on a ruling from the State Supreme Court last week that only a mayor or executive director of a municipality may sign town checks.

That ruling gave municipalities until January 1, 1972 to conform. McCoy contends this date only applies to municipalities which do not have ordinances already in conformance. The treasurer says a town ordinance from 1927

(Continued on Page 10)

Raimo: Top Spot

Clerk Draws Ballot Positions

The drawing for ballot positions and the scheduling of two candidates' nights highlighted this week's action for the rapidly approaching May 11 Commission Election.

Nicholas Raimo drew top spot on the ballot during a 20 minute ceremony at Town Hall Thursday. The ceremony was friendly but campaign tensions showed in bickering over the procedure for placing cards in the ballot box.

Residents, meanwhile, will get a chance to hear all the

candidates on two separate evenings this month. The first event is scheduled Tuesday in the Belleville Senior High School auditorium. The forum is being sponsored by the BHS Political Club at 2:30 p.m., and according to club president Mary Oertel, is open to the public.

The second gathering of all 14 candidates is planned Friday, April 30 at 7:30 p.m. also in the BHS auditorium. The Home and School Association of School Eight is

sponsoring this affair.

The Home and School Association's sponsorship was made possible by a decision of the local Board of Education, which politely turned down an earlier request by the Belleville Valley Association (BVA) to hold the same event that night.

According to Board President Leonard Back, the BVA's request was denied on the grounds "It was preferable that a non-partisan

group moderate the event." Back said the Board considered the BVA a partisan group, and indicated that "no hard feelings resulted from the Board's opinion."

Tony Fernandes, a candidate and former vice president of the BVA told the Times-News Monday however, the BVA leadership was not happy with the Board's decision.

Fernandes says the BVA is a taxpayer's group and is not politically oriented. "It's

main focus is toward total concern for civic action," he said.

The candidate, who was the BVA's most outspoken and articulate officer, said he did not seek re-election with the organization because of his involvement in the Commission Election.

The balloting ceremony was held at 3 p.m. Thursday in Commission chambers, with the majority of candidates or their representatives present. Dickering over procedure

Police Capture Suspects

Two Separate Incidents Bring Local Arrests

An off-duty Belleville detective was responsible for the arrest of a 22 year old youth and a juvenile in connection with a breaking and entry at the Belmont Lunch, 59 Belmont Avenue, on Saturday.

According to Deputy Police Chief Frank Haight, local detective Thomas Ricci observed two youths enter the establishment after hours at 11:15 p.m.

The off-duty detective called for assistance at headquarters, where officers Frank Ward and George Sheridan were detailed. The two officers apprehended the suspects two blocks from Belmont Lunch.

The 22-year-old, who lives in Belleville, was charged with break, entry and larceny and possession of a deadly weapon (a revolver). He was held in lieu of \$3,500 bail pending a hearing today before Belleville Municipal Court Judge Edward Abramson.

The juvenile, a Newark resident, was referred to juvenile authorities.

Belleville Police have arrested a 27-year old man whom they say set fire to a vacant house he formerly lived in.

Deputy Police Chief Frank Haight said a 27 Nutley man was arrested Saturday and charged with malicious burning in connection with a fire at 18 Valley Street. The

Residents: Mixed Feelings

'Jesus Christ Superstar'—Provocative Passion Play

By John McCarthy

If some of the regular churchgoers happened to stop in at Bethany Lutheran Church last Friday night, expecting to participate in anything close to the usual Good Friday service they were in for a little surprise, but possibly they exited with the realization that they had witnessed a modern Christian revival meeting.

The two performances sponsored by the Belleville Ministerium were far from what is expected as a traditional passion service for the suffering of the Lord and almost as far from the Christian revival meetings with their "holy rollers." But in a sense this was what the multi-media presentation of the Andrew Lloyd Webber and Tim Rice rock opera really was.

No one ever came up to the pulpit to say exactly what was the meaning of the two films and two slides shown on the screen

while the soundtrack from the opera played in the background. As a matter of fact, Rev. Albert E. Alspach, minister of Bethany Lutheran and chairman of the Ministerium, never went to the pulpit at all.

The viewers were informed on the way in "The opera will be presented without interruption. At the conclusion of the music, the congregation is requested to leave the church in silence." And leave in silence they did. Many were evidently thoughtful about what they had seen, what it meant, and where it was leading them.

Reaction to the presentation of everyday life scenes with religious scenes and the singing of lines such as "Christ, you know I love you, didn't you see I waved?", was "nothing," "eh!," "I don't know," and "Wasn't that a sacrifice?"

But others were willing to give the show a

(Continued on Page 3)

Schedule Rabies Program

A free dog vaccination clinic has been scheduled by the Belleville Board of Health for next Thursday, 6:30 to 8:30 p.m., at the department building, 64 Belleville Avenue.

Commissioner Vincent T. Strumolo, director, urged that dog owners in town take advantage of the program to protect pets against rabies.

Other dates scheduled for free vaccinations are Friday, April 23, 6:30 to 8:30 p.m. at 60 Franklin Street (across from St. Anthony's Church) in the Silver Lake section, and Saturday, April 24, 9 a.m. to 1 p.m. at the Recreation House, 467 Jorammon Street.

Sidewalk Bonanza Planned

A two-day sidewalk sale is planned by Belleville merchants for Friday and Saturday, April 23 and 24. The event is being sponsored by the local Chamber of Commerce, which hopes to make the unusual event an annual affair.

Merchandise for the sale will be placed on racks along the sidewalks, giving Washington Avenue the look of a market area. Participating stores will also sell goods inside their shops.

Stanley Slavin of Terry Shops, chairman for the event, announced sale hours for Friday at 9:30 a.m. to 9 p.m. Saturday the sale will run from 9:30 a.m. to 6 p.m.

Slavin said only stores belonging to the Chamber and carrying sidewalk sale signs are the official participating stores.

Permission to hold the sale had to be obtained from the Belleville Police because local ordinance prohibits selling of merchandise on sidewalks.

As of Monday, 12 local stores announced they would participate in the event. The list includes Woolworths, Louiares Mens Shop, Terry Shops, Camton Shoes, Mary Dell Fashions, Paul's Shoes and Sherman's Childrens Wear.

Also joining the sale are Andrew Thomas Men's Shop, Karl's Appliances, Max Moon, Edmarrs, Claire's Childrens Shop. Assisting Slavin in arranging the event is Mrs. Carmela Poll of Mary Dell Fashions, and Chamber Executive Director Harry T. French.

Set May 4 At The Fountain

Champagne Affair For Mayor

Plans are almost complete for Mayor Kenneth D. Smith's evening of pink champagne featuring fashions and elegant furs. The affair is scheduled Tuesday, May 4, at the Fountain Restaurant, Watnessing Avenue, Belleville.

Presenting a fashion show will be "Top of the Town," a leading ladies' shop in Kearny. Furs featured are by "Gershon," a well known New York furrier. Mrs. Irene Decker and Mrs. C. Sweeney are co-chairmen of the affair.

Included in models for the evening is Miss Donna Cervasio, Belleville's current Cherry Blossom Princess. Included in Miss Cervasio's court are Miss Brenda Cameron, Miss Jayme Freedman, Miss Annette

Guardabascio and Miss Sue Kellenbence.

Commentator for the show is Mrs. Rene Garfinkel. Refreshments are also slated, along with door prizes. The co-chairmen report that tickets are almost sold out.

Crusade Head Reports On Program

"More than one half million dollars was spent by the New Jersey Division of the American Cancer Society for patient services during the past fiscal year," Commissioner Vincent Strumolo, Belleville Community Crusade chairman reported in a statement last night.

"In addition to its extensive research and education programs, the American Cancer Society also conducts a Uniform Service Program throughout the New Jersey Division's 21 local county units, providing the medically

indigent cancer patient with allowances for diagnostic and treatment procedures as well as medications, nursing service and home care," he continued.

A large part of the American Cancer Society's Crusade income is expended each year for rehabilitation of the cancer patient. The Division's Reach to Recovery program is one such effort conducted by mastectomy volunteers (women who have had a breast removed). Upon the request of a physician, the "Reach to Recovery" volunteer visits a new mastectomy patient after her operation and offers psychological as well as material help. Patients receive "Reach to Recovery" kits containing prostheses and

exercise instructions as well as counselling and training from the volunteer to show that complete normalcy following a mastectomy may be achieved.

Another rehabilitation program is geared to the training of laryngectomees following surgery. A laryngectomee is a person who has had his larynx (voice box) removed. Several clubs and speech clinics are conducted throughout the Division to teach the laryngectomee to speak again. Many units sponsor ostomy clubs for patients who have had cancer of the colon and rectum and they also provide various material and psychological need for such patients.

"In addition to supplying

cancer patients with these rehabilitative programs, the Division and units sponsor periodic seminars and symposia to keep lay and professional persons as well as patients informed and up to date on the latest procedures and programs." Strumolo concluded.

Information is available at the Essex County Unit of the American Cancer Society, 336 S. Harrison Street, East Orange, throughout the entire year.

Wallace-Tiernan Promotes

The Wallace & Tiernan Division of Pennwalt Corporation announces the appointment of three new vice presidents.

William C. Conkling becomes vice president, engineering, Lester E. Demler, vice president, sales and Thomas B. Walker, vice president, manufacturing and administration. All three are long-term W&T employees.

Conkling with a B.S. in mechanical engineering from Rensselaer Polytechnic Institute came to his present position after varied duties in development engineering.

Demler has had experience in both field and main office sales as well as administrative duties in the sales and service departments. He is a graduate B.S., civil engineering, of Case Institute of Technology.

Walker was initially concerned with plant engineering and moved into production several years ago. He holds a B.S. in electrical engineering from Virginia Military Institute.

'Jesus Christ Superstar'—Provocative

(Continued from Page 1)
chance. "You know, I think, I'll have to go home and think about this for a while before I could say anything," commented one local church-goer.

And then there were those that saw a meaning beneath the surface of the collage.

One elderly observer commented, "People are forgetting about God and Jesus Christ. They're having too much pleasure and don't

realize it. They won't realize it 'til they get old like me. I'm 70 and a good Christian. But by the time they get old and try to repent, it will be too late."

Another member of the congregation, one who had seen the actual opera performance, noted that this was a representation of "today's picnic," adding "That's what Holy Week used to be, a picnic, a festival, and this was just showing us our

own picnic of everyday life." In Rev. Alspach's own words, the show was "an attempt to present a human Jesus, a hero, a superstar, in order to make him more relevant to our own time."

Before the start of the show, an aura of anticipation was present, as possibly the congregation was waiting to see what would come of this new experience in local religion. Then the lights went out and the crowd seemed intrigued as the dark silence was broken only by the tolling of a single bell.

Finally two slides appeared on the screen, the only introduction besides a single sheet program, "Bethany Friday Night" and "Jesus Christ Superstar" scratched on a background of mute colors. These slides continued to show some religious scenes alternated with slides of life today taken mostly by Mr. and Mrs. Frank McDonough,

who helped the Reverend and two church members, Wes Pettinger and Richard White run the slides and movies, with David Day and Randy Notte working the sound.

When the two movies came on, one continually showed a religious image, from instructional slides, or paintings that have become famous religious works.

The second film helped prove the point of the whole production. It was an op-art movie by film maker Fred McGubbogub showing scenes of everyday life in the city, amusement parks, poverty stricken homes, an astronaut's pre-flight instrument check, clips from movies famous in trivia contests, the aged finding solace in a park, flashing names of stars and shows, an advertising model drinking a glass of Coke (which became a glass of Ballentine, a glass of Oxydol, and Lucky Strikes), and other short, seemingly unrelated glimpses of life through the lens.

The same ten or 15 minute reel was shown again and again in forward and reverse on the same screen with religious scenes on the other three until the finale. As the music reached a frenzied pitch a strobe light was flashed and the moaning of the final words on the Cross could be heard from the soundtrack.

With the final three cries of "My God, my God why have you forgotten me," "I'm thirsty," "I'm thirsty", and

"Father, into Thy hands I commend my soul," the lights on the screen went off, the music became softer, and again the single church bell tolled in the darkness.

Now two other questions on the theme arose. No longer was it just what would we do if Jesus walked the earth today as the music had plainly asked. But what

would the Son of God see if he were to come, would it be as on the movie, the same old thing run forward and then in reverse, then a second and a third time, and what would he do in the darkness of the world: would he be content as many were to see it today, walk out in silence, forget about it, and let it go until the next Good Friday?

COME AND BRING A FRIEND

Sabena presents Safari-tours. \$1298. From

The Safari was once the ultimate journey of the very rich.

Now, Sabena offers Africa to the less-than-rich.

We'll take you to the excitement that is Africa for as little as \$1298. A fully guided tour with everything included, for sixteen days.

More than a place to visit, Africa is an experience in contrasts. From elegant Nairobi, once the inspirational haunt of Hemingway and Ruark, to the vast plains of Kenya, where endless herds of elephants can be photographed from the comfort, and safety, of your Land Rover.

Sabena Safari tours take you on treks through Tanzania, Uganda, Ethiopia and to the heart of the Congo. There you'll feel for yourself the throbbing pulse of deepest Africa that has lured Western Man for centuries.

But best of all, you will experience the incomparable physical beauty of Africa. From the huge Ngorongoro crater to the dramatic majesty of Mt. Kilimanjaro. And each evening is graced by one of nature's most glorious productions: the haunting African sunset.

Let Sabena start you on your safari today. You'll see why the very rich always come back to Africa.

See your travel agent or mail this coupon to: Sabena Tours, 720 Fifth Avenue, N.Y., N.Y. 10019.

Prices are based on either group inclusive tour airfare or 17/45 day individual airfare. Surcharge for peak season travel June 1, 1971 to August 31, 1971 not included in quoted prices.

The Newark Teachers Strike

The protracted teachers' strike now approaching its twelfth week is heading for a destructive racial and political confrontation. This observation was made by Newark's most important citizen, Mayor Kenneth A. Gibson. In a letter to the Board of Education and the Newark Teachers' Union, Gibson charged that demagoguery has replaced conciliation and the original issues in the strike have been submerged in a welter of "emotional and inflammatory rhetoric."

The anguish and despair generated by the Newark teachers' strike is part due to the lackluster leadership of Mayor Gibson.

It is our fear that Mayor Gibson treaded very softly because the Newark Board of Education President, Jesse Jacob, who is quarterbacking the Board's strategy, is a black.

Board President, Jesse Jacob, seems to be content to continue the impasse in the hope that it would lead to mass resignations of white teachers.

When the school board voted last week to reject the settlement of the ten-week old strike, Jesse Jacobs implied that he hoped the lack of a contract would force the white teachers to leave Newark.

"If this is to be a year of attrition, then let it be," he said. "In the words of the old Negro spiritual, 'Free at Last, praise God almighty, free at last.'" The predominantly black audience at the board meeting roared its approval when moments before it heckled white speakers.

Newark is a city in crisis — and as a matter of fact the crisis status is not new — simply — an escalation since the 1967 riots.

About 60% of Newark's population is black. Another 10% is made up of Cubans and Puerto Ricans, a politically passive force in the city. Newark has the highest incidence of per-capita crime in the nation. Newark has the greatest percentage of slum housing. The city has the worst incidence of venereal disease and infant mortality. One of three people are on welfare, the highest

percentage of welfare recipients in the state.

The unemployment rate is 13 per cent for the city as a whole and 30 per cent for black males between 16 and 25.

More and more Newark is appearing to the populace as a "can't win" situation.

Mayor Gibson was derelict in his duty to the city when he failed to take firm, affirmative action shortly after the Newark teachers' strike commenced. Political expediency required Gibson to keep hands off — and now the city is reaping the results of Gibson's failure to act.

During his election campaign and for some time after his election, Mayor Gibson promised to be the mayor of a total city and not just representing the black community.

His reluctance to take on the black president of the Board of Education, a man who achieved the office by Gibson's authority, is understandable but the tragedy of his policy is the focus on racial discord.

It is a sad day in America when a president of a board of education publicly proclaims his happiness over a teachers' strike in the hope that such an event would lead to the mass resignation of white teachers, thus creating vacancies for black teacher replacements.

Newark is on the skids and there appears to be little hope in sight for its salvation.

A disaster in Newark will have a tremendous effect upon Essex County suburbs, their character, their people and their tax rates. Essex suburbanites have a right to be angry with Mayor Gibson for his political handling of a hot potato. His Johnny-come-lately, pious appeals for the board and teachers' union to reconcile their differences may be too late to save New Jersey's largest city.

Frank A. Orechio

Seems Only Yesterday Zone Board Turns Down A Forty Unit Apartment

By Elaine Auerbach

One Year Ago

A controversial variance for a 21-unit garden apartment on Belleville Avenue had been approved by the Zoning Board and was expected to come up before the Commission. Approval had been granted to the Lilanz Realty Company, which had been denied a similar application once before. The 3-2 vote came after five three-hour meetings in which about 100 residents voiced opposition to the variance.

A major clash of forces in Belleville appeared likely over the Planning Board's proposed new town zoning ordinance and map. The Board had introduced its new proposals to update an old 1923 plan to an audience in the Valley at the first of a series of three public hearings on the matter. It was apparent after the hearing that no one in the Valley, including residents and industrialists, were satisfied with the program.

Navy Lieutenant Commander Harold J. Sutphen, son of Mr. and Mrs. Howard S. Sutphen of 383 Cortlandt Street, received the Bronze Star Medal during ceremonies in Fort Leavenworth, Kansas. Lt. Cdr. Sutphen earned the award for outstanding meritorious service while serving as commanding officer of the U.S.S. Endurance from November 1967 to June 1969, during combat operations.

Five Years Ago

Belleville's school system would have to operate in the upcoming fiscal year under restrictions imposed by a severe cutback in educational services. Due to the tremendous slicing and cutting that had been the fate of the twice-defeated-at-the-polls school budget, Ernest Arvidson announced that a few of the things affected by the lack of funds would be a hospitalization program for teachers, many assistant coaches' jobs for various sports and summer and adult schools.

For the first time in over 20 years the Town Council, under the patient prodding of Mayor Nuncio Pico, took definite steps toward solving the traffic problem in Belleville by approving with a 3-2 vote the proposed five-man parking authority. In doing so, the council scoffed at Councilman James R. Golden's estimate of \$200,000 plus developments for the proposed parking area.

Detective Hugh O'Toole, who handled the narcotics bureau of the Police Department, spoke of the drug trade that was affecting Belleville and other neighboring communities. O'Toole dictated that stern measures, like those taken in Ohio where the death penalty had been given to those convicted as sellers of narcotics after a third offense was perhaps the way to eliminate the problem.

Ten Years Ago

A proposed 40-unit garden development for High Street was turned down by a 3-0 vote of the Belleville Zoning Board of Adjustment. About 30 residents of the area were at the session objecting to the board's granting a variance for the project. The area had been zoned "Residential B," a zone which does not provide for the construction of apartment buildings.

Only eight per cent of Belleville's 17,675

registered voters had participated in the primary election, according to post-election figures. The Republican gubernatorial candidate who polled the highest total in Belleville was James P. Mitchell, followed by Senator Walter Jones and Senator Wayne Dumont Jr. Ralph Vara's county committee candidates swept the town with only one of his 48-man slate losing.

Plans for the proposed new high school were to highlight another session of the Belleville Board of Education in School No. 8. Two issues which were expected to come up at the meeting was the signing of Alfonso Alvarez as school architect and Arthur Pico's resolution to split the October school building referendum to include separate questions regarding new all-purpose rooms at School No. 1 and 4.

Twenty-Five Years Ago

The town commission received a setback when the State Supreme Court reversed a ruling by the commissioners that refused to grant the Picadilly Ice Cream Company permission to erect a one-story building at 31-33 Florence Avenue. Justice Parker ruled that the building would be a considerable improvement in the district. He said the district was zoned for manufacturing and voided a zoning change that the commissioners passed in November.

Speaking briefly before more than 80 members of the Joseph King Association, Public Safety Director King revealed for the first time his intention to dedicate a new Cadillac ambulance to the memory of the late Commissioner William D. Clark. King told the members that through Clark's efforts a fund had been established for the purchase of the new ambulance.

Official recognition of the Federation of Teachers was acknowledged when the Belleville Teachers' Association organized a local chapter at School No. 8. Officers were elected and Charles F. Schultz was named president and Miss Kathryn Conklin, secretary-treasurer pro-tem. The major problem confronting them, stated the teachers, was to bring about the adjustment of the salaries of those teachers who were not in the proper level of the salary guide according to years of training and experience.

Forty Years Ago

The Essex County Chapter, New Jersey Association of Professional Engineers and Land Surveyors Inc., held its annual meeting and election of officers at the Public Service Auditorium Terminal Building in Newark. Albert S. Blank, town engineer of Belleville, was elected president of the group.

William Kennelly Inc. of New York was to sell at public auction in the Elks Club a number of choice business properties in Nutley and Belleville and several houses. The business properties were located on Franklin Avenue and Washington Avenue, with stores included in the sale. The houses were of various types, including bungalows as well as colonial styles.

Bulletin Board For Belleville

The Times-News publishes the Town Bulletin Board as a public service, not only to assist individuals in planning social calendars, but as an effort toward eliminating conflicting dates among local organizations. Club secretaries and program chairmen wishing to clear a date for a future activity may call the Times-News at 759-3200.

Civil Defense Head Clarifies Age Issue

To the Editor:

In an article published in the Belleville Times-News, March 25, 1971, the concluding paragraph read "Applications are limited to membership in the Belleville Civil Defense Auxiliary police organization."

This is not correct. Applications are open to all males, age 19 and over who are of good character. Persons interested should call the following telephone numbers listed in the Municipal building, 152 Washington Avenue, Belleville: 759-5100 Civil Defense number. 759-9100, extensions 742 or 725.

James V. LaMotta, Director-Belleville Civil Defense & Disaster Control.

Thanks Local Cops For Hospital Ride

To the Editor,

I wish to express my sincere appreciation to the Belleville police officers who were very kind to take me to my doctor's office after my fall by Floyd Street two weeks ago by Abbotts Drug Store.

I would also like to thank the police officers who came to bring me home to 26 Division Avenue.

Mrs. Evelyn Laird
26 Division Street,
Belleville, N.J.

Medical Director Thanks Belleville

To the Editor:

I wish to take this opportunity to thank the Town of Belleville for the use of their ambulance on Tuesday evening, March 30 and Wednesday morning, March 31. Our ambulance unfortunately was temporarily out of service.

Very truly yours,
Ralph A. Ford M.D.
Superintendent & Medical Director
Essex County Geriatrics Center

By Frank A. Orechio

SUGGESTIONS THAT ISRAEL GIVE UP part of the land it seized in that famous six-day war leave me cold. The record clearly indicates the United Arab Republic, in common with the Soviet Union, are people whose word cannot be trusted.

The Arab world which surrounds little Israel is committed to the extermination of Israel. This goal is a matter of public record. Most of the lands Israel seized in its war with United Arab Republic and Jordan are vital to its defense. With Russia continuing to supply the United Arab Republic with MIG-23 fighter jets and having 15,000 Soviet military men in Egypt, it stands to reason Israel is not in the position to give up one inch of land or one ounce of determination.

EASTER WEEKEND in Fort Lauderdale was what a veteran of Fort Lauderdale Easter times would expect — thousand upon thousands of college youngsters occupying the beachfront by day and the nightclubs by night. They are a very exciting lot. South Ocean Boulevard at Las Olas reminded a Jerseyite of the Atlantic City Boardwalk in July.

ESSEX COUNTY REPUBLICAN LEADER, George Wallhauser, Jr., a member of the Public Utilities Commission, has his hands full with many qualified Republicans wanting to be screened for possible nominations for county or state vacancies. Five senate seats are up for grabs, ten assembly berths, three county freeholders and the county surrogate post. Democrat County leader, Harry Lerner, has the same type of problem. This situation must redound to the advantage of Essex residents because we look forward to two highly qualified slates of candidates seeking to represent the people of Essex both in the court house and in the State Capitol.

I HAVE TRAVELLED HUNDREDS OF TIMES by plane but last Friday's Flight 897 was the first time I met a stewardess who had been in the newspaper field. The pretty little brunette, two months with Eastern, is Maner Bruner whose mother and dad publish the Twin City News in Balesburg-Leesville, South Carolina. Our conversation which covered offset printing, photocomposition and use of equipment manufactured by Compugraphic, Inc. was one of the most enjoyable I have had on an airline. Maner is a rare breed of girl with an abundance of brains and beauty to complement her industriousness. Listening in on our conversation was senior stewardess Jini Beveridge of South Miami. Talk about a

MANER BRUNER

A Surprise On Flight 897: A News Publisher's Daughter

Compugraphic 7200 or a 4961 and that was enough to turn off Jini.

UNTIL SATURDAY NIGHT Jerry Lester, the famed comedian, was a legend to me. Suddenly he's sitting on my chesterfield in our Fort Lauderdale apartment, sipping club soda and regaling the folks with tales of Cary Grant. We didn't exactly find ourselves rolling in the aisles but you can be sure the muscles of our tummies hurt from laughter. Lester is very spry, alert and hasn't lost one bit of his wit. He proved to be wonderful cocktail-hour company. Lester is making the night club tour of the United States and Canada, returning to Fort Lauderdale-Miami in mid-May at which time we agreed to get together again and share more stories.

THE RIDE BACK TO NEW JERSEY on Easter Sunday aboard Flight 32 was unique in one regard — I was the only passenger in the first-class cabin and had the privilege of having my needs taken care of by three very willing, gracious and able stewardesses with a total of 24 years of experience among them. The girls worked extremely well as a team, taking care of the coach passengers expeditiously but at the same time dropping in on me up front to make sure that I had enough of the beverage I wanted and all the breakfast I was willing to eat. Senior stewardess Diane Lowe was ably assisted by Judy Mouhot and Helen Wrenn, all of whom are stationed in Atlanta, Georgia.

EVERETT ZABRISKIE, Nutley's Board of Education business genius, is confined in St. Mary's Hospital in Orange. He underwent a successful operation and is mending according to schedule. Everett's performance as business manager of the Nutley Board of Education has won for him a national reputation in the field. Always a tireless worker, Everett is straining at the leash,

wanting to be dismissed from the hospital and return to his Nutley home.

THE BELLEVILLE COMMISSION ELECTION is firming up and careless charges are being levied by "outsiders" who are attempting to get a seat on the inside. We can expect to see the Commission campaign get progressively dirtier as Election Day nears.

JUVENILE CRIMES IN ESSEX COUNTY during the past year soared to 11,798 but only 247 offenders ended up in state homes for rehabilitation. More should have been committed as institutions were not overcrowded.

The number of murders involving Essex County juveniles quadrupled while narcotics cases nearly doubled. The City of Newark maintained its historical position — it again experienced the greatest crime rate among juveniles over all '22 Essex County municipalities. Although thefts increased from 540 to 691 and burglary and unlawful entry went from 1311 to 1539, Newark's juvenile case load totaled 4,818.

Stealing accounted for the bulk of offenses committed.

Juveniles ranged in age from eight to 17. The 17-year-olds were responsible for more violations than other age groups. The boys outnumbered the girls 5,325 to 1,286. Relatives turned in 425 juveniles while school officials made only 20 referrals throughout the county.

More than 1200 juveniles were charged with assault and two with manslaughter. The number of juvenile cases processed in Belleville were 94 and Nutley 16. Essex Fells, the richest community in the county, processed nine juvenile cases and Glen Ridge, another high income community, processed ten.

Plan Ten Divisions

Annual Parade Ready For March on Sunday

(Continued from Page 1)

Kearny, an antique car from Nutley, and the Belleville Girl Scouts.

Division Six includes the C.W. Townsman Junior Drum and Bugle Corps from Carlstadt, the Cardinal Belle Color Guard of Belleville, an antique car and the local Kiwanis float.

Included in Division Seven is the Woodsiders Drum and Bugle Corps of Newark, the Kiwanis Club, a Red Cross car and an antique car.

The Dukes Junior Drum and Bugle

Corps will lead Division Eight, followed by an antique car, the Belleville Boy Scouts, and a float from the BHS Key Club.

Included in Division Nine are the Minutemen Colonial Fire and Drum Corps of Old Bridge, an antique car, the Belleville Recreation Department Twirlers and the Salaam Temple Motor Corps of Livingston.

The final division includes the Surfman Drum and Bugle Corps of Bricktown, a locomotive and the Royalties Drill Team of West Paterson.

Schools Pollute The Air

(Continued from Page 1)

order to clean up or not. I'm waiting for further information."

The Commission investigated Belleville's schools after mention was made in the Rutgers research report on this school system that local school incinerators were polluting the atmosphere.

Superintendent of Schools Anthony Greco said the Suburban Commission's report recommended the Board discontinue use of incinerators and investigate alternative methods of disposal such as upgrading incinerators, purchase of new incinerators, or installation of compaction equipment.

Greco said the report was only "preliminary" because the Suburban Commission indicated it wants to check fuel oil consumption in local schools.

Since the school pollution issue was made public, the Board has ceased the open burning of garbage at Schools Nine and Two, but still uses its incinerators.

The Board President meanwhile, told the Times "I don't think we are more guilty of polluting the air than a lot of the other facilities in Belleville."

"From the tone of the Commission's report I would say it doesn't appear we have a crisis situation," Back continued.

"It's only because the Wallings Report highlighted the pollution with our incinerators that the Suburban Commission has turned to us instead of other areas in the community."

Real success in life isn't measured by how many individuals you excel, but by how many people you befriend.

PUBLIC NOTICE

REHEARING - BUS # 37

A PUBLIC REHEARING WILL BE HELD BY THE STATE OF NEW JERSEY, DEPARTMENT OF PUBLIC UTILITIES, BOARD OF PUBLIC UTILITIES COMMISSIONERS, ON THURSDAY, APRIL 22, 1971 AT 8:00 P.M. IN THE COMMISSIONERS' CHAMBERS, 152 WASHINGTON AVENUE, BELLEVILLE, NEW JERSEY.

THIS REHEARING WILL PERTAIN IN THE MATTER OF THE PETITION OF PUBLIC SERVICE COORDINATED TRANSPORT FOR APPROVAL OF DISCONTINUANCE OF SERVICE ON ITS BELLEVILLE-SILVER LAKE BUS ROUTE # 37 OPERATING BETWEEN BELLEVILLE AND BLOOMFIELD.

ALL OBJECTORS TO THE DISCONTINUANCE OF BUS # 37 ARE INVITED TO ATTEND THIS REHEARING.

Hearing Conflict Looms

(Continued from Page 1)

missioners never received notice of the hearing on the Wallings Report," Strumolo told the Times-News Monday. This was confirmed by the local Superintendent of Schools Anthony Greco, who said it was not Board policy to notify the Commission specially about hearing dates.

There is a slight chance residents may be spared the choice. Strumolo says he will contact the PUC and Public Service this week to see if a convenient alternate date can be arranged.

Dr. Wallings is expected to discuss projected enrollment figures for the next decade and recommendations for plant expansion and improvement. The Board of Education has said it will not act on the report until hearing the voice of citizens, and has indicated if response next week is strong, a second hearing will be scheduled. The Board did not feel it could change the April 22 date.

Common sense is a quality many fail to understand.

Court Gratia No. 751, Catholic Daughters of America, will hold an annual

Alfieri-Gingerelli Nuptials Held In Holy Family Church

Wedding vows were exchanged April 3 in Holy Family Church, Nutley, by Miss Rita M. Gingerelli, daughter of Mr. and Mrs. Louis Gingerelli of 4 Hopper Avenue, Nutley and Louis M. Alfieri, son of Mr. and Mrs. Louis Alfieri of 6 Tiona Avenue, Belleville.

The ceremony was performed by the Rev. Blake and a reception followed at Friar Tuck Inn, Cedar Grove.

Escorted by her father, the bride wore a white satin gown accented with tripointies on the bodice and fashioned with a long train. A matching headpiece held her full veil and she carried a bouquet of white roses.

Miss Barbara Grab of Nutley was maid of honor. Bridesmaids were Miss Judy Gingerelli of Nutley, sister of the bride, Miss Rita Cavallo of Nutley and Miss Janice Bucco of Kearny.

They were attired in flowered print pant gowns with solid blue bodices and wore picture hats. The honor attendant carried yellow roses with blue carnations in the center and the others carried yellow carnations and blue roses.

Salvatore Alfieri of Belleville served his brother as best man. Ushering were David Bucco of Kearny, Vincent Ventola of Belleville and Louis Gingerelli of Nutley.

Mrs. Gingerelli chose an emerald green satin gown accented by jade stones and wore a gardenia wristlet. The groom's mother was in a brown silk chiffon gown trimmed in gold and had a corsage of yellow daisies.

Mrs. Alfieri is a senior at Newark State College.

Mr. Alfieri, an alumnus of Stevens Institute of Technology, is serving in the U.S. Army with the rank of Spec. 4.

The couple will make their home in Germany for a year.

Montgomery PTA To Elect Officers

The monthly meeting of the Home and School Association of Montgomery School Number Two will be held on Tuesday, at 8 p.m. in the multi-purpose room. Election of Officers for the coming year will take place. Also Mr. Minasian will discuss that portion of the Walling Report pertaining to our school.

Forward-looking workers are now making plans for their summer vacations.

Mrs. Louis Alfieri - nee Rita Gingerelli

Former Resident Gets First Honors

Seton Hall University has named Mrs. Warren H. Fisher, the former Rosalyn Mostello, to the dean's list with first honors for the past semester.

Mrs. Fisher, whose parents, Mr. and Mrs. A. Mostello, live at 136 Delevan Avenue, Belleville, was to have graduated in June 1971 but accelerated and graduated in December 1970 instead.

She resides with her husband, a second lieutenant in the Air Force, in Warrensburg.

Miss Linda Shepherd

Linda Shepherd Is Bride-Elect Of John Kraw

Mr. and Mrs. Jack Shepherd of Smallwood Avenue, have announced the engagement of their daughter, Linda to John Kraw, son of Mr. and Mrs. Stanley Kraw of Union.

The troth was made known on Valentine's Day, at the bride's parents' home.

Miss Shepherd, a graduate of Belleville High School, is employed at New Jersey Bell Telephone Company in Glen Ridge.

Her fiancé, a graduate of Union High School, served a tour of duty in Vietnam, and is now employed by Aluminum Unlimited.

A November wedding is planned.

Miss Roseann Morano

Miss Morano, John H. Poff Will Be Wed

Mr. and Mrs. Louis Morano of 89 Magnolia Street announce the engagement of their daughter, Roseann to A/1C John H. Poff, son of Mr. and Mrs. Clifton Poff of 543 Joralemon Street.

The troth was made known March 7 at an engagement party at Amvets Hall, Belleville.

Miss Morano, an alumna of Belleville High School, is with Mutual Benefit Life Insurance Company, Newark.

Airman Poff, also a graduate of Belleville High School, is with the Air Force Security Police stationed at Dyess AFB, Texas, after spending 18 months on Okinawa.

R HIGH BLOOD PRESSURE A COMPLEX PROBLEM

High pressure can mean anything from a local weather report to a persistent salesman. But when you insert the word "blood" in between, it takes on its most important meaning — a sign of a disorder of the body's cardiovascular system. The effects of high blood pressure and certain of its causes produce injury to the heart, the blood vessels and the organs they supply.

There are a great many prescription medicines that a physician can prescribe to help relieve this condition. Very little is known as to what is the actual cause in many cases. If you have an elevated blood pressure follow your doctor's advice very carefully.

YOU OR YOUR DOCTOR CAN PHONE US when you need a delivery. We will deliver promptly without extra charge. A great many people rely on us for their health needs. We welcome requests for delivery service and charge accounts.

FLAT ROOFING SPECIALISTS
HARRISON & SON ROOFING CO.
WY 1-3319 WY 1-5497

In a state of over 7 million people, approximately half are covered by the Blues. Our "city" is made up of the people (or their employers) who pay each month to maintain an emergency fund for unexpected hospital and doctor bills. Expenses no one can anticipate or often afford. When hospital or doctor bills come up, the specialists at the New Jersey Blues help take care of the payments. Direct to hospitals and participating doctors. With next to no red tape. At no profit to us. Taking care of the health-care prepayment for the sixth largest "city" in the nation is a large responsibility. To do it we keep an eagle eye on overhead

and expenses. As a result, the combined administrative costs of the Blues is about 6 cents of each dollar. As opposed to several times that for other health insurers. And we keep trying to reduce health-care costs in other ways. By working with hospitals and doctors to see that benefits are properly used. By expanding outpatient coverage to encourage less costly services out of the hospital. By guarding against duplication of claims. Half the people in the state are members of "Blue Cross/Blue Shield, New Jersey." They feel it's a nice place to be.

NEW JERSEY BLUE CROSS AND BLUE SHIELD
Our only interest is people and people's good health
Hospital Service Plan of New Jersey / Medical-Surgical Plan of New Jersey

Belleville Girl Scouts Hold Big Birthday Scout-O-Rama

Twenty-seven Girl Scout troops of Belleville participated in a Scout-O-Rama on March 13 at the Junior High School marking the 59th birthday of scouting in America. Their "Awareness Action" was evident in the displays, posters, puppet show, dances and slides presented by the troops. Their awareness of the ecology problems facing this nation was brought to attention by Brownies patrolling with placards and by an ecology poster contest.

Judging the posters were Mayor Kenneth Smith and Board of Education member Mr. Caesar Romano. Bringing awards to their troops were Elizabeth Padula of Troop 116, School No. 5, in the Brownie category; Junior Margaret Whitman, Troop 938, School No. 1; Cadette Marcia Grasso, Troop 393, St. Anthony's Church; and Senior Susan Drake Troop 981, Reformed Church.

A presentation of the Colors by Senior Susan Drake began a ceremony at 4:00 p.m. in which all scouts renewed their Promise and Laws lead by Senior Nancy Tripp.

Among those guests greeted by District Chairman Mrs. A.H. Verhagen were Council President Mrs. Hubert Gennill, Executive Director Miss Shirley Paulson and District Advisor Mrs. Margaret Goerginer. Also present was Comm. Mary V. Senatore.

Mayor Smith offered his congratulations to the scouts and reminded them that his scouting ecology ideal could help bring the name of Belleville back to its original meaning of "Beautiful Town".

Senior Linda Oliveri received an offering from each troop to the Juliette Low World Friendship Fund which was then received with thanks by Miss Paulson for

Greater Essex County Council.

The ceremony concluded with the singing of Peace and Taps.

Participating troops included Brownie Troops 963-conservation; 964-first aid; 969-basket weaving and flowerpots; 486 bird feeders; 255-ecology campaign buttons; 711-G.S. Promise plaques; 315-handcrafts; 116-wild life; 437-go-fish pollution; and 971-crafts. Union Troops included 938-air pollution; 966-needlecraft; 906-plants; 292-frog pillows; 591-wildlife conservation; 476-ecology pictures on litter; 947-plants; 873-collector badge; 321-conservation creative arts; 961-water pollution; 954-wire sculpture; and 105-sock puppets. Cadette activities included Troop 688-puppet show on air pollution; 950-world trefoil and Philippine dance; 393-air pollution; and 48-hair care and styling. Senior Troop 981 erected a campsite and presented slides.

The spirit of scouting and what it means to many could be summed up in a note written by Alice Andrews of Junior Troop 938, School No. 1. She wrote "...becoming a scout is an honor, and making a promise that is sometimes hard to keep, but all they ask is to try. It's having a wonderful leader

CHINESE AUCTION — School 8 Home and School Association held a Chinese Auction March 12 at the school. Posing with some of the multitude of prizes won at the event are (from left) Mrs. Caesar Romano, Mrs. Charles Miele, chairlady of the Auction, Charles Miele, Association president, Mrs. Matthew Pica and Mrs. Jack Arthur, a teacher at School 8 who helped make the Auction a great success.

Shawger School Dessert Bridge On April 20

Preparations have been completed for the Third Annual Dessert Bridge and Fashion Show held by the James G. Shawger Home and School Association.

The affair is to be held at Thomm's, Newark on April 20th at 8 p.m. with this year's fashions to be presented by Aunt Marie's, Bloomfield and Harry's Mens Shop, Newark. Introducing a His and Hers Theme, the slogan reads Fashions and Frills for Jacks and Jills. It promises to be quite an evening with additional entertainment, thanks to Mrs. Frank Lucas, chairlady, in charge of the affair.

Purchase your tickets early as the supply is limited, and all tables will be reserved.

Ladies Club Gives Elderly Easter Gifts

The Belleville Fire Department Ladies Auxiliary added a breath of spring for some of the patients at the Essex County Geriatrics Hospital by presenting them with Easter gifts.

The auxiliary's annual theatre party is scheduled for Thursday, April 29. Members of the auxiliary are looking forward to seeing the Broadway show "Applause" followed by an after theatre dinner at the Black Angus.

p.m. and Sunday's at 7 p.m.

All seats have been sold for the two nights, the fifth straight year the benefit has registered a sellout. Stars of this year's show are John Misha Petkevich and Janet Lynn, North American and United States champions respectively, and the top U.S. dance team of Judy Schwomeyer and James Sladky, plus South Orange's Suna Murray, member of the U.S. world team.

The show is produced by the Essex Skating Club with a cast of some 200.

There's nothing sweeter than youth, nor anything as truthful.

Belleville Club Scores On Achievement Day

At the recent Achievement Day of the Eighth District of the New Jersey State Federation of Women's Clubs held in Rutherford, entries submitted by members of the Woman's Club of Belleville received high awards.

The first prize in hooked rugs as well as the second were captured by Mrs. Charles Rupprecht. Her punch needle design of "Barn in Winter" was the blue-ribbon winner and "Spring Flowers" came in second. Original design needlepoint second place was awarded to Mrs. Arthur Touw. An American eagle rampant on a field of red and white stripes brought Mrs. Touw the honor. Mrs. Touw is chairman of the American

Home department of the local service organization.

Conservation and garden entries in African Violets class won a first and second prize for Mrs. Arthur Mooney, well-known locally for her prize winning plants. A strawberry geranium took third in the houseplants class.

Senator Case Announces Exam For Service Academies

Senator Clifford P. Case today announced plans to hold a Civil Service examination on October 2, 1971 to assist him in selecting his nominees for the U.S. Air Force, Military, Naval and Merchant Marine Academies, for the classes entering in the summer of 1972.

Raimo Gets Post One

Ballot Positions Drawn; Dates Planned For Candidates Nights

(Continued from Page 1)
for drawing the ballot marred the otherwise friendly confrontation of the candidates or their representatives present.

Following Raimo, who is "I-A" on the ballot, are these candidates in the order in which they will appear on the ballot: Michael V. Marotti, Michael V. Salvato, Mrs. Ruth W. Dillon, Salvatore LaMorte, Julius Minuskin, Mary Senatore, Vincent T. Strumolo, Rocco Saletta, Kenneth D. Smith, James R.

Payroll Problem Averted

(Continued from Page 1)
provides for Belleville's Mayor to sign all checks. McGreevy contends, however, that this is only McCoy's interpretation, and the Commissioner says the state Director of the Division of Local Finance, Joseph N. Ehret, agrees with him. In a prepared statement, McGreevy told the Times: "I was advised by Joseph N. Ehret, director, Division of Local Finance, in the presence of Attorney General Joseph Charles, and Mr. McCoy, that I had the right to continue to sign checks until January 1, 1972.

"Mr. Ehret answered my question twice. I planned to exercise this right but Mr. McCoy has made it known that he would refuse to countersign the payroll checks, so rather than have the town employees wait for their paychecks until the town attorney could get a court order, I will waive my rights to sign checks so the employees will receive their pay on time. This is the only reason I am waiving my rights to sign checks."

Town Attorney Nicholas R. Amato, who had ruled earlier this year that McGreevy had the right to sign the checks, was critical of the ruling, which in effect nullified his own.

Amato said the Attorney General's decision was "only an opinion," and hinted he would prefer to have it tested in a court of law.

"I still feel that all rights and duties pertaining to the executive, legislative and judicial functions of a department reside with the director of that department," Amato said, in reiterating his earlier opinion.

Amato feels McGreevy has the right to sign the checks because all financial matters come under his department. The town attorney says the Walsh Act clearly gives each director the power to run his own department.

"I don't think the Attorney General's opinion took into account the Commission form of government," Amato charged. "I think it was based on a knowledge of the Faulkner Act only."

Disabled Veterans National Conference For Frank Goglia

Fran Goglia, past commander and member of New Jersey Chapter No. 53 of the Disabled American Veterans, was among the more than 300 officials who attended the annual DAV mid-winter conference at the Statler Hilton in Washington, D.C.

The three-day event was highlighted on Wednesday, March 3, when the United States Senate and the House of Representatives observed DAV Day in Congress as a special Congressional salute to the DAV's 50th Anniversary.

The observation of the DAV's 50 years of service to wartime disabled and their dependents was co-sponsored in the Senate by Senators Robert Dole (R-Kansas) and Hubert Humphrey (D-Minnesota).

It's a mistake to assume, when someone asks your advice, that the questioner is interested in what you try to say.

Golden, Robert Laterza, Joseph McGreevy and N. Tony Fernandes.

Former Councilman James R. Golden charged in a prepared release to the Times-News this week that the current administration had pursued "many loose and questionable policies and

practices...in running town affairs."

The outspoken former councilman charged local officials with by-passing public bidding procedure on several occasions by adopting resolutions waiving the requirement. Golden said this practice is contrary to the

intent the local ordinance. Golden also charged the Commission had "transgressed" the provisions of the law by creating a Parking Authority by ordinance where one had previously existed by appointment from the Council.

ELECTION NOTICE

Registration and Transfers of Voters for the Primary Election to be held on June 8, 1971 will close on April 29, 1971. If you have not permanently registered to vote or have changed your address please see your Town Clerk in the Town Hall, Belleville, as soon as possible. Office hours: 8:30 a.m. to 4:00 p.m., Monday through Friday.

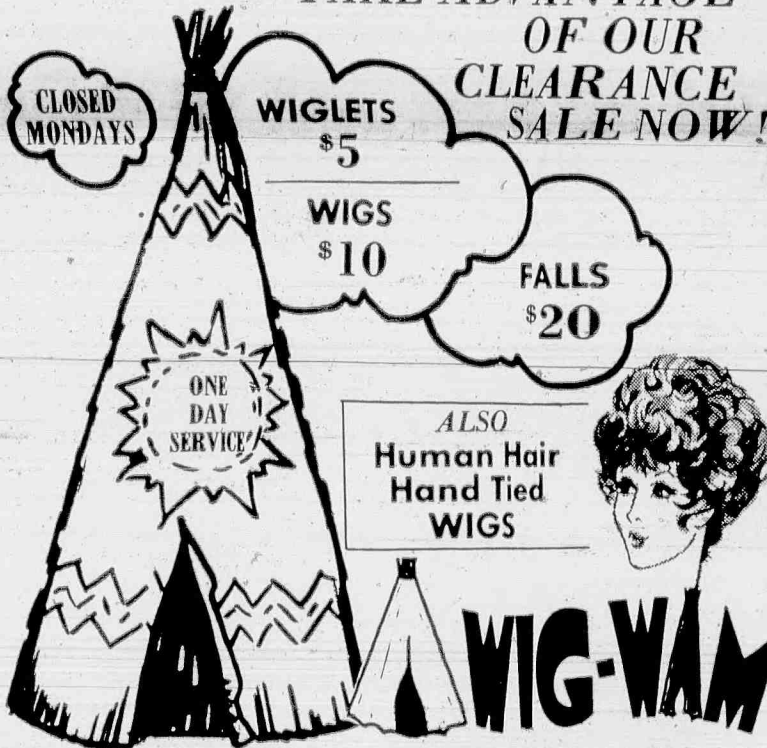

Evening Hours:

Monday, April 19, 1971 7:00 p.m. to 9:00 p.m.
Monday, April 26, 1971 7:00 p.m. to 9:00 p.m.
Tuesday, April 27, 1971 7:00 p.m. to 9:00 p.m.
Wednesday, April 28, 1971 7:00 p.m. to 9:00 p.m.
Thursday, April 29, 1971 7:00 p.m. to 9:00 p.m.

Last day to file petitions for Candidacy for Member of County Committee is Thursday, April 29, 1971 until 4:00 P.M.

Trainer Leads Scarlet Golfers

Academically, Gary is also on top. He graduated from BHS with a 3.93 average of a perfect 4.0, which placed the National Honor Society member in the Honors Group for his class. Now at Rutgers he has maintained a 1.4 average of a perfect 1.0 for his first semester. The member of Theta Chi fraternity is presently studying under the Engineering program.

This summer's tournament circuit for 1970's number six golfer in the state will depend upon the possible relocation of his family. The Trainers are possibly going to move to South Jersey, and should Belleville lose its top golfer, he would hope to get a summer job in a pro-shop near where his family will live.

Cold Showers In The Morning

The Belleville High school athletes that use the facilities at the Municipal Stadium for their practices and games just wish that someone would realize that while a cold shower may be invigorating early in the morning, it is not exactly the best thing in the world for finishing up a day's work especially with the on and off cold spells.

The members of the varsity, junior varsity, and freshmen baseball and track squads are greeted each day by water that feels like it's on a direct line to Belleville from Nome, Alaska. For some reason the hot water at the Stadium has not yet been turned on for the shower room, and these interested sports students would appreciate a little warm welcome after the victories that they have been posting.

So if you happen to see any of them hustling home at the end of the day, and rather than stop and talk they give you the "cold shoulder," now you'll know why.

Could Varsity Come Soon?

Gary is very careful about his comments on moving up to become a varsity linksman, even though he was the top jayvee man twice for his team. No jayvees have yet to be called up as replacements for the top Scarlet Knights golfers.

Belleville's top golfer in recent years is out to do his thing for Rutgers University. Gary Traylor, a graduate of BHS this

past June, is currently the number one player on the Rutgers University junior varsity golf squad, which posts a 2-1 record.

Gary's individual record is identical to his teams as he was low man in both of the team's wins. Gary shot in the mid-to-upper seventies for Belleville and is driving around 78 right now.

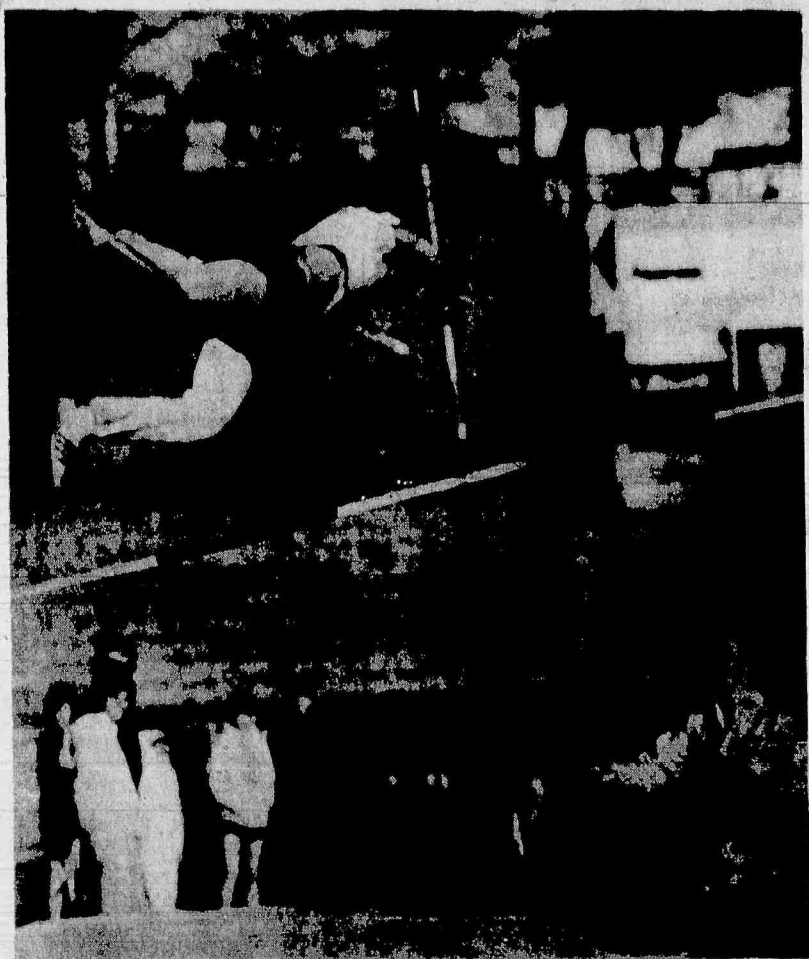

In the matches against Lawrenceville, West Point, and this past Monday against Ocean County College, Gary has been playing under the "medalist" scoring system, which is different from the "match" system used in high schools.

Under the medalist system, the golfers all go out and shoot their best hoping to place with one of the five lowest scores for their teams. The totals of these five low men for each team are then added up and the winner is of course determined by the lower score.

In the match system, the scoring is quite different. Two men from each team pair up for a foursome which goes out and plays as a group. The score of the number one man on each team is compared at the end and one point is awarded for the winner of the first nine holes, one for the winner of the second nine, and a third point for the winner of the total score. In case of a tie, one-half a point is awarded for each team.

This individual score is carried down the line for each respective member of the team, and then the scores are added up. In this system it is the team with the highest number of points accumulated that is declared the winner, while it is not necessarily the team with the lowest number of total strokes as in the medalist play.

Yesterday, Rutgers went against Union College on their home course in Piscataway and this Saturday, the State University will face Columbia and Fairleigh Dickinson on the same course.

REX WILLET knocks over bar while pole vaulting at 9'6". Rex later made the height to take second in the event. Bellboy teammate Jerry Price (right), who finished third, prepares to catch pole.

Giuffrida Hopes Squad Will Rebound Saturday After Loss To Harriton

Belleville's crew hosts Poughkeepsie Saturday afternoon on the Passaic River. The Bellboy oarsmen hope to rebound from a tough loss Saturday to Harriton High School of Philadelphia.

Poughkeepsie and Belleville last matched shells two years ago, and the Bellboys swept all three levels of competition in that meeting.

Bellboy coach Sam Giuffrida is not taking the New York crew lightly, however, and hopes to get his squad back on the winning road after the loss last weekend.

Despite the fact Belleville lost, Giuffrida

says he was pleased with the race, primarily because the Philadelphia crew is considered a national power this year (as they were last year), and because the time difference in the varsity race was only four seconds.

"Last year Harriton came in second in the National Junior Schoolboy Championship, and they've got the same crew back again," Giuffrida said. "They are going to be one of the top teams in the nation again."

Giuffrida also pointed out that the Philadelphia crew topped Holy Spirit last week by two seconds. Holy Spirit was last (Continued on Page 13)

Belleville Hosts Bloomfield Tomorrow With Back Breaking Week To Come

Paps, Marotti Propel Squad Over Columbia

Belleville begins one of the roughest weeks on its spring schedule tomorrow when it hosts neighboring Bloomfield. The game is scheduled for 3:45 p.m.

Beginning Tuesday, the Bellboys will play four games on successive days, one of which is against Big Ten leader Irvington, Tuesday. On Wednesday the Bellboys travel to Seton Hall Prep; Thursday West Side comes to Municipal Stadium, and on Friday, rival Nulley invades the Stadium.

Last Tuesday Belleville was quite impressive in knocking Columbia High School out of the Big Ten lead with a 7-5 victory. Three big runs in the last inning pulled that one out for the Bellboys, and left them with a 3-1 mark, identical in the Big Ten with the Cougars.

The Bellboys started off their matchup with Columbia with a torrid first inning, collecting three runs off the Cougars' pitcher Rich Bull.

Belleville's talented senior shortstop, Joe Papasidero, wasted no time in putting the Bellboys ahead, leading off the game with a homerun, his first of the season. With one out Frank Petite singled and was tripled home by Charlie Ziegler. After Gary Falkman walked, Jim Miele singled home Ziegler. Rocco Marotti then singled but Falkman was cut down at the plate.

Columbia bounced back with two runs in the second on three singles, and closed out their scoring with three unearned runs in the fifth. Belleville scored in the fourth when Petite singled home Papasidero, who had reached base on a fielders choice.

In the big seventh, Falkman walked and was followed by Miele's double. Marotti then collected his third hit of the game, a single, which scored Falkman. Miele, however, was cut down at the plate. Rich Giordano kept things alive with a single, and with two on, Papasidero doubled in the winning runs.

Gary Soldo picked up the win with one inning of relief for starter Sal Mineo, who was charged with all the Columbia runs. Petite came on to save the game in the seventh, retiring the Cougars without a run.

BELLBOY BLITS: Petite is off to another torrid season. The junior All-County third baseman is hitting .500, with 6-12 hits... Marotti is really having a fine season thus far, hitting .417 with 5-12... Papasidero and Ziegler are matching percentages at .306 apiece, each collecting four hits in 13 at bats.

Fall To Orange Tuesday

Weary Trackmen Host Central For Third Meet In Three Days

Belleville's track team will host Central High School this afternoon at 3:45 for their third meet in as many days. This past week Belleville picked up its second win of the season, 75-41 over West Side and dropped their meet on Tuesday to Orange 61-56. Yesterday the trackmen entered the Big Ten Relays.

Last season against Central, Belleville won by a close 60-56.5 relying heavily on the scoring in the field events. This season with a stronger track squad and a field squad almost equal to last year's the Bellboys will be looking to repeat the action.

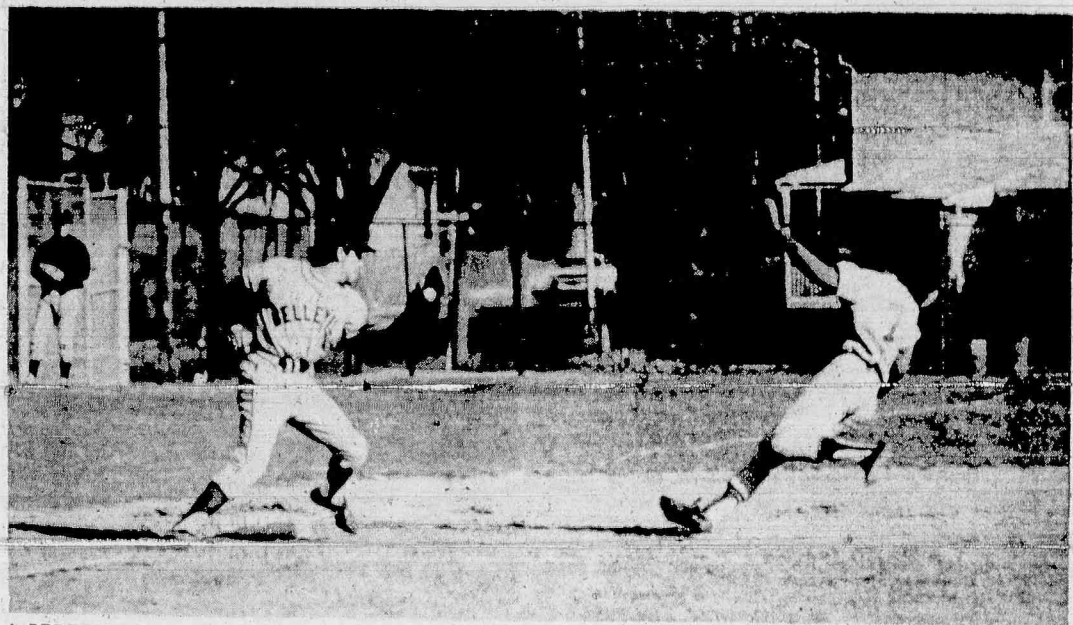

Against West Side, junior Don "Killer" Kowalski was again the high scorer with 13 points, and sophomore Tony Vincent broke the school record for his class with a first place throw in the shot put.

Kowalski scored 13 in the opener against Passaic and repeated the feat with the same events. Killer placed first in the high hurdles, first in the long jump, and second behind Ricky Caruso in the low hurdles.

Tony Vincent broke the sophomore record held by Ralph Salerno of 1968 by almost a foot and a half. Vincent placed first Thursday with a throw of 44'1" while Salerno had put the steel ball 42'9".

Belleville shutout West Side in five of the thirteen events, and won a total of eight. Nine to zero results were posted in the low hurdles, shot put, pole vault, and long jump, where Belleville took first, second, and third. In the high hurdles Belleville won 8-0, taking first and second as West Side had no competitors for this race.

Belleville's other victories

A PERFECT throw from Bellboy catcher Gary Falkman to third baseman Frank Petite easily nails East Orange runner, attempting to steal third base. The Bellboys won their second game 8-2 over East Orange Friday.

SECOND BASEMAN Rich Giordano hauls in pop fly in the bottom of the second inning as centerfielder Gerard Mongrella watches in background during East Orange game.

Mounties Deal Belleville Nine Tough Defeat

By Marc Feldman

The Montclair Mounties, behind the strong four hit pitching of Dave Sanok, dealt Belleville its first loss in three games by defeating the Bellboys 3-2 in windblown Belleville Municipal Stadium last Saturday afternoon. The loss overshadowed a strong pitching and batting performance by Frank Petite of the Bellboys. The junior righthander allowed just four hits and the three runs while striking out nine and walking just two. However, Petite allowed three of those hits in the three run fifth and one of those walks with the bases loaded.

Belleville had taken the

early lead with single runs in both the first and third innings. Petite figured in both scoring plays as he scored the

first run, and drove in the other. He singled and stole second in the first and scored on an opposite field base hit by Charlie Ziegler. Joe Papasidero beat out an infield hit in the third and proceeded to steal second and third. Petite singled down the left field line for the run.

Meanwhile the Mounties were stifled by Petite's pitching in the early innings. After Hank Mac Intosh singled to left with one out in the first, Petite settled down to retire the next eleven batters in succession, six on strikeouts.

The Montclair rally initiated by a hit batsman and a "bad hop" double by Ray Imhoff. Imhoff's hit was a clean single but he got the extra base when the ball hit a hole in center field. A single and a misplayed fielder's choice loaded the bases with a run in and none out. Petite recovered to strike out the next batter but Joe Parker singled sharply to left to knock in the tying run. The Belleville pitcher induced Hank MacIntosh to fly out to Jim Miele but he walked in the winning run when his three ball-two strike pitch to Rich Fortunato was high. Petite escaped without further damage when Len Petrillo grounded out to second, ending the inning.

Belleville threatened in the lower half of the fifth when Joe Papasidero reached base on an error and stole his third base of the day, sixth in three games. However, he was erased when Gerard Mongrella's grounder to the third baseman trapped Papasidero in a rundown. The

(Continued on Page 12)

Duffers Seeking Victory

By Bob Luongo

The Belleville golf team lost their second match by only one point to Bloomfield on Monday, 9-5-8-5.

The duffers will have two chances to pick up a win today and tomorrow as they face West Orange and Montclair, respectively. The WO match will be at Rockspring Country Club in West Orange, while Montclair will be the first home match, at Forest Hill Country Club.

Against Bloomfield, junior Dominick Palamara, the number three man, contributed Belleville's high of

(Continued on Page 13)

LEAPING over the bar in the high jump is Bellboy Roy Horman, who took his fourth point of the meet by finishing third in the event.

Mounties Hand Bellboys First Loss Despite Petite's Pitching

Frank Strikes Out Nine But Fifth Inning Costs

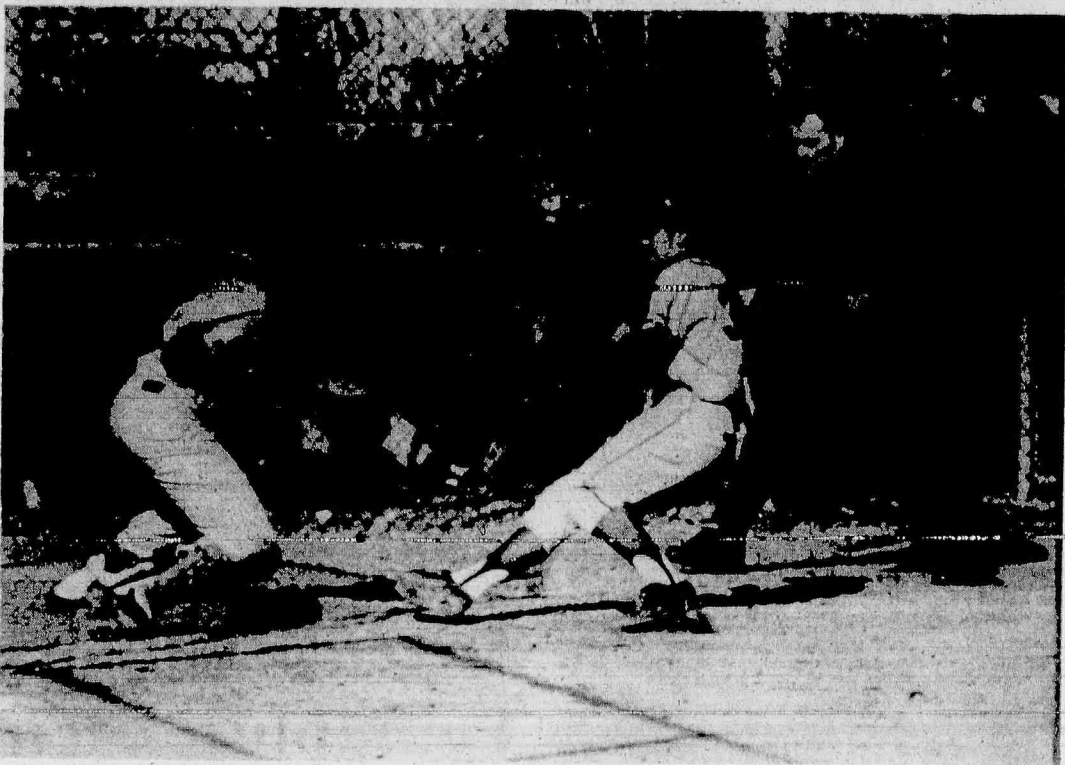

(Continued from Page 1) Bellboys last hopes vanished when they went down in order in both the sixth and seventh innings.

The game with the hapless East Orange Panthers was as wild and unruly as the game with Montclair was well played. Although the Bellboys did not wrap up the game until they scored three runs in the seventh inning, the outcome was never seriously in doubt. The Bellboys enjoyed the incredible total of twenty three baserunners, eight stolen bases, five walks, three hit batsmen, and six Panther errors. Despite all this, the score was only 8-2.

Belleville did not have an exceptional hitting day but the stolen bases and timely errors helped Belleville score

runs. Each of Belleville's extra base hits drove in runs as Rocco Marotti unloaded a run scoring double in the fifth and Charlie Ziegler, a seventh inning triple. Other offensive heroes were Joe Papisidero who scored three times without hitting safely and Jim Miele who stole four bases.

As in the first game of the season with Orange, Gary Soldo started but needed early relief help from "Old Reliable" Sal Mineo. Mineo picked up his second win of the young season as he pitched the final three and two thirds innings without allowing a hit, walking just two and striking out five. The loss was East Orange's twenty seventh straight over three long seasons.

FRANK PETITE is tagged out at the plate by East Orange's catcher Bob Reed. Petite went one hit in three at bats for the day as the Bellboys triumphed 8-2.

Lori Kemppainen Captures Tourney Fencing Crown

Recreation Girls Fencing was brought to a close with the annual tournament last week. There were two divisions of fencers, Junior and Senior. In the elimination tournament for Juniors little Lori Kemppainen fought her way, undefeated, to the Championship with Tracy McCabe taking the Runner-Up spot. Lori who is nine years old, began fencing at the age of six and shows great promise for a future in this sport.

Donna Stone was the winner in the Senior Division and Joanne Baglione was the Runner-Up. Donna should be ready to make her mark soon in open competition. She has applied herself well to the training offered to her.

Recreation Girls Fencing is under the direction of Mr. Walter Hauber who is also a

teacher and coach of fencing at Fairleigh Dickinson University. Mr. Hauber has been assisted through the season by Joan Fornarotto. The program has consisted of lessons, drill and lots of competitive fencing. The Champions and Runners-Up will receive trophies and all those who participated in the final tournament will receive official Recreation emblems. Over the years these emblems have been given only to those who competed to dramatize that it is taking part that counts regardless of where one finishes in a tournament, this is the Olympic spirit.

BELLBOY CATCHER Gary Falkman catches East Orange runner dead to rights at the plate as teammate Rocco Marotti (29) runs in from first base.

Over Nutley, Irvington

J. Nadzin Leads Freshmen To Two Opening Victories

Belleville's freshman baseball team opened its season with two victories, one a close 4-3 decision over Nutley, and the other a 13-2 slugfest for the Bellboys in Irvington.

Dennis Nadzin did his best to put on a one man show of the first game of the season against Nutley. The winning pitcher let up six hits in the seven inning game while striking out eight and walking two.

Nadzin's bat was alive too, as he scored the first three runs on a home run. Shortstop Jerry Hoban was on second and catcher Joe Cerza was on third at the time of the round tripper, and

In the bottom of the last inning Nadzin received the help he needed. Joe Cancellieri singled to open the inning was moved to second on a sacrifice bunt by Bob DiQuattro, and scored on a ground ball by Mike Donbarski.

In Irvington, Cerza took the other battery position for the final 4 1/3 innings in relief of

Nick DeFillipps and came through with the win.

DeFillipps had only allowed one run, but he had walked it all the way around the bases. Cerza piled up nine strike outs while walking only two. Irvington's second run was scored on fielding errors while Cerza was in the mound.

Cerza also went 2-5 scoring three times. He knocked in two runs, one of them on a triple.

Nadzin was the top hitter going 3-3 while the team collected 15 hits in 38 at bats. He had two doubles to drive in one run and score twice, along with two steals. Bill Telesco went 2-3 scoring both times also with two steals.

DiQuattro and Joe Arminio were also 2-5. DiQuattro drove in two on his pair of singles, and Arminio scored once and added an RBI.-JMC

Lea Dean's List For Local Student

Louis Nardiello, son of Mr. and Mrs. Canio Nardiello of 119 Adelaide Street, Belleville, was named to the dean's list at Lea College, Albert Lea, Minn., for the first semester.

Centenni No-Hits East Orange JV; Strikes Out 8

The Belleville Junior Varsity Baseball Team behind a strong no-hit, no-run game by Rich Centanni, defeated the East Orange Junior Varsity Team 12-0 at East Orange, for their second straight win against no defeats. Centanni, who had only five baserunners to worry about all game, struck out eight, while walking three. While there were two fielding errors made by the Bellboys during the game, there were also a couple of outstanding fielding plays made behind Centanni to help him get his no-hitter. One was a catch of a solid line drive by third baseman Mario Malfitano in the fourth, while the other outstanding play was an unassisted double play by the

Belleville catcher Phil Cuzzi in the fifth.

As for the offense, Belleville got their 12 runs on only five hits, all singles. Again, as in their opening game against Orange, the Belleville ball club used their speed on the bases to great advantage. The team stole 13 bases, with Mark Cervasio the leading swiper with three stolen bases. Belleville has now stolen 27 bases in their first two games.

Scoring in every inning except the second, the Bellboys scored in every way imaginable. A Frank Papisidero single drove in two runs, while singles by Centanni and Steve Lennihan drove in one run each. Two more tallies came across on balks, while another scored on a sacrifice fly by Ron Borgo.

At the end of five innings the game was called due to a curfew at the East Orange field.

Third Victory For JV

The third straight win of the season for Belleville's junior varsity squad saw them allow an opponent to score for the first time, as Montclair fell 5-1.

The jayvee team will face Bloomfield tomorrow afternoon at 3:45 at the Municipal Stadium.

Mario Malfitano recorded his first win of the season against the Mounties, striking out eight while walking only one. Mario now has 12 strikeouts and three walks in nine innings pitched so far this season.

Malfitano gave up a total of five hits in the seven innings against Montclair. The only score for the losers came when they put two together, a single and a triple, in the fourth inning.

Mark Cervasio stole his seventh base in three games as the speedy shortstop reached base three times out of four. Once Mark reached first on a fielder's choice, and the other two times, both of which he later scored, Mark was given the sack on Mountie fielding errors.

Frank Papisidero went 2-3 for the junior Bellboys and some extra alertness by the first baseman paid off. In the fifth inning, Frank noticed that one of the Mounties walked into the batters box with out a batting helmet.

Frank let the Montclair player take a couple of pitches then notified the umpire, who called the batter out since the rules say that a batter must be wearing a helmet.

Union College Schedules Special Business Seminar

Union College's Division of Community Services will sponsor an expanded in depth series of seminars for middle management personnel beginning on Monday, April 26, at the Cranford Campus.

BECK'S COLUMN

MAX BECK

The time of the year for air conditioners is around again and we would like to give some pointers if you have a unit.

Air conditioners are very reliable, given just a little attention. Before starting the unit up again, it has to be checked over. If you do not do this, you ask for trouble. First of all the filter should be clean. If it is clogged, the flow of air is restricted and it can not cool properly. In severe cases of blocking the flow of air, the unit will freeze up. The fins in the front and in the rear should be checked for obstructions. Some fans have to be lubricated; some have permanent lubrication. You can't do anything on the compressor so leave it alone. Remove rust and dirt from the pan that collects the condensed water. On some units there is a small tube that connects the condensation catching pan in the front to the reservoir in the rear. If this tube is clogged, the front pan will overflow and wet the window sill and the floor. If you see any loose wires, check the connections. Some wires are attached with clips which may lose tension and fall off. That is about all that is needed. It should be mentioned that the space between the air conditioner and the outside window sill seems to be a favorite nesting place for birds, so look if you have acquired unknown tenants.

A later column will give some advice if you intend to purchase an air conditioner this year.

Poughkeepsie Will Battle Oarsmen

(Continued from Page 11)

year's national champions. The Harriton's winning time was 5:38, with Belleville coming in at 5:42. The Philadelphia squad never had more than a bow to stern lead.

Despite Harriton's obviously "strong credentials, Giuffrida hinted that except for certain pre-season problems the Bellboys might have overturned their tough opponents.

The Harriton crew, Giuffrida pointed out, has been together for over a year, while the Bellboy varsity shell has been rowing together only about ten days. The reason for this is because four varsity oarsmen were late in reporting because of wrestling commitments. John Atherton, Frank Marano, Bob Zarra and Tom Jones. Also, varsity oarsmen Jim Drexler was declared ineligible this year because of age and had to be replaced at the last moment.

"We haven't jelled yet and aren't anywhere near our potential," Giuffrida said. "We'd like to peak shortly before the Mid-Hudson Invitational on May 6. It's not too good to peak early, that's why I haven't pushed them the varsity into raising its strokes per minute time."

Last week the Bellboy varsity was stroking at 34 per minute, the same figure it had done the previous week in an opening victory over Kearny.

"This week we're going to try and build it up to 36 strokes per minute in that last quarter mile," Coach Giuffrida said.

The Harriton crew was also stroking at 34 per minute, and Giuffrida sees the margin of victory coming from the fact that the Philadelphia squad had bigger men in three positions, which is saying a lot because the Belleville crew is considered strong.

The Belleville Junior Varsity Shell, meanwhile captured its second straight victory without a defeat, beating the Harriton JV's handily 5:54 to 6:12.

Giuffrida is quite pleased with the progress of his JV shell, and reports the younger shell gives his varsity crew a tough race in practice run-offs.

The JV shell's stroking was about where Giuffrida would like it, at 36-37 per minute. The only change in last week's JV shell was the substitution of Rudy Petrole at the number two spot for Pete Peterson, who was ill. Peterson will return Saturday.

The Belleville freshmen also won their second meet without a loss, topping Harriton by 6:29 to 6:36. The squad led from the beginning, although it only had about a half boat length lead going into the final quarter.

The frosh crew's 34 strokes per minute evidently shows the shell is maturing. Last week Giuffrida and freshmen coach Tony Sorrentino were concerned the crew was stroking too fast, but blamed it on opening meet nervousness.

The frosh victory was doubly impressive because the victory actually came over Harriton's sophomore oarsmen. The Philadelphia school doesn't have a frosh shell.

Golfers Seeking Victory

(Continued from Page 11)

three points. Palamara shut out his opponent 3-0 by winning both sets of nine holes and the final tally.

Neil Simone again scored 2½ points as the number five man tied the front nine and won on the backstretch. The sophomore has contributed 5 points the highest number for the team this season.

Junior Gary DeFura donated two more points as he beat his opponent out, but lost coming back.

The final point was added by team captain Roger Ross who got one point although he shot Belleville's lowest score, an 86.

Denas Pacing League

With 84 games played in the Recreation Housewives Bowling League at Olympic Bowl the Denas have taken a strong lead with 61 wins.

In second place is Washington Pharmacy with 52 and a half wins. Third place is practically a tie with Pats Dairy sporting 48 wins and Mr. Foamy forty-seven and a half.

Others in the top half of the League are Jolly Cleaners 46, NuBell Cleaners 45, Franks Quality Cleaners 44 and one half, Sidney Sales and Joe Marino Excavating 43 and one half, Pinettes and Ups & Downs 42, and Blue Ribbon Tires 41 and one half.

There have been two outstanding individuals performances reported by League Secretary Helen Semchak. Andree Morel of the League-leading Dena team posted a handsome 579 series. Eunice Pennetti of Washington Pharmacy has set the individual games standard at 223.

Recreation Housewives Bowling is conducted every Thursday afternoon at Olympic Bowl. There are 24 teams of enthusiastic bowlers and seven months of intense competition. It will be interesting to watch the leaders as the teams go down the home stretch.

VIN SORRENTINO (second from left) passes gavel to new president of the Belleville Varsity Club, Bill Ellis. Also shown are (l-r) Tom Mack, new secretary, Nick Landolfi, financial secretary, and John Shelesky, treasurer. Missing from photo is Rocco Cervasio, vice president. Ellis announced that the annual all-sports dinner is scheduled May 28 at the Robin Hood Inn in Clifton.

O'Connell Gives Momentum

Zig Zags Stomp Circles Five To Capture Men's Loop Title

The Zig Zags stunned the Circles 88 to 63 to capture the Belleville Recreation Mens League playoffs.

In the first quarter the "Zags" opened a 20 to seven lead. John O'Connell tossed in three quick field goals from the top of the Key, to give his team the momentum. Bob Laird, Mike Liloia and Thomas Joyce combined to score another 14 points. Bill Rush managed one field goal and three foul shots to lead the Circles in the first quarter with five points. The low point for the Circles was that they made only one of twelve field goal attempts, for a feeble eight point four per cent. The Circles opponents hit on a 55 percent clip.

The Circles narrowed the gap to 36 to 29 in the second quarter. James Catalano scored ten of his total 13 points in the first seven minutes of the second quarter. Ronald Tomaszewski

tacked on two long bombs from the corner. In this quarter the Circles had their best shooting percentage, hitting on 47 percent of their attempts. What prevented the Circles from gaining more ground was the fact that the "Zags" hit on seven out of

13. Marty McNish pumped in six points to help the Zig Zag maintain their lead.

The "Zigs" turned on the steam in the third quarter. Once again Mike Liloia found the range as he gunned in eight more points followed by Jim Nisivoccia and Bill

Tyson with six points each. Art Sheridan matched Mike Liloia's 8 points but the Circles still lost ground. In the fourth quarter the Zig Zags were still pouring it on as they out scored the Circles 24 to 16.

ROY HORMAN crosses line for second place finish in the two mile run against West Side.

BOB LUONGO, Bellboy sophomore discus thrower, gives a mighty heave. Foul trouble and just plain nervousness hampered Luongo, but the Bellboy weightmen nevertheless swept the event 9-0.

Boxing Association Set To Honor Mickey Greb

By Frank Ceres

The International Veteran Boxers Association (called Ring 25), serving Essex, Union and Morris counties will honor former outstanding lightweight boxer of the 1930's, Mickey Greb, who presently resides in Belleville.

Ring 25 will hold its sixth Annual Dinner at De Mario's Restaurant and Supper Club, Route 10, Whippany on Saturday, April 24. The purpose of this annual affair is to honor former great boxers and other athletes in the tri-county area.

During his pugilistic career Mickey Greb was managed by the colorful Angelo Pucci and he made his presence felt in the boxing world when he fought former champions Johnny Dundee, Freddie "Red" Cochrane and Nel

Tarelton, British Empire lightweight champion while losing disputed decisions.

Among the well known boxers who were knock out victims of this tough lightweight were Patsy (K.O.) Fanning, Chuck "Red" Connors, Johnnie Mayhook, Paulie Smithers and Sid Barty. Mickey has been very active since hanging up his gloves with several Boy's organizations, teaching boxing all year around.

He has organized boxing classes for the Police Athletic League in Nutley, Belleville and Secaucus. For over 25 years, Greb has been a Boxing Director for several boys camps in and around New York State, Connecticut and New Jersey and presently is the Boxing Director at Kutsher's Sports Academy, Monticello, N.Y.

On March 24, 1960 Mickey

Greb was named the "Man of the Year" by the Catholic war veterans along with Rev. Seymour B. Everett of St. Mary's Church in Nutley and in 1965 was entered in the Boxers Hall of Fame by the Old Timers Association.

During World War II, Mickey Greb was the Director of Athletics with the United States Air Force located in the Panama Canal Zone, where he organized Boxing Teams which distinguished themselves as the best in the Armed Forces.

Presently Mickey Greb is one of the most outstanding Fight Referees in the State of New Jersey, having been appointed to that position by State Athletic Commissioner Abe J. Greene in 1949 at which time the Commissioner quoted that Mickey Greb deserves this break.

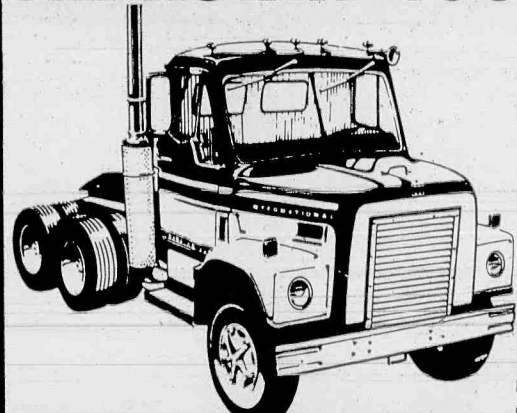

Scouts In Town To March

This Monday night at 8 the Belleville District of Robert Treat Council, B.S.A., will hold its April Round Table to make plans for marching in next Sunday's Cherry Blossom Parade and to discuss the District Camporee set for April 24-25.

The meeting for all scoutmasters, assistant scoutmasters, and committee members of the nine troops in the Belleville District will be hosted by Robert Fersch, scoutmaster of Troop 387, at St. Peter's Church on Belleville Avenue.

The meeting will be conducted by Lawrence Skidmore, the Belleville Round Table Chairman and an assistant scoutmaster of Troop 301 of Wesley Methodist.

Special Class

Non-Western Culture Popular With Students

Most Belleville High students study American history and English and American literature, yet graduate with limited knowledge of non-western culture. For students who qualify, this gap is filled by the World Area Study class, taught by Mrs. Judith Pfennig.

World Area deals with the cultural history of Africa, the Middle East, India, South-East Asia, and the Far East. "The purpose of World Area Study," says Mrs. Pfennig, "is to help students to develop an appreciation and understanding of non-western peoples through the study of their history, politics, economics, and culture." These objectives are achieved through intensive individual research. Mrs. Pfennig's 30 students read various books, write papers, and prepare projects. A panel research approach was used in the study of Africa, and the students are having debates on Japan. On April 28 the class, along with Mrs. Angela Di Maggio's enriched U.S. History 2 class, will hear a speaker from the Japanese Embassy to the United Nations, and then have a sukiyaki lunch at a Japanese restaurant.

Mrs. Pfennig, who is in her third year of

teaching World Area, earned her bachelor of arts, major in history, at Caldwell College. She was a master's degree in non-Western culture from Montclair State College, and India is her special field of study. She feels that her master's work in non-western culture has helped her to guide her students into more intensified study. "With the increased role and importance of non-western nations in world affairs today," she said, "I believe World Area can provide students with a valuable insight into cultures they would not ordinarily have an opportunity to study."

According to Mrs. Richard Graves, chairman of the Social Studies Department, the course prepares students for college, and provides an area of concentrated study for students planning to major in history. World Area Study is an enriched course and students must have proven academic ability to be admitted into it. Mr. Hermann Knuppel, head of the BHS Guidance Department, is now screening applicants on the basis of achievement in English, civics, world geography and other social studies classes.

New Cheerleaders Plan Vote For Captain Soon

By Dorothy Jackson

The finals of the Belleville High Cheerleading tryouts were held March 17 under the direction of Cheerleading advisor Miss Carol Filemyr. Trying out were the girls who wished to participate in this spirited activity during the 1971-72 school year.

The March 5 registration was followed by practice sessions in which veteran cheerleaders demonstrated the ins and outs of cheering for

the candidates. At the finals, they were required to do the "Tough Enough" cheer, in which they were given the words and had to make up the cheer themselves. They tried to include their best gymnastic talents in the "individual" cheer, making sure variation, balance and poise were evident in everything they did.

The squad includes veterans Debbie Meola, Peggy Buckland, Carole Massi, Lynn Halpert, Maria Zarra, Kathy

Students Try Teaching For A Day At BHS

Belleville High students had a chance to assume the teacher role on "Student Day," March 29, sponsored by the Future Business Leaders of America Club. The 116 participating students were required to have a B average in the course they wished to teach, as well as three teacher

references. Senior Kathy Natale, the president of the FBPA, organized Student Day with advisor Mrs. Audrey Jones of the school's business department. The students were rated by 11 FBPA members on control of the class, attentiveness of the students, and on what was actually accomplished.

The students all seemed to enjoy themselves. Heidi Weiss, who taught Miss Mary Jamgochian's Speech classes, found it "rather entertaining." Liz Frotton, who taught all of Miss Ann Schneider's U.S. History 2 classes, admitted that she was "a little scared."

Student teachers who introduced an unusual activity, or lead classroom discussions seemed to have the most success. Liz Frotton was able to get some good student participation with her lecture on Hitler, and Tom Jones, teaching Puritan literature to Miss Catherine Schlachte's English 3 classes, moved his students to questions and to laughter.

Bill Trignano lectured to a very quiet biology class on cellular reproduction, while Bruce Creditor conducted a lively test review in Mr. Leonard Marsiano's enriched English 4 class.

Seniors Carole Ferriol and Anna Spagnuolo, who split up their French 4 class, had some success by departing from the teacher's lesson plan. Carole conducted a French spelling bee, and Anna had the students sing a folk song "Pourquoi ces Canons"—quite similar to "Where Have All the Flowers Gone." Mr. J. Gavitt's U.S. History 1 students, who were instructed by a team of 3 teachers, Mary Lou Martin, Frank Marano, and Fred Tripp, devoted a great deal of classroom discussion to a trip they had taken the day before to Mystic, Connecticut.

The school's administration was also replaced by students, with Alan Grossman and Michael Guilianno as co-principals and Bob Heerbrandt and Bill Hamilton as co-vice-principals. Alan and Michael had two problems to contend with. One concerned a neighbor who was throwing branches on the high school lawn, the other, a garbage pile-up in the parking lot. These crises were attended to by the student administrators, who were then free to wander the building checking up on the school's student faculty.

The evaluating committee is in the process of writing a bulletin, which will include the

opinions of the evaluators, the student day teachers, and the faculty. One of the evaluators, Joe Papasadero, felt that the program was well organized. "90 per cent knew their lessons, and not many taught new material. The student teachers took the role very seriously and the majority got more done than most teachers expected."

Shelter Easter Party

Twenty-seven youngsters were treated to a real live Easter bunny in the person of senior Mark Bradley when a committee of Belleville High seniors threw an Easter Party at the Children's Shelter of Essex County Saturday April 3.

Under the organization of Donna Cargilo, the seniors first served lunch of sandwiches and chocolate milk to 16 children aged three to five. The BHS students included senior class president Annette Guardabascio, Janice Rosania, Janice Innamorato, Mary Ann Ritaceo, Mary Beth Salomone, Nancy Baumgartner, Tom Vitello, and of course Mark Bradley, who later made a grand entrance as the "Easter Bunny" and gave each child a stuffed bunny.

Both students and community members contributed to the party's success. The food was donated by local merchants—meat by Esposito's Market (Franklin Ave.) the milk, by Gialanella's Market, (Joralemon St.); the eggs for the Easter egg hunt were donated by Belle Maid's (Joralemon St.), the chocolate for the milk was contributed by the Seabreeze Syrup Co., and Donna Cargilo's aunt, Mrs. Rose Enik, made cupcakes. The Belleville High School National Honor Society donated Easter baskets for the children.

The Children's Shelter of Essex County, established in 1958, and directed by Superintendent Mrs. Arleen Kenny, has a population of 70 to 90 children, who have either been abandoned, abused, evicted, or neglected. Says Mrs. H. B. King director of volunteers, "They are temporarily homeless, through no fault of their own." The children range in age from three to 16.

Both Mrs. King and house mother Mrs. Helen Akus, assisted the BHS students with the Easter party, along with Mary Welsh, a student volunteer from Clifton.

Turtle Back Zoo Plans Special Event: Bird Walk

The Turtle Back Zoo in West Orange will hold a bird walk at Montclair Hawk Lookout in Mills Reservation on April 20 and 23.

While most walkers will be meeting at the Zoo at 8 a.m., those from this area may meet at the site. For instructions, call the Zoo.

Teacher Makes History Much More Interesting

By Marylou Martin

U.S. History I students are finding the subject more enjoyable thanks to Mr. J. Alan Gavitt.

Mr. Gavitt received his Bachelor of Arts degree from Montclair State after student teaching at Belleville High under Mr. Richard Graves. While having taught at Belleville for the past two years, he has been working for a Masters in History

which he will receive this August from Montclair State.

He chose history and social sciences because it is a subject he has enjoyed since high school. Mr. Gavitt is a member of the American Historical Association and the Organization of American Historians, both professional organizations.

Mr. Gavitt was involved in the organization of the Future Lawyers Club this year and serves as advisor. The club meets in the evenings and visits courts or has guest speakers.

This year also saw the advent of the Belleville High Soccer Club, organized by Mr. Gavitt. His favorite sport, he lettered in it for three years in high school and four years in college as a center forward. He hopes for more participation next year and the possibility of organizing a team.

His sports involvement also includes his positions as Assistant Basketball Coach one year under Mr. Herman Wische and one year under Mr. Robert Palma and Assistant Track Coach two

Pvt. Pugnet Ends Electrical Systems Course for Army

Army Private Albert I. Pugnet Jr., 18, son of Mr. and Mrs. Albert I. Pugnet of 66 Lake Street, Belleville, recently completed a 12-week fuel and electrical systems repair course at the U.S. Army Ordnance Center and School, Aberdeen Proving Ground, Md.

He was trained in the operation and repair of fuel and electrical systems of the Army's Combat and tactical vehicles. He also studied the electrical components of such tracked vehicles as the M-60 tank and the M-113 and M-114 personnel carriers, as well as the electrical systems of all the Army's wheeled vehicles.

years under Mr. Raymond Haneke.

Recently Mr. Gavitt's students went on a field trip with the students of Mr. Richard Graves to Old Mystic Seaport, Connecticut. Asked how the students responded to it, Mr. Gavitt replied, "They enjoyed it. It gave them a chance to see the artisans and industries associated with ship building and whaling."

Other adults who accompanied the students on the trip were Mrs. Gavitt and Mrs. Mocarski.

America's proudest heritage... yours in pure silver.

Recently the American Flag has become the symbol of a new found patriotism and national pride. Probably at no time since the end of World War II have the American people so proudly displayed "Old Glory"

We now take great pride in making you a gift of a special limited edition pure silver 1971 American Flag Commemorative Ingot. It's a valuable gift just for opening a savings account

of \$200. It's 20 grams of .999 pure silver. A protective case shields its proof finish from wear.

The 1971 American Flag Ingot is a treasured patriotic keepsake that will continue to grow in value. It's a priceless gift of enormous historical and personal significance. It's the gift of America's proudest heritage in pure silver.

On opening a Regular Checking Account for \$250.00 you can also purchase the Silver Ingot for \$3.00 plus tax.

Dr. Peck Responsible

Belleville Students In State Operatic Festival

Belleville was well represented in the Twenty-Third Annual North Jersey High School Operatic Festival, which presented a concert version of Giuseppe Verdi's "Aida" March 27 at Union High School. Bruce Creditor played clarinet in the 120 member orchestra, while seven Belleville High students sang in the 750 member festival chorus: Karen Mostello, Anita Massi, Lois Smith, Nancy Tripp, Donna Rainone, Irene Serio, and Betty Coughlin.

Mr. Samuel W. Peck, as chairman of the North Jersey 1971 Operatic Festival Staff, was responsible for a great deal of the program's extensive preparation. Peck, who is the director of music in the Belleville Public Schools, serves as the North Jersey Chairman of the State Committee on Opera in Music Education, and coordinated last year's festival. At the close of the March 27 concert Peck was given an award by

Students' Week Helps Relieve Daily Routine

To help Belleville High students break up the monotony of the regular school day, the Student Government Organization under president Brenda Cameron came up with "Student Week," which provided for a change of each day's activity.

Student Week began Monday March 29 with "Mix 'Em Up Day." Students mixed and matched up shoes and socks, within certain limitations - no one was allowed to wear unsoled shoes or sneakers that were in poor condition. Tuesday was "Dress Up Day," and it was asked that no denim jeans be worn. The students were expected to wear Sunday dress.

"Twirl Day" was Wednesday's diversion. On this day, the boys were able to ask the girls to do small favors for them, such as carrying their books to class but NOT buying their lunch.

April Fool's Day was designated "Exchange Day." Each student had a chance to exchange one of his classes with another. They were asked not to exchange if they were having a test in a particular class, and the exchange student was required to give the resident student his homework assignments.

Student Week ended Friday with "International Rap Day." Students and teachers in classes such as History, English, Foreign Languages, and fine arts were encouraged to hold discussions on a variety of topics.

"Student Week" was preceded by "Student Day," Friday March 26. This project, conducted by the Future Business Leaders Club, gave students the chance to take over a teacher's class. The student had to have a B average in the course he wished to teach, as well as three teacher references.

Key Club Celebrates St. Pat's

The Belleville High School cafeteria was filled with the qualities of politeness and gentlemanliness as members of the high school Key Club escorted the female faculty members to a St. Patrick's Day Tea, March 17.

Senior Tom Jones, Social Committee Chairman, added certain awards to the annual event. The Immemorial Elm Award, for the most serene teacher, was presented to Mrs. Angela Di Maggio, and the Simplicity Award, for the teacher easiest to figure out on tests and exams, was presented to Miss Catherine Schlachte. The Most Delayed Continuing Performance in Homeroom (teacher most often late) Award was received by Miss Oliver.

The Key Club Irish Colleen Award, presented to the teacher who best exemplifies the Irish spirit went to Mrs. Pugliese. A tie was granted in the award of Teacher Most Dedicated to the Separation of the Sexes. This award was given to the entire girl's Physical Education department.

Concluding the ceremonies was an election by the Key Clubbers of the Key Club Sweetheart. From among the fourteen candidates for the award, which included a five pound box of chocolates, Mrs. Marybeth Ellis, of the English department was chosen.

the New Jersey Music Educator's Association for his outstanding contribution to the Operatic Festival. The presentation was made by Mrs. Bessie Bramson, a member of the State Committee on Opera in Music Education who handled publicity for the 1971 Operatic Festival.

Mr. Louis Kosma, the conductor of the Belleville High School Orchestra, also worked with the festival orchestra. Kosma, a bass player, was in charge of rehearsing the string basses and cellos.

Another contribution of an artistic nature was made by Belleville High junior Lynn Hosley, who designed the cover of the "Aida" concert program. Her drawing was chosen in a competition sponsored by the NJMEA.

The purpose of the Operatic Festival, in the words of NJMEA president Rudolph Kreutzer, is "to give as many students as possible a chance to participate in an opera." The concert was held in the gym of Union High School, a modern, sprawling building with an enrollment of about 2400 students - about twice that of BHS. Half the gym's seating capacity was taken by the 750 member chorus, directed by Mr. Peter E. Franks, while Mr. Herbert Matte conducted the orchestra, set up on the gym floor. It is quite possible that performers outnumbered spectators, and although their mere number would have made the performance overwhelming, musically the evening was equally impressive.

The concert included two soloists, two duets, and a trio, chosen by audition two weeks prior to the concert. Mr. Andrew Lundquist, director of choral music in Glen Rock, was in charge of auditions, whose judges were taken from three colleges. Ballet was provided by dancers from Clifford Scott High School, directed by Mrs. Helen Wright, and from Union High School, directed by Mrs. Lucian Slomkowski.

BELLEVILLE HIGH School News

The information on this page is provided by the staff of the SPOTLIGHT.

BETH FITZGERALD
School Page Coordinator

Sue Drake Heads Debating Club

Belleville High's Debating Club offers students who enjoy it a chance to debate topics of current importance. The club is under the leadership of president Susan Drake, whose duties include calling meetings and organizing debates. Sue feels the Debating Club offers students aid in finding "good ways to communicating with people."

This concerned senior is president of Senior Girl Scout Troop 981 which is working on pollution control and is a candy striper at Clara Maass Hospital. Also involved in school, Sue is a member of the Political Club, Future Teacher Club, and Bookends, vice-president of the Spanish Club, and a Spanish tutor in the Key Club Tutoring Program. Musically inclined, Sue plays the flute in the BHS Orchestra, and sings with the Bakers Dozen, the female vocal ensemble.

Sue has been accepted by Newark State College, and plans to major in elementary education.

First Time Held String Festival Thrills Students And Teachers

String players throughout the school system, were given a chance to demonstrate their proficiency in a String Festival at Belleville Junior High March 19.

The program was opened by the fourth, fifth, and sixth grade strings. Mr. Joseph Sellitti conducted the beginning strings, and Mr. Louis Kosma the intermediates and the sixth graders. The Junior High School Orchestra, under the direction of Mr. Oliver James performed "Mc Arthur Park," "Mojave," "Unchained Melody," "Like Young," and "Greensleeves." James sang "Waltz for Debbie," accompanied by Mr. Thomas Fenetti on piano and Kosma on string bass.

Speaking during the program were Mr. Caesar Romano of the Belleville Essex County CYO Plans Annual Student Art Affair

Essex County CYO is sponsoring its annual Art Contest for elementary and high school boys and girls, according to program director Robert Larkin.

The competition will be broken down into three divisions.

Board of Education, and Kosma, who then conducted the Belleville High School Orchestra in "Gavotte" by Corelli, "Ebb Tide," featuring Bruce Creditor on alto sax and Susan Griwert on piano, "Never On Sunday," the main theme from "Exodus," the "Neapolitan Serenade," and "Adagio" from the Farewell - Symphony by Haydn. Kosma explained the story behind the piece, and the two violinists remaining on stage at the end of the selection were Karen Mostello and Bonnie Berkowitz.

This was the first public performance of the BHS Orchestra, and Kosma was thrilled with the way they performed. "It was the first time we got as close to a professional string sound, even with the small number of strings we have." There may be another orchestra performance soon, probably at Easter.

Macbeth Draws Mixed Reactions

Shakespeare, which has long been required reading in senior English classes, came to life for 250 Belleville High students in a production of Macbeth at the McCarter Theatre in Princeton March 23.

Audience reactions were generally unfavorable. Mr. Michael Lally said "I thought it was good that the students saw 'Macbeth' but I've seen better productions." Junior Patty Tortorello walked out on the performance, which

she thought quite boring. Miss Corollo felt "the staging was excellent. But they rushed it too much, and the dialogue was garbled and lost in their haste."

Senior Heidi Weiss had this to say of the production: "It was poorly acted and poorly staged. They should have spent less time on scenes and more on stage technique." Cheryl Moore was one of the few who liked the play. "I don't like the play itself, but I liked this production."

For 1971 Three New Men At Clara Maass

New staff appointments and new additions to the Board of Trustees have been announced by Clara Maass Memorial Hospital in Belleville.

Albin H. Oberg, executive director of the hospital announced that Dr. Robert E. Rich of Essex Fells is serving as medical staff president.

Archie C. Barbata, president of the hospital's Board of Trustees, has announced the election of Reverend Paul A. Laurrel to the board and the appointment of James V. Hardman to the office of corresponding secretary of the board for the year 1971.

A graduate of Amherst College, Dr. Rich earned his MD from Jefferson Medical College in Philadelphia. He is a diplomate of the American Board of Surgeons and a fellow of the American College of Surgeons. He is currently attending surgeon on the hospital staff and has been a consulting surgeon for Essex County Hospital, Overbrook.

Reverend Laurrel is pastor of the First Lutheran Church of Upper Montclair. Pastor Laurrel was educated in Worcester, Mass., receiving his BA from Upsala College and Agustana Theological Seminary. He did graduate study at Kennedy School of

Missions, Lutheran School of Theology and Princeton Theological Seminary.

Pastor Laurrel served churches in Natick, Mass. and Pueblo, Colo., before coming to Montclair. He is a former member of the executive board of the Jersey Synod and Lutheran Welfare Association of New Jersey, the examining board of the Family and Children's Society, Montclair and former president of the Montclair and Vicinity Ministers Association.

A resident of North Caldwell, Hardman is president of Hardman, Inc. of Belleville, a manufacturer of industrial adhesives, liquid polymers, specialty rubber compounds and automatic adhesive dispensing equipment.

Hardman graduated from Cornell University with a bachelor's degree in chemical engineering and is a member of the Montclair Society of Engineers, the American Chemical Society, the Society of Plastic Engineers, the New York Rubber Group and the American Management Association. He is also a trustee of the Belleville Foundation.

Banner Year In Insurance For Resident

Paul F. Holick

Paul F. Holick, special agent with the Prudential Insurance Company's Montclair branch office, has sold over two million dollars of insurance this year.

This is Holick's sixth consecutive million-dollar year since joining the company in 1958. He also passed the two million dollar mark in 1969.

He earned a bachelor's degree from Panzer College in 1952 and a master's degree from Rutgers University in 1954.

Holick is a member of the Knights of Columbus and St. Mary's Church Holy Name Society in Nutley. He is also active in the Newark Life Underwriters Assn.

Your Weekly Horoscope

April 15 through April 21, 1971

ARIES (March 21-April 19): If you slithered through last week without any major confrontations, you are to be congratulated, Ari. Week coming up should be more favorable. Especially if you have career plans in the oven. Just don't fall for any half-baked schemes. Explore all before signing papers of legal nature.

TAURUS (April 20-May 20): Hot-diggity! Beaut of a week for you! Scrambled pieces should all fall into place and make a lovely picture to behold. That which caused you some consternation last week will fade-in for a few hours and then fade-out, permanently. Message comes via universally understood language. The most primitive one.

GEMINI (May 21-June 20): If you've been "shooting dreams" lately, Gem, prepare for a misty head. As you know, your sign is that of The Twins. But if you continue to mainline dreams, one twin will never know what the other twin is up to. And herein lies the problem.

CANCER (June 21-July 22): Cycle on upswing. Moonbaby. That which you thought was gone forever, will come again. Key word is "blue." Olga wants her Moonbabies to get everything good that is their due, so be careful. For if you don't seize the moment, it may disappear like a puff of smoke.

LEO (July 23-August 22): Some cat will attempt to put you in his/her trick bag. Don't fall, Leo baby. For you'll go in believing one thing, and come out all bent out of shape.

VIRGO (August 23-September 22): Fantasies you have been enjoying lately, Virg, need some overhauling. Either that or you'll have to dredge up some new ones. After all, fantasies, like most things, are subject to the law of diminishing returns.

LIBRA (September 23-October 22): Strive for gentle tolerance with daily associates, Libra. Especially one who is not intellectually inclined. This person could very well have solution to one of your main problems. Intellect is not all, Lib.

SCORPIO (October 23-November 21): You have no doubt been pressing for privilege in recent weeks, Scorp. And what Scorp presses for, Scorp usually gets. Just be prepared to answer pertinent questions, when they arise. And they will, they will.

SAGITTARIUS (November 22-December 21): Your body will remember what your mind has long forgotten, Sag, and one who ages ago made indelible imprint on your heart could once again appear on scene. Proceed with caution, but without fear.

CAPRICORN (December 22-January 19): Truth presents itself in week ahead, Cap, but in unusual way. Rather than "physical" truth, look instead for "psychic" truth, which cannot be explained in routine way.

AQUARIUS (January 20-February 18): One near and dear needs tender affection, Aquari. Give it generously. Your reward will be bountiful, indeed. Money matters highlighted, and vibes are excellent concerning new venture. Read Libra for extra little message.

PISCES (February 19-March 20): First day of week packed with emotion. Hold your head high, Pisces, and one who may play role of bully will withdraw. Week tends to level and money matters take top priority. One whom you hold dear will need understanding before fifth day. Offer empathy, for soon the proverbial shoe will be on the other foot.

A Message to Mothers from Uncle Sam

And for their fathers and doctors, too.

An important message.

With vital information for mothers with children who simply can't learn in the ways most children learn.

You may have a child who is like seven million other American youngsters who are absolutely OK but for something which prevents their absorbing knowledge or, perhaps, simple everyday skills.

Maybe it's deafness or hearing difficulty, blindness or impaired vision, or some bodily defect. Such handicaps may not always be curable—but even so Special Education methods can teach these children a great deal.

And if a child has a mental or behavioral learning handicap, Special Education can often not only teach him, but also help to reduce or even overcome the condition.

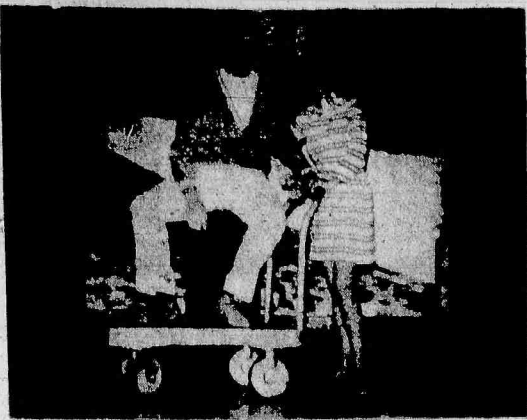

If your child is hard to teach, write for the name and address of the nearest school or clinic having Special Education facilities. The information is free—from Uncle Sam.

A public service advertisement of
NUTLEY SUN - BELLEVILLE TIMES

OUR HERO. — Albert Peterson and Rose Alvarez in final rehearsal for the musical "Bye, Bye Birdie" which opens tomorrow at the St. Mary's Theatre Guild.

At St. Mary's Birdie Opens Tomorrow

The St. Mary's Theatre Guild will mark opening night with "Bye, Bye Birdie" tomorrow at the church school gymnasium. The musical will be repeated Saturday, and again next weekend, April 24-25. All performances are scheduled for 8:30 p.m.

The director, Jerome Goldstein, and choreographer, Anita Katz, feel "Birdie" will go down as one of St. Mary's best productions. The Theatre Guild presents a major musical each spring.

Goldstein has produced and directed previous shows for St. Mary's including "Pajama Game," "South Pacific," "Music Man," "How to Succeed" and last year's "Oklahoma."

Featured in "Bye, Bye Birdie" are Edmun Burke, Terry Clark, Mrs. Angelo Caprio, Mrs. Edmun Burke, and Robert Haines. Others in

The leaders in every community talk only when they have something to say.

the cast include William Little, Sue Barker and Ellen Thomson, Kathy Evans, Tom Nymesnyk.
