## It's 'Choosing Time' Tonight For Hearings

By Nat Gottlieb

Residents interested in both the fate of the No. 37 bus line and in the future of this town's school system will have to decide which issue means more to them.

That's the position local officials have placed taxpayers in because two public hearings are scheduled in town tonight at the same hour.

The choice shapes up about like this: If you care about Public Service Coordinated Transport's proposal to drop the No. 37 bus line, Town Hall Chambers at 8 p.m. is where you'll have to be to air your feelings before a hearing official from the state Public Utilities

Commission (PUC).

If you prefer discussion on the fate of Belleville's school system, then the senior high school auditorium at 8 p.m. is the place to go. Scheduled there is Dr. Donald Wallings, head of a Rutgers University research team which has spent a year studying this town's enrollment crisis and its plant structure.

The conflict in dates can be traced to local school and town officials, who apologized this week to residents for the "mixup." Residents probably are used to making a choice between key meetings, however, since both the Town Commission and the Board of Education hold regular meetings frequently during the year on the same Monday nights.

The Dr. Wallings hearing was scheduled first and was announced publicly in the Times-News issue of April 1, both as a paid ad and a front page story.

The bus meeting was scheduled on April 2 in PUC offices in Newark, where Commissioner Vincent T. Strumolo, Board of Education attorney Max Schwartz and Town Attorney Nicholas Amato were present.

Strumolo said the first he knew of the conflict was when the Times-News contacted him for comment on the situation April 5. Schwartz, who represented the School Board at the PUC initial hearing, said he knew of the Dr. Wallings date but had forgotten about it in his enthusiasm for the bus line. Strumolo told the Times-News on April 5 he would contact PUC officials to see if the date could be changed with both Public Service and the utility's hearing examiner.

Monday the Times-News asked Strumolo to report on his contact with the PUC. The Commissioner replied: "A girl in my office called the Public Utilities Commission and spoke to someone in their office who said there's nothing we can do about it." Strumolo said he didn't know whom in the PUC offices his secretary had called, and added he didn't feel it was his responsibility to contact PUC officials personally.

"It's my secretary's job to make calls for me," Strumolo said. "She said she spoke to someone who was in the PUC office but was not a member of that commission. She said she couldn't get to anyone

### Fourth Time In Decade

## Cavalcade of Progress Planned For Belleville

The Belleville Chamber of Commerce has announced it will hold its fourth "Cavalcade of Progress" June 29-30 in the senior high school gymnasium.

The purpose of the event, according to Chamber Executive Director Harry T. French, is "to build pride and to get the people of Belleville to see the things of value this town has."

Basically, The Cavalcade will feature booths rented by different groups in the community to display their activities.

French reports 13 groups have already signed up for the event, and says there are indications all 50 of the available booth

spaces may be rented. Fee for a booth is \$100.

The Chamber has mailed brochures to businesses and community groups of all types in town, explaining the purpose of the event and describing the Cavalcade's format.

In the brochure, the concept of "selling Belleville to Belleville" is marked in large red print. The brochure says among other things that "For the fourth time, predicated upon the interest of citizens in our community, the Cavalcade of Progress will gain and develop more pride in our town."

"This pride based upon the knowledge of (Continued on Page 2)

CHERRY BLOSSOM Princess Donna Cervasio (top) surveys crowd with her court, (l-r) Sue Kellenbence, Annette Guardabascio, Jayme Freedman and Brenda Cameron. The girls are BHS seniors and student leaders. (for more photos please see pages 6-7)

PARADE ANNOUNCER Frank Costenbader names the numerous bands and floats which marched by Town Hall reviewing stand during annual Cherry Blossom festival. (for more photos please see pages 6-7)

## Vandals Stone Windows

Vandals broke 32 windows in School Two the past weekend. Damage estimates could run as much as \$250, according to Harold Dufford, Business Administrator for the School Board.

Board President Leonard Back says he will check if local police surveillance has declined in the school area, but said he had no reason to believe so.

Chief Joseph Smith, meanwhile, told The Times-News surveillance was normal over the weekend, but was planning on stepping up patrol in the area.

Dufford says he will recommend the Board consider screens for the windows. The Board administrator says the window breaking appears to have been done by older youths, and added it is the worst outbreak thus far this spring.

## Sidewalk Bonanza Ready

A two-day sidewalk sale gets underway in town tomorrow and Saturday. The event is being sponsored by the Belleville Chamber of Commerce, which hopes to make the unusual event an annual affair.

Merchandise for the sale will be placed on racks along the sidewalks, giving Washington Avenue the look of a market area. Participating stores will also sell goods inside their shops.

Stanley Slavin of Terry Shops, chairman for the event, announced sale hours for Friday at 9:30 a.m. to 9 p.m. Saturday the sale will run from 9:30 a.m. to 6 p.m.

As of Monday, 12 local stores announced they would participate in the event. The list includes Woolworths, Louaies Mens Shop, Terry Shops, Canton Shoes, Mary Dell Fashions, Paul's Shoes and Sherman's Childrens Wear.

Also joining the sale are Andrew Thomas Men's Shop, Karl's Appliances, Mae Moon, Edmars, Claibes Childrens Shop.

Assisting Slavin in arranging the event is Mrs. Carmela Pull of Mary Dell Fashions, and Chamber Executive Director Harry T. French.

## Election Answers Coming

The Times-News has mailed an 18 point questionnaire to all 14 candidates in the May 11 Commission Election. The questions cover all issues of concern to voters. Responses from the candidates will be published in next week's edition of the Times.

### Ask Service Curtailment

## Two Dissent

The Belleville Board of Education passed its revised 1971-72 budget 4-2 after extensive comment by Board members.

Richard Mahmarian and Lawrence Schwartz both issued lengthy statements explaining why they voted against the budget, which had been rejected in its original form by voters last February.

Adjustments in the budget had to be made to accommodate a \$47,000 cut by Town Commissioners and a settlement with teachers \$68,000 higher than originally budgeted.

Both Schwartz and Mahmarian said their objections were to the budget adjustments. The two Board

members had voted in earlier this year.

Mahmarian and Schwartz said they favored Belleville's minimum standards requirement for busing students to meet such minimum standards. In this way, they claimed, Belleville could save approximately \$20,000 a year in busing costs.

Belleville presently busses only students who live 1.7 miles or further from the senior and junior high schools. The state reimburses local school districts for busing students who live 2.5 miles or further from senior high schools, and 2.0 miles from junior high schools.

The two dissenting Board

## Final School Budget

members said this puts Belleville in a position of fully funding students between 1.7 miles and the state minimum standards. This amount, they said, comes to about \$20,000 per year.

Both men said the 1.7 was "discriminatory."

"This Board of Education discriminates against those students who live under the 1.7 mile limit," Mahmarian told the Board at its special public meeting.

Schwartz said he could see "no rational reason" for the existence of the 1.7 rule, which was instituted seven years ago. "When we use a 1.7 rule," he said, "we are discriminating against parents and taxpayers in this town

and that is not democratic."

The Board apparently had discussed the issue at length in executive meetings. Board President Leonard Back's comment on the matter was that he objected to the use of the word discriminatory.

"The word 'discriminatory' bothers me here," he said. "The state law of 2.5 and 2.0 essentially is just as discriminatory as our 1.7 rule. We are merely following their lead and lowering our requirements to provide more service."

The issue of providing more service apparently figured heavily in the dissenting votes of Mahmarian and Schwartz. Both men said the Board should have cut more services

to the people because "that's what they are asking for by voting down the budget."

"I feel transportation services should be lowered," Schwartz said. "Since the people asked our budget be cut, they should accept a cut in services. It is only when they realize we aren't playing games they will stop defeating budgets."

The number of students affected by use of the lower local busing standard is 142. Board Secretary Mrs. Mary Shader pointed out students who attend non-public schools are not affected by the 1.7 rule and therefore receive full funding from the state.

Mahmarian also objected (Continued on Page 3)

YOUNGSTERS on Mitchell Street decided it was time to clean up the environment, so they gathered all the debris on Public Service property and got the utility to promise to cart it away. Shown are front row (l-r) Miss Barbara Ferraro (second grade

teacher), Nick Nicoletti, Bob Buccino, Frank Scarpelli and dog Pierre, Donna Bottiglieri, Lisa Bottiglieri, and Gina Nicoletti. Back row, Tommy Cairo and Pete Ferdinando.

### Answers Saletta

## No Surplus Dumping For Election—McGreevy

Commissioner Joseph McGreevy has denied charges made by Rocco Saletta that Town Fathers "dumped surplus" into the 1971 Municipal Budget "because it is an election year and the Commissioners wanted to

look good."

In a prepared release to the Times-News, Saletta, a Commission candidate, charged the Town Hall tax hike of 24 points was "deceiving" and that the increase "is actually

equivalent to 62 tax points."

Saletta, a former Board of Education President, said "the apparent decrease is due to the present Commission dumping surplus funds into the current budget."

"This was done," Saletta (Continued on Page 2)

## Narcotics Charge Against Her Son Is A Town Woe

Mrs. Ruth Dillon, whose son is facing theft and drug charges, told the Times-News Monday she plans to campaign even harder and added "I refuse to be indicted for an evil that has been in this community for years."

Mrs. Dillon, who is one of 14 candidates in the May 11 Election, made her remarks during a two-hour interview with the Times-News in her home at 158 Division Avenue.

Her son and two other teenagers were arrested by Nutley Police last Thursday in

connection with the theft of a tape player and tapes from an automobile.

Michael Dillon, 18, and Frank Carnevale, 19, of 646 Mill Street, were arrested in an auto driven by a 17 year old Nutley girl. Dillon is charged with being under the influence of heroin, possession of stolen property, and contributing to the delinquency of a minor. Carnevale is charged with the same offenses except that the drug charge involved bar-

(Continued on Page 12)

### Price Hike Is Planned

Higher newspaper production costs will result in a five-cent increase in the newstand price of The Belleville Times-News beginning next month. The newstand price effective with the issue of May 6 will be 20 cents.

At the same time, annual mail subscriptions will be increased from \$5.00 to \$6.00. Persons renewing subscriptions can do so at the present rate through April 30.

Answers Saletta's Charge

# McGreevy Denies Surplus Level Was Geared For Election Year

(Continued from Page 1) continued, "because it is an election year and the Commissioners wanted to look good in the public eye." "Actually," Saletta said, "this one million dollars of surplus should have been used

to keep the tax rate at a steady level during the preceding three years and not for political purposes this year. What will happen next year after the election now that the surplus has been used up?"

Saletta further claimed that because the surplus "is used up" next year's Municipal Budget increase "will be a minimum of 62 points which reflects the actual present rate."

McGreevy, who is Commissioner of Finance and Revenue, said Belleville has been using surplus cash steadily the past four years. Figures in the Town Treasurer's office reveal the

following information about the use of surplus the past four years:

\*In 1968, \$400,000 was applied to the budget, leaving \$412,386.67 in town coffers. This represents an application of 50 percent of the existing surplus inherited from the previous administration.

\*In 1969, \$500,000 was applied to the budget, leaving a balance of \$574,061.37. The percentage of surplus applied here was 49.

\*In 1970, \$853,000 was applied to the budget, leaving a balance of \$553,624.07, a 59 per cent application.

This year, \$953,000 was applied, leaving a balance of \$476,489.44. This represents a 66 per cent application of surplus.

McGreevy said application of surplus increased from 1969 - to 1970 from 49 to 59 per cent because of an increase in the interest rate on investments to nine per cent. In 1969, the interest rate was six and a half per cent, McGreevy said.

The Commissioner dismissed Saletta's claim taxpayers would be hit next year with a large increase because of surplus depletion by saying "We anticipate to return the \$953,000 to the budget."

McGreevy said any loss in surplus "would easily be offset by the fact Belleville this month paid off its bond anticipation notes." Last year the town paid \$227,584.40 in debt service.

## Craig Fabian Benefit

Tickets are on sale for the "Up With People" benefit concert scheduled for the Craig Fabian Fund on Saturday, May 8 at 8 p.m. in the Belleville Senior High School.

"Up With People" is a group of young men from the North Jersey area, including Belleville, that travels to communities "promoting" brotherhood.

Tickets for the concert are being distributed through local churches and organizations and also available at F.W. 180 Washington Ave.

Trustees for a go all proceeds and the youth group is providing its services.

The Craig Fabian Fund was organized two years ago to help in the rehabilitation of Craig Fabian, 17 year old son of Deputy Fire Chief William Fabian, who was left partially paralyzed in a swimming accident.

The fund has been expanded and is now aiding Bill Greco, a 27 year old resident who was paralyzed after a baseball accident. This past month a special adjustable wheel chair and a shower transfer chair were provided for Greco by the fund.

# Plan Cavalcade Of Progress For Belleville High Gymnasium

(Continued from Page 1) what our industries, great and small are doing. The strength of our community based upon its long and interesting history is directly coupled to meeting the demands of the present and future."

"Your participation in this Fourth Cavalcade of Progress will help develop pride in our town. This is a public relations media which will inform and interest the public. Your display will vividly convey the essential role you play in the economy and well-being of our community."

The first Cavalcade was held in 1961 at the Elks Club. The second was the following year in the old roller skating rink. The last time the event was held was in 1967, when 29 booths were bought at the Elks Club (the capacity of that facility.)

Already signed up for booths, according to French, are DeWitt Savings and Loan Association, New Jersey Bell, Fidelity Union Trust Company, Peoples National Bank and Trust Company, Jolly Cleaners, Uara Maass Memorial Hospital, Wallace and Tiernan, The Belleville Public Library, Hardman Inc., Public Service Gas and Electric Co., Kondreck Photographers, Mattia Press, and Central Uniform Services.

Setting up the booths will be professional people from the International Electrical and Flag Decorating Company of Newark.

Heading the Cavalcade committee is Everett Davey of Jersey Bell. His committee consists of Arthur Gaffney of

Wallace & Tiernan, William Bixby of Fidelity Union Trust Co., Robert Williams of DeWitt Savings and Loan Association, James Hardman of Hardman Inc., Arthur Jackson of Jolly Cleaners, Chamber president Ralph Ciccone and Harry French.

# Sabena presents the 'do-it-yourself' Autojet tour \$389.

The most rewarding way to tour Europe is to do it yourself. And, with our new Autojet tours, it's financially rewarding as well.

For example, we give you jet economy round trip, a car with unlimited free mileage and three weeks to roam around Europe. For just \$389. A fraction of what you'd expect to pay for a three-week grand tour of Europe.

And there isn't a more convenient place to start your tour than Belgium.

Besides being on the way to everywhere, this beautiful country has five three-star cities that the Michelin Guide rates as "worth a special journey." All are an easy drive from Brussels.

Or you can start your Autojet tours from Amsterdam, Copenhagen, Milan, Paris, Vienna or Zurich. Wherever you start from, you will have the freedom of doing what you want to do.

Like touring the lake country in Switzerland. Looking up some old-country relative. Getting off the beaten tourist track, driving to places such as Cordoba, Sorrento, Dijon, Monaco.

Or you can just go in the direction the car's headed. You can't go wrong. The mileage is on us. Also available are other Autojet tours from \$360, four weeks from \$419. Railjet, too.

Why don't you do Europe by yourself? Mail in the coupon for information on the many Autojet tours available. Or drop by your travel agent. He'll arrange to have your car waiting for you.

Autojet and railjet tours are based on either group excursion air fare, 17/28 day individual air fare or 20/40 day individual air fare. Surcharge for peak season travel June 1, 1971 to August 31, 1971 not included in quoted prices.

# Residents Must Choose Between Two Hearings

(Continued from Page 1)

Strumolo, who is Commissioner of Public Affairs, minimized his part in the conflict saying: "With Max Schwartz representing the Board of Education, he should have made the changes. Since the Board of Education took no interest in making changes, what should I do?"

The Board however, apparently did take some interest in the conflict. Schwartz told the Times-News Monday night he spoke personally to the hearing examiner for the PUC, Alex Lowick.

"I was told the right of adjournment can only be granted by the man in charge of hearing schedules," Schwartz said. "He told me that notice was too short and

that advertisements for the hearing had already appeared on the buses."

Residents who decide for the bus hearing, may get a second shot at the Dr. Wallings affair, although the chances are slim.

Last month, in announcing the date for Dr. Wallings' appearance, Board of Education President, Leonard Back said if "the response is great enough, we'll try and schedule a second one."

With a packed house projected for the bus issue, however, it is likely the response to Dr. Wallings' appearance may not be sufficient enough.

Dr. Wallings is expected to field questions on a special report his research team was contracted for by the Board for \$5,000 on this town's

school system. Topics the educator will probably touch upon include enrollment projections for all schools and recommendations for expansion and updating of school plants.

Among Dr. Wallings' recommendations are:

\*The conversion of School Nine into a central administration building for use in the school district.

\*Removal of the ninth grade from the Junior High. This would mean having an addition built to the senior high school.

The School Board has said it will not act upon any of the recommendations until it has heard from residents at the public hearing(s).

The bus hearing, meanwhile, will allow residents and attorneys

representing Belleville to present the case against the proposal to drop the No. 37 line.

Public Service is asking the line be dropped because both that bus and the company's statewide operations lost money last year, and that alternative public transportation is available.

Amato and Schwartz are contending since Public Service has a permitted monopoly on transportation in the area, it "must take the good with the bad." The attorneys claim alternate service for the line, which Schwartz characterized as a "meandering snake," is not available.

The line, the attorneys say, affects six local schools, Clara Maass Hospital and the Belleville business district.

(Continued from Page 1)

to the Board's decision to make the Adult and Summer Schools and summer music program self-sustaining through fee charges and

increases. Maharian said "by raising prices we are not necessarily meeting our costs." He said a decline in enrollment because of the charges could defeat the purpose of the increases.

## The Commission Election

Fourteen Belleville citizens are vying for election to five seats on the Town Commission.

Four incumbents are seeking re-election. They are Mayor Kenneth Smith, Public Works Commissioner Mary Senatore, Finance Commissioner Joseph McGreevy and Public Affairs Commissioner Vincent Strumolo.

The fifth seat is vacant by reason of the resignation of William Cullen who resigned last year.

Among the candidates who are not now members of the Town Commission citizens can find candidates of remarkable ability, intelligence, integrity and civic devotion.

Former Councilman James B. Golden is making another try for the brass ring and former Mayor Robert Laterza is also back asking voters to return him to office. Former school board president Rocco Saletta, in February, decided not to seek re-election to the school board, and now finds himself soliciting votes for a spot on the Town Commission. Julius Minuskin, a former candidate for Governor of New Jersey, and an instructor in the New Jersey school system, is attempting to win office at the local level for the first time.

Michael V. Marotti, a member of the Belleville Police Department on leave, is well known for his work with the town's recreation activities involving children. Michael V. Salvato also is back where he left off four years ago in his quest for a Commission berth. Nicholas Raimo, a leader in the Silver Lakes section, has been a political activist for many years and in the drawing for ballot position his name will appear first.

Mrs. Ruth Dillon, sister of Bob Laterza has participated in the civic life of our community over many years. An indefatigable worker, Mrs. Dillon, mother of four, can be relied upon to conduct a splendid campaign.

Tony Fernandes is a frequent visitor to Town Commission meetings and is generally considered a Town Hall critic. His political base is among residents in the Valley section of Belleville.

Salvatore LaMorte, is the youngest member of a well-known Essex County family. LaMorte is politically experienced, knows his way around Town Hall and should be an important factor in the campaign.

The four incumbents have not been working as a unit. Major differences in policies and politics have been evidenced at Commission meetings. The two Commissioners who usually found themselves in agreement most of the times are Mayor Kenneth Smith and Commissioner Mary Senatore who is also town Democrat leader.

Commissioners McGreevy and Strumolo have gone their independent ways since shortly after the reorganization of the Commission four years ago.

At that time Mayor Smith, Commissioners Joseph McGreevy and Vincent Strumolo created a working agreement that went awry on the eve of their swearing-in ceremonies. As a result, Strumolo found himself out in the cold and assigned to a department he didn't want. Commissioner Bill Cullen, since resigned, went along for the ride and accepted authority to operate the town parks and public buildings. The new team of Smith, Senatore, and McGreevy hung in there for a while, determining board policies, but after a time, McGreevy left the trio and since then no one could ever predict what a majority of Commissioners would do on any given issue.

Despite some heated moments Mayor Kenneth Smith has given a good accounting of himself to the electorate. He has served well in the difficult position of mayor during an especially turbulent time in our town's history. He has more courage than is usually found in a public official. In office for many years, he has demonstrated great personal integrity and knowledge of city business.

Belleville voters are fortunate to have 14 qualified, interested citizens willing to sacrifice their time, and life with their families, to serve their fellow citizens in a job where there is little gratitude.

The Belleville Times-News will make every attempt to give each candidate an equal and fair shake in its news coverage.

*Frank A. Orechio*

## Seems Only Yesterday

# Citizens Rally For Change In Belleville's Government

By Elaine Auerbach

### One Year Ago

Most new car dealers in Belleville were refusing to pay their 1970 operation licenses out of dissatisfaction for the existing licensing ordinance. No one, however, including town officials and dealers, wanted to talk about the situation. Both parties refused to either confirm or deny reports that fees due in January had not been paid.

Former Belleville Councilman James R. Golden broke a long public silence on municipal matters when he told The Times he was strongly opposed to a proposed town ordinance which would extend the hours of pool room establishments from 12 midnight to 2 a.m. Golden stated that numerous residents had asked him to object to what he called "the growing tendency of town officials to pander to interests which impinge with permanently established moral standards."

### Five Years Ago

An all-important three-day evaluation of Belleville High School by the Middle States Association of Secondary Schools and Colleges, began in town. Just how well the school had withstood the conflict and controversy marking educational matters was to be revealed when the association made its preliminary or oral report to school officials and faculty. The written report, in *great depth, would take about eight to ten weeks to complete.*

A 3 per cent selective sales tax, covering most major daily purchases, was about to clear the New Jersey State Legislature. The bi-partisan bill was introduced in Trenton and all indications were that it would become the first sales tax imposed upon Jerseyites since 1936. According to several members of the Essex County legislative delegation, the tax would be a substantial help to Nutley, Belleville and Newark in that it would provide more for educational needs.

The Little Zion UAME Church celebrated its 75th anniversary. The Church had got its start when two Civil War veterans, weary of years of fighting, and two concerned elders, had met 85 years earlier in what was the tiny village of Belleville and discussed the need for a church for the Negro community. From the meeting between First Sergeant Joseph Wills, and three Sloan brothers, August, William and Henry, came the first program which was to develop over the years into the Little Zion UAME Church at 154 Stephens Street.

### Ten Years Ago

The honorary degree of Doctor of Divinity was conferred upon the Rev. Mary A. Farrar, pastor of Little Zion UAME Church. The honor, which was presented by Miller University, Philadelphia, was voted by the committee on honorary degrees, members of the faculty and trustees "in recognition of the splendid service rendered to her God."

A Citizen's Rally for Council-Manager Government was set to take place in the Belleville Elks Hall. Featuring talks by officials of Franklin Township, which had recently dumped its commission government for the city-manager plan, the program was being sponsored by the Citizen's Tax Council. A member of the staff of the Rutgers Bureau of the Government Research Bureau was to moderate the rally.

Three new traffic control ordinances were introduced to the commission by

Commissioner Harry J. Sullivan. Proposed by Sullivan was the restriction to trucks driving on several streets "because the streets were not built for truck traffic." The other new control laws called for making Eugene Place a one-way street for north-bound traffic between Honiss and Franklin Street and the establishment of a no-parking zone on Brighton Avenue.

### Twenty-five Years Ago

Commissioner Louis A. Noll of the Department of Parks and Public Property, in charge of recreation, introduced on first reading an ordinance for the erection of a concrete and brick field house at the Municipal Stadium grounds. He also introduced an ordinance to fill, grade, seed and roll a new baseball field on the same grounds. Noll stated that it was his plan to complete a recreational center at the Municipal Stadium "at the earliest possible date."

Belleville school employees, including teachers, were granted a \$250 raise in salary at the Board of Education meeting. Ralph Allaire, chairman of the teachers' committee, presented the resolution recommending the increase. It provided \$250 increases for teachers in their proper places on the guide. Those teachers who would reach their proper level on the guide with a raise of less than \$250 would be given the difference between the raise and the \$250.

In a telegram from Secretary of Commerce and former Vice-President of the United States, Henry A. Wallace, Mrs. Edward Russell was appointed chairman of the Belleville Famine Committee. The naming of Mrs. Russell was attributed to her fine work as chairman of the civic committee of the Belleville Woman's Club. The program was part of a national drive to collect food to relieve the acute food shortage and impending famine in devastated countries.

### Forty Years Ago

Many candidates were being considered by the teachers' committee of the Board of Education to succeed supervising Principal George P. Gerard. Mr. Gerard has been head of the Belleville school system for twenty-seven years. William W. Stewart, chairman of the teachers' committee, indicated that it would probably be another month before a choice was made for the position.

A report by Commissioner Williams that there was a shortage of \$140 on the books of former tax collector Ray T. Brooks and that \$16,728 in the Water Department account had been used "for various other accounts" about which he did not know, caused a considerable amount of excitement at a commission conference. Commissioner Williams stated that he was not accusing anyone, but that he wanted to know where the money went.

Women were being received into membership of the Suburban Essex Republican Union and were to be given equal representation with the men. The motion was adopted by the executive committee, comprised of Mayors and other elective officials of suburban communities.

## Helen's Thing

# Oh, Pocketbook, I'm So Happy You're Back!

By Helen Maguire

I AM FIRMLY convinced that by now the Nutley police must be firmly convinced that I am some kind of a nut. Let me offer a few words of explanation.

Last week, I went and did the grocery shopping, had the food delivered home and stopped off on Underhill Court to see a friend of mine. I parked the car in front of her house, got out, walked around to the other side and exorcised two large bags of baby clothes from the back seat which I had brought over to see if she could use.

I WENT UPSTAIRS laden with my bundles, stayed to talk for a while with her mother and enjoyed a cup of tea. Her mother left for home and shortly thereafter, I picked up my coat and prepared to depart. But could I find my pocketbook? Not on your life.

We looked through the entire apartment, even in rooms I hadn't entered, checked the car to see if I had left it there, called my friend's mother to see if she had picked it by mistake and taken it with her. I honestly couldn't remember bringing it upstairs laden as I was with bundles and, finally, we came to the rather obvious conclusion that I had left it in the car and somebody had helped himself to it. Fortunately, I had the car keys and my license in my coat pocket and there wasn't anything of real value in the purse except a few dollars and my charge coins from Bamberger's.

WELL, I CAME HOME to face the man of the house who was considerably annoyed at my carelessness and insisted I call the police. According to his reasoning, which was really quite sound, this incident might be one of a series of such occurrences and had better be reported and besides, the police could be on the lookout for my errant pocketbook in case the "snitcher" discarded it. And while I was at it, I had better call Bam's and report the missing coins.

I CALLED THE POLICE. The sergeant on the desk was just as nice as he could be, took down all the information and said he would relay the message to the men on duty. A few minutes later, someone else from the department called to get a few more facts about the year and make of the car I was driving etc.

Okay. After I called Bams, Rod and I went over to Lyndhurst to ransom the Volkswagen from the repair shop and when we got back home, Dennis greeted me with the message that Pat had just called. She had found my purse which her young son had hidden behind a corner cabinet near the chair in which I had been sitting. I was delighted at the news of course but too embarrassed to call the police back and tell them to forget the whole thing. Dennis volunteered to do it and I let him.

THEN I CALLED Bam's again and was told that they had already reported my coins as stolen and I was to destroy them immediately and wait from three to four weeks for a replacement. I wasn't planning on charging anything anyway and its just as well.

Bother. Here I am at the end of the column and I really didn't get across the point I started out to make about how much I really admire the Nutley police and not just because of the purse incident. Remind me to tell you about the time our dog died smack in the middle of the kitchen floor at two in the afternoon when there was nobody home but me.

By Frank A. Orechio

THE END OF THE TWELVE WEEK Newark school strike is a victory for nobody. Some public officials and newspapers are giving Mayor Kenneth Gibson credit for the settlement. I blame Mayor Gibson for permitting the strike to last as long as it did. He sat silently by while the foundations of democracy were eroding in Newark. The strike escalated racial hostilities in New Jersey's largest city. I fear the 12-week impasse between the Newark school board and the Newark Teacher's Union may be the beginning of a "get whifey" campaign on the part of Newark's militant blacks.

Angelo's, the famed Italian restaurant on Lyndhurst's Ridge Road, was the scene of a farewell party last Tuesday for Peggy Testa, a hazy-eyed blonde, who is taking a leave of absence from the United Parcel Service in North Arlington to become a mother on or about April 18 - and if not on the 18th, any day this week. Over 25 of her co-workers shared a farewell drink and luncheon with Peggy including one of her favorite colleagues, Patricia Ventitoro of Secaucus, a brown-eyed brunette who looks more like 15 than her 25 years. Izzy Marion, husband of our favorite singer Connie Francis, became very excited over the event and bought the girls a round of drinks.

CONGRATULATIONS TO JOSEPH CUDONE AND DONALD MULFORD, the top side boys at the Montclair Times and the Verona-Cedar Grove Times. At a recent meeting of the board of directors of both newspapers Joseph Cudone became chairman of the board and publisher of both publications and Donald Mulford moved up

to the presidency and co-publisher. Cudone and Mulford are two of the most respected names in the weekly publishing field in America. Both Cudone and Mulford have my best wishes for continued success. They operate two of New Jersey's finest newspapers, winning national honors on many occasions.

IF YOU ARE PLANNING to make your home in the Miami-Fort Lauderdale area and will be in the market to buy a boat, the person to see is Shelly Schoenfield of the Admiralty Yacht, Inc. at Fort Lauderdale. Half of the problem in buying a boat is giving your confidence to the salesman. Shelly Schoenfield's phone number in Fort Lauderdale is 581-9200.

I AM PLEASED WITH THE RE-ELECTION of Martin Aranow as president of the half million member New Jersey Tenants Organization. Re-elected for another one-year term Aranow is the person responsible for influencing the New Jersey Legislature in considering legislation to treat fairly apartment dwellers.

THE THREE GIRLS convicted with Manson looked silly with their heads shaven, a step taken in protest to show their love for Charlie Manson. The girls and Charlie were condemned to death on March 29 by the same jury that convicted them of murder-conspiracy charges. After the hideous crimes they committed, I just can't wait to see them burn.

IF YOU WANT some good French food in an attractive little restaurant in New York City, try L'Entre Cote at 1057 First Avenue.

Chef Bernard, direct from Paris, makes his own specialties and his partner Maitre d' Alain provides hospitality for the guests while Bernard looks after the ovens. The price is right, the service is great and the food is strictly gourmet. The restaurant can only accommodate 39 guests so it is advisable to make a reservation if you want to avoid a long dinner wait.

TWO PHILADELPHIA PSYCHOANALYSTS on Monday released case studies of 38 individuals that show serious mental disturbance resulting from heavy marijuana smoking. The researchers said in their statement, "these patients consistently showed very poor social judgment, poor attention span, poor concentration, confusion, anxiety, depression, apathy, passivity, indifference and, often, slowed and slurred speech." The individuals under study after heavy marijuana smoking demonstrated an inability to bring thoughts together, a paranoid suspiciousness of others and a regression to a more infantile state.

The article, "Effects of Marijuana on Adolescents and Young Adults," was published in the April 19 issue of the Journal of the American Medical Association and authored by Drs. Harold Kolansky and William T. Moore of the Child Analysis Division of the Philadelphia Association for Psycho-Analysis. Heretofore medical science has been able to say only that there was no good evidence of harm from smoking pot.

The doctors observe in their statement, "now we have some evidence" - and now for the first time those of us who urged the legalization of marijuana must keep open

our options because the report of Drs. Kolansky and Moore raise grave questions concerning the seriousness of harm to users of marijuana.

## No Fault Insurance

The Nixon Administration recently told Congress automobile insurance in the United States leaves much to be desired, but that changes needed should be effected in the states.

Secretary of Transportation John A. Volpe is seeking a congressional resolution asking the states to update insurance laws and change a basic concept of traditional automobile insurance. A three-year federal study has produced the recommendation that companies write no-fault insurance policies. Under such a system, motorists would be compensated after accidents regardless of whose fault the accident was.

Volpe and the Transportation Department want the states to act, fully realizing no single system will be adopted by all the states. If adequate and modern insurance systems are not established by the states, however, Volpe wants federal action. The Nixon Administration, through Congress, is thus asking the states to do the job; if they fail to do so, federal action will almost surely be proposed.

## Civil Defense Head Clarifies Age Issue

To the Editor:

In an article published in the Belleville Times-News, March 25, 1971, the concluding paragraph read "Applications are limited to membership in the Belleville Civil Defense Auxiliary police organization."

This is not correct. Applications are open to all males, age 19 and over who are of good character. Persons interested should call the following telephone numbers listed in the Municipal building, 152 Washington Avenue, Belleville: 759-5100 Civil Defense number. 759-9100, extensions 742 or 725.

James V. LaMotta, Director-Belleville Civil Defense & Disaster Control.

HERMAN KNUPPEL (seated right), Director of Student Services at Belleville High, chats with Dr. Barkev Kibarian, Husson College President, during recent visit by the counselor in the Maine area.

## Decision Tonight

### Carl A. Orechio May Run For Legislature

Former Nutley Commissioner Carl A. Orechio may be a candidate for a N.J. Legislative office, Republican leaders disclosed last night. Orechio's name reportedly is "a frontrunner" going into tonight's final session of the Essex GOP Screening Committee.

Orechio, who ran and lost for a Freeholder seat last fall, confirmed that he has been interviewed by the screening committee.

"I appeared before them on April 13," Orechio said. Asked what position he might seek, the former Commissioner answered, "Any spot they want me to run."

Orechio wouldn't rule out the possibility that he might be a candidate again for the Essex County Board of Freeholders, although others told The Sun they expected the former Nutley Commissioner "to be our nominee for either the State Senate or Assembly."

Tonight's GOP Screening Committee will set the ticket which includes five Senate seats, two in the Assembly, three on the Essex County Board of Freeholders and a surrogate.

The process of selecting candidates for the Assembly becomes complicated this year as the recently approved redistricting removes Nutley and Belleville from Newark's North Ward and places the two towns into an Assembly District with Bloomfield, Glen Ridge, Montclair and Verona.

Assemblyman Ralph Caputo recently moved from the North Ward to Belleville and wants to run for his own seat. However, Republican town leaders in the six towns

### Kidde Names New President For Division

Glenn H. Mackal has been named president of Halkey-Roberts Corporation, a division of Walter Kidde and Company, Inc., Belleville, it was announced.

He succeeds his father, Henry H. Mackal, who has retired after serving as

since 1942. Glenn Mackal formerly was vice president of Halkey-Roberts. He is an industrial engineering graduate of the University of Rhode Island and earned a master's degree in business administration from the University of Miami.

Halkey-Roberts, located in Paramus, manufactures a wide variety of valves for industrial, medical and recreational applications.

Kidde is a diversified company with principal operations in safety, security and protection products and services. Headquartered in Clifton, New Jersey, Kidde operates more than 130 manufacturing plants and other facilities world wide.

## Thieves Hit Church TV's

Four television sets valued at over \$800 were reported stolen from the Holy Family Church grammar school in Nutley last Saturday, April 10.

Police said entry to the school was gained through an open first floor window. Patrolmen investigating the incident discovered five more TV sets, apparently left by thieves, outside the school.

### Verona Youth Group Sets Annual Jersey Rock Show

The Verona Interfaith Youth Group will sponsor their 4th annual New Jersey Folk Festival in Verona Park on Sunday, June 6, from 2 to 5 p.m. Performers will be competing for \$100 and other cash prizes in the show, which features strictly folk music (no amplifiers).

**189 WASHINGTON AVE., BELLEVILLE**

# Cherry Blossom Parade Thrills Old And Young

MEMBERS OF the Belleville High School Color Guard display their flag and their marching abilities in Belleville's Cherry Blossom Parade, which brought

hundreds of people to line the curbs of Washington Avenue, Sunday.

DIGNITARIES on the rostrum and spectators in the streets watch as the annual Cherry Blossom Parade marches down Washington Avenue past Town Hall.

AN ELABORATELY decorated float sponsored by the Belleville Kiwanis Club gets a Cadillac escort in Sunday's parade.

SMOKEY the Bear (alias Jaycee member Dave Haight), shakes hands with an excited group of youngsters.

IT'S HARD to tell who's more excited about the Cherry Blossom Parade, dad, or his children. Old and young alike enjoyed the festival it seemed.

A SCOUT master leads his boys in the march before the reviewing stand by Town Hall.

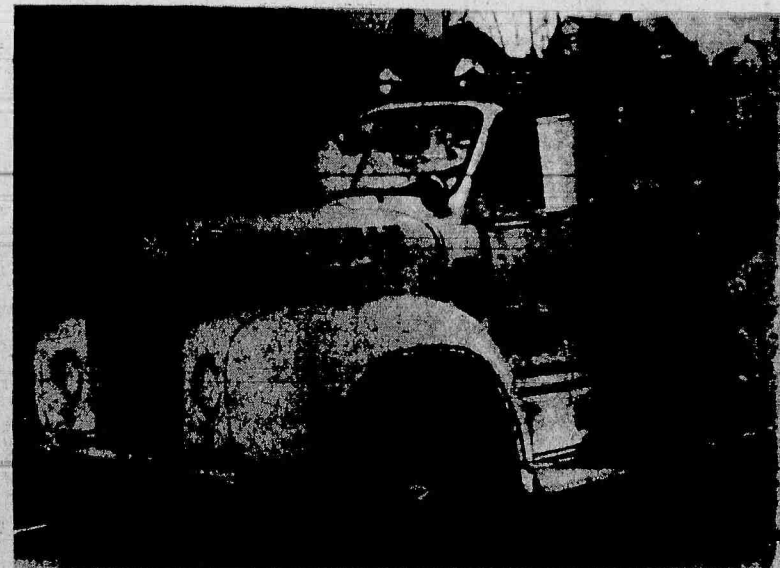

PROUD Boy Scouts from Belleville head down Washington Avenue during parade Sunday.

BROWNIES of Belleville's Troop 938 march proudly with their den mothers down Washington Avenue.

A POLISHED proud Belleville fire engine leads the Cherry Blossom parade Sunday down Washington Avenue.

BELLEVILLE'S AUXILIARY Firetruck rolls down the avenue to the cheers of youngsters in the crowd.

# Jaycee Float Captures Top Prize In Parade

PATROLMAN Bernie Tinsdale checks out parade control information with Mayor Ken Smith (right). Also on the dignitaries stand in front of Town Hall are (l-r) master of ceremonies Frank Costenbader and his brother Jack, who was parade chairman. The small dignitary in the midst of it all is Commissioner Joseph McGreevy's son, Michael John McGreevy.

THE BHS Marching band entertains the huge crowd that lined Washington Avenue Sunday to see the annual Cherry Blossom Parade, which boasted ten divisions.

BELLEVILLE KIWANIS Club members carry their emblem as they march in Sunday's Cherry Blossom Parade down Washington Avenue.

THE WINNING float, sponsored by the Belleville Jaycees, is graced by (l-r) BHS senior Sandra Nyegaard, and juniors Angela Palmieri and Donna Vocaturo.

THE RECREATION Department twirlers unfurl their banner Sunday, as they march before the dignitaries stand at Town Hall.

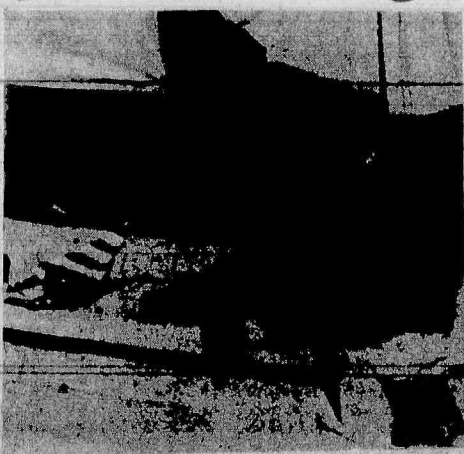

COMMISSIONER MARY Senatore waves to crowd during Parade. Joining her in the front row is Commissioner Vincent T. Strumolo. In the back row is (l-r) Board of Education President Leonard Back, School Board member Lawrence

Schwartz, Mathew Pica, Board member Caesar Romano and his daughter Robin (where's Lee?) and Cheryl Casale and her dad, School Board member Joseph Casale.

## A Boy, A Flag, A Hot Dog And A Parade

A YOUNGSTER shields his eyes from the sun waiting for parade to start.

...BUT he's all eyes when the parade comes marching by...

...FINALLY tiring of the parade, he chomps on a hot dog, but not before inspecting it.

A SMALL Trumpeter is dwarfed by his larger horn, but nevertheless helped his band contribute to the fine parade.

# WEDDINGS AND ENGAGEMENTS IN SOCIAL SPOTLIGHT

## Mr. and Mrs. J. J. Cannella Honeymooning In Jamaica

Mrs. Jerome Cannella - nee Alice Suarez

## Michelle M. Mondoro, Paul Geene Betrothed

Mr. and Mrs. Joseph A. Mondoro Sr. of South Plainfield announce the engagement of their daughter, Michelle M. to Paul I. Geene, son of Mrs. Eleanor M. Geene of Belleville.

Miss Mondoro received her degree in education from Seton Hall University, south Orange and is an English teacher in Sacred Heart School, South Plainfield.

Mr. Geene earned his bachelor's degree in business administration at the same university and is with Fein Container Corp., Saddle Brook.

The wedding will be held in October.

Miss Michelle Mondoro

## Miss Cerami, Gary C. Gulbin Will Be Wed

Mr. and Mrs. Charles Cerami of 42 Hope Street announce the engagement of their daughter, Domenica F. to Gary C. Gulbin, son of Mr. and Mrs. William Gulbin of 102 William Street.

Miss Cerami, a graduate of Nutley High School, is with Hoffmann-LaRoche, Nutley. Mr. Gulbin, an alumnus of Nutley High School, attended Lambuth College and will receive his degree from Bloomfield College in September.

The wedding will be held July 4.

Amateur's smakers: Poorly administered kisses.

## Tri-Town Affair This Saturday

Bunting, balloons and flags will set the scene in the Bloomfield Senior High School cafeteria at Broad Street and Belleville Avenue in Bloomfield on Saturday, April 24, at 8:00 p.m. when Tri-Town Business and Professional Women's Club of Belleville, Bloomfield and Nutley holds its dessert-card party with Stars and Stripes as its theme. Mrs. Hazel White of Bloomfield and Mrs. Mae Anderson of Belleville are serving as co-chairmen for the event. Tickets may be purchased at the door or from any member.

This has been an annual event since 1957 when the club decided to set up the Flora Loudon Memorial Scholarship Fund to extend opportunities to girls to further their business and professional careers through education. From a small beginning in 1957 when the club received one applicant for one \$100 award, the fund has grown so that since 1966, with the proceeds of its annual card parties, Tri-Town has been able to give three \$300 scholarships annually to girls from Belleville, Bloomfield and Nutley High Schools. Awards of \$50 government bonds have been given to winners of typing contests conducted in the three high schools since 1963.

## Bible Convention For Congregations From Local Area

The Nutley Congregation of Jehovah's Witnesses, located at 23 Hunt Place, Nutley, along with 16 other New Jersey congregations plan to hold their second three-day Bible convention of 1971 at Woodbridge High School in Woodbridge on the weekend of April 30 to May 2. The announcement was made by Phillip W. Dacko, presiding minister of the Nutley congregation, which serves the towns of Nutley, Belleville and Bloomfield.

The program will open at 6:45 p.m. Friday. At 7 p.m. Marvin Holien, convention chairman, will speak on the theme of the assembly, "Implanting of the Word." Holien is the traveling district supervisor of the Watchtower Bible Society. The climax of the assembly will come at 3 p.m. Sunday when Holien delivers a Bible discourse on the subject "What is Behind the Spirit of Rebellion?" Assisting Holien will be Charles W. Blalock, circuit supervisor for the Nutley-Belleville area.

## Sunday Cake Sale Planned At Church

The Rosary Fraternity at St. Peter's Church will hold its annual cake sale on Sunday after each mass. Cakes, cookies, brownies and all kinds of home-made baked goods will be on sale.

Chairman of the sale is Mrs. Philip De Angelis and her co-chairman is Mrs. Angelo Calia. Committee members are Mrs. Mary Whelan, Mrs. Mary Taylor, Mrs. Mae Friel, Mrs. Blanche McComb, Mrs. Kathy Roe, Mrs. Flo Zoppi, Mrs. Mary Manthly and Mrs. Virginia Battle.

The greatest show on earth—nature at work in the spring!

Education isn't to be confused with a degree from an institution of learning.

Miss Judith Marano

## Judith Marano, Robert Matula Plan Wedding

Mr. and Mrs. Michael Marano of Mt. Pleasant Avenue announce the engagement of their daughter, Judith Ann to Robert John Matula, son of Mr. and Mrs. Fred Matula of Hasbrouck Heights.

The troth was made known April 3 at Canary Inn, Clifton.

Miss Marano is assistant bookkeeper with Howard Hardware Products, Bloomfield.

Mr. Matula is with All-Service Typographers, Ridgefield Park.

The wedding will be held in the fall.

## Singles To Meet At Parisian Ball

Single girls and men who are college graduates, or day and evening students or who are in positions of professional level status are welcome to attend an April in Paris Party and Dance on Sunday starting at 8 p.m. at the Carriage Trade, 88 Evergreen Place, East Orange.

The objective of the Singles University Alumni Club,

Miss Anna Esposito

## Anna Esposito, G. L. Ceravolo Are Engaged

Mr. and Mrs. A. Esposito of 102 Malone Avenue announce the engagement of their daughter, Anna to George L. Ceravolo, son of Mr. and Mrs. R. Ceravolo of 204 Stephens Street.

The troth was made known Easter Sunday at the home of the bride-elect.

Miss Esposito, a graduate of Belleville High School, is a teletypist at Western Electric, Newark.

Mr. Ceravolo, also a graduate of Belleville High School, is a Kirby salesman. He will be leaving in November for two years active duty in the U.S. Naval Reserve.

Miss Patricia Carbone

## Miss Carbone, Mr. Palumbo Are Affianced

Mr. and Mrs. Joseph Carbone of 107 Division Avenue announce the engagement of their daughter, Patricia Theresa to Joseph Gerald Palumbo, son of Mr. and Mrs. Louis Palumbo of Irvington.

Miss Carbone, a graduate of Good Counsel High School and Fairleigh Dickinson University, is a French teacher.

Mr. Palumbo, an alumnus of Irvington High School and Seton Hall University, is working for his master's degree at Newark State College. He is a social studies teacher.

The wedding will be held November 27.

Miss Judith Berg

## Troth Is Told Of Miss Berg, Sanford Share

Mr. and Mrs. Franklin Berg of 725 Joralemon Street announce the engagement of their daughter, Judith Gail to Sanford M. Share, son of Mr. and Mrs. William Share of Cedar Grove, formerly of Belleville.

Miss Berg, a graduate of Belleville High School, is a junior chemistry major at Douglass College.

Mr. Share, an alumnus of Belleville High School and Rutgers University, will attend law school in September. He is an accountant with Flink, Cezar and Company.

The wedding will be held in the summer of 1972.

## DON'T GET MARRIED!

"THE COST OF LIVING  
IS DOWN"

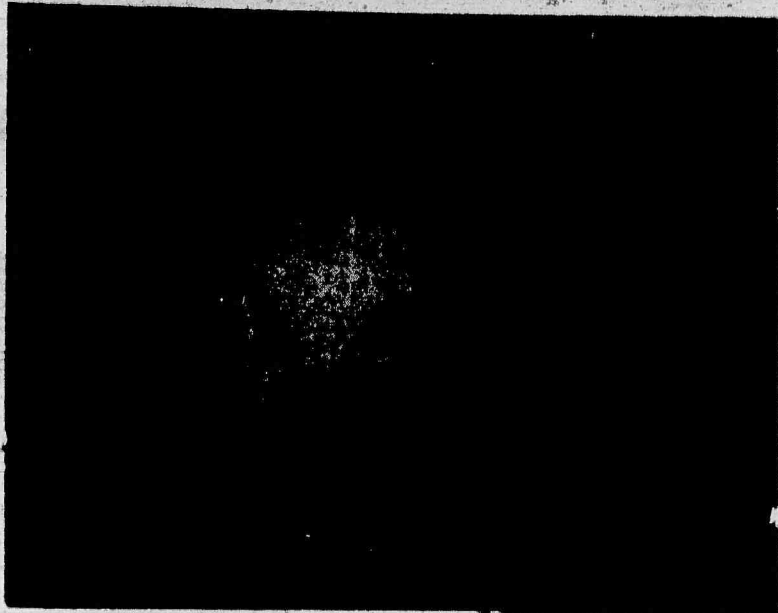

Ordinarily making the above statement would leave us open not only to strong criticism but also to doubts about our sanity. However, what we mean is — "The cost of staying alive," is down. And, this is very true. Hospital stays are usually very short, even for surgery and childbirth, compared to just a few years ago. Another reason the "Cost of Living" is down is that the new medicines that we are now stocking in the pharmacy are more potent and more specific. This means that with most illnesses your doctor can prescribe drugs that will help you to recover faster and lose less time from your regular work routine. We anticipate that the cost of staying alive will continue to decline.

YOU OR YOUR DOCTOR CAN PHONE US when you need a delivery. We will deliver promptly without extra charge. A great many people rely on us for their health needs. We welcome requests for delivery service and charge accounts.

# SOCIAL AND CLUB NEWS OF COMMUNITY INTEREST

## Tri-Towners Meet Tonight

Tri-Town Business and Professional Women's Club of Belleville, Bloomfield and Nutley will hold its regular monthly dinner meeting tonight at 6:30 p.m. at the Park Methodist Church, Park and Broad Streets in Bloomfield.

With the coming of spring, members and their guests will be most interested in viewing slides presented by the Essex County Park Commission showing the recreational facilities offered by the county's parks.

## Local Ladies Sing At Music Festival

The Nutley and Belleville Women's Clubs were represented at the Eighth District Music Festival held at St. John's Evangelical Church, Clifton March 31, for the benefit of the Meta Thorne Waters Scholarship Fund of the New Jersey State Federation of Women's Clubs.

The Belleville Club presented their Chorale, Mrs. Richard Drake, Mrs. Peter Spence, Mrs. William Kinloch and Mrs. William R. Kropp, directed by their director and accompanist, Mrs. Arthur Tireco in "Sing A Rainbow," "Autumn Leaves," "This is My Country" and selections from "Oklahoma."

The Nutley Women's Club Chorus directed and accompanied by Miss Alice Stager and composed of Mrs. Harold T. Hermanns, Mrs. Edward Brady, Mrs. Angelo Strollo and Mrs. Charles Waltz stirred their audience with "No Man is an Island," "The Battle Hymn of the Republic" and "This Land is Your Land."

## Arlene Bade On Dean's List

Arlene J. Bade of Belleville has been named to the dean's list for the fall semester of the 1970-1971 school year at Glassboro State College. Miss Bade is a sophomore at the college.

## Turtle Back Zoo To Offer Special Rates For Pupils

The Turtle Back Zoo in West Orange offers special group tour rates to schools, scouts, church, social and civic organizations which make reservations at least two weeks in advance. Tours must be scheduled for Monday through Saturday.

The tour package includes Zoo guides who discuss the animals and answer questions. For \$1 the group leader may obtain in advance an instructional package which contains a booklet describing zoo animals, their habitat and other interesting facts.

## Western Meeting For Pack 305

The "Cowboys and Indians" of Cub Scout Pack 305 dominated the gymnasium of School 5 March 25, as each of the six dens provided western-oriented games and skits for their parents and leaders.

The occasion was the monthly pack meeting of the Cub Scout Pack.

Each den made up its own presentation to deliver to the audience. The show was put on before a realistic teepee and a "campfire" glowing red from its light bulb "fire."

Pack 305 held its annual Blue and Gold Dinner February 21 in Joe's Restaurant, Bloomfield Avenue Bloomfield.

That event also turned out to be a Cub Scout production, with favors manufactured by the individual cubs and decorations by the den mothers.

The theme, appropriately enough, was "George Washington and Abraham Lincoln." One side of the head table was decorated with a miniature log cabin, in honor of Lincoln, the other with a cherry log split down the middle by a Cub Scout hatchet, honoring Washington. A paper bald eagle gazed from the center of the table.

The den mothers and cubs

manufactured the nut cups which adorned the various tables, as well as the plastermold Cub Scout busts.

The arrangements were under the general supervision of Mrs. Jill Casale, den mother coach and Mrs. Sheila Del Guercio, assistant den mother coach.

Archibald Allombardo principal of School 5, congratulated the parents and youngsters for their good work, emphasizing that the training boys get in Cub Scouts is important to their maturing.

He also commended the parents for the time they choose to spend with their children, lamenting that there are not more parents who do the same.

Other den mothers who assisted in preparations for the dinner were: Den 1, Mrs. Mildred Aulisi; Den 2, Mrs. Angie Rosaria; Den 4, Mrs. Anne Bridge; Den 5, Mrs. Zeta O'Neill and Den 6, Mrs. Catherine Coffey. Alfonso DeMeo is the Cub Pack leader and Paul Martine is Webelos leader.

Every community of people needs unselfish leadership. You can supply some of it.

**IN APPRECIATION** — Presenting a certificate of appreciation from the National Association for Retarded Children to Clara Maass Memorial Hospital is Alfred C. Renna, assistant administrator of the Guild Training and Placement Service of Mount Carmel Guild. Standing from left are Mrs. Nancy Masiello, director of nursing service, Mrs. Margaret Morgan, co-ordinator of the Guild program and Mrs. Ann Candiloro of the Hospital personnel department. Seated is Miss Mildred Neusse, an assistant administrator at Clara Maass. The Hospital was recognized for extending equal opportunity personnel policies to include mentally handicapped individuals. The Guild Training and Placement Service is a vocational training program located in Newark whose main objective is to provide vocational training in the three areas of nurse's aid, dietary aid and power sewing to clients who are at least 16 years of age and have either a physical or mental handicap.

## Bloomfield Township Set To Appreciate College

The "Town of Bloomfield-College Appreciation Week", recently announced by Dr. Kenneth B. O'Brien, Jr., President of Bloomfield College, will take place during the week of April 26 through 30.

## Library Special For Cartoonist

The Children's Department of the Belleville Public Library will present Dick Kramer, talented cartoonist, for its children's special this Saturday. There will be two performances, one at 10:30 a.m. and the other at 12 noon.

Admission to both shows is

by free ticket only. Interested children should pick up tickets at the library as soon as possible as the ticket supply is limited.

Dick Kramer is a commercial artist and never fails to delight the younger set as he demonstrates both the comical and the finer sides of the cartoon world.

A brush of the pen, a circle, a line drawn—all in just the right spots—will help the library end its celebration of National Library Week at the Belleville Public Library, corner of Washington Avenue and Academy Street.

much to plant to avoid an over-supply, we give you the following approximate yields that can be expected from a 50-foot row of the following vegetables:

Bush lima beans, 25 pounds; sweet corn, 50 ears; cucumbers, 50 pounds; head lettuce, 25 to 30 heads; peas (in pods), 20 pounds; radishes, 25 dozen; tomatoes, 150 to 200 pounds; carrots, 50 pounds; and cabbage, 30 heads.

More ill-health is caused by too much food than too little.

## Plant Garden On Paper First

Plant your vegetable garden on paper before actual planting time arrives to save money on your seed order and prevent a lot of rushing around. With a written plan, you can determine your seed needs and avoid over-buying or under-buying. A well planned order placed now will ensure that enough of the desired varieties arrive before planting time and, later, your garden blueprint will guide you in the most efficient use of garden space.

A good garden plan should contain the following information: size of garden, space between rows and between plants in the row, varieties, planting dates, length of rows, seeded crops and crops you will set out as plants, location of later plantings, location of intercropping and direction of north.

**CHAIRMEN MEET** — Miss Lynette Petrucci of 59 Overlook Avenue and Nicholas Raimo of 115 Smallwood Avenue, both of Belleville, discuss plans for the 1971 Multiple Sclerosis Hope Chest appeal in the town. Miss Petrucci is chairman of volunteers for the drive and Raimo is serving as honorary chairman.

## Chairmen Appointed For Charity Appeal

The 1971 MS Hope Chest appeal in Belleville will be led by Miss Lynette Petrucci of 59 Overlook Avenue, serving as chairman of volunteers and Nicholas Raimo of 115 Smallwood Avenue, serving as honorary chairman. The announcement was made by Colin A. Browning of Madison, chapter president.

Funds raised will be used to support the upper New Jersey chapter's patient service activities for MS victims and their families and to advance the society's research programs.

In discussing the campaign, Miss Petrucci stated, "Multiple Sclerosis is a disabling disease of the central nervous system - its cause and cure as yet unknown. The National MS Society, founded 25 years ago, is the only national voluntary health agency sponsoring a research program to solve the MS puzzle. It is estimated that 500,000 Americans are afflicted with MS and related neurological disorders."

Miss Petrucci continued, "Mr. Raimo and I have enlisted many of Belleville's leading citizens in our fight to conquer MS. They will call on their neighbors between Mother's Day, May 9 and Father's Day, June 12, to collect donations. I hope that many other residents, upon reading this article will call me to volunteer their help. I would also like to point out that this time period has been selected throughout the nation to highlight the fact the MS strikes young adults - mothers and fathers - between the ages of 20 and 40."

## NATURAL GAS HAS NO ODOR.

Public Service has the odor added. Its purpose is to make even the smallest gas leak detectable long before it could cause any problem. ☐ If you should smell gas — or think you smell it — telephone Public Service. Our servicemen are on call every hour of the day, every day of the year. They will track down the leak and stop it. ☐ Of course, there's never a charge for the investigation... and certainly never any reason to be embarrassed should the suspected leak turn out not to be a leak. ☐ So please — if you think you smell gas — don't hesitate to call. Holidays. Weekends. Nights. Anytime.

Four Top Awards Set

Cherry Blossom Art At Library

Award winning paintings by local artists will be on display in the Belleville Public Library the next two weeks, it was announced by Library Director Ben Grim.

The paintings won blue ribbons from the Belleville Chamber of Commerce, and centered around the theme of Cherry Blossoms in Branch Brook Park.

A committee of established artists consisting of Carol Yudin, James Carlin and assisted by Grim, judged the paintings last Thursday at the Library. Artist Nancy Crisp was general chairman of the program.

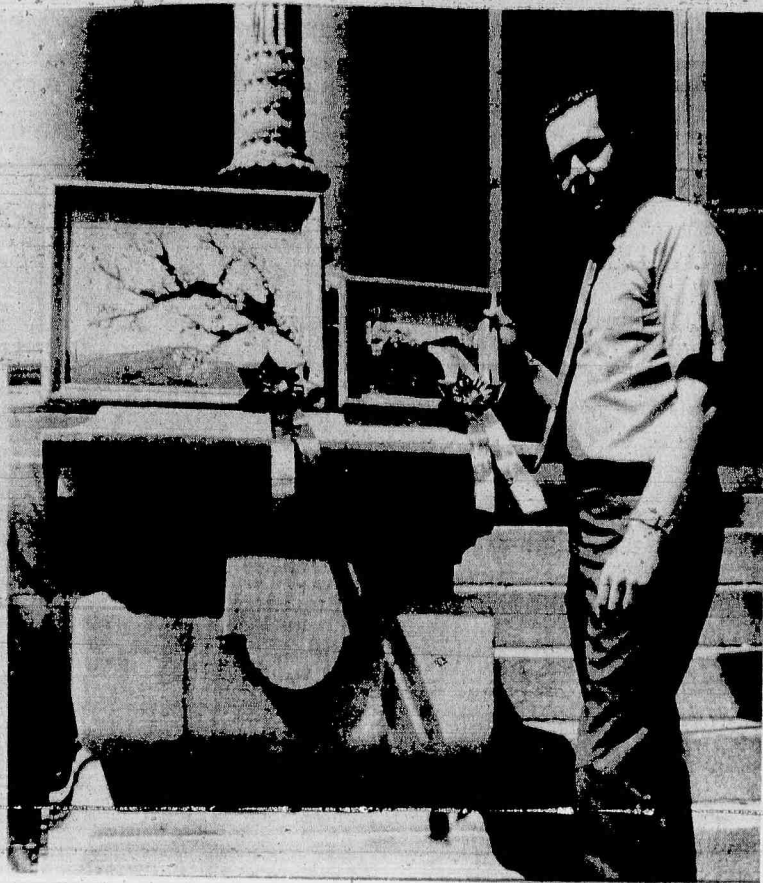

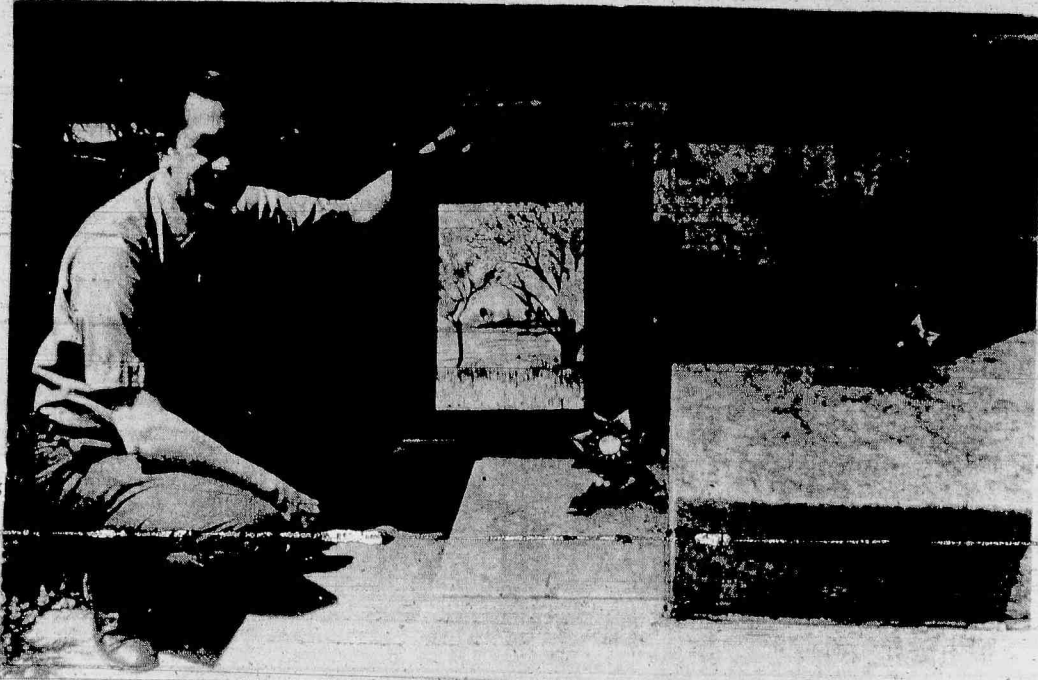

First prize in the elementary school category went to Lauren Pisauro of 39 Tiona Avenue. In the junior high school category first prize went to Marie Mallon of 138 Stephens Street; second prize

to Mary Angelino of 28 Berkeley Avenue; third place to Denise Roccia of 189 De Witt Avenue, and honorable mention to Peggie Morrison of 25 Oak Street.

In the high school age group, Division Street won first prize. Capturing top prize among adult artists was J.F. deGroat of 244 Greylock Parkway; second place went to Frank Abbate of 16 Pleasant Avenue, and third place to Toby Mallon of 138 Stephens Street.

Prehistoric Paintings Set For Newark Museum Showing

Rock Paintings of the Tassili, an exhibition featuring full-color copies of prehistoric wall paintings, opens at the Newark Museum on Wednesday, and continues through May 23.

WINNING PAINTINGS are held by Ben Grim, library director. They are (l-r) high school winner Susan Rae Melchionne and elementary grade winner Lauren Pisauro.

BEN GRIM, Belleville Library director, stands by award winning paintings. Shown at left is junior high winner Marie Mallon's artwork, and at right, adult winner J.F. deGroat.

## Reveals Goal

# Cancer Drive Underway Reports Vincent Strumolo

The American Cancer Society's 1971 fund and educational Crusade is in full swing in Essex County, according to yesterday's progress report by Commissioner Vincent Strumolo, Belleville Community Cancer Crusade Chairman.

"Our county Crusade goal is \$225,000," he said, "and so far we have raised one third of this total. We are counting on the residents of Essex County to support this mass educational and fund raising effort which is conducted by

the Society every April.

"The funds, being raised by Volunteer Crusaders, are desperately needed to support the Society's programs of research, education and service. These programs are implemented in our county by the Essex County Unit of the Society, while nationally the same tasks are completed by over 3,000 counterpart Units. We are calling on the residents of Essex County for the same sustained support this year they have given us in the past. Support that has made

possible Essex County Unit's position in the leadership group of the Society.

"The report of the American Cancer Society of the 1970 expenditures lists, \$24,088,529 for cancer research, \$11,312,369 for public education, \$6,967,851 for professional education, \$7,785,182 for patient service and \$3,939,367 for community service. These functions are the weapons, the big guns, in the war against cancer. We are beginning to win that war.

## Advanced at Sel-Rex

SEL-REX PROMOTIONS -- Dave Weil (left) and Rudy Garbely (right) have been promoted by the Meaker Division of the Sel-Rex Corporation at 75 River Road, Nutley. Weil, a Belleville resident, has been promoted to sales engineer, while Garbely is now an assistant general manager. Weil's position provides field sales personnel with application engineering assistance on manual and automatic electroplating equipment. Garbely is now responsible for the operation facilities including engineering, quality control, production and equipment planning. He has been with the firm since 1959 and resides in West Caldwell.

## New President For W. Kidde

Philip Brunner has been named president of Ferguson Propeller Ltd., a division of Walter Kidde & Company, Inc., Belleville. It was an

appointment by Bernard N. Ames, Kidde senior vice president in charge of marine and marine time operations.

THIS LITTLE girl didn't have to walk around to see the Cherry Blossom Parade Sunday, she had a cart of her own.

# Bellevillite Could Lose License For Life

Nutley police charged a 39-year-old Belleville man with drunken driving and operating an auto without a license after an accident Sunday morning which damaged two vehicles.

The Belleville man was taken to the Belleville River and Hetherington Road shortly after the collision which badly damaged two cars.

Police report the Belleville man was turning left onto River Road from Hetherington Road when he collided with an auto driven by a 33-year-old Kearny man. Neither of the drivers was injured in the accident.

The Belleville man was taken to police headquarters where he refused to take a breathalyzer test. After

becoming loud and abusive towards police, the officers booked him on the drunken charge. Police also discovered the man was driving without a license.

Released on \$350 bail pending a Municipal Court hearing near Wednesday, the Belleville man may face in excess of a \$200 fine and suspension of driver's rights.

## Candidate Says Drug Charge Is Town Woe

(Continued from Page 1)

bituates instead of heroin.

Mrs. Dillon said she doesn't feel drug problems start in the home, and said one of the reasons for her candidacy was "because drug problems were not being handled properly by officials and the community as a whole."

"I accept the responsibility as a parent, but not the blame," Mrs. Dillon told the Times.

"In the main, I am interested in the young people of our town. Who am I to assume this problem of drugs would not come into my house," the Commission candidate said.

"The problem has been in this town for a long time and I have never seen anyone lift a hand to do anything about it. It's the times we live in I guess."

Mrs. Dillon also said she is running "because of the deterioration in all areas of the community which I see, and the drug problem is one."

"Look at your children, I would tell the voters; just get out there and change the political situation in this town," she said.

"I had a meeting the night it happened and I got twice as much support from my workers. They said I should run now more than ever because I'm the only one at meetings who attacks the problems. I've even had people calling up to offer help."

Mrs. Dillon also leveled criticism at the drug educational program instituted by state mandate in the Belleville junior and senior high schools this year. The candidate said the way the program is operated "it is contradictory and employs a double standard."

"We get a big hoop-la about the drug educational program that was given to our teachers last fall, and then after all the time was spent by the teachers learning how to be aware of drug abuse symptoms, they can't report to their superiors what child they believe to be under the influence of these drugs."

Mrs. Dillon claims teachers can't report youngsters because they fear to lose their jobs. "An administrator in the

system, whom I will not name but would urge to come forward and speak out, told me this is the situation," she said.

The resident of 158 Division Avenue said she wanted to point out she had four children, three boys and a girl. The oldest she said, had volunteered to serve in Vietnam. She also has a 15 year old son at the high school, and a 13 year old daughter at the junior high.

"My house is open; anybody who feels he needs help in this drug situation, come to me; if they need someone to talk to and want to help me in my campaign, come and join me," she said.

Nutley police said the incident in question involved a reported theft of stolen tapes and a tape player from an auto parked in the rear of the Town and Country Restaurant on Centre Street in Nutley.

Nutley police were told at the scene by the victim, Alfred Pagliuca, 20, of Lyndhurst, that ten tapes and an auto box tape player was stolen from his car.

Pagliuca according to Nutley police, said he saw a Michael Dillon of Belleville (he apparently knew who Dillon was) and two other teens, a girl and a boy, in the vicinity of the car earlier in the evening.

Nutley Police put out an alert for Dillon. Belleville police stopped a 1964 Mercury a short time later driven by a 17 year old Nutley girl with two occupants, one being Dillon. On the rear seat, according to police, was the stolen tape player and the tapes.

Police from Nutley were called to the scene and assisted in the arrest. Police also said they noticed the trio was acting "strangely, as if under the influence of some drug."

Police brought the trio to Nutley headquarters, where they were examined by Nutley Town Physician Dr. Albert Gaydos.

According to police reports, Dillon was found under the influence of heroin; Carnavale under the influence of barbituates, and the 17 year old under the influence of barbituates.

A police matron was called in to search the 17 year old girl. The matron found in the juvenile's jeans two cookers, two eye droppers, a hypodermic needle and four decks of heroin.

The two males were released on \$1,200 bail each the next day, and were scheduled for a Nutley Court hearing yesterday. The girl was released in the custody of her parents pending juvenile action.

**School Dean Cites Sociology Major**

Nicholas A. Fagioli a sociology major of 56 Mount Prospect Avenue, Belleville, is among 269 students who have been named to the 1970-71 fall semester dean's list at Western New England College, Springfield, Mass.

Of these 269 students, 121 are majoring in business administration, 109 are arts and science majors and 39 are from the School of Engineering.

By John McCarthy

### Strong Soph Smashes Shot Stats

Tony Vincent, a Belleville High School sophomore smashed his class record for the shot put this past Monday against Vailsburg High School of Newark for the fourth consecutive meet this season.

The strong soph put the 12 pound steel 46'3" to gain another four inches on his record. Tony had taken over the class record against West Side when his 44'1" beat Ralph Salerno's 42'8" throw of 1968.

Vincent took first place against West Side to lead a 9-0 sweep for the Bellboys, one of three times where Belleville has swept first second and third position in the shot, and one of three times that Tony has captured top honors.

In the opening meet of the season, Tony was fourth with a throw of 40' as Passaic took first and Belleville second, third, fourth, and fifth.

Then came the West Side victory with four more feet telling Salerno to move over in the record books. Tony added eleven inches to his new record almost before the ink in the books could dry.

Orange High School saw Tony throw 45' even and place second behind senior Tom Vitiello in another sweep. Vitiello threw 45'7" that day.

Another eleven inches came only two days later against Central High School as for the second time Tony led a sweep in first place, Belleville's third sweep of the shot in four meets.

This week's four inches placed Tony first to gain a tight 5-4 victory in the shot as Vailsburg finished second and third. Bob Luongo, another Belleville sophomore, finished fourth and if it weren't for Tony, Bob would have had the record to himself, as his heave was 43'0".

Now Tony's out to add more to his mark, and if possible break the mark for the junior class before he even finishes his sophomore year. Mike Albertine's record of 48'6 1/2" of 1970 is not too far away, and if Tony keeps going, the stadium and school records of 53'6" and 54'9 1/2" held by Bill Bartell could be in danger before Tony finishes.

Tony came to Belleville from Newark where he attended Webster Junior High and was headed for Barringer High School before the change of residence. The college-prep student hopes next year to maybe go out for football where the 5'11" 190 pounder would look for an offensive halfback position.

### Jinks Top Long Jumper At Rutgers

Another Belleville High School record holder, Larry Jinks of the class of 1968, is making his way at Rutgers, New Brunswick on the State University's track team.

Larry placed second last Wednesday against Princeton with a leap of 21'7" behind the Tigers' Bill Foucher, who landed 21'9" from the toe board. Rutgers topped Princeton 88-66 to make their record 6-2. Other team wins came against St. John's, Adelphi, Seton Hall, Fordham, and LaSalle.

Foucher is somewhat of a nemesis for Jinks, as the Princeton long jumper was also two inches ahead of the former Bellboy in the New Jersey Indoor Championships to take first place. Jinks has his best jump of 22'4", but Foucher was out there in front with 22'6".

Larry also runs a 110 yard leg of the 440 yd. relay for the Scarlet Knights occasionally. During a recent exhibition meet with Baptist College of Charlestown, South Carolina, the Rutgers relay squad took first with a clocking of 44.2 and Jinks doing one segment.

The main event for Larry is the long jump, but sometimes he gets the nod for a sprint if one of the regular speedsters needs a rest.

Jinks was second in the Big Ten long jump for 1968 with a jump of 20'10" and fourth in the Big Ten 220 yd. race with a 23.1. He holds Belleville Municipal Stadium's school record for the 220 with a time of 22.9 which he ran against Kearny in his senior year. His other record is the junior class record of 19'8 1/2" for the long jump from 1967.

### He Often Triple Scored

The Rutgers biology major was often a triple scorer for Belleville in his senior year, which he called "the beginning of the end" of Belleville's track power of the sixties, when the team went 3-9 under a first year coach, Jim Orsini. The reason for the lack of victories was the lack of depth which often had Belleville take seven or eight first places of thirteen events, but lose the meet because the firsts came in 5-4 wins and the lost events by much wider margins.

The junior at Rutgers made the Dean's List for the first semester this year, which was his first time on the University honor roll. Larry had a 1.75 average of a perfect 1.0 and for five semesters has a cumulative grade of 2.15. Larry will graduate next year with a degree for teaching and hopes to become a biology teacher and a track coach.

The long jumper feels Rutgers could go 9-2 as they close out their dual seasons against Lehigh Tuesday and Columbia on May 8 after meeting Lafayette yesterday afternoon. Rutgers will enter the New Jersey College Championships May 5 at Rider College and the Metropolitan College Championships on May 15 as defending champions and then will go to Franklin Field in Philadelphia on May 28-29 for the IC4A Championships.

## Duffers Looking For First Win Of The Year

By Bob Luongo

Last Thursday, Belleville's golf team was defeated by West Orange for their third straight loss. The following day Belleville lost their first home match at Forest Hill Country Club to Montclair. Ironically, the score for both matches was 10.5 to 7.5.

Belleville will face West Orange again tomorrow at Forest Hill still looking for their initial victory.

The weather played a very

decisive role for the teams in the recent matches. The very cold and windy conditions made both matches seem to be the players matched against the weather rather than themselves. According to the Bellboys, their drives were rather ineffective resulting in a higher number of strokes.

Against West Orange, high scorer for Belleville was the number four man, Gary DeFuria. He led the team by

## Cindermen (4-1) Host East Orange Monday After A Long, Hard Week

### Record Is Best In Years

By John McCarthy

The East Orange track squad will pay a visit to Belleville's Municipal Stadium this Monday at 3:45 to start another three-meet week for the 4-1 Bellboy team. The record for this season is the best in recent years, which normally sees only three wins in the entire season.

After having three meets last week, Belleville gets this week to prepare for E. O. on Monday, Nutley on Thursday, and The Big Ten Track and Field Meet next Saturday. Belleville's only race this week was against Vailsburg on Monday, and the Bellboys avenged a loss from last season by winning 64-53.

At the end of last week's meets, Belleville topped Central High School 79-38. A team performance and added depth this season helped Belleville double their opponents score for the first time.

No one single person was a superstar against Central as there were a total of 19 Bellboys in varsity scoring positions. The high scoring for the day was by Tony Vincent and Don Lowalski with eight points a piece, and right behind these two were Ricky Caruso with seven and both Mark Bradley and Bob Luongo with six points.

Belleville took a total of eight first places for thirteen events, ten seconds and nine thirds of which four of each came in shutouts. These 9-0 wins for Belleville came in the shot put, the discus, the mile and the pole vault.

Central took third in three of the events where Belleville took first and second, holding the Bellboys to 8-1 wins for the high hurdles, 440 yard, and long jump.

Besides being one of the eight point scorers, Tony Vincent broke Belleville's sophomore class record in the shot put for the third meet in a row. Tony's first place with 45'11" added eleven inches to his record and led one of the sweeps. Scoring right behind Vincent were Tom Vitiello and Bob Luongo.

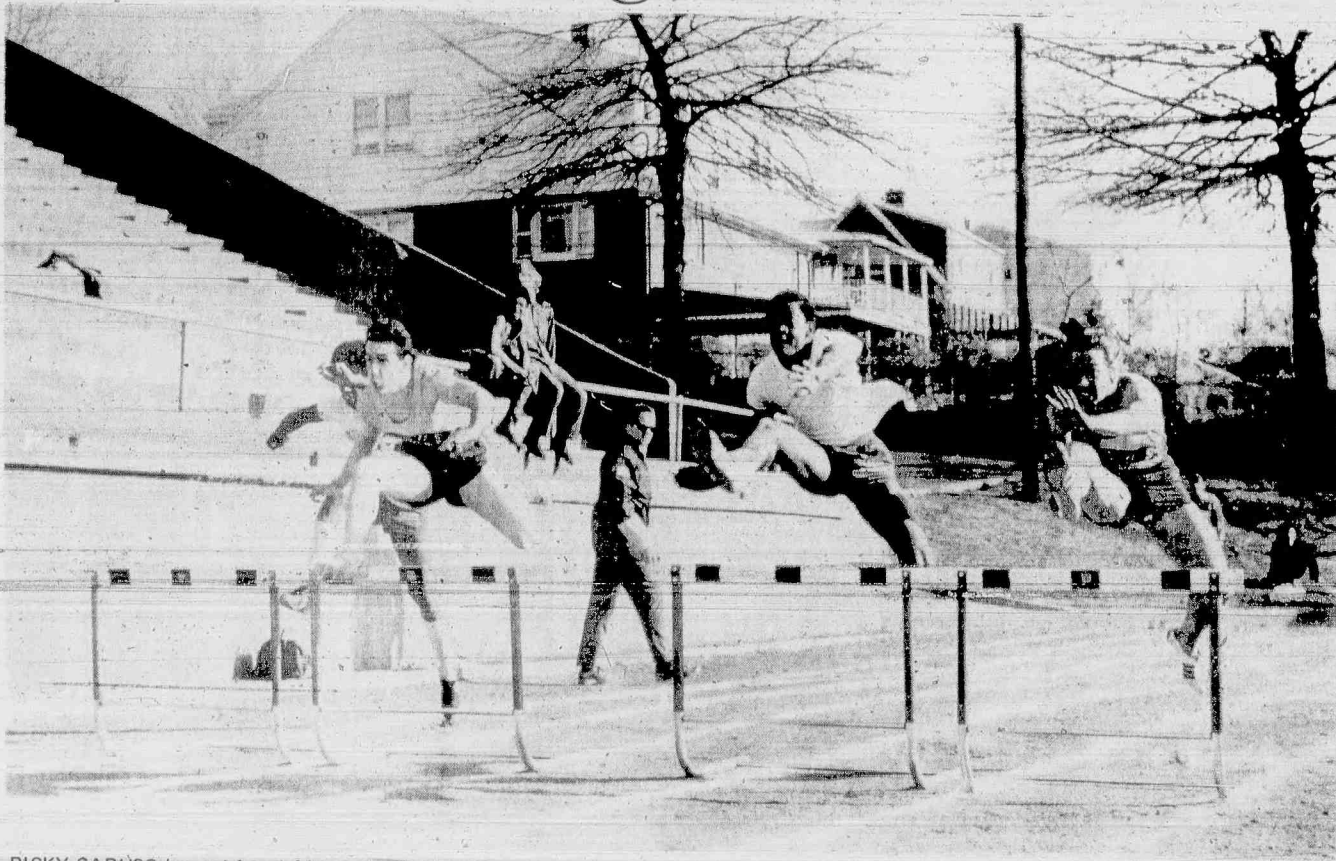

Luongo changed the order in the discus, as the sophomore moved up to first, dropping Vincent to second and Vitiello to third, for another sweep.

Ricky Caruso totaled seven points, and was the only Bellboy to score in three events. Caruso led a sweep in the long jump, and broke up Central's chances for a sweep by taking third in the hundred yard dash and the low hurdles.

Right behind Caruso in the long jump was Don "Killer" Kowalski. The Killer scored eight points for the day as he also was first in the high hurdles.

Don Kowalski led an unexpected sweep in the mile run, as Belleville had the first three places in this event for the first time in years. Dalcero broke the tape for the third time in four meets,

(Continued on Page 14)

## West Side Arrives Today But.. Rival Nutley Is The Big Game

### Marotti's Bat Brings Bellboys Big Ten Lead

Belleville's front running nine hosts a non-Big Ten opponent today, West Side, at 3:45 p.m. before facing a stiff test from rival Nutley tomorrow, also at the Stadium.

Tuesday Belleville swamped highly regarded Irvington to qualify for a tie in the Big Ten with Columbia, a team which the Bellboys defeated only last week. Both front runners have 5-1 records.

Big man in Tuesday's victory was senior first baseman Rocco Marotti, who knocked in four runs on a three run homer in the third inning and a single in the fifth.

Also contributing a big bat Tuesday in the important victory was senior left fielder

Jim Miele, who knocked in three runs.

Junior thirdbaseman-hurler Frank Petite got credit for the victory with a strong two inning relief job from Sal Mineo. Petite wasn't sharp, giving up six hits, but was backed with a strong enough attack to register his second victory against one defeat.

West Side doesn't figure to give the Bellboys much trouble, but Nutley, despite its 5-1 loss to Columbia Tuesday, is a tough team featuring solid pitching, particularly from Dan Bouten, who is 3-1.

Yesterday Belleville travelled to Seton Hall, to play the unbeaten prep school. The Times-News went to press before results of that game were in, but if the Bellboys won that game, there should be little doubt the Belleville squad is the top team in the Essex County area.

The Bellboys seem to be jelling as the season nears the halfway mark, and if the pitching of Petite, Gary Soldo and Sal Mineo hold up, the squad could go all the way in the Big Ten.

Particularly encouraging is the continued strong hitting of Petite and Papisidero, who are being counted upon to anchor this team. The hot hitting of Marotti, Miele, Ziegler and Mongrella, is giving coach Charly Travers reason to smile.

A BLOOMFIELD RUNNER beats the throw from Bellboy catcher Gary Falkman to Charlie Ziegler. The Bellboys were too much for the Bengals, however, and beat the Big Ten rivals 5-1.

### Upper Merion

## Bellboy Crew Set For Tough Test

Belleville's crew team has its sights on the two up-coming New York regattas, the Mid-Hudson Invationals in Poughkeepsie and the National Championships in Syracuse, but according to head coach Sam Giuffrida "Every race is a must. We want to hit a peak by the Poughkeepsie Regatta (May 8) and carry it through to the Nationals (May 21-22), so we've got to build it against these teams we face."

This Saturday Belleville will face a "tough" shell from Upper Merion, Pennsylvania and Kearny on the Passaic River. Merion, beat Nutley by four seconds when the two shells raced on the Passaic and "Mr. G." feels that he "can expect a good race because I think that Nutley has a fairly good team this year".

Kearny will also not be taken too lightly as the Bellboys won the season's opener against the Kards, but Kearny has vastly improved since the 11 second loss to Belleville, according to the coach.

The jayvee shells will start

the afternoon's racing at 2 p.m., with the varsity following then the frosh and third shells.

This past week the Bellboys have had two sweeps to bring the varsity record to 3-1, and the jayvee and freshmen records to a spotless 4-0.

Against the Hun School on their home water of Lake Carnegie at Princeton, the varsity won by a four boat length-16 second margin. The jayvees followed this with an "easy" win, according to Mr. G., as they had 28 seconds or six boats of open water.

The freshman race was even more lopsided as the junior High School shell raced Upper Merion's sophomore boat and won by almost a minute and a half.

This past Saturday, Belleville met Poughkeepsie on the Passaic and won by the same margin as in the Hun School race, three to four boat lengths.

The freshmen provided an extra special attraction for the afternoon as they entered the Junior Varsity race and finished second to Belleville's

junior varsity and ahead of Poughkeepsie's.

The JV Bellboys topped the New York shell by 25 seconds, while the freshmen oarsmen won by 15 seconds.

There were no third shell races this past week as they are only run if the other school brings enough oarsmen. Belleville with 27 freshmen out for crew constantly has enough for this race, normally entering two sophomores and seven frosh, and the shell is 1-1 for the season.

Giuffrida noted that Vinnie Sorrentino's freshman shells will be a big asset to Belleville's future crew programs, they are all big and strong and willing to work hard.

In the past few races, Giuffrida has made a change in the varsity shell to give more power to the boat and better use the power and experience the shell already has.

Senior Frank Marano and junior Gary Haight have changed positions in the shell,

(Continued on Page 16)

STRIKING OUT for a quick lead against Poughkeepsie is the 4-1 Bellboy varsity crew, which easily topped its New York visitors. Shown are (l-r) coxswain Bob Zarra, Jack Fersko Gary Haight, Mike Marano, John Atherton, Tom Jones, Frank Marano, Tito Sanzaro, and John Resciniti.

# Talented Cindermen Host East Orange At Stadium

## Bellboys Seeking Best Record For Trackmen

and was followed across by Ed Wehmier in second and Chuck Hill in third.

Belleville's pole vaulters had the final sweep as Jerry Prive moved up to first place, Brian Dunleavy took second and Augie LaLuna finished the scoring in third.

Mike Petronaci led an 8-1 victory for Belleville in the 440 as he passed Mark Bradley in the home stretch for the second time in a row to cop first place in the quarter mile. Bradley also finished second in the 220, and with third place by Bob Drake, Belleville kept Central to a tight 5-4 win.

The eighth first place of the day came in the 880 yard run. John McCarthy captured first here and was followed by Don Black in third for a 6-3 margin.

Black was also second in the high jump, as Central took that event by a reverse 6-3 score.

Ray Horman and Rocco Cuozzo took second and third respectively in the two mile, to add four more points to the team score.

Against Vailsburg, Belleville faced a much stronger team as reflected in the fact that only 12 Bellboys got into scoring position, the same twelve who have scored in almost every meet.

Ricky Caruso was the high scorer for the team with eleven points scored in three events. Of the 12 scorers, eight of them tallied in two or more events.

Caruso took a first in the low hurdles, and seconds in the long jump and hundred yard dash.

Right behind the Bellboy senior in the lows and the long jump was Killer Kowalski, the high scoring junior. Killer was the only other Bellboy to score in three events besides Caruso, with a second in the high hurdles, as well as his lows second and long jump third.

Second high scorer was

Mark Bradley with 10 points for first place in both the 440 and the 220. Mike Petronaci was unable to top Bradley as he had done earlier, but placed third in the quarter mile and tied for second in the 220.

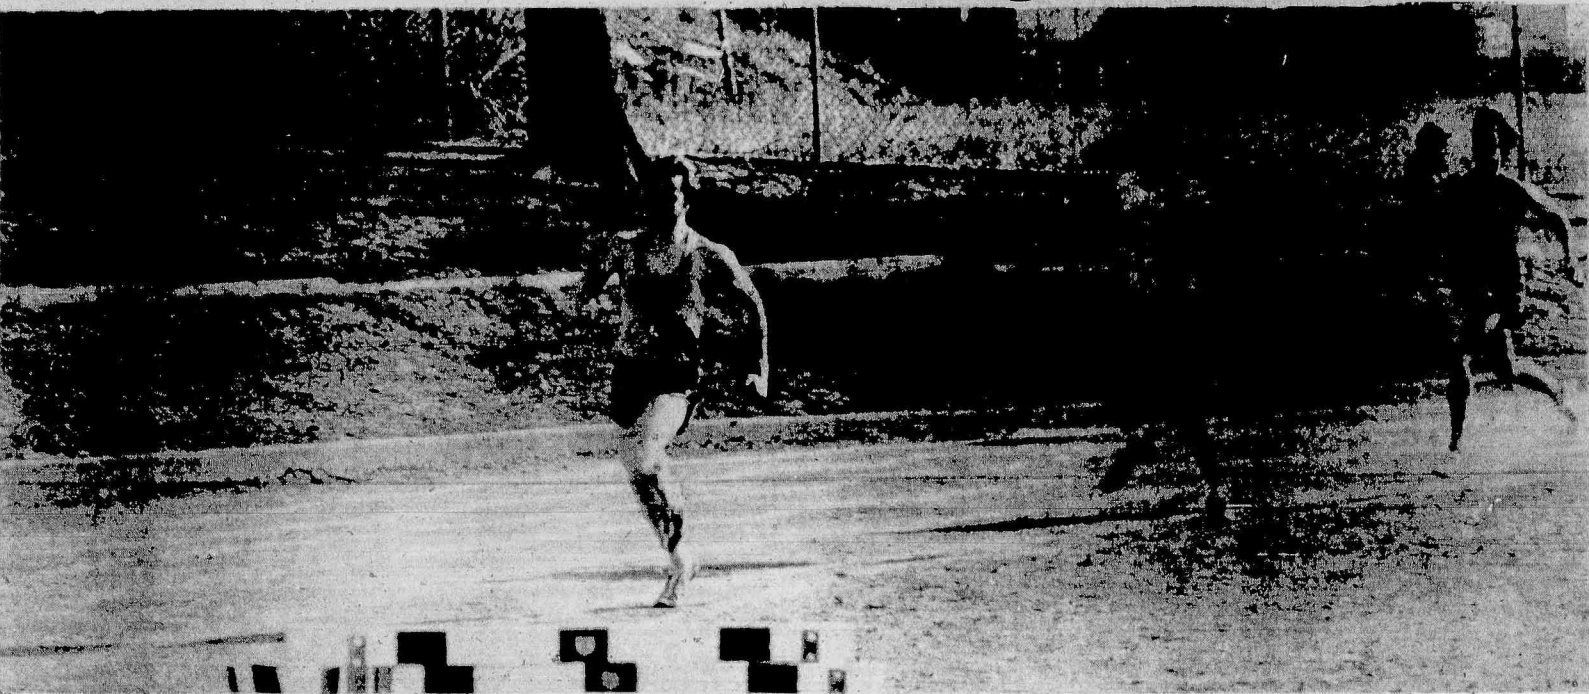

A surprising 8-1 victory was chalked up in the high jump when two distance runners took first and second places over the bar. Don Black recorded his first place of the season and was followed by Ray Horman in the second position.

Black was also third in the 880, where John McCarthy finished in first place for the fourth time in five races.

Horman had another second place in the two mile right before entering the high jump.

In the other distance event, Lou Dalcero placed second for the mile.

Tony Vincent took first place for Belleville in the shot

SENIOR MARK BRADLEY sprints around far turn in the 440 yard dash against Vailsburg. Bradley, who took first in the run, is followed by a Vailsburg runner, and third place finisher Mike Petronaci.

WATCHING the long jump last week against Central High School, are four of Belleville's first place winners in the meet: (l-r) Jerry Price, pole vault; John McCarthy, 880 yard run; Mike Petronaci, 440 yard dash, and Lou Dalcero, mile.

## Bellboy JV (4-1) Splits With Cougars, Bengals

By Tony Calabrese

The Belleville Junior Varsity Baseball Team now owns a 4-1 record after a week which saw the Bellboys shutout a stubborn Columbia team 3-0, and go down to their first defeat at the hands of Bloomfield by a score of 2-1.

In the game at Columbia, Alan Frank and Rich Centanni combined for a solid three hit shutout. In his four innings of work Frank gave up two of the hits, while striking out six and walking one batter. Centanni had a fine three inning relief stint in which he struck out seven while walking three.

The offense meanwhile had to wait to the fifth inning before it got on the scoreboard. Phil Cuzzi's sacrifice fly scored Mark Cervasio with the first run of the game. The score stood at 1-0 until the seventh inning when

Belleville got two insurance runs. Cuzzi's second sacrifice fly of the game, this one scoring Sam Venezia, drove in run number two. Centanni followed with a long triple to left field, and he continued on home because of a throwing error from the outfield.

Against Bloomfield the Bellboys fell behind for the

first time this year and never could recover. A double and a single brought home the first Bloomfield run in the first, and the following inning a walk, wild pitch, and double scored what proved to be the winning run.

Belleville could only manage to score in the fourth against Bloomfield.

## Duffers Seeking Victory

contributing 2½ points. Number three man Domenick Palamara added one and a half points. Domenick took advantage of his opponent's shooting a 10 on the next to the last hole.

Season point leader Neil Simeone, a sophomore, also added one and a half points. Simeone has been a stalwart for the duffers, steadily adding points each match.

Junior Mike Zarra, number two man, received his first team point for the year coming from behind to beat his opponent on the last nine holes.

Adding the total points were Captain Roger Ross and six man Jessie D'Amato both contributing half a point.

West Orange played a strong game on their home course despite the weather. The number one and number six men were top scorers, each adding 2½ points.

Against Montclair, Simeone was tied as high point scorer, scoring 2½ points for the duffers, raising his team total points to 9 in four matches.

Mike Zarra also contributed 2½ points. Despite some putting problems Zarra still beat his man with a lower score for more team points.

Palamara scored 1½ points, winning one set of nine, losing another and tying scorer with his opposing number three man for the final.

D'Amato scored the final point, bringing Belleville's total to 7.5.

Montclair's points were mainly contributed by their number one and number four men. They both shutout their Belleville opponents receiving three team points. Next high was Montclair's number six man with two points.

**ANCO IS THE ANSWER FOR FEDDERS**

put and for the third consecutive time broke his own record. This time the sophomore class record fell with a 46'3" heave.

Tom Vitiello was Belleville's only other scorer in the shot, placing third, and Belleville's only scorer in the discus with another third place, which kept Vailsburg from taking what would have been the only shutout of the meet.

Belleville's pole vaulters again walked away with their event as Rex Willett took first place and Dave Pepe placed third.

Overall, Belleville won seven of the thirteen events, with no shutouts registered.

### BECK'S COLUMN

MAX BECK

A new type of speaker has created a considerable amount of interest, a circular unit. It is called omnidirectional, meaning of course it distributes sound all around, whereas the conventional speakers radiate the sound directionally.

This new type gives you a choice of 3 different systems.

First of all we have the fairly inexpensive regular speaker box with the conventional speaker systems mounted into it. The back of these boxes are either open or has a perforated board.

The other type, which is more preferable, is the so-called air suspension system. Such a speaker cabinet is fully enclosed. The advantage, among other features, is that one can reproduce good bass tones in a much smaller box than with the first system. A certain disadvantage is that it requires a more powerful amplifier.

The above mentioned circular system is the third. It also is of the air-suspension type. It is amazing that a relatively small unit gives such excellent tone quality. When such units can be placed some distance from a wall, they have distinct advantages.

We service what we sell. Beck's Radio TV HI FI Nutley 667-4225

## WEEKEND SPECIAL!

**FREE!**

1971 RAND McNALLY CAMPGROUND & TRAILER PARK GUIDE, WITH A DEMONSTRATION RIDE IN A NEW INTERNATIONAL TRAVELLALL, SCOUT OR PICK UP

### INTERNATIONAL TRAVELLALL WAGON

Designed and built from stem to stern for towing — up to 10,000 pounds without compromising performance. Inside it's 25% roomier than any passenger-car wagon — 124 cu. feet of cargo space. Seats 9 adults, sleeps 3. Choice of thrifty six or high-performance V-8 power up to 235 hp. Choose your own styling, too, from 3 exterior and 3 interior trim options. Power train selections include 5-speed with overdrive, automatic transmission, even 4-wheel drive.

### INTERNATIONAL CAMPER SPECIAL

No ordinary pickup! This one's built to make a house a home — on wheels! Camper-tailored suspensions for extra safety on curves and in high winds. Optional rear axle ratings (highest in the industry) give you more strength where you need it. The luxurious custom cab interiors (with many luxuries including air conditioning) are also like a home on wheels. Choose from four engines (3 V-8's, eight transmissions).

### INTERNATIONAL SCOUT ACTIONMOBILE

Pays for its fun in the work it can do on any farm, ranch or service location. Power up with 304 cubic inch 193 hp V-8, 135 hp six, or a thrifty 111 hp 4-cylinder Comanche engine. Gear up with — 3-speed, 4-speed manual or 3-speed automatic stick-shift. Style your own Scout with many options: bucket seats, full-length steel Travel-Top, cab top, fold-down safari soft-top, or go as an open roadster. Equipment options include snow plow, winch and tow hook. The actionmobile for everyone!

## INTERNATIONAL C-O TRANSTAR®

## "CO" AS IN COMFORT

The skipper of this truck gets less tired and more efficient. A beefed-up frame cuts down cab racking. The cab's on heavy shock-absorbing rubber mounts. Center-tread front axle reduces steering effort. Optional load-matched 4-inch front springs smooth out the ride. Super-insulated for interior quiet, too — with a soft-spoken DVT-573 diesel engine standard. Get the full story — here — now.

HARD SWINGING senior Jim Miele slaps a hit during Bellboy victory over Bloomfield last week.

## Freshmen Drub Essex Catholic For Victory 3

Belleville's freshman baseball team continued to trounce their opponents as last Saturday they drubbed Essex Catholic 19-7 for their third consecutive victory. This Saturday the frosh will face Livingston at the Stadium. These two teams met for Belleville's opening game when the Bellboys ruled 13-2.

Against the Eagles, Dennis Nadzin picked up his second win in as many starts and contributed two base hits in five trips to the plate. Nadzin was moved from the mound in the fourth inning when the score was 13-7 after striking out five, letting up only one walk, and being held responsible for four earned runs.

The 2-0 hurler then moved to right field as Bill Telesco came over from second to pitch. Telesco, who might start this week against East Orange, struck out four and let up only one walk while allowing no runs. Telesco went 2-4 and stole three bases, including home.

The top hitter for the Essex Catholic game was Bob DiQuattro who went four for four in the five innings that he played. Bob now has a .700 average for three games, belting two singles and a pair of doubles for a total of four RBI's.

Joe Cancelliere tallied the games only round-tripper as his third inning blast over the centerfield fence scored Joe Arminio from second base. Cancelliere went 3-4 also stroking a single and a two-bagger.

Two doubles by Joe Cerza helped him go 2-4 for the game and give the team a total of nine doubles out of ten extra-base hits. Cerza is the frosh catcher, and caught two Essex base-runners stealing bases.

The game was a see-saw battle for the first few frames, but opened up in the bottom of the third. Essex started the game by scoring three runs in the top of the first, but the Bellboys came back with a quick four in the bottom of the inning to take the lead.

A second inning surge gave Essex a 6-4 lead, which as usual, the Bellboys turned into 7-6 by the end of the inning.

Finally in the third inning Essex was blanked by Nadzin, and the Bellboys went wild, scoring eleven runs in the bottom of the inning. Essex then scored one more in the fourth, and Belleville one more in the fifth for the final score.

For three games, the frosh batting average is .389 after hitting a torrid 18-39 against the Eagles. On the defensive, the frosh match this with a .948 fielding average.

JMC

JACK FERSKO, stroke for Belleville's 4-1 varsity shell, rests after the Bellboys outdistanced Poughkeepsie Saturday on the Passaic River for victory number four.

## Belleville Crew Seeking Fifth Win Saturday

(Continued from Page 13)

Marano from seven to three and Haight in the reverse. Even though Haight is taller and less situated for the stern, Giuffrida felt that Marano would add experience to the bow of the shell which would more than compensate for the height difference.

So rowing in the varsity shell this past two races were John Resciniti at the bow, Tito Sanzaro at 2, Frank Merion's at 3, Tom Jones at 4, John Atherton at 5, Mike Marano at 6, Haight at 7, Jack Fersko at stroke and Bob Zarra in the coxswain's seat.

The varsity has also tried to even out the stroking for the recent races to even out the power and maintain the best possible yet conservative, speed. They now row about 34 strokes per minute for the first 3/4 of a mile and then bring it up to the neighborhood of 36 for the final quarter.

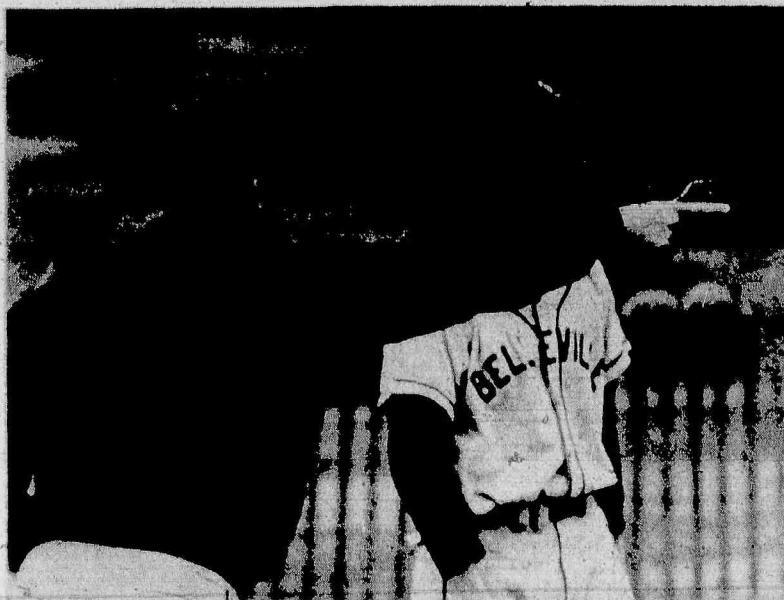

This count of strokes per minute depends on the size of a shell as the object is to pass all four whirlpools created by the oars. "Unless you pass the whirlpools," commented Giuffrida, "you're not going anywhere at all."

In the juniors varsity shell for this week's races were bow, Steve Rovell; two, Vincent Galanti; three, Steve Andrews; four, Pete Peterson;

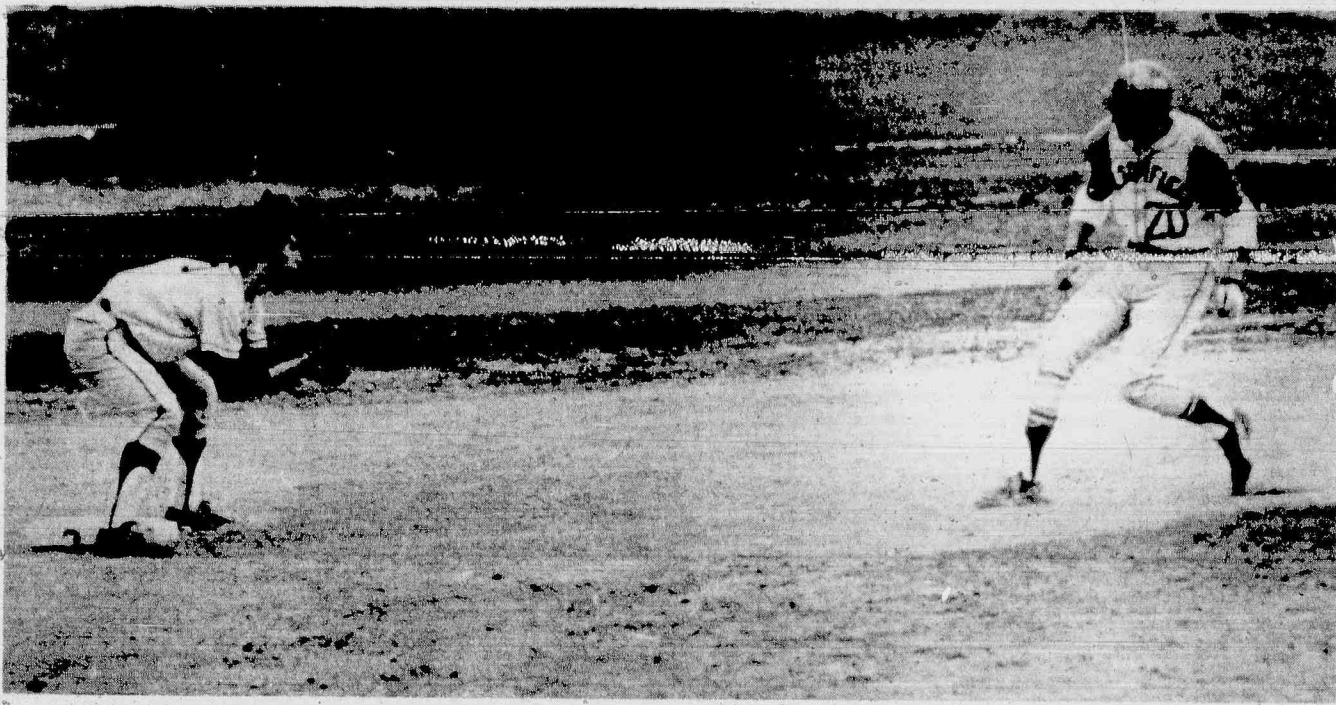

five, Joe Covey; six, Henri DeFrance seven, Ed O'Connell stroke, Al DeMasi; and coxswain, Fred Arena.

The freshman shell had the only personnel change as Craig Davis had the three spot against Hun but wasn't in the Poughkeepsie race due to a sore back. The shell that topped Poughkeepsie's junior varsity had John Bender in the bow, Guy DeFuria in two, Vic Grieco for Davis in three, Tom Spooner in four, Jim LaConte in five, Joe Yaquez in six, Brian Bedford in seven, Dan Dominguez in stroke and Pat Donovan calling the commands.

JMC

BELLBOY COACH Charlie Travers bawls out Joe Papasidero for not sending home Jim Miele on a bunt by Ron Muscara. Papasidero, who was coaching third base at the time, labelled the game against Bloomfield: "Pick on Papasidero Day."

COVERING SECOND, shortstop Joe Papasidero easily has Bloomfield runner pinned down during 5-1 pasting of the Bengals by the Bellboys.

THE UNBEATEN Bellboy frosh crew whips its way down the murky Passaic River to take a second place finish in a three shell race. The frosh were beaten by the

Bellboy JV crew, but whipped the Poughkeepsie JV shell, and that's all that counts.

## Petite One-Hits Bloomfield Bengals

By Marc Feldman

Junior righthander Frank Petite, deprived of a victory in his first start of the season, came back with a neat onehitter as Belleville easily defeated the Bloomfield Bengals 5-1 last Friday afternoon at Belleville Municipal Stadium. Petite threw 91 pitches while registering nine strikeouts, five in a row at the start of the game.

Bengal bats were throttled by Petite's steady dosage of fastballs as the lone hit did not come until the sixth inning. First baseman Ray Zarro was the culprit as he lined a three-one pitch sharply to left field, knocking in Jack Schlegel with the only Bengal run of the

day.

Although Petite had his best day ever on the mound, he went hitless for the first time this season and saw his batting average fall to .400. In his two years with the Belleville varsity, Petite has started seven games and completed them all.

Belleville was no terror at the plate either as their only solid hit among four safeties was Jim Miele's double in the second inning. However, Belleville capitalized on excellent bunting, good speed on the bases, and some timely Bengal errors. Belleville was so thrifty on the basepaths that no one was left stranded in the entire game.

The late Vince Lombardi

once said that execution was the key to football. Well, it also helps in baseball. With men on second and third in the second inning, Belleville laid down three consecutive sacrifice bunts that somehow resulted in three Belleville runs.

Rocco Marotli bunted first with Jim Miele on second and Charlie Ziegler at third. Since it was a safety squeeze, Ziegler started down the line but turned around to go back to third when the pitcher fielded the ball cleanly. However, Ziegler forgot to tell Miele of his sudden change of plans and both came sliding into third from different directions.

The Bloomfield third baseman Bob Hoon was just as confused as everyone else when he got the throw from pitcher Ernie Catalano. Seemingly in a trance and with no one covering second base, Hoon held the ball as Miele scampered back into second base. When the smoke and Bloomfield coach Joe Konn cleared the field, Belleville had the bases loaded and still only one out.

The next Belleville batter, Ziegler in with the first run, and Rich Giordano followed with still another bunt that Catalano threw away as the second and third runs crossed the plate.

Belleville's lead was cut to 3-1 in the top of the sixth but the Bellboys put it away with two runs in the bottom of the same inning. An infield hit by Gerard Mongrella and two errors gave Belleville second and third with one out. Attempting to bunt again for a run, Charlie Ziegler missed but Joe Papasidero had such a jump on the pitcher that he stole home and Mongrella pilfered third at the same time. Ziegler then atoned for his missed bunt by lofting a sacrifice fly to center field for Belleville's final run.

THE SCAHY Gorilla is actually Jeffrey Decker, 15 year old son of Mrs. Irene Decker, a member of the Cherry Blossom Parade Committee. Excited youngsters, however, figure Jeffrey's a real live gorilla, and swam him gleefully. The parade was termed a success by Chamber of Commerce and Jaycee officials. Top prize for the best float went to the entry of the Belleville Jaycees. Best marching band were the Dukes of Old Bridge. The parade attracted hundreds to the curbs of Washington Avenue. Ten divisions took part. More photos on pages 6-7

Not only is Ecolo-G<sup>TM</sup> safe for the environment, it's safe for all your family wash. Even baby's diapers.

Ecolo-G label unconditionally approved throughout the U.S.A.

Ecolo-G cleans. No question about it. Whiteness Retention and Soil Removal tests have proved it.

What Ecolo-G *doesn't* do is pollute. It has no phosphates to unbalance nature and leave "green scum" on our waters. It has no enzymes, no nitrates, no salt, no NTA...all of which have been linked to health risks.

Ecolo-G is formulated to work in water that's hard, soft, cold, or hot and never clogs drains, sewers or cesspools. And we make all these statements with a money-back guarantee.

So you see, you risk nothing when you try Ecolo-G. Not even your purchase price. And you have a lot of good things to gain.

## E.E. Williams; Was Architect

Edward E. Williams of 39 Burnett Place, Nutley, died after a long illness, March 30, at home. He was 70.

Born in Livingston, Mr. Williams came to Nutley from Virginia five years ago. Employed by General Motors as a metalurgist, he also was a landscape architect. Included in his work was the designing and building of the Cedar Hill Golf Course in Livingston, the Ferncliff Country Club of West Caldwell, the Canary Cottage Country Club in Madison, the Braidburn Country Club of Florham Park and the East Orange Water Works Golf Course.

A member of the Northfield Baptist Church in Livingston, Mr. Williams belonged to the Pythagoras Lodge 118 F. & A.M. of Hillside.

He is survived by his wife, Mrs. Ethel Mitchell Williams; two daughters, Mrs. Chester (Elaine) Mayton of Petersburg, Va. and Mrs. George (Florence) Tittle of Nutley; a brother, Walter Williams of Creeskill; a sister, Mrs. Edith Kent of Roseland, and four grandchildren.

Services were April 2 from in Livingston with the Rev. Ray L. McCoy officiating. Arrangements were made by the S.W. Brown and Son Funeral Home, Nutley. Interment was in Restland Memorial Park, Hanover.

## Russell F. Hopkins; Ex-Insurance Broker

Russell F. Hopkins of 120 Rutgers Street, Belleville, died April 12 in Overlook Hospital, Summit. He was 66.

Born in Newark, N.J., Hopkins lived in Bloomfield before coming to Belleville 35 years ago. He was self-employed as an insurance broker 25 years before retiring this year.

Past president of the N.J. Revolver League and the Belleville Kiwanis Club, Mr. Hopkins was secretary and charter member of the Branch Brook-Belleville Kiwanis Club.

He was a member of the board of directors of the Essex Northwest Tuberculosis Respiratory League and belonged to the Ken Smith Association. He also was a member of the Park United Methodist Church in Bloomfield.

He leaves his wife, Mrs. Anne Leibe Hopkins, and two brothers, Raymond L. and

Harry E., both of Bloomfield. Services were April 15 from the George Van Tassel Community Funeral Home in Bloomfield.

## 50 Years In Nutley

Mrs. Sara L. Bartholf Hartshorne of 18 Cleveland Avenue, Nutley, widow of George J. Bartholf, died after a long illness, March 31, in Clara Maass Memorial Hospital, Belleville. She was 76.

Born in Franklin Lakes, Mrs. Hartshorne was a Nutley resident over 50 years.

## Sound Fraud Warning

Belleville Police say a man posing as a repairman for Public Service Electric and Gas Co. robbed four local homes last week.

Deputy Police Chief Frank Haight wrote residents to check credentials of anyone claiming to be a repairman for the utility.

Haight said the man is a white male, between 35-40 years old, 5'7" tall, with black hair and a thin build. The Deputy Chief said the man wears grey work clothes.

According to Haight, the man usually hits homes owned by elderly people. He enters the premises on the pretext of inspecting meters. Then the man asks the homeowner to go into the cellar to watch the dial on meters while he supposedly makes "adjustments" upstairs. During that time he ransacks the house.

Last week the man hit four homes, making off with an assortment of jewelry and cash. Haight also reports the man took money from one homeowner after convincing him he could make repairs cheaper than Public Service.

Haight urged residents who have questions about anyone claiming to be from the utility to either call Belleville Police or Public Service.

## F. Scheuerman; Ex-Tool Maker

Fred W. Scheuerman of 155 Academy Street, Belleville, died suddenly, April 11, in Clara Maass Memorial Hospital, Belleville. He was 69.

Born in Scranton, Pa., Mr. Scheuerman came to Belleville from Newark 35 years ago. He was a retired tool maker.

A member of the Belleville Council 835, Knights of Columbus, he also belonged to the Holy Name Society and the St. Peter's Guard of Honor.

He was associated with the Msgr. Doane General Assembly 4th Degree, Knights of Columbus, and the Public Service Anchor Club.

Predeceased by his wife, Mrs. Mary Ward Scheuerman, he leaves two daughters, Mrs. Edward J. (Mary W.) Bradley and Carol W. Scheuerman, both of Belleville; a son, Frederick W. of Dresher, Pa.; four sisters, Mrs. Anna Claridge and Mrs. Joseph George, both of Pa., and Helen and Mary Scheuerman, both of Belleville, and two grandchildren.

Services were April 14 from the Kiernan Funeral Home, Belleville, followed by a High Mass of Requiem in St. Peter's Church with the Rev. Francis A. Ignacinos officiating. Interment was in Immaculate Conception Cemetery, Montclair.

## OBITUARIES

### Miss M. McHugh; Native Of Ireland

Miss Margaret McHugh of 169 Hornblower Avenue, Belleville, died April 2, in Lexington Rest Home, Lakewood. She was 61.

A native of County Fermanagh, Ireland, Miss McHugh came to Belleville from New York two years ago.

She is survived by her mother, Mrs. Bridget Dougherty McHugh of Ireland; five brothers, John J. of Belleville, Frank of Berkeley Heights, Patrick and Edward of Ireland and Conn of England, and three sisters, Mrs. James Reynolds of New York, Mrs. Joseph McGovern of Ireland and Mrs. William Luff of England.

Services were April 6 from the Kiernan Funeral Home, Belleville, followed by a High Mass of Requiem in St. Peter's Church. Interment was in Holy Cross Cemetery, North Arlington.

### Miss Mary Metily; Director Of Nurses

Services were April 9 from the Van Tassel Funeral Home, Bloomfield.

Belleville Avenue, Belleville, director of nurses at the Essex County Geriatrics Center in Belleville, died April 7 in Columbus Hospital.

Born in Peckville, Pa., Miss Metily began her career at the Belleville institution in 1921 when it was known as the Isolation Hospital, Soho, a hospital for communicable diseases. She was in her 50th year of service for the Essex County facility at the time of her death.

A member of the American Nurses Association, she also belonged to the New Jersey State Nurses Association, District 1.

She leaves two sisters, Mrs. Robert C. Just of Bloomfield and Mrs. Leon B. Cristman of

### SALES LADY JANETTE NUTLEY CENTER

Has the nicest people come into its store, which caters to Women & Children. Therefore, its personnel must reflect the desires and wishes of its customers.

Our store has been expanded once again and several positions for Sales Personnel will soon become available in its Sportswear, Girdle and Bra, Intimate Apparel and also in its Coats, Suits and Dresses Departments.

Experience preferred, but not necessary. Poise, dress, sincerity towards customers, a willingness to be helpful and the ideal personality for sales are more important. All the fringe benefits of larger companies are here at JANETTE NUTLEY CENTER for our personnel including hospitalization and major medical.

If you are interested, please apply for application and interview with Mr. Mazzola, Manager or Mr. Arcaro, Personnel Director any morning or Monday and Friday evenings when store and office are open.

**Nutley Man New Manager In Givaudan**

Edward Schuller of Nutley has been appointed a product manager in the Esrolko Flavor Division of Givaudan Corporation, New York City. The announcement was made by William B. Twaskow, director and general manager of the division.

Schuller holds the B.S. degree in food technology from Ohio State University and a M.B.A. in industrial management from the City University of New York.

Most recently, Schuller was associated with Hoffmann-LaRoche Inc. in their fine chemicals division with direct involvement in the marketing of vitamins and food additives. Previously, he had been associated with General Foods Corporation for many years in the development of new food products, and with SuCrest Corporation where he was in charge of consumer of food product development.

Schuller is a member of several professional societies including the American Chemical Society, the Institute of Food Technologists.

# Birdie's Finale This Weekend

READY FOR FINALE -- Bye, Bye Birdie's production unit awaits final Saturday and Sunday performances of this year's St. Mary's Theatre Guild offering. Show will be given at 8:30 p.m. on both nights. From left

are Joyce Chamberlain, assistant to the director; Jerry Goldstein, the director; Irene Bottino, scenery designer, and Don Chamberlain, stage manager.

THOSE GIRLS! -- The beauties in the chorus line for Birdie include (l-r) Sue Baker, Ginger Baker, Laura Bouchoux, Gail Bello, Debbie Riccio, Patti Baker and Barbara

Pignature. Bye, Bye Birdie will be presented this Saturday and Sunday at 8:30 p.m. in the St. Mary's School Gymnasium.

## St. Mary's Guild Offering Musical

"Bye, Bye Birdie" goes into its final two performances this Saturday at the St. Mary's Theatre Guild. The musical-comedy opened last weekend and will close here Sunday night.

Curtains for both Saturday and Sunday's performance is at 8:30 p.m. in the St. Mary's School Gymnasium.

Jerome I. Goldstein is directing the production. Goldstein also produced and directed earlier St. Mary's hits including Pajama Game, South Pacific, Music Man, How to Succeed and Oklahoma.

Cast for Birdie includes Bill Thomson as Albert, Eleanor Caprio as Rose, Kathy Evans as Kim, Tom Little as Conrad, Brian Bellog as Hugo, Ed Burke as Mr. Macopee, Terry Clark as Mrs. Macopee and Sue Baker as Gloria Rasputin.

Also in the cast are Ellen Nymeznich as Ursula, and Bob Haines as the mayor. In supporting roles are John Haines, Lucy French and Janet Gattuso.

Don Chamberlain is the stage manager with set design by Alice Burke and Irene Bottino.

## G. Drewes Exhibiting Originals

George F. Drewes Jr. of Belleville will exhibit 150 to 200 pieces of his work in an art show this weekend at Temple Sharey Shalom, South Springfield Avenue and Shunpike Road, Springfield.

The show and sale will be held this Saturday from 8:30-11 p.m. and on Sunday, from 1-10 p.m. A special patrons' champagne preview is set for Saturday evening beginning at 7.

More than 60 artists from the New York-New Jersey area will be represented by their original works of art.

## Photographs By Worths On Exhibit

Several photographs taken by Edith and Robert Worth of Nutley will be included in an exhibition opening May 1 at the Newark Public Library.

The Worths, residents of 65 North Road, Nutley, are members of Camera Infinity, a select group of serious photographers which originally formed 11 years ago and whose work has been exhibited frequently at libraries and universities.

The photographs which will be presented at the Newark Library have not been previously exhibited and will include a number of innovations.

Edith Worth is presenting a new body of work which she calls, "stand-ups." Among them is a round about of children at play which is mounted on a motorized turn-table.

Bob Worth's new work includes photographs presented as inter-related compositions mounted on plastic.

The Newark photographic exhibition opens May 1 and will continue to June 20. The exhibition includes the work of five other members of Camera Infinity.

Mr. Worth is a frequent Essex newsmaker through his work as the director of the Volunteer Placement Service, an effort to direct volunteer tutors for youngsters in Newark's ghetto schools.

CONTROVERSY -- Paul Ciccone (left) and Nutey Little Theatre will open for three Frank McCormick in rehearsal scene this nights beginning April 29. Both Ciccone and week for "The Impossible Years" which McCormick are Belleville residents.

## 'Impossible Years' Coming

Nutley Little Theater's "The Impossible Years" might well be the production that changes the dramatic group's name to the "Nutley-Belleville Little Theater."

Frank McCormick of Bremond Street and Paul Ciccone of Cedar Hill Avenue, both in Belleville, have leading roles in the Broadway comedy which will be presented at Nutley's Franklin School on April 29, 30 and May 1.

McCormick has the leading role, the one which was played by Alan King on Broadway, of a psychiatrist writing a book about teenagers. But he has two daughters of his own that he can't handle. So, McCormick's stage life becomes one of being able to practice what he preaches and the results are hilarious.

Ciccone plays the embattled publisher who believes in generating controversy -- so he hires 500 teenagers to attack the psychiatrist to

build publicity.

Both Ciccone and McCormick are valuable members of Nutley Little Theatre. "The Impossible Years" marks McCormick's seventh major role in the group. Paul Ciccone has contributed to NLT in many ways acting as well as writing and directing his own work. In addition, both gentlemen have wives that make major contributions to the theater group.

Linda McCormick is the current treasurer of NLT and on the Executive Board. Bobbi Ciccone is a multi-talented costume designer whose talents have been a great asset to the group.

Tickets for "The Impossible Years" are available from any NTL member, or at the door. "The Impossible Years" promises an evening of fun -- especially for those of us who have children and are living through those "impossible years."

## Joseph Rice In 'Good Men' At Seton Hall

Joseph Rice of Belleville is playing the part of Jasper Wilkins in Seton Hall University's production of "Now Is The Time For All Good Men". Rice, a freshman communications major, lives at 11 Memphis Avenue. He has been involved in several Seton Hall productions including "Anitgone" and "Hamlet". "Now Is The Time..." has performances scheduled for April 22-24 and April 29-May 1, at 8:30 p.m., in the Theatre In The Round.

## Actors Cafe Lists Plays

The Actors Cafe Theatre, 263 Central Avenue at South Munn Avenue, East Orange, is presenting two special Sunday night performances of Knapps Last Tape by Samuel Beckett and The Zoo Story by Edward Albee this Sunday at 8:30 p.m. Tom McLaughlin portrays Jerry and David G. Kennedy of Nutley portrays Peter in Zoo Story. Kennedy also portrays Knapp.

The regular production of Beckett's Endgame continues every Thursday, Friday and Saturday at 8:30 p.m. through May followed by Herb Gardner's a-Thousand Clowns May 6-29.

One of the easiest things in the world to do is to stand to one side and tell the rest of the people what to do.

# Annual Town Parade Thrilling

CLASSY band plays for the dignitaries on the reviewing stand in front of Town Hall, much to the delight of everyone concerned.

LOCAL BROWNIES look a little bit awed by the overwhelming crowd which lined Washington Avenue for the parade Sunday.

MEMBERS OF Troop 301 march proudly in Cherry Blossom Parade.

TROOP 301's proud marchers parade before the reviewing stand in front of Town Hall.

## Tea Is Planned For Mrs. Dillon

A tea for residents to meet Commission candidate Ruth E. Dillon is scheduled tonight at the American Legion Post 105 home on Washington Avenue.

Mrs. Dillon said she would speak about the recent arrest of her son on theft and drug charges among other topics. Refreshments will be served.

## Saletta Tea Scheduled On May 7

Citizens for Saletta have completed plans for an evening of cocktails, coffee and cake. It will be held Friday evening, May 7, 7:30 p.m. at the Fountain Restaurant, 46 Watsessing Avenue.

The committee announced that entertainment will be by "Fire and Ice," featuring George Villano, Joe Padula and Mike Marano.

Anyone wishing to attend to meet the candidate, Rocco H. Saletta, who is 9A on the ballot, can obtain tickets from his campaign manager, Joseph Landolfi, 759-0569, or Joseph Prieto, 759-4147.

## TELLERS SECRETARIES BOOKKEEPERS

For an exciting career in banking, consider working with New Jersey's fastest growing young bank.
