Mrs. Senatore Raps Choice Of Mayor

Town Attorney's Post To J. Scott

John R. Scott has been appointed Belleville Town Attorney, but there appears to be some confusion over when he will assume the office.

A resolution dated July 7, 1968, and signed by the previous administration, appointed Nicholas R. Amato to that post through July 7, 1971.

Amato, who was somewhat surprised at Scott's appointment at Tuesday's

Regular Meetings Changed

Regularly scheduled public meetings of the Belleville Board of Commissioners will be held on the second and fourth Tuesday's of each month.

A resolution changing official meeting dates from Monday was passed 5-0 by the new Board of Commissioners at Tuesday's reorganization meeting.

Town Fathers did not immediately say why they made the move.

reorganization meeting, claims he can continue in his post until July 7.

Mayor Joseph McGreevy, however, says the 1968 resolution is invalid and that Amato must leave office immediately. McGreevy said he consulted private attorneys for advice on the matter.

"The lawyers told me the 1968 resolution was not applicable and if we wanted Amato to remain Town Attorney through July 7 he would have to be appointed by a resolution," Mayor McGreevy said at the meeting.

Just such a resolution was on the agenda, but Amato was denied the appointment via a Robert Laterza amendment to replace him with Scott.

Laterza, who was named Public Safety Director, asked the resolution be amended to replace Amato with Scott. Laterza actually made two motions; one for Scott's immediate installation, and the other installing Scott as of July 7 in case Amato was

Behind-the-scenes wheeling and dealing in the reorganization of Belleville's Town Commission apparently has created a bitter split on that newly elected governing

The selection of Joseph F. McGreevy as Mayor Tuesday prompted some scathing criticism from Commissioner Mary Senatore, and apparently has created ill

Recount: Saletta Still Out

The Commission Election recount requested by Rocco Saletta and Kenneth D. Smith produced no changes in the order of finish for candidates.

Saletta did pick up two votes on absentee ballots, but still finished two tallies behind fifth place winner Robert Laterza.

All changes resulting from the recount were connected with military and civilian absentee ballots only. The

feelings which will linger for some time.

McGreevy won the top spot by picking up votes from Michael V. Marotti and Vincent T. Strumolo, with Robert Laterza abstaining and Mrs. Senatore casting a No vote.

Mrs. Senatore's remarks before a packed Commission Chamber crowd were critical of the choice, but were relatively subdued compared to her statement to the Times-News after the formal

New Town Attorney

John R. Scott, a lawyer who specializes in trial work in the accident field, is expected to be sworn in this week as Belleville's new Town Attorney.

Scott, who was present at the Commission's reorganization meeting Tuesday, appeared surprised by his appointment. "I'm a bit numb by the whole thing," the 35 year old attorney told the Times-News after the meeting.

"I was surprised at the move because there was a lot of last minute decisions being made by the Board prior to the meeting. I was also somewhat surprised because I didn't solicit the office."

Four Switches In Departments

Control of three agencies within the Public Safety Department and one in the Department of Public Works was shifted at Tuesday's reorganization meeting.

Within the Public Safety Department, the Division of Celebrations, which consists mainly of parades, was put under the directorship of Parks and Public Property director Michael V. Marotti.

Also in Public Safety, the Weights and Measures agency, created only this year by Ken Smith, was shifted to Revenue and Finance. The administrative secretary of Public Safety was put under control of Public Affairs Commissioner Vincent T. Strumolo.

In the Public Works Department, the Plumbing Inspector was placed in the Public Affairs Department.

A motion by Commissioner Strumolo to have the Building Inspector placed in his department was voted down 3-2, with Mayor Joseph

McGreevy casting the only other Yes ballot. Both men said they favored the shift because the post was part of Public Affairs for many years prior to the 1967 reorganization.

Director of Public Safety Robert Laterza said he gave up the three subdivisions at the request of the other commissioners.

Mayor's Speech

Complete Text

(The following is the complete text of Mayor Joseph McGreevy's acceptance speech for the top spot on the Belleville Town Commission.)

Rev. Clergy, Judge Abromson, relatives, and friends of the Board of Commissioners, Members of the Board of Education and my colleagues.

I feel very honored here today to be selected as the Mayor of our town. I am cognizant of its duties and responsibilities. I accept the honor with great humility and I dedicate myself to serve this community for the next four years and be available to any citizen of this town any hour of the day or night.

I would like to dedicate this Board of Commissioners, with their consent of course to work in harmony, pool all their ideas with the aim in mind always to seek a more progressive and better Belleville.

Any type of governing process is only as good as the people that administer it. I feel this Board of Commissioners will make the voters proud of their choices. We will all serve with distinction and a firm purpose to give all the citizens of this town the type of good responsible government that they rightly deserve.

It is about the youngest board collectively that I have ever known. It has young ideas and it will strive to implement these progressive ideas with action.

Our job will not be an easy one with the economy that is spiraling and unemployment at a new high; we will just have to buckle down and make the tax dollar go as far as possible. We have a large segment of our taxpayers on fixed income and every tax increase lowers their standard of living. So one of our responsibilities will be to give the taxpayers the best service possible for the tax dollar.

We will have to have better communication and cooperation between the Board of Education and the Board of Commissioners. We will have to work together 12 months of the year not just the few weeks around budget time. I feel confident this can

reorganization. During the meeting she said "The mandate of the people should place Michael Marotti in the Mayor's spot. I was second on the ballot and

feel I have the experience to be Mayor. I would favor a set-up like they have in Lyndhurst where the four-year Mayorship is split by two people." Afterwards, however, Mrs.

Senatore was openly critical of Marotti, McGreevy and Strumolo, and hinted the three men would lose her support the next four years. "I have four years of service to give the people and I intend on giving it to them. But as far as the political hacks are concerned, they'll get nothing from me," she said.

Mrs. Senatore claims "deals" and "political promises" were responsible for the selection of McGreevy as Mayor.

Generally, top man on the ballot is awarded the Mayor's spot, although Commission law only specifies that a Mayor shall be chosen from a majority ballot of the Town Fathers.

Marotti topped the candidates with 6,503 votes, with Mrs. Senatore second at 5,409 and McGreevy third with 4,891.

Mrs. Senatore severely criticized Marotti for not seeking the spot. "I feel that Marotti let the people of our town down," she said.

In casting his ballot for McGreevy, Marotti told the gathering "You have placed

me here to do a fine job for the Recreation Department and I won't disappoint you. I do not seek the Mayorship at this time. To do so would be easy, but I feel I would be doing an injustice to the voters because someone with more governmental experience is needed in the job."

After the meeting, Mrs. Senatore told the Times that if "Marotti doesn't feel he has the qualifications for Mayor, then he doesn't have the qualifications to be a Commissioner in our town."

"When Mr. Marotti said he couldn't qualify for the Mayor's spot," she continued, "the second person should have gotten it and that was me."

"When I decided to run," she continued, "I told the taxpayers I would serve with whomever they selected. But I don't find I'm serving with any real men. I can only say I'm serving with one man of convictions and that is Robert Laterza."

Friday a caucus was held at the Fountain Restaurant, with only Mrs. Senatore not

present. She claims McGreevy called the meeting and didn't invite her.

McGreevy, meanwhile told the Times-News he didn't know why Mrs. Senatore was not invited and denied he had called the meeting himself.

"I know that McGreevy called the meeting," Mrs. Senatore said, "and I know that he also said 'I want everybody there except her.'"

Mrs. Senatore also claims Strumolo nominated McGreevy "solely because he felt he'd get two divisions from my department, and he didn't get them."

Mrs. Senatore was referring to the Building and Plumbing Inspectors' posts. The Plumbing Inspector division went to Strumolo, but the other transfer was knocked down 3-2, with only McGreevy and Strumolo voting for the measure.

Marotti, meanwhile won unanimous support for the vice presidents' spot, which normally goes to the Revenue and Finance director.

McGreevy, however, took

that post.

The remainder of the departments shape up like this: Public Safety, Robert Laterza; Public Works, Mary Senatore; Public Affairs, Vincent T. Strumolo, and Parks and Public Property, Michael V. Marotti.

Town Clerk Eugene Barnett took some of the tension off the meeting when he made a rare blunder in the roll call. After polling the four Commissioners, Barnett asked for the final ballot from "Mayor Smith."

The mistake somewhat relieved the air at the meeting, and prompted the normally super-efficient Barnett to say: "That had to come. This is the sixth time I've read resolutions at reorganization meetings and I've never made a mistake."

Each of the Commissioners made short acceptance speeches, except for McGreevy, who read a lengthy, prepared statement upon receiving the Mayor's spot.

The Jury's Verdict

Last Tuesday approximately 60% of eligible Belleville voters turned out to elect five citizens to the Town Commission.

The small turnout of voters was disappointing to both winning and losing candidates. It took only 3,811 votes to win fifth place although 17,497 citizens were registered.

Sworn in this week for a new term are re-elected Commissioners Joseph McGreevy, Mary Senatore, and Vincent T. Strumolo. Joining them on the Commission are former Mayor Robert Laterza and Police Department Juvenile Officer Michael V. Marotti. A majority of the newly elected Commissioners designated Finance Director Joseph McGreevy as Mayor, a position for which he is well qualified.

We regret that former Mayor Kenneth Smith lost his bid for re-election. After giving the people of Belleville more than 40 years of his life, we think Smith merited more favorable consideration from a grateful electorate. Maybe "bullet voting," as Smith charged, did him in.

Rocco Saletta lost out to Bob Laterza by two votes, receiving 3,809 to Laterza's 3,811. In 1975, Saletta should be a sure winner if he runs.

The other losers, Nicholas Raimo, former Councilman James Golden, Tony Fernandes, Michael V. Salvato, Ruth E. Dillon and Julius Minuskin, gave a good account of themselves and finished pretty much as most political experts predicted.

The Belleville Times-News should like to see the losers forget the recent campaign scars and offer their assistance to the newly elected Town Commissioners.

Although we did not endorse his candidacy, we are personally pleased that former Mayor Laterza received vindication at the polls last Tuesday. It will be remembered by most voters that Bob Laterza was ousted from office in 1964 in a Recall election which was totally unfair, and a result which Bob Laterza did not deserve.

It was a cunning group that put together the successful Recall

movement.

Laterza can be expected to serve the people of our community with his usual impeccable integrity and dedication.

Mrs. Mary Senatore, Mayor Joseph McGreevy and Vincent Strumolo already have proven their dedication to the public trust. If they conduct themselves in their official capacities in the future as they have in the past, a responsible, stable government can be expected at Town Hall during the next four years.

Newcomer Commissioner Michael Marotti will spend his first few months in office getting his feet wet, learning the tricks of the trade, and the legislative requirements of a Town Commissioner's responsibility. During the campaign he ran for election to gain the post of Director of Parks, Public Property and Recreation. He now has what he sought. It is for Marotti to prove to the people during the next four years of his administration that he deserved the high confidence which the voters of Belleville placed in him by giving Marotti the highest vote of all the candidates, leading the field by a vote of 6,503.

Belleville Town Hall has been scandal-free. Under the guidance of the elected Town Commissioners we expect Belleville Town Hall to retain its clean reputation. The new Commission takes office with the complete support of the Belleville Times-News. The Commissioners will need the aid and understanding of citizens as they go about their assigned tasks of accommodating the needs of our taxpayers without adding to the already crushing real estate tax burden.

We wish for the new Town Commission a successful four-year administration, and with God's help and citizen understanding, we trust four years from now all of us may look back upon Tuesday, May 11, as a great day for Belleville.

Town fathers were expected to approve the purchase of a \$42,000 property adjacent to the Public Library in a preliminary expansion move for the facility. A \$42,000 bonding ordinance which would require four YES votes from commissioners had been tabled and was to come up for a second and final hearing. The motion was delayed because of the absence of Commissioner Mary Senatore, who had declared she would vote for the measure and provide the needed margin. Commissioner James McGreevy stated that he would oppose the expansion plans because he thought it was not "urgently needed at the time."

Discolored water was to continue to flow from Belleville faucets for a period of at least three weeks according to an estimate of the Newark Municipal Utilities Authority. The Newark Authority announced that it would shut down a 48 inch water pipe during construction of Route 280. Belleville had experienced the same water problem in 1965 in conjunction with construction that was known to be its cause. The difference was that this time Belleville citizens had been warned what to expect.

Two Belleville residents were to be ordained for the priesthood in two separate ceremonies. The Rev. John Frey, a lifelong Belleville resident, was to be ordained for the Diocese of Camden by Bishop George H. Guilfoyle. The Rev. John H. Savage, of 71 Eugene Place, was to be ordained in Saint James Pro-Cathedral in Brooklyn by the Rev. Francis J. Mugavero of Brooklyn.

More than 1,000 visitors from North Newark, Belleville, and Nutley were conducted on guided tours of the new facilities dedicated at Clara Maass Memorial Hospital. Municipal officials from the three areas, along with a number of guests, the hospital's Board of Trustees, and Congressman Joseph Minish from the 11th Congressional District were on hand to participate in the ceremonies. A special care center for temporarily emotionally disturbed patients was shown, along with the new 21-bed intensive care section.

After three years of effort, a protest-march against the Board of Education in September, and a defeat along with the school budget in February, School No. 2 PTA members and parents seemed one step closer to acquiring \$275,000 in building funds for a three-room addition to the Mill Street school after Board members unanimously approved a resolution scheduling a referendum for June 29.

If State Assemblyman Joseph Biancardi had his way, state municipalities were soon to be leasing town-owned property to Police Athletic League and the Patrolmen's Benevolent Association without charge. A bill authorizing idle land for this purpose was scheduled to come up for final passage in the state legislature and it was introduced by Biancardi, a resident of Belleville.

A new assistant football coach for Belleville High was being recommended by

the Athletic Council. The Council's recommendation was to be presented to the Board on May 23. The new coach was to be Pete Spea of 341 Greylock Parkway. He had been associated for a number of seasons as coach of the Belleville-Nutley Iron Dukes, the local semi-pro football squad.

Radar Seaman John W. Dalton, USN, son of Mr. and Mrs. John Dalton of 43 Wilson Place, took part in a dramatic sea rescue operation of Navy Commander Alan B. Shepherd after his historical sub-orbital space flight down the Atlantic missile range. Seaman Dalton was a member of the crew of the destroyer USS ROOKS, one of the many ships assigned to the recovery of the famous Mercury spacecraft from the sea.

A preview of the highlights of the 29 booths at the Cavalcade of Progress exhibit which was held at the Elks Club on Washington Avenue gave the promise of being a stimulating show. Exhibitors had gone all-out to make Belleville's first industrial exhibit a huge success with something of interest for everyone.

Belleville Post 105 of the American Legion was sponsoring a showing of the film, "Operation Abolition," at the post home on Washington Avenue. George Mitchell, chairman of the Americanism Committee of the group, said that the film had been acclaimed by the FBI and the office of the attorney general as "one of the best exposes of Communist activity in the United States." He urged all Belleville residents to attend the show.

An ordinance raising the salaries of the five commissioners was to be considered at a June meeting of the Board. The increases were \$450 to each commissioner, bringing the Mayor's salary to \$2,700 from \$2,500, and the four commissioners from \$1,800 to \$2,250. The ordinance passed on first hearing at a meeting held in conjunction with the swearing in ceremonies.

The Belleville Teachers' Association elected Harold Dufford, a member of the high school faculty, as president of the group. Dufford succeeded Miss Margaret Leahy. Dufford stated that the principal issue that faced the teachers was the salary question. He commented that the association was hoping to use their influence to convince the Board of Education to place each teacher in his or her proper salary bracket, according to the salary guide.

The water distribution system was found "in very good condition" by a pitometer survey, the results of which were reported to the Town Commission. Water losses through slow meters, underground and unavoidable leakage and public use was computed at 184,375,000 gallons a year. The cost of the survey was \$2,800 and the leaks and slow meters found and fixed amounted to a saving of \$7,900.

The Intertown Rod and Gun Club was to view a silent motion picture on the subject of fishing and hunting. The hunting was to be of big game nature as it took place in Africa. Dr. Peter Yaskell, an expert photographer associated with George Eastman and the photographic staff of the Eastman Kodak Company, was to be in charge of the exhibit.

Students Might Have Learned At Moratorium

To The Editor:

Since the beginning of these United States, Americans have fought in twelve wars for freedom, self-determination, and eventual peace. We have also demonstrated, peacefully and not-so-peacefully, at the Boston Tea Party, during the years of the unionization of industry, suffrage, and even pro-government and pro-war.

It is not my purpose here to make or pass moral judgement but rather to point out to the members of the Belleville Board of Education the existence of a clear conflict in their position concerning the Belleville High School demonstration on May 5, 1971.

On a purely legalistic basis, the Board serves to administer the education of the youth of our town. It is unfortunate that this board has sought to define education as a rote experience confined only to a specifically designated plant. We are on the threshold of an exciting and revolutionary period, in which the scientific study of man will be put to work in man's best interests. Education must play its part. It must accept the fact that a sweeping revision of educational practices is possible and inevitable. When it has done this, we may look forward with confidence to a school system which is aware of the nature of its tasks, secure in its methods, and generously supported by the informed citizens whom education itself will create.

The Board must, of necessity, excuse itself from moral arguments and carefully weigh its actions with respect to the social and political needs of the community at large.

Practically every aspect of B.H.S.'s curriculum could have been enhanced during a school sponsored rally. Everyday teaching should be a process of mutual discovery, interaction, and exploration of the self as well as of another person and a subject matter.

The Belleville Board of Education could not sanction the demonstration because of the common misconception that good behavior means submission. What they prize above all else is docility. They value most in youngsters what the young people value least in themselves. It is no small wonder that our schools are almost mediocre.

Very truly yours,

Mayor's Move On Moratorium Bothers Mother

To The Editor:

This letter will undoubtedly appear in print before the Mayor returns my telephone call regarding the Moratorium Rally held at the Stadium this afternoon.

All I wanted to ask was if the mayor's office really did grant a permit for the students to "cut school" to hold a rally - which could just as well have been held on Saturday or Sunday - especially in this town where the cry is "nothing to do" on weekends!!!!

Where did the mayor's office find the funds to hook up the speaker system, equipment, installation, etc., not to mention the extra police and fireman, etc. etc. - when just this afternoon (at a tea for one of the candidates) I was shocked to hear a little league game was almost called off for lack of a bat and ball?

Criticizes Back For Rally Edict

To The Editor:

Whether you are for the war or against it, pro-Nixon or anti-Nixon, young or old, you must agree that killing, in any way or form, is wrong. When the students of Belleville High School rallied against the Viet Nam War they were protesting against killing.

Leonard Back said in his letter to the Editor that "We have a large majority of students and parents in Belleville who want an educational system uninterrupted by protest actions or other actions which are efforts by minorities to dramatize their particular views."

Then what do you say to the young man whose "Life" is "interrupted" by a bullet, thousands of miles away from the classrooms of Belleville High School?

Mayor Smith Thanks Voters For Support

To the Editor,

I want to take this opportunity to thank all the citizens who worked and voted for me. Your support of my candidacy, your efforts on my behalf and your encouragement throughout the past four years was most gratifying.

May I also take this means to congratulate the new Board of Commissioners. I wish them the support of the people of Belleville and hope all will unite behind them to strive for a better Belleville.

RALPH GUALBERTO, President of GMG Construction Corp., just returned from a three week visit to his friend Mayor Arturo

Demasi, of Moncalzati, Avellina Province, Italy.

Mrs. Gualberto remained behind and is not expected in Nutley for another month.

I want to thank Mayor Demasi for the beautiful, Italian, lavender, crystal ashtray which he sent to me via our friend Ralph. JEANNE SULLIVAN AND DIANA ROUBICK are two of the top contestants in New York's Miss Ditch Shopwell contest. The chain's Advertising Manager, Harry Kaufman, thinks the race is so close and not wanting to be a loser, is placing bets on both young ladies to finish with the crown.

LAST SUNDAY TOM INFUSINO of Nutley's famed Shop-Rite, and one of the top executives at the chain's parent Wakefern Corporation, received one of the greatest surprises of his young lifetime. Estelle decided to give Tom a surprise birthday party - and surprised he indeed was. More than 60 friends, relatives and neighbors, including four brothers were quietly waiting in the darkened, plush party room of the Infusino Dogwood Lane home waiting breathlessly for the moment when Tom would arrive in the company of Paul Barbarulla, his Sunday golfing companion. Down the stairs came Tom, on went the lights, and a chorus of more than 60 voices in unusual harmony sang out with a happy birthday - to a good guy.

EVERETT ZABRISKIE, Nutley School system secretary, is back in Clara Maass Hospital after spending a couple of restless weeks at home. Everett is in much better spirits and his condition shows improvement at a rate that meets with his physician's approval. If you want to drop him a line, you may do so in care of Clara Maass Hospital, Belleville, New Jersey.

ANTHONY DE LUCA'S AFFAIR, is reported on the verge of a sell out. My advice is to buy your tickets now if you want to be sure of a reservation.

FORMER FBI AGENT and Ex-mayor of West Orange, Jim Sheeran, is chairman of the Essex County Republican Organization's "Governor's Day 1971" affair scheduled for Monday, June 28. It will be an all-day function held at the Monmouth County Race Track Grounds, festivities beginning at 11:00 a.m. and lasting until you name it. The price tag to eat the best that Mayfair Farms is able to cater and shake hands with luminaries of the Garden State is set at \$100 per person. One of my friends tells me it is a bargain. With a Republican Governor and an overwhelming Republican Legislature, the people who want friends in Trenton will no doubt also look upon the hundred-dollar tag as a bargain.

THIS ITEM BELONGS IN RIPLEY'S BELIEVE IT OR NOT. At a recent meeting of a group of Young Republicans, Ralph Caputo, Newark Assemblyman who moved to Belleville in the spring of this year, is reported to have criticized the "Swahili Republican Organization Senate Candidate from Montclair." Likable Ralph also blamed the Republican organization for eliminating him from the Assembly ticket because of an alleged resolution he was introducing in the New Jersey Legislature. Either genial Ralph was unfamiliar with the facts or having knowledge of the facts he uttered an outlandish lie. Caputo lived in Newark and voted from his Newark residence last November. According to reports reaching the Essex County Republican leaders, Ralph moved to Belleville some time this spring. Under the law, a candidate for Assembly must have resided in his Assembly election district

at least one year before Election Day. It was due to Caputo's residence disqualification that he was asked by George Wallhauser, Jr., Essex Republican GOP Leader, to become a candidate for County Freeholder - a position which Wallhauser states Caputo was willing to accept. A Freeholder candidate could move anywhere in the County he chooses, at any time, before or after an election and still qualify for the office - not so with an Assembly candidate.

Caputo is a nice fellow who should refrain from creating fictitious issues to attract public attention and attempt to convince a few voters. Ralph Caputo is too nice a fellow to permit uninformed, selfish advisers to lead him down the path to self-destruction.

EACH YEAR SOME OF US WAIT UNTIL New Year's Day to make new resolutions concerning the conduct of our daily life. I ran across a writing by Christian D. Larson which may not be a substitute for the Ten Commandments but if it promises that Larson asks a person to make to himself become a reality, the world would be at peace, people will live with no stress and strain and each tomorrow would be a sunny, happy day.

"Promise Yourself

To be so strong that nothing can disturb your peace of mind.

To talk health, happiness and prosperity to every person you meet.

To make all your friends feel that there is something in them.

To look on the sunny side of everything and make your optimism come true.

To think only of the best, to work only for the best, and to expect only the best.

To be just as enthusiastic about the success of others as you are about your own.

Local Rutgers Students Practice Teach Here

Six Belleville residents, all students at Rutgers University are practicing teaching this year in schools throughout the local area.

Mary M. Dopart of 24 Bellevue Avenue is teaching English at Bloomfield Senior High School. Sharon L. Kaplan, of 511 Franklin Avenue is teaching music to every grade at Spring Garden School in Nutley.

Stephanie A. Kelemen of 20 Melwex Street is also teaching music to all grades at

Lincoln School in Nutley, while Mrs. Iris R. B. Koshar, of 236C Branch Brook Drive, is teaching history at Nutley High School.

Belleville Men Accepted By Technical Institute

Two Belleville residents, Robert A. Bisson of 4 Riverdale Avenue and Dennis J. Pindar of 215 Franklin Avenue, have both been accepted by Lincoln Technical Institute.

Both have enrolled in Lincoln's day course in automotive technology, a field where a drastic shortage of

skilled technicians has created great career opportunities.

Pindar attended Belleville High School, and is employed by the Bloomfield Avenue Esso Station in Newark.

Bisson, a graduate of Belleville High School, hopes one day to own his own automotive service shop.

UNDER SECRETARY of the Interior William T. Pecora, who was born in Belleville, (center) chats with U.S. Secretary of the Interior Rogers C.B. Morton (left) and U.S. Senator Clifford P. Case, at a Senate Interior Committee hearing at which Pecora was confirmed in his new post. Born in Belleville, Pecora attended primary and secondary schools in Newark. He was introduced at the hearing by Sen. Case.

Eleven Here Are Honored In Academics

Eleven Belleville residents have been awarded academic honors for the semester ending January 1971 at Newark College of Engineering.

Those awarded from Belleville include John R. Cangelosi of 10 Celia Terrace, Joseph N. Chiappinelli of 76 Bremond Street, Robert M. Forrest of 110 Nolton Street, Cahit Kitaploglu of 151 White Oak Terrace and Michael A. Miglio of 87 Frederick Street.

Also named were Mike Y. Ng of 322 Franklin Avenue, Anthony J. Nocera of 424 Greylock Parkway, Rocco P. Palmieri of 48 Heckel Street, Edward M. Pastirik of 5 Harvard Place, Willard C. Pope of 482 Joralemon Street and John L. Sznopek of 82 Malone Avenue.

A man with an axe to grind ought to turn his own grindstone.

Engineering Group Selects Toscano

Juan Toscano of 686 Belleville Avenue, has been elected to the Newark College of Engineering's student chapter of Omega Chi Epsilon, the national chemical engineering honor society.

Requirements for selection into the honor society include upper class standing, superior scholastic achievement and good personal character.

Money multiplies the power of man, either for better or for worse.

Resident Accepted By Jones College For Autumn Term

Joseph Lescota of 185 Stephens Street, Belleville, has been accepted as a freshman at Jones College in Jacksonville, Florida.

Lescota will enter the broadcast management program.

During his four years in high school, he was active in Sophomore Senate, Ski Club, Student Government, Key Club, Magazine Campaign (co-chairman), Debating Club, Crew Team and was "Class Actor."

Disappointments are inevitable if you have ambition and hope.

HELP! CALL A DOCTOR

This anguished cry is heard more and more and is answered less and less. The population of the United States is going up and the amount of general practitioner medical doctors is going down.

Most doctors will not make house calls. Those that do generally will not go out nights or weekends.

Because of this it has become a necessary in fact a matter of life and death — to be prepared to take care of a sick or injured person until the doctor comes or the patient can be moved to a hospital.

CAVEAT EMPTOR has found a book for you that may help to save your life, or the life of a loved one. A book that should be in every home. This book is, **WHAT TO DO UNTIL THE DOCTOR COMES** by William Bolton, M.D.

With this book in your home you will know the RIGHT action to take in a medical emergency. It is easy to read and concise to permit you to react quickly.

It is impossible to describe to you in full the contents of this valuable medical emergency manual.

Just to give you some indication of the contents read this list of just a few of the subjects covered.

Acid burns, Acne, Airplane travel, Alkali burns, Allergy, Anemia, Angina Pectoris, Antidotes for poisons, Appendicitis, Arthritis, Artificial respiration, Athletes foot, Atomic Bombing, Backache, Bad Breath, Baldness, Bed Wetting, Black eye, Black widow spider bite, Blood transfusion, Boils, Breast examination, Broncheitis, Bronchitis, Burns from hot objects, Burns of the eye, Bursitis, Calluses, Cancer, Canker sores, Carbuncles, Cateract, Chapped hands, Chest pains, Chicken pox, Choking, Cold, Cold sores, Colitis, Constipation, Corns, Coronary Sclerosis, Cramps, Dandruff, Diabetes, Diarrhea, Diphtheria, Diverticulitis, Dog bite, Dropsy, Drowning, Drugs, Drunkenness, Dyspepsia, Earache, Exema, Electrocution, Emphysema, Epileptic fits, Eye injuries, Fainting, falling uterus, Fever blister, First aid Food poisoning, fractures, Gas in arteries, Head injuries, Heart disease, Stomach, Hanging, Hardening of the Heat stroke, Hemorrhages, Hemorrhoids, Hernia, Impetigo, Insect Bites, Measles, Mumps, Poison Ivy, Puncture wounds, Sprains, Sunburn, Sunstroke, Ulcers, Winter itch.

As you can see, this should and will become the most important book in your home.

This book written in the language of the laymen and indexed for quick emergency use is being given away — ABSOLUTELY FREE — as a GIFT to all new subscribers to CAVEAT EMPTOR.

For those who have never seen CAVEAT EMPTOR NEWSLETTER we must tell you that it is the newest hardest hitting consumer publication you can read. This is the newsletter that Sen. Abe Ribicoff not only found "interesting" and "informative" but that he felt important enough to send to the Senate sub-committee on Executive Reorganization and Government Research for use in their hearing.

EVERY ISSUE IS CRAMMED WITH PENETRATING, FEARLESS ARTICLES.

Typical of the type of articles in CAVEAT EMPTOR are:

ANCHOR HAIR TO A BALD SCALP. A new process that causes permanent scars, and possibly tumors.

ENCYCLOPEDIA SALES AT THE DOOR. ARE THEY FREE. We name names and expose the fraudulent "pitches" being used.

THE MAGAZINE SUBSCRIPTION RACKET How nationally known publications swindle unsuspecting readers.

HOW TO GET OUT OF DEBT PAINLESSLY. Know what your creditors can and cannot do to pressure you.

UNNECESSARY OPERATIONS. A report by Nader's Raiders that documents inept and questionable medical practices.

PHONEY MODEL AGENCIES. How they operate and how you can spot them.

FDA FAILURE. The rules that prevent you from knowing what you are eating.

MAIL ORDER INSURANCE. How to analyze insurance offers that you see in the newspapers or get in the mail.

HOW CAN THE CONSUMER FIGHT BACK? The methods used by a small group of women that stopped their local supermarket from selling outdated, spoiled food.

WORK AT HOME. How to avoid the swindlers that prey upon people who need extra income.

FRAUDULENT HOME STUDY COURSES. How they work and how to avoid them.

WASHINGTON SCENE. What is being done to help and hurt the consumer. Who to contact to influence legislation.

PRODUCTS THAT USE FRAUDULENT ADVERTISING. We expose the phoney claims and name the names of the advertisers and their product.

SELLING YOUR HOME? How to get the best price and pay the lowest commission.

YOUR ACCIDENT CLAIM. How to get every penny you are entitled to.

FOOD CODING. A guide that will tell you how to read the codes on food that tell when they should be off the shelf.

CARPET SHOPPING. How to tell the best buy for the price you want to spend.

FUNERALS. Read of a complete dignified funeral for only \$250.

BURGLARS. How to protect your home.

CONTRACTS. How to bargain effectively and not get fooled by the small print.

LIFE INSURANCE. How do you tell the best insurance for YOU?

MEDICINES. How some people who are now paying for medication can get it free.

SOCIAL SECURITY. How to get all you are entitled to.

LEASES. What to look out for when signing a lease.

WISE BANKING. How to get interest on your CHECKING account.

Laterza Chooses J. Scott

(Continued from Page 1)

Washington Avenue, says he is unsure what affect his new duties will have on his practice. Town Attorney in Belleville, unlike many other towns, is also the Town Prosecutor.

"I don't know if it will cut down on my private practice until I see how much of a work load is involved with the job," he said.

The new Town Attorney doesn't foresee any difficulties in assuming his new role. "I hope to take my experience from my private practice with me into the job and to supplement it by boning up on Commission law."

The public post is not the first held by Scott in Belleville. He served as attorney for the local Board of Adjustment in 1968.

Scott is married to the former Rosemarie Celebre of Nutley, and lives with his wife and daughter Lyn, 6, at 88 Baldwin Place.

Belleville's new Town Attorney was born in Passaic, and was educated in the Newark school system. He is a graduate of Montclair State Teachers College. He taught social studies at Belleville Junior High School for five years while attending Seton Hall night school.

Scott received his law degree from Seton Hall in 1961 and was admitted to the bar that year. He did his clerkship under Frederick Lacey (a former United States Attorney for New Jersey and currently a Federal Judge), David Rapoport and Robert Colquhoun.

Scott later joined Colquhoun's law firm before moving to the firm of Mead, Gleason, Hansen and Pantages of Newark. After six years with that firm he left as an associate partner to enter private practice.

The new town attorney specializes in trial work for both plaintiffs and defendants in accident or negligence work. His practice takes him to eight counties. He has also represented objectors to variances before the Belleville Town Commission.

He is admitted to practice before the New Jersey State Supreme Court, the U.S. District Court, the Third Court of Appeals in Philadelphia, and the U.S. Supreme Court.

Scott is a member of the Essex County Bar Association, the New Jersey Bar Association, the New Jersey Trial Lawyers Association and the Defense Research Institute which is based in Wisconsin and consists of defense attorneys in the United States.

He has served as chairman of the Belleville Business and Industry Advisory Council to the Board of Education, and was appointed to the first Narcotics Advisory Board by Robert Laterza.

Hard work is probably a good thing for mankind but there are many who want very little of it.

be accomplished and our children and their education will be the beneficiaries of our efforts.

Another of our aims should be to increase service to the people wherever possible.

The police and fire departments are giving better services than any town in the County. I'm sure under Commissioner Laterza this will improve as we go along, with the latest techniques and equipment being provided. Right now we have two ambulances and every police car is equipped with oxygen so if need be oxygen can be in use in any part of town in a matter of two or three minutes.

Public Affairs under Commissioner Strumolo will continue to press for more state aid and he will continue to expand and update all his health programs.

Public Works will continue to seek state and federal funds and Commissioner Senatore will continue to improve our streets. She will also continue to give good service in the sewer and water departments.

Recreation—I am very confident that Commissioner Marotti will improve our recreation programs so that they will be second to none in the state and his programs will include all citizens of our town in all age brackets. He will also improve all the physical areas of the Recreation Department plus all the buildings that come under his jurisdiction.

Last but not least the Revenue and Finance Department; Our accounting (machine) system is in need of new equipment; after careful planning we will replace most of our machines because they are old and maintenance costs are high. I will try to get the banks to give us space so we can collect taxes at the various locations at quarterly tax dates. I will try to get rent subsidy through HUD for our senior citizens. I would like to report that this town is in fine financial condition and I will continue to strive to make it once again "the town that pays as it goes"

allowed to serve through that date. Mayor McGreevy then informed Laterza that the Public Safety director had the power to appoint the Town Attorney under the Walsh Act. McGreevy said his private attorneys advised him of this.

Laterza then said "If I have the power then I hereby appoint John R. Scott as Town Attorney of Belleville."

Although Amato contends he has the right to remain in office until July 7 because of the 1968 resolution, the 31 year old attorney hinted he may drop out of the picture on his own volition because of "other commitments". He

told the Times-News he would decide by tomorrow.

"Because of my candidacy for Essex County Surrogate, which requires my entry in both the June primary and the November election, and the demands of my private practice, I may decide to waive my right to remain in office until July 7," Amato said.

Amato is running for the Surrogate's spot on the Democratic ticket, and charged the denial of his resolution for Town Attorney was "politically motivated." "In view of my candidacy for the Surrogates spot, I feel the action taken by the Board was politically motivated."

added he expects about 200 initial members. Among the goals of the association, according to Minuskin, are the acquisition of hospital beds and wheel chairs for senior citizens and children unable to afford them; pursuance of tax relief for senior citizens whose sole income is from social security, and increased

recreational facilities for youngsters.

Minuskin says his public relations chairman, Jerry Norio of 41 Fairway Avenue, has "commitments and connections with the Danny Thomas Talent Office in New York." The former candidate says the "commitments" include "cooperation in the production of fund raising benefit performances at no cost to the town."

Doesn't Alter Ballot Results

(Continued from Page 1)

following is a rundown of changes resulting from the recount which was conducted by the Essex County Board of Election:

*Michael V. Marotti: lost one civilian absentee ballot in the Second Ward, first district.

*Salvatore LaMorte: lost one civilian absentee ballot in the Second Ward, first district.

*Vincent T. Strumolo: lost one civilian absentee ballot in the Second Ward, first

district.

*Salletta gained one civilian absentee ballot in the First Ward, seventh district. He gained one military absentee vote in the First Ward, district two.

*Smith lost one civilian absentee ballot in the Second Ward, first district.

*James R. Golden lost one civilian absentee ballot in the Second Ward, first district.

*Joseph McGreevy gained one civilian absentee ballot in the Second Ward, district eleven. He lost one civilian absentee vote in the Second Ward, district twelve.

Mr. and Mrs. Dennis Brysett Will Reside In Piscataway

Mrs. Dennis Brysett - nee Denise Borgo

Miss Denise Ann Borgo, daughter of Mr. and Mrs. Ronald Borgo of 51 Van Reyper Place became the bride April 25 of Dennis Brysett, son of Mr. and Mrs. Frank Brysett of South Orange.

The Rev. Paul Viale performed the ceremony in Holy Family Church, Nutley and a reception followed at Thomm's, Newark.

Escorted by her father, the bride wore a beaded and appliqued silk organza gown fashioned with an empire waist and long sleeves with buttoned cuffs. Around her neck was her grandmother's cameo.

A Camelot headpiece held her veil and she carried a cascade of white carnations.

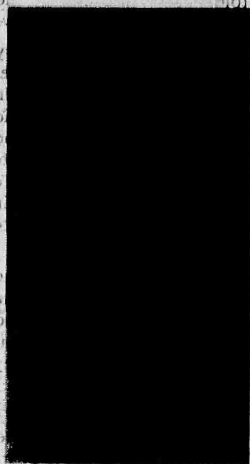

Miss Kathleen Borgo of Belleville was her cousin's maid of honor. Miss Mary Ann Brysett of South Orange was bridesmaid. Lisa Marie Borgo was her sister's flower girl.

They were attired in gowns with blue chiffon bodices and blue, pink and yellow floral skirts with blue velvet sashes. Headpieces were natural straw picture hats banded in blue velvet and they carried bouquets of spring flowers.

Manly Gonsalves of Belleville served as best man. Ushering were Robert Caruso and the bride's brother, Ronald Borgo Jr. of Belleville. Another brother, Danny Borgo, was ringbearer.

Mrs. Borgo chose a yellow chiffon dress with beaded neckline and cuffs and matching accessories. Her corsage was of yellow daisies. The groom's mother was in a pink chiffon dress with pink beading on the collar and waist and matching accessories. Her corsage was of baby pink roses.

Mrs. Brysett is a graduate

Tri-Town Will Present Scholarships, Awards

Tri-Town Business and Professional Women's Club of Belleville, Bloomfield and Nutley will hold its monthly dinner meeting at the Park Methodist Church, Broad and Park Streets, Bloomfield, on Thursday, May 27, at 6:30 p.m.

This will be the annual Flora Loudon Scholarship awards night and Miss Elsie Ciccone, chairman of the Scholarship Committee, will announce the

winners of the three \$400 awards given to girls graduating from the high schools of the three towns. There will also be three \$100 bonds given to the winners of the typing contest held in each of the schools. This year Tri-Town is very happy to be able to increase the scholarship award from the usual \$300 to \$400 and the typing award from \$50 to \$100. The recipients and their mothers will be the guests of the club and the girls will tell the membership about their plans for their future education and careers.

Mrs. William H. Genne of Montclair will speak to the club members and their guests on "Women's Role in a Changing World." Mrs. Genne is national vice president of the YWCA and chairman of their College and University Division. She is also president of her local chapter of the American Association of University Women and has been appointed to a second term on the Civil Rights Commission by the mayor of Montclair.

Reports will be received from Miss Helen Hunt of Glen Ridge, Mrs. Hazel White of Bloomfield, Mrs. Lillian Westcott of Belleville, and Miss Eleanor Bischoff of Nutley, who were Tri-Town's delegates to the State Convention of BPW clubs held in Atlantic City at the Dennis Hotel May 14-16.

The Nominating Committee, chaired by Miss Eleanor Storer of Nutley assisted by Mrs. Abner Rutan and Miss Josephine Schrimpe of Nutley.

Baby Sitting Course Ends At Clara Maass

The fifth and final session of the baby sitting course for teenagers, co-sponsored by the Tri-Town Business and Professional Women's Club of Belleville, Bloomfield and Nutley and Clara Maass Memorial Hospital of Belleville, was held on Saturday May 1, at the hospital. Mrs. Frederick Long of Belleville appeared with her "bag of tricks", as she called it, from which she pulled cards, games, balloons and many other items which she used to show how the baby sitter can entertain a child.

Mrs. John Westcott of Belleville, Civic Participation

chairman for Tri-Town, congratulated all the participants. Miss Ruth Williamson, president of Tri-Town, and Miss Mary Larcker, Assistant Director of Volunteers at Clara Maass, presented certificates of achievement to 46 teenagers who had attended all five sessions, at which they learned to feed and bathe a baby, what to do if a child becomes ill while they are baby sitting and were instructed in safety measures by the Nutley First Aid Squad, the Belleville Fire Department and the Bloomfield Police Department.

School PTA Ends Season

On May 10, School No. 7 held its last PTA meeting of the school year.

A musical program was planned by the school orchestra. It is always very gratifying to both parents and teachers to see our children perform so well.

The new officers of the PTA were installed at this meeting also.

Refreshments were served by the first grade mothers.

The best years can always be ahead.

Anyone Who handles Food Must Be Careful
Food and drink that are not carefully handled and prepared can be a source of food-borne illness. The bacteria spread easily from hands to food and then multiply quickly. Effective hand washing is considered to be the most important single control in fighting this type of infection.
Never handle food with any sort of open cut or infected finger. Always wash hands after touching nose, face, or hair. It would also be a good idea to keep a good anti-bacterial skin cleanser in the kitchen. We, of course, use one in our pharmacy and can recommend one for your home use.
YOU OR YOUR DOCTOR CAN PHONE US when you need a delivery. We will deliver promptly without extra charge. A great many people rely on us for their health needs. We welcome requests for delivery service and charge accounts.

Lilley-Skopak Troth Is Told; May Wedding

Mr. and Mrs. Samuel J. Lilley of Caldwell announce the engagement of their daughter, Margaret to Ronald P. Skopak, son of Mr. and Mrs. Theodore Skopak of 81 Charles Street, Belleville.

Miss Lilley, a graduate of James Caldwell High School, is a student at Vermont College.

Mr. Skopak, an alumnus of Essex Catholic High School and Seton Hall University, is doing post graduate work in psychology at Seton Hall.

The wedding will be held next May.

Annual Hadassah Sabbath Friday

The Annual Hadassah Sabbath of Temple B'nai Israel of Nutley will be marked on Friday evening at 8:30 p.m. Rabbi Hyman Danzig will conduct the service. The Temple Choir will sing.

The 23rd anniversary of the State of Israel will be marked by the Belleville-Nutley Chapter of Hadassah. During the Religious Fellowship Hour (Oneg Shabbat), installation of the new officers will be held. Mrs. Herman Goldberg will be installing officer.

Officers to be installed are Mrs. Frank Edelman and Mrs. Nathaniel Rubin, president; Mrs. Israel Sonenshein, vice president, education; Mrs. Harold Kirshenblut and Mrs. Dennis Rein, recording secretaries; Mrs. Michael Rosenhaus, financial secretary; Mrs. Joel Cofsky, corresponding secretary and Mrs. David J. Hoffman, treasurer.

Presentation of awards in various categories will be made by Mrs. Jerome Hamburger.

Hard work is probably a good thing for mankind but there are many who want very little of it.

Tri-Town BPW Lists Events

Mr. John Squartino of the Essex County Park Commission was the guest speaker at the regular dinner meeting of the Tri-Town Business & Professional Women's Club of Belleville, Bloomfield and Nutley, New Jersey, Inc., on April 22nd. He presented slides with running commentary showing all seasons in the 8,000 acres of park land in Essex County where programs and recreational facilities for children, young adults, and senior citizens are made available, such as some 69 tennis courts, two public golf courses, day camps, baseball, football and soccer fields, music festivals and Turtle Back Zoo.

President Ruth Williamson announced the election of the delegates who will accompany her to the annual convention of the New Jersey Federation of B.P.W. Clubs in Atlantic City the third weekend in May. They are, Miss Helen Hunt of Glen Ridge, Mrs. John Westcott of Belleville, Mrs. Eleanor Bischoff of Nutley and Mrs. Hazel White of Bloomfield. Alternates and members also attending the convention are Miss Mildred Spatz and Mrs. Mary Ellis of Bloomfield, Mrs. John Kellerman of Verona, Mrs. Joseph Mulligan, Miss Fay Williamson, Miss Helen Farrell, Miss Mary Jo Torre of Belleville, Miss Eleanor Storer and Mrs. Marie Corley of Nutley.

Some fifty-five members and guests attended the Theater Party of the Club on April 15th at the Playhouse on the Mall in Paramus to see "I DO! I DO!"

At a meeting at the home of Mrs. Stanley Bedford of Nutley on April 21 the members of the Scholarship Committee, chaired by Miss Elsie Ciccone of Nutley, reviewed some 41 applications for the Club's scholarship awards, and selection of a graduating senior girl from each of the High Schools, Belleville, Bloomfield and Nutley, was made. Announcement of the awards will be made at the Club's May meeting at which the recipients and their mothers will be guests of the Club. Presentation of the awards will be made at the Assembly Day programs at the respective high schools before the close of school.

Some 95 tables were in play Saturday night, April 24, at Bloomfield High School at the Club's annual card party which is the Club's chief project to raise monies for its Scholarship Fund. Merchandise gift certificates on Hahne's Department Store were won by Mrs. Edward Hamilton of Belleville, Mrs. Jeanne Linder of Bloomfield, and Miss Eileen Hungry, of Elizabeth.

Free Admission Okayed At Activities For Elderly

New Jersey's Senior Citizen can now obtain free admission to day-use facilities at all state parks, forests and historic sites.

The new program announced this week by Richard J. Sullivan, state commissioner of Environmental Protection, is authorized under legislation signed into law February 3 by Governor William T. Cahill.

Residents, age 65 or over, may secure a Senior Citizen Pass by presenting proof of age and social security card at any park or forest field office,

Paulo The Clown

Belleville's Own Clown At Children's Special

The Children's Department of the Belleville Public Library will present Mr. Paul Klingler as Paulo the Clown for its Saturday Children's Special on May 22.

There will be two performances, one at 10:30 a.m. and the other at 12 Noon. Admission to both shows is by free ticket only. Interested children should pick up tickets at the library as soon as possible, as the ticket supply is limited.

Tusculum Names Resident Scholar

Donna Higgins of Belleville, was named a Charles Oliver Gray Scholar at Tusculum College. To be named as such, a student must be a sophomore, junior or senior with an average of 3.25 or better for each of the three preceding quarters.

A graduate of Bergenfield High School, she is a sophomore majoring in elementary education. Donna is the daughter of Mr. and Mrs. Gerald Higgins of 90 Tappan Avenue, Belleville.

The passes, which will be available May 17, are good for three years and are renewable after that time. The program is administered by the department's Bureau of Parks.

Lecture on Color At Local Library

Red, white and blue, and all the colors of the rainbow—including what color preferences reveal about personality traits—were discussed by Miss JoAnn Snowcroft, New Jersey Bell lecturer, yesterday at a meeting of the Silver Lake Branch Library's Women's Group. The program was held in conjunction with the library's preschool program and was open to all Belleville women.

The lecture, called "Color Comes Calling", also offered hints on selecting colors for

home decorations and furnishings and on the use of "cool" and "warm" colored lighting to set or change moods in different rooms of the house or apartment.

Miss Snowcroft used demonstrations to show the effect of lighting on color perception and the way primary colors are mixed to create secondary colors.

The influence of color on language was also discussed why people use phrases like, "green with envy" "once in a blue moon" and "painting the town red"

We're checking into your background.

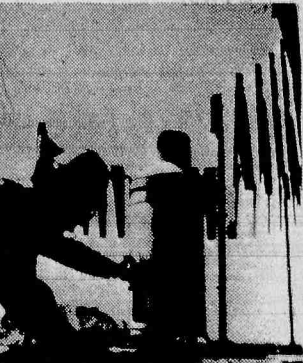

Technicians check natural radiation levels of agricultural products in the Salem area.

Special equipment collects particulate matter from air samples at the construction site of the Salem Nuclear Generating Station.

Local water samples are checked regularly.

The area's rainfall is calculated with this device.

A Better Environment Is Our Business Too

Right now, carefully detailed studies are being made to determine the natural background radiation in the vicinity of our Salem Nuclear Generating Station construction site. Since 1968 radiation levels of local agricultural, water and air samples have been continuously monitored. These natural levels will be compared with findings after the Salem Nuclear Generating Station goes into operation to be sure the plant has little or no effect on the surrounding environment. This is just one more way to make sure that our operations harmonize with their surroundings. At Public Service a better environment is our business too.

Public Service Electric and Gas Company

Specialists in prepaid health care.

When it comes to something as vital as family health, nearly half the people in the state turn to the specialists who started the concept of prepayment for health care. The New Jersey Blues.

And for good reasons. For one thing, we are non-profit which means more health care for your health-care dollar. For another, we keep our administrative costs at rock-bottom. In fact, our operating expenses are actually only about 6 cents of every

dollar. Versus several times that for other health insurers. Then, too, the New Jersey Blues pay hospitals and participating doctors direct. This means less delay and red tape.

And finally, because we are specialized, we won't try to sell you life, or fire, or auto insurance or any kind of all-purpose financial plan. Our only business is to provide you and your family with the best in prepaid health care. It's our one and only specialty.

Belleville Pair to Head Monmouth Nine

Two former Belleville High School varsity baseball and football players now attending Monmouth College are the most likely candidates on the College's baseball team to be selected as co-captains for next year's varsity squad. The final announcement won't be made until September, but the two Belleville residents are the only two who have been on the varsity squad since their freshman year.

Sharing the responsibilities of being team captain will not be a new thing to Tony Cervasio and Greg Kostowicz as they were co-captains of the 1968 Belleville High School team. They went to Monmouth as roommates for the first two years after graduation, split this year, but will be back again in their final year of college.

Cervasio hit .294 as a frosh for Monmouth playing left field varsity in his first year. This season he had a .260 average and made no errors for the 10-5 season. The sociology major was a defensive wingback in his senior year at BHS, but didn't go out for football at Monmouth as the sport is only conducted on the club level. Tony was the sophomore back-up for Artie Sheridan in 1966 the year that Belleville baseball team became Big Ten Champs.

Kostowicz had his best season this year as the first baseman, and hit .280 for the season. Greg had been up over .300, but slopped in the last few games. On the field, Greg had only one error for the season with more than 150 putouts.

Greg Was All-County Griddy

At Belleville, besides being baseball co-captain with Tony, Greg was an All-County football player as he had worked the offensive end and defensive back positions. In his sophomore year he also was a back-up for the Big Ten Champs, playing behind Sam Calabria. The accounting major plans to go for his Certified Public Accountant's certificate after graduation from Monmouth.

Monmouth had a 10-5 season this year and looks even better for the future. They've only lost three starting players due to graduation and should return as a strong club. Head Coach Bob Sprague is looking at Belleville High School's Frank Petite right now for the year after next and has told Cervasio to give him a talk about Monmouth.

Some of the other former local players now at Monmouth include Ed Halicki of Kearny and Jeff Bouton of Nutley, both pitchers. Halicki made the College-All-State team this season with a 1.1 ERA in a 3-2 season. Bouton, who has a younger brother on Nutley's varsity, is a reliever who compiled a 3-0 slate.

Cervasio's younger brother Mark is another two sport Bellboy, playing on this year's sophomore football team and now on the junior varsity baseball team.

Legion Tryouts Rescheduled Sunday

American Legion Post 105 has re-scheduled their 1971 tryouts to this Sunday at 2 pm due to the rain last weekend. The coaches wish to remind hopeful candidates for a spot on the roster that they must have been born after August 1, 1952 in order to meet the age requirement.

Coaches Charlie Craig, Frank Papisidero, and Bill Lenahan will be looking for talent to pick up where the 1970 team left off. The 105 Legionnaires will be out to improve on the second place Eastern Division team that had a 10-5-1 record starting on June 7 at 6 pm against West Orange in Belleville Municipal Stadium.

The only members of last year's squad that will not be eligible this season are Joe Vitiello, Joe Ritacco and Pete Remondelli, but coach Frank Papisidero noted that he hopes that all eligible boys that are interested should come out, because "They've all got to show us their stuff this Sunday, even the boys that were out last year."

Duffers Crush Nutley For Revenge Triumph In Finale Of Year

By Bob Luongo

Belleville's Golf team gleamed with revenge after defeating the rival team of Nutley, last Friday. Belleville, after being previously defeated 13 to five by Nutley crushed the Maroon Raiders 11½ to 6½, the final match between the two clubs this year.

Against the Nutley squad, junior Mike Zarra, shot superbly, adding 3 points to the triumphant Belleville score. He now stands third in total season points, with 18 of them. The Maroon saw Zarra shoot a 41 for the ten holes.

Number 3 man Dominick Palamara, shut out his man, strengthening the Bellboy victory a little deeper. He received three points for his outstanding performance.

Senior Gerald Nardiello, Belleville's

number 6 man, shot strongly to receive 21 points. Nardiello, who started as an alternate at the number 6 spot, has proved his talents to win it over.

Junior Gary Defuria, contributing 2 points, was just edged out of a shut out. Defuria is edging right behind Simeone at second place in point contribution.

The final one and one half points was contributed by soph. Neil Simeone. Simeone, tied for the third time, now has a personal record of seven-one and three. He has 24 and one half season points with three more matches to beat 30 points.

This Saturday the local duffers host the Kards of Kearny, being the second meeting this season. Belleville's record to date is 4-7, with two matches to go.

Wayne Valley Scores Bellboys In 'Marathon'

By Marc Feldman

Wayne Valley pushed across five runs on just one hit in the twelfth inning last Saturday to defeat Belleville 8-3 at Belleville Municipal Stadium. The victory was the Indians' fifteenth in eighteen games this season and was fashioned through clutch pitching by the Wayne pitching staff.

Belleville had three good

chances in extra innings to end the game with a run. Belleville had a man on second with no outs in the eighth, men on first and second with no outs in the ninth, and bases loaded with one out in the eleventh.

Each time, Belleville was unable to produce a game-winning hit and the marathon continued. The game con-

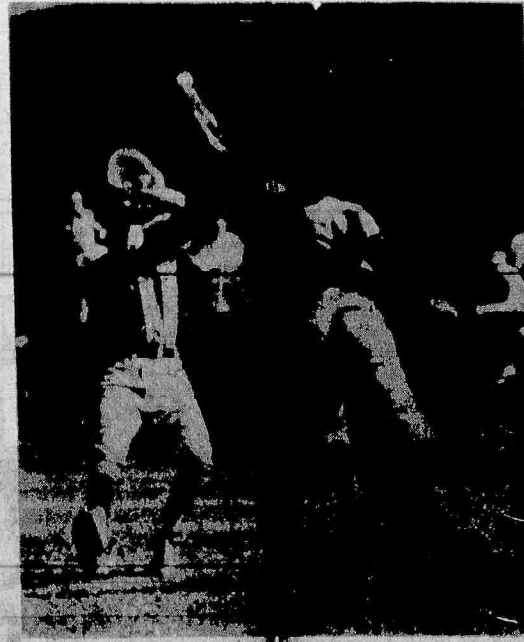

sumed an incredible four hours.

Wayne Valley, unbeaten in North Jersey Interscholastic League play, managed only four hits off the Belleville pitchers. Bill Haines started for Belleville and came up with one of his best efforts. Haines went the first five innings and allowed two unearned runs and just one hit. Haines struck out four and walked five.

Sal Mineo relieved Haines in the sixth and pitched four innings, allowing an unearned run in the seventh that tied the score at 3-3. Gary Soldo struck out the side in the tenth and retired the Indians without a hit in the eleventh frame.

Belleville took an early 1-0 lead in the first inning on Frank Petite's double that drove in Joe Papisidero from first. Wayne got their first hit and first two runs in the fourth as they took advantage of two Belleville errors and Gary Sarno's triple.

The Bellboys tied the game in the fifth when Ron Muscara pinch hit and walked. Wayne

PITCHER Frank Petite (right) and first baseman Rocco Marotti are about to collide in trying to field pop in third inning. The two were unhurt.

In Schoolboy Championships

National Test For Varsity Shell

By Nat Gottlieb

Belleville will send an eight man shell to the National Schoolboy Championships tomorrow and Saturday at Syracuse University.

The Bellboy varsity oarsmen nipped Arlington of New York Saturday to up their record to 12-4. Both the Belleville junior varsity (15-3) and the freshmen (18-0) won their matchups with Arlington to complete a sweep for the Bellboys on the Passaic River.

The varsity, apparently looking ahead to the Nationals, barely escaped defeat Saturday, clipping the Arlington crew by a mere half second in a nip and tuck race. The previous week the Bellboy oarsmen had finished third in the Mid-Hudson Regatta, a race in which the Arlington squad finished eighth.

"The kids rowed a poor mile," Bellboy head coach Sam Giuffrida said Monday. "They were looking ahead to the Nationals."

Belleville took a short lead at the outset and held it to the half mile mark in the mile event. At that point, the Arlington crew evened things up. They went that way until the three quarter mile mark, when the Belleville varsity opened up a six seat lead. Arlington, however, put on a strong final sprint to just miss catching the home squad.

Both Giuffrida and his squad know they won't be able to get away with a mental lapse this weekend, for the National Championships attract top teams from all over this country and from Canada.

The varsity shell will enter what is known as the seniors class, which consists of oarsmen up to 19 and a half years of age. Belleville will be giving away some age here, with its varsity crew averaging about 17.9 years of age. The shell would not have qualified for the junior category because the age limit there is 17.6.

Despite the strong record of his junior varsity, Giuffrida says he wouldn't consider sending his JV shell to the big race. The main reason behind his thinking is that a major portion of shells in this category are made up of top-flight varsity performers who happen to qualify for the junior class cutoff. In essence, then, the Bellboy JV would find itself competing against shells made up primarily of varsity performers.

Giuffrida expects about 18 teams to enter the championships, with only six or so making the finals on Saturday after preliminary qualifying heats.

Because of the stiffness of the competition and the prohibitive cost of

shipping crews and shells long distances, most high schools don't send shells to the championships. As Giuffrida puts it: "You know the best in the country are there so you don't go along for the ride."

The pressure of a national event will not be something new for the varsity shell. Last year the Bellboys sent both a junior and senior shell to the nationals in Princeton, so this year's shell has had experience in the big competition.

Four members of the current varsity shell rowed in the senior nationals. They include John Atherton, Tom Jones, Frank Marano and Jack Fersko. Junior Nationals performers from last year who will make the jump in the senior shell this year are John Resciniti, Angelo Sanzaro, Mike Marano, Gary Haight and coxswain Bob Zarra.

Giuffrida, who is in his first year as varsity coach after six years on the JV level, will take some competition experience of his own to the meet. The coach competed three years in a row in the Nationals for St. Joseph's High School in Philadelphia in 1958-59-60.

Coach Giuffrida is dragging his squad out of bed tomorrow at 4 a.m. for the seven hour trip. The actual heats don't begin at 3 p.m., but Giuffrida hopes that

by the early start he can give his crew time to take a practice mile on the course and to relax before the competition.

The coach was hesitant to compare this year's senior entry to the Bellboy squad of 1970, but hinted he felt the Belleville oarsmen of '71 rated a better chance because of added experience.

"I would assume that since we have a majority of last year's shell back I would say we are stronger," Giuffrida said.

Several changes have been instituted in the training style of the Bellboy varsity this week, according to Giuffrida.

"We feel the boys have come along condition and technique wise so that we can change their training somewhat," he said.

"We are concentrating strictly on the mile. We do about three racing miles a day, whereas in the past we only did one."

The squad is also working on several changes in racing strategy. For one thing, Giuffrida hopes to get his team off from the starting line faster than usual by increasing his acceleration speed, but not the stroking.

"The idea is to move out as quickly as possible without using more power. We can do this by trying out different types

Five Games This Week Test Belleville's Squad

Belleville's weary nine, travels to Montclair's Woodman Field for its fourth game in as many days this week. Tomorrow won't provide any rest for the Bellboys, as they entertain Kearny in the last scheduled home game of the 1971 season.

Tuesday Belleville stopped East Orange, 3-1 behind the four-hit pitching of Sal Mineo (3-0) to stay in contention for

the Big Ten Conference lead. The Bellboys are now 11-7 overall and 9-4 in the Conference. With the 11 victories, Belleville has equalled last year's season total for wins.

Yesterday Belleville was scheduled to host East Side High School of Newark in a State Tournament game. If the Bellboys won that tilt, they will have the dubious task of facing mighty Morristown High School (21-0) sometime next week.

Mineo struck out 13 Tuesday in registering his third victory without a defeat. The control ball artist, who has been superb all season in relief spots, threw the distance for the win.

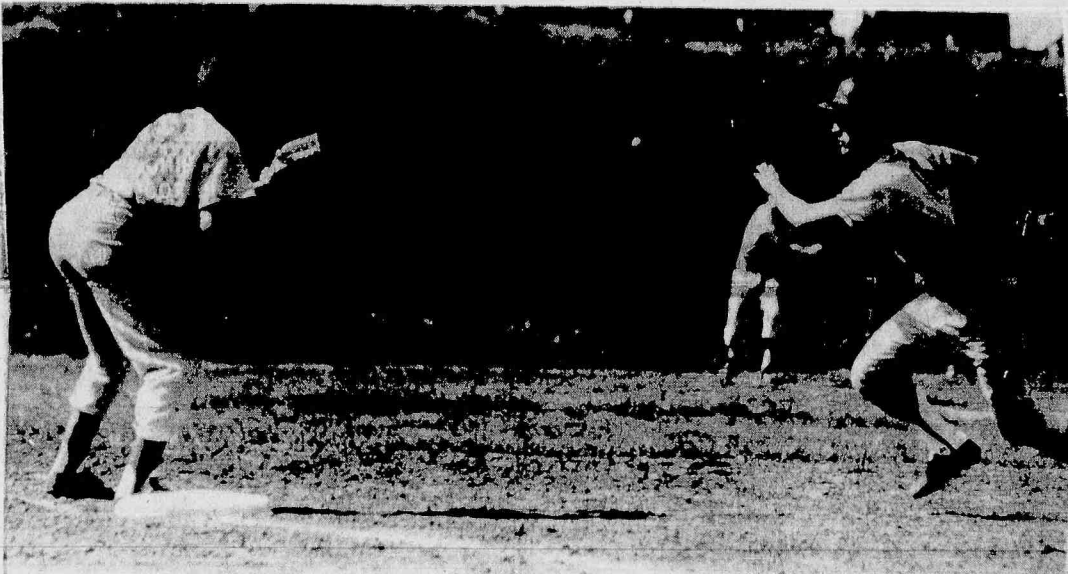

Senior shortstop Joe Papisidero led all hitters with two hits in three at bats, including one RBI, one run scored and two stolen bases. Papisidero raised his season average to .313, good for second best on the squad.

JOE PAPASIDERO heads back to first base to escape pickoff attempt by Irvington's star hurler Dean Uhlit in first inning. Paps walked and scored later on a fielder's choice. The Bellboys were bombed, however, 14-3 by the Campers, and all but eliminated from Big Ten consideration.

Face Kearny Today

Cindermen Hope Finale Puts Them Over .500

The Belleville track team will travel to Kearny today for their last dual meet of the season. The Bellboys' record now stands at 6-5 after topping West Orange last week and placing second in a tri-meet with Irvington and Vailsburg this past Monday.

The Bellboys entered the County Championships this

past Saturday, and even though some season individual marks were broken, no one came away with any of the medals awarded for the first five places in each event.

The Kards will put up their toughest fight against Belleville in the mile run. Belleville's Lou Dalcero will face opponents that placed second and fifth in the Big Ten Championships earlier in the month to help the Kards tie Orange for seventh place. Other scores for Kearny came on a fourth place in the shot put and a third in the javelin, an event in which Belleville does not compete.

Kearny topped Belleville 83-34 last year and kept Belleville to only three first places, but that was a 2-10 Bellboy squad, this year's 6-5.

In the tri-meet, which replaced a rained out meet of the week before, Irvington dominated, taking first in nine of 13 events, Belleville managed to take three, while Vailsburg only one. Belleville took first, second and third in the shot put with Vailsburg taking a point for fourth. There were no Irvington shutouts. But Belleville failed to score in the long jump and the two mile.

Tom Vitiello's first place finish in the shot put and the discus, where he took the only Belleville points, made him the high scorer for

the day with ten points. Tom was followed in the shot by Tony Vincent in second place and Bob Luongo in third.

Mark Bradley was the number two scorer for Belleville with six points. Mark was first in the 440 and took fourth in the 220. In the

longer run, Mike Petronaci also scored for Belleville, taking third place for two more points.

Ricky Caruso scored five points for the team by placing second in the low hurdles and third in the

Irvington Jars Varsity, 14-3

Irvington had a field day against the Bellboys Monday, collecting 14 runs on 18 hits to trounce Belleville 14-3 at

the Campers home field. The loss dimmed Belleville's chances of copping a Big Ten Conference title.

A glaring sun which appeared to blind Belleville's outfielders and an irregular pitching mound contributed to the Irvington romp, most of which came at the expense of Bellboy pitcher Frank Petite (5-5).

The big story, however, was the booming bats of the campers, particularly Camper pitcher Dean Uhlit (5-1), who went 3-4 including a single, a triple and a homer for two rbis and four runs scored.

Petite, who complained early in the game about Irvington's level mound (most high school mounds are raised), was almost hit at will

JV's Capture Sixth Straight

By Tony Calabrese

Belleville's Junior Varsity Baseball Team picked up their eleventh and twelfth victories of the season rather convincingly this past week. Defeating Orange 13-1, and Wayne Valley 10-0, the ballclub has now won six games in a row, upping their season record to an impressive 12-2 mark.

At Orange, Tommy Cosgrove's three-hit, eight

complimented with a 13 run, 14 hit, Belleville attack. Home runs by Phil Cuzzi and Rich Centanni were the big blows in the game. Other Bellboys who had a fine day at the plate, were Ron Borgo whose two singles drove home 3 runs, and Joe Ross who went three for four and had two runs batted in. The game was called after 5 innings due to curfew.

of strokes." Giuffrida also hopes to have his squad break into the final sprint sooner than usual. Normally the varsity hits its final sprint within 100 yards of the finish line. For the nationals, Giuffrida hopes to have his squad start the big surge 150 to 170 yards from the finish.

The following week, meanwhile, all three crews (varsity, JV and frosh) will enter the Goodwill Regatta which pits Belleville, Nutley and Kearny on the Passaic.

Belleville's Junior Varsity prepped for that one by whipping Arlington's JV's handily, 5:26 to 5:41, a 15 second

advantage. The crew is still stroking a bit higher than Giuffrida would like - 38 strokes per minute. The coach attributes this to nervousness, and would like to see the squad at around 36 strokes per minute.

"They're young and they keep thinking they can go higher; I'm afraid that in some race where it is really close they will try to go even higher and this would hurt them," Giuffrida said.

Belleville's unbeaten freshmen (18-0) continued their mastery of all opponents, easily outdistancing the Arlington sophomore boat by nine lengths. Belleville's mixed shell of frosh and sophs came in second.

Petite Bombed By Irvington's Powerful Attack

(Continued from Page 11)

by the Campers, who rocked the All-Star third baseman for 13 hits and 12 big runs.

Coach Charlie Travers apparently kept the Bellboy hurler in for so long because of Belleville's grueling schedule this week: five games in five days.

Petite did contribute two hits and two RBIs in four at bats to provide some punch to the Bellboy attack. In all, the Belleville nine collected

nine hits.

The Bellboy hurler was socked hard in the first four innings, but it appeared that four or five of the long balls were misplayed by Belleville outfielders, who normally are tight defensively. A bright sun which sat behind the batters' cage on a cloudless day apparently made fielding a pretty difficult thing.

No one was more painfully aware of this than Bellboy sophomore centerfielder Gerard Mongrella, who was hit in the right eye by a fly ball which he lost in the bright sun. Mongrella was taken to the hospital for observation after the game.

Shortstop Joe Papasidero contributed a triple to the losing cause. Paps was doubled home by left fielder Jim Miele.

The game might have been closer than it was had Belleville taken advantage of numerous run-scoring opportunities. For four straight innings, the Bellboys stranded two men on base. In the seven inning affair, the squad left ten men on the basepaths.

Sophomore Alan Frank relieved Petite in the last two innings, surrendering five hits in his brief stint. NTG

Bellboys Dropped In 12

(Continued from Page 11) played the infield in, expecting a bunt from Charlie Ziegler but the senior right-fielder swung away and lined a right past the charging third baseman for a double. Joe Papasidero squeeze bunted perfectly and Muscara came some with the tying run.

Gary Falkman scored the go ahead run in the sixth when he led off with a single, stole second, was sacrificed to third by Rocco Marotti and scored on Rich Giordano's ground ball to short. The Indians tied it up in their seventh turn at bat when Les Solomon reached first on an error, stole second, and scored on Kevin Kasperowicz's single to right. Belleville threatened on numerous occasions in the extra innings but the lack of a good bunt or long fly ball deprived the Bellboys of an upset victory over the Greater Newark Tournament selection.

hundred yard dash for a total of five points.

Don Kowalski was the last Bellboy to score in two events. The junior high scorer placed third in the high hurdles for two points and fourth in the low hurdles for another point.

Also taking third place for Belleville for two points apiece were Rex Willett in the pole vault, John McCarthy in the 880, and Lou Dalcero in the mile run. Don Black finished the scoring with a fourth place finish in the high jump.

Against West Orange, the Bellboys took nine of thirteen first places, eight second places, and four thirds. The high scoring individuals enabled the team to take five events 8-1, two 6-3, and two more wins of 5-4.

Belleville didn't have

enough power in any one event to gain a shut out victory, but kept the Cowboys from doing the same as the visitors took only four events, one 8-1, two 6-3, and one 5-4.

Ricky Caruso was again the high scorer for the day as he took first place in two events and second in a third event for a total of 13 points.

Caruso's victories came in the 100 yard dash where he was the only Belleville runner to score, and in the low hurdles, where he was followed across the line by Don Kowalski.

Kowalski was the number two scorer with 11 points, coming from two seconds and a first. Besides the second in the 100, Don was second in the high hurdles. His first place came in the long jump, where he placed ahead of Caruso. Tony Portese scored in the highs with Kowalski,

taking third place.

Mark Bradley picked up two first place victories for ten points. Taking third place in the 220 behind Bradley was Bob Drake, and taking third in the 440 behind Bradley was Mike Petronaci.

Tom Vitiello was the only other Bellboy to score in two events. Tom placed first in the shot put, where Tony Vincent placed second.

Essex County College Granted Vocational Ed. Aid

Essex County College has received a total of \$66,882 in grants from the Division of Vocational Education of the New Jersey Department of Education for the 1971-72 academic year.

The grants were awarded to fund vocational education programs in the following areas: distributive education, \$24,232; social services, \$10,350; chemical technology, \$17,000; and continuing education for teacher assistants at primary level, \$15,300.

"We are pleased that this year's grants are about \$46,000 over those of last year," states Dr. Alphonse Okibedi, the college's director of research and grants. "We are expecting an even greater financial commitment to vocational education in the near future."

Once in a while a customer asks us what we think about the poor TV programs and why we don't write about them.

Well, everybody seems to think that the programs could stand a lot of improvement. However, this column is not written as a program critic. We try to report on matters pertaining to new developments in radio, TV and Hi Fi, the merchandise which we sell, how to purchase, use, and service it etc.

No doubt you read about the dropping of TV programs of long standing. As usual, opinions are sharply divided on this matter. For once, the writer makes an exception and voices his opinion. We think it is right to discontinue quite a few of these shows. They have become stale, and, as the networks claim, too much orientated towards older people.

Regardless who they appeal to, there should be new things tried, whether it is directed towards older people or the young ones.

If you are not satisfied with the material you see on TV, you may write to the Federal Communications Commission, in Washington, D.C.

Recreation Is Moving Outdoors Once Again

The long indoor Recreation Season is drawing to a close with the coming of the baseball-softball seasons. During the past fall and winter extensive use was made of the Public Schools by virtue of fine cooperation from the Board of Education.

School One was used for Boys and Girls open basketball on Saturdays, girls in the morning, boys in the evening from November 14 thru March 27. It was used on Tuesday evenings for boys basketball and on Wednesday evenings for a girls game night.

School Two was used on Wednesday evenings for Boys Open Basketball starting November 18, and running thru March 24, on Thursday evenings it was used by girls of high school age, on Saturday mornings by elementary age girls and on Saturday afternoons by elementary boys.

School Three was used on Tuesdays from October to April for Girls Fencing, on Wednesdays for Girls Cheerleading. School Three was also the scene of a

number of Teen Dances held on either Friday or Saturday nites.

School Four was used from October 14 thru April 5. Girls gym programs were held on Mondays and Wednesdays. Ladies Exercise classes on Thursdays and Girls Twirling on Saturdays. The twirling will continue until June.

School Five came into use on thursday evenings as a practice site for the teams of the Recreation Elementary and Junior Basketball Leagues.

School Seven was used on Wednesday and Thursday evenings for Girls Twirling from October 14 and will continue until June.

The Junior High School was used most heavily because it has two gyms. On Mondays it was used by the Recreation Junior Basketball League in one gym. Tuesdays the Recreation Senior Basketball League used both gyms. The Recreation Men's basketball League used both gyms on Wednesdays. On Thursday evening one gym was used by the Recreation Girls Junior Gym Program and on Saturdays it was Senior's Open Basketball.

Use of the Senior High School for Recreation consisted of the Men's Gym Program on Wednesday nites and the Recreation Elementary Basketball Clinic and Elementary Basketball League on Saturday afternoons.

Through the generosity of the Silver Lake Baptist Church the Friendly House is

made available to the Recreation Department. This big gym is open daily from 3 to 5 p.m. and on Tuesday evenings for young men, on Wednesdays for Intermediate Boys and on Thursdays for Junior Boys. The Silver Arrow Bowmen offer archery instructions for Boys and Girls on Thursday evenings.

At the Municipal Stadium the Recreation weightlifting gym is open every day from 3 until 9 p.m. and the Recreation Rifle Range is open evenings. On Tuesday and Fridays the Recreation Boys Junior Rifle Club holds forth, on Monday its the Belleville Police Auxiliary and on Wednesdays the Walter Kidde Pistol club is active, lifting is year-round, range activities are ten months.

Indoor Recreation now is just about phased out and is giving way to baseball and softball. Already in action are twenty-four mens softball teams, sixteen Peanut Baseball teams for 8-9 year old boys fourteen Farm League teams for boys 10-12 years old, ten Intermediate and Senior Baseball teams for boys 13-16 years old. Yet to start are the Playground Boys and Girls Softball Leagues. The total program will involve some two thousand people in baseball and softball.

Belleville's DeMolay Softballers To Enter District Championship

By John McCarthy

Belleville's Suburban Chapter of The Order of DeMolay will host Alexander Hamilton Chapter of Jersey City this Sunday afternoon for the District Four DeMolay Softball Championships at Clearman Field.

The local chapter, which is sponsored by the Belleville Craftsmen's Club No. 409, has met with three other chapters in the district and has come away from each with a wide-margin victory.

James Dahlquist has been the winning pitcher in all three contests. In the most recent game, Jim had a

shut-out going against Accolade Chapter of Bayonne, but the Hudson County team scored their only five runs all the seventh inning as Suburban recorded a 19-5 victory. Jim allowed only six hits for the entire game, but unfortunately, they all came in the last inning for the scoring.

Dahlquist was behind twice in the season's opener against Haines Chapter of Jersey City, but the strong bats of the Suburban Chapter pulled him through both times.

Haines got off to a 1-0 start in the top of the first but Suburban came back with two in the bottom of the frame. The Belleville DeMolays continued to pour it on as they scored three runs in the second and two more in the third for a 7-1 lead.

Five hits, a walk and two

errors helped Haines score eight in the fourth to regain the lead 9-7, but again Suburban pulled through, scoring three that inning and adding four more in the next for a 14-9 win.

Against Nutley Chapter, Dahlquist spread out a total of ten hits and allowed only one run in both the third and fifth innings.

By that time, Belleville had all ready built up a good lead by scoring three in the first inning and six more in the second inning. Suburban added more later on and the final score for the second game of the season was 16-2 in the Belleville Chapter's favor.

Leading Suburban's powerful hitters is former Belleville High basketball player Ron Schulz. The freshman at Wagner College has a .687

average (11 for 16), and leads the team in total bases with 27. Schulz has hit a homer in each of the three games thus far, and scored at least three times each game. Schulz has three singles, three doubles, two triples and three homers.

In the opening game of the season, Schulz went a torrid 4-5 hitting the full circuit, a single, a double, a triple and a home run.

The top average belongs to Kevin McKnight, 1 for 1 for a 1.000 average. He's followed by Mark Ashman, who has a .777 average. Mark is 7-9 with two doubles, a home run and four singles.

Fred McCoul follows Schulz in average with a .615. Of eight hits, seven have been singles. Another single hitter is Master Councilor Bob Anderson. "Andy" has a .600 average with eight of his nine hits being singles.

John Atherton went 1-3 in the first game and since then has gone 7-11 for a .571 average. John has three singles, a double and two triples.

Fred McCoul is the last of the over .500 hitters, Fred has gone 5-9 and has scored as many times as he's been on base.

JMC

SHORTSTOP Joe Papasidero fields ground ball in the second inning to make force play. Papasidero continued his fine fielding against Irvington, but the Bellboy bats were silent. The score: Campers 14 Belleville 3.

(Continued from Page 11)
combined to shutout Wayne Valley on only three hits. Offensively, Belleville opened with two runs in the second inning, on doubles by Centanni and Sam Venezia, and a triple by Rich Cupparo.

A run in the third, was followed by four in the fourth. Ross, Centanni, and Cuzzi had RBI hits in the inning. Three fifth inning runs, driven home by Mark Cervasio, Ross, and Frank Papasidero, closed out the scoring.

The game was highlighted

by an outstanding fielding play by Joe Ross, whose diving stop of a drive hit to center field was good enough to cut down a Wayne Valley runner who was trying to stretch a single into a double in the second inning.

Today, the Junior Bellboys travel to Montclair to take on the Mounties, who they defeated in their first meeting 5-1, and will close out a busy four game week when they entertain Kearny in the final home game of the year, at 3:45 P.M. tomorrow afternoon.

REARING BACK to hurl is Bellboy Frank Petite, who experienced an off-day on the flat mound at Irvington Monday. Petite was clobbered to even his hurling mark at 5-5.

A FAST BALL slips by Frank Petite from Irvington pitcher while the Bellboy pitcher went 2-4 against UHlit. Dean UHlit UHlit collected a triple and a homer off Petite.

FRANK PETITE pours it on in attempt to beat out infield hit, but is unable to beat the throw. Petite, who was bombed on the mound, nevertheless collected two hits for the day against Irvington.

Army Awards Ferraro Badge of Highest Honor

Army Private First Class Jack H. Ferraro, 23, son of Anthony Ferraro of 31 Dow Street, Belleville, recently received the Combat Infantryman Badge in Vietnam.

The badge is a unique and cherished award that is highly coveted by its recipients. The award was originated during World War II to recognize the role of the infantryman. The CIB can be awarded only to a member of an infantry unit of brigade, regimental or smaller size unit who satisfactorily performed in active ground combat against a hostile force for a period of time.

In honor of its singular meaning, the badge is worn above all other awards and decorations, over the left breast. It is a blue rectangle with a silver rifle mounted on it, superimposed over a curved wreath. Subsequent awards are represented by stars at the top center of the wreath.

Pfc. Ferraro received the award while assigned as a rifleman with Company D, 3rd Battalion, 1st Infantry of the American Division's 198th Light Infantry Brigade near Duc Pho.

The private entered the army in May 1970, completed basic training at Fort Dix, N.J. and was stationed at Fort Polk, La., before arriving overseas.

He is a 1966 graduate of Essex County Vocational and Technical High School, Bloomfield.

Navy Awards Harris Medal

Navy Petty Officer Second Class Eldred A. Harris, husband of the former Miss Linda M. Chavious of 125 Cortlandt Street, Belleville, was awarded the Navy Achievement Medal aboard the attack aircraft carrier USS Oriskany, currently conducting training operations off the coast of southern California.

He was cited for meritorious achievement during the Oriskany's 1970 combat cruise to the Gulf of Tonkin.

Brown Ends Corps School

Local Counselor Gets State Office

William Kennedy, a guidance counselor at Belleville Junior High School has been appointed to a statewide committee by the New Jersey Education Association.

Kennedy's appointment is to NJEA's UnitServe Committee, which is drawing up a plan to provide more direct services to association members at the local level.

Mrs. Frances Carnochan of Trenton, NJEA's president, announced the appointment today.

Olga Knows

Your Weekly Horoscope
May 20 through May 26, 1971

ARIES (March 21-April 19): First day of week may find you on a bit of a downer, Ari, but you will pull yourself out of it with a little help from your friends. On second day, you will be in command of all you survey. Energy builds as week progresses. Last day, associate may attempt to upbraid you with ruthlessly candid comment. Ignore it, if possible. Reaction will be observed by higher up. The brownie points will all be yours, baby.

TAURUS (April 20-May 20): You will perhaps pack enough experience in the next week to give you food for dreams for many months to come. Pisces person enters picture, and may demand meaningful answers to questions. But what Pisces considers "meaningful" will be "meaningless" to you. Verbal hassle could ensue. Insecurity at crux of conflict.

GEMINI (May 21-June 20): Days ahead are dear days, Gem. If only it were possible to place each one in a jar, seal hermetically and later release. But alas, this cannot be. So enjoy each to the fullest and deposit as much as you can in your memory bank. Memories gather interest which is often compounded.

CANCER (June 21-July 20): Stay put in week ahead, Moonlover. Motion could get you nowhere - and if you are not on hand when goody is awarded, you will want to kick yourself in your hot pants. A Cap is reaching out to you. Do you feel the vibes? You will, if you listen quietly. And with your heart.

LEO (July 23-August 22): Conflict will be resolved by mid-week, Leo love. Words, phrases, poems and essays are highlighted. Creatively you will be in high. Channel energies. Could be one of your most productive weeks of entire year. As week draws to close, beware of a Gem bearing gifts. And tales.

VIRGO (August 23-September 22): One who is shrill will push and shove in days ahead, Virg, until you want to blow your mind. This person covets

what you have, baby. Stand firm and let it be known that there is NO WAY. If necessary, build a fence around that which you hold most dear. A fence of pointed little warnings would be most effective. The type which Virg is famous for. By last day, events should cool.

LIBRA (September 23-October 22): Lulu of a week on tap for old Olga's lovely Libs. Pisces may again play important role. Conflict brews, but can be avoided. Hostility, even anger, can be converted into strength. Pisces needs your strength. And you need Pisces for other reasons which shall remain unexplained at this time. Week ends. Finally.

SCORPIO (October 23-November 21): David had Bathsheba, Romeo had Juliet. Then along came "Love Story" with Oliver and Jenny. But Scorp, what is in the stars for you will make their romances read like "Mother Goose." You Scorp, will soon have your Taurus. Tune in next week, same space, same paper, for details.

SAGITTARIUS (November 22-December 21): Desire to play in the clover will be exceedingly strong, Sag. Especially first three days. So, go play. That's what spring is all about, Sag. Remember? By fifth day however, you would be wise to settle down. Just temporarily, you understand. No long-term commitment. Message of import arrives before last day.

CAPRICORN (December 22-January 19): Week ahead is for you to unwind and let petty annoyances go to blazes. There are those who would have you hot-footing it from dawn to dusk, if you permit. Stomp your foot down, and let it be known that you are "off duty." Keep ears scrubbed so you won't miss news which will circulate. It could involve you at future date.

AQUARIUS (January 20-February 18): Swagger with style in week ahead, Aquari. All heads will be turned your way. No more chorus line for you. It's to be top billing from now on, pet. One tiny word of advice. Prepare. Learn your lines, love. (But just in case, old Olga will be in the prompter's box. At least for the first performance.)

PISCES (February 19-March 20): Oh, good heavens, Pisces. It is going to be another of those typical zany weeks again. You'll find yourself swimming around in circles a good deal of the time, unless you make concerted effort not to. Everyone who likes to fish will be out to get you, baby. And just thinking of the millions of fishing enthusiasts who will be concentrating on catching you is enough to boggle the mind. (You're quite a "catch" you know, but this week strive to be the one that got away.)

Attorneys to Coordinate Dennis-Orechio Drive

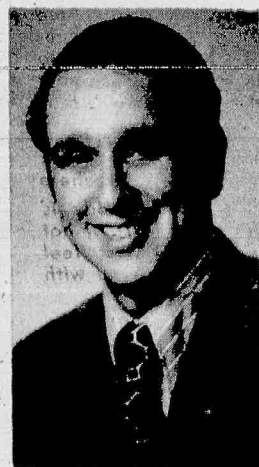

Two attorneys today were named to coordinate the Dennis-Orechio drive in Belleville and Nutley. The drive is being coordinated by Assemblyman John

Dennis of Verona and his Republican running mate, Carl Orchio of Nutley. Coordinating the Belleville campaign will be Robert A.

Gaccione, an attorney with offices in Kearny and a former FBI Agent. Nutley's drive will be coordinated by John M.D. Walch, also an attorney and a former president of his town's GOP Club.

The appointments were announced today by Assemblyman Herbert Rinaldi, manager of the Dennis-Orechio campaign.

Gaccione served the FBI for three years and was commended by J. Edgar Hoover with a rarely given incentive award for an extraordinary number of fugitives apprehended. He was named Seton Hall's

outstanding alumnus in 1964 and two years later received Georgetown University Law School's Criminal Procedure Award.

Gaccione has been active with the state and American bar associations, the Jaycees, Unico, the Belleville Athletic Advisory Council and has served as president of the Setonian Foundation.

Walch, a resident of 166 Highfield Lane, Nutley, accepted the post of Nutley coordinator and thus continues several years of active work with the Republican organization. He has been a GOP county committeeman 15 years and served as an alternate delegate to the 1968 Miami National Convention.

Walch is senior engineer with Public Service Electric & Gas Co. and a member of the Institute of Electrical and Electronic Engineers.

He served as president of the Nutley Family Service Bureau from 1968 until this year and has been vice president of the Nutley Community Service Council since 1967. Walch is a cabinet member of the Council of Social Agencies of the UCF and a former town chairman of the Nutley UCF campaign.

Walch and Gaccione in press statements this week praised the candidacies of Dennis and Orchio. Gaccione predicted the ticket would win the district "by upwards of 10,000 votes."

Walch noted Orchio has served Nutley eight years as a Parks & Public Property Commissioner.

Bank of Bloomfield Gives Good News To Stockholders

At the Eighth Annual Stockholders Meeting held at The Bank of Bloomfield on March 25, it was announced by the Board of Directors, that the bank will pay a 10 per cent stock dividend. This dividend will be for the Holders of Record as of April 16 and payable May 14. This will be the fourth 10 per cent dividend paid to the stockholders of The Bank of Bloomfield.

Thomas J. Carlon, president of the bank also told the stockholders present that the Bank experienced another fine year in 1970 with deposits increasing by \$4,454,000 and earnings by 40.9 per cent bringing the total assets of the bank to an all time high of \$18,762,470. Carlon was also happy to announce that the bank was over the \$20,000,000 mark in total assets as of March 17, 1971.

Philip J. Levin, Chairman and Thomas J. Carlon, president also expressed their appreciation to the stockholders, directors, customers and employees for their invaluable assistance during the year.

Local Resident Elected Association Treasurer

The Board of Directors of Mohawk Savings & Loan Association, Newark, has announced the election of Michael J. Castrovilla of Belleville the association's current vice-president, to the additional office of treasurer.

The board also announced the appointments of Gary Riemer and Richard Drill as new directors to fill vacancies caused by the death of Harry C. Katzin and the retirement of Harry A. Werfel.

Castrovilla, a graduate of the American Savings and Loan Institute and The School for Executive Development, a program of studies offered by the Institute in cooperation with the University of Connecticut. He joined Mohawk Savings in 1954 as assistant treasurer, and became vice-president in 1965.

Gary Riemer received a BS degree in business administration from the

University of Pennsylvania's Wharton School and is president of H.G. Mooney Co. of Newark.

Drill holds a BS degree in architectural engineering from the University of Illinois and is Corporate Secretary of Max Drill, Incorporated of Newark.

Located at 40 Commerce Street in Newark, Mohawk Savings is open daily from 8:30 a.m. to 4:30 p.m., with Wednesday evening hours to 6 p.m. The association is one of the largest insured savings and loans in New Jersey, and provides its members with a full range of thrift services.

Banner Quarter Announced By Walter Kidde Company

Net income and earnings per share of Walter Kidde & Company, Inc. were the highest in the company's history for the first quarter.

Net income after taxes rose to \$6,440,000 for the three months ended March 31, 1971, from \$6,009,000 for the comparable year earlier period. Income before taxes was \$13,484,000 in 1971, against \$12,701,000 in 1970.

Earnings per share and common equivalent share amounted to \$0.60 in 1971, compared with \$0.58 in 1970. Earnings per share assuming full dilution were \$0.57 in 1971, compared with \$0.55 a year earlier.

Kidde's sales and revenues totaled \$167,416,000 in 1971, against \$185,328,000 in 1970. Operating results of United States Lines, Inc. are included in Kidde's 1970 figures but not in 1971 results. Excluding United States Lines from Kidde's 1970 figures, Kidde's sales and revenues, as well as profits, were higher in the 1971 quarter.

Kidde's results for 1970 have been restated to include the operations of companies subsequently acquired by Kidde in poolings of interests. Per share results also were adjusted for a 2½ per cent stock dividend paid at the end of 1970.

United States Lines has been excluded from Kidde's financial statements since last November, when agreements were reached for the sale of the shipping firm to a subsidiary of R. J. Reynolds Tobacco Company or to alternative purchasers. Completion of the agreements is pending further action by federal agencies and a Federal District Court in Newark.

The court recently declined to act on a Justice Department request that the Federal Maritime Commission be restrained from proceeding with its consideration of the merger agreement. The court also declined to stay its own proceedings pending a decision by the commission on the merger, and adhered to its earlier opinion that the commission does not have jurisdiction over the merger agreement.

Parties to the court action

LEONARD Riccardo has been elected a corporate vice president of Walter Kidde and Co., Inc. Riccardo, 38, has been with Kidde since last year.
